General Rains Over High Plains Drop Welcome Season in Floyd

Fall Ranges From More Than An Inch To Two Over County

Rainfall that was general over the high plains and a wide area of West Texas fell for several hours beginning Tuesday morning over Floyd County and continued through the night into the small hours of Wednesday. It brought most welcome moisture that ranged from 1.2 inches at Floydada to almost two inches at Dougherty, and varying generous amounts all over the county and into adjacent counties.

The moisture came in on a cold front that trapped a big mass of moisture laden gulf air. Lightning was rather severe in some parts of the county but no material damage has been learned of in reports up to 10 o'clock Wednesday.

Center News

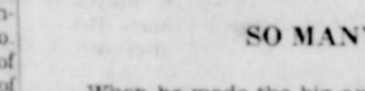

(By Mrs. J. E. Green)

CENTER, April 6 — Spring has evidently arrived. It has been very warm today and it is still dry with some suggestive clouds making the sky hazy. Sunday was also a warm day.

Brother Robert White is in Amarillo this week holding a revival at Grants Heights.

In his absence from Center, Dr. I. Bishop, Bible teacher at Wayland, filled our pulpit. Other visitors in our church were Mrs. Carey's daughter and family, Mr. and Mrs. Bill Muncrief and baby, Sherri of Colorado City. They

POLIO SHOTS

This is the month to begin or complete the series of Salk Vaccine Shots. This is your opportunity to declare war on Polio. Now is a good time to start the shots. It takes only three. The first two should be two to six weeks apart. The third is given seven to twelve months after the second. There is still time to build your defense before the onset of the '59 polio season.

Why risk your health or the health of your children? Get your shots today!

SPRING-A-LING! IT'S KITCHEN TELEPHONE TIME

I guess you might say that Spring and color just go together. The lawns are getting greener, trees and flowers are starting to bloom, and soon there'll be color all around us.

Spring is also a time for housecleaning and remodeling—at least at our house where we always have a project or two on hand. Whether it's housecleaning or remodeling—or both—why not add an extra touch of color like a friend of mine did recently?

His wife was having a new counter-top installed in the kitchen, and called to tell him what a professional job the carpenter was doing.

Figuring that he wouldn't let the carpenter steal his thunder, my friend called the telephone company and ordered a white wall phone for the kitchen.

SO MANY COLORS!

When he made the big announcement at dinner, my friend admitted he was worried about his choice of color. "They had so many colors," he explained, "I wasn't sure which to choose. They had red, green, beige . . ."

"But white goes best with the new counter-top," his wife interrupted, "just what I needed to perk up the kitchen even more."

The moral of this story is if you want to be a hero, add that extra touch of color by ordering a kitchen telephone for your wife. A kitchen telephone in color will brighten up the room, help her get things done, and let her chat with friends between chores.

P. S. Be a hero. Call the telephone company today.

Call by number. It's twice as fast.

Tea Compliments Mrs. Wayne Adams

A bridal tea given on Tuesday afternoon, March 31, at the home of Mrs. Early Pritchett complimented Mrs. Wayne Adams, the former Miss Fleeta Carthel of Floydada. Assisting in hospitalities were hostesses Misses J. P. Taylor, Grigsby Milton, Roy Bledsoe, Bryant Higginbotham, L. N. Johnson, E. J. Kinslow, L. T. Wood, H. L. Marble, and Mrs. Dock Jones.

The list of around 70 guests were invited to come between the hours of four and six o'clock.

Yellow and white were the bride's colors, and they were carried out in the decor of the table and the entertaining rooms. The focal point of interest on the white linen covered serving table was a bride and groom, in a lovely floral arrangement of white carnations.

Punch and cake squares, decorated in yellow, with yellow mints, were served from crystal appointments.

Mrs. Bledsoe registered the guests in a white bride's book. The hostess gift was a set of cookware. A gift from the bride's parents, Mr. and Mrs. Aaron Carthel was a sewing machine. His parents, Mr. and Mrs. R. H. Adams presented a beautiful bedspread.

The bride and groom are now attending high school in Floydada.

Mr. and Mrs. Harry Hartman entertained on Sunday at a buffet dinner in honor of their son, James who has been home from Camp Chaffee, Ark., for the past ten days and will leave on Thursday for another 2 weeks there. With his parents and brothers, Edward and Roy, were brothers Bob, and Mr. and Mrs. Charles Hartman and son, all of Lubbock, and Mrs. Hartman's family, Mrs. J. B. Jarnagin, the Lloyd Horns, the Floyd Jarnagins, all of Lubbock, the Jerry Jarnagins of Plainview, and the Marlin Jarnagins of Silverton.

Mr. and Mrs. Don Probasco were hosts at dinner on Sunday to friends from Floydada, Mr. and Mrs. Delmar McCormick, who spent the afternoon in their home.

BIBLE BAPTIST CHURCH
 THIS WE BELIEVE (No. 7)

WE BELIEVE THE LORD'S SUPPER WAS RESTRICTED, and should be today also. **ONLY THE SAVED AND THOSE WHO ARE BAPTIZED** (in water, This We Believe No. 3) into his body (Church) are to partake of it.

JUDAS DID NOT partake of the Lord's Supper. He partook of the Passover Supper (Mark: 14: 21) but not of the Lord's Supper, because after he received the sop he went immediately out. (John: 13: 26, 30) After he left the rest partook of the Lord's Supper. (Mark: 14: 22, 26).

JESUS BELIEVED IN CLOSE COMMUNION, because he did not invite even his mother Mary, neither his good friends Mary, Martha and Lazarus. (Mark 14: 17, Matt: 26: 20).

THE LORD'S SUPPER WAS FOR THE PURPOSE OF SHOWING (declaring) **THE LORD'S DEATH, TILL HE COMES.** (I Cor: 11: 26).

The Bread represented the body of Jesus broken in Death. (Matt: 26: 26). The wine represented the **BLOOD** shed for the **REMISSION** (forgiveness) of sins. Forgiveness and cleansing is found by faith in His shed blood. (Matt: 26: 26; Acts: 10: 39, 43; Rev. 1: 5; I John 1: 7).

FORGIVENESS AND CLEANSING IS NOT FOUND IN WATER but IN THE BLOOD. THE LORD'S SUPPER WAS INSTITUTED AT NIGHT NOT DURING THE DAY. (Matt: 26: 21; Mark: 14: 22, John 13: 30).

JESUS SET NO TIME NOR DAY FOR THE LORD'S SUPPER TO BE GIVEN. But **AS OFTEN AS YOU DO IT,** do it as remembrance of Me. (Luke 22: 19; I Cor: 11: 26) Some believe that when Breaking of Bread is mentioned **IT ALWAYS REFERS TO THE LORD'S SUPPER.** If that be so they only did **HALF RIGHT,** because they **DIDNT PARTAKE OF THE WINE.** (Acts 2: 42-46; Acts 20: 6-7).

Breaking of Bread **MOST OF THE TIME** in the Bible refers to the **FEEDING UPON THE WORD OF GOD, THE BREAKING OF THE BREAD OF LIFE.** (Jesus or the Word) (Read John 6: 27, 64; John 1: 14; Acts 20: 28) **SOMETIMES IT REFERS TO EATING PHYSICAL FOOD,** with Bread and meat. (Acts 27: 33, 37) When the Lord's Supper is intended, it will say the Lord's Supper.

Now then you should know that Acts 2: 42, and 46 and others does not refer to the Lord's Supper, but to feeding upon the Bread of Life (Jesus and His Word); and sometimes physical food.

SOUTH PLAINS

(By Mrs. Murray Julian)

SOUTH PLAINS, April 6.—Work is progressing well on the South Plains Baptist Church, with the partitions in the sheet rock on, and many rooms to the point where you can tell the finished look. Ninety-one were present Sunday morning, and at the evening services Terry Kim, Korean missionary from Wayland College, was present to speak to the congregation. Rev. John Gillespie will leave April 12-19 for the Finney Baptist Church near Plainview to hold a revival there.

Mr. and Mrs. Landon Peters and John Paul, from Lamesa, were Saturday night and Sunday morning with the party. Mr. and Mrs. E. L. Morrison left Sunday morning to go to Dallas where they were to register for the Cotton Gainers Convention which will go through Monday and Tuesday. They planned to be home Wednesday night.

Mr. and Mrs. Philip Smithman and Mrs. Ernest Smithman left early Friday morning for Denver, Colo., to see Larry Smithman over the week-end. Larry attends the Colorado Institute of Art in Denver. They stayed with them on Wednesday from WTSC at Canon, suffering with the flu but living and visited places of interest before coming home Sunday night.

Mr. and Mrs. Sylvan Kinnibrugh went to the REA kitchen for a meeting of the Annual Planning Committee on Friday night. Every one set aside the date of April 13 for the all Day Annual Meeting of the REA down at the Plains Assembly. Mrs. Garvin Beedy was hostess at a jewelry party in her home at 9:30 Thursday morning with Mrs. Mildred Simpson of Plainview showing the Sarah Coventry jewelery. Mrs. Beedy served hot coffee and doughnuts to Misses John Key West, Fred Fortenberry, Mr. and Mrs. Murray Julian, George West, George West, Juanita Brush, Gene Morrison, Rex Smithman, and Mrs. Kenneth Bean. Children had dinner and supper with their present were Ronya and Rose daughter-in-law's folks, Mr. and Mrs. Dick Althoff, Harold and Clara and Diane Bean.

