

## Stanley Jones To Here August 29

Members of all faiths are invited to the First Methodist Church of Floydada next at 8 o'clock to hear Stanley Jones.

Stanley Jones was sent to India as a missionary by the Methodist Church over a half century ago. His interpretation of the gospel made a profound impact on the educated classes and the religious leaders. He defined Christianity in terms of Christ, disentangled from western culture and western systems of Christianity. His approach is said to have changed the whole course of missionary thinking.

## C. Hedrick Architects Voted By Hospital Board

Hospital board members have selected C. Hedrick & Associates as architects for the new hospital building in Floydada.

## Black Chat

Advertising in a "gimmick" week to get a readership of the newspaper and the telephone to the "pair of ears for sale" advertisement.

## Labor Day Is Dollar Day

In Floydada, Monday, September 2 will not be a holiday, but it will be a "First Monday Dollar Day."

## Highway Patrol Reports Five Floyd Accidents

The Texas Highway Patrol investigated five accidents on rural highways in Floyd County during the month of July, according to Sergeant D. S. Lawson, Highway Patrol Supervisor of this area.

## Property Tax Group Discuss Property Values

and also invites him to compare values with his neighbors. It also states that the equalization board will be present and will consider any evidence the patron may want to submit as to the value of property for taxable purposes.

# Fifty-eight Whirlwinds Train For Football Season Opener

# Commissioner's Court Approves Budget

## Play Spur In Floydada September 6

Whirlwind coaches, Bill Curry, Bill Carmack, Bob Shields and Perry Lockett found 58 prospective team members on hand Monday morning in answer to the call for football training.

The coaches and squad have been holding two a day workouts and this will continue until school starts. A scrimmage session with another team will probably be held the latter part of next week.

Coach Curry told The Hesperian that he has a young and spirited group of boys but added that the team will be light and short on experience. At present there are some nine seniors working out but none have reached their 18th birthday.

NEW SPEED LIMITS SIGNS... local highway main tenance foreman J. W. Gooch shows new signs that indicate new speed limits on Texas highways beginning tomorrow. Gooch says he will be working three crews, putting up 88 signs in the county. All paved roads will carry the new speed limit signs except the Sandhill highway which will remain 60 mph. The new limits do not apply to all roads in the state, but most major highways will receive the new 70 mph for day light and 65 mph for nighttime driving.

## County's Bond Retirement Plan Continues On Schedule

The Floyd county commissioner's court approved a \$432,992.00 budget for the new year at a special called meeting Monday.

## Twenty-Five New Families Move Here

According to records of the city hall, Southwestern Public Service, Bell Telephone, and Pioneer Natural Gas 25 new families moved to Floydada last month.

## COST WITHIN \$350,000 City Council Approves Purchase Of Two 1250 KW Nordberg Electric Power Engines

After over a month's study and deliberation the Floydada City Council decided to purchase two 1250 KW Nordberg engines from the Nordberg Manufacturing Company in Milwaukee at a special called meeting in the city hall Tuesday afternoon.

## BACK TO SCHOOL SEPT. 3 Registration Next Week

It will soon be "Back to School" and students and their parents are reminded of the registration dates which start next week for the Floydada Independent School district. Classes will start on September 3 with schools closing May 29, 1964, according to information from the office of Supt. A. F. Baker.

Registration at Andrews Ward and Junior High will be Thursday, August 29th. Registration for Seniors will be at high school on Monday and Tuesday, August 26th and 27th; Juniors on Wednesday morning, August 28th; Sophomores, Wednesday afternoon, August 28th and Freshmen on Thursday, all day, August 29th.

## Gene Linn To Emcee Farm Bureau Talk Talent Find

Channel 11 Farm Reporter, Gene Linn will serve as master of ceremonies at the Farm Bureau Talk Meet and Talent Find on Tuesday evening at 8:00 o'clock, August 27. The event will be held in the Lockney High School Auditorium.

The Talent Find is a program for Farm Bureau young people, 17 to 30, which will end in a Grand Finale at the state convention in November where the number of Texas will be selected. The number that is chosen will be given an opportunity to attend the national Talent Find at the American Farm Bureau Convention and will be awarded \$250 by the Texas Farm Bureau for their expenses in attending the convention.

## Bill Michael To Present Sacred Music Concert

Bill Michael, who has sung extensively in revivals over the states of Texas, Arkansas, Oklahoma, Kansas and Missouri, will present a Sacred Music concert at the First Methodist Church in Floydada Sunday night, August 25 at 7:30. This is the last and climactic of six Sunday evenings of inter-church worship services shared by the First Christian, Methodist and Cumberland Presbyterian congregations.

## Softball Tourney Draws Crowds

Floydada Baseball Association is sponsoring a softball tournament in Floydada that is drawing wide interest and attendance at the games is growing each night. This is the first softball local fans have been treated to in several years and many are very enthusiastic about the speed of the game and its appeal as a spectator sport.

## Doyle Moore President Of QB Club

In the first meeting of the new 1963 football season the Whirlwind Quarterback Club elected Doyle Moore as president. Named to serve with him were Gordon Hambright, vice-president Orville Marler, secretary and Weldon Harris, treasurer.

## Bill Garrett Of Wichita Falls Takes Country Club Eighth Annual Tournament

Bill Garrett of Wichita Falls won the big honors in the Floydada Country Club Eighth Annual Invitational Tournament last weekend as he took the medalist crown and then went on to win the championship. Garrett posted a six under par 66 in qualifying on Thursday to nose out Charles Hopkins of Post who came in with a 68.

IT WAS A LONG DAY and 36 holes of golf was played Sunday before Bill Garrett of Wichita Falls (on right) defeated defending champion Melvin Best of Lubbock for the championship of Floydada Country Club's Eighth Annual Invitational Tournament. Garrett was a 1st medalist on Thursday. The winner shot a 72 hole 276 to win the meet and Best had a 278.

## Moore

(Continued from Page 1)  
filming of the ball games and financial help with the annual football banquet.

Membership cards were passed out and club members are now selling same and trying to build up a bigger club roster. Membership fee is \$1 or all that fans are willing to donate to this worthy cause. Everyone interested in football is invited to join and to attend the meetings.

Last year the club earned and spent about \$1600 in support of the school athletic program which is the one goal of the membership.

Next meeting date was set for Monday night, September 9, at 8:00 p.m. in the high school cafeteria. Coffee and refreshments will be served and films of the Spur game will be shown.

Before the Monday night meeting was over those in attendance heard a report from the coaching staff, looked over the new football stadium and field improvements and enjoyed a cold watermelon feed.

Consideration of a few items will help insure a good stand of fall-seeded legumes and grasses. Prepare seedbed early, sample your soil, buy good seed and plant during the last part of August or the last part of September.

## Berry

(Continued from Page 1)  
came critically ill overnight Tuesday and was being rushed to Lubbock for additional treatment when death occurred.

Berry was born in Tulsa, Tex., on Jan. 4, 1929 and came to Floydada with his parents in 1936. He was a graduate of Floydada High School where he made all District football tackle two years. He was a graduate of West Texas State Teachers college with a degree in Bachelor of Science and of Texas Tech with a degree in business administration.

He was teacher, principal and girls' basketball coach at Crosbyton for five and one-half years where the team there won seven trophies behind his coaching influence. He taught and was principal two and a half years at Spur also at Amberst and until his death had been teacher, principal and coach at Earth for the past three years.

Berry joined the Masonic Lodge during his teaching at Crosbyton. He was an active worker and layman of the Methodist Church in Earth, was an adult leader in Boy Scouts, member of the Lions Club and other civic organizations.

Survivors include his wife, the former Mary Henderson of Dallas; two sons, Michael 12, and Timothy, age two; one daughter, Cynthia Ann, 10; his parents, Mr. and Mrs. Charlie Berry of Floydada; one brother, Harold Berry of Amarillo; and one sister, Mrs. Tubal Cain of Magnolia, Okla.

While visiting with his ill son Sunday, Mrs. Berry became seriously ill and was hospitalized at Littlefield. She was dismissed Tuesday then re-admitted Wednesday morning in a state of shock after learning of the death of her son. She was reported under sedatives at the time.

## Council

(Continued from Page 1)  
sion and the largest engine in the world was built by Nordberg and is in operation at Ponca City, Oklahoma.

Councilman Lon Davis outlined most of the features of each engine to the other councilmen when the studies were made.

Davis is supervising councilman for the power and light plant. Mayor Ross said the selection was made on several merits of the engine, including the initial cost, maintenance and operating costs and company backing of the product.

The mayor said the decision to buy two engines instead of one centered around the fact that one engine could continue running if the other was stopped for any reason. At present the plant has a 3700 KW capacity and the additional 2500 KW will almost double the power plant's capacity of service.

Mayor Ross said that he felt that the next council should begin a trend of buying larger motors, that eventually too much housing and care would be necessary with so many smaller engines and that definitely the next purchase of power should be larger engines.

Plant engineer Jay Cannon will watch the final stages of the engine's assembly and will watch the engines undergoing tests at the factory before they are moved to Floydada for installation.

The other company that was in close consideration was the White Motor Company.

## Softball

(Continued from Page 1)  
for the junior and senior league baseball teams.

All proceeds of the softball tournament go to the baseball association after expenses have been paid. Starting tonight admission charges of 25 and 30 cents will be made each night for the double header games coming up.

Tonight it will be Lockney against the Dixie Has Beens of Lubbock. Each team has lost one game and the loser of this contest will go out of the meet.

In the second go Floydada Fire Department meets Dougherty and this loser will also fall from the meet.

Friday night will see two teams in the winners bracket, Crosbyton and Hale Center, square off and the other game that night will be the contest between survivors in the losers bracket.

The championship game will come on Saturday night unless extra games are required to eliminate teams from the lower

bracket. In that event the championship will be delayed until Monday night. A team must have one team play a triple header on Saturday by postponing the final contest until Monday.

