School Board Re-elects Johnston President; Hires More Teachers

Ordinance Prohibiting Keeping Stock Ok'd

DINNER ON THE GROUND — Shown above is a portion of the crowd which numbered 1350 that were fed by Lighthouse Electric at the firm's annual meeting held last Saturday.

The program was held in the high school auditorium and the dinner was served on the practice field south of the high school. Over 400 members attended the meeting.

At its regular monthly meeting Monday night the Floydada school board re-elected Ralph Johnston as president. Ernest Lee Thomas was re-elected vice president and Buster Simpson, secretary.

In other business the ballots of the recent school board election were canvassed and board members signed oaths of sincerity in performing duties of the office.

Several new teachers were employed. Mrs. Joseph Zorger for the fifth grade, Mrs. Dorothy Ann Burrow for the third grade, Mrs. Jonette Smith for the fifth grade and Bob Shields as new DE teacher.

Shields vacates his coaching position to teach a new course known as distributive education next year.

Bids from Brown Supply Company and Gifford Hill Western were discussed for a water sprinkler system at Junior High, but no decision to purchase the system was made.

The board approved payment of current bills and secretary of the schools Mrs. Lorin Liebfried reported that all warrants had been paid off except \$35,000 on bus warrants. She also reported that

91 percent of the 1963 school taxes had been collected.

In other business the board discussed pay raises for some of the coaches, heard reports from Superintendent Baker of several applicants for various teaching

positions.

The group decided to have a special called meeting next Monday night to review the beginning of the 1964 tax assessing job.

All board members were present.

The City Council took action on two ordinances that concern the keeping of animals inside the city limits, at the regular meeting held in City Hall last Tuesday night.

One ordinance concerns dogs that have been allowed to run loose, and the other concerns the keeping of farm livestock inside the city limits. The second is a new ordinance, and the first concerns only one phase of an old ordinance.

The ordinance concerning dogs, (see yet unnumbered) states that no dogs whether licensed or unlicensed will be allowed to run loose inside the city limits. The dogs must be either tied, or kept in an enclosure capable of containing the animals. That is a fence that is tall enough to keep the dog inside the yard will be sufficient.

This action was brought about because of the large number of phone calls the employees at the City Hall and the councilmen receive stating that a group of dogs is "tearing up my yard." When the callers are asked whether the dogs are tagged or not the reply is something like this, "what difference does that make, they are still ruining my yard, (or flowers)."

It was noted at the meeting that the residents of the city of Plainview voted recently on an issue—whether the dogs should just be licensed and vaccinated, or whether they should be contained. The results showed the people wanted the dogs kept in enclosures, or tied, by a 7 to 1 majority.

The other ordinance concerning the keeping of animals inside the city limits states that "no cow, horse, pony, mule, jack, jennet (a small Spanish pony), hog, pig, sheep or goat will not be kept inside the city limits."

May 1 is the date the two ordinances will become effective and according to city officials, "the enforcement may be slow at first but we expect people to comply with the ordinance."

Violation of either ordinance is a misdemeanor and punishable by a fine not to exceed \$200, however, each day the ordinance are violated will be considered a separate offense.

CHURCH ANNEXATION

Also discussed at the meeting, was the possible annexation of the New Salem Church located just south of the high school at the end of Crockett Street. Officials of the church met with the council and discussed advantages of being inside the city limits.

Cancer Unit Has Luncheon Drive Is Now Underway

A good number of volunteer workers and special guests attended the "kick-off" luncheon held Monday in Lockney for the Floyd County Unit of the American Cancer Society.

Work kits were distributed to workers and brief talks given by members of the local unit. Speakers included Lefty Ross of Quanah; Mrs. W. C. Snodgrass, chairman; Mrs. Lane Decker, County Chairman and Mayor O. C. Bailey of Lockney, who made the proclamation that the month of April be American Cancer Month for Floyd County.

The invocation was made by the Rev. Carter of First Methodist Church in Lockney.

The city and rural drives are in progress in Floydada, Lockney and the county. Mrs. Bill

Lecture Series Begin April 17

The general public is cordially invited to attend the series of lectures at the West Side Church of Christ starting this Friday, April 17 to continue through April 26.

P. C. Key, former teacher at A&M, will deliver the lectures on the "Book of Revelation."

Lectures will be at 10 a.m. and 7 p.m. each Sunday, 8 p.m. week days and singing one Sunday, April 19 at 3 p.m.

Mr. Key is publisher of the book "Sixteen Discourses on the Book of Revelation" and has given many years of study to the book of prophecy.

1350 People Fed By LHE At Meeting

At the annual meeting of the Lighthouse Electric Coop held on the high school auditorium last Saturday, there were 405 members from the seven county area registered in attendance. At the noon meal, which was served on the practice field south of the high school 1350 people were served.

As well as the fine program, the four drawings for door prizes at different times of the day.

The grand prize was won by Mrs. W. W. Walls of Floydada. The RCA Color TV was given by the Lighthouse Electric Cooperative, Inc. P. D. Helms of Floydada was the lucky winner of an air compressor, given by the same firm. There were 25 other such items given to people which varied from a Roasted Oven down to a Utility table.

J. R. Cobb, General Manager of the Texas Electric Co-ops, Austin, Texas and Mrs. Bess Boon, nationally known lecturer were the featured individuals on the program.

Red Cross Drive Now Underway

According to Jimmy Snay, chairman of the Red Cross Fund Drive for Floydada and the surrounding area, the drive has thus far netted around \$70.

Snay said that this is with the Floydada business drive at the 75% point and the rural drive just getting underway.

This report concerns only the Floydada businesses and the rural communities surrounding Floydada, and does not include any report from Lockney.

The quota for this year's drive is \$2,671.00 for the county. Don Cheek is chairman of the county drive. Bill Fewell is heading the drive in Floydada.

Producers Elevator Manager Named

At a meeting of the board of directors of the Producers Coop Elevator last Tuesday morning Bill Cagel of Clovis, New Mexico was named as new manager. He has assumed his duties but will not move his family here until school turns out for the summer.

Cagel was reared at Childress, graduated from Childress High School, and graduated from Hardin-Simmons University in Abilene with a BBA deg.-e. While at Hardin-Simmons, he was captain of both the football and baseball teams.

For the past 10 years he has been vice-president of the New Mexico Mill and Elevator Company in Clovis. Also, he taught in the business department at Clovis and coached.

He is married to the former Joanne Vick of Brownwood and they have three children: a girl, Reagan-10; two boys, John-8 and Rusty-4.

The family is active in the First Baptist Church in Clovis, and have taken part in a number of civic and school activities. Mrs. Cagel is an active P-T-A worker.

Farm Bill Creates A Number Of Choices

The new farm law signed by President Johnson last Saturday will give the farmers a number of choices on which to decide about the 1964 wheat and cotton crops.

According to Tom Hutchins, the Floyd County ASC office manager, the committeemen themselves don't know the exact details of the program, but narrowly passed the House of Representatives 211-203 last Thursday morning, but generally the following is the gist of the bill.

For the wheat portion, the growers will be divided into two categories — those who plant and harvest within their acreage

allocments, and those who overplant and over-irrigate allotments. Cooperating farmers will be eligible for price supports at a national average of \$1.30 a bushel but noncooperators will not.

Cooperating farmers will be required to devote wasteland diverted from the grain under their allotments to a conserving use that is, not a cash crop— as well as to maintain conserving uses.

Cooperating farmers will not be allowed to exceed acreage allotments unless they on other crops grown on their farms. Nov

Caprock District Hospital Suit Hearing Slated April 22 Here

A suit entitled Rene Yeary, et al vs. Hollis Bond, et al will be heard in Floydada 110th District Court by district Judge L. D. Ratliff at 10 a.m. next Wednesday morning.

The hearing of the suit had been previously set for this past Monday, but due to the receipt of a letter by County Attorney, Kenneth Bain, Jr., from the plaintiffs contesting the bond vote, both attorneys asked for the delay.

The suit filed in the District Clerk's office February 20 contests the validity of the creation of the Caprock Hospital District.

Floydada Scene Of Literary Meet Saturday

Floydada will be the scene of the district 2-AA Literary Events Meeting this Saturday at the high school. The five district teams, Lernaithy, Tulla Canyon, Lockney and Floydada will participate.

The interscholastic meet will include: debate (boys and girls separate), extemporaneous speaking, persuasive speaking, poetry interpretation, prose reading, journalism, ready writing, spelling, plain writing, typing, shorthand, number sense, science and slide rule.

Local Cindermen Place Fourth In District Meet

The Floydada Track Team traveled to Canyon last Saturday to compete in the District 2-AA track meet, amassed 94.6 points and still placed only 4th. Tulla won the meet with 122 points.

Tommy Moore of Lockney was the high point man of the meet with 50 individually earned points. Eli Potts of Floydada was the only other individual to win more than one event. Potts topped the discus and shot put events. The performances by Potts got Floydada its only first place in any of the track or field events.

Watts placed 2nd in the 120-yard high hurdles and the 1800-yard low hurdles. McKinney placed 2nd in the 100-yard dash, and Lutrick placed 2nd in the broad jump to qualify for the regional track meet slated at the Texas Tech track April 24-25.

Southerland placed 3rd in the pole vault and Rainer placed 3rd in the shot put to gain points at Canyon but are not eligible to participate in the regional meet. Only 1st and 2nd place winners qualify for the higher scholastic meet.

400-YARD RELAY—1. Tulla, 44.1; 2. Canyon, 45.3; 3. Abernathy. 850-YARD RUN — 1. Yates, Lockney, 2:03.9; 2. Lowe, Canyon, 2:04.7; 3. Dennison, Tulla. 120-YARD HIGH HURDLES — 1. Moore, Lockney, 15.1; 2. Watts, Floydada, 15.4; 3. Reagan, Abernathy.

OPEN AT 204 S. MAIN Joyce Stewart Purchases Printing Business Here

Joyce Stewart has announced the purchase of the Commercial Printing Department of the Floyd County Hesperian and is now open for business at 204 S. Main.

Joyce had leased the printing department from the Hesperian the past year and this week purchased the department and moved into the new location.

Joyce was employed by The Hesperian the past 12 years, is an experienced printer and knows the commercial printing business.

Dwayne Myrick, former Hesperian printer is a printer at the new business which is called Stewart's Printing Company.

Tooley will continue to publish the Floyd County Hesperian and operate the Hesperian Office Supply and Equipment sales at the newspaper office.

He said that some of the newspaper equipment will be moved back in the building formerly occupied by the commercial printing department and that the front offices will be remodeled. Display space for office supplies and equipment will also be increased.

Joyce invites everyone to come in and visit her in the new location.

The team scores were: Floydada, 339; Lockney, 350; Tulla, 344.

The Floydada team will represent the district in the regional tournament at Lubbock, April 24. The same team members and individuals will participate, according to coach Bill Curry.

Membership Meet Of Co-op Gin Draws 350

The 28th Annual Stockholders Meeting of the Farmers Coop Gins of Floydada was held in the high school gymnasium last Thursday night with 350 members of the Co-op and special guests in attendance.

Kenneth Willis was named to the board of directors and Jack Johnson was re-elected as a director. Willis replaces Gil Fawver who is retiring from the board.

Harold Ellison, manager of the gins, presented a manager's report stating that since 1936, the first year of operation, the coop has paid its members more than \$300,000 in dividends. \$125,000 of that amount was paid at Thursday night's event.