Bruce Julian was out of school with bronchitis on Thursday and Friday of last week. Many children

to Amarillo last Friday to see his mother and sister, Mrs. Milton and Linnie.

Mr. and Mrs. Fred Fortenberry went to Tullia on Sunday to spend the day, visiting with her brother Mr. and Mrs. Larnce McCain and children.

Several from here plan to attend the Calvary Baptist revival services which are being held this week in Floydada with the Rev. Larry Faus, former pastor here, doing the preaching. The Miltons attended the services on Monday night.

Mrs. I. H. Parks was in charge of the South Plains PTA meeting on Friday night with a covered dish supper, games of forty-two and games for the children, enjoyed during the evening. A goodly number attended. Several members have said they would attend the District PTA Meeting which will be held on April 14, from 9:45 to 4:30, with a banquet to be held that night in the Plainview High School.

Mr. and Mrs. Bryant Higginbotham visited in the home of Mrs. W. M. Stanforth, Sr., on Sunday afternoon.

Voters at South Plains went to the polls to vote in the common district school election which was held on Saturday with Mr. and Mrs. Frank McClure and Mrs. Sim Reeves holding the election. Trustees elected to fill the expiring terms of Roy Bledsoe and E. J. Kinslow, were Leighton Teeple and E. J. Kinslow.

Eugene Beedy and Kendis Julian of Canyon's West Texas State College, were home over the week-end with their parents, the Murray Julians, and the Bill Beedys. Kendis will go to Fort Sill, Okla., with about 40 other ROTC boys from the college next Thursday, to spend the week-end at the army base there, and see all types of artillery, and their uses on the firing range.

Dinner guests in the home of Mr. and Mrs. Sim Reeves on Sunday were their children, Mr. and Mrs. Ted Bell and Rex, of Floyd, Sandy, Jean and Jeanette of Lubbock, and Mr. and Mrs. Raymond Reeves and Carol Ann, the occasion being the birthday celebration of Mrs. Raymond Reeves. Mrs. Sim Reeves and Mrs. Bell were visitors in Lubbock on Thursday.

Joann Newton came home on Thursday from the hospital in Lockney, but was not able to go to school until Monday of this week.

Mr. and Mrs. E. L. Morrison were Saturday night and Sunday morning with the party. Mr. and Mrs. E. L. Morrison left Sunday morning to go to Dallas where they were to register for the Cotton Gainers Convention which will go through Monday and Tuesday. They planned to be home Wednesday night.

Bruce Julian was out of school with bronchitis on Thursday and Friday of last week. Many children

are thinking of the summer take a few precautions against the clothes moth.

These insects prefer to attack woolen garments hanging idly for long periods in dark closets. They go for soiled spots on clothes. It may seem expensive to have all your winter woollens cleaned before storing for the summer, but that will be cheaper than replacing them next fall. Dry cleaning kills all forms of the moth at the time of treatment but does not insure permanent protection. If they are immediately put into paper bags and sealed with gummed tape they will be protected indefinitely.

Be sure all of your woollens are dry cleaned, washed, or at least aired in the sunlight before you store them for the summer.

Re-decorating For Spring?

Are you painting your rooms to freshen them up and brighten up this spring? If you are considering this for the best use of your lighting dollar, your ceilings should be white or off-white. Dark colored ceilings darken the room and waste some of the light put out by light bulbs. Better light preserves eyesight so make your ceilings white.

4-H Demonstration Contest

Forty-five girls are planning to give demonstrations on Dairy Foods, Vegetables, or Clothing in the Floydada High School Home Economics room this Saturday. It will begin at 9:30 a. m. Mrs. Joan Chesher Johnson of Lubbock, former Assistant Home Demonstration Agent at Plainview will judge the girls beginning at 9:30 a. m. The girls will be placed in blue, red or white ribbon groups. A schedule has been made out and sent to those girls that indicated they would participate.

'Russia Would Dominate The World' -- Poe

The auditorium of the First Methodist Church had a capacity crowd Sunday night to hear Miss Helen Poe of Dallas give an informative and interesting lecture on her experiences on a trip through Russia last year.

Miss Poe, known for her inspirational lectures on Christianity and faith, compared prices on every day essentials to American families such as food, clothing and shelter.

One of her experiences while in Russia was that she declared her faith a Christian, making a request to go to church one Sunday.

Miss Poe said there are only six churches in the city of Leningrad to take care of about 3,000,000 persons. A guide was necessary for Miss Poe to attend church services. He had never been in a church until that day and was 26 years of age.

She continued to say that Russia is working for the domination of the world and that is a cold, cold fact and not hysteria, and that the time had come to pray to God before to do something about helping missionaries. Only one-half of one percent of Asia, where the bulk of population live, are Christians, and the missionaries have a hard struggle to teach the word of God and reach the people through Christian faith in order to stop the march of Communism.

On May 14, the speaker will enplane for New York, then on to Rome where she will catch a plane for Cairo, Egypt, for an interview with Mr. Nasser.

From there Miss Poe will travel to the Middle East countries including Jordan, Syria, Lebanon, Turkey, and Greece to look into the interdenominational program. She will also visit behind the Iron Curtain in Yugoslavia, Romania, Poland, and possibly Hungary if a visa and passport can be arranged, then home via Rome arriving in mid-summer.

Miss Poe is scheduled to speak to the D. A. R. in Washington, D. C. in two weeks, prior to her overseas venture.

While in Floydada Miss Poe was guest of the J. H. Barnards.

Mr. Blanco News

(By Mrs. J. R. Williams) MT. BLANCO, April 6 — There is a revival meeting going on this week at the church. Dr. John Freeman of Wayland is the evangelist. Prayer meeting begins at 7:30 p. m. and preaching at 8 o'clock.

The Mary-Martha Sunday School class met Friday in the home of Mrs. Verna McSwain for their monthly business meeting and get-together. Present were Meses. R. E. Spurgin, S. G. Appling, Alton Stroud and E. H. Brown.

The Organization of Conformists and Conventionals are taking quite a beating in the literature of this restless and dissatisfied age.

Even in Science, they win few prizes.

Nevertheless, the conformists and the conventionalists are the backbone of Science. By unglamorous drudgery, they produce the techniques, the dependable data, the invaluable charts and graphs which more imaginative scientists translate into spectacular findings leading to new eras in medicine.

Without the ores mined so tediously by conformists, the glittering handwork of the artists of Science would not be possible.

No scientist ever worked completely alone — the most renowned researchers did no more than build upon foundations laid by predecessors and contemporaries.

They used tools and techniques developed by unhonored members of the profession.

But neither organized science nor any "organization scientist" has made much of a dent so far in the cancer problem. And the chances are they never will.

Perhaps the best bet for solving cancer — as it has been for solving almost all the diseases which have gone off the list of leading killers — will be a bold and brilliant rebel with unconventional ideas. This type and his off-beat ideas are a little better tolerated in organized science than in organized politics or organized society.

The intellectual trouble-maker who solves cancer may take facts available to everyone in the field, rearrange or interpret them a little differently and come up with the vital answer.

Take the fact that cancer is called uncontrolled growth, for instance.

He will find several reports in scientific literature that rays and chemicals which cause cancer don't cause growth. On the contrary, what causes cancer suppresses growth. The cancer-causers suppress growth of tissues and of the body as a whole; and some are said to cause rapid age-

Hoppers Will Observe 60th Wedding Day

Mr. and Mrs. Paul Sparkman and family, members who have lived in the Starkey community for many years have moved into Plainview where they will operate a book and gift shop they have bought at 1708 W. 7th street, out near Wayland College. We regret losing them from our lines, but we do wish them well in their new venture and much happiness in their new home. They would like to rent their home in the Starkey community.

Mr. and Mrs. E. J. Barker and Mr. and Mrs. E. B. Chesnut visited in the Cecil Baxter home on Sunday.

Mr. and Mrs. Norval Bedell and Blake of Canyon, spent the week-end in Floydada with relatives.

Mr. and Mrs. Albert King were in Floydada Sunday afternoon visiting friends.

A demonstration was given last Friday for the Crosbyton Needlepoint Club in the home of Mrs. Ben Richardson. The demonstration was "Desserts".

On Wednesday of last week the Wake Club met in the home of Mrs. Kenneth Havens. The demonstration was given on "Quickies" or foods that may be prepared quickly to fit into the busy schedules of today's living.

Something to think about — Some people may have their first DOLLAR, but the man who is really rich is the one who has his first friend.

Mr. and Mrs. Pete Hickerson, and Mrs. Kearney Edmiston and Dorothy visited Harriet Hollums in the Methodist Hospital in Lubbock, Sunday afternoon.

Mrs. Grady Dunavant of the Lakeview community was a co-op visitor last Thursday morning.

Mrs. Holland Mitchell of Waco came by for a visit on Thursday afternoon, and to pick up one of the Lighthouse cook books. Mrs. Mitchell will be remembered as Miss Hazel Jones of the Lakeview community, daughter of the late Mr. and Mrs. W. N. Jones.

We are glad to report that

Dodge gives you more for less

Talk is cheap. Anyone can make claims. So let's be specific about the extras you get in Dodge at no extra cost. Torson-Aire Ride—conceded the finest suspension in the industry—standard equipment on all Dodge models. Total-Contact Brakes, Safety-Rin Wheels, Electric Windshield Wipers, Independent Parking Brake—all standard on Dodge. Of course, you can also choose from such Dodge options as Push-Button Driving, Full-Time Power Steering and Swing-Out Swivel Seats.

