## Cotton Making New Record Crop Ginning Figures Show

### Weed District Finds Winter Work Potent

Since the cotton and grain harvests are nearing completion, the Weed District would like to remind the farmers that it is not too late to treat bindweed with soil sterilants. Results of winter treatment have been very satisfactory this past year.

In order to serve more farmers with the District equipment and trained operator, it is urged that farmers cooperate in a year round treatment program. This would help eliminate the long waiting list which the District had this year during the planting and growing seasons. High winds and spring and summer rains also hamper operations during these seasons.

Bob Hambricht is the equipment operator for the district. Farmers will benefit greatly from his efficiency, dependability, and training in the application of chemicals. Complete coverage and evenness of application, which are very necessary for effective weed kill, can be reasonably assured by the use of this trained operator and the equipment provided by the Weed District. The District is quite interested in keeping Hambricht's services the year round and they urge the farmers to use him.

In making winter treatment it is necessary to know the exact location of bindweed patches, which should be spot plowed or staked for location, and it is advisable not to apply chemical on soil that is to be plowed deep, although light plowing will not affect the end results.

By making application of chemical this winter, any moisture received will carry the chemical down into the root zone and produce a root kill while the plants are dormant. If Federal aid has not been used up on individual farms, 50 per cent assistance can still be obtained on any of the approved chemicals through the ASC Program for the remainder of the year.

The District will be happy to assist farmers in spotting, staking, and measuring weed patches to be treated. For further information, contact Douglas Degge, Supervisor of the District office, room 113 in the Floydada courthouse, phone Yukon 3-3500 or at home in Lockney phone Oldfield 4-2395.

A composite of the opinion of Floyd County's 22 ginners is that the cotton crop of the county will break last year's all-time record by 6,000 bales.

With 91,514 bales ginned at 2 o'clock Monday, the ginners reported 5,621 bales of cotton on their yards, and still 24.5 per cent of the crop to come in from the fields.

Newspapers Make Survey  
These figures were given reporters of The Hesperian and The Lockney Beacon in a quick survey around the county. The composite estimates of cotton yet to be ginned stood at 24.5 per cent, which, in actual bales of cotton is 23,796.

The ginnings at 91,514 plus 5,621 bales on the yards plus 23,796 projected as yet to come to the gins gives a figure of 120,933 for the season. The reports given The Hesperian office seemed to be conservative.

This total prospective yield is 8,233 bales above the official figure which are very necessary for the county in 1958, as given by the Agricultural Marketing Division of the Texas Department of Agriculture. The 1958 production averaged out 398 pounds of lint to the acre on 90,500 acres actually harvested. The county was 11th in the state.

Commenting on the figures gathered by the newspapers, County Agent Cecil Lewis said he was not surprised. In fact, he had expected the yield to surpass the estimate of 104,000 bales made early in the season by Plains Cotton Growers. Lots of fields are producing at the rate of a bale and a half per acre, Lewis said. He hears, also, that much of the dry land cotton is producing better than was expected.

A few of the gins think they'll be cleaning up and slowing down sometime early next week, barring inclement weather. The tempo of ginning is getting much faster in this county than in former years. The difference is noticeable even in a comparison of this season with last.

### Toastmasters Seek To Form Club Quickly

A group of local business men are calling a meeting to try and organize a Toastmasters Club in Floydada.

Ralph Mardis reports a meeting date set for 7:15 p. m. on December 3 at the community room in the new bank building. It will not be a dinner meeting but strictly a business session. Twenty members will be required to get a club charter. An invitation is being extended to all who are interested to be present and join the new club.

On Monday night eleven prospective members for the club met with more than 20 from the Plainview and Lubbock clubs and laid plans for the organizational meeting. Don Pemberton was elected as temporary president to serve until a full election can be held.

Backers of the plan are anxious to have a large number in attendance so that the club can elect officers and apply for a charter.

### HOSPITAL REPORTS

Patients in Peoples Hospital this week include V. C. Hagood, T. J. Campbell, Miss Anna Carr, Mrs. Roy Schuppert, Mrs. Walter Baxter, W. C. Cubb, Mrs. Frank Loveliss, and E. T. Evans. Mrs. Sadie Merchant was dismissed Sunday and is convalescing at the home of her parents.

The Willson Chapel. While Dr. D. Elton Trueblood, of Earlham College, Richmond, Ind., was at Texas Tech to deliver his lectures to the student body, he and Mrs. Trueblood took occasion to visit the J. M. Willsons in Floydada, to inspect the beautiful new Methodist Church. The families are long-time friends and the Willsons sponsor the lecture series on Tech campus. Here the party are at the entrance of the Willson Chapel, gift of the Floydada couple, at the church. From left, Mr. Willson, Dr. Trueblood, Mrs. Trueblood, Mrs. Willson. (Staff Photo)

### Mather Carr Succumbs At Harmony Home

Mather Carr, 79, longtime resident of Floyd County, died shortly after noon Monday of a sudden heart attack. Although in failing health for some time, Mr. Carr was active on his farm. He had just finished eating lunch and was resting in his chair when he became ill.

Rites will be conducted this afternoon in Carr's Chapel in the Harmony community. Rev. Roscoe Trostle, pastor will officiate, assisted by the Rev. J. M. Reed of Sterley and Rev. Phil H. Gates, Floydada.

Interment will be in the family plot of Carr's Chapel Cemetery under the direction of Harmon Funeral Home.

Born in Coryell County, July 5, 1880, Mr. Carr came to Floyd County with his parents, the late Rev. and Mrs. W. H. Carr in 1901. He was wed to Annie Alameda Allen in Lockney, August 26, 1903. The family made their home in Harmony community until moving into Floydada in 1924. Mr. Carr did carpenter contract work until moving back to the farm in 1929. They have resided there since.

Mr. Carr had been a member of the Methodist Church since the age of seven, as was a charter member of Carr's Chapel Methodist Church. His wife and a sister are the two remaining charter members. His father was an early day Texas pioneer Methodist minister. Carr's chapel was named for him.

Survivors include the wife; two sons, Wesley Carr and Horace Carr; one daughter, Mrs. Chloa Carr. (See Mather Carr, page 6)

## Hundreds Flock To See New Home Of First National Bank

Thirty-five hundred customers and friends of the First National Bank of Floydada flocked to the open house of the bank held in their completely new quarters at the corner of Main and California Streets, which has been its home for half a century.

The flower-bedecked offices had a constant flow of lookers and well-wishers from 2 o'clock when the ribbon was cut by Mayor J. M. Willson Jr. until 6 o'clock when the day was done.

A queue had formed at the entrance of the bank at 2 o'clock and was still moving at 5 o'clock. It was a jolly crowd and what they saw when they got into the banking quarters appeared to please them.

Officers and directors were joined by the stockholders in welcoming the continuing throng. Attendees at the register for guests as well as the register for the attendance prize were kept busy until the last few minutes of the day.

The banking fraternity of the plains was well-represented in the crowd that attended. Here to extend felicitations were representatives of banks at Dallas, Lockney, Tulla, Muleshoe, Matador, Brownfield, Crosbyton, Loretto, and others.

