Half Million Dollar Onion Crop Set Out And Growing

They're playing a long shot — the stakes are high — and the winnings are high — if the crop is average to good and the price is fair they may be able to stay in the onion business. This pretty well sums up the possibilities of Floyd's onion growers who have been setting out this "Bad breath" crop for the past two weeks.

It looks like there'll be a little over 700 acres of onions in the county this year. If they make an average yield of 600 sacks to the acre and get an average price of \$1.50 per sack, — then the county will see a relatively small acreage produce over a half million dollars.

Local grocery and department stores are realizing an increased volume of business while the extra labor force is in the area setting out the plants — there'll be more of the same at hoeing and harvesting time.

Dude Walden, Buster Simpson, Buck Hickerson, A. J. Lamb, Alfred Clark, Max Dyess, Charles Hamilton, Lee Trice and Harold Verret.

Two Lockney onion farmers will probably market through Barwise; Raymond Rucker and Gene Handley.

In the Floydada Onion Growers Association: Lane Decker, Junior Simpson, Bill Brown, John Kimbell, Guy Ginn and Richard Stovall.

In the Barwise Onion Association are: Chuck Holmes, Johnny Miller, Tom Snead, B. A. Robertson, J. A. Arwine, Gene Arwine and Bill Hale.

In the S & H Association are: J. S. Hale, Jr., Paul Wheeler,

Most of them have been raising onions for several years. They hit the jackpot in 1956 when prices and yields were great — and they've lost, broken even, or made a little money in the years since.

Most of the farmers who put out sets have them on hand from

the valley, but were having trouble finding enough labor to set them out early this week.

NEW TELEPHONE CABLE was installed underground this week to the communities of Dougherty, Antelope and Pleasant Hill. Southwestern Bell Telephone Company has employed the Ferris Thompson Construction Company of Sweetwater to install the 25 miles of underground cable. It takes a lot of power to dig the ditch and feed the cable, all in one operation. Equipment pictured above was near Lakeview. Better service to telephone users plus the convenience of doing away with aerial carrier lines for the telephone company are the advantages of the \$70,000 job.

Bradleys Leave April 5 To Join Japan New Life Movement Group

Rev. Floyd C. Bradley and Mrs. Bradley of the First Baptist Church in Floydada will leave for Hawaii on April 5 to join the Japan New Life Movement. The couple will spend the remainder of the week in orientation. The following Saturday they will em-plate to the southern-most island of Hysuha, to the city of Mouta where they will take part in the Japan Baptist New Life Movement.

The Ewa Baptist Church in Hawaii consists of mainly service men and their families. In Omuta, the city of mining and agriculture of 200,000 people only 200 are members of the church which is the largest in Japan. The revival there will include 500 Texas Baptist participating.

Rev. Bradley will be in the revival from April 21 through April 28 with Mrs. Bradley working with women, young people and children during the time. They are due to arrive back home about May 1.

During the revival Rev. Bradley will also fill speaking engagements, one for the Omuta Rotary Club, two speaking engagements at the Omuta High School and guest speaker at the city's hospital.

Baptists say the Life Movement in Japan will be the largest attempt at evangelism ever made on a mission field and in less than two months time they hope to implant firmly, the Gospel of Jesus Christ in the hearts and minds of the Japanese people.

All participating Texans in the Crusade are cognizant of the responsibility placed on them by being chosen to take part in the movement. If the effort is successful in even small measure, they feel they have played only supporting roles.

Justice of the Peace Ed Griffin said cause of death was from a 12 gauge shotgun chest wound, self-inflicted.

Alexander was found in bed shortly after 11 o'clock by his cousin, Leonard Alexander, with whom the deceased made his home.

He had been a resident of the county since 1947 first making his home with an uncle, C. Alexander for about a year then with the cousin.

Marshall and Marshall Funeral Home in Hillsboro were in charge of services conducted at Hillsboro this week. Harmon Funeral Home were in charge of local arrangements.

Survivors in addition to the local uncle and cousin is his mother, Mrs. D. L. Alexander of By num; three brothers and five sisters.

County Agent's Executive Group To Meet Monday

A group of county leaders met with County Agent Tom Davison and County Home Demonstration Agent Phyllis Roggenorff Wednesday night to discuss the possibility of organizing a county program that would work for the advancement of the agriculture and home demonstration phase of the county.

Another meeting to establish an executive committee will be held in the council room of the county courthouse at 2 p. m. Monday.

Leaders of the effort include: Jack McIntosh, Gene Collins, Jim Word, B. A. Robertson, Mrs. Lynn Miller, Mrs. Lon Smith, Mrs. Wilbur Adams, and Mrs. Austin King.

Floyd Man Found Under Tractor

Fred Skinner, 74, was found dead under his tractor on the Haydon Boggs farm in the northeast corner of Floyd County Monday.

Although it was thought that Skinner was killed when the tractor fell on top of him down into an eight foot deep creek, it was known that he had heart trouble and a heart attack could have preceded the accident.

Skinner was clearing some brush from the area in order to locate a house to be moved in. A Quaque funeral home has charge of funeral services.

Lockney Group Winners At Lubbock Stock Show

Bob Kropp, 16 year old son of Mr. and Mrs. Paul Kropp of Lockney, and member of the Floyd County 4-H Club, took the Reserve Champion for his Poland China in the Swine Show held in Lubbock this week. He also won second in the heavyweight Poland China class. His sister Paulette Kropp, won first place with her Duroc lightweight, and a brother, Jim Kropp, took second place with a lightweight Chester White, and second place in the middle weight class. Paulette also won second place in the Hampshire medium weight class.

Neil Mitchell, another Lockney youth, and member of the Lockney 4-H, won third place in the Chester White heavy weight

Teenage Baseball Association Meeting Set For Friday Night

There will be a called meeting of the Floydada Teenage Baseball Association on Friday night, March 22. This word comes from Claude Estes, vice-president of the local organization and

state director for Texas Teen Age Baseball.

Estes says the meeting will get underway at 7:30 p. m. in the community room of First National Bank. All managers, coaches, league officials and interested fans and parents are urged to be in attendance.

Purpose of the meeting is to organize for the coming season. Estes states that there has been some interest shown for a new senior league for boys 16 through 18 and views will be aired on this matter along with other items that are to be discussed.

The boys baseball program in Floydada has been one of the best to be found anywhere and an early start is a must if it is to carry on in the same fine manner.

The program last year included three leagues; T-shirt for boys 8 and 9 years old; Freshman for boys 10, 11 and 12; Junior for boys 13, 14 and 15. Several hundred boys usually find summer recreation and fun in league baseball.

Evans Funeral Scheduled For 2 P. M. Today

Funeral rites will be conducted this afternoon at 2 o'clock in the First Methodist Church for Elbert Turner Evans, 86, who died in Northwest Texas Hospital, Amarillo Tuesday afternoon at 5:30 p. m. Rev. Charles Lutrick, pastor of the church, will officiate. Interment will be in Floydada cemetery under the arrangement of Harmon Funeral Home.

Pallbearers will be J. K. West, Parnell Powell, W. C. Snodgrass, Henry (Buddy) Sue, W. F. Daniel and H. G. Watts.

Mr. Evans was born in Louisiana on January 30, 1877. He moved to Cottle County in 1898 and lived there and in Foard County where he farmed until coming to Floydada in 1951. He was a retired farmer and member of the Methodist Church.

He and the late Mrs. Evans were married in December of 1908 in Quanah. She died Oct. 7, 1956 in Floydada.

Survivors include four sons, Earl Evans of Batesville, E. T. Evans of Amarillo, Franklin Evans, Blue Ridge, Tex., and Melton of Floydada; three daughters, Mrs. Ernest Lee Thomas and Mrs. W. R. Daniel of Floydada and Mrs. Raleigh Luker of Brownfield; one sister, Mrs. Jim Wiechard of Rockport; one brother, Willis Evans of Sweetwater; 17 grandchildren and one great grandchild.

Lockney Voters Approve Bonds

Lockney voters last Friday approved two bond issues totaling \$150,000 to finance much needed city improvements.

A \$100,000 street improvement bond was approved with a vote of 316-144 count and a \$50,000 bond issue approved by a vote of 297 to 151 to build a new city hall and fire station.

City officials at Lockney said there will be no tax increase necessary to finance the bond.

The council's plans are for a curb-to-curb paving and drainage program on streets. The bond funds will be used to pay for intersections and alley entrances and hardship cases.

Lackey Calls Board Meet For Tonight

President of the Floyd County Junior Fat Stock Show Gerald Lackey has called a meeting for tonight at 7:30 in the Lighthouse Electric Building in Floydada.

This meeting will be devoted to discussion of the past show and for making suggestions on how the 1964 show might be improved. Several board members retire and others will need to be elected at the meeting.

County Spelling Bee Scheduled For 7:30 Tonight

Approximately 60 students are expected to participate in the annual Floyd County Spelling Bee which is scheduled for tonight (Thursday) at 7:30 in the County Court room. There will be the junior and senior divisions in the spell down.

Students are expected to spell from Floydada, Lockney, South Plains, Dougherty, Lakeview, and Providence.

Mrs. H. G. Barber will be pro-nouncer and Clarence Guffee, spelling bee director.

The county winner will then be eligible to participate in the 11th annual Lubbock Avalanche-Journal Spelling Bee April 6.

Over 50 To Work On Project

Floydada chamber of commerce officials have completed selection of a committee to begin work on a new hospital for the city.

The meeting has been called for 7:30 p. m. April 2 in the community room of the First National Bank.

At the meeting, plans will be presented of new hospitals at Throckmorton and Spearman. Committees will be appointed to study several area hospitals and make recommendations as to the best hospital plant for the money and to meet the need of Floydada and this area.

Selected to work on the project are: Rev. Floyd Bradley, Kenneth Bain, Sr., Fred Battey, Baird Bishop, J. B. Bishop, R. Fred Brown, W. Ed Brown, Dr. Charles Craig, Aaron Carthel, H. O. Cline, Menard Field, Dr. A. E. Guthrie, Walton Hale, Cecil Hagood, Wendell Tooley, Rev.

HERSHEL CARTHEL AND MRS. E. J. FOSTER

AT ANNUAL C - C BANQUET Hershel Carthel, Mrs. E. J. Foster Named Lockney's Most Outstanding 1962 Citizens

LOCKNEY (Special) — Hershel Carthel and Mrs. E. J. Foster were named as Lockney's outstanding citizens for 1962 at the annual Chamber of Commerce membership banquet Friday.

A record number of persons attended the local event—360 were present in the high school gymnasium.

Carthel was cited for "having a hand in about all good projects in Lockney," according to M. L. Brewer, recipient of last year's award.

Serves On Fair Board
Carthel is serving his second term as president of the Floyd County Fair Board. He initiated plans for the fair group to secure property from Anderson, Clayton

Company to permanently house the county fair.

A member of the Prairie Chapel Church of Christ, Carthel is a former member of the school board and the Chamber of Commerce board of directors.

Mrs. Foster was termed as "a conscientious woman who does every job to the best of her ability and her abilities seem unlimited," stated Mrs. Tommy Montandon, last year's winner.

Mrs. Foster is an active worker in the First Methodist Church, Cancer Crusade, Red Cross, March of Dimes, Girl Scouts and many other civic projects. Currently she is president of the Laventana Study Club, worthy matron of Eastern Star, noble grand

for Rebekah Lodge and mother advisor for Rainbow Girls.

Past PTA President
A special plaque was given to Oren Thornton past president of the PTA and Band Boosters Club and as a past director of the Floyd County Fair Board.

