

POLL TAX SOON TO GO

The poll tax, which has been historic in Texas ever since the adoption of the Terrell Election Law, more than a half century ago, is soon to go. The Congress and the president have indicated they are going to make the poll tax unlawful. They consider it immoral, they say.

The Hesperian has gone along with the idea that the poll tax is all right. It is (1) most likely better than the routine which will take its place in Texas, and (2) another order out of Washington running the people's business.

The courts and the powers that be in Washington are too close to the smell of the once beautiful Potomac which they have befouled. People have a right to be wrong, to be fools, in this and various other aspects of their affairs, without let or hindrance from the federal government.

STEEL PACT IS APPROVED

About the best news from the world of big business this week is the report that the steel companies and the union leaders have arrived at an agreement on wages and benefits some weeks in advance of the termination of their current contract.

Report is that the company and union leaders got the news from the country that they had upped prices about all the people were going to stand since they could go to Belgium and elsewhere to get steel products.

A good many thousand tons of foreign steel went into many construction jobs over the country in 1960 and 1961. While the home steel makers were able to get orders put into effect on state and government jobs, assuring them of getting these orders, business people and free contractors were not under this compulsion. The steel mills were beginning to feel the impact of this contrariness on the part of the public, when they decided to be good boys for awhile.

THE BILLIE SOL ESTES DEAL

The Billie Sol Estes news has had a 25-county area by the ears this week and the end is not in sight.

The news is likely to get worse before it gets better. Too many government agencies are either involved in the matter or have investigations going. Everybody in authority must hasten to furnish proof that he and his department are alert and not in collusion. The best way to indicate one is alert is to issue a statement. Nearly everyone has.

Next moves will determine whether or not the enterprises Estes controls in whole or in part will be allowed to work out of the mess. Should CCC, in particular, hit the panic button it would cost Estes Creditors millions. Also the attitude of the investment corporations will have considerable bearing. The State Department of Agriculture at Austin might make it difficult for Billie Sol also.

ON CARRYING OUT CONTRACTS

We mention these things because it would be highly in the interest of a good many hundred plains farmers that the Estes enterprises be allowed to work their problems out under the guidance of a receiver.

Of course, Mr. Estes cannot hope to resume management of the businesses now that confidence in him has been shattered in many important places. The courts most likely would not countenance such a thing.

Collecting for the mortgaged ammonia tanks will be a heavy blow to scores of farmers in many counties. But if the Estes enterprises are not permitted to carry out their contracts to deliver ammonia to hundreds and hundreds of farmers over the plains country it will be a blow indeed.

COULD BE HOLDING THE SACK

A new sales method, with which irrigation farmers are familiar, has been put into effect in the past three or four years.

Whereas formerly the farmer bought ammonia on open account, if he were entitled to credit, he now pays cash in advance for his estimated needs and takes out the fertilizer as it is needed.

When the product was first sold eight years or so ago it went at a price of eight cents or so, as we recall it. Now it is down to two and a half cents, with the gimmick added that the consumer pay cash in advance. The farmer thus gets his supply at a much lower cost but takes the chance that his supplier remain solvent during the period of the contract, and continues to deliver ammonia on demand.

The Estes enterprises are the biggest dealers in the plains country. It would cost many hundred farmers a considerable sum each if the concern were not in position to carry out these contracts.

HOW WILL MILLIONS VOTE?

A total of the poll tax payments and exemptions issued in the state this year has been reported by State Comptroller Robert Calvert at last at two million, three hundred fifty-five thousand, which is next to an all-time high in the state. Many other exemptions may also vote, in numbers probably more than 10 percent of the figures given above, if they desire to claim their exemptions and live outside of a city of ten thousand or more.

It seems probable the vote in the large cities will be better organized and concentrated than the rural voting this year. The education departments of the unions are seeing to that. They are going to have legislators favorable to their ways of thinking if they can get them. On the contrary rural people and people in small cities make up their minds as individuals, although they generally vote in the same groove, because their thinking is along the same lines.

This is one year, in many of the races, when The Hesperian, with only 33 days to go before the election day, has no "inkle" of how the people here will vote.

DISCOUNT THE POSSIBILITY:

It seems as though everywhere we turn we are confronted with that word "discount." It is discount on just about everything that is advertised at discount prices. However, we cannot look forward to discounts on one line and this is taxes.

— County Leader Post, Medina, Ohio

Affairs Pugilistic. The beating which Kid Paret took a few days ago in the Madison Square Garden bout has caused a general revulsion against boxing. A good many people are going to box and see boxing matches even if they have to do it surreptitiously as once they did when Killrain and Sullivan (right?) had their historic encounter on a sand bar outside of New Orleans. What really is wrong with boxing is the company it keeps.

Ditch Trouble.—In experiences of the past year or two Floyd County irrigation farmers had about forgotten troubles with eroded walls of irrigation ditches. They were reminded again when cold and high winds during the earlier part of March spoiled many a 24-hour run. The cold made ice that wouldn't flow, and the wind piled up the water to break down the walls.

Pleased: That Chief Justice is not a Texan nor is he listed as a Democrat. The justice and his associates are making us a new constitution. All of us are concerned, no doubt, over injustices—on voting, on civil rights, on representation in congress and other things—but we are getting the remedy from the wrong source. Whichever president appointed Mr. Justice Warren to the high post in the Supreme Court will have a lot to answer for in the history books.

Bank Statement. The current bank statement, compared with the statement a year ago in Floydada, has commercial loans and discounts indicated at almost the same figure as that of a year ago, but cash and quickly convertible assets are up almost a million dollars and deposits run \$850,000 or so greater. Also the bank's statement shows nearly \$30,000 more in the undivided profits column and the reserve against losses has risen from \$264 thousand to \$347 thousand. This last account is the one they dig into when a loan goes sour, and the comptroller says charge it off.

Wide-Spread. Speaking of Billie Sol Estes' affairs, as who is not at this time, he had spread himself out into many unrelated lines of business. Grain, cotton, fertilizers, and others down to and including a funeral parlor and a country newspaper. It was this last venture that proved disastrous. The story may not be true but it is said he wanted an interest in the Pecos newspaper. The man didn't want to sell an interest. Then he said "well, I'll just buy you out." Still no soap. The man would not sell. So Billie Sol decided to put in a competitive outfit. Moral: Don't ever venture into the publishing business.