Recognized as another major factor, largely responsible for the new mood in consumer spending, is the growth of personal protection programs. The individual and the family are secured as never before against the economic impact of death, disability and retirement.

Such safeguards make it possible for them to spend a larger portion of their net income than they once did. It brings within reach some of the luxuries that had formerly been beyond them.

slightly greater than three times the size of the former area in which the bank did business.

Wives and daughters of the directors and stockholders, who aided the officials and working force do the honors of the day, served more than 20 gallons of coffee, 40 gallons of orange drinks and 2,000 cookies.

The bank opening Monday morning in the new location was uneventful, the operating force taking their new stations and waiting on a steady flow of customers throughout the day.

The new quarters represent an investment of \$175,000 in building and new facilities. The area occupied by the new building is 100,000 square feet.

Registered were the three living former presidents of the bank, one of them, Mrs. Jno. N. Farris, still associated with the bank as a stockholder. The other two were F. M. Butler, now of Amarillo, and O. M. Watson Sr.

Gene Collins Jr., vice president, who had the job of arranging for the big party, was a tired young man but a well-pleased one when the day was done.

Mr. and Mrs. Foster Amburn and Mrs. Alva Jackson were in Muleshoe Monday where they attended funeral rites for Robert G. Spence, 71, uncle of Mr. Amburn and Mrs. Jackson. The elderly man died Saturday evening at his home following a heart attack.

Mr. Spence was a retired radio repairman and electrician. He was a native of Fort Worth and had resided at Muleshoe since 1921. He had made his home in Floydada a short time prior to that.

Survivors include his wife; a son, Cecil of Albuquerque, N. Mex.; a daughter, Mrs. Jack Price, of Canoga Park, Calif.; one brother, Carl of Bolinas, Calif.; and a sister, Mrs. Grace LaValley of Waterford, Calif.

At The Bank Opening. Among the greeters for the hundreds at the open house of the First National Bank Sunday afternoon were Roy Riddel, left, of Lubbock, and W. S. Poole, of Dougherty. Riddel, who is president of the First National Bank at Lubbock, is a stockholder, and Poole is a director of the Floydada Bank. (Staff Photo)

On Awards Day. These young misses are members of Girl Scout Troop No. 2 of Floydada on their awards day, when Second Class Scout badges they had worked for so hard were issued. They are, from left, Dianne Mathis, Nita Karen Scott, Cheryl Campbell, Linda Anne Willson, D'Anne Robertson, Janice McNeill, Ann Widener, Sherri Simpson, Storm Townsend, Sarah Hollums, Veda Thayer, Marilyn McLain, Sue Foster. ## Yule Lights Will Glow Tuesday Night, Dec. 1

It is Tuesday night of next week that the pre-Christmas events begin to take place in Floydada. At 7 o'clock in the evening the yule lights will be aglow for the first time, store windows will be at their prettiest and—Old Santa Claus will pay a two-hour long visit to the community.

Bands will serenade the portly gentleman and those who come to greet him in down-town Floydada. And nearly all the stores will be open! The date is December 1 by the calendar.

Old Santa's arrival will be the signal for the lights to go on all over town. The Floydada Whirlwind Band and the Lockney Longhorn Band will escort Santa into town.

The night appearance of Santa Claus on the scene, with stores open for two hours will be a novelty in local retail circles.

More than 30 stores are joining in the event. Those who attend are expected to register at each of the stores and shops. Door prizes will be given to top off the evening.

Santa Claus will have small toys for every youngster who is present.

Dean Davis and Louis Anderson have charge of the plans for the night event. They were named by the Chamber of Commerce retail committee.

"It will be a first for a night event in Floydada," said Bill Hale, general chairman. "The committee thinks this will be different at least, and it may please most everybody in the community."

Drawings Each Wednesday  
The morning after the opening night the more than thirty stores will have attendance prize registers which they plan to use in giving away prizes each Wednesday—December 9, December 16, and December 23—at 4 o'clock in the afternoon. This is once a week each week for three weeks.

Eleven valuable merchandise prizes will be given on each of the Wednesday afternoons on the court house square.

Speakeading the Christmas planning for the Retail Trades committee with Bill Hale as general chairman are Don West, Dean Davis and Louis Anderson on the activities committee; finance, C. H. Bedford and Floyd Boren. Also having important assignments are Russell King and Dan Hagood, who will be assisted by the 1950 Club in arranging the Nativity scene.

J. D. Parks, Sammy Hale and Fred March has brief furlough with mother.

Fred March arrived in Floydada Saturday for a visit with his mother, Mrs. Joe March. Mrs. March and her son will leave today noon for Hollis, Okla., where they will spend Thanksgiving with her mother, Mrs. E. L. Gardner.

Joining the family will be Mr. and Mrs. Tommy McGill and children of Oklahoma City, Mrs. March's daughter.

It was first anticipated that Fred, who is on furlough, would have until Christmas at home, but orders received after his arrival in Floydada, changed those plans. He is to report on December 9 at Oakland, Calif., to await embarkation for Korea. He was formerly stationed in Aberdeen, Maryland.

The official figures show, for Floydada, a total of 72 retail establishments in operation toward the end of 1958. They head an annual payroll of \$677,000, as a gain of \$69,000 in 1954.

Ralph Rucker have already started work on the street decorations, which will be novel this year, and contrast with former years.

### Biggest Football Crowd Attended Friday's Game

The biggest crowd believed ever to have witnessed a football game in Floydada saw the bi-district contest on Wester Field last Friday when Denver City won the honors.

Supt. I. T. Graves said there were 4,500 paying customers at the game and total attendance was between 4,500 and 5,000.

He made a rough guess of the net receipts from the game for the local school's athletic fund at \$2,016.

He said he is working on the financial report of the football year, and it should be forthcoming at a not too distant date.

### Open House Held At New Library

Members of the Floyd County Library Board were gratified with the attendance at the Lockney Branch Saturday when the formal opening was held.

The new library, located in the Wanda Baker Bldg., is well located place and more suitable for the public than their former location, in the City Hall.

Mrs. H. H. Mills, librarian, was assisted in receiving guests by members of the board, Mrs. Henry Hodel, Mrs. Arthur Barker Sr., Mrs. Kinder Farris, Mrs. Murry Julian, and Mrs. A. T. Hull, librarian, of Floydada.

Calling hours were from 2 p. m. until 5 p. m.

## Floydada Has Substantial Gain In Retail Sales Year Of 1958

NEW YORK, Nov. 11 - What comparable figure in 1954, at the time of the last business census, Floydada economy in the last was \$23,196. The rise amounted to 210 per cent.

Elsewhere in the United States store receipts rose 15.1 percent in the period. In the West South Central States they advanced 12.2 percent.

Partially offsetting this rise in consumer spending has been inflation. The price of most goods is higher today than it was in 1954.

On the other hand, it is noted, the gains recorded were made in a period that included the 1957-58 recession.

MR. AND MRS. WAYNE WRIGHT

## Wrights Will Observe Their Golden Wedding Day

The sons and daughters and grandchildren will join Mr. and Mrs. Wayne Wright in their home, 800 South Wall St., Floydada, Nov. 29, to celebrate their Golden Wedding Anniversary.

