

### Couple Planning Wedding in August

Mr. and Mrs. G. R. Green, 2114 South Hemlock, Borger, are announcing formally the engagement and approaching marriage of their daughter, Rose Marie, to Bert Grimes, son of Mrs. W. E. Grimes, Floydada, and the late Judge Grimes. The couple will exchange their vows at 3 p. m. August 19 in the sanctuary of the First Baptist Church with the Rev. Winfred Moore, pastor, officiating. Miss Green was graduated from Borger High School and has attended Texas Technological College, Lubbock, for the past two years. Grimes was graduated from the Floydada High School and is attending Texas Technological College where he is affiliated with Alpha Tau Omega fraternity. The young couple will make their home in Lubbock.

### Hostesses Compliment Bride-Elect Tuesday Evening With Shower

Miss Mary Wilks, bride-elect of Robert Day, was honored with a miscellaneous shower Tuesday evening, from the hours of seven until eight thirty o'clock at the home of Mrs. Everett Collier, 616 West Tennessee. Mrs. Collier greeted the guests and presented them to the honoree, her mother, Mrs. W. J. Wilks and the prospective bride-groom's mother, Mrs. R. C. Day.

Miss Dorales Barnett registered the guests and directed them to the refreshment table. From a table laid with a white linen cloth, Miss Carolyn Collier served the guests punch, mints and bell shaped cookies decorated with blue and white flowers. The centerpiece consisted of blue and white larkspur and the table was completed with white candles in crystal holders and blue napkins with "Mary and Robert" printed in white.

Hostesses for the occasion were Mesdames Travis Lightfoot, Rose Jones, Woodrow Wilson, Everett Collier, Ord Tye, John Walker, Jack Barnett, J. N. Richardson, Bruce Bishop, Everett Perry, W. E. Grimes, Bob Owens, Hubert Davis, P. D. Helms, V. D. Turner, Momer Ellis, Kenneth Bishop, Chuck Holmes, L. Clark Jr., Pat Thompson, George Smith, Autry Sparks, Bernice Tuff, Jim Campbell, Bud Stephens, Harvey Tardy, F. O. Conner, Dick Smith and Cullen Bullock.

### CANDLE LIT SERVICE HONORS REBEKAH FAST NOBLE GRANDS

The regular meeting of the Rebekah Lodge on Tuesday night opened with the Noble Grand Elva Reeves presiding. After the business meeting of the lodge the Noble Grand honored the past Noble Grand in a candle light service.

The Warden and Conductor escorted the Past Noble Grand to the altar where their candles were lighted. The Noble Grand read a poem of appreciation to them for making the way easy for the present Noble Grand to follow, then presented each with a gift.

Franklin Stovall, son of Mr. and Mrs. Richard Stovall, will leave today for Lake Tahoe, Calif., where he will be employed by the Straw Hotel for the summer months.

Mr. and Mrs. Everett Collier announce the engagement and approaching marriage of their daughter, Rose Marie, to Bert Grimes, son of Mrs. W. E. Grimes, Floydada, and the late Judge Grimes. The couple will exchange their vows at 3 p. m. August 19 in the sanctuary of the First Baptist Church with the Rev. Winfred Moore, pastor, officiating.

### July Plentiful Foods Announced

College Station. — Feature foods for the month of July are listed by the U.S. Department of Agriculture as broilers, and ice cream. Production of both is expected to reach record highs during the month.

The total list includes more than a dozen foods, Cantaloups and watermelons are expected to dominate the fresh produce markets along with fresh summer vegetables. Movement from the areas of heavy production is stepping up and supplies increasing, say the marketing experts.

Fresh and processed lemons and limes are the only fruits listed on the July plentiful list. Milk production is still running far ahead of last year and all dairy products are just about as abundant this month as last.

Turkeys, canned cranberry sauce, peanut butter, canned tuna in oil and split beans round out the list for the Southern area.

For family picnics and weekend outings you can't beat a menu made up of foods which are now in heavy supply — fried or barbecued chicken, fresh vegetables, hot watermelon or cantaloups plus dairy products.

### Troth Is Revealed

Mr. and Mrs. Everett Collier announce the engagement and approaching marriage of their daughter, Rose Marie, to Bert Grimes, son of Mrs. W. E. Grimes, Floydada, and the late Judge Grimes. The couple will exchange their vows at 3 p. m. August 19 in the sanctuary of the First Baptist Church with the Rev. Winfred Moore, pastor, officiating.

### Plains Baptist Summer Camps Are Announced

Announcement was made this week of dates for the 9th annual session for summer camps of the Plains Baptist Assembly.

The theme for the sessions is "In His Hand" and the scripture is "The Father loveth the son and hath given all things into His Hand." The song will be "He's Got the Whole World in His Hand."

The schedule is as follows: July 2-4. Young Peoples' Camp (ages 17-24), leaving Monday at 2 p. m. and returning Wednesday at 10 a. m.

July 4. Family Camp (all ages), starting at 10 a. m. Wednesday morning and ending at 9 p. m. Meals will be \$1 for adults and 50c for children under 9.

July 9-11. Intermediate Boys (ages 13-16). July 11-13. Junior Boys (ages 9-12). July 16-18. Junior Girls (ages 9-12). July 18-20. Intermediate Girls (ages 13-16).

August 20-21. Brotherhood Encampment (men). August 23-24. W.M.U. Camp (women).

For additional information, it needed call E. D. Morgan at the Plains Baptist Encampment.

**PRESIDENT** of the Plains Baptist Assembly is Rev. Wayne Perry of Sudan, manager of the assembly is E. D. Morgan of Floydada, treasurer is Paul Spakman of Floydada, Mrs. E. D. Morgan is manager of the concession stand.

Rev. and Mrs. Glenn Willson of Kress are swimming directors and K. Kenneth Hill Jr., of Littlefield is handicraft director and kitchen supervisor.

Dr. F. E. Swanner of Plainview is district missions secretary, Mrs. Henry Heck of Idalou is district W.M.U. president, Mrs. E. W. Smith of Lubbock is district W.M.U. treasurer, Mrs. Lee Hemphill of Littlefield is district Y.P. director, Mrs. J. T. Campbell of Shallowater is district G.A. director.

Judson Burnett of Levelland is district brotherhood president, Rev. John S. Rankin of Amherst is district R.A. leader and Mrs. Clint Faulkner of Idalou is district camp chairman.

### Pioneer West Texan, Mrs. J. M. Wood, Is Claimed at Lubbock

Funeral service for Mrs. J. M. Wood, 81, of Lubbock and mother of Mrs. J. D. Cleveland, former president of the assembly, was held Tuesday afternoon at 4 o'clock in Higginbotham Funeral Chapel in Lamesa with Rev. Milo B. Arbuckle, pastor of the First Baptist Church, officiating.

Barial was made in Lamesa County under the direction of Higginbotham Funeral Home.

Mrs. Wood died at 3 p. m. Monday at her home, 4006 39th St., Lubbock, after an illness of about three months. She had lived in Lubbock since October. Mrs. Wood had lived in West Texas since 1908.

Survivors include three sons, H. P. Econdido, Calif., Ernest, Lamesa, and J. M. Jr., Lubbock, two daughters, Mrs. J. D. Cleveland, Amarillo and Miss Opal Wood of the home, two brothers, E. R. Patterson, Rising Star and Earl Patterson, May, two sisters, Mrs. J. O. Harris, De Leon and Mrs. J. C. Sneed, Pontotoc, Mass.; seven grandchildren and three great-grandchildren.

### FATHERS DAY GUESTS

Visitors in the home of Mr. and Mrs. Mal Jarboe on Fathers Day were their sons and wives, Mr. and Mrs. Tom Bob Jarboe of Priona and Mr. and Mrs. Malvin Jarboe and daughter, Vickie, of Dougherty.

Mr. and Mrs. Tom Bob Jarboe also visited her mother, Mrs. Bill Dyer. Tom Bob has been elected principal of the Priona Elementary School for next fall.

Mr. and Mrs. Lee Ann Norman and Mr. Jack Clark of White Deer were week-end visitors in the home of Mr. and Mrs. E. L. Norman, her parents, Mr. and Mrs. A. B. Clark and her grandparents, Mr. and Mrs. R. F. Jackson.

### Truman Kirk Family Are Visiting in Floydada

Mr. and Mrs. Truman Kirk and children, Jimmy, Bobby and Carolyn of Minneapolis, Minn., have been visitors in the home of his parents, Mr. and Mrs. Ohmer Kirk. They arrived in Floydada Sunday of this week and will leave today for Houston where they will visit with Mrs. Kirk's parents.

Mr. Kirk is treasurer for Shell Oil Company in Minneapolis. A stitch in time saves nine. Want Ads save you money.

### Paving Begins At High School

Two blocks of paving will be completed on streets adjacent to the new high school grounds in a program that was started this week by A. O. Poter, of Rails, under the supervision of Engineer Sam Fowler.

One of these blocks is on Georgia between Texas and Tree Streets. It will be paved 44-foot width with curb and gutter, and a block on Tree Street between Houston and Georgia will be paved 60-foot width with curb and gutter.

A large parking area on the north side of the new building also will be paved. It was announced this week by the school authorities.

The Massie family are paying half on Tree Street, the city half on Tree Street.

Other paving is in the talking stages, according to O. M. Watson Jr., of Floydada Chamber of Commerce. Among these is a proposal to pave the boulevard areas of South Wall and West California, where the offer to property owners on either side will be \$1.25 per lineal foot to fill in the unpaved centers.

There is a temporary hold-up on the West Crockett and South Fourth Street projects, which had been pledged previously under a financing arrangement, since cancelled.

Probability that curb and gutter improvements and additional parking area on the Andrews Ward grounds will be done before the season is ended was indicated also at the Chamber of Commerce office.

### Rigging Up Grader For Onion Harvest

Yesterday members of the Floyd County Vegetable Growers' and Marketing Association were rigging up their onion grader at the vegetable shed on the Quannah right of way preparatory to beginning their harvest.

Unless weather prevents the association expects to have onions from two or three fields before the week-end.

W. E. Jordan, of Lyons, Ga., will handle the marketing for the association again this year. He and his family are here for the harvest season, and settled in living quarters.

Mr. Jordan expects the operating crew to reach Floydada today. Tom Sneed, Billy Brown and L. D. Simpson are among the growers who are likely to have onions in the shed by the end of this week.

Jordan said the onion crops he has seen appear to be of good quality. "The boys ought to harvest a quality crop unless the weather prevents," Mr. Jordan said.

### Court Of Honor On Monday Night

A court of honor for Floydada Troop 51, Boy Scouts, has been announced for Monday night in the basement of the First Methodist Church, at 8 o'clock.

Seven boys are up for tests for advancement awards. James Word will preside.

After the ceremonies are over color slides of Colorado scenery will be shown.

### MRS. ALLEN IMPROVED THIS WEEK FOLLOWING SURGERY

Mrs. Mary Ellen Allen of Fort Worth, mother of Dr. R. Earl Allen of this city underwent surgery last Friday morning at Harris Memorial Hospital in Ft. Worth. Dr. Allen reported his mother's condition as improving late yesterday afternoon.

Dr. Allen went down to be with his mother last Thursday and returned home on Saturday.

Mr. and Mrs. Truman Kirk and children, Jimmy, Bobby and Carolyn of Minneapolis, Minn., have been visitors in the home of his parents, Mr. and Mrs. Ohmer Kirk. They arrived in Floydada Sunday of this week and will leave today for Houston where they will visit with Mrs. Kirk's parents.

Mr. Kirk is treasurer for Shell Oil Company in Minneapolis. A stitch in time saves nine. Want Ads save you money.

### LIGHTNING HITS FARM HOME

The farm home of S. M. Crawford, 8 1/4 miles east of Floydada on the Malador highway, was hit by lightning about 3 o'clock Sunday afternoon.

Leroy Burns, who made the run to the scene for Floydada Fire Department, said the lightning came from the built-in furnace. He said there was not much fire, mostly smoke.

Mr. and Mrs. Crawford were at home but neither was hurt.

### KINSMEN AT DEAKINS RITES

Out-of-town relatives attending final rites for Mrs. Mable Lillian Deakins last Saturday morning at the Episcopal Church of Snyder included her brother and wife, Mr. and Mrs. Burt King of Wayne, Buena, Calif., a niece, Mrs. John Pierce of Las Vegas, Nev., and brothers, Guy and John King of Detroit, Mich.

Mrs. Marvin Fawver of Stephens, Ark. and Mrs. Roy Fawver of Baker, were guests of Mrs. R. H. Willis Friday afternoon.

Miss Mary Pearl Coward is absent from home on a visit with relatives in Dallas, Fort Worth and Cleburne.

### THINK YOU'RE SMART?

1. Will Rogers was born and died in the United States. Yet he was not born nor did he die in any state. How did this happen?

