Thousand of 93 Thousand Bale Cotton Crop Still To Be Harvested

The Floyd County cotton crop for the year 1956 will pass the 93,000 bale mark of production before the gins close down for the season.

With 78,568 bales accounted for Tuesday noon, the composite guess of 17 of the 19 gin managers is that their customers have another 15,100 bales in the field.

Thus it will be seen that the bale - per - acre prediction for a remarkable cotton year is being made to come true.

The fact is that the cotton left in the field to be harvested is producing far and away above a bale per acre on the average.

The county cotton allotment for 1956 was 93,135 acres. Of this acreage 65,000 was estimated to be under irrigation, 28,135 acres on dry land.

At the county agent's office, Bill Rodgers has indicated the belief that 21,135 acres of this dry land was abandoned, leaving 7,000 acres of dry land to be harvested, or an overall total of dry land and irrigated land of 72,000 acres. This makes the average for cotton that is actually being harvested run considerably above a bale per acre.

Of the cotton now coming to the gins three-fourths of it is being gathered mechanically, but even at that the gins are keeping up with the customers. Instead of being "buried" under an avalanche of the fleecy staple 19 of the gins Tuesday had only about 350 bales on the yard, after the all-night Monday run.

Weather permitting the gins could turn out all of the 15,000 bales yet to go in five to seven days, but various customers will delay finishing for various reasons and the season is likely to run well up into December as the last straggling bales come in.

However, there appears no reason to expect the season to run past late December and it is altogether possible that all of the crop will have been harvested before Christmas. This will be an unusual circumstance, the first in the history of cotton culture in the county in fact.

Cabbage Market Seems Stronger

R. A. Sumrall, of Pharr, Texas, member of the Boler Fruit & Vegetable Company, who are operating a sorting, grading and sales agency here for several vegetable growers, said last week-end that the demand for cabbage has been more pronounced recently, carrying with it the possibility that the cabbage market may firm up a bit soon.

Sumrall was preparing to return to the valley after taking part in local operations for sometime, with J. A. Boler.

Ed Boler, junior member of the firm, is remaining here to continue with the local marketing operations. With him are Robert Ruiz and Gustavo Garza, field men for the company.

There is still a big tonnage of cabbage in Floyd County fields. Since this crop will stand cold as low as about 10 degrees above zero without damage, several fields still could be quite profitable, granted the same kind of weather prevailed as last fall.

Sumrall said that insect damage this year was extensive in some fields. One or two fields he has inspected are total losses to practical commercial marketing. "Apparently the insects built up an immunity or something. Anyhow, in spite of the efforts of the farmer the insects could not be stopped," he explained.

Besides cabbage some carrots are also moving now. Sweet corn, tomatoes and bell peppers were caught by the sneak frost in late October.

Bill Crumpton Is Hospitalized By Car-Truck Crash

W. N. Crumpton, of Floydada, injured last Friday morning six miles south of Amarillo in an automobile-truck crash, has been on the critical list ever since in Northwest Texas Hospital.

Investigating officers who went to the scene of the wreck, told Amarillo news men that Crumpton's car collided with the rear of a gravel truck driven by a Negro on the Washington Street extension toward Palo Duro Canyon.

The truck was making a left turn off the highway on to a road leading to a gravel pit. The Negro suffered lacerations and other injuries.

With few visible injuries but badly hurt internally the Floydada man was on the operating table for four hours Friday. He had a torn stomach and his liver and gall bladder were badly injured.

Mrs. Crumpton, accompanied by her father, J. Sam Hale, went to Amarillo soon after learning of the accident.

Crumpton operates a used car lot on East Houston Street in Floydada.

Cheryl Crawford Crowned Queen at Homecoming

Miss Cheryl Crawford, daughter of Mr. and Mrs. Earl Crawford, 736 West Mississippi, was crowned 1956 Homecoming Queen Friday afternoon preceding the Spur-Floydada football game at Wester field, high-lighting Floydada's homecoming celebration.

Cheryl, a 16-year-old blond haired-blue eyed senior at Floydada High School, was escorted and crowned by Bill Orman, son of Mr. and Mrs. W. L. Orman, Bill, also a senior, presented the lovely queen with a bouquet of red roses.

Queen Cheryl is an active student in Floydada High School, with her main interest in band. She has been a member of the band four years serving as drum majorette her junior and senior years.

AT THE Post-Floydada football game, Miss Crawford presented a twirling routine while the band formed a double "C" and played. This event furnished a big surprise to Cheryl, who knew nothing about the band forming her initials. While she was still in a daze, Keith Armstrong, presented her with a dozen red roses and an identification bracelet from the band.

Cheryl said she was in a daze Friday afternoon when they announced she was "Homecoming Queen."

Attendants were Miss Naomi Kiker, daughter of Mr. and Mrs. Luther Kiker, escorted by Jerry Patterson, son of Mrs. H. R. Patterson; Miss Sonja Beth Wilson, daughter of Mr. and Mrs. Woodrow Wilson, escorted by Ronnie Downing, son of Mr. and Mrs. Gordon L. Downing; and D. Lene Wikowski, daughter of Mr. and Mrs. Vernon Wikowski, escorted by Rusty Timin, son of Mr. and Mrs. John R. Timin.

No Ketchum Snow
The snow storm scheduled Monday for the plains area Tuesday night appeared to be moving off to the northeast with no moisture for this area.

Good Basketball Year Seen At FHS; First Game Friday

The Floydada Whirlwinds will open their 1956-57 basketball season Friday night, Nov. 23 at Tullia where they meet the tough Hornets. Both the girls and boys teams will see action with the first game getting underway at 7:00 p. m. The Tullia team comes here Tuesday night Nov. 27 with return matches which will open the season for Graves Gym. Seven o'clock is time for the opening whistle in these contests also.

The green and white of Floydada is expecting an above average season for their eagles. The boys team will be coached by Paul Huntington who only lost four A squadmen from his last year's team. Only one of these, Stanley Burleson, was a starter. Huntington's team finished fourth in the district behind Abernathy, Tahoka, and Spur.

NO ROSTER of the boys was available Monday, but some of those expected to turn in good performance are Don Colley, Ronnie Downing, Buddy Watts, James Teague, Bill Orman, Robert Stovall, Charles Ogden, Bill Patterson and others who saw service on the B team, or freshman or sophomore squads.

The team will have no unusually tall boys but will have fair team height from six of those named. Colley should prove a good ball handler and dribbler.

Little is known of strength of other teams of the district but it is expected to be strong all over. Abernathy, Tahoka, Spur and Slaton always play good basketball and Lockney has some fine athletes who contend.

C of C Decorations Committee Urging More Lights Down-Town

Members of the Chamber of Commerce Decorations Committee are putting their plans together for this year's Christmas decorations according to George Bickly, chairman of the committee.

The committee hopes to have all decorations in place by Dec. 1 and in time for the Toyland Parade which is set for Dec. 4. Bickly reports, City of Floydada personnel will put up the decorations as in past years.

