

Panhandle Begins Warehouse For Cotton on Floydada Site

Will Be Ready For 1958 Crop Company Says

Panhandle Compress & Warehouse Co., began laying lumber and materials on the ground on the Q A & P industrial lines Saturday for cotton warehouses which they expect to have ready to serve the area this season, and were continuing to pile materials on the site this week.

Feverish activity with bulldozers and dirt movers are also underway as the Underwoods began clearing obstructions from the area known as the Q A & P stockyards.

Ditch diggers, pipe laying crews, overhead tank builders and warehouse construction gangs will move in next.

Despite the fact that cotton will be moving generally in 10 days, the Panhandle Warehouse people say they will be ready for the season and expect to take care of cotton that comes to this point for warehousing.

Accord on the plans for the new installation was reached by the cotton handling firm, the Quanaah, Acme & Pacific Railway Company and the City of Floydada last mid-week.

The city will have to build some additional water mains to meet the needs of the new warehousing facilities for fire protection.

The Q A & P gave the warehousemen a lease on their acreage heretofore used for heavy materials storage and for stockyards. The stockpiles are being raised as fast as men and bulldozers can move the material.

Responsible parties in the warehousing organization said Tuesday their initial outlay will run \$150,000. In addition to the overhead storage tank of 100,000-gallon capacity, the first warehouses to be built with sprinkler systems covering their areas, an extensive paving program will be carried out. Several hundred yards of caliche and dirt are to be moved in preparation for the paving.

As many warehouses as will be needed will be constructed. It was stated from the Panhandle Warehouse office.

The overhead tank is already rolling this way. This installation as well as fire hydrants every 300 feet all over the property are new requirements laid out by the State Fire Insurance Commission.

The Underwoods ran into this new requirement when they began clearing their plans at Austin. The new regulation is barely two weeks old.

Elliott Taylor, a paving man, has a crew on the ground at work moving dirt and will pave for the warehouse ground. He also will do some road work in the immediate area.

Panhandle Compress & Warehouse Company already has installations practically surrounding Floydada. They have warehousing facilities at Plainview, Lockney, Ralls, Lorenza, Roaring Springs, and other points.

Contacted Tuesday, Thurston Bower, a member of the organization said the installation here was decided upon to make it easier for gins and cotton people generally to do business with them. An advantageous freight rate out of Floydada and the saving in drayage costs are expected to make the new installation a popular one.

Fred Underwood is in overall charge of the work and operations temporarily. It was stated, The Panhandle organization is affiliated with the Underwood interests in West Texas.

Installations to be put on the ground also include a residence for the superintendent and the assistant superintendent as well as housing for laborers.

Whirlwinds Go To Wellington Friday Night

The 1958 version of the Floydada Whirlwinds will open their football season tomorrow night (September 5) at Wellington. Game time is 8:00 p. m. on the Skyrocket home field.

Accompanying the team and their coaches to contest will be the big Whirlwind band which is planning a half time show and music to boost on their green and white team. There also will be a number of faithful fans make the long drive to see the opener.

Some coffee talk around town seems to point to several routes which will be taken to Wellington. Most appear to prefer the Silverton route which will take them down the beautiful 8-shot Cap and by way of Memphis.

Others will probably take the old reliable by way of Paducah and Childress, while some are talking of going over the new pavement northeast of Mataroz by way of Northfield on the old wagon trail to Childress. Last parts of this route have just been paved. Anyway you go most are guessing it at about 120 miles.

Coach Preston Watson made few comments on prospects for the opening game except that the boys were working hard to try and be ready. Loss of experienced personnel has weakened the team and many of those returning have of necessity been moved to new positions. Lack of speed and poor timing which go along with breaking in a new quarterback and backfield are also plaguing the Winds.

Meat fans around town would tab the Whirlwinds as favorites if they were playing at home, but with the game at Wellington they regard it as a toss up.

The Skyrockets, too, are having their troubles. They graduated a big class of seniors from their squad and are playing under a new head coach. They do not look on this season as a very promising one. Whichever team finds itself first will probably walk off with the victory.

With only a little over a week of practice and no scrimmage against outside competition behind them Watson will probably start an offense which looks like this:

Left end, Johnny Fred Brown; left tackle, Art Powell or Eddie Parks; left guard, Larry Irb; center, Richard Graves or Bobby Christian; right guard, Edward Hartman; right tackle, Danny Shipley; right end, Rex King or Richard Graves; quarterback, Don Vickers; left half, Bill Patterson; right half, Leon Williams; and full back, Bill Gilliland.

Bruises and injuries have caused some changes and may cause more as the boys battle for starting berths. Elwyn Pierce will probably see some action at quarter or half and several of the other boys will be given an opportunity to prove themselves.

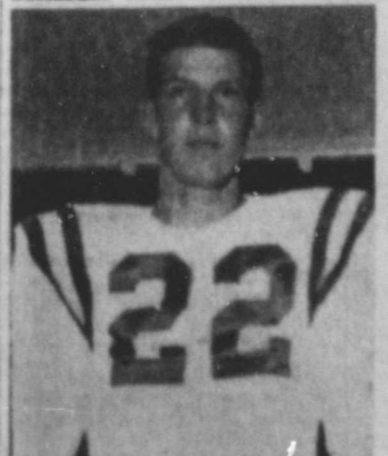

Some arm chair quarterbacks are anxious to see freshman Rodney Tesque in action at quarter. He is known to have a good passing arm but lack of experience gives him little chance of seeing action with the A team this fall.

Last year the Whirlwinds upset the highly rated Skyrockets at Floydada by a 12-6 score.

MAKES NEW ORLEANS TRIP

Mrs. J. G. Wood recently returned from New Orleans, La., where she accompanied her daughter and family, Mr. and Mrs. J. B. Claiborne and children of Lamesa. The party attended a three-day convention of the Piggy Wiggy stores at New Orleans.

The Claibornes were in Floydada Labor Day week-end to visit with Mrs. Wood.

Whirlwind Co-Captains for the 1958 season are Bill Patterson, left, 180 pound senior halfback who was moved from an end position, and Leon Williams, 145 pound senior who holds down the right halfback slot. They will lead the 'Winds in their season opener at Wellington tomorrow night.

Four-H Club Boys of Floyd County are getting in all the licks they can on improving their technique of feeding and showmanship for next spring's Junior Live Stock Show. On last week's tour several of the junior livestock men viewed each other's calves, studied feeding and facilities used. At this stop at the Bill Colston place Billy Don Colston is shown demonstrating proper clipping of calf in preparation for show to, (from left to right,) Mack Montandon, Johnny Lackey, Johnny Tannahill, Don Lloyd, Neil Mitchell, Francis Montandon, Larry Golden, Warren Mitchell, Melvin Lloyd, Kenneth O'Neal. Annual Soil Tour Caravan Forms This Morning at Nine

Probability is a long caravan of interested farm operators, sprinkled with businessmen of Floyd County communities will make the annual Soil Tour today, attend the barbecue dinner at Paymaster Farm, and study the progress being made at Paymaster Farm on cotton varieties, cotton fertilization, and their progress in soybean production.

Leaving the Agricultural Building in Floydada at 9 o'clock the caravan will journey to the Ernest Lee Thomas place at Blanco for cotton fertilizer demonstration, and follow up with:

(1) Demonstration of cotton following soybeans and cotton following cotton in comparison of root systems, Sammy Hale;

(2) Closed terrace system around a lake at Roy Hale's;

(3) Equipment used in planting and cultivating 20-inch grain sorghum and soybeans, Marion Tucker;

(4) Twenty-inch grain sorghum and soybeans growing, Bill Tucker;

(5) Grass seed production and water measuring devices, Eddie Fortenberry;

(6) Soil profile demonstration, Gene Probasco;

(7) Grass seed production, Billy Sherman;

(8) Castor Bean production, S. J. Lewis.

Floyd County Soil Conservation District supervisors and work conservation unit technicians, The Extension Service, the Floydada Lions Club, Floydada Chamber of Commerce,

Paymaster Farm, are cooperating in planning the soil tour. Officials of the Soil District and the Soil Conservation program will be prominent in the day's activities.

At the noon-day stop Edward Wester, president of Floydada Lions Club, will be master of ceremonies, and the Lions Club will present the 1958 plaque to the outstanding conservation farmer of the year.

An international flavor will be added to the tour and the dinner when a party of five Russian agriculturists will join the group at Floydada to make the rounds of demonstrations. They will be under the guidance of James Abbott, head of the area SCS office at Lubbock, who is scheduled to make the feature address of the day at Paymaster Farm.

Floydada Chamber of Commerce and Paymaster Farm will play their annual roles of host for an estimated 400 on the tour.

The Russians are on a 29-day tour of the United States and are accompanied by agricultural department officials, interpreters and Soil Conservation officials.

The 20-inch rows under practical growing conditions will be one of the principal interests of the group making the tour. After the Paymaster Farm tour those who are interested will want to see the 20-inch cotton on Billy Lee's farm.

Official Lions Meeting
Today's regular Thursday noon meeting of Floydada Lions Club will be at Paymaster Farm. It is announced that all Lions, and anyone needing a late ride are welcome to leave from the court house square at 11:30 a. m. in the Lions Club Scout bus.

While many of the Lions will be in the caravan that makes the tour, several are tied to key jobs they can't leave until the last minute. The bus will give these a last-minute chance to attend the noon-day gathering.

A. S. CUMMINGS

A. S. Cummings Former County Com'r. Passes

Albert Sidney Cummings, 25, long-time resident of Floyd County and a former County Commissioner of Precinct 1, died in a Lubbock Rest Home Tuesday morning after a long illness. His wife preceded him in death on May 30, 1957.

Funeral rites were conducted in the Wall Street Church of Christ, with Ohmer Kirk officiating. Burial was in Floydada cemetery beside the grave of his wife.

The funeral was directed by Harmon Funeral Home.

Grandsons of the deceased were pallbearers.

Born April 22, 1873, Mr. Cummings came to Floyd County from Collin County in 1905. He farmed in the South Plains and Sand Hill communities, and was county commissioner from 1932 until 1942, except for about six months of that period. He had been retired for 12 years.

Survivors include four sons, Clyde of Lubbock, Ennis of Fritch, A. D. of Olney, and Elma of Canyon; three daughters, Mrs. Jack Smitherman, Hart, Mrs. Joe B. Hale, Midland, and Mrs. J. D. Cases of Lubbock, a number of grandchildren, nieces and nephews. One son died in infancy and a daughter, Mrs. Felicia Rogers died in 1930.

Zack Cummings of South Plains is a nephew of the deceased.

Enrollment Higher At FHS This Year

Enrollment in three of four Floydada Schools at the close of the day Tuesday showed a slight increase over 1957 and the fourth had exactly the same number as last year.

Announcing the figures Supt. I. T. Graves said that the school year has begun auspiciously.

New Methodist Sanctuary Is Almost Ready

The congregation at the First Methodist Church expect to have their first worship service in their new sanctuary on the morning of September 21, the pastor, DeWitt Seago, reported this week.

Work of finishing that portion of the new building as well as the installation of pews is being completed rapidly.

Open house will be held later on a date to be set. Bishop Wm C. Martin, of the Dallas-Fort Worth Area, will be present at that time.

Rev. Seago said that the former pastor of the church, Tilden B. Armstrong is being asked to preach for the congregation either on the first date for service in the church or at the formal opening, whichever he can make fit into his program of work at his new pastorate at Andrews.

