

Judge Bills Releases School Tax Roll In District Court Here

A bill officially releasing school tax roll for the district court here after protests of the plaintiffs who previously ordered the roll be released after chancery had finished personal property tax roll.

The court heard testimony from the school's attorney Ben Ayres, the school board president Ralph Johnston and the school secretary, Mrs. Lorin Liebfried.

At this point attorneys for the defendants presented motion for the release of tax rolls.

It should be noted by tax payers in the school district that the suit does not concern 1964 taxes or tax payrolls and the merits of the suit had already been disposed of by the court order of November 19, 1963.

At this point attorneys for the defendants presented motion for the release of tax rolls.

Mr. Hopping was put on the stand during the Friday court proceedings, was able to identify himself and when attorney Jones asked him an opinion as to how many dollars worth of personal taxes he thought he could add to the tax rolls, attorney Hancock objected and Mr. Hopping stepped down from the stand there being no other questions submitted to him.

Taxpayers should note the fact that there is a possibility of receiving a refund on their 1963 tax payments or in some cases a statement for additional taxes according to the completed tax roll when the Master finishes his work on personal property taxes.

As stated in the official order 2 percent will be set aside as an adjustment fund.

In a telephone conversation with the plaintiff's attorney LaFont yesterday, LaFont said they were working on an appeal of Judge Bill's action to be submitted to the Amarillo Court of Appeals.

A report from the school tax office in regard to paying taxes on the 1962 basis is that it would help the progress of tax billing and collecting if the patrons would cease making these payments because the 1963 statements will soon be mailed out. School officials do appreciate the many who came in and voluntarily paid taxes on the 1962 basis in order that the school could stay in operation last fall.

The \$800,000 worth of voted school bonds for a new grade school, cafeterias, addition to science department, equipment and remodeling of all schools in the system cannot be sold until the judge declares the Master's work finished and the suit over.

Floyd County Soil Fertility Day Scheduled For February

Are you interested in Pre-emergence weed control, or the latest developments in the Boll Weevil and Midge situations, or a number of problems confronting agriculture now and in the future? These questions and a number of others will be answered at the annual Floyd County Fertility Day that is scheduled for Tuesday, February 4 or Wednesday, February 5, depending on which proves to be more convenient.

A planning group met at the Golden Restaurant in Lockney at 12:00 noon Tuesday to lay the ground work for the upcoming event. The group met for the purpose of deciding what subjects would be most interesting to the farmers of this county and what speakers in that particular area would present the program interestingly.

Among the plans made, some of which are definite, were the program planning, attendance committee selected and a door prize committee appointed.

The program will consist of: The latest developments in the control of Midge and Boll Weevil; more efficient use of tail water, lake water, and rain water; pre-emergence weed control; fertilizers now and its future effect and the past and the future of agriculture.

Some of the top men in their fields will present these programs.

The Fertility Day is slated to be held in the Lockney American Legion Hut. Edgar Hays was to make arrangements and see if the Hut would be available.

It was noted by the group that a number of counties have dropped the Fertility Day because the major portion of the counties are fertilized. However, the group seemed to think that the event is a clinic as well as a fertility day, and that the meeting is primarily to bring the farmers up to date on the latest development of agricultural activity.

School Board Seeks Male Business Manager-Assessor

In its regular meeting this week the Floydada school board discussed plans to employ a full time male business manager-tax assessor collector and the board has begun to interview applicants for the position.

It was the feeling of the board that the two jobs could be combined into a full time job and would facilitate some economies in the school's operation as well as afford the tax office a man who could keep appraisals of real property and personal property up to date, in cooperation with the equalization board.

In other business the board voted to extend payment time for paying 1963 school taxes from a deadline without penalty of February 1, 1964 to April 1, 1964. Since the tax suit that has been brought against the school board has delayed collections the board felt this extension would be necessary.

School Secretary, Mrs. Lorin Liebfried reported that all of the 1963 school tax statements should be in the mail in about three weeks. The statements will be based upon the new real and personal property calculations. She added that some tax payers could receive refunds and some would receive statements for additional taxes after the Master of Chancery had finished his work in the school district.

The board also voted to grant discounts on 1964 school taxes for early payers. A 3 per cent discount will be made on October payments, 2 per cent on November and 1 per cent on December.

Howard Gregory and L. D. Simpson were appointed to investigate possibilities of renting an office for the school's business offices.

The board also voted to transfer \$1,000 to the athletic fund which was in need of money due to the forthcoming new stadium payments.

Monthly bills were approved for payment and the minutes were approved of the last meeting.

All board members were present.

Tractor Rolled Back And Flipped While Being Loaded

Edd Owens, a well known Floydada resident, was dead on arrival at Peoples Hospital after a freak tractor trailer mishap. Owens was loading a tractor onto a tilt bed trailer when the tractor rolled back, tilted up and rolled over onto Owens.

He had worked with tractors almost all his life and had loaded a number of them onto the trailers, but that time, the one-in-a-million oddity occurred killing him almost instantly.

This seems to be what happened, according to Mike Yancy who was nearby when the accident occurred.

"Edd was to load a tractor onto a tilt bed trailer, one that is designed for that purpose, as he had done a hundred times. He had the tractor up and was just passing the balance point, when the trailer bed was beginning to lay flat."

"It seems that the bed did lay down completely, when for some unknown reason the tractor rolled back just a little. We don't know if his foot slipped off the clutch or what did happen, but as the tractor rolled back, the weight of it was thus thrown onto the rear of the trailer, plus the added power of the tractor trying to go forward, literally threw the front of the tractor over backward. Edd was caught momentarily between the tractor and the ground."

Yancy added, "Some of the trailers are made to catch automatically in the front when the weight of the tractor crosses the center and slams the front of the trailer down against the frame. But some are manually operated, which must have been the case this time."

