Several state building program. Daniel spoke previously at Farm Bureau state conventions in 1957 and 1959. His address is scheduled for Monday afternoon, Nov. 13.

Kennedy, who will speak at the banquet on Tuesday evening, Nov. 14, is a well-known farm writer, having been associated with Farm and Ranch since 1952.

Head of the world's largest farm organization, Shuman is also an active farmer at Sullivan, Illinois. He has a herd of purebred Angus cattle. Shuman started his farming career immediately after finishing college when he took over operation of his father's 456-acre farm.

Poucher is an ex-businessman who gave up his career in radio and television station management to devote himself to fighting communism by promoting loyalty to American ideals and religious faith.

Plans are being made this week by several persons in Floyd County to attend the convention.

Planning to make the trip from here are Mr. and Mrs. Jack McIntosh, Mr. and Mrs. Ewald Quebe, Lee Burton, Sam Puckett and Mr. and Mrs. Ray Lloyd. There is a probability of others from here taking in the convention but it wasn't definite Monday.

The local office said there are still six reservations remaining to make the trip by chartered bus. The round trip ticket is \$25 per person and the bus will leave Lubbock Saturday. There will be a night stop over in Tem-

ple going down and a night stop over in Austin on the return trip. While in Galveston the chartered bus will take the group on a tour of the coast line to survey the damage of Carla. The bus will be equipped with rest rooms and table games of bridge forty-two and others will be available for those making the trip. Anyone in Floyd County wanting to make the trip is asked to get in touch with the local Farm Bureau Office.

SOUTH PLAINS, Nov. 6 — A harvest time wet snow of two inches fell last Thursday night to the surprise of everyone. Rain had fallen, Monday, Tuesday and Wednesday, and Thursday a frigid "Blue Norther" ushered in the Arctic cold front, and the first frost and cold spell of this year. A low of 21 degrees was reported at Floydada, with even lower temperatures reported here.

Visitors at the Baptist Church Sunday morning were Mr. and Mrs. Billy Moats with the Johnny Wilsons of Floydada; they are from Blue Ridge, Tex. and Miss Dee Powell, with the Tillman Powells, and she is from Wayland College. Miss Judy Jarrett was out from Wayland Sunday night. 81 were present Sunday morning, and after church, baptismal services were held for Hollis Shewmake, and Mrs. Lewis Wimberley of Wayland College.

Nathan Mulder, son of Mr. and Mrs. Arby Mulder, gave his first sermon Sunday night at the Baptist Church, and he has taken his entrance examinations at Wayland, where he will enroll as soon as he has finished his senior year at high school. Many friends were present to hear his first presentation, after which he was given a license to preach, by the church body.

The Fellowship breakfast for men and boys of the Baptist Church will be held Nov. 14, Tuesday morning at 6:30, at the church, and speaker for the event will be Judge Chapman of Amarillo, who was formerly in Floydada. Everyone will want to attend.

Mrs. Rubin Sessums will be the guest of honor at a Pink and Blue shower and coffee given at the home of Mrs. L. T. Wood

Cadillac

What a difference a year makes!

Someone had told him, a short while ago, that his Cadillac could be improved on—he would regard them with disbelief.

And yet, after only half an hour in the newest of cars, he knows that a year of Cadillac has made a world of difference.

In fact, the list of Cadillac advancements for 1961 embraces each of the great motoring virtues. For added beauty, there is a lower, longer silhouette... greater simplicity and dignity of line and new interior elegance and luxury.

For improved comfort, there is increased spaciousness... new convenience of appointments... and that is unbelievably quiet and smooth.

For finer performance, there is greater power... more responsive handling... and a degree of all-around road ableness that is new even to Cadillac.

For increased safety, there is a new dual braking system... a new three-phase rear warning light system... and new cornering lights that illuminate your way around turns.

And we would like to say that even Cadillac quality has been enhanced for 1962. But the truth is simply that the car continues to be built to the highest standards that can be brought to the production of an automobile.

Stop by your dealer's showroom soon, won't you? He'll be happy to demonstrate to you what a difference a year can make—when the year is this one and the car is Cadillac.

Granddaughter Of Mrs. Nichols Wed at Phoenix

Miss Claudia Jo Nichols and John Manuel Aleman exchanged double-ring vows on Saturday, October 21, in an informal ceremony read in the home of the bride's mother, Mrs. Jodie Nichols in Phoenix, Ariz. She is also the daughter of Claude L. Nichols of Marana, Ariz.

Parents of the bridegroom are Mr. and Mrs. John Manuel Aleman of Williams, Ariz.

The bride wore an ice blue ballerina length satin afternoon dress fashioned with a full skirt, fitted bodice and leg-o-mutton sleeves. A sweetheart neckline was accented by a tinted blue shoulder length veil and she carried a colonial bouquet of white roses and stephanotis. The bride's father gave her in marriage.

Miss Penny Perkins of Williams, Ariz., was maid of honor and wore an orchid colored ballerina afternoon dress and carried pink carnations. The bridesmaid, Miss Verbena Fink, Tucson, wore a rose beige afternoon dress and carried orchid mums.

