FERTILIZATION

Many people have asked questions about the use of liquid and dry fertilizers. Research shows that there is no difference in source of fertilizer if both are applied at the same rates of nitrogen and phosphorus.

In hardland soils such as the type we have in Floyd County fertilizer can be applied most anytime before planting and it will be available for our coming crop.

SOIL FERTILITY DAY

The annual Floyd County Soil Fertility Day program is well along in the planning stage. The date will be Friday, February 19 in Lockney.

The program committee consists of Horton Howell, Hershel Carthel, Lockney, J. K. West, South Plains, Fred Jackson, Floydada and Earl Edwards, Jr. Lakeview.

We hope each of you will mark your calendar for February 19 and plan to attend.

Surgery Repairs Hunting Wound Of A. K. Terrell

A. K. Terrell, 41, of Amarillo, who was seriously injured in a deer hunting accident in early November of last year, underwent major surgery in Northwest Texas Hospital last Thursday morning to have a damaged kidney removed and other internal repair work done.

The former Floydada man was shot through the lower portion of his back and the shot came out through his stomach.

The accident occurred on Nov. 7, when he and his son and one other companion were hunting in the Cimmaron River area 53 miles from Clayton, N. Mex. Where the stray bullet came from was never learned. But it was said the region was heavily populated with hunters at the time of the accident.

Terrell is the son of Mr. and Mrs. J. T. Terrell.

Hollums Names Amburn Deputy

Decision of Fred A. Cardinal to offer for public office occasioned a vacancy in the ranks of the sheriff's department which Sheriff Hollums has filled this week by the appointment of Foster Amburn as deputy sheriff.

Amburn, who has spent 32 yrs. in the county, was reared on the farm. His assignments have included the management of four years. 10 years with Producers Cooperative Elevator.

Operation Plane Lift. When Mrs. Cecil Baxter looked up from preparation of the family dinner Friday noon to answer a knock on the door it was a considerable surprise to see eight men in military uniform in her backyard.

Bulldogs Win From Post to Give Whirlwinds Chance At District

Floydada High School boys winning the remaining schedule action and his return to the club team hacked into a first place game.

With the wind-up of the basketball season little more than a week away the Whirlwind boys and girls teams of Coach Bob Shields face a do or die task of winning the remaining schedule action.

Motor Vehicle Tags On Sale

Officials of the Texas Highway Department this week estimated that motor vehicle registrations in Texas for 1960 will approach the five million mark. Last year 4.7 million vehicles were registered.

New license plates went on sale in all counties of the state Monday morning, with a deadline of midnight, April 1.

The new plates have white letters on a black background.

The vehicle owner should take his certificate of title and his last year's registration receipt with him when he goes to the tax collector's office to get new plates.

Right when Rev. DeWitt Seago had his plans matured to leave for the 25th annual Ministers Week at the campus of Southern Methodist University, he had company.

WTCC Favors General Sales Tax In Texas

Fred Husbands, executive vice president and manager of West Texas Chamber of Commerce told an assembly of Rotarians and local officials last Wednesday noon that the regional organization has come to the conclusion that a general sales tax is the only answer to the perplexing problem of the state's finances.

The state's predicted growth is going to add \$60 to \$65 million a year to the funds that will be needed to finance state operations, which means we will have to come up with some kind of new taxes every biennium unless we adopt a tax that will grow with the population.

In his belief a general retail sales tax program is the only final answer.

He added as a patent fact that the state has tapped about every source of income and is at the end of the rope so far as getting more out of natural resources, in the face of curtailed operations of oil and gas concerns.

He added as a patent fact that the state has tapped about every source of income and is at the end of the rope so far as getting more out of natural resources, in the face of curtailed operations of oil and gas concerns.

The Tuesday morning breakfasts of West Texas people with legislators in Austin during the session of the 56th legislature he saw as adding greatly to the knowledge of the problems of the state. These breakfasts he said, also added to the mutual understanding between the people and the legislators.

Several of the city, county and school officials as well as other local business people, were invited guests to hear Mr. Husbands.

Buck Hickerson Announces For Commissioner

This is to announce my candidacy for election as Commissioner of Precinct 1, Floyd County. I have lived in the county and precinct for a number of years and feel that the people of the precinct know me and for what I will attempt to see every one in the precinct before election time to discuss my qualifications for this office.

Childress Fire Destroys Home Of Horace Owen

While Horace T. Owen is gravely ill with a heart condition in the hospital at Childress his family is wrestling with the problem of their home burning last Thursday night and with it most of the clothing and family household effects.

Mr. Owen is too sick to be told of the sudden turn of domestic events the family fears.

A sister, Mrs. Eula Thurmon, who went down last week to be with the family during her brother's illness, also lost all the effects she carried with her, in the fire.

Owen, who was reared here, is a retired employee of the Fort Worth & Denver Railway.

Announcements Add Two New Candidates

The county Democratic ticket set by the new election law will be for the primary in May. Monday, Feb. 8. He is calling for competitive interest added the committee to meet at 7:30 p.m. Monday in the district office of County Assessor-Collector of Texas and Buck Hickerson.

Following a check-up on polls paid and exemption certificates issued at the assessor-collector's office Monday, The Hesperian estimated the county's voting strength for 1960 at 3,482.

Officially the state ticket will not be made up and certified to the county committees until March 14 when the state committee is required to have its meeting. Unofficially, however, it is indicated there will be opposition in the races for governor, lieutenant governor, attorney general and associate justice of the Court of Criminal Appeals.

Jack Cox, of Eastland County will oppose Governor Price Daniel, Donald Yarbrough of Houston, (no kin to the senator) will attempt to unseat veteran lieutenant governor Ben Ramsey, Waggoner Carr for attorney general and Jim D. Bowser will be a candidate opposing Judge Lloyd for associate justice of the Court of Criminal Appeals.

The pipeline company's petition also alleges the board of equalization was not legally appointed or sworn in, and contends that "no valid assessment has been made against the plaintiff for 1959."

Records of the district show the pipeline service company's assessed valuation at \$326,280 and the tax levied at \$4,894.20.

Mrs. Bennie S. Leibfried, school tax collector, said the check for the lesser amount of \$2,913.45 was tendered Friday and refused.

The difference between the amount the district has the pipeline assessed at and the amount the pipeline company contends is fair is \$132,050.

DR. GEO. V. SMITH HAS BRIEF BOUT WITH FLU

Center News

By Mrs. J. E. Green

Center, Feb. 1. - Here it is First Monday again and Feb. 1. It came in like a lamb, so remember how it is supposed to go out - like a lion.

On Jan. 24, 1960 the light of the Center community, which had burned more or less steadily for forty-three years, flickered and went out.

Center has a glorious past. It has had a good three - teacher school, a Home Demonstration Club of thirty members and a live Baptist church with such people as Mr. and Mrs. W. B. Jordan in the foreground. It has a record of 162 names compiled in the last twenty years. (Previous records are lost.)

Many of our young people grew up to go out and bless the world. They have made good records in colleges and universities. Teachers, musicians, businessmen, farmers, and foreign missionaries have gone out from Center church. Thirty young men from the community were in the Armed Forces in World War II and several more since then.

Center Church has helped train many preachers, who came out from Wayland. We are thankful for these. Now club, school and church are all gone.

Too many people are on a search for the Holy Grail and didn't realize they could see it from home.

We feel it is a grave mistake to let the country churches disband, even a small congregation needs a place to worship. But it takes, cooperatin, friendliness and faithfulness to succeed. Nothing but the works of darkness thrive on neglect or indifference. But we think country churches will come back.

Already in Chicago in congested districts and hot beds of delinquency "people of standards are moving out to the suburbs and outskirts of the city taking their churches with them" (Jan. Ladies Home Journal).

The next best thing for real country people now is a country church on the edge of town. Better for a church to move than disband.

Meanwhile, let us wake up, even if it is late, get into another church and be there whenever possible. Your empty pew is your vote to close your church doors. "Be thou faithful unto

Women's Society Has Luncheon And Initiation

Gamma Iota Chapter of the Delta Kappa Gamma, international honorary society for women in education, gathered at the Hilton Hotel in Plainview Saturday for a luncheon and initiation.

Special reports were heard and one of interest was the organization of two new Future Teacher Association chapters.

After initiation services a chorus comprised of Plainview members was heard. Presiding during the session was Mrs. Cecil Whitacre of Plainview, and Mrs. John Sloan gave the invocation. Several talks were given by members and also a symposium was held moderated by Mrs. Leo Nowlin.

