Youngsters Learn To Cook WITH FRUIT GELATIN

Youngsters in the kitchen. Fruit-flavored gelatins, which are favorites of children, are an ideal way to start young cooks on a life-long enjoyment of cooking. The bright colors and flavors have a natural appeal to a youngster. Best of all, the child can combine fruits and gelatin without fear of failure and the result is a dessert or salad which matches Mother's.

Available free is a booklet, "Color and Cook with Your Royal Book", which is designed to introduce the young cook to the family. It is a gay booklet which has easy-to-play games, a rhymed story about a princess who "loves to cook" and pictures to color—in addition to recipes which will delight any child. For a copy, write: Royal Coloring Book, Box 56A, Mt. Vernon 10, New York.

Shimmering Snow with Fruit is an example of easy recipes included in the book which the young "princess" may prepare for the family. The basic recipe may be varied by adding fruit juice or a small amount of fruits in lemon or orange peel to the gelatin. Serve garnished with fresh in season.

SHIMMERING PEACH SNOW WITH FRUIT
(6 to 8 servings)
1 1/2-ounce package Royal Peach Gelatin
1 cup hot or boiling water
1 cup cold water
Egg white

Empty the gelatin into a bowl. Add boiling water and stir until the gelatin is dissolved. Stir in 1 cup cold water. Chill until the gelatin is as thick as an unbeaten egg white. Add egg white to the thickened gelatin. Set the bowl containing the gelatin and egg white in a bowl of ice. Beat with an egg beater until the mixture is very light and fluffy. Pour into 6 to 8 well-chilled custard cups and chill in the refrigerator until serving time. To serve, unmold gelatin onto a platter or into individual dessert dishes. Garnish with fresh and canned fruits.

VARIATIONS
DOUBLE PEACH SNOW, dissolve the Peach gelatin in 1 cup hot or boiling water; stir in 1 cup peach nectar. Continue as for Shimmering Snow recipe.
CHERRY SNOW, dissolve Royal Cherry gelatin in 1 cup hot or boiling water; stir in 1 cup pineapple juice. Continue as for Shimmering Snow recipe.
PINEAPPLE SNOW, dissolve Royal Pineapple gelatin in 1 cup hot or boiling water; stir in 1 cup cranberry juice. Continue as for Shimmering Snow recipe.
LEMON SNOW, dissolve Royal Lemon gelatin in 1 cup hot or boiling water; stir in 1 cup orange and 1 teaspoon grated lemon peel. Continue as for Shimmering Snow recipe.
ORANGE SNOW, dissolve Royal Orange gelatin in 1 cup hot or boiling water; stir in 1 cup grapefruit juice. Continue as for Shimmering Snow recipe.

"SMEAR CAMPAIGN"

Secretary of Health, Education and Welfare Abraham Ribicoff's cry of blackmail regarding the New Jersey doctors is typical of the misinformation that this former ADA member continues to spout about the medical profession.

Mr. Ribicoff is obviously engaged in a smear campaign to discredit the medical profession by misrepresentation of the facts. Make no mistake. Free practice of medicine is in jeopardy.

The New Jersey doctors do not say they wouldn't treat these elderly people. They said they would not accept money from the government for that treatment, but would offer it free if the aged person could not afford it.

The New Jersey doctors do not say they would not use the hospitals in question, but, again, no charge for their services in these hospitals.

The Supreme Court of the United States has continually declared that social security is not insurance, as Mr. Ribicoff states, but is tax on payroll.

Doctors are not violating the Hippocratic oath in refusing to accept government money for treatment but rather adhering more closely to the oath by offering to treat regardless of ability to pay.

Texas and many other states have already moved to care for their own aged through the Kerr-Mills act administered by Blue Cross in Texas) which helps only those who need help, not everyone over 65 years of age.

Outdoors In Texas

Galveston didn't become a tourist mecca overnight. Neither did Palo Duro Canyon in the Panhandle or Dam B in East Texas. Or Lake Mathis near Corpus. Or the beautiful impoundment at Texaskana.

In fact none of the outdoor attractions of Texas developed without encouragement and hard work.

Stop for a moment and try to think of a natural lake in Texas. There is none. All are artificial - man-made impoundments.

Most people are amazed when they see the beautiful hills of the Highland Lakes Area of Central Texas. Small mountains, really. They have been there for thousands of years - but only in relatively recent years have they zoomed in popularity.

It all began with dams - followed by lakes.

Now seven (7) mind you) large and beautiful lakes greet the visitors who come to see and enjoy the view. Many stay for weeks to fish and hunt, to live in attractive cabins, or to camp out along the shores in this scenic wonderland. Each year hundreds of these visitors re- turn - to stay.

It doesn't take a great deal of selling to attract the outdoorsmen. Just let it be known and the recreation hungry peo- ple sell themselves.

Again we say - don't overlook any possibility your town may have to offer the outdoorsman. be he a wallet-filled tourist or a boat-towing member of the Isaac Walton League.

Letters To The Editor

Texas Press Association

Need a brand new industry in your town?
If so, let us remind you that recreation is our biggest industry.

So, let's dream awhile! If you're overlooking the potentials that a new lake offers you're missing a huge bet.

Outdoor pleasure seekers are increasing by the thousands each year, in Texas alone. People are becoming more conscious of the need to relax, to relieve tension, to entertain guests, or to just plain have fun after the day's work ends and during the week- end.

With more and more people working fewer hours recreation will continue to be a problem. Cities that solve that problem by providing recreational facilities close by will grow in size. Biggest opportunity the small town may have to increase its income, as well as its population, very well could be the construction of a new lake or some other type of crowd-pulling outdoor recreational facility.

So, if your town needs to build back lost population ... to take it away from the big cities, or swipe some from the nearby villages—consider new recreational facilities as the lure.

Include a "come on" that appeals to boaters, skiers, fishermen, swimmers, skidivers, hunters, trap shooters, the bow and arrow boys and girls—all phases of appeal to the outdoor lover... and you'll have it made.

Plans Made For Hopper Queens Contest Of Farm Bureau

The 1967 Floyd County Farm Bureau Contest is nearing and the committee heading the affair are urging all girls who are daughters or sisters of a member of the Bureau and who are between the ages of 16 - 22, enter now.

The committee met Monday in the local office with Mrs. Alton Noland, chairman, to make additional plans for the annual event. It was decided that entries would not need a sponsor to enter, as previous rules called for.

They must not be under the age of 16 or over 22 before September 1 of this year. Entries must have a picture of herself to be turned in to the Farm Bureau office.

Date of the contest has been set for the night of July 12 at 8 o'clock in the high school auditorium, in Floydada.

Mrs. J. M. Tye, secretary of the Crosby - Floyd County Council, will return to her Lockney home tomorrow from Austin where she attended the Texas Congress of Parents and Teachers State Executive Committee and Council of District Officers Program and Council Seminar.

The meeting was held in the Kinsolving Dormitory at the University of Texas.

Mike Johnson, former resident of Floydada, and Barbara Peck, were wed on May 15 in the Chapel of Truth in Pasadena, Calif. The bride is the daughter of Mr. and Mrs. William Peck, former residents of Grants, N. Mex. She was a mid-term graduate at Grand Junction, Colo., and formerly employed as secretary in Pasadena.

The bridegroom is the son of Mrs. Doris Johnson of Redding, Calif., and of the late W. D. Johnson of Floydada. He is also the grandson of the late N. A. Armstrong of this city. Mike attended schools in Floydada, South Dakota, New Mexico and California. He enlisted in the Marine Corp. in Oct. 1961, and is now stationed at Camp Pendleton, Calif.

The couple are making their home near San Diego, Calif. Their address is PFC Joseph M. Johnson, 1930161, Hqd. Co., HAND B.N. C School, Mond., San Diego, Calif.

Simple Ceremony Unites Elliott And Southerland

A simple but impressive ceremony read Saturday night in Lockney, united in marriage Miss Janice Elaine Elliott, daughter of Mr. and Mrs. Jim Elliott, and Doyle Wesley Southerland, son of Mr. and Mrs. Johnny Southerland. All are of Floydada.

The marriage was read in the home of Justice of Peace Jim Rogers. Mr. Rogers, great uncle of the bridegroom, read the ceremony before immediate members of the couple's family.

The bride wore for her wedding an aqua blue street length dress with white accessories. Following a brief trip the couple will be at home in Tulla where the bridegroom is employed at a service station.

Mrs. Southerland attended schools in Floydada and her husband at Vernon.

Kitchen And Field Report

From Lighthouse Electric Coop by Nancy Morckel, Home Economist

WHY FREEZE?
 Because freezing foods can be a rewarding experience, both for your family and you. There is greater food variety all year long. Lush strawberries in December, and if you'd like, Christmas cookies in June. There's no mealtime monotony when the roast was too much for one meal. You can save the leftovers for a time when the family really wants to roast again. Less time need be devoted to meal preparation when you can take everything from the freezer, cook and serve.