Scores reported so far in the tournament have been:

Floydada 7 - Lockney 0;

Hale Center 6 - Dixie Has Beens 4;

Tulia 10 - Dougherty 0;

Crosbyton 5 - Floydada 4;

Fans were treated to an outstanding pitching duel when two of the top pitchers of the area squared off on Tuesday. Carter and Williams who pitch for the Tulsa and Hale Center teams struck out 13 and 11 men in the seven inning affair that ended in a 2-1 victory for Hale Center.

It is probable that these two will meet again on Saturday night and more of the same is in the prospect.

## Garrett

(Continued from Page 1)

play instead of the 36 matched play and 36 of medal as in the past. Championship flight golfers were plentiful this time and the flight was made of 20 instead of the usual 16. In addition to this both the first and second flights contained many of the golfers who have played in the championship in past years.

The tournament drew contestants from as far away as El Paso, Wichita Falls, Abilene, Amarillo, Pampa and all over West Texas and was one of the larger meets held in this area this year.

Prize winners in the tournament were:

Championship flight - Bill Garrett 276, Melvin Best 278, Joe Huber of Lubbock, 279.

First Flight - Peden Kermit first, Morgan McReynolds runner-up, and Ted Watts consolation winner.

Second Flight - Rex Brown first, Jim Smith runner-up, and Jerald Vinson consolation winner.

Third Flight - Doug Ellison first, Al Harrison runner-up, and Robert Hoffman consolation winner.

Fourth Flight - G. A. Edwards first, Frank Stanton runner-up, and Glad Norman consolation winner.

Fifth Flight - M. L. Sanders first, Bill Henry runner-up, and Mackey Greer consolation winner.

Sixth Flight - Gerald Pipkin first, Joy Ward runner-up, and Doyle Moore consolation winner.

Seventh Flight - Morris Merriweather first, J. S. Stanley runner-up, and Noel Davis consolation winner.

Eighth Flight - R. D. Holley first, Larry Lindsey runner-up, and B. J. Stark consolation winner.

Ninth Flight - Marvin Brown first, Ronnie Covington runner-up, and Jessie Pernell consolation winner.

Tenth Flight - Gene Handley first, Robert Dorsey runner-up, and Carl Hale consolation winner.

## Girl Scouts Set Mother-Daughter Retreat

Girl Scout Troop One will have a "Mother-Daughter Retreat" next Tuesday, August 27. The Scouts and their mothers will spend the night in covered wagons at Camp Rio Pango, located five miles east of Crosbyton. Cost of the outing is one dollar

per person and transportation will be furnished.

Campers are to bring a sack lunch, bed roll (or sleeping bag), flashlight and mess kit (or a plate, fork, knife, spoon and cup).

The group will leave on Tuesday at 11 a. m. from the Gene Arwine home, and return to Floydada at 9:30 a. m. on Wednesday.

Those who plan to attend must register with Mrs. Arwine or Mrs. A. C. Carthel by Monday morning at 10 a. m.

## Sherrills Home From Attending Fathers Funeral

Mr. and Mrs. Geo. Sherrill have returned from Weslaco where they attended the funeral of her father, Ladolphus Dee Morgan Sr., 81, who died at his residence there Tuesday evening of last week. He had been a resident of that area since 1930.

Mr. and Mrs. Carl Jarrett and Mr. and Mrs. Greer Christian also attended the rites which were held Friday in the Weldon Martin Chapel in Weslaco. Burial was in Weslaco City cemetery.

Survivors include the widow, Mrs. Vera B. Morgan of Weslaco; three sons, Boone Morgan, Weslaco, L. D. Jr. of Martineville, Id., and John of Kansas City, Mo.; one daughter, Mrs. Sherrill and four grandchildren.

## CHRISTOPHERS HERE VISITING

Mr. and Mrs. E. J. Christopher and family, Amy, Cristi, Pam and Holly of Gainesville, New York, arrived Saturday for a ten day visit with Mrs. Christopher's mother, Mrs. W. O. Jones and other relatives. The visit to Floydada is the first for Mrs. Christopher in six years and the first in eight for her husband. She will be remembered here as the former Mary Frances Jones.

Joining the group Sunday at Mrs. Jones' home were Mr. and Mrs. Dalton Jones and family, Misses Nina and Nadine Jones all of Lubbock; Mr. and Mrs. Heflin and daughter of Plainview; Mr. and Mrs. Watson Jones and son and Mr. and Mrs. Dorris Jones of Floydada. Various social functions have been planned for Mrs. Christopher and her family during their visit in Floydada.

Mr. Christopher is music teacher at the Warsaw New York schools and she is secretary in the Administration office of Wyoming County Hospital in Warsaw.

Mrs. Rob Heflin and daughter have returned home to Plainview after spending the past two weeks in Floydada with her parents, Mr. and Mrs. Dorris Jones, while her husband was at Ft. Hood with the Army Reserve.

Mr. and Mrs. Will Snell spent from Thursday until Saturday in Lubbock with their son, B. W. Snell and family.

Rev. Don Harris, his wife and children of New York are in Floydada to spend several weeks visiting Mrs. Harris' mother Mrs. Wilson Kimble and other relatives.

Mr. and Mrs. Lester Britton, accompanied by his mother, Mrs. T. J. Britton spent Sunday afternoon in Crosbyton with the Lester Britton's daughter, Mrs. Leroy Ellis and family.

Mr. and Mrs. Earl Coward of Fort Worth are in Floydada this week visiting his sisters, Miss Mary Pearl Coward and Mrs. J. H. Tribble and Mr. Tribble.

Mr. and Mrs. Wade Warren and daughter, Martina were in San Antonio several days last week visiting another daughter and her family, Sp-5 and Mrs. Fred Ritchey and family. They also visited in Austin, Corpus Christi and Padre Island.

## LOYD MURRYS VISITING HERE

Mr. and Mrs. Loyd Murry and son, Bobby, and their daughter, Mrs. Lou Nesci and three children all of Las Vegas, Nev. arrived in Floydada Sunday for a ten day visit with their parents, Mr. and Mrs. Ham Smith and Mrs. O. E. Murry.

Due in today are Mr. and Mrs. Clarence Bohne of Arvin, Calif., who will be houseguests of her aunt, Mrs. Ham Smith and Mr. Smith. A big get-together of the families is planned at the Smith home this evening.

## Latricia Stephens - Powell Wedding Is Solemnized

The wedding of Miss Latricia Stephens and George Ray Powell was solemnized at 8:30 o'clock p. m. Monday, August 12, in the home of Rev. and Mrs. Joe Jackson in Cone.

Rev. Jackson read the double ring vows. Following a brief trip the couple are at home in Floydada where the bridegroom is employed at Powell's Super Market.

MR. AND MRS. JOE W. YORK

## Washburn - York Vows Read

Barbara Jewell Washburn and Joe Wayne York exchanged wedding vows at the North Side Baptist Church in Lovington, N. Mex., on Friday, July 26. Rev. G. W. Turner read the ceremony.

Parents of the bride are Mr. and Mrs. Dan Washburn, formerly of Floydada. The bridegroom is the son of Mr. and Mrs. Joe York of Lovington. The bride wore a white street length dress fashioned with a pleated skirt, fitted bodice and three quarter length sleeves. She carried a bridal bouquet of white carnations.

Mrs. Patricia McGeth, sister of the bride, was matron of honor. Tommy McBeth served as best man.

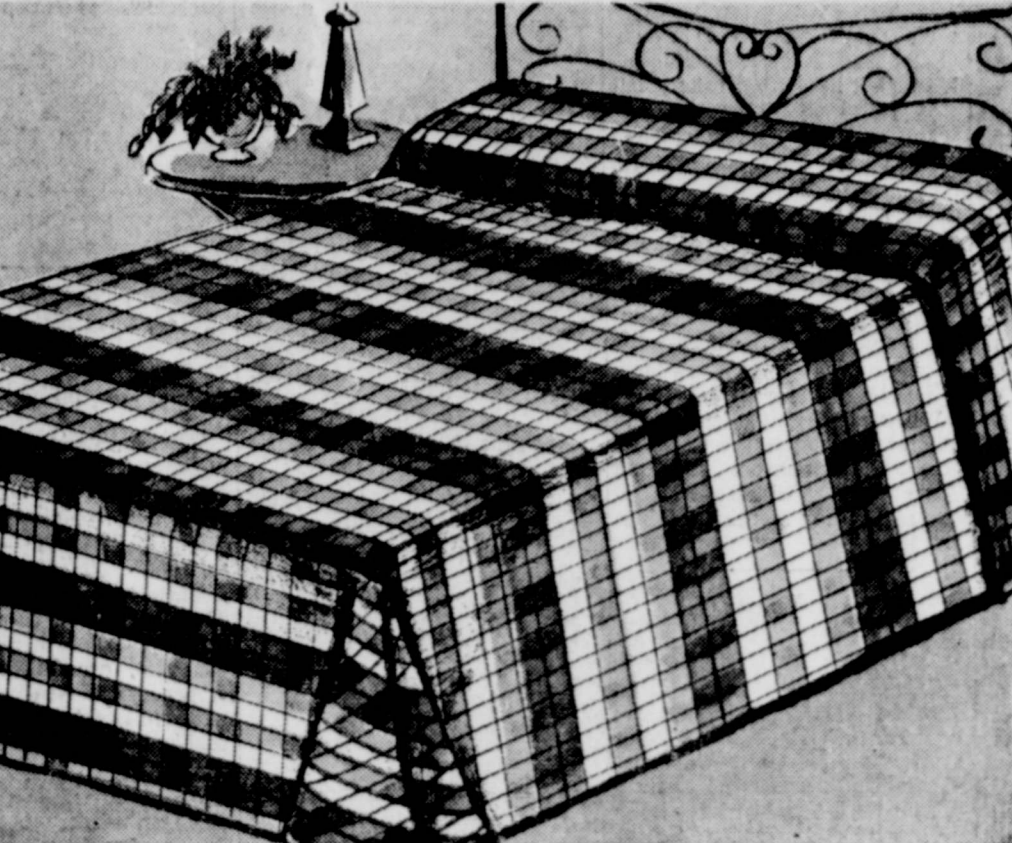

A reception was held in the church parlor following the wedding.

