## Harvest Hits Stride As Sun Shines on Cotton and Maize

### Gin, Elevator Receipts Begin To Get Larger

Floyd County gins this week began to get cotton in quantities expected to justify around the clock operations by Friday at every gin plant in the county.

Night clouds began to lift by mid-morning Monday, and the pace has been growing steadily as more harvest hands reach the county and get assignments to fields.

Several thousand openings for cotton pullers were still available as late as Monday morning, the Texas Employment Commission estimated, but enough hands to keep all gins busy are expected by tomorrow.

Likewise, elevators were beginning to get bigger runs as fields dried out and more combines hit the maize fields.

As of yesterday some of the elevators were taking maize with moisture content up to 15 per cent and putting the grain through dryers, adding greatly to the movement of the crop.

Good yields from dry land as well as from irrigated crops have added to the anxiety of grain growers to get their crops out of the fields.

As of Saturday night total runs at the cotton gins of the county had been 2,341 bales, which means practically 4,000 bales were turned out between drizzles and damp mornings last week.

The tempo of the harvest has increased so greatly this week that the ginning figures may even be doubled by Saturday night, if weather holds good. Gin plants of the county have a capacity in excess of 2,000 bales per day.

The estimate of the cotton production in the county is still set at 93,900 bales by TEC. This is an increase of 20,000 bales from the commission's first estimate, but about 10 thousand less than the first forecast of Plains Cotton Growers.

Cotton pulling was indicated at \$1.50 and \$1.75 per hundred in this county by the commission, this rate being effective in practically all of the plains area this week.

Several hundred Mexican Nationals are in the territory under contract.

The estimate is that 75 per cent of the cotton crop in this county is open, with nine per cent of it harvested.

Temperature Readings  
Weather wise temperatures are rising this week, with a prediction from forecasters that colder weather is expected by the week-end, but no moisture is indicated.

After low temperatures in the 40s last week for night readings the mercury has climbed back into the high 50s and 60s.

A low of 43 was recorded last Tuesday morning by Pioneer Natural Gas of Floydada, with 56 degrees for the high, Friday's high, 66, low 43, Saturday, 73, and 43.

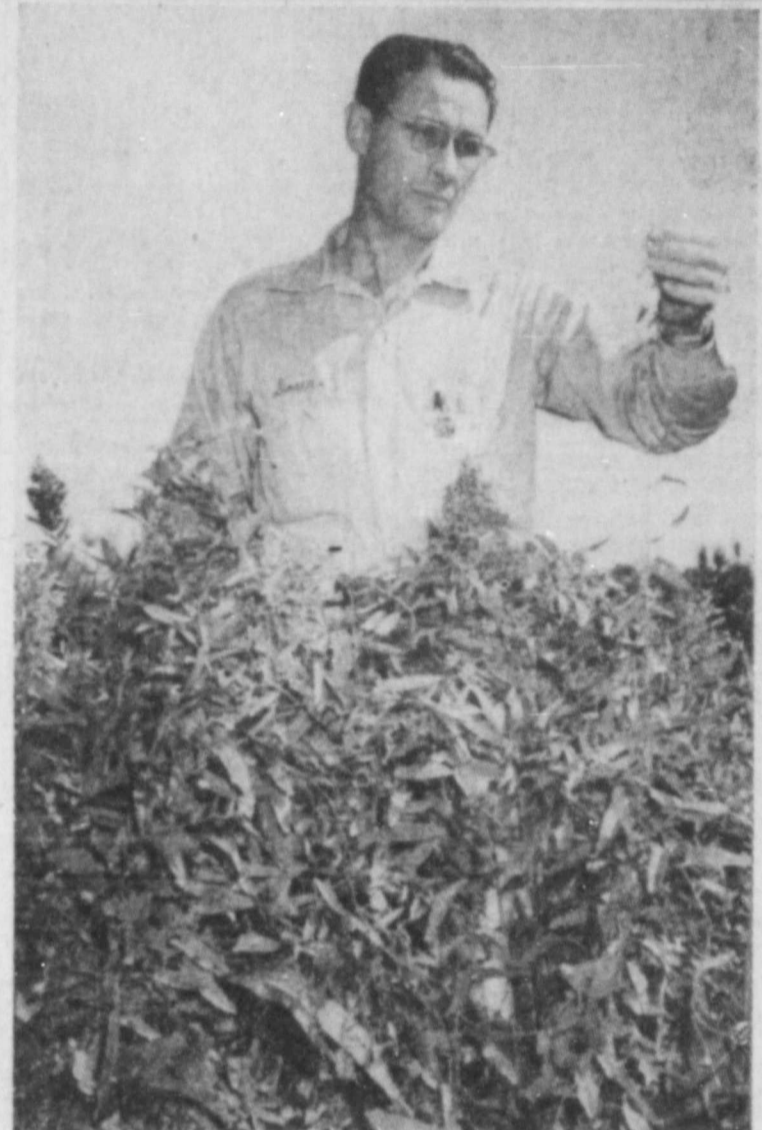

Sunday was 58 low and 78 high, Monday, 58 and 80, Tuesday, 59 and 81, Wednesday 55 and by mid-afternoon the temperature stood at 86.

Shopping Center?  
Coffee Talk Has New Development  
Coffee talk in Floydada for several days has been to the effect that Floydada is to have a new shopping center on the property where Curley's Cafe is located at the Wye in southwest part of town.

This week when W. B. Winn owner of the property, was contacted on the matter he did not deny such plans, but said they were far from complete. Winn, pressed on the point, said he had some pipe dreams of a shopping center on the location.

He is hoping to construct an L-shaped building along the north and east sides of the lots with the businesses facing a parking lot which would occupy the southwest portion of the lots.

Winn said he had some prospective occupants for the building but needed two or three more if he is to proceed with the plan.

Douglas Degge, newly-named supervisor of the Floyd County Weed Control District, shows here how the detected bindweed manages to "get around". A seed that got into a fine field of maize and cowpeas, has made a vine that climbed high and multiplied many fold. How to effect control measures for this and other weeds is the problem that Degge is attacking. (Staff photo by Kenneth Rimmer)

### Growing Size of Households Is Noted in Local Trade Survey

(Special to the Hesperian)  
NEW YORK — Families in Floyd County are running larger these days. Second births are becoming more commonplace. The proportion of couples having third and fourth children is going up rapidly also.

### Taxpaying Period Has Good Start

Tax payments the first eight days of the new tax-paying year have been fair to good, better than for the same period last year, it is reported from county, school and city tax collectors this week.

First man on deck at each of the offices in Floydada was Fred Martin of Martin & Company, who was waiting for the county tax collectors to open his doors the morning of the first.

Mr. and Mrs. Martin also were the first to get receipts for their 1958 taxes.

These changes, of great economic importance, are indicated in Census Bureau reports and in population estimates made by other agencies.

The size of Floyd County families is brought out in figures showing that there are now 357 persons, or, on average, in each 100 households locally.

This is large compared with the ratio found elsewhere. In the United States as a whole there are 341 people per 100 households.

The bigger birth rate, together with the reduction in infant and child mortality due to advances made by medical science, have combined to add to the natural population growth.

This medical progress has also had a great effect at the upper end of the age scale, increasing the proportion of elders in the population. Nationally, there are now some 11 million people over age 65.

It has become an important second factor, contributing to the growing size of today's households.

The strengthening of the household, which is the nation's basic economic unit, results for the most part from the new self-sufficiency of the older people. What made it possible was the big expansion in public and private retirement programs.

This, combined with larger savings and insurance protection than former years, have enabled them to remain financially independent as never before. Because of this they figure importantly in the current economy.

They represent a steadily increasing market with a need for all kinds of goods and services. Industry must reckon with it. Merchants will have to set their sights higher to provide bigger households with more of the necessities of modern living.

## Development Sand And Gravel Deposit Adding More Families

Caprock Sand and Gravel Company, one of the area's newer industries has had a good year according to the firm's Motley County Location Manager, Clarence A. Chandler Jr.

The company's new equipment and ten employees has increased production from two hundred yards of sand and gravel to five hundred yards per day, Chandler said. The plant is located 23 miles east of Floydada on U. S. Highway 70.

The Sand and Gravel Firm has a lease on 16,000 acres of Burleson Ranch land in Motley County. They employ twenty-seven fifteen yard trailer trucks to deliver the 12,000 yards of sand and gravel sold from the plant each month.

Production includes twenty kinds of washed and crushed aggregate rock.

Highway construction takes most of their production, Chandler said. Concrete irrigation pipe and West Texas Commercial Building also furnish a market for their product.

The Motley County Plant is one of three operated by the Caprock Sand and Gravel Co. Owner of the company is J. C. Strange of Lubbock. The home office of the firm is in Slaton.

Chandler said that five of the firms ten employees live in Floydada. Chandler and his family live at 624 West Virginia Street.

JOHN ROBERTSON

### Rites of Kinsman Conducted Sunday

Judge and Mrs. J. D. McBrier were called to Stillwater, Okla., Saturday by the death of the Judge's brother-in-law, Colbert Starr, who passed away earlier that morning at a Stillwater Hospital.

Mr. Starr had suffered a previous heart attack and was believed to be improving when complication hindered his recovery.

Rites were conducted Sunday afternoon in Stillwater.

### Texas Migrant Staffer Will Address Group

John Robertson, member of the state staff of the Texas Migrant Ministry, a department of the Texas Council of Churches, will speak at 7 o'clock Sunday evening at the Methodist Church to the combined congregations of the Cumberland Presbyterian Church, the First Christian Church and the Methodist Church.

Robertson is located in Lubbock. He is assisting the local Migrant Ministry committees with their programs in Floydada, Plainview and Slaton.

The program of the local church people was written under way last week-end when the House of Friendship was opened on West Side. Response of migrants was gratifying.

The migrant center, or House of Friendship, will be maintained for the next five week-ends, it is planned.

