

"Yes madam, drive-in banks are nice, but this doesn't happen to be one."

RESPONSIBLE DRIVERS HELD HOSTAGE

Often now an accident that occurs on the highway reveals all over again that there are countless motor vehicle operators who have neither insurance nor responsibility.

The result is that the responsible driver, one who has insurance against loss to other people, is to all intents a hostage to Texas' Insurance Law governing motor vehicles.

AGAINST THE LAW TO RAILROAD?

We note some new regulations put into effect as regards the operation of railroads of the country. Interstate Commerce Commission, the bewhiskered device through which the government operates to run the railroads, makes laws so fast the rail people hardly have time to digest one before they get another.

Some wag has asked how long it will be until it will be against the law to run a railroad. He has something there.

The government should be thinking of the railways in terms of a great national necessity. Instead the railways continue to be footballed from one emergency to another.

AIR LINES HAVE TROUBLE, TOO

And the air lines of the country, even though some are subsidized, have their troubles, too. The government permits private industry to own the properties but the rules and regulations and tariffs are made in Washington.

Accordingly investment money is hard to get interested in the air lines. In the early days of airways development a good many people got their feet wet in air line stocks.

SAND HILL CRANE HUNTING

For the first time in nearly half a century Sand Hill Crane hunting will be legal in Texas this year. Texas Game and Fish Commission has announced open season on these big birds Nov. 4 to Dec. 3, both inclusive.

The area for which the open season will be effective lies west of a line from the International Toll Bridge at Del Rio north to San Angelo, and northwest to a point in Dallam County, following highways 277 and 87.

Sand Hills are difficult to hunt successfully and few local sportsmen are likely to have the time and patience to hunt them. But the meat is extremely palatable, says R. D. Carroll of the Commission.

This new prospect for hunters is mentioned here principally because of the conservation story it tells. Almost miraculously, it would seem, Texans have come to realize that the way to have hunting is to stop the slaughter.

BECOMING THE ACCEPTED THING

As time goes on it becomes more and more apparent that the operation of farms is to remain rule-bound, maybe even more so. The ball is wound up so tight there'll be no unwinding it in the foreseeable future.

It is true, one might add, that the farm people could cut the knot by simply voting themselves out on an open market with their products while everything else remains subsidized.

After awhile it will become accepted that the way it is being done is the right way. We'll have a generation of farmers who wouldn't have it any other way. Somebody to tell them what to do and pay them for doing it.

RETAIL SALES TAX REPORT

By this time, November 2, the State Comptroller and the State Treasurer are rolling in the moneys that the sales tax has brought in. Thousands of retailers, some of them in dazzling plush, others in little around the corner places, and on the alleys, finished their reports Monday and Tuesday, and started their checks and money orders Austin-ward.

A good many retailers in the middle of the list to the small end, sat up with their tax troubles and neglected their businesses to get the money and report together for one thing, and to save themselves embarrassment for another. They hope they are right this first time. At least they made a good try.

Now that we are in the sales tax business lawmakers will realize how easy it is to have the business people get their money together for the state to spend. In some of the states the second and third round of sales tax raises have already come to pass.

Way Station. Enroute from where they've been this summer to where they expect to winter were several species of birds the past week. Seen taking a bath and robbing a berry bush were some red breasts, probably robins, a few days ago.

Bluebird Flyway. Bird habits are interesting. Between Floydada and Dougherty through Floyd County there is about a two-mile strip that is a blue bird flyway we are told.

Some Bue Jays Stay. Formerly, we think, blue jays did not stay in the plains country. Later a few began to inhabit Blanco Canyon and in the last decade some blue jay families have taken up residence here.

Crow's Cousin. Blue jays are cousins of the crows and have the crow characteristic of swiping things and hiding them. When Pedro was a little feller he had the run of the place at Daniel Automotive.

Iron Nerves. We wonder at the nerve of the West Texas farmer. He battles nature from the first day in January that he sticks a plow into the ground until November or December when he finishes the harvest.

Every man to his own way, no less than any other the Mexican laborer who begins to taper off Friday so he can have his day of relaxation Saturday, even in October or November when a pretty day is a pretty day and there's a cold wave warning for Monday.

Frost Referendum. An imaginary poll conducted by this department this week reveals that: (1) Even the late cotton and feed men would welcome an hour's freeze at 32 degrees most any morning now; and (2) quite a few of the customers would be glad to see the hard cold snap that would leave signs all over the place.

Study Of Every Day Manners Is Made By Club

Members of the 1956 Study Club met Tuesday night of last week in the home of Mrs. Aldine Williams for a study on manners. The invocation was brought by Mrs. Gordon Hambright after which roll call was answered with common mistakes in manners.

Mrs. Keith Buhman and Mrs. Roger Poage, presented a skit on "Manners for Everyday Living". Others on the program included Mrs. Roy Teague who gave the Department of Home Life and Mrs. Frank Loveless who spoke on cancer.

During a business session presided over by club President Mrs. George Spears, a leave of absence was given to Mrs. Fred Marble. Mrs. Herman Galloway was named as a representative of the club to meet with the 1954 Study Club to discuss street markers for the city of Floydada.

Mrs. Don Probasco was named chairman of the Vogue Pattern Contest for the club. The announcement was read of an invitation from the El Progresso Club in Matador to attend an art show being sponsored by the club to be held on Nov. 7th, 8th and 9th.

A committee was named for the Teacher of the Year presentation. Mrs. Truitt Hartsell is chairman and she will be assisted by Mrs. Dan Hagood and Mrs. Lewis Reddy. This annual event is held each April.

Present for the meeting were Mrs. Keith Buhman, Max Dyess, Carmel Eastham, Herman Galloway, Dan Hagood, Gordon Hambright, Bill Hardin, Truitt Hartsell, Mack Hicson, Frank Loveless, Troy McNeill, Norman Muncy, Bernie Parkey, Jon Parkey, Roger Poage, Don Probasco, Lewis Reddy, George Spears, Roy Teague, Charles Tyer and Aldine Williams, hostess.

The next meeting will be a joint gathering with other local clubs on Nov. 7th in the chapel of the First Baptist Church for a study on Finland by Mrs. A. E. Boyd, Caprock District president.

Mrs. Doyle Turner and Mrs. Dave Willis were in Plainview Tuesday to be with their father, R. E. Marr, who underwent major surgery. The Lockney man is expected to remain in the hospital some ten days before being dismissed.

MISS JANICE MARIE BOEDEKER

December Wedding Date Set

Mr. and Mrs. Charlie Boedecker of Lockney announces the engagement and approaching marriage of their daughter, Janice Marie, to Milton Farlin Mickey, Lockney, son of Mrs. Rosa Mason of Plainview.

The couple will exchange wedding vows in the First Methodist Church in Lockney on December 22 at 6 o'clock p.m. Rev. R. K. Windecker, pastor of the Trinity Lutheran Church, Providence, will read the ceremony.

Miss Boedecker and her fiancé are graduates of Lockney High School and are now students at Texas Tech where she is a freshman and a homecoming major. Mickey is a junior and is majoring in industrial management.

Federated Clubs District Leader To Review Book

Mrs. A. E. Boyd, president of the Caprock District of Federated Women's Clubs of Texas, will make a special appearance here on the federated clubs program the night of Nov. 7th in the First Baptist Church. Mrs. Boyd will be here on invitation of the 1950 Study Club whose members will be assisted with hostess duties by those of the 1956, 1954, 1952 and 1953 clubs of Floydada.