2. What was the longest prize fight in modern history?

3. When was the Colossus of Rhodes built and how long did it stand?

4. What animal is the fastest runner?

5. What is the most beautiful building in the world and why is it built?

6. Where did spaghetti originate?

7. How many capitols has the United States had, and where were they?

8. What offices did Benjamin Franklin hold?

9. The more sardines packed in a can, the greater profit. Why?

10. What is the longest street in the world?

11. Why was pepper important in the discovery of America?

12. What animals furnish ivory?

13. Where is Mount Pelee located, and what is it noted for?

14. When were greyhounds first used for hunting?

Answers to "Think You're Smart?" 1. Will Rogers was born in Oklahoma Territory and died in Alaska. 2. Andy Bowen and Jack Burke fought 110 rounds and the fight lasted seven hours and 19 minutes. 3. It was erected about 300 B.C. It took 12 years to build and was destroyed by an earthquake 66 years later. 4. The cheetah or hunting leopard is the fastest runner, they are natives of India. 5. The Taj Mahal in India about 1620 as a mausoleum for the favorite of the sultan, Shah Jehan. 6. In China, and it was introduced in Italy by Marco Polo. 7. Philadelphia, Pa., Baltimore, Md., Lancaster, Pa., York, Pa., Princeton, N. J., Annapolis, Md., Trenton, N. J., New York, N. Y., and Washington, D. C. 8. Ben Franklin was U. S. Postmaster-General and Ambassador to France. 9. The oil is more valuable than the sardines. 10. Broadway, New York, is 150 miles long, extending from the Battery in New York City to Albany. 11. Pepper was valuable in the 14th and 15th centuries, and Columbus discovered America while searching for the "Spice Islands." 12. Elephant, walrus and hippopotamus. 13. Mount Pelee is located in the West Indies, and it was the scene of a volcanic eruption in 1902 A.D., when 45,000 people lost their lives. 14. Greyhounds were first used by the Pharaohs of Egypt about 2900 B.C.

### Organize Work; Lengthen Your Leisure Time

You can keep your house clean, get your chores done and still have plenty of free time for yourself — if you know how to organize your work and make the most of short cuts, says Redbook Magazine. The June issue lists 36 time-saving tricks that are guaranteed to give you hours of free time. Here are some of Redbook's suggestions for shortening your work and lengthening your leisure:

Pride in homecoming should come from what you accomplish, not in the long hours or hard work spent doing it. The first step toward making housework easy is to decide which jobs you can eliminate. There are certain unavoidable tasks, like washing dishes. There are some on which you can spend a great deal of time or a little, like ironing children's play clothes. Many more need not be done at all, like drying dishes.

Once you've decided you must do a job, search for the shortest method. A time-saving system will pay you back big leisure dividends. For example, here is a check list of some time-saving tricks:

Take five minutes each morning to plan the order of your work. Buy no-iron clothes. Bake in serving dishes. Use prepared mixes, pre-cooked cereals, frozen and canned foods. Sort laundry as it accumulates into separate hamper. Use silver sheets for touch-ups on silver. Soap pads for pots and pans.

Use the right detergents and waxes for the job. Keep kitchen surfaces wiped up and dishes rinsed as you go. Store articles so that you can pick them up ready to use. Make double or triple batches of food so some can go in the freezer. Organize your shopping list in the best order for picking up the items. Pad a wide table to iron large things like curtains or tablecloths.

Here are more suggestions for making your work easier: Use short cuts. Disposable paper towels, plates, cups and napkins as well as aluminum-foil liners can save precious minutes. Put guide lines on coffee pot, mixers for salad dressings and frozen juices, use right-sized scoops for coffee and washday detergent. Gauges for steam allowances and nuts. Shop by telephone and mail order when possible.

Organize storage: Put things you use most in the easiest-to-reach places. Put away seasonal paraphernalia. Get rid of things you never use. Dovelast jobs: When a job includes a waiting period, start it first and get another done.

Set up a system for routine tasks. Get ready before you start. Avoid interruptions. Work with your own assembly line. Clean all the shoes, polish all the silver or put away all the winter clothes at a time.

Do more at once: Use both hands whenever possible. Use trays and wheel carts to save steps. Use the right tool. Choose well-designed kitchen tools that do a good job. They should be easy to grasp, operate, clean and store. Make small repairs before they get to be big ones. Keep a mending kit in the laundry. Wipe up spills and remove stains immediately, before they get a chance to set!

# Floyd County Girls Named 4-H Club Delegates

daughter of Mr. ... Mrs. Pearl Parramore of Lubbock, will check in at the Conrad Hilton Hotel. Plans are being made for the Area I girls to attend the Don McNeil Breakfast Club, Monday morning, July 2. In the afternoon there will be a state meeting of the Texas Association. The meeting is scheduled for 1:00-2:00 p. m., Parlor B, third floor, Conrad Hilton Hotel. At this time the programs, meal tickets, banquet tickets, and all other materials will be given to the teachers for their group. Each teacher will be responsible for four girls in the group with Mrs. Parramore, Wanda, and Frances, there will be Virginia Carr of Plainview and Nancy Boles of Lubbock.

A special fireworks display will be given at Soldier's Field, evening of July 4. There will be free time for the delegates, Thursday, July 5, beginning at 11:30 a. m., for a three hour sightseeing tour, shopping, or other activities. At 6:30 p. m., on the same day there will be a banquet for all the girls.

The national meeting ends Friday, July 6, and the girls will return to Plainview Saturday, July 7.

F.H.A. is sponsored by the American Home Economics Association and the U.S. Office of Education. Cooperating groups are the Home Economics sections of the American Vocational Association and the National Education Association.

The main goal of F.H.A. is to learn to live better today in order that the homemaking pupils' lives and those of their families may be better tomorrow.

Wanda is a junior at Lockney High School and has been an active F.H.A. member since 1954. She has served on the following committees: Installation of officers in 1954, Mother-Daughter Banquet, and the F.H.A. Week for the past two years. She has attended the 1955 and the 1956 Area meetings in Amarillo and was a nominee for the 1956-57 Lockney F.H.A. Chapter president. By serving at numerous banquets and teas she has gained credit in F.H.A.

Wanda also is a member of the following school and community organizations: Lockney First Baptist Church, Community Missions Chairman in Y.W.A., Lariat Staff, Pep Squad and High School Librarian.

Frances is a senior at Lockney High School and has been an F.H.A. member since 1953. She has served on the following committees: Mother-Daughter Banquet and Installation of Officers in 1956. She attended the 1954 and the 1955 Area meetings in Amarillo.

Frances also is a member of the following school and community organizations: Future Business Leaders of America, Band, Rainbow, Assistant pianist and Sunday School, Secretary of Cedar Hill Baptist Church.

On Friday, June 1, Wanda and Frances, along with their mothers, Mrs. John Cox and Mrs. Carl Lemons, went to Lubbock to meet their teacher sponsor for the tour. There were ten girls, their mothers and three teacher sponsors present.

It was enjoyed very much and seems to be the beginning of their fun for this 1956 National Convention of the F.H.A.

## Fineapple Layer Ring Mold Combines Fruit, Nuts and Cheese

A two-tone salad that is cool and refreshing.

Pineapple and cheese have always been a popular combination, either as dessert or salad. Here they're together in a delicious two-tone molded salad which will add elegance to buffets, luncheons and bridal showers.

**PINEAPPLE LAYER RING**

1 package strawberry-flavored gelatin  
 1 1/2 cups syrup from pineapple  
 2 tablespoons lemon juice  
 1/2 cup strawberries  
 1 tablespoon sugar  
 1 #2 1/2 can pineapple chunks

Dissolve strawberry gelatin in heated pineapple syrup, adding water if needed to make right amount. Stir in lemon juice. Chill until thick but not firm. Halve berries and sprinkle with sugar. Add 1 cup drained pineapple chunks and berries to thick gelatin. Pour into 8-inch ring mold. Chill firm.

## Church Groups Set Dates for Summer Camps

The Chi Rho Intermediates of the First Christian Church of this city left for summer camp Sunday of this week at Ceta Canyon and are expected to return home tomorrow.

On July 1 the juniors of the church will leave for Ceta Canyon and will return on July 6.

An adult family camp will be held the week-end of June 29-30.

Rev. THOMAS R. Armstrong, pastor of the First Methodist Church, announced their summer camp dates this week. Their camp sessions will be held at Ceta Canyon.

The schedule is as follows: Intermediates, July 23-27; Wesleyan Service Guild, July 28-29; Layman Retreat, August 3, 4, and 5; Junior camp, August 6-10; and Church school superintendents camp, August 25-26.

The following camps will be held at Buckman camp near Merkel, Tex.: Youth Work Camp, June 25-29; Senior Camp, August 20-25; Older Youth Camp, Sept. 1-3.

Friday night. Mrs. John King of Roaring Springs visited with her sister, Mrs. Fred Jones Tuesday.

Mrs. Jimmy Nottingham of Dallas is visiting this week with Mr. and Mrs. Fred Jones.

Mr. and Mrs. Ernest LaFrance of Olton visited Monday with the Jones and weekend guests were their daughter and husband, Mr. and Mrs. Paul Polasek of Claude.

Wayland Jones arrived home on Monday from Ft. Sill, Okla., where he got his discharge from the army.

Mr. and Mrs. P. B. Estep spent Sunday in Floydada with Mrs. Estep's dad, J. F. Jones.

Mr. and Mrs. Gordon Hambricht spent Saturday night and Sunday with Mr. and Mrs. W. M. Hambricht and Bob.

Mr. and Mrs. Dean Nelson and girls arrived Sunday morning to visit Mr. and Mrs. H. J. Nelson and Alma Ruth in Floydada. The Dean Nelsons live in California.

Mr. and Mrs. Robert Peel visited Sunday with Mr. and Mrs. Kenneth Moody and boys of Lockney.

Mrs. W. U. Riggles and daughters visited Friday afternoon with Mrs. R. H. Peel.

Mr. and Mrs. Bob Estep of Lubbock visited the P. B. Esteps Tuesday night.

Mr. and Mrs. Wayne Appling and girls attended the Wallace reunion in Crosbyton Sunday. The Applings visited Mr. and Mrs. J. W. Wood in Crosbyton Monday.

Mr. and Mrs. Travis Willy and children of Dallas and Mrs. Lee Willy of Dallas and Mr. and Mrs. Vernon Wheeler and boys of Crosbyton spent Wednesday with Mr. and Mrs. R. L. Johnson.

Caroline Jacobs and Delores Arnes of Van Buren, Ark., returned home after spending a week with Mr. and Mrs. Raymond Hamilton.

Mr. and Mrs. Warner Johnson and children will leave Wednesday for Dallas where Lourie will see his doctor for a check-up.

The Johnsons will visit with her parents, Mr. and Mrs. W. C. Bister and family of Dardanelle, Ark., and with Mr. and Mrs. Cecil Johnson at Brownington, Mo., before returning home.

Bill Estep arrived home last night from a trip won in F.F.A. to Nashville, Tenn. He reported a wonderful time.

## Center News

(By Mrs. J. E. Green)

CENTER, June 19 — Last Friday and Saturday were very hot days, but the showers have cooled off the air some especially nights and early mornings. The grass is getting green again, and trilled crops are getting a way up, which reminds us that time is going on.

Our Sunday crowd was slim Sunday morning and Sunday night services were not held because of the threatening shower.

Mrs. W. M. Jackson reached home last week after an absence of two weeks or more visiting her children.

Mr. and Mrs. Fred Cone of Wichita Falls were weekend visitors in the homes of her sisters, Mrs. Jackson and Mr. and Mrs. Leo Frizzell. Mr. Cone accompanied Mr. Frizzell to Sunday School here and taught the adult class.

Mrs. P. T. Gentry of Slaton and Mrs. Mae Easterling of San Bernardino, Calif., are here visiting their sister, Mrs. Walter Sims and other relatives. Mrs. Sims is in a Plainview hospital being treated for an infection. She seems to be much improved at this time.

Sara Elaine Ryman has had an ear and throat infection for several days but seems better at this time.

Mr. and Mrs. Clyde Green and baby Margaret Caroline and Don Clark Green were supper guests of Mr. and Mrs. Victor Green and Jimmy last Thursday in Plainview. The Clyde Greens spent the week-end in Fort Worth visiting Mrs.

## KITCHEN AND FIELD NEWS

from Lighthouse Electric Cooperative, Inc., by Nancy Morckel and Claude Weatherbee, Electrification Advisors

Here's a good way to save money: The national average use for an electric range is 150 kw-hr per month for a family of four. You can even make your electric range kw-hr usage come under the national average if you'll do the following things:

1. Use proper utensils. Flat bottom, straight sided, covered boilers. Unwarped, shiny baking pans. One of your biggest expenses is using the broiler to brown breads.

2. Always cut down heat on surface units to simmer or low after the food begins to boil. You can sometimes finish the cooking without any heat turned on. Use only a little water, and use covered utensils. Don't be a "peeping-tom."

3. Make full use of your oven. Never cook just meat, or just potatoes, in your oven - put in a whole meal at the time. Never peek.

4. Take advantage of your deep-well cooker. Cook entire meals in it or cook small roasts in it rather than using the oven.

You will find other tricks of your own, but these are just a start for you to get the most for the least amount of money with your electric range.

Dane Clark and Jackie Henry went to Burson Lake fishing.

Mr. and Mrs. Claude Weatherbee, Tommy and Leigh Ann attended the Terry Family Reunion at McKenzie Park in Lubbock last Sunday.

Mr. and Mrs. Melvin Henry and children spent the week-end at Lake Diversion fishing.

Mr. and Mrs. John Nay spent Sunday afternoon and evening in Lubbock visiting friends.

Martha Hilley is at Ceta Glenn attending Girls' Camp this week.

Eddie Hilley is spending a few days visiting his grandmother, Mrs. Day Dixon, at Spur.

Keith Armstrong left Monday morning for South Dakota. He will work during the summer for John Edwards Smith.

Julia Baker, Billing Clerk, is on vacation this week.

Bert Grimes spent the week-end in Burger.

Corkey Guffee was on vacation last week. He spent the time farming.

Mr. and Mrs. D. M. Moore spent Sunday in Matador attending the Metley County Singing Convention. They ate dinner with Mr. and Mrs. Galen Holland.

Dickie Lee Rushing, son of Mr. and Mrs. Joe Rushing, Lubbock, is visiting his grandparents, Mr. and Mrs. Lee Rushing of Fairview Community, near Floydada.

On Saturday afternoon Wiley Rogers went to Canyon to visit his uncle, J. H. McMurray who has been seriously ill. His condition is somewhat improved.

