Newly-Wed Couple Are Honored In Muleshoe Affair

Mr. and Mrs. Ernest Carter and son, Mike were in Muleshoe Saturday for "open house" honoring their daughter, the former Vanda Carter and her husband, Keith Buhman.

The affair took place Saturday night in the First Methodist Church. In the receiving line with the couple were their respective parents, Mr. and Mrs. Carter and Mr. and Mrs. Buhman.

Miss Melba Buhman, sister of the bridegroom, registered guests.

The serving table was laid with a pink net cloth over red, centered by a millagean corporate holding a wedding cake, flanked by ice pink chrysanthemums at the base. Cake topped with wedding bells of the same color, ice pink and American Beauty Red, was served along with punch from crystal appointments.

Mr. and Mrs. Buhman are making their home in Lubbock where both are students at Texas Tech.

Mrs. Shipley New Club President

Mrs. D. D. Shipley was installed as president of the Friendship First Noble Grand Club at a meeting held Friday night in Lodge Hall. Members present also enjoyed turkey sandwiches, salad, drinks and fruit cake served by the hostess, Mrs. Jewel Reeves.

Other officers installed included: Mrs. Ora King, vice president, Velma Berry, treasurer, Jane Marquis, reporter, Jewel Reeves, secretary, Essie Conner, chaplain, Dimple McGee, marshal, Carolyn Adams, inside guardian, Mrs. Floyd Webb, instructor, and Ethel Sawyer, musician. Installing officer was Mrs. McGee and installing marshal, Eva Whitfield, Lockney.

Mrs. Floyd Webb, outgoing president of the club, was presented a lovely gift from the members.

Wanda O'Neal, retired Noble Grand of the Rebekahs, was initiated into the club at Friday night's meeting.

Service Guild Has First 1959 Meeting

The first meeting in 1959 of the Wesleyan Service Guild was held in the home of Mrs. H. D. Blood, 2296 South 12th Street, on Wednesday, January 14, at 2:30 p. m.

Mrs. J. D. Colville was leader of the study, "Understanding Other Cultures." Mrs. J. W. Adams and Mrs. J. W. Reue gave chapters one and two of the study.

The worship center, depicting the world covered by greed, prejudice, selfishness, race hatred, thoughtlessness, indifference, ignorance, aggressiveness and misunderstanding, was arranged by Mrs. P. A. Demian.

Mrs. Colville ended the program with a chapter from "At Home in the World," and a devotional.

Those attending were Mesdames: W. O. Baker, Lorin Leibfried, E. E. Wilson, John McKinney, J. D. Colville, J. W. Adams, P. A. Demian, E. F. Gresham, G. M. Armstrong, L. F. Martin, M. L. Solomon, J. W. Reue, J. B. Bishop and the hostess, Mrs. Bloodworth.

Mrs. Floyd Webb, outgoing president of the club, was presented a lovely gift from the members.

DINNER OBSERVES BIRTHDAY

Mrs. C. A. McClure of Crosbyton, present with her husband, was honored last Thursday in the home of her daughter, Mrs. Horace Cage and Mr. Cage, on her 75th birthday with a lovely dinner.

Mr. and Mrs. David Cage and family of Matador were also guests at the luncheon. Many Floydada friends called at the Cage home throughout the day expressing good wishes to Mrs. McClure.

MRS. KOENEN IS HOSTESS AT LUNCHEON ON FRIDAY

Mrs. Harry Koenen was hostess for a luncheon Friday in the Colonial House. Following the luncheon guests enjoyed bingo.

Those present included Mesdames: E. P. Stovall, Geo. V. Smith, Donald H. Pitts, A. B. Keim, R. E. Fry, E. J. Moore and Jayne Mansfield.

Doyle More at Capada recommends the show as good family entertainment and says this about the movie plot.

Kenneth More inherits a fast-sinking gunsmith business in London and decides to take his trade to America's wild west. The stage-coach which is taking him to the town of Fractured Jaw is attacked by Indians, but More innocently makes friends with the chief. Arriving at the town, More checks into Jayne Mansfield's hotel, a saloon and a romance blossoms.

Before he realizes it, he has been elected sheriff and becomes involved in the feud between the Lazy S and Box T ranches. Each ranch suspects him of being in the employ of the other. So they gang up to get him out of the town. But the last minute his Indian friends come to the rescue.

More brings peace to Fractured Jaw and the town turns out in full when he and Miss Mansfield are married.

NET WORTH

Man Shopper: "I want some invisible hair nets for my wife."

Clerk: "Here you are, sir. That will be twenty-five cents."

Shopper: "Are you sure they are invisible?"

Clerk: "Invisible! Why I've been selling them all morning, and we've been out of stock for two weeks."

IN THE DARK PAST

Two travelers were discussing foreign cities. Said the first one, "London is most certainly the foggiest city in the world."

"Oh, no, it's not," said the second globetrotter. "I've seen a place much foggiest than London."

"Where was it?" queried his friend.

"By jolly," came the reply. "it was so foggy I can't remember where it was."

Change in Booking At Capada Brings A New Western Thriller

A late change in the booking of movies at Capada Drive In Theatre brings "Sheriff of Fractured Jaw" starting Sunday January 18. The western adventure stars Kenneth Moore and Jayne Mansfield.

Doyle More at Capada recommends the show as good family entertainment and says this about the movie plot.

Kenneth More inherits a fast-sinking gunsmith business in London and decides to take his trade to America's wild west. The stage-coach which is taking him to the town of Fractured Jaw is attacked by Indians, but More innocently makes friends with the chief. Arriving at the town, More checks into Jayne Mansfield's hotel, a saloon and a romance blossoms.

Before he realizes it, he has been elected sheriff and becomes involved in the feud between the Lazy S and Box T ranches. Each ranch suspects him of being in the employ of the other. So they gang up to get him out of the town. But the last minute his Indian friends come to the rescue.

More brings peace to Fractured Jaw and the town turns out in full when he and Miss Mansfield are married.

News of Broadway

BROADWAY, Jan. 12—Miss Jane Weeks of Lubbock spent the week-end with Mr. and Mrs. Preston Weeks.

Sunday visitors with Mr. and Mrs. Ben Beckham were Mr. and Mrs. Calvin Beckham and Barbara Kay of Lubbock and Mr. and Mrs. Charlie Beckham of Crosbyton.

Mr. and Mrs. Bill McCray and daughters had as their guest last week Bill's mother, whose home is in Portales, N. Mex.

Mr. and Mrs. M. L. Givens and sons visited the Conda Starretts on Friday night of last week.

On Friday night the T. E. Thornhills and Ben Beckhams played pitch with the D. D. Thornhills. Saturday night the D. D.'s and T. E.'s were visiting with the Ben Beckhams when Mrs. Homer Smith of Crosbyton called, telling that Mr. and Mrs. Carl Long and children of Tulsa, Okla., were over there so all went to visit them; though it was 9 o'clock. Didn't get to stay very long. Just long enough to see the little Long's Junior, David, Cathy and Beekie.

At the last report, J. B. Marley was doing as well as possible. Surgery was performed on his leg Tuesday morning. Of course he "now" it will be quite some time before he will be able to get around again, but we hope his recovery will be as speedy as possible.

Mr. and Mrs. Ben Beckham went over to Lubbock Monday of this week to stay until Wednesday to be with their daughter, Mrs. Calvin Beckham who was to undergo minor surgery in a Lubbock hospital Tuesday morning.

Mr. and Mrs. D. D. Thornhill and Mr. and Mrs. T. E. Thornhill near Seymour Sunday. Mrs. Thornhill was home after a 3 weeks stay in the Seymour hospital with a bout of pneumonia.