Friends and neighbors relatives are cordially invited to call between the hours of two and five to greet them and share in the hospitalities.

Wayne C. Wright lived with his parents, Mr. and Mrs. J. W. Wright, in Amarillo from 1890 to July, 1906, when they came to Floyd County, settling on what is now known as the C. H. Conway place in the Lakeview community.

Mrs. Wright, with her parents, Mr. and Mrs. J. F. Roberts, and other brothers and sisters, came to Floyd County on April 28, 1901, from Archer County. They lived in the community later known as Antelope. Mrs. Wright attended school there.

In September 1, 1905, at a Primitive Baptist Church meeting in Antelope community, Wayne Wright and Lillie Roberts met.

They were united in marriage in the home of her parents in Antelope on November 23, 1909, by Elder L. N. Barrow, uncle of Mr. Wright.

Wayne, his brother, Noah, and Elder Barrow drove from Lakeview to Antelope in a buggy, pulling mud all the way.

Plans had previously been made for the groom's party to be accompanied by A. M. Batley and Maggie Wright, Wayne's sister. All would attend church after the wedding, return to Lakeview and attend the wedding of A. M. Batley and Maggie later the same day, in the home of their parents.

The rain was no respecter of person or plans, so it rained for four days.

We've heard of the tail wagging the dog, but this is the first holiday season to our knowledge when cranberries have wagged the turkey.

We went to a sauce-less turkey dinner a few nights ago. It was like soup without salt, breakfast without coffee, steak without salad. The plate was a pallid glob of yellow and tan, although a few green beans tried half-heartedly to cheer the consumer into feeling happy over no cranberries.

Now for some folks this may not seem important. In fact, a young minister sitting across the table admitted he didn't care for the stuff. But in our bringing-up, the appearance of the hard, tart berries in the grocery bag was the promise of festive eating and fun. And the bright, sweet-sour jelly tantalized us on the pantry shelf with the sun shining through it. Sliced in matching compotes at either end of the holiday table, it set our salivary glands working long before the gravy was made or the Waldorf salad finished.

Worst of all in this current cranberry crisis, we don't know whom to believe. Two cans of sauce carried over from last year sit on our kitchen shelves. But is it safe to serve? "The canned ones are all right," says one voice. "Avoid them — fresh, frozen, or canned," warns another. "The 1953 crop is also suspect," says a third. "A human being would have to consume 15,000 a day for 15 days to risk any ill effect," comes from someone else.

We're sad for the cranberry growers; they'll probably have to eat mush — and cranberry sauce — this year to make expenses. We're concerned for cranberry merchants, who aren't very busy this season. But we're downright shook up for the cranberry consumer. What's he going to do?

Elder Barrow and Noah Wright returned to Lakeview much later in the day to perform the second wedding.

Mr. and Mrs. Wayne Wright, as newly-weds, first lived on the north side of the Newton place, one mile north of the present Lakeview gin. They lived there for two years, then, due to illness of the elder Mrs. Wright, Wayne and his young wife moved into his father's home, remaining there for two years.

In 1913 they built a three-room home, one-fourth of a mile west of the present Lakeview store on land purchased shortly after their marriage.

To them were born five children. Arriving first was a set of twins, Marvin and Melvin, born July 25, 1910, and deceased Nov. 21 and 23 of the same year.

## Judys Host Club At Thanksgiving Dinner Party

Members of Miladies Club, and their families enjoyed their annual Thanksgiving dinner last Thursday night in the home of Mr. and Mrs. E. L. Judy. Following the bountiful meal, articles were auctioned off to raise funds for the club's Christmas dinner on December 18.

Games of 42 and chess were also enjoyed.

Those attending were Mr. and Foster Amburn, Mr. and Mrs. Gene Jones and daughter, Mr. and Mrs. Frank Pratt, Mr. and Mrs. E. W. Dunavant and Don, Mr. and Mrs. W. A. Lovell, Mr. and Mrs. Virgil Warren and children, Mr. and Mrs. W. K. Birchfield, Mr. and Mrs. Berle Ferguson and daughter.

Mr. and Mrs. Richard Stovall of Plainview, Mr. and Mrs. Leslie Nixon, Mrs. Lawrence Stovall and children, Mrs. Carl Nelson and children, Mrs. E. J. Womack, Misses Donna Welborn and Wilma Jean Judy, and hosts, Mr. and Mrs. Judy.

The next regular club meeting will be on the first Thursday in December with Mrs. Frank Pratt.

## Judge and Mrs. Deen Have Been Wed 56 Years

Judge and Mrs. Tom W. Deen will observe their 56th Wedding Anniversary on December 6, and have hopes of the presence of their five children, Tom and Fred of California, Jesse of Fort Worth, Wilma of Albuquerque, and Mrs. Zelma Booth of Dallas. One son of the couple died in infancy.

The judge and his wife are longtime residents of the county having settled here in the early 1900s. They were wed in the home of Mrs. Deen's parents, the late Mr. and Mrs. O. J. Haines by Rev. W. H. Carr, father of Mable Carr of the Harmony Community.

Mrs. Deen, the former Addie Mae Haines, was born August 24, 1879. She came to Floyd County with her parents in 1902. Until about eight years ago she was active in her church work and being a house wife. At present she is confined to a wheel chair due to her failing health. Her father was an early-day blacksmith in Floydada.

Judge Deen was born June 10, 1878 in Hamilton County. He came to this part of the country in 1900 and started out as a school teacher. Later he was Justice of the Peace and still laughs about hiding out back of a building when he was summoned to marry his first couple. He said his reason was that he didn't know at the time, a proper ceremony. He learned though, and married many before he took up duties as county judge, county treasurer, county and district clerk and later state representative.

Both Judge and Mrs. Deen have been active in the Methodist Church since early childhood. The judge goes each Sunday, but Mrs. Deen is unable to attend.

110th District Court Cases tried: Josephine Taylor vs. Hancock Manufacturing Company. Suit for damages. Awarded damage by jury in amount of \$750.00.

Cases filed: Alma N. Holmes vs. Rex H. Brown - Suit for foreclosure of chattel mortgage lien. Havah Hightower vs. Billy Ray Sherrill et ux - Trespass to try title.

Seven Pleas of Guilty In county court three pleas of guilty on charges of driving while intoxicated resulted in two \$150 fines and one \$350, each carrying three days in jail as added penalty; also one plea of guilty to possession of liquor for sale drew a \$200 fine and one transporting liquor plea drew a \$300 fine. Also an aggravated assault plea of guilty drew \$100 and 30 days and a knife carrying plea of guilty \$100 and costs.

## To Celebrate Golden Wedding Day

Roy Patton and Miss Verden Speck were married on Dec. 5, 1909, at Rochester, Texas, by Rev. I. N. Alvis.

Married while seated in a buggy at the preacher's home the couple will observe the fiftieth year of that event on Sunday, Dec. 6.

Their two sons and three daughters will entertain for them at the home of a daughter, Mrs. John B. Stapleton, 815 West Tennessee St., at an open house from 2 to 4:30 o'clock p.m.