The old church building has not much longer to stand. After serving the congregation for more than 30 years it will be razed beginning sometime in this month, most likely.

A contract has been signed by the church trustees with E. C. Lebus, of Vernon, to take the sturdy old building apart and completely clear the ground on which it stands. The area will be used as a landscaped and parking area.

The first unit of the church -- the educational unit -- has been in use for 18 months or more.

Bureau Queen To Be Named

Miss Marilee Burselon who was crowned Floyd County Farm Bureau Queen recently, along with her alternate, Miss Linda Hammonds, will be in Lubbock today, where there is to be a rehearsal at KCBQ-TV at 3 p. m., for the queens and alternates.

The Farm Bureau District Queen Contest has been set for Saturday, Sept. 6th at the KOBD-TV Studio at 5:30 p. m. The event will be televised from 5:30 to 6:30.

Due to lack of spectator space at the studio all persons, except those directly engaged in the contest should not go to the studio. TV sets will be set up at the Lubbock Hotel for all parties attending the contest, it is announced.

A reception will be held at the Lubbock Hotel from 7:00 to 9:00 p. m., following the contest. Those extended an invitation are the queens and their families, alternates and families, county president and family, service agent and family, county agent and family, queen committee and families.

Curley Stephens Is Very Sick, Report

The latest report the Hesperian has on the condition of Curley Stephens, veteran cafe operator, is that he is still a very sick man. He underwent major surgery in Plainview Hospital Wednesday morning and was in the need of blood donors at that time.

Curley had been confined to Lockney General Hospital with a stony march disorder until the week-end, and was brought to Pitts Hospital in Floydada. During the night Tuesday he became worse suddenly and was taken to Plainview Hospital by Harmon ambulance.

The operation was to remove stomach ulcers. Eight blood transfusions were needed for the ill man.

The first unit of the church -- the educational unit -- has been in use for 18 months or more.

Change in VA Rules May Be Aid To Korean Vets For Education

Veterans of Korean War who have previously initiated education or training objectives under Public Law 566 (Korean G. I. Bill) but have interrupted their training for more than twelve consecutive months may now be eligible to resume their education and training objectives.

This is as a result of a recent change in VA Regulations, Sisson explained. VA Regulations will now allow a Korean Veteran to reenter training if he has been out of training less than twelve months since his cut-off date or if he shows training was interrupted for one of the following reasons:

1. Immediate family or financial obligations beyond his control which required suspension of training to obtain employment.
2. Personal or family illness or death in the immediate family which prevented continuance of training.
3. The allowable 12-month period during which training can be suspended without VA approval ended during a vacation, recess, or other period during which it was not possible to reenter school.
4. Training was suspended because of unavoidable conditions arising

I BELIEVE

I believe that in every child there are infinite possibilities for good or evil, and that the kind of influence with which we surround their early childhood largely determines their future character.

in connection with employment. Veterans wishing to resume their training interrupted under the Korean G. I. Bill should contact their nearest VA Office, or write to the VA Regional Office, Lubbock, Texas, submitting evidence showing the reason for interruption of training.

If VA approves reentrance under the new regulations, Korean Veterans will be required to resume their training not later than the date the training first becomes available, Sisson stated.

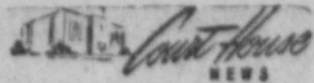

Mr. and Mrs. Andy McDowell and children are vacationing this week in Oklahoma and are in that state to visit with relatives of Mr. McDowell.

Mrs. Evelyn Pierce and children and Mrs. Edna Patton and sons visited in Andrews recently with their brother and family, Mr. and Mrs. Bud Queen.

Mr. and Mrs. Cecil Lewis and daughter spent Labor Day week-end at Rule where they were guests of the parents, Mr. and Mrs. O. C. Lewis. The two men of the family did some fishing and dove hunting while at Rule and bagged their limit.

Overnight guests last week in the home of Mr. and Mrs. Bill Darden were Mr. and Mrs. Kenneth Wilson and twin daughters, Jean and June of Dallas. The family had been vacationing in Colorado. Mrs. Darden and Mrs. Wilson are cousins.

Week-end guests in the home of Mr. and Mrs. Collis Roland were Mr. and Mrs. W. S. Whorton of Canyon. Mrs. Whorton is an aunt of Mr. Roland. His mother, Mrs. Louella Roland of Pomona, Calif., who has been here since early July, plans to leave Floydada the latter part of the week for home.

One hundred and seven clean-up, paint-up, fix-up projects in Floydada have been reported to the Chamber of Commerce clean-up committee since June according to W. F. Patrick, chairman of the committee. The local clean-up campaign closed on Sunday after a three month program which urged Floydada residents to clean up and fix up for themselves and their community.

"We are pleased with the response to the campaign and feel that Floydada residents have completed some outstanding clean up projects during the summer," Patrick said. He also urged local citizens to continue their plans to clean up and repair to make a better community to live in.

"The people of a community make their own town what it is," Patrick said. "Clean homes and modern business buildings tell the story about the people who own them."

The campaign for community improvement was divided into four phases which included paint up and repair at home, clean up at home and business, modernize business buildings, and remove eyesores and fire hazards. The paint and repair projects recently reported to the committee by local lumber and paint dealers include: Mrs. M. L. Probasco, paint and repair, Lindsey Warren, paint home, J. J. Connolly, remodel bathroom, B. L. Ewing, painting, J. L. Langley, remodel home, George McPeak, painting, Orval Marier, paint and paper, E. H. Neff, remodel home, C. E. Bartlett, paint and repair, H. Allen Bingham, new room on home, T. L. Holland, remodel rent house, A. F. and A. M. Lodge, paint woodwork of building, Joe Oidden, paper.

This compares favorably with the average for the United States as a whole, estimated at \$4,300 per family, and with that for the State of Texas, \$4,100. For all the Floyd County families it adds up to a total of \$23,766,000 in force locally. Although the rising cost of living during 1957 put additional burdens on the consumer's dollar, American families put 3.9 percent of their after-tax income, slightly more than in the year before, into life insurance. A continuation of this trend -- to put more money into savings, insurance and other forms of protection -- has been noted during the first half of this year.

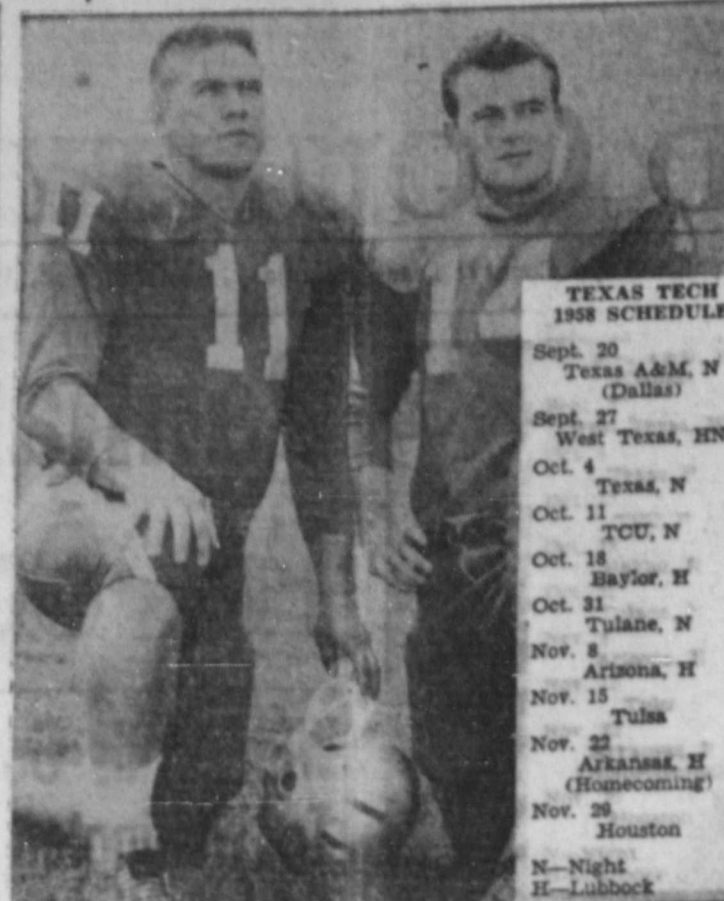

Most of the life insurance was bought by men, on their lives. They continue to hold a major share of such insurance, although women are adding to their own coverage. At the end of last year, women had a grand total of \$65 billion in force. The breakdown shows that 30 percent of the men of the nation and 62 percent of the women now have some form of life insurance.

Mr. and Mrs. Harvey Brock of Hereford were visitors Thursday in the home of Mrs. Brock's mother, Mrs. E. S. Randerson. Mr. Brock flew down and Mrs. Brock came by car.

Mr. and Mrs. A. C. Carthel and children returned home over the week-end after spending a week on vacation in Aspen, Colo.

Mrs. Thelma Jones returned home Saturday after visiting in Skellytown a few days with the Wallace Birdwell family. She also attended the wedding of Miss Betty Fern Hobbs and Richard Pascher, held in the First Baptist Church there on Friday night. The bride is the niece of Mrs. Birdwell.

Muriel Burton, Frances Mitchell, Anne Swenson, Alene Warren and Una Leard of Tulsa returned recently from a vacation spent in Colorado Springs and Denver.

TEXAS TECH CAPTAINS—Leading the Red Raiders through their 1958 schedule are quarterback Jerry Bell of Ballinger, captain, (left) and halfback Mack Pogue of Sulphur Springs, alternate captain.

Prevention — and Treatment — of Sunburn

Probably the most common summertime ailment is sunburn. And its causes are so little understood that many thousands of people actually harm themselves in their innocent pursuit of a beautiful tan.

The advice "An ounce of prevention is worth a pound of cure," applies more to sunburn than to most illnesses. For sunburn can be prevented if one understands what causes it and practices certain common sense rules.

Sunlight is composed of three main components: visible light, ultraviolet light, and infrared light. Waves producing sunburn lie within the ultraviolet region. Contrary to the opinion of many, fog and clouds are poor protection against ultraviolet rays, so that you may get a severe burn on an overcast or even cool day.

People at beaches, sun, extra hazards of sunburn, even though they may lie under umbrellas part of the time. Water and sand reflect the burning rays, and moisture in the air softens the skin and makes it more vulnerable to ultraviolet rays. Cooling breezes off the water fool many people into thinking they are not being burned.

Always keep in mind that the time of day has a lot to do with whether or not you will be burned. The sun's rays produce the most severe burns between 10 a.m. and 2 p.m., when the ultraviolet rays are most numerous.

Sunburn, commonly classified as first or second degree burn, may vary from a mildly uncomfortable redness to a painful skin eruption of blisters, and in the more severe cases fever, chills, pain and swelling. The redness comes from dilation of minute blood vessels in the skin. Later, the peeling and itching are the first sign of recovery from the burn. Repeated exposure to the sun exhausts the skin's ability to replace pigmentation and thickens the skin, a protective measure, and may ultimately lead to persistent peeling, shrinkage of the skin, areas of discoloration, freckles and, in severe instances, various kinds of growths and

E. Guthrie Takes Pharr Bride Saturday Evening

Miss Barbara Pharr, daughter of Mrs. A. B. Elton and Mrs. A. Pharr, was solemnly wed to E. Guthrie on Saturday evening, August 30, at Trinity Episcopal Church, Houston, Texas.

The pastor, performed an altar decorated with a heavy chrysantheum garland with candles in the chancel. The chancel was decorated with a garland of white and pink flowers and a garland of white and pink flowers.

