

"Serving The Floyd County Trade Area Since 1896"

FLOYDADA, LOYD COUNTY TEXAS, THURSDAY, JULY 11, 1963

16 PAGES THIS WEEK

See Precincts Vote On Caprock Hospital District Saturday

Over 1400 Qualified To Vote

It is estimated that over 1400 in precincts 1, 3 and 4 of Floyd County are eligible to vote on whether or not to approve the formation of Caprock Hospital District this Saturday, July 13.

Polls will open at 8 a. m. and close at 7 p. m. in the regular voting boxes in the above precincts.

To be qualified to vote in the election the voter must be a resident of one of the above precincts, must have paid a poll tax or be exempt by age, and must have property rendered for taxation in one of the above precincts.

A petition bearing approximately 250 names was presented to the county commissioners court asking for the vote to form the Caprock Hospital District over a month ago and the commissioners court set the vote day for this Saturday.

The petition was submitted after the state legislature approved senate bill 486 in May of this year allowing the petition for vote to be brought up to the residents of the three precincts.

Precinct two is not included in the vote because Lockney has a hospital and it was thought by the petitioners that this precinct should not have to help pay for a hospital to be built in Floydada.

If the election carries by a simple majority the commissioner's court will appoint a five man hospital district board to begin work on selection of architect, plans, location and financing of the new hospital to be built in Floydada.

It is estimated by members of the present temporary hospital board that 30c on the \$100 property evaluation would be enough to build the hospital, although the bill calls for a maximum of 75c.

After the hospital board has determined cost of the new hospital, a bond vote will be submitted to the residents of the hospital district for approval.

Saturday's election only determines formation of the hospital district.

Voting places for the district election are as follows:

- No. 1, Southwest Floydada, First National Bank, Dale Goen Presiding Judge; No. 2, Starkey, W. L. Davis; No. 3, Allmon, Marvin Shurbet; No. 4, Sand Hill, T. C. Hollums; No. 9, South Plains, Bryan Karr; No. 11, Cedar Hill, Jack Stansell; No. 13, Baker, Malvin Jarboe; No. 15, Lakeview, Earl Edwards, Sr.; No. 16, Harmony, Scott Zant; No. 17, Goodnight, Webb Taylor; No. 19, Northwest Floydada, Sid Brown; No. 22, McCoy, H. A. Tardy; No. 23, Southeast Floydada, Billy Brown; No. 24, Northeast Floydada, Leslie Fawer.

It should be noted that voters in precinct four who live in Floydada are governed by some new boundaries. Precinct four begins with the courthouse, goes south to Houston Street, then west to Garrison, then one mile south of town, then three miles back east, then south to County line. This is identified as box 23, Southeast Floydada.

Public Service Expands In Area

Southwestern Public Service Company has started construction of a new transmission line interchange station to provide an additional source of electric power for Floydada.

Don Pemberton, District Manager, says the new 69,000 volt transmission line will run from the transmission line, also of 69,000 volt capacity, at Barwise. It will terminate at a new interchange station to be located south of Floydada.

The construction, scheduled to be completed in early fall, will provide a second major feed to Floydada. Presently, the transmission circuit feeding the area comes from Lockney. An investment of \$180,000.00 in the new transmission line and interchange station is part of a 1963 improvement program which will see the investment of \$25,000.00 in new facilities throughout the 45,000 square mile service area of the Southwestern Public Service Company.

HELP - The Hesperian will pay 25c per copy for June 20, 1963 edition.

NO TAX INCREASE

City Sets \$350,000 Revenue Bond Vote For Purchase Of More Electric Power

An Editorial

What Is Most Important?

The voters of precincts 1, 3 and 4 have the opportunity to vote for the creation of the Caprock Hospital District Saturday, July 13. It is an opportunity to start the procedure that will climax Floydada's greatest need... that of a new hospital.

Some say that we don't need a new hospital... that the answer to our health care problem is to give People's Hospital to our doctors and let them run it. The facts and the simple answer to this assertion are simply this: People's Hospital has been offered to our doctors and they aren't interested. Another fact is this... it is almost impossible to give a brand new modern hospital to any doctor in this day and time. Why should he be bothered with trying to make a hospital operate in the black when he can make all the money he wants simply administering to the ill?

Some say that the new hospital would cost money. Yes, this statement is true. Schools, churches, courthouses, municipal services, all of the important necessary public services that most cities need and enjoy cost money.

Some say that it will cost a lot of money to keep up the welfare cases at the new hospital. For the last five years we tax payers have spent approximately \$2500 a year to take care of welfare patients... is there any reason that there will be appreciably more next year? There is a possibility that this tax money will remain in Floydada when a hospital is built here instead of our commissioner's court sending it to hospitals in Crosbyton, Lubbock, Lockney or Plainview as they have in the past.

Some say that their taxes will skyrocket due to the cost of the new hospital. A very logical estimate reveals that the cost to be average taxpayer will be approximately \$9.72 per year (equal to one trip to visit someone in the hospital at Lubbock).

Some say that when you get a new hospital you won't get any more doctors. This statement has already been proved false... as another doctor will begin practice in Floydada next month, simply because he believes that a new hospital will be built here. In the past month doctors from two area towns have visited Floydada in the interest of building new clinics here... if a new hospital is built.

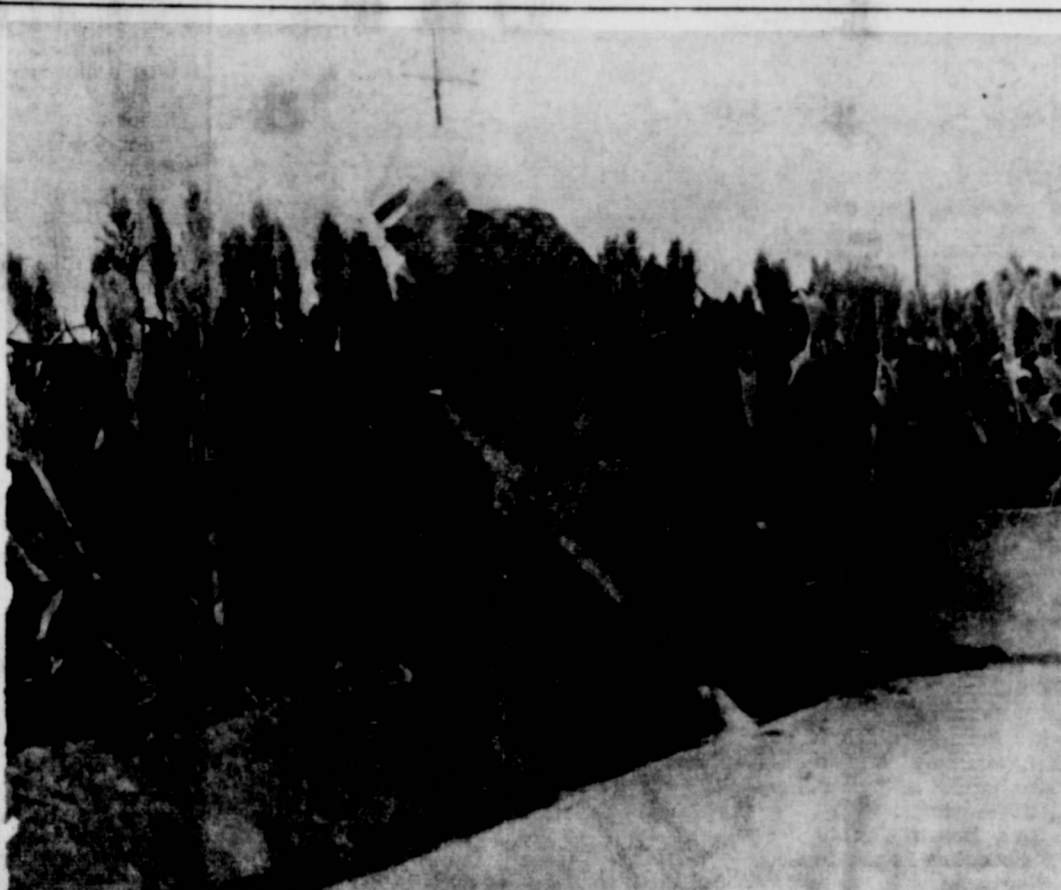

It is evident to the casual observer that our people place a great importance on new schools, churches, progressive buildings, establishments, new automobiles, new homes, fishing trips to the coast, deer hunting in the fall. Yet it is also evident that very little importance has been placed on the building of a modern, efficient, much needed health facility.

What is more important than the relief of physical suffering to our residents and their families?

What is more important than the saving of human life?

What is most important to you?

For the sake of your family, vote FOR the creation of the Caprock Hospital District Saturday.

BUMPER GRAIN SORGHUM CROP... Doug Rainbolt of Lakeview makes another water setting on the place he has rented from R. M. Spence on the northeast corner of Floydada. The grain sorghum was planted in April and is already developing big heads. Grain sorghum prospects are bright for this area.

County Banks Continue To Show Deposit Gain

Floyd County's First National Banks at Lockney and Floydada continued to show an increase in business according to deposits of both banks subject to a June 29th Bank Call.

Lockney's bank showed a good increase over the same date of last year. Deposits on hand June 29, 1963 show \$6,128,798.65 in comparison with \$5,085,518.26 on June 30, 1962. President of the bank

Gen. Collins said recent bond elections accounted for some of the gain. Floydada's First National also increased over last year with a total of \$8,969,019.68 this June. This compares with \$8,088,324.65 last June. President Clay Henry said that the increase was very good, considering this year's wheat crop was down from last year. However, he said that the farmers entered the year in a reasonably good financial condition.

School Board Hires More Teachers; Some Resign

The Floydada school board hired three new teachers at its regular monthly meeting Monday night and accepted the resignations of three teachers.

The board employed Mr. Dave Eaton of Littlefield to teach physics, chemistry, and general science in high school, and Mrs. Eaton to teach in elementary school, Mrs. John Kimble for high school English and Spanish.

It accepted the resignations of Joe Peterson, Rosa Walker and Lois Flim.

In other business the board is publishing its desire for bids from oil companies to supply the operation needs of the school buses and bids to sell a 1952 Chevrolet and 1955 Ford school buses.

County Agent Reports On Sorghum Insecticide Timing

Timing of insecticide applications is the most important factor in sorghum midge control, states H. T. Davison, Floyd County Agricultural Agent. Chemical egg laying begins. Treatment should be made as soon as 90 percent of the heads have emerged from the boot, but never later than three days after emergence. There is currently no accurate means of predicting an infestation of midge. Previous work has shown that it is usually not profitable to apply chemical control after the midge are found within the sorghum field to be treated. The following insecticides are recommended for midge control.

- (1) Endrin (1.6 lbs.-gal.) 1-1.4 pt.-acre. Do not apply within 35 days of harvest. Apply only once each season.
- (2) Toxaphene (6 lbs.-gal.) 1-3 to 2 1/2 gal.-acre. Apply only once after heads have formed. Do not apply over 1-3 gal.-acre within 28 days of harvest or over 1/2 gallon within 40 days of harvest. Dairy animals or animals being finished for slaughter should not be pastured in toxaphene treated fields. Do not ensile treated forage.

According to Don R. Rummel, extension area entomologist at Lubbock, midge emerged from the first Johnsongrass head sample taken on June 10. From June 10 to date, Rummel states, midge have been found in nearly all High Plains Counties and has been noted from several (See County Agent, Page 8)

Election At City Hall July 30; Bids Open On 2500 KW Engine

The city council of Floydada has faced the problem of either increasing electrical power output or getting out of the electricity business for some time and Tuesday night at the regular council meeting the group voted 100% to issue more revenue bonds and purchase another engine for the electricity department with a capacity to produce 2250 to 2500 KW.

At present the plant has a rated capacity of 3640 KW which leaves no standby power if one engine should quit and would not allow the city to service new industrial customers.

Twenty-One Newcomers In June

The Floydada chamber of commerce reports that 21 new families moved to Floydada in the month of June.

Newcomers register at the City Hall, Southwestern Public Service, Southwestern Bell Telephone and Pioneer Natural gas.