All the children and their families expect to be here for the event. The children are R. C. Patton, Snyder, Mrs. C. L. McMurray, and Holland Patton, Tucumcari, N. M., Mrs. W. H. McClung and Mrs. Stapleton, Floydada.

They will be glad for their friends to come by and see them.

The Pattons moved to Floyd County in 1916 and for several years lived at Lakeview. Later Mr. Patton was in the retail milk business in Floydada while they made their home here. They live at 322 West California St.

## Holiday Candies Made at Meeting Of Fifty Club

A candy demonstration by Mrs. Nancy Morckel, home economist, was given one evening last week in the kitchen at Lighthouse Electric, for members of the 1950 Study Club. The holiday goodies made were later served for refreshments by Mrs. Watson Jones.

Mrs. Cleo Whittle presided over the business meeting in the absence of the president, Mrs. Bill Hale.

Prayer was brought by Mrs. Gene Arwine, and the program was in charge of Mrs. David Kirk.

It was announced that members are to bring their gift boxes for the state hospital at the next meeting on Dec. 1. Mrs. Claude Weathersbee is to be hostess.

Members present for the demonstration were Mrs. Gene Arwine, David Battey Jr., Howard Bishop, Lloyd Cook, Johnny Collins, Bob Copeland, Charles Craig, Lane Decker, Earl E. Edwards Jr., Bill Hale, Watson Jones, Travis Jones, David Kirk, Doyle Moore, Gene Probasco, Sam Puckett, W. H. Simpson Jr., Claude Weathersbee, J. D. Webb, Ed Wester, and Cleo Whittle.

## WMU Studies In Circle Groups

Mary Nell Giles Circle met in the church chapel of the First Baptist Church for Bible Study on Nov. 11. The lesson was taught by Mrs. Gene Lawson on "New Testament Answers to Old Testament Questions." Seven members were present.

Margaret Oliver Circle met for study the same day with Mrs. E. F. Stovall as leader. Her lesson was "Look on The Fields", and was from the book, "His Message, Our Mission". Nine members were in attendance.

Ten members were present for a study in the Clara Jordan Circle. Mrs. Charles Craig brought the lesson from the Mission Study book entitled, "By All Means". During a short business session of the circle, the name was changed to the Helen Jean Parks Circle. Helen Jean is a missionary in Indonesia and is the niece of Mrs. Hollis Bond of Floydada.

On Tuesday of last week the Business Women's Circle met for study and was taught by Johnny Burnett. Seventeen members were present with only one absentee.

At the meeting of the BWC Tuesday night, Nov. 24, the program was on missions.

Mrs. L. D. Simpson taught the lesson on "Go, Ye", for the Ethel Hardy circle last week at which there were five women present.

## Grand Visitor Pays Call On Rainbow Girls

Rainbow Girls met Monday evening of last week. The meeting was in charge of Verna Patton, Worthy Advisor, and Mrs. M. J. McNeill, Mother Advisor.

The Grand visitor, Mrs. Jimmy Smith of Lockney, made her official visit to the Floydada Order, and gave the information that girls were being offered color streamers for their gavel, and that wreaths has been added to their color bars that girls may earn.

Christmas plans being made by the order will be announced at the next meeting on Dec. 7.

Janice Trapp was hostess for the refreshment period Monday night.

## Dinner And Shower Honor Miss Foster

Miss Doris Foster, bride-elect of Lawrence Burke, was honored at a dinner and personal shower Monday night in the home of Miss Alene Warren, 720 S. 5th Street.

Bridal colors of white and red were carried out with a center piece made of a miniature bride and groom with red ribbons on which were written "Lawrence" and "Doris". Red candles in crystal candelabra were on either side.

Guests were fellow employees of the bride-elect in the Agriculture Building. Attending were Charlene McCormick, Meri Shurbet, Nell McClung, Dorothy Campbell, Phyllis Rogendorf and Alene Warren.

## GUESTS FROM LUBBOCK AT THANKSGIVING DINNER

A Thanksgiving dinner was served Sunday night at 7:30 o'clock in the home of Mr. and Mrs. J. O. Warren, 720 South 5th Street. The guests were friends from Lubbock.

Attending were Mr. and Mrs. Buster Vaughn, Mr. and Mrs. V. K. Hays, Mr. and Mrs. Arthur Wright, Mr. and Mrs. Triton Rasco and Janice and Mr. and Mrs. Bob Rogers.

Dayne Snoddy and his family of Idalou were in Floydada Sunday afternoon visiting his grand mother, Mrs. Maggie Maybew.

## 1922 Study Club In Thanksgiving Day Observance

Members of the 1922 Study Club were entertained Thursday with a luncheon in the Colonial House observing their annual Thanksgiving gathering. Members answered roll call with a thank-you scripture, and Mrs. Kenneth Baint led the program.

A memorable talk on customs of her country, Nigeria, was made by a foreign student, Miss Florence Dankole, junior at Wayland College. Dressed in her native costume, Miss Dankole gave her thanks to missionaries of the U. S. and to the Rockefeller Foundation for their help with African residents. Her talk was informative and well received. After graduation

Miss Dankole plans to return to her country to teach.

In keeping with the Thanksgiving spirit, Mrs. E. J. Morehead gave a reproduction of the Pilgrim's 1620 settlement. Her story was given more vividly because of her actual visit to Plymouth Rock.

Those enjoying the luncheon and program were the guests' speaker, two visitors, Mrs. O. G. Glassmoyer and Mrs. W. C. Sims, and members, Mmes. Kenneth Bain, J. H. Barnard, David Battey, P. W. Bell, J. D. Colville, J. V. Daniel, W. H. Henderson, J. B. Jenkins, Edd Johnson, E. J. Morehead, E. L. Angus, Lon V. Smith, Clad Snodgrass, E. F. Stovall, W. O. Tye, J. M. Willson and Mrs. Joe E. Wilson.

The club will meet again for their Christmas party on December 10. Mrs. J. H. Barnard will be hostess.

## Class Party Held By Wesley Girls

Wesley Girls Sunday School Class of the Methodist Church met in Fellowship Hall Wednesday afternoon at 2:30 P. M. for their class party. After a short business session presided over by Class President, Mrs. Stella E. May, an interesting Thanksgiving program was given.

Hostesses for the party were Mmes. S. J. Latta, J. B. Turner, W. H. Henderson and Phil Gates. Refreshments were served to Mmes. Mary Finley, Addie Thagard, D. D. Shipley, Sarah J. Meeks, Will Snell and O. B. Olson, as guests.

The following class members were present:

Mmes. Ethel Parr, Hazel Koenen, Frank Probasco, Myrtle Shaw, V. W. Hennessee, W. O. Tye, Lillie Henry, George Stiles, Edd Johnson.