There's a big difference in comfort, too

Goodness knows, we certainly don't want to knock competition. But we feel obligated to point out the comfort and convenience of the '59 Dodge. If you've tried getting into some of the other '59 cars you know just what we mean. To say it is difficult would honestly be an understatement. That's why we hope you'll come in and compare the difference in Dodge. How much easier it is to get in and out of a Dodge. How much more comfortable it is to sit in a Dodge. How much more room you have to stretch out. Really, it pays to own a Dodge.

It doesn't cost a penny to get the facts

We don't expect you to rush in and plunk down your money for a new Dodge just on the basis of what you've read. But if what you've read seems to make sense, we do hope you'll stop in to see, to drive and to price a Dodge. We think it's a whole of a buy, but then maybe we're prejudiced. Why not drop in and judge for yourself. We'll be more than happy to give you all the facts. No obligation, of course.

It Pays to Own a Dodge!

(It could save you hundreds of dollars!)

Okay, it's settled. You've thought about it and talked about it and now you've decided: A new car—and soon. Now for the jackpot question. Which '59 car will it be?

Unless you happen to be a M. G. G. G. G. G., you'll probably think pretty carefully before you finally make the move. You'll do more shopping and compare more closely. And you'll ask yourself some basic questions. How much will a new car cost me to buy? How much will it cost me to drive? What do I get for my money?

There is no mystery about new car prices

Until this year, it was hard to compare different makes of cars to find which offered the most value for the money. It was like comparing apples and bananas. But not any more. Not since all new cars are required to carry price labels. Now, for the first time, you can compare various makes and models and see exactly what you're getting for your money. It's like exposing the hole cards in a game of stud poker: You know exactly where you stand.

Why should you buy a Dodge?

No one has to tell you that there are a number of cars on the market that sell for less than a Dodge. No cigar on that count. You know it and we know it. But there are things you get in a Dodge that you simply can't get in these other smaller cars. And this is important. Dodge gives you all of these things—the bigness and roominess, the comfort and ride, the luxury and prestige—for less than other cars in its field.

It's not just a few dollars less, either; in many cases it's literally *hundreds of dollars* less. Some Dodge models are even priced lower than the so-called "low-priced cars." (We'll be happy to show you the actual suggested retail prices.)

All cars cost money to run—but how much?

It would be nice if you just bought a new car and that was that. It didn't burn gas. Didn't use oil. Never needed service. But that's wishful thinking. Cars do use gas and oil. They do need service occasionally. But that doesn't mean that all cars cost the same to drive and maintain. Not by a jugful. There's a big difference.

Dodge is designed to run for less

Dodge has always had a reputation for economical operation. People who have owned them have found it costs less to run a Dodge, and that a Dodge needs service less often.

Take gasoline economy. The new Dodge 326 cu. in. Red Ram V-8 engine, because of its design and efficiency, will take you *miles farther* on a gallon of gas than any other V-8 in the Dodge field. You save money every mile you drive.

But that's only part of the story. The way Dodge is engineered and built saves you money on such things as engine wear, brake relining, tune-ups, spark plug replacement. When you add them all up, they represent quite a saving. Another reason why it pays to own a Dodge.

What do you get for what you pay?

According to Manufacturer's Suggested Retail Prices, Dodge generally costs less, model for model, than other cars in its field. Fine and dandy. But while price is important, it isn't the only consideration. The real standard of value—whether you're buying a new car or a can of beans—is what you get for what you pay. It's the "extras" you get at no extra cost that really determine which car is the best buy.

Dodge gives you more for less

Talk is cheap. Anyone can make claims. So let's be specific about the extras you get in Dodge at no extra cost. Torson-Aire Ride—conceded the finest suspension in the industry—standard equipment on all Dodge models. High Yields of Cash and Large Crops, Using Ammonia

successful Hale County farmer, Phillips 66 Ammonia pre-plant crops. My yields per acre—since I use ammonia are: cotton, 2 bales; sorghum, 4500 pounds; castor beans, 3000; Sargo silage, 20 tons.

practice has been to apply Phillips 66 Ammonia in the following amounts: cotton, 100 lbs per acre; sorghum, castor beans 100 lbs per acre; Sargo silage, 100 pounds. My yield in-creased over 50%.

discovered that they make more profit per acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin... yields of sorghum grain and ensilage are increased... profits on wheat and small grains are increased through higher grain yields and improved forage... more marketable vegetables are harvested.

Phillips 66 Ammonia can be easily applied either by you or your distributor. See us today about Phillips 66 Agricultural Ammonia... it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Carmack Plans Construction Of Commercial Pullet Plant

C. B. Carmack this week is planning the construction of a pullet raising business on a production basis of 4,000 pullets every four months, using DeKalb hybrid chicks and the General Mills feeding plan.

He recently acquired a two and a fourth acre block on Highway 207 in the southwest part of the city from Jas. B. Fenton and plans to locate the business there. The plot of ground is officially known as Block 8 in the Lakeside Addition.

Plans and specifications call for two buildings, one 204 feet long by 24 feet and eight inches wide, the other 20 x 60 feet. Two will be fitted up according to specifications which will insure the most efficient handling to finish the pullets.

The property this week is being cleared of all improvements except a residence and a garage, the latter being in process of repair.

The residence, according to plans, will be occupied by Mr. and Mrs. W. A. Glenn, former residents of Floydada, now of Childress, who are planning to return here soon. Mr. and Mrs. Glenn are parents of Mrs. Carmack.

The operation will be a "vertical" plan arrangement. Carmack said, with a guaranteed market. A fly in the ointment is a protest lodged by members of the Progressive Baptist Church and other residents of the suburb, who ask-a-petition to be heard by the City Council on Monday and Tuesday. Some members of the Floydada Rotarians were on a petition protesting the location of the plant in that part of town. It would, their petition for the full three day session.

Only three members of the City Council were present for the discussion held Friday afternoon at 4:30 at city hall. More than 30 others in all were present. The council deferred any action hoping that an amicable understanding would be reached.

Carmack's plans call for the buildings to face west on South Tree street.

Two other Floydada families are making plans to get into the egg production. They are Charles Horton, who has completed a house that will accommodate 1,500 layers, and Doyle Sandefur who was clearing off the ground this week to build a similar plant.

Both Horton and Sandefur live in Center District, and are erecting the layer plants on their farms.

HOSPITAL NOTES

Patients in Peoples Hospital this week include V. C. Hagood, E. Horton, who has completed a house that will accommodate 1,500 layers, and Doyle Sandefur who was clearing off the ground this week to build a similar plant.

Both Horton and Sandefur live in Center District, and are erecting the layer plants on their farms.

FARM BUREAU

Statement of Policy

If you are not now a member of Farm Bureau during the next week one of your neighbors will call on you to give you the opportunity to join the largest farm organization on either county, state or national level. Farm Bureau has not always been consistent on policy details but has been consistent in demands for economy in Government. And in demanding a halt to:

1. Big government through usurpation of powers allocated to local and state governments.
2. The rewriting of the constitution by court order and executive decree or treaty.
3. The continued trend toward socialism and inflation which will in time lead to national bankruptcy.
4. To the monopoly being established by organized labor and the resulting influence on our economy by men of the Hoffa and Beck type. We also believe that to join with organized labor is a mistake because our interest as separate groups conflict, since their purpose is to secure our products at the lowest possible cost.

Farm Bureau is made up of Farmers, run by farmers and therefore tries to represent the farmers interest.

There continues to be the myth that Farm Bureau is not democratic and is entirely controlled by the Corn States of the middle west.

The national directors of Farm Bureau are drawn equally from four sections of the country:

- The south with 13 states, Texas and Okla. on the west, Okla., Ark., Ky., and Va. on the north.
- The west, all eleven states west of a line from the west side of the panhandle north;
- The midwest 12 states with the Dakotas, Neb. and Kan. on the west and Ohio on the east;
- And the 12 New England or Northeastern states.

Policy is written first in the county convention with all members welcome, delegates from the counties meet at the state convention, to write the state policy and delegates from the state conventions write the national policy. The voting delegates are based on membership.

May we point out that Texas with 75-100% sign up could rank with the highest in the mid-west.

50th Wedding Day Observed By Jacksons

Mr. and Mrs. Andy C. Jackson were honored on Easter Sunday their Golden Wedding anniversary, with the presence of all their children, grandchildren and great-grandchildren. The family joined descendants of Mrs. Jackson's family at Mackenzie State Park for a reunion.

Mr. and Mrs. Jackson were presented a sterling silver set from their three sons and members of their family, including the grandchildren.

Mrs. Jackson was Jewel Foster before her marriage. She was born in Wise County, March 5, 1882. Mr. Jackson was born in Jack County on June 21, 1891. The couple were married March 26, 1909, in Plains County and came to the Plains in 1915.

Mrs. Jackson recalls their trip to West Texas vividly. She and her husband, the three sons, who were babes in arms, started out in a covered wagon. There were very few roads, mostly cow trails then. They came through storms having to seek shelter on the way.

