

CHRISTMAS AND SANTA CLAUS. Floydada business men found last week that Santa Claus still has his old appeal. He was the attraction for this crowd that filled the court house lawn Friday afternoon and spread out over the business district in search of treasure during the ensuing hours. The buying public must be wooed, the retail trades committee of the Chamber of Commerce has learned, and they are making use of every known artifice during this holiday season. Note the Nativity scene in right foreground. Incidentally, this scene, the lawn and the court house front make a Christmas scene of much beauty for night visitors. No expense to the county's taxpayers is involved. (Staff photo and engraving).

School Board May Call For Bond Election Soon

Stewart Claim is Affirmed

IN APPEALS COURT
Award of a jury in county Court award was made by the local court for Floyd County on Nov. 28, 1959, which gave A. V. Stewart \$8,373.87 for right-of-way taken by the county and state for U. S. Highway 62 one mile southwest of the city limits, was confirmed by the Seventh District Court of Civil Appeals at Amarillo last week.

The opinion, written by Judge A. J. Northcutt, was rendered a year to a day after the original suit was tried in November, 1959.

Appeal was taken on motion for new trial on Dec. 1 last year, and the motion for new trial was amended on Jan. 18 of this year. Both were over-ruled by the court.

At the jury trial it was stipulated and agreed that all proceedings had been regularly and properly brought, and the higher court affirmed the lower court's decision.

The case was styled No. 7,000, State of Texas et al vs. A. V. Stewart and others.

Prior to the trial here in November Stewart had been awarded \$4,890.40 by a special commission, composed of R. M. Battey, W. L. Davis and T. L. Gray, named to assess damages caused by the condemnation. The commission show one lien holder as a party, tried in November, ensued.

Officials See More Building Only Way Out

The board of education for Floydada Independent School District plans to present district voters with a bond issue proposal in the very near future. At the regular meeting of the group on Tuesday night board members went over the growing needs of North Ward School in Floydada and the fact that the school has twice been under water in the past four years.

This fall it was necessary to call on churches of the town to house colored students for a time until waters receded enough to resume studies at the school plant. The school now has more than 225 students and with the low lake-side terrain school officials doubt the advisability of further expenditure at the present site.

In addition to the above mentioned problems students are short of class rooms, have no gymnasium, and have to go across town to other schools for practice and games supporting their physical education program.

Seek Possible New Site
Studies that have been made to date indicate relocating the school and work is being done to secure property adjoining the Silverton highway in northeast Floydada. The proposed site is block 11.

The board will recommend the moving of North Ward buildings to the new location where they would be remodeled and additions made for needed class rooms.

Also the plan will include the building of a steel structure 96 feet square to house a gymnasium, boys and girls dressing rooms, seating, rest rooms, a stage, an industrial arts room, storage room, and entrance.

Some preliminary figures have been studied and more definite plans and figures will be gone over before a bond issue is called according to words of Ralph Johnston, president of the board and Superintendent I. T. Graves.

Cost Probably \$90,000
Early estimates of cost point to a gymnasium building that will run around \$40,000 and the entire moving and re-doing of the school campus that would run close to \$90,000.

Board members feel that this kind of program would take care of the foreseeable needs of this school and would give North Ward students, faculty members, and school patrons a school and campus of which they could be proud.

Other business matters to come before the board included the examination of monthly bills which

MODERNIZING JOB FINISHED. One of the new show places in Floydada business circles is the Powell Super Market at Georgia and Second St. Parnell Powell, shown here, is ready to greet customers at last, after spending thousands on an enlargement program. He plans a formal opening in January. Related story in another column. (staff photo-engraving).

Football Squad To See Two Big Week-End Games

Members of the Floydada Whirlwind football team, including all 62 of the boys who were on the squad through the entire season, will be treated to a school trip to Wichita Falls. The boys will be accompanied by their four coaches and will go in two school buses.

The outing is a reward for the long and tiring hours the boys put in in football training and will allow them to see some outstanding football games played.

The party will go by way of Childress where on Friday night they will see the Stinet-Albany game played.

Then on to Wichita Falls and the Kemp Hotel for the balance of the night.

On Saturday afternoon they will go to Coyote Stadium to see the Wichita Falls-Fort Worth Pascal game.

They will return to Floydada Saturday night.

Hospital Facilities Are Seen as Community First

(Floydada can't interest added competent doctors because it does not have ample facilities for them to work with. This is the burden of a frank discussion of Floydada's medical needs by Dr. K. O. Crum & at Peoples Hospital. The Hesperian, feeling incompetent to tackle this professional problem in the best interest of the public, asked Dr. Crum to undertake it. Below is the resulting letter to The Editor.—Ed. Note)

A new hospital is going to be a necessity in the near future. The present hospital, which has served the community well, is deteriorating, as all frame buildings do. After all the buildings were built to government specifications to last ten years. They have been used for over twice that time. The State Hospital Licensing Board has made several suggestions for improvement, next year these suggestions will be requirements. As the requirements become higher, it is probable that Peoples' Hospital will not be able to meet the standards set.

The ideal method of financing a new hospital would be to have public spirited individuals of adequate means, who would like to be forever remembered as Floydada's most loved and admired benefactors, to provide funds for the building. "Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over." Luke VI. 38. Of course there are other methods of building, bond issues.

The most alluring thing that could be done to attract new doctors would be to construct a new, modern hospital complete with all the latest equipment and design. This should be about 50 bed size with plans for expansion, if needed, at a later date.

Expanding Floydada Business Calls for Floor Space Additions

A business which opened in 1949 with a space of 32 by 42 feet including living quarters has expanded over the years with the latest addition expected to be completed by the end of the year.

Powell Grocery, owned and operated by Parnell Powell, was built and opened for business in 1949. Additional space was built in 1953 at which time the Powells moved into their new home. The store then was 25 by 50 feet.

The addition now in process of completion gives another 1,400 square feet of display space and includes complete remodeling on the inside of knotty pine plywood, brick front which houses four glass brick windows and double glass entrance doors. The ends of the building are covered with insulation siding. New lighting throughout the store is being added.

A 12 foot self service vegetable case and meat case has been added as well as an expansion of market facilities, office and storage.

Powell employs two full time workers and two high school youths in his business.

Mrs. Powell Great Help
Mrs. Powell has been a great help to her husband in his business. After its establishment she assisted in the store for nine years, being clerk, housewife and mother to two growing boys.

Mrs. Powell operated the store in the absence of her husband and worked part time until arrival of the last addition to the family, little miss Melody Ann.

The couple's two sons are Arlis, who is married and living in Lubbock, and Jerry, who is a junior in Floydada high school.

The Powells have seen the City of Floydada expand greatly since they arrived here in 1940 from Crosby County.

Powell lived in Crosby County two years where his wife was born and reared, being the daughter of the late Mr. and Mrs. D. F. Rogers.

Powell was first employed in Floydada by Looper Grocery, then by Felton-Collins for seven

Gold Star 4H Boy And Girl Are Honored

Janice Miller, Floydada, Gold Star girl, and Ronnie Hopper, Petersburg, Gold Star boy, both of Floyd County 4-H clubs were among other county members honored Monday night at the third annual District 2 4-H Gold Star Banquet in Memorial Hall at First Methodist Church in Lubbock.

Accompanying the two Floyd County youths to the banquet were their parents, Mr. and Mrs. Lynn Miller and Mr. and Mrs. Bob Hopper. Also county agents and their wives, Mr. and Mrs. Cecil Lewis and Mr. and Mrs. John Schlittler, home demonstration agent, Miss Phyllis Roggen-dorff, and Mr. and Mrs. Harry Morckel and Mr. and Mrs. Melvin Henry, representatives from the Lighthouse Electric, sponsors of the local 4-H Gold Star girl and boy.

U. S. Rep. George Mahon, was guest speaker for the banquet. State Sen. Preston Smith was master of ceremonies and Bob Nash, narrator.

The invocation was given by Dr. J. Ralph Grant, pastor of the First Baptist Church, Lubbock. The welcome was given by J. W. Coppedge, manager of Hall County Electric Coop., Inc., and Gail Phillips, chairman of District 2 4-H council gave the response.

Dinner music was by Olivia Worthen, Petersburg 4-H member, and a choral group from Lubbock provided entertainment.

Gold Star award winners from 20 counties were introduced by Mrs. Aubrey Russell and W. H. Jones, district agents of Texas Agricultural Extension Service.

Cotton Referendum Scheduled Tuesday, Reminder to Growers

Henry W. Schacht, chairman of the Floyd County Agricultural Stabilization committee, reminds growers of upland cotton of the referendum to be held December 13 to determine whether marketing quotas will apply to their crop production in 1961.

Marketing quotas have been proclaimed for cotton as required by law on the basis of the estimate of supply for the 1960-61 marketing year. The quotas do not take effect unless approved by at least two-thirds of the farmers voting on the referendum.

Any grower who engaged in production of the crops in 1960 is eligible to vote. Mr. Schacht said. Both husband and wife are eligible to vote.

If at least two-thirds of the growers who vote in the referendum approve quotas, marketing quotas and acreage allotments will be in effect. A farmer who exceeds his farm allotment will be subject to a quota penalty on his "excess" cotton. Price support will be available to growers who comply with their allotments at the full level of effective supports. This support will be in the range of from 70 to 90 percent of parity.

If more than one-third of the growers who vote in the referendum oppose quotas for the 1961 upland cotton crop, no marketing quotas and no marketing quota penalties will apply to the 1961 upland cotton crop. Farm acreage allotments will continue in effect. Price support to growers who comply with their farm allotments will be available to 50 percent of parity.

Voting places are: Consumers, Lone Star; Upton Grocery, South Plains; Paymaster Gin, Aiken; Beacon Office, Lockney; Cedar Hill Store, Cedar Hill; Barwise Gin, Barwise; ASC Office, Floydada; McCoy Gin, McCoy; and Powell Grocery, Dougherty.

Long Illness Claims Mrs. Earl Rainer

A long-time resident of the county who had been ill for more than two years succumbed at 4 o'clock Thursday morning. Mrs. Earl Rainer died at her home on West California Street. She had been critically ill for some two weeks.

Mrs. Rainer was born in Bell County near Temple the first day of April, 1883. She was the daughter of Mr. and Mrs. W. B. Robertson, early settlers of Bell County.

She and her husband would have celebrated their 55th wedding anniversary this month.

Survivors in addition to the husband include five sons, Arle of Floydada, Arlis and Lavon of San Diego, Calif., Norvell of Los Angeles, and Elvis of Lubbock; three sisters, Mrs. Claud Patton and Mrs. C. M. Lyles of Floydada, and Mrs. Alta Ingram of Merkel; three brothers, Austin, Houston, and Hobson Robertson all of Merkel; 13 grandchildren and one great grandchild.

Funeral rites were conducted Saturday afternoon in the First Baptist Church of Floydada with the Rev. L. A. Doyle of Portales, N. Mex., officiating. He was assisted by Odis Rainer of Austin. Interment was in Floyd County Memorial Park under the direction of Harmon Funeral Home.

Active pallbearers were A. T. Hull, Roy Baxter, Randall King, Bates McClung, Floydada, Earl Crow and Carl Lester Minor, Lubbock.

Honorary pallbearers were Clarence Ginn, J. D. McBrien, T. T. Hamilton, Sid Brown, Roy Patton, Walter Baxter and E. L. Angus.