The bride wore a gown of white tulle over satin, featuring a flaring bodice of white lace V-neckline and short scalloped sleeves. The full skirt was encircled with a lace inset, and fell to a chapel train. A pearl coronet held the finger-tip veil of illusion.

Her bridal bouquet was a cascade of feathered carnations, a white orchid and ivy.

The bride wore a string of cultured pearls which were a gift from the groom, and small pearl earrings a gift of the groom's parents.

Mrs. Bowman chose for her daughter's wedding a pure silk chiffon sheath of powder blue with a softly draped neckline, pink accessories and flowers. The groom's mother wore a beige lace with matching accessories and a corsage of brown orchids.

A reception was given in the Texas Hotel by the bride's mother, following the ceremony. The bridal table held pink and white carnations, white glads and was accented by the soft light of candles.

After a trip to Mexico City, the couple will return to Houston where Mrs. Guthrie is an instructor at Methodist School of Nursing and her husband a senior medical student.

Mrs. Guthrie is a graduate of the nursing school. Mr. Guthrie attended Texas University and is now at Baylor College of Medicine.

Married Saturday Couple Will Make Home In Monett

Wedding vows were exchanged Saturday evening at 8 o'clock, between Miss Dorothy Maurine Newton and Leonard Charles Moore, both of Joplin, Mo., in the home of the bride's parents, Mr. and Mrs. E. W. Newton of South Plains. The groom is the son of Mrs. Charles A. Moore and the late C. A. Moore of Purdy, Mo.

The Rev. John Gillispie, pastor of the Baptist Church at South Plains, officiated at the double-ring ceremony before an altar of baskets of gladioli and palm leaves.

Given in marriage by her father the bride wore a street length dress of blue lace over taffeta styled with a fitted bodice, scoop neckline and a full flaring skirt. The attire was accented with a corsage of gardenias.

For something old she borrowed a bracelet belonging to her mother. Something new and blue was her wedding dress and she had a penny bearing her birthday in her shoe.

Miss LaJuana Newton of Midland sister of the bride, was her maid of honor. Miss Newton wore a dress of blue chiffon and taffeta with a square neckline and flaring skirt. Her corsage was of white carnations.

Keith Hollums of Floydada, cousin of the bride, served as best man. Organist was Jo Ann Newton of Floydada, sister of the bride.

Following the wedding a reception was given in the home by the bride's parents. Miss Mary Ann Duncan of Plainview, friend of the bride, and Mrs. Collis Roland of Floydada cousin of the bride, served from a table laid with a lace cloth over blue and centered with a bouquet of roses.

Mrs. Moore attended Plainview High School and Lippert's Business School. Her husband attended Monett High School at Monett, Mo., and is presently employed by H. L. Benbrook Tree Service at Joplin, Mo., where they will make their home.

Cox-Marble Vows Set for Sept. 14

The engagement of Miss Wanda Cox and Max Marble is being announced by the parents of the bride-elect, Mr. and Mrs. Johns Cox of Lockney. Mr. and Mrs. Hugh Marble of that city are parents of the prospective bridegroom.

Wedding vows will be exchanged by the couple in the First Baptist Church at Lockney on September 14 at 3 p. m.

Miss Cox is a 1935 graduate of Lockney High School and is employed by the Miller Insurance Agency. Marble attended Lockney High School and is presently engaged with his father in farming northeast of Lockney.

Members present included Ruth Green, Ida Mayo, Cleo Goins, Belva Henderson, Eula Thurman, Helen Patterson, Lula Green, Betty Tye, Velma Berry and Misses Ann Swepston and Vera Meredith.

Guests attending were Mrs. J. G. Pruitt, Mrs. Starks Green, Jess Patterson, Sam Green, W. O. Tye, D. T. Mayo and Malcolm McNeill.

COUPLE ARE HONORED AUGUST 25, ON 50th ANNIVERSARY

Mr. and Mrs. J. A. Jones of Lubbock were honored on Aug. 25 with an open house in observance of their Golden Wedding anniversary. Their son, Claude Jones of Fort Worth and a daughter, Mrs. Fernie Kridledge of Abilene were hosts. Another daughter, Miss Nell Jones of San Francisco, Calif., could not be here.

The honored couple moved to Lubbock from Floydada in 1943 where they had farmed for many years. Mrs. Jones, the former Emma Hand, came to the Plains in 1901 with her parents. Her husband, a native of Hamilton County, moved to Floydada in 1899.

Their marriage took place in the home of the bride's brother-in-law and sister, the late Mr. and Mrs. Jess Edwards near the Antelope school. The officiating judge drove from Floydada by buggy to perform the ceremony.

DAUGHTER DEPARTING SOON IS VISITED IN GEORGIA

Mr. and Mrs. J. P. Moss and daughter, Margaret, motored to Smyrna, Ga., last week where they spent some time with a daughter, Mrs. L. E. Wilkinson and children, who depart for France on Saturday, Sept. 6.

Mrs. Wilkinson and her three daughters will join her husband near Paris where they will make their home. Mr. Wilkinson, a civilian employee of Lockheed Aircraft, has been in France since June.

Mrs. Wilkinson is the former Avanelle Moss. Two of the couple's children will attend school after the family get settled.

Mr. and Mrs. Moss and Margaret returned to Floydada Friday.

Mrs. J. E. Brown and daughter, Vickie, and Jo Deane of Lubbock visited the 28th of August, with Mrs. Brown's parents, Mr. and Mrs. J. T. McLain.

FELL OFF A WINDMILL? PM's Practical Joke Backfires

Postmaster Raymond Upton, of South Plains, feels sorry for the accident which occurred on Monday morning, and if anybody is curious about how he came to have the accident, he is willing for them to think he fell off of a windmill, or most anything.

The mishap took place at the family home in South Plains Sunday morning, while son Ronnie and his family were visiting from Canyon. It was just one of those things.

Upton was "getting even" with his son for pulling him out of bed in his sleep a week or so before, as a sort of good morning salute while the postmaster was visiting in his son's home in Canyon.

He was going to yank Ronnie out of bed, but it didn't work. Son Ronnie was awake and braced himself in bed, when the slider Upton grabbed his foot, slipped and started for the floor. The postmaster's hold slipped and he fell heavily.

Taken to Lockney General Hospital in an ambulance, the postmaster was found to have a broken vertebrae. He was in terrific pain at first but this mid-week, the family said, was resting more comfortably.

A daughter, Mrs. Karl Craig and her husband, of Halfway, are helping Mrs. Upton at the South Plains store while Mr. Upton is hospitalized. Ronnie and his wife had to return to Canyon to resume their work Tuesday after spending the Labor Day week-end at his father's home.

Mt. Blanco News

(By Mrs. J. R. Williams)
MT. BLANCO, Sept. 1 — Most of the wells have been shut off and farmers are waiting for the maturing of the cotton. Feed is being harvested a little at the time.

The crowd at the Sunday morning services was unusually low. Some have taken last minute trips. Howard Gene and Holt Bishop left Saturday for Houston and Baytown where they will visit relatives and fish.

Mr. and Mrs. Weldon McClure and Mr. and Mrs. Brice Allen and daughters attended the McClure reunion in Plainview Sunday.

Raiders Lose Jackie Henry

Jackie Henry, son of Mr. and Mrs. Jack Henry of Floydada, a leading candidate for the center position on the Texas Tech Red Raider team, will not get to play football. Henry got the news last week when his doctors advised against further participation in the rugged sport.

A knee injury which would not respond properly to treatment was cause for the decision.

Henry was being relied upon by Tech coaches as one of their returning lettermen of great promise. He was one of the few boys to see varsity action as a freshman when he entered the Lubbock school. Henry will continue with his school work at Tech starting his fourth year this fall.

He was a star high school center with the Whitehorns before going to Tech and had many local fans who trekked to Lubbock each Saturday to follow his gridiron career.

FRIENDS AND RELATIVES ATTEND MEADOR FUNERAL

Out of town friends and relatives here for the W. E. Meador funeral included Mrs. Ella Pinkie, Plainview, Mr. and Mrs. Jess Nix of Amarillo, Denson Nix of Talla, Lennin of Lubbock, Mr. and Mrs. S. S. Alborn and daughter, and Monk Henson of Lubbock.

Mr. and Mrs. E. L. Norris of Slaton, Mrs. Mary Holmes and Mr. and Mrs. Henry Holmes of Amarillo, Mr. and Mrs. Jack Dillard and daughters of El Paso, Mr. and Mrs. Fred Beard and children of Snyder.

They always attend the National Quartet Convention at Memphis, Tenn., etc. They also have a regular radio and T. V. program. They have a music store in Arlington and carry a complete line of music, books and records of their own making as well as all of the other gospel groups.

They are young, energetic and have a refreshing style of entertainment of the highest caliber. Likeable personalities and likable folks.

The Wills Family Coming Friday Night of Fair

Wills family are a singing group of blood brothers and sisters six in all, three boys and three girls.

The oldest is Calvin, manager and sings bass. Lou is the sister and second child, sings tenor and handles the correspondence and books all dates and details for all personal appearances for the group.

Bill is third child, plays guitar and sings in some of the arrangements. He is over six feet tall, weighs over two hundred pounds.

Betty and Bobbie are twins and next in line. They are nineteen and sing the lead and alto parts. Bobby is tall, slim and blond. Betty is of medium height and a brunette. It's quite a joke to see audiences trying to decide which two are the twins when Calvin mentions there are twins in the group.

The baby girl is Norma Jo. She plays piano and sings, too, for the group in concert. However, all three of the girls play and sing well.

Lou is married and has a nice family of her own.

The Wills family are happiest when they are singing. They have been singing all their lives. Their parents both sing and it is a close knit family. All sing and love it and sing together.

It is said that the father, "Abel" Wills, once lived in Floyd County in the Muncy Community and that the family are cousins of the Bob Wills of the famous western and popular music group. Mr. Wills, the father, is a good singer and director himself and is a promoter and booster of gospel music.

The family have traveled many thousands of miles to sing. They always add to gospel singing. They are nearly always at the state conventions and other singing conventions over Texas and adjoining states. They can be seen and heard regularly on the gospel quartet circuit. They work in the battle of songs at the Will Rogers Auditorium at Fort Worth, each month along with the famous Blackwood, Statesman, Platinens of Dallas, Jimmie Davis, LaFaire, Trio of Atlanta, Ga., and others.

They always attend the National Quartet Convention at Memphis, Tenn., etc. They also have a regular radio and T. V. program. They have a music store in Arlington and carry a complete line of music, books and records of their own making as well as all of the other gospel groups.

They are young, energetic and have a refreshing style of entertainment of the highest caliber. Likeable personalities and likable folks.

Mr. and Mrs. Fred Fortenberry had as dinner guests on Friday at noon Rev. and Mrs. D. C. Reed and three children of Willmon, Tex. and the Rev. and Mrs. J. W. Reed, his parents. The younger minister was holding the Sterley Methodist revival at their church last week.

Mr. and Mrs. Dee Leach who live in Bakerfield, Calif., were visiting here last Thursday with Mr. and Mrs. Ernest Smitherman and Larry. They formerly lived where the Stanforth farm is now.

Mr. and Mrs. George West left Friday for their cabin in Rudoso, N. Mex., to spend the week-end. Guests going with them to share their hospitality were Mr. and Mrs. George Beedy of Plainview.