Mr. Robertson, the Sunday evening speaker, is a graduate of Austin College, Sherman, Texas, and has attended the Austin Presbyterian Seminary in Austin.

### John Galloway Is Very Ill, Report

John Galloway, 75, of Floydada was admitted to Peoples Hospital Saturday where, at this time, his condition is said to be serious. Mr. Galloway was placed under oxygen Sunday when he apparently became worse.

His children, Mrs. Randolph Wilson, Ben and Herman Galloway all of Floydada, and Mrs. Hazel Goodjohn of Portales, N. M., have been here with the family for the past several days, as has a sister of Mrs. John Galloway, Mrs. Charlie Saxton and her husband of Clovis, N. M.

## Whirlwinds Will Host Tulia Team in Friday Night Game

The Floydada Whirlwinds will play host Friday night to the Tulia Hornets in their last inter-sectional game before entering district play.

Game time is 8:00 p.m. and West Field in Floydada is the site. On tap along with the ball game will be entertainment offered by the bands of the two schools and a hal time show for intermission.

The undefeated Whirlwinds still hampered by injuries and sickness are far from top shape.

Don Vickers their star ball carrier and passer has a hand in a cast and there are a number of team members suffering from flu and stomach disorders. Coach Watson said Tuesday with good luck between now and game time we might be stronger than against Lockney last week.

Mike Carver became eligible this week and could give the team more depth at the halfback position. Carver is a junior transfer student who moved to Floydada a year ago.

Physical condition permitting the Whirlwinds will go with about the same line-up as against Lockney last week. Rodney Teague is expected to get the starting nod for the quarterback position.

Eddie Parks became sick during the Lockney game and has been out since that time.

Bill Gilliland and Bill Patterson are still having trouble trying to get over their flu attacks.

The Tulia Hornets, coached by Hap Rogers, are having their best season of recent years. They have a big experienced team with good speed. They run about every kind of offense using T formation and wing back formations as suits them. They have a fast runner in Buzzy Poage who is listed on their roster at 117 pounds.

The Hornets like the aerial game also and their razzle-dazzle offense netted them 42 points last week against Hale Center.

Other teams victims of the Tulia team this year are Memphis and Quitaque. They were defeated by Abernathy and Lockney in two very close games.

Probable starting line-ups for the two teams appear on another page of this week's Hesperian.

### QUARTERBACK CLUB MEETING SET FOR MONDAY NIGHT

The Whirlwind Quarterback club will meet Monday night October 13 at 7:30 p.m. President Roy Teague has announced a brief business session and the group will enjoy refreshments and will see recent game films.

The high school cafeteria is to be the site of the gathering.

### MARINE GETS DISCHARGE

Sgt. Bobby E. Jackson, son of Mr. and Mrs. A. L. Jackson, is in Corpus Christi, where he received his discharge from the U. S. Marine Corps on Oct. 5.

The marine was here on leave in September with his family after spending a year in the Philippines and a year in Hawaii. He has completed four years of duty with the service.

### R. C. Scott Is Feted as Masons Cite Long Record of Service

Masons of this section of the plains county paid tribute to R. C. Scott Saturday night last week at a convocation of the Royal Arch Chapter held in Masonic Hall.

His unusual record of service to Masonry is hardly equalled elsewhere in the annals of the order, it was declared by J. M. Willson Jr., who served as master of ceremonies at a dinner served before the assembly organized for the lodge ritual.

District Deputy High Priest Odys Parker of Plainview, Jess Boyd of Petersburg, and Henry Teubel of Tulia were among the high Masons who added to the glowing account of the long service of Scott to Masonry.

State Highway Commissioner Marshall Formby made the featured address of the evening. He contrasted the dignity which democracy accorded to the individual from the cruel impersonality of the communist state.

Mr. Scott served for 33 years as secretary of the Royal Arch Chapter which honored him with a dinner. A unique record, which is not

known locally to be equaled in the state, has been made by Mr. Scott as a Mason. He has the record of presenting 59-year pins to two members, at whose induction into the order he officiated as worshipful master a half century before. These two Masons are Judge Tom W. Deen and the late W. A. Gound.

### Potato Chips Voted Number 1 'Vegetable'

The potato chip industry is man sized and has a major role in absorbing the nation's annual yield of potatoes, according to Glen C. Turner, of Morton Foods, who is the current president of the National Potato Chip Institute.

The statement was made in connection with the observance of the period from October 1 to 11 as National Potato Chip week.

Not only is the pound volume high but the dollar volume at the grocery counter is as well. Dollar volume was 45 per cent of the volume on straight "produce" potatoes, long a heavy staple item in the American food economy.

In a recent national survey of children preferences, it is declared that the No. 1 "vegetable" turned out to be potato chips, with spinach a surprising No. 2.

C. W. ESTES, SUPT., FLOYDADA, TEXAS

**TELEPHONE TALK**  
by J. C. Oakley, Manager

**PARTY-LINE SERVICE**  
Party-line service is good telephone service when the line is shared equally and thoughtfully.

Think of the other families on your line as telephone neighbors. They probably use their service just as you do—making calls to help the household run smoothly, and calls to keep in touch with relatives and friends.

By considering the telephone habits and needs of others on your party line just as you'd like them to consider yours, you can help set up a partnership that will give each user his fair share of service.

The ABC of satisfactory service for all party liners is simply this: Always Be Considerate.

**LUXURIOUS — BUT NOT A LUXURY**  
Got a telephone for your bedroom, yet? Nothing tops a bedroom telephone for real luxury living. When I'm home using ours, I like to stretch out on the bed with the phone cradled between my shoulder and my ear. I can relax and really talk that way.

There are plenty of good, practical reasons for having a bedroom phone, too. Privacy, for example. And women often say how reassuring it is to have a phone at their bedside when they're alone in the house at night. It's much nicer to be able to "reach" to answer instead of having to dash to another room.

Here in Floydada a bedroom extension costs only \$1.00 a month plus installation. And for a one-time charge of only \$10, you can have your choice of any of the nine beautiful color telephones. They're especially smart for bedrooms.

**EASY WAY TO KEEP IN TOUCH**  
I guess at one time or another, we all remember—out of a clear sky—someone we haven't thought of in a long time. "Whatever happened to George?" we say. Or to Ruth, or the Browns, or the Martin family. Usually it's someone we really mean to keep in touch with—like the couple who used to live next door, or old friends in faraway places. But with so much on our minds and so much to do, the months fly by and we never get around to it.

The quick, easy way to make up for lost time is, of course, to use your telephone.

A long distance phone call is the personal, thoughtful way of keeping in touch with those you care about. Try a call tonight, and you'll see what I mean.

Call by number. It's twice as fast.

### 1934 Club Views Peter Hurd Mural And Tours Museum

The evening of Oct. 7, several members of the 1934 Study Club drove to Lubbock and enjoyed a dinner. Following the dinner the group took part in a guided tour of the West Texas Museum on the campus at Tech.

The museum holds historical heritages and tells the story of the Plains life from 10,000 years ago to the present day and time and about agriculture and water.

The group also viewed the Peter Hurd Mural of South Plains history from 1890 to 1925.

Mrs. Virgile Shaw was in charge of the arrangements for the evening.

Members attending included Mrs. Roy Baxter, Ralph Cogdell, Willie Cooper, H. Guffee, Howard Gregory Thos. Hutchins, L. F. Martin, J. P. Moss, Virgile Shaw, John Stapleton, Geo. Van Wickel and Mrs. O. M. Watson Jr.

Two guests were also present, Miss Norma Ruth Martin and Miss Leila Petty, who reside in Morton.

Next club meeting will be at the Federation Tea Oct. 14.

### Plan Early Wedding

The engagement and approaching marriage of her daughter, Pauline to Delmas McCormick is being announced by Mrs. Artie Ward. McCormick is the son of Mr. and Mrs. Weldon McCormick of the Cedar Hill community.

The couple plan an early wedding. Both attended Floydada schools. The prospective bridegroom served two years in the U.S. Army and is presently engaged in farming.

### Twenty-Two Study Club Views United Nations Pictures

"Around The World In Less Than Seventy-five Cents", was the title of a film shown to members of the 1922 Study Club at a regular meeting Thursday in the REA recreation room. Claud Weathersbee showed the film which was narrated by Mrs. Jim Barnard.

Purpose of the film was to promote nationwide observance of United Nations Day. To clarify the title those 75 cents have already been paid. How? When Federal taxes were paid all around the globe in an effort to build peace.

The film contained scenes of Washington, D.C., the United Nations in New York and some of the interior. There were scenes of the ruins in Cologne, Germany, the Peace Palace the Hague and the Soldiers Tomb in Paris. Also farms which were well managed with prosperous crops and the thanks giving table of a family in the U.S. bountifully spread.

Meeting adjourned shortly after a business session for the social hour and refreshments at the home of Mrs. E. J. Morehead. Mrs. J. B. Jenkins was co-hostess and presided at the coffee service.

Members present included Mrs. P. W. Bell, Kenneth Bain, J. H. Hinderson, Jim Barnard, Phil Gates, J. B. Jenkins, Ed Johnson, E. J. Morehead, Wilson Kimble, Harry Koenen, Glad Snodgrass, E. F. Stovall, W. O. Tye, Joe Wilson and Jim Willson.

The next meeting will be on Oct. 14 at 7 p.m. at the First Methodist Church for the Federated Tea.

Mrs. R. F. Hall and her daughter, Mrs. F. M. Covington, and Mrs. Tom Emsert spent Saturday in Plainview visiting with Mrs. W. B. Jones.

### Mrs. E. N. Jones Review Scheduled Tuesday Evening

Mrs. E. N. Jones, wife of the president of Texas Tech, will be featured speaker here Tuesday evening, Oct. 14, at 7 o'clock in the First Methodist Church.

The occasion marks the annual Tea of the Federated Clubs of Floydada. Members of non-federated clubs are also extended an invitation.