Main speaker for the banquet was Dr. Charles W. Jarvis, a San Marcos dentist who emphasized that, "Your town can walk, run, fly or die—it's up to you."

Noted humorist, Jarvis spoke on "A Prescription for a Happy Life." During his speech he said, "I hope Texas never gets so full we fail to love people." Raymond Akin, Plainview auc- (See Banquet, Page 8)

The Pep Pills

Pills to keep one mentally alert, and wide-awake, when otherwise drowsiness or sleep would take over, are being used increasingly in the United States.

Since 1949 the use of these boot-legged pep pills has increased at an alarming rate. The commissioner of the Food and Drug Administration, believes it is essential that the racket in these pills be broken up now.

In fact, the Food and Drug Administration estimates that less than one-third of the pills being sold, to keep people alert and wide-awake when they otherwise would go to sleep, are sold legally.

Students are using them to study for examinations, drivers are using them, night workers, etc. The danger, is that, if taken in increasing doses, the drug finally produces insomnia, aggressive behavior, and even personality disorders due to brain damage.

Yet this has become a wide-spread practice by many in the United States, and this practice should be understood by all citizens, and all of us should seek to discourage the use of the drug in any way possible.

Rowan's Attitude

President John F. Kennedy recently appointed Carl Rowan, Negro State Department official, Ambassador to Finland. The move is an interesting one because it has political overtones.

The background of this appointment is not what it should have been. The new appointee, one of the most prominent and successful among his race, in government service, would be especially valuable to the United States serving in Africa or in any of the nations where colored populations bear Communist charges almost constantly that we make life miserable for Negroes in the United States.

The Kennedy Administration reportedly wanted him to serve in Africa, where he could do this country the most good. But he reportedly declined to serve U. S. interests in countries populated by his own race.

Government service, at its best, is serving where one's country needs one, and where one can contribute the maximum in behalf of his country.

GUEST EDITORIAL

Shoud Have Kept M-1

Three years ago, the Army introduced a brand-new basic infantry weapon, the M14 rifle, as a replacement for the outmoded, World War II vintage M1. At the time, many military experts doubted the wisdom of the move. Although they recognized the need to replace the old M1 rifle, they feared the M14 was not the answer.

While the first M14s were coming off the production line, Army weapons experts were designing a replacement for it. Now reports are filtering out of the Pentagon to the effect that the M14 will be phased out by 1965. Its probable successor will be the AR16, a new rifle designed and manufactured by Armalite, Inc., of Costa Mesa, Calif.

Why was a green light given for production of the M14, when three years ago it might have been observed that the weapon would be obsolete before it fired its first shot? Gun World magazine points out in its April issue that: "High-placed Pentagon sources admit among themselves that adoption of the M14 rifle for the armed forces has been a blunder based upon a comedy of errors."

How expensive has this comedy of errors been? Development of the M14 alone cost 5 million dollars. More than 130 million dollars has been spent producing it. And that's throwing too much good money after bad. (Dallas Morning News)

CITIZENS WHO VISITED Floydada Junior High School during their open house had plenty to see in the way of exhibits made by students and put on display. Among those was the display above. David W. Bloys, 7th grader, left, son of Mr. and Mrs. Gene Bloys, is showing an electric motor made by him, and Derrell Monday, 8th grader, right, son of Mrs. Wilma Green, is talking to David over his Intercom communication set made by him. Both boys plan to enter their exhibits in the High Plains Science Fair at Wayland Baptist College on March 22 - 23.

STATE CAPITAL
Highlights
AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN - A \$3,000,000,000 budget bill has been passed by the House of Representatives. Before it cleared the House and went on to the Senate, the bill elicited several cries of anguish from some who protested agency requests as too small and some agency purchases without advertising for competitive bidding.

Rep. Forrest Harding of San Angelo claimed appropriations for the State Armory Board and the State Board of Control were too big, since they involved \$1,000,000 of rising costs. He proposed a salary raise for executive directors of those agencies.

Rep. Terry Townsend of Brady claimed deputy commissioners in the Texas Education Agency draw a total of \$14,800 more than the Legislature authorized.

Townsend also tried to cut out a \$250,000 appropriation to improve the newly donated Whealy Ranch in Blanco County as a state park. He claimed the money was needed for established parks. But this move failed.

HIGH COST OF FLYING - Another attempt to cut a specific recommendation out of the budget bill almost was successful. Rep. James Cotten of Weatherford tried to get the House to "ground" the State Land Office airplane. He pointed out that \$100,000 is appropriated annually for operation and maintenance of a high-powered Land Office plane.

Cotten showed a photostatic copy of the plane's flight log for the year ended October, 1962. He stated, "In a year's time, only 68 flights were recorded. Sixteen were test flights to familiarize the pilot with the plane before he collided with another plane in a hangar and then he had to take eight more test flights to familiarize himself with the new propeller!"

Rep. Joe Chapman of Sulphur Springs disagreed. He said that the plane is necessary for aerial surveys and photographs to confirm the 1941 state land survey. Cotten insisted that the Land Office should hire commercial aerial photographers, as the Texas Water Commission does.

Cotten's amendment to strike out the plane appropriation failed by a narrow 72-68 vote.

LOW COST OF EDUCATION - Complaints about too-low appropriations came from members who said allotments for higher education in 1964-65 are too small. The last Legislature appropriated \$159,000,000 from the State General Revenue Fund for higher education in 1962 - 63. State college administrators requested \$243,000,000 for the coming two years. Former Gov. Price Daniel and the Legislative Budget Board recommended \$226,000,000. Gov. John B. Connally recommends \$225,000,000. Paducah Rep. Bill Healy's appropriations bill allows for \$187,600,000 to educate the bumper crop of war babies that is expected to begin to flow into state colleges next year.

Rep. Hugh Parmer of Fort Worth claimed the Healy committee had slashed Arlington State College's library budget so drastically, the school might not be accredited next year.

So, Parmer and Rep. Don Gladden of Fort Worth begged for an amendment to raise Arlington's appropriation. It failed by a vote of 94-41. The \$172,000 needed to make the Texas Maritime Academy in Galveston a reality was absent from the appropriations bill. But Governor Connally said, "I have real hope of getting the Legislature to restore the maritime money." He didn't say whether he had any hope of getting the allotment for higher education boost.

islatures. Rep. Bill J. Parsley of Lubbock said, "This may be the last time the state can take a stand on what may be the last of state's rights."

If the proposed amendment is adopted by a sufficient number of states, Texas could insure a racially-dominated legislature, despite urban growth.

Red Cross In Floyd County Off To A Start

The Floyd County American Red Cross to a start on their fundraising campaign which will continue through the month of March 23rd, according to Turner, chairman.

Goal for the county set at \$2900.00. The chairman said contact has been made with workers as to how the fundraising is progressing.

Mrs. Icie Sneed of Wood, Calif., is a home of her son, and family and is Sneed children while his wife are on an extended trip which will take them to Mexico City. They will be about two weeks.

Texas cotton growers used 6,777 spinners and 37,540 strippers to harvest about 10 million bales of cotton. The increase in acreage and machines was credited to Fred C. Tension cotton specialist. He said that lateral control and weed control was three times as many in 1962 as in 1961. 44,000 growers were planting cotton into a plowing program under the Cotton Program, he said.

Farmers Repay Nearly \$100,000 To U. S. Agency

Floyd and Motley counties during 1962, \$390,000 went to farmers to buy equipment, livestock, fertilizer, pesticides, feed, tractor fuel, and other supplies for farm and home.

Farm ownership loans totaling \$111,000 were made to three farmers in Floyd and Motley counties to buy, develop, or enlarge their farms and to refinance debts. Private lenders advanced \$72,190 of these funds under the Farmers Home Administration's insured loan program.

Rural housing loans totaling \$106,270 went to Floyd and Motley counties to build or improve houses and service buildings on farm and in rural communities.

Emergency loan totaling \$67,000 were made to eight Floyd and Motley County farmers to assist in maintaining normal farming operations following losses caused by weather, insects and economic changes.

The Food and Agricultural Act of 1962, signed by President Kennedy in September, added a number of new loan authorizations to the Farmers Home Administration program of supervised credit in the state, Mr. Harrison reported.

Farm operating and ownership loans were broadened to include the financing of recreational enterprises designed to help supplement farmers' incomes.

Small towns and associations of farmers and other rural residents now may also borrow funds to finance changes in land use, including development of recreational facilities.

The Senior Citizens Housing Act of 1962 established a Far-

Plainview Production Credit Assn. Plans Annual Meeting

PLAINVIEW — (Special) —

The 29th annual stockholders' meeting and barbecue luncheon of the Plainview Production Credit Association will be held Saturday, March 23, at the Plainview High School, with more than 1,000 stockholders and guests expected to attend.

An election of two members of the board of directors and an address by W. N. Stokes, president of the Federal Intermediate Credit Bank of Houston, will feature the business session of the home-owned and operated agricultural financial institution, largest Production Credit Association in the nation.

A barbecue luncheon will be served to stockholders and guests from across an eight-county area of the high plains, in the high school cafeteria beginning at 11 a. m. General Manager Noel Woodley announced, followed by the business meeting at 1 p. m. in the high school auditorium.

"This is the one time each year that stockholders of the association have the opportunity to gather to conduct the business of their association," Woodley said. "We have an interesting and informative meeting planned and wish to urge all our stockholders to make every effort to attend."

Nominated to the two positions on the board of directors are incumbent David Anderson of Muleshoe and Billy Carthel of Dimmitt for one post and incumbent Grady Shepard of Hale Center and Arthur Hegl of Floydada for the second post. All four men are prominent area farmers and stockmen and are long-time Production Credit stockholders and leaders.

Holdover directors are President L. R. Durham and Vice President Henry Hayes, both of Plainview and Don Garrison of Silvertown.

Other business meeting activities will include a report from the board of directors by Director Shepard, a secretary-treasurer's report by General Manager Woodley and a report from the 1963 nominating committee by Chairman S. L. Garrison of Dimmitt.

Special entertainment will be furnished by the Stamps Quartet and luncheon music will be provided by Mrs. Inez Farrell. Vice President Hayes will give the invocation and President Durham will preside at the business meeting.

Stokes, the guest speaker, is a prominent figure in the national farm credit system. In addition

intermediate-term credit in Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Farmer and Swisher counties. Offices are operated in Plainview, Muleshoe, Littlefield, Floydada, Dimmitt, Tulia, Silvertown, Olton and Friona.

Members of the 1963 nominating committee are Chairman Garrison, W. E. Schott Jr. of Briscoe County, M. I. McNeill of Floyd County, Oliver King of Hale County, Wiley Baker of Bailey County, Jay Boston of Castro County, A. L. Black of Farmer County, Jim Doan of Swisher County and C. D. Kirkpatrick of Lamb County.

Helen Fay Foster, daughter of Mrs. Effie Foster of Floydada, was among students at Texas Tech, who were initiated into the Omega Chapter of Phi Upsilon Omicron, home economics professional fraternity on Sunday morning.

After the ceremony a breakfast was held in honor of the new initiates at the Country Inn. Later the group attended services at the First Baptist Church in Lubbock.

Three Floyd County ginners returned home Tuesday from Prattville, Ala., where they flew Monday as guests of Continental Gin Company of Lubbock to inspect the company's home office and plant facilities.

Making the trip from this area were W. W. Trapp, manager of Floyd County Co-op; Roy Ferguson, manager of Farmers Gin at Lone Star, and R. D. Holly, owner and manager of Dougherty Gin.

The Plainview Production Credit Association had a 1962 loan volume exceeding \$39,826,000, highest in the association's history, and largest volume of all the nearly 500 associations throughout the United States.

