County Receives Valuable Moisture; Hail Damage

Fairview Community Gets As Much As 3 Inches

"Water, water everywhere—" was the cry of a few people in the county last Friday evening, while others looked at the promising clouds and wished for more to fall. The people in the Fairview Community and a few miles north suffered some hail damage during the rain, that is the first really beneficial moisture received in a month and a half. Those at South Plains received only a trace.

With the hail, the Fairview Community recorded rainfall ranging from 1 inch to near 3 inches. North and east of that area at Cedar Hill only .1 was recorded at the Cedar Hill Store.

For most of the dryland wheat, the moisture came too late. A number of growers have already plowed up what little wheat has been left in the fields after all the grazing benefit was taken from the crop.

The moisture came just in time as far as the dryland cotton farmers are concerned, however, for most have just been waiting for some rain before they planted. The natural rainfall, of course, is always a boost to the irrigated farmers, although irrigated crops were not suffering where wells were large enough to handle the crops needing the moisture.

An area four miles wide and 11 miles long was hit by the hail. (See MOISTURE, Page 6)

Lockney's Tommy Moore Receives Four-Year Scholarship To Rice

Tommy Moore, the Lockney track ace who set a new 440-yard dash record at the state meet a couple of weeks ago, is about to launch on a new career.

Monday after his fine performance at the state meet, the Moores received a phone call from Emmett Brunson, the head coach at Rice University in Houston, offering Tommy a full four-year scholarship at the school. This step was not taken by Rice officials until they had taken the time to check with the Rice registrar, and had checked on Moore's scholastic record. This "Check-Out" certainly was beneficial to Moore for his two-year average is an impressive 96.18.

South Plains Co-op Meet Tues. Night

Roy Burks, manager of South Plains Co-op Gin and Elevator at South Plains, announces their annual Stockholders meeting to be held Tuesday, May 26 at 7:30 p.m. in the American Legion Hall in Lockney.

Burks said a barbecue supper would be served by a catering service and a general business meeting would follow. Two directors are to be elected. All stockholders are urged to attend.

Gerald Lackey reminds all Lockney and Floydada merchants to enter floats in the Old Settlers parade here next Thursday. There are no entry charges and there are prizes for the winners.

Lackey and Jack Johnson, parade; Margaret Collier, registration; A. T. Swepton, food; Maud Hollums, program; Mrs. Jack Henry, Mrs. L. M. Honea and Mrs. Frank Dodson, memorial; Duncan Hollums platform; A. T. Swepton, dance; Mrs. A. T. Noiland, Old Fiddlers contest.

Any club or individual may secure a window to display their antiques. This information concerning this division of the event may contact Mrs. Bill Hardin or Mrs. John Stapleton of Floydada or Mrs. Charley Merrick in Lockney.

Old Settlers Day Program And Prize List (See OLD SETTLERS, Page 6)

Over \$600 Offered In Prizes For Old Settlers' Reunion Here

At the 1964 Old Settlers' Reunion next Thursday, May 28, commemorating the 55th anniversary of the Old Settlers Reunion more than \$600 will be given away in prize money for performances in the parade, old fiddlers' contest, and in platform prizes, including Antique Windows.

Also more than 400 people are expected to eat at the free barbecue served at noon. That is, free to those who lived in Floyd County for 50 years or more.

In the past, the old fiddlers' contests has proved to be one drawing the most interest, besides the parade. In fact those older ones, who claim they are the ones who really know how to

fiddle don't want to associate with those "young whippersnappers" who think they can draw a bow but are under 65 years of age.

Anyone interested in taking part in the old settlers' reunion should contact one of the following persons:

Hubert Frizzell, Duncan Hollums, Jack Henry, Bert Bobbit and Joe Reeves, finance; C. L. Anderson, Maud Hollums and Mrs. G. C. Applewhite, nominating; Floyd Jackson, Lindsey

Baccalaureate services for the 1964 graduating seniors of Floydada High School has been set for Sunday night at 8:00 p.m. in the high school auditorium. Friday, May 29, the graduating seniors will come to the end of their high school careers as they go through the commencement exercises in the high school auditorium, beginning at 8:00 p.m. The Lockney High School exercises are slated tomorrow night at 8:00 p.m. in the high school auditorium. Forty-four students, one of the smallest classes in several years, and smaller than any year presently foreseen, comprise the senior class. Hereafter, the trend will be constantly to larger classes here as throughout the rest of the area. Rev. Roy Turner of the First Christian Church of Floydada will preach the Baccalaureate Sermon, with Roy Archer, pastor of the Church of The Nazarene giving the invocation and Rev. Houston Dixon of the Cumberland Presbyterian Church giving the benediction. Sharon Huggins will play the professional and the recessional. The audience will participate in two songs at the service, "My Faith Looks Up To Thee" and "Savior Like A Shepherd Lead Us", with Bob Copeland leading. The audience will be seated during the recessional until after the seniors have marched from the auditorium. Commencement Exercises The theme of the 1964 commencement exercises is "Faith For Tomorrow". The professional and the recessional will again be played by Sharon Huggins. The professional will be followed by the invocation given by Dale West and a saxophone solo by Walter Nicholson, accompanied by Lana Davis. "Your Faith Must Be Satisfied", the salutatorian speech will be given by Pat Ewing, followed by a brass quartet consisting of Rickie Burns, Pat Ewing, Ronnie Tucker and Jimmy Owen. "You'll Never Walk Alone"

The 1964 Senior Class, Sponsors and Officials consist of Superintendent A. E. Baker, Prin., C. E. Tyler, Anne Swepton, Helen Patterson and Henry Barber, sponsors, Dwight Teeple, David Peace, Bennie Galloway, Mary Smith, Sue Thomas, Nick Henry, Janette Roddam, Vick Rendon, Kathleen Turner, Kenneth Huckabee, Linda Vick, Conley Bradford, Carrel Kirby, Monroe Schulz, Jill Matsler, Marilyn Kinnibrugh, Ronnie Tucker, Lana Davis, Dale West, Carolyn Franklin, James Britton, Judy Appling, Norman Miller, Betty Wright, Norman Goen, Don Rainer, Elizabeth Wright, Rickie Burns, Sharon Burton, Kendall Reed, Sandra Marler, Jimmy Oden, Wesley Johnson, Susan Simpson, Donald Ray Wilson, Nancy Holmes, James Golightly, Jackie Yearry, Wesley Edwards, Suzie Badgett, Steve Eaton, Jerry Allen, Darlene Mount, Walter Nicholson, Vernie Moore, Jay Frank Parks, Sue Harrison, Pat Ewing, Norberto Santana, Maria Capocéfalo, Billy Wheeler, Barbara Milton, Larry Brand, Vickie Fair, John S. Calahan, Frank Goen, and Harryette Hollums.

will be sung by a vocal group consisting of Barbara Milton, Carolyn Franklin, Marilyn Kinnibrugh, Kathleen Turner, Darlene Mount, Susan Simpson, Vickie Fair, Sharon Burton, Jannett Roddam, and Bennie Galloway. The valedictorian address, "What Will Tomorrow Be?" will be given by Susan Simpson. A drum solo "Connecticut Half-time" by Conley Bradford will precede "Al Me! Amici" by Maria Capocéfalo. The presentation of diplomas by Superintendent A. E. Baker will be followed by the benediction by Wesley Johnson, the school song by the graduates, and the recessional by Sharon Huggins. The audience will be advised to stand for the prayer and the school song and stay seated for the recessional.

Water Rights Priority Given For Tule Dam AUSTIN — Civic leaders in Tule, Silverton, Floydada, and Lockney have a six-month "priority" on their proposed reservoir in the Tule Canyon in Briscoe County. The Texas Water Commission accepted the filing of a "presentation", which gives the MacKenzie Municipal Reservoir group a priority on water from Tule Creek. The Fort Worth firm of Freese, Nichols & Endress will make studies on the portion of Tule Creek from its headwaters to the point where it runs into the Prairie Dog Town Park of the Red River. Their studies will lead to a report indicating whether the project is feasible for providing a municipal water supply for four cities. A citizens group has been organized to promote the project. Tule Canyon, a deep canyon cut by Tule Creek, provides a site where water will be deep, and evaporation lower than in many West Texas reservoirs. Impoundment of 25,000 acre feet is envisioned. (See CLUBB, Page 6)

Object Falls On Doodle Milton Farm

The object which fell near Doodle Milton's airstrip in a field of cotton east of South Plains last week remains a mystery. Neighbors have looked at the shallow three-foot hole and the three round holes that furrow out in several directions and two professors from the science department at Texas Tech have examined it, yet no one can say what fell.

A Mexican farm hand on the Milton place told Doodle that something had fallen down in the field and since that time neighbors have kept the road hot to Milton's place to view the strange cleft in the ground. It is evident that the object was hot because of the white powder left in the little round holes. . . . it is possible that it was spinning because it left a perfectly round hole. At the impact area is a 5' diameter hole in the middle spaced two smaller holes equally spaced on each side of the center hole. It seems that the object splashed out into the earth sideways after penetration of the earth and disintegrated. A group of residents in the

New Arrivals

Mr. and Mrs. Audrey McCormick are parents of a boy, Jeffrey Gayland, born Tuesday at 4:25 p.m. at Plainview Hospital and Clinic weighing seven pounds, 10 1/2 ounces. This is the couple's first child and the first grandchild for the maternal grandparents, Mr. and Mrs. Turner Hunter, Floydada, Mr. and Mrs. L. R. McCormick, Lockney, the paternal grandparents.

Mr. and Mrs. Wayne Poteet of Floydada are parents of a baby girl born on May 10 in Lockney General Hospital. The new daughter weighed seven pounds and two ounces and has been named Susan Michelle.

Grandparents are Mr. and Mrs. Curtis Poteet of Nara Vista and Mr. and Mrs. C. W. Jones of Floydada. Great grandparents are Mr. and Mrs. Calvin Poteet of Plainview, Mr. and Mrs. C. B. Lyles and G. W. Jones of Floydada.

Mr. and Mrs. Elmer Dean Williams of Floydada are parents of a new son born Monday in West Texas Hospital, Monte Dean weighing eight pounds and one-fourth ounce. Mother and baby are doing nicely. The Williams have another son, Todd.

Grandparents are Mr. and Mrs. J. W. Smith of Floydada and Mr. and Mrs. Elmer Williams of Crosbyton. Mr. and Mrs. R. B. Gary of Harmony Community, F. L. Smith and Mrs. Pearl Barker of Wolfe City are great grandparents. Mr. Williams works for Floyd County.

Mr. and Mrs. Dale G. Smith of Dennison are parents of a new son who was born May 7, weighing eight pounds and four ounces. He has been named Shannon Kyle. Mr. and Mrs. Smith have another son, Shawn, who is five. The father is engaged in farming and ranching.

Grandparents are Mr. and Mrs. G. W. Smith at Dougherty. Maternal grandparents reside in Anadarko.

NEW ARRIVAL IS ILL

The infant daughter, Karen Michelle, who was born Saturday to Mr. and Mrs. Weldon Pruitt, is reported to be showing slight improvement in Plainview Hospital and Clinic. The baby is suffering from a blood disorder. She weighed five pounds two ounces at birth. The mother, formerly Jane Tye, was brought to her parent's home from the hospital Tuesday.

Karen has a brother, Gregg, who is three.