Toyland floats for the Christmas Parade on Dec. 4 now number seven. Clement McDonald, chairman of the Parade Committee, reports that the 1956 Study Club has added their name to float entry list.

Big Homecoming event for the current crop of Floydada High School students was the crowning of the homecoming queen on the football field Friday afternoon at 2 o'clock. Here leaving the field after the ceremony is Cheryl Crawford, the queen, and her escort of serious mein, Whirlwind Bill Orman.

Meet Again in 1960

AT THE business session it was decided to hold the next homecoming in 1960. Officers elected to carry out these plans were Edward Wester,

president, Mrs. Fred Cardinal, first vice president, Mrs. Charley Lewis second vice president, Mrs. Greer Christian, secretary, and Gene Collins Jr., treasurer.

Gene Collins said Monday it appeared the homecoming was a success financially. Though some bills may not have been paid at that time it looked like there might be as much as \$150 to \$200 remaining in the treasury as a starter for the 1960 meeting.

The homecoming football game between Spur and Floydada drew one of the largest crowds of the season as more than 2500 were estimated to be present for the gridiron clash. Doubtless more would have turned out had the weather been more agreeable.

THE BARBECUE supper was served at Graves Gym where 447 were present and enjoyed the fine meal. Class reunions were held in classrooms of the high school where signs guided the exes to the group gatherings just before the big feed.

Friday morning at 10:00 o'clock the Whirlwind Quarterback Club entertained F Club members, past and present, at the high school cafeteria. Coffee, cake and cigars were passed to between 75 and 100 who met and discussed old times.

Coach Preston Wilson and ex-coaches L. F. Gresham, and J. C. Wester were among those present. Many past football greats were among those in attendance with some playing in years prior to 1920.

Morgan Chosen By Baptists On General Board

DALLAS — E. D. Morgan, Floydada layman, has been elected a member of the Executive Board for the Baptist General Convention of Texas, spokesmen said here Wednesday following the denomination's annual meeting in Corpus Christi.

The 191-member board consists of pastors, laymen and women from over the state. It meets four times a year to conduct the denomination's business between annual sessions and is the convention's most influential organization.

The board's primary purpose is to promote all phases of Texas Baptist missions, both at home and abroad, to reach the unsaved for Christ, and to teach, enlist and train the saved in giving, living and serving throughout all areas of life.

Most of the Executive Board's work is done through committees, among which are the convention's Plans and Policies Committee and the Appropriations Committee.

This quintet made FHS football history in the twenties. The camera man posed them between cups when the Quarterback Club gave their coffee for F Club Friday morning. Left to right they are John R. Shipley '23, Coach J. C. Wester 1919-27, Maurice Burke '23, L. D. Britton '24, and Bill Beedy, '22. Burke's home is in Freeport. The others live in Floyd County.

500 FHS Exes Have Grand Reunion; To Repeat in 1960

Floydada High School's first homecoming sponsored by the ex-students association was hailed a big success as the day's activities drew to a close with the dance at the VFW hall Friday night.

Under the leadership of Ernest Carter, president of the group, the program kept rolling along with few hitches as nearly five hundred guests showed up at their alma mater.

Register Shows Many Exes Here

The year of 1920 is the only post-war (World War I) year that was not represented on the register of the Floydada Ex-Students Association register Friday.

The year of 1918 had one registrant, as well as 1919 and all other post-war years right up to and including 1956.

Of the 447 persons who "joined" for the year approximately 70 per cent registered Friday morning.

Living in the most distant city of any who were present was Myra Pack Turner, who came from Long Beach, Calif., combining a visit to the scene of her high school days and a stay with relatives downstate while on a vacation from a civil service job in that city.

One ex dated back to 1903, another to 1908 and another to 1912. Other than these the intervening years to 1917 and 1918 had none.

Classes which had no registrants with addresses other than Floydada were 1944, 1947, 1952, 1953 and 1955.

Following are those who registered giving an address other than Floydada:

1924: Hazel Jones Mitchell, Waco; Maurice Burke, Freeport; Polly Stovall Gilbert, Lockney; Aubrey Montague, Fort Worth.

1925: Evelyn Neil Ammonds, Amarillo; Faye Hatchell Spear, Amarillo; Ethel Houghton Bishop, Dallas; Myra Pack Turner, Long Beach, Calif.; Ray Chapman, Lubbock.

1921: Velma Terry Stevens, Amarillo; Aubrey A. Bishop, Dallas.

1922: Ruby Noland Williams, Plainview; C. H. Conway, Tyler; Thelma Teeple Nelson, Amarillo.

1925: Kenneth Henry, Vernon; Hester West Moore, Lubbock.

1925: Winnie Wilson Beedy, South Plains.

1927: Lillian King Marble, South Plains; Willie Allen White, Artesia, N. Mex.; Alan W. Berry, Iowa Park.

1928: Dorothy Snodgrass Hewitt, Lubbock.

Coffee and Reunion

The home of Mr. and Mrs. Russell King, 518 West Mississippi, was the scene of the coffee and reunion for the classes of 1930 and 1931 of Floydada High School, Friday afternoon, between 12:30 p. m. and 2:00 p. m.

The serving table was laid with a white cloth and featured a Cornucopia filled with an arrangement of autumn leaves and fruits. In the

center of the table was a small pheasant holding a green and white streamer bearing "Welcome Exes—Classes '30 and '31".

Mrs. Lewis Norman and Mrs. Claud Hammonds of Lockney alternated at the silver service.

Exes registering for the occasion were Mesdames Earl Crawford, Pete Kendrick, Harry Jones, Floydada, Mrs. R. C. Patton, Snyder, Mrs. Claud Hammonds, Lockney, Mrs. Woodrow Wilson, Floydada, Mr. and Mrs. H. E. Strickland, Abilene, Mrs. M. J. McNeill, Floydada, Mrs. Bernice Holleyfield Morrison, Ruidoso, N. M.

Mrs. Hazel Bradley, Floydada, Miss Ann Swepton, Floydada, Mrs. Herschel Swepton, Floydada, Mr. and Mrs. J. D. Hargrove, Clovis, N. M., Mrs. Clinton Effe, Floydada, Mrs. Golden Nabors, Amarillo, Mrs. Elizabeth Armstrong, Floydada, Mr. and Mrs. Carmack Snodgrass, Floydada.

Jim Terry, Amarillo, Edward A. Thomas, Hereford, Robert Welborn, Floydada, Lewis Norman, Floydada, Mrs. Chesley Sullivan, Roswell, N. M., Mrs. Richard Stovall, Floydada, Mrs. R. C. Hewitt, Lubbock, Mr. and Mrs. Vern Norman, Amarillo and Raymond King, Lubbock.

Co-hostesses with Mrs. McNeill were Mesdames Fred Cardinal, Greer Christian, Milton Terry, Billie Grundy, Ernest Carter, Lewis Norman and Jack Henry.

Guests were greeted by Mrs. McNeill and Mrs. Cardinal. Mrs. Terry presided at the guest register.

