

# Harvest of Surprising Wheat Crop Nears End

## Floydada Country Club Set For Next Tuesday

Claude Griffin, golf pro at Floydada Country Club, will be host to some 150 golfers from over the south plains area Tuesday, June 19, when the club holds its pro-am tournament.

## Elected of State District

Stovall, practicing at Floyd County Bar, elected director of the Texas for the 19th District there are members of the officer candidates on the ballot.

## FORMS AVAILABLE NOW

Bill G. Rodgers this week the receipt of forms and No. 2240, provided by the county agent.

## Citizens Meeting

People attended the meeting at the First Church on Monday night with enthusiastic interest.

## Mayo Takes Position

Who has been as his father D. T. Mayo, Pymouth business, his duties to take a Farm Equipment Commission.

## Insect Talk Tempers Glowing Cotton Reports

The infestation of thrip in the young cotton fields of the county, is so general and, at least in many fields, so severe, that County Agent Bill G. Rodgers believes it will be profitable for every cotton grower to check his fields to see if he shouldn't immediately start spraying.

agent thinks undoubtedly it is a good idea. The county agent last week met with a group at Lone Star and another at South Plains. The consensus of opinion in those two communities was that action should be taken at once.

beneficial insects to multiply before the probable need to apply the bollworm spray later this season. "The first crop is the one that represents a profit in a cotton field as a rule," said Rodgers.

DDT applies one quart per acre and Toxaphene one pint per acre. Sprays are recommended as more effective and economical than dusts for controlling insects on young cotton.

## Loans Stymied; Still No Money

A wheat crop that will approximate two million bushels when it is all in, will be 75 per cent to 90 per cent harvested this mid-week.

## Broader Based Petition Asked On Road Bonds

The backers of the proposed highway right-of-way bonds for Floyd County's cardinal roads were asked by the Commissioners Court Tuesday afternoon late to come in with "broader based" petitions at a later date.

Two petitions, one from Lockney with 38 names, and one from Floydada with 68 names (reporter's count) were filed with the Commissioners Court Monday morning, as scheduled.

Apparently the court is required to act within a reasonable time on a petition of this nature, if it is in order. Recognizing this fact the court asked, however, that the petitions be held in abeyance until more names from wider areas than covered in the two petitions are obtained.

Assent was given to the suggestion, it was said at the court house yesterday.

In two previous elections the bond issue has lacked about 7 per cent of getting a two-thirds majority as required by the law.

The county has been under pressure from the State Highway Department to furnish right-of-way for a big cardinal road building program, first proposed to the Commissioners Court two years ago.

CANCELLATION of an allocation for more than a half million dollars to build a four-lane highway from Floydada to the Hale County line, with side roads and service roads in the vicinity of Lockney, has been withheld by Commissioner Marshall Forby until the outcome of the county's effort to obtain right-of-way is seen.

A month ago the Highway Department allocated \$400,000 to re-build Highway 207 to the Crosby County line from Floydada.

A STRONG reversal of sentiment toward the bond issue has taken place at Lockney, backers of the proposal declare. In the two previous elections the vote there was strongly against the bond issue, as it was also in a majority of the other precincts of the county.

In the four Floydada boxes the vote was considerably in excess of two in one favoring the bond issue in both previous elections.

High temperature for the week in Floydada was recorded on Tuesday of this week with a reading of 96.

Low was recorded last Thursday morning with a reading of 60 degrees. Yesterday's high was recorded at 95 and the low at 65.

## Senator Daniel Makes Hurried Plains Tour

U. S. Senator Price Daniel, with crucial voting out of the way in Washington, spent last week in Texas, three days of it on the plains, checking on his county organizations and shaking hands.

It was one of his first moves in his campaign for the governorship of Texas.

Thursday morning he was in Floydada for 20 minutes. In that short time he:

- (1) Renewed some acquaintances and made some new ones;
- (2) Spoke briefly to 40-odd men and women voters assembled in the lobby of Oden Chevrolet Company;
- (3) Made a brief tape recording to be broadcast over Station KPFD;
- (4) And stopped at the home of Judge Tom W. Deen to renew an acquaintance of a former day.

In his brief talk here the senator did not touch on the politics of his campaign. "Floyd County has been good to me in the past, I will appreciate your support for governor and will try to be worthy of your confidence," was about the sum total of it. He promised to come back later in the campaign if possible.

At Lockney he made a similar stop where he visited with supporters and rallied his forces.

Lubbock, Lorenzo, Halls, Plainview and Oton were other stops he made before going into Amarillo Thursday night.

## Assistant Agent Pittard At National Guard Encampment

Assistant County Agent Lynn P. Pittard left over the week-end for Fort Sill, Okla., where he will train with the National Guard Units at the military base beginning this week and continuing through June 23.

## First Detailed Information Is Given on Soil Bank Procedure

In a communication received yesterday at the Floyd County ASC office Secretary Benson outlines some of the basic rules which will apply in the Acreage Reserve Program as the wheels of the Soil Bank plan begin to turn.

The information, made available by Thomas J. Hutchins, administrative officer of the Floyd County office, is as follows:

Under the 1936 Acreage Reserve, farmers who are eligible to take part in the program may earn payments in connection with one or more of the commodities specified in the law — corn, wheat, upland or extra long staple cotton, peanuts (except Virginias and Valencias for which there is no surplus), rice, and most types of tobacco — by reducing their acreage of the crop below the farm's established allotment (or base acreage in the case of corn).

UNDER the basic rules of eligibility established in keeping with the law, acreage designated for the Acreage Reserve must: (1) Be representative of the land used for the crop, (2) result in the harvesting of an acreage of the basic crop less than the farm allotment or corn base acreage, and (3) not be grazed, cut for hay, or cropped for the entire 1936 calendar year. Noxious weeds must also be controlled on the "reserved" acreage.

In order to participate in the Acreage Reserve, a farmer must comply with all acreage allotments or corn base established for the farm.

The 1936 program, as provided by the law, contains special provisions and payments which enable farmers to participate this year. Any farmer who otherwise complies with the provisions of the Acreage Reserve will be eligible for payment if:

- 1. He has underplanted his Soil Bank corn base or his allotment for cotton, rice, tobacco, peanuts, or wheat (when planted to spring wheat) and he certifies that he underplanted (a) in anticipation of complying with the 1936 Acreage Reserve or (b) because of adverse weather conditions; or
- 2. He has underplanted his 1936 allotment for winter wheat and certifies that this was done because of adverse weather conditions; or
- 3. He has complied with his Soil Bank corn base or his farm allotment for a particular crop, but an acreage of the crop was not harvested because of destruction by natural causes; or
- 4. The farmer is in an area where an established final date set for the basic commodity of his area is subsequent to May 28 and he plows or otherwise physically incorporates the crop into the soil, or clips, mows or cuts the crop after May 28 and prior to June 30 or the established final date, whichever is later. (The "established final date" will be the last date on which the acreage of

for cotton, rice, tobacco, peanuts, or wheat (when planted to spring wheat) and he certifies that he underplanted (a) in anticipation of complying with the 1936 Acreage Reserve or (b) because of adverse weather conditions; or

2. He has underplanted his 1936 allotment for winter wheat and certifies that this was done because of adverse weather conditions; or

3. He has complied with his Soil Bank corn base or his farm allotment for a particular crop, but an acreage of the crop was not harvested because of destruction by natural causes; or

4. The farmer is in an area where an established final date set for the basic commodity of his area is subsequent to May 28 and he plows or otherwise physically incorporates the crop into the soil, or clips, mows or cuts the crop after May 28 and prior to June 30 or the established final date, whichever is later. (See Soil Bank, page three)

## County Has Six Attending 4-H State Round-Up

Four Floyd County 4-H Club members are attending the 4-H State Round-Up at A & M College this week.

Of these James Teague and David Mount are members of the crop judging team representing Extension Service District No. 2 while Dan Smith and Ray Smith are delegates from the county 4-H club.

The four boys and County Agent W. G. Rodgers left Tuesday morning in Mr. Rodgers' car for the state meeting. They are due home Friday.

James Teague is the son of Mr. and Mrs. Riley Teague and David Mount the son of Mr. and Mrs. Doyle Mount.

Dan Smith's parents are Mr. and Mrs. Weldon Smith and Bill Smith is the son of Mr. and Mrs. Ray Smith. All are members of the Floydada Senior 4-H Club.

FLOYD COUNTY also will have two girls and their adult leader representing it in the State 4-H Round-Up. The girls are Shirley Mitchell, daughter of Mr. and Mrs. Chester Mitchell, and Nancy Bollman, daughter of Mr. and Mrs. Henry Bollman.

The girls and their adult leader, Mrs. Ray Aston, left Thursday morning also, journeying to the Round-Up in an area chartered bus and expecting to be home this weekend. The girls are members of the Lockney Senior 4-H Club.

The 4-H Club Round-Up at A & M College is one of the major events in the annual program of the state's 4-H club boys and girls.

## Loyce Turner Resumes Work In Air Corps With Offutt AFB Job

Loyce Turner, who was one of the first Floyd County boys to get into the Air Force when World War II broke out, and took a second hitch in the service after its close, is back with the Air Force again. This time, however, he will have the status of a civilian.

He and his family left for Omaha, Neb., last week. His new assignment is at Offutt Air Force Base with the Strategic Air Command as an industrial engineer in air installations work — plans and programs.

"It seems like a good situation and I am glad to be back with SAC once more," Loyce said last week before leaving.

He anticipates he will be back at home for a short time this mid-month, when they will complete their move after finding living quarters at Offutt.

E. L. TURNER

## Fairview To Vote At Rushing Chapel

Ballots in Fairview Voting Precinct will be cast this year at Rushing Chapel instead of at Fairview Baptist parsonage, as was indicated in former orders of the Commissioners Court.

Change was made to meet objections which had been raised to having voting in the parsonage. Rushing Chapel is about one-half mile distant from the parsonage and is on the pavement, so that it will be equally accessible to voters of the precinct.

