School Board Hears Report Of Bond Man

The Floydada Independent School District Board of Education met on Tuesday night in regular monthly session. Superintendent A. E. Baker presented C. R. Hendricks of Fort Worth to board members to review the school's bonded debt situation.

Hendricks has handled every bond issue of the Floydada school for more than 20 years and the board members had requested his opinions for a study of bonds and possible building plans to take care of the overcrowded classroom and cafeteria situation at Andrews Ward.

Hendricks report showed the district has approximately \$950,250.00 at present in outstanding bonds. District valuations are nearly \$15,000,000.00.

Under Senate Bill 116 that the district voted in 1960 the school could go as high as 10 percent of their valuations or could issue as many as \$95,000.00 in additional new bonds.

The district now has a tax rate of \$1.85. Of this \$1.50 is for maintenance and 35c for debt service. With the maximum bonded debt the district would have to pay 65c and thus reduce income for maintenance to \$1.20 a figure that would be too low since the \$1.50 is barely getting the job done now.

The district could issue about \$140,000 in bonds without changing the valuations or the present tax rates according to Hendricks report. The bond man told board members that the bonds in any amount up to the half-million figure would find a good market.

PLAN BIG DEMOCRATIC RALLY — Mrs. J. H. Barnard and Elmer Thornton at left in picture meet with Mrs. Wyle Bullock and Glenn Batson to plan Democratic political rally. Mrs. Bullock and Batson are members of the Democratic State Executive Committee from the 30th Senatorial District and Mrs. Barnard and Thornton head up the ticket sales committee from Floyd County. The event is scheduled for Tulia on Tuesday night, October 23. The rally will feature a \$5.00 per plate dinner and political speeches by leading Democratic candidates. See related story on this page.

Democrats Plan Supper, Political Rally At Tulia Tuesday, Oct. 23

Democrats from eight counties be called on for political speeches of the Texas 30th Senatorial District were present in Floydada, District Attorney John B. Stapleton on Monday night to lay plans for a big Democratic rally. Some Master of Ceremonies and forty persons were in attendance. In Floyd County Mrs. J. H. Barnard and Elmer Thornton and Mrs. Wyle Bullock were named as chairmen for the coming election campaign. Batson is committee-man and Mrs. Bullock is co-mittewoman for the 30th district. Among those in attendance at the Monday night meeting at the county court room in Floydada were: Elmer Thornton, Lockney, Mr. and Mrs. Wyle Bullock and Mrs. Freeman Davis, Lazabudie, Chip Elliott, Plainview, Billy D. Harmon, Charlie Duval, Jerry Sanders, H. L. Fisher, Glenn Batson, Littlefield; Mr. and Mrs. J. A. Ballard, O. E. Bevers, Clyde Fowler, Zip Darrett, Hall County, Ben Whitfill, Briscoe County, J. C. Eining, Hall County; Mr. and Mrs. E. W. Johnson, Ida Callum; Mr. and Mrs. Buren Cates left Lubbock Friday morning by Braniff Airlines, enroute to Dallas and from there to New York where they planned Monday for a European tour. The Floydada couple are due back in the states on the 2nd of November. During the tour they will see London, Brussels, Bad Ems, Heidelberg, Lucern, Innsbruck, Venice, Florence, Rome, San Remo, Mimos, Perpignan, Barcelona, Valencia, Madrid, Vittoria, Angouleme, and Paris.

'Winds Play Host to Post Antelopes Friday Night

The Floydada Whirlwinds will play host this week to the Post Antelopes in a game scheduled to begin at 8:00 p. m. on Friday night, October 5. The Post game will bring the 1962 football season to the halfway point, leaving five more games to go, two at home and three away.

The Friday night encounter will be followed by a trip to Dimmitt and then the District 2A battles will get underway and the job of naming a district champion in what shapes up as the best balanced loop in this part of the state.

With continued good weather the Floydada - Post contest should draw a big crowd to Wester Field. The Antelopes of Post are making a comeback this year and are gaining much respect from their opponents with their aggressive play. Post thus far has knocked off Ralls and Morton in good fashion and dropped games to Plains and Abernathy.

Coach Harold Teal has a big herd of Antelopes this year. His roster lists 32 on the traveling team and the Post school brought about that same number here two weeks ago for a B game. Teal likes the wide open pro type offense with lots of wide runs and passes mixed with jabs at the line. Scouts say the Antelopes have good team speed, they hit quick and like to carry the fish. The team has pretty fair weight, but is not as heavy as some the 'Winds have faced to date.

The Antelope backfield averages 152 pounds per man with the heaviest listed at 170. The line averages 168 with the heaviest man a 230 pound tackle (see football spread for starting line-ups).

Coach Bill Curry reported on Wednesday afternoon that most of his team members would be in good condition and ready for the Post clash. Butch Gilliland was suffering from a bruised hip and some other team members.

Quarterback Club Meet On Monday

The Whirlwind Quarterback Club will hold regular meeting on Monday night, October 8. Meeting time has been moved up to 7:30 p. m. according to club president Preston Watson.

The gathering will be at the high school cafeteria. Coffee and cake will be served and films of the Childrens and Post games will be shown. All interested Whirlwind football fans are invited to be present. Scouting reports on the Dimmitt team will be given.

Mary I. Bolding County Pioneer Dies Of Stroke

Mrs. Mary Ida Bolding, long time resident of Floyd County, died Saturday night in the Holyday Hill Rest Home in Coleman where she had been the past month. Mrs. Bolding had been a patient in Peoples Hospital here for several weeks after suffering a stroke and she and her husband, D. I. had been making their home at Coleman to be near a daughter.

Funerary rites were held Monday afternoon in the First Baptist Church where the deceased was a member. Rev. Floyd C. Bradley officiated and was assisted by Rev. J. T. Bolding of Lubbock. Burial was in Floydada cemetery under the direction of Harmon Funeral Home.

Mrs. Bolding had made her home in Floyd County since 1915. She had been an active church worker and true pioneer until slowed by ill health.

Survivors include her husband; two daughters, Mrs. Zelona C. Melton, Coleman, and Mrs. Edna Edelman of Muleshoe; one son, D. I. Bolding, Jr., of Houston and three grandchildren.

Active pallbearers were Herschel Hammonds, W. K. Birchfield, L. B. Stewart Jr., Victor Green, Charlie Colom, and Anthony Latta. Honorary pallbearers were Joe Burgett, Fred Lambert, L. G. Withers, Clay Muncy, J. D. Cantrell, Willi B. Eakin, Walter Sims and Neely Richardson.

New Auto Parade Continues Today

The parade of new 1963 autos continues this week with Pontiac, Buick, Mercury and Oldsmobiles going on display today. Rambler goes on display Friday (tomorrow) with Dodge cars showing earlier this week. Last week Ford and Chevrolet got the ball rolling with their new cars shows of 63. At least two local firms, City Auto Co., and Cline and Rainer are serving free coffee and doughnuts today at their shows. Odens had their refreshment party with the Chevrolet show last Friday, as did Reed Ford Sales. Stories and advertisement of the new cars showing may be seen on inside pages of the Hesperian.

Cancer Crusade Award Goes To Floyd - Brisco Counties

Alma Holmes of Floydada, District programs during the past year and the status of the entire E. (Left) Ross of Quanah were given by M. K. Wilcoxson of Childress, District Director. Kicking off the 1962 - 63 program, Elmo Osborne, Texas District Three-South at their annual vision Director of Crusade, gave a resume of state goals for 1962-63 as especially related to the work in each county. Characteristics of successful volunteers, as individual workers, as county board members, and on the district and state levels were "profiled" by Gertrude Linn, Director of Education and Service for the Texas Division. Mrs. Lane Decker, 1962 Crusade Chairman for Floyd County, was present to receive the five year award from Dr. Carl F. Page, outgoing district director. Floyd County's goal this year was \$1,700 and workers collected \$3,576.53. Mrs. Frances Bass of Plainview presided over the morning session. The welcome was a decision on taking of Type III exceeded Crusade quota for five or more consecutive years. Re- and the invocation by the Rev. Charles E. Lutrick. Mrs. Decker was registration chairman and Mrs. Sammy Hale to be filled out by those planning Representatives of each county reported on their cancer conference.

Polio S O V Type II Rescheduled

The Polio Sabine Oral Vaccine, Type II, for persons in Floyd County has been re-scheduled for Oct. 13, according to Sammy Hale, of Floydada Lion's Club, who are sponsoring the program. Dr. Jack Jordan, County health officer, said this week that persons previously taking the first dose of Type I are expected to wait six weeks before Type II is taken. With so many in the county having to take their first dosage at a make-up date later, he felt another week should elapse before taking of the Type II.

Type II has been cleared by the AMA and Texas Department of Health, Dr. Jordan related. A decision on taking of Type III will come later, Hale said. Hours for taking of the vaccine ceiving the awards were Briscoe County and Floyd County, five Hesperian as will a vaccine blank year.

School Prayers Not Prohibited

Prayers in the public schools of Floyd County and throughout the State of Texas and the United States are not prohibited by the recent Supreme Court ruling. This is the opinion expressed by State Attorney General Will Wilson on a request from J. W. Edgar, of the Texas Commission of Education.

It seems the court does not object to the prayers of students or the reading of Bible verses so long as the prayers are those of the student and are not prescribed by the school or any political sub-division. Thus a heart-felt prayer of a student may be given now as always, but not a prayer that is prepared by another for a student who would prefer to express his own feelings.

Type I & II Vaccines Okeyed

In word from Austin the Texas Medical Association has joined with the State Health Department in urging community-wide oral polio vaccine programs. These two groups state that type I and II SOV are fully licensed and effective for infants and children.

The report further states that more than 70 percent of the paralytic polio cases in Texas through September 15 of this year were among persons who had not received the earlier Salk vaccination.

Floyd County had the commun-

ity wide SOV type one vaccine in late August and is expected to follow through with the second round during this month some time.

Democrats Like a Farm Program

With high protective tariffs on all manufactured goods, government price floors under labor and many services it seems that most Democrats feel that the farmer too should have some type of protection if he is to survive.

Floyd County wheat farmers voted 155 to 84 favoring wheat marketing quotas recently. Though this was not two-thirds majority it was a big majority and the program did get 69 percent of the vote nationally to become the law of the land.

The compromise farm bill that was passed by Congress late in September may not be an ideal one, but most people feel that it is much better than having no bill at all, especially with farmers facing rising costs on almost every manufactured item they must buy.

The fact that there is a farm bill at all can be credited to the Democratic Party. Republican senators voted against the measure solidly, 34 voted no and the other two were absent at the time.

Federal controls are distasteful to a lot of people and there are a good number of farmers who feel that they can solve their own problems. Perhaps they can solve these problems without a farm program and without crop controls and support prices. I hope that when the time comes to try this that manufacturers of the north east also will be tired of tariffs on imports so that if the farmer must sell on the world market he can also buy there. The tariffs have been in effect for many more years than there has been any farm program and we have heard little complaint from labor or big business about what this item is costing the American citizen.

I do not know what cotton is worth at present on the world market, but if it is much below the present loan price I cannot see how growers would be in a position to buy many automobiles, tractors, or any other manufactured goods at present day prices, and ditto for milk.

The Wide-Track Pontiac for 1963 will be shown today at City Auto Service in Floydada. The new 1963 Pontiac features a full line of trophy V-8's with self-adjusting brakes, a clean profile and over and under headlights. A 24 month or 24,000 mile (whichever comes first) warranty is also offered this year. For those attending the new car showing, coffee and doughnuts will be served all day Thursday and Friday.

