BIG EXPENSE BILLS SCUTTLE AUSTERITY PLAN

HERE SINCE JUNE, 1890

R. C. Scott Found Health, Wife and Career in Floyd

By Betty Henry

Definitely one of the most interesting couples in this area is a 90-year-old man and his 79-year-old wife, Mr. and Mrs. R. C. Scott. They are historically interesting because both came to this county in 1890 within one month of each other. Also, they have watched the country grow and develop to the prosperous place it now has in the nation.

In 1891, Mr. Scott was told by a doctor that he would not live five years named Hamilton in Tennessee. More than 60 years later, he reflects, "I've outlived them all," referring to those who predicted his death. Mr. Scott never died in Shackleford County.

Mr. Scott ate his first meal in Floyd County at a rooming house run by a Mrs. Emma Hardy, located approximately where the Western Grocery now stands. This was later taken by a family named Martin.

Reared in Tennessee

Ralston Calhoun Scott, son of John K. and Adalaid Scott, was born on August 9, 1869 in Shreveport, Louisiana. When his parents died he was raised by foster parents named Hamilton in Tennessee. In 1896, R. C. headed for the frontier of Texas, for health reasons, by train and soon arrived in Shackleford County.

Other businesses in the newly-founded town were a saloon, I. H. Sidden's grocery store, a hardware store run by George and Arthur Whitney, another grocery store run by Sam Chadwick, the Gunn Hotel (named after one of the promoters of the town) and a mercantile store by the name of Johnson Brothers and Ainsworth.

The Masonic Hall was located above the Chadwick Grocery and the temporary Court House was in the upper story of the Johnson Brothers and Ainsworth building.

The saloon was also a two-story building with a false front. Gamblers used the upstairs of the building and they did that by putting a ladder up on the porch roof, climbing into the windows, and pulling the ladder in after them.

There was no entry from the saloon to the upstairs. This was for the purpose of avoiding the arms of the law and as Mr. Scott said "losers didn't have a very easy time of getting out."

Homesteads West of Town

Soon after his arrival in Floyd County, Mr. Scott homesteaded in a dugout six miles west of town. He did not work the land.

Family Circle Complete. The six daughters of Mr. and Mrs. A. L. Sparks, who gathered here last week, posed for the cameraman with their parents Friday afternoon. Grouped behind the parents, seated, are, left to right, Mrs. James Cox, Plainview, Mrs. Newell Parker, Floydada, Mrs. W. H. Rylatt, Highland Park, Ill., Mrs. S. L. Sandefur, Paducah, Mrs. E. T. Borum, Earth, and Mrs. C. W. Mason, Phoenix, Ariz. (See story on another page).

City of Floydada Runs Into Enforced Big Spending Spree

City of Floydada's planned three-month period of austerity in July, August and September, when the monthly budget was to have been kept within \$7,500 has gotten knocked into a cocked hat by the march of events, untoward circumstances and burgeoning need for spending.

The untoward circumstance was furnished by a sewer cleaning job that had to be done and has just been completed. The council contracted for the work with Johnny Everett of the Southwest Pipe Cleaning Co., late in June at a special meeting, when residents on some of the lines complained that service lines were refusing to function.

S A Thornton Funeral Held Wednesday

Death claimed S. A. (Skeet) Thornton, 66, long time Floyd County resident, in Methodist Hospital Monday morning about 8:30. He had been ill for about six weeks suffering from a brain tumor for which he underwent surgery a month ago.

Mr. Thornton was born in Trinity County, Tex., Jan. 7, 1893. He came to Floyd County 35 years ago and worked as a farmer and a barber. He had his own barber shop in Floydada at one time, and was with the Palace Barber Shop until his recent retirement.

33 Girls Vie In 4-H Revue

The Floyd County 4-H Girl's view, and Mrs. R. Coleman, dress judging was held in the High School auditorium Wednesday night followed with the annual review on the stage Friday evening.

Floyd County will be represented at the District 4-H Dress Revue to be held in Lubbock on July 30 and 31, by Sue Wilson, daughter of Mr. and Mrs. John Wilson of South Plains, and Doris Fawver, daughter of Mr. and Mrs. Gilbert Fawver of Baker community. Miss Wilson won first in age groups over 14, and Miss Fawver first in age group under 14. She was presented a loving cup for having most points in the judging, but will not be eligible for State due to age limitation.

33 Girls Vie In 4-H Revue

The program committee was headed by Mrs. I. H. Parks, Mrs. Roy Bledsoe and Mrs. Zant Scott, assisted by Sue Wilson, Yvonne Karr and Melba Jo Ramsey. Mrs. Hollis McLain was chairman of the prize committee.

Girls placing first, second and third received gifts as well as the two county winners.

An adjustment in wages of road workers in the county has been made in a recent meeting of the Commissioners Court. Beginning salaries of inexperienced road hands was set at \$250, experienced beginners at \$265.

Appoint Fawver On Gin Board

The appointment of Gilbert L. Fawver on the board of directors of the Farmers Cooperative Gin Company was announced last week.

Mr. Fawver takes the place made vacant by the recent death of W. A. Campbell. Fawver was next high man in the vote for directors at the annual meeting.

Road Workers Wages Adjusted

An adjustment in wages of road workers in the county has been made in a recent meeting of the Commissioners Court. Beginning salaries of inexperienced road hands was set at \$250, experienced beginners at \$265.

For mowing on county right-of-way a rate of \$2.55 per hour was set by the court for man and machine.

Andy Jackson Stricken

Andy Jackson is resting fairly well at the family home and has been required by attending physicians to remain in bed for three weeks. Jackson, who has been in ill health for sometime, was stricken while downtown last week on Wednesday, and was taken to Plainview the following day.

Wrate Neighbors Trap and Pepper Window Peep (But He Gets Away)

Three Floydada men made a believer out of a window peeper the Jim Campbell home early last Saturday night, or temporarily so week by their young daughter, at any rate, after at least one shot Nancy Carol. She saw him at her penetrated skin enough to bring bedroom window. Then on another night he was seen at the couple's bedroom window.

The north part of town in the block where the David Badgett, Clovis Myrick and Jim Campbell families reside had been plagued for a week with a window peeper.

The man, has been frightened away from various houses in the block. On one occasion, a brother of Jim's, John Campbell, got close enough to the man to kick him from the window of their garage. They didn't have long to wait. The culprit disappeared about 10:30, was the brazen peeper enough evidently to keep away. He strolled across the yard, was about middle age.

