

Lindsey Calls For Big Texas Vote Tuesday

In a letter sent to every Democratic precinct and county chairman in Texas, State Democratic Executive Committee Chairman Jim Lindsey, this week points out the importance of getting out as large a vote as possible on Nov. 6 for the Democratic nominee for governor.

In his statement Mr. Lindsey says: "As a person interested in good government, I am sure you understand that the strength of the Texas Democratic Party two years from now will depend upon the vote for Governor on General Election Day. Under the law, representation of each precinct at your 1958 county conventions is based upon each 25 votes cast for the Democratic nominee for Governor in such precinct

at the last preceding general election. "County representation at the State Convention is based upon each 300 votes cast for the Democratic nominee for Governor at the last preceding general election.

"In other words, for every 25 votes not cast for the Democratic nominee for Governor in a particular precinct, that precinct will lose one delegate to the County Convention. And for every 300 votes not cast for the nominee in a particular county, that county will lose a delegate to the State Convention."

News of Dougherty

(By Mrs. W. J. Ross)

DOUGHERTY, Oct. 29 — Mr. and Mrs. E. S. Foster have returned from attending the centennial celebration of the founding of a plantation home, Gordon Acres, near Hensley, Ark. The home was founded in 1856 by ancestors of Mrs. Foster and has been continuously occupied by succeeding generations of the same family since that time, being four generations. The lumber used in

MUD PIES—Rolling them out is Private John C. Stinson of Ogden, Utah. The dirt is used in tests at the Army Engineer Soils Laboratory, Fort Leonard Wood, Mo., to determine its compactability. Such tests tell which soil meets Army standards for use as base for roads, airplane runways, highways, or dirt-fill dams.

construction of the house was grown on the plantation. Slaves of the plantation prepared the lumber and built the house. This project was completed in three years. The furniture was shipped by boat from New Orleans and hauled by ox-drawn wagons to the plantation. The original furniture is still being used

and is in a wonderful state of preservation. Much of the China and silver service dates from 1835. The house is now occupied by a member of the fourth generation, who has installed modern home-making conveniences.

Over 300 adults and a large number of children registered at the celebration which consisted of a barbecue and a beautiful religious memorial and dedication.

Although the line of descent has been broken by death a member of the sixth generation from the founder was present.

Mr. and Mrs. Foster were house guests of a niece at Pine Bluffs, Ark.

Mrs. G. C. Tiner, teacher of the Junior Sunday school class entertained the members of the class with a Halloween party Saturday evening from 7 to 9. A number of games were played and refreshments carrying out the Halloween motif were served. Guests present were Nita Beth Cage, Alita Beth Hines, Patricia Drysdale, Jody Campbell, Berniece Emert, Bill Daniel and Bill Ross.

Mr. and Mrs. Thurmon Davis and children of near Dimmitt visited Mr. and Mrs. Virgil Scott and relatives at McAadoo over the weekend.

Mr. and Mrs. J. C. Jones of Whittier, Calif., are visiting in the homes of her mother, Mrs. H. R. Blum of Floydada, her sister, Mrs. Sam Lide and her brother, Lewis Blum.

Mr. and Mrs. Orland Howard visited relatives in Roswell, N. M. during the weekend.

Mr. and Mrs. Dick Carpenter announce the birth of a son Carlton J. at the Stanley Clinic at Matador, on Friday, Oct. 26. He weighed seven pounds.

Mrs. J. G. Cage was the house guest of her daughter at Lubbock several days last week.

Mr. and Mrs. Ned Bradley attended the Fred Waring concert at the Lubbock auditorium Sunday.

Dr. Warren Poole and family were Sunday dinner guests of his parents, Mr. and Mrs. Bill Poole. They were enroute home from Amarillo where they spent the night after attending the Monterey-Sandy football game. Dr. Poole is standby for the Monterey team.

Julia Ann Daniel spent the weekend as guest of Nancy Watson of Floydada.

Mr. and Mrs. Lyndon Spradberry of Carlsbad, N. M., Mr. and Mrs. Gran Hatley of Lakeview and Mr. and Mrs. Jess Glover were Sunday dinner guests of Mr. and Mrs. J. A. Hatley.

Mrs. Ann Green and Marcella of Plains and Mr. and Mrs. Wilton Green of Lubbock were Sunday dinner guests of Mr. and Mrs. Tate Jones.

Mrs. Ruth Daniel attended the state convention of the O.E.S. Grand Chapter at Will Rogers Memorial Coliseum, Ft. Worth, recently and participated in the informal opening drill and in the installation drill.

Mr. and Mrs. R. D. Holly and Mr. and Mrs. Dale Young attended church at Post Sunday and were dinner guests of Mrs. Young's parents, Mr. and Mrs. J. D. Henley of Post. They returned to Dickens and visited R. D.'s parents before returning home.

Among those attending the Floydada-Slaton football game at Slaton Friday evening were Mrs. Bill Smith, Mrs. Johnny Cates, Mrs. Ruth Dan-

iel, Harold Woodson and Bill Daniel. Mrs. Ada Hinton has returned from visiting her brother, Barto Jameson in Fisher County.

A Halloween program is scheduled at the school auditorium for Wednesday afternoon, Oct. 31. Following the program refreshments in the Halloween motif will be served by Mesdames R. J. Hinsley, Howard Drysdale to Mr. Tiner's room; Mesdames Tommy Emert and W. J. Ross to Mrs. Senn's room; Mesdames Bob Covington and Joy Ward to Mrs. Tiner's room.

Mr. and Mrs. Roy Crawford, Jacquie and Jim and Mr. and Mrs. S. M. Crawford were Sunday dinner guests of Mr. and Mrs. Marion Brooks and son Charles of Lubbock. The dinner was a celebration of the seventh birthday of Charles.

Leroy Scott accompanied friends to Morton Sunday.

Mr. and Mrs. Bill Smith and Mr. and Mrs. G. W. Smith visited an aunt, Mrs. Barry Trice of Abilene at the home of their mother, Mrs. R. C. Smith of Lakeview Sunday.

Mrs. F. M. Covington accompanied her mother, Mrs. R. P. Hall of Floydada, her sister, Mrs. Guy Shoemaker, Mr. Shoemaker, of Albuquerque, to Dallas, to visit in the home of Mrs. Shoemaker's son, Bill Jackson and Mrs. Hall's son Buck at Greenville.

Several of our citizens are victims of the flu. Jerry Crawford was hospitalized Sunday and Monday.

Mr. and Mrs. Bert Lee Emert and family and Mrs. Claud Ring visited Mrs. J. W. Graham Sunday afternoon.

An echo from the past seemed to vibrate thru the local grocery store when a customer asked for a hundred pound sack of flour. Our accommodating grocer, Harve Powell, now has 2 sacks of 100 pounds.

Mr. and Mrs. Sam Henry of Lubbock visited in the home of his brother and wife, Mr. and Mrs. Jack Henry over the week-end. Both families spent Sunday afternoon at Lewis Ranch visiting R. W. Overstreet of Tahoka.

Mr. and Mrs. T. M. Garner of Ruidoso, N. M., were week-end visitors in the home of Mr. and Mrs. J. G. McKinney.

MR. FARMER

The Stevenson farm plan is just a copy of the Truman farm plan. Like the Truman plan, the Stevenson plan would bury the farmer again under a mountain of surpluses. It would again send prices down.

The Eisenhower plan is the plan recommended by people who make their living by farming. The political agriculturists in Washington may not like President Eisenhower's Soil Bank program; but farmers who have really looked into it like it.

They also like the way President Eisenhower disposed of five and a half billion dollars worth of surplus commodities. They like the way he helped regain lost markets and turned prices back up without a war.

They like the drouth assistance he has provided. What would be the present state of things in Floyd County if we had had favorable weather for the past four years? Let your own intelligence answer that question.

Nearly 20,000 farmers in Texas already have taken advantage of this program, which helps them buy hay and grain, and provides the kind of long-term, low-interest financing we have been needing.