TO SPEAK HERE. The executive secretary of the Foreign Mission Board of the Southern Baptist Convention, Dr. Baker J. Cauthen, will attend the All-Church Foreign Missions Banquet at the First Baptist Church Tuesday night in the cafeteria of Floydada High School, and will address a capacity audience there. The cafeteria was engaged when it appeared the Fellowship Hall of the church would not accommodate the audience expected. (Foster Studio Portrait).

Lower Arm Lost In Hamburger Mill Accident

A severe accident occurred at the Piggly Wiggly store in Floydada Monday shortly after noon when the right arm of Mrs. Eula Mae Lyles, employee in the mill department, was caught in a hamburger mill and was so badly cut and mangled it had to be severed the same afternoon.

J. L. Dalton, manager of the department, said he was at lunch at the time of the accident, but he understood Mrs. Lyles' hand slipped and got caught in the grinder, mangle the hand and arm up above the wrist.

Mildred Owens, Ernie Widener and Henry White, other employees of the store, went to the aid of the injured woman.

Mrs. Lyles, still conscious, was given medical aid and then taken to Peoples Hospital by Harmon ambulance. Her arm was amputated in surgery just below the elbow in order to remove particles still caught in the meat grinder.

Mrs. Lyles was reported resting Tuesday.

She has been an employee of the store for four and one-half years.

EDITORIAL VIEWS AND COMMENTARY

Chaos In Africa. The good intentions of the rest of the world notwithstanding, the introduction of self-government in many areas of Africa can only result in chaos for generations. The mind of the aborigine just is not fitted for self-government in the way we think of it. Large parts of Africa are ruled by their own destiny and their people know their way about in the world. But to many other dark areas, some of which are being offered "self determination" an understanding of what it is all about is far away in time.

Mrs. J. J. Spikes, (Nellie Witt Spikes) who wrote for The Hesperian regularly for many years to the pleasure and profit of a considerable number of our readers, has found it increasingly difficult to get time for writing of late. She was a visitor in the office for a few minutes Saturday. She may have time for a greeting in the Christmas issue of The Hesperian. She promised, but tentatively.

Quail Crop Short. It probably is not correct to say that the quail crop is much smaller than last year's crop, but hunters report there are areas where the quail crop is practically zero. These areas were hit by the disastrous hails at just the wrong time.

The Electoral College. With the date for the meeting of the electoral college, December 19, to make the election of a president official, only days away, there were still over the week-end, some ballots out in a few states. In this part of the world one fails to understand how this could happen — nearly a month elapse between an election day and its official return and canvas. No doubt not all the states have the same rules governing an election. In this state the practice would be looked upon as dereliction and official note would have been taken.

Interesting To Note. It is in the wide expanse of the "paper-ballot" counties of Texas that the Republican candidate got counted out, while in Chicago and Cook County it is the machines which counted out Mr. Nixon in Illinois. It does not seem likely that complainants can get 238 counties ordered re-counted in Texas before Dec. 19. We would not know about Cook County, Ill. They are doing a lot of things that can't be done up in Yankee-land.

We note a West Texas Democratic chairman, somewhere in the oil fields, probably Odessa, says he has been run out of the Democratic party. He was county chairman of the party but resigned. He blames the Democratic presidential platform. It no better suits us, we imagine, than him. What we wonder is where he was run to.

Superior Soybean Plants. The High Plains Research Foundation is likely to prove one of the best investments that business people (farmers are business people, they'd better be these days) have made in many a day. At the moment, among many other research jobs, is a soybean project. News story out of the foundation's publicity department this week says 746 individual soybean plants are being put into a new breeding test. Lodging, shattering, low yields have been three of the problems.

The Paymaster Farm. One of the most valuable farm research projects in the country has been the Paymaster Farm operations at Aiken, where Harold Lode has been masterminding many research projects, not cotton alone. Three hundred and twenty-three strains of soybeans with promise have been donated to the High Plains by Dr. Lode for continued experiment. These represent 18 years of research. A grant from the Clayton - Anderson subsidiary accompanied the gift of the experimental plants.

Accent on Living. Beneficial experience in many cities and towns of the country have demonstrated the value of putting accent on living conditions for working people. This is in cases where communities have sought, and successfully, new enterprises, factories and the like. Realization that the atmosphere in a community is likely to have considerable bearing on whether fortune smiles is important. Good churches and schools, of course, but certainly not these alone. Think what attracts or would attract yourself to a community and you may have found what can or may attract others

What Kind of Tyranny? People in the United States always have feared that their bad man, the tyrant, would be riding a horse. It will turn out that our man who comes slipping into the communities and running domestic affairs will be riding, instead, a hobby horse. The Supreme Court is giving orders right and left to the school districts, under the guise of assuring a down-trodden minority their rights.

Deens Observe 59th Wedding Day Quietly

An early day pioneering couple, Judge and Mrs. Tom W. Deen, observed their 59th wedding anniversary Tuesday with no formal celebration but enjoying the day with numerous friends who called at the home with well wishes.

Judge and Mrs. Deen are both confined to home due to delicate health. The former judge of Floyd County was stricken in April of this year but was semi-active until that time.

None of the couple's five living children were able to be here with their parents, but were with them recently, three during the Thanksgiving holidays. Two sons, Tom W. Jr., of Barstow, Calif., and Fred O. of Indio, Calif., were here in the summer.

The other children are a foster son, Jesse Haines of Fort Worth, Mrs. Velma Booth of Dallas, and Wilma Deen of Albuquerque. Judge and Mrs. Deen have four children who died in infancy.

Judge and Mrs. Deen were married in Floydada, December 6, 1901, in the home of her parents, Mr. and Mrs. O. J. Haines. They have lived their entire married life here with the exception of three years and as Mrs. Deen says, "we moved back to our old stomping grounds."

Floyd County 14 Years Ago

(Hesperian of Dec. 5, 1946)

One of the featured cast in the cinema, "Til the End of Time" due to be shown in the Palace Tuesday and Wednesday of next week, is a former Floydada school boy, whose rise in pictures the past two years has been fast. He is Junior Arp, whose film name is Johnny Sands. He and his mother, Mrs. Ora Gough are here this week, guests in the home of Mr. and Mrs. Elbert Parks. Their home is in Beverly Hills, Calif. Mrs. Gough and Mrs. Parks are sisters.

J. E. Newton of Dougherty, returned yesterday from California where he has been for 10 days at the bedside of his gravely ill brother. The brother was showing some improvement when he left, Mr. Newton said.

Funeral service for W. T. Burton, father of C. W. Burton, were held Nov. 28 in the First Baptist Church at Munday.

Last rites for Elmer Lee Ayres, pioneer merchant of Lockney, were held in graveside services yesterday in Lockney Cemetery. The wedding of Miss Wilma Jean Freeman, daughter of Mr. and Mrs. John Freeman, and Elmer George Caddell, son of Mr. and Mrs. E. E. Caddell, were read in a double ring ceremony by the bride's father Thursday evening in St. John's Methodist Church in Lubbock. The couple will reside in Lubbock following a wedding trip.

Mr. and Mrs. John Herd entertained Mr. and Mrs. Joe Day of Long Beach, Calif., with a lovely dinner Saturday at their home in Post. Attending from Floydada were Mr. and Mrs. John Lewis, Mr. and Mrs. Calvin Steen, Mr. and Mrs. Luther Fry and Mr. and Mrs. Jack Heery and Jackie.

Miss Marjorie Oden, student at Southern Methodist University, spent the holidays at home with her parents, Mr. and Mrs. Conner Oden.

Mr. and Mrs. B. M. Higgins and family will return to their home in San Diego, Calif., this weekend after a two weeks visit here with Mr. and Mrs. H. J. Nelson.

Mr. and Mrs. W. H. Finley honored their son, William H. Finley Jr., who was recently discharged from the army, with a dinner on Thanksgiving Day. W. H. has returned to his former work of farming and cattle raising for Bert Massie.

Dr. C. M. Thacker and Carl Muench spent last week in Waco where they attended a Masonic school of instruction. They were joined on Wednesday by Mrs. Thacker and Mrs. Ed Monee, who spent the holidays with their daughters, Mary Lee and Eddie Ruth, respectively. The girls are students at Baylor.

Mr. and Mrs. Carl Nelson were entertained Tuesday evening by the Floydada Fire Department. The honorees, who are newlyweds, were showered with many lovely and useful gifts.

Better Child Health Record Made Locally

(Special to the Hesperian)

NEW YORK. — A significant improvement in child health has been achieved in Floyd County in recent years, according to latest government figures. A child born there today has a much better chance of coping with the hazards of life than did his father or his grandfather when they were born.

Compared with the situation 50 years ago, the infant of today has a five-times-better chance that he would have had then of getting through his first year successfully and then going on to reach maturity.

The nationwide figures, released by the Department of Health, Education and Welfare, reveal that there has been a drop of 28.7 percent since 1910 in the annual mortality rate among Floyd County children under the age of one.

At that time, not counting stillbirths or deaths of non-residents, 52.9 out of every 1,000 local children died before reaching their first birthday. By contrast, the figures just released show that by 1958 the rate was reduced to 37.7 per 1,000.

For the rest of the country, the rates vary over a wide range. The state with the lowest mortality rate is Rhode Island, with 21.3 per 1,000. Mississippi is highest, with 41.0. The United States average is 27.1.

Despite the gains we have made we are still lagging behind nine nations, notes the government report. They are Sweden, with 15.8; Netherlands, 17.2; Australia, 20.5; Norway, 20.5; Switzerland, 22.2; United Kingdom, 23.3; Denmark, 23.4; New Zealand, 23.4; and Finland, 24.5.

Pointing out that not one of our states was able to match Sweden's record, Mrs. Katherine Oettinger, head of the Children's Bureau, warns against complacency, stating that in some directions we have made little or no progress recently.

Specifically, she cites the "significant reduction since 1950 in the mortality rate among infants less than one day old." The 28.7 percent reduction in child mortality achieved in Floyd County in the 10-year period is found to be relatively good. It compares favorably with the results attained in the United States as a whole, where the drop was 15.3 percent among children under one year of age. The West South Central States' improvement was 24.4 percent.

Gas goes to work instantly, with no warm-up wait. Gas is faster by far, reducing drying time to a minimum. Its low heat, high air-flow principle makes short work of even difficult-to-dry shag rugs and bedspreads, yet is ever-so-gentle on even the daintiest synthetics. And as for economy, a Gas Dryer operates for about 1/9th the cost of the other kind. When Gas drying rates first with those who know, wouldn't it be best for your family, too?

Santa Is Swamped in Floydada

Old Santa Claus was met by such a crowd when he visited Floydada last Friday that many of the smaller children had to go home without getting to greet him.

A mix-up in the planning had the court house jammed with waiting children and parents when Santa arrived and though he was anxious to see all the little tikes the excited milling crowd prevented his being able to do so. Candy and small gifts were distributed, however, and all seemed to enjoy the occasion. No exact number was given as an estimate of the crowd on Friday but most believed it to be one of the larger ones in recent years for Floydada.

Treasure Hunt Is Popular

The Christmas Treasure Hunt sponsored by local merchants met with popularity as most visitors made the rounds of retail stores checking for winning numbers. Merchants had posted prizes totaling nearly \$1000 in value and most had been claimed by early this week.

A check with store managers on Tuesday showed the Christmas promotion to be a big success as shoppers here becoming more conscious of the holidays and early Christmas buying was going good.

Belief was that the treasure hunt would be had as an annual affair and could be improved upon now that participants had their first experience under their belts.

Chamber of Commerce officials were beaming with the popular acceptance of the idea and had already started taking notes on improvements that could be offered in 1961.