A Valentine theme was used for decorations. Carrying out the color red, a bouquet of red roses graced the head table and red candles on red styrofoam hearts were on other luncheon tables. Programs were written in red on Valentines.

Assisting with hostess duties were Mrs. George Springer and Mrs. Fred Stewart of Floydada.

Other members attending the luncheon from Floydada were Mrs. Edna Phillips, Mrs. Homer Guffee, Miss Vera Meredith and Miss Mary Pearl Coward.

Mr. and Mrs. Charles Fulker-son visited in Plainview Friday with his brother, J. E., who is at home convalescing from a heart attack. The ill man looked thinner but is able to be up a while.

On Sunday, Mr. and Mrs. Fulker-son visited in Plainview Friday with his brother, J. E., who is at home convalescing from a heart attack. The ill man looked thinner but is able to be up a while.

Sunday dinner guests in the home of Mr. and Mrs. Fulker-son were her father, Mr. Goen of Floydada and sister, Miss Gladie Goen of Lubbock, a daughter and her husband, Mr. and Mrs. Donald Finkler of Sand Hill. Another sister, Mr. and Mrs. E. W. Thorn-ton were supper guests.

Mr. and Mrs. R. C. Ross went to McCoy Sunday afternoon to visit an uncle and his wife, Mr. and Mrs. Hartsell, who are planning to move away.

COLLAPSIBLE GIANT—This huge, 50,000-gallon collapsible fuel tank for storage of military fuels has been developed by the U. S. Army Engineer Research and Development Laboratories at Fort Belvoir, Virginia. The tank, believed to be the largest of its kind, is fabricated of two-ply nylon cloth coated with synthetic rubber. The empty tank weighs approximately 2700 pounds and can be rolled and packed for transport in a canvas carrying case. Dwarfing the soldier standing alongside, the tank measures 64 feet long by 24 feet wide and stands six feet high when filled to capacity. It was built for the Army by Goodyear Tire and Rubber Company.

# MOD Thursday Night Brings In Over \$900

The annual Mother's March of Dimes proved successful last Thursday night with an official report of \$943.90 taken in during the hour's drive in the residential area of Floydada.

Mrs. Sammy Hale, chairman of the Mother's March said the cordial way they were received in homes on the night of the drive. The cooperation from the donors made the efforts of each worker's appeal worthwhile, the Mothers said.

The total amount in the door-to-door campaign was just a little short of last year's drive. However the same amount if not more will be added to the sum after more donations start coming in from Floydada citizens who could not be reached Thursday night.

Barry Barker, president of the Floyd County March of Dimes, reported the business and professional women of Lockney netted close to \$300 in their door-to-door campaign.

Floydada's business district drive has started. Claude Estes is in charge of the business district workers.

Captains of the Mothers March and their helpers were Mrs. Claude Weathersbee, Mrs. Sam Puckett, Mrs. Johnny Roberts, Mrs. C. C. Whittle, Mrs. Gene Collins Jr., Mrs. Greer Christian and Mrs. Dennis Dempsey.

Mrs. Jimmy Wilson, Mrs. J. T. Hodges Jr., Mrs. DeWitt Seago, Mrs. A. L. Wylie, Mrs. Claude Estes, Mrs. Milton Weems and Mrs. Kenneth Rimmer.

Mrs. Ed Wester, Mrs. Charles Craig, Mrs. Lloyd Cook, Mrs. Gordon Hambricht, Mrs. Doyle Turner, Mrs. David Campbell, and Miss Beth Bells.

Mrs. W. H. Simpson Jr., Mrs. Jack Jordan, Mrs. Neal Bertrand, Mrs. Lon Davis, Mrs. L. D. Simpson, Mrs. Watson Jones.

Mrs. Tommy McIntosh, and Mrs. Woodrow Hill, Mrs. Glen Amburn, Mrs. Tom Snead, Mrs. Bill Hale, Mrs. Jim Tye, Mrs. W. O. Newberry, Mrs. Jim Word, Mrs. Rex Smitherman and Mrs. J. W. ## Lakeview News

LAKEVIEW, Feb. 1 - R. L. Johnson was admitted to Peoples Hospital Monday night with pneumonia. He was placed under oxygen but felt able to rest without it on Tuesday.

Miss Mary Elizabeth Wright entertained six of her friends with a slumber party in her home Friday night.

Mr. and Mrs. Phukie Smith joined their son, Choise in Canyon last Monday and they all went on to Amarillo to attend the Fat Stock Show.

Sue, Rex and Gail Harrison have been home with influenza. Mr. and Mrs. Vernon Wright visited the Warner Johnson family Sunday afternoon.

Mrs. Warner Johnson and daughter, Novis, have been down with the flu. Novis missed school for the first time in five years.

Mr. & Mrs. Willie Bunch went to Midland to visit their daughter, Mrs. James Finley and family. The Finleys' nineteen month old daughter, Suzanne is in the hospital with pneumonia. The Bunches brought little Kristi Finley home with them. They also visited their son, Darryl and his wife in Big Spring.

Howard Gene Bishop and son, Gregg have the flu this week. Mike Bishop stayed in Floydada over the week-end visiting his great grandmother, Mrs. H. M. Thomas, to escape the flu at home.

Norman Schultz of Arlington, Tex., visited the Louis Pyle family from Wednesday until Friday. Mr. and Mrs. Louis Pyle were able to paper and paint two rooms of their house before Mrs. Pyle came down with the flu.

Mrs. Earl Edwards and Mr. Howard Bishop attended the All Cotton Style Show in Lubbock last Tuesday. They reported startling color combinations and beautiful scenery.

Phukie Smith is resting at home with the flu. Mrs. Roy Fawver was hostess to the Home Demonstration Club Thursday. Miss Phyllis Roggenhoff led the discussion on "Posture and Poise", with members analyzing each other's posture, while walking, standing and sitting. A refreshment plate of punch, ham salad sandwiches and cookies was served.

**Newlyweds Honored**  
Mrs. R. L. Johnson attended a wedding shower in honor of her grandson and his bride which was held in Crosbyton Saturday afternoon. Also attending the party for the newlyweds, Mr. and Mrs. Jimmy Wheelless were Mrs. Warner Johnson, Charles Johnson, Gene Johnson and Miss Novis Johnson. The shower was given in the home of Mrs. Jack Hash.

The young couple were married the week before in the Broadway Church of Christ at Lubbock with the parents of the bride and couple in attendance.

They will be at home on a farm near Crosbyton and Jimmy will help his father, Vernon Wheelless farm.

The bride is the former Miss Sharon Warren of Crosbyton. Holt Bishop is a victim of the flu bug. He was visited by Brother Arzell Hyche of Mt. Blanco Monday afternoon. Sunday afternoon visitors were Mr. and Mrs. Gene Brown.

Mr. and Mrs. Earl Bishop visited Mr. and Mrs. Holt Bishop and Mr. and Mrs. Howard Bishop Monday.

Mrs. T. F. Anderson spent the week-end with the Roy Fawvers. They drove to Crosbyton Sunday afternoon.

Mr. and Mrs. L. D. Golightly were visited by Mr. and Mrs. Roy Fawver and Mrs. Anderson Sunday night.

Mr. and Mrs. L. J. Wilks are busy making plans for their trip to Florida. They plan to visit their son, Floyd and family in Vero Beach.

Mr. and Mrs. Houston Adkins of Thalia visited Mr. and Mrs. Louis Pyle Friday. They were taking their daughter, Miss Roxann to WTSAC in Canyon.

**Senior Class Honored**  
Miss Scarlett Smith attended a banquet in Crosbyton last week. The ladies of the Baptist church honored the senior class with the first of many such parties they will be given this spring.

Scarlett was beautiful in a bright red wool dress designed with the new look back.

Miss Carolyn Hartsell also attended the banquet dressed in a beige and brown silk to set off her pink and white complexion, and brown hair. Her dress featured the big puffed sleeves so feminine and fashionable now.

The Lakeview 4-H Club met Thursday night to work on the yearbook. Miss Roggenhoff showed a film on soil conservation.

Ford, which has sold more station wagons than any other company, today announced the new Falcon station wagon as the latest addition to the economy car field. The two- and four-door station wagons, like the sedans, are powered with the 89-horsepower Falcon engine that gives 50 per cent better mileage than six-cylinder engines in standard sized cars. The Falcon station wagon has the longest cargo space and greatest load floor area in its class, as well as the lowest tailgate floor loading height in the industry.

