Lighthouse Electric Cooperative incorporated will hold their annual membership meeting Saturday, April 18. The big get together will be at the Baptist Encampment south of town again this year with registration starting at 9:00 a. m.

The year 1959 marks the 20th anniversary of the cooperative which threw the switch a decade ago to bring power and lights into the home of T. B. Rambo near Petersburg. Since that time there has been an ever-increasing number of customers and uses for electricity on the farms of the south plains area. The 1958 report shows 3,129 consumers in seven counties.

The Saturday meeting will be called to order at 10 o'clock with President John Smitherman, presiding. Invocation will be by Rev. A. K. Windecker, pastor of the Progressive Lutheran Church.

Music will be presented during the registration period and the roll call will be followed by reading of meeting notice, reading of unapproved minutes of previous meeting and action taken on these matters.

Local amateur entertainers will dot the program schedule between business sessions of the meeting.

Merrill Riggen REA district representative will give the report on the financial condition of the cooperative.

D. B. Lancaster of Bailey County Cooperative and director of Texas Electric Cooperatives will discuss legislative matters as they affect the electric coop.

A free barbecue with all the trimmings lunch will be served at noon.

There will be drawings for attendance prizes several times throughout the program.

An electric Frigidaire range, and an electric chord organ are biggest items on the gift list which

will include many smaller items. Officers and directors of the cooperative are John Smitherman, president; Herman King, vice-president; Roy Hale, secretary-treasurer; and directors, O. E. Williamson, Maurice Campbell, R. C. Ratheal, and Odell Breed.

Two directors are to be named at the election which will be in District six where a successor is to be chosen to succeed O. A. Williamson. The names of Henry Scarborough and Joe McWilliams appear on the ballot.

In District seven Roy Hale is candidate to succeed himself and the name of Riley Teague also appears on the ballot for this post.

The Lighthouse Electric cooperative annual meeting usually draws upward of 1500 members at the all-day gathering. It is one of the best planned cooperative meetings in the nation and has been used as a model by some who wish to get the folks out for the business sessions.

This year the annual meeting planning committee is made up of:

Mr. and Mrs. Harold Trull, McAdoo; Mr. and Mrs. Earl Edwards, Jr., Floydada; Mr. and Mrs. Cecil Baxter, Floydada; Mr. and Mrs. V. Kinniburgh, South Plains; Mr. and Mrs. Albert Scheele, Lockney; Mr. and Mrs. D. T. Graham, Plainview; and Mr. and Mrs. John Fowler, Floydada. There is one couple on the committee to represent each of the seven districts of the cooperative.

Melvin Henry is manager of Lighthouse Electric Cooperative, Incorporated.

A picture of the complete working staff of the organization appears in this issue of *The Hesperian*.

Organizing Meeting Held by Council as Robertson Inducted

At a late Tuesday afternoon session the City Council canvassed the vote in the paving election and also in the mayor and aldermen's races, with the same results the unofficial figures gave.

The paving issue carried by a majority of more than three to one — 315 to 97.

After the paving details were out of the way the new member of the council, M. S. Robertson, was inducted into office, and J. M. Wilson Jr., and M. H. Martin were declared elected to succeed themselves.

Division of the responsibility for affairs of the city will follow the same pattern as last year. Martin will be light and power councilman, Henry Willis continues as water and sewer councilman, W. W. Goen continues as parks and police commissioner. Jones has the streets, and Robertson will take up the assignment of L. L. Clark, whom he succeeds, as commissioner of health and sanitation.

The council was unanimous in their decision in voting against issuing a permit for a commercial poultry house in Block 8 of Lakeside Addition. C. B. Carmack, who planned the project, said he intended to establish a laying hen production plant.

Checking their finances and rate of spending, the city fathers came up with the conclusion that their spending to keep within the funds they'll have to be cut almost in half. They have been going at a \$12,000 a month clip. Estimate of the revenue in eight calls for not over \$7,500 a month they agreed.

Contract For Rodeo Signed by Roping Club For May 28-30

Floydada Roping Club will promote and sponsor a rodeo for Floydada during the week-end of the Golden Jubilee celebration, Johnnie Roberts, Secretary-treasurer, announced this week.

Charlie Plummer, of Elk City, Okla., will furnish the stock. Programs will be given Thursday afternoon, Old Settlers Day, Friday night and Saturday night, Roberts said.

Tie-down roping, bulldogging, saddle bronc riding, bareback bronc riding, barrel races are contests being planned. There also will be races for children under 12.

All entrance fees will be paid back to contestants in prize money.

Lions to Choose Club Officers Today

Floydada Lions Club will elect their officers for the year beginning July 1, when they gather at the American Legion Annex at noon today.

Several officers and members will attend the District 2-T-1 convention in Plainview April 23-25 and will enter their club sweetheart, Marisue Burleson for district queen. Some of the members also will participate in the Lions golf tournament.

Wayne S. Brown New Wire Chief

Wayne S. Brown of Lubbock has been named Wire Chief for the Southwestern Bell Telephone Company in Floydada. The announcement was made by Bill Bray, District Plant Superintendent at Lubbock.

Brown will succeed Ray Ainsworth who has been transferred to Lubbock as an Installation Foreman.

The new Wire Chief began his telephone career in Lubbock in 1947 as a lineman. He later was promoted to Construction Foreman, and then Frame Foreman, the job he held until his transfer to Floydada.

Brown is married and has one child.

School District Tax Value Hike Seen By Board

PHONE RATE RAISE COMING TO FLOYDADA AUGUST 15

The new higher telephone rates in Floydada are coming with August 15. The city fathers, who indicated they thought Southwestern Bell was crowding the raises too fast when the company called for an increase 10 months ago, gave in an anti-climatic manner Tuesday afternoon.

Manager Oakley and District Manager Cline had asked for a hearing at the organization meeting of the "new" council. Members of the council not wanting petitioners before them at that time, began sparring. They knew the raise was inevitable, offered to make it effective in October.

The compromise on August followed a simple resolution changing the rates was adopted effective with August billings. Oakley accepted, subject to approval of the Dallas office. The raise affects three classes of service.

Business one party flat rate will be raised from \$9 to \$11 per month.

Residence one party flat rate will be raised from \$5 to \$5.75 and

Residence two party flat rate will go from \$4 to \$4.25.

Plus federal excise tax in each instance.

All other charges remain without change.

The company has been losing money on the exchange, based on values.

Total telephones in Floydada since January 1, 1953, have increased 21 per cent, one party service has been bettered 61 per cent.

Net additions to the telephone plant has been \$234,535 and taxes paid locally have jumped 65 per cent, according to representations made to the council.

Only Way Out Authorities Convinced

Board of Education of Floydada Independent School District at its organization meeting Tuesday night of last week, canvassed the district's financial plight, occasioned by the rise of the Economic Index, and arrived at the conclusion that the only answer to be found to the need for money with which to operate Floydada schools next year is a raise in tax values.

Notice soon will go out to taxpayers that a 20 per cent increase in taxable values will have to be made across the board for all property in the district.