In Paducah, the smallest of the boys became ill and the family had to stop over-night to seek medical attention. The long tiresome trip was finally over with Mrs. Jackson said, and they settled in Floyd County in 1915 and have made their home here since.

Mr. Jackson is a retired farmer and cattle buyer, and Mrs. Jackson is employed at Arwino Drug. Both are active in civic organizations and church work.

Mrs. Jackson said there had been no deaths in the family for four generations.

Their children and families are Mr. and Mrs. Alva Jackson, Floydada, Mr. and Mrs. Bill Jackson, Hale Center, Mr. and Mrs. Leo Jackson, Irving.

Grandchildren are Mr. and Mrs. Rex Smithman, South Plains, Mr. and Mrs. Kenneth Bishop, Floydada, Bobby and Lynn Jackson of Dallas, Myrna Gail Jackson, Commerce, Billy Bob Jackson, Canyon, and Susan Jackson, Hale Center.

Great grandchildren are Kelly Rex and Terri Bryn Smithman, and Bonnie and Billie Bishop.

Weed Control: Winter weeds and bindweed can be controlled now if they are growing rapidly in wheat or other fields. Bindweed patches may be treated with 2-4 D. One-half pound per acre. Be sure if land is sprayed where you plan on following with cotton that the 2-4 D is applied at least 2 weeks before planting. This is one method of doing some control work on bindweed when soil sterilants cost are prohibitive.

Cattle Feeding: The Spur Experiment Station has carried on some feeding experiments using a basic ration of 2 lbs. cottonseed meal 8.67 lbs. of sorghum grain and 49 lbs. of sorghum silage. These steers were put in the feedlot weighing 770. Antibiotics and hormones were used as feed additives. The control lot gained 2.25 pounds per day with a feed cost of \$24.00 per 100 lbs. of gain. The lot fed 10 milligrams of stilbestrol gained 2.73 lbs. per day with a feed cost of \$20.22 per 100 lbs. of gain. Feed additives show that more gain at less cost can be accomplished.

4-H Club Work: Many of the 4-H club boys and girls are getting ready for demonstration contest. Field crops, entomology, tractor operator and other contest are being entered. These contests finish up at the State 4-H Round-up.

Boys and girls are also starting steer projects for the coming year. About 30 steers have been started for the next year's show.

Several of the boys are making plans to show at the State Fair of Texas this coming October. Mostly barrows will be selected and fed to go this show.

Couple To Observe Silver Anniversary Sunday Afternoon

Rev. and Mrs. C. A. Breeding will observe their silver wedding anniversary Sunday afternoon, next, and are inviting their friends to call between the hours of 2 o'clock and 4.

The Breeding's were married April 9, 1904, in Hopkins County. They have been making their home in Floydada for ten and a half years.

Their home is at 741 West Price Street.

Mrs. Porter Finley was brought home Friday from Methodist Hospital at Lubbock, where she was confined several days after undergoing surgery. She is reported doing nicely at this time.

CAR INSPECTION DEADLINE

Motorist are being warned that they have until April 15, next Wednesday, to have their vehicles safety inspected and have the sticker on windshield by that date.

The Texas Department of Public Safety warns that any motor vehicle driven without a sticker after that date, will subject the owner to a fine.

CARD OF THANKS

Our sincere thanks and gratitude to our friends and neighbors for all the comforting acts, floral offerings and cards and help in our recent sorrow.

The family of C. L. Kelly baseball.

WILL TAYLOR REPORTED IN CRITICAL CONDITION

Will Taylor, Floydada trucker, remains in critical condition in Lockney General Hospital where he was taken about midnight Sunday after suffering a heart attack.

Taylor, 37, became ill during the afternoon Sunday with what was thought to be indigestion. His condition became worse in the later hours.

A stepson, Glen Dale Baker, who is stationed in Iceland, is expected home any time to be with the family.

Harriett Hollums, 12 year old daughter of Mr. and Mrs. Duncan Hollums was released from Methodist Hospital yesterday afternoon after being hospitalized there since last Thursday with an eye focal infection and injury. The young lady was hit in the left eye from a hard hit.

Births

Mr. and Mrs. Jackie Jarrett are the proud parents of a baby daughter, Tammy Jean, born at Lockney General Hospital April 6. The baby weighed seven pounds, six ounces at birth. She is the granddaughter of Mr. and Mrs. Bob Collier and Mr. and Mrs. Carl Jarrett. Great grand parents are Mr. and Mrs. C. L. Jarrett, Mr. and Mrs. O. B. Sims, Mrs. Kate Collier, all of Floydada, and Mrs. Robert E. Jones of Lubbock.

Michael Brent was born in an Odessa Hospital Monday evening to Mr. and Mrs. Billy K. Baker. The baby is the first born to the couple. Mrs. Baker is the former Barbara Hicks, daughter of Mr. and Mrs. Leland G. Hicks of Lubbock, Baker is employed with an engineering firm at Odessa.

Mr. and Mrs. W. O. Baker of Floydada are paternal grandparents, and Mrs. Jess Quinton of Arkansas is paternal great grandmother.

Mr. and Mrs. Don Hollums of Pomeroy, Wash., are parents of a baby daughter born on March 23. Kelly Marie weighed seven pounds and three ounces at birth, and is the new granddaughter of Mr. and Mrs. Walter Hollums of Floydada.

The mother is the former Helen Taylor, daughter of Mr. and Mrs. Paul Taylor of Spearman. Mrs. J. M. Bartlett of Plainview is paternal great grandmother. Mr. Hollums farms in the Pomeroy area.

Veterans Install 1959 Officers

New officers of J. W. Harrison Post, Veterans of Foreign Wars, were installed at a meeting Tuesday night by the 18th District vice-commander Alvin H. Noel of Plainview.

Installed as post commander was Bobby Bishop, senior vice-commander, Floyd Jones, junior vice-commander, W. R. Daniel, quartermaster, Edward E. Looney, three year trustee, Billy Joe Baker, chaplain, Raymond P. Ayres, post surgeon, George H. Mize, and post service officer, Sam A. Spence.

James H. Price is retiring commander.

V. F. W. meetings are being held the first Tuesday of each month at 8 p. m. in the Post Hall. Veterans of foreign wars are urged to attend these meetings.

Forgery Gang Apprehended; Plead Guilty

The sheriff's department had a busy week, what with infractions ranging from intoxication to forgery and theft.

Sheriff Walter Hollums said the forgery charges stem from nine checks, signed with various names in Floydada. In this confederation are four persons, all colored, one male and three females. They have signed confessions. The sheriff said also admitting six forgeries in Hale County and three in Briscoe.

The check passers are Mrs. Gladys Wooley and her daughter Martha Odum, a step-daughter, Mary Milton, and a male named Leavitt Tinner. Following the filing of complaints Mrs. Wooley and her daughter have been released on bail. Tinner and the step-daughter were still being held Tuesday afternoon.

Checks were passed at Hagoods, Beall Bros., Keims, and Fuqua Farm Supply. They had been turned into the sheriff's office, but Hollums said all they had was a description of the persons giving the checks. Later in the week a call was received from Quitaque that the party had just left that city after giving several "hot checks". A description of the car was also given.

The car and its occupants were apprehended by Hollums and Deputy Ernest Hucklebee on the Silverton highway as the Negroes were returning to Floydada.

One other forgery charge was placed against Mary Baker, white female of Plainview. She has been released after admitting she gave six checks at Lockney, and one in Floydada.

The theft charge involved a 12 year old Latin American boy who took a late model Ford Station wagon from in front of the Ralls High School and drove it to Floydada.

Sheriff Hollums said he received a call from Andrews Ward school here, saying that the youth was in the car there and was howards at Dougherty.

Forgery Gang Apprehended; Plead Guilty

The speaker was presented by Richard F. Stovall.

Mr. and Mrs. Anderson plan to leave the latter part of the week for home school here, saying that the youth at present they are guests of the was in the car there and was howards at Dougherty.

REVIVAL BEGINS SUNDAY AT SAND HILL CHURCH

The Sand Hill Baptist Revival will begin Sunday, April 12, and last through Sunday, April 19.

Services will be held twice daily. The morning service will begin at 9 o'clock and each evening at 8 o'clock. Prayer meetings will begin at 7:30 each evening.

Brother Jack Tauter, a former pastor of Sand Hill and now of California will preach. Brother Bill Rowland will be leading the singing.

Everyone is extended an invitation to attend at the services.

A certain species of ant cultivated grass around its hill, harvests the seeds and stores them away for food.

Cancer Crusade Being Organized

The Cancer Crusade in the residential part of Floydada will be held the night of April 20. Mrs. Fred Zimmerman Jr. said yesterday.

Organizing teams for the drive, she said, are Mrs. A. E. Guthrie, Mrs. Emily Potts and Mrs. John Kimble, team captains.

The solicitors will meet in the Lighthouse lobby to get final instructions.

Mrs. Bill Hodel, county Crusade chairman, has named J. M. Willson Jr., as chairman for the business district in Floydada and for special gifts.

Mrs. Hodel also is organizing for the Crusade in all parts of the county.

SISTER OF LOCAL PEOPLE IS ILL IN SAN ANTONIO

Mrs. L. D. Stripling, of Houston, a sister of Alva T. Hull and Mrs. J. D. McBrien, has been ill in a San Antonio hospital for several days and is likely to remain under care of a doctor for sometime yet.

Mrs. Stripling's husband is a builder. The couple were in San Antonio where he had contracted work when she became ill.