Ellison, comparing audits over the years, noted that in 1936 the coop gained 757 bales of cotton and made a profit of \$800. In 1963 10,053 were ginned with a net profit of \$65,102.12, or \$6.48 per bale. Also noted was that the gins have lost money only during one year of operation. During the 28 years of operation, the gin has shown a net profit of \$856,796.

The principal speaker was Cecil Hunter, or "Stuttering Sam" from Tulsa, Okla. Hunter was once an announcer on Cal Farley's radio program.

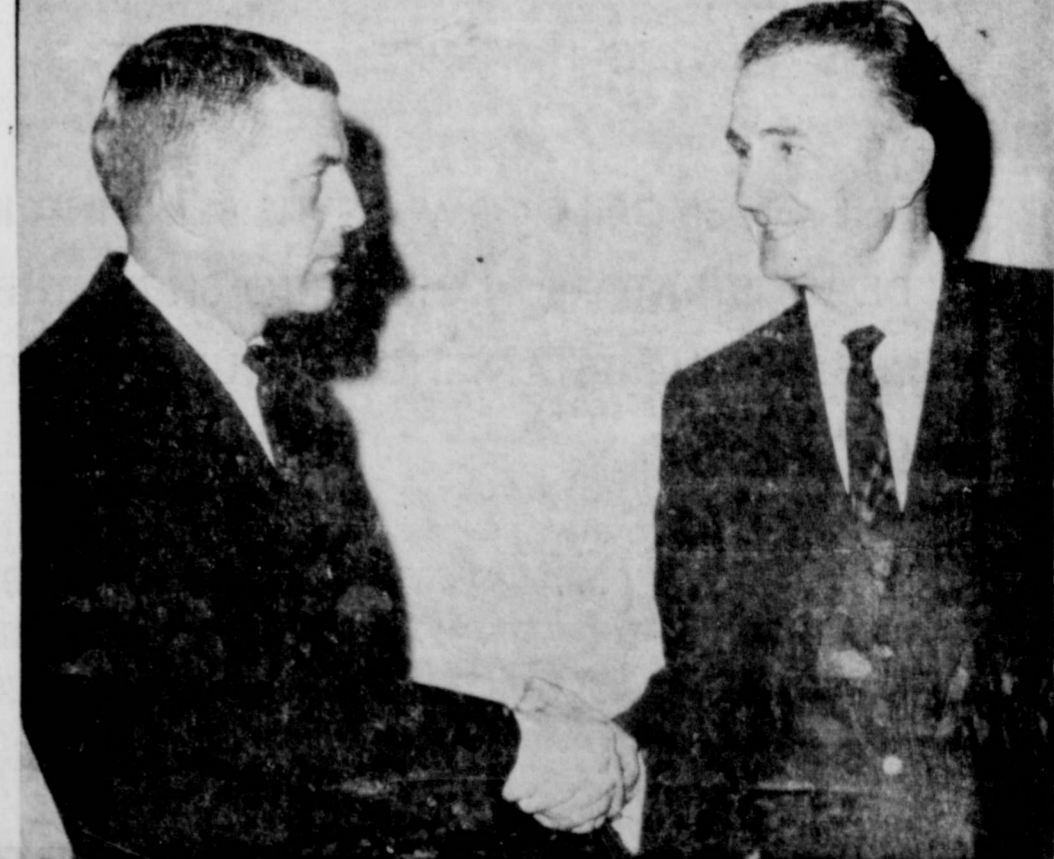

Floydada Tops District Golf Teams Monday

The Floydada High School Golfers took a trip to the golf course at Tulla Monday afternoon, where they participated in the District 2-AA golf meet and came home with top honors. Five teams were included in the annual event.

Vernie Moore of Floydada, was medalist on the 18 holes with an impressive 77. Jerry Allen shot 85 to be third medalist. Randy Lacwell of Lockney was second with 81. Gary Campbell and Thumper Morgan shot 88 and 89 respectively.

Three singles were also entered in the district meet, but as individuals none placed in the tournament. Danny Watts and Tommy Weathersbee each shot 89 and Charles Booth shot 96 in this division.

The team scores were: Floydada, 339; Lockney, 350; Tulla, 344.

STUTTERING SAM — Cecil Hunter, a professional entertainer from Tulsa, Okla., right, was the featured speaker at the Farmers Coop Gin 28th Annual Meeting held in the

high school gymnasium last Thursday night. He is shown with Harold Ellison manager of the gins. About 350 people attended the meeting.

along on the local water supply trying to qualify for the state health department's "public water supply approved." This is necessary in order to get Hill-Burton funds for the new hospital. Chances are the drinking water won't taste as good as it does now when we get that state approval because we'll probably have to put more chlorine in the water.

Charles Horton tells me that we're hitting some big water consumption days early this year. The city's residents are pouring the water to thirsty yards and gardens . . . some days over a million gallons.

SOMEONE usually figures out something different, and now it seems that there's a different way of making clocks. I looked up at a clock in a Santa Rosa cafe last week and noticed that the numbers on it were backward. I'd already had trouble getting used to New Mexico time and here's this clock with the 6 through 12 numbers on the right side and the 1 through 5 numbers on the left side!

IF YOU'RE a skiing enthusiast, there's not enough snow left for that in the Tres Rios New Mexico area . . . and if you're a trout fisherman that doesn't really begin until May 1st. If you just like to get off in the mountains and listen to the stream roar through the rocks . . . and the wind sing through the tall pines . . . it is a good time to go up that way.

WE VISITED with Dean Morris out at the cotton delinting plant this week and he reports that output planning isn't far away. It is

interesting to talk cotton seed with Dean. Some of the old favorite varieties are still preferred year after year, yet some new varieties come on the market each year and a few farmers will give them a try.

POLITICS continue to get a little hotter in this area of West Texas. A most interesting slate of contestants for county offices has developed.

We'll be editorializing before May 2 about some state offices, but not so on local races. We feel that since we've been here just a little over a year you'll know more about these local candidates when you've known for many more years than yours truly.

A RACE horse is an animal that can take several thousand people for a ride at the same time!

"My lad are you to be my candidate?" asked the Scotsman.

"Ye are," answered the candidate.

"And how are you at finding lost balls?"

"Very good, sir."

"Well," said the Scotsman, "look around and find a ball and we'll start the game."

Council

(Continued from Page One)

This action, if accepted by the congregation of the church would pave the way for the annexation of the proposed hospital site. (see hospital story on this page) just west of the church property.

OTHER BUSINESS

In other business, the council discussed bids and heard representatives from various oil companies explain the advantage of their oils that are used in engines similar to the new Nordberg engines in the city power plant.

The city officials felt that by buying whatever they can in volume lots will be a savings of several thousand dollars a year to the city. This is the reason for the oil bids. No definite action was taken.

The city awarded a contract to Mr. A. L. Inman for pouring a floor in the city power plant. Amount of the contract was \$5,150.

The city discussed joining the American Public Power Association, which would be an aid in keeping up with the technical data, advertising ideas, etc. of other municipal power companies across the nation.

The new council members, Clement McDonald, Roe Jones, and W. H. Simpson Jr., were sworn in by city attorney G. W. Sages.

Olds Road Show At Oden's

Oden's will have at its disposal four beautiful 1964 Oldsmobiles here Monday April 20th through Saturday April 25th, for use by Floydada residents.

Anyone who is interested in driving the new Olds is invited to go to Oden's all week inspect and drive the cars.

The Olds Company is furnishing these autos in order to show the public the many outstanding features of the 1964 Olds.

Go by Oden's today and make arrangements to drive one of these Olds for a day or evening. Of course, there is no obligation.

Junior High Teams Place At Canyon

The seventh and eighth grade track teams placed 2nd and 3rd respectively at the Canyon Junior High Track Meet last Saturday with 5 1/2 points and 40 points.

The 7th grade team made the best showing in the field events with 3 first place awards and only 2 in the track events.

First place winners were: Perez in the 75-yard dash with a time of 9.0, the 880-yard relay team (Bearden, James, Hutchins and Perez), Pierce in the discus, Perez in the broad jump with a leap of 14' 10 1/2" and Rodriguez in chinning with 25.

Other winners were: Rodriguez 3rd in the 50-yard dash with a time of 6.3, James 4th in the 100 with a time of 12.1, Bearden 2nd in the 60-yard high hurdles with a time of 3.9, Campbell 3rd in the 100-yard low hurdles, the 440-yard relay team was 3rd Gallagher, James, Perez, Hutchins; James, Pierce and Baker 3rd 30-4 and 6th in the shot put with tosses of 31'6", 31'4" and 30'5"; and Bearden 2nd in the high jump with a 4'8" leap.

Team scores were: Canyon 65 1/2 and Floydada 51 1/2.

Although the 8th graders placed only 3rd it should be noted that after arriving at Canyon it was found that they had dropped the pole vault event and Floydada usually places 1st and 2nd or 1st and 3rd in that event in the eighth grade division. Therefore from 15 to 18 possible points went down the drain, which would have won the meet.

Hagoods Begins Celebration
 Thursday morning, Hagoods Department Store in Floydada will begin its first Anniversary Sale. This sounds like an error since the store has been open since 1937, but it's true.

One year ago, Dan Hagood purchased the management of the department store from Cecil Hagood, who owned the store since its first day of business in 1937.

YHA Plan Field Day In Lubbock May 5

On Thursday, April 3, the Floydada Chapter of Young Homemakers met at the high school. During the business session President Patsy Brock told of the field day for Area 1 Young Homemakers to be held Tuesday, May 5, in Lubbock. The event is sponsored by Lighthouse Electric of Floydada and South Plains Electric Co-op of Lubbock.

Local Rotarians Attend District Conference

A number of Floydada Rotarians, and their Rotary Anns attended the Annual District Conference in Sweetwater held April 10, 11.

The purposes of the meetings were good fellowship, the dissemination of Rotary information, and to inspire the Rotarians from the various cities to go home and do a better job.

One of the most productive items on the program was the Buzz Sessions held Friday afternoon where an exchange of ideas, projects, successes and failures were kicked around by the representatives to the conference.

Saturday morning, the outgoing officers met in one group and the incoming officers in another to discuss their various problems, consider unfinished work and problems expected in the future.

A general conference on Saturday ended the meeting.

Attending from Floydada were: Mr. and Mrs. Arthur Wylie, Mr. and Mrs. Ginn, Mr. and Mrs. John Reute, Dr. and Mrs. Andy McCulley, Mr. and Mrs. Newell Burk, Mr. and Mrs. J. M. Wil-

Visiting the past week with Mr. and Mrs. J. T. McLain have been his sisters, Mrs. Montez Wiggens, Fort Worth; Mrs. Myrtle Williams of Dimmitt and Miss Minnie McLain of Dallas and her niece, Mrs. Ethel Hogue of Albuquerque, N. Mex.

This past Sunday, Miss Josie Williams, 81, of Plainview and sister-in-law of Mrs. Myrtle Williams, died after a lengthy illness. The group visited with relatives and friends in the Williams home in Plainview and also with Mrs. Susie Riggs, sister of Mrs. Hogue.

The group went on to Dimmitt to Mrs. Myrtle Williams home on Wednesday and the three McLains took Mrs. Hogue on to Tucuman where they visited Mrs. Hogue's brother, Tommy Fullington and wife. They also visited Mr. and Mrs. Raymond Smith.

