100 acres of Tomatoes. This fertile field of tomatoes ready for the harvest stretches farther than the camera can see, a mile south of Floydada on the Lakeview road. Johnny and Louis Lloyd had 50 men in the field gathering from the vines when this shot was made. The harvest will continue as the fruit ripens until frost cuts it short. Floydada Store Sets 7-State Selling Record

W. E. Garrett, of White Auto Store in Floydada, has done it again. A consistent winner of selling honors in the sprawling seven-state organization of White Auto Store dealerships, Garrett's latest is to set a record in the sale of automobile seat covers in a contest which began May 1 and was closed early in September. Garrett's store was the grand prize winner.

Don Probasco Cited For Soil Conservation

Don Probasco was named as the year's best Floyd County conservation farmer at the annual fall soil tour held last Thursday. He was presented the award by T. L. Holland who gave a list of the man's qualifications before revealing the name of the winner.

Two Years of Effort
Mr. Probasco became a cooperator with the Floyd County Conservation District in the spring of 1957. In this short time he has made good progress toward carrying out his conservation plans. The farm of 640 acres, of which 480 acres are cropland, was unimproved from the standpoint of irrigation.

Prior to the development of his conservation plan, the farm was primarily unimproved cultivated land and rangeland. During this period the irrigated land has been increased by adding more wells. 3057 feet of underground irrigation pipeline has been installed. Land leveling has been accomplished on 38.3 acres.

In addition to mechanical improvements, this young man has carried out an extensive soil conditioning program with legumes. For example, this year he overseeded his 65 acres of wheat with clover, grey vetch and alfalfa that was turned under for a green manure crop. Planted two rows of cow peas in 20 acres of skip-row cotton, and interplanted all his grain sorghum (275 acres) with cowpeas. In addition to this, he carries out a conservation crop rotation with wheat, cotton, grain sorghum, and soy beans.

County Agent Cecil Lewis estimated the number of people attending the tour as around four hundred. Local business men, farmers and boys in the agricultural department of the high school as well as visitors from Lockney watched the demonstrations of farm ideas in the area.

Denver City Paving Man Given Floydada Contract

Thomason Construction Company of Denver City, Texas, was the low and successful bidder for the paving and curb and gutter streets, depending on street width, of the City of Floydada, due to the city's need for these who are in the course of the winter.

The bid was one of four. It was approximately \$43,000 lower than the next in line, made by Pioneer Pavers, Inc., of Lubbock at \$52,015.96.

The other two bidders were Brown & Root Construction Co. of Houston, which asked for the job at \$52,301.72 and Cooper & Woodruff, who bid \$57,403.77.

The bid includes all legal work, abstracting, advertising and fiscal agent's fees.

Noble James and H. C. Grod of the Lubbock Engineering Co. met with the council while the bids were under consideration Tuesday afternoon.

James said quite a bit of detail work would have to be done by the contractor before any actual work on the ground is likely to get under way. He estimated a probable 60 days would elapse before any dirt moving begins. He said, however, that a great deal of the work would be done this winter so as to get a finished job before too many weeks elapse in the spring.

Figures are not available at this time.

Quarterbackers Meet Monday Night October 5, 7:30 p. m.

The Whirlwind Quarterback Club will meet Monday night October 5 at the high school cafeteria. Club president Greer Christian said the group will enjoy football chat, refreshments and then view films of the Lockney - Floydada game.

Spirited Game Scheduled At Wester Field

Floyd County football fans are buzzing this week as they await the annual Floydada Whirlwind - Lockney Longhorn gridiron classic. The game carries no district significance for either team but that takes little from the spirit of the fray as the teams square away for the county championship.

The big game this year will be reeled off at Floydada's Wester Field with kick-off time at 8:00 p. m. Friday, October 2. Both teams are reportedly near top strength physically.

As game time draws near Floydada fans and football team members are gaining more and more respect for their neighbors from the north. Lockney graduated about all of their last year's starters and in addition several other boys. In August most thought it would be a bad year for the red and white, but that was not the feeling on the Longhorn team.

Good Team Shapes Up
While sports writers were busy listing lettermen on the different clubs and making pre-season ratings the Longhorns were busy shaping a football team with spirit and determination. Since the season has started the Longhorns of Coach Elin Lyons have won three games and lost but one and that to mighty Dimmit.

The Lockney team has added the forward pass to their bag of tricks and have used it effectively this season. Johnny Belt has been the Longhorn passer on most occasions and in the back field with him are a number of good ball carriers. Terry Clark is a 168 pound speed merchant who can hit the line with authority as can Bill Mangold who weighs in at 150.

Lockney's defense has also been strong and one of the reasons for this has been Dan Smith a 195 pound tackle who can back the line and plays much like Billy Edwards on the Rails team.

Writers Favor Floydada
Floydada is being tabbed by the daily press as a long favorite to take the 'Horns. Being favored, however, is a dubious honor in the Floydada - Lockney game as the record books are thrown away and the teams get down to settling things on the field of play. Last year Floydada eked out a narrow 12 - 6 victory at Lockney and was reeling in much of the second half.

This year Coach Preston Watson's charges will enter the game in fair condition. They lost the services of half-back Charles Christian who was injured in the Paducah game, but may have Richard Marler ready to go in his place. Marler was hurt in the Olton game and has been out since that time.

Hal Hines is also back at a guard slot after missing the first three games this season. Don Davis has been filling in for Hines and this week Davis has been on the ailing list himself.

Other regulars it appeared Tuesday would be ready to go barring accident or sickness before game time.

A complete list of probable starters for both teams appears on another page of this paper. In some years past the Floydada - Lockney game was tabbed

Hundreds Attend Gin Open House

JAMES H. HARTLINE
Now In Germany

Farmers Cooperative Gin Company's new gin plant, celebrated with an open house Saturday, was viewed by hundreds, including many members and well-wishers.

The plant was in operation for most of the visitors, who got to view the largely automatic installation at work.

L. Fulton, manager, members of the office force and gin crew, and the directors were hosts for the event.

The gin was completed last week at a cost of \$150,000. Together with the land and other facilities covering an area of nearly two city blocks, the investment of the farmers in the plant is seen as upward of \$250,000.

More Than 300 Attend Annual PCA Banquet

Three-hundred and five were in attendance at the annual PCA banquet held in Floydada Tuesday night. The group gathered at the high school cafeteria and were served by the school's cafeteria staff and the FHA girls. Baked ham and all the trimmings was the menu.

E. A. Williams, Floydada Field Representative for Plainview Production Credit Association, said the banquet was a most successful one with the largest attendance in history. Present were some 200 members and a hundred guests.

Speaker on the program was L. R. Durham of Lockney, president of the board of directors of PCA. Durham spoke on progress and future possibilities of the association.

Musical entertainment was furnished by the Moon Discs of Floydada and South Plains. Mrs. Roy Hale gave an interesting talk on graphoanalysis in which different types of hand writing were analyzed. Ned Bradley served as master of ceremonies.

W. M. Stokes, Jr., president of the Federal Intermediate Bank of Houston was not present for the meeting as planned but sent his regrets as duties called him to New England to a president's conference.

Plainview Production Credit Association now has over \$2,725,000 capital and reserves. It is owned and operated by over 1500 farmers and ranchers. The association serves Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Pammel and Swisher counties.

The banquet was for members of the Floyd County district served through the Floydada office. On the planning committee for the annual banquet were M. J. McNeill, Greer Christian, R. J. Cole and Eddie Portenberry.

Hartline shipped out from the east coast on Sept. 18 and is stationed at Gansenhil, Germany, now. He got his boot training at Ft. Hood and was transferred to Ft. Sill on April 14. His address now is Pvt. James Howard Hartline, US4217, 433, 84th FA Bn, 2nd Missile (Div), APO No. 185, NY, NY.

Baby's Injured Hand Repaired

Alvin Mardis, 23-month-old son of Mr. and Mrs. Ralph Mardis, is doing nicely this week his mother said, after undergoing surgery on his hand last week in St. Mary's Hospital in Lubbock.

The baby pulled over a jug of distilled water and broke it, cutting his hand and two tendons. The operation was to repair the tendons.

Only one could be repaired at this time, Mrs. Mardis said. Attending physicians told the farm family they thought the youngster would have full use of his hand in time to come.

Mrs. Herbert King of Vernon, mother of Mrs. Mardis, returned to her home Tuesday after being with the family during the ordeal.

Class Completes Orphans' Quilt

The TEL Sunday School class of the First Baptist Church met all day Tuesday in the home of Mrs. W. F. Ferguson. A quilt was completed for Milam Orphans Home at Lubbock.

Those present included Mrs. Ferguson, Mrs. Huckabee, Mrs. W. F. Daniel, Mrs. C. O. Spence, Mrs. G. H. Day, Mrs. D. R. Badgett, Mrs. L. E. Kiker, Mrs. E. J. Morehead, Mrs. C. M. Lyles, Mrs. Lindsey Warren and Mrs. O. F. Cummings.

Mrs. Kreis Gets Culinary Award

Mrs. A. H. Kreis of Floydada, along with an Anherst woman, won a special canned fruit and vegetable prize offered by a glass manufacturing company for being top winners in the women's department, culinary division at the Panhandle South Plains Fair.

Mrs. Kreis won first in canning and preserving in apples, cherries, string beans, pinto beans, pinhead beans, greens, okra, blackeyed peas, tomatoes and cherry preserves.

Sue Wilson of South Plains was named a winner for her snap beans in the youth division.

TRAINING AT FT. RILEY FORT RILEY, KAN. (AHTN) Army Pvt. David F. Roberson, son of Mrs. Versie M. Perry, Lockney, Tex., is receiving eight weeks of advanced individual training at Fort Riley, Kan. The training is scheduled to terminate Oct. 31.

Roberson entered the Army last June and completed basic training at Fort Carson, Colo. The 18-year-old soldier is a 1959 graduate of Lockney High School.