They will elect new officers at the next meeting.

Mr. and Mrs. Orville Custer were visited by Mr. and Mrs. L. B. Hinkle of Crosbyton Sunday afternoon.

Wednesday Mr. and Mrs. Orville Custer visited his aunt, Mrs. W. J. Rhodes and family in Floydada.

**Library Discussion**  
Mrs. Q. D. Williams and Nancy attended a multi-county library in Ralls Thursday night. Ways team The boys named were Bill and Gilliland who played fullback and guard for the green and white, to the counties using the Book and Don Vickers the team's lead popular and practical idea seems to be to use the Floydada library as headquarters for branch libraries in the towns in the other four counties, similar to the Lockney branch.

A Bookmobile is very expensive and much comment seemed against putting available funds into a truck rather than a permanent library.

Now if only some philanthropical person in each county would donate a few thousand dollars to be matched by the counties, perhaps adults and school children would continue to read as they have this past year. It is an interesting observation that in Lakeview many people have read books from the Bookmobile, who have never even been inside the Floyd County Library. So the Bookmobile was a success in that it reached many new readers.

Miss Sandy Thurston visited Miss Jo Ann Jamison in Floydada Friday night. They joined a group of young people from the City Park Church of Christ for an evening of skating and bowling in Plainview.

Mr. and Mrs. Willie Bunch and Rodney have been attending Bible Conference at the First Baptist Church, Floydada this week.

Larry Hartzell, Larry Rathel and Denny Davis of Crosbyton went rabbit hunting Monday night.

So many in our community have the flu and the ones recovering have the winter-time blues.

From the inviting sales advertised in the newspapers many other people must be resting at home too, and not getting out to shop. With plenty of orange juice and tender steaks and rest, everyone should be up and ready for spring planting, fishing or Easter sewing.

Mrs. Warner Johnson has been quit frame up and has been working at it quite a while now, while recovering from her sickness.

I hope everyone will be feeling much better next week.

**HALF-MINUTE INTERVIEWS**  
W. C. McCallough: "I have lived in Texas 45 years but I was born on Lookout Mountain."

Mr. and Mrs. Carl Jarrett are home after spending three weeks in California on a winter vacation sight-seeing and visiting long time friends. The couple returned home last mid-week.

Mr. and Mrs. Layton Dorrell and daughter of Lubbock were in the city over the week-end visiting her parents, Mr. and Mrs. Oliver Allen, and a sister of Mr. Dorrell, Mrs. Glenn Jarnagin and family.

Billy Henry of Abilene, was in Floydada Friday going to Mata-dor on business. He visited briefly in Floydada with his mother, Mrs. R. E. Fry.

Mr. and Mrs. John Stoker of Lubbock were over during the week-end visiting Mrs. Floyd Ballard, Mrs. Stoker's mother.

Mr. and Mrs. I. T. Graves were in Stephenville recently where they were house guests of his parents, Mr. and Mrs. W. T. Graves.

Mr. and Mrs. Sherman Irwin and daughters of Lubbock were week-end visitors in Floydada.

Lots of people play dumb. Unfortunately too many aren't playing a film on soil conservation.

## More Honors Come To 2 Whirlwinds

Two Floydada Whirlwinds received additional honors this week when they were named the Wigwam Wisemen of America to their All-America prep team. The boys named were Bill Gilliland who played fullback and guard for the green and white, and Don Vickers the team's lead.

Both boys were listed on the honorable mention of backs and both are invited to participate in an all-star game scheduled to be played in Baton Rouge next August.

Only one Texan made the first unit and that was Jerry Rhom of Dallas.

Gilliland and Vickers are believed to be the only Whirlwinds named to the All-America squad since Adrain Helms made the team in 1952 being named to the first team, as half-back.

## Mt. Blanco News

By Mrs. J. W. McClure  
MT. BLANCO, Feb. 1 — There is quite a bit of illness in our community. Influenza and other viruses including the common cold, which if neglected will turn into flu. As your correspondents found out, it can be a bad thing. After a person is already run down from a two or three week cold, my advice NOW is, at the first sign of a cold get busy! If you aren't sure what to take call your doctor.

Others known to be ill in the community at this time are David Latta, we understand he is quite ill, also Bruce Denson, Holt Bishop, Mrs. Frank Moore, Phukie Smith and probably others. We aren't doing much calling since it is difficult to talk, but we hope everyone will soon be well again.

Frank Knox Moore, who attended WTSAC at Canyon last semester has transferred to Sul Ross College at Alpine and has begun classes there. Frank Knox was awarded a football scholarship at Sul Ross and will begin spring training this month.

Mr. and Mrs. B. C. Denson and Bruce visited relatives in Amarillo Sunday.

Mrs. Pat Brown returned home from the Crosbyton Hospital after recent surgery and is recuperating nicely.

Mr. and Mrs. E. H. Brown visited Mr. and Mrs. Holt Bishop Saturday afternoon.

Brother Arzell Hyche visited in the home of Mr. and Mrs. E. H. Brown Friday afternoon.

Mrs. John Fletcher has been spending some time at Hale Center with her mother, Mrs. A. B. Davis, who is critically ill in a hospital there.

Mr. and Mrs. Jerry McClure of Lubbock spent Saturday and Sunday with his parents, Mr. and Mrs. Weldon McClure.

Jerry is working on his Master's Degree at Texas Tech. He is teaching Freshmen Agronomy and Sophomore Soils courses at the college. Frances is employed as clerk-typist at Airec Air Force Base and is enrolled in evening classes at Tech.

The club Sweetheart banquet has been set for Friday night, Feb. 12 at Rogers' Restaurant in Floydada. All members and former members and their husbands are invited. Plates will be \$1.25 each. For reservations get in touch with Mrs. Frank Moore or Mrs. Weldon McClure. A good time is planned for everyone.

(Intended for Week of Jan. 28, Issue)

MT. BLANCO, Jan. 25 — After so many cloudy, cold days the sun really has felt good the past day or so, although the ground is still too wet to sow barley plow etc. Several farmers tried Monday but gave up after only a few feet ventured into the field.

In another day or so of sunshine everyone will be busy once more. Mrs. Edmund Brown is in the

Crosbyton Hospital recuperating from recent surgery and is reported to be doing satisfactorily at this time.

Mr. and Mrs. Bobby Taylor and children of Lubbock spent Sunday with her parents, Mr. and Mrs. B. P. Denson and Bruce.

Janie Allen was a Friday over-night guest of Ginger Ellison in Crosbyton.

Mr. and Mrs. Anthony Latta and children visited in Lubbock Monday.

Brother and Mrs. Arzell Hyche and children visited friends in Midland and also visited his parents in Odessa Friday night and Saturday.

Mr. and Mrs. S. G. Appling visited in Tulia Wednesday with their daughter, Mrs. Gene Miller and family.

Mr. and Mrs. C. G. Fleming visited in the home of Mr. and Mrs. Alvie Rathel in Crosbyton Friday night.

Little Debra Moses of Crosbyton spent Sunday with her grandparents, Mr. and Mrs. C. F. Flemmins. The trio visited Debra's great grandmother, Mrs. C. H. Moore in Crosbyton Sunday afternoon.

Sunday afternoon visitors of the Bobby Kendrick family were Mr. and Mrs. Joe Laurie and sons of Crosbyton, Mr. and Mrs. Dewey Wells and Mr. and Mrs. Frank Hays all of Ralls.

Mr. and Mrs. Brice Allen and Susan were Lubbock visitors Wednesday.

Mr. and Mrs. Al Galloway and Dana of Floydada visited in the home of Mr. and Mrs. Frank Moore Saturday.

Frank Knox Moore was a Sunday dinner guest of Judy Kay Smithee in Crosbyton.

Mr. and Mrs. Weldon McClure were Saturday dinner guests of Mr. and Mrs. Dennis Taylor in Crosbyton. Others present were Mrs. C. A. McClure and Mr. and Mrs. Robert Moss and Jerry of Memphis, Tex. Mrs. Brice Allen and daughters were afternoon visitors.

Brother Arzell Hyche and Weldon McClure attended the Pastor's and Layman's conference at 6:30 a.m. Friday of Wayland College in Plainview Monday night.