Col. Paul H. McMurray of Washington, D. C., and Mr. and Mrs. Oscar McMurray and family of Abilene visited Sunday afternoon with Mr. and Mrs. Wiley Rogers and other relatives in Floydada.

Does Your Home Have the "Flickers"?

More and more rural homes are faced each year with the annoying experience of having the lights in the house or barn go dim when the pump goes on, or the refrigerator starts. It is estimated that the electric wiring in 90 percent of the American home is overloaded. That a periodic dimming in your home is a danger signal that you need to check into your wiring.

New appliances and equipment are taxing our circuits. Wiring that is too small, or too few circuits can mean trouble - and a higher power bill. Inadequate wiring is inviting trouble - meanwhile you are putting up with poorer service and higher power bills.

If your home has the flickers now is the time to call in an electrician to put things right for you.

"What did you name your baby, Mose?" A friend inquired of a proud father.

"Electricity," said Mose.

"Queer name for a baby," said the friend. "Why did you name him that?"

"Well, mah name's Mose, and mah wife's name is Dinah and if Dinah-mose don't make electricity, what does they make?"

One of the worst places in the world to live is just Beyond Your Income - but there's a lot of company.

Mr. and Mrs. Buck Marricle and David spent Fathers Day in Idalou visiting his parents, Mr. and Mrs. E. J. Marricle.

## Lakeview News

(By Mrs. F. B. Estep)

LAKEVIEW, June 18 — I'm pinch hitting for Mrs. Warner Johnson this week. We are certainly thankful for the wonderful rain we received last night. We got two and one-half inches but some of the community didn't get that much.

Marvin Fawver, son of George Fawver, and wife of Stephens, Ark., has been visiting relatives in the Lakeview and Baker Communities since Wednesday of last week.

Friday Mr. and Mrs. Marvin Fawver were guests of Mr. and Mrs. Roy Fawver. In the afternoon the two families visited with several old friends. On Saturday evening, Mr. and Mrs. Travis Fawver of Stephens, Ark., arrived for a visit with the Fawvers, George Fawver, his granddad, and uncles, Claude and G. L. Fawver of Baker and Roy Fawver of Lakeview. All the family enjoyed a 42 party Saturday night at the home of Mr. and Mrs. Geo. Fawver.

Mr. and Mrs. Travis Fawver were Sunday night guests of Mr. and Mrs. Roy Fawver. They will visit in Midland, El Paso and old Mexico before returning home.

Mrs. Roy Fawver is visiting today with her mother.

Mr. and Mrs. Weldon Hammonds and girls spent the week end visiting relatives at Thalia and Crowell.

Mr. and Mrs. Blanton Hartzell, Larry and Carolyn were Sunday dinner guests of Mr. and Mrs. Hartzell. In the afternoon they visited J. M. Harrison.

Mr. and Mrs. Homer Newberry, Judy and Dean were Sunday dinner guests of Mr. and Mrs. Herman Richardson and boys. Mary Newberry visited last week with Virginia Crawford at Crosbyton.

Several from our community attended the rodeo in Crosbyton Saturday night.

It is estimated that the electric wiring in 90 percent of the American home is overloaded. That a periodic dimming in your home is a danger signal that you need to check into your wiring.

Green's relatives. Don Clark spent the weekend in Big Spring.

Mr. and Mrs. J. E. Green and Mr. and Mrs. Doc Ryman and children were Sunday dinner guests of the Victor Greens of Plainview.

Phil Horton has been having trouble with an infected ear.

Donna Welborn is baby sitting these days in the home of her sister, Mrs. Nolan Arney, while Mrs. Arney works in the store.

C. W. Denison Jr., and family of Brownfield visited Friday evening and night with his parents. All served their picnic supper at Roaring Springs and spent the night under the stars. The son and family returned home Saturday.

Mrs. Denison, Mrs. Lide, Juanita Payne and Mrs. D. W. Burke stopped and visited in Lubbock last Wednesday.

The J. R. Robertsons visited Sunday in Lubbock with their children, Mr. and Mrs. Jimmy Dunn and Debbie.

Come to church Sunday.

Visitors in the home of Mr. and Mrs. Clarence Reddy are their granddaughter, Linda Gail Roach, of Lubbock, and niece, Tarena Chambers of Iowa Park.

Mr. and Mrs. Glen Jordan and children of Amarillo, Wendell Jordan of White Deer, and Mr. and Mrs. Doyle Moore of Floydada, spent the week-end with their mother, Mrs. Olive Jordan.

James Badgett and family, of Fort Worth, this week are visiting in the home of his parents, Mr. and Mrs. D. R. Badgett here.

Recent guests in the Tom W. Deen home were their daughter, Miss Wilma Deen of Albuquerque, N. M., Judge Deen's sister, Mrs. Maud Wheat of Amarillo, and their foster son, Jesse Haynes and his family, of Fort Worth.

Named "Miss Hi-Level" by her home town, pretty Marcia Dewry of Albuquerque, N. M., will travel through the East, Midwest and California in June on personal appearances in connection with unveiling of Santa Fe Railway's new Hi-Level El Capitan (background). Accompanied by these two colorful Spanish conquistadores, she will extend to vacationists an invitation to visit Albuquerque's 250th anniversary celebration in July, a high point of which will be the christening of the new Chicago-Los Angeles train on July 8.

**DUB DUB — FOUR EGGS IN A CRUST**

For something new to perk up jaded appetites at breakfast go further than these baked eggs flavored with Swiss cheese into a feather-light "Yeast-Riz" Crust. Since the crusts can be made in advance, it takes only 20 precious morning minutes to cook.

**BAKED SWISS EGGS**

4 eggs  
Salt and pepper

Preheat oven to 350° F. Beat eggs in "Yeast-Riz" Crust. Make 4 small hollows in the top of each egg. Season with salt and pepper. Bake in moderate oven about 20 minutes until eggs are set. Makes 4.

**\*YEAST-RIZ\* CRUST**  
(makes three 9-inch crusts)

1 package or cake yeast, active dry or compressed  
 1 egg, beaten  
 2 1/2 cups sifted enriched flour  
 1 egg white, slightly beaten

Stir in shortening, sugar and salt. Cool to lukewarm. Measure large bowl (warm, not hot, water for active dry yeast, lukewarm for compressed yeast). Sprinkle or crumble in yeast. Stir until lumps form. Stir in remaining flour. Turn out on a lightly oiled surface. Knead until smooth, and elastic. Place in well-greased loaf pan. Punch down, until doubled in bulk, about 1 hour and 15 minutes. Punch down and turn out on lightly floured board. Divide into three pieces. Roll out each piece into a 10-inch circle. Fit into loaf pan. Pat all over surface. Trim pastry even with edge of pan. Sprinkle top edge with times of fork. Brush crust with egg white. Bake in preheated oven, free from draft, until doubled in bulk about 20 minutes. To store, cool crusts, stack and wrap in aluminum foil. Refrigerate 1 to 10 days, as needed. When ready to use, bake as directed.

# Council Hears Reports, Views Summer Plans

The Floyd County Home Demonstration council had its regular meeting June 16 at 2:30 p. m. in the council room of the court house.

The chairman, Mrs. Grigsby Milton, presided at the meeting.

The state T.H.D.A. song "Song of Peace" was led by Mrs. Tom Porter.

Twenty-one council members were present, representing eleven clubs.

One visitor was present, Mrs. Loyce Turner, former council member who is moving away, and has been replaced as council delegate of Harmony club by Mrs. Ted Rutherford.

Mrs. S. J. Latta reported on the book selected for the council to contribute to the library in memory of Judge W. E. Grimes. A card of thanks was read from Mrs. Grimes and family.

**THE CHAIRMAN** announced the 4-H club girls camp has been set for July 10.

Names were drawn for delegates to attend the recreation training meeting to be held in Post July 17 and 18. Delegates are Mrs. Fred Cooper, Lockney, Mrs. Ted Rutherford, Harmony, Mrs. Hoyette Hodges, Lone Star and Mrs. R. G. Dunlap, South Plains, Mrs. Arlon Miller of Sand Hill as alternate.

Mrs. Tom Porter, county T.H.D.A. chairman, reminded members that delegates to the state meeting in San Antonio, are to be elected at a T.H.D.A. meeting, immediately following the July council meeting. She suggested that each nominee be present at the meeting.

Mrs. Ray Aston, consumer education chairman, gave information on strawberries, frozen in syrup that are available at \$7.50 per 30 pounds.

Mrs. Loyce Turner gave a report on the "Swap Shop" held May 31.

**A LETTER** was read from Mrs. Lee Goughly, county librarian, asking use of the council room during the summer from 10 to 11 o'clock Tuesday mornings, beginning June 19 for a recreation program. The council voted unanimously to grant permission to the request.

Mrs. R. G. Dunlap presented County Attorney Kenneth Bain, who discussed constitutional amendments to be voted on Nov. 6, 1956.

The chairman announced the absence of Mrs. Brummett, county home demonstration agent, who is taking three weeks of schooling at Fort Collins, Colo.

Mrs. Ray Aston reported on the 4-H Round-Up held at College Station where she attended as 4-H sponsor.

Mrs. R. G. Dunlap distributed copies of "Today's Health" magazine and discussed some of the articles in it.

Next meeting is to be held July 21 at 2:30 p. m. in the council room.

## Fairview News

(By Mrs. Clyde Bagwell)

**FAIRVIEW, June 19**—Sunday night's rain filled lakes in the north east portion of the community while it only came a 1/2 inch rain in the extreme southwest portion. In fact the entire community received as much as 1 1/2 inches except a small portion right around us. At the Chil McClure farm 4 T 10 inches fell with some hail damage and John Sain thinks he got as much as five inches of rain and was completely hailed out. Dean Walls received five inches of rain on the farm he is working east of the home place with no hail damage.

Everyone in the community with the exception of a few got just the right amount of rain for their present needs. The few got either too much or not enough.

It is raining in places as we write this news but has not reached Fairview as yet.

Rev. and Mrs. Albert Hinckley and family returned home Saturday from their vacation trip that took them to points west. While away they visited his parents, Mr. and Mrs. I. W. Hinckley at Stringer, N. M., and at Albuquerque with her parents, Mr. and Mrs. George Yankef. They also went up into the State of Colorado where they spent some time with Rev. Hinckley's grandmother, Mrs. Lou Minnie at Trinidad.

They visited a large number of friends at Maxwell, N. M., their former home. A friend of Lorna came home with them for several days visit. She is Anita Dallas of Maxwell.

The Hinckley's daughter Linda remained at Stringer, N. M., for a visit with her grandparents, Mr. and Mrs. I. W. Hinckley. Brenda Walls is spending this week with her grandparents, Mr. and Mrs. E. W. Walls.

Leonard Wilson spent the week-end at home returning to Lubbock Monday night.

Judy Wilson spent the weekend with her cousin Jane Tye in Floydada. Sunday Mr. and Mrs. Bill Tye, Jane and Jimmy and Judy Wilson visited at South Plains with Mr. and Mrs. Bill Beedy.

Mr. and Mrs. Jim Stewart and Jim Dan spent Fathers Day in Plainview with her parents, Mr. and Mrs. L. A. Horton.

Another one of our families were in Plainview Sunday, Mr. and Mrs. Dean Walls and sons Larry Dean and William Roy were guests for Fathers Day of her parents, Mr. and Mrs. Roy Mangum.

Spending a week with Mr. and Mrs. Clifford Helms and daughters were Mrs. Harvey Thomas and sons and Mrs. Bill Williams, both of Los Angeles, Calif.

Mr. and Mrs. T. L. Perry and Jan visited in the Shirley Irwin home Saturday night.

Monday and Tuesday visitors in the Irwin home were Mr. and Mrs. Jake Hines and children of Odessa. Mr. and Mrs. A. S. Mize left Saturday for Batesville, Ark., to be at the bedside of Mr. Mize's mother who was seriously ill. But on arrival they found she had passed before they could get there.

Sunday dinner guests of Mr. and Mrs. T. L. Perry were Rev. and Mrs. Albert Hinckley and family.

Gary Reeves was among the other relatives who gathered at the Fred Reeves home in Floydada where they enjoyed Fathers Day dinner Saturday night.

Monday and Tuesday visitors in the Irwin home were Mr. and Mrs. Jake Hines and children of Odessa. Mr. and Mrs. A. S. Mize left Saturday for Batesville, Ark., to be at the bedside of Mr. Mize's mother who was seriously ill. But on arrival they found she had passed before they could get there.

The dreaded pink bollworm is moving into cotton fields in all areas of Texas. When the cotton plants first start blooming, fields should be checked between 9:00 A.M. and Noon, daily, for about ten days for rosetted blooms. Rosetted cotton blooms indicate the presence of pink bollworm. The worm can be found by tearing open a rosetted bloom. Farmers should be on the lookout for pink bollworms, and are urged to contact their County Agent for control recommendations.

## News of Dougherty

(By Mrs. W. J. Ross)

**DOUGHERTY, June 18**—Rain of varying quantities fell in this community Sunday evening. Reports are about 1 inch at Dougherty; 3.6 inches near Antelope and heavier near the highway and north 3 to 4 inches with destructive hail.

George Scott is attending the 4-H encampment at Buffalo Gap.

Mrs. Joy Ward, Tim and Cindy, Richard Ward and Neil Crausby are visiting Mr. and Mrs. Malcolm Ward of Davenport, Okla.

Bill Norman visited in Oklahoma this weekend.

Mrs. Beulah Jameson visited relatives at Whitefall Wednesday afternoon.

Sunday dinner guests in the home of Mr. and Mrs. W. S. Poole were P. M. Dougherty of Ft. Worth, Mrs. Hazel Hollingworth of Sherman, Mrs. Alice Walker of Oklahoma City and Dr. and Mrs. Warren Poole and children of Lubbock.