Mrs. Jones is a native Texan. She has delighted many clubs and organizations with reviews.

A dinner in honor of the noted guest will be given in the Colonial Tea Room prior to the Federation Tea.

Persons planning to attend the dinner should notify the president of their respective clubs by Saturday, Oct. 11. Mrs. Lay Lee Trice, notification committee woman, said.

### Mrs. Garrett Hostess For Class of 1918

A lovely turkey dinner and the recalling of school days was enjoyed by members of the 1918 Floydada High School graduation class in the home of Mrs. Bob Garrett at high noon last Thursday.

Mrs. Bill Hardin and Mrs. Norman Muncy assisted their mother in hospitality.

Other members attending Floydada High School at that time were also guests at the gathering.

Out of town classmates here for the luncheon included Mrs. Bertha Snodgrass Savage, Amarillo, Marie Henry Baker, Weimert, Foy Cannady Meredith, Berger, Ruth Brown Hill Plainview, and Mrs. Pauline Bishop Dickey of Lubbock.

Local members present included Ruth Collins, Cleo Andrews Goins, Ethie Thagard Allen, Nola Caudle Bishop, Jack White Rosson, and Ailene Hopkins Henry.

### Andrews Ward PTA Has Program And Pupils Talent Hour

Andrews Ward Parent-Teacher Association met in regular session yesterday afternoon at 2:30. Theme for the program presented was "Keeping Faith With The Younger Generation."

The topic was an understanding children and was presented by Mrs. Sam Puckett.

A skit was given on "Family Gone Or Going Strong," by Mrs. Gene Collins Jr., and Mrs. Claude Weathersbee. Mrs. Tom Snead had charge of the program.

Talent Hour was held in the gym for children during PTA meeting. There was group singing, adult presentations and a talent contest. Winners were awarded ribbons in each grade level.

Next meeting will be on Nov. 12 for a panel discussion with Mrs. Ralph Johnston as chairman. All parents are urged to be present and their children present for the Talent Hour. Mrs. Jimmy Willson will also give a book review at this time, on Talent Hour.

### Many View Homes On '34 Club Tour

The Parade of Homes, sponsored by the 1934 Study Club, proved quite a success Sunday as well over 120 local persons and some 16 persons from surrounding towns met and were directed to six lovely homes in residential Floydada.

Towns represented on the tour were Ralls, Matador, Roaring Springs, White Flat, Lockney and Flomot.

Mrs. J. P. Moss, Mrs. O. M. Watson Jr., and Mrs. L. F. Martin, all club members, greeted guests and were directing guides.

Homes opened to the public Sunday and hostesses serving at each residence were as follows:

John Stapleton home: hostesses, Mmes. I. T. Graves, Ralph Johnston, J. M. Willson Jr., and M. J. McNeill.

Mrs. Bob Garrett home: hostesses, Mmes. H. G. Barber, Willis Cooper, George Springer, and J. S. Hale Jr.

Thomas Hutchins home: hostesses, Mmes. Dennis Dempsey, DeWitt Seago and Roy Baxter.

Menard Field home: hostesses, Mmes. R. G. Dunlap, Geo. Van Wickel, and Homer Guffee.

Bill Darden home: hostesses, Mmes. Howard Gregory, John Hoffman and Ralph Cogdell.

Wayne Russell home: hostesses, Mmes. A. L. Wylie Jr., W. F. Patrick and G. W. Switzer.

Due to illness in the families, the Lon Davis Jr., and D. B. Lytle homes were not shown.

Proceeds from the Parade of Homes will go toward expanding library in the Floydada colored school and the remainder is to be used for worthy community projects.

The 1934 Study Club express their appreciation to the public for their attendance and to the home owners who so graciously consented to show their homes.

### Study Club Tour At Tech Is Made

Several members of the 1934 Study Club enjoyed a Field Day at Texas Tech Tuesday with a guided tour of the nursery school and Home Management. Dr. Alvin Knowles, head of home economics at Tech, spoke briefly to the group on family life.

The members met at 9 a. m. Tuesday at the home of Mrs. Charles Craig for the tour. Mrs. David Battey was program hostess and Mrs. Johnny Collins, arrangement hostess.

Miss Billie Williams of the economics department at Tech escorted the Floydada group to lunch in the anniversary room at Student Union building.

### Do This to Stop Peach Tree Borers

1. PDB (for paradichlorobenzene) is spread in crystal form around the base of a peach tree, staying two inches away from the trunk, as one of the most effective means of controlling costly peach tree borers. One ounce of crystals is sufficient for treating a mature tree.
2. Loose earth is heaped over PDB crystals to form cone-shaped mound about six inches above ground line on tree's trunk. Fumes penetrate borer holes at or below the ground line; kill the borers.

A record crop of peach tree borers is expected to be at work this fall and winter at or below the ground line on your orchard trees, boring holes that can weaken and kill them. Peach tree borers have been known to wipe out entire orchards, are rated one of the most damaging orchard pests. Experts like Dr. Don King, entomologist at Texas A & M, are recommending to orchardists that the oldest but still most effective means of controlling the borers. Fall is the proper time for such treatment, when the soil is dry and the soil temperature is above 55°. Follow these steps:

1. Clear weeds from base of tree and loosen soil lightly.
2. Make grooved ring in soil around base of tree at least two inches from the trunk.
3. Drop PDB crystals evenly in the groove (see figure above) at a rate of one ounce for mature trees, 3/4 ounce for trees 4 - 5 years old and 1/2 ounce for trees 2 - 3 years old.
4. Pile soil in cone-shaped mound over crystals to a height of six inches on tree trunk and firm it (see figure at right). Be careful not to push crystals into contact with tree trunk.
5. In early spring, remove earth mound, level soil.

Your farm chemicals store is the best source of PDB crystals. However, you may also find them in drug and department stores where they are sold for clothes moth control. When buying a clothes moth compound for use against peach tree borers, however, be sure to get paradichlorobenzene crystals, not naphthalene which is sometimes used against clothes moths.

## Practically Perfect Won-Lost Record Made by Football Teams

Floydada schools have been enjoying a big year in football this fall. Much attention has been given to the high school varsity team and their exploits as they now have a 5-0 record, being undefeated.

There are three more undefeated teams in Floydada also. Coach Pete Fuglaar has an 8th grade team which has won four straight games holding victories over Idalou, Lockney, Abernathy and Silerton.

The 7th graders also have a clear slate having defeated the same teams mentioned above with exception of Abernathy whom they have not yet played.

The high school freshman team is also boasting a perfect season with three wins; and the Whitehead B squad has suffered but one defeat that to Idalou. They later avenged this loss with a win over the same opponent.

Tuesday night Coach Fuglaar has two games in Silerton and one at Floydada going on at about the same time. Coach Paul Huntington

"pinch hit" for him here, handling the freshmen game against Matador.

Fuglaar said the boys are playing with lots of spirit and recommended the Tuesday and Thursday schedules of football as being the type the public will enjoy.

On Tuesday night the 8th grade boys will entertain Abernathy at Wester Field in what is expected to be their roughest competition of the season, and it will be a test to see if they are to remain undefeated.

Starting next week with the assistance of junior high reporters there will be a brief account of the games and announcements of coming games.

## Swivel Type Front Seats On New Dodge

DETROIT — Driver comfort, convenience and control features including swing-out, swivel seats—highlight the 1959 Dodge, while jet-age refinements of the dark look, create a new and distinctive exterior design.

The swivel-type front seats, and instrument panel concentrated more closely around a new "easier-to-get-by" steering wheel, plus push button control of virtually all drive operations, head the list of 1959 advancements inside the new cars.

New styling treatment of both front and rear, side and roof, and sharply defined, canted rear fins introduce a dramatically new concept of styling.

Oct. 10 has been set as the tentative date for the new models to go on display in dealer showrooms across the country, according to M. C. Patterson, Dodge general manager. One of the new models will be shown at Mayo Motor Co. in Floydada.

## Rainers on Road To Recovery; Are Grateful to All

Mrs. Reamer Rainer of Floydada and her daughter, Mrs. Bob Kinchloe of Lubbock have returned to their respective homes after spending some two weeks in Midland Hospital at Enid, Okla.

Mrs. Rainer and her daughter in company with her husband and two younger daughters received injuries in a car accident near the city. Mr. Rainer, who sustained serious injuries, was reported by the family to be doing nicely, however it probably will be two months before he will be able to be moved to a hospital closer to home.

The Rainer family wish to thank all their friends and relatives who have stood by them and helped in every way. The gifts, flowers and cards helped greatly. Mrs. Rainer said the gift of money collected by the City of Floydada and the Sand Hill Store, also was received gratefully, she said.

## Truck Overtakes But Lady Driver Escapes

Mrs. Jewel Washburn, wife of Dar Washburn, is recuperating this week at her home after being involved in a truck accident near Del Rio last week.

Mrs. Washburn drives a truck for Grundy Iron and Metal. She was enroute to Eagle Pass with her husband driving another truck when the mishap occurred.

The 1958 Chevrolet Mrs. Washburn's was driving left the road on a curve and turned over, causing total damage to the body of the cab and trailer. Mrs. Washburn received cuts and bruises but was not hospitalized.

## Sunray Man Is New Member FHS Faculty

J. L. McKinsey of Sunray, has been added to the school faculty at Floydada High School, replacing J. D. Rainer, who accepted the position as industrial art and science teacher.

Mr. McKinsey makes his home in the residence of Mrs. W. C. Sims His mother and a sister live at Sunray. He was formerly a substitute teacher, and served with the armed forces and with an oil company before completing for his teaching degree.

## Jr. High PTSA Begins School Year Meetings

Mr. and Mrs. John Reue, president and co-president, presided at the first session of the Floydada Junior-Association Monday night for this school year.

