

Public To View New School Building Sunday Afternoon

MAKES PERFECT SCORE. Dr. John W. Kimble, left, captured the Glad's Men's Store football winner guessing prize, inaugurating first week of the football season, with a perfect score! Kimble got eight winners, two ties and the breaker. The prize was \$10 in merchandise. Frank Stovall was the second week winner. Floydada Independent School District Board of Education voted Tuesday night to hold open house at the new Della Plains School on Sunday, October 8. Visiting hours will be between 2:00 and 5:00 p.m.

The new school building was started last spring. South Plains Steel Structures of Lubbock were the builders. The building represents a new design for Floydada schools as steel was used prominently throughout.

The school plant was constructed following a \$123,000.00 bond issue vote held early this year. Construction costs not counting inside equipment or real estate totaled \$119,190.00.

The new school is located at the north east corner of the original town section, alongside the Silverton highway and fronting on the south. The plant is to replace the present North Ward buildings that are too small and situated on low grounds that several times have been covered by high water.

Superintendent I. T. Graves members of the school board, and Della Plains faculty members will be on hand to guide visitors through the building Sunday afternoon.

The school will not be occupied until Monday, October 16, as equipment will be moved from the old location into the new building on Saturday and Sunday preceding that date.

Regular Business Session Held. The regular first Tuesday night business session of the school board was held with all members present. Superintendent Graves explained a plan that could be used next school year that may relieve the crowded situation at Andrews Ward School. This would be to move two of the four fifth-grade sections to junior high school, making more room for the constantly growing lower grades.

Andrews Ward now has an enrollment of 746 students with 194 of these in the first grade. The first grade now has seven sections and the peak probably will not come until around November 1.

The above mentioned plan is expected to take care of the situation for a year or two.

Transfer From Crosby

The board approved a junior high transfer from Farmer community in Crosby County. He is to pay \$15 per month tuition above state aid. This was figured as actual cost to the school. High school transfers from out of county are now paying \$25 per month on this same basis.

The board also voted to allow one colored student from Matador to work out his tuition at Della Plains school. The student being above 21 years of age was not covered by state aid monies. Matador district felt it could offset transportation to this student if Floydada could handle him on this basis.

Mr. Graves was given authority to add a substitute teacher at Andrews Ward during the harvest season if this is required.

The board hired Billy Joe Ferguson as a school bus driver. Bond for Mrs. Bennie Liebfric, the school secretary, was raised from \$5,000 to \$10,000 to meet state requirements based on daily tax collections.

The board voted to continue to carry liability insurance on school buses, drivers, and school board members, though the state board of education makes no provisions for payment of such premiums.

Next regular meeting date will be first Tuesday in November.

Youthful Crash Victim Buried Last Thursday

Mr. and Mrs. Hosea Phillips were in Petersburg Thursday for the funeral of Ray Ashley, son of Mr. and Mrs. Bud Ashley, and harvesting quality cotton. Ashley is a niece of Mr. Phillips.

The young man who would have been 15 in December, was injured in a motor-scooter-car accident in Petersburg on Tuesday of last week and died from his injuries in the Plainview Hospital that night.

Rites were conducted in the First Baptist Church in Petersburg with burial in Petersburg cemetery.

Canyon Eagles Whirlwind Foe Friday Night

The Floydada Whirlwinds make one of their longest road trips of the season Friday night when they go to Canyon to engage the big Canyon Eagles. The game could well produce the toughest competition the Whirlwinds have faced so far this year.

Coach E. J. Webb's Eagles are big and they have experience. At the start of the season they were tabbed as having eight returning starters and a big roster of lettermen. Actually the Eagles have almost all of the boys they started last year against Floydada though some have been beaten out this year by team mates and are now riding the bench.

Lose Games Only To Power Houses

In early games the Eagles have not been as impressive as was expected but still have a solid team and own a 2 - 3 record. Their wins have been over Star, Andrews Ward School, This and Sunray while their losses have been to such powers as Perryton, triple A Herford and Phillips.

The purple and white usually start Wayne Rutherford, 160; and Warren Rutherford, 152 at ends; Tim White, 177; and Jess Streets 186, at tackles; Terry Funk, 170; and Ralph Cabe, 170, at guards; Ronnie Harris, 194 at center; Gail Cox, 150 at fullback; Davis Price, 170, at quarterback; and Harry Leslie, 150; and Doug Ward, 151, at halves.

Coach Charles Tyer, his staff and the Whirlwinds have been working hard this week to polish their attack and to plug some of the leaks in the defense. He has not announced any definite changes in the line-up early in the week but was hoping to go with much the same regulars as have been used in the past games.

Some team members have been on the sick list and some have had minor injuries but most were expecting to throw them off before game time.

Seating should be no problem at the games as Canyon high school usually plays on the West Texas College Field where well over 20,000 seats are available. The Whirlwind band will make the trip and a big half time show featuring the two school bands should add color to the contest. Last year Floydada defeated Canyon on the local field by 22 - 0 score.

Former Associate Dies In Ft. Worth

Mr. and Mrs. Jack Deakins are expected home today from Fort Worth where they attended the funeral of J. A. Nelson, 80, Wednesday morning at 11 o'clock.

Mr. Nelson died in a Fort Worth hospital Monday night. For more than 20 years - 1927 to 1949 - Mr. Nelson was associated with Mr. Deakins in the operation of Floydada Theatres, and was interested also in the theatre business in Paducah. Mr. Nelson is survived by his wife and two daughters. Mr. and Mrs. Deakins went down to Fort Worth Tuesday and expected to be home today.

Goodwine Enters Air Force

Jim Goodwine reported to Amarillo on Monday of this week to start a four year hitch in the US Air Force. He was flown from Amarillo to Lackland Field at San Antonio where his training will start.

Goodwine has been a resident of Floydada for the past year, and was store manager at Haggood's Department Store. He had quite a reputation over the area as an advertising man and as a window and store merchandiser.

THESE YOUNGSTERS atop the monkey bar erected at Andrews Ward School recently, are giving a demonstration of how much fun the athletic bars can be. They are Phyllis Burton, David Battey, and Larry Jones. Standing beneath the trio are Mrs. Gail (Mack) Hickerson, Mrs. Jovye (George) Spears and W. P. Nicholson, principal of the school. Tolya, Mrs. Hickerson's daughter, in mother's arms has a few years to go before she can try out on the bars. The play equipment was a gift from the 1956 Study Club of which Mrs. Spears is president and Mrs. Hickerson, a member.

Dedication Deed Filed Tuesday Adds 22 Sites to Dwelling Area

Dedication deed opening Unit not raised as a commercial enterprise, according to plans of Mrs. Hollums. Mrs. Hollums announced that Masonry or masonry veneer trim of not less than 10 per cent bids are being received for the paving and that contract will be let as soon as utilities have been provided. The streets of the area will be paved and other utilities provided.

About 22 building sites are planned in the unit, covering an area of four blocks, bounded on the west by an extension of Eighth Street.

An extension of Marivena Avenue will run between the blocks. Two new streets, Kizzie Drive and Douglas Street, are planned as north and south routes for traffic.

Restricted to single family dwelling units, with a minimum of 1,000 square feet of living space no temporary structures, including trailers, tents, shacks, barns or other outbuildings will be permitted, and no dwellings or other buildings of a permanent nature shall be moved into the addition according to the provisions of the dedication deed.

Also no animals, livestock or poultry, may be kept in the addition, except pet cats and dogs. Some team members have been on the sick list and some have had minor injuries but most were expecting to throw them off before game time.

Brother of Earl Bishop Succumbs At Hearne Home

Mr. and Mrs. Earl Bishop, Mr. and Mrs. Holt Bishop and Mrs. Riley Teague returned last week end from Hearne, Texas, where they were called by the death of Earl Bishop's brother, Hines Bishop, 77, who passed Wednesday morning.

The funeral was held Thursday afternoon at 3 o'clock at Hearne Baptist Church and interment was made at Mt. Vernon Cemetery east of Calvert.

Among the survivors are his wife, four daughters, and two sons. Hines Bishop was a member of a family of 14 children, of whom two brothers, including the Floydada brother, and four sisters, survive.

MARY STARKEY

Local Girls Vie In State Events

Two Floyd County misses, who have achieved with success in their 4-H Club activities, are representing the County in two different state contests, one at Dallas, the other at Waco, this week end. They are Janice Miller and Mary Starkey.

Hail Whips Thru County With Heavy Crop Damage

Despite a rosy overall prospect for the fall harvest, as cotton and maize movements to gins and elevators mount, a severe blow to the economy was struck Friday afternoon when a strip of highly developed farm land was hit by a freak hail storm.

An area a mile to two miles wide extending all the way from Allmon eastward across the south part of the county was in the affected area. The damage varied from light to heavy. Several hundred bales of cotton were lost as well as several tons of forage crops. Estimates on the loss vary widely from farm to farm.

Weims Norman, who traversed the stricken area by plane after the hail, said it did more or less damage from the northeast part of Allmon district eastward through McCoy, Starkey, Lakeview and Pleasant Hill, and on across south of Dougherty, where its trail led out of the county into Motley. It whipped along north of the county boundary between Floyd and Crosby but little or no damage was done in Crosby that Norman noted.

"The hail cloud skipped and jumped," he said, making a ragged pattern. Rainfall varied from 1.3 to light sprinkles. Floydada had 8-tenths of an inch of rain, and Muncy had 1.3 inches. Other rain reports vary considerably. Rain washed some farming land in the vicinity of Lakeview.

Frost Makes Close Call. Additionally disquieting was the close approach of the frostline to Floyd County Monday morning. Light frost was noted on rooftops and an occasional motor vehicle top and windshield, but tomato growers said their crops escaped. Westward only 70 miles the frost killed some tomato crops and defoliated some cotton.

Late cotton needs all the days of grace that a late frost would afford, and the same is true of late maize. Temperatures ranged as low as 36 in Floydada on the coldest mornings of the week. Some cotton has been coming in to Floydada gins though ginning has not been brisk by any means Gins having labor houses

and field hands have been getting a big part of this early pulling mission opened an office in Floydada this week. C. O. Spence will serve as the field man here and north of town reported complete will be located in Floydada Chamber of Commerce offices. Spence said he was looking for some 40 to 50 field hands to fill these. Corley day mornings through Saturday noon. He will appreciate a call if with fields ready to be entered as soon as help is located.

Employment Office Opened

The Texas Employment Commission opened an office in Floydada this week. C. O. Spence will serve as the field man here and north of town reported complete will be located in Floydada Chamber of Commerce offices. Spence said he was looking for some 40 to 50 field hands to fill these. Corley day mornings through Saturday noon. He will appreciate a call if you are looking for harvest help or from laborers seeking employment.

by Cecil Lewis Many Floyd County cotton farmers are now thinking about using cotton defoliants and desiccants on their cotton. The Texas Agricultural Extension Service strongly recommends that you stop by the County Agent's office and pick up a copy of the "1961 Cotton Defoliation Guide for Texas".