Grandparents include Mr. and Mrs. Bill Tye of Floydada and Mr. and Mrs. L. C. Pruitt of Lockney. Great grandparents are Mr. and Mrs. W. O. Tye, Mrs. W. B. Wilson all of Floydada and Mrs. Pruitt of Slaton.

MRS. LATTI TO BE RELEASED FROM HOSPITAL

Mrs. S. J. Latti will be released Saturday from Methodist Hospital and will recuperate in Lubbock for some two or three weeks. She is looking forward to returning to Floydada at that time.

Both casts were removed from Mrs. Latti's arms last Saturday but she will have to wear the leg brace for some time yet, friends were told. However she is able to get around quite well, but only using her hand a limited amount.

FLOYD DATA

Mrs. Menard Field was able to return home in Comanche from the hospital Tuesday after receiving treatment for injuries she sustained in a fall at the site of the Field's new motel in Comanche.

Mr. and Mrs. Billy Stanforth and Mrs. Johnny Wilson flew to Comanche on Wednesday of last week to be with their mother for the day.

Mrs. Stanforth said Mrs. Field received painful bruises and skinned places in the fall but luckily no broken bones. Mrs. Field tumbled over a board and fell into a pile of debris being cleaned up around the motel on Tuesday of last week.

FLOYD DATA

David Riggles, grandson of Mrs. W. U. Riggles of Floydada, was the highest in his company and 4th in his graduation class at Fort Leonard Wood, Mo., recently.

NOLAN ARNEY IMPROVING

Nolan Arney who was seriously injured in a mishap when a Lighthouse Electric Co-op pole fell with him recently is reported doing fine. His arm is still in traction however he is expected to have it set this week.

If he continues his improvement Arney will be able to come home next week according to fellow employees.

Terry Clark who was also injured in the accident is back on the job this week.

LAKEVIEW HOLDS ANNUAL PROGRAM

Lakeview school held their annual end of the term program entitled "Polly's Make Believe Orphanage" last night at the school.

A good number attending the interesting program.

MRS. C. O. WOODY BACK IN STATES

Mrs. C. O. Woody and two children, Duncan and Carrie Sue, have arrived back in the states and are in Floydada for a time with her parents, Mr. and Mrs. Albert Duncan and her husband's parents, Mrs. Woody and the children have spent a year in France and 10 months in Germany with her husband Sp.4 Woody. Carrie Sue was born while her mother was overseas and the local grandparents are enjoying getting acquainted with her and re-acquainted with young Duncan.

Mr. Woody is due to arrive in the states in June and after a visit here will be re-assigned to Ft. Carson, Colo.

Peoples Hospital

(Emergencies)

Jack Givens, 5-18, continues medical treatment.
Judge Kenneth Bain continues medical treatment.

(RESIDENT PATIENTS)
Mrs. L. C. McDonald and J. M. Massie.

Memorial Day is Official Holiday Here

May 30, Memorial Day is one of the five official holidays for Floydada merchants, according to the Retail Sales Committee.

A number of those on the committee mentioned that this particular day is a Saturday and one of the best business days for the town, but it will follow the Old Settlers' Reunion that is to be held Thursday, May 28.

Some of the local businessmen plan special "Old Fashioned Bargain Days" to help offset missing the Saturday business.

Charles Tyer FTA Installed

During an impressive candle-light ceremony in the high school auditorium on May 4, officers of the Charles E. Tyer Future Teachers of America were installed. The organization was recently organized at Floydada High School. Officers will serve the remainder of this year and through the school term of 1965.

Officers of the Tula High School chapter came to Floydada

to install local officers. Those assisting were Sid Hopper, president; Vadi Rogers, vice-president; Mollie Rose Clifton, secretary; Amos Tinani, treasurer; Dean Braly, historian; and Mrs. Bob Fulkerson, sponsor. Accompanying the group to Floydada was Miss Mildred Hulsey, who founded the chapter in Tula in 1948. Miss Hulsey has been instrumental in organizing the Floydada chapter as well.

Charter officers of the Floydada chapter are Ralph Johnston, president; Judy Campbell, vice president; Jo Ann Jameson,

secretary; Sandy Thawston, treasurer; Billy Stanforth, historian; Mrs. Polly Cardinal and Miss Janet Milam, sponsors.

The group is looking forward to a pleasant and successful year.

VFW Elects New Slate Of Officers

At a regular meeting held May 19 of the local J. W. Harrison VFW Post No. 5616 a new slate of officers was elected to serve from June 1964 until June 1965. Also three new trustees were elected.

The new officers will be installed at a June 2 meeting of the Post at 8:00 p.m.

The following officers will be installed:
Commander — John Bordeaux, Sr. Vice-Commander — Pete Looney, Jr. Vice-Commander — Sam Spivey, Chaplain — W. R. Daniel, Judge Advocate — Ham Smith, Jr. Post Surgeon — Starks Green, Three Year Trustee — Kenneth Bishop, Two Year Trustee — George Mizg, One Year Trustee — Jim Price.

Firemen Place Fourth In Pump Race

The Floydada Fire Department attended the Panhandle Firemen's Association Meeting in Hale Center last Sunday and placed fourth in the featured "pump race."

Billy Joe Baker said they were competing against teams that had practiced for over five years. The local team had practiced only the last week or two.

The winning time in the contest was just over 21 seconds. The local team recorded 25.4. Last year's winning time was 29 seconds.

Floydada team members are: Billy Joe Baker, Bob Giles, Louis Foaden, Billy Remiro, Jerry Finley and Carrol Sims.

The association voted to meet at Hereford for their next convention September 12.

May Busy Month For WSCS As Year's Work Nears Close

May has been a busy month for the Woman's Society of Christian Service of the First Methodist Church as the members closed this year's work and look forward to the first meeting of their new year on June 1.

On May 6, in the regular monthly meeting of all circles Mrs. Wilbur Harris, treasurer, led the very impressive pledge service with 27 members attending. The retiring circle chairman also drew names to determine the circle memberships for the coming year. Mrs. J. E. Walker drew for the Rebecca Circle, Mrs. S. E. Sparks for the Susanna Circle, and Mrs. J. K. Clark for the Ruth Circle.

The six new members for the year were recognized and presented with special bouquets made by Mrs. C. W. Jones and Mrs. C. B. Lyles. They were also honor guests at the salad luncheon following the meeting. The new members are Mesdames Bill Elisek, A. H. Barton, Carl Brock, Harold Ellison, H. S. Walker and Norma Lou Whitaker.

On May 12 the three circles met separately at the church to elect circle officers and to make tentative plans for the new year's programs. Chairmen elected were Mrs. Lewis Rocky, Susanna Circle; Mrs. Emma Lou Whitaker, Ruth Circle; and Mrs. Mack Fowler, Rebecca Circle. A brief "sharing time" of all circles followed the separate meetings with Mrs. Jack McIntosh, president, presiding.

The home of Mrs. Charles Lutrick was the scene May 20 of a social officers' training session. Both retiring and incoming officers attended to discuss the duties of the various offices and to exchange ideas for more effective ways of fulfilling those duties. Co-hostesses with Mrs. Lutrick for the luncheon following the training session were Mrs. C. B. Lyles and Mrs. Jack McIntosh.

In the evening worship service on May 21 Rev. Charles Lutrick will lead an installation service for the Woman's Society of Christian Service and Wesleyan Service Guild. Officers for the Wesleyan Service Guild are: President, Mrs. A. L. Wylie, Jr.; Vice-president, Mrs. Howard Gregory; Recording Secretary, Mrs. Lawrence Stovall; Treasurer, Mrs. Weiden Harris; Children's Work, Mrs. Bob Vickers; Christian Social Relations, Mrs. H. A. Drysdale; Literature, Mrs.

O. S. Battey, Sr.; Local Church Activities, Mrs. Mack Fowler; Missionary Education, Mrs. Wendell Tooley; Student Work, Mrs. Charles Lutrick; Supply Work, Mrs. J. E. Walker; and Youth Work, Mrs. Woodrow Wilson.

Those elected to lead the Wesleyan Service Guild this year are: President, Mrs. G. L. Bryant; Vice-president, Mrs. T. J. Hutchins; Recording Secretary, Mrs. J. J. McKinney, Jr.; Treasurer, Mrs. W. O. Baker; Promoter, Mrs. L. F. Martin; Missionary Education, Mrs. G. M. Armstrong; Spiritual Life, Mrs. Kyle Glover; Christian Social Relations, Mrs. P. A. Denison; Literature, Mrs. M. L. Solomon; Supply Work, Mrs. George Stiles.

Mrs. Myrick Is Shower Honoree

Mrs. Dwayne Myrick, the former Nancy Campbell, was complemented with a bridal shower Friday night in the party room at the PCA. Guests called between the hours of 7 and 8:30 o'clock.

Hostesses for the occasion were Meses, R. C. Bullock, R. C. Fowler, Bob Weiborn, Bob Bradford, J. D. Weiborn, Edna Patton, T. C. Hollums, John Carey, Ernest Drpton, Bill Yarboll, Ira Colley, Bill Baker, S. M. Guthrie, Woodrow Wilson, P. I. Roberts, Clarence Foster and Mrs. Elmer Warren.

In the receiving line with the honoree was her mother, Mrs. Jim Campbell, and mother of the bridegroom, Mrs. Clovis Myrick.

Guests were registered by Mrs. Wilson. Serving yellow colored punch, thumb print cookies with punch, flowers and nuts and mints were Mrs. Colley and Mrs. Yandell.

The table was laid with a white linen cloth and centered with a crystal container holding yellow lilies. Yellow napkins with the couple's names completed the setting.

Texas Day Is Theme For 1956 Study Club

The 1956 Study Club met May

PATRICIA HASLEY

Patricia Hasley, James Crowley To Wed June 18

Mr. and Mrs. Alvis Hasley of Floydada announce the engagement and approaching marriage of their daughter, Patricia Diane, to James O. Crowley Jr., son of Mr. and Mrs. James O. Crowley of Ralls.

The couple will exchange vows on June 18th in the home of the bride elect's parents.

Miss Hasley attended schools in Floydada. Her fiancé is employed at Cook Electric in Ralls.

The wedding will be held in the PCA room with Mrs. Charles Tyes as hostess. "Texas Day" was the theme of the meeting and members answered roll call with names of Texas landmarks.

Following a business meeting, presided over by the president, Mrs. Tyer, the speaker, Mrs. Jay Teague, introduced Mrs. Q. D. Williams. Mrs. Williams was dressed in pioneer attire and spoke on "Early Day Lanching."

Members present for the meeting were Meses, Eugene Beedy, Max Dyess, Jake Younger, Gordon Hambricht, Bill Hardin, Gary Carthel, Fred Marble, Norman Agency, Don Probasco, Charles Reid, Roy Teague, Marvin Wells and the hostess.

Guests attending were Meses, Weldon Becker, Bobby George Smith and Mrs. Q. D. Williams. The next meeting will be May

Girl Scouts In Troop 97 Get Badges-Awards

Troop 97 of Girl Scouts received badges and awards for the year on Tuesday of last week. Badges received included the "Order of Arrow," "Art's In The Round," "Needle Craft," "The Girl Scouting Round the World" and a year star to show for the year's work. They were then advanced to Cadet rating.