Mrs. Smith is the former Willie Merrel, daughter of W. A. Merrel, former resident of Blanco and Sandhill communities. They visited other former Floyd County people, Mr. and Mrs. J. A. Bagwell. Mrs. Bagwell is 92 and a very interesting entertainer. Mr. Bagwell will be 98 in August and moves around quite well altho he and his wife's hearing and eyesight is very bad. The Bagwells live near Dimmitt.

The group returned to Floydada and Mrs. Wiggins and Miss McLain left last Saturday for home.

District THDA Convention Speakers Are Selected

Speakers for the District 2 Texas Home Demonstration Association Convention held in Floydada on April 30 at the First Baptist Church have been selected. They are Mrs. Florence W. Low, Elizabeth Ramos and Mrs. L. M. Parker.

Mrs. Florence W. Low, assistant director for home economics with the Texas Agricultural Extension Service at Texas A&M University will be the featured speaker on the morning program. Her topic will be "FAMILY LIFE IN RUSSIA". As president of the 25,500 member American Home Economics Association, Mrs. Low acted as leader for a group of approximately 85 home economists who made a "Family Life Abroad" tour to Russia and Scandinavia in August, 1963. The American Home Economics Association sponsored the trip behind the Iron Curtain and tour members had an opportunity to inspect many institutions related to family life. Prior to the tour to Russia and Scandinavia, the American home economists participated in the Tenth International Congress of Home Economics in Paris, France. Mrs. Low presented a summary of program highlights at this meeting.

Mrs. Low is director of the home economics Extension program in the 254 counties of Texas. She helps guide and direct the program development and teaching of home economics projects of the more than 300 home demonstration agents and assistants and subject matter specialists on the Extension home economics headquarters staff.

Mrs. Low did her undergraduate work at North Texas State University and received her Bachelor of Science Degree there. She later studied at Michigan State University and Cornell University, and received her master's degree from Cornell in 1949. She also has studied at the University of Chicago.

Mrs. Low has recently been named by President Johnson to serve on the Consumer Advisory Council of the President's Commission on Consumer Interests.

Assembly of God To Hold Revival At Cedar Hill

Rev. Donald Martin will be at the Cedar Hill Assembly of God Church April 20 through April 26 to conduct a revival.

The general public is extended an invitation to attend any or all of this one week revival, according to the pastor, Rev. Larry Godfrey.

Special singing will also be featured.

Mrs. McNeill Is 34 Club Hostess

Mrs. M. J. McNeill was hostess April 7 to the regular meeting of the 1934 Study Club. The meeting was held in the speech room of high school.

The president, Mrs. Dennis Dempsey, called the meeting to order and the club collect was heard with roll call being answered with an anecdote concerning each assigned artist.

In a brief business session the coming Home Beautiful Tour was discussed and the resignation of Mrs. C. O. Lyles accepted with regret.

Program for the evening was given by Mrs. Allen Bingham, her subject being "Techniques: Water color, pastel, stitching, engraving," with Mrs. J. P. Moss showing the pictures.

Following the program members went to the home of Mrs. McNeill for refreshments. Present were Mrs. Allen Bingham, W. H. Bunch, Ralph Cogdell, A. W. Coltharp, Dennis Dempsey, R. G. Dunlap, W. M. Fowler, J. S. Hale Jr., Charles Lutrick, Joe March, M. J. McNeill, J. P. Moss, Virgie Shaw, John Stapleton, G. W. Switzer, A. L. Wylie Jr., M. A. 4-H Scholarship Girls To Parade In HD Convention

"4-H SCHOLARSHIP GIRLS ON PARADE" will be a new feature of the program, this year at the District 2 Texas Home Demonstration Association Convention in Floydada April 30. The THDA annually awards 3 \$500 scholarships to deserving 4-H Club girls in Texas. Former winners of these scholarships have been invited to attend the meeting and will be presented to the assembly. Mrs. Melton McGehee, Wayside, Texas, Safety Chairman of the National Homemakers Extension Council, and former president of the Texas Home Demonstration Association will introduce the state winners. One representative from the group will make a few remarks on what the scholarship means to her.

Miss Sarah McCullough, Comanche Co., 1963 winner of the Maggie W. Barry scholarship, who is a student at Texas Tech, Lubbock will speak for the state winners.

District 2 is the only district in the state that gives a district scholarship. A \$500 scholarship is given each year with the contributions coming from the Home Demonstration clubs in the district. The recipient must attend Texas Tech and major in Home Economics. 1960 was the first year the district scholarship was given. Past winners have been invited to attend the meeting and will be introduced, with Janet Magee McEachern, Hale Co. 1963 winner, student at Texas

Tech, speaking for the group. The 1964 winner will be selected this summer. Dr. Kate Adele Hill, from College Station, now retired from the Extension Service and former District 2 Agent will introduce the district winners on the program.

Miss Elinor Harvey, Home Demonstration Agent, Gaines Co. (Seminole) will give the thanks for the noon meal. She is director of the District Home Demonstration Agents Association.

The noon luncheon will be prepared and served by members of the Harmony HD club, Floyd Co. During the luncheon, a very interesting International Style Show will be presented. Each county in the district will bring and model an authentic costume from around the world. Countries represented will be: Mexico, China, France, Italy, Holland, Russia, Africa, Switzerland, Germany, Hawaii, Spain, New Zealand, Japan, India, United States, and Hungary. Some of the models will be students or people from that country.

An election for District Director will be held during the noon hour, with only voting delegates participation. Each county is allowed 3 voting delegates. There is only one nominee for District Director and it is Mrs. Tom Box, Yoakum Co. (Plains, Tex.) Mrs. Box will assume office on January 1, 1965 for a two year term of office. She has served as

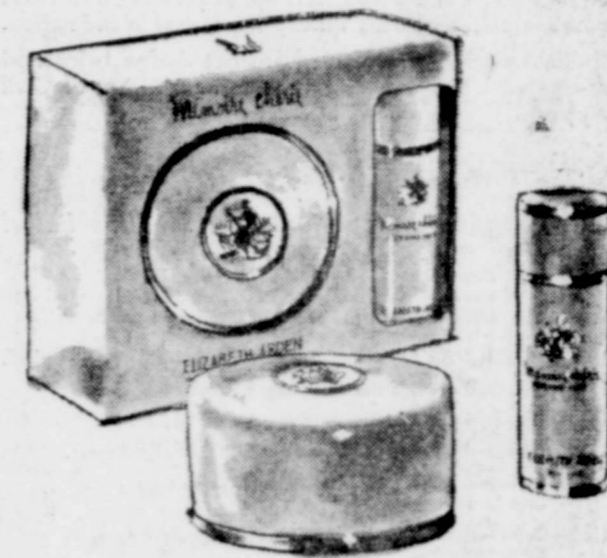

Yoakum Co. Council chairman and THDA Chairman, currently serving as council secretary. She was a member of the state Health and Safety Committee in 1961-62. She is currently District "Messenger" (state HD paper) Chairman for the second year. She is a graduate of Texas Tech with a master's degree in Elementary Education. She lives with her husband and 8 yr. old son on a farm near Plains.

"HANDS ACROSS THE WATERS" will be the theme of the convention of the National Homemakers Extension Council, when they hold their 28th annual meeting, October 25-30, 1964 in Honolulu, Hawaii. Mrs. Wilmer Smith, Lynn Co., Treasurer of the NHEC, and former District 2 Vice-president, as well as state president of the THDA, will give highlights of the convention and speak about Hawaii, which she has visited twice. Several from District 2 are planning to attend the convention in Hawaii. The National Homemakers Extension Council was formerly the National Home Demonstration Council, until the name was changed last fall. Texas is a member of this organization, and Mrs. Smith is the first Texan to hold an office in it.

Mrs. Lynn Miller, Floyd Co. Council Chairman, will give an informative and amusing skit entitled "MILLER GOES TO WASHINGTON". She has just returned (April 16 from Washington, D. C. where she represented District 2 at the 4-H Club Leaders Forum. She will give highlights of this meeting to the group.

At the afternoon business session, the \$100 Educational Fund for District 4-H, which is given by the THDA every year to each district will be discussed and ways to use it will be voted upon.

Information on the state meeting, Sept. 16-17, Rice Hotel, Houston will be given and if the voting delegates wish to charter buses for district 2 see PARADE, Page 8

JIM LANGDON—A WINNER!

Railroad Commissioner Jim Langdon is a 49-year-old native Texan with a winning record in public office.

"I have for several weeks been attempting to find a man I consider to have outstanding ability, integrity and honor... I am happy we have found that man—Judge Jim C. Langdon."

Jim Langdon has fully lived up to Governor Connally's expectations. He has conducted his office in the spirit of Governor Jim Hogg, who had the Commission set up in 1891 to look after the public interest in railroad and freight rates.

Jim Langdon was elected District Judge twice and re-elected Chief Justice of the El Paso Court of Civil Appeals.

ON THE OTHER HAND—

Jim Langdon's Opponent Is a 10-Time Loser!

APRICOT SALAD: 1 large can apricots, drained and finely cut; 1 large can crushed pineapple, drained; 2 packages orange Jell-O; 2 cups hot water; 2 cups combined apricot and pineapple juice.

1 cup miniature marshmallows; Save 1 cup juice for topping; Dissolve Jell-O in water, add fruit juice. Let stand until partly set, add fruit and marshmallows. Pour into large utility dish. Let set until firm.

TOPPING: 1/2 cup sugar; 2 tablespoons butter; 1 cup juice; 5 tablespoons flour; 1 egg slightly beaten; 1 cup whipping cream, whipped; 1/4 cup grated cheddar cheese. Combine sugar and flour, blend in beaten egg, gradually add juice, cook over low heat until it thickens.

Remove from heat and stir in butter. Cool. Fold in whipped cream. Spread over Jell-O. Cover with the grated cheese.

SOMETHING TO THINK ABOUT: What Do You Owe?? What do you owe God, you ask? Suppose He sent this bill: One hundred thousand dollars for the sun upon the hill; Two thousand for the little brook that runs along the way; Five hundred for the night time, and a thousand for the day; Six hundred for the little birds that trill and chirp and sing; Six hundred for the tiny flowers which tell us that it's Spring; These are the bills which everyone of every clime forget. If God should charge you what you owe, you'd always be in debt.

Rambler Wins Economy Run For Third Consecutive Year

NEW YORK, April 9 — Rambler has added new lustre to its economy — champion crown by again posting the best mileage average in a Mobil Economy Run.

A 1964 Rambler American 440 four-door sedan with 125 horsepower averaged 27.836 miles per gallon on the 3,244-mile trip from Los Angeles to New York. The American was entered in Class B (large engine compacts). It topped the second-place Class B entry, a Chevy II, by 4.6 MPG. The second-highest overall average was the 26.191 MPG of a Dodge Dart entered in Class A (small engine compacts).

The average of all 45 cars entered was 21.733 MPG. This was the third consecutive year in which Rambler topped all other cars in the Mobil event, Ramblers also have been victorious in all five Pure Oil economy trials.

Driving the Rambler again this year was Les Viland, an American Motors engineer.

All cars entered in the 1964 Mobil Economy Run were equipped with automatic transmissions.

The first three in each class: Small compacts — Dodge Dart 26.12 miles per gallon; Valiant 25.89; Ford Falcon 23.83. Large compacts — Rambler 440 6-cylinder, 27.83; Chevy II 100 6-cylinder, 23.22; Valiant 8, 23.09. Intermediate 6's — Buick Special V-6, 25.30; Pontiac Tempest, 25.25; Comet 202, 24.53. Intermediate 8's — Buick Special, 23.74; Olds F85 Deluxe, 22.41; Ford Fairlane, 22.34. Full size 6's — Plymouth Savoy, 25.30; Dodge 330, 25.07; Chevrolet Biscayne, 22.26.