Robert Hegi, Buckeye, Ariz., was best man, and Claude Nichols Jr., brother of the bride, was usher. Rev. Lee Province of Avondale read the ceremony. A reception and dinner followed the wedding.

Native of Williams

The bride was born in Williams, Ariz., and attended elementary school there. She spent her sophomore and junior years of high school at Girl's Collegiate School in Claremont, Calif., and graduated from Rincon High School in Tucson. She is now a sophomore at the University of Arizona, majoring in English, where she is a member of Delta Delta Delta social sorority.

The new Mrs. Aleman's parents were reared in Floyd County. Mrs. Nichols at Lockney and Mr. Nichols in Floydada. He is the son of Mrs. R. L. Nichols of Floydada and the late Mr. Nichols.

The bridegroom is a graduate of Buckeye Union High School and is at present attending the Phoenix Technological College. After his graduation he will be associated with his father in the Aleman Sheep Co., in Buckeye and Williams.

Guests for the wedding included the grandmother of the bride, Mrs. Nichols, who flew down for the wedding and remained for a two weeks visit, returning home last weekend. James L. Nichols, uncle of the bride, Floydada, also attended the wedding.

1922 Study Club Hosts For 1929 Club Members

Members of the 1929 Study Club were guests Thursday of members of the 1922 Study Club for a program on the Path to Federation. The women met in the Colonial House where refreshments were served by Mrs. W. H. Henderson, Mrs. D. S. Battey assisted by Mrs. Wilson Kimble and Mrs. Harry Koenen. Mrs. Joe E. Wilson was program director and gave the scripture reading. Musical selections were presented at the piano by Miss Kay Asher.

Prepare Now For Holiday Reunions

It's not too early to begin planning what to wear at holiday reunions. As guardian and critic of the family wardrobe, mother can start by sending coats and suits to the cleaners. Tears should be mended, missing buttons replaced. Gray and tired looking washables need the benefit of an extra pre-holiday spin in the automatic washer with detergent and fabric safe dry chlorine bleach which has a heavy duty action. This helps make garments—including those of busy toddlers—white and bright, keeps them looking newer longer.

Youngsters can travel for hours by car and arrive handbox neat for the family reunion, if they leave home in coats but carry their party dresses and dressup shirts. Mother should also take along a damp face cloth in a plastic bag. Then just before arrival she can stop long enough to wipe the children's faces and hands, and have them don their party pretties. Be prepared for compliments.

If the reunion is going to be in your home, you'll want to know what every experienced hostess does. It's not just the menu which makes a holiday dinner appetizing. It's important that china and silver be sparkling clean, and the tablecloth and napkins immaculate. Try to give the silver an extra polishing the day before the party. China and crystal that have been stored should be washed before using. A little dry chlorine bleach added to the dishwasher makes them glisten. To remove coffee stains from plastic cups rub the stained area with dry chlorine bleach on a damp sponge.

Stubborn stains can be removed from cottons and synthetics by soaking the stains 5 to 15 minutes in a solution of 1/2 cup dry chlorine bleach and 1 tablespoon detergent per quart of hot water. Rinse and repeat if necessary.

Dry Woolens Without Shrinkage

After laundering, your favorite sweaters and other fine clothes may be dried without shrinkage or distortion in automatic clothes dryers using liquefied petroleum gas.

Bright sun and brisk winds may be great for an outing at the beach, but they're rough on clothes hung outdoors to dry. Fine woolens, for example, should never be dried in the sun. Loosely knit or woven woolens may be gently dried with no tumbling action on stationary racks which fit into some models of LP-gas clothes dryers. The racks are also useful for drying afghans, hand knit socks, and even your sheerest nylons. Fine woolens should be removed from the dryer while slightly moist, and completely dried at room temperature.

There is no guessing at proper drying time and temperature for today's many new fabrics. Sensitive elements actually "feel" moisture in your washables and automatically shut off LP-gas dryers when clothes are dried perfectly. While drying, a gentle stream of warm air cradles clothes to keep them soft, fresh and new looking far longer. And more powerful air currents move fresh air in and moist air out to speed LP-gas clothes drying.

Caprock Women To View Styles In Show Here

Women of the Caprock area are being invited to attend a tea and style show, "Winter Witchery", to be held Saturday, Nov. 11, at 2:30 in the afternoon at the Colonial House, 515 W. Ross in Floydada.

The affair is being sponsored by Ladies Three, Inc. Plans call for the showing of lovely winter garments including Paul Saacks originals. Holidays fashions will be modeled as well as other winter wearing apparel in sizes from five through 18, an announcement elsewhere in this paper states.

Norris - Murphy Vows Are Taken At Alamogordo

Mr. and Mrs. A. N. Dillard of El Paso, are announcing the recent marriage of their daughter, Paula Norris, to James C. Murphy Jr., son of Mrs. C. E. West of Odessa.

Accompanying the bride to Alamogordo, N. Mex., where the wedding took place were her parents, a sister, Dee Ann, and her grandmother, Mrs. M. L. Probasco of Floydada.

Others who attended the wedding were Billy Marie Murphy, Santa Rita, N. Mex.; Francis Martin Patti Metzgar, A. B. Chandler, Allen Crawford and Mr. and Mrs. Leo Batton all of El Paso.