The association's assets total \$23,902,000 and provides short and

Excursions by bus-plane to continue in two Texas cities

McAllen-Texans on summer vacation trips to Mexico will get the same general type of excursions this year from the Valley ports of entry at McAllen and Brownsville that drew hundreds of winter tourists.

Travel directors of the two cities decided to continue the plane and bus excursions through the summer. The trips will be mainly to Mexico City, Acapulco, Guadalajara and Monterrey. Bridge crossings records show travel from McAllen and Brownsville over the excellent roads into Mexico reached an all time high for tourists in their own autos.

These new authorizations were in addition to a general modernization of Farmers Home Administration existing lending programs brought about by the Agriculture and Housing Acts of 1961.

All Farmers Home Administration loans are accompanied by technical advice on farm and financial management. Loans are made only to applicants unable to obtain needed credit from conventional lenders.

Bullock - Hicks Wedding Solemnized On March 7

The wedding of Miss Kay Bullock and Bill Hicks was solemnized at 5 p. m. Thursday, March 7, in the First Methodist Church in Clovis, N. Mex., with Dr. Williamson, pastor officiating at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. R. C. Bullock and the bridegroom is the son of Mr. and Mrs. J. M. Hicks of Floydada.

The couple's attendants were Mr. and Mrs. Dan Gross of Clovis, sister and brother-in-law of the bride.

The new Mrs. Hicks chose a blue linen suit with matching accessories for her wedding attire.

Following a trip to points in New Mexico the couple are at home in Canyon where the bridegroom is a student at West Texas State College.

Both are former students in Floydada High School.

Mrs. Bill Hicks Honored With Kitchen Shower

Mrs. Bill Hicks, the former Kay Bullock, was honored with a kitchen shower Saturday afternoon in the home of Harryette Hollums' parents.

Hostesses served soft drinks and cake made by them and decorated the lovely table in a color scheme of yellow and white. They presented the honoree with an electric skillet. She also received many other useful gifts from those attending.

Assisting with the shower were Nancy Holmes, Jill Matster, Susie Badgett, Karen Stewart, Jackie Yearry, Sandra Marler, Mary Smith, Lana Davis and Harryette Hollums.

Mrs. Barber Is 34 Club Hostess

Mrs. H. G. Barber was hostess in her home for the meeting of the 1964 Study Club Tuesday evening. The business meeting was opened by prayer voiced by the president, Mrs. A. L. Wylie Jr.

Members responded to roll call by giving a description of the flag of the Latin American Country assigned to them for the year's study.

The finance committee reported that a "Tour of Homes" had been set for April 23.

Guest speaker for the evening was L. M. Burkhart, resident engineer of the State Highway Dept. who has spent some time in Paraguay in his work. He gave much valuable information concerning the country and also showed colored slides depicting the mode of living and views of the country.

Refreshments were served to the guests and members. Mrs. Willie Bunch, Ralph Cogdell, A. W. Coltharp, Dennis Dempsey, Wilson Fowler, Homer Guffee, J. S. Hale Jr., Ralph Johnston.

New Officers Of PTA Are Elected

The Parent-Teachers Association of Andrews Ward held their regular monthly meeting on Wednesday of last week Mrs. Q. D. Williams, first vice-president, was chairman of the program and introduced guest speaker, Miss Inez Baucum.

Miss Baucum is a social worker with the Lubbock Children's Home, and gave a very inspiring talk relating to the home.

During business Mrs. Kinder Farris, chairman of the nominating committee, gave the names of officer nominees. All were elected unanimously. They are Mrs. Sammy Hale, president; Mrs. Wayne Bramlet, first vice-president; Mrs. Porter Finley, second vice-president; Mrs. W. H. Simpson Jr., third vice-president; Mrs. J. T. Hodges, Jr., secretary and Mrs. Hollis McLain, treasurer.

PTA members voted to send the new elected officers to the District meeting to be held in Levelland in April and also voted to let the 3rd grade teachers select a book of their choice to be put in the school library in honor of the winning essay students.

The next meeting will be on April 10 at which time the first grade will present songs on the program.

Mr. and Mrs. Will Snell accompanied their daughter, Mrs. Roy Hale as far as Fort Worth where they visited relatives over the weekend. Mrs. Hale was in Dallas where she attended the State meeting of Grapho-analysis. Mrs. Hale was elected vice-president of the organization during the business session.

Williams, Charlie Caldwell, Lana Davis, La Trece Winn, Cindy Simpson, Nancy Anderson and Tim Assiter.

Entertainment consisted of a Woodland Ballet scene featuring Sharon Decker, Judy Probasco, Charlotte Decker and Kary O'Keefe Brown; a piano solo, "Tenderly" by Judy McGrew; a ballet number by Jo Christy Brown and Rande Lu Brown, twirl and dance routine by Janet Kay Moore and Suzanne Collier and vocal duet, "Some Enchanted Evening" and "True Love" by Mr. and Mrs. Hollis Payne.

Assisting with the style show were club members, Mrs. Tommy Assiter, Howard Bishop, O-zell Chappell, Bob Copeland, Charles Craig, J. L. Dalton, Lane Decker, Claude Estes, Earl Edwards Jr., Bill Feuerbacher, Herman Graham, Sammy Hale, Adrain Helms, Clifford Helms, David Kirk, James Lovell, Doyle Moore, Thurman Perry, Bobby Rainer, Ralph Rucker, Tom Theford and Mrs. Claude Weathersbee.

Miss Barre modeled several ensembles given her during her reign as Miss Wool of America, including an evening ensemble appropriate for a wedding gown created especially for her. She modeled the gown minus a detachable train and jacket, along with sports wear, casual wear and dressy attire. Miss Barre also gave a brief talk on her tour of the United States while holding her title.

HOMEMAKING HINTS

By Phyllis Roggenendorff, County Home Demonstration Agent

Peas, Please

How do you like peas best - frozen, canned, or fresh? Your preference will make a difference in which you select at the grocery store. But if you are interested in savings, in price at the time, you will be interested in these figures compiled by the U. S. D. A.

Four servings of peas in a can cost 20 cents, frozen peas run about 24 cents, and fresh peas 32 cents.

It takes longer to prepare fresh peas, so if you consider time as money, frozen and canned peas offer a further savings.

It takes 23 minutes to prepare

a batch of fresh peas, compared with 6 minutes for frozen peas (including the time it takes to heat the water) and only 1 minute for peas in the can.

Laundry Aids

Put Friday, April 5 on your calendar for an interesting demonstration on Laundry Aids. Miss Lily Johnson of the Philco Company in Dallas will give the demonstration in the American Legion Hall at Lockney. The demonstration will include the use of detergent, and washing wash

Recipe Of The Week

We are sure housewives have a favorite recipe, one that is quick, appetizing, a fancy dish, a new dessert. Share it with your friends and neighbors. We would like to know about it and so would our readers, so we've begun this column to give you the opportunity to exchange recipes with your friends and neighbors. Each Thursday we will give a favorite recipe and a picture of the housewife submitting it. Call Peggy Medley at the Hesperian or mail your recipes to Box 848, City. We'll pick one each week, it may be yours. This week we are sharing with you a recipe out of the kitchen of Mrs. Roy Turner.

MRS. ROY TURNER

LEMON POPPY SEED BREAD

- 1 cup milk
- 1 tsp. poppy seed
- 2 cups sifted all purpose flour
- 1-3 cup sugar
- 1 tsp. baking powder
- 1 tsp. salt
- 2 tsp. grated lemon rind
- 1 beaten egg
- 1-4 cup melted oleo or cooking oil

Combine milk and poppy seeds. Sift dry ingredients, add lemon rind, egg and oil, followed by milk. Don't overmix. Bake in greased loaf pan at 350 degrees for one hour and ten minutes. Cool five minutes before removing from pan.

Everyone is invited. Give Hamburger Proper Care. Hamburger may be such a regular and popular visitor at your home that you forget to give it the attention it deserves.

you want to keep ground meat longer, it's best to freeze it. Frozen ground beef can be stored for two months in the home freezer at 0 degrees. The storage life is shorter than for solid cuts of beef.

Agent in Training Leaving. Another Coming

Mrs. Sudie Thompson who has been training with me in Floyd County will be leaving Friday. She will start work as County Home Demonstration Agent in Yoakum County at Plains on Monday, March 18. Sudie has been here since January 21 and has assisted me in my work while training for her new position.

If you shape the ground beef into patties before freezing, you can cook it from the frozen state without thawing. Hamburger may be an old friend, but don't forget to give it all the attention it deserves when it comes to your house.

Mrs. Jean Martin will have her first day of her 3 months training beginning Friday, March 15.

bridesmaids. Feminine attendants were identically attired in aqua poide soie sheaths styled with bell shaped skirts overlapped in the Japanese fashion. Their headpieces were brief aqua scalloped net veils held by small rhinestone tiaras. All wore aqua lace mitts and carried nosegays of white roses.

The nuptial space was framed with tall candelabras and pyramiding tapers and floor baskets of gladioli and mums. Palm trees completed the decorations. An arch of greenery tied with white satin bows and wedding bells centered the area where the couple stood for the double ring vows.

Candles were lighted by Donna and Bill Armstrong of Kress, cousins of the groom.

Mike Stipe of Snyder was best man for his cousin. Groomsman were Robert Houk of Fort Worth and Roland Buhrkuhl, Muleshoe, both cousins of the groom. Serving as ushers were Lonnie Cannon, Cotton Center and J. G. Cannon and Pete Laney, both of Hale Center.

A reception was held in the Woman's Clubhouse following the ceremony.

A white lace cloth with aqua undercover was centered with white roses and a white candle arrangement. Presiding at the table were Mrs. Roger Murray of Pampa, Mrs. Ben Leeper, Plainview and Mrs. Mike Stipe of Snyder. Mrs. Robert Houk, Fort Worth, registered guests.

For their wedding trip to Colorado the bride chose a royal blue silk suit with black shoes and bag and white accessories. On their return they will make their home at 1508 W. 9th in Plainview.

A graduate of Floydada High School, the bride is employed as radio operator at Southwestern Public Service Co.

The groom graduated from Hale Center High School and attended Texas Tech. He is engaged in farming near Kress and in the fertilizer business at Hale Center.

Mr. and Mrs. Thomas Brooks honored the couple and their attendants with a rehearsal dinner Friday night at Wayne's Restaurant in Plainview.

Starkey Home Builders Club Enjoys Social

The Starkey and Home Builders Home Demonstration clubs met jointly Thursday in the PCA building for a social with Mrs. J. T. Huckabay for Home Builders and Mrs. S. L. Holmes from Starkey as hostesses.

Mrs. Lon V. Smith gave an entertaining reading of the play, "My Fair Lady", which was enjoyed by all.

Visiting and getting acquainted with members of each club was also enjoyed after which refreshments of angel food cake squares and punch was served to the following:

Mmes. Bill Hendrix, Clifford Buntin, J. T. McCain, Turner Hunter, George L. Smith, Sid Waller, Clinton Denning, Tom Porter, L. T. Dycus and Mrs. S. L. Holmes, all of Starkey club. Also Mmes. J. W. Mrs. David Anthony Brooks (nee Nelda Pauline Leatherman)

Leatherman - Brooks

Wives In Plainview

and Utica Church of Plainview was the setting for the candlelight ceremony and in marriage Miss Nelda Pauline Leatherman and David Anthony Brooks. Vows exchanged Saturday at 5 o'clock by Cline Paden, Lutheran minister, directing the ceremony. The bride wore a gown of Chantilly lace and tulle. The closely fitted bodice of lace featured an appliqued collar and long sleeves tapering to points over the wrists. The lace overskirt complemented the tulle and satin floor length skirt. Her veil of tulle was caught to a crown of beads and she carried a bouquet of pink roses centered with an orchid on a white satin covered Bible.