**Kitchen and Field NEWS FROM LIGHTHOUSE ELECTRIC COOP. INC.**  
by NANCY MORCKEL

**THANKSGIVING, 1959**  
Make a joyful noise unto the LORD, all ye lands.  
Serve the LORD with gladness: come before his presence with singing.  
Know ye that the LORD he is God: It is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture.  
Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name.  
For the LORD is good: his mercy is everlasting; and his truth endureth to all generations. —Psalm 100

Early in our history the pilgrim fathers inaugurated the custom of dedicating one day at harvest time to rendering thanks to almighty God for the bounties of the soil and for his mercies throughout the year.

Again, as we approach the autumn season with gratitude in our hearts for all our blessings, may we be ever mindful of the obligations that are ours. And may we resolve to live each and every day by the Golden Rule—"Do unto others as we would have others do unto us."

Troy Watson, job training and safety instructor with A. & M. College, gave his monthly lesson on safety to the members of Lighthouse Electric Co-op, on Monday morning.

Johnny Stuts went to Amarillo on Sunday to take his brother Claude to the Veterans Hospital for treatment.

Mr. and Mrs. Johnny Peysen, their son, John Jr., their daughter Jimmie Dell and one of her girl friends, of Munday were guests Friday of Mr. and Mrs. Melvin Henry Nickay and Gaylene.

Mr. and Mrs. Don Webster of Lubbock spent the week-end with Mr. and Mrs. W. O. Baker.

Wanda Hickerson went to Abilene Saturday to visit her daughter Pat, a student at McMurray College. They attended the Eastern New Mexico and McMurray ball game that afternoon.

On Monday of last week a demonstration was given for the Providence Club at the home of Mrs. J. R. Turner in that community. Mrs. Carrick Snodgrass accompanied me and gave the demonstration on fancy cake decorating, (roses and things of that sort).

Tuesday afternoon a demonstration on cake decorating and party foods was given for the Lone Star Club at the home of Mrs. Hallie King in Lockney. A Mystery Fruit Cake was also made for the group.

Tuesday evening in the Lighthouse Kitchen a candy demonstration was given for the 1959 Study Club. Jean Jones was Hostess for the group and Jill Kirk was Program Chairman.

On Thursday the Wake Club, The Broadway Club and the Mt. Blanco Club members all met at the Lighthouse Kitchen for a Thanksgiving dinner and program.

Mrs. Kinder Farris gave the devotional just before a buffet dinner was served.

Just after lunch she gave a short book review.

Mrs. B. A. Robertson gave a demonstration on making "Fall Arrangements" or "Dried Arrangements", and Mrs. W. G. Walker gave a demonstration on "Petals Under Glass".

This excellent program was thoroughly enjoyed by the women from these three clubs. Each brought a dish for the delicious noon day meal.

Thursday evening at the Rogers Restaurant the employees of Lighthouse Electric Co-op, their wives and husbands and the directors and their wives enjoyed a Thanksgiving dinner and get together. The occasion was in honor of Melvin Henry, Manager, who that day had been with the cooperative 20 years. Gifts were given him in honor of the occasion.

Friday night my family and I attended the Thanksgiving dinner at Mt. Blanco. It was a delightful occasion—a community affair sponsored by the Mt. Blanco Club women. The film "A Tenderfoot in Europe" was shown for their program.

On Sunday afternoon we attended the Christmas Workshop at the Lutheran Church in the Provi-

dence community. This was for their community and friends. It was impressive and very helpful at this season of the year.

All sorts of hand-made gifts and goodies of all kinds (candies, cakes, cookies, sweet breads, etc.) were displayed—and served. Candies were being made, Christmas trees made and trimmed, plastic flowers—poisettias in particular were featured—and ever so many other things that would be helpful to the homemaker at this time.

The purpose of this meeting is to put CHRIST back into CHRISTMAS. It was a wonderful thought and a wonderful meeting.

**Broadway News**  
By Mrs. T. E. Thornhill

BROADWAY, Nov. 23—"Happy Thanksgiving to All". Each and everyone of us have so much to be thankful for.

Once Thanksgiving is over, Christmas is not far away. So many things going on during the holiday season. Let's all be extra careful with our driving. Let's not turn happy holidays into sorry days, with our carelessness.

Mrs. J. C. McCracken attended funeral services in Fort Worth the end of last week for Mr. Darwin, father of Jim Myrdarwin. Mrs. Jimmy Darwin is the former Mary McCracken.

Only three ladies from our club were able to attend the Thanksgiving dinner and program of the Lighthouse Electric Kitchen in Floydada Thursday of last week. Those attending were Mrs. Bill McCray, Mrs. Kenneth Havens and Mrs. R. C. Ratheal.

The December meeting of our club will meet with your reporter as hostess. Everyone is welcome to come and enjoy the fellowship of the Christmas party.

Drive down the country roads one of these pretty days and see how many women are hauling cotton to the gins. Some are always getting a first tire, running a wheel off the trailers etc. Such busy times but, how much we enjoy helping with the harvest both summer and fall.

Mrs. M. R. Givens was a Thursday morning visitor of Mrs. J. C. McCracken and Mrs. Clara Dean.

Melonie and Cindy McCray, daughters of Mr. and Mrs. Bill McCray are on the sick list at this time.

Mr. and Mrs. D. D. Thornhill and Mr. and Mrs. M. R. Givens and sons were among those visiting Conda Starratt in the Crosbyton Hospital Sunday. We wish Conda a speedy recovery.

C. W. Hash spent some time the latter part of the week in the hospital. It was reported he was able to go home Sunday afternoon. We hope he continues to improve.

L. R. Rainbolt spent Sunday in the T. E. Thornhill home. Also visiting Sunday afternoon were Mr. and Mrs. Ben Beckham.

Mr. and Mrs. Jerry Thompson and children, Monica, Rodney and Bradley of Boulder, Colo., visited last week in the Ben Beckham home. Saturday they all visited in the Calvin Beckham home in Lubbock. Also visiting Mr. and Mrs. Calvin Beckham Saturday were Mr. and Mrs. Jerry Adams of Muleshoe.

We were happy to see so many visitors in our church services Sunday morning. Visiting were Mr. and Mrs. Belt and son of Amarillo, sister of Rev. White, Mr. and Mrs. James Berry and baby of Lubbock, who were visiting his parents, Mr. and Mrs. Cecil Berry, Mr. and Mrs. Waldo Havens of Kalgary, daughter of Mr. and Mrs. H. L. Morris, Mr. and Mrs. A. L. Ratheal and Max of Crosbyton and their daughter, Mrs. Arnon Proctor of Lubbock, Mrs. Moore and Debbie Edinburg, who were visiting their grandparents, Mr. and Mrs. Ola Moore.

There will be a Thanksgiving program with refreshments and a social hour following at the church Wednesday night. Everyone is invited.

Mr. and Mrs. Hoyt McClure, their sons and families, Mr. and Mrs. Ronald McClure, Rhonda and Brenda and Mr. and Mrs. Duane McClure and Rheta enjoyed their Thanksgiving dinner Sunday in the Hoyt McClure home.

**Inept Quintet Violate Rules Get In Dutch**

An inept quintet of magazine salesmen in Floydada last week failed to observe at least three of the cardinal principles of good salesmanship and thereby not only got three of them into the coils of the law but the two others found it expedient to hurry out of town ahead of the minions of the law.