In a prepared statement this week the board called attention to the fact that "Floydada Independent School District is receiving over \$29,000 less money from the state than four years ago due to the increase of the Economic Index Assignment from the state and to the increased cost of operating the public schools.

"Increased enrollments is part of the increased cost, but the main reason is that in this section of the state, where we have irrigation, we have larger crop production. Seventy-two per cent of the Assignment (from the state board) is based on this factor."

This has caused most of the school districts in a wide area to have to review their financial affairs, raise valuations and in many instances, both valuations and rates, the statement points out.

The statement names three salient features in connection with the raise:

"The Floydada Board of Education wishes to stress the fact that this raise will be assessed upon every tax payer just alike which will be a straight 20 per cent raise for everyone on all property within the district.

"No raises in salaries for the teachers, administrators, nor other professional personnel have been given except that which is required by law under the minimum Foundation Program.

"It is necessary to have this tax raise in order for our school to operate on an adequate basis. We hope that each tax payer of this school district understands the problem that the Board of Education has facing them, and the reason that this procedure is essential."

But the added local cost of school operations will be lighter, in general, here than for most any comparable district in the area. Some of the schools experienced the squeeze in 1957-58 and others this year, according to the Public School Directory, published by the Texas Education Agency, which is revealing.

Some of the actions taken by boards of the high plains include Morton, where the tax rate was changed from \$1.50 to \$2.00 the past year, and Plainview where the district's valuations were jumped from \$41,400,000 to \$52,000,000 and the rate increased from \$1.50 to \$1.60.

The Floydada Board does not foresee a need for raising the rate of taxation at the present time.

Seagraves is raising their rate from \$1.50 to \$1.85 this year. Olton jumped valuations from \$7 million plus to \$11,765 million. Muleshoe is making a 20 per cent increase in valuation and raising the rate from \$1.50 to \$1.65.

Lockney Independent District is wrestling with the same problem and the board there is eyeing a raise in valuations, and if cherished plans to add another needed building is carried out the raise in valuation will be accompanied by a rate raise as well.

In the organization meeting of the local board Gene Collins Sr. was re-elected president, and Groer Christian secretary, Christian along with James H. Word, is a new member of the Board of Education.

HAS FAIR WEEK
J. M. Massie was said to be resting fairly comfortable this week in Methodist Hospital where he is recovering from surgery. His condition was improved somewhat from last week.

His brother, Charles Massie, is also a patient there.

Floydadas Tracksters Lead All Divisions District Meet

The Floydada whirlwinds walked off with all three divisions of the district track meet winning the senior high division with 51 points and one-third points, the freshman division with 38 and one-half points and the junior high with 33 points.

Bill Patterson led the "Winds" to victory, placing first in all five of the events in which he was entered.

District 3-AA track and field meet was originally scheduled to be held at Texas Tech on Friday. It was moved to Floydada after it was discovered that the track there had been under water and was not in condition to use. Coaches had postponed the meet to Monday at Lubbock but examination of the track showed it was still too soft and would not be ready.

tered to make 25 points for the green and white. This is the maximum that can be made by any individual. A contestant can enter only three running events and two field events.

In the senior division Post came in second with 46 points, Tahoka third with 35 and seven-twelfth, Spur fourth with 12 and one-third, and Slaton fifth with 6 and three-fourth.

In the freshman division Spur came in second with 27 and one-half points, Post third with 14, and Tahoka made 9, Slaton failed to scratch in any event.

Slaton finished second in the junior high meet with 27 points, Tahoka was third with 14, Post and Spur tied for fourth with 10 points each.

Long, Interesting Career. Passing of J. B. Jenkins, who was large in the affairs of Floydada and Floyd County for a half century, ended an interesting career of a cow boy, cattleman, and well-rounded businessman. Of the old school his word was carefully pledged, faithfully kept.

J. Bascom Jenkins Rites Held Sat'day Afternoon

John Bascom Jenkins, 86, early day Floyd County cowboy and business man, died at his home, 329 W. Houston St., about noon Thursday following a two year illness. Funeral rites were conducted Saturday afternoon at 3 o'clock in the First Christian Church, Rev. W. D. Reeves was officiating, minister interment was in Floydada cemetery under the direction of Harmon Funeral Home.

Survivors include his wife, Edd Brown, J. C. Wester, E. L. Norman, C. H. Bedford, Fred Battey, Bill Poole, Jack Henry, Mark Martin, Ulmer White, O. M. Watson, O. P. Rutledge and Earl Crow.

Jenkins was born on Oct. 28, 1872, at Olathe, Kan. He attended schools in Fannin County, and was married to Francis Mabe Rucker on Sept. 8, 1907, at Portales, N. Mex.

Jenkins came to Fannin County from Johnson County, Kan. with

his family. He moved to the West Texas plains as a young man and ranched in this area for many years. He was also once a cowboy hand on the J. A. Ranch. Friends recalled that he bought a section of land in this area for \$1.00 back in the pioneer days. A story of his early life is on record at the Texas Tech Museum.

A long time member of the Christian Church, Mr. Jenkins held the office of president of the Floydada Chamber of Commerce, a city councilman at one time, and was a retired banker, cattleman, and farmer.

Survivors include his wife, Edd Brown, J. C. Wester, E. L. Norman, C. H. Bedford, Fred Battey, Bill Poole, Jack Henry, Mark Martin, Ulmer White, O. M. Watson, O. P. Rutledge and Earl Crow.

General Jenkins flew in Friday for the funeral of his father and left Tuesday by air, returning to Shaw Air Force Base, Sumpter, S. C., where he is Department Commander of the 9th Air Force.

J. M. Massie was said to be resting fairly comfortable this week in Methodist Hospital where he is recovering from surgery. His condition was improved somewhat from last week.

His brother, Charles Massie, is also a patient there.

PIONEERED, DEVELOPED AND PROVEN IN FLOYD COUNTY BY 'WIT' WITKOWSKI (Formerly of Floydada)

The Planter That Will Make Other Methods of Planting Obsolete!

RESULTS Have Proven on Cotton and Maize

1. Much Earlier Planting because of top soil temperature.
2. Plants in Wetter Ground with Less Risk of Soil Crusting
3. Less Trash Stops due to Long Sharp Runner Knives
4. Faster Germination of Seed, due to Firmness and Temperature of soil.
5. Faster Planting in Field with no Risk of Uneven Seed Coverage
6. No Replanting Due to Heavy Rain
7. Plants on Bed or Flat Ground with Perfect Results
8. No Risk of Seed Drying out, due to Hot Dry Winds after Planting
9. Less Middle Packing; Light Tractor Pulls 4 to 6 rows with Ease
10. No Loss of Moisture when Planting
11. No Side Draft Means Evenly Spaced and Straight Rows
12. Better Sample and Grade due to Normal Growth of Plant and Early Harvesting
13. Strongly Built for Dependability and Low Maintenance
14. Less Hoeing Expense; Weed Seed are not Busted Out when Planting
15. Less than 5 Minutes Hook Up of Complete Self-contained Planter Units
16. Much Better Stand with Less Seed Planted
17. Plants Even Depth of each row Regardless of Ground Conditions
18. Easier tended and Cultivated throughout the Season
19. No Clodding Out of Soil, preventing Uneven Seed Covering
20. Constant Depth Control of Seed due to Individual Flexibility of Units
21. No Clodding Out of Soil, preventing Uneven Seed Covering

Local piano pupils of Mrs. Ohmer and Floydada have auditions for members of the International Fraternity of Music Teachers' Association of California will be the adjudicator of the local auditions this year as well as in other music centers of Texas.