Full size, low priced 8's — Plymouth Savoy, 22.20; Dodge 330 21.46; Ford 500, 20.75. Full size, medium priced 8's — Buick LeSabre, 21.37; Oldsmobile Jet Star, 20.11; Pontiac Star Chief, 19.86.

Luxury cars — Chrysler New Yorker, 18.77; Cadillac 62, 18.65; Oldsmobile 88, 18.12. President of Plains Cotton Growers, Inc. Pfeiffenberger said the USDA officials will meet at 9:03 a.m. in the Koko Palace with members of the Boll Weevil Steering Committee, Boll Weevil Technical Advisory Committee and the Boll Weevil Area-Wide Committee. The entire boll weevil problem on the High Plains will be discussed and detailed plans will be laid for operation of the "Diapause" control program as recommended to the Plains by the Technical Advisory Committee and to which the Plains is now committed.

One million dollars is to be raised on the High Plains for the program, and hearings were held in Washington April 8 before the Agricultural Subcommittee on Appropriations to obtain matching Federal funds. Pfeiffenberger went on to say that arrangements with area compresses have about been completed for collection of the local fund on a per-bale basis, and success in the request for Federal funds is expected.

Meetings with the proper Washington agencies and the hearing before the Appropriations Subcommittee were arranged through the office of Congressman George Mahon. USDA officials in the Agricultural Research Service who will take part in the meeting April 16 are Dr. E. D. Burgess, Director of Plant Pest Control, Washington; Dr. Sloan Jones, Director of Insects Research, ARS, Washington; R. W. Sooy, Director of Administrative Services, Division of ARS, Washington; D. H. McEachern, State Supervisor, IPC, ARS, of San Antonio, and Archie Geisler, Chief Pilot for Plant Pest Control, Washington.

People getting social security checks are reminded they must notify both the post office and the social security office of any change in their mailing address. A notice to the post office alone may cause a delay in the receipt of their benefit payments.

Five of the top men from the Fiant Pest Control Division of the USDA's Agricultural Research Service will be in Lubbock on Thursday, April 16 to negotiate a contract for carrying out the Boll weevil control program to be initiated on the Plains this Fall, according to George W. Pfeiffenberger, Executive Vice

Chief, ARS.

Floydada Man Is Victim Of Burns

Bill Watson, who is employed by Morgan McReynolds at Brown Gin, is said to be resting fairly well in Methodist Hospital in Lubbock where he is receiving treatment for 3rd degree burns over 30 percent of his body.

Mr. Watson sustained the burns about 4 o'clock on Wednesday afternoon of last week when he was doing some welding at the gin.

McReynolds said that Watson was descending from a ladder and accidentally stepped into a bucket of naphtha splashing the fluid over his pants, shoes and socks. Watson removed his clothing, wrung the naphtha out, then put them back on. He then proceeded welding.

Flame from the welding torch he was using ignited his clothing. Before help could reach him he had sustained severe burns on his hands from trying to beat out the flames and burns from the thighs down. He was brought to Peoples Hospital for emergency treatment then transferred to Lubbock by Moore ambulance.

Mr. McReynolds said the injured man was released from intensive care to a private room No. 807 Saturday afternoon. It will be from three to four weeks before grafting will start on Watson, his employer said.

Graveside rites for Leigh Ann Webb, infant daughter of Mr. and Mrs. Lee Webb, Jr., were held yesterday afternoon in Resthaven Memorial Park in Lubbock. The father is manager of Piggly Wiggly in Floydada.

The baby died at 2 p.m. Monday in West Texas Hospital, Lubbock. Leigh Ann was born Sunday morning.

Survivors include the parents; two brothers, David Mark and Joe Dean, both of the home; maternal grandparents, Mr. and Mrs. D. C. Rogers and paternal grandparents, Mr. and Mrs. B. L. Webb, Sr., all of Lubbock.

Present were Grace Grundy, Ruby Davis, Bell Berry, Jane Marquis, Jewell Price, Dimple McGavock, Jewell Reeves, Arlie Webb, and the hostesses.

Reported on the sick list were: Lola Sparks, Alice Plumlee, Laureless Parkey, Willadean Tyler, Eddie Kinard, Glenda Davis, Mrs. C. O. Wise and Mrs. Arlie Ferguson.

One death report was given, that of Allen Holley, the brother-in-law of Pauline Faulkenberry.

After the business session, games were played with everyone present winning a prize. Ruby Davis and Jewell Reeves were selected as hostesses for the May meeting.

Lovely refreshments were served at the meeting, consisting of roast beef sandwiches, cheese and cracker sandwiches, chicken salad, potato chips, corn chips, banana nut and chocolate fudge cakes, coffee and soft drinks.

A BIG BONUS... Bell telephone manager Burchett gives Floydada city manager a check for over \$2,000. The check is a percentage of local business conducted.

will be permitted to exceed the wheat allotment on any other farm in which they have an interest.

Cooperating growers will earn government-issued marketing certificates on 50 per cent of the normal yield of wheat on their allotments. Half of these certificates will have a value of 70 cents a bushel and the other half 25 cents.

COTTON GROWERS

The cotton program will retain the 16 million acre planting allotment established last winter for this year's crop.

Growers will have four choices of operations as follows:

1. They can plant within their effective basic planting allotment—which would include any acreage re-allocated to them for allotments surrendered by other growers. These farmers will be eligible for price supports at 30 cents per pound, about 2.5 cents less than last year.

2. Growers can plant within what is called a domestic allotment designed to help to reduce production at a time when surpluses are large. The domestic allotment will be 33 per cent less than the basic allotment—that is their share of the nation's 16 million acre allotment. For small farms—those of 15 acres or less—the domestic allotment will be 15 acres or whichever is smaller.

3. Farmers can choose to participate in what is called an export acreage allotment. This means, they can plant their full basic allotment plus an additional 5 per cent of that allotment. These farmers would be eligible for the 30 cents support on cotton grown on their basic allotment, but not on support or payments on cotton grown on the extra 5 per cent. The later cotton could be sold in export only without the benefit of any government export subsidy. Such growers would be required to post surety bonds assuring that this cotton was sold abroad.

4. The farmer can choose to ignore all allotments and plant as much land as he wants. But he would be ineligible for both price supports and payments. In addition he would have to pay a penalty of about 20 cents a pound on the cotton grown on land in excess of his basic allotment.

Heretofore, growers had two choices, compliance with the allotment with consequent eligibility for price supports, or non-compliance with penalties on excess cotton and ineligibility for price supports.

The new program carries a plan for equalizing price domestic mills and foreign buyers pay for U. S. cotton. Foreign buyers have been getting the benefit of a government export subsidy of 2.5 cents a pound. This has put domestic mills at a competitive disadvantage.

school children died of cancer than any other disease. This year about 290,000 Americans will die of cancer, at present rate. Some 750 die of cancer each day, one every two minutes in the U.S.

This year according to statistics 830,000 Americans will be under medical care for cancer; 180,000 will be saved from cancer. An estimated 177,300 were saved last year. There are now 1,200,000 Americans alive today who have been cured of cancer. By cured it is meant they are alive and without evidence of the disease at least five years after diagnosis and treatment. Of every six persons who get cancer today two

men to travel to Houston, this will be voted upon. Invitations for the 1965 spring meeting will be extended.

Mrs. L. M. Parker will close the program with a solo benediction.

Mrs. Bayne McCurry, Otton St. Plainview, District 2 Director, will be the presiding officer for the day. She is serving the last year of a two year term of office. She was Chairman of the State Health and Safety Committee of the THDA in 1961-62. She is serving her fourth year as a member of the THDA board of directors. She lives on a farm in northwest Hale County with her husband and 10 year old son and 6 year old daughter.

In District 2 there are 17 counties with active Home Demonstration clubs, with about 135 clubs and 230 members. Between 60 and 500 women are expected to attend this annual spring meeting at Floydada. The registration fee per person will cover the expenses of the meeting. Badges are being furnished by the Floydada Chamber of Commerce.

An international flavor will be seen throughout the day with flags from many nations on stage, speakers from various countries, costumes at noon, and even the day's program cover depicts a United Nations flag, United States flag, and Texas flag. Mrs. Odell Jennings, Swisher Co. (Tulsa) drew the cover design. Lamb Co. is bringing the flags from the nations, which are being loaned by the Sudan merchants.

will be saved and four will die.

Almost everyone knows the suffering and mental anguish cancer brings but very few know the high cost of cancer in hard dollars. The cost is staggering.

The nation's annual hospital bill for cancer is estimated at more than \$400,000,000—about ten times the support given the American Cancer Society last year.

You can help fight cancer. How? By giving generously to the Cancer Crusade and by checking the seven Cancer's danger signals which are unusual bleeding or discharge; a lump or thickening in the breast or elsewhere; a sore that does not heal; change in bowel or bladder habits; hoarseness or cough; indigestion or difficulty in swallowing and a change in a wart or mole. If your signal last longer than two weeks, seek medical attention at once.

Last year Floyd County was well over their quota of \$1800.

Mrs. Barry Barker of Lockney was chairman. Your donation this year will help to cure more, so give more.

Tax Breakdown

The Lawrence Journal World has gone to a great deal of work to show just where all our tax dollars go.

Take the case of Charley Green, a married \$6,000-a-year white collar worker. What happens to the \$600 the average Charley Green might pay to Uncle Sam? Following is a breakdown of the \$600 in terms of the \$97.9 billion proposed federal budget for fiscal year 1965:

Defense	\$331
Space	30
International Affairs and Finances	14
Veterans Service and Benefits	31
Labor and Welfare	31
Agriculture and Agricultural Resources	30
Natural Resources	16
Commerce and Housing	17
General Government	68
Interest	68
TOTAL	\$600

This gives us an idea of where our money goes. Now, when we have decided to trim the budget, just which item will we whack at?

A Moral Problem

A Moral Problem?

"Yet much poverty continues, even in the United States. And the adjustment of employment so there will be enough jobs to go around is a massive problem."

This is a quote from a recent news article concerning the opinion of a Mr. Canham in the administration concerning the poverty plan.

There are a lot of solutions proposed for unemployment, most of them having to do with government planning and control. We have the Area Redevelopment Training Act, double pay for overtime, reduction of the work week, three month vacation every five years, more public and private apprenticeship program, youth employment counselors, better school vocational programs, elim-

ination of school drop-outs, fair employment laws to force hiring of minority groups. We have an aid to dependent children program, food stamp program, low cost housing program, expanded social work program, expanded social security program, migrant worker program, medical care for the aged, tax relief for the aged. For business we have tax cuts, special depreciation allowances and capital gains relief.

There are three solutions to unemployment apart from these, and while people may take these lightly, there is truth to them: Reduce moonlighting, reduce the number of working wives whose husbands are fully employed; reduce the number of pensioners working at full or part time jobs.

But to put these three solutions into effect, the government would have to take away something vast more precious—the right of individual freedom and enterprise. This nation was founded on the idea that work receives rewards the harder you work the more you prosper. To deny wives the opportunity to add to the family income would destroy this freedom. To deny a man the right to work nights at a second job is to chain him. The unemployment problem certainly defies an easy solution.