Listed in June are: Sadie New, 427 W. Calif.; Tony Herrera, 410 1/2 S. 4th; Glen Black, 324 W. Houston; Joe Govea, 323 W. Ross; G. J. Sisk, Jr., 322 W. Houston; I. C. Varrera, 301 E. Crockett; Rosalio Camacho, 306 E. Jackson; Juanita Ring, 706 W. Lee; R. C. Hay, 428 W. Missouri; Eugene Chaparro, 914 1/2 S. 3rd; Henry Gomus Rocha, 914 S. 3rd; Cecil Pellet, 303 E. Kty.; Eutiquio Ochoa, 603 1/2 N. 3rd; Roger Gill, E. Missouri St.; Mrs. Linnie V. Marshall, 331 W. Lee; R. G. Rogers, 320 W. Miss. St.; Jose Lopez, 704 E. Virginia; Wayne E. Dane, 508 S. Main; Frank Morales, N. 9th St.; Clamron Harvey Booth, 305 W. Crockett; Dale Lawson, 313 W. Missouri.

Reserved Football Ticket Deadline Is July 31

Principal Charles Tyer announced this week that the deadline for reserved seat tickets to see this season's football games is July 31 for persons desiring to reserve the same seats they had last year.

Although the seats won't be exactly the same (new stadium being built at present) seat numbers by row and seat will be the same.

After July 31, Tyer said the seats not spoken for will be offered to the general public. Tickets are \$3.75 per year on the three year deal or \$4.00 per single year.

Funeral For Badgett Infant Tentatively Set

Funeral rites are tentatively scheduled to be held this afternoon at 4:30 for Danny Joe Badgett, infant son of Mr. and Mrs. David Badgett, who died shortly after midnight Friday in Methodist Hospital. The baby had been ill since Wednesday of last week and admitted to the hospital Friday.

Rites will be conducted in the First Methodist Church, with Rev. Charles Lutrick officiating, assisted by Roy M. Turner, minister of the First Christian Church. Interment will be in the Matador Cemetery. Harmon Funeral Home will be in charge of arrangements.

The baby was born January 10, 1963 in Lockney. Survivors include his parents; one brother, Davy; grandparents, Mr. and Mrs. D. W. Badgett and Mrs. D. W. Badgett and three great grandchildren.

All the city's qualified voters are asked to vote their approval of the issuance of revenue bonds in order to purchase the new power unit. The vote is scheduled at the city hall, Tuesday, July 30.

Motion for the above action was made by councilman Lon Davis and seconded by councilmen Aldine Williams. When Mayor Ross called for the vote, the councilmen voted for the plan 100 percent.

Fred Battey will be the presiding judge at the election, assisted by M. P. Goen, Jeffie Smith and Aene Henry.

The election vote reads as follows: "Shall the city council of the city of Floydada, Texas, be authorized to issue THREE HUNDRED FIFTY THOUSAND DOLLARS (\$350,000) revenue bonds of said city for the purpose of constructing improvements and extensions to the city's electric light system; said bonds to mature serially over a period of years not to exceed TWENTY FIVE (25) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5 percent) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the city, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's electric light system, after deduction of reasonable operation and maintenance expenses as said expenses are defined by statute?"

Councilman Davis said that unless the city continues to operate the electric power plant, and operate it in a serviceable and efficient manner, individual taxes (See City Bond, Page 8)

Earl Rainer, 79, Pioneer Of Floyd County Succumbs

Earl Rainer, 79 year old Floyd County pioneer, died Friday in Peoples Hospital where he had been a patient for the past two months. Mr. Rainer had been in failing health for the past two years but was still operating his shoe repair business until his hospitalization.

Funeral services were conducted Sunday in the First Baptist Church in Floydada. Rev. Floyd C. Bradley, minister, officiated. Interment was in Floyd County Memorial Park under the arrangement of Harmon Funeral Home.

Pall bearers were grandsons of the deceased, Glen Elvin Rainer, Chicago, Ill.; Joe Don and Bobbin, N. W. of North Hollywood, Calif.; Mr. Rainer was a native of Mississippi born on January 7, 1884. He came to Floyd County in 1905 and farmed until going into the shoe repair business in the 1920s. He and his late wife celebrated their 50th wedding anniversary on December 31, 1955. She died December 1, 1958.

The deceased was a member of the Baptist Church where he had served many years as a deacon, song leader and Sunday School teacher.

Survivors include five sons, A. C. of Floydada; E. B. of Lubbock; N. W. of North Hollywood; L. O. and A. H. of San Diego, Calif.; 13 grandchildren and three great grandchildren.

Optometric Society Says There Is Danger In Viewing July 20 Solar Eclipse

On April 8, 1969, 170 Astronomers — principally school children — suffered permanent retinal damage and partial loss of central vision in watching an eclipse of the sun. Similar eye damage may be anticipated over most of North America on July 20, the date of our next solar eclipse, total from Alaska to Maine. A partial eclipse will be visible over most of the continent.

There is real risk of eye damage in viewing an eclipse according to the members of the South Plains Optometric Society. Methods include dark photographic negatives, glass that has been smoked over a candle, or a card with a pinhole opening. None of these devices is completely safe. Looking directly into the sun, even for a few seconds, involves the possibility of permanent retinal damage. Unfortunately, sun glasses are no answer to the problem.

A piece of photo film, overexposed on its entire surface and developed, provides adequate protection. A safe alternative is a pinhole camera. Push a clean hole in one end of a shoe box with a pin or needle. In a darkened room, aim the pinhole directly at the sun. On the inside surface of the other end of the box, you can see a clearly defined solar image.

In a completely darkened room, a larger image can be viewed at a greater distance. A pinhole works like a lens of universal focus but the greater the distance, the less the illumination. The size of the disc will be 1/100th of the projection distance.

A solar eclipse has a deservedly popular appeal. It should be an opportunity for us to extend our knowledge of the universe, but not an occasion for damaging our precious vision.

Crafton Hay Is Service Manager At City Auto

R. C. (Crafton) Hay is the new service department manager at City Auto Service in Floydada. Hay is already on the job this week and has moved to Floydada to make his home.

The new shop man comes to City Auto with more than 20 years experience in mechanical work. He was formerly located at Ft. Stockton, Texas.

Hay and his wife Oveta are making their home on West Missouri Street at the intersection of highway 76. She is the daughter of Mr. and Mrs. John Cagle of the Daugherty community and well known in this area.

In this issue of The Hesperian the folks at City Auto are inviting the public to come by and get acquainted with the service manager.

Letters To The Editor

Editor's Note: The following statement in favor of a new hospital in Floydada is reprinted from a tape recording of the R. v. Floyd Bradley's preliminary announcements during the services at the First Baptist Church, in Floydada, Sunday morning.

"We had another accident in our Church this morning. I say don't let this be you, to say two things that I had not planned to say. I believe that this would bring about my decision to say them to you this morning.

Mrs. Robert Smith fell off of the steps while coming to our Church this morning and in possibility received a fracture in her wrist and breaking her right arm. She slipped off the steps coming down to the III Department.

At the time that we came into the service this morning she was still out at the hospital waiting for a doctor to arrive. Now there are two things that I want to tell you about this. First of all, since I have been pastor, this is about the third or fourth person that has been injured on the steps of our Church. Now I pray that God might hasten the day that these steps will be done away that with for our auditorium and people, the adults, that come to our services will not suffer this hazard, and I pray that God might hasten that day when we might get away from this. You know those that have fallen and Mrs. Grisby, you know fell on the steps, went into the hospital and never did get out of this hospital.

Another was injured on these steps one night while leaving service and another has fallen also on these steps. Now this New. This one this morning, it just brings to my mind the urgency that we have and I believe that our people deserve a building that will be safe for people to come into to worship. Another thing that I may not have any business in saying to do it at all, but I pray that we will be courageous enough to take a stand, and to provide an adequate medical facility in our community.

I believe with all of my heart that no medical facilities in a community is of sin against God and against the community. And I believe that people under God have a moral obligation to provide facilities whereby we can be properly treated when an injury or accident or sickness come to us. I do not say this without

Farmers Union Asking For Extension Of Braceros

In correspondence to the National Farmers Union's Washington legislative office, and Senator Ralph Yarborough, Texas Farmers Union is urging support of a one year extension of the program providing for the importation of Mexican nationals for farm employment.

Texas Farmers Union views this program as being necessary to prevent severe hardship resulting from labor shortages in any hesitancy at all, but since last year I have put about 25,000 miles on a new car. Most of that driving has been from here to Crosbyton, to Lubbock, to Plainview, to Lockney, and other places so hospital visitation. I am sure that half of it has been as far as I am concerned it would mean about \$50.00 a month if we would have a hospital, but now that is the very smallest part of it.

I put a little girl in my car here about two or three Sundays back, with her mother and father in the back seat holding that child, and it looked like that she would die on every turn of the wheel, as we drove to Plainview, to get her to a doctor because we did not have the facilities here. And these men that are our doctors here are good men and they do the best they can. But they cannot be every place at one time and it is not their fault, and we are not blaming them at all. But we will never have doctors in our town until we get a place that is attractive, and I don't blame them because they don't have to come here. There are other places provided for them. I hear a good deal of statement on the part of some people saying that we are not going to vote to increase our tax to get a hospital.

New I say this, that in all our Church this morning and in possibility received a fracture in her wrist and breaking her right arm. She slipped off the steps coming down to the III Department.

At the time that we came into the service this morning she was still out at the hospital waiting for a doctor to arrive. Now there are two things that I want to tell you about this. First of all, since I have been pastor, this is about the third or fourth person that has been injured on the steps of our Church. Now I pray that God might hasten the day that these steps will be done away that with for our auditorium and people, the adults, that come to our services will not suffer this hazard, and I pray that God might hasten that day when we might get away from this. You know those that have fallen and Mrs. Grisby, you know fell on the steps, went into the hospital and never did get out of this hospital.

Another was injured on these steps one night while leaving service and another has fallen also on these steps. Now this New. This one this morning, it just brings to my mind the urgency that we have and I believe that our people deserve a building that will be safe for people to come into to worship. Another thing that I may not have any business in saying to do it at all, but I pray that we will be courageous enough to take a stand, and to provide an adequate medical facility in our community.

I believe with all of my heart that no medical facilities in a community is of sin against God and against the community. And I believe that people under God have a moral obligation to provide facilities whereby we can be properly treated when an injury or accident or sickness come to us. I do not say this without

IT RAINED IN FLOYDADA! . . . at noon Monday an inch and a half of rain poured out of a thundercloud. Thunder showers fell on other areas, but none as bountiful as the "town" shower.

Outdoors In Texas

OUTDOORS IN TEXAS
By Vern Sanford

There are a few well known axioms. Like, for example, "every cloud has a silver lining," and "for every bad there must be some good."

A couple of years ago Hurricane Carla swept across the Texas coast, with a terrific rainstorm in its wake. Thousands of acres of lowlands were inundated. All small game, including the bob-white quail, perished.

Next morning Tom Waddell, retired game warden from Eagle Creek, went out in a boat almost from his very back door to the Gulf of Mexico. He reported seeing only a few birds on the hummocks that hadn't quite been covered with water.

Later on Game Department biologists and sportsmen verified that thousands of quail had been destroyed. Despite all the planting of multiflora roses - and other cover plans - the birds had been wiped out.

Opponents of the state-owned quail hatchery at Tyler, including some biologists who work for the state, thought it was a bad investment. But that quail hatchery during the past several months has poured some 21,000 quail back into the Coastal area.

Barring another disaster there will be a great comeback of the wonderful birds next year.

Matagorda County, one of the heaviest hit by the hurricane received the bulk of these transplanted quail with a total of 4,870.

Calhoun County got 4,431 and Brazoria County received 4,027. Remainder went to Orange, Jefferson, Galveston, and Aransas.

Biologists long have considered this an unsound policy because

Birds were distributed from April through September, with the heaviest planting in May. Just to release these birds in the wilds probably wouldn't have done the job. Fortunately the landowners and sportsmen's groups, with the help of game personnel, saw to it that the birds were properly provided for. Shelter, cover and feed were made available. The birds were given every chance to make a comeback in a land that had been swept bare of their species.

There will be some shooting in the area this year. Generally, however, landowners will keep their places closed in an effort to give the quail a good start. Hunters who do take birds are requested to turn bands over to game wardens. This is so that a careful check can be made both of the new hatch and the bird migration.

Quail, especially the bob, is a wonderful upland bird. In many states it is considered a song bird and is on the prohibited list.

Biologists long have considered this an unsound policy because

of the heavy die-off and predation the finest eating content during the winter months. They contend that only about 20 percent of the birds carry over from one year to the next.

In other words, if the hunter doesn't get them, something else will. And the quail is one of the finest eating birds in the world. So from the conservation point of view, the quail is a real, but perhaps the entire quail ram.