Edd Owens has lived all his life at Dougherty and at Floydada. He worked for Foote Butane the last eight or ten years of his life.

Edd served three years in the

EDD OWENS during W. W. II

While in the service his airplane was down twice, once over the English Channel and once in Germany. When he was down in Germany he was captured and served in the Air Force during World War II. He was a prisoner of war for one year and one day as a prisoner of war.

Owens entered active service February 11, 1943 and was discharged October 18, 1945. His duties while in the service consisted of...

Fortenberry Retires From Post As President Of Texas Young Farmers

Fortenberry of Lockney resigned the State Young Farmers Association post as president of the Texas Young Farmers Association at a meeting held in Austin Jan. 3-4. More than 800 Young Farmers from 12 Young Farmer Organizations attended the 2-day meeting. Joe is replaced by Weldon Mason of Brownfield, Terry County.

A luncheon served at the Commodore Perry Hotel and sponsored by the 77 rural electric cooperatives of Texas was attended by more than 1,000 persons.

The meeting was held at the same time as the Young Home-makers state meeting. The Young Homemakers are an organization of the wives of the men belonging to the Young Farmers Association. It was the second annual meeting of the Young Homemakers and the tenth of the Young Farmers.

Young Farmer Conventions have been held annually since 1954. For the first time in 1961, the Young Farmer Convention was held separately from the FFA and at a date more convenient for the Young Farmers. Support of non-business firms, gained through purchase of exhibit booths and other means has been good and proved to be both a source of inspiration and encouragement to the Young Farmers.

The State Association came to life at the 1963 State FFA Convention in Ft. Worth. Officers were elected and work was started on a new constitution which was adopted at the 1964 State Convention.

There are now ten Area Young Farmers Associations functioning. During the past year each Association held a convention and awards banquet.

Prisoner Tries To Burn Way Out Of Jail

E. E. McIlroy who had been picked up on charges concerning drunkenness tried to burn his way out of the city jail Monday night.

According to Alton May, McIlroy decided he didn't like being in the cell, so when he thought no one was around he set fire to the mattress that was in the room.

Normally when prisoners are brought in an inebriated condition, they are not allowed to smoke until they sober up a little. However, McIlroy didn't want to smoke, he wanted out, but it was all in vain.

Now he faces a charge also of wilfully destroying public property. The only property destroyed, though, was the mattress.

Police Chief May Resigns To Take Position At Panhandle

Alton May, Floydada Chief of Police announced this week that he has resigned his post here to accept a position in the Sheriff's Department at Panhandle. His resignation is effective the 15th of January or until the City can find someone to replace him, whichever occurs first.

When asked by the Hesperian reported his reasons for the resignation, May replied, "It's a good advancement. The position offered me was one similar to what I have wanted to do for a long time. Now that I have this opportunity, I had better not let it get away."

May said that now the position that he is accepting is open and he will begin work there as soon as he is replaced here.

He noted that the 3rd of August will mark his 18th year in his job in this area. May worked at Lockney and Floydada before Police.

In his statement, May said, "During the past 16 years in Floyd County I have been privileged to meet a number of people who have become life time friends."

Four Floyd County Sugar Beet Growers Members Of Great Western's 10,000 Club

At a meeting of the area Sugar Beet Growers held in Plainview at the Alcorn Saturday night it was learned that five new members had been added to the Great Western Sugar Beet Company's exclusive club known as the "10,000 Club." Its only members are those Sugar Beet growers who have produced 10,000 pounds of sugar per acre by growing sugar beets. The four Floyd County farmers added to the list were Kenneth Bean, Marble Bros. and Jeff Terrell under two contracts.

The meeting was presided over by Bill Sylvester of Plainview. A number of special guests were recognized including Kenny Knaus who has served the past year as Great Western's special representative to the South Plains area. His job was to help farmers who have had no experience in the past production as well as to give a hand to help those who are experienced to increase their production.

Knaus, who has been quite beneficial to the area in that capacity, expressed his appreciation on behalf of Great Western for the cooperation the firm has received in this particular area from the beet growers. He said that if it had not been for the teamwork that the great production of this area would not have been possible.

Until recently the sugar beet production of Texas wasn't looked upon with much favor. Those beet companies that had plants weren't pleased with what they had seen of the production. However, after this year's production Knaus said, "It would be foolish to walk out on sugar production such as this."

Knaus went on to say that he called Denver a few days ago to see if the Company wanted the beet leader that the area producers have been using at Plainview returned. The company sent a reply back that said to "leave it there." This of course means that Great Western plans for it to be used in the years to come by the area farmers.

The beet growers seemed to leave the feeling that they would like to grow their beets for Great Western, whether it is 2,000 acres or 40,000 acres in the years to come, for the cooperation has been tops.

Too, the area farmers gave Kenney Knaus a new suit in appreciation of his help and guidance in this past years beet crop.

Knaus made a wager with other company officials earlier in the year which he lost. The wager and its background is this: Seven years ago Great Western formed an organization for those who would grow 10,000 pounds of sugar from one acre of beets. Until May of 1963 there were only 6 members. Knaus wagered that there would be as many in the organization at the end of 1963 as were in the club.

Hospital Auxiliary To Organize January 14

The organizational meeting of the Hospital Auxiliary will be held Tuesday, January 13, 10:30 a. m. in the Community Room of the First National Bank building. The purpose of the proposed auxiliary is to provide a channel for the local hospital staff to be filled by women of the community, thereby relieving the hospital staff of some of their time-consuming duties.

The auxiliary worker is expected to perform any professional nature, but not as a filling water tray or carrying food trays. Telephone calls can be handled by staff and patients. The duties of the auxiliary workers, as suggested by the State Hospital Auxiliary, are wide and varied. It is hoped that all interested women in the area are urged to attend this meeting.