Seven out of ten Texas farmers now own their own farms outright, without even a mortgage on them. All they want is a fair chance to farm for a living. They don't want to just farm for the government and have the government bundle things up so much that the farmer eventually has to get what amounts to a salary from the government.

That's the way farmers were headed while Truman was in office. That's the way they will be heading again if Stevenson gets elected.

The farmers like Ike's sincerity and his honesty. He likes the fact that he is a good religious gentleman. He is a real statesman, and not just a cheap politician. He likes the way he cleaned up Washington and ended the Korean War, releasing the farmer from the wartime controls that were choking him to death. He likes the way he refunded the gasoline tax to the farmer and expanded farm research.

The kind of help Ike has given the farmer is the kind of help he needs. Many farmers are life-long Democrats, Ike is a better Democrat than Stevenson is.

Go to the polls on November 6th and help re-elect President Eisenhower. Ike is the best friend the farmer ever had.

Success Tip: Start at the bottom and work up.

Co-operation would solve many problems. For instance, freckles would make a nice coat of tan if they'd get together.

Hold it! Before you disconnect that electrical appliance, make sure it's turned off. It's just a minor precaution and it takes so little time. But getting into the habit may easily make the difference between safety and a serious accident. And while you are disconnecting the appliance, be sure you pull the plug from the socket - never pull the cord itself. All your electrical appliances are labor and time savers and deserve the best of care for maximum efficiency. Keep them running smoothly with proper care and they will serve you well for years to come.

Shape of Things to Come

Each year auto manufacturers lower and widen their new models. This year the change will be particularly dramatic. Typical of the trend is the 1957 Dodge—only 54 1/2 inches low.

Tex Says He's No Expert But He Believes Ike Is

The other night a bunch of us were sitting around in the drug store after the football game, drinking coffee and talking. You know how it is after a game in a small town, especially after the home team loses. Nearly every man in the crowd had a theory as to why we didn't win the game. Most of them, of course, blamed the coach. I couldn't help remembering that before we consolidated the county schools we didn't even have enough boys to make up a football team. And these same football experts who were saying what Rockne or Bud Wilkinson would have done, up until a few years ago they didn't know a football from a watermelon.

But that's the way it is in a small town (and in big ones, too, I understand). I guess there's no real harm done, although sometimes it's pretty rough on the coach.

I guess we have a right, in this free country, to be self-appointed experts in any line we want to pick out. It seems to me that most people choose either football or politics.

Take this presidential election coming up next Tuesday: During the last few weeks I have heard so many stories and theories from so many different political experts that I nearly got confused some times. I have to stop and think that the fellow who is talking probably doesn't know any more about it than I do, and that helps me keep straightened out.

In fact, I guess I have had my mind made up all along. To make no bones about it, I like Ike. He's a man you can always look up to and respect—the kind of

Step into the wonderful world of AUTODYNAMICS

A low-slung beauty with Flight-Sweep style: Swept-Wing '57 Dodge Custom Royal Lancer 2-Door.

It unleashes a hurricane of power
It breaks through the vibration barrier
It is swept-wing mastery of motion

SWEPT-WING '57 Dodge

How do you describe a car so daring in concept, so revolutionary in features and advances, so rewarding in beauty and performance?

How do you explain its newness when everything about it is new?

On display today is just such a car—the Swept-Wing '57 Dodge that steps you into the wonderful world of Autodynamics.

What is this wonderful world of Autodynamics? It is a world where everything is new from road to roof to achieve absolute mastery of motion.

Here's what it does in the Swept-Wing Dodge:

- It unleashes a hurricane of power from a thundering new aircraft-type Super Red Ram V-8 engine that's a spitfire in action!
- It tames a tornado of torque with a new TorqueFlite Push-Button Drive for the greatest get-away on the road!

- It breaks through the vibration barrier with a revolutionary new rubber-mounted suspension system—Dodge Torsion-Aire—that features race car torsion-bars. You ride in a "Realm of Silence," isolated from vibration, noise and road shock.
- It is swept-wing mastery of motion in a sleek, low-slung beauty barely 4 1/2 feet high that has no equal in the way it corners, handles and rides.

You have never seen, felt or owned any car that compared with this new Swept-Wing Dodge. See and drive it today . . . now at your Dodge dealer's!

similar, yet miles apart because one oversteps the graceful limits of her best self. Take the playful character, for example: Is she "fun-loving", "puckish", "devilish" or "fiendish"? Or the person with a knack of listening to your tales of woe: Is she "interested", "understanding", "sympathetic", "curious" or "gloating"?

Have you friends with one outstanding trait, so that their personalities can be pictured with a single word? Such as "gentle", "cheerful", "joyful"?

We have one friend whose personality is "serene". She found the word for us. She once said a crystal button on a dress we wore was serene. Ever since, when that word is spoken, we see her calm poise, her careful grooming, her clean mind, her gray eyes and clear skin. To us, "serene" describes her much more aptly than it did the crystal button.

And what of ourselves? What single adjective would our friends most likely find to describe us? Are we "peppy" or "itchy"? Are we enthusiastic or eager; quiet, or passive; independent, or self-engrossed? Words have such fine shadings of meaning, some flattering, some kind, some uncomplimentary. If we could line up the words that might describe us — all the way from the kindest one to the least pleasant — perhaps we could decide just where in the scale we rightfully belong. And if we're overdoing — or underdoing — our true type, maybe we could, by trying, promote ourselves into the next better league.

Two personalities may be quite different. A Hesperian Want Ad saves time

Ronnie Faus, who has been stationed at the naval base in Memphis, Tenn., was here at the parsonage with his brothers, Rev. and Mrs. Larry Faus and Bobby Faus over the week end. He had been spending the past several days up at Clayton, N. M., and left this Monday for his new assignment at Jacksonville, Fla.

Mrs. Garvin Beedy was hostess at a party in her home on Thursday to members of her Intermediate Sunday school class of which she is a teacher. Other young people of the community also attended. Mrs. Rex Smitherman assisted Mrs. Beedy in serving the refreshments of cookies and cold drinks. June Marble and Juanel Wood helped Mrs. Beedy with the games played during the evening. Present were Marjorie Burleson, Frances Hopper, Virginia Taylor, Donita Milton, June Marble, Juanel Wood, Eugene Beedy, James Irigoe, Frankie Dew Jones, Price Pritchett, J. Ronald Taylor, Bobby Faus, Alton Higginbotham and Kendis Julian with Mr. and Mrs. Rex Smitherman and children present and Mr. and Mrs. Beedy and children. Since the party was a "Tacky" one, all those who did not come dressed as such were made to pay a forfeit.

Mr. and Mrs. Charles Beedy of Stinnett visited on Sunday in the home of his parents, Mr. and Mrs. Bill Beedy. They took their children home with them after they had spent the past week here with their grandparents.

Funeral services for R. C. Bennett, 96 years old, were held on Sunday afternoon at 3 p. m. at the Main Street Church of Christ in Lockney. Regardless of what you may have heard it is perfectly legal to split your ticket. You can vote any way you like. The purpose of the ballot is to find out what the people want. And if you want to vote for Eisenhower and Nixon and vote the rest of the ticket for the Democratic nominees that is your privilege. Don't let anyone tell you otherwise. BY LAW YOUR VOTE MUST BE COUNTED. This copy of the Official Ballot shows you how to vote a "SPLIT TICKET."

America Needs Ike!

An editorial from the Kilgore News Herald October 8, 1956

Four years ago, the Kilgore News Herald joined with a substantial majority of the voters of Texas in supporting Dwight Eisenhower and Richard Nixon against Adlai Stevenson and John Sparkman.

We were tired of Trumanism, with its graft and corruption, softness toward Communism, tragic handling of the Korean "police action," and disregard for State's Rights

After 20 years of Democratic reign, it appeared high time for a change.

Besides, Mr. Eisenhower had pledged his support of legislation to return the tidelands to Texas, while Mr. Stevenson had stated flatly he would veto any such legislation if passed by Congress, "just as Mr. Truman did."

