# WIVES DURING "OPERATION YANKEE" Wife Of Floydada Serviceman Among Americans Leaving Panama Area

GAYNO SCOTT  
Wife of Floydada Serviceman

For most of the people around the area, the past two weeks have been normal, trying to start the first month in the year with resolutions, talking about the cigarette report and the conditions in Panama. But to one girl, Mrs. Gayne (Virginia) Scott, wife of a 1st Lieutenant in the 8th Special Forces in Panama, it has been a hectic two weeks. She was one of the 2,500 people that have been shipped out of the Panama Canal Area since the recent rioting began two weeks ago today.

longings, and packed a suit case. She thought there wouldn't be any special need to take more paraphernalia than would be needed for a stay of a couple of days. To this day, she has not been able to return to their house in Panama and pick up any more of her belongings.

During the other nine months the end results came as a complete surprise to almost everyone. "People in Panama knew there were some hard feelings between the Americans and the Panamanians but no one realized that it was anywhere near this bad."

People have seen for a fact, a group of rioters in American firms looting, while their colleagues were on the outside setting fire to the place. Occasionally a group of the Panamanians are caught in the fires and burned to death, then they are "martyred" who have died in the cause of freedom.

South Carolina last Thursday, on a plane loaded with 31 children and 29 adults. As soon as they landed, each person was met by a military escort, who had previously made arrangements for each of them to spend the night.

When asked if she intends to return she said, "My husband's tour of duty there won't be over for another 18 months so as soon as things cool down and I can get back in I'm going."

Until she can return to Panama, Mrs. Scott is staying with her mother, Mrs. Rutherford in Plainview.

mother, Mrs. Rutherford in Plainview.

aggoner Carr To Speak Chamber Banquet

Attorney General, Wag Carr, will be the featured at the annual Chamber merce banquet that will February 7. The Ban will be held in the high Cafeteria and Gymnasium. who attend the Banquet up their plates in the and proceed to the sym where the tables will be and where the program held. who have not purchased tickets yet are asked to any of the following: Chairman, Tom Kenneth Bain Jr., Bessett, Wayne Brown, Lubbock, Tom Burrow, Christian, Wayne Collins, and Gregory, Sammy Hale,

REPARING MATERIALS . . . to be used for the Mothers March of Dimes in Floydada Monday night are Mrs. Sammy Hale, who is chairman, and Mrs. Tom Theford, chairman of the downtown business district. The business firms are to be canvassed Thursday through Monday Mrs. Theford said, and the Mothers March will be from 7 until 8 Monday night.

### \$1 Million Campaign Fund Sought To Help Wage War Against Boll Weevil

The decision to raise \$1 million to help combat the boll weevil threat was reached Friday afternoon at Lubbock at a meeting of the High Plains Area-wide Boll Weevil Eradication Committee.

Details on methods of collecting the area funds will be worked up by a six-member committee appointed Friday by John Pugh, chairman of the committee. This group then will make a recommendation to another joint meeting later of the area-wide and steering committees.

Don Anderson, of Crosbyton, will serve as chairman of the steering committee. He reported that the group should know by the first of April if federal funds can be expected. Anderson has conferred with USDA officials and others in Washington on the area program and reports that the obtaining of federal funds is more than possible.

### 9 DAYS LEFT FOR PAYMENT OF POLL TAXES

The recently formed area-wide committee was selected by PGC directors in each county. A 13-member boll weevil steering committee from the area which already has experienced weevil damage also attended the meeting.

### Top Information And Valuable Prizes In Store For Soil Fertility Day

The sixteenth annual Soil Fertility Day that will be held in the Lockney American Legion Hall, February 5 will feature a full schedule of information vital to the farmers in the Floyd County Area. The event is sponsored annually by the Ft. Worth and Denver Railroad, Lockney First National Bank, Lockney Chamber of Commerce and the Texas Extension Service.

### 51 Canines Vaccinated

"Every dog has his day" — but last Saturday at the Fire Station was not the day for 51 of the town's dogs. That was the day for the local pets to get their rabies shots and dog license for the coming year, or better known as "Dog Tag Day."

# Castor Beans And Soybeans Possible Crop For County

## Jones And Sherman Named To Water District Board

Residents of the High Plains Underground Water Conservation District have elected two new Directors and twenty-six new County Committeemen.

## Henry Schacht, Pioneer Floyd Resident, Dies

LOCKNEY (Special)—Services for Henry William Schacht, 67, a longtime resident of Floyd County, were held Tuesday in the First Methodist Church in Lockney.

## \$1 Million Extraction Plant To Be Built On South Plains

About 40 Floydada farmers turned out last Monday night for an informative session sponsored by the Farmers Coop Gin and held in the high school cafeteria on the possibility of growing castor beans and soybeans in the Floyd County Area on an extensive basis.

## Mothers March Of Dimes Planned For Monday Night

Mrs. Sammy Hale, chairman of the 1964 Mothers March of Dimes and Mrs. Tom Theford, chairman of the downtown business firm drive, and their co-workers are making final preparations this week for the annual door to door drive which starts Monday, January 27 in Floydada.

## Floyd County Smokers Light Up Another As They Consider Cigarette Report

Nationally, the recent report that cigarettes may well cause cancer of the lungs and larynx has caused quite a stir. But, on the local front there has been little reaction on the part of the smokers. Most of them have taken it light-heartedly, or expressed little concern.

## Two Committees in Charge of Water District Board

Two Committees in each of the 13 counties comprising the Water Conservation District were elected in Tuesday's vote.

## Anyone With A Pet Dog Urged To Get Shots

Anyone that has a pet dog is urged to take the steps necessary to make it a legal pet by getting the shots and licenses required by the city. Don't wait until it's too late.

## Volunteer Workers For Mothers March Will Assemble

Volunteer workers for the Mothers March will assemble for the drive which will start at 7 p. m. and continue for an hour. Each resident will be contacted. Mrs. Hale said.

## Persons Are Asked To Give Generously In Drive In Order That Floyd County May Reach Their Goal

Persons are asked to give generously in the drive in order that Floyd County may reach their goal. Business men if missed down town may give their donation from the home Monday night.

## Castor Beans And Soybeans Possible Crop For County

Proceeds from the drive will continue the help needed for victims of birth defects or arthritis, both adults and children and to continue the assistance for Biological Studies, which funds also be provided through funds raised in the January Campaign.

## Castor Beans And Soybeans Possible Crop For County

Persons are asked to give generously in the drive in order that Floyd County may reach their goal. Business men if missed down town may give their donation from the home Monday night.

## Castor Beans And Soybeans Possible Crop For County

Persons are asked to give generously in the drive in order that Floyd County may reach their goal. Business men if missed down town may give their donation from the home Monday night.

## Castor Beans And Soybeans Possible Crop For County

Persons are asked to give generously in the drive in order that Floyd County may reach their goal. Business men if missed down town may give their donation from the home Monday night.

MRS. R. F. JACKSON

## Ninety Year Old Resident Buried Here Yesterday

Mrs. R. F. Jackson, who would have been 90 years young Friday, died Tuesday morning at 4:30 in Lockney General Hospital. She had been in ill health for several months.

## Castor Beans And Soybeans Possible Crop For County

Persons are asked to give generously in the drive in order that Floyd County may reach their goal. Business men if missed down town may give their donation from the home Monday night.

Persons who apply and who pass a written test given by the Civil Service Commission will be placed on a list of eligibles, and will be considered for future job openings.

Clerks and carriers are now paid a starting rate of \$2.26 per hour. Anyone interested in a carrier in the Postal Service may obtain application Card Form 5000-AB, application for exam, and mail to Executive Secretary, Board of U. S. Civil Service Examiners, U. S. Post Office, Fort Worth, Texas, 76101. Forms are available at the Floydada Post Office.

Too Late To Classify

My husband and I run a service station and we come in contact with quite a few BOYS. Flats, gas, tune-ups, and to use the rack many times a day to check their mufflers and at times just to look at the bottom of their beautiful cars. Some of them have worked for us and in a tight we can always count on one to come to the rescue and help out.

Letters To The Editor

TEEN AGE BOYS I'm not writer but would like to try and put on paper what I think of the modern boy. I've read several articles on the meaning of BOYS. They're called hot rod kids, juveniles, bad boys, etc. We seem to overlook some of their good points.

McCall Funeral In Carrs Chapel Held Last Week

Joseph Newton McCall, 81 year old father of Mrs. Joyce Davis of near Harmony community, was buried in Carr's Chapel cemetery on January 15, following funeral rites conducted in Carr's Methodist Church. Mr. McCall died January 14 in the Plainview Nursing home where he had been for the past year. Rev. Doyn Merryman of Hale Center, officiated.

Floyd County HD Council Meets

Floyd County Home Demonstration Council met last Friday with seven club and three officers represented. Committee reports were heard from each club and all recommendations were read and adopted by the council.

Directors To Meet In El Paso

The West Texas Chamber of Commerce's top leadership will gather in El Paso January 29 and 30 for a meeting of the WTCC board of directors at the Hilton Hotel.

Floydada To Get Cable Television

At a special City Council meeting, held Tuesday afternoon, the group voted an ordinance which allows a Corporate Firm to begin work in the near future on construction to bring cable TV service to Floyd County residents.

Bible Study At Calvary Baptist

CENTER, JANUARY 13 — This week we are to have a Bible Study Course at the church with Brother Bradley from First Church instructor. Everyone is invited to come. We also took some more offering for Foreign Missions. If you want in on this and haven't yet, see the church treasurer, Mrs. Cannon of the W. M. U. treasurer, Mrs. Wexler. It is a great privilege to "have a part."

**EXAMS** — A group of school students are shown in the hall just a day or so before last mid-term exams. The exams scheduled for Thursday and Friday of last week. The second term of school is well underway now and everyone seems to be back in the normal routine of school.

## Gamma Iota Chapter Meets

With Mrs. Malcolm Tisdell of Plainview, the president, in charge, Gamma Iota Chapter of Delta Kappa Gamma met on Sat., Jan. 11, at Wayland College Home Life Building at 2:00 p. m. for a program on "Trends in Social Patterns and Implication on Youth." Future Teacher Chapters and their sponsors from the various schools were honored with a cake party.

Mrs. Lee Nowland of Plainview, accompanied by Mrs. Marjorie Brewer of Tulsa, led the group in a song.

Miss Mildred Hulsey of Tulsa conducted the program for the F. T. A. Members. She began by passing out slips of paper which carried thought provoking questions. When each F. T. A. member rose to answer his question, he introduced himself and told the name of his town and school.

Miss Hulsey conducted a "Conversation" on the book, *A School for Suzanne*, by Marjorie Miller Freer. F. T. A. members answered a second group of questions which summarized the salient points of the book and brought out its theme, purpose and worth. Some of those teachings were: "The teacher should give his very best, be firm, be understanding and interested in the student and his subject; the teacher should use methods in each class that elicit the best talents of the students; the teacher should help the student develop a decent self image; each teacher has definite influence for either good or bad; students should be taught to equate the rights of all students, even to the extent of being willing themselves to take second or unimportant appearing places at times."