Mr. and Mrs. R. C. Bullock and children and Mr. and Mrs. Gross and daughter were Sunday dinner guests in the home of Mr. and Mrs. Robert Ward.

A large number of our citizens attended the Crosbyton Rodeo Friday and Saturday evenings.

Several families and most of the younger set were picnicking and swimming at Roaring Springs Sunday afternoon.

Mr. and Mrs. James Ross and Sara Ross visited Mr. and Mrs. George Ledgeter at Farmer Wednesday afternoon.

Mr. and Mrs. Hubert Ring are making a business trip to Kansas this week.

Beth Crawford is the house guest of Virginia Taylor and Bonnie Ouston of South Plains.

Rev. F. M. Wiley returned Thursday from visiting his son, Milton, at Corpus Christi. On Sunday Rev. Wiley preached at the Baptist Church at Cone of which he is a former pastor.

Mrs. Johnny Cates complimented her husband with a family dinner Sunday at their home and a swim party at Roaring Springs in the afternoon. There were 25 present.

Guests were Mr. and Mrs. Greer McCleskey and children of Bartlettville, Okla., Mr. and Mrs. H. K. Cates of Barwise, Mr. and Mrs. J. D. Cates and children, Mrs. Hugh Cordell, Miss Shirley Harmon and Mr. and Mrs. Woodrow Cates and family of Lubbock. Mrs. D. W. Burke of Floydada, Mrs. J. C. Cates and Lloyd Cates of Sand Hill.

**OVERSEAS TOUR DUE**

**FLOMOT**—L. Walker Speer and Mrs. Speer arrived Friday from Sioux City, Iowa, for a short visit with his parents, Mr. and Mrs. J. L. Speer before continuing to San Angelo, Saturday, to visit her parents, Mr. and Mrs. H. C. Byrd.

Mr. Speer is on leave prior to being sent overseas. He will be stationed in Africa.

Ledgers, Binders, bound records, work sheets, Hesperian.

# J. E. Langford Passes; Funeral Held on Friday

Funeral service for John Elliott Langford, 78, was conducted Friday afternoon at 2 o'clock in the Chapel of Harmon Funeral Home with Rev. Phil H. Gates, pastor of the First Methodist Church, officiating. Interment was made in Floydada Cemetery under the direction of Harmon Funeral Home.

Mr. Langford died in a Seminole hospital at 6 o'clock Thursday morning following a year's illness. He had lived in Floydada from 1926 until he moved away in 1948 to Seminole following the death of his wife, Mrs. Fannie D. Callahan Langford.

Survivors include two sons, Claude Langford of Seminole and Clyde Langford of Crownell; two daughters, Mrs. Addie Clubert of Spur and Mrs. Prudence Peacock of California; and 18 grandchildren.

Funeral services were held by Rev. Charles Craig, Ed Mason, Walter Hollum, Duncan Hollum, Hubert Davis and L. G. Withers.

Anderson, Elaine and Connie. Mr. and Mrs. Roy Crawford Jacque and Jim of Dougherty, Mr. and Mrs. Albert Jones of the McCoy Community gathered in the home of Mr. and Mrs. Jim Jones and Margie. The occasion was a Fathers Day supper. After supper, Otis, Elaine, Ray and Jim and Granddad enjoyed the rodeo at Crosbyton.

Sunday night guests in the home of Mr. and Mrs. Otis Anderson were Mr. and Mrs. Odell Thompson and Vanda Gail.

Mr. and Mrs. R. L. Neil, Carolyn and Gene, Mr. and Mrs. Bill Thomas of South Plains were guests Sunday in the home of Mrs. J. H. Farmer, Lucy and John.

Guests in the home Sunday of Mr. and Mrs. Claude Fawver were Mr. and Mrs. Travis Fawver and Mrs. Floyd Bradford and Dannie. Conley Bradford and Floyd Bradford were on a Cub Scouts overnight camping trip to Camp Post at Post Saturday and Sunday.

Supper guests in the home of Mr. and Mrs. Floyd Bradford on Monday night were Mr. and Mrs. A. S. Line from Petersburg.

Friday night Mr. and Mrs. Floyd Anderson, Sue and Ted, Mr. and Mrs. Otis Anderson, Elaine and Connie, Mrs. Odell Thompson and Vanda Gail of Petersburg, Mrs. Louis Anderson, Mike and Steve of Spur and Mr. and Mrs. Ausie Watson, Travis, Larry and Peggy from Abilene and Mrs. A. W. Anderson spent the evening in Roaring Springs.

Mr. and Mrs. Kenneth Willis and girls and Mr. and Mrs. Marvin Jarboe and Vicky were in Lubbock Monday on business.

Visiting Wednesday morning with Mrs. Kenneth Willis was Mrs. Marvin Fawver.

**MURFIS ATTEND REUNION OF MISSISSIPPI FAMILY**

Mr. and Mrs. Paul B. Murff have returned home after attending a Murff family reunion at Hamilton, Miss.

They reported 251 persons registered from nine states, some of whom had never met another person there.

Their return trip was made across Mississippi and Arkansas in gentle showers, which, however, stopped at the Texas line. Crops in East Texas are excellent, they report.

During their absence John L. West, Mrs. Murff's father, spent 10 days in the home of another daughter, Mrs. W. I. Moore in Lubbock. He was sick in bed while at Lubbock, but is able to get to his meals at this time, Mrs. Murff reports.

**REDDY'S Farm Report**

**FROM THE AGRICULTURAL DEVELOPMENT DEPARTMENT SOUTHWESTERN PUBLIC SERVICE COMPANY**

These seven orphaned pigs are being successfully raised by "Butch" Collard, son of F. G. Collard, farm manager for the Bush Estate, near Amarillo. Sow was stricken with incurable disease and so could not nurse the litter. "Butch" is a Potter County 4-H Club Member.

"Butch" left, and Fred Cross, Assistant Potter County Agricultural Agent, discuss construction of artificial nursing unit consisting of 8-qt. round milk kettle having 8 nipples and electrically heated. These pigs also received the benefits of an electric heat lamp that aided in their safety and rapid growth.

mother sow, the entire litter is often lost. Experience has shown that, under good management, the pig feeder makes an ideal "mother" for orphaned pigs, runt pigs, pigs from oversized litters and pigs from sows who just don't provide enough milk.

While the unit does an excellent job of imitating "mother," it has other advantages. Danger of the sow stepping or lying on a baby pig is eliminated. Baby pigs are kept fully contented, healthy and clean. Many unexpected emergencies that take place at farrowing time are lessened in intensity.

One hog producer had a sow which farrowed 16 pigs. He placed eight of the litter on the artificial unit and eight with the sow. The sow rolled over on one, reducing her share to seven. At weaning time, the eight pigs on the artificial unit were heavier than the pigs which had been naturally fed by the sow...and all were still alive.

Elephants wreck many trees in  
feeding, but they do not go to one  
in a furious charge. When Sports  
Afield magazine sent artist W. J.  
Wilverding to Africa on a sketching  
safari, he reported that they slowly  
walk up to a tree, slowly put their  
huge heads against it and then,  
putting their full weight of many  
tons behind the punch, they slowly  
walk the tree to the ground. It  
comes up by the roots as if a storm  
had thrown it over.

Nothing changes the line of a  
man's thought quicker than spading  
up fishing worms while digging in  
the garden. — Floyd County Times,  
Prestonburg, Ky.

## Old-Fashioned Ice Cream Made New Way; Easy

Mechanical freezers and new ways  
of using your ordinary refrigerator  
have taken the back-break and  
arm-work out of making ice cream  
at home. Just by plugging in the  
electric cord on a churn or by slid-  
ing a tray into your refrigerator,  
you can produce a modern version  
of the rich, smooth ice cream made  
famous by one of New York's old-  
fashioned ice cream parlors, says  
Redbook Magazine. In the June is-  
sue, Food Editor Ruth Fairchild  
Pomeroy gives Maxwell's time-hon-  
ored vanilla recipe adapted for  
three different automatic freezing  
methods — tub churn, refrigerator  
churn, or refrigerator tray. Starting  
with that, you can make any of  
the summer's fresh-fruit flavors or  
the eight exotic varieties from Max-  
field's. Here is the basic recipe and  
some variations of it for the refrig-  
erator-tray method described in the  
June issue:

**VANILLA REFRIGERATOR-  
TRAY ICE CREAM**  
1 envelope unflavored gelatin,  
1 pint light cream,  
1 cup sugar,  
1/8 teaspoon salt,  
1 pint heavy cream  
2 teaspoons vanilla extract.

Sprinkle gelatin over 1/2 cup of  
light cream in top of double boiler.  
Cook over hot water until gelatin  
dissolves. Stir in sugar and salt.  
Remove from heat, stir in remain-  
ing light cream. Chill this mixture  
until it mounds when dropped from  
the tip of a spoon.

Whip heavy cream; beat chilled  
mixture smooth; fold it and vanilla  
into the whipped cream. Pour into  
2 refrigerator trays. Cover with  
waxed paper or aluminum foil and  
freeze in ice-tray compartment of  
refrigerator, set at coldest. Makes  
about 1 1/2 quarts of cream.

Start with the vanilla recipe and  
make this variety of flavors:  
Chocolate: Reduce vanilla to 1/2  
teaspoon. Add 2 1/2 squares unsweet-  
ened chocolate to milk mixture be-  
fore cooking.

Chocolate rum nut: Omit vanilla.  
Add chocolate as above. Add 1 tea-  
spoon rum extract before freezing.  
Stir in 1/3 cup chopped nuts after  
freezing.

Chocolate chip: Reduce vanilla to  
1/2 teaspoon. Add 2 1/2 cup grated  
unsweetened chocolate to cooled  
custard.

All fresh fruits: Reduce vanilla to  
1/2 teaspoon. Add 1-1 1/2 cups sweet-  
ened sliced fruit to cooled custard.  
Burnt almond or butter pecan:  
Omit vanilla. Cook and stir over  
low heat 1/2 cup sugar and 1 table-  
spoon water until melted. Add  
browned sugar to milk before cook-  
ing. Fold in 1/3 cup chopped toasted  
almonds or pecans after freezing.

Toasted coconut: Reduce vanilla to  
1/2 teaspoon. Add 1/2 teaspoon  
almond extract. Toast 2 1/2 cup flaked  
coconut. Fold into cream after freez-  
ing.

Peppermint stick: Reduce vanilla to  
1/2 teaspoon. Fold 2 1/2 cup finely  
crushed peppermint candy into  
cream after freezing.

Coffee cognac: Omit vanilla. Add  
2 teaspoons powdered coffee to hot  
milk. Stir 2 tablespoons cognac into  
cooled custard.

The bride had just served her  
first meal in her new home. "What  
will I get," she asked, "if I cook a  
dinner like this everynight?"  
Replied her husband gloomily,  
"My insurance, no doubt."

## Proper Care Is Essential For Your Boat

heat can take years from the life  
of your boat. But if you treat your  
boat right, you can add years to its  
life — five, ten or even more.

**NEW IDEAS**  
A man worked in a printing plant  
once who had poor health. He found  
that it helped him in his work to  
stand on a rubber mat. The shock  
of the machinery was lessened, and  
he had more strength for his work.

Other workers in the shop noticed  
the mat, thought it was a fine idea,  
and whenever he would leave the  
machine, they would come and bor-  
row the mat. The printer would  
come back and find the mat gone.  
Displeased with this arrangement,  
the printer thought to improve the  
rubber mat idea. He cut pieces of  
rubber into little squares and nailed  
them on the soles of his shoes. In  
this way he carried his mat with  
him wherever he went.

It worked so well that the other  
men in the shop came and asked  
him to make rubber mats for their  
shoes. Before long, the "rubber mat  
man" was busy every noon cutting  
out rubber heels for his shop mates.

The man's name was O'Sullivan.  
Now, those rubber heels are made  
by the hundreds of thousands, and  
sold all over the world. The business  
was born when O'Sullivan let an  
idea come into his head. The little  
idea developed into a great industry  
that has made life easier for thou-  
sands of men and women.

That wasn't the last idea in the  
world. For every old idea there are  
a thousand new ones, undiscovered  
and untried. Next to character,  
ideas are the most valuable things.  
And it doesn't take any money to  
get one.

## STARS IN YOUR EYES

An American and a Dutchman  
were talking. "What does your flag  
look like?" asked the American. "It  
has 3 stripes," replied the Dutch-  
man, "red, white and blue. We say  
they have a connection with our  
taxes; we get red when we talk  
about them, white when we get our  
tax bills, and pay 'til we're blue in  
the face."

"That's just how it is here in  
America," replied the American, "only we see  
stars, too."

In fighting smaller fish, hold the  
rod about vertical; in playing larger  
fish with heavier tackle, it can  
come down to a 45-degree angle to  
avoid breaking the rod tip. — Sports  
Afield.

TO WAITING PLANES ON THE  
FLIGHT DECK.

