

FLOYDADA AND LOCKNEY STORES LEAD IHC PACK

Mr. and Mrs. Mark H. Martin and Mr. and Mrs. Fred Martin have been getting royal treatment this week in New Orleans, where they have been guests since Monday of International Harvester Co., along with hundreds of other IHC dealers.

Beginning Monday when they flew down to the Crescent City the entertainment got underway. Tuesday was business, fashion show, light-seeing, Mississippi River cruise, and the Show Boat revisited.

Wednesday dinner at any one of a score of world famous restaurants.

Yesterday was sightseeing day for the women. Many interesting and historical scenes not routinely visited by the usual visitor to New Orleans, were included on this trip. The men, meanwhile were in a business session.

Tonight a Mardi Gras carnival is to be staged as the finale of the grand entertainment.

In the morning the party breaks up after breakfast and the guests depart for home. The Martins are due in in the afternoon.

The couples flew down on separate planes and are due to return the same way tomorrow.

Answer to it all: Floydada and Lockney stores of Martin & Co., each met and exceeded assigned quota sales of the New International tractor. The dealerships each reported 130 per cent of their quotas, a figure not reached by many plains dealerships.

Construction Work Begun On New Business Houses

Foundation was laid last week for two steel and masonry buildings at the corner of Wall and Missouri Streets that will cover 75 north feet of the block on the north side of the square in Floydada.

One of these buildings represents an expansion program for an old established firm, while the other will be occupied by a new business venture.

V. D. Turner and Leroy Burns are building and will occupy the east 37 1/2 feet on the corner and Kirk & Sons will occupy the west 37 1/2 feet, adjoining their present quarters. Ownership of the lot had been in the family of S. A. McMannis until recently since shortly after the founding of the town of Floydada. Mr. McMannis was at one time a merchant here.

Turner and Burns will introduce a new garage business, which they are naming City Service Co. The Kirks will provide more room for their furniture and appliance display.

Both buildings will extend 117 feet deep on the lots.

The two investments will represent an outlay of between \$25,000 and \$30,000.

Plans of Kirk & Sons also call for re-doing the front of their two-story building now occupied by their furniture department in a modernizing program.

V. D. Turner recently retired

Big Haul Made By Burglars At Floydada Store

Burglars, who broke into Hale's Department Store in the small hours Sunday morning, took merchandise having a value ranging into the hundreds of dollars.

The break-in was discovered shortly after 3:30 o'clock. It occurred between the hours of 1:30 and 3:30, said Police officer W. Perry Smith.

Night officer Will Taylor, who checked the store a half hour before the burglary, said it was raining hard during all the time until he got back around about 3:30 o'clock.

The car in which the loot was hauled from the store, was stolen from Davis Gin. It was found parked a half mile west on the Sand Hill road.

In addition to the merchandise \$5 or \$6 in pennies and \$3 or \$4 in silver were taken.

Loot taken by the burglars included 18 to 25 sport coats, two \$45 suede jackets, six or eight pieces of luggage, and small children's clothes.

Smith said entry was gained into the building through the back door. The glass was broken when the lock hinge had been pried off the door. The burglars left the same way they made entry, Smith said.

BISHOP PAUL V. GALLOWAY of San Antonio will preach at The First Methodist Church in Floydada Sunday night, Oct. 23. This will be the first visit of Bishop Galloway to this church since his election to the episcopacy in June and his assignment to the San Antonio-Northwest Texas Area.

The Bishop and Mrs. Galloway are to be honored in a Reception-Open House at the parsonage immediately following the evening service. Members of the congregation and friends are invited to call between 7 and 8:30 P.M.

Bishop and Mrs. Galloway are to be guests of the J. M. Willsons in Floydada.

Rain Torrents, Wind, Hail Lash County's Lush Fields

New Law Governs Absentee Vote

Absentee voting commenced on October 19, and will continue through November 4. Under the 1959 law, now in effect, absentee voters are in three categories:

1. Those in the county at the time of voting, who expect to be absent on election day. Such a voter must present himself at the County Clerk's office in person, where, after making sworn application, he will be furnished with a ballot; when he has marked the ballot, he leaves it in a sealed envelope with the clerk.
2. Those who, at the time they desire to vote, are outside the county and cannot be present on election day. Such a voter must make sworn application by mail, bearing an out-county postmark, to the county clerk for a ballot; on receipt of such application, the clerk will forward, by mail, a ballot, which the voter will mark, place in a sealed envelope, and return to the clerk by mail.
3. Those who, by reason of physical disability or sickness, are unable to go to the polls. Such a voter must make sworn application, by mail, accompanied by physician's certificate to his sickness or physical disability; the county clerk, on receipt of such application and certificate, will forward to the voter by mail, ballot, which the voter will mark and return by mail.

On election day, the Special Canvassing Board will check all ballots to determine whether they are supported by proper applications, and, having done so, will open the sealed envelopes and proceed to count the ballots.

As is apparent from the foregoing, a sworn application must be made in every case, and in no case may a ballot be hand-carried to the voter.

Floydada And Barwise Have Heavy Losses

Yesterday Floyd County people, viewing their water-logged fields of cotton and maize, were still engrossed in assessing the damage resulting from a weekend storm period of unusual violence, followed by continued rain through Monday and into the early hours of Tuesday.

The loss of cotton in bales is sure to run into five figures, the most optimistic concede.

In the period rainfall throughout the county has ranged from Pioneer Natural Gas Co., at mid-morning yesterday reported a low of 43 degrees with temperature falling. Residents were hoping the cloud cover would hold last night and today to stop the first frost predicted in the county by forecasters.

Drizzle was to turn to snow in the Panhandle and upper South Plains Wednesday night, said the Weather Bureau.

seven to 11 inches. Yesterday the over-cast was continuing the threat to the \$40 million crop which last week stood lush in the fields.

A freeze or deep frost this week it is speculated would add greatly to the damage in the water-soaked cotton fields. Likewise it would be damaging to a great many acres of maize still lacking two weeks of maturing.

Hardest hit were portions of Floydada, Sand Hill and Barwise districts. The storm area completely surrounds Floydada for one to five miles on every side.

(See Hail Storm, Page 8)

Whirlwinds To Host Muleshoe Friday Night

The Floydada Whirlwinds will play host Friday night to the Muleshoe Mules in a district 2AA football game. Kickoff time for the Wester Field outing is set for 8:00 p. m. Admission prices are \$1.00 for adults and 50 cents for students.

Continued rain and wet grounds have made practice for the teams and the school bands almost impossible, but plans are going ahead as usual with some sunshine and wind perhaps all will go well by game time.

The Whirlwinds are at present led by Olton for the district lead. Floydada last week knocked off Lockney while Olton was taking the measure of Muleshoe.

The Mules made a battle of it however and are expected to give the locals all they can handle if indeed the green and white team is able to turn back the invaders.

MR. AND MRS. GLAD SNODGRASS, are shown here with members of their family at a dinner celebrating their Golden Wedding Day, Wednesday evening of last week. In the group, left to right, a grandson, Glad Lynn Norman, Mrs. Norman, Mrs. Lewis Norman, daughter, and Mr. Norman, one grandson, Don, a student at NTS, is missing from the group. (Staff photo and engraving.)

Re-Name Watson County Auditor

Olin M. Watson Jr., named in November of last year to succeed to the office of county auditor after the resignation of Fred Conner, has been re-appointed to the post by District Judge L. D. Ratliff.

Watson's re-appointment dates from Oct. 1 for a period of two years, the minutes of the Commissioners Court disclose.

Where They Play Oct. 21

- Muleshoe at Floydada;
- Abernathy at Lockney;
- Olton at Morton;
- Anson at Spur;
- Ralls at Petersburg;
- Crosbyton - Open Date;
- Denver City at Post;
- Canyon at Dimmitt;
- Matador - Open Date;

The Whirlwind Quarterback Club will hold regular meeting on Monday night October 24 at the high school cafeteria. Time of the gathering is 7:30 p. m. There will be a business session, coffee and cake will be served, and films of the Lockney game shown.

Ham Smith is president of the QB Club and invites all members and Whirlwinds to be present and enjoy the football chat.

Anniversary Dinner Fetes Local Couple

A surprise dinner honoring Mr. and Mrs. Glad Snodgrass on their Golden Wedding Anniversary was given on Wednesday night of last week by the couple's daughter and her husband, Mr. and Mrs. Lewis Norman.

Centering the table was a gold and white two tiered wedding cake, flanked by a 50th Wedding Anniversary Loving cup, a gift from the couple's grandson and his wife, Mr. and Mrs. Glad Norman of Lubbock.

A gold candelabra with lighted tapers and floral arrangement from Mr. and Mrs. Lewis Norman and an arrangement of bronz mums with golden leaves from Mrs. R. C. Hewitt of Lubbock completed the dinner setting.

Married At Meridian

Mr. and Mrs. Snodgrass were married Oct. 12, 1910, in the home of Mrs. Snodgrass's sister, Mrs. Artie Dunlap at Meridian, Tex. The couple has one daughter, Mrs. Norman and two grandsons, Don L. Norman, senior at North Texas State, Denton, and Glad L. Norman, graduate of Tech, who is employed at Citizens National Bank at Lubbock. A granddaughter by marriage, Mrs. Glad L. Norman, is a senior in Tech. Don was unable to be present for the celebration but called his grandparents prior to the dinner.

The honored couple have had a big part in the development of Floydada. Mr. Snodgrass came here with his mother and father Carrick and Ophelia Snodgrass in 1891, and lived in a half dug out south of town. His mother was the second person buried in Floydada cemetery.

Mrs. Glad Snodgrass came to Floydada with her parents, Capt. and Mrs. J. W. Adams, Aug. 11, 1907.

Both Mr. and Mrs. Snodgrass are charter members of the Floydada Country Club. He is a charter member of the Rotary Club and Chamber of Commerce. He was Rotary International delegate.

(See Anniversary, Page 8)

HAS WINNING POSTER — Craig Fullerton, eight year old son of Rev. and Mrs. Paul Fullerton, is shown above displaying his Fire Prevention poster which took first place in the second and third grade division last week. Three articles used on the poster are the match thrown away still burning; smoking in bed; and a penny placed in a fuse box. The posters are on display in the First National Bank community room.

Scores Enter Contest On Fire Prevention

Have you seen how a fire gets started when mamma leaves the record in a fire drill, evacuating the building in 45 seconds minute to run answer the telephone or see about a sudden emergency?

Or do you know how a broken bottle of gasoline in the garage can ignite from a tiny blaze like a pilot light in another room of the home?

If you haven't and would like to know what dangers lurk in the every-day happenings about the household, ask one of the many youngsters in Andrews Ward first to fourth grades.

Last Friday they saw such a demonstration at the city fire hall.

Fire Marshal Billy Joe Baker, Police Chief Perry Smith and other members of the fire department gave the pupils graphic visual proof of how these fires can bring disaster to the home.

One-hundred and thirty students, all first graders of Andrews Ward School, received their lessons Thursday at the fire hall. The lessons and drills were being taught during Fire Prevention Week. Fire hazards are encountered by 25 million children as adults and the classes are for the purpose of removing these hazards from the homes, garages and out buildings.

Any teacher of local schools wishing a class or classes to see these demonstrations may call the fire hall for an appointment.

Mr. Baker said he had never seen such good cooperation in children as Thursday when the grade school was evacuated. The same goes for Floydada High School when students there broke their old record by vacating their building in 42 seconds Friday morning.

Baker and Smith hope to continue work with junior high school prior to Christmas when fire hazard classes will be held.

(See Posters, Page 8)

Few Accidents Are Reported During Storm

Perry Smith, Chief of Police, reported there had been relatively few minor accidents on the streets during the rains. Those which did occur resulted only in damage to the vehicles with no injuries reported.

His reports show a pickup driven Friday by a Latin American failed to stop at the intersection of Main and Houston Streets and was hit by a car traveling west. The car veered into a gravel truck parked in the center parking area of Main. The pickup driver was issued a ticket for not having operator's license.

Another accident was reported at the intersection of the Plainview Highway and Sand Hill Road Sunday. An Oldsmobile driven by Mrs. Mae Garrett was hit by a loaded grain truck driven by Charles Thompson, when she attempted to turn in front of the semi rig. Smith said approximately \$200 damage to the car resulted.

Several minor accidents occurred during the wet weather blamed on the failure of car brakes.

Two vehicles have been reported stolen over the weekend. A 1955 Chevrolet two door sedan was stolen Saturday night and found later parked near the Massie home in the west city limits. Officers believed the car was involved in the break-in at Hale's Dept. Store, also occurring Saturday night.