HOMEMAKING HINTS

By Phyllis Roggendorf, County Home Demonstration Agent and Bula Moudy, Home Demonstration Agent in Training.

President John F. Kennedy has proclaimed October 7-13 as National Fire Prevention Week. All citizens are asked to join in promoting fire prevention and control efforts in their own community.

Most fires in the home are caused by carelessness — by such thoughtless acts as tossing away a lighted match or cigarette, letting rubbish accumulate, overloading electric wiring, leaving little children home alone or various other things.

Because matches-smoking account for close to 25 per cent of all fires of known origin, their real and potential danger cannot be emphasized often enough. In the home, the smoldering cigarette, magazines and papers, discarded

furniture, old rags and the like that so often accumulate in your attic, basement, closets or garage. Those things make it easy for a fire to get started, and spread once it is under way.

One out of five fires of known causes is of electrical origin. Electric circuits are designed to carry certain loads. The blowing of a fuse is a danger signal. It means the circuit is overloaded or defective. The use of a fuse of larger amperage than that for which the circuit was designed destroys this protective feature. An overload of current may heat the wiring enough to start a fire. Check your fuse boxes. Be sure the fuses are of the right amperage for your circuits; usually 15 amperes for lighting and small appliance circuits. A proper size fuse is a "safety valve" — don't tamper with it.

Many things in your home can provide the fuel that fire feeds on. One of the most common is plain, ordinary clutter: stacks of magazines and papers, discarded

Clean them out, and you will have a safer home.

If despite all your efforts to prevent it, fire does strike, do these two things immediately: get everybody out of the house and call the fire department. But before such an emergency arises, prepare yourself to meet it. Many persons, apparently trapped, have managed to save their lives because they understood what to do in case of fire.

Figure out two possible routes to the ground from every room in the house, especially the bedrooms. Hold actual fire drills, until every member of the family knows just what to do.

Post the number of the fire department near your phone.

Remember this important rule — it can save your life: If you smell smoke, do not rush out into the hallway. First make this little test. Place the palm of your hand against the door. If the door feels hot, that hallway is already filled with deadly, heated gases. Keep the door closed! Either use another escape route, or wait at a window for rescue. Arouse people by shouting. If there is a telephone in the room, use it to call in an alarm immediately. If the door does not feel hot, open it slightly. Turn your head

Baptist Revival Being Conducted By Dr. Sumrall

Attendance for the revival underway at the First Baptist Church has been gratifying according to Rev. Floyd Bradley, pastor of the church. The evangelist is Dr. D. D. Sumrall, who is well known in this area.

Dr. Sumrall is presently serving as pastor of the Baptist Church in Dallas, Texas, and formerly served with the General Department for the Southern Baptist Convention as one of the Baptist preachers.

Rev. Revis McGraw, of music and education at the local church, is directing the revival.

Noon meals are being served at the church, in charge of Effie Foster, chairman of the hospitality committee. Refreshments are being served at 4 p. m. Friday. The girls will model their outfits at the State Fair Saturday morning at 10:00 and 11:00.

Dr. W. M. Rompage, formerly of the State 4-H Dress Revue is in the home of Mrs. Troy Leonard here.

Center News

By Mrs. J. E. Green

CENTER, October 1 — Today is beautiful but mornings have a tang of autumn in the air. It is harvest time, canning time and chow chow time, a nice time of year. The showers the first of week freshened things up too.

There was good attendance at the churches Sunday. One hundred and twenty at Sunday School at Calvary Baptist. Brother Zimm who had flu last week was able to be in the pulpit as usual Sunday.

Mr. and Mrs. C. W. Denison visited in Lubbock the last of the week with their son, Gilmer and family and with other relatives there.

Mr. and Mrs. H. B. Mankins returned home Friday from Amarillo where they had spent several days with their daughter, Mrs. Grady McAda and with Mr. McAda when he was not away on business.

The Mankins visited the J. E. Greens Saturday morning and dined with the R. C. Ross' Sunday.

Mr. and Mrs. Frank Dunn visited the Mankins Sunday evening and the Ross' Monday evening. Gene Smith and Jack Fugua visited Bruce and Phil Horton during the weekend.

Mrs. Leo Frizzell spent the weekend at South Plains with her daughter, Mrs. Garvin Beedy and girls while their men folks. Mr. Frizzell, Garvin and Larry made a business trip to Colorado.

Mr. and Mrs. Frizzell went to Lubbock Monday and Mrs. Frizzell visited Mrs. F. M. Price Tuesday in a Lockney hospital. Mrs. Price seems doing as well as usual.

Mr. and Mrs. Doyle Sandifur and his sister, Mrs. Gaynell Fuston and son, Bobby, of McCoy went to Paducah Sunday afternoon.

The Sandifurs visited Sunday evening with his parents, the B. L. Sandifurs and the Fustons Sunday evening.

Mr. and Mrs. O. C. Vinson returned home last Tuesday from Frisco where they went the day before to attend funeral services for an aunt. They visited Saturday with their son, Jerrold, and family in the Harmony Community and Sunday attended the district Fifth Sunday Singing in Plainview at the First Assembly of God Church.

The J. E. Greens visited Mr. and Mrs. R. H. Ashton while one afternoon last week.

J. E. Green received a call from Del Rio last Tuesday night stating that his brother, Tom J. Green had passed away that afternoon. The J. E. Greens, who had visited his brother and wife in their home in Del Rio in August were not able to attend last rites which were held Friday afternoon in the First Baptist Church in Del Rio.

Mr. and Mrs. Vic Green and boys, of Plainview and Mr. and Mrs. Anthony Latta and children, of Mt. Blanco, visited the J. E. Greens briefly Sunday afternoon. Later they all and the Greens visited in the D. I. Bolding home.

Supper, Tacky Party Held By Church Women

The home of Mrs. J. T. Myrick at Sand Hill was the scene Monday night of a tacky party for the women of the City Park Church of Christ.

Those present were Lorilla Bradley, Annabel Bramlet, Oleta Cardinal, Edith Mavis, Betty Baker, Zeola Black, Gladys Cross, Beth Ewing, Jean Field, Pearl Field, Eunice Gregory, Anne Hackett, Hazel Hackett, Mary Hale, Hattie Baker, Ann Hodges, Vernola Hanna, Jessie Les, Sibyl March, Frances McKinnis, Ruby Orman, Alma Ogden, Jean Parks, Claudia Porter, Cynthia Patterson, Donna Reed, Phyllis Rogendorf, Ethel Sawyer, Troye Stansell, Shirley Teague, Valerie Vick, Joyce Warriner, Womaek and Mrs. Myrick.

In addition to outstanding mode of apparel each finalist was asked to display her talent and answer a question drawn at random. The judges, Alma Holmes, Hazel Hackett, Edith Marr and Valerie Vick had a difficult time in making a final decision and with the audience applause selected two "Miss Tackies of 1962" honors were shared by Lorilla Bradley and Frances McKinnis. Mrs. Bradley modeled a chiffon street length dress purchased from a Mrs. Welch at Miladies Shop in Floydada in 1953. Her accessories were black suede platform shoes with red anklets, earrings of multi-colored wooden beads complimenting the orchid floral print of the dress. Her hat was a white covered hat form deuce, Valerie Vick, Joyce Warriner, Womaek and Mrs. Myrick. Needless to say the model was Outstanding styles were model-difficult to recognize as she made

her entrance. Mrs. McKinnis, in contrast, was decked out in a red satin flapper dress of the 1920s. Orange socks and red shoes added a touch of chic to her costume. A flapper hair band completed her ensemble. Winners were crowned following the contest. Other participants displayed originality in dress and hair arrangements and a good time was had by all.

Two members of the local fire department, Billy Joe Baker and Bobby Giles are displaying a fire tower to Mayor S. W. Ross as he was being shown about the fire fighting ground last week. The tower carries a sign painted and installed by the fire boys who also erected the tower. Its location is southwest of town and west of the city dump where all spare time of the fire boys was used completing the project. Ground excavation pits will soon be ready which the department plans to use in practicing extinguishing of oil and gas fires. An old vehicle will also be on display for the same purpose. As soon as fencing is installed the public will be invited to come out and watch the fire practice, according to Baker who is fire marshal. The department extends their thanks to all who have contributed their work and cash donations to make it possible for new fire fighting equipment and material to erect the practice set-up.

Medical Student - Miss Wool Do The Texas Twist

In a recent interview in New York pretty and polite Miss Wool of it is, she says, they "can do the Texas Twist together." Never heard of the Texas Twist? It's like other twists the Yankees and said the basic difference between Northern and Southern boys is muscle and What this article from the New York paper didn't print and we tanner with shorter hair and more are sure Miss Barre didn't give muscle because they get out a hint as to the name of her doors so much Northern boys Texas Twist medical partner, wear their hair long with side- was that he was from Floydada burns, but they're awfully nice, and none other than Jack H. just pre-occupied sometimes, and Henry, son of Mr. and Mrs. W.B.

MEMBERS OF TOPS TO BE MEASURED

TOPS Club met last Thursday at the home of Mrs. Porter Wylly. Refreshments were served with small favors and if a member present had a loss in weight she received a top, and those that had gained weight received a small china pig. Mrs. W. J. Wilks was pinned with a Tops pin and received the kitty for losing the most weight for the month. Club members will be measured by Mrs. T. W. Richards at the meeting tonight at Production Credit building.

Berry Installed on Scottish Rite Board of Directors

Charley Berry of Floydada, was among those installed Tuesday night of last week as a member of the board of directors of the Central Plains Scottish Rite Association in Plainview. The installation and obligatory meeting also included supper served by the Plainview Rainbow Girls. Marshall Formby of Plainview, was speaker for the evening.

Early spring is a good time to seed grass. It's very important not to seed too deep, so, if seeding with a row crop, the best plan is to seed the crop first, opposite direction of the crop rows, and half an inch deep.

An hour's factory labor in 1959 would buy 2.1 pounds of round steak, compared to 1.8 pounds in 1909 or 1.2 pounds in 1929, according to the U. S. Department of Agriculture.

Two new uses for nuclear radiation — determining the density of sediment in water and locating and measuring moisture in soil — have been adopted by U. S. Department of Agriculture scientists.

