

Shuman League Regional Tournament Here Thursday - Saturday

County "Pickle Picking" In Progress

Winner Will Advance To State Playoff At Odessa

The Floydada Baseball Park will be the scene this weekend for a most important tournament for a group of ball teams in this region, for July 31 - August 1, Thursday, through Saturday the Freshman League will have its regional playoffs here.

The first game is set for 6:30 Thursday afternoon, with another to follow at 8:30. Also Friday there will be two ball games beginning at 6:30 and 8:30. Saturday night, the game for the championship will be the only game played, and it will begin at 8:00 p.m.

This is a single-elimination tournament. Competing will be Earth-Springlake, Abernathy, Silverton, Matador, Floydada Colt 45's and Floydada Giants. Since there are only six teams competing two had to draw byes to balance the playoffs of the bracket. The Colt 45's and Abernathy each drew byes, so do not play until the second night. Silverton and Matador will start the tournament followed by Earth vs the Giants. The winners of these two games will advance to the semifinals set at 8:30 Friday. The winner of the Friday

game will compete against the winner of the Abernathy and Colt game, set at 6:30 Friday, for the championship. The winner of the Regional Tournament here will advance to the State Playoffs set for the following weekend in Odessa.

Gospel Meeting Set By Local Church Group

A Gospel Meeting has been set by the congregation at the West Side Church of Christ in Floydada, located at the corner of Mississippi and First Streets.

Evangelist Kenneth Avaritt, Hot Springs, Arkansas, will be the speaker for the sessions set each week night at 8:00 p.m. and on Sunday at 10:30 a.m. and 7:00 p.m.

Sunday afternoon singing has been set August 2 at 3:00 p.m. For a spiritual uplifting, the public is cordially invited to attend.

Two-Pickup Crash Injures Three Boys Of One Family

A grinding two-pickup crash Tuesday morning about 11 o'clock on the Harmony highway injured three boys of the Roy Hale family. The boys are James, Dan and David. David is the only one with more than slight injuries.

James, age 22, was driving a late model pickup and was being followed by another late model pickup driven by Dan, age 16, and carrying David, age 13.

According to James, he attempted to turn into the Carrick Snodgrass driveway. Dan saw him just before the two pickups hit, and swerved to one side, but he went the wrong way. The right front of the pickup driven by Dan hit the left rear of the pickup driven by James. Both the vehicles are total losses.

The door was jammed holding David inside. Snodgrass hooked a chain onto the door, and onto his pickup and pulled the door loose, releasing David.

All three of the boys stayed inside the vehicles until they came to complete stops. The three were taken to People's Hospital in Floydada, then transferred to Lubbock, according to local hospital reports.

According to Sam Hale, grandfather of the boys, David had his legs crushed, a serious eye injury and face cuts. The other two boys had only bruises, or slight lacerations.

David was in the operating

New Station Proposed At 2nd And Tenn.

A new service station will be taking shape at the corner of Tennessee and 2nd Streets within the next two weeks, according to Bud Sparks the builder of the firm.

The new station will have three bays in a building measuring 30' by 60'. It will have two lifts, one for grease and the other for washing and general service.

The building is being contracted by Thurman Gill, a general Contractor, and will be completed after about forty-five working days.

The station will feature Conoco products. Presently, no lease has been named for the new firm, according to Sparks.

FIGHTING LEUKEMIA

Floydada Family Faces Hard, Uphill Battle

The VFW and the American Legion posts of Floydada are spearheading a financial drive in order to help a local family who will need quite a sum of money to fight one of the most dreaded diseases known - Leukemia.

It is the Jerry Campbell family of 604 West Jackson Street of Floydada. The only child, Timothy, age 7 1/2 months, is the victim. Helen Ann, the child's mother is with him at the hospital.

Presently, Timothy has been in the Methodist Hospital in Lubbock for the past 13 days and his doctors say that he will be there about another two to three weeks.

When it was first detected, Timothy had had the disease only about three days, according to the specialists tending him. However, in that three days, the corpse count was exactly one-third what it should normally be.

The first few days Timothy was there, he improved noticeably, however, since that time he has been holding his own.

"From all indications, around \$3,000 will be needed to meet the medical bill before he is released", stated Campbell. "It is costing between \$50.00 and \$60.00 per day for the hospitalization alone, and the cost of the specialists is in addition to that."

Those who feel they cannot send money to help, but can give blood give their names to anyone at the

TIMOTHY CAMPBELL

Weevil Control Program Summarized At Meetings

"This program to stop the boll weevil's spread to the cotton rich Plains is not just a need - it's a vital necessity." This sums up the thinking of a group of the nations leading weevil experts who met in Lubbock Wednesday, July 22, 1964. The experts - entomologists representing USDA, Texas A&M University, Texas Tech and the Texas Agricultural Experiment Station and Extension Service - met to finalize plans for a far-reaching boll weevil control program. This group serves as a Technical Advisory Committee for the boll weevil control program.

Floyd County recently completed a series of "Boll Weevil" meetings held at various places in the county to better inform the residents of the nature of the weevils, life cycle, damage done by them, extent of migration, and a few ways to control the pests. One was held in Floydada, one in Lockney, and one in South Plains.

The program provides for not only keeping the boll weevil off the Plains, but also to push the costly insect further back to the east. This would have the added benefit of reducing costs of chemicals and applications for growers in counties adjacent to the Plains on the east. Dr. J. G. Gaines, Head of the Entomology Department of Texas A&M University, said boll weevil control costs in areas of Texas where the insect is a problem runs \$6 to \$36 an acre or more annually. In addition, up to 20 percent of the potential cotton crop is lost to the boll weevil.

One of the most significant statements at the meeting concerned the spray program, which will begin this fall. This phase is the "heart" of the weevil control program. The goal is to suppress the boll weevil below the Caprock to such an extent that it won't spread on the Plains.

It was made clear by Dr. Perry Adkinson, Texas A & M each and every cotton grower in the area to be sprayed must participate. "Just one grower could provide a 'hot spot' which would allow weevils to survive and repopulate the area the coming

ONE CRITICALLY INJURED - A collision involving these two pickups and three members of the Roy Hale family injured one critically, and the two others slightly. Dan and David were in the pickup on the left

following James driving the pickup on the right Tuesday morning when the mishap occurred. According to latest reports, David, the most critically injured is out of danger. (Staff photo)

Local Cukes To Be Sold Commercially

"Pickle picking", though grammatically incorrect, is gaining momentum in Floyd County and is just getting started. The harvesting of the cucumbers is in the middle of last week and will continue through the next six weeks, weather permitting. The cucumbers grown in Floyd County this year are of the Dalton Best Maid Pickle variety, bred by W. H. Worth. The firm desired around 300 acres. They would set up a receiving station and limit that limit to 200 acres. The total production finally reached around 220 acres.

Presently the fields are yielding around 1400 to 1700 pounds per acre, per picking. As many as 15-17 pickings will be taken off the fields before the vines quit producing.

Most of the growers are paying 50% of the crop for harvesting. Some are using local labor and some are using the braceros. A few of the producers are having to pay the entire first picking for the hands to harvest the crop. Base pay for the work is 70c per hour. This amount is required by the Mexican Government.

Use of Bees
This is the first year the local growers have tried the cukes on a commercial basis, so a lot was to be learned. Care of the vines, watering schedule, fertilization, and pollination, the latter is new to the farmers, for bees are required.

The bees are contracted from bee keepers to furnish proper pollination of cucumbers, for good yields and to prevent production of crooked cukes.

Unlike many other crops, male and female flowers occur separately on cucumber plants. Most crops are self-pollinated with flowers that contain both male and female parts. This type plant is called a dioecious plant.

Pollen must be carried from the male to female flowers on cucumbers for proper development of fruit. The honeybee is the most efficient pollinator of cucumbers.

The use of bees to pollinate cucumber blooms is a common practice in area fields. Many growers use one hive of bees for each one acre of cucumbers.

Poorly formed pickles, such as "nubs" and "crooks" usually result from poor pollination due to an insufficient number of bees. Bee keepers pick up the hives, along with the honey, at the end of the season.

Hands harvesting the cukes (See CUKES, Page 6)

PICKLE PICKING—Cucumber harvest started last week in Floyd County and was to get into full swing this week. Here a couple of Braceros are shown in the J. T. Huckabay

field going over the crop for the first time. The vines will have to be picked each day, or every other day from now until the vines quit producing six or eight weeks from now.