Brother and Mrs. Hyche and children visited in the Weldon McClure home Friday afternoon.

Mrs. Jim Pegram and Mrs. Kim of Boys' Ranch were visitors in the Sunday morning services at church with her parents, Mr. and Mrs. Holt Bishop.

Mr. and Mrs. E. H. Brown are keeping Rex and Scott Brown, while their mother is in the hospital.

Mrs. A. E. Guthrie returned home Friday after visiting downtown, and going through the clinic at Temple. She was accompanied as far as Abilene by Mrs. E. F. Stavall, who remained there to visit her daughter, Mrs. Hart Shoemaker and family.

Mrs. Guthrie was met in Temple by her son, Carroll, who also had a check up in the clinic at Scott & White. After leaving Peoples Hospital this week Mr. and Mrs. Guthrie are home on overnight guests, dislocated hip, a broken ankle and numerous lacerations.

Funeral rites for the deceased before returning to Floydada, were held Sunday in the First

## Injury Proves Fatal to Alex Shipley Friday

A retired rancher and banker of Clovis, N. Mex., who was reared in Floyd County and left here when a young man, died in the Methodists Hospital at Lubbock at 6:30 a.m. Friday of injuries seven miles south of Floydada at the Ralls and Petersburg intersection.

Alex Shipley son of Angelina Stanfield Shipley and William A. Shipley, early Floyd County settler, would have been 83 in May. He was a rancher in the Texico and the Clovis area. He established the first bank in Clovis.

Mr. Shipley was the brother of the late Dan D. Shipley, and is an uncle of John of Floydada. Parker of Corpus Christi, and Frank Shipley of Clovis, N. Mex. He is also survived by his wife of Clovis, and one sister, Mrs. W. P. Fullingim, formerly of Lorenz, now in a rest home near Corpus Christi.

The accident which proved fatal to Mr. Shipley occurred Tuesday as he and his driver were enroute to Fort Worth. Mr. Shipley always made the trip there through Floydada.

Raymond Hutton, driver of the 1958 cadillac, was released from Peoples Hospital this week. Mr. Shipley sustained two broken where they were overnight guests. dislocated hip, a broken of Dr. Aubrey Guthrie and fam-

and numerous lacerations. Funeral rites for the deceased were held Sunday in the First

**VISITS TEMPLE, HOUSTON**  
Mrs. A. E. Guthrie returned home Friday after visiting downtown, and going through the clinic at Temple. She was accompanied as far as Abilene by Mrs. E. F. Stavall, who remained there to visit her daughter, Mrs. Hart Shoemaker and family.

Mrs. Guthrie was met in Temple by her son, Carroll, who also had a check up in the clinic at Scott & White. After leaving Peoples Hospital this week Mr. and Mrs. Guthrie are home on overnight guests, dislocated hip, a broken ankle and numerous lacerations.

Funeral rites for the deceased before returning to Floydada, were held Sunday in the First

Baptist Church in Clovis with interment there.

Nowadays men don't talk about women as much as they used to. Most of today's conversation is devoted to overtime and time-and-a-half.

Really now, isn't the most curious thing in the world a woman who isn't?

Have character — don't be one.

Benjamin Franklin once said, "Doing an injury puts you below your enemy; revenging one makes you but even with him; forgiving one sets you above him."

Golfing business men often feel that if they shoot above par they are neglecting their golf, and if they shoot below par they are neglecting their business.

Perseverance indicates a strong will; obstinacy a strong want to sink.

Some workers have "get-up-and-go" when they get up and go home. They're the ones who work with enthusiasm.

Many a housewife has hours a day telling her husband she doesn't have enough to do her housework.

Fellows who drown in drink usually drown in sink.

## If we made Gladiola Flour for Horse Cave, Ky...

we wouldn't have to be so careful

...but we make it for you

We make Gladiola Flour for the state of Texas and our neighbors right next door. We have to make it good enough to satisfy the best home bakers in America.

We've been doing that for 47 years, and women appreciate it. They buy far more Gladiola Flour than any other brand. For the kind of biscuits, cakes and pies they bake, nothing else will do.

Snow-white Gladiola is the one flour good enough for your family, too—even if you came here from Horse Cave, Ky. And it costs only about 1/2¢ a day more than the cheapest brand on the shelf.

## Bake and be Glad—with GLADIOLA FLOUR

The best-selling flour in the Southwest

# STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

Completion of the Highway System, in 1975, may save as many as 100 Texas a year from highway engineers. By that time, said the state highway engineer, the state probably will have 70,000 miles in the state highway system compared to the present 60,000. There will be 5,500 miles of multi-lane highways compared to 2,168 today.

**MORE SPEED?** — Whether speeds in excess of 60 miles per hour should be legalized for some of the state's top-notch highways will be subject of study between now and the next Legislature.

**Committees of the Texas Good Roads Association** are to consider this and whether gasoline taxes should be upped to gain school funds.

Governor Daniel has suggested the possibility for raising money for school improvement and teacher salaries through a higher gasoline tax. TGRA, made up of people interested in road building, has, in the past, opposed draining taxes paid by road users for non-highway purposes.

Higher speed limits have been proposed before for four-lane highways, but have failed to pass the Legislature.

**DEFICIT GROWS** — Deficit in the state's general revenue fund has reached \$78,647,301, an all time high, says State Treasurer Jesse James.

Things should look better after May 1, when corporation franchise taxes will be paid, he adds.

**APPOINTEES** — Appointed by Governor Daniel to the Texas Commission on Educational Standards are Mrs. W. D. DeGrassi of Amarillo, Horace K. Jackson of Gatesville, Reynaldo Garza of Brownsville, Cullum Greene of Fort Worth, and Mrs. E. P. Lambirth of Dallas.

To the Educational Commission, Lt. Gov. Ben Ramsey names Everett Collier of Houston, Joe Anderson of Lufkin, Sens. William Fly of Victoria, Floyd Bradshaw of Weatherford, and Ray Roberts of McKinney.

House Speaker Waggoner Carr designated Mrs. Harry Patterson of Houston, John McKee of Dallas, Reps. C. T. Matthey of Yoakum, Leon Thurman of Anson and Maurice Pipkin of Brownsville, as his appointees to the Educational Commission.

**NEW GAME HEADS** — Frank M. Wood of Wichita Falls has been elected chairman of the Game and Fish Commission to succeed Herb Frenshley of Houston.

New members of the Commission are Carl L. Dupuy of Lufkin, H. A. Walsh of El Paso, J. F. Corley of Houston and W. O. Reed of Dallas.

**BUG DELAYS DECISION** — "Flu Bug," besides felling Texans by the thousands, contributed to a delay in deciding one of the state's most talked about issues, the new Safe Driving Insurance Plan.

With the other two State Insurance Board members ill, Chairman Penn Jackson said it would be at least several days before the board would announce change if any, in the plan.

Board Member Robert W. Strain was in bed with the flu, and Joe P. Biggs, other member, was convalescing from a heart attack.

Under the merit plan, the Board set auto insurance premiums lower for drivers with no record of accidents or traffic violations and proportionately higher for those who have accident and violation records.

Gov. Daniel has said that he hoped the Board would make "some changes" in the plan but declined to elaborate.

Some legislators declare that unless non-accident causing violations and the three-year retroactive features are taken from the plan, it will be so unpopular the Legislature will have to change it if the Board doesn't.

But most Texas insurance men declare that, given a fair chance, the plan will grow in favor with the public. They believe there will be an over-all drop in insurance costs as the driving public learns the relationship between bad driving habits and high insurance premiums.

**ANTI-NARCOTICS AID PROMISED** — Governor Daniel has promised El Paso every possible help in combating its problem of being "a major distribution point of an international narcotics ring."

In response to a telegram in which El Paso Judge Woodrow Bean cited the city's "major problem," the governor conferred with state and federal authorities.

Daniel said he was assured after talking with Col. Homer Garrison Jr., director of the Department of Public Safety, the DPS men were and would continue to work with local law enforcement officials in El Paso in fighting narcotics traffic.

Also, said the governor, he has been told by the Federal Narcotics Commission that eight federal customs agents in El Paso also do anti-narcotic work.

Federal Commissioner H. J. Anslinger promised the governor to survey and consider the request for a special federal narcotics agent in El Paso.

**Lower Train Fares Sought** — Texas Railroad Commission has set a hearing Feb. 9 on a request by Texas railroads to reduce passenger fares between Houston and Dallas and Fort Worth.

