

# Showers Bring More Moisture to South Plains

## Slow Drizzle Is General in Area

Half an inch of moisture that fell slowly covered practically all of Floyd County's broad acres for more than six hours yesterday morning.

Beginning about 5:30 o'clock the drizzly type rainfall was sucked in to the area by a "low" that lay to the west for more than 24 hours.

It was the first moisture for the month of March for the area. It followed an inch to an inch and a half of February rainfall, however.

The moisture is of great benefit not only on dry lands but on the county's 290,000 acres of irrigated cropland where February and March pre-planting irrigation has been under way.

Southwest at Lubbock the rainfall was lighter and Matador on the east reported a quarter of an inch up to mid-afternoon.

Farming operations were stopped except for irrigation wells. Planting onions was interrupted on several farms, although much of the crop was in the ground when the showers blew in.

Dryland wheat, of which there is a considerable acreage, had begun to show up well even before yesterday's moisture. This crop will be late and has many hazards before a possible harvest, but at the moment it has a good start and could do well.

Since February and March are usually seen as dry months on the high plains optimists point to the probability that the drought has been broken and that the rainfall which usually falls around April 1 should put farming land into good condition for pitching row crops.

## Hospital Check From Ford Foundation Is Received at Peoples

Mrs. Vera McKay, administrator at Peoples Hospital Tuesday reported the receipt of the \$5,000 check from Ford Foundation, which had been promised for early spring of this year.

The hospital spent their first \$5,000 from the Foundation last year for sanitation and refrigeration facilities as well as for improved equipment in the operating room and technician's department.

Mrs. McKay said the directors of the hospital have their plans for spending the new check broadly outlined but there will be more discussion and planning before they actually spend the money.

Peoples Hospital received their first check from the Ford Foundation last spring and work was started in making improvements at once.

Things the management did with the first check include:

Installation of a new portable X-ray, a new ultrasonic machine, a new instrument table, new dressing cart and emergency light in the operating room, a new delivery room light and the dark room for developing X-ray pictures was completely re-done;

In every patient's room in the hospital has been installed a bath room, save two, and these have adjoining baths. A new linen room, a huge combination deep freeze to supplement refrigeration and the interior of the hospital repainted were among the many improvements.

Peoples Hospital was opened to the public in January of 1949, after being launched in March of the previous year. Mrs. McKay has been the superintendent and business manager since 1952.

## Reeves Will Address Masonic Families at Lodge Tuesday Night

Former State Representative Elbert Reeves of Matador will be guest speaker Tuesday night March 26 at Masonic Lodge Hall in Floydada.

On this date members of the lodge are holding open house for their wives and families and have a special program lined up for the evening.

Program committee for the occasion is Jim Morrison, Print Rice, W. Trapp and Doyle Walls.

Refreshment committee is Allen Binham, Troy Leonard, Harold Woodson, Ted Rutherford, Wayne Russell, A. M. Dorsey and J. C. Odum.

The evening meal will be fried chicken and all the trimmings. Special music will be brought by Roger Trapp at the piano.

The program is an annual affair scheduled as a George Washington birthday event, but was postponed this year because the heavy schedule of February lodge work.

Eleven members of the Floydada lodge had the Shrine degree conferred on them Saturday at Petersburg. The Shrine ceremonial was one of the largest ever for this area with 71 taking the degree.

## Mrs. Ulmer White Is Gravely Ill at Temple

Mrs. Ulmer White, wife of the veteran pharmacist of Floydada Drug Company, is gravely ill at Scott & White Hospital in Temple this week.

He is reported by her son, Bob, who, with Mr. White, is at Temple with her.

Mr. and Mrs. White and Bob went to Temple Sunday afternoon and checked in at the clinic.

Mrs. White underwent an operation Tuesday morning following her examination. A call back to Hayes O'Neal, business partner in Floydada Drug, gave the information that Mrs. White's condition was not hopeful.

## SLOWED BY KNEE INJURY

Saturday afternoon around 4 o'clock, J. H. Tribble received a right knee injury and was returned to Peoples Hospital at 9 o'clock that evening. He is reported by his wife to be improving but will have to stay off of his leg for several days.

## Floydada High Track Team Will Enter Longhorn Relays Saturday

(By Kenneth Rimmer)

The whirlwind track team will be in Lockney this week-end where they will enter the second annual Longhorn Relays. Another big field of entrants is expected for the event.

The green and white thin clad are improving with the season and are beginning to show the fruits of their training. Though not regarded as a serious contender for meet honors Saturday they are expecting to bring home a few points and ribbons for their efforts.

Last year there were 27 teams participating in the track and field events and at least as many will probably show up this time if the weather is good. Abernathy is the defending champion of the meet but will probably be hard pressed to hold on to the crown. The fast improving Lockney team will be one of the contenders and may be able to take the honors if they can pick up some points in field events and hurdles to go with their fine dash, relay and mile entries.

Last Saturday Floydada placed seventh at the Crosbyton relays when they picked up 9 1/3 points. Charles Ogden turned in the stellar performance for Floydada with a

## Store Introduces Innovations In Self-Service

Piggly-Wiggly Super Market in Floydada will hold a big remodeling celebration starting tomorrow, March 22, and continuing through Saturday March 30. The event is scheduled to show the public what they have done to better serve them in their spacious quarters and a host of registration prizes are to be given away.

Bob Finley, manager of the local store, and J. L. Dalton, manager of the market department, are team-

ing with pride this week as workers put the finishing touches on the remodeling job.

Included in the program, was the building of a warehouse just back of the store, enlarging of the self service shopping area, addition of a complete new self service meat department, and addition of cold storage display boxes for dairy foods, ice cream, and frozen foods.

Also two new electric automatic

checking counters have been installed, new refrigerated air conditioning provided and the interior of the store has been completely re-decorated.

Workers have been several weeks in making the necessary changes and additions and during the process practically every item in the store has been moved and re-arranged for the convenience of the shopper.

On other pages of this paper Piggly-Wiggly advertisements show a host of food bargains and list free registration prizes which include 75 bags of groceries, two bicycles, a portable TV set, an automatic clothes washer and an automatic clothes dryer.

The Piggly-Wiggly store here is one of the most modern in the area. Their building was completed in

January of 1953, and the present remodeling job just four years later points to the popular way in which they have been received by the public.

Ample paved parking area has been an important item in the growth and expansion of the firm which has made every effort to keep abreast of the modern trends of food merchandising.

## Little League Meeting Called Tuesday Night

Officials of Floydada Little League have scheduled a meeting for Tuesday night March 26 in the county court room. Seven-thirty is the hour set for the gathering and important business is on the docket. All interested parents, coaches and trainers are urged to be present.

Election of officers for the new year will be held and many matters will be discussed.

A report will be given on the progress being made on the new ball field and on the plans for the completion of same.

League president Rush Wheeler has asked that the public drive by and see what has been done at the field before the meeting, for better understanding of issues to be discussed.

The welding, painting and water system has been completed. The field has been watered for seeding and arrangements are being made for lights. Wheeler expressed gratitude for the generous contributions being received for the project and stressed need for some more funds to wind the job up.

Persons interested in helping out may leave contributions at the bank or hand them to Wheeler or any of the League officials.

The new field is becoming an attractive layout and shows good planning. It will not be an eyesore for any part of the city and will be something of which all can be proud.

Only a little more effort and a few more backers for the project will see it through successfully.

A lot of effort goes into an onion crop. Shown here is Dionisio Barboza of Waco one of a crew that last week was setting onions on the B. A. Robertson farm just west of town. Growers say it takes seven men to set out one acre of onions in a day. — Staff Photo by Kenneth Rimmer

## Downing's Father Dies At Cleburne

Gordon S. Downing, pastor of the City Park Church of Christ, received word Tuesday evening around 7 o'clock that his father, L. H. Downing of Crane, had passed away at the home of Gordon's sister in Cleburne.

Mr. Downing had been seriously ill for several days, but was thought to be improving so he was moved to his daughter's home Tuesday. He died suddenly after arriving in Cleburne.

Final rites will be conducted this afternoon at 3 o'clock at the Presbyterian Church in Breckenridge. Interment will also be made there.

Mr. and Mrs. Downing and son, Ronnie, left as soon as they received the message. Their daughter, Carolyn, who is a student at Abilene Christian College, will join her parents and brother in Breckenridge.

## Forty Leaders Expected For Planning Clinic

Floyd County church leaders, civic and study club presidents and program chairmen, and home demonstration club officials will attend a clinic on club program planning in Floydada on Monday.

The clinic will be presented by the Adult Education Department of Texas Technological College and is sponsored locally by the Floydada Chamber of Commerce and the Floyd County Home Demonstration clubs.

Dr. Per G. Stensland, head of the Texas Tech Adult Education Department and G. H. Peters, assistant, will preside through the day's program.

Registration will open at 9:00 a. m. with the first session of the clinic set for 9:30 a. m.

A covered dish luncheon will be served at noon in the home demonstration club kitchen.

The clinic will cover new information and ideas on how to organize committees, preside at club meetings, and the techniques and aids for presenting club programs. Dozens of ideas and new club programs should come from this meeting, clinic sponsors believe.

Between thirty and forty county leaders and club officials are expected to attend the clinic. It is also open to anyone in Floyd County and surrounding counties who would like to attend.

## BILL NORRIS AND MRS. VISIT BUDDIES OF WORLD WAR II

Mr. and Mrs. Bill Norris returned home last week from a 2,000 mile trip and visit with four of Bill's World War II buddies and families.

They visited with Mr. and Mrs. B. D. Brown in Benkelman, Neb., Mr. and Mrs. Harvey Dierking in Mt. Leonard, Mo., Mr. and Mrs. Norman Maynard in Tulsa, Okla., and M. Sgt. and Mrs. Bill Witherington in Enid, Okla.

## Contract 5 per cent of County Cotton Land in 1957 Program

At the close of the business day Friday Floyd County Agricultural Conservation and Stabilization Committee had signed up 4,952.8 acres of allotted cotton land for the 1957 program out of a total of slightly more than 97,000 acres. This is approximately 5 per cent of the allotted acreage for the year.

