

L. F. Gresham Dies At Wheel Of Pick-Up

L. F. (Fate) Gresham, 41, former Floydada football coach was found dead in his pick-up near Dougherty Saturday night. Mr. Gresham had gone to his farm there to feed stock about 5 p. m. When he had not returned by dark, his wife became alarmed and called the Johnny Cates home. Mr. Cates found Gresham slumped over in his vehicle at the side of a fence row at the farm. Apparently he was the victim of a heart attack.

The motor of the pick-up was cold and the heater was still going, according to witness reports. Mr. Gresham had suffered a previous heart attack some two years ago, but was apparently in good health at the time he was seized.

Funeral rites were held Monday morning in the First Methodist Church of which he was a member. The pastor, Rev. DeWitt Seago conducted the service. Masonic rites were held at the graveside in Floyd County Memorial Park with arrangements by Harmon Funeral Home.

Active pallbearers were Jim Word, Jimmy Wilson, Billy Stanforth, S. E. Sparks, Tate Jones, Fred Cardinal, A. E. Baker and Ned Bradley.

Honorary pallbearers were I. T. Graves, J. M. Wilson, Henry Barber, Doyle Walls, Wallace Trapp and Jack Stansell.

Coach Gresham was born June 4, 1918, in Childress County, Texas. He was married to Diana Cloughley in Graham, Texas. They had resided in Floydada since 1946, and Gresham had coached football at high school until 1951. Since his retirement from the teaching ranks he has been farming.

He was a graduate of East Texas State College and was named on the all star basketball list. He was a Mason and a member of the Methodist Church.

Survivors include his wife who teaches in Floydada Junior High School; a daughter, Pamela Ann, 15; his mother, Mrs. Stella Gresham and one sister, Mrs. G. H. Clifton, both of Childress; two brothers, Jack Gresham of Carey and Rex of Garden Valley, Texas.

Four Offered For Floydada School Board

Voters of Floydada Independent School District will have a choice between four of its citizens to fill two vacancies on the school board in the election slated for Saturday, April 2.

Assuming that no new candidates file between this hour on Wednesday and closing time today, the candidates are:

Ralph Johnston, incumbent; Jack Stansell, Guy W. Ginn and Dennis Dempsey.

Dempsey's name was added to the list Wednesday of last week.

Places to be filled are those of E. M. Collins, now serving as chairman of the board, and Ralph C. Johnston.

Vote On School Bonds March 12

Hold-over members of the board are Greer Christian, James Word, E. L. Thomas, W. L. Davis and J. P. Moss.

Notices of the election were posted last week by the board of education, when the election was called.

According to the notice the bonds will bear interest at a rate not to exceed five percent, and will mature \$1,000 in 1961, \$2,000 in 1962 to 1964 inclusive, and \$4,000 in each year from 1965 to 1972 inclusive.

At the same time the voters of the district will pass on a proposition to adopt an ad valorem tax not to exceed \$1.50 for the maintenance of the schools of the district.

Last week, anticipating a further drop this year of \$8,000 from outside sources, including a reduction from the State Educational Agency based on the economic index, the board of education adopted a resolution to levy \$1.30 for school maintenance for the coming year.

To take care of the outstanding bonded debt of the district, including the \$40,000 issue to be voted on March 12 the board has set a tax of 30 cents on the \$100 valuation.

OFF TO STATE MEET. This is the squad of McAdoo hot shots that have cleaned up everything on the plains from B through AA on the basketball courts. They left yesterday for the state meet in Austin. McAdoo meets Wink this morning in the first round of play there. The team from left to right, standing are Richard Williams, Bill Merrell, Cherry Eldredge, George Scott, J. D. McCormick, Norman Hardy and Donald Harris; front row, Howard Wayne McWilliams, Hicks McCormick, Roy Scott, Ronald Hardin, and Junior Gregory. The young man out front is Larry Decker an honorary manager from Lubbock who adopted the team during the holiday tournament in that city and has been following them since that time.

McAdoo Team in Austin For State Cage Contests

McAdoo's basketball loving McAdoo lasses downed those girls who will be facing taller and cage teams have won the admiration of all the area fans who had in serious trouble. The Tuesday night victory in opportunity to see them this season four district crowns, but Floydada added to a long list of son. Their fine style of play on the court will have their work cut out on the local court and in the court and fine behavior out for them at regional as well as their Eagles with an unusual while in our city for games has team this year is mostly small cord here.

McAdoo is now the lone remaining hope of this immediate area for a basketball championship and local fans have joined with their neighbors in boosting the Eagles on to victory.

Coach Fabian Lemley's McAdoo boys team won bi-district here last week when they defeated Estelina 68 - 47. Following that victory the Eagles went to the regional meet where they took the championship winning three straight. Victories were over Roosevelt 68 - 49; Hartley 55 - 49; and Highland 66 - 41.

The Eagles placed three of their starting five on the regional team with George Scott, Norman Hardy and J. D. McCormick receiving this honor.

This season McAdoo also holds wins over at least two district champs in the AA division having downed both Post and Abernathy.

The Eagles have won five district championships in recent years and this is their first regional crown and opportunity at Austin. The team along with the coach and some of the parents and followers left yesterday for the state capital.

Winning Ways Create Problems. The winning ways of the McAdoo teams have created a problem for their coach who may have to resort to air transportation to do his job. His boys team is playing at Austin in the state meet and the girls team is due to play in Canyon in the regional meet at about the same time.

This all came about as a result of Tuesday night's bi-district girls game which was played at Graves Gym in Floydada. The

Robertson is head of the sanitation department representing the council. Robertson said Joe and Babe Jones are the contractors for the garbage and trash collection and disposal.

The Jones' leased the city's large garbage truck and have put other equipment of their own out for service.

MRS. NANCY MORCKEL

Acclaim Mrs. Morckel 'Woman of The Year'

Mrs. Nancy Morckel was named 1960 Woman of the Year by members of the 1959 Study Club affair.

at their guest night held in the First Methodist Church Tuesday evening.

Mrs. Ted Bell led opening prayer prior to the social hour in Bishop, speaker hostess. Mrs. Holmes spoke on early day pioneers in Floyd County, and the material she was gathering on these pioneers which will go into the Texas Tech museum. Mrs. Holmes also had relics of the early days on display.

After Mrs. Morckel was named 'Woman of the Year', Mrs. Holmes made the presentation of a lovely silver bread tray with the words inscribed '1960 Woman of the Year' and bearing her name.

In presenting the award Mrs. Holmes told of Mrs. Morckel's work in civic affairs for the community and surrounding areas. Among these were her activities as member of the First Christian Church, home economist for the Lighthouse Electric in Floydada, and bookkeeper for her husband's place of business.

Mrs. Morckel is also a special interest in canning and planning meals. Each year she prepares the main dish at Thanksgiving for the Home Demonstration

Swimming Pool Gets Approval. Stockholders of the Floydada Country Club approved and voted the construction of a new swimming pool at the club grounds before Jake Watson, president.

