## Future Farmers Observe Week Beginning Feb. 18

National FFA Week starts this Saturday, February 18. On this occasion residents pause to take a look at the local FFA chapter, its members and at their activities.

We find that Floydada Chapter of Future Farmers of America was organized in 1930 and was the third chapter organized in the state of Texas. The vocational agriculture teacher at that time was O. T. Williams who taught here for five years.

Since that early beginning FFA has enjoyed steady growth and programs have been expanded to take in more modern methods of farm operation.

Presently Floydada chapter has 83 members. The officers are Larry Orman, president; Keith Thomas, vice-president; Fred Thayer, secretary; Curtis Sanders, treasurer; Robert Overstreet, reporter; Bruce Julian, sentinel.

Retired Floydada City Judge, Oscar Bernhard Olson, 84-year-old resident of Floyd County, succumbed in Peoples Hospital at 6 o'clock Thursday morning, following a lengthy illness.

Judge Olson had been in the hospital for two weeks after suffering a stroke. He had been in failing health for a number of years.

Coming to Floydada in 1909 with his youthful bride, the former Miss Katherine Holcomb, the judge and his wife settled in the county and he was in business as a cotton buyer and dry goods merchant for many years.

They raised a family of two sons and three daughters and during their growing up period Judge Olson was a Justice of the Peace of Floydada. He was presiding city judge at the time of his retirement two years ago.

His parents, Mr. and Mrs. Ole Olson, came to the United States from Norway. He was born in Bosque County on December 15, 1876 and was married in Abilene, Tex., Jan. 10, 1906.

He was a long-time member of the First Methodist Church and Woodmen of the World. Funeral rites were conducted Friday afternoon in the First Methodist Church with the pastor, Rev. Charles Lutrick, officiating.

Interment was in Floyd County Memorial Park under the direction of Harmon Funeral Home. Pallbearers were Woodrow Goen, Neal Bertrand, William Bertrand, Lora Leifried, Emmett Hinson and Russell King.

Survivors include his wife, Katherine; two sons, O. H. Olson, Tulsa, and O. B. Olson Jr., of Winslow, Ariz.; three daughters, Lynn Olson of the home, Mrs. Leroy McDonald of Tulsa, and Mrs. Bill Williams of Detroit, Mich.; two brothers, O. A. Olson of Kemp, Tex., and J. M. Olson of Spokane, Wash.; four grandchildren and three great grandchildren.

Alan Adams, student advisor. Advisors are H. G. Barber and Lloyd Cook. Activities for the past year have included a fishing trip to Colorado, five livestock judging contests, two poultry judging contests, two land judging contests, three talent contests, district convention in Floydada, area convention in Amarillo, state convention in Houston, national convention, Kansas City, Mo.

Floydada FFA members entered in Floyd County Junior Fat Stock Show, Plainview Stock Show, Lubbock Stock Show, three farm stock contests, and two chapter conducting contests.

The FFA is an intra-curricular activity having its origin and root in a definite part of the school curriculum - vocational agriculture. The foundation upon which the FFA is built includes leadership and character development, sportsmanship, co-operation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship and patriotism. The contests entered by members represents study from the vocational agriculture classroom.

The four year vocational agriculture program in the school is designed to serve as the best foundation in FFA work. Members are guided and trained to achieve the following goals:

1. Make a beginning and advance in farming;
2. Produce farm products efficiently;
3. Market farm products advantageously;
4. Conserve soil and water;
5. Manage a farm business;
6. Maintain a favorable environment;
7. Participate in rural leadership activities.

Courses of study in vocational agriculture classes include the following:

Soil and Water conservation, livestock improvement, crop improvement, farm shop - wood-metal, leadership training, disease control and prevention, insect control and prevention, marketing farm products, management, feeds and feeding, community service and improvement.

These subjects and others (as the need arises) are taught in Floydada High School in one of all of the four years of vocational agriculture.

Interest in the free diphtheria inoculations each Friday and Saturday for children of pre-school ages continued to be evident last weekend. Friday 99 children were given the treatment and Saturday about 60 were in the line. Both first and second shots were administered.

Mrs. Ruth Jameson is giving the diphtheria shots under the direction of County Health Officer Jack G. Jordan.

The same program with the same hours observed will be followed next Friday and Saturday and will be continued for a time until as many as are interested will be cared for.

Soil and Water conservation, livestock improvement, crop improvement, farm shop - wood-metal, leadership training, disease control and prevention, insect control and prevention, marketing farm products, management, feeds and feeding, community service and improvement.

## Diphtheria Inoculations Continuing

Interest in the free diphtheria inoculations each Friday and Saturday for children of pre-school ages continued to be evident last weekend. Friday 99 children were given the treatment and Saturday about 60 were in the line. Both first and second shots were administered.

Numerous Mexican and Negro as well as Caucasian parents had their children in the clinic last week.

The service is available to families throughout the county without charge. The Commissioners Rucker, Harold Ellison and Joe Court picking up the tab, so as to ensure that families who cannot pay are not denied the service.

The directors have announced they will meet in the kitchen of the agricultural building at 7:30 o'clock.

## Directors To Meet Tonight On Stock Show

Meeting of the board of directors of the Floyd County Junior Fat Stock Show Association to-night heralds the early approach of the stock show for 4-H and FFA boys and girls of the county to be staged Monday, Tuesday and Wednesday, March 13-15, slightly less than a month hence.

With few changes in the rules and the addition of only one class of sheep, the general rules and regulations closely follow the order of last year's show.

- Changes include:
- Limiting the auction sale to 80 barrows, 60 lambs and 32 steers to be sent through the ring;
  - Limiting the weight of a competing steer to 1,300 pounds;
  - Limiting the weight of a barrow in the swine show to 240 pounds; And the weight of a lamb to 120 pounds;
  - And adding the Shropshire breed to the lamb classes.

A rule requiring entries to be in the county agent's office not later than March 6 will be followed.

Changes made in the sales pavilion will give more seating capacity and easier access to the concession stand in the building.

The show will open Monday morning, March 13, at 7 o'clock when the barn opens and weighing in begins. The same day at 1 p. m., the sifting judges will work the entries.

Tuesday morning swine judging begins at 9 a. m., lamb judging at 1 p. m., and steer judging at 3 p. m.

At 7:30 Tuesday night a banquet for exhibitors and parents sponsored by the Farm Bureau, the First National Bank of Floydada, and the First National Bank of Lockney, will be held at Floydada High School cafeteria.

The afternoon of Wednesday, March 15, at 1 p. m., the auction sale will be held.

The board of directors tonight will review all plans and arrangements, appoint committees, etc. Greer Christian is president of the association, Eldon Fortenberry vice president and R. L. Knox Jr., secretary-treasurer.

Other members of the board are Tom Porter, H. G. Watts, Marvin Shurbet, Robin Fortenberry, Gerald Lackey, Charlie Boedeker, Oscar Golden, Ches-Bean, Ray Lloyd, W. T. Connor, Troy Lee McNeill, Clay Hines, Bill Colston, Raymond Rucker, Harold Ellison and Joe Court.

The directors have announced they will meet in the kitchen of the agricultural building at 7:30 o'clock.

## 15-Year-Old Sandra Heard Died Friday

Sandra Heard, 15 year old daughter of Mr. and Mrs. S. R. (Pop) Heard of Petersburg, died in Baylor Hospital at Dallas Friday morning where she had undergone brain surgery last week.