The bride attended Ysleta High School for three years and graduated from Cobre High School in Bayard, N. Mex. She was a member of the Ysleta Rainbow, Future Homemakers and the Tri-Hi-Y.

The couple are making their home in Farmington where the bridegroom is employed.

Those of us whose memory can touch fingertips with the era of coal oil lamps and horse-drawn surreys have adjusted pretty well to the Machine Age.

We may have protested a little. Such things as IBM-punched magazine subscription records, for instance, it didn't seem quite sensible that we couldn't read them. But finally we've accepted them as a sign of progress. We either throw all notices in the wastebasket, then wait for the magazine to stop before renewing or else meekly send in a check every time one appears in the mailbox.

Today we endorse salary checks with a signature that resembles a broken-field runner's path through plowed ground, our pen hopping blithely over mysterious little slots that some machine somewhere considers more important than legibility.

But the question of machine-picked marriages being the best—this will take some convincing. It eliminates chance, psychologists say. Yes, and we'd say romance, also. The system is to fill out an indexed card for each person, listing 70 personal

ality traits. The cards are then run through an electronic sorter, and the persons introduced. The only matchmaking the tactful sorter does is "put one in touch" with his like — or opposite. They don't have to marry, the smug lever-pullers say.

Proponents of the old-fashioned method would approve that much anyhow. It would really be disturbing to think every chance date between two young persons of suitable age must, or should, lead to marriage. Such a prospect would seem to limit social contacts rather than increase them. What could make two youngsters more self-conscious than being aware, as they start out together, that they're "eminently suited for marriage"? When parents offer such an opinion, it

SOCIETY

WCS Has New Study This Week

The Women's Society of Christian Service of the First Methodist Church met Wednesday, Nov. 1 at 9:30 a.m. in the parlor of the church. Mrs. Howard Gregory, president, presided at the short business session at which time the minutes of the previous meeting were read and approved.

"Glimpses of a Fast Moving Society" was the program presented and led by Mrs. Bill Curry. Looking to the responsibilities as Christian citizens, topics touched lightly were "New Flight To Suburbs" by Mrs. Curry, "Voice of Advertising" by Mrs. A. L. Wylie, and "Complexities of Race Relations" by Mrs. Charles Lutrick.

The announcement was made that the new study would start this past Wednesday, Nov. 8. Topic for this study will be "The Christian and a Responsible Citizenship". Leader for the study will be Rev. Charles Lutrick. All women are urged to attend.

Friendship Noble Grand Club Meets

The Friendship Past Noble Grand Club met Friday night with Dimple McGavock of Lockney as hostess. The meeting was called for the purpose of nominating officers. Jane Marquis, president, presided.

Proceeding the meeting chicken salad plate with German chocolate cake was served to the following members: Jane Marquis, Artie Webb, Belle Berry, Oleta Pruitt, Lona Sparks, and the hostess.

The next meeting will be in the home of Oleta Pruitt with husbands as guests.

Mrs. Judy Hostess To Miladies Club

Miladies Club met last Thursday with Mrs. Alice Judy. Members answered roll call with something they are making for Christmas.

Prior to the meeting members gathered at the home of Mrs. Vida Womack and enjoyed a Stanley Party and dinner.

WHETHER HE WANTS his two front teeth for Christmas was no concern to Mike Simpson, who won first for wearing the best boy's costume at the Halloween Carnival last week. To his right is Kenneth Bloys, first place winner for the funniest costume.

Plans were made at the meeting for the forthcoming Thanksgiving supper to be held on the evening of Nov. 21 at 6:30 in the Production Credit Community Room. Members are asked to bring items for the auction sale at this time.

Present for Thursday's meeting were Audrey Nelson, Verion Dunavant, Mirah Amburn, Vida Womack, Bulah Baker, Ester Freeman, Agatha Pratt, Maggie Lovell, Jennie Burgett, Ronnie Birchfield, Carolyn Stovall, one guest, Mrs. Charlie Cross, the hostess, Mrs. Judy and her daughter, Wilma Jean.

For the December meeting on the 7th with Mrs. Pratt, members are to bring cookies to be sent to an orphan's home. Roll call will be answered with a Bible verse.

Mrs. Alvin Battey managed the Home Demonstration rummage sale the past Saturday. Since the Mexicans had not worked all week because of the cold, foggy, damp weather, the club did not expect to make any sales. However, the women at the barracks told them to bring their wares. Slightly over eight dollars worth were sold in just a few minutes.

Howard Bishop and Q. D. Williams left early Sunday morning with a party of nineteen pheasant hunters from Floydada. They are hunting around Binkelman, Neb.

Mr. and Mrs. Kelton Winegar visited the R. L. Rainbolt on Tuesday.

Mr. and Mrs. Fred Jones and Jean attended the 4th wedding anniversary celebration for Mr. and Mrs. O. B. LaFrance at Oton on Sunday. Mrs. Jones is Mr. LaFrance's sister. Mr. and Mrs. Wayland Jones and family, of Mt. Blanco, also attended.

Mrs. R. L. Johnson's grandson, Sonny Johnson, son of Thillman, was married to Miss Louetta Payne Saturday afternoon in Newhall, Calif. The ceremony was read in the Newhall Church of Christ.

