MAKES USE OF COTTON—Sign on this bale of 1961 cotton reads "This Bale of Cotton Wrapped in New Cotton Bagging." The bale is being displayed on the southwest corner of the square. L. Fulton, manager of Farmers Cooperative Gins is shown with the new bale and says some 300,000 bales of cotton could be used in this manner each year if the industry would change from jute bagging used in the past. Right-Of-Way Awards Made In Six Cases

Awards of special commissions for six pieces of property to be used in widening Highway 70 between Floydada and the Hale county line, were announced Friday after two days of hearings in the county court room, with values set by the commissioners agreeing with those of the state and county appraisers in only one case.

The commissioners agreed with the state's appraisers on the J. M. Tye property in the southeast suburbs of Lockney, where Tye owns and operates an improvement business. The state man appraised the property to be taken here at \$3,150. The commission left this figure unchanged in their award.

On the Adeline Fry property at Aiken where the right-of-way view was taken that "a nuclear takes out a triangular piece of ground improved with a service station and cafe, the award was \$11,700, which is \$20 more than the state appraiser allowed.

On the Robert Muncy property at Muncy, the award of the commission was \$8,300, which was \$1,250 above the figures of the state appraiser.

J. B. Seale for the property to be taken at the Seale Drive-In west of Lockney five miles the commission agreed on a figure of \$10,000, whereas the state appraiser had put the value at \$2,700.

T. L. Griffith for farm land to be taken was awarded \$1,400 by the commission, which was \$350 more above the state appraisal, and Baylor Byars east of Aiken for farm land was awarded \$2,545, which was \$675 above the state appraiser's figure.

Findings reported by the commission may be appealed within 20 days from Sept. 22, the date the hearing closed.

Special commission was composed of Roy Hale, R. H. Ford and P. R. Sissney.

26 Called Up For Pre-Army Examinations

Twenty-six young men, registrants for military service under the Selective Service Act from Hale, Floyd, Swisher and Motley Counties, are being called up for physical examinations on the 9th of October.

In the list are seven from Floyd County, one from Motley, three from Swisher, and 13 from Hale. They are as follows, according to a list made public by Local Board No. 45 of Texas: William Darvell Chandler, Swisher county; Cecil Walters, Hale county; John Franklin D. R. Robinson, Hale county; Johnny D. Samuels, Floyd county; Jerry Neal Dixon, Hale county; Julius Sims, Jr., Hale County; Jerald LaWayne Flowler, Hale county; Lawrence McCullough, Floyd county; Frank Harris Haston, Hale county; Ronald Ray Donelson, Hale county; Billy David Orman, Floyd county; Ralph Wesley Mitchell, Hale county; Jerry T. Bloxom, Hale county; Billy Joe Estep, Floyd county; Ronald Earl Loter, Hale county; Bobby Dean Mills, Floyd county; Jerry Calvin Edmonson, Hale county; James Alton Higginbotham, Floyd county; Wesley Paul Hill, Hale county; Shelby Laroy Jackson, Motley county; William Darrell Reno, Hale county; Dale Littleton Perkins, Floyd county; Robert Lee Hamilton, Hale county; Frank Henry Barbican, Jr., Hale county; Jiles Truman Dunahoo, Swisher county; Donald Roy Lee, Swisher county.

Hereford Man Succeeds Hardin

Bill McCraver of Hereford, has moved with his family to Lockney where he recently accepted the position of Floyd County Deputy Sheriff. McCraver replaces the late Ray Hardin.

Tommy Brock to Report With 49th at Camp Polk

Tommy Brock, son of Emma Brock Floydada, a student at Sul Ross and a member of the National Guard, 49th Armored Unit, has been called to active duty. He will report October 15 to Camp Polk, La.

Civil defense meetings which have been held in Floydada and other communities over the county have begun to result in some fall out shelter building.

A reporter for The Hesperian went out to ask around, found some interested and active in doing something about it, found others disinterested and still others of the belief that if an A-bomb hit close enough it would be the end of the chapter and no need to make any prior arrangements.

Many residences already having cellars are being converted into bomb and cyclone shelters at a minimum of cost for the owners. Some are having the protective walls put in while others are leaving the cellar as is while stocking it with "Fall out" necessities.

"We have no plans to build a shelter" said one home owner. Another said "It is too expensive," another "what do we need one for?"

Some Pro; Some Con

One woman said their family felt a protective fall out shelter cannot be too expensive if it means saving the lives of the family. In another quarter the view was taken that "a nuclear blast will never occur or if it does it will kill you anyhow, regardless." In other words, reactions are about the same as in the world over. Some are pro and some are contrary.

More shelters are in the talking stages at present time. But others are going ahead with plans. In South Plains where a civil defense class ended last week several shelters are being built and others have their plans and are waiting until the contractor gets to them.

Just to mention a few in that area who are in the process of building are the S. D. Kinniburgh and the L. T. Woods. Those who have cellars already built, are making required additions and stocking same with food, clothing, water, first aid supplies and other necessities.

The Kinniburgh family are building a basement fall out shelter over which a new home will be erected as soon as possible. The inside shelter will be 12 by 20 feet and fully equipped to supply the family for a two week period or longer.

Several in the Sand Hill community are also building. The Gene Bloys family are completing a new home and under it is also a fall out basement. Some others in that area are in the planning stage at present.

At Lakeview the O. D. Williams family are completing their basement for fall out protection and the Milton Harrison and L. W. Johnsons are in the process of having underground shelters built.

An Elaborate Lay Out

One shelter in particular which is nearing completion is on the Tom Fortenberry farm at Cedar Hill. It is 11 feet deep, 12 by 20 feet, with 4 inch walls, six inch roof with reinforced steel and three inches of dirt on top. It will be equipped with filtered vents and blowers to circulate the air. It also is wired for electricity and battery operated.

Here in the city, several underground shelters are being dug and some families with cellars already have stocked supplies to civil defense specifications.

Mrs. E. J. Morehead is studying how best to fix the basement under the Commercial Hotel for the protection of her family and her customers in case of a nuclear fall out.

Most of the lumber yards contacted here have plans for underground shelters and these plans may be seen by persons interested.

OPEN HOUSE will be held Sunday at McCoy Grain Storage Incorporated plant at Boothe Spur, seven miles east of Floydada. Shown at left is the new grain dryer, dump, two new storage tanks and the grain handling leg. These facilities along with 70 by 200 foot steel building will give the firm an added 340,000 bushels of storage. At right is Bobby Britton the office manager for the firm. Gins And Elevators Make Ready For Big Harvest Season at Hand

Cotton and grain men of the county are busy as they put the finishing touches to their equipment in preparation for a record crop harvest. Already some milc and early cotton is finding its way to gins and elevators but this is only a drop in the bucket to what will be moving soon.

New Gin at Dougherty

R. D. Holly at Dougherty has just built a new gin plant to replace the one that has been in use there. The new all steel building is 44 by 82 with 24 ft. roof peaks. Inside is all electric equipment with individual motors and controls on each unit.

Darty Gin is outfitted through out with Continental equipment 4 - 90 saw stands, four of the latest feeders, two combination cleaner-dryers and one additional dryer, twin burr machines, automatic suction control, twin lint cleaners, new pneumatic press feed.

The new gin represents an expenditure of \$125,000. Office, scale and the like are about all that are the same as that used to serve customers a year ago.

Got First Bale Sept. 20

Darty Gin got a first bale on September 20. H. A. Drysdale was grower and it came from the O. G. Glassmoyer place. Holly said old time residents at Dougherty predict this will be the best cotton crop in the history of the community with irrigated crops pegged at 1 1/2 to 2 bales per acre and dry land at 3-4 in a bale.

Open House at Baker Plant

McCoy Grain Storage, Incorporated, will hold open house on Sunday at their new grain storage plant at Boothe Spur in the Baker community seven miles east of Floydada. Things have

Big Anniversary Party Announced

About the biggest anniversary party had in Floydada in a long time has been announced by Oden Chevrolet Co., for tomorrow evening and Saturday of this week.

Conner Oden took over the only, there will be special silver management and ownership of the Chevrolet agency when the day evening to finish out the 1937 Chevrolet was being introduced in the fall of 1936. That was 25 years ago, and makes the observance take on the form of a silver anniversary.

During the month and again this week-end the company has gone silver in a big way. Among other things all the payrolls of the month have been paid in silver dollars. As a result silver dollars have been more in evidence in Floydada trade circles than in many a year. At one time in local business affairs the silver dollar was the emblem of solid trade and the Dollar Bill was a "Jew Flag," viewed with some disfavor.

Oden has introduced every model since that fall of 1936. For a driver education car to Floydada High School every year but 1943, 1944, and 1945, there were no model changes.

Of the present personnel in the Oden Chevrolet and were furnished as a public service.

A number of young drivers have been taught to drive safely, have received their drivers licenses and fathers of young men in this program received 10 per cent credit on their insurance as a result of driver education.

Also Oden Chevrolet has furnished the school FFA department with a pick-up many years. This service, too, has been free for the most part.

Seen A Silver Dollar Lately? There are a lot of silver dollars floating around Floydada this month and if you have run across any you may be wondering where they came from. Well it was all a part of Oden's silver anniversary and just another way to point out this big event.

Well over \$5,000 of the company's money went into pay roll socks during the month of September... a considerable item in the community, economy.

CONNER ODEN CLINTON E. FYFFE

ODEN AND FYFFE have been active in the management of Oden Chevrolet Co. for 25 years. For years Fyffe was bookkeeper and office manager of the firm. In 1949 he became a partner in the business.

MRS. MANNING RETURNS HOME FROM HOSPITAL

Mrs. A. H. Manning, a patient in Peoples Hospital for the past three and one half months, was taken to her Floydada home last week and is reported doing nicely. Her brother, J. C. Cunningham of Hamilton County, came to Floydada to take his sister home and visited with her for a time before going back to Hico where he resides.

Mr. and Mrs. Terrell were married at Caddo Mills, Texas Wednesday, Sept. 27. The observance will be held Saturday because it is a more convenient date for all the family.

The children and their families who are expected to be here are: L. L. Terrell, A. K. Terrell, C. N. Terrell, Mrs. Audie Lee Bennett, and Mrs. J. W. Smith of Amarillo; Mrs. Tina Fae Fores of Bremerton, Wash.; Mrs. Coy Camp of Beaumont, Texas; Mrs. Alice Crier of Arlington, Texas; and the son who lives in Floydada, J. B. Terrell.

A new addition to the Falcon line for 1962 is this Falcon Squire, (top) a standard, four-door, six-passenger station wagon with simulated wood exterior trim that imparts a custom-crafted look. The Falcon Squire is a "dressed-up" luxury wagon with all the basic advantages of Falcon economy and maneuverability. With the second seat converted, the Squire boasts a big, flat and level cargo space of more than 76 cubic feet. The Deluxe Club Wagon (bottom) is one of three "family fun vehicles" being offered in Ford's Falcon line in 1962. The Deluxe Club Wagon is designed to carry eight passengers, or easily convert into a camping unit, a mobile home on wheels, or an all-around utility vehicle with 204 cubic feet of cargo space. The big double doors swing back to give a side opening of more than 49 inches. This wagon features a deluxe interior with a two-tone pleated vinyl trim scheme carried through seats, doors and side panels.

Grain," the reason for rice's growing success story is explained. The explanation, old and proven, is, simply, the power of suggestion.

A day does not pass in which the American housewife will fail to encounter a new and inviting way to prepare rice for her family. Newspaper food pages, magazines and television kitchen shows are constantly recommending rice to their audiences. Rice recipes by the thousands are out there, palatable only when heavily dosed with butter and sugar.

Added to the power of suggestion through promotion is the one of the most versatile of all economy of rice and its recognition by dietitians as a food that is delicious and capable of being good for anybody, what-ferer way, is a tribute to our rice industry and its promotional organization, the Rice Council of Market Development.