The young Petersburg sophomore, who was a member of the Rainbow Girls and of the Petersburg High School band, was known in this area by local band students and many others.

She was the great granddaughter of Mrs. Mattie Heard of Petersburg and a great niece of Miss Anna Carr and Mrs. Mather Carr.

Miss Heard was stricken with severe headaches several weeks ago and was sent to Dallas to a specialist after her case was diagnosed at Plainview. She was admitted to Baylor for treatment after finding she had a blood clot. The emergency operation was performed about a week prior to her death.

Survivors include her parents, Mr. and Mrs. S. R. Heard, and Jerry, age five, of the Petersburg home; grandparents, Mr. and Mrs. Erv Williams, Petersburg, Mrs. Jim Heard of Happy Union community, and Mrs. Mattie Heard, Petersburg.

Funeral rites were conducted Monday afternoon in the Primitive Baptist Church at Crosbyton with Elders Edwidge Norman of Childress and Kenneth Martin of Floydada, officiating. Interment was in Crosbyton cemetery under the direction of King Funeral Home.

Mr. Johnson was born in Johnson County, Ark., and moved to Crosbyton in 1924 and from there to Floyd County in 1942.

Survivors include his wife, four sons, Charles, Warner and Eugene Johnson, all of whom reside in the Lakeview community, and Thilmon of Los Angeles, Calif., one daughter, Mrs. Vernon Wheeler, Crosbyton; one brother, H. B. Johnson, Crosbyton; 14 grandchildren and three great grandchildren.

## Revised Plans For Canneries Are Adopted

The Floyd County Commissioners Court in their session this week, in addition to the routine of paying bills, checking and cancelling vouchers issued out of the treasurers office, also:

(1) Named the election judge for all general and special elections in the county for the period of the next two years;

(2) Voted to request Commodity Distribution of foods, donated by the Department of Agriculture through the State department of Public Welfare;

(3) Selected The First National Bank of Floydada as the depository for county school funds and for county general and special funds for the period of the next two years;

(4) Set the rate for county and state taxation at \$1.40, the same figure as prevailed last year. (The court is required to review this order in the fall when the annual budget is adopted.)

(5) And voted to operate the two canneries of the county for a period of only four months in the year. These months will be July, August, September and October, when the canneries will be in operation.

Accordingly the canneries will be closed March 1 to re-open again on July 1 this year.

A recap of the operations of canneries last year revealed that 89.6 per cent of the foods processed at the canneries were handled in the four months of July, August, September and October, the commissioners found.

Total cost last year of operating the canneries was \$4,100 in round figures. Eliminating the operations during the slack eight months will save the taxpayers approximately \$2,000 with little inconvenience to the public, the court believes. Last year 32,573 units of food were processed in the canneries. Of this number 3,311 units were handled in the slack months contrasted with 29,262 units in the four busy months.

May Operate in March. In planning for the surplus commodity distribution the court hopes possibly to get started in March. However, their request for the commodity distribution here has not been cleared through the state agency as yet. The court anticipates that all or practically all of the people on the welfare list will be eligible to receive the free commodities and thus relieve some of the pressure on the income of these citizens.

Olin M. Watson Jr., has been named by the court as representative of the county in Commodity Distribution.

Most recent list of commodities to be available through the State Welfare Agency includes flour, corn meal, rice, dry milk, beans, lard, dried eggs and canned pork.

Unless the court finds it must revise its allocation in August the distribution of tax funds this year will be as follows:

Jury fund, 3c, road and bridge fund 20c, general fund 35c, permanent improvement fund 17c, and library 5c. This is the constitutional limit of 80 cents which the court may impose without a vote of the people.

The additional taxes which have been adopted by vote include a special road and bridge fund of 15c, road bond fund 35c, court house bonds 10c, bringing the total to \$1.40 on the \$100 valuation.

The court also acceded to a petition of interested landholders in closing about 1,200 feet of road no longer in use since the construction of FM No. 1958. The road is on land adjacent to the farms of B. L. Breed the Willson families.

## Local Housing Authority Set-up Gets Nod From PHA Accountant

T. E. Stroud, Fort Worth, auditor and accountant of the Public Housing Administration, spent last weekend here with J. W. Reue, administrator of the Housing Authority of the City of Floydada, setting up the local records to get started on the program here for slum clearance, and low income housing.

Mr. Stroud said the Floydada community "looked good" and the local program appears to be well in hand. He said next move in the general plan calls for the architect's plans and specifications.

He hopes to see actual construction begin within the year.

**New Approach Noted.** The first dispatch this newspaper ever had from the Chicago Board of Trade relates an unexpected point of view of the president of that organization, who thinks that farmers need a good press agent about as bad as they need anything else. Understanding of the farmer's position in a trade world which has been completely turned around in one generation is urgent need indeed.

In View of Three decades of national farm programs, programs that handicap the marketing system as it has been used, it would be a natural thing for the Board of Trade of Chicago to take a critical attitude toward all such programs. On the contrary, the Board of Trade's president, Robt. C. Liebenow, expresses a realistic view that is refreshing. Any wishful thinking to the contrary, he recognizes that in this day and age there will be an interim farm program until the day comes when the population and changed production reduce surplus capacities.

In a recent address to an Indian farmer audience he said: "We need a nationwide campaign to improve agriculture's public relations, to make the public realize its importance and the need to keep it sound and healthy. This educational campaign should begin without delay. The city newspapermen, the columnists, the commentators, industrialists, and many others need to go back to school for awhile, figuratively speaking—to study agriculture. Looked at objectively, the farm problem is relatively simple in its outlines. The farmer is making a tremendous contribution to America. He has built a marvelous plant, one which is a bulwark against any kind of emergency; one which is furnishing food and fiber cheaply and efficiently. This magnificent plant is the big reason for the surpluses which are plaguing the producers and others. The farmer is the victim of his own efficiency. He is being penalized for a job well done. That fundamental fact must be grasped. Or to put it another way, the farmer needs a good press agent."

It is to be hoped more success meets efforts of the national administration, which continues negotiations with the Soviets in much the same manner as the former one, the Russians speaking softly about peace and raising their helms on the side in at least two areas of the world, currently fanning the Congo fire and breathing brimstone at France. And for that matter still truculent at Panmunjam, a face making negotiation that began when the active war died down in Korea. It will be hard for the American people to forgive if the administration permits the Cuban matter to get further out of hand. Modern affairs in Cuba are of our own making. We only had to be realistic and firm to keep the pot there from boiling over in the first place.

**Inuumba Is Dead.** Song hit in the Katanga state of Congolese Africa: We're glad you're dead, you rascal, you.

**Revised Cattle Estimate.** This week news dispatches contained the information that the number of cattle in the United States, generally estimated at a probable 100 million, is now put at 96 million head, in round figures. This figure was of one year ago on January 1, about as near a current count as the time element permits. Numbers of swine and sheep also were down slightly from the official estimates, and even chicken numbers were lower. This will be encouraging to live stock people, who have been cautioned for two years or so that they were overproducing and probably would run into difficulties.

**Governor Daniels' Bills.** The bills which the governor hopes to see passed by the legislature to meet the current deficit in the state's fiscal affairs barely made the headlines the past week, what with the new Russian sputnik satellite on the way to Venus, the wild African affairs, and the activities of the new national administration. Also the advance publicity the sales tax proposals got in ahead of the governor's announcement. One of his suggestions is that the legislature tax the holdings of out-of-state concerns doing business here in addition to the tax they are paying for the right to do business in the state. The governor has been realistic in our opinion, in most of his proposals, probably he is on this one.