The auxiliary committees will be organized and bylaws will be adopted on the day of the meeting. The year will be 1964 and the officers will be women who would

the organization should make a special effort to be present. However, if unable to attend, they may call and leave their names with any of the following committee members: Mrs. Travis Jones, Mrs. Jack McIntosh, Mrs. John Williamson, Mrs. James Hartline, Mrs. Harold Ellison, Mrs. Q. D. Williams.

Program on Chile Held by 29 Club

Members of the 1929 Study Club met on Thursday of last week for a program on Chile under the direction of Mrs. W. H. Henderson, who also brought the devotional. Mr. E. J. Morehead was hostess.

Roll call was answered with "What I Fought Out About Chile." Mrs. D. L. Burke spoke of the location, geography and culture of Chile.

During the business the club members voted to give a Memorial Book to the Floydada High School Library of Mrs. A. P. McKinnon, who was instrumental as a member of the 1922 club, in keeping alive the first library in Floyd County.

Present to the meeting and being served delicious refreshments were Meses. Kenneth Bain, J. H. Knard, D. S. Battley, D. W. Erke, P. D. Helms, W. H. Hendon, Wilson Kimble, E. J. Morehead, R. L. Nichols, Lon V. Smith, W. M. Stanforth, Sr., E. F. Swall, W. O. Tye, and Mrs. J. L. Willson, Sr.

The next meeting is on Jan. 16 when the club will hear a talk from Mrs. Mtha Kent of Crosbyton, on Bolivia.

Floydada Couple Parents Of Plainview's 1964 Baby

Mr. and Mrs. James Wages of Floydada have something to boast about other than being parents of the New Year's baby born in Plainview at 7:25 a. m. in Medical Center. This is their second to arrive on the eventful day. Their son, Gregory Miles, was the first baby born on New Year's Day in Matador five years ago.

The 1964 baby has been named Jamie Renay. She weighed six pounds and 12 ounces and was 20 1/2 inches long.

As Miss 1964 in Plainview, Jamie Renay and her parents received many gifts from Plainview residents.

The Wages also have another son, Brady Charles, who is three, born in the month of September. His father is a plumber in Floydada. The mother is the former Barbara Nell Poteet.

Grandparents of the baby include Mr. and Mrs. Calvin Poteet of Plainview, formerly of Floydada and Mr. and Mrs. James J. Wages of Archer City.

Engagement Of Teresa Gay - Randy Hollums Announced

Mr. and Mrs. G. H. Gay of Cleburne, Tex., announce the engagement of their daughter, Teresa, to John Randolph (Randy) Hollums, son of Mr. and Mrs. Duncan Hollums of Floydada.

The couple have tentative plans for a spring wedding.

Miss Gay is a student at Wayland Baptist College where she is majoring in Biology. The prospective bridegroom is a graduate of Floydada High School and also attends Wayland where he is majoring in law.

ATTENTION FUNERAL

Mrs. G. E. Bailey attended the funeral Friday of a nephew, L. E. Thompson of Wichita Falls, who died January 1 of a heart attack.

Many a politician who considers himself faultless is a poor judge of distance.

BOY! ARE WE PROUD OF HER... and a New Year's baby sister too, seem to say the young sons of Mr. and Mrs. James Wages of Floydada. The latest arrival is Jamie Renay, who was born in Plainview with the title of Miss 1964. She arrived at 7:25 a.m. on January 1. At right is Gregory Miles Wages, who was also a New Year's baby in Matador five years ago and at left is brother, Bradley Charles. Mrs. Wages is holding the new daughter.

Mrs. Williams Is LCCA Chapter Meet Speaker

In its monthly meeting Monday evening, January 6, the Floydada Chapter of the Lubbock Christian College Associates heard Mrs. Joyce Williams speak on "The Problems of Today Among The Youth of Floyd County."

The interest of Mrs. Williams in problems of youth has led her into several activities designed to be of assistance to young people. As a Texas Delegate, she attended the White House Conference on Children and Youth in 1960.

In its business meeting Monday evening, the Associates chapter set up a loan fund of \$100 for any worthy student of Floyd County who wishes to attend Lubbock Christian College. It is the hope of the local chapter to contribute regularly to this fund, thereby increasing it annually.

Mrs. J. A. Arwine, president of the chapter, presided over the Monday evening meeting. Hostesses for the meeting were Mrs. Charles Cross, Mrs. Sam Lide, Mrs. Grady Freeman, Mrs. L. H. Blum, and Mrs. Frank Harmon III.

Mrs. Thomas Is New President Of FPNG Club

Mrs. Minnie Faye Thomas was installed into the office of president of the Friendship Past Noble Grand club for the year 1964 at a meeting at IOOF Hall Friday night.

Installed as vice-president was Grace Grundy. Other officers installed were Ruby Davis, chaplain; Laules Parkey, past president; Jewell Price, secretary; Artie Webb, treasurer; Dimple McGavock, marshal; Jane Marquis, inside guardian; Bell Berry, team captain; Omega May, musician; Dorothy Reeves, song leader; Ora King, instructor; and Jewell Reeves, reporter for Floydada and Dimple McGavock for Lockney.

Dimple McGavock was installing officer. The Jr. past president, Laules Parkey, expressed her appreciation to the members for their support during her term. The club then presented her with a lovely Rebekah ring.

Those reported on the sick list were Ora King and Jewell Price. Twelve members were present and enjoyed a saint supper after closing.

Second Sunday January 12 Is Song Fest

He was born in Lockney, August 13, 1916. He has been in business for himself for the past nine years.

Peggy Queen, Clay Keen Repeat Wedding Vows

Mr. and Mrs. John Clay Keen are at home in Lubbock following their Dec. 21 wedding in Andrews. Parents of the couple are Mr. and Mrs. L. W. Bud Queen of Carlsbad, N. M., former residents, and Mr. and Mrs. J. C. Keen of 800 NW 7th St. Andrews.

