

### 9th Tracksters Second At District

At the district track meet held in Canyon Saturday, April 11 the 9th grade track team finished in second place. Canyon won the meet, in this bracket, as well as in the senior division.

First place winners were Derrell Munday in the 440-yard dash with a time of 57.7, edging teammate Garland Martin who was 2nd in the event with a 56.1. The 880-yard relay team was first with a time of 1:40.3. This team is made up of Munday, Murry, Adams and Martin. Murry was first in the shot put with a 45' toss and also first in the pole vault.

Other team winners were: Steve Marler, 4th in the 50-yard dash, and 5th in the 75-yard dash; Finney Binch, who was 2nd in the 60-yard high hurdles and 3rd in the 100-yard low hurdles; Adams who was 2nd in the discus and the 440-yard relay team, consisting of Munday, Marler

Baker and Martin, placed 2nd with a 47.2 time.

**Estacado Jr. High Meet**  
Recently the junior high team took part in the Plainview Estacado Junior High meet. No points were kept in the practice meet.

However, here are a few of the results from the events: Kerry Bearden was 1st in the 100-yard dash with a 19.7 and Steve Marlar was 2nd with 11.8. Bearden also won the 50-yard dash with a time of 3.9 and Steve Marlar was 2nd with 6.0. Derrell Munday topped the 440-yard dash with a time of 57.7 and Roland Adams was 4th with a 58.1. In the sprint relay the team of Munday, Marlar, Martin and Bearden placed 2nd. In the mile relay the team of Martin, Marlar, Munday and Bearden clocked 3:48.4 which is exceptionally good for this relay, particularly considering that the team had never run in this event.

In the field events: Bearden was 1st and Murray 3rd, discus Adams 3rd, Mark Goen 4th and Murry 5th; high jump Bearden was first with a leap of 5'6". This meet concluded the track and field events for the junior high and 9th grade teams for this school term.

obeyance of the city ordinance on dogs.

I haven't lost any sleep over the new ordinance... mainly because I don't live in the city limits. However, if you town folk think you got dog problems, I've got one worse and badder (hope no English teachers are looking). I have a dog who insists on chasing neighbor Charlie Epencke's chickens! I imagine Charlie's egg production is going down, and little dog almost killed one last week.

YOU MIGHT say this edition is a sort of "appreciation edition to the auto transport companies who make their home in Floydada... United Transport and Dallas & Mavis Forwarding Company.

These two industries we all appreciate very much... not just for the extra business and population they have brought to Floydada, but for their interest in this community and its civic aspirations. They are making good citizens... they have children in our schools, they support our churches and take responsible community interest as families who are a part of this growing little west Texas city.

We join others in your invitation to attend the open house at United this Sunday afternoon. Go out and get acquainted with the personnel of United... educate yourself to how this company serves this area of the Southwest in delivery of new automobiles.

THIS EDITION of the Hesperian is sporting a four color advertisement for Floydada Implement Company. No, our old Duplex press didn't print it, but it was submitted to us with one side of the roll already printed up north near the Massey-Ferguson factory. We loaded the roll on our press, printed another page on the back of the "pre-print color page and shop Foreman Johnny Bordeaux managed to get it all through the press and folder... and looking like a 100 percent "home" job.

WE'RE right in the middle of enlarging the office supply department and remodeling our front offices... so if a few splinters of wood are included in your copy of this week's Hesperian... you know what has happened.

NOTE TO THE city dog pound operator: keep an eye on Tommy Assiter's back yard. I understand he's going into the horse business and should be moving four animals in his back yard sometime this week.

### Cox Youth Has Broken Arms

Leonard Cox eight year old son of Mr. and Mrs. Emery Cox of Floydada, is said to be resting well in Methodist Hospital where he was taken Monday evening for injuries resulting from a fall.

The boy sustained both arms broken and a bruised face when he fell from a tree house at the family home. He was taken to Peoples Hospital for emergency treatment then transferred by Moore ambulance to Lubbock.

Leonard has hopes of returning home this week.

### High, Wide and Handsome

Hi-Level chair cars, featuring every seat at dome height, go into daily service on the San Francisco Chief in May, the Santa Fe Railway has announced. Extremely popular on the road's El Capitan since 1956, Hi-Level cars stand 15 feet above the rails, with passengers at a vantage point more than 4 feet higher than standard cars. They feature 72 reclining, stretch-out seats, large picture windows, and a quiet, smooth ride. Lower levels are used for baggage storage and lounge facilities, with a central stairway providing access to the passenger level. The service improvement was made possible by an \$8 million investment in new passenger equipment.

las & Mavis firm here, the company has wanted to move the shop to Floydada for some time and still plans to do so in the near future.

The Dallas & Mavis firm is established throughout the world and handles a tremendous export-import auto business. Vehicles are hauled to and from Hong Kong, Tokyo, Bonn, Paris and several other foreign ports.

The new plant that has been built by the United firm now houses its repair shop for the trucks, and all the office personnel. The shop part is capable of handling either gasoline or diesel engines. According to Grover Prince, manager of the United firm, the company is shifting to diesel, and very soon, every United truck leaving or entering the Floydada terminal will be diesel. Two or three gasoline units will be kept on hand, however.

Prince, during an interview with a Hesperian reporter, pointed to a wall and said, "that is what we are most proud of". What he was speaking of was that all lubrication, oil changing, etc., is done by air pressure. "Where it used to take about thirty minutes to fill the crankcase of one of our diesel vehicles, it can be done in two or three minutes". Prince commented, also, the lubrication barrels are placed at strategic points along the wall, to coincide with where it is most needed by the truck. This eliminates disconnecting any of the hoses and moving the barrel to lubricate another part of the truck or the trailer.

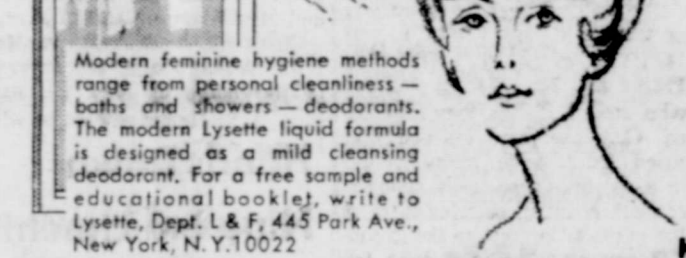

Also in the new plant is a steam rack capable of handling one of the truck-tractor units with its trailer. In this rack, the entire unit can be thoroughly cleaned with a steam spray that is un-

### THEN and NOW

In Greek mythology, Hygieia was the Goddess of Health. Originally worshipped as the guardian of physical health, she also became the guardian of mental health and a protectress against all kinds of danger. From her we obtain the modern word, hygiene.

Through many centuries, man devised amulets or charms hung at the door or worn on the person for health protection. This was all that was known as preventive means against infections or ailments.

Modern feminine hygiene methods range from personal cleanliness — baths and showers — deodorants. The modern Lysette liquid formula is designed as a mild cleansing deodorant. For a free sample and educational booklet, write to Lysette, Dept. L & F, 445 Park Ave., New York, N.Y. 10022

der pressure. According to Prince, the hardest part of the cleaning is removing the road film that gathers underneath the vehicles. The steam spray can clean the engine of an automobile in a matter of seconds. Prince said, "We are proud of our new plant, and proud to be a part of Floydada. We just hope we can have the plant in shape in time for the open house, but ready or not, we want the people to see it."

Tolerance is the idea that the other fellow may be right and you may be wrong.

### Neglected Heifers Cause Of Loss Of Many Calves

Floyd County Agent H. T. Davidson says that many farmers are calving first calf heifers at this time of the year.

At recent meeting of the Floyd County Livestock Committee, it was pointed out that often these heifers are sadly neglected and many calves are lost. J. S. Hale, Jr., Chairman of this committee, says that a 95 percent calf crop is a must to make ends meet in the cattle business.

To aid and remind farmers of this existing problem the committee has several suggestions in care and management to recommend.

First, if heifers are bred to calve at 24 months of age or less, calving troubles should be expected with a large number of them and the owner should be prepared to act accordingly.

Second, the breeding dates should be recorded for each heifer and she should be confined to a small trap or pasture two weeks to 10 days prior to her expected calving date.

Third, observe heifers several times each day after they have been confined and around the clock as calving becomes more evident. This stage is where calves are either saved or lost.

Fourth, as heifers "calve out" they should be placed preferably in a pasture privately where they can be supplemented fed to help maintain themselves. Calves should also be creep fed. This care will enable the heifers to

breed back quickly. This special care will pay off because of the maintenance of the high calf crop percentage.

The fifth suggestion the committee had was that every man should know his veterinary limitations and not exceed it with first calf heifers. Professional help should be a part of every cattle operation and called upon immediately when needed.

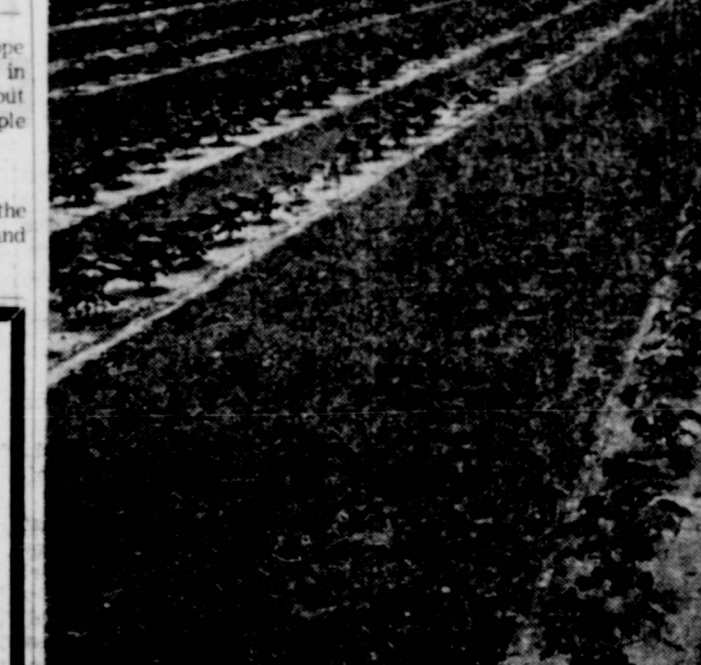

What has happened to the committees that used to plan community picnics

out an opportunity to work, if he feels it necessary. While the DE program may help solve this problem, that is not its primary purpose. It is to give students interested in a certain field an opportunity to get experience in that job before completing his education. The program is for the college bound student as well as any others who may be interested.

Tyer reports that already 40 students have definitely indicated an interest in the DE program. For this reason, he urges every merchant that possibly can, to attend the meeting this morning, and get the full details of the program.

### New Prometryne herbicide works wonders for Texas cotton

Prometryne® 80W brings a new dimension to cotton weed control in the South Plains. It offers a one-herbicide program that will take care of most weeds from planting to picking. Apply Prometryne preemergence or post-emergence or at layby, or at all three times if weed conditions so dictate.

**Safe to use**  
Prometryne is safe to cotton when used according to label directions. It leaves no residues in cotton seed. It is safe to handle and non-toxic to humans and animals. A fall seeded crop should not be planted in the same year following the application of Prometryne 80W.

**Gets tough weeds...including carelessnessweed**

Three years of research by State and Federal researchers in Texas proved the effectiveness of Prometryne in controlling most annual broadleaf weeds and grasses in cotton. It does an outstanding job, for example, in handling carelessnessweed (pigweed).

**Versatility of application**  
Prometryne is extremely versatile. You can use it as preemergence spray at planting. You can use it as a directed postemergence spray after both weeds and cotton are up. You can spray it at layby to control weeds through the rest of the season. Use it once, twice, three times... whatever weed conditions dictate.