The other vehicle, a 1955 pickup, was taken from the used car lot of Cline and Rainer sometime Monday night. The theft was not discovered until Tuesday.

Smith said the water situation in the flats looked bad at the present. Water was still a foot deep Tuesday in North Ward School, probably to get higher. However the school should be ready to resume classes Monday.

Several Negro families have been moved to higher ground, he said. Volunteer workers were busy Tuesday moving families. If the weather gets cold there will probably be quite a bit of suffering, Smith said.

Voiceless People Have a New Voice, Thanks to Scientists

Now there is a new voice for the thousands of voiceless people in the United States — an electronic larynx that is being produced in this area by Southwestern Bell Telephone Company. The electronic device was invented by scientists at Bell Telephone Laboratories to provide a substitute for the sound of the vocal cords for a person whose human larynx has been removed or paralyzed.

This new electronic larynx looks like a modern electric shaver. The user holds it against the outside of his throat while operating it. The electronic larynx transmits sound waves into the throat cavity replacing those normally produced by air passing over the vocal cords.

The electronic larynx is small and compact, weighing only seven ounces. J. C. Oakley, manager for Southwestern Bell here, said, "This small, unobtrusive size also is an advantage to the user."

Southwestern Bell will make the electronic larynx available to laryngotomized persons at a price of \$45. Oakley said this price is the cost of manufacturing the device by Western Electric Company, manufacturing unit of the Bell System.

"We are not trying to make a profit with the electronic larynx," Oakley said. "The Bell System has pioneered in this field of making artificial larynxes available at non-profit costs since 1926, as we are doing with the electronic larynx."

Some 20,000 persons in this country are without the power of speech as a result of paralysis or surgical removal of the human larynx and must depend on either esophageal speech or an artificial larynx to talk.

"Many of these people can learn esophageal speech," Oakley said. "The electronic larynx is not intended as a substitute for esophageal speech."

"For this reason, we strongly urge all laryngotomized persons to consult their own doctors before deciding to purchase the electronic larynx," he added.

The electronic larynx is produced in two models — one has a high pitch to simulate the female voice and the other has a lower pitch for men.

The electronic larynx is designed to fit the hand and has a thumb switch control which enables the user to vary the pitch of his voice over a half-octave range in order to produce more natural inflections of speech and to emphasize words and phrases.

The speech volume is equivalent to a normal talker speaking at a conversational level.

"Most people can learn to talk with the electronic larynx after a relatively short period of practice, generally about an hour or so," Oakley said. "Further practice enables the user to learn the operation of the pitch control to produce a more natural sounding speech."

basis and that there might be short delays in deliveries on early orders since the device will be in short supply until about mid-October.

The new electronic larynx will supersede earlier model artificial larynxes provided by the Bell System but parts for the older models will continue to be available.

Bells labs scientists worked with a number of medical authorities, including the National Hospital for Speech Disorders, to develop the electronic larynx.

Wake News

By Ann Barnett

WAKE, Oct. 17 — The Wake Club met last Wednesday in the home of Naomi Mays. Nancy Marckel gave a demonstration of light in the home. She also showed how to decorate a popcorn cake and different ways to make cereals into candy. Sunshine gifts were exchanged.

The next meeting place will be decided later. We will meet with Nancy Marckel and Mem Buchanan for our Thanksgiving meeting. Sunday visitors of Mr. and Mrs. W. D. McMillan were Mr. and Mrs. Bernice McMillan and Pat of Lubbock, Mrs. Gordon Tyler, Crosbyton, Mr. and Mrs. Horton and children, Amarillo, and Mrs. and Mrs. George Griffin and girls.

Mr. and Mrs. Weldon Seigler and Dale. Mr. and Mrs. Allen Seigler visited in the afternoon. Mrs. T. R. Jones visited her mother, Mrs. J. E. Poteet in Spar on Tuesday.

Mrs. W. T. Barnett and Ann attended the funeral of J. F. Gilmore at the Central Baptist Church in Lubbock Monday. Mr. and Mrs. Henry Brewer is spending a few days this week with her daughter, Mrs. H. T. Ayers, Jr. Little Denise Ayers is staying with the Watsons, McDouglases and DeWayne Brewers while her mother is in the hospital.

Mr. and Mrs. Bill McCray and Melody were church visitors on Sunday night. Mr. and Mrs. Kenneth Havens, Shelly and Timmy.

Harold Truell is spending most of his time with his father, F. E. Truell, who is a patient in a Slaton hospital.

Mr. W. D. McMillan is home after spending a week in Crosby hospital.

Mr. and Mrs. A. R. Marley, Brenda and Debra, visited Sunday with Mr. and Mrs. John Willso. Further practice of the electronic larynx.

"The electronic larynx is essentially trouble-free, the manager said. Each new unit carries a one-year guarantee against manufacturing defects. After the warranty period has expired, Western Electric will repair the unit at a small, non-profit cost."

Batteries for the electronic larynx may be purchased at any radio supply store.

Oakley said telephone company representatives will be trained to demonstrate the electronic larynx to interested persons.

Teachers Meet Monday Night

Floyd County teachers will have a banquet Monday night at Lockney High School Cafeteria. It was announced this week by Bob Copeland, president of the Floyd County Unit of Texas State Teachers Association.

Speaker of the evening will be E. L. Galgean of the state organization. He will discuss the legislative program to be presented by the teachers to the 57th Legislature in January. Mr. Copeland will be master of ceremonies.

An attendance of about 100 is expected.

Mother of Local Woman Passes At Yakima, Wash.

Mrs. J. T. Huckabay arrived home last week by plane from Yakima, Wash., where she was called due to the death of her mother, Mrs. George (Blanche) McMillan. Mrs. McMillan died on Oct. 3.

She and her husband had been in Floydada and other points in Texas visiting their children and had returned to Yakima in June. Mrs. McMillan suffered a severe heart attack in December while in Floydada. However her death was attributed to a blood disease, Mrs. Huckabay said.

Mrs. McMillan was well known in the South Plains area. She had lived at Lubbock and Clovis for some time where she was a practical nurse.

Survivors include her husband two sons, Clyde McKinney Jr., Fairchild Airbase, Seattle, Wash. and Millard F. McKinney, Austin; daughters, Mrs. Huckabay, Mrs. Lavera Farrell, Devine, Tex.; Mrs. Joyce Defize, San Antonio; 14 grandchildren and two great grandchildren.

Caprock Cotton Buys Out Kiser

Malcolm J. McNeill, president of Caprock Cotton, Inc., said yesterday that the organization has bought out Kiser Auto Parts at 501 West Georgia St. and will operate the business under the firm name of Caprock Motor Parts.

Floyd Phillips, of Plainview, will be manager of the business. He and his family will move to Floydada when convenient school and housing arrangements can be made.

Seek Road East From Lakeview

A petition signed by Ned Bradley and others asking the Commissioners Court to lend their support to a Farm to Market Road from Lakeview east to connection with the F.M. Road No. 28, south of Dougherty, was acted upon favorably by the Commissioners Court in their session last week.

The court voted to recommend the route to the State Highway Department for consideration. The proposed route covers a distance of about 10 miles.

BIRTHDAY SURPRISE IS CALL FROM ST. SIMON, GA.

Mrs. W. M. Dorsey received a pleasant surprise Monday night when her granddaughter, Mrs. LeRoy Chowning and her two children, Douglas and Delores, called from their home in St. Simon's Island, Ga.

The call was a birthday remembrance to Mrs. Dorsey. The Chowning family reported they were doing fine and enjoyed their new home.

Third Broken Bone In Year

Jerome Pemberton, 14 year old son of Mr. and Mrs. Don Pemberton, has suffered his third broken bone this year. Jerome was thrown from a horse last spring the fall breaking his left leg and left arm.

Playing in the school gym a few days ago he fractured his knee cap.

Teachers Meet Monday Night

Floyd County teachers will have a banquet Monday night at Lockney High School Cafeteria. It was announced this week by Bob Copeland, president of the Floyd County Unit of Texas State Teachers Association.

Speaker of the evening will be E. L. Galgean of the state organization. He will discuss the legislative program to be presented by the teachers to the 57th Legislature in January. Mr. Copeland will be master of ceremonies.

An attendance of about 100 is expected.

OES Chapter Will Have Delegation At Grand Chapter

Order of Eastern Star met Thursday night with Mr. and Mrs. J. T. Huckabay presiding. The order was visited by Mrs. Mona McKay of 1080 Chapter Chicago, Ill.

An invitation was read for members to attend honor night at San Antonio in honor of Mrs. Mollie Goodpasture on Oct. 22. They were also reminded of friendship night tonight at Crosbyton Lodge.

There were reports during the meeting from members who attended Friendship nights at Muleshoe, Hale Center, Abernathy and Brownfield.

Several have made plans to attend Grand Chapter in Dallas from Oct. 30 thru Nov. 3.

Members are urged to remember the Christmas Card sale project of the lodge.

Mrs. Beth Newton of South Plains was reported on the sick list.

Hosts and hostesses for the social hour following the meeting were Mr. and Mrs. Sam Green and Mr. and Mrs. J. K. Holmes.

MRS. LON THOMAS, 85, PASSES IN FORT WORTH

Mrs. Lon Thomas, 85, formerly of Floydada, passed Tuesday night in Fort Worth, it was learned in Floydada early Wednesday.

Survivors are three sons, Don and Dr. Herman Thomas of Fort Worth, Dr. Homer Thomas of San Antonio, and one step-daughter, Mrs. J. A. Arwine of Ft. Worth, and a sister of Decatur, Miss. Burial will be at Springtown.

Mr. and Mrs. J. A. Arwine left yesterday to attend the funeral of Mrs. Thomas.

Mrs. Thomas resided in an apartment of the W. M. Dorsey family while living in Floydada in the 1930's. Her son, Douglas, is married to the former Merri Fagan, daughter of Mrs. Pearl Fagan.

CARD OF THANKS

I would like to thank all our neighbors and friends and members of the Eastern Star who were so kind and gracious to my family during my absence from home and since my return. Your cards of sympathy and words of endearment have helped so much since the death of my beloved mother.

Mrs. J. T. Huckabay and Family.

RUFFY TWINS

By Shorty Cardinal

Mrs. Tom Bob Jarboe and children, Jeanine and Jay Lynn, of Friona, have been in Floydada since Friday visiting with her husband's parents, Mr. and Mrs. Mal Jarboe and her mother, Mrs. Mable Laminack and other relatives. Mrs. Jarboe's husband, Tom Bob is in Dallas attending a principal's meeting. The visiting relatives returned home Tuesday night.

stone of this courthouse was laid, did the Star-Telegram publish the live horned frog was placed in article but the Associated Press of which that newspaper is a member, sent the dispatch to hundreds of journals.

He then related the circumstances: The courthouse cornerstone was going to be laid. Being a member of the band, he would have a part in the ceremonies. As he was leaving home, Wood saw his son, Will, playing with a horned frog. The father had read, a day or so before in the Dallas News, something about the purported ability of these creatures to survive a century without food or water. Deciding to put the matter to a test, he took the frog and proceeded downtown.

Because of his duties as a musician, Wood knew he would not have the opportunity to place the frog in the cornerstone so he entrusted the animal to a friend whom he saw place the frog in the cornerstone, where also were deposited a Bible, newspapers and coins.

That night, (after our conversation) I wrote a short news article, keeping the carbon for use in the Eastland paper and sending the original to the Fort Worth Star-Telegram, of which I was the local correspondent. Not only

County Judge E. promised to learn the exact estimate of the cost of the cornerstone would be on a Friday morning. It was informed that the middle of the stone next day the cornerstone. Through the Press, millions were this.

Letters came to Eastland from many sections. Visitors asked about the matter and townspeople traveling to other areas were showered with inquiries. Was it really true that a live frog had been sealed in the cornerstone? When would the stone be opened? The seekers for information dwelt in more distant regions wanted to know if there actually were frogs with horns. The young editor was amazed at the wide interest which had been aroused. It was not long until destruction of the courthouse began.

Many of us think of a legend as a story handed down from a long-ago past; something that our fathers heard from their fathers. But (this is the story of a legend that originated in the memory-span of many who read these lines — how a legend began, told by one who can be said to know about it at first hand.

Old Rip was one of those fantastic, fearsome-looking but harmless creatures which scientists say are lizards; but any small boy in West Texas knows better than that; they are horned frogs. They have leathery-like hides and spiked heads. They are voiceless and their drab color enables them to blend into the background. Their ability to scurry is their chief reliance in getting away from danger. When aroused, they can emit a reddish fluid from their eyes. In the winter, they find hiding places and go into a state of suspended animation.