The program for the evening gathering which is to begin at 7:30 will be on a study of Finland. Mrs. Boyd will review the book, "Finland Forever" by Houston Strode.

Mrs. Sammy Hale, who is with the Council of International Clubs department, will introduce the speaker.

Club collect will be given by Mrs. Claude Weathersbee.

Special musical selections will be presented by Mrs. Mack Hickerson, and songs by Wren Patterson, accompanied at the piano by Mrs. Bob Copeland.

Mrs. George Wexler Hallowe'en Hostess To Martha SS Class

Members of the Martha Sunday School class of the Calvary Baptist Church held a tacky party in observance of Hallowe'en on Tuesday night of last week in the home of Mrs. George Wexler.

Throughout the house were Hallowe'en decorations, such as black cats and jack-o-lanterns. The centerpiece for the dining table was a lighted jack-o-lantern with autumn leaves on either side and Hallowe'en napkins.

Several games were played after which guests were served pumpkin pie, coffee and punch. The guests included Mr. and Mrs. Clarence Foster, Mr. and Mrs. C. A. Breeding, Mrs. Horace Cage, Mrs. Travis Lightfoot, Delzie Bradford and the hostess, Mrs. Wexler, and her husband Mr. Wexler is the class teacher.

Former Neighbors Gather At Daniel Home For Dinner

Mr. and Mrs. W. F. Daniel Sr. were hosts on Saturday, Oct. 21, for a gathering of former neighbors of the Blanco Community. Twenty-five friends were present for the dinner and afternoon of visiting. Fifteen were unable to attend. The Daniels also were hosts for the reunion last year when a big time was had by all present as well as at this gathering.

Attending were Mr. and Mrs. W. C. Cates of Plainview, Mrs. Laurine Robertson, Mrs. J. D. Christian and Mrs. E. T. Stennett of Amarillo; Mr. and Mrs. Ham Smith Sr., Mrs. Bob Ratjen, Mr. and Mrs. E. L. Thomas and son Keith, Mr. and Mrs. W. R. Daniel and children, Mr. and Mrs. Bill Daniel and children, Mr. and Mrs. F. A. Faulkenberry, Mrs. W. A. Gilbreath, all of Floydada, and Mrs. Evelyn Crull of Lubbock.

OLD TIMES RECALLED
Mr. and Mrs. A. T. Swepston were in Matador recently for a gathering of old friends in the home of Mr. and Mrs. Fred Bourland.

The dinner party was highlighted by much reminiscing by the group who grew up together in that area.

Teacher Sorority Regional Sessions Scheduled Saturday

Mrs. Velma Weaver of Clarendon and Miss Gladys Wallis of Amarillo will conduct the Delta Kappa Gamma Regional in Plainview at the High School Auditorium, Saturday, November 4. This is one of 21 regional meetings being held in Texas to inform members about the work of the Society at State and International levels.

The theme "Come, Let Us Reason Together" will be carried out in special interest group meetings. The meeting opens at 9:00 with a coffee in the Homemaking Department of the High School.

A luncheon in the cafeteria will culminate the day's activities with Miss Wallis speaking on "Come, Let Us Reason Together about the Future of Delta Kappa Gamma."

Chapters participating in the regional are Alpha Kappa and Alpha Sigma of Lubbock; Gamma Eta, Paducah; Delta Xi, Dimmitt; Epsilon Delta, Littlefield; and the hostess chapter Gamma Iota.

On Friday Evening preceding the regional a dinner will be held at Blessingames for presidents, vice-presidents, directors and others who wish to attend.

Mrs. Edna Phillips, Mrs. Fred Stewart, Miss Mary Pearl Coward, Miss Vera Meredith, Mrs. Sudie Thomas, Mrs. Ruby Orman and Mrs. Margaret Springer are local members who will attend.

Simmons Retiring From Service Honored At Dinner

W. S. Simmons was honored Saturday night with a birthday dinner and retirement party given in the American Legion Hall by members of the Texas Highway Department of Floydada and their wives. A bountiful meal of turkey with all the trimmings was enjoyed by those present after which games were played.

The employees presented Mr. Simmons with a dual electric blanket. The honoree is retiring from the Highway department this month after 18 years of continuous service.

Present for the occasion were Mr. and Mrs. Simmons, Mr. and Mrs. Ralph Lemons, Mr. and Mrs. J. C. Odum, Mr. and Mrs. Joe Green, Mr. and Mrs. Joe Owens, Mr. and Mrs. Leon Williams, Mr. and Mrs. Henry Finley, Mr. and Mrs. Albert Pricer, Mr. and Mrs. Dee Burns, Shorty Self and daughter, and Mr. and Mrs. Duane Lemons and Doug of Lubbock.

LIPSTICK LOGIC

"Don't try out new recipes on guests," we read in a Manners column recently. Good advice but for us it's thirty years too late.

When the spouse and I were newlyweds, we bought an aluminum skillet and dutifully heated soda water in it to "break it in."

In a few days, we invited a couple over for supper. They were old family friends and she was a wonderful cook, so we wanted to do something special to impress her. Nowadays we would think twice before undertaking one for the family. That night any resemblance it bore to the picture in the cookbook was purely coincidental.

The spouse, who knew nothing on earth about cooking, did know that food was supposed to taste good, hence this dish was a dismal failure. To lighten the atmosphere, he said brightly, "Honey, this celery is so nice and limber!"

A month or so later we went calling with two women on another bride. It was Saturday afternoon and she was making coffee. The aroma filled the house. "Are you expecting someone?" they asked, hesitating at the door.

"Oh no," she said, blushing. "I'm having the church circle next Wednesday morning and I'm making 40 cups of coffee to see how early to start the first pot."

My companions, veterans of the kitchen, thought this very funny. Often these days a hostess will say of a scrumptious salad or dessert: "I'm trying this out on you." Either she fibs or else experienced cooks can "try out" recipes with considerably more safety than brides with new skills. At any rate, we approve the advice in the Manners column. For thirty years now new recipes get a trial run at our house before the big day.

CLUB MEMBERS INVITED TO SEE ART EXHIBIT

By Mrs. Murray Julian
SOUTH PLAINS, Oct. 30 — Rain showers and hail greeted those who came out from evening church services Sunday night, but the shower fell mostly around South Plains, and the hail did no damage to speak of. The cool spell ended the beautiful Indian summer days, and although it was 43 this Monday morning, we have not yet had any frost. It has rained off and on all this Monday, and light amounts have fallen. Tuesday is the last of October, and brings Halloween. All the children here are celebrating at the Halloween Festival at the schoolhouse.

at South Plains, and he with the Rev. Don Murray, officiated at the funeral services which were held at the First Baptist Church in Muleshoe this Monday morning at 10, with interment in the Bailey County Memorial Park. Members of the Wimberly family were there and several from South Plains went for the services including the Frank Mc Clures, Sylvan Kinniburghs, Junior Catahans, L. N. Johnsons and Mrs. Roy Burks. Our hearts grieve with them, and they have had to be away from home so much since the fathers illness. Another pioneer from our area was laid to rest this Monday morning at the Floydada Cemetery, Bradley Yeary, father of Esley and Rene Yeary of our community, passed away October 26, in Pennington Gap, in Virginia, at the age of 84. Well known throughout the area by everyone, he had spent the past few years in Virginia, just coming home for frequent visits. Services were held in the Cedar Hill Baptist Church this Monday morning also at 10, with G. C. Applewhite, Rev. Temple Lewis of Lone Star, Rev. Bert Glasscock, and Mr. Charles Jarrett officiating. Mr. Yeary had helped haul the lumber and build the first Baptist Church there. We extend our sympathy to members of the family and most of our people attended the services, including families of Lee Pearson, Truman Bradshaw, Bryant Higginbotham, Murray Julian, John Wilson, Mrs. Walter Wood, L. T. Wood, John Key West, Leighton Teeple, Fred Forrester, Ernest Wells, Marvin Wells, Ernest and P. M. Smitherman, Mrs. Grigsby Milton, Arby Mulder, and possibly others I did not see. Lee Pearson and Roy Childress were pall bearers, from here.