**How Prometryne works**  
Applied preemergence, Prometryne is carried into the soil by rainfall or overhead irrigation. It is absorbed by germinating weed roots and soon after weeds break ground, they die. No need to work Prometryne into soil. Applied after weeds are up, Prometryne kills by direct action on weed foliage and through roots.

**Available this spring**  
Since this is the introductory year for Prometryne, only limited quantities are available. Plan to make a preemergence application to at least a portion of your acreage at planting. They follow through with postemergence and/or layby treatments if necessary. See what outstanding, economical weed control you can have.

To order Prometryne, or for more information, contact your supplier, or Geigy Agricultural Chemicals, Division of Geigy Chemical Corporation, 500 Mill River Road, Ardsley, N.Y.

### 'Profit With Price'

The onions in Floyd County, as a whole, look real good to fair. I am of the opinion some of the plants that were shipped out this year were below par.

There is a need to keep the plants moist, be on the look out for the thrip in our onions, they have shown up in several patches. Your onions could be next if they aren't already there. The weeds and grasses are also on the grow, so stay ahead of them and don't get caught in a forest. The weeds and grass are a parasite to the onions as to amount of moisture, plant food, sunlight and space in the rows.

With soil temperature on the rise the grain sorghum should be ready to plant or already planted, this way you can stay ahead of "Mr. Midge." He has sure been a menace the past years and I am sure he will be around this year also. Each farmer needs to look around this fall and clean up any fences, ditches and stubble, for such places as these are harbors for Mr. Midge to spend the winter.

I have noticed some of the farmers of Hale County that have to plant 3 or 4 times to get a stand of cotton up, off and running, trying to get an early start. I am sure this is good, but so help me I don't know what for. The soil temperature isn't desirable for the cotton seed to get a quick germination and have the cotton grow. This is a good way to have your seed rot in the ground.

If a farmer is thinking of planting cotton, this "could be a real good time for him to clean up his fishing gear and head for some lake and stay a few days! I hear the bass, crappie and catfish are hitting real good at Possum Kingdom. Should you need a hint as where to fish at Possum, drop by and I can tell you several good spots!

The news release from the High Plains Research Foundation came out this past week. The new binder is sure pretty. Mr. Farmer if you will sit down and read this information and let some of it soak in and inject into your operation you will be ahead. I personally think the men at the Foundation are a group of unsung heroes for the methods and operations they carry on out there and the results they turn out.

Have you studied the new cotton bill as to which one of the four choices you have this year? BILL PRICE

# The Woman Who Predicted the President's Assassination

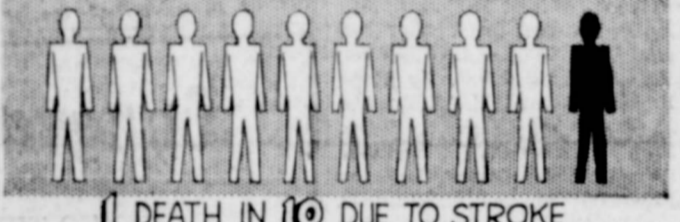

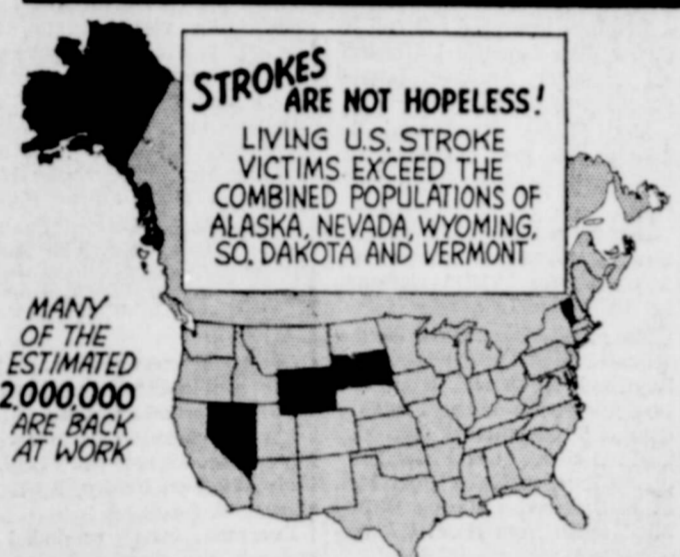

Jack Anderson  
YEARS AGO. Mrs. Dixon peered intently into a ball and focused on PARADE had invited the future, to forecast the 1960 Presidential election, she said: "I see an unlucky President rest of her answer in our May 13, 1956 for the 1960 election, she said she will be elected. But he will be elected in office."  
Weeks before President Kennedy was cut by assassin's bullet, thus prophesying, Mrs. Dixon here with the so-called Mrs. Harley Cope recalls, Mrs. Cope suddenly clouded her eyes and said: "He's going to be shot. The President, of course, is before the assassination ladies again lunching with them was Charles retired Navy Band Mrs. Dixon interrupted with the troublemaker. "The President is going to be shot. Mean-while Mrs. Dixon said her fears for the safety of one of his children, "Jeane," said the prophetess, "I have known you, but don't you think just a little unreal-istic?"

What does she see in her crystal ball for the months ahead? Here are Jeane Dixon's latest predictions, given exclusively to PARADE:  
She does not see the outcome of the 1964 Presidential election clearly. President Johnson will run for re-election, but she warns he "should never be attended by a single doctor." She makes out the Republican candidate to be Richard Nixon, though Henry Cabot Lodge's image also appeared in the crystal ball.  
**Castro May Be Replaced**  
She foresees Russia replacing dictator Castro in a bid to get U. S. recognition of Cuba. She adds that Castro will accuse "high-level American officials of being in on the plot."  
She is convinced Russia will demonstrate her military strength "Russia will send us pictures of an ultimate weapon against which we will have no defense."  
For individuals, she sees "a great destiny" for Peace Corps chief Sargent Shriver and "good Luck" for the convicted embezzler Billie Sol Estes. She also sees United Auto Workers boss

Walter Reuther reaching for something — perhaps, she suggests, "for power."  
Peace will not come, says Mrs. Dixon, until the end of this century. Peace treaties will be written but will follow the rigid "Molotov formula."  
Mrs. Dixon does not like to give bad news. She has one inflexible rule: She won't warn of impending tragedy unless it can be averted. She wishes now that her warning of the attack on President Kennedy had been taken seriously.  
"I was right," she says gravely, "but oh, how I wish I had been wrong."

## Window Peekers in Northwest Floydada

Reports have come in to local law officials that a man's or large boy's footprints were discovered below the windows of three homes in one block in northwest Floydada last week indicating win-dow peekers.  
Everyone is warned to make sure doors and windows are locked and local law officials will step up patrolling residential areas of the city.  
Miss Warren and Galloway are to marry at 7 o'clock tonight, April 23 in the First Baptist Church Chapel.

## Starkey HD Club Meets In Home Of Mrs. Waller

Starkey Home Demonstration Club met in the home of Mrs. H. S. Waller Thursday, April 16. Roll call was answered with "It's In The News."  
After a brief business meeting members enjoyed an educational film on cancer brought by Mrs. I. H. Parks of South Plains.  
Those present for the meeting were Mmes. Cora Lee Shipley, George Smith, L. T. Dycus, Lu-ther Holmes, Turner Hunter, Tom Porter, H. S. Waller and two guests, Mrs. Parks and Mrs. Parrish.

## Sandhill Club Meets In Home Of Mrs. Jeffress

Sandhill Home Demonstration Club met in the home of Mrs. James Jeffress on April 15. It was of interest to note that the majority of the answers to "What Is In The News" given at roll call, concerned politics, however sports ran a close second.  
The well received program was "Using Dried Fruits in our Menus", given by Mrs. Tom Pierce and Mrs. James Jeffress who served dishes they discuss-ed. Club members learned that dried fruits have many values in diets, but those ideas connect-ed with counting calories were of the greatest interest to the group.  
If you count calories don't try to get your daily requirement of iron from raisins for they are high in calories. Other dried fruits high in calorie counts are dates, figs and prunes. Another way to reduce calories is to bake pies that call for frying.

## 1922 Club Meets In Smith Home

Members of the 1922 Study Club met in the home of Mrs. Lou V. Smith on last Thursday. Her daughter, Mrs. Ralph John-son, assisted in serving punch, sandwiches, cookies and mints from a lovely table centered with an arrangement of lilacs and daffodils.  
Mrs. J. M. Willson was pro-gram director and brought the devo-tional. Mrs. Smith brought the program on "How The Communis-ts Plan to Win Latin America." Members answered roll call with a fact about Communism in a Country in South America.  
Reports were heard from Mrs. P. D. Helms, delegates to the State Convention in Littlefield last month, and from Mrs. Smith, who made the presentation award of Mother of the Year.

BETTY SHORE

## Betty Shore And Craig Edwards Exchange Vows

The engagement and forthcoming marriage of their daughter, Betty, is being announced by Mr. and Mrs. Milton Shore of Petersburg, to Craig Edwards, son of Mr. and Mrs. Wilson Edwards of McCoy Community.

The couple will exchange vows on May 28th in the home of the bride-elect's sister and her husband, Mr. and Mrs. Earl Eubanks, in Lubbock.

Miss Shore will graduate from Petersburg High School in May. Her fiancé is engaged in farming with his father.

## YHA Members Meet In Lockney

The Floydada Chapter of Young Homemakers met at 3:00 in the homemaking department of the Floydada High School.

The program, presented by Mrs. Bacchus and Mrs. Baker, was how to make bound button holes and put in a zipper. Each one present did these two things under instruction of the advisers.

During business, Jean Hale and Loretta Harris gave committee reports on the Ladies' Day Program for the Floyd County Fair. Patsy Brock read a letter of invitation to the Crosby County Field Day to be held May 14, and includes a covered-dish luncheon. Projects for the immediate future were discussed.

Members present were: Loretta Harris, Jo Duravant, Jamie Barton, Patsy Brock, Leone Nelson, Jean Hale and chapter advisers, Mrs. Bacchus and Mrs. Baker.

Members will meet in Lockney on Thursday, April 30, with that chapter to discuss final plans for the Ladies' Day Program for the county fair.

The next regular meeting will be on Thursday, May 7, at which time Mrs. Jo Duravant will give a demonstration on how to use dried fruits.

**MRS. LATTI CONTINUES SLOW IMPROVEMENT**

Mrs. S. J. Latta, patient in Methodist Hospital with injuries sustained in a recent car accident, continues to show slow improvement, according to relatives this week.

VICKEY L. FAIR

## Vickey L. Fair, Chick Owens Set Wedding Date

Mrs. Nora Fair of Floydada is announcing the engagement and approaching marriage of her daughter, Vickie Lynn, to Charles (Chick) Owens, son of Mr. and Mrs. Jim Owens also of Floydada.

The couple have set May 29th for their wedding date. The marriage will be performed in the First Methodist Church in Floydada at 8 p.m.

The bride will graduate from Floydada High School. Her fiancé attends Texas Tech.

Committee women of Floyd County Home Demonstration Clubs are busy this week in readiness for the District 2 THDA meeting to be held in Floydada on April 30. This is the second time the annual meeting has been held in Floydada. The first was back in 1945.

The affair will be held in the First Baptist Church with registration starting at 9:15 a.m. followed by a coffee, courtesy of Lighthouse Electric. Floral arrangements will be courtesy of Park Floral in Lockney.

The general assembly gets underway at 10 a.m. Rev. Floyd C. Bradley, pastor of the First Baptist Church, will bring the invocation.

Mrs. Lynn Miller, Council Chairman for Floyd County, will lead the pledge and Texas flags, followed by group singing.

Wayne Brown, Chamber of Commerce president, will give the welcome and Mrs. G. W. Smith, THDA, chairman of Floyd County, will give the greetings. The response will be by Mrs. Preston Murphy, THDA chairman of Yoakum County.