Acreage contracted was about 50 per cent dry land, 50 per cent irrigated, the highest rental contract being on the basis of \$68 per acre, the lowest \$21.

Thos. J. Hutchins said the total rental payable under the contracts will run about \$230,000. It will be paid sometime in the fall when compliance has been checked.

Biggest single allotment signed up was approximately 400 acres and there were half a dozen or so in the 200-acre bracket, said Mr. Hutchins. Practically all of the larger acreage contracts for cotton land were in the owner-operator group.

The long range conservation program has still several days to go — until April 15. Mr. Hutchins said the office was getting contracts on both five and 10-year basis almost daily.

The office has issued a bulletin on seeding practices for the land that is being put into the long range program.

For compliance with the grass seeding requirements there are 14 grasses which may be used. Of these 14 varieties of grass three may be seeded in the period from April to July without a cover crop preceding them. These are Blue Panic, Sorghum Alnum and Weeping Love Grass.

The grasses indicated below must be preceded in the first year by a cover planting of grain, sorghum, sweet sorghum, Sudan or millet in the months of June or July, the deadline being August 15. This crop must not be harvested in any manner or form.

Planting of the grass seed follows next year in the period from March to May. Here are the grasses to which this type of program applies:

Little blue stem, sand blue stem, Indian grass, blue grama, side oats grama, K. R. bluestem, weeping lovegrass, sand lovegrass, switch grass, buffalograss.

Requirements as to seeding, cultivation if any is required, payments for seeding, rate of pay for preparation of land and share of USDA participation in all are given in the Conservation Reserve Handbook.

## Brandon Well Is Making 230 Barrels

The Fred E. Brandon No. 1 of Pan American Petroleum Corporation (Standard Oil & Gas) 5 1/2 miles east of Roaring Springs was put on the pump over the week-end and Sunday was pumping at the rate of 10 barrels of oil per hour.

The producing horizon is slightly below 4,000 feet.

Repeated reports that additional locations had been staked in the area yesterday could not be confirmed by The Hesperian. However, the rig that drilled the discovery well is still on the ground and it is reported, will drill three more tests on the land.

Storage tanks have been set up almost in the middle of the Brandon tract, which lies adjacent to a farm to market road and about one-fourth mile from the tracks of the Q A & P Railway.

Matador and Roaring Springs both report fast-paced leasing and mineral rights selling since the first test was made.

Besides Pan American, Amerada has leases in the area and the Humble has the wide-spread Matador lands under lease for several years. Most of the small tract leases have two years to run.

## Jim's Seed Store To Open Saturday

Jim DePoe is announcing this week the opening of a new seed store in Floydada with quarters in the Witekowski Implement Company building.

The store will specialize in field seeds, with emphasis at the moment on hybrids in maize and corn.

The DePoes have been residents of Floydada for three years. Mr. DePoe operating Jim's Inspection Service, (entomological).

After the close of the season last year he was "scale man" for Farmers Coop Gin and has been pinch hitting in the office since the hospitalization of Noble Fletcher in an automobile crash.

The store was being stocked this week in preparation for the opening Saturday.

For the calendar year of 1956 the Texas Department of Public Safety reports that of Floyd County automobile drivers a total of 27 had their driving licenses suspended.

Twenty-one of these were for failure to file or show proof of financial responsibility resulting from convictions and six from accidents.

## OK Rubber Welders To Build New Business Home on South Main St.

OK Rubber Welders have broken ground for their new building on South Main Street in Floydada. The new structure will be erected just south of Guthrie Hospital and Clinic in the 300 block.

Ralph Rucker, owner of the business, said this week the plans call for a building 40 by 100 foot outside dimensions with a black top parking area next to the street. The plant is to include ample space for office, display and shop facilities.

The building is to be constructed of concrete building blocks at a cost of upward of \$15,000. Hugginsbotham-Bullet Lumber of Floydada is the builder.

OK Welders has been operated for the past six years by Rucker who came here from Shamrock. He had been in a similar line there for five years. They are located at this time on South Wall Street just back of the Duncan Abstract offices. The growing firm has found their facilities cramped for several months now and believe the move will put them in position to better serve the public.

Working with Rucker in the tire and repair firm are Emory Cox, Donald Cox, and E. R. Martin. They feature recapping, tire repair, field and road service as well as offering full lines of General and Star tires for all automotive and farm needs.

## THE NEW DUDS! Season Is Here For A Preview

Glory Be! The season's ripe again for a sneak preview of those delightful duds for Spring and Summer and they will be flashed at the 1957 Style Show, scheduled for the evening of April 1 at 8 o'clock at the new Floydada High School auditorium.

Tickets are now on sale and can be purchased from any member of the club at 75c for adults and 25c for children.

The club is planning a door prize this year. When guests arrive at the Style Show they will register for the prize that will be given away at the end of the show.

Garments shown at this fashion spree will be furnished by the following merchants of Floydada:

Hagood's Department Store, Hale's Department Store, Beall Brothers, J. C. Penney Company, R. T. R. Fashions, Wagon Wheel, Milladies Specialty Shoppe, Glad Snodgrass Men's Wear and Keim's Haberdashery.

Mrs. Bob Copeland is general chairman for the Style Show committee. Members serving with her are working for a bigger and better show this year.

## District Plays Friday Night

The District 2A one-act play contest will be held at the new Floydada High School auditorium tomorrow (Friday) evening starting at 5 o'clock.

# FLOYDADA LIONS CLUB INSTALLING GUM MACHINES

Members of the Floydada Lions Club are launching a new program this week through sponsorship of penny gum ball machines, to raise money for its various county projects.

According to Gene Collins Jr., some 10 or 20 gum dispensing machines will be placed in stores, restaurants and other business places where free locations have been secured, so that the retail profit can be paid directly to the Club.

"Each machine will display an ad-frame bearing a colorful club emblem and indicating the service project. These attractive machines require but a few square inches of counter space."

At the same time, he explained in a confidential remark to mothers, the gum offered for sale positively is NOT a bubble gum, but is pure and wholesome and guaranteed to be equal to the best packaged gum.

Known as the FORDWAY SHARE-THE-PROFITS PLAN, this method of raising charity funds has been adopted by more than 3000 service clubs throughout the nation. Last year nearly \$700,000 was paid out in commissions to these clubs in support of their various welfare projects, the club president revealed.

The local club will use the profit from the gum machines to provide benefits such as: medical care for needy children, glasses to correct visual defects, job training for the blind, summer camps for boys and girls, prevention of delinquency.

Be sure to cooperate with your Annual Meeting Planning Committee by making your plans now to attend your annual meeting. They would like for every member to be present at this all-day meeting. A barbecue lunch will be served at noon by the Walter Jetton Catering Service of Fort Worth. A good program is being planned. Attendance prizes will be given. There will be something for everybody — even balloons for the children.

### BRAND-NEW SELF-SERVICE MEAT MARKET

In furthering the service of Piggly Wiggly, you are invited to visit the store to see the completely new self service meat department. Not only to see it, but to use it for you will find that it is efficiency personified. Each cut of meat is carefully weighed before wrapping and you'll find the weight on the package. Each cut is guaranteed with certificate of guarantee enclosed and, of course, it's USDA graded. We think you will be as proud of our new self service meat department as we are, and we welcome your visit.

### NEW IMPROVED FROZEN FOODS DEPT.

Another addition to the remodeled Piggly Wiggly supermarket in Floydada is the new frozen food department. It is a convenient addition to your shopping. Never has service been so efficient as it now is with these two new departments as Piggly Wiggly. Visit the store to see these new departments and to register for the free prizes.

### Dairying Is Now Leader in Texas

Dairying, one of the youngest of all phases of Texas agriculture, has made such remarkable strides that it is now a leader in the state's farm economy.

A \$100 million annual business, Texas dairying during the past three years has ranked second only to cotton in total farm income value.

This position, of course, is partly due to the drastic price drops in profits from livestock and other major farm products.

Still, the fact remains that Texas has come a long way from the days when most of our dairy products were imported and milk-producing was more a side-line than an industry in its own right.

First, dairy development was recognized as a year-round business source as opposed to seasonal income from crops and livestock. Because of this, the dairy dollar is said to multiply itself approximately seven times in trade activity, far ahead of other farm products.

Then, too, the dairyman's productive capacity was challenged by tightening of the cost-price squeeze in all farm industries in recent years. To meet the challenge, Texas milk producers have become some of our most efficient farmers, modernizing and increasing production through use of new equipment, such as tank trucks for hauling, plant pipelines and other major improvements.

The drought, curiously enough, has also had an effect on these increases. Imported feeds, although expensive, have improved dairy cattle diet and increased the amount of milk produced. In 1934, for example, dairy production was up 14% from 1933.

To handle marketing problems resulting from such increases, Texas dairymen organized themselves into the business of selling their own product much the same as other farm industries have done. The Texas dairy promotion and marketing program through milk-producers co-ops and their branch of the American Dairy Association, is one of which we can be proud.

The dairy industry has truly come into its own as a full-fledged and vital partner in Texas agriculture.

Development from meager beginnings has been brought about by several economic factors and the foresight of the state dairy leaders.

### Bulletin Gives Market Report On Vegetables

(By L. A. Marshall)

If you have a combine and want to make the wheat harvest there is a large average between Okey and Seymour. It is over six inches high and has a good season. It is almost a month earlier than any wheat.

If you are setting onion plants and have a few sacks over, maybe your neighbor needs them. Or if you need a few sacks, telephone me. This is a free service.

If you are interested in vegetable and wish to get the best market price which is listed from Dallas daily (tells you the price vegetable sold for that day) write the United States Department of Agriculture giving them your name and address and ask for agricultural marketing service, Fruit and Vegetable Division, 367 W. S. Terminal Annex, Dallas, Texas. Keep you posted on what's going on here.

Here are a few prices: South Texas as grades onions \$2 to \$2.50, crystal \$2 to \$2.50 per 50 pound sack. This crystal was brings more money per sack but the tonnage per acre is about half the grade and grades. The grades is a new onion. Made its appearance this year. Said to be two weeks earlier than the grade.

The grade is our best producer - five six hundred sacks, the crystal was around 300 sacks.