The pool was voted "in" at a meeting of stockholders and members Thursday night at the Community Room in the First National Bank. This is one of three big improvement projects undertaken by the stockholders in the past three years. The other two included a new clubhouse on the ground and a grass green golf course.

Advance specifications of the pool call for it to cover 75 by 35 feet with a 25 foot surrounding area which will be fenced in. As yet no construction contract has been signed. Letters have been mailed to members to determine in which of two ways they want the swimming pool to be financed. After the answers have been received by the committee, construction bids will be taken, Watson said.

The finance and other committees will be appointed at that time.

Stockholders also agreed at the meeting to change their annual meeting date to January of each year from June, starting in 1961.

The meeting formerly was held in June as it will be in 1960.

Rehearsals at Minstrel Show Final Stage

Final dress rehearsal for the "Minstrels of 60" will be Tuesday night at the high school auditorium, according to Mrs. Darlene Fulton, publicity chairman.

Members of the cast are also scheduled for a regular rehearsal Monday night.

Curtain time for the big three act performance will be 8 o'clock the nights of March 10 and 11.

Tickets may be purchased from any member of the 1956 Study Club in advance or at the door the nights of the shows.

Many weeks of planning and hard work have gone into the 1960 production of the club's minstrel show, and it promises to be musical and fun provoking throughout.

The script has been written by members of the club and the directors. The show will portray a newspaper reporter interviewing "Uncle Zeb" for the first act. The Negro dreams and looks back to the old slavery days, when Negroes were auctioned to the high bidder.

The second act shows what Negroes have contributed to the world in the way of music. There will be on stage the chorus girls, acts, quartets, solos, and several special musical numbers.

The Minstrel will be under the direction of Keith Patzer, and music directed by Dan Whitaker, band director. Music will also be furnished by the stage band and the Moon Disc between acts.

A lease on life for the Negroes is portrayed in Act III as the chains around their legs are broken and the slaves are freed.

Mrs. Lon Davis and Mrs. Roberts are in charge of the chorus line, and Miss Shirley Gregory directs the girl's high school act.

Members of the cast are Ralph Johnson, Carmel Eastham, Troy McNeill, Travis Jones, Hollis McLain, Glen Ambrun, Zant Scott, Gene Collins Jr.

Olin Watson Jr., Frank Loveless, Allen Bingham, Jimmy Powell, Claude Estes, Thomas Warren, Harold Elder, Johnny Burnett, Willie Bunch, Charles Craig, Dennis Dempsey, Mrs. Joy Ward, Keith Burdman, and Denver King.

The director of the show rehearsals, including the final dress rehearsal Tuesday night. It is so imperative that all attend so as to not let others down in their parts, Director Patzer urges.

Juniors Enter 370 Animals In Stock Show

Show opens Monday 7 a.m. All entries must be in place by 12 noon Monday.

Sitting judging at 1 p.m. Monday.

Swine judging begins 9 a.m. Tuesday, lamb judging at 1 p.m. Tuesday. The auction sale will be held beginning at 1 p.m. Wednesday.

Not all the animals will be for sale, but grand and reserve champion steers and barrows and champion wethers will have to be sold through the auction ring.

Unreless an exhibitor has one of the animals he can only be sold through the auction.

Two barrows and two four-H Club boys and Future Farmers of America have formally applied for places for 379 head of fat stock in the annual Floyd County Junior Fat Stock Show opening at the show barn on 12th St. Monday morning.

After the close of entries on Monday County Agent Cecil Lewis is show manager, had counted entries for 197 barrows, 118 lambs and 64 steers, which he described as practically a full house.

Every breed of swine grown in

this part of Texas, as well as every breed of sheep will be represented in the show, according to the entry blanks, as well as crosses between breeds. Three types of fat steers will be shown, the bulk being Herefords.

There will be 47 Hereford steers, 17 Black Angus and four short horns.

Hog types entered include Berkshire, Chester White, Duroc, Hampshire, Poland China, Spotted Poland China and cross-breeds.

The exhibitors are about evenly divided between boys from the high school agriculture clubs and the 4-H boys. The FFA boys have more barrows entered but the 4-H boys have a slight edge in the number of lambs and in the steer division the count is 38 to 26.

The Fat Stock Show Association has spent quite a bit of time fitting up the show barn in prior years and the task of putting it into condition for the show was not nearly so great this year as in the past. County Agent Lewis said the show barn was checked Monday and it is ready to receive.

Phone, Light Maintenance Crews Alerted

A shroud of cold mist and alternately freezing and thawing temperatures throughout the day Wednesday, made street and highway traffic hazardous and posed a threat to telephone, rural electric, and city and long distance power lines.

Telephone and light and power maintenance men spent much of the day riding their lines watching the effect of the icing and sitting by the warning signal, afraid it would sound and hoping it would not.

Biggest danger as the day waned into late afternoon, as seen by the rural electric crews, lay in the possibility that the freezing would continue to thicken the coat of ice on lines and poles and a wind should rise. A combination of a brisk wind and icing would be more or less disastrous. Both temperatures and icing were at the dangerpoint as the shadows began to lengthen.

No trouble had developed for any of the utility organizations except Southwestern Bell Telephone Co., which had about 40 stations out at South Plains and a lesser number toward Cedar. There are no broken poles or lines, said J. C. Oakley, manager. The lines that are out of service are "voice frequency" lines which are "choked" by the icing. As soon as the ice disappears the trouble will be over from this particular hazard, Mr. Oakley said.

The week since last Wednesday has been quite uncomfortable with some snow. Low temperatures have held on, fog has made travel hazardous. Wednesday morning a layer of about a half inch of sleet preceded the icing.

Highway traffic in the county has been remarkably free of accidents, it was said at Sheriff Hollums' office. Not a single accident was reported in the county in the period from Wednesday to Wednesday, despite the extreme hazards.

Judge Olson Resigns, Roy Patton Named

After serving six years as corporation judge of the City of Floydada, Judge O. B. Olson resigned last week, effective March 1, and the council named to succeed him Roy Patton.

Patton was sworn in the afternoon of February 29.

Judge Olson found the duties of the office too heavy considering the condition of his health, and asked to be relieved.

Mr. Patton is a long-time resident of Floydada. He comes out of retirement to take over the duties of judge of the municipal court.

Soil Conservation Study Conducted At Garden Club

The Floydada Garden Club held their Friday morning meeting in the Community Room of the First National Bank had a study on soil conservation. Seventeen members answered roll call.

Mrs. John Moss was program leader for the meeting and introduced Joe J. McIntire, who is with the Soil Conservation Service in Floyd County. Mr. McIntire talked on the benefits of trees in this area and explained their use in conservation and drought prevention as well as assets to highways. They help to beautify yards, protect young crops, and play an important part in building a shelter belt against winds, acutire said.

Colorful slides were also shown of the country side in Comanche County, former home of Mr. McIntire. The slides showed the various trees grown in that county, and how they were used for protection and for beauty as well.