The hero of this tale was no different in appearance from any of the unnumbered thousands which swarm over numerous Texas counties each spring and summer. A little, bright-eyed creature that you could hold in the palm of your hand — yet he gained world-wide renown and he has become a part of the lore and legend of Texas.

In the winter of 1927-28, this chronicler was editor of Eastland's daily newspaper. A group sat in the office of the district clerk in the old brick courthouse which had been built in 1897 and was soon to be torn down. The group was Ernest Wood, former county clerk and later justice of the peace. He was a plump, middle-aged man with mild blue eyes and a quiet way of speaking. The conversation had been about this and that, then Wood, addressing himself to the group, asked: "Did you ever hear in the 1930's, that West Texas tradition that a horned frog can live a hundred years without food or water?"

Newspaper instinct told me that here was a story but that instinct also told me to handle the line with care. So, in an equally casual tone, I replied, "No—but then I'm comparatively new in West Texas and don't know all the traditions. Why?" His answer was, "We'll soon know whether it's true or not."

"How is that?" "Because when the corner

With no change in the basic character of the Thunderbird, the 1961 models shown above introduce all-new styling, improved performance, and new standards of comfort and convenience. Although neither as wide nor as long as the previous model, the new Thunderbird has more shoulder room all around and up to eight inches more hip room in the rear seating area. An optional movable steering column permits the steering wheel to glide ten inches to the right for driver ease in getting in and out. Other comfort improvements include elimination of the "dog-leg," wider door openings and 12 pounds more foam padding in the seats. It is powered by a new 390 four-barrel V-8 Engine. It will be shown first at the national automobile show and go on sale in November.

the county in previous years. It was 248 percent greater than the payments made a mere four years earlier, when they came to \$140,000.

The growth has been the result of frequent revisions and enlargements of the pension system. More and more people have been brought into coverage each year. The size of the benefits, also, has been increased periodically by Congress. So too, have the taxes to pay for them.

Nine out of every ten workers are now covered, states the OASDI. Over 14 million beneficiaries are receiving payments that total \$10.8 billion annually.

In Floyd County, some 741 people are getting checks each month, as against 277 local recipients on the books in 1955.

The number will be greater next year when the changes recently made by Congress go into effect.

Fairview News

By Mrs. Clyde Bagwell

FAIRVIEW, Oct. 17 — We wonder at this writing if there is any part of the state of Texas that is not wet. At least Floyd County sure has plenty of water everywhere. Here in Floydada we received, up to now, five and one-half inches and still raining. Our rain began Saturday morning accompanied by high wind and some hail that did damage to flowers and shrubs here at our place. We had no report of hail out in Fairview community, just rain up to four and five inches. Lakes are full and running over and our street south of us looks like a river.

Rain is fine on the wheat but bad on cotton and feed that was ready for harvest. Some cotton had been pulled in our community before the rains set in.

The reason for our not having any news last week, we were out of town visiting relatives.

Mr. and Mrs. Clyde Bagwell spent the weekend at Muleshoe at the homes of their nieces and families, Mr. and Mrs. Leo Bartley and Mr. and Mrs. Bill Pierce. On Saturday afternoon, Mr. and Mrs. P. L. Joiner of Eugene, Ore., arrived for a ten-day visit. The Joiners are parents of Mrs. Bartley and Mrs. Pierce and he is the brother of Mrs. Bagwell and she is a sister of Clyde Bagwell.

Mr. and Mrs. Bagwell returned home Sunday night and brought Mr. and Mrs. Joiner home with them to visit until Wednesday. The Bagwells and the Joiners drove around over the county and the town seeing the changes and improvements that had been made the past five years. They also visited in Lubbock and Shallowater with relatives and friends.

While in Muleshoe, we all enjoyed a visit at the home of Mr. and Mrs. Claude Hartsell where we saw films of our relatives taken in Hawaii and in Oregon. The Hartsells are former Floyd County folks. Mrs. Hartsell is the former Anna Mae King, daughter of Mr. and Mrs. Tom King, who at one time lived in the Fairview and Center communities.

Mrs. Ed Bullard and daughters, Sherry and Mrs. Dexter Norwood and children, Brenda, Tammy and Jerry of Lubbock, and Mrs. Sim Reeves of South Plains visited in the home of Mrs. Walton Wilson Thursday. Mrs. Norwood and children will leave in a few days for Germany where they will join their husband and father who is stationed there.

Saturday of last week, Mrs. Oran Hatley of Lakeview and Mrs. Wayland Faulkenberry of Floydada visited Mrs. Cecil Payne and R. W. Lotspiech.

Mrs. Lula Petersop of Ft. Worth came Friday for a week's visit here with her brother R. W. Lotspiech and niece, Mrs. Cecil Payne and Mr. Payne.

On Tuesday night October 4, Mr. and Mrs. E. W. Walls went end to Plainview where they attended dad's sister and family, Mr. and Mrs. P. Maynard and baby son, Mrs. E. R. Walls. This get to-

gether was in honor of Mr. and Mrs. Jim Myers of El Monte, Calif., who were on a month's vacation touring several southern states and stopped in Plainview in order to get together with these old friends. Mr. and Mrs. D. D. Tate of Lockney were also present.

Mrs. E. W. Walls, Mrs. E. R. Walls, Mrs. D. D. Tate and Mr. Myers were school mates, having attended the same school in Oklahoma forty-two years ago. They enjoyed being together again and talking over old times.

Mrs. Dean Walls and two daughters, Lena and Diana and son Roy of Plainview, visited here Thursday of last week with Mr. and Mrs. E. W. Walls.

Mrs. E. W. Walls visited Friday afternoon with Mrs. Lee Rushing.

Last Tuesday, Mrs. W. B. Wilson, Mrs. Walton Wilson and Mrs. A. S. Mize went to Post to spend the day with Mr. and Mrs. Jim Mallard and sons Jenny and Timmy.

Mrs. Lee Burgett visited over the weekend at Shallowater with her son Bill Burgett and family. On Sunday they all went to Canyon to take Carnetta, daughter of the Bill Burgetts, back to college and while there they visited Mrs. C. E. Steen, sister-in-law of Mrs. Lee Burgett.

Several of our folks have been suffering from colds and flu the past week.

A number of us have been attending the revival services at the First Baptist Church the past week. The revival closed Sunday night.

Several of our folks attended the Friday night football game between Floydada and Lockney at Lockney. Among those attending were Mr. and Mrs. L. B. Cozy and children.

Mrs. L. B. Cozy did special nurses duty at Crosbyton a few days last week.

Mrs. Jim Stewart went to Plainview last weekend where she spent the time with her parents, Mr. and Mrs. L. A. Horton.

Friday visitors of Mrs. Jim Stewart were Mrs. Roma Haley and Miss Linda Bateman of Floydada.

Mr. and Mrs. Edell DuBois were dinner guests of their son and family, Mr. and Mrs. Bill DuBois, on October 9.

Mr. and Mrs. Shirley Irwin and children visited her parents, Mr. and Mrs. R. R. Waller in Floydada Saturday and had lunch with them.

Mr. and Mrs. Earl Huckabee and daughter, Sandra, of Hereford spent Saturday night here with her sister and family, Mr. and Mrs. Lee Burton and children.

Mr. and Mrs. E. W. Walls visited their son, Doyle and family after church Sunday night.

W. W. Baxter went to Tahoka Wednesday to spend the day with his daughter, Mrs. Ray Hopkins and family. On the way home, he came by Post and spent the night with his grandson, Kerwin Baxter and family. Their small son, Joe came home with his great grandfather to stay until Sunday when his parents came for him.

Mr. and Mrs. Jim Mallard and sons of Post came Friday to spend the weekend with her parents, Mr. and Mrs. Walton Wilson. Judy Wilson, from Tech also spent the weekend with her parents. They all returned to their homes Sunday afternoon.

Mrs. W. B. Wilson and Mrs. A. S. Mize enjoyed a visit from their nieces and families Saturday night, Mr. and Mrs. Alton Clifford and Mr. and Mrs. Ernie Hinkel of Weslaco.

All of the above, along with a number of other relatives, were Sunday dinner guests at South Plains at the home of Mr. and Mrs. Bill Beedy.

Mr. and Mrs. Walton Wilson visited in the Beedy home Sunday evening.

Mr. and Mrs. Lyndal Carey and Mrs. Roy Meek spent last week in Dallas visiting with Lynn and Mrs. E. W. Walls west end to Plainview where they attended dad's sister and family, Mr. and Mrs. P. Maynard and baby son, Mrs. E. R. Walls. This get to-

A. B. Brown, Town Builder, Banker Passes

The founder of the town of South Plains in Floyd County, A. B. Brown, 69, died shortly after midnight Friday in Methodist Hospital after a year of illness.

Funeral rites were conducted Sunday in Bowman Chapel of the First Methodist Church in Lubbock with interment in City of Lubbock cemetery.

Mr. Brown was an oilman and rancher and at the time of his death he was the last surviving member of the original board of trustees of McMurry College. He received an honorary doctor of human letters degree in May, 1939.

The former resident of Floyd County moved to Lubbock 34 years ago from Lockney. He was a former banker and brought controlling interest in the First National Bank in Lockney in 1918 and served as its president until 1929 when he sold his interest.

Mr. Brown was also former president of the Lockney Chamber of Commerce, was a member of the Methodist Church, Lubbock Kiwanis Club, was a Shriner and 32nd Degree Mason.

He and Mrs. Brown, the former Birtie Traylor were married in 1916. She is among survivors as is a daughter, Mrs. Dorothy Nie Hamblen, San Angelo and a brother, Henry Brown of Lubbock.

nesday through Friday.

Mr. and Mrs. Brice Allen and family attended church in Crosbyton Sunday morning.

Those attending the District W. M. U. annual meeting at Lubbock First Baptist Church were Mrs. Anthony Latta and Carol Mrs. Arzell Hyche, Mrs. S. G. Appling, Mrs. Brice Allen and Susan, and Mrs. Will Latta.

Mrs. B. C. Denson visited Mrs. Floyd Hill Monday afternoon in Crosbyton.

Ben Fletcher from Knox City spent the weekend with his parents, Mr. and Mrs. John Fletcher. He also participated in Charlie Max Moore and Nancy Smith's wedding.

Mr. and Mrs. Wayne Appling and family, Mr. and Mrs. Gene Miller of Tulsa, and Mr. and Mrs. Joe Appling were Sunday night supper guests of Mr. and Mrs. S. G. Appling. The occasion was a birthday supper for Anne Appling, Catherine Miller, and Jeanne Appling.

Mt. Blanco News

By Karen Watson

MT. BLANCO, Oct. 17 — Mr. and Mrs. W. B. Allen and girls attended a lecture at Plainview High School Auditorium Monday night, October 10. Dr. J. W. Marshall was the lecturer. Dr. Marshall, a former president of Wayland Baptist College, has spent the last seven years in Brazil studying the different tribes of Indians.

Bro. and Mrs. Arzell Hyche and children attended church at Caivary Baptist church in Floydada Sunday. They were also Sunday dinner guests of Bro. and Mrs. J. R. Williams and family. Gaylen Wheelers spent Thursday night with Ronnie Ogle of Crosbyton.

Wayne Bean and son, Buddy from Hereford, Vernon Denson of Amarillo, and Clarence Denson from Brownfield spent Friday in the B. C. Denson home.

Mr. and Mrs. J. W. McClure attended church at Crosbyton Sunday. Also Sunday they visited in Lubbock with their son and daughter-in-law, Mr. and Mrs. Jerry McClure. The J. W. McClures were Sunday night supper guests of Mr. and Mrs. Jerry McClure too.

Charles Moore of Baylor spent the weekend at home with his parents, Mr. and Mrs. Frank Moore, and attended the football game at Lubbock between Baylor and Texas Tech.

Bob Norman of Levelland spent the weekend with Mr. and Mrs. John Fletcher and carried Mrs. Norman and baby home. Mrs. Bob Norman and baby have been visiting her parents a few days.

Mr. and Mrs. Elbert Bolton attended church at Floydada Sunday morning.

Mr. and Mrs. Henry Brewer, Mr. and Mrs. Duwayne Brewer, Miss Wanda Justus, and Miss Karen Watson visited Harry Brewer of Panhandle A and M College at Goodwell, Okla., this weekend for their homecoming and saw Harry play in the football game against Northwestern State College.

Mr. and Mrs. Bill Wallace and girls were Thursday dinner guests of the Joe Strouds and boys of Lubbock.

Darwynne Brewer was a guest of Mr. and Mrs. Millard Watson and family Saturday and Sunday nights.