A resident of Oakland, Mr. Samuel Pendleton, President of the Alameda County Branch of the Music Teachers' Association of California will be the adjudicator of the local auditions this year as well as in other music centers of Texas.

Mr. Pendleton has studied with Lili Kraus and Dohnanyi, and he studied with Tobias Matthay at the Tobias Matthay School in London, with Hilda Dederich, and later in San Francisco with Ross McKee. He taught for five years in Hibbing, Minnesota. After five years in the Army, he was separated as a Captain.

Mr. Pendleton is on the Board of Directors of the Oakland Symphony Orchestra and Oakland Civic Music Association. Besides maintaining his studio in Oakland, he is also on the Faculty of the Music and Arts Institute in San Francisco.

The local entrants are Kay Snead, Melinda Barker, Carol Davis, Ella Mae Cagle, Larry Brand, Nancy Ginn, Frances VanWinkle, Bobby Moore, Duane Webb, Freida Webb, Linda Abbott, Sue Harrison, Sharon Bingham, Joellen Reue, Sandy Bishop, Mary Kay Asher, Miles Davis, Larry Coltharp, Sharon Edmiston, Judy Williams, Susan Hagood, (pupil of Elaine Cooper); also three graduate students of 1939, Michael Groves, of Matador, Joellen Reue of Floydada, and Elaine Cooper of Lockney.

SAMUEL PENDLETON OAKLAND, CALIF.

Two directors will be elected, one for District 6 and one for District 7.

The entertainers on the program come from all parts of the area served by the Lighthouse Electric Co-op.

The program has been planned entirely by The Annual Meeting Planning Committee — they will be your host and hostess for the day. They are:

Mr. and Mrs. Buddy Graham, Route 1, Plainview;

Mr. and Mrs. Albert Scheele, Route 1, Lockney;

Mr. and Mrs. S. D. Kinnibrugh, Star Route, Floydada;

Mr. and Mrs. Harold Trull, Route 1, McAdoo;

Mr. and Mrs. Earl Edwards, Jr., Route 2, Floydada;

Mr. and Mrs. Cecil Baxter, Route 5, Floydada;

Mr. and Mrs. John Fowler, Floydada; and Mr. and Mrs. Ned Bradley.

Ned is Master of Ceremonies. There will be music and entertainment throughout the day and the prizes will be drawn throughout the day's program.

Among the prizes to be given away will be:

A Frigidaire Electric range, your choice of color, electric chard organ, electric blankets, electric drills, transistor radio, Farberware skillet, ice cream freezer, coffee maker, steam and dry iron, electric clock, electric hand mixers, knife sharpener, and many other nice and useful gifts.

Mr. and Mrs. Ed Neff and Gayle went to Lubbock over the weekend to visit his sister, Mrs. Paul Woody and her family. Mrs. W. P. Neff, his mother accompanied them to Lubbock to visit her daughter too.

Mr. and Mrs. Nolan Arney and Stevie spent the week-end in Big Spring with his sister and her family. Mr. and Mrs. Billy Blackburn and Vonna Gayle. They were accompanied to Big Spring by a brother Lynn Arney of Fort Worth, who had been visiting here with them. He returned to his home in Fort Worth from Big Spring.

Mr. and Mrs. Clovis Myrick were Lubbock visitors on Saturday.

E. J. Marricle and daughter, Patsy of Idalou, spent Sunday with Mr. and Mrs. Buck Marricle and boys.

Buck Marricle reports his uncle, Will Taylor's condition is somewhat improved at this time. He suffered a heart attack last week and is in the Lockney Hospital at this time.

Edwin Pollan says Mr. and Mrs. Boots Pollan have returned from Odessa, where he has been doing carpenter work for some time.

Mrs. Shorty Neff is a patient in the Lockney Hospital at this time.

Mr. and Mrs. Bill Ward of Lubbock visited Mr. and Mrs. Edwin Pollan and family Sunday afternoon.

Mr. and Mrs. W. O. Baker spent the week-end in Odessa with their son and his family. Mr. and Mrs. Billy Keith Baker and their baby son, Michael Brent. This was Bill and Julia's first visit with their new grandson.

Sheri Lynn Collins is recovering from a case of the mumps.

Mr. and Mrs. Leslie Fawver were Lubbock visitors Saturday.

Mr. and Mrs. Verlon Wright visited Sunday afternoon with Mr. and Mrs. E. B. Chesnut.

Mr. and Mrs. Tom Hutchins, David and Dale visited in Ralls Saturday with his mother, Mrs. J. H. Hutchins.

Monday was regular board of directors meeting at the Lighthouse. John Smitherman, Herman King, Roy Hale, R. C. Ratheal, Maurice Campbell, Odell Breed and Orville Williamson, all directors were present. Melvin Henry, Manager, and Ben Ayres, Attorney attended this meeting. Merrill Riggan, Lubbock and Louis Gittleman, Snyder, REA Field Representatives were also present for the board meeting.

The co-op's first Gold Medallion home has been completed. It was built by Mr. and Mrs. W. G. Walker for their son and his wife, Mr. and Mrs. W. G. Walker, Jr., in the Starkey community. We had a most enjoyable visit on Sunday afternoon in this lovely new home with Mr. and Mrs. Bill Walker, Mr. and Mrs. Grady Walker and Mr. and Mrs. W. W. Barnes of Vernon, when Melvin Henry, Manager of Lighthouse Electric Co-op made pictures to send for our page in the Texas Co-op Power Magazine that is sent to all members each month.

Mrs. Barnes is a sister of Mr. Walker, Sr. She and her husband operate the Barnes Air Conditioning and Appliance stores in Vernon and Wichita Falls. They were the engineers for the heating and air conditioning in this new all electric GOLD MEDALLION HOME.

At this time the Walkers are using approximately 22 kw per day to operate the heating and cooling mechanism in their new home.

They are well pleased with its operation, each of them said. "It sure is nice."

PLANT ON THE PLATEAU AND BE SURE

with Allis-Chalmers 4-row bedder planter

Plateau planting helps prevent drowning out and crusting over. Seed germinates quickly because rubber-tired seed press wheel pushes seed firmly into firm, moist soil with loose soil on top to prevent drying out. Ridges protect seedlings against wind damage.

Regular bedder bottoms, too, if desired. See us now.