**National FFA Week.** Current interest in the Future Farmers of America in the public schools of Texas lies in their observance of the anniversary of their organization. Vocational agriculture has been a valuable adjunct to the school curriculum in Floydada for many years. It has carried on education and instruction in a wide range of learning that has appealed to adolescents and budding young men. The third chapter of FFA in the state was organized in the Floydada Schools.

**Farm Work Begins.** Unless the weather man intervenes again before this sees print, a great deal of work is under way on Floyd County farms, work that often is done in January. February is a late start but at that may be ample in view of the fast work which modern farm tools make possible. Also, nobody can find fault with the fine season in the ground for both field work and range conditions.

## Lewis Makes Soil Testing Suggestions

With a hundred or more soil tests already recorded and samples coming in at the rate of four or five per day, soil testing evidently is assuming major importance in the minds of farm operators.

If tests on your farm have not yet been made County Agent Cecil Lewis makes the following suggestions for taking accurate samples which can mean better use of fertilizer and more profits per acre:

1. Divide each field into uniform areas, paying special attention to differences in slope, erosion, crop growth and yield. The soil in each area should have the same texture, cropping history and fertilizer treatment.
2. When you sample an area, scrape away the surface litter and take a core six inches deep from the surface soil.
3. On permanent pastures and sod areas, sample only three inches deep.
4. Repeat this procedure in 10 to 15 places in the uniform area. Mix the soil in the pail and fill a pint container with the mixture.
5. Don't sample unusual areas such as dead furrows, low spots or terraces.

Such a procedure will give you a composite sample representing all sections of the field. This will help the soil testing laboratory give you an accurate report on your lands needs for nutrients.

Soil samples can be taken any time. Lewis points out that for taking a soil sample, you need a container and information sheet, a sampling tube or spade and a clean pail. You can get the container and information from your county agent, fertilizer dealers or local vocational agricultural teacher.

**George Washington's Farewell**  
Address was delivered September 17, 1796—more than one hundred fifty years ago.

This great document is commonly accorded a place beside The Declaration of Independence, second only to the Constitution.

With almost uncanny accuracy, he foresaw many of the troubles that face us today. He recommended "for our frequent review" many warnings of possible dangers, with suggestions how to guard against them.

For our frequent review—perhaps with the thought in mind that we may forget momentarily the indescribable sufferings and privations our forefathers endured in order to gain the freedom and liberty, which we enjoy today.

Maybe he foresaw possible foreign entanglements and their danger to our happiness, prosperity and general welfare.

He certainly warned against the abuse of public credit and the accumulation of debt with which to burden posterity.

A lot of things are happening today that he apparently envisioned when he delivered that famous address.

So, in this month of his birthday it would be timely if every law-maker in this great land of ours would take time out and read this document, carefully, and look for the guidance and inspiration it has to offer—to-day.

One of my favorite cherry desserts is this recipe that was given to me by my niece, Mrs. Dan Hagood:

**Cherry Upside Down Cake:**  
Drain and reserve juice from a No. 2 can (2½ cups) tart red pitted cherries.

Place cherries, ¼ cup sugar, 1 tablespoon butter and a few drops red food coloring in a saucepan. Heat thoroughly, pour into 8 inch cake pan.

Stir ¼ cup shortening to soften, sift in the dry ingredients: 1 cup sifted flour, 1½ teaspoons baking powder, ¾ cup sugar, ½ teaspoon salt.

Now measure ½ cup milk, add all except 2 tablespoons. Mix until flour is dampened. Beat 2 minutes with electric mixer at low speed.

Add remaining milk and 1 un-beaten egg. Beat 1 minute.

Pour batter over cherries. Bake in a moderate oven (350 degrees F.) 45 minutes or until cake is done. Remove from oven and let stand 10 minutes. Loosen from edge of pan.

Cake will slide out easily. If cherries stick loosen with a spatula.

Serve cake warm. If you like pass red cherry sauce to ladle over it.

**Cherry Sauce:**  
Combine 3 tablespoons sugar with 3 tablespoons cornstarch, stir in 1 cup liquid (cherry juice plus water) and about ¼ teaspoon red food coloring. Cook until thick.

## AND GETS CAUGHT

# Prowler Uses Poor Technique; Switches Off All-Night Light

Bill Taylor, night officer for the city of Floydada, happened to see lights go out in a place of business in the early hours Friday morning, and approached a burglar.

The 24-hour service Cuddy Laundry, located east side of the square was the business broken into. The front door remains open at all times except on Sunday and the lights stay on for those wishing to use the service. The burglar, conjectured as thinking he would be spotted too easily from the front at 3 a. m., broke into the rear door, turned

## Cottonseed Treatment

Seedling disease is one of the major disease problems in cotton. Losses this past year amounted from 5 to 10 per cent of the cotton crop.

Proper seed treatment with an approved chemical is one of the measures used in helping to reduce losses to this disease. Seed treatment helps prevent seed decay and damping-off - off from both seed and soil borne disease. This treatment does not prevent soil borne disease from occurring after germination.

## Agricultural Changes

According to the 1959 Census of Agriculture many changes have occurred since the last census in 1954. There were 1194 farms in 1954 and 963 farms in 1959. This was a loss of 231 farms. The average size farm is 651 acres an increase of 130 acres in size. Farmers spent \$2,355,000 for machine hire in 1959 about \$432,000 more than was spent in 1954. Farmers are trying to meet the cost price squeeze with machinery \$396,000 less money was spent in this same period for hired labor. People must be progressive to make changes necessary for holding net farm income.

ly Wheelless, of Crosbyton. Four sons, Warner, Eugene and Charles, of Floydada and Thillman, of Westminster, Calif.

Mr. Johnson was born in Johnson County Ark. in 1890. They moved to Crosby County in 1924 and to Lakeview in 1942. The sympathies of the community are with the Johnson family.

The Lakeview Home Demonstration Club met Thursday with Mrs. W. Earl Edwards for a Hawaiian luncheon. Delicious dishes featuring far eastern foods were brought by club members. As guests arrived, Mrs. Earl Edwards, Jr., dressed in a grass skirt, pinned miniature orchids in their hair. The guests enjoyed ginger rum punch, rise pilau, baked bananas, chicken oriental, Hawaiian ham, several salads and Jerssets featuring pineapple, coconut, oranges and other tropical fruits.

After lunch the guests were taken on a tour of the Edwards' new house. It reflects Mrs. Edwards' thoughtful and meticulous planning. A window seat in the living room is cushioned in bright red velvet. The walls and draperies are pale beige and on the divan was folded a beautiful afghan made by Mrs. Edwards. The furniture is maple, Early American. In the den there is a large roomsize rug crocheted by Mrs. Edwards. The members children enjoyed the basement play-room.

During the club's business session, Mrs. Roy Fawver submitted her resignation as president, for reasons of health. Mrs. Q. D. Williams was elected president. As Mrs. Earl Edwards, Jr., vice president has previously served as president.

Mr. and Mrs. Holt Bishop were in Plainview last week to celebrate Miss Kristi Pegram's sixth birthday. It hardly seems possible that little red-headed darling could be old enough to start to school this fall.