For some years, Miss Hulsey has been sponsoring an essay contest on the subject, "What the Teacher Who Helped Me most Did for Me." A prize of \$25 goes to first place winner. The money is to be used in defraying the expenses of the chapter's delegates attending the State F. T. A. Convention.

Sid Hooper won first place for Tulsa's F. T. A. Chapter. Some of the things he said about his most helpful teacher were: "I shall always remember her. She did not tell me, she showed me how to find the secret of real living. She did it through her Christian example. I learned how I could obtain the joy which she knew. She taught me to think. Not only did she teach me facts but how to interpret them and apply their meaning to my own life. One entire year of her school life was devoted and dedicated to teaching my classmates and me how to use our minds advantageously. I am more prepared to cope with the problems of every-day living because of that teacher's influence on my life."

Plainview won second place in the contest and Silverton third. The judges reported that all entries were excellent.

The Plainview contestant said that Mrs. Gladys (Cecil) Whitacre of Plainview was "that most helpful teacher who accepted me as a frame for a building for knowledge. She dares ignorance with a frontier of knowledge."

The Silverton contestant mentioned Mrs. Minnie (A. L.) Redin as the teacher who had been most helpful. She was pictured as a patient, kind teacher who is always ready to explain a math problem one more time for the benefit of those who did not understand.

After a short business session,

## Club Will Meet Tonight

The club met last Thursday party room with good success.

Each one responsible for regular business meetings were enjoyed.

Meeting is tonight at 8:00 p. m. at the PCA room. Refreshments and member lost weight during the year will be honored. Invited.

## Study Club Meeting

The Study Club met for their meeting Monday night. The constitution was put before and voted on.

For the meeting were: Sharon Bingham, Miss Nancy Robertson, Teepie, Charlotte Littlefield, Camilla Burk, Janice Cockburn, Shirley Rainey, Vickie Gregory.

Hartine and Mrs. Williams met as usual.

Next meeting will be on the 29th.

American dictionary by Noah Webster

## Shurbet Speaks For Study Club

Marvin Shurbet, who is a member of the State Water Board, was guest speaker last Thursday for members of the 1929 Study Club when they met in regular session in the home of Mrs. Tate Jones.

Mr. Shurbet spoke on the local water problems and what is being done. He had on hand a five gallon jug of desalinated water from Freeport, Texas, of which a paper cup full was passed to each member to drink. Afterwards he told them the water was from the sea with the salt removed. Mr. Shurbet said residents of Freeport drank the water three weeks without knowing it did not come from their city well. Hydrologists are now working on converting sea water to usable water, Mr. Shurbet said.

The guest speaker introduced William Broadhurst of Lubbock, chief hydrologist for this water conservation district, who discussed the Hi Plains water problems.

Mr. Shurbet was introduced by Mrs. Jewel Norman, who was leader for the program on Water Conservation.

The next meeting will be held on February 6 in the chapel of the First Baptist Church at 3:45 p. m.

## Floydada Young Homemakers At Regular Meeting

The Floydada Chapter of the Young Homemakers Association met Thursday of last week in the homemaking department of high school. Patsy Brock, president, spoke on her recent trip to the third annual State Convention of the Texas Association of Young Homemakers, which was held in conjunction with the Young Farmers state convention, in Austin.

Mrs. Brock explained the business of the convention and told of the awards that had been given. She announced that there would be a Landscaping Design School on Feb. 13 and 14 in Lubbock with a fee of \$5 per course.

The Young Homemakers organization is open for membership to the women of Floydada who are under 35 years of age and who are out of school. Women are welcome to come as guests of the club if interested. Baby sitters are available so you can bring your children.

The next meeting will be today, Thursday, at 3 o'clock p. m. in the homemaking department at high school. At present time are learning to knit.

During the business session of the last meeting members voted to do baking for the public as a fund raising campaign. Desserts, such as pies, cakes, and cookies will be baked and delivered on request.

The program was learning to knit. Mrs. Brock was in charge of the first series of lessons.

Two guests were present, Mrs. Weldon Harris and Mrs. Bobby Taylor. Members present were Mrs. Sonny Barton, who served refreshments and Mrs. Carl Brock, Mrs. H. Nelson, Mrs. Truman Dunavant, and Mrs. James Hale.

**FLOYD DATA**  
Mrs. Frank Potts and sons Jimmy and Tommy returned to their home in San Jose, California Monday after spending the past week visiting her parents, Mr. and Mrs. W. E. Burleson and brother Stanley and family. They also visited Mrs. Emily Potts and Bill and other relatives and friends.

**RUTH COLLINS IN PEOPLES HOSPITAL**  
Miss Ruth Collins was transferred from a Lubbock Hospital to Peoples Hospital last Thursday where her condition remains about the same, according to hospital attendants.

**FLOYD DATA**  
Mrs. Vernon McPeak is nursing a sprained ankle this week after accidentally falling at her home Sunday night. Mrs. McPeak had just returned home from church and was walking from the drive-way to her home when she fell. She is able to be about but finds it rather painful for her.

## Bridal Shower Given For Mrs. James Lloyd Sowell

Mrs. James Lloyd Sowell was honored with a miscellaneous bridal shower at the P. C. A. Party room on January 17, from 4:30 to 6:30 P. M. Hostesses for the occasion were: Mmes. Lucille Elliott, Porter Finley, Jesse Richardson, Minnie Smartt, Dot Hammonds, Bill Hardin, Travis Jones, Johnny Cates, Mrs. W. R. Daniel and Miss Irene Daniel.

Guests were registered in the bride's book as they entered and were served golden colored punch, cookies, and mints. The table featured a white embossed banquet cloth, a yellow carnation centerpiece, and chrysalis service.

The honoree opened the gifts and passed them around for the seated guests to see. She was assisted by the groom's mother, Mrs. Florence Sowell; his cousin, Mrs. Bob Everett, and his aunt, Mrs. G. W. Smith.

Hostess gifts for the occasion were a set of stainless steel ware and a bedspread.

Those attending or sending gifts were:

Mmes. Florence Sowell, Joe March, Collis Roland, J. W. Day, Jr., Jesse Richardson, William Bertrand, O. C. Vinson, Jerrold Vinson, Oliver Allen, J. A. SOUTH PLAINS NEWS by Mrs. Murray Julian

Baptist Mission Holds First Services Sunday In Newly Constructed Building

by Mrs. Murray Julian SOUTH PLAINS, January 20 — Mr. and Mrs. Wendell Hendrix, Carlene and Diane of Waco College, from Plainview, were at the Baptist Church in the face of Toby Drain, who is serving Sunday. Wendell led the singing at both morning and night services. The South Plains Baptist Mission Church held its first service Sunday morning in the new mission building. It is not completed, but it was warm, and a goodly number attended. Devotions from the main church assisted at the night service in giving the Lords Supper for the first time. Rev. H. S. Calahan, Jr., is the minister at the mission. Mrs. Calahan teaches a class, as does Wendell Johnson. Dian Calahan is pianist there.

Visitors at the South Plains Baptist Church Sunday were Mr. and Mrs. C. L. Hurt of Plainview, Mr. and Mrs. Wendell Hendrix and girls, Mr. and Mrs. Alvin Nichols. Remember next Sunday at both services the Rev. Jstas Longoria of Paducah will speak, and we hope for a good attendance.

Dinner guests Sunday with Mr. and Mrs. Sylvain Kinnibrugh were Mr. and Mrs. Wendell Hendrix and girls and Mr. and Mrs. Paul Horn and Paula of Giffland. Marilyn and Beth Kinnibrugh spent the week end in Truscott.

Mr. and Mrs. Julian spend Wednesday in Amarillo with his aunt, Mrs. Alex Canon, and they also visited in Canyon with Bruce Julian at W' College at the evening meal.

Mr. and Mrs. Fred Fortenberry had as dinner guests Sunday their son, the Elmo Fortenberrys, Rhonda, Patricia and Elmo Jr., of Clarendon.

Mrs. Bryant Higginbotham went to Pampa Saturday to take Mrs. Vivian Pierce to her home, after she had spent the past two weeks here. Mrs. Higginbotham spent Saturday night and Sunday in Amarillo with her sister, Mrs. Magnusson and family.

We are sorry to report the passing of Mrs. Merla Darden, on Friday night at Meridian, Tex., after a short illness. She was the grandmother of Mrs. Joimney West from here. Mrs. West and her other grandparents, Mr. and Mrs. S. L. Powell of Floydada, went to Meridian Sunday for the services, which were held at 2 p. m. at the Church of Christ in Meridian.

Mrs. Harry Hartman was dismissed by her doctor Friday, and she is getting around fine on her broken ankle, which was received in a car accident last September. Their son, Roy Hartman, who is with the Armed Forces in New Jersey will receive his discharge in February.

Mrs. J. P. Taylor celebrated a birthday Sunday with guests her children, Mr. and Mrs. Joe Taylor, Gregg and Rise of Lockney were there for lunch and supper with the family.

Mr. and Mrs. L. T. Wood left Saturday to spend the week end at Lake Whitney with his sister, Mr. and Mrs. Jack McGowan. From there they plan to go on down to South Texas for a brief trip to the valley towns.

Mr. and Mrs. Ursel Taylor had their daughter, Kay Taylor of Lubbock home with them for the weekend. She is now employed there in Lubbock, but still attends classes at Draughton's business college.

Mr. and Mrs. George West left for Ruidoso, New Mexico Saturday to spend some time there in their mountain home. Price Pritchett, senior student at WT at Canyon, will leave Jan. 22, to be gone until Feb. 2, for a goodwill trip to Old Mexico, with Baptist students where they will visit Monterrey, Saltillo, and the Baptist seminary in Torreon, then go on to Durango where they will have a group Bible study.

Mr. and Mrs. Alvin Nichols visited in Lockney Sunday afternoon with Mr. and Mrs. Max Marble and boys. Larry Marble had a tonsillectomy Friday and is getting along fine at this time.

The Intermediate GA Girls of the Baptist Church here held a "come as you are" breakfast for their members; and GA leader, Mrs. Wendell Johnson, Saturday morning as they met in the home of Mrs. Wendell Johnson. Girls were gathered up and brought along with their leader for a delicious breakfast of pancakes, bacon and fruit juices. Present were Mrs. L. N. Johnson, Katie Taylor, Cathy and Dian Calahan, and the hostesses Vickie and Judy Johnson and their mother, Mrs. Johnson.

Darrel Maples and Mike Beard-er of Lubbock spent Friday night and Saturday here with Mike and Walt wood in the home of their grandmother, Mrs. Walter Wood.

then spent the afternoon playing canasta. Sponsors of the South Plains mixed doubles bowling team met Friday night with sixteen couples taking part in the bowling meet at the Cotton Bowl Bowling Center in Floydada. Sponsors are I. H. P. Oil Co., Upton Grocery and Upp's.