Miss Delois Leatherman attended her sister as maid of honor. Mrs. David Leatherman, sister-in-law of the bride, and Mrs. John McCourt of Brownfield served as bridesmaids.

A&M Swine Short Course April 1-2

County agent Tom Davison reminds all area farmers that the 12th Annual Swine Short Course will be held at A & M April 1-2. "New Developments in Swine Feeding" and "Practical Housing and Equipment" will receive special emphasis — and a well rounded program with discussions in all areas important to successful hog production will be included in the program.

Davison urges all persons who may be interested in attending the course to let him know by March 30th.

Rites Pending For Floydada Woman

Funeral rites were pending yesterday at Harmon Funeral Home or Mrs. Louise Wood McCollough 72, who resided on East Houston Street in Floydada. Mrs. McCollough died at 3 a.m. Tuesday in Peoples Hospital.

She was a native of Kansas and moved to Floydada with her husband about three years ago. Survivors include the husband, three sisters, and one brother.

SHOWING AT THE MOVIES THIS WEEK

The public is extending their "thanks" in this manner to the management of Palace Theatre, Jack Deakins, who so graciously at his own expense, canceled the movie last weekend, "The Chapman Story."

Scheduled at the Palace this week is Alan Ladd in "13 West Street," plus a second feature, Walt Disney's "Babes in Toyland," to be shown Friday and Saturday. On Sunday, Monday and Tuesday, Burt Lancaster will be featured in "A Child is Waiting." Wednesday and Thursday John Payne and Maureen O'Hara is showing in "The First Marines". Free tickets for this movie may be secured at Cuelar's Service Station, Weems Laundry and Dry Cleaning, Mac's Gulf Station, Superior Cleaners and L & J Food Mart.

FHS Track Team Will Enter Meet At Hale Center

The Whirlwind track team will enter the Hale Center Relays on Saturday, March 23. The big meet is expected to draw some of the top contenders from Class AA, A, and B ranks from over the south plains.

One thing that did bring smiles to the faces of Coaches Bill Curry and Bill Carmack was a first in high hurdles by Sammy Watts and a second in shot put by Bill Potts, two sophomore members of the team.

The green and white team is still being hampered by injuries but hopes to regain some strength before the district meet in early April.

Last week locals did not show too well at Springlake where the strong Lubbock Dunbar Panthers showed their heels to a big field of entries and took home first place.

ODEN SERVING WITH MARINE HELICOPTER SQD.

SOUTHERN COAST OF CALIF. (FHTNC) — Marine Captain Jerry D. Oden, son of Mr. and Mrs. Conner Oden of 206 South White St., Floydada, Tex., is serving with Marine Helicopter Squadron 363, a Pacific Marine Force unit which is participating in a major amphibious exercise being held off the coast of Southern California, March 2 through 10.

More than 40 ships of the Pacific Fleet and an estimated 24,000 Marines are taking part in the exercise. It is designed to provide training in anti-submarine operations, amphibious landings, replenishment at sea, mine warfare, aerial, surface and subsurface reconnaissance and Marine operations ashore.

DAVID M. BEARDEN IN PRACTICE MISSILE FIRING

CORAOPOULIS, PAP. (AHTNC) Army Specialist Six David M. Bearden, 28, son of Mr. and Mrs. Troy E. HS Group In Abilene For Convention

Floydada High School is observing Student Council Week by sending five students to the HS Convention in Abilene and by informing the public of their worthy projects throughout the year.

Those attending the convention are Fred Thayer, outgoing president of the council; and newly elected officers, Dale West, president; Vernie Moore, vice-president; Lana Davis, secretary; Sigurd Waage, foreign exchange student from Norway; and Miss Anne Swepton, sponsor.

The delegation left today at noon to attend the convention which begins today and ends Saturday noon. The students will learn more about council and its purpose in the high school.

One of the biggest projects sponsored by the FHS Student Council is the foreign exchange student. Since it costs \$700 to purchase a student, money-making projects are promoted to raise the funds to acquire this student.

The council has bake sales, car washes, twirp week, etc., to help earn the money. The money made by sales of school supplies is also added to the funds.

Another large project is the foreign adoptee in Korea which costs \$120 a year. Religion is observed in the school by the weekly devotional. The good will committee sends get well cards and sympathy cards to students.

The council arranges all assemblies for the school. They have programs that are educational such as Communism, and entertaining such as the talent assembly.

Memorial books are placed in the library in honor of students' relatives. They also contribute to memorial funds such as the Orlan and Idalou funds. The Corresponding Secretary sends courtesy letters to schools that they compete against in football whenever they are needed.

MRS. JEAN MARTIN began training with Phyllis Rosgen, County Home Demonstration Agent last Friday, March 15. She will be in Floyd County about three months before going to another county as Home Demonstration Agent.

Mrs. Martin graduated from Texas Tech in January with her major in Foods and Nutrition. She is originally from Seagraves but is now living at Ralls with her daughter, Shelley and her husband Jim. Mr. Martin works

as Taxpayer Compliance Officer of the State Comptroller in Lubbock.

HARMONY 4-H CLUB NEWS

(By Sherri Simpson)

The Harmony 4-H Club met March 18 in the Harmony Community center clubhouse for their regular monthly meeting. The motto and pledge was given by David Battey and the devotional was by Larry Scott. Ann Battey led the group in songs.

Roll Call. "How 4-H has Helped Me" was answered by Ann Battey, David Battey, Bill Carr, Don Ramsey, Larry Scott, Donna Schulz, Barbara Schulz, Monroe Schulz, Scott Simpson, Sherri Simpson, and Nita Scott.

The program, "Good Field Crop Practices", was given by Bill Carr and Monroe Schulz. Preparation of soil and planting of cotton was discussed by the team.

The county demonstrations were discussed by special guests,

Jaunita Poole and grass. The group will receive five hundred dollars at the conclusion of the 4-H Food Booth at the Show March 4-6.

Barbara Schulz led the next meeting April 15.

Mr. and Mrs. W. W. Trapp and Mrs. Sherry Lynn, who were in Lockney, the Navy stationed in Grandparents are in Print Rise at Ralls formerly of Floydada. Owen Williams of P.

JUST LIKE OLD MAN RIVER

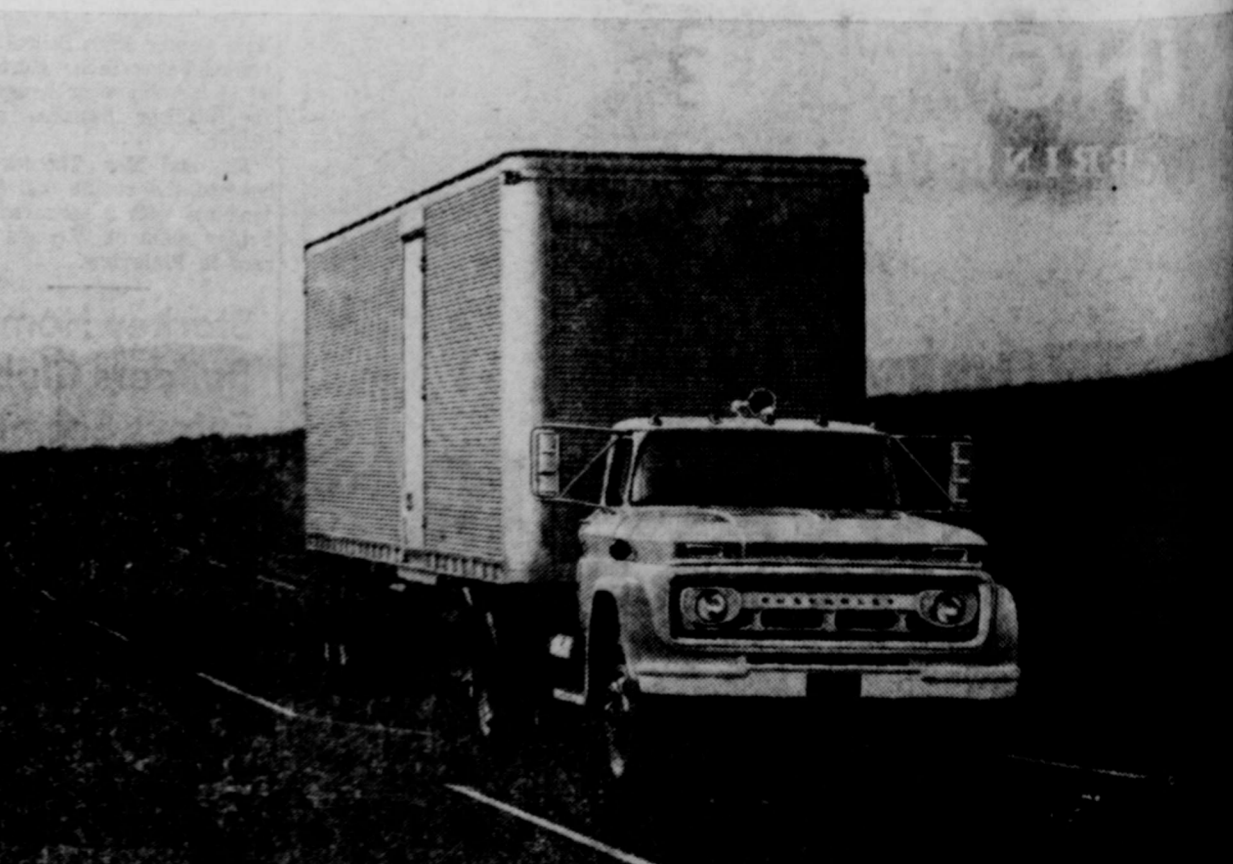

If you want a truck that does its work without yelling for attention all the time, buy a "new reliable" Chevrolet.

You have to take care of it; it's a machine. But this isn't a full-time activity. The clear idea is that the truck works for you, not vice versa.

The way to build such a truck is to put more quality into it. For example, Chevrolet doesn't build one type of suspension system for all sizes of trucks. Chevrolet designs suspension systems to fit your need. The light-duty type is strong and fort. Another kind for heavier trucks stiffens you increase your load and vice versa. Make Conventional pickups have double-wall construction in cabs, doors, lower side panels. Roof insulated. Body floors are selected not metal. Tailgate chains are in rubber. If you'd like to see or drive a new '63 Chevrolet just call us. We'll be right over.

two years ago by the Rev. W. E. Jackson, Southern Baptist missionary to Japan. The suggestion that Texas Baptists consider such an enterprise was first presented to the executive board of the Baptist General Convention of Texas.

Because of the enormity of the undertaking, the suggestion received very little encouragement. However, the idea took hold and now there is talk of extending the crusade to the Philippines, Indonesia and other countries of the southeast Pacific.

For the past several weeks, Rev. and Mrs. Bradley have been learning the customs and language of the Japanese people in preparation for the revival. Their intent, "winning souls for Christ."

tioner, was master of ceremonies. Rev. James Carter, pastor of the First Methodist Church, gave the invocation. Musical selections were presented by the Methodist Church quartet composed of C. L. Hester, Clark Harris, Raymond Tucker and Ray Johnson. Mrs. Hester accompanied the group on the piano.

The dinner was served by the Lockney High School home economics students.

Claude Brown, outgoing chapter president, welcomed the guests and presented a plaque to Owen Thomson for selling the most banquet tickets—131. He also introduced the new president Edgar R. Hays.

Hays introduced new directors and officers. New officers are Eddie Joe Fortenberry, vice president and G. W. Suggs, secretary-treasurer.