Church enjoyed a Hallow'en party Saturday night at the Fellowship Hall with sponsors Mrs. L. T. Wood and Mrs. Arby Mulder serving sandwiches, pumpkin pie and apple cider at refreshment time. Gene Johnson, youth director, was in charge of games and those attending were Mrs. Wood, Mrs. Mulder, Gene Johnson and Judy Jarrett of Wayland College, Elton Karr and Judy Doggett of Wayland, Kathy and Nathan Mulder, Jo Ann Newton, A. Ronald Taylor, Sue Wilson, Yvonne Karr, Larry Adams, Dennis Deavenport, Allen Adams, Waylene Mankins of Floydada, Bruce Julian, Charlotte Caldwell of Floydada, Gary Wilson and Jan Alexander of Floydada.

2-Lt. and Mrs. Kendis Julian who are now in Ft. Lee, Va., with the armed forces will go to Ft. Gordon, Ga., near Augusta, Nov. 16. Their orders are for Okinawa in the Pacific, after Jan. 15 of next year, where Kendis will work with farmers of the island.

Mrs. Garvin Beedy will be hostess at a Tupperware Party in her home this coming Friday morning at 9:30, and she asks that everyone who can please come. Mrs. Ann Orr of Plainview will be showing the Tupperware. Remember the date, Friday morning.

Youngest Married Couples Sunday School Class Party
Mr. and Mrs. Bill Hopper were hosts in their home for members of the Youngest Married Couples Adult 4, Sunday School Class at a Hallow'en party Thursday night. Tables of forty two were played throughout the evening at three tables. Mrs. Hopper served sandwiches, coffee, cakes, Hallow'en cookies and candies to those attending. Present were Messrs. and Mmes. Don Probsco, Johnny Wilson of Floydada, Zach Cummings, Don Marble, and Rev. and Mrs. Herschel Wimberly.

Weather Does Not Faze CROP Canvassers

Despite a dreary rainy Monday night, youth of local churches collected \$523.37 for CROP, according to figures from Pete Hickerson.

Sixty-four youth met at the First Methodist Church for instructions from Mr. and Mrs. Hickerson and were served refreshments before their departure by Mrs. Jimmy Willson and Mrs. M. J. McNeill of the WSCS.

Hickerson said the total amount collected Monday night was about the same amount taken in last year in the CROP drive. The amount was turned in to Claude Estes, County chairman, to be sent to CROP.

Thanks go out to Floydada citizens this week from the youngsters and officials who they said, were cordial in every way.

Taking part in the drive were Veda Thayer, Allan Adams, Gloria Sparks, Charlie Caldwell, Bruce Julian, Nicia Gilliland, Van Trapp, Dorothy Edmiston, Dale West, Jimmy Tye, David Luttrick, Vicki Gregory, Vicki Smith, Dee Ann Wilson, Jancy Gill, Roger Schuppert, Tommy Lyles, Kay Bullock, Bobbie Reue.

FROM COUNTY AGENT'S OFFICE

By Cecil Lewis
Swine Production
Floyd County Swine Improvement Association held their first registered pig sale, Saturday night, October 28, at the Lockney fair grounds. Consigners were A. O. Foster, Weldon Cumbe, R. C. Mitchell, Steve Belt, Paul Kropp, Jerry Patterson, C. W. Patterson, Dale Lacey, and wearing boards and gilts were consigned and sold for \$1797.50 gross. The top selling animal was a registered Chester White gilt selling for \$57.50.

The buyers were from Texas, New Mexico, and Oklahoma and the breeders expressed satisfaction with the sale.

Cotton Production
The use of cotton burrs on land has proven to be a very good practice. In many cases farmers can get burrs applied for \$2.50 per acre and the value of plant nutrients per ton of burrs has been noted when the land has been treated with burrs for three successive years. The incidence of angular leaf spot has not been increased by the addition of cotton burrs. Weed seed from burrs is also very low.

Over a six year period one ton of cotton burrs has increased yields on average of 36 pounds of lint cotton per acre. This can be an important source of organic matter for your farm.

Yields from the use of different rates per acre are as follows:

Tons of cotton burrs per acre in left hand column	Average lint yield in right hand column
0	538
2	649
4	705
6	762

The use of about 15-20 pounds of plowed under will aid decomposition and will increase yields the first year.

Tragic Events Claim Husband And Wife Of New Mexico Home

A Floyd, N. Mex., man and his wife are believed to have died within a few hours of each other, neither knowing of the other's death. They were Mr. and Mrs. Trovce Borden, brother-in-law and sister of Mrs. Don Barrow of Floydada.

Mrs. Borden, accompanied by Mrs. Paul Fullerton, left for Floyd yesterday morning upon receiving the news.

Mr. Borden was killed along with a companion when their pickup truck was hit by a train early Tuesday night some 45 miles northwest of Portales, N. Mex.

News reports related that Borden and Charlie Vidler, also of Floyd, were killed instantly. They were in the pick-up owned by Borden which was struck from behind by a speeding freight train after the pick-up had turned onto the tracks.

Investigators said the pick-up had turned west on the tracks and had traveled 70 feet from the crossing when a west bound freight crashed into the rear of the vehicle. An east bound train had just blocked the crossing on the adjoining track.

The freak accident occurred 12 miles west of Melrose, 30 yards south of U. S. Highway 60-84, at 6:15 p.m. Identification was not made until about 11 o'clock Tuesday night.

The wife, Mrs. Borden, who had been in failing health for a number of years and quite despondent, was the victim of a "drowning" believed to be suicide. Her body was found by the Sheriff of Floyd, N. Mex., submerged in an overhead water tank at the family home in Floyd. He had gone to the home to inform her of her husband's death.

Gas Meeting

brought about by the new February, 1961 rate.

"Another finding reflected that in the rate bracket governing the sale of gas over 1,000 Mcf. the new rate effective February 1961 constituted a 17.391 per cent increase over the old rate. In the bracket of 301 to 500 Mcf. the new rate constituted an increase of over 14 per cent, and in the bracket covering gas over 501 to 1,000 Mcf represents an increase of 16.2-3 per cent over the old rate.