Monty Williams and a group of friends celebrated his fourth birthday at his home Wednesday afternoon. His guests were Bill Edwards, Greg Bishop, Duane and Kelly Mitchell and Miss Penny Muncy. The birthday cake was pink iced in green. The cake was decorated with a miniature covered wagon, team and cowboys being attacked by a band of Indians. The toys were given to the guests as favors.

The children played games and listened to stories. Mothers attending the party were Mrs. Earl Edwards, Norman Muncy, Ronald Mitchell and Mrs. Howard Bishop.

Miss Shirley Johnson has been out of school with an attack of the flu this week.

Misses Linda Thurston and Novis Johnson attended the Senior Class party Halloween night at the Floydada High School.

Visitors in the Flukie Smith home on Monday included Mrs. Massey and Mrs. Ball of Ft. Worth. Mrs. A. L. Winegar and Mrs. R. L. Rainbolt.

Mr. and Mrs. Roy Fawver joined the L. D. Golightlys and guests for a welcome home dinner honoring Bobby Golightly, who has been stationed with the Air Force in Greece. He has a months furlough but may save two weeks of it for Christmas. He came home a week ago Friday.

James Williams baked a birthday cake for his mother, Mrs. Q. D. Williams on Friday.

Mr. and Mrs. Paul Polasek, of Masterson, left their son, Eugene, with his grandparents, Mr. and Mrs. Fred Jones on Sunday evening. They went on to Dallas where Paul's father is seriously ill.

The Gene Johnsons visited Faye's parents, Mr. and Mrs. C. W. Robertson in Crosbyton Sunday.

Mr. and Mrs. Leslie Fawver brought steaks from the big 42 pound and 37 pound catfish caught recently at Lake Stamford and enjoyed a fish dinner

Tempting Turkey Tetrazzini

Tetrazzini, a luscious dish created originally with chicken, noodles and mushrooms in a savory cheese sauce, came into being as a chef's probable adulation for the Italian opera singer Luisa Tetrazzini, born in 1874, who achieved world-wide fame.

Here's a wonderful way to use up those last morsels of your Thanksgiving turkey. Turkey Tetrazzini will seem like a first-day special rather than the last go-round when combined with mushrooms, noodles and pimiento, topped by a cream sauce sparked with Tabasco, the zesty liquid red pepper seasoning.

- Turkey Tetrazzini**
- | | |
|-------------------------------|--|
| 4 tablespoons butter, divided | 2 tablespoons diced pimiento |
| 1/2 pound mushrooms, sliced | 2 cups (4 ounces) fine noodles, cooked |
| 2 tablespoons flour | 1/4 cup grated Parmesan cheese |
| 1 teaspoon salt | 1 cup soft buttered bread crumbs |
| 1 1/2 cups milk | |
| 1 bouillon cube | |
| 1/2 teaspoon Tabasco | |
| 2 cups diced cooked turkey | |
- Melt 3 tablespoons of the butter in saucepan. Add sliced mushrooms and cook 5 minutes. Blend in flour and salt. Gradually stir in milk; add bouillon cube. Cook over medium heat, stirring constantly, until mixture thickens and comes to a boil. Remove from heat; stir in Tabasco. Place turkey, pimiento and noodles in shallow baking dish. Pour mushroom sauce over all. Sprinkle with cheese and dot with remaining butter. Sprinkle buttered bread crumbs around edge. Bake in a moderate oven (375°F.) 20 minutes or until browned. Yield: 4 servings.

Farmers Plan No Immediate Court Action

Floyd County irrigation farmers who use natural gas for fuel plan no drastic action in connection with their claim that rates charged them by Pioneer Natural Gas Company are not justified, said J. E. Kinslow president of the Floyd County group, following last Thursday night's meeting held in the district court room.

A new car in a new size — the Mercury Meteor — will be introduced this year as a solution for buyers who want a smaller car without sacrificing the comfort and convenience of a big car. The new Meteor will be a full-proportioned family car with an overall length which is nine inches longer than the compact Comet and nearly a foot shorter than the Mercury Monterey. The Mercury Meteor will be available in four body styles, including the two-door sedan shown above.

Ill Fortune Attends Four Car Thieves

Four Latin American teenagers from Olton are being held in connection with two car thefts here and two in Hale and Lamb Counties.

The youths were apprehended Saturday night coming into Plainview in one of the vehicles. The first car taken was in Olton. It was found abandoned in Plainview. Another car was taken in that city shortly after. It belonged to J. C. Roach of Aiken and was found wrecked three miles west of Lockney.

A half a mile from the accident a 1957 Ford was taken from the J. E. Tierce farm. It was backed into a ditch where it became mired in mud and was abandoned. A mile north of there on a dirt road a 1959 pickup owned by Oscar Golden was taken. Its occupants were arrested as they drove into Plainview.

Change Made In Afternoon Mail Dispatch

Due to the change in the bus schedule that transports Floydada mid-afternoon mail, all mail must be in the Post Office by 3:15 p.m.

This dispatch catches the plane for the best Airmail service to the East or West Coast. Patrons also are assured of delivery in Dallas and Fort Worth on first class mail.

This announcement was made this week by Postmaster Edward H. Wester.