H. D. Club Meeting

The Mt. Blanco Home Demonstration Club met Thursday, Oct. 13, in the home of Mrs. B. Wheelers. A short business meeting was held at which new officers were elected for next year. Mrs. S. G. Appling was elected president, vice president is Mrs. B. Wheelers, secretary is Mrs. A. Latta, and reporter is Mrs. M. H. Watson. The meeting was then turned over to Mrs. Lonnie Ellison, who gave an interesting demonstration on the arrangement of dry flowers, fruits and the use of vases.

Those present were Mrs. S. G. Appling, Mrs. Rudolph McCurdy, Mrs. Anthony Latta, Sam and Carol, Mrs. E. H. Brown, Mrs. Frank Moore, Mrs. Millard Watson, Mrs. B. C. Denson, Mrs. C. F. Flemming and grandson, Mrs. Frank Knox Moore, Mrs. Lonnie Ellison, and Mrs. B. Wheelers, the hostess.

The next meeting will be Oct. 27 in the home of Mrs. S. G. Appling with Mrs. Morekel as our leader.

Mrs. Fred McDougle, Sharor and Charles visited Mr. and Mrs. Millard Watson and family Thursday night.

Mrs. Millard Watson, Mrs. Fred McDougle, and Mrs. Duwayne Brewer and Debbie visited Mrs. Peggy Ayers in the Lubbock hospital Wednesday.

Mr. and Mrs. J. W. McClure visited Mr. and Mrs. Wayland Jones and family of Pecos Wednesday through Friday.

'Winds Squeeze By Stubborn Lockney Longhorns 28 - 14

The Floydada Whirlwinds man- to their 39 (even punted to the aged to hang on to a slim 20 Floydada 32 where the ball was 14 lead Friday night in Lockney fumbled and Lockney recovered. as they edged the Lockney Longhorns in their first district 2AA game of the season. Lockney played inspired ball during the second half and made the Floydada team look pretty ragged.

The Whirlwinds were playing without the services of their regular quarterback Rodney Teague but it was fumblyitis and defensive lapses that had the green and white team reeling.

Actually the statistics of the game favored Floydada much more than did the score, but it recovered Lockney fumble in the end zone was all that saved the Whirlwinds from defeat.

Teddy Allen playing in the offensive backfield for Floydada was the spark that brought most of the hard to get yardage setting up Floydada's TD drives. Allen hit the line eight times for a respectable 54 yards or nearly seven yards per try.

Game Statistics
 Official statistics for the game showed Floydada with five penetrations of the Longhorn 20 and Lockney with 2 against the 'Winds. Their first down chart favored Floydada by 21 - 12.

Opening the game Lockney's Johnny Belt took the ball to Allen on the Floydada 15 and he returned it to the Longhorn 46 before being downed. A fumble gave Lockney the ball on their 47 and a crack at offensive play.

A 12 yard loss by Belt was too much to overcome and the Longhorns soon punted from their 46 to Christian on the 15 and he ran it back to the 'Winds 21. The Floydada offense also found tough sledding and soon kicked from their 25 to the Longhorn 42 with Lindsey doing the honors.

Again the Whirlwind defense held firm and Lockney faced a punt situation on their 43 from which point Margold kicked to Christian on the 20 and he ran it back to the Longhorn 45.

In the fading minutes of the first period the green and white started toward the Longhorn goal line and drove for first down yardage on the 33. Then Lindsey hit Orman with a pass on the 17 and the 'Winds had driven to the 9 as the period ended.

Marler Scores Touchdown
 Lindsey picked up a first on the one, running the sneak and then Marler scored the TD. A pass for the conversion failed and Floydada led 6 - 0.

Lindsey kicked off and sent one to Mangold on the Longhorn 15es fell incomplete and on fourth and he was downed almost in down Lindsey drove to one but his tracks. The 'Horns drove

Before the half ended the Longhorns received the ball and picked up first down yardage near midfield on a pass Belt to Allard but a penalty rubbed out part of the gain. Then pass interference was called against Floydada just before the intermission to give Lockney a first in Whirlwind territory but the whistle blew soon after to end the threat.

Longhorns Take Offensive
 The Longhorns took the field in the third period fired higher than a kite and all but stamped the head Floydada at the 'Winds 28. The attempt to punt was blocked by Wayne Cooper and the Longhorns recovered the ball on Whirlwind 36. Lockney faced fourth and 1 on the 26 but picked it up four plays later it was fourth and inches on the 16 and Gant blasted to near the 10 on the big play.

After gaining the five it was Johnny Belt on a fine bit of running and faking who went in to score. Belt missed the kick with Mangold holding and the Longhorns had a six on the score board.

The Whirlwinds showed they were still in the ball game by driving back down the field with the ensuing kickoff and just before the quarter ended Lindsey picked up a first on the Longhorn 16 and then Marler went to the 10. Stovall picked up six to the four and a first down Lindsey went into the end zone but Floydada was penalized back to near the 10 for offsides.

Allen made five, then two passes fell incomplete and on fourth and he was downed almost in down Lindsey drove to one but lost the ball on downs.

The hard pressed 'Horns attempted to run the ball out for some breathing room but on an attempted pitch out by Belt who was trapped, the ball missed the mark and went into the end zone where it was recovered by Melvin Lloyd for what turned out to be the winning TD. Christian picked up the conversion and Floydada led 20 - 6.

Floydada then kicked off and held Lockney, forcing a punt on Lee Dunn, Eddie Parks, Larry the Longhorn 45. Mangold's kick went into the offensive line as QB with Ginn or Barrow at center. Walker went in on defense as inside linebacker.

In the defensive department Davis and Parks were in on good tackles that threw Belt for a minus 12 yards early in the game and Stovall did likewise on another big play just before the half. It was Stovall and Powell that blasted Belt when he decided to try the pitchout at the goal line and Lloyd recovered for the game winning score.

Pitch Out Miscues
 The Whirlwinds managed to pretty well run out the clock with their next offensive drive. The kickoff went to Allen on the 15 and he brought it back to the 46 before being downed.

The Floydada drive brought two first downs with biggest gains going to Marler and Stovall and Lindsey. After making a first on the Lockney 34 the 'Winds lost the ball on downs at the Lockney 29 with one second on the clock. The officials called time then set up the chain and signaled to start the clock. Time ran out

Wayne Cooper and Donnie Hamst were big guys in Lockney defense. Belt, Gant and Mangold led the Longhorn ball carriers.

Whirlwind starters on the receiving team were Richard Marler, Ted Allen, Van Stovall, Charles Christian, Melvin Lloyd, Don Davis, David Crawford, Joe Lee Dunn, Eddie Parks, Larry Orman, Jerry Powell, Lindsey went into the offensive line as QB with Ginn or Barrow at center. Walker went in on defense as inside linebacker.

Scores Last Week

Center News

By Mrs. J. E. Green

CENTER, Oct. 17.—If this were July or August, what a wonderful rian this would be, six and two tenths inches since early Saturday. Well, it is good for all but cotton and for truck crops that need harvesting. It is good on fall gardens, orchards, wheat and, I guess, pastures (or is it?) Still we like rain.

Church was raised out for some of us that were "in the mud" on an island.

Several of our people have been down with a virus or something. Among them were Mrs. Phyllis Lee, Mrs. Mankins, Mrs. Green and Mrs. Fulkerson. Some of the Thomas Warrens had it several days ago.

Mrs. and Mrs. Tarpley Matthews, who have been visiting in the J. E. Green home and around, left Wednesday evening via Lubbock and San Angelo (there to visit more relatives) on their way to their home in Hillsboro.

Mary Grace Dunn spent the weekend in Lubbock visiting Margaret and also Jimmy Dunn and family.

Mrs. Charles Fulkerson spent Thursday and Thursday night in

Mrs. Fern Hartsell, Floydada, admitted 10-17, continues medical care.

Mrs. Nancy Emert, Floydada continues medical treatment.

Broadway News

By Mrs. T. E. Thornhill

(Intended for issue of Oct. 13) BROADWAY, Oct. 10 — Sunday was such a lovely day and the people of the community took advantage of it as seventy-two were in Sunday School and a few more for church services.

Mr. and Mrs. D. D. Thornhill visited the Homer Millers in Clayton Sunday. Billy Don Edwards, of Dickens, eight year old son of Mr. and Mrs. Ira Edwards and grandson of the Homer Millers, was hit by a car Saturday afternoon in Dickens while riding his bicycle as he rode up into the highway to turn around. He was lucky to escape with only several cuts and bruises and a demoralized bicycle.

Congratulations to Mr. and Mrs. Dale Largent of San Antonio on the birth of a daughter, Sherry Lee, Jean on October 23. The mother is the former Shirley Stewart of our community and the little lady is the first grandchild of Mr. and Mrs. J. W. Stewart. Mrs. Stewart was down last week to help take care of the young lady and the mother.

Mr. and Mrs. Arvis Moore and children, Fern, Robert L. and Kit ty Joyce, Donald Wayne Thornhill and Linda Davis were callers in the T. E. Thornhill home. Other callers in our home during the week were Bill McCray and Wayne Brantley Wednesday morning. Willie Smith and son Saturday morning. Mr. and Mrs. L. R. Rainbolt and children Marcia and Doug, Georgia Ann Winegar, Mr. and Mrs. R. M. Spence, Mr. and Mrs. Bill McCray and girls Cindy and Melonie, Mr. and Mrs. A. J. Whalen, Mr. and Mrs. Ben Beckham, Mr. and Mrs. D. D. Thornhill and W. H. Leatherwood. We are truly grateful to all who have been so nice to visit and call since P. Z. has been ill. You thoughtfulness and prayers mean so very much to us.

Mr. and Mrs. Arvis Moore, Fern and Robert visited their son and brother Charlie Mac Moore in Abilene Wednesday of last week.

Mrs. Richard Gossett and Mrs. David Sudduth and sons of Lubbock were their afternoon callers. Mr. and Mrs. Claude Sudduth, Mr. and Mrs. Ben Beckham visited Friday night and Saturday day with Mr. and Mrs. Jerry Adams and baby of Muleshoe coming back by Hereford Saturday night, visiting Mr. and Mrs. Ross Lomerick Saturday night and Sunday.

Tuesday afternoon of last week Mr. and Mrs. Hoyt McClure and Mrs. C. A. McClure drove to Memphis and spent the night with Mr. and Mrs. Robert Moss and sons.

Sunday afternoon visitors with Mr. and Mrs. Hoyt McClure were Mr. and Mrs. R. E. Leonard.

Thursday night of last week a fellowship meeting was at the church. All who were present enjoyed fellowship together as well as a sack lunch.

C. W. Hask is still in Crosbytown hospital. We know it has been a long stay over there for him, but we truly hope he will soon be well enough to come home.

Mrs. Earnest Smith was surprised Wednesday afternoon October 5 with a birthday party. Those attending were Mesdames Homer Smith, Otis Brown, Max Lee Chance, Clara Dean, Carl Gunn, Annell Grogan, Price Smith, Vester Holton, R. C. Rathel, J. C. McCracken, D. C. Thornhill, M. R. Given, Clavis Maze, Conda Starrett, S. P. Starrett, Calvin Smith, W. M. Brumane, Kilton Winegar, Gordy Tyler and her little granddaughter, Misses Bessie Smith and Karen Winegar.

Mrs. Kenneth Havens sent a gift the she was unable to be present.

Mrs. Smith says it doesn't matter how many birthdays you have as long as they are so nice

Baker News

By Mrs. R. A. Colston

BAKER, Oct. 17. This community received high wind, hail and rain Saturday morning. The wind and hail did some damage to the cotton and feed. We have received 7.7 inches of rain at the time of this writing.

Mrs. Jim Jones, Mrs. Otis Anderson and Elaine made a business trip to Plainview, Thursday afternoon.

Mrs. W. C. Willis and her daughter and family, Mr. and Mrs. Eugene Bush and De Wayne of Abilene visited Friday night and Saturday with Mrs. Willis' parents, Mr. and Mrs. George Fawver.

Several families from this community attended the Lockney Floydada football game at Lockney, Friday night.

Teresa Colston was honoree at a birthday celebration on the evening of October 13, when a group of relatives visited in her home to celebrate her eighth birthday. Present were her grandparents, Mr. and Mrs. A. Colston of Lake Dison, Mr. and Mrs. Gilbert Fawver and Doris, Mr. and Mrs. Curtis Snor, Will Lee and Leslie, Mr. and Mrs. Raymond Colston her parents and several other relatives. The group was served refreshments of birthday cake and ice cream.

Mr. and Mrs. Curtis Snor left Friday night for Huntsville where they attended the Rodeo, Sunday, returning home Monday.