Floyd County 14 Years Ago

(April 6, 1950)

In a vote which is near a half of the school districts, was remanifest of primary election day R. W. Smith, Sterling Slack farmer, was chosen as trustee-at-large for Floyd County Saturday in a "Write in" campaign. The vote R. W. Smith 644, R. M. Battery 255.

James Arnold Owens is the name that was given the next son of Mr. and Mrs. Eddie Owens born on April 1 in Peoples Hospital. He weighed eight pounds and seven ounces and has a three year old sister, Linda Joyce.

J. M. Massie returned home Saturday from Weatherford where he had been since early March due to the illness of his sister, Bettie Massie. Miss Massie suffered a severe heart attack and was hospitalized for 30 days.

Mr. and Mrs. L. D. Britton returned home from Fort Worth late yesterday where they attended the funeral of her father, H. P. Bell, who died Sunday morning after an illness of a month.

Homesick following an enjoyable visit in the United States was Mrs. Lily Kenward as she left Floydada Tuesday by train for New York on her first lap of her journey to England. Mrs. Kenward will board the USS Queen out of New York. She has been in Floydada since May of last year visiting her daughter and husband, Mr. and Mrs. W. W. Goen.

Veteran's Ask

Q—Is it true that the VA is discontinuing distribution of free cigarettes in its hospitals and dispensaries?
A—Yes.

Q—Who gets top priority for VA hospital treatment?
A—Veterans needing hospitalization for injuries or diseases incurred or aggravated in line of duty in active service.

Q—I borrowed on my GI insurance and want to start paying off the loan with monthly payments. How do I do this?
A—Make your check or money order payable to the Veterans Administration and mail it to VA office where you pay your premiums. Give your insurance number and specify that the payment is to be applied to your loan.

"Profit With Price", New Feature In The Hesperian

"Profit With Price" written by Bill Price, will be a new feature in The Hesperian each week, beginning this week.

Price is a specialist in fertilizer and flame cultivation at Western Farm Supply and Wylie Butane in Floydada.

In this week's feature Price talks about onion rot and sorghum midge. He also tells about some flame cultivation demonstrations set for the Jay S. Hale, Jr., and Guy Ginn farms this

week night that Mr. Khrushchev was lecturing some communist agricultural workers and told them that as much as he hated to admit it, "the imperialist American farmers are out-producing Russian farmers."

Now of course this isn't news. I've been pointing out for a long time that if American space sci-

CENTER NEWS by Mrs. J. E. Green

Storm Leaves Air Full Of Dust

CENTER, April 13 — We had another dust storm Sunday our warmest day this spring. Today there is still dust in the air the very little wind. How we wish it would rain! But when a cloud comes maybe we had better be near a cellar. Cyclones are hitting elsewhere.

We had two such good sermons at Calvary Baptist Sunday by Pastor Perry Threadgill. Dr. A. Hope Owen of Plainview filled the pulpit at First church in the absence of their pastor.

Dr. and Mrs. Owens dined Sunday with Mr. and Mrs. Thomas Warren and family.

Mr. and Mrs. Leo Frizzell attended church Sunday at South Plains and dined with their

daughter and family the Garvin Doydys.

One highlight in the service for the Frizzell's was the solo sung by their daughter and accompanied by the young grand daughter Rena at the piano.

Other relatives present were Mr. and Mrs. Elso Frizzell and Mrs. W. M. Jackson Floydada. They were honoring Mrs. Frizzell's birthday.

The Frizzell's were all in Lubbock Friday.

Among visitors to see Mrs. Plumlee since she has been hospitalized were Mrs. Frank Dunn Mrs. Leo Frizzell, Mrs. Green, Mrs. Mankins and Mrs. C. E. Finley.

Mrs. Plumlee came home for a few days, but is in Peoples' Hospital since late Sunday. She is reported better today.

Several Centerites were in attendance at the Co-op Gin Banquet Thursday night. Among these were Mr. and Mrs. R. C. Ross, Mr. and Mrs. H. B. Mankins, Mrs. Frank Dunn and Mrs. J. D. Welborn.

Mrs. Welborn and Mrs. Dunn called at the Doyle Sandifur home Friday afternoon.

Mrs. Gaynelle Fuston and son, Bobby McCoy spent Sunday with Mr. and Mrs. Doyle Sandifur.

Lindsey Graham and Walter Sims visited Doyle Sandifur a while Sunday.

Mr. and Mrs. Fred Robertson and Mr. and Mrs. Elmer Sellers visited in the Sandifur home one Saturday evening recently.

Mr. and Mrs. Mankins are spending Monday with Mr. and Mrs. Ross.

Mr. and Mrs. J. B. Massingill of Phillips visited briefly Sunday afternoon with Mr. and Mrs. J. E. Green. The Massingills had spent the weekend in Lubbock visiting their daughter and husband, Mr. and Mrs. John McDaniel and other relatives.

Vic Green of Plainview had a quick lunch Monday with parents, the J. E. Greens.

The Lawrence Journal World has gone to a great deal of work to show just where all our tax dollars go. Take the case of Charley Green, a married \$6,000-a-year white collar worker. What happens to the \$600 the average Charlie Green might pay to Uncle Sam? Following is a breakdown of the \$600 in terms of the \$97.9 billion proposed federal budget for fiscal year 1965:

Defense	\$331
Space	30
International Affairs and Finances	14
Veterans Service and Benefits	31
Labor and Welfare	31
Agriculture and Agricultural Resources	30
Natural Resources	16
Commerce and Housing	17
General Government	68
Interest	68
TOTAL	\$600

This gives us an idea of where our money goes. Now, when we have decided to trim the budget, just which item will we whack at?

A Moral Problem

A Moral Problem?

"Yet much poverty continues, even in the United States. And the adjustment of employment so there will be enough jobs to go around is a massive problem."

This is a quote from a recent news article concerning the opinion of a Mr. Canham in the administration concerning the poverty plan.

There are a lot of solutions proposed for unemployment, most of them having to do with government planning and control. We have the Area Redevelopment Training Act, double pay for overtime, reduction of the work week, three month vacation every five years, more public and private apprenticeship program, youth employment counselors, better school vocational programs, elim-

ination of school drop-outs, fair employment laws to force hiring of minority groups.

We have an aid to dependent children program, food stamp program, low cost housing program, expanded social work program, expanded social security program, migrant worker programs, medical care for the aged, tax relief for the aged. For business we have tax cuts, special depreciation allowances and capital gains relief.

There are three solutions to unemployment apart from these, and while people may take these lightly, there is truth to them: Reduce moonlighting, reduce the number of working wives whose husbands are fully employed; reduce the number of pensioners working at full or part time jobs.

But to put these three solutions into effect, the government would have to take away something vast more precious—the right of individual freedom and enterprise. This nation was founded on the idea that work receives rewards the harder you work the more you prosper. To deny wives the opportunity to add to the family income would destroy this freedom. To deny a man the right to work nights at a second job is to chain him. The unemployment problem certainly defies an easy solution.

Floyd County 14 Years Ago

(April 6, 1950)

In a vote which is near a half of the school districts, was reminiscent of primary election day R. W. Smith, Shirley Slack farmer, was chosen as trustee-at-large for Floyd County Saturday in a "Write in" campaign. The vote R. W. Smith 644, R. M. Battey 248.

James Arnold Owens is the name that was given the new son of Mr. and Mrs. Eddie Owens born on April 1 in Peoples Hospital. He weighed eight pounds and seven ounces and has a three year old sister, Linda Joyce.

J. M. Massie returned home Saturday from Weatherford where he had been since early March due to the illness of his sister, Bettie Massie. Miss Massie suffered a severe heart attack and was hospitalized for 30 days.

Mr. and Mrs. L. D. Britton returned home from Fort Worth late yesterday where they attended the funeral of her father, H. P. Bell, who died Sunday morning after an illness of a month.

Homesick following an enjoyable visit in the United States was Mrs. Lily Kennard as she left Floydada Tuesday by train for New York on her first lap of her journey to England. Mrs. Kennard will board the USS Queen out of New York. She has been in Floydada since May of last year visiting her daughter and husband, Mr. and Mrs. W. W. Goen.

Genealogical Research Workshop Set April 17

The South Plains Genealogical Society will present a research workshop, Friday, April 17, 1:00 pm to 9:00 pm and Saturday, April 18, 10:00 am to 9:00 pm at the Municipal Garden and Arts Center, 4215 College Avenue in Lubbock.

Research books, statistical records and other materials of help in tracing family lineage will be supplied by the Society and its members. In addition, Mrs. Forrest B. Doshier, president of the Amarillo Genealogical Society, is sending to the South Plains workshop her private library of some 100 research books. Among these are such volumes as "Early Settlers of Alabama", "Early Georgia Wills and Settlements of

Estates", "Kentucky Cemetery Records", "Abstracts of North Carolina Wills", "Marriage Records of Augusta County, Virginia", "Lists of Emigrants to America", "Virginia Colonial Abstracts" and many other materials of vital interest to genealogists.

Members of the South Plains Genealogical Society will be present to help persons who are just beginning, or just wishing to begin, the tracing of their family histories. Among these helpers will be Mrs. Amos Harper and Mrs. L. A. Kerr, members of the Lubbock Chapter of the DAR; Mrs. W. A. Wilbanks, immediate past regent of the DAR and Miss Dorothy Rylander, Executive Secretary of the West Texas Museum in Lubbock.

An added feature of this Spring '64 Workshop will be a small exhibition of "Americana" items supplied by members of the Society. Included in this will be pieces of early furniture, cookware, cut and pressed glass, tools, utensils and other family heirloom items.

Registration for the workshop will begin at 1:00 pm on Friday, April 17 and at 10:00 am on Saturday, April 18. Fee for the entire day-and-one-half event is \$2, but for those who can only attend one day, the fee for Friday only is \$1 and the fee for Saturday only is \$1.50.

Those who wish may bring their lunches on Saturday and dinner on Friday and Saturday evenings. Dining space will be provided and refreshments will be available at the Center.

Everyone in the South Plains area who is interested in tracing family lineage is invited to attend this genealogical research workshop, April 17 and 18 in Lubbock.

Mr. and Mrs. A. C. Carthel and Cindy spent the weekend in Oklahoma City visiting Mr. and Mrs. Jay Johnson and family.

last night that Mr. Khrushchev was lecturing some communist agricultural workers and told them that as much as he hated to admit it, "the imperialist American farmers are out-producing Russian farmers."

Now of course this isn't news. I've been pointing out for a long time that if American space sci-

entists were as far ahead of the Russian scientists as our farmers are of Russian farmers, we'd probably already have been to the moon and found out it wasn't worth the trip, but what interests me about Mr. Khrushchev's statement is his reference to us "imperialist farmers."

I looked this up, and as I un-

derstand it, an imperialist is somebody who tries to extend his power, to dominate others, and I guess this is the first time in history our farmers have been described in such important terms. I would like for Mr. Khrushchev to hammer down on this harder, as so far as he's the only one who believes it.

I mean, I wish us farmers could convince Congress for example that we're imperialists, that we dominate Washington.

I wish the people who buy the things farmers produce would catch on, and at harvest time come to us cringing with hat in hand and ask us how much we've got to have. I can see them biting their nails and pondering: Are these imperialists?

Why don't they ride their city bikes side these imperialists? Are these imperialists going to be satisfied with territory, or are they going to tend themselves and plow up one acre crops.

The day may come ready got Mr. Khrushchev we've got left a million, 999 thousand and other people.