Mrs. Gino Sanders and Clifton Fyffe of Floydada were involved in a wreck here on the Silverton Highway in front of the Sanders home last Thursday around noon. The cars were badly smashed, but no one was too seriously hurt, we are glad to know.

College boys will be home between semesters this coming week. The semester ends Saturday at Texas Tech, and Wednesday at WT in Canyon. Although finals aren't completed yet, many students are already making out their schedules for the new semester which begins Fri. Jan. 31 at Lubbock, and on Wed. Jan. 29 at Canyon.

Newlyweds, Mr. and Mrs. Steve Deavenport, returned here to spend the night Tuesday, then left Wednesday morning for their new home life in Boulder, Colorado.

Mr. and Mrs. Bryan Karr spent Thursday in Lubbock with Mrs. Deavenport, and many others from here have visited, including Rev. Sealy Smith who was here Saturday.

Mrs. Don Marble underwent an appendectomy at the Lockney Hospital on Monday, Jan. 13 at 1:30, and she is getting along fine. She was able to come home on Saturday, where she is convalescing.

Mrs. L. T. Wood, Mrs. Sealy Smith, Mrs. Hollis Shewmake, Mrs. Gransby Milton and Mrs. Fred Fortenberry went to the Pansy Baptist Church for a WMU meeting Friday Morning, and all took a covered dish which they enjoyed at the noon hours at a buffet meal.

Mrs. Loy Deavenport underwent a second operation at the Methodist Hospital on Friday morning, and is getting along fine at this time, with hopes of getting to come home this week. She had a thyroid operation last Monday morning at the hospital there in Lubbock, and we all wish for her the most speedy recovery.

Mr. and Mrs. Bryan Karr spent Thursday in Lubbock with Mrs. Deavenport, and many others from here have visited, including Rev. Sealy Smith who was here Saturday.

Leap Year '64 Hair Fashion Irene Sherrill and Mayo Williams attended the releases of the new hair fashions for spring and summer of 1964 at Isbells in Lubbock on Wednesday of last week. The new trend is the Leap Year coiffure, which is being introduced by the official hair fashion committee of the National Hairdresser and Cosmetologists Association. The hair fashion authority of the beauty profession says the new trend is deflected to more beautiful women. Some of the styles are smooth, some ruffled but all are soft with a big interest on the parts in the hair which may be long or short in the center, straight or angled.

Cedar Hill News by Joe Fortenberry

Men's Day Was Sunday At Church

CEDAR HILL, January 20 — Sunday was men's day at the Baptist Church. Brother Brush brought the message with a good attendance breaking their record with 56 in Sunday school and good services throughout the day.

The Assembly of God Church will be having their workers training course beginning Monday night, January 27 at 7 p.m. Brother J. C. Thomas, our District Superintendent will be the teacher. The book entitled "Our World Witness." We invite everyone to come and enjoy the study. Then on Tuesday afternoon and night, January 28th the Sectional Fellowship Meeting will be held at the church. The public has a hearty invitation to attend both services on Wednesday night. The study course will continue throughout the week.

D. A. Welch of Medicine Mound was a dinner guest of Mr. and Mrs. Durrel Fortenberry and boys Tuesday.

Plans For Style Show Discussed By Study Club

The 1964 Style Show, which is sponsored annually by the 1956 Study Club and planned for March 5th, and discussed at their regular meeting Tuesday night in the PCA party room, Mrs. Sammie Hale, club president, presided and Mrs. Ozell Chappell was hostess.

Roll call and the minutes of the last meeting was given by Mrs. Bobby Rainer.

Club endorsed Lavene Decker for 2nd vice-president elect for the Caprock District during the business meeting. The president also read a letter of thanks from the student body at high school for the contribution in the Library of the Fine Arts Department.

The program "Be Alert-Read," was presented by Mrs. Rainer. She stressed the importance of stimulating interest in

Girl Scout Neighborhood Association Has Meeting

The Floydada Girl Scout Neighborhood Association met at the Scout Hut on Wednesday, January 15, at 9:30 a.m.

The group voted to attend the City Park Church of Christ on Sunday, March 8 Scout Troops will meet their leaders in the kitchen area of the church at 10:05 a.m. Troops will march into the sanctuary in a body at 10:30. Scouts are to wear their uniforms.

Scout leaders who have not turned their cookie orders are urged to contact Mrs. L. W. Chappell, Neighborhood Council Chairman. The Council-wide cookie sale will be held from Mar. 6-19. Proceeds from the sale will be used to build a new dining hall and a well at Camp Rio Blanco. Each troop will keep a portion of the net profits to use for handicrafts. Three types of cookies will be offered at 50¢ a box: Shortbread, Chocolate, and a Creme sandwich.

A "Caravan on the Home" is a one day course of study to be offered in the Scout House on February 11 from 9:30 a.m. to 2:30 p.m.

Mrs. L. C. Ferguson Jr. is Floydada's "Program Chairman" for the District Pageant to be held in March at Plainview. Mrs. Ferguson will attend a planning session with chairmen from Hart, Tulla, Lockney, and Plainview on January 22 at 9:30 a.m. at the Plainview Girl Scout House. The "Cavalade of Girl Scouting Around the World" will herald Girl Scout Week.

Plans are being made to use every scout in Floydada in the pageant. Parents and friends are invited to attend.

The second grade troops has received its troop number: 65.

Leaders who have scouts who need plastic discs to put under their membership stars are asked to contact the Neighborhood Chairman.

The next meeting of the Neighborhood Association will be on the first Monday night in March at 7:30 p.m. at the Girl Scout Hut. Mrs. Irene Beck of Lubbock will be guest speaker.

Attending the meeting Wednesday were Mesdames L. C. Ferguson, Jr., Nile Bryant, Kenneth Bishop, G. T. Arwine, and L. W. Chappell. Special guest was Mrs. Thelma Vestal of Plainview.

MOTHER OF B. J. DARDEN SUCCEDES

Mr. and Mrs. S. L. Powell and Mr. and Mrs. Johnny West attended the funeral Sunday in Meridian of Mrs. Merta Darden, who passed away in a Waco Hospital Friday night.

The deceased was the mother of B. J. Darden of Albuquerque, N. Mex., formerly of Floydada, and T. L. Darden of Lubbock.

Neighborhood Association will be on the first Monday night in March at 7:30 p.m. at the Girl Scout Hut. Mrs. Irene Beck of Lubbock will be guest speaker.

Attending the meeting Wednesday were Mesdames L. C. Ferguson, Jr., Nile Bryant, Kenneth Bishop, G. T. Arwine, and L. W. Chappell. Special guest was Mrs. Thelma Vestal of Plainview.

Son Of Mrs. M. A. Wood Succumbs

ESTELLINE, Jan. 19 — R. V. (Pete) Wood, 46, high school principal here four years, and son of Mrs. M. A. Wood of Floydada, died about 4:15 p.m. Saturday at his home in the Hulver Community. He apparently suffered a heart attack.

Funeral services were held at 2:30 p.m. Monday in the Estelina High School auditorium, officiated by Dr. Vernon Henderson, superintendent of the Amarillo District of the Methodist Church, assisted by the Rev. Joe B. Allen, pastor of the Estelina Methodist Church.

Lake Side Schools in Hall County closed at 12 o'clock noon Monday for Mr. Wood's funeral.

Burial was in Estelina Cemetery under the direction of Spicer Funeral Home of Memphis.

A resident of Hall County 23 years, Mr. Wood was born Aug. 6, 1917, in Randlett, Okla. He was married to De Alyss Eddins, Dec. 7, 1941. A graduate of West Texas State University, he was a member of the Buffalo T Club and was an all-conference guard two years. He graduated from Floydada High in May 1936 where he was an outstanding tackle for the Floydada Whirlwinds.

A veteran of World War II, he served in the U. S. Navy and was a member of the Methodist Church. He coached in Monday, Tewa Park and Estelina before being appointed high school principal.

He was president of the Hall County Teachers Association.

Survivors include his wife; a daughter, Sandra Jo, a student at Texas Tech in Lubbock; three sons, DeWitt Martin, a WTSU student, Robert Don and Michael

Fuqua Home Is Meeting Place Of Homebuilders

Home Builders Home Demonstration club met with Mrs. Floyd Fuqua in her home on January 7. The president, Mrs. Leslie Fawver, was in charge of the meeting.

The devotional from Psalms 91:1-14 was given by Mrs. Fuqua and the song, "Rock of Ages" was sung by the members. Roll call was answered by each member giving a hymn that's dear to her.

New business included the club meeting dates from the first and third Tuesday in each month to the second and fourth Tuesday of each month.

The program, "Teen-Age Marriage" was presented by Mrs. Ernie Widener.

Club member, Mrs. C. C. Burns was reported home from the hospital after surgery and was doing as well as could be expected.

Those present were Mmes. John Walker, Charles Horton, Floyd Fuqua, Raymond Evans, Raymond Williams, Leo Sawyer, Leslie Fawver, Ernie Widener and Mrs. O. G. Mayfield.

Ray of the home; his mother, Mrs. M. A. Wood of Floydada; a brother, Barney, and a sister, Mrs. N. J. Atherton of Oklahoma City.

ROAD JOB — Employees of the Highway Department are in the process of smoothing out of the rough spots on Houston Avenue. The Department is slated to begin work on the Matador Highway in the near future. (Staff Photo)

ENRIQUE GONZALES JR., proudly shows off his new eyeglasses and also his eye presented him last year, by the Floydada Lions' 1956 Study Club. Enrique is a student at Ward Special Education class.

Youngster Benefits From Lions Club, Study Club

A gift of eye glasses and eyeglasses, nine year old Enrique Gonzalez Jr., attends grade like most other youngsters his age, however with his eyes in learning to speak, he is a student of the education class at An-Ward, but as his teacher Pearl Coward says, he is much faster now.

Enrique came to the attention of the Floydada Lions Club in school term when he enrolled here. He had attended at least one year in another school but his mother and his parents said he did not attend. When he entered here he did not seem to or talk very readily. On a vision test it was found that he had a loss of vision and needed glasses. The Lions Club provided them.

In the spring of 1963, the 1956 Club of Floydada, on learning of his mother and the authorities that Enrique had hearing loss, provided for him a hearing aid. As a result of the Study Club and Club bought a hearing aid for him in November.

Enrique has responded nicely to the present he works, plays, converses with his playmates, answers questions which he is asked to do before he acquires the hearing aid.

Enrique seems to be a happy boy and even his progress is compared to that of other children who have the loss of hearing.

Enrique feels that the Study Club and Lions Club are to be thanked for making it possible for him to be here.

**CORRECTION**  
The notes handed in by P. D. Helms, as to be for commissioner, we suggested a sentence and a mother dying in 1922 in these deaths were Helms' parents. Helms' mother is very much in the age of 82. She resides in Philadelphia, Ark., where she visited her at Christmas.