Will, Lee and Leslie visited over the weekend with their grandparents, Mr. and Mrs. Gilbert Fawver.

Mr. and Mrs. J. B. Colston, Teresa and Danny were Sunday night visitors of Mr. and Mrs. Kenneth Willis, Brenda and Karen. Mr. and Mrs. Jerry Leatherman and Joyce Leatherman were Sunday afternoon visitors of Mr. and Mrs. Floyd Anderson and Ted.

Mr. and Mrs. Otis Anderson, Elaine and Connie were Sunday afternoon visitors of Mr. and Mrs. Albert Mankins and Waylene.

Mrs. W. C. Willis and Mr. and Mrs. Eugene Bush and De Wayne of Abilene were supper guests Saturday of Mr. and Mrs. Claude Fawver. Other visitors in the Fawver home were Mr. and Mrs. Floyd Bradford, Conley and Danny.

Mr. and Mrs. Kenneth Willis, Brenda and Karen visited over the weekend with her parents, Mr. and Mrs. Leon Landers and Sue of Lubbock. Saturday night Mr. and Mrs. Willis attended the Baylor-Tech football game.

Dougherty News

By Mrs. W. J. Ross

DOUGHERTY, Oct. 17. — This area has received rain from six to seven and one-half inches since Saturday morning which fell in showers from drizzles to torrential downpours with severe hail Saturday morning, damage to crops being quite extensive.

Mr. and Mrs. Tom Boyd of Amarillo were dinner guests of Mr. and Mrs. Bill Poole Friday. The Boyds were enroute to Ft. Worth to visit their son, Tom Brooks, who is a student at Southwestern Baptist Theological Seminary.

There were nine present for Sunday School October 16.

Mr. and Mrs. Kenneth Poole visited her mother in Dallas last week.

Mr. and Mrs. Edd Burleson and Mr. and Mrs. Howard Hamilton of Waco were Sunday dinner guests of Mr. and Mrs. Bill Poole.

Dr. Warren Poole and family called on the Pooles Sunday afternoon.

Robert Ward joined a group of friends at Littlefield Saturday morning for a deer hunt in Colorado. Those making the trip are Robert Ward, James Ross and Bobby Arnett of Lubbock, Lewis Powell, B. F. and Joe Priddy of Ralls.

Mrs. James Ross of Lubbock visited in the W. J. Ross home over the weekend.

Mr. and Mrs. Ray Musgrave and sons of Olney were weekend guests of Mr. and Mrs. Mac Ward.

Mrs. Robert Ward and Randy are house guests of her parents, Mr. and Mrs. R. C. Bullock, in Floydada.

Mr. and Mrs. J. T. Poole were in Gainesville Thursday and Friday.

Mrs. Tate Jones visited her mother, Mrs. R. P. Graves, at a Lubbock Hospital Sunday and Monday.

Janet, Elaine and Billy Ring were weekend guests of Mr. and Mrs. Claude Ring.

Long Beach Daughter Has Been Guest Here

Mrs. Edith Kelly of Long Beach, Calif., left yesterday enroute to home after being in Floydada to spend some time with her parents Mr. and Mrs. W. H. Foster. Mr. Foster has been ill but is reported feeling better.

Joining the family Sunday in the Foster home were Mr. and Mrs. Clyde Foster and family of Lubbock. Mrs. Elwood Walters and Mr. and Mrs. Harold Green and children of Plainview.

Mr. and Mrs. W. Edd Brown returned from Houston the first part of the week where they had been since Tuesday of last week. Mrs. Brown underwent extensive tests on her eyes while there.

Reports From Peoples Hospital

Mrs. Frank Webb, Floydada admitted 10-12, continues treatment, medical.

Mrs. Clay Black, Floydada, admitted 10-14, dismissed 10-17 medical.

Mrs. Juanita Cano, Floydada admitted 10-15, dismissed 10-17, medical.

Mrs. Ewell Kelly, Lubbock, admitted 10-16, continues treatment, O.B.

Mrs. Julius Jane Warren, Floydada, admitted 16-17, dismissed 10-17, medical.

Francis Sanchez, Eagle Pass, admitted 10-17, continues medical treatment.

Miss Ginger Ogden, Floydada admitted 10-17, continues treatment.

Mrs. Fern Hartsell, Floydada, admitted 10-17, continues medical care.

Mrs. Nancy Emert, Floydada continues medical treatment.

Card of Thanks

We wish to thank our friends and neighbors for their many kind deeds, cards and flowers during Bill's hospitalization.

Bill and Luther Fry and sisters

O. R. (Skinny) Moore, brother of Mrs. Mollie Kinnard, left for Dallas Friday where he plans to visit with a brother, Charles Moore and other relatives. Mr. Moore resides in Salt Lake City, Utah.

Scores of FHS Graduates Get News Of Home-Coming Nov. 11

Prospects of a big homecoming of Floydada High School Execs here on November 11 are brightening as mail continues to go out to the old grads. Ed Wester, President of the Floydada Ex-Students Association, said this week that many of the invitations are already on their way. Some 600 invitation letters had been picked up at the Hesperian office as of Tuesday and well over half of these have already been mailed. Barbecue and dance tickets had already been printed and these will be forwarded on all orders reaching Floydada by November 5. After that date tickets will be held at the registration desk where they can be picked up.

On homecoming day school will be dismissed at noon. There will be registration, reunions, pep rallies, coffees and get-to-

Retired Minister Phil H. Gates Is Moving To Pampa

Rev. and Mrs. Phil H. Gates who have resided in Floydada for several years are making their plans for moving at an early date to Pampa, where they will make their home.

Rev. Gates recently recovered from a severe attack of pneumonia.

The couple have two sons who make their homes in Pampa, and the Floydada couple are moving to the north plains city to be near them.

Rev. Gates, a former pastor of the First Methodist Church for four years, has been on the roll of supernumerary ministers of the church for sometime. They have enjoyed their residence in Floydada greatly, he said last weekend.

damage, heavy rain totaling two to four inches.

Barwise: Varying reports. At Barwise Elevator hail broke the rain gauge with one and one-half inches of rain recorded at the time. Hail took leaves off cotton knocked holes out, hailed hard for some twenty minutes.

Four miles west of Petersburg and on to Barwise, cotton was beaten down where it had been replanted since the hail in July. Tom Snead's place reported three and one-fourth inches of rain with some hail damage.

Parks Oil at South Plains reported no hail about a half of an inch while Murray Julian reported one inch and a quarter. A. B. Muncy at Muncy reported 2.08 inches with small hail and winds. Very little damage if any. J. K. Holmes at Starkey reported three and one-half inches of rain to medium hail, not too much damage.

Hail Storm

Barwise crops were lashed by the fury of the storm for almost an hour, and Sand Hill, in between had serious losses also.

The storm, whipping in Saturday morning at 10:30 on the wings of heavy winds at Floydada, lasted for 40 minutes. Tornado funnels that dipped and rose added to the fury of the elements. The only tornado in the county known to have touched the ground was at Floydada Airport where heavy damage was done to planes and buildings there, a mile outside the north city limits.

The rainfall mixed with fine hail in the 50 minutes was 3/4 inch. City streets turned to canals, and adjacent play areas filled by mid-day.

Of the county's 120,000 bale cotton crop the Texas Employment Commission's estimate is that 25 per cent was open, and 3,188 bales had been harvested when the storm hit.

At Aiken where the cotton and maize were both somewhat late, C. H. Andrews said that damage was not heavy in a big section in the northwest part of the county. Irick got little damage, he thought, and complaints from cotton farmers had not been general. A total of 8.1 inches of rain fell there.

At Lockney the rainfall was in excess of seven inches but there was no hail, and the same holds true for the northeast part of the county.

Saturday Rain Reports: Heavy damage reported in Harmony community. Some of the crops hailed out belonged to Marvin Smith, Chioma Williams, Sherwood Ramsey, and Dr. George Smith. The community received from an inch and a half to two inches of rain with high winds.

Others reporting damage were Horace Carr, T. Hollums and D. L. Miller. The damage was more extreme to the north and northwest of the community.

McCoys: spits of hail, no hail reported in the Harmony, Baker, Barwise and Sand Hill communities, although rain totals there have not been as great as in the north part of the county, near Floydada and east and southeast.

Lewis said what the county is going to have to have now is plenty of hot weather to save the cotton. It is almost mature and continued damp weather would be an additional blow to the farmer similar to 1957.

Some Streets Blocked: A survey about the city and county since the rains started Saturday showed, on Tuesday, nearly nine inches of rainfall for Floydada with some streets and highways blocked Monday from the downpour.

Hundreds of sheep have been killed by the hail and rain, a school child was injured when hit by a car, businesses and homes as well have been hit with damage by water, and planes and the hangar at Floydada Air Port was heavily damaged.

There have been reports of numerous "fender bendings" during the blinding rains in downtown Floydada.

Travel on the rural mail routes was slowed and nearly all social activities planned over the weekend and first part of the week were canceled.

Schools in Floydada were also dismissed Tuesday due to a failure of a boiler at Andrews Ward. While the temperature was hovering below 60 degrees.

Losses 1000 Head of Sheep: Doyle Mount reported some 1000 head of his lambs were trampled or smothered to death or drowned or were killed by hail shortly after they were unloaded at Barwise Saturday.

Mount said three truck loads from San Antonio had just finished unloading when the storm struck. All the sheep were just recently shorn.

From 50 to 60 percent of Mount's crops were damaged from the storm at Barwise as far as could be told Tuesday.

Johnny Miller at Barwise reported he lost from 25 to 30 sheep in one pasture and several in another. The heavier loss was confined to a herd that had been under the weather and were weak.

The sheep drifted to a south fence and bunched up where the number killed were evidently trampled on by others.

The injured school girl hit by a car Monday was Ginger Ogden, seven year old daughter of Mr. and Mrs. Ray Ogden. She was admitted to Peoples Hospital shortly after the accident at 3 p. m. She sustained no broken bones but was bruised and received lacerations.

Electric service off some six minutes in that part of town. This was on Saturday.

Sunday morning at 2:10 the east part of Floydada was without electricity caused by a direct hit by lightning. Mud and water hampered the work crew.

The third trouble spot occurred Saturday morning when a pole was blown practically over on the corner of Jackson and 9th street. The pole is still leaning but Parks said there was no danger involved.

Other Rain Reports: Rainfall measurements have varied from seven to nine inches in the near-by areas with Radix Station KFLD reporting 8.64. John Moss, south on Ralls Highway 9.02; Patee Kendrick, nine inches; eight inches at Harmony by Mrs. Mather Carr; D. C. Harrison, Lakeview, 7.04; M. B. Swanner, Sand Hill, eight miles west, 8.50; Leighton Teeple, South Plains, and Fred Fortenberry, south of South Plains, both report over six inches.

Joe Thurston, 18 miles south east of the city, reports over eight inches of moisture with roads blocked south and east from high water on Tuesday; J. G. Tucker, Cedar Hill, reports 6.07 while at Robin Fortenberry's place they received 7.01. The road crossing the Hackberry Lake in the community has the road blocked north of the Cedar Hill Store.

Tom Emert at Dougherty reported 11 inches of rain. The Powell Store said the lake just out of Dougherty had been full and over the road since the start of the rainfall.

J. M. Pierce on Ralls Highway in Starkey community reports seven inches; S. J. Latta, east of town, over seven inches.

Hurricane winds and what some have described as a twister struck the Floydada Airport at the height of Saturday morning's storm. Several planes were damaged, a shed at the airport demolished and the hangar damaged.

A plane belonging to Jack McIntosh and Weems Norman was nearly demolished in the wind and hail. Both wings were torn from the plane and also the tail section. The plane formerly was kept at Dougherty but following numerous thunderclaps last week the owners decided to bring the plane to Floydada to house.

The shed at the airport where the plane was moved, crumbled from the impact of high winds. Insurance adjusters were in Floydada yesterday to determine the loss.

One plane, staked down outside, belonging to the American Dusting Co., with headquarters in Chickasha, Okla., was completely demolished. Two other planes belonging to the company and staked side by side, received minor damage. One was flipped over by the wind but the other held ground.

When the main hangar blew in at the airport the brunt of the impact was confined to the plane of Dr. Jack G. Jordan.

Estimate of his damage was not learned Tuesday however. In the hangar with Dr. Jordan's plane was one belonging to Mark Martin, which escaped any considerable damage.

A. L. Wylie, Jr., who also stores his plane in the hangar, had moved his air transportation to Plainview Airport the day before.

Estimate of the damage to buildings and other equipment at the airport had not been completed as late as Tuesday.