Clifford Helms is resting at home now that the illness he suffered a month ago has been diagnosed as a heart attack. He is on a low fat diet.

Lakeview girls who served at the Junior-Senior banquet were Misses Judy Beth Newberry, Jean Jones and Bonnie Helms. Bonnie also sang with the band at the Junior-Senior prom afterward. She wore a new evening dress of pale blue tulle over satin and it must have been beautiful with her

pale gold hair.

Mrs. Q. D. Williams and children, Nancy, Monte and James, picked up Mike Bishop and Jan Proctor, of Crosbyton, for a visit to Lubbock Saturday morning. James had his eyes examined for glasses. Everyone went to see the movie "Swiss Family Robinson" in the afternoon.

The Lakeview 4-H Club met Monday night at the school house. A film "You and Your Friends" was shown.

The clippings are arranged in a way that they overlap each other, creating a sense of depth and movement. The overall effect is a collage of media coverage related to the word "PLAY".

# Silverton To Send Pupils Here, Report

According to news sources at Silverton the school board there has decided to send its colored high school students to School at Floydada Negro School.

The school board is reported to have made the decision Monday night at a meeting and agreed to pay \$25 per month per student tuition fee requested by the Floydada School board.

The report says five Silverton students will be attending the Negro High School here when the 1961-62 school year begins in September. The cost to Silverton schools will be \$1,125, plus transportation for the five students in the school year.

I. T. Graves, superintendent of Floydada schools, said he had received no word of the agreement from Supt. Hinds of Silvertown late yesterday afternoon.

Lockney and Petersburg with a larger enrollment of negro high school students are faced with a similar situation as at Silvertown.

No action has been taken by either of these two school boards. Each of the schools have sent their students of high school age to Floydada school for three years.

sent to the superintendents informing them of the tuition fee starting this fall.

## Mistrial Held In Byrd Suit For Damages

Trial of the suit of Mrs. Clara Belle Byrd, of Nacogdoches, against Kerr & Middleton contractors, asking \$100,000 damages for herself and two minor children in the highway death of her husband here in January, 1959, was declared a mistrial in the midst of the testimony of the second witness called to the stand Tuesday afternoon.

The jury was dismissed by Judge L. D. Ratliff, after several minutes of discussion, on motion of defendant's attorneys.

The jury was empaneled at the morning session and testimony started shortly after 1 o'clock.

After questioning James C. Kerr, partner in the contracting firm, Resident Engineer Sam A. Fowler was called to the stand.

On re-direct examination about 3:30 the plaintiff's attorney asked the engineer, "Who suggested you had better get out there and take some pictures?"

"There was an insurance adjuster by the name of John," was as far as the witness got with an answer when he was stopped by the presiding judge.

Granting the mistrial followed shortly thereafter.

Mrs. Byrd's 37-year-old husband, Jesse Thomas Byrd, was killed in a crash on F.M. 651 between Highway 70 and Lakeview in the early morning hours of Jan. 29, 1959.

The report at the time said he was riding alone when he was hit by a mound of caliche. The Wayne Battey home. Byrd was found by a Tulsa man beside his car.

It was conjectured, from appearances, that Byrd had gotten out of his car and collapsed. The same report said that flames were seen and warning signs indicating the road was under construction.

Tire marks showed Byrd had attempted to stop.

Byrd was a resident of Plainview at the time of his death. He had been to Nacogdoches where he and his family had attended a funeral. Mrs. Byrd and the two daughters stopped at Waco on the way home.

Two Cases Set For Tuesday The court will be re-convened Tuesday of next week when two cases, one a civil action, the others criminal, have been set down for trial.

Principals in the civil suit are Jess Starkey, plaintiff, and Kenneth O'Neal and C. E. Leatherman, defendants. The suit grew out of smash up on Highway 70 in Floydada last year, in which the daughter of Mr. Starkey was injured.

The criminal case is based on an indictment returned against Murray Jones, in which he is charged with keeping a gambling house.

Whirlwinds Finish Second The Whirlwind boys team finished district play with a 6 won four lost record to earn a second place in the standings. Abernathy boys won the district crown with an undefeated season.

The Floydada boys had evened out their record by winning three games in district play while losing seven. They finished in a tie with Lockney girls just ahead of Olton the cellar team.

Muleshoe girls won the crown with a 10-0 undefeated loop record.

Next Year Looks Brighter Barring scholastic failures and the like Coach Shields stands to have much more experience in the 1961-62 teams. On the girls' team Verna Pate, Pat Tucker and Mary Dunn are the only senior members of the traveling team.

The returnees include LaJuana Rimmer, Carolyn Moore, Rita Colley, Joy Nixon, Doris White, Sarah Holmes, Barbara Darden, Kit Zimmerman and a fair crop of freshmen girls.

The boys team will lose seniors Larry Orman, Ted Allen, and Tommy Ogden. Under classmen returning will include Rodney Teague, Charles Christian, Jay Dycus, Don Switzer, Darryl Lindsey, Joe Lee Dunn and Danny King.

The coach will also move up one of the finest freshmen teams in the school's history which is undefeated for the present season.

Jerry Powell a junior basketballer should be back in harness in the fall also. He had missed most of the present season with a broken hand.

The boys and girls freshmen teams and 8th grade teams are entered in the Post tournament this weekend.

DRIVE-IN LETTER BOX MOVED ACROSS STREET The Post Office in Floydada is moving the drive-in letter drop from the location next to Pioneer Natural Gas Co., to the opposite side of the same street intersection and adjacent to the Shaw residence.

Letters from the drop box are picked up thirty minutes before each major mail dispatch. The service has proved to be quite popular with the public.

The box is expected to be moved before the week is out is the report of Ed Wester, postmaster. Pioneer Gas is planning a Zinn drive-in window for their new office now being built and this makes the move of the letter box necessary.

The Calvary Baptist Church has called a new pastor, Vance Zinn, of Lubbock. Rev. Zinn has done evangelistic work for eight months.

The Zinn family consists of his wife Nell, son Wiley and daughter Joy.

JOLENE ROBERTSON  
**Jolene Robertson Awarded Trophy In Piano Contest**

Jolene Robertson, 11 year old daughter of Mrs. Ross McWilliams, former Floydada girl, who now resides in California, was entered in the January Annual John Childs Walker Memorial Fund Contest for student musicians.

The young lady was entered by her piano teacher, Burton Arant, National Guild teacher, of the Musician Club of Pomona Valley, Calif.

Out of twelve contestants who were entered, five were winners. Four of these were pianists and one vocalist. Each winner received \$20 and a trophy.

Jolene was the youngest winner. She started her musical career at the age of five under the instruction of Mrs. Joyce Nelson in the early morning hours of Jan. 29, 1959.

The report at the time said he was riding alone when he was hit by a mound of caliche. The Wayne Battey home. Byrd was found by a Tulsa man beside his car.

It was conjectured, from appearances, that Byrd had gotten out of his car and collapsed. The same report said that flames were seen and warning signs indicating the road was under construction.

## Hawaiian Dinner Entertains Harmony Club Husbands

By Mrs. Steve Trowbridge throughout the room and with water from the fall and music from within the scene made a Hawaiian dinner on Tuesday night in the auditorium of the Community Center. The theme was carried out extensively in the decoration throughout the building and also in the food which was served.