**Caprock**

(Continued from Page 1)  
 ers depended upon a weekly check to stay in business. . . of course this has changed business of raising milo, and cotton. Mr. Davis very pointed out that the next years could certainly bring important crops to the area of Texas.  
 HE DAYLIGHT saving idea from an old Indian who off one end of his blanket sewed it on the other to it longer.  
 HAPPENED at a New York gallery: A tall, rugged Texan his wife dropped in and with a half hour bought up all the Goghs, Picassos, El Grecos, Guignis, Monets, etc. in the establishment.  
 There, honey," boomed the band, "that takes care of Christmas cards. Now let's started on the gifts we've ta buy."

ALWAYS FIGURED that the city paid for the bullets that law officials use, but such not the case. As I watched members of the county and city departments dump a month's collection of alcoholic beverages

**Castor Beans**

(Continued from Page 1)  
 We can ship the raw castor beans for 60 cents per hundred, but it costs \$1 per hundred to ship the oil and another \$1 to ship the meal, when oil and meal all there is to the raw material.  
 Mr. Davis was asked if any site had been selected for the proposed plant, and he stated that there had not.  
 Also, most of the group wanted to know if there was any guaranteed price for the products. This, too, drew a negative reply.  
 Mr. Davis said, "We don't think these crops will replace cotton and grain sorghum, but they are a starting point to find more new crops. The way agriculture is changing, who knows what the future might bring? It was only 25 years ago that the creameries and the "milk checks" were the backbone of the South Plains farmers."  
 Anyone that desires to grow either the castor beans or the soybeans can purchase their seed and market their crop at the Farmers Coop Gin in Floydada. Harold Ellison, manager of the Coop stated that the Gin has the grower contracts available now, so all interested parties should contact him for further information concerning the growing and marketing of the crops. The group was served refreshments courtesy of the Farmers Coop Gin.

**Ninety**

(Continued from Page 1)  
 Ella Mullins in Woodbury, Tenn., on January 24, 1874. She and her husband celebrated their 72nd wedding anniversary on December 17. They were married in Hillsboro and came to Floyd County in 1924. The couple lived east of town until moving into Floydada in 1924 where they have resided since.  
 Survivors include her husband; four daughters, Mrs. E. D. Tarpley, Clovis, N. Mex., Mrs. G. A. Pittman, Muleshoe, Mrs. A. B. Clark and Mrs. Elton Goen both of Floydada. Mrs. Jackson was preceded in death by a son, L. S. Jackson and a daughter, Mrs. Louise McPhaul.  
 Ten grandchildren also survive. They are Mrs. E. L. Norman Jr., of Amarillo; Mrs. Truman Dunsavant, Bob and Franklin Goen of Floydada; Mrs. Nell Taylor, Clairmont, Calif.; Mrs. Harold Tucker, Clovis, N. Mex.; Mrs. Richard Minkler, Muleshoe; Robert Pittman, Amarillo; Jack McPhaul, Lamesa, Miss Linda McPhaul, San Antonio and Mrs. Gordon Lee of Topeka. 22 great grandchildren survive.  
 Pallbearers were Doyle Redding, G. W. Smith, Bill Smith, E. L. Norman, Charlie Bedford and L. D. Britton.

**Schacht**

(Continued from Page 1)  
 He was born in Colby, Kan., March 24, 1896, and moved to Nebraska at an early age. He came to the Lockney area in 1914 and lived in the Aiken community until 1941. He then moved to a farm 2 1/2 miles west of Lockney. He married Dimon McCauley on December 24, 1925.  
 He was a veteran of World War I, had served for 32 years as an election judge, was a for-warder and Aiken and a trustee and steward at the First Methodist Church.  
 He was a member of the American Legion, had served on the Floyd County ASCS committee and was a longtime member of the board of directors of the Consumers Fuel Assn. of Lockney.  
 Survivors include his wife, two sons, Henry Neil, Nacogdoches, and John Paul, Fort Hood; a daughter, Nancy Jo, a student at Texas Tech; two brothers, Fritz and Herman, both of Lockney; a sister, Miss Anna Schacht,

last week I asked sheriff Hollms, "How come you don't line these bottles up for target practice?"  
 He replied that bullets were pretty expensive and the money for their purchase came out of his pocket.  
 "YOU THINK so much of you and golf game that you don't even remember when we married," complained his wife.  
 "Of course I do, honey," he answered her. "It was the day I sank that 40-foot putt."

DR. WARREN POOLE of Lubbock sent me a clipping from the sports section of the Lubbock Avalanche last week. It was a listing of scores from college basketball games and it showed "VMI 83, FLOYDADA STATE 72."  
 I don't remember ever hearing about Floydada State College wonder if it should have been Florida State?  
 Anyway, looks like we got beat by VMI!

**\$1 Million**

(Continued from Page 1)  
 Weevils have migrated from below the Caprock onto the High Plains in great numbers in the past few years, creating fears that they might eventually become a major production factor over the area.  
 The Weevils moved about 25 miles from the edge of the Caprock to one point this year, the deepest known penetration to date.  
 Though the weevil problem at the present time is localized at the eastern edge of the Caprock, the entire High Plains area realize this potentiality of the weevil threat.  
 In spite of this, farmers in the eastern edge of the area have expressed a willingness to bear a proportionately higher share of the cost of the problem.  
 Another meeting of the group was slated for Wednesday at Lubbock.

**Smoking**

(Continued from Page 1)  
 ably won't even cut down, but I do hope the report has an effect on our young people and scares them away from the use of cigarettes.  
 And finally, one non-smoker said, "This won't have any effect on people. Show people something that will kill them and as soon as the initial fear of the harm subsides, they are right back where they were before."  
 A number of people had other comments, but these expressed seemed to be the general consensus of the local residents, but the majority showed little concern.  
 So around Floydada, those who were previously smokers join in the discussion of the pros and cons of the report and light up another one.

# Deer Hunting Is Getting Mighty Close To Home

SEVENTEEN NEW MULE DEER FOR THIS AREA AND MORE TO COME . . . A Hesperian photographer caught this picture of 19 deer unloaded last week on a ranch southeast of Dougherty. Pictured left to right with the deer

are: Floyd County agent Tom Davison, game warden Jerry Noles and Skily W. Schuch, truck driver for Texas Parks and Wildlife Department. Approximately 50 doe deer and a few bucks will be released in this area.

## Deer Received For New Game Area

First consignment of mule deer arrived Tuesday night in the foothill country for the newly-created Caprock Mule Deer Restoration Area in Motley and Floyd Counties. It is the beginning of stocking the 131,771-acre preserve. At least 50 doe deer and as many buck deer as are caught in the traps will be released in the area. The deer will be protected under strict supervision for a five year period.

The plan of restoring deer to a land once the choice hunting grounds of the Indians, is the work of Jerry Noles, resident warden for the Texas Parks and Wildlife Department.

About two years ago Noles began talking to ranchers and landowners regarding the plan of restoring deer to the area. He explained that strict protection would be required for five years. He found that the interest was favorable and that there was no opposition. A public meeting was held and the work was started.

It required getting each landowner in the release area to sign an agreement with the Parks and Wildlife Department. This was accomplished, the plans were advanced by the department in trapping the deer on the W. Pyle Cattle Company Ranch in Sanderson County, with the first truck load being delivered Tuesday night to a point on the Ross Island Ranch west of Rouris Springs.

Noles explained that the five years protection plan will give the deer an opportunity to establish themselves and their offspring to become native of the country.

## Hospital Auxiliary Now An Official Organization

Members of the newly organized Floydada Hospital Auxiliary met in the lobby of the Peoples Hospital Monday afternoon, January 20th, at 1:30 for a brief orientation tour of the hospital. The Business Manager, Mr. Fritchard, conducted a small number of the members at a time, explaining the facilities, the needs, and the condition of the hospital. In turn, the Auxiliary members took notes of duties that can be performed to the service of the hospital and its patients. It was urged that all members and other women interested in becoming members of the auxiliary be present at this meeting.

Tuesday morning in the Community Room of the First National Bank the Floydada Hospital Auxiliary became officially an organization. Officers were elected for the ensuing term. Mrs. John Williamson will serve as President, acting as liaison between the hospital and the auxiliary. The First Vice-President, Mrs. J. M. Wilson, Jr., will have charge of assigning duties

to the auxiliary members and planning with a committee any projects the group will undertake in the future. Second Vice-President Mrs. Kloder Farris, will serve as publicity chairman and Corresponding Secretary, and Mrs. Harold Ellison, Treasurer.

## GS District Nine Caprock Council In Monthly Meet

Girl Scout District Nine of the Caprock Council held their monthly meeting on Tuesday in the home of Mrs. G. T. Arwine. Mrs. Barney Martin of Plainview, presided at the meeting.

Present included the Neighborhood Service teams from Hart, Tulla, Lockney, Plainview and Floydada. Also present were Mrs. Thelma Vestal, District Advisor and a Girl Scout professional worker from Plainview.

During the meeting troops were reminded that Camp Rio Blanco in Crosbyton will be available for troop camping from May 22 through June 4. The swimming pool will be open at this time. Firewood, running water, bathroom facilities and tents will also be available free of charge. Troops desiring reservations of Floydada.

should write the Council office in Lubbock this month.

Fourth grade scouts are permitted to spend only one night. Older scouts may camp as many days as they wish. Second and third grade scouts may spend the day but not overnight.

The district is planning to celebrate the March Girl Scout birthday by putting on a "Cavalcade of Girl Scouts Around the World." The pageant will feature Scout uniforms from all parts of the globe, as well as international Scout songs. The program will be held in Plainview and Floydada Scouts will participate. Mrs. Barney Martin will direct the pageant.

Each participating town will have a program committee. The chairman of the committees will meet in Plainview Scout House on Wednesday, January 22 at 8:30 a. m.

## GOENS ANNOUNCE NEW GRANDSON

Mr. and Mrs. M. T. Goen announce the arrival of a new grandson, Kyle Owen born January 16 to Mr. and Mrs. Danny Smith of Arlington. Mr. C. A. Goen of Floydada is a great-grandparent. Also, Mr. W. M. Millican of Robert Lee and Mr. A. J. Lancaster of Arlington are great-grandparents. Mrs. Smith is the former Karen Goen.

## Fire Fighting Funds For Rural Areas Increased

At the regular monthly meeting of the commissioners court held in the office of J. D. McErien Monday and the group voted to raise the rural fire fighting payments to Lockney and Floydada to \$125 per month.

Until now they have been paying the towns only \$75 for extinguishing fires in rural areas. Both towns seemed to think that this amount was not sufficient and had requested more. The payments, of course, come from

County Funds: Routine business was taken care of and the meeting adjourned. The next meeting is set for February 10 unless a special meeting is called for some reason.

Mexico won its independence from Spain in 1822.

Arrowroot is derived from the roots of Sago Palms.