Introduction of guests, the THDA board, and Extension staff will be given by the District Director, Mrs. Bayne McMurry, Plainview, and District agent, Mrs. Aubrey Russell.

Main speaker of the convention is Mrs. Florence Low, assistant director of Home Economic with the Texas Agriculture Extension Service at Texas A&M. Mrs. Low will speak on "Family Life In Russia." Her material for her talk was gathered during a trip she made with other home economics groups to Russia and Scandinavia in August, 1963.

Sara McCullough of Comanche County, one of the state 4-H scholarship winners, will speak briefly on what the scholarship means to her and Janet Magee McEachern of Hale County, will represent the district winners at the convention. They will be presented during the assembly by Mrs. Melton McGehee, Wayside, Tex., and Safety chairman of the National Homemakers' Extension Council.

The resolutions will be read by Mrs. Leland White of Lynn County and credentials by Mrs. Joe Henson of Terry County. Announcements will be given by Miss Elinor Harvey, Home Demonstration agent of Gaines County.

A luncheon will be served at the noon hour by the Harmony Club followed by the International

Stylo Show. Each county in the district will model an authentic costume from around the world.

An election of district officers will be held during the noon hour, with only voting delegates eligible to attend. There is one nominee that of Mrs. Tom Box of Yoakum County.

The general assembly for the afternoon will convene at 1:30. Speakers will include Mrs. L. M. Parker, Liberty Hill, Tex., who has selected as her topic, "Making The Most of Your Time"; Mrs. Wilmer Smith, treasurer of National Homemakers Extension Council will speak on "Hands Across The Waters"; and Mrs. Lynn Miller of Floyd County will speak on "Miller Goes To Washington". Mrs. Miller has just recently returned from Washington where she attended the 4-H Leaders Forum, he will give an informative and amusing skit on her trip.

Miss Elizabeth Ramos, student at Wayland Baptist College, will highlight the afternoon program with a talk on "Castro's Cuba." Miss Ramos came from Cuba two years ago from the University of Havana, where she left when Castro government took over. Her parents reside in Havana.

During the business portion of the convention the \$100 Educational Fund for District 4H, which is given by the THDA each year, will be discussed, resolutions heard, reports of election committee, a report on the State meeting in September and invitations extended to the 1965 district meeting.

The 1956 Study Club met last week on Tuesday in the home of Mrs. Marvin Wells. The invocation was given by Mrs. Glad Norman after which Mrs. Charles Tyler, president, was in charge of the business portion.

Roll Call was answered with "A Book I Have Read Recently". It was reported that the "Magazine of Friendship" has been sent overseas and the reminder has been placed in the hospital here. Also the donations for "Project Hope" are to be sent promptly.

**Unexpired term of C. O. Glenn of Nacoma, extending until 1967.**

**HIGHWAY PROJECTS** — Texas Highway Department tentatively approved a \$33,400,000 freeway, Interstate 20, through the Fort Worth-Dallas area.  
 Dallas, Houston and Fort Worth delegations asked approval of highway projects costing \$42,000,000.  
 A Rusk County delegation sought \$16,000,000 worth of improvements and a Dawson County group asked the Highway Commission for \$2,000,000 more in the Lamesa area.  
**INDUSTRY RESEARCH CENTERS PLANNED** — Governor Connally's Committee on Education Beyond the High School has taken a look at plans to use Texas industries as "great research centers" and to launch brand new types of graduate degree programs.  
 Committee studied these proposals and 14 others in a recent session as it continued to seek ways to achieve top ranking for Texas college system in 1975.  
 Its final meeting, before writing a tentative report, is scheduled for April 18.  
**THEY'RE SMOKING AGAIN** — Texans, who showed signs of slowing down on their smoking in February shortly after medical scare reports, are now at it again as heavy as ever.  
 Tax revenue from cigarette sales, which dropped sharply soon after the federal report on smoking dangers was released, jumped nearly \$1,000,000 during March, according to State Treasurer Jesse James.  
 "It looks like they have gone back to smoking," shrugged James. "At least, there's not any big wholesale quitting."  
 Comptroller Robert Calvert said it worked out about the way he had figured — smokers would go back to their cigarettes after the first shock of the warnings faded.  
**BAR SEEKS TO BAN BELLI** — Fed up with the antics of bellicose California lawyer Martin Belli, the Texas State Bar Association is seeking an order from the State Supreme Court to keep him from practicing law in Texas.  
 Claimed the Bar, in requesting an injunction against the onetime chief defense counsel for slayer Jack Ruby, "(Belli's) conduct has been so grossly and flagrantly unethical, intemperate and abusive in nature as to weaken the administration of justice and to lessen public respect for the courts and laws of this state."  
 Belli has displayed no remorse for his tirades against Dallas and the trial court since his former client received the death penalty.  
**SHORT SNORTS** — Texas Liquor Control Board reports that collections for the entire State totaled \$36,454 in February, as the result of 712 convictions and 49 jail terms with just 54 dismissals and 3 acquittals. . . . Texas business activity hit a new high during February, University of Texas Bureau of Business Research reported. . . . A new calendar of tourist events is available from Texas Highway Department.

State Department of Banking received an application for a state bank in Lake Gardens, Tom Green County. . . . State Savings and Loan Department is pondering rival applications of Kendall Savings Association for a new charter at Boerne and Community Savings and Loan Association of Fredericksburg for a branch office in Boerne. . . . State Supreme Court rejected appeals of Dist. Atty. Hulen Brown of Jacksonville and Justice of the Peace Curtis Lacy of Austin for places on Demo-

cratic primary ballots in Angelina County and Travis County, respectively.  
**RECORD VOTER LIST** — There are more Texas voters this year than ever.  
 A record total of 2,288,186 have paid poll taxes or obtained exemption certificates, the State Comptroller reports.  
 That's 293,929 more than in 1960, the previous record year, and 533,024 more than in 1962. Even so, the report does not include the free registrations for federal elections or voters over 65 who do not have to get exemptions because they live in cities of less than 10,000 population. Addition of these two categories could swell the qualified voter list to more than 3,000,000.  
 Eighty-eight percent of the qualified voters cast ballots in the 1960 presidential election. If they turn out at the same rate in this year's presidential general election, more than 2,500,000 votes will be cast.  
 Texas Republicans, aiming at getting a larger share of those votes, say they will have at least one polling place in every county for the May 2 primary.  
**TEXAS SAVINGS BONDS** — Secretary of State Crawford C. Martin has been named chairman of a payroll savings campaign for the purchase of U. S. Savings bonds by state employees.  
 Governor Connally, honorary chairman of the Texas Savings Bonds Committee, named Martin to the post of coordinating efforts of state agencies to encourage their employees to buy savings bonds through the payroll savings plans.

(Continued from Page One) house was owned by C. E. Lamb of Lubbock and the furniture belonged to the Harrisons.

About the only items salvaged from the house were clothes the people had on them.

The Harrison family had gone to Lubbock to take their youngest child to a doctor when the fire occurred. When they returned, the house and their furniture was gone.

#### Shower

There will be a shower for the Harrisons at the Floydada Rebekah Lodge at 7:30 p.m. Friday night to give the Harrisons some help in replacing what has been lost. Anything a person has to give can certainly be used.

The Harrison fire was the fifth the local department attended Monday. Twice they were called to East Ross street to extinguish a grass fire, and Monday morning they were called to a rural fire 9 south and 1 east of town to a fire that destroyed a farm shop on the Williams farm. The equipment was salvaged.

# Floydada Tops Literary Events For 12th Time Here

THESE THREE YOUNG GIRLS SHOW THEIR JOY . . . at being named overall winners at the Junior High School Awards Day April 17. Weldon Harris of the First National Bank in Floydada, is seen presenting the

book awards to Susan Booth, overall winner of the seventh grade, Marjion Wylie, overall winner of the eighth grade and Joe Christy Brown, overall winner of the sixth grade.

At the Interscholastic League literary competition held in Floydada last Saturday for district 2-AA, Floydada was named the winner for the 12th consecutive year.

The total scores for the schools were: Floydada, 169; Canyon, 159; Lockney, 61; Tullia, 37; and Abernathy 0.

In the over-all spring interscholastic League events, Canyon was the winner with 246 points, barely edging Floydada with 244. Tullia was third with 100 points, Lockney next with 88 and Abernathy last with 61. These events range from sports to the literary events.

Friday and Saturday the regional events will be held on the Tech campus and Tech Track. The sports events begin Friday morning and the literary events will be held Saturday.

In the sports division, the first and second place winners in any one event are eligible to enter the regional meet. Potts, Watts, McKinney and Lutrick will participate in the track and field events. Bill Potts will also be entered in the slide rule, and David Lutrick will take part in the science test.

Others taking part in the regional meet are: Jerry Allen, Golf; Cary Campbell, Golf; Trumper Morgan, Golf; Vernie Moore, Golf; Suzanne Collier and Sandra Stapleton, Typewriting; Clinton Fawver and Kenneth Huckabee, Number Sense; Janet Holmes, Shorthand; and

Wesley Johnson, Poetry Interpretation.

One school official was heard to say, "We are proud of the performance of all the students who participated in the events, Saturday, but particularly we are proud of the science division. David Lutrick was the winner. In winning he beat out Curtis Hob-

levy of Canyon, who has already received an eight-year scholarship to Rice University in Physics. Pat Ewing, who placed third in the event didn't know he was going to take the test until last Friday afternoon."

In addition to the winners already listed, a number of alternates are from Floydada. The

alternates will not go to the events unless, for some reason the first place team must drop out.

Those who won alternate positions are: Billy Stanforth and Ralph Johnston in Boys Debate; Jody Campbell and Vickie Jarboe in Girls Debate; Walter Robinson in Extemporaneous Speaking; Lon Johnston in Boys Persuasive Speaking and Judy Helms in Girls Persuasive Speaking; Don Rainer in Slide Rule; and Pat Ewing in Science.

In the junior high division the team totals were: Floydada, 64; Abernathy, 41½; Lockney, 39 and Tullia, 27½.

The Floydada representatives were the 9th grade declamation event. In the boys division, Jeff Kimble won top honors and in the girls division Becky Hammonds was the winner.

In next year's competition, Floydada will not compete against Canyon and Tullia, who will be in conference AAA, but will be matching wits with Friona and Otton.

## Volleyball Tourney At Dougherty

An invitational volleyball tournament has been slated at Dougherty beginning May 7 and running through May 9 in the Dougherty Gym. The Tourney is for outsider teams, not school teams. The event is being sponsored by the Dougherty Community Club and is for the purpose of helping to start a library at the Dougherty School.

April 27, Monday, is the deadline for entering teams. The fee is \$5.00 per team. Trophies will

## West Texas Rain In Process Here

CENTER, April 20 — We are having another West Texas rain today — a dust storm. But weather is "warming up."

Church was good as usual at Calvary Baptist Sunday, but many were out on account of illness. We had baptizing at the close of the morning service.

The rose brick is going up fast on the Calvary church. It is going to be beautiful—"come and see."

Mrs. Tony Balios and baby, also Joe Lee Dunn of Lubbock were with their mother, Mrs. Frank Dunn, at some time during the weekend. Mrs. Dunn returned to Lubbock with Joe Lee late Sunday to visit with her daughters on their "days off."

Calvary W. M. U. met Tuesday evening with Mrs. John Carey.

We enjoyed the lesson about "Our work with Jews" from Royal Service.

Mr. and Mrs. Buck Ragsdale of Baileyboro came Friday to visit till Sunday with her parents, Mr. and Mrs. R. C. Ross.

Mr. and Mrs. Doyle Sandifur returned home Friday from a business trip to Cotulla and other points of South Texas.

Mrs. W. M. Jackson had visiting her during the weekend her daughter and family, Mr. and Mrs. Neil Wright and son, Kevin of Rotan; and a daughter, Mrs. Orbin Carrol and daughter, Mrs. Sue Stringer and baby boy all of Amarillo.