Broad Experience Cited

"Dr. Steinhilber, a registered professional engineer and gas rate consultant, has been often employed by the Railroad Commission as an independent consultant in gas rate controversies and has had broad experience in this field, having been Chief Valuation Engineer for Lone Star Gas Company for 18 years before opening his own offices as a private consultant some years ago. He has been engaged in some phase of the gas business for over 35 years. He was employed by the Board of Directors of Plains Irrigation Gas Users Association in August to make the study and report factual information to the Board so that the Board might determine for itself the fairness of the recent increase made by Pioneer Natural Gas to the irrigation farmers of the Panhandle and South Plains of Texas.

"Eight Panhandle and South Plains counties were represented at the Board of Directors meeting which was presided over by David Burgess of Swisher County, president of the Association. The other members include E. J. Kinlaw, Floyd County; J. E. Masters, Hale County; Ray Joe Riley, Castro County; W. T. Millen, Bailey County; R. C. Sampson, Potter County; Rex Wheeler, Crosby County; Bruce Parr, Parmer County; Jay Boston, Secretary, Deaf Smith County; A. P. McWilliams, Hale County; Bob Francy, Swisher County; and S. M. True, Jr., Hale County.

"The information included in Dr. Steinhilber's report will be taken by the Directors back to their respective counties. President Burgess stated that he felt that each Director owed it to his people to fully inform them as to the actual amount they were paying for gas and the actual rates

Sand Hill News

By Mrs. James Jeffress

SAND HILL, October 30 — Fall weather has continued this week but many are wondering when we will receive a killing frost. For some Maize harvest won't continue until after frost and for others, they are about ready for a frost on their cotton. It seems that farmers are never satisfied.

Word was received this week that Brother and Mrs. Johnny Tims, of Quanah, are proud parents of a baby son born this month. This is the Tims first child and tipped the scales at eight pounds, eight and one half ounces. Mrs. Tims is the former Pearl Baird, of the Community Grandparents are Mr. and Mrs. Glen Baird of Hereford, formerly of the community.

Barlow Hill Died Monday At Hillsboro

Thomas Barlow Hill Sr., 81 year old long time resident of Floyd County, died Monday morning in a rest home at Hillsboro. Rites for the Lockney man were held yesterday afternoon in the Main Street Church of Christ in Lockney. Burial was in Lockney cemetery.

Mr. Hill was a retired law officer and had been a resident of Lockney for 60 years. He was a member of the Main Street Church of Christ.

Survivors include his wife, four sons, Lawrence B. of Whitney, James T. of Amarillo, Albert E. of Garland and Thomas B. Jr. of Richardson; Mrs. Frances Smith and Mrs. Mary Lane both of Plains.

'The Magic Key' To Be Presented Sunday Evening

Christian Literature Week is being observed currently at the First Christian Church. Beginning the observance Oct. 29, J. C. Wester spoke on the value of Christian Literature in the Sunday School assembly; and several Sunday School classes stressed the advantage and pleasure of reading good books.

The central theme for this year is "Good Books — the Key to Happy Hours". An assortment of fine reading for all ages is on display in Fellowship Hall. Also a corner showing hymnals used in the life of the First Christian Church and making mention that the Bible is indeed the greatest book ever written. The Children's Corner boasts new, attractive books.

Sunday evening, Nov. 5 a special program will be presented by the children and young people of the church at the 6:30 worship service. Based on the idea that reading is adventure, "The Magic Key" will demonstrate how books unlock the doors to travel, play, education, nature, service, and prayer.

Home Coming at Sand Hill Baptist Church

Sunday is home coming at the Sand Hill Baptist Church. Brother Joe Peterson of Floydada will be the morning speaker and Calvin Gustin, of Abernathy, will speak at the evening services.

Salvation Army Drive Is About Half Finished

The Salvation Army drive is about half way on the road to completion, it was indicated this week by Lewis Anderson, campaign chairman.

Estimate is that about one-half of the campaigners have made no report to date. Those who have, have turned in \$929.22 to the treasurer.

The goal is \$2,000 for the local unit of the Salvation Army. The state organization has scraped the bottom of the barrel and are still spending above normal requirements on the Gulf Coast.

The local unit is helping some on this outlay, and in addition had a heavy load to carry on its own during the late winter and spring.

"So, we really need to replenish the treasury and are hoping the response will be generous when our canvassers get a round," said Mr. Anderson.

Joe—What does your wife say when you stay out this late?

Moe—I'm not married.

Joe—Then why do you stay out this late?

PTA Carnival Reported As Huge Success

"Success" is the big word going around for the annual Halloween carnival held Tuesday night at Andrews Ward. The attendance filled the halls and rooms to capacity despite the drizzly and foggy night, which seemed to make the ghost and goblins running around more authentic.

Mrs. Cleo Whittle, general chairman of this year's affair, said the response of the public was most gratifying and her thanks go to all chairmen and their assistants and the many other persons who helped.

Mrs. Whittle said the total receipts for the night were approximately \$900 before expenses.

Tommy Assiter, Claud Estes and Mrs. Bill Daniel were the clowns greeting guests to the carnival.

Booths were set up throughout the first floor hall and the gym was filled with fun for all. The country store went for \$1.00 and 1,200 tickets were sold for the cake walk.

Patrons were served a hot meal of chili, drinks and desserts in the school cafeteria prior to the opening of fun time.

After the parade of Halloween costumes children met in the school library for the contest. There were 57 entries which proved a problem for judges Nell Burk, Mrs. James Lovell and Bill Daniel.

Winners received fuzzy little stuffed dogs and teddy bears as their prizes.

Nancy Williams, daughter of Mr. and Mrs. Q. D. Williams, won first for the best girl costume; Mike Simpson, son of Mr. and Mrs. W. H. Simpson Jr., won first for the best boy costume; Kenneth Bloys, son of Mr. and Mrs. Gene Bloys, first for the funniest costume, and Jill Stansell, daughter of Mr. and Mrs. Jack Stansell, first for the prettiest costume.

Proceeds of the PTA Carnival will go toward betterment of the school.

Boyce House Says I Give You Texas

A businessman in New Orleans said to a visitor from Chicago, "I would be glad to have you as my guest tomorrow at the New Orleans Chamber of Commerce Membership Council, we have a speaker from Texas."

The visitor said, "Thank you, but I don't believe I'll go."

The businessman went on.

"His name is Boyce House," the Chicagoan shouted, "Yes, I'll go! He's my cousin."

Which was a fact. His name was Karl Gillespie and we hadn't seen each other in over 40 years.

Incidentally, when the invitation to make the speech was accepted, I assumed it was a small organization. On the train en route, I read the information and found that the editor of "Look and Secretary of the Army Pace were among recent visitors and that, the week before, General Lawton Collins, chief of staff, was the speaker.

I figured that an unknown from Texas would be no attraction in the face of such "names." The meeting was in the ballroom of the Roosevelt Hotel and they had to crowd in extra tables to accommodate the crowd.

Thing was — they had been hearing so many world figures on world problems that, for a change they welcomed somebody — even a Texan! — who had no message but was just trying to give a few laughs.

My cousin Karl and I had a happy reunion in charming New Orleans. We talked about boyhood events and scenes. He was my host at dinner in a famous restaurant and, because I knew a former Texas newspaper couple who lived in the French Quarter, Karl and I had the privilege of visiting the historic, picturesque mansion. Though a frequent visitor to New Orleans, my cousin had never been in one of the old houses before.

A few months afterward, a letter came, telling me that Karl had died. Life has its splashes of sunshine and its gray shadows.

