Q Adds Storage Area As Second Transport Company Moves In

The Piggyback installation that President Quin Baker of the Quannah, Acme & Pacific Railway Co. got into operation on newly acquired ground adjacent to their industrial switch last year is spilling all over the place this season.

Not only will Dallas & Mavis Forwarding Co. continue their operations on what evidently is to be an enlarged scale, but also another big hauler, United Auto Transport of St. Louis, is moving in and will operate on even a larger scale than Dallas & Mavis.

QA&P Contracts For More Paving

Saturday John Williamson, who will expedite United's operations here, had 17 drivers and rigs on the ground, most of them house hunting.

Q Backers To See First Game Flms

The Whirlwind Quarterback Club meets Monday night September 4 at 7:30 p. m. The high school cafeteria is the place set for the gathering.

Fly In The Ointment

One fly in the ointment, a sizeable one to be sure from the local point of view, is the fact that of the 20 or so new men being moved in by United Transport a large per centage will have to live elsewhere and commute to their jobs here.

Two Cent Tax To Make Huge State Funds

Beginning tomorrow (Friday) September 1, Floyd County consumers must pay a sales tax of two cents on the dollar when they buy such things as these:

Furniture, radios, TV sets, pots, pans, dishes, knives and forks, kitchen appliances from stoves and refrigerators to coffee pots, lights, gas, and electricity, garden tools, hand tools of all kinds, paint, supplies and parts used in auto repairs and home repairs and improvements, toys, baby furniture and supplies, books (except religious ones), records, paintings, newspapers, magazines, shoes, clothes (except certain outer garments priced \$10 or less), personal accessories like purses and wallets, soft drinks, restaurant meals including all drinks, ice, candy.

Fruit juices, drugs and medicines bought without a doctor's prescription, hearing aids, shaving supplies, grooming and beauty supplies, soaps, writing paper, pencils, pens, artists' supplies, musical instruments, window coolers, fans, air conditioners, heaters, sewing machines, vacuum cleaners, brooms, bicycles, sports equipment, boats and boat motors, cameras, photographic supplies, commercial pictures, camping supplies, clocks and watches, jewelry, pets, flowers, luggage, and caskets.

The basic rate of tax is one penny per 50 cents of the retail price, that is, two cents on the dollar. The tax hereby imposed shall be collected by the retailer from the consumer.

How to Figure The Tax

This is the way the tax will be applied on each retail sale:

One to 24 cents, no tax; 25 to 74 cents, one cent; 75 cents to \$1.24, two cents; \$1.25 to \$1.74, three cents; \$1.75 to \$2.24, four cents; and another penny tax for each additional fifty cents of purchase, or fraction thereof.

There are about 160,000 firms already on the comptroller's list registered under the old chain store tax. Another 20 thousand more will have to come forward and apply for permits to sell goods retail.

The law requires some kind of a receipt for every sale — cash register slip, shop ticket or invoice.

The new tax law, House Bill No. 20, is a hodge podge of exceptions, exemptions, red tape, penalties, and procedures for prosecution and collection not only of the sales tax, but also an additional franchise tax, \$10 a year on coin-operated machines, increased drivers' license fees (from \$2 to \$3 for ordinary drivers), and a tax on producing gas as a severance beneficiary.

The sales tax will raise most of (See Sales Tax, Page 8)

SOME AUTOMOBILE! Conner Oden, left, sold this 1939 model Chevrolet to Marvin Stiles 22 years ago and in the interim the remarkable car has piled up a record of 768,000 (thousand) miles traveled. The fact came to light last week when Stiles bought a new Chevrolet pickup from Oden in a straight sale. Stiles was tempted to turn the 1939 model in on the deal but decided against it when he reflected on the many good miles of travel still left in the ancient model. (Staff Photo by Peggy Medley).

Basic Plan Developed

The plan recognizes the dif- ferences between the free world and the communist world. Each major element in the basic plan is developed in detail in an appropriate Operational Annex. Judge Reeves said. Many of these are already in existence. Others will follow as quickly as they can be developed.

Such Operational Annexes are the National Shelter Plan; Na- tional Food Plan; National Health and Medical Plan; National Ra- diological Defense Plan; Conti- nuity of Government Plan; and the Individual Action Plan.

Judge Reeves said the prepara- tion to survive the bomb is more

out. Should these close-by cities be hit by a nuclear blast, Miller said Floydada and Lockney would have to be prepared to take care of 24,000 evacuees and at least 6,200 vehicles bringing them here in a time of three hours.

Would we here in Floyd County be prepared to care for them? he asked.

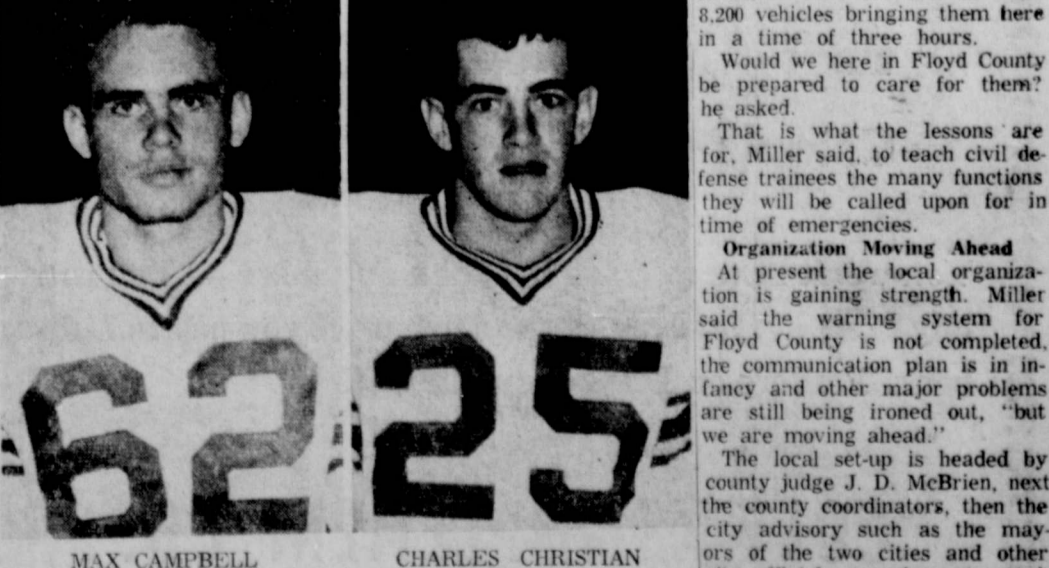

That is what the lessons are for, Miller said, to teach civil de- fense trainees the many functions they will be called upon for in time of emergencies.