Vows were read in the Means Memorial Methodist Church at 2 p. m. with Dr. Tides Armstrong, of Pampa former pastor at Andrews and Floydada, officiating. The father of the bride escorted her to the altar and gave her in marriage.

The bride wore a formal gown of sate peau made with portrait neckline of chantilly lace and seed pearls, and long petal point sleeves. The contrived bell skirt extended into a sack bustle, which descended into a train. Her waist-length veil of illusion was gathered from a sed pearl tiara.

Miss Sherry Burr of Floydada attended her cousin as maid of honor and wore a dress of red velvet with white brocade satin skirt and white tulle. Bridesmaids were Miss Dixie Sharp of Midland and Miss Shirley Gosnell of Andrews. They wore red velvet dresses and red net head pieces.

Loni Jill Young and Kirk Young, cousins of the bride from Floydada, served as flower girl and ring bearer respectively. Attending as last man was Charles Carr of Andrews, with brothers of the bride and groom as ushers. The were Jerry Queen and Wayne Queen of Carlsbad, N. M. and Jack Keen and Ray Goar of Andrews. Groomsmen were Paul Ellinger and Charles Anderson, both of Andrews.

Mrs. Jimmie Hockabee presented wedding music on the piano and accompanied Mrs. Joe Culp, soloist, who sang "Whither Thou Goest," "I Love You Truly" and "The Lord's Prayer."

The fellowship hall of the church was the scene of the wedding reception after the ceremony and was given by the bride's parents. The three-tiered wedding cake was topped with the traditional miniature bride and groom and served with punch and coffee. A red and

here and has several years in business and farming experience. He has lived in Floydada since 1945.

In his announcement statement Mr. Jarrett states that if elected as tax-assessor-collector of Floyd County he will devote his best efforts to serve the people in a fair and efficient manner. He will make a special effort to visit with as many of the county's residents as possible to personally discuss the duties of the office before election time. Mr. Jarrett said, "Your vote of confidence will certainly be appreciated."

white decor was carried on the bride's table. The bride, the former Peggy Queen, attended school in Floydada, graduated from Andrews High School in 1962 and has attended Lippert Business School in Plainview. The family lived in Floydada a number of years and in Andrews for five years before moving to Carlsbad, N. M. in August 1963.

The bridegroom graduated from high school here in 1961 and is now a student at Texas Technological College in Lubbock. His family has made Andrews their home for nine years.

Present address of the couple in Lubbock is 616 Avenue N. Attending the wedding from Floydada were Mr. and Mrs. S. D. Medley and children and Mr. and Mrs. V. D. Turner. The bride is a niece of Mr. Medley and Mrs. Turner. Also attending were Mrs. Leroy Burns and daughter, and Mr. and Mrs. Travis Young and family.

Weed District Directors Set Annual Meeting

During the month of December, the Weed District treated 435 acres of bindweed with soil sterilants which brings the total acres of weeds treated during 1963 to 1954 acres.

Douglas Deggs, Supervisor of the District, has been selected to serve on the Local Arrangements Committee for the 1964-65 Southern Weed Conference, which will be held in Dallas in Jan. 1965.

The SWC is being held in Jackson, Miss. on Jan. 16, 17 and 18 this year and "Winning Over Weeds in Cotton" is the theme for the conference. Copies of all the research papers given at this conference will be obtained by the Weed District and will be in the District office for the information of everyone.

In the regular monthly meeting of the Board of Directors was discussed at some length. It will be held the last week in March of the first week in April.

W. C. Plumlee Will Seek Re-election To Precinct 3

W. C. Plumlee has authorized The Hesperian to publish his candidacy for commissioner of precinct three of Floyd County. He seeks re-election to the job.

In a statement to the public Mr. Plumlee said, "I will do the best I can to make you a good commissioner and I appreciate the cooperation of the people in the precinct and the county in the past."

NOTICE Due to unexpected conditions the Hesperian was unable to publish Harmony and Fairview News. They will appear in next week's paper however.

FLOYD DATA Visitors in the home of Mrs. H. R. Stanley during the holidays were Mr. and Mrs. James Stanley and sons, David and Douglas of Tulsa, Okla., Mr. and Mrs. Delbert Groves and sons, Marion and Gene of Pampa, and Mr. and Mrs. W. C. Holt and son, Curtis of Levelland.

MRS. JACKSON VERY ILL

Mrs. R. F. Jackson, 90, is said to be about the same in Lockney General Hospital where she has been hospitalized for the past month. Her condition is not encouraging according to members of the family.

FLOYD DATA Mr. and Mrs. Ernie Crisp and daughter, Yolande of Oklahoma City spent several days here last week visiting her uncle and family, Mr. and Mrs. S. D. Medley and other relatives. Mrs. Crisp is the niece of Mr. Medley and Mrs. V. D. Turner of this city. She is the former Oma Lee Medley, daughter of Mr. and Mrs. Ira Medley of Mustang, Okla., former residents of Floydada.

FLOYD DATA Mr. and Mrs. A. H. Kreis left yesterday for Mineral Wells where they plan to visit about a month. The couple are staying at the Crazy Hotel.

Since the District belongs to the tax payers the District is asking for suggestions as to the type of weed control that the people would like to hear discussed at the annual meeting. Please send or call in suggestions to the District office in the County Courthouse.

Also the directors noted that disbursements for the month of December were \$1,087.73. This left a year end balance of \$14,151.44. The breakdown of the statement is published on another page of this section of the Hesperian.

Della Plains Wins Consolation Trophy In Tourney At Odessa

The Della Plains Hornets brought back the consolation trophy from the Odessa Tournament held last weekend against some rough competition.

The first game the Hornets played saw them matched against Odessa. The Hornets put forth a good effort but weren't able to contain the host team as they fell 19-45.

Robert Conte led the scoring with 13 followed by Hezie Jackson who sank 9 points for the locals. Jewell Carey and Willie Simon each added 8 points to account for the bulk of the scoring.