Sand Hill News
 By Mrs. James Jeffress
 SAND HILL, October 1 - Feels like winter is just around the corner. Seems the norther blew in Sunday. The harvest has been at a stand still since the rain. Many are hoping to get combines rolling again this week. Some are talking about defoliating cotton but most everyone thinks it is still too early. The late cotton needs more warm weather and sunshine.
 The Sand Hill 4-H Club will meet Monday, October 8, at 7:30 p. m. Hosts will be Kenny Bloys and Kelly Becker. The program will be "Music Fun". All 4-H members are urged to be present.
 The WMU of the Sand Hill Baptist Church met Thursday in an all day meeting to observe the Week of Prayer. A very interesting program was presented. Mrs. Jimmy McGuire, the president, was in charge of the program. Dinner was served at the church at noon. Those attending were Mmes. M. B. Swanner, Kirk Slater, Tom Pierce, Jim McGuire, Doyle Miller, Jerry Patterson and Mrs. Carl Turner. All members are urged to attend.
 Mr. and Mrs. Dale Stringer and Mr. and Mrs. T. C. Hollums and Norma visited in the home family spent several days in the home of Mr. and Mrs. Fred Jackson Kansas visiting relatives. They returned home Saturday.
 Dinner guests in the home of Mr. and Mrs. Gene Bloys and Beverly, Jim and Tim Jeffress were supper guests in the home of Mr. and Mrs. James and Johnny McGuire and Mary Jeffress and family last Saturday night.
 Norma Hollums spent the weekend in Lubbock visiting in the home of her brother, Mr. and Mrs. Keith Hollums.
 Home coming for the Sand Hill Baptist Church is just around the corner. Home coming is observed every year at the church on the first Sunday in November. Brother E. O. Adams, of the Las Cruces, N. Mex. will be the morning speaker. He is a former pastor of the church. Other plans are not completed at this time. Those on the home coming committee are Mr. and Mrs. James Jeffress and Dale Stringer.
 Congratulations to Mr. and Mrs. W. R. Billington on the arrival of a great grandson who arrived Friday morning. He is the new son of Mr. and Mrs. James Butcher, of Silverton. The mother is the former Betty Yandell, of Plainview, grand-daughter of the Billingtons. The young man has been named James Randall and arrived at the Tulia Hospital. He has one sister a year old. Carmon has been staying with her great grandparents this week while her mother is in the hospital.
 Sunday dinner guests in the home of Beverly Pierce were Elaine Starkey and Judy Turner. Stanley Pierce was the Sunday dinner guest in the home of Terry Turner.
 The Sand Hill Community meeting will be Thursday night, October 12, at the community center.
 Mr. and Mrs. B. W. Snell and family of Lubbock were here Sunday visiting her father, J. J. McKinney, his parents, Mr. and Mrs. Will Snell and other relatives.
 The new church year begins next Sunday with all new teachers beginning their new year. All teachers old and new are urged to be present. This will also be promotion day at the church. Let's all plan to be present and start our new year off with a large attendance. The church had sixty four present in Sunday Messengers to the Association-18 were elected Sunday night. They will be Mr. and Mrs. M. Miller and Mrs. Jimmy McGuire. Alternates will be Mr. and Mrs. Dale Stringer and Brother Jimmy McGuire.

William Sanders Succumbs After Lengthy Illness

William M. Sanders, 81-year-old retired farmer of Floyd County, succumbed Tuesday night at 11:20 in Peoples Hospital, after a lengthy illness. He had been a patient there for the past ten weeks.

Funeral rites were held yesterday afternoon in the First Baptist Church with Rev. Floyd C. Bradley, officiating, assisted by Rev. Charles Lutrick of the Methodist Church and Henry Ewing, City Park Church of Christ. Harmon Funeral Home was in charge of arrangements.

A second service will be conducted this afternoon in Springtown, Tex., with burial there.

Pallbearers were J. C. Bullard, Hubert Davis, A. J. Holster, Ott Glassmoyer, Mark Martin and A. T. Hull.

Mr. Sanders was a native of Texas and moved to Floyd County in 1922. He farmed until his health failed, at which time he retired. He and the former Cubie Draper were married 60 years in August.

Survivors in addition to his wife include two sons, Otto Sanders of Floydada and O. Reynolds Sanders of Hereford; one daughter, Mrs. Benne Leibfried of Floydada; seven grandchildren and seven great grandchildren.

Also surviving are five sisters and one brother: Mrs. R. L. Pierce of Floydada, Mrs. J. W. Beavers, Forrest, N. Mex.; Mrs. T. F. Welch of Reno, Tex.; Mrs. Oscar Hinkle, Springtown, Mrs. Raymond Murr, Azle and Leroy Sanders of Fort Worth.

One Hurt -- Cars Heavily Damaged In Sunday Crash

Mrs. R. H. Smith of Floydada was hospitalized Sunday following a two-car collision at the intersection of Highway 70 and Second Street.

Mrs. Smith was taken to Peoples Hospital for treatment of injured ribs, a cut hand and a head bruise. She is said to be resting comfortably at this time.

The woman was a passenger in the 1955 Chevrolet driven by Mrs. Prudence Dade, who was bruised and shaken up but otherwise uninjured. The two had been to church and were returning home at the time of the accident.

Mrs. Wall was driving her car south on Second and said she had stopped at the highway sign to let an approaching car by, then proceeded across the highway.

Her vehicle was struck broadside by a 1963 Chevrolet Impala sports coupe headed east on the highway and being driven by Cecil Jackson of the Sand Hill community. Cecil, a senior in Floydada High School, and son of Mr. and Mrs. Fred Jackson, had just purchased his new car Saturday. He escaped without injuries.

The wall car was totaled out and damages to the Jackson car will probably amount to \$700, according to the approximate guess of garage mechanics.

Floyd County HD Council Meet In Regular Session

The Floyd County Home Demonstration Council met in regular session last Friday afternoon with eight clubs represented, three officers, 14 members, the H.D. agent, Phyllis Roggenhoff and training agent, Bula Moudy present.

Council chairman, Mrs. G. W. Smith presided and committee reports were heard. The standing committee Yearbook report was given by Mrs. Earl Edwards; Consumer Education, Mrs. Tom Pierce; Education Expansion exhibit, Mrs. W. D. Nance; 4-H report, Mrs. Bob Hopper; finance report, Mrs. Bob Clinton; Deming, Mrs. Dennine also reminded each club of the rummage sale on Oct. 6, held by the Demonstration clubs.

The annual report was given by Miss Roggenhoff, and she announced that each club should affect their new officers before Oct. 15 in order for them to be in the new Yearbook. She also asked that each community have their report in by Oct. 19.

Mrs. Johnny Cates spoke on the THDA meeting held in Dallas a few days ago. Talks on the meeting were also given by Mrs. O. G.

Floydada Junior High School has three new teachers this year and one who transferred from Andrews Ward. The four are pictured above as they stopped briefly from class last week. They are Mrs. John Reue, left, 7-B; Perry Lockett, center, 6-A and Jr. High coach; Mrs. Bill Feuerbacher, right, 6-D, and seated, Mrs. Kerwin Baxter, 7-C.

C of C Plans For Christmas Season

The Retail Trade Committee of the Floydada Chamber of Commerce met last Thursday morning and worked out plans for the coming Christmas season.

The committee, headed by Wayne Brown and chamber manager John Reue, worked out a program for kicking off the Christmas season on Friday, November 30, with a Band Festival. Area high school bands will be invited to participate in a marching contest. Also the committee will try to get the Air Force Band from Amarillo to participate.

The parade is tentatively scheduled to start at 1 p. m. with an earlier appearance of Santa at 10:30 a. m. so that he may talk and visit with the younger preschool children.

Decorations in downtown Floydada will be much the same with some additions to the lighting and also to the Christmas tree. J. D. Parks is in charge of the street decorations. Dan Hagood has charge of the Nativity Scene and Mrs. Alma Holmes is chairman of the Christmas Music committee.

The committee also decided to have the Treasure Hunt Christmas Promotion which has been so successful the past two years.

It is wonderful to have a lake as unusual as Lake Granite Shoals located within a few miles of the geographical center of Texas.

Granite Shoals Lake, impounded by the tremendous Wirtz Dam near Marble Falls, is one of the Lower Colorado River chain of lakes. It is located some 60 miles north of Austin. But it is within a day's driving distance of virtually any place in Texas. Every fishing day you'll find someone there from the far reaches of the state.

It's not unusual for parties to be made up of fishermen from above the Caprock, or from the Coastal Bend area.

Granite Shoals is a good lake, but more than that, it is the largest constant-level lake in the state.

It occupies approximately the middle position in this Colorado chain. As a result the let-down of water for power, irrigation and domestic purposes from the upper lakes (Buchanan and this dam are two 25,000 KW ways from every direction. and believed they would have no trouble in getting interest below 4 percent, probably around 3.80 as of this date.

School officials at the Tuesday night meeting appeared more interested in some figure around \$200 to \$250 thousand or possibly less but tabled the matter for further study to be brought up again at the next meeting.

The board is faced with solving a classroom and cafeteria situation at Andrews Ward where students are overflowing facilities. Supt. Baker's report showed average enrollment in these five grades has climbed steadily in the recent years. In 1958 the figure was 570; in '59 it was 602; in '60 the number was 674, in '61 the number had reached 722 and at present the enrollment is 750.

The school cafeteria at Andrews Ward has never been adequate, and added to this was loss of space for the present school term when a class room was taken from the already small cafeteria serving area. Principal W. P. Nicholson has managed to feed the students through September, but when the first graders started staying all day and eating in the cafeteria the task became next to impossible.

School officials are not sure they can wait for a permanent type building at the cafeteria but may be forced to provide some type of temporary building or addition in which students may eat their noon meal.

The board is also thinking in terms of looking further at steel building construction similar to the Della Plains School for future building plans. This type structure can be put up for about \$4.50 per square foot where many others in their belief would run above \$10.

The Della Plains School provided 12 class rooms and a gymnasium for \$125,000. Such a building project as this could possibly be repeated for about the same figure if present school campus property were to be used and the cafeteria were substituted for the gym.

Board members plan a further study of all possibilities before presenting any plan of action to the district's tax payers.

Mrs. Hoffman Is Hostess Tuesday For Study Club

Mrs. John Hoffman was hostess to members of the 1934 Study Club Tuesday evening at Rogers Restaurant. A study of "Americanism" was the theme of the entire program directed by Mrs. J. M. Willson Jr. who also gave a report on the Educational Department.

The meeting was opened by the Club collect. Mrs. A. L. Wylie Jr., president, presided over the brief business session.

Mrs. John Stapleton led the salute to the U. S. Flag and Mrs. Joe March gave the history of the Monroe Doctrine.

"The Panama Canal as the Key Link in World Transportation" was reviewed by Mrs. Homer Guffee.

Refreshments were served to Mrs. Ralph Cogdell, A. W. Coltharp, Dennis Dempsey, Homer Guffee, Charles Lutrick, C. O. Lyles, Joe March, M. J. McNeill, J. P. Moss, Virgil Shaw, John Stapleton, G. W. Switzer, J. M. Willson Jr., A. L. Wylie Jr., and Mrs. John Hoffman.

Student Council To Wash-Grease Cars Saturday

Youngsters of the Floydada High School Student Council will be busy Saturday, October 6, at Consumers Fuel Association washing and greasing cars, to raise money for the council.

This word comes from Jancy Ginn, publicity chairman for the Council.

Cars may be brought to Consumers and left and they will be delivered back to the owner if so desired.

A fee of \$2.25 will be charged for wash jobs and \$3.50 for wash and grease.

Whirlwinds On Short End Of 19-30 Score At Childress

The Floydada Whirlwinds came home from Childress on the short end of a 19-30 score last Friday night. The loss was a hard one as the hustling Whirlwinds put on one of the best offensive shows of the season piling up 21 first downs and 339 yards of total offense. The speed of Bobcats Charles Mitchell and Johnny Wilson coupled with mistakes made by the locals put Floydada in a hole and forced them to play catch up almost the entire ball game.

Childress was able to cash in on three drives that started on the Floydada end of the field, one from the 13, one from the 24 and one from the 49 yard line. These short scoring drives put numbers on the score board and that was what payed off.

The Bobcats actually made only 12 first downs and 175 yards net on offense, but they made it at the goal line. Some eighty yards in penalties at timely places did not aid the Whirlwind cause and kept them in trouble much of the time.