No mixing or cleaning—you've already done that part. Surplus from your summer garden or from hunting trips need not go to the neighbors or be thrown away. Almost all meats, fruits and vegetables can be satisfactorily frozen with the exception of a very few things.

Economy is a feature not to be overlooked. Buy meats and fruits and vegetables when prices are low, enjoy eating them when prices are high.

Don't overlook the possibility of purchasing commercially packaged and frozen foods. These are often available in quantity at lower prices, and save you the task of preparing the food for the freezer.

Fewer shopping trips result from a freezer. That means more free time for you. And you need never be caught in a state of unpreparedness. When unexpected company comes just call on your freezer.

Careful selection of foods to be frozen will pay off in big dividends. Choose only prime quality foods. Be sure they are free of blemish or damage to get the utmost in nutrition, flavor and pleasing appearance. Remember, foods are only as good when they come from the freezer as they were when they went in.

Fruits and vegetables are best when they are gathered just before freezing. The fresher they are, the better they will retain their flavor and vitamin content. There is less chance of contamination with bacteria or other organisms if foods are put into the freezer quickly. Above all, follow special instructions for freezing.

Avoid accumulating "old stock". Use your older foods first. Whether you have a chest type or an upright, the surrounding air should be dry and cool. Plenty of ventilation should be allowed for the compressor. Avoid overcrowding your freezer. Do not freeze more than your family can use.

You are fortunate if you have one of the newer frost-free models, one that never will retain frost. But in case you do not have been so fortunate, defrosting is needed - when frost is approximately one-inch thick or when the frost begins to build on the walls. Thick layers of frost act as insulation and hinder prop-

LOU BRANNON, daughter of Mr. and Mrs. Walter Brannon, whose engagement is being announced by her parents, is the bride-elect of Mr. Morris Degam, son of Mr. and Mrs. Joe Degam of Flomot. The couple will exchange vows on June 17.

CC Directors Hold Meeting

The Board of Directors of the Floydada Chamber of Commerce met Wednesday morning at Rogers Restaurant for a breakfast and monthly meeting.

The work schedule for the 1967-68 year was read and approved. The directors received a report from Newell Burk, John Reue, Don Pemberton and Ralph Mardis on the West Texas Chamber of Commerce meeting held recently in Lubbock. At this meeting one of the main topics of discussion was cattle feeding program which is of great interest in Floyd County. There was also a discussion on tourist trade and the Texas park system.

Don Pemberton gave a report on a meeting held recently in San Angelo on industrial development. Pemberton pointed out that from the meeting it was learned many cities seek new industry, but some cities establish their own industry in their own town. Housewares, Moccasins and Ties were given as examples of industries started in San Angelo by local citizens who are now running successful industries.

The directors also received a report that Southwestern Public Service Company will run a large advertising campaign in Texas Parade magazine on the industrial possibilities of this area and that Floydada and Floyd County will be included in some of the news stories in the same issue.

Doc White Is Resting Well

Ulmer "Doc" White, Floydada retired druggist, is gaining strength and resting well in Methodist Hospital where he underwent major surgery last Thursday. His son, Bob White, who is studying pharmacy at Weatherford, Okla., is with his father, as well as his wife and their son. It wasn't known just when "Doc" White would be able to leave the hospital.

Maj. J. Hoffman Graduates From Air University

MAXWELL AFB, Ala. — Major John N. Hoffman Jr., son of Mrs. John N. Hoffman Sr. of 927 Shelby St., Huntington, Ind., was graduated from the United States Air Force's Command and Staff College at the Air University here Friday (June 8).

Senator Howard W. Cannon of Nevada addressed the graduates as they marked the end of more than nine months of intermediate level professional military education for Air Force career officers in the grades of captain and major.

Major Hoffman is being reassigned to Grand Forks AFB, N. D. The major and his wife, the former Eula Barbee of Floydada, Tex., have three children.

Eagles Unbeaten

Floydada colored baseball team, the Eagles, remain unbeaten by winning a double-header Sunday over Crosbyton and Matador. They defeated Crosbyton 13 - 3 and Matador 12 - 1. Johnny Bonner won the first game for the Eagles and Lennox Johnson the one with Matador.

The Eagles have won previously over Ralls, Paducah and Lorenzo. They will be playing in Ralls again Sunday and their manager, Clydine Mitchell, is hoping they will show even greater play there. He said the team had some tough competition coming up in the future and is hoping the Eagles will improve even more.

WILLIAMS RETURN

Mr. and Mrs. J. M. Williams and daughter, Judy, returned home Monday from an enjoyable vacation which took them to Portland, Seattle, Vancouver and other scenic points in Washington and states enroute and back. They reported a wonderful two days at the World's Fair and the experience of clam digging while at Rosburg, Wash., where they visited with a nephew of Mrs. Williams, N. L. Cowan Jr. Mr. Williams said they certainly didn't take along heavy enough coats as the weather was chilly and it rained practically the whole 12 days they were there, intermittently during the days.

Mrs. Helen Solomon and Mrs. G. M. Armstrong were in Smyer over the weekend visiting their sister, Mrs. Ben Whitaker and Mr. Whitaker.

Harold Snell visited in Lubbock over the weekend with a friend, Bobby Withey.

DORIS AND HOWARD DRYSDALE, are pictured above just prior to their installation Friday night as Worthy Matron and Worthy Patron of the Order of Eastern Star. The couple were later honored with a reception held in Masonic Hall. They succeed Mr. and Mrs. Wilson Edwards in their office.

Drysdales Are Installed New Matron-Patron

New officers of the Order of Eastern Star were installed Friday night in open installation ceremonies. Winnie Dyson was installing officer and officiating with her were Bill McNeill, installing Marshal; Flora McNeill, installing Chaplain; Lela McNeill, Secretary pro-tem; and Barbara Covington, Organist.

Officers installed included Howard Drysdale, Worthy Patron; Doris Drysdale, Worthy Matron; Mary Helen Day, Associate Worthy Matron; M. J. McNeill, Associate Worthy Patron; Faye Jackson, Conduress; Jo V. Bingham, Associate Conduress; Ruth Trapp, Secretary; Robert Russell, Treasurer; Wayne Hodges, Chaplain; Ruth D. MacCallahan, Ad. Sec.; Lela McNeill, Ruth; Betty McNeill, Ester; Joy Assiter, Martha; Lina Warder; and Clyde Hodges, Sentinel.

Colors of blue, white and pink decorated the chapter hall, and the Worthy Matron's selected flower of pink carnations were used along with white roses and tiny blue flowers to mark the pedestal before the East. Bouquets of roses were on the desk and piano and pink carnations were on each of the star points of the pedestal flanked by a single candle.

Feminine officers installed wore blue net formal and installing officer wore pink and white. The Junior Past Worthy Matron and Patron, Polly and Wilson Edwards were escorted to the East and presented their pins after which the retiring officers filled their stations. The retiring matron gave the welcome and introduced Winnie Dyson who in turn introduced new officers.

Following the installation Mrs. Drysdale escorted her children to the East where they were introduced. Her daughter, Pat, then

presented the new Worthy Matron with the gavel she used while serving as Worthy Advisor in the Rainbow for Girls.

The reception honoring the officers was held in the dining room with the same colors being carried out in decorations.

A white damask cloth covered the serving table where an arrangement of pink, white and blue carnations were used for the centerpiece. Pink punch and cake squares with pink and blue decorations were served. Blue napkins were used with the names of "Doris and Howard" printed above the year they are to serve.

At the last regular meeting of the chapter on May 24th a program honoring the retiring Worthy Matron and Patron was given. Each month of the year was represented at the program with twelve women dressed depicting the month they represented.

When the member dressed in December attire, which was Santa Claus, came forth, she made the presentation of the gift to Mr. and Mrs. Edwards from the lodge for their performance as officers during the year.

Mt. Blanco News

By Karen Watson

MT BLANCO, June 4 — Vacation Bible School has begun at the Mt. Blanco Baptist Church. The school began Monday afternoon with Preparation Day. The group of approximately thirty-five children and workers enjoyed the picnic at Silver Falls Monday afternoon. Bible School will be from Wednesday until Friday this week and next week it will be from Monday thru Wednesday. Bible School will begin each day at 2:30.

The workers in Vacation Bible School this year are principal, Mrs. Joe Appling; Pianist, Nancy Allen; Song Leader, Judy Allen; Beginner workers, Mrs. Rudolph McCurdy, Mrs. Harold Meyers, Mrs. O. N. Reed, Sherry Watson and Judy Briley; Primary workers, Mrs. Edmund Brown, Mrs. Bill Wallace, and Karen Watson; Junior workers, Mrs. Anthony Latta and Mrs. Wayland Jones; and Intermediate teacher, Mrs. Brice Allen.

Weldon Fletcher of Lubbock is spending the week with his parents, Mr. and Mrs. John Fletcher. Mr. and Mrs. Brice Allen and girls had a Birthday dinner for Judy Sunday. Those attending were Mrs. C. A. McClure of Crosbyton and Dean Mitchell.