Two Give Aways. Usually there is politics or religion mixed up in the business when a competitive newspaper goes into a small city or town. Not always, but quite often. When Billie Sol made that move it was confirmation of what the investment companies should have seen before hand, except for their cupidity. Billie Sol was discounting "good paper" 25 percent to get the cash. When he got to the point he had to tell the newspaper man what brand of politics he had to espouse Mr. Estes had gotten to the last figure in the count down. He made himself ready for the kill.

Grass, Trash Blazes Keep Dept. On Run

"Caution" is the watch word this week from the Floydada Fire Department. Members have fought numerous grass and pasture fires the past week, caused from sparks, tossed away cigarettes and carelessness in burning trash.

Bill Baker, fire marshal, warns if you have something to burn make sure it's raked away from fences and buildings, unroll the garden hose and have water ready.

Especially at times like these with grasses as dry as a powder keg and high winds, the least blaze can get out of control and cause a major fire. Also pick a calm day to burn trash, Baker warned.

If city home owners have an empty lot to burn off call the fire department and members will bring a truck and stand by until all the dead grass has burned, Baker said.

Fires such as these have kept the department busy the past week starting on Monday of last week when they were called to the L. N. Johnson home at South Plains. Ground fire in an underground pit caught fire then spread to surrounding grass.

Laws Catch From Trash. On Thursday they were called to homes west of Peoples Hospital where lawn grass had caught fire from burning trash. Saturday the department was back in South Plains community at 9:30 a. m. to put out a pasture fire, and again on Sunday morning for a grass fire at the Walter Wood farm.

In fact Sunday was a busy day for the fireboys. After the mid-morning blaze at South Plains, they were at a grass fire in the flats shortly after lunch and an hour later were fighting one south of the city on the Fuqua pasture land.

Nothing was lost in any of the fires but grass, Baker said.

Twelfth Annual Spring Style Show Featured In Central Park Scene Monday Night

"Up in Central Park" was the scene on stage Monday evening for the 12th annual Style Show, sponsored by the 1950 Study Club. The parade of fashions was shown in the Floydada High School auditorium, narrated by Mrs. Charles Craig. Mrs. Bob Copeland was pianist.

The ramp, depicting a garden walk, was lined with assorted colors of spring flowers and led to a park of summer beauty, which highlighted the setting for the lovely creations modeled.

Mrs. Doyle Moore, president of the Study Club, gave the welcome after which the parade of styles for the youngsters was held.

Musical entertainment was provided by Kay Snead, Sherry Roberts and Jimmy Snead and a ballet number by Randi Brown.

The Style Show featured Miss Ethel Ann Glasscock, the South Plains Maid of Cotton, who modeled three ensembles of her wardrobe.

The remainder of fashions shown were children and ladies.

Participating Stores and Models: Stores and their models participating in the Style Show were Glad's Men's Wear; Charles Christian, Denny King, Keith Buhrman, Charles Tyer and George Mize.

Hagoods: Linda Bateman, Janice Trapp, Mrs. Tom Porter, Mrs. David Lewis, Edwina Overstreet, Nancy Polvadore and Joe Jones; Wanda's Stork Shop; Mrs. Bill McNeill, Terry McNeill, Mrs. Johnny West and Lisa, Jill and Julie Poage;

COTTONSEED CREAM — Scientist at Texas A & M College have made "coffee cream" from cottonseed. They didn't stop there but made "milk" by mixing cottonseed protein and fats: a vegetable cheese that tastes like hamburger, flour that is low in starch, syrup, and condense, similar to soy sauce. Research engineer Cecil Wamble says that cottonseed protein will be used primarily to supplement existing foods in the future.

UPDATING CABINETS — Have you looked with longing at the built-ins in the newer kitchen? One company has come out with roll-out storage drawers that you install yourself to add to the convenience of your base kitchen cabinets. The drawers are of sturdy plastic with nylon rollers and come in four different widths which are stockable.

The new line also includes a slide-out vegetable bin, rack for pan lids and a storage turntable. Prices are \$5.95 to \$11.95 per unit.

DESERVES REPEATING — One of the most heartening testimonies to the Christian faith I have seen expressed was given by Col. John Glenn in his report to the Senate Space Committee. "I can't say the while in orbit you sit there and pray; it's a very busy time. Anyhow my religion is not a fire engine type, not something I call on in an emergency and then put God back in the woodwork. I believe one should try to live every day as though it were his last. I asked whether he felt closer to God while 'up there,' he explained that he considers it 'foolish to limit God to one particular section of space. He will be wherever we go.'"

It does seem so often that we try to limit God to a place or time. We want to wrap Him up in a tiny little package, and we have to find out the hard way that it just cannot be done. The very question of closeness to God reveals a limitation on our part to understand the nature of God.

Mrs. H. C. Mitchell of Waco was house guest for several days this week of her niece, Mrs. Lane Decker and family. Mrs. Mitchell is also spending some time at Canyon with her brother, Lovell Jones and at Lubbock with a daughter, Mrs. Tom Hearne and family.

1950 Study Club Plans 'Woman Of The Year' Award

Mrs. Bobby Rainer was hostess for the Tuesday night meeting of the 1950 Study Club at which time plans were made for the "Woman of the Year" award. Mrs. Lane Decker and Mrs. James Lovell will host the occasion.

The event, held annually by the club, will be in the chapel of the First Baptist Church on the night of April 17. Special guests will be past award winners. Mrs. Kinder Farris, Mrs. J. H. Barnard, Mrs. Alma Holmes, Mrs. Harry Morckel and Mrs. Ralph Johnston. Each club member is also asked to bring a guest.

Mrs. Doyle Moore, club president, presided at the meeting and Mrs. Cleo Whittle read the Americanism Creed.

Janice Trapp was introduced by Mrs. Moore, and spoke on a Foreign Exchange student. Miss Trapp is a member of the sponsoring high school student council.