Peppers are \$4.50 to \$5 per 50 basket. Strawberries are crates of 24 plants, Texas various varieties \$2.75 to \$3. cabotage 50 lb. sack, \$1.80, cantaloupes, Mexican large, crates of 24 \$2.50, turnips, Texas, bunched, with tops \$10 to \$11 in bushel baskets, topped and washed \$2.25.

Squash, big baskets from Florida, yellow crook neck, \$1.25 to \$1.75. Above prices are Dallas. Potatoes per 100 lbs. from Florida, washed and sacked, round red, large baskets, \$1.50 to \$1.80. Old stock large baskets from Colorado \$3 to \$4.50.

7/16" min. plums, Texas crates, about 6,000 plants \$3.25. Garlic, white bulk 2 to 4c per pound.

I will soon have the address of every truck and vegetable shipper in the nation.

Mary Pearl Cowan spent the week end in Denver City visiting with Mrs. Blanche Fleming.

Dougherty News (By Mrs. W. J. Ross) DOUGHERTY, March 18 - The local Ground Observer Corps was in operation Sunday with 14 participating. These worked in thirty minute shifts. The leaders invite others to participate as the training received in the work could be very beneficial in time of national stress.

This is National Salesmen's Week. Do you know that some people say American salesmanship has had as big a part in the development of the country as mechanical inventions and assembly line production.

March 17 - 25 is also National Wildlife week. Although herds of wild horses, who wolves, Antelope and panthers were seen in this vicinity by pioneers they disappeared from the plains area several years ago. We still see coyotes, badgers, skunk, fox, prairie dog, ground squirrel and rabbits. We have a variety of birds. A number of neighbors report chapsarral commonly called road runners have moved near their homes during the past year. They are probably coming for water and feed. We caught one roosting in our granary. I was surprised at the beautiful colors in its plumage as it appears drab at a distance.

The once familiar Prairie Dog town has all but disappeared. I know of only one in this immediate area. This bit of wildlife is being preserved in MacKinnon Park at Lubbock.

A herd of Antelope is protected on the Matador Ranch. This herd is a familiar sight along the highway and sometimes in nearby fields.

Mr. and Mrs. C. R. Woodson are visiting her sister, Mrs. W. M. Sumnerland of Los Angeles, Calif. Berkeley.

Mrs. Erma Little of Lamona is a house guest this week in the home of Mr. and Mrs. Jack Henry.

Mrs. Jack Henry spent last week end in Dallas with her sister and husband, Mr. and Mrs. Brown Kendrick.

### Student Council Week Designated March 23 thru 30

(By Jayville Marquis)

March 23-30 has been designated as this year's Student Council Week by its sponsor, the Texas Association of Student Councils and by the Governor of Texas.

The central theme for this year's observance is "Why Not Now." During Student Council week more than one thousand faculty sponsors and student leaders will attend the annual conference of the Texas Association of Student Councils in Galveston, with Ball High School serving as host.

The students chosen from the Floydada Student Council to attend this conference are Keith Armstrong, Ronnie Downing, Snow Drop Dean and Sue Nelson. They will be accompanied by Miss Anne Sweeney, local faculty sponsor.

In addition, the spotlight of public attention will be focused on the work of the student council through the press, radio, television, special programs and many other channels of communication.

"Student Council Week is 'Inventory Time,'" says the sponsoring committee. "It is an occasion to review the purposes and accomplishments of the student council in our schools. It is a time to consider school problems, needs and plans. It is a time for self-examination. Good student councils do not just happen. In each community and state the student councils are what we make them. They must have our interest and support - during Student Council Week and during every week of the year."

Mr. Ray M. Cook and son, Karl, left Monday for a 10 day visit with her parents, Dr. and Mrs. E. H. DeLinger of Las Vegas, N. M.

Mr. and Mrs. B. W. Small and children of Lubbock were Sunday guests of their parents, Mr. and Mrs. Will Small and Mr. and Mrs. J. J. McKinney and other Floydada relatives.

One bottle of tea from the Boston Tea Party is still in the Massachusetts Historical Society Rooms.

### LET 'EM FARM Whitten Says Change Needed

LUBBOCK - Rep. Jamie L. Whitten (D. Miss.) called for a farm program that would let farmers farm in an address Monday (March 18) in Lubbock before the first annual meeting of the Plains Cotton Growers, Inc.

The Mississippi Democrat spoke to more than 500 PCO members, directors and officers from a 29-county West Texas area on present farm laws and proposed legislation.

The Congressman called for a complete new look at the agricultural program of our nation, including price supports. His talk came after a morning session in which a business report on the PCO was given and a meeting in which the current officers of the organization were elected again.

The three top men named to serve another year include W. O. Fortenberry, Lubbock, president; Wilmer Smith, Wilson, Lynn County, vice president; and M. A. (Rip) Ems Jr., Littlefield, secretary-treasurer.

Joe Foster and Lester Carter are directors of the Plains Cotton Growers, Inc. from Floyd County.

George W. Pfeifferberger, executive vice president of the PCO, made a report on past activities of the organization during his first year and outlined plans ahead for 1937.

Treasurer Ems made a financial report which showed the total assets of the organization to be \$198,253.76.

## Fairview News

(By Mrs. Therman Perry)

**FAIRVIEW, March 18** — Congratulations are in order for Mr. and Mrs. Jim Mallard of Fort Worth on the birth of a son, Leonard Jonath-an. He was born Saturday night and weighed 6 pounds and three ounces.

He is the grandson of Mr. and Mrs. Walton Wilson and the great grandson of Mrs. W. B. Wilson. Mrs. Mallard is the former Mary Ann Wilson.

We wish to correct a mistake made in last week's news. We stated that Mrs. W. B. Wilson was visiting in Throckmorton and she was visiting in Graham. She returned on Friday and reported a good visit with a long time friend Mrs. Mabel Welles.

WMU met Thursday with Mrs. Walton Wilson as hostess. The ladies quilted. Present were Mesdames Chihl McClure and Del. Jim Stewart, L. B. Cosby, Therman Perry, Shirley Irwin, Loreta and Harvey, W. U. Riggles and visitors were Mrs. C. T. Hammonds and Mrs. S. H. Tackett. All enjoyed a covered dish luncheon at the noon hour.

The meeting this week will be at the home of Mrs. E. W. Walls. The Bible study program will be given.

Mr. and Mrs. E. W. Walls visited Sunday with Mr. and Mrs. Walton Wilson on Sunday afternoon. Mr. and Mrs. Bill Beedy of South Plains, visited in the Wilson home. They

also visited with Mrs. W. B. Wilson.

Mr. and Mrs. Therman Perry and Jan visited Sunday evening in the home of Mrs. J. T. Perry of Floydada. Also with Mrs. G. M. Bullard of Floydada. Others visiting in the Bullard home were Mr. and Mrs. Mitt Bullard of Lubbock.

Mrs. E. W. Walls accompanied by her niece and son Mrs. Billie Rue Dorsett went to Oklahoma City on business Tuesday. They visited with Mr. and Mrs. M. L. Morey at Norman, Okla., and other relatives. They returned home on Friday.

Rev. and Mrs. Albert Hinckley and E. W. Walls attended services Wednesday night at the First Baptist Church in Floydada.

Mrs. Walton Wilson visited Mrs. Clyde Bagwell of Floydada Friday afternoon.

Mr. and Mrs. Dean Walls and boys were hosts Sunday to her parents, Mr. and Mrs. R. C. Mangum of Plainview.

Mr. and Mrs. Cecil Payne visited Saturday in Floydada with her mother, Mrs. Lotspeich and with Mr. and Mrs. Winifred Payne and family.

Visiting Mr. and Mrs. Shirley Irwin and children on Friday night were Mr. and Mrs. Chihl McClure and Del and Mr. and Mrs. Clifford Helms and girls of Lakeview.

Mr. and Mrs. Chihl McClure and Del had as week end guests, her sisters, Mrs. Berniece Chesnut and Mrs. Jean Lenti, Reed and Susan of Lubbock.

Visiting in the McClure home Sunday afternoon were Rev. and Mrs. Albert Hinckley, Lorna and Linda.

Mrs. C. W. Payne is visiting with her mother Mrs. J. L. Huffaker in Paris. Mrs. Huffaker had the misfortune to fall and break her arm. She is reported resting well. Mrs. Payne plans to be gone about two weeks.

Mrs. Shirley Irwin visited Mrs. Clifford Helms on Tuesday of last week.

Mr. and Mrs. Ray Lloyd and boys and Mr. and Mrs. Chihl McClure and Del visited Wednesday night with Mr. and Mrs. W. U. Riggles.

Mr. and Mrs. Shirley Irwin and children visited Sunday afternoon with Mr. and Mrs. L. B. Cosby Jr. and children.

Mr. and Mrs. Jim Stewart visited in Plainview Sunday with her parents, Mr. and Mrs. L. A. Horton and their son Jim Dan Stewart.

Mrs. Jim Stewart and Mrs. C. T. Hammonds and Joyce were in Lubbock Friday on business.

Mrs. Marie Baxter, Gail, Judy and Becky and Mr. and Mrs. Roy Baxter of Floydada were Sunday guests of Mr. and Mrs. W. W. Baxter.

Mrs. Chihl McClure and Del and Mrs. L. B. Cosby visited Saturday in Floydada with Mrs. G. M. Bullard and J. C. Also visiting was Mrs. J. C. Crabtree of Lubbock.

Mrs. C. T. Hammonds and Joyce visited Wednesday with Mrs. Jim Stewart.

the citizens of Floydada, Texas, are entitled to have it known that they will keep faith with it. All together the citizens of any community can do anything that needs to be done, he said.

The speaker was presented by J. M. Willson Jr.

Practically every old and new member of the organization's board of directors was present for the presentations as retiring president E. C. Carter and incoming president Mitchell Parrish called their numbers.

Edward H. Wester introduced the visitors, who hailed from Abernathy, Lockney, Matador, Crosbyton, Ralls, Lubbock, Quanah, and Plainview. Of these the largest delegation was from Quanah, where officials of the Quanah, Acme & Pacific railway company's management through the years, has kept a lively and continuing interest in the progress and welfare of Floydada.