Quite a few in the community had to do some plumbing when the water pipes thawed out as there were quite a few bursted ones. Several lost all the water from their storage tanks before realizing their pipes were burst. So we see the very cold weather created quite a list of havoc. Hope we get some milder next time and not quite so cold.

Doyle More at Capada recommends the show as good family entertainment and says this about the movie plot.

Kenneth More inherits a fast-sinking gunsmith business in London and decides to take his trade to America's wild west. The stage-coach which is taking him to the town of Fractured Jaw is attacked by Indians, but More innocently makes friends with the chief. Arriving at the town, More checks into Jayne Mansfield's hotel, a saloon and a romance blossoms.

Before he realizes it, he has been elected sheriff and becomes involved in the feud between the Lazy S and Box T ranches. Each ranch suspects him of being in the employ of the other. So they gang up to get him out of the town. But the last minute his Indian friends come to the rescue.

More brings peace to Fractured Jaw and the town turns out in full when he and Miss Mansfield are married.

Change in Booking At Capada Brings A New Western Thriller

A late change in the booking of movies at Capada Drive In Theatre brings "Sheriff of Fractured Jaw" starting Sunday January 18. The western adventure stars Kenneth Moore and Jayne Mansfield.

Pioneer Woman, On Tula Visit, Died Tuesday

Mrs. Morgan Wright, 77 year old Floydada woman who lived at 229 W. Miss, passed suddenly in a Tula hospital. She had been in Tula the first of the week visiting a daughter, Mrs. Ray Crabtree.

The body was brought to Harmon's Funeral home yesterday afternoon. Rites are pending the arrival of a daughter in California.

Mrs. Wright had complained of feeling ill Sunday night following an active day with friends, but was said to be much better Monday afternoon. She was taken to the hospital after a heart attack.

Mrs. Wright, the wife of the late Morgan Wright, former Floyd County deputy sheriff and produce man, was a long time resident of this area, first making her home with her family in Lockney. Two sons, Mrs. Wright in death. The family had pioneered in Cottle County where Mr. Wright had been sheriff.

She was a member of the First Baptist Church and was active in Sunday School work.

Rules For Safety On Water Outlined

College Station — More and more Texans are taking to the water. Swimming, fishing and boating are a-mong the most popular recreational activities. But with the increased participation in these activities has also come the chance for more accidents, warns Ed Cooper, extension wildlife specialist.

But Cooper points out that boating can be much safer if certain precautions are observed.

First, advised the specialist, never overload a boat with passengers. Always find out how many passengers the boat can safely carry. Wear shoes and clothing that can be easily removed in case the boat sinks or capsizes. Have a life preserver for each passenger in the boat, especially non-swimmers.

If a motor is to be used, make certain it is the proper size or horsepower for your particular boat. Be as cautious when steering a boat as you would steering a car. Learn and observe the rules of the water such as speed limits, yielding right of way, forbidden zones, etc. And, continues Cooper, be certain you ask an informed person about hazards in the lake or stream such as location of swift water, whirlpools, hidden obstructions, etc., before leaving shore.

Don't stand in a small boat unless necessary and be careful of your balance when doing so. Always have an extra paddle in the boat in case one paddle is broken or lost. Wear clothing which will protect you from sunburn, concludes the specialist. Sunlight is intensified by reflection off the water.

Baby Is Saved From Overdose Of Medicine

Little Kurt Wiggins, 27 month old son of Mr. and Mrs. David Wiggins narrowly escaped death Tuesday of last week at the home of his grandparents, Mr. and Mrs. R. S. Wiggins at Hobbs, N. Mex., where Mrs. Wiggins and her children are visiting.

The family were talking by phone to the youngster's father, who is stationed in Formosa, Tuesday night when young Kurt found a newly purchased bottle of baby aspirin and consumed the contents. Unaware of this fact the baby was put to bed for the night.

Friday morning the mother's labored breathing led the baby to think he was taking cold. She looked for the aspirin bottle and found it empty.

Be becoming alarmed, knowing the bottle had been full the night before, Mrs. Wiggins rushed the baby to the Hobbs hospital, where emergency treatment was given. The child's condition was critical Wednesday.

Relatives in Floydada said the physician made an incision in a vein in the baby's arm to allow drainage when he began showing improvement almost at once.

Friday Kurt was returned to the home of his grandparents in Hobbs. Stitches were removed from the incision yesterday. Although the baby's legs and stomach are still swollen he is thought to be doing nicely.

Mrs. Wiggins and her children are expected back in Floydada by the week-end. She is making her home near her grandparents, Mr. and Mrs. W. A. Shaw. Mrs. Wiggins is the former Beverly Thomas, daughter of Mrs. W. M. Cornelius of Plainview.

EMPTIES BOTTLE

Mrs. Sybil March in company with her brother and his wife, Mr. and Mrs. A. J. Gardner of Muleshoe, spent Sunday and Monday in Mangum, Okla., where they attended funeral rites for an aunt.

John Coker, member of the staff at Harmon Funeral Home, is due home sometime today by plane from San Antonio, where he has been on business.

Mrs. T. W. Richards of Route 1, Floydada, was admitted to Peoples Hospital yesterday awaiting the arrival of a new addition to the family.

TWO COMMITTEEMEN CHOSEN IN WATER DISTRICT TUESDAY

Ernest Lee Thomas of Floydada and Don Probasco of South Plains are the new committeemen of the High Plains Water Conservation District, according to a report from the district office last night.

They were chosen in an election held Tuesday.

Two voting places were maintained, one at Floydada and one at Lockney. Very light interest was shown with few votes cast at either box. Committeemen were chosen in counties all over the district.

Visiting with Mrs. Lewis Jones and family Tuesday were Grady, Mr. and Mrs. Slick Poteet of friends, N. Mex., who were enroute to Fort Worth. Other recent guests with Mrs. Jones have been her mother, Mrs. R. A. Chilcoat and her son, Reid, of Throckmorton.

N. L. Jones is back in Lockney Hospital receiving medical attention. His condition was said to be good Tuesday.

EDITORIAL THE NEW YEAR

(By Marisue Burleson)

Christmas and Jan 1 are past—the presents have been opened and forgotten. A new year has descended upon us to remind us we're one year older and infinitely wiser (we hope!).

The new year is a time for taking stock of the past year, realizing mistakes, admitting defeat and tucking away victories of pleasant memories with those of the years before. In order to set a goal for the year 1959, we must first stop and look at the present. Are we satisfied with the effort we've put forth in all things? Are we sure of the fact that we could not, under any conditions, do better than we are doing and have done in the perpetual moment of now? Are there some things you have left undone to be taken care of in the infinitude of tomorrow? Have you accomplished as much as you would like to or had hoped to? If you were to swoon no longer by an inhabitant on Planet Earth, would you have any regrets as to what you have done or have not yet got around to doing? And, could you quit the game of life as one quits a game of chess, basketball, or cards, with the same detachment of "Well, I played a good game; didn't win all the time, but I played a sportsmanlike game?"

When one has grasped just where his development stands at the present moment, then he is ready to take the first step to 1959 progress, facing the future with warm courage and high hopes. This is the purpose of the New Year—no, it wasn't just an excuse for a party and big dinner, after all. To be sure most resolutions aren't kept, but most rules are broken sooner or later too. Most men are broken. Most commandments are broken. But what can the future be without goals, ambitions, and resolutions and commitments?