The new guide lists the available cotton defoliants and desiccants as well as the proper rate and concentration for applying each of the chemicals. The guide stresses the fact that defoliants and desiccants should be used only on mature cotton. It is recommended that cotton be at least 60 percent open and the remainder mature before a desiccant is used.

Keep in mind that a desiccant acts similar to a frost and that it kills all of the leaves and the plant. The action, however, is less abrupt than a killing frost because it takes the desiccant a few days to kill cotton plants whereas a killing frost is a more instant type action and an immediate shock.

Defoliants do not kill the plant but instead cause the mature leaves to drop off, which is the reason defoliants can be applied with a smaller percentage of the cotton open. The guide points out that research at the Lubbock Station has shown that too early application (30 percent open bolls) of either a defoliant or desiccant has reduced lint yields as much as 175 pounds per acre. On this same test the cotton that was treated early graded wasty while the untreated cotton treated too early with a defoliant or a desiccant which is not treated or is treated at the proper stage.

This is not to say that cotton defoliants and desiccants do not and harvesting quality cotton. Ashley is a niece of Mr. Phillips. They very definitely do. However for top quality cotton and maximum yields, wait until 60 percent is open before applying a defoliant or 80 percent is open before applying a desiccant. Keep in mind that many of these harvest-aid chemicals are very poisonous. Be sure to read the labels on the containers carefully. Defoliants do not kill the plant but instead cause the mature leaves to drop off, which is the reason defoliants can be applied with a smaller percentage of the cotton open.

THE HIGH COURT MEETS

U. S. Supreme Court resumed sessions this week with the usual fanfare. The nine-member body has had three months of vacation and now has more than a thousand cases up for adjudication, a pretty fair stockpile of work.

The high court has been piling up headaches for the future since the inauguration of the former California governor as chief justice. The sound and fury over integration has the court by the ears, even more pronounced than during the labor matter in the Roosevelt administration. All of us get most righteous when we begin making somebody else somewhere else do the right thing.

BUILDING FALLOUT SHELTERS

There is a general agreement among the scientists that there is little likelihood of surviving a nuclear blast if one lives within close range of a bomb burst. If the initial shock does not produce death the heat and rays will be effective shortly afterward.

But for those who happen to be farther removed from the blast the scientists say that a large percentage can survive if they make adequate preparation. What constitutes adequate preparation and how one can provide it for his family is a question. If one takes the advice currently being given, builds a shelter, then finds it is inadequate he has spent his money in vain.

MATTER OF DOLLARS AND CENTS

For many the problem of providing shelter on a family basis against nuclear disaster is one of dollars and cents. The cost is variously estimated at from \$700, the lowest figure we have noted, to \$3,000. Whatever one does must be predicated on the fact that all the services we ordinarily depend upon, will be put out of commission, like lights, water, natural gas, food supplies, sanitation. Trying to provide a shelter that will be a makeshift to take the place of all of these for a period of several days, seems to us to be quite an undertaking.

DEGREES OF DANGER VARY

One H-bomb authority, a scientist often quoted in the news, says that nuclear war does not necessarily mean the end of everything. He points out:

One third of our people would not even be in danger, because they don't live near targets the bombs hit;

One-third can be protected by fallout shelters; One-third would be in trouble, but they could have a 70 per cent chance of survival, if given decent shelters.

In other words, it is simply not true that if war comes, everything is hopeless. But the question of how to prepare looms. And that is the controversial part, the expensive part.

FEAR IS A POWERFUL FORCE

Whether there will be hysteria over fallout shelters is to be seen. At the moment there is a build up in the minds of the populace in this direction. And how will the frantic thousands who can not prepare their own shelters be provided for?

For one thing, how can a home owner, who provides his family a shelter assure himself that when the blast hits his cave may not already be taken over by others when he starts underground with his brood. It happens that way when people get fear-crazed over a cyclone.

LETTERS TO THE EDITOR

Somehow or other The Hesperian's editorials rarely get a response from the public, either pro or con. Nobody ever writes the editor. One result is that we have an inferiority complex. Anybody who uses as many words as this department does week in and week out, ought to say something, quite often, surely once in awhile, that would strike a spark.

At last we have one, not controversial as to the content but as to words. It is from a Beaumont, Calif. man who has tender sensibilities, he says, regarding the use of the possessive "its" with an apostrophe. He is Mr. R. A. Coverdale, who owns Floyd County land and reads The Hesperian, has for many years. He thinks writers and typesetters ought to know, or learn, better.

We appreciate Mr. Coverdale's feeling in the matter. The writer, who whipped right on through the seventh grade with flying colors, knows better and does better. Its them typesetters Mr. Coverdale.

Most business problems require common sense rather than legal reference. They require good judgment and honesty of purpose rather than reference to the courts. — Edward N. Hurley.

Eating Crow. They say that crow is tough and stringy and that eating crow is a real task. Presumably this writer is due to have an overflowing plate of it to consume before the week-end. The weather bureau keeps reporting one cold front after another, with the thermometer dipping a bit more every morning. The fact is, they say, that ere this squib is printed the frost or cold already may have hit. When and if it all proves true we have a good alibi. Nature mis-called the signals. We can only report what we see.

Riding a Rail. Some of these fellows with late cotton and feed will be likely to form a party to ride the head of this department's carcass out of town on a rail if the weather is, indeed, as cock-eyed as it now appears. While we feel complimented at the suggestion of being the honoree at a party, we hope the rail is to be a large round elm and not one of these knotty, twisted and gnarled mesquites. Many a good man has lived a long life without having a party given in his honor. At that our enthusiasm is quite restrained.

September Hail. The weather this year and last has dished out unusual phenomena, not the least of which is fall hail storms. Last year an October hail damaged some crops. This year on Sept. 29 some quite promising cotton crops took rather extensive damage. Once upon a time, the old settlers recall, if you passed June and early July, there'd be no hail that year. Cycles must be changing, like Mrs. Spikes says.

Galveston Damage. No reason to assume the fire insurance companies have lost their senses, and are not paying their bills on the gulf coast. However, there is reason to assume that a good many wild statements will be made about settlements on damage claims. One of these is that on Galveston Island, with cyclone damage as well as hurricane winds that blew 150 miles per hour, the insurance adjusters found only \$32,000 liability. Fifteen hundred damaged houses, with several lives lost, adds up to more than that figure.

49th Armoured. Quite a bit of disruption in the economy of the state is due to be occasioned by the activation of the 49th Armoured. As we recall it this is to be made a fact on Oct. 15. The organization will go into training at Camp Polk. Most all the personnel has just begun to strike out in business and the professions. Some of them have already made their mark and will be replaced with some difficulty. It is some what distressing in view of the fact (as we see it) that it is just another bluff, any how.

The Reserves. The Forty-Ninth will be made up principally of reserves, as intimated above. It is always the reserves who fight the wars. The regular army never is willing for the reserves to have ample training equipment in times of peace. When the war clouds gather the reserve like Kipling's soldier, becomes an important personage.

Grasshoppers. Lots of grasshoppers around in turn rows and along fences. Would that denote a probable heavy emergence next spring? Possibly these we have around this fall are not the kin that back up to ground and plant a nest full of eggs.

Yong Brothers Called Greatest Equilibrists

One of the greatest trio of acrobats ever seen in America will perform in the Ringling Bros. and Barnum & Bailey center ring this year.

These handsome and talented young equilibrists are Walter Johnnie and Jeannie Yong, brothers and sister, and even veteran circus performers are agreed that their bag of tricks is incredible.

At one point Johnnie walks on his hands balancing Walter aloft on his feet in a handstand. In another trick, Jeannie, in a contortionist's backbend, supports both Johnnie and Walter doing handstands.

For their concluding exercise the brothers do a combination handstand that has never been duplicated anywhere. On a high platform Johnnie on one hand while Walter, likewise on one hand holds his body, aloft from a firm grasp on his brothers neck.

Both young men are splendid athletes and have triumphed in tournaments held both in this country and abroad. The Youngsters were reared in the circus tradition and are third generation performers of the big top.

The Yongs as well as many acts imported this year from Europe and the Orient have been welded into a performance that makes the 1961 edition of the Ringling-Barnum & Bailey Circus,

the greatest and most spectacular in the long and honored history of The Greatest Show on Earth. More than 300 human and animal performers comprise the personnel of this vast amusement institution which comes to

Broadway News

By Mrs. T. E. Thornhill

BROADWAY, October 2 — The Rattler's are still crawling. D. D. Thornhill spotted one out near his farm implements Friday afternoon, but the rascal crawled under a building before he could get anything to kill it with, so now we are all looking for that one or another, it might even decide to come on up to our place.

Tuesday afternoon of last week Mrs. D. D. Thornhill had as her afternoon visitors, Mmes. Home Smith, Conda Starrett both of Crosbyton, and Mrs. M. R. Givens.

Wednesday afternoon late of last week Mr. and Mrs. Bill McCray and girls of Shallowater came by and ate watermelon with us, the T. E. Thornhills.

Mr. and Mrs. Curtis Leatherwood of Amarillo spent the week-end visiting his parents, Mr. and Mrs. C. B. Leatherwood and with her parents the Hubert Halcombs in Crosbyton. They also came down to get acquainted with the little new niece, baby daughter of Mr. and Mrs. Kenneth Sellers.

The Ladies Club will meet the second Thursday which will be October 12 in the home of Mrs. T. E. Thornhill. The demonstration will be on Christmas trees and decorations. Everyone come.

We drove to the L. R. Rain bolts Saturday morning to see how much damage the hail storm did over there Friday evening of last week but it was so muddy we could not get up into the field.

It is such a shame that every time it comes up a cloud some one seems to get a hail. How we do hope the hail season is over.

Some few around are beginning to get a little cotton pulled. Kelton Winegar has had his cotton down on the McCracken place gone over and sounded like he yield was mighty good for the first going over and it this early too.

Max Rathel of Crosbyton was a Thursday over night visitor with Tommy Thornhill.

Seems like our weather is all mixed up as this past week it has been high wind every day, about like March weather.

Quite a number of our neighbors are really getting into the Fall decorating spirit. Mrs. Cecil Berry and Mrs. M. R. Givens have both been doing some inside painting.

Mrs. J. M. Bennett of Crosbyton, the former member of our community, was honored with a surprise Birthday party at her home in Crosbyton Friday afternoon of last week.

Mrs. Minnie Crausbay visited awhile Tuesday with the J. B. Marleys, as did Mrs. Vivi Griffin, Miss Yvonna Marley visited her grandparent one afternoon last

week Friday afternoon Mrs. J. B. Marley visited in both Mrs. Doris Lemmons and Mrs. Lizzie Crausbay's homes.

Bro. and Mrs. L. E. White and daughter Karen visited in the home of his sister and family in Paducah after church Sunday morning. They were expecting to be met there by three more sisters whom they had not seen for quite some time. We are sure they had a very good time together.