Mr. and Mrs. Frank Moore visited Mrs. C. H. Moore Saturday night in Crosbyton.

Mr. and Mrs. Weldon McClure visited Rev. and Mrs. O. N. Reed Friday night.

Mr. and Mrs. Bill Wallace, Tammy and Ginger visited Sunday with Mr. and Mrs. Ernest Wallace. Mr. and Mrs. Leslie Johnson and Mr. and Mrs. M. C. Money all in Crosbyton.

Mrs. Henry Brewer and Miss Barbara Massengale of Crosbyton visited in the home of Mr. and Mrs. Millard Watson and family Monday morning. Also Darwynne Brewer of Plainview visited Monday morning.

Mr. and Mrs. Harold Meyers, Danny, Donald, and Sheron visited his parents, Mr. and Mrs. Meyers in Muleshoe over the week end.

We are sorry to hear that Donald McSwain has the measles. Mrs. Edmund Brown visited Mrs. Rudolph McCurdy Thursday morning.

Sunday dinner guests of Mr. and Mrs. Anthony Latta, David, Sam, Sammie Starrett and George Brake and Carol were Mrs. Carrie Latta of Crosbyton, Miss Lottie Latta, and Mr. Mac Latta. Sunday evening they all visited Mr. and Mrs. J. E. Green in Floydada.

THE SECRETS OF COOKING RICE

Rice is the basis for all matter of wonderful dishes, from cereals to casseroles. As always, when you prepare rice, cook it to perfection—because it can be done so easily!

To insure fluffy, tender rice always, follow these step-by-step directions.

If you are preparing a meal on top of the range, use the first method for cooking rice. If you are making an oven meal, use the baked method.

The cooked rice, made either way, can quickly and easily be shaped into a ring to make a festive holder for a creamed mixture with preserves or fruit for dessert, with cream and sugar as a cereal. Or, use it in the rice dishes you like best.

how to COOK PERFECT RICE

Step 1—For 3 cups cooked rice, measure 1 cup uncooked regular white rice, 2 cups water or bouillon and 1 teaspoon salt into a saucepan.

how to BAKE PERFECT RICE

Step 1—For 3 cups baked rice, measure 1 cup uncooked regular white rice into a shallow baking pan. Spread evenly.

how to make a QUICK RICE RING

Step 1—For 8 servings, combine 1 1/2 cups hot cooked rice with 1/3 cup butter or margarine and 3 tablespoons each minced parsley and chopped pimiento.

Step 2—Spoon rice into a greased 1 1/2-quart ring mold. Pack tightly with the back of spoon. Let stand 2 to 3 minutes.

Step 3—Place heated serving plate over mold and invert. Carefully remove mold. Fill the ring with creamed mixture or vegetable.

Rep. George Mahon To Offer Amendments To The Farm Bill

WASHINGTON, D. C. — Representative George Mahon of West Texas feed grain farmers would prefer to continue to draft a series of amendments which he proposes to offer to the farm bill program which is scheduled for consideration by the House at an early date. The Senate, on May 25th, passed a farm bill which provides for a mandatory control program on feed grains in the event two-thirds of the feed grain producers voting in a referendum favor such mandatory controls. The bill provides for a multiple-price system on wheat and has other provisions, none of which affect cotton. The most significant provisions in both the Senate and House versions of the bill are those affecting feed grains.

Mahon's amendments provide that cotton farmers would have the option of planting feed grain on cotton allotment land in the event the cotton is destroyed so late in the season that replanting is impractical. The amount of feed grain planted could not exceed the total of the cotton and feed grain allotments on the farm.

Another proposed amendment provides that the feed grain allotment of cotton farmers, who choose the Choice "B" route during the 1959-1960 crop years, would not be reduced as a result of such action.

Mahon proposes to offer an amendment to raise the percentage of the national feed grain allotment set aside for new growers in order to provide more relief for farmers who have put new land to feed grain since 1960. The House version of the bill proposes to set aside a total of 3 per cent of the national allotment for new growers, hardship cases, and other adjustments.

The House version of the bill provides that if 2-3 of the feed grain growers in a referendum do not vote for mandatory controls there will be no support program on feed grain in 1963 amendment which he proposes and thereafter. Mahon will propose that if quotas are voted down, a 50 per cent-of-parity support loan shall be provided in order to give the producers a less drastic alternative to mandatory controls in the event farmers vote down the control program.

Under the pending bills feed grain allotments in 1963 would be based on planting during the 1959 and 1960 crop years. Mahon stated that in his opinion West Texas feed grain farmers would prefer to continue to draft a series of amendments which he proposes to offer to the farm bill program which is scheduled for consideration by the House at an early date. The Senate, on May 25th, passed a farm bill which provides for a mandatory control program on feed grains in the event two-thirds of the feed grain producers voting in a referendum favor such mandatory controls. The bill provides for a multiple-price system on wheat and has other provisions, none of which affect cotton. The most significant provisions in both the Senate and House versions of the bill are those affecting feed grains.

Homer Steen

(Continued From Page One)

mon, who was on hand at the banquet to ad-lib a few memories.

Following the couple's marriage Mr. Steen became editor, publisher and general manager of the Floyd County Hesperian. By the time of his retirement in 1962 Mr. Steen had served the Panhandle Press Association twice as president. He had also been awarded top honors in several fields of journalism. Was a member of the West Texas Press Association and the Texas Press Association. He was a charter member and twice president of the Floydada Chamber of Commerce, a charter member and two time president of the Floydada Lion's Club and charter member and past president of Floydada Rotary Club.

Names mentioned of those he had hired and trained in the journalistic field were Bill Hamal, with the Avalanche Journal, Lubbock, and Ben Ezell, editor of the Canadian Texas paper.

Clem McDonald of Floydada, one of the early day employees of the Hesperian, was present at the banquet, and spoke briefly as a part of the life unfolded of the former editor.

Mayor S. W. Ross, who officially proclaimed Thursday as "Homer Steen Day", gave a more personal tribute and informally declared the banquet to be "Homer and Madeline Steen Night".

Mayor Ross was also among those who spoke at the banquet revealing the kindness, understanding and assistance he acquired from Mr. Steen during the years they had known each other.

Davis went on to say that he believed the year 1962 will always be remembered in Floydada as the year Homer Steen stunned the whole community by announcing that he was retiring.

"There was truly a general feeling of sadness, Davis continued, but now he can devote his time to raising cattle, writing memoirs and spend some time with grandchildren, Clifton, Nathan and Nancy Nabors, Brad and Lisa Steen, Becky and Philis Steen."

At the close of the program the audience stood and sang "For He's A Jolly Good Fellow" to the honored man.

As a token of appreciation for his work with the community, the citizens of Floydada attending the banquet presented Mr. and Mrs. Steen with a good catch. Lambert reported, luggage. Doug Meador, editor

Parmesan Salad Dressing Adds Flavor To Salads

A zesty Parmesan dressing created with new Parmesan salad dressing mix gives this gourmet-type shrimp salad a continental flavor. It's a lively and provocative dressing, and a breeze to prepare by following the easy directions on the envelope. You'll enjoy the distinctive flavor of Parmesan and Romano cheeses accented with a touch of garlic and other herbs and seasonings.

Shrimp Boat Salad

1 envelope Parmesan salad dressing mix
Vinegar, water, and oil
1 large tomato, peeled and cut into 4 slices
Lettuce leaves
1/2 pound cooked large shrimp, split
Avocado slices
Pimiento strips

Prepare salad dressing mix with vinegar, water, and oil as directed on envelope or cruet.
Arrange lettuce in 4 clusters on serving platter. Place a tomato slice on top of each cluster of lettuce. Add shrimp and avocado; top with pimiento. Serve with Parmesan dressing. Makes 4 servings.

Do You Know

Before our civilization had made any impression upon the natives of the North Pacific Coast, these original settlers maintained tribal and family pride.

They possessed an aristocracy—the noble families taking some kind of fish, bird or animal as their name or title, which also furnished a motif for their family crest; an idea not confined to the Pacific Coast alone. It has its counterpart in the Lion of Great Britain, the American eagle, the thistle of Scotland, the shamrock of Ireland and the arms of noble families. The practice can be traced indeed throughout all history, among the greatest empires and the most savage tribes.

Probably the most photographed totem pole in the world is the one standing in the center of the open square at the Canadian National Railways station at Jasper Village in Jasper National Park, Canadian Rockies.

The colorful Jasper pole was acquired from the Haida Indians from the Queen Charlotte Islands.

Broadway News

By Mrs. T. E. Thornhill
BROADWAY, June 4 — The community received showers Thursday afternoon and Friday in most places still not enough for planting. We are so hoping for plenty of rain before this week is up. No signs tell us that we shall but we are still hoping anyway.