Mr. and Mrs. Sylvain Kinnibrugh and girls attended the funeral service in Floydada on Tuesday afternoon for J. C. Crabtree, 70, who formerly lived here, but was residing in Lubbock. He was the father of Mrs. Phil McClure.

Mr. and Mrs. E. J. Kinslow and sons have had her mother, Mrs. J. T. Scott staying with them during the summer months. She is 82 years of age. Mrs. Kinslow is looking after her wants and needs.

Mr. and Mrs. Fred Fortenberry went to Tulsa on Wednesday to bring her mother, Mrs. N. C. McCain here for several days visit with them.

Mr. and Mrs. Richard Althoff of Roscoe came Wednesday after dinner to visit their son-in-law's parents, Mr. and Mrs. Murray Julian, Kendis and Bruce. They spent the night with them, going home Thursday afternoon.

Larry Smitherman and Kendis Julian spent Thursday at Roscoe Springs where they attended her mother and did some swimming.

Mrs. John Wilson and Sue, Mrs. Rene Yeary, Jacqueline Yeary and Frances Van Wickel went to Petersburg Saturday night to attend a singing held at the high school cafeteria. Sue spent the night with Linda Eller, and on Sunday Mr. and Mrs. John Wilson went to the afternoon singing and Sue returned home with them.

Elton Karr spoke at prayer meeting Wednesday evening and told among other things of the great need of missionaries to go to Oregon where he spent the past summer months.

Mr. and Mrs. Gene Gilly and Rev. and Mrs. P. P. Barnard had Sunday dinner in the home of Mr. and Mrs. Leighton Teeple. Don O. Teeple of Waco was a week-end guest in their home.

Visitors at church on Sunday night included the parents of Mr. and Mrs. Charles Park, Mr. and Mrs. John Key West, Miss Sherre Darden, Johnny West, Mr. and Mrs. Leonard Moore and Miss La Juana Newton.

Mrs. Clayton Bond and Victor brought Jane home from the hospital in Dallas on Thursday. She is doing well, and has to go back in two weeks for more treatment.

Mr. and Mrs. Leighton Teeple and children spent last week-end in Albuquerque, N. Mex., where they visited his brother-in-law, Milton Terry who is in the Veterans Hospital there.

P. M. Smitherman is due Sept. 1, and the Ernest Smitherman were readying his home on Thursday for his coming from Edmonton, Alberta, Canada, where he has been staying with his daughter, Mrs. J. Fred Cox and family since last April.

Marilyn and Beth, left Saturday afternoon for Vera and Trussell to visit his and her parents, Mr. and Mrs. J. A. Kinnibrugh, and Mrs. J. R. Squire. They returned home Sunday night.

We are sorry to learn of the accident to Raymond Upton, South Plains grocer, who is in a Lockney hospital suffering with a broken vertebrae. Reports are he will be there for two weeks, since he fell at his home on Sunday morning and was taken to the hospital in an ambulance.

Mr. and Mrs. Karl Craig of Halfway are staying at the store and helping Mrs. Upton, with Karl working on the farm while Raymond has to be in the hospital. They will attend West Texas State College at the fall semester.

Mr. and Mrs. Ronnie Upton and baby spent part of the week-end here with his parents, the Raymond Upton, and part with her folks in Fairview. Ronnie will attend college at WTSC in Canyon this fall.

School began on Monday, Sept. 1, with teachers, J. M. Williams, principal, sixth, seventh and eighth, Mrs. Mary Vardeman, third, fourth and fifth grades and Mrs. Oscar Hewitt first and second grades. Natural gas has been put in the school, with new floors, 42 new big windows, new desks, teacher desks, all room repainted, and refinished, concrete walks, concrete tennis and basketball courts with flood lights, new grass and shrubs put out, and flood lights on the grounds. What a beautiful school inside and out for the children to enjoy and the trustees are to be commended for their summer work. The teacher-charge has been sold to the Marble Brothers.

PTA met on Monday morning after school started with Mrs. E. J. Kinslow presiding. Room count was won by Mrs. Hewitt. Room mothers in her room are Mrs. Kendal Cummings and Mrs. John Gillespie. Others will be chosen in their rooms. Welcoming address was given by J. M. Williams, and talks by school trustees, Loyd Deavenport, H. S. Calahan Jr., Roy Bledsoe, Sterling Cummings, L. N. Bridal Shower Honors Miss Newton The home of Mrs. Fred Fortenberry was the scene of a bridal shower at 2 o'clock p. m. on Tuesday honoring Miss Dorothy Newton of Joplin, Mo., who exchanged wedding vows in the home of the bride's parents on Saturday night.

Containers of beautiful pastel hued dahlias and canna lilies served as the table and room decor where Mrs. Wilson served pink punch, blue tinted cookies and minis from a hand painted china service.

Mrs. Pritchett registered guests in a white bridal book, a gift of the hosts.

Presenting gifts to the honoree were Mrs. George West, Horace Marble, Arby Mulder, Bill Beedy, Bryant Higginbotham, John Wilson, Grigory Milton, John Key West, Sylvain Kinnibrugh, Thomas Pierce, Frank McClure, Early Pritchett,

Fred Fortenberry, Elmo Fortenberry, Marilyn Kinnibrugh and Kathy Mulder from here, Mrs. Walter Hollins, Collis Roland, and Louella Roland of Floydada, and from Sterley, Mrs. Lewis Harston, H. B. Foster, G. A. McCAda, Jim Colston, Hansel Sanders, and Mrs. Douglas Reeves.

Present with the honoree were her mother, Mrs. E. W. Newton, and sister, La Juana and Joann. Many other gifts were sent.

Mr. and Mrs. Thomas Pierce, Beverly Steve and Stanley, left Friday night for Abilene where they stayed Sunday night attending a reunion of his people, the Pierson, which was held at the Abilene State Park.

Miss Dorothy Newton of Joplin, Mo., and Mr. Leonard Moore of Purdy, Mo., were united in marriage at the home of the bride's parents, Mr. and Mrs. E. W. Newton, on Saturday with the Rev. John Gillespie performing the ceremony. The newly wedded couple are planning to live in Joplin. Mr. and Mrs. Newton and daughters left Monday to take them back to Missouri and get them settled in their new home.

Mrs. L. T. Wood will be hostess in her home for the next meeting of the Home Demonstration Club. It will be held on Sept. 10 at 2:30 p. m. All club members are urged to attend. Since this is nearly time for the fair each person should plan to have ready anything he wants to get into the fair. You may get your fair books at the Upton Grocery or from Mrs. I. H. Parks in South Plains.

Harold Ellison has asked for all 4-H Boys and Girls of the county to attend an important 4-H meeting at the home of Mrs. I. H. Parks on Saturday at 2 o'clock.

Tractor Theft Charge Is Laid Against Three

The three young men charged with the theft of the Fred Mercer tractor in Briscoe County early in August and a man charged with receiving and concealing stolen property on his Floyd County farm, were indicted by a Briscoe County grand jury this week.

Eldred of the trio of young men is James ("Peasie") Wimberly, 23, of Oilton, who formerly lived at Lakeview. He was released June 30 of this year from a Federal Correctional Institution at El Reno, Okla., where he served two years on a charge of transporting a stolen vehicle.

The other two boys are Clyde Dale Wimberly, 18, of Oilton, a brother of James, and Tommy Harlan O'Neal, 20, of Floydada.

The Floyd County man is Virgil Bennett. His indictment also is in connection with the Mercer tractor theft. He is alleged to have received and concealed the machine.

SPOKEN WORDS HAVE A WAY OF BECOMING DISTORTED

Have you ever tried to track down a rumor, or unscramble a piece of gossip, you know how elusive is the spoken word! Or maybe you've noticed that you can't quite recall any quip by your favorite radio or TV comedian, yet you have no trouble recalling what you've read. It's a natural thing with all of us. That's why newspaper advertising gives you such good results. It's there to read — in black and white (color too if you want it) and to refer back to, at your leisure.

Australian Farmer Graham Herbert Studies Agriculture at Shurbet Farm

Graham Herbert, a 21-year-old farmer of Eglwara, Australia, Monday began a two-month residence at the Marvin Shurbet home at Allmon and will make himself useful on the farm while he studies farming methods used on the high plains.

A fourth generation farmer, young Herbert is on a twelve-month absence from his home on a tour of countries which have intrigued his interest.

He was seeking an area that would have the same general farming characteristics as his native land when he reached America from Europe and was directed to the southwest and the high plains as a probable good place to make his study.

He landed in Lubbock over the week-end and was prompted by Dave Sherrill, irrigation specialist with the Extension Service, to see the Shurbets and arrange for a temporary home there to work and observe farming practices. The Shurbets have an irrigated layout at Allmon and raise all the usual crops and also go for live stock to a considerable extent, including sheep, cattle and hogs.

Herbert was in Floydada for a short time Monday with Marvin and Mack Shurbet.

He is a Junior Farmer, an Australian organization similar to 4-H Clubs in the United States. He got his father's consent and checked with his military service authorities before he left Eglwara. In Australia youngsters register at 18 years of age and are liable to be called up as late as age 25. He said five percent of the registrants are called up by lot every six months. Some agricultural deferments are practiced but in general when a registrant's name comes up in the drawing he goes to the service and that's that.

Herbert's home is about 300 miles west of Sydney. He lives on a farm which is large enough to grow 2,500 sheep annually. The farm has 600 acres of alfalfa and 200 acres of wheat the past season. Six hundred acres of the farm is under irrigation with river water.

Herbert has been across the Australian waste lands. It is a four-day drive from his state to Perth, the biggest city on the West Coast. There are spots in the interior where artesian water can be had, he said, but it is at depths ranging from 10,000 feet and more.

"We have about everything mechanized on our farm. The only thing we do not have done by machinery is shearing sheep and they're working on that," young Herbert said. He anticipates that time is not too far distant when sheep will be put through a race and come out sheared.

Experiments are being made and have been reasonably successful, he said. The animals are sprayed with a compound that gives them immunity. The wool is rubbed off with rubber brushes and fingers about two weeks after the spraying as the sheep go through the chute. On their farm they still have the old way of shearing, he indicated. Mechanical shearing will be made to work before too long, he thinks, though just now experimentally done.

Herbert left home in January, and spent four months in England, a half month in Scotland and a week in Wales. In his intriguing English he called it "Wales almost". He also made a typical European jaunt of two weeks to France, Switzerland, Austria, Germany and Belgium. He was in Paris while the De Gaulle riots were under way in France. He said Austria and Switzerland are beautiful, Germany is also liked. France and Belgium didn't impress him too favorably. He doesn't care if he never sees Gay Paree again.

Rainfall and weather conditions in general are erratic in the part of Australia where Herbert lives, he said. One year recently they had more than 60 inches of rainfall. Also in a recent year they had only seven and a half inches of rain. Temperatures in his state range from a high of 115 degrees to a winter low that brings a "good frost." Despite the high temperatures the sheep do well, he declared.

Herbert estimates he is about 12,000 miles from home. He made the ocean trips by ship and will depart from San Francisco en route home also by boat when he takes leave of America.

spectacular pageant will present the Jubilee Queen and her Court and the fireworks display.

Among the dignitaries who have accepted invitation to participate in Crosbyton's Golden Jubilee, Sept. 7-10, are Brig. Gen. John A. Berry, Commander of the Third Corps, Ft. Hood, Texas, and "Cotton John" Garland Smith of Amarillo.