County Judge O. P. Rutledge made announcement of the official change made by the Commissioners Court.

## Club Girls Camp Set For July 10

The District II 4-H club girls camp will be held in Lubbock on July 10, 11 and 12 it was announced this week by Mrs. Harriette Brummett, Floyd County Home Demonstration agent.

Four girls from Floyd County judged on their 4-H achievement records will be selected to go from this county.

Mrs. Brummett urges all girls between the ages of 13 years and over to have their records in to her office by Saturday, June 23. She also stated if the girls have not received letters through the mail from the Extension office and are interested to contact her office before the 23rd.

## Mrs. Hardin Continues Studies

Mrs. Roberta Hardin is studying the first term of summer school at Texas Tech and plans to spend the second summer term at West Texas State. She is taking a special course in education and will teach again in Floydada schools this winter.

## Mrs. Carrie Mince Passes; Funeral Is Held on Monday

Funeral service for Mrs. Carrie Neal Mince, 83, was conducted Monday afternoon at 4:30 o'clock in the First Methodist Church of this city with the Rev. Tilden B. Armstrong officiating. Burial was made in the View Cemetery under the direction of Harmon Funeral Home.

Mrs. Mince passed Sunday morning at 8:50 o'clock in Peoples Hospital. She was active Friday but became ill Friday evening. She was moved to the George Sparks home Friday night and later to the hospital, when her condition became grave.

Mrs. Mince was born Carrie Neal Logan, May 26, 1873, in Cleveland County, Ala. She was married to J. D. Mince Dec. 24, 1891, in Alabama. The couple with their family moved to Navarro County, Tex., in 1896. They moved to Floyd County from Corsicana in March of 1914. Her husband preceded her in death Nov. 22, 1929.

Mrs. Mince was a long time member of the Methodist Church. Survivors include one daughter, Mrs. George Sparks of Floydada; one son, Marvin Mince of Post; one sister, Mrs. Ida Watson of Fruitvale; 11 grandchildren and 14 great-grandchildren. One son, Ernest, preceded her in death.

Pallbearers were Jeff Weiborn, Earl Edwards, Newell Parker, L. W. Simpson, Jess Patterson and Lorin Leibfried.

Among the relatives from out of town here for Mrs. Mince's rites were her son, J. M. Mince and wife of Post, Mrs. C. B. Looney and her daughter, Pat, Mrs. Jeff Deardoff of Portales, New Mexico; a grandson, Les Mince of Phoenix, Ariz.; Gary Brown of Lamesa, Mr. and Mrs. Horace Crumbley and daughter and Mrs. Minnie Jackson, of Slaton, Mrs. Ada Watson, Mrs. Douglas Milliken, Hubert, Lulu and Truitt Hannabuss, of Lubbock.

Out-of-town friends attending the final rites included Mrs. Rex Robertson and son, Robert Rex of Dickens; Mr. and Mrs. A. O. Beck and son, C. M., of Dumas; T. C. Demsey of Lubbock; Mrs. G. D. Fox of Portales, N. M.; Mrs. C. D. Kelly of Lockney; and Mrs. J. B. Claiborne of Lamesa.

## Women's Department of County Fair Has Many Crochet Prizes

This week the forecast is that the women's department of the Floyd County Fair for 1956 will be a much enlarged department. Staffers of the department are doing their planning now and will submit proposals to the board of directors to increase the number of divisions and to make the women's department outstanding.

Mrs. R. H. Tinsley, superintendent of the Women's Division, Mrs. Harry Morckel, assistant superintendent, with Mrs. Harriette Brummett, Woman's Home Demonstration Agent, and Mrs. Chester Mitchell, made the outlines of the plans Monday morning.

Last week-end Mrs. Tinsley, Mrs. Morckel and Mrs. Brummett conferred on the matter of entering Floyd County crochet pieces in the National Crochet Champion contest and made up a tentative prize list for this county Championship items from this contest would go to the National Contest for competition there. \$3,000 in cash prizes are offered in the National contest. Here is complete information on the National Contest and on the Floyd County contest in crochet.

Crochet an entry for exhibition at the Floyd County Fair this fall. It's easy, it's fun, and you may win \$500, plus a free trip to New York

City as the Grand National Crochet Champion in the 15th Annual National Crochet Contest, which has over \$3,000.00 in cash prizes.

Once again, the National Crochet Contest is calling all teen-age girls, adult women and men to join in the fun of friendly competition for cash prizes and honors. The special classification for Teen-Age Girls. If you are between the ages of 13 and 19, you may vie for cash prizes and awards in the Teen-Age girls class of the contest.

Your Floyd County Fair is a participating fair in this contest. And here are the National Crochet Contest Rules:

1. All entries must have won a Nationwide Crochet Contest blue ribbon at a participating state, county or local Fair. Contact your Fair for entry requirements.

2. All entries must have been completed since Jan. 1, 1956, except in those cases where participating Fairs are held prior to April 1, 1956. In the latter case, entries completed since July 1, 1955, are acceptable.

3. All entries must be crocheted of MERCEURIZED CROCHET COTTON in any size thread up to and including 100. Mercerized Crochet Cotton with a metallic strand is also eligible.

4. A contestant may submit as many entries as she has fulfilled all the foregoing rules.

5. National judging in New York will be based on workmanship, beauty of design and general appearance. Decision of judges will be final. In case of a tie, duplicate prizes will be awarded.

Nationwide Crochet Contest Prizes are:

Grand National Champion: \$500 (this includes classification first

prize award), plus a free trip to New York City.

Teen-Age Girl Champion: \$100, first prize award, plus a free trip to New York City for herself and one parent or guardian.

Men's Champion: \$100, first prize award, plus a free trip to New York City.

Classifications:

Tablecloths	1 2 3 4
Bedspreads	150 75 50 25
Luncheon Cloths	75 40 20 10

Centerpieces (14" and over)	75 40 20 10
Buffet & Vanity Sets	75 40 20 10
Chair Sets	50 25 10 5
Dollies (under 14")	50 25 10 5
Scarves and Wall Panels	50 25 10 5
Pot Holders & Hot Plate Mats	25 15 10 5
Place Mats & Sets	25 15 10 5
Other Household Accessories	25 15 10 5

Ladies over 65 years of age	2.00 1.00 .75
Men only	2.00 1.00 .75
Teen-age girls (13 to 19 years)	2.00 1.00 .75

The garden looked just fine until last week and the leaves which had been so pretty and green began turning brown and falling off. What was the matter? Not too dry. Then the news about the thrips and flea hoppers began pouring in on radio, television and in newspapers. I dusted with poison like the farmers do and hope for the best, as I am sure the farmers are hoping.

I have a burr oak tree just come up, thanks to Gabby Gardner of Southwestern Crop and Stock. In the March issue of 1954 Gabby Gardner had this offer, "For the benefit of those who may not have read the November issue, I should probably explain about the burr oak acorns. I have a nice sized tree 30 or 35 feet tall growing in my backyard which produced quite a good crop of acorns last year. Some were about the size of a small after-dinner coffee cup. If my tree bears another crop of acorns, every person who has written me a letter or card this year gets at least one acorn to plant. We hope some day to have burr oaks dotted over these high plains for every one's enjoyment."

Thanks to you dear lady, I am enjoying mine altho it is only about six inches high. All last fall and winter I watered the ground where my precious acorn lay deep in the soil. Then when warm weather came, I went by often to see what miracle would happen. One day I saw a tiny dark shoot that had pushed through the dirt and my acorn tree had started to grow. The ball took out a plug or so from the leaves but to me it is very beautiful and interesting.

Mr. and Mrs. Fred Marble left Wednesday of last week for Philadelphia, Penn., where Fred is stationed, after visiting a few days with their parents, Mr. and Mrs. W. O. Tye and Mr. and Mrs. H. L. Marble of the South Plains Community.

Mr. and Mrs. H. F. Hawkins of Chico spent the weekend with Mrs. Lon Smith, Mrs. Smith and Mr. Hawkins are brother and sister.

Mrs. S. E. Thurmon returned Sunday from a three week visit with her daughters, Mrs. R. J. Rodgers and Mrs. C. W. Riley of Harlingen.

The above poem is in memory of our friend, James Pikes. When Mr. Spikes and I moved to Floydada after some forty-five years on the farm, we moved into a neighborhood of strangers, altho we had many friends living in this fine town. Our first caller was Emily Potts and from that day to this the friendship has deepened. We watched this family, always together as a family, painting the house or building a new room, going to church and to picnics, always together. Jim seemed so well and strong. He would come over and have time to visit with Mr. Spikes. It seemed to us he would be a good competent man to carry on the affairs of the nation, the church and schools and good roads, as was his job. But it

precious in the sight of the Lord. Precious, Oh how precious is that blessed sleep.

Folded in His bosom, wrapped in slumber deep,  
None but Jesus giveth rest so true and sweet  
For the weary body and the way-worn feet  
Precious, Oh how precious, He alone can know  
What a blessed respite after human woe;  
Only He can measure their eternal gain.  
When they leave for ever earthly care and pain.  
Precious, Oh how precious, armour here laid down,  
Warfare here accomplished, won the victor's crown;  
Gained His sweet approval and His welcome smile.  
For the patient labour of this little while.  
Precious, Oh how precious, to behold His face,  
Ever to be with Him and to praise His grace;  
Ah, when Jesus giveth His beloved sleep.  
'Tis the tenderest token of His love so deep.

—Anonymous

As A Farm Woman Thinks

(Nellie Witt Spikes)

Precious in the sight of the Lord. Precious, Oh how precious is that blessed sleep.

Folded in His bosom, wrapped in slumber deep,  
None but Jesus giveth rest so true and sweet  
For the weary body and the way-worn feet  
Precious, Oh how precious, He alone can know  
What a blessed respite after human woe;  
Only He can measure their eternal gain.  
When they leave for ever earthly care and pain.  
Precious, Oh how precious, armour here laid down,  
Warfare here accomplished, won the victor's crown;  
Gained His sweet approval and His welcome smile.  
For the patient labour of this little while.  
Precious, Oh how precious, to behold His face,  
Ever to be with Him and to praise His grace;  
Ah, when Jesus giveth His beloved sleep.  
'Tis the tenderest token of His love so deep.