It all happened Wednesday. They forgot:

(1) that cities and towns usually require a door to door salesman to get a permit from the city secretary;

(2) It always pays to speak respectfully; and

(3) To take advantage of a customer and change the face value of a check is inviting trouble on the double run.

The story of it also has a lesson for the housewife, who should ask to see the salesman's permit from the city to solicit door to door. There are many honest door to door sales people, none of whom will be offended when asked to see their permit, officials point out.

But to get on with the story. The city police and the sheriff's department were alerted by housewives to the happenings in the south Floydada neighborhood. Soon three salesmen had been apprehended. Several housewives had been spoken to rudely, and one elderly lady, unable to see well, had the face value of a check changed.

The three picked up, two young men and a woman, were identified as Kenneth C. Runion of New York, Dennis L. McClothern of Seattle, and Lynn McDonough of Minnesota. McClothern was fined on for using abusive language, the woman for fraud, and three for working without permits. Fines were paid and the trio released Thursday.

Two of the quintet got out of

Floyd County Hesperian, Floydada, Tex., Thursday, Nov. 26, 1959

town without being apprehended. The fraud charge against the girl resulted when she made out a check for the housewife with failing eyesight in the amount of \$20 instead of \$2, as the cost of a magazine subscription.

Magazines being sold by the group were all well-known, a fact calculated to allay suspicions.

It was not learned how much of the town had been covered before the officers got on the trail.

**Floydada Boy Gets 5 Years At Plainview**

Clarence Breedlove Jr., Floydada negro, was found guilty on a charge of murder in 64th District Court last week in Plainview, and sentenced to five years in the penitentiary. Breedlove was charged with the fatal shooting of another Floydada negro, Cleat Wideman Jr., at a Hale Center nightspot in September.

Breedlove was apprehended at his Floydada home by the local sheriff's department, the morning following the altercation. Breedlove had been free on bond prior to the trial.

He was defended by Gene Owen, Plainview lawyer, appointed by the court when the defendant could not provide funds for his defense.

**HOW MUCH SHALL I SAY?**

In a classified ad say as much as is necessary to completely describe what you are offering of goods or services, little more. Be brief, concise, complete. Tell all you would like to know if you were the prospect.

Facts are what count in a classified ad. Superlatives are to be avoided. Readers of classified pages are looking for something. If you have it and your copy adequately describes it, leaves no question in prospect's mind, you will get action... a sale if terms are right.

A buyer looking for something in classified pages will read most of the ads to find it. The judicious use of display type, a little white space at top and bottom, the boxed ad—as in display ads on these pages—command attention, adding to the pulling power.

Say what is essential in your ad; use display space where competitive advertising dictates the need.

anyone could do," said Dahn. "Fortunately, there weren't any pedestrians in the way."

Williams and Meacham estimated the accident caused \$1,500 property damage.

Traffic Sgt. Dan Black said, "Mr. Howard showed no signs of injury. It is our belief he died before the accident."

James W. Howard, 67, who died while operating a Pueblo Transportation Co. bus Wednesday, had an excellent driving record, reports Howard Emmons, general manager of the bus firm.

"According to our records, Mr. Howard had an accident-free record with the bus company," said Emmons.

Mr. Howard became a street car operator Jan. 31, 1919 and took over as bus driver when the public transportation system was converted to buses 10 years ago.

Emmons said his company carries liability insurance. The firm last person to talk to the driver

"I had been shopping downtown and was at Fourth and Main at about 9:30 waiting for the Irving Place Bus," she said.

"When it arrived, two persons got off. I was the only person on board the bus. I handed the driver a quarter and he gave me change," she said.

"Lady, I'm awfully sick," she quoted Mr. Howard as saying. His hand was across his chest. "I'm having a heart attack. I'll give you a transfer. I'll try to make it back (to the garage)," Mrs. Stanton said he appeared ill. She was given the transfer and got off the bus.

"The bus was empty. I saw him drive to Fifth and Main and turn left at the post office," she said. "Later I heard about the accident."

Mr. and Mrs. Orland Howard of Daugherty, reached home Sunday night from Pueblo, after attending the funeral of Mr. Howard's brother, The Seaton Howards of Petersburg also returned home over the week-end, and W. M. Day of Ralls and Mrs. O. E. Murry of Floydada.

## Golden Circle S. S. Class Meeting Held

The Golden Circle Sunday School Class of the First Baptist Church met in the home of Mrs. E. F. Stovall for their monthly business and social meeting this week, enjoying a covered dish luncheon at the noon hour.

Mrs. Joe Wilson opened the meeting with prayer, followed by the devotional given by Mrs. J. A. Hartsell. Roll call was answered with a favorite scripture quotation of Thanksgiving.

Mrs. W. C. Sims gave a talk on the life of Jacob after which a short business session was held. The meeting was closed with prayer by Mrs. Pearl Fagan. Twelve members were present.

## Janice Smith, Sophomore Student at Texas Tech, Spent Week-End Here with Her Parents

Mr. and Mrs. Bill Smith and Ronnie Janice plans to spend Thanksgiving holidays in Huntsville with her roommate, Linda Venzey and her parents.

Mayor J. M. Willson Jr., officiated at the ribbon cutting when the doors of the new First National Bank building were opened Sunday afternoon for a stream of well-wishers. He is pictured here, left with E. L. Norman, president of the bank, at the head of the greeting line. (Staff photo).

## FHS Athletes Quick Change To Basketball

Floydada high school lost no time in getting into the basketball season following their loss in football to Denver City.

The boys and girls teams both are being coached this year by Bob Shields and he was due to have taken his charges to Silvertown on Tuesday night for their first outing against the Owls.

Coach Shields was holding little hope for a strong showing in the first game or two because of the long football season and the time required in getting team members to thinking basketball.

The girls have been working out for some time but the coach hardly had time to get the boys registered before the first game. Shields had little comment on prospects for the coming season and said his girl's team is mostly young with several freshmen on the squad which is not long on experience, but which shows fine spirit.

The boys team will have a number of lettermen returning from last year's district championship team. Lost to graduation however was Bill Patterson, six foot three inch tall boy of the team who was usually one of the leading scorers.

Rosters and line-ups will be coming out soon as the coach can see his material under fire.

## Lockney Here Dec. 1

First home game will be with an auto, driven by J. I. Connelley on Tuesday night December 1, with first game starting at 7:00 p. m.

The boys and girls will go to the Olton tournament on Dec. 4, and 6, as the schedule goes. B either jerked him down or he fell in attempting to get out of the way.

Mr. Connelley heard the injured man yell and pulled his car forward after realizing he had struck someone.

Stutts was taken by ambulance to Peoples Hospital where he was treated then taken on Sunday to Amarillo. It was learned here that he was suffering from pulled ligaments in his leg and hip. He is reported in good condition.

## Wesleyan Service Guild Hears Review, Gresham In Review

"I have always felt that anyone who works with the soil naturally comes closer to God", began Mrs. L. F. Gresham when she gave a review of the book, "People, Land and Churches", by Rockwell C. Smith.

The book review was given at the regular meeting of the Wesleyan Service Guild held in the home of Mrs. W. O. Baker Monday evening.