JOE DUNN
Whirlwind Tackle

Opening the game Childress kicked off and the ball went into the end zone where it was downed for a touchback and brought out to the 20 to be put in play. The "Winds made firsts at the 31 and at the 46 and then lost 15 to a sharp eyed official and this his walk off made for a punting situation. Lindsey's punting from the Floydada 34 to the King, and Moore mixed with Childress 25 but a speedy run back returned it to the Bobcat 48.

The Bobcats picked up firsts at the Floydada 44 and at the 33, then when it looked like the drive would be contained Charles Mitchell got to the outside and went 35 yards to score the first touchdown of the game. The conversion run was good and the score was 8-0 favoring Childress.

Floydada got the ball again on the ensuing kickoff and got another 15 yarder that seemed to go with possession of the pigskin if you were wearing green a punt situation followed and Lindsey's kick went to the Floydada 46.

The Childress drive was stopped this time and it was some fine and hard tackling by Rucker, Stewart, McKinney, Julian and Dunn that turned the tide.

Childress punted to Lindsey at the 49 yard line with 1 minute and 18 seconds on the clock. The 19 but Floydada had only gained to the 24 when a fumble in the backfield put Childress in scoring position again. This time then the fleetfooted Bobcat back went all the distance in one run as he burst off his right tackle slot

to score. Quarterback Johnny Wilson did some fine faking and rolled out on a keeper to score the conversion. The score was 16-0 and the first quarter was still in progress.

Opening the second period the offense of both clubs bogged down and punts were exchanged. As Floydada got the ball the second time in the period they started their first scoring drive from their own 40 yard line. A good mixture of runs by Adams, Stewart, King, and Moore mixed with passes to Lindsey and Adams covered the distance and it was a pass from Teague to Lindsey that went for the counter. The conversion try failed and the score was 16-6 still favoring the Bobcats.

Floydada kicked off and held the Childress team forcing a punt and a blasting tackle by Butch Gilliland on the Childress quarterback helped the green and white cause.

The "Winds had trouble moving and time was running short and as they faced fourth and one at mid field the decision was to go for it. Too much time cost them this time and it was some fine and hard tackling by Rucker, Stewart, McKinney, Julian and Dunn that turned the tide.

The ball went over to Childress at the 49 yard line with 1 minute and 32 seconds on the clock. Two good runs and then penalty in the backfield put Childress in scoring position again. This time then the fleetfooted Bobcat back went all the distance in one run as he burst off his right tackle slot

Sachse failed on the conversion stripe before Teague hit Denny King with a pass that got the final tally. The conversion try was no good and scoring was over at 19-30.

As the third period got underway the Floydada team stiffened and held Childress twice before they got away again. The first Bobcat effort brought three stabs at the line and wound up with a minus two yards and a punt. The next try came after an intercepted pass put Childress in business first and 10 on the Floydada 11 yard line. This time four tries brought a minus one yard with the ball going over to Floydada at the 12.

The Whirlwinds could not stand prosperity and fumbled at the 13 and that was all Mitchell needed as he scampered in to score getting all the distance in one effort. Wilson tacked on the conversion and the Bobcat scoring for the night was over at 30 points.

Late in the third period Floydada started a drive on their own 25 yard line that was climaxed early in the final frame when Moore hit Lindsey with a pass that went for the touchdown then the same combination was tried on the conversion. Pass interference was called and the officials ruled that Floydada was to get a single point on the rule infraction.

Some good hard tackling and defensive play kept Childress in trouble most of the last period and McKinney, Dunn, Julian and other members of the team made a spirited fight of it and this payed off when Vernie Moore came up with a fumble to give Floydada possession of the ball at the 19 yard line. The "Winds came up with fine defensive plays had made a first at the six yard

Vernie Moore led Floydada ball carriers for a net of 79 yards on 10 carries, Stewart got 48 in 10 tries, Adams banged out 41 on 7 carries, Teague 17 in 3, King 22 in 7 and Gilliland made 6 in one.

Moore completed 5 of 12 passes for 69 yards and 1 TD. Teague connected on 4 of 11 for 57 yards and two scores. Moore had one interception.

Wilson, the Childress quarterback was leader of the Bobcats carrying for 84 yards net on 17 plays, Mitchell got 71 in 18 tries. Childress did not complete a pass.

Leading receivers for Floydada were Lindsey with 3 completions for 41 yards and 2 TD's, Adams with 3 for 57 yards, Wilson with 1 for 12 yards and King with 1 for 6 yards and a touchdown.

The Whirlwinds played without the services of Tommy Watts their leading ground gainer and fastest runner and Butch Gilliland a fine competitor and leading pass receiver was slowed by injuries.

Whirlwind fans gave much credit to the Floydada offensive try and had high praise for the interior line on defense. Lack of speed on the wide plays hampered the Floydada team throughout the contest. Doug Greer of Childress was a thorn in the side of the locals all night as he came up with fine defensive plays

Mercurys Display At & Rainer

Rainer in Floydada to display three beautiful new 1963 Mercury cars today, Oct. 4, and if you have not seen this line of cars when they are looking at them now at the corner of California Streets, they are doughnuts are all day October 4. The new styling features increased power and performance highlight the changes in the 1963 Mercury Monterey. The unique, reverse slope, rear window which goes up and down, virtually eliminates visibility problems caused by ice, snow, rain or frost. The 390 Marauder V-8 engine now becomes standard, replacing a 223 six-cylinder engine and 292 V-8 which are no longer available on the Monterey. A total of eleven models—including the four-door custom shown above—are offered in the Monterey Custom and S-55 bucket seat series.

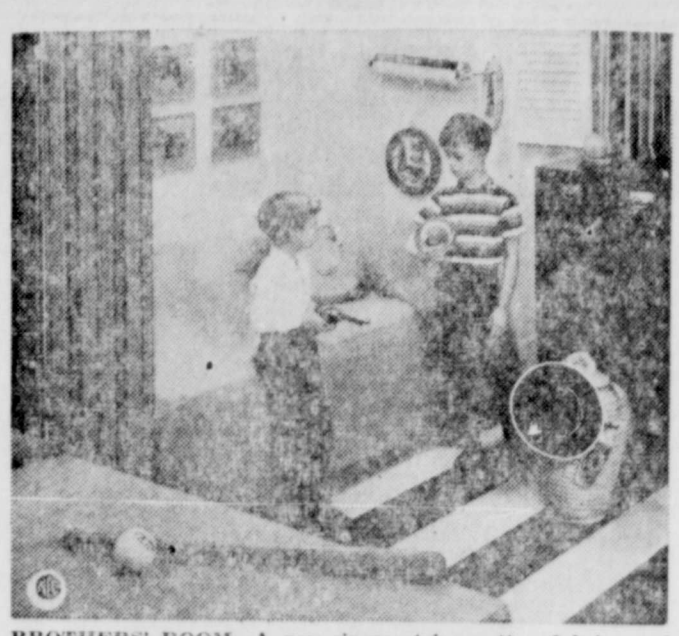

Dramatic new styling plus increased power and performance highlight the changes in the 1963 Mercury Monterey. The unique, reverse slope, rear window which goes up and down, virtually eliminates visibility problems caused by ice, snow, rain or frost. The 390 Marauder V-8 engine now becomes standard, replacing a 223 six-cylinder engine and 292 V-8 which are no longer available on the Monterey. A total of eleven models—including the four-door custom shown above—are offered in the Monterey Custom and S-55 bucket seat series.

Merc-O-Matic transmission, fully synchronized four-speed floor mounted manual transmission, newly designed fully synchronized three-speed manual transmission is available on the standard 390-engine. Mercury Marauder 406 V-8 engine, equipped with either four or six-barrel carburetor, is available as an option. The 406 is a power operated, able as an option. The 406 is an excellent ventilator rated at 385 horsepower with the four-barrel carburetor and at 405 horsepower with the six-barrel carburetor. The 406 engines are available only with the four-cylinder engine and the four-cylinder transmission. There are eleven Monterey models in four series: The Monterey series has two and four-door sedans and hardtops. The Monterey Custom series has a four-door sedan, two and four-door hardtops and a convertible. The S-55 series features a two-door hardtop and convertible. One four-door station wagon with simulated mahogany paneling and fiber glass simulated rails is offered in 1963—the Monterey Colony Park. A third seat is optional on the station wagon.

Small Business Men Can Now Get Better Loans

Small businessmen in the Lubbock area should find it easier to get a bank Small Business Administration loan as the result of a new lending program now in effect. Jack Teddlie, Acting Branch Manager, said today. The new program was developed jointly by SBA and the American Bankers Association, Mr. Teddlie said. SBA Administrator John E. Horne and Sam Fleming, President of the American Bankers Association, have urged all of the Nation's commercial banks to participate. "This loan plan has the full and enthusiastic backing of the American Bankers Association," Mr. Teddlie said. "I believe the banks in the Lubbock area will find it offers them substantial advantages and will help them do a better job of meeting the term credit needs of their small business customers."

BROTHERS' ROOM—A ray stripe cotton fabric used for curtains and as covering for a screen sets the tone for the room for two brothers. Yellow is picked up from the fabric for the walls, and the copper tone is repeated in the cotton bedspreads by Morgan-Jones.

Band Boosters Make Plans For Supper Meeting

Floydada Band Boosters Club will hold a supper meeting next Tuesday night, Oct. 9, at 7:30 in the High School cafeteria, according to the president, Marion Tucker. The informal affair is not only for band parents but all band boosters, Tucker said. Families are asked to bring a covered dish and bread and drinks will be furnished by the club.

All repay-maturities often are essential to the principal of the properly finance some needs of the entire loan will go the bank for the business concern. The first 5 years. The SBA will defer collection on its share until after the bank's share has been repaid.

"Under this program it should be easier for small businessmen to obtain secured term loans - up to 10 years - from their banker, with Federal Government underwriting a large part of the transaction. "In essence," Mr. Teddlie said, "the program is this: the banks will make and service the loans and provide at least half of the loan funds, with SBA providing the remainder. The bank's share of a loan will be repaid before SBA starts collecting a cent on its share of the loan principal." As explained by Mr. Teddlie, here is the way the program works: If a small businessman

Charles Reids Hosts College Exes Sunday

The Lubbock Branch Office of SBA serves small businesses in eighty-six West Texas Counties. The Regional Office is located at Dallas. Branch offices are in Houston, San Antonio and Marshall.

Mr. and Mrs. Charles Reid and children, Joe and Donna, entertained Sunday at their home for old friends who were in their graduating class at West Texas State in 1955.

PTSA Will Meet Tuesday, Oct. 8

The Floydada Junior High Parent Teacher Student Association will meet October 8, 1962 at 7:30 p. m. in the Junior High Auditorium. This will be get acquainted night for teachers and parents. A film will be shown to the children.

The occasion had been the first reunion of the girls and boys and their children since that year. Present for the day and the noon luncheon were Mr. and Mrs. Ronald Kaiser, Ronda and Bobby, Mr. and Mrs. Larry Hamilton and Mark, and Mrs. Lemke all of Amarillo; Mr. and Mrs. Roy McCarter Jr., Ricky, Nikki and Micky and Mr. and Mrs. Fred Gaines, Jerry, Karen and Freddie of Canyon; Mrs. Jimmy Brown of Adrien, and the hosts and their two children.

Mrs. Bobby Smith returned to Lubbock Methodist Hospital Tuesday for a check-up following dental surgery she underwent last week. She is able to be up some and reported feeling better at this time.