Mrs. B. C. Cooper of Portales, N. Mex. visited Saturday night with the W. H. Leatherwoods. Bible School began at Pansy this Monday morning. This week the students and workers will be very busy.

James McClure of San Antonio came up early Saturday morning, in fact he got to the Hoyt McClure home in time for breakfast Saturday morning. Other visitors throughout the day Saturday were the other two sons and their families, Mr. and Mrs. Ronald McClure and children, Doug, Brenda and Rhonda, and Mrs. Duane McClure and girls, Terri and Rhetta.

Sunday all of the gang ate dinner with Mr. and Mrs. Ronald McClure and children.

Mr. and Mrs. Arvis Moore and children were Lubbock visitors Thursday last week.

Sunday dinner guests in the R. M. Spence home in Floydada were Mr. and Mrs. D. W. Newman, Dumas, Mr. and Mrs. Givens, A. L. Winegar and Georgia Ann, Mr. and Mrs. T. E. Thornhill, Robert Winegar and Tommy Thornhill were afternoon callers.

Miss Georgia Ann Winegar went home with the Newmans for several days visit.

Among those enjoying the Old Settlers Parade in Floydada, from our community Monday of last week were Mr. and Mrs. A. D. Whalen and Mrs. M. R. Givens.

Mr. and Mrs. Hoyt McClure attended the wedding ceremony Friday night in Floydada when Miss Ella Mae Caze became the bride of Jerry Gentry. She is a niece of Hoyt's.

Congratulations to Mr. and Mrs. George Brakebill who were married Friday night in the Methodist Church in Crosbyton. Mrs. Brakebill is the former Miss Sammie Starrett and is the daughter of Mr. and Mrs. L. R. Rainbolt Friday night of last week.

Harmony News

By Mrs. Mather Carr
HARMONY, June 4 — Mr. and Mrs. Marion Tucker, Mr. and Mrs. Marvin Smith and Mrs. Judy Miller and Mrs. Horace Carr visited Mr. and Mrs. Chloma Williams last Sunday night after church.

The dust and wind didn't keep lots of folks away from Old Settlers. This was about the worst or as bad a day as we have had this year. The Harmony 4-H Club won second on their float. We think this was good as the wind blew so hard you couldn't keep anything on the truck.

We enjoyed Judge Matthews talk very much and enjoyed meeting some of our old time friends. Mr. and Mrs. Bob Hopper, leaders of 4-H and Mr. and Mrs. Scott Zant decorated the float. It was pulled by Ronnie Hopper, 4-H member, and those riding were Nita Karen and Larry Scott, Junior and Donna Schulz and Bill Carr. Grandma, Mrs. Mather Carr, made the pictures. Mr. and Mrs. Hopper are wonderful leaders.

Mr. and Mrs. Charles Mather Carr, Lubbock, spent several days with the Wesley Carrs helping with the farm work.

Mr. and Mrs. Charles Mather Carr were host and hostess to a supper and 42 party Tuesday night in the home of Mr. and Mrs. Wesley Carr for Mr. and Mrs. Steve Trowbridge and daughters, Kelli and Kim.

Mrs. Wesley Carr and Mrs. Charles Mather Carr visited Mrs. Everett Miller Wednesday.

Mr. and Mrs. Bob Hopper and all the 4-H members thank everyone for their donation to their club. Mrs. Hopper said they really did appreciate it. They received all their quota and thanks again.

Mr. and Mrs. Gary Davis and son, from Ralls, had supper Friday night with Mr. and Mrs. Bruce Davis and children.

Mr. and Mrs. Monroe Schulz and Patsy visited in the Bruce Davis home Saturday night.

Nita Karen and Larry Scott attended the Vacation Bible School at the Baptist Church in Petersburg during the week. Mrs. Glenn Pool went for the children and carried them home. Their program was Sunday night for the Vacation Bible School.

Mr. and Mrs. Steve Trowbridge, Kelli and Kim visited Mrs. Mather Carr Saturday. They also took Mrs. Carr over to vote.

Mr. and Mrs. R. B. Gary had dinner Sunday with Mr. and Mrs. Elmer Williams. This was the Williams 29th wedding anniversary.

Mrs. Carrick Snodgrass was a visitor Sunday evening in the Horace Carr home.

Steven Fisher, Lubbock, and Mrs. Cecil Stanton visited Gentry Carr Saturday night.

C. M. and Anne Carr, Lubbock, were up again Saturday. C. M. was ill and could not work but was better Sunday and was going back to work. Charles Mather and Anne will attend Tech this summer.

Mr. and Mrs. Billie Dave Scott and children, from Missouri, came Tuesday for a visit with their parents and family. Billie Dave, and family will move to Stillwater, Okla. where Billie Dave will teach in the University in Stillwater.

Mr. and Mrs. Joyce Davis and Jeanie attended the program Sunday night in Cone of the Vacation Bible School at the Methodist Church of which Jeanie attended.

This Monday is Mr. Ramsey's 62nd birthday and the children, grandchildren and great grandchildren all visited him Sunday.

Mr. and Mrs. Joe Bill Barnard and children, Amarillo, spent Sunday with Mrs. Barnard's brother, Charlie Reid and family.

Mr. and Mrs. Charlie Reid and children moved into their new home Thursday. They are very proud of this new home and so are we for them. It is a three bedroom, modern home.

Thacker Gross and Miss Joan Meek visited Sunday with Thacker's brother, Allan and family.

Mr. and Mrs. Allan Gross and girls, Mr. and Mrs. Everett Miller visited with the Fred Gross family in Sand Hill. This was kind of a family reunion. Most of the Gross children were home to visit with Fred's brother, Floyd, and family from California. Allen Gross' sister, Mrs. Joe Fowler, of Silvertown, underwent major surgery this Monday in Methodist hospital, Lubbock.

Mr. and Mrs. W. C. (Dub) Trowbridge, Amarillo, spent the weekend in the Floyd Trowbridge home.

Linda and Beckie Webb, of Sweetwater, are spending the week with Donna Schulz.

Mr. and Mrs. Monroe Schulz and children had dinner Sunday with the A. D. Schappners in Lockney. Barbara Becker, Floydada, visited with Patsy Schulz and Pat Hasley spent Sunday night with Barbara Schulz. The Schulz children are attending vacation Bible School at the Baptist Church, Sand Hill, this week.

Mrs. Madge Johnson is reported home from the Plainview Hospital where she underwent surgery. She is said to be progressing nicely.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Lonely, gnarled, and neglected, but a thing of beauty, isn't it?

We know that trees are functional, that is, they hold the soil, the good earth, the rain. But more than that, each tree, in loneliness or forest, sings out the praises of its Creator, God.

Much more so, does man reflect the glory and image of God. He too then, must sing out the praise and honor to God, his Creator. There is a place for that worship and honor; it is your church. Whether lonely, solitary, or in crowds, He awaits you... to hear and to answer.

This inspirational message is offered for your consideration by the generosity of Public Spirited Individuals and Firms

Danner Elected President WTC At Annual Meeting

Needs for regional unity A year later he was named president of the West Texas Chamber of Commerce in a state-wide election today. Elected as Executive President at the annual meeting of the West Texas Chamber of Commerce in a state-wide election today. Elected as Executive President at the annual meeting of the West Texas Chamber of Commerce in a state-wide election today.

E. H. DANNER

"I believe that if you have lemons you make lemonade and don't try to make orange juice. In other words, use what you have at hand to the maximum before you go across the road to look for something else. We have grain, oil, gas, sheep, wool, cotton, space, climate, recreational areas and so forth - let's use them locally from the raw material to the finished product. We must realize that the population growth in Texas and some of our neighboring states is rapidly moving us up the scale as a market oriented economy, not just the producer of the raw materials."

"I believe the most important requirement for successful growth of a community, business, or an area, is the attitude of the people involved. We are in an era of rapid change, and I wonder if we are adjusting our thinking to such changes. The various segments of the economy in our area will become more interdependent, that is, having a much greater dependence on each other. This requires understanding, not misunderstanding, but it certainly does not preclude good honest disagreement. In other words, we'd better know a little bit about the problems, policies, and goals of businesses other than just our own."

"We need to work together to develop a fair, firm, and equitable social, business, educational, and political climate in our area. It should be such that our young people, desirous of self development, would be given that opportunity to the extent of their talents and to the degree that their energies would permit. In other words, within the area we serve there should be opportunities for young people to pursue the career of their choice and not find it necessary to go elsewhere."

"To me the word profit is not a nasty word. If it is considered only as an end unto itself, it does lose much of its useful flavor. If an operation is profitable, it pays wages, pays taxes, buys supplies, materials and equipment, contributes to the support of social service agencies, pays its shareowners, and on and on. Basically, the dollars of a profitable operation, as well as its manpower, supports the social, educational, cultural, spiritual, economic, and governmental life of the area in which it operates. Personally, I want everyone to have the opportunity to make a profit and I hope they do, for if they do, then I have the opportunity to work to get my share of their dollar, and to also make a profit. Of course, the opportunity to make a profit also carries "another side of the coin," the opportunity to fail. We must remember you cannot have one without the other."