The business session was conducted by the vice president, Mrs. G. L. Bryant.

Those present were Mesdames E. E. Hinson, W. L. Leibfried, G. L. Bryant, J. B. Bishop, J. D. Colville, L. F. Martin, M. L. Solomon, W. E. Kendrick, P. A. Denison, T. J. Hutchins, L. F. Gresham and W. O. Baker.

The next meeting will be a Christmas program given by the W. S. C. S. with the Guild members as guests.

## Mrs. W. R. Jahnke, Mother of Mrs. John Reue, is Resting Comfortably in Methodist Hospital

where she underwent major surgery Monday morning. Mr. Reue was back home Tuesday and reported Mrs. Jahnke stood the operation well, was pretty sick Monday afternoon, but rallying later in the evening.

Rev. and Mrs. Phil Gates will be in Pampa during the holidays visiting their two doctor sons there and their families.

## Floydada Visitors Shaken Up At Dip Monday Afternoon

Mr. and Mrs. Glen Myers, Mrs. Ada DeLozier and Willis DeLozier, all of Berger, were shaken up considerably Monday afternoon in the city limits of Floydada when their car hit a dip too fast. The family were enroute to Floydada to visit the Myers' son and family. Mr. and Mrs. Gene Myers. He is a spray pilot and manager of Jennings Supply.

Mr. Myers said the family came on to Floydada and his mother and grandmother were x-rayed at Peoples Hospital for back injuries. Mrs. DeLozier was in a great deal of pain and was taken back to Berger to be under the care of her own doctor.

Neither of the men, husband and brother of Mrs. Myers, were injured.

The Gene Myers family are new residents of Floydada coming here about a week ago from Berger. The family consists of Gene, his wife, Mickey, and their three children, Joy, Ronnie and Donnie.

## Hunting Accident Happens Before He Gets Out Of Town

Claud Stutts of Floydada is in Veteran's Hospital in Amarillo this week the result of being hit six foot three inch tall boy of Saturday night around 7 o'clock in front of Patterson's Grocery.

Mr. Stutts was to leave shortly coming out soon as the coach can see his material under fire.

Apparently Stutts was directly behind the car as Mr. Connelley started backing up. The wheel 4, and 6, as the schedule goes. B either jerked him down or he fell in attempting to get out of the way.

Mr. Connelley heard the injured man yell and pulled his car forward after realizing he had struck someone.

Stutts was taken by ambulance to Peoples Hospital where he was treated then taken on Sunday to Amarillo. It was learned here that he was suffering from pulled ligaments in his leg and hip. He is reported in good condition.

## Lions And Ladies Have Dinner Party

Approximately 25 couples attended Lions Ladies Night for a program and Thanksgiving dinner Thursday night in the Colonial House to entertain and get acquainted with new members of the Floydada Lions Club.

A bountiful turkey dinner was followed by a program and parlor games under the direction of George Spears and Ed Wester. A. W. Coltharp brought the invocation.

T. L. Holland, Lion boss, presided.

Mr. and Mrs. A. B. Klem, her mother, Mrs. J. E. Laughlin and Mr. and Mrs. Ham Smith Jr. and family were in Tulsa Sunday where they attended the Golden Wedding anniversary of Mr. Keim's sister and her husband, Mr. and Mrs. Dennis Zimmerman.

Mr. and Mrs. Wendell Jordan and family of Tulsa and Mr. and Mrs. Max Jordan and children of Amarillo spent the week-end with their mother, Mrs. Olyve Jordan and attended the formal opening of the First National Bank Sunday.

**EDITORIAL VIEWS AND COMMENT**

**Rumble Of Politics.** By the time the Christmas lights are turned on politics will have begun to make its entry into Floyd County activities. Local candidates are grooming themselves, practicing tossing hats on the state level the same is going on. Politics may not create as big a ripple on the waters this year as in some former years but the waters will be stirred sooner. Before Christmas in fact. Reason, the new election law, which makes a marked change in the political calendar. If a person plans to run for office in Texas on the Democratic ticket in 1960 he must have filed his request with the county chairman not later than the first Monday in February.

**Cranberries For Thanksgiving.** The plight of the man who raises cranberries for a cash crop in the fall is serious. The situation created by the official explosion over cranberries alleged to be dangerous for human consumption, was a seriously damaging blow. Millions of families are scared to have their usual cranberry sauce with the turkey Thanksgiving Day. And it all happened after the grower already had incurred his harvesting and packing expenses. At our house, thank goodness, we'll have cranberries as usual on the Thanksgiving table. Maybe our stomach should scare easily, but that man is away off yonder and we have an idea he could be wrong. A helping and a half of cranberry sauce surely can't start a cancerous growth, we opine. If you note us appearing somewhat droopy in a few days, you'll know. Too much cranberry sauce!

**Bureaucrats Are Feuding?** The Pure Food and Drug Administration is the bureau that caused all the consternation in the cranberry world. Something the cranberries were sprayed with, had dangerous tendencies toward the growth of cancer, the bureau head said. With a nation full of cancer-conscious people that was enough to touch off the panic. But the Department of Agriculture is inclined to minimize the danger, to suggest the Pure Food and Drug Administration may be over-zealous. The two departments have been at loggerheads on a number of points in recent years. The Pure Food and Drug Administration is, as a matter of fact, we hear, getting too big for its britches.

**Retail Sales Are Up.** That Floydada retail business people are alert to the needs and desires of an increasingly larger territory to serve as indicated in the survey of retail sales for last year made public recently. Despite a tendency in some merchandise to specialization and in other types to "generalize" the local business community gets credit for doing a good job. By specialization we mean new types of merchandise that require large stocks of newly-introduced items, and by generalization we mean the widespread stocking of merchandise not ordinarily associated with the type of store one is patronizing.

Floydada is a much better "shoe town" for instance, than it was short years ago. Floydada boasts almost every line of merchandise that a mechanized farming territory could ask for, and it has grown greatly in stature in the fertilizer and synthetics fields, to mention only a few interesting developments.

**Resistance To Taxes.** We have said a number of times there are few who do not have plenty of taxes to pay. When we say that we really mean nobody but has a lot of taxes to pay. This incident to the rumblings already being heard with a prospect of a special session of the legislature, principal object of which, it is assumed, will be to raise more taxes for schools of the state, particularly for a raise in the pay of school teachers. There will be plenty of resistance and considerable name-calling. The sales tax is to be openly espoused by big business and by the AFL-CIO. The hard core of opposition to the sales tax will come from the small business people, who keep busy enough already collecting and reporting and dodging penalties for failure to work for the government.

**We are in sympathy with the opposition to the increase in gasoline tax for any purpose not associated with the highways, be it more pay for school teachers, to balance the federal budget or whatnot. A thing not commonly known is that all the federal tax we pay already is not going to good roads. Indeed of this four cents the part that does go to good roads is "diverted." The rest of it just goes into the maw of a sprawling over-size federal set-up, spending money we do not have in all parts of the world.**

**May Control Screwworms.** A new way to battle screwworms has been discovered by laboratory workers in the south-east. In Florida and parts of Alabama and Georgia one of the cattleman's worst scourges has been eradicated, at least on a temporary basis. The cattleman who is used to riding his herd out daily during the screw worm season to find new-born calves and to doctor other livestock that has suffered cuts, will want to see this before he believes it. It is given out as a definite accomplishment.