Christmas Lighting Liked

The Christmas lighting in Floydada was worked out by the City of Floydada Power and Light Department under the supervision of J. D. Parks and this year's lighting efforts seem to be the most popular tried in Floydada. The lights are concentrated on the west side of the court house with the nativity scene just in front of the colored lighting and decorations.

Lions Offer Lighting Prizes

Floydada Lions Club is sponsoring a Christmas lighting contest for local residents. Prizes totaling \$35 and some six plaques are being offered for winners. First prize is \$20 and a plaque. Lighting and decorations carrying out the Christmas spirit as it appeals to the participant are the only rules. Entries should be made by December 15 so that judges will know what homes to include on their tour of judging.

Attending Grand Masonic Bodies At Waco Temple

Something more than a half a dozen Floyd County Masons have been in Waco this week attending various state bodies of the Masonic Order.

Among these are Houston Dixon, Wayne Russell, Keller Holmes and Troy Leonard, who have been at the A. F. & A. M. Grand Lodge sessions yesterday and today.

Dillon Patterson of the Lockney Lodge, also is attending the Grand Lodge sessions.

A. M. Dorsey, High Priest of Floydada Chapter, Royal Arch Mason, and J. M. Willson Jr., member of the grievances and appeals committee, have been in Waco since Monday.

They are expected to be home before the weekend.

One Killed, Four Injured Near Aiken In Truck-Car Crash

Four Lockney Negroes were released after treatment in Lockney General Hospital and the fifth victim, Leon Hodges, 26, died Monday from injuries sustained in an auto-truck crash Sunday near Aiken on Highway U. W. 70.

Carter Funeral Home at Lockney was in charge of arrangements.

The four injured were Charlie Scott, driver of the car, Lee Price, J. D. Carver Jr., and Charles Ewing, all of the Lockney area. Driver of the truck involved was John Powell Jr., of Aiken.

Highway investigators said the rear of the truck, going west, swerved when brakes were applied and the Scott car, traveling east hit the rear portion of the truck. The car went out of control, struck some utility poles on the ground and came to a stop in a near-by wrecking lot.

Driver of the truck escaped injury.

Mrs. Doyce Smalley was in Straw Friday and returned home Saturday, accompanied by her mother, Mrs. Flora Patterson, who will remain in Floydada until the Christmas holidays. Guests over the weekend in the Smalley home were Mr. and Mrs. Kenneth Tate and children of Silverton, who also visited her mother, Mrs. A. W. Coltharp and Mr. Coltharp.

Fascinating Art Portrayed In Christmas Decorations

Members of the 1950 Study Club met in the home of Mrs. Lane Decker Tuesday night to hear a fascinating talk given by Mrs. L. F. Gresham on the "Art of Creating Homemade Christmas Decorations."

Mrs. Gresham displayed a multitude of inexpensive, yet glamorous, craft ideas as she explained how to construct each design and where the materials may be purchased. The guest speaker emphasized the importance of creating family traditions for the Yuletide season which children may cherish when they mature and have families of their own.

During the business meeting, conducted by Mrs. Claude Weatherbee, the "Quote of the Day" was given by Mrs. Charles Craig Mrs. Lloyd Cook, reporting on the Department of Education, stressed the chronic needs for better schools in Texas.

Wintry Blast Brings Slight Rain, Drizzle

Traffic came to a standstill practically Tuesday and yesterday in Floydada after a thick layer of ice and sleet coated streets, and highways making driving and walking extremely hazardous. Several fender bunnings from sliding vehicles were reported and one known victim fell.

Grady Parker, owner of Parker Furniture Store in Floydada, sustained painful injuries when he slipped and fell early yesterday morning as he was attempting to get out of his pick-up. Mr. Parker had arrived at his place of business to open up when the accident occurred.

He was taken by ambulance to Peoples Hospital and was confined with a fracture hip and wrist. His arm was placed in cast and he will have to remain in bed for sometime due to the hip injury, although the bone went back into place after the break.

The arctic air moved into Floyd County early Tuesday morning bringing freezing drizzle and sleet. The moisture brought a halt to cotton harvest and most other outside activity, after several days of spring like weather.

Forecasters are predicting some drizzle through today.

The high temperature recorded in Floydada Tuesday was 26, which was low for the night.

In Floydada maintenance crews were out early spreading sand at corners and stop signs. No fatalities had been reported in the county due to the weather as late as yesterday noon, when thawing was noted.

Producers Elevator in Floydada closed doors Tuesday in order that all employees might attend the stockholders meeting of Producer's Grain Corporation at the Herring Hotel in Amarillo.

Horace Smith of Miami was elected new PGC president during the two-day session.

Among the resolutions adopted by the some 500 stockholders attending was one resolving that the board of directors of PGC investigate the possibility of building and maintaining a sugar beet refinery providing that enough acreage can be secured over a long enough period of time to justify the venture.

The second resolution asked that farmers be permitted to take the natural resource depletion allowance allowed oil, gas and other mining interests from the annual income on crops produced from underground irrigation waters.

Attending from Floydada were Roe Jones, manager of the local PGC, and directors Tom Porter, J. K. West, Ray Lloyd and Harold Bertrand. Employees attending from here were Bill Henry, Jimmy Vickers, Bob Vickers and Don Faulkenberry.

First Baptist Plans Banquet Next Tuesday

A program centered around foreign missions is being planned for a church-wide gathering of the First Baptist Church members Tuesday evening of next week at the high school cafeteria.

The event will be a church-wide Foreign Missions Banquet. Featured on the program will be Dr. Baker James Cauthen, executive secretary of the Foreign Mission Board of the Southern Baptist Convention.

Challenge of the evening, when the big dining room is expected to be filled to capacity, will be an \$8,500 goal for the Lottie Moon Christmas offering.

Women of the Woman's Missionary Union figure largely in the arrangements for the evening. Mrs. Joe McEntire is president of this church auxiliary.

The speaker, Dr. Cauthen, is a native Texan, born at Huntsville. He is married to the daughter of a missionary couple, and himself has done evangelistic work in southeastern China, where he spent most of the war years.

In 1945 he was elected secretary for the orient and was serving in that capacity when he was named to this present responsibilities in 1954.

Dr. Cauthen's bachelor of arts degree is from Stephen F. Austin College, Naacogoches, master of arts degree from Baylor University, and his master and doctor of theology degrees are from Southwestern Seminary.

Reservations for the banquet are being made this week. Rev. Bowles announced that supervised activities at the church will be provided for nursery through junior age during the evening.

Reue Attends WT C of C Meeting

John W. Reue represented Floydada Chamber of Commerce at the Friday session of the West Texas Chamber of Commerce, where the panel of Texas representatives in Congress appeared and discussed the problems of the southwest, which may come up in the congressional session in January.

In particular plains Texans were pleased that the effort to get sugar beet legislation on the panel's agenda was successful.

Congressman George Mahon was among the representatives from the area present and taking part in the panel question and answer period.

DEENS EXPRESS GRATITUDE TO MANY FRIENDS OF AREA
In appreciation to our many friends and loved ones, we take this method of showing our thanks to each and everyone for each expression of good wishes and thoughtfulness in remembering our 57th wedding anniversary.

Accept our gratitude for the gifts, cards and visits, the loving memory gift from the Pastors Helpers Class, the cake from Mrs. Kimble and sweet and loving cards from the Methodist groups. Many blessings on each of you and your wonderful leaders.

All of these brought back to us so vividly sweet memories of the past. We are still trying to carry on in our small way.

Heaven's richest blessings on each of you.

Fact Sheet On Drinking And Driving

(A Report from the National Safety Council Distributed in Behalf of A Safer Christmas, 1960, by the Governor's Highway Safety Commission and the Texas Safety Association.)

Expect Ben Eudy Home Christmas
Mrs. George Eudy received a newsy letter yesterday from her son, Ben, who is in Veteran's Hospital at Fort Lyons, Colo., informing her that the Floydada man would be able to come home on leave for the Christmas holidays.

Ben has been in the hospital in Colorado since September and pedestrians killed in a traffic Mrs. Eudy hasn't been able to make a trip to see her son, although other members of the family have. A sister and her family in Amarillo spent Thanksgiving

The letter told that Ben and others in the hospital had made toys and taken them to Pueblo, Colo., to the Sacred Heart Orphanage home to be distributed among 7 boys and girls for Christmas. He said all the men enjoyed the 90 mile trip and visit with the children.

Mrs. Eudy has hopes of Ben being discharged for good from the hospital by Christmas. However, she said he was under the care of a new doctor and she hadn't learned whether or not Ben would have to report back for additional treatment.

The National Safety Council special report on 1959 traffic tragedies showed that drinking was a factor in 38 percent of the crashes which cost 374 lives.

The National Safety Council reports that "the throttle and the bottle both were part of the prelude to the fatal movement of impact" in many of the traffic collisions which took 374 lives during the 1959 year-end holiday period.

The National Safety Council says "the yuletide tipper was involved in more than half the Christmas traffic deaths."

So-called "social drinkers" are a greater traffic menace than commonly believed, because their critical judgment is impaired with a fairly low alcohol concentration, and they outnumber the obviously intoxicated drivers.

Drinking to any extent reduces the ability of any driver.

Small amounts of alcohol reduce judgment, self-control and driving ability.

It takes about three hours to eliminate one ounce of pure alcohol (about two cocktails).

Two cocktails (about 4-100ths of 1 percent of alcohol in the blood) may reduce visual acuity as much as wearing dark glasses at night.

Coffee or other stimulants will not offset the effects of alcohol. Only time can eliminate alcohol from the bloodstream.

Chemical tests provide the police with a scientific means to determine whether or not alcohol has reduced a driver's ability.

Alcohol is not a stimulant, and is classified medically as a depressant.

4. One out of every four adult pedestrians killed in a traffic Mrs. Eudy hasn't been able to make a trip to see her son, although other members of the family have. A sister and her family in Amarillo spent Thanksgiving

5. About 1,500 of the 5,700 adult pedestrians killed in U. S. traffic tragedies in 1959 had been drinking.

6. In Texas in 1959, the Department of Public Safety reported that 45 percent of all the rural fatal traffic crashes involved a drinking driver.

7. In Texas in 1959, 30 percent of all the drivers involved in rural traffic tragedies had been drinking, according to the Texas Department of Public Safety.

FIRE SAFETY

BY YOUR FLOYDADA FIRE DEPARTMENT

Kitchen fires can sometimes be extinguished with a CO-2 fire extinguisher, a flat lid, or baking soda.

Check List

Kitchen fires are most frequently caused by an accumulation of grease, either on top of the stove or in vents. Grease fires are not likely to start if oven, range, and vents are kept free from accumulated grease. When a cooking fire occurs the Fire Department should be called before an attempt is made to extinguish the flame. A carbon dioxide extinguisher is preferable, but if no extinguisher is available the burning utensils should be covered with a large flat lid or smothered with a large quantity of baking soda. Flour, Cornstarch, or Baking Powder form an EXPLOSIVE dust and should never be used to put out a fire.

Parking Area Is Needed By Consumers

Need for the parking facilities in Floydada to be made the most of during the Christmas season is suggested this week by John W. Reue, manager of Floydada Chamber of Commerce.

Commenting that the business district has an outstanding advance-

ment in free parking, a fact to which merchants like to call attention, Reue says it is a wonderful asset which we of the community take for granted much of the time.

Wide streets and ample parking places for most any occasion mark the lay-out in the business district, Reue said, declaring that most any town in the area would like to have our parking facilities.

"However," said he, "the time is here for Christmas shopping, when this space is invaluable, and its use by employers and employees is being remarked about by consumers as well as by the parking space conscious merchant.