Mrs. McBrien is in San Antonio this week with her sister, having traveled down last week-end in company with Mr. Hill. The latter returned home Monday.

Ballard-Stoker Vows Repeated Saturday Eve

In a lovely doubling ceremony read Saturday evening at 8 o'clock, Miss LaFaun Wynell Ballard became the bride of John Mark Stoker of Wilson. The Rev. DeWitt Seago officiated at the wedding held in the First Methodist Church.

Miss Ballard is the daughter of Mrs. Floyd Ballard and the late Floyd Ballard of Floydada. The bridegroom is the son of Mr. and Mrs. W. P. Stoker of Wilson.

E. R. Aday of Lubbock, manager of the company with which her in marriage. She wore an original gown of Chantilly lace and tulle over taffeta fashioned with pearls. Long sleeves which tapered at the hand, accented the molded bodice, the voluminous skirt was enhanced by appliqued panels of Chantilly lace and alternating ruffles of lace and tulle at the back. Her veil of French silk illusion was sprinkled with pearls and caught to a Juliet hat of lace.

The bridal bouquet of orchids showered with feathered streamers, were carried on a white prayer book. For something old, were the bride's earrings, something new was her wedding attire, something borrowed was her headpiece belonging to Mrs. Roger Poage, and something blue was her garter. She wore a penny in her shoe for luck, bearing the date of her birth.

Maid of honor was Miss Shirley Price of Lubbock, and Mrs. Kenneth Wampler of Houston was bridesmaid. Each wore identical princess style dresses of sky-blue crystalline and taffeta fashioned with v-necklines and street-length skirts. They carried a nosegay of white carnations with blue streamers.

Cheryl and Pamela Hallmark of Lamesa, cousins of the bride, were candlelighters. Each wore dresses similar to the bridal attendants; Miss Barbara Wisdom and Miss Carol Lawson served cake, and Paul G. Stoker of Las Cruces.

MRS. JOHN MARK STOKER (Miss La Faun Wynell Ballard)

Guests were registered, from Las Cruces, N. Mex., Lubbock, Anton, Amarillo, Abilene, and Wilboon. Orville K. Smith and Claude E. Phillips, also of Lubbock.

For traveling to New Mexico the bride chose an orchid linen sheath and an orchid corsage. After the wedding trip the couple will return to Lubbock where they will reside at 1711-A 13th St.

Mrs. Stoker is a graduate of Floydada High School and Draughon's Business College. She is employed at Traveler's Insurance Co. Her husband is a senior accounting student at Texas Tech and is employed part time at Duffey's Photo Service in Lubbock.

MARK ALLEN

The "Career Girl" of the '20s was a faker, no doubt about it. She wanted her man just as badly as does today's eager young coed. But since she thought she was being honest, the pose had one advantage—at least she finished college before rushing in to marriage.

Today's little lovelies, with stars in their eyes, can't wait to drop out of school, marry Jim, go to work, and see him through college.

Now, just for fun, let's imagine a conversation between Miss Coed of 1921 and Miss Ditto of 1939.

1921: "Quit school to marry this guy! What's he got? A million dollars?"

1939: "No, but he's sweet! And we love each other."

1921: "So he's sweet. What's wrong with finishing college, then getting married?"

1939: "But he might find someone else, and I'd lose him!"

1921: "Not if he likes you as well as you think he does. If not, why sign up for life?"

1939: "But if we marry now, we'll have two more years together! Anyway, we know we're meant for each other, so why wait?"

1921: "What's two years in a lifetime? Personally, I'd choose two more years of independence!"

1939: "I don't want independence! I want a husband!"

1921: "I simply don't get it! You don't even know the man can support you."

1939: "I'm going to work anyway."

1921: "Well, now look. If you're going to support the family, you need a college education!"

Both impractical probably, and both a little selfish in their thinking. But of the two, give us Miss Independence of the '20s. By playing hard to get, she gave herself—and her man—a chance to grow up before taking on a life companion.

EDITORIAL VIEWS AND COMMENT

To Beat Shabbiness. Many Floydada property owners are going all out to combat shabbiness in the community. The percentage of those who know that uninviting surroundings do not get the kind of new people you want is growing. Not just paving alone but inviting premises throughout the residential and business areas as well. All of us can't do all we want to do but we can do a lot more when we begin to want to do it.

When Spring Comes the attention that yards have had during the winter becomes more apparent. Yards that have had attention blossom out and begin to take on that fresh, inviting look. Yards that have had no attention look worse than if spring had not come. At the moment the prettiest sights in any Floydada yards are the redbuds and the flowering peach. Some pretty ones, if you haven't seen.

We are usually a few days behind and a few dollars short, as the saying goes, and the present is no exception. We offer our belated congratulations to the editor of The Ralls Banner, who "made" time and has been getting mail from all over the Western world, to his great enjoyment. Ernest Joiner and his newspaper have "torn into" the churchanity of his community, ragged the doctors union for their selfish pious ethics, pointed the finger at official wrongdoers, all in a rough shod manner that has the average newspaper man's eyes popping wide in amazement, our own, at least. Mr. Joiner at that may be a tonic for his profession, the country newspaper field. For instance—comparisons are odious, but here goes—The Hesperian had about 40 inches of church news last week and thirty some odd inches of church advertising, in two ads, somewhat above the average. In its issue of the same date The Ralls Banner had no church news and 125 inches of church advertising in five ads!

Teachers should take a charitable attitude toward The Hesperian, despite the fact we don't groan with them over being so poorly paid. We think the teachers are doing about as well as some of the rest of us the way they are situated now, and (we think) there wouldn't be any shortage of teachers except for the regulations which the hierarchy itself has wrapped around the profession. Also, we recall a day when a teacher with a \$65 warrant against Floydada School District was a well-heeled gal! What shall we do when they start floating \$500.00 ones!

Biggest business sensation of the month—an electrifying sensation—comes in the report that AFL-CIO is moving in on the cotton oil mills in this area. The coop mill at Lubbock has been chosen for the first go round, much to the surprise of the officers and directors. In meetings this week the mill people are studying the unsure ground on which they stand. The manager has been called on by the "representative" and told to be careful of his public utterances. To the bewilderment of country people the strong arm of the federal government supports the unions in this kind of a movement.

Farmers also hear that regulations for the employment of Mexican Nationals are going to gettougher this year. Braceros who have been coming to the plains to work in the fields have never had it so good, but the federal govern-

ment doesn't agree to that. The state departments of the two countries agree on the modus operandi and the Department of Labor carries out the program. The going may get rough sure enough. Dollar thirty-one Maize may be only a part of it.

The Legislature has got around to it now. It appears they have decided to appropriate the money and will levy whatever taxes are needed to cover the bill. Principal worry is what to call what they have come up with. They're against a sales tax so they can't call it that, though everything from motel accommodations to whatnot is included in the tentative list of things slated to be taxed.

Peculiar thing about people and their relations with their public servants. City and school, and to a lesser extent county, taxation is watched with the eye of a hawk. A member of the council, school board or commissioners court has to take many an uncalled for dig from taxpayers. But the same fellows who ride the city council or commissioners, pay complacently enough when April 15 comes around. They are happy enough if they figure around and beat Uncle Sam at his own game for a few dollars. Complacency to the tune of \$2.6 million a year! We don't like it that way. While our own towns get shabbier the congress and the president spreads the country's largess over the globe—with our money. We'd rather pat our own council and school board and commissioners court on the back and raise our hell with the congress and the president for — well, for instance — subsidizing frowzies for raising larger and larger illegitimate families.

Dallas is getting so big that its population requires a lot of activity to keep the few -hour people busy and entertained. Mentioned in passing in connection with the announcement that the mid-way and numerous other attractions on the State Fair Grounds will be kept in operation throughout the summer. People who work only 35 or 40 hours a week find themselves without anything to keep their minds employed, unless some kind of entertainment or diversion is afforded.

Floydada people should bear in mind that to investment firms the tax rolls of the community, showing values unchanged over a period of 25 years or more, indicate "something is wrong." The effort of the city council to get values more in line with other communities of the high plains, should be commended, not condemned. For our part we're all for it. We think the council is trying to do a job that another council should have done ten or fifteen years ago. The fact that we are late with upgrading our town in the eyes of investment people doesn't mean that we should not do it at all. We offer this free advice with no cost at all, namely that the working man with a modest home, whose values have not been aided materially by the changing times should have every consideration. On the other hand property owners whose values have skyrocketed and who can be expected to reap more benefits from increased development should join willingly in the movement to increase values for tax purposes.

Money may not buy happiness but it sure places.