Sunday afternoon Mrs. Jackson, Mrs. Carrol and Mrs. Stringer and baby visited Mr. and Mrs. Leo Frizzell.

Also visiting Mrs. Jackson and the Frizzell's during the week were their nephew and wife, Mr. and Mrs. Marion Carpenter and Mrs. Don Carpenter and baby of Grand Prairie. The Carpenters were formerly of Center.

Mr. and Mrs. J. E. Green visited Mr. and Mrs. Walter Sims a while Wednesday afternoon.

Mr. and Mrs. Hal Thomas visited in Plainview with Mr. and Mrs. Olin Miller one day last week.

Sunday the Hal Thomases, also Mr. and Mrs. Bill Thomas of

South Plains, dined in the John Farmer home in the Campbell Community.

Mr. and Mrs. O. C. Vinson spent over the weekend in Stephenville visiting their daughter, Mrs. Doris Huckabee and family.

Mrs. H. B. Mankins, Mrs. Frank Dunn, and Mrs. Vinson visited all friends in Peoples Hospital Wednesday afternoon.

Mrs. Garvin Beedy of South Plains came Friday to see her parents, Mr. and Mrs. Leo Frizzell and the Marion Carpenters. Later Mrs. Frizzell and Mrs. Beedy made a shopping trip to Plainview.

Mr. and Mrs. C. W. Denison entertained friends in their home Tuesday evening. Attending were Mr. and Mrs. E. W. Walls, and

the Walton Wilsons of Fairview and Mr. and Mrs. Sam Lide of Dougherty.

The Denisons visited Mrs. Elbert Parks Friday afternoon in a Plainview Hospital.

Mr. and Mrs. J. E. Green visited Wednesday afternoon with Paul Looney's and also with all friends in the local hospital. Mrs. Plumlee and Mrs. Campbell are still there—improving, we hope.

Visiting in the home of Mrs. Ola Warren Friday evening were Mrs. Charley Battey, Mrs. Joe Evers, Mr. and Mrs. Fred Battey and the J. E. Greens.

The sky is clear in Seattle only 80 days a year on the average. Sunday dinner guests of the

Fred Battey's were the Thomas Warrens, Mrs. Ola Warren, Mrs. Charley Battey and the Bob Alldredges.

Mrs. Thomas Warren was lucky winner of a huge toaster at the drawing at the Lighthouse Electric meeting Saturday week.

Vic Green of Plainview dined today, Monday, with his parents, the J. E. Greens. It was Vic's birthday, and he was "fair, fat and forty." How time flies.

The sky is clear in Seattle only 80 days a year on the average.

## Buick has a great transmission.

An automobile transmission, we grant you, isn't the most soul-stirring subject on earth. Nothing to look at either.

But if you'd like for your next new car to give you a better break on performance and gasoline mileage, something happened last week to be your guide.

The Los Angeles to New York Mobil Economy Run proved one thing for sure. There's quite a difference in the transmissions of new cars.

### Three out of four for Buick

The long-time champion in the transmission league—Buick—walked off with the 1964 economy pennant. No other single make of car won as many events as Buick. Four winners.

The winning Special carried the new Super Turbine 300 automatic transmission, the LeSabre was equipped with the Super Turbine 400 (both optional at extra cost). They're the latest in a long line of Buick transmissions well known for their smoothness and absence of "shift feel." The Super Turbine is a refined and improved torque

converter type to help you safely pass cars and trucks as well as gas stations.

You'll hear a lot about it in the next couple of years as this modern kind of transmission is adopted by more and more car builders.

### What about engines?

Of course, an efficient transmission gets more efficient when teamed up with a lean, agile engine. The winning Buick power plants were our new V-6 and V-8. The 300 cubic inch V-8 in the winning Buick Special (the lowest priced of all Buicks) and the Buick LeSabre (the lowest priced big Buick) is like a well-conditioned fighter. All muscle, no fat. Weighs in at far less than other V-8's of similar punch. It took every other V-8 in the Economy Run.

### Your type of driving—regular gas

The Run was through cities and towns, across super highways, in traffic, out of traffic. This was not race track driving or proving ground driving. This was your kind of driving—even though you can't expect to get as good mileage as these expert drivers in their finely tuned produc-

tion cars. The distance was 3,243 miles, about what most families log in four months. All three Buicks used regular gas.

So the Economy Run is not just a cross country tour for the Mobil people and a few car buffs. It's a reliable test of a car's power team and what it's able to squeeze out of its fuel.

We don't expect everybody to rush out this week-end to buy a new Buick just because we won a few economy trophies. There are so many other good reasons for leaning to Buick that economy usually gets second billing. There's styling, naturally. An unusually great ride. Extraordinary engineering and workmanship. And very young performance. Small wonder Buick sales are running at 11.3% over last year.

Adjustments In Postal Services Listed Recently

The limited adjustments in some postal services ordered in Washington March 10 by Postmaster General John A. Gronouski to save \$12.7 million will begin to take effect in Floydada and other cities May 4. Postmaster Wester said today.

Service changes planned locally include the following, Mr. Wester said:

1. Parcel Post Deliveries: Delivery of parcel post will be provided on a five-day week basis for all City Delivery routes, Monday through Friday. (No Saturday service) Patrons on Rural Routes and Star Routes will receive delivery as usual, each day the Carrier serves his route. Bx patrons will receive packages in the usual manner on each business day (including Saturday morning) when windows are open. No "after hours" window service will be provided on any day of the week. This includes after 5:00 p.m. each day, after 12:00 noon on Saturday, and

all day Sunday.

2. Window Service: Only one consolidated service window will be provided on Saturday morning for four hours to service Registry and C.O.D. services, parcel post and selling of stamps, and to serve General Delivery patrons. There will be no service for Domestic and International Money Orders or Postal Savings.

All of these services have been served by three windows and two clerks but under this expansion order to reduce cost in the postal service, will be served by one Clerk. We do not expect patrons to wait for service more than a few moments, as these services may be performed quickly, none are time consuming, except Registration of mail and C.O.D. parcels. The postmaster encourages patrons to transact as much of their postal business as possible on weekdays.

Mrs. J. Deakins Returned Home

Mrs. Jack Deakins was brought home yesterday from the hospital in Matador where she had been under treatment for injuries sustained in a one car mishap last Thursday about 4:30 p.m.

Mrs. Deakins had been in Dallas to take her husband for medical treatment and was returning to Floydada alone when the accident occurred near Matador.

It is believed a time on the car was low and when the vehicle hit loose gravel, Mrs. Deakins lost control. The car skidded turned end over end one time and landed back on the tires. A man living near-by saw the accident and came to Mrs. Deakins' aid.

She sustained a cracked rib, a badly bruised leg and other bruises and lacerations. The car was completely demolished.

Mrs. Deakins will recuperate at the home of her daughter, Mrs. Lewis Reddy in Mc Coy community, until she is able to be about.

Mrs. Max Marble will head the contest committee and assisting her will be Mrs. R. D. Barnes, Fred Boyd, Roy Hale, Mack Smithman, D. M. Coggell, Don Probasco and Mrs. A. C. Pratt. Hubert Frizzell, president of the association, said that the Merlethor Estate and Walker Tach had donated considerable amount of pipe to be used on the Fair grounds for improvements.

The new agricultural pens which will be built on the grounds were also discussed. There is to be a 60 for long sheep shed and a 40x50 yard pen. Construction is to start soon.

A large amount of dirt has been hauled onto the grounds, according to Mayor O. C. Bailey of Lockney and Commissioner Bob Jarrett. Considerable new fence is planned for the grounds. C. L. Mooney is chairman of this committee and working with him are Veldon Smith, Charlie Boedeker, David Battey, Wayne Battey, members of the Lockney Young Farmers, Floydada Young Farmers and the Lockney Riding Club.

Jerry Williams is in charge of the Junior Heifer Show, assisted by Kenneth Brosh.

Attending the meeting were Hubert Frizzell, Weldon Smith, John Darman, C. L. Mooney, Mrs. Max Marble, Mrs. Ruby Higgenbotham, Carl Brock, Kenneth Brosh, all directors and visitors; Edwin Lyon, Harold Reynolds, Mrs. J. P. Taylor, Joe Reeves and Edgar R. Hays.

# U TRANSPORT COMPANIES

## DALLAS & MAVIS CO.

Dallas & Mavis was the first auto transport company to locate in Floydada. The business currently employs 15 drivers for this area of distribution. The company is the second largest in the United States. Local Manager Ted Viramonte has a big interest in the summer baseball program and is very much interested in the progress of Floydada.

The company moved here in 1959 and has continued to improve its facilities with a new steel fence around the auto parking area and a new office built this year for Viramonte and dispatch work.

SOUTH PLAINS NEWS by Mrs. Murray Julian

Bowling League Ended Friday

SOUTH PLAINS, April 20 — The bowling teams of Mr. and Mrs. Glen Wood, and Mr. and Mrs. Eugene Beedy sponsored by Chubb Elevator and the team of Mr. and Mrs. Garvin Beedy and Mr. and Mrs. Albert Bean tied for first place in the 8-team Bowling League which played all fall at the Cotton Bowl Lanes in Floydada, and Friday night, April 10th, the league ended, and the playoffs for the tie was Fri-

day night, April 17. The team of Wood-Beedy won first place, and second place trophy went to the Beedy-Bean team. Mr. and Mrs. Raymond Upton, with 2 teams, Mr. and Mrs. I. H. Parks with 1 team, and Mr. and Mrs. Roy Bledsoe with 1 team were hosts at Rogers Restaurant in Floydada after games Friday night to a supper for all thirty two members of the teams.

H. S. Calahan Sr. of Lockney has been quite ill over the week end, and members of the family have been staying with him at the Lockney Hospital. He is much better at this time.

Mr. and Mrs. Arnold Reeves and son, Lynde of Gilliland, were guests of her sister, Mr. and Mrs. John Kinniburgh, John Mink and Beverly this Sunday.

Mr. and Mrs. Alton Higginbotham, Kelly and Bryant, were visitors at Sunday School and Church at the Baptist Church Sunday morning, and went home with his mother, Mrs. Bryant Higginbotham to spend the day and have dinner there.

Mrs. J. H. Karr of Fort Worth, who has been spending the past two weeks in South Plains with her son, the Bryan Karr family, went home Sunday, or Bryan took her as far as Chillicothe, where she will visit some time before returning to Fort Worth.

Mrs. Johnny West and Mrs. Dean Stewart will be hostesses in the home of Mrs. West on the Silverton Highway for a Salad Luncheon at 12:30 Thursday at noon, with each member of the La Than Club bringing salads which will be served to members at the luncheon. Mrs. Roy Hale of Floydada will be a guest of the club, and will do handwriting analysis during the afternoon.

Many have planted their gardens this week, and this Monday some farmers are planting their corn beans. Sugar beets are coming up after having been watered a few times.

Next Friday night, April 24, the County 4-H elimination Contest will be held at the Lockney High School at 8 p.m. Phil Kinslow from here, will appear in the junior division in Public Speaking.

Mr. and Mrs. Fred Fortenberry left Wednesday morning for Clarendon to spend the day with the Elmer Fortenberrys and children, then they left for Secorro, New Mex., where they visited until Saturday night with her mother, Mr. and Mrs. Cecil McCain, and children. It was very hot and dry out at Secorro, and have had no moisture there for a long time. Mrs. N. C. McCain came home with them and is spending this week here with her daughter. The Larnee McCains of Lockney visited here Sunday afternoon.

Of rain fell here at South Plains, proper, on Thursday night, but very little fell elsewhere in the community.

Mr. and Mrs. George West left Thursday for Lake Texhoma, which is near Sherman and Denison, Texas. They are staying in a cabin, and George is doing some fishing there of the Lake. They plan to be gone about two weeks.