During the business session, the president, Mrs. A. V. Stewart, welcomed a new member, Mrs. Hesperian.

MRS. SIDNEY JOE SIMMONS (nee Cheryl Ann Crawford)

Cheryl Crawford Becomes Bride Of S. J. Simmons

Floral baskets containing white gladioli and leaves of commadore formed the background for the wedding Sunday of Miss Cheryl Ann Crawford and Sidney Joe Simmons, in the home of the bride's parents, Mr. and Mrs. Earl Crawford.

Parents of the bridegroom are J. A. Simmons and Mrs. Lillian Simmons of Fort Worth.

Rev. Ed B. Bowles, pastor of the First Baptist Church, officiated at the double-ring ceremony at 5 p. m. before members of the immediate family and attendants of the couple.

Miss Nell Quian of Brady, college roommate of the bride, was maid of honor. She chose a beige silk organza, styled with a bouffant skirt, three quarter-length sleeves and Peter Pan collar. She carried a colonial bouquet of yellow and orange carnations with cerise satin streamers.

Tim Johnston of Fort Worth, roommate of the bridegroom, served as his best man. Given in marriage by her father, the bride was gowned in pastel yellow of embroidered swiss organdy. Her ensemble was fashioned with a bouffant skirt, street length, long sleeves and Peter Pan collar. Her bridal bouquet was made of white butterfly roses and white streamers, carried on a white satin prayer book.

The newly-weds were honored with a reception following the wedding. The bridal table was covered with a white linen, and held a wedding ring arrangement of gold metallic, white stock and white curtains.

For traveling, the bride changed to a gray and orange wool sheath dress with black kid accessories. She wore a shoulder corsage of white roses. Mr. and Mrs. Simmons will reside at 3616, 29th street in Lubbock where both will continue their studies at Texas Tech.

The bride is a graduate of Floydada High School and is a junior in college, majoring in secretarial administration. She also attended Baylor University, and is a member of Pi Beta Phi Sorority and legislator in Weeks Hall at Tech.

Her husband is a 1957 graduate of Paschal High school and is making in business at Tech. He is affiliated with Phi Gamma Delta.

Pre-Nuptial courtesies were extended Miss Annette Rose Tuesday evening of last week in the home of Mrs. Garland Nystel in Lubbock. Miss Rose is the bride-elect of Dorman Turner, Floydada.

Lavender and white stock were used in a center arrangement on a table laid with a white Madiera cloth. Guests were served from milkglass and silver appointments by Mrs. J. Ray Dickey and Mrs. Preston Johnson.

Others in the house party were Mrs. Richard McElroy, Mrs. Bud Aldridge and Misses Ann Lipscomb, Patsy Painter and Sally Mahon.

Guests were received by Mrs. Nystel and presented to the bride and groom by Mrs. V. D. Turner of Floydada.

Assisting Mrs. Nystel with co-hostess duties were Mrs. Holman Hendrix, Mrs. W. I. Pittman, Mrs. Dixon White and Misses Pat Nystel, Sandra Hendrix, and Kathy White.

The betrothed couple are to wed March 19.

Mr. and Mrs. I. C. Kirk are at Temple, Texas, this week where they will go through a clinic for physical check-ups. They are expecting to be back home within a few days.

The Kirks left Floydada on Tuesday.

Mr. and Mrs. Van Collins, who have resided in Floydada since their marriage, have moved to Grove, Okla., where they will make their home. The couple intend to operate a dining establishment and grocery store at Grove near Mrs. Collins' family's rest spot.

Schools Show Wares Despite Bad Weather

Despite the weather a fairly good attendance marked Public Schools Week Tuesday and Tuesday night at the local schools. Parents braved the ice to visit the schools and see displays of their student's work and activities for the past school term.

Andrews Wards registered 230 mothers, fathers and other students during the afternoon from 7 until 4 o'clock. Junior High School registered 195, while the High School had a good number assembled for the night program.

The visiting period also gave parents a chance to meet some of the teachers for the first time, and to understand studies and projects taken on by the students.

Pupils and teachers made elaborate preparations to play host to parents and bad weather attendance was disappointing.

On Tuesday night families were entertained with a program at Floydada Senior High School. T. Graves gave the welcome address and selected numbers were played by the high school band, and the Junior High and Senior High chorus group.

Members of the play cast presented a skit under the direction of Mrs. I. T. Graves, followed by closing numbers from the band. Principal Tommy Nesbitt said the open house planned Friday night at Lakeview had been changed to tonight at their school, due to conflicting date, and the teacher's meeting to be held Friday at Lubbock.

Mr. Graves announced that all Floydada schools will be closed Friday enabling teachers to attend the meeting.

Dougherty News

By Mrs. W. J. Ross DOUGHERTY, Feb. 29 - There continues to be quite a lot of illness in our community, however no critical illness has been reported.

Mrs. J. E. Newton and Mrs. G. C. Tiner have returned to their homes and are recuperating satisfactorily after being hospitalized several days.

ROBERSON IS INFANTRYMAN WITH 82ND AIRBORNE

(AHTNC)—Army Pvt. David F. Roberson, whose wife, Frances, and mother, Mrs. Versie Perry live in Lockney, Tex., is a member of the 82d Airborne Division's 501st Infantry at Fort Bragg, N. C.

The division, a major STRAC (Strategic Army Corps) unit, constantly maintains an immediate readiness for Airborne deployment to any area in the world.

Roberson, an automatic rifleman in the infantry's Company B, entered the Army last June and received basic training at Ft. Carson, Colo.

The 19-year-old soldier is a 1959 graduate of Lockney High School.

Harmony News

By Mrs. Allan Gross

HARMONY, Feb. 29 — We received about five inches of snow. The weather has been very cold. Almost everyone stayed home the first part of last week.

The Harmony Home Demonstration Club met Thursday in the club room with Mrs. Gene Poole as hostess. Mrs. Poole gave the devotional from Proverbs 28:19. The program was on the shaping of rolls given by Mrs. Glen Curtis and Mrs. Glenn Poole. This included several different shapes also doughnuts and caramel rolls. These were served with butter and jelly and coffee later as delicious refreshments.

Members present were Mmes. Thurman Dunavant, Riley Holmes, Allan Gross, R. N. Hopper, Milton Shore, Charles Reid, Don Aiken, Monroe Schulz, R. B. Gary, Zant Scott, Mather Carr, Glen Curtis, Cecil Stanton and the hostess, Mrs. Poole.

Mr. and Mrs. R. N. Hopper, Mr. and Mrs. E. L. Thomas and Mr. and Mrs. Everett Miller returned home Wednesday night from Austin, where they had been attending the Annual Co-op Grain convention.

Debbie Davis, daughter of Mr. and Mrs. Bruce Davis has been a very sick little girl. Debbie was rushed to West Texas Hospital for emergency treatment. Her tonsils were removed Wednesday. We hope Debbie will soon be able to return home.