MRS. PHILLIPS GRAVELY ILL

Mrs. Bonita Phillips, wife of Orvis W. Phillips, bookkeeper at Oden Chevrolet Co., is seriously ill and was taken to Plainview Hospital and Clinic last week where her condition remains grave according to medical reports received in Floydada by friends of the family.

4-H Leaders Lead Aid

On the decorating committee were Mrs. O. G. Mayfield and Mrs. Henry Bollman, 4-H adult leaders, and Nancy Bollman, Melba Jo Ramsey, and Janice Miller, 4-H girls.

The program committee was headed by Mrs. I. H. Parks, Mrs. Roy Bledsoe and Mrs. Zant Scott, assisted by Sue Wilson, Yvonne Karr and Melba Jo Ramsey. Mrs. Hollis McLain was chairman of the prize committee.

Magic In Fashions

The setting for the review had a background of magic. A big black hat formed the background as the contestants modeled.

Melba Jo Ramsey of Harmony 4-H club wrote her own narration, and Beth Scott, also Harmony club, dressed as a magician, did several hand tricks, and waved her magic wand for the appearance of each of the thirty-three girls.

Other Winners Listed

Other girls winning places in the review included Nita Karen first in the apron division, and Elaine Starkey, second; Marilyn McLain, first in the skirt division; Becky Miller, second, and Darlene Gillespie, third.

Katherine Mulder, second in school dress division and Jo Ann Jameson, third.

Linda Abbott, first in dress-up dresses and Connie Reed, third, at any rate, first in tailored dresses and Janice Miller, second.

Judges for the review were Gena Brezgal, assistant Home Demonstration agent of Plain-

School Starts August 31

Superintendent of Schools I. T. Graves announced this week that Floydada schools will begin the 1959-60 term on Monday, August 31. Though all details have not been worked out as yet Graves says the starting date is set, and thought it would be of value to vacationers and others to know the exact day.

Registration of high school students will come before the thirty-first and a complete schedule of opening events will be announced in the near future.

AT FIRE SCHOOL

City Fire Marshal B. J. Baker and two volunteer members of Floydada Fire Department, L. C. Ferguson and Ralph Ferguson have journeyed to College Station for a week of study on fire prevention and fire fighting in the A & M College annual firemen's school.

The school, an annual affair, is being conducted in the week of July 19 to 24.

Expenses of the firemen to A & M College are paid by the city and a saving on fire insurance premiums is reflected in the allowance of 5 per cent off the city's key rate.

Reserve Seat Advance Sale Is Scheduled

Reserved seat tickets for West-er Field Stadium for the 1959 football season are now being printed and will go on sale Monday, August 17. This is the same day that the football boys will start their practice sessions.

A. E. Baker, principal of Floydada High School, said in making the announcement, that holders of reserved seats last year will have an option on the same seats and should purchase their tickets before August 28, when the sale will be thrown open to the general public.

(See Seat Sale, page 6)

Jack Shields Is New Coach of Basketball

Preston Watson, director of athletics of Floydada Schools, announced this week the school has named a basketball coach to replace Paul Huntington who resigned. The new man is Bobby Shields. He comes to Floydada highly recommended.

Shields is attending summer school at West Texas State at present but will be free to start two years of his service with the Whirlwinds when he is in charge of sports and physical education activities of children of service families at a base in Germany, coaching basketball and baseball.

Shields was recommended by the dean of men at Wayland College as an outstanding student of fine character. The Phillips Superintendent said that if his school were looking for a basketball coach Shields would be his choice, second only to the great basketball coach of Pampa who is being sought after all over the state by high schools and colleges.

Shields is 25 years of age. He is single. He will coach both boys and girls basketball and will assist in football.

The new coach will join the other members of the staff when they go to the coaching school early in August.

Vacationer Warned by Chief Baker of Home Fire Hazards

In a warning this week to vacationists Fire Marshal B. J. Baker pointed to the possibility that the vacationer may return home to find his house in ashes, and urges that attention be given to conditions around the premises before departure.

"This can be a real tragedy," said the Fire Chief, "but a few precautions taken before leaving can mean the difference. He suggests that before leaving thoughts might be directed to cleanliness and ventilation.

"The cleanliness would extend to the house, garage and yard. Rubbish, high weeds and piles of 'junk' seem to have a way of attracting fire.

"A further possibility is to be sure that the garage as well as the house is locked to keep children from playing in it. Fires can easily start in the garage and spread to the house or to the neighbor's house.

"Here's hoping that you do not meet up with a tragedy like this," he concluded in wishing good luck and happy vacationing.

Residents Eating at \$4,323,000 Clip

In Floyd County, it shows, food per household. In the United States the average was \$982 per household, and in the State of Texas, \$990.

The local ability to indulge in more and better food is but one facet of a gradual improvement in the standard of living. It extends to other areas as well. To a typical family, after paying the bills for the necessities, there is more money left than it ever had for the luxuries of life, despite bigger taxes and higher prices.

Even though the past year was one of recession, sales of automobiles and other major items in Floyd County, would come to \$1,319,000 equivalent to 21 cents of the retail dollar. This was for new and used autos, for tires and other accessories, and for motorcycles and boats.

Stores selling general merchandise had receipts totaling \$525,000 equal to 3 cents of the dollar.

Apparel stores accounted for \$758,000, representing 5 cents.

Local sales of home furnishings came to \$649,000 in the year, for 4 cents additional.

Current reports from all over the country indicate that the American people are in a better spending mood than they were a year ago. It is sparking a boom for most retail lines.

Club Families Frolic at Mid-Summer Picnic

Floyd County families enjoyed a most enjoyable picnic at the Country Club on Thursday afternoon. The picnic was held on the golf course and was a most successful one. The weather was perfect and the food was excellent. The picnic was held on the golf course and was a most successful one. The weather was perfect and the food was excellent.

Girls in the 11-13 year old bracket had some stiff competition. Linda Seago won first in the freestyle, Suzanne Collier, second, and DeAnn Wilson, third. DeAnn Wilson, first in the backstroke, Linda Seago, second, and Suzanne Collier, third. Suzanne Collier took first in the breast stroke, Bobbie Reue, second, and Jan Stansell, third.

The Grover Coffey family attended the Slover family reunion at Matador Sunday. The Slovers and Coffeys were former neighbors at Quanah.

Mrs. Wesley Carr and son Bill were visitors in Dumont Friday with Mrs. Carr's parents, Mr. and Mrs. Charlie Bailey.

New Campaign Builds Up TU
The Training Union of the First Baptist Church, the organization for training in Church Membership is moving up in July and August. Rather than a summer slump, this organization is experiencing an increase in attendance and efficiency. In fact, the attendance is the best since last November.