Railroads want to reduce the round trip fare from Houston to Dallas from \$13.05 to \$9 and the fare from Houston to Fort Worth from \$14.00 to \$10.

A spokesman for the Railroad Commission said that no opposition was expected from rail companies not making these runs.

## Star Chapter To Entertain With Dinner

Floydada Eastern Star Chapter met Thursday night. Chapter members will meet one more time in the old lodge before convening in their new building sometime in February.

The following invitations were read by the secretary of the lodge: Tonight (Thursday) Feb. 4, Friendship Night at Abernathy, A tea in Lubbock, sponsored by Chapter 76, Saturday night from 7 o'clock until 9:30 in the home of Mr. and Mrs. John Spikes, 3305 40th street, Friendship Night at Hale Center of February 10 with supper following the meeting.

Special invitations are extended to lodge members from the Ralls Chapter No. 169 to attend the Sweetheart Tea honoring Mrs. Josephine Davis on Sunday, Feb. 14 from 3 until 5 p.m. The affair will be held in the home of Mr. and Mrs. Earl Tinnen, 15th and Locust Street.

Sweetwater Chapter No. 332 has extended invitations to the reception there in the Sweetwater Country club honoring Mr. and Mrs. R.O. Fuqua, Mr. Fuqua is Worthy Grand Patron of the Grand Chapter of Texas, Order of the Eastern Star. The reception is set for Sunday, Feb. 14 from 2 until 5 p.m.

Tonight the local chapter is entertaining Masons and their wives of Floydada Lodge No. 712 at a dinner in lodge hall.

Mr. and Mrs. B.A. Robertson and Mr. and Mrs. Gerald Lackey were hosts for the refreshment hour following the meeting.

much good in your new location. Why if any one knows the answer, have many churches quit singing the old songs which gave comfort, peace, hope and courage to many as the years came and went. Tennessee Ernest Ford sings these old songs with such beauty and reverence, it makes me think of women who sang at the washtub, of ones who sang at the churches, at the funerals, and even met in homes to sing the old hymn books almost through.

To my way of thinking we have lost much. "What a Friend We Have in Jesus" "Does Jesus Care? We Know He Cares." "Amazing Grace" "Standing on the Promises" "On Jordan's Stormy Banks I Stand" "Softly and Tenderly Jesus is Calling" "Jesus Lover of My Soul" "The older ones of you will find many of these old songs coming to you in hours of need. You will think of the day you stood with weeping friends and sang "The Unclouded Day." How precious are the memories of these fine old songs, but seems that they have been put away in the closets of memory.

The other day I was deeply troubled and like a sweet summer wind laden with the fragrance of wild plum blossoms, these words came to me of the old song, "Just when I need Him most, Jesus is near to comfort and cheer. Just when I need Him most" And "Sweet Hour of Prayer" — Pass Me Not, O Gentle Saviour."

Maybe I better hurry along and leave you with your memories. I will try to come every week.

Harlon Day is in Peoples Hospital where he is receiving treatment for flu. He was reported resting better this mid-week.

### Mrs. Drysdale's Sister Succumbs

Funeral services for Mrs. R. B. Lytle, 56, of Glendale, Calif., were held last Thursday in the Little Church of the Flowers in Forest Lawn at Glendale, following her death the previous Monday. Mrs. Lytle had been seriously ill for several months, a sufferer of cancer.

She was the sister of Mrs. Howard Drysdale of Floydada. Other survivors include her husband, one other sister and three brothers.

Mrs. Drysdale visited her sister just before Christmas but was unable to return for the funeral.

### As a Farm Woman Thinks

Nellie Witt Spikes

**HOLLOWED FLANET**  
By Leslie Savage Clark

A little while he walked our world.

Knew vineyards tawny wheat, The paths where lilies of the field Shed fragrance at his feet. The flight of doves, the sparrow's nest.

The fox's hidden den— All earth still holds more loveliness.

Because He shared it then, It has been so long since I have come into your friendly homes, sat in your easy chairs, and visited with you. I am like the little boy who was gone a few days when he ran away from home. He did not know just what to say so he said, "I see you have the same old cat." I hope you have the same love for me and remember me.

It is good to be back. Somehow I kind of let things keep me from writing this column, the space which Mr. Steen has so kindly given me for so many years in his good newspaper.

Maybe Mr. Steen has not made Time Magazine, but the years of time will tell of his earnest endeavors to print a paper, not only to glare out for national recognition, but a paper to help the community he loves, respects, and gives his very best to help. So thanks a million, Mr. Steen for giving me place in which to write my thoughts.

Ralls has lost a good family. We miss friendly Joe Meador and his folks. Just the other day Joe said to me, "Mrs. Spikes, we just have about everything, two children, a girl and a boy, a dog, but best we have God."

May God richly bless you, dear friends, who worked hard to make our town and community a better place in which to live. May you have many friends and do

## Grow a "Dream Vacation" in a cotton field?

It's not fantastic! And here is why:

One prominent Texas farmer used Phillips 66 Ammonia to realize an added net profit of \$4.32 per acre on his cotton, after deducting the cost of ammonia. Just 50 acres of cotton like this means over \$2,000 extra profit... enough to enable a family vacation in some of the world's finest spots.

Ask your Phillips 66 Distributor to help you work out a complete fertilizer program on all your crops.

	Using Phillips Ammonia	Without Ammonia
Fixed Cost Per Acre	\$75	\$75
Ammonia Cost Per Acre	\$5.60	—
Yield Per Acre	847 lbs.	633 lbs.
Net Profit Per Acre	\$156.56	\$102.24
<b>INCREASED PROFIT PER ACRE \$54.32</b>		

\*Cotton at 28¢ lb. Example only. Results vary according to soil fertility, available moisture and cultural practices.

### THE FLOYD COUNTY HESPERIAN

Published by the Hesperian Publishing Co., Inc. at 212 South Main St., Floydada, Texas HOMER STEEN, Editor THURSDAY, FEBRUARY 4, 1960

Member TEXAS PRESS ASSOCIATION

Established 1896 by Claude V. Hall. Entered as second class mail at the post office at Floydada, Texas, April 10, 1907 under the act of Congress of March 3, 1897.

All-Checking-Credit-Check The ADVERTISER'S CHECKING BUREAU

## EDITORIAL VIEWS AND COMMENT

**Another Side To It.** A somewhat vexed reader the other day said there are two sides to the rental business. The Hesperian has been "riding" some of the people who offer houses for rent. As said, we have thought these places should be put into condition for people to live in or not offered for rent. The other side is the story of the renter who tears up, or permits his family to tear up, the rental property he moves into. In some cities the property owner protects himself with a contract and a deposit guaranteeing the condition of the house. The kind that will take care of premises do not mind the owner protecting himself within reason. The other kind could be kept out of the house with few words.

**Cattlemen's Troubles** stem largely from operations of the State Department. Trying to make it good for the sheepmen, cattlemen, sugar men, wheat men, of other countries, our federal government is making all kinds of agreements that are costing the people of our country, in their various lines of endeavor. The flash in the pan in Cuba is most likely to result in a considerably higher sugar price in coming years. Cuba has been our favored off-spring these many years. Other tropical countries which can raise cane are raising Cain because we insist on sitting tight with Cuba, the spoiled child. The U. S. Government controls the sugar raised and the sugar imported into our country—every pound of it.

**Excessive Cattle and beef imports** work to the disadvantage of the American cattleman, who has insisted all along he wants to keep free of entanglements with government subsidies. The imports are used to balance trade accounts with South American nations that need dollar exchange. The cattleman realizes he cannot be free of government subsidies without subjecting himself to possibly ruinous foreign competition. Additionally there is no indication that the cattle industry will succumb to the lure of subsidies. But he could use a little of the sympathetic interest the government is bestowing on the people south of the equator.

**Doesn't Always Pay.** Fertilizer does pay big dividends applied to the right crops at the right times. This has been demonstrated in this county time and again. But fertilizing, willy nilly, is expensive sometimes. A report in the current prints tells of experiments with soybeans. Some way to increase soybean production other than with the currently accepted fertilizers for other crops must be found to make it profitable. High Plains Research Foundation has an interesting report in this connection in the public-prints this week.