Sunday Mr. and Mrs. R. M. Spence of Floydada visited their daughter and family The T. E. Thornhill's. Mrs. Spence also attended church with Mrs. Thornhill home were Mr. and Mrs. D. D. Thornhill.

Tommy Thornhill was a Sunday dinner guest of Max Rathel in Crosbyton.

Mr. and Mrs. Homer Smith of Crosbyton were callers Sunday afternoon in the M. R. Givens and D. D. Thornhill homes.

Jan and Loraine Sellers, children of Mr. and Mrs. Kenneth Sellers, visited their grandparents Mr. and Mrs. C. B. Leatherwood several days last week while their mother and their new baby sister were in a Lubbock hospital.

Sunday night the lightning sure ly did pop and crack. Then suddenly the electricity went off and rained real hard for awhile with the wind really blowing. This Monday morning the sun is still shining but still the wind is popping. And as usual on Monday morning the telephone will not ring through to the McAdoo lines, so all please forgive us for not getting any more news.

Quite a few Mexicans have moved into the Community to help gather the cotton. If the weather will cooperate the Gins will soon be running full blast.

Great Plenty Of Foods On October List

COLLEGE STATION — Grocery shopping can be truly pleasurable when there's an abundance of many items. That will be the case in October, when Texas food markets will abound with nearly every item that makes up the average food shopper's needs, according to the Texas Agricultural Extension Service.

The U. S. Department of Agriculture's official plentiful foods list for October features apples, potatoes and broiler-fryers. It also points to huge supplies of six other important foods: cheese, rice, turkeys, beef, cranberries and vegetable fats and oils.

These foods are cited from among the many items in fall abundance because USDA's Agricultural Marketing Service expects supplies of each to exceed normal demand. That means you as a consumer, will find available a greater choice of quality and you can expect prices on these items to be lower, in keeping with the huge supplies.

Full shipments of apples will reach their peak in October. And this year's crop is estimated at 15 percent more than last year. October 12 to 21 is National Apple week.

Potatoes will continue plentiful all month at low to moderate prices. The fall crop is 10 percent greater than in 1960. Broiler-fryers, of course, have been plentiful and low-priced all summer.

There's plenty of cheese to make October Cheese Festival exactly that. Stocks of American cheese are almost a third greater than they were this time last year. Similar supply conditions exist for all other plentiful items.

vealed at a later date. Last week on the 27th the club was entertained by Mrs. Gus Hammonds as hostess for their regular weekly meeting. Mrs. Mac Ward presided as president and Mrs. Jack Ross as secretary.

Roll call was answered with "quality of good citizenship". The devotional was from Psalms 67. Mrs. C. A. Caffee was in charge of the program on "The International Peace Gardens" which is dedicated to peace and is located in the Turtle Mountains between North Dakota and Manitoba, Canada.

A film was shown of the Peace Gardens and one of the highlights was seeing the stone table mounted on the cairn with the inscription:

"To God In His Glory! We two Nations dedicate this garden and pledge ourselves that as long as men shall live, we will not take up arms against one another."

Members present for the meeting were Mmes. Ned Bradley, Johnny Cates, C. A. Caffee, R. H. Crawford, Gus Hammonds, Jack Ross, A. H. Kreis, G. W. Smith, Mac Ward, Robert Ward, J. T. Polvadore, and two new members, Mrs. C. E. Black and Mrs. Bob Vickers.

Charge Accounts New Departure At Beall Bros.

In advertisements in this week's Hesperian Beall Brothers Department Store in Floydada announces a charge account service to their customers.

Louis Anderson, manager at Bealls, says the service is basically a 30-day charge account with automatic budget terms which can be exercised at the customer's option when monthly statements are received.

Anderson goes on to state that a plastic charge card is sent to the customer and is used for account identification when charge purchases are made. The set-up is much like that used by oil companies and bills are mailed from Beall's general offices in Jacksonville, Texas.

The new service is being put into effect at once.

Dougherty Club Has Interesting Sept. Meetings

Dougherty Home Demonstration Club had 11 members and one guest present at their September 20th meeting, with Mrs. Hal Hines. Roll Call was answered with "games I like to play".

The program was on party planning and ideas and was given by Mrs. Robert Ward. She gave a demonstration on refreshments, decorations and games which could be used at either adult or children's parties.

A nominating committee composed of Mrs. C. A. Caffee, Mrs. A. H. Kreis and Mrs. G. W. Smith was named. These women brought their selections of nominees to the meeting yesterday when new officers were elected. The names of officers will be re-

Honor Couple On Anniversary Day

Reception was held in the home of Mrs. J. T. Terrell on their 58th wedding anniversary. The couple was in the home for dinner at the home of Mrs. J. T. Terrell and guests of Mrs. J. T. Terrell were in attendance.

Wheeler Chosen As Cubmaster Of Cub Scout Troop

Bill Wheeler has been named as Cubmaster of the Cub Scout Troop 57. He was introduced Monday night at a pack meeting by Glenn Jarnagin, outgoing scoutmaster. Mr. Wheeler is formerly of Lubbock where he worked with Scouts in that city.

Serving with him will be John R. Timmin, assistant scoutmaster, and Corkey Guffee, secretary. Jarnagin presided at the meeting of cub scouts and their parents in the Floydada Junior High School auditorium. A new Den, membership consisting of all new comers into scouting, was also formed during the business session.

Spring and Mr. Charley Douglas and her husband of Sulphur Springs, Tex.; a niece and her husband, Mr. and Mrs. Verdene Kirby of Big Springs, and a guest W. A. Shaw of Floydada.

Unable to be here for the celebration were three children and their families, Mrs. Tina Fae Forrest of Bremerton, Wash., Mrs. Coy Camp, Beaumont, and Mrs. Alice Crier of Grand Prairie.

Mrs. J. W. Smith greeted guests at the reception and assisted Mrs. C. N. Terrell in serving cake, coffee, and tea during the calling hours.

A rose colored nylon cloth overlaid the serving table which held a center arrangement of assorted colored fresh cut flowers. Crystal appointments were used.

Mr. and Mrs. Terrell were married 58 years ago on September 27th. They came to Floyd County in 1937, later moved to Amarillo and Children then back to Floydada this past June. Mr. Terrell is a retired carpenter. Both he and his wife are members of the Baptist Church.

The commander of the forces on Galveston Island are momentarily, we might say, in expectation of an attack from the enemy. No other vessels have arrived as yet, but they are looked for hourly. The defense of Galveston is the utmost importance. Should the Federals get possession of the island, they could operate to our great disadvantage and would amply us beyond measure.

We urge most earnestly our people to prepare for the contest. Unless Galveston is defended, the war may be brought to our doors and fireships. We would soon have the Commanders among us as the invading army of Lincolnites. Let them never obtain a foothold on Texan ground, and the reenactment of the scenes of Maryland, Kentucky and Missouri will be avoided.

The Citizen has heard it stated, as an instance of the trials and hardships our Texas boys have to endure on their journey, that when the Colorado "Echoes" commenced their march on foot, they very singularly divested themselves of all clothing, "save their nether garments," tied them in a bundle, threw them on their shoulders, and plunged into water and mud from knee to waist deep and prosecuted their journey in this manner; Is there another instance of the same kind on records?

Sand Hill News

By Mrs. James Jeffress

SAND HILL, October 2—Every one was out Tuesday morning trying to decide what the frost did to the crops and after the sun came up the cotton leaves were turning black. Didn't look too good on the late, hailed out crops. Who would have thought about a frost October 3 anyway.

Mr. and Mrs. T. C. Hollums spent the weekend at Hawley visiting in the home of his brother, Mr. and Mrs. Will Hollums. Mr. Will Hollums has been on the sick list but his condition was reported as improved by his brother.

Mr. and Mrs. Shafe Weaver, of Silvertan, were dinner guests in the home of Mr. and Mrs. James Jeffress Thursday.

Club Sees Film The Sand Hill Home Demonstration Club met Wednesday afternoon in the home of Mrs. J. T. Myrick. The devotional was from Psalms 67. Roll call was answered with "A Quality of Good Citizenship".

Since it is time to elect new officers, the president appointed a nominating committee consisting of Mrs. H. F. Jackson, Mrs. T. C. Hollums and Mrs. James Jeffress. An interesting film titled, "International Peace Gardens" was shown in observance of National Citizenship Day.

Delicious refreshments were served to Mrs. J. T. Myrick, Mrs. H. F. Jackson, Mrs. Orin Miller, Mrs. R. L. Bullock and Mrs. Lynn Miller. The next meeting will be in the home of Mrs. H. F. Jackson on October 4. All members are urged to attend.

Mr. and Mrs. James Jeffress and Mr. and Mrs. W. R. Billington spent the weekend in Stanton and Midland visiting in the home of Mr. Billington's brother, Mr. and Mrs. Harry Billington, and in the home of Mr. and Mrs. Jim Holmes. Mr. and Mrs. John Holmes, of Iric, were also visiting in the home of Mr. and Mrs. Jim Holmes.

Mrs. W. R. Billington, Mrs. William Mayo and Mrs. Curtis spent Tuesday in Plainview visiting Mr. and Mrs. Glenn and Mrs. Mayo's aunts.

New officers and teachers took over their jobs at the Sand Hill Baptist Church Sunday morning. After the nominating committee presented them to the church in a called business meeting Wednesday night. Those on the nominating committee were James Jeffress, Rita Pierce and Doyle Miller. Working with them were the new Sunday School superintendent, Bill Stringer, and the Training union director, Kirk Slater.

Other teachers and officers are Jon Parkey, Molly Stringer, Naomi Patterson, Mrs. M. B. Swanner, Mr. Swanner, Stinson Stringer, Darrell Mayo, James Jeffress, Joyce McGuire, June Jeffress, Mrs. Stringer, Nancy Mayo, Mr. and Mrs. Doyle Miller and Rita

Pierce

The new building is coming a long nicely and classes are being held in it. The church hopes to have it completed in time for home coming this year.

Supper guests in the James Jeffress home Friday night were Mr. and Mrs. Gene Bloys and family.

Beverly Jeffress and Mary Starkey helped serve at the teachers banquet at Lockney Friday night.

The Sand Hill Community Center will have their meeting Thursday night, October 12. Everyone is extended a special invitation to attend. In order to keep the community together more are going to have to get interested and attend the meeting. Water has been piped to the Community Center and we would have a place to be proud of if more interest was shown.

Mr. and Mrs. Jess Starkey and family will leave Friday morning for Waco where Mary will represent the County at the State Favorite Food Show Saturday. Good luck.

Miss Janice Miller will be in Dallas about the same time representing the County at the State Dress Review. The community is very proud of their 4-H members and have had many winners in this year's contest. We would like to congratulate all the leaders for the work they have put out to help the 4-H club out here.

Mr. and Mrs. Fred Jackson spent the weekend at Lake Stamford fishing.

Cecil Jackson spent Sunday night visiting in the home of Kei Roberts in Floydada.

Beverly Jeffress spent the weekend visiting Mary Starkey.