This year is yours to mold into what you desire if you have any desire at all. Will this be a year of that old tradition, Tradition? Or will it be one of Trail-Blazing? Will it be full of happiness or will more sorrow and self-indulgence creep in? Austerity or Prosperity or Apatheticness or prevariousness? (In short—arbitrariness from Mom and Dad, or plenty of money to spend or save, or favorable grades, or by way of being open to all influence and arguments becoming more of an intellectual.)

No matter what your horoscope maintains, no matter how the New Year began and no matter what this year brought, 1959 shall be what you make it, and will reward you with what you put into it.

Floydada High Map Making Is Artist's Work

(By Sue Williams)

Wonder what a passer-by would have thought if he had peeped in Coach Preston Watson's room last Friday, January 9? Maps of various sizes, types, shades and shapes, were scattered throughout the room. However, they had one thing in common. All were of the territorial growth of the United States. They could be found on the chalkboard, walls, floor, and on, under, and around desks.

Now, a "looky" at some of the most outstanding maps:

Perhaps the most desirable or appealing ones were the cakes which were decorated with the appropriate boundaries and lettering. Those making cake maps were Juanell Wood, Stella Duncan, Wren Patterson, and all of the People James Hale. Along the same line was one of divinity candy by Freida Smith.

Judy Williams is to be commended for the originality of her map. The different sections were of different kinds of woods, watermelon, squash, maize, English peas, spinach, lettuce, popcorn, begira, beet and rice seeds.

Sue Kendrick had one of dyed cotton seed which was also very clever.

Marisue Burleson had an outstanding map out of colored sand on wood with a tight plastic covering.

Something unusual was created by Linda Hammonds. She gained a modern effect with each section cut separately out of wood and placed on a woven mat.

Louise Smith's map was of raised copper on a black background giving a very nice effect.

Gerry Sawyer and Price Pritchett had exceptionally neat maps on poster paper.

A very interesting effect was created by Judy Williams. She painted the map with tempera colors and made the boundaries with glitter. The letters in each section were also of glitter and the larger letters of the title were outlined in glitter.

Sue Ring cut the outline of her map out of styrofoam, made the boundaries and then set it on a background of black poster paper. Darlene Johnson also made hers out of styrofoam. She had the cute idea of using alphabet cereal for her letters.

Fleeta Carthel and Jane Raina had similar maps. Different colored glitter under glass. Nelda McCarty also had her beautifully colored tempera map under glass.

Ray McDonald's map was made of wood and had a cute little sign hanging underneath on which was the key.

This gal went all out for red with black boundaries and letters. Very pretty, Barbara Smith.

Karen Goen had her map on canvas making a very nice one.

Some industrious homemakers spent a lot of time on their maps and they turned out very nice. Sandra Wright had an unusual one of pellen.

Sue Flenniken had a very pretty map on cloth with glitter and zig-zag stitching on it. Pat Hickerson, Sonia Guffee, Martha Meece, and Pat Stewart all had theirs on pillows and were quite pretty. Shirley Ginn's was similar, except hers was on an apron.

Many hours were spent on each map which is an annual project in Coach Watson's history class. The best maps are usually displayed at open house in March.

Patterson Makes All-State Squad

To be placed on the Texas High School Press Association second All-State AA team is the highest honor received by any Whirlwind this year. Bill Patterson, 106-pound senior, did it as end.

Bill also made the first defensive District and the first All-Regional team. He was All-District last year. He was State Champion in High Hurdles last year. Bill has made the most points in basketball so far this year.

Coach Preston Watson says, "For a boy to make the All-State selection on a team that didn't even get out of its district is very hard to do and quite an honor."

College Career Should Begin In The Summer

(By Charles Holland)

June high school graduates should begin their University of Texas careers in the summer, rather than wait until fall.

Some advantages offered by summer attendance are outlined by University Vice-President L. D. Haskey, include:

—More advisors on duty to guide entering freshmen.

—Smaller classes in air-conditioned buildings.

—More attention for study in air-conditioned libraries and easier access to library books.

—Extra study time provided by light social calendar.

—Smoother transition to University life at a less- hectic time of year.

The university's new nine-week Summer Session (June 15 - 20), replacing two six-week summer terms, will enable beginning students to complete basic courses in a satisfactory manner. Dr. Haskey noted.

University officials are particularly stressing summer courses in English and mathematics for entering freshmen. Students who develop their abilities in mathematics and English first usually show more satisfactory progress in other subjects, experience has shown.

One of the most difficult aspects of the transition from high school to college is the tremendous amount of writing to be done. Dr. Haskey pointed out. "By taking English in the summer, the student can reduce the amount of writing to be done during the Long Session."

By attending the new Summer Session and Long Sessions, a student may be ready for professional or graduate school in three years, rather than four, Dr. Haskey noted.

The University recommends that all entering freshmen in the Summer Session take English and mathematics. Some students may wish to take a third subject.

Summer Session tuition rates for Texas residents are \$37.50 for nine or more semester hours, \$35 for eight semester hours, \$31 for seven semester hours, \$27 for six semester hours, \$23 for five semester hours, \$19 for four semester hours and \$15 for three or fewer semester hours.

University of Texas admission tests will be administered Feb. 14 in 45 cities. Applications to take the tests must be received by Feb. 4 at the University's Testing and Counseling Center.

Information concerning admission, air-conditioned dormitories and other details of Summer Session attendance may be obtained from Registrar, University of Texas, Austin 12.

Auto Survey Is Shocking

(By Marisue Burleson)

A survey was recently made in Floydada High School of pupils that were failing one or more subjects. The survey found that 23 per cent more of those that owned or had cars available than those that did not have cars to drive were failing one or more subjects. With this large difference, it is evident that there is some correlation in failures for those that have cars.

Of course, there is no harm for high-achieving pupils to drive cars. Often it is necessary and proves to be of benefit. Where the trouble is, in many instances, pupils are driving at night and other times when they should be studying. The trend has recently changed to make the demands for an education in order to be educated in the true sense of the word.

Out of the three classes, Sophomore, Junior, and Senior of 1959, this survey has been taken.

In the Sophomore class, out of the 16 students having access to cars, 5 or 36 per cent were failing in one subject or more. In the same class out of the 67 which had no cars available to them, 32 per cent or 22 had one or more failing grades.

Thirty-three students having access to cars, with 23 of those failing, proved that 69 per cent of the seniors had failing grades. Twenty-eight were failing out of the 30 who had no cars available to them, that is to say, 93 per cent were failing one or more subjects.

However, in the Senior class, this trend seems to have evened out, the consequences might not be as drastic as the previous hard statistics would seem. Seniors 24 having no availability had 15 failing. The remaining 28 who did not have their cars before, after, or during school hours, had 17 failing at least one and even more subjects. The per cent was the same in each of these cases, 60 per cent, had failing grades.

To sum up among the 73 FHS students that drive cars to school and may ride around afterwards, and have access to their cars at night if they so desire, there were 36 failing 76.7 per cent. The other seniors, however, had 67 failing out of 143 students.

The result, as stated above, was that 38 per cent more students fail that drive cars compared to those who don't. This survey can't be called entirely conclusive, however, because the other side of the story is unknown. That is to say, those who make B's, A's, and above and still drive cars to school and lead an "overly active" social or night life, haven't been mentioned. This is to be covered at some later date.

Scott and Dunn Are Best Citizens

(By Charles Holland)

Both Scott and Mary Grace Dunn, sophomores, have been elected November and December citizens of the month in FHS.

Other nominees for November besides Mary Grace were Jerry Solomon, Judy Wilson, Jerry Crawford, Grace Ann Potts, Marisue Burleson, Bill Gilliland, Karen Goen, Mary Coggell, and Frankie Taylor.