## R. F. Stovall Commended By City Council

At a recent City Council meeting, the members voiced their appreciation for the services and work performed by the city attorney over the past 20 years. The official letter follows:

WHEREAS, Mr. R. F. Stovall of Stovall & Stovall has lived in the City of Floydada for 43 years and has ably served this City as attorney for 20 years, we extend to Mr. Stovall our heart-felt thanks and appreciation for his service during these years.

BE IT RESOLVED by the City Council of the City of Floydada, Texas on this the 14th day of January, 1964 that the City Council accept the resignation of Stovall & Stovall, Attorneys at Law as City Attorney with regret.

BE IT FURTHER RESOLVED that the City Council of the City of Floydada feels that Floydada is a better place to live, work, and play due to his untiring efforts to see that the laws of the State and the Ordinances of the City of Floydada have been enforced in an equal and fair manner.

THEREFORE it is the desire of the City Council that a copy of this resolution commending Mr. Stovall be presented to him and that he be informed that this resolution was passed by unanimous vote of the City Council of Floydada, Texas, and that we extend to Mr. Stovall our good wishes in his new endeavor.

Mother Of John Fowler Buried

Funeral rites were held Monday afternoon in the Emma Church of Christ at Ralls for Mrs. Lou Della Robertson, 90 year old mother of John Fowler of Floydada.

Mrs. Robertson moved to Ralls from Denton County in 1918. She was a member of the Cone Church of Christ.

Survivors include her husband, James Franklin Robertson; three sons, John of Floydada, Bill and Jack Robertson both of Ralls; four daughters, Mrs. Stella Larison, Bristow, Okla., Mrs. Ella Hanna, Fort Worth, Mrs. Annie Mae Stephens, Ralls, and Mrs. Myrtle Pope of Plainview; one brother, Garfield Watson, Decatur; 26 grandchildren; 52 great-grandchildren and three great great grandchildren.

Funeral Rites Held Sunday For Mrs. Pope

Mrs. Clarence Pope, 61 year old longtime resident of Floydada, died Saturday morning at 9:30 at her home in Floydada. She had been in failing health for a number of years.

Her funeral was conducted Sunday in the Wall Street Church of Christ with Ormer Kirk officiating. Interment was in Lockney cemetery under the direction of Harmon Funeral Home.

Mrs. Pope was born in East Texas and had been a resident of Floydada for the past 29 years. She moved here from Plainview.

Survivors are her husband; two sons, Cecil (Zeke) Pope of Floydada, and J. D. Pope of Little Rock, Ark., and one grandchild.

Births

Mr. and Mrs. Reuben Whitbill of Floydada announce the arrival of a baby daughter, Grace Elaine, who was born January 9 in Lockney General Hospital. The baby weighed six pounds nine and one-half ounces. The father is a carpenter. Grandparents are Mrs. Betty Patterson of Sand Hill community and Mr. and Mrs. Jess Whitbill of Floydada.

Clouds may be plentiful when rain is scarce.

Dr. John W. Kimble, O.D.

Letter To The Editor

\$6,000.00 For the Floydada Baseball Association

As Floydada grows, so does the need for a summer recreation program. One of the biggest programs for the boys of Floydada, between the ages of 8 and 19 years, is the Summer Baseball Program, of which approximately 400 boys take part.

In the past the people and businesses of Floydada have been very generous to this program, but it seems it is always the same ones who donate.

In order to operate this program this summer it will require the sum of \$6,000.00. This money will pay off the bank note of this past season, of approximately \$2,000.00. It will also buy much needed equipment which is worn and battered, also buy and build restrooms and new bleachers.

We appeal not only to the parents of these boys, but to those who have not been blessed with children. We need help, young, old, rich and the poor.

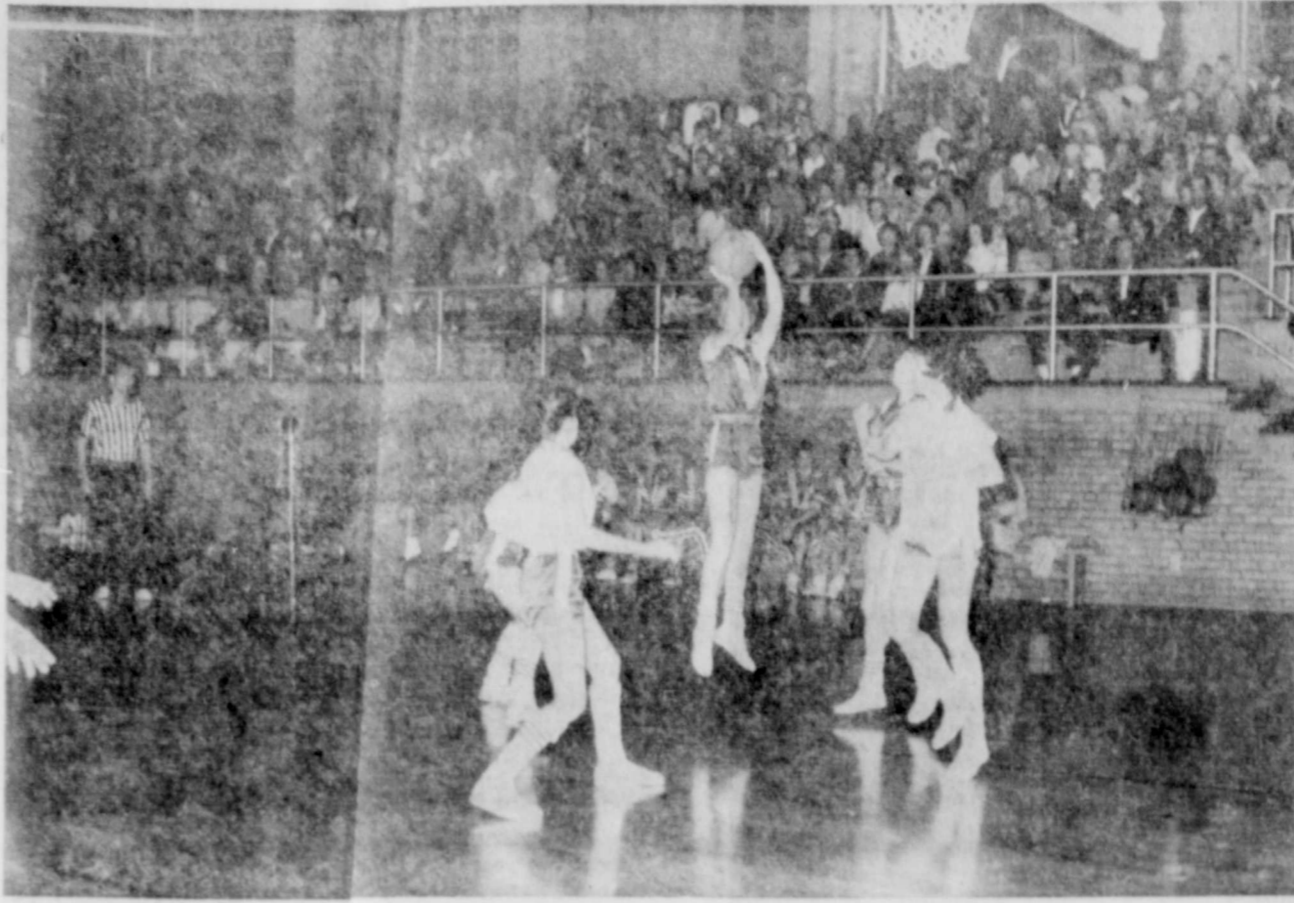

This past season our program was scouted by the New York Yankees and the San Francisco Giants. It would be a proud Floydada if just one of our boys show enough talent to go to a baseball career.

Floydada had two teams in the 1963 playoffs, and we hope to have more this year and go all the way to the state finals. Floydada has the boys and talent. They just need your money and backing to put this ideal to work.

Mail your checks or M. O. to Floydada Baseball Assoc. or contact, Claude Estes, Wayne Brown, Tommy Assiter, Ted Viramonte or any Floydada Baseball Assoc. member.

So come on Floydada, back your children and community! Take the juveniles off the streets and put them in the baseball park.

Ted Viramonte Senior League Contact Floydada Baseball Assoc.

TOP SCORER - Whirlie Dee Wilson is poised and ready to sink another basket that made her high point individual for the Whirlettes in the final game against Dimmitt. Dee, along with Sheila Patterson and Sandra Marler were named on the all-tournament team.

BOTH TEAMS LEAD DISTRICT DP Teams Victorious In Second Conference Games

DP Teams Victorious In Second Conference Games

The Hornets and Hornettes from Della Plains were hosted by their most feared opponents, Olton, last Friday night and came home with two victories. The girls overcame their competition 66-29, and the boys outlasted their opponents 63-59 to give both the DP teams the first place spots in their district.

Shirley Minner was the offensive standout in the scoring column as she dropped in more points than the entire Olton team could total. Smirney sank 32, and was followed by Ruby Storey who added 23 points. Lillie Herrod and Cathy Hearson each added 15 to the victory by setting up play and aiding in the control of the backboards.

The guards, Gladys Owen Louise Davis, Evon Carr, at Ruby McGee held the helpie Olton team out of scoring range during the entire game.

The boys team had another well balanced effort as they had a little rougher time downing the

opponents than did the girls. Hozie Jackson led the scoring in 18, however, Jewel Storey ran close behind with 16, followed by Wilbur Bonner who added 15. Robert Conte, Hozie Jackson and Willie Simon each added their parts to the close victory.

Top scorers for the Olton girls were Nash, with 30, Green with 7 and Porch and Springer each with 6 points.

The Olton boys who accounted for most of the scores were Harris who sank 16. Carter who added 15, Harris who also made 15, followed by Norrell and Green.

Both the Della Plains boys and girls teams now lead their conference with a 2-0 record. Olton has a 1-1 record for each team.

The next conference game will be against Olton here, Jan. 24, in another conference contest.

Vinson Among Most Improved Golfers At FCC

Mrs. J. A. Sherrod of Idalou, Texas, and Mr. Jerrold Vinson of Floydada, Texas, have just been named The Most Improved Golfers of the Year at the Floydada Country Club.

A coveted gold certificate awarded from Golf Digest Magazine was recently presented to the winners by Bobby Westfall. The certificates are among the nation's most highly regarded individual golf awards. They were originated by Golf Digest in 1956 to reward the game's most important objective - improvement.

The Most Improved Golfers of the Year - male and female among the touring PGA professionals. The names of the year's professional winners, Tony Lepp and Marilyn Smith, appear along with those of the above-mentioned winner in the January issue of Golf Digest, now on sale.

Mrs. Sherrod is one of our most active women golfers, participating regularly in the Ladies' Tournaments and Ladies' Day. Mrs. Sherrod plays regularly, which is a big factor towards her improvement in the game of golf.

Jerrold Vinson started playing golf only 2 years ago and now presently maintains a handicap of eight. Jerrold is improving very rapidly and he will be one, if not possibly the top, of our best players at the Floydada Country Club in a couple of years.