New directors are John Hickey, Jim Reynolds, Eldon Roberts, Bobby Davis, H. T. Franzel and Ewald Quebe.

Hostess directors are Robert McDonald, Raymond Parker, Joe Parrish, Claude Brown, Joe Foster and Jim Bert Bostick. Returning directors are R. V. Woster, Bob Jarrett, Thurman Down, Harold Mills and Raymond Tucker.

like to improve his confidence in himself — and the opportunity to increase his speaking ability.

Farmers — merchants, we all have something to sell, and good speech is very important for the successful salesman.

THE WIFE and I had the wonderful privilege of hearing Dr. Charles Allen, pastor of the biggest Methodist church in the state from Houston as he spoke at the Willow Grove in Tech last week.

We were impressed with his

simplicity of deliverance and spiritual impact of blessing the home town boys play. It's to be outlined the six things in which he believed.

The Wilson lectures are a very worthy contribution to our young people's Christian needs — and we adults appreciate the opportunity to sit in and hear them in the various area colleges during the year.

I'VE BEEN reading an interesting little book written in 1907. I believe that was loaned to me by Mrs. John Buchanan. It's a sort of household and farm home hints book and many parts of it are most humorous. When I get a little more time, I'll quote a few statements from it. — believe you'll be able to share some of my enjoyment.

Now, this Mrs. Buchanan is sorta amusing to me also — she was passing out cigars like maybe she had a new grant lady the other night at Tech's masters. However, she wasn't the case. It seems her dog had pups — two boys and two girls. How's that for a "puss set of pups?"

WHEN YOU look at that four-color advertisement for Floydada Implement Company in this issue, you'll probably wonder if it's worth the price to buy a new four color press. I'm happy to say this isn't the case. Massey-Ferguson contracted the advertisement to be pre-printed by a company up north — it was sent to us in a rail and we threaded it through our press, printed the other side with current local news and inserted it into the section.

The folks at Floydada Implement have two more scheduled for The Reporter this growing season, and we're expecting another four color job for a seed company next week.

JIM WORD reports that Billy Standish is learning a new game — Mexican Dominoes. And while we're on the subject of dominoes, I notice that A. W. Thomas is selling his official checker book. Evidently he's a checker player "from way back" — and has probably got all those checker plays tucked away in his noggin now. I've tried to play checkers for several years, but can't seem to look four or five plays ahead like you're supposed to do. My brother does the checker playing in our family.

CLAUDE ESTES reminds you who are interested in teenage baseball to attend a special meeting Friday night in the community room of the First National Bank. It's time to organize for the new baseball season. Personally I prefer the St. Louis

South Plains Baptist Church Prepares For Area Evangelistic Crusade; April 1

SOUTH PLAINS, March 18 — The South Plains Baptist Church in Lockney, Tex., is preparing for an evangelistic crusade to be held in the area beginning April 1.

Attendance at Sunday morning services was 90, in spite of so many out with sickness. Visitors were Mr. and Mrs. Fred Fortenberry at both services. Mrs. J. K. Bean of Silverton, Mr. and Mrs. Right Fitzgerald, Donna McClure of Crosbyton, and Mr. and Mrs. Reese Hightower and Dwayne.

Jim Myers of Wayland, preacher of morning and night services.

Next Sunday, Mar. 24 is Layman's Day, with all offices of the church filled by laymen of the church, and H. S. Calahan Jr. will preach.

Ladies of the church will meet in Lockney at the Methodist church, Friday morning, Mar. 22 at 10 a. m. for prayer services for the area revival.

Sunday afternoon, Mar. 24, at 2:30 all adult choir members for the revival will meet at the Baptist Church in Lockney.

There will be a breakfast at 8 a. m. at the Baptist Church here at Fellowship Hall for all the men of the community, and they are hoping for a large group. Leroy Durham will be a speaker here.

There will be a Workers Conference Tuesday at the Flomont Baptist Church beginning at 5 a. m. with supper served, then sermons to follow.

Rites were held at 3 p. m. Sunday afternoon in Hereford at the Gilliland Funeral Home Rose Chapel for Sam F. Gilliland, 76, who had died Friday at a hospital in Hereford. Rev. John Ferguson of the Wesley Methodist Church and Rev. B. L. Davis of the First Baptist Church officiated, with interment at the Hereford West Park Cemetery. Mr. Gilliland had lived in Hereford since 1942, and originally lived here at South Plains with his family. He was a member of the Wesley Methodist Church in Hereford, and a member of the Masonic Lodge Post No. 774. His 4 sons and 3 daughters survive him besides many other relatives. Those who attended services from here were Mr. and Mrs. Albert Bean, Mr. and Mrs. Arby Mulder, Bryan Karr, Grigsby Milton, Eulan Bradshaw, Tommy and David of Claude.

Rev. Sealy Smith has been ill with flu at his home in the parsonage since Thursday. He is reported some better this Monday.

Visiting preacher, Jim Myers, of Plainview, had Sunday dinner with Mr. and Mrs. Carl Smith of Floydada, and other guests with them was their daughter, Mr. and Mrs. H. S. Calahan Jr.

Mr. and Mrs. Bob Reeves and children went to the Reeves Ranch, near Memphis Wednesday to visit his folks. Mr. and Mrs. Sim Reeves. The Reeves there are redoing their ranch home, textoning walls, new cabinet space and carpeting the home.

Mr. and Mrs. Raymond Reeves, Carol and Cindy spent Friday and Saturday in Amarillo on business and she visited with her brother, Mr. and Mrs. John Bingham and family.

Mrs. Lee Pearson is due home this Monday by bus, after spending last week in Albuquerque, N. Mex. with relatives.

Mrs. L. N. Johnson was able to come home from the Lockney Hospital Saturday afternoon, and is still not feeling well, after a week with the flu. His mother, Mrs. O. A. Johnson of Tell, Tex. spent part of the week here with the Johnson children while Carlene was in the hospital.

Mrs. Don Marble and her girl Ambassadors of the Baptist Church enjoyed a program last Monday afternoon at 4 on "Oriental Americans". A doll display was held, and rice cakes and hot tea was served by Mrs. Marble at the close of the program. Present were Vickie and Cathy Calahan, Jodie Johnson, Katie Taylor, Sharon Smith and Rosie Juarez.

Mrs. W. M. Staniforth Jr. and Mrs. John Wilson went to Canyon Saturday for the Scholastic League which was held at the Canyon High School. Billy Staniforth won a 1st in persuasive speaking and a 1st in spelling and Gary Wilson won a 3rd in number sense. We are all proud of the fine achievements they all made.

Mrs. L. T. Wood's home will be the meeting place this Friday morning at 9:30 for the Floydada Garden Club, and the program will be on Landscaping and Patios.

Mrs. Keith Marble and her sister, Mrs. Dean Hopson of Plainview attended the wedding on Saturday afternoon at 5 p. m. of Miss Neida Leatherman and Tony Brooks of Plainview, which was held at the 10th and Ulica Church of Christ in Plainview with a reception following at the Women's Club House.

Mr. and Mrs. Tom Davis of Hamlin came Wednesday to spend the night here with her sister, Mrs. Alvin Nichols and husband. He has been very ill during the past months, but is doing fine now, since his operation.

Mrs. Walter Wood and L. T. Wood left Saturday for Laguna Park, near Lake Whitney, in Texas, where they visited Mrs. Wood's daughter, Mrs. Jack McCown and family. They went especially to see Mrs. Wood's grandson, Jimmie McCown of Baltimore, Md. who was enroute Sunday by plane to San Francisco, Calif. They returned home Sunday night.

Tillman Powell has been confined to his home in South Plains with the flu over the weekend.

Mr. and Mrs. Clinton Armstrong of Clovis, N. Mex. came over Saturday to visit her father, Charley Wilson, who has been in the Plainview Medical Center Hospital with a broken leg. He is doing much better, according to Mrs. John Wilson, and may get to go to his home at the Wilbur Wilsons, soon. Miss Sue Wilson who attends ENMU at Portales, N. Mex. accompanied the folk here to Plainview and her folks, the John Wilsons came to get her and have her home with them over Saturday night. She went back to school by bus Sunday morning from Plainview.

Mr. and Mrs. W. Fred Cox of Edmonton, Alberta, Canada arrived back here last Monday as her father, P. M. Smitherman is not doing good, in the Peoples Hospital. He has had shingles and erysipelas, and is quite ill, again this Monday, according to relatives.

Mr. and Mrs. Ernest Newton had their daughter, Mr. and Mrs. Floyd Litch, from Camp Walters, near Mineral Wells, home with them over the weekend, and Saturday night another daughter, Mr. and Mrs. Leonard Moore, Debbie and Donna of Lockney were with them. Saturday night and Sunday Debbie became ill, and they were at home with her.

Two accidents occurred Sunday afternoon about the same time here and in Lockney. Katie Taylor, daughter of the J. P. Taylors, fell from a horse here and suffered a slight concussion and a cracked ankle. Tim Mercer, son of the Dub Mercers, and with several relatives here, fell from a horse onto a fence, near Lockney, and has had internal injuries. Katie is still at home, but Tim has been taken to Lubbock to the hospital.

Mrs. Ida Mae Pearsay of Norwalk, Calif., was here the last week visiting with relatives, and with her brother, Mr. and Mrs. Menard Field in Floydada. Thursday she spent here with her niece, Mrs. W. M. Staniforth, Jr. and family, and luncheon guest and afternoon visitor with them was another niece, Mrs. John Wilson. Mrs. Pearsay was a former South Plains resident. She left Sunday for Lubbock and left by plane from there for her home

in California.

Mrs. Bryan Karr spent Sunday in Lockney caring for her parents, Mr. and Mrs. H. S. Calahan Sr. while their housekeeper was away.

Mrs. Fred Marble went to Lubbock Saturday to be with her father, W. O. Tye, of Floydada who had a small growth removed from his foot. He is getting along fine at this time. Fred Marble and sons Mike and Kelly have all been sick the past week with bronchitis, but are better this Monday.

Mr. and Mrs. Marvin Wells and Mr. and Mrs. Don Marble attended the Chamber of Commerce banquet in Lockney Friday night, which was held at the high school gymnasium. Speaker was Charles W. Jarvis, of San Marcos, and an enjoyable evening and a delicious turkey and dressing meal was served.

Visitors this Monday in the home of Mr. and Mrs. Otho Sanders here was her mother, Mrs. C. E. Bartlett and their daughter-in-law, Mrs. Roger Sanders and Sheryl all of Floydada.

Farmers here have been planting their sugar beet acreage from Thursday to this Monday. Rex Smitherman, Billy Staniforth, Kenneth Bean, Marvin Wells, Herman Thornton and the Marble Bros. are those who were planting, and are entering this new phase of farming for the first time.

In the South Plains bowling league Friday night the Bean and Smitherman team came in first place. Rex Smitherman was high man with a 209 plus a 25 handicap. High scorer among the women was Mrs. Glen Wood who had a 220 plus 33 for a pin handicap. They meet each Friday night in Floydada at the Cotton Bowl Lanes.

Mrs. Marvin Wells entertained at a birthday party at her home in South Plains Saturday afternoon, at 3 p. m. for her daughter, Kim, who was two. The youngsters played games and were served homemade ice cream and birthday cake. Favors of Mexican sombreros were given the children. Present with their mothers were Donette and Brett Marble, Teresa Stewart, Mike and Kelly Marble, Ronnie and Vickie McCormick, Dwayne Marble, Lynn and Russell, and Mrs. H. L. Marble.

Mr. and Mrs. Frank McClure attended the funeral of Mrs. Graham and two sons who were killed in the tragic plane wreck last Sunday afternoon. The funeral was in Plainview on Tuesday. Later the McClures went to Silverton to visit Mr. Gene Long who was ill, and to Floydada to see Mrs. Carl Smith, who was on the sick list. Their granddaughter, Donna McClure of Crosbyton, spent the week end here with them.