Laughing at Me

A sensitive man from outer space descended to earth recently and came face-to-face with a piano in a store window.

"Okay, you," he snarled, "wipe that nasty grin off your face."

In the affairs of this world, men are saved, not by faith, but by the want of it.

DAUGHTERS VISIT HOME
 Mrs. Walt McGinnis of Kansas City, Kan., left for home yesterday after spending ten days in Floydada with her mother, Mrs. Alma Holmes and other relatives. Mrs. McGinnis is the former Dorothy Holmes.
 Other guests here during that time included another daughter Mrs. David Dallas and her little daughter, Danielle, of Dallas. She is the former Beuna Holmes.
 Mary Ann Odum, daughter of Mr. and Mrs. J. C. Odum, was brought home Monday from Peoples Hospital where she had been receiving medical treatment since last mid-week.

Remember church Sunday. Soon winter will be here and it will be harder to be regular in attendance. Make hay while the sun shines.
 Mr. and Mrs. Vinson visited the R. R. Wallers Saturday evening.
 Mrs. Doyle Sandifur visited her mother, Mrs. Alice Crump, in a Littlefield rest home last Tuesday. Mrs. Crump, who has been in failing health, seems much better.
 The Sandifurs visited his parents, the B. L. Sandifurs, of McCoy, last Saturday evening.
 The C. H. Wise family, of Fairview, visited the Sandifurs Thursday morning. The son, Denton, is on furlough from Ft. Ord, Calif. who is enjoying and being enjoyed by homefolks these days, is on his way to a camp on the east coast.
 Farmers are thankful for dry, pretty fall harvest weather until last evening and many loads of grain and many bales of cotton have been brought in. More clear days are supposed to follow by Wednesday or Thursday according to weather forecasts.
 Some of our people can't be reached today.
 Remember church Sunday. Soon winter will be here, and it will take more will power to have regular attendance. Let us make hay while the sun shines.

There were ten women present.
 We hope all our women, when possible, will come to one meeting or the other and develop an enthusiasm for the work which participating, prayer and attendance brings.

Mrs. J. T. Perry came home Thursday from Lockney General Hospital where she received medical attention during a three day stay there. She is reported much better at this time.

Nurse Passes While On Duty With Patient

Mrs. J. Frank Smith, 73 year old former resident of Dickens County, died unexpectedly in Cleburne Saturday morning around 2 o'clock. She is the mother of Mrs. Eldon Webb, whose husband is a brother to Floyd Webb of this city.

Mrs. Smith had been making her home in Cleburne for nine months with her only surviving sister, Mrs. Ada Wilkinson. She was a practical nurse and was with her patient at the time of her death. Friends told the family that Mrs. Smith had arisen to see a

about her patient, who is paralyzed. Returning to her chair, death came almost immediately from natural causes. The patient remained in the same room with her deceased nurse for some five hours before help arrived.

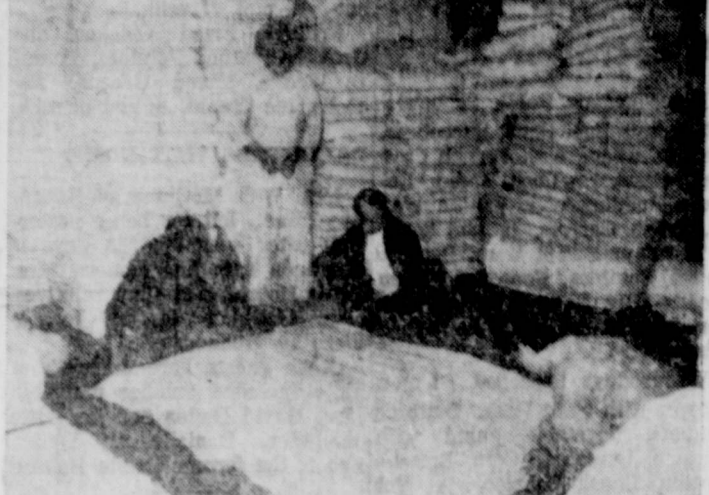

The body was transferred to Floydada by Dillon Funeral Home of Cleburne and rites conducted in the City Park Church of Christ here with the Minister Henry Ewing officiating. Interment was in Floydada cemetery beside the body of her husband.

Pallbearers were nephews, grandsons and a son-in-law, Jesse Massie, Fort Worth; Harry Scarberry, Alvarado, Tex.; Herman Hensley, Cleburne; Frank Black, Arlen Webb and Charlie Black of Los Angeles, Calif.

Mrs. Smith was born in Dallas County, Tex., on April 10, 1888. She was married on Dec. 29, 1904 and moved to Texas with her husband from New Mexico in 1913. The couple settled in Dickens County where Mr. Smith farmed for 35 years in the Midway community near Afton. He died in 1947 and was buried in Floydada cemetery next to his late sister, Mrs. Walt Massey of Floydada.

Since his death Mrs. Smith had lived with her three daughters alternately until moving to Cleburne.

Survivors include her children, Mrs. Lillie (Eldon) Webb and Mrs. O'Tansy Black of Los Angeles, Calif., and Mrs. Oleta Jones of Americus, Ga.; nine grandchildren; 11 great grandchildren; and one sister.

SEWING WOMEN turn ginned cotton from CROP into Chinese quilts. Bales of cotton fibre given to CROP, the Christian Rural Overseas Program, will provide homeless refugees in Hong Kong and other areas of acute need with yarn and batting for warm clothing and blankets.

At the home of Mrs. D. D. Thornhill, Mrs. Wilbert Ellison of Portales, N. Mex. was the Demonstrator. With her were two lovely little nieces from Denver, Colorado, a daughter and her baby son, Mrs. Don Cummins and baby Don of the Cone Community. Others who attended were Mrs. Homer Smith, Kelvin Winegar, Jessie McKee, Amos Ellison, Willie Smith, Bernard Parker, Conda Starratt, all of Crosbyton, Mrs. L. R. Rainbolt of near Lakeview, Mrs. A. L. Winegar, A. D. Whalen and T. E. Thornhill, little Conda Maise, Wayne, Benjie, Brenda and Bessie Smith. After the Demonstration the hostess, assisted by Mrs. Homer Smith, served refreshments of spiced tea, cokes, popcorn balls, home made fudge and crackers and dip.

Mr. and Mrs. D. D. Thornhill were callers Thursday night of last week in the home of Mr. and Mrs. C. B. Leatherwood. We were so sorry to learn of the illness of Mrs. Claude Studuth's father. We truly hope he will soon be much improved.

Mrs. Bill Alexander, daughter of Rev. and Mrs. L. E. White underwent surgery in the Crosbyton Hospital Friday morning of last week. We wish for her a very speedy recovery.

Self Employed Should Check On SS Record

Self-employed persons who have been reporting their earnings for social security would do well to ask for a statement of their official records, John G. Hutton, manager of the Lubbock District Social Security Office advises.

"Social security records are as accurate as the returns they are based on," he explained, "but we have found that a great many of the social security reports do not show the taxpayer's account number and in some instances even the address is omitted. These incomplete reports are held in a suspense file and not credited to the taxpayer's social security account until they can be properly identified."