Mr. and Mrs. Claude Weathersbee and family spent the week-end in Snyder with his mother, Mrs. Eunice Weathersbee.

Shorty and Edd Neff report that their brother Lee Neff, who had a serious heart attack last Monday, is improving at this time. He is in Lockney Hospital.

Corkey Guffee, Red Gregory and Buck Marriselle spent the week-end at Lake Stamford fishing. They were accompanied by E. W. Stubbs, Representative for Anderson-Young Co., Mark Davis, Representative for Nelson Electric, and two linemen from the South Plains Electric Cooperative, Inc., of Lubbock.

Mr. and Mrs. Wiley Rogers and Lana Fair, their granddaughter, returned from Red River, N. Mex., where they had been on vacation.

Mr. and Mrs. Leslie Favver and family visited Sunday afternoon with her sister and family, the Johnny Cates' near Dougherty.

Mrs. Marvin Shurbet and daughter Judy were co-op visitors last Wednesday afternoon. They were in Floydada visiting Mrs. Shurbet's father, Forrest Welborn. Cassie Yarborough and Bud Buchanan of Hale County were co-op visitors on Wednesday.

Scotty Slaughter with Cummins Supply of Amarillo, and Marvin Pruitt with Pruitt Electric Co. also of Amarillo, were co-op visitors last week.

Linda Ellerd, daughter of Mr. and Mrs. Charlie Ellerd of Petersburg, was by for a short visit on Thursday last week.

Mrs. Chesley Dozier of Ralls was a Floydada visitor on Monday afternoon. She had received a card from the Louis Purvis family of Ralls who are vacationing in Alaska at this time. They said they were having a wonderful time and that Alaska is a beautiful place. Mrs. Purvis is the home-making teacher in the Ralls High School.

Such a pleasant surprise to have Mrs. L. G. Mathews of Brownsville, Texas, for a brief visit on Tuesday morning. She and Mrs. Dr. George Smith came by to say hello. Mrs. Mathews has been in Plainview for several days with her sister who is ill. Judge and Mrs. Mathews are former residents of Floydada.

Lighthouse Electric Cooperative, Inc. The delicious meal was prepared and served by their Home Service Advisor, Gayle Ward of Plainview, and their Home Service Advisor, Earnestine Gary of Clovis, N. Mex.

Sinor Almost Gets His Man In Two Tries

Don Sinor, a recent resident of Floydada, who came here from East Texas to take employment in the paint and body department of Oden Chevrolet Company, almost brought a burglar to justice single-handed over the weekend and Monday.

Sound of breaking window glass at the Whitfill Laundry across the street from his residence in the 300 block of South Main Saturday night got Sinor into action. Rushing across the street he was a few steps too slow to latch on to a fleeing figure that eluded him in a four block chase.

Sinor reported the incident to the authorities who found some loot from another burglary at the laundry. The culprit apparently was making the rounds without going to the trouble of visiting his cache between takes.

But this was not the whole story. Monday Sinor saw a man making the alley adjacent to the body works and was impressed that he might be the fleet-footed one he chased the previous Saturday night.

Following 150 feet or so to a bushy mesquite surrounded by high weeds Sinor came upon the fellow inspecting a cache which included a fishing rod and reel, two radios, a couple of shirts, a pair of slacks and other things.

While Sinor was gone to call the sheriff, however, the man, presumably the same he had chased Saturday night, made good another escape.

Relating the incidents, Conner Oden, of Oden Chevrolet Co., Sinor's employer, opined that the company might as well open up a detective agency as a side line, with Sinor and David Badgett as operators. Badgett in the service department of Oden's also.

It was he who trapped and almost caught the window peeper in North Floydada the same night that Sinor gave chase to the burglar.

R. C. Scott (Continued from First Page)

but just lived on it while he was freighting from the railroad at Childress.

He homesteaded for approximately two years then let the land go and came to town. He quickly cast his first vote in Floyd County.

One of the experiences that Mr. Scott remembers when he was just a young man was when a little girl named Martin, whose parents were running a rooming house at the time, stepped on the broken bottle, cut an artery in the arch of her foot and bled to death. He said she was a beautiful child, about seven or eight years of age, and her life was impossible to save because the doctors in town knew nothing of the artery, and it was too far to a doctor that did know.

The little girl's case was hopeless and she was left to bleed to death. Cleek Weddington and Mr. Scott buried the girl in the Floyd City Cemetery. Mr. Scott said that he would never forget the way that beautiful child looked after every drop of blood had been drained from her body. "She was so white!"

Judge Bawls Out Jury Mr. Scott does not remember the first time he was a member of a jury - but he does recall one time when the judge bawled the jury out because of its verdict. A man named Lockwood was being tried for rustling cattle. The state did not present a clear case so the man was acquitted "within a reasonable doubt", although Mr. Scott said he knew the man was guilty.

After the verdict was given to the District Judge, he really let the jury have a piece of his mind, according to Mr. Scott, who commented that he would never forget that experience.

During Mr. Scott's lifetime he freighted, worked for wages, was a druggist, and was in the abstract business.

In May, 1880, a month before Mr. Scott's arrival in Floyd County, a family named Reeves moved to Floyd County from Coleman and they resided five miles east of town.

Marries Ruby Reeves R. P. and Annie Reeves had a daughter named Ruby Roberta who was born on September 1, 1880 in Robertson County. She attended school at the Floyd City Public school where Mr. Sam Kelsey was her teacher. It was while she was still in school that she met her husband, Mr. R. C. Scott.

Before R. C. and Ruby Roberta started dating, he dated Florence Boerner when she visited with the Bartleys. It was while R. C. was in the drug business that he had taken over from Mr. J. I. Carter that he and Miss Reeves married.

Just before they got married one of the doctors in town told Ruby that she should never marry Mr. Scott because at that time he was thought to have T. B. and the doctor said that he would live five years. (This was the reason Mr. Scott's foster parents sent him to Texas, in the hope that he would regain his health.)

So Ruby went home and told her mother what the doctor said. Her mother said to wait five years and see if he was still alive. But they didn't wait—and on April 10, 1888 Clinier Smith of Lockney performed the rites at the Mann place where her parents were living temporarily.

About the prediction that he would not live five years he quickly replied, "I've outlived east his first vote in Floyd County."

After their marriage, the Scotts were boarded at the Rices. "We had just a young man when a no place of our own, and a little girl named Martin, whose mama's place was too inconvenient for us to run for ourselves," said Mrs. Scott. Later they moved to the broken bottle, cut an artery in the arch of her foot and bled to death. He said she was a beautiful child, about seven or eight years of age, and her life was impossible to save because the doctors in town knew nothing of the artery, and it was too far to a doctor that did know.

