

Public Schools W'k Program Feb. 28-Mar. 4

Date for Texas Annual Public Schools Week has been set this year for the week of February 28 through March 4.

Local committees have been named to assist with the planning of this event in Floyd County Schools. At Dougherty the men named to serve are Bill McNeill, Jimmy Powell, Harve Powell and Henry Hinton, the last named being chairman of the group.

At South Plains H. S. Calahan, Jr., is chairman of the committee and to serve with him are Jack Stansell and Glen Wood.

At Lakeview Fred Jones is chairman and with him were named Louis Pyle and Wayne Russell.

In Floydada Superintendent L. T. Graves is chairman of the committee which also includes W. P. Nicholson, A. W. Coltharp, Henry Barber, Doyle Walls, B. A. Robertson, Tommy Assiter, M. J. McNeill and Kenneth Rimmer.

The big day of the observance will be March 1, in Floydada when open house will be held in the schools and the public will be invited to inspect their school system and see what the students and teachers are doing.

Next week's Hesperian will carry a complete schedule of the Public School Week plans along with dates and hours of the events.

MAKING PLANS FOR THE COMING YEAR are officers elected at the third annual Panhandle Plains Student Council Clinic which met on the Wayland Baptist College campus Feb. 6. They are (left to right) Nancy Schacht, Lockney, vice president; Ray Walker, Floydada, president; and Jane Dorris, Happy, secretary. A record breaking number of student government leaders representing 18 Texas Panhandle high schools were in attendance.

Expect 275 Attendance At Annual C-C Banquet

Floydada Chamber of Commerce and Floyd County Board of Development will hold their annual banquet on Friday night, February 19, starting at 7:00 p. m. The event will be held at the high school cafeteria with catered luncheon ladies in charge of the preparation of the food which will be served by the FHA girls of the school.

C. C. secretary John Rene this week estimated there would be some 275 in attendance at the banquet. Guest speaker will be Melvin T. Munn, a Pampa, Texas, insurance man.

An interesting program has been arranged with Lon Davis, Jr., acting as toastmaster.

The invocation will be given by Rev. DeWitt Seago and retiring president E. A. Williams will introduce C. C. officers.

The Coronaires will bring some musical numbers before the address by the guest speaker.

Miss Shirley Gregory will act as receptionist.

Tickets for the banquet have been on sale for several weeks and can still be secured by calling at the Chamber of Commerce office. The duets are priced at \$2.50 per plate. Menu for the evening meal will include roast beef, green beans, lime jello, baked potatoes with sour cream, tea or coffee and cherry pie.

The board of directors of Floydada Chamber of Commerce for the 1960-61 year are Lon Davis, Jr., president; Dr. Charles Craig, vice-president; Dan Haggood,

MELVIN T. MUNN of Pampa will address Floydada Chamber of Commerce at their annual banquet tomorrow night.

Williams Takes Snyder Work; To Take Leave Soon

Richard Williams, minister of the City Park Church of Christ in Floydada, has accepted the call for work at the Snyder 25th Street Church, and will deliver his sermon at the local church for the last time on Sunday, Feb. 20th.

Mr. Williams has been a minister in Floydada for the past 18 months, coming here from Silverton. He feels it a great opportunity to accept the services at Snyder, although he and his family dislike very much having to leave their many friends they have acquired while here.

Mr. and Mrs. Williams have three children, Kay, who is a student at Abilene Christian College, Lynda, high school student and son, Dickie, who is an 8th grade student in Floydada Junior High.

HENRY STROH - Of Wiggins, Colo., will talk on "How Livestock Fits My Farming Operation" and **ROBERT G. CHERRY** - Of Texas A&M College, has for his subject "Agribusiness and Agricultural Outlook."

Fine Response To Calls For Owner Pledges

Jess Southerland, vice president of First of Texas Corporation, the city's fiscal agents in the paving program, this week said he expects to have 20 to 25 blocks of paving cleared by the first day of March, ready to be released to the paving contractor.

Representatives of the corporation are making daily calls in numbers and a good many property owners are calling at the office on West California St., to make voluntary pledges for the paving, but there are hundreds of names on the list and seeing them takes time.

Property owners all over town are volunteering to sign up, but the campaign has been most intense in the northwest part of the city. Apparently the paving is going to move from the northwest to the southeast. Many property owners, who have been waging a war against muddy streets for sometime, are waiting impatiently for the job to start.

The ratio of voluntary sign up of homesteaded property is about three to one on every block to date. Representatives of First of Texas said this week that the ratio of widows who are signing up is about the same as among other property owners. The cases of hardship are being held in abeyance but will not be permitted to hold up vital links in the paving program.

Some way will have to be found for some of the property owners to join in the program," it was said at the city hall.

School District Has Problem

Among the big holders of property in the area to be paved is the Floydada Independent School District, which, it develops, has the sorting and loading of his livestock.

Robert G. Cherry has a background of farm knowledge which will make his report of the farm outlook an interesting subject.

Cherry is a native of New Waverly, Walker County, Texas. He was reared on a farm and graduated from the local high school. He holds a B. S. degree from Sam Houston State Teachers College, and M. A. from the University of Wyoming and has done graduate work at Colorado State University, and the University of Texas.

The board has to find more than \$32,000 to meet their assessments and were conferring the first of the week with City Engineer James, the Thompson Construction Co., and the First of Texas Corporation to get exact figures so a plan could be mapped out.

The board of education has every reason to want to pave and none expect the matter of finance, not to want to join in.

After their conferences the board came up with the proposal of a bond issue of probably \$40,000, which will meet their assessments and give some money to do additional work demanded on (See PAVING, Page 6)

Lashing Winds Punish Plains

Mrs. J. E. Newton, of Dougherty, has been in Stanley Hospital, Matador, this week, for treatment of severe bruises and abrasions she suffered in one of the many freak accidents in the area incident to the Tuesday storm last week.

The wind which lashed the high plains resulted in one Motley County death and many minor accidents. Many Floyd County people, caught on the highways, had narrow calls in road hazards.

Mrs. Newton was injured when the wind whipped a storm door out of her control and threw her bodily from her backdoor against the family garage, a distance of several feet.

No bones were broken but she is due to remain in the hospital where she was taken following the accident.

Mrs. Allen Leach, of Borger, a daughter, was with her parents a part of last week-end following the accident.

Fishermen Escape Storm

A group of young Floydada men arrived home safely last Friday from Falcon Lake where 18 persons were stranded in the area when sudden squalls hit last week.

The local group were not out on the lake at the time the storm hit but remained at their dwelling through Thursday until the storm subsided.

Nine boats were on the lake when the freak wind struck, lashing the area with rain, sleet, and sleet. Several persons were rescued the following morning on the Mexican side of the lake where they sought shelter for the night in the woods.