Mrs. Greer Christian, membership chairman, will register parents for membership. Regular meetings for the P.T.S.A. for the coming year will be December 3, February 4, and April 8.

"We believe we have developed a loan plan which meets SBA's dual objectives of providing small business financing, while at the same time utilizing the resources of the private banking system," Mr. Teddlie said. "SBA will, in most instances, deal entirely with his bank." Mr. Teddlie said. "He need never stances rely substantially on the bank's credit judgment, but sufficient safeguards are provided to protect the Government's investment."

Mr. and Mrs. Leeman Norman and children of Amarillo spent the weekend here visiting with their parents, Mr. and Mrs. A. Clark and Elbert Norman and other relatives. Mr. and Mrs. E. D. Tarpley of Clovis returned home Friday after spending the past two weeks in Floydada with her parents, Mr. and Mrs. R. F. Jackson, and other relatives.

Merrick Spill of Winters, visited here last week from Monday until Friday with Mr. and Mrs. Harold Merrick.

Mr. and Mrs. Grady Freeman spent a few days last week in Las Vegas, New Mexico, visiting his brother Earl Freeman and wife. Mr. and Mrs. Lawrence Stovall went to Tech to the ball game with her parents, Mr. and Mrs. W. W. Trapp, last Saturday night.

Ewell Gene Martin, son of Mr. and Mrs. Curtis Martin, Jr. spent the weekend in Methodist Hospital in Lubbock, having the metal pin removed from his arm. He is home and in fine shape once more.

Mr. and Mrs. Buck Marricle and boys spent Sunday afternoon with Mr. and Mrs. Arthur Fewell and family in Ralls. E. J. Marricle returned home from Lubbock on Sunday where he had been with his grandchildren for two weeks while their parents were on vacation.

Mr. and Mrs. Curtis Martin, Jr. and boys visited in Lubbock over the weekend with Mr. and Mrs. Leo Archer. Mrs. Archer is Curtis' sister. Mr. and Mrs. Henry Harris of McAdoo were co-op visitors on Tuesday morning. The Mt. Blanco Demonstration Club met on Monday of this week in the home of Mrs. Millard Watson. The club was postponed on Thursday, the regular meeting day because of muddy roads. The demonstration was on "Candle making". Mrs. Watson served delicious refreshments to club members and a number of guests.

We Wonder Why: People come into our lives And walk with us a mile, And then because of circumstance They only stay awhile. They serve a need within the days That move so quickly by, And then are gone beyond our reach. We often wonder why, God only knows the reasons that We meet and share a smile - Why people come into our lives And walk with us a mile.

Rev. and Mrs. Paul Fullerton and family were dinner guests in our home on Sunday, along with other friends. Others were in and out during the day to visit with Paul, Molly and the boys before they left on Monday for their new home in New Orleans. We regret very much losing them as neighbors, friends, and pastor, and certainly wish for them God's richest blessings in their new home.

"A good excuse" - A boy was about to buy a ticket for a movie one afternoon. The box office man asked, "Why aren't you in school?" "Oh, its all right, sir," said the boy earnestly, "I've got the measles."

Something to Think About: It is said - "Vacant minds like vacant lots often become the dumping ground for rubbish."

REBEKAH COFFEE AT RUCKE RHOME Mrs. Pat Rucker was hostess Thursday morning for a coffee at her home for Rebekah Lodge members. Those attending the informal affair were Barbary Hatley, Foy Gooch, Pauline Nash, Laules Parkey, Sue Parsons, Jane Marquis, Betty Marquis, Nell Muncy, Loretta Burns, Minnie Faye Thomas, Artie Webb, Hettie Bennett and Pat Rucker.

BURSTING WITH NEWS... '63 MERCURYS

NEWS-MAKING ROOF FROM MONTEREY. The advantages of Monterey's distinctive styling go far beyond its beauty. This is elegance that works. See how the recessed rear window slants inward? It stays clearer in rain or snow. On hot days, it opens for breezeway ventilation. The overhanging roof shades rear-seat passengers from the sun, gives more headroom, keeps glare off the rear window for better rearview visibility. More good news: a Mercury Marauder 390 V-8 is Monterey's standard engine.

SPARKLING NEW MODELS FROM METEOR. For 1963, Meteor is the hot brand. Meteor is the sparkler with a whole new line of models in the low-price field—sleek new low-to-the-road hardtops, sedans, and three new station wagons. Feel sporty? Try the racy Meteor S-33 hardtop, with individually adjustable bucket seats and a handy console. For brilliant performance to match Meteor's sparkle, a new Lightning 260 V-8 is available in every model. And you save on upkeep with Mercury service-savers.

THE LID'S OFF COMET. Now a jaunty new convertible joins Comet's all-fun line. This sleek, rakish beauty comes in two models: the Custom and the dashing S-22, with bucket seats and optional stick shift. All Comets now have a complete package of service-savers like self-adjusting brakes. And Comet still heads its class with the largest trunk, longest wheelbase, and best resale value record. See Comet's whole happy '63 line-up: convertibles, sedans, station wagons. Fun-test your favorite Comet now!

Ned always takes the children up to bed at night—it's something he wouldn't miss. What amazes our friends is the fact that they always go smilingly. No fuss, no tears.

That's Ned's doing. He has made our youngsters. After he has tucked them in, he sits down and tells them a story, sometimes pure make-believe, but often, Ned takes his bedtime stories from the Bible.

At Christmas, he tells them the story of the Little Jesus. At Easter, he points out the beauty of Spring, and speaks of the wonders of hope and faith. He keeps the stories very simple . . . and how our kids love them! When they started Church School this past year, they felt as if they had re-discovered old friends, so familiar were Biblical names and places.

Some people feel that religion is too "deep" for small children. Ned and I don't. To us, learning about our Faith is a vital part of life. We would hate to have missed it ourselves . . . and we've no intention of having our children miss it. That's why, each Sunday, you'll be seeing us in Church.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Wayland College Plans Party For Student Parents

PLAINVIEW, Special — The event is a Stay-All-Day Party on Monday, Oct. 8; the guests are parents of students, and the place is Wayland Baptist College, Plainview.

Among those serving as hosts and hostesses for the annual Parents' Day gathering will be from Floydada: Louita Foster Abbott, daughter of Mr. and Mrs. W. H. Foster, Greenville; John Campbell, son of L. A. Campbell; Miss Lynda Hammonds, daughter of Albert Hernandez, son of Mr. and Mrs. Floyd Hernandez; James McGuire, son of Mr. and Mrs. E. W. McGuire, Farwell; Jean Williams, son of Mr. and Mrs. William H. Palmer, Big Springs; Jerry Patterson, son of Mrs. Bettie Patterson; Roy Sparks, son of Mr. and Mrs. A. L. Sparks; Doyce Stephens, son of Mr. and Mrs. F. F. Stephens.

Going to classes will no doubt be more like a party to parents than to students, but the Waylanders are arranging for their guests to visit classes as well as attend the chapel program which they have planned. Part-time students are also attending the program following the dedication. Some of the guests are: Mrs. M. M. Brubaker, president of the Albuquerque, N. M., who will bring the welcome along with District Nine Woman's Mission; Mrs. A. Hope Owen; Mike My-

rick, Lubbock, piano solo; Bill Fred Webb, Plainview, organ solo; and Duane Harris, Joplin, Mo., song leader. Reading the Scripture will be Miss Jane Aylesworth, Plainview, and leading in prayer will be Ronnie Turner, Roscoe, president of the Baptist Student Union. The Treble Tones, women's choral group, and the International Choir will also sing.

Also on the agenda is lunch in Slaughter Memorial Center, according to Douglas Clark, assistant professor of sociology, who is chairman of the Parents' Day Committee. Reservations are already being returned in response to the special letter of invitation to parents sent by President Owen.

Mr. and Mrs. H. D. Hammonds at 11 a. m. call for a panel discussion where parents will have opportunity to become acquainted with administration and faculty members and to ask questions about student life and academic objectives at Wayland, which is observing its 15th year as a fully accredited senior college.

Capping off the day's events will be dedication services for Wayland's new Home Life Building at 2 p. m. Students and their parents will have a tour of the two-story cream brick building which will be the new home of the Student Government Association, construction of this first unit being completed by members of the District Nine Woman's Mission.

Planked by his fellow speakers is Desmond Barry who was in Floydada Friday to speak in behalf of his candidacy for Congressman at Large. Barry is seen at the loud speaker and seated reading from left to right are Mrs. Gene Arwine, John D. Zahn, candidate for Senator of 30th District, Texas, Bill Hayes, candidate for Lt. Governor and Mayor S. W. Ross of Floydada.

So. Plains News

By Mrs. Murray Julian

SOUTH PLAINS, Oct. 1 — This is Monday, Oct. 1, with a feeling of fall in the air. Morning temperatures were in the forties today, and will be tomorrow. Most everyone here hopes to be able to start cutting maize in fields where last Monday nights rain left as much as 3 inches moisture. It was fine for the newly sowed wheat fields and late feed, but not food for the cotton, and maize which is nearly ready in all the fields for the combines. We are so thankful for clear skies this week.

Wendle Johnson was the lucky man to get the first bale of cotton into the South Plains Co-op Gin. Wendle brought the 2,050 pounds of cotton in Monday and it made a 510 lb. bale, with a 25 percent turn out. The seed weight was 750 pounds and he was paid 50 cents a pound for the cotton and the ginning was free. We understand he has more cotton to gin this week.

Dr. Fred Howard, as interim pastor, gave his last sermon Sunday night at the Baptist Church, but will be here Wednesday night for prayer service at 7 o'clock R. L. Holland, Bruce Whitlock with the newly called minister and F. L. King, all of Lockney, Sealy Smith of Wayland, who was called by the church body and Mulder and Don Marble from

will give his first sermon next Sunday, Oct. 7. It is hoped that we have 125 present Sunday for his first day. Rev. Smith has a family of 2 boys and a girl, and we gladly welcome them to this pastorate.

86 were present for Sunday morning Baptist services and Dr. Howard and son went home with Mr. and Mrs. Shelby Calahan and family to have dinner and supper with them. Remember WMU meeting Wednesday at 3 p. with clean up time following for the ladies attending. Kathy Rowland and Nathan Mulder of Wayland College were at Sunday services. Mr. and Mrs. Herbert Y'Blood of Medford, Oregon, are due here today to spend the night with her sister, Mrs. Early Pritchett and family, as the family are en route to Tampa, Florida for the wedding of their youngest son, Mmes. J. P. Taylor, Bryant Higginbotham and Hollis Shewmake went to Lubbock this Monday to spend the day, and Mrs. Taylor went to get all her products which she had entered in the Lubbock Fair last week, and on which she and Katie won many prizes.

Mr. and Mrs. R. H. Adams and Larry went to the Panhandle South Plains Fair at Lubbock and spent the day there. Mr. and Mrs. Elton Carr from Wayland at Plainview visited his folks, Mr. and Mrs. Bryan Karr and Yvonne Sunday afternoon. Mr. and Mrs. Ernest Smitherman of the Fieldan Motel in Floydada went to Amarillo Sunday to spend the day with their son, Mr. and Mrs. Larry Smitherman. We are very sorry to hear that Mrs. Charlie Jarrett is in the Peoples Hospital in Floydada, and hope she will be home soon. We understand she is not seriously ill, according to Mrs. Carl Jarrett.