Vega, Texas, Man Reports—

5000-pound Maize, Using Ammonia

Dan W. Berger, prominent Oldham County farmer, says: "Even with what I consider a light injection of Phillips 66 Ammonia—80 pounds per acre—I averaged 5000 pounds per acre on my grain sorghum last year. On a De Kalb 5-acre contest plot, I harvested 6400 pounds per acre. "This experience sold me on Phillips 66 Ammonia. I plan to use 120 pounds of ammonia on my grain sorghum land this year; 100 pounds on my wheat."

Other successful Southwestern farmers have discovered that they make more profit per acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin... yields of sorghum grain and ensilage are increased... profits on wheat and small grains are increased through higher grain yields and improved forage... more marketable vegetables are harvested.

Phillips 66 Ammonia can be easily applied either by you or your distributor. See us today about Phillips 66 Agricultural Ammonia... it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

FUN COMING UP Pioneers Discussion Meeting Views Many Probable Events

Jack Henry, president of the Old Settlers Association, said this week that plans are progressing nicely so far on the celebration coming up May 23.

Chairmen of committees gave reports at a called short business meeting Saturday afternoon in the court house. At various meetings coming up, Henry said, solid details will be ironed out.

The next regular meeting of the Association is planned for April 26, on Saturday afternoon. However, a called meeting is a probability, Henry said.

In the talking stage is a possibility of two separate parades. Also the Association is asking for more floats. Too, they are needing as many people as can be helped out with the booster trips coming up. Cars will also be needed.

The streets in Floydada are to be decorated for the week long celebration, and it was said that wooden nickels will be given

Farmer Claimed At Quanh While Visiting Sister

Funeral rites were held Monday afternoon at 3 o'clock in Quanh First Baptist Church for W. D. Dean, 73, a farm employee of the Thomas Warren family of this city.

Mr. Dean passed Sunday morning at the home of a sister in Quanh where he had gone on Friday for a week-end visit. He had complained of a chest pain during the week but had kept working. His death was instant and caused by a heart attack.

Dean had worked in Floyd County for several years. He was employed once by S. A. Guffee and Earl Huckabee. He made his home in a trailer house at the rear of the C. N. Battey home and had been employed by Warren for three years.

Among those attending rites from Floydada were Mr. and Mrs. Thomas Warren, O. M. Bertrand, B. D. Jones, Mrs. Ola Warren, Earl and Huckabee of Hereford.

Dean's survivors include a son in California, a daughter in Roswell, N. Mex. and his sister, Mrs. Paul Burnam of Quanh.

National Library Week Becomes of Greater Interest

From April 12 to April 18, 1959 thousands of communities throughout the United States will be celebrating the second National Library Week. This event is sponsored by the National Book Committee in cooperation with the American Library Association. It is devoted to the importance of reading in American life and to the importance of libraries of all kinds — public, school, rural, and university libraries — and the libraries maintained by individuals in their own homes.

Floyd County has a better opportunity than ever this year to observe National Library Week as folks from 2 to 70 come thronging to the Texas State Library Bookmobile Demonstration located here. In the 26 stops in Garza, Kent, Crosby, Dickens, and Floyd Counties the response has been excellent showing how eager the South Plains area is for good reading.

Mary Jo Vines, the Bookmobile librarian, announced that over 2,900 books were checked out in the first month of operation.

Mrs. J. P. Hollingsworth of Amarillo spent the week-end here visiting her daughter, Mrs. W. E. Garrett and family, and her cousin, Mrs. Will Snell and Mr. Snell.

SPENDS DAYS IN HOSPITAL

Mrs. Arch March and her son, Steve, of Lubbock, have returned home after being in Floydada most of last week. Mrs. March spent several days in Peoples Hospital for medical treatment. Her young son visited with his grandparents, Mr. and Mrs. J. P. Moss during his mother's confinement.

Mrs. March accompanied her husband's mother, Mrs. Joe March back to Floydada, after she was there during the week-end visiting with her family, and another son, Fred.

Leukemia Claims 9-Year Old Son Of Albert Martin

Funeral of Dan Martin, 9, son of Mr. and Mrs. Albert Martin, was held Sunday afternoon at 2 o'clock in the First Methodist Church at Flomot, where the Martin family formerly lived. Interment was in Flomot cemetery under the direction of Eudy-Seal Funeral Home.

The youth passed Friday in Bay Hospital in Dallas of leukemia. He had been ill about a week and taken to Taylor Clinic at Lubbock where his illness was diagnosed. He was born in Portales, N. Mex., and attended school at Andrews Ward school for a short time.

Survivors other than the parents include the grand parents, Mr. and Mrs. Robert Martin, and Mrs. J. T. Bural, all of Flomot. The Quinn Martins of Floydada are distant relatives.

Attending rites from Floydada were Mr. and Mrs. Tom Battey, Mr. and Mrs. O. G. Mayfield, Jim Hicks, Mr. and Mrs. Bill Norris, Harvey Marler, Orville and Richard Marler, Mr. and Mrs. Roy Curry, and Mr. and Mrs. Woodrow Whaley.

Pallbearers were cousins of the deceased, Bill Washington, Bob Lane and Rayford Martin, all of Lockney, and Max Washington of Canyon.

A. B. Duncan Jr. Rallying After Suffering Stroke

News this week of son Joe, of Dove Creek, Colo., Parrish said he spent a few days last week visiting his brother, V. D. Turner and to the home of his family, and also with relatives of Amarillo. His wife, Mrs. Turner, the family are en route home after spending some time at Paragould, Ark., with a sister of Mr. Turner.

Mr. Duncan is reported to be showing improvement this week and is now hospitalized at Canyon, where he underwent surgery in an Amarillo Hospital some two weeks ago. He stood the operation well, although he is a heart patient.

A few days following surgery Mr. Duncan suffered a stroke and has been paralyzed on the right side since that time.

Mrs. Maude E. Hollums, one of his sisters, talked with the family Sunday and was told that Mr. Duncan was able to speak a few words and move one of his legs.

Mark Duncan, a brother of Sanderson, Tex., spent most of last week with the ill man, as did Mrs. Hope Hammonds and Mrs. Sam Hale, sisters. Mrs. Hollums, herself just recuperating from an illness, hasn't been able to make the trip to Canyon to see the brother.

Federal Take Locally Heavy Report Shows

(Special to the Hesperian)

NEW YORK, Apr. 6 — Income tax greetings, from residents of Floyd County to their Uncle Sam in Washington, are numerous and weighty this year.

The remembrances, if they live

up to his expectations, will exceed those he received last year on April 15th, when an estimated \$2,801,000 in personal and employment taxes arrived in the mail.

They will serve to pay a few odd bills he seems to have accumulated.

The figure which is unofficial takes into account the report of the Internal Revenue Department for the State of Texas as a whole together with total earnings and income grouping locally.

Residents of Floyd County, the figures show, contributed 0.1 percent of the entire amount collected in the state.

Now, with national goals set at a level that is higher than last year by \$2.2 billion, for personal taxes, a share of the increase is expected locally.

The new tax payments, on the proportionate basis, will add up to \$2,571,000, it is estimated.

The Government is counting on a resumption of our economic growth and on greater prosperity during the present year to produce still higher revenue in 1960.