The Rice Council, located in Houston and serving the great Southern rice industry, is surprised if you find a 10-pound bag sitting in a woman's pantry at the grass roots level these days. And if you do, congratulate her; she's finally discovered rice.

Chapman-Payne Vows Said Saturday

Mr. and Mrs. Ted Chapman of Sterley, announce the marriage of their daughter, Ruth Ellen, to Donald Wayne Payne, son of Mr. and Mrs. Marvin Love of Floydada.

The couple exchanged vows in a simple ceremony performed by Judge J. D. McBrien in his office Saturday morning.

Carroll Sims served the bridegroom as best man, and Mrs. Mimi Chapman, the bride's sister-in-law, was her matron of honor.

The couple are making their home in Floydada where the bridegroom is employed at the Hesperian Publishing Co.

Mrs. Payne attended Lockney Schools and her husband was a student in Floydada Schools.

Mrs. Frank Straus of Dallas was here recently as houseguest of her sister and husband, Mr. and Mrs. J. H. Barnard. Accompanying Mrs. Straus to Floydada were friends of the family, Mrs. Jean Patten and Mrs. W. S. Montgomery, also of Dallas.

BLOODSHED AVOIDED Floydada Boy Clobbers Hero Of TV Screen, Dale Robertson

Six year old Kerry Kirk, son of Mr. and Mrs. David Kirk, may have the distinction of being the only youngster ever to clobber a movie and television star and get over to the restaurant they went away with it. Of course to him the star was just another person who was in the wrong place at the wrong time, but the mother after the embarrassment was over, felt it quite an honor to be in the right place at the right time.

The story goes something like this: Mr. and Mrs. Kirk and the children spent the weekend in Midland. On Monday morning Mr. Kirk left the Sands Motel where the family was staying for a nearby city on business, leaving Mrs. Kirk and the children in Midland.

Upon arising Mrs. Kirk and her children went to the Sands Motel Restaurant for breakfast where they were seated in a booth behind one containing three men. Kerry in a short time became restless so his mother gave him permission to replace the seat cushions on a shelf above the booth. Just as he had them placed they all bounced down upon the man seated behind them.

After much ado and apologies, Mrs. Kirk and the children went into an adjoining garden room where a waitress asked her, "Do you know who that man was?"

When Mrs. Kirk answered that he was vaguely familiar but that she did not know who he was, the waitress told her that he was Dale Robertson, star of "Wells Fargo".

Not being a western fan Mrs. Kirk said, "Oh," and more or less passed the incident off.

After Mr. Kirk arrived back at the room she told him of her ex-

LOST MOTION I'm having trouble with my new car," the owner said as he phoned the mechanic at the agency.

Rice sales have increased \$10,000,000 in the two-year period in which the Rice Council's program has spread nationally. This dollar increase resulted from larger physical volume of sales and was not due to any great shift in the retail price of packaged rice.

To substantiate this increase in rice retail sales, a study of movement through chain stores in various sections of the country showed rice volume increases of as much as 24 percent in one Midwestern grocery chain, and all chains studied showed gains.

In a recent booklet prepared for the information of rice growers supporting the Rice Council's work entitled "Growth of a brothers, M. J. and Bill McNeill of Floydada, Frank McNeill, Amarillo, and Fred McNeill Lewisville.

"Impossible," said the mechanic. "That car is controlled by one single knob which starts the car, steers it, turns on the lights and opens the doors. How could you possibly have trouble driving it?"

"Well," said the owner, "I lost the knob."

THANKS FOR THE MEMORY

A minister married a wealthy couple and after the ceremony instead of the customary payment, was presented with a pair of yellow kid gloves. He accepted them graciously and upon returning home tucked them away in a drawer. Years later, rummaging through the drawer he came upon the gloves. Absent-mindedly, he tried one on and discovered a \$10 bill neatly folded in each finger.

Stroke Proves Fatal To Mrs. John J. Reeves

A former resident of Floydada, Mrs. John J. Reeves, nee Winnie McNeill, died in Methodist Hospital Tuesday afternoon of complications following a series of strokes suffered during the past week and a half.

Mrs. Reeves was stricken on Saturday night, Sept. 16 while she was attending the annual McNeill Cousins reunion in Lubbock. She and her husband had traveled from their home in Portales that day and Mrs. Reeves had not complained of feeling ill prior to her attack.

She was admitted to the hospital in a critical condition and had not responded to treatment during her confinement. Two strokes followed within a few days time with death resulting shortly after 3 o'clock Tuesday.

Mrs. Reeves was born August 11, 1903, in Lewisville, Tex. After the death of her mother she came to Floyd County with her late father, J. S. McNeill. She and her husband were married in Floydada, Feb. 13, 1932 and made their home here following their marriage until some 12 years ago when they moved to Portales, N. Mex., to reside.

The deceased was an active member of the Baptist Church and was a member of the Order of Eastern Star.

Funeral rites are to be conducted this afternoon at 2 o'clock in the First Baptist Church in Floydada. The Rev. Stanley Unruh of Milan, N. Mex., will officiate, assisted by Rev. C. Paul Rich of the University Baptist Church in Portales.

Interment will be in Floydada Cemetery beside the grave of an infant son. Harmon-Funeral Home will be in charge of arrangements.

Survivors include the husband; one daughter, Mrs. Jerry L. Ralls of Anadarko, Okla.; two grandchildren, Jana and Joni Ralls; three sisters, Mrs. Mable Sims, Mrs. H. E. Porter and Miss Vernie McNeill all of Floydada; four

LOVE PAT

Worn out from housework and a mother's million other chores, a Milwaukee woman lay down on the sofa to catch forty winks. She felt one of her youngsters patting her face and drowsily enjoyed the child's affection. The doorbell rang. She hurried to the door and told the salesman she didn't want whatever he was selling. He looked at her so queerly when she told him, however, that she glanced at a mirror, on her way back to the sofa. Her face was thoroughly plastered with trading stamps!

Friday afternoon visitors with Mrs. Kelton Winegar were Mr. and Mrs. R. M. Spence of Floydada, Mrs. Alvie Rathel of Crosbyton, Mrs. W. H. Leatherwood Mr. and Mrs. T. E. Thornhill.

Mrs. D. D. Thornhill helped Mrs. Homer Smith shuck corn for the freezer Friday morning as did Mrs. Earnest Smith.

Mrs. E. O. Boyd of Crosbyton was a Friday morning caller of Mrs. T. E. Thornhill.

Word was received Tuesday night of last week that Hubert Wayne Wright of Albuquerque, N. Mex., had been killed in a truck crash. He was the son of the late Lonnie and Mrs. Wright of that city, and was a nephew of R. M. and C. O. Spence of Floydada and Mrs. J. B. Marley of our community.

Mr. and Mrs. Grady Evans of Crosbyton, Mr. and Mrs. John W. Stewart, Mr. and Mrs. Billy Cornelious enjoyed a chili supper with the Bill Bells in Spur Friday night of last week.

Mrs. D. D. and Mrs. T. E. Thornhill were Friday morning callers in the home of Mrs. Arvis Moore and we also gathered a lot of nice beans out of their patch. We are sorry to report that Robert L. son of Mr. and Mrs. Arvis Moore has been under the weather for more than two weeks. We surely hope he will soon be feeling fine again.

Bill McCray was a Saturday evening caller in the T. E. Thornhill home, the one could barely say a call as he only stayed a few minutes as he was going home from work.

Congratulations to Mr. and Mrs. Kenneth Sellars on the birth of a baby daughter Saturday morning September 23. The maternal grandparents are Mr. and Mrs. C. B. Leatherwood and the young lady has two sisters.

If you see Mr. or Mrs. D. D. Thornhill with their head in the clouds, think nothing of it as they also have a new granddaughter, little Miss Kelley Jo who was born Sunday September 24 in A. R. Marley and girls Brenda Turner home here.

The 1962 Mercury Comet retains its own distinctive identity but has significant styling changes this year. The Mercury name spans the front hood since the model of the compact becomes one of the entries in the complete Mercury line. Styling of the Comet for 1962 includes a completely new rear appearance, new grille and a full-length molding which sweeps low on the rear fender. A new Custom series increases the number of Comet sedan and station wagon models from five to nine.

1962 MERCURYS
best-looking buys...now in each size

FIRST SHOWING! THE NEW 1962 MERCURYS (COMPACT AND BIG)

MERCURY COMET
smartly ahead of the compact crowd

MERCURY MONTEREY
the best-looking buy for the big-car man

HIGHLIGHTS: COMPACT MERCURY COMET. Talk value and you're talking Mercury COMET. It's the compact with the extras that make the difference. Take beauty. This is the only compact with fine-car styling. You get extra room plus a smoother ride (up to 7.5-inch longer wheelbase than other compacts). Extra trunk space for as many as six extra suitcases. Extra savings on oil and upkeep. This year you can drive 6,000 miles between oil changes. A new type anti-freeze, anti-rust coolant lasts two years or 30,000 miles. Extra resale value, too (best record of any compact). The price? With or below most compacts.

HIGHLIGHTS: BIG, LUXURIOUS MERCURY MONTEREY. This is Mercury's finest car. The very top of the line. It is specially built for the big-car man—with those big extra values a man likes. More room than other cars near its price—for long legs and big families. An extra-long wheelbase (120") for that solid, luxury-car "feel." A smoother, quieter ride—the result of exclusive Cushion-Link Suspension. A wide engine choice—"6" or three V-8's. Plus the kind of savings that really cut upkeep. Routine service is needed only twice a year (at 6,000- to 30,000-mile intervals)! The price? Well within the popular-price range.

WIN A 1962 MERCURY AT OUR ANNOUNCEMENT SHOWING. 18 CARS GIVEN AWAY. 12,680 PRIZES IN ALL!

Seed Men From All Over U. S. Attend Paymaster Conference

Over 65 Seed Distributors from all parts of the United States and Mexico began arriving in Lubbock Tuesday for a two-day Seed Distributors' Conference hosted by Paymaster Seed Farms of Plainview, Dr. Harold Loden, General Manager of Paymaster Seed Farm reports.

Headquarters for the visitors and guests will be at Parkway Manor Motel in Lubbock.

A large group of news media representatives will attend the Conference and Field Trip to Paymaster Seed Farms. Loden said many seed and agricultural publication representatives and many agricultural editors from daily newspapers will be in attendance. Representatives from such nationally known publications as Seed World, Seedsmen's Digest, Progressive Farmer, and others have made reservations for the Conference.

S. M. McAshan, Jr., President, and Dupuy Bateman, Jr., Executive Vice President, of Anderson, Clayton & Co., from Houston will be in attendance.

No Price Increase Says Oldsmobile

LANSING: Factory list prices of the 1962 Oldsmobile F-85's, Dynamic 88's, Super 88's and 98's are not increased over the price of 1961 cars, comparably equipped, it was announced today by J. F. Wolfram, Oldsmobile general manager and vice president of General Motors.

"The 1962 Oldsmobiles, shown publicly at Oldsmobile dealers showrooms across the nation on September 22, represent greatly increased values in styling, performance, comfort and reliability, and — for the third consecutive year, prices have not been increased," Wolfram said.

Kitchen and Field

from Lighthouse Electric Cooperative, Inc., by Nancy Morckel Home Economist

A group of old friends met in Springfield, Missouri, recently for an annual picnic and get-together. The following poem was written by Earl Pipkin, of Springfield, Mo., and read for the enjoyment of the group. Mrs. Wm. Holland Harry's sister, sent us a copy — feeling it would bring memories (pleasant?) to Harry. When he was quite a small boy, it seemed one day the "soaked" tobacco his Grandfather Morckel kept in readiness for treating bee stings seemed too great a temptation and he tried out a nice big "chew" — which produced results similar to those described in the poem.