Organization Moving Ahead
At present the local organiza- tion is gaining strength. Miller said the warning system for Floyd County is not completed, the communication plan is in infancy and other major problems are still being ironed out, "but we are moving ahead."

The local set-up is headed by county judge J. D. McBrien, next the county coordinators, then the city advisory such as the mayors of the two cities and other city officials, warning, communi- cation, police, traffic control, welfare, medical, rescue, supplies and religion. All these per-

As of this season, it is also
possible to find this size among
the designs in the counter cata-
logs of one of the commercial pat-
tern companies. The sizing is la-
beled as 8 1/2 to 14 1/2.

These new designs and future
styles are resized versions of
girls 7 to 14 fashions. They are
smart in appearance and will
solve many of the fitting prob-
lems which mothers have experi-
enced in an attempt to dress their
daughters attractively.

Canned Vegetable For Exhibit

DANNY SHIPLEY LEAVES
FOR SMU FOOTBALL CAMP

Danny Shipley, son of Mr. and
Mrs. John Shipley, returned to
Dallas Monday after spending
the summer here working for the
A. S. C. office measuring cotton
and feed for two months. Danny
went back to Dallas August 7
and worked for a lumber com-
pany for two weeks.

Danny spent last week here
getting ready for football. He
will be a sophomore at S. M. U.
this fall and football workouts
get started there Sept. 1.
Shipley is really in fine shape
for football as he works at it to
stay in shape all the time.

MR. AND MRS. WARNER JOHNSON

Reception Marks 25th Anniversary

A reception honoring Mr. and
Mrs. Warner Johnson on their
Silver Wedding Anniversary was
held Sunday in the family farm
home at Lakeview. The four chil-
dren of the couple were hosts for
the occasion.

In the receiving line with Mr.
and Mrs. Johnson were their chil-
dren, Mrs. Carl Brock of Floyd-
ada, Laurie, Novis and Wesley
Johnson all of the family home.

Miss Shirley Johnson, niece of
the couple, registered guests be-
tween the hours of 2 and 5 p. m.
on the registering table was a
bouquet of white glads comple-
mented by silver leaves.

Mrs. Eddie McLain of Big
Spring, sister of Mrs. Johnson,
and Mrs. Gene Johnson of Lake-
view, sister-in-law, were at the
table. Silver cake trays and crystal
appointments were used in
serving.

The table was laid with a
white lace cloth over pink and
centered with a tiered white cake
topped with "25th" in silver let-
tering. Silver candle holders and
silver lighted tapers accented
the arrangement flanked by white
carnations and glads. White nap-
pers were Mrs. Elder of the hono-
rarium and pair in silver were also
used.

Each member of the immediate
family wore white carnation cor-
sages and boutonniers. Members
of the houseparty also wore cor-
sages.

Approximately 76 guests called
at the home. Guests registered
from Amarillo, Big Spring, Lub-
bock, Lorenzo and Floydada.

Mrs. Johnson is the former
Evelyn Brister, daughter of Mr.
and Mrs. W. C. Brister of Dardan-
elle, Ark. Mr. Johnson is the son
of Mr. and Mrs. R. L. Johnson and
the niece in Plainview late Mr. Johnson, south of Lake-
view.

The couple were married Au-
gust 30, 1936 in McAdoo. After
their wedding they made their
home in Crosbyton then moved
to the Pleasant Hill Community
in Floyd County in 1947. They
moved to their home at Lakeview
in 1956 where Mr. Johnson farms.

Mrs. S. G. Appling and Mrs.
Joe Appling visited Mrs. Elsie
Latta in Floydada Friday even-
ing. Mrs. Latta is recovering
from surgery.

Mr. and Mrs. Bob Norman
and D'Lynne of Levelland spent
the weekend with her parents,
Mr. and Mrs. John Fletcher.

Mr. and Mrs. Bill Hambright
visited her parents, Mr. and
Mrs. C. Alexander Saturday eve-
ning. Mike and Shirley Bred
also visited with them.

Gaylon Wheelless has accom-
panied Mr. and Mrs. Vernon
Wheelless, Ronnie, and Donnie of
Crosbyton to Ruidoso.

Mr. and Mrs. Holt Bishop and
Mr. and Mrs. Bill Hambright at-
tended the Silver Wedding Anniv-
ersary of Mr. and Mrs. Warner
Johnson of Lakeview Sunday af-
ternoon.

Mr. and Mrs. Millard Watson
and family attended the wedding
of her brother, Ervin Brewer,
Friday night in the Crosbyton
Church of Christ.

Ben Fletcher spent Sunday
night and Monday with his par-
ents, Mr. and Mrs. John Fletch-
er. Ben will teach at Goliah this
year.

Miss Copeland Honored With Bible Ceremony

On Saturday evening, Miss Tiny Copeland, bride elect of Gene Lawrence, was honored with a White Bible Ceremony in the chapel of the First Baptist Church.

The ceremony was held at 8 p. m. Sunday, September 3, at the home of the bride's parents, Mr. and Mrs. Tom Porter and Mrs. Mary Porter. The ceremony was held at the home of the bride's parents, Mr. and Mrs. Tom Porter and Mrs. Mary Porter.

LIPSTICK LOGIC
MAKE AHEAD

One of the hardest things parents learn—if they ever do—is how to "turn loose" of their children. Without realizing it, parents often continue to treat offspring as though they were perennially adolescents, even after they marry and have children of their own.

Think how many young marriages might be saved if parents living in the same town, would show their children the same right to privacy they do other friends. How much did their new car cost? Did they borrow to pay?

The announcement was made of the Spur Chapter observing their 50th anniversary on Sept. 19, at 7:30 at 417 North Willard. Members of the local chapter are invited. Also a Friendship Night on September 11 at 6:30 in Friona.