Myron Kattner, W. J. Adams, Dr. Charles Craig and Bob Copeland comprised the group which sang familiar melodies. Mrs. Bob Copeland was their piano accompanist, and Mrs. Kattner sang the soprano lead for the group in their arrangement of "Swing Low, Sweet Chariot."

Gordon Downing, minister of the City Park congregation, said the invocation opening the evening's festivities, and Lon Davis Jr. presided as master of ceremonies.

Specially presented to the audience were Mrs. Russell King and Elton Goen, O. M. Watson Jr. and Mrs. James F. Potts. Mrs. King and Mr. Goen did an excellent job of decorating the hall for the evening. A feature of their ideas was Mrs. King's sky-line panoramas of Floydada which extended almost the length of the wall behind the speakers stand.

Mrs. Potts also had a part in the decorative ideas developed and Mr. Watson's aggressive toil as the organization's manager was extolled.

Representatives of other towns in the area included: Guy Thompson, president of the Crosbyton Chamber of Commerce and Hubert Curry, publisher of The Review, and Jeffe Lance, Crosbyton; Ralph Duncan, West Texas Chamber of Commerce, Abilene;

Dick Whiteley, manager and Claude Holley, president, Chamber of Commerce, Lockney; Quinn Baker, president, W. L. Richardson, executive vice president, J. R. Meacham, C. R. Sherwood, S. J. Henderson, C. E. Harris, of the traffic department, Q A & P Railway, Quanah;

Kenneth May, air, and Mrs. French Pruitt, Rex C. Vermillion, assistant manager Chamber of Commerce, Dave Tipple and I. M. Robinson, traffic department Santa Fe Railway, Lubbock;

Vance Glibreath, Motley County Judge and Raby Webb, Matador. Cecil Reese and Jim Cox, Chamber of Commerce, Ralls; District Manager J. C. Oakley, Southwestern Bell Telephone Co. and Mrs. Oakley, and Chamber of Commerce Manager Charlie R. Young, and Mrs. Young, of Plainview.

Tuesday night of last week. Mrs. Hoyt McClure and Brenda visited with Mrs. J. W. Stewart and Linnie Saturday evening of last week. Joe Moore was Sunday dinner guest of Mr. and Mrs. Hoyt McClure and Duane.

Mr. and Mrs. Ronald McClure, Rhonda and Brenda were Sunday visitors with Mr. and Mrs. Joe Wayne Grizzle and children of Kalgary.

## News of Broadway

(By Mrs. T. E. Thornhill)

BROADWAY, March 18 — Neighbors, our revival is in progress this week. Rev. Willie Hazel of Rising Star is doing the preaching. We wish to invite everyone to attend these services.

We had a nice attendance at Sunday school Sunday morning. We had hoped for a goal of 85 and only fell three short. Let's try even harder to present next Sunday. We were happy to have visitors in the services Sunday and invite them back.

Mrs. Dick McDuff, Mr. and Mrs. Claborn Marshall of Crosbyton were Sunday visitors with the Willard Richardsons.

Mr. and Mrs. Joe Lambert of Hobbs, N. M., spent a few days with her mother, Mrs. H. R. Starrett. Mrs. Leslie Miller visited Mrs. Burl Wall on Sunday evening.

Mr. and Mrs. D. D. Thornhill, Mr. and Mrs. T. E. Thornhill and Tommie were Sunday dinner guests of Mr. and Mrs. A. L. Winegar and children of the Cone Community. Afternoon callers were Mr. and Mrs. M. A. Winegar and children of Lubbock and Mr. and Mrs. Kelton Winegar and Karen Jo.

Mr. and Mrs. Calvin Beckham and Barbara Kay of Lubbock were Sunday visitors with Mr. and Mrs. Ben Beckham and Mrs. Colene Thompson and children.

Mr. and Mrs. Richard Gossett of Crosbyton were visitors with Mr. and Mrs. T. E. Thornhill and Tommie on Thursday night of last week.

Mr. and Mrs. Carl Holcomb and son of Crosbyton were visiting relatives in our community Sunday, the J. C. Joplin and Harold Truell families. They also visited in our church services Sunday morning.

Mr. and Mrs. D. D. Thornhill visited Sunday night in the Ben Beckham home.

Mr. and Mrs. Conda Starrett visited on Sunday night a week ago with Mr. and Mrs. D. D. Thornhill.

Mrs. Richard Gossett and Clara of Crosbyton were Saturday afternoon callers in the Claude Sudduth home.

We are sorry to report that Mrs. Morris, mother of H. L. Morris, is ill in the Spinal Hospital. We wish for her a speedy recovery.

Rhonda McClure spent Friday evening with her grandmother, Mrs. Hoyt McClure and on Saturday evening, Brenda McClure spent the evening with her.

Mrs. J. W. Stewart spent a few days week before last with her daughter and husband, Mr. and Mrs. J. C. McNeil III, down near Houston. She was called home Monday due to the accidental death of her nephew, Martin, Mason, whose parents live near Floydada.

Mr. and Mrs. Hoyt McClure and Mr. and Mrs. C. A. McClure attended workers conference at Aiken on

(Taken from the files of The Herpian, issue dated March 25, 1943.)

Bobby James Cline celebrated his eleventh birthday Friday afternoon at 4:30 o'clock at the home of his parents, Mr. and Mrs. H. O. Cline, 515 West Missouri Street. Refreshments were served to eight guests.

Richard F. Stovall, court reporter of the 110th district since 1936, and a member of the bar since 1938, was named district attorney of the 110th Judicial District Saturday by Governor Coke R. Stevenson, who announced the appointment to fill the unexpired term of John Hamilton of Matador, resigned and now serving as lieutenant (jg) in the U. S. Navy.

Carl J. (Butch) Muench Jr., celebrated his fourth birthday Wednesday afternoon of last week at 3 o'clock with a birthday party at the home of his parents. Guests were Phyllis Durrant, Juanice Beedy, John Bradford, Freddie Ritchie, Pete Muench and the honoree, Butch Muench.

An annual meeting of the REA cooperative has been announced by Project Superintendent Melvin Henry to be held on April 17. The time of the meeting is announced for 2 p. m. and it will be held at the district court room.

The municipality's official ballot on Tuesday, April 6, will carry a full slate of candidates, that is at least one candidate for every office, including those for alderman. Names appearing on the ticket are: Mayor, W. U. White, Marshal, R. D. (Bob) Smith, E. A. Grigsby; Secretary, Silas E. Duncan, T. T. Hamilton; Alderman, five to be elected. Con-

ner Oden, F. C. Harmon, J. D. McBrien, J. W. Lanier and Walton Hale.

## FHS Agies Have Contestant In Princess Contest

LUBBOCK — An attractive young lady from Floydada High School has been entered in the fifth annual Princess Contest which is being held in conjunction with the South Plains Junior Fat Stock Show in Lubbock, March 18, 19, 20.

She is Miss Marisue Burleson, 15, daughter of Mr. and Mrs. W. E. Burleson, who was entered in the contest by the FFA Chapter of Floydada High School.

The young high school freshman has brown hair and brown eyes. Kendis Julian is president of the sponsoring FFA chapter. Judging will be Saturday morning, March 16 at 10 a. m. in Fair Park Coliseum. Five 4-H presidents will judge the FFA Princess contest, and five FFA Chapter presidents will judge the 4-H Club Princess contest. Judging will be on the basis of beauty and appearance alone. The two Princesses will be outfitted in Western clothes and will then serve as official hostesses for the Junior Fat Stock Show.

Virgil N. Orman of the Air Force is back in Germany once more. His father, Percy, got a new address last week from his service career son. Some of his school day friends or others may want to get in touch with him. In which case the address is T/Sgt Virgil N. Orman, AF38088566, 1807th AACWS Wing, APO 132, New York N. Y.

## Shrine Ceremonial Honors Jess Boyd

A big class of Masons in this area were among the initiates at the Jess Carl Boyd Shrine Ceremonial festivities held in Petersburg Saturday. Nearly 1,500 persons, including 450 Shriner and nobles of the Mystic Shrine witnessed the event.

A street concert by Khiva-Temple Band, Amarillo, launched the event. Boyd, for whom the ceremonial was named, was among the 71 candidates initiated. He became a Master Mason in old Estacado Lodge in 1908 and a Scottish Rite Mason in 1946 at El Paso.

Among the Floydada initiates at the Boyd Ceremonial in Petersburg were R. C. Day, W. Wilson Edwards, John B. Fowler, T. L. Holland Jr., J. T. Huckabay, R. H. Smith, C. N. Walding, David Wilson, W. W. Trapp, Tilden B. Armstrong, Lane Decker, B. B. Henry and J. K. Holmes.

NEW LAW GOVERNS PAYMENT UNUSED TERMINAL LEAVE PAY  
County Service Officer Darnell G. Ayres has issued a statement in regard to a new law governing unused terminal leave pay, which from time to time may have local application. In it he says:

Public Law 770, 84th Congress, provides that payment will now be made to survivors of veterans of the Armed Forces who died after discharge or retirement without having received compensation for Unused Leave Credit (Terminal Leave Pay). In the case of Veterans who died before July 24, 1956, survivors must apply for the Terminal Leave Pay by

July 24, 1958. Survivors are entitled in the following order:

1. Surviving wife and children if any, in equal shares;
2. Surviving parents, in equal shares;
3. Surviving brothers and sisters, in equal shares;
4. Surviving child or children of a deceased brother or sister, in equal shares.

## Mr. A. Nonymous, Return The Wheel Chair You Have!

Where are nine hospital beds, eight wheel chairs and a lot of crutches that belong to J. W. Harrison Post, VFW? You don't have them or you'd return them no doubt. But some of your neighbors do have them, now stored in garages and around.

People are funny! When they needed a hospital bed or wheel chair—or crutches—sure was a fine thing the VFW Post had them and would loan them.

But the crisis over, the rush is over! "Some of these days we're going to return it," says the man. But he doesn't.

Jim DeFoor who has been named quartermaster of the post, says that they are having calls for this patient's equipment they cannot fill, all because of somebody's carelessness.