The new budget contemplates a rise in personal income from the current \$33 billion to \$37.4 billion, which would produce an extra \$3 billion or more in individual income taxes.

If residents of Floyd County realize an increase of equal size, nearly 6 percent, they will have a tax reckoning just that much larger, come April 15, 1960.

The tax situation nationally, as well as on state and local levels is causing greater concern than it has for many years, according to the Tax Foundation. People are wondering when the brakes will be applied.

It reports overall tax receipts at \$109 billion for fiscal 1958, double what they were in fiscal 1906. For the average person, it amounted to \$639 last year.

Spending was in excess of that total, \$311 billion. Per person, \$789 was spent.

Brent, Mr. and Mrs. Adrain Helms and Kelly, Mr. and Mrs. Tom Pennington and Miss Alice Helms.

Homemaking Hints

By Phyllis Roggenhoff County Home Demonstration Agent

What is charm? The dictionary says it is a quality of appearance, personality that attracts others. Mrs. Beth Rothman said it is the good you can bring out in others and that a charming person never makes others feel uncomfortable.

I am attending the charm school being taught this week by Mrs. Rothman at Plainview. She is charming and interesting. Those of you that go to the District THIDA meeting Thursday will hear her.

Mrs. Rothman also told us that your posture is a state of mind. If you think little of yourself you are more inclined to slump. If you would sit, stand and walk correctly, your muscles would be getting the right kind of exercise and you would feel better. Most backaches and foot trouble are caused by poor posture.

Some more interesting thoughts are: You become what you think about. If you think in negative terms, you will get negative results; if you think in positive terms, you will get positive results. You can alter your life by altering your attitudes. Everyone has some talent but some bury it instead of using it, just as in the Bible story.

I have just been to two classes so far but know I will enjoy all of them. Sure wish you were there also.

Color In The Home

Are you planning a new color scheme for your home? Choose colors for large areas first. This includes floor covering, walls and large upholstered pieces. In most cases, these should be your most livable colors, or colors that are greyed in intensity.

Next choose colors for small upholstery and the window treatment. This may be a blend of the room colors or match or contrast to the walls.

Lastly, choose your colors for accessories, pillows, lamps, pictures, etc. Usually this accent color is the brightest color.

4-H Demonstration Contest

We really appreciated the assistance of the 4-H leaders at the contest last Saturday. Those that assisted by directing traffic and judging records were: Mrs. Tom Porter, Floydada Jr. High Leader and County Wide Girls 4-H leader, Mrs. Bill Bledsoe, South Plains Community 4-H leader, Mrs. Hollis McLain, Sand Hill Community Club 4-H leader, Mrs. Bill Colston, Dougherty Community 4-H Club leader, Mrs. O. E. Johnson, Lakeview Community 4-H Club leader, Mrs. Henry Bullman and Mrs. N. S. Abbott, Lockney 4-H leaders, Mrs. W. W. Trapp and Mrs. O. G. Mayfield, Floydada School 4-H leaders, and Mrs. Lynn Miller and Mrs. Sherwood Ramsey former 4-H leaders.

NEPHEW OF L. G. NORRELL BURIED AT CLEBURNE, TEXAS

Wallace Lee (Butch) Norrell, 21, promising young University of Houston freshman golfer, collapsed and died Friday while playing golf at the Galveston Country Club.

Norrell attended forenoon classes in Houston and went to Galveston to spend the week-end. He is a son of Mr. and Mrs. S. L. Norrell of Cleburne, Texas, and a nephew of L. G. Norrell of Floydada.

Several from Floydada attended the funeral rites Sunday afternoon at 3 o'clock at Cleburne. They were Mr. and Mrs. L. G. Norrell, Harold Norrell, Mr. and Mrs. Elmer Norrell, and sons, James and Keith.

LIKES HIS LOCATION

Pvt. Rennie G. Vickers, grandson of Mr. and Mrs. J. R. Vickers, wrote recently that he has arrived in Furth, Germany, and will be stationed there for 30 months. He told his grandparents that he had a wonderful trip over, he which is next month in Plainview, Texas, he likes real well. He hopes to High School Whirlwind Band keep in touch with Floydada through letters and papers from home.

Java is one of the most densely populated countries in the world.

Floyd County Hesperian, Floydada, Tex., Thursday, April 16, 1959

Monday and Tuesday of last week Mrs. Geo. Wesler, accompanied by her daughter, Mrs. Kenneth Wampler of Houston, visited in an Amarillo hospital at the bedside of Mrs. Wesler's mother, Mrs. T. B. Irons of Des Moines, N. Mex. Mrs. Irons has returned to her home and is said to be improving.

BIBLE BAPTIST CHURCH

2 MORE SAVED PLUS ONE NEW ADDITION

THIS WE BELIEVE (No. 8) that the true New Testament Church is the Bride of Christ. The Bride of Christ is limited to only the baptized believers. (Read this we believe No. 3) of the ONE group of Churches of one faith and one baptism which compose the one Body. (Eph. 4:4, 5) You become a child of God's family (Kingdom of God) by faith (Gal. 3:26; John 1:11, 13) which is the new birth. (John 3:3, 21) But you become a part of the Bride of Christ (Body, the Church) by baptism (water) (Acts 2:41, 47; I Cor. 12:13, 27) which is an ordinance given to the Church by the authority of Jesus Christ. (Matt. 28:18, 20)

Not all members of the family of God (Kingdom of God) are in the Bride of Christ. Did you marry all the members of the family you married into, or just one? Will the Bride of Christ consist of all the family of God (All Saved Ones) or one group of the one faith and one baptism? (Eph. 4:4, 5)

John the Baptist was sent to prepare the material for the building of the Church. (Luke 1:17) He was certainly a child of God (Family or Kingdom of God) but he was not baptized, therefore he was not in the Bride of Christ (Church) himself but he is to be the friend (Best man or Guest) at the Wedding. John admits it himself. (John 3:27, 29; Read also Rev. 19:7, 10)

The Bride will not invite her own self to her own Wedding. (Matt. 22:1, 14) There were probably in the past many from different churches that were saved, but only the one group of churches of the One faith (belief) and one baptism will make up the Bride of Christ. Remember it said **ONE FAITH**, (Belief) therefore, the many churches (1965) all teaching different beliefs certainly cannot be the true Bride of Christ.

So next week we will show how a person can know the true Church or how you can identify the true Bride of Christ today. Sunday morning's message, "The Blood of Christ" and Sunday night's message, "The difference between the Kingdom of God, the Kingdom of Heaven, and the Church of God."

Come and bring a friend with you.

EDITORIAL VIEWS AND COMMENT

Three in a Row? Are we to have peaches in the backyard again in 1959? So far most of the crop has escaped, but peaches never "hit" three years in sequence, usually not even twice. Our book has no more freezing in it for this spring, but we are wondering just the same.

If The Month-End should bring The Hesperian's predicted rainfall, sometime after the 22nd, it would be a good thing all around. Remember? We said in February the April 5 rain should be helpful. It hit on the seventh instead but was more generous than we had hoped for. There is nothing clairvoyant about our ability along these lines. We keep tuned to Nature. That's all you have to do. During the long dry spell we sayeth not, for the good reason that we dislike to be a bearer of ill tidings.