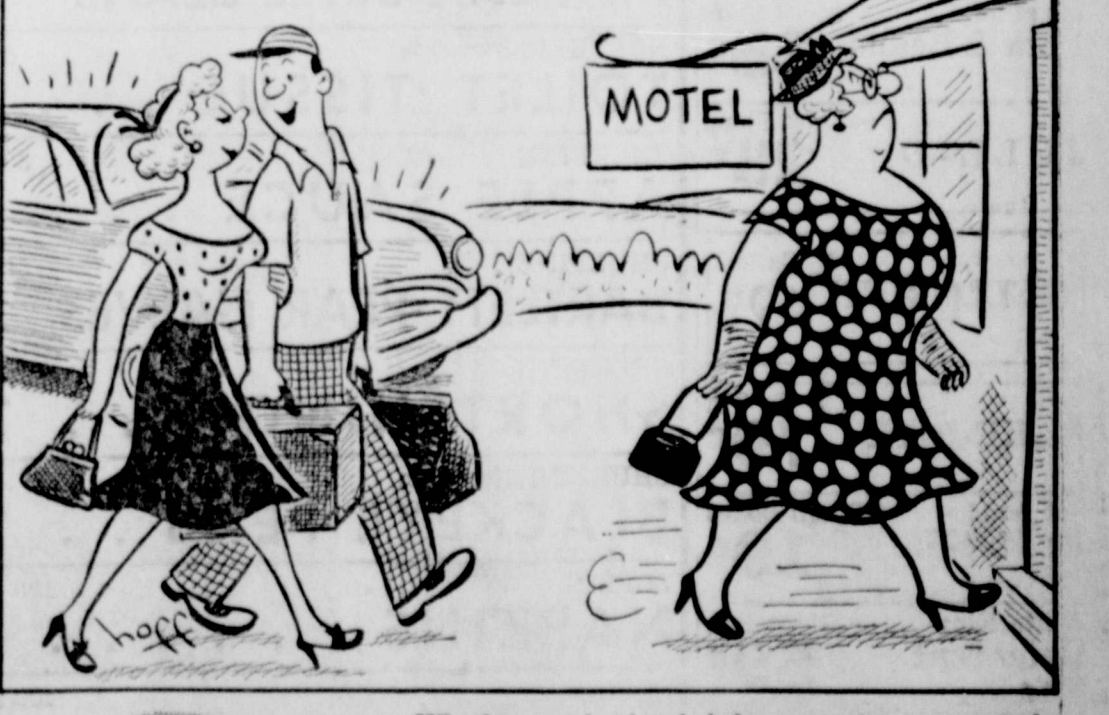

**IN 1914** SECRETARY OF  
THE NAVY JOSEPHUS DANIELS  
ISSUED HIS FAMOUS ORDER  
BANNING THE USE OF LIQUOR  
ABOARD SHIP.

## Deer Strip Saves Lives

Getting out of a car on the left or traffic side is always hazardous,  
especially after dark, but the danger can be greatly reduced by attach-  
ing a strip of "Scotchlite" reflective safety tape along the inner edge of  
the car door. When the door is opened, the safety tape will pick up and  
brightly reflect the lights of an approaching car, making the extreme  
left hand edge of the stopped car visible to the approaching driver at  
distances up to one-quarter mile.

"Our OK Used Car is running so well I don't even  
mind having your mother along!"

Whether you're headed for motoring or marital  
bliss, a feeling of confidence is "half the battle."  
That's why so many people rely on OK Used Cars.  
They drive them with confidence because they're  
inspected, reconditioned and dealer-warranted in  
writing. Their Chevy dealer's volume trading  
means extra savings and selection, too!

# Games Tonight And Friday In Organized Ball

Baseball in Floydada is nearing the close of the third week for the Pony and Little League boys and the gap is beginning to widen between the leaders and the lower bracket clubs.

This evening will see more action in all circuits with a double header at the rodeo grounds between the Indians and the Dodgers in the first go and the Tigers and Braves in the finale. Pony League schedule will find the Athletics tangling with the Orioles at their diamond in northwest Floydada.

**FRIDAY EVENING** it will be the Giants and the Cardinals in the opener and the Braves and Red Sox in the night cap for the Little League. Pony action will pit the Yankees against the Athletics in an important game in this circuit.

On Tuesday evening the Braves go against the White Sox and the Indians take on the Cardinals at the rodeo grounds while Phillies are doing battle with the Athletics on the other diamond.

Play in the past week saw the Indians down the Dodgers in a make-up game 14-6 to hold on to their lead in the National League. Winning hurler was Richard Marler with Joe Morren working behind the plate. Truett Richardson slammed out four hits for the Indians with teammate Don Switzer also collecting three. Chick Owens was losing pitcher with Frank Samuela catching. Owens, Spears and Willson all collected doubles for the Indians. The Indians collected 15 hits and played errorless ball while the Dodgers were scored with five hits and charged with four errors.

**ALSO ON Thursday** evening the Red Sox took a game from the White Sox when they scored 19 runs on 5 hits while the White Sox got 11 runs on 6 hits with no errors for either club. Winning pitcher was Melvin Owens with Mac Willson catching. Andrew Carter got two hits for the winners as did Carl Green for the losers. Carl Green was losing hurler with Kenneth Wright catching behind the plate.

The Tigers took a 26 to 12 game from the Braves last Thursday though they were out-hit 12 to 5 by the losers. Tiger battery was Jim Tye on the mound and Bill Henry and Jimmy Barrow behind the plate. Huckabee and Henry each got two hits for the winners. For the losing Braves it was Teddy Porter pitching and Ken Campbell catching. Jackson, Roberts, Newberry and Day collected two hits in the losing cause.

**FRIDAY GAMES** saw the White Sox trim the Braves by a 17 to 8 score. In winning the Sox scored 17 runs on 8 hits and committed one error. Kenneth Wright was winning hurler with Carl Green catching. Wright hit two homers and Green added a double and triple. The Braves scored their eight runs on three hits and made four errors.

Cecil Jackson was losing hurler with Ken Campbell catching. Mac Poage got a double and Dale Newberry a triple for the losers.

Box score for the second Friday game was Cardinals 8 runs on 5 hits with no errors while their opponents the Indians collected 7 runs on 7 hits and made 5 errors. Cardinal pitcher was Rodney Teague with Williams and Davis catching. Teague doubled for the winners to lead Cardinal hitters. Pitchers for the Indians were Herron, Christensen and Morren with Richardson catching. Herron, Dilard and Swaffert hit doubles for the Indians with Switzer, Christensen and Edwards adding singles for the losers.

Pony League action Friday saw the Phillies down the Orioles 13-0, in a game called because of darkness in the 6th inning.

**TUESDAY EVENING** of this week it was the Giants 14 and the Indians 12. The Giants scored their 14 runs on 10 hits while making four bobbles, the Indians got 12 runs on 9 hits and also made four errors.

The Giants were led at the plate by Max Campbell who hit two doubles and James Campbell who hit a double and a single. Hicks and Hinesley also added two singles for the winners.

For the Indians it was Switzer with a homer, and doubles by Marler and Christensen. James Campbell was winning pitcher and Eric Christensen was charged with the loss.

In the other Little League game the Cardinals scored 8 runs on 5 hits to down the Dodgers who collected 7 runs on 1 hit. Don Davis clouted a circuit blow for the winners with Charles Christian adding a double. Loose hit for the losers was by Darryl Lindsay who got a single. Henry Williams was winning hurler and Johnnie Bonner the loser.

Tuesday's Pony League action saw the Phillies down the Yankees 8 to 6. Billy Smith and Don Colley pitched for the winners with Gary Huckabee behind the plate.

Jo Ed Vinay homered for the Phillies and Don Colley got a triple to lead the hitters. Don Vickers pitched for the losers and also got a home run. Richard Graves caught for the Yankees.

National League			
Team	W	L	Pct.
Cardinals	3	1	.750
Giants	2	2	.500
Indians	2	2	.500
Dodgers	1	3	.250

**NOTICE**  
There have been a lot of mail boxes shot at on the Lakeview Road during the past few weeks and a high penalty will be charged if ever caught.

I am asking whoever it is to stop before a bullet ricochets and hits someone who might be in their yard. Sheriff Earl Cooper.

Mr. and Mrs. Horace Carswell, of Fort Worth, were here last week, guests of M. A. and Miss Lucy Crum, former neighbors.

Of these 13 carry names which were petitioned on the ballot.

The precincts which have candidates names on the ballot and the respective names to be printed on the ballots are:

Southwest Floydada No. 1, W. G. Collins;  
Starkey Precinct No. 2, W. L. Davis;  
Sand Hill No. 4, W. M. Knight;  
East Lockney, No. 5, Dee Copeland;

Lone Star, No. 8, G. B. Johnston Jr.;  
Baker Precinct No. 13, Gilbert L. Fawcett;

Goodnight Precinct No. 17, Cecil Purcell;  
West Lockney No. 18, R. H. Ford;  
Northwest Floydada No. 19, J. C. Westler;

Sterley Precinct No. 21, Bert Bobbitt;  
McCoy Precinct No. 22, John R. Shipley;

Southwest Floydada No. 23, Ralph C. Johnston;  
Northeast Floydada No. 24, Mal Jarboe.

Members of the committee present at the Monday morning session, in addition to County Chairman Ayres were W. G. Collins, W. L. Davis, Ewald Quebe, G. B. Johnston Jr., Gilbert L. Fawcett, Cecil Purcell, Ned Bradley, Bert Bobbitt, John R. Shipley and Ralph C. Johnston.

**Soil Bank**  
(Continued from First Page)

natural causes (like hail) will be paid \$6 per acre if he puts the acreage into the reserve. However he would re-plant and get his yield appraised if he got the crop up to a stand.

**SO FAR** as the cotton man is concerned this is all 10 days away, however.

There are 1,400 cotton farms in the county.

By making use of the nine community committees in the county the board is estimating that the average yields can be set up in 10 days for every one of the 1,400 units, when the committee will be ready to proceed. The county agent, FFA personnel and SCS will be impressed into service also in order to hurry up the process and get records completed.

The county committee, composed of Buck Sams, Gerald Lackey and Tom Porter spent Tuesday at a 15-county district meeting where the plan was gone over with USDA officials from the state office. Tom Hutchins and Eddie Wayne Cooper of the county office also attended this meeting as did County Agent Bill G. Rodgers.

Meetings to inform the public on both cotton and wheat provisions of the Soil Bank plan and particularly on cotton will be held Friday and Monday nights, Friday night at Lockney at 8 o'clock at the high school and Monday night at Floydada at a date and hour to be announced.

The cotton set up will be organized and ready to begin work on the individual farm records tomorrow, Tom Hutchins anticipates.

### LOOKING FOR A CURE?

Are you one who has been taking a certain remedy in hopes of regaining your health. You probably have turned from one thing to another grasping at anything in hopes of a cure. Your basic procedure is taking something from without to cure something inside. This is where you make the common mistake.

Your body brings about its own cure when given the chance. The chiropractic profession acknowledges that bacteria and viruses are factors in disease but point out that there activity will cease soon as the material upon which they are living is restored to normal. This is done by making sure the nerves going to this area are in proper condition, for it is thru the nerves that all bodily tissues are kept in a healthy state.

Chiropractic does not stimulate or inhibit function, nor suppress symptoms. Chiropractic does restore nerves to normal which in turn restores health to the person. Stop looking outside for a cure, you have a cure within you.

### Heavy Rainfall Helps Portions Of The County

Heavy rainfall with a considerable dash of hail damage are reported by Hesperian correspondents this week, especially in north and east Fairview areas, north Dougherty, Cedar and the south part of South Plains. Adjacent communities had rainfall that tapered off to less amounts, an inch at Baker for instance and 6-tenths at Floydada.

Principal rainfall was Sunday afternoon but Tuesday brought good showers to some areas that had been very dry, previously. At Floydada Country Club an inch of rain fell, at McCoy 4-tenths of an inch and varying amounts in between.

The hail caught a few and only a few wheat fields. It did damage to half a dozen cotton fields east of Fairview, parts of Cedar and South Plains. However, the ground season is the best in a year or more in most of that area now.

A hail strip did some damage in the extreme west part of the county Tuesday afternoon.

Parts of Floydada, Starkey, Lakeview, Blanco, Sand Hill and McCoy get credit for being the driest areas in the county now. A part of the southeast area also is dry, notably the Montgomery ranch and some of the adjacent lands.

### Achievement Day June 25 For Home Ec Girls

Achievement Day for girls taking summer homemaking projects in Floydada High School is Monday, June 25, at 2:00 p. m. in the home-making department.

Girls are to bring their plans, records and reports along with at least one thing they have made during the summer.

"If you wish to bring a picnic lunch we will go to Roaring Springs for swimming and a picnic if enough mothers can go and take cars, otherwise the picnic will be in Floydada," said Mrs. Mitchell Parrish, project supervisor.

### BISHOPS VISIT DENVER AND KANSAS CITY ON VACATION

Mr. and Mrs. Baird Bishop returned last week from a weeks vacation and outing which carried them to Kansas City and Denver. They visited with Mr. Bishop's son Kenneth and family at Kansas City where they enjoyed seeing grandson, Kenny, four years old.

Kenneth Bishop is with radio station KMBC.

The couple found the weather cool and enjoyable at Denver but were disappointed. They just missed the opening of the summer theatre season there as they arrived a bit early. At Kansas City they also missed getting to see a major league baseball game as the Athletics were on the road that week.

The B. W. Snells, of Lubbock, spent Sunday in Floydada. They were guests of their parents, Mr. and Mrs. J. J. McKinney and Mr. and Mrs. Wm. Snell.

### F. B. Directors Are Guests At Barbecue Feed

Floyd County Farm Bureau directors in their regular session Thursday night of last week had an unusual treat when they were guests of Mr. and Mrs. Grady Walker at a barbecue supper on their lawn at 517 West California Street. The following enjoyed the meal: Farm Bureau President and Mrs. R. L. Smith, Secretary-treasurer and Mrs. L. B. Brandes, Vice-president and Mrs. Tate Jones, Mr. and

# Division Superintendents Big Delegation en; Start Work for 1956 Enjoys Rainbow State Assembly

Last week officers of the Floyd County division superintendents' organization met in a session to discuss the work for 1956. The meeting was held at the home of Mrs. John Smitherman and Mrs. John Stansell. The following officers were named: President, Mrs. John Smitherman; Vice President, Mrs. John Stansell; Secretary, Mrs. John Smitherman; Treasurer, Mrs. John Stansell. The meeting was held on the 19th and 20th of June.