Wilmar Bonner was instrumental in setting up an exciting game which followed his team mates to score by giving them better position.

In the second game, the DP boys dropped a potent Abilene team 69-62 to win a chance to play in the consolation side of the bracket.

The Hornets were a little more accurate with their shots during this game for Conte sank 20 points, Storey racked up 15 and Hezie Jackson and Simon each added 13 points to the Della Plains scores.

Jewel Storey led the Hornets' best game by sinking 21 points. However, he was followed closely by Robert Conte who accounted for 18 of the 66 points accrued by the team. Simons and Jackson, too, were scoring in the double figures with 12 and 10, respectively as the locals downed Crane 66 to 57 to capture the consolation crown.

C. J. Payne Announces For Tax Assessor Post

C. J. PAYNE

C. J. PAYNE, 27 year old native of Floyd County announces he is a candidate for the office of Tax Assessor and Collector, Floyd County subject to the Democratic Primaries, Payne being born in the Dougherty Community August 31, 1936, attended school there until moving to the Fairview Community in January 1948, at which time attended schools in Floydada, Texas. C. J. Payne is a 1954 graduate of Floydada High School. He is a member of the First Baptist Church of Floydada, Texas.

He farmed with his father in the Fairview Community until March 1956, at which time was employed by Consumers Fuel Ass'n. in Floydada where he worked until being drafted into the Army in September 1959. Payne served two years with the 9th U. S. Army, receiving basic training at Fort Ord, California before being sent to the Philippine Islands for an eighteen month tour. He was a member of the 9th U. S. Army Security Agency, serving as payroll clerk for that Unit. He was responsible for processing all pay actions for his unit and personnel on special assignments to another Country in the Far East. For this job the Government made a thorough check into his background for him to obtain a top secret security clearance. He invites anyone else to do the same.

After being separated from the Army in July, 1961, Payne returned to Floydada where he began work at his old job at Consumers Fuel. He worked here until November 1961 at which time was recalled to Active Duty, due to the Berlin Crisis. This tour took him to Fort Gordon, Georgia where he was a member of filler personnel for the 490th Civil Affairs Company, a reserve Unit from Abilene, Texas. He was also a payroll clerk for this Unit until being separated from Active Duty on August 10, 1962, with the rank of Specialist Fifth Class. Payne is now a member of the Standby discharge in September 1965.

Once again he returned to Floydada and resumed work at Consumers Fuel where he has been employed from August 1962 until present. He plans to leave his present job February 1, 1964, in order to canvass the entire county.

"If I fail to see anyone in person it will not be intentional. I am not a politician and do not claim to be. This is the first public office I have ever run for. I am not a candidate for this office because I have something against the present Tax Assessor and Collector, but for the job. This I believe is one of the best public offices in the county. I have no other business or source of income; therefore I can and will devote my full time to the duties of this office. I believe I am qualified to handle this job and if elected I will do my best to offer courteous, friendly, and honest service to every one alike. I know it is not possible to satisfy everyone, but I believe in trying. I will always be willing to listen to any suggestion which might improve this office and the way it is run, after all it is a public office. I ask for and will appreciate your vote and influence in the first primary election to be held May 2, 1964.

He lost this wager, however, for there were only five new members added . . . all five from the South Plains area and four of these from Floyd County. He missed winning his wager by only 128 pounds of sugar.

Those new members and how much they produce are: Kenneth Bean, 10,794; Marble Bros., 13,150; Jeff Terrell, 12,190; and Jeff Terrell (separate contract) 10,433.

The South Plains Association had 330 acres, or 1-3 of the Great Western Sugar acreage in Texas. Of the 14 contracts with Great Western 9 of the producers returned over 30 tons of beets per acre.

Seven Collier Children Home

Mrs. Kate Collier had the happy privilege during the Christmas Holidays of having all seven of her children (together with their spouses) with her at one time, which was the first time they had all been together in ten years. They were: Mrs. M. F. Shaw of Amarillo; Mr. and Mrs. Paul Cooper of Lockney; Mr. and Mrs. B. Y. Newman of Pratt, Kansas; Mr. and Mrs. J. E. Collier and Margaret Collier, all of Floydada.

Also present to extend Christmas greetings to Mrs. Collier, and to wish her a Happy New Year were several of her grandchildren and great grandchildren, and were as follows:

Mr. and Mrs. Mike Boyd, Janis and Clay of Amarillo
Mr. and Mrs. Bobby McCormick, Janet and Joan of Lockney
Mr. and Mrs. Fred Conner, Roxanne, Ronda and Rochelle of Plainview
Mr. Clyde Newman, a grandson, who is a junior in Adams State College, Alamosa, Colo.
Mrs. W. T. Correr, Cynthia, Kathleen and Bruce of Lockney.

Suzanne Collier and Joe Cox, two of her Floydada grandchildren, were out of town and unable to be present.

THE FLOYD COUNTY HESPERIAN

SECTION B THURS., JAN. 9, 1964 PAGE 1

"Amazing" Is The Word To Describe Texas Agriculture

The law required the Department to suspend the driver licenses and registrations of drivers and owners who are not in compliance with the law at the time of accident involved. If the accident comes under the Safety Responsibility Act.

"The law provides that drivers and owners of vehicles involved in traffic accidents occurring or originating on a public street, highway or thoroughfare resulting in \$100 or more property damage, injury or death must file written reports with the Department of Public Safety within 16 days, and its requirements must be met," he explained. "Accidents not involving death or injury but with \$25 or more damage involved still must be reported to the Department but will not come under the Safety Responsibility Law."

"The Department is required to suspend driver license and all motor vehicle registration plates of both the operator and owner of vehicles involved in an accident coming under the Safety Responsibility Law, unless:

"1. Evidence of liability insurance coverage in the minimum amounts of \$10,000 where one person was injured or killed, \$20,000 where more than one, and \$5,000 for property damage is reported to the Department."