Mrs. Q. D. Williams was guest speaker for the evening. She gave a delightful talk on the 1951 White House Conference on Children and Youth. The program on this subject was introduced by Mrs. Howard Bishop.

During business a report on the Style Show was given by the chairman, Mrs. Sammy Hale. Proceeds netted by the club will go toward civic projects and betterment of the city.

Roll call on a family activity we enjoy, was answered by Mmes. Tommy Assiter, Howard Bishop, Charles Craig, Lane Decker, Earl Edwards Jr., Sammie Hale, Doyle Moore, Claude Weathersbee, Cleo Whittle, J. L. Dalton, Claude Estes, Bonnie Graham, Bobby Rainer and James Lovell.

At least ten club members plan to attend the Caprock District convention in Plainview next week.

Sue Jones Leaves For Her Wedding In Oxnard, Calif.

Mrs. and Mrs. Print Rice visited in the home of Mr. and Mrs. Owen Williams at Providence Sunday where they extended well wishes to Miss Sue Jones, daughter of Mrs. Williams, who departed this week for Oxnard, Calif.

Miss Jones is to fill her engagement to marry Wayne Rice, son of Mr. and Mrs. Print Rice. Wayne is stationed at Port Hueme, Calif., aboard the U. S. S. Norton Sound.

Navy friends are assisting the bridegroom with wedding plans. The ceremony is to be held this weekend. Parents of the couple will be unable to be there for the wedding.

Kitchen And Field Report

Kitchen and Field News from Lighthouse Electric Cooperative, Inc., by Nancy Morckel, Home Economist.

With springtime just around the corner our thoughts again turn to pretty flowers and garden "saw" - both so much a part of spring. Anyway, it is time to begin to plant and plan the garden program for 1962.

If there is a food freezer to be filled with food for future use, it is nice to plan what will work best for your family. First, decide what foods the family prefer frozen. The fact that freezer space is limited and not so free as the pantry shelf means that you must plan ahead to get full benefit of your freezer.

Another thing to consider is the fact that some varieties of vegetables and fruits are better for freezing than others; and it is wise to check the varieties that are best and plant those if you are planning a frozen food program.

Home Builders Has Interesting March Meeting

Homebuilders Club held their meeting April 3 at 2:30 with Mrs. Ernie Widener. Roll call was answered by a way to use dry milk. A five minute demonstration was given on folding contour sheets.

The program "The Market Basket" was given by Mrs. Blanche Williams and Betty Horton on how to buy groceries and getting more for your money.

The club has been invited to Open House in Tech Home Economics Building at Lubbock, April 13. The members are looking forward to going and also will visit other points of interest while there.

The next meeting will be on crafts in an all day meeting on April 17. The place will be announced later.

Those present were Mmes. Betty Horton, Gordon Mayfield, Ruby Evans, Blanche Williams, Mildred Fuqua, Dovie Kendrick and one new member, Mrs. Leslie Fawver and the hostess, Mrs. Widener.

The Home Builders Demonstration Club was entertained by Sterley Home Demonstration Club Thursday, March 29.

A book review "Nubbins Hill" by Thorndike was given by Mrs. Smith. Everyone enjoyed the book review and meeting in the new Sterley club house.

The guests from Homebuilders Club were Mmes. Trapp, Kendrick, Evans, Ernie Widener, Charles Horton, Raymond Williams, Harmon Roberts, Floyd Fuqua and Mrs. C. W. Ginn.

Mr. and Mrs. Doyce Smalley spent the week end in Strawn, Texas, with Mrs. Smalley's mother, Mrs. Flora Patterson. Mr. and Mrs. Earl Smalley were also guests in her mother's home over the weekend.

Mr. and Mrs. Dave Underwood of Winters, Texas, spent the week end with their daughter and her husband, Mr. and Mrs. Delbert Smith. Mr. and Mrs. Mike Binkley of Lubbock, were also visitors in the Smith home.

Mr. and Mrs. Kenneth Rogers and children of Salt Lake City, are here visiting relatives. Kenneth is in the Air Corp and has been stationed for quite some time at Salt Lake City, however at this time he is on his way to Turkey for a 15 months stay.

Mrs. Rogers and the children are going to the home of her mother in Missouri for the present time.

John Shanklin of Albuquerque, N. Mex. Irrigation Specialist for the Rural Electrification Administration, Washington, D. C. was a Lighthouse visitor last Friday.

Mrs. Albert King of Lockney was a co-op visitor last Friday afternoon.

When home lighting is inadequate in quantity and quality to the extent that it is tiring to the eyes of the occupants, it makes slower and more difficult such tasks as reading and sewing, also working in the kitchen and laundry. Good home lighting is two fold in purpose. It consists of general room illumination, and of lighting for specific seeing tasks.

It is diffused and comfortable to live with, yet adequate in amount for quick and easy seeing of the task that is to be accomplished. It is of such a quality as to make for improved home beauty, charm and livability.

too. You're never proud of anything which angriy you do. When you have talked in anger and your cheeks are flaming red, you have always uttered something which you wish you hadn't said. In anger you never done a kindly deed or wise. But many things for which you felt you should apologize. In looking back across your life, and all you've lost or made, you can't recall a single time when fury ever paid. So if you struggle to be patient, you'll reach a wise age. And you will not want to do a thing or speak a word in rage - for you have learned by sad experience that when you temper flies, You never do a worthy thing, a decent deed or wise.

Family Fetes Mrs. Amburn At Hart Home

A memorable occasion came Sunday in the life of Mrs. W. A. Amburn when members of her family gathered at the home of Mr. and Mrs. Leon Hart at Friona, to extend greetings on her 82nd birthday.

The Harts were hosts for the dinner for the former Floydada woman, and her descendants present including five children, six grandchildren and sixteen great grandchildren.

Mrs. Amburn's birthday was not until Wednesday but the celebration was held on the first so the family could get together.

Mumps, Measles, Flu Bug Cut Public School Attendance

Attendance in the four Floydada Independent Schools is picking up somewhat this week after a siege of mumps, measles, and a flu virus which dropped the attendance below the normal number for this time of the year.