Thacker Gross spent Friday in the home of his brother, Allan Gross and family.

Sue Williams and Leon Williams visited Mrs. Mather Carr Monday.

Mrs. Erx Williams visited Mrs. Mather Carr Tuesday and they also visited Miss Anna Carr at Peoples Hospital, Floydada.

Mr. and Mrs. Horace Carr visited Mr. and Mrs. Wesley Carr Saturday.

Mrs. Horace Carr worked Sunday at Lockney General Hospital.

Mr. and Mrs. Allan Gross and Terri visited her sister, Addie Adkins Saturday night. Addie is home now but still a rather sick girl. She is still unable to attend school.

Mr. and Mrs. Chloma Williams and Sue and Leon Williams spent Sunday in Amarillo visiting his sister Mrs. J. T. Freeman.

Kevin Nelson, son of Mr. and Mrs. H. Nelson is suffering from a bone infection in his arm. He had blood poisoning in the same arm. Kevin is the grandson of Mr. and Mrs. R. B. Gary.

Zant Scott returned home Thursday from Denver, Colo., where he had been attending a convention of Noxious Weed Control.

Mr. and Mrs. Everett Miller and Mr. and Mrs. Carrick Snodgrass spent Sunday in Snyder visiting his sister, Mrs. Bob McCormick and family.

Mr. and Mrs. Charles Reid, Jody and Donna spent Saturday and Sunday in Amarillo visiting his sister and family, Mr. and Mrs. Joe Bill Barnard.

Mrs. Carrick Snodgrass visited Mrs. V. N. Manning Saturday.

Mr. and Mrs. Wesley Carr visited Sunday with Mrs. Carr's mother and father, Mr. and Mrs. Charlie Bailey of Dumont.

Mr. and Mrs. Steve Trowbridge and Mr. and Mrs. F. B. Trowbridge visited with W. C. Clubb in Peoples Hospital, Floydada Sunday. Mr. Clubb is Mrs. Floyd Trowbridge's father. He was celebrating his eighty-seventh birthday.

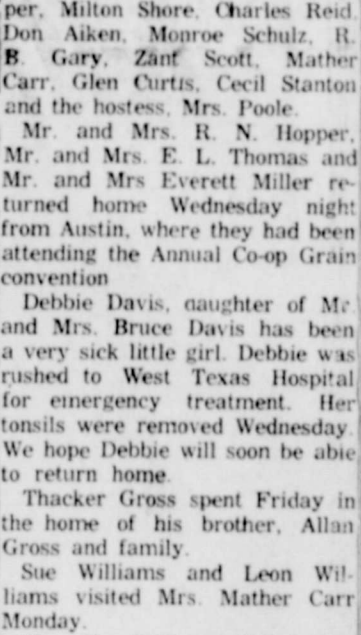

Mr. and Mrs. Allan Gross visited Mr. and Mrs. Steve Trowbridge Sunday.

What a Morning
Surely this is the day of the Lord. His sun is shining. His birds are singing... all's right with the world. But how is it with you? Are you enjoying God's surpluses? Can you speak as David spoke in Psalms 23:5? ... *my cup runneth over*. Do you attend Sunday school and the regular worship hour in the church of your choice? Could it be that you are in the midst of plenty and letting your soul starve to death? *If so you have recourse in God*. The way of the Lord is straight and poverty does not exist with Him. Why not wake up with this mother and son, look out the window and accept the challenge He offers you. Go to Sunday school and worship services this very day.

You In The Church
The Church In You
— form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker and attend services regularly.

FB Kicks Off Member Drive Monday at 7

Floyd County Farm Bureau will begin its 1960 Membership Drive with a "kick off" meeting at Golden's Cafe in Lockney at 7:30 a. m. Monday, March 7, according to the president, Jack McIntosh.

Volunteer Workers will meet for doughnuts and coffee and for an informal inspirational program. Millard Schivers, Organizational Director for the Texas Farm Bureau, will be present for the meeting.

Schivers will tell approximately 40 workers about activities of the state organization as well as what other county organizations are doing.

During the week workers will contact their friends and neighbors to inform them of the advantages of a strong Farm Bureau organization in Floyd County.

At the close of 1959 the local Bureau held a membership of 637, and have set their quota for this year at 650. Expectations are that this number can be exceeded substantially if the farmers of the county are fully informed regarding the philosophy and goal of the Bureau.

An added spur to get new members was given last week when the Crosby County Farm Bureau challenged the Floyd County group to a contest to see which could get the most members.

It was suggested during the drive that the board of directors of the members, be guests of the board of directors of the losing county to a steak supper on Saturday, March 19.

At the supper the person ed listing the most new members in either of the two counties, is to be presented with a gift.

MERCHANDISE ARRIVING DAILY

In Farming" and an eye-opening visit to the John Deere Plow Works to see precision automatic production of high-speed plow shares.

"Oddities in Farming" will take the audience from Arkansas to Minnesota, to see types of agriculture as unusual and varied as these states are far apart. The big feature of the unusual rice farm near Brinkley, Arkansas, is the rotation crop; carp of a size that would make any angler proud.

The youngsters especially will like a visit to the Halvorson Christmas tree farm in Duluth, Minn. They can watch the interesting steps by which tiny seedling trees grow to become the principal decoration of the Christmas season.

There'll be no secrets about how quality high-speed shares are made after John Deere Day visitors see the exciting film on this automatic, precision production line at the John Deere Plow Works in Moline, Ill. The picture shows in rapid sequence every step from the shearing of the steel blanks to final packaging of the shares.

Novelty numbers and musical features round out the show to make it a day everyone will enjoy and remember.

Whenever Beauty Is
By Rowena Cheney

On one brief page of His universe God writes, "Be still, and know." With pure white ink and a beautiful script:

Through myriads of fallen flakes, Which blanket the sleeping sod, The great pen moves to complete the line:

"And know that I am God,"
Wherever beauty is, God writes His word for all to see:
His pledge that law prevail For all eternity.

And whether He writes with pure white ink Or with colors of sky and sun, His postscript reads, "Remember too Beauty and truth are one."

NEWS FROM LIGHTHOUSE ELECTRIC COOP. INC.

by NANCY MORCKEL Home Economist

Annual Meeting Planning Committee met last Friday afternoon to make further plans for the annual meeting to be held on Saturday April 16, at the High School Auditorium in the Senior High School here in Floydada.

James R. Cobb, Manager of the Texas Electric Cooperatives, Austin, will be here to talk on "Legislative matters as they affect the electric cooperatives." Cotton John, KGNC Amarillo, will be on hand to show the film "An Arctic Adventure" that morning around 11:00 o'clock. Many other interesting things are being worked out. There will be attendance prizes—the major one will be a frost-free upright food freezer.

Attending this meeting were: Mrs. Rex Vaughn, Mrs. Arnold Hodges, Mr. and Mrs. L. D. Gouightly, Mr. and Mrs. Mack Fowler, Mr. and Mrs. Tom Porter, Mr. and Mrs. Ned Bradley and Albert Scheele. Flu kept some from being present.