Scattered Showers Hit County; Still Driest July In Last Seven Years

Going into the last two days of July, the month has the chance to be one of the driest Julys in the past seven years. Unless something happens, in the way of moisture, July will be completely dry with only 1.05 inches falling in the City of Floydada, according to the local ASC office.

Although July has brought mostly dry hot days with temperatures ranging in the mid to high nineties, a few scattered showers on various days have boosted the crops in the county as well as add to the official moisture received.

Last Saturday afternoon, Sunday, and Sunday afternoon and evening various parts of the county received noticeable moisture and other parts did not get as much as a sprinkle.

Through the day and a half of scattered showers last weekend, the eastern edge of the county was the portion getting the greatest benefit. The Emert place received about 2 inches, the Fred Cardinal farm north of Dougherty received about 2 inches and Howard Drysdale recorded a little over an inch.

Tuesday afternoon, the hopes of the county farmers was again boosted as promising clouds appeared on the horizons. This did not bring general rains, but scattered portions of the county were benefited. A few examples are: Downtown Floydada received about .02 of an inch, Harmony received none, Lakeview, Sandhill, South Plains and Cedar Hill each received only a sprinkle or only a trace, Dougherty received .4 with heavier amounts north of town. Campbell recorded

about .8 and Southwest Floydada received .75 of an inch. A few years when July has not received as much as 1964's 1.05 are: 1946, .50; 1947, 0; 1941, .81; 1954, 0; 1957, .31.

In spite of the drought, most of the crops are still holding up. The irrigated crops appear to be some of the best the county has produced, but the dryland crops are beginning to show the effects of the dry weather.

Two Million Gallons Water Used July 20

According to Charles Horton, Floydada City Water Superintendent, the city used two million gallons of water Monday, July 20. The peak water use at that point during 1963 was 1.4 million gallons.

This peak was reached after the area has come through one of the driest Julys in several years.

During the entire week, Monday through Friday, the daily usage was above the peak reached last year.

According to the water department, daily usage was: Monday - 2,093,000 gallons, Tuesday - 1,832,000, Wednesday - 1,547,000, Thursday - 1,688,000, and Friday - 1,775,000.

Since that time, however, scattered showers have been received around the county which cut down considerably the amount of water used for watering lawns, flowers, shrubs, etc.

At no time during the dry spell has the city had to ration water, as has been the case in some area towns.

New Bank Application Turned Down

Directors of the proposed Floyd National Bank received word by telegram Monday night that the National Banking Commission had turned down their application for a banking charter in Floydada.

This is the second time a banking charter application has been rejected for Floydada. A group lost a similar effort in 1958 for a state bank.

A spokesman for the group seeking the new bank said an immediate appeal would be made

WHIRLWINDS ONLY SECOND?

District Coaches Say Floydada Has Fair State Race Potential

According to a poll taken by the district coaches to find the strong points, weak points, rating and other information about the strength of the district, the

Reserve Seat Tickets Sold Through Friday

According to Charles Tver, Floydada High School Principal, those wishing to reserve the same seats in Wester Field as they had last year must pick up those tickets prior to 5:00 p.m. Friday afternoon.

After the deadline the ones on the waiting list will get first choice, which will probably take all that is left. If any are left, however, they will go on sale to the public early Saturday morning.

The price of the tickets is \$4.00, which entitles the person to a certain seat, but he must pay the admission price in addition to this to get into the stadium. Those wishing to get a Reserve Seat Ticket may place their name on the list by calling the Floydada High School YU 3-2350.

Floydada Whirlwinds came out rated second in the district behind the Mustangs of Olton. But the team has a fair chance to get into the state playoff, according to the poll.

The teams included in the district are Olton, Friona, Lockney, Dimmitt, Abernathy, and Floydada.

According to last years season record, Friona post the best with eight wins and two losses, compared with Olton and Floydada's records of seven wins and three losses. Other district records include Lockney, four wins, five losses, Dimmitt three wins and seven losses, and Abernathy posted a zero - ten record.

Even though Abernathy had a poor record last year, and is rated sixth by the poll, they could be loaded, for 21 lettermen will return to boost the strength of the team. Eleven of these are returning starters, Abernathy lists their strong points in the returning lettermen depth, and their weakest points in lack of size and speed. John Reagan, a senior tackle weighing 185, could be an all-state contender.

Dimmitt coaches say their strong points will have to be developed while the weak points are lack of depth, size, experience and speed. Dimmitt has

nine returning lettermen with three of them starters. There are presently no prospective candidates for all-state from Dimmitt. This team is rated at fifth place in the district.

Neighboring Lockney boasts sixteen returning lettermen, eight of them starters, experience and depth for the strong points as the team begins the season in September. The greatest drawbacks or the team are the lack of speed and lack of material to fill the end positions. The district's fourth rated team list Dennis Griffith, a senior weighing 185 pounds as a possible all-state candidate.

Friona, rated third in the district by the poll, has fifteen lettermen returning, twelve returning starters, six defensive and six offensive. Friona will try to use its speed to balance its lack of experience in quarterback, and good linbacker material. The coaches can not foresee any prospects for all-state.

The Mustangs of Olton rated Number One in the district by the poll, will have thirteen returning lettermen, seven of which are starters. The strongest point for the team is depth, offset by speed and power on the weak points. The Olton team will have three all-state candidates (See POLL, Page 6)

Frizzell Test Shows Deep Water Is Salty

LOCKNEY — A deep water test on Hubert Frizzell's land, seven miles north of Lockney, has shown salty water coming from the lower strata, it was reported last week. Frizzell has used a bucket and bail to develop the well but had not put a pump on it early this week. The test hole did not show salt but after the well was developed, salt showed up.

The well is cased to 580 feet and the test hole went to 600 feet. Frizzell said there is a possibility that the salt may be coming from the very bottom of the well and that they may be able to seal off this part and still use some of the water-bearing sands from beneath the red bed. The strata shows 100 feet of water-bearing sand below the red bed.

"There is lots of water", Frizzell said, explaining that water rose to within 50 feet of the top of the ground when it was combined with the strata above the red bed and stood at 350 feet from the bottom of the hole from the water beneath the red bed.

Frizzell plans to check the well to determine what level the salt is coming from before putting a pump on it, he said. Raymond Meriwether has drilled several test holes for deep water in the Barwise area with no salt showing but the wells haven't been developed as yet, and this operation may change the picture.

Fate Traylor May Lose Eye From Horse Kick

Fate Traylor, a resident of the Pleasant Valley community, may lose his right eye as the result of being kicked by a horse late Tuesday of last week. He is receiving treatment at Methodist Hospital, Lubbock.

Traylor was penning some calves and had walked up to the horse and was petting it, when the calves broke and ran. Apparently the horse became excited, swerved away from Traylor and kicked, striking him on the right side of the face. The cheek bone was cracked and the eye ball shattered by the kick.

Mrs. Traylor managed to get her husband into a car and brought him to Lockney General Hospital where he was given emergency treatment and sent to Lubbock for attention by a specialist. He was carried to Lubbock in a Carter ambulance.

The eye ball was sewed up but attending physicians said that there is little hope they can save the sight. The eye ball may have to be extracted, it was said. The victim was able to talk some early Wednesday and doing as well as could be expected.

Traylor had bought the saddle horse recently.

FRESHMAN NATIONAL LEAGUE CHAMPS — The Giants, who last week won the National Division of the Freshman League are shown here with the coaches and managers. The team will be playing in the Regional tournament slated here this Thursday, Friday and Saturday. The team members, left to right are: front row David Hasley, George Finley, Steve Craig Hambricht (batboy), Kirby Plem, Danny Killian. Back Row — Coach Hambricht, Stan Pierce, Kiem Smith, Ham Smith, Rene Mercado, Steve Miles Davis and Manager Bill Baker.

NEIGHBORS PLOW SMITH FIELD
The kindness of neighbors and other friends showed up again in Floyd County last week when four farmers along with two hands went into the fields of Weldon Smith with their tractors and did the plowing while Mr. Smith was recuperating from internal hemorrhaging caused from ruptured ulcers.

Mr. Smith was taken to the Lockney General Hospital on Friday and was able to return home last Thursday. During his confinement Weldon and Linton Pruitt and Alton Noland and his hired hand, Alex, along with Elmer Biggs and the hired hand of John Cox, did the Smith plowing.