Norma Sue Hollums enjoyed

visiting in the home of Dianne Montgomery in Floydada while her folks were away.

New Non-Stick Bakeware

Along with the non-stick fry pans which are coated to prevent sticking, you will soon find a new bakeware line. The bakeware will be available in red. It will include: cookie sheet to Dallas with me Thursday when square cake pans, loaf pan, biscuit pan, open roaster, utility pans, and pie pans.

There is also a non-stick electric fry pan available that is coated to permit greaseless cooking. It's important with this too to use the wooden spatula so as not to scratch the coating.

Good Study Lamps and Home-work

Youngsters need a well lighted cheerful place to study and read. A good desk lamp, properly placed, goes far in preventing eye strain and reducing fatigue.

A table lamp, wall model, or even a pair of wall lamps can do the job. The important thing is to be sure the lamp is equipped with a glass or plastic reflector bowl under the shade, or with a wide hardy to accommodate an indirect combination of upward and downward light that reduces the eye irritating difference in brightness between the desk top and the rest of the room. For long periods of

desk work, it is more desirable

MISS NATIONAL GRAIN SORGHUM was a recent regal guest of the Panhandle South Plains Fair. She is attractive Donna Beyer of Dimmitt, Texas. She is pictured above at the DeKalb Agriculture Association booth at the fair. During her stay she toured the major sorghum exhibits and appeared in the annual parade. Miss Beyer is a seventeen year old student of Dimmitt High School. Her activities and interests are many but horseback riding, sewing, and playing in the High School Band take up much of her time.

Per Capita Farm Income Higher Here

(Special to the Hesperian)
 NEW YORK, Oct. 5—Farms in Floyd County yielded more in 1960, in the way of gross income, than did farms in most parts of the United States.

more intensive use of fertilizers and insecticides, the average farmer was able to produce and market more than he did in prior years.
 Just how he made out, compared with farmers elsewhere, is revealed in a county-by-county survey of farm incomes, conducted by the Standard Rate and Data Service. Every section of the country is included.
 It shows that the gross receipts in the year of all farms in Floyd County amounted to \$52,023,000. The total in 1959 was \$51,891,000. Related to local farm popula-

tion, it was equal to \$12,698 per person.
 That was a larger per capita return than was recorded in most parts of the United States, the average being \$1,905 per farm resident. It also topped the State of Texas \$2,252.
 The figures take into account the cash proceeds from farm marketing, together with "income in kind," which is the value of products raised and used on the farm and Government subsidies.
94 Per Cent From Crops
 Of the money received from the sale of farm products, a breakdown shows that approximately 94 percent of it represented receipts from crops and an estimated 4 percent, the returns from livestock.
 Costs continue to be the fly in the ointment. They have failed to level off sufficiently to give the farmer a significant increase in net income. He is, however, approaching that goal by virtue of his ability to cut his labor costs through the use of his newly-acquired equipment.
 "Even with its problems, agriculture's future is bright," according to Dr. Charles E. Palm, dean of Cornell University's College of Agriculture.
 "To achieve a higher return for their labor and investment, farmers need increased market power."
 This is beginning to happen he said, as they are being called upon to feed a rapidly expanding population at home and abroad. Their role is already growing in importance.

Little Money, Much Clothing Goes To Coast

Cash donations for Hurricane Carla sufferers through the American Red Cross were still below \$500 from Floyd County at the last check made by The Hesperian. However, clothing for the needy, through Red Cross and other sources was forthcoming in generous quantities.
 One of the churches which has been liberal with clothing is The First Baptist of Floydada. A considerable quantity of very good clothing, bedding and sheets, much of it new, as well as quilted quilts, "a room full in all", was being prepared this mid-week to be sent to the coast on receipt of shipping instructions and destination.
 At the church office it was said the clothing would go direct to people on the coast who know the needs.

Leaves For Kuwait Oil Field Post

E. F. McIntosh Jr., of Dallas, was here this week for a brief visit with his brothers, S. J., and Dr. O. A. McIntosh, and his sister, Mrs. Weims Norman, prior to his departure this week for Kuwait to spend two years under contract as materials supervisor for the Southeastern Drilling Corporation, oil field supply concern.
 Mr. McIntosh's address will be care of Seacat Offshore Drilling Co., S. A., P. O. Box 8112, Salamiya, Kuwait, Arabian Gulf.
 Since his service in World War II Mr. McIntosh has been in the oil field supply business.

Paul Rogers Preaching At City Park

Paul E. Rogers of Sweetwater who is in Floydada this week preaching at the City Park Church of Christ, is extending invitations to his friends here to attend the morning and evening worship service, and urges others as well to come.

Mr. Rogers preached here in 1949 prior to attending Abilene Christian College.
 He and his wife have three children and reside in Sweetwater, where he preaches at the 4th and Elm Street Church of Christ. Mr. Rogers has been there three months being formerly at Stillwater, Okla., where he was a minister for a year and a half.
 The preacher has selected for tonight's message, "God's Case Against Israel". For Friday night he will speak on "God's Plan For Unity" and Saturday night's message will be on "From God Or From Man".
 His selection for Sunday morning will be "Christianity Is Not To Be Enjoyed Without Cost". His closing sermon subject for Sunday night services is not yet announced.

Mr. Rogers at present is sponsoring a student at Abilene Christian College and his family. He is Luigi Lisi from Trieste, Italy. Mr. Lisi is Mr. Roger's interpreter while he was a missionary at Trieste. Later Mr. Lisi and his family acquired the fare for transportation to the United States to become a minister. At this time while studying Mr. Lisi is preaching at Maryneal, Tex. The local Church of Christ for several years contributed to Mr. Lisi's financial support.

A. K. Fair Rites Held Wednesday

Funeral rites for A. K. Fair, 36 year old former resident of Floydada, were held yesterday afternoon at Amarillo in the Blackburn-Shaw Memorial Chapel. Burial was in Memorial Park Cemetery in Amarillo.
 Attending the rites from Floydada were the deceased's three daughters, Vickie Lynn, Sheila

Mae and Lana Fair, Mrs. Nora Fair, her parents, Mr. and Mrs. Wylie Rogers, Mr. and Mrs. A. G. Tyler, Mr. and Mrs. Carl Lewis, Mrs. Tony Jones, and Chick Owens.
 Fair was a tree surgeon and was working in Odessa at the time of his death. He had been in failing health for some time. He died Monday. He was a veteran of WW II.

Thanks Folks . . .

Response to our Silver Anniversary Celebration and the showing of the new Chevrolets and Oldsmobiles was wonderful.

Hundreds of auto owners visited with us on Friday and Saturday. We hope that all enjoyed our show and we want everyone to be welcome to come back at any time.

We had hoped to get everyone a personal invitation to the celebration, but realized that our mailing list was incomplete. If you are one of those that we missed. . . we apologize.

If you have not been by to see our new Chevrolets and Oldsmobiles please do so at your earliest convenience.

OES Tea Reception Honors Deputy Grand Matron

Floydada Chapter No. 31, Order of Eastern Star, entertained with a tea and reception on September 24th in the home of Mr. and Mrs. H. A. Drysdale, 811 West California Street.

The occasion was in honor of Mrs. Doc Darnon, of Hale Center, Deputy Grand Matron of District 2, Section 3, Grand Chapter of Texas OES. Mrs. Darnon is a member of Leonard Chapter 38 at Hale Center.

In the receiving line with Mrs. Drysdale and Mrs. Darnon were Mrs. Wilson Edwards, Worthy Matron of Floydada Chapter No. 31; Mrs. Merle Howard of Albany; Worthy Grand Matron, Grand Chapter of Texas; Mrs. Ben V. Smith, Lubbock, Past Grand Matron; Mrs. Lena McGee, Knox City; Welfare Committee of District II; Mrs. Bryan Young, Turkey, District Deputy Grand Matron of District II; Dr. R. O. Fuqua of Sweetwater, Junior Past Patron; and Allen J. Watts of Midland, Transportation and Mileage.

The reception table carried out the fall motif in decorations, being laid with a brown net cloth accented with cornucopia, fruit and vegetables of assorted colors. The hand made cloth also featured beads covered with sequins and frills of variegated colors. A fall arrangement of mums and trumpet flowers containing minia-ture lights in the center placed among grapes and palm leaves formed the centerpiece for the table. Arrangements of fall flowers were at vantage points throughout the entertaining rooms.

Serving from silver appointments were Mrs. M. J. McNeill, Mrs. Ruth Daniel, Mrs. Wayne

Russell, Mrs. Clyde Hodges and Mrs. Tommy Assiter.

A focal point in the dining room was a display of antique China on the hutch directly behind the serving table, a wedding gift from the Floydada chapter mother, Mrs. Maudie Merrick.

Assisting at the registering table were Mrs. J. W. Day Jr., Mrs. of Texas OES, Mrs. Darnon is a member of Leonard Chapter 38 at Hale Center.

Other officers of the chapter who assisted with the house party were Mrs. W. W. Trapp, Mrs. E. M. Jackson, Mrs. How Hines and Mrs. J. T. Huckabay.

Guests registered from Olton Plainview, Hereford, Hale Center, Ralls, Sweetwater, Lubbock, Albany, Knox City, Turkey, Midland and other cities.

Mrs. Darnon was presented a money corsage by members of the chapter.

Like the little Dutch boy of long ago, Sweden's Dag Hammarskjold kept the waters from flooding the free world by sticking his thumb in every leak in the dyke. Even great men are human, and this one must have felt as though he was whipping about in a super-jet with no thing but hope to hold to.

No matter how little we do about it, most of us worry about world affairs. We felt a personal loss when the U. N. secretary-general died. He made world politics understandable to every housewife and business man in America, because he too, was an ordinary human being trying his best to do right. We admired his courage and honesty. We looked up to him because he believed in an ideal to make personal sacrifices to keep it alive, and since he was native to another country, his absolute faith in freedom as we understand it strengthened our own.

Ours is more, however, than sorrow at the death of a great man. It is a selfish reaction, for we too want the free world saved -- and now who's going to do it?

The secretary-general of the U. N. literally carries the world on his shoulders. Few persons in the world seem qualified to take Dag Hammarskjold's place. None of us could begin to, even if we were willing to try. But we can help in a small way by not feeling panic; by standing up boldly for the ideals he fought for. Courage, honesty and fairness, even in every-day living will help strengthen the cause of a free world.

Club's Annual Chili Supper October 13

Advance tickets are now on sale for the chili supper to be held the night of Oct. 13th in the Junior High School cafeteria from 5 to 7 o'clock and during half time of the Floydada-Lockney football game.

The event is being sponsored by members of the 1956 Study Club, who are also making the chili and the home-made pies which will be served along with soft drinks and coffee.

Tickets for the affair may be purchased from any member of the club or from Mrs. Gordon Hambricht, chairman of the supper committee, or at the door the night of the feast.

Proceeds from the ticket sale will go toward community projects.