W. P. Nicholson, principal at Andrews Ward School, reported approximately 130 students out last week, the highest number for the year. The attendance at the grade school has been poor for three weeks, Nicholson said, but the enrollment seemed to be picking up a bit this week.

Officials at the school, however, are keeping their fingers

crossed. Seems time the well ones return to their studies, those contracting the germs from them earlier are stricken, and so it goes with childhood diseases.

I. T. Graves, school superintendent, said the enrollment at High School had been greatly affected the past two weeks or so and this week is no exception.

At Junior High, A. W. Coltharp, and at Della Plains, Faris Wilson, said their absentee list was about normal for this time of the year.

Six Weeks Exams

Six weeks exams are going on but students who are absent during this time will have the opportunity to make up their tests, Mr. Graves said.

Not only children are being hit with the mumps in the Floyd County area but adults as well. However not too many are having complications. The use of a convalescent serum, especially in adult patients, tends to reduce the incidence of complications, medical doctors say.

The measles is widespread and almost all persons who have never previously had the disease acquire it. The outbreak normally takes place in late winter and early spring and at intervals of two to four years.

School officials say this year seems like one of those intervals.

Airman Visits Here

Staff Sgt. William H. Webb has returned to his camp at McGuire Air Force Base, New Jersey after spending the past two weeks in Floydada with his sister, Mrs. L. A. Pate and family.

Sgt. Webb is completing his 17th year in service.

While in this area he and his sister spent several days at El Paso with Mrs. Pate's daughter, Mrs. Harland Weaver and family, and also enjoyed the company of another sister, Mrs. C. M. Masters and husband of Morton, who were overnight guests here on Tuesday night of last week.

ATTEND OLNEY FUNERAL

Mr. and Mrs. J. A. Hartsell left today for Olney to attend the funeral of Mr. Hartsell's niece, Mrs. Pate. The man died of a heart ailment at Grant, Okla., of a heart ailment. His wife is the daughter and Fred Conner of Plainview re-elected general manager of Mrs. George Perkins of Olney, sister of Mr. Hartsell.

CHOW TIME — Members and guests of the Plainview Production Credit Association enjoyed a barbecue luncheon in the Plainview High School Cafeteria preceding the 28th annual stockholders' meeting of the agricultural credit organization, held Saturday, March 31. More than 1,200 persons attended the luncheon and business meeting.

Large Crowds Attend Annual Meeting of Plainview PC Assn.

More than 1,200 farmers and ranchers from across an eight-county area of the High Plains attended the 28th annual stockholders' meeting of the Plainview Production Credit Association, held Saturday in Plainview High School Auditorium and cafeteria.

Guest speaker at the credit organization's meeting was W. H. Calkins, vice president of the Federal Intermediate Credit Bank of Houston. Calkins urged all people engaged in agriculture to "be proud of your ability and capacity to produce as you do."

In other business meeting activities, L. R. Durham of Plainview was re-elected to the association's board of directors for a three-year term.

In a board reorganizational meeting, held following the stockholders' meeting, Durham was re-elected president, Henry Hayes of Plainview re-elected vice president, Olan Alexander of Grant, Okla., of a heart ailment, re-elected general manager and secretary-treasurer.

Mr. and Mrs. A. M. West visited during the weekend in Sulphur, Okla. with relatives.

Doctor To Speak At Cancer Rally

Dr. Carl Page, M. D. of Lubbock, district director of the American Cancer Society, Unit 3-south, will be in Floydada on Saturday night, April 14, to speak on the disease cancer.

Mrs. Lane Decker, Chairman, of the Floyd County Cancer Crusade, said Dr. Page is a noted speaker on the subject. It will be worthwhile to the general public to hear his talk, she believes.

The April 14 meeting will be a kick-off rally for the Floyd County Cancer Crusade. It will be held in the Junior High School auditorium beginning at 8 p. m. House to house canvassing for the Crusade will be the night of April 16, Mrs. Decker said.

Showers Fall

Light showers gave Floydada a quarter of an inch of rain beginning yesterday at 2:30 and the weather bureau was forecasting cloudy and some light rain for Wednesday night.

At 4 o'clock yesterday afternoon the Weather Bureau was forecasting thunder showers for Thursday afternoon and evening.

Partnership Golf Tourney Is Announced

Warm sunny afternoons and the approaching golf tournament have combined to bring golfers out in large numbers at Floydada Country Club. Bobby Westfall, a club professional, is looking forward to a big turnout at the first annual partnership tournament set for Apr. 26 through 29.

The partnership affair is expected to draw 125 to 160 players to vie for prizes in some team flights. Flight winners will receive a set of irons for each partner, runners up will get a set of woods and consolation winners receive as their prize a pair of golf shoes.

Entry fees are set at \$30 per team or \$15 each player on a two man partnership.

Westfall says golfers may choose their own partners. Qualifying will start on April 26 when entries will also compete for medalist honors.

Total score of the two partners on 18 holes will be used to set up the flights.

Golfers not able to be here on that date may mail in their entries along with the fee and a signed card from their home pro for the purpose of qualifying.

The flights will be run off on a point system with one point for low ball and one point for low total on each hole and entered on the score card as in matched play.

First round in all flights is set for April 27 with a free barbecue and other activities scheduled for 7:30 in the evening following the days golf matches.

On April 28 second round matches will be run and first round winners will be date of third round and final rounds in all flights. Prizes will be awarded following the conclusion of the final flight.

Golfers interested in entering the tourney may contact Westfall at the club or call him at YU3-2769.

Newberry Gets Hole-in-one
Orville Newberry is one local golfer who has made a hole in one on two different occasions.

The first came several years ago and the second was only last week when he sank his tee shot on the 174 yard number eight hole.

Newberry was playing in company with his son Dale and Rex Jones when he teed off on number eight with a four iron. The ball sailed true to the mark for the ace.

Teddy Allen, Half-Miler, Competing On Monterey Track

Teddy Allen, son of Mr. and Mrs. Ted Allen of Floydada, is in Mexico this week. He is there along with other members of the McMurry College track team to compete in the international meet.