The Smith family extend their sincere appreciation to these men and also to the blood donors, Dub Dippery, Turner Meechem and Dan Smith and others who assisted in anyway during Mr. Smith's illness.

Religious atmosphere prevades fair scene.

Local Dragster Wins Match At Amarillo

Kelly Chadwick, one of Floydada's racing enthusiasts ran in one of the three featured races at the Amarillo Drag Strip last Sunday afternoon and downed his challenger, Jack Moss of Amarillo driving a Ford Fairlane 300. Chadwick's car is a 427 cubic inch engine powering a 1964 Chevrole.

One of the highlights of the afternoon was the show of sportsmanship by Chadwick.

The winner of the match had to win three out of five heats.

Chadwick won the first heat from Moss, only to have Moss come back and take the second heat.

Moss jumped the gun on two of the starts, which disqualifieds him from winning that heat. Chadwick chose to take one of the disqualifications but let Moss run the second time it occurred, which showed excellent sportsmanship on the part of Chadwick. Chadwick won the third and fourth heats to take the match.

At that point, Chadwick could have driven onto the finish line and been the winner, but he stopped and as he backed up, he received a standing ovation from the crowd.

Chadwick's best time was 12.21 seconds elapsed time with a speed of 119.68 MPH, from a standing start in a quarter-mile run. Moss' best time, on his winning heat, was 12.79 ET and a speed of 116 MPH.

Chadwick's best time this year is around 127 MPH, that his car achieved at Tyler.

MANY EXTEND GREETINGS TO AUNT FANNIE
Calling from out-of-town on Wednesday of last week of the birthday celebration for Aunt Fannie Brown were Mrs. Noah Humphries, Dimmitt; Mrs. Clarence Browning, Corpus Christi; Mrs. Jake Griffith, Mrs. A. B. Bloom, A. B. and Opal, all of Plainview; Mrs. Zonnell Maples, Dimmitt; Mr. and Mrs. Will Mooney, Mr. and Mrs. P. L. Orman and Mr. and Mrs. Sid Brown, all of Floydada; Becky Lucrecia Roberson, Olton; Mr. and Mrs. O. E. Wicker of Portales.

No special birthday celebration was planned but many friends and relatives came by for a visit with the 102 year old celebrity.

SURPRISING LOCKNEYITES MARKETING NEW GAME

... not like games of chance and were convinced that they could develop a new game of skill equally as entertaining and absorbing as those based on chance. Being a western family and liking horses and cows, they combined the western theme with skill.

Daughter Charlyne was artist for the first gameboard, designed by the foursome, which was used at home for entertaining family friends. Results proved the game enjoyable for all ages, young and old.

Convinced that others liked their game, the family secured Miss Felicia Louise Applewhite, local artist, to prepare the first official gameboard.

Many Miles Traveled
Hundreds of miles were traveled by the Browns, showing the game to various game dealers, and, as Brown recalls, "each dealer encouraged us to go ahead and place it on the market."

Work began toward receiving patent, copyright, and trade marks. Almost two years lapsed before these deals were completed.

"I began contacting individuals concerning the game and word spread like wildfire," said the inventor. A corporation was

E. Fay Pinner Dimmitt, Dies

Elbert Fay Pinner, 57, a resident of Dimmitt seven years, died at 11:30 a.m. Sunday in Methodist Hospital in Lubbock.

Pinner, an insurance and real estate man, moved to Dimmitt from Lockney.

Services were held in the First Baptist Church in Dimmitt Monday. The Rev. M. A. Smith, pastor, officiated; assisted by the Rev. James Carter, pastor of First Methodist Church in Lockney. Burial was in Lockney Cemetery under direction of Dennis Funeral Home.

Survivors include the wife; five brothers, Harvey, Ahilene Cecil, Lockney, Ray, Fayetteville, Ark., Jim, Lockney, and Joe, Bovina; three sisters, Mrs. May Teaff, Dalhart, Mrs. Tina Rexrode, Lockney, and Mrs. Verde Richey, Eugene, Ore.

FLOYD DATA

Mr. and Mrs. L. C. McDonald returned home Friday night from an extended trip into West Virginia, Kentucky, Washington, D. C. and New York where they attended the World's Fair. En route home the McDonalds visited in Russellville, Kentucky, birthplace of Mrs. McDonald and in Wichita Falls, Texas, visiting their son.

The Floydada couple reported pleasant weather, nice and cool their entire trip by car.

FLOYD DATA

Mr. and Mrs. Fred Stewart left Monday and are due home today from Waco where they took Mrs. Stewart's sister, Ann Newman home. The sister had been in Floydada the past several weeks visiting in the Stewart home.

FLOYD DATA

Mrs. E. R. Jones of Little Rock, Arkansas, has been spending the summer with her daughter, Mrs. Houston Dixon. Mrs. Jones will spend the remaining weeks in Lubbock.

FLOYD DATA

Mrs. George Eudy, and Mr. and Mrs. Travis Parr and children attended the recent wedding of Mrs. Eudy's grandson, Roy George, in Amarillo. Roy is the son of Mr. and Mrs. John Eudy.

FLOYD DATA

A host of relatives and friends visited in the Charley Berry home the past few days: Among those, Curtis Wilson and son, Owen Leon Wilson and his family from Orlando, Florida in route to San Diego, Calif. The Tubal Cain family, of Mangum, Okla., Mr. and Mrs. Woodrow Surratt, of Muleshoe, Mrs. Myrtle Almon and Mr. Ward of Hereford, Mr. and Mrs. Walter Newkirk and son of Silverton, and Mrs. W. J. Berry. Also, Jack Ryland and Robert Bridge of Earth, Texas.

FLOYD DATA

Mr. and Mrs. H. A. Miller of Paragould, Ark., and her son, Jerald Gibson, his wife and two children of St. Louis, Mo., visited here recently with Mr. Miller's sister, Mrs. Harley Vick and family and his uncle, V. D. Turner and other relatives.

FLOYD DATA

Mr. and Mrs. Orbia Blanton of San Antonio and Mrs. J. H. Norris of Shafter, Calif., spent the week in the T. T. Hamilton home. Mrs. Blanton and Mrs. Norris are sisters of Mrs. Hamilton.

FLOYD DATA

Recent visitors in the home of Mr. and Mrs. R. H. Ashton and the Clarence Ashtons were Mr. and Mrs. Ralph Parsley of St. Louis, Mo., and their daughters, Marie, Dianna, Sandra and Paula. Mr. Parsley is the nephew of Mrs. R. H. Ashton.

Baird Bishop Leaving For Convention

Baird Bishop will leave Sunday, Aug. 2 at 7 a.m. from Lubbock enroute to New York City to attend an A. Ph. A convention set August 2-7.

He will be staying at the New York Hilton, the convention hotel.

Bishop intends to return August 7, and will arrive in Lubbock that night.

While at the American Pharmaceutical Association convention he will be privileged to hear such well known speakers as Chet Huntley, noted news commentator and Dr. Kenneth MaFarland, a guest lecturer of General Motors.

Winners Are Announced In 4-H Club Dress Review

LOCKNEY — The 1964 4-H Dress Review was climaxed Tuesday night of last week with the line saltonne cotton for school year. She carries projects in clothing, foods and others.

Linda Abbott, 15 year old daughter of Mr. and Mrs. N. S. Abbott of Lockney, is the senior alternate to district. Lu Ann Llewellyn, 10 year old daughter of Mr. and Mrs. James Lovell, Floydada, is the junior alternate to district.

Others participating in the county show were:

Junior girls (under 14 years old): Kay Russell, Floydada 4-H Club; Sharon Smith, South Plains 4-H Club; Kathy Graham, Floydada 4-H Club; Judy Probasco, Sandhill 4-H Club; Margaret Graham, Floydada 4-H Club; Katie Taylor, South Plains 4-H Club.

Senior girls (14 and older): Doris Fawver, Floydada 4-H Club; Elaine Starkey, Sandhill 4-H Club; Jane Thacker, Lockney 4-H Club.

The theme for this year's dress review was "Garden of Fashions". Each girl walked through the garden as the narrator, Miss Sherri Simpson of the Harmony 4-H Club, described the garments.

Entertainment for the evening consisted of a fashion for fun night skit entitled "What The Well-Dressed Woman Will Not Wear From Morning To Night". Models wore ridiculous costumes satirizing some fashion trends and fashion terminology.