Announce Wedding Date of Scarlett Smith October 20

Mr. and Mrs. A. L. Smith announce the approaching marriage of their daughter, Scarlett to George D. Jackson, son of Mr. and Mrs. C. P. Jackson of Spearman.

The couple will be married October 20 with the wedding reception to be held in the home of the bride's parents.

Miss Smith is a 1960 graduate of Crosbyton High School and attended West Texas State College where she is a sophomore. Her fiancée is a 1967 graduate of Spearman High School and is now a senior at West Texas State where he is majoring in agriculture.

Mr. and Mrs. W. E. Garrett were in Austin over the weekend where they visited their son, Don, who is a student at the University of Texas.

Mrs. W. N. Garrett's surgery appears to have been highly successful. At home since last week she is showing progress daily.

Lakeview News

By Mrs. Q. D. Williams

LAKEVIEW, October 2 - The hail storm Friday evening damaged cotton from completely stripping the stalks of all foliage to partial stripping of the top of the stalks. There was also quite a lot of feed knocked down. A strip through Harold Bertrands Odell Breeds, Howard Bishops, Fred Jones, James Lee Nichols and on to Polvadors, Andersons and Verton Wrights were among the hardest hit.

We received light hail and rain from one-half inch to three inches. The Canyon received only a light sprinkle. Many farmers are spraying the bolls remaining on the stems to prevent the cotton soiling.

Mr. and Mrs. Holt Bishop were in Hearne Thursday to attend the funeral service for Hines Bishop. He was Dink's uncle.

Novis and Wesley Johnson attended the football game at Crosbyton Friday night.

The Lakeview Home Demonstration Club met Thursday afternoon in Mrs. W. Earl Edwards home. Mrs. Edwards showed the members how to make a child's candy toss game of a roller cardboard with a clown face painted on. The children tossed candy kisses into its mouth. She

Miss Boren presented each of her installing officers with corsages of her colors. They were Nita Cage, Installing Officer; Susie Reue, Installing Marshal; Mary Word, Installing Chaplain; Pat Drysdale, Installing Recorder; and Barbara Bullock, Installing Musician.

Members of the advisory board are Mr. and Mrs. Clyde Hodges, Mr. and Mrs. M. J. McNeill, Mr. and Mrs. Roger Poage, Mr. and Mrs. Allen Bingham and Keller Holmes.

A young author sent a manuscript to an editor with a letter in which he stated: "The characters in this story are purely fictional and bear no resemblance to any person living or dead."

A few days later he received his manuscript back with the penciled notation:

"That's what's wrong with it."

Professor Lushy sat in the back of the smoking car deeply engrossed in a chemistry book

when the conductor searched his train ticket minutes. Finally said, "Never mind. When you find a company, I'm going."

"I know I know the professor, to know is, when I going?"

HOME OF PLANTMASTER SEED
DEAN MORRIS, MANAGER
FLOYDADA, TEXAS

MR. FARMER:

Now that cotton harvest is getting underway, we hope your crop is meeting your expectations.

Since it takes both time and money to make a crop we know how important it is that you get the top dollar for your cotton.

By using wet acid delinted cottonseed we feel that they were and will be your first step to insure added profits. When having your cottonseed Wet Acid delinted, they are given a bath in 93% sulphuric acid (staying in it only 30 seconds) then they are washed with water to rid them of the acid. Second step is the drying process. The seed are run through the dryer, staying not over one minute and never reaching a temperature of more than 120 degrees. Your seed are then cleaned in a modern crippeen cleaner. From this point they are run to an Oliver Hi-Cap Grader which floats the heavier seed up hill and into the seed treater. In the treater we apply a recommended dosage of treatment to the seed.

By having your seed processed this way you can be assured of:

- 1—Your seed going farther.
- 2—Faster Germination.
- 3—Germinating with less moisture.
- 4—No planter box clogging.
- 5—Being free from seed and soil-borne diseases.
- 6—No injury whatsoever to your seed.

To our customers of this past season, we want to say we sincerely appreciate your business and seek your continued patronage.

Since cottonseed is our business, we strive to stay well informed so that we may serve you better.

Leading seed farms are using the wet acid delinting method. Have you checked its many advantages?

We invite you to visit our plant. 1/2 Mile South on new Lakeview Rd.

TO A DEGREE

After looking at the thermometer for a few minutes, a woman finally picked one out. "I'll take this Fahrenheit one," she said to the clerk. "I know it's a good brand."

ALWAYS IN SEASON

"Where are some good places to stop on this trip?" asked the tourist. "Well," drawled the farmer, "I reckon I'd stop at all railroad crossings."

THROUGH HIS POCKETS

"My husband has no idea who I go through when he snores." "Mine never misses his change either."

First Day of Tax Business Really Good

County Assessor-Collector T. T. Hamilton said this week that farm trailer license plates were "selling like hot cakes on a cold day" and what with county and state taxes being paid along with that and poll tax, office work has not let up a particle.

The same goes for school taxes and city taxes as well. Mrs. Lorin Leibfried said on Monday her office was full of people and she had no idea who her first taxpayer was. Collections for the day in her office amounted to \$12,000.

At the city hall where approximately 130 persons had already paid their city tax, Mrs. Lewis Norman, was the first taxpayer. Mr. Hamilton said his first taxpayer this year was Leonard Smith, who was waiting at his office door Monday morning. Mr. Smith arrived earlier than Fred Martin, who was second. Mr. Martin, in the past two or three years, had been number one at the door.

So. Plains News

By Mrs. Murray Julian

SOUTH PLAINS, October 2 — It is 38 degrees this Monday morning, but the days have been warm the past week with grain and cotton ripening fast. We had winds, some hail and 50 rain Friday night, but there was little damage to crops that we have heard of Sunday night again we had light rain. The weather has just been beautiful all fall.

Club Elevator with Manager Roy Blodsoe, and United Elevator with Manager Everett Miller have agreed with several others of our area to close their offices Saturday night and reopen Sunday afternoon at 1 p.m. The South Plains Co-Op Cotton Gin will close their offices and shut down their plant here with them until the Sylvain from 10:30 to 12:30 each Sunday morning thus allowing all those owners and employees to attend church services of their choice.

We are indeed glad to hear of the new policy are Mr. and Mrs. Marvin Wells and Kim who are moving this Sunday morning were Mr. and Mrs. Bob Morrow of Wayland College. Mrs. Davis of Lockney. We see among the names of the Mr. and Mrs. Gene Lawrence, of 25 young men who are being Floydada. Wayland Richardson called up for physical examination also of Floydada with Price Pritchard for the Armed Forces, Oct. chett, and Phil McDonald of Colorado, is Alton Higginbotham, who rado Springs, Colo. with his cow now lives in Lubbock, and is at sin. Gary Wilson, 99 were in tending Texas Tech.

Mrs. Davis of Lockney was visiting last week here in the home of her daughter, Mr. and Mrs. Carl Huckaby.

Visitors with the Frank McClures Sunday afternoon were his sister, Mr. and Mrs. C. R. Givens of Lubbock and Mr. and Mrs. Willie West of Silverton.

Mrs. Roy Burks accompanied Mrs. Lighthouse Teepale and Rhonda to Dallas Saturday afternoon where she will visit her children, and Mrs. Teepale will visit Sherlene, who is enrolled this fall at the Waxahachie Bible Institute at Waxahachie. They all plan to be home Tuesday.

Several of our Intermediates and Young People of the Baptist Church went to the Calvary Baptist Church at Floydada for a Fellowship meeting Saturday night.

Roy Childress and grandson, Mike Hidalgo, went to Pettit to spend the weekend with Mrs. Childress who teaches school there.

Mr. Walter Wood had her sister-in-law, Mrs. J. L. Redden, of Sweetwater here with her over the weekend. She was here for the funeral of C. E. Finley of Floydada.

Mr. and Mrs. Fred Fortenberry went to Vigo Park to visit Saturday afternoon with her brother, the Cecil McCains and four children, who are planning to move this week to ranch country at Socorro, New Mexico.

Gary Wilson, Bud Higginbotham and Bruce Julian went to Floydada Tuesday night for a Green Hand Initiation of the Floydada FFA Chapter, at the Graves Gymnasium. Among the Green Hand initiates were Bruno Torres, Jim Upton, Tommy Powell and Ray Taylor from here. Gary is and Mrs. Hansel Sanders and FFA reporter and Bruce is FFA secretary.

L. N. Johnson, Early Pritchett and Murray Julian returned home from Denver and Colorado Springs, Colo. Thursday night after a missionary trip. In Denver they visited with Rev. Charles Broadhurst, and Rev. Leroy Smith, head of the missions there, and both formerly of Lockney.

We extend congratulations to Mr. and Mrs. Gilbert Bean of the Lockney who celebrated their 40th wedding anniversary Sunday in the home of Mr. and Mrs. Shelby Calahan and children here.

Others for the weekend with the Gilbert Beans was their son, Mr. and Mrs. Billy Bean, Ann, Batch and Beanie of Winters. They all had dinner here Sunday in the Calahan home.

The Rex Smithermans, Bryan and Kelly spent last Monday in Lubbock where they attended the Panhandle South Plains Fair. The Murray Julians were among those from here who went to Post-Friday night for the Floydada-Post football game, and they met

the Terry Julians of Post who had a very low in Sweetwater, Tex. supper with them and all attend ed the game. The Julians ran into the rain storm here and were in the worst hail they had ever seen.

They crossed Blanco Canyon Cars were stopped clear through the canyon, and the force of the wind, hail and rain made it impossible to see or hear. After reaching the other side of the canyon it wasn't more than two miles until they ran out of bad cloud and saw combines cut ting maize.

Others seen at the Post-Floydada football game were Billy Stanforth and Billy, who just returned from a trip to Cucu-hara Camps, Colo., the Shelby Calahans, the Johnney Wests, and the Ursel Taylors.

Building Shelters

Those who have started under ground shelters are the Sylvain Kinnibrughs, who have planned a shelter to be built under their new three bedroom home, which is ready to be built as soon as the bomb shelter and well are completed. L. T. Woods has also started theirs. Others here are undecided as to what they will do as some plan to convert their cellars to shelters, and stock them. One of the best shelters to be seen anywhere is the one at Cedar Hill belonging to Tom Fortenberry.

Mrs. J. P. Taylor had 20 items on which she received ribbons at the Panhandle South Plains Fair in Lubbock last week, and her daughter Katie also carried home several ribbons from the Fair.

Mr. and Mrs. Joe "Buddy" Sanders and Cindy of Los Cruces, N. Mex., where he has been at Mulder, Grigsby Milton, Tillman Powell, L. N. Johnson, Roy Burks and a guest, Mrs. Myrtle Floyd of Amarillo.

Guests in the home of Mr. and Mrs. Murray Julian and Bruce a dinner Sunday were Mr. and Mrs. Ernest Smitherman, P. M. Smitherman and Bud, Roy Burks and Gene Johnson of Plainview.