Something ought to be done about it! Maybe you're the one that ought to do it. Trouble is you are anonymous. Don't be ashamed. Most people are that way. Just bring them back!

THE FLOYD COUNTY HESPERIAN

★ ★ ★ ★ ★ VIEWS AND COMMENT

Not too many years ago Floydada streets were well-marked with easy to read street names at intersections but they gradually disappeared, which can be credited to carelessness of street builders and, of course to the ravages of traffic and hoodlums. Now a stranger trying to get about in Floydada simply can't without a helper. Floydada doesn't have street markers today because nobody cared when they were destroyed.

**The Railroad's Contribution.** Help given by the railways in the emergency occasioned by the drought in reduced charges for hauling feed for cattle and sheep has amounted to a figure upward of \$25 million, according to the newspaper headlines but not too much impact on the public because, for one thing, similar action has been taken by railways many, many times before, and for another, because it was at the "suggestion" of the ICC. A "suggestion" from this august body to the railways is practically an order. But the railway officials did make the contribution with good grace. On the other hand the saving has been spread out among many thousand livestock men and its helpfulness was counter-acted to a considerable extent by the increased cost of feed which was tacked on by the people who had the feed to sell. In most instances, where government or private subsidy was announced to help see the hard-hit livestockman through, the recipient found that half or more of the saving intended for him had been "absorbed" by an increase in first cost. Under such maddening conditions it has been difficult for the consumer to take time to appreciate the well-meant gestures of help from any source.

We are due thanks to Naylor's of San Antonio for copies of two of William F. McCaleb's recent books, "The Alamo" and "Big Foot Wallace." The books were intended for the Hesperian literary editor. We are not judges of literature, but we did enjoy the McCaleb books. They are done in a style suitable for youngsters, grown-ups not barred. McCaleb is a banker and a collector of Texas early history. He has personal or manuscript information on which he bases his stories and they are correct in most careful detail. The Naylor Company declares. There are several books contemplated in the series, four or five of which are already off the press.

**Schools on Highways.** Do many communities put their schools on the highways or do the highways run by the school houses? We have wondered often. Some schools are so close they build high fences between the grounds and the highways to protect the student body at play, and in more cities than you find crossing guards who are responsible for getting students across highways without harm. In Floydada it was the schools first, also the highways are a block or two away, but in many, many towns this is not true. Fast traffic is always a hazard to little fellows. The kids forget to think and the driver is often guilty of the same thing.

Senatorial candidates have considerable competition in their efforts to whip up public interest in the political campaign. Although the election is less than two weeks away and the election has great political significance, the headlines have been captured by the investigations at Austin and Washington. Only six of the more than a score of candidates have set up state campaign headquarters and it seems probable that 90

per cent of the vote cast will be polled for these six. One forecaster has indicated the belief that only 350,000 votes will be cast. We feel that the vote will more likely run close to half a million. The candidates who have set up state campaign headquarters are Senator Searcy Bracewell and Thad Hutcheson, both of Houston, Congressman Martin Dies of Lufkin, James M. Hart and Ralph Yarborough of Austin, Agriculture Commissioner John C. White, Wichita Falls.

**Opinion varies widely on the probable winner out of these six.** Our belief is that the race will be between Yarborough and Dies. Both have tremendous following. Judge Yarborough has the advantage, since he has been more in the public eye than Dies. However, his three-time record as an also-ran is bound to lose him some votes. People get tired of backing a loser, right or wrong, after so long a time. Dies is also a campaigner as good as Yarborough. He has a record the liberals have found difficult to attack, although the ultras in the liberal camp consider him as one of the "big's."

**Old Age Pensioners and others whose income is based on annuities, insurance endowments, Social Security payments and the like, are finding it a bit tougher to make their fixed income stretch around a living as prices of what they have to buy continue to mount.** This circumstance is proof that you can't foresee everything no matter how well you plan your financial affairs.

**This reminds us that Treasury Department officials can hold a straight face and make this statement:** "Bonds have acquired greater attractiveness in recent years because of the country's substantial success in curbing inflation." The fact is that the inflation spiral has never been more fluid and, right now, freight and Big Labor costs are heading for another rise. The government has not had "substantial success" in curbing inflation and is not going to have. We hate to say it.

**Too Many Banks.** We'll never forget the day we missed our biggest news break—the forecast of what was to come—that frost-bitten, bitter morning years ago when the little man with a sports cap stuck his head out of the railway magnate's private car and asked "what town is this?" We were told his name beforehand and it was that of one of the huge banking and investment companies of Wall Street. We had gone down to the railway car, hopefully, to get an interview. Anything that a "big" man would say encouraging. Times were tough. The country could take some encouragement, we felt. His next question was "how many banks here?" "Two," we answered. "Too many," he snapped and back into his hole he went. In a year or two we began to find out what his way of thinking forecast. Banks went burst right and left, not only in Floydada, but everywhere. The administration, which Floyd County and Texas people helped to put into control, really did "clean up" the bank situation—and how! A good deal of bitterness still, among those who are old enough to recall. We missed the significance of the monkey man's two word comment entirely—until ten years later it came to us on the same kind of a morning—after the country banks and their customers had been run through the wringer.

Nothing relieves and ventilates the mind like a resolution. —John Burroughs

Highlights And Sidelights From the State Capitol

(By Vern Sanford, Texas Press Association)

**AUSTIN**—Some observers now predict that legislative investigations of insurance companies will continue beyond the session's end. Panels in both houses are delving into circumstances leading to the bankruptcy of the ICT Insurance Co. of Dallas. The more they investigate the more widespread and complicated the involvement.

Recent disclosures from testimony of former Insurance Commission Chairman Garland Smith was on several occasions the guest of Ben Jack Cage, one time ICT head, on pleasure trips. Smith's son-in-law, Max Wayne Rychlik, received \$6,400 in salary from Cage, for a job with no duties. ICT lost \$2,000,000 in a series of stock transactions with Pierce Brooks, head of National Bankers Life Insurance Co. of Dallas.

A Senate committee said that an independent investigator had been hired to look into the affairs of at least five other insurance companies.

Meanwhile, the Senate passed a bill by Sen. William S. Fry of Victoria to reorganize the Insurance Commission. It abolishes the present board and substitutes an executive director and a part-time, three-man policy board.

An amendment by Sen. Frank Owen of El Paso would require the Insurance Commission to move out of its headquarters. It occupies some eight floors of the International Life Insurance Co. building in Austin.

Owen contended that the state should not be paying rent to an insurance company over which it exercises control. Opponents counter that insurance companies of Texas pay the rent and the money does not come out of the state's general revenue fund.

They say further that if the commission returned to the old Land Office building, now inadequate for the enlarged commission, the state would be providing free space and forcing other departments to move—and pay rent.

They also point out that there is no other building in Austin large enough to house the Insurance Commission.

Gov. Price Daniel is supporting a bill in the House, by Rep. Marshall O. Bell of San Antonio, which would provide a full-time insurance board. The Senate version is not the Governor's bill.

**NEW COMMISSION PUSHED**—Governor Daniel has put the "emergency" label on his request for a State Law Enforcement Commission. Rep. R. H. Cory of Victoria submitted the Governor's proposal in a bill, co-sponsored by 102 House members.

Commission's duty would be to "put the spotlight of truth" on charges of official misconduct. Twelve members would include a chairman appointed by the Chief Justice of the Supreme Court, plus 11 other members named by grand jury foremen in the state's judicial districts.

**DANIEL BACKS TPA BILLS**—Simultaneously with his announcement of a Crime Commission Bill, Governor Daniel gave unqualified endorsement of 15 "Better Government" legislative measures recommended by the Texas Press Association.

Daniel extended his personal compliments to TPA and the press

of Texas for "unselfish effort in the fight to bring better government to the State and its citizens."

In his endorsement the Governor said "the 15 bills sponsored by the press of Texas would supply some badly needed laws, and strengthen several existing laws. They have my unqualified endorsement."

**NEW WATER BOARD**—Another phase of the water conservation program has reached conference committee stage. Bills to create the Texas Water Development Board passed both houses.

Senate version calls for a five-member board; House, three members. Board's responsibility would be to administer the proposed \$200,000,000 bond issue. Money is to be loaned to local districts for conservation projects.

**TRUCKERS SEEK INCREASE**—A bill to increase truck-load limits has stirred the perennial controversy between the motor freight and railroad industries.

Truckers are pushing a bill to increase the limit, from 38,420 to 72,000 pounds. Backers contend that putting the increased weight on an extra axle would mean no more wear and tear on roads than present loads. Truckers, they add, paid \$97,000,000 or 41 per cent of state highway use taxes in 1956.

A State Highway Department bridge designer said that a 72,000-pound load would shorten the lives of Texas bridges. A railroad spokesman warned that truckers "can't pay enough for the damage done to Texas highways."

**LOAN LAWS URGED**—Measures to regulate small loan businesses are being studied in the House. At committee hearings former Secy. of State Tamm-Rogley, the Texas Junior Bar and a military official made strong appeals for loan regulation. They cited cases of interest and charges allegedly running to nearly 300 per cent.

A bill by Rep. Tony Korsoth of Sherman would license persons making loans up to \$500, allow 10 per cent interest and other charges up to 3 per cent a month on unpaid balance of less than \$100.

**MENTAL HEALTH DEPARTMENT**—Session's trend toward reorganizing state agencies has extended to mental hospitals.

A last-minute Senate bill incor-

porates the recommendations of a national authority who surveyed the Texas hospital system. Dr. Francis J. Cery of Chicago proposed "dismantling" mental hospitals from "unrelated services" (tuberculosis hospitals and special schools). He also suggested a model demonstration program at a new \$60-bed hospital in the Houston-Galveston area.

**New bill would create a Department of Mental Health under the present State Board for Hospitals and Special Schools.** Texas Medical Association has endorsed the plan.

**SHORT SNORTS**—More guards are needed for the Texas Prison System says O. B. Ellis of Huntsville, general manager of the Texas Prison System. Farmers could use their back-up trucks with half-price license tags for routine household errands as well as farm work under a bill passed by the House.

Rep. A. J. Bishop Jr. of Winters is author. Governor Daniel has set April 20 as the date of a special election to choose a successor to Rep. James E. Cox of Conroe.