"We, living in this West Texas area, have the ingredients. We have the opportunity, and now I wonder what kind of cake will we bake. This is not a ready-mix package with just the precise amount of each ingredient to which you only add water, mix, and bake. We will have a lot of cooks and each will think their recipe is the best; but, through the use of good judgment and self discipline, we can determine the proper amount of each ingredient to use and just how long it should be baked," Danner concluded.

Mr. and Mrs. Don Vickers have moved to Floydada for the summer months and Don is now working for Producers Elevator. The couple plans to return to Denton in September where Don is attending North Texas State.

Many Rural Accidents Not Reported In Floyd County

Captain E. L. Posey, Texas Highway Patrol in Lubbock, has stated that in Floyd County for the year 1961 there were 103 accidents reported. Of this number the Texas Highway Patrol investigated 37, or an investigation rate of 36 percent. The Highway Patrol investigates every accident that is notified or aware of. The Texas Highway Patrol made 21 arrests in these investigations, or an arrest rate of 57 percent. Other accidents that were reported and investigated by other sources were 30. Accidents that were reported and not investigated were 36, or 35 percent. The driver of a vehicle involved in an accident resulting in injury to or death of any person, or total property damage to any apparent extent of Twenty-five dollars (\$25) or more shall within ten days after such accident forward a written report of such accident to the Texas Department of Public Safety. Any person who shall fail to make such a report shall be guilty of a misdemeanor and upon conviction shall be punished. In order for the (3) E's, Education, Engineering and Enforcement to be carried out effectively, these accidents must be reported to the investigating authorities. By doing so, the traffic safety education officials can educate the citizens in proper safety defensive driving measures. The engineer will have the information necessary for designing roadways and streets in order to reduce road and street hazards. And the enforcement officials can take proper measures in enforcement action to those who were in violations.

Pioneer Church Leader Is Dead

Liff Sanders, 90 year old church leader and former resident of Lockney, died Friday in his Lubbock home. Rites were held Sunday in the Broadway Church of Christ in that city. Mr. Sanders, who pioneered the Church of Christ activities on the South Plains, had been ill for several years. He and his wife lived in Lockney in the 1890s where Mr. Sanders traveled by buggy to surrounding communities and towns to hold religious services. He and his late wife moved back to Lubbock from Lockney in 1903 where he organized and became the first minister of the

Does Ford Fairlane's "compact" price mean it's a compact car?

NO!!!

Rambler is a compact! The experts classify cars by wheelbase. Anything under 114-inch wheelbase is a compact. The biggest Rambler's wheelbase is only 108 inches!

Chevy II is a compact! Chevy II tries to sound like a middle-size car... but its wheelbase is only 110 inches!

Our Ford Fairlane is right between the compacts and the big cars - gives you compact price with big-car room and ride!

Fairlane's wheelbase is a full 115.5 inches. From bumper to bumper, Fairlane measures 197.6 inches... 14.6 inches longer than Chevy II... 7.6 inches longer than the longest Rambler. Fairlane is as roomy inside as most of the cars on the road today... and rides more smoothly than most. Yet it's a foot shorter... easier to park than the big cars... less gas-wasting bulk. Look at the facts, and you, too, will go Fairlane. Come size it up today.

Underground Water Level Map Published By HPUWCD

LUBBOCK — The High Plains Underground Water Conservation District has announced the publishing of a map which indicates the decline of the ground-water table in the southern High Plains for the 24-year period, 1938 to 1962.

The map is prepared in three colors, black, yellow and red. It uses the different colors to indicate various increments of the decline.

A total of five increments are shown — 10-40 feet, 40-60 feet, 60-80 feet and more than 100 feet of decline since 1938.

W. L. (Bill) Broadhurst, Chief Hydrologist for the High Plains Water District made the decline computations revealed by the color map. His computations were based on water-level measurements made by the U. S. Geological Survey, the Texas Water Commission and the High Plains Water District.

According to Broadhurst, a decline map such as the one just published can be used along with other data to determine, within reasonable limits, the amount of ground water depleted from the reservoir and the approximate amount of water remaining in storage.

"Percentage wise," Broadhurst states, "as an average for the 13 counties in the High Plains Water District, something on the order of 20 per cent of the ground water available to pumps in 1938 has been depleted. The percent of depletion for the counties in the District is: Armstrong, 32 per cent; Bailey, 13 per cent; Castro, 19 per cent; Cochran, 20 per cent; Deaf Smith, 18 per cent; Floyd, 22 per cent; Hockley, 30 per cent; Lamb, 15 per cent; Lubbock, 44 per cent; Lynn, 30 per cent; Parmour, 12 per cent; Potter, 33 per cent; and Randall, 20 per cent."

The map has been reproduced in the Water District's non-advertising monthly newspaper, "The Cross Section," and mailed to those persons on the circulation list.

For others, who do not receive "The Cross Section" but who would like a copy of the map, it will be made available free of charge upon request. Address map requests to: High Plains Water District, 1628-15th Street, Lubbock, Texas.

Come to church next Sunday. It is clouding up. We hope we'll get a good rain without wind or hail.

GET YOUR LICENSE — AUSTIN: With the beginning of the summer vacation period you may overlook the purchase of your fishing license. This can be costly, if found fishing without one. Licenses are required of all persons between the ages of 17 and 65 who fish with rods and reels, except on land they own or on which they reside, and of all who pole fish outside their home counties. The universal license of \$2.15 is good for either salt or fresh water fishing.

Anniversary To Be Observed By A. W. Schupperts

The children of Mr. and Mrs. Arnold W. Schuppert extend a cordial invitation to their friends to attend open house at 323 West Missouri St., on Sunday, June 10, between the hours of 2 until 5 p.m. The occasion will mark the couple's 25th Wedding Anniversary.

Mr. and Mrs. Schuppert were wed on June 12, 1937 in Milwaukee, Wis. She is the former Harriet Hayward. The couple have lived in Floydada since August, 1959.

Their children, Mrs. Glenn Spencer of Waco, and Roger, who is visiting there, will be unable to attend the celebration due to momentary expectation of a new arrival in the Spencer family. Another son, David of the home, will be with his parents for the occasion.

Assisting with the houseparty will be Mrs. Paul Fullerton, Mrs. Harry Morckel and Mrs. Starks Green.

MRS. CARROL PATTON
 (nee Miss Nita Stout)

Nita Stout And Carrol Patton Wedding Vows Exchanged

A white arch complimented by pink roses and greenery flanked by baskets of white gladioli and tiered candelabras bearing white lighted tapers formed the wedding scene Saturday afternoon in the Calvary Baptist Church for Miss Nita Stout and Carrol Patton. Pink bows marked the bridal aisle.

Parents of the couple are Mr. and Mrs. T. L. Stout and Mrs. Edna Patton, all of Floydada. The double-ring ceremony was performed by Rev. Vance Zinn, pastor of the church.

Sandra Moore furnished wedding selections and accompanied Elaine Anderson and Marjorie Dunavant as they sang, "I Love You Truly" and "Wither Thou Goest".

Miss Frances Summers served as maid of honor and Mrs. Bill Hart as matron of honor. Nieces of the bride, Connie and Pamela Graham of Floydada, were flower girls.

Feminine attendants were attired in pink pastel street length sheaths with long tapering sleeves and low cut necklines. Full overskirts of white nylon tulle were scuffed and accented with seed pearls. They complimented their ensembles with pearl tiaras and white slippers, and carried bouquets of white carnations.

The flower girls wore floor length gowns of white cotton with nylon pastel overskirts caught up at intervals with tiny rose buds, white short gloves and white pearlized tiaras. Each carried baskets of miniature roses embedded in pink satin and nylon net. They wore brief veils of white nylon tulle with a satin crown.

Given in marriage by her father the bride wore a floor length gown of white tulle and lace.

Ella Cage And Jerald Gentry Exchange Vows

The wedding of Ella Mae Cage, daughter of Mr. and Mrs. Morace R. Cage, and Jerald Wayne Gentry, son of Mr. and Mrs. Wesley W. Gentry, was solemnized Friday evening in the Calvary Baptist Church in Floydada.

Rev. Vance Zinn, pastor of the church, officiated at the double-ring ceremony, performed before sprays of greenery and gladioli, candelabras and a white kneeling bench. Rev. Zinn and Miss Wren Patterson sang, "Tell Me Why" followed by "The Lord's Prayer" sung by Miss Patterson and "Because" sung by Rev. Zinn. They were accompanied by Mrs. Duane McClure, cousin of the bride.

Miss Nelda McCarty of Lubbock, was maid of honor, and cousin of the bride, Nita Cage, Floydada, was her bridesmaid. Each were gowned identically in sheath dresses of soft blue linen complemented by orange tunics. A velvet bow held a headpiece of blue veiling. They carried bouquets of white carnations and blue net.