The refreshment table was laid with a white cut-worked cloth and centered with a pottery football filled with mums lettered with green "F's". On each side of this arrangement were white candies in silver candelabras. White napkins bearing "Welcome—Peep Squad Exes" in green completed the table decor.

The hostesses alternated at the silver service.

Those present for the occasion were Mesdames Charlie Lewis, class '37, Olen Lykes, 1942, Bob Rossion, 1919, Jack Henry, 1919, Blanche (Hilton) Grundy, 1932, Jim Tyne, 1947, W. H. SOCIETY

Couple Are United In Baptist Chapel Wedding Saturday

Miss Doris Rape, daughter of Mr. and Mrs. M. D. Rape, 406 West Virginia, and Leslie Nixon, son of Mr. and Mrs. L. L. Nixon of the Campbell Community, were united in marriage Saturday afternoon at 3 o'clock in the chapel of the First Baptist Church.

Rev. Elton Brian read the double-ring ceremony. The bride chose for her wedding an off-white street length tailored suit of faille. She wore a white hat, navy blue shoes and gloves. She had a corsage of white carnations. She carried out the traditions of something new, which was her wedding attire, something old, a penny in her shoe, something borrowed and blue, was her blue garters, which belong to her sister-in-law, Mrs. David Rape.

Miss Jusandell Norvell attended the bride as maid-of-honor. She wore a street-length dress of beige with brown accessories. She wore a corsage of pink carnations.

Carroll Womack served the groom as best man. Mrs. Nixon is a '36 graduate of Floydada High School. Nixon is a graduate of Floydada High School with the class of 1948. He is presently employed at Rudy's Service Station and engaged with his father in farming.

The couple will be at home at 219 1/2 East Houston this week-end.

BLUE BONNETS MET THURSDAY WITH MRS. WOODROW GOEN

The Blue Bonnet Needle Club met at the home of Mrs. Woodrow Goen, Thursday, Nov. 8.

The afternoon was spent in visiting and doing needlework. Game prizes were won by Mrs. Dennis Dempsey and Mrs. Woodrow Wilson. Refreshments were served to Mesdames K. E. Edmiston, Pete Kendrick, Oliver Allen, Wayne Finley, Starks Green, Dennis Dempsey, Burl Huckabee, Woodrow Wilson, Carl Jarrett and W. B. Eakin.

The next meeting will be today (Nov. 22) at the home of Mrs. Floyd Fuqua at 3 o'clock p. m.

Leroy Burns of Bishop Motor Company attended a Ford Mechanic school in Dallas last week.

Foreign Students At Tech Speak To Study Club Group

The 1922 Study Club met last Thursday in Fellowship Hall of the First Christian Church for their Thanksgiving Dinner with Mesdames J. B. Jenkins, Kenneth Bain, C. A. Caffee and Wilson Kimble as hostesses.

The tables were decorated in keeping with the Thanksgiving season. Mrs. Lon Smith gave the invocation. Mrs. J. H. Barnard, program chairman for the afternoon, introduced four foreign students from Texas Technological College, Lubbock, as guest speakers for the occasion.

Maida Esmerian of Corinth, Greece, who is studying at Tech on a Fulbright Scholarship, told of some of her experiences and reactions in America. Meiling Tsai of Taihnan, Taiwan, China, spoke on customs and traditions of the Chinese people. Udo Strassilla, freshman engineering student from Berchtesgaden, Germany, compared the differences of the educational systems of the schools in Texas and Germany. Habubullah Raissadeh, freshman engineering student from Tehran, Iran, spoke about the oil and mineral resources of his country.

Following the program by these students, they were taken on a tour of the Montgomery Ranch, one of Lubbock's desires before returning to Lubbock.

Those present for the occasion were Mesdames J. H. Barnard, P. W. Bell, J. D. Colville, P. H. Gates, W. H. Henderson, Edd Johnson, H. J. Koenen, E. J. Morehead, Lon V. Smith, Glad Snodgrass, E. F. Stovall, Noel Troutman, W. O. Tye, J. M. Wilson, Joe Wilson, J. V. Daniel, E. L. Angus of Quanah, the four foreign students of Lubbock and the hostesses.

The club will meet Dec. 13 with Mrs. J. M. Willson for their annual Christmas party.

Mrs. Colville Is Speaker at Wesley SS Class Meeting

The Wesley Girls Sunday School class of the First Methodist Church met last Wednesday afternoon in the parlor of the church.

Mrs. David Battey Sr., president of the class, conducted a short business meeting. The group joined in the singing of the song "For the Beauty of This Earth."

Mrs. J. D. Colville was guest speaker for the afternoon choosing for her topic "The Early Thanksgivings."

Hortons Observe 50th Wedding Day On November 11

Mr. and Mrs. L. A. Horton of Plainview, celebrated their golden wedding anniversary on Sunday, Nov. 11, and were feted by their hidden with a reception in the shelter house at the City Park in Plainview.

Friends called to offer felicitations from 2 until 6 o'clock on Sunday afternoon, with approximately 100 guests registering and sending gifts. Children of the couple are Mrs. Jim Stewart, Floydada, Mrs. Weldon Conner, Eckert, Colo., Mrs. Arthur Williams, Mrs. M. O. Stapleton and L. D. Horton, all of Plainview. All were present for the reception to honor their parents.

Two grandsons, Quen Stapleton of Plainview and Jim Dan Stewart of Floydada, presided at the guest register and Mrs. Weldon Conner was in charge of the gift display. A lace cloth covered the refreshment table which held a centerpiece of white and gold chrysanthemums flanked by white candles in crystal holders. Presiding at the serving tables were Mrs. Stapleton, Mrs. Williams and Mrs. Stewart.

Mr. and Mrs. Horton were married Nov. 11, 1906, in Nemo, Somerville County, Tex. Before her marriage, Mrs. Horton was Miss Ethel Mullen. The couple lived at Nemo until October, 1924, when they moved to Floyd County. Mr. Horton was a farmer and engaged in that occupation for 42 years. The family lived in Floyd County for 24 years. Mr. and Mrs. Horton moved to Plainview in September, 1948. Mr. Horton is employed by the City of Plainview.

SOIL CONSERVATION DISTRICT NEWS

The Soil Conservation Service can help farmers select land for the Conservation Reserve Program of the Soil Bank, according to Fred Johnston, Work Unit Conservationist at Floydada.

Soil Survey information and farm and ranch plans of conservation can be highly useful to farmers in determining which fields are best suited to the program. Technicians will also assist farmers in selecting and establishing conservation practices adapted to their land.

The Soil Bank is a major effort to reduce the flow of surplus commodities into storage facilities. Through this program farmers can make needed adjustments in land use while maintaining their income.

Equally important to national welfare is a second objective, that of promoting a whole new pattern of conservation work leading to better farms, better use of natural resources and the building up of seriously eroded land.