As a Farm

Woman Thinks

(Nellie Witt Spikes)

PANHANDLE TREASURES
—Mrs. Carl W. Smith
The Panhandle is chuck full of gold.
But not the kind that can grow cold
To the touch, nor will it mold
When in the hands of the farm or bold.
Panhandle beauty is food for the eyes.
Just take a look at the stars in the skies.
Their silver twinkling removes all sighs.
That is one treasure—that never dies.
Panhandle wealth is the carpet of green
On level, level land as far as can be seen.
Dotted with cattle, sheep and buffalo bean.
With a shimmering mirage to comfort the scene.
Looking for diamonds? I'd say to you
Look at your feet at crystals of dew.
See it sparkling and twinkling so do not rue
These riches which are the Plainsman's due.
Something queer about the Panhandle Plains.
If you ever leave, you'll come back again.
And with the rest, wait for the rain.
Which makes gold of the Panhandle Plains.
It will be very pleasant to sit here in your air-conditioned living-room while we talk and drink your lemonade. Makes me think of days gone by, lemonade does.
And I was to tell you about our new home we made on Crawfish Draw in the north part of Crosby County. Now I lived at Emma while I was growing up and one thing I said I would never, never do, was to live on Crawfish Draw in the north part of Crosby County—I only lived there some forty-five years—
After our honeymoon in the covered freight wagon and the hog-killing we fed cattle near the pre-then stayed at Fred and Lilie Spikes' while our house was being built. Soon we moved into the sixteen-foot rooms, just a box house with strips on the cracks.
Inside was rough unfinished lumber that scratched when you touched it. But the walls were clean and the floor of pine looked very nice.
In the west room our new iron bedstead was put up in one corner. I made a dressing table of two orange boxes with a mirror which cost one dollar, a narrow box nailed to the wall held my few books.
In the kitchen was the table and chairs with shelves for my dishes which were white trimmed in green and gold designs.
Only the pitcher is left and it is in the living room with other things of value to me.
Jeff made a bed which folded to the wall and let down at night when needed. I hung an old cot over it, put an embroidery on top and our new alarm clock had a home.
The little black stove was polished and stood near the east wall. It had four caps and a shelf in front. How comforting the warm oven was on a cold day to stick one's cold feet in! And how many pumpkin pies and peach cobbler did it brown along with pans and pan of biscuits and cornbread.
Even after many failures I learned to make light bread. But once when it did not rise, I shoved the big lump into the slop bucket and believe me the next morning there was dough all over the floor.
The first time I tried to make hominy I put about a gallon of corn in a dishpan, put in soda as my aunt had told me, added water to the top and started cooking. The corn swelled, I took some out, then more and more. I never did see as much corn. It burned in the bottom while I stirred the top. It was a complete mess. I had not thought to ask my aunt the amount of corn.
We had two good mules, or they were good to work Callie and Fidy. And they were mules of character. Fidy was kind of lazy and playful. Callie was just plain mean. They ran away to the buggy and the plow. Fidy did not actually want to run but she kept the nervous Callie plenty of company on the run.
Many mistakes I made in my cooking.
I had never lived on a farm, was terribly afraid of setting hens. I cried when my first garden was killed by a late frost. I got homesick for my family at Hereford. Once a week we went to Cone, or usually I went alone in a topless buggy for our mail. A ten mile trip, hot in the summer but cool enough in the winter, especially on our feet.
Fall finally came and with it my family for a visit. They helped canvas and paper the tail walls. Altho the paper was faded when a wet object touched it, I thought it the most beautiful I ever saw. The oven was kept filled with baking sweet potatoes and pumpkin pies. We took off the caps

and set the black gallon dinner pots near the red coals to boil the beans and the meat.
Then the family left and we were alone once more. Winter set in and there were so many things about feeding cattle in the snow and cold I learned as I drove the team, my fingers almost freezing.
I learned about driving chickens to roost out of the snow, a bad job if there ever was one.
I could cook for the threshing crews and company.
I was beginning my long years of being a Farm Woman.

PFC John A. Duncan, son of Mrs. Beatrice Duncan of Petersburg, was killed on the German front with the Ninth Army on February 25. He was a Floyd County reared boy and is the brother of Albert Duncan of Floydada and Malvin Duncan of Petersburg. He is survived also by three sisters, Mrs. Bud Thompson of Petersburg, Mrs. Harold Robertson of Floydada, and Virginia of the home.
After a thorough search and hearing evidence given by rescued seaman, the United States Navy has given up all hopes that **Denny C. Ivey**, Floydada born Texan, can be alive, and have formally notified his parents, Mr. and Mrs. W. R. Ivey, and members of his family including Mrs. C. Surginer, his grandmother, that he has been listed as dead. Ivey was an officer on Bismark Sea, a carrier lost in a Japanese battle.
F. C. Harmon took the chair as mayor this week after election returns had been completed Tuesday night. Harmon replaces W. Crosby County. Now I lived at U. White, who stepped out of the post of mayor and took over the job as an alderman.
Flight Officer **Thomas R. Wright**, son of Mr. and Mrs. S. H. Wright, back in the states after 15 months of campaigning over the jungles of New Guinea and other Southwest Pacific Isles, was here for a short time with his wife and baby, guest in the home then stayed at Fred and Lilie Spikes' while our house was being built. Soon we moved into the sixteen-foot rooms, just a box house with strips on the cracks.
Mrs. Phil Stoen, nee Helen Young, was honored with a bride shower in the home of Mrs. Walton Hale Monday evening. Assisting Mrs. Hale as hostess were: Mrs. Buren Cates, Jack Henry, Luther Fry, A. B. Keim, Jess Brown, Kenneth Johnson, Bob Smith, J. E. Newton, Cager Carmack, H. O. Cline, Ernest Daniel, and R. T. Furrow.
Miss **Pauline Bunch** became the bride of Verlon Wright Friday afternoon of last week in the parsonage of the Assembly of God Church. The bride is the daughter of Mr. and Mrs. J. M. Bunch of this city, and the bridegroom is the son of Mr. and Mrs. Wayne Wright of Lakeview community.
A letter on captured Jap note paper from PFC. Ted Bell to his father, Fred Bell, here this week written on March 27, says he is doing all right and is on southern Luzon. Ted says he has made some Filipino friends.
Funeral rites for Mrs. J. T. Carter, 62, of Starkey, were held Friday afternoon in Wall Street Church of Christ. Mrs. Carter died Thursday afternoon in Pitts Hospital. She is survived by her husband, one son, Q. Carter, and seven daughters, Mrs. A. J. Earp, Laibock, Mrs. Rufus Kelly, Floydada, Mrs. Cecil Hanks, and Mrs. Kenneth Rimmer. Electric: Mrs.

Murray Forsyth, Marshall, Mrs. Perry Threadgill, Floydada, and Miss Audean Carter, who made her home with her parents.
Gene Gilly, a propellor specialist on B-29 Super Fortress, now somewhere in the Mariana Islands, writes his wife, the former Edna Patterson, that he has been promoted from the rank of corporal to sergeant. Gilly shipped overseas only recently.
Henry Solomon, former owner and operator of the Modern Cleaners of Matador, is now clerk in the Post Office temporarily.

Mrs. Solomon and their young son are making their home in Matador where he is in school and Mrs. Solomon is assisting in the tailor shop. Solomon is the brother of Mrs. N. W. Williams. Mrs. W. H. Henderson, and Miss Lilie Solomon of Floydada.
News of the death of her husband, Pfc. Drummond Thomas, 21, was received last week by the former Margaret Conner, of Cedar Hill community. Mrs. Thomas is the daughter of Mr. and Mrs. Jim Conner.

Center Baptist Revival Planned

Those who attend the Center Baptist Church revival April 12 to 19 will hear Evangelist Dale Pruet in the preaching services and Harold Brantley will lead the singing.

Prayer meeting at 7 o'clock will precede the nightly services beginning at 7:30. Rev. Robert White, the pastor, announces.

Bill Line Victim Of Heart Attack

Arthur Simpson (Bill) Line, 51, farmer in the Happy Union community near Plainview, passed Saturday afternoon after suffering a heart attack while repairing one of his rent houses. He had been in ill health for a year.

Line was the son-in-law of Mr. and Mrs. C. L. Bradford of Floydada, and a brother-in-law of Delzie, Charles, Robert and Floyd Bradford of Floydada. Mrs. Earl Foster of Dougherty, and Mrs. Ben Galloway also of Dougherty.

Mrs. Bradford said that her son-in-law complained of feeling ill shortly after he arrived at his rent house in Plainview. He laid down to rest and when the woman of the house went back to see about him, he was dead.

Mr. Line had suffered previous attacks.

Funeral rites were conducted Tuesday afternoon in Plainview First Baptist Church of which he was a member. Dr. Roy McClung, pastor, officiated. Interment was in Plainview Cemetery.

Survivors include the wife, the former Myrtle Bradford of Floydada, two sons, Sgt. Bill Line, U. S. Marine Corps, Oklahoma City and Bobby Line, stationed with the U. S. Air Force in Germany; his mother, Mrs. J. A. Line of Plainview, and brother, Jim Line of Amarillo.

As originally proposed, the bill would have allowed the state to take over bank accounts and money and property held by banks, insurance companies, oil and gas companies, etc., if unclaimed for seven years.

As amended, the measure cut all holdings except bank accounts and upped the waiting period to 20 years.

Rep. Marshall O. Bell of San Antonio, sponsor, said this would take away 60 per cent of the revenue raising possibilities.

Legislators, whose assent will be needed to make the dream a reality, got a preview of the 30-year plan from architects and Building Commission members.

Governor Daniel said the \$37,000,000 project could be financed with no new taxes. Income, he said, would come from the Confederate pension fund, funds of state agencies now paying rent for privately owned buildings and funds now available to the Building Commission.

Recommended steps for 1960-61 are buying up several more blocks of land and remodeling the Capitol to provide offices for House members.

ABANDONED PROPERTY BILL—Governor's abandoned property bill has been reported favorably by the House Tax Committee, but sponsors claim it has been "gutted" by committee action.