The Ernest Smithermans went to Plainview airport Thursday morning to meet his father, P. M. Smitherman who flew here from Edmonton, Alberta, Canada where he has been this summer with the J. Fred Cox family. The Cox family and P. M. spent Thursday night in Hart with the Jack Smithermans, and he is here at this time with Mr. and Mrs. Ernest Smitherman.

P. T. A. Meeting Scheduled Friday at 2:45

There will be a P. T. A. meeting at the schoolhouse Friday afternoon at 2:45 according to Mrs. Hansel Sanders, president, with business to be discussed. School will be out early Friday afternoon as there is a Floydada-Canyon football game in Canyon this

night.

NOTICE:

for Jesus Christ is not only a matter of telling the gospel story but is a way of life. It is all of each waking moment of the day and even our thoughts as we rest. Witnessing for Christ is the way we conduct ourselves in contacts with neighbors, fellow-men, and strangers whom we may contact."

Others taking part in the worship were W. Edd Brown, Arnold Schuppert and Cecil Hagood. Male members also made up the choir.

Closing the worship Mr. Jarnagin emphasized the fact that the witness that counts is no so much the spoken words but the deeds that have been done.

CLEVER FELLOW

Having dined in a restaurant with her husband, a woman mis- brought out was that "Witnessing sed her gloves when she was on tage"

Theme for this year is "You Shall Be My Witnesses" based on the command of Christ to his disciples before his ascension. The four speakers on the program were Kinder Farris, Ed Wester, Lon Davis Jr., and J. C. Wester.

Summary of the thoughts brought out was that "Witnessing sed her gloves when she was on tage"

STATE CAPITAL Highlights AND Sidelights

TEXAS ASSOCIATION

Final legal details tax money. Texas is lending the path of the SRA of Texas \$15,000,000. Rest water project will be borrowed from private investors.

This giant hydroelectric project will provide power for utility companies in Texas and Louisiana to market. It will supply Calcasieu Parish, La. and Orange County, Tex., with water for domestic and municipal use, irrigation and industries.

LOST LAND?—Land Commissioner Jerry Sadler dropped a bombshell in the laps of the Austin City Council.

In checking records at the Land Office, where all Texas land titles originate, he found no evidence of a patent or sale of Lots 6 and 7 of Block 185 of the original City of Austin.

Sadler referred the matter to the Attorney General, noting that these two lots hold one of Austin's water plants. Capitol wages were quick to ask if Sadler was trying to cut the city's water off.

STATE DEFICIT GROWS—Texas is still waiting for the full impact of the new sales tax. Meanwhile, the deficit in the general revenue fund increases. Latest report shows a hike in the fund shortage of \$20,500,000 in a period of 11 days.

With the mailing of first installment on this year's state aid to the school districts, the new total deficit is \$76,811,173.

According to State Treasurer Jesse James

First sales tax payments from retailers are due October 31. **STEPPED-UP CHECK ON UNEMPLOYMENT** Commission is hiring additional investigators to look into unemployment compensation claims to ascertain the those entitled to it receive it. Commissioner J. J. Pickle, Employment Commission representative on the three-member commission, reports that eight or nine new members are being hired by authorization of U. S. Department of Labor to study claims.

New investigators will be assigned to the larger employment district offices throughout Texas. Commissioner J. E. Lyles, Employment Commission representative, said "to many people are receiving benefits from this program through misrepresentation, honest or otherwise."

DRIVER TRAINING—FEWER ACCIDENTS—Governor Daniel reports major progress in reducing involvement in fatal accidents through the steady expansion of driver education classes in Texas public schools.

Driver education students are having 21 per cent fewer accidents. Since 1957 a total of 265,928 students, in the 15 to 24 age bracket, have completed driver education courses, an increase of 80,091 or 43.2 per cent, over the preceding four-year period.

STATE JOB CLASSIFICATION LEGAL—Atty. Gen. Will Wilson has ruled that the new state job classification program is constitutional.

Question was submitted by State Comptroller Robert S. Calvert. Opinion held that the graduated pay schedule for state employees is legal because the Legislature has authority to use this method of classifying workers.

New system provides for pay raises on the basis of seniority.

CARLA'S AFTERMATH—"Carla the Hurricane" has long since left Texas, but her mark remains. Governor Daniel modified his remarks about insurance adjusters by saying that most companies were paying claims fairly.

But a Chicago insurance executive came to Texas and blasted both Governor Daniel and Sen. Ralph Yarborough for remarks about fine print in insurance policies.

Speaker James Turman sent his general investigating committee probing along the Gulf Coast, intent on recommending a new windstorm insurance law and one governing the handling of claims.

Texas public trusts and foundations have contributed \$255,000 to aid hurricane victims, and fund-raising appeals under the Red Cross are under way across Texas.

As usual, warm-hearted Texans are chipping in to help those hit hardest by Carla.

GOVERNOR - FOR - A - DAY—Many senators get to be governor-for-a-day. But Sen. Bruce Reagan of Corpus Christi got a bigger break.

While Governor Daniel was attending the Southern Governor Conference, of which he is chairman, Reagan was acting governor for a full week. He even issued some clemencies.

Reagan made the most news however, by publicly disagreeing with Daniel. He said he saw no need for another special session of the Legislature.

Proclamations issued by Reagan included one designating "Port of Corpus Christi Day" and a series of three praising Del Mar College, Texas College of Arts & Industries, and the University of Corpus Christi.

Purdy Funeral Held At Flomot

Mrs. Betty Purdy, 63 year old sister of Mrs. Eddie Turner southwest of the city, died early Monday morning in Amarillo. She had been a resident there for two years, moving from Flomot.

Funeral rites were held Tuesday in the Flomot Church of Christ. Burial was in Flomot cemetery beside the grave of her husband who died in 1944.

Survivors in addition to the Floydada sister include a son, two daughters, two brothers and two sisters.

Mrs. Judson Miller Died In Plainview Thursday Night

Mrs. Judson Miller, 75 year old Plainview resident, who formerly made her home east of Lockney died Thursday night in the Plainview Hospital. Rites were conducted Saturday in the First Baptist Church in Plainview.

The deceased and her husband moved to near Lockney shortly after their marriage in 1909. The couple made their home there until 1934 when they moved to Plainview.

Survivors include her husband; two sons, James of Plainview and Edgar of Dallas; four daughters, Mrs. Ben Tye, Kress; Mrs. A. T. Moore, Lockney; Mrs. Howard Batson, Portales, N. Mex. and Mrs. Robert Thompson, Ft. Collins, Colo.; one step-daughter; 18 grandchildren and one great grandchild.

Farm Fires Big Hazard To Property

COLLEGE STATION — Farm fires caused losses estimated at \$163 million in the nation last year. W. S. Allen extension agricultural engineer, said the figure was supplied by the U. S. Department of Agriculture.

Building losses accounted for about 65 percent of the total loss payments by companies for which a breakdown by property class was available, he added. Almost three-fourths of the building losses were on main buildings—homes and barns.

Allen continued that now is the time for neighbors to attack this problem of fires, and suggested that special emphasis be placed on fire prevention during National Fire Prevention Week, October 8-14. This period is just ahead of the month when farm fires take their greatest toll. November was the peak month last year. Four-fifths of all 1960 farm fires and 84 percent of the lives lost occurred during the six months from October through March, Allen said.

President John F. Kennedy in his proclamation designating the special week said, "Our committees and the nation can ill afford this inexcusable waste of our resources." Family training in fire hazard removal and fire fighting and drills for establishing escape routes in case of fire were suggested by the engineer as things families and neighbors could work together. Farm families, in particular he added must rely on their own fire safety training, fire prevention check-ups, and fire protection measures to safeguard their lives, income and property.

Local county extension agents can supply information and suggestions for carrying out educational programs not only on fire prevention but also on farm and home safety activities, Allen said. A visit with the agents and com-

FARM & RANCH HOUSE OWNERS

More Insurance — Less Money!!!

After Oct. 1st we are able to provide a new broad coverage, low-cost insurance policy to the owners of the many better-type farm homes in this area.

Until now, this new package policy has been available only on city properties, but the FARM & RANCH OWNER'S POLICY has been designed to give you the best possible coverage at the lowest possible cost. More likely than not, you can carry this new policy with all its advantages for less money than you now pay for a basic policy.

Give us the opportunity to explain this new policy to you, and to compare its premium with what you now pay for much less coverage — we guarantee that you will be pleasantly surprised by its broader scope and its premium.

Drop by the office, or give us a ring and we'll come to you.

really enjoyed by all. A large crowd attended, and we met many of our old friends that we had not seen for many years. Refreshments were served to all as they came.

Club met Thursday at 2 p. m. in the club room with Mrs. Walter Hannah as hostess. The president called the meeting to order, and Mrs. Hannah gave the devotional and Roll Call was answered by "The Game I Like Best." After business Mrs. Roy Hale and Mrs. Hannah gave demonstration on games and foods, how to entertain and serve all ages. These were really good, and the food was attractive and delicious. Those attending were Mmes. Truman Dunavant, Riley Holmes, Walter Hanna, Roy Hale, Clevenger, Glenn Pool, Sherwood Ramsey, Allan Gross, Terri and Christi, Charlie Reid and Donna, Glen Curtis, Bob Hopper and Mather Carr and two guests from Slaton Mrs. Sevis Hanna and Mrs. Ethel Young. They were guests of Mrs. Walter Hanna Refreshments were served by the hostess. We were sorry Mrs. Steve Trowbridge resigned from our club.

We had eight-tenths of an inch of rain Friday evening about 4:30 and quite a bit of hail. Knocked lots of leaves off the cotton. Don't know whether bolls were damaged or not — hope not.

Mr. and Mrs. Bob Martin of Abilene spent the weekend in the home of Mr. and Mrs. Zant Scott. The Martins are cousins of the Scotts. Other guests in the Scott home for dinner Sunday were Mr. and Mrs. Rubeen Rutherford of Plainview, and Hal Scott.

Mr. Bascom Davis of Lubbock brother of Joyce Davis, died Thursday night about six o'clock in a hospital after suffering a heart attack. He was 65 years of

age. Funeral services were conducted Saturday afternoon at 2 o'clock in Rix Funeral Chapel. Burial was in Lubbock. He was the oldest of the Davis boys. He is survived by his wife, four sons and four daughters. Our sympathy goes out to Joyce and the entire family. Joyce attended the services.

Mr. and Mrs. Marvin Smith and Judy attended the funeral of Mr. C. C. Finley Sunday in Floydada.

Chloma Williams is ill with cold.

Patricia Tucker of Canyon College spent the weekend home with her family.

Several attended the ball game at Post Friday night.

Mrs. Allan Gross and daughters visited Tuesday in Floydada with Mrs. Wanda Terry. They were in Floydada Wednesday for a check-up with the doctor for the girls.

The Gross' visited Sunday evening with the Fred Gross family in Sand Hill. Allan is ill with flu.

Mr. and Mrs. J. R. Smith and children of Abernathy visited Sunday in the home of J. R.'s brother, William Smith and family.