The bride was given in marriage by her father and wore a floor length gown of slipper satin. The molded bodice of charitably lace accented a scalloped neckline and petal point sleeves. A pearl tiara held her veil of silk illusion. Her ensemble was made by an aunt, Virginia Cage. She carried white roses centered with a single gardenia, all in crescent shape and carried on a white Bible, a wedding gift from an aunt.

Floyd Patterson of Amarillo served the groom as best man. Ushers were Jesse Holland of Gruver and Bill Igo of Morton. Tommy Gentry, brother of the groom, was groomsman.

A reception was held in a church parlor following the wedding. Mrs. Crafton Hay, Ft. Stockton, Tex., and Mrs. Harlan Cage, Floydada, presided at the table. Guests were registered by Miss Carolyn Breeding.

For her wedding trip to points in New Mexico the bride chose a two piece beige suit with matching accessories of deeper tones and white.

The couple will make their home at 5016 West 14th, Lubbock, where the bridegroom is employed at Bell Dairy as cashier. He is a graduate of Slaton High School and attended Texas Tech. His bride was in the graduating class of Floydada High school, 1962.

George Patton of Lubbock served his brother as best man. Candelights were brothers of the bride and groom, Paul Stout and Larry Patton of Floydada. Troy Stout of Plainview, also a brother to the bride, served as groomsman.

Following the wedding a reception was held in the church parlor. The table was laid with a lace cloth and centered with two white styrofoam hearts with the names Carrol and Nita printed in pink glitter. A white three tiered cake trimmed with pink roses and silver leaves and topped with a miniature bride and groom was served along with punch from milk glass appointments. The attendants' bouquet completed the setting.

For traveling the bride changed to a white cotton suit trimmed with gold buttons and completed her ensemble by wearing gold accessories and a shoulder corsage from her bridal bouquet.

The couple will make their home in Lubbock where the bridegroom is employed by Maynard Sheet Metal Co. Both will attend business school. Mrs. Patton attended schools at Silverton, and Amarillo and is a 1962 Floydada graduate. Her husband also completed his high school education in Floydada.

Her fingertip veil of silk illusion trimmed with rows of lace, was caught to a pearlized and lace tiara. She carried a colonial bridal bouquet of pink roses and streamers in which was tied a gold wedding band which came to the Stout family many years ago.

Mr. and Mrs. Charlie Warren and children visited in Andrews over the weekend with Mr. and Mrs. Bud Queen and family. They were accompanied to Andrews by Jerry Queen, who returned home after spending the past week in Floydada with friends and relatives.

Mrs. Maurice Steen and children of Midwest City, Okla., are in Floydada to spend some three weeks with her parents, Mr. and Mrs. Alva Sparks. Over the weekend other guests in the Sparks home was their son, Don of Canyon and Miss Ellen Erickson of Perryton.

Mrs. R. F. Hall and Mrs. Bessie Banks returned home the weekend of Old Settlers from Albuquerque, N. Mex., where they spent several days visiting Mrs. Hall's daughter, Mrs. Guy Shoemaker and family. The Shoemakers brought the two women home and remained for the weekend visiting.

Mr. and Mrs. Glad Lynn Norman spent a part of last week in Wichita Falls where they were houseguests of Mrs. Collins' parents, Mr. and Mrs. Shaffner. Mrs. Collins also was a member and Mrs. Glad Lynn Norman of a wedding party while there.

SOUND OFF

By Beth Pratt

WHAT DO YOU EXPECT?
 Headlines such as Billy Sol Estes is making are depressing to me for more than one reason. It is always disappointing to learn of someone's dishonesty whether it be on a large or small scale.

Another reaction is the disquieting thought that if this or that government official took a bribe, how many others are doing the same. The saddest part of the whole business is that the willingness to be dishonest begins in the home. Children hear their parents talk about cheating on income tax returns, padding expense accounts, and disobeying traffic regulations.

I have often been alarmed at the attitude of many that cheating in school work is permissible as long as one does not get caught. It is not a long step from the little dishonesties to the larger ones.

I do not mean to imply that all children who practice cheating or who grow up to become involved in a mess like Mr. Estes are taught these things by their parents. However, I am afraid that many times a laxness in values on the part of adults is responsible for the prevalent philosophy of "get what you can, while you can, however you can."

HEYDAY FOR MAGAZINES—Weren't the magazines in luck when Mr. Kennedy was elected President. Just think of all those brothers and sisters they can write feature articles about. I am sure that you have noticed that all the national magazine people have jumped on the bandwagon.

You would think that with such a large family plus an interesting and photogenic President's wife in the White House, plenty of material would be available without this coming article, "President Kennedy's Priests: What they say (and don't say) to the Chief Executive."

Dulany Award Given Kay Asher

Miss Mary Kay Asher, daughter of Mrs. Sam A. Spence and Mr. Spence of Floydada, is a winner in the 1962-63 Dulany Scholarship Competition at Christian College, two year college for women at Columbia, Mo. The announcement was made this week by William C. Bedford, dean of faculty.

Miss Asher will receive a \$500 award on the basis of her outstanding academic achievement and ability.

Under the Dulany Scholarship program at Christian five scholarships are awarded by the college to entering first year students who are in the top third of their high school classes. The awards are made in honor of the late W. H. Dulany, former trustee and benefactor of Christian College.

Miss Asher will begin her studies in September.

Mr. and Mrs. R. E. Young and Peggy were in Hollis, Okla., over the weekend where they attended the wedding anniversary of Mrs. Young's aunt and her husband, Mr. and Mrs. W. B. Keeton. Mrs. Young had a chance to visit with cousins she had not seen since childhood. Relatives were there from Illinois, California, Amarillo, Hereford, Floydada, and other towns in Texas and Oklahoma.

Mr. and Mrs. W. L. Hallmark and daughters of Lamesa spent the weekend in Floydada visiting Mrs. Floyd Ballard and other relatives.

Santa Fe Railway Declares Dividend

The Board of Directors of the Santa Fe Railway today declared a dividend (No. 127) of Twenty-five cents (25¢) per share on its preferred capital stock payable August 1, 1962, to stockholders of record at close of business June 29, 1962.

Rev. and Mrs. Floyd Bradley and children are visiting in Palestine with her parents and in Leonard, Tex., with his mother this week. They plan to return home by tomorrow.

The front porch was once the summer center of the home. But now it has even lost face with itself. Many porches have disappeared entirely; others are merely thresholds for the front door while their sometime glory has gone to backyard terraces and patios.

We went bellringing not long ago for a welfare agency in a long-settled part of town. There were eight front "stoops", about the size of a man's handkerchief; two carports serving as family entrances; two unsheltered porches used for easy access to the driveway; and only four that even faintly resembled the old-fashioned veranda. Of these, two still held trash blown in by a recent duststorm and the third was empty of anything, even memories.

A couple of generations ago, the front porch was a happy place in summer. During the day children played in the porch swing or walked around the banister until they were told to stop. Women sat and gossiped lightly as they watched passersby. And on a Sunday, when all the kin gathered to eat homemade ice cream, the men joined the women and children on the porch. In the evening, often with a soft moon lending mystery, the elders talked gently until bedtime, or until the young beaux and belles returned from a movie or dance. Then the shadowed porch provided sanctuary for a goodnight kiss.

Coffee Honors Doris Drysdale - Polly Edwards

Mrs. Doris Drysdale, Worthy Matron of the Order of Eastern Star, and Mrs. Polly Edwards, Junior Worthy Matron, were honored Saturday morning with a coffee in the home of Mrs. Cleo Goins.

Colors of pink, blue and white were used on the serving table along with blue napkins imprinted with the honorees' names. Winnie Dyson poured from a silver service.

The registering books were in the shape of a star containing the three colors in each point and a tiny gavel attached to the top point.

Gifts were presented from the chapter to Mrs. Drysdale and Mrs. Edwards.

Newspaper Yearbook Clinic For High Schools In August

LUBBOCK — A high school journalism coed from as far away as Pulaski, Wis., is one of 125 students who have indicated they will attend Texas Tech's High School Newspaper-Yearbook Photography workshop slated Aug. 12-16 on campus.

Prof. W. E. Garets, Tech journalism department head and workshop coordinator, said high school students from as far west as Grants, N. M., and as far east as Oklahoma City have pre-registered for the four-day session.

Advanced registration indicates this year's figure will surpass 172 of last year—the largest of the four workshops.

"Pre-registration is already ahead of last year at this time by 60," Garets said.

Purpose of the workshop is two-fold: to help high school students improve their newspaper and yearbook publication and to encourage interest in journalism as a career.

The West Texas High School Press Assn. is co-sponsor of the fifth annual workshop.

Garets will direct the newspaper sessions, while Ralph Selmeier, assistant professor of journalism at Tech, will direct the photography section. Phil Orman, director of student publications, will be in charge of the yearbook section.