Although we have not agreed with everything Mr. Eisenhower has done, we feel that he has been, all things considered, an outstanding President. **CERTAINLY HE HAS RESTORED CONFIDENCE IN THE HIGH OFFICE HE HOLDS, BY THE FAIR, CALM, DIGNIFIED MANNER IN WHICH HE HAS CONDUCTED HIMSELF AT ALL TIMES.**

Today there is not too much difference in the two major parties, but as the traditional Frenchman said, "Thank God for the difference." In one major field, the Democrats have pledged to abolish the Taft-Hartley law, under which the nation has enjoyed labor-management peace, and have specifically condemned the "right-to-work" laws of Texas and other states. Such a stand is to be expected, with Walter Reuther, the radical labor boss the one man most responsible for nomination of Stevenson and Kefauver.

Four years ago we heard dire predictions of a Hoover depression, but instead, America has enjoyed four of the most prosperous years in her history—and without a war for stimulation. And what is more significant, the cost of living under Mr. Eisenhower has held fairly steady, rising only 2 per cent, as compared with an increase of 70 per cent in the previous 11 years.

When both Stevenson and Kefauver firmly opposed permitting Congress to return to Texas her legally owned tidelands, they made it clear, as they have on other occasions, that they do not believe in the States' rights guarantee under the Constitution.

This newspaper believes in the Jeffersonian principles on which the Democratic Party was founded, but we do not place party above country. Neither does Mr. Eisenhower. We believe Ike as he is affectionately known throughout the world, is a better Democrat than Adlai.

Today's most vital issue is peace. Eisenhower has brought us peace and is our best insurance against war. As Commander-in-Chief Ike is far and away better qualified than Adlai to lead us if war should come. For once we agreed with Harry Truman when he said that the election of Stevenson would let us in for a "costly period of trial and error" in foreign affairs.

The campaign has proved that Stevenson had rather be President than right. His efforts to win votes by insinuating that we could stop the draft and that we should stop testing H-bombs have done much to disturb and divide our people and to encourage the Soviet cause overseas.

In our considered opinion, the country needs Mr. Eisenhower today as much as in 1952, not just to complete his program, but to make certain that the pressure groups and leftist elements which controlled the New and Fair Deal do not take over and force upon us a radical, socialist government.

J. H. Exum Passes Rites At Abilene

J. H. Exum, 69, for many years a resident of Starkey, Floydada and Ralls but for a year a resident of Abilene, died in Hendricks Memorial Hospital in Abilene Oct. 20 and was buried there Monday afternoon following funeral rites held at 2 o'clock at the North Side Church of Christ.

Minister Frank Pack officiated. Burial was in Elmwood Memorial Park.

Mr. Exum and his wife moved to Ralls in 1924 and to Floydada in 1949.

Exum, a retired farmer, was born July 30, 1887, in Smithville, Ga. He was married to Dora McNeil June 1, 1912 in Dawson, Ga.

Survivors include his wife, Dora; two daughters, Mrs. Mary Herndon, Tulsa, and Mrs. Bernice Squires, Lubbock; one son, John Exum, owner of Abilene Pastry Shop; one sister, Mrs. Zora Bass of Georgia; and eight grandchildren including Miss Peggy Exum, Ralls, daughter of John Exum.

Pallbearers were S. R. McKinnon, H. P. Compton, Harvey Baker, Paul Verett, W. E. Milliron and Sam Herndon.

Carnival Man Held On Bribery Charge

RALLS — Offering Sheriff J. T. Herrington \$50 to permit gambling devices to operate during a carnival in Ralls last week has resulted in the arrest of T. J. Tidwell, of T. J. Tidwell Shows, on charges of bribery.

Informing that gaming devices were to be set up by the carnival, Deputy Otho Ottwell acted to close them down Tuesday night. On Thursday, Tidwell is alleged to have contacted Herrington and to have given him \$50 to allow gambling at the carnival. Herrington deposited the \$50 with County Attorney L. A. Wicks Jr. and filed charges of bribery against Tidwell.

Tidwell was released on \$2,000 bond Friday.

Heed youth's call. Vote as you think, but vote November 6, 1956. Use your freedom to vote. Householders will be asked to display these hangers in their windows indicating their intention to vote.

Dr. Arthur A. Schuck, Chief Scout Executive, said that "the greater number of people that turn out to vote, the greater will be true democracy in action."

Scout leaders believe that organized boyhood can exert a strong influence among parents, relatives, and neighbors in doing their share in rolling up a record vote this year.

Dr. Wallace I. Hess, South Plains Council Health and Safety Committee chairman, said that while the campaign hopes to stimulate adults to meet their responsibilities of good citizenship by voting, the Scouts themselves will also get a lesson in their duty to vote when they come of age.

★ ☆ ★ ☆ ★ ☆ ★ ☆ VIEWS AND COMMENT

Constitutional Amendments. Of the nine proposed amendments to the state constitution, eight of which are to be passed on by the electorate next Tuesday in the general election and the ninth on the following Tuesday in a special election—of the nine there is only one questionable to us. When voting comes we'll likely vote for it too. Arguments both for and against Amendment No. 8 are potent.

Amendment No. 8 gives a judge or magistrate the right to deny bail to a person who has been twice previously convicted of a felony. It is sorely needed by the cities of the state, beset by racketeers, who finance a fee for one crime by committing another while out on bail. It has happened and is happening in case after case. Habitual hard-set criminals make a game of the law. Change in the constitutional provision, to this extent taking away the rights of the citizen to protect society, would be a great help to side of the enforcement officers. Under this law, however, for a poor man to get a fair deal in the courts would be difficult since he would have no money with which to finance an appeal and regain his freedom while waiting court trial. Take your choice of which to do—vote for or against. We'll vote for, if we feel the same way Tuesday we do today. For one reason, because present conditions are a terrific temptation to lawyers to fatten on crime.

All the other proposals have far more merits than demerits. No. 1 "Grants aid and compensation to persons who have paid fines or have served prison sentences... for offenses of which they were not guilty." Such compensation is slight for having ruined a citizen's life. A person who is caught up in the maze of circumstance and falsely imprisoned, who finally proves without doubt that he was not guilty, now has to ask the legislature for redress of the wrong done him. It should be his right to demand redress instead of petitioning for it.

Amendment No. 2 gives a Commissioners Court the right to levy the 80 cent constitutional limit of ad valorem taxation as between the general fund, the permanent improvement fund, the road and bridge fund, and the jury fund as their judgment and the circumstances demand. It makes "allocation" of funds a permanent part of the law. As the law now stands the taxpayers have to vote approval of "allocation" once every six years. It ought to prove a sensible change.

Amendment No. 3 might be questionable but on the whole needs to be adopted to give greater freedom in the investment of the permanent funds of the University of Texas and the A & M College systems. David M. Warren, formerly a member of the University Board of Regents has said this change should have been in effect for many years. Higher education in Texas would be given a big increase in revenues if the old provision of the constitution were changed in this respect. Vote for it.

Amendment No. 4, which the teaching profession is backing 100 per cent, would change the existing Teacher Retirement System to a more just one. It would do justice, more nearly, to the teacher, make the profession more attractive and give the school administrators an even break in holding out inducement for career men and women. It is not vicious in any respect. If we want teachers something like this will have to be done to get them.

Amendment No. 5 would change the membership of the Veterans' Land Board, and increase the Veterans Land Fund by \$100 million. The law we now have is working smoothly and to the benefit of veterans who served in the armed forces subsequent to 1945, but, we are told, there are thousands of applicants waiting for funds to be made available so they can invest in Texas lands. The governor and attorney general of the state now "serve" on more than 30 boards of one kind or another, which they can't give attention if they handle their own jobs efficiently. They would be taken off this board, if this amendment were adopted. It is a good move and should be voted "For."

Oath of Office. Forms of the oath of office for appointive officers, as now required by Texas statute are not realistic. The appointee now takes an oath that he hasn't violated election laws of the state in connection with obtaining his appointment, the same as an elective officer. The new rule would require the appointee to swear he has not offered nor paid a bribe to obtain his appointment.