Brig. Gen. Berry will be the dedication speaker at 8 p. m. Tuesday, Sept. 8, at the dedication of a government monument to Sgt. William Max, little known soldier in Col. William MacKenzie's Fourth Cavalry, whose gravesite is located in Blanco Canyon east of Crosbyton.

"Cotton John," well-known radio personality, has been selected to crown the Crosbyton Golden Jubilee Queen at 8:30 p. m. Monday, Sept. 7, in the prologue of the pageant. "Blanco Canyon Cavalry" at the rodeo arena. He will also deliver an address at 4 p. m. Monday from the reviewing stand on the grounds of the new Pioneer Memorial building in Crosbyton.

Wharton Miss Wins Crown At REA Meet

The large annual membership meeting of Texas Electric Co-op Inc. continued for three days at Lubbock last week, ending on Saturday. Judging of 1936 Miss Rural Electrification of Texas, was held on Tuesday, Thursday and Friday. Senator Ralph Yarborough and Congressman George Mahon were among the distinguished speakers who addressed the convention.

Winner of the contest was Miss Marilyn Knudsey of Wharton County. Runner-up was Miss Lavonne Hall of Comanche. Miss Knudsey won over nine entries including Miss Judy Jackson, Floydada's Miss Lighthouse Electric, who was crowned in ceremonies last June.

Among representatives from the Co-op here were Mr. and Mrs. Melvin Henry, Claude Weatherbee, Mrs. Pete Hickerson, Mrs. Harry Morick, Mr. and Mrs. E. M. Jackson, three directors and their wives, Mr. and Mrs. Roy Hale, Mr. and Mrs. Odell Breed and Mr. and Mrs. John Smitherman.

Brown Is Runner-Up In Muleshoe Golf Tournament

Rex Brown of Floydada was runner-up in the Muleshoe invitational golf tournament last week-end. Brown shot a 144 score on the final 36 to finish second to Roland Adams of Lubbock who came in with a 136. Adams finished third in the Floydada tourney recently.

Others from Floydada who entered the Muleshoe tournament included Aaron Carthel who was also in the championship flight. Ed Morgan and W. B. Winn were in the first flight as was Tom Davis of Petersburg.

In the third flight were T. W. Bately, R. D. Holley, and Jimmy Collins. Bill DuBois was entered in the sixth flight.

Several of the local golfers won matches but none but Brown finished in the money. Ed Morgan was still in the thick of the competition until the final day, Sunday, when he forfeited.

Mrs. C. H. Morte, of Hubbard, Tex., and Miss Dorothy Morte of Fort Worth, Tex., were Thursday and Friday guests of Rev. and Mrs. W. D. Deaves, 221 W. Georgia St. City.

Mr. and Mrs. Lorin Leibfried returned to Floydada last week after vacationing some 10 days in Arkansas, Tennessee, Mississippi, Kentucky, Louisiana, and Alabama.

Choir Concert Scheduled At Calvary Baptist

(Contributed)

On Monday night, September 8, there will be a concert at the Calvary Baptist Church in Floydada. This will be presented by the choir of the Parkview Baptist Church in Plainview.

This twenty voice choir will be directed by Joe Weidon, musical and choir director of the Parkview Baptist Church. This will be an hour long program of good religious spiritual music, starting at 8:00 o'clock.

There will be music presented by their men's quartet, also by their women's trio, several beautiful duets, and solos and special choir arrangements. All of this by this wonderful choir. Then there will be a "Hymn Story Time" in which old hymns will be done and the story of why the hymns were written and the unusual circumstances which lie behind these old hymns.

Everyone in and around Floydada is invited to come and hear this wonderful choir which will arrive by a chartered bus. There will be no admission fee. There will be a good time at the Calvary Baptist Church, 8:00 o'clock Monday night, September the eighth.

Announce Sunday Preaching By Dr. Giles at Lakeview

It was announced last week that Dr. James Giles, who has been in language school in Costa Rica for the past year, will preach Sunday morning and evening at Lakeview Baptist Church. Hours will be 11 a. m. and 7:30 p. m.

He and Mrs. Giles are here for a brief stay with his sister, Mrs. Clifford Helms and Mr. Helms and other relatives.

The couple will leave in October for a four-year stay in Columbia as missionaries of the Southern Baptist Convention.

Dr. Giles is a grandson of Mrs. Lindsey Warren. Before he went to Costa Rica for the language school he was pastor of a Sherman Church.

Dr. Giles hopes to see many old friends and talk with them while here.

CONFERENCE ON COMMUNITY MISSIONS HELD AT BAYLOR

Mrs. Ralph C. Johnston, Mrs. Sam Puckett and Mrs. Lon V. Smith attended the Baptist WMU House Party in Waco Aug. 25-28.

Mrs. Smith conducted a conference on Community Missions. Mrs. Puckett reviewed the book, "White Mother," on Mrs. Smith's program Mrs. Johnston presented a skit.

Two thousand women from all parts of Texas attended. Labor Day dinner guests of Mr. and Mrs. J. O. Warren and Alene were Mr. and Mrs. Phillip Noland and son, J. M. Crawford, Texas; and Wes Cox, Hereford, Mr. and Mrs. J. A. Noland and Joyce; Mr. and Mrs. T. R. Noland and Ima Jean; Mr. and Mrs. J. R. Noland, all of Floydada.

Mrs. J. O. Warren and Alene spent Saturday in Amarillo with Mr. and Mrs. Y. E. McAdams and son, Y. E. Jr. Mr. McAdams, Sr. had undergone major surgery in the North West Texas Hospital.

MURRY'S SPEND LABOR DAY WEEK-END IN FLOYDADA

While Mr. and Mrs. Lloyd Murry and son Bobby were here from Amarillo last week-end on a visit with relatives, they were guests in the home of Mrs. Murry's parents, Mr. and Mrs. Ham Smith for lunch Sunday. Mr. and Mrs. Ham Smith Jr., and their children, Vickie and Keim, were also present for the family dinner.

Mr. Murry is with a construction company and has been transferred from Cheyenne, Wyo., to the Amarillo post.

Mr. and Mrs. Leon Baxter, Patricia, Tip and Christie visited in the home of Mrs. Mable Sims, over the week-end.

Fair Trophies Are Purchased

Sam Puckett of the Floyd County Farm Bureau, and Cecil Lewis, Floyd County agricultural agent, were in Lubbock Tuesday with other men from this area to attend the annual District 2 Farm Bureau Policy Development training meeting held in the Lubbock Hotel.

Frank Woolley, legislative director for the American Farm Bureau Federation out of Washington, D. C., was on hand to address the group at a banquet given at the hotel Tuesday evening.

In his discussion, Puckett said Woolley told of the state and the national issue confronting agricul-

ture for the coming year and hit upon other topics of interest to the farmer.

While in Lubbock Puckett and Lewis attended to business pertaining to the Floyd County Fair, purchasing trophies for each division plus trophies to be presented in the livestock division.

HOSPITAL PATIENTS

Patients in Peoples Hospital this week are reported in good condition. The sick list includes V. C. Hagood, T. M. Noland, T. J. Campbell and Mike Dalton, who is ill with flu and a stomach disorder. Mike is the son of J. L. Dalton, market man at Piggly Wiggly.

Pitts Hospital has two patients this week, Clyde Wimberly of Olton, and Mrs. Jewel Teague, nurse at the hospital, who is suffering with flu.

publican opponents in November. Of more interest now is how the 56th will lean on key issues. Political prophets already are taking pulse readings and prognosticating likely to be more liberal than its predecessor. But not predominately liberal. A big influx of newly-elected liberals from Houston is expected to be offset by Dallas conservatives, plus others from small towns.

On next session's crucial issue -- finance -- everyone's crystal ball seems a bit cloudy. Next Legislature will have to grapple with a financial deficit which the Legislative Budget Board has predicted may call for as much as \$140,000,000 in additional tax revenue.

Winning candidates, in both their speeches and newspaper announcements, were understandably skittish and unspecific in making specific proposals for dealing with this gigantic problem. Many came out flatly against a general sales tax or state income tax. Numerous suggestions were made to balance the budget through "economy in government, elimination of waste, duplication," etc.

Such statements are like the breeze off an iceberg's crystal department -- many of whom have said they'll be asking for more, not less money, next session.

When the showdown comes, decisions will be made largely by the same group who pushed the voting buttons in '57. All told, there'll be 49 new faces among the 181 lawmakers.

Replacing the three retiring senators, Ottis Lock of Lufkin, Searcy Bracewell of Houston and Carlos Ashley of Llano will be Martin Dies Jr. of Lufkin, Robert W. Baker of Houston and Louis Crump of San Saba.

House will have 46 freshmen, slightly less than the normal one-third turn-over of its 150 members. Changes result from the retirement of 33 representatives, defeat of 13 others.

Mangled Math -- When the next speaker of the House of Representatives takes office in January, some confused arithmetic will be cleared up.

A speaker is elected at the start of each regular session by 150 House members. Support, in the form of signed pledges, is lined up well in advance of the session's start.

This year, when the dust settled from the run-off primary, both contenders claimed victory. Rep Waggoner Carr of Lubbock, present speaker, said he had 80 pledges. Rep. Joe Burket of Kerrville claimed 77 pledges. In addition, Burket said he knew of 15 House members who had made no pledges.

All the claims added to 172 representatives -- 22 more than the people elected.

Big Day Due -- San Antonio, site of the Alamo, may see another lusterous Tuesday, (Sept. 9) when Texas Democrats of widely varying sentiments gather for state convention.

No one is making any ironclad predictions on what will happen, but pre-convention rumblings promise at least some of the usual fireworks.

A group of conservatives are working on ways to bounce the militantly liberal Mrs. Frankie Randolph from her post as national committeewoman. Having the chairman of the Democrats of Texas and leader of the opposition to state party leadership in the prestigious national committee post is hard to take.

But removing a national committee member offers difficulties, too. A state convention merely nominates the committee members; actual election is by the national convention is not definitely known.

Another possible source of friction is the selection of the State Executive Committee Chairman, the post now held by Jim Lindsey of Texasarkana. Ahlene Orlman Ed Connally has been mentioned as a prospect.

Liberal delegates and supporters of Sen. Ralph Yarborough are expected to fight hammer and tongs against a Connally drive. Connally was a strong supporter of William Blakley in his Senate race against Yarborough and headed Gov. Price Daniel's precinct convention fight against the DOT.

Too "General" -- Alumni of East Texas State College are asking help in untangling conflicts over a new program at the Commerce school.

At issue is the value of a "general studies" program instituted by ETSC President Dr. James Gee. Revised curriculum substitutes a course in "communications" for freshman English, "heritage" for American history, and so on. A professor who had taught some of the "general" courses called them a "hodgepodge," comparable to grade school work.

Dissatisfied exes meeting in Austin asked Sen. Charles Herring, Senate investigating committee chairman, to look into the situation. Herring said he would bring it up at the committee's next meeting, but urged the exes to talk first with the college's Board of Regents.

Faculty Raises Asked -- Salary raises for faculty members are the principal item in a \$12,515,000 budget increase being sought by Texas' 18 state colleges and universities.

Texas Commission on Higher Education said the \$4,000,000 being asked by college officials would allow for average raises of \$600 per year per prof.

Altogether, the colleges' budget requests to the Commission total \$68,721,975 for the 1960-61 biennium.

Commission's task is to screen these requests and make up a recommended budget to present to the Legislature.