House Taxation Committee Chairman V. L. Ramsey of Beckville named a five-man committee to write a tax bill and have it ready next week.

Given the task are Reps. Wesley Roberts of Lamesa, H. J. Blanchard of Lubbock, Joe Burkett of Kerrville, Ben Atwell of Dallas and Warren C. Cowen of Fort Worth.

HELP FOR BUSES — In this two-car-in-every-garage age, public transportation companies say they've fallen into hard times, and need tax relief.

A bill to lower the license fees on motor buses to a rate equal to trucks of the same weight has Senate Transportation Committee approval. It is sponsored by Sen. George Parkhouse of Dallas.

City transit companies are asking to be relieved of motor fuel taxes. Rep. Warren C. Cowen of Fort Worth is sponsoring a measure to do this.

Transit companies are caught in a cost squeeze, say supporters, that makes it hard to continue serving people at reasonable rates. San Antonio transit lines had to give up, were taken over by city government.

SUNDAY SALE BAN — Senate has given final approval to a measure that would prohibit selling, buying or trading motor vehicles on Sunday.

Exempted would be persons who observe some day other than Sunday as the Sabbath, such as Seventh Day Adventists.

Bill had lively opposition from several senators whose argument was that it would "restrict competition in the name of Christianity."

Harmony News
(By Mrs. Mather Carr)
HARMONY, April 6 — Mrs. Mather Carr and Horace visited Wednesday with Mrs. Maggie Mayhew in Floydada.

Mrs. D. S. Batten Sr. and Mrs. Jim Barnard attended a federated club meeting in Borger Friday.

Mr. and Mrs. D. S. Batten Sr. are moving from the farm to Floydada in the near future. We learned they have their farm house on the market for sale. His son, D. S. Jr., will operate the farm.

Fire At Snodgrass Farm
Tragedy struck at the Carrick Snodgrass farm Friday night and destroyed his barn by fire, which was a total loss including cotton seed and other seeds for planting, oas, feed, nine brood sows and around forty pigs.

Carrick did not know his barn had caught on fire until Everett Miller went over and woke the Snodgrass' up. Everett discovered the fire around 11 o'clock. He went to investigate the blaze and found the barn burning. Upon finding Mr. and Mrs. Snodgrass asleep the fire department was called to prevent the home of Mr. and Mrs. Charlie Reid from burning. Their home was east of the barn and the wind was in the southwest.

Mr. and Mrs. Reid were visiting in Denison, Tex., and had been since Wednesday.

I did not learn whether there was any insurance or not.

M. D. Ramsey underwent surgery Saturday night in Methodist Hospital, Lubbock, where he had been taken on Thursday before. Mr. Ramsey is feeling better and was brought home Saturday, April 4.

Mrs. Wesley Carr visited Saturday night in Floydada with Mrs. Bess Rutherford, while Mrs. Carr's son, Bill attended a party at Junior High School.

Mr. and Mrs. R. B. Gary visit-

with W. C. Clubb Wednesday in Floydada at Peoples Hospital. Mrs. Mather Carr and Horace visited Mr. Clubb Friday. Mr. Clubb is improving.

Those visiting with Mr. and Mrs. M. D. Ramsey Sunday were Mr. and Mrs. L. A. Williams of Amarillo, Mrs. Bess Rutherford of Floydada and Mr. and Mrs. Raymond Williams of near Floydada.

Rev. J. W. Read filled the pulpit both morning and evening at the Chapel Sunday.

Rev. and Mrs. Read were Sunday dinner guests of Mr. and Mrs. Wesley Carr.

The Reads visited in the homes of Mr. and Mrs. M. D. Ramsey and Mr. and Mrs. Mather Carr and Horace Sunday night at First Methodist after noon.

Other visitors in the Carr home Sunday evening were Mr. and Mrs. Sim Burrows of Plainview and Mr. and Mrs. Chloa Williams.

Mrs. Chloa Williams was hostess Sunday at a birthday dinner honoring her husband, Chloa Williams and daughter Sue.

Supper guests in the home of Mr. and Mrs. Chloa Williams were Mr. and Mrs. L. A. Williams, Mr. and Mrs. J. T. Freeman and daughter, LaDenia Fay of Amarillo, Mr. and Mrs. Aldine Williams and children of Floydada, Mr. and Mrs. Raymond Williams of near Floydada and Leon Williams.

Mr. and Mrs. Floyd Trowbridge of Mr. and Mrs. Mather Carr and Horace attended the lecture of Miss Helen Poe Sunday night at First Methodist Church, Floydada. It was a day in the home of Mr. and Mrs. Sunday evening were Mr. and Mrs. Bill Edwards.

Spanish Mission Enters Program Of Achievement
The Spanish Mission Baptist Church has entered the 1959 Baptist Church Achievement program, this week.

Mrs. Srader, mother of Mrs. Marvin Smith, Mr. and Mrs. Buddy Smith and baby all of Petersburg, were guests Sunday in the home of Mr. and Mrs. Marvin Smith.

Mr. and Mrs. Everett Miller and Mrs. Ruth Snodgrass visited in Lubbock, Sunday evening with Mr. and Mrs. Harry Miller. Mr. and Mrs. Miller were feeling fine.

Mr. and Mrs. Cecil Stanton are both ill with colds. Mrs. Allan Gross is also ill with a cold.

Mr. and Mrs. Alex Kittrell of Lorenzo and Mrs. Mary Wristen of Post, were dinner guests Sunday in the home of Mr. and Mrs. Bill Edwards.

Sponsored by several Conventions. Program is designed to interest in more than 350 country churches. Each church sets up goals for three areas.

WANTED: TEACHER RECOGNITION

(By Addie Adkins)

Mr. Webster once more is faced with a question I have. What is a teacher? "One who teaches; makes one understand." "Not mine?" you say? No! Let's take a look! How much could you get out of that textbook, without an intellectual explanation? How could you get a complete answer to that so poorly phrased question, without your ever-understanding teacher? How long would you remember that one dull paragraph, if no further explanation were given? Could you pass a test without an oral discussion and review with teacher up front? No I don't think so!

Some of us realize the importance of teachers and some don't, but the important thing is, do we realize our importance to them? We are important as that "mean fifth period class" and we are important to them as individuals. Teachers are human. They share and play a part in the drama of life. They know the same trials and temptations that we do! They can and do understand our troubles and feelings. No other feeling can take the place of an inner-glow relationship between student and teacher.

These men and women are here to better us as American citizens, and to better the world for us.

Each "Good Morning" each "Thank You" is acknowledged and recognized by our teachers — but do we give them enough to keep their minds busy?

BOBBY GRUNDY

Bobbie H. Grundy Has Five-Year FHS Band Record

(By Genetta Price)

Bobbie Hilton Grundy was born March 27, 1941, at Amarillo, Texas. Mr. and Mrs. Billie Grundy have an older son, Doyle. This 17 year old senior is 5 feet 10 inches and weighs 140. He has blond hair and blue eyes.

Bobbie's likes are many, his dislikes few. Heading his list of likes are pizza, all types of good music, Mr. Jones, band, likes are homework, French fries, jokes and holes in his socks. His pet peeve is having his name spelled "Bobby."

His musical ability is verified by the fact that he has played in the high school Whirlwind Band for five years. He is now sitting first chair in the trombone section and with the Ambassadors.

Bobbie plans to graduate and attend Texas Tech with a major in Business Administration.

District Track Slated Friday

Spur To Host 3-AA Schools For First Time

(By Marisue Burlison)

The District 3-AA Interscholastic Literary League Contest is held this year for the first time at Spur. The contests begin at 9:30 a. m. on Saturday.

Floydada High School will be defending champion and trying for her seventh consecutive victory. Last year 9 first place ribbons, 5 second place ribbons, and 2 third place ribbons were awarded students.

This year there will be about 25 students competing for honors. Those entering the different events are as follows:

In Senior Girls' Declamations Lois Ann Glover will be vying for first place. Addie Adkins is named second and Marisue Burlison, third.

Barbara Gilly and Dee Mock are Junior Girl Declamers.

Beth Scott, who won second at the State Meet last year, will be entered in Poetry Reading this year.

Glenn Henderson and Eric Christensen are Junior Boy Declamers.

In Senior Boys' Declamation, Dennis Walker will be competing. Entered in Typewriting are Sue Ring, Sue Williams, Judy Williams, Carolyn Cates. Alternates are Ray Walker and Nancy Watson.

Shorthand contestants are Estella Wyatt and Della Fortenberry.

Readywriters met with the sponsor, Miss Swenson, Monday the fourth period. Those trying out were Glea Adams, Bobby Seagro, Jan Dempsey, and Marisue Burlison. Last year, Marisue Burlison won first place.

George Farris and Clarence Richardson are Slide Rule contestants.

In Number Sense are May Kay Asher, Chick Owens, and George Farris. George Farris won second place at District Meet last year.

First, second, and third winners advance to Regional in most events. Regional Meet is scheduled for April 25 at Texas Tech.

Tracksters 4th in Crosby Relays

With 14 and two-ninth points, the Floydada Whirlwind track team came in fourth at the fifth annual Crosby Relays in Crosbyton Saturday, April 5. Tula copped first in Class AA with 34 and one-ninth points; Denver City second 31; and Olton, third, 30 and one-ninth.

Bill Patterson set two new records to lead the Class AA scoring with 12 and one-ninth points. Six new records were set.