Mrs. Cora Meadows of Roswell, N. Mex. was here last week for several days visiting her "shut-in" sister, Mrs. E. B. Mullins. Mrs. Mullins is up and doing nicely following a recent hip break in a fall, although she is confined to home. Cards and letters have meant a great deal to her in the past and she looks forward to the mail delivery each day, she says.

Mrs. M. C. Smith and son, Kenneth attended the school homecoming at Haskell last week-end. Mrs. R. H. Smith, who accompanied them remained to spend sometime at Role with relatives.

Home, Thinks Congress Reasonably Good Job

Representative Mahon said he was pleased with the general public approval of the Congress. He expressed approval of the Congress, has re-opened his Intercontinental Ballistic Missile program, the Anti-ICBM Missile program, and the anti-submarine warfare effort.

"Congress," Mahon said, "continues to try to force upon the Department of Defense a more efficient operation. Mounting costs make this increasingly urgent. The reorganization law which we enacted last year should improve the situation."

The session was characterized by Mahon as a battle over spending. "Claims and counterclaims have been made," Mahon said, "but I feel any impartial judge will agree that Congress not only did not go on a wild spending program — one which will provide less money than had been requested by the Budget."

Mahon added, "Members of Congress generally, as well as the President and the people, are disturbed by high government spending deficit financing and high taxes. It is true Congress refused to raise the postage rate as advocated by the Administration, but we did, upon the urgent appeal of the President, raise the federal gasoline tax one cent per gallon in order to continue the rapid construction of the Interstate Highway System."

It did not prove possible to pass much significant farm legislation at the recent session, Mahon said. Two farm bills were vetoed. Lack of effective leadership by the Secretary of Agriculture has produced a stalemate situation which is bad for the country and for agriculture. Mahon said, "Those of us from the farm districts are continuing to try to find a way to a better time among the people and not in his office, but his staff will be available."

As to the Khrushchev visit, Mahon said he would not have advocated the exchange of visits by the President and the Soviet Premier, but that this decision was one for the President to make in the light of facts known to him and that he earnestly hoped something good would come of the experiment in "Khrushchev," Mahon said, "is a tough foe. This is no time for softness of attitude on our part."

Mahon continued, "We have got to be strong morally, militarily and otherwise if we are to meet successfully the ever increasing threat of the Communists to U. S. security."

Mahon's Washington office will remain open through the fall. His district office, in the Post Office Building in Lubbock, will likewise be open. Mahon explained that he plans to spend most of his time among the people and here sometime next May.

New Car Show At Odens Set For Friday

The Chevrolet Motor Division announced its 1960 passenger car line yesterday.

A distinctive new appearance, added comfort and increased economy of the most popular V8 engine are among outstanding features.

Nineteen models (including the Corvair and the spirited Corvette sports car) are included in the first public showing.

All passenger car series have been completely re-styled. The most notable design changes occur in frontal and rear areas.

The front compartment transmission tunnel has been significantly reduced in width and height to benefit roominess.

New tires are more durable. Tread life has been increased 12 per cent by new synthetic rubber and a change in the proportion of synthetic and natural rubber.

Brakes have been improved and require less pedal pressure.

Color choices in the 1960 conventional passenger car line include 13 solids and 10 two-tone combinations.

Body types offered include: Impala—four-door sedan and sport sedan; sport coupe and convertible; Bel Air—two- and four-door sedans, sport coupe and convertible.

Man or woman to refill and collect money from our New Premier Sport Card and Candy Machines in this area. No selling. To qualify must have car, reference, \$675.00 cash secured by inventory.

Profitable opportunity, devoting 4-6 hours spare time weekly. Your end of percentage of collections can net up to \$165.00 monthly with good possibilities of taking over full time.

For interviews, include phone number in application.

BIBLE BAPTIST CHURCH

FALSE RELIGIONIST (No. 3)

The false religionist doesn't know the difference between a Birth and a Burial. In Rom. 6:4 and Col. 3:12 Paul tells us that BAPTISM is a BURIAL. But along comes these false teachers and tells us that "born of water" in John 3:5 means BAPTISM. Upon this I make the following remarks:

It is in John 3:5 born of water means baptized of water; then born of the Spirit will mean baptized of the Spirit, and our false religionist friends will be found advocating Spirit Baptism, which tiling they repudiate.

These false religionists take the FIGURE OF SALVATION for SALVATION ITSELF. In 1 Pet. 3:21 we are told that as Noah was saved by water, "the like figure whereunto even baptism doth also now save us," etc. Peter tells us that baptism saves us like the water of the flood saved Noah. BUT the water didn't come until Noah was ALREADY in the ark, and it was ALREADY sealed.

Then the WATER OF BAPTISM should not come until we are in the ark. Christ Jesus (Gal. 3:26; Rom. 6:1) and SEALED by the Holy Spirit (Eph. 1:13,14; Eph. 4:30; 2 Cor. 1:21,22).

If anyone tried to go through the WATER to the ARK he failed, and was destroyed; EVEN SO those who undertake to get into the ARK, Christ Jesus by going through the water (which they say is Baptism) they shall also be destroyed.

These false teachers think that the SYMBOLIC washing away of sins is the REAL washing. In Acts 22:16, Saul was told to "arise, and be baptized, and wash away thy sins," etc. This was a SYMBOLIC washing and not a real or literal washing away of sins as is evident from the following considerations:

1st. Paul was a CHOSEN VESSEL before he was baptised, Act 9:15.

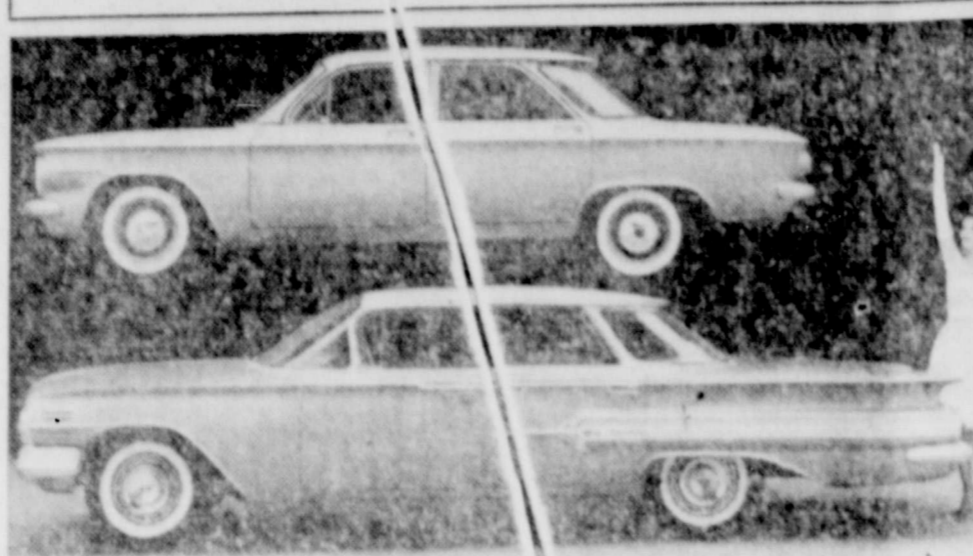

2nd. Ananias said, "Brother Saul", Acts 9:17. He was a BROTHER BEFORE BAPTISM.

3rd. "He was a fit subject for the reception of the Holy Ghost, Acts 9:17. But the world (or Worldly person) can't receive the Holy Ghost, John 14:17.

These considerations show that Paul was SAVED before BAPTISM. Hence his baptism washed away his sins, not in reality, but SYMBOLICALLY.

These false teachers say that God will not HEAR A SINNER PRAY, and yet he turns right around and says Saul (Acts 9) and Cornelius (Acts 10) was a sinner when God heard their prayer, because they had not been baptised. Such inconsistency.

Related in name and good looks—the new COMPACT CORVAIR and CHEVROLET

A strong family resemblance between the all-new Corvair and Chevrolet's conventional line of passenger cars for 1960 is evident in this unusual profile view. At 150 inches, however, the Corvair is more than two and one-half feet shorter, while its 103-inch wheelbase compares with 119 on the Impala Sport Sedan with which it appears.

Impala Sport Sedan with which it appears. Elegance and chassis refinements characterize larger Chevrolets in an offering of 16 passenger models. The Corvair introduces an array of compact mechanical innovations designed to provide the riding and driving qualities demanded by the American buyer. The Corvair and conventional model will be in dealer showrooms Oct. 2.

Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose

THE SUPERLATIVE '60 CHEV

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper deck, there's so much that's new and different about this superlative Chevrolet it stands out the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the roominess, tasteful trim, hushed elegance of its new Body by Fisher, all comfortably cradled Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, it's got all the virtues that make it unmistakably a Chevrolet—with new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different the others can only hope to come close.

It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line.

Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, the solidly built new Body by Fisher surrounds you with finely tailored fabrics and spacious elegance. There's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. Adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that do an even more efficient job of isolating road shock and noise.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds. There's also a choice of five other V8's and five transmissions, to assure the exact power combination to satisfy the itch in your driving foot. Chevy's accent on comfort and convenience even extends back to its easier-to-load luggage compartments. You'll also find a convenient parking brake that automatically adjusts to normal height after applying new clutch linkage that the engine impules more effectively ever and new two-toning metal available on all 16 fresh-minted models.

But, impressive as all this may print, there's really only one way '60 Chevrolet actually comes to that's to drop in on your dealer and drive one!

Crisp styling and air-cooled engine in CHEVROLET'S COMPACT CORVAIR

An aluminum, air-cooled engine mounted at the rear is among a multitude of mechanical features Chevrolet has originated for its all-new Corvair. A car that seems small only when you park it, the Corvair boasts "big car" roominess and performance due to a long-term engineering study of compact design. Low, fleet styling in accord with American tastes, a unique suspension system and unitized body-frame construction are among other features in the six-passenger four-door sedan. All 1960 Chevrolet cars will be on display in dealer showrooms on October 2.