The importance of making sure that the earnings from self-employment have been properly credited arises from the fact that each such report covers a full year, or four "quarters of coverage". And since eligibility for all benefits—retirement, survivors, and disability—is based on

having enough "quarters of coverage" to be insured, the omission of four such credits can be serious. If you are a self-employed person, you must report your earnings for social security if you net \$400 or more in a taxable year. For this, you will receive credit for four quarters of coverage.

Broadway News

By Mrs. T. E. Thornhill
BROADWAY, October 30 — Once again we have had some rather windy days this past week, although several farmers have started their strippers, still some of us who have such late cotton are quite happy that the killing freeze has stayed off as long as it has. Of course we really expected a killing freeze by the middle of October since it was a late freeze last year.

A Stanley Party was well attended and very much enjoyed Friday afternoon of last week in

the home of Mrs. D. D. Thornhill. Mrs. Wilbert Ellison of Portales, N. Mex. was the Demonstrator. With her were two lovely little nieces from Denver, Colorado, a daughter and her baby son, Mrs. Don Cummins and baby Don of the Cone Community. After the Demonstration the hostess, assisted by Mrs. Homer Smith, served refreshments of spiced tea, cokes, popcorn balls, home made fudge and crackers and dip.

Mr. and Mrs. Ronald McClure accompanied the "Intermediate" Sunday school Dept. to Lubbock Monday night of last week for an ice skating party. The children Rhonda, Brenda, and Doug stayed with their Grandparents Mr. and Mrs. Hoyt McClure, when The Ronald McClure's returned they also spent the night.

Mr. and Mrs. Duane McClure and girls, Rhetta and Terri were Sunday dinner guests in the Hoyt McClure home. Sunday afternoon callers were Mr. and Mrs. R. E. Leonard of Tulsa.

Mr. and Mrs. D. D. Thornhill and Mr. and Mrs. T. E. Thornhill were Sunday visitors of a brother and his wife Mr. and Mrs. W. A. Thornhill of Seymour. Other visitors were Mr. and Mrs. Bob R. Thornhill and son Bruce also of Seymour.

Mrs. A. L. Winegar came over Friday and spent the day with us. We even took her to Lubbock with us as we had to make a hurried trip over there.

Mrs. Herman Kolder of Hale Center and Mr. S. R. Campbell were visiting a day or so last week in the Campbell, Elvis Marley and Biddie Wall homes.

Mr. and Mrs. D. D. Thornhill and Mr. and Mrs. T. E. Thornhill were Sunday visitors of a brother and his wife Mr. and Mrs. W. A. Thornhill of Seymour. Other visitors were Mr. and Mrs. Bob R. Thornhill and son Bruce also of Seymour.

Thank you, Texas Newspapers!

For 20 years, Texas newspapers have been giving the government free space in which to advertise U. S. Savings Bonds.

You've seen the ads: you save more than money with U. S. Savings Bonds. Those ads have sold an impressive number of bonds in Texas, bonds that have helped, and are helping, your government defend freedom at a precarious moment in history, when freedom is in desperate need of defending.

When you buy these bonds you serve well the cause of liberty. You enable your country to build up her own defenses without doing damage to her economy. You insure the future for this and succeeding generations.

The space occupied by the ads that sold those bonds was donated to your government—and that means to you—by the newspapers of Texas.

We thought you'd like to know.

"The public-spirited newspapers of Texas have made an important contribution to the well-being of this country," says Ed Gossett, Co-Chairman of the Texas State Savings Bond Committee.

ways and farm-to-market roads have taken top priority.

Gov. Price Daniel brought the issue of highway financing to a head when he vetoed the \$15,000,000 Colson-Briscoe farm-to-market road appropriation. Legislators had appropriated it for the year starting next September 1.

Governor Daniel will ask the Legislature, at its special session this winter, to cut down on farm-to-market road construction and step up the money available for trunk-highway work.

Texas County Judges and Commissioners Association has endorsed the change.

Governor Daniel will go in person to the Texas Farm Bureau convention in Galveston November 12-15 to try to get that powerful rural group to accept the plan.

BUSINESS COMING BACK

A steady growth in Texas retail trade in 1961 is reported by the Bureau of Business Research of the University of Texas.

Despite a Gulf Coast slowdown in September, due to Hurricane Carla, retail sales for the first nine months of 1961 pulled to within one percent of the sales for the same period of 1960. First six months of 1961 were three percent behind 1960.

September sales were off, largely because people bought heavily in August to avoid the sales tax. But the nine-month figures indicate to the Bureau's economists that things are looking better.

A big gain in construction in 1961 has helped the business picture. Not even Carla's September blow could head off a new nine-month record in the construction field in Texas. The UT Bureau found \$1,047,625,000 in construction authorized the first nine months of 1961, five percent above 1960's first three quarters.

Recovery of the home building business was the major factor. Third quarter saw \$169,127,000 worth of one-family homes authorized.

45 Million Cars Later— Chevrolet Celebrates 50th Birthday

CHEVROLET AND HIS CAR—Famous race driver, Louis Chevrolet, displays his experimental 1911 car which went into production in 1912. This was the beginning of one of the automotive industry's most fabulous success stories and one which is highlighted by the golden anniversary of Chevrolet starting November 3. In its first year of production Chevrolet built 2,999 cars.

increased nearly two and a half times, from \$520,000,000 to \$1,200,000,000 a year from 1950 to 1961.

In defense of the Legislature, he said it wasn't "free spending." Spending was necessary for essential programs like education, highways, welfare, hospitals and the like, Ramsey explained.

Rep. Jesse M. Osborn of Muleshoe has some tax cutting in mind. In a letter to Governor Daniel he proposed that the State ad valorem tax be abolished, and the sales tax revenue be used to make up the gap.

So far, sales tax revenues have only begun to trickle in to the State Treasury. So the state's main checking account is still \$86,850,569 in the red. If good business conditions continue and income is up, it will still be more than a year before the deficit is erased.

Dougherty News

By Mrs. W. J. Ross

DOUGHERTY, October 30—The Volunteer Mission Band of Wayland College conducted services at the local church Sunday morning and evening.

At noon the visitors from Wayland and Rev. Jim Dewese and his fiancée, Mrs. Velma Wright were guests of Mr. and Mrs. R. H. Crawford. In the evening the group were served a buffet supper by ladies of the church at the Roy Crawford home. The group plans to do mission work in Chicago during their Christmas vacation.

The boy and girl basketball teams of the Flomot Grade School met the teams of the Dougherty School at the local gym Friday afternoon with the visitors winning both games. The score in the girls' game was 19-20 and in the boys' game 18-22. The Dougherty teams are scheduled to go to Flomot Thursday. The game will begin at 7 p.m.

H. N. Powell was hospitalized at Matador Saturday. As his condition grew more critical he was transferred to the Methodist Hospital Sunday. At this date his condition is critical.

Mr. and Mrs. Sam Graham, of Lockney, and Mr. and Mrs. Bert Lee Emert visited their mother, Mrs. J. W. Graham Sunday.

Mr. and Mrs. Blake (Bud) Barton are in the process of moving into a spacious modern three-bedroom home located on the road leading to the Thrasher gravel pit. The Bartons have three children, Steve, Ann and Kristi. The oldest, Steve, is a beginner in the Dougherty School.

Mrs. Lyndle Patterson, Becky, Melody and Wesley, of Abilene, are house guests of Mr. and Mrs. Earl Foster.