Marilyn Kinniburgh spent all last week in the Lockney Hospital with flu but was able to come home Saturday, and this Monday to attend school, after being out for two weeks.

Cottage prayer meeting homes for the coming week are scheduled as follows: Monday night, Mar. 25, 7:30, Don Probasco, Shelby Calahan; Tuesday night, Mar. 26, 7:30, H. S. Calahan Jr.; Wednesday night at church; Thursday night, Sylvia Kinniburgh, Roy Burks; Friday night, L. N. Johnson and Bryan Karr. The Young folks will meet Monday night at Mrs. Roy Burks.

Mrs. Leighton Teeple has been at the Lockney Hospital a good deal this week with her mother, Mrs. Lillie Luttrick of Floydada, but she is better at this time.

Mr. and Mrs. Ernest Wells entertained at a birthday dinner Sunday in honor of their granddaughter, Kim who was two. Guests with them were Mr. and Mrs. Marvin Wells and Kim.

Mr. and Mrs. Johnny Moss spent the weekend in Lawton, Okla., visiting their daughter and family, Mr. and Mrs. Arch March.

Mr. and Mrs. Raymond Carter and their daughter and her family, Mr. and Mrs. David Carter and children of Dover Creek, Colo., were visitors here overnight last week with Mr. and Mrs. V. D. Turner. Mrs. Carter is a niece of Mr. Turner.

FOUR COLOR ADVERTISING . . . Carlton Favver (left) and Leo Sawyer are pictured near the printing press at the Hesperian as they look at the four color advertisement that is published in this issue. They are Massey-Ferguson dealers for this trade area and will be running two more page color advertisements in the Hesperian this crop season.

CENTER NEWS by Mrs. J. E. Green

Peach Trees Are Blooming In Center

CENTER, March 18 — Church and Sunday School attendance held up Sunday and Training Union attendance is rising steadily.

We have a dust storm today. The man of the house brought in a first peach tree bloom yesterday, so it looks like spring is "just around the corner".

Mr. and Mrs. Bobby Plumlee and children, of Amarillo, spent the weekend of March 10 visiting his parents, Mr. and Mrs. W. C. Plumlee.

Mrs. W. L. Hartline was in Plainview Thursday visiting her daughter and family, the Bob Landrys.

Relatives in this area who visited Mr. and Mrs. James David Welborn and girls of Plainview Saturday evening were his parents, Mr. and Mrs. J. D. Welborn, Donna, Mr. and Mrs. Nolan Arney and Steve, Mr. and Mrs. Bobby Welborn and children.

Mr. and Mrs. Thomas Warren, her mother, Mrs. Charley Battey and other local relatives were in San Angelo Wednesday and Thursday to attend funeral services for Mrs. Battey's brother, W. C. (Clarence) Watson who passed away Tuesday night.

Friday night guests in the Thomas Watson home were Mr. and Mrs. Bob Aldredge and children of Hobbs and Mrs. Charley Battey. All attended the piano recital at South Plains School Friday evening in which Elaine and Joyce Warren participated.

The Annual Stocking of Floydada Community Association will be held on Saturday afternoon, March 22, in the District Court room. Members of the board of directors are urged to attend.

Mr. and Mrs. Ode McReynolds visited Mr. and Mrs. Mankins Saturday afternoon. The D. W. Burkes came Sunday afternoon. Mrs. Grady McAda of Amarillo, spent over the weekend with her parents, Mr. and Mrs. Mankins, and attended church with them Sunday morning at Calvary Baptist Church.

Mr. and Mrs. Charles Fulker are moving from the Center farm to town where they will be in the home formerly owned and occupied by Mr. and Mrs. D. I. Bolding, Sr., also former Centerites.

We hate to see people leave a farm and how we miss those dear people the Baldins, since she passed away and he is gone to stay with his children. But it is good to have other good neighbors move in, like the Fulkerons. Then, too, the place comes alive again and is no longer that depressing spectacle, "a house with nobody in it."

Philosopher Reports There Are Plenty Answers On Cuba, None Of Them Will Work

The Floyd Philosopher reports that there are plenty of answers on Cuba, but none of them will work. He says that the only way to bring Castro to his knees is to tell somebody else what to do, then move on to something else, and if you look back over your shoulder and discover he's done it and the results are disastrous, you can always turn around and ridicule him for not having more sense than to do a fool thing like that.

Rites Held For Brother Of Two Floydada Women

Services for William C. Watson, 85 year old brother of Mrs. C. N. Battey and Mrs. Joe Evers of Floydada, were held last Thursday in Robert Massie Funeral Chapel in San Angelo. Mr. Watson was the son of the late Mr. and Mrs. R. C. Watson of Floydada.

He died on Tuesday of last week in the San Angelo Clinic Hospital where he had been hospitalized a month.

Mr. Watson was a retired railroad switchman and had worked for Missouri, Kansas and Texas Railroad and later with Santa Fe. He and his wife moved to San Angelo from Hillsboro.

The deceased was a member of the Hillcrest Baptist Church, and a member and past president of the Brotherhood of Railroad Trainmen.

Survivors include his wife; one son Eldridge Watson, Sunnyside, Calif., three sisters, Mrs. Battey and Mrs. Evers of Floydada and Mrs. C. E. Neil of Amarillo and three grandchildren.

Attending the funeral from Floydada were Mrs. Battey, Mrs. Evers, Mrs. O. M. Watson, Mr. and Mrs. O. M. Watson Jr., and Lou Ann, Mr. and Mrs. Fred Battey, Mr. and Mrs. Thomas Warren and Mrs. O. K. Custer. Mrs. C. E. Neil was unable to attend.

Local Rotarians To Attend Conference In Shamrock

Many Rotarians from Floydada will attend the annual conference of District 573 of Rotary International from April 4 to April 6 in Shamrock, Texas, the president of the local Rotary Club said today. Representatives from 44 other Rotary Clubs in the Texas Panhandle comprising the district will also attend the conference. This meeting is held each year to review Rotary service activities and to make plans for increasing their effectiveness during the coming year. The principle current activities of the Rotary Clubs in this district include: sponsoring Boy Scout troops, holding career days for school children, building parks, teaching safety classes, Cerebral Palsy Clinics, boys ranches, sponsoring Foreign students through the experiment in International Living Program, and the Rotary Foundation program in which graduate students of outstanding ability are sent to colleges in foreign countries to study for a year.

Representing the president of Rotary International, Nitish C. Lahary of Calcutta, India, at the conference will be Dr. Dan Proctor of Houston, Texas, a past director of Rotary International and the president of Star Engraving Company of Houston. He holds the Doctors Degree from the University of Oklahoma, is a member-at-large of the National Council of the Boy Scouts of America, is on the nominating committee for president of Rotary International. He is listed on Who's Who in the South and Southwest, Who's Who in Commerce and Industry, and Dan has traveled over most of the world.

Other speakers at the District Conference in Shamrock will be J. B. Knight of Holdenville, Oklahoma, a retired business man who holds the BA and MA Degrees from the University of Oklahoma, and is vice-president of The Last Frontier Council of Boy Scouts of America.

Mr. L. E. Patterson, Jr. the immediate past district governor of District 573, Dr. W. C. Nowlin, a medical doctor from Littlefield, Mr. Reg. D. Yanch, also a past district governor now living in Boger, Mr. Ben F. Johnson of the Howard County College, Mrs. Cleo Fox, wife of Girard Fox who is president of the Plainview Rotary Club and Mr. Stansel Clements, a lawyer from Lamesa.

At the conference, Mr. Jimmy Wilson, Jr. will be nominated to serve as governor of this Rotary District for 1963-64. He will take office on July 1, 1963, as the official representative of Rotary International, world wide organization of Rotary Clubs in District 573. The new governor is from Floydada. He will formally be elected, along with 270 other district governors from all parts of the world, at Rotary International's 1963 convention in St. Louis, Missouri, in June. These district governors will coordinate the service work of 326,800 business and professional executives who are members of more than 11,300 Rotary Clubs in 123 countries.

Tentative plans for the some 30 or 40 attending from Floydada are that they will secure a chartered bus for their trip to the conference on April 5. Among this group will be Clay Henry, president of the local Rotary, Ralph Mardis, vice president and committee for the "On To Shamrock", S. W. Ross and Alaine Williams are also serving on this committee.

FLOYDADA CALL TO PLAINVIEW BREAKS UP DIAMOND RING

A 28 year old woman identified by driver's license as Reba Dale McElroy, has been jailed on vagrancy charges in Hale County jail at Plainview. Bond was set at \$750.

Officers there arrested the woman Thursday as she attempted to sell a ring to a Plainview housewife for \$1,200. Investigating officers said the ring was worth \$750.

The McElroy woman was apprehended when a Plainview woman received a telephone call from a woman who said she was calling from Floydada. The caller said her husband knew the Plainview woman's husband and that the caller wanted to sell a diamond ring valued at \$2,600.

She told the Plainview woman that the ring was given to her a few months back by her husband and that she and her husband had since separated. The Plainview woman set Thursday for the appointment then called Plainview officials. One was hid in the Plainview home when the caller came to show the ring asking a price of \$1,200.

The McElroy woman was also identified as the same person in January who pawned two rings to a Plainview broker. She received \$600 on a ring later valued at \$75 and another \$900 later valued at \$225.

It was not learned here if the woman made her home in Floydada or if she just made the telephone call to Plainview from this location.

The Highway Patrol investigated 4 rural accidents in Floyd County during the month of February according to Sergeant D. S. Lawson, Patrol Supervisor of this area.

These wrecks accounted for an estimated property damage of \$825.00.

The rural traffic accident summary for Floyd County for the two months of 1963 showed a total of 5 crashes resulting in an estimated property damage of \$2,125.00.

The Patrol Supervisor reported that a new hazard has been added to the traffic picture. You may not realize it but the current hiking fad has added an element of danger to driving. The Sergeant added that everyone who decides to make one of these fifty mile hikes, or a twenty-five mile hike should be aware of the traffic dangers that are involved and also that all Texas drivers should be alerted to the fact that these pedestrians may cause a certain amount of danger.

Hiking today is a great deal different than it was twenty years ago. With Spring just around the corner more pedestrians will be seen on our streets and highways and it is important that all drivers recognize this hazard and be prepared to take evasive action if necessary.

"Our records reveal that approximately ten percent of all rural fatal motor vehicle accidents involved pedestrians during the last few years and this figure was somewhat higher in our cities, which points out the necessity for safe walking as well as safe driving," the Sergeant stated.

Why is the LAYNE SPINNER best for your irrigation needs?

MORE WATER AND LOWER COSTS

- Smaller diameter bowls and fewer stages give you these advantages:
1. smaller well diameter (lower first cost)
 2. high average efficiencies because of the lower sand wear rate (longer bowl life)
 3. lower maintenance and repair cost (smaller and fewer moving parts)
 4. lower bowl replacement costs (fewer stages of a smaller diameter)

The "Spinner" first cost is lower because of better material utilization based on Layne Engineering and Know-How.

GPCP Funds Are Still Available

According to Joe J. McEntire, Work Unit Conservationist for the Soil Conservation Service here in Floydada, Texas cost-share funds on conservation practices installed under the Great Plains Conservation Program are still available. The G.P.C.P. is now in its sixth year of operation in the Floyd County Soil Conservation District and about 70 contracts have been developed to date where all needed conservation practices have been planned and scheduled with cost-share set up in advance for all the needed practices. Of the contracts developed to date they have averaged \$3,500.00 in G.P.C.P. cost-share funds. Also other programs such as the Agricultural Conservation Program and the Farmers Home Administration have assisted in carrying out these contracts.