Visitors here in the home of Mr. and Mrs. J. P. Taylor and children on Tuesday were his aunts, Mr. and Mrs. Keller Holmes of Floydada, and Mrs. Nettie Oliver, who was visiting her from California.

Mrs. Truman Bradshaw had a bad sick spell again Tuesday, but is up and around the house again.

Mr. and Mrs. Eugene Beedy, Mark and Todd arrived home and

last Monday afternoon after spending a few days up at Claude with his folks, Mr. and Mrs. Bill Beedy, who were branding. The J. P. Taylors were branding cattle this past Saturday at the Taylor Ranch.

Miss Barbara Milton spent the weekend in Lubbock as house guest of her sister, Mr. and Mrs. Atlas Powell and three children. She attended church at Trinity Baptist Church Sunday morning. Mr. and Mrs. Donald Bean, Juan and Mike and Mr. and Mrs. Phillip Smithman, Mark and Monty visited in Silverton Sunday afternoon with the boys' mother, Mrs. J. K. Bean.

Mr. and Mrs. Frank McClure left Thursday for Snyder where they visited her mother, Mrs. E. W. Newman, Friday they celebrated Mrs. Newman's eighty-fourth birthday, and Mrs. McClure added her a cake. Other visitors were Mrs. McClure's brother, Mr. and Mrs. A. C. Newman, Friday they went to Romy where they had supper with Mrs. Newman's sister, Mrs. W. D. Sessum, and Saturday night the six aunts came home.

Mr. and Mrs. Don Probasco, Mary and Matt left Sunday after Sunday School for Crosbyton to go to her folks, Mr. and Mrs. Hubert Holcomb, where a family reunion was held in the family back yard, to honor Mrs. Probasco's grandmother, Mrs. I. S. Helcomb, 88, of Waco, who was here visiting. Each family brought dishes to have at the dinner, and 45 were present for the reunion.

Bruce Julian and Barry Kinslow of WT College at Canyon were home with their folks over the pass week end, and Bruce attended Sunday School and church here with his family at the Baptist Church Sunday morning.

BOBBY CLUB MEETING AT MRS. J. K. BEEDY'S

Bobby Club members met for an all day meeting Wednesday at the home of Mrs. John Key West with other hostesses Mrs. Roy Burks and Mrs. Sylvie Kinniburgh. A salad luncheon was served buffet style at noon to twenty-two guests. Each member brought salad for the buffet.

Games of forty-two and eighty-four were played in the afternoon, and some members brought sewing. An interesting film was shown by Mrs. I. H. Parks and Mrs. L. T. Wood, on "Flower Arrangement," which all thoroughly enjoyed. Present were Mrs. John Key West, Sylvie Kinniburgh, Roy Burks, Frank McClure, Murray Julian, Bryant Higginbotham, John Wilson, Alvin Nichols, Horace Marble, Leighton Teeple, Billy Staniforth, J. P. Trudy, Arby Mulder, I. H. Parks, Grigsby Milton, Herman Thornton, Carl Huckaby, John Kinniburgh, L. T. Wood, George West, Shelby Calahan, and Mrs. E. P. Pritchett. Mrs. Shelby Calahan will be hostess at the next meeting in May.

Deneen Johnson, one of Mr. and Mrs. L. N. Johnsons twin girls was in the Lockney Hospital from Thursday to Sunday evening with a bad case of pneumonia. She is getting along fine at home now. All of the family had been sick the past two weeks.

Family Night at the schoolhouse Thursday night was well attended, and everyone enjoyed the talent and style show, with men dressed as women. Mmes. Syvin Kinniburgh, Philip Smithman and Hansel Sanders planned the event, and winners of the talent show in first place were the darling "Little Beeties," consisting of Mark Smithman, Rance Young, Melvin Johnson and Randy Shewmake, and second prize went to Phil Kinslow, who gave the reading, "Herbie." The Beeties wore wigs, and their musical instruments were facsimiles of the real thing. Sylvie Kinniburgh won first prize in the style show. Refreshments of cookies, coffee and punch were served to everyone.

Shelia Taylor of Cedar Hill spent Sunday here with Rhonda Teeple. The Leighton Teeples are attending revival services this week at the Cedar Hill Assembly of God Church with Rev. Don Martin of Arlington preaching his coming week.

Mr. and Mrs. Don Marble, Brett and Donette spent Sunday in Lubbock at the Mackenzie Park and out at the Texas Park where the children enjoyed the animal farm, the birds, and the railroad trains.

Mrs. Hollis Shewmake was confined to her home all last week with a severe infection, but this week she is able to be up.

Mr. and Mrs. Bill Thomas and Mrs. Maud Brister were at the Farmer home east of Floydada Sunday where they all prepared dinner for their family, John Farmer, Homer Farmer, Mr. and Mrs. R. L. Neal and Carolyn, Mrs. Lucy Pettit, Mr. and Mrs. Hal Thomas and Sue, and from Mineral Wells with them were Mr. and Mrs. Emmett Johnston, Grigsby Milton and Mrs. Easley Yearly flew to Amarillo this past week where they visited with Grigsby's sister, Linnie Milton.

Visitors over the weekend in the Alvin Nichols home were their daughter, Mr. and Mrs. Glen Whitfill, Cindy and Judy of Haskell, and Sunday afternoon guests with them were Mrs. Nichols' cousin, Mr. and Mrs. Bert Cox, of Hart, and Mr. and Mrs. F. G. Jones, Genetta, Terry, Tina and Belinda.

BIRTHDAY CELEBRATION

Mrs. Don Probasco entertained in their home Monday afternoon for their son, Matt, who was four. April 12 Little friends came for games and white birthday cake and ice cream which was served after the game period. Helping Matt celebrate were Dyanette and Brett Marble, Gregg Smith, Bruce Connor, Dawn and Derene Durham, who is only two weeks old, Max and Jill Probasco, Russ and Kerry Pratt, and the honoree Matt and brother Misary. Mothers present with Mrs. Probasco were Mrs. Don Marble, Mrs. W. T. Corner, Mrs. Bob Durham, Mrs. Gene Probasco, and Mrs. A. C. Pratt.

Yarborough Seeks 1964 Re-election

"I seek re-election to the United States Senate on a record of accomplishment," Senator Ralph Yarborough said this week.

"I have been your Democratic United States Senator for seven years. In those seven years—working with and for the people of Texas—we have made major steps forward in education, agriculture, conservation, and many other areas."

Listed as major accomplishments by Sen. Yarborough are: TAX CUT: Senator Yarborough has fought for the just-enacted tax cut—to stimulate the economic progress of this country—since he was first elected to the Senate in 1957. He helped slash one and a half billion dollars of fat from foreign aid last year.

EDUCATION: Sen. Yarborough co-authored the 1958 National Defense Education Act which provides loans for thousands of Texas students in 77 State colleges and universities. He co-authored bills expending Federal aid to school districts burdened by heavy inflow of children of Federal personnel, affecting 250 Texas school districts, and co-authored the 1963 law for expanded vocational education. He was a leading sponsor of the Health Professions Educational Assistance Act, 1963.

AGRICULTURE: Sen. Yarborough is a leading supporter of soil and water conservation programs, rural electrification and agricultural research. He co-authored the bill to cut foreign meat imports, and is now investigating depressed cattle prices.

VETERANS: 15 laws bearing Sen. Yarborough's name have been passed on behalf of veterans.

WATER CONSERVATION: Sen. Yarborough vigorously supports water conservation programs, such as the Saline Water Conversion Act of 1961, and of the dams rising across Texas—McGehe Bend Dam (now the Sam Rayburn Dam), Sanford Dam on the Canadian River, and Armatist Dam on the Rio Grande, and of numerous other water conservation projects.

NATIONAL DEFENSE: Sen. Yarborough advocates national

defense by well-trained, well equipped Army, Navy, Air Force and Marines. He supported the Military Pay Raise Act of 1958 and 1963. He endorses our NATO Alliance and our defense pacts with free nations.

INTERNATIONAL AFFAIRS: Sen. Yarborough co-sponsored the Peace Corps Act, and supported the Nuclear Test Ban Treaty halting atmospheric testing. He was instrumental in getting Senate ratification of the Chemical Treaty. He strongly supports the Alliance for Progress to combat communism in Latin America.

ECONOMIC ADVANCEMENT: Sen. Yarborough co-authored the Area Development Act of 1961, called "The Magna Carta of East Texas Economic Development." He worked for the Federal Airstrip Act of 1959 and the 1958 National Housing Act. He strongly supported the 1961 Housing Act—the most comprehensive program ever passed by the Congress. He battled for more help for elder citizens, old age pension increases and Social Security improvements.

FEDERAL EMPLOYEES: Sen. Yarborough has fought to maintain the efficiency of Federal service, and to provide pay scales comparable to those paid in private industry.

At a statewide appreciation dinner honoring Sen. Yarborough last fall, U. S. Senate colleagues—the men who know him best—told the more than 4,000 Texans in attendance: "Senator Ralph Yarborough is a man who gets things done for Texas." Also at the dinner, in a filmed message, our then President John F. Kennedy said: "Ralph Yarborough speaks for Texas in the United States Senate, and he also speaks for our nation, and he speaks for progress for all our people."

BILL WATSON IS IMPROVED

Bill Watson continues medical treatment in Methodist Hospital in Lubbock where he is receiving care for burns from the waist down. He is improved.

Mr. Watson was burned at the Brown Gin in Floydada when naphtha ignited his clothing.

CERTIFICATE OF SERVICE . . . for 15 years with the Texas Highway Department was presented recently to Sam A. Spence of Floydada. The certificate read in part "Certificate of Service in recognition and in appreciation of 15 years of meritorious service with the Texas Highway Department."

Rotarians Go To Lockney; Lockney Lions Come Here

The Floydada Rotary club will meet with the Lockney club this Friday for noon luncheon. There will be no Rotary meeting here Wednesday. The meeting will be held at Golden's Restaurant in Lockney.

Arthur Wylie is in charge of the program. The Lockney Lions club will be visiting the Floydada club and this dinner meeting is set for 7:30 in the Colonial House. Musical entertainment by Dalton Wood, editor-publisher of the Starline Beacon newspaper; Jerry Fuller, radio announcer from KVOF in Plainview and Wendell Tooley.

The club, schedules two joint meetings with the Lockney club each year.

Pasture Brush Control Plans Should Be Made

Now is the time says county agent H. T. Davison to make plans for pasture brush control. The big problem in Floyd County is mesquite growth. Allowing a mesquite to grow in a pasture, Davison says is the same as paving the way for more mesquite, growth and depriving grasses of needed moisture.

A number of routes may be taken to rid pastures and mesquite. While root plowing, raking and burning is the most sure effective way it also costs the most. Chaining is effective, but it also leaves the roots intact part of the time and shoots come up the next season. Normally if chaining is the only operation done only a few years will elapse before it must be done again. If the infested area is large aerial spraying is effective but the trees are left standing; however grasses will come back to life and give excellent growth.

If the infested area is small, hard labor can be utilized in the off season. Trees may be "dead-ended" or notched and then sprayed around the cut with 245-T. One gallon of a mixture will normally spray 15-20 trees. Eight pounds of 245-T is mixed with 100

HARMONY NEWS by Mrs. Mather Carr

Mrs. Schulz Attends Richter Ri

HARMONY, April 20 — Mrs. Monroe Schulz received a message Saturday that her uncle, Ben Richter of Smithville, had passed away. Mrs. Schulz drove over to Lubbock and was accompanied by her father, E. H. Foerster to Smithville. They spent Saturday night in Austin with the Elroy Richters and went on to Smithville Sunday for the funeral. They visited in Flatonia Sunday night and in San Antonio Monday night with the Hugo Foersters and on home Tuesday.