A party including husbands and wives of Raile were at the lake during that time. "to get away from the cold wet weather here," they said, only to find it even worse at Falcon Lake. Some of the locals right down to the final buzzer, but a cold shooting streak in the final two minutes killed all hope for the "Winds" as they were called. Measure into sifter: 2 1/2 cups sifted cake flour, 3 teaspoons baking powder, 1 teaspoon salt and 1 cup sugar.

Measure into mixing bowl: 2 eggs, 2 tablespoons shortening. Measure into mixing cup: 1 1/2 cups sugar, 1/2 cup milk.

Have ready: 5 egg whites, beaten to meringue with 1/2 cup sugar. (For meringue, beat egg whites until foamy; add 1/2 cup sugar gradually, beating only until meringue will hold up in soft peaks.)

To Mix: Stir shortening just to soften. Sift in dry ingredients. Add milk and mix until all flour is dampened. Then beat 2 minutes. Add meringue mixture and beat 1 minute longer. (Count only actual beating time.)

Bake in a moderate (350 degree) oven 20 to 25 minutes or until done.

Impulse Buying Is Costly

Do you plan meals ahead and have a shopping list when you go to the grocery store, or do you buy whatever attracts your attention at the moment? Impulse buying can be costly, and here is why:

Buying because the food looks good, is attractively displayed, or suits your appetite at the moment, often rules out such considerations as price, nutritive value, amount needed, family preferences, and left overs of other foods that you already have on hand.

Without a plan it is hard to resist tempting displays. But you can guard against costly impulse buying by planning meals ahead, at least several days and preferably for a week to make best use of foods on hand and to stay within budget bounds.

You will find the shopping list is easy to make after menus are planned. Time spent in planning menus and making a shopping list will save time and money at the grocery store. It also will mean better nutrition and eating satisfaction for family members.

Yeast Breads And Rolls
From reports I am getting, the lessons on "Yeast Breads" that are being given in the Home Demonstration Clubs this month are being well received. This means that the 2 leaders from each club are doing a good job of giving the lesson and evidently turning out some good loaf bread too.

Most clubs are having a luncheon with a "5 layer dinner" for the main dish.

I have a good supply of the bulletin on "Yeast Breads" with lots of bread recipes in it, and also the "Quick Meals" bulletin with the recipe for the 5 layer dinner. If you would like a copy, come by the office or call us and

the Club Elevator, the Upton Grocery and the Parks Oil Company of South Plains are each sponsoring bowling leagues at the Cotton Bowl Laner in Floydada. The Leagues will continue for about 14 weeks.

The Junior Home Demonstration Club members met at the home of Mrs. Marvin Wells for a morning coffee this Monday at 9:30. Plans were discussed for future meetings of the club, with Mrs. Probasco announcing the next meeting at her home. Present for the coffee were Mrs. Don Probasco and Maurv Fred Marble and Mike, Don Marble and Donette, Chester Hidalgo and Mike, Larry McCormick and Becky, and the hostess, Mrs. Wells.

Watch For Moth And Carpet Beetles
Now that we deep our houses warm all year, the pests that can thrive as well in the winter damage wool rugs and carpets in Floydada with their grandparents, the John Smithermans, J. Through cleaning and correct S. Calahan Jr., and Rev. John Gillispie visited the Smithermans Sunday afternoon.

Mr. and Mrs. Doug Meriwether of Lockney celebrated the 2nd birthday of their son, Monty, with a fried chicken supper and white angel cake with two blue candles at their home Friday night. They took colored pictures of the event, and among those who helped Monty celebrate were Mr. and Mrs. Travis Young and Kirt from here, the Joe Taylors and Gregg of Lockney, and the grandparents of the R. E. Youngs of Floydada.

Monday visitors in the home of Mrs. George West were Mrs. Carl McAdams and Mrs. W. R. Smith of Lockney. Mrs. Ivy Schoonvelt and Mrs. S. D. Rose of Floydada visited with her Friday afternoon. This Monday the Wests went to the Methodist Hospital to see their sister and brother, Mr. and Mrs. D. H. Davison of Silverton who are in Lubbock with severe cases of flu.

The Fred Fortenberrys had Sunday dinner with their pastor, Rev. and Mrs. J. W. Read of Sterley.

The James Teagues and baby of Floydada spent Saturday night here with her folks, the L. T. Wood family.

All the Marble children were expensive rugs.

Entomologists advise a 5 percent DDT oil solution on rugs and carpets every 12-18 months, or a 9 by 12 foot rug of average weight, you would need 1 1/2 to 2 quarts of spray. Rug pads of animal hair or wool will need spraying on both sides unless they have been treated previously.

When spraying wall-to-wall carpeting give special attention to edges and parts that have been under a piano, sofa or other heavy furniture.

And Automobiles Take Share of Local Dollar

Hesperian) Restaurant sales are not included. Purchases of automotive equipment and accessories represented another \$3,685,000. Gas filling stations took the remaining \$1,233,000. Combined they represented 57 percent of the year's total retail volume, which came to \$1,367,000, a gain over the \$1,532,000 of the previous year. Such strong consumer spending, so soon after emerging from a depression is attributed to firm confidence on the part of the general public of good times ahead. In general, they reasoned, jobs have been steady and wages moving upward, despite some temporary setbacks. Conditions were about right, therefore, to get some of those big ticket items that they had been putting off buying, even though it meant an increase in their installment debt. Besides, prices would be higher later on, so the thing to do was to buy now. As a result, the SRDS figures show, retail stores in Floyd County had sales that amounted to \$4,442 per local household. This topped the average in the United States as a whole of \$4,047 per household. In the State of Texas it was \$4,163. Of the \$16,367,000 in total retail business locally, the principal part, other than that garnered by food and automotive stores, went for general merchandise: \$555,000, apparel, \$786,000, home furnishings, \$671,000, and drugs, \$518,000.

Lakeview News
 By Mrs. Q. D. Williams
 LAKEVIEW, Feb. 15 — If you have been wanting to see your friends and neighbors, the past few weeks come out to the Tupperware party Friday night at 7:30 o'clock at the Lakeview school. The Home Demonstration club receives a commission on all sales. They will furnish refreshments for everyone. They are invited to bring their dominoes and tables. Mr. and Mrs. Flukie Smith and Scarlett attended a house warming party for Mr. and Mrs. Redwine in Lubbock Sunday. While in Lubbock the Smith family visited Flukie's mother, Mrs. R. B. Smith and his nephew, Bob Smith. Bob Smith took the Flukie Smiths for a flight in his private plane and they saw for themselves just how Lubbock has grown. Several families in our community are planning or hoping for new houses this spring. The Home Demonstration Club met at 1:00 o'clock in the home of Mr. and Mrs. Milton Harrison. Mrs. Earl Edwards made up batches of bread from four different recipes explaining each step as she went along. Mrs. Edwards is famous locally for her delicious homemade bread. She also related several of her special knacks for handling the different kinds of bread dough. Whole wheat, oatmeal, white and raisin loaves, also pecan rolls, hot cross buns and other treats were sampled hot from the oven by club members. At the business session the members voted to give a Tupperware party for the entire family the club receiving all commission from the sales. Letters from their friend in the Abilene State Hospital were discussed. Tentative plans were made for her to visit the community next summer, as she has requested. Joy Ruth is a young patient in her twenties, and her family has dropped contact with her. With the aid of modern medicines she is able to go out and work in private homes. She says, "she regards the ladies and families of the Lakeview Home Demonstration Club as her only family now."