His First Chew

To be a man was my desire
When I was but a boy
To do the things that grown-ups do
To me seemed perfect joy.

The idyll of my youthful eye,
The man who awed me most,
Was one farm hand, Tim Mon-
akan.

Who told such funny jokes,
I loved to see him smoke his pipe;
It was of corn cob hue;
But much more thrilling was the sight
To see him take a "chew".

With peaceful calm he'd bite upon
A plug of "Dukes Delight".
Then hold it in his bulging jaw
And chew with all his might.

When mastication seemed complete,
T'was then I got my thrill:
No knot hole less than twenty feet
Could hope to miss his skill.

I thought if I could do likewise,
Before some youthful friends,
I'd be a hero in their eyes
And envied without end.

And so I swiped a plug from Tim,
While he lay dead asleep,
And hid myself behind the barn
Along the hogs and sheep.

I cut me off a good sized chew,
The taste was not so good;
I held it in my lower jaw
And chewed it all I could.

Then I felt a sickly chill
All through my body creep,
And felt my knees go sagging till
They seemed to touch my feet.

My eyes began to grow quite dim,
Black specks before them stood;
My ears had such an awful din
Like rip-saws cutting wood.

My head went round and round,
My stomach failed me, too
And turned so many summer-saults
I swallowed that whole chew.

I thought that now the end had come,
That I was sure to die;
Pity for my saddened folks
Brought teardrops to my eyes.

But strange to note I did not groan,
I merely turned pea green;
But sicker folk than me I'll vote
No mortal 'ere has seen.

I staggered weakly to the house:
T'was there I chose to die;
My mother chanced to see me swoon
And then I heard her cry.

"Oh why, my son, are you so green
And pale around the gills?";
She made me take some castor oil
To stop my shaking chills.

A wise man came and took one look
And then I saw him smile.
He said, "I think his goose is cooked
Yet he may live awhile."

Then for awhile they talked a-
side:
I could not hear a thing
Except a sigh and some reply
"I think he's had his fling".

So never chew tobacco, son;
I give you sound advice,
Just stick to your own childish fun
And never try this vice.

A candy demonstration was given last Tuesday at the Home-Making Dept., Lockney High School for the Aiken Home Demonstration Club and one of Mrs. Adams' Homemaking classes.

The Lone Star Home Demonstration Club met last Wednesday in the home of Mrs. E. O. Barrett. A discussion and demonstration on Party Foods was given to a good sized group.

Mrs. Earl Edwards, Sr., Route 2, Floydada, gives me this recipe for

Oatmeal Cake (It is Delicious)

1 1/2 cups boiling water, poured over
1 cup oatmeal, let set 20 min
Cream and add:
1/2 cup shortening
1/2 cup brown sugar
1 cup white sugar
2 eggs, beaten, then the oat mixture.

Then add:
1 1/3 cups flour
1 teaspoon cinnamon
1 teaspoon soda
1/2 teaspoon salt, sifted together.

Bake at 350 degrees F. 35 to 40 minutes in large flat baking pan.

TOPPING:

6 tablespoons butter,
1/2 cup brown sugar,
1 can coconut,
1/4 cup cream,
1/2 teaspoon vanilla.
Combine and spread over warm cake—
Broil 4 to 6 minutes — watch carefully.

Mike and Kay Pollan went to the Lubbock Fair on Monday. Mrs. Johnny Stuts' brother Owen Spurlack and his family have moved back to Tenaha.

"Time — Saver"

To make tomatoes easy to peel — dip in boiling water for a few seconds — return them to the refrigerator — peel just before serving.

David Hutchins, who is attending McMurry College, Abilene spent the weekend with his parents in Floydada. Eddie Bradshaw, his roommate from Friona spent the weekend here as a guest in the Hutchins home.

Mr. and Mrs. Joe Peterson and Sharla went to Plainview Saturday to visit Sharla's grandmother, Mrs. Ozella Bryant. It was a special occasion, because Sharla was one year old. Several friends and relatives enjoyed the birthday "cake-cutting" that evening.

Mr. and Mrs. Don Webster and Carrie Jill spent the weekend with Mr. and Mrs. W. O. Baker. Mr. and Mrs. Dial Exun of Roswell, N. Mex., were guests Sunday of Mr. and Mrs. Pete Hickerson and L. A. Sargent.

Mrs. E. E. Johnson of Lynwood, Calif., spent Sunday with Mrs. Alta Probasco and Hazel Bradley. Mr. and Mrs. Grady Freeman returned Thursday from a weeks vacation. They went to Amarillo first to see Grady's mother, Mrs. J. W. Freeman, then on to Vega where they spent Saturday night with his brother, Earl Freeman and his wife.

Sunday morning Mr. and Mrs. Freeman drove to Aztec, N. Mex., there they visited Mr. and Mrs. Wagner Woodall. Tuesday they drove to Durango, Colo. Tuesday night they accompanied the Woodalls to Thoreau, N. Mex., where they visited with Mr. and Mrs. Harold Rupe. The group spent Wednesday at Blue Water Lake fishing.

The Freeman's left for home Thursday morning; they visited a short while with their son James and his family as they came through Muleshoe.

EMERGENCY FOOD STOCKPILES

(from Food and Home Notes, U. S. Dept. of Agri. Washington, D. C.) Many survivors of a nuclear attack on the United States would have to rely on their own reserve supplies of food and water for up to two weeks, warns a new publication of the U. S. Department of Agriculture.

Families are urged either (1) to store and maintain a special emergency food stockpile in their homes or fallout shelters or (2) to build up their regular food stocks so there is a 2-week supply on hand at all times.

The new publication "Family Food Stockpile For Survival," prepared by USDA's Agricultural Research Service in cooperation with the Office of Civil and Defense Mobilization, tells how much and what kinds of emergency foods to store so as to provide each family member a reasonably balanced diet for two weeks.

Details are given on sources of safe and clean water in the home and on how to purify and store for emergency use. A minimum of seven gallons of drinking water per person should be allowed for a two week period. The publication also gives sample menus, tells how to store and how often to replace food stockpiles, and lists equipment needed for emergency cooking. Stockpile foods should be in cans, jars, or tightly sealed paper containers, preferably in sizes that will supply just enough for one meal.

The publication advises families to choose foods that will last for months without refrigeration and that can be eaten with little or no cooking. It's also a good idea to consider the special needs and preferences of family members, since familiar foods are likely to be most acceptable in times of stress.

Single copies of "Family Food Stockpile For Survival," (HG-77) are free from the office of Information, U. S. Department of Agriculture, Washington, 25, D. C.

SOMETHING TO THINK ABOUT

Tenant: The people upstairs were very annoying. Last night they stomped and banged on the floor until after midnight.

Landlord: Did they wake you?
Tenant: No, luckily, I was up playing my tuba.

SOME DON'TS ABOUT YOUR HOME WIRING

DON'T put in a new fuse or reset the circuit breaker without first disconnecting lamps and appliances which were in use when the service went off. Otherwise, you may blow the new fuse, cause the circuit breaker to trip out immediately.

DON'T blame the manufacturer or the dealer if your iron, toaster, electric sauce pan, etc. seem to heat slowly. Have your wiring checked first.

DON'T change a fuse when your hands are wet or when you are standing on a damp floor, and don't poke your fingers into the opening.

DON'T use appliances, especially portable ones, anywhere in reach of the bathtub. This includes radios.

Shock Falls Joe Fancher

Joe Fancher of Floydada was expected to be brought home sometime this week from Medical Center Hospital in Plainview where he has been receiving treatment for second and third degree burns.

Fancher suffered burns on the right hand and his neck in an electrical accident Thursday at Edmondson Co-op Gin. Fancher is also suffering from a multiple contusion received when he fell or was knocked down by the shock.

The Floydada man is employed by Kimball Electric of Edmondson and was at the gin working when he pushed a disconnected switch in a switch box which caused the shock.

A. J. Bennett of Houston was here recently spending some time with his brother, Wayne Bennett and other relatives.

Minor Blazes Dirst Of Week

Two minor blazes were reported this week by the Floydada Fire Department, both on Monday but no property damage resulting.

The first was a trash fire in the home of Mr. and Mrs. L. C. Ferguson, and at 2:30 Monday afternoon a weed and grass fire was extinguished in the flats.

The fire department members have just completed a re-do job on their chevrolet truck, replacing tanks and putting all new water hoses on both vehicles. In readiness for the rush of fall hazards.

At present there are 19 members of the department and by next meeting date they expect to have full membership of 21 members.

Mr. and Mrs. J. B. Smitherman spent several days last week in Corpus Christi visiting relatives.

Chevrolet Adds Another Auto, Chevy II, To Their Line

Chevrolet's passenger cars for 1962 feature a new styling and many changes for its line-up. The new Chevy II is larger than the Corvair but smaller than Chevrolet's regular car. Station wagons, a hardtop sport coupe and a convertible are included among nine models in the new line which emphasizes simplicity in styling and maximum functionalism in design.

Crisp, Tailored Look
From a styling standpoint, the standard Chevrolet for 1962 reflects the greatest change, although Corvair models and the Corvette will also feature a number of appearance changes as well as new exterior colors and interiors.

The new standard Chevrolet features a crisp, tailored look. The 1962 models have completely new sheet metal, grille work, bumpers and ornamentation, as well as new exterior colors and restyled interiors. New roof lines for sedans and the Impala sport coupe also highlight the new styling.

The 1962 Corvette
Under the hood of the 1962 Corvette will be a brand new 327 cubic inch V8 engine.

Serving as the basis for all power teams this new engine coupled with optional fuel injection, is rated at 360 horsepower giving promise of added excitement for those wishing the ultimate in performance.

In addition to the standard 300-horsepower version with a 4-barrel carburetor and hydraulic valve lifters, a 300-horsepower engine with hydraulic valve lifters and a 340-horsepower engine with a single large 4-barrel carburetor and special camshaft are available in the optional equipment lineup.

A lighter weight Powerglide unit with aluminum case is used for the automatic transmission option.

The Corvette for 1961 retains much of its popular sports car identification. Pleasing exterior refinements include a windsplit around the cove replacing bright metal molding. Grille configuration replaces three horizontal bars in the cove. The front grille is finished in black.

1962 Truck Line
Introduction of diesel power in medium- and heavy-duty models, two new larger displacement engines, broader power team options across the line, lower hood lines for improved driver visibility, and extra heavy-duty optional front suspensions highlight the 1962 Chevrolet truck line.

Other features include restyled radiator grille to include single 4-inch headlights in all but three series, optional alternating current generators on gasoline models, and directional signals as standard equipment on all but one series.

Engines available for the first time in the 1962 Chevrolet truck line include one General Motors diesel — a 212 cu. in. in-line four, — and two gasoline V8's of 327 and 409 cu. in. displacement. Four six-cylinder engines and two V8's are continued for a total of nine power plants. A 261 cu. in. six is being made available for the first time as a regular option in line- and medium-duty trucks with manual transmissions, except forward control models.

Smooth flowing lines accent Chevrolet's Newest Line—the Chevy II

One of the nine models of Chevrolet's newest passenger car line, the Chevy II series, is this 4-door sedan which proudly reflects straight flowing lines with simply sculptured details. Recessed single unit headlights, a choice of four- or six-

cylinder engines, and manual or automatic transmission are but a few of the many features found in this new line. The Chevy II's, along with the complete array of 1962 Chevrolet cars, will make their public appearance on September 28.

Accused Slayer Of Officer Gets Liquor Sentence

Alfonso Sandoval of Plainview who is in jail there awaiting trial for the murder of a police officer, was sentenced to two years in jail for illegal transportation of liquor. He was given the sentence in Hale County District Court last mid-week.