Mr. and Mrs. James Moore, Sheila and Phyllis of Burleson are house guests of the Kenneth Pools. This group enjoyed a trip through Carlsbad Caverns during the weekend.

Jodie Campbell was the house guest of her cousin Diana MacDougal in Lubbock last week.

Mr. and Mrs. Maurice Campbell, Kim, Jean and Max attend- ed the Stamford Rodeo Wednes- day evening.

being close to home and among our own as we are cared for in those times of need. There are therapeutic values to the patient in the personnel who care for him as well as in the medicines which are administered to him.

I hope that we do not move too much further toward strict pro- fessionalism in the care of our ill, be they two or twenty, six or sixty, suffering from tonsilectomy or ptomaine, hard falls or hard- ening of arteries, giving birth or breathing the last. The God-given family relationship and care of each other is still fundamental to the total healing of the human needs, and the human personality. Adapt this to the care or minis- tries on almost any level and it proves the most beneficial.

One further factor I think must be involved in the final stages of our hospitalization needs. That is the fair and just consideration and handling of the present hos- pital unit already serving the peo- ple of the district. This cannot and must not be ignored in the development of our planning, af- ter we have voted to set up the district.

I have said much herein, but in short I want our people to vote for the proposal in the election on Saturday.

Charles E. Lutrick

Mr. and Mrs. Carl Jarrett, ac- companied by her sisters, Mrs. John Walker of Eloydada and Mrs. E. A. Bilberry of Lubbock, left yesterday for Conway, Ark. where they will attend the wed- ding of the women's niece, Mrs. Walker and Mrs. Bilberry will re- turn home in a few days and the Jarretts plan to complete a 10 day vacation. They will also vis- it in Anderson, Mo., with Mr. Jarrett's sister, Mrs. Gene Hol- lums and family.

Mr. and Mrs. B. A. Colston of Lake Diversion and their daugh- ter, Mrs. Burniece Holmes and her son, Jim Bob of Dallas vis- ited Tuesday and Wednesday in the homes of Raymond and J. B. Colston, Gilbert Fawver and Cur- tis Sinoer.

Mr. and Mrs. Bob Logan and family of Grand Junction, Colo. were overnight guests Tuesday of Mr. and Mrs. Floyd Bradford, Conley and Danny.

Mr. and Mrs. Floyd Anderson and Mr. and Mrs. Ted Anderson enjoyed a weiner roast in the Ted Anderson back yard Wednesday evening.

Mr. and Mrs. Floyd Bradford, Conley and Danny attended the Bradford family get together at the home of Mr. and Mrs. Ben Galloway, Wednesday night.

Mr. and Mrs. Kenneth Willis and family were Tuesday night visitors in the J. B. Colston home.

MRS. CLARMON HARVEY BOOTH

Vows For Donna Welborn And Booth Solemnized

Wedding vows between Donna Welborn and Clarmon Harvey Booth were solemnized in a home wedding in Plainview on July 3rd. The marriage was performed in the home of the bride's brother and wife, Mr. and Mrs. James D. Welborn, by Rev. R. C. Hodges of Plainview, former pastor of the Baptist Church in Center community.

The bride is the daughter of Mr. and Mrs. J. D. Welborn of Floydada and the bridegroom is the son of Mr. and Mrs. Welton Booth of Wichita, Tex.

Given in marriage by her father the bride wore a ballerina length dress of white brocade lace over satin styled with a scalloped neckline and brief sleeves. Her veil of illusion was attached to a crown of sequins and seed pearls. She carried white carnations with blue streamers on top of a white lace covered Bible.

For something old the bride carried the Bible of the late Mrs. D. E. Welborn, her grandmother which she used before her own marriage; something new was

Announcement Tea Honors June Ware

Mr. and Mrs. W. P. Ware of Route 2, Floydada, have announced the engagement of their daughter, Miss June Ware, to De Wayne Brown, son of Mr. and Mrs. Bernard Brown of Salida, Colorado.

The wedding will take place August 8th in the First Methodist Church in Floydada, Tex.

The engagement of the couple was revealed at a tea honoring the bride-elect on Saturday, July 6th in the home of Mrs. D. M. Cogdell Jr. Mrs. W. R. Ware and Mrs. Bill Ware assisted Mrs. Cogdell with hostess duties.

Miss Ware's selected colors of yellow and white were used in the spring floral arrangement which complimented the serving table. A white organdy floor length cloth was highlighted by silver appointments and yellow lighted tapers in silver holders. Aunts of the prospective bridegroom of Dimmitt were at the silver tea and coffee service.

Mrs. W. T. Conner was at the guests register.

The future bride is a graduate of West Texas University and formerly attended Texas Technological College. She studied toward her masters degree at Arizona State University.

The prospective bridegroom is a graduate of Texas Tech and attended the University of Texas.

JUNE WARE

Harmony News

By Mrs. Mather Carr

HARMONY, July 8 — Death visited our family again and took Mrs. Mattie Heard Saturday morning, July 6, at 3:10 a. m. She was in a nursing home in Plainview where she passed away.

She was a sister of Miss Anna Carr who passed away April 25 and a twin to the late Mather Carr. This is the last of the Carr children and the father, mother and five of the 8 children are buried in the Carr's Chapel cemetery. Mrs. Bruce Davis, Mrs. Carrick Snodgrass, Mrs. Vivian Curtis and Mrs. Mather Carr went to Plainview Tuesday and visited with Mrs. Heard and others in the nursing home. Mrs. Heard was 83 July 5.

Wedding Date Of Carolyn Sue Day Set For August

The engagement and approaching marriage of Miss Carolyn Sue Day to Lynn Fredrick Frame of Clearwater, Kan., is being announced by her parents, Mr. and Mrs. R. C. Day of Lubbock. The prospective bridegroom is the son of Mr. and Mrs. Henry Frame of Clearwater.

The wedding is planned for August 4th in the Pleasant Ridge Baptist Church in Lubbock.

Miss Day is the granddaughter of Mrs. Dora T. Gilbreath and Mr. and Mrs. Robert F. Day, and the sister of Billy R. Day of Floydada.

South Plains

(By Mrs. Murray Julian)

Miss Kathy Rowland, bride-elect of Nathan Mulder was honored at a bridal shower in the home of Mr. and Mrs. J. M. Williams in Floydada, July 8, at 4 p. m.

Punch, cookies and nuts were served guests from a linen covered table and attending from here were Mrs. Arby Mulder and Katharine.

Mr. and Mrs. H. L. Marble spent from July 3rd to this Sunday night over in Ruidoso, N. Mex. on a little vacation.

Mrs. Ed Musser and boys spent Friday night and Saturday here with her twin sister, Mrs. Don Marble and family.

The La Than Club met for a swimming party in Lockney on Thursday morning, July 4. Brownies, cookies, doughnuts, coffee and sodas were served by the hostesses, Mrs. Sterling Cummings and Mrs. Larry McCormick. Present with their children were Mrs. Phil Smitherman, Zach Cummings, Fred Marble, Keith Marble, Kenneth Bean, Donald Bean, Johnny West, Glen Wood, Dean Stewart, Marvin Wells Rex Smitherman, Don Marble, Bob Fitzgerald, Travis Young and hostesses.

Mrs. Sterling Cummings and Mrs. Larry McCormick.

Mrs. Early Pritchett took her sister to Floydada to board her bus for her return trip home Sunday after she spent the past week here with the Pritchett family.

Mrs. H. B. Wisener is from Hot Springs, Ark. Price Pritchett who is with the Armed Forces in Ft. Sill, Okla. for the ROTC program from WT at Canyon was home with his parents, the Early Pritchetts over the weekend.

Milton Yeary of Fort Worth is spending the summer here with his grandparents, Mr. and Mrs. Esley Yeary.

Mr. and Mrs. Bud McGowan went to Plainview Monday morning at 10 o'clock to attend funeral services for their little granddaughter, four years old, who passed away Friday night at the Medical Center in Plainview after many months of illness. Services were held in the Trinity Methodist Church in Plainview. She was the daughter of Mr. and Mrs. Jimmy McGowan in Plainview and they have another daughter, Judy Lynn, who is a year old. We extend our sympathy to all the family.

Mrs. George Weast and her two granddaughters returned from Hawaii Friday night about dark. They had come home via ship to San Francisco and then flew home to Amarillo. They had a wonderful trip and time,

Church. He and Mrs. Roark and son, Lyman, and Mr. and Mrs. Bob Wideman, Kenny and Belva were dinner guests of Mr. and Mrs. Haney Wideman, Spike, Mark and Marjorie.

Mr. and Mrs. L. E. Littlefield, Mike, Lyn and Peggy spent Wednesday night with his brother and family, Mr. and Mrs. Odell Littlefield and Vici in Abilene and on Thursday they all attended the rodeo in Stamford and returned home on Friday.

Mr. and Mrs. David Stewart and Rhudy were supper guests of Elder and Mrs. Joe Jackson and Carl Lynn on Sunday evening.

Mrs. John D. Cherry, Jr. and children of Crosbyton and Miss Ruth Bartley attended the family Day Camp at Plains Baptist Assembly on the Fourth of July.

Mr. and Mrs. Bud Cox, Linda, Dorothy, Kenny and Roy and Mr. and Mrs. Thurman Richards, Jean, Ann, Iwanda, Rony David and Connie attended the Leverett family reunion held in MacKenzie Park on the Fourth of July.

Mrs. Helen Beauchamp and son, Dennis, and her sister, Dorothy and her daughter and David Dalton, all of Ft. Worth visited Mr. and Mrs. H. R. Nance and Rachel on Sunday afternoon.

Mr. and Mrs. Earl Martin and Danny, Mrs. Max Dyess, Suzanne and Timmie, Mr. and Mrs. Ed Martin and Wayne and Mr. and Mrs. W. T. Center, Carla and Larry attended the Martin family reunion held in the park in Vernon.

Mr. and Mrs. R. R. Reed returned last Friday from a ten day stay in Truth or Consequences, N. Mex. Their daughter and family, Mr. and Mrs. Paul Sparkman, Gay and Neyron from Plainview also were there. While in New Mexico, they saw and visited with the Carlton Whittle family.

Mr. and Mrs. Earl Daniel of Levelland visited the Joe Jacksons and the H. R. Nances on Thursday and had supper with them.

Family night was held at the Baptist Church Friday night. About fifty persons enjoyed playing volleyball and eating homemade ice cream.

Elder and Mrs. Joe Jackson and Mr. and Mrs. David Stewart visited Mrs. L. Y. Woolsey in her home in Floydada Sunday afternoon. Mrs. Woolsey is recuperating from recent minor surgery.

Mrs. Wayne Adams, the former Fleeta Carthel, became seriously ill at her home Tuesday night and was rushed by Harmon ambulance to the Plainview Hospital. Mrs. Adams was reported greatly improved yesterday morning and resting fine. She has been under a doctor's care for several months for an intestinal infection and her sudden illness Tuesday night stemmed from this, relatives said.

Mr. and Mrs. Jackie Jarrett and two children left for home Saturday in Beaumont after spending the past week here with their parents, the Carl Jarretts and the Bob Colliers.

VETERANS ASK
Q — A veteran has asked me as his personal physician to get a report of the VA x-ray and laboratory studies made at a recent examination. How can I get this information from the VA?
A — You may secure Form 3288 from the Veterans Administration which will authorize the release of information from the veteran's records. Or the veteran concerned may send to the VA a written statement granting permission to release the information to the doctor.

Q — Are members of the immediate family eligible for hospitalization?
A — Veterans only are eligible to receive care in a hospital. First priority goes to the service-connected disabled veteran after that service-connected dependents who are unable to pay for care.

People will believe anything you tell them. News, Bridges

NOTICE

Would like to remind our customers we will be closed from 22nd July through 29, to attend The National Convention of the Professional Photographers of America.

This Convention will be held in Dallas and is the first time in history in our professional organization that the National Convention has been held in the State of Texas.

We will be open again to serve you with better portraiture and new ideas at 9 A.M. on July 30th.