The hostess, Mrs. Harrison served cherry cake, coffee and punch to nine members and several children. Mr. and Mrs. Jerry Bob Harrison and daughter visited Mr. and Mrs. Don Harrison over the week end. Mr. and Mrs. Verlon Wright visited Miss Scarlett Smith last week.

Tom Parrish To Address Brotherhood
 Monday, Feb. 22 at 7:00 p.m. the Brotherhood of First Baptist Church will have as guest speaker Tom Parrish, vice-president and director of development of Wayland College. Mr. Parrish was recently elected president of the District 9, Baptist Brotherhood. Wayland College under the direction of Mr. Parrish is in an expansion program. Mr. Parrish captured national attention a few weeks ago, when his recommendations to the trustees of Wayland to refuse a government loan was passed. Thus Wayland College has become an established leader among the nation's denominational schools in the issue of separation of church and state. Men of the brotherhood view Mr. Parrish as an unusual young man and are inviting the public to hear his address here Monday night. Supper will be served at 7:00 o'clock. The program will begin at 7:30 o'clock.

Sandhill News
 BY Mrs. James Jeffress
 (Intended for week of Feb. 15-21, 1950)
 SAND HILL, Feb. 1 — I guess we might say the Ground Hog did see his shadow, so looks like we might have six more weeks of bad weather. I believe everyone was convinced of this, when the fig. rain and snow moved in Wednesday morning. We should have a good underground season for the coming spring. We need some prices continue on a downward trend. Mrs. Red Sloan is home from Methodist Hospital, where she spent several painful days with a badly broken ankle. She felt on an icy step at her home while doing the family washing. The cast will have to remain on for at least six months. Mrs. W. R. Billington spent Friday in Plainview visiting her parents, Mr. and Mrs. Glenn. Mr. and Mrs. Kirk Slater Jr. and family spent the week-end in Ralls visiting his parents, Mr. and Mrs. Kirk Slater Sr. Mr. and Mrs. Fred Jackson and Richard were guests in the home of Mr. and Mrs. Lynn Miller Saturday night. Mr. and Mrs. Shafe Weaver and family of Silverton spent Saturday visiting in the home of Mr. and Mrs. James Feffress. Mr. and Mrs. T. C. Hollums, Norma and Beverly Jeffress attended Sunday church services at the Calvary Baptist Church in Floydada. After church services they were dinner guests in the home of Mrs. Hollums' brother, Mr. and Mrs. Travis Lightfoot and family. Other guests in the home of Mr. and Mrs. Lightfoot were Mr. and Mrs. Bill Carmack and Rickie of Crosbyton and Mr. and Mrs. C. B. Carmack. Red Sloan, Keighm and Mike were supper guests in the home of Mr. and Mrs. James Jeffress last Thursday night. Miss Billie Gail Holmes was home for a few days last week visiting in the home of her parents, Mr. and Mrs. Jim Holmes. They made a business trip to Lubbock Friday and Billie then returned to El Paso, where she makes her home with her sister.

Tom Parrish to Address Brotherhood
 Monday, Feb. 22 at 7:00 p.m. the Brotherhood of First Baptist Church will have as guest speaker Tom Parrish, vice-president and director of development of Wayland College. Mr. Parrish was recently elected president of the District 9, Baptist Brotherhood. Wayland College under the direction of Mr. Parrish is in an expansion program. Mr. Parrish captured national attention a few weeks ago, when his recommendations to the trustees of Wayland to refuse a government loan was passed. Thus Wayland College has become an established leader among the nation's denominational schools in the issue of separation of church and state. Men of the brotherhood view Mr. Parrish as an unusual young man and are inviting the public to hear his address here Monday night. Supper will be served at 7:00 o'clock. The program will begin at 7:30 o'clock.

Valentine Motif Followed For Garden Club Tea

The Colonial House interior was decorated in red and white, for the Tea given by the Floydada Garden Club Friday afternoon. The Valentine motif was carried for the occasion.

Members and guests were received by Mrs. A. V. Stewart, president of the club, and Mrs. John Hoffman, who were assisted in hospitalities by Mrs. J. F. Moss and Mrs. Harry Koenen.

Mrs. Moss presided at the registering table, and Mrs. Grady Walker and Mrs. J. B. Smitherman poured.

The lovely tea table was laid with a white net cloth over red and was centered with a large red satin heart placed on a milk-glass base. Corsages of red carnations were attached to the heart by red ribbon, with heart shape ornaments caught to the bows. White tapers in milkglass holders completed the setting.

Mrs. Moss, chairman of the program committee, introduced guest speaker, Mrs. Jack McIntosh. She presented an informative review on the book, "Who Me?" by Betty McDonald.

The Garden club will have their next regular meeting in the home of Mrs. J. G. Martin on Feb. 26.

LIPSTICK LOGIC

Sleep is a solemn stranger who lives in the house with us. We rarely think of him at all. When we do, it is as a kind of second-table guest, who gets the crumbs of the day. We just figure that when the clock strikes eleven, or twelve, maybe one, or we have finished our duties and turned off the light... Sleep will be there waiting.

But this creature of whims sometimes gets contrary. For instance he hates coffee, and may hide for hours on the nights we imbibe too much. Then the next day he hovers over us, dusting drowsiness in our eyes when we must be about our chores!

We aren't exactly unfriendly to this fellow. We appreciate his value, and hope he sticks around. But we recognize him as a sort of character - a troublesome figure who has to be reckoned with day after day.

An article in a recent magazine takes the whole subject of Man versus Sleep and puts it on a scientific plane. Sleep, it says, is essential to health:

"The brain desperately requires regular, plentiful sleep."

"Sleep is man's way of recharging his batteries for tomorrow's work and play."

It goes further: "If we are not fully awake, we are not in our right minds... our perceptions are fuzzy... Our sense of timing is off."

In other words, Quit kidding yourself. Everybody. If you have a nervous breakdown, you asked for it. If you fuss at your spouse, kick the dog, yell at Junior, your brain can't help it. Make up with that solemn stranger... you gotta have sleep! G-o-o-d Night!