The little girl's case was hopeless and she was left to bleed to death. Cleek Weddington and Mr. Scott buried the girl in the Floyd City Cemetery. Mr. Scott said that he would never forget the way that beautiful child looked after every drop of blood had been drained from her body. "She was so white!"

Recalls Two Bad Fires Among Mr. Scott's recollections of the early events are the two fires which burned down the West side of the square. The date of the first one he doesn't remember. He does not know for certain where the fire struck but it was suspected to have begun in the Masonic Hall from a tossed cigarette. In this fire almost everyone lost everything. His recollection is that this fire was in 1902, possibly 1903.

Later there was another fire in 1911 that started on the north end of the square, but the firefighters moved ahead of the flames and salvaged some of the property. Someone forgot to get Mr. Scott's pharmacy license and certificate but that was about all that was destroyed in his store. He said that he was not sure where his supplies were placed but they probably got stacked in the street or on a vacant lot.

They are members of the First Christian Church and Mr. Scott still attends regularly but Mrs. Scott is unable to go.

It might be a little early to start worrying about irrigation, but due to the continued moisture most of our cotton and grain sorghum crops do not have as good a root system as in past years.

In a week to ten days soil moisture should be depleted. Grain sorghum in the root uses about 3 of an inch per day and cotton that is blooming about the same. So it does not take long to use the available moisture.

Twenty Aggie Boys To Make Field Trip

Twenty of the Floydada High School Aggies are expected to leave Floydada Monday morning for their week-long field trip.

Thirty boys were at the planning meeting Monday night of this week, but several will not be able to take the jaunt for one reason or another.

Vocational Ag teacher H. G. Barber, just back from the Future Farmer Convention at Austin, together with his assistant coach L. B. Cook, will make the trip with the boys.

Plans are to headquarter at Estes Park, and work from there. They will see some interesting feeding operations near Greeley among other farm and ranch activities. The party expects to return home Saturday night of next week.

Mr. Barber reports that State Convention of the Future Farmers, held in the new coliseum at Austin, was one of the liveliest and most interesting the vocational agriculture boys have had in a number of years. The Floydada delegation reached home Saturday night.

Hal Hines, James Cage, Price Pritchett, Jimmy McLaugh and Jerry Crawford were Floydada boys honored with Lone Star Farmer degree.

The meeting began Wednesday and continued through Friday.

BUCKERS SPEND VACATION ON TEXAS GULF COAST

The Ralph Ruckers, accompanied by two of their children, Max and Linda, have returned home after enjoying a vacation spent at Galveston. Their youngest, Patrick, enjoyed his vacation with the grandparents, Mr. and Mrs. E. Rucker at Childress, where Max is this week visiting.

The Rucker family had the chance to see the R. J. Hinsley family, former residents of Floydada, now residing at Hamilton, and the Joe Roberson family, who now make their home at Pasadena.

Legislative session to begin just hours after the last one ended. House members repeatedly voted down tax bills presented by still joint conference committees of senators and representatives. Senate voted favorably each time.

First House rejection was by a vote of 81-64. This was on a bill to tax tobacco, natural gas production, corporation franchise, utilities, motor vehicles, liquor, boats, motors, airplanes, radios, TV's, phonographs, cameras and liquor by the drink in private clubs.

Speaker Waggoner Carr named a new House conference group composed of members who had voted against the bill. They met with the same Senate conferees that had worked twice before.

Only change in the new report was that the private club tax was cut out and the radio and TV tax slightly increased.

House rejected it again, this time 83-66.

More conferences and more votes followed in the final frantic hours. All futile! None made any apparent progress toward compromising the basic bone of contention, whether to tax gas pipelines. House favors this "severance beneficiary" tax by a narrow margin. Senate is flatly against.

Along with his new call, Governor Daniel issued a sober warning. Unless a tax bill is passed and effective (requiring a two-thirds favorable vote) by Aug. 15, \$30 a semester to support health services, book rentals, cultural and athletic events, campus publications, parking, etc.

CARR FOES BACK DOWN - During the tense, short-tempered days in the wind-up of the last session, Speaker Waggoner Carr was, for a time, the target for financial hardship.

Bill was hard-fought. Opponents declared it would make "free public education" available only to the rich. Backers said the colleges had to have more money. It was estimated the bill could bring in as much as an extra \$1,000,000 a year.

BEACH BILL PASSES - Both houses passed and sent to the governor a bill guaranteeing public access to state-owned beaches.

It took a conference committee to work out the differences between House and Senate ideas on the bill.

As finally passed, the bill says the public shall have the right to come and go from public beaches. No one, it says, shall erect a fence or barrier to prevent this.

WAIT, YOUNG LOVERS - Governor Daniel's expected signature on a newly passed bill will put a damper on the elopement plans of Texas teen-agers.

It will require boys under 21 and girls under 18 to wait three days after obtaining a license to get married. Also, to get the license, the youngsters must be accompanied by parents or guardians.

Some lawmakers said it would mean more running across the state line to marry. However, Oklahoma recently passed a similar law.

NEED MONEY FIRST - Amid the legislative tax deadlock, the Commission on Higher Education decided to stop studying new money-spending programs until there's money to spend.

Commission's job is to determine needs of the state's colleges and universities and make recommendations to the Legislature. Expanded programs and new degrees are being sought by many schools. But when the Commission met, there was no money in sight even to open the schools next fall, let alone expand them.

Commission resolved to "approve no programs which entail additional expenditures until such time as monies are provided for the programs and offerings already in existence."

OIL QUOTA KEPT DOWN - Texas oil allowable will be held down to nine producing days a gain for August.

Railroad Commission ordered the same production as for July - 2,700,164 barrels a day on a nine-day schedule.

Major oil purchasing companies and independent producers were virtually agreed that production must be kept low to reduce excessive stocks.

WATCH THAT PAINT - If someone slips on a strip of wet city paint, is the city liable for personal injury damages? State Supreme Court has this issue under consideration in a case that could affect all Texas cities.

City of Austin is being sued for injuries of a person who slipped on fresh paint marking a car parking slot. Lower courts held the city was liable.

Green home were Brother and met Saturday night with Mr. and Mrs. Oliver Allen as hosts. Mrs. Charles Horton visited Wednesday with Mrs. Bob Bradford.

BACK IN VET HOSPITAL - T. L. Shipman is back in Veterans' Hospital in Amarillo after becoming ill at his home late Wednesday night of last week. Mrs. Shipman said she woke to find her husband in a coma and partially paralyzed. He was taken to Amarillo by ambulance where his condition was greatly improved by the next day. He is resting well at this time, according to reports relayed to Mrs. Shipman by the Silverton Highway 84 Club's doctors.