Mr. and Mrs. Monroe Schulz attended the funeral of Mrs. Marie Laum Thursday in Lubbock. Dean and Cavin Foerster of Lubbock spent the week with their aunt Mrs. Monroe Schulz and family.

The community met Thursday night at the center in their regular monthly meeting with Mr. and Mrs. Marion Tucker, Mr. and Mrs. Everett Miller and Mr. and Mrs. Milton Shore as hostesses.

The meeting was called to order by the president, Glenn Curtis. After the business session, 42 was played. There were not very many present but those who were there had a real nice time. The hostesses

Applications To Lions Camp Are Being Accepted

Applications for a summer full of fun for handicapped children in the Floydada area are now being accepted by members of the Floydada Lions Club.

The unique Texas Lions Camp for Crippled Children at Kerrville will open its first two-week session Sunday, June 7, 1964. Five such sessions will be held this summer for youngsters from 7 through 16.

The Camp is free to eligible blind, deaf, mute or crippled children. Transportation to and from the Camp is supplied by the Local Lions. All requests for summer camp are handled locally by Lions.

For more detailed information about the Camp, you are urged to contact Dr. Charles Craig of the Floydada Lions Club.

gallons of Diesel or kerosene for effective results.

The Spur Experiment Station has experimented with a tractor 3-point hitch root plow that will dig out sprouts and small trees up to about 3 inches in diameter.

Davison says to feel free to make inquiries about mesquite control and a leaflet is available on this subject.

Remember the time when everybody rushed out of doors to see a lone airplane flying overhead?

es served refreshments to all present.

Mrs. Joyce Davis and Jeannie, Miss Veri Miller of Floydada, and J. S. Hill of Lockney made a business trip to Dallas Wednesday. Mr. Hill visited with a sister, Jeannie Davis spent Wednesday night with Nancy Watson at Sag-anaw. On their return home they visited in Spur with Mr. and Mrs. Carl Penninger. They returned home Saturday evening.

Jeannie Davis, Girl Scout Troop 333, took part in the Band Boosters Talent Show Saturday night in Petersburg school auditorium. Mr. and Mrs. Scamahorn of Illinois, and Mrs. M. D. Ramsey were dinner guests Monday in the Sherwood Ramsey home.

Mrs. M. D. Ramsey was hostess Tuesday night for an entertainment honoring Mr. and Mrs. E. I. Scamahorn of Illinois. Those attending other than the Scamahorns were Mr. and Mrs. R. C. Davis, Cecil, Susan, Joann and R. C. Jr. of Amherst, Mr. and Mrs. Bill Finkner and Olan of near Petersburg, Mr. and Mrs. Johnny Jacobs and Johanna, of Lubbock, Mr. and Mrs. Raymond Williams of near Floydada, Mr. and Mrs. Marvin Smith and Judy and Mr. and Mrs. Sherwood Ramsey and Don Ray.

Mr. and Mrs. Scamahorn, Mrs. M. D. Ramsey and Mr. and Mrs. Sherwood Ramsey had dinner Wednesday in Lubbock with Mr. and Mrs. Donald Finkner and the group had supper Wednesday night with Mr. and Mrs. Bill Finkner near Petersburg, Mr. and Mrs. Scamahorn left Thursday for Oklahoma to visit relatives before going on to their home in Illinois.

Mrs. Joyce Davis and Mrs. Cliff Eason attended a Girl Scout Meeting in Lubbock Tuesday.

Mr. and Mrs. Joyce Davis and Jeannie were dinner guests in Mr. J. D. Travis home at Cone Sunday. Others there were Mr. and Mrs. Mac Williamson and daughters.

Mr. and Mrs. J. M. Pollock of Amarillo, spent the weekend in the B. B. Gray home. They were on their way down state to visit relatives.

Mr. and Mrs. Marvin Smith and Clifford McPeak spent the weekend at Stamford Lake fishing, but they did not have any luck. Judy stayed with her brother, Buddy Smith and family in Petersburg.

Marvin Smith received word that his aunt, Mrs. Nora Sparks of Hanna, Okla. passed away Sunday night. The Marvin's didn't plan to attend the funeral.

Mr. and Mrs. Joyce Davis visited in the evening Sunday with Mr. and Mrs. Clay Lynn Davis in Cine.

We were sorry to hear of the passing of A. R. Hanna, a long time friend. He was the uncle of Walter Hanna.

Mrs. Johnny Jacobs and baby,

# Paynes Return From 9-Day Trip

FAIRVIEW, April 20 — Mr. and Mrs. Cecil Payne returned home Thursday from a 9 day stay at Stamford Lake where they enjoyed an outing and fishing.

Guests of Mr. and Mrs. Payne during the weekend at the Lake were Mr. and Mrs. Carl Yeckum of Floydada who went down on Friday and remained until Sunday. C. J. Payne joined his parents on Friday and stayed until Tuesday. Other Friday dinner guests were Mrs. Gene Payne and children of Knox City, and Mr. and Mrs. Winfred Payne and family of Floydada.

Mr. and Mrs. Cecil Payne were saddened when they first arrived at the lake by the news of the death of Mrs. Randy (Veda) Ballard. Mrs. Ballard with her husband managed the anchor where the Paynes have their trailer home.

The community gave a bridal shower Saturday afternoon for Mrs. R. D. Clements, nee Moma Dell Wise, the shower was held at the community room of the Bank. Hostesses were Mesdames T. L. Perry, L. E. Crabtree, Lee Burton, Galen Holland, E. W. Walls and Mrs. Walton Wilson.

A nice crowd was present and Mrs. Clements received many lovely and useful gifts.

Mr. and Mrs. C. W. Payne spent the day Sunday at Clovis, New

Mexico with his mother, Mrs. W. Payne and his sister, Mrs. George Graham.

Mrs. Roy Meek and Mrs. Lyndal Carey and daughter, Carolyn, spent Wednesday and again Thursday in Plainview.

Brenda Walls and Nancy Fowler of Floydada spent Friday night with Brenda's grandparents, Mr. and Mrs. E. W. Walls.

C. J. Payne spent Saturday night at Muleshoe with his brother and family, Mr. and Mrs. James Truett Payne.

Weekend guests in the home of Mr. and Mrs. Walton Wilson were Mr. and Mrs. Leonard Wilson and daughter, Brenda of New Home and Mr. and Mrs. Harvey Allen and sons Mike and Norman of Floydada.

Mr. and Mrs. Dean Walls and family of Plainview and Mr. and Mrs. Doyle Walls and Brenda of Floydada were Saturday night supper guests of their parents, Mr. and Mrs. E. W. Walls.

Mrs. Lyndal Carey along with other members of the Eastern Star are at Hereford today (Monday) attending a school of Instruction.

Carolyn Carey is spending the day with her grandmother Meek while her mother is in Hereford. Mr. and Mrs. Lindsey Graham went to Lubbock Saturday morning.

ing and on to Lovington, New Mexico to spend the afternoon visiting his brother and wife, Mr. and Mrs. Ben Graham.

Mr. and Mrs. Bill Tye spent Saturday night and Sunday at the home of their daughter and family, Mr. and Mrs. Weldon Pruitt and Greg.

Mr. and Mrs. Leonard Wilson and Brenda of New Home visited a short time Sunday afternoon with his grandmother, Mrs. W. B. Wilson.

Mrs. Fred Marble and sons of South Plains visited Thursday afternoon with Mrs. Bill Tye.

Mrs. L. E. Crabtree was a Sunday dinner guest of her son and family, Mr. and Mrs. Kay Crabtree and Becky.

J. C. Ballard accompanied his mother, Mrs. G. M. Ballard to Lubbock Saturday where she will remain in the home of her daughter, Mrs. J. C. Crabtree for two weeks.

Mr. and Mrs. Alfred Van Hoose of Floydada visited Saturday night with her parents, Mr. and Mrs. Marion Burns and had supper with them.

Sunday afternoon Mr. and Mrs. Marion Burns went to Plainview to visit her father and stepmother, Mr. and Mrs. J. D. Smith.

Mr. and Mrs. Royce Irwin visited Sunday morning with Mr. and Mrs. Shirley Irwin and family.

Sunday afternoon Mrs. L. E. Crabtree, Mrs. Edna Phillips, Mrs. E. F. Stovall and Mrs. Mae Garrett and Bill Hardin went to Lubbock to visit Mrs. Kate Daniel at Methodist Hospital where she was a patient. Mrs. Daniels fell Saturday and broke her wrist.

Mr. and Mrs. Bill Marrs visited in the Bill Tye home Friday morning.

Mrs. Revey Irwin visited in Floydada Saturday with her daughter and family, Mr. and Mrs. Carl Nelson. Other guests in the Nelson home were her son and family, Mr. and Mrs. Troy Lee Johnson and son of Memphis, Tenn. Troy Lee is on a 12 day leave from the service, he has to report back for duty on May 1st.

Mr. and Mrs. Walton Wilson and Mr. and Mrs. E. W. Walls attended an 81 party at the home of Mr. and Mrs. Carl W. Denison on Tuesday night. Other guests were Mr. and Mrs. Sam Lide of Dougherty.

Mr. and Mrs. Earl Thompson of Matador and his mother Mrs. Van Thompson also of Matador visited Sunday with Mr. and Mrs. Galen Holland and had dinner with them.

If you think well of those who think well of you the score is even.

# Field And Kitchen News

From Lighthouse Electric Cooperative Inc. By Nancy Morekel, Home Economist and Alton Higginbotham, Power Use Advisor.

Secretary of Agriculture, Orville L. Freeman, said, "Wherever you live, whatever your job, YOU are a consumer. This USDA FOOD AND HOME FAIR for consumers is to help you to take full advantage of the many services provided by the U. S. Department of Agriculture. We sincerely hope you will come."

So at this time, for you, the American Consumer the United States Department of Agriculture is presenting THE FOOD AND HOME FAIR — from April 14 to April 30 in the patio of the Department's administration building, 14th and Independence Ave., S.W. Washington, D. C.

This Food and Home Fair for Consumers will feature USDA Services from food to fabrics, from lawn to living room, and from outdoor recreation to rural housing.

Because modern agriculture touches the life of every citizen by providing food, fiber, and shelter and because of special programs authorized by the Congress, USDA serves every American.

The Consumer — in more than 50 major areas also every day. These services range from the assurance of a constant and wholesome food supply to facilities that wear better, to increased facilities in rural areas, to nutritional lunches for 16 million school children.

This consumer fair will present exhibits dramatizing modern food products from USDA; the latest in food and clothing research; modern cotton and woolen fabrics; and their use; an energy-saving kitchen; new flowers and garden plants; how to benefit from food grades and inspection; how to find recreation in rural, wilderness and forest areas; how to use pesticides wisely; how to budget, buy on credit, and otherwise manage the household; clothing and household conveniences for handicapped people, and loans for housing and elderly citizens and other rural residents.

A Monday morning visitor at the Lighthouse was Tom Davison, Floyd County Agricultural Agent. He said County Elimination Contests, involving all method demonstrations and contests will be held in Lockney at the High School on this Friday night.

Mr. and Mrs. Harvey Riels and daughters of Lubbock spent the weekend with Mr. and Mrs. Ed Neff and girls.

Mrs. Doyce Smalley returned from Strawn, Texas, where she had been with her mother, Mrs. Flora Patterson, who was ill. Mrs. Patterson is much improved at this time.

Mr. and Mrs. Bill Latham, of Dumas, visited Mr. and Mrs. Buck Marnicle and boys over the weekend.

Mr. and Mrs. Red Gregory spent the weekend at Lake Stamford fishing.

Mr. and Mrs. Bud Goen and Mr. and Mrs. Bud Sparks spent the weekend at Lake Kemp fishing.

Mr. and Mrs. Pete Hickerson spent Friday night and Saturday in Lubbock with their daughter and her husband, Jerry and Pat Baurland.