## JOHN REUE TO ATTEND WTCC SHORT COURSE

Floydada Chamber of Commerce manager John Reue will attend a West Texas Chamber of Commerce Short Course annual meeting at the Congress Inn in Plainview August 22, 23, and 24. Theme of the meeting is "Chamber Management - A Profession".

## HARMONY NEWS by Mrs. Mather Carr

### Homecoming Attendance Off At Harmony

HARMONY, August 19 — We were so sorry to hear of the death of Mr. Morgan, father of Mrs. George Sherrill, Tuesday. Mr. and Mrs. Sherrill left Tuesday night for the valley on learning of the death of her father. Mr. Morgan had been ill for a long time. The family has our sympathy.

It B. Gary received word Thursday that his uncle, Lawrence Holcomb of Mabank was very low. They didn't think he would last long but Friday he was still alive. Uncle Lawrence is 90 years old. He has visited here many times and attended services at the Chapel when he was almost 100.

The homecoming Thursday night was pretty well attended but not as many as usual attend. Those attending out of the community were Mr. and Mrs. Bevis Hanna, Slaton, Harry Miller, Lubbock, Mr. and Mrs. J. R. Turner, Providence, Mr. and Mrs. Sam Hale, Mr. and Mrs. C. O. Spence, Mr. and Mrs. Oliver Allen, Mr. and Mrs. Elmer Dean Williams and Tod, of Floydada. Mrs. Tillie Gary and Mr. and Mrs. H. Nelson and children, Baker.

There was lots of ice cream and cake left. Mr. Elmer Holt and an organist brought a Hammond Organ out from Lubbock and furnished the music for the occasion. Everyone had a very good time visiting and eating ice cream and cake.

Mrs. E. W. Turner's sister, Mrs. Love, who lived down close to Austin passed away. The Turners now live in Lubbock. They attended the funeral of Mrs. Love Thursday.

Mr. and Mrs. Johnny Dobbs of Floydada visited in the Allan Goss home Sunday morning.

Joe Smith and children returned to their home in Amarillo at

ter spending a week in the Marvin Smith home. Joe came for his family.

The 4-H's had a picnic and supper and swimming party Friday evening at Roaring Springs. Those who attended were Junior, Barbara, Donna and Patsy Scott, Debra Baird, Debra Davis, Don Ray Ramsey and Bill Carr and Randie Weems. Parents attending were Mr. and Mrs. Monroe Schulz, Mr. and Mrs. Zant Scott, Mr. and Mrs. Bruce Davis, Mr. and Mrs. Wesley Carr, Mr. and Mrs. Everett Miller and the 4-H leaders, Mr. and Mrs. Bob Hopper. They all reported a good time.

The revival began Sunday with a fair crowd and we had pretty good attendance this Monday morning. We would like very much for you to come and worship with us during the revival. Mr. and Mrs. R. G. Morris and sons from Allmon, Mrs. Margaret Daniels and Ilene of Blanco attended the services Sunday night and Doug Walding of Floydada attended Sunday morning. The Merrimans were dinner guests Sunday in the Zant Scott home.

Mr. and Mrs. Horace Carr and Mrs. Mather Carr visited Sunday evening in Littlefield with Mrs. Grace Page and Mr. and Mrs. Mack Winningham.

Those visiting Sunday evening in the Joyce Davis home were Mr. and Mrs. K. G. Bradshaw of Petersburg. Those spending Sunday night with the Davises were Terry Britten of Anton, his uncle, Bill Oden, who is in the service in Illinois. Carolyn Britten spent Sunday and Sunday night with Judy Smith. The Brittens and Ode attended the Church of Christ in Petersburg Sunday night.

Rev. and Mrs. Merriman and

Allen and Mr. and Mrs. Elmer Dean Williams of Floydada visited in the R. B. Gary home Sunday evening.

Mr. and Mrs. Glenn Pool visited in Muleshoe Sunday with Mrs. Pool's sister, Mrs. Marvin Oswalt and Mr. Oswalt, of Floydada and Mrs. Leon Williams were host and hostess Sunday to a birthday dinner honoring Mrs. Leon Williams and Mrs. Chloma Williams.

We didn't get any rain Sunday night. It just looked like it couldn't keep from raining but only showered a little.

Mr. and Mrs. Leon Williams of Floydada were out at Mrs. Mather Carr's Saturday. Leon is doing some carpenter work for Mrs. Carr.

The V. M. Manning family of Petersburg held the Manning reunion at the Harmony community center Sunday. There were 85 attended. More about this will appear in the Hesperian.

We were sorry to hear of the passing of another brother of Mrs. Phillip Dunavant Sunday at Shallowater. Funeral was conducted Tuesday morning in Shallowater.

### Center News

By Mrs. J. E. Green  
CENTER, August 19 — Here it is August 19. Vacation nearly over. Who is not crowding every day left with visits, trips, visitors and reunions up to time school starts?

Church and Sunday School were well attended Sunday. At Calvary Baptist we had several visitors — some of the L. C. Jones' relatives from as far away as Georgia; the Ryman from Texas City; and a woman from Rosenberg.

First Baptist Church had a famous guest speaker from California, Gregory Walcott. Also present for the morning service were our Venezuela missionaries, now on furlough, Rev. and Mrs. J. Ulman Moss and family. Mrs. Moss, you know, was Ruth Jordan of Center. So they were busy after church greeting old friends.

The Mosses who are passing thru on their way from California to Alabama, are scheduled for a missionary program at Calvary Baptist Tuesday evening.

Mr. and Mrs. Walker Sims visited the J. E. Greens and Mrs. Dee Ryman Thursday afternoon.

Mrs. Carolyn Holmes was a Sunday dinner guest of Mr. and Mrs. R. C. Ross.

Mr. and Mrs. C. W. Denison, Mrs. Sam Lide and Mrs. D. Burke were in Lubbock Tuesday. The Denisons visited in the home of their son Gilmer and family.

Mr. and Mrs. H. B. Mankins visited Mr. and Mrs. Ross Friday and in the Ode McReynolds home Thursday afternoon. Today the Mankins are at the Ross home and all are canning corn.

Rev. and Mrs. Ulman Moss and family dined Sunday with the J. E. Greens and Mrs. Doc Ryman and children. Afternoon visitors in to visit the Mosses and all were Mrs. A. W. Andersen and Mr. and Mrs. Mankins.

Relatives visiting in he Frank Dunn home Friday night and Saturday were Mr. and Mrs. Floyd Blackwell, Oklahoma. Friday evening visitors were Mrs. Dunn's brother and wife, Mr. and Mrs. Floyd Montgomery of Plainview.

Saturday evening Mrs. Dunn, the Oklahoma relatives and also Mrs. Dunn's daughters and families of Lubbock all visited in the Floyd Montgomery home in Plainview. Mrs. Dunn left late that evening with her daughters to spend the night in Lubbock.

Sunday dinner guests in the Thomas Warren home were her mother, Mrs. Charley Battey, city, and Steve Ferguson.

After church Sunday evening the Thomas Warrens were among the Training Union group who had a fellowship meeting with refreshments at the Bob Alldredge home. There were about 60 present.

Mrs. R. H. Ashton and Mrs. Clarence Pope and Mrs. Cecil Pope and baby called at the Green home Thursday afternoon.

Eloise Warren spent Friday night till Saturday afternoon at the Youth Camp at the Baptist Encampment.

### Chamber Safety Committee Studies School Traffic

Several members of the chamber of commerce's traffic safety committee met in downtown Floydada Wednesday morning and discussed last minute details of better traffic safety at back-to-school time.

High school principal Charles Tyer is chairman of the committee and led the discussion.

The group decided to put up "stop for pedestrian signs" and "paint crosswalks on several intersections in the vicinity of the schools. It also discussed the use of volunteer housewives patrols for the first month of school at intersections near the schools.

Parking at the schools was discussed and general traffic hazards at peak traffic times around the schools.

Tyer reported that in a meeting with the school bus drivers next week they will be instructed to get the license numbers of the automobiles that fail to heed the school bus stop signals.

Tyer said that local police officials will fine owners of the autos reported. He added that state law requires the motorist to stop when the school bus is stopped whether he be following

or meeting the bus and is required to travel at 10 miles per hour until out of the bus's vicinity.

Principals W. P. Nicholson and A. W. Coltharp emphasized the fact that one adult driver who gets in too big a hurry when delivering or picking up school children near the schools can mean the difference in life or death for a child.

The Hesperian will publish more safety facts and suggestions of the committee in its back-to-school edition next Thursday.

Attending the Wednesday morning meeting were: Alton May, Tyer, John Reue, J. W. Gooch, Don Pemberton, Nicholson, Coltharp, John Fowler, Fred Martin, Wendell Tooley, S. W. Ross, Addie Hartline and Mrs. J. T. Hodges.

### Palace Features Ugly American

"The Ugly American" which is coming to the Palace Theatre Sunday, Monday and Tuesday, August 25, 26, and 27 is a picture that has appeal for all Americans.

Marlon Brando's impersonation of a frustrated American ambassador to one of the Far East countries, carries the elements of truth, and introduces characters and situations to update the cold-war situations.

The scenes in the senatorial chambers are impressive and the Eastman Color enhances the scenes shot in Thailand. This timely picture will alert Americans to the reasons behind American lives recently lost in Southeast Asia.