Guests were greeted at the door by Mrs. Sherwood Ramsey who was attired in Hawaiian dress Zant Scott, Jack Clevenger, Glenn called a "Mu Mu". She gave Pool, Steve Trowbridge, Bob Hop, them a real Hawaiian welcome by placing a colorful lei around the neck of each.

Mrs. Truman Dunavant gave a Carriek Snodgrass, Milton Shore, welcome to all seated guests and R. B. Gary, Walter Hanna, Bill, the blessing followed by Glenn Tucker, Glen Curtis, Bruce Davis, Pool. Food was served in a buffet manner.

On the table was Teriyaki Hawaiian and punch served by Mrs. Steve Trowbridge.

A lovely centerpiece was formed with a native thatch hut set along the sea shore and shadowed by palm trees. Mrs. Bob Hop, per, attired in a grass skirt, and Mrs. Everett Miller, assisted with the serving.

On the main table were placed flowers, leaves and leis simulating the natural beauty of the Hawaiian foods. The table was covered with a fish net tablecloth and all the food was served from colorful dishes. Foods served were chicken salad, sweet potato, puffs, avocado bowl, coconut, fruit bowl, olives, sorted pickles, nuts, banana bread, pineapple upside down cake and coffee.

Miniature palms centered individual tables, and place mats of braided pastel colors were used.

Soft Hawaiian music was heard in the background where a beautiful Hawaiian scene was featured. A waterfall flowed into a pond of lilies, sea shells and shadowed by palm trees.

Green grass surrounding the area. A brilliantly colored red bird R. King, Europe; Mrs. George peached on the branches of a tree. The feature of the scene Mrs. Jimmy Powell, Asia; Mrs. was a little Hawaiian girl dress Z. D. Evans, Africa; Mrs. M. V. in a native costume, looking as Jackson Latin America; and Mrs. if she might be dreaming by the W. W. Trapp, Australia; rippling waterfall. Palm trees and women of the Christian Church hurricane lamps were used will serve the noon meal.

Those attending were greeted by Mrs. Tom Porter, recreation leader, with the beloved word of Hawaii, "Aloha" as she placed colorful leis around their necks.

Some of the dishes on the menu were Polynesian Mingle, Teriyaki Hawaiian, chicken and rice dishes, salads of pineapple and dessert of Wikikiwi Walk-Away. The table held a centerpiece of various kinds of fruit from Hawaii. After the delicious meal members made pillows.

During business in the afternoon roll call was answered by a fact from Hawaii. All recommendations of the county council were read and most passed.

Mrs. Tom Porter was elected as the nominee delegate to the district meeting in April at Brownfield, and Mrs. John Shipley was elected THDA nominee chairman.

Games were led by Mrs. Porter and the song "My Bonnie Lies Over the Ocean" was sung.

Members present: H. S. Waller, John Porter, S. L. Holmes, Tardy, J. K. Holmes, Mrs. Denning and Mrs. Peachy Parrish. The next meeting in the home of Mrs. Smith.

## Former Agent Recalls Floyd County Days

Copy of a story of last week about a former county agent of Floyd County, D. F. Bredthauer, forwarded to him at his present address at Refugio in Refugio County, reminded Mr. Bredthauer of some of "the many fine people in Floyd County who supported Extension work." He added "I will always be grateful to these folks as I learned far more from them than they did from me."

It has been 20 years since Mr. Bredthauer worked in Floyd County. In his time he recalls, came the first potato acreage planted at Aiken, and other vegetable practices, as well as the organiza-tion days of the REA.

It was also in his time that the first carload of commercial fertilizer was shipped into the county. "I'll never forget that first car of fertilizer shipped into the South Plains and unloaded at King and Commissioner and Mrs. Lockney. Many thought I was R. B. Calhoun were guests in the leading the county to ruin. Now King home Sunday. They are Mr. and Mrs. Alpha King and ed practice."

Bredthauer says that Refugio Hill and two children, Olney County has been wonderful to him and he is enjoying his work in Dimmitt. Mr. and Mrs. Bobby Heath and children of Plainview and Mr. and Mrs. Russell Kinz and son of Floydada.

Mr. and Mrs. Riley Teague are parents of a son who was born Feb. 10. He weighed 10 pounds, and five ounces.

Funeral service for Dale Ors-burn, 43, who died in Pitts Hos-pital this morning, will be held tomorrow in Harmon Funeral Home chapel. Mr. Orsburn, a resident of Big Spring, came to Floydada last week for an indef-inite visit with his father, L. P. Orsburn. Other survivors include three brothers and three sisters, one of whom is Mrs. C. W. Burton of Floydada.

Loss of three most promising high school age youngsters of Floydada, victims of a bizarre highway accident last Thursday night, is being mourned commu-nity-wide in Floyd County this week. Their car caught and crushed beneath the wheels of a

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, — House of Representatives, which must make the first run at putting together a money-raising program, is finding its path land-mined with factional feuds.

Hard feelings, largely because of the speaker race, has reached Hatfield-McCoy proportions between liberals and conservatives. Until new events jar the factions into realignment, action and agreement on anything of importance is unlikely.

House Revenue and Taxation Committee began gradually passing out two unopposed bills to speed up and cut down the paper work of tax collecting. More and will be stirred up with the February 15 hearing of a bill to levy a two-factor franchise tax on interstate corporations.

Two other committees are the focus of tax interest. Proposal for a referendum on broad-based taxes at the April 4 election was referred to State Affairs Committee. Its chairman, Rep. Bill Hollowell of Grand Saline, has shown no great eagerness to get to it.

Constitutional Amendment Committee, however, moved with unusual speed. It passed out a measure that would allow the people to vote on whether they want a constitutional ban on state income and payroll taxes.

Outlaw use of trading stamps. By Rep. Bill Rapp of Raymondville.

Provide for arbitration committees to iron out wage-hour disputes between firemen and city officials in towns of 10,000 or more. By Reps. Obie Jones of Austin and Robert Hughes of Dallas.

Allow part of the \$400,000,000 permanent school fund to be invested in corporate securities, the same as the University permanent fund. By Sen. Hubert Hudson of Brownsville.

Protect farmers from the misbranding of commercial fertilizers. By Sen. George Moffett of Chillicothe.

Provide up to 10-year prison terms and up to \$10,000 fines for unauthorized or fraudulent use of credit cards. By Rep. Charles Sandahl Jr. of Austin.

Allocate \$177,000 a year for two years to soil conservation districts to use in combating water and wind erosion. By Sen. Jarrard Secrest of Temple.

Increase five years in prison the penalty for selling narcotics. By Sen. A. R. Schwartz of Galveston.

Require all meetings of all boards, commissions, committees of the Legislature and all other agencies to be open to the public, with exceptions. By Rep. Bill Rapp of Raymondville.

Investigating Panel Approved — House State Affairs Committee unanimously approved a resolution to create a new House General Investigating Committee.

Previously investigating committee, which made headlines in Beaumont and Amarillo, expired with the start of the new session. Col. Homer Garrison Jr., Director of the Department of Public Safety, and numerous Jefferson County people appeared in favor of a legislative group to watch for places where local law enforcement fails to cope with crime.

Named to the committee by Speaker James Turman are: Rep. Charles L. Ballman of Borger, chairman; Reps. Bill Hollowell of Grand Saline, DeWitt Hale of Corpus Christi, Bill Pieratt of Giddings and Menton J. Murray of Harlingen.