Dinner guests and visitors with the Fred Fortenberrys Sunday were his brother Mr. and Mrs. Robin Fortenberry and his uncle, Mr. and Mrs. Joe Fortenberry of Cedar Hill.

Mr. and Mrs. Eugene Long of Silverton were visitors Sunday afternoon here with Mrs. Walter Wood. Mrs. Long is the cousin of Mrs. Wood.

Mr. and Mrs. Early Pritchett and Stevie spent last Tuesday in Plainview with his parents, Mr. and Mrs. H. H. Stevenson. Early's mother is getting along as well as possible since the car wreck in which they were hurt a few weeks back.

Recent visitors in the home of Mr. and Mrs. Alvin Nichols were her cousin, Mrs. Marie Welch and Mrs. Charles Goddold of Phoenix, Ariz. and his brother, Mr. and Mrs. Mark Nichols of Sweetwater and Lissia of Denver, Colo., who spent the night with the Nichols. They were en route to Denver to take the children home. Miss Lovilla Cox of Lockney had Sunday lunch here with the Nichols.

Mr. and Mrs. Bill Thomas and Mrs. Maud Brister went to Floydada Sunday afternoon to visit with Mrs. Thomas' ailing mother, Mrs. J. H. Farmer, who is doing better now.

Mr. and Mrs. Bob Reeves and four children went to Denver, Colorado last Friday to stay until Sunday visiting with his brother, Mr. and Mrs. Jack Reeves and daughter. On the way home the Reeves went up west of Pueblo to Canon City to see the Royal Gorge and the World's Highest Bridge.

Tupperware Party at Mrs. Marbles. Mrs. H. L. Marble hosted a Tupperware party in her home boys had spent Thursday afternoon at 3 visiting the Fair Exhibits. Mrs. Doris Casey as representative of the company. Aftering Wayland College and Miss games and showing of the pro-Kathy Rowland also of Wayland ducts Mrs. Marble served coffee spent the weekend here with Nacokes and cookies to Mmes. Till-thans' parents, Mr. and Mrs. Arman Powell, Doris Casey, Grigsby Mulder and Katherine.

Kenneth Bean and Billy Stanforth then they all went down to Snyder to stay until Saturday night with her mother, Mrs. R. W. Newman, and other relatives there.

Mr. and Mrs. R. H. Adams went to Amarillo Sunday to the hospital to see little 29 months old Glen Adams, the grandson of R. H.'s brother, James Adams of Childress, who has been critically ill with a brain tumor there for 8 weeks Friday. Mrs. Adams stayed at the hospital most of last week with him, and stands ready to be called any minute. He was a little better Sunday.

E. J. Kinslow was in Lubbock Thursday and Saturday on business trips, and visited his parents, Mr. and Mrs. D. E. Kinslow while there.

Mrs. Herman Thornton from here went to Lubbock Thursday with the Aliyah Study Club of Lockney and enjoyed luncheon at Hemphill-Wells in Monterey Center, then a tour of the Texas Tech College Museum. Other members from here unable to attend were Mrs. Roy Bledsoe and Mrs. Sterling Cummings.

Mr. and Mrs. Everett Miller and children who have been here with the United Elevator moved over the weekend and this Monday to Plainview, and we surely do hate to see them move from our vicinity.

Mr. and Mrs. Grigsby Milton and Darla went to Amarillo in their plane Friday afternoon on a business trip.

Mr. and Mrs. Frank McClure spent Thursday in Crosbyton with Mrs. Jean McClure and children.

Oldsmobile's new styling theme, fresh new roofline and concave rear window, the Starfire is further identified by the tailored aluminum band along the sides. It has its own grille. Bucket seats, center console, Hydra-Matic transmission, power brakes and power steering are standard equipment.

Wolfram described the 98 models for 1963 as the most luxurious cars Oldsmobile has ever offered. "The flagship of the Oldsmobile fleet," he said, "is the new 98 Luxury Sedan - the epitome of elegance in a motor car. It is of six-window design with a custom interior trim including built-in door arm rests containing controls for the electric windows (standard equipment). Assist grips on the back of the front seats aid entry and exit. Both front and rear seats contain center arm rests.

"Another new model is the 98 Custom Sports Coupe, a sophisticated sports car combining the distinction of 98 exterior appearance with the excitement of bucket seats, power console and the

TOP - This is the 1963 Starfire, Oldsmobile's full-size sports car. With its crisp, youthful styling theme, fresh new roofline and concave rear window, the Starfire is further identified by the tailored aluminum band along the sides.

BOTTOM - A complete styling change including a fresh new roofline gives the 1963 Oldsmobile Super 88 Holiday Sedan a sheer new look. Interiors in this series are more impressive with greater emphasis on luxury in fabrics and appointments. Door armrests are set in brushed aluminum panels and the Holiday Sedan is equipped with a center rear seat armrest.

outstanding maneuverability of the famous Starfire engine," he added.

F - 85 MODELS All eight F-85 models for 1963 have been styled specifically to give them more the look of an Oldsmobile, immediately identifiable as members of the Oldsmobile product family. It was announced by J. E. Wolfram, Oldsmobile general manager and vice president of General Motors.

"The more impressive look of crisp, horizontal lines. Actual overall length of the F-85 has been increased by only 4 inches, and the maneuverability of its 112-inch wheelbase has been retained.

Fairview News By Mrs. Clyde Bagwell FAIRVIEW, October 1 - Farmers are glad to see the sunshine that we have had the past few days. The rain was fine on the wheat and now the sunshine is what the row crops need. Everything is so lovely this fall. The rains have made the trees, grass and flowers so beautiful. And now we are at the beginning of a new month the time of the year when most any kind of weather can come, but we all hope for nice warm weather so crops can mature.

Two more long time residents of Floydada and long time friends of ours have been called to their reward - Mrs. W. H. Hilton and Mrs. D. I. Bolding. We sympathize with the families of each. We were sorry to learn of the serious accident of Perry Threadgill but we are all glad he is showing improvement and hope he will continue to improve and will be completely recovered soon.

Mrs. T. L. Perry is a very busy person these days. She drives over to Lubbock six days early Sunday morning for Springs, week where she attends a beauty school. She is a senior now and will finish her course in about five more weeks. Wednesday Mr. and Mrs. Lyndal Carey and Carolyn and Mrs. Toy Meek went to Lubbock, Wednesday night all of the above named, along with Mr. and Mrs. Don Colley, were supper guests of Mrs. John Carey and Nancy Mr. and Mrs. E. W. Walls went to Plainview Friday on business and then on to Lubbock where they attended the Fair. Saturday callers in the Bill Tye home were Mrs. A. S. Mize, Mrs. W. B. Wilson and Greg Pruitt. Mr. and Mrs. Dean Walls and family, of Plainview, came down Saturday night and were supper guests of his parents, Mr. and Mrs. E. W. Walls and visited until bedtime.

Wilson visited in the home of Mr. and Mrs. Bill Tye. Thursday Mr. and Mrs. Don Colley spent the day with her brother and family, Mr. and Mrs. Lyndal Carey.

Mrs. E. W. Walls and Mrs. Clyde Bagwell were among the ladies attending a Sunday School social and business meeting for the Sunshine Sunday School Class at the home of Mrs. Frank Pratt last week. Other ladies enjoying the afternoon with the hostess, Mrs. Pratt, were Mmes. Lackey, Young, Weeks, Willis, Waller, Cox and Mrs. Rainer.

At this meeting Mrs. Lackey resigned as teacher of the class. We all regret to lose Mrs. Lackey as our teacher. We have enjoyed very much having her as our teacher for the past three years. Mrs. E. W. Walls has been appointed teacher until some one else is appointed for full time teacher.

Mrs. Dot Hammonds and grandson, Jep T. Clemons, visited Mrs. Walton Wilson Monday. Celebrates Birthday Mrs. G. M. Bullard, who now makes her home in town with her son, J. C., but who, with her family, was one of the long time residents of Fairview Community, enjoyed another birthday celebration on Sunday, September 30, at her home. Mrs. Bullard is 89 years young, for a thize with the families of each person like Mrs. Bullard never grows old.

Those enjoying the day and dinner with Mrs. Bullard were her sons and daughters and grandchildren, Mr. and Mrs. J. Landrum, of Tucuman, N. Mex., Ray Landrum, of Friona, Mr. and Mrs. Preston Bullard and Patricia, of Portales, N. Mex., Mrs. L. B. Cozby, Mrs. birthday. Enjoying the evening J. C. Mrs. Bill Tye and Mrs. Wel-don Pruitt and son, Greg, went to Lubbock last Monday and at-tended the Fair while there. C. W. Payne made a business trip to Plainview Friday. Mr. and Mrs. R. R. Waller were Sunday dinner guests of their daughter, Mrs. Shirley Irwin and children. Last Sunday night supper guests in the Irwin home were Mr. and Mrs. Herbert Irwin, of John Carey and Nancy. Others there for the evening meal were

Mrs. Ed Bullard. Mr. and Mrs. E. W. Walls were dinner guests Sunday of Mr. and Mrs. D. D. Tate at Sand Hill. Mr. and Mrs. Shirley Irwin and children went to Talia Saturday afternoon to see Mr. and Mrs. Kenneth Billington and family.

Sunday visitors in the Shirley Irwin home were Mr. and Mrs. Roy McCarter and children, of Canyon, and Mr. and Mrs. Hershel Irwin and family, of Lubbock.

\$152 Million Now Made Available For Rural Housing

An additional \$152 million has been made available for rural housing loans, Secretary of Agriculture Orville L. Freeman announced today. Today's action makes a total of \$182 million available through the Farmers Home Administration for this type of credit during fiscal 1963. The funds come from the \$430 million authorized by the Housing Act of 1961, to be expended within a four-year period. Approximately \$95 million was obligated during fiscal 1962.

"These funds will help 20,000 rural families who do not now have adequate housing to obtain credit to finance a new home or improve the home they already own," Secretary Freeman said. "The rural housing program is also a driving force in rural areas development. The construction carried on with the funds provides jobs for local carpenters, masons, plumbers and electricians and other workers in small rural communities. The wages received by the workmen and the profits retained by the businessmen are in turn circulated through local trade channels, invested in local enterprises.

Under the Rural Housing Program the Farmers Home Administration has made in Texas over 2,700 loans for over \$20,440,000. There have been no losses on these loans. As of December 31, 1961, these borrowers had paid over \$5,906,000 on principal and \$2,679,000 on interest, which leaves only about \$14,470,000 owed on principal. 665 of these borrowers have already paid their supply dealers and other merchants in full ahead of their maturities.

Mrs. Dorris Jones visited in Plainview Saturday with her daughter and family, Mr. and Mrs. Rob Hefflin. Mr. and Mrs. Walton Wilson and Mr. Mrs. Harvey Allen and Mike went to Lubbock Saturday. They attended the Fair in the afternoon and that night all but Mrs. Wilson and Mike attended the ball game at Tech between Tech and Texas University. Mrs. Wilson and Mike visited in the home of her sister.

Enlistment For Missions Study Of WMU Meeting

Mrs. Charles Craig, mission chairman of WMS of the First Baptist Church, was in charge of the study Sept. 26, on Enlistment for Missions by Helen Fling. The book is one of the Jubilee Advance books. The first two chapters were given by the Margaret Oliver Circle in the form of a skit depicting women in transition, their positions and privilege.