The charge arose from an arrest of Sandoval in Plainview on July 3. He is currently being held in lieu of \$20,000 bond on the murder with malice charge.

Sandoval has repeatedly denied any guilt in the shooting of Plainview police Sgt. Virgil Thompson on July 17.

A New World of Worth from Chevrolet for '62!

'62 Impala Sport Coupe—with a roof line that looks like a convertible's

'62 CHEVROLET Rich new styling with Jet-smooth ride!

Here's everything a car fancier could want. Fresh-minted style that comes to a climax in the sportiest sport coupe you've seen yet. A road-gentling Jet-smooth ride. A new choice of V8 skedaddle. Rich Body by Fisher interiors. Beauty that's specially built to stay beautiful. Here in '62 is more than ever to please you from the make that pleases most people.

It's like owning an expensive car without the expense. Check it over from its clean-thrusting prow to its rakish rear deck. Look inside the deep-well trunk. Then—head for the open highway. That sittin'-on-satin feeling you get is Chevrolet's famous Jet-smooth ride at work—with a pliant Full Coil spring cushioning at each wheel. The standard six and V8 are triggered to do special things on regular gas, and for real hair-trigger reflexes you have a choice of four optional-at-extra-cost V8's with out-

put all the way up to 409 hp. ■ Hard-working helpers (like the new steel front fender undershirts that guard against corrosion) give this '62 its built-for-keeps beauty. Even the heater and defroster come as standard equipment this year. This is the kind of car that will make you feel luxurious all over, and your Chevrolet dealer will be only too happy to show you how easy it is to have one of your own.

Corvair Monza Club Coupe

THE '62 CORVAIR MONZA

Meet the car that puts sport in the driver's seat! Bigger new brakes and Corvair's renowned rear-engine traction offer just about the surest footed going on the road. A new Monza Station Wagon makes its debut. And all models sport freshly tailored upholstery inside matched by sassy new styling accents outside.

This jim-dandy's got the stuff that drivers dote on. ■ Backstage you have a standard aluminum air-cooled engine that turns up 80 hp. (or if you like more razzamatazz, one that uncorks 102 hp!). ■ Sure enough, there's independent suspension on all four wheels to keep the ride as amiable as ever. Inside, you'll find a heater and defroster, cigarette lighter, dual sunshades, front-door armrests and automatic choke as standard equipment on most models. ■ There are lots of reasons for liking what's new—and tried and true—in the '62 Corvair. And your dealer's eager to tick 'em off for you.

Chevy II 300 2-Door Sedan

HERE'S THE NEW CHEVY II

Here's modern basic transportation in a totally new line of cars with all the solid, time-tested Chevrolet virtues—plus some surprises you've never seen on any car before. A full line of saucy new-size models. Thrifty? Choice of a frugal 4- or spunky 6-cylinder engine (in most models). Roomy? Sedans seat six solid citizens. Price? A real pleasant surprise!

This plucky new Chevy II comes about as close as a car can to perpetual motion. ■ All nine models (station wagons, a hardtop, even a convertible will soon be available in the lineup) are designed to save you money and service. Major front-end sections, including fenders, bolt on for easy replacement in case of damage. The heater and defroster are yours as standard equipment. Tough—but ever-so-gentle—Mono-Plate rear springs eliminate the friction of old-fashioned multi-leaf springs. ■ And, maneuverable and sensibly sized as this Chevy II is, it gives you the kind of room that'll make many a "big" car wonder how it's done.

See the '62 Chevrolets, the new Chevy II's and '62 Corvairs at your local authorized Chevrolet dealer's

Telephone Service Near Normal After Hurricane Carla Strikes

Hurricane Carla has come and gone, and I know we were all here. Even though we were not directly affected, it's like to tell you a little of what she did to the Gulf Coast and what Southwestern Bell has done to get things back to normal.

Southwestern Bell has been working hard to get things back to normal. We've been repairing lines and poles flattened in a twisted maze and splintered wood.

People were ready for the emergency. Before the winds had subsided, Southwestern Bell had men and trucks in the disaster area to restore crippled telephone service.

Equipment Flown In

When the electric power into the storm area from many lines was cut off, Southwestern Bell trucks converged on the stricken area to bring the gap left by the silenced telephones, relay equipment, and maintain contact with the "outside world."

Operators From West Texas

When the storm hit, 150 telephone operators from Lubbock, Amarillo, Abilene and other West Texas cities were sent to Houston and other storm-hit cities to help with the tremendous volume of long distance calls.

Southwestern Bell's telephone service in the disaster area was a tremendous job, carried out under the most difficult conditions at that time.

HAVE YOU SEEN A SILVER DOLLAR LATELY?

If you have it more than likely came from one of the Oden Chevrolet Co. employees who were paid in the month of September with over 5000 silver dollars to let them and you know we're celebrating our Silver Anniversary.

Four members of the present staff at Odens were here when the doors opened in 1936. They are Conner Oden, Chevrolet dealer; Clinton Fyffe, now partner and manager; John McKinney, body shop foreman; and Garland Mitchell.

The entire staff at Odens represents 194 years of experience in the automotive sales and service field. This year Oden Chevrolet is celebrating a silver anniversary—before the year is out the Chevrolet automobiles will be celebrating a golden anniversary.

Anniversary Celebration

FRIDAY SEPTEMBER 29 & 30

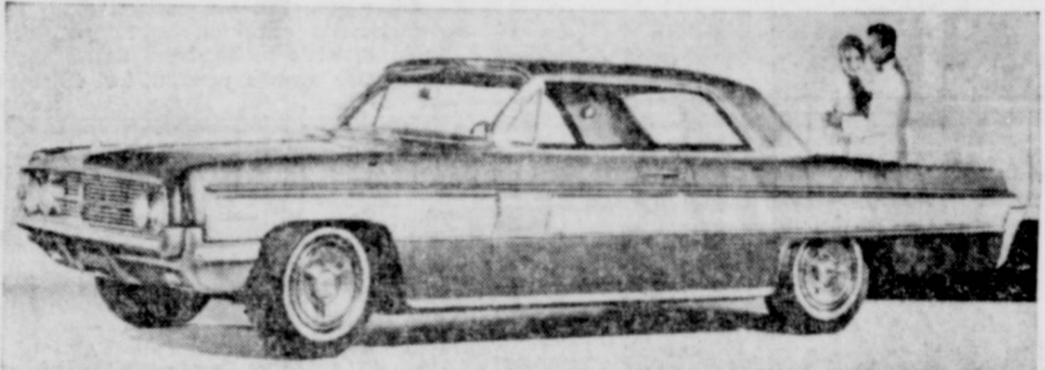

Come in and visit with us . . . register . . . and see the new 1962 Chevrolets and Oldsmobiles

From September 29, 1961 Oden Chevrolet will throw open the doors to show the new 1962 line of Chevrolets and Oldsmobiles. This anniversary of the firm in Floydada and will also mark the 25th showing of new automobiles (except for the three war years when no new models were shown). We hope to have you come in and help them to celebrate this big occasion. There will be refreshments, gifts, prizes, and a fine display of new automobiles you will want to see . . . so plan now to visit us on Friday and Saturday, September 29 and 30.

Greater choice as Chevrolet Offers 3 Lines for 1962

The wide range of choices Chevrolet dealers will offer for 1962 is hinted in this three car photograph. Pictured to compare overall length are (top to bottom) the 180-inch Corvair 4-Door Sedan; the 183-inch Chevy II 4-Door Sedan, and the Impala Sport Sedan which measures 209.6 inches. They are representative of 32 passenger car models which Chevrolet dealers will start displaying September 29. The new Chevy II's bow in on the same date as other Chevrolet-built cars.

A flashing high-performance addition to the Oldsmobile line of cars for 1962 is this Starfire coupe with its distinctive band of brushed textured anodized aluminum extending from front to rear. Luxuriously and tastefully appointed, it offers the same color, trim and mechanical features as Oldsmobile's spectacularly-received Starfire convertible. In-

cluded as standard equipment on the new 345-horsepower Starfires are front bucket seats, a sports-type power console, an even smoother 1962 4-S Hydra-Matic transmission, self-adjusting power brakes, and dual exhausts. Genuine leather is extensively used in the car's interior.

Chevrolet has perhaps been one that has touched some in this area. This has been the driver education car for many years but one since the service has been with- popular in our school.

The program has turned out a number of licensed drivers who have been taught to drive safely. Auto insurers think so highly of this training that parents of driver trained sons are given a 10% credit on their insurance to age 25.

Oden Chevrolet has also furnished the FFA department of the high school with a pick-up on many years. This service too has been free for the most part. These vehicles are owned by Oden Chevrolet and furnished as a public service to the School and Community.

Conner Oden, shown at right holding a 25 year plaque he was recently presented at a Fort Worth Dealers meeting. W. R. Stacey, of Oklahoma City, zone manager for Chevrolet made the presentation. Plaques on the wall represent the nine years that Oden was named to serve on Chevrolet's planning committee to represent this area.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

AUSTIN, Tex. — As the weeks go by, and new emergencies arise, Gov. Price Daniel finds more reasons for calling Texas Legislators back to Austin for another special session.

In addition to the Governor's unfinished program, Hurricane Carla has produced other reasons.

It is definite now that the Governor will ask for more money for the Highway Patrol and for the National Guard. He had to advance money to the Guard from his emergency fund, to pay salaries and expenses of Guard units called up for hurricane duty.

Major General James E. Taylor, the state adjutant general, said that the 2,300 men and 800 vehicles called up for hurricane duty made up the largest peace-time operation in Guard history.

After Governor Daniel's aerial tour of the hurricane-struck coast, he estimated that some 3,000 lives would have been lost had it not been for the organization of civil defense, coordination of

NEW FARM ROADS APPROVED — A one-year program calling for construction of 613 miles of new farm to market roads costing \$15,000,000 has been approved by the State Highway Commission.

This was approximately half of the usual program authorized by Governor Daniel's veto of the \$15,000,000 for this purpose in the second half of the biennial appropriation bill.

Governor Daniel cut out the second year allocation in order that more flexibility might be attained in providing maintenance for the farm roads system.

Since 1949, under the Colson-Briscoe act \$15,000,000 annually have been earmarked for the construction of farm to market roads, causing all maintenance costs to come out of trunk highway funds.

While this arrangement was necessary for many years, the highway commission says the problem now is financing the maintenance of these roads. Therefore, at least a portion of the earmarked funds needs to go for this purpose.

Action on this matter is expected in the next special session of the legislature.

JANUARY SESSION TALKED — Chances are that Governor Daniel will have legislators back in Austin during January.

Rep. Murray Watson of Mart suggests that Daniel set up a grass-roots committee of citizens to bring in proposals for removing inequities in the new sales tax law for action at the special session.

Comptroller Robert S. Calvert continues to explain the law. He ruled that the American Red Cross is exempt from the sales tax on its purchases, since it is an agency of the Federal government.

Calvert is studying a request from some large industrial firms that they be allowed to be "direct" payers of the tax. Theory is that life would be simpler if they could keep records and pay the tax once each quarter, instead of paying it hundreds of times a day in the normal course of business.

TAX DOLLAR ANALYZED — Texas Legislative council has taken a new look at where the State's tax dollar comes from and where it goes.

Study reveals that 52 per cent of it is derived from the several types of sales taxes levied in the state, including 15.8 per cent from the new 2 per cent limited sales tax.

Oil and gas production and severance taxes account for 19.1 per cent, business taxes 11.4 per cent, motor vehicle registration fees 9.5 per cent, state property taxes 4.1 per cent, inheritance tax 1.3 per cent, others 2.6 per cent.

Motorists get tapped for 33.9 per cent of the tax dollar, including the motor fuel tax at 2.14 per cent, the sales tax at 3 per cent, and registration fees at 9.5 per cent. Nine per cent comes from tobacco taxes and 2.2 per cent from alcoholic beverage levies.