Legal Notice
NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS FOR THE STATE OF TEXAS
CITY OF FLOYDADA
COUNTY OF FLOYD
TO ALL RESIDENT QUALIFIED ELECTORS OF THE CITY OF FLOYDADA, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID CITY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

RESOLUTION AND ORDER FOR CITY BOND ELECTION
CITY OF FLOYDADA
COUNTY OF FLOYD
ON THIS, the 9th day of July, 1963, the City Council of the City of Floydada, Texas, convened in regular session, at the regular meeting place thereof in the City Hall, there being present and in attendance the following members, to-wit:

S. W. ROSS — MAYOR
E. A. WILLIAMS,
ROE JONES
C. B. McDONALD
HENRY WILLIS
LON M. DAVIS, JR., ALDERMEN

and with the following absent: None, constituting a quorum, and, among other proceedings had, were the following: Mayor Ross introduced a resolution and order. Alderman Davis moved its adoption. The motion was seconded by Alderman Williams. The motion carrying with it the adoption of the resolution and order, prevailed by the following vote:

AYES: Aldermen Williams, Jones, McDonald, Willis and Davis.
NOES: None.
THE RESOLUTION AND ORDER is as follows:

WHEREAS, the City Council of the City of Floydada, Texas, deems it advisable to issue the bonds of said City for the purpose hereinafter mentioned; **BE IT RESOLVED AND ORDERED BY THE CITY COUNCIL OF THE CITY OF FLOYDADA, TEXAS:**

fifteen (15) nor more than thirty (30) days from the date of the adoption of this resolution and order, at which election the following proposition shall be submitted to the resident qualified electors of said City, who own taxable property therein, and who have duly rendered the same for taxation:

"SHALL the City Council of the City of Floydada, Texas, be authorized to issue THREE HUNDRED FIFTY THOUSAND DOLLARS (\$350,000) revenue bonds of said City for the purpose of constructing improvements and extensions to the City's Electric Light System; said bonds to mature serially over a period of years not to exceed TWENTY FIVE (25) years from their dates and to bear interest at a rate not to exceed FIVE PER CENTUM (5 percent) per annum, payable annually or semi-annually, said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's Electric Light System, after deduction of reasonable operation and maintenance expenses as said expenses are defined by statute"

SECTION 2: That said election shall be held at the City Hall, Floydada, Texas, in the City of Floydada, Texas, and the entire City shall constitute one election precinct.

SECTION 3: That the following named persons are hereby appointed officers of the election to-wit:

Fred Batley - President Judge
M. P. Goen - Judge
Jeffie Smith - Clerk and
Alene Henry - Clerk

SECTION 4: That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the General Laws of the State of Texas, and only resident qualified electors, who own taxable property in the City, and who have duly rendered the same for taxation, shall be qualified to vote.

SECTION 5: That the ballots for said election shall be prepared in accordance with Chapter 6, V.A.C.S. Election Code, as amended, and that printed on each ballot shall appear the following: "FOR THE ISSUANCE OF \$350,000 REVENUE BONDS FOR THE CITY OF FLOYDADA, TEXAS, FOR IMPROVEMENTS AND EXTENSIONS AND PLEDGING THE REVENUES OF THE CITY'S ELECTRIC LIGHT SYSTEM TO THE PAYMENT THEREOF"

SECTION 6: In the event the said revenue bonds authorized under the proposition aforesaid, are authorized to be issued by a majority of the resident qualified electors of said City, who own taxable property therein, and who have duly rendered the same for taxation, voting at said election and the same are issued and said bonds shall never have the right to demand payment thereof out of any funds raised or to be raised by taxation; and each bond issued or executed in pursuance of such election shall contain this clause:

"THE holder hereof shall never have the right to demand payment of such bonds out of any funds raised or to be raised by taxation."

SECTION 7: THAT a copy of this resolution and order, signed by the Mayor of the City and attested by the City Secretary, and the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS", shall serve as proper notice of said election. Said notice shall be posted at three public places in the City.

So. Plains News

By Mrs. Murray Julian
SOUTH PLAINS, July 8 - A-
mong those from here who at-
tended the Art Exhibit of Ted
Bell at the Floyd County Library
or in the Community Room of
the Bank at Floydada were Mrs.
L. F. Wood and Mrs. M. M. Ju-
lian.
Mr. and Mrs. Sim Reeves of
Memphis were here on Tuesday
to visit the Bob Reeves, the Ray-
mond Reeves and the Ted Bells,
and also attended the Art Exhibit
of Ted, who is married to their
daughter, Carol.
Mrs. O. R. Beard was in the
Plainview Medical Clinic from
Thursday morning until this
Monday when she was able to re-
turn home after surgery Wednes-
day morning. Visitors from here
included Mrs. Bryant Higginbotham
and Mrs. M. M. Julian
while she was in the hospital.
The Sylvain Kinnibrughs, Mari-
lyn and Beth spent the weekend
in Truscott and Vera with his
parents and her mother, and re-
turned home this Monday. The
John Kinnibrughs, and baby and
Valeria are here this week vi-
siting the Kinnibrughs from
era.
Mr. and Mrs. L. T. Wood went
to Tucumcari, N. Mex. to have
Sunday with her mother, Mrs.
C. Walter.
Mr. and Mrs. J. B. Thomas
of Lubbock spent Sunday here
with the Frank McClure and D'
Ann, their granddaughter from
Crosbyton who spent most of last
week with them. She returned
home with them this Monday.
Mrs. McClure is recuperating
from a recent illness at her home.
Mrs. W. H. Bunch is working at
the Plains Baptist camp this
week. She will be dining here
hostess for three weeks.
Mr. and Mrs. Charlie Warren
and children, Mr. and Mrs. Al-
vin Battey and children were in
Crosbyton on the Fourth of July.

is visiting Mr. and Mrs. Gene
Johnson and children.

Mrs. Fred Fortenberry went to cake
Tulia Friday where she visited
her mother, Mrs. N. C. McCain, and
also stayed with her sister's
family while Mrs. Elvin Hutson
took her husband to Amarillo to
ing, and Leighton Teeple is dig-
the hospital where he is in trac-
tion for a slipped disc in his back.
Hands are hoeing cotton, sugar
beets and castor beans.
We offer our sympathy to Mr.
and Mrs. John Smitherman and
Mrs. Rex Smitherman at the
sudden passing of R. G. AC PF
Tomb's, 47, of Merkel, Tex. on
Tuesday with a heart attack. He
was a cousin of Mrs. John Smith-
erman. Services were held in
Merkel at the First Methodist
Church on Wednesday afternoon
at 4 o'clock and they all attended
the services and spent the day
with relatives in Merkel.
Mr. and Mrs. Philip Smither-
man spent Sunday in Amarillo
where they visited with his bro-
ther, Mr. and Mrs. Larry Smith-
erman.
The Hellums family reunion was
held at the 7th Street Park in
Plainview all day Sunday with
the families carrying lunch. The
day was spent in visiting. All
of Mrs. Newton's relatives were
present, including Mr. and Mrs.
Leonard Moore and girls, Mr.
and Mrs. Eugene Byrd and boys,
Mr. and Mrs. Floyd Lynch and
Mr. and Mrs. Newton from here.
The Byrds of Stanton came up
Saturday and spent the weekend
here with her folks.
Several from here left this Mon-
day morning for Ruidoso, N. Mex.
where they plan to stay until
Wednesday for an eighth grade
graduation trip. Going on the
trip were Wendie Johnson and
daughter, Vickie, Mr. and Mrs.
R. H. Adams and son, Larry,
and Mrs. Ursel Taylor and daugh-
ters, Rita and Kay.
Mrs. Raymond Baker is in
Mrs. Larry McCormick, Becky Lockney General Hospital where
and Ronnie left Friday for Rui-major surgery is scheduled for
doso, N. Mex. for a short vaca-
this morning.

tion to be spent with her mother.
Mrs. Bailey Henderson of Lone
Star, and a sister and sister-in-
law. They will all be home Wed-
nesday.
A group of the couples who
howled last winter enjoyed a bow-
ling party at the Cotton Box
Lanes in Floydada Thursday night
the Fourth of July. Attending
were Messrs. and Mrs. Hollis
Shewmake, Glen Wood, Philip
Smitherman, Zach Cummings, Jr.
Sterling Cummings, Raymond
Upton, Rex Smitherman, Kenneth
Bean, Johnney West and Mr. and
Mrs. Donald Bean.
Nathan Mulder, ministerial stu-
dent at Wayland, preached at
both morning and evening ser-
vices at the South Plains Bap-
tist Church in the absence of Rev.
Sealy Smith.
Rev. and Mrs. Bill Rowland and
Linda, of Charleston, W. Va. ar-
rived this Tuesday morning for
the wedding of their daughter,
Kathy to Nathan Mulder, which
will take place at the South Plains
Baptist Church next Sunday, July
14. They will be staying here
with Mr. and Mrs. Arby Mulder.
This Tuesday the Mulders, daugh-
ter, Katherine, and Nathan went
to Amarillo on a business.

208 SO. MAIN

(Continued From Page One)

"Memphis has been receiving a lot of favorable publicity lately, and is known as the fastest-growing town of like population in the Panhandle. This is due to the location of industries, the building of a hospital, a nursing home, and to soon to begin a municipal building and community center, remodeling of store fronts, erection of many new and modern residences with prospects for many more in the near future. New streets have been opened up, with high lines, water and sewer lines added to supply the new residents moving to Memphis. Highway 287 is to be widened from the county line south toward Childress, and connects Canada to the Gulf. Another important highway - No. 256 - passes through Memphis from the Atlantic to the Pacific. Both these transcontinental highways bring much traffic through the town. Still an other highway is in the morning stage - a farm-to-market road that will connect Memphis with Quail and on north to the northeastern Panhandle, and Wellington and the east through Oklahoma, Arkansas, and a parallel to highway 66, if and when the final touches are put on sometime in the not too distant future.

As stated above, the highway is in the planning - and it is hoped by all, will become one of the main highways of America. Since highways bring many tourists, visitors, prospective citizens, isn't it wise to make Memphis the City Beautiful?

Further along in the column the Memphis editor mentions the problem of finding employment for the husbands of the wives who have moved to Memphis to work in the new textile industry.

"Wouldn't we all like to have this problem!"

A CLERGYMAN who was summoned in haste by a woman taken suddenly ill, answered the call though somewhat puzzled, for he knew that she was not of his parish, and was, moreover, known to be a devoted worker in another church. While he was waiting to be shown to the sick room he fell to talking to the little girl of the house.

"It is very gratifying to know that your mother thought of me in her illness," said he. "Is your minister out of town?"

"Oh, no," answered the child in a matter-of-fact tone. "He's here visiting the Daniels. Boggiano was a home. Only we thought it might be something contagious - and we didn't want to take any risks!"

English Digest

WALT DISNEY continues to here.

make the family type movie that is enjoyable, that is beautiful and "Savage Sam" which showed at the Capada last week was one of his best.

The boy milking the cow, squirting milk in the cat's mouth as he walked under the cow; and the "clod" fights with his brother, all ring a bell in this scribe's ear. We've been in both scenes. We appreciate Walt Disney for his type of movie entertainment. We wish more movie producers would clean up their productions and film more movies that the entire family can enjoy.

LOCKNEY Beacon editor Edgar Hays made a little trip up in the Arkansas mountains last week - said he got to take his shoes off and cool off for awhile.

Edgar also said he golfed a little while he was over there, but I never could get him to tell me that kind of score he made. Guess he thought I'd publish it in the Hesperian & I would have.

ARCH MUNCY and I visited a spell over the tail of a jet plane that ran out of fuel east of Muncy Saturday afternoon and landed in a soil bank field. It was interesting to listen to Arch tell of the days 'way back when cattle were driven from here to Childress and Estelline to the railroad - and very interesting to hear him tell of the first herds that were shipped from Floydada.

Arch also remembers who lived in what dugout and the present location of those early day "ranch houses".

I suggested to Arch that The Hesperian should begin a new column titled "Oldtimer's Corner" and I would expect the oldtimers to write me stories of the early days - and we would print a different one each week.

Okay, Arch - and all you oldtimers - send me the stories - I'll print them and share them with our many readers - I know they'll enjoy them.

W. R. Daniels Attend Reunion In California

Mr. and Mrs. W. R. Daniels have returned from a trip to California where they went deep sea fishing and attended the reunion of the 352nd anti-aircraft unit of which Daniel was a member during World War II.

Mr. and Mrs. Ray Boggiano of Lodi, Calif. are here visiting the Daniels. Boggiano was a wartime buddy of Daniel and also attended the reunion.

Mrs. Daniel said they were enjoying Italian spaghetti made by Boggiano while they are visiting

City Bond

(Continued From Page One) would have to be increased over 100 percent to take care of the city's operating budget.

This was explained as follows: The city's property evaluation is \$4,600,000 and the rate per \$100 valuation is \$1.50 - bringing in a total of \$69,000 of tax money per year for the city's operation. One half of this amount (\$34,500) must be paid yearly to retire the city's general obligation bonds of \$215,000 - leaving only \$34,500 tax money to pay the needed \$86,000 to keep the city in business.