Amendment No. 7 would change the present cruel law so that persons of unsound mind would not have to be "tried by jury." A person of unsound mind is a sick person, not a guilty one. To parade his misfortune before a hastily assembled "jury" harkens back to medieval times. The legislature is required to make effective protection under this change to protect the helpless against being "railroaded" to an institution.

Vote November 13. A week from general election day a special election will be held. The vote is to be held at that time due to an error in setting the date. It was intended to be set for general election day. Voters will pass on an amendment which would empower the legislature "to provide for assistance not to exceed \$20 a month out of state funds for each needy individual, 18 years of age or older, who is a resident of the State of Texas, who is permanently and totally disabled by reason of his mental or physical handicap." Doubtless there will be some scandal and skulduggery in administering this provision, if adopted, but it also will do right by many thousands of unfortunates, some whom you may know.

Hang Up Too Soon? Permit us to suggest a little better practice in your telephone manners. Since it seems to be the practice now (more than usual?) to tell people what they ought to do and how, we hint that you let the telephone ring one more time before you hang up. It is quite possible, in the first place, that your would-be listener is not as anxious as you are to have a conversation. He or she may be relaxing, watching the sunset or something, from the back porch, on in the play room; or having a conversation going that is hard to break off, or watering the plants, or feeding the chickens, or frying bacon—no telling what. It's your summons to the telephone, not theirs. Be courteous give them time to get to the telephone without being too breathless to talk when they get there—and hear your telephone go "clack" as you hang up in their ears.

FHA To Execute Reduced Freight Certificate Forms

Walter T. McKay, the agency's State Director, was advised today of the designation of Farmers Home Administration to execute certification forms in connection with reduced freight rates recently worked out between the President and railroad representatives to further assist farmers and stockmen in drought stricken areas. This revised tariff provides for a reduction of 50 percent in the freight rate of hay ferried to destination due to the drought, and applies only in connection with hay purchases of individuals who are entitled to assistance under the Hay and Roughage program.

Farmers Home Administration is authorized to execute certificates in behalf of farmers and ranchers only. Details of the program and forms required may be obtained from local county Farmers Home Administration offices.

NEXT VISIT OF SOCIAL SECURITY MAN NOVEMBER 6

A representative of the Lubbock Social Security Office will be in Floydada on Nov. 6 at 9:30 a. m. at the Courthouse, Room 106, and will be glad to assist in all matters pertaining to Social Security.

Some elderly couples will receive their social security benefits this month combined into a single family-check, John G. Hutton, district manager of the Lubbock, Texas, social security office announced today. Wives of retired workers who filed their claims within the last month or so will have their benefit amounts combined with their husbands' old-age and survivors insurance benefits, if they are living at the same address, and are not entitled to old-age insurance benefits based upon their own work records.

TECH HOMECOMING DAYS FRIDAY - SATURDAY, NOV. 2 - 3

BALLOT SCRATCHING — While
 candidates and campaign camps are
 busy "scratching" for votes, voters
 are busy learning how to "scratch"
 ballots.
 Ballot scratching is legal. You
 don't have to vote the straight
 Democratic ticket, or the straight
 Republican ticket.
 All you have to do to scratch a
 ballot is to cross out or draw a line
 through the name of the candidate
 you do not want to vote for, and
 leave unmarked the names of the
 candidates for whom you do want
 to vote. Just be sure you vote for
 only one candidate for each office.
 It's as simple as that.
 Machine voting is even simpler.
 All you do is pull the lever by the
 name of the candidate you want to
 vote for, in whatever columns you
 choose. The machines are so design-
 ed that you can vote for one candi-
 date for any office.
 If you want to vote for a candi-
 date whose name does not appear
 on the printed ballot, you can write
 his name in — in the write-in col-
 umn, which is provided for that
 purpose. Such a column appears
 both on the paper ballots and the
 machine ballots. On the paper bal-
 lots you should scratch out the
 names of all other candidates for
 that same office.
 Election laws say that your write-
 in ballot will be counted even
 though your spelling may not be
 exactly correct — and even the last
 name of the candidate is sufficient.
NAACP BAN GRANTED — Pending
 further court tests, the NAACP
 is out of business in Texas. After a
 tedious five-week hearing, Tyler
 Dist. Judge Otis T. Dunaag granted
 a temporary injunction sought by
 the state against the NAACP.
STATE LOSES LAND CASE —
 Private owners won out in an argu-
 ment with the state over what con-
 stitutes "submerged land."
 Texas Supreme Court ruled that
 "ordinary high tide" rather than
 "highest tide" is the determining
 factor. As a result, private owners

 More than 99 per cent of Texas counties now are eligible for emergency drought relief.

West Texas State Homecoming Date Is November 17

CANYON — The day of the old grad — Homecoming — has been set at West Texas State College. The annual celebration for ex-students, highlighted by a reunion of the silver anniversary class of 1931, will be held Nov. 17.
 Scheduled later in the year than usual, the celebration will feature day-time events, centered around the afternoon football game between WT's Buffaloes and the Texas Western Miners.
 Since nearly 6,000 persons dined last year on the outdoor cooked beefs, financing of the feast by contributions has had to be abandoned. A uniform price of 50 cents a plate will be charged this year.
 Main calendar of events for the day includes registration at 8 a. m.; the Homecoming parade at 10:30 a. m.; the barbecue at noon; the game at 2 p. m.; club teas, smokers and parties at 4:30 p. m., and the traditional dance at 8 p. m.

Determined Whirlwinds Defeat Slaton With Fine Performance

The Floydada Whirlwinds were not to be denied Friday night as they downed the Slaton Tigers 25 to 6 in the Tigers' own lair. The fired up Winds played the best ball they have shown this season with good blocking, hard sharp tackling and smart football. To the onlooker the game did not seem as close as the score would indicate.

Fullback Robert Stovall looked like his old self as he played like a demon on defense. Beside being in on a large percentage of tackles Stovall also called defensive signals like a field general as the Winds bottled up the Tiger attack most of the night.

Quarterback Ronnie Downing engineered the offensive efforts of the Floydada team in effective fashion and also came in with three pass interceptions for the night.

Floydada punting has been good all season, but Gary Huckabay and Bill Patterson out-did themselves Friday night as they kicked the Tigers into hole after hole with their educated toes. Patterson sent one punt to the Tiger four and another died on the one foot line.

STATISTICS of the game do not tell the true story as the Winds scored quickly when they had the ball and Slaton receiving repeated kickoffs was able to run more offensive plays than the locals.

Slaton accounted for 10 first downs, 111 yards rushing, 33 yards passing, and was penalized 45 yards. Floydada made 12 first downs, 124 yards rushing (from scrimmage), 67 yards passing, and was penalized 45 yards.

Pass interception run backs, punt returns, and kickoff returns though not tabulated accounted for about as much yardage for the green and white as did the play from scrimmage.

Big ground gainer for the night was Gary Huckabay who ran for 94 yards on 11 carries. Jerry Jones led the Tiger attack with 35 yards in 11 tries.

OPENING the game Floydada received and Stovall took Douglas Corley's kick on the 10 and returned it to the 25. The Winds then set sail for a 75-yard march to the Tiger goal with Huckabay, Stovall and Colley carrying and Colley and Downing passing to advance steadily to the Slaton 5. Huckabay banged over for the score. One long gainer enroute was a Colley to Beedy pass which went for 20 yards. Teague's kick failed and the score was 6-0.

The Winds then kicked off and held the Slaton team and punts were exchanged across the mid-field section. Huckabay punted from his 18 to the Slaton 44 and the Tigers started an offensive drive which appeared stalled at the Floydada 49. Slaton punted to the Floydada 15, but a Floydada lineman charging hard to block the kick was unable to check his advance completely and brushed the punter. The officials called roughing the kicker and gave Slaton a first on the Floydada 34.