Miss Copeland Honored With Bible Ceremony To Observe 52nd Anniversary

The children of Mr. and Mrs. C. M. Lyles are honoring them with a reception in honor of the couple's 52nd wedding anniversary.

Friends and relatives are cordially invited to attend open house in the new Lyles home, 123 W. Jeffie Street, Floydada, from 2 to 5 p. m. Sunday, September 3. No invitations will be mailed.

Miss Copeland and Mr. Lowrance were seated on the platform. On the table in front of them was an open Bible lighted by a tall white candle. Miss Glenda Morgan, president, welcomed the guests and spoke of the radiance of candlelight as a symbol of the joys of a Christian home.

Miss Hickerson pledged her vows to Jerry Bourland in the presence of a large group of guests seated by Elroy Neise of Plainview, Tommy DeWalt, and Kenneth Holt of Lockney.

YWA members taking part in the ceremony were Misses Morgan, Mary Giles, Helen Foster, Lynda Hammonds, Sherry Burns, and Darlene Mount.

Kitchen and Field

from Lighthouse Electric Cooperative, Inc., by Nancy Morckel, Home Economist.

You will remember in last week's column I mentioned the fact that Mr. and Mrs. Ned Bradley were awarded an engraved plaque and a wrist watch each for their devoted services and untiring efforts for the last ten consecutive years with the Annual Meeting Planning Committee.

Here is a letter from them to all of you—

"We would like to express our most sincere thanks to each and every Lighthouse Electric member for your acceptance of our feeble efforts in the annual meeting. We are so very proud and humbled by the lovely engraved plaque and most beautiful watches presented to us at the picnic on August 21. We certainly feel that we do not deserve them and could not have possibly been more surprised when we received them.

"It has been a privilege to work with all those involved in any way with the program and we want, again, to say thank you for your generosity toward us. Sincerely, Ned and Lorilla Bradley.

"And may we again say thank you Ned and Lorilla for the wonderful help you have given. We sincerely appreciate it very much.

"A letter came last week from Mrs. Allan Gross, (Gloria Adkins) of Route 1, Petersburg, which said in part: 'I enjoy your column in the paper, you have given me so many wonderful recipes, and I have one that I would like to share. It is very good and it is quick and easy to make. The cake is moist as long

Couples Enjoy Entertainment At Famous Hotel

Mr. and Mrs. Bruce Burrows of Otis, Kansas, are here visiting her brother Wiley Rogers, his family, and other relatives.

Wayne Collins is back after a two-week's vacation. He and his family spent one week in Corpus Christi visiting his sister and her family, Mr. and Mrs. Ersel Matthews and children.

Mrs. Ozella Brant and Jerry of Plainview, spent from Thursday until Sunday with her daughter and family — Mr. and Mrs. Joe Peterson and Sharia.

Don Barber, Ann Jaroszewski Wed At San Antonio

A mid-morning wedding Saturday united in marriage Miss Ann Jaroszewski and Don Randall Barber in the Alamo Heights Presbyterian Church at San Antonio, Texas. Dr. Hugh Robertson officiated for the ceremony.

Miss Jaroszewski is the daughter of Mr. and Mrs. Walter Herbert Jaroszewski, San Antonio, and the bridegroom is the son of Mr. and Mrs. Henry Goodson Barber of Floydada.

Given in marriage by her father the bride wore a chapel length gown of organza over tulle, fashioned with a full three tiered Bertha collar of sheer white Swiss organza. Her bouffant skirt had a deep hem outlined with white velvet ribbon and a small tailored bow. Her imported crown of dainty white blossoms held a bouffant shoulder length veil of white illusion. She carried a white velvet bow-tied and entwined with stephanotis and centered with white roses.

Miss Gayle Hissner, San Antonio, was maid of honor. Bridesmaids were Misses Ellen Cassin and Ann McGrath, San Antonio; Blake Campbell, Houston; Robbie Nell Hubbard, Fort Worth; Emily Stone, Sherman; and Sally Bowers, Athens, Ga.

Mr. Barber attended his son as best man.

Groomsman were Jack Henry Jr., Floydada; Ted Assiter, Lubbock; Bryan J. Williams III, Post; Larry DeHay, Dallas; J. D. Williamson, Odessa; and Roy McCann, cousin of the bride, San Antonio.

Ushers were Lynn Sherman and Bill Hollingshead, San Antonio. The couple were honored with a reception at Oak Hills Country Club at San Antonio before their departure to New Orleans where they are honeymooning.

They plan to make their home in Odessa.

Lakeview News

By Mrs. Q. D. Williams

LAKEVIEW, August 28 — Mr. and Mrs. Carl Brock, Misses Terri Brock and Novice Johnson Wesley and Lourie Johnson honored their parents, Mr. and Mrs. Warner Johnson Sunday on their 25th wedding anniversary. Open house was held by the children and family have returned from a two-weeks vacation. They had a nice trip through the North Central States and into Canada. They were accompanied by Mrs. Eunice Weathersbee, Claude's mother, of Snyder.

Mrs. J. H. Hutchins of Ralls spent Friday night with Mr. and Mrs. Tom Hutchins and boys.

Mrs. A. T. Emert and Mrs. Milt Covington of Dougherty were co-op visitors Monday afternoon.

Mr. and Mrs. Horace Rathel of McAdoo visited in our home Monday night.

Mr. and Mrs. Norval Bedell, Blake and Blair of El Paso, visited us Monday evening. They spent the night with her parents Mr. and Mrs. J. W. Buchanan.

Sid Brown was a co-op visitor Tuesday morning.

For something a bit different and very delicious try these peach dumplings for dessert.

PEACH (or apple) DUMPLINGS: Pie crust. 6 peaches peeled and seed removed. Mix cinnamon and sugar or nutmeg and sugar and sprinkle over the peaches and on the side.

Roll crust as for any pie, fold around the peach — place in pan with the folded side under.

Mix: 1 cup white sugar, 1-2 cup brown sugar, 1-4 pound butter, 1-2 teaspoon salt, 2 tablespoons flour, 2 cups boiling water.

Pour mixture over dumplings and bake 30 minutes in 400 degree oven until peaches are done and crust is brown.