Participants were Edith Henderson, Lockney 4-H Club; Nita Scott, Harmony 4-H Club; Retha Jordan, Teresa Colston, Brenda Willis, Floydada 4-H Club; Ronnie Miller, Sandhill 4-H Club; Barbara Schulz, Harmony 4-H Club.

The judging of the garments on the girl, construction and the 4-H records were done Monday, July 20. Juanette Williams, home demonstration agent from Garza County, and Mrs. Roy Burks, clothing leader, were judges. Junior records were judged by Mrs. Lynn Miller, Mrs. Bob Hopper, Nita Scott and Jane Thacker. Paulette Kropp assisted with instructing the girls on modeling.

Spice And Rice Shower Honors Miss Hollums

The former Harryette Hollums was honored on Saturday, July 11 in the PCA room with a spice and rice shower. Guests were school chums and other close friends of the honoree.

Hostesses for the occasion were Mrs. Orville Marier and Sandra, Mrs. Jimmy Stewart and Mrs. Wayne Poteet.

Guests were served cakes and cracker tidbits from a table laid with a white embroidered cloth, centered with an arrangement of blue flowers.

Participants were Edith Henderson, Lockney 4-H Club; Nita Scott, Harmony 4-H Club; Retha Jordan, Teresa Colston, Brenda Willis, Floydada 4-H Club; Ronnie Miller, Sandhill 4-H Club; Barbara Schulz, Harmony 4-H Club.

The judging of the garments on the girl, construction and the 4-H records were done Monday, July 20. Juanette Williams, home demonstration agent from Garza County, and Mrs. Roy Burks, clothing leader, were judges. Junior records were judged by Mrs. Lynn Miller, Mrs. Bob Hopper, Nita Scott and Jane Thacker. Paulette Kropp assisted with instructing the girls on modeling.

Kent Clark And O'Donnell Girl To Repeat Vows

O'DONNELL — Mr. and Mrs. Sumner Clayton Jr., announce the engagement and approaching marriage of their daughter, Elaine, to Larry Kent Clark, son of Mr. and Mrs. L. K. (Pete) Clark, former residents of Floydada.

The wedding will be read at 7:30 p.m. August 29 in the sanctuary of the First Methodist Church, with the Rev. N. S. Daniel, uncle of the bridegroom, officiating.

Clark is a graduate of Lamesa High School. The bride-elect is a senior in O'Donnell High School and will graduate this summer.

Locals Attend DCCW Workshop

Four women from St. Mary Magdalene Church of Floydada, attended a meeting Tuesday at Lubbock Christ the King Church School Cafeteria. The women are: Mmes: Raul Mercedo, Ernesto Santana, Domingo DeLeon and Eduardo Muniz.

The purpose of the meeting was to hold a Diocese Council of Catholic Women Workshop.

The principal speaker for the event was Mrs. W. E. Kale, president of the DCCW from Amarillo.

New Bride Feted With Shower

Mrs. Clois Purvis, the former Harryette Hollums, who was married on July 24, was feted with a bridal shower on Saturday, July 18 in the home of Mrs. Pete Hickerson.

Calling hours were from 4:30 until 5 p.m.

In the receiving line with Mrs. Hickerson and the honoree were mothers of the betrothed pair, Mrs. Duncan Hollums and Mrs. Leo Purvis of Saginaw, Tex., and the bridegroom's sister, Sherry Purvis.

Rita Colley registered guests from a table complemented by a silver vase holding a single white rose. Sue Gibbins presided at the table.

A white linen cutwork cloth covered the serving table which held a centerpiece of white roses with blue wedding bells and love knots. White candles completed the setting to carry out the chosen colors of blue and white.

Hostesses for the occasion were Mmes. R. C. Bullock, J. M. Williams, Jake Watson, Cecil Baxter, C. W. Jones, Porter Finley, C. O. Lyles, Tom Hutchins, Kenney Edminston, Dennis Dempsey, Ralph Cogdell, Nita Thayer, Bryan Karr, George Sherrill, Guy Ginn, W. L. Orman, Pete Hickerson and Miss Rita Colley.

The gift to the honoree was stainless steel cookware, ironing board and iron.

Golden Circle Class Meets

Golden Circle Sunday School class met on July 27 in the First Baptist Church in an all day session with lunch served at the noon hour. After lunch a program was presented with Mrs. W. C. Sims taking the leading part. Following the program matters of business was taken care of at which time a committee was appointed consisting of Mrs. J. C. Newsome, chairman with others to be selected to draft lessons for another year which will be put in book form.

Roll call was answered with scripture verses.

Mrs. J. E. Horton was appointed reporter to serve one year.

The meeting closed with prayer.

Attending were Mmes. Vesta Savage, E. F. Stovall, L. A. Marshall, J. E. Horton, Pearl Fagan, R. L. Nichols, Calla Wilson, W. C. Sims and Mrs. J. C. Newsome.

Ivey-Moore Reunion Set

The 5th Ivey-Moore Reunion will be held at the Barbecue Pit in MacKenzie State Park, Lubbock, on August 15-16.

Some 150 people are expected to attend, among them from Floydada will be the Joe Evers and the O.K. Custer families.

All relatives are invited to attend.

Poverty bill linked with birth control issue.

FARM BUREAU FACTS & FACES

LEAVING Brownsville Friday July 24, Farm Bureau leaders from all over Texas arrived at their homes with a new sense of civic responsibility and the inspiration that speakers such as John Noble and Dr. George Benson can impart.

From Floyd County, Mr. and Mrs. A. C. Pratt and children attended the Texas Farm Bureau Institute. Mrs. Pratt was there on Monday evening, July 19, for a meeting of the State Young People's Committee and Area Fieldman Miss Judi Shurbet. State FB Quorum from Floyd County, flew down on Wednesday to stay through the remainder of the Institute.

Professor Glyn Turner's class on Understanding Economics in Agriculture was one of the highlights of the Institute. He said, "Liberty is limited government, when government becomes master God is dethroned. Anything government gives away, it must first take away."

John Noble made three points on methods of preserving freedom and battling communism. They were (1) Know right from wrong, according to the Word of God and the Constitution; (2) Be informed; and (3) Action, write your congressman, inform your local officials, inform clergyman and teachers, ring doorbells, organize study groups, distribute materials.

Without point one, points two and three are useless.

Recognizing and Understanding Agricultural Problems by W. C. Wedemeyer was a class well worth attending.

Bill Wedemeyer is Director Research and Education for T. F. B. His dedication and ability are truly phenomenal.

The Memorial Center in Brownsville is beautiful and the cordiality of the people in the Valley second to none.

SOMETHING NEW has been added to the regular district meeting for August 6. Outstanding young people of District II are being invited to the dinner meeting. Guest speaker will be Steve Lilly, chairman of the State FB Young People's committee.

Mrs. Grover Wilson of District III and Mrs. A. C. Pratt of District II will assist with the program.

Steve Lilly will moderate and Mrs. Wilson will be Contest Chairman of a demonstration discussion meet which replaces the talk meet held in the past.

It is hoped that the counties will go away inspired to send contestants from each county so that a District Discussion Meet may be held.

D. L. Handley Funeral Held In Lockney

LOCKNEY (Special)—Funeral services for Daniel Labon Handley, 73, longtime resident of Floyd County, were held Monday in Lockney First Methodist Church.

Officiating was the Rev. James Carter, pastor, assisted by David Ray Jackson, ministerial student. Burial was in Lockney Cemetery under direction of Carter Funeral Home.

Handley died at 9:30 p.m. Saturday in Lockney General Hospital after suffering a heart attack Friday.

He was born in Alabama and moved to Caldwell County, Tex., at the age of seven. He married Miss Myrtle Sherwood Jan. 5, 1913, in Childress County and they moved to near Floydada in 1917. Handley had been a Lockney resident since 1930 and was in business with his son until four years ago when he became semi-retired.

He was a member of the Primitive Baptist Church for 53 years and was an ordained minister.

Survivors include his wife, a son, Joe, Lubbock; three daughters, Mrs. Otto Gaskins, Hurwood, Mrs. Doc Durham, Lubbock, Mrs. Carl Goetz, Odessa; three brothers, Harvey, Crosbyton, S. J., Floydada, J. O., Carmel, Calif.; five sisters, Mrs. Bill Mitchell, Crosbyton, Mrs. George Heath, Lubbock, Mrs. Bessie Elliott, Littlefield, Mrs. Chester Crawford, Hollis, Okla., and Mrs. L. A. Smith, Spade; 13 grandchildren and 15 great-great grandchildren.