Of the Circle taking part were Mmes. Lon Smith, R. L. Nichols, O. F. Cummings, Robert Garrett, W. C. Sims, Joe McBrien, E. F. Simmons, Vesta Savage, E. F. Stovall, L. A. Marshall, C. W. Denison, Dick Smith and Mrs. P. D. Helms.

The third chapter was given by the Ethel Hardy Circle as a panel discussion with Mrs. Everett Collier acting as mistress of ceremony. Panel members were Mmes. Wade Warren, Ralph Johnston, Garland Foster and Mrs. L. D. Simpson.

The Dorothy Latham Circle gave the conclusion with Mrs. Craig as leader. A skit, "The Woman at the Well" was presented by Mrs. Travis Jones and Mrs. Bill Hardin. Mrs. Craig conducted a question and answer period followed by a roving reporter conducting a man on the street scene. Interviewed were Mrs. Andrew McCulley, Mrs. Floyd Bradley and Mrs. C. O. Spence. Mrs. Simmons brought closing prayer, after which coffee and cookies were served to 28 women in attendance.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN— Jack Cox and John Connally crossed paths on the campaign trail in Austin — and they waved at each other. Connally was talking to the County Treasurers' Association and Convention. He stepped out on the hotel balcony to watch Cox riding in a parade put on by Youth for Cox.

Inside the hotel, Connally was urging the county treasurers to pitch in and help support the Democratic ticket, else there might be Republican candidates for county treasurer next time.

Outside, Cox was urging young men to pitch in and help him change Texas to a two-party state.

OFFICE SPACE — Some of the legislators who get elected on November 6 will have office space at the Capitol. But some won't.

For two years now, space formerly occupied by State agencies has been in the process of conversion to offices for the members of the House of Representatives. A few were occupied during the 1961 session.

Rep. Will Smith of Beaumont, committee chairman, was much interested in the extent of reciprocity practiced with other states.

Rep. Sam Collins of Newton, vice chairman, asked about having what they thought about having a central licensing agency. None thought much of the idea.

Ira Butler of Fort Worth, chairman of the bar examiners, said he had heard no complaints about the operation of his board. Philip R. Overton of Austin, attorney for the morticians, forecast legislation next year dealing with the group's rules and regulations.

L. D. Ransom, executive secretary of the Real Estate Commission, said he would ask the next Legislature to make it a criminal offense to violate real estate laws.

INDUSTRIAL SAFETY — Tide water Oil Company's J. K. Holder of Houston has been given a Civil Defense award for outstanding accomplishment in industrial safety preparedness. Governor Price Daniel made the presentation.

Holder is disaster planning coordinator for the company's southern division. He designed an emergency procedure portfolio for the division's 1,150 employees.

SCHOOL PRAYERS — Public schools in Texas are not prohibited from allowing prayers to be said or passages from the Bible to be read (as a result of the U. S. Supreme Court decision in the Engel vs. Vitale case), so long as the State or a political subdivision does not prescribe or approve the prayer or religious activity.

So said Attorney General Will Wilson in a legal opinion requested by J. W. Edgar, Texas Commissioner of Education.

CROOKED HOLES — What may be the final session of the House General Investigating Committee's look into the East Texas oil scandal was held in Austin. Mainly, it was to allow production and drilling men for 14 major companies to declare under oath that their companies do not have any illegally deviated wells.

It also gave the East Texas Salt Water Disposal Company a chance to defend itself.

Investigators got detailed lectures on the fluid mechanics of the fluid mechanics of the big East Texas field. Stressed was how daily injection of some 450,000 barrels of salt water a — back into the vast water-bearing formation — drives the oil to the surface.

Officials of the company boldly denied that the disposal company set up in 1942 as a cooperative venture to get rid of salt water which was polluting the Sabine River, is hurting the rights of individual landowners by its operations, as had been charged.

The hearing also gave Chairman William J. Murray Jr. of the Railroad Commission a chance to testify that the Department of Public Safety has found no evidence to link Commission employees to the scandal, other than those former employees Murray asked the state police to investigate last March.

Legislators on the committee seem certain to recommend changes in the law as a means

of providing surer punishment for those who violate Commission regulations, or who swear to falsehoods.

Also likely to come out of the investigation is a recommendation for revision of the marginal well law. This law makes a well capable of producing only 19 barrels a day a more valuable well than one flowing 1,000 barrels a day. The 19-barrel well is allowed to produce without shutdown days, while the better well can produce only 20 barrels a day for eight days a month. Many agreed this was unfair.

LIBRARIAN HONORED — Doris Connerly, retiring director of the Legislative Reference Library in the Capitol, was honored by Governor Daniel and others at State Capitol ceremonies.

Governor Daniel presented a resolution of the Texas Library and Historical Commission thanking Miss Connerly for 34 years of service to legislators, the public and the press.

DUAL ROLE RULED OUT — Atty. Gen. Will Wilson has held that a person may not be tax collector for an independent school district and a water control and improvement district at the same time.

COTTON PICKING GAINS — Cotton harvest is ahead of last year, with 26 per cent picked where only 23 per cent was in the gin at this time last year, according to the Commissioner of Agriculture.

BIGGEST ROAD PROJECT — Largest highway program ever put together in Texas was authorized by the State Highway Commission.

Covering super-highway work only, the program comes to \$287,000,000 worth of construction and right-of-way buying during the coming two years. It will build 1,063 miles of expressway and buy right-of-way for 188 more miles.

When the work is completed about four years from now it will double the completed mileage of interstate highways in Texas under the 90 per cent Federal-10 per cent State program.

FEWER PASSENGER TRAINS — Missouri Pacific has asked the Railroad Commission to let it drop another pair of passenger trains. This time it is Trains Nos. 47 and 48 between Palestine and Houston. Hearing was set for November 13 at Houston.

SCREWWORM FUNDS NEEDED — Texas Animal Health Commission will ask the Legislature for \$1,500,000 as an emergency fund to continue the fight against screwworms.

It will request another \$1,500,000 to make up the state's one-fourth of the \$12,000,000 program, with stockmen putting up \$3,000,000 and the Federal government \$6,000,000.

ANTI - AMENDMENT — A statewide group opposing the most controversial of the 14 proposed Constitutional Amendments is mapping its fight in Austin, with the help of Governor Daniel.

Under fire is the amendment which would empower the Legislature to require trial de novo in appeals from decisions of administrative agencies and executive departments of the state or political subdivisions.

STATE EMPLOYEES 58,300 — Latest figures compiled by State Officials for the Texas Almanac show fifty-eight thousand persons working for the State of Texas.

Per capita, the State of Texas functions with 65 employees for each 10,000 citizens. That is well below the 79 employee average for all states.

Texas is, in fact, among the lowest states. Some have nearly twice as many employees, per capita, as Texas.

STATEWIDE TREND — A statewide trend toward conservatism in state government is predicted by State Senator Charles F. Herring of Austin.

"Trend is evident," says Senator Herring, "by the election of so many new representatives with platforms that promise to take a closer look at government spending."

The veteran Austin legislator believes the public has become agitated and dissatisfied with the tendency toward more spending.

He cites the defeat of several "old-timers" in the Legislature as evidence; plus the nomination of many "new faces."

DEAD HUNTERS — Twenty-two hunters died last season in Texas, mostly in gun accidents that could have been prevented through careful handling of weapons, the State Department of Health says.

Department is asking hunters looking to the fall and winter seasons to review safe hunting rules and remember them in the field.

OIL AND WATER — Everyone knows that oil and water won't mix. But two such departments may be combined by the next legislature.

There is growing talk in the Capitol of an effort to reorganize the state's oil and gas regulatory agency.

One movement on foot would transfer administration from the Railroad Commission to the recently reorganized Texas Water Commission, which already deals with oil and gas pollution of the state's rivers and streams.

FOR POLIO ACTION — Texas Medical Association has joined with the State Department of Health in urging community-wide oral polio vaccine programs.

Both groups state that Sabin oral vaccine Type I and II are fully licensed and effective for infants and children.

A holiday spree in gay Paree! Walt Disney's technical production of "Bon Voyage," starring Fred Murray and Jane Wyman, playing at the Capada Drive In, Sunday, Monday and Tuesday.

More than 70 per cent of the Department of Health's polio vaccination program is now in progress. Only two of the five sons who had received no Salk cases reported last week were paralytic, says the Health Department.

SHORT SNORTS — Governor Floyd County 14 Years Ago

Daniel has appointed Howard Barr of Austin and Arthur Goodman of Beaumont to the State Board of Plumbing Examiners. State colleges have about 9,000 more students enrolled this fall than they did a year ago, figures at the Texas Commission on Higher Education indicate. State's general revenue fund, briefly on a cash basis last month, has dropped back to a \$19,459,359 deficit and State Treasurer Jesse James expects it to linger until sometime next year.

Mr. and Mrs. Henry Barber were in Dallas the weekend of Sept. 23-24 to visit their son and his wife, Mr. and Mrs. Don Barber. The son is now working with the IBM Company. While in Dallas the family enjoyed a trip to Six Flags Over Texas.

Joy Lambert, daughter of Mr. and Mrs. Fred Lambert is one of 18 charming ladies in the high plains who spent yesterday and last night in Amarillo, guests of Tri-State Fair officials. The young women are entries in the Tri-State Queen contest.

H. S. Waller, who raised the first bale of cotton to be brought in to Floydada this season was presented a \$100 premium. Mr. and Mrs. O. E. Murry and Otis Campsey returned home Tuesday from Sulphur, Okla., where they attended funeral rites for Jim Coffman, brother-in-law of Mrs. Murry.

F. L. Marble of South Plains celebrated his 80th birthday Sunday with a surprise dinner held in the home by his wife and all the children.

O. P. Rutledge recently returned from the home of his sister, Mrs. E. R. Moore, at Oak Cliffs in Dallas, where he attended the celebration of his parents 70th wedding anniversary.

J. R. McSpadden of Lubbock, son-in-law of A. H. Mannings, is believed to be recovering from an illness of some four weeks.

Wylie Rogers underwent an appendectomy Sept. 22.

A baby girl, Elaine, was born to Mr. and Mrs. A. E. Sell on leaving the Davis County Jail.

A chrome travel rack is stan- dard on Rambler wagons.

The All-Season dard on Rambler wagons. Along with the new styling, the center of American Motors has changed model designations for the 1963

icient spot or area cooling. Axle ratios have been revised on the Classic for improved performance and economy. Power-Guard 24 battery and Dowgard radiator coolant are guaranteed for two years or 24,000 miles.

The Classic six-cylinder engine, with an option of aluminum or cast-iron block, is rated at 127 horsepower with a power-pack option of 138 hp. The standard Ambassador V-8 engine delivers 250 horsepower with an option of 270.

Luxurious Interiors

Interiors are dramatically restyled in keeping with the new exterior. Fresh patterns in a variety of fabrics and unique treatment of door trim convey a look of luxury, even to lower-price models.

Comfort, visibility and convenience of instruments and operating controls keynote the interior design. Seats are chair-height, with added comfort provided by optional Lounge-Tilt seats for both driver and passenger. This feature elevates the seat hydraulically to any desired position for comfortable leg support.

Other options include individually adjustable reclining seats which convert to travel beds, and re-designed headrests.

Fiber-glass acoustical ceiling liners are standard. The liners absorb road noise and provide extra insulation for the passenger compartment.

Both Classic and Ambassador have 14 inch tires to compliment the new low profile styling.