A bill to prevent unauthorized use of a political party's name has been introduced by Rep. Moyné Kelly of Afton. It is aimed at "Democrats of Texas"—a group frowned on by the State Democratic Executive Committee.

Governor Daniel has signed into law a bill providing prison sentences for persons selling liquor or narcotics to prison inmates. He also signed a bill designed to prevent adulteration or mislabeling of commercial feeds. . . . Repeal confirmation of 53 recess appointments of former Gov. Allan Shivers took care of all the Shivers slate except three. These are R. M. Dixon, Water Board chairman; R. P. Newman, Employment Commission; J. M. Patterson, chairman of the Board of Control.

**FLOYD AND MOTLEY COUNTIES ARE RE-DESIGNATED UNDER EMERGENCY FEED PROGRAM**

Walter T. McKay, State Director, Farmers Home Administration has advised Delbert L. Kessachin County Supervisor of the redesignation of Floyd and Motley Counties for assistance under both the Emergency Feed Grain and Roughage Programs. Under this designation, farmers and ranchers may now file applications through April 1, 1957 to pro-

vide feed grain and roughage for basic livestock herds through April 15, 1957.

**BUY ANGUS COWS**

R. L. Johnson and son of Floydada recently purchased four purebred Aberdeen-Angus cows from Kellison and Henderson of Lockney, Texas.

## Women Outline Activities For THDA Meeting

Ten of the 14 Floyd County Home Demonstration Clubs were represented in the THDA Council session held Saturday afternoon in the council room at the court house, with President Mrs. Griggie Milton presiding.

Highlight of the meeting was a talk by Olin Watson Jr., secretary of the Floyd County Chamber of Commerce. Mr. Watson stressed some of the benefits that the county would derive from an Adult Education Program.

In line with this thought, a community clinic on how to get your job done most effectively in connection with the program was held.

Roll call was answered with "Someone I Have Helped to Make Their Work Easier."

A report was given that 24 persons attended the "Roll Call" at the club, sponsored by the club.

The club members voted to subscribe to the Messenger for each member out of club funds.

Members were reminded of the District II meeting, March 27, at Levelland and the president urged good representation.

Mrs. J. T. Myrick was hostess for the meeting and served attractive refreshments to Mesdames Wynne Edington, Raft Ferguson, James McLain, Arlin Miller, Kirk Slater Jr., Lynn Miller, M. B. Saenger, J. T. Speck, Orin Miller, Hollis McLain, new members, Mrs. Billy Stringer and Mrs. Ed Noel.

Date of the next meeting has been set for March 28 due to the conflicting date of the District II meeting on the regular day. This meeting will be postponed. They with Mrs. Raft Ferguson as hostess. All members are urged to attend.

Plans also were begun for the 1937 Sweep to be held sometime in May. Further announcements about that next month.

Letters were read from our THDA and 4-H scholarship students, Barbara Thornton and Charles Thompson. They expressed their gratitude for their scholarships and how much they mean to them.

It was called to the attention of council that persons have been working in this area soliciting money on the pretext of collecting for demonstration club supplies.

THDA does not sponsor this kind of association, so if you are approached, you can be assured that they are not working for the Texas Home Demonstration Association.

Roll call was answered with "Someone I Have Helped to Make Their Work Easier."

A report was given that 24 persons attended the "Roll Call" at the club, sponsored by the club.

The club members voted to subscribe to the Messenger for each member out of club funds.

Members were reminded of the District II meeting, March 27, at Levelland and the president urged good representation.

Mrs. J. T. Myrick was hostess for the meeting and served attractive refreshments to Mesdames Wynne Edington, Raft Ferguson, James McLain, Arlin Miller, Kirk Slater Jr., Lynn Miller, M. B. Saenger, J. T. Speck, Orin Miller, Hollis McLain, new members, Mrs. Billy Stringer and Mrs. Ed Noel.

Date of the next meeting has been set for March 28 due to the conflicting date of the District II meeting on the regular day. This meeting will be postponed. They with Mrs. Raft Ferguson as hostess. All members are urged to attend.

By the sincere endeavor of people taking pride in their interpretation of the most Holy Book.

God's gaze dwells on His rivers and love is in His look. Religions are like rivers. They may be deep and broad, or narrow streams, but ever they find their way to God.

A big van puffing smoke like a man with a cigar, passed us then slowed down to a slower pace. We were glad to pass him and get rid of the smell of smoke in our faces. ## RAIN CAN MAKE ALL OF US HAPPY

Rain is always a welcome sight in West Texas. Farmers have always been happy when the clouds gather and rain begins to fall on the dry earth.

Now with the use of automatic electric clothes drying equipment, the wonderful rain will not create a problem for anyone. The housewife can enjoy the showers as well as the man of the house and need not worry about rushing home to gather in the family wash from the clothes line.

For that matter weather of any kind will offer no problem when it comes to drying clothes if you dry them in doors the safe electric way... neither rain nor dust nor cold will delay you.

With the changeable spring days that are just ahead why not solve the clothes drying problems at your house. See your appliance dealer in Floydada and find out how inexpensive it is to install an electric dryer in your washroom.

With a dryer you don't run the risk of torn, sun faded or dirty washes that often plague the woman who must depend on drying out of doors.

And think of the saving realized from preventing sickness and colds that come from hanging wet clothes these cold mornings.

Taking all in to consideration electricity is the best buy on your family budget. Put it to work for you with the use of modern electric appliances. They will save you time and money.

## READY FOR A CHANGE In the Weather?

Spring is just ahead and with it will come a varied assortment of weather. From icy cold to warm summer like days in just a few hours.

This changeable weather can be very disagreeable at times... especially times when we are thinking of drying the family wash out of doors, hard to decide what kind of day lies ahead when the wash dry starts will it be sunshine, rain, snow, or sand?

You don't have to figure out the answer, and you need not worry about the clothes either if you dry them electrically. With an automatic electric clothes dryer you may stuff the wash into your machine and forget it.

The savings on wear and tear on both the clothes and the person taking care of them is a big item.

Are you enjoying the convenience of an electric dryer in your home? Don't see your appliance dealer soon.

## "WITH MY Electric Dryer I PICK MY OWN DRYING TIME!"

Says Mrs. Oscar Williams OF GOODWELL OKLAHOMA Teacher and Registrar at Panhandle A. & M. College

"When I arrive home from work at 5 P.M., I usually start my washday. So you see why it is so important that I have an electric clothes dryer. I pick my own wash time and day with no dependence on the weather. One of my nightly projects is grading and correcting classroom papers so it is really nice to know that Reddy is working for me. My electric clothes dryer makes it convenient for me and my work and too, my clothes come out so much softer and fluffier." says Mrs. Williams.

You, too, can pick your washday time... with an ELECTRIC clothes dryer.

## Jarrett in Hill Chapel

decorated with sequins and mother-of-pearl. She carried a bouquet of cascaded stephanotis around a white hybrid orchid atop a pearl encrusted prayer book with descending satin love knots.

Mrs. Arthur Seitz of Amarillo attended her sister as matron-of-honor. She wore a blue cotton street length dress styled with full skirt and fitted bodice featuring a Peter Pan collar trimmed in blue lace. She wore white and blue accessories and carried a colonial nosegay of pink gladiolus accented with tiny blue butterflies.

Candies were lighted by Lynn Hulse, daughter of Mr. and Mrs. Lynn Hulse of Canyon and Randy Banks, son of Mr. and Mrs. Carl Banks of Amarillo, nephew of the bridegroom. Miss Hulse wore a street length dress of aqua dotted with white and a full skirt and fitted bodice which featured puff sleeves. She wore a wristlet of feather pink carnations and sweet-heart roses.

Roger Haley of Higgins served the groom as best man. Ushers were Don Hollums of Floydada and Bobby Green of Lubbock.

Mrs. E.L. Keene of Canyon, aunt of the bride, wore a navy blue fall dress trimmed in black velvet with black accessories. She wore a corsage of pink carnations.

Mrs. Jarrett chose for her son's wedding a print silk dress with powder blue accessories and she wore

MR. AND MRS. LONNIE J. JARRETT

a corsage of pink carnations.

Following the ceremony a reception was given in honor of the couple at the B. L. Cupell home, 2801 First Avenue, Canyon. The bride table was laid with a blue and white damask cloth and centered with the four-tiered wedding cake decorated in blue and white. Silver and crystal appointments were used. Blue candles in crystal holders completed the table decor. Mrs. Carl Banks, sister of the bridegroom and Mrs. Bill Cherry, cousin of the bride, presided at the table.

For a wedding trip Mrs. Jarrett chose a tangerine linen sheath dress with matching bolero trimmed in gold. Her dusts were beige, fallie accented, with brown flecks. She wore brown and beige accessories and the corsage from her bridal bouquet.

The bride, a graduate of Canyon High School, attended West Texas State College. Jarrett, a '53 graduate of Floydada High School, is a graduate of West Texas State College, Canyon. He is presently teaching in Friona Junior High School where the couple will make their home.

A rehearsal dinner honoring the bride party was given March 6 in the home of Mr. and Mrs. Bill Cherry, 201 21st Street, Canyon, with Mrs. Cherry and Alice Brotherton as hostesses.

### MRS. EAVES IS HOSTESS TO LAZY DAISY QUILTERS

The Lazy Daisy Quilting Club met last Thursday afternoon in the home of Mrs. J. D. Eaves.

Those enjoying an afternoon of quilting and visiting were Meses E. W. Dunavant, Z. A. Burgett, Earl Bishop, Elbert Parks, O. E. Murry, W. L. Finley, Riley Teague, C. W. Denison, R. F. Finley, O. C. Vinson, Verl Miller, I. Gaitner, Sam Hale and the hostess, Mrs. Eaves.

The club will meet Thursday, March 28, with Mrs. O. C. Vinson as hostess.

### ANN WELBORN IS PRESIDENT OF BAYOR U. SORORITY

WACO—Miss Ann Welborn, senior music education student at Baylor University, has been named spring quarter president of Delta Alpha Pi, women's social organization.

Ann is also a member of Mu Phi Epsilon, national music sorority.