Davis then explained that the profits of the electric, water and sewer plants made up the deficit money each year. In fact, Councilman Davis said that \$18,500 had been transferred from the past three months' electrical plant profits to the general fund.

Electric Indebtedness

At present the city's electric plant has a bonded indebtedness of \$472,000. This compares with a \$986,000 evaluation of the plant.

Other Business

In other business Mayor Ross read a notice from Pioneer Natural Gas stating that their rates to the city's plant would be increased. This is not an increase to the city's individual user, but only to municipalities.

Councilman Williams reported that \$600 was spent to get the swimming pool in operating order.

The council voted to give the equalization board members \$20 each for their services this year.

The mayor instructed city attorney Dick Stovall to write up an ordinance for the city in regard to pool halls. Two persons interested in putting in pool halls (recreation clubs) met with the council and said they hoped to get an answer to their requests in the August council meeting.

J. D. Parks reported that 23 new mercury vapor lights had been installed on highway 70 in the city limits and said that it was a great improvement in the lighting system.

All councilmen were present.

SOCIAL SECURITY MAN HERE JULY 15

The Social Security representative from Lubbock will be in Floydada on Monday, July 15 from 9:30 a. m. on. Anyone wishing to file a claim or desiring general information should contact the representative in the county court room.

Accidents Cause Car Damages

Two separate accidents Friday caused considerable damage to vehicles involved, however no injuries were reported by Alton May, city police investigator.

The first occurred at mid-morning when a 1956 Ford, driven by 17 year old Lynn Parvin, swerved out of control and hit the 1963 Ford belonging to Mrs. Bill Curry. Mrs. Curry's car was parked in front of the ASC office where she is employed, at the time of the mishap.

About noon Friday E. L. Norman, driving a 1957 Oldsmobile, was attempting a left hand turn off of 2nd street onto Virginia Street, when his car was struck by a 1954 Chevrolet, going south and being driven by 15 year old Robert Lee Durham. The Chevrolet was a total wreck and the Oldsmobile sustained approximately \$200 damage.

A two car collision Tuesday night in the northeast part of town west of Silverton highway caused no injuries but slight damages to the two vehicles involved. Marion Burton investigated the accident.

Drivers of the vehicles were Lorenzo Camacha, driver of a 1957 Ford station wagon, traveling west, and a 1961 Ford driven by Troy Conrad, going east.

California Woman Dies In Floydada

Mrs. Hatley Irwin of Berkeley, Calif., former Plainview resident, died about noon Tuesday in Peoples Hospital in Floydada, of a heart attack.

Funeral arrangements are pending at Wood-Dunning Funeral Home in Plainview. Mrs. Irwin, her husband and two daughters, 17 and 13 years old respectively, were in Texas on vacation, and had been in Munday visiting relatives. They were accompanied by a sister of Mrs. Irwin's, whom she had not seen for 12 years until this past week.

The family said Mrs. Irwin had suffered what they thought was a case of indigestion Sunday while in Munday but she did not seek medical attention. Enroute to Plainview, a few miles out of Floydada east on the Matador Highway, Mrs. Irwin became ill again. The family brought her on to Peoples Hospital where she failed to respond to treatment.

Mrs. Irwin was a native of Texas, born March 24, 1917 in Crosby County. She was the former Jennie Lynn Henderson. She and her husband moved to California from Plainview 23 years ago.

Survivors include her husband; three daughters; five sisters; two brothers and four grandchildren.

Philadelphia Flyer Finds Floyd Folks Friendly

EDWARDS looks on as "helpers" jack up plane and remove wheel with punctured tire. CHILDREN POSE for picture sitting on set while 150 gallons of kerosene goes into jet's tanks.

Edwards spent the night at the Fieldan motel. Sunday morning a used 13" compact auto tire was aired up to 70 pounds and installed on the jet — which took off east across the soil bank field. Edwards then flew to Lubbock.

Sunday afternoon Edwards called Fred Martin from Arizona and reported that the compact tire was still in service and should be okay for the California landing.

Edwards was amazed that West Texas people would take so much time to help him, he continually mentioned his appreciation for the concern shown him and his problem.

He was highly pleased with the cost of kerosene here — said it was about half the price charged elsewhere.

At last the "repair crew" returned with the bad news that a new tire would have to be purchased at Lubbock, the old tire was finished.

Raymond Barr loaned Edwards his car to go to Lubbock. Lubbock's airports were unable to furnish a tire, a 13", so Edwards returned to Floydada where tire man Ralph Rucker was approached for a compact auto tire.

Edwards said the night at the Fieldan motel. Sunday morning a used 13" compact auto tire was aired up to 70 pounds and installed on the jet — which took off east across the soil bank field. Edwards then flew to Lubbock.

Sunday afternoon Edwards called Fred Martin from Arizona and reported that the compact tire was still in service and should be okay for the California landing.

Edwards was amazed that West Texas people would take so much time to help him, he continually mentioned his appreciation for the concern shown him and his problem.

He was highly pleased with the cost of kerosene here — said it was about half the price charged elsewhere.

Survivors include her parents, Mr. and Mrs. Jimmie McGowen of Plainview, one sister, Judy Lynn of the home, and grandparents including Mrs. Etta Lewis of Dallas.

Survivors include her husband; two sons, Jim Tom of Tullia and John of Dimmitt; one brother, J. M. Willson of Floydada; and four grandchildren.

Mr. and Mrs. Nathan Abbott returned last mid-week from a few days spent on vacation in Colorado, then left for Greenville where they are spending some time with their parents. The couple are due home this week.

Granddaughter Of McGowens Buried Monday

Funeral rites for Janet Lee McGowen, four year old granddaughter of Mr. and Mrs. Bud McGowen of the Cedar Hill Community, were held Monday morning in the Trinity Methodist Church at Plainview.

The little girl had been in ill health several months and died Friday in Medical Center Hospital in Plainview. She was born June 3, 1959.

Survivors include her parents, Mr. and Mrs. Jimmie McGowen of Plainview, one sister, Judy Lynn of the home, and grandparents including Mrs. Etta Lewis of Dallas.

Floyd County Hesperian Thursday, July 11, 1963

Relatives from out of town here for the wedding of Miss Snow Drop Dunn and Lt. Bill Gant were Mrs. Patrick Hughes and her son of Honolulu, Hawaii; Mr. and Mrs. Jack Hunter and family, Dallas; Mr. and Mrs. Hubert Scott and Debra of Amarillo; Mr. and Mrs. Truman Fuqua, Cleburne; Mr. and Mrs. Mack C. Fuqua and Joy Van. College Station; Mrs. Gordon Fowler, Paula, Linda and Laura of Davenport, Iowa; Mrs. J. C. Edmiston and Janie, Plainview.

Relatives of the bridegroom here for the ceremony were R. W. Tucker of Pampa, his grandfather and Mr. and Mrs. Windel Alt Miller, Bob and Nanette of Greeley, Colo.

A number of the couple's friends from Baylor also attended.

JONES ENTERTAIN GUESTS WITH PICNIC

Guests last mid-week in the home of Mr. and Mrs. Dorris Jones was their niece, Sherry Caddel of Otton and their granddaughter, Shawnda Heflin of Plainview. Saturday night the Jones entertained with a picnic supper at Roaring Springs.

Others joining the above group included Mr. and Mrs. Sonny Burton and children, Donna Dee and Michael, his brother, Larry Barton of Bertram, who is in Floydada working for the summer before entering college; Mr. and Mrs. Ron Heflin of Plainview; Ann McIntosh and Donna Martin. Mrs. George Caddel came for her daughter Sunday.

FLOYD COUNTY HESPERIAN

Farm Economic Outlook

July. The price-income but this increase will be offset by higher prices paid by farmers, he elaborates. Economic activity of the nation as a whole increased during the early part of 1963 and will probably continue to advance the rest of the year though at a slower rate. Exports of farm products in the calendar year 1963 will probably total about the same as the

record shipments in 1961 and 1962, says McHaney. Food fats and oils and dairy product exports will probably increase while wheat and cotton levels will remain near the 1962 figure. Poultry and feed grain exports are expected to be lower than in 1962, the economist adds.

Looking at prospects for the rest of the year, fed cattle prices are expected to improve somewhat due to a seasonal decline in fed beef production. Hog

Sister Of Jim Willson Dies

Mrs. T. M. Nichols, 73 year old member of a pioneer lumber dealing family, and sister of J. M. (Jim) Willson Sr., of Floydada, died Saturday in Swisher County Hospital in Tullia. Mrs. Nichols had been ill for some three weeks.

Funeral rites were conducted Sunday in the First Presbyterian Church in Tullia with burial on Monday in the Greenwood cemetery in Fort Worth.

The former Gegexa Willson was born on July 31, 1889 in Wise

There will be little change in the number of layers on farms during the remainder of the year, but because of a higher rate of lay, egg numbers will be up.

The 1963 turkey crop is likely to be the same as last year's though it will have stiffer competition from broilers and red meat in the next six months than during the same span in 1962.

Kenneth Avaritt of Hot Springs, Ark. Church of Christ evangelist, visited several days this week in the home of his sister, Mrs. Porter Wyly and family.

Philosopher Claims Khrushchev Has Error In Letting Women Sit Under Driers

The Floyd Philosopher, in a column this week which was titled "The Russian Women Under the Driers," claims that Khrushchev has made a mistake in letting women sit under the driers. The philosopher, who is a well-known writer in the state, says that the women are sitting under the driers to keep warm. He says that this is a violation of human nature and that the women should be sitting in a beauty shop under a drier and not expect to have an uncontrolled flow of conversation develop. It is a fact of political life that mayors are beaten, school trustees defeated, governors exposed, and presidents tarnished as a result of the free play of words by women under driers, and this doesn't take into consideration what happens to all the individual lesser people who are given an honest going-over when nothing else is at hand to talk about.

Washington may not have found it out yet, but Mr. Khrushchev's whole system of follow-the-leader was imperiled when he allowed women to go to beauty shops.

Yours faithfully,
J. A.

Farm Bureau Facts & Faces

POWER IN THE PEOPLE is the theme of the annual Texas Farm Bureau Institute to be held in Dallas July 30 - August 2 at the Adolphus Hotel. The importance of the individuals participation in politics will be emphasized. The two general sessions will deal with political action on the local and state level. Representatives of the two major political parties in Texas will speak on Wednesday morning. Eugene Locke of Dallas, chairman of the State Democratic Executive Committee of Texas, will speak on "Policies and Structure of the Democratic Party in Texas." DeWitt D. DeLoach, director of the Republican Party in Texas, will be Peter O'Donnell, Jr., chairman of the State Republican Executive Committee of Texas.

Wednesday afternoon will be devoted to classes and the Thursday morning general session presentation will be on "Participating in Precinct Politics." It will be presented by T. C. Petersen and Claude de St. Paer of Chicago, director and assistant director respectively of the American Farm Bureau Federation's program development division. The final class periods will be on Friday morning, Aug. 2, and the Institute will be concluded with a banquet at noon.

will be July 18 with Mrs. Leon Ferguson as hostess.

farmers, and, in some areas, even spend a week-end with a farm family.

A. R. Grauer, director of program development, will handle the program in Texas, making arrangements for those members who wish to join any of the FB tours. The over-all travel arrangements will be handled by the Cal-Farm Travel Service, an accredited travel agency of many years' experience and an affiliate of the California Farm Bureau. A month's tour of Europe is scheduled to leave August 16. A thirteen-day trip leaves October 9 for Hawaii and the biggest one coming up is a 63 day cruise in January with dozens of port calls. The route follows east coast of South America, east coast of Africa, through the Red Sea into the Mediterranean and returns to New York. For further information see the July issue of TEXAS AGRICULTURE, page four.

EVERY FAMILY should be on hand tonight to see our County Queen crowned. Your presence will be an encouragement to each of the lovely contestants. The program begins at 8:00 p.m. in the Floydada High School auditorium. Each contestant will be required to speak approximately one minute on "Why Are You Glad Your Family Belongs to Farm Bureau?"

Deborah Main returned home to Palestine over the weekend after visiting the past month with her grandparents, Mr. and Mrs. Otho Sanders and her great grandmother, Mrs. C. E. Bartlett. Deborah accompanied her grandmother to Palestine who remained for a short visit with her daughter, the former Martha Sanders and her husband.