Nominees for December were Jerry Crawford, Helen Foster, Jerry Solomon, Danny Shipley, Tommie Copeland, Doyle Stephens, Grace Ann Potts, Glee Adams, Hal Hines, and Charles Christian.

Winners are elected by student council members and faculty on the following qualifications: good citizenship; interest and participation in school; good school spirit; contribution to welfare of school and student body; good sportsmanship; and wholesome attitude.

Alonso Alvarez de Pineda, a Spanish explorer, and his followers are believed to have been the first white men to set foot on what is now Texas soil. Pineda and his group explored the area in 1519.

Flags of six sovereign powers have flown over the state of Texas. They are the flags of Spain, France, Mexico, Republic of Texas, Southern Confederacy and the United States.

McAdoo And Tulia Take Lockney BB Tourney Last Week

McAdoo noosed out the Winds Saturday night 62-38 in an overtime to take the boys' championship. Floydada had quarter leads of 12-11, 29-24, and 43-40.

Teague had 27 points for McAdoo. Bill Gilliland had 17 for Floydada. Patterson 15, and Vickers 13.

The game was tied 7 times and the lead changed hands 8 times.

The Tulia girls won 48 to 47 over Muleshoe. Miss Culwell had 21 points, Miss Dietrich 16 for Tulia. For Muleshoe, Gwen Williams had 24.

The host Longhorns edged Post, 49-47.

McAdoo girls won 3rd over Lockney, 49-27.

Muleshoe beat a scrappy Tulia B team, 44 to 38 to win boy's consolation.

Basketball Opener Demand Great For College Grads

(By Grace Ann Potts)

The cases are typical everywhere. Big companies are sending talent scouts to universities in a scramble for the most valuable of raw materials—eager, educated young men.

In an all-out effort to hire the man with the slide rule, companies are offering extra inducements such as long vacations, travel allowances, paid insurance, and big expense accounts.

According to a survey, it isn't only the engineering students who are being offered big jobs. On the contrary, companies need accountants, chemists, and men in sales or general business. The employment of women also showed again.

Texas is the number one sheep and wool state of the Union, with the industry centered in southwest and far west Texas.

CHAT with PAT

Hi.

What a horrible week Mid-term tests are today and tomorrow! Hope everyone makes good grades. The teachers are making out separate exams so be honest!

Boy, we really gave McAdoo a close race for the first-place trophy in the Lockney basketball tournament. We play our first District Basketball game with Taboka here tomorrow night. Let's win!

Have you noticed Jan's party and how many boys came to visit Bob Ed. Some crying freshman girls are afraid of the upperclassmen. Judy doesn't eat any more pie. Patti Patrick is moving to Dallas, wonder who is sad. Sue K's pretty glasses—Norman and Jerry are going steady no more. Sandra's calls Laura set down in the biggest wall of chewing gum you ever saw; Macbeth character sketches nearly drive the seniors crazy; John Burns' new convertible; who is going to get Jerry if he goes with Jan; who did Bob Ed ask for a date Sunday night; the sign in Mr. McKinsey's room "My Mind Is Made Up, don't confuse me with facts"; Marisue's pretty white blouse Monday.

Dates seen together are: Sue Ring and Hal Hines; Sharon Edmiston and Gary Matler; Sharon Edmiston and Gary Matler; Darlene Johnson and Gary Walker; Addie Adkins and Norman Ferguson; Linda Hammonds and George Farris; Tommie Copeland and Harvey Allen; Sue Kendrick and Mike Carver; Barbara Smith and Jerry Bullock; Fleeta Carthel and Wayne Adams; Laura King and Mike Shurbit; Billie Holmes and Richard Graves; Sara Holmes and Charles Christian.

Sue McClung and Henry Self; Lois Ann Glover and Gerry Sawyer; Beth Scott and Douglas Walding; LaJuana Womack and Bill Gilliland; Joyce Leatherman and Ted Anderson; Darlene Johnson and Don Stevens; Sue Flenniken and Bobby Ashton; Carolyn Cates and Dale Brown; Freida Smith and Don Faulkenberry; Gaynell Boothe and Keith Reeves; Ella Womack and Eddie Childs; Grace Ann Potts and Elvyn Pierce; Judy Jackson and Bill Orman; Mary Coggell and Edward Whitehead.

Glea Adams and Bill Patterson; Estella Wyatt and Danny Shipley; Mary Asher and Kenneth Mankins; Dee Mack and Jerry Powell; Vickie O'Neal and Price Pritchett; True Kirk and Glenda Crawford; Joy Sparks and Laron Fulton; Carolyn Martin and Huford Sue; Linda Webster and Vaughn Ginn.

A course of solarium treatment had been recommended for an elderly lady. To dispel her nervousness the consultant told her, "Why, a few weeks of that, and you'll be ten years younger."

"Oh, dear," wailed the old lady, "it won't affect my pension, will it?"

Cancer Society Meeting Slated For Wednesday

Five official delegates representing the Floyd County Unit of the American Cancer Society will attend the District 3-South annual Meeting of the Society's Texas Division. It was announced this week by Mrs. Bill Hodel, Chairman.

To attend the District 3-South meeting which will be held January 21 at the First Methodist Church in Floydada will be Mrs. Alma N. Holmes, Mrs. Bill Hodel, Mrs. Howard Drysdale, Mrs. W. R. Daniel and Mrs. C. O. Hammond.

These delegates, Floyd County Unit chairman stated, will be charged with the responsibility of electing directors for our district which will serve on the board of directors of the Texas Division.

"In addition to the election," Mrs. Hodel stated, "our delegates will discuss with state and district cancer leaders the problem of developing an even more effective program of cancer control in the communities of our county."

"Since we estimate that one-third of the 11,000 Texans who died of this disease last year died needlessly," Mrs. Hodel declared, "we feel that our job has only begun."

Also attending the meeting will be T. B. Mitchell, Mrs. M. Quebe, Mrs. A. H. Kreis and Mrs. J. H. Barnard.

Seventy-five to 100 delegates from the various counties in the district are expected to attend the meeting here on January 21.

D. J. Kinard Is Victim Of Heart Attack On Sunday

Funeral rites for D. Jackson Kinard, 48, of Fort Worth, former Floydada resident, were held yesterday morning at 10 o'clock in Mansfield, La.

Mr. Kinard passed Sunday afternoon in the Harris Hospital at Fort Worth following a sudden heart attack. His death was unexpected.

Kinard and his family moved from Floydada in December of 1955. While a resident here he was employed at Darden's Welding Shop.

Survivors include a Floydada son, Roy, who left Sunday for Fort Worth, in company with his wife, Dallas Kinard of Muleshoe, Dixon Kinard of Fort Worth, and Billy Jack of the home, four daughters, Danee, Marie, Martha, and Linda, all of the Fort Worth home, three grandchildren and several brothers and sisters, all of Louisiana.

Mr. Kinard was an ordained Baptist minister and held the pastorate part time, at the Bible Baptist Church while a resident of Floydada.

TAX - MAN SEZ:

The other day a well-informed lawyer asked me, "How can I keep up with this tax business? There is too much going on. I don't practice tax law, but I would like to know the answers for my own tax decisions."

After talking a little, we decided that the lawyer needed to spend 35 cents for "Your Federal Income Tax" and since he was operating a business, he also needed the "Tax Guide for Small Business" for 35 cents.

The Internal Revenue Service has given the answer to all of the most common tax problems in these booklets. They both run a little over 100 pages. You don't have to be a lawyer to understand them because they give the answer just as simple as it can be given.