BISHOP'S PHARMACY
DRIVE-IN WINDOW
A COMPLETE DRUG STORE ON THE HIGHWAY

High school writers with school paper experience will work on a special 20-page edition of the Torch, Tech campus newspaper, while beginning students will receive an intensive short course in news writing and editing.

"A session on high school newspaper and yearbook advertising has been implemented this year Garets said.

The photography section has been limited to 20 students and high school teachers who want to learn basic camera and photo-processing techniques.

The photo students will work with yearbook section students who will produce a 16-page publication utilizing yearbook-type photographs and layout. Taylor Publishing Co. of Dallas, publishers of Tech's La Ventana yearbook, and Intercollegiate Publishing Co. of Kansas City will assist in the workshop.

Information concerning the workshop is available by writing Garets, journalism department, Texas Tech, Lubbock.

Fairview News

By Mrs. Clyde Bagwell
FAIRVIEW, June 4 — Another month has rolled around. Now it is June, the month of weddings and most years thought of as the month for wheat harvest. However, so many folks finished their harvest in May this year. Some have not finished yet and a few out in our community have not even begun. Wheat has yielded more bushels per acre than most farmers expected after so much dry weather. Some have made as high as 21 bushels per acre average.

Harvest on some farms was stopped last Thursday afternoon by rain. Rain was spotted on the Bill Nichols farm on the extreme east side of the community, one and one half inches fell, over on

GIRL (with 7 moons) meets BOY (with chimp) . . . it's "Moon Pilot," a Walt Disney production starring Tom Tryon, Brien Keith and Edmond O'Brien and introducing Dany Saval; playing at the Capada Drive-In, Sunday and Monday, June 10 and 11.

the north side 80 hundredths of an inch of moisture was received. Then on the south side the rain was much lighter.

Mrs. Galen Holland, on the west side, reports they received one and one-half inches of rain and a high wind storm that did considerable damage. We only received about one half inch here in town.

Some of our folks report their row crop up and growing. Others have not planted yet. Our weather has been much cooler since the rain. Seems like fall after a very short summer.

Mrs. Galen Holland and Mrs. Tom Hopper made a trip to Lubbock Thursday.

Mr. and Mrs. Sid Brown, of Floydada and Mr. and Mrs. Alvin Nichols, of Cedar Hill, were Sunday dinner guests of Mr. and Mrs. A. S. Mize.

Mr. and Mrs. Clyde Bagwell visited Sunday afternoon with Mr. and Mrs. C. W. Denison.

Visitors in the home of Mr. and Mrs. Jim Stewart last Monday and Tuesday were Mr. and Mrs. W. O. Stewart, of Los Angeles, Calif., who were here both days. Then on Tuesday Mr. and Mrs. L. V. Cheves, of Amarillo, were down for the day. All of the above group went out to the cemetery Tuesday evening and placed flowers on the graves of Mr. and Mrs. G. A. Stewart, parents of Jim and Orville and Mrs. Cheves.

Mr. and Mrs. Jim Mallard and three children, of Post, came Saturday to spend a week in the home of her parents, Mr. and Mrs. Walton Wilson. Other Sunday visitors were Mr. and Mrs. Harvey Allen and Mike, of Floydada.

Mr. and Mrs. George Burgett who were visiting her parents at Post, came Friday and brought his mother, Mrs. Lee Burgett home. George and Millie stayed here until Sunday when they went to Ft. Worth to visit relatives.

Other visitors in the home of Mrs. Lee Burgett over the weekend were Mr. and Mrs. Merle Mercer and family, of Skellytown, Mr. and Mrs. Bill Burgett and family, of Shallowater and Mr. and Mrs. Carl Nelson and daughters, of Floydada.

Mrs. Carl Nelson accompanied Mr. and Mrs. George Burgett to Ft. Worth where she will meet her son, Troy Lee Johnson, and wife and the three will return to Floydada Tuesday.

Several of our children attended Bible School at First Baptist Church last week. Among the teachers and sponsors for the school were Mrs. T. L. Parry, Mrs. Lee Burton and Sharon Burton.

Mr. and Mrs. T. L. Perry and Jan and Mrs. J. T. Perry visited in Amarillo Sunday with Mr. and Mrs. S. W. Perry.

Sunday, May 27, Mr. and Mrs. Cecil Payne went to Muleshoe where they spent most of the day in the home of their son and family, Mr. and Mrs. James Truitt Payne. Later in the day they went to Clovis where they visited Cecil's mother and sister, Mr. W. W. Payne and Mrs. Pelham Graham.

The past weekend Mr. and Mrs. Cecil Payne went to Buffalo Lake where they were met by Mr. and Mrs. James Truitt Payne and family. All enjoyed an outing together.

Saturday night visitors in the home of Mr. and Mrs. Lyndal Carey were Mr. and Mrs. Ozell Chappell.

Sunday Mr. and Mrs. Lyndal Carey and Carolyn and Mrs. Roy Meek attended church at Calvary Baptist Church with Mrs. John Carey and Nancy. All had dinner at the home of Mrs. John Carey. In the afternoon Mr. and Mrs. Ollie Meek visited with all of the above group.

Visitors during the past week with Mrs. W. B. Wilson were Mr. and Mrs. A. J. Randolph, Mrs. Kenneth Penrod and daughter, of Lubbock, and Mrs. A. S. Mize.

Sunday Mrs. W. B. Wilson visited with Mrs. N. E. Savage in Floydada.

Lewis Dell Stapleton, of Plainview, spent Thursday night and Friday here visiting Jim Tye.

Mr. and Mrs. L. C. Pruitt and Mr. and Mrs. Weldon Pruitt attended the wedding Friday night at Slaton of Joe Bob Jones and Miss Linda Walker. Joe Bob is the nephew of Mrs. L. C. Pruitt. Little Greg Pruitt stayed with his grandmother, Mrs. Bill Tye while the others went to Slaton.

Bill Tye accompanied by Carick Hodgrass and Walter Hanna, went to Lake Stamford over the weekend fishing.

Mrs. Bill Tye and Jim visited Sunday in the homes of Mr. and Mrs. Weldon Pruitt and Mr. and Mrs. L. C. Pruitt. Other visitors in the L. C. Pruitt home were Mr. and Mrs. Virgil Jones and Mr. and Mrs. Roy Jones and children of Slaton.

Well, folks, we won't be calling you for awhile as we are leaving in the morning for Santa Ana, Calif. where I will visit my mother, Mrs. C. L. Joiner for several weeks. See you when I return home.

Floyd County 14 Years Ago

W. N. Jones, 80, of Floydada, resident of the county for 31 years, died in a Lubbock Hospital June 7, after an illness of seventeen days. During an active business career, he had served as director of the First National Bank, as well as numerous other business concerns in the community. At the time of his death his wife was hospitalized and unable to attend the funeral held in the First Baptist Church yesterday. Survivors include a daughter, Mrs. H. C. Mitchell, Waco, and a son, L. N. Jones of Floydada. Mr. and Mrs. Jones have two sons deceased.

Miss Geneva Richardson, bride elect of Harold Wayne Bennett, was honored with a bridal shower June 2 in the home of Mrs. L. T. Hickerson.

A background of woodwardia fern interwoven with white gladioli formed the wedding scene for the marriage of Miss Betty Leigh Roundtree and Randall Joe Rushing, Friday evening. The couple plan to make their home in Lubbock.

Mr. and Mrs. W. H. Henderson both arrived home from Wichita Falls Tuesday in an ambulance. Mrs. Henderson was there to be with her ill husband when she was stricken with appendicitis and had to have surgery. Both are reported doing well.

Mr. and Mrs. Hubert Frizzell are parents of a baby boy born at Lockney on Sunday morning. He was named Tony Lawton and weighed six pounds at birth.

Randolph Rutledge arrived home Wednesday from Tulane University in New Orleans, La., to spend the summer months with his parents, Mr. and Mrs. O. P. Rutledge.

Mr. and Mrs. Harold Gene Wright and Buddy Jean of Long Beach, Calif., have been here visiting the past week, guests of Mr. and Mrs. W. L. Fry and of Mrs. Lula Slaughter.

For the second week three Floydada citizens are reported ill. Fred Bell, is expected to be back on the mail route soon after suffering an injured back while loading his pickup. J. A. Jameson is reported to be showing a slight improvement after being seriously ill; and S. H. Horn is reported not doing so well after having a light stroke.

Mrs. Lon Davis Sr., broke her left hip in the family home in a fall last Thursday. She was taken to Lubbock Memorial Hospital and is said to be resting well.

Miss Margaret McKinney and Clyde Rogers were wed in Lubbock Sunday.

Hi-Plains Highlights

Initial Plans in preparation for the 3rd annual Flame Cultivation tours & demonstrations on August 10th at the High Plains Research Foundation were made recently by representatives of the Foundation, the Texas Butane Dealers Associations & manufacturers of flame cultivation equipment.