Mr. and Mrs. W. J. Wilks, accompanied by Mrs. W. E. Grimes were in Wheeler over the weekend visiting relatives. The Wilks took their little granddaughter home. She had been here visiting with the past week.

Burial Rites For Mrs. W. Carthel Held In Lockney

Mrs. Wayne Carthel, 60 year old Hereford woman, was buried in Lockney cemetery Friday following rites conducted in Gilliland Rose Chapel in Hereford. Mrs. Carthel died Wednesday of last week in Deaf Smith County Hospital. Mrs. Carthel was born Ruth Elizabeth Golden on Feb. 24, 1903 in Hill County. She and Wayne Carthel were married in Lockney on July 30, 1925.

R. D. Morehead Receives Award In Journalism

For the third time, Richard M. Morehead, son of Mr. and Mrs. E. J. Morehead, has been awarded first prize in the Journalism Competition of the State Bar of Texas. Mr. Morehead is with the Austin Bureau of the News.

The award was based on a number of Morehead's stories published in the Dallas News. These included a comparison of the British and Texas Justice of the Peace, several on the fight for a small loan law and an interpretive story on the problem of automatic continuances for lawyer-legislators.

Morehead received \$250 and a certificate in a presentation made by the chairman of the State Bar of Texas public relations committee.

Mr. and Mrs. Charlie Warren and family were in Andrews over the weekend visiting with Mr. and Mrs. Bud Queen and family. The Warrens were accompanied home by son, Larry, who had been in Andrews the past week as houseguest of the Queens.

W. E. Burleson, Floydada, Tex., has reported the sale of 1 registered horned Hereford bull to S. C. Burleson of Quitaque, Texas.

A Long Distance Call...
makes you feel this close to someone faraway

Miles melt away when you call a distant friend or relative by Long Distance.

Just pick up your phone and you're in touch with out-of-town loved ones, often within a minute.

Station-to-station calls go through at lower rates — at least one-third less than person-to-person calls. Rates are even lower nights and all day Sunday.

Long Distance... next best thing to being there

Floyd County Golf Club Sponsors Gary And Sam Snead Exhibition July 22

The Gary Player and Sam Snead exhibition is scheduled on Monday, July 15th. The two low scorers, whether pros or amateurs, will play with the two guest golfers on Monday, July 22nd. If the winners of the elimination tournament are pros, they will receive \$100 or more each, in addition to the chance to play with Player and Snead. If winners are amateurs, they will receive handsome trophies commemorating the occasion. Those interested in the tourney should contact Jim Terry, pro at the Gaines County Golf Club. The mailing address is Route 2, Seminole, Texas.

Committee for the promotion are working, and the ticket prices have been set. Advance tickets will be priced at \$5.00 each, including tax, and tickets sold at the gate will be \$6.00, including tax. Advance tickets may be purchased by mail, by sending check or money order to the Gaines County Golf Club at the above address.

Council Has Meeting

The county home demonstration council held their regular meeting on the 21st at the home of Mrs. Lynn Miller. Mrs. Earl Edman and Mrs. Sherry Mullins were present.

The meeting was called to order by Mrs. S. L. Holmes, Sr. president. Mrs. Hunter read the devotion from James 3:2-8. The opening song, "The Prisoner's Song" was led by Mrs. J. T. McCain. Eleven members answered roll call with "Tell your Middle Name".

Committee reports were given by the Chairmen present. Announcements concerning the club were read from the Council delegate's report.

The tea honoring the new agent, Miss Sherry Mullins, was announced and members are urged to attend and meet Miss Mullins.

The club voted unanimously to accept its share in the expense of the curtains in the new Council room in the Agriculture Building.

Plans were made for the entire club membership to go in a group to Plainview Aug. 1 and tour the "Atomital" Home and spend the rest of the day visiting. Mrs. O. L. Lowrance and Mrs. Clinton Denning volunteered to secure information concerning the tour of the home.

Miss Tomi Dycus, the 4-H member who was to present the program for the day, was unable to be present, and in her absence, the council meeting a general discussion on Stain and Grease spot removal. Several methods were given and the merits of each were discussed. The remainder of the afternoon was spent visiting and Mrs. C. B. Carmack was enjoyed by all present.

Mrs. Hunter served refreshments of sandwiches, potato chips, cookies and punch to Mrs. O. L. Lowrance, Cora Lee Shipley, J. T. McCain, G. H. Day, J. K.

Starkey Club Report

Mrs. Turner Hunter was hostess to the Starkey Home Demonstration Club Thursday, July 4. The meeting was called to order by Mrs. S. L. Holmes, Sr. president. Mrs. Hunter read the devotion from James 3:2-8. The opening song, "The Prisoner's Song" was led by Mrs. J. T. McCain. Eleven members answered roll call with "Tell your Middle Name".

Exciting Farmer-to-Farmer

Farmer travel program has been launched by the Texas Farm Bureau. About 20 group tours per year will be offered to FB members. On these tours, members will see the scenic and historic spots of interest just as they would on any tour. In addition, this is where Farm Bureau's program is distinctive — members will be provided with the opportunity to get out into the country to see farms, talk with

Wanda O'Neal, S. L. Holmes, Sr., Bill Hendrix, and Clinton Denning

The next meeting of the club

Norman Spraying Service Enjoys Steady Growth, Completes New Hangar Building

Norman Spraying Service which is located at Dougherty and which has just completed another stepping stone in its steady growth is celebrating this week. The firm has just moved into a new 50 by 70 foot all steel hangar.

Weims Norman established the business in 1959. He is the present owner and manager of the firm which specializes in all types of aerial applications for farm and ranch lands.

Associated with Norman in the spraying service are Earl Koop, chief pilot, and Johnny Dossey, utility man.

Norman Spraying Service has been growing steadily and adding to their equipment and services to customers. At present the firm operates with a Pawnee 235 spray plane. The craft was designed and developed at Texas A & M College especially for Texas farm use. It is considered the best craft obtainable for farm spraying.

Other equipment includes two pick-ups and a tank truck. Plane and trucks all are two way radio equipped to give faster, more efficient service to the customers and better coverage on sprayed areas.

The tank truck is equipped with mechanism to give constant agitation to chemicals and enables pumping under high pressure.

Norman Spraying Service offers crop spraying, dusting, seeding, fertilizing and all types of aerial application.

Norman and his crew are well experienced in this line of work. Weims is presently serving as vice president of District 3 Texas Aerial Applicators Association and before this year served as a director for that organization. Koop has had many years in the air as a spray pilot.

The firm has been working with cotton growers of the Roaring Springs, Dickens area for the past three seasons in the fight against the dread boll weevil and has gained valuable know-how in fighting this insect as well as the flea hopper and boll worm and leaf worm which are more fam-

Norman Spraying Service can make quick work of an insect problem in your crop. Shown here Weims Norman at left discusses a job with pilot Earl Koop before the take off in the Pawnee 235. If other problems arise they have two way radio between all ground and air rigs and can keep things running smoothly. The firm has just completed a new air plane hangar to serve in the busy season ahead.

iliar to Floyd County farmers. YU3-2794 or go by today and talk over your crop needs or just visit with the boys and look over the lay out. You will feel welcome and you will be glad to know that your needs can be taken care of quickly when the time comes to protect that valuable crop.

Kitchen And Field News

from Lighthouse Electric Cooperative, Inc., by Alton Higginbotham. Power Use Advisor: Nancy Morckel, Home Economist.

Give specific care to specialty items around the house — spring summer, fall and winter — and especially in the summer time, using your automatic electric washer and dryer as your maid. To Keep Window Curtains and Drapes Sparkling Fresh:

To take full advantage of the little or no ironing characteristics of synthetic and man-made fabrics wash as follows: Measure and record curtain size. When necessary mend before laundering. Wash in cold water three to five minutes using gentle speed and a heavy duty detergent. If your washer has a "soak" cycle this is good. Warm water may be necessary if the curtains are heavily soiled.

Dryer dry on the setting for wash and wear. Curtains of nylon, polyester, (Dacron, Kodol, Fortrel, Vycron) and acrylic (Orlon, Acrilan, Creslay, Zefran) fibers may be shaken and hung immediately after removing from the washer.

"Easy Iron" cotton curtains with resin finish can be washed in warm water for five minutes using regular speed and a heavy duty detergent — using "Wash 'N' Wear" setting on the machine.

Polished or glazed cotton should always be washed in cold water to preserve the finish; wash three to five minutes using a heavy duty liquid detergent. Remove from dryer when still slightly damp for ironing.

Sturdy cotton curtains (not classified above) are washed ten minutes in warm water at gentle speed using an all purpose detergent. Starch if desired. Remember, light and loosely woven fabrics require more starch than those that are closely woven.

Dryer dry using setting for regular fabrics. Dampen starched curtains to iron; remove unstarched curtains when damp dry.

Fiber glass curtains are not machine washable. The glass

garns will break under stress. Do not dryer dry fiber glass curtains. Washable draperies should be laundered according to hang tag instructions. Dryer dry according to instructions given.

Bedding may be kept fluffy and fragrant, blankets, mattress pads, infants' bedding and pillows may all be kept with a minimum of effort during these hot summer months by following instructions for them in the automatic electric washer and dryer.

Also, shag rugs, fur-like or pouf rugs, slip covers and many other such articles may be "freshened-up" by just putting them in the dryer with no heat for a few minutes.

It is real easy to keep table linens immaculate — linen damask cloths, white cottons, colored and printed linens, lace tablecloths of cotton and cotton blend with rayon and dacron polyester, and the minimum care fabrics which are appearing in modern table linens at this time. Be sure to read and follow instructions given on the labels.

If you're building a new home or thinking of remodeling your present kitchen, you'll find some valuable ideas in the new energy-saving kitchen developed by housing specialists in the U. S. Department of Agriculture.

Outstanding feature of the new kitchen, the third designed by USDA's Agricultural Research Service, is a wall cabinet with graduated shelves.

The narrow bottom shelf of this cabinet is only 4 inches above the counter. This permits small, frequently used items such as spices and flavorings to be stored within easy reach, yet provides adequate working space on that counter.

Everything in the cabinet is stored only one deep. The wide top shelf, with its wire dividers, lets you file pie and cake pans and plastic mixing bowls vertically like phonograph records. Because the cabinet is hung so low, you can reach these even from a sitting position.

Instead of doors, the cabinet has vertical shade-type closures. These slide open and shut on traverse-rod tracks at the top and bottom. They're easy to open, and take up little space. Bamboo or aluminum slat materials are available in curtain and shade departments.

Directions for making both the cabinet and closures may be obtained from the Office of Information, U. S. Department of Agriculture, Washington 25, D. C. Just send a postcard with your name and address. Ask for leaflet 518.

FEEDLOT magazine reports "Electric lighting in the feedlot improves performance of cattle, produces a quieting effect to minimize disturbances and is low in cost."

They go on to report on tests in Kansas showed slight increase in daily gains and an improved feed efficiency of 9.4 percent. The feed consumption per pound of gain was 17.6 pounds for the lighted lot, compared to 19.5 pounds for the unlighted lot.

The lights had a quieting effect on the cattle at night, and during periods of stormy nighttime weather. FEEDLOT goes on to say, "Based on studies conducted so far it appears that night lights in feedlots will improve performance, are of practical value, and can be recommended."

The Power Use Department of Lighthouse Electric Cooperative is available to assist members with lighting of all types and has the mercury vapor lights available on a rent basis of \$4.00 per month.

Surplus from your summer kitchen garden or from hunting or fishing trips need not go to the neighbors or be thrown away. Almost all meats, fruits and vegetables can be prepared and stored in your home freezer.

Are your light bulbs the right size? You can make those tasks requiring close concentration easier on the eyes by using the correct wattage bulbs in your lamps.

The minimum size bulb in any single socket table lamp for reading, sewing, or studying should be 150 watts.

A three way bulb with wattages of 50-100-150 provides low level light for a relaxing or conversational atmosphere. But a 50-200-250 watt bulb in an eight inch diffusing bowl give nearly perfect lighting arrangement. Some of the larger table lamps with a large socket take a 100-200-300 watt three way bulb.

In table lamps with two or more sockets, the total wattage should add up to 120 or 180. In floor lamps, there should be a minimum of 150 watts for casual reading and 250 or 300 watts for sewing or prolonged reading.

For lamps hung on walls, use a 150 watt bulb in single socket models, three 40 watt bulbs in multiple socket lamps. Wall lamps hung in pairs need a 100 watt bulb in each for adequate light.