Norma Gene Patrick and William A. Feuerbacher were united in marriage Wednesday afternoon, Feb. 10, in the parlor of the First Methodist Church at Plainview. Dr. J. H. Crawford, pastor, performed the ceremony before members of the immediate family.

Topic at 1934 Hobbies Lively Club Meeting

Mrs. L. F. Gresham was hostess Tuesday night in her home for members of the 1934 Study Club for a study on hobbies and collections.

It was a regular meeting of the club at which business was conducted by Mrs. Howard Gregory, president. Roll call was answered with household hints or on what members hobbies are.

On the program were Mrs. J. P. Moss and Mrs. A. L. Wylie met at the home of Mrs. W. O. Jr., Mrs. Moss talked on collections as a hobby and stressed the fact that if one collects items, they should be put to use, displayed and enjoyed along with others. Mrs. Moss showed various articles she had collected including antique steins from Germany.

Mrs. A. L. Wylie Jr., gave ideas as to how a family could enjoy hobbies together. Call a family conference and see what their likes and dislikes are, she suggested. Possibly families may choose their yard as a hobby, to improve it and make it an entertaining center for the family group. Other interesting ideas were presented by Mrs. Wylie also.

In a business session the club decided to hold their Home Beautiful Tour sometime in April so as not to interfere in the busy scheduled month of May. The exact date will be announced later.

Refreshments were served by Mrs. Gresham to Mmes. Roy David Campbell, R. G. Dunlap, Howard Gregory, Homer Guffee, J. S. Hale Jr., Thos. J. Hutchins, J. P. Moss, DeWitt Seago, Virgle Shaw, George Switzer, John B. Stapleton, G. Dale Blaine family of Plainview, W. Switzer, Geo. Van Wickel, J. M. Wilson Jr., A. L. Wylie Jr., and Mrs. J. W. Reue.

Mitchell Hogs Competing In National Show

R. C. Mitchell, Floyd County Chester White Swine breeder, appropriately enough is operating in high cotton this week.

He left this morning for Stillwater, Okla., to attend the 1960 Chester White Spotlight Congress, a two-day type conference show and sale. Twenty-three herds from over the United States are consigning animals for the show and sale.

Mitchell will have six head for the competition, which includes a barrow show with cut out on Fred Leeches, the west one-half carcasses. This will test meat of section 35 in block 1 AB&M values. Prizes will be awarded to survey in Floydada: \$56.00 the best carcasses.

The sale will be held Saturday. Open gilts, bred gilts and boars are included in the manifest of entries.

R. C. Mitchell is a member of the board of directors of Chester White Swine Record Association, which is sponsoring the event in cooperation with Oklahoma State University. For the two-day pro-out program Mitchell is chairman of the hospitality committee, chairman of the sales committee and is well a member of the type com-

PAVING POLITICAL COLUMN

(Continued From First Page) buildings and grounds not now available.

At this time the board has in mind to submit the bond issue to a vote of the people of the district at an early date. Forty thousand dollars in bonds to mature serially in 11 years was adopted as the plan to be followed at Tuesday night's meeting.

The school district is scraping the bottom of the barrel in its current operations, so to speak, due to the application of the economic index, the need for transportation facilities and increased enrollment which called for additional personnel on the faculty.

After their meeting Tuesday night the board briefed their need to pave for the school district in the following manner:

- For Chief Justice, Court of Civil Appeals, 7th. Supreme Judicial District of Texas: JAMES G. DENTON
- For State Representatives 89th district: H. G. WELLS, OF TULIA
- For District Attorney 110th District: JOHN B. STAPLETON
- For Superintendent of Public Instruction: CLARENCE GUFFEE
- For County Attorney: KENNETH BAIN JR.
- For Sheriff: WALTER HOLLUMS
- For Assessor-Collector of Taxes: T. T. HAMILTON, FRED A. CARDINAL
- For Commissioner of Precinct No. One: JOHN B. FOWLER, BUCK HICKERSON
- For Commissioner Precinct No. 2: W. C. PLUMLEE

The pavement for the school would also benefit all of the citizens of this district, for it would provide for better traffic control in developing safety. It would be more convenient and make all of the school buildings more accessible during wet weather. It would make more attractive school campuses and be of assistance in creating more parking facilities that are needed at all of the school buildings.

If the issue is passed by the property owners, it will necessitate an increase of 10 cents on \$100 valuation, or \$1 per thousand tax valuation for the period of 11 years.

GOOD CAUSE
A well-known speaker lectured to the members of a literary society, and at the end of his address the secretary approached him with a check. This he politely refused, saying that it might be devoted to some charitable purpose.

"Would you mind," asked the secretary, "if we add it to our special fund?"

"Not at all," said the speaker. "What is the special fund for?"

"To enable us to get better lecturers next year."

DOING GOOD TIME
Two men were making their first air trip when the plane landed in St. Louis to refuel a little red truck rushed out to it. The same thing happened in Cleveland. At Albany, after witnessing the same thing, one man remarked, "This plane surely makes good time."

"Yes," the other said, "and that little red truck isn't doing so bad either."

If we made Gladiola Flour for Zigzag, Ore.

it wouldn't need to be quite so good ...but we it for you

Gladiola Land is just a little bigger than Texas. What's it famous for? Biscuits, cakes and pies turned out the best home bakers in America.

When it comes to flour, these ladies are as choosy as a princess picking a husband. Only snow-white Gladiola Flour is good enough. So, naturally, it outsells every other brand.

If you're from Zigzag, Ore., we hope we haven't hurt your feelings. We just wanted to make sure you realize that Gladiola Flour is different. It has to be. And by the way, it costs only about 1/2¢ a day more than the cheapest flour.

Comet Announced to be Shown At Cline & Rainer's March 17

The Comet, companion car- able to the Mercury in the Cline & Rainer line, will go on display here on March 17, the agency announced recently. They declare it will bring high styling to the economy car field at a price lower than the "popular three."

The new car, with a longer wheelbase and smoother ride still is two to three feet shorter than standard size cars.

"Although this date is weeks away, interest in the Comet already indicates a strong demand is likely for our new car," it was said at Cline & Rainer's last week-end.

Comet styling eliminates the stark utility car look. Its lines are smart, graceful and flowing. It is compact, but not stubby. The Comet is designed to suit the needs of a one-car family and seats six comfortably.

The Comet has the clean styling of more expensive cars. Its horizontal anodized aluminum grille is flanked by dual headlights. Chrome ornamentation is limited to simple side strips which sweep back to the rear doors and then rise to meet the rear fender lines.

The Comet series is one of the widest in the new field. It includes a two-door sedan, a four door sedan, a two-door station wagon, and a four-door station wagon. Each body type can be purchased either as a standard model or with optional trim.