SOMETHING TO THINK ABOUT: "If we could have had our wishes, our troubles would double."

Mr. and Mrs. W. D. Newell you to share with us, and we do appreciate it. You, too, have given us some wonderful recipes, for field in the home of Mr. and Mrs. example the cranberry salad — C. L. Heavier Rate Of Army Calls Is Forecast

Although the Selective Service System is taking only slightly more than the usual per centage of men in the draft than a year ago, Local Board No. 45 is getting in position to deliver much larger quotas than has been the rule the past year.

In the call issued Aug. 25 for induction on Sept. 5 six boys from the four counties are listed, to be followed by six more on the next day - Sept. 6.

But while this is correct the Board is calling up 29 men for armed forces physical examination on Sept. 5, and 16 men to report for examination on Sept. 6.

sons have specific jobs to do in case of nuclear attack. But, Miller said, what if these were wiped out, then what? That's when the civil defense leaders would take charge and that's when persons taking civil defense lessons would know what to do. Miller said that a mobile hospital for Floyd County is in the planning stage. He mentioned that the town of Wellington had theirs completed. There must be medical supplies stocked up which are essential. Communication will be a must, therefore battery operated radios will be needed in getting worthwhile information.

Should Stock Shelters
Miller stressed the fact that a two weeks supply of non-perishable food, water, first aid equipment, disposal container and other essential needs would be required in fall-out shelters. He said these shelters should be stocked now for tomorrow may be too late. In case of a nuclear attack, all food stores, gas stations, and fuel supply depots would be frozen and put under strict guard therefore no commodities would be available to the public on a buying basis.

Persons taking the civil defense lessons are being asked to take back to their communities and their neighborhood what they have learned. Films were shown at the meeting on what is being done all over the U.S. in the way of pre-

paring for nuclear attacks. Judge Reeves said these attacks are not expected but he stressed the fact that they must not be written off. "No doubt," he said, "we are in a civil defense race as well as an armament race. Strength is a survival program, not only in case of war but in any form of emergencies." If persons missing the first lesson Tuesday night wish to start the course they may enroll for the second session before or at tonight's meeting. Judge Reeves will instruct at all meetings and will be assisted at each one by Miller. Closing the meeting the instructors told the audience that the individual must be capable in the event of emergencies of caring for himself and his family, and of contributing to the organized community effort. The family must be trained and prepared to solve its own emergency problems as well as assisting others in need.

SALES TAX
(Continued from page 1)
The money—about \$320 million of the estimated total, \$360 million for the next two years. Exemptions are specified for some kinds of consumer goods such as food, clothing, and agricultural products. There are scores of exceptions, exemptions and special rulings already growing out of the law. The comptroller this week said experience in states which have had the sales tax since 1933 indicate that there will be rulings years hence. A few of the many exemptions and exceptions which seem to be clear and given here:

Specified as exempt are cereal milk, oleomargarine, meat, poultry, fish, egg, vegetable, fruit, spice, sugar, coffee, tea, and cocoa products.

Specified as not exempt are "Water, including mineral bottled water, carbonated water, and carbonated and noncarbonated packaged soft drinks and diluted juices where sold in liquid, frozen, or dry-mix forms; and ice and candy." In other words, soft drinks, fruit juices, ice and candy will be taxed.

Restaurant Meals Taxed
Restaurant meals are also taxed, with two exemptions. Meals including and drinks served to inmates of hospitals, and other institutions

Enrollment In Schools At New High
Enrollment in Floydada Schools is at an all time high according to figures on the second day of school from Superintendent of Schools, I. T. Graves. High School enrollment is up from 343 to 356 over last year and had an enrollment last year at this time of 296. Andrews Ward increased their enrollment by 37 students over last year having a total of 649 this semester. Della Plain registered 219 students with 221 registering last year. This total, however, is increased in number due to the fact students are attending only from Floydada and Silverton. Last year the total number included these two cities and Petersburg.

EXHIBIT
(Continued from page 1)
There will be a tractor driving contest at 2:30 and the Big Talent Show at 7:30 with prizes to be given. On Friday starting at 9 a. m. the swine judging will take place: sheep, 10 a. m.; beef, 11 a. m. From 10 o'clock until 11 o'clock winners of the women department will be interviewed over a special radio program. At 2:30 the ladies day program will be presented. Clubs will participate by demonstrations and entertainment. That evening (Friday) starting at 7:30 the big gospel sing-song will be held. Singers are expected from a wide area and the audience will be invited to sing a number of quartets, duets, and organ players are expected to be present. At 9:30 there will be a fire works display on the fair grounds. The last day of the Fair is expected to bring large numbers to see the quarter-horse show at 9 a. m. This is another first for Floyd County. There will be two divisions, Halter and Performance, with prizes to be given in each. Beef judging will be at 10 a. m. Starting in the afternoon will be the Fiddler's Jamboree. Players will entertain throughout this time followed by the contest at 7:30.

Jimmy Oden Choose Academy At Valley Forge For School
Jimmy Oden, son of Mr. and Mrs. Conner Oden, will attend Valley Forge Military Academy at Wayne, Pa., this school year. Gaining parental permission to attend the far-away from home school, Jimmy left by plane Saturday to spend a few days in New York City with his sister Marjorie before going to the academy to begin the school year. Jimmy would have been a freshman in Floydada High this year, had he not chosen to enter a military school. The town of Wayne is 10 miles northwest of Philadelphia on the Pennsylvania Railway. It is a residential community principally with some iron and pottery manufacture.

Rural School Teachers Named
Floyd County's four common school districts will have a combined force of 12 teachers this year. They are as follows: Teachers at Providence are Gerald Dingus, principal and teacher, Mr. Dingus and Mrs. Reba Rice. South Plains: J. M. Williams principal and teacher. Mrs. C. E. Purnell, Mrs. Sammie Jo Pierce and Mrs. Joe McClendon. Dougherty: E. D. Wilmeth principal and teacher. Mrs. Wilmeth and Miss Mary Slover. Lakeview, Mr. and Mrs. M. M. Scheffeld.