Short Snorts -- State Board of Water Engineers has scheduled a hearing for Sept. 18, on the proposed Diablo Dam on the Rio Grande River. Gov. Price Daniel has proclaimed September and October as "American heritage months," a period in which people are to be encouraged to vote on an informed basis and contribute to the political parties of their choice.

HAS HEART ATTACK
M. F. Childs was said by his family to be resting some better this week after being taken to Lockney Hospital on Thursday following a heart attack.

Mr. Childs, employee of the city, was on the job when the attack occurred. Over the week-end, there was a slight flare-up from a stomach disorder but nothing to be alarmed about the family were told by attending physicians.

CHAT with PAT

Hi there !!

Well, the good ole summer time with swimming, golfing, no worries, and sleeping late is over because school days are here again. A big welcome to all you Fish, new students and new teachers. The town as well as the halls of P. H. S. will once again have the familiar noises and fun which make up a typical Floydada school day.

If you noticed some kids walking around with one hand out in front of them -- think nothing of it. It's only the 1959 Seniors showing off those pretty green senior rings which they got last Wednesday.

Have you noticed --- the tired and sore kids (due to football and band); Cliff Jones is attending an Army Academy -- we are sure going to miss his funny ways; Grant Cooper is home from Alaska -- a long three months wasn't it Sandra? Bob Ed's letters from down Georgia way; Danny's done it again-- if he can't hit cars he hits cow's, ha; Kit Zimmerman attended a camp most of the summer; Jaunell lost her purse, Billie washed her hair with cold cream (by mistake of course); Moe Bell has lost many many pants; Billy and LuJuana have the taffy; Leon didn't get to

play much Saturday night because of a hurt knee; how far is it to Wellington?

Flash: Bobby Seag, the senior rings are in!

Producing most of the school spirit will be our cheerleaders, La Juana Womack; Linda Hammonds, Leora King, Marisue Burleson; and Glenda Morgan.

Out in front of the "Big Green" band you will see Drun Majorette Mary Cogdell, Assistant Drun Majorette Shirley Gregory and twirlers Gaynell Boothe, Judy Jackson, Mae Bell Johnson, Carolyn Dillard, Sandra Roe and Pat Hickerson.

Let's all be sure and go to our first game at Wellington Friday night. We want our boys to know we are backing them all the way. Start the season off right and beat Wellington!

See you next week.

VIEWSON COMMENT

The Fight Goes on. Those who think of the battle for independence as having been won by the colonists nearly 200 years ago are reminded that that decisive event brought on war. It was decisive for the moment only, however. The war goes on. There has been no conclusion to the fight. It goes on with only an occasional breathing spell. As long as governments are operated by men those in power will lust for more power. In only a couple of generations we have come a long way on the road to more and more government power, less and less of the freedoms. Even our state of mind has changed about office holding. Two generations ago a governmental official was a public servant and was so spoken of. Who now thinks of an office holder as other than an office holder and ruler of the people. We have thousands of appointed officials who push the people around lawfully.

Cotton Blight Noted. How much cotton blight may cost in the sum total this fall in Floyd County is conjectural, but the amount will be considerable. Cotton blight begins on the outside of the bolls and works through into the fibre of the cotton to make a damaged spot. The county agent says the blight is widespread over the county. Incidentally, we note that whereas the August 1 report of Plains Cotton Growers put the probable cotton production this fall at 103,000 bales in this county the Texas Employment Commission is basing its forecast of transient and brauco harvest needs on a forecast of 75,125 bales.

The Production Peak. TEC, incidentally, has revised its forecast of the time for the peak of the harvest. Whereas in early August the commission thought the peak weeks would be the first two weeks in November they now think it will be the last two weeks in October. Dry weather in September has hastened the maturity date of the crop.

Past Experience has demonstrated that cotton in a dry fall does better than expected, whereas a wet weather crop is usually not as good as it appears. Some of the old timers are afraid for the crop because they think October may turn out to be one of those drizzly months that come along. What makes them feel that October may be that kind we have no idea. But the feeling is prevalent. Accordingly cotton is going to move to the gin as fast as it can be harvested to beat the damage that comes to a late crop.

Quite A Difference. A current mailing piece of the Texas Farm Bureau calls attention to a pointed difference between the American system and the Russian. In the American way the management owns the factory and the workers own the cars which surround it. In the Russian the workers own the factory and the management owns the cars.

Peppers And Tomatoes. These, as well as other common varieties of garden truck are going to be on the local market for weeks now, at least until frost. Avoiding the cost of installing machinery specially for a volume that might not justify it, growers are setting up a local selling agency and will sell locally as well as to distant markets by truck. All of which will add up. All the acres taken out of maize, experimentally, and put into something else that shows some profit is working in the right direction.

The Democratic Convention opening next Tuesday promises to be an interesting political event. Senator Yarborough has either promised or threatened, according to the viewpoint, to be present and take a hand with privileges of the floor through a proxy from an East Texas county. The senator, with the backing at last of a genuine majority nomination for senator, should be in position to deal the governor and so-called conservatives a bit of misery. The governor thinks the tradition of the "governor's convention" should be carried on. The senator says not so. The convention two years ago was quite explosive with claims from the liberals of several areas that "they was robbed." San Antonio will be full of party chieftains who will try to calm the SDEC and the DOT leaders and get a harmonious convention. This is likely to be a difficult task, probably an impossible one. Mr. Sam and LBJ have got a good many impossible things done before, however, and they may be successful this time.

The "uninstructed" delegation from Floyd County to the state convention of the Democratic Party was chosen at a convention that went down the line on the resolutions opposing the governor's suggestions, one by one, and can be depended upon to side with the junior senator in his battle against the conservatives.

Floyd County 14 Years Ago

(From The Hesperian, Sept. 7, 1944)

Another link of the present with the days when wild horses roamed the Plains of Texas was severed last Thursday with the passing of Joseph Wilson (Uncle Bud) Jones, 77, who died at the home of a sister, Mrs. R. M. Parrish. Mrs. Parrish, 81 herself, was unable to attend rites with other mourners which included nephews, nieces and a brother-in-law, Clint Garrett, 85, who lives here.

W. Alpha King, son of Mr. and Mrs. E. C. King of Floydada, is now associated with the Fort Worth Chamber of Commerce in the capacity of an assistant manager. He will head the expanded department of the organization and will be engaged in the promotion of livestock and agriculture in trade towns of Fort Worth and West Texas in general.

J. B. Claiborne, who for 11 years was manager of the Piggly Wiggly store in Floydada, which he opened and conducted, is now in his own business at Haskell.

Captain Billy Stanforth Jr., son of Mr. and Mrs. Billy Stanforth of South Plains, has quite an interesting assignment his parents learned here this week. The captain is with an Air Transport command stationed in Arabia and has been engaged for several weeks in flying men and supplies in and out of India.

Mrs. Bell Henry and Mrs. Annie E. Lewis were surprised with an old timer's steak supper Monday evening in the home of Mrs. Minnie Smart. The occasion was the birthday of the two women.

Mrs. Geo. Van Wickel was honored with a miscellaneous bridal shower Thursday evening on the lawn of the home of Mrs. Lon Davis.

Although they have really taken it on the chin, the people of Britain are still smiling and fighting-writes home Pvt. Geo. T. Smalley of Clovis, N. Mex., a former Floydada boy, who is stationed somewhere in England.

Mrs. Bill Norris, employed by Perkins-Timberlake Co., at Wichita while her husband, M. Sgt. Bill Norris is serving as crew chief on a Liberator bomber, with the 8th AF in England, spent the Labor day week-end in Floydada with her parents, Mr. and Mrs. Tilford Taylor and other relatives.

Memorial services Sunday afternoon in the First Methodist Church conducted by Rev. L. A. Doyle and Rev. Phil H. Gotes, ministers of the First Baptist Church and the First Methodist Church, paid tribute to the memory of Pvt. James E. Roy, 26, son of Mr. and Mrs. J. E. Roy, who was killed in a vehicle accident in Italy on Aug. 12. He was with an Anti Aircraft artillery unit stationed in the vicinity of Naples.

A Sgt. James E. Owens is in good health and feeling fine and is being treated all right in a prison camp in Germany, his parents, Mr. and Mrs. J. H. Owens learned this week. The sergeant was reported missing in action earlier following a raid over Germany, it being his 21st mission as gunner with the 8th AF stationed somewhere in England.

CARD OF THANKS

I would like to take this opportunity to express my sincere appreciation for the many expressions of kindness shown me during my recent illness:

The blood given for transfusions, the get-well cards, and the beautiful flowers.

May God richly bless each and every one of you.

Sincerely,

Birnie Ranch Well Being Re-Entered For Another Test
MATADOR — Giant trucks have moved to the D. I. Birnie Ranch about nine miles northwest of Matador. Oil section of a daily newspaper last week reported the Birnie well as follows: "Pan American Petroleum Corporation will re-enter and plug back to 10,000 feet for tests in the N. 1 O. E. Birnie, 1,980 feet from north and 660 feet from G-P, C&M survey, nine miles northwest of Matador in Motley County. The 10,010-foot hole originally was drilled to granite by Amerada Petroleum Corporation and abandoned Jan. 8, 1951. Four hours and 40-minute drillstem test of the Pennsylvanian at 8,524 to 8,534 feet surfaced gas in two hours and returned 309 feet of gas-cut mud while the operation was being drilled. Only other show was a three-hour test at 4,300 to 4,346 feet, recovery being 90 feet of slightly gas-cut mud." Geology on the well is said to be favorable and that it is evident that Pan-American is going to "try" to make it a producer. The heavily-laden trucks were experiencing difficulty in negotiating the extremely rough terrain between paving on State Highway 70 and the well location. The test is in the rugged foothill country a short distance from the cap rock.

Representative Discusses New 'Farm' Statute

The new farm bill is discussed in an open letter written from Washington just before the close of the session of the congress for this year. In the letter he says in part:

"If you have tried to keep abreast of farm legislation in Congress this year, you have had a very difficult

and frustrating experience. In the House we passed several bills. One to freeze supports and acreage for next year on the basis of this year, was vetoed by the President. Other bills were defeated because of the opposition of Secretary Benson and others.

"The Senate passed an omnibus farm bill known as S. 4071. The House Committee on Agriculture modified this bill. It was defeated in the House when first considered, but later was again modified and finally passed. It is the bill that is now in the hands of the President.

"I received many messages from West Texas both for and against the various versions of farm bills. I do not believe the bill which is to become the law will in the long run be very acceptable to West Texas farmers. Admittedly, our farm problems are very complex and under the difficult circumstances confronting us no quick and easy solutions are possible. Within three years the new program will move us toward a support price for cotton which will be near the world price.

"It is argued that this must be done, and in this manner, in order to compete with synthetics and in order to stay in the world market for the long pull. Without doubt, an effective way to compete with

synthetics and maintain ourselves in the world market is required. Some have taken the position that the farmer is so efficient he can successfully produce cotton without supports in competition with the cheap labor of foreign countries. American industry is efficient, but industry is protected by tariffs and labor is protected by minimum wage laws, etc.

"The national cotton acreage allotment next year will be 16,000,000 acres, plus 310,000 acres for small farmers. The national allotment for 1958 is 17,584,900 acres, but because of the soil bank only about 12 1/2 million acres were planted.

"The bill presents two choices to the cotton farmer for 1959 and 1960. The farmer who takes Choice A in 1959 will get his part of the 14 million acre allotment and can sell his cotton to the government at not less than 90% of parity. The farmer who takes Choice B will get up to 26% increase in acreage over his 1958 allotment, or not to exceed 40% over what would be his 1959 allotment under the Choice A plan. This means that cotton acreage in 1959 could be well above 16 million acres. It could be perhaps as much as 19 million acres, depending on the number of farmers who elect Choice B.