Jake Watson and Mrs. Bob Muncy; Parade and Decoration committee. Zant Scott and Howard Cooper; Building and Grounds committee. Raymond Rucker and Shirley Irwin; Community Exhibits committee. Mrs. Bob Muncy and Jake Watson; Public relations committee. Fred Cardinal and Mrs. John Smitherman; Educational Exhibits committee. Mrs. John Smitherman and Pat Stansell; Gates and Tickets committee. Fred Cardinal and Shirley Irwin; Carnival committee. Willis Reynolds, Raymond Rucker, Zant Scott and Dick Whiteley.

Thirty-seven members of the Floydada Assembly No. 235 Order of Rainbow for Girls attended the thirty-third session of the Grand Assembly of Texas in Houston June 11, 12 and 13. Betty Jean Foster, daughter of Mr. and Mrs. E. F. Foster of Lockney was appointed grand representative of the State of Texas from the State of Kansas. It will be her duty at the Rainbow Supreme Assembly at San Antonio July 11-14 to welcome delegates from the State of Kansas.

## LEGAL NOTICE

### THE STATE OF TEXAS

TO: Charles E. Wetzel, the unknown spouse of Charles E. Wetzel, if he be married and if Charles E. Wetzel or his unknown spouse, if any be deceased, then their respective heirs, devisees, legatees, administrators, executors and other personal representatives Defendants. Greeting:

You are hereby commanded to appear before the Honorable District Court of Floyd County at the Court House thereof, in Floydada, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 23rd day of July A. D. 1956, then and there to answer Plaintiff's Petition filed in said Court, on the 6th day of June A. D. 1956, in this cause, numbered 4387 on the docket of said court and styled A. C. Carthel Plaintiff vs. Charles E. Wetzel et al Defendants.

A brief statement of the nature of this suit is as follows, to wit: Trespass to try title suit by A. C. Carthel, as plaintiff, against the persons first named and described in this writ, to whom this writ is directed, as defendants. Plaintiff, A. C. Carthel, alleges that on the 1st day of June, 1956, he was the owner in fee simple of Lot No. 16 in Blk. No. 21 of the original town of Floydada, Floyd County, Texas; that on said date, the hereinabove defendants unlawfully entered upon and dispossessed the plaintiff of such premises and withholds from the plaintiff the possession thereof; plaintiff, A. C. Carthel further alleges that he and those whose title he holds, has had peaceable and adverse possession of the lands above described, using and enjoying the same and paying all taxes more than ten years next before the filing of this petition, and plaintiff specifically pleads the ten year statute of limitation in bar to any defense the defendant may have; plaintiff, A. C. Carthel, further alleges that he, and those whose title he holds has had peaceable and adverse possession of the above described land under a claim of right and under deed for more than twenty-five years prior to the filing of this petition, and plaintiff specifically pleads the twenty-five year statute of limitation in bar to any defense the defendants may have and praying for the judgment of the title and possession of said land, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the Seal of said Court, at office in Floydada, Texas this 6th day of June A. D. 1956.

Attest: Mary L. McPherson Clerk, District Court, Floyd County, Texas. (SEAL) 21 4tc.

The C. N. Batteys has as guests Thursday night Mr. and Mrs. Russell Harrison of Mississippi, Fred Battey, Mr. and Mrs. O. M. Watson Sr., and Mrs. Joe Evers.

Miss Elaine Cooper, daughter of Mr. and Mrs. M. E. Cooper of Lockney had the honor of singing in the Grand Assembly choir.

The Silver Bells, a Floyd County Rainbow quartet composed of Kay Golden, Loy O'Brien, Hope Cox and Gayle Rucker, sang Tuesday morning before assembly. They were accompanied by Gail Kellison.

Lajuan Henderson, Gayle Rucker, both of Lockney, Mary Jo Smith, Mrs. C. L. Berry and Bob Dyson, all of Floydada were awarded the Grand Cross of Color. Mother advisor was Mrs. Ted Rutherford, Rainbow dad was Ted Rutherford and sponsors were Mrs. Raymond Rucker, Mr. and Mrs. Bob Dyson and Mrs. C. L. Berry.

Rainbow girls making the trip were Jackie Lou Frizzell, Jane Carol Phillips, Ann Brown, Karen Brown, Charlotte Taylor, Nancy Jo Schacht, Kim Mickey, Janis Boedeker, Carolyn Merrell, Carolyn Harris, Barbara Smith, Sharon Edmiston, LaHoma Rowell, LaNell Johnson, Julia Ann Daniels, Nancy Watson, Nelda Widner, La Juan Henderson, Mary Jo Smith, Shirley Warren; Rilla Sue Duncan, Josie Rendon, Betty Jean Foster, Loy O'Brien, Hope Cox, Gayle Rucker, Kay Golden, Virginia Caldwell, Betty Graham, Nancy Nix, Verna Pate, Peggy Ford, Elaine Copper, Patay McLaughlin, Charlene Brown, Gail Kellison and Sunny Lawson.

None of the Floyd County girls became ill or had to be hospitalized due to the heat in the big auditorium, members of the big delegation said.

**JAMIE E. EDMONSON IS STATIONED AT WHITE SANDS**  
WHITE SANDS PROVING GROUNDS, N. M. — Army Pvt. Jamie D. Edmonson, 22, whose wife, Maida, lives on Route 4, Floydada, Tex., recently arrived at White Sands Proving Ground, N. M., for duty with the White Sands Signal Agency.

Edmonson entered the Army in November, 1955, and completed basic training at Fort Ord, Calif. In civilian life he attended Texas Technological College and worked for the Continental Airlines in Lubbock.

His parents, Mr. and Mrs. Martin L. Edmonson, live on Route 1, Hart.

**A. C. PRATT WITH KOREAN ARMY, GIVEN PROMOTION**  
7TH DIV., KOREA — A. C. Pratt, 21, son of Mr. and Mrs. H. F. Pratt, Route 3, Floydada, Tex., recently was promoted to specialist third class while a member of the 7th Infantry Division.

Pratt, a forward observer in Company M of the division's 17th Regiment, entered the Army in January 1955 and arrived overseas last January.

He is a 1953 graduate of Floydada High School.

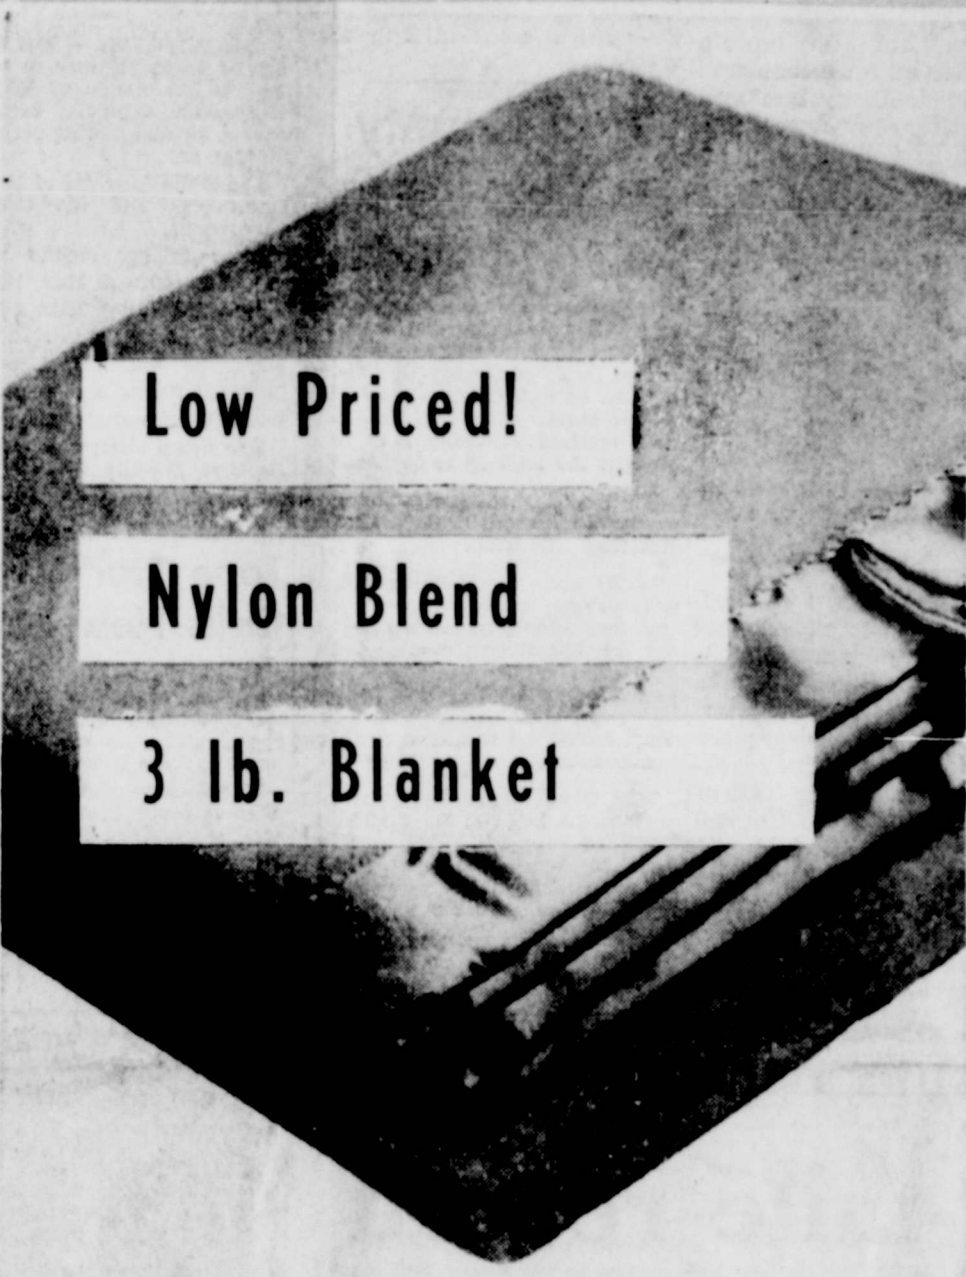

Mr. and Mrs. Shelby Cook and family of Amarillo and Mr. and Mrs. Julian Edmondson and family of Phillips, were among the Fathers Day visitors in Floydada, when they were guests of Fred Battey. The latter is the father of Mmes. Cook and Edmondson.

### VIEWS AND COMMENT

**"It's a Living."** Musicians who are having to roll with the punch of Rock and Roll were thinking the madness which hit young America and made it shake and writhe and pound its feet had about subsided. Subsidized, that is until Elvis Presley hit the boards. Then the craze was compounded ten times over. Musicians have thought there must be a melody, or if none, then at least a cadence to make popularity continue for any type of musical entertainment. Shrugging, they say "it's a living," as they try to live with it.

Records showing how workers in city areas have been taken to the cleaners by loan firms have been repeatedly presented in sessions of legislative committees when urging laws to curb loan sharks. Astronomical returns are received, it is said, for the interest plus "insurance" required to be carried during the life of a loan. Figures showing that charges on a two week loan of \$20 for instance, came to more than \$12. Apparently it is a sort of a game, since many of the cases which welfare agencies, under one name or another, tried to figure out couldn't be traced back to the original note, the worker had owed it so long. A fellow that would promise to pay even \$5 for a \$20 loan for two weeks ought to be taken. He oughtn't to be allowed to be the head of a family. You can't legislate to take care of that sort.

The mandatory duty of a county committee of a political party is to submit questions on the primary ballot to a vote of the members of the party, when the questions are properly submitted by petition. So this year for the first time in more than a quarter of a century voters of the Democratic party will express themselves on issues as well as on candidates. More than 150 thousand names were on the petitions circulated over the state and presented to the state committee. The petitions have a number of signers from Floyd County. The questions will be (1) on interposition as a means of protest against encroachment of the U. S. Supreme Court on the rights of the states and individuals; (2) on mixing white and Negro children in the public schools; (3) specific legislation exempting a child from compulsory attendance at integrated schools attended by white persons and Negroes; and (4) legislation perfecting present state laws banning intermarriage between whites and Negroes.

The empires of the future are the empires of the mind.  
—Winston Churchill

**Some Way somehow** consumers will find a way around a stumbling block for orderly commerce and industry. Printers, cotton raisers, steel makers, money lenders, lumber mills—everybody runs out his string finally when he keeps rating himself too highly. Paper mills for instance. Late dispatch says newsprint from Japan is going to be on the American market at an almost competitive price with American and Canadian mills. And also comes the story of the de-inking process by which paper that has been printed can be re-done and used all over again, having the same fiber and luster as the original. Men can and will find a way around any obstacle, as aforesaid, save and except nobody has ever found a way to keep from being the victim of his own foolish greed.

Cotton people are not going to be whipped by their pressing competitors in the fiber, food and oil industries. Cotton, as you know, not only is the world's natural for clothing and industry fibre but as well for high protein content of its seeds and for oil for a thousand processes. But the cotton industry has been complacent while competitors have overcome obstacles and now bid for leadership in wearables as well as in the heavy fibres. It has been content to roll along with 43 per cent protein as its sole bid for preference in the field of food. Take it or leave it is no longer the attitude. Likewise in oils the competitors have come on fast and the cotton grower has troublesome competitors for the favor of oil users. But these things are only challenges. Cotton people can reduce the cost of their product and still make money. They can find new uses and new customers for cotton fibre. They also can do something about the oil from cottonseed. Don't count cotton out.

However, for cotton growers there is a lesson that has been taught by the experiences of their forebears. Some are learning this lesson, which is that all cotton can make and does make a barren field sooner or later. Most of the present-day cotton raisers are the sons of men who laid waste to the blacklands of central Texas and the sandy hills of East Texas. Blindly taking all from the soil they left it bare of the richness which the creator gave it, and moved on to other virgin spots. Their sons and daughters sooner or later will have no virgin lands to which to turn. Maybe we already have come to the last frontier. If so, the challenge has come. The land will last thousands of years if treated with the respect due it. It "wears out" when it is exploited for the immediate dollar.