Receiving awards were Kathleen Conner, patrol leader, who received a shoulder cord rank, Margaret Graham, new member, who received her Girl Scout pin, and Beverly Appling, Judy Jameson, Janie Wilson, Teresa Tye, Ann Hammonds, Jill Bertrand, Nancy Williams, Debbie Jones, Kathleen Patzer, Diane Calhoun, Patty Locke and Linda Rainer.

Margaret led the group in the Girl Scout Promise and reviewed the Scout laws. Nancy led in the Girl Scout song.

The group completed their plans for the Troop Camp at Rio Blanco this week end. The Scouts are to meet after school at 4 p.m. Friday at Junior High to leave. They will return home the following afternoon.

Leaders are Mrs. L. E. Crabtree and Mrs. Q. D. Williams. Refreshments were served by Mrs. Jimmy Wilson Jr.

Miss Harrison, Teddy Gives To Exchange Vows

Mr. and Mrs. Milton Harrison of Lawton announce the engagement and approaching marriage of their daughter, Sue, to Teddy Givens, son of Mr. and Mrs. M. R. Givens of Crosbyton Texas.

The couple will exchange vows at 4:30 P.M. June 19 at the home of the bride's parents.

Relatives and friends are invited. Miss Harrison will be a 1964 graduate of Floydada High School. Her fiancé is a student at West Texas State University.

MISS SUE HARRISON

With hostesses Mrs. Roger Poage, Mrs. Keith Buhrman and Mrs. Ronnie Evans.

FLOYD DATA

Mrs. Val Stephens was returned to the home of her mother, Mrs. John Biggs, Tuesday from Plainview Hospital, where she underwent a series of tests.

Mrs. Stephens has been quite ill and will need bed rest for several days, according to kinsmen.

ROWENA J. MUSE

Rowena J. Muse To Wed Cameron College Student

The engagement of Miss Rowena Jean Muse to Clyde Eugene Weber is being announced by her parents, Mr. and Mrs. Gene Redd of Floydada.

Mr. and Mrs. George Weber of Lawton, Okla., are parents of the prospective bridegroom. A June 19 wedding is being planned by the couple.

Miss Muse previously attended schools in Floydada and is a 1964 graduate of Lawton High School.

Carolyn Cheek Students Will Give Recital

Piano students of Mrs. Carolyn Cheek will be presented in a recital at 7:30 p.m. Tuesday, May 26, 1964, in the Chapel of the First Baptist Church.

Those performing will include J. Benjamin Bachus, Cathy Collins, Mike Collins, Blair Davis, Miles Davis, Annette Jordan, Debra Patterson, Mychelle Reed, Susan Reed, Paula Strain, Relda Strain, Andrea Turner, Brenda Wallis and Brenda Willis.

Fagan Students To Give Recital

Mrs. Pearl Fagan will present her pupils in piano and organ recital on Sunday afternoon at 3 o'clock, May 24, in the chapel of the First Baptist Church.

The public is cordially invited to attend.

JUDGE MCBRIEN EXPECTED HOME
Judge J. D. McBrien continues improvement in Houston and has completed his series of treatment at this time, according to information this week.

If released by his doctor as indicated as such then Judge McBrien and his wife may be able to return to Floydada by next mid-week.

The Northern lights appear in the atmosphere ranging from 50 to 100 miles above the earth.

**Directors Plan
Floyd Co. Fair**

Directors of Floyd County Fair met Tuesday night of last week at Lighthouse Electric at Floydada. Charlie Boedeker was appointed chairman of the soliciting committee for commercial exhibit space with assistants Gerald Lackey, Corky Guffee and Conrad Henderson.

Plans for the Angus Show are underway, according to Jerry Williams, chairman of Angus Association committee.

Mrs. Melvin Henry discussed compiling the catalogue. President Hubert Frizzell appointed Mrs. Henry and Mrs. Max Marble to receive bids for printing a catalogue.

Prize ribbons and entry cards to be secured by Eddie Joe Foster. "Miss Floyd County Queen" contest was discussed and Walter Brannon and Gerald Lackey will construct boardwalk for the contest.

Attending the meeting were Mr. and Mrs. Weldon Smith, Mr. and Mrs. Gerald Lackey, Joe Fueter, Carl Brock, Jerry Williams, Eddie Joe Foster, Conrad Henderson, Ned Bradley, Kenneth Brose, Mrs. Melvin Henry, Mrs. Max Marble and Hubert Frizzell.

Old Settlers

(Continued from Page One)
9:00 a.m.—registration, 10:00—business meeting, 10:30—memorial service, 11:00—program, 12:00—dinner, 1:00 p.m.—gospel singing, 2:00—parade, 3:00—old settlers' contest and dance at 7:00 p.m.

Group 2 (65 years of age and over): first prize—\$25.00, second—\$20.00, third—\$15.00, and the one coming the greatest distance—\$10.00.

A number of surrounding towns are sending their congratulations to the old timers as will be seen in next week's Hesperian.

Jr. High

(Con't from Page One)

dates with an average of 89.44.

The program will be held at the grade school.

LAKEVIEW

Graduation exercises for the

Moisture

(Con't from Page One)

miles long in Cedar Hill and Fairview Communities suffered hail damage.

An abundance of wind accompanied the rainfall last Friday night. No official velocity was reported here, but Plainview clocked winds up to 60 mph.

Hail Effects

Floyd Starkey, and Bill Ware northeast of Floydada both reported that some of their cattle were hurt by the hail. They said the cattle had knots and some blood spots where hailstones hit them. In this particular area, it rained for a long time before any rain started falling. Wheat, cotton, maize, trees and grass were beat to shreds.

Clarence Guffee brought an aluminum irrigation tube into town that was almost flat as a result of the hailstones. He farms north and east of Floydada.

Others hit by hail are: Bill Dubois, Don Monk, Arch Muncy, Ray Ford, Gerald Lackey, Frank Ford, Greer Lackey, Charlie Purzell, Dorsey Baker, Lance Campbell, W. T. Canner and Henry Edwards.

The rainfall was very spotted as is indicated by the chart below:

Southwest of Floydada — 1.3
West of Floydada — .60
Fairview — 1.3 — 3.00
Lakeview — .5
South Plains — Tr.
Dougherty — .5
Cedar Hill — .1
East of Cedar Hill — 2.5 — 3.00
Lockney — .75
Aiken — 1.00
Floydada — .69

Most of these areas received enough moisture to justify planting cotton but others, such as at South Plains are still hoping for more moisture in the near future.

Total rainfall received at the Floydada ASCS office for this year now totals 1.92 inches. As can be seen by the chart above, some areas received more moisture than that last Friday night.

Clubb

(Continued From Page 1)

enced elevator man, Carl Nelson would manage the business.

About 50 individuals are stockholders in the business. J. W. Day, Jr. is vice president, Gene Bloys is secretary.

The board of directors includes J. T. Huckabay and Roe Jones.

The elevator has a 272,000 bushel capacity and all facilities are ready to handle the wheat harvest, according to McNeill.

Object

(Continued from Page One)

area shoveled out some ground trying to trace the object to a stopping place to see what it was. The round channels were hollowed about two feet below the surface, then the object would break into smaller pieces and leave more round tunnels.

On reaching the end of a tunnel no object was found as it evidently melted or evaporated.

The two Tech professors took some of the cloths into their laboratories for examination and analysis of the white powder left on them. The object or objects were definitely white hot.

Since more flying saucers reports have been coming from Northern New Mexico, there was much surmising as to a part of a flying saucer falling or other strange phenomena. A meteor or bolt of lightning were ruled out by the Tech professors.

Lakeview Eighth grade class will be held next Tuesday night at 7:30 at the Lakeview School.

Ester Vasquez is valadictorian and Bill Gross subordinator for the graduating class.

Gas lighting was installed in the White House in 1848.

Floydada "Drag Racers" Win Many Medals In Strong Competition

Interviewed two men this week about their auto "drag" racing might be explained by the fact that they are quarter midgets and medals and trophies according to the quarter midget makes the quarter midget the shortest time. Little danger in this because only two at a time and on a paved strip. Chadwick, high school coach and school teacher, has been racing autos for ten years... both as a hobby. A reporter found a garage studying all the latest charts, two carburetors disassembled work bench and around a brand new Super Sport Chevrolet.

TROPHIES! . . . TROPHIES! . . . Kelly Chadwick is pictured with several trophies he has won in the past ten years of drag racing. Most

of these were won with a 1932 Ford. The big one in the center is the National championship trophy won in 1962 at Fort Worth.

121 MPH IN A QUARTER MILE . . . Kelly Chadwick is pictured with this 1964 Chevrolet that clocked 121 miles per hour in competition at Tyler, Texas last week. (Staff Photo)

at the auto and you are new and pretty when you start; noticing the new in it and most things. The first thing is the huge 900 x 15 tires on the back . . . in front and notice the missing headlights. There have been repairs now open vents in the more air to hit the windshield wipers removed. It has a 205 in the trunk. A new auto is different in other respects: it has a rear end, a four speed transmission, 50 horse racing engine, it is entered in the stock varying calibre. Headers take care of the system. It's about \$4500 in.

vested in the auto, it is not used except for racing. A tow bar is attached to the front of the auto and is dragged to the races by another white Chevrolet. This auto (No. 427) has only entered one race and is now being 10000 because it won. It made the quarter mile in 12.57 seconds and reached a speed of 117 miles. Kelly thinks it has a capability of 127 miles per hour in a quarter "when he gets it broken in and everything adjusted just right." This race was at San Angelo.

Kelly was getting ready for a big race in Tyler Saturday night and Fort Worth Sunday evening. He said he would enter some of the national races this summer and expects to be in the money. He enjoys racing as a hobby, but with an investment such as this, it's supposed to make money, according to Kelly. Kelly showed the Hesperian reporter a big collection of trophies won with a 1932 three window Ford coupe equipped with a Chevrolet engine. This auto won the National Championship in the gas

coupe, sedan modified class in 1962 in Fort Worth. This is the greatest honor Kelly has received. Besides the trophies he has found the sport to be profitable. Kelly said there are only three Chevilles in race competition in the United States today and he feels that if he can continue to do what he did at San Angelo and gain speed at each race he will eventually get to compete with the fastest Plymouth, Ford and Pontiac in the United States. He said that some racers are using a Mercury Comet with a

big Ford racing engine that was "mighty hot." If you're interested in economy . . . this isn't your car. Kelly estimates that the auto gets about three miles per gallon. The "four in the floor" transmission gear shift is a novelty in itself when Kelly explains how he speed shifts into all four gears while keeping the gas throttle floorboarded. It is impossible to keep the huge rear wheels from spinning when all that power is transmitted to

BABE JONES . . . displays several trophies he has received in drag racing competition in this area. Some of the trophies were won with a modified 1929 Ford and the rest with the 1955 Chevrolet pictured here. (Staff Photo)

THE FLOYD COUNTY HESPERIAN

FLOYDADA (FLOYD COUNTY), TEXAS, THURSDAY, MAY 21, 1964 SECTION B

Auditor Presents Report On The Condition Of The County To Lions

At the regular luncheon meeting of the Lions Club last Thursday, the local club heard a report on the condition of the County, given by the County Auditor, Olin Watson. Watson said the county will operate this coming year on a budget of \$432,992. This amount will be received by the county from taxes, car licenses, fines, office fees and the state. The tax rate is based on \$1.40 per \$100 valuation, and that valuation is about one-fifth the value of the property or less. Farm land is valued from \$2 to \$12 per acre, depending on use and whether dryland or irrigated. Out of this budget will come operating expenses for seventeen county funds. Among those are the jury fund, road fund, general fund, officers salary fund, permanent improvement fund and others. Watson said there are still tax bond issues that are outstanding, or which the county is paying the principal and interest. He also said that all these bond issues will be paid off by 1973. One will be completed next year. Needs of County