A full day of activities were planned at the meeting. A press conference for agricultural editors & reporters was scheduled at the Foundations new office building for Friday morning. The tours to view the research results on various crops were scheduled for 1:30 to 4:00 p. m. Exhibits and demonstrations of the latest equipment will be the last stop of the 6 scheduled tours.

A conference on weed control through flame & other results will conclude the afternoon program at Halfway. The group preparing for the tour included Ted J. Parks of Austin, Public Relations Director for the Texas Butane Dealers Association; Fred Garrison, Plainview Garrison Oil Co., District Director for the Texas Butane Dealers Association; Jodie Howard, Lubbock Western Tank & Steel and AFCCO; Bill Taylor, Jones Copeland, Bill Watson, B. Mr. and Mrs. Curtis Carlisle have returned home after a leisure vacation spent at Eagle Rock, Mo., and Eureka Springs, Ark. The Carlisle children spent the time away from home in Littlefield with their maternal grandparents, Mr. and Mrs. Leo Burton.

Adult Painting Workshop To Be Held At Lubbock

Of interest to artists throughout the South Plains region is the Adult Painting Workshop to be held in Lubbock June 11-23, with R. Jack Garver of Baltimore, Md., as guest instructor. The workshop, sponsored by the South Plains Art Guild, will offer instruction in both water color and oil painting for students in all stages of development. One night and four day-time sections are scheduled, with each group meeting for six 3-hour classes.

Mr. Garver is noted throughout the East as an outstanding painter and teacher of art. He is a graduate of Carnegie Tech and has had special art training in France and Mexico. He has exhibited with the American Watercolor Society and other professional groups. An exhibition of his paintings is currently on view at Lubbock Garden-Arts Center.

Workshop brochures and additional information may be obtained from the Center, SWIT 9-8313, 4215 College Avenue, Lubbock, where registrations are also being accepted.

THRIFTY TWO

Two of the best money saving appliances in the modern home — electric home freezer and the electric refrigerator can be had in one beautiful combination, the Refrigerator-Freezer. This modern appliance work for the homemaker round the clock as it makes food preparation and preservation a snap for the housewife.

Freezing of fresh vegetables, fruits, meats as well as prepared makes them readily available and once these foods are prepared on the table the saving is only half complete for the left-overs not in the first meal can go back to the refrigerator or back to the freezer they will be just as good for the next meal.

All these savings are possible through the use of dependable — cost electricity and are just another way you can "live better electrically."

You'll be surprised at how easy you can get up to \$3,500. Confidential. No Red Tape. Do-It-Yourself and save the cost of labor or hire the labor — whichever you prefer. Our plans cover the cost either way.

FROZEN FOOD

THE THRIFTY TWO
(Electric Refrigerator and Freezer) or Combination Refrigerator-Freezer
CAN WORK FOR YOU

... Yes the electric refrigerator and the electric freezer (or combination) can be the real thrifty two in your home.

Electricity is low in cost and high in dependability and in addition to these big advantages electric refrigerators and home freezers put the homemaker in a position to do bargain buying in greater quantity and use the "thrifty two" to preserve this food at its freshest.

With the cost of living what it is today the wise homemaker is missing a good bet if she is not-making use of the electric home freezer and refrigerator to save money on the family food budget . . . and at the same time the family can eat better.

This is just another example of how you can —

LIVE BETTER Electrically

FOR 2

■ One appliance — an electric combination refrigerator-freezer — does both jobs — freezing and refrigerating . . . for those who are without the space for two separate units. It's a most useable electric appliance, giving the homemaker immediate, convenient storage for frozen foods and providing adequate cooling space for non-frozen foods, too. This appliance disproves the old adage that you "can't have your cake and eat it, too." And, the new models with their efficient new insulation give you more space, in the same-size cabinet than many older models.

TEXAS — Crookedhole comes to \$3,442,000. Commission engineers plan to check more than 1,000 wells.

Humble Oil and Refining Company brought a civil suit against another group of oil operators. Humble says that the operators' crooked wells ended under an Humble lease and have been draining off Humble's oil.

SAFETY IN AGE — If you live to be 100, you'll be safe from death by accidents.

Statistics also reveal that there's something to what they say about Texas weather. Deaths were straight or in an accident in 1960.

freezing both were reported during the year.

Biggest killer for all age groups, except those under one and over 75, is the highway accident.

In the home, fire and explosion are the biggest killers. Falls are in third place.

Home ranks next to the highway as the scene of most accidental deaths.

MENTAL PATIENT CLINIC — Board for State Hospitals and Special Schools is expected to act within the next week or two whether to select a site in the Lower Rio Grande Valley or in the Beaumont area for an outpatient clinic for discharged mental patients.

Dr. C. J. Ruilman, state director of mental health and hospitals, said the Board already had chosen the Fort-Worth area for one of the two clinics authorized by the last Legislature.

"Second will be established in South Texas," he added. Sites are being considered at Beaumont and Brownsville-Harlingen.

Such clinics now are operating in Houston, San Antonio and Dallas.

PARK PATRONAGE GAINS — State Parks system is showing substantial gains in patronage as compared with last year.

Bill M. Collins, executive director for the Parks Board, said that increases in the number of visitors particularly were noticeable at Garner State Park in Southwest Texas, Lake Corpus Christi Park, Palo Duro Canyon Park in the Panhandle, Bentzen Park on the Rio Grande border, and Kerrville and Buescher parks.

Total visitors in April, latest figures available, were 681,871, compared with 590,133 in the same month a year ago.

DOVE HUNTING SEASON — Texas will have representatives at the national dove conference in Washington on June 26 when length and dates of the 1962 hunting seasons will be discussed.

H. D. Dodgen, executive secretary of the State Game and Fish Commission, reports the outlook favorable for a good dove crop in Texas — both mourning and whitewing doves.

VACATION READING STIMULATED — Fourth annual "Texas Reading Club" — designed to encourage an interest in reading among youngsters — during their summer vacation — is under way.

Sponsored by the Texas State Library and participating libraries in 89 cities and towns, the program enrolled more than 16,000 young people this year. Harold J. Marburger, director of rural library services, State Library, described the reading club as the largest of its kind in the nation.

Youths who read 12 books on their reading level before August 31 will receive a reading certificate signed by Marburger and

Dorman H. Winfrey, director and librarian, State Library.

In addition, all youngsters who enroll will receive a "reading log" to keep a record of books completed during the program.

Books in many instances are being furnished by the State Library through interlibrary loan, bookmobiles, multi-county regional libraries and through the loan of books as an extension service from the library field services.

TOLL ROAD — Only toll road in Texas — the Fort Worth-Dallas Turnpike — seems to be making its way.

The Turnpike grossed \$3,245,797 last year, with operating expenses of \$937,168. It put \$1,641,977 into the fund to pay interest on the \$58,500,000 it borrowed to build the road, and to build up its total reserves to nearly \$5,000,000.

The Fort Worth-Dallas Turnpike is the only place in Texas where it is legal to drive 70 miles per hour.

Legislature allowed the Turnpike Authority to raise the speed limit to that figure.

SMOKERS PAY — Cigarette smokers are chipping in more than \$7,000,000 a month to the State Treasury under the 8-cent sales tax on each package.

Treasurer Jesse James reported income from that source to be \$7,700,588 in May.

SCREW WORM CONTROL — Fight against the screw worm fly has been extended northward. Reason is because truck-hauled livestock, infested with screw worms, crossed the control line which was being maintained by aerial distribution of sterile male flies.

Texas Animal Health Commission meets on June 11 to adopt a regulation requiring inspection of livestock as they cross the control line, and spraying them to make sure they do not carry the costly worms into clear territory.

A new distribution point was established at Conroe after outbreaks of screw worms were reported in East Texas.

Program is a bold effort to control this \$40,000,000-a-year pest. It is financed by the federal and state governments and

by contributions from livestock owners. Most of the money is federal.

GOVERNOR'S APPOINTMENTS — Governor Price Daniel appointed former Atty. Gen. John Ben Shepperd of Odessa to the Texas Industrial Commission to replace Robert L. Haynsworth of El Paso, who resigned. Commission has the job of attracting industry to Texas.

Governor Daniel moved Dr. Harvey Renger of Hallettsville to the board of directors of Texas A & I at Kingsville to the board of Texas Southern University at Houston. He named to the A & I board C. C. Winn, San Antonio; Leo Weider, Victoria; and Lewis Maples, Kingsville.

Hoyt Johnson, Palestine attorney, was named to the board of managers of the Texas State Railroad.

Carl Phinney of Dallas was put on the State Securities Board.

BUSINESS PICKUP — Texas business activity improved in April by failing to lose ground as it had in February and March.

Bureau of Business Research at the University of Texas read its business barometers and concluded that April business was at 128.2 per cent of the 1957-59 average, up 17 per cent over April of 1961. Strength in the sales of automobiles was a major factor in the leveling off from the all-time high reached in January with an index of 132.9 per cent.
