J. W. Harrison Post Veterans of Foreign Wars is planning a big three day rodeo for the annual Old Settlers Reunion this May.
... Bob Bishop of the VFW post and Joe Noland of the Rodeo Association are working together to make it a worth-while event.
... VFW is the official sponsor.
... Dates that have been set are Thursday, Friday, and Saturday May 25 - 26 - and 27. The rodeo grounds in the east part of town will be the site of all events.
... Dick and Jack Ratjen of Happy will furnish the stock and arena help for staging the big rodeo. It will be sanctioned by Southern Rodeo Association, and Interstate Rodeo Association.
... Events planned include roping, bulldogging, bare back and saddle bronc riding, girls barrel race and possibly others.
... The Floydada Fire Department will operate the concession stand.
... Going along with the big rodeo the VFW will have three big nights of dancing at their post home where Ronald Mansfield and his band will hold forth on the same three dates.
... \$25 For Best Float
... The VFW post voted to put up \$25 in prize money for the parade and will make their prize payable to the winner of the best parade float showing the spirit of Americanism or the Memorial Day which follows the reunion date by only a few days.
... Bishop and Noland are now busy preparing and selling space in a rodeo booklet program they are preparing which is planned to help them finance the events.

Few Absentee Votes Turned In This Week

Absentee voting is generally considered a barometer of interest in elections, and if this indicator is taken as a forecast the voting will be light in the senatorial special election, in the school trustee elections at Floydada and Lockney and in the school integration vote at Lockney.
... Several days are yet to go, however, before the respective deadlines and interest may pick up. The school vote absentee deadline is Tuesday night of next week, the senatorial absentee vote deadline is Friday of next week.
... Tuesday shortly before noon 18 absentee ballots had been cast in the senatorial race, seven in the two Lockney school elections and two in the Floydada school elections.
... At city hall Secretary Lewis Norman said he had had no absentee votes Wednesday morning. He said an election judge to take the place of O. P. Rutledge had not been named at that time. Rutledge will be presiding judge in Precinct 19 in the senatorial special election.
... In the integration vote at Lockney the proposition is stated "for" and "against".
... "The abolition of the dual public school system in the Lockney Independent School District of Floyd County, Texas."

... Bill, now 29, is a teacher in Northwestern University at Maryville, Mo.

A Narrow Squeak. Light and power line crews woke up Sunday morning to note that if they got by serious line trouble, on account of the weight of snow and ice it would be because they got lucky.

How To Farm. Fortunately for the country, especially for the county, the predominant theme of this newspaper has good advice for all and sundry.

How To Vote. Don't let the long ballot floor you. If you know who you want to vote for, simply draw a vertical line plainly through all the candidates above and below yours.

The fact is, there is not any particular mystery about voting and there is not anything wrong with the Texas way, so far as the voter is concerned.

Sugar Beet News. The present law on sugar beet production expires March 31, which means that Congress will either take care of the producers in the southwest who want to get into the business soon, or that it will not.

Congressman Mahon maintains that the new grower demands can be met without excluding Cuban growers from future consideration when relations with that country have improved.

Our Secret Weapon

REA Lost Again. Every man has his own point of view, and the public assumes the right to "catalog" him when he expresses an opinion.

The Golden Rule should be invoked in instances like this. The light people are good people, the rural electric people are good people.

Jack Joyce in the Gainesville Register: "We have never been able to understand how a person can make his livelihood in a community without feeling a deep sense of loyalty and obligation to help build that community to its maximum potential."

The "Guvmint" knows you are here when they have need for you to pay a tax bill or render a free service. Now largely a huge machine which operates through commissions and bureaus that make laws and regulations no end, the federal authority, as one must know, reaches out (they think protectively) to do our lives for us.

At this time the Internal Revenue Service has agents out picking up gamblers who accept bets on football, horse races, and the like, or who professionally follow the cards or roll the bones.

The Human Urge. "Humans have a natural urge toward the infinite. Without it there would be no desire for improvement, no ambitions, no right and no wrong, no good and no bad, and no hope.

Government Efficiency. Senator Andy Rogers reminds us: "If the numerous arguments and delays in the legislature seem wasteful to you, please remember that democratic or representative governments are very inefficient.

The Senator reminds us again of the fact that 41 per cent of our state tax dollar goes to public schools, 31 per cent to the highway program, 14 per cent to public welfare (blind, aged, etc.)

Practical Nurse. One who falls in love with a wealthy patient. Great perils have this beauty, that they bring to life the fraternity of strangers.

Wells Writes On Abolition Supt's Office

By Representative H. G. Wells. Economy in government is one proposition that receives far more lip service than action among elected officials.

WELLS. It's easy to speak in generalities concerning economy. It is quite another matter to spell out specific programs to achieve this much-needed economy reform.

One measure pending before our Legislature is a bill which would allow the people of each county to vote on abolition of the County Superintendents' office.

The death of Mrs. J. W. Lyles 81, yesterday morning, marked the passing of another of the fast declining number of pioneers of Floyd County.

In any event, this measure, and other similar economy moves, should be studied carefully in an effort to economize at a time when our general revenue fund faces a hundred million dollar deficit.

I am happy to report the passage of the past week of a Resolution to Congress, which it was my pleasure to sponsor in the House, that memorializes Congress to grant quotas to our area for the raising of sugar beets.

Many Are On Sick List. So many are still on the sick list, C. W. Hash was taken by plane Thursday to Oklahoma City where he remained in the hospital for treatment.

156 Have Superintendents

Today 156 counties of Texas have full-time county superintendents with a cost to the State of \$2,300,000. The remainder of the counties have no county superintendent, but use the County Judge in an ex officio capacity.

While there has been a continued decrease in the number of common school districts, there is no provision at present for abolition of this office, if the people of the county feel, if the people of the county feel, if the people of the county feel.

Couple Take Double-Ring Nuptial Vows

The chapel of the First Baptist Church in Floydada was the scene for the wedding Saturday afternoon of Miss Joyce Leatherman and Ted Anderson. Rev. Ed B. Bowles, pastor, read the double-ring vows before members of the couple's families at 2 o'clock.

Parents of the newly-weds are Mr. and Mrs. C. M. Leatherman and Mr. and Mrs. Floyd Anderson of Floydada.

Wedding piano selections were played by Mrs. Bob Copeland, who also accompanied N. E. Tyler of Friona as he sang "Because" and the "Lord's Prayer".

Vows were exchanged before an arch formed by white gladioli and orchid mums, flanked by palms.

The bride was given in marriage by her father. She wore a floor-length gown of chantilly lace and tulle over ruffles of nylon net and taffeta. It was fashioned with a boat neckline edged with iridescent sequins and pearls.

Her veil of French silk illusion, elbow length, was caught to the lace tiara of sequins and pearls. She carried a bouquet of white Sweetheart roses with matching colored net and ribbon atop her white Bible.

For something old the bride carried a handkerchief which belonged to her deceased maternal grandmother, Mrs. F. P. Donathan.

Something new was a strand of pearls, something borrowed was her wedding gown belonging to Mrs. Rex Lackey of Jacksonville, N. C. and something blue was her garter made by the bride's cousin, Mrs. W. H. Simpson Jr.

Mrs. Lackey was matron of honor. She wore a street length dress of orchid cotton, styled with a boat neckline and elbow length sleeves. The skirt was of unpressed pleats and gathered at the front waistline to form a mid-riff effect. She wore matching colored earrings and necklace, a gift from the bride, and completed her attire by wearing white slippers and carrying a bouquet of white and orchid carnations with orchid ribbon and net.

Royce Leatherman, twin brother of the bride, served as best man.

Reception Follows Ceremony

Immediately following the wedding the couple was honored with a reception at the church. The bride's table was covered with a white linen cloth and held a center arrangement of white and orchid flowers. A five tiered white wedding cake and punch were served from crystal appointments by cousins of the bride.