Those present heard Mrs. Maurice Jones and Coach Pete Fuglaar explain the physical education program of the school. Dickie Watson, Darryl Lindsey, and Denny King, captains of the football squad, helped the coach in his demonstration of football equipment and strategy being used this year.

John Reue told of a plan materializing to recognize achievements of the students in various subjects and fields in the school, giving a merit certificate and placing a book in the school library in honor of the student with the highest rating. The group voted to sponsor the project with details to be worked out by the faculty.

A membership drive for the PTSA is being conducted and will continue only through this week.

Refreshments were served to a large group of parents, teachers and students, by officers of the PTSA, who were in charge of the social hour. Officers include Mr. and Mrs. Reue, Mrs. Tom Porter, 1st vice president and co-ordinator, 8th grade; Mrs. W. L. Davis, 2nd vice and co-ordinator, 7th grade; 3rd vice and co-ordinator, 6th grade; Mrs. A. L. Wylie Jr., secretary, Mrs. S. E. Sparks, and treasurer, Mrs. Jack Kassahn.

The next meeting will be on Dec. 1

## Revival Declared Success at Bible Baptist Church

The Bible Baptist Church reports having one of the best revivals ever witnessed.

"We had visitors from all over Floydada, and other near-by towns," said Pastor Rhine.

The pastor brought very straight forward Bible messages and we saw some great results from them, the church reports.

"We had at least 100 different visitors in the week's revival. We want to say thanks to all that helped to make these services a success."

"The Bible Baptist Church wants to extend to each and every one a cordial invitation to come be in their regular services."

Pastor Rhine is speaking on "The Church" on Wednesday nights for awhile. So, we invite all our friends and neighbors to attend."

## Aubrey Holt New Tech Exes Head

The Floyd County Texas Tech Ex's Association met Friday night after the football game in the Golden Cafe at Lockney. Some thirty members were present and enjoyed refreshments following a business session. J. S. Hale Jr., outgoing president, presided.

Aubrey Holt of Lockney was elected new president of the association with Sammy Hale, Floydada, elected a vice-president, and Mrs. Aubrey Holt, Lockney, secretary-treasurer.

Mrs. Risinger Is Buried at Altus

Mrs. Nancy Alma Risinger of 229 W. California St., passed at 8:30 Thursday morning after being ill for some time.

Funeral rites were conducted at 10 o'clock Saturday morning in Harmon Funeral Chapel with Elder Williams Fox of the Amarillo Primitive Baptist Minister officiating.

Mrs. Risinger had made her home in an apartment at the home of Mrs. Abigail Elza.

Born Nancy Alma Holligan on Nov. 30, 1884, in Tyler, Texas, she had lived at her present address for the past four and a half years.

Survivors include two sons, W. C. Risinger, Beulah, and R. L. Risinger, Dallas; one daughter, Mrs. C. M. Hawliger of Floydada, A. P. Hilligan of Tulsa.

Attending graveside rites in Altus, Okla., for the deceased were Elder Charles Jarrett, T. J. Handley, Mrs. Della Taylor, Mr. and Mrs. Leslie Nixon, Mr. and Mrs. Shorty Neff and son, Mrs. R. B. McCravy, and Sharon, Arvin West, Oran Self and children, Mr. and Mrs. L. D. Holligan and Mrs. Abigail Elza.

Mrs. Edmonds Is Nursing Graduate

Mrs. Gene (Dorothy) Edmonds of Floydada is one of six vocational nurses who received diplomas in exercises Thursday night in the High School auditorium at Lockney.

Speaker at the graduation was H. H. Nicholas, superintendent of Lockney schools. Dr. Pat Williams of the hospital staff of that city, gave the invocation, and Dr. W. J. Man gold, chief of staff, presented diplomas.

Graduates will be eligible to take the state examination for vocational nurses and become licensed if they desire.

Mrs. Edmonds was a practicing nurse in Peoples Hospital for some time and still makes her home here with her family.

Kenneth Baker, son of Mr. and Mrs. Earl Baker of Floydada, who is with the Citizen National Bank in Lubbock in the proofing department, was home over the week-end visiting with relatives.

# Jerry Crawford Semi-Finalist In National Merit Competition

Principal A. E. Baker, of Floydada High School, last week announced that one local student has been named a semifinalist in the 1938-39 National Merit Scholarship competition.

He is Jerry Crawford, son of Mr. and Mrs. R. H. Crawford of Dougherty.

scorers in each state, prorated according to state population.

The Semifinalist now face another rigorous three-hour examination, the Scholastic Aptitude Test of the College Entrance Examination Board, which will further substantiate their high scores on the NMSQT.

This second test will be given in testing centers throughout the U.S. on December 6, 1938. Those who repeat their high scores on this second test will become Finalists in the competition.

John M. Stalnaker, President of National Merit Scholarship Corporation which conducts the annual program, predicts that over 95 per cent of the Semifinalists will get past the second hurdle—the December 6th examination—and become Finalists.

"This year our search for talent has been the most extensive we have ever conducted. Nearly one-third of the entire national senior class has been tested. The Finalist group will be composed of youngsters of superb ability. Our goal is to help as many as possible, and through the help of others, make it possible for all of them to enter college next fall," said Mr. Stalnaker.

In the final phase of the competition, high school grades, extra-curricular activities, school citizenship and leadership of the students will be evaluated, along with the scores on the tests.

About May 1, at least 735 fortunate young people will be named the Merit Scholars of 1939.

All Finalists will receive Certificates of Merit attesting to their high ability, and all colleges and universities will be notified, thus enabling these students to be considered for a wide range of other scholarship awards.

Each Merit Scholarship is a four-year award covering the four undergraduate college years, and each award carries a stipend tailored to the need of the individual winner.

The stipends have been averaging about \$500 a year, and maximum awards, for students who have been determined to have no financial need are \$100 a year, and maximum awards, for students who have been determined to have maximum need are \$1,500 a year.

Merit Scholars make their own choice of college and are free to choose any course of study leading to one of the usual baccalaureate degrees.

## Right-of-Way Deeds Ready

Business of getting right-of-way for the new cardinal road system in Floyd County is due to get started now.

Last week-end the engineers had completed writing and checking deeds for the right-of-way on Highway 62 south from Floydada to the Crosby County line. There are 4 tracts on which more or less of a bite will be taken.

Friday the Commissioners Court named J. Sam Hale as appraiser for the county to be paid \$25 per tract. The deeds are in the hands of the county officials.

Sam A. Fowler, resident engineer, said the deeds for the right-of-way on tracts West to the Hale County line are being processed in the district engineer's office, and should be in the hands of the Commissioners Court soon.

## Sand Hill News

(By Mrs. James Jeffress)

SAND HILL, Oct. 6.—Hands are still scarce this week and a lot of defoliating is going on. The combines have been running about a half day so some grain is being cut. Chuck Holmes has begun his lettuce harvest this week and it sure looks pretty.

The Sand Hill Club met Wednesday afternoon at the R. E. A. kitchen. Plans were started for a community Thanksgiving supper some time in November. All annual reports are due at the next meeting.

Mrs. Harry Morckel gave the demonstration on Mexican food and it was reported delicious. Fourteen members were present. The next meeting will be Oct. 15 at the club room. Mrs. Ed Noel was hostess for the afternoon.

Mrs. James Jeffress and children visited in the home of Mrs. Jess Starkey Saturday afternoon. Also visiting was Mrs. Leroy Durham.

Anita Durham was home over the week-end visiting in the home of her parents, Mr. and Mrs. Leroy Durham.

Some enjoying the football game in Lockney from the community Friday night were Bro. and Mrs. Bill Rowland, Mr. and Mrs. T. C. Hollums, Mr. and Mrs. Leroy Durham and Anita and Mr. and Mrs. James Jeffress and family. It was a good game.

Lloyd Cates made a trip to Dallas over the weekend to bring his mother home. Mrs. Cates had been in Dallas visiting relatives the past two weeks.

Mr. and Mrs. Jim Holmes visited in the home of Mr. and Mrs. John Holmes in the Irick Community Friday night.

Sunday guests in the home of Mr. and Mrs. James Jeffress and family were Ross Baird, Mrs. Jim Holmes, Mr. and Mrs. W. R. Billington, Mr. and Mrs. Gene Riddlehuver and family and Bill Riddlehuver of Lubbock.

Mr. and Mrs. W. R. Billington were in Plainview Sunday visiting in the home of their daughter, Mr. and Mrs. Ross Vandell and family. They also visited in the home of her parents, Mr. and Mrs. Glenn.

Sunday dinner guests in the home of Mr. and Mrs. A. V. Wornack were Billie Gail Holmes and Mr. and Mrs. Tom Thomas.

Those on the sick list Sunday were Hollis McLain, Bill Rowland and James Jeffress.

Bro. and Mrs. Bill Rowland were dinner guests in the home of Mr. and Mrs. Dale Stringer Sunday.

## New Chevrolet Will Be Shown Next Thursday

DETROIT — The 1939 Chevrolets dramatically restyled and boasting an array of mechanical improvements, will go on public display at Oden Chevrolet Co. showroom here Thursday morning, October 16.

As is customary with the company the presentation here against a festive background of decorations will be held simultaneously with the introductions at other retail locations across the country.

Advance word from Detroit describes them as "the most unusual in company experience." The passenger body carries a unique design and the cars will reportedly incorporate equally as progressive refinements in the chassis.

Representative model of the passenger car line and the 1939 lineup of commercial vehicles are slated for the exhibition here. The "formal" announcement period will continue through the remainder of the week.

According to Chevrolet, a revision in series identification is planned for the passenger cars. The Impalas introduced with meteoric sales results as part of the Bel Air family a year ago, have been expanded into a complete series. Other models making their debuts will be new Bel Airs, Biscaynes and Station Wagons.

Chevrolet will bring its new models in the wake of an extensive promotion and advertising campaign. The newspaper schedule alone cover 7,500 dailies and weeklies.