The Floyd County Soil Conservation District has grass drills for use of district cooperators in seeding land put into the conservation reserve. The drills may be rented from the agriculture teachers at Lockney and Floydada. The District plans to have the drills in good working condition, according to G. L. Fawver, Chairman of the District Board of Supervisors.

Sees Processing and Freezing Plants As Vegetable Necessity

(By L. A. Marshall)
Vegetables is the key to prosperity on the south plains.
These farmers who are experimenting with vegetables are to be commended. They are pioneers, more so than our early settlers, who had a rough time developing this country. They had headaches, too.
These headaches will come until we get the marketing part of our vegetable program developed. This will take a few years. Everyone realizes marketing is the big problem.
Our situation is we are hoarding in on a market that is being supplied by other districts, such as California and South Texas. This is not a difficult job and progress is being made fairly satisfactory.
I think it is sensible to follow California's plans on marketing, which has been successful for over 50 years.

Let's look at their plans. First they have a 3-way market. They sell by packing sheds, processing plants, owned by themselves, quick freeze plants who are buyers and the whole program backed up by canning factories. They advertise continuously. No one will ever know you have laid an egg unless you cackle.
Let's look at our pink tomato situation here. I understand our boys are getting around 5c per pound for tomatoes in bushel baskets. A big percent of these tomatoes go to wholesalers known as repackers. They repack these tomatoes in 20 pound or 2-layer lugs. Then they are worth 10c per pound.
The repack man gets as much money for repacking as our farmers get for raising the tomatoes. We can be the repack man right here on our farms if we wish.
Every farmer who is interested in vegetables should receive the free fruit and vegetable marketing service, a small daily market report, put out by our United States Dept. of Agriculture. Our nearest service is at Dallas, Tex. All you have to do is write your name and address and ask for the Agricultural Marketing Service, 555-567 W. Terminal Annex, Dallas.

Tell them to put your name on their mailing list. This gives the prices of what most all vegetables and fruits are selling for each day. The farmer can then know what's going on each day.
Here is a plan worth considering:
After you harvest wheat plant the land to pinto beans in 17-18 inch rows and about 10 inches in the drill. Water once a week and harvest a crop of beans. Should be at minimum \$100 per acre and enrich your land also. Then plant back to wheat around last of October or you could plant this wheat land to soy beans.
Tandem beans and stalk all un-

der. This gives you a fine green manure mulch and will enrich your land.
Do not go all out for onions this next year. The boys in northern parts of our country are getting a dollar and half right now. Let's say you will get dollar and half per sack next year. Six hundred sacks is a fair crop. Look close to the cost of producing onions. I think you will find it around a dollar per sack.
I am told we can not successfully raise onion plants here. I planted some yellow Grano and California red onion seed first of October. They are doing fine. I will not give them any winter protection and see what they will do. If they will survive the winter also will make another planting January, February and March just to find out the facts.
It costs around \$50 per acre for plants. Some of our farmers could grow plants and make as much as an onion crop. The plants could be quickly replanted here before the roots dried out and the onions would be two weeks earlier.

We are trying very hard to secure the first quick freeze plant for Floyd County. We need at least six on the south plains.
We need one now for Floydada or Lockney or both. Our farmers would plant any number of acres of whatever they wished to buy.
We are making progress in the vegetable business. Our county had over 2700 acres in 1956. We shipped around 300 cars of onions at a fair price.

I leave you with this thought: We will do some of this processing, packaging and repacking ourselves. They bring twice the money.
That Bailey County farmer who grossed over two hundred thousand dollars this year from vegetables demonstrates what I have been trying to say for two years. He averaged only seven hundred dollars per acre on a half section. I have been telling our farmers they could gross a thousand per acre. Organization and improved marketing processing is our next step. We are marching.

MARISUE BURLESON

Floydada Girl Named District FFA Sweetheart

Miss Marisue Burleson, daughter of Mr. and Mrs. W. E. Burleson, north-east of this city, was chosen as sweetheart of the Plainview district Future Farmers of America at the leadership contest held in Plainview last Saturday.

Marisue, 14 year-old blond haired blue-eyed freshman at Floydada High School, is a member of the F.H.S. band, playing the saxophone. She is freshman cheerleader, a member of the Future Homemakers of America, is on the girls' basketball team and is an outstanding 4-H Club member of Floyd County.

Miss Burleson was elected by the local F.F.A. chapter as their sweetheart Oct. 17 in an election conducted by the boys. She will compete in the area contest next spring in Plainview.

Floydada F.F.A. boys entering in the contests included Junior chapter conducting team, composed of Hal Hines, president, Bob Ed Dempsey, vice-president, Danny Shipley treasurer, Gary Matsler, secretary, Douglas White, reporter, James Cager advisor, Troy Johnston, senator, Billy Gilliland, Jerry Blackshear and Mac Cooper, members, placing fourth; and F.F.A. Quiz team, composed of Billy Gaitner, Kent Lightfoot, Mike Barnett, and Aubrey Whitehead, placing seventh.

The group was accompanied by Henry Barber and Lloyd Cook, vocational agriculture teachers at Floydada High School.
Mr. and Mrs. J. B. Clairborne of Lamesa spent the week-end in the home of her mother, Mrs. Jess Wood.

Three-Way Tie For Champion Of District 2AA

The topsy turvy play of district 2AA came to close Friday with the three top teams winning to remain in a three-way tie for the championship. Slaton which wound up its season more than a week ago had clinched the cellar spot without winning a single district game.

Friday scores were:
Spur 13 - Floydada 6;
Abernathy 46 - Post 0;
Lockney 26 - Tahoka 0;

Spur won the right to represent the district when they drew lots at a meeting at Falls on Saturday morning. The Bulldogs will play the Canyon Eagles in the bi-district game at Plainview high stadium Friday night at 8:00 o'clock.

Most local fans were pulling for Lockney to get into the playoffs as they considered them the best district team to play the Winds. Some believed Abernathy with its injuries all healed was the strongest bet to carry the district banner. Almost all considered Spur as the weakest team of the three tied for the lead.

Logs Down Whirlwinds 13 - 6 Spur Fought Homecoming Game

The Bulldogs showed a stout front in the first half of the homecoming game here as they defeated the Whirlwinds 13 - 6 before a cheering crowd. The Spur team in a tie for the lead and they later won the game by the toss of a coin.

The Bulldogs held the locals all night rushing and punting. The Whirlwinds piled up 223 yards in the game. They did not score until the third quarter when they drove down the vic- torious two tumbles into the end zone.

The south wind was an aid throughout the game. The Bulldogs drove through two quarters and could not pass into the end zone and had difficulty at their backs. Gary Beedy, a fine job of punting who were able to hold the Bulldogs except on the game Floydada took the kicking off to Spur. The Bulldogs were able to advance to the end zone and gain the vic- torious two tumbles into the end zone.

On the Spur 25, the possession of the ball was given to Glenn Hair- ington. He kicked off to Spur 18. The Bulldogs were able to advance to the end zone and gain the vic- torious two tumbles into the end zone.

called time out and stopped the clock forcing Floydada to center the ball on their fourth down try before the quarter changed.