If you have a "pole" or "tree" lamp in your home use a 100 watt bulb or 75 watt R-30 flood lamp bulb for close visual work. An R-30 spotlight may help when sewing dark colored materials.

Kerri and Terri Welborn, young daughters of Mr. and Mrs. James Welborn, Plainview, are visiting their aunt and uncle, Mr. and Mrs. Nolan Arney and cousin Stevie for several days.

Mr. and Mrs. W. W. Trapp left Monday morning for Austin to take their son Roger for surgery Tuesday morning.

Charlie Boedeker, Lockney, was a Monday morning visitor at the Lighthouse this week.

Mrs. A. C. Goen came to the home of her son and his wife, Mr. and Mrs. Bud Goen for a few days stay before returning to her home after a month's stay in the Methodist Hospital in Lubbock and the People's Hospital in Floydada.

Melinda Goen and Phyllis Mitchell, students at Texas Tech., spent the weekend with Melinda's parents, Mr. and Mrs. Bud Goen and her brother Mark.

Mr. and Mrs. J. F. Bradford, of Lewisville, Texas, and Mr. and Mrs. Walter Porter and Sharon of Dallas were weekend visitors in the home of Mr. and Mrs. H. E. Porter and Carolyn. Other guests were: Mrs. Elton Wallace, Porter and Stacey of Amarillo; Mr. and Mrs. Malcolm McNeill and Janice, Sally McIntosh, Mrs. Mable Sims and "Aunt Sister" McNeill.

Mrs. Lewis Goen, of California, spent Sunday night with Mr. and Mrs. Bud Goen and her sister-in-law, Mrs. A. C. Goen. Mrs. Bryant Higginbotham of South Plains visited on Monday with Mr. and Mrs. Alton Higginbotham and Kelly.

Eddie Bradshaw of Friona was the guest of David Hutchins on Sunday.

Mr. and Mrs. Tom Hutchins and Tom's mother, Mrs. J. H. Hutchins of Ralls spent July 4th with Mr. and Mrs. Hugh Ross of Electra.

Something to Think About: It has been said — "If you wish to travel far and fast, travel light. Take off all your envious, jealousies, unforgiveness, selfishness and fears."

Funeral For Mrs. C. J. Parr To Be This Afternoon

Mrs. C. J. Parr, 67, who for the past two years had courageously fought a losing battle against a malignancy, died Tuesday morning in Lockney General Hospital at 4:10. She had been a patient here since January 28th and had been seriously ill since October.

Mrs. Parr underwent the amputation of a leg on March 5, 1961, improved and was able to be

about before the illness struck this afternoon at 2:30 in the First Methodist Church in Floydada.

Funeral rites will be conducted this afternoon at 2:30 in the First Methodist Church in Floydada. Rev. Charles Lutrick, pastor, will be assisted by Rev. F. O. Parr of Kankakee, Ill., brother of the deceased's husband.

Interment will be in Floydada cemetery under the direction of Harmon Funeral Home.

Mrs. Parr was born Ethel Shurtz on December 20, 1895 in Thackerville, Okla. Her father was the brother of the late J. H. Shurtz, Floyd County pioneer.

Mr. and Mrs. Parr were married on Christmas Day in 1911 in Crafton, Tex. The couple came to Floyd County in 1934.

Mrs. Parr was a member of the Methodist Church and of the Martha Sunday School class. Survivors include her husband, one son, Travis Parr of Floydada and two grandchildren, David, and Jerry Parr of Floydada. She was preceded in death by two brothers.

Mrs. Walter Cooper of Crosbyton visited here Friday with her uncle, Will Snell and Mrs. Snell.

Mr. and Mrs. J. H. Tribble and Mary Pearl Cowan visited last week in Fort Worth and went on to Llano where they attended a family reunion.

Mr. and Mrs. Harold Snell of Lubbock visited Saturday night and Sunday here with his mother, Mrs. G. M. Armstrong.

The price-cost squeeze on farm products may tighten some during 1963 due to larger supplies and lower average prices of farm products along with higher production costs, says John McHaney, extension economist. The larger farm income but this increase will be offset by the higher prices paid by farmers for production and other expense items, the economist adds.

It may be early for cotton farmers to begin thinking about harvesting but early made plans are best, says B. G. Reeves, extension cotton ginning and mechanization specialist, at her home following accents involving mechanical cotton pickers. He emphasizes the need for having the "operating shape" of the season and throughout the picking.

Henry O'Neal, agricultural engineer for the Texas Agricultural Experiment Station, says that Kansas study involving tractor points up the need of proper maintenance of farm tractors. He said farmers can save a year in fuel costs by sure the governor's plan as it should on the farm.

Mrs. John Lloyd is recovering from her eye operation. She had cataracts in both eyes.

Center Community Receives Good Rain

CENTER, July 8 — How we and the Rosses Sunday after Saturday nite entertainment at enjoy this thunderstorm this Mon-church. The L. H. Dorrell home included

We had good S. S. and Church attendance at Calvary Baptist Sunday. And for the evening service we had half a dozen vis-itors from Edmondson where Bro. Thredgill was pastor before he moved to Floydada.

Weekend guests of Mrs. John Carey and Nancy were her daughter and family. Mr. and Mrs. Jim Moncrief and children of Colorado City. All attended Sunday dinner guests in the home were Mr. and Mrs. Lyndal Carey and daughter and Mrs. Roy Meek.

Mrs. Clifford Carpenter of Rails visited today (Monday) with Mr. and Mrs. Leo Frizzell. Rica and LaTonia Beedy of South Plains spent from Thurs-day till Saturday with their grandparents, Mr. and Mrs. Leo Frizzell.

Mr. and Mrs. Nolan Arney and Steve visited in Plainview Sunday with her brother, James David Welborn and family. The two lit-tle Welborn nieces came home with the Arneys for a several days' visit.

Guests of Bruce and Phil Hor-ton part of last week were Jack Fuqua and Gene Smith. Mrs. Doyle Sandifur spent July 4th in Tulsa visiting her sister and husband, Mr. and Mrs. Frank Loftin.

Mr. and Mrs. Doyle Sandifur visited Sunday afternoon with his mother, and his sister, Mrs. B. L. Sandifur and Mrs. Gaynell Fuston of the McCoy community.

Mrs. Charles Horton and her mother, Mrs. Walter Sims are shopping in Lubbock today. The J. E. Greens attended Family Day, July 4th at the Baptist Assembly. The crowd was big and appreciated the inspiring program and the good dinner.

The Greens visited late Thurs-day with Mr. and Mrs. H. B. Mankins. Mr. and Mrs. Frank Dunn and Mr. and Mrs. Mankins spent most of July 4th with Mr. and Mrs. R. C. Ross. Among the good things to eat were peaches and home made ice cream.

Supper guests at the Frank Dunns July 4th were Mr. and Mrs. Floyd Montgomery of Plain-view. Mr. and Mrs. Gilmer Denison, and children of Lubbock visited last Tuesday with his parents, Mr. and Mrs. C. W. Denison.

Mr. and Mrs. J. D. Welborn visited Sunday afternoon with Mr. and Mrs. Frank Dunn. Mr. and Mrs. Mankins visited the Greens Saturday afternoon

THESE SOUTH PLAINS GAL'S? . . . This picture was taken back in the thirties . . . we'll not say for sure and their ages. This picture is to remind present and past residents of the South Plains Community about the annual reunion which will be held in the school building Sunday, July 21st. There'll be dinner on the ground "st visiting" all afternoon. Pictured above in the back row left to right are: Mildred Deavenport, Mary Jo Horn, Jarrett, Trula May Phegley and Tivalia Jarrett. In the front row left to right is Merle Fay Phegley, Lucille and June Weast.

Big Game In Junior And Senior Leagues Scheduled For Tonight

With only about a week of action remaining in the boys baseball leagues thoughts are beginning to turn to the leaders in each loop and the possible playoff teams that will represent Floydada.

The big game of the season in both the Junior and Senior Leagues is set for tonight when league leaders are scheduled to come together. In the Senior loop it will be the Floydada entry going to Matador for a shot at the Motley County boys. Matador now has a 7 won and 1 lost record while Floydada is 7 and 2.

The Floyd County boys must win to gain a chance at a tie in the standings and a possible playoff. A win by Matador would wind things up with them in the saddle and champions for the season.

Other remaining games are Springslake at Lockney Friday night, Lockney at Matador Monday night and Floydada at Springslake Tuesday night. Floydada and Lockney also have a make up game that was rained out on Monday.

Cardinals Lead Freshman Loop

The big attraction in the Junior League will be the meeting tonight between Lighthouse Electric and VFW. Lighthouse is sporting a 7 and 2 record while VFW is very close behind with a 7 - 3 mark. A win by Light would make them strong favorites while a VFW win would throw things into a tie.

Remaining games on the schedule include OK Tire Braves with a seven - 1 tie bring Matador to First National Bank on Friday night. Mondays and Tigers are grouped day night VFW tackles First National.

Fairview Community Received Rain Monday

FAIRVIEW, July 8 — Mrs. W. B. Wilson enjoyed a number of her relatives for Sunday dinner and for the day. Present were Mrs. Alton Clifford and Mrs. Ernie Henkle, both of Weslaco, Mr. and Mrs. A. S. Mize of Cedar Hill, Mr. and Mrs. Walton Wilson of Fairview, Mr. and Mrs. Bill Tye and Jim, Mr. and Mrs. Harvey Allen and Mike, Mr. and Mrs. Weldon Pruitt and Greg, Mr. and Mrs. George Mize and Sallye, Mr. and Mrs. Woodrow Wilson and Dee Anne and Cotton Wilson, all of Floydada.

Mr. and Mrs. T. L. Perry and Mr. and Mrs. E. W. Walls spent Friday night supper with the guests of Mr. and Mrs. Shirley Caprock Senior League since the last issue of The Hesperian and that was Matador 9 and Lockney 1. The League was open over the holidays and the Monday night game between Lockney and Floydada was rained out.

Caprock League Standings (July 9)

been close all the way and stay right down to the wire before naming a champion.

Action this evening matches the 2 of Mr. and Mrs. Lee Rushing were Mr. and Mrs. Peyton Legg of Afton, Texas, and Mr. and Mrs. Carl Mooney and grandson Lee Mooney of Roswell, N. Mex.

Mrs. John R. Shipley called in the home of Mrs. Clyde Bagwell Friday afternoon.

Mrs. Galen Holland and Mrs. W. F. Holland spent Wednesday to Saturday night in Abilene visiting Mrs. W. F. Holland's daughter, Mrs. Ellis Barbee and family. Mrs. Barbee is ill and has been in the hospital but is back home at this time.

Mrs. C. W. Denison visited Saturday afternoon with Mrs. C. L. Joiner and Mrs. Clyde Bagwell.

Mr. and Mrs. T. L. Perry and Jan of Floydada and Mr. and Mrs. S. W. Perry and son Robert of Amarillo were Sunday guests of Mrs. J. T. Perry.

Mr. and Mrs. Earl Thompson of Matador and his mother, Mrs. Thompson of Oklahoma City visited Sunday afternoon with Mr. and Mrs. Galen Holland.

Mr. and Mrs. Cecil Payne spent some ten days at their trailer home at Stamford lake. On July 4th they were joined there by their son, C. J. and Mr. and Mrs. Doyle Jackson and children, Brenda and Blake. Mr. and Mrs. Payne returned home Saturday accompanied by their granddaughter, Janice Payne of Knox City who will spend 2 or 3 weeks here with her grandparents. Mrs. Payne reports they caught about 50 lbs of fish during their stay at the lake.

Mrs. Weldon Pruitt and Greg spent the day Tuesday with her

Farm Bureau Hurts Cotton Producer

Several from our community attended the funeral Sunday afternoon at First Baptist Church, Floydada, for Mr. Earl Rainer. We extend sympathy to the family at this time. At one time Mr. Rainer and his family lived out in the south side of our community.

THE HOUSE RULES COMMITTEE has not had a quorum present lately when they have met from the small towns, that favor republican philosophies. But they should be stopped and their bot-toms spanked publicly on opposition any and all of the proposed cotton legislation.

For the cotton industry needs a new cotton program if it is to survive, and maybe it could get introduced on the floor the week of July 15. It is extremely doubtful according to these same observers whether the bill will have enough backers to pass.

The National Cotton Council for the Cooley bill, as are the textile manufacturers and most of the rest of the industry. Arranged against it are the American Farm Bureau officials in Washington, said to be the capitol's toughest lobbyists, and the republican in the house agriculture committee, who voted solidly against it even being reported out of the committee to start but were defeated.