Mrs. James Jeffress visited in Tom Brown returned home with hosts for a picnic supper in the home of her sister, Mrs. Dunbar to spend a few days.

Watkins in Ralls Tuesday Mrs. Mr. and Mrs. Orba Miller were at that had celebrated birth-

days this month. Those present were Mr. and Mrs. Willie Patterson and family, Mrs. Bob Hinkson, Mr. Bill Miller, Miss Verl Miller, Mr. and Mrs. H. F. Jackson, Mr. and Mrs. W. R. Billington, Mr. and Mrs. Orba Miller, Mr. and Mrs. Lynn Miller and family, and Mrs. Patterson. Games were enjoyed after supper.

Mr. and Mrs. M. B. Swanner enjoyed "Truth or Consequences" Monday afternoon when their son, Gene, was the sailor of the month and was seen on the show. Gene was flown home to be reunited with his wife, Mary, and four months old son he had never seen. His wife has been making her home in California while he is away. We were all anxiously waiting for 3 p. m. Monday to see Gene. It will be April, 1960, before he will be able to come home to see his parents. He is stationed in the Aleutian Islands.

Mr. and Mrs. Kirk Slater Jr., host and hostess, Mr. and Mrs. Oklahoma City, where Jo Ann had been going through the allergy clinic. Her health was much improved when she returned.

Sunday is the day for installation of officers at the Sand Hill Baptist Church. All last year teachers and officers and all new ones are urged to be present. This is also promotion day. Those being promoted from the beginning are Alison McLain and Mike Vincent. Those being promoted from the Primary class are Jimmy Jeffress and Johnny Rowan. This is all of the promotions this year.

THE REVOLUTIONARY Corvair

BY CHEVROLET

There's nothing like a new car—and no compact car like this de luxe Corvair 700.

created to conquer a new field of low-priced compact Corvair.

of nine years of research and it's America's first truly compact retains the ride and 6-passenger used to in a big one.

this small miracle: America's mounted aluminum engine—a 6 that's so revolutionary it can with the transmission and drive compact unit.

engine in the rear, the Corvair's truly flat, front and rear, so of foot room for everybody.

with Corvair's unique body-structure by Fisher, this provides spaciousness comparable to many conventional-sized cars.

weight to the rear also makes compact car handling and gives road traction on ice, mud or with independent suspension wheels—an advance comparable to independent suspension of front wheels you get a poised, unruffled ride even the costliest cars.

all things no front-engine can give you. And with them you saving economy and practicality never have been possible if engineers had been content to Corvair merely a sawed-off version of a conventional sedan. Corvair's size—some 5 inches feet shorter and 1,300 pounds effective through busy streets, a park (no need for power assists). Corvair Turbo-Air 6 gets up to 30 miles on a gallon of regular. And, with engine's air cooled, you never with antifreeze, you get quicker even heat for passengers comes—stantly—from an airplane-type wonderfully practical, yes. But the most practical thing of all Corvair is its remarkably low price. It's the man to see for all the short,

America's only car with an airplane type horizontal engine!
America's only car with independent suspension at all 4 wheels!
America's only car with an air-cooled aluminum engine!

The engine's in the rear where it belongs in a compact car!

You have your choice of two Corvairs—this one's the standard model.
See your local authorized Chevrolet dealer

- 1 REVOLUTIONARY TURBO-AIR 6**
Gets up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts. It's the world's first production 6 with the ultra-smooth, space-saving power of horizontally opposed (not vertical or V-stroke) pistons.
- 2 ONE-PACKAGE POWER TEAM**
Wraps rear engine, transmission and differential into one compact unit. Takes less room, leaves you more.
- 3 STYLING—PURE AND SIMPLE**
Clean, uncluttered lines shape both 4-door models—the de luxe Corvair 700 and the standard Corvair. Each has its own distinctive trim, and you get more visibility area than in many full-sized cars.
- 4 FOLD-DOWN REAR SEAT**
Works instantly, adding to Corvair's versatility by enlarging rear seat cargo space to 17.6 cu. ft.
- 5 FLAT FLOOR**
Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing room that U.S. motorists are used to.
- 6 UNISTRUT BODY BY FISHER**
Does away with conventional frame, incorporating all structure into a rigid body-frame unit that gives you more inside room with less weight.
- 7 UNDER-HOOD LUGGAGE COMPARTMENT**
Trunk's up front (like an elephant's) where it's convenient for groceries, shopping bags, luggage.
- 8 4-WHEEL INDEPENDENT SUSPENSION**
There's no conventional axle—front or rear. Wheels, cushioned by coil springs, take bumps independently of each other, for smooth, road-hugging ride.

Romine-Parkey Vows Taken At College Chapel

Autumn colors prevailed Friday for the wedding of Miss Patricia Ann Romine, daughter of Mrs. Paul Romine of Cactus, and Glen Parkey, son of Mr. and Mrs. D. J. Parkey of Floydada.

Double-ring vows were exchanged in the Joseph A. Hill Chapel on the campus of West Texas State College at Canyon.

Rev. Straus Atkinson, pastor of the First Baptist Church, Canyon, performed the ceremony.

Flowers of gold and brown adorned the church and an arch of autumn leaves and candles decorated the wedding altar. Traditional nuptial music was played by Mrs. Don Duncan, who accompanied Miss Mary Helen Lumas as she sang.

Attending the bride as maid-of-honor was Miss Carolyn Moss of Dumas. She wore a dress of antique gold. Bridesmaids, Misses Nita Jo Massengale of Pampa, and Pauline Romine, sister of the bride, wore cotton satin dresses of autumn brown.

Bill Lowery of Muskogee, Okla., gave his niece in marriage. She wore a floor-length gown of lace and tulle original fashioned with a sabrina neckline, a torso bodice, and long tapering sleeves, coming to petal points at the hands. Her bouffant skirt was enhanced by lace panels flowing into a chapel train. Her shoulder-length veil fell from a crown of pearls and sequins and she carried a white Bible topped by white roses and streamers.

For her daughter's wedding, Mrs. Romine chose a dress of dark autumn colors with black accessories, and Mrs. Parkey, mother of the bridegroom, wore a teal blue street length dress with brown accessories. Each wore shoulder corsages of yellow mums.

After a short wedding trip the newly-weds returned to Canyon where they plan to make their home. Mrs. Parkey, a member of Zeta Tau Alpha sorority, attended WT for two years and is presently employed in Amarillo. Her husband is a senior student in West Texas College and a member of

Party Observes Two Birthdays

The Leroy Graham home was the scene Thursday night of a birthday party honoring Leroy Graham of Floydada, and Mrs. Ruth Jackson of Petersburg, both members of the Carroll County Playboys.

Entertainment was furnished by the band during the evening, and birthday cake, coffee and cookies were served for refreshments.

Attending the affair were Mr. and Mrs. Leroy Graham and children; Mr. and Mrs. T. L. Stout and children, Mr. and Mrs. Don Graham, Mr. and Mrs. Emil Willis, Mr. and Mrs. Eddie Cantrell, Mr. and Mrs. Buddy Cantrell, Mr. and Mrs. Bill Tolar and family, Mr. and Mrs. Clifford Willis, Mr. and Mrs. Bill Perkins, Billy Marquis.

Ralph Ferguson, Mrs. Corby Ferguson and daughter, all of Floydada; Mr. and Mrs. Junior Jackson, Mr. and Mrs. Clem Mench and son, Mr. and Mrs. James Burras, all of Petersburg; Mr. and Mrs. J. D. Rogers and family, Kress, and Richard Tolar of Lubbock.

Security Council Functions Told In WSCS Meeting

A study of the organization and functions of the United Nations Security Council was one of the major points presented in the September 23 session of the current study course of the Women's Society of Christian Service.

Mrs. J. H. Barnard, leader of the group, arranged a simulated meeting of the Council with 11 women representing the 11 nations involved, and each presenting a proposal from the actual agenda of the Council.

Others participating in the program were Mrs. John Kinable who read from Tenyson's "Lace-sley Hall" and Mrs. Billy Stantley Hall" and Mrs. Billy Stantley Jr. who told of the all-too-typical American who prides himself on being "one hundred per cent American" but who actually begins and ends his day with customs and conveniences originated or developed in every corner of the globe.

Refreshments were served mid-way through the meeting and at 11 o'clock, Mrs. Jack Jordan dismissed the group with prayer.

Rev. and Mrs. L. Bryan Mock and their year-old son, Steven, are to visit Floydada Monday.

Missionary Couple To Visit Floydada

Featured on the missionary program of the Assembly of God Church on Monday evening of next week, Oct. 5, will be Rev. and Mrs. L. Bryan Mock, who have recently been appointed by the Assemblies of God to serve as missionaries in Bolivia, South America. The Rev. Henry Russell, pastor, announced today.

Rev. Mock is now traveling at the United States with his wife and one year old son, Steven. They will leave in a few months for Bolivia, to begin their first radio program.

Rev. Russell extends a cordial invitation to the public to hear Rev. and Mrs. Mock. The service Monday evening will begin at 7:30 o'clock.

Fires Damage 2 Residences

Two fires in the county this week did extensive damage to a residence in Floydada and one at South Plains.

The home of Mr. and Mrs. Dub Hodge was smoked badly and all the clothing and linens stored in a front room closet was lost in a blaze Saturday morning.

Floydada firemen were called to the scene about 9:10 a. m., after the fire was discovered by Mrs. Hodge. The entire closet and door was destroyed and its contents. All of the house and furnishings were also heavily damaged by smoke. The establishment was only partially insured. How the fire started was not learned.