George Dolan's take off on the State Highway Department's neat, sneaky way of clipping a few days every two years from driving license time of all automobile drivers in the state, reveals something that most every writer knew about and intended to mention but didn't. When the date for license renewal nears the license holder gets a notice. To be sure he doesn't forget, the automobile owner gets off a check promptly also he gets back a license renewal, which is dated the day it is issued, sometimes a couple of weeks before the actual date of expiration. Clip six to ten days off of a million licenses and you've made a neat profit, besides saving the time needed to hunt up the correct date. At that a lot of us are glad to lose eight days off of our permit time in preference to taking a written examination and a driving test! We should add that the quip doesn't absolve the clip.

The Dear Old Lady burst into tears when she looked out the window early one spring and saw her rows of beans that had been her pride and joy blackened by the heat of the rising sun after Jack Frost had nipped them in the small hours of the night before. However, she dried her eyes as she thought: "Thank Heaven, the neighbors' are all ruined, too." That in reality was little consolation, we'd think. But it does have a parallel, so far as the financial situation of Floydada Independent School District is concerned. All the neighbors have problems, too, and some of them even more pronounced than our own. If our taxpayers holler they're joining a chorus that covers schools all over 20 or 30 counties. The 'Economic Index' has caught up with us and found us short of something to use for the money the state is sending to other districts somewhere in Texas.

Now that Floydada is ready to embark on its ambitious and long-delayed paving program we can't urge too strongly that the city make haste slowly to get the best planned and best executed and most economical drainage and paving job done than any community ever got. Floydada was laid out on a flat terrain and drainage has been and will be a difficult problem. Also there are more streets that need paving than the money provided can get around to. Most of the problems can be solved, however, if the city gets good engineering advice and the council gives of their own time to check up on the probate outcome before any moves are made.

One thing property owners will be entitled to demand is that the engineer, who, presumably, will be hired from out of town, maintain records and an office in Floydada. The way the last engineer the town hired pushed the city council and the property owners around was a disgrace. The engineer is a hired hand, and while he should have every consideration and cooperation from the city, he should also keep his records in Floydada and be responsive and cooperative with his council, and not above answering questions of the press and public. The council, if it does not profit from past mistakes and have an understanding with its engineer beforehand, will be headed for trouble. The engineer, in our book, must move in with his records and data.

Sources of Revenue. The biggest item of revenue the State of Texas gets for carrying on its various programs is the federal government. For all purposes the 1958 income of the state from the federal government was a quarter of a billion dollars. Nearest other income was from the highway motor fuel tax, which, at that, was \$80 million less than the government aid to the state. Next was the crude oil tax which pays in \$128 million. In order the other sources are motor vehicle licenses and registrations, land sales, rentals and royalties, cigarette tax, natural gas tax, franchise tax, ad valorem tax (once the big dog) liquor, beer, wine and ale tax, interest and penalties, insurance company tax, fees and permits, auto sales tax. And after these all other sources provide \$66 million a year. (Source: State Comptroller annual report.)

It will be interesting to see how many new kinds of taxes are assessed and how the tax payers will awaken to the fact that they must keep records on their activities and pay off. In addition to keeping books for Uncle Sam we'll also be rendering the same service to the state ere long.

Floyd County 14 Years Ago

(From the files of The Hesperian, issue dated April 19, 1945)

Hundreds here in Floydada paid tribute to President Franklin D. Roosevelt, last Thursday after hearing of his death at Warm Springs, Ga.

Old timers of the area set May 29, for Floyd County's annual Pioneer celebration. John A. Hollums, is president of the organization.

An eye injury that has, however responded to treatment, was suffered last week by Henry Edwards, head of Henry Edwards elevators of Floyd County. A piece of metal that broke one of his glasses filled the eye with particles of glass and he suffered acutely for two days while the last of the fragments were being located and removed.

Mavis Louis Willson, daughter of Mr. and Mrs. J. M. Willson, was one of 24 Iowa State College coeds chosen to model spring and summer clothes at a recent benefit party and style show at Ames, Iowa.

Veleta Sparks of Odessa, became the bride of Pvt. Ewell S. Johnson Jr. in a double-ring ceremony at the Methodist church parsonage Sunday morning. Rev. Phil H. Gates officiated. Ewell is the son of Mr. and Mrs. E. S. Johnson of this city, and the bride is the daughter of Mr. and Mrs. Tom Sparks of Odessa, formerly of Floydada. The couple will make their home in Gulfport, Miss., where he is stationed with the army.

Mrs. G. G. Tye of Burbank, Calif., is here visiting with her son, W. O. Tye and a daughter, Mrs. Sam McClesky and other relatives.

Mr. and Mrs. W. A. Lovell and family, and Mr. and Mrs. Clyde Smith, who have been making their homes in Wilmington, Calif., have returned to the Texas plains and will make their home in Plainview temporarily. Mr. Lovell was in Floydada Saturday visiting with old friends.

PFC William Culpepper from Camp Flora, Miss., visited at McCoy a few days with his parents, Mr. and Mrs. W. F. Culpepper and his wife's parents, Mr. and Mrs. R. F. Day. He spent most of his 10 days at Enoch, Tex., with his wife and daughter. Culpepper is being transferred to Pennsylvania. News that Ensign Dorothy Brock of the U. S. Navy Nurses Corps has been promoted and now wears insignia of lieutenant (JG) was announced by the Navy this week. Miss Brock is the daughter of Mr. and Mrs. W. H. Brock.

Although his outfit has shipped out to a new area, Newell Parker still remains in New Guinea where he has been since being shipped overseas two years ago, according to a news report received by his parents, Mr. and Mrs. H. G. Parker.

Sale of the East Ward school building by trustees of Floydada Independent School district to the First Baptist Church of Floydada was reported the first of the week. The purchase price was \$1,750.

F. M. Smitherman of South Plains was elected president of the First National Bank at Lockney in a meeting of directors held there last week.

H. W. Childress, 79, of Abilene died Tuesday of last week in a hospital there and remains interred in Gainesville, his former home, on Wednesday. He was a brother of Mrs. Dora Reagan, and an uncle of J. H. Reagan, Mrs. W. U. White all of this city.

George H. Kellison Passes. Burial at Hollis, Okla.

George Homer Kellison, 75, of Hollis Okla., passed away Thursday morning in Lockney General Hospital, following a lengthy illness. Mr. Kellison was a retired farmer. He was born April 12, 1883, and had resided at Hollis since 1902.

Funeral rites were held in Hollis First Baptist Church on Friday.

Survivors include his wife, two daughters, Mrs. Marie Carter of Lockney, and Mrs. Margie Gorman of San Diego, Calif., five sons, Robert and Jess, Phoenix, Ariz., Buck, Clifford and Earl Kellison, all of Lockney, one brother, John of Hollis.