Mr. and Mrs. Corkey Guffee, Phyllis Ann and Larry, were dinner guests in the home of his parents, Mr. and Mrs. Clarence Guffee. Other guests were Mr. and Mrs. Robert Ragsdale of Strat-

ford. The occasion was Mrs. Ragsdale (Sonja Guffee) and Phyllis Ann's birthdays.

Mr. and Mrs. Claude Weatherbee, Tommy and Leigh Ann spent Sunday in Snyder with Claude's mother, Mrs. Eunice Weatherbee.

Mr. and Mrs. Tom Hutchins went to Ralls Saturday to visit his mother, Mrs. J. H. Hutchins.

Everybody likes to share a good recipe. And it's easy to prepare new recipes these days, even though they originated in another part of the country and call for ingredients produced thousands of miles from where you live.

A wide variety of garden fresh food is as near as your favorite store at any season of the year as a result of improved farming, transportation, processing, storage, marketing — and the wonderful abundance of food produced by the American farmer.

Speaking of sharing recipes — Mrs. Lyndon B. Johnson officially opened the USDA Food and Home Fair on Tuesday, April 14, and she is sharing some of her favorite recipes with you and your family. Here they are:

**SPINACH PARMESAN**  
3 pounds fresh spinach, washed or frozen spinach, thawed  
6 tablespoons Parmesan cheese, grated  
6 tablespoons onion, minced  
6 tablespoons heavy cream  
5 tablespoons butter, melted  
1/2 cup cracker crumbs.

Cook spinach until tender, drain thoroughly and chop coarsely. Add cheese, onion, cream and 1/2 tablespoons butter. Pour into shallow greased baking dish. Sprinkle with crumbs mixed with remaining butter. Bake for 100-15 minutes.

**TURKEY DRESSING**  
Medium-size pan corn bread, about 4 cups, crumbled  
4 slices toasted bread, crumbled  
Stock from turkey  
6 eggs  
1 stalk celery, chopped  
3 large onions  
1/4 cup butter, melted  
Salt to taste  
Pepper to taste  
Sage to taste

Mix corn bread and bread with stock from turkey. Be sure to use enough stock so mixture will not be stiff. Add eggs and remaining ingredients. Stuff lightly into turkey just before roasting, or pour into greased casserole and bake slowly for 1 hour. Serves 8.

**FEDERALS RIVER CHILI**  
4 pounds chili meat (Chili meat is coarsely ground round steak or well trimmed chuck meat. If specially ground, ask meat man to use 3/4 inch plate for coarse grind)  
1 large onion, chopped  
2 cloves garlic  
1 teaspoon ground oregano  
1 teaspoon comino seed  
6 teaspoons chili powder, more if needed  
1 1/2 cups canned whole tomatoes  
2-6 generous dashes liquid hot pepper sauce  
Salt to taste  
2 cups hot water

Place meat, onions garlic in large, heavy fry pan or dutch oven. Cook until light-colored. Add oregano, comino seed, chili powder, tomatoes, hot pepper sauce, salt and hot water. Bring to boil, lower heat and simmer about 1 hour. Skim off fat during cooking.

Mr. Edmund Brown and Scotty were dinner guests at our home on Monday noon.

# Connally On State-Wide Telecast

Governor John Connally will review steps for progress for Texas under his administration in a special half-hour state-wide telecast Friday night of this week. The program will be carried on more than 22 stations in all parts of Texas. Tentative time in most areas is 8:30 p.m. on CBS stations.

It is the first major appearance by the Governor of his re-election campaign. He has made a few non-political appearances over Texas, but mostly concentrated on tending to duties of the governorship at Austin.

In the half-hour program, to originate from the State Capital Governor Connally is expected to stress several highlights of his administration on which he has placed emphasis since taking office.

Foremost is likely to be the field of education, which has been a frequent theme of his statements. At the governor's recommendation, the 58th legislature authorized creation of the Committee on Education Beyond The High School which currently is evaluating the state's educational resources and laying out a blueprint for the future.

The Governor also is expected to dwell on increased industry for Texas and point out that 317 new plants were built in the state last year — second only to New York. He also likely will point out that the state's new Texas 65 Health Plan provides low cost medical care for aged as a result of legislation passed last year. More than 50,000 elderly Texans enrolled in the plan the first thirty days.

In addition to the statewide half-hour program, Governor Connally also has revived his popular "Coffee With Connally" series inaugurated two years ago. The 5-minute informal program is scheduled in stations throughout Texas — in most areas on NBC stations during the Today Show.

Mrs. John Connally carried out a busy schedule of coffee appearances in several Texas cities last week in support of her husband's candidacy.

# White Boasts Of Services During Term

The agency headed by Texas Agriculture Commissioner John C. White provides more direct services to Texas consumers than any other department of State government, White's office reported this week.

During Commissioner White's administration of the Texas Department of Agriculture, the report said, programs which directly benefit all Texans have been begun and increased to such an extent that consumer services are now 5 times greater than when White took over. Direct consumer services under White's department include such important programs as checking for most weights on all goods for home and industry sold in Texas, inspection of egg grades and quality, quality tests of all brands of automobile anti-freeze, inspection of numerous kinds of fruits and vegetables, and inspection of nursery products.

In addition to responsibility for fairness in the sale to Texans of the billions of items which come under these programs, White's agency is in charge of numerous additional laws and services which benefit Texas farmers. Laws to insure quality of seed the farmer uses, to guard against insect pests and diseases, to protect grain that the farmer stores, to assure careful applications of farm chemicals — these and many more programs of service and assistance for farmers and ranchers are Commissioner White's responsibility. Such farm-related programs have more than tripled in volume and kind since White took office as Texas' sixth Commissioner of Agriculture.

A total of 26 citizens of Floyd County had their driver's license suspended or were denied a license during the year 1963. Of this total, 19 persons had their licenses suspended and 7 were denied a license, according to Sgt. C. A. Dempsey, Texas Department of Public Safety.

Some of the major reasons for suspensions and denials of licenses including driving while drinking; 19; habitual violators, 3; fraudulent use of license, 0; violation of restriction, 3; automatic suspension in other states, 1; and driving while license suspended, 0.

During the year, 25,022 licenses were suspended with 8,632 licenses denied over the state. Drivers in the 20-year old bracket had the most licenses suspended with 1,307. The 19 year-olds ran a close second with 1,305 suspended. The oldest driver who had his license suspended was 96 years of age, with one driver 95 years of age who was denied a license.

The above information was obtained from the records of the Texas Department of Public Safety. The D.P.S. is required by law to file every application for a drivers license received by it. These records include the name of every license whose driver's license or driving privilege has been cancelled, denied, suspended or revoked and after each such

### The Supreme Court Is Important

It is important to every citizen of Texas, for within its purview come the cases that interpret our many laws . . . from the sales tax to oil cases. Their decisions (the men who sit on this court) affect every one of us every day.

This is why the election of good men to the Supreme Court is of utmost importance to each of us.

Over 3,000 Texas attorneys petitioned Judge Jack Pope of the Court of Civil Appeals in San Antonio to make the race for the place being vacated by Judge Culver's retirement.

His long career as a District Judge . . . and then as an Appellate Judge . . . qualifies him far better than his opponents. His consistent record of opinions upheld by the Supreme Court indicates the quality of his work. And the report showing his Appellate Court to be the "most economically operated in Texas" shows that he can produce quantity also. We believe a man who has given us justice and economy . . . who has earned the respect of the Texas Attorneys . . . deserves your support and your vote.

### Religion And Opium

The moral attitudes of the youth of the world are causing problems for many countries, especially those of the socialist camp.

The problem in these countries is of a different nature than that found in the bourgeois imperialist democracies.

Recently Russian officials revealed that not only are Russian youths indulging in hooliganism and the twist, but are sneaking off to church.

Militant atheism is not the popular success it was expected to be and new, intensive campaigns of indoctrination are planned, especially among the youth.

Atheism has been the established religion in Russia for almost half a century now. During that time, the small number of churches existing there have been subject to persecution of varying intensity. However, the people continue to go to church. Marx explained clearly that religion is the opium of the people. What can have gone wrong?

One thing is probably the establishment itself.

Marx's opium of the people was applied by an exploiting class of landowners, industrialists and aristocrats.

Russia still has its exploiting classes, but their established religion is militant atheism. Under Communism, membership in a church may serve some of the purposes atheism served under the Czar.

Then again in the worker's paradise, maybe people need a little opium.

#### The Weekly Newspaper

The weekly newspaper has come in for much discussion in recent years. There was a time when the small town weekly seemed to be on its way out . . . and statistics seemed to support this idea.

The numbers of weeklies, for example, has been declining constantly since 1910. In 1910, there were 36,850 weeklies in the United States. In 1920, there were 14,587; in 1930, 11,689; in 1940, 11,311; in 1950, 10,179; and in 1960, 9,343.

But these figures aren't all they seem. While the small, unprofitable papers have been folding or merging, the large ones have been expanding. As late as 1949, a weekly was considered small if its annual volume was under \$70,000, medium if its annual volume was from \$10,000 to \$25,000; and large if its annual volume was over \$25,000. But in 1961, the small weekly was that with an annual volume under \$20,000; medium if it was \$20,000-\$80,000 volume; and large if it was over \$80,000.

Most of the thousands of small weeklies that once existed in hamlets that couldn't support them are gone; and a single strong paper now exists instead of the two or three competing ones that used to struggle for existence. New vigor has resulted from the decline in number. The loss in the United States from 1958 to 1963 was only 17 weeklies.

Surviving weeklies in towns of 2,500 or more have grown in circulation and financial strength since World War II. The circulation of 12 representative weeklies in rural areas increased 19.2 per cent from 1945 to 1962.

Why the continued growth of community weeklies in rural areas at a time when the big metropolitan dailies are struggling to hold their own?

It is human nature for people to be interested most in what they know best.

Farmers can talk farming when they get together, housewives discuss children and house-keeping, commuters complain about commuter trains, ball-players swap tips and yarns on ball playing and other ballplayers, and newspapermen talk about newspapering.

People in all walks of life, as good weekly newspapermen know, are interested most in news of the people, schools, government, churches, organizations and other activities of their own community. They want a paper, too, that will work for the best interests of these things which are so near and dear to them.

The big dailies can't possibly provide this intimate coverage and support. Where else but in the hometown weekly would one read that the Jones family visited with the Browns Sunday night

after church?

Even Editor Charles A. Guy of the Lubbock Avalanche-Journal said recently, "The particular values of weekly newspapers cannot be matched by the dailies which handle mostly global, national, state and municipal news. Weeklies cover their backyards in detail . . . it is impossible for dailies to match such coverage."

But this is only half the story of the country weekly.

Another trend during the past half-century has been the decline of the daily press. Due to economic, the day of competing daily paper is just about a thing of the past. Cities such as New Orleans and Indianapolis now have only one daily paper. Surviving dailies have taken advantage of their monopolistic position and have abused it. Their readers, in too many instances, get only one side of the story. So it is that hundreds of thousands of Americans are dependent upon the weeklies for the other side of the story.

Swisher county is typical. Few are the people in this county who don't get both sides of an issue. Consider the recent wheat referendum, for example. Swisher farmers were saturated with one side of the issue by their county weekly. They were saturated with the other side by the regional dailies, radio and television. Not a Swisher county farmer could say he hadn't received both sides of the wheat proposal.

With monopolistic dailies up to their necks in partisan politics and since the answer can no longer be found in competitive dailies, it is up to the weeklies to try to fill this void. Weeklies have the facilities to do just as good a job in presenting an issue as do the dailies. Despite the fact that weeklies are often told that they should be seen and not heard so far as politics outside their own little bailiwick is concerned, the fact is that a mighty responsibility lies on the shoulder of the weekly editor. We hope he recognizes and assumes his responsibility to his community.