You can order a copy of either or both from Internal Revenue Service, 2101 Pacific Avenue, Dallas, Tex., for 35 cents each.

CARD OF THANKS

We wish to express our deep appreciation for the many acts, kindness and expressions of sympathy during our time of sorrow at the loss of our loved one, Dave Officer.

CHAS. W. WATKINS

C. W. Watkins Aged Minister Passed Friday

Charles W. Watkins, 81, retired minister of the Church of Christ and newspaperman, also a one-time resident of Floyd County, passed Friday afternoon in West Texas Hospital where he had been a patient for several weeks.

Funeral rites for Mr. Watkins were held Sunday at 2 p. m. in the Memphis Avenue Church of Christ at Lubbock. Officiating ministers were Alva Johnson of Turkey, and Van Bonneau of Dodson.

Interment was in City of Lubbock Cemetery.

A native of Coryell County, Watkins moved to this area in 1901 and worked for the Floyd County Hesperian for several years. He then moved to Old Emma where he was editor of the Crosby County News from 1907 until 1913.

He married his surviving wife in the old Methodist Church on North Main Street in Floydada. She is the former Emma Dungan, sister of Mrs. Maud Hollams, and Mrs. Mattie Hale, Hope Hammonds, and Fred Brown.

The couple reared 10 children, nine of whom survive.

Mr. Watkins and his family lived in Petersburg from 1919 until 1934 when they took up residence in Lubbock. He continued to be active in his ministerial work until semi-retirement in 1953. He preached his last sermon on Dec. 13 of 1958.

Survivors include the wife, four daughters, Mrs. John A. Hand, Aunt, Mrs. W. C. Rice, Fort Worth; Mrs. Alton Briggs, Lubbock, and Mrs. E. J. Holmes, Kermah; five sons, Arthur B. and John A. of Lubbock; Lowell D. Houston and Charles W. Jr., and J. Pat Watkins, Fort Worth; one brother, Alton Watkins, Baldwin Park, Calif.; three sisters, Mrs. L. H. McMillan, Richmond, Calif.; Mrs. Mattie Daniel, Del Paso Heights, Calif.; and Mrs. Annie Hunter, Santa Cruz, Calif.; 26 grandchildren and two great grandchildren.

Grandsons were pallbearers.

Mrs. Hallie Johnson is enjoying the company of her sister-in-law, Mrs. Elsa Drape of Chickasha, Okla., who has been a guest in her home the past weeks. Mrs. Drape will remain in Floydada on an extended visit.

Miss Bessie Medlen of Roaring Springs is on an extended visit in Floydada, guest of her brother, Robert Medlen and family.

Farm Problems Are Pondered At FB Meeting

The Floyd County Farm Bureau met Thursday night in Rogers Restaurant for dinner and a regular monthly business meeting for the Board of Directors. L. R. Brandes, president of the association, presided at the session, at which Douglas Dege, Floyd County weed control man, was guest and spoke on the progress farmers are making in this area in keeping down weeds.

A report was given by a committee who attended a Cotton Ginning meeting at Lubbock recently where several recommendations were discussed in regard to cotton grading, improvements being made, and the help and system of an automatic sampler.

The board received reports from the committee which is working on information on the county superintendent's office. A resolution was passed for the committee to study the situation and make a report at the next session. No definite stand is expected to be taken until a thorough investigation has been made it was indicated.

The county membership drive which is to get under way in February is in the making and added plans were ironed out at Thursday evening's gathering. Also next year's plan of operation for the County Bureau was discussed pro and con.

Members of the board of directors attending included Brandes, Sterling Cummings, vice president, Mal Jarboe, Wayne Battey, Elmer Biggs and David Battey Jr.

Alternates in the session were J. R. Turner, Helmut Quebe, Tom Duval and Ned Bradley, Sam Puckett, and W. R. Puckett of the service office and guest Dege.

Directors of Gas Line In Meeting

Members of the Dougherty Gas Line met in Rogers Restaurant Monday night for dinner and their annual board of directors meeting. The session was presided over by Tate Jones, president of the association.

Two directors were voted in during business, one being Dorris Jones, holidayer, and Jack McIntosh, replacing Fred Cardinal.

During the evening's session a discussion on new plastic gas lines was held. Having them installed is a possibility.

Those present for the affair were Tate Jones and Mrs. Jones, Mr. and Mrs. G. W. Smith, Mrs. Dorris Jones, Jack McIntosh, and Mrs. Bill McNeill, and one guest, Mrs. Rob Heflin.

Mr. and Mrs. A. H. Kries left yesterday morning for Phoenix, Ariz., where they plan to be for several weeks on pleasure and business ventures which will take them into the state of Nevada.

CARD OF THANKS

We wish to thank all of our friends for every act of kindness they have expressed during the illness and passing of our loved one. For every word of consolation, all the lovely flowers, the wonderful dishes of food, the cards, the books, the prayers offered, and every kind expression of sympathy.

May God richly bless each and every one of you, is our prayer. The family of T. M. Noland

AN APPRECIATION

Charge Branum By Indictment In Murder Case

Robert Branum, 37, the Lockney gin worker who is alleged to have slain his common law wife on Dec. 28 while ostensibly on a rabbit hunt, was indicted by the Floyd County grand jury in session Monday and is expected to be arraigned by District Judge L. D. Ratliff this morning.

Murder with malice is charged. The state alleges that Branum loaded his dead companion's body into a truck and hauled it to Oklahoma, where he disposed of it at a point north of Paris, Tex., by throwing it into Red River.

He attempted to enlist the aid of a cousin in disposing of the body, but instead the cousin notified authorities in Oklahoma. The arrest followed.

Branum was found asleep in the cousin's home by officers. The body was recovered the same day.

Sheriff Walter D. Hollums and District Attorney John B. Stapleton spent three days in Oklahoma and Paris probing for details. Hollums had Branum in custody when he returned.

The body was identified as that of Mary Ellen Bryson, wife of G. J. Bryson, of Hollis, Okla. Bryson claimed the body.

A statement given officials by Branum said he shot his companion in a fit of rage when she cursed him. A borrowed 12-gauge single-barrel shotgun was used. The couple had been drinking, it is claimed.

The shooting took place on a lake seven miles northeast of Lockney. Sheriff Hollums said.

Four other indictments returned include one on a charge of seduction. An arrest had not been made in this case Tuesday afternoon.

The other three indictments were against: Clarence Jennings, charged with assault with intent to murder; Frank Sanchez, charged with burglary; and Raul Barrientz, charged with burglary.

Mr. and Mrs. J. B. Thaxton of Plainview were visitors in Floydada Sunday, guests of his brother, Fred and family.

Evening of Fun Slated For Jan. 23 At Dougherty

The Dougherty Community Club is announcing plans for a variety show to be held at the Dougherty School Auditorium, Friday, January 23, at 7:30 p. m.

The main feature of the evening will be a Womanless Wedding and there also will be several specialty acts, all featuring local talent.

There will be no admission charge but a free-will offering for the March of Dimes will be taken.

Next week's Hesperian will carry a more complete program but is making your plans now for an evening of fun at Dougherty on January 23.

SCHOOL BUS FLIPS ON WET PAVEMENT OF HIGHWAY 70

G. C. Hillburn, school bus driver, escaped injury early Tuesday morning on his run when the Dougherty bus he was driving flipped on its side.

No children were occupants of the bus at the time of the accident.

Hillburn said he was about eight miles east of town on the Matador highway when he started to stop the bus and it flipped. The highway was wet from an early morning drizzle and fog.