Mrs. Neida Leatherman and Miss Jeannie Mallow both of Plainview, after a brief wedding trip the couple have returned to Floydada to reside for several months before moving to Dougherty where the bridegroom will be engaged in farming.

Mrs. Anderson is a mid-term graduate of Floydada High school with the class of 1961. Her husband also attended Floydada schools.

David Emert New Mexico Miss Plan Wedding April 2

Mr. and Mrs. Fred Lamb of Clayton, N. Mex., are announcing the engagement and approaching marriage of their daughter, D'Elva to David Marvin Emert, son of Mr. and Mrs. Ernest Emert of Texline, Texas.

David is in the navy and has been attending an electronics school in Jacksonville, Florida. D'Elva has been attending Highlands University in Las Vegas, N. Mex.

The couple plan to be married April 2.

Rebekahs Give Surprise Party For Mrs. Rucker

Floydada Rebekah Lodge Tuesday evening of last week held a short business session at which vice president Mrs. Loretta Burns presented a program planned as a birthday party to surprise Mrs. Pat Rucker, noble grand, who was accompanied to the affair by her husband, Ralph, and children, Linda, Mac and Patrick.

Mrs. Laules Parkey was leader of the program and presented "This Is Your Life", a theme revealing Mrs. Rucker's life span in her native England. Mrs. Parkey was assisted in acquiring the needed information by Mr. Rucker, Mrs. W. W. Goen and Mrs. Lon V. Smith.

Mr. Rucker showed colored films of his wife's country, members of her family there, and other views as Mrs. Rucker narrated.

A big birthday cake and coffee were served as refreshments after which members presented Mrs. Rucker with a lovely white robe trimmed in gold.

Special guests for the evening were Mrs. Rucker's family, Mr. and Mrs. Bud Goen and Mrs. Lon Smith.

During business new batons for the Warden and Conductor were presented to the lodge by Hubert Davis, Gwenn Holladay and Jewel Price, made by the three.

Those reported on the sick list other than the Noble Grand were Laverne McIntosh, Willie Mae Maricle, Dorothy Reeves, Ors King, The death of Mrs. Brown King, mother of Mrs. Brown King, Daniel of Petersburg, District Deputy president, was noted.

Jane Marquis and Laules Parkey attended Grand Assembly of the Rebekahs at San Antonio.

The two women returned home yesterday. Mrs. Marquis was installed as New District Deputy President of District Eight while at the Assembly.

Veterinarian Is Speaker At 1934 Club Meeting

Members of the 1934 Study Club enjoyed a talk Tuesday night by Dr. T. R. Theford, Floydada veterinarian, at their meeting held in the home of Mrs. J. M. Willson Sr. Hostess for the evening was Mrs. Jimmy Willson Jr.

Theme for the program was "Strengthening Bridges of Responsibility".

Members answered roll call by asking questions of the doctor. Dr. Theford spoke on understanding the needs of children and their pets. He discussed various ways to care for them.

During business Mrs. Al Gallo way was voted as substitute member for Mrs. John Reue.

Present for the meeting were Mrs. H. G. Barber, Ralph Cog dell, Dennis Dempsey, R. G. Dun lap, L. P. Gresham, J. S. Hale Jr., Tom Hutchins, Ralph Johnston, Virgle Shaw, John Stapleton, G. W. Switzer, J. M. Willson Jr., A. L. Wylie Jr., and Morgan McReynolds.

Style Show Pleases Large Audience Monday Night

Viewers Fill Big Auditorium At High School

An oriental atmosphere with a spring garden setting was the scene for the 1960 Study Club Annual Style Show Monday night in the High School Auditorium. The audience, which filled the seating capacity, was inspired with the accent on style and the lovely models who displayed the garments.

Mrs. Claude Weathersbee, president of the club, received guest and Mrs. Doyle Moore, general style show chairman, gave the welcome.

Programs were presented by club members who were dressed in oriental creations.

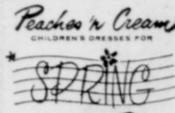

Mrs. Charles Craig was narrator and Mrs. Earl Edwards, Jr. pianist for the fashion show.

The children's Easter Parade always a hit, portrayed talented youngsters from infant age to the seven year olds displaying their latest in fashions.

Light Dessert Brightens Winter

A soft, fluffy lemon filling in baked meringues is really "not far behind." This elegant dessert is considered for most festive occasions, but since the latter offer for simple gatherings. That is because dessert is cost and calories, convenient and easy to prepare, can be kept on the pantry shelf until ready to use as topping for plain fruit desserts, puddings or pies.

LEMON ANGEL MERINGUES
1 envelope dessert topping mix 1/2 cup sugar
1/2 cup cold milk 2 cups egg whites
1/2 teaspoon vanilla 2 egg yolks
1 package lemon pudding and pie filling mix 2 tablespoons lemon juice

Prepare dessert topping mix with milk and vanilla as directed. Beat egg whites until stiff peaks form. Add lemon juice. Fold the dessert topping into the cooled pudding. Spread in 8x8 inch pan. Chill 3 to 4 hours. Makes about 35 cups filling.

ORANGE-PRUNE COFFEE RING

Is anything more fun to eat than a spankin' fresh coffee cake cut in generous wedges and accompanied by cups of steaming, fragrant coffee? It's a refreshment to put cheer into any soul... and especially if the coffee cake is this Orange Prune Coffee Ring.

It is truly—little pieces of tart-sweet prunes all through it take care of that. It has a nut-like flavor—the whole bran cereal is responsible for that. Then there's the pungency of orange juice and rind, and the sweetness of a sugar icing. So make it and enjoy it—for morning coffee breaks, for afternoon pick-ups, for late evening snacks. Here are the directions:

1 cup whole bran cereal	1 cup sifted flour
1/2 cup orange juice	1 1/2 teaspoons baking powder
1 egg	1/4 teaspoon baking soda
1/4 cup soft shortening	1/2 teaspoon salt
1 1/2 teaspoons grated orange rind	1/4 cup sugar
1 cup finely cut cooked prunes	

Combine bran cereal and orange juice; let stand until most moisture is taken up. Add egg, shortening and orange rind; beat well. Sift together flour, baking powder, soda, salt and sugar and add to first mixture together with prunes, stirring only until combined. Fill greased 8 1/2-inch ring mold about 3/4 full. Bake in moderately hot oven (400° F.) about 25 minutes. Remove from ring mold; let cool.

Icing:
1 cup sifted confectioners' sugar 1-2 tablespoons hot milk or light cream

For icing, combine sugar and milk, stirring until spreading consistency. Spread at once over coffee cake. If desired, sprinkle with grated orange rind and decorate with walnut halves. Makes 8-10 servings.

ST. PATRICK'S DAY and the Sunday after were snow days in Floydada and over a wide area of the plains country. Surprise! Surprise! For the weather-plain and all. Two inches of wet snow followed showers on St. Patrick's Day and four to seven inches followed showers on Sunday. When spring came officially at 2:32 Monday afternoon the countryside was wet enough to bog a snipe.

Sand Hill News

By Mrs. James Jeffress
 (Intended for issue of Mar. 16)
 SAND HILL, Mar. 13 — The spring-like weather has continued this week and the farming operations have been coming along. Some are planning to start watering wheat in the near future and we are all beginning to look forward to cotton planting time. Some onions will be planted in the near future reports say.

The Sand Hill Baptist Brotherhood met Tuesday night with the president, Kirk Slater calling the meeting to order. Plans to do some more repairs on the church were presented. Those present for the meeting were M. B. Swanner, Tom Pierce, Doyle Miller, Billy Stinson and Dale Stringer.

The business meeting at the Sand Hill Baptist Church was held Wednesday night with Brother Jimmy McGuire calling the meeting to order. All reports showed the church is progressing along. Plans were discussed for the spring Revival which will begin April 16, through April 23. Brother Fields, of Ralls, will be doing the preaching. There will be morning services. More information will be available soon.

Brother Jimmy McGuire was elected to serve as superintendent of the Vacation Bible School. The date hasn't been decided yet. A Bible School Clinic will be held Tuesday, April 18.