Mr. and Mrs. Virgil Newton, of Petersburg, and Mr. and Mrs. Orville Newton of Lubbock, were guests of their brother, Mr. and Mrs. J. E. Newton Friday.

Mr. and Mrs. Dick Carpenter, Cindy, Carlton, and Christi visited with Mr. and Mrs. Howe Hines Saturday.

Dale Emert, who recently moved to Richman, visited his parents over the weekend. His wife and children returned home with him.

Guests in the home of Mr. and Mrs. A. T. Emert during the past week were an uncle and aunt, Mr. and Mrs. J. E. Scott, of Amarillo, an aunt, Mrs. Angie Graham, of Lubbock, and cousins, Mr. and Mrs. Loyd Scott, of Cuka, Mo.

The Rev. J. N. Hunt, of San Antonio, reports he is up and about on crutches after a fall which resulted in a broken hip. He wishes to thank his friends in this area for their cheering cards and letters.

David Crawford, of Levelland, visited his parents during the weekend.

Farmers of this vicinity who suffered late hail damage on their cotton crop have been harvesting the past several days. Considering the storm damage the yields are surprising. When stalk is stripped and cotton picked off the ground yield will approximate bale per acre but will not unless picked off the ground also. To date this cotton is grading middling light spot and strict low middling light spot and price is averaging above 30 cents. A limited number of hand pulled cotton has brought 32 cents.

C. H. Wise and son, Charles Denton, visited Mr. and Mrs. C. A. Caffee Thursday. Charles Denton is in the service and had boot training at Camp Ord, Calif. At the expiration of his leave he will go to a camp in Virginia.

Mrs. Una Birmingham, of McKinney, is the house guest of

Class 1 High School solos will be given by Bobbie Reue, Betty Wright, Suzanne Collier, Dorothy Edmiston, Barbara Gilley, Sarah Holmes, Janet Moore, Jan Stansell, LaJuana Rimmer, Janice Trapp. There will be trios Janet Moore, Betty Wright, Jan Stansell, and Janice Trapp, Dorothy Edmiston and Suzanne Collier.

The Floydada High School band will go to Seagraves November 14 to enter the Invitational Marching Contest. This is the contest in which they won first place last year in their division.

On the November 21 the band will enter the Regional Interscholastic League marching contest to be held in Jones Stadium at Texas Tech.

Body Of Former Resident Brought Home For Burial

A well known former South Plains community woman and long time resident of Floyd County, Mrs. A. J. Mabry, died Tuesday of last week in San Diego, Calif., where she had been making her home with a son.

The body was returned to Lockney where rites were conducted in the First Methodist Church Friday. Burial was in Floydada cemetery under the direction of Carter Funeral Home.

Mrs. Mabry, 87, and her late husband had resided in Floyd County for almost fifty years. He died in 1944 and in 1956 she moved to California from Lockney to reside.

Beside the son, Paul Muse, other survivors include a brother, Jack Ables of Denton.

NEBRASKANS RETURN HOME

Mrs. J. C. Marquis and Jaylin of Beikelman, Neb., left for home Sunday after spending several days here in the home of her husband's brother and wife, Mr. and Mrs. F. M. Marquis.

Also leaving for home last mid week was F. M.'s nephew Jimmy Marquis. He left Amarillo for the flight home to Los Angeles, Calif., after spending the time since August in Floydada. Jimmy is the son of Wayne Marquis of Los Angeles.

Her brother, Mr. and Mrs. J. G. Cage. Her son, R. E. Birmingham, of Hobbs, N. Mex. was a weekend guest in the Cage home.

TEXAS MONUMENT

A delegation of Texans headed by Governor Daniel will journey to Vicksburg, Mississippi, on November 4, to dedicate a \$100,000 monument to 35 Texans who played heroic roles in the defense of Vicksburg.

Ceremony will be a part of the Texas Civil War Centennial observance.

Monument was authorized by the voters of Texas in the 1953 constitutional amendment which switched revenue from the Confederate pension tax to a state building program.

Movement to build such a monument was started by Confederate veterans and was carried on for more than 50 years by the United Daughters of the Confederacy.

TB CAMPAIGN—Story of how one county has just about whipped tuberculosis was told at the Texas Tuberculosis Association meeting.

Bell County set up a chest clinic in 1954. Persons who had contacts with known TB patients were asked to come in for free check-ups. But if they did not come, warrants were issued to bring them in.

After 3,162 clinic visits, the program has located 64 new cases of TB over the years. But it has worked so well at checking spread of the disease that last year only one case was found when tuberculin tests were given extensively.

Dr. Howard Smith, head of the TB division of the State Health Department, said it took a lot of hard work by Bell County people, but it has paid off.

LOAN STUDY—A committee of the Texas Legislative Council went to work with its staff to bring a study on loans and lenders up to date.

Acting Lieut. Gov. Bruce Reagan named Rep. Criss Cole of Houston to head the committee. He was author of the constitutional amendment which gave the Legislature power to allow interest rates to exceed 10 per cent.

Other members of the study committee are Sen. Nevelle Colson of Navasota, Sen. Preston

Antelope Season Brings 29 - 0 Victory To Whirlwind Team

The Floydada Whirlwinds declared Antelope season open last Friday night and proceeded to add their hides to the collection of victory trophies when they won over the visiting Abernathy team 29 - 0.

The win made it eight straight for the season and three in a row in the district title race. Floydada is now the only undefeated team in district 2AA but must still beat the pesky Morton Indians to nail down the crown.

It was a team win for Floydada as fine defensive work, blocking, hard running, and good passing paved the way to victory. The visitors proved to have good spirit and hit hard right to the final whistle. Their offense looked good in mid-field but could not go as it neared the goal line and the defense was able to tighten up a bit.

Boys Have Good Night
Quarterback Rodney Teague had a good night for Floydada as his passing and running proved very effective. He figured in some way on all scoring plays. Albert Hernandez was second leading ground gainer as he ripped off good yardage on his down the middle jabs. Darryl Lindsey and Don Switzer proved to be the favorite pass receivers. Lindsey snagged four tosses that netted 71 yards and some 14 points on the score board.

Charles Christian supplied some fine key blocking for his running mates and was also in on good tackling, the latter showing up on several kick situations when Antelope runners were trapped deep in their own territory.

James McKinney, Joe Dunn, Bruce Julian, Frank Barrow, Darryl Lindsey, Don Switzer, and Jimmy Stewart were noted on a number of fine stops on Antelope runners. Other Whirlwind tacklers many times did equally well but their numbers could not be distinguished in the pile-ups as team pursuit was good and gang tackling not at all uncommon.

Opening the game Abernathy kicked off from the south end of the field with a wind to their backs. Florence toed the ball to David Barnhart on the Winds 30 yard line.

Floydada's first offensive effort gained but five yards before they were forced to punt and Teague kicked from his 35 to the 46 where the ball was killed after taking a bad Antelope bounce.

The Antelopes called on Ritchey and YBarra for the fire works and gained first downs at the 35 and again at the 23 before running out of gas at the 16 yard line. Bruce Julian nailed YBarra for a minus two yards on one key stop in the series.

The Game's First Score
Floydada had gained to their 35 yard line before Rodney Teague was cleared into the Antelope secondary with some early blocks. After shaking off three or four would-be tacklers he had reversed his field several times and broke free about mid field. From here on Teague turned on the speed and out raced his pursuers going down the side line for a 65 yard gain and the game's first score. A pass Teague to Switzer got the two point conversion and gave the locals an 8 - 0 lead.