## Nominal Values In Building Permits

Nominal values are represented in building permits issued by the city totaling \$47,350 in the months of July, August and September. They include:

Permits issued in the previous six months January to June represent a total of \$53,800.

## SGT. GOODMAN RETURNS AFTER A YEAR OVERSEAS

Sgt. T. C. Goodman is home after spending a year's tour of duty overseas. Goodman arrived in Amarillo last week and was met here by his wife and children, after landing earlier in the week on the coast of California.

The sergeant was stationed more recently in Vietnam and his new post will be at El Paso, Tex., where he and his wife are this week house hunting.

Mr. and Mrs. L. H. Dorrell have left Floydada for Port Aransas where they plan to make their winter home. Their son, Layton of Lubbock, drove his parents down over the week-end.

## Mrs. Teague New Supt. at People's

Mrs. Jewel Teague is the new superintendent of nurses at People's Hospital, it is announced.

She assumed the duties at the new post last week after the closing of Pitts Hospital, where she had been employed for several years.

Mrs. Teague succeeds Mrs. Ver's McKay who has been with People's Hospital for six years.

Mrs. Joe March has been installed as cashier and office manager.

Announcement was made by Menard Field that the board of trustees in the market for a business manager. The board in successive meetings has been in touch with both short term and long term credit men who indicate they will "go along" with the management if it gives evidence of good business methods, he said.

Current debts are pressing but the board finds most of the creditors are inclined to be lenient.

The board is operating under pressure to meet terms of a deferred judgment foreclosing a mortgage debt of \$11,500 held by an insurance company.

## 23 Boys and Girls Get Citizen of the Month Awards at A. Ward

Twenty-three boys and girls received certificates of award this week following their election on Sept. 30th as "Citizens of the Month."

Named at Andrews Ward School for September were Kelly Smitherman, I-A, Kim Hinsley, I-B, Lane Reece, I-C, Jill Bertrand, I-D, Evv Hernandez, I-E, Susan Hagood, 2-A, Sara Stanforth, 2-B, Janie Hinkle 2-C, Kelly Becker, 2-D, Tommy Gregory, 3-A, Charlotte Henry, 3-B, Chico Hernandez, 3-C, Sue Wigham 3-D, Ricky Field, 4-A.

Evelyn Ann Patrick, 4-B, Linda Wilson and Sue Foster tied in 4-C Patty Dempsey, 4-D, Jancy Guinn, 5-A, Marc King, 5-B, Joel Noel, 5-C and Duane Webb, 5-D.

These students were elected by their classmates with the guidance of their teachers because they had shown respect for authority, consideration, courtesy in speech and action, accepting responsibility, self discipline and cleanliness above the average.

"The PTA is pleased to have a part in encouraging good habits and citizenship in our school and community," Mrs. Kinder Farris, citizenship chairman said.

"Also we appreciate the cooperation already evident from the parents as they are helping their children aim for the good citizen award." The next election will be Oct. 31.

Mrs. R. F. Hall returned home Friday after spending several days in Amarillo at the home of her son, Tom and family. While she was there, Tom underwent surgery in St. Anthony Hospital, is home now and doing nicely, Mrs. Hall said.

ANTARCTICA (FHTNC) — Greeting to meet U. S. Navy personnel returning to "Operation Deepfreeze IV". With the Antarctica operation.

## New Cafe Will Be Fire-Proof

Stainless Steel and formica will be used on the interior of the new cafe being erected on East Houston Street and which will be known as Rogers Cafe.

Walls of the building in the east 600 block of the highway street have been up and waiting for the steel for two weeks or more.

Receipt of the steel for the new structure the first of the week gave the green signal for renewed activity.

Menard Field, who has general supervision of construction, said the new restaurant will be fireproof.

## BIBLE BAPTIST CHURCH OF FLOYDADA

REVIVAL RESULTS: 9 conversions and 13 additions. About 100 different visitors attended this Revival.

You have heard of an old time Revival. We of the Bible Baptist Church witnessed one this past week. Many of our people and also our visitors said it was the best Revival they had ever attended. We had some old time shouting at least 2 nights. Sunday night we had an old time testimony service where all the people do a little preaching, so to speak, and Bro. Rhine didn't try to preach after that but just gave the invitation and here was one grown man saved with two (2) new families coming into the fellowship of the Church. We had two (2) new families coming into the fellowship of the Church and she said she didn't know there were any old time Baptist Churches like this one anymore where the preacher preached like in the old brush arbor days. You certainly missed a blessing if you did not attend this Revival, but you can still attend on each Wednesday night and each Sunday and receive about the same spiritual blessing. We are bringing a series of messages on "The Church that Jesus built and not man" in our Wednesday evening services. Come and see how the Lord is blessing this Church.

## Walls Is Given Contest Award

Doyle Walls, the Oden Chevrolet Company car salesman who won the \$10,000 award in a company-sponsored nationwide contest, returned home last week from Oklahoma City, where he was handed the third prize check by the company zone manager, Rufus Bedford.

The occasion was the advance showing of the 1939 models of the Chevrolet which will be on display in dealer showrooms on October 16. More than 700 dealers and salesmen including Conner Oden of the Floydada agency, witnessed the presentation at the City Auditorium.

The contest was based on the salesman's study of points which appeal to the public in the purchase of a new car.

One other salesman in the High Plains of Texas fared well in the contest. He was Clarence Veazy of the Hereford Chevrolet agency, who won a \$3,200 prize.

Pvt. and Mrs. Connie Bearden were week-end visitors in the Floydada area spending most of their time with their parents, Mr. and Mrs. O. L. Bearden and Mr. and Mrs. R. E. Irby. The Connie Bearden is making their home in San Antonio where he is stationed with the Army.

and the upsurge in construction of additional grain storage facilities over the state.

A total of 691 warehouses have been licensed by the Texas Department of Agriculture in the first months of the current licensing year which began June 1. This compares with only 589 licenses issued during the entire 1957-58 period and 200 licenses for the first year the Texas Grain Warehouse Law became effective in 1953.

Storage space has always been scarce during harvest, resulting in millions of bushels of grain being poured on the ground at a great risk to owners. Licensed Texas warehouses to date a capacity of 322,460,671 bushels and more space is needed for the coming season.

Preliminary estimates show a harvest of 427,966,400 bushels of grain this year, most of which will require storage for varying periods of time. To meet this demand, the number of licensed warehouses in the state will likely increase to about 775 before the year's end, upping our storage space to over 400 million bushels.

The big boom for grain sorghum

**News of Harmony**

(By Mrs. Chlora Williams)

HARMONY, Oct. 6 — Another foggy damp morning! Seems like all the mornings last week were cloudy and wet. Too much moisture to pull cotton or thresh grain; but when old Sol comes out, everyone gets busy as bees. (that is the farmer. His wife is busy all the time regardless of the weather conditions). First one farmer goes to the field; another sees him and decides he had better go too. On and on it goes and before long, tractors, combines, trucks, pickups, trailers and machinery of all kinds are set in motion. Each one makes that first load and one after the other they hear, "too wet," but still they keep trying.

It reminds me of Goldilocks and the bears' soup. They just keep tasting until it is all gone but every one still remembers how the major portion of the grain crop fell to the ground last year and the low, low, graded cotton. Another year like that would be too much for some operators to handle. There might not be those often used words as far as the farmer is concerned "next year." We are fortunate in this part of the country because we live in an agricultural area and the town people understand and recognize our problems as well as the farmer.

Rev. and Mrs. J. W. Read were guests for dinner and supper in the Mather Carr home Sunday. Bro Read filled both appointments, morning and evening, at the chapel. A church conference was held immediately after the evening service. The church roll was gone over and revised. There are 39 names on the church roll at present. There were 20 present Sunday morning. Are you one of the thirty-nine who took the vows of the church and promised to uphold the church with your prayers, your presence and your offering? Are we doing the best we can toward our church? This is a question each one of us needs to ask ourselves. I am sure that for most of us the answer would be no.

Chlora Williams was elected delegate to the District Conference at Oilton, which will be December 5th. Marvin Smith was elected alternate.

Several ladies of the local WSCS met for the inspiring meeting in Floydada First Methodist Church Thursday of last week. The new sanctuary afforded such a beautiful place for the inspiring meeting.

Mrs. E. T. Pittard, president of the Northwest Texas Conference of the WSCS, gave the main address of the morning. Her message "What does The Lord Here," was inspirational. Ladies from Carr's Chapel attending were Mrs. Mather Carr, M. D. Ramsey, Marvin Smith, Joyce Davis, and Mrs. Chlora Williams.

The Home Demonstration Club met Thursday of last week to make up the meeting of September that was called because of rain. Pollyannas were revealed and names for the Christmas party were drawn. Mrs. Olen Baird was hostess, and Mrs. Roy Hale had charge of the program.

Several from the community attended the Panhandle-South Plains Fair in Lubbock the past week.

Mr. and Mrs. Bill Tucker took their son, Ronnie, back to the foot specialist in Lubbock Saturday and he was dismissed. Ronnie has been having foot trouble for some time, but the doctor thinks it is corrected now. Pat Tucker spent Saturday with Sue Williams.

Mr. and Mrs. R. B. Gary left Saturday by train for Omaha, Neb., where they will visit their daughter and family, the Loyce Turners. The Garys plan to be gone some two weeks.

Rev. and Mrs. J. W. Read left Monday morning for Bentonville, Ark., where they will visit relatives.

Mrs. Carrick Snodgrass took her mother, Mrs. V. M. Manning of Petersburg to Oklahoma City last Wednesday for a check up with a doctor.

Mr. and Mrs. M. D. Ramsey visited their daughter and family, the Raymond Williams Sunday afternoon.

Mr. and Mrs. Everett Miller and Mrs. G. L. Snodgrass visited Oliver Gross and family of Belleview, Sunday. The Gross' were injured in a car accident several days ago as they were returning home from the funeral of a relative in New Mexico. A truck pulled on to the highway in front of the Gross car and they collided. The gas tank on the truck burst and the truck and car were both burned. Mrs. Gross was hospitalized several days with an injured knee but is improving satisfactorily now. Both received cuts and bruises.