### Award Primary Work Contract On Water Site

**RALLS** — Contracts to two companies for primary construction on the proposed White River Municipal Water Authority lake were awarded here Saturday by a Crosby County committee in charge of the project.

A \$2,324,677 contract for core drilling at the proposed dam site was given to the Maison-Johnson Company of Ralls. The \$5,000 bid of the Brooks Baker Surveying Company of Fort Worth for aerial topography mapping also was accepted.

The proposed \$2,000,000 project will provide water for the towns of Ralls, Crosbyton, Spur and Post. A certified check for \$275 was sent to the State Board of Water Engineers for the official creation of a water district composed of the four towns.

### Floyd County 14 Years Ago

(Taken from the files of the Hesperian, issue dated June 25, 1942)

With four working days to go, and a Sunday thrown in to think about it, the total scrap rubber collection in Floyd County this morning can be said to have passed the 45-ton mark, with the possibility that receipts yesterday may have brought the total up to 50 tons.

Rush of the wheat harvest and marketing season hit Floyd County yesterday afternoon.

With some combine machines going since last week, every day had seen additional fields added to the list, but cloudy, damp weather and scattered showers Monday afternoon and Tuesday held up the big rush until noon Wednesday. Then harvesters swooshed down on hundreds of fields.

Miss Gloria Hammonds, who will become the bride of Lt. Charles L. Daniel of Shaw Field, Sumter, S. C. June 28, was complimented with a shower and garden party, Wednesday evening, June 17, at the home of Mrs. S. W. Ross, 128 West Houston Street.

With the first democratic primary slightly less than 30 days in the future, interest in precinct, county and district aspirants for office is beginning to pick up this week.

Eddie Lynn Hammonds Finishes School Year

**CHICAGO, ILL.** — The American School takes pleasure in announcing the graduation of Eddie Lynn Hammonds from its high school course, diploma having been granted on May 22.

She is the daughter of Mrs. Edwin Hammonds and the late Edwin Hammonds. Prior to her studies with the American School Miss Hammonds attended Lockney High School until she was a junior. In Lockney High she was a member of the National Honor, a majorette of the school band and a member of FHA. She was a charter member of the Rainbow Girls in Floydada. Eddie Lynn plans to enter college next fall.

### Lone Star Church Calls New Pastor

**LOCKNEY** — Rev. H. H. Sego, from Mattison, Tex., has accepted the pastorate of the Lone Star Baptist Church and was scheduled to move to Lone Star last week.

The Lone Star church called Rev. Sego as pastor some two weeks ago and he accepted the call within a few days. The Lone Star Church has been without a pastor since the death of Rev. A. L. Shaw last Dec. 15. Rev. G. C. Tiner of Dougherty, a former pastor, has been supplying the church.

### As A Farm Woman Thinks

(Nellie Witt Spikes)  
This Monday morning of June 18 is cool and the ground is wet with the rains of last night. How thankful we are for any amount of rain. Maybe there will be more today and we trust it will be general for every inch of the West Plains of Texas has needed it.

I have been making a losing fight with dry weather and bugs of most every kind. The weeds I can cut with a hoe. The tomatoes look better, some of them were killed by thrips. The beans are through with two measly crops, potatoes did not make at all, not even marbles to boil. The lice make the cabbage leaves look like as if heavily beaded. The roses are not blooming.

But today I have renewed faith and look forward to flowers and garden truck. . . .

Mr. and Mrs. Will Snell of Floydada spent the day with us last week. We sure enjoyed these friends. Our friendship began many years ago at McCoy and has ripened with the years. We hope you come again, Mr. and Mrs. Snell.

Do you remember how we used to iron? An old quilt covered with an old worn sheet was spread on the dining table which was usually made of unfinished pine in those pioneer days.

We hung the ironed pieces on chairs placed in the sunshine of the door. Seemed the old sad iron lost heat so quickly and our feet were soon tired from the endless going back and forth to the stove.

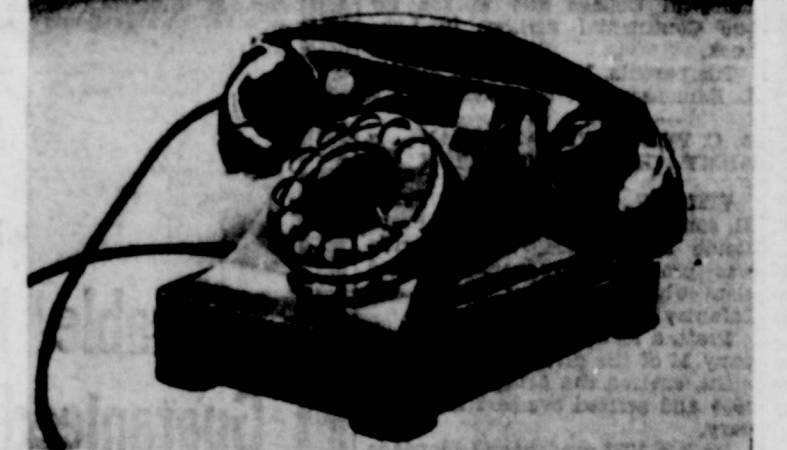

My grandmother Witt had a big iron that held burning charcoal. I do not recall how good it was, but it was a huge thing.

Wonder how our granddaughters will iron? Or maybe they will have all materials not to be ironed.

### Council Contracts Paving Seal Coat

**LOCKNEY** — A contract was let last week by the City Council for seal coating all asphalt paved streets within the city. The job to include patching and repairing existing holes, Mayor J. E. Cox said Friday.

Successful bidder was Bryan & Hoffman of Plainview and their bid was \$8740.00, which was \$415 less than the next lowest bidder. They expect to start work on the project within the next few days and estimate that they can complete it within 10 working days.

### HOW TO USE YOUR NEW Dial Telephone

July 22 is "Dial Day"  
Until then, continue to give your calls to the operator

YOU'LL FIND IT'S EASY TO DIAL — HERE'S HOW

1. Place the receiver to your ear and listen to the steady hum of the dial tone.
2. Suppose you want to call number YUkon 3-3108. Place your finger in the dial opening where you see letter "Y." Pull the dial around until your finger strikes the finger stop.
3. Remove your finger and let the dial spin back freely.
4. Do the same for the letter "U," then for each of the numerals, in order — 3-3-1-0-8.

When you have finished dialing, you should hear a burr-r, the ringing sound. If the line is busy, you will hear a fast buzz-buzz.

If you hear the busy signal, or if you hear neither sound, hang up. Wait for a few moments, then try the call again.

When the new dial system goes in operation here at 12:01 a.m., July 22, Floydada will have fine, modern telephone service. You'll like its speed and convenience.

Long Distance Is Twice As Fast When You Call By Number

## FORD sets 500-mile record at Indianapolis Speedway

**Again proves nobody outperforms Ford**  
...dramatic demonstration of the kind of performance and roadability that makes all your driving more fun in a Ford!

A Ford V-8 hurtled across the brick and asphalt surface of tough and testing Indianapolis Speedway...whirling through the tight turns and flashing over the straight stretches...to set a mark that no stock car ever reached before!  
Previous to Ford's record run, no other stock car had gone even one lap at Indianapolis at 100 m.p.h., but one of Ford's laps was timed at the electrifying speed of 113.7 m.p.h. And Ford averaged over 100 m.p.h. for the full five hundred miles...close to the average set by the extremely costly, specially-built racer which won the Memorial Day "500".

Ford fully realizes that the welter of claims and counter claims about "racing victories" (many of them completely contradictory) must be confusing and disillusioning to the public. Ford ran this race against time, over the true "Classic" distance and at the most famous track in America, in order to dispel this cloud of doubt and disbelief and prove that no one outperforms Ford!  
Peter de Paolo, leader of the team of drivers that piloted the winning Ford, states flatly: "No other stock car could have equalled this performance!" And Pete de Paolo should know, for he was

the first driver to win the "500" Classic with a better than 100 m.p.h. average. And now he comes back with a group of drivers to establish a stock car record with the great '56 Ford!  
Ford wrote this new mark large and bold in the record books. And the whole Ford did the trick. From the hood-full of throbbing horsepower to the road-hugging rear end. Ford demonstrated that it has what it takes to make your driving more enjoyable. Convince yourself that driving a Ford can be real fun. Test drive a '56 Ford. There's a set of keys waiting for you, so come in and see us soon.

## Couple Wed Friday Will Make Home In Wichita Falls

LUBBOCK — Miss Carolyn Taylor, daughter of Mr. and Mrs. O. L. Taylor, 2424 28th St., and Jack Sloan Badgett, son of Mr. and Mrs. D. R. Badgett, 226 East Mariveta, Floydada, recited wedding vows at 8 o'clock Friday evening in St. John's Methodist Church.

Rev. Charles Lutrick, pastor of the church, read the double-ring ceremony as the couple stood before an altar of white gladioli, white asters and blue delphinium. Tropical foliage and white candles formed a background and floral standards topped by white tapers marked the bridal aisle.

Mrs. John C. Oldham, organist, played traditional wedding marches and a prelude of organ selections including "Jesu Joy of Man's Desiring," "Leibestraum," "Maid with the Flaxen Hair" and "Romance." She also accompanied Wyaland Stevens as he sang "Entreat Me Not To Leave Thee" and Mrs. Charles E. Galey who sang "How Do I Love Thee."

Escorted to the altar by her father, the bride wore a gown of imported nylon tulle designed with a scalloped neckline edged with nylon lace in a daisy motif. A hand tucked band of tulle crossed the elongated bodice and terminated in tiny cap sleeves. Her full tulle skirt, which extended into a chapel-length train, was styled with tiers of ruffled edges with hand clipped tulle and lace trim.

Her fingertip veil of silk illusion descended from an open-crown hat of scalloped Chantilly lace detailed with iridescent sequins. She carried a golden-throated catalpa orchid and lilies-of-the-valley atop an ivory covered Bible belonging to Mrs. Eugene Alderson.

**Handkerchief From Brussels**  
For something new the bride wore pearl earrings, a gift from the groom and she wore the traditional blue garter. Inside the Bible, the bride carried a handkerchief which was brought back from Brussels, Belgium, by her maid-of-honor.

Attending the bride as maid-of-honor was Miss Sandra Shook of Lubbock and bridesmaids were Miss Sue Ann Taylor, sister of the bride, Miss Margaret Ammer of Monahans, Miss Joan Roberts of Plainview and Mrs. Charles E. Galey of Lubbock. They wore identical ballerina-length dresses of nylon net in blended shades of blue. The strapless bodices were complimented by matching net stoles and blue taffeta cummerbunds. They wore oval-shaped hats of blue net with crowns of blue horsehair braid and trimmed with braided bowknots. They carried crescent bouquets of white asters.

Miss Suzanne Badgett of Floydada and Miss Linda Badgett of Ft. Worth, nieces of the bridegroom, served as candlelighters. They wore floor-length dresses of blue organza. Their skirts were of solid ruffles and ruffles around the boat neckline. They wore wristlets of white carnations.

Dick Blendon of Lubbock served as best man. Groomsmen were Jerry McClure of Loving, Bob Hawkins of Lubbock, Lt. Robert Engle of Lubbock and David Badgett of

MRS. JACK SLOAN BADGETT (Miss Carolyn Taylor)

Floydada, nephew of the bridegroom.

Mike and James Badgett of Floydada, nephews of the bridegroom, and Tom Baker, the bride's cousin, served as ushers.

**Reception On Church Patio**

Following the ceremony a reception was given in honor of the couple on the church patio. The bridal table was covered with a ruffled net cloth over blue and

centered with an arrangement of sandytuff and delphinium flanked by silver candelabra holding white tapers. Silver appointments and a four-tiered wedding cake completed the table decor. Arrangements of white gladioli and blue delphinium were placed at vantage points.

Assisting with hospitality were Mesdames Woodrow Badgett and Preston Badgett, both of Floydada, Mrs. James G. Badgett of Ft. Worth, all sisters-in-law of the groom, Mrs. W. G. Baker, Mrs. Raymond Shook, both of Lubbock, Mrs. H. T. Roberts of Plainview, Mrs. Vincent Carr

of Lubbock, Misses Virginia Carr, Nancy Hess, Kay Lynn Watson, Shirley Chapman and Jane Hicks, all of Lubbock.

Misses Anna Badgett of Floydada and Barbara Badgett of Ft. Worth, nieces of the groom, presided at the bride's book. Mrs. Oldham presented piano selections.

For a wedding trip to Houston and Galveston, Mrs. Badgett chose a sheath dress of mink brown silk peasant with a matching jacket and a bacu straw hat. Her accessories were in penuche and she wore a white orchid corsage.

The couple will be at home in Wichita Falls where the bridegroom is employed by Pure Oil Co. as a geologist.

## Wedding Party Is Feted At Lubbock

LUBBOCK — Members of the wedding party of Miss Carolyn Taylor and Jack Badgett were feted with a dinner in the Restaurant Walden Thursday night. Hosts for the occasion were the parents of the prospective bridegroom, Mr. and Mrs. D. R. Badgett of Floydada.

Tables were arranged in a horseshoe shape, the head table featuring an arrangement of white gladioli and blue carnations. Places were laid for twenty-nine.

Mrs. W. G. Baker was hostess for a bridesmaids luncheon honoring Miss Taylor's attendants Thursday in Dunlap's Tea Room. Blue and white were used in floral arrangements and place settings.