Our free public school system is taking 33.9 per cent of the tax dollar. Highways and roads are next at 26.8 per cent. Public welfare gets 15.8 per cent. Higher education comes in for 9.6 per cent, while health, hospitals and special schools account for 4.5 per cent.

Impending sales tax which went into effect September 1 was called a major factor in the increase. Namely, buying before the tax went into effect.

It was referred to as a "brisk rise" compared to the two per cent decline sales took during July.

Furniture and appliance stores led the field with a 23 per cent increase for August, where the usual increase from July to August is one per cent.

Apparel stores also increased primarily with the back to school rush for clothes. Steady increases were forecast because of a Texas birth rate considerably higher than the national average.

Births in the first six months of this year totaled 121,796 compared with 115,730 during the first half of 1960.

NEW MEDICAL SCIENCE — Two University of Texas scientists are looking into a new branch of medical science through which it may some day be possible to determine in advance a person's susceptibility to certain diseases and ailments.

Drs. Robert J. Williams and Frank L. Seigel, reporting on the new science called "propetology" in the American Journal of Medicine, say the technique needs only to be developed, that it must be based on increased knowledge about individuality in the areas of anatomy, physiology and biochemistry.

Knowing in advance who might get what, the scientists say it may be possible to avoid such diseases as gout, arthritis, atherosclerosis, muscular dystrophy, multiple sclerosis, cardiac and circulatory diseases, cancer, allergies and numerous other types of diseases and ailments.

"There is probably no single disease among those mentioned which might not be prevented, at least to a substantial degree, if we knew what the roots of resistance are and took appropriate measures," they said.

Oil production in Texas for October has been reduced by an estimated 48,490 barrels per day on order of the Railroad Commission. Order was based on estimated market demands.

An eight-day production pattern was ordered for most of the state. This will result in a total allowable production of 2,683,214 barrels daily.

Eleven out of 12 major purchasers of Texas crude oil had recommended the eight-day pattern. Sun Oil Company suggested nine days of production.

TEXAS GETS MOON ROCKET LAB — Selection of Texas as the site for a laboratory to develop the nation's first moon rocket was hailed by Governor Daniel as one of the most important signs pointing to future progress for the state.

"The Federal government's choice of Harris County for the \$600,000,000 space laboratory means that some of the world's most important work in the peaceful conquest of outer space will be undertaken at the location near Houston," said Daniel.

"It will attract scientific personnel and plants to the state and increase the importance of the Houston area as a center of civilian, military, space and medical research," he observed.

RETAIL SALES INCREASE — Retail sales increased seven per cent during August, the Bureau of Business Research at UT reported.

Floydada VFW Members Hear State Leaders

Three members of the J. W. Harrison Post, Veteran of Foreign Wars were in Tulsa to attend a recent business session at the V. F. W. They were Billy Joe Baker, Ernest Boeke and Pete Looney.

Department of Texas Junior Vice Commander Johnnie McBroom, represented the Department of V. F. W. at the meeting. In speaking McBroom stressed the need for the V. F. W. Christmas card program to be a success. These cards are mailed to each member and the money is used to carry on Veterans rehabilitation services such as five V. F. W. service officers and five secretaries in each V. A. Regional office. These mentioned in turn help veterans to establish their claims for loans, hospitalization, school entitlement and other benefits for which they are eligible.

McBroom also urged all posts to start their annual membership drives. Money obtained from the drive dues is to be used to carry on various V.F.W. activities, such as veterans rehabilitation facilities, youth activities, community service projects and others.

He also pointed out that National VFW had allotted the Department of Texas \$10,000.00 to be used in the distressed areas along the coast resulting from Hurricane Carla.

Others present at the Convention included Post Department Commander Victor Afferbach, who elaborated on the above subjects and others as well.

Looney reported that the next District 13 convention will be held in Plainview probably in December.

Floyd County 14 Years Ago

(From issue dated Oct. 2, 1947)

Mrs. Lon V. Smith, who had a foot operation in Plainview sanitarium last week was brought home Tuesday and her progress is quite satisfactory to date.

McDermott post, American Legion, has cleaned the slate so far as their debts are concerned, what with their efforts and the liberal donors have helped them.

Sadie Holmes, daughter of Mr. and Mrs. J. K. Holmes, is in North west Texas Hospital at Amarillo this week suffering from a fractured skull received in a car accident Sunday night in that city.

Miss Holmes and Joe Dowdy were occupants of the car and attempted to pass another vehicle driven by Joe's parents, Mr. and Mrs. Floyd Dowdy. Trying to Pass the car hit loose gravel, went out of control and overturned several times.

Last rites for Mrs. Lillie Britton were read Monday afternoon. The Floydada woman died Sunday morning in Floydada Hospital after suffering a stroke which developed into pneumonia some three weeks ago. She was the mother of L. D. Britton and Mrs. R. E. Fry of Floydada, Dave of San Diego Calif., and Mrs. H. W. Dumas of Houston.

An old building which housed the Marshall Grain company in times past and had a history prior to that running back into the photograph gallery days was burned Friday afternoon. A near by grass fire which earlier had been extinguished was thought to have rekindled and reached the building.

Funeral service for Mrs. Emma Francis Chambers were held yesterday afternoon in the First Methodist Church. She died early Tuesday morning in her Floydada home. She was the mother of Mrs. Willard Hall and Mrs. Dave Summers of this city.

Miss Billie Jones, daughter of Mr. and Mrs. Jim Jones of Starkey and Roy E. Crawford, son of Mr. and Mrs. S. M. Crawford of Dougherty, were wed Thursday evening in a single ring ceremony in Plainview.

Reports from Dumas continue to confirm the fact that Walter Travis is not as seriously hurt as first was believed. He was injured in a car wreck late last month.

Graveside service for Jimmy Wayne, infant son of Mr. and Mrs. J. C. Dossey, were held Monday afternoon. The infant was born Sunday afternoon in Pitts Hospital and died twelve hours later. Mr. and Mrs. John Dorsey of this city are paternal grandparents.

Rev. and Mrs. Clifford Potts of Matador are parents of a new son born Tuesday. The baby weighed eight pounds plus and has been named Byron Ray. Mr. and Mrs. T. T. Hamilton of this city are grandparents.

Recognize Teachers In Church School

Sunday marked the end of the old year and beginning of the new school year in the First Methodist Church, and at the morning worship service more than 70 teachers and associates for the year were recognized. The persons were presented by Claude Estes, chairman of the Commission of Education.

refreshments to approximately 100 guests. The children were entertained in the gym by home-making students of Mrs. Alice Baker.

The announcement was made that room 3-C, Mrs. Jackie Chadwick, won the room count. Also it was announced that PTA dues should be in before October 15, and that there would be a Parent-Teachers leadership training course this morning starting at 9 o'clock in the Production Credit Coffee Shop. Mrs. Marvin Armstrong, district president of Lubbock, will be leader.

Mothers are reminded of the Andrews Ward Halloween Carnival on Oct. 31.

The next regular meeting will be on Oct. 11 with Mrs. Lynn Miller as program chairman. There will be a skit on "This Is Team Work". Parents and teachers are urged to be present at 2:30 in the school library.

Sand Hill News

By Mrs. James Jeffress
(Intended for last week).

SAND HILL, Sept. 18 — Many wells are still running this week as some are watering late feed for the last time, they hope. A few fields are about ready to cut but for most of the feed in this area it will probably be a little later before combines move in.

We would like to say congratulations to J. C. Anderson on having one of the first bales of cotton in the county. Not too much cotton seems to be opening.

Several from the community won several ribbons at the Floyd County fair. 4-H members en-

tering and winning were Beverly Pierce, Elaine Starkey, Beverly Jeffress, Mary Starkey, Jimmy Jeffress and Janice Miller. There were probably others in some divisions.

The Sand Hill Baptist revival ended Sunday night. A good attendance was present each evening with 78 present in Sunday School last Sunday. Brother Johnny Tims, of Quanah, did the preaching and Brother Joe Peterson, of Floydada, was music director.

Mr. and Mrs. Olen Baird and family, from Hereford, spent Friday night visiting in the home of Mr. and Mrs. Dale Stringer and Stinson. They attended the revival Friday night.

Brother and Mrs. Johnny Tims and Brother and Mrs. Johnny McGuire, Janet, Jackie and Jerry were dinner guests in the home of Mr. and Mrs. John Parkey and family Tuesday.

Club Sees Party Ideas
The Sand Hill Home Demonstration Club met Wednesday afternoon in the home of Mrs. Bill Stringer. Roll call was answered with "A Game I Like to Play". The devotional was from Psalm 119:130. Mrs. Hollis McLain offered her resignation as secretary. No action was taken on any business as there was no quorum present. Mrs. Lynn Miller presented a very interesting program on "Party Ideas."

Refreshments were served to Mrs. Orlan Miller, Lynn Miller, R. L. Bullock, Hollis McLain, H. F. Jackson, the hostess, Mrs. Stringer and one visitor, Mrs. Johnny Tims.

The next meeting will be Wednesday, September 20, in the home of Mrs. J. T. Myrick. The film on "International Peace" will be presented. Several from the Sand Hill Club are planning to go to Lone Star Wednesday to help with the program for Latin Americans which the club voted to do from the recommendations.

Dinner and supper guests in the home of Mr. and Mrs. James Jeffress Wednesday were Brother and Mrs. Johnny Tims, Brother and Mrs. Jimmy McGuire and family and Brother and Mrs. Joe Peterson and daughter.

Mr. and Mrs. W. R. Billington spent the weekend in Happy visiting their daughter, Mr. and Mrs. Ross Yandell, and family. They also visited their granddaughter, Bettye and their brand new great-granddaughter. Mr. Billington went on to Memphis Sunday to visit his sister and attend a family reunion. Mrs. Billington came back to Plainview and visited her parents, Mr. and Mrs. Glenn. Four generations were represented at the Glenns Sunday. Sunday dinner guests in the

INTRODUCING FOR 1962 THE NEW LEAN BREED OF DODGE

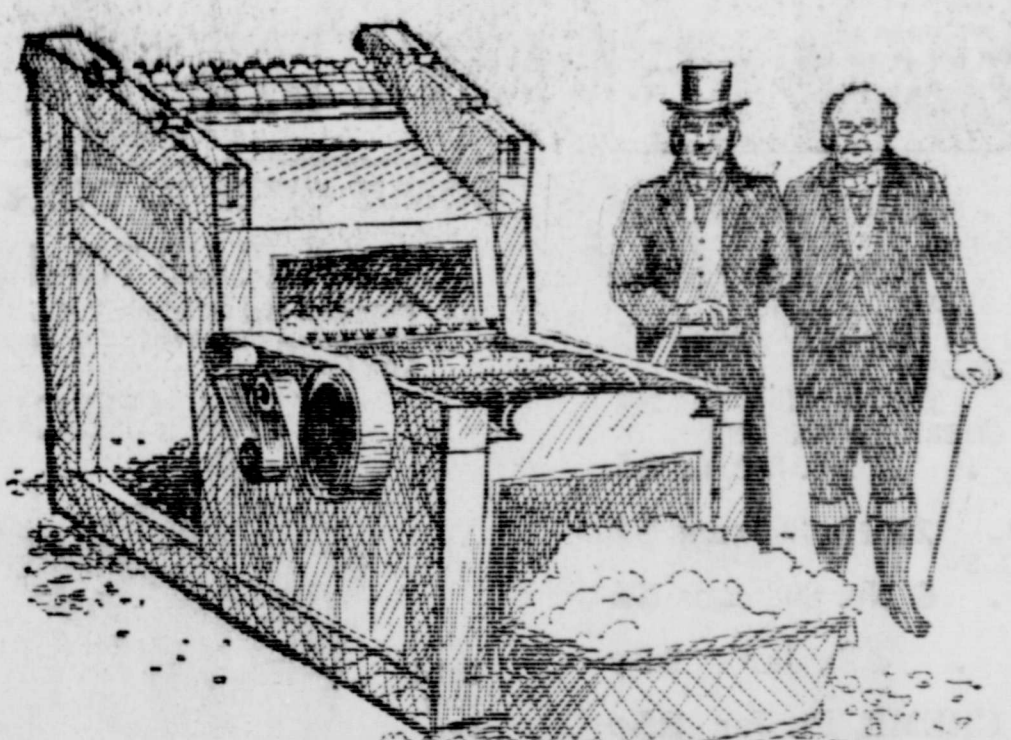

The black automobile above is the 1962 Dodge Dart 440, first of the Action-economy cars. A low-price, full-size Dodge that will outrun, out-economize any car around. For a fact, it accelerates seven percent faster on five percent less gas than last year's comparable model. Seats are chair-high. There's fold-down center armrest in front.