Mr. and Mrs. Bill Tucker and family visited in Hart Sunday with Mr. and Mrs. Waymon Foster and family.

Mr. and Mrs. Mather Carr and Horace visited the Everett Millers Sunday night after church.

Mr. and Mrs. Glen Amburn and Jay are in Fort Worth this week where Glen is attending the convention of the Texas Association of Broadcasters. Mrs. Amburn is visiting with her parents, Mr. and Mrs. Arthur Beedy. The family is due home this mid-week.

Mr. and Mrs. Carl Lee Banks and son of Amarillo spent the week-end here with his mother, Mrs. Bessie Banks and Sunday enjoyed a dinner in her home. Other guests included Mrs. Charlie Warren and family

**District WSCS Sessions Held Here Thursday**

The First Methodist Church was host Thursday for the District meeting of the Women Society of Christian Service at which the district president, Mrs. R. L. Little of Hale Center, presided.

One hundred and fifteen registered for the all-day affair beginning at 9:30 a. m. The session convened at 10 o'clock with a lunch served at the noon hour in Fellowship Hall.

Mrs. E. T. Pittard, conference president from Anson, gave the main address, "What Does The Lord Here?" Mrs. J. D. Webb sang special music, accompanied at the piano by Mrs. G. R. May.

Assisting with hospitalities were Mrs. Jimmy Willson, Mrs. Cecil Lewis, Mrs. C. B. Lyles, Mrs. J. M. Willson, Mrs. DeWitt Seago and Mrs. Howard Gregory, table committee.

**News of Dougherty**

(By Mrs. J. W. Ross)

DOUGHERTY, Oct. 6 — The grain harvest is in full swing and large quantities are moving to the elevators.

Cotton harvest is under way. However, all harvest operations have been slowed by weather conditions.

Charlie Woodson has been transferred from the Methodist Memorial Hospital at Lubbock to the Peoples Hospital at Floydada. His condition is very critical.

Misses Barbara Marshall of Lubbock and Myrna Marshall of Plains were guests in the home of their grandparents, Mr. and Mrs. S. M. Crawford during the week-end. Sunday afternoon this group visited in the R. H. Crawford home.

Mr. and Mrs. A. C. Pratt and Robert Overstreet were Sunday dinner guests of the R. H. Crawford family.

Mr. and Mrs. Harlan Cage and family visited relatives at Hereford Sunday.

Mr. and Mrs. G. C. Tiner visited in Lubbock Saturday and Sunday. Jim Powell has returned from

**Good Reason Why.** Local and migrant laborers who complain that the Mexican Nationals are getting jobs they ought to have could more readily understand why farm operators like the Old Mexico worker, here on contract, if they'd see the "Green Cards." The foreigners seem to be anxious to get a good job done and don't spend too much time worrying about their "rights". The captious home body gets credit for spending too much time trying to tell the owner how he must run his harvest. A sloppy job in the cotton field is one of the results. The home guard better wake up—or think up some way to keep the competition out.

**About The Weather.** As of this moment we have no idea of the probable frost date in Floyd County. The summer weather beforesaid our forecaster. Frost may be at a late date, to which theory we lean, or it may be early as the forecasters seem to be trying to mave it. If having escaped the first rather zippy spell we can bear down on the weather and get it to level off for a time, it would be invaluable to many farmers in getting a bigger per centage of mature cotton. Also it would help late feed get further along. So, on general principles, and a sort of a hunch, we set first frost date at November 1, and urge all friends of Floyd County farmers to rally round. Meanwhile, keep in mind the Weather Bureau and the Air Force have got the Jet Stream by the tail and they like to prank around.

**One year that** is marked down on the calendars of old-timers, a year back in the days before too many fences were built and the canyons had not made up their minds where to make the main course of their streams, one year away back there the kids are said to have gone home from their pioneer Christmas programs in snow and sleet the first freeze of the season. One would assume there will be another such. What has been can be.

**They're Making Speed.** When one is used to seeing an October promise develop into February delivery on a building job, it is heartening to see construction that is making speed despite days and days of lost time due to the weather. Out at the grounds, where Panhandle Compress & Warehouse Compress promises to have a warehouse property ready to receive cotton on short notice, they've really made the time. Hundreds of yards of dirt and caliche have been moved, thousands of feet of black top have been laid, a water tank has been put into the air, lumber is all cut for huge cotton warehouses, yards and yards of concrete platform laid, et cetera, et cetera. Lots of work yet to be done, but that gives you an idea. As long as one stays out of the way they apparently do not mind a "curbstone superintendent." You might enjoy a few minutes of looking on.

**The Mighty Brazos.** The Rio Grande was on one of its semi-occasional tears last week. It destroyed quite a bit of valuable crops, did damage to homes and made a problem for the irrigation farmers whose ditches and

dikes were destroyed or damaged. But the Rio Grande which took out 10 or 15-thousand bales of cotton and other crops in proportion, could learn a lesson from the Brazos, which puts on a really king size rampage, and does it much more often than the Rio Grande.

Actually, the Brazos heads up close to Melrose in New Mexico. On a certain farm southeast of that little New Mexico city the owner can stand on a little knoll, turn south and spit in the Brazos, turn the other way and spit in the Red. But for practical purposes the Brazos does not actually begin until it gets into Texas. It stretches 1,210 river miles, airline 640 miles. In that distance it falls 4,375 feet. It gathers an average of six million acre feet of water in the main stream. Only one-fourth of this is actually made use of.

Something more than half of the area of Floyd County is in the Brazos watershed, the northeast third is in the Red River's drainage area. Some of these days all the rivers of Texas will be harnessed. Except for the Colorado, the Brazos master plan is most nearly outlined. Already two big dams are built and one other building. The completed picture envisions 20 more. Cities and towns on the upper reaches, like Floydada, are not taken into consideration as needing a dam or dams. Dams like that being negotiated for water supply for Crosbyton, Balls, Spur and Post, on White River are in the category of "local entities that seek to build smaller reservoirs." When found to be economically feasible they will get active help of the Brazos River Authority, which is the grandfather of the whole offspring, under Texas statute.

**Hurray For The Cattlemen.** One good thing about the cattlemen refusing to accept government support's back in the days three or four years ago when cattlemen were "busting out" in droves. They are back in clover once again and nobody telling them how to run their business. As a Republican candidate put it: "If we had accepted supports, then we would have had to accept allotments. If we had allotments there'd be another hundred people in my district working for the federal government—out there checking to see if we had too many cows."

**Be Our Guest.** — An editor died after a lingering illness. His sayings barely covered funeral and doctor bills, leaving nothing for funeral expenses. A friend, after soliciting funds all day, lacked only \$1 of having enough. Wearily, he said to a stranger, "Could you give me a dollar to bury an editor?" The stranger pulled out a \$5 bill, and said, "Here—bury five of them."—Anon.

Respectable men and women content with the good and easy living are missing some of the most important things in life. Unless you give yourself to some great cause you haven't even begun to live.

## Floyd County 14 Years Ago

(Hesperian, Oct. 12, 1944)  
Charles Ray, son of Chester Ray of Amarillo, formerly of Dougherty, has been injured and is in a hospital somewhere in France. Charles was injured in a fall and not in battle, relatives here were told.

PFC Warren E. Goodgoon, who is with the infantry of the 8th Army in Italy, and wounded there on Sept. 12, is recovering from his wounds, his Floydada relatives have learned.

Sgt. Ray Coleman, wounded in France in early September, has been returned to the states for treatment and is home on leave from Army Hospital at Longview. Sgt. Coleman is the son of Mrs. Ola Jester and a brother of Mrs. Les Ewing and Mrs. Earl Switzer. His injuries will keep him on the non-combat list for several months.

Mr. and Mrs. Omer Parrish have received word that their son, Sgt. Carl R. Parrish, has landed safely in New Guinea with an army ground crew mechanics corps.

PFC Roy E. Baker, USMCR, was killed in action recently somewhere in the South Pacific, according to a telegram received in Floydada by his wife, Mrs. Baker, who teaches and her husband were both reared at Floydada. Mrs. Baker is the daughter of Mr. and Mrs. Walter Marler, who make their home in Floydada. Mrs. L. D. Gilbert is a sister of the deceased marine.

News that Pvt. Morris A. Powell of the medical corps, U. S. Army, in the European Theatre of operation has been awarded the Silver Star, was received this week by The Hesperian from Army public relations. Pvt. Powell's wife and parents make their home in the Mt. Blanco community. His parents are Mr. and Mrs. H. A. Powell. Parnell is his brother.

Lt. Bob H. Sisson, son of J.D. Sisson, has been awarded an Oak Leaf cluster to the Air medal at his station with the Tenth Air Force in India. Sisson is a pilot on a B-24 Liberator.

# Gelatin-Like Substance in Some Irrigation Wells

High Plains Under Conservation District farmers have discovered a gelatin-like substance in their irrigation wells.

The Water District further reports that a meeting will be held in the very near future to discuss plans for launching a large-scale research program. Research is needed to formulate recommendations for treatment of wells that are now contaminated and for prevention of the growth in wells not yet contaminated.

Anyone who discovers a foreign substance in his well or pump, or who notices alien matter suspended in his well water can assist in the research program by contacting the High Plains Water District at 1623-B 15th Street in Lubbock.

Dr. J. K. G. Sill, of the Department of the Southern High Plains reporting that

the substance has been observed. Included are the Lockney, Tulla Slaton, Tahoka, Levelland and Springlake areas. Also the growth has been noted in central Farmer County and in southern Bailey County.

The NHA will sponsor many activities of community interest for this school year.

the third waiting winner, a "lifetime in Texas."