"If these cars could be parked in the rear of establishments, or away from in front of the group-

es, to cater to the customers of this area and the merchants, this would go a little ways towards making this a better city to live in, shop in and make a living in."

"Let's not take some of our assets for granted. A small token of co-operation would be a little thing which might mean much to all of us."

SECOND SUNDAY SINGING

Scrutinizing Deductions On Local Incomes

(Special to the Hesperian)
 NEW YORK — Floyd County taxpayers, as well as those elsewhere, who list unusually large personal deductions on their Federal tax returns, are more likely to be questioned about them in the future than they have been.

The Internal Revenue Service is planning to tighten up in this direction, aided by a larger staff of examiners.

Certain standards will be available to them to help determine when personal deductions in a tax report are out of line.

When that happens, a closer look will be given to the entire return. In more instances than heretofore, the taxpayer will be called in for an explanation.

How much may be listed in the way of deductions without causing the examiner to raise his eyebrows? That varies with income.

While the IRS is reluctant to discuss the cut-off points, the Research Institute of America, a business and tax news organization, has compiled such a list from figures released by the Government.

They show that for the average Floyd County taxpayer, with his gross adjusted income of \$7,650 based on local 1959 net incomes reported by Sales Management, the following are the indicated maximums:

Contributions, \$228, interest costs, \$380, taxes, \$338, and medical expenses, \$28.

For local residents with adjusted gross incomes of \$5,000, the deductions would run smaller. The normal limits in that case are: contributions, \$130, interest, \$253, taxes, \$205, and medical, \$25.

Those with incomes of \$9,000 have more leeway, on the other hand. Their deductions may go unquestioned at \$275 for contributions, \$445 for interest, \$405 for taxes, and \$345 for medical.

The fact that deductions rise above these figures in some instances does not mean that they are improper or that they will be disallowed. It merely means that they are likely to be chal-

lenged.

Eventually, states the IRS, it will have at its disposal an impressive new gadget in the form of a \$100 million electronic computer system, which will make possible a much more complete check of tax reports than is now possible.

BUSINESSES

(Continued From First Page)

led by Mr. and Mrs. Fred Lambert.

The addition to the building is new living quarters in the back of the station, a complete remodeling job on the inside and paint splash on the outside. The interior has been made as inviting as possible for patrons. It is open from 8 a. m. until 5 p. m.

Mr. and Mrs. Lambert have operated the bus station for six years. Mr. Lambert is also night man for the Floydada Fire Department and drives a school bus for the county as well.

New Work Shop Quarters

The foundation has been laid and masonry work is underway this week for an addition on the rear of the building occupied by Martin & Company at 214-216 South Main St., which will be utilized by this long-established International Agency as a modern work shop. The shop will be 36 by 50 feet. Martin has kept his shop repair equipment modernized through the years and will add some \$2,500 in new equipment this year, which the added space will make possible. Eighteen hundred square feet of working room is being added.

The building is owned by L. J. Welborn and his daughter, Mrs. Adrian Helms, who heired the building from the original builder, the late H. E. Cannaday, for many years the town's leading contractor.

Martin & Company (at that time Martin & Zimmerman) was the first lessee and has been the sole occupants of the building since its construction.

M. H. Martin heads the firm Associated with him as a partner is his son, Fred Martin, who became associated with the business on his return from service in the army. Besides these two the agency has five employees. They are Pete Carmack, David Lewis, Bruce Johnson, Milton Jetton and Alvie Jackson.

Kirk and Sons Building

Kirk and Sons Hardware and Furniture is another business in Floydada which is building on additional space. They will adjoin a new business, "City Service," owned and to be operated by V. D. Turner and Leroy Burns.

The Kirks will have 37 and a half more front footage when the building is completed. The extra space will provide the store with more room to display furniture. Plans also call for face lifting for the 2-story Kirk building.

The new business of City Service, adjoining Kirks, plans to announce formal opening before too long.

The Commercial Hotel in Floydada is another business which has had remodeling. Mrs. E. J. Morehead, operator of the Hotel, has had numerous rooms re-decorated and other interior decorations done, a new paint job on the outside of the building, and all new aluminum screens.

were okayed for payment. Reports were made by Mr. Graves on school repairs. Repair of the floor was made at the new high school auditorium, to the floor of the Graves Gymnasium, and to the boilers and heating system at Andrews Ward.

Text Book Committee. Named

A text book committee chosen from the school's faculty members was recommended by Graves and approved by the board.

Mrs. Bob Copeland was named to take care of the school district's census count to be made in January.

Funds were okayed for a record player for Mrs. Beth Faulkenberry in speech correction class, for a mat for junior high P. E. classes and for the purchase of a used piano for Andrews Ward. The total cost of the entire group coming to less than \$200.

Raises of \$10 per month were voted for school secretaries at junior high and at Andrews Ward.

Graves reported on progress of the Come transfer of ADA funds from Ralls to Floydada and gave an opinion from the state education agency showing that all but two students in question were eligible for funds according to the agency. The Crosby County School Superintendent was notified of this and asked to make application for early transfer of these ADA monies.

It appears that the Ralls School Board which had brought suit to stop this transfer may have little to support their claims and is stalling the matter as much as is possible. School attorney Ben Ayers reported to the board on this matter and on the progress in securing titles to the above mentioned block 11 land for a building site.

Angus Show And Sale Scheduled For Saturday

Sixty-two bulls and 12 female Black Angus cattle will be included in the sale at South Plains Fair Grounds scheduled for Saturday of this week, when a show and sale will be held.

Norman this week said all the animals offered will be of superior quality.

HAS HEART INJURY

Ernest Kendrick is resting fairly well in Peoples Hospital where he was taken during the noon hour Monday after suffering a heart attack. Mr. Kendrick had attended to farm duties in the morning and was at home for lunch when he had the slight attack.

THE FLOYDADA MERCHANT of the Week is Eddie Cantrell who entered the fruit and vegetable business here in 1949. Even before that time he had started trucking here from the Rio Grande Valley.

Present at the meeting were board president Ralph Johnston, John Moss, E. L. Thomas, W. L. Davis, Greer Christian, Jim Word, and Superintendent Graves. Absent were Jack Stansell, board member and Bennie Liebfried, secretary.

HOSPITAL

(Continued From Page One)

to doctor ratio than ever before. Then, too, most of the young doctors are taking specialist training and are not interested in towns with only modest facilities. As it now stands the probability of new doctors settling in this town is becoming more remote. A new modern hospital would certainly change this picture.

Economically, Floydada is losing much income by people going elsewhere for their medical and surgical care, simply in the shopping and buying that takes place in those cities visited. All manner of things are bought during these trips, groceries, dry goods, furniture, auto, drugs and cosmetics, to name a few, and all to the detriment of local business establishments.

Good medical care would make these trips unnecessary, keep buying at home and bring more people here for their health needs. The trend could be reversed. The inconvenience of these trips is also irritating and time consuming. It is probable that the time spent in these trips has been responsible for loss of life of patients seeking medical care.

A medical establishment with competent staff would be a comfort and a source of pride for Floydada. Are people so generous with their lives that they do not care to provide for their health needs, their physical comfort, forestalling illness or in receiving treatment which may prolong their lives? Life is the most precious thing God gave us. Shouldn't we be a little more selfish and try to hold on to it as long as possible?

Industries, in seeking new locations, or in expansion, are vitally interested in the medical care cities can give their employees. Often this is a deciding factor. What does Floydada have to offer? A well rounded economy needs monthly industrial payrolls.

The country, as a whole is moving ahead. Floydada should not be left behind. The potential growth of this area is tremendous. The time to act is now. Prices of all commodities are rising. Delay means increased cost.

Do you think the people of Floydada and Floyd County are sincerely interested in improving their community?

Your courtesy in reading this letter is appreciated.

Sincerely,
 K. O. Crum, M. D.

Dear Mrs. Morckel: Here are some recipes I have used which folk have been nice enough to ask for.

If you will print them in your column it will make it possible for many folk to have them.

Mrs. Hollis R. Bond
 Thank you very much, Mrs. Bond. So nice of you to share some of your favorite recipes with us at this season of the year.

Uncooked Cherry Balls Made With Rolled Oats

1 cup soft butter or margarine
 1 cup sifted confectioners' sugar
 1 teaspoon vanilla
 1/2 cup chopped candied cherries
 3-4 cup flaked coconut
 2 cups rolled oats (quick or old fashioned), uncooked.

Chopped nutmeats

Beat butter and sugar together until creamy. Add vanilla, cherries and coconut; beat thoroughly. Stir in uncooked oats. Dough will be soft; may be refrigerated two or three hours for ease in handling. Shape into balls and roll into chopped nutmeats. Store in refrigerator. Makes three dozen cookies.

Cheese Ball

6 oz. blue cheese
 4 three-ounce packages cream cheese
 2 five-ounce jars processed cheddar cheese spread (Old English is good!)
 1/2 teaspoon Accent
 1 teaspoon Worcestershire
 1 cup ground pecans
 1/2 cup finely chopped parsley

Have cheese at room temperature. Mix all ingredients with electric mixer until thoroughly blended. Shape mixture into a ball. Place in bowl lined with wax paper. Chill over night.

About one hour before serving roll ball in nuts and parsley. Place on platter with crisp crackers.

No-Bake Coconut Cookies

3 cups bran flakes
 1 1/2 cups chopped raisins
 3/4 cup chopped dates
 3/4 cup flaked coconut
 1/2 cup grapefruit
 3/4 cup Eagle Brand milk
 1 tablespoon honey
 1 tablespoon lemon juice

Combine all ingredients and mix well. Press into a greased square pan (9 x 9 x 2 inches), or roll in granulated or confectioners' sugar if desired. Let dry. If shaped in pan, cut into squares.

Butterscotch Drops

3 tablespoons butter or margarine
 16 large marshmallows
 1 cup butterscotch chips
 1 teaspoon vanilla
 1/2 cups rolled oats (quick or old fashioned, uncooked)
 1/2 cup semi-sweet chocolate drops

Pecan halves

Melt butter, marshmallows, butterscotch chips over very low heat, may use double boiler. Add vanilla. Remove from heat, stir in rolled oats and chocolate chips. Drop from a teaspoon onto waxed paper. Press a pecan half on top of each cookie. Chill thoroughly. Store in refrigerator. Makes two dozen cookies.

Yuletide Fruit Cupcakes

3-4 pound candied mixed fruits
 1 cup coarsely broken walnuts
 2 cups sifted all-purpose flour
 1/2 teaspoon nutmeg, or any favorite spice
 3-4 cup butter
 1 cup brown sugar, firmly packed

3 egg yolks, beaten
 1 cup egg nog
 2 teaspoons rum flavoring
 3 egg whites
 1/2 teaspoon cream of tartar
 1/4 cup white corn syrup
 2 tablespoons water

1 tablespoon pineapple juice
 Combine mixed fruits and walnuts. Sift together flour and nutmeg. Then mix 1/4 cup flour with fruit mixture. Cream butter and sugar until light and fluffy.

Add egg yolks; beat until well mixed. Combine egg nog and rum flavoring. Add alternately with remaining flour to creamed mixture. Fold in fruit mixture. Mix well. Beat egg whites until frothy; add cream of tartar. Beat until egg whites stand in stiff peaks. Fold into batter.

Place 2 1/2 inch paper baking cups in muffin pans. Fill 3/4 full with batter. Bake at 300F. for 50 to 55 minutes. Cool. Brush glaze lightly over cakes. Decorate with almonds.