County Okeys Wheat Quotas
Three hundred and seventy Floyd County wheat growers took part in last Thursday's referendum on wheat marketing quotas and voted 233 to 87 to go along with the program. More than two-thirds of the wheat growers in the nation voted to approve the USDA plan, the ratio being about the same in the rest of the nation as in this county. The Texas vote was 13,002 for, 3,507 against. Monday the ASC committee in their weekly meeting were wrestling with some of the problems incident to this program, the barley program, and others apparently upcoming. According to the regulations farmers who could plant 15 acres without an allotment are reduced for 1962 to 13.5 acres, and if the farm had no wheat planted in 1959, 1960 and 1961, the farm will not be eligible for wheat in 1962. A similar rule has been issued by the department, which the ASC will be called upon to enforce relative to barley. In this instance growers who planted no wheat in 1959 and 1960 will not have a barley base for 1962.

Calvary Church Has New Pastor Rev. Holster
Rev. A. J. Holster has accepted the pastorage of the Bible Baptist Church and has moved to his family here, having taken up residence at 213 North 4th Street. Rev. Under the new Texas "Blue Law," shopping for certain items on Saturday or Sunday may prove a chore.

The law that started out as a device to hit the discount houses operating on Sunday was changed to include Saturday as an alternate because the lawmakers felt a straight Sunday closing law might appear discriminatory to some religious groups who observe the Sabbath on other days.

Included in the list of items the new merchants are not allowed to sell on one of the two weekend days are lawn mowers, toys, motor vehicles, clothing, furniture, kitchen utensils, air conditioners and home appliances, jewelry, cameras, radios and television sets.

The law has teeth — a fine of \$100 is provided for the first conviction, going up to \$500 and six months in jail for subsequent convictions.

Chairman E. B. Germany told the commission, "It is a challenge to make that \$100,000 do what it is supposed to do even though it is not enough to do what we want to do."

Executive Director Walter Dickerson reported 3,000 copies of a brochure entitled "Texas: A Strategic Location" have been printed. Brochure will be distributed to a "very carefully selected group of people who have responsibility for making decisions," says Dickerson.

He appealed to Texas cities to contribute information for the commission's industrial surveys. Such information would be kept on file for the use of industrialists considering Texas sites. This would make it possible for industrialists to choose an area without it being known in advance.

RURAL ELECTRIC LEADERS have elected these three to head up the statewide Texas Electric Cooperatives, Inc., for the next year. They are (left to right) G. R. Schumann of Belleville, vice-president; Carroll Land of San Angelo, president; and J. W. Coppedge of Memphis (Texas), secretary-treasurer. All three have served on the statewide board of directors for the past year. They were elected to the officers' positions at TEC's Twenty-First Annual Meeting in San Antonio last week (August 17-19). Some 650 rural electric leaders registered for the meeting.

BLUE LAW CONFUSION

SELLING TEXAS IS BIG JOB
The State Industrial Commission, given \$100,000 by the Legislature and charged with the duty of selling Texas as the place for industries to locate, faces a challenge.

ATHLETICS NOT SELF-SUPPORTING — State college and university athletic programs, with few exceptions, are not self-supporting, says State Auditor C. H. Cavness.

He made the statement in connection with a report on the operations of Sul Ross State College at Alpine where the athletic program showed a \$26,357 loss for the year. Income was \$56,245, while expenditures amounted to \$80,136.

Cavness noted that athletic scholarships and coaching salaries have been paid from educational and general funds.

HIKED TRAIN FARES ASKED — On September 6 the Texas Railroad Commission will consider the request for increased passenger rail coach fares of five railway companies operating in Texas.

Noxious Weed Control Work Is Increasing

More bindweed has been treated through July of this year than has been treated during the same period of any year since the Floyd County Noxious Weed Control District began operating. During the months of June and July the District has treated 77 acres of bindweed on 41 separate farms; 3 1/2 miles of highway; 18 mi. county road. Seventy-four acres of blueweed, bur ragweed, bindweed, and annual weeds were sprayed with 2, 4-D on farm and pasture land.

Two other stages-of-growth tests on bur ragweed and annual weeds were made during this time by Dr. Wise and Douglas Dege. The results of these tests thus far look very promising. Farmers in Floyd County are getting concerned with the rapid spread of bur ragweed and the 74 acres treated with 2, 4-D was bur ragweed.

Much grain sorghum has been sprayed with 2, 4-D for control of annual weeds, in the past two months. Extreme caution should be used in applying this herbicide. The following instructions should be followed for best weed kill and the least amount of damage to the sorghum and possible danger of drift on other crops.

Spray sorghum when it is at its most tolerant stage which is 6 to 10 inch growth. Use no more than 10-15 gallons per acre at a pressure of 20 pounds per square inch. Make Monday where they spent the sure that pressure gauge is one day with their sister, Mrs. Sims of low range and accurate.

When spraying near sensitive crops such as cotton, beans, and most vegetables, make sure that the wind is blowing away from the crops and at a rate of less than 10 MPH.

The best kill on weeds can be obtained when applied to young chard at the rate of 1-3 lb. per acre. If 2, 4-D is applied to grain sorghum when it is at its most tolerant stage, growth most weeds will not be too mature for good kills.

THE ASSUMPTION OF MARY

One prominent church has announced a new dogma, that Mary the mother of Jesus, arose from the dead on the third day and ascended to heaven. In considering this dogma, let us notice a few Bible facts.

When Jesus was on the cross He spoke to His mother and to John saying, "Woman, behold thy son," and to John, "Behold thy mother." "And from that hour the disciple (John) took her unto his own home" (John 19:26-27).

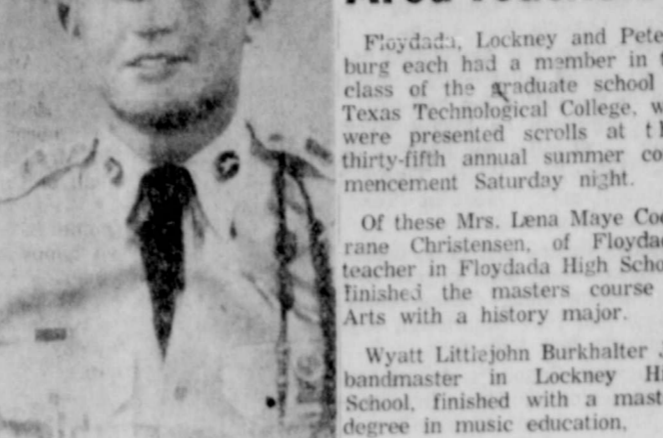

As an apostle, John had the promise from his Master that the Holy Spirit "shall teach you all things, and bring to your remembrance all that I said unto you" (John 14:26). In addition to remembering all things, he was inspired as an old man to write about "things which must shortly come to pass" (Rev. 1:1). John wrote five books, the gospel of John, John I, II, III, and the Revelation letter. We look therefore, with great interest to the inspired writings of John, the one who was entrusted with the care of Mary for the rest of her life.