The bus was slightly damaged. It has regular runs.

Jim Garrett, 64 year old man, is hospitalized at the receiving treatment at a local hospital in an accident which occurred last Thursday afternoon.

Garrett and Effard Paul lives in the Starkey area. He was helping Orville Arritt feed on his farm last Thursday.

Garrett was sitting on the trailer, leaning over the board. The board gave way, fell backwards on his shoulders, causing the head to be brought to his home by the men, then taken to the hospital.

His wife, who was working at Department Store the day of the accident, related her husband into the house under his own weight in a great deal of pain.

At this time weights are being put on Mr. Garrett's neck to stabilize a fracture in his neck.

The couple's two daughters, Quill Pierce of Lubbock and Elza Pullen of McAdoo, spending some time here in the family since the accident.

TRICES ARE PLANNING MOVE TO NORTH CAROLINA

Mr. and Mrs. Loy Lee and their two children, Doris, 7, and 2, are making preparations to move to a new home in North Carolina. The Lee family have made their home here for over 10 years.

The Lee family will be in the state next week. A construction of a new home, Mrs. Lee, Mrs. P. F. Swanson, also make their home here in Floydada.

Plans are that the Lee family will move in the first part of February.

Tin has accounted for about 80 percent of the value of Bolivia in recent years.

typical million-dollar contract. Formby points out that an average of 10 to 15 different parcels of land are purchased for right of way at an average cost of \$140,000. This right-of-way money is paid to property owners for their land and for moving buildings, for fences, title policies and other items. On an average, 30 local workers will be employed to move the fences and buildings at a cost of \$20,000. Where title policies are required, at least \$14,000 will be spent for these.

On this average million-dollar contract, about 100 local people will be employed on the construction project. Where bridges are built, about 75 per cent of the labor is locally obtained.

The local lumber yards will sell 3,500 barrels of cement for \$10,000 and 2,000 board feet of lumber for \$1,000. About 200 tons of structural steel will be needed at a cost of \$12,000 to \$15,000. The contractor will spend thousands of dollars with local oil distributors for gasoline, motor fuel and other petroleum products. Materials such as sand and gravel, caliche, and other base materials, are always purchased locally if available and will cost about \$6,000. Some 30 trucks most of them local, will be paid \$30,000 to haul these materials to the job. These trucks would in turn purchase \$3,000 worth of gasoline alone for the job.

The highway dollar will find its way eventually to the laborer, lumber yards, oil distributors, filling stations, garages, welding shops,

motel, grocery stores, hardware stores, picture shows, utility companies, barber shops, cafes, department stores, etc. The money will find its way into the local tax coffers; some will be used to support churches, schools, and other worthwhile enterprises.

Formby says that a survey shows that this \$700,000 of the typical million-dollar contract that is spent directly in the county, turns over five to six times before it finally spends itself out. Thus, a million dollar job is equivalent to about \$4 million being dumped into the county.

"This money does not come from Santa Clause, however," Formby said. "It is the people's tax money being returned to them for the betterment of their highway system and for the boosting of their own economy. It is the duty of my Commissioner colleagues, Herb Petry and Charlie Hawn, myself, and of the 15,000 employees of the Highway Department to see that it is spent as wisely as possible."

Red Cross Marks 50th Anniversary Nursing Service

WASHINGTON, D. C.—On January 1, the American Red Cross begins a year-long observance of the 50th Anniversary of its Nursing Services. The national organization and chapters throughout the country have been planning for many months the ways in which they will honor the Red Cross nurse and publishing the story of her services during 1909.

While celebrating the anniversary of the service, the national organization and its chapters also will pay homage to all nurses who, for almost a century, have embodied the idea of Red Cross—service to humanity and the mitigation of suffering.

During the 50th anniversary year, Red Cross will honor the memory and legacy of these four great pioneer leaders—Nightingale, Dunant, Barton, and Delano—as well as the nearly 223,000 professional nurses who, since 1909, have enrolled for service with Red Cross.

Today, some 57,000 nurses are serving in disaster relief, in the Red Cross Blood program, during outbreaks of disease or other periods of local or national emergency and are providing home nursing and volunteer nurse's aide instruction.

KHIVA TEMPLE MEETING

Khiva Temple of the Mystic Shrine held its annual meeting and election of officers yesterday in Amarillo. Prior to the session, the Palm Room in the Temple was the scene of a shrimp and oyster dinner.

Jimmy Wilson of Floydada, a member of the board of directors, whose term expires in 1960, attended the all day affair as did M. J. McNeill, Lloyd Fate, J. T. Huckabay, W. W. Trapp, John Fowler, B. A. Robertson and possibly others from this area.

Mr. and Mrs. S. L. West and daughter, Kay, were here during the recent holidays visiting with Mrs. West's brother, E. E. Cardinal and family. The Cardinal's two children, Donald, 6, and Regina, 3, are doing nicely following a tonsillectomy a week ago.

Arthur B. Duncan of Canyon, who has suffered two heart attacks, and a more recent severe one, is said by Floydada relatives to be able to attend to his business affairs-of-late.

Mr. Duncan, former Floyd County man, born and reared here, is in the abstract business at Canyon.

BIBLE BAPTIST CHURCH

Last Sunday was:

RECORD BREAKING DAY

1. Record broke in Sunday School (Bible Study) Attendance.
2. Record broke in the Preaching Service attendance.
3. 20 NEW VISITORS in the Morning Service.
4. Record Broke in the all-day offerings.
5. 4 SAVED and 3 ADDITIONS by baptism. (This is not a new record; just every Sunday occurrence.)
6. This is a record for almost any Church. In 16 weeks we have had 21 saved with 37 additions.

The Lord certainly did pour out His blessings this past Sunday, with people being saved in BOTH services and also additions to Church by baptism. We saw the building filled to NEAR CAPACITY in the morning service and two-thirds full in the evening service.

We of the Bible Baptist Church do not ask much of you, when we invite you to our services. We only ask you to visit us in ALL our services on any ONE SUNDAY then if you do not think it is a BIBLE CENTERED Church in ALL its services, then we certainly would not ask you to join our Church Fellowship.

Don't you think this is fair enough? Our Church's main objective is to see the lost saved. (Then they join the church of their choice.)

Second objective is the furtherance of our Scriptural Missionary work.

Third objective is to teach those that are saved, sound BIBLE TRUTHS.

What's behind the big switch to FORD?

And here's good news for the economy-minded...

With all these exclusives, and with the usual optional equipment, Ford prices are as much as \$100 lower* than the nearest major competitor.

*Based on comparison of manufacturers' suggested retail delivered prices.

These specific common sense features are the big reasons why Ford is the best seller:

1. Six passengers, not just four, ride in comfort. Yes, even the man in the middle. Because Ford's full-depth seats are extra thick all the way across—there's no hard spot in the center as in some cars.
2. The doors are wider for easier entry. Compared with Ford's major competitor, they open wider... and have two-stage front door checks.
3. Ford's styling is sensible. It's clean and simple like the Thunderbird. No useless wings that are easy to dent.
4. Ford's frame is safer. In its field, only Ford has a wide-base frame that seats all passengers within the protection of its husky side rails.
5. Ford's spacious luggage compartment is easier to load and unload. High rear trunk wall on Ford's nearest competitor makes loading difficult.
6. Ford's got the most sound and weather insulation—everywhere. No other low-priced car compares.
7. Ford is economical. You save up to a dollar a tankful with Ford's standard Six or Thunderbird V-8 engines—for they thrive on regular gas. You need change oil only after each 4000 miles. The muffler is aluminum to last twice as long as ever. And Ford's new Diamond Lustre Finish never—ever—needs waxing.