The second fire, occurring in South Plains early yesterday morning, required the help of both the Floydada Fire Department and Lockney Fire Department. A lighted heater placed too close to a bed was blamed for the blaze. The building was occupied by

Floyd County Hesperian, Floydada, Tex. Mexican laborers and was located in the center of South Plains, on the corner next to the Phillips 66 Service Station. The building and furnishing were all destroyed. Both firms were burned to the ground.

OES Plans Point To Nov. Events

Worthy Matron and Dorothy Parkey, Mrs. A. M. Dorsey, president over a regular meeting Thursday night of the local Order of Eastern Stars.

The Grand Chapter, which is to be held the first week in November at San Antonio, and the Eastern Star school, scheduled for Nov. 20 at Hereford, were discussed.

Morning Meeting Of Garden Club Held On Friday

Mrs. J. B. Bishop was hostess for a Friday morning meeting of the Floydada Garden Club. Mrs. Geo. V. Smith was program leader.

Following the club song, roll call was answered by each member showing her favorite flower container.

Flower arrangements of line mass, horizontal, vertical and hogarth curve were demonstrated by Mrs. John Hoffman and Mrs. A. V. Stewart.

Mrs. Leibfried Wesleyan Guild Program Leader

The United Nations came into being with the primary purpose to end wars, Mrs. W. L. Leibfried told the Wesleyan Service Guild in her introduction to the study of the U. N.

The Guild met in the home of Mrs. P. A. Denison Monday evening Sept. 26, at 7:30.

The President, Mrs. John McKinney called the meeting to order and conducted a brief business session.

After a short wedding trip the newly-weds returned to Canyon where they plan to make their home. Mrs. Parkey, a member of Zeta Tau Alpha sorority, attended WT for two years and is presently employed in Amarillo. Her husband is a senior student in West Texas College and a member of

Marine And Family Involved in Four-Car Crash Friday

Marine Sgt. and Mrs. Melvin McPeak and three children, who have been in Floydada visiting, were involved in a four-car accident in Marshall, Tex. enroute to their new station at Paris Island, S. C., last Friday.

Relatives here were told that at the time of the wreck it was raining and the highway slick. None of the McPeak family were hurt to any marked extent, although they received cuts and bruises. Their car was heavily damaged, but was repaired sufficiently for the family to travel on.

Another worry for local relatives of the McPeaks is the storm, "Gracie". The family is located at Beaufort, S. C., across the bridge from Paris Island. The town and area was heavily hit by Gracie Tuesday night with phone lines down and streets and homes flooded. No word has been received here, but it is assumed that they are on high ground and safe.

WMC Formulates Plans For Year

Plans for the coming church year were formulated recently by the executive board of the W. M. U. with the pastor and minister of music advising. Plans were formulated in the Library of the First Baptist Church.

Time for the W. M. U. meetings next year will be at 9:30 a. m. each Wednesday with the Nursery and Beginner Sunbeams meeting at the same time.

The Y. W. A. G. A., and Primary Sunbeams will continue to meet at 7 p. m. on Wednesday evenings. Beginners will have choir practice at 7 p. m. also.

Churchmen Attend State Brotherhood Meeting in Austin

E. D. Morgan, Ralph C. Johnston and Travis Jones represented the Brotherhood of the First Baptist Church of Floydada at the Brotherhood convention in Austin the first of this week.

They returned home Tuesday. Yesterday Morgan left again journeying to Dallas where he was to attend a meeting of the board of the Texas Baptist Convention.

Retiring Highway Worker Honored at Back Yard Supper

Mr. and Mrs. J. C. Odum of 412 West Grover entertained the employees and the families of the State Highway Maintenance Department with a supper on the lawn of their back yard Saturday evening.

Honored guests were Mr. and Mrs. Jim King of 182 East 1st, Lubbock. Mr. King is retiring from the Department.

The Kings were presented an electric blanket by foreman Webster from the other men in the Department.

Attending were Mr. and Mrs. Sanford Webber, Mr. and Mrs. Jim King of Lubbock, Mr. and Mrs. Ralph Lemons, Mr. and Mrs. Dee Burns, Mr. and Mrs. W. S. Simmons, Mr. and Mrs. Willard Hall, Mr. and Mrs. Oran Self and daughter, Elaine, Mr. and Mrs. Wayne Fuller and children, Sharon, Gary and Rickie.

FWV MEMBERS ATTEND DISTRICT ENCAMPMENT

Mrs. Bill Queen Passes; Funeral Held On Tuesday

Mrs. Kitty Brooks Queen, 69, long time Floyd County resident, died at her home on West Jackson Street Monday afternoon at 5 o'clock. She had been in failing health for several months. Funeral rites were conducted Tuesday at 3 o'clock in the Bible Baptist Church of which she was a member. The pastor, Rev. Gilbert Rhine, officiated. Interment was in Lakeview Cemetery under the direction of Harmon Funeral Home. Grandsons were pallbearers.

Born Kitty Brooks on Feb. 2, 1890, in Oklahoma, the deceased was married in Dill City, Okla., to Bill W. Queen Dec. 28, 1913. The couple came to Texas shortly after and made their home east of Floydada on the Matador highway for a number of years. After retiring from farming, they moved into Floydada to be near their children.

Survivors in addition to the husband include three sons, Cecil Queen, Floydada, Brice Queen, Roswell, N. Mex., and Lloyd W. Queen, Andrews; two daughters, Mrs. Edna Patton and Mrs. Evelyn Pierce, Floydada; 12 grandchildren; one brother, Bill Brooks, Denver, Colo., and three sisters, Mrs. Ella Elliott of Twin Falls, Idaho, Mrs. Margaret Guthrie of Oklahoma City, and Mrs. Isabelle

Need a Hand? Fort Worth Man Looking For Job

A Fort Worth man, Jim Davidson giving his age as 50, did the unusual thing yesterday when he called The Hesperian to run an advertisement for a job.

He was through Floydada one time, liked the town and decided if he ever made a change he would like to move here.

Davidson describes himself as a first class carpenter, a practical nurse and with 20 years experience in the dairy stock business.

"I would make somebody a good ranch cook," he added, saying "I guess I sound like a screwball but I am not."

Davidson's address is 1914 Granger St., Fort Worth, his telephone number WALnut 3-8714. He hopes somebody from Floydada calls and offers him a job.

Series Oldsmobile Gives Performance Economy

performance used with the new standard 2.87 operation in all to 1 axle ratio and Oldsmobile's Jet-Away Hydra-Matic transmission, will give the owner of the 1960 Dynamic "88" Oldsmobile a 15 per cent improvement in miles per dollar," Metzger said.

"This engine," Metzger added, "gives excellent performance because it is specifically designed to make full use of the greatly improved regular grade gasoline, which now has 90 or 94 better octane ratings."

The adaptation of the Rocket engine for use with regular grade gasoline was accomplished in three through design changes in combustion chamber contour, pistons, and the changing engine speeds and a marked im-

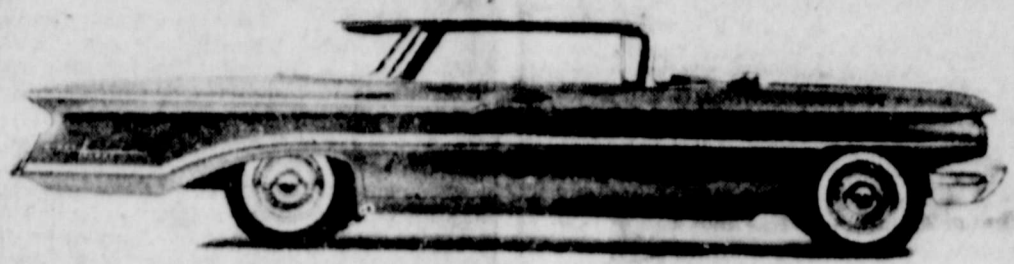

of the compression ratio to 8.75:1. Displacement is 371 cubic inches. The Regular Rocket incorporates a new two-barrel "Econ-O-Way" carburetor recalibrated for maximum economy and power at the new compression ratio.

"For the buyer who wants superior performance, Oldsmobile's top power plant, the Premium Rocket engine is standard on the Super '88' and '98'. The Premium Rocket will give power to pass safely over the entire driving range," Oldsmobile's chief engineer stated.

The Premium Rocket engine is designed to take full advantage of the power potential in today's premium fuels. Displacement is 394 cubic inches. Compression ratio is 9.75:1 and it develops 315 horsepower.

The standard rear axle ratio series has been lowered. This reduction in axle ratio has been achieved through design changes in the rear axle ratio, which has been lowered 2 per cent reduced

Clean Lines Highlight 1960 Oldsmobile

A trim balanced design of clean flowing lines highlights the modern styling of the Oldsmobile for 1960. This side view of the "98" Holiday Sport Sedan shows off the smooth, uncluttered lines to their best advantage. The low and level design of the hood affords better forward visibil-

ity and the rounded contour of the front fenders aids parking maneuverability. The low-level design also is incorporated in the expansive "Clean-Sweep" rear deck. Sport Sedan body styles also are available in the Dynamic "88" and the Super "88" series Oldsmobiles for 1960.

Father of Mrs. Wallace King Is Buried Friday

Friends learned here this week of the death of P. P. Maddox, father of Mrs. Wallace King, former resident of Floydada, now of Midland.

Mr. Maddox and his wife were well known in this area having been here on numerous occasions in the daughter's home.

A former state representative and retired attorney, Mr. Maddox died Thursday morning about 1:30 in a Midland Hospital. He and Mrs. Maddox were there visiting their children on Sunday when he became ill.

In 1908 Mr. Maddox was elected representative in the Texas Legislature from the Palo Pinto district. He was in the drug business at the time in Graford. He served four terms until 1916, and attended law school at the University of Texas during that time.

He and his wife, Laura, came to Tahoka at the end of his term.

Mother of Bride-Elect Succumbs

Funeral service for Mrs. Bob Rose of Lubbock, mother of Miss Annette Rose, fiancee of Damon Turner, were held in that city Monday in the First Baptist Church.