Thornton must have got the first prize for he left for his Arizona home after a few days. We met Frank Beddingfield at the reunion. He once lived here, married here and left with his family for more Western horizons. He must have had the first prize from his state for a week in Texas for when I asked him to come, by to see us, he said if he was able to drive the next morning. He was so worn out with so much going, even tho' it had been a great pleasure, he was heading west for Magdalena, N. Mex., bright and early the next morning. Wonder what the fellow did who got the third prize, "a life time in Texas?"

Mrs. Mary Alice Wilson looked so sweet and peaceful surrounded by many lovely flowers, but what impressed me most was her folded hands. I stood there and looked at them and the memory of an old song my father sang so much came to me.

My mother's own hands, her beautiful hands, They neither were white or small, And loveliest hands of them all. How still they were! How very busy they had always been. They had cooked, washed and ironed for her family, they had tucked them in bed after dirty feet had been washed by her. They had even made the quilts spread over the sleeping family, the clothes they wore. The hands she bathed feverish brows with cold water she had carried from the windmill, they had held frightened little children close while she sang quieting songs and lullabies.

These quietly folded hands had comforted and worked for the children after they were grown they had helped her husband at his last illness and gently stroked his forehead as he lay so still at rest. Now their work was finished and I am sure her heavenly Father which she had served with these same hands, said to her, "Well done. Welcome home."

And another friend has passed on after years and years of loving service to her family, her friends and her God whom she loved. Mrs. P. D. Bartley of Cone, Texas, is no more in our midst. But her memory will linger on. We will see her in our mind, going across the street to visit to buy, or to get her mail. We will see her in the Baptist Church and the other churches at Cone, and hear her sweet alto voice mingling in the good old songs. We will feel her friendly hand clasp, hear her ever-ready laugh, and we wipe away our tears for

Sleep on beloved, sleep, and take thy rest; Lay down thy head upon thy Savior's breast; We love thee well, but Jesus loves thee best—Goodnight!

## Center News

(By Mrs. J. E. Green)

CENTER, Oct. 6 — After the last week's cold damp weather today is warm and sunny-regular "October's bright blue weather." Cotton pickers are this afternoon "making hay while the sun shines."

No church at Center Sunday, but hope to have preaching next Sunday. Some went to church elsewhere. Let us hurry and get a pastor part time if necessary.

Mr. and Mrs. James Davis Welborn and daughter of Canyon visited Sunday in the home of his parents, the J. D. Welborns.

Margaret Dunn of Lubbock visited over the week-end with her home folks, the Frank Dunks. The family took her back to Lubbock Sunday afternoon and visited their son and family, Mr. and Mrs. Jimmy Dunn and girls.

The J. E. Givens went to Plainview Saturday where they visited awhile with their son and family, the Victor Givens. The Givens visited the D. I. Holdings Tuesday evening.

Mr. and Mrs. C. W. Denison were in Lubbock last Wednesday where they visited with their son, Gilmer and family.

Mrs. Denison accompanied Mrs. Fullerton to Lubbock Thursday. Mrs. Denison was among the crowd of sight seers on the beautiful homes tour of Floydada on Sunday afternoon.

Mr. and Mrs. H. B. Mankins spent Thursday with Mr. and Mrs. R. C. Ross.

Mr. and Mrs. Welborn Miller and children, accompanied by Joann Welborn, attended the South Plains Fair at Lubbock Saturday.

Mrs. W. M. Jackson is visiting down state in the home of a daughter.

Come to church Sunday.

Mr. and Mrs. Larry Glassmoyer and Mr. and Mrs. Ott Glassmoyer returned last week after a vacation trip spent in Colorado. The Larry Glassmoysers visited at Lake City, where his parents were vacationing and then on to Colorado Springs for a few days. Ott and his wife have been gone about three weeks enjoying leisure and fishing at Lake City.

Children visiting in the home of Mr. and Mrs. W. H. Foster over the week-end were J. C. Havron, son-in-law of Chickasha, Okla., Mr. and Mrs. Clyde Foster and daughter, Linda of Portales, N. Mex., Mr. and Mrs. Elwood Walters of Plainview. Others visitors in the home were Bob Calhoun of Ft. Worth, Tex., and Mrs. V. W. Hennessee and Mrs. W. C. Wright.

**Teach Children Fire Safety Early!**

Children should be taught at an early age to respect fire not fear it. They should be made aware of its uses and benefits, and also its dangers. They should be urged to cooperate in the family job of fire prevention. Remember, children, like adults must be taught fire safety. Their lives depend on you!

## As A Farm Woman Thinks

(Nellie Witt Spikes)

If you who read this newspaper have been as busy as I have been the last several weeks, you may not have missed this column. This morning I find no more canning to do until it is time to make the chow-chow. A good watermelon rind may tempt me to make more luscious preserves but I will try to put away the temptations. Anyway the jars are all filled.

The rain came and I do not have to take time to water the greens and a fine crop of late pinto beans. Four or five figs have ripened on our bushes and if frost stays off late we will get the pleasure of eating figs off our own trees.

These were given us by the Lige Tarleton's and they also let us come and gather figs from their trees for our preserving, and thanks a million good friends for them. Some varieties of figs do not make it here, but these two varieties, the names I do not know, make it just fine.

When we made the trip to Prairie Dog Town Fork of the Red River we went on to Quitaque. We saw a road runner or chaparral, sitting on the sign which read: No Hunting.

Some old sayings: My day's work is cut out. I have to make every lick count. So I lit in and got it all done by sundown. I sure got a good scald on the preserves I made today.

Why don't you write me some of your old sayings? Thanks

In regard to the old saying about horses, John Shipley gave me this one: One white foot, buy him—Two white feet, try him—Three white feet, watch him—Four white feet, let him go.

Thornton Jones of Phoenix, Ariz., brought his sister, Mrs. Rosa Turner of Flomot, Texas, to see us recently when he was here for the Old Settler's. He told us this funny story:

A big contest was taking place in a state not far from Texas, big prizes were to be given, the nature not given out. When the contest ants stood up to receive their big prize the M. C. said, "The first prize is one week in Texas; the second prize is two weeks in Texas and the third," Thornton laughed and laughed, then said the M. C. gave

SAN DIEGO, Calif. —C. O. Willis, damage controlman, second class USN, son of Mr. and Mrs. C. O. Willis of Lockney, Tex., and husband of Mrs. Marilyn E. Willis of China Lake, Calif., returned to San Diego, Calif., Sept. 28, aboard the destroyer USS McDermott after a seven-month tour of duty in the Far East.

Mrs. H. D. Meredith of the Hillcrest community, is home from the Lockney Hospital. Her mother, Mrs. Goodman of Amarillo, who has been in her daughter's home since her illness began said Mrs. Meredith is doing fairly well, but is still rather weak. Mrs. Meredith has been fighting a stubborn case of pneumonia and a set-back for the past month.

Mrs. Morgan Wright spent the week-end in Lubbock visiting with her son, Clyde and family, who returned her home by car Sunday.

**ELECTRICAL SAFETY TIPS FOR NATIONAL FIRE PREVENTION WEEK**

October 5 to 11th

Permanent wiring, installed according to the National Electric Code and properly fused is safe from fire hazards, although frequently fires are caused on "defective wiring" simply because no other origin is apparent. When a fire is traceable to electric causes, is usually due to an improper installation and subsequent neglect or to misuse of electricity or electrical equipment.

- Follow These Safety Suggestions**
1. Have your wiring inspected to see that it conforms with the National Electric Code, the City Code, or other recognized safety standards. Detect any hazardous conditions.
  2. Specify code requirements when making additions, alterations, or repairs to your wiring.
  3. Deal only with a capable, experienced electrician. Do not entrust the safety of an inexperienced "handy man" or the safety of the job may be impaired.
  4. Never use a penny or a substitute for a fuse. Fuses are current limiting devices, designed to cut off current before damage can result if short circuit or overload causes wires to overheat. Pennies or fuses that are too large may allow wires to become hot enough to ignite insulation, possibly causing a fire. The right size of fuse for most branch circuits is 15 amperes.
  5. Use only appliance cords bearing label of the Underwriters Laboratories which signifies compliance with rigid safety standards. Do not drive nails or tacks through cords, place them under rugs or in contact with radiators or other heat sources.
  6. Use only asbestos covered cords with heating appliances.
  7. Always disconnect an iron (especially a non-automatic) if you leave it standing on ironing board while you answer phone or doorbell.
  8. Never put away an iron or other heating appliance until cool.

**FIRE PREVENTION IS AN IMPORTANT CONCERN ON THE FARM!**

We don't have to tell you the extensive and expensive damage a bad fire can create! Unfortunately, a tremendous percentage of farm-fires are attributed to "unknown causes." But you can help prevent fire disaster like this on your farm! CHECK: your electrical system... farm machinery... paint and fuel products... matches, open fires, stoves... lighting hazards and spontaneous-ignition hazards. **DO IT NOW!**

AND CALL US ABOUT COMPLETE FIRE-INSURANCE COVERAGE!

**BROWN-HOLMES**

**Avoid Fires USE ELECTRICITY**

and Make Every Week in the Year Fire Prevention Week

**Observe These Simple Safety Rules:**

- 1—Fuses are for your protection—under no circumstances place pennies behind fuses.
- 2—Do not place cords in door jams. Squeezing like this breaks the protective coverings.
- 3—Cords should never be run over radiators or steam pipes. Insist on approved cords made for use in damp places, where contact with metal is likely to occur.
- 4—Never run cords under rugs. They become worn quickly and you are not aware of their condition.
- 5—Never leave heating appliances connected when not in use. Fires too frequently are caused in this way.
- 6—Do not disconnect appliances by pulling on the cord. This disconnects the cord from the plug and frequently causes trouble.
- 7—Cords should never be used as substitutes for permanent and properly installed wiring. Have an experienced electrician check the "load" on each outlet. Overloading may cause a serious fire.
- 8—Cords should be examined regularly. Worn out cords should be replaced immediately to prevent short circuits. Insist on approved labeled cord with appliances, lamps and cord attachments. They wear longer and are safe.
- 10—Be sure to have all electrical repairs and wiring made by competent electrical contractors.