"2. A release signed by damaged or injured persons is filed with the Department."

"3. A signed agreement to pay damages in installments is accepted by the damaged or injured persons, and filed with the Department."

Attractive gardens do not occur by chance.

If one word could summarize the Texas farm picture for 1963, that word might be "amazing." In July of this year, a long dry spell settled in on most of the state, causing a great deal of concern for our crops. Fortunately, most row crops coasted through on subsoil moisture and our harvest was not severely hurt. So although a shortage of grass and forage is creating problems in the livestock and dairy industry, the triumph of other crops over the drought constitutes a gratifying minor miracle.

"4. The operator and owner are found not to be liable in a civil court of competent jurisdiction, and a copy of such finding is filed with the Department."

"5. The operator and owner deposit with the Department cash or bond security in an amount sufficient to cover any judgment for damages resulting from the accident that might be obtained by damaged or injured persons, which in no case shall be less than \$200."

In addition, the operator and owner must file proof of financial responsibility for the future and must maintain it for five years. Garrison noted that under the new law, suspensions of licenses and registrations will be for two years, unless requirements of the Safety Responsibility Act are met.

Also, he said that when a person's driver license is suspended or revoked under any Texas law because of a conviction on a serious traffic charge, the Department is required to suspend such person's motor vehicle registration, unless he immediately files proof of financial responsibility for the future.

In addition to other statutory filing fees required, a \$10 reinstatement charge has been provided for restoration of suspended license and or vehicle registration in those cases where proof of financial responsibility for the future must be filed.

Garrison listed these exceptions where the law does not apply:

1. The law does not apply to the owner of a vehicle if it is involved in an accident while being driven by another person without the owner's consent.

2. If the operator or owner involved in an accident is the only person damaged or injured.

3. If the vehicle was legally parked or stopped at a traffic signal at the time of the accident.

4. If the vehicle involved was being driven by an employee of the United States Government in connection with official duties.

Our major crop, cotton, is down slightly but will amount to something like 4,635,000 bales or more. This is only about 89,000 bales below 1962, despite the dry weather.

We will hold on to our reputation as the nation's largest producer of grain sorghums also. Our 1963 crop made a dramatic jump of nearly 33 million bushels over last year with some 232,429,000 bushels expected in the final tally. And in spite of some at some \$65 million.

(From the files of the Hesperian dated Jan. 5, 1950)
The first baby born for 1950 in Floyd County is Vickie Darlene Reeves, daughter of Mr. and Mrs. Harry Reeves, who arrived in Peoples Hospital at 7:40 p.m. Sunday, January 1. She weighed eight pounds and three ounces.

The coldest day of the season fell on Wednesday, Jan. 4, according to the chart of the West Texas Gas Co. They showed a low of seven degrees in the morning and the temperature never reached above the freezing mark all day.

Commissioners Court of Floyd County have a date with the architects planning the reconstruction and additions to the court house on Monday, January 16, according to Judge G. C. Tubbs this week.

Last rites for Mrs. Fannie Andrews, wife of Dr. V. Andrews, pioneer physician were conducted at the First Baptist Church Sunday. Mrs. Andrews died Friday morning at her home. Among survivors are two daughters one of whom is Mrs. Bess Cantwell of Floydada.

On Sunday evening, January 1, Miss Valrie Burke became the bride of James M. Tye in a double ring ceremony.

Mrs. Marvin Tingley and her mother, Mrs. Lela Lloyd, Mr. and Mrs. C. M. Leatherman and Mr. and Mrs. Dewey Leatherman, were among relatives who attended the funeral of Carl Leatherman, in Amarillo Monday. Leatherman died Saturday of injuries sustained in a highway accident Friday night three miles southwest of Estalline in which an entire Estalline family of five were killed. Leatherman's was driving a transport truck, belonging to Ferguson-Steele, when it plowed into the rear of the Roy Lee Blake car as Mr. Blake was attempting a left turn off the highway. Blake, his wife and three children were killed instantly when the big truck ran over the car then traveled on into a ditch bursting into flames.

Whirlettes Breeze Through Idalou Tourney; Drop Idalou In Finals By Seventeen Points

To date the Floydada Whirlettes are riding high on their tournament record. A month ago the Whirlettes entered the Happy Tournament and walked away with top honors. The past weekend, the girls traveled to Idalou to take part in the tournament there and walked away with the championship trophy, while placing Shirley Rainer and Sandra Bishop on the all-tournament team.

The guards once again are credited with the victories for the locals, for they held some high scoring teams to some of their lowest scores of the season. The first game of the tournament gave the Whirlettes their biggest scare for they eked by

Roosevelt, who had previously handed the locals one of their two season's defeats, by the slim margin of two points, 62-60. This was the outstanding game of the season for the local girls. Even though the Roosevelt team rocked up 60 points, it was one of the best defensive efforts by the guards this season. The Roosevelt team has some of the top forwards in Class B, which makes them No. 1 in the state in that class, but they were held in check by the Whirlette guards. Roosevelt took an early lead in the game and led the locals 10-12 at the end of the first period. Then the Whirlettes settled down to walk away from the would be visitors and lead at halftime 32-24.

However, after intermission, the Roosevelt team came back up and didn't allow the locals to increase their lead. Then in the final period, after Linda Rucker had fouled out of the game, the Roosevelt clan closed the lead to two points, but they were never able to overtake the determined Whirlettes. During the first three quarters, Sae Gregory of Roosevelt scored only 18 points while being guarded by Linda Rucker. Just before the final stanza, Linda got too many fouls and was taken out of the game. During the fourth quarter Dee Gregory scored all 19 of Roosevelt's points, to close the Floydada lead.