The team left Atene last Saturday and is due to return home this week-end. While in Monterey the McMurry Indians will be in competition with athletes from 10 nations who have gathered for the big event.

Teddy was a star half-miler while in high school here and holds Floydada High's best mark in this event having run the 800 in less than 2 minutes during first time.

Carthel Fertilizer And Oil Calls Weed Meeting For April 8
Carthel Fertilizer and Oil Company has planned a meeting for tomorrow night (April 6) at Rogers Restaurant in Floydada. The firm is inviting interested farm operators to come out and enjoy coffee and doughnuts starting at 7:30 p. m.

Purpose of the gathering besides the friendly get-together is to introduce a new farm chemical, Karmex DL.

Karmex DL will be shown in film and discussed as weed control chemical. Users claim that when this chemical is properly applied to soil at planting time it will generally control susceptible weeds and grass seedlings in cotton for a period of several weeks. Cost of application is reportedly small.

FAMILIES GET FLORIDA TRIP AS PRIZE WINNERS

Two Floydada families and two families from Lockney are making plans for a trip to Florida in the near future, compliments of KFLD and merchants here and at Lockney who participated in the event.

Mr. and Mrs. Elmer Norrell and two sons, James and Keith were the Floydada winners and Kirk and Son were the merchant winners in the Florida trip. The Norrell family are planning an August vacation and the David Kirks have tentative plans for a winter vacation.

Lockney winners were Mr. and Mrs. Alton Noland, and Mrs. Margaret, Dorman of Dorman Jewelry, merchant winner.

SECOND SUNDAY SINGING
C. M. Lyles announces the Second Sunday Singing at the Nazarene Church on Sunday, April 8 from 2 to 4 p. m.

Everyone is welcome to attend.

Trustee Vote Due Saturday

On Saturday, April 7, Floyd County voters will have the opportunity to elect school trustees in three divisions.

In Floydada Independent School District, five men have announced for the race, in which three will be elected. Ernest Lee Thomas, Greer Christian, and James H. Word are seeking re-election, while L. D. Simpson and Claude Estes are in the race for the first time.

Carry-over members for the Floydada board are Ralph Johnston, Jack Stansell, Howard Gregory, and Lawrence Davis.

Trustees for the County School Board will be elected in precincts 3 and 4 this year, as will the trustee at large. Leighton Teeple has announced for re-election in precinct 3, and Tom Porter for re-election as trustee at large. In precinct 4, W. H. Bunch is running against incumbent Joe Thurston.

Milton Evans is present trustee for precinct 1, and H. E. Frizzell of Lockney is serving for precinct 2.

In the common school districts no one announced in Lakeview, Dougherty, or Providence. In South Plains, however, three have announced to fill the two vacancies. Sylvan Kinniburgh is the newcomer, with E. J. Kinslow and R. H. Adams both up for re-election.

In Lockney Independent School District eight names appear on the ballot. They are Owen Thornton and Kenneth Wofford, incumbents, Bill Sherman, Edby McCormick, Gene Handley, James A. Bobbitt, Bob Lane and Eddie Joe Fortenberry.

Storm Victim Buried At Stratford

Mr. and Mrs. Jack Johnson, daughter of the late Mrs. R. L. Johnson, was killed in a two-car pile-up on Friday near Albany.

Rites for the young woman were held at the First Baptist Church in Dreamland Cemetery.

Mrs. Pendleton, daughter of the late Mr. Moore, one time resident of Stratford, died last 20 years.

The victim and her husband were enroute to the car wrecked on one occupant of a storm seven miles away.

Mrs. Pendleton's daughter, who was critically injured, was referred to a Midland where a son resides. Survivors other than the band include a daughter, two stepdaughters, one sister, Pearson of Spearman, Charles Moore, both of the seven grandchildren.

MRS. CLIFTON JERNIGAN
nee Nelda Fortenberry

Evening Ceremony Unites Couple Monday Evening

Wedding vows were exchanged Monday evening at 7 o'clock between Miss Nelda Joan Fortenberry and the Rev. Clifton Wayne Jernigan in the Assembly of God Church in Lockney, Rev. R. P. Barnard of Cactus, Tex., read the vows.

The bride is the daughter of Mr. and Mrs. Cephus Fortenberry of the Cedar Hill community and Mr. and Mrs. J. C. Jernigan of Anderson, Calif. are parents of the bridegroom.

A wedding arch of white wrought iron topped with jeweled wedding bells and blue satin accented the kneeling bench for the ceremony. Two large baskets of white gladiolus and white pom-pom mums tied with blue and white satin flanked the scene. Two branched candelabra bearing white lighted tapers and tied with satin ribbon and matching streamers completed the setting.

Given in marriage by her father the bride wore a floor length gown of lace and ivory satin designed with a fitted bodice and caught at the front with tiny satin covered buttons. A high neckline and long sleeves ending in petal points at the hands, complemented the bride's veil of silk illusion. A circular lace peplum graced the full flowing skirt. She carried white roses nestled in white net and white bridal satin tied in love knots which fell over the front of her white Bible.

Sister is Maid of Honor Miss Jean Fortenberry, sister of the bride, was maid of honor and Miss Sherlene Teeple of South Plains was her bridesmaid. Each was gown in identical street length dresses of blue crystal peau and white accessories. They carried nosegays of white carnations accented by blue net and blue bridal satin bows and streamers.

Bill Jernigan of Plainview, served his brother as best man, Groomsman were Justine Menace of Wichita Falls, Durrell Fortenberry and Eldon Fortenberry of Cedar Hill.

Candlelighters were Miss Delece Gilly of Cedar Hill and Dwight Teeple of South Plains. Mrs. Leighton Teeple was soloist and was accompanied by Mrs. Patsy Boone of Childress, who also played traditional wedding selections.

A reception honoring the newlyweds followed in the home of the bride's parents. Mrs. Jernigan is a graduate of Floydada High School with the class of 1959. At the time of her marriage she was employed by Lockney General Hospital. Her husband attended Plainview schools and Southwestern Bible Institute at Waxahachie.