Don't miss Marlon Brando's Fast Suit-and-Tie Role.

Mrs. Kay Steen and children of Roswell, N. Mex., are here visiting this week with her parents. Mr. and Mrs. Alva Sparks and her husband's parents, Mr. and Mrs. Homer Steen. Other weekend guests in the Sparks home was their daughter-in-law, Mrs. Don Sparks of Perryton.

Don Barrow was taken by ambulance to Methodist Hospital Monday suffering from a muscle spasm. He was reported resting comfortably yesterday.

Mrs. Lela McDonald of Petaluma, Calif., has been in Floydada visiting her sister, Mrs. Vesta Savage. Mrs. McDonald returned home last week. Mrs. Savage and her sister visited in Hedley and Plainview with other relatives during his time. Mrs. Savage has also spent some time in Amarillo with her grandson, Rev. Norman Grigsby and at McLean with a daughter during her past 18 days of vacationing.

### Bill Staniforth Wins In Art Show

Billy Staniforth III, sophomore student in Floydada Senior High school and son of Mr. and Mrs. Billy Staniforth Jr., was among the top four winning in the District Art show held August 14-15. The exhibition was sponsored by the Democratic Women of Texas. Mrs. M. J. McNeill

of Floydada, is Floyd County chairman under Mrs. Wylie Bullock, District Committee Women of the 30th Congressional District.

The other three winners in the exhibitors were Patricia Lewis Lazbuddie and Pam Laneau of Muleshoe.

The four will have entries in the State Citation Art Exhibition to be held Sept. 14-15 at the Jal Ranch in Alvarado, Tex. Billy plans to attend. They will compete with other winners for

a \$500 scholarship to be used for advance study in any visual arts.

Only 11 weeks of training in the summer months of 1959 and 1960 under Clayton Henri Staples of Colorado Springs, Colo., resulted in Billy being selected in the top four. His winning entry was a watercolor painting of a scene near the families summer cabin in Colorado.

Judges for the district art show were Mrs. Oliver Vandruft Bugbee, of Clarendon, wife of the

## Jones

(Continued from Page 1)  
of distinguished Brahmin lawyers before audiences numbering thousands of people.  
As his influence spread throughout India and the East, the Methodist Church granted him an independent relationship so that his work might be broadened to become interdenominational and world-wide.  
He inaugurated Round Table Conferences at which Christians and non-Christians sat down together to study the essence of religious beliefs.  
At Sat Tal, India, he took the Hindu Ashram (forest Retreat) and put in to it the Christian content with Christ as the center. From that small beginning he has established Christian Ashrams around the world. Each Ashram or Spiritual Retreat is a fellowship of men and women of every class, creed, and race who seek in a disciplined quest to make the Christian faith become fact in their own lives.

Dr. Jones believes that the Christian faith should be a unity bringing power and that "peace is a by-product of conditions out of which peace naturally comes." "Peace follows justice." He has worked as a Christian across international boundary lines as a mediator in disputes between nations, states and factions.

There is wide interest in Stanley Jones, not only as a world renowned missionary and evangelist, but as an author. After he had served his apprenticeship years as a missionary to India he wrote a report of what he had taught and what he had learned in that land of complexities. It was published in book form, entitled THE CHRIST OF THE INDIAN ROAD and sold over 1,000,000 copies. It became required reading in many theological schools. Almost overnight Dr. Jones found himself internationally famous, and so he has remained. Twenty-three books have followed, many of which are best sellers. They have been translated into thirty languages.

Among the best known are ABUNDANT LIVING, the sales of which have topped the million mark. GROWING SPIRITUALLY, THE WAY, CHRISTIAN MATURITY and CONVERSION. His latest book, THE WORD BECAME FLESH, was published in 1963. It reflects Stanley Jones' conviction that while there are truths in every faith, only Jesus Christ is the Truth. He is the Word become Flesh — the revelation of God in human terms.

Asked what book contains the essence of his philosophy, he

will reply — THE WAY. In it he says we are predestined by our very make-up to be Christians.

"There are scars on my faith," he says, "for I've held it before the non-Christian world and have said — break it, if it can be broken — But the more it is smitten upon the more it shines — there are now no uncertainties. Jesus Christ is the Way." Hence he speaks with an invincible certainty and conviction.

A "free-will" offering will be made as a part of the service. Dr. Jones receives none of the money himself, but the offerings are dedicated to an account with the Methodist Board of Missions for projects around the world which Dr. Jones personally has established and has responsibility.

A considerable number of Dr. Jones' books will be available for sale, among them THE WORD BECAME FLESH his latest.

Patrol

(Continued from Page 1)  
"There are many good jobs open in the Texas Highway Patrol for young men between 21 and 35 who would like to help prevent the tragic crashes and collisions that occur on the streets and highways," Sergeant Lawson said.

With the starting of a school year in the next week or so the Sergeant reminds all motorists of the state law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which is stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may proceed past such school bus at a speed which is prudent, not exceeding 10 miles per hour, with due caution for the safety of such children."

"During the first six months of this year, Texas had one person killed and 110 injured in accidents involving school buses," the Sergeant said. "This is tragic and useless. School buses are plainly marked and motorists know that they carry a priceless cargo — human lives."

Commenting on the upcoming Labor Day weekend facing Texas as motorists, the veteran patrol supervisor said, "Many Texas families will take advantage of this last long summer weekend to take trips prior to the opening of school. As a result, traffic will be heavy and the possi-

bilities of traffic crashes will be a serious venture.  
Because this holiday is so much a family affair more people will be occupying cars. Thus, any traffic accident might result in several casualties. This has been evidenced several times on Texas highways in recent weeks. During the 72 hour Labor Day weekend last year 24 crashes claimed the lives of 39 persons."

Caprock

(Continued from Page 1)  
for you mathematicians. We have 3,000 irrigation wells in Floyd County and just suppose we pumped them all into one river — how wide and how deep a river could we run across the county? Consider an average well at 5 or 6 inches. (Nope, I don't have water on the brain but when a fellow just loafs around the creeks and mountains for four days he starts thinking about the only kind of West Texas water he knows — underground irrigation.

MY BUSINESS neighbor, Mark Martin is an avid newspaper reader — in fact I occasionally catch him reading something besides the Hesperian. The other day he brought in this clipping out of that little old country Lubbock paper — it was an Associated Press story — yet it's hard for me to believe.

It looks like "there just ain't no justice anymore" — even for robbers. Here's what the newspaper clipping says:

"TERRE HAUTE, IND. (AP) — The Internal Revenue service has filed a lien against a convicted bank robber in the federal penitentiary here because he didn't pay taxes on the money he stole.

The lien for \$32,462.43 was filed Monday against Calvin L. Hughes, by the department's collection division. A former Air Force man who was convicted of robbing a San Antonio, Texas bank in 1958. Hughes was captured about three hours after the robbery and all the money was recovered."

Okay, you tax experts, lawyers etc. — get out your books and see if they're being fair with this robber.

WE WELCOME a new business to Floydada this week — Mr. and Mrs. Vernon Parker have opened Parker's Photographic Studio at 121 California Street. The new business opens in a newly remodeled building and I suggest that you go in and get acquainted with the Parkers — see this modern new business — give them your support and loyalty in this new bu-

I MADE up Rotary attendance at the Plainview Rotary lunch on Tuesday and luckily the program was about the Running Water Draw Flood Dam Project. After the meeting I visited with the members of the panel and they assured me that Floyd County still has a chance to get in the project and get a dam on the draw in the southwest part of the county.

State Soil Conservation engineer Bud Norton is due here the last of the month to make preliminary investigation of our "dam" possibilities — so here's hoping!

RELUCTANTLY, he had consented to accompany his teenage son and nephew on a trial run of the cut-down motor job they had banded together. When the job failed to make a curve and finally leaped and bounced to a stop in a corn field, he lowered his head into trembling hands. "Are you hurt Dad?" asked the son. "Want to go to a doctor?"

"No," was the studied reply. "Since only a jackass would ride in this contraption, take me to a veterinarian."

### Brother Of Mrs. Dunavant Dies

Ernest Rhodes, 65 year old brother of Mrs. Phillip Dunavant of the Harmony Community, died at his home in Shallowater Sunday afternoon. Funeral rites were held Tuesday morning in the Church of Christ in Shallowater. Mr. Rhodes was a former resident of Floyd County, having come here with his late parents, Mr. and Mrs. R. P. Rhodes in 1914. He moved to Shallowater in 1936 and was an employee of the City of Shallowater. Survivors include his wife, two sons, Wendell of Shallowater and Irwin of Hereford; a brother, Clarence Rhodes of Amarillo and two sisters, Mrs. Dunavant of Harmony and Mrs. Laura Wright of Las Vegas, Nev. Mr. and Mrs. Buford Terry, former Floydada residents, now at Midland, stopped off to visit his mother, Mrs. J. R. Terry, on their way home after visiting Estes Park, Rocky Mountain, Grand Teton and Yellowstone National Parks. The Terrys reported they went through a lot of badly needed rain storms most of the way. The U. S. exports of all types of cotton totaled 2,926,000 running bales from August 1962 to May 1963, compared with 4,024,000 bales shipped in the same ten months a year earlier. ## Hesperian Editorials

The members of the Floydada city council may not be able to tell you the horse power of their lawn mowers, or the cubic inch displacement of the motor in their automobiles . . . but they know a lot about 2500 KW motors that generate electricity.

We have watched them work for the past month, studying the various motors that have been bid by six companies for installation at the city's power and light plant. They have considered initial costs, operating costs, maintenance costs, stroke and rpm, louvred radiators, comparison of operating costs for 25 years, need for \$4,000 to \$5,000 air cleaners for the motor, a decision of whether to buy two 1250 KW engines or one 2500 KW engine.