If you aspire to the highest place, it is no disgrace to stop at the second, or even the third. — Cicero.

**Choice Of Cotton Programs To Be Offered Again in '60**

In a circular letter to farmers of Floyd County Thomas J. Hutchins office manager of Floyd County ASC, last week-end passed the word to cotton farmers the information that two different programs of allotments and price supports will be available to them again in 1960, assuming that marketing quotas will be approved in the December 15 referendum.

Hutchins says that provided at least two-thirds of the growers approve marketing quotas for the 1960 upland cotton crop, the individual farmers, as in 1959, will be able to choose between the Choice (A) and Choice (B) allotment - and - price - support program. Here is the outline:

Choice (A) will include the "regular" farm allotments and price support on cotton grown in compliance with the (A) allotment at not less than 75 per cent of parity, the exact level to be announced later. Choice (B) will include an allotment which is 40 per cent larger than the "regular" farm allotment, and price support on eligible cotton at not less than 60 per cent of parity.

Farmers will be informed on both allotments for their farms well in advance of the December 15 referendum. If the 1960 crop quota vote is favorable, farm operators will later receive notice of the price support available on their cotton under both choices, and of the deadline by which they must register their election of a Choice (B) allotment at the County ASC Office. If the operator wishes to grow his cotton under Choice (A), no action need be taken. Choice (A) will automatically apply on the farm if the farm operator does not elect Choice (B) before the deadline.

From The Hesperian Nov. 29, 1945

A double funeral was held Sunday afternoon in the First Methodist Church for Mrs. Norvell Willis and little son, both victims of a California collision, which also gravely injured the husband and father. The accident occurred near San Diego, Calif., on Nov. 15. The bodies reached Floydada Sunday after repose in the home of Mrs. Willis' parents, Mr. and Mrs. V. M. Manning at Petersburg. Mrs. Carrick Snodgrass, sister of the victim, and her husband, Mr. and Mrs. N. B. Stansell, left for the scene upon hearing of the tragedy. Mrs. Willis is a sister of Norvell Willis.

L. L. Winfred Newsome, USNR, is due to reach San Francisco on December 1, aboard the giant Carrier Yorktown and soon thereafter will begin processing for separation from the service. This is the news he gave his parents, Mr. and Mrs. J. C. Newsome here, in a letter written from Guam. Now that the war is over, Lt. Newsome, a former county attorney of Floyd County, is anxious to get back into civilian life. His wife and son have been making their home in Oklahoma during his absence.

**Farmers Must Now Keep Records.** Beginning with 1959 every farmer who has work done by a farm labor crew is required by Internal Revenue Service regulations to keep a record of the name, permanent address, and the employer's identification number of each crew leader who furnishes him workers for farm work.

**NOTICE**

All interested persons are advised that the improvement of F. M. 1958 in to the town of Floydada is being planned by the Texas Highway Commission. Preliminary plans showing the proposed work are on file at the office of Samuel A. Fowler, Sr., Resident Engineer, Texas Highway Department, Floydada, Texas. Any interested citizen may request that a public hearing be held concerning such proposed work and the economic effect of such improvement by delivering a written request to the Resident Engineer on or before December 7, 1959.

In the event such a request is received, a public hearing will be scheduled and adequate notice will be given as to its time and place.

# Covered Pump Shaft Is Menace

digger were not covered to prevent such an occurrence. Well, the answer as to "why" may never be evident, however, one thing is certain—the potentially dangerous gears, etc. that particular potato digger are no doubt adequately guarded to day. The regrettable thing is that the safeguards came too late and the cost of delay was too expensive.

Paralleling this incident with the picture here in our own backyard. We have literally thousands of irrigation wells in the southern High Plains of Texas that do not have any form of cover or guard that offers protection from contact with the high speed drive shaft that transmits power to the pump from the engine.

If any model of the may do so by contacting the president, Mr. Lynn Miller.

Mr. H. F. Jackson and Mrs. W. R. Billington gave the demonstrations on "Cake Decorations" for the afternoon and refreshments to Misses C. B. Carmack, Ed Noel, Bill Stringer, H. F. Jackson, Walter Knight, Lynn Miller, Orin Miller and Mrs. Hollis McLain.

Mr. and Mrs. T. C. Hollams and Norma spent Sunday visiting in the home of Mr. and Mrs. Roy Hollams up near Earth.

Mrs. Frankie Rainey was reported on the sick list Sunday. We hope she is up and about soon.

That's probably what a lady who lives in Lubbock thought, until her hair became accidentally entangled in an irrigation pump drive shaft back in 1948.

This particular woman was observing a pumping well on her husband's farm near Anton in Hockley County at the time of the accident. She leaned in to get a better view of the water being pumped from the well. The next thing that she remembered was regaining consciousness in a Lubbock hospital.

The agonizing pain that she felt was caused by the fact that one of her eyebrows and her entire scalp had been ripped from her head by the irrigation well's treacherous drive shaft. For weeks she lay at the brink of death. When finally the ordeal of facing death itself had passed, the months of expensive and painful plastic surgery began.

This is not a fictitious story. It actually happened, and it happened here in the High Plains.

Don't shrug your shoulders and say to yourself that this is a one-chance-in-a-million occurrence. You have children who are looking to you for the proper action in this matter. Consider their very lives may well depend on your decision. Consider also the adult friends who come by your well to watch and visit. Their safety too may depend upon the decision you make.

Today, put a protecting guard on every irrigation well drive shaft that is exposed on your farm. This might well be one of the wisest things that you will ever have an opportunity to do.

The Water District asks you to think carefully about this matter—then act.

Probably the principal reason can be traced back to our old friend "complacency." He can be a bitter foe. We simply cannot feature tragic things happening to us. Oh, sure, these things occur every day, but always to someone else.

That's probably what a lady who lives in Lubbock thought, until her hair became accidentally entangled in an irrigation pump drive shaft back in 1948.

This particular woman was observing a pumping well on her husband's farm near Anton in Hockley County at the time of the accident. She leaned in to get a better view of the water being pumped from the well. The next thing that she remembered was regaining consciousness in a Lubbock hospital.

her condition was only fair Monday. Mrs. Watkins was injured in a car wreck about four weeks ago and had been recovering from a broken pelvis and lactationally dangerous gears, etc. that particular potato digger are no doubt adequately guarded to day. The regrettable thing is that the safeguards came too late and the cost of delay was too expensive.

Paralleling this incident with the picture here in our own backyard. We have literally thousands of irrigation wells in the southern High Plains of Texas that do not have any form of cover or guard that offers protection from contact with the high speed drive shaft that transmits power to the pump from the engine.

Probably the principal reason can be traced back to our old friend "complacency." He can be a bitter foe. We simply cannot feature tragic things happening to us. Oh, sure, these things occur every day, but always to someone else.