The defeat handed Roosevelt by the Whirlettes was only their second of the season, the other coming at the hands of Friona. In the semifinals, against Crosbyton, the Floydada guards once again at peak performance for they allowed the Crosbyton team a mere 22 points during the entire game while racking up 49 them-

selves. This game was played early one morning which could partially account for the scoring by both teams.

The girls that were so outstanding defensively in this game, as well as against Roosevelt, were Sandy Marler, Sandy Bishop, Nona Pernel and Linda Rucker. The high scorers were Dee Wilson with 17, Sheila Patterson with 12, followed by Shirley Rainer who sank 11 and Janet Burk who added 9 points.

The Whirlettes have this particular good trait, where the guards or forwards fall down against a team, their counterparts can make up for the difference. Such was the case against Idalou in the final game of the tournament when the guards seemed to be slack at times. However, the forwards were able to make up for it.

The locals jumped to an early lead of 18-14 at the end of the first quarter and had increased that lead to 37-26 by the end of the first half. In the third quarter, the forwards slacked up a little too much and made only 12 points, but rallied in the fourth with 21 to give the Whirlettes the final victory with a 70-53 win.

Dee Wilson played perhaps her most outstanding game of the season against Idalou. Although she sank only 17 points, which is below par for her, she was most instrumental in setting up the plays that allowed the other forwards to score with ease.

Shirley Rainer scored 33 points to lead in the scoring column by sinking 11 field goals out of 15 attempts. She also made 11 free throws out of 15 attempts. Sheila racked up a perfect shooting average in the final game by making 14 free throws in as many attempts and by accounting for 3 field goals in 3 attempts. She didn't miss a shot during the entire game. This was one of the best games that Sheila has played while in high school.

It was the first time that Shirley had been named to any tournament team, and the second such honor for Sandy, for she was on the all-tournament team at Happy. The Whirlette record now stands at 16-2, the only defeats being by Roosevelt, and Dimmitt. The girls are anxiously looking forward to the Floydada Tournament, this weekend, where they will meet Crosbyton at 7:00 Thursday night.

Next week the local team begins district play.

Water Conservation District Slates Election, January 14

The ballot for the High Plains Underground Water Conservation District's Annual Election will have an added question for the voters consideration on Tuesday, January 14.

The unusual question on the ballot will be for and against the annexation of more than 800 square miles of Swisher County to the District. The area proposed for annexation includes all of Swisher County except the Palo Duro Canyon area on the Eastern boundary which is not tillable.

At the same time the people living within the bounds of the District are deciding this question, the people of Swisher County will also be voting for and against the annexation question.

On the 1964 ballot, the resident voters of Floyd County will be voting for two County Committeemen positions being held now by Gilbert Fawver and V. H. Kellison. The names on the ballot for Commissioner's Precinct number 4 are Kenneth Willis and Tate Jones; for Commissioner's precinct 2 are Forrest Mickey and Bill Sherman.

Voting will also take place for a District Director for Director's Precinct five which includ-

es Floyd County. Presently, J. R. Belt, Jr., is District Director. The names on the ballot for Director is Chester Mitchell. There will also be another District Director elected from Director's Precinct two, Cochrane, Hockley and Lamb Counties.

The 1963 Committee for Floyd County made up of G. L. Faw-

ver, J. S. Hale, Jr., V. H. Kellison, Grigsby "Doodle" Milton and L. D. "Buster" Simpson has issued 195 permits from January 1, 1963 to November, 1963. During this time, 139 wells have been drilled. The committeemen serve three-year terms and the Directors two-year terms.

The polling places in Floyd County are County Courthouse, Floydada, Roy Patton, election judge; City Hall, Lockney, Mrs. Frank Dodson, election judge.

For those who will be out of town on January 14, they can vote absentee at the County Clerk's office until January 10.

P. D. Helms Will Run For Precinct 1 Commissioner

P. D. Helms of Precinct 1 of Floyd County has authorized the Floyd County Hesperian to announce his candidacy for Commissioner of Precinct 1 in the Democratic Primaries.

Mr. Helms says your vote and support will be appreciated and that he will see as many of you personally as possible between now and the Democratic Primary.

Mr. Helms has lived in Floyd County 24 years and in the state of Texas over 25 years. He moved to the McCoy community on January 12, 1940 and still resides there.

He and his wife have six children, four boys and two girls. All are high school graduates and three attended college. When Mr. Helms was 24 years of age, he and Mrs. Helms took five of her brothers and sisters to raise, send them to school and took care of them until they were married.

Mr. Helms' mother passed away in February, 1922 and his father in March of 1925.

The candidate was too young for World War I but he registered in World War II and was exempt due to farming. He had four sons who saw service and two brothers. He lost one son and a brother in the fighting in the Philippine Island.

Mr. Helms is a member of the First Baptist Church in Floydada.

If elected your commissioner, he pledges his best effort to serve you as the commissioners have in the past.

'Winds Thanked For Their Part In Tournament

According to officials in charge of the Caprock Holiday basketball tournament in which the Whirlwinds took part, the games netted \$5,000.

This money will be used in support of the South Plains Guidance Center.

The tournament which is sponsored annually by the Caprock chapter of the American Business Club uses the amount gained by the tournament to support some worthy charity.

The Club sent its "Thanks" to the Floydada Whirlwinds for the part they had in making the tournament such a large success.

KEESLER AFB, Miss. — Airman Second Class William A. Whitfield of Floydada, Texas, is being reassigned to Oxnard AFB, Calif., following his graduation from the technical training course for United States Air Force aircraft radio repairmen here.

Airman Whitfield, son of Mrs. Ruby B. Whitfield of 201 E. Lee St., Floydada, was trained to operate, test, and repair interphone and emergency radio equipment. The airman, a graduate of North Ward High School, entered the service in April, 1963.

'64 Jet-smooth Luxury Chevrolet

What does it take to make a car a great highway performer? If the car happens to be a '64 Chevrolet, one thing only. A highway.