As the result of many owners requests, station wagon models have concealed storage compartments in the floor of the cargo area for cameras and other valuable items. Compartments are equipped with locks on most models.

Ten models are available in the Classic series and seven in the Ambassador line. The '63 Rambler colors include 13 solid colors and 42 two-tone combinations in double-coat baked enamel.

E. C. Wingrove Rites Friday

E. C. Wingrove, 85 year old grandfather of Mrs. H. R. Gregory of Floydada, died in Alvin, Tex., Friday. Funeral rites were conducted Monday morning in the Alvin Church of Christ.

Survivors include a daughter, Mrs. J. R. Kemp of Lubbock and three grandchildren.

The interior of the 1963 Rambler is dramatically restyled to match the new exterior. The instrument panel is designed with legibility, convenience of operation and safety in mind. Plushness extends from seat fabrics to floor coverings. Shown is the optional "Twin-Stick" floor shift model with console and bucket seats. Reclining seats, Lounge-Tilt seat and headrests are available as added comfort features. See the new Rambler Oct. 5 at City Auto Co. in Floydada.

His mother, Mrs. Lee Ring returned home with them for a visit.

Mrs. Lyndie Patterson and children are house guests of her parents, Mr. and Mrs. Earl Foster.

Miss Edwina Overstreet was the house guest of the Atmer-Atkinson family of Lubbock over the weekend. She attended Texas University-Tech ball game with friends from the University.

Roe Motors In Floydada Show New '63 Dodge

DETROIT, Oct. 1 — Dodge introduced a longer, roomier, standard-size entry in the low-price car market today.

The new Dodge is built on a 119-inch wheelbase and is six inches longer than last year's models. The Dodge line offers a choice of 24 different models in three series.

Both the popular-price Dodge and its compact companion, the 1963 Dart, is now being shown at Roe Motors in Floydada.

Wide Selection

Dodge General Manager Byron J. Nichols said the new Dodge, the compact Dart and the luxury-line Dodge 880 — to be introduced in December — will give motorists the widest selection of cars in the company's 49-year history.

"We have increased the size of the Dodge, given it greater performance capabilities, lengthened

1963 DODGE — The standard-size, low-price Dodge for 1963 has a 119-inch wheelbase, roomier interiors, and completely new styling. Engineering improvements provide additional convenience, reliability and durability. The new Dodge offers a choice of 12 super-enamel colors and 14 two-tone combinations. Now on display at Roe Motors in Floydada.

its potential life and reduced its servicing requirements," Nichols said. "We have done this, especially, to permit its owners to take full advantage of our nation's fast-growing network of fine highways and freeways."

"Owners of 1963 Dodges will be able to travel longer distances more rapidly, with maximum safety and in greater comfort."

"Further, we believe that the 1963 Dodge has been engineered and styled so that it meets completely the needs and desires of a majority of the American car buyers."

Choice of Engines

The Dodge for '63 also offers a wide choice of engines, including a 225-cubic-inch Slant Six and a family of V-4's with displacements ranging from 318 to 383 cubic inches.

A spirited 383-cubic-inch "eight" is standard on the new Polara 500, successor to the 1962 model which was named "Performance Car of the Year" by a leading automotive magazine.

Also available on a limited basis to certain car enthusiasts is a special Ram-Charger V-8 with a 426-cubic-inch displacement.

A three-speed manual transmission and a three-speed automatic pushbutton transmission are offered on all engines, both day and Wednesday in Floydada six and eight.

Styling highlights of the 1963 family and old friends. There are a wide, rectangular grille with bold, vertical bars;

rectangular tail lights. The 1963 Dodge features a host of mechanical improvements designed to make it "dependability-engineered," Nichols said.

Among the engineering innovations are:

A newly developed aerodynamic windshield wiper blade which resists windlift at high speeds. Air flowing over the curved surface of the blade produces a force which increases its pressure on the windshield.

More thorough protection from corrosion. The body of the car is given a deeper dip in anti-rust primer. Rustproof clips are used for the body moldings. And additional splash shields prevent accumulation of salt and other corrosive materials.

An aluminum exhaust system with a 50 per cent longer life expectancy.

"All of these improvements are aimed at making the 1963 Dodge durable, convenient — and there's a genuine pleasure to own," Nichols said.

Ray Barnard of Roll, Ariz., near Yuma, left here Thursday on a mission for Wichita Falls and Dallas to visit his children. He spent Tuesday and Wednesday in Floydada visiting his brother, Jim and family and old friends.

Barry Joined By Other Candidates In Rally Friday

Republican candidate for Congressman at Large and running for office for the first time, Desmond Barry didn't pull any punches Friday morning in his talk to his fellowmen in Floydada.

Barry spoke on the platform he is running on which calls for eliminating federal interference; shut off aid to communist countries; bring a two-party government to Texas; more freedom to American businesses enabling them to compete on an equal basis with foreign industries we subsidize; reduce taxes, return to Constitutional government and yield no more soil to communism or one-worldism.

Barry was well received in Floydada as were two other republican candidates who spoke following his talk. They were John D. Zahn, Republican candidate for Senator 30th District of Texas, and Bill Hayes, candidate for Lt. Governor.

Zahn is a native of Haskell County and a resident of Farwell. He is married and has two sons. He has a B. A. degree from Baylor and has business experience in farming, building contractor, postmaster, banker, real estate, radio and television.

Hayes is an experienced legislator, successful business man, nationally recognized author, veteran civic leader and a vigorous conservative in Central Texas. Hayes says he will represent the people of Texas not the special

Scout Show-and-go Scheduled For Camp Post Oct. 6

The odor of wood smoke, freshness of clean outdoor living and the ring of a good axe in solid wood will lure Volunteer Scouters to Camp Post, Post, Texas October 6th, to participate in the South Plains Council's SHOW-AND-GO, a ten hour session of events designed to bring the program of scouting to volunteer workers of taking Scouting to boys of their area.

Jim Word of Floydada is a co-chairman of this year's SHOW-AND-GO and other planners are expecting the largest number of scouters to participate in this event than in any of the past years.

The SHOW-AND-GO, a training course designed to give instruction and practice in scouting skills, will offer such things as teamwork as a patrol from a troop, a competitive interpatrol rally, a cookout prepared to Scout standards, viewing and participating in the best program aids and gimmicks available in the council.

"The day of activity will be closed with a campfire program designed to send Scouters home pledged to give more and better scouting to the boys enrolled in tendance at the Post event.

Interest and not the political boss stamps.

Mayor S. W. Ross, who was introduced by Mrs. Gene Arwine, made the introduction of the guest speakers.

Coffee and doughnuts were served and a period of visiting with the dignitaries was held following the rally.

DODGE PRESENTS THE DEPENDABLES FOR 1963!

1963 DODGE... BEAUTIFUL NEW ENTRY IN THE LOW-PRICE FIELD

1963 DODGE DART... A FRESH NEW COMPACT IN THE LARGE ECONOMY SIZE

INTRODUCING THE 1963 DODGE

Now a complete new line of cars in the low-price field. The 1963 Dodge! People who see it just naturally get carried away. Reasons? 1. The looks: Great! 2. The price: Low! Wouldn't you rather own a Dodge than other low-priced cars? 3. The room: Big! Notice how the roofline sweeps straight back. That means ample headroom for the people in back, not just the ones in front. Seats? Your choice of models with sofa style, buckets or fold-down center arm rest. 4. The upkeep: Low! Dodge is rust-protected. The body unitized. The brakes self-adjusting. A major grease job lasts 32,000 miles, an oil change 4,000. 5. The feel behind the wheel: Like nothing else! Five strong engines to choose from. Smooth-going torsion-bar ride. Easy low-friction steering. Comfortable chair-high seats. Nylon, leather-grained vinyls. There are several hundred more reasons why you'll be carried away. Your Dodge Dealer has 'em all.

NEW 5-YEAR/50,000-MILE WARRANTY! Your authorized Dodge Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair for 5 years or 50,000 miles, whichever comes first; on the engine block, head and internal parts; transmission case and internal parts; torque converter, drive shaft, universal joints (excluding dust covers), rear axle and differential, and rear wheel bearings—provided the vehicle has been serviced at reasonable intervals according to the Dodge Certified Car Care schedules. Factory approved remanufactured parts may be used for replacement.

THINK BACK

Which party has had a constructive view concerning agriculture and its problems?

Which party originated and has espoused many of the things most beneficial and cherished among the people?

Business would not have been sustained through the years in our prosperous area if it had not been for Democratic Party understanding, support and progressive leadership in rural electrification, markets and agricultural industry.

THINK FORWARD

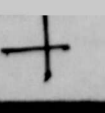

Who among the dirt farmers in this area would want to kill agricultural support? Labor has its wage floor and hour ceiling. Manufacturers have tariff protection. Banks have federally insured deposit guarantees. Transportation rates are set, based on investment. Gas, Electricity and Phone service are based on fair return on investment.

Social Security Man Will Visit

Floydada Oct. 8

Thousands of people who are collecting social security checks do not get them as promptly as they could simply because they move and fail to notify social security offices of their new addresses, the Social Security Administration has announced.

A notice to the Post Office will not get an address changed on social security records, John G. Hutton, District Manager, Lubbock Social Security Office, said today. The best way of insuring the prompt and safe delivery of your social security check each month, he said, is to let the Social Security Administration know your new address as soon as you plan to move.

A notice to the Post Office of your change of address will take care of having any checks already on their way to you, but it will not insure the prompt delivery of those to follow.

You may report your new address to the Social Security Administration by filling out and mailing the post card which is given to you when you begin receiving your checks. Or send a short note to your Social Security Payment Center, giving your name and address, your social security claim number, your new address and the date you plan to move.

The address of the Payment Center is on your "Certificate of Award". If you prefer, you may call your local social security district office to get the address. A representative of the Lubbock Social Security office will be in Floydada on Monday, Oct. 8 in the Courthouse at 9:30 a. m. and will be glad to assist in all matters pertaining to social security.

Hi-Plains Highlights

Heavy hail on May 16th this year reduced the wheat yields below the previous high records at the High Plains Research Foundation.

The report on small grain research was prepared by Delbert Langford, Associate Agronomist of the Foundation, and S. N. (Nick) Vilm, Chief Chemist for Producers Grain Corporation Laboratory of Amarillo.

Fourteen varieties were included in the wheat yield tests. Warrior, Tascosa, and Bison had the highest yield. These varieties also scored highest in baking quality. The yield differences were not true to form because of the hail. This disaster in some cases nullified and in other cases exaggerated the yield differences.

The test show that the wheats to grow, under irrigation, are

NOW...GO CHEVROLET FOR ONE-STOP SHOPPING IN '63 IT'S EXCITING!

This is about the best thing that's happened to buying cars since Chevrolet started building them—four entirely different kinds of cars to choose from at your Chevrolet dealer's One-Stop Shopping Center. If you're a luxury-lover, you'll probably want to go no further than those 13 plush new Jet-smooth '63 Chevrolets. Want to give your budget an even bigger break? Step over and see what's new with those 10 nifty models of the '63 Chevy II. Or maybe you've been eyeing sports-car caps, in which case have a go at a sporty new '63 Corvair (8 of them, including three snazzy bucket-seat Monzas and those big Greenbrier Sports Wagons). There's even something for the all-out sports-car set—the daring Corvette Sting Ray. Picking a new car has never been easier. (Unless you'd like to own them all!)