Mr. and Mrs. R. B. Gary left Friday for Mabank, Tex., to be at the one hundredth birthday celebration of Mr. Lawrence Halcomb.

Mr. Halcomb is an uncle of Mr. Gary. Uncle Lawrence, as we all called him, has visited here several times and always attended services at the chapel. Uncle Lawrence fell and broke his hip some months ago, but is able to be up and gets around in a walker. We congratulate Uncle Lawrence on this occasion.

Mr. and Mrs. Marvin Smith attended church at the Methodist Church in Petersburg Sunday night. Our preacher, Rev. Merri-man will preach at the Methodist Church in Petersburg Sunday night, Oct. 8. Our church is planning on attending.

Mrs. Marvin Smith was a caller one day in the Ramsey home. Those visiting Sunday in the M. D. Ramsey home were Mr. and Mrs. Raymond Williams, of near Floydada and Mr. and Mrs. Sherwood Ramsey. Mr. Ramsey was in Lubbock Tuesday for a check-up with his doctor.

Some of the fishermen came home Friday without any luck but Mr. and Mrs. Carrick Snodgrass and Mr. and Mrs. Bill Edwards stayed on until Sunday and they came in with the dough they brought in a 38 pound and a smaller one. Enough for several meals.

Mr. and Mrs. J. H. Free, of Crowell, spent the weekend in the home of Mr. and Mrs. Bruce Davis. The Frees are parents of Mrs. Davis.

Mr. and Mrs. Steve Trowbridge and Kelli and Kim were dinner guests Sunday in the home of Mr. and Mrs. Floyd Trowbridge.

Mr. and Mrs. Harry Hungate, of Canyon, visited Sunday evening in the home of Mr. and Mrs. Floyd Trowbridge.

Mrs. L. Y. Woolsey and Mr. and Mrs. Raymond Colston returned home Friday from a weeks visit with their daughter and sister, Mrs. O. G. Shearer and Mr. Sherer of Quinn, S. Dak. They also visited with Mr. and Mrs. Gladwin Paulsen, Mitchell Alan and Dawn Denise and Mr. and Mrs. Lavon Sherer, Glendon and Gregory.

Mr. and Mrs. Otis Anderson and Elaine are in Temple this week where Elaine underwent Surgery Tuesday morning. We wish Elaine a speedy recovery.

Mr. and Mrs. Sammy Hale and Andy and Randy were Saturday night visitors in the Kenneth Wilis home.

Mr. and Mrs. Joe McEntire and family were supper guests Saturday of Mr. and Mrs. J. B. Colston Teresa and Danny.

This community received high winds, rain and hail Friday afternoon. Considerable damage was done to the cotton and maize.

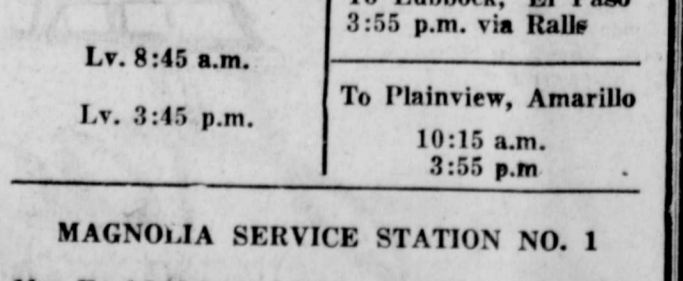

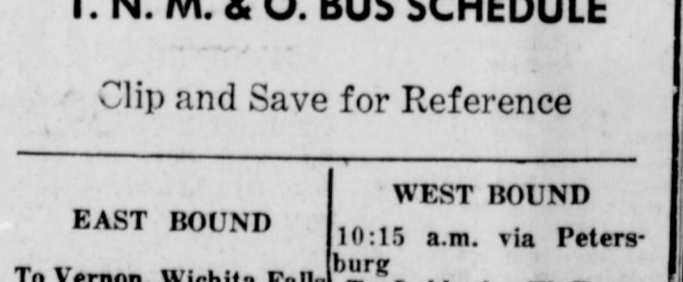

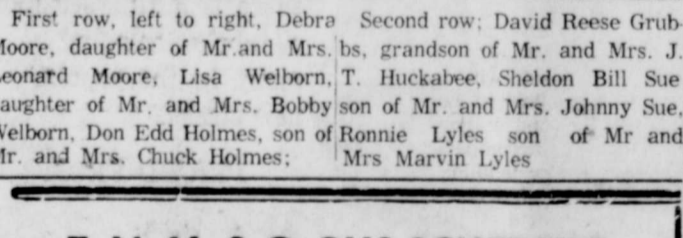

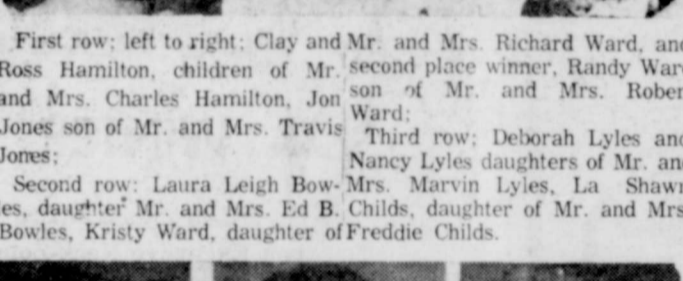

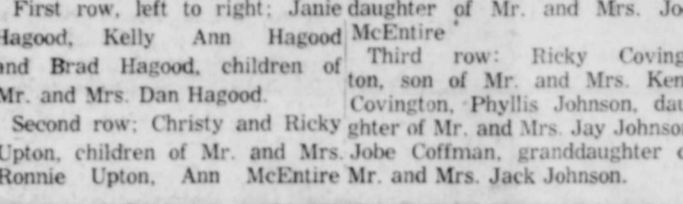

NEPHEW, SR. LAW STUDENT KILLED IN HIGHWAY CRASH

Rev. and Mrs. C. A. Strickland were in Duncan Okla., last week where they attended the funeral of a nephew, Jackie Lee Gamlin, 26 year old son of Mr. and Mrs. Melvin Graham.

The Oklahoma man died some two hours after his car was struck by another vehicle near Norman, Okla. He was a senior law student at the University of Oklahoma.

Whirlwinds Pound Post 31 to 7

Sports

Floyd County Hesperian, Floydada, Tex., Thursday, Oct. 5, 1961

The Antelopes did gain 7 first downs, made 56 yards rushing, and 34 passing but most of this and the score came against Whirlwind reserves.

Winds Dominate Game

The green and white made 17 first downs, rushed for a net of 252 yards and passed for 77 yards to dominate the statistics.

Starters for Floydada were Darryl Lindsey, Bruce Julian, Max Campbell, Frank Barrow, Max Rucker, Joe Lee Dunn, Don Switzer, Rodney Teague, David Barnhart, Charles Christian, and James McKinney.

Starting the game Post took the wind at their backs and Floydada received the ball with Teague getting the kick off at his own 10 and returning it to the 38 before Teague and Hernandez alternated in carrying and Floydada pushed for five first downs before losing the ball on the Post one yard line. Four passes were completed in the drive and that was a Teague to Christian effort that went for nine yards.

Recover in End Zone

Post put the ball in play at their one but fumbled and Max Rucker recovered for Floydada in the end zone for the first score of the game. Teague's kick was blocked and the score stood at 6-0 at the close of the first period.

In the second quarter the Post offensive was stopped cold and Tommy Boucher punted from his 38 dead on the Floydada 34. The Winds put the ball in play and their big gainer was when Teague passed to Don Switzer for 32 yards and a first on the Antelope 24. Hernandez lost a yard, a penalty lost 5 more and then Teague hit Switzer and with another spectacular catch the Winds had first inside the Post five yard line.

After one running play Teague scored on a sneak, Christian's kick was no good and the score was Floydada 12 - Post 0.

Before the half Post tried the offensive again and was stopped and punted to their own 47. Floydada tried the offense and Post intercepted at their 32 running the ball back to the Floydada 32. After picking up one first down the Antelopes lost the ball at the Whirlwind 17.

Floydada had gained mid-field and was throwing long passes when the first half ended.

Score Twice in Third

Starting the third period the Winds hit for two quickies. The first came after Teague ran the kickoff back from his own 15 to the Antelope 19. Christian then negotiated the remaining distance in two stabs the first for 14 and the second and score came on a five yard gainer. Teague made the kick good and the score was 19 - 0.

The Winds missed a scoring opportunity after Barnhart recovered a fumbled kickoff on the Post 28. The locals had driven in to the 10 before a fumble robbed them of the ball and a possible score.

After Floydada had held the Antelopes, forcing a punt it was in Teague who fielded the kick at the Floydada 30. Soon after this Charles Christian went off his left tackle and with some early blocks and a burst of speed went 61 yards to score. The kick failed and the score was 25 - 0.

Teague intercepted a pass to stop the next Antelope try at the Whirlwind 45. The spirited Whirlwind catch the Winds had King rumbled in for a long gain and a first on the Post 16. Misgues set the ball back and the local later lost possession on downs at the host 13 yard stripe as the quarter ended.

Reserves Play Spirited Game

In the fourth stanza the Post team faced fourth and 10 on their own 13. Harold Mason punted but lost; two yards on the kick and Floydada owned the ball on the Antelope 11. From that point Denny King hit for 5 yards and Vernie Moore tacked on the remaining 6 to score as he rolled around his left end. The kick was blocked and Floydada's scoring was over at 31 - 0.

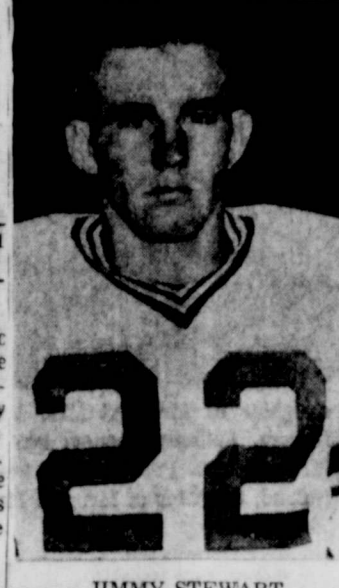

Post, however, was to cross the double stripe and this came when Acker hit Macon with a 7 yard pass. Acker then kicked the conversion and the scoring was finished for the night at 31 - 7.

The Antelopes had gone all out in their TD drive picking up five first downs along the way and having to gamble most every time on fourth down.

The Whirlwind reserves were doing a fine job and it looked like they would keep the goal line uncrossed when Tommy Watts intercepted at the 11 yard line. They fumbled at the 17, however, and from here the Antelopes pushed the Antelope 30. Soon after this Butch Gilliland, and Tommy Watts were among the backs getting in a lot of action and racked up good yardage behind fine blocking from their team mates. Moore had carried the Antelope 10 yard line when time ran out and prevented another shot at scoring.

The sophomore quarterback had 49 yards rushing to his credit to be among the leading gainers for the night.