## POLITICAL COLUMN

The following have authorized the Hesperian to announce their respective candidacies for office subject to the Democratic primaries:

For District Attorney, 11th District: H.A.C. BRUMMETT JOHN B. STAPLETON

For County Attorney: KENNETH BAIN, JR.

For Sheriff: EARL COOPER WALTER HOLLUMS

For Tax Assessor-Collector: T. T. HAMILTON

For County Superintendent: CLARENCE A. GUFFEE

For Commissioner Precinct No. 1: J. K. KELLER HOLMES JOHN B. FOWLER

For Commissioner Precinct No. 2: W. C. PLUMLEE O. R. BEARD J. C. GINN

was not to be. In a short three weeks his beautiful light of patience and love shone forth to light the path of others to follow. We did not have to cheer him up. He smiled and cheered us.

Passing out of the shadow  
Into a purer light;  
Stepping behind the curtain,  
Getting a clearer sight;  
Passing out of the shadow  
Into eternal day.  
Why do we call it dying?  
This sweet going away?

—Anonymous

The garden looked just fine until last week and the leaves which had been so pretty and green began turning brown and falling off. What was the matter? Not too dry. Then the news about the thrips and flea hoppers began pouring in on radio, television and in newspapers. I dusted with poison like the farmers do and hope for the best, as I am sure the farmers are hoping.

I have a burr oak tree just come up, thanks to Gabby Gardner of Southwestern Crop and Stock. In the March issue of 1954 Gabby Gardner had this offer, "For the benefit of those who may not have read the November issue, I should probably explain about the burr oak acorns. I have a nice sized tree 30 or 35 feet tall growing in my backyard which produced quite a good crop of acorns last year. Some were about the size of a small after-dinner coffee cup. If my tree bears another crop of acorns, every person who has written me a letter or card this year gets at least one acorn to plant. We hope some day to have burr oaks dotted over these high plains for every one's enjoyment."

Thanks to you dear lady, I am enjoying mine altho it is only about six inches high. All last fall and winter I watered the ground where my precious acorn lay deep in the soil. Then when warm weather came, I went by often to see what miracle would happen. One day I saw a tiny dark shoot that had pushed through the dirt and my acorn tree had started to grow. The ball took out a plug or so from the leaves but to me it is very beautiful and interesting.

Mr. and Mrs. Fred Marble left Wednesday of last week for Philadelphia, Penn., where Fred is stationed, after visiting a few days with their parents, Mr. and Mrs. W. O. Tye and Mr. and Mrs. H. L. Marble of the South Plains Community.

Mr. and Mrs. H. F. Hawkins of Chico spent the weekend with Mrs. Lon Smith, Mrs. Smith and Mr. Hawkins are brother and sister.

Mrs. S. E. Thurmon returned Sunday from a three week visit with her daughters, Mrs. R. J. Rodgers and Mrs. C. W. Riley of Harlingen.

The above poem is in memory of our friend, James Pikes. When Mr. Spikes and I moved to Floydada after some forty-five years on the farm, we moved into a neighborhood of strangers, altho we had many friends living in this fine town. Our first caller was Emily Potts and from that day to this the friendship has deepened. We watched this family, always together as a family, painting the house or building a new room, going to church and to picnics, always together. Jim seemed so well and strong. He would come over and have time to visit with Mr. Spikes. It seemed to us he would be a good competent man to carry on the affairs of the nation, the church and schools and good roads, as was his job. But it

precious in the sight of the Lord. Precious, Oh how precious is that blessed sleep.

Folded in His bosom, wrapped in slumber deep,  
None but Jesus giveth rest so true and sweet  
For the weary body and the way-worn feet  
Precious, Oh how precious, He alone can know  
What a blessed respite after human woe;  
Only He can measure their eternal gain.  
When they leave for ever earthly care and pain.  
Precious, Oh how precious, armour here laid down,  
Warfare here accomplished, won the victor's crown;  
Gained His sweet approval and His welcome smile.  
For the patient labour of this little while.  
Precious, Oh how precious, to behold His face,  
Ever to be with Him and to praise His grace;  
Ah, when Jesus giveth His beloved sleep.  
'Tis the tenderest token of His love so deep.

## Loans on Farm Housing Again Are Available

Walter T. McKay, State Director of Farmers Home Administration announced today that eligible farmers in Texas may obtain farm housing loans from the Agency. Funds for the loans were recently made available by a supplemental appropriation.

Applications for these loans may be made immediately at any of the 125 county offices of the Farmers Home Administration in Texas, Mr. McKay said. Regulations for processing the loans have been distributed to all field offices.

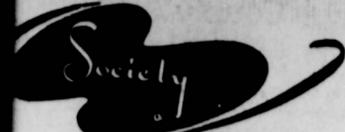

Farm housing loans may be made for the construction and repair of farm houses and other farm buildings, including farmstead water supplies. Interest on the loans will be 4 percent per year on the unpaid principal. Repayments may be scheduled over periods up to 33 years. The loans will be secured by a mortgage on the borrower's farm.

Building plans and specifications for the improvements to be financed with the farm housing loan will be obtained by the applicant. Farmers Home Administration will review the plans and inspect construction as it progresses to assist the borrower in obtaining construction that meets generally accepted standards of soundness.

The local county FHA committee determines the eligibility of applicants for farm housing loans. To be eligible, Mr. McKay explained, an applicant must be the owner of a farm, be unable to obtain suitable credit from other lenders, and must have enough farm income or income from the farm and other sources to meet family living and farm operating expenses and repay his debts.

The farm housing loans are made under the authority of Title V of the Housing Act of 1949, as amended. In Texas, 1,165 farm housing loans have been made for a total of \$6,726,123. \$1,996,299 of this amount has been repaid. In addition, interest collected through Dec. 31, 1955 totalled \$664,030.

The supplemental appropriation act which was signed by President Eisenhower May 19 made \$5,000,000 available for farm housing loans. At present no additional funds are authorized after June 30, 1956. Mr. McKay stated that the Farmers Home Administration also extends credit for farm housing under the Bankhead-Jones Farm Tenant Act, as amended.

### MARRIAGE RECORD

James Calvin Covington and Hannah Lulle Smith, June 9; Johnnie Joe McReynolds and Maude Wanell Parvin, June 8; J. E. Walker and Linda Gayle Clark, June 7.

### Soil Bank

(Continued from page one)

a basic crop may be adjusted in order to bring it into compliance with the acreage allotment of the regular production adjustment program. MAXIMUM AND minimum acreages of the basic crops which may be placed in the Acreage Reserve have been established as follows (except that where the allotment is less than the specified acreage minimum or maximum, the total allotment shall be considered as the minimum or the maximum).

For wheat, the maximum is the larger of half the wheat allotment or 50 acres. Minimum is the larger of 10 percent of the allotment or 3 acres.

For cotton, the maximum is the larger of half the allotment or 10 acres. The minimum if the larger of 10 percent of the all the allotment or 2 acres.

The payment which a farmer may earn for participating in the Acreage Reserve will be determined by multiplying a base unit rate by a yield factor. The national average rates for 1956 crops are: Corn, 90 cents per bushel; cotton, 15 cents per pound; wheat, \$1.20 per bushel; rice, \$2.25 per hundredweight; peanuts, 3 cents per pound; and soybeans, varying rates per pound for different types (details in USDA press release 1661-56 issued today, June 8, 1956).

FOR UNDERPLANTING the corn base or the allotment for cotton, rice, tobacco, peanuts, or wheat (when planted to spring wheat), the payment rate will be based on the normal yield for the designated acreage.

Provisions of the Conservation Reserve part of the Soil Bank will be announced as soon as practical. Under this part of the program, a farmer will be able to earn two types of payment - an annual payment to help compensate for income which he would have received if the "reserved" land had been in crop, and a payment representing a percentage of the cost of establishing conservation practices on such land.

The same acreage on a farm may be included under both the Acreage Reserve and the Conservation Reserve parts of the Soil Bank.

WHEAT MARKETING CARDS - We have all wheat marketing cards ready for delivery. If you can't come by the office for your card, you may call or write the office and we will be glad to mail it to you.

1957 WHEAT ALLOTMENTS - The Floyd County Wheat allotment for 1957 is 133,806 acres. This is a 3,776 acre reduction from 1956. Wheat allotments will be mailed about June 15th.

1957 NEW GROWER WHEAT ALLOTMENT - If you do not have a wheat allotment and want one, you will have until July 15th to file application for one.

WHEAT MARKETING QUOTA VOTE - July 20th has been set by the Secretary of Agriculture for vote on 1957 Wheat Marketing Quotas.

COTTON MEASUREMENT - We plan to start measuring about June 15th. After the cotton is measured in the field it will be figured in the office and you will be notified of your acreage. If you are overplanted you will have 20 days after the late on the notice to destroy the excess acreage.

When the reporter comes to measure your cotton, be sure and take some time to help him as it will probably save you time later on.

Things to do to help the reporter: 1. Take time and go help measure the cotton by showing where the cotton is, making sure that all turn rows that are 6 1/2 feet wide or wider are deducted and all strips in the field that is 4 normal rows wide are deducted.

2. When the reporter has completed measuring the cotton be sure that all plots are on the form and that all deductions as turn rows, irrigation ditches, bindweed and other things have been taken out as it will save you and us time later.

3. Also if you have planted some cotton and it has been destroyed and you want the acreage counted as cotton, be sure and show this to the reporter.

4. Do not ask the reporter to figure the acreage for you.

### Swimming Classes To Open Monday

Coach Charles Tyer, who is spending the summer as superintendent for the Fire Department of the Municipal Swimming Pool said yesterday that plans are coming to a close for the swimming classes to begin next Monday at the pool.