HUCKABAY'S punt went from his seven to the 29 however and the "Winds were able to hold Spur outside the 20 in the early part of the fourth quarter.

As Floydada got the ball on their own 23 they were unable to move and Huckabay booted a boomer that traveled 76 yards and over the Spur goal. Spur was held and kicked short from their 19 to their 21 and Floydada was in business briefly. The Whirlwinds' passes fell incomplete however and the effort died with- out gaining a yard.

Spur gained short yardage and punted to mid-field to give Floydada its final chance at the ball. This drive was again cut short however when Hairgrove intercepted to give the Bulldogs the ball with only seconds remaining and they were con- tent to run out the clock for the narrow victory.

STARTING for Floydada were 10 seniors who played their last game for the green and white. These were Jerry Patterson, Stanley Grant, Bill Smith, Don Colley, David Mount, Bob Deik, Buddy Watts, Rusty Tim- min, Bill Orman and Buttons Beedy. Robert Stovall, another senior, was injured and unable to play in the final game. Stovall's fine defensive play and ball carrying ability might well have brought Floydada victory added to the fine team effort shown Friday.

James Teague, a junior, was the other starter.

"A" SQUAD members who have years of eligibility remaining (most of which saw service in the game) are Leon Williams, Danny Shipley, Gary Huckabay, Billy Gilliland, Ronnie Downing, Bill Patterson, Billy Keeling, Vaughn Ginn, Rex King, Grant Cooper, Hanny Vickers, Frank Potts, Dale Lawson, Sammy Morren, Don Vickers, Roy Hartman, Alton Ginn, Keith Hollums and Buttons Beedy.

These twenty boys who will return next fall will be joined by a number of fine B team and freshman squadmen who should make a show- ing for the green and white next fall.

Such players as Huckabay, Down- ington, Bill Patterson, Billy Keeling, Vaughn Ginn, Hanny Vickers, Dale Lawson, Alton Ginn and Buttons Beedy have seen much game service. Danny Shipley, Billy Gilliland and Don Vickers played this year as freshmen and have been about the most talked about underclassmen to make the team in a number of years.

First Basketball Of Season Played

Thursday, Nov. 8, the Floydada High School "A" girls' team defeated the Matador by a score of 44-40 in the first basketball game of the season at Graves Gym.

Bethie Wilson led the Floydada girls scoring record with 19 points followed by Molly Earp with 15 points. Sissy Wayborun led Matador with 21 points.

At the half Floydada led by a score of 25-19, but Matador came back in the fourth quarter to tie it up to 38-38. Then slowly the "Winds pulled out in front for a victory.

The Matador "B" team defeated Floydada "B" team by a score of 22-36.

Pat Henry led Floydada's scoring with 8 points and Marisue Burleson followed with 5 points. Neighbors led Matador with 13 points.

VIEWS AND COMMENT

Bugs Moving North. Those who have been intrigued by realization of the continuing battle between man and insects will be interested in a report of a zoology professor at University of Texas who says the yellow fever mosquito is moving back north. The continued warm wave that has enveloped the area north of the equatorial belt is lending aid to this movement as well as the movement of other enemies to health and vegetation as they try to recover the ground lost. Embattled mankind is using every artifice, including scores of new insecticides, in an effort to stem the tide. What we need most is a cold winter. It would be trying after so many years of having it soft, but it would be worth millions, might even avoid an epidemic.

Only courage and subsidies are making it possible for farmers and stockmen in many portions of Texas to hang on. "A certain degree of prosperity" has been attained in some sections like the Panhandle-South Plains irrigated regions, but the cost has been high and the chance-taking on hail and other adverse possibilities has been tremendous. Where irrigation and rainfall have both been lacking there are big areas where the five-year drought's severity has gone untempered.

Two Thanksgiving Days. To us Thanksgiving has been the last Thursday in November and we go along quite cheerfully with the majority in Texas who are observing that day as Thanksgiving. That the federal government, to please the tradesmen, lengthened out the Christmas shopping season by a week, has determined on the "fourth Thursday" is just another evidence that we do not like the way the federal authorities run things. The president's fourth assistant, doubtless could tell us all about what happened and how.

The melancholy vein in which many Democrats speak of the next four years reveals how deeply they feel that we are "in for it" again just like back when Mr. Hoover's brain trust decided there were too many country banks and began devising ways to thin them down. No doubt we are in for it. Whether it will take more or less than four years to arrive at "it" is the only doubt. History of the twen-

ties is repeating itself so completely in the fifties it is startling. Will the sixties be a repetition of the thirties? Lordy, Lordy! No wonder Mrs. Spikes and others write in "mournful numbers."

Governor Shivers and Governor-elect Daniel have had quite a time of it staying out of each other's way and keeping out of each other's hair for several years, since their school days, in fact. There was to have been a mighty tussel between them for the governorship. The untimely death of Governor Jester put Mr. Shivers in the driver's seat. Mr. Daniel had to be content and bide his time. Finally they have arrived at a time that, while their ambitions do not cross, their plans for doing things are at cross-purposes. Principal reason, the governor that is using the governor that is to be as a whipping boy. He is lashing Senator Johnson and Speaker Rayburn, who set out to depose Mr. Shivers politically. Mr. Shivers lost one battle, won the war.

Only three years away is a fleet of passenger airplanes in regular scheduled flights that will fly quietly "high above the weather" from New York to Mexico City in four hours. By 1961 there will not be a fleet but fleets of these giants of the air. Such "ships" are already on the drawing board. Manufacturers are already making and storing the metals that will be used in their construction. The specifications call for a plane that will be taller than the First National Bank, just about the same length, but a half block wide. They will operate at 500-600 miles per hour for 4,000 miles without refueling and will carry 135 passengers. One of the results of this new way of travel will be the effect on the ways of thinking of the people. New way of doing, new ways of thinking. Already many find their outlook outmoded. Air travel will have an increasing part in these changes.

The Cigarette Case. Research doctors keep coming back to the claim that cigarettes and lung cancer are associated in diagnoses. Cigarette people apparently do not attempt to answer except to change their pitch to "filters," and to picture the enjoyment that goes with smoking.

Local Car Man Heading Drive

Conner Oden, local Chevrolet dealer, is devoting one day of his time during the week commencing Friday, Nov. 23, to head a membership campaign among factory authorized new car and truck dealers.

As Area Chairman for Floyd County for the National Automobile Dealers Association and the Texas Automotive Dealers Association, Mr. Oden is an active leader in dealer association affairs. The campaign, called "GAD," for Give A Day, has as its goal the enrolling of every authorized new car and truck dealer as a member of the state and national associations.

Mr. Oden, along with 200 other active leaders in new car and truck association activities throughout the State will give his time to furthering the membership drive of the two associations he represents.

The basic purpose of the two associations is to serve the public through making available to them reputable and responsible authorized retail automotive transportation outlets that stand behind their products and service work.