VOWS SAID AT VERNON Mrs. Doris Warren, daughter of Mr. and Mrs. C. W. Jones, and William F. Hinkle, were married March 28 in the home of her sister and husband, Mr. and Mrs. David Mount at Vernon.

The double ring ceremony was read by Rev. Neal D. Jones, pastor of the First Baptist Church at Vernon.

Garden Club Hears Noted Flower Judge

Keith Patton, noted flower judge of Matador, was guest speaker at a recent meeting of the Floydada Garden Club. Mrs. J. P. Moss was hostess for the gathering in her lovely home on the Ralls highway.

Mr. Patton is a member of the American Iris Society and selected for his topic the culture and growth of the iris.

Mrs. John Hoffman was leader for the program and Mrs. L. T. Wood, club president, was in charge of a brief business session.

Reports of the short course held on arrangements in Lubbock recently were presented by Mrs. A. V. Stewart, Mrs. Wood and Mrs. Moss. The three club women attended the course and brought back information that proved helpful to other club members.

Mrs. O. M. Watson presided at the silver service during the refreshments hour. Daffodils and other bright spring flowers accented the table which was covered with a brown linen cloth.

Guests present other than the speaker were his wife, Mrs. Patton and Mrs. Roy Burk, the latter of South Plains.

Members present were Mrs. J. B. Bishop, R. E. Fry, John Hoffman, J. M. Willson, S. J. Latta, Troy Leonard, E. J. Morehead, J. P. Moss, Ed Muncy, I. H. Parks, B. A. Robertson, George Smith, John Smitherman, A. V. Stewart, S. E. Thurman, W. G. Walker, O. M. Watson, L. T. Wood, J. C. Wester and three guests.

Mrs. Parks will be hostess for the meeting tomorrow in her South Plains home.

Miss Pat Drysdale is Past Worthy Advisor of Rainbow for Girls.

Assisting with the social affair will be Miss Janice Trapp, daughter of Mr. and Mrs. W. W. Trapp, present Worthy Advisor, Miss Dana Walding, daughter of Mr. and Mrs. C. N. Walding, Associate Advisor, and Mrs. Bob Dyson, Mother Advisor.

The public is invited.

HOMEMAKING HINTS

COIN OPERATED DRY CLEANING Have you been wondering about using the coin-operated dry cleaners? These are topics asked about it most frequently.

WHAT CAN I CLEAN? Any garment that you do not include in your laundry, with the exception of plastic, paper, leather, rubber, fur, or garments trimmed with these materials.

HOW OFTEN SHOULD GARMENTS BE DRY CLEANED? As often as necessary to keep the items clean and sanitary. Since cleaning is less expensive people who use the coin-operated cleaners say they clean their clothes more often.

HOW ABOUT PRESSING? Only a touch-up with a steam iron is necessary. Garments come out remarkably wrinkle free. Creases and pleats are still sharp after cleaning.

HOW LONG DOES IT TAKE? Some have a thirty-five minute cycle, others have fifty minutes.

HOW DO YOU DO IT? It is very simple. Turn out all pockets and cuffs. Shake away all loose sand and lint. Examine each garment for spots. Brush loose matter from spots, then spray the spot with a fine water mist. Some of the newer cleaning establishments have omitted this step. Another ingredient has been added to the cleaning fluid to remove water soluble stains.

Next, place your clothing — eight pounds or up to the line, into the machine, shut the door, and put the required number of quarters (usually six) in the slot.

Be there when the load is finished. Like a dryer, they might wrinkle if you do not take them out immediately. Hang them on hangers and smooth them with your fingers.

DEAN TO SPEAK APRIL 12 TO MATADOR CLUB

Dr. Willa Vaughn Tinsley, dean of the school of home economics of Texas Tech will be the guest speaker for the Matador El Progresso Study Club April 12.

The matter, which is open to the public will be at 3:30 p. m. in the Matador High School auditorium. The admission will be free.

Dean Tinsley, listed in Who's Who in America, and who is a state and national speaker will be speaking on, "The Challenge of being a Woman Today."

All club women, church groups, FHA groups, or any interested persons are cordially invited to attend.

MRS. KIMBLE VISITING DAUGHTER IN NEW YORK

Mrs. Wilson Kimble emplaned last mid-week from Dallas in company with her daughter's husband, Rev. Don Harris, with plans to visit the family in their Scarsdale, N. Y. home for about a month.

Rev. Harris, who is a Presbyterian minister, was in Texas last week on business and Mrs. Kimble, who has been spending a good deal of her time with an ill brother, decided to accompany Rev. Harris to Scarsdale.

The brother is reported showing a marked improvement.

Countdown time . . . 5, 4, 3, 2, 1, ZERO. America's heart skipped a beat. We held our breath through hours of suspense. And finally, the rescue. Mission accomplished.

Immediate reaction: "Thank God!" This was the cry of America, the mighty prayer which rose from its heart in a spontaneous flash of gratitude. THANK GOD.

It was pride we felt, pride in our skill and our scientific knowledge. But there was something more. There was FAITH. When man travels into the unknown, he needs the hand of God.

* * * * *

A new age has begun for mankind. Many more great days of exploration are ahead. Man will need the best products of mind and hand to conquer space.

But through every accomplishment, he will continue to need faith. Always from his heart will rise a fervent prayer, knowing that Divine help must be with him.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

ber of the Teachers State Association of Texas and West Texas District Educational Association.

Mr. Wilson said, "for me it is a great joy to present a woman of vast human understanding, a woman of wit and education, a dedicated Christian woman, chosen by the 1956 Study Club as Teacher of the Year."

In presenting the engraved silver plate, the school principal said "with confidence in your own abilities and faith in the wisdom

of the goal you have set in life, you have been able to adjust to winds and storms. This is your day, to hold and cherish as your own. Enjoy it and so conduct yourself in the future that you, your family and your friends will always be as proud of it as you are tonight. May God bless you and bring you the best always."

As she received the plaque, Mrs. Taylor was greeted by a standing ovation of congratulation by the audience.

Organ preluces were presented by Mrs. Mack Hickerson, and a reading entitled "Silas Peterman's Investment" was given by Mrs. Bob Durham. The book, "Angels in Pinafores" by Alice Lee Humphries, was reviewed by Mrs. Sam Puckett.