How does the imperialist stand on that?

FARMING TRENDS ARE CHANGING!

Farming process as done by farmers in the Floyd County Trade area has little resemblance to the methods used a few short years ago and Jack Younger displays one of the reasons why.

During the 74 years the First National Bank of Floydada has been serving the type of fine service rendered by the first farmers in the area has changed. The personnel at the bank always welcome the opportunity to be of service to the investors in the area's largest industry.

SOUTH PLAINS NEWS by Mrs. Murray Julian

Many Attend Electric Coop Meet

SOUTH PLAINS, April 13 — Since our community is largely rural and belongs to REA, many of our families attended the 25th Annual Membership Meeting of the Lighthouse Elec. Coop. which was held Saturday at the Floydada High School. Rev. H. S. Calahan Jr., from here gave the invocation, and Mr. and Mrs. E. J. Kinslow have worked for weeks with the Planning committee on the good program and entertainment which everyone enjoyed to the fullest on Saturday, and especially enjoyed the delicious barbecue at the noon hour. Our community, too, had their share of good luck, for Mrs. H. S. Marble won a nice heating unit for the ceiling; Miss Beth Calahan won a waxer and floor polisher, and Rev. H. S. Calahan Jr. won an electric carving knife.

Mrs. J. H. Karr of Fort Worth arrived last Monday to spend two weeks here with her son, Mr. and Mrs. Bryan Karr, and has also visited in Plainview with the Elton Karr family. She came by bus.

Rev. and Mrs. Sealy Smith and children went up to Halfway Community Friday night where they attended a housewarming of the new house where her sister, Mrs. L. B. Cox and family have moved.

Illness of the measles, mumps, a virus and other forms of illness have been prevalent among our people the past week, and among the sick have been Mrs. L. N. Johnson, Deneese and Deneen, Shari and Carl, Mrs. Grigsby Milton and Darla, Stovis Pritchett, Mark and Monty Smith, and Beth Calahan.

Mrs. Fred Marble's sister, Mrs. Bill Schenk of Dallas arrived here April 3, for a visit with relatives, and Mrs. Marie Kelly and Mike took her back to her home

in Dallas last Sunday. On Thursday Fred and Bill Schenk went back to Dallas in the Schenk car, and the Marbles all returned home in their car this Monday afternoon, after visiting the past week end in Dallas.

Miss Patty Moore of Seminole was a week end house guest of Mr. and Mrs. Earv Pritchett and family. She is a student at WT University in Canton, and their son, Price Pritchett also of WT was home over the week end.

Mr. and Mrs. Frank McClure have been away from home a good deal the past week as they were moving their daughter, Mrs. Jean McClure, Donna, D'Ann and Boyd of Crosbyton to their new home in Plainview. The Sylvin Kinnibroughs and the John Kinnibroughs helped the McClures in getting Mrs. McClure settled in the new home.

Grigsby Milton flew Frank Brown to Fort Worth on Friday in his plane on a business trip.

Mr. and Mrs. Murray Julian left after Sunday School for Post where they met Mr. and Mrs. Terry Julian, Dickie and Dee for dinner and the afternoon. The dust storm Sunday extended down state for many miles.

Mr. and Mrs. R. H. Adams spent Sunday in Quanah where they had dinner with her sister, Mr. and Mrs. Tom Lamb and family, and they also visited his sister Mr. and Mrs. Ernest Brandon and family. They reported the dust storm was terrible down that way also.

Mr. and Mrs. B. J. Peters of Wayland College at Plainview were Sunday visitors here with Rev. and Mrs. Hollis Shewmake and boys, Randy and Jerry. Mr. Peters preached the morning sermon at the Mission Baptist Church for the colored congrega-

tion for Rev. Shewmake. He is a student from Friona attending Wayland.

The two-story former Will Sims house which had belonged to Mr. and Mrs. Sylvin Kinnibrough, and was a landmark on the Silverton Highway, was sold this past week end and was moved to the east part of Floydada.

Mrs. Murray Julian spent Wednesday and Thursday of last week in St. Mary's Hospital of the Plains in Lubbock going through the clinic there.

Wife of the Mission Baptist minister, Mrs. Isias Longoria and her three children spent all last week down in Lamesa with her parents.

Eulan Bradshaw, sons, Tommy and David of Claude, spent part of the week end visiting here with his parents, Mr. and Mrs. Truman Bradshaw, who have both been ill.

Mary Juarez, high school pupil, who was hurt in the car wreck here two weeks back, was taken

back to the Lockney Hospital this Monday still suffering with her foot wound.

Mr. and Mrs. Sylvin Kinnibrough Marilyn and Beth visited over Sunday in Truscott and Vera with his and her parents.

Mr. and Mrs. Tommy Respondek and daughter, Mary Melissa, have moved to Petersburg where he is connected with the Minneapolis Moline Tractor House. Jimmy Respondek is in Lubbock where he is working for a Tractor Supply House and attending Draughton's Business College at night.

The 1964 Cancer Drive began this Monday for Floyd County with a luncheon and program at Golden's Restaurant in Lockney, and our representative is Mrs. Herman Thornton. Help her all you can when she calls on you.

Mrs. George Weast and Mrs. Sheet Thornton arrived Friday from a two and a half week vacation which took them to Florida clear down to Key West, and up and down both coasts of the state, and then home through Georgia.

Mrs. J. P. Taylor was hostess for a Tupperware party in her home on Thursday morning at 2:30 with Mrs. Ruby Long of Petersburg as hostess for the

party. Mrs. Taylor served cake and coffee, and games were played during the demonstration. Present with Mrs. Taylor were Mines, Arby Mulder, Roy Burks, Eryant Higginbotham, Carl Huckabee, Rubin Sessums, Grigsby Milton and Mrs. Leighton Teepie.

Visitors in the parsonage all day Sunday with Rev. and Mrs. Sealy Smith, Gregg, Sharon and Terry were his parents Mr. and Mrs. D. V. Smith, and Rev. Smith's grandfather, Dolph Smith all of Lubbock, and Rev. Smith's uncle, Rev. and Mrs. Paul Smith of Coleman, Texas where he is pastor of the Concho Baptist Church. They came for morning services, and stayed during lunch, and dinner hours, then Rev. Paul Smith preached the evening sermon at the Baptist Church here.

Baptist Church visitors with Mr. and Mrs. Garvin Beedy Sunday were her mother and father, Mr. and Mrs. Leo Frizzell, her aunts, Mr. and Mrs. Elco Frizzell and Mrs. W. M. Jackson all of Floydada, who came to hear Mrs. Beedy as she sang a special song for church services. They all went home with the Beedys to have dinner and supper with them.

Rhonda Teepie went to Cedar Hill Sunday to spend the day, after church services, with Anita Godfrey, who was celebrating her birthday, in the home of her parents, Rev. and Mrs. Larry Godfrey. Nine children attended the celebration.

Mr. and Mrs. W. H. Schonert visited her brother, Mr. Morris Wideman and Mrs. Wideman on Friday afternoon enroute to their home in Lucerne Valley, Calif. after visiting in Houston, Arkansas and Oklahoma. Others visiting them in the Wideman home were Mr. and Mrs. Bob Wideman and Jo and Mr. and Mrs. Haney Wideman.

Mr. Leburn Ogle, Littlefield, spent Thursday and Thursday night visiting in the home of his son, Wayne Ogle, Mrs. Ogle and children.

Miss Linda Cox, Carolyn Martin and Maridith Wideman were Sunday dinner guests of Mr. and Mrs. Bud Cox and family. Afternoon callers were Mr. and Mrs. Ed Martin.

Mr. and Mrs. Roy Mara and Mollie were dinner guests in the home of their son and family, Mr. and Mrs. Pat Yoakum, Patti and Roger.

Mrs. Pechie Parrish spent the day on Tuesday with Mrs. Sid Walker in Floydada.

Mr. and Mrs. C. O. Littlefield spent the weekend in Abilene visiting their son, Odell Littlefield, Mrs. Littlefield and Vicki.

Miss Ruth Bartley spent from Friday until Monday in the home of Dr. and Mrs. John D. Cherry, Jr. She stayed with the Cherry

FBI Seeks Whereabouts Of Joseph Francis Bryan, Jr.

JOSEPH FRANCIS BRYAN, JR. FBI No. 317,782 D

Federal charges of kidnaping were lodged against Joseph Francis Bryan, Jr., of Audobon, New Jersey, on April 12, 1964, following the discovery of what is believed to be the body of his victim. The body was located in a wooded area in Hallendale Beach, Florida, on March 31, 1964.

Shoes found near the body have been identified as those of 10 year old John David Robinson, missing from his Mount Pleasant, South Carolina home since February 27, 1964.

The boy's abandoned bicycle was found about 30 yards from a spot where Bryan's yellow and white 1957 Mercury was pulled out of a ditch by two South Carolina farmers on the morning of February 28, 1964, following the alleged kidnaping. The two farmers have identified Bryan as the driver of the car and also state that there was a young person under a blanket in the back seat.

Upon discovery of the boy's body, the Federal warrant charging Bryan with kidnaping was issued a nda bond of \$100,000 was recommended.

Bryan had previously been arrested on charges involving sex offenses against young boys and was committed to a mental institution for approximately seven months following these arrests. He has also served time in the Nevada State Prison for burglary.

Bryan has worked as a cook and laborer, and is described as a white male, 26 years of age, 5'7 1/2", 136 pounds, fair complexion with blue eyes and light brown hair. He has a 1 1/2" scar

over his left eyebrow; 3/4" scar on the back of his right hand; a scar on his lower left thigh; and a pinhead mole on the left side of his chest and on his upper right thigh. Bryan was last known to be driving a yellow and white 1957 Mercury, bearing 1964 New Jersey License HWY 325 and this car is believed to be still in his possession. Bryan has allegedly carried a revolver, has attempted suicide, and should be considered dangerous.

Should you have any information concerning the whereabouts of this man, you are requested to immediately notify your nearest FBI Office, the telephone number of which may be found on the first page of the local telephone directories.

Remember this is Library Week, April 12-18, and go to your closest library to read the wonderful books they have waiting for you. Many new books have been added here to the South Plains Baptist Church Library, and in Lockney and Floydada, fine new books appear every month.

Mr. and Mrs. Bill Thomas and Mrs. Maud Brister were hosts at a dinner Sunday for twelve. Participating in the dinner were Mrs. Thomas' brothers, John Farmer, Homer Farmer, her sister, Mrs. Lacy Pettit, her sister, Mr. and Mrs. R. L. Neal and Carolyn, and his brother, Mr. and Mrs. Hal Thomas and Sudie all of Floydada.

Remember the Family night of fun at the South Plains Schoolhouse on Friday night. No admission charge, but a talent show and style show will be held.

Round-up Time

The Hesperian Goes On Round-Up!

A Hesperian reporter went on a Round-up last week on the Montgomery Ranch, which is located about five miles southwest of Lakeview, down in the Blanco Canyon.

The cowboys had rounded up the cattle by the middle of the morning, had them in the corrals, ready to begin separating the cows and calves when the reporter arrived.

Ranch manager Jav S. Hale, Jr. and Ranch foreman Q. D. Williams were there to meet the Hesperian reporter and explained the various steps in "processing each calf." The calves are a cross breed of Black Angus Bulls and White Face Hereford cows. Most of the calves were "natural mulies" (no horns) so did not require dehorning.