Floyd County Hesperian, Floydada, Tex., Thursday, July 23, 1959. Janice McNeill returned home Mr. and Mrs. W. E. Mr. and Mrs. Frank McNeill week-end they attended a Christmas market for White Auto Stores.

Who are at home with QUALITY choose GAS appliances

Enter the home where choices are made strictly on the basis of quality, and the chances are excellent that you'll find a built-in Gas range in the kitchen. That's because people who are concerned enough to evaluate, discover that a Gas range offers superiority in two ways. The range itself combines precision accuracy with complete automation. And GAS, as a live flame fuel, does important things that no other fuel can do. It consumes cooking vapors so that you can enjoy closed-door smokeless broiling. With Gas there's no warm-up wait when it's turned on... no lingering heat when it's turned off. And only an instantly responsive Gas flame permits perfect control of the subtle variations in temperature that mean so much to the taste and texture of foods. Gas is the choice of people who insist upon quality at any price... and it's incidental that Gas costs from five to eight times less than any other fuel! Where the finest is truly appreciated... GAS belongs.

Lakeview Church Revival Week July 26 - Aug. 2

The Lakeview Baptist Church, located five miles east and seven miles south of Floydada, will be engaged in a revival meeting July 26 through August 2. The evangelist for these meetings will be Wayne Huckaby.

Brother Huckaby is a student at Wayland College and is presently serving as pastor of the Watson Baptist Church at Kalgary, Texas.

Formerly Brother Huckaby has served as pastor of churches in Colorado where Southern Baptist work is rather new. He emphasizes biblical preaching and believes that the Bible is the basic guide-book for men's lives. He will be preaching each evening of eight o'clock.

Everyone is invited to attend these meetings to hear old-fashioned preaching directly from the Bible.

Center News

(By Mrs. J. E. Green) CENTER, July 20 - We had more showers last week. It is cool and pleasant this morning. This must be the wettest and nicest July on record for this area.

Mrs. Carey and daughters went to Hamlin the first of last week, where they visited her sister. They met her mother, Mrs. T. T. Brooks there of Moran, Tex., who returned home with the Careys for several days visit. We were happy to have her at church services Sunday with the Careys.

Mrs. J. B. Massingill and daughter, Annette of Phillips spent Monday night with the Greens and Ryman's. They were enroute home from a visit to Hillsboro in the home of her brother, Tarpley Matthews, who was reared at Mt. Blanco. They reported a wonderful time, but weather in central Texas hot and dry.

BEST ENGINES!

One of 7 Big Bests Chevy gives you over any car in its field

In excitement, the Impala Convertible... and America's sports car, the Corvette.

Try the hot one—visit your local authorized Chevrolet dealer!

You've got more to go on than our say-so: Every motor magazine has given Chevy's standard passenger car and Corvette V8's unstinted praise. SPORTS CARS ILLUSTRATED says it this way: "... surely the most wonderfully responsive engine available today at any price." And if you want the thrift of a six, you still get the best of it in a Chevy.

BEST ECONOMY No doubt about this: a pair of Chevy sixes with Powerglide came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car, 22.58 miles per gallon.

BEST BRAKES Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR*-conducted test of repeated stops from highway speeds. *National Association for Stock Car Advancement and Research

BEST RIDE A few minutes behind the wheel will leave no doubt about this. MOTOR TREND magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

BEST TRADE-IN Check the figures in any N.A.D.A.* Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two." *National Automobile Dealers Association

BEST ROOM Official dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room, for example, is up to 5.9 inches wider than comparable cars.

BEST STYLE It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

EDITORIAL VIEWS AND COMMENT

Good Ole Next Year. Prospects were never so varied in Floyd County as this year. With the passing (hoped to be) of the hail season, a considerable percentage of the row crops are late, an occasional field is hopelessly in the weeds, but on a larger percentage of the farm land crops are booming and things were never better. Men who are interested in good cattle range will say amen to this. Also, conditions are right to put wheat land in ideal condition for late September planting. To those who have been slammed, whammed, slugged, and slashed by hail, electric winds and rainstorms, there is the standby solace of the plains, "Good Old Next Year."

Governor Earl Long. It's good for Louisiana, good for Governor Long, and amusing for Texans and New Mexico residents, that he is out of his home state and enjoying a more dried out climate of the high plains and mountain slopes. However, the reaction to the governor in this part of the southwest is not all alike. We have had more than one of our Governor Long jokes dry up on the vine.

Conflict of Interest. It is too bad the railways and their employes can't work together to serve the public well. They are hurting themselves, hurting the public. And the Interstate Commerce Commission helps confound the confusion also. Hamstrung railways are forced to try to hamstring their competitors, too. And the public, trying to escape the tightening obits of railways, unions and government agencies, use all kinds of ruses short of violating the law.

How to Stop Them. Tourists in numbers sufficient to maintain a city larger than Floydada pass through this community everyday. Whoever devises a way to stop them if only for 10 minutes a car and every tenth touring automobile at that, would have himself a bit of bonanza. Noting that jackrabbits are re-populating the country now, we have wondered if a fellow couldn't study their habits, construct a compound or something, and use them for a stopper bait. Even the home folks would look at least once every few weeks—even drive out of the way to see the sight.

Narrower Walks Logical. It may be taken for granted (as we do), that business property owners won't be able to get together on a sidewalk narrowing plan on any of the downtown blocks. But the idea is a good one, would add to the usability of the streets, change appearances, be different, "an ever-changing thing." Sidewalks no longer need to be 16 feet wide.

Poor Public Relations. One must read the slanted articles in Time and Life to realize just how far off base the family type farmer is as regards public relations. Long since we quit these two periodicals as regular reading diet, for the sake of our health. High blood pressure. But we do read them somewhat just to pulse what the other half is thinking. For two or three years it was Civil Rights. Now its agriculture, particularly the farmer subsidy. These magazines have taken a leaf from the Communists. Tell a half truth and the opponent must go to explaining it away. Most of the subsidies which are distributed through USDA never reach the dirt farmer. But the writers have made up their minds and any kind of evidence which "proves" the farmer subsidy program is ruining the country is meat for their larder. The farmer is in great need of good articulate public relations on Madison Avenue.

An Advertising man, like fire, is a good servant, a ruinous boss. As note the propaganda that emanates from the Advertising Public Council. Most of the advertising firms which are in this Council are good men to hire to advertise your business. They are not equipped with the right mentality to guide the nation's thinking as they are attempting to do. Somebody should "put them in their place."