Floydada had contained another Abernathy offensive effort before the period ended and the Antelopes punted from their 46 out of bounds at the Floydada 13.

When the second quarter opened the Winds owned the ball at the Floydada 24 and faced first and 10. Teague, Hernandez and Barnhart alternated at the running chores and just enough passing was mixed in to keep the defense honest.

As the Whirlwinds gained the Antelope 21 yard line a strike was thrown to Lindsey to cover the remaining distance and get the six pointer. Christian held the ball and Teague kicked the conversion. The score board lit up at 15 - 0 favoring Floydada.

Stop Antelope Drives
Before the intermission Floydada had stopped two more Antelope drives. The first came to a halt when Lindsey recovered a fumble after the Antelopes had completed a pass near the Floydada 27. The next Abernathy drive died when Dunn, Rucker and McKinney caught Kiker short of the line of scrimmage and forced the visitors to punt at their own 35 as the half came to a close.

As the third quarter opened Floydada kicked off and Teague booted to YBarra at the Antelope 10. Switzer plowed the ball carrier under at the 37 yard line. Darryl Lindsey intercepted an Abernathy pass at the Floydada 43 to end the threat.

Floydada failed to gain and punted to YBarra at his 15 yard line. Max Campbell downed the runner with a fine tackle. Barrow and McKinney came in for good stops and the Antelope pun-

ter was called on to boot the ball. Rodney Teague took Jack Waters' kick at the Floydada 45 and started up field first with blockers, then without, he worked his way back to the Antelope 19 where he was downed. Floydada had gained only four yards before Teague faked a hand off, bootlegged the ball behind his leg and rolled out around his left end to score as he picked up early blocks and then out raced the remaining defenders to the end zone. Christian kicked the extra point and the score rose to 22 - 0.

Air Game Fruitless, Also
Abernathy had taken to the air lanes by this time and found the going rough. They were stopped the next time they owned the ball and one important play came when Julian, Dunn and McKinney bird dogged the passer Ritchey for a three yard loss.

Floydada and Abernathy had exchanged punts before the period ended.

Early in the final frame the Antelopes were in trouble at their own 10 yard line and tried a quick kick. The low kick went to Teague at the Antelope 26 and he was swarmed at that point. Hernandez picked up two and then Teague passed for 24 yards and a score and again it was Lindsey on the receiving end. Christian made his second kick try good and the scoring was over at 29 - 0 favoring Floydada.

Every Billion Spent By Government Costs Floyd County Residents \$59,000

(Special to the Hesperian)
New York, Oct. 16 - What does an additional billion in spending on the part of the Federal government mean to the average Floyd County family? How much money does that sum take out of local pocketbooks?
On the basis of some figuring done by the Tax Foundation, a non-profit organization, the cost locally is \$59,500 for each billion spent.
That is the estimated amount that must be met

sooner or later by the county's 3,500 families. The Government may get this money through direct or indirect taxation, or by a combination of these methods.
The statisticians at the Tax Foundation find that each billion dollars of increase in Federal spending represents \$19 to the average American family of four. It ranges above and below that amount in individual communities, in relation to their income levels.

In other words, notes the report, a \$1 billion spending increase takes money that each family could have used to buy an electric toaster or five LP records.
A \$2 billion spending increase would take the amount they might have used to purchase clock radios or power tool sets.
The enormity of a billion dollars can hardly be grasped. To reduce it to understandable terms, one economist put

it this way: If a firm went into business at the time Christ was born and proceeded to lose a \$1,000 every day from that time on, it would not have lost a billion dollars. Another 77 years would be necessary.
The administration has stated that it expects to spend \$88 billion in the current fiscal year, a record peacetime amount.
In terms of the average family in Floyd County, bas-

ed on the Tax Foundation's estimates, this is equivalent to \$1,496.
For the entire population locally, the bill comes to more than \$5,236,000.
The biggest part of this \$88 billion spending program is for national defense. Non-defense appropriations are running much higher also. More money has been earmarked for domestic projects and civilian aid than ever before.

J. A. Wimberley Succumbs At Muleshoe Home

J. A. Wimberley, 79 year old father of Rev. Herschel Wimberley of the South Plains Baptist Church, succumbed in his Muleshoe home Saturday after being critically ill for several weeks. Rev. Wimberley and his family had been keeping vigil at his father's bedside since he became

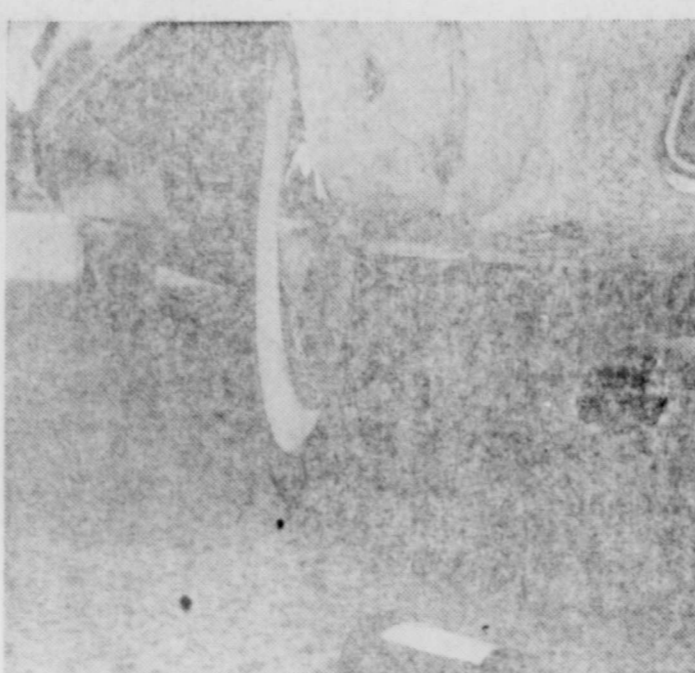

ill. Funeral rites were conducted Monday morning in the First Baptist Church at Muleshoe. Rev. Wimberley assisted the pastor, Rev. Don Murray, who officiated. Burial was in Bailey County Memorial Park under the direction of Singleton Funeral Home.
Mr. Wimberley had been a resident of Muleshoe since 1926 moving there from Blackwell, Tex. He was born in Copperas Cove, Sept. 24, 1882 and was a retired farmer.

Survivors include the widow; three sons, Herschel of South Plains, Hazel of Muleshoe and Marvin of Port Huene, Calif.; three daughters, Mrs. Robert Bristol, Temple City, Mrs. Warren Powers, Lubbock, and Mrs. Burrell Lellis, San Bernardino, Calif.; one sister, 22 grandchildren and 15 great grandchildren.

DEPENDABILITY DOESN'T HAVE TO BE DULL

Any 1962 Dodge, full-size Dart or compact Lancer, is proof of that. Every one has a rustproofed body. Quiet, new high-speed starter that puts less strain on the battery. Every one will go 32,000 miles between grease jobs. They are swift automobiles, too. Dodge Dart accelerates 7% faster on 5% less gas than last year's comparable model. Our compact Lancer corners flat, handles neat, leaves the weak sisters cold. Drive **THE NEW LEAN BREED OF DODGE**