Ann is the daughter of L. J. Welborn of 512 W. Virginia, Floydada. She is a 1953 graduate of Floydada High School.

The birds have whistled themselves up a false spring. And like humans who fool themselves about things, the feathered folk are having quite a ball pretending.

We first noticed it about a week ago when the sun produced that insinuating undertone of gentleness in the air — still cool, but promising. And as we got out of the car in the driveway that day, a bluejay scolded importantly.

A pair of doves have taken up with us, too, and always side by side, they graze on the worms who come to the surface where the sprinkler runs.

A day or so ago, we noticed an oriole fluffing up his feathers in the snowball bush outside the bathroom window. A cardinal and his wife visited us briefly one day last week. We watched them flirt through the lavender bush and the cherry tree. And this morning when we awoke, the mocking birds were singing their glorious song.

Robins, blackbirds, flickers — and always sparrows galore — disport themselves in the dampened flower beds. And yesterday we saw a field lark strutting his beautiful yellow vest for all to see as he balanced gracefully on a barbed wire fence. Now birds are wise — wiser in some ways than people. And we refuse to believe these happy little fellows don't know about the "easter spell" that has yet to come. Nature may fool the fruit trees into early blooms, but never the birds. Bored with winter weather, they're simply having themselves a wonderful time.

### WORD OF THANKS

We are grateful to the people of Floydada for their thoughtfulness, kindness and expressions of sympathy with flowers and other tokens, in our bereavement, at the untimely passing of Tommy Ray Franks. Our heartfelt thanks to everyone.

## Hesperian Employee Wed Since October To Leave Monday

Miss Margenia Alvord, who came to Floydada in November of 1952 and has been employed with the Hesperian since March of 1953, leaves next week for Beaumont, and will make her home there.

Miss Alvord was married here on October 13 of last year to L. Leonard Simmons, Rev. Rhett Simmons (no relation) pastor of the Fairmount Baptist Church officiating.

The couple obtained their marriage license in Amarillo and their wedding was kept a secret locally.

Miss Alvord is the daughter of Mr. and Mrs. Eugene Alvord, of Centralia, Washington.

L. Simmons, originally of Long Beach, California, is with the United States Air Force as a special service officer. He is stationed at a base in South Texas temporarily.

The couple will reside near that base until his separation from the service in 1959. They plan to establish a home in Seattle, Washington, after that time.

## C. Alexander Honored On His Eighty-Sixth Birthday with Dinner

C. Alexander, southeast of Floydada, was honored on his 86th birthday last Thursday with a bountiful birthday dinner prepared by Mrs. Alexander and her children.

Friends and relatives of the honoree called throughout the day to offer felicitations.

Children of the couple present included Mr. and Mrs. Leonard Alexander of Floydada, Mr. and Mrs. Clyde Alexander of Plainview, Mrs. R. E. Cogswell of Dimmitt, Mr. and Mrs. John Hambright of Olton and Mr. and Mrs. Will Hambright of Floydada. Mr. and Mrs. Hugh Alexander and family of Olton were

unable to attend.

Grandchildren present were Miss Brooksey, Alexander of Plainview, Mr. and Mrs. Odell Breed and Shirley, Mr. and Mrs. B. J. Hambright and Kathy, Mr. and Mrs. Gordon Hambright and Craig and a nephew, Russ Alexander all of Floydada.

Friends calling during the day included Mrs. S. H. Tackett, Mrs. Walton Hale, Mr. and Mrs. C. W. Oisecke, Mr. and Mrs. Wayne Batley, Mr. and Mrs. Mal Jarboe, Mr. and Mrs. P. L. Orman, Mrs. J. A. Arwine, Frank Harmon, W. Ray Johnson, Mrs. Ned Bradley, Mrs. Grady Walker, Mrs. Menard Field, Gordon L. Downing and Mrs. Vina Tomson of Vernon, a life-long friend of the couple.

## Pastors Helpers Are Entertained Thursday

The Pastors Helpers Class of the First Methodist Church were entertained last Thursday with a luncheon at the home of Mr. and Mrs. W. H. Hilton, 306 West California.

Mrs. W. R. Jahinke, president, presided over the business meeting. Mrs. Lillie Henry gave the devotional assisted by the members giving something on the chosen subject.

The class was invited to meet in April with Mrs. Oliver Allen, Silverton Highway.

Visitors present included Mrs. Carrie Wheeler, Mrs. Lena King, Mrs. Abigail Elza, Mrs. Scott King, Mrs. F. O. Conner, Rev. and Mrs. Tilden B. Armstrong, members present were Meses Will Walker, W. R. Jahinke, Lula Slaughter, P. M. Felton, Addie Thagard, Mary Finley, O. B. Olson, W. A. Shaw, J. E. Laughlin, Lilly Henry, Ora P. Shipley and the hostess, Mrs. W. H. Hilton.

Mr. and Mrs. Leroy Burns and Mrs. Sherman Irwin left Monday to join Sherman Irwin in Farmington, N. M., for a weeks outing.

Mr. and Mrs. Bill Jackson and children Bill, Bob and Jan, of Irving, visited last week with Mrs. Jackson's grandmother, Mrs. R. F. Hall.

## Women Outline Activities For THDA Meeting

Ten of the 14 Floyd County Home Demonstration Clubs were represented in the THDA Council session held Saturday afternoon in the council room at the court house, with President Mrs. Grigaly Milton presiding.

Highlight of the meeting was a talk by Olin Watson Jr., secretary of the Floyd County Chamber of Commerce. Mr. Watson stressed some of the benefits that the county would derive from an Adult Education Program.

In line with this thought, a community clinic on How to Get Your Job Done Most Effectively in Com-

mittes, Boards and Conferences, will be held at the council room on March 25. Registration from 9 to 9:30. Program begins at 9:30.

A covered dish luncheon will be served at noon in the A.A. kitchen.

This program will be presented by the Adult Education Department of Texas Technological College.

Clubs are asked, especially, to have their presidents and program chairmen there. Anyone else interested is invited to attend.

Registration fee is \$1.00, of which 50c will go into the Floyd County THDA treasury.

Announced the district meeting to Mrs. Tom Porter, THDA delegate, to be held at Leveland, March 27.

Registration begins at 9:15 a. m. and the program starts at 10:00.

There will be \$1.50 charged for dinner, which will be served by the Hockley County women.

Those planning to go should contact Mrs. Brummett or write to Mrs. Hugh Eledge, Box 578, Sandown, Tex.

Women who go from here will meet at the A.A. office at 7 a. m. and go from there together.

Mrs. Porter said, too, that the State THDA meeting has been changed to July 31 to run through August 2.

The Yearbook Committee is to meet April 15. Mrs. Brummett asked that all clubs discuss and get their ideas on the 1958 Yearbook needs to the committee by that time.

Foods training meeting is to be held at 2 p. m. April 8 at the A.A. kitchen. Club food leaders are urged to be there. If your club does not have food leaders, please send some delegates to get this training.

Floyd County will have the radio program from KFYO in Lubbock, Saturday, April 20 at 8:30 a. m.

Council voted to suggest two books as new material for the library. Books which are along the line of demonstration work and would make excellent reference books.

Plans were made for a style show and tea to be held April 16 at 2 p. m. Place to be announced later.

Club members taking the basic sewing course in sewing will model garments made in club work. The public is invited.

Plans also were begun for the 1957 Swap Shop to be held some time in May. Further arrangements about that next month.

Letters were read from our THDA and 4-H scholarship students, Barbara Thurston and Sharda Thompson. They expressed their gratitude for their scholarships and how much they mean to them.

It was called to the attention of council that persons have been working in this area soliciting money on the pretext of collecting for demonstration club songbooks.

THDA does not sponsor this kind of solicitation, so if you are approached, you can be assured that they are not working for the Texas Home Demonstration Association.

Roll call was answered with "Someone I Have Helped to Make Their Work Easier."

A report was given that 54 persons attended the Chili Supper, March 8, sponsored by the club.

The club members voted to subscribe to the Messenger for each member out of club funds.

Members were reminded of the District II meeting, March 27, at Leveland and the president urged good representation.

Mrs. J. T. Myrick was hostess for the meeting and served attractive refreshments to Misses. Wayne Billington, Raif Ferguson, James Jefferson, Arlan Miller, Kirk Slater Jr., Lynn Miller, M. B. Swanner, J. T. Spears, Orba Miller, Hollis McLain, new members, Mrs. Billy Stringer and Mrs. Ed Noel.

Date of the next meeting has been set for March 28 due to the conflicting date of the District II meeting on the regular day. This meeting will be Poyanna Day with Mrs. Raif Ferguson as hostess. All members are urged to attend.

## Famous Dishes Make Up Menu At Club Meet

Rice Salad, Chicken and Dressing Casserole, Cinderella's French Beans and Cocoa Dream Cake were only a few of the many famous dishes served at a luncheon for the Harmony Home Demonstration Club members and guests on Wednesday, March 13, at the community center.

The yearbook committee, Mrs. Don Pankner, Mrs. Carrie Snodgrass and Mrs. Walter Hanna, were hostesses.

Each member brought a dish she was famous for or that she particularly liked and also the recipe.

Following the luncheon, Mrs. Z. A. Scott and Mrs. Chiona Williams directed some games.

Mrs. Everett Miller gave the Surprise Idea in showing several different types of pictures. These varied from very simple ones made from wall paper to very elaborate ones of wrought iron, velvet, dried seed pods, grasses, etc.

Mrs. Jimmy Willson Jr. entertained the group with her delightful presentation of a book review. She chose the book, "Dig or Die, Brother Hyde" to review.

A short business meeting was conducted after the review.

Members present were Mesdames G. L. Snodgrass, Mather Carr, J. P. Akin, Elmer Williams, R. B. Gary, Glenn Pool, Bob Hopper, Marion Tucker, Zant Scott, Chiona Williams, Ted Rutherford, Everett Miller, Carrie Snodgrass, and Don Pankner.

Guests present were Mesdames W. F. Daniel, Jon Parkey, Jimmy Willson Jr., M. D. Ramsey, John Hoffman, Mrs. E. A. Day, and Mrs. Bennie Keita, both of Matador.