Mail Carriers Detour: Ed Wester, Floydada Postmaster, said all rural mail was being delivered. However carriers were having to detour around lakes which were over the roads. Employees at the Post office had a field day Saturday morning as did others in business houses when water started pouring in at doors and roofs. Damage was confined to the interior of the buildings.

Persons are reporting water damage to basements, cellars, roofs and some stock damage in downtown stores.

I. T. Graves, superintendent of schools, said school was dismissed Tuesday as the result of the boiler not working at Andrews Ward. A part was ordered for the boiler which did not arrive Tuesday due to the rains. Without heat Mr. Graves felt it would jeopardize the children's health.

All schools resumed classes yesterday with the exception of North Ward school which is still surrounded by water. Some eight to ten inches of water was standing on the ground floor of the building Tuesday and water was at least two feet deep in the street adjacent.

Gene Webb, switchman for Southwestern Bell Telephone Co., said several lines at Lakeview and Cedar Hill communities were struck with lightning during the storm Saturday and Monday.

Phone service in those areas was disrupted and the condition of some roads hampered service men in repairs. However Webb said all lines were pretty well back to normal as of yesterday.

The crew has been working night and day to get everything back into ship shape, he said. The company lost only one pole by lightning and that was near the Floydada Air Port.

Don Pemberton at Southwestern Public Service said their company had only one trouble-spot which involved a number of patrons. Lightning struck the cross arm of an insulator at Barwise knocking it out.

J. D. Parks of the City light department said they had three trouble spots during the storm. The first was the result of winds when phase wires crossed and relayed the breaker on No. 4 feed.

Officers Election Slated By County Council Saturday: Floyd County Home Demonstration Council will meet this Saturday afternoon at the usual time and place.

The meeting was canceled last Saturday due to weather, Mrs. Elmer Norrell, chairman of the council said.

All members are urged to attend this important session due to the election of new officers for the ensuing year.

FB Directors Are Elected For New Year

Floyd County Farm Bureau entertained with a dinner honoring the retiring directors, incoming directors, hold-over directors and their wives Thursday evening of last week at Regers Restaurant in Floydada.

Following the dinner hour the monthly business meeting was held, discussions including review of the various organizational committees and their duties. Committee members and chairmen will be named at a later date by the executive committee.

In the board meeting S. J. McIntosh was re-elected president, Ewald Quebe, re-elected vice president, and Rex Smithman was elected secretary-treasurer to fill the office of one of the retiring directors.

After the business meeting President McIntosh gave a public information film presentation on agriculture entitled "I Am a Farmer," with recorded narration.

Present at the meeting were: Mr. and Mrs. Herman Thornton, Mr. and Mrs. J. P. Moss, Mr. and Mrs. Sam Puckett, Mr. and Mrs. David Batten Jr., Mr. and Mrs. Rex Smithman, Mr. and Mrs. Thomas Warren, Mrs. Russell King, Jerry Cooper, Shirley Irwin, and J. D. Hill, the latter field representative of Texas Farm Bureau, of Lubbock.

Present at the meeting were: Mr. and Mrs. Herman Thornton, Mr. and Mrs. J. P. Moss, Mr. and Mrs. Sam Puckett, Mr. and Mrs. David Batten Jr., Mr. and Mrs. Rex Smithman, Mr. and Mrs. Thomas Warren, Mrs. Russell King, Jerry Cooper, Shirley Irwin, and J. D. Hill, the latter field representative of Texas Farm Bureau, of Lubbock.

Present at the meeting were: Mr. and Mrs. Herman Thornton, Mr. and Mrs. J. P. Moss, Mr. and Mrs. Sam Puckett, Mr. and Mrs. David Batten Jr., Mr. and Mrs. Rex Smithman, Mr. and Mrs. Thomas Warren, Mrs. Russell King, Jerry Cooper, Shirley Irwin, and J. D. Hill, the latter field representative of Texas Farm Bureau, of Lubbock.

POSTERS

(Continued From Page One)

ards are plentiful. During spring clean-up next year the fire hall hopes to work with the high school students. The full cooperation of the town itself is needed to make the program a success and keep unnecessary fires from happening.

Apparently Floydada Volunteer Fire Department, has a good thing going.

Open containers holding combustible contents, or same stored in glass jugs which can be easily broken, carelessness used with cleaning fluid, leaving an iron plugged in, food left to cook while in another portion of the home, and other hazards were explained and demonstrated by the fireboys during their classes.

At a recent judging of fire posters, still on view at the Community Room of the First National Bank, Craig Fullerton won first place in entries from the second and third grade at Andrews Ward.

First place winner from the fourth and fifth grade was David Lyle. Each received \$5.00 from the Fire Department.

Other winners in the second and third grade were Malinda Webb second and Joe Breed, third.

In the fourth and fifth grade winners were Linda Gare, second and Rande Lu Brown, third. Second and third place winners received a gift of \$3 and third place winner won \$2.

The fire boys plan, if possible to select a Grand Entry from the posters which will be entered at the Fire Convention to be held later this year.

Judges for the local poster entries were Mrs. Gene Collins Jr., Mrs. Bob Copeland and Mrs. Ed Wester.

Sand Hill News

By Mrs. James Jeffress
SAND HILL, Oct. 17 - The community took a hard blow Saturday when five and one-half inches of rain accompanied by hail, some large as golf balls pelted the cotton and maize crops. Everyone was sick after the hail and everyone was out trying to determine how much damage was done. It will be a few days before we can tell.

4-H Club Has Meeting: The Sand Hill 4-H Club met Monday night with the president Warren Mitchell calling the meeting to order. David Bloys led the 4-H pledge and motto. The song leaders, Elaine Starkey and Beverly Pierce, led in group singing.

Committees were appointed to start plans for the Christmas party.

All project sheets are supposed to be turned in and those that haven't yet decided on a project should be turned in to Mrs. Gene Bloys as soon as possible. Reports were that our club had twelve records turned in. These will be eligible to attend the 4-H banquet in November.

Mrs. Gene Bloys was in charge of the program. It was on the use of guns and wild life. Others helping with the program were David Bloys, Bobby Holt, James Miller, Beverly Jeffress, Warner Mitchell, Mary Starkey, Norma Hollums.

Recreation was led by Janice Miller.

Refreshments were served by David Bloys and Judy Bullock to Norma Hollums, Bobby Holt, Jim My Huckabay, Elaine, Mary and Harold Starkey, Danny and Sammy Watts, Ronnie and Janice Miller, Beverly and Steve Pierce, Beverly and Jimmy Jeffress, Becky Miller, Neil and Warren Mitchell, Kelly and Robbie Becker, Willie and Randy Patterson Rex Pope, Mr. and Mrs. Gene

Bloys, Mrs. Pat Bullocks, Mrs. Lynn Miller, Mrs. Willie Patterson, Mrs. James Jeffress and Mrs. Tom Pierce.

The next meeting will be October 14 at 7:30 p. m.

Community Center Meeting: The Sand Hill Community Center held their regular meeting Thursday night at 7:30 p. m. Gene Bloys called a short business meeting. The community building has had some work done on it and money making plans were discussed by the members.

Mrs. Tom Pierce and Mrs. Earl Pierce were in charge of recreation for the children. Progressive "42" was enjoyed by all present. Mr. and Mrs. R. L. Bullock, Mr. and Mrs. Tom Pierce and Mr. and Mrs. Earl Pierce were hosts for the evening. Those present besides the hosts were Mr. and Mrs. Glen Kinard, Mr. and Mrs. Gene Swanner and son, Mr. and Mrs. Tom Thomas and Mr. and Mrs. M. B. Swanner.

Mr. and Mrs. Gene Bloys, Mr. and Mrs. B. J. Wofford, Mr. and Mrs. Fred Jackson, Mr. and Mrs. Lynn Miller and Ronnie, Kirk Slater, Mr. and Mrs. Weldon Smith, Orton Miller, Mr. and Mrs. Wayne Billington, Mr. and Mrs. Jim Holmes, Becky and Lon Miller, Er. Mr. and Mrs. Jimmy M. Guire and family, Mr. and Mrs. H. F. Jackson, Mr. and Mrs. Earl Pierce and son, Mr. and Mrs. James Jeffress and sons.

The next meeting will be Thursday, November 10.

Miss Fern Sissney of Lockney after she attended the homecoming bonfire at Lockney.

Mrs. W. R. Billington and Mrs. William Mayo visited in the home of Mrs. Billington's parents, Mr. and Mrs. Glenn Thursday.

Mrs. Cora Pace of Floydada is still making her home with her daughter, Mr. and Mrs. Walter Knight since her illness. We wish her a speedy recovery.

Mr. and Mrs. Pill Stringer and Christy left Saturday to spend the weekend at Monday, visiting in the home of her parents, Mr. and Mrs. Joe Earp and Brad. We are looking forward to seeing the Earps at home-coming at the Sand Hill Baptist Church, November 6.

Grandmother Holmes is staying in the home of her son, Mr. and Mrs. Jim Holmes this week. She will probably be there for the next two weeks.

Supper guests in the home of Mr. and Mrs. James Jeffress and family Saturday night were Mr. and Mrs. Gene Bloys and boys.

Visiting Sunday was Mrs. Jeffress' brother, T. B. Brown who was returning home to Lubbock after spending several days in Kansas City, Mo. It had been over a year since Mrs. Jeffress had seen her brother.

Mr. and Mrs. Leroy Dunham of Plainview visited in the home of Mr. and Mrs. Jess Starkey Sunday afternoon.

Ken Roberts of Floydada visited.

ed in the home of Beverly Jeffress Sunday afternoon.

Everyone has started working on the Sand Hill Baptist Church home-coming which will be Sunday, November 6. This will be an all-day meeting with dinner served at noon. Cards are being sent to all ex-members whose addresses are known. Anyone knowing any addresses, please contact Mrs. Dale Stringer or Mrs. James Jeffress. Everyone is expected to attend a special invitation to come to home-coming, November 6.

Mrs. Tom Pierce and Mrs. Earl Pierce were in charge of recreation for the children. Progressive "42" was enjoyed by all present. Mr. and Mrs. R. L. Bullock, Mr. and Mrs. Tom Pierce and Mr. and Mrs. Earl Pierce were hosts for the evening. Those present besides the hosts were Mr. and Mrs. Glen Kinard, Mr. and Mrs. Gene Swanner and son, Mr. and Mrs. Tom Thomas and Mr. and Mrs. M. B. Swanner.

of March 8, 1897.

EDITORIAL VIEWS AND COMMENTARY

Don't Legalize 36 per cent. The Hesperian last week urged citizens to think well before they voted to make a change in the state constitution raising the legal limit on interest rates. While some may think raising the legal charge for the use of money to 36 per cent is the way to curb the loan shark, it might not be amiss to remind the voters that once when the state tried a change to 12 per cent as a limit the result was anything but good. Country people, who are used to doing business with reputable lending agencies, should rally against this change, which, in our opinion, is the height of absurdity.

Publicist Boyce House. The author of three or four books on Texas and the originator of the horned toad story out of Eastland was in to see us briefly the other day. He is being paid to do what he can to get the so-called Loan Shark amendment to the constitution passed. He favors the amendment himself and those who see eye to eye with him on the proposal have him out shelling the woods. From our point of view the value of the amendment, if it were passed, depends entirely on what comes out of the legislature when and if the people adopt the amendment. We think it would be a good thing to leave alone for a time, a good thing to vote against.

The Western World keeps pecking away at the idea of a summit conference. Fearing for the lives of millions of this generation, heads of government, particularly of Britain, insist on a summit next spring. The United States, playing the leading role, can't find a place to begin. Any summit now will be a summit predicated on the rules that the Soviets lay down, amounting to appeasement in the same manner as Mr. Chamberlain thought he obtained "peace for our day" when he capitulated to Hitler. It is a most vexing matter, a thorn in the side of authorities at Washington.

Auto Insurance Plan. The state board of insurance has announced some changes in the penalties that will be enforced in determining auto insurance rates for auto drivers, effective January 1. The board was disagreed. Several points that had no bearing on the competence or responsibility of drivers will be eliminated. Running red light or stop signs, illegal turns, negligent collision, illegal passing, failure to have drivers' license, will be the penalty infractions charged to a driver in connection with insurance rates. The list is much longer at present.

Forthcoming Tax Battle. If the fight in the legislature two years ago was a hot one over new state taxes what will the proper word be to describe what is forthcoming in the session of the legislature that opens in January? Many business interests, hotly opposed by the Texas Retail Grocers Association,

have come out flatly for a retail sales tax. Labor has come out against a sales tax but endorsing an income tax on individuals as well as corporations. The Governor is opposed to both and many members of the legislature were elected on a platform opposing sales and income taxes. With \$100 million to raise if all the state services get what they are asking for and the deficit is to be wiped out, the fireworks will be a sight to see.