Councilman Lon Davis has taken the initiative, he has talked to engineers, he has conferred with the local plant superintendent and engineer, he has seen some of the motors up for bid operating in other plants . . . he has checked their operating costs . . . doubtless he has spent many hours in trying to determine the best buy for the money.

All of this is to say that our councilmen have recognized their obligation to spend your money and your money for this most important purchase in the best way possible to get best value for dollar spent.

We doubt that they would give half as much consideration and personal interest to the purchase of their family automobile as they have in this endeavor.

They are in positions of responsibility as far as the residents of this city are concerned . . . we believe they are devoting their best efforts in selecting the best power unit for the city . . . for its resident's money.

### GUEST EDITORIALS

#### Yankee Visits Texas

Our New York correspondent, who has been vacationing this summer at Cape Cod, has sent us a copy of "The Cape Codder" . . . a newspaper published at Orleans, Mass., for the sand and surf set . . . which contains a column by a staff writer, S. Stewart Brooks, of interest to us Panhandlers.

Mr. Brooks had just returned from what he describes as "a month-long safari to the faraway Plains of Texas" and while he doesn't say just where or with whom he was visiting, he was evidently in residence with relatives somewhere in the northern Panhandle because this interesting paragraph appears:

"On July Fourth we drove about fifty miles to the little town of Canadian, named I presume from the nearby Canadian River, and saw a real western rodeo with all its various events of calf-roping, bronco-busting, bulldozing, etc. Thoroughly enjoyable. What was to us a unique phase of the event was the delivery of an opening prayer by a local minister. It seems to be the custom to do that at many kinds of public gatherings out there. The crowd was mostly ranchers and farmers and their families from the surrounding countryside. It was pleasant to listen to their conversation spoken with real southern accent."

"The architecture of Texas homes is quite different from that to which we are accustomed here on the Cape. Most of the houses are of but one storey and built of brick, of which there seems to be as many colors and shades as those on an artist's palette. Most of them have no cellars and are all heated by natural gas, which is abundant and inexpensive. In fact, all through the Texas Panhandle the landscape is dotted with pumps above oil and gas wells. One day we watched the drilling of an oil well. It costs about \$80,000 to drill the average well; however, it will produce about 100 barrels per day at a selling price of \$2.75 per barrel. The owner of the land on which the well is located receives about one-eighth of that, making his day's receipts something over three hundred dollars. Not bad just for letting someone use a little bit of your range land, is it?"

Something tells us there's something awry with this old boy's arithmetic . . . or maybe the fellow who gave him the snow job forgot to mention that little old nuisance of pro-rata.

— Canadian Record

#### "New Hot Check Law For Texas"

On August 24, 1963, in the State of Texas, a new hot check law with teeth in it is going into effect. This law is like the two-edged sword because it cuts both ways. The law was passed by the last session of the Texas Legislature and is an amendment to the Texas law governing fraudulent checks.

The law imposes much stiffer penalties and provides for much more effective enforcement than in the past. Not only does the new law cut deep when dealing with givers of hot checks but its two way bite also imposes a penalty on businessmen . . . and others . . . who attempt to use the state's law enforcement check charges against offenders and then, having collected the money or made satisfactory settlement,

refuse to prosecute or try to have the charges dismissed.

Under the law, any person who files hot check charges and then "requests or suggests dismissal of charges after filing" is guilty of a misdemeanor and subject to a fine of not less than \$10 and not more than \$500. In other words, don't bluff, if you file on a hot check, you'll have to go through with it.

But as Ben Ezzell in the Canadian Record writes, "This could be a two-edged instrument, tho, which will help business men connect on those bouncing checks . . . as soon as the word gets around that when Hard-Hearted John really does file on these paper-hangers, he's not going to be able to turn soft, even if he wants to, when you go in with your hard-luck story and part-payment."

However, by far the sharpest side of the two-edged sword will be turned toward the offender. For the first-offender whose check is less than \$50, the penalty on conviction will be not more than two years in the county jail and not more than \$1,000 fine. On second conviction for hot checks "under \$50" the penalty becomes not less than 30 days and not more than two years in the county jail, and fines not exceeding \$2,000.

For third and subsequent offenses, the matter is a felony and the penalty if convicted is not less than two years nor more than ten years in the state penitentiary.

If a hot check is given for over \$50, the first offense is a felony and the penalty is not less than two years . . . nor more than ten . . . in the penitentiary.

The new law also provides for more effective enforcement of the law with a new provision which provides that "all prosecutions and process serving" on any hot check case shall be the same as if the offense were of felony grade . . . which means that hot-checkers who dodge across state lines can be extradited . . . and compensation of witnesses at a trial shall be the same as if the offense were of felony grade.

This is intended to make it easier to bring the paper-hangers back to face trial . . . and easier to bring witnesses to the courtroom to testify against them. It's all a part of a movement to put as much heat under the check-writer as he puts on the check.

Business men in Memphis as well as over all the state are hurt annually with the worthless paper they are left holding at the year's end. We hope the new law will give some relief to this hot paper situation! (Memphis Democrat).

READY FOR THE BOY'S RANCH RODEO . . . this young rancher is getting ready for the 19th annual Boy's Ranch Rodeo which will be held at the Cal Farley's Boy's Ranch over the Labor Day weekend, September 1 and 2.

Men, do you want to wear details. If so, STOP the nearest Texas Highway Patrolman.

Young men of Texas! Do you want a career in Law Enforcement? Stop the nearest Texas Highway Patrolman for complete details.

There is a life time career of security and prestige in the proud ranks of the Texas Highway Patrol. Stop the nearest Highway Patrolman.

## Letters To The Editor

August 15, 1963

Mr. Caprock Chatter, c/o Hesperian.

Dear Mr. Chatter: Referring to your Ad in the Hesperian about having two used Forbessiders for sale I wish to state that this is one item that my 5 year old grandson does not have in his junk collection, and I wish to make the following bid for two used Forbessiders delivered to me in Floydada.

1 - \$2.00 bill  
5 - Genuine wooden neckels  
2 - 50 cent pieces  
1 - 19 cent check on Clinton Pyffe, dated 1-17-55.

Yours Very Truly,  
Mark Martin

Mark, you better check that toy box again, I'll bet he's got a left handed money wrench, some sky hooks, and possibly some wood stretchers. And by the way, have you ever seen any type lice?  
Caprock

Mrs. C. C. Jones and daughter, Charlyn of Mission, Tex., were houseguests last week of Mrs. Jones' sister, Mrs. Grady Walker and family. Shelia Jones, who has been here the summer with Mrs. Walker, returned to Mission with her mother and sister.

### VOCAL MUSIC SCHOOL AT VICTORY BAPTIST

A vocal Music school started Monday, August 19 in the Victory Baptist Church. Everyone interested is invited to attend, according to C. M. Lyles. The time is 8 p. m.

The school is to continue for two weeks.

### Hi-Plains Hi-Lights

#### HALFWAY, TEXAS

##### Lawn Shrubs Field Day Attraction

The fifteen lawn grass plots and the thirty-five trees and shrubs plus the flowers round the buildings at the High Plains Research Foundation have attracted many visitors during the year. A new feature for the 7th Annual Field Day on Friday, September 13, will be an opportunity to view the grasses, shrubbery and flowers before or after the farm field tours, which will begin at 1:30 p. m. Added to this new walking tour will be a display of the latest in lawn and tree maintenance equipment by local dealers. Hosts will be available to explain the grasses and equipment. "Signs, prepared by the 4-H Club of Halfway, will identify the trees and shrubs for those who are interested." Dr. E. H. Collier, Director of the Foundation, said in announcing this new feature. "Garden Clubs and lawn enthusiasts will enjoy this part of the afternoon program."

The farm machinery exhibit will be located around the Halfway Community Building, west of the Baptist Church at Halfway, and south of the Community Building and the Church. The latest in farm equipment for all kinds of farm operations will be on display with personnel representing the various companies on hand to explain their use, operation and value. The flame cultivation equipment will be included since the two field days have been combined for 1963.

The average attendance for the last six years at the High Plains Research Foundation Field Day has been around 2,500. With the increase of 26 research projects this year, this average is expected to be exceeded. Trailer manufacturers and farmers have supplied the Foundation some 26 trailers each year, which with the four at the Foundation make 30 available for the guests on the farm tour.

The farm tour leaves the headquarters building and ends at the farm machinery display. Implement dealers in the area supply new tractors to transport the trailers around the 310 acre farm. Seven stops will be made on the tour. Members of the Young Farmers Chapters throughout the High Plains drive the tractors and assist as guides. County Agents, S.C.S. personnel and industry representatives also assist the Foundation staff with talks at the stops.

The Field Day originally scheduled for September 10 has been rescheduled for Friday, September 13.

Field Day Changed from September 10 to September 13  
The Seventh Annual Field Day and barbecue at the High Plains Research Foundation, formerly scheduled for September 10, has been changed to Friday, September 13. Mr. C. H. Janeway, Head of Public Relations, stated in announcing the change in dates that it was necessary to re-schedule the event for Friday September 13, in order to obtain The Honorable George Mahon, as guest speaker. The activities will start at 1:30 p. m. with mobile tours of the farm until 5:00 p. m. A free barbecue will be served between 5:15 p. m. and 6:00 p. m. The barbecue is courtesy of Goodpasture Grain and Milling Company in Brownfield, and Hale County State Bank in Plainview. A brief program will conclude the activities at 7:00 p. m. Last year around

FLOYD FAIR GROUP . . . approximately 50 county board and committee members met in restaurant for a dinner meeting Tuesday night to complete plans for the 10th annual fair staged in Lockney September 12, 13 and 14.

### Cedar Hill News

By Joe Fortenberry  
CEDAR HILL, August 19 — Shelia Taylor spent a week with her aunt, Mrs. Olin Keeter and family in Plainview.