A number of things were noted by Watson that the county needs, and it's not too soon to start working on them. Included in those needs, are an improved salary situation for county employees, (for there has been no increase in the last five years), repairs on the courthouse and on the agricultural building, a new jail, new libraries in both Floydada and Lockney, a modern airport. However, with all that needs to be done, the major problem of the county now is the illness of Judge McBrien. In his absence, (See LIONS, Page 6)

However, with all that needs to be done, the major problem of the county now is the illness of Judge McBrien. In his absence, (See LIONS, Page 6)

Profit With Price

With the rains beginning, everyone should feel they have a brighter outlook on life and the year all are engaged in. Wheat harvest just around the corner. Mr. Price should be thinking of what you are going to do with the ground after the wheat is off. (1.) Are you going to plant a quick bloom date maize or (2.) the stubble, put down NH3, then tandem roller will catch all available moisture that falls and have it ready to plant for this fall? Keep the young cotton out and growing, keep it free of thrip damage, for I have seen several show signs of such damage already. Keep the early insect damage is very hard on the crop—so take 5 minutes a day, walk your crop and check for thrip damage. Young crops sure look good popping out of the ground with the rains and the soil temperature as it warms; let them get off to a good start which you can see. If you haven't got everything planted, hook onto those planters and let them roll. Have your cotton and maize planted and out for the time being, let's get the other crop which ever it might be, castor beans, soybeans, etc. Have any extra cotton seed stored in the bin? Light check for "Wire Worms" to see if they are in your barn, and if so, you should treat with Heptachlor or something parallel to it. Prevent your seed from becoming infested. Keep a close eye on the young crop. Conditions are also present for the weeds and grasses. If you are thinking about buying a plow, you should be visiting the dealers. The trading started, for it's later than you may remember, the flame cultivator is a good tool and not a salvage tool. With the coming of the summer, he has to produce a crop as cheaply as possible. This is where a flame cultivator comes in. It's a proven one-man operation and it also takes the "if" out of the weed and grasses. The plants around town are sure looking good, but look out for the cut worm in your lawn. If you don't, the next time you fertilize add 1/2 pound of Hentachlor for every 1000 square feet of lawn. This is the cut worms. Hentachlor is also good for the cut worms, but should be repeated twice with intervals to make sure of any new hatch.

Directors Plan Floyd Co. Fair

Directors of Floyd County Fair met Tuesday night of last week at Lighthouse Electric at Floydada. Charlie Boedecker was appointed chairman of the soliciting committee for commercial exhibit space with assistants Gerald Lackey, Corky Guffee and Conrad Henderson.

Plans for the Angus Show are underway, according to Jerry Williams, chairman of Angus Association committee.

Mrs. Melvin Henry discussed compiling the catalogue. President Hubert Frizzell appointed Mrs. Henry and Mrs. Max Marble to receive bids for printing a catalogue.

Prize ribbons and entry cards to be secured by Eddie Joe Foster. "Miss Floyd County Queen" contest was discussed and Walter Brannon and Gerald Lackey will construct boardwalk for the contest.

Attending the meeting were Mr. and Mrs. Weldon Smith, Mr. and Mrs. Gerald Lackey, Joe Fueter, Carl Brock, Jerry Williams, Eddie Joe Foster, Conrad Henderson, Ned Bradley, Kenneth Broese, Mrs. Melvin Henry, Mrs. Max Marble and Hubert Frizzell.

Old Settlers

(Continued from Page One)

9:00 a.m.—registration, 10:00—business meeting, 10:30—memorial service, 11:00—program, 12:00—dinner, 1:00 p.m.—gospel singing, 2:00—parade, 3:00—old settlers' contest and dance at 7:00 p.m.

Parade Prizes

Best community float—\$25.00, second—\$15.00 and third—\$10.00.
Best Pioneer Float—\$25.00, second—\$15.00 and third—\$10.00.
Best Commercial float—\$25.00, second—\$15.00 and third—\$10.00.
Best Club float—\$25.00, second—\$15.00 and third—\$10.00.
Best Sheriff's posse or riding club—first, second, third and junior class—trophies.

Any band in the parade gets \$50.00 and any junior band gets \$25.00.

The oldest man and the oldest woman in the parade each will receive a plaque.

Best decorated bicycle — \$7.00, second—\$5.00, and third—\$3.00.

Best dressed old time cowboy in the parade and the best dressed old time cowgirl will each receive a plaque.

Best shetland in parade and second and third places will receive a trophy.

Best sulky — \$7.00, second — \$5.00, and third — \$3.00.

The best and second best junior cowboy up to 12 years of age will each receive a plaque. The same is set for the best junior cowgirl.

Best antique auto — \$25.00, second — \$15.00 and third—\$10.00.

Platform Prizes

Oldest man at reunion—\$10.00 and the oldest woman at the reunion—\$10.00. Best Antique Window — \$25.00.

Old Fiddlers' Contest

Group 1 (up to 65 years of age): first prize—\$35.00, second—\$25.00, third—\$15.00 and the one coming the greatest distance—\$10.00.

Group 2 (65 years of age and over): first prize—\$35.00, second—\$25.00, third—\$15.00, and the one coming the greatest distance—\$10.00.

A number of surrounding towns are sending their congratulations to the old timers as will be seen in next week's Hesperian.

(Con't from Page One)

ustes with an average of 83.44. The program will be held at the grade school.

LAKEVIEW

Graduation exercises for the

Moisture

(Con't from Page One)

miles long in Cedar Hill and Fairview Communities suffered hail damage.

An abundance of wind accompanied the rainfall last Friday night. No official velocity was reported here, but Plainview clocked winds up to 60 mph.

Hail Effects

Floyd Starkey, and Bill Ware northeast of Floydada both reported that some of their cattle were hurt by the hail. They said the cattle had knots and some blood spots where hailstones hit them. In this particular area, it hailed for a long time before any rain started falling. Wheat, cotton, maize, trees and grass were beat to shreds.

Clarence Guffee brought an aluminum irrigation tube into town that was almost flat as a result of the hailstones. He farms north and east of Floydada.

Others hit by hail are: Bill DuBois, Don Monk, Arch Muncy, Ray Ford, Gerald Lackey, Frank Ford, Greer Lackey, Charlie Purcell, Dorsey Baker, Lance Campbell, W. T. Conner and Henry Edwards.

The rainfall was very spotted as is indicated by the chart below:

Southwest of Floydada — 1.3
West of Floydada — .60
Fairview — 1.3 — 3.00
Lakeview — .5
South Plains — Tr.
Dougherty — .5
Cedar Hill — .1
East of Cedar Hill — 2.5 — 3.00
Lockney — .75
Aiken — 1.00
Floydada — .49

Most of these areas received enough moisture to justify planting cotton but others, such as at South Plains are still hoping for more moisture in the near future.

Total rainfall received at the Floydada ASCS office for this year now totals 1.92 inches. As can be seen by the chart above, some areas received more moisture than that last Friday night.

Clubb

(Continued From Page 1)

enced elevator man, Carl Nelson would manage the business.

About 50 individuals are stockholders in the business; J. W. Day, Jr. is vice president, Gene Bloys is secretary.

The board of directors includes J. T. Huckabay and Roe Jones. The elevator has a 272,000 bushel capacity and all facilities are ready to handle the wheat harvest, according to McNeill.

Object

(Continued from Page One)

area shoveled out some ground trying to trace the object to a stopping place to see what it was. The round channels were hollowed about two feet below the surface, then the object would break into smaller pieces and leave more round tunnels.

On reaching the end of a tunnel no object was found as it evidently melted or evaporated.

The two Tech professors took some of the clods into their laboratories for examination and analysis of the white powder left on them. The object or objects were definitely white hot.

Since more flying saucers reports have been coming from Northern New Mexico, there was much surmising as to a part of a flying saucer falling or other strange phenomena. A meteor or bolt of lightning were ruled out by the Tech professors.

Lakeview Eighth grade class will be held next Tuesday night at 7:30 at the Lakeview School.

Ester Vasquez is valadictorian and Bill Gross sdutatorian for the graduating class.

Gas lighting was installed in the White House in 1848.

Hail Damages Crops In Antelope

DOUGHERTY, May 18 — This area received considerable hail in the Antelope district Friday afternoon. There was some damage to wheat and young cotton, but at this time it is believed only a relatively few acres will need replanting.

Friends in this area will be interested to learn of the death of Mrs. Alva Couch. She passed away Friday, May 15, after a lengthy illness.

Mrs. Couch made her home with her brother, Vance at the "Red Barn Place" in the Antelope district from approximately 1944 to 1950.

Mrs. H. N. Powell explained for Billings, Montana Thursday to be at the bedside of her granddaughter, Judy Johnson, who was critically ill of appendicitis and complications.

Mrs. V. V. Scott is convalescing at the home of her parents, Mr. and Mrs. Henry Ellison of Crosbyton hospital Monday.

Ricky and Jimmy Covington were weekend guests in the home of their grandparents, Mr. and Mrs. F. M. Covington while Kent and Barbara vacationed at Lake Stamford.

Mr. and Mrs. Weims Norman

and children visited in Lubbock over the weekend. Mr. and Mrs. Harlan Cagle and sons, Wayne and James Ray were Sunday dinner guests in the home of Mr. and Mrs. Jim Morrison.

Mr. and Mrs. George Scott and daughter of Canyon and Mr. and Mrs. Leroy Scott, and Tammi of Lubbock were Sunday guests in the home of Mr. and Mrs. Virgil Scott.

Mr. and Mrs. Carmel Eastham, Sara and Julie, Mr. and Mrs. Wayne Rainwater and sons, Mr. and Mrs. Bob Vickers and children, and Mr. and Mrs. Kenneth Robertson and daughters visited Six Flags Over Texas during the weekend.

Mr. and Mrs. Bill Hunsucker are visiting his parents and other relatives in this area. Bill has just completed a course in officer and flight training and received his commission last week.

Rhonda Ward was the overnight guest of Christi Ward Friday.

Mr. and Mrs. Bob Ashton and son were guests of his parents, Mr. and Mrs. Clarence Ashton Saturday.

Mr. and Mrs. R. D. Holley enjoyed an outing at Possum Kingdom last week.

Mr. and Mrs. Steve Hudson of Spur were guests of the Pernel family Sunday.

Mr. and Mrs. R. H. Crawford met a group of relatives at the Rogers Cafe in Floydada for a dinner party Sunday. Present were Rev. and Mrs. Ewell Crawford, Jr., of Fort Worth; Rev. and Mrs. Clayton Hicks and sons of Albuquerque and Mr. and Mrs. Marion Brook and son of Lubbock.

Sunday Mr. and Mrs. J. T. Poole visited in the homes of friends in the Haskell area. They visited with Mrs. Lester Seits, her son Jesse, and her daughter, Mrs. Opal Rose.