GA'S ELECT OFFICERS

New officers of the Girl's Ambassadors of the First Baptist Church were elected to office at a meeting held on April 7. Brenda Harper was chosen president; Peggy Switzer, vice president; Sandra Stapleton, secretary; Shirley McClung, treasurer; Sue Foster, song leader; Shelia Patterson, piano player; Deanne Robertson, prayer chairman.

Linda Foster, program chairman; Patty Dempsey, mission study; Camilla Nash and Genice Moore, social chairmen; Kitty Lloyd and Karen Thomas, community mission; Glenda Giles, forward step chairman; Sandra Stapleton and Shirley McClung reporters.

More Matador Land Due To Be Colonized

Eighty-seven thousand acres more than 130 sections of the one-time Matador Land and Cattle Company lands in Motley county, is to go on the market for small farm and ranch holdings. The land lies northeast of Matador. Announcement last week out of Matador that D. I. W. Birnie, Motley rancher, and John V. Stevens, former resident manager of the Matadors, had bought the holdings of the Hornica and Bear Creek Corporations and will inaugurate a selling campaign, was hailed in Matador as a boon to business.

The two Matador men are associated with a group of businessmen from Wichita Falls in the venture. They have named their organization the Hornica-Bear Creek Land Co., and have set up office in Matador to begin selling the land.

All the cattle have been removed from the pastures, making the first time in 80 years the land has not been used for grazing.

Last month a similar move to cut up the lands of the Red Lake pastures was announced by E. E. Moss and sons and Con Davis, the latter of Spur. Red Lake lies south of Tongue River and is partly in Motley, partly in Dickens Counties. It embraces about 54,000 acres.

With all the cattle gone from the Hornica-Bear Creek pastures a farewell supper for the cowboys who had manned the ranch-land was given by Mr. and Mrs. F. B. Fields at the headquarters nine miles east of Matador. Fields had been in charge of the camp since the ranch was purchased from the original Matadors. The dinner was the breaking up of traditional cowboy associations. For weeks the old chuck wagon had been pulled in. There are to be no more cattle workings and round ups in grand manner.

Matador newsman, Douglas Meador Editor of the Tribune, hailed the cutting up of the big pastures as a "dream of half a century come true" for Matador.

Jacbin Clubs, made up of the most fanatic of the French Revolutionists, were named for the convent where they met.

Review Pleasing To Wesley Girls Class Resident Welcomed New Neighborhood

The Wesley Girl's Sunday School class of the Methodist Church met in the parlor Wednesday of last week for their monthly social. Hostesses were Mrs. Geo. Smith, Mrs. D. S. Battey, and Mrs. E. S. Anderson.

Mrs. S. J. Latta gave the devotional for the afternoon, after which she introduced Mrs. Jack McIntosh, who reviewed "One Saint and Seven Sinners" by Master Reaves Hall. The story was most delightful and well presented.

Colors of yellow and orchid were carried out for serving arrangements. A lace cloth over-laid yellow on the table which brought out the focal appointment, a crystal bowl holding yellow punch, surrounded by lilac sprays, and accented by a bouquet of the identical flowers. Soft music played in the background.

Those present and extending welcome to Mrs. Willson were Mrs. J. M. Williams, L. Simpson, Floyd Lawson, John Stapleton, T. L. Holland Jr., Kinder Farris, T. Graves, Lon Davis Jr., Mrs. McCulley, Mrs. Jimmy Willson, and Mrs. Ralph Lemons.

Hostesses served sandwiches, cookies, coffee and tea to Mrs. Scott King, W. E. Grimes, J. M. Willson Sr., J. H. Barnard, D. T. Mayo, V. W. Hennessie, J. D. Colville, W. H. Henderson, Roy Curry, Frank Probasco, Myrtle Turner, Maud Merrick, Myrtle Shaw, Jess Wood, Wilson Kimble, Harry Koenen, Lillie Henry, and S. J. Latta.

DINNER CELEBRATES FOUR DAY FAMILY BIRTHDAYS

A family dinner was enjoyed Sunday in the home of Mr. and Mrs. G. H. Day to celebrate the birthdays of four members of the family, two daughters, Mrs. J. W. Day Jr., and Mrs. Wanda O'Neal, a granddaughter, Cindy Day, and a daughter-in-law, Mrs. Tommy O'Neal of Hart. All four had birthdays in April.

Following a beautiful meal, the celebrants opened birthday greetings and showed them around to Mr. and Mrs. G. H. Day, Mr. and Mrs. M. J. McNeill and Janice, Tommy O'Neal, J. W. Day Jr., Mr. and Mrs. Travis Bundick of Olton.

Kenneth O'Neal, Norman Ferguson, Janice Trapp, Janet Moore, and Mr. and Mrs. Andy Jackson.

RAINBOW GIRLS PLANNING INTERESTING PROJECTS

Members of the Order of Rainbow Girls met in session at Masonic Hall Monday night of last week for a business meeting. Judy Jackson, Worthy Advisor, presided.

A report was given that 48 of the girls attended church in a body at First Baptist Church the previous Sunday.

Mrs. M. J. McNeill, Mother Advisor, asked that each member bring old discarded women's hose to the next meeting on April 20 and also stamps off letters received. The stamps will be sent to a retarded school for children and the hose will be used in a project of the Rainbows.

Two candidates will be initiated at the next meeting. All members are urged to be present.

Family Gathers, Friends Call, On Anniversary Day

Rev. and Mrs. C. A. Breeding were honored with a family dinner at their home on Sunday, observing their Silver Wedding Anniversary. All of their children were present for the occasion as well as their two grandchildren and other descendants of the family.

Following the beautiful meal, friends called between the hours of 2 and 4 p. m. They were served punch, coffee, and slices of a white anniversary cake decorated in silver.

Relatives present were Carolyn, Charles Terry and Barbara Breeding of the home, a married daughter, Mrs. Clifton Couch and her two children, Donna and Marvin of Plainview, Mrs. Breeding's sister, Mrs. Nora Alvis of Plainview, a sister of Mr. Breeding, Mrs. Grace Pike and her husband of Post, and a half brother and wife, Mr. and Mrs. W. D. Ashby of Plainview.

Mr. and Mrs. Breeding were married April 9, 1934 in Hopkins County. They have made their home in Floydada the past ten years. Both Rev. and Mrs. Breeding are in the interior painting business. He has pastored at Fairview Community and in Crosby County.

EASTERN STAR MEETS

Eastern Star met Thursday night in Masonic Hall for initiation ceremonies.

Mr. and Mrs. Troy McNeill and Mr. and Mrs. Junior Calahan were hosts for the evening.

Mrs. Bess Rutherford, Worthy Matron, presided.

During the short business meeting report was made that Mrs. Leila McNeill and Mrs. G. H. Day are home from the hospital.

Are you one of those "busy busy" women, whose "schedule" is always full to overflowing? If so, you often hear, "I don't see how you do it!" "You just must slow down!" "Why don't you let somebody else do that?"

The fact that a person is always busy bespeaks some strength and some weaknesses. On the plus side, she isn't lazy. She probably likes people and so reaches out toward them — as neighbors, in clubs, the church and the community. Often she is compensating for some lack in her personal life: no children, a husband addicted to golf or some other hobby, too little spending money, or general boredom.