Good For Belgium. The steel industrialists and Steel Union bosses, tied up in a major struggle for power, doubtless still think as such people usually think, that their affair is a private war. The fact is their differences are the problem of the public. The public has a vested interest in what they are doing. The public is going to be the goat. Only good we see that can come of the strike will go to the Belgian steel mills.

Houston Is loaded with Belgian steel already and more shiploads are rolling in. The public is trying to get out from under the thumb of the steel barony. Steel products are costing too much, regardless of who is right and wrong in the present controversy. The steel industry was "wrong" before the strike began.

What It is that makes a strike vote sacred that the public can't look in, and the process by which it is accomplished kept from the public prints, is a mystery to us. For instance, a union vote was taken at one of the oil mills in Lubbock the other day. It was "written down" in the public prints. Although everybody in the country has a stake in the results it was shush, shush, and still is. Where was the election held, who held it, who looked over who's shoulder to see that it was fairly conducted and the votes properly tallied? The public is vitally interested. The public will pay the bill.

Never One Before. Always the weather is there was never anything like it before. We don't make it as a flat statement of fact that there was never before such a Plains spring and summer as the one we are passing through, but we have looked around a bit for an old-timer that recalls such. It began raining in April, continued on slightly accelerated scale in May, much heavier in June, still raining in July, and as of Monday the relative humidity at the beginning of the day was 92 per cent, an apparent forecast of more rain. Intensity of the rainfall has varied greatly. While a man in one community cultivated his lake bottom maize crop another a few miles away sloshed his way through mud in his upland field.

Who Will Give In? Taking it for granted that the legislature will come up with some kind of an appropriation bill and a tax bill to support it by August 15, we are wondering who is going to give in? It was safe to predict a dog fight from the jump go last January when the legislature met. Everybody was paying as much taxes as they wanted to pay. They were going to see to it that somebody else picked up the tab for the new state taxes that are inevitable. So it has gone for 180 days. And now horns are looked for another 30-day try. It's nice for the legislative processes that the \$25 a-day law is in effect. They used to starve the poor boys into giving in.

For the first twenty-odd years of a man's life it's his mother who asks him where he is going. His wife asks him the same question for the next forty years. And in the end the mourners wonder about it, too. — Exchange

Floyd County 14 Years Ago

(From the Hesperian, July 26, 1945)
Mrs. Marvin W. James of Lubbock received a wire Tuesday of last week telling of the death of her husband, Pvt. Marvin W. James, who was killed in action on Okinawa April 19, 1945. The young private was the son of Mr. and Mrs. C. S. James, formerly of the Cedar Hill community.
Mrs. Mary Newman died July 15 in the home of her daughter, Mrs. Roy Lobdell at San Antonio. Her body was brought here for burial after funeral rites in the First Methodist Church Saturday. Mrs. Newman was the wife of the late J. W. Newman, who died on August 12, 1944, while the couple made their home in Floydada.
Pfc. Ben Galloway, who was wounded in Germany and was hospitalized stateside some weeks ago, is now home for a short period visiting his wife and children and his parents, Mr. and Mrs. John Galloway.
Wayne Finley, Floyd County farmer, is in the Floydada hospital this week suffering from gunshot wounds that inflicted an injury to one of his legs Sunday afternoon. The accident occurred while Finley in company with Lt. Hershel Hinson was hunting rabbits in a field at Finley's house. A double barreled shotgun backfired into Lt. Hinson's face. Blinded temporarily he dropped the gun. When the second load exploded it hit Finley's knee.

Mrs. Ralph Hammonds and daughter are making their home with her parents, Dr. and Mrs. D. H. Pitts, after having spent some time with her husband, Lt. Ralph Hammonds, in California prior to his leaving three weeks ago for the Pacific war theater.
The Floyd County cannery will open around August 1. It has been announced by H. G. Barber, sponsored by the Vocational Agricultural department of Floydada High School and the commissioner's court.
Lt. Lon Davis, Jr., USMC, recently spent three days here with his parents, Mr. and Mrs. Lon Davis, enroute from Vinyard Haven, Mass., to the west coast.
Cpl. J. D. Morrison arrived here last Thursday to spend a 30-day furlough with his parents, Mr. and Mrs. J. M. Morrison. For the past 23 months, Morrison has been stationed in England.
Miss Bobby Muncy, storekeeper, first class, USNR, has been at home since last Friday to visit with her parents, Mr. and Mrs. A. B. Muncy. Miss Muncy is on leave from the Naval Air station in San Diego, Calif. She will be in town about two weeks.
Cpl. Kyle Glover, who has been in Germany for nine months, returned to the states on July 17, and was met in Abilene by his wife. They returned to Floydada Friday. He is to report to Fort Benning, Ga., on August 18.
Dr. Wilson Kimble returned home Monday from Jacksonville, Tex., where he and Mrs. Kimble visited their daughter and her husband, Rev. and Mrs. Don Harrison, for two weeks. Mrs. Kimble remained for a longer visit.
Mr. and Mrs. C. L. Minor had as their guests the past week-end Mrs. G. L. Kirk and Den of Midland, Lt. Colonel and Mrs. Snaith of Lubbock, Mrs. Snaith's mother, Mrs. Charles Hill and Mrs. J. A. McKinsey of Houston, Mrs. McKinsey, Mr. Minor's sister, remained for an indefinite visit.
Pvt. and Mrs. Winfred Payne were honored with a supper at the Billie Hopper home Friday night.
Mr. and Mrs. Hugh Youngblood and Mr. and Mrs. Ralph Taylor and daughter all of South Gate, Calif., are here visiting the women's parents, Mr. and Mrs. W. Hennesee. They are to return home this week-end.
Mrs. Pat Collins and son, Don of Corsicana, are visiting here this week with Mr. Collin's parents, Mr and Mrs. T. P. Collins.
Mrs. John R. Tinnin entertained her daughter, Ginger, with a birthday party in her home Tuesday on Ginger's eight birthday.
S. Sgt. Harley D. Wright, son of Mr. and Mrs. N. O. Wright, was married to Miss Bertie Miller of Bepewer, Colo., on July 4th, at the home of the bride's aunt and uncle, Mr. and Mrs. James E. Russell, with whom she made her home. The couple are visiting here at the time and will return to Denver where he is stationed.