Any farmer or rancher who controls land by owning it or by renting is considered eligible to participate in the G.P.C.P. The amount of cost-share is limited to \$2,500 for irrigation practices but a total of \$25,000 may be used if needed on all the practices. The length of the contracts vary from three to ten years according to the needs of the farmer and how fast he is able to carry out his part of the practices.

Cropland history for land converted to grass is protected under this program. Also land being planted to grass if it is not grazed may be used as diverted acres during the first year. However, some farmers have not used their grass plantings as diverted acres and have been able to start grazing newly established grass by about the middle of September.

Increased cost-share rates are available for most practices with the following per centages available for these practices: Grass planting - 80 percent; Irrigation pipelines - 50 percent; Land leveling - 50 percent; Terracing - 70 percent; Diversion construction - 70 percent; Waterway shaping - 80 percent; Cross-fencing - 50 percent; Livestock waterwells - 50 percent and several other practices listed in the G.P.C.P. handbook.

The Great Plains Conservation Program is administered by the Soil Conservation Service and you may contact their office in the Agricultural Building for further assistance or information. The personnel there will be glad to go over your farm with you and explain the benefits of this conservation program. Their phone number is YU3-2352.

Plants Grass With GPCP Aid

By Lewis McCuistian
Albert Scheele, who farms near Providence, became interested in the Great Plains Conservation Program when he learned that he could receive cost-share for establishing Midland bermuda grass. The local Soil Conservation Service discussed thoroughly what was involved, went over his farm with him and pointed out the need for several other conservation practices.

In order to carry out a conservation plan under the Great Plains Conservation Program he needed to establish about 57 acres of grass. A grassed waterway was needed, about a mile of irrigation pipeline, 50 acres of land leveling and a conservation cropping system that would meet the needs of his cropland. Scheele, who is interested in taking good care of the land decided upon this plan and a contract was prepared with a schedule worked out by Scheele with cost-share totaling about \$3,200.00. A three year contract was entered into which will expire in 1965.

Since he is putting his grass in under this program his cropland acres will not be affected for 6 years. His schedule is a flexible one that can be changed at any time if needed and if he can not get all the conservation practices applied in the scheduled time the contract can be extended if needed.

He has already sprigged 17 acres of bermuda grass and will sprig about 20 more acres this year. When the contract is completed he should have his erosion problems solved and will have a more stable operating unit.

Sand Hill Man Likes GPCP

By Truman Gregory

Hollis McLain, who owns a 514 acre farm near Sand Hill was one of the first to develop a Great Plains Conservation Program contract on his land to enable him to carry out a more diversified and economical operating unit.

McLain has reorganized his farming operations through the combined efforts of the GPCP, Farmers Home Administration, ASCS and Soil Conservation Service.

During 1959, he developed a GPCP contract on his farm with the assistance of SCS technicians. Since that time he has been able to accelerate the application of installing needed conservation practices on the farm. He has

converted some 35 acres of irrigated cropland to grass. This land had excessive slopes for irrigated row crops and previously had been in cotton and sorghums. To meet the needs for a conservation irrigation system, SCS technicians and McLain determined that this area would need to be established to grass. Before establishing this grass he has only 180 acres of unimproved dry-

land pasture; this did not provide enough forage for the number of livestock he wanted to run to make the farm an economical combination livestock-farm operation. By using two dryland fields to produce bundles and small grains, it was determined that he would have enough forage resourced. He also produces some ensilage from irrigated cropland.

In addition to this, McLain has installed one-half mile of diversion terraces to protect his cropland; one and one-tenth miles of underground irrigation pipelines to conserve his irrigation water, installed one irrigation well, and has made good use of his irrigation water without waste.

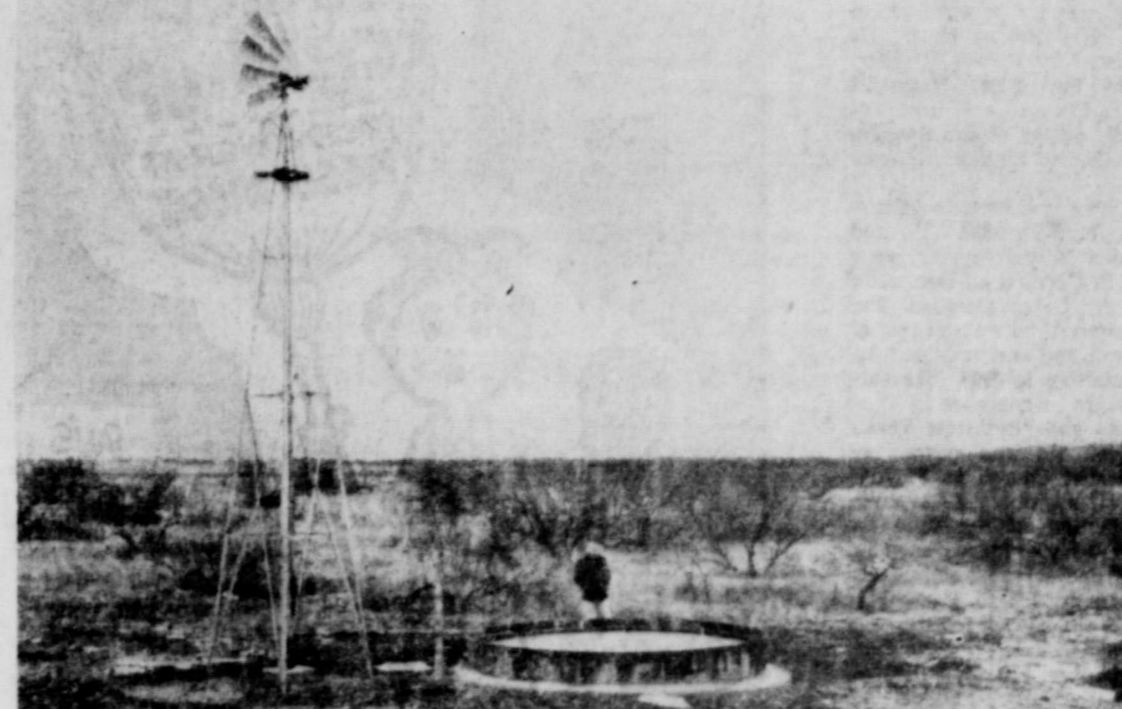

All needed conservation practices will have been installed by McLain by the end of 1963.

Leveling is included in the GPCP handbook with cost share rate of 50%. Land leveling on Gene Probasco farm. A uniform grade must be installed for assistance.

McLain watering Midland bermuda grass established under GPCP cost share. Cost share for establishing Midland bermuda is \$9.60 per acre and 80% of cost on all other grasses.

Cost share for livestock wells and water storage facilities is provided for in the GPCP handbook at the rate of 50%. Shown is a well and storage facility installed under GPCP on the Blair ranch in north-east Floyd County

\$2500.00 cost share is available for irrigation pipelines under GPCP. Cost share rate is 50%. All sizes and types of irrigation pipelines are included in the GPCP handbook. Shown is rubber gasket type pipeline being installed.

Funeral For Rev. Phil Gates Held In Pampa

Funeral rites for Rev. Phil H. Gates, former pastor of the Methodist Church in Floydada, were held Monday afternoon in Pampa. Rev. Gates died Saturday in Wesley Hospital in Pampa. Dr. Tilden B. Armstrong, also a former Floydada Methodist minister, now district supervisor of Pampa, officiated at rites. He was assisted by Hubert Bracher, pastor of the First Methodist Church in Pampa; and Rev. Luther Kirk, pastor of the San Jacinto Methodist Church in Amarillo.

Rev. Gates was born in Mississippi on Aug. 22, 1887. He and the former Bertha Eppler were married in Gorman in Dec. 29th, 1908. Rev. Gates attended the Southwestern University of Georgetown and was ordained into the ministry in 1906. He served 48 years in churches in Central Texas and Northwest Texas Conference. He was pastor of the Methodist Church in Floydada from November, 1942 until June 1946 and at the time he retired in 1955, he moved back to Floydada and served as assistant pastor. He moved to Pampa in 1961.

Survivors include his wife; three sons, Rev. Charles R. Gates of Sweetwater; Dr. Phillips A. and Dr. Joe W. Gates both of Pampa; one daughter, Mrs. Jane and two sisters; 12 grandchildren; Bandy of Vernon; one brother and three great grandchildren.

Bettie Cantrell Rites Held In Floydada

Funeral rites for Mrs. W. B. Bettie Cantrell were held Sunday afternoon in the First Baptist Church in Floydada. Rev. Floyd C. Braddock, pastor, officiated. Burial was in Floydada Cemetery under the direction of Harmon Funeral Home.

Palbearers were grandsons of the deceased, W. R. Cantrell and Jack T. Cantrell of Lubbock; Keith Cantrell, Brownfield; Gary and J. D. Cantrell, Floydada; and John Stanley of Knox City.

Mrs. Cantrell died Saturday in Taylor Rest Home in Vernon where she had been residing the past five weeks. She formerly made her home at 515 S. Wall Street in Floydada until that time. She had been in failing health for a number of years.

Mrs. Cantrell was born August 22, 1875 in Ellis County and was married to the late W. B. Cantrell in 1893 in Erath County. He died in Floydada in 1941. The family came to Floyd County in 1923.

She was a member of the Baptist Church and Athena Sunday School class.

The deceased was preceded in death by three sons, two in infancy and Johnny Cantrell of Floydada, who died in 1956.

Survivors include two sons, Eddie of Floydada and Jim of Vernon; 19 grandchildren; 40 great grandchildren and four great great grandchildren; two sisters, Mrs. Mary Roberts, Valley View and Mrs. Maudie Patton of De Leon.

Former County Resident Dies

Funeral rites for Sam F. Gilliland, 75 years old former resident of Floyd County, were held Sunday in the Rose Chapel at Hereford. Mr. Gilliland died Friday in Deaf Smith County Hospital after a brief illness.

He was born in Georgetown and moved to Hereford from the South Plains community in Floyd County some twenty years ago.

The Gilliland family lived in the town of South Plains for a number of years where the children attended school. Mr. Gilliland farmed until his retirement.

His wife, whom he married in Belton in 1906, died in 1944.

Survivors include four sons, Herman, Amarillo; Clyde of Hereford; Travis of Bowie; and Arnold of Sherman; five daughters, Mrs. Eddie Mae Bradshaw and Mrs. Aline Dunn of Amarillo; Mrs. Inez Stence of Marysville, Calif.; Miss Pauline Gilliland of Dallas and Mrs. Gady Marsh of Welch; 24 grandchildren and four great grandchildren.

BOB COLLIER HONORED ON 25th ANNIVERSARY

Mr. and Mrs. Bob Collier returned home last Thursday night from Beaumont where they enjoyed a several days visit with their daughter and family, Mr. and Mrs. Jack Jarrett.

While in Beaumont the Floydada couple were taken to dinner by the Jarretts in observance of their 25th wedding anniversary. Afterwards the four went to the Dale Blaine home where Mr. and Mrs. Collier were honored with a surprise anniversary party.

A beautiful cake decorated with the names of "Bob and Dorothy" and coffee and punch were served to neighbors and friends of the Beaumont residents, who called at the Blaine home to meet the honored couple.

The Dale Blaines are former residents of Floydada.

sack and attaches bits of leaves as it feeds and it carries the bag wherever it goes. A full grown worm has a bag 1 1/2 to 2 inches long. The female lays in the bag, crawls out and dies. The eggs winter in the bag and hatch in the spring. Insecticides that may be used to control bag worms are Dutch, 10 percent Toxophene or 4 percent Malathion; sprays, lead arsenate, Toxophene or Malathion.