To give potato salad a new look and convenience for picnics, dissolve a package of unflavored gelatin according to package directions and add it to the regular salad ingredients. Put the potato salad in a loaf-shaped pan, lightly oiled and lined with slices of tomatoes. When the salad is unmolded, the sliced tomatoes are on top.

Plan for canal in Colombia angers Panama.

Singing School At Lakeview Starts On 3rd

A Singing School will be conducted at the Lakeview School next week from August 3 through August 8th with classes offered to all age groups of all denominations by a group of Primitive Baptists.

Basic theory will be taught and also instructions in congregational and song leading. A music Rudiment's book and the Primitive Baptist hymnal will be used.

The group will camp on the grounds and those who wish to attend are asked to bring their bedding and personal effects.

Group singing will begin at 7:30 each evening and the public is invited. No tuition will be charged with the expenses to be defrayed by contributions.

For further information contact Mrs. Dennis Taylor, YU 3-2616 or Mrs. W. W. Brints, 4252 in Crosbyton.

Pvt. Bonner In Indian River II

FORT RILEY, KAN. (AHTNC)—Army Pvt. Johnny B. Bonner, son of Mr. and Mrs. J. P. Bonner, 411 E. Lee, Floydada, Tex., and other members of the 1st Infantry Division are participating in joint Army-Air Force Exercise INDIAN RIVER II, at Eglin Air Force Base, Fla., ending Aug. 7.

INDIAN RIVER II is the second in a series of three exercises to be conducted by the USAF Tactical Air Warfare Center at Eglin Air Force Base, in preparation for later joint testing and evaluation by Commander in Chief, U. S. Strike Command of USAF proposals for using aviation to enhance combat effectiveness of Army units.

Bonner is an automatic rifleman in Company A, 2d Battalion of the division's 28th Infantry regularly stationed at Fort Riley, Kan.

The 19-year-old soldier is a 1963 graduate of Delta Plains High School.

FLOYD DATA

Mrs. George Smith of Crosbyton, who is the widow of the eldest son of the late Uncle Hank Smith, and her grandson, Hank Smith III, were in Floydada Monday visiting with Mrs. Maud Hollums and other old time friends.

Local Boys Run In Track Meets Throughout Summer

Two local boys traveled to Abilene last Saturday to take part in the Texas Amateur Athletic Federation and placed very high against other boys from all classifications at the meet.

Sammy Watts won second in the high hurdles, breaking the old record, 4th in the low hurdles, missing the state record by 3/4 of a second, and Roland Adams won 7th in the broad jump with a leap of 19 feet.

The old record in the high hurdles was 15.0 seconds. Watts ran a 14.7 and still placed only second. The winning time was an impressive 14.6 by Tommy Boyd of Arlington.

In the low hurdles, Watts clocked 20.1 seconds and won fourth behind a winning time of 19.9. The old record was 20.0. Adams' leap of 19 feet was 2 feet and 7 1/4 inches short of the winner's.

The local boys were competing against AAAA, AAA, AA, A and B towns at the meet.

There was an open division in which a 45 year old man ran the half mile.

Too, according to Coach Bill Carmack, about 500 contestants were on hand including about 200 girls.

Carmack said "This type of meet should be emphasized, for if the US is going to have any Olympic teams in the future, the representatives are going to have to run every month of the year."

Other Meets

All during the summer months, three local boys have been attending various invitational "open track meets and have done quite well according to reports.

The three are Garland Martin, Derrill Monday, Mac Baker, and Adams.

The week before the Abilene meet, the three attended a meet at Odessa. Prior to that they have been to Lubbock, Odessa, Andrews, Seminole, and other places where they compete against AAAA schools as well as the lower brackets.

Everywhere they have been they have brought back ribbons except from Odessa. They have placed third in the sprint relay everywhere except at Andrews, and third in the 440-yard relay everywhere except at Odessa.

Other ribbons won are 4th in the broad jump at Lubbock, and 4th in the 8-man relay at Odessa. For this event the locals teamed up with 4 boys from Amherst, coached by Bert Grimes, a native of Floydada.

All these boys are 15 years old and will be Sophomores in Floydada High School this fall.

Leukemia

(Continued From Page 1)

wants to contribute they may do so by sending their money, no matter how big or how little, from hundreds of dollars to half-dollars, to either: The First National Bank, Clay Henry, Floydada, Texas, or to the VFW, Box 554, Floydada, Texas.

After a reasonable time has passed, within a week, possibly, when amount of response is known, the money will be placed at the bank and a cashier's check will be sent to the hospital from the bank.

It should be kept in mind that funds from the American Cancer Society are NOT available for such expenses. That money is used entirely for research, and not a penny is used in direct treatment of cancer victims. Leukemia is a form of cancer.

Presently, no cure is known for Leukemia, but four types of pills are available to help stymie the disease. One is used until the white corpuscles become resistant to it and start reproducing too rapidly again. Then the second is used for as long as it is effective, and the third is used and the fourth.

While the effectiveness of each pill runs out those who are fighting the disease hope a cure, or at least another pill will be developed that will combat it.

So a long fight may be ahead of this family, everyone's help can be used and is needed.

Cukes

(Continued From Page 1)

work the fields almost daily now. After the first picking there is usually a two-three day lapse before they require working again. The hands go over the crop time after time for a period of six to eight weeks.

As the hands go down the rows picking the crop they lay the vines on top of the row, out of the middle for two reasons. The first is so water can run down the row freely in irrigation, and the other is that it makes the later pickings much easier. All the hand needs to do after the first time over is lay the vine to one side, get the cukes, then push it back to the other side and get the crop from there. Once again he will center the vine on the top of the row.

The crop is brought, in sacks, to a receiving station at the Floyd County Co-op Gin where they are graded, weighed and shipped to Ft. Worth.

The pickles are graded as Numbers 1, 2, 3, 4, and culls. Mostly the 1's and 2's are used in making pickles, but a few 3's are used also. The small number 1's are called "gherkins" and are used to make small sweet pickles.

Of course, the number 1 pickles are the most desirable and thus bring the best price. Prices—range as follows: Number 1—\$7.75, 2—\$3.50, 3—\$1.60, and 4—\$1.00. All prices quoted are per hundredweight.

Presently it looks as if the growers may make up to \$400 per acre, but half of this will go for harvesting, as before stated.

The final analysis though, as with any crop, will be taken when harvesting is completed.

So far, the main drawback, according to local growers, with the crop is the labor problem. There isn't enough local help available to harvest the crop, and if the

Poll

(Continued From Page 1)

dates in the arm of Joe Priest, junior quarterback who weighs 165 pounds; Leon Kendall, a 180 pound senior guard and Dennis Givens, senior guard weighing 190 pounds.

The Whirlwinds, rated Number Two by the poll will have fourteen returning lettermen, with six of them returning starters. The strongest factor in favor of the team will be depth and the weakest are size and speed. The locals, too, could have three all-state candidates: Mac Wilson, a senior end weighing 175; Bill Potts, a senior guard weighing 180 and Keith Teague, a senior quarterback weighing 175.

Sport fans should keep in mind that this is merely a pre-season poll that could prove to be entirely inaccurate by the time the season is over. The correct ratings and the district champion will be decided only when the final gun of the last games sound at the end of the season, then, and only then will the one winning the district go into the bi-district playoff.

Caprock

(Continued From Page 1)

"Yes, I'll tell him," the secretary replied, "and who shall I say called?"

Cappers Wkly.

Control

(Continued From Page 1)

Farmers in the county who have reported weevils in their fields are: Ralph Johnston, J. C. Martin, Watson Jones, Eldon and Durrell Fortenberry and H. H. Hines.

Farmers are urged to spot-spray where weevil infestations appear in their fields above the Caprock. Infestations above the Caprock are still light and confined to fairly small areas of the field. Spot spraying will help prevent a buildup and spread of the weevils further into the Plains. This is an important part of the overall weevil control program.

County agent Richard Miller cautions that early detection of damaging insects in cotton fields is necessary for effective control.

Broccoli law isn't extended, the future of the cuke's in this area is questionable, according to local farmers.