Come see the world's most beautifully proportioned cars...

EDITORIAL VIEWS AND COMMENT

Cancer Society Meeting. In view of the toll which cancer takes of human lives in the high plains country every year, people will look hopefully on the efforts of organizers in the district of the Texas Division, American Cancer Society. Their meeting here next Wednesday, it is hoped, will result in the selection of directors who will vigorously push for the society's objectives, which we understand, are two-fold—to conduct war on cancer in its active stages and as well carry on research to finally win out against the disease and stamp out its blight in the nation. They have undertaken a big job but results already attained give hope of fulfillment.

Social Security Law. Best information we can obtain is that the big sprawling Social Security Law that practically blankets the people of the United States of America now, grew out of the distress of the late twenties and early thirties. Many who had jobs but were spending the money as fast as it came in suddenly found themselves looking for something to do to sustain their families. They either could not or would not save any of the money they made or if they were savers, had their worldly possessions spread out in equities, which they could not hold. After a year or more of this a few hundred dollars in actual cash had value far beyond its worth. Literally, five hundred dollars could do the job of \$5,000.

When the calamity of the depression hit and people were wallowing in the troughs of despair, a good many employers were thinking of some kind of a plan they could use for voluntary saving by their employees, a withholding plan such as paying all but 10 per cent of a salary monthly or weekly and putting this 10 per cent in a reserve. Out of this is said to have grown the idea of compulsory saving against old age and total disability, as a government adjunct. The voluntary plan would be much, much less expensive but too many of us are unwilling to sacrifice unless we are made to do so. The Congress, mesmerized by the bureaucrats and do gooders, keep piling it on. Even a good thing has a limit, we should think.

The Pneumonia Doctor. One of the active doctors in this part of the country died Saturday at Quanah. He was Dr. A. C. Trawee, of Matador, who had been family doctor for scores of Floyd, Motley and Dickens County families for half a century, even longer. He was particularly successful in cases of pneumonia people thought. Many of the pioneers, who contacted the disease through over-exposure, over-exertion and lack of medical attention considered they owed their lives to his ministrations. "Shots" and biotics have come into use only in recent years. The old-time patient had a hard row to weed and would be "laid up" for weeks after recovery regaining strength and for quite a while in danger of a relapse. A useful man Dr. Trawee came to the end of his career and life ironically as the result of an attack of pneumonia.

Her husband claimed she was so dumb she put her cake in the ice box and couldn't understand why it didn't get any frosting on it.

A specialist's life, in the medical profession, may be rewarding in most instances to the specialist himself, but the man who holes up in a tall building or a "medical center" and calls himself a specialist is helping to accent the demand for public medicine. He is not as useful nor as available and often not as capable as the physician who lives among the people he serves.

Monthly Parking Lesson. If you work in town and live far enough out that you must ride to town and park your car, the Emily Post of it would be to park in front of your own employer's place of business and let his customers hunt a place to park instead of parking on your neighbor's frontage and letting his customers hunt a place to park. In the preface, over on page 77 or somewhere in the book Miss Post reminds us that the essence of etiquette is consideration for others.

Case in Point. To protect free, open government in the state against the further encroachment of federal secrecy, is one of the avowed intentions of the newspaper fraternity of the state. A recent news letter circulated in the fraternity points out that the federal government has already taken over the welfare business of the states and is reaching out a hungry hand for the highway, school and other matters of the people's business. If there is any question about this federal secrecy let any newsman or state legislative committee launch an investigation of welfare. A perfect case of frustration is guaranteed.

Control of noxious weeds in Floyd County. experimental work in which has started off auspiciously, gives promise of solving a problem which has been worrying a good many farm operators and land owners. The meetings of minds between the Control Board and the Commissioners Court this week was indicative of what the future may promise. Eradicating the noxious weeds, seeds of which we have scattered through many years, will not be a job that can be done in a year, possibly a decade, but it is good that a start has been made. It now is apparent that the bill is not going to be a small one nor the energy and time required a small matter.

Marvelous Quail Year. Marvelous, fabulous, other superlatives are proper words to describe the quail season of 1958-59 which is due to come to an end this week. Not just in one part of the state but in all sections the coveys have been plentiful and big. Hunters have been in ecstasy over their good luck throughout the season. The last-day hunters found the pretty little game birds in ample supply the same as the first-day hunters. Game conservation areas, lots of rainfall and a just right hatching season combined to make it a windfall for the hunters. Duck season was another story. No water in the lakes, no ducks.

Thought for 1959 town builders. Nothing just happens. Somebody must make it happen.

Floyd County 14 Years Ago

(From The Hesperian, Jan. 18, 1945) As a member of a Corsican based B-25 Mitchell bomber group which has carried out continuous attacks in support of the 8th and 8th Armies in north Italy. Captain Ulysses S. Marshall, son of Mrs. L. A. Marshall of Floydada, has been awarded a Bronze Battle Star for his units participating in the Italian campaign.

Staff Sgt. Kenneth Fagan and his wife of Denver, Colo., spent a few days here last week visiting with his mother, Mrs. Pearl Fagan and other relatives. The sergeant is stationed at Losby Field.

Dr. Wilson Kimble, optometrist, who was barely recovered from a broken leg sufficiently to resume his office practice last Saturday suffered another fracture, this time the wrist of the right arm. He is in Plainview Hospital receiving treatment.

Mrs. C. L. Hagood has been spending some time at Canyon with her parents, Mr. and Mrs. W. A. Jennings and family, since the news reached them of the missing of their son and brother, Jack Neil Jennings, 28, infantryman. He was in one of the American divisions wiped out in the big German push during December. News of his missing in action was received early this week. The family was given little hope.

A lovely bridal shower was given Friday afternoon in the home of Mrs. Travis Lightfoot in honor of Miss Ruth Jordan, who was married to Rev. Ullman Moss Wednesday afternoon in the First Baptist Church. Mrs. Moss is the daughter of Mr. and Mrs. W. B. Jordan.

Mrs. R. L. McNeill was made happy last Monday night when she had her children and grandchildren in her home for a visit. The occasion was the homecoming of Sgt. Howard L. McNeill of Ontario, Calif., who is stationed there with the Army Air Force.

Mrs. Lee Burton was named honoree at a bridal shower Thursday afternoon in the home of Mrs. W. A. Huckabee in the Center community. Mrs. Burton is the former Nina Myrick, daughter of Mr. and Mrs. J. T. Myrick of South Plains. Her husband is in the Navy stationed in San Diego, Calif., and is the son of Mr. and Mrs. C. W. Burton.

Joe D. Montgomery, 26, son of Mrs. Mary A. Dorsey, and who is stationed at Anchorage, Alaska, has been promoted to the grade of first lieutenant.

Larry Clarence, son of Mr. and Mrs. Clarence W. Jones was born on Jan. 11 and died on the following day. Funeral services were held in Harmon Funeral Chapel on Friday. Survivors other than the parents include two sisters, Doris Euriene and Marjorie Ann, and one brother, James Randall. Grandparents are Mr. and Mrs. G. W. Jones and Mr. and Mrs. C. B. Lyles.

Dale Ann Strickland, daughter of Mrs. Dale Strickland and son, Lt. Dale Strickland, arrived Dec. 23. Mother and daughter are at home in Tulia. Mrs. Strickland is the former Lula Marjorie Conner. Mrs. G. R. Strickland of Floydada is a grandmother. Lt. Strickland was killed in Tennessee in a plane crash in August of last year.