Mr. and Mrs. James Jeffress, Mr. and Mrs. Gene Bloys and Mr. and Mrs. C. B. Carnack were in Amarillo Friday night attending an anniversary party honoring Mr. Jeffress' father, Mr. and Mrs. Jim Jeffress.

Mr. and Mrs. Tom Pierce and family were in Matador Sunday visiting relatives.

Sunday dinner guests in the home of Mr. and Mrs. Bill Stringer were Mr. and Mrs. Kirk Slater and family.

Mr. and Mrs. Glen Kinard were Sunday night visitors in the home of Mr. and Mrs. Gene Bloys and family.

be April 29 and for them to start working on their demonstrations. Miss Phyllis Rogendorff met with the club and showed an interesting film, "Radio Active Fallout on the Farm". It was very interesting and educational. Miss Rogendorff also discussed the new County Contest called Favorite Food Show. Complete details are not available at this time.

This was 4-H family night also and a number of adults were present at the meeting. The club elected Beverly Jeffress to be sponsored in the Miss Cotton Contest in April. This contest is held in Plainview each year.

Refreshments were served to Mr. and Mrs. Jess Starkey, Mrs. T. C. Hollums, Mr. and Mrs. James Jeffress and Tim, Willie Patterson, Mrs. R. L. Bullock, Mr. and Mrs. Gene Bloys, Mr. and Mrs. Lynn Miller, Mr. and Mrs. Tom Pierce and Mrs. Orlon Miller and Miss Phyllis Rogendorff.

Recreation was led by Janice Miller. The 4-H members expressed their appreciation to their parents for helping make their 4-H a success.

The next meeting will be April 10. Bobby Holt will give an electrical demonstration.

Mr. and Mrs. W. R. Billington entertained with an 84 party in their home Monday night. Those present and enjoying the evening were Mr. and Mrs. Jim Holmes, of Midland, Mr. and Mrs. John Holmes, of Iric, Mr. and Mrs. William Mays and Mr. and Mrs. H. F. Jackson.

Norma Sue Hollums was the Sunday dinner guest of Mary Starkey. Also visiting in the Starkey home Sunday were Cecil Jackson and Mr. and Mrs. T. C. Hollums.

Plan Special Services For Holy Week

Beginning Palm Sunday, March 26, the Methodist Church will observe Holy Week with daily worship and preaching services, it is announced by the pastor, Rev. Charles Lutrick. The week-day services will be at 7:15 a. m. and 7:30 p. m. Monday through Friday.

For the morning worshippers the Methodist Men are planning to prepare and serve breakfast at 6:30 o'clock. The pastor will preach on themes related to and from the ministry of Jesus in His last week. The general theme will be "The Way of the Cross."

Two Special Services

Two special services are planned as features for the week. One will be the keeping of Maundy Thursday with the observance of the institution of the Lord's Supper.

And the other will be Good Friday night in which the choirs of Floydada Presbyterian, Christian and Methodist Churches and Lockney Methodists with their pastors presenting a Good Friday service of "The Words from the Cross."

Plains Irrigation Gas Users Association Formed

Approximately 750 farmers who use natural gas for irrigation fuel in the Panhandle and South Plains region have banded themselves together into an organization entitled "Plains Irrigation Gas Users Association." David Burgess of Amarillo has been elected President of the Association. Other officers include Don Anderson of Amarillo, who was elected Vice-President, and Rossor of Petersburg, who was elected Secretary-Treasurer.

Purpose of the group is to secure fuel for irrigation motors at the lowest possible price. The organization came about during the past six months as a result of county and community meetings in 11 Panhandle and South Plains counties. The Association is expected to spread to some 20 other counties where irrigation wells are being operated on natural gas. Burgess said.

Officers of the Association will meet with any interested group in this area at any time a meeting is called. Motivating factor for creating the organization, Burgess stated, was the no-action recently by Pioneer Natural Gas Company to the irrigation farmers of this area that her rate increase would be affected.

Individuals who assisted in organizing the Association were:

- Gene Templeton, Lamb County
- W. T. Millen, Bailey County
- E. J. Kinslow, Floyd County
- J. S. Hale, Crosby County
- True Rosser, Hale County
- A. B. Allen, Lubbock County
- R. S. Francy, Swisher County
- Tony Baldwin, Potter County
- Jay Boston, Deaf Smith County
- Ray Joe Rile, Castro County
- Bruce Parr, Parmer County

Floyd County organization meeting will be Tuesday, March 28, at 8 o'clock at the County Room in Floydada.

SOUTH PLAINS, March 20 — Snow lay heavy on trees and fence posts Friday morning following a night in which nearly an inch of rain fell, then two inches of snow. School buses and rural mail carriers could not make their rounds Friday, and as if this was not enough, we awoke Sunday morning to a white world again, the second morning in a three day period to find snow on the ground, and this time we had from 4 - 6 inches.

The snow and moisture was welcomed by wheat farmers, who had been watering wheat the past week, and most other farmers welcomed the good moisture, even

if the roads are almost impassable.

No one could get to the Baptist Church Sunday morning and night for services, and this Monday everyone had to take and go get their children at the schools, due to muddy roads.

Mrs. Kenneth Bean and Mrs. Eugene Beedy from here are to participate in the 1961 Style Show, this Monday night at the High School auditorium in Floydada, and are modeling styles from Hales Dept. Store. Mrs. Johnny Wilson is modeling for Beall's Dept. Store. Attendance will be low from our area, due to bad roads.

Rex Smitherman and Herman Thornton attended the Floyd County Farm Bureau directors meeting Thursday night in Floydada as they met for supper at the Rogers Restaurant.

Mrs. L. T. Wood went to a meeting at the First National Bank in Floydada this Monday morning for volunteers in the campaign for the Red Cross Drive which is just starting, with a goal set for \$3,300. She is community chairman for South Plains.

St. Patrick's Day of 1961 will always be remembered in the Marble and Wells families. Congratulations are in order for Mr. and Mrs. Marvin Wells on the birth of their first child, a little girl, born at the Plainview Hospital, March 17, at 5:12 p. m. Friday. She weighed seven pounds, three ounces, and has been named Kimberly June. Grandparents here are Mr. and Mrs. H. L. Marble, and Mr. and Mrs. E. E. Wells of Cedar Hill. Great grandmother is Mrs. F. L. Marble in Lockney.

Mrs. Fred Fortenberry went to Tulia Thursday to spend the day with her mother, Mrs. N. C. McGain who has been ill.

Rev. and Mrs. John Gillispie and their girls were overnight guests Thursday in the home of Mr. and Mrs. H. S. Calahan Jr., and family. Friday the Gillispies moved to their new pastorate at Seminole, and Friday at noon they were dinner guests in the home of Mr. and Mrs. Bryan Karr.

Mrs. Marvin Wells and new baby, Kimberly June, were brought out from Plainview to the home of her parents, Mr. and Mrs. H. L. Marble, this Monday, where they will stay the coming week.

Mrs. J. P. Taylor and Mrs. Arby Mulder went to Floydada at noon Thursday to attend a salad luncheon which was held at the REA Lighthouse Kitchen for workers of the Floyd County Fair.

Sherlene Teeple from here was one of the high school models in the Vogue Dress Pattern Show which was held at the Community Room of the First National Bank in Floydada, Friday afternoon at 4.

Grigsby Milton and Murray Julian made a trip to Roscoe, Tex., last Friday where they went to get a plow. At noon they had dinner in the home of Mr. and Mrs. Terry Julian and other guests there were her folks, Mr. and Mrs. Dick Althof.

Mr. and Mrs. Sim Reeves spent Saturday in Lubbock where they visited with Mrs. Bob Reeves and children. Bob was in Floydada on business at the time.