In addition a Comet safety package is available which incorporates padded instrument panel and padded sun visors. Safety seat belts also are avail-

Blood Clot Proves Fatal to Worker

Rites were conducted last week in the Evans Chapel south of Lockney for J. D. Craver, 50, of Lone Star, who died late Wednesday in Nichols Medical Group Hospital from a blood clot on the brain. He had been in ill health for a week and had not regained consciousness since being stricken.

Survivors include 12 children including Mrs. Dorothy Craig of Floydada, his wife; one sister; two brothers and eight grand- children.

Craver had worked for 15 years for Lloyd Readmimer of Lockney.

BROTHER OF MRS. GREEN SUCCUMBS AT MINDEN

Mrs. J. H. Green returned from Minden, La., last week, after attending funeral rites for her brother, Ed. F. Kea, 73, who died on Saturday, Feb. 6.

Mr. Kea had undergone surgery for the second time. He gradu- ally grew weaker until claimed. He was a retired farmer and had been ill for a number of years.

Rites were held on Sunday, Mrs. Bill Walker was matron of honor at the wedding.

EDITORIAL VIEWS AND COMMENTARY

Fresh From the front, where we battled the age-old winter malady for several days, we feel constrained to report that the disease is the same, its effects, including utter gone-ness, the same. Difference is in the words the physic uses and the kind of medicine he dishes out. First, now, he gives you something to keep you from taking something else, then begins doctoring you for what you've got. You have to be a person with a considerable stomach for punishment before the full "course" of capsules slide down the gullet. So far as the patient can tell the doc doesn't need the patient's help nowadays. All you do is stay in bed and cover up good. Doc and his big pills do the rest. Formerly every patient had the opportunity of sticking out his tongue and it seemed to help quite a bit in diagnosing the illness. Also it seemed the patient got well about 24 hours earlier under the old system.

Houston And Lincoln. Every year we note the tribute to President Lincoln becomes a little more strident. More people talk shriller and more writers "discover" some new angles to the rail splitter's personality to ennoble him. The fact is Mr. Lincoln was a much down to earth politician who got on the right wagon at the right time, as Sam Houston's memoirs well authenticate. Moderates of both the north and south, forestall the blood and tears and savagery that would ensue if Lincoln and the South Carolina senator and their hot heads couldn't be stopped. Houston and others were still working desperately on a course of moderation when the news of Ft. Sumter came.

Hole in The Ground. In a routine sort of way it came to the attention of this department this week that the municipal swimming pool is not the big money maker it was envisioned once upon a time. It was to keep the kids in a good humor, have them somewhere to go, and, quite definitely, it would pay its way. Remember? Judge for yourself whether the number of places they have found to go. The figures on the income last season are in black and white. In addition to the debt service, the swimming pool cost \$1,279 in upkeep and the revenue was \$164. Fortunately the pool has not been allowed to degenerate into a hole in the ground as it was charged it would be at the time the \$29 thousand and some odd was spent. The swimming pool has distinct value to the community but costs are high.

Word About The Primary. At the risk of being classified as a Smart Alec we repeat the lesson in civics. The Democratic Primaries are not conducted at the expense of the taxpayers. Candi-

dates pay all the bills. The choices selected by the members of the party who vote are made up into a list by the county chairman of the party and certified to the county clerk as the nominees of the party. These nominees come up for election in November. The taxpayers expense does not start until that time.

City And School Elections, as well as all the others, are another matter. The taxpayer pays the bill for each of these. Also the taxpayer's representative (city council, school board, commissioners court) names the election holders, which is not the case in the primaries. In the primaries all the details, including who are the nominees, who will hold the elections, how much is to be paid election officials; and also the official primary count is a matter for the county committee of the party.

The Texas Election law, it was named back in the early nineteen hundreds. It was supposed to (and did largely) bring order out of the chaos they called elections in those days. Along with it came the poll tax, which also helped. Amongst other things the poll tax cut down on the number of (double) votes. Before the official ballot, like as now, was adopted everybody brought along his own ballot if he desired. Sometimes he brought along a ballot somebody else desired him to bring along. There were all colors of the rainbow in the ballot box at the end of the day. The temptation to phenagie abounded. That the law has lasted more than a half century and that it has done a pretty fair job of cleaning up elections in Texas, (a few exceptions to prove the rule) speaks well for the law which is being attacked on a wide front. The fact of the poll tax seems to grind on more do-gooder nerves than any other one thing about it. Do not expect, however, when the do-gooders get through fixing up the election law, including discarding the poll tax, that it will be any cheaper to take part in the elections or that the world will take a sudden spurt toward the millenium.

As a Farm Woman Thinks

Nellie Witt Spikes

Well, good morning. I did not keep my promise to visit with you last week, but I did think what we would like to talk about and got so far as to put on my bonnet and was hunting up my keys when something or other happened and I put the trip off.

Then I told myself it was better to quit this column as you have had to put up with it for some thirty-five years — thought it would be too much effort to get it in each week—made so many excuses to myself that I was convinced that I would just quit.

Then in the mail came some cards — one from H. C. Mitchell, M. D. of Waco — one from Mrs. F. G. McRoberts of Amarillo and a sweet note from Anne Foote of Dougherty. Through all these years of column writing Anne has sent me cards which helped me to go on even when it was difficult to do so. Thank you all for your cards of appreciation. I feel I can go on now.

As I have just finished piecing a flower garden quilt my mind has been on this fine old art. As I sewed each tiny seam and carefully cut each tiny hexagon I recalled women when I was a child sitting quietly and working on quilts, some for beauty and others for every day use. I think it would be good for many now when things are upsetting to say the least and when people need to sit and relax. Anyway I find it has helped me.

From one of the most interesting books I have read, Old Patch Work Quilts and Quilt-Making by Ruth E. Finley, I find many interesting things. Quilting in early American life was considered one of the arts and quilting parties were numerous. A bride had to take twelve quilts for everyday use and one lovely quilt for her dowry in her new home.

The bridal quilt was carefully planned and finished. Only a few could quilt on it. Only brides could use the heart patterns. Quilts took their names from many events, personages and flowers. The Golden Gate, Wheel of Fortune, Road to California, Pineapple, Rose of Sharon, Ducks Foot in the Mud, Robbing Peter to Pay Paul, Dolly Madison's Star, Wedding Ring, Log Cabin, and on and on, you can name many of them.

"If you don't have to work to feed your body, work to feed your soul," was an expression often used.

In the Boston Gazette April 18, 1720 we find this: "The printer here of Prints, Linens, Calicoes, Silks, etc in good Figures. Very lively and desirable colors and

without the offensive smell which commonly attends the Linens printed here."

The trail of the patch work quilt is about finished. No more do young girls take to their new homes thirteen quilts. But if you want to make something beautiful to give and leave behind as a memory of you, piece a quilt.

A dark gloomy day is brightened by the gay colors of the work, your hands get the therapy needed to keep them limber. Your memories come to you, sweet and precious, and you are piecing on a quilt that will give a sweet memory to the ones who will follow you.