The white car is the Lancer GT, America's first Sports Compact. It carries five. Corners flat. Handles neat. Really goes. Bucket seats, all vinyl upholstery, full carpeting are standard.

Full-size or compact, every Dodge is rustproofed. Has a smooth ride. Goes 32,000 miles between grease jobs. As always, Dodge means dependability.

Ringer Feature Stores

Department Stores... Beall's staff of buyers started working with hundreds of the nation's and world's best manufacturers to bring to Beall's customers the best money-saving values to be found anywhere, anytime, Anderson pointed out.

"Every item to be featured is an outstanding buy at special prices and will only be offered at these prices during the month of October and will revert back to original prices at the end of the promotion", Anderson said.

Beall Ringer month was conceived by Beall's to express their appreciation of their customers' faith, support, loyalty, and friendship through the past 38 years and Beall's pledge to continue to offer them the finest quality merchandise for less money as they have done for 38 years", Anderson said in conclusion. Adding: Be sure and check out newspaper ads each week in the Hesperian for new items to be added to the Beall Ringer list.

OUR SPINE PLAYS SUCH AN IMPORTANT PART IN GOOD HEALTH MAINTENANCE

MENTIONED BELOW ARE ONLY A FEW WHICH ARE CAUSED BY VERTEBRAE "PINCHING" NERVES. STUDY THIS OF CHIROPRACTIC, AND YOU WILL UNDERSTAND WHY MORE AND MORE PEOPLE ARE TURNING TO CHIROPRACTIC CARE.

1. Slight "pinching" of nerves at this point will cause so-called headaches, eye diseases, dizziness, vertigo, vertigo, tinnitus, or stiff neck, facial paralysis, etc.
2. A slight nerve difficulty in this part of the spine is the cause of so-called throat trouble, neuralgia, pain in the shoulders and arms, gait, nervous prostration, or grippe, nose bleed, disorder of gums, catarrh, etc.
3. The arrow head marked No. 3 locates the part of the spine where "pinching" nerves will cause so-called neuritis, sciatica, pain between the shoulder blades, rheumatism of the arms and shoulders, hay fever, etc.
4. A blocked nerve at this point causes so-called nervousness, heart disease, asthma, pneumonia, tuberculosis, difficult breathing, or lung troubles etc.
5. Stomach and liver trouble, enlargement of the spleen, pleurisy and a score of other troubles, so-called are caused by troubles in this part of the spine, sometimes so light as to remain unnoticed by others except the trained Chiropractor.
6. Here we find the cause of so-called spinal stenosis, dyspepsia of upper bowels, fevers, shingles, Kicough, etc.
7. Bright's disease, diabetes, floating kidney, skin disease, boils, eruptions and other diseases, so-called, are caused by nerves being pinched in the spinal openings at this point.
8. Regulations of such troubles as so-called appendicitis, gonorrhea, lumbago, etc., follow Chiropractic adjustments at this point.
9. Why have so-called constipation, rectal troubles, sciatica, etc., when Chiropractic adjustments at this part of the spine will remove the cause?
10. A slight slippage of one or both innominate bones, located here, will likewise produce so-called sciatica together with many "diseases" of pelvis and lower extremities.

FIRST BALE AT DOUGHERTY this year came in on September 20. H. A. Drysdale was grower and the cotton was ginned on Saturday, September 23. Kenneth Robertson is shown here at the suction of the new Darty Gin. R. D. Holly told The Hesperian this week that the Dougherty community is expecting the best cotton crop in history. The gin has spent some \$125,000 in preparing to take care of the crop with the latest equipment. (See related story on another page). (Staff Photo).

So. Plains News

By Mrs. Murray Julian

SOUTH PLAINS, Sept. 26 — After dry, warm days last week and a 91 degree reading Saturday, this cold morning of 46 degrees makes quite a contrast. There was no rain with the cold front here, but down state heavy rains fell at Abilene, Midland, etc.

Teachers and children of the South Plains and Floydada Schools are having a holiday this Monday as this is the opening day of the Panhandle South Plains Fair at Lubbock. Many of our neighbors are there, as well as the children, and the Whirlwind Band won a second place in the parade of bands. Many sent exhibits to the fair from here.

Baptist Church News

Newly elected teachers and officers will begin their new year of duty next Sunday, Oct. 1, and many children are in new classes as this is Promotion Day. 107 gathered for Baptist Sunday morning services with special music by Miss Sue Wilson and at night, Miss Yvonne Karr.

The Missions committee of the Baptist Church has been gathering materials and studying different phases of missions, and a group from the church will leave this Tuesday to look over some of the areas studied. Going to Sacramento, Calif., where they will visit Rev. Johnnie Allen, former minister here, are Rev. J. H. Wimberley, H. S. Calahan Jr., Sylvain Kinnibrugh, Mrs. Kinnibrugh and Mrs. Calahan. They plan to be home Tuesday. Going to Colorado Springs and Denver, Colo., are L. N. Johnson, Murray Julian and Early Pritchett. They plan to be home Thursday night.

Mr. and Mrs. Garvin Beedy and children were hosts at Sunday dinner to Rev. and Mrs. J. H. Wimberley, Linda and Louise, Mr. and Mrs. Lewis Wimberley and Gene Johnson all of Plainview.

Mr. and Mrs. Donald Bean, Mike and Judy spent Friday in Amarillo where they attended the Tri State Fair.

Frank McClure and Mrs. Jean McClure and children of Crosbyton are spending this Monday in Lubbock where they attended the Lubbock Fair and went to see the Ice Capades.

Jay Frank Parks who has a broken arm, was able to go back to school on Tuesday of last week.

Grigsby Milton and Junior Calahan flew in the Milton plane to Amarillo Wednesday where they went on business for the South Plains Baptist Church and they enjoyed lunch with Judge Chapman of Amarillo.

Visitors Tuesday and Wednesday of last week, and this Monday in the home of Bob Reeves and children were his parents, Mr. and Mrs. Sim Reeves from the ranch down at Memphis.

House guests from Friday to Sunday with the Sylvain Kinnibrughs and girls were his folks, Mr. and Mrs. J. A. Kinnibrugh and his brother, Mr. and Mrs. John Kinnibrugh all of Vera. They all visited part of the time in Ralls with the grandparents of Sylvain Mr. and Mrs. F. M. McCuiston.

Pink and Blue Shower Honors

Mrs. Keith Marble and Son

The lovely new home of Mrs. Raymond Upton in South Plains was the scene of a coffee Saturday morning which honored Mrs. Keith Marble and little Keith Dwayne.

Callers came between the hours of nine and ten thirty, and were registered by Mrs. Roy Bledsoe. The serving bar was accented by a lovely centerpiece of greenery and fall flowers with miniature babies placed in pink blankets and beautiful fall flowers were in vases at vantage points throughout the entertaining rooms.

Mrs. Johnny Wilson, Mrs. H. S. Calahan Jr., and Mrs. Shelby Calahan alternated at the serving bar where coffee, tea and doughnuts were served the guests.

Out of town guests included her mother, Mrs. G. H. Robertson, her grandmother, Mrs. Susie Rob-

Several women from here plan to go to Floydada to the High School this Monday night for the films, "Atom and the Doctor" and "Self Examination", both cancer films, and being sponsored by the 1950 Study Club. Going from here are Mmes. John Key West, Roy Bledsoe, L. T. Wood, Roy Burks, Raymond Upton and Mrs. H. S. Calahan Jr.

Sunday dinner guests with Mr. and Mrs. Don Marble and family were her aunt, Mr. and Mrs. W. Reeves of Howe, Tex., and their daughter, Mr. and Mrs. Harold London and Keith from Sherman, and Mrs. R. L. Holland and Robert from Lockney.

Mr. and Mrs. Raymond Upton and Jimmy went to Plainview Sunday to spend the day at the Upton family reunion which was held at the Plainview Park.

Mr. and Mrs. E. J. Kinslow and boys spent Sunday afternoon in Floydada where they visited with Rev. and Mrs. Houston Dixor and E. J.'s great aunt, Mrs. E. R. Jones, of Little Rock, Ark. Mrs. Grigsby Milton, Darla and Barbara spent this Monday in Lubbock where they had lunch with Mrs. Artis Powell and children.

Mrs. Mac Smitherman of Barwise and Mrs. Don Marble went to Amarillo Thursday where they spent the day shopping.

Mrs. Leonard Moore and baby are staying this week with her folks, the Ernest Newtons and Jo Ann while Leonard is visiting his mother in Purdy, Mo. She was at Sunday morning church services with Mrs. Newton and Jo Ann.

Mr. and Mrs. Wendle Johnson Jr. and children were hosts at a dinner Sunday at noon to her parents, Mr. and Mrs. J. M. Pierce who live near the Blanco Canyon south of Floydada, and her brother, Mr. and Mrs. Neil Pierce, Elmo Reeves. The hostess gift was a high chair.

Around fifty either registered or sent gifts for the party.

Mrs. Upton was surprised with a housewarming at the close of the party, and received many gifts from friends and neighbors.

The Uptons have recently moved into their new home.

Mr. and Mrs. Carl Huckaby has as guests last week her nephew, Mr. and Mrs. Roy Wesley Davis, Scott and Dana Robin, Jerry Davis all of Long View, and they left for their respective homes Saturday.

We congratulate Ed Noel, who formerly lived here, as he had the honor of winning Grand Arthur Champion with his milking short-horn cow at the Panhandle South Plains Lubbock Fair this Monday.

Mrs. Myrtle Floyd of Amarillo came this Monday to spend a few days visiting her niece, Mrs. Grigsby Milton and family.

Mr. and Mrs. L. T. Wood and Mrs. Walter Wood left after Sunday School Sunday for Lubbock where they had dinner and the afternoon with Mr. and Mrs. James Teague and son, (She is the L. T. Wood's daughter.) The occasion was the birthday of L. T. Wood. Another sharing birthday honours with L. T. this September 25 is Murray Julian.

Mrs. Don Marble was a hostess at a bridal shower in Lockney Saturday for Miss Mary Myers, bride-elect of Bobby Woods of Groom. The party was held Saturday afternoon at three in the home of Mrs. Marvin Cox.

Mr. and Mrs. Donald Bean and children had a Sunday dinner guests in their home. Mr. and Mrs. Jack Mayfield of Silvertown and Mr. and Mrs. John Loggs (son and children of Tulsa).

Miss Linnie Milton of Amarillo who has been visiting here with the Miltons went to the home of Mr. and Mrs. Easley Yeary Saturday, and will spend the coming week with them.

Week of Prayer Held Wednesday

State Mission Week of Prayer was observed Wednesday afternoon by the Women's Missionary Society of the Baptist Church with Mrs. Roy Burks in charge of the program, with theme "What is That in Thy Hand?" Hat Making, Designing Club Topic

Members of the 1950 Study Club met last week on Tuesday night with their club president, Mrs. Doyle Moore. Invocation was brought by Mrs. Bob Copeland after which roll call was answered by revealing secret pals. The drawing for new pals for the coming year also took place.