What did John write about Mary? — about her "perpetual virginity"? — about her being called "the Mother of God"? — about her miracles? — about anyone bowing down before her? — about anyone praying to or through her? What did he write about "the resurrection of Mary"? What did he write about any of these things? John, who was inspired to "remember all things" wrote nothing about these things that some today hold to be of such importance. Why were all of the other inspired writers of the New Testament equally silent? The simple answer is, Christ and the Holy Spirit never taught any such doctrines. These doctrines were built up over the centuries by men until Mary has become in the minds of many, a divinity.

Jesus loved and honored His mother but He did not regard her as superhuman. Jesus foretold His own resurrection on the third day, but He did not foretell Mary's resurrection. What is the scriptural attitude to take toward Mary? This is answered in Matt. 12:47-50 where Jesus said, "Who is my mother? and who are my brethren? For whosoever shall do the will of my Father who is in heaven, he is my brother, and sister and mother." Let us honor Mary. Let us follow the teaching of Jesus and honor also as we would His mother, every faithful Christian woman. Those who exalt Mary above and beyond the teachings of Jesus are not doing the Father's will. They are not honoring Mary in the way that would please her Son.

Paul warned (Galatians 1:6-9) against preaching anything different from the gospel he had already preached—and he did not preach the assumption of Mary. Jesus said that the teaching of men's doctrines made worship vain (Matt. 15:9). Let us hold fast to New Testament teaching and refuse new dogmas.

Tech Graduate List Includes Area Teachers

Floydada, Lockney and Petersburg each had a member in the class of the graduate school at Texas Technological College, who were presented scrolls at the thirty-fifth annual summer commencement Saturday night.

Of these Mrs. Lena Maye Cochran Christensen, of Floydada, teacher in Floydada High School, finished the masters course in Arts with a history major.

Wyatt Littlejohn Burkhalter Jr., bandmaster in Lockney High School, finished with a masters degree in music education.

And Lee Chester Purvis, superintendent of the Petersburg schools, was awarded an education doctorate.

Dr. Purvis' dissertation was on effective school board-superintendent relationships, and Mrs. Christensen's had for her thesis "Padre Martinez: New Mexican Champion of Defiance, 1793-1867." Other graduates of Tech in this area honored Saturday night included:

Anne McNeill Smith, Floydada, bachelor of science in elementary education, James Ross Alexander, Silverton, bachelor of science in mathematics, Beverly Joanne Darsey, Matador, bachelor of arts, English major, Hubert Dale Hawley, Dickens, bachelor of arts, journalism major, Jack Benny Redman, Petersburg, bachelor of arts, mathematics major, Jimmy Scott Whitfill, Silverton, bachelor of arts, mathematics major, James Edward Fowler, Crosbyton, bachelor of science in petroleum engineering, and Ruby Pegram Thomas, Petersburg, bachelor of science in home economics education.

Mrs. Christensen's Thesis

Research for Mrs. Christensen's thesis was done over a period of three years, and includes work at Sante Fe, Taos, Las Vegas, Albuquerque, N. Mex., Topeka, Kas., Kansas U., Lawrence Kas. George, who is a senior in High School, resumed his studies Monday.

Mr. and Mrs. Bob Reeves and children and Mr. and Mrs. John Green returned home Thursday from a two weeks vacation spent in California. While away from their Floydada homes they were houseguests of Mr. and Mrs. Green's son and Mrs. Reeves' brother, Jimmy Green and his family at Bakersfield, a brother of John Green, Doc Green and family at Morrow Bay, and Mrs. Reeves' son, Tommy Sharp and his family of Pasadena.

Preston Badgett and his family have returned from a recent vacation spent at Red River, N. Mex.

Here's the Classic Ford Look at the lowest Ford price. Ford Fairlane equipped the way most people like it is the lowest priced,* full-sized 6-passenger car of all... though you'd never guess it by looking. But more important still, is the engineering inside. Here are new achievement, new precision, new standards of quality. Here's a car that is built to be more service-free, and the savings mount up as you drive (the box at right shows you how).

Altogether, the '61 Ford is so good that its dealers tripled the duration of the regular warranty.† Other cars followed. But Ford began the trend with the car built to back up its longer-term warranty! See why we say, this is the Ford in your future!

HERE'S HOW THE '61 FORD SAVES BECAUSE IT'S BEAUTIFULLY BUILT TO BE MORE SERVICE-FREE!

- Saves on Lubrication—You'll normally go 30,000 miles between lubrications of major chassis components, which saves you time and money, because Ford has replaced conventional grease fittings with a sealed-lubrication system.
- Saves on Oil Changes—You'll go 4,000 miles between oil changes because Ford's Full-Flow oil filter gives you filtration through fibers, and filters all the oil all the time.
- Saves on Brake Adjustments—New Truck Size brakes adjust themselves automatically.
- Saves with Extended Muffler Life—Ford mufflers are double-wrapped and aluminized to last three times as long as ordinary mufflers.
- Saves with Protective Body Coating—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath the doors.
- Saves with Special Body Finish—Ford's new Diamond Lustre Enamel never needs waxing.
- Saves with Extended Warranty—Each part of '61 Ford, except tires, is dealer warranted against defects in materials or workmanship for 12 months or 12,000 miles, whichever comes first. Owners remain responsible for normal maintenance service and routine replacement of maintenance items such as filters and ignition parts.