The next meeting of the club will be March 28 with a guest speaker for that day.

There will also be a Dresden painting class April 3 at the Community Center.

## Demonstration Club Topic Is 'Gardens'

"Gardens" was the program topic for the Starkey Home Demonstration Club when they met Friday afternoon at the Starkey Club House.

Mrs. John Fowler, president, presided over the meeting. Mrs. Keller Holmes opened the meeting with the club prayer. Roll call was answered with "The Latest Garden News."

"Chrysanthemum Success" was given by Mrs. Turner Hunter and Mrs. John Shipley gave a talk on "Civil Defense."

Following the program the exchange of Pollyanna gifts was held. Refreshments were served to Mesdames G. H. Day, Wanda O'Neal, L. A. Johnson, Jane Ferguson, Leon Ferguson, Olen Lowrance, Paul Sparkman, Keller Holmes, L. T. Dyrus, John Fowler, James Bachus, John Shipley, Turner Hunter, Tom Porter, D. E. Wallace, S. L. Holmes and H. sound barrier. We saw her later with  
two highway boys talking to her.

The car came after us, then went  
sedately around and on for a mile or  
so then took off again in a speed-  
breaking rate. We got behind a station  
wagon with big signs painted on  
sides and back which read, Hem-  
lock Motel Blowing Rock, N. C.

A big van puffing smoke like a  
man with a cigar, passed us then  
slowed down to a slower pace. We  
were glad to pass him and get rid of  
the smell of smoke in our faces. We  
noticed the windmills were about all  
gone. Their day has passed. We are  
told that only two mills are made  
in the United States now, the Demp-  
ster and the Aeromotor.

Another good pioneer friend,  
Charley Smith of Floydada has left  
us with tear dimmed eyes. He was a  
good man, taking his place in the

life of the community and country with giving the best he had, which was indeed much. Every Christmas he and his wife sent us a Christmas Card. We loved this kind remembrance.

Over there by the silver river where flowers bloom and where God reigns, Charley awaits his loved ones. For his family these comforting words written so long ago by the pen of Isaac Watts:

"They are not lost, but they are gone to rest a little sooner than we are. Peace be to that bed of dust where they are hidden by the hand of their God, from unknown dangers! Blessed be our Lord Jesus, who has the keys of the grave, and never opens it for his favorites but in the wisest season."

Religions  
Hold waters purified

The Floyd County Hesperian, Floydada, Texas, Thursday, March 13, 1958.

By the sincere endeavor  
Of people taking pride  
In their interpretation  
Of the most Holy Book.

God's gaze dwells on His rivers  
And love is in His look  
Religions are like rivers  
They may be deep and broad,  
Or narrow streams, but ever  
They find their way to God.

# READY FOR A CHANGE In the Weather?

Spring is just ahead and with it will come a varied assortment of weather. From icy cold to warm summer like days in just a few hours.

This changeable weather can be very disagreeable at times... especially times when we are thinking of drying the family wash out of doors, hard to decide what kind of day lies ahead when the wash day starts will it be sunshine, rain, snow, or sand?

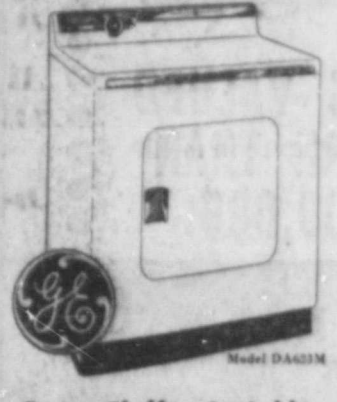

Well you don't have to figure out the answer, and you need not be about the clothes either if you dry them electrically. With an automatic electric clothes dryer you may stuff the wash into your machine and forget it.

The savings on wear and tear on both the clothes and the person's care of them is a big item.

Are you enjoying the convenience of an electric dryer in your home? Don't see your appliance dealer soon.

# RAIN CAN MAKE ALL OF US HAPPY

Rain is always a welcome sight in West Texas. Farmers have always been happy when the clouds gather and rain begins to fall on the dry earth.

Now with the use of automatic electric clothes drying equipment the wonderful rain will not create a problem for anyone. The housewife can enjoy the showers as well as the man of the house and need not worry about rushing home to gather in the family wash from the clothes line.

For that matter weather of any kind will offer no problem when it comes to drying clothes if you dry them in doors the safe electric way... neither rain nor dust nor cold will delay you.

With the changeable spring days that are just ahead why not solve the clothes drying problems at your house. See your appliance dealer in Floydada and find out how inexpensive it is to install an electric dryer in your washroom.

With a dryer you don't run the risk of torn, sun faded or dirty washes that often plague the woman who must depend on drying out of doors.

And think of the saving realized from preventing sickness and colds that come from hanging wet clothes these cold mornings.

Taking all in to consideration electricity is the best buy on your family budget. Put it to work for you with the use of modern electric appliances. They will save you time and money.

# "WITH MY Electric Dryer I PICK MY OWN DRYING TIME!"

Says Mrs. Oscar Williams OF GOODWELL, OKLAHOMA Teacher and Registrar at Panhandle A. & M. College

"When I arrive home from work at 5 P.M., I usually start my wash day. So you see why it is so important that I have an electric clothes dryer. I pick my own wash time and day with no dependence on the weather. One of my nightly projects is grading and correcting classroom papers so it is really nice to know that Reddy is working for me. My electric clothes dryer makes it convenient for me and my work and too, my clothes come out so much softer and fluffier." says Mrs. Williams.

You, too, can pick your washday time... with an ELECTRIC clothes dryer.

Mrs. Arthur Seitz of Amarillo attended her sister as matron-of-honor. She wore a blue cotton street length dress styled with full skirt and fitted bodice featuring a Peter Pan collar trimmed in blue lace. She wore white and blue accessories and carried a colonial nosegay of pink gladiolus accented with tiny blue butterflies.

Candles were lighted by Lynn Hulsey, daughter of Mr. and Mrs. Lynn Hulsey of Canyon and Randy Banks, son of Mr. and Mrs. Carl Banks of Amarillo, nephew of the bridegroom. Miss Hulsey wore a street length dress of aqua dotted swiss styled with a full skirt and fitted bodice which featured puff sleeves. She wore a wristlet of feather pink carnations and sweet-heart roses.

Roger Haley of Higgins served the groom as best man. Ushers were Don Hollums of Floydada and Bobby Green of Lubbock.

Mrs. E. L. Keene of Canyon, aunt of the bride, wore a navy blue faille dress trimmed in black velvet with black accessories. She wore a corsage of pink carnations.

Mrs. Jarrett chose for her son's wedding a print silk dress with powder blue accessories and she wore

## Hesperian Employee Wed Since October To Leave Monday

Miss Margenia Alvord, who came to Floydada in November of 1955 and has been employed with the Hesperian since March of 1953, leaves next week for Bueamont, and will make her home there.

Miss Alvord was married here on October 15 of last year to L. Leonard Simmons, Rev. Rhett Simmons (no relation) pastor of the Fairmount Baptist Church officiating.

The couple obtained their marriage license in Amarillo and their wedding was kept a secret locally.

Miss Alvord is the daughter of Mr. and Mrs. Eugene Alvord, of Centralia, Washington.

L. Simmons, originally of Long Beach, California, is with the United States Air Force as a special service officer. He is stationed at a base in South Texas temporarily.

The couple will reside near that base until his separation from the service in 1959. They plan to establish a home in Seattle, Washington, after that time.

VISIT OUR SNACK BAR

The birds have whistled themselves up a false spring. And like humans who fool themselves about things, the feathered folk are having quite a ball pretending.

We first noticed it about a week ago when the sun paled that insinuating undertone of gentleness in the air—still cool, but promising. And as we got out of the car in the driveway that day, a bluejay scolded importantly.

A pair of doves have taken up with us, too, and always side by side, they graze on the worms who come to the surface where the sprinkler runs.

A day or so ago, we noticed an oriole fluffing up his feathers in the snowball bush outside the bathroom window. A cardinal and his wife visited us briefly one day last week. We watched them flirt through the lavender bush and the cherry tree. And this morning when we awoke the mocking birds were singing their glorious song.

Robins, blackbirds, flickers—and always sparrows galore—disport themselves in the dampened flower beds. And yesterday we saw a field lark strutting his beautiful yellow vest for all to see, as he balanced gracefully on a barbed wire fence.

Now birds are wise—wiser in some ways than people. And we refuse to believe these happy little fellows don't know about the "easter spell" that has yet to come. Nature may fool the fruit trees into early blooms, but never the birds. Bored with winter weather, they're simply having themselves a wonderful time.

### WORD OF THANKS

We are grateful to the people of Floydada for their thoughtfulness, kindness and expressions of sympathy with flowers and other tokens, in our bereavement, at the untimely passing of Tommy Ray Franks. Our heartfelt thanks to everyone.

Mildred and Jeff Franks, Mr. and Mrs. T. J. Whitley, Mr. and Mrs. T. M. Whitley, Mr. and Mrs. Clifford Whitley.

a corsage of pink carnations.

Following the ceremony a reception was given in honor of the couple at the B. L. Cupel home, 2801 First Avenue, Canyon. The bridal table was laid with a blue and white damask cloth and centered with the four-tiered wedding cake decorated in blue and white. Silver and crystal appointments were used. Blue candles in crystal holders completed the table decor. Mrs. Carl Banks, sister of the bridegroom and Mrs. Bill Cherry, cousin of the bride, presided at the table.

For a wedding trip Mrs. Jarrett chose a tangerine linen sheath dress with matching bolero trimmed in gold. Her duster was beige, faille accented with brown flecks. She wore brown and beige accessories and the corsage from her bridal bouquet.

The bride, a graduate of Canyon High School, attended West Texas State College. Jarrett, a '53 graduate of Floydada High School, is a graduate of West Texas State College, Canyon. He is presently teaching in Friona Junior High School where the couple will make their home.

A rehearsal dinner honoring the bridal party was given March 6 in the home of Mr. and Mrs. Bill Cherry, 201 21st Street, Canyon, with Mrs. Cherry and Alice Brotherton as hostesses.