The Texas junior senator said the present civil rights bill, as written, would bring almost every newspaper in the country, weekly and daily, under provisions of the proposed equal employment opportunities commission.

Senator Tower introduced an amendment to the pending civil rights bill, which would exempt journalists from coverage under the title dealing with discrimination in employment.

Tower, taking the Senate floor to offer the amendment, said it would protect "the constitutional principle of freedom of the press by precluding any bureaucrat from being in a position to order the hiring or paying of any writer or commentator on public affairs."

The Texas junior senator said the present civil rights bill, as written, would bring almost every newspaper in the country, weekly and daily, under provisions of the proposed equal employment opportunities commission.

This was Tower's second proposed amendment to the controversial civil rights bill now before the Senate. Last week he asked for an amendment which would allow an employer to go out of business and not be charged with unfair labor practices.

Senator Tower today introduced an amendment to the Civil Rights bill that would protect the right of employers to give professionally designed tests to prospective employees.

The Tower amendment grows out of the Motorola case, where the Illinois FEPC ruled that the company could not administer a professionally developed, written test because it discriminated against "culturally disadvantaged groups."

"Since the case arose," said Tower in remarks prepared for delivery on the Senate Floor with introduction of the amendment, "it has been repeatedly stated by psychologists and testing experts that the test was not designed to 'select-out' any cultural group. It is obvious that tests can and are being written which are

both fair and extremely useful. There is no professional evidence to the contrary."

My amendment is quite simple. It provides that an employer may give any professionally-developed ability test to any individual seeking employment or being considered for promotion or transfer, and then act upon the results of that test.

Hospital News

Floyd Data Mr. and Mrs. Aaron Hart of Amarillo visited Sunday with Mrs. Hart's sister, Mrs. J. T. McLain and McLain.

Two More Teams Selected Soon

According to Ted Viramonte, president of the Floydada Baseball Association, members for the T-Shirt and Freshman Baseball Leagues will be selected later this week.

More than 150 boys were at the ball fields last Saturday morning for the try-outs for the two leagues under the supervision of Tom Parks, the vice-president of the T-Shirt League, Claude Estes, the vice-president of the Freshman League and Viramonte.

It is not necessary, according to Viramonte, for the parents of the boys who are prospects to call any of these men. When the teams are selected the boys will be notified.

The first ball game will be here June 1 when Floydada hosts Matador. The visitors won their baseball district during the school year recently.

CEDAR HILL NEWS by Mr. Joe Fortenberry

Buschurs Attend Singing Sunday

CEDAR HILL, May 18 — Rev. and Mrs. Leo Buschur and girls were Sunday dinner guests of Rev. and Mrs. Hollis Shewmake of South Plains.

They attended the singing at the colored Mission Sunday afternoon. Rev. Shewmake was guest speaker at the Cedar Hill Baptist church Sunday night. Rev. Jack Taylor of Houston will begin a revival at the Cedar Hill Baptist church Sunday May 24 thru May 31st.

We invite visitors from adjoining communities to come and enjoy the revival. Dr. Hershel Cohn, a Jewish missionary was our guest speaker

LEGAL NOTICES

MONITION IN THE UNITED STATES DISTRICT COURT.

For the Northern District of Texas, UNITED STATES OF AMERICA VS. An article of hazardous substance consisting of 18 one-half pint cans, 35 one-gallon cans, and 17 five-gallon cans, more or less, of an article labeled in part: (can) "X-33 Water Repellent Clear Formulated from Dupont Tzoyr Organic Titanate" Wilmington Chemical Corporation, Chicago 10, Illinois"

In obedience to a Warrant of Seizure to me directed, in the above-entitled cause, I have seized and taken into my possession, the following described merchandise to wit: 15 one-half pint cans, 36 one-gallon cans and 10 five-gallon cans of an article labeled, in part: (can) "X-33 Water Repellent Clear Formulated from Dupont Tzoyr Organic Titanate" Wilmington Chemical Corporation, Chicago 10, Illinois"

For the causes set forth in the libel now pending in the U. S. District Court for the Northern District of Texas, at Lubbock I hereby give notice to all persons claiming the said described merchandise, or knowing or having anything to say why the same should not be condemned and forfeited, and the proceeds thereof distributed according to the prayer of the libel, that they be and appear before the said Court, to be held in and for the Northern District of Texas, at the City of Lubbock on the 18th day of June, 1964, at 10:00 o'clock on the forenoon of that day, if the same shall be a day of jurisdiction, otherwise on the next day of jurisdiction thereafter, then and there to interpose a claim for the same, and to make their allegations in that behalf.

ROBERT I. NASH U. S. Marshall Northern Dist. of Texas

Dr. A. E. Guthrie, Cecil Hagood, Conner Oden and G. T. Arwine are in Mexico this week fishing. The Floydada men are due home this week end.

at the Cedar Hill Assembly of God Church at both morning and evening services. Mrs. E. V. Godfrey and sister, Mrs. Ester Barrister of Plainview visited her son, Rev. and Mrs. Larry Godfrey and girls Sunday afternoon.

Mr. and Mrs. A. S. Mise were Sunday dinner guests of Mrs. W. E. Wilson in Floydada Sunday afternoon. They visited Mrs. Weldon Pruitt and new baby girl in the Plainview Hospital.

Mrs. Frank Floyd went to Lubbock Wednesday to visit her sister Mrs. E. A. Haisley who is a patient in the Methodist Hospital. She met her daughter there, Mrs. Eilly Cox of Andrews.

Mrs. M. H. Taylor was admitted Sunday to the Lockney General Hospital. Mrs. Taylor has been ailing for the last month under a doctors care. She was resting better Sunday afternoon. We hope she continues to improve and be home soon.

Andrew Jetton and Mamie visited Friday night with Mr. and Mrs. A. S. Mise. Mr. and Mrs. Joe Fortenberry, Mr. and Mrs. John D. VanHoose of Floydada visited Mrs. Fortenberry sister, Mrs. Annie Belle Savage and niece, Mr. and Mrs. Jack Rutland in Amarillo Wednesday. Mrs. Rutland was dismissed Wednesday noon from St. Anthony Hospital after having been a patient there 11 days.

She received second degree burns over a large portion of her body. She was defrosting her upright deep freezer when a 1 1/2 gal. of scalding water overturned, scalding her head and back. Mrs. Savage was admitted Sunday afternoon to the same hospital. Suffering from a smathic spasm, she underwent surgery Thursday and was recovering well Friday. We hope she continues to improve.

Mr. and Mrs. Fred Fortenberry of South Plains visited Sunday afternoon in the home of Mr. and Mrs. Durrel Fortenberry and family.

Mr. and Mrs. Henry Love, Christy and Deanne Love of Floydada visited Mrs. T. F. Love and Marvin Sunday afternoon. Andrew Jetton and Mamie spent Sunday in the home of their sister Mr. and Mrs. T. E. Duke and family in Tulsa.

Mr. and Mrs. Cephus Fortenberry, Phyllis and Laura Chester were Sunday dinner guests of

Mr. and Mrs. Garland Tucker. Mr. and Mrs. Morris Deagan of Mound City spent the weekend with her parents, Mr. and Mrs. Walter Brannon, Lynda and Monday.

Mr. and Mrs. Frank Yeary of the Lonestar Community spent Sunday in the home of Mr. and Mrs. Rene Yeary.

Mrs. Robin Fortenberry visited Ecard who was a patient in the Floydada Hospital. She also visited with Mrs. Bryant Higginbotham, a patient in the Medical Center Hospital in Plainview. Both patients were improved and we hope will soon be home and well again.

Mr. and Mrs. Durrel Fortenberry and family visited Saturday with Mr. Welch, a patient in the hospital at Chillicothe and they report Mr. Welch is much improved.

Mrs. Eugene Gilly, her mother, Mrs. R. A. Hill, Mrs. Virgie Fowler both of Amarillo and Mrs. H. M. Reda of Floydada went Sunday afternoon to Ute Park, New Mexico where they enjoyed a rest and sight seeing. They returned home Wednesday night.

Mr. and Mrs. Eldon Fortenberry and family, Mr. and Mrs. Tom Fortenberry, Rev. and Mrs. Larry Godfrey and girls attended the C. A. Ralley in Childress Monday Night.

Mr. and Mrs. Fred Brannon and family visited Mr. and Mrs. Walter Brannon Wednesday night.

Mr. and Mrs. Jerry Don Brannon and family, Ronald Welch of Silverton visited Thursday night in the Walter Brannon home.

Mr. and Mrs. Weldon McCormick visited Sunday with Mr. and Mrs. Floyd Lyles and girls.

Mr. and Mrs. J. F. Kelley were Sunday dinner guests of Mr. and Mrs. J. A. Welch and Connie. Mr. and Mrs. Syd Brown were dinner guests Thursday of Mr. and Mrs. Albert Mize.

Mr. and Mrs. Frank Floyd visited her sister, Mrs. C. A. Haisley in the Methodist Hospital Sunday. Her nephew, Mrs. Haisley's son from Phoenix, Ariz. was there. Mrs. Haisley's condition is some improved and she hopes to get to home soon.

Our community received some rain Friday afternoon. Any where from a trace to 2 1/2 inches with heavy hail in the south east portion of our community. Several crops were completely destroyed.

Humble Gives Scholarships For Police-Training Course

HOUSTON—As part of its program to promote traffic safety, Humble Oil & Refining Company will sponsor 25 scholarships for Texas law enforcement officers to attend a special police-training course May 11-22 at the University, it was announced today.

This is the third occasion that Humble has sponsored a training course at a school. The scholarships are available to commission supervisory personnel enforcement agencies. Recipients of the course will be selected by Texas University.

The course this session of Police Personnel coordinated and conducted by The Traffic Institute, western University, include Institute and national representatives of the national Association of Police.

Humble has sponsored the Traffic Institute in the sponsoring of traffic training programs at universities. The program of the program is the efficiency of street transportation, reduce traffic accidents.

Approximately fifty people attended the buffet dinner. President Jim Ross presided. The students presenting the program were Jackie Yeary, Suzanne Collier, Ronnie Ogle and Wesley Johnson. Miss Yeary was in charge of the program and was well received and was enjoyed very much by everyone in attendance.

Senator Tower Proposes Civil Rights Amendment

Senator Tower today introduced an amendment to the Civil Rights bill that would protect the right of employers to give professionally designed tests to prospective employees. The Tower amendment grows out of the Motorola case, where the Illinois FEPC ruled that the company could not administer a professionally developed, written test because it discriminated against "culturally disadvantaged groups."

NOW... GREAT NEW ENCO EXTRA!

PUT A TIGER IN YOUR TANK

New Power-formula Enco Extra gasoline boosts power three ways...preserves the power of new engines...restores lost power to many older engines; 1. Cleaning Power! Dirt can clog even a new carburetor in a few months of normal operation—causing hard starting and rough idling. Your very first tankful of New Enco Extra will start to clear away these deposits to improve power and mileage. 2. Firing Power! Spark plug and cylinder deposits can cause misfiring, pre-ignition spots. New Enco Extra neutralizes these deposits to help your engine fire smoothly and efficiently. 3. Octane Power! Octane requirements for cars are up again this year. New Enco Extra high octane that most cars now need for performance, smooth acceleration and power without knocking. You'll get something extra for your money. New Power-formula Enco Extra—it's a tiger in your tank! Happy Motoring!