The 6:00 p.m. dispatch will catch all mail after the 3:15 and will make next day delivery to Lubbock, Plainview and Amarillo. The train is scheduled to arrive in Ft. Worth at 6:25 a.m. and Dallas at 7:35 a.m. which is too late to make residence delivery but makes the business delivery and Post Office Boxes.

Reassignments on Rural Routes Effective November 11, Jeff Welborn will be reassigned to Rural Route 2, Floydada. He previously carried this route for 31 years until the recent consolidation on October 14.

Mr. Huckabee, who is now carrying Route 2 has volunteered to be reassigned to Route 3 where Mr. Welborn is now serving. Mr. Wester also advised that the Floydada Post office will be closed on Saturday, Nov. 11, Veterans Day.

BLUE SUNDAY LAW MAKES NO HARDSHIPS LOCALLY The new blue Sunday law, which became effective in the week which had little or no bearing on local business, it appears. A check with local business houses indicated that there is no religious problem as to Saturday or Sunday closing.

Also it is indicated that calls are few for forbidden items on Sundays. All the dealers have to do is to memorize the items in their respective lines to be clear of violations.

One person's opinion: It is almost impossible for a man to smoke a cigar without appearing self-conscious. A cigaret, yes; — but the cigar either clamped between the teeth in the corner of the mouth or else is held, between puffs, at arm's length and ostentatiously moved around.

Retrieve Causes Fish To Strike

Retrieve Causes Fish To Strike — Not The Lure

Only the veteran angler realizes that it's the retrieve that cause a fish to strike so you can land him — not the lure — insists Jason Lucas, Angling Editor, Sports Afield Magazine. A poor lure retrieved will do better than a good one retrieved badly.

When fishing an area new to you, talk to native fishermen to the "secret".

The steady surface retrieve can bring plenty of strikes but is poor for landing bass.

In using little surface lures for bluegills and crappies, a still slower retrieve is practically necessary if you're to catch more than a rare one. Just give the thing gentle little twitches of half an inch or so, with pauses of at least two or three seconds, sometimes considerably longer between twitches.

When bass are hitting moderately well, you'll often get most by a retrieve of moderate speed, since it's you show the lure to more bass than does the very slow one. But this moderate speed retrieve should also

The pike's bigger brother, the muskellunge, will follow in close even more often than the pike, hooked so close to the boat.

For bass, let the lure rest where it falls for about ten seconds — on dull days even longer. Then quite gently twitch the lure forward a few inches, keep repeating including pause and twitches. Try to stay on your mental toes, so to speak, for when a bass takes this almost stationary lure you have to strike like a flash or you probably won't hook him.

Inds Take District With Victory Over Morton

8 Win Indians

The Whirlwinds came to the chips were won a night and the Morton victory gives Floyd County a 4-1 record in the district competition. The Whirlwinds played the game handicapped with two injuries, but with the aid of a knee brace he was able to show some of his usual form in the final two stanzas.

David Barnhart, Frank Barrow, James McKinney, Darryl Lindsey, Charles Christian, Max Rucker, Rodney Teague, Vernie Moore, and Bruce Julian were among those whose numbers showed up often on good defensive stops.

Opening the game Floydada received facing a stout south wind. Middleton booted the ball to Teague on the Floydada 10 and he returned to the 32 where he fumbled on the tackle with Glen Kuehler recovering for Morton.

The Whirlwind defensive unit made a gallant stand and yielded only two yards to the Indians in four tries. Two of the good stops were made by McKinney and Barrow.

Going on the offensive the Whirlwinds picked up a first down on the 42 and shortly after that Teague passed complete from the 44 to Don Switzer at the Morton 35. He did some nifty running, using his team mates well, to go on in to the end zone and score. Christian's kick was wide and Floydada owned a 6-0 lead.

Morton then received the kickoff and turned on their big guns again, but good stops by McKinney and Lindsey helped to turn the tide and then Charles Christian pounced on a Morton fumble on the Floydada 43 to give the locals possession at that point.

By this time Teague was having trouble keeping his legs under him and the Floydada offensive bogged down. Christian was called on to punt.

The boot went from the Morton 43 to roll dead on the Indian 20-yard line. From this point the Indians turned on their razzle dazzle again and Charles Christian and Max Rucker had made two key stops before Frank Barrow fell on another fumbled ball at the Floydada 45.

Count Goes to 9-0
The Whirlwinds began to roll

Sports

Floyd County Hesperian, Floydada, Tex., Thursday, Nov. 9, 1961

this time with Hernandez, Christian, Teague, Barnhart and King doing the ball toting chores. A pass to Switzer also added eight yards and soon Floydada was at the Morton 14. Two incomplete passes left the locals short of first down yardage and the 'Winds decided to go for the field goal. Christian teed the ball up on the 19 yard line and Teague booted the low line drive kick through the uprights just above the cross arm to get credit for a 29 yard field goal. The score brought the count to 9-0 favoring Floydada.

Before the intermission Floydada kicked off and Morton put on their biggest show of the night driving down field from their own 29 to score later on a two-yard run by Wilburn Zuber. Zuber and Middleton had supplied most of the fire works with the biggest gainers being a 26-yard gallop by Middleton and a 23-yarder by Zuber.