### Comet...World's 100,000-Mile Durability Champion

At Daytona, a team of four specially equipped '64 Comets each traveled day and night 100,000 miles at over 105 miles per hour — an unequalled feat of stamina and durability.

In Africa, Comet showed its stamina again in "the wildest ride on earth" — the monsoon-swept East African Safari Rally. 94 cars started. Only 21 finished the run — two of them were Comets.

Route of the "wildest ride on earth" — 3,188 miles through the heart of Africa.

### Leads the sales success parade!

Is it any surprise that Comet sales are up to almost double last year's? Comet proves what it can do. After 100,000 miles at Daytona, one of these special Comets has traveled another 31,000 and is still going strong. Then rally-equipped Comets slogged through 3,188

miles of African mud, rocks and jungle — the first to carry America's colors in the world's toughest car event. Want more reasons? Just take a look at this new Comet. Husky, racy, beautiful, and built, really built. Make tracks for a Comet at your Mercury dealer's.

#### A Bottomless Pot

The scene: A committee meeting of an organization with a fund raising project in mind which will help the club carry out a worthy project.

The time: Any time. The place: Any community, variably suggested as a good large or small.

What do you suppose will inspire to raise money?

Of course! Ask the "merchants" for a contribution, after all, we trade with them and if they can't come across with a contribution for a worthy cause once in a while, they're not worth trading with.

So once again a small group visits the merchant and once again he contributes to a worthy cause, and charges it up to "advertising" when he knows good and well that there is nothing resembling advertising in it.

In fact, were the average business man not so polite, he could call this a form of blackmail. At best, it is pressure, and plenty of it.

These pressures for donations might be disguised as program advertisements or ticket purchases but they are still donations.

It may be that a show of some sort is planned. The promoter succeeds for the club to print up a bunch of advance tickets, and then sell these in bunches to merchants in fair game for every club to his customers or find some other use for them.

It is still a donation. In this country, there has developed a feeling that the merchants is fair game for every club and organization. People forget that businessmen belong to churches which they support, that they belong to clubs to which they pay dues and to which they contribute.

There is no group that is taxed on his means of making a living like the business man.

There is little way of estimating how many dollars go out of town into "advertising" in school annuals from schools who finance their yearbooks this way. These are more properly called "donations" instead of advertising but the business man feels like he has to support the school yearbook because he has customers who come from that community. Nobody ever sees his "advertisement" but a handful of students who buy a yearbook at the close of the school year.

Clubs and organizations ought to ask themselves "Does the businessman have an obligation to support this activity?"

Is there a real advertising value or a real benefit to the businessman who goes to this cause?

Donations and contributions make up a lot of money at the end of the year for any business, large or small. In some case a store gives out thousands of dollars and some smaller stores give out hundreds.

But be it large or small, the

average businessman or business enterprise is looked upon by people not in business as fair game for contributions. Sometimes it even seems that people think business has a bottomless pit containing money waiting to be tapped for good causes.

It may ought to be that way. Let it shore out!

## Floyd Philosopher Comes Out In Folk Singer's Idea Of Ear-Marking Tax

Editor's Note: The Floyd Philosopher on his Johnson grass farm won't get anywhere with his idea this week, but we sometimes doubt he's trying to get anywhere.

### Veteran's Ask

Q—Will a dishonorable discharge from military service bar a veteran from receiving VA hospitalization?

A—Yes, that is the case.

Q—I am disabled and the premiums on my National Service Life Insurance are waived. When I die will my beneficiary receive the full amount of my policy or will the unpaid premiums be deducted at the time of settlement?

A—Your beneficiary will receive the full face value of your policy. No deduction will be made to cover the premiums you did not pay while the policy was on waiver.

Q—Does the VA furnish medical care to dependents of veterans?

A—No, not as such. Of course, VA hospitals will admit anyone when necessary to save a life in a medical emergency. But such non-veteran patients must pay the Government for their care.

her income tax because that portion would go for national defense and she's opposed to war.

This introduces a brand new idea in tax paying, and I hope you'll keep up with this singer's luck with the Internal Revenue Service and let me know how she comes out.

If it works, I am going to rework the list of things I am opposed to that the government is spending money for and by wracking my brain and re-shuffling my prejudices I figure I can cut my income tax by around 90 per cent, with the remaining ten per cent ear-marked for increased government checks for agriculture. One of the things I am particularly opposed to is the manufacturing of guitars.

I had never occurred to me you could ear-mark your tax payments, but it opens up vast opportunities. For example, if you're a Democrat and don't like

Republicans, think about for mankind, you could your tax payments and pull them when your side of the same system, if you pull for Democrats, you could decline to pay way about half the price, practically everybody. With Democrats pulling for Democrats to win, and pulling for Democrats as a tax dodge, your politics would be any more than it generally is?

Say, when my subject The Hesperian comes to be surprised if I pay more to read the newspaper anyway and see me paying for something I don't want.

### Officer Panel Re-Elected By Lockney Board

Current panel of officers was re-elected recently in a meeting of the Lockney School Board, with Kenneth Wofford, president; R. C. Mitchell, vice president; and Charlie Boedecker, secretary, remaining in office.

Following canvassing of election votes, five members of Lockney's Masonic Lodge presented Raymond Rucker as spokesman requesting permission for the lodge to lay the corner stone for the city's new grade school building under construction. Permission was granted, with the date for the ceremony to be announced later.

The board voted to pay \$1000 on the new school hand uniforms.

Teachers' resignations accepted included Donald Houston, High School science teacher; Mr. and Mrs. Frank Gonzales, Gonzales taught Spanish and English in Lockney High School, and Mrs. Gonzales was a third-grade teacher.

Teachers elected were Mr. and Mrs. R. L. Knox who will teach fifth grade.

G. W. Stugs was re-elected as school attorney. Bus drivers hired were Fate Traylor, Lynn Rhoderick, Weldon Dodson, C. L. Reed, Van McCada, L. A. McCain, and Mrs. J. A. Race, leaving three drivers yet to be employed.

Lone Star Community was granted permission to tear down its old school building and reconstruct it as a community center.

The board adopted the school calendar, signifying that first grade students will register for the next school year Aug. 28 "In-Service" days for teachers will be Aug. 31-Sept. 1. First day of school is set Sept. 2, and the year will close May 28, 1965.

Other board members present were Owen Thornton, Walter Taack, and Harold Griffith. Also attending was H. H. Nicholas, school superintendent.

## Systemic Insecticides Used In Floyd County

Systemic insecticides were used in Floyd County last year, with some farmers pleased with the results, and others not, says County Agent H. T. Davison.

Generally speaking, Davison says, phorate and di-syston will give effective control of thrips, aphids and leaf miners for 4-6 weeks following planting. In some instances under optimum conditions, even longer control has been experienced. This type of insecticide program will not control overwintered boll weevils and flea hoppers.

Both phorate and di-syston are available as a 10 percent granular material to be placed in the furrow with the seed at planting time at the rate of 5-10 pounds per acre. Phorate may also be used to pre-treat planting seed.

The advantages and limitations of using systemics are as follows:

**ADVANTAGES:**  
1. The use of systemic materials insures effective control of most early season pests when weather would normally keep the grower out of the field with ground equipment.

**Appreciation Tea Given To Lockney FHA**  
Lockney Future Homemakers of America held an Appreciation Tea recently in the home-making department of Lockney High School. Guests were persons of the community who have been helpful to the chapter during the year.

Miss Jane Thacker, president of FHA, greeted guests at the door. The serving table was laid with a white cloth and featured an arrangement of red roses.

Miss Pat Thornton and Miss Linda Elam presided at the table. Assisting were Miss Jenita Ferguson, Miss Patsy Baxter and the advisors Mrs. Wilma Adams and Mrs. Merle Brotherton. Attending were Clar Schacht F. M. Smith, H. H. Nicholas, Miss Shron Edwards, Mmes. Henry Ford Jr., H. G. Edwards, Max Marbel, Art Barker, Melvin Claude Brown.

**ORDINANCE NO. 368**  
**AN ORDINANCE PROHIBITING DOGS FROM RUNNING AT LARGE IN THE CITY OF FLOYDADA, TEXAS; PROVIDING FOR IMPOUNDING SUCH ANIMALS; AND FOR THE REDEMPTION AND SALE THEREOF; FIXING FEES; AND PROVIDING FOR THE VIOLATION OF THIS ORDINANCE; AND FURTHER PROVIDING FOR THE REPEAL OF ALL ORDINANCES IN CONFLICT WITH THIS ORDINANCE; DECLARING AN EMERGENCY; AND PROVIDING FOR THE PUBLICATION OF THIS ORDINANCE.**  
 BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FLOYDADA, TEXAS:

Section 1. Definitions—For the purpose of this ordinance the following terms, phrases, words, and their derivatives shall have the meanings herein given.

(a) "Running at large" — shall mean the animal is not enclosed by a guard fence capable of restraining such animal or is not on a leash capable of restraining such dog.

Section 2. It shall not be lawful for the owner or controller of any dog, to allow, or permit the dog to run at large, or be at large within the limits of the City of Floydada.

Section 3. It shall be the duty of the Chief of Police or his authorized agent to capture and impound in a pen to be provided by the City of Floydada, Texas, for that purpose called the "Dog Pound" any dog, male or female, found running at large within the City of Floydada, Texas, and if such dog, male or female, is not redeemed or reclaimed or taken to the pound within the time required under the provisions of this ordinance then the Chief of Police shall advertise said dog for sale 24 hours by posting one notice at said sale at the door of the City Hall, which notice shall give the time and place of sale and shall, if said dog is not redeemed, sell said dog, male or female, at public auction and if no one shall bid upon the same, the amount of charges due on said dog, the said dog shall be bought by the City at once and killed by the Chief of Police or his duly authorized agent.

Section 4. (a) The Owner and Keeper of said dog or dogs captured or impounded under the provisions of this ordinance, shall be permitted and allowed at any time within 48 hours after such dog or dogs shall have been impounded, to redeem, reclaim and again receive possession of said dog or dogs, upon payment to the Chief of Police or his duly authorized agent, the sum of \$1.50 per head for taking up and impounding such animal and \$1.00 per day or fractional part thereof, for the taking up and impounding and caring of such animal which sum so paid to him shall by the Chief of Police be paid over to the City Manager for deposit with the treasurer for the use and benefit of the City as well as all other money received by him under the terms of this ordinance.

(b) Should the owner or keeper of said dog or dogs, male or female, fail to redeem the same as provided for in Paragraph A of this section within 48 hours, then said dog or dogs shall be advertised and sold or killed in the manner provided for in this ordinance. It shall be the duty of the Chief of Police and the duly authorized dog catcher to see that the terms of this ordinance are strictly enforced.

Section 5. Whoever, without proper authority, break into, open or pull down the enclosure of or make any opening into any pound or enclosure belonging to and used by the City of Floydada for the purpose of impounding animals or shall turn out or release any animal from any pound, or cause the same to be done, or aid and abet in doing the same, shall be deemed guilty of a misdemeanor and shall upon conviction thereof be fined in any sum not exceeding \$100.00.

Section 6. Severability of Provisions. It is the intention of the City Council that each separate provision of this ordinance shall be deemed independent from all other provisions hereof, if it is further the intention of the City Council that if any provision of this ordinance be declared invalid, all other provisions hereof shall remain valid and enforceable.

Section 7. Repeal of Conflicting Ordinances. All existing ordinances of the City of Floydada, Texas, are hereby repealed insofar as they may be inconsistent with the provisions of this ordinance.

Section 8. This ordinance is passed as an emergency measure, and the City Council does by the vote by which this ordinance is passed declare that this ordinance shall be effective and valid upon the publication of said ordinance as required by law.

PASSED, APPROVED AND ADOPTED this 14 day of April, 1964.