"The Choice B farmer will be entitled to a loan on his cotton next year at 15 parity points less than the Choice A farmer gets. In 1960 the support level for the Choice B farmer will be not less than 65% of parity next year. In 1960 the Choice A farmer will receive a support of not less than 75% of parity and the Choice B farmer will get not less than 60% of parity support. The following year all cotton will be supported at not less than 70% of parity and the Choice A and B plans will be discontinued.

"In 1962 all cotton will be supported at a level of not less than 65% of parity. (It is generally assumed that the minimum supports referred to above would be the supports that the farmer would actually get, especially after the 1959 crop.) Of course, during this period the law may be changed. The future is, of course, unpredictable.

"We have never had a Choice A and Choice B type program before and it is impossible to tell in advance whether or not it will be successful.

Beginning in 1958, the bill provides for a separate loan on split grades, including "light spots." It provides that beginning in 1961 the 7 1/2 inch loan basis will be changed and cotton will be supported on the basis of the average of the crop (about 1 inch).

It is getting more and more difficult to get support in congress for farm legislation. Members of Congress from heavily populated consumer areas have been led to believe that many of their troubles have arisen as a result of previous farm programs, etc. During the

1930's and 1940's Members of Congress from the city areas generally supported farm legislation, but there has been a very drastic change in attitude.

The farm bill not only relates to cotton, it also relates to feed grains, rice, wool, etc. It is not possible in this letter to deal with the subject in detail. I will send a copy of the new law to anybody who writes me at the House Office Building, Washington, D. C., requesting a copy.

LOYDS OBSERVE GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. J. W. Lloyd of Lockney observed their Golden Wedding Anniversary, Sunday, August 24th, with open house. Some 100 guests called. MRS. HOMER G. KENNAMER RALLIES FOLLOWING SURGERY

Mrs. H. G. Kennamer is said to be resting fairly well this week at her home, recuperating from major surgery. Mrs. Kennamer was operated on Tuesday of last week in West Texas Hospital at Lubbock and was returned home Saturday.

Mr. and Mrs. Preley Kennamer of Canyon were among the visitors of the ill woman during her stay in the hospital. Al is the Kennamer's son. Their daughter, Mrs. Beatrice Bagwell and children of Pictou, S. Mex., arrived in Floydada Saturday night to stay a few days.

Mr. and Mrs. Bobby Kincheloe and daughters of Lubbock were here over the week-end visiting with their parents, Mr. and Mrs. Rimmer Rainer and family and Mr. and Mrs. J. A. Kincheloe.

Uncle of Willie Martin Claimed At Wichita Falls

John M. Martin, of Wichita Falls, an uncle of Willie Martin of Floydada, died Thursday of last week in a Wichita Falls hospital after a brief illness. He would have been 80 years old in September.

Funeral was held Friday afternoon at a Wichita Falls funeral home and interment made there.

Mr. Martin, who lived in Floydada for about a year in 1901 and again in 1915, had been a resident of Wichita Falls for four years.

He became ill at the home of a daughter, Mrs. Virgie Rickenbach. One son and two other daughters are among the survivors. He was a brother of the late Wes Martin, pioneer Floyd County resident.

Willie Martin and his daughter Carolyn of Floydada, attended the rites, returning home Saturday, as did Mary Vandell and her husband of Roaring Springs and Mr. and Mrs. Nolan Osborne.

Mrs. Karl Hornum and daughter of Floydada and Mrs. Cline McDonald of Wichita, Kan., visited last week in Lubbock with old school mates of the two women.

JARRETT'S SPEND VACATION IN NEIGHBORING STATES

Mr. and Mrs. Carl Jarrett and daughter, Nedra, returned to Floydada Saturday after enjoying a vacation in Tennessee, Oklahoma and Arkansas where they visited relatives.

"The Jarretts talked by phone to the Hill Greer family who live in Memphis, Tenn., and were told to tell all their Floydada friends hello and that they were all well. Dr. and Mrs. Greer are former residents of Floydada. He is a dentist.

LOCATE AT RICHARDSON

Mr. and Mrs. Billy Henry left Floydada Friday for Richardson, Tex. where the family will now make their home. The Henry's had been visiting the summer in Cleburne while the head of the household worked in Dallas.

OPTOMETRY: The Art and Science of Visual Care

You can be SURE . . .

that there is a never-ending research into the problems of vision. For instance, research conducted at Purdue University shows that some nearsightedness comes from too much visual tension, in reading and studying, in the early school years. And, that temporary preventive bifocal or training lenses can, in many cases, reduce that tension. Thus, nearsightedness may be halted or even prevented.

Cooperate with your professional optometrist if he prescribes preventive bifocals for your child. He is practicing preventive vision care.

100 NEW BAND UNIFORMS IS GOAL OF BAND BOOSTERS . . . SEE A GREAT SHOW AND HELP OUR FINE BAND IN THIS EFFORT

The Great Virgil To Appear Here Tuesday, Sept. 16

All Proceeds of Ticket Sales To Go To Band

Floydada Band Boosters have purchased all rights to the show for this date and now all ticket sales will go to the band 100%.

The Great Virgil will be presented in a matinee performance for school students in the afternoon and then in an evening show for everyone. Tickets are priced at 50c to students for the matinee, 75c for students at night and \$1.50 for adults at either performance. Both shows will be presented in the high school auditorium with the evening show starting at 8:00 o'clock.

The Band Boosters kicked off their ticket selling campaign on Monday of this week. Their goal is to fill the auditorium at both performances of the show. They are promising the public a very good show and those who remember the caliber of the show brought here by Band Boosters last fall will readily agree it is well worth the money.

Be Ready and Purchase Your Ticket Now

When members of the band or band boosters call on you to be ready to purchase your tickets to this big show. It is the biggest project of the year for the organization which has undertaken to completely re-outfit the big senior high band.

This year they are shooting at a goal of 100 dazzling new uniforms for our fine band. This will make them one of the best dressed bands

in the area. They have already proven themselves with outstanding winning performance the past two years.

Now let's reward them with the new uniforms. Your purchase of a ticket will help.

Help Jr. Hi Too

The new band uniforms will help the junior high band too. Band director Maurice Jones says that as soon as the senior high band is suited out in new uniforms the present suits can be handed down to the junior high band.

These band suits many of which are in excellent condition are in many instances too small for high school students, but can be very useful to the junior high band.

School OKs Project

Roy Hale, president of Band Boosters, said his organization had the blessing of the school authorities in the undertaking. The new uniforms are to be a three year project for band boosters though they hope to get the new suits before the fall is over.

Superintendent I. T. Graves and the school board are going to stand behind the band boosters in this tremendous effort. All proceeds from the show money raising projects such as the food booth at ball games, the minstrel show with the study club in the winter and all other activities are to be aimed at this one goal.

Whirlwind Band Enjoys Growth

The Whirlwind Band has enjoyed growth and has reached new highs under the leadership of Director Maurice Jones. In the years he has been at the head of the band their number has doubled and their performances have gained wide recognition.

For the past two years the band has been area sweepstakes winner and last fall won an invitation to perform at the State Fair of Texas.

The big Whirlwind Band has become the pride of all Floyd County and their appearance at games and in parades is good advertising for the town and for the school they represent. The band deserves your support and works hard to bring you good entertainment.

Thrills Galore, Plenty of Fun

Thrills galore and plenty of fun and laughs are in store for local people when The Great Virgil, "Premier International Illusionist" and Julie, "The Sweetheart of Magic," bring their show of miraculous and enchanting wonders to the stage of the Floydada High School auditorium on September 16, at 8:00 p. m. under the sponsorship of the Band Boosters.

Julie - The Psychic Enigma

Among the many beautiful and spectacular scenes will be the Jungle Mystery, Miracle of Tibet, Weird Execution on Mars, London Spirit Seance, Sawing a Lady in Halves, and the Materialization of a real live Spook.

Virgil and Julie's mystery spectacle will be presented against a background of numerous colorful changes of scenery and will utilize an abundance of dazzling exotic costumes, many of which were created in the Orient while others were designed in Hollywood, New York, London, and Paris.

Julie, Virgil's leading lady not only plays an important part in all the major scenes but also presents her own world famous "Mysteries of the Mind" act during which she demonstrates the possibility and reality of telepathy by calling members of the audience by initials or names and reading their innermost thoughts.

This is the show that entertained Melbourne, dandified Calcutta and Bombay, and enthralled London. Recently returned from a five-year global tour of thirty-two countries on five continents, Virgil and Julie were described by The Chicago Daily News Foreign Service as "Good Will Ambassadors." Manager Sid Irving of the big J. C. Williamson circuit described them as "the best magic act to hit Australia in 15 years." The Times of London programme of utterly mystifying tricks with spectacular effect guaranteed to hold any audience spellbound," stated The Times of India. Around the world Virgil and Julie's newspaper clippings read as one great and extended ovation.

The Band Boosters feel that this big international show will be the event of the season and everybody is urged not to miss this grand opportunity to see a really spectacular performance.

An Evening of Entertainment
Since the dawn of history the minds of man have been perplexed by the mysterious crystal-gazers, astrologers and mind-reading mediums. The veil of mystery has been lifted and the thoughts - past, present, and future, of others. Many priests and professors of science have been called skeptickers while others have been called down in history as strange power that has been gained.

Julie, known as the Enigma, a feature of the Great Virgil show, Evening of Entertainment to the stage of the Floydada High School auditorium on the night of September 16, under the sponsorship of the Band Boosters will be a most unusual and surprising performance of mental tests that will surpass anything ever seen in the field of mental powers.

Julie claims no superpowers but bows her work to the study of the human mind what she calls "The Mind." Declares that other men of science have found no previous explanation of any previous demonstrations she has made to lock into the minds of strangers and read their thoughts.

Up Texas Farm State

POP-CORN BUSI-
ness, while not one of
the largest pop-
corn producing states,
is more than twice
as large as the state
of Texas. Total U. S.
production for this year
is estimated at 248,000 acres.

TRADITION, Texas farms are getting
bigger, with larger farm operations
taking over an increasingly larger
share of the state's total farm land.
The loss in number of farms is
centered heavily in those between
50 and 99 acres in size. In 1920,
farms of this size made up 27 per-
cent of the State's farm land, but
by 1954 occupied less than 16 per-
cent. Whereas in 1920 farms of 200
acres and over occupied less than 12
percent of all the state's farm land,
by 1954 28 percent of Texas farm
land was occupied in farms of 200
acres and over.

TEXAS SET FOR 45-MILLION
POUND PECAN CROP—U. S. D.
A. estimates in August of Texas
pecan crop prospects set estimated
production at 45,000,000 pounds—
16 million pounds below last year's
estimated 55 million pound crop.
Still, Texas is picked as the top
estimated pecan producer, 2 million
estimated pounds above Georgia's
estimated 43 million pound crop.
Total U. S. pecan crop estimate this
year is forecast at 179 million
pounds, indicating that Texas will
be responsible for approximately
one-fourth of national production.