Rural Mail Carrier Plans Retirement Next Month

More Than One Million Mile Free Miles

When most people think about retiring, they usually think of the earliest date, they can get out of the particular grind in which they are involved. Such is not the case with one

man who could have retired after only 20 years service. Why ONLY THIRTY? Because the man could have retired ten years ago, but his health was good, and he wasn't ready to quit working.

This rural mail carrier that has worked in the Floydada Post Office while it has been at three different locations in the city is planning to turn in his mailbox and a fishing rod in next month. He is Jeff Welborn who will be retiring from the Post Office Department after working 40 years with the Floydada Post Office.

Welborn went to work for the department when he was only 22, began delivering mail on rural route No. 2 and has been on it for his entire tenure, except for two months. The only time he wasn't was at a time when the local post office consolidated some routes and he was assigned to rural route number 3.

However, after talking it over with the individual that was taking over his old route, the two agreed to switch, and Welborn was back on familiar grounds once again.

He was born in Cookville, Texas, and was reared in Alabama. He graduated from high school, in Boaz, Alabama, and attended SMU and Texas University.

In 1920, Welborn came to Floydada where he met Miss Belle Cannady whom he married in 1928. The couple had one daughter, Mrs. Adrian C. Helms, of Floydada. Mrs. Welborn later died and he has since remarried.

Welborn has worked under six postmasters while the post office has been in its three different locations.

When he started working for the department, the Floydada Post Office was located on California Street, where the First National Bank's Drive-In Window

is now located. At this time there were no city carriers, only postal boxes and the rural routes.

From that spot the office was moved onto North Main Street in the early or mid-thirties, and to its present location in 1955.

Presently about 7,500 patrons are served from the local office. Rural route number 2 presently covers 83 miles and serves 459 rural patrons.

Only one thing that Welborn said he didn't like, and that was to deliver bushholders or circulars that have to go into every box on the route as well as to all city boxes and the city delivery patrons.

Welborn said he couldn't remember just how many cars he has worn out on his route but he said, "I do remember which of my cars has given me the best service over the years. It was a 1925 Model T Ford."

1925 was one of the wettest years this country has ever seen and Welborn remembers driving through the mud a number of times, and sometimes not driving through too easily.

All the time he had the car it had no right door.

"The old Model T carried me between 65,000 and 70,000 miles, mostly of course on my route," added Welborn.

Each day, except Sundays, for

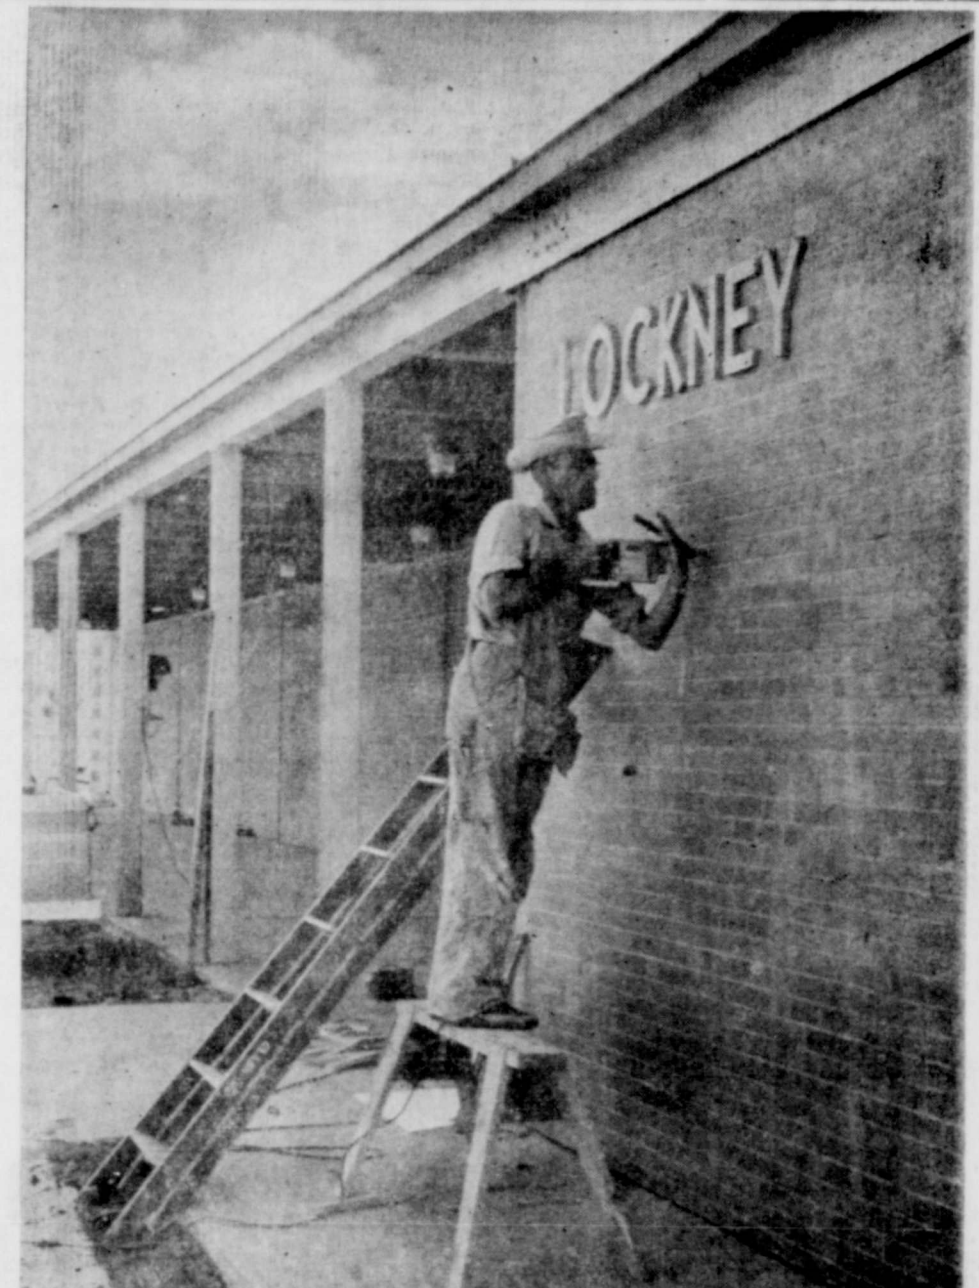

EDWARD CHILDS CRITICALLY ILL

Edward Childs, who prior to his illness did carpenter work with Pike Hanna, is critically ill in Veterans Hospital in Amarillo where he has been a patient for the past several months. Mr. and Mrs. Childs reside in Floydada. He is the son of Mrs. M. F. Childs of this city.

POSITION—Jeff Welborn is shown of his most common positions, that of mail into the various boxes for his route post office before leaving on rural route

No. 2. Welborn has been doing this for the past 40 years and will be retiring from the department August 14 of this year. (Staff Photo)

NEARING COMPLETION — One of the many finishing touches is being put onto the new \$531,000 school building in Lockney which elementary students will attend this year. Outside construction is virtually completed, with finishing touches being wrapped up on the inside of the building. This building is the major part of a \$600,000 school bond issue passed by Lockney residents in the fall of 1963. The remainder

of the funds went to an addition of the Lockney Junior High School, also in final stages of construction. In 1964, Lockney construction continues, both in civic and business promotions. Working the large steel lettering to the building is Lockney contractor, Roy Reed. Architects for the new school were Rittenberry and Rittenberry, Amarillo; contractor was Tatum Construction Co., Lubbock. (Plainview Herald Photo.)

His next duty station will be Ft. Sill, Okla.

Hunsucker At Laredo Air Base

LAREDO, Tex. — Second Lieutenant William R. Hunsucker, son of Mr. and Mrs. James N. Hunsucker of McAdoo, Texas, has entered U. S. Air Force pilot training at Laredo AFB, Texas.
Lieutenant Hunsucker will fly the newest Air Force jet trainers and receive special academic and military training during the year-long course. He will be awarded silver pilot wings upon completion of the all-jet Air Training Command flying program.
The lieutenant, who received his B.B.A. degree in accounting from Texas Technological College, Lubbock, was commissioned upon completion of Officer Training School at Lackland AFB, Texas.
His wife, Jenalou, is the daughter of Mr. and Mrs. Leslie Miller of Crosbyton, Texas.