**Not Money Wise.** Congressman Wright Patman, who has been in Texas politics for 40 years or more, is one congressman who believes he knows about money. Many of us are not money-wise, do not understand the terms which moneyed people use, do not know why interest goes up and down. So to listen to a man who is as well set in his money beliefs as he is in his religion, is refreshing, to say the least. Congressman Patman beards the money giant in its den. He says the recent increases in the price of money and the swivel the treasury department has worked up over the interest bill for borrowed public funds is all a made situation, designed to make more money for the big bankers and others who are already well situated. The general public is paying the bill, he says. All in the name of heading off inflation. He reflects that what the administration is now doing is almost exactly the same tactics a former Republican administration was following when the roof fell in on the national economy.

**When street paving** is done in Floydada we predict the event is going to uncover some most desirable building locations on the "town section", that will be in demand then but are not now wanted. The paving is also going to make it plain that some of our people have left their houses down-grade into shacks.

**Some residence areas** which are run down are not the victims of external forces which could not be met, but are, instead, run down because of the apathy of the people who live there. Every tumble down home was once bright, shiny and new. It may not have been modern in the sense we now think of being modern, but as new things came along they were not added. The owner neglected his chance to keep abreast of the times.

**Trusting, Friendship, business, democracy** and hash all have a common dependency on a man's faith in his fellow man.

**Clever Little Women.** Nowadays, some wives think they are good cooks if they serve a meal they have thawed out all by themselves.

**Ugh.** More and more women are working, states a report. White man finding Indian no fool.

**Who Wants It?** New cars feature nearly every gadget imaginable. About the only thing missing is a button to push to show when the next payment is due.

## Plant Cotton Allotment, Or Release It, New Requirement

There is an important change in legislation that should be called to the attention of all farmers it is too late to get history credit with cotton allotments. Under a new law, passed at the last session of Congress, if cotton is not regarded as planted under provisions of the Soil Bank Act or the Great Plains Program — A farm must plant 75 per cent of the allotted acres or acreage must be released, at the county ASC office; otherwise the allotment on the farm will be reduced in 1961, says C. B. Spencer, chairman of the Cotton Production Committee of Plains Cotton Growers. A farmer who releases his allotment acres can maintain the cotton allotment history on his farm, provided cotton is planted one out of three years. A new growth application must be filed by February 15. If you don't plan to use all or part of your 1960 cotton allotment

Get the quiet proof of Chevrolet's superior performance on the road—No other car in the low-priced three can match the borne-on-the-wind sensation you get from a ride in the 1960 Chevrolet. But that's not surprising when you consider to what lengths Chevy has gone to provide for your comfort at no extra cost to you. As you drive, count the ways Chevrolet has been thoughtful:  
**Supple Full Coil suspension**—Coil springs at all four wheels melt bumps as no other suspension can. Taking the punch out of rough roads is their only function—they don't have to anchor the rear axle.  
**Butyl rubber body mounts**—Thicker, newly designed body mounts further insulate you from the road.  
**Body by Fisher**—Only Chevy in its field offers the polish and craftsmanship of Body by Fisher.  
**Foam cushioned seats**—Chevy offers foam cushioned seats in both front and rear in all series but one.  
**Safety-Girder frame**—X-built and not merely X-braced, the Safety-Girder frame affords greater rigidity to minimize twisting and squeaks.  
**Hydraulic valve lifters**—Oil lushed hydraulic valve lifters reduce engine noise to a whisper.  
**Cushioned steering shaft**—A universal joint and cushioned coupling keep those annoying road tremors from the steering wheel.  
**Precision balanced wheels**—Here again Chevy has concern for your comfort by nating vibration in this vital tire life is longer, too.  
**Easy steering ratio**—Chevy ratio Ball Race steering take work out of steering for you.  
**Superior weight distribution**—Chevy rides better, handles and stops better because the weight is more equally divided tween the front and rear wheels.  
**Wide choice of power train**—Choose from 24 different power combinations to satisfy the itchiest driving foot—more than any other car.

**Big Attendance  
Marks Jehovah's  
Witness Meeting**  
Twenty congregations of Jehovah's Witnesses from parts of three states, Texas, New Mexico, and Oklahoma, climaxed their three-day training program Sunday in Lubbock at the Fair Park Coliseum, attended by 882.  
Clarence Hall, presiding minister of the Plainview congregation, said throughout the assembly emphasis was given to the theme, "Do The Divine Will."  
R. L. Anderson, District Minister of New York, spoke on the subject, "When is God's Will to be Done on Earth?"  
Anderson said though the prayer is frequently expressed, "Thy will be done on earth as it is in heaven," few have taken the trouble to find out what God's will is.  
Raymond H. Smith Circuit Minister for Texas Circuit No. 9, said the purpose of the assembly was to analyze the 20 reporting congregations determine the existing weakness and lay plans for expanding the work at Circuit and National Levels.

**Cumberland Seek  
Replacement Pastor**

### DO TEACHERS RATE RESPECT?

(Guest Editorial by Larry Coltharp)

Do teachers rate respect? "No!" say some, or at least indicate so by their distasteful actions. These students of such extraordinarily poor taste treat our instructors and friends as if they are people to be ignored and insulted rather than heeded. An instruction can be given by the teacher and these students all but laugh in their faces. If you do not believe that some students have such audacity and lack of respect, or cannot comprehend that such audacity exists — look around, listen around, and ask around. What do you think of such a student? Are you one, perhaps? If you have the solution for the abolition of this disgraceful and life-staining evil, discuss it among yourselves and make certain this attitude does not become a part of you.

## UIL Celebrating 50th Birthday

The University Interscholastic League is celebrating its golden anniversary this year. A group of superintendents and principals met at Abilene in 1910 to establish plans for an organization to be known as "The Declamation and Declamation League of Texas Schools." The name was changed to the University Interscholastic League in 1912. Twenty-six out of 23 school league members participated that year, compared to 300 schools from a league membership of 1,097 in 1959. Up until 1916, girls were not allowed to enter any of the events. However, after a girl's team won the state championship in a debate in 1920, they were given a contest of their own. The UIL is the largest organization of its kind in the world. It sponsors contests to a state championship level in the fields of typing, shorthand, essay writing, number sense, slide rule, spelling, journalism, one-act plays, original oration, athletics, and band performances. An increase in participation of these contests means better competition with the result that better performances are necessary to win. The league provides an opportunity for students to seek their own interests, and it rewards talent and intelligence. Journalism is one of the big contests in UIL. There were only 10 contestants to enter the first Smith, 1952, Mary Cogdell White journalism contest; last year there were 300.

In the one-act play division, 495 schools participated in 1959 with a total audience attendance of 49,500. Approximately 4,950 students participated in these plays. The UIL also sponsors all kinds of athletic contests. An estimate of 8,000,000 Texas fans watch these contests each year. Over 30,000 persons witnessed performances of Texas public school bands last year. About 567 bands entered marching contests sponsored by the UIL. One of every two high school students in Texas participated in UIL contests. "Those who don't compete are missing an opportunity that can be found only in Texas."

In the last 50 years, the University Interscholastic League has made a lasting mark on education in Texas and throughout the nation. Floydada High School has been privileged to have many UIL winners in district, regional, and state. These outstanding winners have represented many of the various fields of the University Interscholastic League.

**Speech and Drama Boast Most Wins**

Thomas Wayne Ambrun made the State All Star Cast in 1948. Gene Arwine and Kay Sparks Steen won the Best Actor and Best Actress state award in 1945. Other All-State cast winners are Lonnie Jarrett, 1952; Grover Johnson, 1953; and Bert Grimes, 1951 and 1952.

## THE OBSERVATORY

Have you noticed "the music to get indignation by" coming from the band hall during lunch periods? What has been causing the unnatural odors that float out of the Home Ec room? Juniors are really having a funny time tracing their ancestors for their semester themes. The other day in physics, Melvin Lloyd said that he would pay anyone a dollar if he would drink a beaker full of hydrochloric acid. James Hale, the lucky boy, has a brand new '60 Dodge. Mary Jo Britton has suddenly become black-headed after a rinse on her hair. Another junior girl is engaged. This time it is Linda Goughly. Her toy friend lives in Lubbock. Marjorie Dunavant and Norma Sue Hollum were wearing red recently. They could be seen a long way off. Mrs. Beth Dalton has been wearing her hair in a French roll for the last few days. She looks very pretty. During a study of verbs, one brainy senior asked Miss Sweepston why you couldn't use clumb instead of climbed. She quickly replied, "Because their ain't no such word." Grace Ann Potts is going to school in Lubbock now. The chorus is working on contest songs. Coach Tyler, everyone liked that test you gave in American History, when you were taking Coach Watson's place. Bookkeeping class has dropped down to 19 since the first semester. There used to be 35. Albert, I'm sure every Donna in school liked your song on the Talent Show. Even some of the Sue's, Betty's, Mary's, Judy's, etc., etc., etc. Did you ever notice the resemblance of Jackie Fuqua to Debbie Gillis or Maynard? Rebels with a cause are Darlene Johnson and Addie Adkins. They both possess identical black leather jackets. Jack Fuqua was caught reading a bold, uncensored version of "The Three Bears." (He says it's for speech.) The beatnik craze is catching on! Don Payne was trying to grow a beard last week. But with fruitless effort, he gave up.