I will give a demonstration on "Freezing Cooked Foods" at the Floydada Cannery on March 9th, 1:00 p. m. Mrs. Martha Day will be hostess for this meeting. Anyone interested in this demonstration is cordially invited to attend.

Mr. and Mrs. Claude Weathersee, Tommy and Leigh Ann spent Sunday in Snyder with his mother, Mrs. Eunice Weathersee.

L. C. Ferguson spent Sunday in Amarillo.

Wiley Rogers and Buck Maricle went to Canyon Saturday to see the Class B Tournaments Basketball game played.

Melvin Henry and son, Nicky, Odell Breed, Mr. and Mrs. Riley Teague and son, Keith and Mr. and Mrs. Henry Scarborough and sons, Charles and David, returned Friday afternoon from St. Louis, Missouri, where they attended the NRECA (National Rural Electric Cooperatives Association) Convention that was held there February 22-25. It was an outstanding meeting and was well attended—more than 5,000 from over the U. S. and Alaska registered for the business session.

Mr. and Mrs. John Smitherman and Mr. and Mrs. Harry Morckel enjoyed "dominoes" at the Tom Hutchins' on Saturday night.

Mr. and Mrs. Delmar Keisling and family of Sunray spent the weekend with Mr. and Mrs. Corkey Guffee, Larry and Phyllis Ann, Mrs. Keisling is Mrs. Guffee's sister.

EDITORIAL VIEWS AND COMMENTARY Floyd County 14 Years Ago

Snow In Showers. That snow like rain often comes in partial showers is a fact well-known, but somehow snow seems different to rainfall. You think of it as being about the same all over where you live. Last week's snow in this area was quite a bit heavier from Cone to Lorenzo than it was around Floydada. Around Cone, after the bare ground was showing in many parts around Floydada, the surface was all snow with only barns and buildings and fences in evidence. Motley County points also have had much more snow than fell immediately around Floydada. Snow comes in showers, like rain, we have to keep telling ourselves.

Demand For Sales Tax? The need for more taxes to support state government and have it operate all the matters of common welfare that we want the state to carry out will result in an increased demand of \$65 million or so every year for the foreseeable future. So say those who are in touch with affairs political and economic. Indeed at this moment the state's need for more money is at the \$85 million mark. To many people the only solution to the greater demand is the sales tax. Recently Fred Husbands, executive vice president of West Texas Chamber of Commerce, told a Floydada audience that his organization sees no other solution, if the state's business climate is to be kept inviting to the people we want to help develop the state.

We Can't See It. But you get out around the small business people and they'll tell you the cost of a sales tax, in addition to the tax itself, will add fantastically to the overall cost of doing business. One of the big costs of operating a business already is the time and energy consumed in keeping out of jail for failure to fill out the forms and remit to state or federal government. And in the states where a sales tax is in effect, what do they do about increasing costs of state government? The answer is, like in Arizona, the legislature meets and tacks on some more to the sales tax. Better stay away from that apparently easy way out to the tax problem. There ought to be a way and doubtless there is. The fact that "all the others" are doing it doesn't necessarily mean that a sales tax is wise.

Second In The World. We can become reconciled to the fact the world has come to look on the west and the United States in particular as second in the world. What saddens is the fact that our country has become secondary in the hearts of the oppressed of the world. What is official America doing in the name of the people of the nation that would make a South American mob want to spit in the face of our official representative on a visit there? And in Cuba, where we are presumed to have been the friends of the oppressed, to have gained for them their freedom and handed it to the people on a silken pillow? What is the matter? How are our millions and billions being spent if we come up only with the wrath of the poor peoples of the earth sharply whetted against us?

While Our President is on what he must think of as a master move to cement friendships in South America and allay fears in the Latin-American world, we have local affairs on which we should keep the neighbors informed, problems which may be more nearly our size. As for instance, the trees which have swelling buds and which would pop out in spring attire with only a few warm days. Peaches are not hurt yet, we feel sure, nor other fruitbearing trees. But it may be that the Chinese Elm seed crop is ruined. A look see last week-end indicated such might be the case. Tough on everybody to have to do without Chinese Elm seed sprouting all over the place this summer, if indeed we have lost a crop.

We have wondered if the peoples of the Latin American countries have been so interested in the president himself or if their curiosity is mostly about what he has in the Pandora box. It now appears that our head man will finish his trip, if his health holds out, without any "incidents." There have been several "incidents" just around the corner which the inciters to riot could not get through to the main drag where the president waved from our bubble top. What do you suppose (if they did think about it), was the reaction of the South Americans to our country flying an automobile several thousand miles for show off purposes.

Civil Rights Abuses. Getting the federal government into the states' affairs through Civil Rights bills and by many other well-planned programs seems to be the aim of a large part of nation's political planners. Attempting to punish the southern states, the modern counterpart of the pre-Civil War abolitionists forget they had such a law as is now before the congress in effect for nearly 20 years right after the Civil War, according to the history books. All the law did was to make it possible for northern bosses to more easily rig and control their big city elections. But history doesn't mean anything to the crusader.

Water Evaporation Research. Texas down-state lakes are subject to a tremendous loss of water from evaporation, the amount of which in acre feet, almost passes imagination. On the high plains, also, our wet weather lakes, lose more water to evaporation than goes into the ground. A simple, relatively inexpensive way to control evaporation is pointed to in recent experiments. Water in the lakes would last much longer and the water could be used as needed for recharge or to pump out on the crops to great advantage if evaporation could be controlled.

Tally On Polio. Since the first joyous outburst following the discovery of the successful vaccine shots for polio the hue and cry has died down. The lack of ballyhoo has resulted in carelessness on the part of parents. This development has caused the State Department of Health to refer to the matter sorrowfully as a "dramatic study in human frailty." Parents who fully intend to give their little fellows the polio shots put it off from day to day.

The department reports that nine out of 10 new cases of polio last year in Texas had not had the three basic vaccine shots recommended by physicians everywhere. Three out of four had not had a single dose of the vaccine. Since the vaccine has proved effective beyond all expectations the chance-taking of the parents becomes all the more anguishing. The little fellow becomes a statistic on a cold and impersonal polio report sheet, after it is too late.

Their Fair Share. In their meeting at Houston this month the DOT repeated their claim for a "fair share" of representation on the delegation that goes to the national convention. We fail to understand their reasoning. What is the fair share of the loser in a political or any other kind of a contest? The winner takes all so far as we know, and always has. He also takes responsibility. How can undivided responsibility go with divided representation?

USDA Secretary Benson will address the Texas and Southwestern Cattle Raisers Association in their first Austin meeting since the association was formed back in the early eighties. Which occasions us to hope the cattlemen, if they have any secrets of the trade, do not in expansive mood, reveal any of them to our secretary. A good man, no doubt, he tells all to whomsoever will listen, including the Russians.