LT. HUNSUCKER

Tent Revival Scheduled By First Baptist Church

An old fashioned tent revival will be held by the First Baptist Church, August 9th through 16th. The tent will be located on the paved parking lot just east of the church building. There will be seating capacity of 700.
The area immediately surrounding the tent will be reserved for the parking of cars bringing those who are physically unable to come to the inside. It is believed that many in the community will greatly benefit from this privilege.
Dr. C. Wade Freeman of Dallas will be evangelist Chairman for the Baptist General Convention of Texas the past seventeen years. He has led revivals in most every State in the Nation and preached in many foreign countries. Dr. Freeman gave general direction last year to the nation wide Japan New Life Crusade.
The music is to be under the direction of Mr. Al Wilson of Olton, Texas. The public is invited to attend each evening at 8:00 p.m. and in the morning at 10:00 a.m. The morning services will be conducted in the auditorium.
The tent and surrounding area will be sprayed for mosquitoes before each evening service.

Wells Been Pumping Thirty Days

SANDHILL, July 27 — Every well in the community has been running at least thirty days constantly and looks like it will continue as there seems to be no moisture in sight. Many of the wells have gone down considerably. Makes you wonder just how long our water supply will last.

The "Glenn Kinards" and Jess Stankeys have been having trouble with their house pumps and when this happens its disastrous in the country.

Mr. and Mrs. Jim Holmes of have been visiting in the community a few days. They visited in the home of Mr. and Mrs. William Mays and Mr. and Mrs. James Jeffress. They also visited in the home of Mr. and Mrs. John Holmes at Inic.

Mr. and Mrs. Eldon Fortenberry, Rev and Rev. and Mrs. Robert Slayton and girls.

Mr. Stanley Conner, Michael and Douglas are spending some time in the home of his parents, Mr. and Mrs. Jim Conner. Mr. Stanley Conner's parents, Mr. and Mrs. H. T. Collins of Port Arthur visited three days this week in the Jim Conner home.

Mr. Stanley Conner and sons will meet her husband, Dr. Stanley Conner in Houston in August. Dr. Stanley is getting his discharge from he armed services.

Mark Conner is visiting this week with his grand parents, Mr. and Mrs. Jih Conner.

Mr. and Mrs. Robert Barlow of Perryton, Tex., were week end visitors in the home of her brother, Mr. and Mrs. Jim Conner.

Mr. and Mrs. Morris Degan, Mr. and Mrs. Greer Lackey, Polyn and W. E., visited Saturday night in the home of their parents, Mr. and Mrs. Walter Brannon, Lynda and Monty.

Mrs. Lindsey Lackey and girls, Mrs. Greer Lackey and children, Mrs. J. C. Fowler and Clayton, Mrs. W. E. Lackey enjoyed a picnic and swimming party at Roaring Springs Wednesday.

Rev. and Mrs. Leo Brusher left this a.m. for a two weeks vacation. They will visit her grand Dayton, Ohio where he will visit parents in Kentucky and on to his parents. We hope for them a good vacation. Rev. Hollis Shewmaker of Plainview will preach in his absence.

Mr. and Mrs. J. G. Tucker returned home this week after a two weeks vacation. They visited with Rev. and Mrs. J. E. Staples at Grand Saline, Rev. and Mrs. Sandford at Lindale, Rev. and Mrs. Zuber at Mineola.

Mr. and Mrs. Mack Cyfert at Columbus, Georgia, Mr. and Mrs. Hensley at Lansburg, Ark., parents of an Army buddy, Mr. and Mrs. Delma Edwards at Oxford, Mississippi, another army buddy. His, uncle and Aunt, Mr. and Mrs. Carle Hoole at Norman, Okla., Mr. and Mrs. Raymond Byro at Elreo, also an army buddy. A good vacation reported.

David Bloys, son of Mr. and Mrs. Gene Bloys returned home Monday after a three week trip to the Scout Jamboree in Valley Forge Pa. The boys spent some time in New York and attended the World's Fair. They enjoyed a tour in Washington D. C. and heard the President speak.

David reported a wonderful three weeks of sight seeing and trading small trinkets with boys from all over the United States.

At last report he had three horned toads left to make the return trip home with him.

The group arrived in Lubbock about 6:30 p.m. Monday afternoon and were met by their parents. They were a tired but happy group of boys.

Week end guests in the home of Kenny Bloys were Bob Marlen and Larry Beaver of Floydada.

The Little League season is over for most of the teams in Floydada but we would like to say congratulations to the Giants and the Colt 45's and wish them luck in the tournament this week end.

We would like to say congratulations to Jody Southerland and Tim Jeffress from the Cardinals and Mike Burk from the Indians. They were picked to play with the Giants.

Another one of our boys, Stan Pierce is on the Giants.

We would also like to congratulate Steve Puckett, Andy Hale and Larry Hamilton. They were picked to play on the Colt 45 team in the tournament.

The Indian team coached by Gene Bloy and Newell Burk enjoyed a swimming party at the Glenn Kinard lake in the Community Saturday afternoon. After the swim they enjoyed all the watermelon they could eat.

Congratulations are in order to all the teams in the league this year, they all played some good games during the season.

Several of the R. A. boys are at camp this week down at the Baptist encampment. Tom Pierce is their leader and Billie Stringer plans to help out some with the boys.

Those attending are Randy Miller, Terry Turner, Steve and Stan Pierce, Gary Gilbreath, and Mark and Mike Vinson. They will be at Camp two days.

Supper guests in the home of Mr. and Mrs. Gene Bloys Sunday night were Mr. and Mrs. James Jeffress and Mr. and Mrs. Jerry Mickey and Mike.

Mr. and Mrs. Glenn Kinard enjoyed their grandson Mike Mickey over the week end while his parents, Mr. and Mrs. Jerry Mickey spent a few days in the mountains.

The M. B. Swanner and Mr. and Mrs. Kirk Slaten and family attended their family reunion in Lubbock Sunday.

Mr. and Mrs. Bill Gilbreath and family and Mr. and Mrs. Russell Bells and family and Sue Merrill spent all last week in

Refreshing Shower Received

CENTER, July 27 — We enjoyed the refreshing shower we got Sunday morning. It passed over the in time for most people to get to church.

Mrs. Brooks from Moran came Thursday for a visit with her daughter, Mrs. John Carey and Nancy, and other relatives.

Mrs. Martha Marsh visited Mrs. C. E. Finley Wednesday night.

Elaine Warren visited one day last week with her grandmother, Mrs. Charley Batten.

Mrs. Marsh returned last week from Cameron where she had accompanied her sister and husband the Loyd Moores of Lubbock, to attend the funeral of Mr. Moores' aunt.

Mr. and Mrs. Roger Gooch and baby boy and Mr. and Mrs. Bobby Mae Welborn and family visited Sunday afternoon with their parents, Mr. and Mrs. J. D. Welborn.

Misses Carolyn and Mary Lynn Anderson of Harlingen came Sunday for a short visit with their grandparents, Mr. and Mrs. O. C. Vinson. The Vinson's and granddaughters ate supper Sunday evening with Mr. and Mrs. Jerrold Vinson and family in the Harmony community.

Mr. and Mrs. Garvin Beedy and children of South Plains visited Sunday afternoon with her parents, Mr. and Mrs. Leo Fizzle.

Mr. and Mrs. J. E. Green attended church services at First Baptist Church Sunday evening and saw their little grandson, Steve Green, baptized. Spenskers for the evening were Dr. and Mrs. Koons, retired missionaries to China and Hawaii.

Visitors in the Doyle Sandifur home at some time last week were Mr. and Mrs. O. H. Young of Phoenix. (Mrs. Young is Mrs. Sandifur's sister); Mr. and Mrs. E. T. Williamson, Mr. and Mrs. Elmer Sellers, Floydada, Mr. and Mrs. B. P. Sandifur, McCoy; Mr. and Mrs. R. E. Waggoner, Plainview; Mr. and Mrs. Felex Martinez, Harmony and Mr. and Mrs. Walter Sims.

Mrs. C. W. Denison attended a monthly S. S. Social meeting at Mrs. Clarence Goen's last Tuesday.

Another old timer, Mr. R. F. Jackson, Floyd County's oldest man, passed on last Friday in a Lockney Hospital. What can be nicer to remember than a long useful and beautiful life? Our sympathy is with loved ones.

Mrs. J. R. Robertson of Pasadena and Mrs. Roe Jones, city, visited the Greens on afternoon last week.