COMMISSIONED LIEUTENANT FORT BENNING, Ga. (AHTNC)—Bobbie Fletcher Jr., of Matador, was commissioned a second lieutenant in the Army upon recently completing the 23-week officer candidate course at The Infantry School, Fort Benning, Ga.

Lieutenant Fletcher received instruction in tactics, administration and the use of infantry weapons. The 25-year-old officer, whose wife, Nora, and mother, Mrs. Zelma Crump, live in Matador, entered the Army in 1948 and was last stationed at Fort Leonard Wood, Mo. The son of R. A. Fletcher, South Houston, he attended Las Vegas (N. M.) High School.

MOVE INTO NEW HOME

Mr. and Mrs. Don Shurbet moved into their new residence Saturday which is located five miles west on the Sand Hill highway. Mr. and Mrs. Shurbet have been making their home in Floydada prior to moving.

Visiting in the home Saturday were Mr. and Mrs. Travis Young and Mr. and Mrs. James Huckabee and son, South Plains. Mr. and Mrs. Deryl Young and children of Lightfoot, Mr. and Mrs. L. L. Trice and family, Mr. and Mrs. R. E. Young and Peggy and Mr. and Mrs. Bill Shurbet and family, all of Floydada.

TRAINING AT FT. CHAFFEE

Rob Heflin, son of Mr. and Mrs. J. B. Heflin of Plainview, and husband of the former Linda Jones of Floydada, left Saturday for Fort Chaffee, Ark., where he will be in six months training with the National Guard.

Heflin is assigned to radio school and has been training since October with Battery A, 122nd Field Artillery Battalion in Plainview.

Mrs. Heflin will remain in Floydada with her parents, Mr. and Mrs. Dorris Jones, until she can join her husband.

ACTIVE IN BAYLOR SOCIETY WACO, Texas, Jan. 7 — Miss Nancy Meredith, daughter of Mr. and Mrs. C. M. Meredith of 717 W. Miss., in Floydada, has been elected spring semester reporter for Delta Alpha Pi, women's social club at Baylor University.

Miss Meredith is a sophomore at Baylor where she is majoring in elementary education with a minor in Spanish. She was a 1957 graduate of Floydada High School.

Mr. and Mrs. C. E. Finley visited several days last week in Lockney with their daughter, Mrs. Earl Cooper and family, and their son, Leonard M. Finley and family.

Social Security Requires More And Pays More

With their first paychecks of the New Year, the Nation's workers began paying more for their social security protection. The increase amounts to 25 cents more on each \$100 of earnings.

For the first time, annual earnings of up to \$4800 will be subject to the 2 1/2 percent tax for the employee and 2 1/4 for the employer.

If you are one of the 75 million Americans whose work is covered by social security, you'll begin this month to pay a social security tax of 2 1/2 percent on the first \$4800 of your earnings. Your employer will match this tax with an equal amount out of his own pocket.

The tax in 1958 was 2 1/4 percent for the employee and 2 1/4 for the employer on wages up to \$4200. The new tax rate applies to wages paid in 1959, even if the wages are paid for work done in 1958.

The New Year will also bring increased benefit checks to the 12 1/2 million men, women, and children now receiving monthly old-age, survivors, or disability insurance benefits. Effective with the checks delivered early in February, retired workers will get an increase of about 7 percent—some slightly more, some slightly less.

Retired workers' payments now range from \$30 (except for women who retired when they were between 62 and 65) to \$108.50. Beginning with benefit payments for the month of January, the minimum retirement payment for those now on the benefit rolls will be raised from \$30 to \$33, and the maximum will be \$116.

For those who become eligible for benefits in the future, payments may be as high as \$127 (as a result of counting earnings of up to \$4800 in years after 1958).

Payments to those receiving benefits as dependents and survivors will also be increased by about 7 percent effective with checks mailed out in February. But where several members of one family are getting payments, each person may not get a full seven percent increase in his individual benefit amount.

The maximum payment to a family group, until now limited to \$200, may now be as high as \$254.

Mrs. B. A. Howell Has Broken Hip From Fall

Mrs. B. A. Howell of Sterley suffered a shattered hip bone when she slipped and fell on the ice at her home Monday of last week. She was given emergency treatment at Lockney General Hospital and then carried to Plainview Hospital for attention.

Mrs. Howell and her husband operate the Howell's Store at Sterley and have been residents of that community for many years.

MAKE CONVENTION PLANS

Plans were made Monday in Lubbock for the 62nd Annual Convention of the Texas Federation of Women's Club, which is scheduled to be held May 4-6.

Mrs. Ben W. Boyd of Denton, president of TFWC, was on hand to help organize the affair.

Some 500 women from Federated clubs are expected to attend with members of the Study Clubs of Floydada being represented.

Johnny Fred Brown returned home the early part of this week and is said to be resting comfortably in the home of his parents, Mr. and Mrs. Rex Brown. Johnny Fred has been hospitalized at Dallas following a bone graft on his wrist injured while boxing.

Mrs. John Farris is confined pretty much to her home following a two weeks illness. Mrs. Farris had an attack of lumbago and hasn't completely recovered, members of the family said.

News and Features of The New Year

POSSIBILITIES ARE UNLIMITED

L. A. (Fisherman) Marshall about this time each year begin to get their plans set to what they will plant in 1959. One of the best all in many years. Good wheat, corn, etc. You know that twenty-three million bales of cotton in Texas and that the farmers of the Plains realize their possibilities or banding to create strength. This plan

is the secret of the strength of our nation. Everyone agrees that the development of the marketing end of the vegetable business is what is needed most. I assure you this is being done, but profit is not fast enough. Yours truly spent some six months in California observing their marketing and processing plans. I am telling you it is very simple and easier than you might think. Remember this, we are a threat to California. We could raise more than California, but they have been practically feeding the nation for fifty years, via canning and freezing routes. We can do anything

California can and bigger and better. Besides having a wide open opportunity these facts are in our favor. In 1958 over four million babies were born in the USA. About immigration it seems the rest of the world would move in quick if we would let them. Texas has around eight million people so each year we have a minimum of half the population of Texas as of new mouths to feed. That should satisfy those who are afraid of overpopulation. When we meditate back over 1958, probably the most valuable lesson learned by cotton farmers was to

shoot the bug before it bites you or in other words spray cotton when six inches high. If you wait until you need spraying it is too late. You have already been stung. Don't ever forget the true saying, "An ounce of prevention is worth a pound of cure." Our farmers are learning slowly the value of fertilizer. Probably one of the best ones is phosphoric acid, used as a pre-plant or side dressing. It is important to have soil analyzed. Secure blanks from fertilizer dealers and send a sample of soil with one dollar to Texas A&M College, College Station, Tex., telling them what you want to plant. Do not spend money for fertilizer blindly. If each 25 cents spent for fertilizer does not make you an extra dollar there is something wrong. That TV song about the good Lord holding all of us in His hands is as true as preaching. He wants His children to be happy and to love Him. He always runs our cup of joy over, unless we hold the cup upside-down. The key to happiness in this life is to "Praise His Name", every day. Our problems will just fade away. Let's say "thank you" for 1958.

HAVE YOU TRIED ANHYDROUS AMMONIA?

The LOW COST Nitrogen for big boosts in CROP PROFITS!

Farmers report increased yields at low cost. For bigger yields per acre in 1959 for lower production costs, more profit per acre—apply S-D Anhydrous Ammonia.

You can apply S-D Anhydrous direct to the soil with injection equipment either before or when you turn under stubble, stalks or cover crops. It may be applied into irrigation water with metering equipment.