The sandstorm was a good one, or rather it was a bad one. Memories of the depression, dust bowl days made it even a worse day to take. The Black Day as it is recalled, that Sunday long ago, came to our minds as we sat under the electric lights and tried to read or work.

Mr. Spikes went to sleep that day after dinner. I saw the storm coming, lighted a kerosene lamp and tried to read. The dirt filled the house and made me sneeze. I grew nervous as the darkness got thicker. It was about three o'clock as I recall.

Mr. Spikes woke up, took a look at the lighted lamp, grabbed the milk buckets and would have gone out the door to do his night work if I had not told him the time of day. He said, "I thought I had slept until after dark."

How fast a prairie fire could have gone last Tuesday if there had been any grass to burn! How awful were the prairie fires of yester-years. But I still love my prairie home and Wednesday was so calm and lovely I decided to live here the rest of my days.

Floyd County 14 Years Ago

(from the files of the Hesperian, dated Feb. 24, 1946)

Funeral services were held in Amarillo Tuesday for Jack Norris, former resident of Floyd County, an uncle of Mrs. Tom W. Deen and Mrs. G. Scott King, both of Floydada. Mr. Norris underwent surgery at a hospital in Pueblo, Colo. on Thursday and died there Saturday. He had at one time lived in Floyd County for 40 years.

Thurmon Battey, son of Mr. and Mrs. A. N. Battey, who spent three years in the army, returned home last week from Fort Bliss where he got his discharge. Funeral rites were held Sunday at the First Methodist Church for M. L. (Tad) Probasco, 56, who died in West Texas Hospital at Lubbock following an operation a week before. He had resided in Floyd County since the year 1911. Survivors include his wife, the former Alta Meador; two daughters and a son.

L. Warren H. Smith Jr., son of Mr. and Mrs. Ham Smith, reached home Sunday morning from Oceanside, Calif., where he landed from the Pacific on Feb. 8. Mr. Smith, enlisted in the Marine Corps on April 10, 1942. He has served 16 months in the Pacific. He is to report to Eagle Lake mountain near Fort Worth for his discharge.

The Floyd Bradfords who have been making their home in Maxton, N. C. since their marriage in August, returned home last week. Bradford was in the army and stationed at Maxton, before his discharge.

J. M. and Tom Daniel are spending as much of their time

as possible at Silverton where their mother, Mrs. J. E. Daniel has been ill for sometime. Her condition has not been reassuring.

Wayland Hale, son of Mr. and Mrs. J. S. Hale, is back home after receiving a discharge. He had been in the Pacific serving with the army, prior to his discharge in California.

Eldon Burgett, son of Mr. and Mrs. Z. A. Burgett, has been promoted from first lieutenant to captain at his army base in Calcutta, India.

Spencer V. Bell son of Mrs. P. W. Bell, was discharged last week from the Army Air Force at Fort McArthur, Calif. Recently he returned from the Canal zone where he was with the Sixth Army Air Force.

Johnnie Collins, son of Mr. and Mrs. Gene Collins and Billy Morrison, son of Mr. and Mrs. Jim Morrison of Dougherty, enlisted in the Naval Air Corps last Friday in Dallas and left that night for San Diego, Calif., where they will receive boot training.

Rites for Samuel Frizzell, 30 year old son of Mrs. J. J. Frizzell, were held in the Methodist Church Tuesday. He died Feb. 17. Other survivors include three brothers and three sisters.

Emergency Reveals Floydada People Most Hospitable

"People of Floydada are to be complimented for their friendliness and hospitality," said Herman Parrish Winn, of El Paso, after his truck tires caught fire early Sunday morning, stranding him in Floydada for the day.

Winn was driving a semi-truck and refrigerator van, loaded with 400-100 pound packages of bulk meat, from El Paso to Tulsa Okla. About seven miles east on the Matador Highway at approximately 6 a. m. Sunday, a tire on the trailer went flat and caught fire.

Going to a near-by farm house, Winn called the Floydada fire department, and the blaze was extinguished. Shortly afterwards he was invited to breakfast by local residents. Bidding farewell to new found friends Winn left the house and started for his truck, finding the tires ablaze again. Firemen were called to the scene for the second time.

Winn spent the remainder of the day in Floydada and another trailer was brought from El Paso to take the load of parishables on to their destination.

The truck driver is a cousin of Skinny Winn of Floydada.

Mr. and Mrs. R. V. Bartlett of Fort Worth were in Floydada over the week-end to visit his parents. Mr. and Mrs. C. E. Bartlett and sister, Mrs. Otho Sanders and family. The visitors also attended the wedding in Plainview of a nephew while in this section.

Mrs. R. B. Smith and children, Steve and Judy and Mrs. Rusby Russell, all of Fort Worth, were visitors in Floydada over the week-end with their mother, Mrs. Ethel King.

Brother Passes At Littlefield

Funeral rites were held in Littlefield Tuesday afternoon for William L. Ricks, Jr., brother of Mrs. Bill Norman of Dougherty. Mr. Ricks died Sunday in a Littlefield hospital. He had been in ill health for a number of years.

Mr. Ricks was a former resident of Crowell. He had lived in Littlefield for 10 years. He was an employee of the highway department before his health forced his retirement.

Survivors in addition to the local sister are his wife, one son, Bill Ricks of Littlefield, two daughters, Mrs. Billy Bevell of Mute

Mr. and Mrs. Ronnie White of Plainview were recent guests in Floydada of his mother, Mrs. O. B. Jones.

Emergency Reveals Floydada People Most Hospitable

"People of Floydada are to be complimented for their friendliness and hospitality," said Herman Parrish Winn, of El Paso, after his truck tires caught fire early Sunday morning, stranding him in Floydada for the day.

Winn was driving a semi-truck and refrigerator van, loaded with 400-100 pound packages of bulk meat, from El Paso to Tulsa Okla. About seven miles east on the Matador Highway at approximately 6 a. m. Sunday, a tire on the trailer went flat and caught fire.

Going to a near-by farm house, Winn called the Floydada fire department, and the blaze was extinguished. Shortly afterwards he was invited to breakfast by local residents. Bidding farewell to new found friends Winn left the house and started for his truck, finding the tires ablaze again. Firemen were called to the scene for the second time.

Winn spent the remainder of the day in Floydada and another trailer was brought from El Paso to take the load of parishables on to their destination.

The truck driver is a cousin of Skinny Winn of Floydada.

TAKE THAT WASHDAY LOAD OFF YOUR SHOULDERS!

DON'T FORGET
... Clothes Lines are for the birds. The modern way to dry your clothes is electrically with an automatic electric clothes dryer. You save yourself from back-breaking ironing work, you save your valuable clothes from the ravages of wind and rain and sun, and you save by using low electricity.