You'll find everything else already neatly packaged for you—on the car exactly as you pick it off the showroom floor.

There's a choice of seven engines—all the way up to a twin-carb high-compression 425-hp V8*—and four transmissions, including a finely honed 4-speed stick shift.*

And underlying it all—a bump-skimming Jet-smooth ride that helps keep the performance great even when the highways aren't so great.

State Office Is Being Sought By Former Resident

State Senator Lon V. "Pete" Shurbet of Roy, N. Mex., and brother of Marvin and Hilery Shurbet of Floyd County, is a candidate for State Land Commissioner of New Mexico, running on the Democratic ticket according to other news sources. Shurbet, who is a Harding County farmer, rancher and businessman, is a native of Floyd County and the son of the late Mr. and Mrs. Oscar Shurbet. He made his home here until moving to New Mexico 24 years ago. He has a wife and two children. The son, Phil, is also in the ranching business and a daughter, Lou Ann, is a student at the University of New Mexico. Shurbet has been a member of the New Mexico Senate for six years and is vice chairman of the Senate conservation committee and Lions Club, past president of the Harding County Fair Association, past chairman of the Harding County Road Planning Committee, and has been a leader in 4-H and FFA work as well as a civic leader in the county. Shurbet became well known over the state of New Mexico in 1959 and 1961 when he introduced legislation to try to correct some of the inequities in the practice of lasting state land for grazing and agriculture such as the grazing fees, stopping sub- leasing and placing land on tax rolls when it is sold. Toward the end of the Civil War the Confederate dollar was worth two cents in gold.

"Special Day" Set Aside For Floydada At Ft. Worth Show

Fort Worth (Spl) — The Floyd- ada Chamber of Commerce has received an invitation to be hon- ored with a Special Day at the 1964 Southwestern Exposition and Fat Stock Show, January 24 thru February 2. W. R. Watt, Stock Show presi- dent-manager, said the Special Day delegation would be spot- lighted during the introduction at the rodeo performance and the city would receive special recog- nition both at the show and over a wide area of Texas. The invitation includes a block reservation of Rodeo seats, for advance sale locally, so all of the delegation can sit together during the spotlighted introduc- tion. The local band is invited to play a concert on the Stock Show grounds and be the Show's guest at the rodeo. A cowgirl sweet- heart can be named to ride in the Rodeo Grand Entry on the Special Day, and would be intro- duced to the audience. Area rid- ing Clubs are invited to ride in the opening day Western parade, in the Rodeo Grand Entry on the Special Day, or both. James Drury, star of NBC-TV's "The Virginian" and the "Sons of the Pioneers," will be the guest stars of the 1964 Rodeo. Drury has become well known to the nation's television audiences in his title role as "The Virginian." "The Sons of the Pioneers," often called America's Foremost West- ern Musical Group, have a long standing record of favorites of Fort Worth Rodeo crowds. Drury and "The Sons of the Pioneers" were selected and con- tracted for the 1964 Rodeo over extensive hunting and negotia- tion by Watt. The Stock Show Boss has an outstanding reputa- tion of presenting only the best entertainment to Fort Worth audi- ences. Top notch rodeo action, a tradi- tion with the "World's Origin- al Indoor Rodeo" is assured with 400 of the nation's best rodeo cowboys, champions and challeng- ers, competing for more than \$70,000 in prize and entry fee money. The Southwestern Exposition and Fat Stock Show is the nation's oldest major livestock show. New Year's Eve—When the wife has to separate her hus- band from the spirit of the oc- casion.

Late Christmas Shopping Was A Nationwide Trend

A national tragedy and unusually warm weather held Christmas buying to a slow start. But most merchants are confident that a late surge will carry them to a record.

The assassination Nov. 22 of President John F. Kennedy disrupted plans of retailers to get the Christmas shopping season off to an early opening. They were trying to make up in advance for the five fewer shopping days between Thanksgiving and Christmas this year than last year.

A warm autumn also put a damper on early shopping inspiration.

However, the National Retail Merchants Association reported business was "extremely good" last week and predicted a 4 per cent increase nationally over the record 1963 season.

In New York City, David L. Yunich, president of the big Macy's department store chain, said "the underlying tone of business is excellent."

Business has been very satisfying ever since the day after Thanksgiving, said Bruce A. Gimbel, president of Gimbel's, another major chain.

Some other merchants, however, are not optimistic.

"Business took a terrible setback on the assassination of President Kennedy," said Cyril Magnin Co., San Francisco department store chain.

"It was slow starting this season but is coming along pretty well now. We had planned on about a 5 per cent increase over last year. We feel now that esti-

Funeral Rites Conducted For Bird K. Barker

Services were held Friday for Birdseye Kilmer (Bird) Barker, 74, in the First Methodist Church in Floydada. Mr. Barker died at his home on Main Street on Wednesday of last week. He had been in ill health for some time.

Floyd Data

The home of Mr. and Mrs. J. H. Poore was the scene of a family get-together on Christmas Day. The group enjoyed a bountiful meal and the exchange of gifts in the afternoon.

Present were Mr. and Mrs. Don Cage and Clay and Mr. and Mrs. Kyle Hollman of Lubbock; Mr. and Mrs. J. C. Odum and Gary, Mr. and Mrs. Ted Viramonte, Kelly and Kevin of Floydada and the hostess.

Others calling at Mrs. Poore's during the holidays included Mr. and Mrs. R. C. Lasley and children, Diane and Brian, and a cousin of Mr. Lasley of San Diego, Calif., Mr. and Mrs. J. C. Barnett of Plainview, Mrs. David Cage of Dumas and Mrs. R. H. Cage.

Mrs. Lasley is the former Pansy Poore, daughter of Mr. and Mrs. O. E. Poore of Springfield, Mo., former residents of Floydada. The Lasleys were enroute to Springfield to spend the holidays with her parents and brother.