Infant Daughter Of Vaughn Ginn Is Buried Here

Kylan Kay Ginn, infant daughter of Mr. and Mrs. Vaughn Ginn of New Deal, was buried in Floyd County Memorial Park following rites in the Methodist Church at New Deal. The baby was born Saturday in a West Texas Hospital and died Sunday.

Rev. Vernon O'Kelly pastor officiated at the funeral. Burial arrangements were under the direction of Harmon Funeral Home. Survivors include the parents; one brother, Phillip; grandparents, Mr. and Mrs. Bob Welborn and Mr. and Mrs. Gyr Ginn of Floydada; and great grandparents Mr. and Mrs. G. W. Sparks, Crosbyton; Mrs. Geo. V. Smith and Mr. and Mrs. C. W. Ginn of Floydada.

Religious Census Set For Sunday

There is to be a joint City Community-Wide Religious Census at all churches Sunday, January 26. All volunteer workers will be out in the area starting at 1:30 p. m. Your cooperation in this census taking will be appreciated.

Churches participating include First Baptist Church, First Christian Church, City Park Church of Christ, First Methodist, Calvary Baptist, all in Floydada, the South Plains Baptist Church, Dougherty Baptist, Sandhill Baptist and Cedar Hill.

Each Church in the community and city not participating in the census taking, may receive the information they need concerning their church if they wish.

The last community and city wide census drive some two years ago proved extremely valuable to all concerned.

All persons in church Sunday will receive family cards to be placed on the front door of their home.

Volunteer workers will meet at the First Baptist Church in Floydada in Fellowship Hall Sunday for lunch at 12:15 prior to their departing for the census taking.

Whirlettes Overcome Muleshoe

In a gallant "come from behind" effort, the Floydada Whirlettes were able to overcome their Muleshoe opponents last Friday evening at Muleshoe 50-47, in a non-conference game.

The local girls were behind 8 points with only 5 minutes left in the last quarter. It was during these last five minutes that the team began to play in excellent form. The combined effort of the forwards and the guards enabled the team to pull the game out of the fire by the narrow margin.

The locals were trailing at the end of the first quarter, by 6 points but were able to recover and were tied with Muleshoe 21-21 at intermission. During the third period the Whirlettes dropped behind two points and in the final period lost 6 more points to trail by 8 before the rally started.

Dee Wilson led the local team in the scoring column when she sank 15 points in the last quarter to total 36 points for the game. The guards had their hands in the game too, by stymying the Muleshoe attack in the last quarter.

The next conference game will be against Abernathy here, Friday evening.

Della Plains Teams Defeat Slaton In District Opener

Both the Della Plains boys and girls opened conference play here against Slaton Tuesday night in two of the finest team efforts they have displayed all season. The boys outlasted their opponents 66-45, and the girls smashed the Slaton girls 37-8.

Shirley Minner led the offensive game for the local team by racking up 19 points, which was more than double the amount scored by the entire Slaton team. Mildred Ivory added 6 points and Ruby Storey and Cleo Ivory each accounted for 4.

The defensive effort that held the Slaton girls to only 8 points were Patricia Powell, Clarice Owens, Louise Davis and Evon Carr.

Top scorers for Slaton were Doris Hall, Sylvia Scott and Lena Smith.

The boys opponents gave them a little more competition than was encountered by the girls. However, the Hornets walked away with a 21 point margin.

The scoring of the Della Plains boys were perhaps the best balanced of their efforts all year. Jewel Storey led the offensive with 17 points, Willie Simon accounted for 13, Robert Conte 11, and Wilbur Bonner 10. Both the Jackson boys contributed their part to the victory by the control of the backboards and the other defensive work they did.

Couch Johnson said, "I was real pleased with the boys, for we didn't have any stars, but everyone did his part. I wouldn't want it any other way."

Clifford West of Slaton led his team in the scoring column with

23 points. This gives each team a record for district. On Star, to, to put the DP Olton in a tie for first in the district.

The next district game will be when the Della Plains host Olton, here Friday.

Burial Rites For Blanch Williams Conducted

Graveside rites were held in Floydada Saturday for Blanch Rebecca Williams, 90 year old former resident who died at her home here Friday.

The funeral was held morning in Gilliland Baptist Chapel in Hereford.

Mrs. Williams was born May 7, 1872, in Comanche, moved to Texas in 1902.

She was the daughter of the late (Uncle Joe) Bowers, an early day merchant, who died in 1885 and after re-married they moved to a farm where he died in 1890.

The deceased married Williams in 1890 in Ft. Worth. She preceded her in death.

Survivors include the mother of Livingston, Missouri; one son, Old and Cook of Livingston; 10 grand children; 20 great grandchildren; and great great grandchildren.

Bob And Jim Kropp Enter Ft. Worth Show Competition

Fort Worth (Sp) - Bob and Jim Kropp of Floydada, Texas will have four barrows and four lambs in Junior Show competition at the 1964 Fort Worth Stock Show, officials have announced.

The 1964 Exposition, scheduled for Jan. 24 through Feb. 2, will have an entry list topping 19,000, shown by exhibitors from more than 30 states. The livestock division alone is 5,824, exceeding last year's total for cattle, sheep and swine by more than 370 head. There will be nine breeds of beef cattle, 10 breeds of sheep and eight of swine.

The horse division of the 1964 Southwestern Exposition, again featuring the largest Quarter horse show in the world, will have approximately 1,500 entries.

Bob and Jim Kropp will be against Abernathy here, Friday evening.

James Drury, star of "The Virginian" and "The Pioneers," known as the Foremost Western group will be the featured attraction at the Fort Worth Show Rodeo. Fast action is guaranteed for an audience of 100 of the nation's boys, champions and competitors for part of the plus prize purse of present entry fees.

C & C CONSTRUCTION CO.

presents this beautiful

the Blue Flame Home

at 300 S. Columbia in Plainview

FORMAL OPENING--SUNDAY 1-6 P.M.

The spectacular ninety-five foot width of this outstanding show home is your first clue to the tremendous spaciousness you will find inside. As you step into the terrazzo tiled entryway you will be amazed by the seemingly limitless living space. Stretching out before you are two huge areas that comprise the living room and the family room. As you step down to these sunken rooms you will note a thick-set partition that houses a fireplace and book shelves for each of the two living areas. High beamed ceilings and light painted paneled walls, too, contribute to the beauty and feeling of uncluttered openness this custom-designed home provides. Large windows in the living room and sliding glass doors in the family room add still another dimension of space. To the left of the entryway is a dining area where a breakfast bar acts as a divider to the modern all-Gas kitchen. Adjoining the kitchen is the utility room and a conveniently located three-quarter bath. Down the post-lined corridor to the right of the entryway are located three nice bedrooms and two full ceramic baths. The master bedroom also contains a sizable dressing room. The bedrooms, living and family rooms are fully carpeted. Closet space abounds throughout the home and additional storage space is found in the large double garage. For a home that offers beauty, convenience and unconfined living, this one is well worth your drive to Plainview.

Keep It Your Business

(Editor's note: This editorial is directed as it is often. There are no law enforcement officials involved. The Hesperian knows that these men look such things at public events which are likely to create disturbances. However, they are human and can see everything. As far as we know there were no disturbances at the recent basketball tournament. For we recommend our Police Department, the Sheriff's Department and the people who attended the game.)

"If I want to drink then it's my business."

This expression is heard quite often by a person who confronts a consumer of alcoholic beverages to a large extent.

Granted, it is your business, but no one is alone in a world, so let's say that it is your business, and that your conscience. It is your business as long as that assumption does not bring anyone else into the picture. As long as you are not seen consuming the alcoholic beverage, as long as you do not drive while under its influence, and as long as it is not detected by the people around you, then it is your business.

However, when other people are brought into the picture, then it becomes more than the business of the individual person, it becomes the business of everyone involved.

Such was the case Saturday night at the Floydada Football Tournament. Two men were seen approaching the scene of an athletic contest, the gymnasium sharing a beer can. Before they reached the entrance of the gym, they had obviously finished the beer and threw it into the shrubbery that is next to the High School Building. This in itself is a misdemeanor that is punishable by a fine of not less than \$200.

This is not the point, though. Following these two men were two boys in their early teens who were men initiate every step that has been described. This question was immediately brought to mind, what kind of example is that for two grown, responsible men to set for two teenage boys that will one day be the leaders of our community?

Whether you drink or not, is your business. When you drink, it is your business, EXCEPT when

and where it involves others. Be considerate of our neighbors. If you can drink with a clear conscience it is your business, but, out of consideration for your fellow man, do not involve others. Keep it your business.

GUEST EDITORIAL

Something Worth Repeating "Seat Belts Save Lives"

SEAT BELTS in automobiles are no longer news. Like the weather, they are easy to talk about, but for many people it seems hard to do anything about them. Approximately 40,000 to 42,000 people die every year in traffic accidents in the United States. About one-third of them could be saved, and innumerable injuries could be avoided, if all people in automobiles would use seat belts always. While this ideal situation will never be reached, we who know about the usefulness of a health measure should keep urging the public to adopt it.

The Division on Safe Transportation of the State Medical Society of Wisconsin began to press for a law which made the installation of seat belts compulsory in Wisconsin years ago. Finally the Wisconsin legislature passed such a law, the first in the nation. One can legislate installation of belts but not their use; thus one must persuade. Our Wisconsin colleagues have urged the news media of that state (newspapers, radio stations, television stations) to state each time they report a traffic accident whether the car was equipped with the seat belts, and whether the belts prevented serious injury or possibly death. The news reporters in Wisconsin now regularly ask police officers for this information. Our colleagues there feel this has helped to educate the public.

The Committee on Transportation Safety of the Texas Medical Association decided at its last meeting in Texas, Col. Homer Garrison of the Texas Department of Public Safety approved such a campaign in principle, but with some reservations: "We only wish to refrain from mentioning the belts under circumstances that imply we were chiding an owner for negligence."

SUPERIOR CLEANERS For Quality Dry Cleaning The Approved Sanitone Way. WE PICK UP AND DELIVER CALL YU 3-3540

The Council on Public Relations and Public Service of Texas Medical Association recently approved the plan. Colonel Garrison has acquainted his six regional commanders and his public information officer with this project, and is sure of their cooperation. The Texas Medical Association's office will release news of this plan to all news media.

It will be up to doctors all over Texas to see that local news media cooperate. It will take the monotonous repetition of one sentence. "The car was not equipped with seat belts." To convince people that seat belts are not just a harebrained idea.

To stress sins of omission in matters of public health is not new. Without urging by physicians, news media regularly report new cases of polio with a statement such as, "This child has had neither Salk or Sabin polio vaccines." If such statements persuade even only a few to protect themselves and their families, they are worthwhile.

—Heinrich Lamm, M.D., Harlingen, Chairman, Committee on Transportation Safety.

Letter To The Editor

Editor's Note: The following letters have been received in regard to the Hesperian's and the community of South Plains efforts to get a flashing red signal light at the railway crossing there:

Dear Wendell, We shall be glad to help you in whatever ways possible to influence proper signals for the South Plains railway-highway crossing.