POWER & LIGHT DEPT
CITY OF FLOYDADA

WORTH MORE BECAUSE THEY WORK MORE!

Compare this list of Chevy advances with the features ordinary trucks are still talking about. You'll see why Chevy trucks get more work done in a day... why they go extra thousands of miles before trade-in time. These Sturdi-Bilt Sixties aren't just new, they're a full scale revolution!

TORSION-SPRING RIDE
Each front wheel, suspended independently of the other, is free to step individually over bumps. And shockproof torsion springs up front soak up the jars and jolts before they reach the body. With three rugged new tailored-to-the-truck rear suspensions to further reduce road shocks, Chevy gives you the smoothest truck ride you've ever felt.

NO SHIMMY, NO WHEEL FIGHT
Drive a '60 Chevy. Just once. Right away you'll notice the absence of I-beam shimmy and wheel fight common on ordinary trucks.

CABS FOR BIG GUYS
Big guys get a bigger break in a Chevy cab. There's plenty of space inside to stretch out and relax; more room for hats and hips, more room for wide shoulders and long legs. There's horizon-wide visibility through a windshield with 26% more glass area; a new see-at-a-glance instrument panel. Cabs are safer, too, up to 67% more rigid.

SLICK NEW SUBURBAN CARRYALLS
These handsome new handy haulers "double in brass"—can transport eight passengers or up to 950 lbs. of payload. Rear and center seats are easy to remove and replace when necessary. For work or for pleasure, these double-duty beauties are best for both!

6'S SWORN TO SAVE
Chevy's 6-cylinder engines are set to squeeze extra miles out of every drop of fuel. They're long famous for low fuel consumption, high performance.

SHORT STROKE V8'S
Power-packed for peak performance, Chevy's husky V8's make child's play out of the toughest hauls. They have a mind tuned to economy, too, that keeps costs down, profits up.

NEW DOLLAR-SAVING PRICES
Chevrolet's low prices make big truck news for '60. They mean money in your pocket on model after model. Step-Vans, 4-Wheel Drives, many light-duty models with automatic transmissions—all are lower priced. Also, prices have been reduced on all optional V8's.

SEE YOUR DEALER
It could be the most important visit you make in '60. When you've seen these new Chevies, you'll agree they're the world's most advanced trucks. Then drive one and find out why.

Named Longhorn Band Favorites

Favorites of the Lockney Longhorn Band, named at its annual band banquet held Saturday night, Feb. 12, were Margaret Schacht, Band Sweetheart, and Dwayne Wilson, Band King. Miss Schacht is the daughter of Mr. and Mrs. Frank Schacht of Lockney, and is serving as president of the band. She has been a member of the band seven years and is also a member of the junior class and vice-president of the Lockney chapter of the FHA. She is also an active worker in the Methodist Youth Fellowship.

Harmony News

HARMONY, Feb. 15 — I know of no other way to describe the day we had Tuesday except to say WOW! what a day. Many of the older folks said it was the worst sand storm since the 1930's. Many chickens went to roost in the early afternoon. I was too young to remember the dust storms of the 1930's although I can remember the ones later on. I remember one day when I was in school, coming home that afternoon I found mother still cleaning the house. As children we just couldn't understand why it took so long to clean up after a dust storm. Now as I am older and can look back I can understand a lot of things. I guess that is a part of growing up.

Thacker Gross of Sand Hill spent Tuesday in the home of his brother, Allan Gross and family.

The Harmony Home Demonstration Club enjoyed an all day meeting with lunch being served at the noon hour with Mrs. Glen Curtis as hostess. A demonstration on yeast breads was given by Mrs. Glenn Pool and Mrs. Glen Curtis. Delicious home made breads were served along with a fruit course dinner. Cole slaw and fruit salad, tea and coffee completed the luncheon.

Recreation was conducted by Mrs. Roy Hale. Mrs. W. W. Edwards won the door prize.

Members present included Hanna, Bob Hopper, Walter Dunavant, Roy Hale, Zant Scott, Mather Carr, Bruce Davis, Monroe Schulz, Sherwood Ramsey, R. B. Gary, Carrick Snodgrass, Glenn Pool, Allan Gross and the hostess, Mrs. Glen Curtis.

Wesley Carr and Horace Carr made a business trip to Lubbock Thursday.

Mr. and Mrs. Wesley Carr and Bill and Mrs. Everett Miller visited Mrs. Mather Carr Thursday night.

Mrs. F. B. Trowbridge and Mrs. Mather Carr visited Miss Annie Carr and Mr. Club in Peoples Hospital, Floydada Saturday.

Mr. and Mrs. F. B. Trowbridge spent Sunday night in Amarillo with their son, Dub Trowbridge and his wife.

Julia Ann Miller spent Friday night visiting Sharon Fuller.

Mr. and Mrs. Frank Dunn attended the funeral services Saturday at First Baptist Church in Canyon for Joseph H. McMurry, who passed away early Thursday.

Mr. McMurry and family were former residents of Lakeview and later of Floydada. He was the father of Mrs. Floyd Montgomery now of Plainview.

Several relatives and friends from this vicinity attended, among them were Wiley Rogers and Neely Richardson. Another long useful life has come to a close. Our sympathy is with his fine family during their hour of sorrow.

Mr. and Mrs. Charles Fulkerson were Sunday dinner guests of their daughter and husband, Mr. and Mrs. Don Finkner of Sand Hill. Other guests were Mr. and Mrs. Floyd Henderson and Mr. and Mrs. E. A. Day and Patsy of Matador and Mr. and Mrs. Bill Finkner and son.

Mr. and Mrs. Doyle Sandifur accompanied by Mr. and Mrs. B. T. Sandifur of McCoy were in the Rio Grande Valley near Zapata and Falcon Lake on a fishing trip last week. Except for the dust on Tuesday and a cold day the following day they had a pleasant and profitable trip. They caught plenty of fish to bring home for their deep freeze.

Mr. and Mrs. Doyle Sandifur visited their parents and sister at McCoy Sunday evening.

Mr. and Mrs. B. T. Sandifur and Mrs. Janelle Houston and son, Bobby visited Mr. and Mrs. Doyle Sandifur Sunday.

A guest in the home of Mr. and Mrs. Welborn Miller Monday was M. R. Swanson. He was enroute to his home in California after a visit to his old home in Mississippi. Mrs. Miller also comes from the same town in Mississippi and enjoyed hearing all about "the folks back home".

56-lbs. maize acre following monia applications

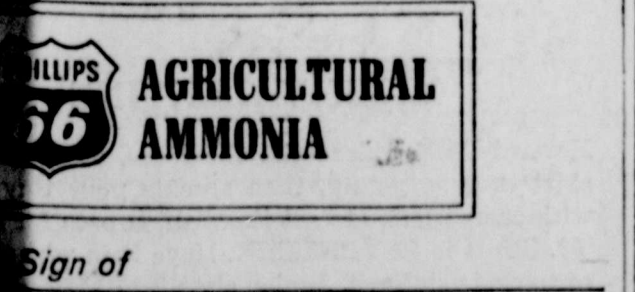

FLOYD COPELAND of Dimmitt, Tex. reports pre-planting or side dressing ammonia makes a big difference.