To make glaze combine corn syrup, water and pineapple juice. Bring to a boil and boil one minute.

Actually these miniature fruit cakes can be every bit as tasteful and handsomely decorated as the larger cakes; and they make delightful refreshments for the holidays.

Mrs. Bond, may we say thank you again - we do appreciate you sharing your holiday recipes with us. I'm sure a lot of folk will enjoy them this holiday season.

M. D. Ramsey of Harmony community was a co-op visitor Monday afternoon.

Mrs. T. B. Mitchell of Lockney was a co-op visitor on Monday morning.

Mr. and Mrs. Melvin Henry,

Harry Morckel and I attended the 3rd Annual 4-H Gold Star Banquet, honoring County Gold Star Winners of District II Texas Agricultural Extension Service, which was held at the First Methodist Church Memorial Hall in Lubbock on the night of Dec. 5th. Thirty-nine boys and girls, Gold Star Winners in their achievements, were given special recognition and Gold Star Awards at this meeting sponsored by twelve of the electric Cooperatives of District II.

Preston Smith, State Senator, Lubbock, Texas was Master of Ceremonies.

Among the old friends we saw at this meeting was Miss Leila Petty, now Home Demonstration Agent at Morton, Texas; but formerly home demonstration agent of Floyd County. She asked that she be remembered to all her friends here with every good wish for the holiday season.

Something to think about: "Our Christmas is what we make it."

Several of the men of the community spent a few days the first of the week quail hunting.

Mrs. W. W. Edwards spent Wednesday with Mrs. Everett Miller.

Mr. and Mrs. M. D. Ramsey, Zant Scott, Wesley Carr and Mrs. Mather Carr attended district conference at Floydada Tuesday.

Visitors in the home of Mrs. Mather Carr Friday were Mrs. Wes Carpenter, Plainview, and Mrs. Joyce Davis and Jeanne.

Our sympathies are with Mrs. Mophet and children on the death of their husband and father, W. R. Mophet. Mr. Mophet was killed instantly Thursday night when his car ran into a loaded cotton trailer west of Petersburg. Several of the community attended the funeral Saturday at Petersburg.

Marvin Smith's mother, Mrs. Huckabay was moved to the home of a daughter, Mrs. Harry Reues, Floydada. She was taken to Peoples Hospital after she suffered a stroke.

Mrs. Marvin Smith has two of her grandchildren while their mother, Mrs. Joe Smith is in Amarillo hospital following surgery.

Mr. and Mrs. Joyce Davis and Jeanne visited Grandma Davis Sunday at Cone.

LARRY W. MANKINS OPERATES HEAVY MACHINERY IN GERMANY

MUNICH, GERMANY (AHTNCO) — Army PFC Larry W. Mankins, son of Mr. and Mrs. Albert Mankins, Route 5, Floydada, Tex., recently participated with other personnel from the 24th Infantry Division's 3rd Engineer Battalion in a 20-day field training exercise in Grafenwohr, Germany.

The exercise was conducted to test and improve the efficiency of the battalion, and featured extensive combat engineer training. Mankins, a heavy equipment operator in the battalion's Company C, entered the Army in January, 1960, and completed basic combat training at Fort Riley, Kan.

Mrs. Doyle Turner and children, accompanied by her parents, Mr. and Mrs. R. E. Marr of Lockney, left Tuesday for Quinlan where they will spend the remainder of the week with Mrs. Marr's mother, who will celebrate her 90th birthday today. They plan to visit other relatives while in Dallas area.

Bob Harber PCA Manager At Silverton

Bob J. Harber has accepted the appointment as manager of the new field office of the Plainview Production Credit Association in Silverton. A new building for the association is now under construction and Mr. and Mrs. Harber will be moving to Silverton as soon as it is completed, possibly after the first of the year.

Harber, 28, son of Mr. and Mrs. R. L. Harber of Moab, Utah, was reared in Floyd and Crosby Counties. He is a graduate of Floydada High School and attended Texas Tech.

Following his return from four years in the service he was employed as assistant performance supervisor for the Floyd County ASC office. In 1959 he became the assistant manager of the Floydada office of the Production Credit Association, which he has held until his new assignment.

While living in Floydada, Harber has been active in civic activities, including Little League Baseball and Boy Scout work. He is also a member of the Chamber of Commerce and the Lions Club. Presently he is serving as a director of the service club.

Harber's wife, the former Ginger Tinnin, daughter of Mr. and Mrs. John R. Tinnin, has been employed by Massie and Bond for the past five years.

Jo Brock Tames Monster Truck Operating on State Highways

Many of the housewives in the world today are working outside their home, but one with a most unusual job is Mrs. Harvey Brock, nee (Folia) Jo Randerson, of Hereford, who drives a White freightliner 18-ton load truck.

Hasn't Missed Yet "The first time I drove in with the grain I was scared to death," said Jo. "I just knew I couldn't hit the scales. But I haven't missed them yet."

When the Brocks moved to Hereford Jo was just another housewife. Her husband farmed 2000 acres of land. With their farm crew they raised sugar beets, cotton, lettuce, maize and other crops.

Her husband let the issue ride for awhile and then one day as they were driving into town, he pulled over to the side of the highway, got out, and told Jo to take over.

Bad Checks Grow In Number

Bouncing checks out-number any other local complaints filed in county court in the period since the first of the month.

The La Grange True Issue of the 1st inst. says: On last Sunday night two men confined in the jail at this place effected their escape by making a hole through the wall of the jail. The wall was composed of stone and mortar and about two feet thick, the only tools used were a silver spoon and a wooden pin, but in the course of a few hours, an opening was made large enough to admit the passage of a human body.

The editor of the Clark County (Va.) Journal, Mr. A. R. Perkins, appeared last week before the Federal District Court at Staunton, Judge Brokenbrough presiding, to answer a presentment for refusing to answer questions propounded to him by the Marshall, under the census set, and made an elaborate speech in his own behalf, denouncing the law as tyrannical and unconstitutional.

McDONALD CARPET SERVICE

AMERICA'S LOWEST-PRICED 6-PASSENGER CAR! Sometimes I amaze myself! Even more amazing, Falcon is priced as much as \$505+ less than the new-nano compacts recently introduced. But maybe you think more money means more compact car. No! Fact is, Falcon gives you more—much more—of what you buy a compact for. You see, these new high-priced compacts are just too big and heavy to handle and park as easily as Falcon. That's why they make extra-cost power brakes and steering available. With all the excess bulk, how would they go up to 30 miles on a gallon like Falcon? And although they're bigger outside... where you don't want it... they have about the same room as Falcon inside. Falcon takes 6 people in the same comfort and luxury as the highest-priced compact. Pay more? What for! Only Falcon has that winning combination of compact features. That's precisely why Falcon is America's best-seller compact car... over 500,000 richer owners already!

Senior Activities Lists Are Needed

"Every senior must get his list of activities for the annual before the Christmas holidays," says Mrs. J. W. Adams, annual sponsor. Any honor received after a senior has turned in his list will be added. Two shipments of pages have already been sent to the publishing company. The first shipment went out Sept. 1, and the second the last of October. The cover was sent in the last shipment. This year several persons helped on the cover. The third shipment of sixty pages must be sent off immediately after the Christmas holidays. This shipment cannot be sent off without the seniors' activities.

From Our Files

Nov. 21, 1952 — A special Santa Fe train will leave Floydada with students, band, and townspeople for Canyon for the football game. The band will sell cokes, candy etc. If enough tickets were sold, a separate car was to be arranged for FHS students.

Feb. 22, 1957 — Class rings were standardized at a meeting of juniors, sophomores, and freshmen Feb. 20.

Apr. 27, 1956 — The Region I Grand Championship trophy was won by Floydada High School April 21 after 72 points were made in literary events. The speech department accounted for 37 points and the business department 35. Floydada won first with "Our Town" in 1-Act Plays. Joyce Hammonds won second in Poetry Reading; Fontaine Fowler first in Declamation; Beth Crawford first in Typing; Cheryl Crawford first in Typing; Nancy Jenkins second in shorthand; and Mary Jo Smith third in shorthand.

May 11, 1956 — Leon Wiley was Honor Boy in 1956. The 1956 WHIRL has finally made the first rating, the Award of Distinguished Merit, at the IHPC in Austin. This is the first time the paper took a first rating in its four years of competition.

The 1956 WHIRLWIND, edited by Becky Potts Durham, had 110 pages. Weekly devotionals were begun in 1956. Bob Copeland, algebra teacher, directed the singing. A student chose his own subject and method of delivery. The devotionals were held in the auditorium.

Leading the 1956-57 Whirlwind Band will be seven twirlers instead of the previous five. They are Gaynelle Boadie, Sue Nelson, Jerry Floyd, Sandra Roe, Sonja Wilson, Jami Roberts, and Mary Cogdell.

The Awards Program was begun in 1955. The primary purpose is to give recognition to FHS students in many different areas of outstanding abilities and efforts.

In 1955, Gayle (Clark) Waller, head cheerleader, was knocked out by a football at a game. FHS teachers contributed blood to the Bloodmobile Drive on Oct. 17, 1952.

29 FHS Scholars Make Honor List

Nine boys and twenty girls made 4 or more A's in FHS the last two weeks to qualify for the honor roll. Sophomores came through with the most brainpower as they had eleven in their class to do it. Juniors followed with eight. Seniors had seven, while the freshmen trailed with only three. Not one senior or junior boy showed up with enough A's, which may indicate boys do not study enough their last two years in FHS.

In most schools seniors always lead honor rolls. In the past eight years freshmen have led in FHS, but they have lagged behind the other classes so far this year.

Top scholars are Rita Colley, James Elza, Mitchell Abelman, and Sue Wilson with six A's, which means all A's. The complete list is as follows:

FRESHMEN: Lon Miller, Pat Ewing, Gene Dunn

SOPHOMORES: Rita Colley, James Elza, Mitchell Abelman, Marjorie Dunavant, Gregory Williams, Linda Robertson, Judy Newberry, Jimmy Pritchett, Bill Bledsoe, Darryl Lindsey, Jimmy Stewart

JUNIORS: Sue Wilson, Linda Lutrick

SENIORS: Kay Asher, Margaret Moss, Barbara Gilly, Melinda Baker, Kit Zimmerman, Elaine Anderson, Alice Withers, Pat Tucker, Sherlene Teeple, Carolyn Dunavant, Helen Whitfill, Beth Scott, Helen Foster

Freshman Ags Win Chapter Conducting

Mr. Henry Barber's freshman ag class took first place in the Junior Chapter conducting contest at the District Contest held at Plainview recently. The class also took third place in the quiz. Mr. Lloyd Cook's team won fourth in Senior Chapter Conducting. Each class or team placing received a banner. Members of the Senior Chapter Conducting team were Fred Thayer, Billy Daniel, Jerry Taylor, Dick Watson, Jimmy Stewart, Bill McCown, Leonard Johnson, and Anthony Whitfill. The quiz team was made up of Vicki Rendon, Gene Dunn, and Roberto Samtana. The Junior Chapter Conducting team consisted of Kenneth Huckabee, John Calahan, Dale West, Vernie Moore, Ronnie Tucker, Monroe Schultz, Don Rauner, Lon Miller, and Billy Whiesler. Robert Overstreet received a cash award for best area newspaper writing for an article about James Cagle. Keith Thomas is vice-president of the Plainview District this year. —GO DIST. IN BB, WINDS—

EDITORIAL

PARENTS! PARENTS! PARENTS!

Parents! Parents! Parents!" exploded June. "Why were we ever blessed with them?"