## 'Winds Squeek By Longhorns 12-6 To Remain Undefeated

The crippled Floydada Whirlwinds scored once in the first quarter, once in the second and then held on by their teeth to take a tight 12-6 victory over the Lockney Longhorns. Lockney's lone score came in the first period but they threatened twice more before the game ended. The contest was staged Friday night on Mitchell - Zimmerman Field.

The closely contested ball game saw Floydada rack up 11 first downs, make three penetrations, 124 net yards rushing and 58 yards passing. For Lockney it was all a running game as the Longhorns made 142 on the ground pounding out 10 first downs. Floydada was penalized 25 yards and Lockney 32 in the game.

For the most part the battle between Floyd county teams was a dull defensive duel with most of the gains of the 2 and 3 yard variety or rugged line plays. Blocking was only fair and razzle dazzle was almost non-existent.

Only bright spot in the offense as far as Floydada was concerned, was the performance of Freshman quarterback Rodney Teague who acted very cool under fire though he was being rushed most of the night. Teague gained a net of 33 yards or rushing plays and passed for 50 yards in the game. He was playing for injured qb Don Vickers.

Bill Race was big gun for Lockney making two thirds of the team's yardage and turning in a fine game. Griffith and Brock were outstanding on defense for the Lockney team.

Floydada was suffering on both offense and defense from injuries and sickness. Don Vickers did not suit out for the contest and his running and passing had been the big part of the Floydada scoring punch. On defense sickness of several team members hurt badly. Bill Gilliland, a main stay at middle guard, was weakened by a sickness and had to be rested at intervals in order to keep going at all.

Lockney had some injuries too, but seemed to be fired up for the game and to keep the 'Winds reeling till the final whistle.

Most of the offensive action came in the first half. Opening the game Floydada kicked off and then held the Longhorns at their 27, facing a punt.

Race kicked to Bill Patterson on the Floydada 40 and he ran it back to the 46. From here the 'Winds drove in and soon Leon Williams picked up a first on the Lockney nine yard line.

Bill Gilliland made the first TD carrying over from the 4. A pass, Teague to Patterson for the conversion, failed and the Whirlwinds jet 6-0.

Following the Floydada kick-off Lockney started a drive on their 35 and hammered it to a first down on the four before Race scored from the one. Thornton's try at the conversion was short.

Before the period was over Lockney had held the green and white forcing a punt at the 44 yard line which was blocked, and as the quarter ended Lockney owned the ball on the Floydada 30.

This time the Longhorns drove in to the 9 but were held for downs and the 'Winds then brought the ball out to the 35 where they punted to Race on the Longhorn 28.

Lockney was held this time and punted to Williams on the Floydada 30. He punched the ball back four yards.

Floydada moved this time with pass and run and soon owned a first on the Longhorn six. Leon Williams circled his left end for four yards and the counter.

A Teague to King conversion pass went for naught and the score was 12-6.

Danny Shipley intercepted a Lockney pass just before the half and carried it to the Lockney 10. The fading seconds on the clock, however, saw Floydada get a setback and penalty and then connect again back to the 18 before time ran out on them, stifling the opportunity.

The third stanza was all defense with Lockney holding the 'Winds and forcing a punt. Then the Longhorns fumbled and Richard Graves recovered on the Floydada 37 to stop the drive. Then Floydada saw their second punt blocked with the Longhorns taking over on the Floydada 28.

Lockney could not make first down, yardage however, and Floydada again owned the ball on the 19 yard line. Neither team could move far and punts were exchanged before the period ended.

The final stanza saw Floydada held twice and forced to punt, while Lockney playing catch-up went for yardage and lost the ball twice on fourth down.

In the last drive of the game the green and white held and took over on their 45. An 18 yard run by Teague gave the 'Winds a new lease and the clock ran out with Floydada in possession in Lockney territory.

TEXAS PRESS ASSOCIATION

and out of the flow many of the issues of the year's elections. George Parr, a familiar figure in the courts won the right to a new trial in his effort to be certified winner in a 1956 election for Duval County sheriff.

Laralee Attorney William Wright lost out in an attempt to force Sec'y of State Zelle Steakley to place his name on the general election ballot as a Constitution Party candidate for district judge. Steakley had refused on grounds Wright voted in the Democratic primary.

Myron Love, choice of Houston liberals, won out in a dispute over the legality of his selection as Democratic nominee for district judge Harris County Executive Committee had ruled that no candidate filed in time for this office, and Love was nominated by the one-man District Executive Committee. Conservative forces had contested this method.

**DAMAGE SUITS.** Labor-management controversy also commanded judicial attention. A gas explosion in the basement of Dallas' Baker Hotel, back in 1946, is the basis for one suit in which 83 petitioners ask some \$1,000,000 for deaths and injuries. High court sent it back to district court for new trial.

In Houston 311 workers of the AFL-CIO Office Employees Union picketed a construction project to protest the firing of one man. A lower court granted an injunction against the picketers, and the Supreme Court refused to interfere.

**Better Traveling Days Ahead**—Holding promise of better traveling days ahead is the 1961-62 interstate advance planning program announced by the State Highway Commission.

Commission authorized the preliminary engineering studies for 283 miles of new interstate highways, consisting of 45 projects in 22 counties. Included in the advance planning will be completion of the gaps in the interstate highways between Dallas and Houston, Dallas and Texarkana and from Denton to Fort Worth to Hillsboro.

Cost of the program is forseen as \$36,500,000 for land purchases and \$166,500,000 for construction.

**Water Safety Law Due**—Some 280,000 Texas boat owners will have to obtain licenses for their craft if a proposed Uniform Water Safety Act is enacted by the 1959 Legislature.

Representatives of sportsmen's organizations, trade associations and safety groups drafted the measure. It is to be introduced by Rep. Ber Atwell of Dallas.

State Highway Department would have responsibility for registering boats. Enforcement of safety regulations would be the job of the state's various peace officers and game wardens.

Zoning—the restrictions of skiing, racing, fishing, etc., to various areas—was omitted from the bill.

**Republicans Jockey for Position**—Texas Republicans got no help from Secretary of State Steakley in their efforts to break into the first column on the general election ballot.

In the past the Secretary of State's Office has sent out the list of certified nominees, to counties, with the Democrats listed in the first column. GOP protested, demanded a drawing for position.

Steakley said he was not authorized to set up such a procedure. His office mailed out ballot forms this year, without comment. Democrats were in the first column on the forms.

**Shorts Snorts**—An Austin district court ordered forfeiture of the charter of Walker-Texas Investment Corporation which had refused to allow the Attorney General's staff to inspect its records. Walker-Texas operates five loan firms in Houston. Fall pick-up in Texas business activity may gather momentum, develop into a "decisive break-

**FATHER OF LOCKNEY WOMAN PASSED LAST WEDNESDAY**

Thomas A. Zackery, 57, auto motive supply salesman and father of Ruby Zackery of Lockney, died Wednesday of last week of a heart attack at his home in Plainview.

Zackery was born July 26, 1901 at Kasse and moved to Plainview from Brownfield in 1943. He was a member of the Bethel Baptist Church at Plainview.

Survivors include his wife, three daughters, six brothers, three sisters, and nine grandchildren.

**Attend Brotherhood Convention**

C. C. Kelly of White Deer was elected president, and A. D. Pratt of Lake Jackson, vice president of the Texas Baptist Brotherhood at its 18th annual convention at Dallas last week.

Kelly, 32 year old businessman, is the youngest president in the history of the organization.

Attending the convention from Floydada were Rev. Ed B. Bowles, E. D. Morgan and Parnell Powell.

Mr. and Mrs. John Caspers of Oak Park, Ill., visited here recently and were guests of Mrs. Harry Koenen.

**ATTEND THE STATE FAIR TAKING REST CURE**

Mr. and Mrs. R.E. Fry are due home this mid-week from Dallas and Richardson where they went Saturday to visit with Mrs. Fry's son Billy Henry and family and to attend the State Fair.

Mr. and Mrs. Fry and the Henry family planned to see the Music Man and Tennessee Ernie Ford and Molly Bee while at Dallas. They were guests in the Baker Hotel during their stay.

Mrs. Olive Jordan, teller at the First National Bank, is confined to her home for a little rest. Mrs. Jordan has been under a doctors care for a heart condition.

She is reported to be doing nicely but is on a strict diet and will need a rest before being able to resume her duties.

**Don't be a statistic!**

According to highway safety authorities, most serious automobile accidents happen at night. Poor visibility is an important cause.

Now that the days are getting shorter, it's good idea to make sure that your car's headlights are properly focused and bright enough, that your taillights and turn indicators are functioning properly. Your Phillips 66 dealer will be glad to help you keep the timing equipment on your car in top condition. Also, he has the fuses and sealed-beam bulbs to fit your car.

If you possibly can, try to arrange your schedule so that night-driving is kept to a minimum. When driving is unavoidable, take it easy, and the first time your eyelids get heavy, pull over to the side and get some rest. The safety you save may be your own!

**OLSONS ENJOY WEEK-END VISIT IN ABILENE HOME**

Mr. and Mrs. O. B. Olson spent Saturday and Sunday at Abilene, guests of Mrs. Olson's sister, Mrs. W. W. Middleton and her family. A number of nieces and nephews of the family were present and a small family reunion was enjoyed along with bountiful meals in the Middleton home.

The Olsons and Lynn accompanied a daughter, Mrs. Leroy McDonald of Tulsa, to Abilene.

Mrs. J. D. Colville is in Pampa visiting with Lynn and family. She plans to be gone all of this week and will probably visit with John, another son, who lives at Berger and with relatives at Clarendon, before her return.