The tent caterpillar has almost identical habits except same pass the winter in the ground in the pupa stage. The webs should be cleaned from trees and sprays of DDT, lead arsenate, or toxophene may be used.

Guides for controlling ornamental insects and household insects are available at the County Agents office, Davison concluded. **Floyd County Junior Fat Stock Show Board of Directors Meeting** Floyd County Junior Fat Stock Show Board of Directors will hold a meeting tonight, March 21, 7:30 p. m. at the Lighthouse Electric office in Floydada, states president Gerald Lackey.

Mr. Lackey said that this meeting would be devoted to discussing this year's show and to make recommendations for 1964. Several of the directors are going off the board and new directors will need to be elected at this meeting.

Those who purchased memberships in the association are encouraged to be present at this meeting in order to allow every member to have a voice in the association, Lackey concluded.

Soil Test
Floyd County farmers submitted a total of 182 soil samples to be analyzed by the Texas A. & M. College soil testing labs in 1962 according to H. T. Davison, Floyd County Agent.

This total does not include tests that were possibly made by other commercial laboratories. Therefore an overall total is not available for the county. The two top counties in the state were Hidalgo with 2725 samples and Wharton with 1518 samples. In the South Plains area Hale County led with 384 samples.

Soil tests will continue to be used, Davison said, as a means of determining the most profitable rates fertilizer to use. It is especially important on crops such as grain sorghum where early growth and maturity is desired to get ahead of the sorghum midge insect.

Kitchen And Field Report

from Lighthouse Electric Cooperative, Inc., by Nancy Morckel, Home Economist

Springtime is almost here again! This is the time of year when homemakers are looking for new or anyway just a bit different to serve their families or guests after several months of winter fare. From Gertrude Kable, Manager Home Economics Department, Ralston Purina Company, Checkerboard Square, St. Louis, Missouri, comes this suggestion for a luncheon that will be good for many different occasions.

The menu she suggests is: Hot Tuna Salad, Golden Glow Salad, Buttered Asparagus, Hot Rolls, Angel Cake a La Mode with coffee, milk or tea. And this is what she has to say regarding this menu:

"Are you looking for ideas for a Lenten Luncheon? Hot Tuna Salad has all of the attributes for social acceptance. It is quick and easy to prepare early in the day and can be heated at the very last minute. The flavor of tuna fish, celery, ripe olives and grated cheese, served piping hot, is a thoroughly delightful surprise. Even the crunchy texture of the slivered almonds and the bite-size toasted corn cereal topping seems to fit right in with the crisp brightness of springtime.

Although it isn't necessary, it is nice to serve seafood casseroles on individual seashells sometimes. They set the stage and our guests just know what to expect. Even more important, the shells keep the food hot for a longer period of time than serving plates. They are available in several different sizes, so judge the appetites before making your plans about using the individual shells.

Fresh asparagus cooked just until tender and served with butter is, to our way of thinking, the very tastiest vegetable that we can offer to our guests at this time of the year. It will cook while the hot salad is browning. Complete the plates with a molded golden glow salad bright with bits of pineapple and carrot."

HOT TUNA SALAD
2 cans (7 oz.) tuna, drained, flaked
2 cups diced celery
2-3 cup mayonnaise
1/2 cup toasted, slivered almonds
1 tablespoon lemon juice
1-4 cup chopped ripe olives
1 teaspoon grated onion
1-4 teaspoon celery salt
1/2 teaspoon salt
1 1/2 cups bite-size toasted corn cereal crushed to 3-4 cup
2 tablespoons commercially grated American cheese
1 tablespoon melted butter or margarine

Combine tuna, celery, mayonnaise, almonds, lemon juice, olives, onion, celery salt. Toss lightly. Pour into casserole or individual sea shells.

Bake 10 minutes. Combine cereal and cheese. Add melted butter. Stir until evenly coated. Sprinkle over the salad and bake 10 minutes longer or until brown.

Mrs. Gail Brewer, Home Service divisor, South Plains Electric Cooperative Lubbock, spent last Wednesday, visiting at the Lighthouse.

Little Miss Beverly Nixon of Borger, daughter of Mr. and Mrs. Loran Nixon spent last week in Floydada, visiting her grandparents, Mr. and Mrs. Melvin Henry and other relatives.

Wiley Rogers Line Superintendent attended a Group V Superintendents Meeting in Lubbock last Thursday at the South Plains Electric Cooperative.

Mr. and Mrs. Tom Hutchins and Dale spent last Sunday in Childress with Mr. and Mrs. Alton Landrum and girls. Mrs. Landrum is Mrs. Hutchins' sister.

Alton Higginbotham, Power Use Advisor for Lighthouse, showed the film "Man Enough for the Job" to 4-H Clubs at Flomot, Matador, Roaring Springs, and Floydada, during the week. (Nine showings in all).

Annual Meeting plans are coming along nicely at this time - a lot of time and work is being put

forth to make it one of the best so be on hand to spend the day with us, Saturday, April 6th here in Floydada.

Something to Think About:
Some choose their friends as they choose their hats - The flashy kind, and daring. Alas, that kind of hat, or friend, grows irksome with the wearing!
Some friends are most impressive by what

Another owns, or spends. Friendships like this are idle show. When money's gone, it ends! Some folks choose friends whom they can use; This causes woes and worry. For when they've used friends all they can.

They drop 'em in a hurry!

TRUCKING FIRM OWNER KILLED
Funeral rites were held Friday in the Farwell, N. Mex. Church of Christ for Carl Penn, 72 year old trucking firm owner who was killed in a pick-up car collision on Tuesday morning of last week some two miles north of Clovis.

Mr. Penn's trucks are leased to Dallas-Mavis in Floydada. He was well known in the business circle here and had visited here on numerous occasions.

Mr. Penn was owner of Transport Trucking Company of Texas near Texico.

Injured in the wreck was driver of the pick-up and a passenger in the Penn car, Robert Knowles of Texico.

Penn's survivors include his 94 year old mother who resides in Farwell.

Phil, Maurice Steen Fly For Bison Airlines

Phil and Maurice Steen, twin sons of Mr. and Mrs. Homer Steen of Floydada, are now pilots for Bison Airlines, Inc. out of Roswell, N. Mex. The Steens formerly lived in Midwest City, Okla.

Bison will provide regular scheduled runs from Roswell to Albuquerque, Artesia, El Paso, Hobbs, Las Cruces, Midland, Odessa and Santa Fe. If cities are receptive Bison expects to have regularly scheduled flights to Amarillo and Hereford within 60-90 days.

The airlines purpose of flight is to provide air taxi service to communities by-passed by other service airlines in Roswell. Robert Hopkin, Jr., chairman of the board of Bison Airlines, said Bison will bring a return of the old milk run of the early railroad days with the best equipment and best facilities possible.

Richard Barber is president and general chairman of Bison. He learned to fly in 1936 and was a fighter pilot with the Royal Canadian Air Force from 1939 until 1949.

Chief pilot will be Sandy Osborne, 41, who has 11,000 hours flying time.

Phil and Maurice each have 10,000 hours in the air and have flown with XICO, Capital, Central and Continental.

Barber said there will always be two planes on line and one on stand-by. These planes used will be Aero commander with a cruising speed of 225 miles an hour and a Grand commander, ten passenger with a cruise of 235 miles per hour.

Dinner Meeting Well Attended By Republicans

Fifty-eight persons attended the Republican dinner meeting held Friday night in the Colonial House in Floydada. A delicious meal was enjoyed by the group before resolutions were read and accepted.

John Farris was in charge of the meeting. The invocation and closing prayer was brought by Dennis Taylor of Crosbyton.

An inspiring talk was given by Dr. Tom Duke, medical doctor from Amarillo. He was introduced by Mrs. Florence Traweek of Hereford.

Special recognition was given several who were present and introductions made of those attending the dinner meeting from out of town.

They were Mr. and Mrs. Frank Hinkson of Muleshoe; Mrs. Traweek and Mrs. Little of Hereford, Mr. and Mrs. Sid Moore and John Riley of Lubbock and Mr. and Mrs. Dennis Taylor of Crosbyton.

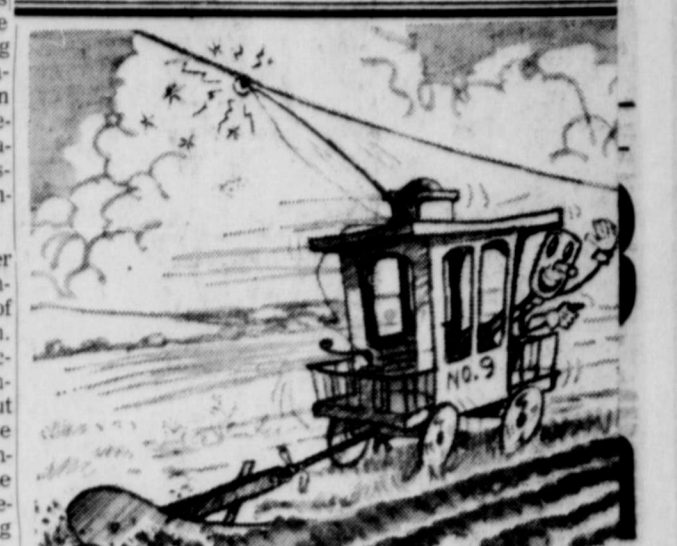

Marshall Formby Expressway Will Retain Its Name

McAllen — A West Texan's name will last as long in the Lower Rio Grande Valley as long as men travel on highways. Commissioners courts of Cameron and Hidalgo counties voted to retain in perpetuity two designations, "Marshall Formby Expressway and U. S. - Canada Highway 83.

The expressway named after Formby of Plainview was authorized when he was chairman of the Texas Highway Commission. Segments from Mission to McAllen and Brownsville are completed as four-lane roads, but right-of-way allows for two more lanes when needed. The commissioners decided to retain the U. S. - Canada Highway 83 designation for the road traversing 15 Valley towns, through the expressway is roughly parallel.

We plowed the new ground

Lighthouse Electric Cooperative pioneered rural electrification in the county area it serves. The member-owners of Lighthouse Electric borrowed \$4,737,000 and built their own system to serve people who had no electricity. Lighthouse Electric was first to serve these areas. No one else could or would offer service.

Since 1939 Lighthouse Electric Cooperative has repaid more than \$1,200,000 on the principal and more than \$750,000 in interest on their loans while offering a dependable efficient, economical electric service.

Lighthouse Electric plowed the ground and their member-owners today are harvesting a healthier, happier, better way of life through rural electrification.

MULTI-POWER!

Stop by soon and operate a new Massey-Ferguson Multi-Power Tractor yourself. Better still, phone today and arrange for a demonstration right on your own farm.

See for yourself how Multi-Power shifts on-the-go with just a flip of a switch. Let us show you why Multi-Power is the simplest, most foolproof on-the-go shift ever engineered. Most practical, too. Gives you 12 usable forward gear speeds on the MF 35, 50 and 65... 16 gear speeds on the big Super 90!

Also see Multi-Power Tractors' other features. Like their diesel power plants with *direct injection* combustion for unbeatable fuel economy. Their new back-saving, shock-absorbing Float-O-Matic Seats that are deep-cushioned for comfort. The exclusive Ferguson System. Power Steering. Differential Lock that ends wheel spinning. A host of others!

Come see us, soon!

Ask for a Field Demonstration on your farm after you see our big selection of SUPER 90's & 65's. Both are available in LP Gas or Diesel Models.