After the cowboys got the bawling mama cows in one corral, they systematically pushed the calves through a long chute into a portable metal clamp working table. The calf is clamped into the mechanism which is tilted up and makes a nice "operating table" for the four cowboys.

The cowboys Dehorn, Vaccinate, Castrate, Brand and Clip the ear of each calf and averaged about a calf every two minutes.

At noon the dinner bell was rung by Mrs. Q. D. Williams and all the cowboys plus the hungry Hesperian reporter took off for the ranch house. As everyone entered through the screened in back porch, four or five home made pies were observed cooling and a charcoal broiler was sizzling big sirloin steaks at the other end of the porch.

At noon time there was much joking about one cowpoke whose hoss bucked him off during the round-up and talk about some area horse races. Mrs. Williams was a gracious hostess and (just to editorialize a little) a very good cook.

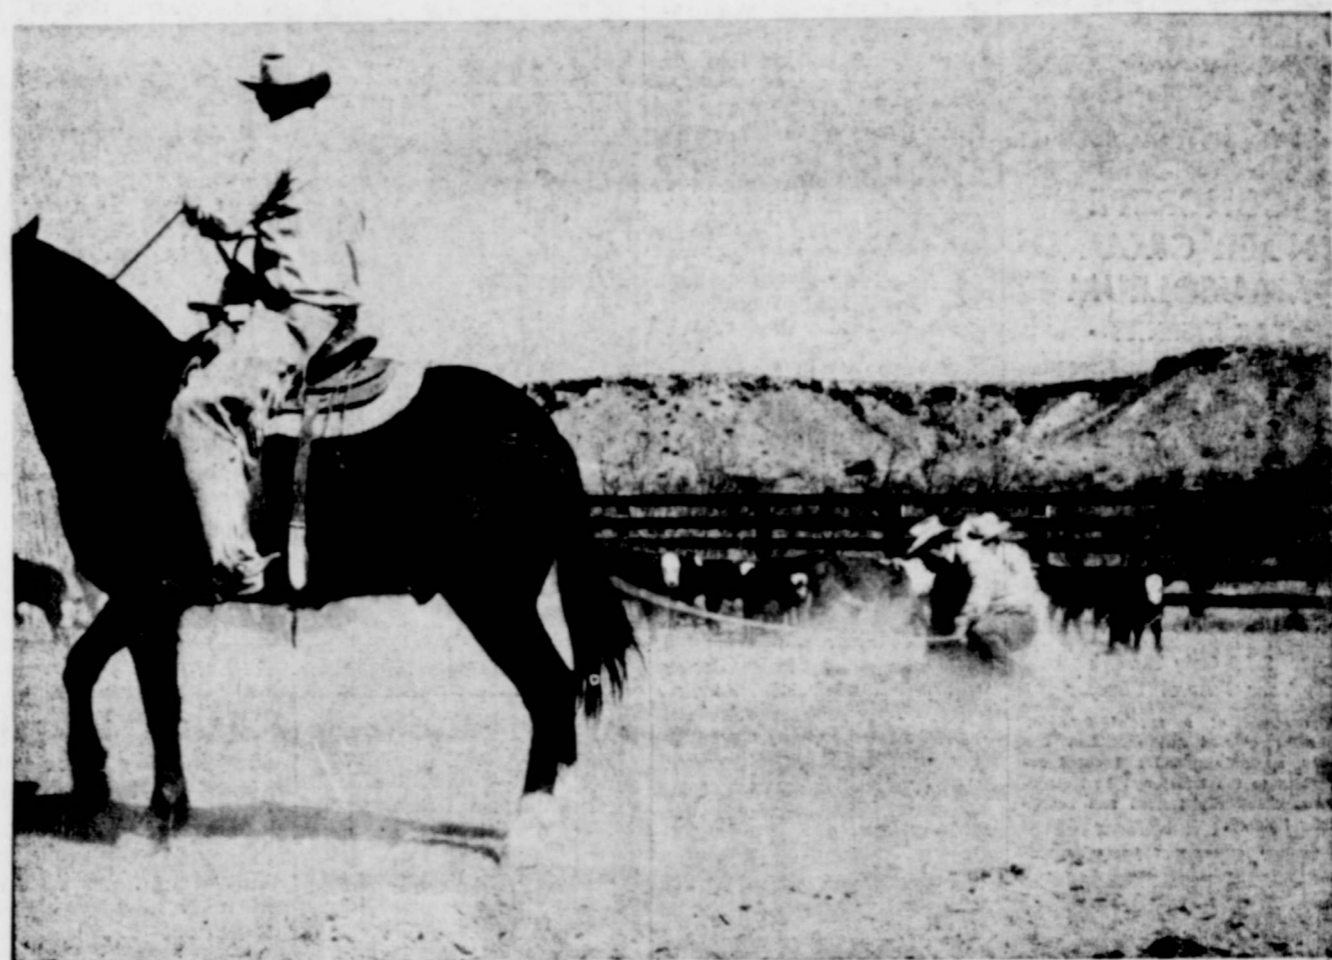

Pictured on this page are various stages of the roundup.

At upper left two young cowpokes Monte Williams and Leslie Soto straddle the top rail and stay out of the way of the mama cows.

Mrs. Williams is pictured with a huge platter of sirloins just before dinner in the middle left hand picture. Son Monte is ready to eat.

In the bottom left hand picture the cowboys are lined up just before they headed for the ranch house. Left to right they are: Bud Polk, Norman Muncy, Williams and Dee Adams.

In the upper right hand picture, Williams ropes a yearling, drags him in and Polk and Adams flank him. In the lower right hand picture Hale puts the "T Bar" brand on the bawling calf, Polk, Muncy and Adams do the rest. Williams is on the horse.

Community Well Represented At LHE Annual Meeting Saturday

FAIRVIEW, April 13 — Our community was well represented at the Lighthouse Electric meeting Saturday. Mrs. E. W. Walls was the lucky winner of the color television that was given away. Lee Rushing was also a winner of a prize.

Mr. and Mrs. Galen Holland visited Sunday at Fletot with Mr. and Mrs. J. A. Reed. Mrs. Reed had just returned from a recent stay in the Matador Hospital.

Mrs. C. H. Wise is in Methodist Hospital where she underwent major surgery on Tuesday of last week. The report on Mrs. Wise is that she is recovering nicely.

Elaine Warren spent Friday night with Jan Perry and they attended a Sunday school social and salad supper at the home of Mrs. Dot Hammonds. Mrs. Willie Burch is the teacher of this class of girls.

Weekend visitors in the home of Mr. and Mrs. Edell DuBois were their granddaughters, Sandra and Diane DuBois of Lubbock who came up on Friday and remained until Sunday evening when their parents came for them. Mr. and Mrs. R. A. McMeans of Amarillo were on Saturday and remained over Sunday. Mr. and Mrs. Bill Duffins and sons of Cedar Hill spent the day Sunday in

their parents home. Mr. and Mrs. C. C. Burns of Floydada visited Thursday night with his brother and family, Mr. and Mrs. Marion Burns.

Mr. and Mrs. A. S. Mize were Sunday dinner guests of Mr. and Mrs. Walton Wilson.

Mrs. Harry Allen and sons, Mrs. Dot Hammonds and Mrs. Walton Wilson spent Friday in Plainview. While there they visited in the home of Mrs. L. A. Horton, other guests of Mrs. Horton that day were Mr. and Mrs. Cecil Stapleton, Mrs. Jim Stewart and Jim Dan.

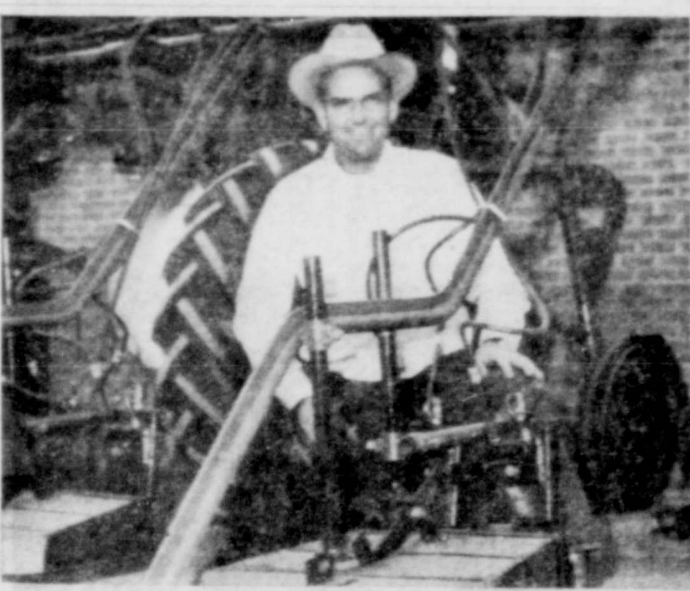

Mrs. W. B. Wilson visited Thursday morning with Mrs. Walton Wilson.

Mrs. Lee Rushing spent most of this past week in Plainview visiting her sister, Miss Minnie Woblevton.

'Profit With Price'

In talking to a number of onion farmers this past week, it seems "Pink Root Rot" is their main problem. The Pink Root Rot is a soil bearing spore, which your onions contact one way or the other, (1) The spore was present in the transplant, or (2) the plot of ground the transplants were set on, the spore was present.

In talking to Dr. George Elle of Texas Tech, there are only two things to do. (1) Keep the onions moist and, (2) Have plenty of ammonia (NH3) present for the onions.

This coming week we will be doing flame cultivating with onions at the Jay S. Hale, Jr. farm and Guy Ginn farm. Should anyone be interested in seeing the work, you can contact me at YU 3-3721 for further information.

With soil temperature rising, it won't be long until planting time for grain sorghum. Get your seed lined up, so you can get it in the ground, in order to stay ahead of the "Midge". Should you want to, I have some research work on planting dates, as to when to plant in order to avoid the midge problem.

Have you studied the new cotton bill as to which one of the four choices you have this year? BILL PRICE

Activity A'Plenty Seen In HD Work On Plains

By Mrs. Aubrey Russell District Agent

Seventeen of the 24 counties in District 2 have the services of Home Demonstration agents and four have assistant agents. These women are college-trained home economists whose purpose is to serve all the people of the county. The agent's responsibility is to help families with home economic information through individual and group methods. She looks to the county program building committee to define the problem areas and to set the long range objective for improving conditions in the county.

In each county she works with many clubs — two sponsored by the Extension Service. These are Home Demonstration Clubs and 4-H Clubs. Any other clubs may request her services or information on home economics. She coordinates her work with other clubs and other home economists to assist in solving problems promoting better family living and raising the level of living in the county.

The Home Demonstration Clubs in the county and district are bound together with two organizations. The county Home Demonstration Council has representatives from each of the clubs in the county. It coordinates the work of these clubs, advises the Home Demonstration agent, and acts as a means of communication between groups. The Texas Home Demonstration Association is a federation of clubs in Texas. Its purpose is to serve as a cooperator and coordinating agency for the statewide activities of Home Demonstration clubs. It is a medium of expressing the desires and interests of women and serves as a means of cooperating with other organizations of similar interest.

The Texas Home Demonstration Association has one board member in each district. The district director for the South Plains is Mrs. Bayne McCurry, Olton Route, Plainview. She brings information concerning statewide activities to the counties in District 2.

She conducts two meetings each year that involve Home Demonstration Club women. In January, she conducts a training meeting for the county chairmen of the Texas Home Demonstration Association committee. This meet-

ing has as its purpose the instruction of the local chairman in carrying out the duties with local clubs.