Mrs. M. H. Taylor returned home with her daughter, Mrs. Guy Davis Saturday. Sunday they visited her sister, Mr. and Mrs. John Seay in Tucumcari, N. Mex. They returned home Monday.

Mrs. W. B. Wilson of Floydada spent Friday visiting in the home of Mr. and Mrs. A. S. Mize.

The sewing club met Wednesday with Mrs. A. S. Mize. Those present were Mrs. Mame Yeary, Sylvia Yeary, Marie McGowan, Leon Pearson and Mrs. Minnie Whitehead.

Mr. and Mrs. J. A. Welch, Lowell Gilbert and friend Louise, from Houston, spent the weekend in Ruidoso, N. Mex.

Mr. and Mrs. J. R. Kelley, Mrs. J. A. Welch and Connie, Lowell Gilbert and Louise went to Palo Duro Canyon Thursday for a picnic outing.

Mr. and Mrs. Robin Fortenberry were Sunday dinner guests of her mother, Mrs. T. J. Gill of Lockney. Her brother, Mr. and Mrs. Elvis Gill and family from Henderson, Nev. were also present.

Mr. and Mrs. Truman Varnon and children of Dallas were weekend visitors in the Frank Floyd home. Mr. and Mrs. Leonard Spence and sons from Snyder, Bob Smith of Lubbock, Mr. and Mrs. Wilburn Floyd and family, Mr. and Mrs. Jimmy Stewart of Wichita Falls, Mr. and Mrs. Raymond Trathier of Plainview.

J. T. Trathier of Muleshoe is spending some two weeks in the home of his daughter, Mr. and Mrs. Frank Floyd.

Rex Yeary came home from Luthock where he has been a patient for eight days. He is improving nicely but will have to go back for a weekly check-up.

Mr. and Mrs. Gene Gilly, Mr. and Mrs. Leighton Teeple visited in the Jack Yeary home Sunday afternoon.

Mr. and Mrs. W. E. Lackey entertained their grandchildren with a watermelon feast. All the grandchildren were present except Janie Goughly who was working the melons at home.

Visitors in the home of Mr. and Mrs. Lindsey Lackey, Lynda and Kim were her parents, Mr. and Mrs. Henry Love.

Mr. and Mrs. Greer Lackey, Rohn and W. E., Mr. and Mrs. C. L. Gilly and Cathy, Mr. and Mrs. Breckinridge and family of Marshall, Ark., spent from Monday until Thursday visiting her mother, Mrs. J. C. Fortenberry and other relatives here.

Mr. and Mrs. W. D. McGowan of Mound City, Kan., spent Tuesday night with Mr. and Mrs. Joe Fortenberry.

They visited with Mrs. Carl Lemons and Mrs. M. H. Taylor spending Wednesday night with Mrs. M. H. Taylor.

Rev. and Mrs. Lee Cardell and family from Plainview, Mr. and Mrs. Greer Lackey and family were Sunday dinner guests of Mr. and Mrs. Walter Brannon.

Mr. and Mrs. J. W. Brannon of Silverton visited Saturday in

the Walter Brannon home.

Rev. and Mrs. J. G. Strickland, Dennis and Ronnie of Amarillo spent Sunday night with her parents, Mr. and Mrs. Joe Fortenberry. They have accepted the pastorate of the Faith Assembly of God Church, 307 Omaha, Lincoln, Ill. They will be taking over responsibilities there as pastor September 1.

Mr. and Mrs. E. E. Wells attended a birthday party honoring Marvin Wells in the home of Mr. and Mrs. Marvin Wells Friday night. Others present for the occasion were Mr. and Mrs. H. L. Marble, Mr. and Mrs. Don Marble and family, Mr. and Mrs. Fred Marble and family, Mr. and Mrs. Keith Marble and son, all of South Plains.

**Yarborough Newsletter**

Dear Fellow Texan:

The Senate has approved an additional \$455 Million for the Area Redevelopment Administration. This is an agency set up to aid local enterprise in revitalizing communities, counties, areas of high unemployment and low income.

I am co-author of the original Area Redevelopment Act, S.1, of the 87th Congress which created the Area Redevelopment program. Earlier this year the House of Representatives defeated the bill authorizing additional funds for the Area Redevelopment Administration. But now the Senate has passed that bill for \$455 Million.

The House Banking and Currency Committee has now reported out a bill cutting \$100 Million from the amount authorized by the Senate. I am hopeful this bill will be passed in the House and that we can restore as much of that \$100 Million as possible.

The Area Redevelopment program has been especially helpful to Texas Under plans initiated locally, backed by private for these programs.

capital, the Area Redevelopment Administration is responsible for bringing many projects to Texas. One of the finest brick and tile plants in the world to Malakoff in Henderson County; expansion of a pottery company at Athens in Henderson County; a mineral survey in East Texas; a synthetic marble plant and office furniture plant in Jacksonville, Cherokee County; an industrial park at Clarksville in Red River County; a pickle plant in Detroit, Red River County; an \$11 Million tire plant to Texarkana in Bowie County. We are hopeful of obtaining many other projects. For example, a \$30 Million newspaper plant at Jasper is under survey.

Every penny of the loans in connection with these projects must be repaid to the United States with interest not lower than the government pays on its loans. In addition there are public grants that go to build water works, sewage disposal plants and public buildings in cities and counties. These are matching grants projects. The federal government grants part of the money; the local community raises the rest.

In all, the ARA has loaned more than \$10 Million on these plants in Texas, and they have created new jobs in new areas. Some sixty counties in Texas with a total population of about a million Texans have been designated by the ARA as eligible for these programs.

**Floyd County 14 Years Ago**

(Issue dated Aug. 25, 1949)

Eddie Jarrett, 20 year old son of Elder and Mrs. C. L. Jarrett of South Plains, was critically injured after narrowly escaping death when the gasoline truck he was driving overturned three times and burned about 8 a. m. Sunday at the Lockney cut-off intersection of Highway 207. He has remained unconscious since the time of the accident. Personnel at Peoples Hospital said he was suffering from head injuries which included a fractured skull and a shoulder fracture, internal injuries and is badly bruised. Jarrett was thrown clear of the truck when he lost control of the vehicle after it ran off the side of the highway into a soft shoulder. After turning over the cab burst into flames.

Funeral rites were held in the First Assembly of God Church in Lubbock and burial in Floydada cemetery Sunday afternoon for Thos. J. Gill, father of Mrs. Robin Fortenberry of Cedar Hill. Mr. Gill lived in Floyd County from about 1920 until 1935 when he moved to Lubbock. He still had farming interest in this area and in Lubbock until some three years ago when he retired.

Rev. L. A. Doyle, pastor in the First Baptist Church here since 1941 has accepted pastordship of the First Church in Portales, N. Mex., and will take up his work there next week.

R. D. Nelson was hospitalized this week after being hit with a rim from a truck tire when it blew off after he had fixed a flat and was preparing to put the tire back on at his service station at Camp Copes. The rim struck Nelson on the left side of his face, the neck and right wrist. He was driven against the side of the building by the force of the rim when it blew off.

**Terry County Plans Reunion**

"The third annual reunion of the Terry County Pioneers Association is scheduled to be held in Brownfield, Texas on Saturday, August 24, 1963. The affair will be held at the American Legion Hall, located at 800 Seagraves Road, and registration will begin at 8:00 a. m.

Present members of the association, who now number about 500, as well as former residents and their children who have lived in Terry County for 40 years or more, are invited to attend and bring a picnic lunch. All persons who qualify for membership are especially urged to attend and register, as this organization affords an excellent opportunity to renew acquaintances, meet new friends, and reminisce about the "Pioneer Days in Terry County."

Be thy Brother's Keeper as a Texas Highway Patrolman.

kel, Max Dale Windham of Buffalo Gap, Larry Strain Edwards of Tahoka, and Charles Samuel Steele and Jerrold Mack Newman, both of Abilene.

Reynolds and Edwards will be Distinguished Military Graduates and entitled to commissions in the Regular Army.

Top commencement award to be presented will be the Winnie K. and D. M. Wiggins Medal, given each year to the summer graduate with the best academic record and who has excelled in character and personal development. The medal is given by Dr. and Mrs. D. M. Wiggins of Lubbock.

Miss Copeland, daughter of Mr. and Mrs. H. A. Copeland of Floydada, will receive her B. A. degree.

**Former Floydada Man Gets Award**

CANYON — A former Floydada man, who is a graduate of West Texas State College, has been awarded a National Defense Education Act fellowship for three years of study at the Virginia Polytechnic Institute.

He is J. Randall Jones, son of Mr. and Mrs. C. W. Jones of Floydada. A May, 1962 graduate of West Texas State College where he majored in agriculture, Jones now lives in Tulsa, where he has been supervisor for the Swisher County Noxious Weed Control program for the past year.

Jones will study toward a doctorate at VPI majoring in plant pathology and physiology, with emphasis on weed control. He and his wife, the former Janett Robertson of Dumas, have two children, Jonny and Jeannie, both 2.

**FEET ACHE, ITCH?**  
If all your bones are in the feet, no wonder they ache, swell, perspire, itch. Bathe feet twice daily with T-F-L Solution for relief of the 52 bones, 66 joints plus ligaments. Cures athlete's foot, too (sloughs off infection—watch healthy skin replace it) or your feet hurt, a new drug store if not pleased in ONE HOUR. TODAY at all drug stores.

**Tommie Copeland To Get BA Degree**

ABILENE — Tommie Copeland of Floydada is among one hundred and two students who are candidates for degrees to be awarded Friday evening (Aug. 23) at Hardin-Simmons University summer commencement.

The degrees include 22 at the Master's level and 80 in various Bachelor's fields.