The Indians tried the two point conversion and a pass Middleton to Ledbetter brought the count

to 9-8 still favoring the locals. Vernie Moore took the Morton kickoff at the 10 yard line and ran it out to the 43 before being downed. The 'Winds bogged down soon after that and Teague punted from his 46 to Ledbetter at the Morton 10 and he ran the ball out to the 21. The half ended soon after with no more threat by either team.

Looks Bad For Locals
Opening the second half Christian kicked off for Floydada and Ledbetter took the ball on the 10 returning it to his 23. Zuber picked up 22 and the ball was at midfield. Morton then made a first on the Floydada 38 and things were looking dark for the locals.

The Indians soon faced fourth and two at the 30 and this may well have been the turning point of the game. Floydada's defense stiffened as Barnhart and Barrow knifed through to smear Middleton for a yard loss and the 'Winds took over the ball on the 31-yard line.

Floydada made a first on the 42 and then ran into trouble and Teague kicked from his 44 to the Indians 10.

Things were again looking good as Lindsey and Barnhart turned in fine tackles to help contain the attack but the pesky Indians broke out of the reservation and picked up first downs at the 35 and again at the 47.

The Floydada boys looked over the situation at midfield and decided to hang up the stop sign and that they did with Moore, Rucker, Barrow and Barnhart being among those supplying blasting tackles. Morton had to call on their punter, Mr. Middleton, who toed one from midfield to Charles Christian on the Whirlwind five.

Christian took the kick and turned in one of the better runs of the night scooting to the 47 but just as he was about to burst into the clear got tangled up with one of his own blockers and went down without a Morton player being involved in the stop.

Teague then began to limber up and the locals started to roll but 20 yards in penalties were too much to overcome and again a punt was in order and this one went from the Floydada 36 to roll dead on the Indian 28.

Wind Defense Comes Through
The Floydada defense came through this time and was holding firm as McKinney and Barrow put the high low to Middleton. The Indians decided to try the air lanes and found their fortunes better as pass interference was called when a Floydada defender and an Indian receiver battled for the ball. The penalty put Morton in business on the Floydada 35 but they could not advance it a yard past that point. Barrow dropped Dupier for minus three, Barnhart and Teague smeared Middleton near the line of scrimmage and Zuber was stopped by the 'Winds charging wall for no gain. On fourth down Middleton tried a pass and it went incomplete and the ball went to Floydada at the 35.

The green and white then called for the running game and started to grind it out. Teague picked up gains of 8, 12, 5, and 30 yards. Hernandez, Christian and Barnhart added more and it was Christian that went over from two yards out. Teague passed to Lindsey for the two point conversion and Floydada went off front 17-8 holding a safe 9 point lead with only seconds on the clock.

Zuber led the Morton attack carrying 21 times for 88 yards. Switzer was leading receiver with two catches for 64 yards. Lindsey took the conversion pass in the end zone.

Middleton connected on 2 of 5 attempts for 25 yards.

There's going to be a change in the church at Sandhill Baptist Church. The church members are going to be a different group. It's a shift in the church's leadership. The church members are going to be a different group. It's a shift in the church's leadership. The church members are going to be a different group. It's a shift in the church's leadership.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Has Harrison Y. Kahlendorf, 43, found God? Some observers say yes. Mr. Kahlendorf says no.

The circumstances are these: Four months ago Mr. Kahlendorf was indifferent to religion. He was also weary of worry, and hungry for hope. One Sunday he "just happened" to go to Church . . .

The Christian Truth came to Harrison Y. Kahlendorf as good news . . . and it began to change his life.

Today there is new happiness in his home, new warmth in his friendships, new challenge in his job. And every day he is discovering adventure, opportunity and blessing he never dreamed of before.

Does all this mean that Harrison Y. Kahlendorf has found God? Some observers say yes. Taking issue with them, Mr. Kahlendorf told our reporter:

"It was I who had been hiding . . . God found ME!"

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

What happened to this year's State...
 largest industry. In Texas, it ranks 13th.
 Texas voters amended the constitution in 1958 to allow state tourists to be spent to attract tourists. But two sessions of the Legislature have declined to appropriate the money.
 Charged with responsibility of promoting tourism in Texas is the State Highway Department.
 The upcoming all-day session is designed to build grassroots support for legislation to finance a program of advertising.
SAFE HIGHWAYS — An increase in highway fatalities this year, after a 26 per cent decline in past years, disturbs the state's chief policeman, Col. Homer Garrison Jr. of the Department of Public Safety.
 Present statistics indicate the number of deaths in 1961 will be 20 to 25 more than the 2,254 of 1960. So Colonel Garrison has sent out word for his men to redouble their efforts to remove the unsafe and reckless drivers from the highways.
 Program includes more use of radar equipment to check speeds, especially the new type which requires only one highway patrol man per car. It also includes more stopping of drivers to make sure they hold drivers licenses.
 Tougher enforcement policy will be followed by Governor Daniel's annual Christmas traffic safety drive starting with Safety Sunday — December 10. Governor Daniel urged pastors to remind their members of their personal and moral obligation to drive carefully.