Tyer urges all that are interested in this program to call the pool and let him know who is planning to attend.

Fifteen lessons of an hour each will be taught at a charge of \$5 per student. One class will be held from 9 a. m. to 10 a. m. and another beginning at 10 and running to 11 a. m.

### Food Freezing Can Make Menu Magic

Actually the magic is only good management. The secret is in long-term planning rather than one meal at-a-time thinking. It is easy once you have done it - it saves time and money in shopping, planning and cooking.

For example, double or triple the usual recipe for beef stew, chili, chicken a la king, baked beans, casseroles and dozens of other dishes. Serve today's meal and freeze the rest in meal-size amounts, ready to heat and serve for another meal next week or next month. Your family will appreciate not having to eat the "warmed-up" or "left-overs" the next day, too.

Sandwich sessions can contribute a great deal of efficiency to freezer management, too. If you have to pack daily lunches for children or husband, just set up a sandwich session on an assembly line basis with help from other members of the family, one cutting, one spreading, one wrapping, etc.

Add interest and pleasure to the lunches by using a variety of breads, such as raisin, rye, fruit and nut, and brown bread. Almost all meat, fish, poultry, cheese, peanut butter, and egg yolk fillings will store well in the freezer. Frozen sandwiches will thaw in about two hours, so may be taken from the freezer in the morning and placed right in the lunchbox. Lettuce, celery or tomatoes should not be frozen, but may be wrapped separately and added to the sandwich when thawed.

Amazing as it may seem, many baked goods actually freshen by freezing. This amounts to considerable savings if you can buy day-old bread, rolls, buns or other baked goods at reduced prices and then freeze them. If you do your own baking, bake in double or triple quantities and freeze the extras.

There are hundreds of other quick-tricks to help you get more pleasure from your food freezer.

### Mind Disorder Cases Problem; Fill Hospitals

AUSTIN, Jan. 19 - Mental disorders today represent a real problem, and it is estimated that more than fifty per cent of all hospital beds are filled by persons suffering from mental or nervous diseases, declares Dr. Henry A. Holle, Commissioner of Health.

It thus appears that modern civilization is exacting a terrific toll. High speed living, with its cruel demands upon nature, is responsible for a large part of the trouble. The fact is that significant percentage of the patients entering hospitals for mental disorders are there because of organic or toxic causes.

For example, general paresis is one-fifth of the mental troubles in males now entering mental hospitals. This condition is an organic disease of the brain due to the germ responsible for syphilis. It is a preventable disease. Early and effective treatment of acquired syphilis will block the end results of general paresis in the insane.

The excessive use of alcohol is responsible for a number of mental disorders, at least in males. Alcohol and syphilis combined are responsible for approximately one-fifth of all the hospitalized insane. Nevertheless, improper living habits continue to impair mental health in many people. Insufficient sleep, neglect of bodily care and an overforcing of nervous energy are the pitfalls to avoid in this connection.

Nature demands that her fundamental laws be at least reasonably observed. A constant outraging of the physiological economy takes its toll not only in bodies but in minds also. Mental illness and lesser nervous disorders could be spectacularly reduced if this fact were more generally respected. Training for mental health must be started in childhood as that is the time when prevention of emotional disturbance and promotion of sound emotional health can be accomplished most easily.

## R. C. Andrews Ward Custodian Passed Friday

Funeral service for George Calvin Bailey, 66, custodian of R. C. Andrews Ward school, was conducted Sunday morning at 9 o'clock in the First Methodist Church with the Rev. Tilden B. Armstrong, pastor, officiating. Burial was made in Oak Wood Cemetery of Jacksboro under the direction of Harmon Funeral Home.

Mr. Bailey passed at 9:15 p. m. Friday at his home, 607 East California, following a heart attack. Mr. Bailey had worked at the school Friday and worked in his garden after arriving home. Mrs. Bailey discovered him dead in bed when she started to retire.

He was born Feb. 22, 1890, in Jacksboro, Tex. On May 7, 1911, he was married to Miss Ella May Pancher. The couple made their home in Jack County until 1939, when they moved to Lubbock and lived there for three years. They moved to Floyd County in 1942 and have resided here since then.

Survivors include his wife, his mother, Mrs. C. V. Bailey of Jacksboro; four brothers, Roy Bailey of Clemscot, Okla.; Atticus Bailey of Jacksboro, Clarence Bailey of Amarillo and Ernest Bailey of Lubbock; and two sisters, Mrs. J. L. Wolf of Iowa Park and Mrs. Fred Eden of Terrell.

Burialbearers were I. T. Graves, A. W. Coltharp, Emmitt Dutton, S. J. Latta, C. J. Parr and L. P. Lawlis.

## Fairview News

(By Mrs. Clyde Bagwell)

FAIRVIEW, June 13 — Vacation Bible School commencement program was held Friday night. A good program was put on by the children.

The enrollment for the school was 32 and the attendance was perfect throughout. Mrs. Clifford Helms was superintendent and she reports a successful school. There were five from Center who attended.

Farmers are very busy these days working early and late trying to take advantage of what moisture they have by getting the cotton and feed planted. Some have a stand of both cotton and feed. Others have not been so fortunate. Wheat harvest has been underway for the past week or 10 days. Yields are running from 3 to 13 bushels per acre on an average.

Mrs. C. W. Payne went shopping in Lubbock Wednesday with Mrs. C. W. Denison and Mrs. Sam Lide. Mr. and Mrs. Mitt Bullard of Lubbock visited one day last week

with his mother, Mrs. G. M. Bullard in Floydada.

Mr. and Mrs. T. L. Perry and Jan and Mrs. L. B. Cozby went to Lubbock Monday on business. While there they visited in the home of Mr. and Mrs. J. C. Crabtree.

Mr. and Mrs. L. B. Cozby Jr. and children visited Sunday afternoon with Mrs. G. M. Bullard and J. C. Sunday Mr. and Mrs. Grady Reeves and sons of Plainview and Mr. and Mrs. L. B. Cozby Sr. spent the day in the T. L. Perry home.

Mr. and Mrs. Clifford Helms and daughters visited at McCoy Sunday in the home of Mr. and Mrs. P. D. Helms. House guests in the P. D. Helms home were their daughter, Alice Helms of Los Angeles, Calif., Mrs. Bill Williams and Mrs. Harvey Thomas and sons also of Los Angeles. They will be here visiting relatives for about two weeks.

Shirley Nelson and Cynthia and Donna Crumpton of Floydada are spending several days this week with Shirley's grandparents, Mr. and Mrs. Lee Burgett.

Mr. and Mrs. Joe Rushing and family of Lubbock spent Sunday here with his parents, Mr. and Mrs. Lee Rushing. Dickie Lee remained for a week's visit.

Mrs. Ray Hopkins of Falls visited her parents, Mr. and Mrs. W. W. Baxter, Friday, Sunday and Monday. Mrs. Cecil Baxter visited in the W. W. Baxter home.

All of the family of Roy Meek is spending most of their time at Peoples Hospital at his bedside during his illness and stay there. Mrs. Jess Bartlett, his sister, who lives in New Mexico, a former resident of Fairview has been here since Sunday. Mrs. Meek goes back and forth from the farm to the hospital trying to see after things at home as well as be at the bedside of her husband.

G. C. Bailey, a former resident of this community passed suddenly at his home last Friday night. Our sympathy is with Mrs. Bailey and other relatives at this time.

Mr. and Mrs. Clifford Helms and daughters visited in the Shirley W. Irwin home Tuesday night. On Wednesday night the Irwins visited in the Helms home.

Mrs. Shirley W. Irwin gave a party Saturday afternoon in honor of her daughter Lajana on her seventh birthday. Children in to help Lajana celebrate were Jan Perry, Carolyn and Dick Barton, Mrs. T. L. Perry and Mrs. S. H. Tackett were there to help Mrs. Irwin with the entertainment.

Mr. and Mrs. Walton Wilson and Judy and Phyllis Ann Burton visited at South Plains Sunday with Mr. and Mrs. Sun Reeves.

On Sunday Mr. and Mrs. A. S. Miz were dinner guests of Mrs. W. B. Wilson. Mrs. Wilson spent from Tuesday until Friday of last week with her daughter, Mrs. Bill Beedy at South Plains.

Mrs. Jim Stewart and Jim Dan went to Plainview after Sunday school Sunday to visit in the home

of her sister, Mrs. Walter Welch.

Mr. and Mrs. Gran Hatley of Pleasant Hill visited Mr. and Mrs. Cecil Payne Sunday afternoon. Sunday visitors in the Shirley Irwin home were Mr. and Mrs. L. P. Irwin and family of Lubbock, Sherman Irwin and Miss Auden Turner of Floydada.

We are deeply grateful for the aid and expressions of sympathy of our friends at the passing of our loved one.

The Children of Mrs. Carrie Mince

## Mercury Makes Fabulous Offer To Contestants

A \$425,000 contest which offers 80 new Mercury Phaetons, 200 television sets and 2,400 other prizes is announced by Joseph E. Bayne, general sales manager of the Mercury Division. A separate contest will be held each week for eight weeks beginning June 11 and ending August 4, Mr. Bayne said.

More than 3,000 Mercury dealers throughout the nation are co-operating in launching the contest. Official entry forms may be obtained from any Mercury dealership free.

Special provision is made for a cash bonus of \$10,000 to each of the top ten weekly winners who bought a new Mercury during the contest period.

PRIZES ARE the same for each of the eight weeks. In addition to a 1936 Mercury Montclair Phaeton, first prize winners receive an all-expense trip to New York City for two and will be special guests at the Ed Sullivan television show. The second to 10th prize winners each week receive Mercury Monterey Phaetons. All these cars include Merc-O-Matic Drive, radio and heater, flo-tone paint, white sidewall tires, directional indicators and windshield washer. All Federal excise taxes, state and local sales taxes will be paid.