THE SLATON offensive worked to inside the 10 before a pass by Corley found its mark on the Whirlwind goal. A running attempt for the point after failed and the score was tied at 6-6.

Slaton kicked off and held the locals at the Floydada 43 where Huckabay punted over the Tiger goal. Putting the ball in play on their 20 Slaton took to the air and Ronnie Downing pulled down a Tiger toss on the 35 and ran it to the four where he was tackled. Stovall then banged it across on the first try. A fumble on the point play left the score at 12-6.

The remainder of the second quarter was spent in mostly defensive play with punts and intercepted passes changing possession of the ball. Beedy intercepted on the Slaton 25 to give the locals another scoring chance which was lost when Slaton returned the favor a few plays later just before the half ended.

IN THE third period Floydada really turned on the steam, scoring two TD's and having a third called back because of a penalty.

The Winds got possession on the Slaton 31 when Beedy recovered a fumble at that point. Floydada lost this chance however when they fumbled on the Tiger 25. Colley then took a Slaton punt on the 35 and returned it to the 31. This drive died, too, however, when a 13-yard penalty stopped the green and white. Don Colley scored from the 5, but the penalty nullified the score. The ball went over to Slaton on their 17 when Floydada could not overcome the penalty yardage.

Downing soon put the ball back into Whirlwind hands a few plays later when he intercepted on the 15 and carried over for the score. Huckabay drove over for the point after and the score was 19-6.

FOLLOWING the kickoff by Floydada, Slaton was held for downs on their 25 and was forced to punt. The kick went short to the 38 where the Winds put it in play. After short yardage was gained, Don Colley passed down the sideline to Buttons Beedy for the final score. The point failed on a running attempt, and the scoring was over at 25-6.

Practically all of the Whirlwinds saw service in the third and fourth quarters and most of the final frame was a battle of reserve units. Colley turned in a fine punt return and Floydada advanced to the Slaton 33 at one time to lose the ball on a fumble. Downing stopped a Slaton offensive when he intercepted on the Winds 25.

Bill Patterson turned in one of his sensational kicks when he punted from the Slaton 49 to their 1 foot line. Gary Huckabay stopped the Tigers final offensive with an interception on the Floydada 40 just before the game ended.

Whirlwind Back — Weight 170

Stanley Grant, Don Vickers, Billy Keeling, Vaughn Ginn and Buttons Beedy were starters.

Ronnie Downing, James Teague, Jerry Patterson, Danny Shipley, David Mount, Bill Patterson, Ranny Vickers, Alton Ginn, Bill Orman, Bill Smith, Bob Deik, and Keith Hollums all saw plenty of service.

Grant Cooper was in uniform but was not used as he had been sick. Buddy Waits did not get to suit out because of illness. Leon Williams, Billy Gilliland and Roy Hartman all had injuries which kept them from the fray. Two or three of the Winds who were raring to go were missed in the excitement of making substitutions and did not get into the action as time ran out before all could be checked in.

Keim's Brother John, Of Tulia, Died Last Week

Funeral service for John Webster Keim, 71, of Tulia, and brother of A. B. Keim of this city, was conducted last Wednesday afternoon in the First Methodist Church of Tulia with Rev. O. B. Herring, pastor, officiating, assisted by Rev. Alby J. Cockrell, pastor of the Hereford Methodist Church. Interment was in Rose Hill Cemetery under the direction of Wallace Funeral Home of Tulia. Mr. Keim died at his home in Tulia Tuesday morning following a lengthy illness. Keim was born March 19, 1885, at Sabetha, Nemaha County, Kansas. He moved with his family to Texas in September, 1907, and settled at

Tulia where he lived until his death. He married Miss Susie Frye on Dec. 22, 1914, in Tulia. Mr. Keim was a farmer and stockman east of Tulia until poor health forced him to retire and move to town. He had been a member of the Methodist Church for many years. Survivors include his wife; two sons, Joe Keim of Plano and Jack Keim of Tulia; two daughters, Mrs. Ed Spann of Phillips and Mrs. W. H. Patterson of Plainview; ten grandchildren; three brothers, Arno B. Keim of Floydada, Lee Keim of Manhattan, Kan., and Dewey Keim of Vista, Calif.; two sisters, Mrs. O. J. Lady of Kress and Mrs. Dennis Zimmerman of Tulia. Pallbearers were Terrell Braly, Clyde Wilkins, R. K. Brooks, Rex Aycock, D. A. Dawson and Cephus Prowers. Attending the final rites from Floydada were Mr. and Mrs. A. B. Keim, Mr. and Mrs. Ham Smith Jr. and children; Mr. and Mrs. Russell King. Those from this city paying respects to the family but unable to attend the funeral included Mr. and

Land Hill News

(By Mrs. James Jeffress) SAND HILL, Oct. 29 — Everything is running smoothly in the community this week. The harvest is coming along nicely. The frost Friday didn't do much damage. Some of the top leaves of the cotton were killed. Some are hoping for a killing frost so they can start their strippers. Mrs. J. T. Spears and Mrs. James Jeffress attended a toy demonstration in the council room last Monday given by the agent, Mrs. Brummett. The Sand Hill Club met Wednesday afternoon at the club room, with Mrs. M. B. Swanner calling the meeting to order. Roll call was answered with Crafts that were made. The council report was given by Mrs. James Jeffress. It was announced that the Harvest Parade Tea and Style Show will be held Nov. 8 at 2 o'clock at the Harmony club house. Models from the club will be Mrs. Lynn Miller, Orba Miller, Arlon Miller, J. T. Spears, and Walter Knight. The children will be Janis Spears and Maybelle Myrick. We're hoping also to have Janet Miller and Norma Sue Hollums from the 4-H club. Those volunteering to attend the work simplification workshop on Nov. 14-15 were Mrs. Lynn Miller and Mrs. Arlon Miller. Names were drawn for the Xmas party by all members present. A Thanksgiving supper is being planned for Nov. 23. The complete plans will be later. A menu committee was appointed. They were Mrs. J. T. Spears, Mrs. H. F. Jackson and Mrs. James Jeffress. Mrs. Zant Scott was the guest

speaker of the afternoon. She gave an interesting report on her trip to San Antonio and the national and state meetings. Mrs. Arlon Miller gave an interesting demonstration on toys and a large number was shown. The hostess for the afternoon was Mrs. C. B. Carmack. She served a Halloween plate to Mmes. M. B. Swanner, Pat Bullock, Orba Miller, Arlon Miller, James Jeffress, Lynn Miller, J. T. Spears, Wayne Billington, H. F. Jackson, T. C. Hollums and two visitors, Mrs. Zant Scott and Mrs. Veril Miller. It was announced that the next meeting will be combined with a Stanley Party on Thursday, Nov. 15. Let's all remember this important meeting and try to attend. Verlon Spears has been visiting this week in the home of his son, Mr. and Mrs. J. T. Spears and family. A short business meeting was held Wednesday night before prayer meeting. Plans were made for the church's homecoming program. Committees were appointed. Those serving are Joe Earp and Mrs. J. M. Williams, music program, M. B. Swanner and Dale Stringer, Ernest Baird and E. O. Adams, Mrs. Joe Earp and Mrs. James Jeffress, food; J. M. Williams and James Jeffress, place, and Mrs. M. B. Swanner and Mrs. J. T. Spears are on the lower committee. This will be an all-day meeting. Everyone is invited to come and visit the church and have fellowship with us. Bro. Larry Young will hold services Sunday morning. There will be a basket lunch at the school house for the noon meal. Let's all remember the date, Nov. 4, at the Sand Hill Baptist Church. I hope everyone saw Johnny and Janis Spears and Judy Bullocks on TV Saturday afternoon on Saturday Playtime. They were all real cute and looked good. Mrs. J. T. Spears and Mrs. R. L. Bullock accompanied the children to Lubbock. "Fun Night" was a big success at the Sand Hill school Friday night. Everyone had a big time. In fact it was announced that this was the largest crowd that had been at the school in a long time. A good program was presented by the children. Sue Shurbet was crowned queen. Johnny Spears won the costume prize in the children's contest. They didn't have the adult contest. It seems that everyone thinks there should be a get-together in the community. There will be a slumber party in the home of Bro. and Mrs. E. O. Adams for the young ladies class of the church. Bro. Adams asks if anyone has an extra bed, he might need it. The party will begin after the ballgame. The young married couples class of the church elected new officers Sunday night. They are James Jeffress, president, Mrs. E. O. Adams, secretary, Mrs. J. T. Spears, group captain, Mr. and Mrs. J. T. Spears, social chairmen and Mrs. James Jeffress, Bible quiz leader. We are happy to see Molly Earp back again after her seizure in the hospital last week. We hope her health continues to improve. We