The Big Debate. We saw and heard most of last week's big debate and we did think the candidates were shown in more dignified poses and surroundings than in the previous two, when the trappings were for all the world similar to the "64,000 Question" and "Twenty One" of such ill repute. The report on the audience indicates it was much smaller—by millions—than the first two. Many people can take about so much politics. They do not realize that politics is the most important thing in American life.

Slow On The Draw. Partisan Democrats are chortling over the president's answer at a woman's forum a week or so ago. He was asked to name some of the important decisions Mr. Nixon had helped to make. "Give me a week or so and I could think of one," he said in almost those words. He has named Mr. Nixon as "my boy," and no doubt wants to help him achieve the chief executive's post. But if he does want to help Mr. Nixon he should learn to be quicker on the draw. That time he got his pistol shot right out of his hand. A week or so is not fast enough.

The Hawk Conventions. What do these solemn, quiet birds of prey discuss when they gather in October days at an apparently appointed place to sit for hours. Last week at such a gathering there was nothing less than a field full of them. What urge of nature makes them assemble in off election years the same as years when the political fur flies? Audubon or some other naturalist has reported on the phenomenon, no doubt, and the information lies in a musty tome in some library. One doesn't see the sight every day, and might go out purposely to see and not have any luck. When you drive up on the scene it spreads out before you, acres and acres of big hawks, all sitting there solemn as owls would be. No noise, no flitting about—just sitting.

Has Been Unusual. On the high plains one can never bet that one year will be like another. One may bet any given fall will be like a fall season he once experienced or heard about in the history of the country. And lose the bet, at that. No doubt 1960 will go down as a year of cock-eyed weather.

STATE CAPITAL
Highlights
AND
Sidelights
by Vern Sanford

AUSTIN. — Though the legislators are still home, shots already are whizzing in the battle over how to raise more state revenue in 1961. When the lawmakers arrive in January, they will have a hard time finding a road to new money that hasn't been land-mined and strewn with barbed wire by some group that opposes that course. Advance studies indicate the need for as much as \$100,000,000 a year in new taxes. Business groups, who have been holding meetings over the state, have come out flatly for a retail sales tax. They contend that to meet its needs, present and future Texas must have a broad-based, spread-thin tax that will grow with the economy. Representatives of organized labor, strongly opposed to a sales tax, fired back. Labor has endorsed the idea of a broad-based, "growth" tax, but insists it should be an income tax, on corporations and individuals. Governor Daniel has voiced opposition on both sales and income taxes. Many legislators were elected on platforms opposing both. Only other likely courses would be to raise taxes that already exist, or vote taxes previously rejected. But these roads also are blocked by groups ready to defend to the last. On such a battlefield, lawmakers might be tempted to retreat — except that this course is cut off too by supporters of better colleges, teacher raises, medical payments for the aged — all of which require more money.

U. OF HOUSTON AID APPROVED. — Commission on Higher Education recommended that the University of Houston be added to the state college system if it wouldn't cut into funds needed by the 19 already existing state colleges. Final decision can be made only by the Legislature. A Commission study indicated the University of Houston would cost the state approximately \$4,000,000 a year more from the general revenue fund. It has a 22-acre campus and a plant valued at \$22,000,000. Enrollment for this year is 11,500, second only to the University of Texas with 19,000. Commission emphasized that adding the Houston school should be conditioned on providing adequate financial support to existing state schools. Commission is tentatively recommending an appropriation of \$69,350,000 for higher education in 1962. University of Houston's needs would be in addition to this, meaning more money-raising problems for the Legislature.

AUTO INSURANCE PLAN REVISED. — State Board of Insurance has removed certain driving violations, mostly minor, from the list of those incurring penalties under the state's merit rating plan for auto accident insurance. Board members disagreed among themselves over whether to retain the present plan or abolish it and let companies set up merit rating on an individual basis. Board Chairman Penn J. Jackson favored the individual plan but was voted down by members Robert W. Strain and Ned Price. Removed from the list of driving offenses which cause the driver to have to pay higher accident insurance rates were such offenses as fraudulent use of driver's license, mental incompetence, physical incapability, driving on the wrong side of the street, going the wrong way on a one-way street, blocking traffic, illegal backing, improper signals, etc. Points will still be assessed against the driver for such violations as speeding, running red lights or stop signs, illegal turns, negligent collision, illegal passing, failure to have drivers license, whether involved in an accident or not.

BOWLING TAX OPINION. — A big bowling alley costs less than a tiny one, state tax-wise. Atty. Gen. Will Wilson ruled that the operator of a regular bowling alley should pay only the \$10 occupational tax, but that owners of coin-operated miniature bowling machines must buy a \$60 license for each machine. Two machines joined together cannot get by on the same license, said Wilson in the same opinion, given at the request of State Comptroller, Robert S. Calvert.

Only service machines are tax exempt, said Wilson. **TOURIST BOOKLET DUE.** — Texas Highway Department expects to have a new 32-page booklet designed to attract tourists to Texas ready for distribution by the end of this month. It will be the first booklet of its type paid for with state funds.

TIDELANDS LEASING ANNOUNCED. — School Land Board will start offering oil and gas leases in the Texas tidelands at its sale Dec. 6. Atty. Gen. Will Wilson announced that the U. S. Supreme Court decision recognizing state ownership of the tidelands for three leagues (approximately 10 miles) had been made final. This clears the way for the state to begin realizing revenue from them, said Wilson.

MEETING OF PAST NOBLE GRANDS HELD THURSDAY. — Mrs. Jewel Reeves was hostess for a meeting of the Friendship Past Noble Grand Chapter Thursday night at their monthly session. Mrs. Lona Sparks, president, presided. During business Omega Mae was elected secretary of the club to fill the unexpired term of Beth Widener. It was decided to hold the next meeting with Mrs. Reeves and have a salad supper. Those reported on the sick list were Pauline Webb, Mrs. Moseley, sister of Jane Marquis, Mrs. Pratt Huckabay, mother of Dorothy Reeves.

Stanley Vickers Prove Prowess At Cameron

Stanley Vickers before going to the Lawton col lege. He is still setting records away. In the Eastern Oklahoma game he made his team's first three touchdowns in the first quarter of play.

Don Vickers leading all rushers with 303 yards on 29 carries for a 10.4 yards per try average. He was tied for the scoring lead of his team with 30 points and was second among pass receivers at that time. No later figures to include the last two games are at present available.

Don is listed on the team roster as a 190 pound left half back. He wears number 24.

The Cameron Aggies are in the Oklahoma Junior College Conference. They are at present or top in loop play being undefeated by a conference member. Their lone loss came at the hands of San Angelo in an inter-sectional game.

This fall the Aggies defeated Dodge City, Kansas 41-12; Southwestern B 20-14; Conners State 46-0; Eastern Oklahoma 39-0; and Murray 33-12.

Among Don's outstanding TD runs was a 87 yard scamper from scrimmage in the Southwestern game as he bowled over two tacklers near the line of scrimmage and shook off a third.

Why Hot Rod?

Ricky Holland

Hot Rodding is a manifestation of the originality that is inherent in most Young Americans. It is indicative of the ever present desire to improvise and improve. It is a mirror of the inventiveness and ingenuity possessed by so many American boys. It is a reflection of the love of competition and, in that light, assumes many of the elements that buttress our cherished ideals of free enterprise.

Most hot rodders possess a certain degree of derring-do. This quality, if turned into wrong channels can be dangerous and evil. Yet, it is this very spirit, this love of speed, power and mechanical knowledge which makes a American fighter pilots the best in the world. It is this spirit or attitude if you prefer which gives us the finest armored divisions. The elements which make up an enthusiastic hot rodder are those most sought by the heads of our air force and army.

The real hot rodder is an experimentalist. He is perpetually dissatisfied with the status quo. He seeks improvement and gets it. He and his fellows constitute a tremendous pool of technical know-how on which American industry may draw at its convenience.

NUMBER 24 AT CAMERON JUNIOR COLLEGE, Lawton, Okla., is Don Vickers of Floydada. Don in his freshman year at Cameron is a starting left half-back and is pacing his team backs to a lead in the Oklahoma Junior College Conference.

FHS 1959 Annual Is Top Rated At Tech On J-Day

Floydada High School was awarded a cup representing top rating in the small yearbook division in the Annual J-Day Activities for high school journalists held at Texas Tech Saturday.

Several students of Floydada High who work on the school annual and Whirl attended the affair.

Mrs. J. W. (Ruth) Adams, who teaches English 3 in the local school, was on a panel which discussed the layouts, themes, and covers on yearbooks. Helen Foster, student, was with a discussion group on pointers in photography.

THINK BEFORE YOU VOTE!

Do you embrace Lodge's stand in favor of Federal aid to parochial schools? How does Nixon stand on the subject? Do you know? Senator Kennedy has stated that he is unequivocally opposed to such aid, and he has voted against it.

THINK BEFORE YOU VOTE!

Distinctive and authentically styled Gas Lights cast a soft glow that bids welcome to guests... serves as a silent deterrent to nighttime trespassers.

SEVEN MODEL PRICES FROM \$49.50 INSTALLED

PIONEER NATURAL GAS COMPANY

Hot rodders are not pure scientist or researchers. They are inspired in their hobby by the zest of competition. When they create something, they want to see how it works. The by-product is usually speed. The indulgence in speed is the spice that stimulates them in their technical endeavors. The National Hot Rod Association insists that speed in itself is not evil. They argue that organized speed events, conducted under safe, supervised auspices, provide the answer. They point to what has been accomplished in California, Texas, Illinois, New York and Ohio to prove their point.

In these areas, it has been shown that hot rodding is quite a wonderful thing. It has been demonstrated that an 18-year-old working on his car nights in his garage at home is not nearly so much of a social problem as the 18-year-old who spends his time in pool rooms or loafing around street corners.

The hot rod virus bites deeply. It becomes a sport, hobby and avocation all rolled into one. Adult guidance and assistance can make it a constructive enterprise. Unfair criticism, intolerance and misunderstanding serve only to create bitterness and to drive a perfectly legitimate activity underground.

Hot rodding is a facet of American life, and, if properly controlled and regulated, a very healthy and important facet with many constructive elements deriving therefrom.

Floyd County 14 Years Ago

(Issue of Oct. 10, 1946)

Overcast became lighter this week from the weekend of heavy rains. Floyd County and plains residents have counted up seven or more inches of rainfall recorded Friday to Monday.

Cubert Gray, who is attending school at A&M visited here over the weekend with his wife and her parents, Mr. and Mrs. T. T. Hamilton. Mrs. Gray and Sonya Kay returned with him to make their home in Bryan.

Mr. and Mrs. William Finkner are parents of a new son born on Oct. 7th. Grandparents of the baby are Mr. and Mrs. M. D. Ramsey.

Mr. and Mrs. Glenn Jones of Stockton, Calif., are here, guests of his father, Edgar Jones and other relatives.

R. A. Pope, Floydada boy, who went into navy service 16 years ago, was home again to see how the old town looks last week, his first trip back since 1937. Son of Mr. and Mrs. R. A. Pope Sr., the navyman and his wife of five years, were guests of his uncle and aunt, Mr. and Mrs. H. G. Pope.

Mr. and Mrs. Turman D. Fuqua of Rio Vista, were here last week-end visiting with his parents, Mr. and Mrs. M. C. Fuqua and other relatives.

Mrs. Dena Myrick and son Clovis attended the Veterans Homecoming at McKinney last Wednesday.

County Judge W. E. Grimes and commissioners Charlie Smita, W. H. Brock, W. C. Plumlee and R. B. Calhoun are in El Paso this week to attend the state convention of Judges and Commissioners.

State Bank examiner Lawrence Esslinger, of the State of Washington, was one of the recent visitors in Floydada. Resident of Seattle, Mr. Esslinger, his wife and daughter, Mrs. Harry Anderson, were houseguests of the Harry Morckels during their stay here. They are cousins of Mr. Morckel.

Mrs. Warren Beall Poole and sons, David and Daryl of Oklahoma City, have been guests the past 10 days of the boy's grandparents, Mr. and Mrs. W. S. Poole of Dougherty.

Leland A. Hart, sheriff nominee of Floyd County, is planning to attend the peace officers meeting in Dallas on Oct. 18, when law officers will be guests at the State Fair. He will also attend a two weeks intensive training school while there. Hart is to succeed Lee Howard, veteran officer.