Floyd County 14 Years Ago

From the Hesperian, March 7, 1946

Funeral services were held Wednesday for Mrs. E. W. Lightfoot in the First Baptist Church. She died Tuesday in Mineral Wells. She and her husband had resided in Floydada for 28 years. Captain Clifford Potts returned last week from Manila and is spending a 40-day leave with his family. He has been overseas 14 months and served as a chaplain most of that time in hospitals. He will report to New Orleans on April 6.

Dillon Patterson, one time football hero of Floydada High school, is back home once more and in civies after serving during the war with the Coast Guard. He returned home Sunday and will be associated with his father, Felt Patterson in operation of the Phillip 66 Retail Station.

Cpl. and Mrs. Jessie Haines of Fort Worth spent from Friday until Tuesday in the home of Mr. Haines' foster parents, Mr. and Mrs. Tom W. Deen. Haines was an airplane mechanic in the army air corps, and received his discharge at Fort Leavenworth, Kan., in February.

Sgt. L. H. Smith Jr., son of Mr. and Mrs. L. H. Smith of McCoy, has just received a discharge from the Army Air Force, and arrived home Friday in time for the birth of his son, Leonard Aubrey, on Sunday. Besides being the grandson of the Smiths, the baby is a maternal grandson of Mr. and Mrs. Harry Stanley of Floydada.

Funeral services for Elwood Assiter, prominent Cone farmer and son of Mr. and Mrs. G. T. Assiter, were held Sunday. Mr. Assiter, 51, was born in Motley County and came to Floyd County with his parents at an early age. He leaves his wife, three sons, a grandson, two brothers and three sisters, to survive. Lyndell Roberts is home on a 30-day leave with his parents, Mr. and Mrs. P. I. Roberts. The Floydada man is in the Merchant Marines.

Mrs. Chester F. Jackson Jr., the former LaJuana Leibfried, was entertained with a miscellaneous shower Feb. 23 in the home of Mrs. Guy Ginn.

Mr. and Mrs. B. C. Taylor Jr. of Canyon, are parents of a son born on Feb. 28. He is the grandson of Mr. and Mrs. Foster Amburn of this city. The father is employed by the Santa Fe Railroad.

Mr. and Mrs. Tate Jones, who have spent nearly a month in Rochester, Minn., while Mr. Jones had an operation at Mayo Clinic, returned home on Thursday night.

Mr. and Mrs. E. J. Barker and

granddaughter, Patricia Ann, visited over the weekend in the Wichita Falls with Mr. Barker's brother, W. A. Barker, who is ill. Students home from college over the weekend included Betty Yearwood, Earnestine Fowler and Dorothy Jean Rushing from WSTC, Mary Lee Thacker from Baylor, Gene Arvine from Tech, and Dale Goen from John Tarleton College.

Miss Jean Duff of Lubbock spent the weekend with Miss Frances Mitchell, former roommate at Texas Tech. C. W. Burton went Wednesday to Monday to visit with his ill father, W. T. Burton. He will remain an indefinite time to care for the ill man.

Mr. and Mrs. James R. Burrus of Phillips visited over the weekend with Mrs. J. A. Burrus and Mr. and Mrs. Clinton Fyffe and also Mr. and Mrs. D. W. Fyffe and family. The volley ball league got off to a flying start Tuesday night with four teams taking a hand in the first games. The Aggie team consists of Wiman, Burke, Wright, Latham, Crowell, Hamilton, and Crump.

Another good team is the Piggle-Wiggly with such players as Jack Knox, Joe Brown, Alfred Duncan, J. B. Woods, Loy Sparks and Leland Hart. The faculty team consists of Coach Gresham, Barber, Baker, Harris, Gatewood, and Handmaster M...nd.

The fourth team is the Bishop Pharmacy team. They are Aaron Carthel, Felt Patterson, Kyle Glover, Pee Wee Rainer, Leroy Chowning, Clifford Golightly and Jake Watson.

Veterans World War I Meeting

Meeting of all Veterans of World War I, USA, and their wives will be held at 8 o'clock, March 8, at American Legion Hall, in Plainview, has been announced by M. A. Dunn, Quartermaster, Bkrs. No. 1497.

R. R. McKinney, Commander, District No. 19, Big Spring will have some important information for veterans regarding pensions, says Dunn's announcement. The invitation to attend is general for World War I veterans of the area.

Center News

(By Mrs. J. E. Green)
CENTER, Feb. 29 — It is sunny and bright today, but the east wind blowing over the snow drifts is cold indeed. More snow for tomorrow is the forecast. Well, farmers are glad of the moisture.

It is much better than a dust storm or so we think. There were good crowds at the churches Sunday in spite of the cold. But many were out with influenza.

Mr. and Mrs. Green and Mrs. Carey and daughters attended church at Calvary Baptist Church. Mr. and Mrs. Green visited Mr. and Mrs. D. I. Bolding Monday and Tuesday evenings.

Dinner guests of Mr. and Mrs. H. B. Mankins last Tuesday were their daughter, Mrs. Grady McAda of Amarillo and their grandson and his wife and baby boy, Scotty. They returned to Amarillo after supper.

Wednesday morning came the big storm and it snowed almost all day and some since. Thursday morning was our lowest temperature. It was a number of business.

MORE TIME FOR BABY

... Yes you will have more time to enjoy baby if your home is equipped with an automatic electric clothes dryer.

No member of the family adds more to the laundry load than the sweet young thing that the young mothers often find the burden of washing and drying the line (the old fashioned way) leaves them with little time to play with the new arrival.

Making full use of low cost electricity can be the answer to laundry problems. Automatic electric washers and dryers require no attention, these electric servants operate for you at pennies... while the lady of the house enjoys the other household chores less strenuous.

Seek your favorite appliance dealer in Floydada this week. He will show you the new electric laundry appliances he has on display.

The wise home maker knows that low cost electricity is a few bargains available today... in many cases lower in price than 40 years ago.

ASK THE LITTLE LADY

... about what she thinks is the most important electrical appliance today. Most modern housewives will say the automatic electric clothes dryers and washers are the items they like best of all.

Once looked on as a luxury these much used appliances are now regarded as necessities in the modern home.

Nothing takes so much hard and unpleasant work from the shoulders of the lady of the house as these labor saving twins.

Cold, wet winter and early spring only add to the desirability of dryers and washers which do the entire task automatically almost no assistance... of course in other seasons the laundry is just as handy, but maybe not noticed so much.

My ELECTRIC clothes dryer eased all my doubts!

Mrs. John Krimm, 1002 Fannin, Amarillo, Texas

"I had doubts before I got my electric clothes dryer. I wasn't really sure that the dryer would keep my white clothes really white—that they might be 'grayed', after drying. There are doubts in my mind now, after using my dryer and week out — clothes stay white after clothes drying — thanks to gentle, safe heat that dries clothes perfectly."

"You can have your white clothes stay white. Get an electric clothes dryer now while dealer is giving free wiring and guaranteed satisfaction."