As A Farm Woman Thinks

(Nellie Witt Spikes)
(Too late for last week)

The men with pills political would dope us.
When politics absorbs the live-long day,
I like to think about the star Canopus,
So far, so far away!

—Bert Leston Taylor.
Well the days of political strain are over and the majority of the voters have given the Republican party a green light sign to go ahead the next four years.

We are able to reflect and look at the document we have just signed. The big words look nice, in fact they are a long P-row; Pomp, Power, Peace, Progress, Prosperity, Poverty? How in the world did that word creep in? Like a weed in a garden of roses I suppose.

And how about the old Democratic Donkey I was supposed to ride through?
Well, I admit he has been turned out on pretty short grass and his long plaintive brays are drowned with the triumphant trumpeting of the Elephant. But the old mule will get to work for the good of his country.
He has some things in P-row too. He will Pull, Persevere, he will be a Patriot, he will stay Put in hard times. He doesn't want Pity, he wants a Place to work.
I am proud of the Democratic Party, of the leaders who took defeat with smiles, of the way in the days following the Civil War the party took over the South and made it into one grand country in which it has been good to live. Long may it remain!

Seems as most of my life I have known Charlie Bolinger. When his father used to come to Emma to preach, many times he would come to our home with my grandfather Jones and they would sit and talk and enjoy one another's company. Grandfather, a Missionary Baptist, and Mr. Bolinger, an elder in the Primitive Baptist Church.

Charley led a good life, reared a fine family. He knew the hard cold work of the farmer. He traveled long distances for the spreading of God's word.

He was there when men and women closed their eyes in the last sleep. He was there at the bedside of the sick and suffering.

He never asked for a title of ease, only asked for the privilege to serve humanity.

"I go to prepare a place" he had said the Master says, and today we know that Charlie Bolinger has one to that good place to live through eternity.

A beauty spot — the trees at the scene of Mr. and Mrs. L. A. Wicks.

Congratulations to Jerry Swanner on winning in the Talent Contest at Lorenzo. It was a well deserved award.

It is nice to see Percy Rails on the streets once more.

An orchid for Ruby Gillon on her birthday. May she have many happy birthdays.

GEORGE KOLTANOWSKI

Chess Champ Is Coming To Plains

PLAINVIEW—George Koltanowski, world blindfolded chess champion, will be here Tuesday, Nov. 27, at 7:30 p. m. in the Hilton Hotel for one of his amazing chess lectures and demonstrations.

His appearance will be sponsored by the Plainview Chess Club, which will be host to the Panhandle Open Invitational Tournament next summer.

All chess fans, young or old, experts or beginners, are promised a thoroughly enjoyable evening by Cecil Cope, president of the Plainview Club.

It is not the big words so easily read in a document we sign that trips us up, but the fine print we fail to read. Wonder how many read what the President said in one of his speeches? He said the American people would be called on for many sacrifices.

The farmer knows what the fine print will mean for him and his family.

I am impressed by the thinking of Mrs. Camilla Coats of Denver City in a letter to the Lubbock Avalanche. She says in part:

"Don't ever forget that there are millions who voted for Stevenson and still have faith in his ability to do the job and do you not care now these millions feel about the reports being put out by the press?"

"With that many million votes a few million makes a very small margin between the number there are for both candidates and I can't say it was a landslide. . . . I believe in an equal fight. America was built on these standards.

"That is why our country is the great country; it now is and it can be made an iron curtain very easily by people who want their candidate to win so bad that they won't even give the people a chance to hear both sides.

"Don't ever believe that the entire nation is satisfied with the Republican Policy, there are millions that are not including me and my family. Our hearts are broken over the thing that has just happened and starting now, I am going to start fighting for right in this country, so that when we have another nation-wide election, we, the people, are allowed to hear both sides of a question and not have the press make up our minds for us."

and sanitary level of the citizens and locales of Texas. The report shows that watching over the health of Texas is not enough. The health department incorporates inspection, research, active aid, and education in its program of bettering the health standards of Texas and Texans.

Inspection and research walk hand in hand to evaluate the effects of local outbreaks of disease throughout the state. Aid is then rendered if at all possible.

Following closely in the footsteps of research, education of the public in the many advances and improvements in public health comes as a matter of course. Sometimes, education is concerned not so much with advances, as with commonplace health procedures, which Texans occasionally seem to neglect.

Every drink of water, every bite of food, and even each breath of air comes under the careful scrutiny of one or more divisions. At night, before counting that last sheep, you might even consider that the mattress on which you sleep—if sold or manufactured in Texas—has been O.K.'d by the Bedding Division.

The complexity of the Bedding Division's duties alone during the

Highlights And Sidelights From the State Capitol

(By Vern Sanford, Texas Press Association)

AUSTIN, Tex. — Texas' 56th Legislature will have much of its work cut out for it by Jan. 8.

State agencies and public and semi-public groups by the score are busy drawing up desired changes in state laws. Almost every day brings one or more public appeals pin-pointing some proposed enactment as vital to state progress.

Some want certain laws liberalized. Others want them tightened. Many departments of State Government seek new or increased appropriations.

Examples in the news:

STATE BOARD OF EDUCATION wants \$80,000 a year for the next two fiscal years for education and rehabilitation of mentally retarded.

BOARD FOR STATE HOSPITALS and Special Schools wants the state cigarette tax providing \$5,000,000 a year for its building program continued two more years. Contingent on this, it asks \$11,000,000 for building improvements in the next biennium.

TEXAS PRISON BOARD wants some \$5,500,000 for new building and staff needs resulting from an 80 per cent jump in prison population.

TEXAS LAW ENFORCEMENT Conference wants 29 law changes aimed at updating criminal detection and trial procedures. Typical items: set up a statewide file of fingerprints of convicted felons, allow drunk driving convictions upon scientific blood tests, provide public defenders for defendants without funds, etc.

TEXAS JUNIOR CHAMBER OF COMMERCE wants to institute annual legislative sessions with annual and more substantial salaries.

TEXAS CONGRESS OF PARENTS and Teachers wants a 10-point program involving improvement of the school system and teacher salaries, strengthening of laws concerning juveniles, banning of common law marriages, sale of narcotics to children and sale of fireworks.

COSTLY CHANGE — At an approximate cost of \$1.00 per vote, Texans have approved a plan to aid the permanently disabled.

It was the third time in history the Legislature had fumbled its calendar in setting a constitutional amendment election. Eight amendments were taken care of with the general election. But the ninth, by error, was dated for a week later.

Confused or short of funds, nine counties held no election. Another held it a week early. In all, some 200,000 straggled to the polls. Estimated cost: \$200,000.

Under the amendment, qualified persons will receive \$58 a month, \$20 from the state, balance from federal to sell Dec. 3.

Leon is assigned to the 97th Infantry.

NAACP SEEKS MOVE — Next encounter between the state and the NAACP will be in Tyler district court Dec. 3. NAACP will then seek to have the site of future hearings changed from Tyler to Dallas or Austin.