Mrs. Rose died suddenly Saturday shortly after noon following a long illness. She was a registered nurse, a member of the Baptist Church, ABC Dames, Delta Gamma, Methers Club and the Bethel Sunday School class.

Her husband is associated with J. W. Chapman and Son, realtors, in Lubbock.

Survivors in addition to the husband and daughter are a brother and two sisters.

Mr. and Mrs. V. D. Turner were among those attending last Friday.

Airman and Mrs. Martin Loop-er Brown spent several days here last week, leaving on Saturday for Stockton, Calif., where they will visit his parents, before he departs for Korea.

While in Floydada the couple were houseguests of his grandparents, Mr. and Mrs. W. Edd Brown, his uncle, Bill Brown and family, and an aunt, Mrs. D. W. Badgett and family.

Mrs. Brown plans to remain in Stockton while her husband completes his tour of duty. They were formerly located at San Angelo.

Mrs. Glen Bailey of Floydada, returned recently from Dallas where she visited with relatives for several days. She accompanied friends of Lubbock, Rev. and Mrs. Jim Turner.

EDITORIAL VIEWS AND COMMENT

The adversary does not have to deceive us. He lets the yen for peace and understanding and good will that is paramount in America do its own deceiving.

Out-talked at the Elbe River, out-talked at Yalta and also at Potsdam, official America still yearns to be that good old big brother to the Russians.

A cowed Press, which a few days before had trumped an Iowa farmer's corn field and scared his cattle practically out of the feed pens, asked Premier Krushchev nice questions at his final press conference held at the National Press Club in Washington last week-end.

The country people, particularly the country press, were glad to see the Smart Ales of the metropolitan press get their comeuppance, the only regret being that it had to come from the dictator of the Union of the Soviet States.

Truly sobering are the events of the past few years, in which America has dwelt long and hard on its intention to grow softer and softer, make things easier and easier, to make it a better world for the next generation than our own world has been.

Help Sweeten The Pot. If you are a Democrat you could well help sweeten the pot. Now is the time for all good men to come to the aid of their party, as has been said by many who added that the quick brown fox jumped over the lazy dog.

That New Gin. A ginners' dream if there ever was one is that new gin put into operation last week by the Farmers Gin Company. Principal beauty of it, to the man who has seen friction and lack of lubrication ruin as many pieces of machinery as we have seen ruined is that most of the bearings are sealed in.

Brighter New Look. Floydada has ten new store fronts and interiors with accompanying plans for weather control done within this year. Floydada's business property owners are putting their money behind their faith in the future of the town.

The water rates are too low in Dallas, where they find that the water department has gone in the hole trying to deliver water at 35 cents and 40 cents, with the minimum at \$1.80.

Instructions, Please. A road map tells you everything except how to fold it up again.

Floyd County 14 Years Ago

(From the Hesperian, Oct. 4, 1945)

Always wearing the Silver Star and three battle ribbons, PFC Morris A. Powell of Mt. Blanco, has been awarded another honor, the medical combat badge, for his outstanding record with the ETO. Powell spent 15 months overseas returning to the US in March for a rest period.

Although his parents, Mr. and Mrs. G. W. Lotspeich of Dougherty, have not heard from their son, nor received a word from the war department, newspaper accounts last week said their son, Gene, is one of the party of American soldiers liberated from a Japanese prison camp and flown from Calcutta, India.

Mr. and Mrs. R. B. Hatley of San Antonio were in Floydada last week on a visit with friends and with Mr. Hatley's parents, Mr. and Mrs. J. A. Hatley at Dougherty. Mr. Hatley has been working at Duncan Field for some time but has resigned that job. He was office manager here for Western Union for a number of years.

Kenneth E. Poole, son of Mr. and Mrs. J. T. Poole, has received a medical discharge from the United States Navy and is back in civilian life again. He was discharged in San Diego, Calif., after some seven weeks of training.

Staff Sergeant T. M. Whitley, son of Mr. and Mrs. T. J. Whitley of Floydada, recently flew to Manila, P. I., from his station in India for a 10-hour visit with his younger brother, Pfc. Clifford, who is also in the Army Air Corps. Their first meeting in three years Sept. 15, marked a big day for the brothers. Their parents have been informed.

Cpl. Leroy Burns arrived home several days ago from El Paso where he received his discharge from the army after nearly three years of service. At present he is getting acquainted with his 18-month old daughter, Sherry LeDale. Mrs. Burns and her daughter have been making their home with her parents, Mr. and Mrs. V. D. Turner while her husband has been in service.

Mrs. Kate Collier and daughter, Margaret, were visited over the weekend by Sgt. Fred Bell and First Lt. Paul Teuton, Lockney boys who are on an extended 15-day furlough from ETO. They are old friends and neighbors of the Collier family.

Who will eat my bread?

Remember the Little Red Hen for help in planting, harvesting and doing the work herself. But when she asks "Who will eat my bread?" ... all willing to assist.

Texas find food for thousands of families nursery tale. Back when community had no electricity, power be set and the lines strung to darkness. No one was willing to work so rural people formed cooperatives and built their own systems. But now that the hard work has been done would you deny these cratic institutions the fruits of their labor?

We feel that the locally owned, business managed, tax paying Texas Cooperatives should harvest the benefits they have been cultivating for years. The Electric Cooperatives of Texas a new way of life to our rural areas. They should continue to prosper if they helped to develop.

TEXAS PRESS ASSOCIATION

From now until November's firm plans to run for governor have been no secret. But he has not said he will run even if Gov. Daniel does.

If Daniel does run and Wilson decides to sit tight, a half-dozen attorney general hopefuls, including Speaker Waggoner Carr, will be either stalled or up against stiffer odds.

In legislative races much of the same agonizing is going on. Whenever a senator is up for re-election, there are usually one or more House members itching to try for the post.

Some have already jumped in. Some have definitely decided against it. Others are still talking around. In many minds is the old saying that the time comes when a man must go "up or out."

Question is: "When is that time?"

DEMOS GUARD HARMONY — For the moment, at least, Texas Democratic Party leadership appears more united at the summit getting primed to than it has been in years.

At their recent meeting, State Democratic Executive Committee members cheered both Gov. Daniel for a third term and U. S. Sen. Lyndon B. Johnson for president. Gov. Daniel, Committee Chairman Ed Connally and National Committeeman Byron Skelton all applauded Johnson.

In 1936 Sen. Johnson had to push Gov. Allan Shivers and his supporters out of party leadership in order to go to the national convention as the Texas nominee. Such upheaval apparently will not be necessary in 1960.

Not present for the harmony fest, however, was Mrs. R. D. Randolph, national committee woman and leader of the liberals' Democrats of Texas faction. DDTers fell out with Johnson after the '56 convention. They've made it clear they won't push the Johnson bandwagon. Many of the same group are working in the Democrats for Stevenson movement. But whether they can or will launch a large-scale effort to undermine the senator in his home state is not yet known.

JUST NEED MONEY — Officials of Texas' bulging cities took a long look at their multiplying problems and decided they needed many things, but mainly money.

As the Texas Municipal League convention wound up, the incoming president, McAllen Mayor Phillip Boyce concluded, "Very few municipal problems can't be solved with money."

Earlier, TML speakers pointed especially to these angles of Texas' urban dilemma:

1. Tax sources — With increasing demands for city services, city governments are limited on the ways they can get money. principally to the property tax. Cong. Jim Wright, formerly mayor of Weatherford, pointed out that half of all gasoline is consumed in the cities, but cities get no part of the gasoline tax money for city streets. Forty-four states, he said, split gas tax money with cities.
2. State domination — Although 70 percent of Texas population is concentrated in urban areas, city government, said outgoing President Louie Welch, is a "child of state government." And since the Legislature is rural-dominated, cities invariably come out second best in battles with the farmers.

John McKee, chairman of the 1957-58 State Tax Study Commission, expressed the belief that Texas money problems would be worse before they're better. McKee said that although the budget was covered by the last legislative session, the state's long-term revenue problems, including state-local fiscal relations, is "far from solved."

COUNTIES' FUTURE CONSIDERED — Problems of Texas counties were reviewed by Atty. Gen. Will Wilson and Sec'y of State Zolnie Steakley in talks before the County Judges and Commissioners Association.

"What county government really needs," said Wilson, "is an executive. It must unify into a managerial function." He said county government must become stronger or become an arm of state government.

Steakley told the county officials that despite huge highway building investments, they can still expect to have unmet road needs.

Texans, said Steakley, travel 102,000,000 vehicle miles a day. This means that, despite \$505,000,000 of construction under contract and another \$514,000,000 in planning, Texas is still \$3,000,000,000 short of the highways needed for its traffic.

NO PAY, NO TAX — If the guest skips out without paying his hotel bill, the hotel doesn't have to pay the state the new hotel room tax.

In interpreting this new law, Atty. Gen. Will Wilson also ruled that the 3 percent tax applies to any room rented by a hotel, not just sleeping rooms. Under American plan hotel rates where rental charges include meals, the tax will apply only to the part of the charge covering room rental.

Also, the tax does not apply to air conditioners, televisions and radios when they are rented separately. It does not apply to

APPRECIATION WEEK — Texas' law enforcement team comes in for its share of public recognition during the week of Oct. 4 - 10. Gov. Price Daniel has proclaimed that period as Texas Law Enforcement Appreciation Week. Sponsor is the Texas Law Enforcement Foundation, a group of private citizens interested in more public support for the men in the front line against crime.

"In the face of ever-increasing crime," says a TLEF spokesman, "our law enforcement team must cope with almost insurmountable odds—still they continue to do a remarkable job." Purpose of the week is greater appreciation for the work done by police departments, sheriffs, highway patrols, game wardens, judges and all others working actively to help control crime in Texas.