Mrs. Lottie Stewart spent nearly all last week in Lockney where she stayed with her grandchildren while their parents, Dr. and Mrs. Wayne Greer were in Dal-

Morckel Calls Monday Night Seed Meeting

Harry Morckel has announced a Golden Acres Seed meeting for Monday night March 27 in the district court room. The affair is open to the public and he extends an invitation for all to attend. Starting time is set for 7:30 p. m.

Morckel has lined up an interesting program which will bring Cotton John Smith of radio fame along with his film "Unchained Frontier."

There also will be pictures of Golden Acres hybrid seed production that will be of interest to sorghum growers.

The Taylor Evans seed company of Tulia produces the Golden Acres strain and offers a variety of hybrids that include those for heavy grain production, grain and silage combined, and grazing and silage. The popular TE 77 will be among those shown.

Complete plans for the meeting appear in an advertisement on another page of this paper.

Families Find Shared Study Appreciated

(Contributed Story)

Sunday evening brought to close one of the outstanding church ventures thus far this year. Despite snow and cold, an exceptional crowd gathered at the First Methodist Church to complete four weeks of Sunday Evening Family Fellowship.

The Willing Workers and Young Adult Classes served the Mitey Meal. Children's Groups were well attended, and the Junior High group enjoyed the leadership of Mrs. Emily Potts for the final group reported attentive and re- sponsive classes as teachers brought to a focus the seven outstanding topics that had been selected for study the four weeks.

In the Youth session, a color movie on problems of interfaith marriage "One Love - Conflict-Faith" created questions, answers and discussion. The period was guided by the Methodist youth sponsors, Mr. and Mrs. Antonio Silva of Lorenzo, weighing seven pounds and 11 ounces. He has been named Hozoa David Silva.

During the 6:50 worship service, the three pastors shared in administering the sacrament of the Lord's Supper to the congregation. The hymns, the prayers, and the responsive scriptures by the pastors and the people added to the inspiration of the communion service.

All those participating in the Sunday Evening Family Fellowship have expressed appreciation for the four weeks' study and shared interest. It is hoped that the Fellowship may be repeated in the future.

Rangers Battled Indians

Bird Creek Battlefield is located in central Texas, just north of Temple, in Bell County.

This is the spot where Captain John Bird valiantly died in battle in 1839.

A highway marker, erected at the site in memory of Captain Bird, reads: "With only 34 Texas Rangers he met 240 Indians at this point, and routed them."

It was against such odds as this that our brave forefathers settled our now proud state. The more you see of Texas the more you will love it.

Helen Grace Ryals, Former Resident, Is Interred Saturday

Funeral rites for Mrs. Helen Grace Ryals, 78 year old former resident of Floydada, were held Saturday in Blackburn Shaw Memorial Chapel with graveside services in Floydada Cemetery.

Mrs. Ryals, who made her home in Amarillo, died Wednesday afternoon in Northwest Texas as Hospital. She was a member of the Pierce Street Baptist Church in Amarillo where she had lived for 15 years. She was born May 23, 1882.

Surviving are two sons, C. W. Ryals of Amarillo and A. J. Ryals of Bonner's Ferry, Idaho; five daughters, Mrs. R. A. Briscoe, Amarillo, Mrs. D. M. Thomas, Goldsmith, Tex., Mrs. W. W. Dalley, Borger, Mrs. Leonard Wieland, Perryton, and Mrs. Viola Smith, Wichita Falls; 15 grandchildren and seven great grandchildren.

'Winds To Run Saturday At Hale Center

Coach Charles Tyer's whirlwind track team is entered this Saturday in the annual Hale Center Relays. The big meet starts at 9:00 a. m. and continues into the afternoon. Most of the finals will be run after the noon meal break.

Coach Tyer did not know how many teams would be in the meet but expects as many as 24 to be represented. Hale Center runs all entries in one division and for a single set of trophies.

The Floydada team will be about the same as ran in the Whirlwind relays two weeks ago. Only minor changes are contemplated in the line-up. Last week the team did not get to see action as Crosbyton's meet was snowed out. Since that time the thin clouds have been working out in the gym, on the football field, in the streets and were hoping to take to the track again by yesterday afternoon.

The track season following the Hale Center meet will see some of the Floydada team go to Andrews on Friday, March 31, if they are showing up well. The district meet will be in Lubbock on Saturday, April 8, with Abertonia as the host.

Floydada has shown up pretty well in track so far though bad weather has hampered them a lot. Strength in the relays seems to be their chief hope, the half mile hurdles, dashes, and jumping events being their specialties.

MRS. JEWELL TEAGUE HAS SURGERY TUESDAY MORNING

Mrs. Jewell Teague, L.V.N. at Lockney General Hospital and a resident of Floydada, underwent major surgery in the hospital Tuesday morning. She is reported under sedation but doing nicely, and should be able to have visitors by the weekend.

Mrs. Teague's mother, Mrs. W. J. Rhoades, who received a broken hip recently, is in the home of another daughter, Mrs. Lindsey Graham, where she is recuperating.

TOM PARRISH Vice President at Wayland

Tom Parrish To Conduct 2 Services Here

Tom Z. Parrish, vice president of developmental services at Wayland Baptist College, will be at the First Baptist Church in Floydada Sunday morning and evening.

Mr. Parrish, in his sixth year as director of Wayland's development program, has been responsible in a large measure for much of the growth in campus facilities and campus beautification.

Before becoming connected with Wayland Baptist College, Mr. Parrish was pastor of First Baptist Church, Marietta, Okla., and before that practiced law in Plain-

Working with President A. Hope Owen and the Wayland Board of Trustees on "Bold Venture: Decade," which calls for increased enrollment, enlargement of additional facilities and campus beautification, Mr. Parrish has helped realize many goals.

Under Mr. Parrish's leadership, the Wayland Associates, a group of West Texans interested in equipping Wayland Baptist College for an enrollment of 1200 students, has been organized during 1960-61.

The pastor of the Floydada church, Rev. Ed B. Bowles, left Friday for Leesburg, Fla., where he will preach Sunday morning for the opening service of a week's series for West Side Baptist Church.

Walkers Home From Mission

Mr. and Mrs. Grady Walker returned home yesterday morning from Mission, Tex., where they went to attend funeral rites for Mrs. Walker's mother, Mrs. Eva Broyles. The Floydada couple delayed their trip home for several days due to critical illness of a nephew.

Mrs. Walker's mother was killed on Tuesday of last week in a car accident near Edinburg. Mrs. Broyles was accompanying four other women to a home demonstration meeting in Raymondville when the accident occurred.

Mrs. Walker said the driver of the car was attempting to pass a truck when the big vehicle pulled across the lane to miss an object in the road. The woman driver swerved her car in order to avoid hitting the truck. The car went out of control, hit a ditch, and threw Mrs. Broyles from the vehicle killing her instantly.

The woman driver was also seriously hurt. The other three women riding in the back escaped injuries altogether.

Funeral rites for Mrs. Broyles were held Thursday in the Virgil Wilson Funeral Chapel at Mission with burial in the Laurel Hill Cemetery.

The deceased was a member of the Church of Christ, and member of Mission Municipal Hospital Auxiliary and past treasurer of her home demonstration club.

Survivors include five daughters, Mrs. Walker, Mrs. E. J. Moore, Austin, Mrs. E. M. Harberger, Edinburg, Mrs. C. C. Jones, Mission, and Mrs. Wilson Palmer of Harlingen; two sons, B. E. Broyles, Harlingen; and N. L. Broyles of Victoria; 18 grandchildren and 11 great grandchildren.

The critically ill nephew of Mrs. Walker is 34 year old Bryon Broyles of San Benito, a sufferer of Bright's disease. He is the son of Mr. and Mrs. B. E. Broyles.

Mr. and Mrs. Lee Rushing returned last week from the West Coast where they had been for sometime on a visit with rela-

Road Graders Quickly Move Big Snowfall

Road graders turned into snow plows Sunday did the "prettiest job" one could imagine of cleaning snow from Floyd County's 300 miles of paved highways.