Patterson ran the 120 high hurdles into a 15 mile-an-hour wind in 15.1 seconds, breaking Charles Nebbett's old record of 15.3 set in 1956. He ran the 180-yard lows in 21.4, the first time the event has been run around a curve and was credited with the mark. The broad jump was fourth in the broad jump and in the 220 and tied with eight others for fourth place in the high jump.

Don Vickers heaved the shot put 44.1 to place third in this event. Patterson was in a nine-way tie in high jump.

Charles Ogden's record in the high jump in 1958 was not broken. The record set by him was 6 feet 1 inch. He went to the State Meet last year and placed second and would have won first.

Floydada will be strong contender this year.

Other Floydada scorers, besides Walker, were Charles Holland, 101; Kern Cooper, 103; and George Farris, 109. Tahoka scorers were Swort, 104; Speer, 118; Holland, 105; and Bray, 108.

Floydada and Tahoka will be competing for Regional honors in Lubbock April 25. This makes the second straight year FHS has won first at District.

Coach Pat Huntington is FHS golf instructor.

English II will have the devotional next Wednesday.

Assemblies are scheduled for April 15 and April 27. The exchange assembly with Lockney will be either on the 13th, 14th, or 16th day of April.

The assembly committee is to investigate having a kangaroo court for the Twirp Week assembly.

CHAT with PAT

Oh, what a busy week—6 weeks tests, District Track Meet, all day band rehearsal, and a Senior Banquet.

The McMurry Band presented a concert for entertainment of the Senior Banquet sponsored by the Methodist men. The college kids spent the night in homes of the high-school boys.

Good luck, boys, in the District Track Meet at Lubbock Friday. Have you noticed—I couldn't go to twirling contest because of a fall that resulted in fractured tail bone; Vickie swallowed a straight pin; Linda Welborn got hit on the head by a baton; Shirley lost her red slip—embarrassed; Richard and Don won doubles in District Tennis Meet; Kit won singles in girls and Richard Marler won singles in boys; Jane wrote a very original play for Speech II.

Mike Matsler and Dale Newberry were unable to play in the golf meet at the country club. Ricky Holland and Don Garrett were sick the day before and just did feel like playing.

Mrs. J. W. Adams has a twin sister who lives in Tyler, Texas. Her sister is President of the State Home Demonstration Agents.

Sue Ring is the first girl in the entire history of FHS who has competed in both the shorthand and typing contests the same year. Maybe she can win two blue ribbons for winning first in both. This would be a history-making occurrence also! Floydada High School has won the district shorthand contest for the past six straight years.

Dimmitt will be competing against Floydada with "Death Takes a Holiday" at the Regional 1-Act Play Contest.

Amarillo won in the 1-Act Plays at District again this year. Their play is "The Importance of Being Earnest."

There was a Negro Track meet at the high school Saturday. There was a girls' relay team. Quite a few area colored schools entered.

Gene Head married March 27. Sue Flenniken wants a date for the Junior and Senior Banquet. And she also wants a husband. Troy Johnston is no longer going steady.

Billie Joe Peek is typing in Germany. Sue McClung and Henry Sell are no longer going steady. Karen Goen had a date with Don Colley Sunday night.

Billie Kinard had a date with Carolyn Moore. Pee Wee Ferguson had a date with Dee Mock.

Kelly King and Kearney Edmiston plan to enter the University of Texas next year. Kelly is planning to work in Abilene this summer.

Rotation ping pong got the best of everyone at the Retreat this past week-end.

FHS Netters Win District Tennis

The Floydada High School tennis team won first place at the District 3-AA Meet Friday, April 4. Slaton was the only competitor. Tahoka, Post, or Spur did not enter.

Seventy points were made out of a possible 76. Winners are listed below:

Sr. BOYS SINGLES — Richard Marler, first place

Sr. BOYS DOUBLES — Don Vickers and Richard Graves, first place;

Sr. GIRLS SINGLES — Kit Zimmerman, first place;

Sr. GIRLS DOUBLES — LaJuana Womack and Glea Adams, second place.

Jr. BOYS SINGLES — Charles Christian, second place;

Jr. BOYS DOUBLES — Carrol Hull and Frank Barrow; — Sara Holmes, first place; and

Jr. GIRLS DOUBLES — Vicky O'Neal and Joy Nixon.

Second place winners are not eligible to compete at Regional.

Twirlers Excel in Sat. Contest

(By Judy Jackson)

Seven out of nine FHS twirlers won first divisions in the twirler contest in Plainview Saturday. Fundamentals of twirling and original routines were the assignments.

Those participating in the annual contest to get ratings were: Shirley Gregory, (second place), Sue McClung (third place), Carolyn Dillard, Mae Bell Johnson, Judy Jackson, Sandra Roe, LaJuana Rimmer, Rita Coley, and Gwynelle Boothe.

Pat Hickerson was unable to attend because of a fall last week.

The Student Council is planning to have baseball at noon at FHS. Good idea!

Congratulations to Marisue Burlison for being named "Miss Floydada." Second place was Dee Mock. Third was Shirley Gregory.

Whirl Feature 2nd in PHPSA Competition

(By Sue Ring)

At the annual PHPSA Meet at West Texas State College recently, Marisue Burlison received a second place certificate for her feature story, "A Tribute to Mr. Hendricks." Marisue is co-editor of the Whirl this year and was competing against 244 features submitted by 49 schools.

Pat Ginn, sophomore journalist, received an Honorable Mention certificate award for a sports story. The paper failed to receive an award for the first time in four years. These awards were presented at a banquet in the West Texas cafeteria.

Twenty-one staff members of both the annual and newspaper staffs attended the meet and they enjoyed it very much.

Members of the staffs attending were the following: Marisue Burlison, Charles Holland, Pat Hickerson, Sue Williams, Edwin Overstreet, Ricky Holland, Sonja Guffee, Grace Anne Potts, Sue Ring, Addie Adkins, Sue Flenniken, Freida Smith, Genetta Price, Gwynelle Boothe, Barbara Gilly, Sara Holmes, Glea Adams, Judy Stephens, and Mr. Eudy, Whirl sponsor.

Burleson Wins In Matador Show

Marisue Burlison, junior at FHS, brought back several awards from the Matador Jr. Livestock Show Saturday, April 4. Miss Burlison entered two calves in the heavy weight steer division at the show Saturday morning.

In the judging that afternoon, her dry lot Hereford placed second out of a class of about 12. This same steer was named Reserve Grand Champion later with Matador's Ronnie Cox's Hereford placing as Grand Champion.

Marisue's 1,000-lb. spotted Hereford placed fourth in the same class.

Marisue was also presented an award for being named "Miss Matador" in the Mernpaper Sunday. She failed to spell "Production Credit Association" as a trophy for best showman. Marisue won the cattle division.

LaFaun Ballard, 1957 graduate, who never missed a day in school for 12 years, was married Saturday to John Stoker of Wilson. The couple will live in Lubbock. She graduated from Draughon's Business College and is employed by Travelers Insurance Company.

Her husband is a senior accountant and is employed by the State Inspectors where favorite is seen, it appears ineffably impressed with the beautiful, and affects with de-lada School, reports I. T. Graves, light the innermost life of the Superintendent.

Farmers report: Bigger yields More profit when they plant Golden Acres Hybrid Grain Sorghum

Faculty Wins From Seniors

(By Edwina Overstreet)

The men faculty proved too much for the senior boys in the rip-roaring basketball game March 31. The faculty won by two points 38 to 36.

The senior girls played the future team with a score of 45 to 24 in favor of the futures.

Faculty players were Coach Paul Huntington, Coach Charles Tyer, Coach Pete Fuglar, Mr. Hollis Payne, Mr. Bob Copeland, Mr. Lloyd Cook, and Mr. Maurice Jones. Coach Preston Watson was the referee.

Boys playing against the faculty were Si Duncan, Doug Walding, Arlis Powell, Bill Patterson, Bobby Seagro, Jerry Solomon, Buddy Holladay, Rex King, and Leon Williams.

Assisting the "weaker" faculty were Wyatt Richardson, Buddy Wayland, Bill Orman, and Bill Smith.

Ferns playing were Sarah Carey, Leora King, Kay Robertson, LaJuana Womack, Billie Gail Holmes, and June Marble. Girls Coach Preston Watson was the referee.

The game was a senior project to raise money for the senior trip.

Methodist Men Host Seniors

(By Ann Ward)

The Methodist men gave their annual banquet for the seniors Tuesday, April 7. This is an annual affair in which the senior students are the guests of the Methodist men.

This year, the entertainment was provided by the McMurry College Band under the direction of Raymond T. Bynum. This group consists of some forty-eight musicians and are a good representation of the students at McMurry. After the banquet, the band gave a concert which was open to the public at the Floydada High School Auditorium.

The band members were lodged in the homes of the families of the Methodist Church.

NHS DECIDES REQUIREMENTS

(By Judy Jackson)

A meeting of the National Honor Society was held Friday during the second period. The purpose of the meeting was to decide whether members should be chosen on the basis of their grades during all years in high school or whether they could be chosen on the semester average. It was voted that the members would be chosen if they had a 90 average during all their years in high school. This average must be maintained.

Since the secretary and treasurer are not in the society now, a new secretary-treasurer was elected. Judy Jackson was chosen to fill this office.