The W.M.U. of Calvary Baptist Church met last Tuesday evening at the home of Mrs. George Wexler. The program was

PUT A TIGER IN YOUR TANK!

NO. EMMA... IT'S IN THE GASOLINE!

HIGH-ENERGY ENCO EXTRA GASOLINE BOOSTS POWER THREE WAYS:

- 1 Power!** Dirt can clog even a new engine in a few months of normal operation. Be sure to include a ride on Enco's "Happy Motoring" Freeway. Youngsters can safely steer the sports cars. Stop at your Enco before you go. He has coupons each worth 50¢ on a child's ticket to the Freeway.
- 2 Firing Power!** Spark plug and cylinder deposits can cause misfiring, pre-ignition and hot spots. New Enco Extra neutralizes these harmful deposits—to help your engine fire smoothly, to help preserve the power of new cars and restore lost power to many older cars.
- 3 Octane Power!** New Enco Extra has the high octane that most cars now need for full smooth performance without knocking. You'll get all these extras with New Power-formula Enco Extra gasoline—it puts a tiger in your tank! *Happy Motoring!*

WHAT IS A SALAD

A salad, according to a purely academic definition, is a cold dish of green vegetables, fruit, meat, or fish, served singly or in combinations with a dressing. Were this our only knowledge of salads, how quickly they would pass from the scene, for it brings to the mind none of the excitement and imagination created by color, texture, and flavor.

It's nice to think of salads in terms of the purpose they serve in the meal. Just as accessories create the center of interest for a costume, so do salads accent the meal, helping to lift it out of the ordinary into the realm of fine food.

Salads may be classified in several ways — according to main ingredients, such as vegetable, fruit, meat, or seafood; according to the manner of preparation, such as tossed, arranged, or molded; or according to the place in the meal, such as appetizer, accompaniment, main course, and dessert or refreshment salads.

Regardless of classification, a salad should always be so tempting that one dare not omit it for fear of missing something very special. This can be true, not just from the standpoint of the purely sensory pleasures of sight, aroma, and taste, but also from a nutritional standpoint. All salads contribute calories in varying amounts through their basic ingredients and the dressings that accompany them; but most important of all they are valuable sources of vitamins and minerals, and in the case of meat, fish, egg, or cheese salads, of protein. Isn't it wonderful that anything so good to eat is so good for us! The modern methods of farming and transportation make a wide variety of SALAD GREENS available over a large part of the year. From the lettuce family alone we have a choice of a number of varieties. And other familiar kinds include endive, water cress, Chinese Cabbage, celery tops, and ever so many other variations.

No matter the kind or how used in salads, greens should always be crisp to be tantalizing, and dry, in order to keep the flavor nice.

Greens should be washed, drained and stored in the refrigerator in a vegetable crisper, plastic bag, foil, or saran wrap until they are to be used.

Mr. and Mrs. J. H. Courtney, and Mr. and Mrs. Lowell Landrum and daughters, all of Amarillo; and Mrs. Alton Landrum and daughter — of Childress — were guests on Sunday of Mr. and Mrs. Tom Hutchins, David and Daie, Mrs. Courtney, Mrs. Alton Landrum and Mrs. Hutchings are sisters.

Mr. and Mrs. J. B. Terrell attended the annual family reunion of the Lemley and Reasoner families which was held on Saturday and Sunday at the Memorial Building in Crosbyton. Around one hundred attended this delightful get-together.

Bob Morris and Scotty Slaughter with Cummins Supply Company, Amarillo, were Lighthouse visitors last Friday.

George Dowe with Allie-Chalmers, Amarillo, was also a co-visitor last Friday.

MAGIC WITH MUFFINS: There are several ways to put a bit of magic into muffins. For surprise muffins, fill muffin cup 1/3 full of batter, drop in 1/2 teaspoon jelly and 1/3 more batter. From the outside it looks like any other muffin, but when broken open... it's different!

Peanut butter muffins are also delightful. Simply add 1-3 cup peanut butter to your muffin mix.

Cheese muffins have 1/2 cup grated cheese added to 2 cups of the muffin mixture. And you can have **cinnamon-star muffins** by sprinkling the tops with a mixture of cinnamon and sugar before baking.

Speaking of muffins — Mrs. Virginia McDonald's are a nice addition to any good summertime meal. Mrs. McDonald is the owner of McDonald's Tea Room, Gallatin, Missouri, and was once rated by Duncan Hines as one of the ten best eating places in the United States. Here is her recipe, which you will find in the Lighthouse Cook Book No. 11.

2 cups corn meal
1 teaspoon salt
2 cups boiling water (I say boiling and it must be)
1 cup milk

1 egg
1 teaspoon baking powder
1 tablespoon melted butter
1/2 Sift corn meal together and add with the boiling water. Add cold milk to this mixture quickly to keep the meal from lumping. Add the eggs and beat well. Just before putting into the oven add the baking powder and, last, the melted butter. Pour into individual glass molds that have been greased and floured. Bake in a golden brown at 475 degrees. Split each muffin and put in a spread of butter — they literally melt in your mouth!

NOTE: (I enjoy this recipe and often bake it in just a flat pan and cut into squares for serving — hot with butter.)

SOMETHING TO THINK ABOUT: It has been said, "Imagination was given to man to compensate him for what he is not, and a sense of humor was provided to console him for what he is."

Colston is a 1961 graduate of Floydada High School and Overstreet is a 1962 graduate. While in high school Colston participated in Student Council and Thespians; Overstreet was active in the Future Farmers of America and the Student Council.

Lubbock Christian College, now in its seventh year and presently engaged in its third summer school, is fully accredited by the Southern Association of Colleges.

They are among 135 students who registered for this session.

4-H Club News

By Kay Russell

The personnel health group of the Floydada 4-H Club have been meeting regularly during the past summer month. The following reports were given by the members: Importance of Hair Care and Recreation for good health were given by Brenda Willis. Nail and Hand Care were given by Woodie Morris. Importance of Good Posture and Health Check-Ups were given by Kay Russell. Care of Teeth and Bathing were given by Karen Willis. Theresa Colston gave reports on Diet for good health and skin care.

This group has given programs for the Home Builder's Club and also the Floydada 4-H Club. Members of this group are: Brenda Willis, Jan Teague, Woodie Morris, Karen Willis, Theresa Colston, and Kay Russell.

The personnel health group of the Floydada 4-H Club enjoyed a trip to Plainview and a tour through the McBride's School of Hair Design on July 21. Most important to this young group was a facial class given by the students of this school. Attending this meeting were the following members: Brenda Willis, Kay Russell, Woodie Morris, Karen Willis, Theresa Colston, and adult leader, Mrs. Woodie Morris.

4-H Club News

The Floydada 4-H Club met Tuesday, July 21, and enjoyed a trip to Lubbock. They toured the Morton Potato Chip Company and the Lubbock Police Department. Sack lunches were eaten in Mackenzie Park.

Games were led by Mrs. Gilbert Fawver, Joe Jones, Billy Finley, Karen Willis, Brenda Willis, Lindsey Lovell, Teresa Colston, Woodie Morris, and Dot is Fawver. A skit, Points on Good Health, was presented by Teresa Colston, Brenda Willis, Jennifer Teague, and Woodie Morris.

Year books are due August 1, so members get busy.

Norman On Active Duty for 2 Weeks

FORT KNOX, Ky. (AHTNC) — Army Reserve Lt. Col. Glenn W. Norman, 29, son of Elbert L. Norman Sr., Floydada, Texas, is participating in two weeks annual active duty training at Fort Knox, Ky., ending Aug. 8.

Cornel Norman is a graduate of Floydada High School and attended the University of Texas. He and his wife, Dorothy, live at 2988 Valley Vista Rd., Louisville, Ky.

The divorce rate is increasing because you can never tell how the tied will turn! — T. Harry Thompson, Sales Management.

Split each muffin and put in a spread of butter — they literally melt in your mouth!

NOTE: (I enjoy this recipe and often bake it in just a flat pan and cut into squares for serving — hot with butter.)

SOMETHING TO THINK ABOUT: It has been said, "Imagination was given to man to compensate him for what he is not, and a sense of humor was provided to console him for what he is."

Expires SEPT. 5, 1964

These Values good in Floydada Thurs. Noon, July 30 thru Wednesday Evening August 5, 1964.