The republicans don't want any cotton legislation unless they get a bill written by a republican which is understandable if you follow the great game of politics. However, the republicans might go along with the Cooley bill specifically if they can trade out votes for some other bill they care whether or not the Cooley bill is defeated.

Thus, if the entire industry joined together to do battle, plus the southern democrats and a few of the northern and big city democrats get busy, they stand only an outside chance of defeating the farm bureau and the republicans.

The sad part of the story is that the farm bureau is supposed to be representing the farmers for the residents of our area. It is not now suitable or satisfactory to be replaced with a new, modern, well-equipped hospital. We believe a right-wing political organization fighting anything democratic or favored by the Kennedy administration, whether the proposals are good or bad.

One Memphis cotton observer says the farm bureau and the John Birch organization has interchangeable membership but we don't believe that. We just

LETTER TO THE EDITOR

Editor,
Floyd County Hesperian,
Floydada, Texas.

Some four months have flown by since my family and I moved to Floydada. These have been busy, happy months. During this period of time we have become acquainted with many of Floydada's friendly citizens. We can truthfully say we enjoy living and working in this fine community. We appreciate the progressive atmosphere in this area. We believe, Mr. Editor, that you are a valuable asset to a community like ours, a community which wishes to move forward. You are in a responsible position and editorials you are influencing the thinking of many people.

We are especially grateful for the way you have vigorously supported the plans for a new hospital in our city. There can be no denial that at the present, a new hospital is Floydada's most pressing need. It is encouraging to know that many others are also working for the proposed People's Hospital was probably alright at one time. However, it is not now suitable or satisfactory for the residents of our area. It needs to be, and should be, replaced with a new, modern, well-equipped hospital. We believe a right-wing political organization fighting anything democratic or favored by the Kennedy administration, whether the proposals are good or bad.

One Memphis cotton observer says the farm bureau and the John Birch organization has interchangeable membership but we don't believe that. We just

the SHERICK

Sherick's beautiful patio

SHERICK MEMORIAL HOME is a modern, comfortable, refreshing residence for single retired women who, having reached the age of sixty-five, desire to live in congenial association with others of similar interests. It is not a nursing home. Those who live at the Sherick enjoy it as their own home, entertaining friends and family when they choose.

The Sherick planned and constructed for its singular purpose, provides a colorful and homelike atmosphere where mature women can find more happiness through varied activities and stimulating friendships. The home combines the warmth of family living and the convenience and service of the most modern hotel.

Located in Bobalet Heights residential section in west Lubbock, the home is a beautiful one level fireproof structure on five landscaped acres.

Besides individual bedrooms, there is a spacious living room, large sun room with music corner, a hobby room, dining room, a quiet library containing a variety of reading material, and a beautiful patio.

The entire building is centrally heated and air conditioned, with individual room controls. Each of the 25 bedrooms is fully carpeted and furnished for comfort and beauty. Bathrooms are conveniently located between bedrooms. Telephones are available to every room.

The Sherick furnishes transportation for church, shopping, beauty appointments, concerts, civic activities and other functions.

Administration of the home is guided by a board of directors composed of Lubbock women who are genuinely interested in the welfare of the residents. Daily administration is in the charge of a resident director and her staff, constantly on duty to be called instantly to the side of any resident who may need assistance.

for further information write: Sherick Memorial Home 2502 Utica Avenue Lubbock, Texas phone SW 9-8600 at a Modest Cost. Because Sherick is an Endowed Home, Its Facilities are Available

'SPEEDY' CITY AUTO

Side Dress Time Is Here...

And the Fastest, Easiest, and Most Economical Way to Side-Dress Is With **SOL-U-PHOS LIQUID FERTILIZER**

"The SOLUTION For Your Fertilizer Problem"

Side dressing with SOL-U-PHOS Liquid Fertilizer will give your crops the plant nutrients needed now—"Dinner Time"—and will carry them on to a fruitful harvest. By side dressing with SOL-U-PHOS, which is a chemical combination of plant nutrients forming a neutral SOLUTION, insures balanced fertility for your crops. Now, when your crop has gotten to the point that you are making your money, increase your crop yield and maintain a high fertility by side dressing with SOL-U-PHOS Liquid Fertilizer.

Everywhere you look more farmers are going "modern"—They are switching to SOL-U-PHOS Liquid Fertilizer. Why? The meter pictured above makes sure that your dealer—Lovington Storage delivers to you the exact gallonage of SOL-U-PHOS. Then by use of pumps the handling of SOL-U-PHOS is a "filling station" type of operation. There is no heavy lifting, you get the correct analysis of plant nutrients without having to buy unwanted quantities of other nutrients. SOL-U-PHOS doesn't require you to have a field full of farm labor to get the job done. One man can easily side dress and cultivate 50 acres or more per day and you pay only for the plant nutrients delivered by your dealer. That's why we say—

Go modern... See the man who Sells **SOL-U-PHOS LIQUID FERTILIZER**

Shorty Howard Buried Monday

Rites for O. C. (Shorty) Howard, 55, taxicab driver who was slain in Anchorage, Alaska, last week by a berserk gunman, were held Monday in Blackburn Shaw Funeral Home in Amarillo. Burial was in Llano Park cemetery in that city.

Howard was a former resident of Floydada having lived here from 1927 until 1928. He was also formerly of Lubbock, Amarillo, and Waco where he lived until two years ago when he moved to Anchorage. Survivors include the widow; three daughters; eight sisters; four half-brothers and one half-sister.

Rites Conducted For Mrs. Heard

Final rites for Mrs. Mattie Heard, 83 year old, Petersburg resident, were held Monday morning in the Carr's Chapel Methodist Church in Harmony community. Mrs. Heard died Saturday morning after an extended illness.

Rev. Elton Wyatt, pastor of the Petersburg Methodist Church, officiated. Interment was in Carr's Chapel cemetery under the direction of Wood-Dunning Funeral Home.

Mrs. Heard was born in Coryell County on July 5, 1880. Her parents were the late Rev. and Mrs. W. H. Carr, founders of the Carr's Chapel which bears their name.

The deceased and her husband, who died in 1941, were married on July 2, 1899. She had made her home in Petersburg and Plainview since the 1900s.

Mrs. Heard was preceded in death by her parents; three brothers and two sisters; Miss Ann Carr, a sister, died in April of this year. Mrs. Heard was the last remaining child of the W. H. Carr family. Mrs. Mather Carr, grandson, Mike Green of Duncan, Carr family. Mrs. Mather Carr is a sister-in-law of Mrs. Heard.

Survivors are two daughters, Mrs. E. K. Williams of Petersburg and Velma Head of Lubbock; one son, O. H. Heard of Petersburg; five grandchildren and 14 great grandchildren.

Lockney Takes Bids For New City - Fire Hall

Bids for a new city hall and fire station are being accepted by the Lockney city council. Plans for the project have been completed by an architect.

Bids will be opened at 2 p. m. Thursday, July 18 in the Lockney City Hall. Present estimates are that the cost of the combination building will run less than \$50,000.

Bonds for the project were approved early this year. Visitors in the R. M. Cannon home over the holidays were a Carr, a sister, died in April of this year. Mrs. Heard was the last remaining child of the W. H. Carr family. Mrs. Mather Carr is a sister-in-law of Mrs. Heard.

Good Business To Use Lake ... Save Underground Water

The High Plains Underground Water Conservation District is urging irrigators to take advantage of the water that fills the wetlands. That's the cheapest water he can use, and probably the best. You know, it is considerably warmer than ground water and when used should result in less shock to the growing plants.

Most of the lakes are brimful with rainfall runoff which will largely evaporate unless utilized in growing a crop. With the days becoming extremely hot, many farmers are cranking up their wells and have begun irrigating. A spokesman for the Water District says, "The best that we know to conserve poles and other organisms that ground water is to use lake water as a substitute. In fact, if a fellow has a lake filled with water that he was not sure about on his farm and does not put it to work, he is missing a real man's crop, but that by pump-

Research Seeks New Uses For Cotton

College Station, July 10 - Four late June developments, announced by the U. S. Department of Agriculture, should be of interest to producers and consumers of cotton.

Three of the developments have to do with research aimed at finding new uses for cotton and evaluating an already announced process for making all-cotton stretch yarns.

The fourth development was the announcement of Secretary Freeman of an agreement with India which provides for a record-breaking barter of cotton and possibly other agricultural products in exchange for strategic materials.

Dr. Bayouth And Bride To Reside In Floydada

Miss Barbara Ann Joyner, daughter of Mr. and Mrs. William H. Joyner, 913 Erwin, Corpus Christi, Texas, became the bride of Dr. Ed Frank Bayouth, son of Mr. and Mrs. F. E. Bayouth 30 Harvard Place, Abilene, Texas, on Sunday, July 7, 1963.

The ceremony was read in the Forrest Park Baptist Church at 5:00 o'clock p.m. by Rev. John C. Jackson. The church of the bride was decorated with white gladioli, white stock and greenery.

Given in marriage by her father, the bride wore a ballerina length gown of chantilly lace, fashioned with a long, sculptured bodice. A sabrina necklace was worn by the bride. The front draping of the lace skirt was complemented by a hand-made rose of the lace. The back of the skirt featured tiers of lace extending from the lace. Her shoulder length veil flowed from a small pill box of chantilly lace, set pearls and sequins. Her bouquet was a crescent arrangement of white orchids.

Her maid of honor, Miss Barbara Lynn McMillan, of Corpus Christi, chose a pink lace sheath fashioned with a draped overskirt of the lace. Her headpiece was a small pink veiled circlet. She carried pink roses, arranged in a crescent.

Dr. Bayouth's brother, La Noard Bayouth, served as his best man. Ushers were Dr. G. C. Coates, Dr. Clinton Craven, Dr. A. A. Kopecky, and William S. Joyner.

A reception at the home of the bride's parents followed the ceremony. After a wedding trip to Mexico City, Dr. and Mrs. Bayouth will make their home in Floydada, Texas.

Mrs. Bayouth is a graduate of Roy Miller High School and attended Del Mar College. Dr. Bayouth was graduated from Snyder High School, Texas Tech, and the University of Texas School of Medicine.

The hardest part about parking a Corvair is finding a nickel

That may be a slight overstatement, but such jauntiness comes easily when you're a Corvair owner. And you can usually back it up—as easily as you can back up a Corvair. You'll find yourself doing that occasionally, if only to adjust the brakes—they're self-adjusting. That's all there is to it, and that's a good example of how delightfully easy Corvair is to own, drive and maintain.

But since we began by talking about driving, let's stick with that awhile. A large factor in the fun of driving a Corvair is the location of its engine in the rear. Why the rear? It gives Corvair extra traction on any road surface. It provides a nearly flat floor for more useable interior space. Best of all, it produces steering so light, so responsive, you wonder why no other American-made car thought of it.

Corvair's engine is also air cooled, we might add, which means there's no antifreeze or water for you to add. Ever. All that pleasure from something so practical almost makes you think Corvair is unique among American cars. Which isn't surprising, because it is!

10 Wonderful years!
10 REASONS WHY PIGGLY WIGGLY CUSTOMERS COME BACK again and again!

AND MANY MORE

1. Lowest Prices on every item, always!
2. The very best quality on every shelf!
3. Freshest, tempting garden-fresh Fruits & Vegetables!
4. The tenderest, mouthwatering meats!
5. All the famous Brands you know and trust!
6. The best, most famous trading stamps - **5% Green Stamps**, of course!
7. Service with a smile and a helping hand all the way to your car!
8. Double your money-back guarantee on every item!
9. Fast, courteous, check-out service always!
10. Convenient Stores with plenty of free, handy parking!

Beginning with one store in 1953, by January 1, 1956, Shop Rite Foods was operating nine Piggly Wiggly stores, and at that time three more stores and the Piggly Wiggly franchise were purchased in Amarillo from the Boston Family. These three stores have since been replaced with new, large, modern stores.

Fantastic growth sprang from this small beginning, and soon Piggly Wiggly customers in other large areas of Texas began enjoying savings gained by volume buying, and Piggly Wiggly began to be recognized as the place to save on nationally famous brands. These facts coupled with the fast, friendly service within the stores made the Piggly Wiggly famous in the west.

Help us celebrate our 10th Anniversary by registering daily for these valuable prizes. No purchase is necessary and you need not be present to win. Only residents of Texas, New Mexico, and Oklahoma, 18 years or older may participate. Employees of Piggly Wiggly, its subsidiaries and their immediate families are not eligible.