Last month in Tyler Dist. Judge Otis T. Dunsagan granted a temporary injunction against operation of the NAACP in Texas. Defendants gave oral notice of appeal.

Since, the organization abandoned appeal efforts and asked for a full trial on merits. If it loses this, the injunction becomes permanent.

Atty. Gen. John Ben Shepperd said his staff already is at work preparing and that he "earnestly hopes" the trial can be completed in December. Shepperd will be succeeded by Will Wilson on Jan. 1.

OIL BOOST OKAYED — Texas' December oil allowable will be 3,442,592 barrels daily — an increase of 75,503 barrels a day.

A 16-day producing pattern was set by the Railroad Commission, compared to 15 days in November.

Several major companies had urged 17 to 19 producing days because of disruption of supply lines from the Middle East. But representatives of Texas Independent Producers and Royalty Owners contended crisis needs could be met with surplus oil in above-ground storage.

In announcing the 16-day pattern, Comm. Chmn. William Murray said the commission could issue a half-month emergency order later if necessary.

STATE WINS TIDELAND — State Supreme Court added to Texas' public domain in a case setting the boundary between tidal and landholder's property.

"Highest tide of the year," not "average high tide," determines the dividing line between tideland and coast land, ruled the court.

In the test case Texas gained 4,986 acres of mud flats along Laguna Madre north of Port Isabel.

Eventual result, said Atty. Gen. John Ben Shepperd, will be the gaining of hundreds of thousands of acres and millions of dollars for the permanent school fund.

Tidelands, according to law, belong to the state. Income is earmarked for education.

TAX ISSUE CLARIFIED — Corporation franchise taxes do not have to be figured on the rate in effect at the end of the year if the rate was lower during the year.

Third Court of Civil Appeals so ruled in a suit brought by Southland Cotton Oil Company to recover taxes paid under protest.

During most of Southland's first year the franchise tax was \$1.25 per \$1,000 taxable base. By the end of the year the rate was up to \$2.00.

Floyd County Hesperian, Floydada, Texas, Thursday, November 23, 1956

State officials contended the company should compute the entire year's taxes at the \$2.00 rate. Southland paid the full amount but sued for recovery.

GRAIN CROPS SKID — Texas 1956 grain crops will be substantially less than last year, but better than expected earlier.

A 28-million-bushel corn crop is forecast by the U.S. Dept. of Agriculture. This compares to 49 million bushels in 1955. Sorghum is expected to hit 98 million bushels, a drop of about one third. Rice is set at 46 million bags, a 15 per cent decline.

Even so, forecasts showed an optimistic upturn since the last estimates a month ago. Another bright spot: USDA expects citrus production to run more than 50 per cent above last season.

Several attended the homecoming and football game Friday at Floydada to see the Whirlwinds spurred down by the Bulldogs. It is better to be a "good loser" than a "sorry winner."

Mr. and Mrs. Joe Smith and daughter Brenda of Borger were weekend guests of Joe's parents, Mr. and Mrs. Marvin Smith. Joe Arzeta and Brenda attended services at the chapel Sunday morning.

Mr. and Mrs. Fred Byerly of near Hale Center and Miss Christine Byerly of Lubbock were dinner guests Sunday in the E. W. Turner home. Mr. Byerly and Christine attended services at the chapel Sunday morning.

Rev. Gates preached both morning and night at the chapel. Mr. and Mrs. M. D. Ramsey were dinner guests Sunday of Bro. and sister Gates. The Ramseys said it was the first time to have a meal with the preacher, except in the Rev. W. H. Carr home many years ago, and, of course, the Carrs were neighbors of the Ramseys.

Mr. and Mrs. Sherwood Ramsey, Melba Jo and Don Ray visited their daughter and sister, Sherry in Canyon Sunday.

LEON WILEY HOME AFTER TRAINING AT FORT ORD

Leon Wiley, who has been in an infantry training camp at Fort Ord, is at home for a brief stay with his parents before moving on to an assignment in Germany. He leaves Floydada Nov. 26 and is scheduled to sail Dec. 3.

Leon is assigned to the 97th Infantry.

SOUTHWESTERN PUBLIC SERVICE COMPANY

Council Party For Christmas On December 15

The Floyd County Council of Home Demonstration Clubs met for the last business session of the year, Saturday, Nov. 17, in the council room of the court house.

Eleven clubs out of 14 were represented. Mrs. Grigsby Milton, president in the chair.

Mrs. Myron Kattner, a local speech teacher presented three of her pupils in readings. Little Susie Huntington gave a reading entitled "Hi, Mark King read 'Never Too Late to Mend.'" Karen Thomas gave a "Thanksgiving Prayer." Mrs. Kattner gave an interesting talk on the speech therapy class she is teaching at Andrews Ward.

It was voted to have the annual Council Christmas party at the council room, Dec. 15, at 2:30 p. m. Guests will be the new and old presidents and council delegates of the clubs, and council officers.

The following committees were selected:

Mrs. Lee Rushing - chairman of the table committee. She is to select her help. Mrs. Harriette Brummett will get the tree and decorate it.

The refreshment committee - Mrs. J. H. Buchanan, chairman. Mrs. S. J. Latta and Mrs. Albert King.

Mrs. R. G. Dunlap and her recreation committee will plan the entertainment and the council finance committee. Mrs. Zant Scott, Mrs. Ted Boedecker and Mrs. James Jeffress, will buy the gifts for the officers.

Each guest will bring a gift, the cost not to exceed \$1.00 plus tax (if any) to exchange.

Saturday's meeting was time for yearly reports and each club president gave a summary of her club's activities for the year just closing.

Also the council committee chairmen gave reports. Mrs. Zant Scott, finance chairman, gave a report. Mrs. R. G. Dunlap gave a recreation report. Mrs. Earl Edwards gave the Year Book report. Mrs. J. T. Spears,

the secretary-treasurer's report and Mrs. Grigsby Milton, the president's report.

Mrs. Brummett showed pictures and gave instructions on how to make a feather Christmas tree, made with styrofoam and white turkey feathers. Any one desiring these instructions may get them from her.

Mrs. Earl Edwards reported on the Work Simplification School held Nov. 14 and 15 in the home of Mrs. Milton.

Mrs. Scott reminded members of the two bazaars, one at Floydada, Dec. 4 and one at Lockney, Dec. 8. Each member is to give an article valued at \$1.00 or more and one lady from each club is to help with the bazaars.

Lakeview News

(By Mrs. Warner Johnson)

LAKEVIEW, Nov. 19 - Most everyone in the community attended funeral service in Floydada at the First Baptist Church for R. L. Nichols Sunday afternoon. We extend our deepest sympathy to Mrs. Nichols and her family. Mr. Nichols passed away on Nov. 13 at Tucson, Ariz.

Mrs. Lue Plumlee from Crosbyton spent Tuesday night with her brother, R. H. Peel and Mrs. Peel.