Used ammonia for the past five years and can easily see a lot of difference in the yields. On 289 acres of maize, 100 pounds of Phillips 66 Ammonia per acre was applied. . . one-half pre-plant and one-half sidedressed. Yield was 5456 pounds per acre," according to Floyd Copeland, who farms 880 acres.

He says, "A hundred pounds of Phillips 66 Ammonia also applied pre-plant on 200 acres of wheat. With 5% hail damage, wheat averaged 39 bushels. Where there is plenty of moisture assured through irrigation, it's just plain logic to use ammonia and get maximum yields."

Thousands of Texas farmers are now using Phillips 66 Ammonia to help assure top net profits per acre—on irrigated or dryland fields. . . in wet or dry years. Actual field reports prove that Phillips 66 Ammonia (1) produces more high grade lint (2) increases sorghum rainfall (3) boosts wheat and small grain yields (4) stimulates pasture growth for more meat and milk.

See your local Phillips 66 Agricultural Ammonia distributor now. You can make more money this year with this 82% nitrogen fertilizer. It can be applied by your distributor.

ATE CAPITAL Highlights AND Sidelights

by Vern Sanford

Democratic Executive Committees in March 14 whether to hold a precinct convention or a countywide caucus. The law passed last year, which was a political tradition, was amended when the dog-out and serving out election rallies. The election now held the last week of July as before.

Now there is the necessity of giving everyone time to vote before the convention can be held. State Democratic Chairman J. E. Connally has suggested county committees give thought to holding rural precinct conventions later — possibly not until after the polls close at 7 p. m.

LEGISLATIVE RACES — With 120 of the 150 House members making a bid for re-election, each of the two leading candidates for Speaker claims that half or more of these probable returns is pledged to him. Most active in the speaker's race are Reps. Wade Spilman of McAllen and James Turman of Galen. Some are predicting the race may be as long and hard

as the last one between Wagner Carr and Joe Burkett. Thirty House members are either retiring from public life (including Burkett) or seeking another office (including Carr). Of the 120 who are running again for the House, 82 have opponents. This means there'll definitely be no decision on the speaker's race until after the primaries.

Neither Turman nor Spilman has an opponent for his House seat. Of the 16 senators up for re-election, all are running again and ten have opponents. Unless there should be an unusual number of "upsets," legislative turnover should be about the same or less than usual. "Normal" replacement is about one-third of the House (or 50 members) and a very small number of senators, usually not more than two or three.

TROJAN HORSE — Consideration of a federal aid to education bill in Washington has Texans reacting with mixed emotions. It also adds new urgency to the efforts of those who want to see Texans shoulder school improvement responsibility through passage of the Hale-Aikin program.

Gov. Price Daniel said Texas should accept U. S. Senate passage of the federal aid bill as a "fair warning" that Congress will step in if states don't take the necessary action. If the states let in federal money, they will let in federal control of schools, the governor declared. He called "impossible" the idea of "federal money without strings attached."

Under the aid bill pending in Congress, Texas would receive \$2,000,000, largest share of any appropriation. Thus far, very few Texas school districts have refused to take the federal aid now available — for science teaching equipment, school lunches, etc.

STICK WITH GUNS — State Board of Insurance has announced five minor changes in the safe driving insurance plan, but in broad effort, the plan remains the same. Board stuck to its guns despite a barrage of criticism.

Main change is that an insurance company cannot deny liability on a policy if false or inaccurate information is given by the policy holder. For instance, a person taking out a policy might intentionally or unintentionally fail to tell the insurance company how many accidents or traffic violations were on his driving record.

However, the company would be entitled to collect the higher premiums or damages from fraud if the policy holder had not admitted to his true driving record. Premiums go up in proportion to the number of accidents and violations on a driver's record.

NEW PARTY LEADER — Albert B. Fay, Houston oilman, shipbuilder and rancher, succeeds Jack Porter of Houston as Texas Republican national committee man. Porter came to power in the party in 1952 as an Eisenhower supporter when the "Old Guard" supporters of the late Sen. Robert Taft were swept aside. Porter stepped down this year because of his health.

Besides electing Fay, the GOP State Committee promised to field a challenger to Sen. Lyndon B. Johnson in the general election next fall. Johnson has no Democratic opponent for his senate post.

Republicans will nominate their candidates at a state convention May 30. **NO LOSS FOR FLU** — Not the least of the worries in schools hard hit by influenza was that the district would lose a hunk of state aid money which is based on average daily attendance.

State Board of Education, however, has worked out an emergency "epidemic formula" to help ease the problem. In flu-stricken schools, the average attendance for the epidemic period will be adjusted to reflect the percentage difference between actual attendance and attendance which would have been expected had there been no epidemic.

EARLY HANSFORD RESIDENT SUCCUMBS AT PERRYTON — James Fullerton Cator, 65, one of Hansford County's first residents, and father of Mrs. Charles Broadhurst of Lockney died Wednesday morning of last week in a Perryton Hospital after a long illness.

Funeral rites were conducted Thursday in the Gruber Methodist Church. Other survivors include his wife, two daughters of the home, two sisters and one grandson.

JOIN UP WITH AIR FORCE — Mike Carver, son of Mr. and Mrs. B. V. Carver, and Maurice Ginn, son of Mr. and Mrs. E. L. Ginn, both Floydada families, flew to Lackland Air Base at San Antonio last week where the youths will take basic training in the Air Force.

Mike and Maurice are former Floydada school students. They plan to complete their high school education while serving for Uncle Sam. Mike is planning a career in Missile Maintenance while Maurice is undecided.

Mr. and Mrs. J. B. Bishop were in Amarillo over the weekend visiting their daughter and family, Mr. and Mrs. Bill Cross.

Star Presents \$1,600 to Fund For Hall Carpet

Members of the Order of the Eastern Star Thursday night voted to take \$1,600 from their funds and apply on the cost of the carpet for the new Masonic Hall. The goal of the OES is to raise somewhat in excess of \$2,000 for the purpose. Those wishing to "buy a square" or to contribute otherwise to the rug fund still may do so.

Two invitations to Friendship Night were read. The first was supper at 6 p. m. on Feb. 23. The other was from Lorenzo for a supper on the night of Feb. 23 at 6:30.

The program held following the meeting was directed by Mrs. Winnie Dyson and Mrs. Doris Hucaback. Refreshments were served by Mr. and Mrs. Bill McNeill, Vernie McNeill and Barbara Covington.