A General Electric portable television set with 14-inch screen will be awarded each week to each of the next 25 winners. And the next 300 weekly winners will receive an Elgin American cigaret lighter autographed by Ed Sullivan and bearing the winner's initials.

A SPECIAL award of \$10,000 cash in lieu of a new Mercury Phaeton will be given as a special award to any winner of one of the top ten prizes in any of the eight

weekly contests who purchased a new 1936 Mercury from an authorized dealer after June 10 but not later than August 4, provided the purchase is made prior to being advised he or she is a winner.

Another special award of \$2,000 cash in addition to a new Mercury Phaeton will be made to any winner of one of the top ten prizes in any of the eight weekly contests who purchased any used car from an authorized Mercury dealer after June 10 but not later than August 4, provided the purchase is made prior to being advised he or she is a winner.

Contestants will be required to complete the fourth line in a rhyme which praises the power and style of the Mercury Phaeton four-door hardtop sedans.

Contestant must be 18 years of age or older.

## C-C Membership Nears 200 Mark

Seventeen new members have been added to the membership list of the Floydada Chamber of Commerce since April according to a report made to the chamber's board of directors meeting on Friday.

New members include T. C. Hollums, L. R. Stringer, Howe Hines, Frank Probasco, N. W. Williams, John E. Hoffman, Bill Hardin, Mrs. Aimee Holmes, Bob Copeland, J. B. Fowler, Preston Watson, Edmiston Plumbing Co., Hutsells Photography, D. W. Pyffe, Lon Davis Grain, Paul Huntington and Fuqua Farm Supply.

The Chamber of Commerce membership now totals 193.

Mrs. Dickie Atteberry of this city received word last week of the death of her uncle, Sam Gully of Meridian, Miss. Mr. Gully passed on May 26. He was the only relative out of the immediate family left.

He was a brother of the late Ben Gully, who used to live in Floydada.

## Floyd County 14 Years Ago

(Taken from the files of the Hesperian, issue dated June 18, 1942.)

The scrap rubber campaign in Floyd County, with the oil companies and the County USDA War Board taking the lead, had begun to make headway yesterday. The prospect is that although the campaign has hit at a very busy season, Floyd County people are going to pile up an impressive amount of scrap rubber to add to the nation's visible stock pile of rubber for the U. S. armed forces.

The big show in Floyd County grain harvest fields will start Monday in practically all portions of the county, but meanwhile the movement of the crop of grain from field to granary and elevator had started with a trickle the first of the week.

George Sherrill, prominent resident and one of the proprietors of the Unique Barber shop left Wednesday for Dallas where he will report for duty in the United States Navy.

Sunday night hail storm clouds did some damage to wheat in widely scattered areas of the county from Muncy south. Damage in the southwest and southeast part of the county was reported in numerous

fields.

In celebration of the day Barry Hester, et al. young friends party Wednesday night at the home of C. L. Berry and Mrs. Berry.

## Cattle Grubs May Be On Way Out Is Hinted

**COLLEGE STATION** - Livestock producers got good and cattle grubs had news when the U. S. Department of Agriculture announced that for the first time the common cattle grub, experimentally, had been prevented from developing within cattle.

The chemical, designated for experimental purposes as Dow ET-57, is systemic. It moves through the bodies of cattle to destroy grubs wherever they may occur in the animal's flesh. Research is currently in progress to determine the suitability of ET-57 in terms of grubs, control, toxic effects on the animal and chemical residues in milk or flesh.

The man responsible for research with ET-57 are entomologists G. W. Eddy and A. R. Roth of the ARS laboratory at Corvallis, Ore. and W. S. McGregor and R. C. Bushland of the Service's Kerrville, Texas Station. Veterinarian R. D. Radeleff, also at Kerrville, has carried on research to determine toxicity of ET-57.

Cattle grubs cost the livestock industry an estimated \$100 million a year in losses of meat, milk and damaged hides. The pest is currently controlled by the use of the insecticide rotenone. However, it goes into effect only after the grub has spent some 7 months developing as a parasite within the body of the animal.

ET-57 is not the first systemic to control cattle grubs but is the first to prevent their emergence. In the Kerrville tests last year the systemic was fed to grub infested cattle at the rate of 100 milligrams per kilogram of animal weight (a 1000 pound animal would receive 1.6 ounces). Treatment was made 2 to 5 months before grubs normally appear in the backs of cattle. Only one grub appeared in the backs of five similar but untreated cattle. At Corvallis it was 88 percent effective in preventing grub development.

## Houses For Sale

## Plenty of Action Is Promised In Little League, Pony League

Baseball play is warming up in Floydada as teams complete their second week of competition. The weather man frowned on the opening night schedule on Tuesday of last week, but Thursday and Friday saw plenty of action at both ball parks as the Little League and Pony League swung into action.

**THIS EVENING** the boys and their managers will square away again and it will be a double header at the Rodeo Grounds where the White Sox play the Red Sox in the opener and the Tigers play the Braves in the second match.

At the Pony Park it will be the Phillies vs. the Athletics.

**FRIDAY EVENING** the Braves meet the White Sox and the Indians take on the Cardinals in the night cap of the Little League play.

On the same evening the Phillies play the Orioles in the Pony League.

**NEXT TUESDAY** will find the Indians going against the Giants in the first game and the Cardinals playing the Dodgers in the second match. The Pony action Tuesday will find the Yankees taking on the Phillies.

Play got underway in all circuits last Thursday when the Little League staged a double header at the Rodeo Grounds and the Pony League played a single game at their park. The Cardinals downed the Giants 7 - 6 in the opener behind the four hit pitching of Rodney Teague. Glen Durrell worked behind the plate for the winners as Ronnie Payne and Van Stovall banged out two hits each to lead the Cards to the victory. For the losing Giants it was Tommy Watts pitching and James Campbell catching.

In the night cap the Braves outlasted the Red Sox by a 19 - 18 score as Cecil Jackson and Ken Campbell worked the mound and catching chores for the winners. Teddy Porter and Ken Roberts collected three hits each for the winning cause. Elmer Swaffar pitched and Melvin Owens caught for the losers. Bill Potts blasted out three hits for the Sox.

**PONY LEAGUE** play got underway Thursday evening with the Athletics downing the Orioles 9 - 4. James Teague pitched for the winners with Pierce catching. The

losers used Sonny and Wayland Richardson on the mound with Bill Patterson behind the plate.

**ON FRIDAY** the Indians defeated the Giants by a 11 - 10 score with Eric Christensen and D. R. Herron pitching. Truett Richardson caught and also got two hits for the winners as did Marler and Rucker. For the Giants it was Max Campbell and James Campbell on the mound and James Campbell and Bill Hicks catching behind the plate. The Giants got 7 hits the same as the winning Indians.

In the second match the Dodgers blasted the Cardinals 17 - 10 as the winners tagged 12 hits in the slugfest. Johnnie Bonner and Chuck Owens saw mound action for the Dodgers with Frank Samuels catching. Darryl Lindsey led the hit parade with 3 to his credit. The Cardinals collected five hits as Don Davis homered and Williams and Bertrand were scored two hits each for the losers.

In a make up game from last Tuesday night the Tigers were awarded a 6 - 0 forfeit over the White Sox who could not field a nine man team at game time Friday.

**FRIDAY'S PONY LEAGUE** game went to the Athletics 9 - 4. The Yankees were led to victory by Don Vickers who banged out three hits. Freddie Morren with two and Bill Orman who clouted a four bagger. Orman and Morren pitched and Richard Graves caught. For the losing Athletics Teague and Pierce alternated at the pitching and catching chores with Holmes collecting the single hit for the A's.

Tuesday night the Tigers trounced the Red Sox by an 18 to 9 score, behind the pitching of Kenneth Huckabee, Kent Clark and Jimmy Tye with Bill Henry working behind the plate.

Tye led the Tiger batters slugging out a homer, a two bagger, and a single in four trips to the plate.

For the losing Sox it was Mac Wilson, J. Cantrell and Jimmy Kassin on the mound with Kassin and Owens catching. Kassin homered for the losers and Owens picked up a three bagger and single.

In the second game Tuesday the Giants walloped the Dodgers by a 11 - 0 score in three innings as James Campbell pitched hitless ball for the Giants. Bill Hicks caught for the Giants.

For the losing Dodgers it was Johnnie Bonner and Frank Samuels on the mound and Samuels and Keith Holliday catching. For Tuesday's Pony League game between the Yankees and the Orioles went the full seven innings but ended in a 12 - 12 tie as the game was called because of darkness. It was decided to finish the contest at a later date.

**Club Standings Through Tuesday**

**National League:**

## Center News

(By Mrs. J. E. Green)

**CENTER, June 12** — Farmers are still planting, and wheat is about all cut. Right here we could use some rain, but the clouds floating around help shade the hot earth, the not giving out much moisture. Nights and mornings are pleasant.

We had 36 in church services Sunday morning and nearly 30 for the night services. We had a good time with Bro. and Mrs. Hodges and Jerry back for the day. Dinner was served at the church by and for all. In the afternoon we had an hour long song service.

Other visitors for morning services and dinner were Billie Gail Holmes from town and Miss McWilliams from Plainview.

Mr. and Mrs. Jimmy Dunn and baby of Lubbock were guests of their parents, the J. R. Robertsons and the Frank Dunns. They were at the church in the afternoon.

Mr. and Mrs. Clyde Green and baby Margaret Caroline arrived at the Green home Wednesday morning from Boulder, Colo., where Clyde teaches in the University of Colorado while working on his doctor's degree. For the next several weeks Clyde and Don Clark Green and Doc Rymon are attending classes at summer school at Tech.

Mr. and Mrs. Victor Green and son Jimmy of Plainview visited Thursday evening with the rest of the Greens.

We were glad to see Mr. and Mrs. H. B. Markins able to be in church Sunday morning.

We sympathize with Charles Horton in the loss of his stepfather who passed away suddenly several days ago. Charles was unable to attend the last rites which were held near the parental home in Oklahoma, because of the illness of Mrs. Charles Horton.