Mrs. George Spears, president of the Study Club, received guests along with Mrs. Gordon Hambricht, and gave the welcome.

Presiding at the reception table were hostesses, Mrs. Truitt Hartsell, Mrs. Chuck Holmes, Mrs. Roy Teague and Mrs. Hambricht.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN — At a joint meeting of the Governor's Highway Safety conference and the Texas Safety Association, Gov. Price Daniel said that good traffic safety legislation still is lacking because citizens "have never taken enough time and trouble to tell their legislators exactly what they want."

He said that five bills which failed to pass will be introduced in the January session, "regardless of the identity of your next governor." These concern:

1. State financing to pay the salaries of driver education

teachers in public schools.

2. Complete revision of the driver-licensing law.

3. A chemical test law for use in cases of driving while intoxicated—designed to free the innocent and provide medical evidence against the guilty.

4. Adequate city and county traffic courts of record to handle traffic cases with efficiency and justice.

5. Authorization for additional highway patrolmen and additional pay for Department of Public Safety personnel.

Although the Legislature lately approved 51 additional highway patrolmen, a \$300 increase in pay and set a floor of \$4,947 annual salary, the governor reported the patrol still is 150 men short of its authorized strength of 804. He feels the pay hike was insufficient.

VOTERS LIST — Comptroller Bob Calvert added up the poll taxes and exemptions sent in by the counties and found 2,355, 139 Texans qualified to vote.

This is an increase of 300,000 from 1958, the last non-presidential election year. But it is vir-

tually the same as the number of qualified voters in 1952.

Still holding the record is 1960 with 2,399,924 Texans qualified to vote.

TEACHERS QUIZZED — Texas school teachers are pretty good at answering their examinations.

Texas Education Agency sent out questionnaires to about 95,000 school people. They expected a 30 per cent return but 92,000 answered.

Questions were part of a Texas Legislative Council study of teacher training.

Results will be fed through computers to give lawmakers an idea of what school people think about the way public schools are run and how teachers are trained.

WATER LOANS HIT — The state will borrow another \$15,000,000 on April 19 to help local water districts, river authorities and cities on their water projects.

Texas Water Development Board has the authority to borrow up to \$100,000,000 for this purpose.

Its first bond issue of \$10,000,000 is nearly used up in four loans. So another \$15,000,000 worth of bonds will be sold.

Major project helped so far by this state program is the Toledo Bend reservoir on the Sabine River near Newton. It will get a \$15,000,000 loan over the next four years.

PADRE STUDY — Herb Perry, chairman of a special committee to study the various proposals for making Padre Island a recreation area, said the committee will have a meeting in April to decide on its recommendations.

Governor Daniel appointed the committee after differences developed as to whether Padre Island should be turned into a recreation area by the federal or state government.

A bill in Congress has authorized federal purchase of a large part of the island as a national seashore area. But the bill has not passed the House of Representatives because South Texas Congressmen favor a smaller area, if any at all.

GI FARMS — Veterans Land Board has sold 20 repossessed

PLANNING AHEAD for next year's Panhandle-Plains Student Council Conference will be the six-member council which will meet Friday, April 6, at Wayland Baptist College, Plainview. Pictured after their election are (left to right) Bob Amos, Brownfield; Charlie Burrows, Olton; Sandy Smith, Lockney; Max Garrison, Silverton; and Fred Thayer, Floydada. Not present is Bill Cunningham, Dalhart. The council was elected at the March meeting to replace the usual election of officers. The conference is sponsored annually by the Student Government Assn. at Wayland. A college faculty member and a student will work with the council.

GI farms for \$19,000 more than it had invested in them.

But it turned down bids on a Grayson County tract which drew 33 bidders.

Board tried, but failed, to put a block deal back together by advertising for bids on an 80-acre farm in Zavala County.

Board had set the minimum bid at \$150,000 but nobody bid.

Only qualified veterans who have not made GI land loans were eligible to bid on the tracts.

PROFESSORS PAY — Two University of Texas department heads told their troubles as they moved into a new \$4,000,000 business and economics building.

Dr. Carey C. Thompson, chairman of the economics department, said he recently lost a good faculty member to the University of Rochester which bid up his salary from \$7,800 to \$13,000 a year.

Dr. John Arch White of the College of Business Administration said his college had not had a full staff since the end of

World War II. Last year he

needed to hire 12 young instructors but could only find eight and then lost four of them. Other employers outbid his salary limits.

The two departments have a fine new building but are hard-pressed for professors for their growing number of students.

SUNDAY SALES — Atty. Gen. Will Wilson has held that the new law which prohibits car-house sales on Sunday or Saturday does not prohibit the sale of mobile homes (house trailers).

New law requires retailers in many lines to close either on Saturday or Sunday.

Center News

By Mrs. J. E. Green

CENTER, April 2 — We continue to have clear, cool weather and such cold nights. Looks like Jack Frost will persist till he gets the bulk of the fruit crop. We are still hoping for rain.

Brother Zinn was ill with a severe case of flu all last week and our pulpit was filled Sunday morning by a layman, Brother Henry of Lorenzo. The pulpit Sunday night was taken over by home talent. Brother Zinn is reported improving this Monday morning.

Sunday afternoon guests in the Hal Thomas home were Mr. and Mrs. Welborn Miller and children, of Lubbock. Guests Sunday, March 25, were a nephew and wife, Mr. and Mrs. Wayne Gound of Big Spring.

Mr. and Mrs. Leo Frizzell visited Sunday afternoon with Mr. and Mrs. Herbert Meredith, of Dougherty. They were in the Garvin Beedy home, South Plains. Friday visiting their daughter and family.

Mr. and Mrs. H. B. Mankins visited Mr. and Mrs. R. C. Ross Sunday afternoon.

Mrs. J. B. Massingill, of Phillips and her daughter, Ann, of Wayland College, were in the J. E. Green home awhile Friday afternoon. Her mother, Mrs. K. J. Matthews, who had been visiting the Greens and other local relatives for several days returned home with the Massingills.