LATE CAPITAL Highlights AND Sidelights

by Vern Sanford

We may have a in the past three years. But, this year... but said, "much more remains to be done."

Water planning and development, said the governor, is essential to the state's growth and prosperity in the years ahead.

A series of three meetings will be held during March along the Colorado River and its tributaries to discuss water needs of those areas for the next 50 years. Meetings will be held in conjunction with the U. S. Commission studying Texas' major river basins. They will be in Wharton March 8; Big Spring, March 15; and Austin, March 17. Colorado River Industrial Development Association (CRIDA) will sponsor the Austin and Wharton meetings, and the West Texas Chamber of Commerce the Big Spring meeting.

Dryland maize yield increases 100 lbs. per acre

KENNETH BROSEH of Lockney, Tex. reports that 60 lbs. of Ammonia applied made 3200 lbs. maize per acre. Test was conducted on 250 acres of dryland maize to determine the benefits of ammonia. On 30 acres, 60 lbs. of Phillips 66 Ammonia per acre was applied. This land averaged 3200 pounds maize per acre. The rest of the acreage that received no ammonia averaged 2100 pounds," according to Kenneth Broseh, 785 acres.

increased 1/4-bale per acre," he says, "where Phillips 66 Ammonia was applied per acre. Ammonia is just like selecting top quality seed. Carefully cultivating the soil—it's a key part of the program to produce top yields."

of Texas farmers are now using Phillips 66 to help assure top net profits per acre—on dryland fields... in wet or dry years. Actual test prove that Phillips 66 Ammonia (1) produces high grade lint (2) increases sorghum grain yields (3) increases wheat and small grain yields (4) stimulates growth for more meat and milk.

Local Phillips 66 Agricultural Ammonia is now available. You can make more money this year with this 66% nitrogen fertilizer. It can be applied by your distributor.

3. State Board of Water Engineers called for a "time out" until March 8 on the longest-ever water hearing. At issue in the hearings which began Nov. 2 is whether the Trinity River Authority and City of Houston shall be granted permits to build two downstream reservoirs on the Trinity.

Water Board, apparently getting short on patience, advised opponents to get together and solve their problems cooperatively. Hearing has been given to long, bitter arguments and frequent flare-ups among participants.

San Jacinto River Authority has been chief objector to granting of the permits. SJRA contends that Houston will shortly need more water for domestic use but that Trinity water, because it contains sewage from Dallas and Fort Worth, is not suitable. San Jacinto officials say Houston should work with SJRA to meet the city's domestic water needs.

In the far-ranging testimony, water engineers discussed the probable water needs of Houston, Dallas and Fort Worth in 2010, and the possibility that Texas might be subjected before 2010 to a drought worse than that of 1950-57.

4. Texas is losing the battle for industry because of inadequate water supply, the director of UT's Balcones Research Center told an Austin meeting.

"Central Texas is in good shape," said Dr. J. Neils Thomas, "but the rest of the state is in sorry shape."

Texas has an average annual rainfall of 27 inches compared to an average of 30 inches for the U. S. as a whole, said Dr. Walter Moore, also a UT engineer. But he said Texas has a special problem—an evaporation rate 50 to 100 per cent higher than for the U. S. as a whole.

Auto Deaths Drop—Texas had an "almost sensational" 23 per cent drop in traffic deaths in the first seven weeks of the year. This is the period since the new Safe Driving Auto Insurance Plan went into effect.

There were 69 fewer deaths during the first seven weeks of this year than during the same period in 1959. Drop was from 243 deaths in 1959 to 174 this year.

Board of Insurance Chairman Penn J. Jackson said he felt the new insurance rates, which are higher for careless drivers, were due at least a portion of the credit for the improved safety record.

Conclusive evidence, both the governor and insurance board chairman agreed, would have to await more time and statistics.

Industry Seekers Named—Nine men have been named by Governor Daniel to the new, enlarged Texas Industrial Commission.

He also gave them as their 1960 assignment the gaining of 254 new industries for Texas—one for each county.

Members of the old three-member Industrial Commission were appointed to the new board. They are E. B. Germany, Dallas; Houston Harle, San Angelo; and Chester C. Wine, Laredo.

New members are Robert F. Haynsworth, El Paso; Ray H. Horton, Houston; Morris Higley Childress; Richard H. LeFourneau, Longview; James A. Redmond, Beaumont; and Al H. Chesser, Austin.

Fish For Farmers Questioned—A House of Representatives committee looking for ways to save tax money quizzed spokesmen of the Game and Fish Commission on its fish and quail re-stocking programs.

Committee members questioned whether the Commission should give out free young fish raised in the state hatcheries. They go to farmers and others to stock tanks.

A Commission official said the little fish cost the state about 1.5 cents each to raise.

Legislators also considered at length the Commission's quail hatching operation near Tyler, Quail, it was brought out, cost about 80 cents each to raise, are sold to landowners for game, restocking at 50 cents apiece.

Polio Outbreaks Foreseen—State Health Department predicts a rise in the number of polio cases in the spring months ahead. Most of the victims, said the Department, will be among those who have not taken advantage of polio shots.

Last year's record shows that three out of four polio victims had not had any vaccine and 9 out of 10 had not had all the recommended series.

Texas had 426 cases of polio last year, approximately 13 per cent of the 3,994 cases recorded in 1952 before Salk vaccine.

A Health Department official deplored parents who, "in the face of almost daily urgings, ignore the chance of giving their youngsters an infinitely better chance to escape polio."

Miss Jo Muncy, of Wichita Falls, was in Floydada Sunday in company with Mildred Wallace of Seymour and Ruby Mae Graves of Fort Worth. The trio were guests of Miss Muncy's parents, Mr. and Mrs. Ed Muncy while enroute from the West Coast where they spent a two weeks vacation. Their stops included Phoenix, Squaw Valley and San Francisco.

Two New Men have been added to the staff of the High Plains Underground Water Conservation District. They are Donald L. Leddell, left, above, who will be stationed in Lubbock, and Bruce E. Fink, who will be stationed in Hereford.

Friday To Be Day Of World-Wide Prayer

(Contributed news story)

People of one hundred and forty-five countries on six continents will join with the townspeople of Floydada on Friday, March 4, to observe the annual World Day of Prayer. This chain of supplication passes unbroken across oceans and continents from the first invocation voiced at dawn in the tropical Tongas.

By nightfall its message of hope and peace will have followed the sun's arc until the last prayers are murmured by dwellers on ice-bound St. Lawrence Island in the Bering Sea.

The local observance, one of 20,000 in the United States, will bring together many worshippers on the Day set aside to unite all Christians in a global bond of prayer. Services will be held in the First Methodist Church at 10:00 A. M. under the sponsorship of the women of the Methodist Church and the C. W. F. of the First Christian Church. Mrs. Jack Jordan is president of the W. S. C. S. and Mrs. Kinder Farris of the C. W. F.