Good Attendance Marks 'Fun Night'

Mrs. Hollis McLain, chairman of the "Fun Night" festival held last Friday night at the Sand Hill school house, reports this week that a good crowd was in attendance for the occasion. The room mothers set up booths that interested young and old and as a main feature was a "spook room". Tables were set up for domino playing and cake, pie, doughnuts, coffee and cold drinks were sold in the cafeteria. Mrs. McLain would like to thank all those who sent cakes and pies and those who helped in any way to make the occasion a success. Proceeds from "Fun Night" will be used by the school for future programs, parties, etc.

missed her in church services. It was reported that Mrs. Holmes was doing as well as could be expected. Granny fell and broke her hip about two weeks ago. She has been in the Crum Clinic in Lockney. I know she would enjoy a card from all her friends in the community. The young ladies class in Sunday school won the banner Sunday for having the largest grade in the past month. The beginners were only one point behind. We are proud of all the classes. Mrs. Lynn Miller was in Plainview Saturday on business. The latest report on Ronnie Miller is he is much improved after his illness. We hope he continues.

"God's Saturday Night" will be held Saturday night at the Sand Hill Baptist Church at 7:30 o'clock. All you young people make plans to attend. Mr. and Mrs. James Jeffress spent Sunday visiting her sister, Mr. and Mrs. Dan Watkins in Baileyboro. Jim Holmes and Chuck Holmes spent the week end at Possum Kingdom enjoying themselves and working a little. Mr. and Mrs. W. R. Billington spent Sunday visiting in the home of their daughter, Mr. and Mrs. Ross Vandell and family in Plainview. W.M.U. met Monday afternoon at the church. The ladies cleaned the church for homecoming before the meeting. Those attending were Mesdames M. B. Swanner, Tom Thomas, Chuck Holmes, Joe Earp, Oly Baird, and Mrs. E. O. Adams. The next meeting will be Nov. 5 at the church. Mr. and Mrs. Monroe Schulz attended the homecoming at the Posey Lutheran Church Sunday. Then visited in the home of her parents, Mr. and Mrs. E. H. Forester. Mrs. J. M. Williams and Mrs. Roy Slater were hostesses to their Junior class Monday night at a Halloween party in the home of Mrs. Slater. Games were enjoyed by all and refreshments were served. Attending were Norma Sue Hollums, Janice Miller, Beverly Jeffress, Brad Earp, Roger and Darrell Adams, Souja Guffee, Judy Williams, J. M. Williams and Roy Slater. CROSBYTON — Mr. and Mrs. Lloyd Meyers of Floydada have a son, Choyd Wayne, weighing 6 lbs. 8 ozs., born at 4:35 p. m. Oct. 23 in the Crosbyton hospital.

WITH THE HOLIDAY SEASON DRAWING NEAR

Many families are already thinking of visiting with their relatives at Thanksgiving time or at Christmas time... Others are looking forward to having friends or relatives in their home during these gay and festive days.

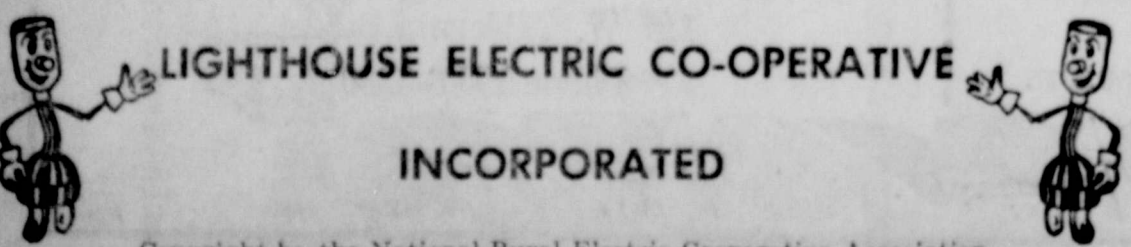

For all, of course, it should be a time of enjoying the company of those loved ones and of feasting and giving thanks.

And where does electricity come into this picture you may ask?

Well the house wife can quickly give the answer. For those with the modern electric automatic appliances in their home, house guests are a small problem. The lady of the house can enjoy her guests along with the rest of the family and still keep everybody happy.

But where appliances (especially in the kitchen) are out of date and not performing properly... then mom may not be having the time of her life like dad and the kids usually do.

Check over your home — see if you need something new before the holiday season. And remember electricity is your most economical servant.

Do you Object to the Increase in Machinery Prices?

Any farmer's dislike of increasing prices on farm machinery and implements is understandable.

What is the greatest single factor that accounts for this constant increase in prices of farming equipment? It is LABOR.

Labor is showing an appetite that cannot be satisfied in its demands for higher and even higher wages, its numerous fringe benefits. Who pays for all of this? The CONSUMER

Which political party openly proclaims that it is the champion of labor groups? The DEMOCRATS.

Where, then, shall we place the blame for uncontrolled labor demands, which explain the rapidly rising costs of all machinery, automobiles and trucks? At the door of the DEMOCRATS.

VOTE FOR IKL

—Pol. Adv. Paid for by Texans for Eisenhower

For the Farmer

In the first place, most people who own and operate farms and ranches are there because, however tough and confining the work, that's what they would rather do than anything in the world. They're not there primarily to get rich, although their investment certainly warrants them a decent living. They're there to live and raise their families next to the soil.

They are proud, too, these small farmers. Proud of their independence and proud of the land they hold. That's why the price of land is dear even in the face of farm depression and drought as it exists today. Their land is more than a piece of property and a title; it is a symbol of their freedom to live and work as they choose.

Should this freedom ever be infringed on through monopolistic greed, the food and fibre resources of this nation would be in grave danger. More than that, the millions of small businessmen who owe their survival directly to circulating farm economy would be dashed to ruin. And when it gets right down to

One of the world's largest single pieces of precision mechanized equipment, a 300-foot rotary kiln for the manufacture of cement, is being completed at the Texas Portland Cement Plant at Orange, Texas.

The kiln will convert oyster shells into regular and special types of cement. Those responsible for engineering and constructing the facility have designated it as "the world's most modern cement plant".

doing the chores and planting and harvesting the crops, there must be a farmer on the spot to do it. Would these high-minded revolutionists re-instate tenant farming to solve a labor problem on large, corporation controlled farms?

The independent farmer who grew up from the nightmare of tenancy through his own honest effort and the processes of a democratic government does not desire to release what he has gained. Nor does he want to become a "hired hand" in a "large arm" system.

Whatever the times are, the small farmer has a vital place in them. So long as America is free, it will be that way.

As A Farm Woman Thinks
(Nellie Witt Spikes)

Although I did not think a freeze was coming, I listened to the weather forecasters and gathered the tomatoes and the pepper. The chow-chow is ready to go in the jars and this will end up the long canning season.

I could not give you a recipe for the way I make chow-chow but in years of trying I have found that too much cabbage does not make for the best product. I grind the tomatoes, strain out the juice and pour water over them then strain through a thin cloth. I like red and green sweet peppers.

Try to make four parts of tomatoes, peppers, onions and cabbage. Salt and vinegar are added and the product is cooked some thirty minutes at low heat.

Not much of a recipe, I know but it gives you a start and you can add or take from as you like. Green sweet peppers, or hot ones, and onions make a fine relish, too. Red peppers make relishes so much more attractive.