"They were put here to keep me from having any fun! That is it. Why else would we have such unfeeling guardians?"

"When the most important event of my life occurs, they always show up, but they never fail."

"My parents are constantly disagreeable. Father is tired after a long, hard day of work. Mother is just simply exhausted after a distressing day of club work."

"I am expected to be 'good-natured Nelly' while they gripe and grumble. They even expect me to prepare supper besides get my lessons, have a date and roll my hair."

"What about my own personal life? If they would stop complaining for only a second, they might have a moment to think how tired and exhausted I get. This afternoon I just had to meet the girls downtown. How was I to know that we would see Ralph, Joe, and the rest of the gang?"

"Mother and Daddy never give me anything: no clothes, no money. Why I imagine they have ceased loving me. Being useful and helpful would not be nearly the chore that it is presently—if they only cared."

"Another one of their assets is their ability to nag at me continually. Why do you comb your hair that way? Why do you not choose more becoming styles of clothes like the ones I wore when I was your age? And those girls that you associate with, must you? Why, when I was your age..."

"My parents are my biggest problem. I will really be glad when I am an adult. Maybe they will have learned enough by then that they will know how to understand teenagers' problems. This is the plight of a typical teenage girl. Are you guilty, as a teenager, of speaking or thinking equally as harsh of your parents who gave you your very existence?"

If you are not convinced that they are an absolute necessity, make a list of all the things that your parents have given you that can be bought with money. Then add \$10,000,000 which will not nearly cover the expense, gray hairs, and wrinkles. Then add the tears, sorrows, worries, and heartbreaks that you have caused them.

After you've made the list and think over the situation, maybe you'll realize you are lucky to have a mother and a daddy after all. And it takes effort to understand, respect, honor, love, and obey them as you should—but in the long run, you'll be glad you did!

Fine Meal, Swell Program, Are Promised For Football Banquet

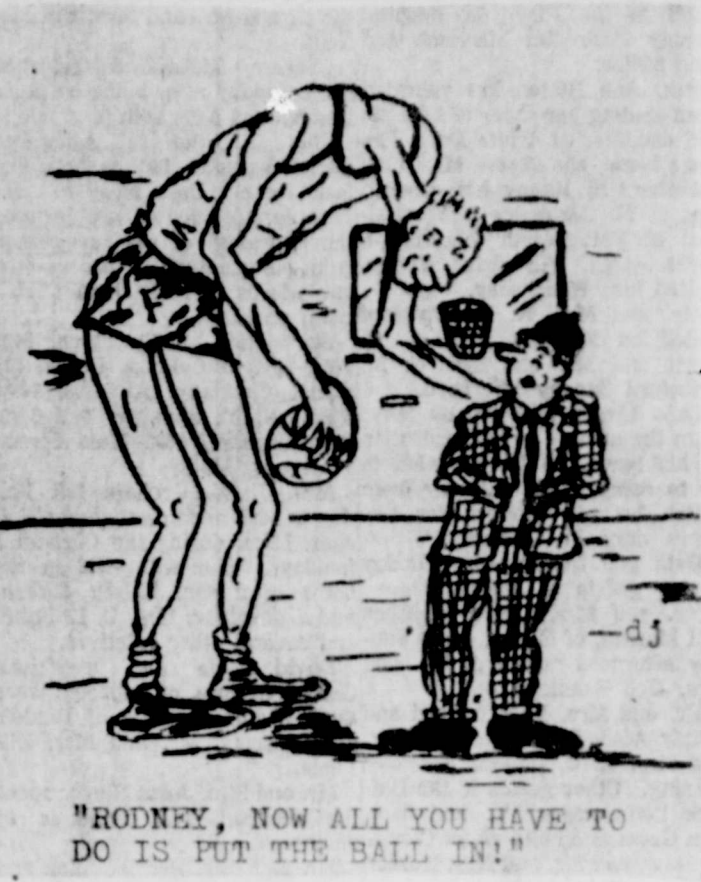

All you Football Players, Sit knowing the captains' names as up and Take Notice! Today is a sure thing because they've been the last day for the "Date List" kept under lock and key by Coach Charles Tyer.

The cheerleaders need your name and your date's name for the place cards. These girls have been working hard to have the best football banquet ever. Here's what they've come up with:

A meal that will satisfy anyone's hunger pangs, a swell program to be enjoyed by everyone, special entertainment, a guest speaker — all this will be highlighted with the coronation of the Football Sweetheart and the announcement of next year's team captains.

After the banquet is over, all the tables will be moved back for the prom that will follow. Everyone is invited to stay. The girls who have been nominated for the honor of sweet heart are Lois Glover, Glenda Morgan, Kay Asher, Nita Cagle, Barbara Darden, Sara Holmes, Dee Mock, LaJuana Rimmer, and Janice Trapp.

Three 'Winds Named On All-District Team

Ray Walker, senior, Rodney Teague, junior, and Don Davis, senior earned positions on the 1960 All-District 2AA football team.

Six players of the district were named for both first and second teams. Two of these six were Teague, quarterback, and Davis, guard and middle guard.

Olton, 2AA Champion, had eight of its Mustangs on the 25-man team, decided by the five district coaches. Lockney Longhorns were second with six. Floydada received five, while Abernathy and Muleshoe had three each.

Second offensive team honors went to Joe Lee Dunn, sophomore tackle; Eddie Parks, senior tackle; and Richard Marler, senior back. Parks made All-District last year on both defensive and offensive teams.

Picked for honorable mention of offense were Dunn and Larry Orman, senior end. Orman made honorable mention on the offensive team last year as did Teague. Teague also got honorable mention on defense.

Last year the whirlwinds had 13 of the 22 positions after winning the championship in a different district.

Three Winds made 1959 All-Regional teams picked by both Amarillo and Lubbock sports staffs. Don Vickers made the All-State team and was the fourth Whirlwind to ever do it.

The All-Regional team for 1960 has not yet been announced.

Whirlwind Cagers Are Seeking District 2-AA Championship

The Floydada Whirlwinds have as their goal the District 2AA basketball championship this year after being runner-ups last year. Prospects look good for the basketballers as four letter men are returning to the Green and White hardwood. They are Rodney Teague, 6 ft. 1 1/2 in. junior, Larry Orman, 6 ft. 2 in. senior, Jay Dycus, 6 ft. 2 1/2 in. junior, and Jerry Powell, 6 ft. 2 in. junior.

The Winds have been victors over Idalou, Post, and Olton but they have been defeated by McAdoo and Spur in non-conference play.

Teague is a sharpshooter, averaging 20 points per game. He hits 50 per cent of game shots and 75 per cent of his free throws. He was top scorer and made 30 points against Olton last Thursday night.

Charles (Shorty) Christian looks promising after making 20 points against Spur, tying Teague's 20. Expected to show much action will be Don Switzer, Joe Dunn, Darryl Lindsey, Van Stovall, Ted Allen, and Christian.

District play includes a double round-robin season schedule with no district tourney.

Abernathy and Muleshoe are expected to give the Winds the most competition.

Coach Bob Shields begins his second year as Whirlwind cager, master.

FHS Quintets Enter Olton Tournament

Floydada played its first game last Thursday night and won over Olton in both boys' and girls' games.

The boys won with a 48 to 36 score. The girls came out on top 35 to 28.

During the first period, Floydada led 17 to 7, and at halftime, 25 to 16. The Winds were still out front 35 to 25 the third period, and the final score ended up with Floydada the winner 48 to 36.

Rodney Teague was the top scorer for Floydada with 30 points and Olton's top man was Priest with 14.

Floydada girls led 9 to 6 the first period. At halftime, the girls were still leading 20 to 11. At the end of the third period, the score was 28 to 18 in Floydada's favor. The ball game ended Floydada 35, Olton 23.

Both Floydada teams played Lockney in the finals Friday night. Results were not known at press time.

Verna Pate was the high-point girl with 22 points, and Gayle Nichols was Olton's high-point girl with 12 points.

On the girls' team are LaJuana Rimmer, Rita Colley, Barbara Darden, Janice Trapp, Mary Dunn, Joy Nixon, Dee Mock, Vicky O'Neal, Sara Holmes, and Pat Tucker.

Floydada will play the Post "A" and freshman girls tomorrow in Floydada.

Keith Thomas and Robert Overstreet attended the National FFA Meet in Kansas City, Missouri, Oct. 12-14.

They spent three nights at the Hotel Senator.

Since there were no meetings to attend on Tuesday, Keith and Robert toured the town.

On Wednesday, the American Farmer Degree Ceremony was held. The National FFA Band and a talent revue furnished part of the entertainment.

Addresses of retiring officers, tours of points of interest in Kansas City, concert of National FFA Band, and the National FFA Public Speaking Contest were on the agenda for Thursday.

On Friday new officers were elected. The foreign guest was introduced, and he gave greetings from Future Farmers of the Philippines.

SPANISH CLUB SLATES PARTY Feliz Navidad! is the greeting that all Spanish Club members will be saying at their Christmas party scheduled for Dec. 15, at 7:30 p. m. in the high school cafeteria.

Kit Zimmerman and Kay Asher are in charge of the program to be presented.

Preceding the festivities there will be a short business meeting, and all members are urged to attend.

Officers of the "Los Vientos" are Ray Walker, president; Melvin Lloyd, vice-president; Jah Dempsey, secretary; Linda Lartrick, treasurer; Margaret Moss, parliamentarian; and Nita Cagle, reporter.

Students taking Spanish I and Spanish II make up the 27 members of the club. Miss Anne Sweptston serves as sponsor of the new organization.

WTS A Capella Choir Performs

Members of the West Texas State College Choir presented a Christmas concert to FHS last Monday at 1:30 p. m.

This sixty-piece touring unit of the WTS A Capella Choir was directed by Dr. Houston Bright.

The concert was one of ten to be given by the group in its annual tour of West Texas high schools.

A variety of sacred and secular numbers made up the repertoire including famous Christmas carols, spirituals, novelties, and the devotional "Holy Radiant Light" by Gretchenhoff.

Dr. Bright's latest three choruses, "Reflections," "Winter Song," and "Song of the Meadowlark" were presented.

Home Ec Girls Have Style Show

Approximately 40 Home Economics girls modeled the dresses that they had made Dec. 5.

Sewing II girls modeled dresses with set-in sleeves, collars, skirts, and belts. Material used was something other than cotton.

Sewing III girls modeled suits or dressy dresses. The material had to be something difficult to work with.

Carolyn Moore, president of the FHA, acted as announcer for the show.

CLYDE THE BEATNICK

Cats, Saint Nick will be ridin' high when the snow is on the ground and no leaves on the trees. I hope Nick leaves those switches at home this year! Last year he forgot and left them at Dwayne Myrick's house.

Kenneth Mankins: "Miss, there's a fly in the bottom of my cup. What does that mean?"

Waitress: "I don't know! I'm a waitress—not a fortune teller!"

Farewell to the Pfd Sherril Connel to Sanderson, Texas.

Whirlwind cats and their chicks that will be getting slicked up for the big football banquet are as follows: Ted Allen and Kit Zimmerman; Melvin Lloyd and Janet Boren; Melvin Green and Pat Kurkin; Don Davis and Nita Johnson; Larry Orman and Glenda Morgan; Jay Dycus and Lois Glover; Rodney Teague and Sara Holmes; Kenneth Mankins and Kay Asher; Ed Parks and Mary Grace Dunn; Fred Thayer and Charlie Caldwell; Jimmy Huckabay and Linda Payton; Dickie Watson and Barbara Gilly; Johnny Calahan and Susan Simpson; Dwight Teeple and Benjie Galloway; Frank Barrow and Dee Mock; Billy Knard and Janette Barkowsky; Bruce Julian and Sue Wilson; Keith Holliday and Barbara Sue Milton; David Hutchins and Karen Floyd; Charles Christian and LaJuana Rimmer; Richard Marler and Janice Trapp; Ray Walker and Jackie Yeary.