On the minus side, she doesn't know how to say no, even when her better judgment tells her to. She is often "cheating" on family relations, housework, her own needed leisure, or more important activities to "see through" all the unimportant little duties she assumes.

She also becomes an expert on busy-ness and nothing bores her more thoroughly than having to listen to the schedule of another over-active somebody. She starts clicking mentally: "You think YOU'RE busy — you should hear MY calendar!" "Now THAT you could avoid, if just at all necessary" — "That's poor planning!" Of course, she doesn't say these things out loud — she knows better. But she is smart enough to know that in any full schedule things one is really responsible for, those she can leave or take as she chooses, and those wholly unnecessary which she enjoys.

Foiks busy themselves at a wild assortment of activities, and for a variety of reasons. But one thing they have in common: they don't like to be told how to run their lives, and woe unto the fellow who tries it!

AN APPRECIATION

What a delightful surprise to return home from a weekend trip and find notes, birthday greetings, and flowers from all my friends reminding me that Saturday was my birthday. I wish to take this means of thanking all of you who remembered.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN — Whichever way the ball bounces, Texans can look forward to a hefty increase in state taxes for 1960-61.

House of Representatives passed a general appropriations bill calling for spending of \$332 million from general revenue. Senators took a more economical approach, began their work with a bill calling for \$30,000,000 less than the House measure.

Even so, the Senate proposal would put spending some \$21 million above the present level and require an estimated \$17,000,000 in new tax money.

House bill includes longevity pay raises for long-time state employees and increases in welfare checks to the aged, blind and dependent, all added during floor debate. House also accepted committee recommendations for boosts in the appropriations for higher education, state hospitals and special schools and the prison system.

GASOLINE TAX VIEWED — Gov. Price Daniel says he's ready to support a 1-cent hike in the gasoline tax if it will be used to improve public schools, raise teacher salaries.

Neither the House nor Senate appropriations bill included public school teacher raises. Lawmakers seemed to think this, if it were to be done, should be handled in a separate bill.

Texas still would have a lower gasoline tax than other states, said Daniel, even after the 1-cent raise. He said he felt sure service station operators would "go a-

long" with it if it were for the purpose of better schools.

Opponents say that, with practically everyone having to use a car these days, the gasoline levy is about as "general as a sales tax can get."

HEALTH CHIEF RESIGNS — Recent target of lawmakers is the State Health Department, where Commissioner Henry A. Holle stepped out of his \$16,000-a-year post under the glare of legislative disapproval.

Dr. Holle said he felt the department would be better off with another commissioner who could get more support in the way of legislative appropriations.

Meanwhile, both House and Senate launched inquiries into Health Department spending practices.

FLEXIBLE RATING OFF — State regulation of Texas auto insurance rates apparently will continue for at least another two years.

Senate Insurance Committee refused to approve a flexible rating plan, sent it to the sub-committee "graveyard."

Backers of the bill, mostly claimed it would save Texas auto owners millions. Careful drivers would be rewarded with lower insurance, they said.

Opponents, including most Texas companies, fought the bill, said it would "take the lid off" rates. They said a merit rating plan, being considered by the State Board of Insurance, would take care of rewarding safe drivers.

LENDING BILL FILIBUSTER — Senate disagreement over how to improve loan shark regulation brought on the first filibuster of the session.

Sen. Abraham Kazen of Laredo sponsored the House-passed measure which would, if approved by a vote of the people, amend the constitution. It would allow the Legislature to license lenders and set maximum interest rates. Present 10 per cent ceiling, widely ignored, would be abolished.

Sen. Frank Owen III of El Paso led a long-winded assault on the measure. He and other senators insisted such regulation should be limited to loans under \$500 to \$600.

Senate gave Kazen's measure preliminary approval, despite all the opposition.

PARTY IN-FIGHTING BEGINS — Fifteen months ahead of convention time is not too soon for Texas Democrats to start haggling over who'll receive their presidential nominating votes.

U. S. Sen. Lyndon B. Johnson is the focal point of controversy. Recent developments:

Young Democrats of Texas, currently controlled by leftwingers, declared the senator should pay more attention to the party platform. J. Ed Connally, chairman of the state executive committee, quickly announced the Young Demos did not speak for the party. He called them "immature extremists."

Democrats of Texas, unofficial liberal organization, announced it would have a convention in Austin in May. DOT, also, has "fallen out" with Sen. Johnson.

In the Legislature, the House elections committee approved a bill that would allow Senator Johnson to run for president and re-election as senator in the same general election.

INVESTMENT BOARD URGED — A bill by Sen. Hubert Hudson of Brownsville would create a new board to handle investments of three large state trust funds.

Making up the nine-member board would be the governor, attorney general, comptroller, chairman of the two retirement systems chairman of the State Board of Education and three bank presidents.

Investment in corporate stocks and bonds would be permitted by Hudson's measure. Altogether, the three funds total \$20,000,000.

GRANGER WILL STAGE HOME-COMING DAY ON MAY NINTH

GRANGER, Apr. — Former Grangerites, now scattered all over the country, will gather in Granger on May 9 for the 12th annual homecoming to be staged in the little central Texas town.

The whole town of 1800 people will turn out to welcome hundreds of former Granger citizens during the Mother's Day week-end.

Included on the day's agenda will be a parade at 10:00 a. m. led by the Williamson County Sheriff's posse; a program at 11:00 featuring outstanding speakers, all former Grangerites; luncheon at the First Methodist Church at 12:00 open houses and class reunions in the afternoon; and a dance in the evening.

When Its Round-up Time in Texas Make It Wash-up Time In Floydada

Round up those woolen blankets, quilts, jackets and other winter woolen articles that wash and bring them down to the Westinghouse Automatic Laundromat. The water is rain-soft so use one-half cup of mild soap flakes and wash on "Warm," not hot water. Westinghouse automatics do not agitate, tear, slap, pound, weaken or remove fibers from the finest garment but they wash on the same principle as the old rub board (the tub is a circular rub board). Westinghouse automatics wash an rub for 15 minutes and for the next 15 minutes go through 3 rinses. In the last deep rinse you may add blueing by using 1 teaspoon of blueing in a quart jar of water and pouring this down the chute.

Dryers are now set at the best temperature for drying cottons or woollens properly. An automatic thermostat controls the heat; these work right and they will not over heat or yellow clothes. (Don't leave suds in clothes this sometimes yellows and be sure to blue white ones.) You will really enjoy this easy way to wash especially find it most convenient to handle big articles like quilts or blankets, for you will not be straining, lifting, bending, reaching. Such a good feeling to go home and store these things for summer. NOTE: If you are washing at the Laundromat during the hours the attendant is there, your woolen articles will be moth sprayed free.

Have you learned, "When its Westinghouse it is good" Or are you letting some one lead you astray? Don't be astray - Fall in line with the best like the rest. Get along little doggie we're heading in for the Laundromat on the square in Floydada.