Places were laid for Miss Taylor, her mother, Mrs. O. L. Taylor, mother of the prospective bridegroom, Mrs. D. R. Badgett, Mrs. Woodrow Badgett, Mrs. Preston Badgett, all of Floydada, Mrs. James G. Badgett of Ft. Worth, Mrs. Charles E. Galey, Misses Sue Ann Taylor, Lubbock, Joan Roberts, Plainview, Margaret Ammer, Monahans, Sandra Shook, Lubbock, Linda and Barbara Badgett of Ft. Worth and Suzanne and Anna Badgett of Floydada.

The other night we lay awake for an hour or so after lights were out. It was not insomnia, or nerves, or indigestion. It was that rare sensation of being so rested we did not need sleep.

Presently, through the open windows, we picked up the rhythm of the night sounds.

We had never realized how many there are: A barking dog, several blocks away. A droning plane overhead. The hum of a neighbor's air conditioner. A passing car. The quiet footfall of a late pedestrian. The lazy rustle of leaves stirred by the breeze, as they brushed the window screen. A train's whistle. And once, a few soft notes from a songbird in the trees.

Ours is a quiet street, but a busy highway runs along several blocks to the north. Even those sounds, muted by distance, seemed less harsh. The deep whining power of a transport truck. The siren of an ambulance rushing an accident victim to the hospital emergency room. Screeching brakes as thrill-seeking teenagers played ditch-em with the family car.

And it occurred to us that only rarely do we listen to the night sounds of our own neighborhood. We grow used to them, maybe, so that their pleasant or unpleasant echo no longer disturbs our sleep. And yet, when we go to the mountains, or the seashore, the peaceful sounds of water and trees and small animal life tend for our peace of mind. A soft summer world in a lake, revisited by the night.

TO DRILL FOR CROSBYTON  
Crosbyton, Texas, is a new oil field. A well was drilled in the area of the well. It is located in the quarter of Section 11, R.R. Co. Survey, 4 miles southeast of Crosbyton. Contact with the well.

**GLAMOROUS, SURE—**  
but a tomboy at heart!

Turn Chevy out on the road to discover its real charm! For this is the beauty that recently raced 2,438 miles in 24 hours to set a new round-the-clock competition track performance record!

It happened at the famed Darlington Raceway, Darlington, S. C. A regular production Chevrolet with 225 h.p. poured it on for 24 straight hours, averaging 101.58 miles per hour, to top the Indianapolis stock car record by 280 miles!

Add that to Chevy's unparalleled record in stock car competition—and you come up with the low-priced beauty that outshines every body! No maybes about it. Here's proof of pep and performance that means safer, happier highway driving. Few cars at any price can hold the road with Chevrolet's grace. And it's got the stamina to stand the gaff for 24 straight scorching hours at a pace that few other cars would even attempt to match! Drop by—you'll see you can't beat Chevy for a buy, either!

## Highlights And Sidelights From the State Capitol

(By Vern Sanford, Texas Press Association)

Austin, Tex. — Next month, for the first time in 24 years, Texans will be asked to vote — not only on men — but directly on issues.

State Democratic Executive Com-

Tuesday from Omaha, Neb. Mr. Turner remained to take over his job. Estelle said they did not purchase a home. She doesn't know just when they will move.

Little Jennie Davis, daughter of Mr. and Mrs. Joyce Davis, was quite ill all week. She is doing better now and will go to Plainview for a check-up this week.

Elmer Williams who was struck by lightning was brought home from a hospital in Lockney Wednesday. He is doing pretty good. His arms and ear bother him. We are thankful that Elmer is still here.

Mr. and Mrs. Harry Miller and son Lawrence of Lubbock visited G. L. Snodgrass in the Everett Miller home Thursday.

Mrs. Doris Snodgrass was a visitor in the Mather Carr home Thursday night.

Club met Thursday in the club room with Mrs. Loyce Turner and Mrs. Brummett as hostesses. The meeting was opened by the president, Mrs. Zant Scott. Roll call was answered by "Try this —". Some recommendations were made and accepted. Announcements were made. Recreation was directed by Mrs. Walter Hanna. A demonstration of outdoor cooking was given by Mrs. Brummett. She cooked chicken steak and baked Irish potatoes. This was served along with other refreshments by Mrs. Turner.

Present were Mmes. Zant Scott, Marion Tucker, Walter Hanna, R. B. Gary, Frank Aiken, C. B. Smith, D. S. Battey, Glenn Pool, Bill Edwards, E. W. Turner, Chiona Williams, Mather Carr, a guest, Mrs. Raymond Williams from the Homebuilders Club, Mrs. Brummett and the hostess, Mrs. Turner.

Monroe Shultz and family attended the funeral of Mr. Shultz's uncle at Electra. The uncle was killed in a car crash Friday. Our sympathy goes out to the Shultz family.

R. G. Morris was not feeling too well Sunday. He did not attend services at the chapel.

Rev. Gates visited in the Everett Miller, Elmer Williams and Mather Carr homes Saturday evening.

G. L. Snodgrass was not too well Saturday.

Mr. and Mrs. Chiona Williams and Sue were guests Sunday of Chiona's parents, the L. A. Williams family of Amarillo.

Miss Reda Mae Gary of Lubbock and Mrs. Loyce Turner and son, Gary were guests for Fathers Day dinner in the R. B. Gary home.

Wesley Carr and sons were dinner guests Sunday in the Mather Carr home. Also Mr. and Mrs. Sim Burrows of Plainview were guests in the Mather Carr home Sunday.

Committee members have approved the placing of three questions on the primary ballot. Voters can express their desires for or against:

1. Legislation exempting a child from compulsory attendance at integrated schools.
2. Legislation "perfecting" laws against intermarriage of Negroes and whites, and;
3. Use of interposition to halt federal encroachment on states rights.

Majority approval presumably constitute a mandate for action by the next legislature.

Historically, such voter referendums seldom have been used. And not too successfully. Present procedures, still substantially unchanged, were set up with the passage of the Terrell Election Laws in 1907.

In the nearly 50 years since then, referendums were held only three times. And failed to pass twice. In 1908 a prohibition proposal was voted down more than two to one. In 1919 the people rejected three to one a proposal to call a constitutional convention.

But, in 1932 Texans voted overwhelmingly in favor of repealing the federal prohibition amendment. A year later the legislature followed suit and ratified the repeal amendment.

This was the last referendum submitted until this year.

In other action the State Executive Committee certified a list of 31 candidates for statewide office. It ignored a charge by Reuben Senterfitt that Price Daniel's name was ineligible to appear on the ballot because he had not resigned his U. S. Senate post.

Port Worth was selected by the committee as the site for the Sept. 11 state convention. Principal business at that time will be naming new party officers and deciding on a general election platform for the Democratic gubernatorial nominee.

**GOP CHOOSES CORPUS** — Texas Republicans will hold their Aug. 28 state convention in Corpus Christi. GOP nominees for state office, presidential electors, a new state chairman and a general platform will be decided upon at that time.

Selection of the convention site was made at the party's state executive committee meeting in Austin.

Committee members sent Pres. Dwight D. Eisenhower a telegram asserting their confidence that he will carry Texas and be re-elected in November.

**REDISTRICTING URGED** — Demands that Texas congressional districts be realigned were heard at both political party meetings.

Texas was allotted an additional congressman after the 1950 census. Since the legislature has rejected redistricting bills for the past two sessions, the extra man is elected by the entire state.

Bill Elkins, candidate for congressman-at-large, told the Democratic executive committee the main plank in his platform is to have the office he seeks abolished.

Republican National Committeeman Jack Porter said the GOP legal committee might seek federal court action to force the legislature to redistrict.

"It's not fair to have the same representation from districts of 100,000 as you do from areas with more than a million," Porter charged.

**PEARSON BLAMED AGAIN** — In a report made public by the In-

urance Commission, TVman Drew Pearson received the brunt of the blame for luring Texans into investing money in the now defunct US Trust & Guaranty Co. The report was based on answers to questionnaires sent draft purchasers by the state liquidator's office.

Questionnaires were answered by 3,608 purchasers. They represented investments of \$4,711,132. Nearly half of them charged Pearson with influencing them into buying. This because of his personal, oft-repeated statement that "You can put your trust in U.S. Trust."

Because Pearson personally recommended the purchase, the TV broadcaster several months ago pledged to refund all "profits" made on his commercials. As of this writing the Insurance Commission's records do not reveal any such repayments by Pearson.

**CIVIL IMMUNITY DENIED OFFICIALS** — Public officials are not immune from civil authority for acts in connection with their duties. An Austin district judge so ruled in a case involving two former employees of the Insurance Commission.

Examiners Larry W. Blanchard and Robert R. Butler are among more than 50 defendants in a \$60,000 damage suit. It was filed by the state liquidator against those allegedly responsible for the 1954 collapse of the big General American Casualty Co. of San Antonio.

**PARR TRIAL DELAY EXPECTED** — Another six months delay seems likely before the trial of George B. Parr on income tax evasion charges takes place. Parr's plea to have the trial in Laredo, rather than Austin, was rejected by the

U.S. Supreme Court. U.S. Attorneys promptly asked Judge Ben H. Rice of Austin for an early setting, preferably in July. But Parr's attorneys said they will file for a rehearing before the Supreme Court. Such action could keep the case from coming up until January of 1957.

Parr was first indicted in 1954. He is charged with filing false returns in 1949, 1950 and 1951 and failing to pay the government \$86,000.

**BIRTH CERTIFICATE BOTTLENECK** — State Health officials are urging parents of children who will enter school for the first time next fall to avoid the "birth certificate bottleneck." In past years thousands of requests have swamped the department in September. An estimated 260,000 children will be eligible to enter first grade this year.

**SHORT SHORTS** — Soaring heat and lack of rain is withering Texas crops and pastures in all areas except the high plains, reports the

U.S. Department of Agriculture. The high plains still are green after three consecutive weeks of showers.

May was one of the best contract award months in Texas construction history. The \$168,102,823 contracted in May brings the 1956 total to \$572,000,000. That is better than the record year of 1953.

Eleven South Texas counties have been quarantined against shipments

of citrus fruits from Mississippi, Florida, Louisiana and Alabama. Purpose of the State Agriculture Department's ban is to prevent a possible infestation of the Mediterranean fruit fly into Texas groves.

Mr. and Mrs. Charley Battey and Mr. and Mrs. Bob Aldredge and sons, spent Fathers Day with Mr. and Mrs. Thomas Warren and family.

## TELEPHONE TALK

by J. C. Oakley, Manager

The reason the new dial telephones in Floydada won't work at the present time is that the equipment in the new dial telephone building which controls their operation is blocked.

Thousands of tiny fiber insulators, called blocking tools, have been fitted between the contact points in the dial switching equipment in the new telephone office to prevent the new dial system from interfering with the old manual system still in operation. J. C. Oakley, Southwestern Bell Telephone Company manager, explained.

"Come 12:01 a. m. on Sunday, July 22, our plant people will yank those blocking tools out, pull the heater coils in the old system and we'll have the dial system in operation," he explained.

The entire operation will take only a few seconds but each step must be carefully coordinated. The coils must be pulled from their sockets in one swoop at the precise moment.

Then for a few seconds, Floydada will be without telephone service as the telephone men in the new dial office begin pulling away many small wooden racks from the frames where the switching equipment is located.

As each rack is pulled down, scores of tiny blocking tools, attached to the racks by strings, will be yanked away putting individual telephones in service.

At one minute past midnight on Sunday morning, July 22, the telephone men standing by in Floydada will stand with their eyes glued to the clock counting the seconds until the signal is given that the old manual system is dead. Then the men will begin jerking the blocking tools from their places and in a matter of seconds, every telephone in town will be converted to dial.

Call by number. It's twice as fast.  
SOUTHWESTERN BELL TELEPHONE COMPANY

### ss Battle st Pests

atches harmful insects in the pupa stage when insecticides and pesticides have little or no effect. It may also do away with some of the useful type insects.

The seven-step program varies over the state but each area of Texas has a definite plan set up according to local climatic and insect conditions. This type of spraying assures the farmer of getting the most benefit out of money spent for insect control.

Although most insect infestations are expected to be approximately "normal" this year, one pest stands out as a threat in near plague proportions — the grasshopper. This spring the state and federal governments are carrying out an all-out fight against hoppers on range lands of the Panhandle and West Texas. But cultivated land is the farmer's own battlefield. Quick control of this pest can save many thousands of dollars in crops this year.

A word of caution about chemical preparations! Although the chemical industry has taken every precaution to make them as safe as possible, some of them can be harmful if misused.

Read and study the manufacturers' recommended measures of use. They are printed on every container — and are meant to be followed.

### News of Harmony

(By Mrs. Mather Carr)

HARMONY, June 18 — Mrs. Erx Williams was a visitor Monday in the Everett Miller and Mather Carr homes.

Mrs. Loyce Turner returned home

**HERE'S PROOF**  
dieldrin treatment kills thrips and fleahoppers... pays off in higher cotton yields

Photograph shows results of test performed at Texas A. & M. (1954). In this test, the dieldrin-treated plants produced almost three times (2.84 times) as many blooms in a three-week period after treatment as did the untreated plants injured by thrips and fleahoppers. Photo courtesy of Texas A. & M.

Results of this test prove without a doubt that treatment with dieldrin really pays. Dieldrin controls thrips, fleahoppers and other sucking insects. Cotton gets a good early start... you get better quality cotton and earlier harvest... less chance of heavy loss due to early frost.

Dieldrin provides long-lasting protection. Days after application dieldrin still has lethal effect. Two to three applications at the recommended dosage—1/10 lb. of actual dieldrin per acre—does the job. Dieldrin dusts are smooth-textured, free-flowing. In a spray, dieldrin forms top creaming emulsions... eliminates nozzle clogging.

Profit from this conclusive test. Use dieldrin early this year. Your insecticide dealer has dieldrin formulations and information on latest methods of application best suited for your use. Don't delay—get dieldrin now!