## 50 Girls Take P. E.

Fifty girls are enrolled in Physical Education at FHS for the second semester. New exercises are introduced each six weeks to improve body co-ordination and flexibility. Some time has been spent in studying mental health and how to improve body co-ordination this six weeks.

At the present time, the girls are playing soccer. Badminton is next if the nets are repaired. Later this spring the girls will take up baseball.

"The group is especially enjoying the study of mental health, and is also learning what a major problem maintenance of good mental health is in this day and age," said Mrs. Beth Dalton, instructor.

## TSTA Meets Feb. 11

Election of officers for the next year will be the feature of Floyd County Teachers regular business meeting to be held at FHS Feb. 11 at 7 p. m.

Another order of business will be the election of a delegate for District 13. "Freedom of Democracy," a moving picture, will be featured as entertainment.

## One Act Play Contests To Lead Off Spring District II Events

District 3AA one-act plays will get underway on March 25, at 7 p. m. in the Floydada High School Auditorium, says I. T. Graves, Director General.

Four schools (Floydada, Post, Slaton, and Spur) have entered. Proceeds are to be used to assist with the expenses of the meet. If the receipts are not sufficient, each of the schools should share equally the balance that is due.

On Saturday, March 26, the district 3AA one-act plays will get underway on March 25, at 7 p. m. in the Floydada High School Auditorium, says I. T. Graves, Director General.

On Friday, April 1, tennis for all divisions will be held at Slaton beginning at 9 a. m.

Track and field events will be held Friday, April 8. This year the high school and grade school events will begin at 9 a. m. at the Tech track field.

## Outstanding Students of FHS Are Awarded Honorary Titles

Bob Dempsey and Sue Ringsey, Hal Hines, Bill Gilliland, George Farris, Charles Holland, Bill Gilliland, and Sharon Edmiston, Sue Ring, and Mary Dunn, MOST ATHLETIC; Hal Hines and Lois Ann Glover, MOST COURTEOUS; and Price Pritchett and Sharon Edmiston, MOST TALENTED by the student body last week.

Honorary titles were narrowed down to four for the first time. Previously there were eight. The Student Council was asked to select the four titles by the annual staff.

For the third straight year Hal Hines was elected MOST COURTEOUS and the second time Sharon Edmiston, MOST TALENTED. Nominees for MOST LIKELY TO SUCCEED were Bob Dempsey, Bob Dempsey, Sue Ring, and Freida Smith.

MOST COURTEOUS nominees were Hal Hines, Bill Gilliland, Eddie Parks, Lois Ann Glover, Helen Whitfill, Shirley Gregory, Judy Wilson, and Glenda Morgan.

## Sexes' Peeves Are Revealed

Sometimes a student's popularity depends upon the unintentional, rather than the intentional, things that he does. Here are a few pet peeves uncovered by the question, "What do you dislike about girls or boys?"

Glenda Morgan — Most boys think too much about cars.

Sue McClung — Sometimes boys think they are superior to girls.

Norma Sue Hollum — Boys should give more sincere compliments and less flattery.

Judy Randall — Boys take girls for granted.

## Whirlwinds Lose District Lead

The mighty Whirlwind gave their lead in district play to Post Tuesday night, by losing 86 to 66 at Post.

Tuesday's game was the 18th win for the Antelopes. They have only lost one game, to McAdoo in the Holiday Tournament at Lubbock.

The 'Winds, although fighting all the way, didn't give Post any fear or doubt of who would be the winner.

Scotty Pierce won top honors of the night against the 'Winds by scoring 34 points. He was followed by his teammates, Curtis Didway and Forrest Claborn, with 17 points each.

## Jr-Sr-Banquet Date Is April 2

April 2 is the date set for the 1959 Junior-Senior Banquet. The date has not been definitely decided.

Committee chairmen have been appointed to arrange the banquet. The general chairman will be Mr. Larry Orman. Ray Walker is in charge of building arrangement, and daughter, Mrs. Ethel French, and the Wheeler visitors.

Calling in the afternoon were: Bert Griffin, Mrs. W. E. Grimes, Mrs. Ed Griffin, Mrs. Bill Norris, Mrs. Bill Wilks, and Mrs. Norman Muncy and Penny.

## Office 'Girl' Makes Boo-Boo

Faux pau generally describes a blunder or a "goof," and that is exactly the word that describes Ray McDonald's experience as a substituting office girl.

After picking up the absentee lists, Ray returned to the office and asked Mrs. Leonard Matiser where to put them. Without thinking, she replied, "In the box under the counter."

Ray evidently put them in the first box he saw, for the mailman came back to school the next day with the absentee lists that had been placed in the out-going mailbox—instead of the absentee box.

Ray also got off on the wrong foot when he came volitionally slinking into AG IV class (completely unaware that a film was being shown) and tripped over the cord.

Everyone and everything stopped for the cord had been pulled out of the wall, and the "show" simply "could not go on."

Mr. A. E. Baker also reports that he has lost three office girls. Don Garrett, Henry Self, and Ray McDonald. It seems that the Home Ec and Ag classes kept yodeling at them.

## Enrollment Has Decreased With End of First Semester

Present enrollment in FHS is 1,039, ten sophomores, and six 324. At the beginning of the year it was 352. Over a period of 12 weeks the enrollment has decreased 8 per cent.

Fourteen new students enrolled are as follows: Chuck Edwards, Bovina, Ted Allen, Kalls, Donna Cranford, Friendship, Donna Allen, Kalls; Jimmy Franks, Odessa; Joe Fulton, Panhandle; Lou Ann Word, Lockney; Ronnie Fullerton, Irving; Jimmy Fitzgerald, Petersburg; Tony Grubbs, Petersburg; Nita Stout, Amarillo; Mike Wood, Lubbock; Billy Cranford, Friendship; and Carrie Sue Jones, Silverton.

Losses include several students who have either moved or dropped. They are: Elwyn Pierce, Chica Bridges, Joan Reeves, and Donnie Galloway.

## TALA Gets Pins

Six members of the TALA have received pins.

Martha Meek, vice-president, received a pin with a '60 guard. Rilla Sue Duncan, secretary-treasurer, received one with an old fashion quill.

Sally Parks, Frances Parks, Novis Johnson, and Pat Drysdale received just a single pin without guards.

The pins are in the shape of a book, with the words Texas printed on the spine of the book. TALA is printed on the front from the right corner to the left, in a slant.

TALA stands for "Teen-Agers Library Association."

## Barber Attends Ag Convention

H. G. Barber, FHS teacher, recently attended the National Vocational Agriculture Teachers Association Convention in Chicago. Delegates learned about the growth of the Association and what it is doing for the youth of America.

One of Mr. Barber's duties at the convention was to help set up a program of work for Region II which includes Oklahoma, New Mexico, Colorado, Kansas, Louisiana, Arkansas, and Texas.

Members decided to raise dues, to employ a full-time secretary, and to move the office from California to Nebraska. New officers were also elected.

Mr. and Mrs. Barber and Mr. and Mrs. Meischien, of Raymondville, Texas, drove through by car. Barber and Meischien were delegates from Texas.

Chicago was reached by two days of hard driving. The convention lasted eight days. While there the Barbars stayed at the Conrad Hilton, the largest hotel in Chicago.

## 1960 Football Trophy To Be Collected

The new district trophy has arrived. Coach Preston, football coach, presided at the annual meet.

It is in the shape of a gold-plated football, upward slant on a stand. It is regulated by the type generally used in district trophies.

Inscribed on the DISTRICT 3AA CHAMPIONS trophy are the years 1941, 1945, and 1959. Four other districts by the Whirlwinds are 1941, 1945, and 1959. The trophy was won district trophy 1954.