Mr. and Mrs. Clyde Green called in the D. I. Bolding home Friday afternoon. Mr. and Mrs. J. M. Ryman Jr. and Sara Elaine called in the home Saturday afternoon.

Mr. and Mrs. D. I. Bolding were supper guests in the Green home Sunday evening.

Mr. and Mrs. Robertson Sr., of near Dallas are visiting in Floyd County for several days with their children and families, the J. R. Robertsons, the Fred Robertsons of Starkey and Mrs. Hinesley of South Plains.

Center people were shocked Sunday to learn of the sudden passing of Mr. Bailey. Mrs. Dunn attended the funeral service at the Methodist Church Sunday. Mr. and Mrs. Bailey were former residents of Center and had many friends here. Our deepest sympathy is with Mrs. Bailey and all the loved ones.

Mr. and Mrs. J. D. Welborn and Mrs. J. E. Green attended funeral service Monday afternoon for Mrs. Carrie Mince at the Methodist Church, Floydada. Another faithful oldtimer gone on. Some of us knew her 40 years ago at Lakeview. We sympathize with loved ones.

Mrs. W. M. Jackson is away visiting with her children, in Amarillo, Childress, Paducah and near Abilene.

Mrs. Ernie Widener went to a Dallas Hospital today for a check-up.

Can't get many over the phone — people must be on vacation trips.

Mrs. J. D. Welborn and Jo Anne visited Mrs. Leo Prizzell Tuesday afternoon.

Johnny Lynn Warren of Plainview visited homefolks, the Elmer Warrens, Sunday afternoon.

**'I'll Cry Tomorrow' Is Coming to the Capada on Sunday, June 17**

"I'll Cry Tomorrow," M-G-M's filmation of Lillian Roth's remarkable autobiography, with Susan Hayward portraying Miss Roth, will be shown starting Sunday, June 17 at the Capada Theatre.

The intimate, gripping and sometimes shocking story of a young and beautiful girl who became a star of stage and screen, then entered a nightmare world of misery and near-suicide before gaining the help that enabled her to start a new life, became an immediate best-seller on first publication.

The portrayal of Lillian Roth gives Susan Hayward an even more dramatic challenge than her roles in "Smash Up," "My Foolish Heart" or "With a Song in My Heart." The new film is also the first to reveal the star's throaty singing voice.

Advertisement for it in Hesperian. A stitch in time saves nine

## Wheat Harvest

(Continued from page one)

braced, among others, a considerable portion of the Callahan Wheat Company of Barwise. Two hails the last of which occurred late last Friday, bit big chunks of fine irrigated wheat out of an area that was one to three miles wide and about seven to eight miles long, extending northeastward above Sand Hill from a point near the Hale County line at Barwise. Unverified reports said the Callihans lost a probable 30 thousand bushels of wheat out of an expected 50 thousand in the two hail storms.

Another hail area that lost wheat was in the south part of South Plains District in the vicinity of John K. West and E. P. Pritchett. These and four or five neighbors suffered considerable loss.

Holland has been advised to stay in bed and take it easy for a couple of weeks. He has been feeling fine and is having company.

The Floydada vacationers had left their home on May 31 for a tour of the deep south. They had spent some time in Galveston and New Orleans and were on their way to Miami, Fla. when Mr. Holland became ill at Fort Walton Beach in Northeast Florida. After three days

of examination and treatment at the Florida town the Hollands started their trip home by car with Mrs. Holland and son Charles driving.

They got back to Floydada on Thursday June 7.

The Hollands have two other sons, Rickie and David.

Mr. and Mrs. Robert Hinesley are visiting in Amarillo this week, guests in the home of their daughter, Mrs. J. A. Amburn. The couple left Floydada in company with Mrs. Amburn who came for them this mid week. They will stay through Father's day, June 17.

## Virgil Boteler Convalescing At Lovington Home

Virgil Boteler, a native of Floydada, who was in an automobile accident 14 miles south of Las Vegas on May 25, is reported by friends of this city to be doing very well considering all he has gone through.

Mrs. Mark Martin received a letter from Mrs. Boteler this week from Mrs. Boteler and this is what she told Mrs. Martin:

"Virgil received a compound skull fracture, a mild concussion, both hips dislocated, right leg broken, bad cut above one of his eyes and many other cuts and bruises. His chest was badly bruised but no broken ribs were found.

"Virgil left his home in Lovington, N. M., on May 25 to attend summer school in Las Vegas and had arrived safely in Las Vegas about 9:30 a. m. He then decided to go and visit some friends in Santa Fe that evening. It's hard to say just what happened but it seems Virgil was coming over a hill and saw a car in his lane and then they hit head on.

"He was taken to a hospital in Las Vegas and then transferred to St. Anthony's Hospital in Lovington. On June 4 we brought him home by ambulance and thus far Virgil has done very well.

"He is in a cast from his right foot to his chest and unable to sit up and so we have him in a hospital bed in our living room.

"We are sorry that we didn't notify you good people in Floydada but it was such a shock to us it was hard to believe."

of examination and treatment at the Florida town the Hollands started their trip home by car with Mrs. Holland and son Charles driving.

They got back to Floydada on Thursday June 7.

The Hollands have two other sons, Rickie and David.

## Auto Accident Involves Five; Two Are Injured

Five young people ranging between the ages of 16 and 19 were the victims of a car accident Sunday afternoon about 6 o'clock on the farm to market road No. 579.

Victims involved were Miss Darlene Chapman, 16, Miss Wanda Gresham, 16, both of Lubbock, Donald Love, 19, Jackie Tye, 19, both of Paducah and Jerry Goodwin, 18, of Chalk.

Goodwin, driver of the 1936 Ford Victoria, was enroute with the group to Lubbock from Paducah when he failed to make the curve on the highway at a high rate of speed.

Ernest Huckabee, deputy sheriff, investigated the accident and stated the car rolled at least three times and maybe more.

Harmon ambulance was called to the scene and took the victims to Peoples Hospital where they were given medical treatment.

Miss Chapman received a broken shoulder and lacerations and was transferred to Porter Hospital in Lubbock Sunday night. She was reported in fair condition at press time.

Tye received a back injury and other minor bruises and is a patient in Peoples Hospital.

The others escaped injuries.

Mrs. John H. Heagan returned home Monday from Tahoka, where she had been the guest for several days of her two sisters, Mrs. Frank Hill and Mrs. Harley Henderson and her niece, Mrs. Jake Jacobs and their families.

Judge Alton B. Clark ed home last Thursday Philadelphia, where the convention of the conference at last preceded by several with the intermission on constitution day which he is chairman.

## John We... Film to be Sunday Evening

Sunday night at the dist Church the film will be shown at the evening session at 7:30.

The film begins at the sixth year, 1708, when it then moves to the abrupt return from the colony of Georgia, which came as a missionary.

The rapid growth of tireless travel, spreading of classes and schools as well as use of an establishment of schools through such work as the Gospel.

# SOCIETY

## Gayle Clark Waller Sunday

is emphasized by crinoline worn underneath.

Her silk illusion veil was joined to a coronet of pleated tulle and lace embroidered with sequins and seed pearls. She carried a bouquet of yellow Talisman roses atop a white satin prayer book.

Mrs. Jackie Jarrett served the bride as matron of honor. She wore a ballerina-length dress of blue net over tulle and carried an old-fashioned nosegay of blue and yellow flowers.

Attending as bridesmaids were Miss Bonnie Upton of South Plains, Miss Betty Daniel, cousin of the bride of Olton, and Miss Salye Jo Redd, cousin of the bride of Floydada. They wore identical waist-length dresses of blue net and tulle, and carried old-fashioned nosegays of matching flowers.

Jackie Jarrett served the bridegroom as best man. Ushers were Dane Clark, brother of the bride, Bobby Assiter, cousin of the groom from Lubbock, Laron Fulton and Marvin Rucker. Candlelighters were Kent Clark, brother of the bride, and Ray Switzer, cousin of the bridegroom of Amarillo.

Following the ceremony a reception was given in honor of the couple in the church parlor. The bride and groom were seated at the head of the table with the attendant's bouquets. The three tiered wedding cake was served by Miss Joan Harris of Lockney. Yellow punch was served from crystal appointments by Miss Bonnie Upton and Miss Betty Potts. Miss Salye Jo Redd presided at the

MRS. J. E. WALLER (Linda Gayle Clark)

## Milton Home Scene Of Pretty Shower For Carol Reeves

The beautiful home of Mrs. Griggs by Milton was the scene of a bridal shower for Miss Carol Reeves, recent bride of Ted Bell. Carol is the daughter of Mr. and Mrs. Sim Reeves of South Plains.

Mrs. Milton met the guests at the door and they were registered by Mrs. H. S. Calahan Jr.

From a table laid with a lace cloth over blue, Mrs. L. T. Wood and Mrs. J. B. Smitherman served the guests punch and cake squares topped with white and blue wedding bells. The centerpiece consisted of white and blue carnations and the table was completed with white and blue candles in crystal holders and white napkins with "Carol and Ted" in blue.

Those present for the occasion were Mesdames Sim Reeves, Cole Boswell, Walton Wilson and Judy, W. B. Wilson, Sterling Cummings, Kendall Cummings, H. S. Calahan Sr., John Wilson and Sue, Rex

Smitherman, Paul Snodgrass, Raymond Reeves, Vernon Youngquist, Andrew Sanders and Eulalia, Ray Childress.

Chester P. Hidalgo, Phillip Smitherman, R. G. Danlap, L. N. Johnson and Sherri, John K. West, Raymond Upton, E. P. Smitherman, H. T. Bradshaw, Shelby Calahan, W. H. Hilton, Gus White, Lena King, Geo. West, Tom Pierce, Sylvain Kinnibrugh, E. P. Pritchett and Donita and Barbara Sue Milton.