Center News
(By Mrs. J. E. Green)

CENTER, Sept. 28 — Here it is Sept. 28. Getting cooler, but it is still dry around here and the afternoons are hot. Cotton is coming into the gin and leaves on the trees are turning gold. Potatoes are being dug up and tomatoes are being canned. Some ladies are even allowing canning peppers and making chow chow. Who doesn't enjoy the autumn days?

Brother Bob Morrow of Wayland Baptist College filled our pulpit Sunday morning. We all enjoyed the service. He returned to Plainview after the service as his wife was ill with a virus.

Mr. and Mrs. Bill Moncrief and baby daughter of Colorado City spent the week-end visiting her mother, Mrs. John Carey and children.

Mr. and Mrs. Ollie Meek of Floydada visited Sunday afternoon with Mrs. Marion Meek and Martha.

Visitors in church Sunday morning were Mr. and Mrs. Clyde Green and children of Peralta, N. Mex. and Mrs. K. J. Matthews of Borger, who were spending the week - end with Clyde's parents, the J. E. Greens.

Also present was Don Clark Green of Big Spring. All were dinner guests of the Greens.

Other Sunday dinner guests of the Greens were Mr. and Mrs. Victor Green and children of Plainview and Mr. and Mrs. Anthony Latta and children of Mt. Blanco. After dinner the Lattas took Mrs. Matthews to her home in Borger. The others also returned home. But how wonderful it is when the children and their families come to visit the "old folks", even if it is lonesome after they have returned to their homes. Now we will be planning for a "next time."

Mrs. Leo Frizzell visited Mrs. F. M. Price Thursday afternoon. Mr. and Mrs. Frizzell were Sunday dinner guests of Mrs. W. M. Jackson, Floydada.

More or less brief visitors in the Frizzell home sometime last week were Mr. and Mrs. Garvin Beedy and children of South Plains, Mr. and Mrs. Elmer Warren, Mr. and Mrs. A. E. Frizzell, and Mr. and Mrs. Herbert Meredith of Dougherty.

Johnny Warren has accepted a position as intermediate teacher in the O'Donnell school.

Mr. and Mrs. Elmer Warren's Sunday dinner guests were their son, Billy Gene and family of Halfway. Mr. and Mrs. Frizzell visited them all in the afternoon.

Phil Horton had a sore throat over the week-end.

Brenda and Debbie Dunn of Lubbock spent from Wednesday night until Saturday with their grandparents, Mr. and Mrs. Frank Dunn and Mary and Joe Lee. Their parents, Mr. and Mrs. Jimmy Dunn came here for the week-end to attend the Floydada and Paducah football game Friday night. The family returned home Saturday evening.

Mr. and Mrs. Clyde Green and Gretchen visited briefly in Plainview Saturday with the Victor Greens and later they and baby Kenneth visited in Floydada with Mr. and Mrs. D. I. Bolding.

Saturday evening the Bolding's visited in the Green home, where we enjoyed music, homemade ice cream and dominoes.

Mr. and Mrs. Fred Robertson, northwest of town visited Sunday afternoon with Mr. and Mrs. Doyle Sandifur.

Mr. and Mrs. R. C. Ross have a new granddaughter, Sandra Gail, whose parents are Mr. and Mrs. Melvin Ross of the north plains near Perryton.

Visitors in the Ross home a week ago Saturday were Mr. and Mrs. H. B. Mankins and Mr. and Mrs. Bun Hopper and Bunny Gail.

The B4 Club of the Silverton Road met Thursday night with the Oliver Allens in town. Present were Mr. and Mrs. Vinson, Mr. and Mrs. Denning and the Allens. They also met Saturday night in the Denning home. Present were Mr. and Mrs. Vinson, Mr. and Mrs. Starks Green, Mr. and Mrs. Allen, Mr. and Mrs. Burl Huckabee and the hosts, Mr. and Mrs. Denning.

Mrs. Mankins visited Mrs. A. W. Thomas Monday morning. Go to church Sunday wherever you are.

Mrs. Mollie Hagood and children of Lubbock visited Sunday in Floydada with the Cecil Hagoods and other relatives.

Children Honor Mrs. Bullard On 86th Birthday

Mr. and Mrs. G. M. Bullard was honored at a birthday party given Saturday by her granddaughters, Mrs. Jay Hammock and Mrs. Chil McClure at the home of Mr. and Mrs. Jay Hammock on North College Avenue in Lubbock.

Attending the celebration were Mrs. J. C. Crabtree, Mrs. Berneice Barrett, Mrs. Jean Lenti, Read and Susan, host and hostess, and children, Karen and Mark, Roy Smith of Lubbock, and Chil and Edith McClure and Del of Floydada.

Also Mrs. L. B. Cozby, Mr. and Mrs. Don Branson and Stevie of Lubbock, Mr. and Mrs. Thurman Perry and Jan of Floydada, Mr. and Mrs. Grady Reeves, Dwain, Randall, Gary and friend "Teek" of Plainview;

Mrs. L. E. Crabtree and Kay, Mr. and Mrs. Mitt Bullard, Mr. and Mrs. Brad Bullard, James and Terri Lynn, Mr. and Mrs. Tom Scarborough and Zanona and Tom Mitt of Lubbock, Miss Sheri Bullard and Pat McCoy of Dell City, Texas, J. C. Bullard of Floydada, Dean Hammock, and Gordon Bullard of Lubbock. Mrs. Bullard wishes to express thanks to her many friends who helped her in so many ways during her illness, especially the nurses and doctors at Peoples Hospital. She has recovered so well due to the help of so many friends and loved ones, and prays God's richest blessing on everyone. She also wants to include The Hesperian staff which prints such a good paper, being so thoughtful of the welfare of everyone, old folks especially.

Mr. and Mrs. Rufus Wood of Andrews were here for the week-end visiting her mother, Mrs. Gaines Teeple and other relatives.

Resigns Conchas Dam Post For Amarillo Motel

Tax-Man Sam Sez:

Floyd County Hesperian, Floydada, Tex., Thursday, Oct. 3, 1959

Mr. and Mrs. Grady McAda and family, who were overseers of Conchas Dam, near Tucumcari, N. Mex., have resigned that position and are now living in Amarillo where they are operating the Palo Duro Motel. Prior to their move, Mr. McAda had been in charge of the Dam area for two years.

Before departing Mr. and Mrs. H. B. Mankins of Floydada joined their daughter and family there for a get-together and to visit with a grandson, Jimmy McAda, who has just returned from a two year tour of the Philippines. Jimmy reported to a California Navy base on the 24th of this month.

Others joining the reunion were another grandson of the Mankins, Bob McAda, his wife and a granddaughter and her husband, Mr. and Mrs. Dave Scott of the University of New Mexico in Portales. All enjoyed good fishing and water skiing.

Several thousand taxpayers visit the Internal Revenue Service office every year on a tax audit that concerns their contributions. A large part of these find themselves in the uncomfortable position of having no records of their contributions.

Making contributions to the church and charitable organizations by check is a very good practice and will furnish you with a record if your tax return is audited. Under our present tax laws it pays most taxpayers to keep good records.

OUT-OF-STATE GUESTS

Recent guests of Mrs. C. M. Norris have been her husband's brother, Olen Norris and wife of Hugo, Okla., and his sister, Mrs. Dessie McCutchin of Texarkana, Ark., also a grandson of Mrs. Norris, Rev. and Mrs. Don Seigler of Newport, Ore. While the visiting relatives were here all enjoyed a visit in Crosby County with Mrs. Norris' daughter, Mrs. J. W. Seigler and family and in Carlsbad, N. Mex., with a son, C. M. Norris Jr., and family.

PARTY HOSTESS

Mrs. Neal Bertrand was hostess Friday afternoon for a Home Interior decorators party.

Refreshments were served by Mrs. Bertrand to Mmes Weldon Hammonds, Neely Richardson, Harold Bennett, William Bertrand, R. C. Stewart Jr., Harold Bertrand, L. D. Golightly, Buri Daniel, James Lee Nichols, and Lyndell Roberts.

CARD OF THANKS

How can a person thank so many friends individually for such kindness bestowed them at a time of need? These are my thoughts as I take this means to say "bless you all" for your lovely cards, flowers, presents and sweets, sent me during my stay in the hospital. Especially do I thank the staff at Peoples Hospital, and also the doctors and nurses, of all creeds, who cared for me in Methodist Memorial Hospital. I never realized what this would mean to anyone until I became ill. It leaves my heart so full of love and so grateful to you all.

Mrs. Ora P. Shipley.

PLEASANT SURPRISE

Mrs. Will Massie was pleasantly surprised Saturday and again on Sunday when friends dropped in to extend well wishes on her 90th birthday.

Mrs. Charlie Berry spent a part of last week in Amarillo for a medical check-up. Mrs. Berry said she was to undergo surgery to have a tumor removed from her mouth on Oct. 14. She was houseguest of her son, Harold and family during her stay in Amarillo.

'Winds Blind Paducah Dragons 58 to 0 in Parade of Scoring

The Floydada Whirlwinds start- setbacks were deducted. The ed slow Friday night, but gained momentum as the game progressed and completely out- classed the Paducah Dragons 58-0. The Dragons made a ball game of it for a quarter and half and then wilted under the continued pressure and were out of contention the remainder of the game.

Terry Brooks, Dragon quarter- back, showed fine form at pass- ing and running and had the Floydada fans catching their breath early in the game with long completions, one behind the goal and out of bounds.

Stout Defense Helps

For Floydada it was again a stout defense that helped the of- fensive look good and kept the green and white out of trouble. Bill Gilliland, Danny Shipley, Richard Graves, Larry Irby, Rodney Teague and in fact the en- tire defensive unit kept the Drag- ons in hot water all night with fumble recoveries, interceptions and stingy defense.

On the offense side Don Vick- ers led the scoring parade with in line shape on at least a dor- 20 points (three touchdowns and one two point conversion). Rod- ney Teague 14 points on two touchdowns and one conversion and in addition threw two touch- down passes. Richard Graves, Bill Gilliland and Larry Orman made a touchdown each to add 12 points to the team total and Danny Shipley got his six points the hard way by toeing six straight conversions through the uprights for a perfect night.