Whirlwinds Try Tough Spur Bulldogs In Season Opener

A vicious bunch of Spur Bulldogs team and Ralls fans say dogs are due to invade Western that Spur really hits hard. Field on Friday night September 1 to usher in the 1961 football season. The game will be reeled off under the lights of Western Field starting promptly at 8:00 p. m. Admission prices are set at 50 cents for students and \$1.25 for adults.

The Bulldogs are working out under a new head coach this year and the game here with Floydada will be his first outing in this position. Coach John Poin-dexter did not inherit a lot of experience when he took over the Bulldog team. He started the season with some 34 boys counting the freshmen and had but four starters and three other let-terners from the 1960 squad.

The Bulldog roster carries some 23 team members for the travel-ling squad and eight of these are freshmen leaving only 15 upper classmen with previous game ex-perience.

Little But Loud
Though some of the 'Dogs are small and light, early reports say they don't have much bark but have plenty of bite. Their offense it is believed will be straight T with some inside slot formations. Fullback Ray Don Thompson a 175 pound senior is known to be a hard runner and good line back-er. Quarterback Richard Walker has been throwing well and has several good receivers.

The Bulldogs in scrimmage ses-sions have given a good account of themselves against a heavier grad-uation.

A LOOK AT DISTRICT 2-AA FOOTBALL PROSPECTS FOR 61

In mid-August a daily news story carried a district 2AA ra-tion based on a poll taken of dis-trict coaches. This story put the Floydada Whirlwinds in first place with 23 points, Muleshoe was second with 22, Abernathy had 16, Lockney 15, Morton 8 and Olton 7.

With this as a starter it ap-pears that the 'Winds and their coaches are the team to beat for the district crown. This situation may not be based on too much fact, but it is one the other dis-trict coaches enjoy and we be-lieve that the Floydada fans and players like the favorites role.

At any rate it gives the boys something to shoot at and is bet-ter than telling them they will be in last place when the chips are counted.

The Whirlwind winning spirit, however, seems to carry more weight than does the roster of players and about three offensive starters and about three positions will be filled by regulars in the defensive platoon.

Muleshoe Looks Strong
The Muleshoe Mules return some 20 lettermen that were on their roster when they visited Floydada last October, plus their entire 1960 Freshman team. In-cluded in this list are eight that were regular starters in that game which the 'Winds barely pulled from the fire by the skin

of the teeth. This year Floydada must play in the Mules' home corral and counting experience and last year's game score could only lead to one conclusion.

Abernathy has six regulars from last year and a total of 11 lettermen returning. They are planning on improving their last year's record but they did grad-uate 13 seniors that played a lot of football and cannot figure to be too much stronger than in 1960.

Lockney Longhorns' roster in the Floydada game last year carried names of 30 boys. Of these 22 were due to return and it would seem the Longhorns would be on the prowl again. Among the boys lost, however, were eight pretty solid regulars including some of the team's main stars.

If newcomers come through they will be tough.

Morton lost 10 seniors from squad of 23 that finished in the cellar. The Indians will have im-proved backfield.

Olton lost 11 seniors from team of 20 that won bi-district. The graduates included most of the regular shock troops.

Reception Fetes Bride-Elect Friday Evening

Miss Tiny Copeland, bride-elect of Gene Lowrance, was named honoree at a prenuptial courtship extended Friday evening between the hours of 8 and 9:30 in the home of Mrs. Tom Porter.

Mrs. Porter was at the door and presented guests to the future bride, her mother, Mrs. H. A. Copeland, the prospective bridegroom, and his mother, Mrs. O. L. Lowrance.

Mrs. Thomas Parks was at the register where a candlelight crescent with yellow dahlias and a figurine of a bridal couple, complemented the table.

A lace cloth over pink covered the dining table which held a white bird cage containing two swinging love birds as a centerpiece circled with yellow and pink glads. This was flanked by crystal and silver appointments. Snowball cakes, colored punch and napkins were used to carry out the rainbow colors selected by the honoree. Mrs. Al Galloway and Mrs. Milton Jetton, the latter of Plainview, were at the table.

Mrs. John Shipley was in the

gift room. Hostesses for the occasion were Mmes. Thomas Parks, George L. Smith, Al Galloway, Milton Jetton, Harvey Tardy, Ernest Lee Thomas, Kellar Holmes, A. L. Holmes Sr., John Shipley, and Tom Porter.

Shower Given For Newly-Weds

Mr. and Mrs. Pete Johnson were honored Saturday afternoon with a miscellaneous shower in the home of Mrs. Menard Field. Hostesses for the occasion were women of the City Park Church of Christ.

The honored couple, his mother, Mrs. Zela Johnson and Mrs. Field greeted guests.

Mrs. Field and Mrs. Tom Porter were at the table serving colored punch and cake. The table was laid with a white cut-work cloth centered with an arrangement of pink and yellow glads in a crystal container.

Out of town guests present for the informal affair included Mrs. Ebbah Leatherman and Miss Nedda Leatherman of Plainview, and Mrs. Junior Johnson of South Plains.

The honored couple were married recently in Abilene. She is the former Mary Brown of that city. They are making their home in Floydada. The bridegroom is employed by Ode Chevrolet.

Mr. and Mrs. J. Mose Simpson returned home Friday from an extended visit in New Mexico where they visited relatives. They were houseguests of two sons, Richard Simpson and Virgil Simpson both at Los Alamos.

Miss Ann Word wed Saturday, now Mrs. Charles Carr.

Couple Wed In Methodist Church Ceremony Saturday

Yellow chrysanthemums and lighted tapers formed the wedding scene for the marriage of Miss Ann Word to Charles Mather Carr in the First Methodist Church Saturday evening. The Rev. Charles Lutrick, pastor, officiated at the double-ring ceremony.

The bridal couple's parents are Mr. and Mrs. James H. Word of Floydada, and Mr. and Mrs. Wesley Carr of Harmony.

The bride was given in marriage by her father. She wore a gown of cloud white peau-de-soie fashioned with a portrait neckline edged and re-embroidered with Alencon lace and seed pearls. The bodice was complemented by long tapering sleeves. A natural waistline extended into a voluminous petal skirt which fell into a brief chapel train. She wore a veil of French silk illusion caught to a tiara of chrysalized seed pearls, and carried sweet heart roses arranged on a white ivory fan which belonged to her late great grandmother, Mrs. W. E. Hogue. The bride complemented her attire with a single strand of pearls.