Hostesses for the occasion were Mesdames Griggs Milton, Goree Applewhite, Walter Wood, Z. C. Cummings, J. P. Taylor, Bryan Karr, L. T. Wood, M. M. Julian, H. L. Marble, Bryant Higginbotham, Harry Hartman, J. B. Smitherman, Frank McClure and Mrs. H. S. Calahan Jr.

Mr. and Mrs. W. M. Anstead, of Altus, Okla., visited Saturday with Mr. and Mrs. C. N. Battey. Mr. Anstead is a foster son of the late Mr. and Mrs. R. C. Watson.

Mr. and Mrs. Charley Battey, Mrs. Joe Evers and Mr. and Mrs. Russell Harrison, the latter of Corinth, Miss., were Sunday visitors in the Fred Battey home in Floydada.

## IOOF and Rebekah Hold Memorial For Deceased Members

On Tuesday night, June 5, Floydada Rebekah Lodge No. 77 was host to other lodges in this vicinity, at a friendship meeting. The visiting lodges were Petersburg Rebekah Lodge No. 238 and Lubbock Rebekah Lodge No. 321. After a short program a salad supper was served to the group.

Jane Marquis was in charge of the service which was held by candle light. As the members dressed in white formed a cross and carried lighted candles, other members gathered in front of the draped altar where the names of the deceased were called from a scroll.

As each name was read a flower was placed on a cross and at the same time a candle was snuffed out, symbolic of the passing of the loved one.

Taking part in the service were Mmes. Jane Marquis, Deon Wilthey, Madge Jones, Willadean Tyler, Artie Webb, Elva Reeves, Roxie Brand, Dorothy Reeves, Jewell Jackson,

Wanda O'Neal, Ora Shipley, Carolyn Hammitt, and Mrs. Eddie Barnett, and Misses Janet Marquis and Thelma Jones.

Mr. and Mrs. Henry Russell gave a special song.

On Tuesday night, June 5, Floydada Rebekah Lodge No. 77 was host to other lodges in this vicinity, at a friendship meeting. The visiting lodges were Petersburg Rebekah Lodge No. 238 and Lubbock Rebekah Lodge No. 321. After a short program a salad supper was served to the group.

J. B. Grundy, Gay Grundy, Norma Ruth Martin and Mrs. Lacey Martin visited in Silsbee last week with Mrs. Martin's sister and family, Mr. and Mrs. R. L. Read and son Randy.

Mr. and Mrs. J. O. Johnson will visit in the homes of Mr. and Mrs. Billy Grundy and family and Mr. and Mrs. W. H. Hilton and family this week-end. Mrs. Johnson is a sister of Mrs. Grundy and a daughter of the Hiltons.

bride's book.

For a wedding trip to New Mexico Mrs. Waller chose a beige and black sheath dress with black patent accessories and a yellow rose corsage for traveling.

The bride and bridegroom are both graduates of Floydada High School with the class of '36. They plan to enroll in West Texas State College, Canyon, this fall. The groom is engaged in farming in the Cone community where they will make their home until September.

## Parvin-McReynolds Nuptial Vows Said Saturday, June 9

Miss Maude Wannell Parvin, daughter of Mr. and Mrs. Jack Parvin, and Johnnie Joe McReynolds, son of Mr. and Mrs. O. M. McReynolds, were united in marriage Saturday afternoon at 3 o'clock in the home of the groom's parents, Rails Highway.

Gordon Downing, pastor of the City Park Church of Christ, read the single ring ceremony in front of the fire place decorated with potted plants and baskets of tall white gladioli.

The bride wore a blue and white street length dress with white accessories and a corsage of white carnations. She wore a penny in her shoe for good luck and the traditional blue garter.

Following the ceremony a reception was given in honor of the couple. The bridal table was laid with a lace cloth over pink and centered with the traditional bride and groom and an arrangement of roses. The two tiered wedding cake, topped by a miniature bride and groom, and punch was served from crystal appointments.

Assisting with hostilities were Mrs. Don Daniel, Mrs. Collis Roland and Mrs. Walter Walker.

The bride and groom both attended Floydada Public Schools.

The groom is now employed with Consumers Fuel Assn. The couple is at home at 418 1/2 West California Street.

## Does High Blood Pressure Get You Down

In the past few years scientists have attributed high blood pressure to many causes. Recent studies, however, have demonstrated that the majority of cases are what is known as "nervous hypertension," resulting from an imbalance of the nervous system. In these cases the blood vessels become narrowed, increasing resistance, requiring increased blood pressure in order to maintain circulation.

Recently surgeons have cut nerves going to certain blood vessels, hoping that this procedure would reduce blood pressure. Although the operation succeeds for a time, it does not appear to be permanent, and it may be harmful.

The chiropractic approach to high blood pressure is to remove any imbalance in the nerve system by spinal adjustment, relieving tension on blood vessels, with the restoration of normal pressure. It is true that Chiropractic is a new healing art and people are always skeptical of anything "new." Yet the only way you can determine the accomplishments of chiropractic is by investigating it.

## PATZER Chiropractic Clinic

FLOYDADA

Easily clean your own carpets, rugs & Furniture with world-famous miracle cleaning fluid.

Used for over 16 years by the most discriminating housewives, & men in industry—Hotels, theatres, office buildings, tourist courts, restaurants, banks, automobile dealers — everywhere there are carpets & upholstery.

Miracle removes dust & heavy dirt, all types of spots, both grease, gum, etc., and also sweets, such as candy or beverages.

Also, by a special ingredient—colors are restored, & the nap is kept in a beautiful, soft & fluffy condition, so a vacuum cleaner can keep out all dust & heavy dirt. Clean fabrics last years longer.

Miracle is mild enough to use for an eye-wash, will not injure the finest fabric or color, and is non-inflammable.

Miracle cleans anything that is soiled — wool, cotton, synthetics, mohair, velour, tapestries, orientals, suede, walls, woodwork, tile, etc.

Miracle is now available exclusively at Borens.

## ★ ☆ ★ ☆ ★ ☆ ★ ☆ VIEWS AND COMMENT

### THE HOSPITAL GIFT

Peoples Hospital has begun to spend the Ford Foundation's check for half of the Foundation's grant to help the hospital improve and extend its services to our community.

The total gift, of which the Peoples Hospital's check is just a part, was no doubt, the largest single disbursement of philanthropy in our history. Two hundred million dollars were set aside for voluntary nonprofit hospitals across the nation to help them in the task to which they are dedicated, bringing to the American people the best hospital care in the world.

Magnificent though this gift was, helpful though it will be to the Peoples Hospital, we cannot expect it to do the full job. It would be tragic indeed were our community's support for our hospital to be lessened by the amount of the Ford gift.

The Ford grant was conceived as "seed money," a gift which could result in a greater harvest of community understanding and support of the total needs of the modern hospital. The full job is still, and always will remain, the job of the community, the immediate beneficiaries of this essential hospital care.

The voluntary hospital is an example not only of our charity toward each other, but it is also a bulwark of our voluntary system. The hospital is an essential social institution in our 20th century community.

It is a tribute to our good sense that we have not given up our individual primacy for reliance on government alone but that we have learned how to have government and free enterprise live in a mutual respecting and complementary effort.

The Ford grants give almost total leeway to the trustees of our hospital. They now have a responsibility to all of us to translate this gift into maximum benefits for our community. We are sure they will prove equal to this task.

**The Thrip Invasion.** Cotton insects known as thrips invaded plains cotton as early as ten days or two weeks ago. Cotton advisers, Extension Service men and others whose business it is to keep up with the progress of the crop, at first were unwilling to believe that thrip would show up in cotton with only two leaves on it. But there they were and are, so they say. The count in many fields has been so high as to demand control measures. Estimate is that it takes three applications of an insecticide, each about seven days apart, to control the insects, especially

in cases where the little bugs are migrating into the fields in numbers. All brings about another guess on the part of the farmer about what he should do. To spray or not to spray.

**J. Evetts Haley,** the West Texas entry in the governor's race, says he is not integrated, won't be integrated, and if you want to be integrated, do not vote for him for governor. He was host at a barbecue in Austin last week-end and gave out the interview to newsmen following the feed. Haley is nothing if not forthright. Texas at least would have a colorful governor should lightning strike and Haley be elected. He may turn out to be the man for Daniel and Yarborough to worry about, instead of W. Lee O'Daniel.

**Mr. O'Daniel** has "stood up" an audience or two already in his campaign and unless he changes his ways will fade fast. He put color and drama into his former campaigns. At one recent date he is said to have come into town tired and hungry. So he went to have a bite while the enthusiasm of the assembled crowd waned for an hour or so. Poor politics, to say the least.

**Wheat Crop Helps.** Floyd County people need a few hundred dollars to the family to "sorter get past the bind" in their fiscal affairs. A million and a half bushels of wheat, even if it only provides some money back from earlier spending, will be worthwhile.

**The likelihood** is that Texas Democratic primary voters will have an unusual ballot to cast this year. Although such has been provided for from way back in the election law the voters for the first time will pass on two or three matters of policy in addition to naming the nominees of the party for the various offices. This will be a novel experience for primary voters. It is probable the courts will have a chance to pass on the question since there is a strong minority (we assume minority) of opposition to putting the questions on the primary ballot. Of these one is on whether Texas authorities will pursue the course of interposition where the court tramples the rights of the people. The other two questions which the state committee ordered put on the ballot relate to laws of intermarriage of the races and enforced attendance at public schools where integration is enforced. The questions were petitioned on the ballot by more than 10 per cent of the voters expected to take part in the primaries.

## Make Requests Now For Birth Certificates

AUSTIN, June 14 — The State Department of Health today asked all parents of children who will enter public schools for the first time in September to make requests "now" for copies of the children's birth records.

Most school systems require a birth certificate to prove the child was six years old on Sept. 1.

"Making early requests for birth records will save parents and us time and trouble," said State Registrar W. D. Carroll.

Carroll, director of the health department's Division of Vital Statistics, says several hundred parents have already requested and received certified copies of birth records for their children.