MORE ELBOW ROOM — Building of new state buildings is relieving the always-cramped conditions under which the legislature has had to work.

Under a bill adopted by both houses, the Senate will get the third floor Capitol space vacated by the Court of Criminal Appeals. House members are to have offices where the Supreme Court used to be. Both courts and the attorney general have moved over to the new Courts Building.

When the second new state of floor building is completed, the State Pardons Board and Agriculture Department are to move there, leaving still more Capitol space.

Also under way finally is the new state insurance building. Contracts totaling \$1,227,000 were let by the State Building Commission.

MENTALLY RETARDED SCHOOL OKAYED — Long-range plans to build a new state school for mentally retarded persons in the Gulf Coast area gained Senate State Affairs Committee approval.

More than 1,200 children are now on the waiting list for state school space, Raymond Vowell, State Hospital Board executive director, told the committee.

Rep. A. R. Schwartz of Galveston is sponsoring the bill which does not appropriate money for the school but authorizes the board to go ahead with planning accepting gifts, etc.

IN THE MIXING BOWL — Among the now hundreds of measures on the legislative assembly lines are proposals to require state agencies to use American-made compact cars. Rep. Paul W. Carington of Corsicana.

Practice Warfare Held in Darkness, Snow, High Winds

IST CAV. DIV., KOREA (AHT NC) — Army Pvt. Samuel A. Morren, son of Mr. and Mrs. James Morren, 512 S. Main, Floydada, Tex., recently participated with other personnel from the 1st Cavalry Division's Artillery in Operation Snow Tiger II, a command post exercise in Korea.

Snow Tiger was planned to test the doctrines and procedures which would be used in the employment of nuclear weapons in the field under cold weather conditions. During the exercise Morren received familiarization training in how to fight in darkness, snow, high winds and sub-zero temperatures.

The exercise featured an offensive drive against a heavily entrenched simulated aggression force. Aggressor forces are utilized in U. S. Army field training to portray a realistic enemy force operating against the training element.

Morren, a radar specialist in the artillery's Headquarters Battery, entered the Army in May 1960, and arrived overseas early last month.

The 20-year-old soldier is a graduate of Floydada High School and was employed by Arvie Newton in Lockney, before entering the Army.

Mass Grave at Leander

The terrible story of the Webster Massacre is now written in stone above its victims, in a cemetery at Leander, in Williamson County, north of Austin.

In 1839 the Comanche Indians attacked John Webster and his party of about thirty settlers. They were trapped by the Indians in the open prairie after attempting to escape under darkness.

Mrs. Webster and her two children were imprisoned, but all others were killed.

Victims were buried in one box, about the size of a wagon body. Their remains still are there.

Burrows is ill in the Plainview hospital.

Mr. and Mrs. Floyd Trowbridge were over at Pocket Heads Saturday where Sandra body was lying in state. Probably others were over during that time.

Mr. and Mrs. Wesley Carr and son, Charles Mather, were in Dumont Sunday. Miss Ann Ward of Abilene was coming to Dumont Sunday and Charles Mather went down to spend the day with her.

Mr. and Mrs. Carr took two of Mrs. Carr's aunts to catch a way to their homes in Roswell, N. Mex., and Snyder, Texas. Bill Smith stayed with his grandmother.

Mrs. Jim Bagwell of Clayton, N. Mex., visited Sunday morning with Mrs. Mather Carr and attended services at the chapel. Dinner guests in the home of Mrs. Carr were Mr. and Mrs. Horace Carr of Floydada, Mr. and Mrs. Chloima Williams and Bill Carr.

Frank C. Jackson of Amarillo spent Sunday night with his cousin, Charlie Reid and family.

Mrs. Walter Hanna is ill with a severe cold.

Mr. and Mrs. Carrick Snodgrass returned home Thursday from the Valley after spending several days there.

Mr. and Mrs. Jack Lawrence of Lubbock, were guests Sunday in the home of Mr. and Mrs. Cecil Stanton.

Mr. and Mrs. Cecil Stanton left Monday for Mt. Vernon taking Lawrence home. She had been here visiting with her brother, Cecil, and with other relatives for some time.

Blakley, Tower Shown as Leaders in Belden Poll

Senator William A. Blakley of Dallas and John G. Tower of Wichita Falls are the leading candidates in the U. S. Senate race according to a private poll conducted by the Belden Associates, well known Texas research organization.

The state wide survey announced Saturday also showed Blakley is the favorite in several possible runoff combinations.

Attorney General Will Wilson of Dallas ranked third in Belden's poll. State Senator Henry B. Gonzalez of San Antonio was fourth and Congressman Jim Wright of Fort Worth was fifth.

Blakley leaders said the poll bears out their contention that Blakley, now serving an interim term in the Senate, is "the leading Democrat in the race." They declared he will "substantially lead Republican Tower or any other candidate."

In the event of a runoff between Blakley and Tower, the poll showed Blakley leading with 47 per cent to Tower's 30. Twenty-three per cent of the voters said they were undecided.

In a Blakley-Wilson runoff, Blakley would lead with 40 per cent to the attorney general's 33, the report says.

If Blakley and Wright should be in a runoff, Belden's poll showed Blakley would win with 54 per cent. Wright's runoff strength was 15 per cent; undecided, 31.

One of the interesting findings was the relatively small undecided vote for this period in a statewide campaign.

Luncheon guests Friday with Mr. and Mrs. Neely Richardson were two sisters of his and their husbands, Mr. and Mrs. Glen Barris of Clovis, N. Mex., and Mr. and Mrs. M. F. Childs of Floydada. Others present were Mr. and Mrs. Harold Wayne Bennett and family, Harvey Allen and Judy Wilson.

Mr. and Mrs. Neely Richardson spent the weekend at Hereford, houseguests of Mr. Richardson's niece and her husband, Mr. and Mrs. Ray Polvadore.

## Center News

By Mrs. J. E. Green

CENTER, Feb. 13 — We've had such a warm weekend and it is still warm, but slightly cloudy. Like spring, but we are sure winter is not over.

All churches must have been crowded Sunday. At Calvary, we had two real sermons by the new pastor, Brother Vance Zinn, who has not moved here from Lubbock yet.

Several Centerites, or former Centerites, are under the weather — not feeling up to par. These include Mrs. Leo Frizzell, H. B. Mankins, Herbert Meredith, J. E. Green, Mr. and Mrs. D. I. Bold.

The Greens visited the Bolding's Saturday evening.

Elaine Warren has had a severe sore throat for several days and is out of school today.

Mrs. Garvin Beedy and small daughter, of South Plains, spent Wednesday with her parents, Mr. and Mrs. Leo Frizzell.

Mr. and Mrs. C. W. Denison went to Plainview Friday. They visited in the W. A. Lovell home Thursday evening. Other visitors there were Mr. and Mrs. D. Burke and Mr. and Mrs. Sam Lide.

The Thomas Warrens dined Sunday in town with his mother, Mrs. Ola Warren.

Mr. and Mrs. Earl Huckabee and Sandra, formerly of Center but now of Hereford, were in Floydada over the weekend visiting relatives.

We clip the following from a letter from Capt. Hammer to us. It is dated Weatherford, Parker County, Jan. 7th.

From present indications there is no reason to doubt but that the "Anti Base-Line Rangers" will have any amount of fighting to do. Palo Pinto county is overrun with Indians. Even in this county the people are "forted up."