10 to 1 Penetrations

In the statistics Floydada made 10 penetrations of the Dragon 20 yard line while allowing one. Floydada made 16 first downs and Paducah made 7. Floydada was penalized 33 yards and Pa- ducah drew 35 yards in penalties. In the rushing department the Whirlwinds picked up 320 yards net from scrimmage and allowed the Dragons 75 yards after their game.

The next assembly is Wednesday, October 7.

Everyone had a holiday Monday. That is, except those who didn't have a way to the South Plains Fair, permission to go, or no money to spend. The teachers were left out, unfortunately. Next year, it would be nice if the teachers could go.

J-Day is Saturday. Quite a few plan to attend.

Get your aspirins ready, no-dose pills, cheat-sheets, etc. Next week is the first six weeks' test week.

FHS students will have yearly report cards rather than semester type this year. Students will be graded on effort and cooperation. Everyone will get only one report card from each class for the nine months.

Senior pictures are to be made October 15.

Joyce Morren has a new dinner ring.

The Safety Assembly given by Mr. Fred Marshall, District Safety Patrol Officer, from Lubbock Department of Public Safety, taught the importance of safe driving. Some of the speedsters and dragsters still are speeding and dragging so maybe they need to see it again on a LARGE screen.

All students who stayed at FHS Monday will get 3 points in each of their classes. About 145 were absent and 190 were present. Good average??

Congratulations are extended Don Vickers for receiving the Amarillo News Globe "Player of the Week" Award certificate. He was leading scorer in Class AA the week ending Sept. 21.

The Winds have not been scored on so far this year. A very good record.

Only one more non-conference game left—Tulsa next week.

We will miss Donnie Galloway, Senior, who withdrew from school.

Students should always remember the Rotary 4-Way Test. 1. Is it the truth? 2. Is it fair to all concerned? 3. Will it build good will and better friendships? 4. Will it be beneficial to all concerned? The plaques in each room are to remind students and teachers of these four rules.

You can tell a married woman by the ring on her finger. But you can't tell her much.

Gary Matsler and James Cagle will represent FHS at the FFA Convention in Kansas City for a week beginning Oct. 5. James will be attending for the second straight year.

Janet Boren passed out in the band parade Monday.

Dale Brown was home from Ft. Sill over the week-end.

Doug White was in the Lockney Hospital this week.

Congratulations. Band for winning third at the South Plains Fair Monday.

Rilla Sue Duncan got the last pork chop that was cooked in the cafeteria Monday. About 35 students had to wait until some more were cooked. Only 95 ate in the cafeteria. All the rest went to the fair.

Joyce Morren is no longer wise. She had two of her wisdom teeth removed Monday afternoon. She will have two more pulled out.

The after-game party will be at the First Christian Church tomorrow night.

Dehorn the Longhorns

AGGIELAND

(By Doug Galloway)

Cough! Cough! Some freshmen just can't take it. It was heard of one freshman last week who has swallowed 10 pounds of this fine West Texas dust. Ninety-seven young men's attention was brought to the problems of soil conservation. Several different farms were visited. Different varieties of Milo and cotton were examined. One feeding station was also visited where a man showed a mixture of feeds. The bindweed control was also explained and attention was brought to what material was best to use for the end of these weeds.

A barbecue dinner was served at the Paymaster Farm near Aiken. The dinner was sponsored by Floydada Chamber of Commerce and Paymaster Farm. The trip came to an end at this point and the return was made to Floydada.

Freshman — Run for your lives!

Mr. Cook — What is the matter?

Freshman — My chickens are on the rampage!

WE'RE BEHIND YOU, WINDS!

Congratulations, Whirlwinds! Winning those last four football games is a great achievement in itself. It is an even greater achievement and honor because no team has been able to score against you and we are proud of you.

It hasn't been easy for you by no means. You have had to stick to rigid training rules that haven't always been the most desirable for you. You have had to eat certain things, drink certain things, and be in at set times. You obeyed the rules because you are proud of your team, and want to stay on top.

Keep up the good work, Winds. Don't quit now for the battle has just begun. Stay with the rules and always give it everything you've got.

Staff Plans Big Yearbook

(By Sue Williams)

Judy Wilson, annual editor, supervised the photographing of about 300 students, some two and three times, in less than three hours last Thursday morning.

The photographer said class pictures can be expected in about three or four weeks from the time of the photographing; all others should be available in a few weeks.

Senior mug shots will be organized October 15. Remaining snapshots have not been scheduled, but they will be taken sometime between Nov. 1 and Jan. 15.

George Farris, business manager, started subscriptions rolling last Thursday. If you buy an annual now, the total price is \$3. If you prefer to wait until they come in, there is no guarantee that you may obtain one, if you do, the price will be \$6.

The reason for this increase in price is the 4 per cent deduction obtainable if the money is sent in now.

The work room across from the office has seen much work on the annual and hold many "Confessionals." Grace Ann Potts, Addie Adkins, and George Farris labored in the hot summer selling ads. As 16 pages had to be at the Taylor Publishing House in Dallas by Sept. 1, several staffers furiously worked to meet the deadline.

Each staff member has been assigned general duties by Editor Judy Wilson. George Farris has the big job of business manager and Grace Ann Potts is layout editor. James Huggins is always on the run with his camera. Eric Christensen does the art work, and Sue Williams is copy editor. This group composes the editorial staff.

Bill Gilliland and Richard Graves have been assigned sports. Jan Dempsey is in charge of features and the band. Helen Mrs. Vasta Dalrymple, Algebra I and II instructor, says: "The main purpose for Algebra is to prepare students for higher education and for future jobs. She has 18 signed up for Algebra I and 27 in Algebra II. The Algebra I classes are learning to apply like and unlike signs in addition, subtraction, multiplication, and division Algebra II is reviewing factoring. Mrs. Dalrymple says, "All her classes show great enthusiasm and are willing to learn."

"General Math helps students to meet problems in the future. Also it is needed for background to higher education. It too is a simple introductory of Algebra. Mr. O. W. Lewis, General Math teacher replies.

With a small class of only 10 he says he can get more material covered. The class is working with budgets, bank statements, and family and personal accounts. The students seem to enjoy this particular work, and think it is very interesting.

From the three math teachers we have arrived at these figures: 113 take Algebra I, 106 in Algebra II, 27 students take Plane Geometry, 11 Trigonometry, and only 10 General Math. Of 338 students in high school, 271 are taking a course in Math.

Having been married 20 years, a couple decided to celebrate by taking a trip. While talking over their plans one evening, the husband now and then glanced into the next room where a little old lady sat knitting.

"The only thing," Mr. Graves said in a hushed voice, "is that for once I'd like to be by ourselves. I'd like to take this trip without your mother!"

"My mother!" Mrs. Graves exclaimed. "I thought she was your mother!"

As to baits, the sky's the limit. The catfish will eat anything; shrimp, small bream, live minnows, commercial baits, chicken entrails, liver, etc., and nau-

(Typing II Class)

Watch out!! Here come the little FFA boys with money jars to clean everyone's pockets of change. Each penny represents a vote for their sweetheart candidates.

First period Typing I donated the most money for the school name-plate letters.

Kenneth Jones' face surely did turn red the other day when several people asked if he had lost his Senior ring. Sherre Alexander's name was also mentioned.

Betty Peek got sick in the safety assembly. What's the matter, Betty, couldn't you take the pictures??

It is good to see the white victory flag waving under Old Glory on the flag pole every week.

Helen Foster has decided to be an Indian. She surely did have a pretty red squal dress on one day last week.

Almost all the boys are wearing flat-top hair-dos this year. The Elvis Presley hair style is now extinct.

Heat fatigue surely was bothering the band kids last week.

Ken Roberts, fish, is having upperclassmen girl trouble. Seems as if they just love to see him smile.

The Bookkeeping class has moved to the English III room. That is room 106 for all of you lost "bookies."

Noticed quite a few "I Gooled" shirts lately? Don't worry—the people wearing them just made a mistake in marching. Mary Giles???

Everyone is looking forward with anticipation and joy for six weeks' tests next week.

Chorus members are busily preparing for their solo contest. Several freshmen did not know to stand when the school song was sung in the first assembly.

PE girls don't care to make laps. A good way to lose excess pounds and keep or get a good figure.

Kenneth Smith is always an "eager beaver" when it comes to buying tags. Aren't you, Kenneth?

Donnie Galloway withdrew from school. We'll miss you!

Sara Holmes has cut her hair again, as she insists on keeping it short.

Sue Flenniken and Bobby Christian have a hard time constraining themselves in the halls.

Janet Moore should receive a medal for having enough "spunk" to be a cheerleader and for marching in the band, too.

Mrs. Beth Dalton has been teaching artificial respiration in P. E.

There are 144 more school days!

Office girl, Linda Golightly, did a great favor to all students at FHS Tuesday afternoon. She rang the dismissal bell 15 minutes early.

Oddy enough, girls like boys according to Doug Galloway.

Is the Senior boys' rush on freshmen girls beginning to wear off? Maybe they have seen the light about robbing the cradle.