Go now - pay later on the Santa Fe

Now enjoy all the fun and excitement of a Santa Fe trip and pay for it when you get back. Only 10% down. Spread the balance over 12, 18 or 24 months. (Minimum balance of \$60 required.) Good for all trips sold by the Santa Fe. Find out all the details of this convenient new way to travel.

Ask your local Santa Fe agent about the "Go now-pay later" plan

Yeast Breads — Plain and Fancy
Tasty homemade breads and rolls can make any of your meals or snacks a special occasion. And contrary to what most folks think, the art of bread making is easy to learn.

To help you, extension foods and nutrition specialists take the mystery out of bread making in a colorful bulletin entitled, "Yeast Breads Made at Home".

Steps for mixing ingredients kneading the dough, shaping loaves and rolls of many kinds are clearly outlined and pictured in the bulletin.

You'll find recipes for French bread, rye, whole wheat, cheese yeast bread, in addition to the plain white yeast bread. Refrigerator rolls, butter-milk rolls, oatmeal yeast rolls, and many other tested recipes are featured. On the sweet side, there are special recipes for different kinds of coffee cake, fruit filled rolls of all kinds, kolaches, and yeast doughnuts.

Suprise your family with some of these delicious homemade breads or rolls. Ask for the bulletin on "Yeast Breads" at our office. Yeast breads will go over big with your family this fall and winter.

Modern Home Laundry Equipment
Laundry equipment has undergone remarkable changes in the last several years. Currently the trend is toward making washers and dryers more automatic. This was brought out at an Electrical Equipment Workshop that I attended recently.

Washers with two or more washing and spin speeds are the most popular. The more deluxe models are featuring more automatic controls, permitting the user to select any combination of washing cycle time, agitator speeds, and water temperatures with the touch of a button or the turn of a dial.

Some have dispensers for detergent, water softener, or fabric softener. One of the latest developments is a dispenser which automatically adds bleaching agents to the wash water in the correct amounts and at the correct time in the washing cycle. As with all attachments, as long as these dispensers work they are fine. The control panels of the more complicated models are usually completely lighted so they are easy to see in the dark. It should be remembered that these added features will add to the initial cost of the equipment and adds to the possibility of more repair bills.

Automatic dryers are designed to be sold in matching pairs

with washers. More automatic and special features are also available on dryers. Drying times, temperatures, and combinations of the two may be selected according to the type of wash to be dried. Several new dryer models are being produced with built-in moisture condensers, thus eliminating the need of outside venting.

Combination washer-dryers have been on the market for several years, but mechanical difficulties and high purchase costs have held the sales of these appliances to 3 to 4 percent of the market during this period.

W. A. Gilbreath, longtime resident of Lockney who has been a patient in Lockney General Hospital the past four months, reported not doing so well this week by local relatives. Mr. Gilbreath is the father of Bill and J. W. Gilbreath, operators of Humble Service Station in Floydada. The elder Gilbreath has been in failing health for some time.

Motley Soldier Practices War In Korean Hills

1ST CAV. DIV. KOREA (AHC) — Army Pfc Riley E. Rigby, son of Riley R. Rigby, Matador Tex., recently participated with other personnel from the 1st Cavalry Division in Exercise Trooper Turnout II, a three-day field problem in Korea.

The exercise, involving about 20,000 troops, stressed the division's ability to adapt to fast changing combat conditions. Training in defensive tactics was provided by an attack by a simulated aggressor force throughout a 22 square mile combat zone.

Rigby, a fire team leader in Company D of the division's 12th Cavalry in Munson, entered the Army in July, 1959, and completed basic training at Fort Ord Calif., before arriving overseas last April.

The 18-year-old soldier attended Matador High School.

FINISHED BOAT CAMP

Marine Pvt. Leslie E. Curry, son of Mr. and Mrs. Fay Curry of Route 2, Box 8-A, Petersburg Tex., has completed recruit training Sept. 22 at the Marine Corps Recruit Depot, San Diego, Calif.

The 11-week course included instruction in all basic military subjects and infantry weapons.

Boat Camp Graduate

SAN DIEGO, Calif. (FITING) — Kenneth W. Robbins, USN son of J. Q. Robbins of Roaring Springs, graduated from recruit training Sept. 30 at the Naval

Personality Affected Climate, PTA Is Told

Church of needs discipline. If he does not get it he will feel as if he is being robbed. He may not realize what it is that he is missing, but it has been proven by child authorities that a child which does not receive discipline with love does feel robbed. By correcting a child it is proven to them that the parents are interested in them.

The parents should always be sure to set a good example for their children. A child cannot be expected to grow up better than his parents. A few do, but more do not. As to time in this hurried world parents often do not find the time to spend with their children so as to really know them and to give them the chance to be able to talk over their joys and problems. "Start now and encourage your child to talk to you about little things and he will come to you with his problems without hesitating," said the speaker.

Mr. Ewing asked these questions. How many children come home constantly to an empty house? Strange Fathers, and to a family that is involved in stormy weather. These things have a great bearing on a child's personality and future.

"We can expect high achievements for our children if we will give all we have to give including parents, school, teachers, church and all worth while organizations for children," he concluded.

There was a tie for the room counts between Mrs. Margaret Springer and Mrs. Hilda McDon-

THE BIG CHANGE—Is to an Electric Range —

That was the theme of a meeting of electric people in Floydada recently when plans were made to better present this product to the public. Demonstrating electric cooking for the cameraman were J. D. Parks, City Power and Light Department; Mrs. Nancy Morckel, Lighthouse Electric Cooperative; and Don Pemberton, Southwestern Public Service Company. A broiled steak is the item proudly shown by Chef Parks.

and so the library received the money. Plans were made for the Halloween carnival which will be Oct. 31.

Mrs. Lynn Miller was elected to attend the state convention at a delegate at Austin, Nov. 16-17-18.

So. Plains News

By Mrs. Murray Julian

SOUTH PLAINS, Oct. 17—Days were warm last week, with a low of 44 degrees Friday morning. About 4:30 Saturday morning a cold rain blew in, and showers continued all that day and night with fog and drizzle continuing all day Sunday. 1 1/2 to 2 1/2 inches of rain were reported over our community, but nothing like the hard rain and storm in Floydada.

With only twenty-five at church Sunday morning Rev. John Gillispie held an old-fashioned Sunday School class with all in the auditorium. Muddy roads and cold, foggy weather kept people home. No services were scheduled for Sunday evening, as roads were so bad.

Young folks of the Baptist Church, remember the youth meeting at the church next Sunday afternoon, Oct. 23, at 2:45 with Mrs. Oleta Boltoroff of Plainview as speaker for the group.

Keith Marble, youngest son of Mr. and Mrs. H. L. Marble arrived home Sunday morning by plane from Oakland, Calif., after spending the past year with the armed forces in Korea. Keith

folks, the Poyner Roberts of Floydada over the weekend. Mrs. Julian was initiated into Alpha Chi Honor Society Sunday afternoon at 3:30 in Canyon.

Mr. and Mrs. Bill Beedy were hosts at a large family dinner and gathering Sunday at noon. Due to the bad roads and weather some of the guests were not able to attend. Telephones are out over that way, but some of the guests we know that were able to come were Mr. and Mrs. Charles Beedy and children of Stinnett, Mr. and Mrs. Bradford Beedy and boys of Lubbock, Mr. and Mrs. Eugene Beedy, Mrs. W. B. Wilson, and Mr. and Mrs. George Mize.

Womens Missionary Union members met at the Baptist Church Wednesday afternoon for Bible study with Mrs. Bryan Karr as the new Bible study teacher. "Sharing My Saviour in the Home," the first chapter in the new Bible study book was studied, with members taking part. Attending were Mmes. Bryan Farr, Grigsby Milton, Shelby Calahan, Ed Noel, John Gillispie, L. T. Wood, Dock Jones, and Mrs. H. L. Marble.

Mrs. Chester Hidalgo was hostess in her home for a Stanley party Friday morning at 9:30 with Mrs. C. O. Denning of Floydada as Stanley demonstrator. Games were enjoyed before the demonstration of products, and Mrs. Hidalgo served cinnamon rolls and coffee to Mmes. Ernest Smithemaco, Charles Pruitt, Don Probst, Reuben Sessums, Grigsby Milton, J. P. Taylor, Nell Langley, Dan Brown, Philip Smitherman and Mrs. Denning.

Mr. and Mrs. Murray Julian left this Monday for Roscoe where they planned to stay the day and Tuesday with their children, Mr. and Mrs. Terry Julian and Dee. They plan to bring their granddaughter home with them for a few days. Bruce stayed with Bud Higginbotham while they were gone.

Bridal Shower Given for Mrs. Martha Sanders Main
Beautiful multi-hued dahlias and a silver coffee service centered the lace covered table at the home of Mrs. John Key West Tuesday morning from 9:30 to 11:30 at a wedding shower given in honor of Mrs. Martha Sanders Main, who was married last June and moved from our vicinity.

Mrs. E. P. Pritchett registered the guests who came from Lone Star, Sterley, South Plains, Lockney, Aiken and Floydada, and tend the revival meeting which gifts came also from Silverton. Mrs. Frank McClure and Mrs. J. P. Taylor were in the gift display room.

Mrs. Kenneth Bean presided at the refreshment table and served coffee and little tea cakes. Hostesses for the party with Mrs. J. K. West, were Mmes. Frank McClure, J. P. Taylor, Bill Beedy, Kenneth Bean, J. D. Webo, Arby Mulder, Sylvan Kinnibrugh, Early Pritchett, Grigsby Milton, Dock Jones, and Mrs. George Weast.

The hostess gift was an electric blanket and other individual gifts. About sixty guests called or sent gifts.

Birthday Party for Beth Kinnibrugh

Mr. and Mrs. Sylvan Kinnibrugh were hosts at a birthday party Thursday afternoon in their home in honor of their youngest daughter, Beth, who was 11 years old Thursday. Games were enjoyed by the guests who came home from school with Beth. Mrs. Kinnibrugh was assisted in serving by Mrs. Kendall Cummings.

Refreshments of cup cakes, ice cream, lemonade and Hallowe'en goodies were served Beverly Pierce, Kathy Mulder, Reta Taylor, Kay and Kelvin Cummings, Mary Respondek, Beth and Jerry Calahan, Darlene Gillispie and Vicki and Dian Calahan.

Beth Calahan and Beverly Pierce spent the night with Beth. Mrs. Chester Hidalgo, Mike and Casey, visited Mrs. Murray Julian Friday afternoon.

Those from the South Plains Baptist Church who went to Lubbock with Rev. John Gillispie Tuesday night were Bill Thomas, Cherry Mullins, Bryan Karr, and A. W. Coltharp have been Mrs. Nathan Mulder. They attended the District Brotherhood Meeting there Tuesday night at 7:30.

Mr. and Mrs. Kendis Julian are former residents of Floyd Canyon, where they attended college, were home with his folks, the Murray Julians and her

J. P. Mathis Died Thursday At Amarillo

John P. Mathis, pioneer Floydada merchant who moved to Amarillo 40 years ago, died in that city last Thursday evening.

Mr. Mathis, 75, was born Dec. 29, 1884 in Jackboro. He moved to Floydada in 1907 and was associated with J. G. Martin in the dry goods business here for several years.

He dealt in land and oil after moving to Amarillo and organized a company which brought in one of the largest oil producing wells ever drilled in the panhandle.

A member of the Westminster Presbyterian Church and the Lions Club he had also been interested in numerous civic enterprises in his adopted city. Funeral was held at Amarillo at 10:30 a. m. Saturday and burial was made in Llano Cemetery.

He is survived by his wife, Clara, a daughter, Mrs. Garland Martin of 4402 W. 3rd; a grand daughter, Miss Carolyn Kay Martin; a brother, Cyrus of Fort Worth; and a sister, Mrs. H. L. Ray of Waurika, Okla.

Mr. and Mrs. V. D. Turner left yesterday morning for Dove Creek, Colo., where they plan to visit until Saturday with her brother, Jack Medley and family and Mr. Turner's brother, Badge Turner and family.

Jim Carey was taken to the VA hospital in Big Spring Friday by his parents Mr. and Mrs. C. P. Carey for therapy on his leg.

IT'S YOUR MOVE, NOW!

In the past 20 years the membership of Lighthouse Electric Cooperative Incorporated has brought lights and power to the farmers and rural residents of a wide area of the south plains. This has indeed had more to do with making farm life inviting than any other single event of the past decade . . .

. . . and still there are a few who live on the farm who do not take full advantage of electric power. There are some for instance who are not cooking on a modern automatic electric range. To these families we will say why not go all the way? You have won the battles to bring electricity to the farm and to get it at a price all can afford. Why not see your local appliance dealer today and find that range to fit your needs . . . It's your move now!