Col. Baylor's Spy Company have returned, having found the winter quarters of a large body of the Indians. All our men are impatient to be off. Col. Baylor will head this expedition. I assure you, that it is no longer exciting news for men in Palo Pinto or Jack counties to report the presence of the Savages.

Set Parker down for secession. Respectfully,

**FIRST GUN**

A boy got his grandfather's gun and loaded it, but was afraid to fire; he however liked the fun of loading, and put in another charge, but was afraid to fire. He kept on charging, but without firing, until he had got six charges in the old piece.

His grandmother, learning his temerity smartly removed him and grabbed the continental discharged it. The recoil was tremendous, throwing the old lady on her back; she promptly struggled to regain her feet, when the little fellow cried out: "Lay still granny, there's five more loads to go off yet!"

**HOW TO MAKE GOOD COFFEE**

Although coffee is a beverage in daily use in almost every

**TOMMY ASSITER**

family, there are comparatively few who really know how to make a good cup of it.

Generally the first thing Biddy does in the morning is to make the coffee, no matter if it is an hour before the other portion of the breakfast will be ready. During the whole of this time it is kept boiling furiously and the house is filled with its fragrance.

This fragrance is very agreeable, but unfortunately, when you have it, you gratify your olfactory at the expense of your palate, for I am perfectly satisfied that this over-boiling produces that acid bitter taste so often found in coffee.

My plan is to leave the making of the coffee to the last moment. Having the boiling water ready and my ground coffee properly mixed and cleared, I pour the boiling water over the coffee, and then allow it to boil just one half of a minute. Try it if you doubt the correctness of my method.

**Fairview News**

By Mrs. Clyde Bagwell

**FAIRVIEW, Feb. 13** — We have enjoyed beautiful spring-like weather the past few days, and a number of us have begun our spring yard work. So many things need to be done this month such as trimming trees, setting out trees and shrubs and cleaning out and digging up flower beds, getting ready for spring planting.

Mr. and Mrs. E. W. Walls were hosts Friday night for a few friends who gathered at their home for a delicious refreshment, that carried out the Valentine decorations, to the following: Mr. and Mrs. Walton Wilson, Mr. and Mrs. C. W. Denison, Mr. and Mrs. Clyde Bagwell and the hosts Mr. and Mrs. Walls.

Mr. and Mrs. A. S. Mize and Mr. and Mrs. Sid Brown went to Plainview Saturday.

Mr. and Mrs. E. W. Walls went to Plainview Friday on business. While there they visited Mr. and Mrs. Dean Walls and family.

Mr. and Mrs. Wendell Graham and children and Mr. and Mrs. J. W. Gilbreath, of Floydada, and Mr. and Mrs. Joe Raines and children, of Lubbock, visited Saturday night with Mr. and Mrs. T. L. Perry and Jan and enjoyed games with them. Sunday all of the above named took Sunday dinner in the J. W. Gilbreath home.

They were joined by Mr. and Mrs. S. W. Perry and family, of Amarillo, who came down for the day.

Mrs. W. B. Wilson ate Sunday dinner with Mr. and Mrs. Walton Wilson and in the afternoon she visited at Cedar Hill with Mrs. Mae Taylor.

Mrs. A. S. Mize entered Lockney General Hospital Monday morning for a check-up.

Last Friday Mr. and Mrs. R. M. Cannon, of Petersburg, visited here with Mr. and Mrs. Jim Stewart.

Mr. and Mrs. Lyndal Carey and Mrs. Roy Meek went to Colorado City Tuesday afternoon on business and they spent the night with Mr. and Mrs. Bill Munciel returning home Wednesday.

Mrs. Lee Burgett went to Shawwater Tuesday where she is spending several days in the home of her son Bill Burgett and family.

Mr. and Mrs. Shirley Irwin attended a Chamber of Commerce banquet at Ralls Thursday night. They were guests of Mr. and Mrs. John Reue of Floydada who also attended the banquet.

Mrs. W. B. Wilson, Mrs. A. S. Mize, Mrs. B. Bill Tye and Mrs. Weldon Pruitt went to Lubbock Friday. Mrs. Tye went over for a check-up by her doctor. The other ladies visited in the A. J. Randolph home. Mr. Randolph is the brother of Mmes. Wilson and Mize.

Mr. and Mrs. Cecil Payne made a business trip to Lubbock Tuesday.

Mr. and Mrs. Fred Strivers, Mrs. Jodie Noble and children, all of Lubbock, were here Sunday to spend the day in the home of Mr. and Mrs. Johnny Polvadore. Mr. and Mrs. Strivers are the parents of Mrs. Polvadore and Mrs. Noble her sister.

Mrs. Cecil Payne went to Lockney Hospital Thursday afternoon where she visited her niece, Mrs. Doyle Jackson and baby girl. The baby was born Monday morning.

**GRANDMOTHER OF MRS. JIMMY COLLINS PASSES**

Mr. and Mrs. Jimmy Collins were called to Henrietta Sunday upon learning of the death of Mrs. R. J. Brown, 75 year old grandmother of Mrs. Collins, and mother of Mrs. Tom Shaffer Jr., of Wichita Falls.

Mrs. Brown died Sunday in Rhomex, Tex., while attending the funeral there of a sister-in-law. She was a past member of the Henrietta school board and active in Baptist Church work, Garden club and Unity Women's Forum. Rites were held in the Baptist Church at Henrietta Monday.

## Wells Reports On Affairs In Legislature

(A letter from H. G. Wells to people of the 89th District.)

Several occurrences of the past week deserve mentioning this week.

Last Thursday a bill was passed from the House of Representatives exempting from registration fees trailers used by a farmer in the hauling of cotton and other agricultural products up to 14,000 pounds.

It was my privilege to co-sponsor this bill and to support and work for its passage. Designed to alleviate the present condition whereby farmers are required to register for a full year farm trailers used for very short periods of time, this bill, if passed into law, will allow farmers to use their trailers in the transportation of agricultural products to market without being required to pay the full yearly registration fee.

Many of you have contacted me concerning this situation, and I am happy to report the favorable action of the House of Representatives on this bill.

**Problem of Shifting Population**

Opposition to this bill came largely from representatives of metropolitan areas of the state. This points up a problem currently facing this legislature — the task of legislative redistricting. Each ten years, after the federal census has been completed, legislative redistricting is called for by law. That is, the legislature is to re-divide the state into legislative districts corresponding with the change in population over the past decade.

Since 1940 there has been a great shift in population away from rural areas and toward the cities. This trend will undoubtedly be reflected in the redistricting plan which the present legislature is now preparing. With the cities coming into a stronger position in the legislature, such bills as the farm trailer bill mentioned above will become increasingly more difficult to pass into law.

It may likewise become more difficult in the future to protect underground water rights, farm-to-market road programs, and other legislation helpful to rural areas.

**Sugar Quota for Guatemala**

As another example of legislation affecting rural areas, mention should be made of a resolution introduced last week recommending that the United States Congress grant sugar quotas to Guatemala. This proposal comes in the very face of an all out drive in our area to achieve quotas for sugar beets in Texas and in our Panhandle area in particular.

Please be assured that this resolution has my full opposition. Until this area has been given that share of the sugar beet allotment which we could produce and should be allowed to produce, I shall devote my complete efforts in opposition to such a proposal.