BROILER GROWER'S GOAL—
A POUND OF MEAT FROM A
POUND OF FOOD—Fifteen years
ago it took about 4½ pounds of feed
to grow a pound of poultry. Today,
poultry science has reduced that in-
crease to 2½ pounds of broiler, and
feed for a pound of broiler, and
laboratory feeding has dropped
below the 1.2 pound mark necessary
to obtain a pound of gain. With
the constant pressure on the broil-
er industry through competition at
every level, the industry's best hope
still lies in research that will im-
prove feed conversion, and the poultry
scientists believe a pound for a
pound may one day be a reality.

**Johnny Cantrell
Funeral Thursday**

Funeral rites for Johnny F. Can-
trell, who passed away last week
from a sudden heart attack, were
held in the First Baptist Church
Wednesday with burial in the Floy-
dada cemetery.

Eddie Cantrell, brother of the
deceased, who was on vacation in
the Colorado mountains at the time
of his death could not be located
and did not learn of the death
until the week-end.

Relatives here for last rites in-
cluded Mr. and Mrs. Berry Green,
Mr. and Mrs. L. C. Allen and Jim
Green, Sweetwater, Mr. and Mrs.
Jimmy Cantrell, Lockett, Mr. and
Mrs. George Hughes, Houston, Mrs.
John Boyd, Vernon, Mrs. John
Stanley, Gutherie, Mrs. Olin Owens,
Abilene, Mr. and Mrs. O. C. John-
son, Odessa, and Mrs. Dean Wat-
son, Odessa.

Mr. and Mrs. Scrub Edwards, Mr.
and Mrs. Buddy Cantrell and Mr.
and Mrs. Floyd Chambers, Lub-
bock and Mr. and Mrs. George
Blanton of Idalou.

Eddie Cantrell, who in company
with his wife and his daughter
and her husband, Mr. and Mrs.
Wendell Harrison of Morton, were
on a combination business and
pleasure trip in Colorado last week
only learned of the death and burial
of his brother, Johnnie when he
reached home Saturday afternoon.

Johnnie Cantrell became ill Sun-
day afternoon. Apparently he was
doing all right Monday when Eddie
and his party left for Colorado.
Johnnie died Tuesday morning at
1:30. He had a heart ailment.

Jack Cantrell, son of Mr. and
Mrs. Eddie Cantrell tried in vain
to contact his father, through tele-
phone calls and by short wave
cooperation of the highway patrol.
Meanwhile the Cantrells were on
their leisurely jaunt with Clifton,
Colo., as their destination. The
going trip made up the Arkansas
Valley, returning by another route.
On the way Eddie made an effort
to contact home to inquire after
his brother but could not get a
connection at the time and place.

**CHRISTIAN ATHLETES HOLD

represented, and the Double TT
Association of Tech, of which he
is vice-president.

The five-day session was held on
the campus of the YMCA. Some
500 young men attended for the
rallies and entertainment.

VISITOR FROM WICHITA

Mrs. Cline McDonald and son of
Wichita, Kan., came to Floydada
last week with her sister, Mrs. Har-
old Wayne Bennett and family, for
a visit with her parents, Mr. and
Mrs. J. N. Richardson and other
relatives.

Mrs. McDonald's husband came
on Friday for the week-end and
the family left Monday for the
trip home.

Mrs. McDonald is the former
Gwen Richardson.

Mrs. Edna Patton visited the
week-end near Paducah with friends
and relations.

Fifty-eight were present for the
occasion.**

Lois Hutchins is back to work
after a week's vacation. She and
her family spent three days in Red
River, N. Mex. They also visited in
Amarillo with her parents, Mr. and
Mrs. F. L. Campbell and other
relatives.

Mr. and Mrs. Tom Hutchins at-
tended the wedding of Sue Ann
Carter in Plainview Saturday even-
ing.

Jackie Alexander, son of Mr. and
Mrs. Ross Alexander, who has been
employed at the Lighthouse all
summer returned last week to Post,
where he will teach in the public
school system there again this com-
ing year.

Mrs. R. H. Tinsley and her daugh-
ter, Mrs. Kenneth Borech, of
near Sibley were Floydada visit-
ors on Tuesday morning.

Mr. and Mrs. Johnny Stutta spent
the Labor Day holiday in Tanaha,
Tex. They were accompanied home
by her niece and family, Mr. and
Mrs. Jimmy Wilson and daugh-
ter.

Mrs. Margaret Daniel and little
daughter Ilene were Co-op visitors
Tuesday morning. Thank you Mar-
garet and Ilene for the delicious
beans, they will be a real treat.

Be sure and get your things
ready for the Floyd County Fair
next week. Remember! It takes
everyone bringing their produce
to make a good display and a good
fair.

Bok Sin Lee left Monday morn-
ing for Washington, D. C. where
she will be enrolled in the Ameri-
can University. The Hickerson's
will miss Bok Sin very much; they
enjoyed her stay in their home this
summer.

The sincere sympathy of the co-
op family is extended to the Jackie
Duke and Clovis Myrick families in
the loss of Mrs. Duke's and Mrs.
Myrick's father.

Mr. and Mrs. Jackie Duke and
family spent the week-end with
her parents, Mr. and Mrs. W. H.
Duke at Edmiston.

Mr. and Mrs. W. A. Lovell were
guests Sunday of Mr. and Mrs.
Grady Freeman.

Kitchen and Field News

from
Lighthouse Electric Cooperative, Inc.

Home Economist

It was a privilege indeed, to at-
tend the state convention of the
Texas Electric Cooperatives that
was held in Lubbock on Thurs-
day and Friday, of last week.

A record crowd was registered and
it was considered one of the best
by those who have been attend-
ing regularly.

The entertainment highlight of
the meeting was a barbecue supper
and the judging of the 1956 Miss
Rural Electrification of Texas con-
test held Thursday night in Fair
Park Coliseum.

Winner of the Miss Rural Elec-
trification of Texas title from a
field of nine contestants was Miss
Marilyn Ann Knudsen of Dade-
ville, Wharton County. The run-
ner-up was Miss Lavonne Hall of
Comanche.

We were represented by Miss Judy
Jackson of Floydada in this con-
test. She was most gracious and
beautiful, and we, of course, thought
she was the prettiest one there.
(Reckon we were prejudiced?) Any-
way Judy was a good loser and
Marilyn Ann is a pretty girl, too,
and we are hoping she will be the
national winner in the contest
that will be held in Washington,
D. C. during the national meeting
in February 1959.

There was a wonderful program
throughout the entire meeting. Two
congressmen from Texas, Repre-
sentatives George Mahon, of Lub-
bock, and W. R. (Bob) Fosse, of
Waco, spoke Thursday and United
States Senator Ralph Yar-
borough, spoke to the group Friday
morning.

Nolan Arney is back to work
after a nice vacation. Part of the
time, he said, was spent around the
house doing some painting and
needed repairs. He and his wife
and Stevie went to Paris, Texas,
where they visited with his parents,
Mr. and Mrs. H. T. Arney and his
sister. They also visited in Fort
Worth with another sister, Mrs.
Jimmy Davis, her husband and
their little son, Billy. They spent
the night in Henrietta, Texas, with
Mr. and Mrs. Homer Ellis and
daughters, as they returned home.

Jackie Henry, son of Mr. and Mrs.
Jack Henry, is back at the co-op for
about two weeks, or until school
starts.

Mr. and Mrs. E. J. Marick and
Patsy of Idalou, spent Sunday with
Mr. and Mrs. Buck Marriele and
boys.

Mr. and Mrs. Leslie Fawver and
children spent Sunday with Mr.
and Mrs. L. D. Gollightly, Linda
and Bobby, at their home in the
Lakeview community.

Mr. and Mrs. Buck Marriele and
boys enjoyed a picnic at the park
in Lubbock on Labor Day.

Mr. and Mrs. Red Gregory and
his parents, Mr. and Mrs. Jeff
Gregory, have returned from a
vacation trip to New Mexico and
Colorado.

Lakeview News

(By Mrs. Q. D. Williams)

LAKEVIEW Sept. 1—Miss An-
ella Thurston went to Abilene last
Saturday night after the party at
the Williams'. She rode with the
Gordon Downings, who stopped on
their way home from the All-Stars
football game in Amarillo where
Ronnie Downing played. Anella
stayed several days visiting at Abi-
lene Christian College.

Joe Bunch visited the Verlon
Wrights for a week last month
after attending summer school at
Colorado State College in Greeley.
Pauline's vacation fell during the
same week. The Wrights and Mr.
Bunch went to Ranger to visit his
grandmother and grandfather, Mr.
and Mrs. J. W. Weaver. There were
also relatives visiting the Weavers
from California. Pauline and Joe's
mother and father, Mr. and Mrs.
Bob Rogers of Boyd, were present
for the family gathering. After vis-
iting in Boyd Joe Bunch went on
to St. Louis, Mo., where he will
teach at Faldan High School this
year.

Mr. and Mrs. Earl Edwards and
children visited in Llano last week.
They returned over the week-end.
Cynthia Edwards is in the first
grade at Lakeview this year.

Holt Bishop, Howard Gene Bis-
hop and Mr. Lawson, of Floydada,
went to Houston the latter part
of the week to go shrimping and fish-
ing.

Mr. and Mrs. W. C. Wright came
out to help Mrs. Verlon Wright can
peaches three days. They put up
over two hundred and twenty-four
quarts from four trees, and more
are signing every day. Everyone's
orchards are yielding a fine harvest
this year.

The first prize in the girls' bar-
rel racing contest at the El Paso
Junior Rodeo was won by our own
Sue Flenniken. Her prizes includ-
ed two pairs of boots and seventy
dollars in cash. Mrs. T. W. Flen-
niken, Sue and Ronnie returned
from El Paso Monday night.

Mr. and Mrs. Tommy Flenniken
have returned to Lake Charles, La.,
to resume studies at McNeese Col-
lege.

Warner Johnson had surgery at
the Crosbyton Hospital Tuesday.
He is home for limited activity.
The Johnsons were visited over the
Labor Day week-end by their daugh-
ter and her husband, Mr. and
Mrs. Carl Brock of Waco.

The Verlon Wheelless family, Mr.
and Mrs. R. L. Johnson and all the
Warner Johnsons ate home-made
ice cream Saturday night at War-
ner's and Evelyn's in honor of their
twenty-second wedding anniversary.
Miss Mary Ann Brown visited
Scarlet Smith Sunday afternoon.
She returned to Truscott Wednes-
day to start rehearsals with the Gro-
well High School Dance Band.

T. W. Flenniken entered the calf
roping at the Roaring Springs
Rodeo Thursday, Friday and Sat-
urday nights.

James Williams entered his first
rodeo in the boy's rag race at the
Roaring Springs Rodeo.

Mr. and Mrs. Earl Bunch of Pan-
handle and Jeff visited the Verlon
Wrights over the week-end. They
came to get their two children,
Larry and Kathy, who had visited
their cousins for two weeks. They
enjoyed eating supper in the yard
Saturday night.

Jack Miller, Pilot Point, visited
his uncle, Q. D. Williams, over the
week-end. Jack is between the sum-
mer and fall semesters at North
Texas State College at Denton,
where he is a junior majoring in
business management. They at-
tended the Roaring Springs Rodeo
and the pageant rehearsals at Cros-
byton.

Sonny and Truitt Richardson
visited Louise and Wesley Johnson
Sunday afternoon.

Mr. and Mrs. Charles Johnson
and Mr. and Mrs. Cotton Stroud left
Saturday for a vacation in Houston.

Mr. and Mrs. Louis Pyle and
children and Mr. and Mrs. Wendell
Hammonds and children attended a
Hammonds family reunion Sun-
day at the park.