Rain and Hail Hits Community

FAIRVIEW, May 18 — After waiting for weeks for a good rain to come to most of the Fairview folk Friday evening along with a hail storm that destroyed all crops in its path and did damage to some houses. Around 2 inches of rain fell during this storm. Those of us who live in town only received about 1/2 inch of moisture with no hail.

Sunday, May 10 (Mother's day) Mr. and Mrs. Bill Duffels and family of Lubbock were dinner guests of his parents, Mr. and Mrs. Edell Duffels in the afternoon the above named visited at Cedar Hill with Mr. and Mrs. Bill Duffels and sons.

The new street markers recently put up in Floydada are sure nice and it helps newcomers as well as those of us who are old timers to find our way around in town.

Mrs. C. N. Battey visited Monday morning with Mrs. Cecil Payne.

Mrs. L. B. Cooby Sr., returned to her home last weekend after being here two weeks with her mother, Mrs. G. M. Bullard.

Mrs. G. M. Bullard and J. C. were dinner guests in the home of Mrs. L. E. Crabtree, and Mrs. Bullard will remain in her daughter's home for two weeks before going to Lubbock to stay with another daughter.

Mr. and Mrs. Kay Crabtree and Becky went to Idaho after church Sunday where they visited her parents, Mr. and Mrs. E. C. Griffith.

Mr. and Mrs. R. R. Waller returned home Friday from Eberita, Alabama where they have been the past month visiting their daughter, Mrs. O. S. Orr and family.

Mr. and Mrs. Waller were dinner guests on Saturday of Mr. and Mrs. Shirley Irwin and family. Saturday night guests in the Irwin home were Mrs. Jackie Enro and daughter from Seattle, Washington.

Mrs. Marion Burns visited Monday afternoon with Mrs. Ruy Irwin.

Mr. and Mrs. Carl Nelson and daughters were Sunday dinner guests of her mother, Mrs. Ruy Irwin and Mr. Irwin.

Mr. and Mrs. Kenneth Billington and children of Tulsa and Mr. and Mrs. R. R. Waller of Floydada visited in the Shirley Irwin home Sunday afternoon and all enjoyed home made ice cream together.

Mrs. Cecil Payne visited Monday afternoon with Mrs. George Eady.

Sunday visitors in the Walton Wilson home were Mr. and Mrs. Leonard Wilson and Brenda and Mr. and Mrs. Harold Gene Franklin and Bruce and Becky all of New Mexico and Mr. and Mrs. Harvey Allen and sons, Mike and Norman of Floydada and Mr. and Mrs. C. W. Denison of Center.

Brenda Wilson will remain with her grandparents for two weeks while her parents go on a trip to California with a group of seniors from New Home school and several other teachers and sponsors. They plan to go to Disney Land, Marine Land, Knotts Berry farm and other places of interest while in California.

Mr. and Mrs. L. F. Irwin and family were Sunday night supper guests of Mr. and Mrs. Shirley Irwin and family.

Mr. and Mrs. Weidon Pruitt are parents of a baby girl born Saturday in Plainview Hospital and Clinic. The little girl weighed 5 lbs and 2 oz. and was named Karen Michelle.

Mr. and Mrs. A. S. Mize, Mrs. W. B. Wilson, Mr. and Mrs. Bill Tye were among the ones visiting at the hospital on Sunday with Mrs. Pruitt and baby daughter.

Mr. and Mrs. Lee Burton visited Wednesday at South Plains with her father, J. T. Myrick.

Mr. and Mrs. J. W. Gilbreath and Mrs. J. T. Perry were dinner guests Sunday of Mr. and Mrs. T. L. Perry and Jan.

Mr. and Mrs. Bill Tye and Mrs. W. B. Wilson went to Plainview Monday afternoon after receiving a message that the baby daughter of Mr. and Mrs. Weidon Pruitt was not doing so well. This writer has had no further report on the baby's condition.

Floyd Records 2 Rural Wrecks During April

The Highway Patrol investigated 2 rural accidents in Floyd County during the month of April according to Sergeant D. S. Lawson, Patrol Supervisor of this area.

These wrecks accounted for one person injured and an estimated property damage of \$1,450.00.

The rural accident summary for Floyd County from January through April of 1964 shows a total of 21 crashes resulting in no persons killed, 15 persons injured, and an estimated property damage of \$21,915.00.

Schools will soon be out and children will be popping out in all directions. They will be running from behind parked cars, trees or shrubs. Watch for children coasting down sloping driveways and streets. Another dangerous spot is around bridges along highways where children may have been playing, swimming, or fishing underneath the bridge.

This means that motorists must be constantly on the alert at all times during the summer months for children popping out from unexpected places. Remember, children are unpredictable. The Sergeant stated, "Let every child be a living warning sign."

CONE NEWS by Melba Wideman

School Takes Part In Play Day

CONE, May 18 — Cone Grade School participated in the annual Play Day held this year at the Dougherty School on Friday of last week. The boys and girls baseball teams won first place and each team received a trophy.

Mr. and Mrs. Haney Wideman, Spike, Mark, Mel and Mardi and Mr. and Mrs. Morris Wideman attended the Diggs Family reunion on Sunday. The affair was held in the Little Party House in Mackenzie Park. About fifty persons attended.

Mr. and Mrs. Thurman Richards, Jennie, Ann, Iwanda, Toni, David and Connie were Sunday dinner guests of Mr. and Mrs. Bill Gilbreath and family in Floydada. Other guests present were Mr. and Mrs. Russel Bales and children and Mr. and Mrs. Johnny Richards, Ruth, Gail, Dee and Jerry.

Mr. and Mrs. Tommy Keener and three sons of Dimmitt spent

the day on Saturday with Rev. and Mrs. R. C. Guest, Mr. and Mrs. Ed Hutsell and family, Silvertown, were afternoon callers.

Mr. and Mrs. H. R. Nance and Rachel left last Thursday to spend several days visiting with their son and brother, Ellis Nance and Mrs. Nance in Cope, Colorado.

Weekend guests of Mr. and Mrs. Bob Wideman, Kenny and Belva were Mr. and Mrs. Kenneth Bevel, Monte and John Mark Plainview. Kenneth preached at the evening worship hour at the Baptist Church. Additional guests of the Widemans on Sunday were Mr. and Mrs. Eddie Lewis, also of Plainview.

Danny Martin, a student in West Texas State University in Canyon, was a weekend guest in the home of his parents, Mr. and Mrs. Earl Martin, Mrs. Max Dyess, Suzanne and Tim were Sunday dinner guests.

In observance of Girls Auxiliary Focus Week, the local GAs were hostesses to a Mother-Daughter Tea given Saturday afternoon from 6 to 7 o'clock at the Baptist Church. Mothers present were Mrs. Thurman Richards, who is also counselor, Mrs. Aaron Justus, Mrs. J. D. Richards, Mrs. C. L. Davis and the local WMU president, Mrs. Haney Wideman.

Wayne Martin, son of Mr. and Mrs. Ed Martin, enlisted in the army last week and left on Friday for Camp Polk, Louisiana where he will be stationed.

Mr. and Mrs. L. E. Littlefield and Peggy were Sunday dinner guests of Mr. and Mrs. Roy Mara.

Weekend visitors in the home of Mrs. and Mrs. Clinton Enning were Mr. and Mrs. Floyd Dunavant of Hereford. An additional guest on Sunday was Mrs. Peachie Parrish. In the afternoon, all the group visited in Lockney with Mrs. E. W. Dumavant and Don.

Mr. and Mrs. Johnny Randolph, Lubbock, visited her brother and family, Mr. and Mrs. Howard Harris, Franklin, George, Jean and Diane on Sunday afternoon.

Mr. and Mrs. D. A. Barnhart and Mr. and Mrs. Clay Kimbrough have returned from two weeks stay in Hot Springs, Arkansas. Enroute home, the Kimbroughs visited friends and relatives in Oklahoma and Haskell and the Barnharts visited his sister, Mrs. Herbert Spradling and Mr. Spradling in Greenville and with their daughter and husband, Mr. and Mrs. Nelson Hilliard in Vernon.

Sunday afternoon visitors of Miss Ruth Bartley were her sister and family, Dr. and Mrs. John D. Cherry, Jr., and children of Crosbyton.

Elder and Mrs. Joe Jackson and Carl Lynn visited the Primitive Baptist Church in Crosbyton on Sunday where Jackson was guest preacher. In the afternoon they visited in Lubbock with Mrs. M. R. Funston and Mrs. Jewel Hobbs.

Misses Mollie Mara and Lyn Littlefield were Sunday dinner guests of Mr. and Mrs. Pat Youlum, Patti and Roger.

Floyd Data

Jerry Caddel, 15 year old son of Mr. and Mrs. George Caddel of Olton, and nephew of Mrs. Dorris Jones of Floydada, is to undergo spinal surgery Friday morning in Methodist Hospital, Lubbock.

Doctors discovered that young Caddel had a vertebrae that was not attached to his body and the three hour operation is to correct this condition. He will be in the hospital some ten days and will have to spend most of the summer months in a back brace according to information received by Mrs. Jones.

D. J. Lambert Plant Boss Of Pueblo Industry

D. J. Lambert, son of Mr. and Mrs. Fred Lambert of Floydada, is the plant superintendent of a new industry in Pueblo, Colo.

The plant moved into an abandoned warehouse and, after it becomes operational, will convert turkey feathers into a feed supplement for livestock and poultry.

Protein from pulverized feathers has been a supplement in commercial feeds for poultry and livestock for 10 years. Feathers contain from 85 to 90 percent protein. The factory will be one of 20 in the U. S.

The plant will produce 40 tons of supplement per day.

SOUTH PLAINS NEWS by Mrs. Murray Julian

Cotton Planted, Still Needs Rain

SOUTH PLAINS, May 18 — Rain clouds threatened our community Friday evening, but only showers fell, with the greatest amount in South Plains and around the Garvin Beedy farm where 30 is reported. All of the cotton is planted here, and almost all of it is up to a stand. Some have had trouble with ground drying and had to replant.

This is an important time of year for our graduates, with baccalaureate services to be held Sunday evening at the Floydada High School Auditorium, and commencement exercises to be held Friday evening, May 29, at the High School Auditorium. Congratulations to the graduates from our community, and these are Barbara Milton, Marilyn Kinnigh, Johnny Calahan, Dwight Teple, Jay Frank Parks, and Vite Bryant.

Mrs. Bryant Higginbotham, who underwent major surgery at Medical Center in Plainview last Monday, is doing quite well, and will be able to come home this Tuesday, and staying with her will be Mrs. Helen Higginbotham of Chillicothe. She has had many visitors this past week including her sister, the Jim Magnussons of Amarillo.

Mrs. Tillman Powell spent this Monday in Lubbock at a specialist, Dr. Shannon of the Methodist Hospital, and they found she has muscle spasms in the hip. She has been ill for weeks, and will hope exercises and therapy will save her on the way to recovery.

Mrs. Walter Wood and her grandson, Walt Wood of Lubbock, was here with her over the weekend, and a guest with Walt was Derrell Maples of Lubbock.

Mrs. Arly Mulder is driving Mrs. Higginbotham's school bus while she is in the hospital.

Mr. and Mrs. Leighton Teple, Dwight and Rhonda spent the weekend up in Amarillo with his sisters, Mr. and Mrs. Harold Hamm and Mr. and Mrs. J. B. Nelson.