## High Percentage Of Recharge Noted At Halfway Farm

Water artificially recharged during 1960 at the High Plains Research Foundation's recharge well amounted to 45 per cent of the total amount pumped from the Foundation's three wells.

The three wells, including the recharge well, produced 324 acre-feet of water while 145 acre-feet were placed underground. This means that only 55 per cent, or 179 acre-feet, of water was actually consumed from the underground formation.

Of the 145 acre-feet recharged 134 acre-feet came from rains in June, July, September, and October. The remaining 11 acre-feet came from run-off of irrigated crops in the area. The 12 inches of rain during the first week of July placed approximately 110 acre-feet of water in the lake. But due to evaporation, only 78.8 acre-feet were recharged.

A new recharge well will be installed in the southwest corner of the farm as soon as conditions permit. This well will receive run-off from a larger area than the present lake.

**District Jehovah's Witnesses Meeting Opens Tomorrow**

The Plainview Congregation of Jehovah's Witnesses has cancelled all local meetings for the week of February 13-14, 15, and 16, in observance of the District Assembly in Levelland, Friday, Saturday and Sunday.

The semi-annual circuit assembly will be held at the Fair Grounds, Woman's Building, with 600 delegates expected from Texas, New Mexico and Oklahoma.

The principal speakers for the Texas Circuit No. 9 assembly will be R. L. Anderson, district overseer for Jehovah's Witnesses in a multi-state area, and R. H. Smith, circuit overseer for the 20 congregation meet.

Climax of the assembly will be on Sunday, 3 p. m., when Anderson gives the discourse, "Is God Interested in the Affairs of Men?"

**Area Youth Hear Noted Lecturer**

Representatives of the Area Sub-district fellowships and other guests, as well as local members of the Methodist Youth Fellowship, were present Sunday evening to hear a talk by Miss Helen Poe, Dallas lecturer and world traveler, who presented pictures of some of her travels.

Miss Poe was sponsored by the youth of the church. She showed the films of her "Journey To Jerusalem" and spoke of the tour of the Holy Land.

## Motor Vehicle Owners Delay Inspections

Of the 7,115 registered motor vehicles in Floyd County only 30 per cent had been inspected Feb. 5, according to Captain Alan Johnson, Motor Vehicle Inspection supervisor, of the Texas Department of Public Safety.

Drivers are urged to have their vehicles inspected early to avoid the last minute rush. This time of the year is noted for adverse weather conditions which may be predominant during the next two and one half months. As a result the number of inspection days will be cut down since stations cannot inspect vehicles under these adverse conditions.

"Texas law requires all registered motor vehicles in Texas to display a valid inspection sticker," stated Johnson. All motorists not displaying a valid inspection sticker will be subject to a fine of \$1.00 to \$20.00 plus court cost.

Captain Johnson further advised that all licensed trailers having a gross weight exceeding 4,000 pounds are required to be inspected.

"By having your vehicle inspected today, you will be driving a safer vehicle," Johnson pointed out.

Opal Rogers and Wiley Rogers, accompanied by their sister, Mrs. B. E. Powell of Ralls, left this mid-week for Houston where they will visit until Sunday with a brother, D. F. Rogers and family.

You no longer have to delay your plans for remodeling and improving your home. Our easy Pay-Out-of-Income Credit Plan enables you to make the improvements you want now — for just a few dollars a month and with No Down Payment required.

You'll be surprised at how easy you can get up to \$3,500. Confidential. No Red Tape. Do-it-Yourself and save the cost of labor or hire the labor — whichever you prefer. Our plans cover the cost either way.

**Why you should read Prescription labels carefully**

It is vital that you follow your doctor's directions as they appear on the label of your prescription. It does make a difference whether or not you take certain drugs before or after meals; how much and how often you take them. Don't gamble . . . follow directions!

**calling out of town?**

**Here's the fastest and easiest way**

**FIRST**, give the operator the Area Code for the city you want to call.

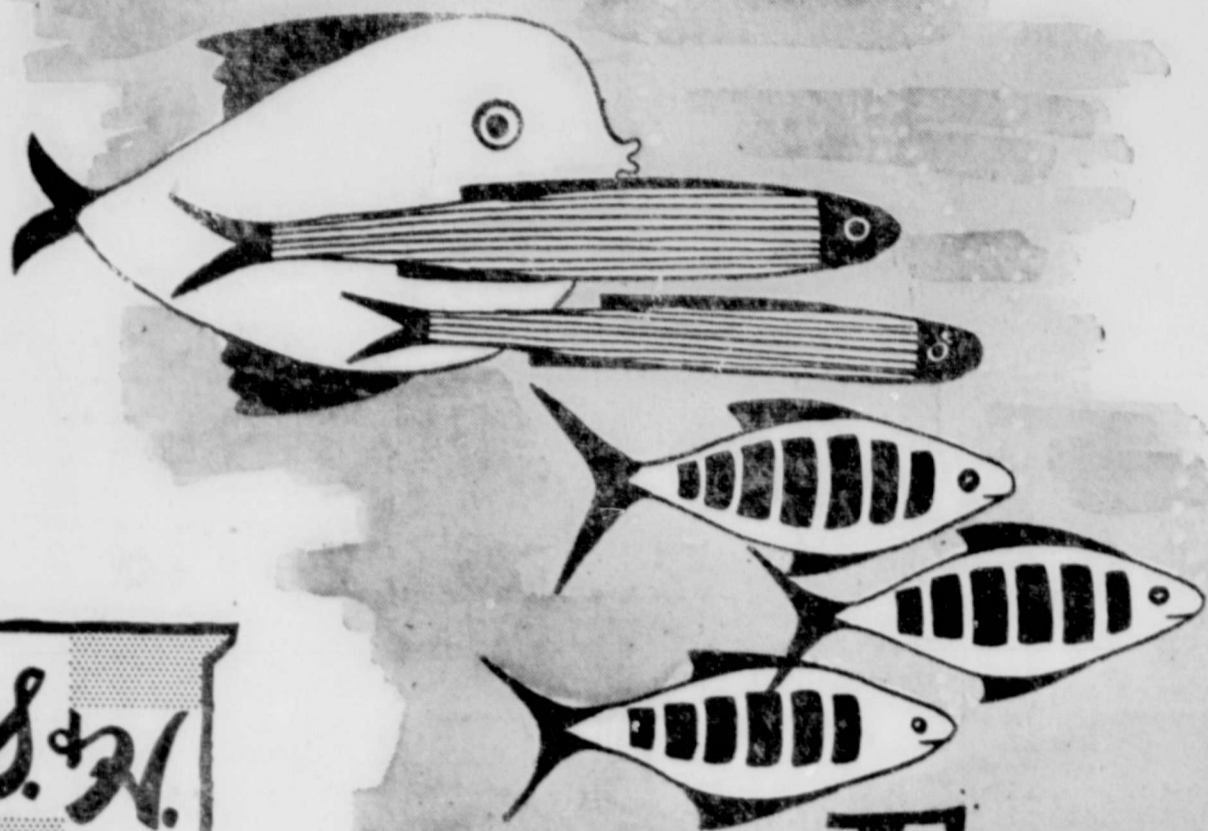

**NEXT**, tell her the telephone number you're calling.

**LAST**, when the operator asks, give her the number you're calling from.

It's easy and fast. For example, just say, "Area Code 214, RI 2-1432," and then when the operator asks your number, say, "KL 5-2368." You'll not only save time yourself, but help speed along your call as well.