The other meeting is a district meeting for all Home Demonstration Club members. It will be conducted in Floydada on April 30, 1964. At this meeting the director tries to bring speakers before the group that will give information concerning state or world situations, or that will give inspiration to the members to carry on a study or action on some of the recommendations that the state association has made.

The district director is elected by the women of the clubs in the district. She serves without pay and is the person who brings information from the State Association to the clubs of the South Plains. Mrs. McCurry was elected in 1962 to serve for the years 1963-1964. Another person will be elected in the spring meeting in Floydada this year to serve for the years 1965-1966. These women must have the interest of the clubs as one of their motivating sources and be willing to give all their time and energy. All in all Home Demonstration Club work is very active on the South Plains.

In Hale County, Home Demonstration agents are Gena Brazzale and Nickie Woelfel. Mrs. Mildred Patterson and Mrs. Carolyn Hill are Home Demonstration agents in Lubbock County. In Lamb County, Mrs. Lady Clare Phillips directs Home Demonstration activities. And in Floyd County, Sherry Mullins is in charge of carrying out a well-rounded Extension program.

Doctor, to portly patient: "Follow this diet and in a couple of months I want to see three-fourths of you back here for a checkup."

Debut Nears For \$75 Savings Bond

A reminder that the new \$75 series E United States savings bonds, bearing the portrait of the late President Kennedy, will go on sale May 1 came today from Mr. Pemberton, local savings bonds chairman.

Pemberton said that due to the heavy demand for the new bond which is anticipated, many banks and other issuing agents throughout the nation will accept orders before May 1 from those purchasers who may desire an early date of issue to appear in the "valuing stamp."

Decision to issue the \$75 bond which fill a gap in the lower denomination range of savings bonds, was announced by the White House late in January. The issue date of May 1 was fixed to coincide with the launching of "Operation Security," a nationwide savings bond campaign which runs until July 4. May 1 is also the 23rd anniversary of the issuance of the first series E bond.

Purchase price of the new bond, which will reach full redemption value in seven years and nine months, is \$56.25.

Pemberton said that the new bond is not a "memorial" to the late President, in that it is no different from other denominations of savings bonds, all of which bear the portrait of chief executives. However, beneath the portrait of Mr. Kennedy are carried the words from his inaugural address: "Ask not what your country can do for you; ask what you can do for your country."

"The reproduction of this memorable statement on the face of the bond," said Pemberton, "is a fresh reminder that our citizens help strengthen their own security, and consequently, the security of their community and their country when they invest a portion of their savings in savings bonds."

PTA District 14 Spring Conference Set Soon

The annual District 14 Spring Conference of Texas Parents and Teachers will be held Tuesday, April 21 at the First Baptist Church in Plainview. Mrs. J. M. Farmer, president of District 14 will preside.

"We the PTA Cooperate in the School Story" will be the theme of this year's conference, which opens with a coffee from 8:30 to 9:20 a.m., compliments of Hale Center PTA. Registration will be in effect from 8:30 to 2:30 p.m.

Following the official opening at 9:30 a.m., welcome addresses, introduction of guests and district board of managers and reports of conference committees, Mrs. Chesley McDonald, a state vice president and the official state representative of Texas Congress of Parents and Teachers, will speak on "The Bridge Between Home and School."

Also featured in the morning session will be a panel moderated by the state president, Mrs. W. J. Danforth, entitled "Cooperating in the School Story". Serving on the panel will be Mrs. Chesley McDonald; Mrs. Marvin Armstrong, state vice president and program chairman; Mrs. Angus McDonald, state chairman of PTA; and Nat Williams, state chairman of school education.

Conference luncheons will be at 1 p.m. in Edgemere Elementary Cafeteria for local unit presidents and school administrators and delegates and visitors. The theme of the luncheons will be "Cooperation Points the Way."

Following the 1 p.m. luncheon in Edgemere Elementary Cafeteria, the second general session will be from 2 until 4:30 p.m. where awards will be presented to local units, followed by an address by Mrs. Angus McDonald, state chairman of Congress Publications and Magazines. She will speak on "Publications — Cues for Cooperation."

Workshop sessions will be from 3:15 to 4:25 p.m. with the theme "We the Chairmen Cooperate in the School Story." There will be 17 workshops conducted by state representatives and district board members. There will be a workshop for each officer and committee chairman to help them become better acquainted with their duties for the coming year.

The third general session will be a conference banquet at 6 p.m. in the Estacado Junior High Cafeteria. The theme for the banquet will be "Blossoms in Our Midst" and will honor all life members.

HARMONY NEWS by Mrs. Mather Carr

Pretty Weather Still Continues

HARMONY, April 13—We have had some pretty weather, pretty dry and pretty windy, but could have been worse. We are thankful for no floods, tornado or earthquakes or big fires.

Mr. and Mrs. Leon Williams of near Floydada and Grandma Carr had supper Monday night in the Chelma Williams home. This was a kind of a birthday supper for Chelma as it was his birthday.

Mr. and Mrs. Zant Scott, Mr. and Mrs. Horace Carr and Grandma Carr attended the funeral Tuesday at 8 p.m. in Lockney at the Methodist for C. O. Jeffcoat.

Mrs. Joyce Davis and Grandma Carr made a business trip to Lubbock Wednesday. They also visited with Mr. Armstrong and Mr. Harry Miller. We say visited with them. They were asleep but we visited with their families.

Mrs. Gayno Scott of Plainview spent from Thursday to Sunday in the Zant Scott home.

The District Superintendent of the Methodist Church preached at the Chapel Sunday at the eleven o'clock hour and held quarterly conference after dinner. Dinner was served at the church. Rev. Merriman preached after conference and there were no night services. We were glad that that wind was so bad.

The Daniel of Blanco spent Saturday night with Jennie Davis. He attended services Sunday at the Chapel.

Mr. and Mrs. Everett Miller spent Sunday in Lubbock at West Texas Hospital with Everett's father who is a patient in the hospital. Mr. Miller is some improved.

Mr. and Mrs. E. I. Scramhorn of Illinois came for a visit with

Jess Shurbet Hospitalized

Jess Shurbet, 73 year old Floydada resident, sustained a badly crushed leg in a one car mishap Sunday night about 8 o'clock.

Mr. Shurbet had driven out to see his cattle, then on to Sandhill for a visit with relatives and was returning to his home traveling on a dirt road headed east when the accident occurred.

The injured man said a bee inside his car was giving him trouble and in trying to swat him, Mr. Shurbet lost control of his car. It veered head on into a deep ditch. It was not known just what part of the interior of the car Mr. Shurbet's leg hit to cause the break.

An hour later a colored man drove by, noticed the car then came into Floydada and reported the incident to the sheriff's office.

The mishap occurred four miles north and a mile west of Floydada.

Mr. Shurbet's car was undamaged.

He was taken to Peoples Hospital for emergency treatment then transferred to Lubbock Methodist by Moore ambulance.

Mrs. W. L. Orman said her father would be in the hospital from six to eight weeks. His leg is in traction and will be placed in a cast at a later date.

Spending this week with Mr. Shurbet is another daughter, Mrs. George Henry of Wellington.

Carr To Lead Rodeo Parade At Paducah

Attorney General Waggoner Carr has accepted an invitation to lead the western parade that will officially open the 22nd Annual Cattle-King Horse and Colt Show and Rodeo in Paducah on April 24.

Shortly before the parade, which is scheduled for 5 p.m., the Attorney General will speak briefly to the public from the courthouse square, then join the mounted show officials at the head of the parade.

The invitation was extended the Attorney General by Rep. W. S. (Bill) Healy on behalf of the Cattle-King Livestock and Rodeo Association and the Paducah Chamber of Commerce and Agricultural Department. Healy will introduce General Carr at the speaking.

COFFEE PLANNED

A special coffee is planned for the Attorney General and his wife Friday afternoon at the Healy home. The coffee is scheduled from 2 to 3 p.m. and the public is invited.

Following the parade, a chuck wagon dinner will be held at the rodeo grounds.

Rodeo performances both Friday and Saturday nights are scheduled for 8 o'clock. Nine events are scheduled with top performers competing for prize money. An old time calf roping event has been added to this year's rodeo schedule. The event is open only to ropers age 55 and over.

QUARTER HORSE SHOW

Some of the finest horses in a three-state area are expected to compete in the performance classes at 1 p.m. Saturday, April 25. Both halter and performance classes are approved by the American Quarter Horse Association.

Events include registered junior and senior cutting contests, open cutting contest and a cutting contest restricted to ranch horses. In the reining contest, events will be in both the junior and senior division.

TRAIL RIDE

Some 40 members of the Crow-Cutting Horse Club are expected to make the 25-mile ride to Paducah. Members will leave Crowell on Thursday and plan to spend the night along the way, arriving in Paducah at 2 p.m. on Friday.

A welcome party of city officials will meet the group on their arrival in Paducah. Members of the club will join in the rodeo parade at 5 p.m.

Oil Production Limiting Law Necessary, Says Jim Langdon

ODESSA — A law limiting Texas oil production to the amount that can be sold each month is absolutely essential to the small marginal operators, Railroad Commissioner Jim Langdon told West Texas Chamber of Commerce members at their convention here last week-end (April 10).

The "market demand law" allows every operator, large or small, to get his proportionate share of the market, Langdon said. Much of Texas' oil reserve is in old or low-producing fields where wells can make only a few barrels a day. These "stripper" wells would have to be abandoned as uneconomic if richer wells were not prorated to market demand.

"Ironically, this law is under attack today by people who claim to speak for the very group that needs it most — the small operators of Texas," Langdon said.

Abandoning the market demand law, or ignoring it, would result in "a flood of unneeded, unwanted oil that could not be sold except possibly at panic prices," Langdon declared.

Ford's lively new sports-type car—the Mustang—combines the styling and features of expensive foreign cars with a low cost made possible by American mass-production. Mustang hardtops and convertibles feature bucket seats and carpeting as standard equipment with a full-width seat in the rear. Options for the performance-minded include a selection of three V-8 engines with up to 271 horsepower along with 4-speed or automatic transmissions. Luxury options include a center console, power steering and brakes, and air conditioning. The standard hardtop model—equipped with an economical six-cylinder engine—will be priced with many economy cars. The new Mustang will be introduced by Ford dealers Friday, April 17.

Briscoe County Considers Construction Of Hospital

According to a Briscoe County newspaper, one week ago there were two doctors practicing medicine in Silverton. Now there is only one. One was a surgeon, and was unable to practice surgery often enough to maintain the skills which he studied extra years to learn.

A week ago last Monday, Dr. Jim Wurgler left Silverton. It wasn't necessarily that he preferred to go, and he left many friends behind but the situation was that in order to pursue his chosen career, that of a surgeon it was not practical for him to remain in a town without a hospital.

Just as in any other town, there are a number of residents in Silverton and its trade area who have become alarmed at the thought of being without local doctors and have had several meetings to try to determine the feasibility of building a hospital. Since some favorable information has been found, these interested persons have decided that the proposition would be placed before the property-owning taxpayers of Briscoe County so that each individual can have his chance to say whether or not he believes Briscoe County needs a hospital.

At the present time the Great Southwest Bonding Company of Dallas and a firm of Lubbock architects are (without cost to Briscoe County) surveying the hospital facility needs of Briscoe County and are making preliminary sketches and estimates of costs. This information is to be available for publication in the near future.