The resignations of two members were accepted. These were Mrs. W. H. Simpson Jr., and Mrs. Johnny Collins. Three new members were taken into the club, these being Mrs. Bill Feuerbacher, Mrs. J. L. Dalton, and Mrs. Bonnie Graham.

The announcement was made that the club was sponsoring the cancer film which was shown Monday night at the High School auditorium.

Mrs. Sammy Hale was named to replace Mrs. Davis Battey Jr. as chairman of the style show and Mrs. David Kirk was appointed as chairman of notification.

Club members have organized a Senior Citizenship project and are planning to have each member draw a name of some person in Floydada more or less confined close to their home. On special occasions member will remember them with a special gift as a memento.

Program for the evening was on hat making and designing. Mrs. Tommy Assiter and Mrs. Gene

Collins Jr., were in charge and had on hand some 15 hats they had made of different styles and materials.

Present were Misses Assiter, Collins, Howard Bishop, Wanda Dubois, Bob Copeland, Charles Craig, Claud Estes, Earl Edwards, Jr., Travis Jones, David Kirk, Cecil Lewis, Doyle Moore, Gene Probasco, Claude Weathersbee, Bill Feuerbacher, and Cleo White.

The next meeting will be on Oct. 3 with a program on Parliamentary Law by Mrs. Travis Jones.

Program, Social Committees Host '22 Club Meeting

Members of the 1922 Study Club met Thursday for a luncheon in the Community Room of the First National Bank, with the program and social committees as hostesses.

They are Misses Glad Snodgrass, Joe E. Wilson, P. W. S. Battey, Sr., P. W. Bell, D. W. Burke, J. V. Daniel, W. H. Henderson, Edd Johnson, Wilson Kimble, Harry J. Koenen, E. J. Morehead, R. L. Nichols, Lon V. Smith, Glad Snodgrass, W. M. Stanforth Sr., W. O. Tye, J. M. Willson Sr., Joe E. Wilson and one visitor, Ann McGlinchey of Fort Worth.

After a delicious meal the program on "Promoting Good Will" was given with Mrs. E. L. Angus of Quanah in charge.

The course of the study for the year will be "Paths to Better Understanding." Roll call was answered with vacation paths.

Mrs. D. S. Battey, president of the club, gave the welcoming address.

An interesting talk on Path to Democracy was given by Mrs. Gene

ON HOME TOUR

The Willard Moss home in Ralls will be shown among others on Sunday afternoon, Oct. 1, when the Ralls Study Club conducts the first of two home tours. The architecture is an adaptation of an original style found in Mexico City. Other homes to be seen include the Methodist Parsonage, and the residences of the R. J. Belchers, Jean Smiths, James Parks, and the Ira Prewitts. Some clever ideas in architecture and decorations are to be seen in the homes on this tour. A similar tour is also scheduled for Oct. 8 by the same club.

WITH HESPERIAN ADS BE WISE AND SAVE

SEDAN DE VILLE—Five 1962 Cadillac models feature this classic new roof design as shown on the Four-Window Sedan de Ville. From the new front cornering light to the carefully fitted taillamp in the tail fin, the use of chrome is held to a minimum on the finely sculptured side metal.

Going Away Party Honors Mrs. Tom Emert and Darlene

Mrs. Tom Emert and daughter, Darlene, were named honorees last week with a "going away" shower after services Wednesday night at the Assembly of God Church.

Members of the church served refreshments and presented the departing family with gifts.

Mrs. Emert and her daughter plan to leave Floydada about Oct. 6th for Huntsville where they will join their husband and father where he is employed at Huntsville State Prison as a guard.

The Emert's son, Douglas, is with the 6th Infantry Division stationed at Fort Hood.

Mr. Emert is a native of Floyd

County and Mrs. Emert has made her home here since 1941. Prior to their move she has been an employee of the Hesperian Office and her husband a carpenter.

The daughter was extended a courtesy Friday night when she was honored by her Sunday School teacher, Mrs. Henry Russell and members of her class.

Both Miss Guffee and Mr. Ragsdale are students at West Texas State College in Canyon.

Wacky Hollywood marked another milestone in its historic retreat from greatness last week with the death of Actress Marian Davies. Long the glamor center of the U. S., the movie capital and its strange population have alternately shocked, excited, entertained and scandalized America for almost half a century. The beautiful star contributed her generous share to all of these emotions.

Those of us who never visited Hollywood at its peak are undoubtedly the losers. The legendary city of skyrocketing salaries, gold bathtubs, marble mansions, quickie divorces and flowing champagne is as much a part of the American image as the covered wagon, crinolines, and tall corn. Its glory has been fading gradually since television first took hold of American entertainment seekers some ten years ago. Most of us, however, became fully aware of it only a year or so ago when one of two big-name studios and movie lots sold to make way for a real estate development.

Since that time, many of the old-time greats of moviedom have passed away. For several years many of the best pictures have been shot "on location" in far from the tinsel luxury and arrogant splendor that was Hollywood.

We feel no particular regret that this city of screwball fame will soon be a memory. Indeed, the more virtuous among us may feel a certain smug satisfaction that these mockers of morals have got their come-uppance. And yet there is nostalgia — maybe just a sight that common sense has now taken over, even in make-believe Hollywood.

It almost seems that our last excuse for adolescent thinking has gone down the drain. Surely now America, and Americans, must grow up.

Mr. and Mrs. Wayne Webb Childress, have a new daughter named Jayna Kay, born at the Childress Hospital Sept. 29. They have two sons, Marcus and Charles. Mrs. Webb is the former Janet Lloyd.

Grandparents are Mr. and Mrs. Don Lloyd, Floydada and Mr. and Mrs. Truman Webb, Childress.

Mrs. W. M. Sanders, mother of Mrs. Lorin Leibfried and Otha Sanders of this city, is in Plainview Hospital where she was taken Saturday night after falling and breaking a limb.

Mrs. Sanders was in her yard when she fell and sustained the broken hip. Surgery was performed Sunday and reports from the family indicate she is doing fairly well at this time.

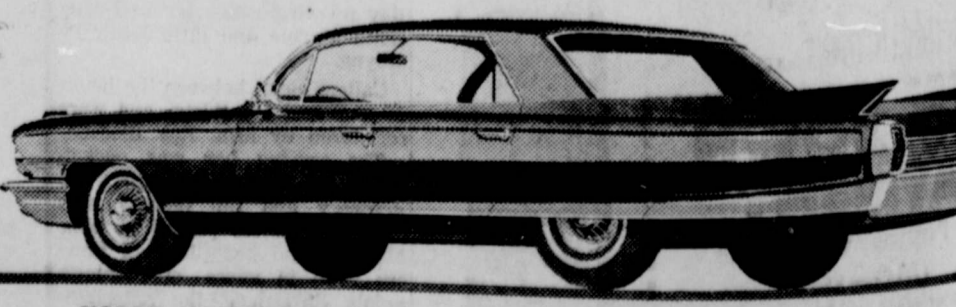

Cadillac presents for 1962 the Masterwork of the Motoring Age

You have had your first look at the new "car of cars". Its name is Cadillac—and its destiny is a place among the most renowned automobiles of our time. Its new styling is remarkably clean and crisp and graceful—with a look of "rightness" in every line and contour and detail. Cadillac's new Fleetwood interiors beckon with a jewel-like beauty. There are marvelous new fabrics and leathers . . . and new conveniences on every hand. Engineering triumphs include independent front and rear braking . . . exclusive new cornering lamps that light your way around turns . . . a revolutionary three-phase rear lighting system . . . and many other important advances.

Yet, some of the noblest advances cannot be seen. They must be felt and sensed—performance that is incredibly quiet and smooth and nimble . . . handling ease so great that the mere weight of your hand puts you in command of the road . . . craftsmanship that is so practiced and so precise that the car has become a marvel of construction and a paragon of dependability. These new Cadillac wonders are evident in each of twelve new body styles—and are available with the widest selection of interiors in Cadillac history. Even if you have never before considered a Cadillac—you should take a journey in this one. It's Cadillac for 1962. You'll be hearing a lot about it.

The Fashion Outlook

Every woman shopping for clothes this fall should be able to find a fashion shape to please her. The shapes are many, but they all have in common a relaxed, easy-fit look that gives them the fashion stamp of the season. This is not a time for an all-out "way out" style upheaval. Fashion historians remind us that when the world situation is in great stress, we're not likely to alter our mode of dress dramatically. So don't expect to be startled, but expect a gentle, comfortable transition from last spring's fashions.

If you're buying or making a dress, for instance, you'll want to consider one of four fall '61 fashion shapes:

FLARED one piece dresses form a gentle flare from shoulder to hem (not ignoring the waist line, but not hugging it either). Two-piece dresses may flare twice, hipbone and hem.

LOW WAISTED Almost flapperish are the short-skirted dresses that hang straight (or slightly danted) to upper hipline. Then skirt goes any which way: pleated, flared, dirndl (soft pleats or skimpy gathers).

STRAIGHT HANGING The undanted columnar line is strictly a two-piecer, often back-buttoned. It doesn't cup under the derriers, nor shift when you walk. It looks "well bred".

BLOUSED The bodice we've loved for years is even more air-blown, crooping over a waistline belt or connected to skirt below the waist. Skirt may be pleated, flared or loosely straight.

If you're getting a new suit or coat, you may expect these same style lines. Many designers suits feature a bulky look that is semi-fitted under the bust and has inflated sleeves and skirt. Most mass-produced suits follow the ever-loved Chanel lines.

Slated to be the most popular coat shape is one so flared as to be almost cape-like, with low-placed sleeve openings. In fact the cape itself is "in" again. There will be a few cocoon-shaped coats (concave in front) (curved in back as though molded by a strong wind).

The several-piece ensemble termed the "Layered way to dress" is an even stronger theme

than it was last fall. Coats match suits, toppers match jacket dresses.

Look for these fashion details to give fall 1961 identity to styles. Big buttons, asymmetrical lines — almost all closings are on the side or on a diagonal. Welt seam self sashes. Bulky self scarves on the neckline. Cowl collars — on coats the cowls are huge. No collars, especially on suits and coats.

Mrs. Frank Straus of Dallas was here recently as houseguest of her sister and husband, Mr. and Mrs. J. H. Barnard. Accompanying Mrs. Straus to Floydada were friends of the family, Mrs. Jean Patton and Mrs. W. S. Montgomery, also of Dallas.

Mrs. W. L. Hallmark Jr., of Lamesa, sister of Mrs. W. O. Baker, Floyd Lawson and Gene Lawson of this city, was expected to be able to return to her home today or tomorrow from St. Tech Campus. Show hours are from 8 a. m. until 10 p. m. Four hundred dogs are expected to enter Monday and is reported progressing nicely at this time.

Mr. and Mrs. J. T. McLain if, was a supper guest Sunday spent from Monday through Thursday of last week in Amarillo visiting their daughter and family, Mr. and Mrs. Roy Tyler.

Paul E. Rogers To Preach Here October 2 - 8

Whirlwinds Squeeze Dimmitt 8 Score

Floydada Whirlwinds bare against the Dimmitt Bobcats a season record clean sweep. The whirlwinds came out on the score most every game owned most every game in the statistics at the Winds a big night last Friday.

The whirlwinds always know when a razzle dazzle team is playing and they played at head and tail of the Dimmitt boys. They were on Floydada themselves playing and trying to guard the score than 65 per cent.

Floydada Wins Five Games In Week of Football Play

September 18 through 22 was a good one for Floydada football teams as they went undefeated in five starts.