 Let low cost electricity work for you and you will LIVE BETTER — ELECTRICALLY."

LIGHTHOUSE ELECTRIC CO-OPERATIVE INCORPORATED

CAMPING OUT — More and more people are using the state park system for overnight camping.
 Bill M. Collins, executive director of the State Parks Board, reported that 398,419 persons registered for overnight camp facilities in Texas parks during the fiscal year which ended August 31. This is far above the 297,418 of the previous year.
 Attracting the greatest number were the rugged canyons of Garner State Park. Gain there was 70 per cent, or an increase to 138,951 from 99,731, during 1961. Palo Duro Canyon and Huntsville State Parks also showed substantial gains in campers.

WATER CHANGES — Personnel of the important State Board of Water Engineers has undergone a shake-up.
 Governor Daniel has moved Chairman Durwood Manford to the State Board of Insurance, which is troubled by several legislative investigations. Manford, a former speaker of the House of Representatives, can be expected to work on Board-Legislature relations.
 To replace Manford, Daniel chose as chairman of the Board of Water Engineers Joe D. Carter of Sherman. He moved him from his present job as executive director of the Texas Water Development Board, the state water lending agency.
 Carter has been in state water work since 1952. He has served as legal counsel for the Texas Water Resources Committee, legal examiner for the Board of Water Engineers; and as the first executive secretary of the Water Development Board. He is an attorney and a former representative and senator.
 H. A. Beckwith of Eagle Pass was named to the Board of Water Engineers. He previously served 10 years on the board. Since 1958 he has been its chief topographic engineer. R. M. Dixon of Dallas leaves the board.
 The Board of Water Engineers is the state's water administrative and planning board. It decides who can take water from Texas streams. It also has worked out a master plan for meeting the needs of the state for municipal and industrial water for the year 1960.

MORE TAX LAWS? — City officials had their annual meeting, and heard Governor Daniel give support to their main thesis — that cities need new sources of revenue if they are to handle the growing problems caused by Texans moving to town.
 Most likely avenue is the movement to have the state abandon the property tax, so it can be used exclusively for city and school purposes. The State and Local Tax Study Commission created by the Legislature in 1959 is specifically directed to report on this possibility.

Speaker James A. Turman filled two vacancies on that study group. He named Reps. Charles L. Sandahl of Austin and Charles N. Wilson of Trinity to work with senators and citizens who have been named to it by Governor Daniel and former Lieut. Gov. Ben Ramsey.
 In addition to reporting on the idea of state abandonment of the ad valorem tax, now bringing in about \$40,000,000 a year, the commission will report on whether other new tax sources should be granted to cities which need them.
 Most startling tax news came from James McGrew, research director for the Texas Research League. He said it is a very close question whether the new sales tax will produce enough state revenue in the two years, starting September 1, 1963, to keep the state's books in the black. The big factor — steady and heavy growth of public schools and colleges.
HIGH HEAD COUNT — Enrollments in the 19 colleges and universities operated by the state government rose sharply this year — about 11 per cent.
 Total head count at the 19 schools this fall was 100,982. This compares with 91,960 a year ago and \$2,588 only 10 years ago.
 Addition of the University of Houston to the list of state-supported colleges in 1963 will give the state school total a big jump. Its 11,860 enrollment this fall makes it the second largest in the state, second only to the University of Texas' 20,396.
 Texas Tech at Lubbock has become the third largest with 10,212 enrolled.
 Colleges and universities which are not state-supported showed a smaller gain than the state schools — from 59,036 to 60,924. One factor in the change was the move of Midwestern University at Wichita Falls into the State-supported group.
 Fastest-growing college is Arlington State. It had 1,318 students 10 years ago and now has 8,318 to rank it fifth largest. Right behind is Texas A & M, which has 8,835 students this fall.
MORE TIME — The State Board of Insurance urged all insurance companies to extend by 60 days the 90-day period allowed under Texas standard policies for filing proofs of loss on Hurricane Carla.

While it was not in order, it is fairly certain the industry will obey the Board's suggestion voluntarily.
 Legislative investigation was completed on the claim-paying practices arising out of Carla. Rep. Charles Ballman of Borger chairman of the House Investigating Committee, suggested strongly that some legislation should result.
 Legislators were particularly critical of the fact that the Texas policy carries the word "hurricane" on the front, but also carries an endorsement which limits the coverage somewhat.
 They also found many Texans do not have their insurance policies, because mortgage companies require that the policy be filed with them. Legislators suggested that copies be supplied the homeowners, too. Some insurance companies do, and some do not.

NURSE PROGRAM — Studies by the State Board of Vocational Nurse Examiners reveal that 24,613 vocational nurses have been licensed in Texas since 1951. Also 103 training schools now are in operation over the state. Examinations on October 20 and 21 resulted in licensing of 656 candidates.
 It now takes one year in a vocational nurses school or two years in a professional nursing school to become eligible to take the state board examinations.
WORKING ON THE HIGHWAYS — Texas Highway Commission laid out \$20,000,000 worth of work for its staff to do to improve safety on 2,433 miles of primary highway.
 List includes 387 projects in 156 counties, and ranges from pavement and bridge widening to complete reconstruction.
 Highway workers are getting some new training, too. They will be taught how to detect radiation contamination, so traffic can be routed away from unsafe areas in case of a nuclear attack.