Ronnie Martin has been sick, sick, sick. He will re-enter the pad at mid-term. We have been missing you much good buddy! Sick, sick, sick has been Addie Adkins in Peoples Hospital all last week.

Pat Allen will marry Jerry Batty Dec. 11, Pearl Harbor Day. That means WAR! Like wow!

The 3-Act Cinema is scheduled for January, drama fans.

Three new cooks books have been placed in the home ec department. Girls will get some good recipes now.

The FHS bookie class has begun practice sets. Juggling figures, battling ledgers, and punching totals on adding machines can be so much fun.

Football players leave for their annual trip Dec. 9. Have fun and come back alive!

Write your Santa letters so we can have a lot of chuckles in our Christmas Edition.

Sonnets, sonnets, sonnets. If you wanna know what a sonnet is, ask my good buddy Wally Demming! He's my nomination for Poet of the Senior Class since he can quote poetry so beautifully.

How do all you Republicans feel being the "BEAT GENERATION"?

I'm the beatnik chosen to go into all parts and spread the GOSSIP.

Keep Ole Glory Flyin' Clyde.

A PRAYER

Lord make me a channel of Thy peace.
That where there is hatred I may bring love.
That where there is wrong I may bring the spirit of forgiveness.
That where there is discord I may bring harmony.
That where there is error I may bring truth.
That where there is despair I may bring hope.
That where there is doubt I may bring faith.
That where there are shadows I may bring Thy light.
That where there is sadness I may bring joy.
Lord, grant that I may seek to comfort —
than to be comforted,
to understand —
than to be understood.

6 High Stepping Twirlers Lead FHS Band In All Its Activities

FHS has six high-stepping twirlers who lead the band during all its activities.

Two are freshmen, two sophomores, and two juniors. No seniors are twirlers.

Interviewing these girls has revealed various likes, dislikes, personality traits, and opinions on school spirit.

Sophomore drum majorette Janice Trapp likes Chevrolet cars, basketball, boys, dances, and cherry pie. She dislikes washing her hair, getting lessons, trying to lose weight, and people who exclude others from various activities.

Her pet peeve is people who give creepy excuses for not going to extra band rehearsals.

About school spirit Janice says, "It's great!"

LaJuana Rimmer, also a sophomore, likes Chevrolet cars, twirling, basketball, hats, and the new football jackets. Her favorite foods are candy mints and ice, and her favorite colors are orange and green.

She dislikes people who continually gripe about their weight (when they should be doing something about it). LaJuana thinks that FHS's school spirit would increase if all the students would cooperate.

Betty Lou Wright, a freshman, also likes Chevrolets. Among her likes are band, basketball, fried chicken, and her favorite color is blue.

Norma Hollums and Marjorie Dunavant, sophomores in FHS, attended the All-Region Chorus Solo Contest held at Texas Tech College Saturday.

Norma sang high soprano and Marjorie Dunavant first alto, and their contest entry was "Drink to Me Only With Thine Eyes."

Representatives from each school in Region I were present for the contest which will qualify the winners for All-State.

ORIGINAL BLUE BACK Custodian John Green Owns Speller He Studied In 1892

Mr. John Green, FHS custodian, is the proud possessor of a second original blue-back speller copyright in 1896 and printed by American Book Company.

This speller was Mr. Green's only textbook in the first grade in 1892 back in Brown County (Brownwood) at a country school. The book was purchased at 25 cents.

Some students could not afford one; so two students sat on either side of him or someone else and sat out to master the words in the book.

The "old blue-back speller" has had its "hey day," but students learned how to spell back then or else.

The entire book had to be learned, but also definitions, fact sentences, and seven fables.

The object of the book was to teach orthography and pronunciation.

FHS Enters Two In Solo Contest

Norma Hollums and Marjorie Dunavant, sophomores in FHS, attended the All-Region Chorus Solo Contest held at Texas Tech College Saturday.

Norma sang high soprano and Marjorie Dunavant first alto, and their contest entry was "Drink to Me Only With Thine Eyes."

Representatives from each school in Region I were present for the contest which will qualify the winners for All-State.

CHRISTMAS ACTIVITIES STAR WHIRLWIND BAND

STAR made his annual visit to Floydada, Friday, Dec. 2.

A small parade, made up of Santa Claus and the mighty Whirlwind band, formed in front of the post office. From there, it moved down to Wall Street, circled the courthouse, and stopped on the courthouse lawn.

The band then went into concert formation and played Christmas carols. Among those played were "Silver Bells," "Here Comes Santa Claus," "Frosty the Snowman," and "Merry Christmas to You."

GREEN IS HOME

Mr. John Green, part-time FHS custodian, returned to his home Saturday after an operation in the Lubbock Methodist Hospital.

He and Mrs. Green celebrated their 50th Golden Anniversary with an open house Sunday.

Mr. Green will be confined to his bed for sometime.

Mr. Bud McAdoo is taking his place until his return to FHS. The student body extends Mr. Green wishes for a speedy get well and recovery.

Slate Leadership Work Shop at MHS

The FHS Student Council has received a letter from the Monterey High School Student Council inviting FHS to a leadership workshop.

Good leadership instruction will be the theme of this workshop and is open to any SC representative or president of any school organization.

It will be held at MHS on Saturday, Jan. 7, 1961. There is no fee except for the student's own lunch.

Any SC representative or organization president that wishes to attend, please notify Miss Anne Sweptston, Eddie Parks, or Jan Dempsey before Dec. 11.

AT CHRISTIAN CHURCH

Woman's Day Program Features Outstanding Area Speakers

In the present day, the tradition of Woman's Day is recognized in almost every Christian Church across the nation. Sunday, December 11th, the Christian Women's Fellowship will sponsor Women's Day in the local First Christian Church at the 11:00 a. m. worship service.

Although the women will have the major part of the service, this is not a time for eulogizing the women or their work, but rather to set aside the day to magnify through song, prayer, offering and message the work of the church and missions. Through annual observance an effort is made to deepen missionary understanding and concern through the church. Far from being merely tradition, the women look upon it as opportunity for education and service.

"Attempt great things - Expect great things" is the theme around which the Woman's Day service is being prepared. This quotation is from the life of William Carey, who, believing that the command given by Christ to the Apostles should be carried out by all ministers and followers, turned to the people of India. During his lifetime of mission service, Carey translated the Bible or portions of it into 34 languages used throughout India.

Applied to Present Day
Translating this quotation into actual need for present-day service Sunday morning will be an

Dougherty News

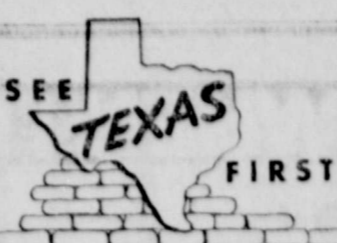

By Mrs. W. J. Ross
DOUGHERTY, Dec. 5 — Jim Dewese, a junior ministerial student at Wayland College, has accepted a call to pastor the Dougherty Baptist Church. However, as he plans to visit his family in Michigan, he will not be present the dates of December 18, 25 and January 1.

Mr. and Mrs. George Gearheart and daughters, Kathy and Melinda, of Amarillo, were weekend guests of Mr. and Mrs. Sam Lide. Mr. and Mrs. Orland Howard were Sunday guests in the Seton Howard home in Petersburg. Mr. and Mrs. Jim Lewter were also guests. Jim is in the military service and is transferring from a base in Georgia, to El Paso. Mrs. Lewter is the Seton Howard's daughter.

Accompanying Mrs. Haden as she speaks is an artist of note in Lubbock and the surrounding area, Mrs. Floyd Read. Illustrating the theme "Attempt great things—Expect great things" on a giant mural, Mrs. Read will lend an unusual and unique touch to the service. Mother of four children, Mrs. Read has the full-time job of painting murals in offices and in private homes.

Her hobby is refinishing antique furniture, and spending useful hours on the Board of Directors for the Lubbock Junior League. Teacher of the sixth grade Sunday School Class, and wife of the past Governor of the Christian Men's Fellowship, Mrs. Read has been active in church work for many years.

Local Women Participate
Women of the local church participating in this significant service are: Mrs. Tom Snead, President Christian Women's Fellowship, Mrs. W. D. Newell, Mrs. J. C. Wester, Mrs. Harry Morckel, Mrs. Bobby Smith, Mrs. Dan Ha-

City Beneath the Sea

Under the calm waters of Medina Lake west of San Antonio is the site of the settlement of Mountain Valley. A Mormon leader, Lyman Wright, established 16 families on this site in 1854 only to be driven away four years later by the Indians.

Medina Lake makes a quiet resting place for this settlement with its violent history. The lake is also reputed to be the resting place of many of those big fish that "got away".

Blane and Mrs. R. F. Hall is the paternal great grandmother. Sunday visitors in the home of Mr. and Mrs. Kent Covington were Mr. and Mrs. Johnny West and Leisa, Mr. and Mrs. Roger Poage, Mr. and Mrs. Ronnie Evans, Mr. and Mrs. Bob Covington and Mr. and Mrs. Bill McNeill.

Charley McLelland returned home Sunday after being hospitalized several days with pneumonia. This is time to remember Christmas for us boys away in military service, so we are printing the addresses of the servicemen from our community in case any one wishes to mail them Christmas greetings.

St. A. Jack M. Covington, 5421 7407, Sig. Div. Block House, 275 Signal Company, APO-163, New York, N. Y. and Mr. and Mrs. Sam Graham, 1005 Main Street, Fitchburg, Mass.
Mrs. J. W. Graham left Friday to visit with relatives at Natchez, Miss. during the Christmas holidays. She will visit in the home of a son, Kelsey Kirven, and a daughter, Mrs. C. L. Smith and several other relatives.
David Poole, a friend of George Guthrie, of Lubbock, were Sunday dinner guests of David's grandparents, Mr. and Mrs. Bill Poole.

Mr. and Mrs. Jesse Glover spent the weekend with relatives at Shamrock.

Mr. and Mrs. Henry Hinton and sons were Sunday guests in the home of her parents, Mr. and Mrs. Fred Gross, Mrs. V. C. Scott, of Roswell, N. Mex., was also a guest. She is the sister of Mrs. Gross.

Milton Blue, of Walnut Springs, died Tuesday and was interred Thursday. He was the brother of Mrs. I. S. Lynch. Mr. and Mrs. Lynch attended the funeral services.

Mrs. Lee Ring, of Quanah, was the house guest of her son, Claude over the weekend.

Mr. and Mrs. Hosea Phillips have recently moved into Floydada.

Dougherty 4-H Club

The Dougherty 4-H club met December 2. Ann McIntosh presided in the absence of the president and vice president. Fourteen members were present. It was decided that five dollars would be donated to Care.

No new business was presented before the chair. The meeting was adjourned, gifts opened and everyone went to the auditorium where Ann McIntosh, Jody Campbell and Bill Ross directed games. Everyone went home at nine. Sunday dinner guests in the Claude Ring home were Mr. and Mrs. K. H. Foster, Mr. and Mrs. Orval Brandon, Mr. and Mrs. Clarence Brandon and Donna, of Quanah, and Mr. and Mrs. Graves Morgan, of Chillicothe. These were former neighbors of the Rings. The visit was a surprise.