The Kenneth Beans flew to Amarillo Friday afternoon to get Diane for the week end, and were

barely able to land before the storm hit here Friday afternoon. We understand our neighbors to the south in Cedar Hill were very hard hit with hail damage.

Mrs. Glen Wood's mother, Mrs. Kelly Bowers of Plainview underwent major surgery Tuesday at the Medical Center in Plainview, but she is doing fine at this time.

The Caprock Worker's Conference met at the South Plains Baptist Church Tuesday evening, May 12, with this church serving supper to all. Board meeting was at 7:30, then supper followed, and program was at 7:30, with Mrs. Patsy Davidson of Quitaque, Otis Towner of Crosbyton and Roy Davidson of Quitaque giving the wonderful program. Around 150 were estimated to be present. Rev. Sealy Smith welcomed the guests.

Congratulations to Mr. and Mrs. Ezece Hightower on the birth of a son, Floyd Lee, born Thursday, May 14, at 12:30 noon at the Swisher Hospital in Tulla. He weighed 9 lbs 12 ounces, and he has an older brother, Dwayne, who is almost two. Mrs. Hightower of Memphis is staying here this week with the Hightower family.

A going away ice cream social will be held this Tuesday night at the South Plains Baptist Church featuring Rev. and Mrs. Hollis Shewmake, Randy and Hollis, who are leaving as soon as school is out to make their home in Plainview where Hollis will attend Wayland College and will be employed there. We are sorry to have them leave us, but wish them well in their new home. Hollis will continue to have the Negro Mission Church here in South Plains, and will come back and forth.

Mr. and Mrs. Early Pritchett also Steve, and Mr. and Mrs. Murray Julian and granddaughter, Dee Julian, went to Plainview Sunday after church for dinner. They went through the Atomit farm which was built by the Swazey Brothers. It is a perfectly beautiful home, but it is to be closed to the public this week, and put up for sale. The family will go to New York where they have another Atomit home built there for the World's Fair. The group visited Mrs. Bryant Higginbotham at the Medical Center and found her doing fine.

Mr. and Mrs. R. H. Adams and Larry and Mrs. Wayne Adams and Fleeta went to Dallas last week end where they visited Allan, who is going to college there. Mrs. Adams prepared dinner for Allen and his friends at their apartment Saturday, and Sunday they all returned home.

La Than Club Meeting
Members of the La Than Club met in the home of Mrs. Marvin Wells Tuesday afternoon at 2, with Mrs. Hansel Sanders as co-hostess. A business meeting was held, after which games of forty two, bridge, and other games were played. The hostesses served coffee and cookies to the group, and new officers for the coming year were elected as follows: president, Mrs. Johnny West, and club treasurer, Mrs. Eugene Beedy. Hostesses for the June meeting will be Mrs. Don Probasco and Mrs. Eugene Beedy. Present were Mrs. Keith Noble, Kenneth Bean, Rex Southernman, Fred Marble, Doral Young, Johnny West, Don Probasco, Don Marble, Travis Young, Dean Stewart, and the hostesses, Mrs. Marvin Wells and Mrs. Hansel Sanders. Guests of the club were Mrs. Don Shurbet and Mrs. Tom Scarborough.

75 were present at the Singing held Sunday afternoon at the Negro Mission Church where Rev. Hollis Shewmake is preacher. Sunday night Rev. Shewmake filled the pulpit at the Cedar Hill Baptist Church.

Young Farmers Meeting Set Thursday Night

The Floydada Chapter of the Young Farmers of America will hold a special officers meeting in the high school agriculture building, tonight at 8:00 p.m. The purpose of the meeting will be to complete plans for a combined meeting of the Young Farmers and the Young Homemakers meeting set for June 4 and to take care of other business.

There is no special program planned for the evening.

At the June 4 meeting, which will be an ice cream supper, a program will be presented by Alton Higginbotham on Artificial Respiration. A film and a dummy is included in the program which is a training course, condensed of course, for the "Mouth-to-Mouth" method.

Field And Kitchen News

The electric light is certainly a marvelous invention but good lighting never just "grows" like Topsy — it has to be planned. Nature's hours last from "can see" to "can't see", so for the work it is necessary for us to do under artificial light it is very important that we have adequate lighting for every indoor task in order that eyestrain, caused by faulty lighting conditions may be prevented. There are two main causes of eye-irritating glare — an unshaded or improperly shaded bulb produces glare. This can be avoided by using shades of the proper type, that completely cover the light source. This is especially true of ceiling and wall brackets. Indirect or reflected light is thrown up into the eyes from shiny surfaces. To avoid this use a lamp with a diffusing bowl, or other means of diffusion.

Scientists have developed a meter which measures light in foot candles. Outdoor light on a bright summer day totals 8,000 to 10,000 foot candles. Many homes have only two to five foot candles of light when all lights are turned on.

A child at study should have at least 50 foot candles of light. For sewing 100 foot candles is the recommended amount.

Dark shade linings may waste as much as 50 percent of your light. The dark color shades the light. Blackened lamp bulbs also rob you of light in the same manner. There are cases when a dark lamp shade is desired for decorative purposes . . . in such instances be sure to line the inside of the shade with white or a light color.

Teachers tell us that many children who seem listless, backward, lazy or uninterested, often times just lack adequate light, in their classroom or in their home for studying. I'm sure it would be well worth our time to check and see if our lighting is adequate. Consider what uses we are making of our lights — determining whether we have the lights in the proper place and if there is enough light for the tasks we are doing, whether it is our kitchen work, the children's school lessons, the family mending . . . regardless of what the task may be the key elements of good lighting are:

When you think of how much time and effort is saved by proper lighting in factories you can see how proper lighting will save you time and extra work in the "factory" of your home — THE KITCHEN.

For those kitchens where fluorescent fixtures are too expensive, inexpensive incandescent fixtures may be obtained for use over the sink and other work surfaces. Portable pin-to-wall lamps may be used to give light wherever it is needed.

For example let's think about our kitchens . . . the kitchen is the very work center of a home. Even the most efficient kitchen filled with the latest labor-saving devices can be a place of annoyance and drudgery if you can't see what you are doing. Yet all too many kitchens depend for lighting entirely on a ceiling fixture placed so that no matter where you stand your shadow falls on what you are doing.

Not that a ceiling fixture is not needed . . . even in the tiniest kitchen you do need a good ceiling fixture for over-all lighting. BUT this should definitely be supplemented by local lighting over

Mrs. W. W. Trapp and Mrs. Niles from Lubbock spent Sunday with the daughter of Mr. and Mrs. Trapp, Mrs. Lawrence Stovall, Mr. Stovall and children.

Mrs. John Pierson of Tallahassee, Oklahoma, spent two days last week with her daughter, Mrs. Bob Norrell, her husband and family.

Johnny Suits visited Nolan Agency Saturday, who is still a patient in Methodist Hospital in Lubbock. Nolan seems to be improving nicely.

Mr. and Mrs. Claude Weathersbee, Tommy and Leigh Ann spent the weekend in Snyder with Claude's mother, Mrs. Eunice Weathersbee.

Mr. and Mrs. Alton Higginbotham visited his mother, Mrs. Ruby Lee Higginbotham at the Medical Center Hospital in Plainview on Sunday. She hopes to come home the first of the week.

COCONUT TOPPING
2 tablespoons flour
1/2 teaspoon baking powder
1/2 teaspoon salt
1 1/2 cups shredded coconut
1 cup chopped nut meats
2 eggs
1 cup brown sugar
1 teaspoon vanilla

Combine flour, baking powder, salt, coconut and nuts. Beat eggs, adding sugar gradually. Add vanilla and blend in coconut mixture. Spread on pastry mixture and continue baking until done. When cool cut into squares or bars.

Everyone should know where to install electrical switches in their homes. Careful planning before wiring in any house — new or old — pays for itself in safer, thriftier use of electricity.

Switches should be placed at every doorway on the latch side. If there is more than one doorway, install at switch at each door. Turn up both switches so that each controls the main light source in the room. Then you will be able to light your way through the house and, if you wish, turn off the lights as you go.

Stairways and halls also need multiple control switches at each of their ends. The switches not only provide convenience, but

RECIPE FOR SUGAR COOKIES
4 cups flour
1 teaspoon soda
1/2 teaspoon salt
1/2 cup butter
1/2 cups sugar
2 eggs
1/4 cup sour milk
1 teaspoon vanilla

Cream shortening, sugar and eggs. Add dry ingredients that have been sifted together. Roll out into desired shapes. Sprinkle with sugar. Bake on ungreased cookie sheet in 400 degree oven until done, approximately 10 minutes.

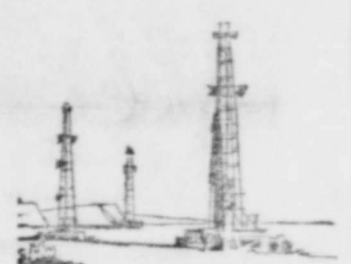

ICE BOX COOKIES
1 cup butter or shortening
2 cups brown sugar
2 eggs
2 tablespoons sour cream
1 teaspoon soda
1 teaspoon cream of tartar
1/2 cup nuts
3/4 cups flour

Flavoring, if desired.
Mix and shape into rolls. Let stand in the refrigerator over night. Slice. Bake in hot oven.

CHOCOLATE DROP COOKIES
1 cup brown sugar
1/2 cup butter or shortening
1 egg
1/2 cup buttermilk
1/4 teaspoon soda
1/4 teaspoon baking powder
2 sq. bitter chocolate, melted
1 1/2 cups flour

1 cup chopped nut meats
1/4 cup flour, soda, baking powder, salt, together. Melt chocolate. Cream sugar, shortening and egg. Add melted chocolate and nuts. Drop from teaspoon on greased and floured cookie sheet. Bake in 350 degree oven until done. When cookies are done cover immediately with chocolate frosting.

COCONUT BARS
1 cup flour
1/2 teaspoon salt
1/2 cup butter

Sharpest pickup IN THE Southwest

Smart as a station wagon inside—and as comfortable! And wait till you try Ford's new long-wheelbase ride!

From the sharp way it looks and handles, you might call our '64 F-100 Styleside an "uncovered wagon." When you see what a 128-in. wheelbase does for riding comfort, you'll want to call it yours!

In back, you'll find a strong new box with one-hand tailgate. Underneath, big-truck muscle for extra durability. Come look it over, all over!

4-H Club News

(By Betha Jordan)
On May 3, the day set aside to observe Rural Life Sunday, the Floydada 4-H Club and several of their parents attended church services in a group at City Park Church of Christ.

Following services 56 club members and their parents enjoyed a picnic at City Park.

A brief business meeting was conducted by Doris Fawver, club president, after which various types of ball games were played.

Floyd Data

Mrs. Jay Johnson and children of Oklahoma City returned home Friday after spending the past week in Floydada with her parents, Mr. and Mrs. A. C. Carthel and Mr. and Mrs. Jack Johnson and other relatives.

WHAT DOES FARM BUREAU INSURANCE OFFER?

- Companies founded for the purpose of improving Insurance Services to Member Farmers and Ranchers.
- Companies that Have Proven To the Insurance Industry That The Farmer and Rancher Are a Preferred Risk — This Has Resulted In Improved Rates and Services By All Companies.
- Companies that Have Shown The Way to Prompt and Fair Claim Service.
- Companies in Sound Financial Condition and Under Good Management — Resulting in Lower Costs to Policyholders.