Spearheading the Floydada defensive units and doing a good job of stopping the Antelopes were Jimmy Stewart, James McKinney, Darryl Lindsey, Max Rucker, Rodney Teague and Dennie Bellah.

Dougherty News

By Mrs. W. J. Ross

DOUGHERTY, Oct. 2 - Friday evening a considerable acreage in this vicinity of Antelope suffered severe hail damage although estimates vary as to the damage. It is reported as high as seventy five per cent on grain sorghums and fifty per cent on cotton. The area received one inch of rain Sunday night and a severe electrical storm.

Rev. Jim Dewese has been notified that his daughter, Roxie, has returned home after being hospitalized ten days.

District Nine Baptist Men To Hold Rally

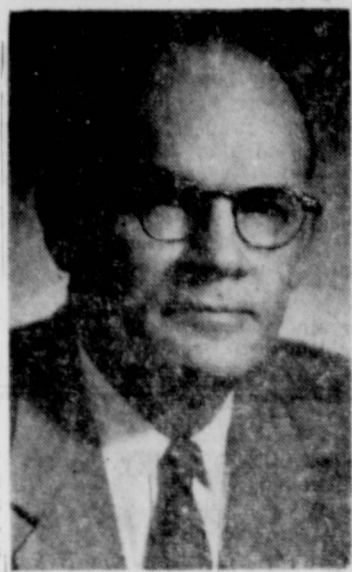

Men of the churches of District 9 of the Baptist General Convention of Texas are planning a District Rally to be held at the First Baptist Church, Lubbock, at 7:30 o'clock, Tuesday evening, October 10.

The group will be addressed by Dr. James L. Sullivan, Executive Secretary of Southern Baptist Sunday School Board of Nashville, Tennessee. Dr. Sullivan is a former pastor of the First Baptist Church of Abilene, and is considered one of Baptists' great preachers.

Music for the meeting will be under the direction of Rex Webster of Lubbock who will present a large men's choir and outstanding men's quartets of the area. Group singing will be featured.

District 9 of the Baptist General Convention of Texas is composed of approximately 200 Baptist Churches of the South Plains and lower Panhandle.

OCTOBER IS HERE AGAIN!

And what an interesting month it always proves to be. So many activities for everyone - Spooks - Goblins - Black Cats - Trick or Treat - and so many other things enter in to make October interesting.

Everyone busy harvesting - even the trees and shrubs are busy getting into their "winter clothes", changing their dresses of bright green leaves for those of crimson fall colors.

Last Tuesday afternoon Mrs. C. C. Jones, of Flomot and her 4-H Club Girls also from Flomot, Mrs. Francis Wise and her Home Economics class from Flomot High School, along with some of the mothers in that area came to the Lighthouse Kitchen for a candy demonstration and "holiday ideas".

Mrs. Weldon McClure was hostess at the Blanco Community Center last Thursday afternoon to the Mt. Blanc Demonstration Club for a demonstration on "using the

When home lighting is inadequate in quantity and quality to the extent that it is tiring to the eyes of the occupants, it makes slower and more difficult such tasks as reading and sewing, also working in the kitchen and laundry.

Good home lighting is two fold in purpose. It consists of general room illumination and of lighting for specific seeing tasks. It is diffused and comfortable to live with, yet adequate in amount to quick and easy seeing of the task that is to be accomplished. It is of such a quality as to make for improved home beauty, charm and livability. So, with the children in school, their home work to be done in the evenings and the time of the year for reading and sewing in the evenings almost here why not check your lighting and be sure it is adequate for all your needs.

Mrs. Lula Nance, Mrs. Henderson and Mrs. Albert King were Co-op visitors on Wednesday afternoon.

Mrs. Sterling Cummings of South Plains was a co-op visitor on Wednesday afternoon. She came for a cook book for herself and some "extras" for gifts.

Bobby Ashton, Co-op lineman spent the weekend in Canyon visiting friends.

Wiley Rogers visited in Lubbock with friends in the hospital, on Sunday afternoon.

Mr. and Mrs. Delbert Smith spent the weekend at Roscoe with his parents, Mr. and Mrs. Jess Smith and at Winters with her parents, Mr. and Mrs. D. B. Underwood.

Mr. and Mrs. Claude Weathersbee, Tommy and Leigh Ann spent the weekend in Post with Mrs. Weathersbee's mother, Mrs. C. W. Terry.

Mr. and Mrs. Easten Blenden of Lockney were Lighthouse visitors on Wednesday morning.

Mrs. Josie Taylor of Lockney was a co-op visitor one afternoon last week.

Ed Pollan and Wiley Rogers went to Muleshoe to the ball game last Friday night.

Mr. and Mrs. Corkey Guffey and family were Lubbock visitors last Saturday.

Mr. and Mrs. Jerry Bourland of Abilene, both students at McMurry College, spent Friday night and Saturday with her parents, Mr. and Mrs. Pete Hickey.

They returned home Saturday afternoon. Jerry is Youth Director at the First Methodist Church in Cisco.

Here's a good Pop Corn Ball recipe for making pop corn balls, pop corn cakes and many of the other pop corn novelties so delightful to have on hand during the holiday season which is near at hand for the year 1961.

3-4 teaspoon vanilla
3 quarts unseasoned pop corn
Put sugar, corn syrup, water butter and salt in saucepan and cook, stirring until sugar is dissolved. Continue cooking without stirring until syrup forms a brittle ball in cold water. Add vanilla and stir only enough to mix through the syrup. Pour over the popped corn in a large bowl and mix well. Wet hands slightly to make into desired shapes.

Peanut Butter Fudge:
1 cup crunchy peanut butter
1 jar marshmallow cream (1 pint or 8 oz. jar)
Cook together -
2 cups sugar
2-3 cup milk, to a firm ball stage
Pour over peanut butter and marshmallow cream and mix thoroughly. When cool pour into greased pan, and when cold and set cut into squares.

YES YOU GET A PINK ELECTRIC BLANKET FREE

When you buy a new electric water heater or an electric clothes dryer you get two electric blankets. This is an added bonus for discovering for your self the many benefits of low cost electric appliances.

The big bonus of course is in using modern electric appliances. Automatic electric water heater is safe and dependable — it gives you hot water when you want it — no worry about it going out during the health of your family at night when you are asleep. Just tap and you have all the hot water you want.

And the electric clothes dryer is one appliance no home should be without. With a dryer you need not worry about the weather just dry clothes or night when you are ready . . . they come out dry and fluffy — fading or wind whipping to damage those valuable items — no risk being taken from an outside line.

See your local appliance dealer today — see how you can live electrically.

Fairview News

By Mrs. Clyde Bagwell

FAIRVIEW, October 2 - Friday afternoon late Fairview and most all other communities and also here in town a flash rain came up. Most places received something over an inch of rain and hail fell from only a sprinkle to a damaging hail in several places over the county. The wind blew very hard at times and did some damage here and there turning over cotton trailers and the like.

The rain was fine but of course the hail was not. Sunday night we had another bluster of wind and sand but no rain near. However, a heavy cloud came over with a lot of lightning and thunder. Then it all passed over and clear sky and a cool morning is what we have this Monday morning.

A large number of our folks attended the funeral Thursday for Mrs. John Reeves who passed away on Tuesday of last week. Our sympathy is with the family at this time.

Mr. and Mrs. Lee Rushing attended the Fair in Lubbock last week and visited their son, Joe at his place of business while there.

Mr. and Mrs. Bud DuBois and family of Lubbock, and Mrs. Bill DuBois and sons, Floydada, visited their parents Mr. and Mrs. Edell DuBois Sunday.

Mrs. Lee Burgett, Mrs. S. A. Guffee, and Mrs. Stella Smith were all dinner guests of Miss Alma Ruth Neeson Tuesday. Later that evening Mrs. Burgett visited in the homes of Mrs. Guffee and Mrs. Smith.

Mr. and Mrs. Lyndal Care and daughter and Mrs. Roy Meek went over to Lubbock Wednesday night to attend the Fair and the Ice Capades.

Mrs. Roy Meek and others of the family met at the home of Mrs. Ed Meek Saturday and helped her move from her home in the east part of town to her new home near the Junior High School.

E. W. Walls received a phone call early Sunday afternoon telling him that his sister, Mrs. E. C. Johnson, of Nicoma Park, Okla., had a heart attack about 11 o'clock Sunday morning and was taken to Wesley Hospital where she is receiving treatment.

Mrs. Johnson has suffered from a heart condition for several years but this was her first attack.

Mr. and Mrs. E. W. Walls and Mr. and Mrs. E. R. Walls, of Plainview, were in Floydada to attend the funeral of a long-time friend, E. C. Finley, when the word finally reached them.

Mr. and Mrs. E. W. Walls left at noon Monday for Oklahoma to be at the bedside of Mrs. Johnson.

Mr. and Mrs. Preston Ballard of Portales, N. Mex., were here Thursday to attend the funeral for Mrs. John Reeves. While here they visited his mother, Mrs. C. M. Ballard, and his brother, J. C. They also visited Mrs. John Reeves who passed away in Plainview with his niece, Mrs. Chas. McClure and family.

Mr. and Mrs. C. W. Payne went to Clovis Saturday night to visit his mother, Mrs. W. W. Payne and his sister, Mrs. Peylem Groham. They returned home Sunday night.

While Mr. and Mrs. Walton Wilson were on their trip to Pos and other points last Sunday and Monday they visited at New Home with their son and family, Mr. and Mrs. Leonard Wilson and Brenda.

A large number from our community and from Cedar Hill attended the funeral Sunday afternoon at the Calvary Baptist Church of C. E. Finley who passed away at his home in Floydada. Mr. and Mrs. Finley and their family lived in the Cedar Hill and Center Communities for years before moving to town a number of years ago. We wish to express sympathy to the family in this their time of sorrow.

Mr. and Mrs. A. S. Mize returned home Wednesday from Stockton, Calif., where they had

IT IS OUR BELIEF THAT...
A customer is the most important person in our office... in person or by mail.
He is not dependent on us... we are dependent on him.
He is not an interruption of our work... he is the purpose of it.
We are not doing him a favor by serving him... he is doing us a favor by giving us the opportunity to do so.
He is not an outsider to our business... he is part of it.
He is not a cold statistic... he is a flesh-and-blood human being with feelings and emotions like our own.
He is not someone to argue and match wits with. Nobody ever won an argument with a customer.
He is a customer who brings us his wants... it is our job to handle them profitably to him and to ourselves.
We Really Believe In This Policy.

A GOOD JOB

Billy's getting bigger, and Susie's catching up. And Mom—like any proud mother—is delighted. Their physical progress is one indication that she's doing a good job.

But is she being just as careful about other, equally vital parts of that job? Is she also measuring their spiritual progress? As it happens, she is. Billy and Susie are both already going to church and church school.

If you have been thinking that your own children are too young to begin their religious education, why not give them the chance to measure up spiritually, as well as physically? They're apt to surprise you!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