VACATION IN COLORADO
Mr. and Mrs. Adron Field and children returned Friday afternoon from a week's vacation spent in the mountains of Colorado. They visited at Colorado Springs with the Charlie McDonald family, and enjoyed a cup of coffee with other Floydada vacationers, the Jimmy Wilsons, the Jim Woods, and the Gayle Mayos at Creed, Colo.
After visiting other points the Field family came back by way of the Blue Haven Youth Camp at Las Vegas, N. Mex., where they picked up some of the Floydada youngsters who had been there for two weeks.

Sterley Club Demonstrates Plastics Use

Floyd County Home Demonstration Council met Saturday afternoon for their regular monthly meeting in the Council room. Mrs. Elmer G. Norrell, chairman, presided, with Mrs. Johnny Cates as secretary.

Sterley Home Demonstration club had the exhibit for the afternoon. On display were plastic flowers, made by club members, and arranged in floral bouquets. Dinner plates, some dating back 20 years or more, and new china, were covered with cracked and broken egg shells, glued on, then sprayed with various colors of paint. In the plates

were placed artificial fruit. These were used as a table or buffet arrangement or hung on walls. Dougherty Home Demonstration club will have the exhibit at the next meeting.

Following committee reports Phyllis Roggendorff, HD agent, announced that council had secured Miss Carol Lane, women's travel director for Shell Oil Co., to be in Floydada on September 14. Miss Lane will tell helpful hints for traveling persons. The time will be at 2 o'clock in the First Baptist Church. All women of the county and surrounding areas are invited to be present.

Miss Roggendorff also gave pointers on how to prepare for the election of officers and what procedures to take. Present for Saturday's session were Mrs. Elmer Norrell, and Mrs. Johnny Cates, chairman of council, Miss Roggendorff, HD agent, Mrs. G. W. Smith and Mrs. Robert Ward, Dougherty club; Mrs. Glen Pool, Harmony; Mrs. Dan Gross and Mrs. O. G. Mayfield, Homebuilders; Mrs. Henry Hollman, Lockney; Mrs. Bailey Henderson and Mrs. H. Hodges, Lane Star; Mrs. Sam Jones, Providence; Mrs. Lynn Miller, Sand Hill; Mrs. R. G. Dunlap, and one visitor of South Plains senior club, Mrs. Don Probasco, South Plains junior club. Mrs. John Shipley and Mrs. Tom Porter, Starkey. Mrs. Virgil Adams and Mrs. R. H. Tinsley and daughter, Sterley club.

The revival period covers two Sundays. The week-day services will be held in the evening beginning at 8 o'clock.

Week Of Revival At Dougherty

Rev. Tommy Nesbitt, pastor of the Dougherty Baptist Church, has announced a revival meeting to be held July 26 through August 2.

Rev. Virgil Chron, pastor of the Cone Baptist Church, will preach during the meeting and Vernon Stokes will be song leader. Stokes, a senior at Wayland College, is a music director of the Happy Union Baptist Church.

The revival period covers two Sundays. The week-day services will be held in the evening beginning at 8 o'clock.

Homebuilders HD Motorcycle-Car Club Meets In REA Building

Homebuilders' Home Demonstration club met last week on Friday in the REA building in a joint meeting with the Starkey Home Demonstration club. Mrs. Tommy Assiter was hostess.

Miss Phyllis Roggendorff, home demonstration agent, gave an interesting demonstration on preparing food for the deep freeze. Mrs. Dan Gross, president, presided at the business meeting. It was voted the club would be represented at the Floyd County Fair.

Members present were Mrs. Dan Gross, Ronald Evans, D. D. Shipley, Elmer Norrell, P. L. Orman, Tommy Assiter, Leo Sawyer, J. W. Walker, W. W. Trapp, Raymond Williams, O. G. Mayfield, and visitors, Mrs. W. L. Davis, Mrs. J. B. Turner, and Mrs. O. L. Lowrance.

Broadway News

By Mrs. T. E. Thornhill BROADWAY, July 23 — Sunday School and church attendance was much better this Sunday than the Sunday before. Our pastor and family will leave Wednesday for a two weeks vacation but don't let our attendance drop while they are away.

Mrs. A. D. Whalen and Mrs. Richard Sudduth and Diann were visiting Mr. and Mrs. Joe Dutton on Friday of last week and putting corn in the freezer. They just as we started dropping off to sleep on our Sunday afternoon nap, we were suddenly awakened by a very loud noise only to find the racket was caused by the little home made car of the Givens boys and Don Wall. Those boys really have a good time with those little cars. They even have a box on them to put in any kind of an animal they may capture, while on their rides.

Those enjoying the fish fry at Silver Falls Park Tuesday night of last week were Mr. and Mrs. T. E. Thornhill and sons, Donald Wayne and Tommy. Mr. and Mrs. D. D. Thornhill, Mr. and Mrs. Keltin Winegar and Karen Jo, Mr. and Mrs. A. L. Winegar and children, Robert and Georgia Ann, Mr. and Mrs. Ben Beckham and grandson, Rodney Thompson, Mr. and Mrs. Homer Smith, S. P. Starrett and Mrs. J. C. McCracken.

Mr. and Mrs. Joe Dutton of near Ralls were Saturday overnight guests of her parents, Mr. and Mrs. A. D. Whalen.

Sunday afternoon visitors of the Preston Weeks were Mr. and Mrs. Richard Sudduth, Diann, Tommy Thornhill and Mr. and Mrs. Doris Weeks.

Mr. and Mrs. C. E. Thornhill of Kermit were week-end visitors of his parents, Mr. and Mrs. D. D. Thornhill.

Monica Thompson went home with Mr. and Mrs. Calvin Beckham and Barbara Kay of Lubbock on Sunday of last week.

Thursday Mr. and Mrs. Ben Beckham and Rodney Thompson went over to Lubbock to bring Monica Thompson home.

Mr. and Mrs. R. M. Spence were Wednesday and Saturday visitors in the T. E. Thornhill home.

Mr. and Mrs. Homer Smith were Friday evening visitors in the M. R. Givens home.

Misses Fern and Kitty Joyce were visitors part of last week of their grandparents, Mr. and Mrs. M. L. Tillson of Crosbyton.

Mr. and Mrs. Kenneth Sellers and daughters were Sunday visitors of the C. B. Leatherwoods Monday night of last week visitors in the T. E. Thornhill home were Mr. and Mrs. S. H. Starrett and Valine, Mr. and Mrs. L. S. Starrett and Timmy all of Lubbock, and Mr. and Mrs. A. L. Winegar, Robert and Georgia Ann.

Aunt Dodie Starrett has been released from Crosbyton Hospital and is recuperating in the home of her son, Mr. and Mrs. H. Starrett. Haven't learned for sure but she was planning to go to Hobbs, N. Mex., over the week-end to stay awhile with her daughter and husband, Mr. and Mrs. Joe Lambert.