St. Patrick's day snow had melted under a warm sun when the snow showers hit the high plains again on Saturday night and Sunday morning, leaving a deposit of snow 4 to 7 inches deep over the county. Early Sunday Floydada was a white-coated, brook-taking fairland.

Preceded by a warm rain the wet, wet snow did not freeze to the ground, but lifted off in a layer and not into the bar ditches like turning sod on virgin prairie.

Snowed Webber had his crews out at 7 o'clock Sunday morning. By 5 o'clock in the afternoon the last road had been cleaned off.

The two rains and snows left 1.3 to 1.6 inches of moisture in the fields and on the range lands, varying somewhat over the county.

Snowfall was much heavier immediately north and west of the county. While little damage was done to trees in Floydada and Lockney the loss of limbs near Plainview and in that city was tremendous. Also much heavier snow fell at Tulia.

To the east of this county the moisture fell largely in the form of rain with only a light coat of snow under the hill in Motley County.

West Texans Battle For Beet Acres

West Texans may have made a futile last desperate effort to get sugar beet acreage for growers in this section but they made the effort anyhow the first of this week.

Lee Benefield, president of the Texas Sugar Beet Growers Association, together with Henry Sears and James Witherspoon of Hereford, and Richard F. Stovall of Floydada, flew to the capital city in an effort to get an amendment to the sugar bill that was before the House.

Dispatches from Washington indicated the home growers were opposed by the State Department, the Agriculture Department and other interested agencies, which wanted to distribute the Cuban and Dominican Republic allotments to other foreign countries. Whether final disposition of the matter was made Wednesday was not known here at noon.

Births

A red headed seven pound boy born in Fort Knox, Ky., March 20, to Capt. and Mrs. Gordon Chapin, made great grandparents of Mr. and Mrs. E. J. Morehead of Floydada.

Mr. and Mrs. Richard Morehead of Austin are maternal grandparents, and Mrs. R. R. English of Plainview is the other great grandmother.

The child's parents are scheduled to leave from Fort Knox on the first of July for Germany for a tour with the Army. The baby is the first born to the couple.

Boyce House Says I Give You Texas

By Boyce House

(Note: The American statesman, W. J. Bryan, was born 100 years ago — on March 19, 1860.)

In the fall of 1914 when I was a high school student, William Jennings Bryan, the greatest orator in America, was going to speak in our city, so I went to hear him. So did several thousand others. The scene was Red Elm Baseball park in Memphis.

Bryan was delayed because his train was behind schedule and so the audience was entertained by speakers until he could arrive.

The governor of Mississippi apologized for his hoarseness by saying, "I have feathers in my throat" and a disrespectful list-ner called out, "You mean on your legs, don't you?" and someone yelled, "Hurray for Bilbo!" (Bilbo L. Broyles of Victoria; 18 grandchildren and 11 great grandchildren.

Louisiana spoke. All I remember about him was that he wore a black coat which was so tight (he had it buttoned up) — that I was afraid, as he went through violent gestures, that the buttons would pop off, endangering bystanders.

But Governor Hays of Arkansas is still a vivid memory. Tennessee at that time had a Republican governor because of division

The Democratic party. The governor that time, a telegram meant a death or, at least, a serious illness. In shrill tones he held the intensely partisan belief that he was truly a great man. "I am informed that some of the Democrats in Tennessee have actually helped to elect a Republican governor. They say I would soon go down into the murky and sulphurous depths of hell in quest of angels or up to the golden, gleaming gates of heaven in search of devils as into the Republican Party looking for honest men!"

The air was open and where the pitcher's mound cries of "Hooray for Hays! Hays for Pres-i-dent!"

The arrival of Bryan brought a great applause. We saw a man of portly build, close to six feet in height, wearing a dark suit, the coat long, and a black string.

His face was full; his eyes were dark and their glance was penetrating; his nose was almost like the beak of a hawk; his mouth large; his jaw strong. He had a warm smile, almost one of benevolence. All in all, he was a handsome and impressive man.

At that time, he was secretary and in fact so late in President Wilson's cabinet and World War I had broken out not long before but which were to his right side and as he sat there, waiting to be introduced, he was handed a telegram. In most families, at one dramatic passage, he gave the

last word, seemingly, in a whisper and yet it was like a whipcrack. Now it happened that in Memphis in 1885 Bryan had been one of the leaders at a meeting at which the Democratic Bimetallic League was organized and this was the virtual launching of the free silver movement which resulted, the next year, in Bryan's first nomination for president. His opening words referred to this page of history: "As I was approaching this city tonight, it seemed to me that the car wheels, as they clicked over the rails, were saying, in the words of an orator of another generation, 'The past rises before me like a dream.' To hear the cadenced words of Robert Green Ingersoll uttered by the magnificent voice of Bryan was a mighty thrill to a schoolboy lover of oratory."

The baseball park was in a low area and the air was damp. Bryan had been speaking only a short time when he produced a skull cap and put it on, with the remark, "They used to call me 'the boy orator of the Platte' and now I have to protect my bald head from the evening dews and damps." Referring to that early campaign, he declared, "Then they said, 'If you put one of those furnaces, you will have only fifty cents left.' But if you put one of their paper dollars into a furnace, you wouldn't have anything left."

He wove humor into his speech using epigrams and relating stories. Speaking of the tariff Bryan said that each industry wanted its own product protected but desired that the raw materials it used be on the free list. This reminded him of a story: A man entered a little clothing store in New York City and began to try on a suit but, when the owner's attention was diverted, the man ran out. The merchant pursued, shouting, "Stop thief! Stop thief!" A policeman began to draw his pistol and the owner yelled, "Shoot him in the pants; de coat and vest is mine!"

Bryan spoke deliberately but not slowly. He never grew excited; always, even when evoking emotion, he was the master of himself and therefore of the situation. He used few gestures and these were natural accompaniments of the utterance. The address, which consumed perhaps an hour, was interrupted many times by applause. Perhaps the most enthusiastically received was his tribute to President Wilson but for whose wisdom and steadfastness "the wails of the widows and orphans of Europe and of American firesides" he had heard that rolling, sonorous, melodious voice was to have seen and heard one of the dozen great orators the world has ever known; it was an experience always to be remembered.

Minnows And Get Rich — Of Fisherman Marshall

L. A. Marshall) 40 days throughout the season Any time the temperature of water reaches 70 they start and continue until temperature goes below 70.

A minnow matures in 40 days and starts laying eggs. Minnow raisers get \$10 per gallon or about one penny each.

Minnows are counted by placing three gallons of water in say a five gallon container. Pour in minnows until water level reaches four gallons. You have about 1000 minnows according to size.

These lakes here are perfect for minnows. A lake could pay much more per acre than the cultivated land.

Now Is the Time

About now is the time to stock a lake. A few thousand minnows and you are in business. There are many kinds of minnows. I would try the Wisconsin minnows. They are called river minnows but raised in a lake they are black and tough. Minnows are fairly scarce. The Falcon Lake can use all you could raise. Besides there are many other lakes in Texas.

If I were 50 years younger, I would start raising minnows. My fishing arm would not stand too much twisting.

Select Vogue Dress-Making Contestants

The latest in fashions, creations from Vogue Patterns, and made by participating contestants, were modeled Friday afternoon for judging in the Community Room of the First National Bank in Floydada.

Fourteen Study club members and seven high school girls showed their self-made garments to three out of town judges.

Garments were judged on quality of material, style, and making of the garment. All were from Vogue Patterns, sponsors of the event along with the General Federation of Women's Clubs.

One garment was selected from each of the four participating clubs, and one from the high school group.

Winners were Mrs. Newell Burk 1929 Study Club, alternate, Mrs. Tate Jones; Mrs. J. S. Hale Jr. 1934 Club, only entry; Mrs. Charles Craig, 1930 Study Club, alternate Mrs. Bob Copeland; Mrs. Bernice Parkey, 1926 Study Club, alternate Mrs. Gordon Hambricht; Miss Helen Foster, high school winner, and Miss Verna Pate, alternate.