These trophies are the same as those in the near future.

This year's trophy is in the trophy case in the near future.

## Solid Geometry, Texas History 2 New Courses

Two courses, Solid Geometry and Texas History, began this semester.

"We are now studying the Spanish Exploration, which is more or less a background for Texas History," states Mrs. Helen Patterson, instructor. There are 22 enrolled in this elective course, and each will receive one-half credit.

Sometime during this six weeks, the students will be required to construct a project on any period in Texas History. These projects will be graded on historical background.

For the first time in FHS history, nine industrious students will be starting Solid Geometry sometime next week. Mr. John Baker, instructor, says, "The purpose of this course is to acquaint the students with a study of higher mathematics."

Time is that expanse of space between paydays.

A lot of fellows who say what they think don't do enough thinking.

## Boys and Girls Selection Of Ideal Juniors Revealed

After observing several junior girls Kenneth Rimmer decided to put together, piece by piece, an ideal girl.

For a nice foundation, he started with Susie Reue's legs and Glenda Morgan's figure.

After selecting Tiny Copeland's hands, he turned his attention to Beth Scott's lips, Pat Allen's smile, and Mary Dunn's smile. He decided to add these to his collection.

With Verna Pate's athletic ability, he completed his dream of an ideal girl.

Realizing this composition as technically and scientifically impossible, Kenneth selected Shirley Gregory as the best all-around junior girl.

Girls' Choices Not to be Outdated

Not to be out-dated, half of the junior representative to ideal boy.

Beth Scott's Walker's legs are a physique provided for the ideal junior.

David's Hall's hair is a perfect example of her intelligence. Billy Ogdin's hair is a perfect example of her intelligence. Billy Ogdin's hair is a perfect example of her intelligence.

Tommy Ogdin's hair is a perfect example of her intelligence. Tommy Ogdin's hair is a perfect example of her intelligence.

## Watson Has High Personality Rating

Nancy Watson was voted as having the best personality in the shorthand class for the first semester.

Nancy, a Senior, is also in the run-off for band sweetheart this year, and has been a member of FHA and band for the past four years.

Sue Williams, Sandra Wright, Judy Williams, and Judy Wilson followed in rating respectively. The shorthand class is composed entirely of Seniors this year.

Carolyn Dillard was chosen the "Most Improved Personality." Carolyn was assistant drum major this year and has been in the band for four years. Next in line were Martha Meek and Juicy Williams.

The shorthand class takes personality tests often. Students find their weaknesses by being checked by others secretly.

## Classes Pick Favorites In High School

Class favorites were elected for this year on the qualities of good citizenship, character, and school spirit.

Sue McClung and Henry Self were selected by the Senior Class. Junior Class favorites are Lois Ann Glover and Pat Ginn; Sophomore Class favorites are Jan Dempsey and Frank Barrow; and Freshman Class favorites are Marjorie Dunavant and Darryl Lindsey.

Nominees for Senior Class favorites were Sharon Edmiston, Judy Williams, Darlene Johnson, Bill Gilliland, Hal Hines, Kenneth Jones, Larry Irby, Kent Lightfoot, Larry Matiser, Bob Ed Dempsey, George Farris, and Charles Holland.

Nominees for Junior Favorites were Verna Pate, Pat Tucker, Tiny Copeland, Mary Dunn, Pat Allen, Larry Orman, Kenneth Mankins, and Kenneth Rimmer.

Sophomore nominees were Janet Buren, Nita Cope, Barbara Gilly, Carolyn Moore, Rodney Teague, Jerry Powell, Charles Christian, Jay Dycus and Van Stovall.

Freshman nominees were Nancy Campbell, La Juana Rimmer, Marjorie Dunavant, Janice Trapp, Charlotte Caldwell, Tommy Watts, Allan Adams, Jimmy Pritchett, and Fred Thayer.

## Office 'Girl' Makes Boo-Boo

Faux pau generally describes a blunder or a "goof," and that is exactly the word that describes Ray McDonald's experience as a substituting office girl.

After picking up the absentee lists, Ray returned to the office and asked Mrs. Leonard Matiser where to put them. Without thinking, she replied, "In the box under the counter."

Ray evidently put them in the first box he saw, for the mailman came back to school the next day with the absentee lists that had been placed in the out-going mailbox—instead of the absentee box.

Ray also got off on the wrong foot when he came volitionally slinking into AG IV class (completely unaware that a film was being shown) and tripped over the cord.

Everyone and everything stopped for the cord had been pulled out of the wall, and the "show" simply "could not go on."

Mr. A. E. Baker also reports that he has lost three office girls. Don Garrett, Henry Self, and Ray McDonald. It seems that the Home Ec and Ag classes kept yodeling at them.

### Burn And Cancer

It is hardly the time for discussing the effects of sun, but an American Association spokesman pointed out the high rate of skin cancer in Texas farmers and...

Dr. Rothman of the AMA's section in Dallas that six times as high a rate as the northern and...

Ironically, he pointed out, the confirmed sun bather, seeking a tan which has become symbolic of youth, is hastening the aging process and prematurely developing for himself an unattractive, old-looking, wrinkled skin.

But Dr. Rothman holds to the theory that modern man, provided with plenty of nourishment and vitamins, could live in perfect health for many years in a collar without ever seeing the sun.

### Seek Help On New Curtains At Junior Hi

Letters went out last week to parents of Junior High School students asking for funds toward purchasing a new back stage curtain for the Junior High School auditorium.

Principal A. W. Coltharp announced this week that the order for the curtain has been given to the same company that installed the stage equipment at Floydada High School.

The new flame-proof curtains will be of light grey chevron and will be box pleated and chain weighted. Complete with new tracks the curtains will cost approximately \$552.00.

Donations are being asked for by February 15 but will be accepted after that date as well. The curtains are to be installed by working with Mr. Coltharp on the committee are Mrs. Doyle Mount, Mrs. Doyle Moore, Mrs. A. L. Wylie Jr., and Mrs. Alma Holmes and Jim Word.

### Homemaking Hints

By Phyllis Roggendorff, County Home Demonstration Agent

Steam Press Woolen Fabrics: Keep woollens fresh looking by pressing properly. Never press wool dry! To keep the fabric from looking old and smoothed down...

Place the iron on the right side of the material. The hot metal of an iron tends to overheat the soft surface of the cloth, making it brittle.

If the steam iron doesn't give enough steam for pressing heavy materials or shrinking out full-width, place a wet cloth over the material. Put the iron down so that it barely touches the wet cloth, then lift it straight up.

A wool pressing cloth is another useful aid in giving wool a soft look instead of a hard, shiny one. Place the cloth next to the right side of the garment during pressing. The wool cloth spreads the steam and its own soft surface protects the surface of the cloth being pressed.

Do you know what would happen to your property if you died tomorrow? Would the settlement of your financial affairs cause family quarrels or disharmony?

Besides avoiding quarrels and reducing the cost and time for settling financial affairs, a will has other advantages, too. It means that an executor can be named, a guardian designated if necessary, and that your property can be distributed in line with your wishes.

Making a valid will is not difficult, but it must be drawn to comply with the requirements of the law. For example, two witnesses are necessary. They must be more than 14 years of age and should not be beneficiaries.

Important questions and answers concerning wills are discussed in an Extension bulletin "Why Make A Will." Come by the Extension Office or call for a copy.

Can you sew simple garments for yourself or your family? If not, you may be interested in attending the Basic Clothing Workshop to learn how to sew.

The first meeting will be next Monday, February 8, in the Home Demonstration Council room on...

### McStar 4-H Club Changes Officers

The McStar 4-H Club met Jan. 25, with seventeen members and four guests present. An interesting program on "Manners" was given by Craig Edwards, Judy Moses and Mrs. Tom Porter.

Six members of the club are moving to East Texas, so an election of new officers was necessary. Frances Brown was elected secretary-treasurer in place of Betty Wallace. Kenneth O'Neal was elected vice-president in place of Charles Wallace. Taking Frances Brown's place as reporter will be Craig Edwards.

Plans were made for the county camp. A discussion on 4-H the second floor of the courthouse. It will start at 2 p. m. Following workshops will be March 7, 14, and 21.

During these workshops each person participating will make a cotton shirt waist dress. At the first meeting, next Monday, we will be discussing patterns and materials. You need your pencil and note paper.

If you want to learn to sew, be sure to attend these meetings.