Mrs. Matthews and the Greens shared a delicious birthday dinner last Tuesday given by Mr. and Mrs. Anthony Latta, of Mt. Blanco, honoring Mrs. Will Latta, of Crosbyton. The day was also the 41st wedding anniversary of the Greens. Other guests present were Miss Lotta Latta, of Mt. Blanco and Mrs. Wright, of Plainview. All enjoyed the day.

Mrs. Ross and Mrs. Plumlee are on the sick list.

Mr. and Mrs. Thomas Warren and children dined Sunday in the home of her mother, Mrs. Charley Battey, Floydada.

Visitors in the Fred Battey home Thursday evening were the Thomas Warrens, Mrs. Ola Warren, Mrs. Charley Battey, Mrs. K. J. Matthews and the J. E. Greens.

Several neighbors and friends gathered in the D. I. Bolding home Saturday evening where a visiting minister, Mrs. Savage's daughter, from California, showed slides of some of her travels in Europe and America and the Holy Land. Very beautiful and interesting.

Mrs. Jerrold Vinson and children, of Harmony, dined Sunday with the children's paternal grandparents, Mr. and Mrs. O. C. Vinson.

Victor Green and boys, Jimmy and Steve, of Plainview, visited Sunday afternoon with his parents, the J. E. Greens.

Friday evening visitors in the Frank Dunn home were Mr. and Mrs. Floyd Montgomery and Mr. and Mrs. C. W. McCarty, of Plainview, and the Greens.

Mrs. Charles Fulkerson has been spending time with her father, W. A. Goins, who is ill in the local hospital.

How we sympathize with the Covington family in the passing of the husband and father. No one, except one who has gone through with it, can know the agony of loneliness of a little child who has lost a parent, no matter how many loving relatives he may have. But it does help to have other loved ones and let us give all the help and encouragement we can to these precious orphaned children.

Today is First Monday which may be why some of our people can't be reached. Maybe in town getting some pretty things

Leatherman Wins Higher Court Favor

Judgment of Floyd County District Court in a suit in which more than passing interest has been taken locally, was reversed and rendered by the Civil Appeals Court in Amarillo last week.

Copy of the findings of the Amarillo court, received in the district clerk's office over the weekend reveals that the higher court has found for C. E. Leatherman, commercial trucker, defendant in a suit brought by Jesse Starkey as next friend of his daughter Mary.

Whereas the court here found for the plaintiffs in the sums of \$1,746 for the father, and \$10,000 for the daughter, the Appeals Court ruled that they take nothing.

The case was heard here by a jury last year. An accident on East Houston St., Highway 70, resulted in injury to Mary Starkey who was riding with Cecil Jackson the evening of July 2, 1960. Their car was in collision with a parked truck belonging to Leatherman.

The higher court's judgment, rendered by Associate Justice E. O. Northcutt, said the trial court erred in setting aside the jury's findings on two special issues.

The plaintiffs have 15 days from the date of the judgment to give notice of appeal to the State Supreme Court, and 30 days in which to file their brief.

Floyd County 14 Years Ago

(from the Hesperian, April 8, 1948)

R. L. (Pete) Kendrick was returned home Monday from Lubbock Memorial Hospital, where he had been since Wednesday of last week suffering from a light stroke.

Remains of E. L. Woodburn, pioneer pharmacist at Lockney, were interred in the Lockney cemetery following funeral rites Monday in the Baptist Church. Mr. Woodburn died Saturday in the hospital at Lockney after a brief illness. He had been at Lockney for 36 years.

"It's an oilwell" is the jubilant report this week from Petersburg where General American Oil Company's No. 1, A. F. Byrd, is making about 25 barrels an hour. The well is two miles northeast of the town and 600 feet from the Floyd County line.

Mrs. John Hoffman was admitted to the Lubbock Memorial Hospital Monday of this week for medical treatment preparatory to a possible operation.

Last rites for Newton N. (Pete) Roe, 59, were read Friday afternoon in the Harmon Funeral Chapel. Mr. Roe died early Friday morning in Floydada Hospital, where he had been confined the past month. The family has lived in Floyd County since 1917. Survivors include one son, two daughters and five grandchildren.

Edwin Kent Kiker, son of Mr. and Mrs. L. E. Kiker, has recently been promoted to the position of special representative of the Shamrock Oil and Gas Company at Lajunta, Colo. Kent has worked for the firm since 1944 with the exception of a year spent in the Army.

Mrs. R. C. Ross underwent an operation Monday morning and is reported doing fine at this time.

Miss Lovene Jones, daughter of Mr. and Mrs. Lovell Jones, student at Baylor University, is one of the charter members of Tau Beta Sigma National honorary band society, recently organized at Baylor.

Porter Finley underwent surgery at Scott and White Sanitarium in Temple. Mr. Finley is improving and may be able to come home next week.

Mr. and Mrs. H. P. Shander of Denver, Colo., are here visiting her sister and husband, Mr. and Mrs. J. G. Wood.

Mrs. W. A. Amburn, W. A. Amburn Jr., Mrs. Alva Jackson and Mrs. Leon Hart were honored with a birthday dinner in the home of Mrs. Amburn Sunday.

Funeral service was held in Harmon Funeral Chapel Sunday afternoon for Oscar Larry Stansell, eight day old son of Mr. and Mrs. N. B. Stansell. Survivors are the parents, two brothers and the grandparents.

ANTHONY D. HILL, CRUISING MEDITERRANEAN WITH FLEET

MEDITERRANEAN (F.H.T.N.)—Anthony D. Hill, shipfitter third class, USN, son of Mr. and Mrs. Woodrow W. Hill of 629 W. Grover St., Floydada, Tex., is serving aboard the guided missile heavy cruiser USS Canberra, operating as a unit of the Sixth Fleet in the Mediterranean.

From Feb. 24 to March 5, the Canberra visited the port at Cannes, France, where crewmen had the opportunity to visit Monte Carlo, tour areas in the French Alps and along French Riviera.

The cruiser, flagship for Commander Cruiser Division Four, is presently on an extended cruise in the Mediterranean area.