Each club winner received a subscription to Vogue Pattern magazine, and Miss Foster received a gift of \$5.00.

The five winners will model their garments on Tuesday, March 28th at 3 p. m. during the Caprock Convention of Texas Federation Clubs at Lamesa. One district winner will be selected making her eligible as state winner.

Entries in the local contest included Mrs. Tate Jones, Mrs. Newell Burk, Mrs. Paul Fullerton, and Mrs. Jewell Norman, 1929 Study Club; Mrs. J. S. Hale Jr., 1934 Study Club; Mrs. Bob Copeland, Mrs. Charles Craig and Mrs. Ted Bell, 1930 Study Club; Mrs. Lewis Reddy, Mrs. Herman Galloway, Mrs. Chuck Holmes, Mrs. George Spears, Mrs. Gordon Hambricht and Mrs. Bernice Parkey, 1926 Study Club; High school entries were Helen Foster, Suzie Reue, Sherleen Teeple, Helen Whitfill, Mary Giles, Janice Miller and Verna Pate.

Judges were Jack Payne of Payne's Ladies Shop, Plainview; Mrs. Mildred Cox Patterson, Hale County HD agent; and Bill Hamman, of the Yard Stick in Plainview.

Mrs. Sammy Hale was over-all chairman and chairman of the 1930 club; Mrs. Clay Henry, chairman of the 1929 club; Mrs. Ralph Cogdell, chairman of 1934 club, and Mrs. Lewis Reddy, chairman of 1936 club.

Mrs. Reddy received honorable mention from the judges for her garment.

SOIL CONSERVATION DISTRICT NEWS

GRASSED WATERWAYS

Hershel Hammonds, a Floyd County Soil Conservation District cooperater north of Floydada, recently completed seeding a waterway that was shaped under the Great Plains Conservation Program. The waterway is 88 feet wide and extends 4800 feet along the north side of the farm, designed to intercept runoff water from a system of terraces including a diversion terrace and 16 standard terraces.

The waterway was shaped in January, 1960, and seeded to a dead litter crop of sorghum. Last fall the sorghum was shredded to prevent seed maturity, and all residue left on the soil surface for protection from wind erosion and to hold down evaporation of soil moisture. Then recently, Western wheatgrass, a very good sod forming grass for this purpose, was seeded with technical help from the local Soil Conservation Service.

The width of a waterway depends on the drainage area and slope of the waterway. It should be level from side to side so that water will not be concentrated. A permanent type vegetation is desirable such as Western wheatgrass, Buffalo-grass; Bermuda grass, or Blue grama.

Federal cost-share is available through the Great Plains Conservation Program or through the local ASC office in Floydada for constructing terraces, shaping, and establishing waterways to grass.

On dryland a dead litter is needed to give protection to young seedlings and also for preventing moisture evaporation. Cotton burrs will provide this protection or a high residue producing crop such as sorghums or small grains will do the job but every precaution must be taken to prevent seed maturity of this crop so that the young grass seedlings will not have to compete with it while it is getting established.

Another waterway being established under GPCP is that of E. W. Dunavant who is carrying out a complete conservation program developed with the help of local Soil Conservation Service technicians. Mr. Dunavant used cotton burrs instead of a dead litter crop and planted Western wheatgrass.

Other district cooperators who have waterways planned are Bryan Karr, Judge McBrien, and Austin Meriwether.

If you have small washes or gullies that are causing trouble contact your local Soil Conservation Service office and one of the technicians assisting the Floyd County Soil Conservation District will help you in solving your problems.

(Boots) Dobbins operator of the station and staff will be having a formal opening celebration with free gifts and favors for all who attend.

Tule Bridges East of Tulia To Be Widened

The Texas Highway Department has announced that construction has started on the bridge widening project in Swisher County. Middle Tule Creek Bridge and South Tule Creek Bridge, both East of Tulia on Highway 86, are to be widened from their present width of 24 feet to a new width of 46 feet. This widening shall be eleven feet on each side of the present bridge.

The Texas Highway Department and the contractor, Colorado Construction Co., of El Paso, stated that the construction should be completed by July 1, 1961.

W. C. Gilcrease of 221 N. Crosby Street in Tulia, the superintendent for Colorado Construction Co., states that they shall widen the South side of both bridges before beginning on the North side; and the use of this stage type construction should cause a minimum interference to traffic, however, the bridge will be narrowed to a width of 20 feet during the first stage of construction.

Sam A. Fowler, Senior Resident Engineer of the Texas Highway Department in Floydada, explained that traffic will continue to be routed over the present bridges during construction. Fowler pointed out that adequate barricades and warning signals will

be prominently displayed, but motorists should be extremely cautious in passing through the construction area as the bridges will be narrowed as Mr. Gilcrease stated. The construction area will be zoned for a maximum speed of 45 miles per hour for the protection of motorist and workman alike. Cooperation of the public is requested in obeying all traffic signals, warning signs, and speed zone, Fowler said. L. Martin Burkhardt, Resident Engineer of the Texas Highway Department, shall be the Project Engineer and may be contacted at project site.

Zero Hour For Spelling Bee Is Tuesday Night

Elementary and Junior students have less than a week to "whip up" on their words for the big Spelling Bee scheduled for next Tuesday night, at 7:30.

The annual contest is staged in two divisions and the senior winner will be eligible to compete in district and national contests.

Ray Murphy of Lockney will pronounce words for the event to be held in the county courtroom.

County Superintendent Clarence Guffee said this week he expected a good number of participants in both divisions.

STATE CAPITAL Highlights AND Sidelights

TEXAS PRESS ASSOCIATION

AUSTIN — Foes of a general retail sales tax are pushing to get it before the Legislature. Friends of the tax are trying to hold it back.

At a hearing before the House Revenue and Taxation Committee, representatives of regional Chambers of Commerce, generally favorable to a sales tax, asked that the matter be delayed. Committee members, opposed to the tax, insisted on going ahead.

Rep. George Hinson of Mineola, who is against a sales tax, charged backers with dragging their feet in hopes their plan would finally be accepted in last-minute desperation.

Hearing was on a general sales tax measure by Rep. Charles N. Wilson of Trinity. Wilson introduced the bill and asked for immediate hearing to out-manuever those who wanted to delay. After hearing, the bill was, by the usual procedure, sent to subcommittee.

Awaiting consideration is just about every type tax bill imaginable. Among them:

A temporary (1-year) 20 per cent increase in the omnibus tax (a collection of existing taxes on many items) by Representative Hinson. Estimated yield: \$40,000,000.

A one per cent corporate income tax by Rep. Charles Ballman of Borger and a three per cent corporate income tax by Rep. Tony Korioth of Sherman.

A 10 per cent levy on petrochemicals by Rep. Lloyd Guffey of El Campo.

A six per cent tax on income from dividends and interest by Rep. Bob Eckhardt of Houston.

A two per cent Texas business invoice tax by Rep. Maco Stewart of Galveston.

A graduate production tax on oil, a corporate income tax to replace the franchise tax and an excise tax on utilities by Representative Stewart.

An increase in state college tuition from \$50 to \$100 per semester by Rep. Frank McGregor of Waco.

A three per cent sales tax on furniture and household equipment by Rep. John C. Alaniz of San Antonio.

A five per cent tax on gross receipts of highway contractors by Rep. W. T. Dungan of McKinney.

A five per cent tax on gross receipts from marine products by Rep. Jake Johnson of San Antonio.

"When my boss complained about the appearance of his letters, I was upset. Then a friend told me she uses Multi-Kopy Microscopic Carbon Paper to turn out properly spaced, neater letters — faster.

FIREMEN'S BILL HELD LEGAL — Atty. Gen. Will Wilson has ruled that a proposed bill to set up machinery to arbitrate firemen's wage and hour problems would be constitutional.

GARNISHIEE BILLS STUDIED — Proposals that would allow for the garnishment (taking over) of wages for payment of debts are being considered by the House Constitutional Amendments Committee.