On Tuesday night the junior high teams took a pair from Spur with the 7th winning 28 - 6 and the 8th winning 18 - 0.

On Thursday night the Floydada Freshmen downed a good Olton team 16 - 6 and then the Floydada B team took the measure of Tulia B by a 22 - 0 score.

To wind up the perfect week's work the Whirlwinds slipped by the big Dimmitt Bobcats by a 12 - 8 score.

District 2AA Has Only Fair Season Record

District 2AA teams have only a fair record against outside competition today. In 22 games played district teams have won 11, tied one and lost 10. Morton is on top of the heap with a 4 and a record and the loop's hottest of fense with 133 points.

Floydada is second with a 3 and 0 mark the second best of fense and the stingiest defense allowing only 8 points in three games.

Lockney has a 2 won 1 tie and 1 lost record and is just above the .500 mark. Olton has won 2 and lost 2 while Muleshoe has dropped three straight against rugged competition and Abernathy has been unsuccessful in four starts.

Mr. and Mrs. Everett Miller, Mr. and Mrs. Jon Parkey, Mr. and Mrs. Chloma Williams, Mr. and Mrs. Milton Evans and Darrel Mrs. Mather Carr, all from Harmony.

And Mr. and Mrs. Whitie Howe, Allmon, Mrs. Loula Laid, McLean, and the host and hostess, Mr. and Mrs. Snodgrass. Every one enjoyed the supper and hospitality very much. Some of the fish that were served weighed 26 and 16 pounds.

The Community met Thursday night at the Community Center at 7 p. m. for a hot dog supper and a talk from Bob Miller, from Lockney, on Civil Defense. Supper was served in the building as the guests arrived. After the big crowd was served the president, Bob Hopper, opened the business meeting and at the close of the business session Mr. Miller gave his talk. The talk was enjoyed by all but was hair raising about what might happen to us and it put us to thinking more seriously. We hope and pray that this doesn't happen.

Mrs. H. C. Nelson, of Dimmitt, was a dinner guest of her cousin, Mrs. Mather Carr, Thursday coming down for her mother who had been visiting her niece, Mrs. Carr.

Mrs. Sneed and son, Riekie, of Blanco, were visitors Sunday morning at the Chapel. Rev. Merriman filled the pulpit both Sunday morning and night at the Chapel. They were dinner guests in the Wesley Carr home. The Merrimans visited in the afternoon in the home of Mr. and Mrs. M. D. Ramsey.

Marvin Smith was a fisherman Saturday and Sunday in Stamford Lake. No luck.

Mr. and Mrs. Marlin Smith, Mr. and Mrs. Chloma Williams and Mr. and Mrs. Horace Carr visited with Mr. and Mrs. Marior Tucker after services Sunday night.

Quite a number of the community attended the Golden Wedding of Mr. and Mrs. C. O. Spence in Floydada.

Mr. and Mrs. R. B. Gary visited in Crosbyton Friday with their daughter, Mrs. Elmer Williams and Mr. Williams.

Mr. and Mrs. Allan Gross were guests Friday of Mr. and Mrs. Gains Teeple of Floydada. The Gross' visited Sunday with Mr. and Mrs. Fred Gross, of Sand Hill and Sunday afternoon with Mama Teeple.

Mr. and Mrs. Everett Miller spent Saturday and Sunday in Snyder with Mr. Miller's sister Mrs. Bob McCormick, and family.

Visiting with Mr. and Mrs. M. D. Ramsey Wednesday were Mr. and Mrs. Marvin Smith and Mr. and Mrs. Sherwood Ramsey.

Mrs. Bill Finkner, of near Petersburg, visited Thursday with her parents, Mr. and Mrs. M. D. Ramsey. Also visiting in the Ramsey home Thursday was Mrs. Floyd Trowbridge. Mrs. Trowbridge also called on Mrs. Mather Carr Thursday.

Mr. and Mrs. Bill Edwards visited from Sunday until Friday in San Antonio with their daughter-in-law, Mrs. Vernon Edwards and children.

Several attended the Fair at Lubbock Monday. Our school, Floydada High School, won second place in the band marching. We think this was good as there were supposed to be 50 bands marching. We thought they were all good.

Dwana Beth Scott, who is attending West Texas College, Canyon, spent the weekend home with her family, the Zant Scotts.

DR. BREWER ATTENDS CHIROPRACTIC SEMINAR
Dr. S. Dale Brewer, of Lockney, has returned from Ft. Worth where he attended an educational seminar of the Parker Chiropractic Research Foundation. While there Dr. Brewer signed a pledge to encourage graduates of Schools to attend the Chiropractic School to take care of the ever growing demand for chiropractic health service.

Mother Of Roy Woods Succumbs

Mr. and Mrs. Roy Woods left for Jacksboro Friday morning where they went to attend the funeral of his mother, Mrs. Flora Nan Woods. Services were conducted in the First Baptist Church at Jacksboro with burial in Dark Corner Cemetery there.

Rev. A. R. Bilberry, retired minister, and Rev. Bill Merrett, pastor of the First Baptist Church officiated. Burial was under the direction of Hawkins Funeral Home.

Mrs. Woods died late Wednesday of last week in Peoples Hospital here where she had been a patient for two months. She had been critically ill for several weeks.

Mrs. Woods had come to Floydada to reside with her son and was later stricken quite ill. Formerly she made her home with a daughter in El Paso.

Mrs. Woods had lived in Jacksboro some 50 years.

Surviving in addition to the local son are four daughters, Mrs. Jim Hamm of Abilene; Mrs. Marrie Hawkins, El Paso; Mrs. Flossie Kee, Lubbock; and Mrs. Althea Lane, Bakersfield, Calif.; three brothers, O. K. Kinder, Goshen, Calif., Tom Kinder, Crahoma, Otho Kinder, Electra; One sister Mrs. Allie Burton, Jacksboro; 17 grandchildren, 32 great grandchildren and seven great-great grandchildren.

John R. Freeman of Lubbock was a house guest from Thursday until Saturday with his daughter and her husband, Mr. and Mrs. Dorris Jones.

Lakeview News

Lakeview News
By Mrs. Q. D. Williams

Lakeview, Sept. 25 — The Lakeview Home Demonstration Club meets today, Thursday, September 23 with Mrs. W. Earl Edwards. A film on the International Peace Park will be shown. The Wayland Jones family, Mi Blanco, visited the Fred Jones family Sunday. They all traveled to Edmondson that evening for dinner with the Junior McNellys.

Lakeview residents at Friday nights Floydada-Dimmitt game included the Dec Adams, Fred Jones, Clifford Helms, Howard Bishops, and Warner Johnsons, Duane McClintock, Homer Nerrys and Milton Harrison.

Miss Bonnie Helms looked very fashionable at the game wearing a magenta sweater and skirt and a white mum. All of our Lakeview girls looked pretty. Bonnie went on to the after-game party at the First Methodist Church. Isn't it wonderful of the parents to plan these gatherings for the students? Bonnie said everyone had such a good time.

The Tri-State Fair at Amarillo and the Ice Capades drew the Warner Johnson family over the weekend. They visited Warner's cousin, Mrs. Denzil Nelson and family.

Roland Adams, James Williams, Rex Harrison and Rodney Bunch played in the Floydada-Spur Junior High football game Tuesday. This week they went to Tulia.

Mrs. Joe Thurston is in Albuquerque, N. Mex. this week with her daughter, Mrs. Joe Andrews and baby daughter, Janet D'lene. The little girl was born September 20. This is the first grandchild for Alta and Joe.

The Lubbock Fair drew most of our community Monday. Mrs. Warner Johnson, Norris and West-

ley, Mrs. Gene Johnson, Shirley and Larry, Mrs. Q. D. Williams, James Monty and Jack Osborne, Mrs. Clifford Helms and Bonnie, Judy and Mark, Mr. and Mrs. Milton Harrison, Mr. and Mrs. Duane McClintock and their children.

Cotton harvest is ready to go just waiting for the bolls to pop open.

FARM & RANCH HOUSE OWNERS More Insurance — Less Money! ! !

After Oct. 1st we are able to provide a new broad coverage, low-cost insurance policy to the owners of the many better-type farm homes in this area.

Until now, this new package policy has been available only on city properties, but the FARM & RANCH OWNER'S POLICY has been designed to give you the best possible coverage at the lowest possible cost. More likely than not, you can carry this new policy with all its advantages for less money than you now pay for a basic policy.

Give us the opportunity to explain this new policy to you, and to compare its premium with what you now pay for much less coverage — we guarantee that you will be pleasantly surprised by its broader scope and its premium.

Drop by the office, or give us a ring and we'll come to you.

The gas-saving "4" with Pontiac Punch!

PONTIAC TRIGGERS ANOTHER TEAM OF WINNERS. Every one is a fancy mover. Convertible. Sedan. Wagon. Two Coupes. Choice of 110, 115, 120 or 140 h.p., gas-saving 4-cylinder engine. A couple of extra cost options: Put on a 4-barrel carb and get 166 h.p. The citizen who wants even more can go for an aluminum V-8 option that pulls 185 horses.

TEMPEST HAS INDEPENDENT SUSPENSION—FRONT AND REAR! Each wheel (and it's a big 15" one) moves up and down independently of the opposite wheel. There's no solid axle in the rear. Result: Firm ride on pavement, soft ride in the boondocks! Swing axles in the rear help the Tempest to carve out clean, firm curves.

TEMPEST HAS A FRONT ENGINE/REAR TRANSMISSION! (The only American car with this feature.) It gives Tempest equal weight at every wheel. It has biting traction on the bricks or in the mud. Tires last longer. Brakes take hold like they mean it. The front floor is practically flat (no big hump in the middle). Tempest seats six—easily!

PLUSH NEW SERIES—THE LE MANS (LUH-MAHNZ). The Tempest Convertible and Coupe are out this year in special custom trim. Call them the Le Mans! They both have sports-type bucket seats, full carpeting, floor mounted stick shift, acceleration rear axle option—no extra cost. Extra cost option: 4-speed gearbox. Take one out—it's a going machine!

Drive America's only front engine/rear transmission car... it's balanced like none of the others!

OUR PURPOSE IS TO SERVE

THE FARMER THE GRAIN INDUSTRY

WE BELIEVE THAT THE COMMON INTEREST OF OUR FARMER FRIENDS AND OUR COMPANY CAN BEST BE SERVED BY PARTICIPATION IN THE PROGRAM OF THE GRAIN SORGHUM PRODUCERS ASSOCIATION. AS THEY SEEK EQUITABLE LEGISLATION, INCREASED LOCAL FEEDING AND EXPANDED MARKETS AT HOME AND ABROAD. WE THEREFORE WHOLEHEARTEDLY ENDORSE THE AIMS AND PRINCIPLES OF THE ORGANIZATION IN THIS PROGRAM OF PROGRESS FOR THE MILO PRODUCER. WE SOLICIT YOUR CO-OPERATION IN JOINING WITH AREA PRODUCERS THROUGH A DEDUCTION OF TWO POUNDS PER THOUSAND OF GRAIN DELIVERED TO OUR ELEVATORS LOCATED IN THE PLAINS AREA. THIS IS THE SOURCE OF MEMBERSHIP AND REVENUE ON WHICH THE ASSOCIATION BASES ITS ENTIRE PROGRAM. THIS SMALL AMOUNT OF GRAIN WILL BE DEDUCTED FROM YOUR ACCOUNT AT TIME OF SETTLEMENT, IF YOU WISH US TO DO SO. WE HONESTLY BELIEVE THAT THE BENEFITS FROM THE WORK OF THE GRAIN SORGHUM PRODUCERS ASSOCIATION IN RESEARCH, MARKET DEVELOPMENT AND SERVICE WILL BE RETURNED TO YOU AND TO US MANY TIMES ABOVE OUR SMALL CONTRIBUTIONS.