A combined baccalaureate-commencement program is scheduled for 8 p. m. Friday, Dr. James H. Landes, H-SU president, announced. Speaker for the exercises will be Dr. James G. Harris, pastor of the University Baptist Church in Fort Worth.

Five of the summer graduates also will receive Army commissions, marking their completion of the Reserve Officer Training Corps program at H-SU. They are Jerry Don Reynolds of Mer-

**Five Floydada Teachers Attend Conferences**

Mrs. Edna Phillips, Mrs. Margaret Springer, Mrs. Clay Muncy, Mrs. Juanita Phillips and Vera Meredith were among those who attended Readings Conference at Canyon last week and enjoyed the outstanding speakers: Dr. William I. Martin, author of children's books and editor of Holt Rinehart and Winston Publishing Co. also Dr. Walton Laban, University of California professor, and author, who currently is engaged in research on Children's Language Development.

Mr. and Mrs. Leon Jackson arrived August 1 from England, for a short visit with relatives, Mr. and Mrs. Truett Smith and family, Mrs. Alexander, Lakeview community, and Mrs. F.

**Floyd County Hesperian**  
Thursday, August 22, 1963

A. Smith. They left here for a visit with his parents in California.

Leon is nephew of Truett Smith and Mrs. Alexander and a grandson of Mrs. F. A. Smith. He spent 4 years in England, and will now be stationed in Tucson, Arizona.

AUGUST 25 - SEPT. 1

So. Plains Baptist Church

YOU ARE INVITED TO COME HEAR  
EVANGELIST JERRY DAWSON OF  
WAYLAND BAPTIST COLLEGE.

SONG SERVICES UNDER THE DIRECTION OF TOBY DRUIN.

**SERVICES:**  
Twice Daily, 11 a.m. and 8 p.m.

**My Electric System is LOCALLY OWNED!**

"It was a question of doing without electricity or building our own system. So we built our own. We organized an electric cooperative, borrowed \$4,737,000.00 from the Rural Electrification Administration and began serving those people who had not electric service.

Since 1939 we have repaid \$1,199,671.00 on the principal and \$750,378.00 in interest on the loan. We offer a dependable, efficient, economical electric service. Our member-owners spend approximately \$1,579,000.00 annually with hometown merchants to use this electricity."

Lighthouse Electric Cooperative has been a blessing to its member-owners, has stimulated the rural economy and brought a new way of life to the rural community.

**LIGHTHOUSE ELECTRIC COOPERATIVE, Inc.**

**Best time to make a real buy—**

**RAMBLER'S SAVINGEST DAYS!**

Get the best values in best-selling Ramblers! All Ramblers — American, Classic, Ambassador — give you Rambler exclusives like Deep-Dip rustproofing and Ceramic-Armored muffler. All models give you the extra security of Double-Safety Brakes.

The wide choice of six-cylinder and V-8 power includes the American's 125-hp miles-per-gallon champ of every economy run entered. And that's just a sampling of features that won Rambler '63 the "Car of the Year" Award.

Get the best buys and the biggest trade-ins! All year long, Rambler sales have been soaring — smashing one record after another. But we're not satisfied yet — and we won't be until we wind up the season still higher on the best-seller list.

To make sure, we're going all-out. We're offering the best buys yet — biggest trade-in allowances when you buy an already low-priced Rambler. Come in and make us prove that these are Rambler's Savingest Days!

Kitchen And Field News

(Crowded out last week)

from Lighthouse Electric Cooperative, Inc., by Alton Higgins... Poor lighting causes eyestrain... Insufficient light is the major culprit... 1. Glare. A source of direct light, such as a light bulb, beamed directly into the eye causes glare... 2. Excessive contrast. When a bright object is next to a dark surface, the eye jumps back and forth and is strained... 3. Shadows. Shadows are irritating when they constantly shift... NEW TRENDS IN LIGHTING... Large, dramatic chandeliers... The luminous ceiling, increasingly popular in bathrooms and kitchens, is basically a series of light bulbs or fluorescent tubes spaced across the ceiling and shielded by translucent material which actually becomes a suspended ceiling... Another popular type of fixture is the wall bracket which comes in numerous styles and is attached to walls over sofas, chairs, tables, pictures and other areas where light contributes to decor and to seeing tasks... HAM SALAD — a nice way to use up left-over ham and also a quick easy and nutritious dish for supper on a hot summer evening... 1 pound ham (or Spam may be used) 2 hard-boiled eggs 1 tablespoon sweet relish Salt and pepper to suit taste Salad dressing or mayonnaise Mix all ingredients together may be served on lettuce leaf or makes a nice spread for sandwiches... Here is the recipe for a cake given to me by a friend - she says "NO TITLE - JUST FIX AND EAT" Mix together: 1 package white cake mix 1 package strawberry jello 1/2 cup milk 3-4 cup Wesson oil 4 eggs Beat until smooth - about 4 minutes Set aside and Mix: 1 package thawed strawberries (small package, approximately 1 cup) 1 cup pecans 1 cup coconut Divide in half. Put half in cake mixture. Stir well and bake at 350 degrees F until done. Icing: 1/2 stick oleo 1 box powdered sugar Mix together and add strawberry mixture. Beat well and let set for a few minutes. Frost cake, eat, and then diet SOMETHING TO THINK ABOUT "The young daughter paid her mother the highest compliment when she introduced her as a speaker at a Mother and Daughter banquet, by saying, "She's my mother. I had nothing to say about that. But I can choose my friends, and she's first on the list." Take the work out of handling

erip, tangy pickles without re- and hostess. Mr. and Mrs. Wood- dent for Dickens County Electric Cooperative, Inc., at Spur. A young boy's definition of su- ar: "It's the stuff that makes the oatmeal taste bad when you don't put any on." Last Wednesday afternoon the Wake Club met with Mrs. Law- rence McDowell as hostess. "Christmas Suggestions and I- deas" were presented and dis- cussed. Food call was answered with household hints. Delicious refreshments were served to club members and guests by Mrs. McDowell and her daughter Debbie. SOMETHING TO THINK ABOUT "Inspection plus Correction equals Protection" - the theme of this year's National Farm Safe- ty Week. Find the hazard, get rid of it, and it can't lead to an accident. Want to live better at less cost? You can do just that, you know, by buying one of those wonderful new freezers - no matter whether it's an upright, chest type or walk-in type - you will find unlimited advantages in food freezing. You will be serving out-of-season delicacies at a moment's notice you will broaden your menu with the variety of foods you store in your freezer - and most important of all, in these days of higher living costs your freezer will save you many dollars as you freeze and store the fresh vegetables from your own garden or buy in large quantities while they are available. Work out your own freezer pattern - plan it to meet your own specific need; taking into consideration your family's preferences and eating habits. Select only high-quality foods. Freezing does not improve food. It merely preserves quality and prevents spoilage. Fruits, vegetables, meats, poultry, fish game, dairy products, and baked goods are all excel- lent for freezing if properly prepared. Do not waste space, which is so valuable to all homemakers who use a food freezer, with old limp vegetables that have lost a lot of their food value before they are frozen, because they will come out of the freezer the same way. If you would have the best choose only fresh ripened fruits, young, tender vegetables and well trimmed and properly aged meats and poultry. Place packages in the freezer just as soon as they are prepared for freezing. Do not put too much unfrozen food in the freezer at one time, and poultry. Approximately 3 pounds of unfrozen food to each cubic foot of freezer capacity is recommended. If the freezer is overloaded the temperature will rise and the losing quality and even in some instances they may spoil. Be sure your freezer maintains a temperature of zero or below at all times.

Even the best wiring system needs some attention, so why not check yours today. Outside, look for broken insulation, and loose or sagging wires that might contact tree limbs or other obstructions. Inside, search for defective outlets and switches, damaged insulation and worn fixtures. Discard or repair defective appliance cords. If old cord was attached to heating appliance, a new one should have asbestos insulation. New cords for equipment operated by motors should be covered with heavy rubber. Poorly installed extensions or faulty repair jobs on existing wires can make your wiring system dangerous. Portable electric cooking appliances cost less to operate but take more time than conventional ranges. Recent experiments by the U. S. Department of Agriculture compared performance of the range with electric frypan, three and five-quart saucepan and portable oven. The small appliances used less electricity but required more cooking time. When preparing an entire meal, however, cooking and serving time was the same whether using portable appliances or a full-sized range. Mr. and Mrs. Shorty Neff and Aubrey attended the West-Towery Reunion that was held at the Plainview Park last Sunday. Mr. and Mrs. Ed Neff and girls spent the weekend in Lubbock with Mr. and Mrs. Paul Woody and family. Wiley Rogers went to Sweetwater to the Junior League Baseball Tournament Tuesday and Wednesday nights of last week. Buck Marricle returned to work Monday after enjoying a vacation. Buck, with his wife and boys spent one week in Colorado. The rest of the time was spent at home. Mr. and Mrs. Pete Hickerson and Mr. and Mrs. Jerry Bourland of Lubbock spent the weekend in Ruidoso, N. Mex. Janice Trapp and her brother Roger spent the weekend in Amarillo with Mr. and Mrs. V. A. Trapp. Linda Landrum, of Childress spent the weekend with her aunt and uncle, Mr. and Mrs. Tom Hutchins, and their sons, David and Dale. Mr. and Mrs. H. E. Porter and Carolyn spent Sunday in Amarillo visiting Mr. and Mrs. Eton Wallace, Porter and Stacey. "Aunt Sister" McNeill accompanied them home. She had spent a week with her niece and family. Gail Brewer, Home Service Advisor, South Plains Electric Cooperative, Inc., Lubbock, spent last Wednesday at the Lighthouse making plans for joint meetings to be held later. The Sterley Home Demonstration Club held their regular meeting last Thursday at their community club room in Sterley. The demonstration was Portable Appliances; the rotisserie oven was featured with a complete meal being prepared in the portable oven. Barbecued chicken and scalloped potatoes were prepared in the oven and served along with salad, sugar cookies and punch to the members and guests. Mrs. Patty Tannahill was hostess for the meeting. CINNAMON TREATS 1 can biscuits 1 cup sugar, 1 1/2 teaspoons cinnamon, mixed together. 1/2 cup melted butter or margarine. Cut biscuits in fourths. Dip in melted butter and coat with cinnamon-sugar mixture. Place four pieces in each ungreased muffin tin. Bake in 425 degree oven for 10 minutes. The latest copy of FOOD AND HOME NOTES put out by the United States Department of Agriculture, Office of Information, Washington, D. C. that came to my desk this morning has a recipe for: QUICK DILL PICKLES: (I haven't had time to try it but with so many cucumbers at this time you might like to give it a try.) "A quick way of making dill pickles has been developed by U. S. Department of Agriculture. This fresh-pack method changes cucumbers, into

erip, tangy pickles without re- and hostess. Mr. and Mrs. Wood- dent for Dickens County Electric Cooperative, Inc., at Spur. A young boy's definition of su- ar: "It's the stuff that makes the oatmeal taste bad when you don't put any on." Last Wednesday afternoon the Wake Club met with Mrs. Law- rence McDowell as hostess. If the freezer is overloaded the temperature will rise and the losing quality and even in some instances they may spoil. Be sure your freezer maintains a temperature of zero or below at all times.