We were glad to see Mrs. Francis Capeland able to be at church again Sunday. Seems she is beginning to gain back her strength and health after being incapacitated for such a long time following the car accident and surgery. We shrely hope she will soon be feeling fine again.

Mr. and Mrs. C. E. Thornhill accompanied by Mr. and Mrs. D. D. Thornhill visited Sunday afternoon with the A. L. Winegars. They reported that the Winegars now have a couple of baby Raccoons they captured Sunday morning.

Ed Gilliam of Cleburne was a Sunday overnight guest of Don Thornhill.

VACATIONING IN COLORADO

Mrs. Annie M. Taylor, teacher in North Ward School, has been at Colorado Springs, Colo., since Sunday of last week sightseeing and vacationing.

W. J. Adam, cashier of the First National Bank of Canadian, spent Saturday in Floydada. He was enroute to Dallas to attend the Bankers School which opened Monday.

Murdock Rites Held at Memphis Last Thursday

Funeral rites for Mrs. John H. Murdock, 53, of Memphis, were held Thursday afternoon at 3 o'clock in the First Baptist Church in that city, following her death Sunday at her home. She had been ill only a short time.

Mrs. Murdock was the sister of W. J. (Bill) and Johnny Wilks of Floydada, who with their families attended the funeral.

Zona Mae Wilks was born Dec. 18, 1905 in Hopkins County, Tex. She was married to John H. Murdock on Oct. 28, 1922 at Tulsa.

Survivors include the husband; three daughters, Mrs. Henry Wilson and Mrs. Harold Saxon of Amarillo, and Mrs. Earl Blaxon and Elton of Memphis; Mrs. J. I. and Mrs. H. B. Wilks of Memphis; Mrs. Bud Wilks of Clovis, N. Mex.; one sister, Mrs. Troy Tauts of Melrose, N. Mex.; nine brothers, Johnny and Bill of Floydada, Jimmy and Bill of Baytown, Clarence, Luther and Hershel of Abilene, N. Mex., Eugene of Clovis, N. Mex., Claude of Tucuman, N. Mex., and Willis Ray of Farmington, N. Mex.

Mrs. Billy Brown and family have as their houseguests this week Mrs. Brown's aunt, Mrs. Channing and her daughter, Lynn of Fort Worth.

Mrs. Charles Patterson of Sand Hill community was dismissed from Lockney hospital Saturday after being confined there several days for medical attention.

His toe was amputated at 11 o'clock Monday night. His mother was told by attending physicians that he would be alright, but would have to get familiar with the use of one foot until his toe healed properly.

The family conjectures that the driver of the pick-up is still unaware of the mishap.

Dr. and Mrs. David Flanary and son, David of Houston, were week-end guests of his uncles, Edd and Fred Brown and families, leaving for home Sunday. The doctor is an eye specialist in Houston.

Mr. and Mrs. Rex Jones of Lubbock were in Floydada recently, visiting their parents, Mr. and Mrs. Orville Newberry and Mrs. O. B. Jones.

Will Feature Youth Beginning Sunday

Worship services at 8:00 o'clock Friday will feature the Youth Week at the church. It was announced by the pastor of the church, Rev. James W. Seago, at the special event on July 31.

Rev. James W. Seago will preach each evening. A Glasscock is of Perkins School of Theology, Methodist University, where he will receive his D. D. degree in June from McMurry College. He has many camps.

JAMES A. GLASSCOCK

He entered the ministry during his senior year in high school, and was elected to deacon's orders in the Northwest Texas Conference during its annual session held at Lubbock, May, 1957.

This is the fifth summer that he has preached in revivals and youth activity weeks in his home conference and the New Mexico conference. Last summer, he was evangelist in seven revivals and visiting minister for two youth weeks.

This summer he will preach in Abertathy, Knox City, Colorado City, Tahoka, Floydada, Sparenburg, and Campbell, near Dallas. During a week he meets with youth and adults in counseling sessions, speaks to civic and service clubs, and takes an interest in the community's total life.

ONE OF GOD'S OWN

There is a baby boy just gone to heaven
A broken hearted mom and dad he is leaving
We don't know why God chose him to take
But maybe for someone else's sake

Perhaps he came from heaven in the form of a child
To stay with Cliff and Gladys for just a little while
But if he had stayed here on earth he couldn't have been well or strong
So up there in heaven he is just where he belongs

He may have gone up yonder to join the angel choir
Or just to run and play and climb the golden stair,
Or could be God chose him for a ruby or diamond —
Well who can say, who knows?
He, too, may be a chrysanthemum or a variegated rose.
Written for the Couch baby

BIBLE BAPTIST CHURCH
THE DEATH OF CHRIST

I. A PLANNED DEATH: I Pet. 1:20
Who verily was fore-ordained before the foundation of the world, but was manifest in these last times for you.
(Yonder in the counsel table of eternity God the Father, God the Son, and God the Holy Spirit, set down and planned the death of Christ, that he should die for the sins of the world, and how He should die.)

II. IT WAS A PROPHESED DEATH: Gen. 3:21
Unto Adam also and to his wife did the Lord God make coats of skins, and clothed them. (This was foretelling the death of Christ.)

III. IT WAS A HORRIBLE DEATH: Matt. 27:35
There has never been a death as horrible as the death of Christ. He had all the sins of the world on His back. Then they mocked Him and spit in His face, and plucked His beard, put a crown of thorns on His head, give Him vinegar mixed with gall, put Him between two thieves.

IV. IT WAS A LOVING DEATH: John 3:16
For God so loved the world that he gave His only begotten Son, that whosoever believeth in Him should not perish but have everlasting life.
He said I freely lay down my life for them that they might live.

V. IT WAS A GIVING DEATH: John 10:15
As the Father knoweth me, even so know I the Father; and I lay down my life for the sheep.
He gave up His heavenly honors.
He gave His blood: Rev. 1:5

VI. IT WAS A SCRIPTURAL DEATH: I Cor. 15:3
For I delivered unto you first of all, that which I also received, how that Christ died for our sins according to the scriptures.

VII. IT WAS A SUFFERING DEATH: Lk. 22:44
And being in an agony He prayed more earnestly; and His sweat was as it were great drops of blood falling down to the ground: Heb. 5:7 Though he were a Son, yet learned he obedience by the things which he suffered.

VIII. IT WAS A NECESSARY DEATH: Heb. 9:22
And almost all things are by the law purged with blood; and without shedding of blood is no remission.
Rom. 6:23 For the wages of sin is death. So without the death of Christ we would all go to hell.