Mary Word attended her sister as maid of honor. Bridesmaids were Beth Word, sister of the bride, Janice Justice, Cisco, and Stephanie Burbridge. Houston, college classmates of the bride, Kelly Cousins, Corpus Christi, cousin of the bride, was junior bridesmaid.

Each was gowned identically wearing electric blue silk organza ensembles styled with round necklines and brief sleeves. They each carried a single yellow chrysanthemum and wore short white gloves.

Miss Sharon Edmiston was organist and accompanied Miss Janet Boren as she sang, "Because" and "The Wedding Prayer".

Bill Carr of Floydada served his brother as best man. Groomsmen were Larry Sullivan, Midland; Brent Lassiter, Gorman; and Gene Brice, Post. Ushers were Leon Williams, Floydada, Jerry Jones, Abilene, and Steve Trowbridge, Petersburg.

A reception in the Colonial House honoring the newlyweds followed the wedding ceremony. On the bridal table were crystal and silver appointments, centered with a wedding ring cake.

After a trip to New Mexico the couple will make their home in Lubbock where both will attend Texas Tech. For travel Mrs. Carr selected a beige silk suit with brown accessories and a corsage of yellow sweetheart roses. She is a graduate of Floydada High School and attended McMurry College. Her husband is also a Floydada graduate and attended McMurry and Texas Tech.

Center News

By Mrs. J. E. Green
CENTER, August 28 — Crops especially dry land, could do with a good rain. These August afternoons are hot, but nights cool.

We had 128 in Sunday School at Calvary Baptist Church Sunday and more for church services. This is the first service in the beautiful enlarged sanctuary. In the absence of Brother Zinn pastor, the services were led by two members of the "Word on the Wing" Quartette, Mr. Biffie who spoke and Mr. Jones, chalk artist, both of Lubbock. We enjoy having these talented laymen. They were Sunday dinner guests of Mr. and Mrs. Gotcher.

Mr. and Mrs. H. B. Mankins returned home from several days visit in Amarillo where they were guests of her daughter and husband, Mr. and Mrs. Grady McCada. They also saw their grandsons Bobby and Jimmy and their families.

J. A. Goen, City, dined Sunday with his daughter and husband, Mr. and Mrs. Charles Fulkerson. The Fulkersons were in Plainview last Wednesday and in Lubbock Thursday.

School started today, Monday in Floydada. Mrs. John Carey who spoke and Mrs. J. D. Welborn will help in the cafeteria at Andrews Ward and Mrs. Hal Thomas will again teach third grade.

The J. E. Greens visited the D. I. Boldings Tuesday evening

Officers Of PTA Attend Workshop

Mrs. Sammy Hale, president of the local PTA, accompanied by Mrs. Gene Collins Jr., was in Plainview last Wednesday where they attended a workshop for club presidents and vice presidents.

Policies and objectives of the Parent - Teachers organization were discussed.

Mrs. Marvin Armstrong, 14th District president, urged all to have the PTA leadership course and a parliamentary procedure course, as these could be very helpful to officers in PTA.

The Plainview City Council will sponsor the PTA leadership training course September 7, from 9 a. m. until 2 p. m. at the High School.

Other important dates mentioned were the District Workshop, Olton, Oct. 24; State Convention, Houston, Nov. 29 - Dec. 1; District Convention, Brownfield, April 3, 1962.

and Friday evening. Sunday guests of the Boldings were their daughter and husband, Mr. and Mrs. Grady Edelman, of Muleshoe, and their granddaughter and family, the Charles Collums, of Post.

The Greens called Monday on Mrs. Charley Battey who has been ill. All three visited the doctors office hoping to ward off or check impending indispositions.

Golden Wedding Anniversary

Mr. and Mrs. H. B. Mankins, who will celebrate their golden wedding anniversary on Sunday, September 3 in the Community Room of the First National Bank, invite friends and neighbors to call from 3 to 5 o'clock Sunday afternoon. Congratulations good neighbors. May you have many more anniversaries.

Nomination of Officers

On Thursday evening, August 24, the nominating committee for the Calvary Baptist W. M. U. met at the home of Mrs. Travis Corley. The meeting was opened with prayer. Those accepting offices in the organization were Mrs. Bud Warren, president, Mrs. George Wexler, vice president and secretary - treasurer, Mrs. Dolores Cannon, G. A. and Sunbeam Director, Mrs. Wade Warren, enlistment chairman

Mrs. Doc Jones, Bible study chairman, Mrs. Travis Corley mission study chairman, Mrs. Mabel Epperson, prayer chairman, Miss Alma Ruth Nelson, stewardship chairman and Mrs. J. E. Green, community mis-

sions and publications. All women of the church are potential members and we urge each to come and become an active part. The W. M. U. meets at the church on Thursday evening each week at 7:30. Come

and enjoy the study. P. S. If you need help with community HESPERIAN SAVE TIME

DINNER FOR 8 MEANS DISHES FOR 8
UNLESS... YOU CAN WASH AND
DRY THEM ELECTRICALLY FOR 2¹/₂C

Nothing can ruin an otherwise successful evening more completely than the thought of washing a kitchenful of dirty dishes by hand.

Resolve NOW never to hand wash another dish. The electricity to do the job for you costs only 2¹/₂c for a full washer load. Relax more, spend more time with your family and live better... electrically. See your local appliance dealer about a new model electric dishwasher for your home.

While at your dealer's see the new electric ranges and water heaters.

MISS DORTHLYN TOLIVER

"I like my dishwasher best of all"

says Mrs. Paul Toliver, 1201 Xenia, Plainview, Tex

Mrs. Toliver moved into a new Medallion Home almost a year ago and while she appreciates all her electric appliances, she most likes her electric dishwasher. "I have fingernails for the first time in years," she says. This is her way of pointing out that since strong detergents never touch her hands, her nails stay pretty. "I just push the button

and the dishes wash while I'm out," she says. "Mother washes everything in her dishwasher - pots, pans, dishes... even silverware, fine crystal - all come out sparkling clean. You can guess how much I like it, being a teenager," says Dorthlyn, the Toliver's daughter.