Here's how you can make quarts of dill pickles (packed 10 per jar). FRESH-PACK DILL PICKLES 17 to 18 pounds cucumbers, 3 to 5 inches long About 2 gallons 5-percent brine (3-4 cup pure granulated salt per gallon of water) 6 cups vinegar 3-4 cups salt, pure granulated 1-4 cup sugar 9 cups water 2 tablespoons whole mixed pickling spice Whole mustard seed, 2 teaspoons per quart jar or Garlic, if desired, 2 cloves per quart jar Dill plant (fresh or dried), 3 heads per quart jar or Dill seed, 1 tablespoon per quart jar Wash cucumbers thoroughly with vegetable brush. Drain. Cover with the 5-percent brine (3-4 cup salt per gallon of water). Let stand overnight. Drain. Combine vinegar, salt, sugar, water and mixed pickling spices in a clean, thin white cloth-lined pot. Boil. Pack cucumbers into clean, hot quart jars. Add mustard seed, dill heads or seed, and garlic to each jar; cover with boiling brine to within 1 inch of top of jar, adjust jar lids. Process in boiling water for 20 minutes. (This is for altitudes less than 1,000 feet above sea level. To adjust, add 1 minute per 1,000 feet above this altitude.) Count processing time as soon as hot jars are placed into the actively boiling water. Remove jars and complete seals if necessary. Set jars upright, several inches apart, on a wire rack to cool.

Mr. and Mrs. Grady Freeman spent the weekend in Sweetwater with their daughter and her family. Mr. and Mrs. Gene Webb and girls. Mr. and Mrs. Pete Hickerson attended a family reunion Sunday in Lamesa at the home of Mr. and Mrs. Leland Woodward. The special occasion was Mr. L. A. Sargent's 74th birthday. Present for this delightful occasion were Mr. and Mrs. Jerry Bourland, Mr. and Mrs. Elmer Cooper and Gary, and Mr. and Mrs. Mack Cooper, all of Lubbock. Mr. and Mrs. E. C. Copeland of Plainview, the honoree, L. A. Sargent, of Floydada, the host

Approximately 3 pounds of unfrozen food to each cubic foot of freezer capacity is recommended. If the freezer is overloaded the temperature will rise and the losing quality and even in some instances they may spoil. Be sure your freezer maintains a temperature of zero or below at all times.

Suppose for example, you now clean your septic tank every six years. If you install a garbage disposer, you will probably need to clean the tank every four years. All normal food waste—bones, greases, vegetable parings, coffee grounds, etc.—can be put into a garbage disposer. Glass, metal, rubber, sand and material of that nature should not be put into a garbage disposal. Such materials are likely to lodge in the drain or settle in the septic tank. To keep the cost of heating water as low as possible, install your electric water heater as close as possible to the faucets which will be used most frequently. Water in the pipe between the heater and the faucet loses its heat. The shorter the pipe, the less the heat loss. For that reason, some families have installed two smaller water heaters in their homes - rather than one large heater. Having two heaters permits installation of one near the bathroom and another near the kitchen-utility area. Because no flue or chimney connections are needed for electric water heaters, they can be installed at any location in the home.

Fruits, vegetables, meats, poultry, fish game, dairy products, and baked goods are all excellent for freezing if properly prepared. Do not waste space, which is so valuable to all homemakers who use a food freezer, with old limp vegetables that have lost a lot of their food value before they are frozen, because they will come out of the freezer the same way. If you would have the best choose only fresh ripened fruits, young, tender vegetables and well trimmed and properly aged meats and poultry. Place packages in the freezer just as soon as they are prepared for freezing. Do not put too much unfrozen food in the freezer at one time, and poultry. Approximately 3 pounds of unfrozen food to each cubic foot of freezer capacity is recommended. If the freezer is overloaded the temperature will rise and the losing quality and even in some instances they may spoil. Be sure your freezer maintains a temperature of zero or below at all times.

erip, tangy pickles without re- and hostess. Mr. and Mrs. Wood- dent for Dickens County Electric Cooperative, Inc., at Spur. A young boy's definition of su- ar: "It's the stuff that makes the oatmeal taste bad when you don't put any on." Last Wednesday afternoon the Wake Club met with Mrs. Law- rence McDowell as hostess. "Christmas Suggestions and I- deas" were presented and dis- cussed. Food call was answered with household hints. Delicious refreshments were served to club members and guests by Mrs. McDowell and her daughter Debbie. SOMETHING TO THINK ABOUT "Inspection plus Correction equals Protection" - the theme of this year's National Farm Safe- ty Week. Find the hazard, get rid of it, and it can't lead to an accident. Want to live better at less cost? You can do just that, you know, by buying one of those wonderful new freezers - no matter whether it's an upright, chest type or walk-in type - you will find unlimited advantages in food freezing. You will be serving out-of-season delicacies at a moment's notice you will broaden your menu with the variety of foods you store in your freezer - and most important of all, in these days of higher living costs your freezer will save you many dollars as you freeze and store the fresh vegetables from your own garden or buy in large quantities while they are available. Work out your own freezer pattern - plan it to meet your own specific need; taking into consideration your family's preferences and eating habits. Select only high-quality foods. Freezing does not improve food. It merely preserves quality and prevents spoilage. Fruits, vegetables, meats, poultry, fish game, dairy products, and baked goods are all excel- lent for freezing if properly prepared. Do not waste space, which is so valuable to all homemakers who use a food freezer, with old limp vegetables that have lost a lot of their food value before they are frozen, because they will come out of the freezer the same way. If you would have the best choose only fresh ripened fruits, young, tender vegetables and well trimmed and properly aged meats and poultry. Place packages in the freezer just as soon as they are prepared for freezing. Do not put too much unfrozen food in the freezer at one time, and poultry. Approximately 3 pounds of unfrozen food to each cubic foot of freezer capacity is recommended. If the freezer is overloaded the temperature will rise and the losing quality and even in some instances they may spoil. Be sure your freezer maintains a temperature of zero or below at all times.

Suppose for example, you now clean your septic tank every six years. If you install a garbage disposer, you will probably need to clean the tank every four years. All normal food waste—bones, greases, vegetable parings, coffee grounds, etc.—can be put into a garbage disposer. Glass, metal, rubber, sand and material of that nature should not be put into a garbage disposal. Such materials are likely to lodge in the drain or settle in the septic tank. To keep the cost of heating water as low as possible, install your electric water heater as close as possible to the faucets which will be used most frequently. Water in the pipe between the heater and the faucet loses its heat. The shorter the pipe, the less the heat loss. For that reason, some families have installed two smaller water heaters in their homes - rather than one large heater. Having two heaters permits installation of one near the bathroom and another near the kitchen-utility area. Because no flue or chimney connections are needed for electric water heaters, they can be installed at any location in the home.

Wiley Rogers, Line Superintendent for Lighthouse Electric Cooperative, Inc., attended the double funeral, Monday mornings, for two of Tom Fields' step-daughters who were killed last Friday evening in a car wreck near Slaton. Tom Fields is Line Superintendent for Dickens County Electric Cooperative, Inc., at Spur. A young boy's definition of sugar: "It's the stuff that makes the oatmeal taste bad when you don't put any on." Last Wednesday afternoon the Wake Club met with Mrs. Lawrence McDowell as hostess. "Christmas Suggestions and Ideas" were presented and discussed. Food call was answered with household hints. Delicious refreshments were served to club members and guests by Mrs. McDowell and her daughter Debbie. "Think FIRST... of the FIRST"

ON AT NIGHT • AUTOMATICALLY  
OFF BY DAY • AUTOMATICALLY

## IDEAL FOR COMMERCIAL AND INDUSTRIAL INSTALLATION!

- SAFEGUARD YOUR PROPERTY
- ADD NIGHTTIME BEAUTY
- REDUCE ACCIDENTS
- IMPROVE ROAD AND DRIVEWAY SAFETY
- ADD TO WORKING HOURS
- DUSK TO DAWN LIGHTING FOR JUST A FEW CENTS A DAY
- NO INVESTMENT IN EQUIPMENT NECESSARY

Reddy sets the pole, furnishes the wire and installs the Guard light—even FURNISHES THE ELECTRIC POWER—for only \$4.00 per month. Reddy owns and maintains the light for you—EVEN REPLACES BURNED-OUT BULBS—you get light when you need it—no fuss, no trouble—on at night off at day—automatically. There is no investment on your part—the \$4.00 a month covers EVERYTHING!