The program, "Labourers together with God," will be presented by the Christian Women's Fellowship, and has been arranged by Mrs. Fred Brown, Mrs. Ed Wester, Mrs. Tom Snead, and Mrs. Farris. Included will be special thoughts on prayer brought by Mrs. Rex Brown, Mrs. Tom Snead, Mrs. W. D. Newell, and Mrs. J. B. Jenkins; hymns and special music; responsive reading and a devotional.

To close the service, the Myrtice Group will present a costumed skit explaining the need for help in countries around the world, and showing how we, as fellow Christians will want to help.

Mrs. Paul Fullerton will introduce and close the skit. Miss Kay Asher will be pianist for the morning service. Luncheon will be served by the Methodist women.

As prayers rise around the world in sixty languages and more than one thousand dialects, one of these will be a special supplication written for her people.

CLUB DISCUSSES CAR MANNERS AND SAFETY

The Harmony 4-H Club met the night of Feb. 15. Twelve members answered roll call with no accidents they had seen or heard of. Members present were Dixie Baird, Bill Carr, Janet Holmes, Jay Holmes, Norman Hopper, Don Ray Ramsey, Beth Scott, Nita Scott, Barbara Schulz, Monroe Schulz, Pat Tucker and Sherry Simpson.

Norman Hopper, president, called the meeting to order and led the club in the motto and pledge. Nita Scott gave the devotional and led in the singing of two songs. Norman Hopper and Jay Holmes presented the program on "Car Manners and Auto Safety," which was an interesting program.

Nita Scott led the group in two games, while Pat Tucker served refreshments.

M. F. Childs was returned to his Floydada home Friday after a stay of over a month in Lockney General Hospital. Mr. Childs is recovering fairly well from an attack of flu and a heart condition. He is still in bed most of the time however.

Dorman Turner and Annette Rose of Lubbock visited Sunday in Floydada with Mr. and Mrs. V. D. Turner and other relatives.

Bible Baptist Church

(Reprint by Special Request)

In the booklet "To Our Baptist Friends" it is stated on page twelve that the baptists teach ONCE SAVED ALWAYS SAVED, and the writer of this booklet says such a doctrine is not found in the Bible. We are going to show you that it is in the Bible. This fellow says that a person once saved can be lost and he tries to prove it by Luke 8:13. Yet this person in Luke 8:13, which he says is saved, had no baptism, and he turns right around and says there is no salvation without baptism.

So I wonder, dear reader, how this person can tell other people what BAPTISTS believe when he himself is so inconsistent in his own doctrine.

Nowhere in the Bible does it say a person who has really been saved can or will be lost. If they could lose it then Jesus lied to us in his Word, Jesus said, "He that heareth my Word, and believeth on him that sent me, HATH (present tense, meaning NEVER) EVERLASTING LIFE (how long is that), and SHALL NOT (future tense or in the future) come into condemnation; BUT IS PASSED (past tense, showing it has already happened) FROM DEATH UNTO LIFE." (John 5:24) Some may not believe Jesus when he said that, BUT I DO.

Why will these people not believe what Jesus says in his Word? There are at least three (3) main reasons, plus a lot of smaller reasons.

FIRST reason they will not believe a person is saved for all eternity is because they believe that salvation is a future possession, and not a complete present possession. BUT the Bible teaches SALVATION IS A PRESENT POSSESSION (Rom. 1:16; John 3:18; John 5:24; 1 John 5:13; 1 John 3:2 and hundreds more).

SECOND reason they don't believe a person is saved for all eternity is because they believe you may lose it because of unfaithfulness in not working unto the end, etc. But salvation as we have already stated is a present possession, and works has only the SOUL that sineth will

nothing to do with saving of the soul, but works has to do with REWARDS for the worker after he has been saved.

THE BIBLE TEACHES SALVATION FIRST THEN COMES GOOD WORKS. (You didn't work in ORDER TO BECOME a member of your family, but you worked AFTER YOU BECAME a MEMBER. You do not FOLLOW the Lord in ORDER TO BECOME one of his sheep, but you FOLLOW HIM because you are his sheep. John 10:27, 30) You don't work IN ORDER TO BECOME a son of God, but you work after you become His son. (Eph. 2:8,9 verse 10 shows works after salvation; Titus 3:5; Rom. 4:13 — 1:25; Gal. 3:24,26 and many more)

THIRD REASON they will not believe that ONCE SAVED ALWAYS SAVED, they don't understand the difference between the SOUL and the BODY (flesh). The saved person's flesh will perish (outward man) but the Soul (inward man) is renewed day by day. (2 Cor. 4:16) Paul had trouble with his body (flesh) sinning after he had been saved some thirty years. (Study carefully Rom. 7:15,25) Let us show you the SOUL (inward man or new man) from the time it is saved until the time of the resurrection which is of the saved. (Luke 14:13,14; Thes. 4:16) (Eph. 10:29; James 1:20, 21; 1 Pet. 1:21,23; 1 Pet. 2:25 and many more) So you see ONLY the SOUL is saved or born of God at this present time or life. The SOUL is saved or born of God and then it is SEALED by the Holy Spirit until the day of the redemption. (Eph. 1:13,14; 2 Cor. 1:21, 22) Then after the soul is saved then by being born of God, it is sealed then by the Holy Spirit and it is IM-POSSIBLE for it to sin again. (1 John 3:9).

So when the SOUL is born of God and it can not sin, then it says impossible for that SOUL to be lost. (Ezek. 18:4; Rom. 6:23 this article)

Jersey Sire Given Excellent Rating

Masterman Aim Jester, a Jersey bull bred by C. B. Carmack while he was active in the Jersey business, an animal in which he still retains a half interest, has received an Excellent rating by the National Jersey Cattle Club.

Last week Carmack and J. W. Robertson of Plainview, joint owners of the bull, received advice that their bull had filled all the requirements to be announced as a senior superior sire.

The first 10 daughters of the bull have completed records of 12,862 pounds of milk average with 789 pounds of fat in a lactation period. Sixteen daughters of Masterman have been classified that average 86.25 per cent.

Several Visitors Noted At Meeting Of Eastern Star

Floydada Order of Eastern Star met in the new Masonic Hall Thursday night and enjoyed visitors from Ralls, Lockney, Silverton, Spur, and Muleshoe. Veda Dorsey, Worthy Matron presided at the meeting. Several absentees were reported due to illness and the weather.

A report was given by the carpet committee, stating that the carpet fund is now at \$1,760. Invitations were read to attend Friendship nights at Olton on March 10, 6:30 p. m. for a salad supper, and at Plainview, March 12, 6:30 p. m. for a supper.

Illnesses reported was the father of Mrs. Lula Green, Mr. Masten, who is in a hospital at Amherst; Mrs. C. C. Webb, mother of Tommy Assiter, who is back in a Lubbock Hospital, and Harlan Day, father of Flora McNeill and Wanda O'Neal, said to be improved.

On the refreshment committee for the evening were Mr. and Mrs. Jess Patterson and Mr. and Mrs. Wayne Russell.