Funeral Held For Couple At Floyd, N. Mex.
 Double funeral rites for Mr. and Mrs. Troyce Borden were held Thursday afternoon in the Floyd, N. Mex., Methodist Church. The couple died on Tuesday in two separate tragedies in New Mexico only a few hours apart. Mrs. Borden was the former Nancy E. Linne Nall, sister of Mrs. Don Barrow of this city. Her mother and father are deceased.
 Troyce Borden, 37, and Charlie Vidler were killed in a collision with a speeding train about 6:15 Tuesday evening when Borden's pickup was hit from behind after the pick-up had turned onto the tracks. Investigators speculated that the driver of the pick-up swerved onto the tracks to avoid hitting an eastbound freight. The pick-up had traveled some 70 feet down the tracks when it was rammed by a westbound freight. Both men were killed instantly.
 When peace officers went to the Borden home near Floyd about 9:30 to tell Mrs. Borden about her husband's death, they found her dead from drowning.

Death By Drowning
 When she did not answer officers started a search of the farm. They noticed a head scarf hanging over the side of a water tank atop a 15 foot platform. Upon investigation officers found the body of Mrs. Borden in the 10 foot deep tank.
 She had been in ill health for a number of years and despondent due to her condition for several months, members of the family said. A coroner's jury ruled suicide by drowning.
 The couple's two daughters, Sharon, 16, and Phyllis, 14, had gone to the home of their grandparents after arriving home from school and finding their parents gone. Officers said there was no possible connection in the deaths.
 Mrs. Borden is survived by a brother, Mark Nall, Floyd, N. Mex.; three sisters, Mrs. Andrew Smith, Jr., Floyd, Mrs. Charles Dobbs, Clovis, and Mrs. Don Barrow, Floydada.
 Her husband is survived by his parents, Mr. and Mrs. J. E. Borden of Floyd; five sisters, Mrs. Olen Walker, Blair, Okla., Mrs. Russell Lewis, Richland, Wash., Mrs. Clark Bagwell, Tulsa, Okla., Mrs. Leo Dement, Floyd, and Mrs. Earl Widener, Plainview; three brothers, G. H. of Alice, Okla., J. B. of Clarendon, and Jack R. of Anthony, N. Mex. The couple are also survived by their two daughters.
 Charlie Vidler rites were held Friday in Floyd.

EARLY THANKSGIVING DAY OBSERVANCE HELD
 Mr. and Mrs. Carl Jarrett were hosts Saturday for a noon luncheon in the observance of an early Thanksgiving. All of their children and their families were here for the occasion and will be unable to return for the holiday, the reason for the early observance.
 Present were Mr. and Mrs. Eddie Childs and Krystal of Amarillo, Mr. and Mrs. Jackie Jarrett, Terri and Tammy of Houston, Mr. and Mrs. Gerald Hall, Leslie and Kelly, Mr. and Mrs. C. L. Jarrett and Eddie and Mr. and Mrs. O. B. Simms all of Floydada, and the hosts.
 Mr. and Mrs. Charlie Lewis of this city were in Matador on Sunday recently where they attended the christening of their grandson, Billy Mark Wason, son of Mr. and Mrs. Billy Wason. They were accompanied to Matador by Mrs. Lewis' sister, Mrs. John Hoffman and Mr. Hoffman.

 A dedicated soul was called from us the other day.
 Such a loss is so hard for mortal words to say.
 A man who was so close to God and his fellow man,
 That few of us, in his shadow could ever stand.
 His era had past, sometimes his methods were antiquated.
 But his humanity, his love of man, could never be dated.
 His life was devoted to the sick, the diseased, the racked with pain.
 Do not forget these deeds, for he will not pass this way again.
 How many frustrations he was bound to have known.
 How many times he must have felt he could not go on.
 But he never let up and his life he continued to give.
 No man could do this, unless in the eyes of God he lived.
 With his little black bag, the ever-present cigar between his lips. You could find him anywhere, any hour on his mercy trips.
 Any time there was sickness, pain or dreadful fear,
 Just a call and there he would be, comforting near.
 If you did not know him, you have suffered quite a loss.
 I would not trade my memories, no matter what the cost.
 He was just a little man, most would say that he was small.
 But in the eyes of God and man he will always stand, tall, very tall.
 Faults, like any mortal I am sure he had a few.
 But they are not to be judged by me or you.
 Do not pity him now that his life on earth is gone.
 For men like this stand with God at his celestial throne.
 The sun could not shine this day and hid behind the clouds,
 And the mists settled down on us in its cold and misty shrouds.
 But it will come out tomorrow and will more brightly shine,
 Like the soul of a man who gave his life caring for yours and mine.
 So take heed of such a man as this, and while you shall live,
 Find more of your life to your fellow man and God to give.
 For this little man that has lived among us was no myth.
 He was the finest man I have ever known . . . George Vaughn Smith.
 Mrs. Bud Queen and son, Billy, of Andrews, were weekend visitors in Floydada with relatives and friends.
 Mr. and Mrs. V. D. Turner spent the weekend in Pampa visiting their son, Robert O. and family.