Remember The House of Beauty has its formal opening from one to six Sunday. Everyone is invited.

Mrs. Ben Hardy Dies At Tahoka

Mrs. Ben Hardy, 87, widow of a pioneer West Texas minister and former pastor of the Methodist Church in Floydada, died Thursday at the home of her daughter in Tahoka. Rites for Mrs. Hardy were conducted Sunday in the First Methodist Church at Tahoka.

Mrs. Hardy and her husband came to Texas in 1890. He became a minister and entered the Northwest Texas Conference of the Methodist Church in 1920. The family had lived at Albany, Roscoe, Plainview, Lubbock, Seymour, Matador, Memphis, Lubbock, Childress and moved to Tahoka in 1936 from Anson. Rev. Hardy pastored in the local church for two years. He died in 1953.

Survivors of the deceased is one daughter, Mrs. Clovis Honeycutt, Tahoka; one son, Dr. W. B. Hardy, Big Spring; four grandchildren and seven great grandchildren.

MOST BEAUTIFUL COED

Kay (Golden) Williams, 20 year old Lockney junior, was named "Most Beautiful Coed" Friday night at the annual West Texas State College beauty dance. She is the wife of Jerry Williams and daughter of Mr. and Mrs. Oscar Golden of Lockney. Larry Davis of Darruzzett won the title of "Most Handsome Man".

OES School Slated Here During March

At a recent meeting of the Order of Eastern Star, the chapter voted to hold the annual school at the local lodge, and the date was set for March 21. This will be quite an honor for the Floydada Chapter, members feel.

The Eastern Star school will include 16 chapters of District 2, Section 3. All will be hosts for the general all day and night session, luncheon, tea and banquet. Grand officers are to be honored guests.

Tonight at the lodge starting at 6 o'clock, the local chapter will observe their annual Christmas party and also entertain for Mrs. Ruth Damron of the Lemond Chapter at Hale Center. Mrs. Damron is Deputy Grand Matron. This is also regular meeting night for the lodge and business matters will be considered at 7:30.

Mr. and Mrs. Joe Fisher and children of Lubbock were here over the weekend visiting her parents, Mr. and Mrs. Joe Tribble.

John Greens Observe 50th Anniversary

Mr. and Mrs. John Green observed their Golden Wedding Anniversary Sunday afternoon with an informal celebration and open house at their home.

Guests called from 3 until 5 p. m. and were registered from Floydada, Plainview, Lubbock, Lockney, Flomott, and Quitaque. Hosts for the occasion were the couple's five sons and one daughter and their families. Mrs. Bob Reeves, Billy Green and Don Green, all of Floydada; Jimmy Green, Lubbock; Glenn Green, Ballinger, and J. L. Green, Sulphur.

Assisting with the hospitalitys was a grandson and his family, Mr. and Mrs. Bernard Sharp of Floydada.

Due to illness in their families, two sons, Glenn and J. L. were unable to be here for their parents' celebration.

A lace cloth over gold covered the serving table, which held a center arrangement of yellow and bronze mums, flanked by three lighted gold tapers in gold holders.

At one end of the table was a three tiered cake decorated in gold. Atop was a gold loving cup and the letters "50". At the opposite end of the table, golden colored punch was served from crystal appointments. Members of the family assisted in greeting guests and serving.

Altho just home from the hospital the day prior to the anniversary gathering, Mr. Green was able to sit up and enjoy the afternoon along with his bride of fifty years, and their guests.

Mrs. Green is the former Addie Mae Hilliard of Sidney, Tex. She and Mr. Green have made their home in Floydada since 1920.

A note of congratulations was received by the couple from Rep. George Mahon.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

AUSTIN — By the time Austin sweeps up the last of the holiday tinsel, it will be time to prepare for another round of festivities. Committees already are meeting to plan details of the inaugural events that will attract thousands of visitors to the Texas capital, come January 17.

Gov. Price Daniel will take the oath of office for his third term; Lt. Gov. Ben Ramsey, for his sixth term. If weather permits

RUFFY TWINS

By Shorty Cardinal

That is the first day of the regular session when House members, by secret ballot, will elect the speaker from their membership.

Rep. James Cotten of Westford asked Governor Daniel to call lawmakers together this month. New members could be sworn in and a speaker elected in a one-day session, he said. This would give the speaker time to organize committees and be ready to go to work in January.

But Governor Daniel said that any legislature meeting this year would be the 56th Legislature, which could not elect a speaker for the 57th Legislature.

PROMISE A PRINCESS FOR CHRISTMAS

Well, it's that time of year again when the men of Floydada tackle the problem of selecting something for Christmas for the "Lady-of-the-House". Some men never seem to know what to choose. So they end up with some unimaginative item — a compromise between something she doesn't really want and something she doesn't really dislike. (Ever happen to you?)

In any case, here's good news for Christmas shoppers. A Christmas surprise she'll use and treasure all year long... the new, streamlined Princess phone.

It's little, the ladies love it, and it lights. The dial glows more softly than a light on your Christmas tree, and when you lift the receiver, it shines brightly for easy dialing. It has a smart new oval shape, too.

So why not "promise her" a Princess phone for Christmas? If you want to surprise her, we have a Christmas tree-shaped gift certificate to hang on the tree. It unfolds to show her the colors in which the Princess phone is available. White, pink, turquoise, blue and beige. After Christmas, we'll install the Princess phone in the color and place she likes best.

Like to order a Princess phone for your "Best Girl"? Just call the telephone business office.

GET NUMBERS NOW FOR HOLIDAY CALLS

I know a lot of folks in Floydada will be making Long Distance calls over the holidays, and so will thousands of others all over Texas.

To get everybody's call through as fast as possible, it's especially important you call by number.

If there are numbers you don't know, the Long Distance Operator will be glad to get them for you ahead of time so you'll have them when you call around Christmas or New Years. This number service is free now and every day of the year. We'll also send you a free Blue Book to keep a record of your numbers.

HOLIDAY GREETINGS

I'd like to take this opportunity, on behalf of all of us at the telephone company, to extend our very best wishes to you and all the members of your family for this holiday season. Have a "Merry Christmas" and a "Happy New Year."

Call by number. It's twice as fast!

Several local members of the Order of Eastern Star were in Lubbock Tuesday night of last week at MacKenzie Masonic Lodge to attend a program complimenting Mr. and Mrs. R. O. Fuqua of Sweetwater.

Mr. and Mrs. Fuqua were observing their 35th wedding anniversary. He is Junior Past Grand Patron of the Eastern Star Grand Chapter of Texas.

Other Grand officers present for the meeting and social affair were Mrs. Ben V. Smith, Past Grand Matron; Mrs. Margaret Jackson of Arton, Deputy Grand Matron; Mrs. Ella May Adcock, Grand Representative from Louisiana to Texas; and Mrs. Hazel Lindsey, member of the registration committee.

Attending from Floydada lodge were Mrs. Doris Huckabay, Worthy Matron; Mrs. Eula Thurman, Mrs. Mable Leonard, Mrs. Ruth Trapp, Mrs. Lula Green and Mrs. Flora McNeill.

During an informal reception honoring Mr. and Mrs. Fuqua, refreshments were served from a table covered with nylon net over satin and bordered with sequin poinsettias and candles. White beaded flowers with green leaves in a white urn flanked with green candles in a cluster of flowers and ceramic angles, centered the table. The silver service was at one end and a wedding cake, topped with a miniature bride and groom, were at the other.

Mr. Fuqua is a nephew of Mr. and Mrs. M. C. Fuqua of Floydada.

Santa Letters

Dear Santa Claus,

I have been a real good boy and I want you to bring me a bicycle.

I am 6 years old, and, too, I want a big lot of candy and nuts and fruits. Don't forget my little friends and my cousins, Mikel and Rhonda Jarrett, and my uncle and aunt, Beverly Erma Deen and Tomi Carver. Best of all, don't forget my mamma and Daddy.

You look on the table, I'll have you a glass of warm milk. Thanks. Bye now.

Jimmie Edward Jarrett, Floydada

Dear Santa,

I am a little girl, I'll be 5 years old in January. Will you please bring me a new doll. I would like a bride doll. I have one, but she's getting old.

I want you to bring my brother, Mikel J., a birthstone ring. He goes to school.

Also bring a big lot of fruit candy, and nuts, if I am not asking too much.

I want you to remember my mamma and daddy and all the little boys and girls. Thank you. My name is Rhonda Jane Jarrett, Floydada.

Dear Santa,

Please bring me a sewing machine. Bring me a crippled doll that has measles and you can get her well. Bring me a doll walker. Santa Claus, that will be and Mrs. Fred Battey were two all. Bring me some candy and fruit, too, please.

Please be good to my little brother and my friends.

I love you, Santa Claus.

ONE-STOP SHOPPING FOR A NEW CAR at your Chevrolet dealer

Now you can make your car-shopping rounds the easy way—all under one roof! For '61 your Chevrolet dealer nearly any type of car you could want—at the kind of price that'll make you want it all the more. There's a whole crop of Chevy Corvairs with lower priced sedans and coupes and four wonderful new wagons unlike any ever built in the land. There are new Chevy Biscaynes—the lowest priced full-size Chevrolets, beautiful Bel Airs, elegant Impalas, six easier loading Chevy wagons, including three 9-passenger models.

Come in and pick and choose to your heart's content!

New '61 Chevrolet NOMAD 9-PASSENGER STATION WAGON

There are six easier loading Chevrolet wagons for '61—from budget-pleasing Brookwoods to luxurious Nomads. Each has a cave-sized cargo opening measuring almost 6 feet across and a concealed compartment for stowing gear (with an optional extra-cost lock).

New '61 Chevrolet IMPALA 2-DOOR SEDAN

Here's a new measure of elegance from the most elegant Chevrolets of all. There's a full line of five Impalas—each with sensible new dimensions right back to an easier-to-pack trunk that loads down at bumper level and lets you pile baggage 15% higher.

New '61 Chevrolet BEL AIR SPORT SEDAN

Beautiful Bel Airs, priced just above the thriftiest full-size Chevies, bring you newness you can use: larger door openings, higher easy-chair seats, more leg room in front, more foot room in the rear, all wrapped up in parkable new outside dimensions.

New lower priced '61 CORVAIR 700 CLUB COUPE

There's a whole crew of new Chevy Corvairs for '61—polished to perfection to bring you spunk, space and savings. Lower priced coupes offer nearly 12% more room under the hood for luggage—and you can also choose from four new family-lovin' models.

New '61 Chevrolet 4-DOOR BISCAYNE 6

NOW—BIG-CAR COMFORT AT SMALL-CAR PRICES—Chevy's new Biscayne 6 or V8, are built to save in a big way. They offer a full measure of Chevrolet quality, roominess and proved performance, yet they are priced down with many cars that give you a lot less.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer.

the Snowman that Lived.

Johnny built a snowman! From white, cold snow he made it. It was hard work, and Johnny was justly proud.

Johnny built a snowman—in a day! He packed the snow hard, put in coals for the eyes and nose, and Daddy's hat was placed on top.

But far more of Daddy than just his hat went into this snowman. Just as Johnny worked hard to build the snowman, his father is hard at work too . . . building Johnny. Daddy's greatest dream is to see Johnny moulded into a man of strength, vision, and character.

Luckily for Johnny, Daddy is a wise father. He realizes that the most important single influence upon his son's life is the teaching of Christ. Daddy will see to it that his son receives that teaching by sending him to Church services regularly. In making certain that Johnny knows the beauty of God's words, father will see his greatest dream come true.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