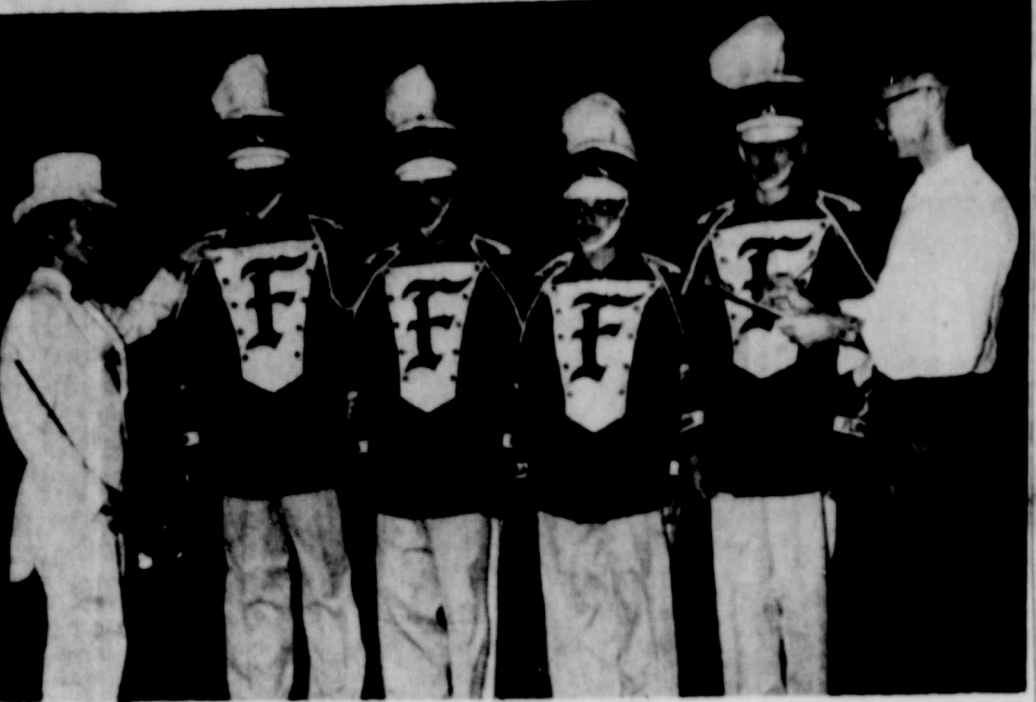

FHS girls are inviting cold weather by wearing wool sweaters and skirts.

All males are in for a bad time because there are two home games coming up, and main sales have begun again.

Bill Hicks is a dodge ball specialist at noon.

Betty Spradlin's hair-do was pretty for her annual picture.

Barbara (Smith) Bullock was a visitor last week.

Band Inspection. Dan Whitaker, new band director at FHS, explains inspection procedure to Shirley Gregory, head drum majorette. Guinea pigs are 1959-60 band officers. From left to right are: Shirley Gregory; Bob Ed Dempsey, captain; Dennis Waker, 1st lieutenant; Jan Dempsey, 2d Lieutenant; Darryl Lindsey, sergeant at arms; and Mr. Whitaker.

Band Fills Vacancies At Important Posts

(By Nancy Sue Watson)

Because of difficulty in arranging schedules, two of the band officers that were elected last year were unable to assume the duties of the offices this year. Two new officers were elected to accept the duties of these offices. The newly elected officers are as follows: 2nd Lieutenant, Jan Dempsey, sophomore; 1st Lieutenant, Dennis Walker, junior.

The Captain, which is the high office in the band, is held exclusively by a senior. This year Bob Ed Dempsey holds this high honor. Darryl Lindsey, freshman, serves as Sergeant of Arms.

Both Bob and Darryl were elected at the close of the school year last year.

The duties of these offices are very important and must be held by people who are capable of the responsibilities. The duties of the Captain are to preside at all meetings of the band and be responsible for all other officers.

The 1st Lieutenant is to preside at all the meetings in the absence of the Captain. He is to be in charge of all the committees and know about their activities.

The 2nd Lieutenant is to serve as secretary and treasurer. She must keep minutes of all the meetings. She is also in charge of checking the roll during all the band periods.

Sergeant of Arms is always in charge of the work detail or leading the buses. They must be sure that all equipment and music reach the set destination.

Further information about the Band Sergeants will be given at a later date.

'Winds Blow Fire Out Of The Dragons

(By Kenneth Jones)

The unscored-upon Whirlwinds ran their total for the season up to 160 points with an average of 40 points a game Friday night.

They blasted the Paducah Drag 20-0 and the Paducah Drag 23-0 during the first quarter it looked as if it might be a close game. Neither team could make a much ground until Van Stoval recovered a fumble on the Paducah 18. Rodney Teague passed to Richard Graves which was good for 15 yards and a touch-down. Don Vickers added two touchdowns by running the extra 40 points.

In the second quarter Vickers ran an impressive run around 38-0 right end for 45 yards and another 20-0 six points. Teague went over for 6-0 the extra points. Teague then 0 passed 24 yards to Larry Orman 0-which was good for a touchdown, 0 Danny Shipley then kicked the 0 first of his six straight for extra 0 points. Teague intercepted a pass, and made a beautiful run for 40 yards for another touchdown.

Vickers opened the third quarter by going over from the three. Bill Gilliland repeated with the same performance. Teague again made a beautiful run for 69 yards and another touchdown.

Vickers added the only touchdown in the fourth quarter by making a 73 yard run, with Shipley going over for the extra points.

During the first quarter the Dragons passed over, but it was passed just a little to far and was caught passed the end-zone.

The Whirlwinds meet their old rivals, the Lockney Longhorns, at Wester Field tomorrow night.

Band Wins Third In Fair Parade

The Floydada Whirlwind Band walked off with third place honors at the annual South Plains Fair Parade Monday, Sept. 23. Abernathy won first, and Denver City second.

For the past two years, the Band has won first place. There were eight Class AA bands competing.

S. C. Projects Announced

(By Judy Williams)

School spirit was named the project of the year by the Student Council in the third weekly meeting, Monday, Sept. 21. Several minor projects have been planned to carry out this theme throughout the year.

Hal Hines, presiding officer, asked for suggestions as to moon time entertainment. The following ideas were offered: shuffleboard, ping-pong, miniature golf, putting in driving ranges, handball, movies, and social games. Also, it was discussed and decided by the members to carry on the intramural program with Wayne Cagle as chairman.

Another decision made was that there is to be a Happy Birthday poster put up in the hall with the names of the students who have a birthday on that day.

Remember the thought for the week — If you don't enjoy what you have now, how can you be happier with more?

Driving Class Presents Vivid Safety Program

(By Nelda McCary)

If statistics stay as they are now, one out of every two Americans today will be killed or injured in a traffic accident. This is a frightening statement, isn't it? Unfortunately, it's true.

This was only one point of discussion in the safety assembly Wednesday last week. The assembly was brought to FHS by the driving class, with Janet Boren in charge. Fred Marshall, representative from the Texas Department of Public Safety, discussed the common mistakes made by drivers and the responsibility of everyone as operators of automobiles.

Vivid slides showing the after effects of serious automobile accidents were presented to the student body and faculty.

Mr. Marshall pointed out the reasons for the accidents and told how the accidents could have been prevented.

The slides left a lasting impression on everyone and is a constant reminder to be careful. REMEMBER: You do not know to do a job until you know how to do it safely.

Oil Produces Crude

The zones were produced one at a time. Savings of this nature help to offset rising costs in daily operations and many materials.

At this well, after drilling through all four of the oil-producing formations and several gas formations to a total depth of 8,960 feet, the crew set seven and five-eighths inch casing to the bottom of the hole and cemented it in.

The casing was then perforated opposite each of the four oil reservoirs, and the zones were isolated from each other inside the casing by means of tubing and packers.

Separate strings of two-inch tubing direct the flow of oil from three of the zones to the surface while oil from the fourth zone is produced through the annulus—the remaining space inside the casing.

The highest perforation in the well is more than a mile below the surface, at 5,781 feet; the lowest is nearly a half a mile deeper, at 7,891 feet. In between are the other two perforated zones, one at 7,107 feet and the other at 7,227 feet.

Mr. McDonald says any farmer is eligible to enter the contest by simply buying, between September 25 and the end of the year, some of the farm equipment he needs for 1960. His firm has all the information.

The contest is unique in that it calls for estimating the time and amount of fuel required by each of four tractors plowing a given acreage. In addition, entrants are asked to write a few words on the importance of efficiency in modern power farming.

Every experienced tractor farmer has the basic knowledge to make a close estimate, Mr. McDonald points out.

The fall purchase contest coincides with the introduction of a new line of Allis-Chalmers tractors for the 1960's now being announced by McDonald Implementations. Included are four models available in many different styles, engines, and with a variety of special optional equipment.

Winners Get Expense-Paid Bermuda Trip

Bermuda and New York City will be February vacation spots for 20 farm couples according to L. C. McDonald Implementations, local Allis-Chalmers farm equipment dealer. Winners in the nation-wide Allis-Chalmers fall purchase contest will get the expense-paid vacation trip to Bermuda with a stopover in New York.

Homemaking Hints

Refreshers for Tired Felt Hats
If you can't afford a new fall hat, give the old one a new look with careful brushing and cleaning.

Start by brushing the hat carefully. This may show up spots and stains that need special treatment. Try using sandpaper first. With a piece of No. 0 sandpaper, begin at the center top of the crown and gently sand in the same direction around the corner, side and brim.

If this doesn't do the job, use naphtha or other cleaning fluid. Dip a small brush, as a nail brush, in the cleaning fluid, shake out excess liquid and brush the hat until the soiled spot disappears. Remember to work out doors when using cleaning fluids.

4-H Clubs
The Community 4-H Clubs are electing new officers and selecting organization leaders this month. At present there are Community 4-H Clubs at Dougherty, Sand Hill, South Plains, Harmony, and Lakeview. They are open to all children between the ages of 9 and 20. The community 4-H clubs meet at night instead of in the school, so they can carry on a better program and give the 4-H members better leadership opportunities.

We would like to organize the Community 4-H Clubs in more communities in the county. How about yours?

Home Economics
The Home Economics Subcommittee of the program building committee met recently with Mrs. Mac Ward, Mrs. Henry Bollman, Mrs. Harry Morckel and Mrs. Lynn Miller, chairman, in attendance. The next meeting is planned for October 13 when we will discuss problems of the county and what we can do about them.