J. D. Ball of Amarillo visited from Thursday till Sunday with Mr. and Mrs. R. H. Peel. He has just returned from a trip to California. Other visitors with the Peel's Sunday were Mr. and Mrs. Tom Ball and son and Mrs. Frank Grayson all from Lubbock. Mr. and Mrs. Kenneth Moody and boys from Lockney, and Mr. and Mrs. Tom O'Brien and family from Friona. Mr. and Mrs. Milton Harrison visited in the afternoon.

Mrs. Roy Fawver visited Friday afternoon with Mrs. R. H. Peel.

Mr. and Mrs. W. U. Riggle of Sand Hill were Sunday night supper guests of the Peels a week ago.

Mary Ann Preacott entertained with a slumber party Friday night. Friends enjoying the party were Phyllis and Judy Appling, Navis Johnson, Lynda Thurston, Judy Newberry, Jean Jones, Betty Sue Harrison, Bonnie Helms and Patricia Neff.

Bill Estep and Bob Hambright spent Saturday night with Jerry Finley.

Rev. Norman Blake from Plainview spent Saturday night with Mr. and Mrs. F. B. Estep.

Mrs. F. B. Estep visited Sunday afternoon with her dad, T. F. Jones in Floydada.

Rev. Norman Blake, Beverly Edwards and John Starnes were Sunday dinner guests of Mr. and Mrs. W. M. Hambright.

Mr. and Mrs. Louis Atkinson of Benjamin visited Sunday with her brother and family, the Fred Jones family. Mr. and Mrs. John King of Roaring Springs visited the Jones Saturday.

Mr. and Mrs. H. J. Nelson and Alma Ruth of Floydada visited with Mr. and Mrs. Fred Jones Friday night.

Mr. and Mrs. Fred Jones and Mrs. F. B. Estep made a business trip to Lubbock Tuesday.

Mrs. Vigil Bootline from Lubbock spent Friday night with her parents, Mr. and Mrs. Wayne Russell.

A. C. and Mrs. Carl Brock left Friday on their way to Moody AFB near Valdosta, Ga. They will visit at Meridian a few days.

Mr. and Mrs. T. L. Johnson and Mrs. Vernon Wheelers from Crosbyton spent Monday with Mr. and Mrs. R. L. Johnson.

Mrs. Fred Lloyd and Roxanne visited Monday morning with Mrs. Don Harrison.

Roy and Floyd Smith of Morton visited Sunday with their mother, Mrs. R. C. Smith. They also attend-

ed Mr. Nichols' funeral.

Mrs. W. Earl Edwards attended a two-day training meeting at the home of Mrs. Grigsby Milton. Mrs. Newman from A & M Extension Service gave the demonstration on work simplification. Representatives from all the clubs attended the meeting Wednesday and Thursday.

Just a reminder about the Thanksgiving supper at the school house Saturday night, Nov. 24, at 6:45. Bring vegetables, salad, bread and dessert. Also bring plates, forks, etc. The ladies are asked to meet at the school house Friday afternoon at 3 o'clock to fix the tables.

Floyd County 14 Years Ago

(Taken from the files of the Hesperian, issue dated Nov. 26, 1942.)

Changing from the customary morning Thanksgiving service to an evening service a large attendance is expected tonight (Wednesday, Nov. 25) at the First Christian Church to hear the special message which will be delivered by Rev. A. C. Durrant, pastor of the Cumberland Presbyterian Church.

Rated by way of the dope as of almost the same strength, the Spur Bulldogs and the Floydada Whirlwinds will battle it out for District 4-A football honors Thanksgiving afternoon at Jones Stadium in Spur. The winner, undoubtedly, will have the Phillips Blackhawks in District 2-A to buck.

Local merchants are of the opinion that they will be able to restock their shelves with coffee for the rationing which will begin at midnight, Nov. 28. All sales were officially halted Saturday night. From the amount of coffee that has been sold during the past several weeks, merchants say, it won't take a very large supply for those who would actually need coffee.

Floydada High School's football squad and their coaches were guests at the meeting of the Rotary Club Wednesday, an annual event with the club. Rev. I. A. Doyle, an ardent football fan, was the club's spokesman for the day.

Fairview News

(By Mrs. Therman Perry)

FAIRVIEW, Nov. 19 - We are still having nice fall days to gather cotton. I think most of the grain harvest is completed in our community.

LIBRARY NEWS

(By Mrs. Lee C. Golightly)

New in the library is "Crusade in Asia" by Carlos P. Romula. In this book the author tells us the whole course of Communism's rise and fall in his country, from the planting of the first seeds in the thirties, through the war and the occupation, when the guerrillas got established, through the postwar corruption which entrenched them, to the resurgence of the island's democratic forces in the past few years. It is a story to be appreciated and heeded by Americans and Asians alike.

"Men Against the Jungle" by Ritchie Calder is the account of a hazardous mission which began in the equatorial jungles of Borneo and adventured through seven Asian countries to the mountainous recesses of Afghanistan. Ritchie Calder headed it at the request of the United Nations and its specialized agencies.

Books for the Juvenile are "Way-faring Lad" by Ivy Bolton and "Julia's Victory" by Elisa Biak.

On Oct. 1st there was a S.E. Asia luncheon held at the Methodist Church here in Floydada. One of the dishes complimented so highly was the Chutney that was served at this luncheon. One of the ladies has sent me this recipe for Quick Cranberry Chutney. Possibly some of you might like to have it for the holiday season just ahead of us.

In a good-sized saucepan, combine 1 cup water, 4 cups fresh cranberries, 1 cup raisins, 2 cups sugar, 1/2 teaspoon ginger, 1/2 teaspoon cayenne pepper. Mix well and cook over moderate heat until cranberries pop and mixture starts to thicken, about 20 minutes.

Stir in No. 2 medium onion chunks, drained, and 1 pineapple, thinly sliced.

Continue cooking over moderate

heat for an additional 20 to 25 minutes, or until mixture is as thick as desired.

Mr. and Mrs. Melvin Henry, Mr. and Mrs. Bill Smith and Mr. and Mrs. Roy Hale attended the Regional NRECA meeting that was held in San Antonio last Thursday and Friday. Bill Smith was on the program. He was in a panel discussion "Preparations for an Annual Meeting."

THANKSGIVING
(as expressed by Mrs. Edmond Snow-Ransom)

Give thanks to God for this one quiet day,
Each year, at end of harvest, set aside
That all the people in the Nation wide
May, self forgetting, homage to Him pay,
May pause in gratitude to humbly say
"Dear God we thank Thee that Thou dost provide
Our daily bread. Thy hand dost ever guide
And keep us in Thy gentle, loving way.
We thank Thee for the memory of flowers,
That last spring blossomed in a garden fair,
We thank Thee for the message that they brought,
We thank Thee for lazy summer hours,
And for these fall days, sweet beyond compare,
For all earth's simple things, Thy will hast wrought."

Amen.

You can employ men and hire hands to work for you, but you must win their hearts to have them work with you.

The way to gain a good reputation is to endeavor to be what you desire to appear.

—Socrates.