Rep. Henry Fletcher of Luling is sponsor of a proposed constitutional amendment that would permit the Legislature to pass a board garnishment act.

Rep. Ben Jarvis of Tyler is sponsor of another that would allow for attachment of wages only to make child support payments.

MINIMUM WAGE ARGUED — Proposal for a 75-cent-an-hour minimum wage for Texas workers, including farm labor, was argued before the House State Affairs Committee.

Employers of fewer than four persons would be exempt.

A spokesman for the AFL-CIO testified in favor of the bill, de-

THIS 1954 MODEL car shows the results of an impact with another vehicle and a tree it bounced into, following a collision Monday night of last week at Tennessee and Tree St. Looking over the damaged vehicle is Emory Cox of Floydada. Driver of the car was Ray Walker, who escaped serious injury in the wreck. The other vehicle involved, driven by Robert Overstreet, was also heavily damaged.

"FLEXIBLE" RATING KILLED — House, meantime, killed by a decisive 125-to-21 vote a bill that would have provided a complete new approach for auto insurance in Texas.

Called "flexible" rating, it would allow each insurance company to set its own auto insurance rates. Rep. C. W. Pearce of Temple sponsored the bill which has been defeated by previous legislatures. He argued for it on the basis of free competition rather than state-controlled rates.

Opponents successfully argued that the plan allows large out-of-state concerns to take over the market and eventually set much higher rates.

MILK IS BOILING TOPIC — Milk continues to stir up arguments in this legislative session.

Senate passed a bill placing restrictions on the importing of milk from other states, but the House postponed floor debate after tempers flared to the shouting point.

Sen. Grady Hazlewood of Amarillo sponsored the Senate bill, and Rep. Steve Burgess of Nacogdoches is the House sponsor.

Their measure would bar out-of-state milk from Texas unless a health inspector could certify that he had "personal knowledge" that the milk had been produced under the same standards as Texas milk.

Dairymen - supporters contend that it is a health standards protection and will prevent "unfair competition" from out of state. It is opposed by milk processors who declare it will limit the supply unnecessarily and force up prices.

HOW TO TELL A DODGE FROM A DODGE

Identifying a Dodge has become a problem. Because now there are two: Compact Dodge Lancer. Full-size Dodge Dart. There is an obvious difference. Size, inside and out. Dart, the lower picture, is the larger. But otherwise they are very much alike. Both have a unitized, rust-proof body. A superb ride called Torsion-Aire. A battery-saving alternator. And both have optional three-speed push-button automatic transmissions. Another difference is

Five Schools To Compete In One-Act Contest

"...But I've never heard of going Easter egg hunting at night, Rodney."

Floydada High Offers 'Life With Father'

Mrs. I. T. Graves' One-Act Play Contest entry, "Life With Father," will be the first play to be presented with the Dist. 2AA Inter-scholastic League Meet gets underway tomorrow afternoon at three o'clock.

Five schools in the district will be competing for honors. They are Olton, Muleshoe, Abernathy, Lockney, and Floydada. Morton is ineligible.

Each play is limited to 40 minutes, with about 10 minutes for scenery change between plays.

Floydada's entry is the third act of "Life With Father" by Clarence Day.

Ten of the original cast of 15 will appear in the contest.

Cast members include Beth Scott, James McKinney, Darryl Lindsey, Denny King, Jimmy Oden, Jay Holmes, Gay Pruitt, Sally Parks, Elaine Anderson, and Kay Pruitt.

Production staff includes Jimmy Huckabay, stage manager, Jackie Jones, lighting; and Janet Moore, costumes.

Since there are five plays, there will also be several plays tomorrow night beginning promptly at 6:30 p. m. and ending about 9:30 p. m.

Contest critic judge will be secured from Texas Tech and was not known at press time.

Last year's play, "Happy Journey," won first place at district. Janice Nolan received Best Actress award, Larry Coltharp Best Actor award, and Beth Scott, All-Star cast.

Medals are given to the All-Star cast selections and Best Actor and Actress.

Band Wins Two Trophies

Some people may be wondering why the band students have been bragging so much since the Brady trip, but they really have something to brag about — two beautiful trophies!

One trophy is for marching in the parade and the other is for "Snow Band of the Heart O' Texas Band Festival."

The Floydada Whirlwind Band left Floydada about 8:30 a. m. Friday Mar. 3, to attend the festival.

There were three buses of students and one bus of instruments, suit cases, and uniforms.

The band ate dinner in Abilene and they arrived at Brady about 5 p. m. — two hours late. A flat between Abilene and Coleman caused most of the delay.

After receiving housing assignments, the band members practiced the halftime marching. The show was the same one that won at Seagraves and at Brownfield.

Friday night the Floydada band was the first of the competing bands to march. The crowd in-

terrupted the performance five times with applause, which was more than any other band received.

Floydada won against Breckenridge, Tivy of Kerrville, and Del Rio of class AAA, and against Bellville, of class AA.

After the marching there was a play night held in the high school gym. Music was played by the Tarleton State College "Tophaters" of Stephenville.

Saturday morning the band played for the concert playing and sight reading contests. In those contests Floydada competed only with class AA schools. Coleman won both of the trophies for concert playing and sight reading.

After the band finished sight reading, they practiced street parade marching. While they practiced, they worked up a special routine that they had never done in street marching. The special maneuver pleased the crowd and obviously the judges since the band also won the parade march-

ing. Approximately 23 bands were in the parade.

A mass concert was presented by all of the bands after the parade. The tunes played were "Star Spangled Banner," "Military Escort," and "Sounding Brass" which was written by Everett Maxwell of Abernathy.

The judges for the contests were Everett Maxwell, Joe Bellamah of San Antonio, and Leon Brown of North Texas State College.

The Brady Herald had a picture of the Whirlwind Band on the front page. The headlines for the article read "The Dazzling Floydada Whirlwind Band Came to Win—and Did!" They described the band as fast moving and snappy. Several people remarked that they had never seen so much spirit in one band.

Coming home, the band spent the night in Abilene, staying at the Hotel Wooten. Sunday morning several members attended church. The band arrived at Floydada about 6 p. m. Sunday.

Literary Meet Slated April 21

Floydada High School will be seeking its ninth consecutive championship in literary and track events as competition begins tomorrow afternoon in Abernathy with the One-Act Play Contest at 3 p. m.

The literary meet is scheduled for Apr. 7 at Abernathy with events beginning at 10 a. m.

The district golf meets will be in Olton on Apr. 13.

Schools competing are Olton, Muleshoe, Abernathy, Morton, Lockney, and Floydada.

A complete list of contestants in all events will appear in the Sophomore Edition, Apr. 6.

All contestants' names must be sent in to Superintendent Noel Johnson of Abernathy. Mr. Graves is to be notified of all students who are contestants.

ILPC Contest Entries Due

Deadline date for individual journalism contest entries in Inter-scholastic League Press Conference is Apr. 1.

Contest categories that may be entered by the WHIRL are News-writing, editorial writing, sports writing, feature writing, featurette writing, photographs, and illustrations.

Two of each type of entry may be submitted. The competing entries must be original, written by individual students of FHS.

Articles and photography will be judged in six divisions — B, A, AA, AAA, and AAAA. In each contest division first, second, and third places will be determined, and gold, silver, and bronze medals, respectively, will be given.

These awards will be presented at the State ILPC Convention in Austin May 4, 5, and 6. Medals will be mailed to winners not present.

BASKETBALL JACKETS DISTRIBUTED MARCH 6

FHS basketballers are proudly wearing their new jackets after they were distributed Mar. 6.

The girls' jackets are kelly green wool with a white leather front. The letter is white with a small basketball and is set on a green background.

Verna Pate, Pat Tucker, and Mary Dunn received theirs free since they are seniors.

Carolyn Moore, Kit Zimmerman, Rita Colley, Vickie O'Neal, Doris White, Jackie Yeary, Linda Kinard, Sandra Marler, Janice Jones, Laticia Stevens, and Betty Wright were the other girls who bought them.