The blackeyed peas are about four inches long and the smell of frost is near. I have watered some cucumber vines and now have about four little cucumbers. They will not pay for the water but I have had the pleasure of watching them grow. Turnips are beginning to pay off and the leaf lettuce is fine. Takes a lot of time to wash greens but they are worth it to us.

WAYLAND HOMECOMING

PLAINVIEW — Homecoming dates at Wayland College have been set for Nov. 23-24, according to Claude Cone, Lubbock, vice-president of Student Government Association and chairman of the festivities.

All former students are cordially invited by Student Government Association to join with the students in making this Wayland's greatest Homecoming, according to Bill Webb, president of SGA.

Lowell remarked at the difference of the last four years in the traveling public. "Three and four years ago," he said, "when people stopped for a room all they wanted to know was one available. Then they asked how much. Now the first thing they ask, is how much is the room?"

Lowell has such a lovely setting near the Veterans Hospital. From the windows of his office you can catch the blue of the Canadian lakes. His cottages are separate and are set around a curve of a small rise. Makes one think he is in his own home for the night, or for the week or so he may be there.

I did not know little James Ronald Ellison but my heart goes out in sympathy to those who loved him and these words are for their comfort:

Ere sin could blight or sorrow fade,
Death came with friendly care;
The opening bud to heaven conveyed,
And bade it blossom there.

A woman told me that the old adage to "grin and endure it" has been changed to "watch the grin and endure it."

Hope Bert Travis is better and soon able to be up and at home again.

Don't forget to put out those rose cuttings you had planned. Now is a good time as you can see what kind of rose you want as most of them are in bloom.

What's the Electrical Date in Your Home?

Your home, you say, is 1956 all the way through... and, well it might be... but, then again, the wiring may be of 1926 vintage. True, electrical contractors, builders and others interested in your welfare are making special efforts these days to put 1956 wiring in the newer homes. But, there's many a home, modern to the hilt... except for the wiring. So, if your home was built prior to 1956 and you'd like to bring it up-to-date, it takes just a telephone call to talk to a qualified electrical contractor. After he's finished working you'll have a home that will be electrically modern for years to come. Too, you'll be able to use all the exciting electric appliances now on the market... and yet to be discovered.

Election Board To Tell General Election Story

That complete returns of the general election Tuesday will be tallied and reported by the newspapers of the county, working with County Clerk Margaret Collier, is one of the high probabilities.

At least all the returns available will be posted on The Hesperian's bulletin board Tuesday night and tabulated in the newspaper offices.

The Hesperian will report the county vote to the Texas Election Bureau, state-wide election reporting organization.

Actually how much interest there is over the county in the results of the election is difficult to forecast. People who are farming are busy in the harvest and it is not easy to estimate how many of them will take time out and vote.

Friday night.

In the August run-off primary when 36 absentee ballots were cast the total vote for governor was 1919. In the first primary when 170 absentees cast ballots there were 3322 votes cast in the governor's race.

THIS WOULD make a reasonable guess at the probable vote next Tuesday run to a figure around 2,600.

A sudden flare up of more general interest could add more to this figure. Weather could take a hand as well. The possible voting strength of the county is in the neighborhood of 4,000 votes.

Whatever the figure and whoever the winner as much of the total county vote on the presidential race and on the amendments as possible will be assembled and posted on The Hesperian's only slightly rained on election board in front of the office, snow rain and cold permitting.

Miss Collier announced that her office will be open until 10 o'clock or thereabouts on election night to receive returns.

Two Floydada Men Hurt In Accident

Ross McWilliams of Tularosa, N. M., and Jackie Myrick of Alamogordo, N. M., son-in-law and son of Mr. and Mrs. Henry Myrick of this city, received injuries in an accident Monday morning around 11 o'clock at White Sands Air Force Base.

The two men were taking down carpenter forms when the wrong one was moved causing all to fall on them.

McWilliams received cuts and bruises on his head and body and was dismissed from the Alamogordo Hospital Monday afternoon.

Myrick received several cracked discs in his back and was to be put in a cast yesterday or today. He will be in the Alamogordo Hospital for 10 days or two weeks depending on how his condition improves.

TEMPERATURE READINGS

High temperature in Floydada for the week was recorded Monday with a reading of 76 degrees.

Low was recorded last Friday morning with a reading of 38 degrees.

Yesterday's reading at 2:00 o'clock was 68 and low for the day was 35.

A cold front moved across West Texas Monday triggering hail, wind, dust and rain storms in various areas. In Floydada 1.0 rain was reported Monday evening around 7 o'clock with high winds all day Monday and Monday evening.

Frost is beginning to leave evidence of its arrival on leaves in fields and gardens over Floyd County.

Mr. and Mrs. Robert Ward and their respective families entertained the Ward's son, Randy, on his first birthday Monday evening. The traditional birthday cake was served to Mr. and Mrs. Mac Ward and son, Richard, R. C. Dreanan, Mr. and Mrs. R. C. Bullock and children and Mr. and Mrs. Dan Gross and Angela.

Mr. and Mrs. Gayle Mayo and son, Larry, were week-end visitors in the home of Mrs. Mayo's mother, Mrs. Claude Johnson of Marlin. Gayle and Larry attended the Texas A & M and Baylor football game in Waco Saturday evening.

Mr. and Mrs. T. E. Adcock of Antlers, Okla., are visitors in the home of Mrs. Adcock's son and family, Mr. and Mrs. Greer Christian and sons, Bobby, Charles and Joe, and with Mrs. Adcock's sister, Mrs. Flynn Thegard, who is a patient in Pitts Hospital.

Early Automobile Safety Inspection Figures Way Low

Getting early automobile safety inspections may mean the difference between life and death, according to G. C. Morris, executive secretary of the Highway Safety Council.

During the first month of the current inspection period, which will run through April 15, only 4 per cent of the registered vehicles in Texas had been inspected.

"The importance of inspections has been proven by Department of Public Safety statistics," Morris said. "In 1961, before the inspection law went into effect, mechanical defects were a causative factor in 19 per cent of the fatal accidents in Texas. Last year, that figure had been reduced to 5 per cent."

"These figures show beyond a doubt that a person whose car is in good mechanical condition is much less likely to be involved in a fatal accident," Morris said. "A person who waits until the last minute to get his car inspected is taking a dangerous gamble with his own life."

Last year, 43 per cent of the vehicles inspected in Texas needed some adjustment or repair, and the average cost for such services was only eighty-eight cents, according to the Department of Public Safety.

Dinner guests in the A. V. Womack home Sunday were Mr. and Mrs. Tom Thomas, Mrs. R. L. Hunkson and son Bruce, Mr. and Mrs. Roy Teague, Jennifer and Brad, Mr. and Mrs. Bill Womack and Rickey, Jack and Layton Mayes.

Mayo Is Promised New Models Soon

Numerous Dodge and Plymouth dealers of this area are minus new models of these automobiles that they were assured by the factory they would have on the floor Tuesday of this week.

Among these is the Mayo Motor Company. Extensive plans for the showing had been made and pre-show announcement was made last week.

A wildcat strike is credited with cheating the dealers out of their new models for the show date.

Early remedy of the situation has been promised him, Mr. Mayo said.

Hunting Water Fowl Is Legal Friday Morning

Although duck season opens Friday morning of this week, Nov. 2, the sale of Migratory Water Fowl stamps, needed for a hunter to engage in the sport of duck hunting, has been mighty light at Floydada Post Office, Postmaster Edward Wester said.

And Why? The answer: While there are plenty of ducks the wet season lakes are few and far between—no water refuges.

A hunter has to have a Texas hunting license if he hunts outside of his home county. Wherever he hunts he must have the permission of the land owner.

Both duck and geese hunting begins a half-hour before sunrise Friday. Duck season lasts through January 15, geese season through December 21.

Bag limit for ducks is five per day and 10 in possession, for geese five per day and five in possession.

Center News

(By Mrs. J. E. Green)

CENTER, Oct. 28 — Weather is getting cooler and cooler each morning. Today is Halloween and not a heavy frost here yet. So good on harvest.