Prometryne sprays control weeds in growing

New Prometryne® 80W herbicide not only controls most annual broadleaf weeds and grasses when applied as a preemergence spray, it does the same job when applied after weeds and cotton are up.

Postemergence applications
Put Prometryne to work any time after cotton is six inches in height . . . and before weeds are about two inches high. Direct the spray at the base of the cotton plant so that weeds are thoroughly sprayed . . . while at the same time minimizing contact of the spray with cotton foliage. At the low rates used in postemergence applications before layby, Prometryne kills on direct contact with the weeds.

Layby spray works all season
Keep Prometryne working for your crop all summer with a spray at layby. In this application, the rates of Prometryne . . . to extend weed control right on through the growing season. At these higher rates, Prometryne kills existing weeds and remains to pick off later germinating ones as well. Carried down to the weed root zone by rainfall or overhead irrigation, Prometryne is absorbed by the roots of germinating weeds. Soon after the weeds break ground, they yellow and die.

Controls weeds and grasses
Three years of research by State and Federal experiment stations proved the effectiveness of Prometryne in controlling most annual broadleaf weeds and grasses. Among the problem species

Handled by Prometryne are: pigweed, carelesslyweed, annual and perennial, crabgrass and goosegrass.

Safe to use
Prometryne is safe to cotton used according to label directions leaves no residue in cotton or can be applied safely and is not irritating to humans and animals. However, plant a fall seeded crop next year you use Prometryne.

Fits your conditions
Prometryne works with you . . . ever your cultural practices and conditions may be. Use it as a preemergence spray after both weeds and cotton are up. Use it at layby for protection through the season. Both ways if the weed situation dictates.

Plan to use Prometryne
emergence and/or layby weed control on at least a portion of your acreage this year. See for yourself the outstanding, economic advantages it can provide.

Floyd Philosopher Wants To Know How Egypt Swings These Big Hand-Outs From Both Sides

Editor's note: The Floyd Philosopher on his Johnson grass farm comes up with a hard question to answer this week.

Dear editor: I was glancing through a newspaper last night and ran across a picture of President Nasser of Egypt giving Premier Khrushchev of Russia a bear hug and a continental kiss on the cheek in appreciation for a billion dollars in aid...

According to it, Russia has spent half a billion dollars building a big dam for Egypt, and Mr. Khrushchev was in Egypt to get the proper credit for it.

On the other hand, the United States has spent nearly a billion and a half, three times as much, on aid to Egypt, on the theory I guess that avoiding a kiss from Nasser comes high. Surely we could have volunteered, just to save the country a billion dollars.

School Menus

Menu for Wocw of May 25

MONDAY: Barbecued Weenies, Parsley Buttered Potatoes, Broccoli, Tossed Garden Salad and French Dressing, Hot Rolls and Butter, Devils Food Cake, 1/2 Pint Milk.

TUESDAY: Fried Chicken and Gravy, Creamed Potatoes, Green Beans, Tomato Wedge, Congeeed Fruit Salad, Hot Rolls and Butter, 1/2 Pint Milk.

WEDNESDAY: Hamburgers, Tomatoes, Lettuce, Pickles, Potato Chips, Ice Cream, 1/2 Pint Milk.

Powell H-SU Class Prexy

Jerry Powell, son of Mr. and Mrs. Parnell Powell of Floydada, has been elected president of the junior class at Hardin-Simmons University.

FATHER OF MRS. BALLARD DIES

Mrs. Floyd Ballard was called to Crowell recently due to the death of her father, T. T. Golightly. Mr. Golightly had visited his daughter in Floydada a number of times.

Some species of wasps live in social groups while others lead a solitary way of life.

Luther Kiker of Canyon, more recently of Floyd County.

China against Formosa? How about De Gaulle against England? Floyd County against Hale County?

If he can keep the system going, it won't be long before the desert sands of Egypt will flourish and it's possible we can apply to him for aid to keep from going Castro.

Speaking of Castro, I have a notion he'll go down in History as

the man who lost his country's clear trade with the United States right when cigarettes were giving a bad name.

As for Nasser, we ought to study his methods a little closer. If I could just get two banks competing with each other to see which could lend me the most money...

Yours faithfully, J. A.

Students Named For FB High School Citizenship Seminar

Each year the Texas Farm Bureau selects students from various high schools to take part in an annual High School Student Citizenship Seminar sponsored by the Farm Bureau.

Janet Holmes, daughter of Mr. and Mrs. J. W. Holmes of Floydada, and Olin Degge of Lockney, Jacky Mickey are alternate from Lockney.

The goal of the seminary is to convey to students of junior and senior high school age a better understanding of the American system and way of life.

Emphasis is placed on the economic, moral and social aspects of the American society that were envisioned by our fore-fathers in our Constitution and Bill of Rights and which have been basic to the freedom and high standard of living of the American citizen in contrast to those countries governed by some form of "ism".

Janet lists some of her high school activities as sophomore class reporter, went to the Regional Interscholastic League meet at Lubbock in shorthand, Editor of the "Whirl" next year, and organist for the First Methodist Church next year.

Olin Degge of Lockney is the representative from that school to take part in the 1964 Seminar sponsored by the Texas Farm Bureau.

Degge lists his qualifications from being a member of the National Honor Society, Future Teachers of America, the Future Farmers of America, the high school basketball squad, track team, band, stage band, 1964-65 annual staff and being on the Interscholastic League typing team.

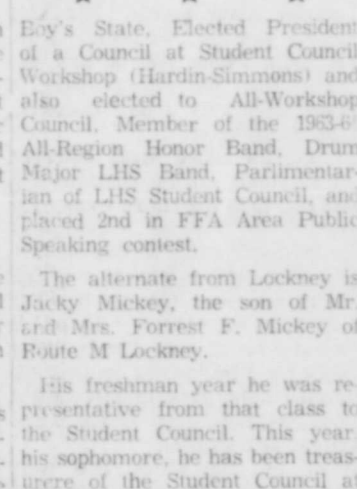

Powell is a chemistry major at Hardin-Simmons.

JANET HOLMES

OLIN DEGGE

JACKY MICKEY

The Awards of the Seminar will be made at an assembly in the high school auditorium in Floydada Thursday morning.

BOY IT'S HOT!

Yes, we're talking about the weather... But it will be plenty cool in your auto this summer if you let us install a new Air Conditioner now!

Seal-Coat Work On US 70 Slated To Begin Tuesday

A construction project consisting of putting a seal-coat topping on the newly finished section of the four-lane highway (U.S. 70)

running from Floydada to the Hole County line is scheduled to begin next Tuesday or Wednesday, according to Sam Fowler, resident engineer of the Texas Highway Department.

Racers

(Continued From Page 1) the rear end. It is against the rules of the game to weight the trunk. Kelly said that two very important factors: Stanley Killian and L. B. Stewart helped in keeping the car in running condition and offered their year's of mechanizing experience in the project. Kelly has never been injured or in a wreck racing... he said he was running next to an auto that blew up one time and a few pieces of metal hit him on the shoulder. Because the motors are revving at top speed, it is not uncommon for one to blow up. In fact Kelly's car like most of them have protective steel shields near the transmission housing to keep the flying pieces of steel from hurting anyone.

BABE JONES

The Hesperian reporter also interviewed Babe Jones, who drag races with a 1955 Chevrolet sedan. It is a yellow and white job with a 1958 Chevrolet engine of 283 cu. inch size. He races in the "D" Modified class at Quannah and the G Sportsman class at Hobbs.

Bill Marquis is chief mechanic on this racer which has a top quarter mile speed of 83.69 miles per hour.

Babe also has a huge collection of trophies that he has won with the Chevrolet and a 1959 Model A that is equipped with a V-8 Chevrolet motor.

He competed in Quannah last Sunday. Babe said he wasn't making any money in the sport, but the trophies were a lot of reward for the work involved in this very expensive hobby.

Babe went into an explanation of gear ratios for the transmission and rear end and said that he and Marquis could change the rear end to a different ratio within 20 minutes.

When asked about a drag strip locally, Babe said that he thought it would cut down on the work of city and county officers if local racing enthusiasts had a place to race that is supervised and safe.

Kelly said that it would take a lot of adult leadership if such a project were initiated here, but that so much money was involved in a good safe fast auto that more persons would have to be interested in drag racing that could afford it, before a local strip would be feasible... most area drag strips have utilized old abandoned paved highways or airport runways.

FLOYD DATA

Mr. and Mrs. Bob Green and two small children have moved to Floyd County where Mr. Green is associated in the farming operation with G. W. Smith. Mr. Green was with the police department in Bryan before moving here. The family are making their home on the ranch below Dougherty. They are members of the West Side Church of Christ.

FLOYD DATA

Mr. and Mrs. O. R. Williams of Hamilton and Mrs. Thelma Watson of Dallas visited here from Tuesday until Thursday of last week in the home of Mrs. W. O. Jones. Mrs. Williams and Mrs. Jones are sisters and Mrs. Watson is a sister-in-law.

The first automatic looms introduced in Holland at the end of the 16th century were limited to narrow ribbon and lace.

The project will consist of one application of liquid asphalt and one cover of stone on the paved shoulders, paved frontage roads, and minor crossovers. Also an application of an Asphaltic Concrete Pavement on the main driving lanes and the major crossovers.

Work is scheduled to take approximately 150 days. Strain said however, that the job should be done before the first of August.

Four-lane traffic will continue on the road, since the firm will be working on only one lane at a time. Motorists are advised, however, that there will be certain warning signs, 45 mph speed limits, barricades, and other road construction signs to be used.

Fowler said, "extreme caution will be taken for the protection of workers and motorists alike. The entire length will be patrolled to minimize inconveniences to motorists. Cooperation of the public is requested in obeying all traffic signals, warning signs, and speed zones."

The length of the project is 15 miles.

progress of the county has been interrupted.

It was mentioned by Watson at the meeting that anything that happens in the county affects everyone in the county. If McCoy gets a new gin, the county gains, if South Plains gets a new elevator then the county gains, if Dougherty gets a new business, the county gains.

"On the other hand, however, if Floydada loses a hospital or a school, then the entire county loses and the economy of the county is then affected", Watson said. He said it was wise to note that there are more things happening now than ever before. There are a number of new homes being built, new businesses coming into town, more park improvements, and we have just completed a street sign project.

All the bad things that were predicted to happen, didn't come about during the hospital and school law suits. The bank didn't lose all its depositors, the newspaper didn't fold up, people didn't transfer their children to other schools, and a number of other things didn't happen that were predicted, Watson stated.

"In spite of what the past has brought, or what is going on now, we must constantly plan for the future. We must continue building new churches, schools, hospitals, airports, businesses, homes, and highways.

"All things we do must be ethical standards. We must forget the past and look ahead and based on the highest moral and work on the future—for now it's already past time," Watson concluded.

At the meeting the club also finalized plans for those who attend the district convention in Snyder Friday and Saturday.

Ted Viramonte gave a report the condition of the baseball fund and what could be expected in future years. Viramonte said that at least two major league clubs would scout some of the games this year as they have in the past.

Oldest living U. S. veterans are those of the Indian Wars (average age 94) followed by Spanish American War veterans whose average is 86.