Herbert Hilburn Editor Plainview Daily Herald

Dear Editor, We have received your publicity and pictures concerning automobile collisions at South Plains. Will be glad to help you in this editorial effort.

Charles Guy Editor Lubbock Avantiene Journal

Dear Mr. Tooley:

This will acknowledge receipt of your letter concerning erection of a flashing warning signal at a grade crossing of the Fort Worth and Denver Railway.

We are most appreciative of your interest in traffic safety and indeed of yourfulness in writing. As you are aware of signs and on our State highway systems under the jurisdiction of the Texas Highway Department we think that your ship went to the proper source they discussed this matter a Highway Department representative. I am sure that our representatives of your ship have contacted them company as well.

We are taking the step of forwarding a copy of your letter to Major Harry Hutchins, Lubbock, our Regional Office for your area, for the Highway Patrol Captain's information. I am sure these gentlemen would like to discuss the accident with any officials of the Highway Department of the Fort Worth and Denver Railway in an effort to determine if the situation warrants, based on existing standards. With best regards, I am Sincerely Yours, Homer Garrison, Jr., Director Texas Dept. of Public Safety

Dear Mr. Tooley, Thanks for the letter and clipping concerning the crossing and situation at South Plains. This is one of many similar situations of a similar nature in our state.

This type of problem has concerned me for a good number of years - even to the point of introducing legislation by placing adequate warning systems, many crossings which have or very little.

One of the first and most important concepts of our American system of government is always been that every individual, company, etc., should be responsible for their acts, hazards they have created and which they have caused or to which they have contributed.

You may count on further efforts in this direction by the business meeting to help solve this crossing problem at South Plains. Thanks for reminding me of this problem and providing me with the opportunity to be of service to the people of Floyd County and surrounding area. Your Senator, Andy Rogers

Dear Mr. Tooley: This will acknowledge your letter received in this office December 9th and enclosing your newspaper article involving accidents where our track intersects the Floydada-to-Silverton highway at South Plains, Texas.

Naturally we too have been concerned about the accidents which have occurred at this crossing, and in conjunction with the State Highway Department made a study of the situation, taking all factors into consideration. As your state, many of the accidents have been the result of the driver of vehicles running into the train.

Our study is being diligently continued and I certainly hope some solution can be found to preclude accidents occurring at this crossing. I will correspond with you later in the matter.

I appreciate very much the manner in which you have appealed to me for assistance in this endeavor and you may be sure it will be given full consideration.

Yours Very Truly J. W. Terrill Assistant Vice-President and General Manager Fort Worth and Denver Railway

Gentlemen: We appreciate your transmittal of the newspaper clippings concerning the car-train collision at the intersection of the Fort Worth-Denver Railroad and S. H. 207 at the south side of this South Plains community over the tragedies which have occurred at this railroad crossing over an extended period of years.

We call your attention to the omission from the newspaper article of any mention of the many traffic signs, in addition to the Railroad Advance Warning sign, which caution the motorists as they approach the South Plains community and the railroad crossing. In addition to the Railroad Advance Warning sign, located 476 feet south of the railroad crossing, there is at approximately 1,600 feet to the south of the railroad a sign which reads "Speed Zone Ahead," at approximately 300 feet further north a Truck Crossing warning sign, at approximately 250 feet further north a speed limit sign reading "Speed Limit 55", at approximately 300 feet further is a sign denoting the community of South Plains, at approximately 250 feet further another sign stating "Speed Limit 55," then the railroad crossing at the track. We call these other signs to your attention in order to point out that there appears to be "previous warning signs to inform the drivers that they should slow their speeds." To the north of the railroad track and for southbound traffic this series of signs begins better than 2,000 feet in advance of the railroad. This extended advance

warning has been in place since April, 1961.

We believe that you are aware that no sign or signal has ever actually prevented a collision. It is the alert mindful driver, quite often a defensive driver who prevents a multitude of collisions. On or about December 6, 1963, at the intersection of Santa Fe Railroad with F. M. 1073 at Bovina in Parmer County there was a pickup-train collision; railroad warning lights were in operation, but they did not prevent the collision which resulted in a fatality. On or about November 28, 1963, at the intersection of Santa Fe Railroad with East 15th Street at Post, Garza County, there was a train-pickup collision, railroad crossing signal lights and bells were in operation, but they did not prevent the collision which resulted in a fatality. We are aware of a number of similar collisions, some fatal, some more fortunate, at signalized railroad-highway intersections at grade.

We appreciate and share the sincere concern expressed by you and the citizens of the area of the South Plains community. We sincerely wish that there was some manner in which we could ensure that no more collisions would occur at the South Plains railroad crossing signalized and unsignalized. We shall continue to keep the area of South Plains and particularly this railroad crossing at grade under continued observation to the end that we shall take action to any measures which may be warranted.

Very truly yours, O. L. Crain, District Five Engineer Texas Highway Dept. Lubbock, Texas

### Floyd Philosopher Says He's Found A Farm Doesn't Have To Get Big To Be Inefficient

Editor's note: The Floyd Philosopher on his Johnson grass farm discusses, of all things, efficiency in his letter this week.

The trend in agriculture toward fewer and fewer farms and bigger and bigger farms throughout the United States has caused a lot of comment in recent years, and one of the most interesting was one I read in a farm magazine last night.

According to the expert doing the commenting, there is a grave danger in a farm's getting too big.

"A farm can get so big it's inefficient," he said. His point was that as a farmer takes in more and more land, he can give detailed attention to less and less, to where he winds up spread out too far and costs soar and efficiency drops off.

This is probably true, as Mr. Khrushchev is finding out as he tries to farm the entire Soviet Union as one homestead.

Moreover, the expert went on, the same is true of cities. A city can get so big it's no longer efficient.

This is probably true too, but it doesn't cover the entire situation.

I mean, the farmer doesn't have to get big just to be inefficient. You can do it on a little farm the same as you can on a big one. I don't owe how big a farmer is, I'll compare my inefficiency with his any day.

Also, a small city can be just as inefficient as a big one. While it's true that some cities in this country have grown so big it's

### Floyd Data

USS SHANGRI-LA (FHTNC) Alden C. Carthel, airman apprentice, USN, son of Mr. and Mrs. A. C. Carthel of 736 West Tennessee, Floydada, Texas spent the holidays aboard the attack aircraft carrier USS Shangri-La in the Mediterranean.

Shangri-La carries jet-powered attack aircraft and can provide a strategic mobile landing base constantly on guard against any threat of world peace.

almost impossible to move around in them and you can spend almost as much time getting to work as working. I doubt if the smaller a city is the more efficient it is. There are just as many small cities that can't patch their streets as there are big.

As a matter of fact, I don't know how to explain efficiency. It's like splitting an atom, it's something I've never had any experience with.

Yours faithfully,  
J. A.

### Japanese Remove All Grain Sorghum Import Restrictions

In one of the greatest boosts the grain sorghum growers of the area have received in a number of years, the Japanese Minister of Agriculture, Munenori Akagi announced in Tokyo recently that import restrictions are being removed from U. S. Grain Sorghum - Effective January 11.

E. J. Kinslow President of the Floyd County Grain Sorghums Producers said that work such as this toward removing barriers against grain sorghum in International Markets is an important phase of the Association's program for producers.

Bill Nelson, Executive Vice President of the Grain Sorghum Producers Association in Amarillo, said that negotiations for the forward step in Japan have been underway since 1960, and were finalized this week by Bill Hultort, the Association's representative in Japan through U. S. Feed Grains Council.

Nelson said this now means that Japan feed manufacturers can import any amount of any type and quality of grain sorghum they wish without a license or protective duty being required by the Japanese Government.

In the past, because U. S. Grain Sorghum had been cheaper than some local grown feed grains and potatoes, and best products for the manufacture of alcohol, both duties and quantity restrictions had been in effect to protect local producers of the commodities.

Since market development work was started in Japan by the Grain Sorghum Producers Association the export market there has increased from zero in 1960

### Kitchen And Field News

We are reminded by nutrition specialists in the U. S. Department's FOOD AND DRUG ADMINISTRATION, that:

USING OLD BEAN - beans - and their cousins, peas and lentils - can be used in a variety of warming winter dishes that are nutritious and on the budget. These foods grandma used to simmer in an iron pot for half a day or stand-outs in the modern wife's menu, with cooking cuts and variations ranging from the old Southern favorite "ping john" to a company baked dish of curried lima beans and pork chops.

They are a real budget - a pound of dry beans will feed 7 to 8 cup servings - and are substantial foods, good for you.

Dry beans, peas and lentils contain calcium and B vitamins especially thiamine, and a rich source of iron - a vital provides almost half a day's worth of iron in a meal, which is most useful when combined with the types of iron in meat, cheese, or eggs.

The U. S. D. A. Leaflet No. 326, "Dry Beans, Peas, and Lentils - Modern Cookery," gives out soaking and cooking and ains recipes for casseroles, soups, stews, and salads, as was a bean puree that can be heated or frozen for latter hurry-base for sauces and soups or neat stretchers. Single copies Leaflet 326 may be obtained from the Office of Informatici. S. Dept. of Agriculture, Wagton, D. C. 20250. Just send a tear sheet with your name and address and the words Leaflet 326.

We attended an Electric Heating and Security Light Clinic, in Austin January 13-15, sponsored by the Texas Electric Co-operative, Inc. we were impartmented to Austin by Mrs. (Brever) Home Service Advi South Plains Electric Co-operative, Lubbock, Dell Young, Pr Use Advisor, Dickens County Electric Co-operative, Spear, Mrs. Alton Higginbotham.

Suppliers and manufacturers of electric heating and outdoor lighting products had excellent exhibit. There were interesting discussions on both subjects by specialists in the field, as well as panel discussions.

We were in the snowstorm until we got to Abilene Tuesday afternoon.

Our sincere sympathy is expressed to Mrs. Her Schacht and her family in the death of Mr. Henry Schacht. Schacht was a former director of the cooperative. He had my friends and will be greatly missed.

### Worst Traffic Year History

Man 1963" has quietly slipped away into the past. His evident scenes, how will remain with us till the of time. Due to the scars beside the roadway, and the feds, at the morgue and in cemeteries the year 1963 will be remembered as the worst year in traffic history.

The Texas Highway Patrol investigated 5 accidents on rural roads in Floyd County during the month of December, according to Sergeant D. S. Law, Patrol Supervisor of this county.

The rural traffic accident summary for this county for the calendar year 1963 shows a total of crashes resulting in 7 persons killed, 50 injured and an estimated property damage of \$37,619. When the final reports are published we will find that more people were killed in Texas traffic accidents during 1963 than in any previous year.

The Patrol Supervisor reminded all motorists to think about the more than 5,000 people that have been killed in Texas traffic accidents in the last 2 years, and to join the drive to reverse this alarming trend of death by strict observance of the traffic laws and rules of safe driving.