The boys' jackets have natural leather sleeves, green wool back and front, and the white letter also has a basketball on it.

Tommy Ogden, senior, received his free.

Don Switzer, Rodney Teague, Charles Christian, Darryl Lindsey, and Ted Allen purchased jackets.

EASTER LAST HOLIDAY

March 31 through Apr. 3 are the days set aside for the Easter Holidays this year. This will be the last holiday observed until the end of school.

Students are having to go on extra day to make up for a day missed on account of snow.

THANK YOU, STUDENT COUNCIL (By Jan Dempsey)

In this, Student Council Week, we, the students, pause to thank you for promoting such high morals and school spirit here in Floydada High School.

You, Student Council, don't hear much praise only criticism. But you go on undaunted, using criticism as a means of guideposts to direct you along your steep, rough road to better our school.

Among the many things you've accomplished are: buying a school sign, adopting a foreign orphan, arranging assemblies, framing the Code of Ethics, and promoting school morale and spirit to the students.

Although you don't hear us praise you very often, we are deeply indebted and grateful to you for all you've done for FHS.

WHAT DOES IT MEAN?

What does Easter mean to you? Is it only the day to wear your new spring outfit or do you remember what it represents?

At Easter we should celebrate the risen Christ. He did not have to die on the cross, but He did to save us because of His infinite love.

If we were filled with love for our fellowmen, we would not be selfish, thoughtless, critical, hateful, greedy, or have any of our other shortcomings.

Love, whether given or received, transforms a person from a dull creature of habit to one of happiness and enthusiasm.

At Easter let us be reverent and fill our hearts with love for others.

Twenty-Five FHS Students Take Nat'l Scholarship Merit Test

Twenty-five students at Floydada High School took the National Merit Scholarship Qualifying Exam. Winners of Merit Scholarships will be selected from the Finalist group on the basis of school records and recommendations, test scores, extracurricular activities, leadership ability, and accomplishments outside the classroom. Each Finalist is awarded a Certificate of Merit attesting to his outstanding performance.

An additional 25,000 students, selected on a national basis, receive Letters of Commendation for their high performance on the qualifying test. These students are considered for special awards made through the Merit Corporation, and their names and test scores are also sent to their first and second choice colleges.

LCC WILL HAVE CAREER DAY

Lubbock Christian College is sponsoring Career Day Saturday, Mar. 25.

Representatives of a wide variety of professions and careers will be on the LCC campus to meet with interested high school students.

Since FHS is not having its Career Day this year, this will afford students the opportunity to attend and learn valuable information about future professions.

LCC is a junior college.

NAMED TO ALL-DISTRICT Pate, 4-Year Student, Is Most Athletic Girl In Floydada High

Who made a total of 693 points to average 26 points for 27 games of girls' basketball to be high point girl for this year?

None other than the girl the student body voted as the most Athletic in Floydada High School, Verna Pate, 17-year-old senior and 4-year basketball player. (She also played in junior high).

Verna, who has attended the Floydada Schools for 12 years, ended her basketball career last game of the season by hitting the basket for 40 points. Her cracker-jack shooting gave her 40 points for another game during the season and a berth on the All District 2AA team.

She was named to the All-District team her junior year and this year. Her hobby naturally would be basketball.

"I would like to be a girls' basketball coach because I love sports, especially basketball," says Verna.

Verna is a 4-year FHA member, TALA reporter, Librarian, vice-president of her Sunday school class, and past Worthy Advisor in Rainbows.

Her likes include chicken and fries, Kim Novak, red, the book Rebecca, "Salvation Rock," and the movie "Strangers When We Meet."

She dislikes snobbish people and thinks a friend should have a good personality and shouldn't get angry easily. Eddie Parks and Pat Tucker are her ideals in FHS.

Verna's favorite subject is Home Ec. III because she likes to cook and sew.

Verna's schedule includes English IV, office, basketball, library, Homemaking III, and study hall.

Upon graduation this spring, she plans to get a secretarial position in Lubbock.

MAKE ALL-DISTRICT

Pat Tucker and Verna Pate, seniors in FHS, have been named to the All-District basketball team in Class 2AA.

Student Council Sparks Many Activities During School Year

This week has been National Student Council Week.

Floydada High School Student Council is recognizing the week by sending the newly-elected officers, the present president, and the sponsor to the Student Council State Convention in Odessa.

Also the SC has held Courtesy Week, Monday was Howdy Day; Tuesday, Be Kind to Ladies Day; Wednesday, Be Kind to Gentlemen Day; Thursday, Teacher Appreciation; and tomorrow Dress-up Day.

The delegates going are Eddie Parks, present president; Ricky Holland, next year's president; Bill Daniels, next year's vice-president; Carolyn Moore, next year's secretary; and Miss Anne Swebston, sponsor.

In acknowledgement of this week, the Student Council would like to remind the students of all the projects it has sponsored this year. They are as follows: intramural sports provided for the students at noon, homecoming events including the election of the queen; the one-way street on the east side of the school; the birthday calendar; birthday cards sent to the faculty; and the weekly devotional.

The SC also sponsored the football tag day; color day; the new victory flag; fire drills; courtesy letters sent to each opposing school; citizen-of-the-month and citizen-of-the-semester; memory books in the library; thought-for-the-week; the new school emblem; whirlwinds on the lockers of the football players; good will cards; framing the Code of Ethics; and the annual handbook.

The football and basketball posters; the poster contest for the

Stock Show Events Run Off Smoothly

A banquet was held in honor of those boys and girls who had winning stock in the show. The banquet was held Mar. 14 in the Floydada Cafeteria. Trophies were awarded to the winners and trophies for showmanship were also awarded. The auction was held the next day and the show was officially over.

"This year was the smoothest run show we have had," said Lloyd Cook, FS Ag instructor.

TO ATTEND SC MEEET

Eddie Parks, Bill Daniel, Ricky Holland, Carolyn Moore, and Anne Swebston sponsor, will be attending the State Student Council Convention in Odessa today and tomorrow.

Eddie will lead a discussion group.

SENIORS SLAVE ON THEMES

Miss Anne Swebston's English IV classes are writing term themes on occupations instead of the usual literary topics that the seniors have written for many years.

The themes are to be various thousand words in length. Various resources such as the school library and the county library are to be used by the students.

Mrs. Helen Patterson has sent to the Extension Loan Library in Austin for information on each of the occupations that will be written on by the students.

Miss Swebston's purpose in having the students write on occupations is to create interest in the themes and to give the student the advantages and the disadvantages of his chosen profession.

The Chronical Occupational Briefs file containing 30,000 professions is being put to good use.

The seniors must also have personal interviews with employers or employees in various businesses and occupations.

An estimated three or four weeks will be spent in research and writing.

GERMINATION with our process, we use no heat in delinting seed, so therefore cannot harm the germination by burning them.

DISEASE as you know spots in cotton cut profits greatly. By using wet acid delinting there is less disease, for sulfuric acid, which we use, eats all lint from the seed and leaves no carbon deposits thus insuring an excellent job of treating the seed.

BAGS you may have had trouble in the past with bags being eaten and may have lost some seed. This is costly and unnecessary for in our process after the seed has been delinted we wash them with pure water in the form of a spray.

Small oil man from Texas...

Mr. Jack Thomas of Dallas, above, deals in oil... once every 4,000 miles! He owns a '61 Ford with new Full-Flow oil filtering that cleans all the oil so thoroughly, frequent changes are unnecessary. Deals in grease, too... also in a small way; Ford's new sealed-in lubrication lets him go 80,000 miles between chassis lubrications. Never deals in wax; Ford's Diamond Lustre Finish doesn't need it. Same for brake adjust-ments... Ford brakes adjust, when it's required, automatically! Saves money on mufflers, too (Ford's is double-wrapped, aluminized, to last three times longer than ordinary ones). Doesn't worry about rust and corrosion—the body is specially treated to resist this kind of damage. Happy guy, Thomas! Likes being a small oil man. So will you!