But tens of thousands of requests from other parents will have to be processed between now and the beginning of the new school term. If too many people delay until August — as they usually do — Carroll and his limited staff will again have to put in hours of night and week-end work without overtime pay.

"The overtime work isn't important," Carroll said. "But it is important when a youngster can't enter school for lack of a birth record."

Birth records keepers shudder when they think of the estimated 260,000 kids who will be eligible to enter the first grade this fall.

Many of them have copies of birth records and will create no problem. Others live in areas where school officials do not require proof of age before admitting the child to the hallowed halls of learning.

But the majority do not have certified proof of age, despite the fact that they live in areas where school officials insist on such proof. This is the category that gives health department statisticians and clerks sleepless nights.

Last year the department processed more than 60,000 requests during the months of August, September, and October.

"This year we're trying to avoid the fall bottleneck," Carroll said. "We're ready to give immediate service to applications coming in between now and mid-July."

All parents have to do is furnish the child's name and date and place of birth, the mother's maiden name and the name of the father. That information, plus the statutory fee of 50 cents, will buy anyone a copy of their birth certificate — provided

the original certificate is on file. It's a good bet the original will be on hand. Carroll's office keeps track of some ten million birth and death records, some dating back to 1903.

There's just one more thing: if you don't care to write to the State Department of Health in Austin, check with your local registrar or county clerk. Chances are he can supply the record.

In either case, do it soon. Carroll says that fall bind can get mighty tight.

## LEGAL NOTICE

### THE STATE OF TEXAS

TO: Charles E. Wetzel, the unknown spouse of Charles E. Wetzel, if he be married and if Charles E. Wetzel or his unknown spouse, if he or she be deceased, their respective heirs, devisees, legatees, administrators, executors and other personal representatives Defendants.

Greeting: You are hereby commanded to appear before the Honorable District Court of Floyd County at the Court House thereof, in Floydada, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 23rd day of July A. D. 1956, then and there to answer Plaintiff's Petition filed in said Court, on the 6th day of June A. D. 1956, in this cause, numbered 4387 on the docket of said court and styled A. C. Carthel Plaintiff vs. Charles E. Wetzel, et al Defendants. A brief statement of the nature

of this suit is as follows: to wit: Trespass to try title suit by A. C. Carthel, as plaintiff, against the persons first named and described in this writ, to whom this writ is directed, as defendants. Plaintiff, A. C. Carthel, alleges that on the 1st day of June, 1956, he was the owner in fee simple of Lot No. 16 in Blk. No. 21 of the original town of Floydada, Floyd County, Texas; that on said date, the hereinabove defendants unlawfully entered upon and dispossessed the plaintiff of such premises and withholds from the plaintiff the possession thereof; plaintiff, A. C. Carthel further alleges that he and those whose title he holds, has had peaceable and adverse possession of the lands above described, using and enjoying the same and paying all taxes more than ten years next before the filing of this petition, and plaintiff specifically pleads the ten year statute of limitation in bar to any defense the defendant may have; plaintiff, A. C. Carthel, further alleges that he, and those whose title he holds has had peaceable and adverse possession of the above described land under a claim of right and under deed for more than twenty-five years prior to the filing of this petition, and plaintiff specifically pleads the twenty-five year statute of limitation in bar to any defense the defendant may have and praying for the judgment of the title and possession of said land, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand

and the Seal of said Court, at office in Floydada, Texas this 6th day of June A. D. 1956.

**Safe... Dependable... Naturally... It's**

Documented proof, compiled by The National Fire Protection Association, shows Natural Gas as the safest fuel. The safe and dependable operations are just two of many reasons why homeowners prefer automatic Gas water heaters. One other good reason for this preference is the economy of operation. Be sure that your next water heater is safe, dependable and economical to operate... naturally, it's Gas.

Number Bathrooms	Number Bedrooms	Storage Capacity Gallons
1	1 or 2	30
1	3 or 4	40
2	1 or 2	40
2	3 or 4	50
3 or 4	3	50
3 or 4	4 or 5	75

NOTE: Use next larger size with automatic clothes washer or automatic dishwasher.

To help you choose both wisely and well... study the chart above. Call your plumber or Gas appliance dealer and let him solve your hot water problems with an automatic Gas water heater... sized to the needs of your family.

Illustrated at right is a Day & Night automatic Gas water heater. This water heater is approved by the American Gas Association testing laboratories.

## Cotton Losses From Pink Boll Worm Lower

Cotton losses from pink bollworm infestation may show a marked drop this year if early-season bloom inspection results are a good barometer.

Findings in an annual inspection of Lower Rio Grande Valley cotton blooms indicate a significant decrease of infestation both in number of fields and density of blooms attacked.

## Panhandle Tips

"Wow - That's really clean! The seat covers! We're just thorough enough in our methods of service to do a GOOD job. We know HOW and we welcome the opportunity to prove it to you - anytime."

Not a Filling Station - but a Service Station

Panhandle Oil Co. Hwy. 70 on E. Houston Ph. 68

bullworms per 100,000 blooms and 33 per cent of fields infested in 1955. Part of the Willacy County cotton was not as far advanced as during the 1955 bloom inspection, however.

In the other counties, infestation was less than half the degree recorded in last year's inspection.

This noted drop in early bollworm occurrence is probably due in part to slightly shortened planting periods in the areas checked.

## No Shade Tree at End of Row

They're liable to start a revolution among the farmer's kids if what I hear is true. They say the fence row shade tree is on its way out.

But, with wate, being hard to come by and money even harder, many farmers are taking the practical viewpoint and poisoning their fence row thieves.

So I expect the young man in the striped overalls will get practical too and go modern - with a beach umbrella and a thermos of cracked ice and water.

AUSTIN, Tex. — Regardless of who is elected this summer, most Texans probably won't find their daily lives greatly changed.

But to one segment of the population, the 22,000 state employees and their families, it matters a lot. It affects their livelihood.

As much as a 20 per cent turnover in state employees can be expected after the new officials take over in January.

## INSURANCE COMPANIES RE-ALIGN

"Merger" will be a much-discussed word in the Texas insurance industry during coming weeks.

Wind-up of the State Insurance Commission's stringent solvency survey left 94 companies — or seven per cent — without licenses.

## ADAMSONS TRAPS ATTACKED

Are the Texas Highway Patrol's radar speed nets illegal? Amarillo Attorney Horace E. Wilson says he will fight to the Supreme Court, if necessary, to prove they are.

In Austin Patrol Chief W. J. Elliott said "nothing in state law prohibits hiding the radar unit, but

the highway patrol does not make this a practice. We can do more good by putting ourselves out in the open."

## CITIES NEED MORE WATER

A majority of Texas cities feel their water supplies are inadequate for the future.

State Sen. George Parkhouse of Dallas, chairman of the Texas Water Resources Committee, says a recent survey of 255 cities shows 54 per cent with this problem.

Parkhouse said city officials "almost without exception" favor building their town water facilities aided by financing "on the lowest level of government possible."

## DAVY READY FOR TOURISTS

Texas, who tour their Capitol by the thousands each year, will see a fresh-faced Davy Crockett this summer.

Crockett's huge portrait was rehung in the Capitol foyer last week after an extensive re-touching job.

## NO TROUBLE SEEN ON POLL

No objection is expected by the Democratic Executive Committee to putting the interposition question on the July primary ballot.

Chairman George Sandlin discounted talk of a court challenge to the validity of the 150,000 signatures on the referendum petitions.

## TEEN-AGERS FORM GOVERN.

EDMISTON Plumbing and Heating Co. Phone 507 PLUMBING REPAIRS — SUPPLIES

MENTS — Three state governments are operating simultaneously in Austin this week.

Each group — 360 girls, 519 boys — learns self-government by doing it for a week.

SHORT SNORTS — Dr. John Paul Abbott, dean at Texas A&M College, has been appointed program examiner for the Texas Commission on Higher Education.

Texas stamp tax sales for cigarettes, wine and liquor totaled \$4,907,078 in May, nearly one million more than a year ago.

Mrs. Maggie Maybaw had as her guests this past week her granddaughter and husband, Mr. and Mrs. Benney Pitrucha of Temple.

Mrs. Joe March spent Friday at her girlhood home in Hollis, Okla., where she attended the silver anniversary reunion of the Hollis High School Alumni Association.

the increase. Claude B. Tate of Huntsville is now with the Board of Texas State Hospitals and Special Schools.

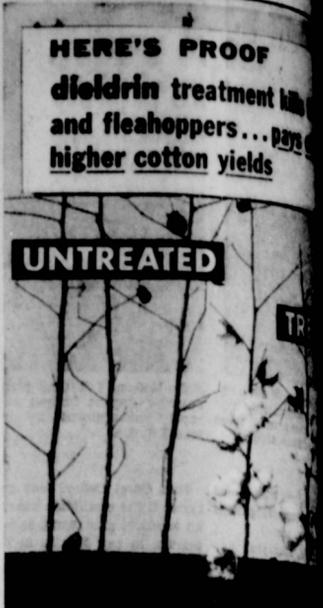

Newton Gresham of Houston is the new president of the State Bar of Texas.

TEXAS FARMERS mortgaged their property to the tune of \$227 million last year, the Farm Credit Agency reports.

## TEMPLE COUPLE ARE GUESTS

Mrs. Maggie Maybaw had as her guests this past week her granddaughter and husband, Mr. and Mrs. Benney Pitrucha of Temple.

Mrs. Joe March spent Friday at her girlhood home in Hollis, Okla., where she attended the silver anniversary reunion of the Hollis High School Alumni Association.

Photograph shows results of test performed at Temple. In this test, the dieldrin-treated plants produced 2.84 times as many blooms in a three-week period as did the untreated plants injured by thrips and other insects.

Results of this test prove without a doubt that dieldrin really pays. Dieldrin controls hoppers and other sucking insects.

Dieldrin provides long-lasting protection. Application dieldrin still has lethal effect.

Profit from this conclusive test. Use dieldrin year. Your insecticide dealer has dieldrin formulations and information on latest methods of application best suited for your use.