FLOYD DATA  
Mr. and Mrs. M. C. Turner of Dove Creek, Colo., were visitors here during the week with his uncle, Mr. and Mrs. V. D. Turner.

FLOYD DATA  
Specialist Four John M. Bradley has returned to his quarters at Homestead Air Force Base in Florida, after spending two weeks in Floydada visiting his mother, Mrs. Hazel Bradley and Keim and his grandmother, Mrs. M. L. Probasco.

ing used in the control of biting flies on a dairy farm in Texas. With the mat less pesticide is wasted and the mat requires less maintenance than photoelectric cells, according to the findings of Agricultural Engineer I. L. Berry and Entomologist R. A. Hoffman. Both are with USDA's Agricultural Research Service.

The sprayer provided complete control of horn flies and good control of stable and house flies. Less pesticide was used because the sprayer operated only while the animal was walking on the mat. Experience with photoelectric cells was that spray drifted in front of the eye and caused the sprayer to operate after the cow had passed.

Berry says that cows were not afraid to walk on the mat because it was secure and flush with the ground. The device was still in excellent condition after being stepped on 32,000 times by Holstein cows. This experiment was reported in Agricultural Research.

This year keep winter outdoors . . . while you enjoy the complete comfort of electric heating inside. Electricity gives you safe, clean, economical heat, and even heat from floor to ceiling, with no drafts or cold spots. It is economical as each room has its own individual thermostat, so that only the rooms that are used may be heated.

"Old Fashioned Custard Pie"  
3 eggs  
5 tablespoons sugar  
1/4 teaspoon salt  
2 1/2 cups milk  
Nutmeg

Beat eggs slightly, add sugar, salt and milk. Mix thoroughly. Strain and pour into an uncooked pie shell. Sprinkle top with nutmeg. Bake 400 degrees for 15 minutes; reduce heat to 350 degrees and continue baking for 30 minutes or until a knife blade comes out clean when put into the custard.

Something To Think About:  
How to Grow Old - There's meaning for all of us in these words by General Douglas MacArthur: "Nobody grows old by merely living a number of years. People grow old by deserting their ideals. You are as young as your faith, as old as your doubt; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair. In the central place of your heart, there is a recording chamber; so long as it receives messages of beauty, hope, cheer and courage, so long you are young. When the wires are all down, and your heart is covered with the snow of pessimism and the ice of cynicism, then - and then only - are you grown old."

### Floydada To Be Served By Plainview Teletype Hookup

PLAINVIEW, Jan. 16 - Officials in Hale County have taken steps to establish an instantaneous link between some 15 law enforcement offices surrounding the Plainview area.

Early this week the Hale County Commissioners Court began plans for a direct line teletype service between the sheriff's department and other offices, including the Department of Public Safety, Austin and Washington.

Planned to begin operation before the spring tornado season, the private line teletype service is being inaugurated by the Southwestern Bell Telephone Co. at the request of the DPS.

Two representatives of the Telephone company appeared before the court this week, accompanied by Sheriff Walter Sanders and Police Chief Bill Wilkinson of Abernathy.

type service will enable the sheriff to converse with any or all of the other offices, resulting in decreased telephone bills and allowing the sheriff to keep accurate record of all messages.

Proposed cities on the hookup include Plainview, Floydada, Muleshoe, Littlefield, Abernathy, Morton, Levelland, Lubbock, Crosbyton, Dickens, Brownfield, Tahoka, Slaton, Post and Snyder.

Approval has already been given to the plan by Slaton, Levelland, Plainview.

Costs to the county service will be \$78,500, in addition to an initial charge. The county also pay \$29.35 of \$79.55 charge.

The name of the Katakodon originated from the "kuklos," meaning

Glen Wood, Don Beedy, Larry Mc hostess Mrs. West.

### Santa Fe Has New Round-Trip Rate Schedule

**RATE SCHEDULE**  
Special bargain round-trip passenger rates proposed by Santa Fe Railway in November will go into effect Friday, Jan. 10, according to Ross E. Chappell, general passenger traffic manager, Chicago.  
Under the plan, passengers may purchase round-trip tickets for 40 per cent more than one-way tickets. For example, the one-way coach fare, Amarillo to San Francisco, is \$46.13, and under the new plan a round-trip will cost only \$64.60. This compares to regular round-trip coach fares of \$80.00.  
Similar bargain round-trip rates will be in effect in representative cities in the road's Western Lines territory.  
Scheduled to be in effect through April 30 on an experimental basis, the bargain fares will be good on all Santa Fe trains between any two points on the system, Chappell said, and will have a 30-day limit.

### Veterans Ask

For years, the VA deducted my monthly insurance premium payments from my disability compensation payments. However, my compensation has been reduced and will not cover the insurance payments. Will the VA now take my compensation and let me mail them the balance due?  
A—No, this cannot be done. Since your compensation will no longer cover your insurance premiums, you will have to pay the total insurance premium direct.  
Q—I am eligible for educational benefits under the so-called Korea GI Bill. How long have I to take advantage of this benefit?  
A—Only a year left. The educational program under the Korean GI Bill comes to a close January 31, 1965. Veterans with service-connected disabilities take their training under another program.  
Q—Do eligible war orphans have a deadline by which they must have started on their education program?  
A—No. No deadline except their own age. You may begin school at any time as long as you are between 18 and 23 years of age. In certain circumstances, it is possible to begin before 18 and continue after 23. See any VA office for details.

### Former Judge Now President

# Caprock Hospital Board Announces \$395,000 Bond Vote For New Hospital To Be Built In Floydada

## If You Want To Vote On The Hospital Bond Pay Your Poll Tax . . . Tomorrow Last Day

According to T. T. Hamilton, the payment of the taxes has been going very well. Out of about 3,250 people in the County that are required to pay the taxes in order to be eligible to vote, over 2,629 have responded. There are about 250 residents who are exempt from the tax. Those who turned 21 years of age during 1963, those who turned 61 during 1963 and those older are not required by Texas Law to pay poll taxes.

All persons who vote in 1963 on local, county or State matters must pay the tax (The U. S. Congress revoked the tax on National elections.)

Even though the first scheduled election is in the Democratic Primaries, May 2, all Poll Taxes must be paid to the County Tax Assessor-Collector by 5 P. M. tomorrow, (January 31).

Everyone is reminded that the most influential voice is the one written on a ballot, not the one heard complaining about how things should have been done.

January 31, tomorrow, is the last day to pay poll taxes.

## C of C Board For Hospital

The Hesperian interviewed the Caprock Hospital Board about the Hill-Burton money which the board will be seeking to pay for half of the proposed new hospital to be built in Floydada if the February 21 bond vote of \$395,000 is approved by the voters in precincts 1, 3 and 4.

It was learned that Hill-Burton money is a government grant with no strings attached except how the hospital will be built and have good equipment. The hospital that the board offers for the voters' approval meets all the requirements of the Hill-Burton grant.

In order to receive Hill-Burton money the board has agreed to build the required specifications, and will have to raise one half of the cost of the hospital and equipment locally by bond vote or other financing before application can be made for the Hill-Burton grant.

If the bond passes on February 21 for the Caprock Hospital District's share of the cost of the hospital and equipment, then the board will submit its application for \$395,000 for Hill-Burton money in April. In September the state office will either announce the approval or rejection of the application.

If the Hill-Burton grant is approved, then the board will let contracts on the new hospital February 1, 1965.

To the question of "will the government try to run the hospital after it is built if Hill-Burton money is used," the board replied that the government only required that there be no racial discrimination . . . that the government was only concerned with the construction and equipment and not the operation of the hospital.

What are the chances for getting Hill-Burton money? The board said it had been assured by a representative from the state board that the Caprock Hospital district's chances are excellent to receive the grant.

## What About The \$35,000 Hill Burton Money?

Individuals have to make to finance the grant.

Then he is good news! According to M. Watson Jr. Floyd County Auditor, the present indebtedness of the County will be paid in July 1974. This doesn't include the Caprock Hospital District's proposed bond issue, of course.

However, as the books now stand, in '75 the County will complete paying off the Road and Bridge Refunding Bonds of 1949 and every year or two will complete paying off other bonding projects for which the county now owes.

Other projects, and their completion. See TAXRELIEF Page 5

## Tax Relief In Sight For County Residents By '74

Are you afraid of bond issues? A bond passed will cost too much before it is paid for? A bond will be made by a new hospital won't pay for the sacrifices the

## How Hospital Would Affect Present Taxes

Anytime a new bond vote arises, the first concern of the people is . . . "how will it affect my taxes?"

Here are a few examples of the increase in taxes if the bond issue is passed by the Caprock Hospital District to pay for a new hospital in Floydada.

A person who owns a quarter section of farm land, be it irrigated or dryland will be assessed at 40c on the \$100 valuation. Since all land in the county is valued at \$12 per acre, his taxes would be \$7.68 plus 40c per \$100 on other items taxed such as irrigation wells and automobiles.

See HOW HOSPITAL Page 5

**Hospital Absentee Voting Begins Saturday February 1**

## Three Precincts To Vote On Friday, February 21

The climax on an effort to get a new hospital built in Floydada will be reached on Friday, February 21 when the voters in precincts 1, 3 and 4 of Floyd County cast their ballots on whether or not to approve a \$395,000 bond to build the new hospital.

The decision to bring the vote before the people was made this week when the Caprock Hospital District board composed of Hollis Bond, A. H. Kreis, M. P. Goen, M. S. Robertson and L. T. Wood announced the bond vote day and the amount of the bond.

Total cost of the hospital is estimated at \$645,000 and equipment at \$150,000 . . . making a total cost of \$795,000.

## Hospital Is Approved By Auxiliary

In a called meeting Tuesday morning the Floydada Hospital Auxiliary Executive Board voted unanimously for a new hospital building in Floydada. Their proposal will be submitted to the board of health and the state board of health met with them recently and said that the chances for getting the Hill-Burton money were excellent.

An application for Hill-Burton must be accompanied by an application for Hill-Burton money. See AUXILIARY Page 5

If the bond is approved the board will seek a government Hill-Burton grant for the other \$395,000.

Board members explained that an application would be submitted in April for Hill-Burton money and that if approved by the state office, the money would be available in September of this year.

According to the board, a representative of the state board of health met with them recently and said that the chances for getting the Hill-Burton money were excellent.

An application for Hill-Burton must be accompanied by an application for Hill-Burton money. See AUXILIARY Page 5

serve the needs of this geographic area of West Texas. Left to right they are: Hollis Bond, M. P. Goen, L. T. Wood, A. H. Kreis, and M. S. Robertson. (Staff Photo)

THIS GROUP OF VOLUNTEER WORKERS . . . all members of the Floydada Hospital Auxiliary, toured Peoples Hospital Monday to study the condition and to note the duties they each may perform. Carl Prichard, business administrator of the hospital, spoke to the women and told of the things needed in the hospital and pointed out the many useful things the hospital has already acquired.