We had a light shower Monday night which suspended our revival church service, all but the prayer meeting.

Bro. and Mrs. Ken Coffey and baby Rea and Miss Nancy Coffey, pianist for the revival, were Sunday dinner guests of Mr. and Mrs. R. C. Ross.

Bro. and Mrs. John Forsman, Wayland, and his mother, Mrs. C. V. Forsman of Pampa were Sunday dinner guests of the Greens.

Don Clark Green of Big Spring visited home folks, the J. E. Greens, over the weekend.

Mr. and Mrs. Kenneth Robertson, who have moved back from the Houston area, visited his home folks the J. R. Robertsons, Sunday afternoon.

Mr. and Mrs. Leo Frizzell were Sunday dinner guests of Mrs. W. M. Jackson.

Visitors in the Elmer Warren home Sunday were his mother, and his brother, Dorsey Warren, of Floydada. The brother attended church services here Sunday, also.

Mrs. Frank Morris is very ill in the Plainview hospital. Among Center visitors of Mrs. Morris and her attending relatives were Mr. and Mrs. Green on Saturday afternoon, and Mr. and Mrs. Doyle Sandefur on Sunday afternoon.

Mr. and Mrs. Green also visited Mr. and Mrs. Victor Green and Jimmy Saturday afternoon.

Mr. and Mrs. J. D. Welborn and girls visited in La Fors with her mother and brother over the week end.

Sandra Huckabee had as a Sunday dinner guest her cousin, Alice Myrick, of Sand Hill.

Mr. and Mrs. Huckabee and the girls visited Sunday afternoon with his mother and sisters, Mrs. W. A. Huckabee, Mrs. Warren and Miss Eula, Grandmother Huckabee, who has been ill so long & very much the same.

The revival at Center Church services will be every night this week except Saturday, and thru Sunday night. Everybody come.

BOY SCOUTS SPEND NIGHT ON LAKE NEAR SNYDER

Eighteen members of Boy Scout Troop No. 57 spent Saturday afternoon and night last on Lake Thomas southwest of Snyder, where they had a good time despite high winds that kept fishing to the minimum.

Assistant Scoutmaster Elza Gullion, along with Kinder Farris, Winfred Payne and R. Q. Bodkins were the adults who made the jaunt with the boys.

HALF-MINUTE INTERVIEWS

Grover Smith: Twenty big trucks of silage passed the stock pens the other morning, practically one right after the other, eastward bound.

AGILITY—Every basic trainee in the Army is faced with this.

Parks is Elected President Texas Utilities League

J. D. Parks, manager of Floydada municipal utilities, was last week elected president of Texas Municipal Utilities League at their Lubbock meeting. Parks had served the group the past year as a vice-president and was elevated to the top spot at this session.

Floydada city officials said the election of a local man to such a post represented quite an honor, and also passed along praise for Parks' part on the program this year. He had earlier addressed the group discussing utility problems.

The utilities league is a part of the league of Texas municipalities which held its annual state convention in Lubbock Oct. 25 - 27.

Among others to attend from Floydada were Mayor Lewis Norman and Councilmen Leonard Matiser and Parnell Powell.

Troth Revealed

Mr. and Mrs. L. A. Pate of Floydada are announcing the engagement and approaching marriage of their daughter, Bo Dean, to Roger Poage, son of Mr. and Mrs. Earl Poage of Olton, formerly of Floydada.

Wedding vows will be read Dec. 1, in the First Baptist Church in Floydada.

Mr. and Mrs. W. J. Carr and Mr. and Mrs. James Carr, all of Oklahoma City, Okla., and Mr. and Mrs. Walter Harris and children of Merkel were week-end visitors in the homes of Mrs. Della J. Carr, Mr. and Mrs. Marvin Hargis, Mr. and Mrs. Mathier Carr of the Harmony Community, Mrs. Mary Hendricks and Mrs. Maggie Maybew.

Methodist Youth Fellowship News

Sunday Oct. 28, Mrs. L. L. Clark Jr. taught the Sunday school lesson from the 23rd Psalm. Vanda Carter brought a very good devotion.

Sunday evening Keith Armstrong talked on "Why People Drink." Sonja Beth Wilson talked on "Making a Decision." Gaynell Booth and Ann Word gave a report on the alcohol problem of this community after talking with a city officer.

All the talks were well given and enjoyed by everyone present. The study on alcohol will continue through November.

The Youth have the choir on Sunday evening. This past week the special was "I know the Lord's Laid His Hands On Me."

The Youth enjoyed the film "The Choice" Sunday evening. This went along with their study.

Wednesday evening the Youth will work for "CROP." This is done through trick or treat. Youth all over the nation will be working together for this wonderful project. After the youth finish with their work the women of the church will serve refreshments. After trick and treat is completed the council will meet and make plans for the work in November.

Last week at council meeting 12 youth were present to help complete plans for this week's work.

A district meeting is planned for Nov. 3 at Hale Center. Let's make plans now to attend this meeting. The district meeting will be here in January.

If you wish to be with a group that is always busy doing something, just come to MYP and you will have a part in all the work they are doing. Visitors are always welcome.

We are glad that Bobby Christian is home from the hospital. We have missed Bobby these few days he was out of circulation.

CARD OF THANKS

We would like to express our thanks to all of those who sent gifts to our bridal shower recently but we especially want to say "Thank You" to those who sent the beautiful bedspread from R "n" R Fashions. In moving our gifts the card was lost from this package.

Mr. and Mrs. Dennis Wilks

Harold Berry and family of Amarillo and Mr. and Mrs. Tubal Cain of Canyon spent Sunday in the C. L. Berry home.

Your Vote for IKE and PAPPY... is a Vote for GOOD GOVERNMENT

(Political Adv. Paid For by W. Lee O'Daniel)

The Last Roundup

- The Republicans promised you economy in government, BUT
 - The government debt is now 5.5 billion more than 1952. Truman reduced the government debt by 12 billion in his administration.
 - Interest on the government debt has risen by 1 billion per year since 1952. Incidentally, the entire cost of the farm price support program since its inception totals only a little more than 1 billion; tax write-off subsidies granted power companies as of July 31, 1956 totaled 4-1/4 billions, while the total loaned to R. E. A. in the same period, to be paid back with interest, totaled only 2-1/4 billion.
- The Republicans say it is no coincidence that the last three wars occurred in Democratic administrations. Those three wars were defensive wars on our part, and their grim necessity in the national interest cannot be denied by any person of mature judgment and moral courage. The only offensive war ever started by America was the Spanish-American War, in Republican McKinley's administration.
- If Nixon rated an \$18,000 slush fund and one dog as a Senator, what does he now rate as Vice President, and what will he rate if he becomes President?
- With big business profits up 61%, small business profits down 52% and farm income down 26%, with 91% of all Republican tax cuts going to only the top 9% of the tax payers, with the cost of living at its highest level in the history of the country, with consumer debt (homes, cars etc.) up from 20 billion to almost 40 billion, and with farm debt up 2.4 billion, the Republicans have, in the past 3 years, demonstrated their unchanging philosophy that America exists for the primary benefit of the top 10%, and that the other 90% of us can live off the leavings. You live in a farm and small business territory—its prosperity is your prosperity. Vote your economic interests, just as Secretary of the Treasury George Humphrey does; he twice opposed construction of the St. Lawrence Seaway as an unwarranted waste of taxpayers' money, but when his company acquired iron mines in an area that would be served by the Seaway, Humphrey, with all of the prestige of his office, and with the flexibility of principle and discerning eye for private interest always characteristic of Republican statesmanship of the highest order, successfully advocated construction of the Seaway. The Republicans don't object to government assistance to the top 10%—that's encouraging free enterprise—but when you start spreading it out over the other 90%, that's creeping socialism.
- To our well-intentioned but misguided local friends moonstruck with Republican madness, we address but one question: "WHERE WERE YOU IN '32?" No answer is necessary.
