Welcome To Homecoming, Ex-Students

When some seven hundred plus exes invade Floydada tomorrow they won't be sitting around twiddling their thumbs with no place to go. The opposite of this situation will be the order of the day, for most of them, particularly in the afternoon, will be torn between athletic club reunions and class reunions, or pep squad teas and class reunions.

There were 638 ex-students who registered in 1962. To say the least, the ex-students of Floydada will have a full agenda beginning at 9:00 A.M. The day's activities are planned from that hour until 9:15, the time an after-game party is slated as well as an after-game coffee and a dance at the VFW Hall.

A few weeks ago a large group of the Ex-Students Association met and completed plans for the Homecoming Activities.

At that time Aline Williams was appointed to spearhead the ticket sales for the barbecue supper and dance. The tickets cost \$3.00 each. Tickets for the meal only are 75c for children below six years of age and \$1.50 for all school children.

According to the sales committee the tickets are going at a rapid pace. The tickets are available at Goen and Arvine Drug, First National Bank in Lockney and also may be purchased from Williams, Sammy Hale, Tommy Assiter, Lane Decker, Mrs. Fred Martin, Mrs. M. J. McNeill, Mrs. Charlie Lewis, Mrs. Polk Goen and Mrs.

Keith Bahrman.

According to Publicity Chairman, Sammy Hale, response has been good to the 1800 letters sent to out of county exes. In fact, confirmations of intentions to attend have been received from people in Stockton and Long Beach, Calif., and from North Dakota. These listed are from those who will probably be traveling the greatest distance to attend the festivities.

The family coming from North Dakota will represent three different classes. It is the O. G. Shearer family. Mrs. Shearer is the former Elizabeth Woolsey and graduated in 1931. With them will be Mr. and Mrs. La Von Shearer and Mr. and Mrs. Gladwin Paulsen. Lavon is from the 1951 class and Mrs. Paulsen, the former Juanice Shearer, is from the 1955 graduating class.

The program will begin with Registration and a Coffee at 9:00 A.M. at the Senior High School, with Mr. and Mrs. Jack Henry and Evelyn Deakins in charge.

At 11:30 A.M. a Pep Rally will be held at the Senior High School Gymnasium and, of course, all exes are invited and urged to attend. School will dismiss at noon tomorrow.

A tea for the Ex-Pep Squad members at 1:30 P.M. at the home of M. J. McNeill at 833 West Tennessee will begin the afternoon's activities for those exes. Polly Cardinal, present Pep Squad sponsor, is in charge.

Beginning at 2:00 P.M. a coffee and smoker is planned for the Ex-Athletes at the Junior High School Cafeteria, co-sponsored by the "F" Club and the Quarterback Clubs.

The highlight of this meeting will be the showing of a film of the game between Matador and Floydada in 1939. Jimmy Wilson was among those playing for the Whirlwinds then and Dick Mobley was playing for Matador. A film of a recent game will also be shown at the coffee.

Also from 2:00 until 3:00 P.M. will be a coffee for the Ex-Band members at the Senior High School Band Room and Cafeteria with E. G. Dunlap in charge.

A business meeting is also scheduled for the 2:00 hour, and election of new officers is slated for that time.

Immediately following the above receptions, teas and coffees, a Memorial Service is slated for 3:00 P.M. in the Junior High Auditorium. Emma Louise Johnston is in charge of this service. This service will recognize those who have passed on since the Homecoming in 1960.

A recognition service will follow. Awards will be given to the oldest ex-student, oldest ex-teacher, the former teacher or student traveling the greatest distance to attend.

Class reunions will be held following the awards. Rooms at the (See HOMECOMING, Page 6)

Nation's Voters Advance On Polls Next Tuesday

Contracts Signed On New Convalescent Home Here

Contracts were signed yesterday for a location of a new convalescent home to be built in the southwestern part of Floydada.

The Floydada Chamber of Commerce board of directors voted in a special called meeting Tuesday morning to purchase the site for Thurman Jewell of Reids who plans to build a \$100,000 home for 43 senior citizens on the site.

The contracts were signed with John Key West, owner of the property.

Jewell, who is associated with convalescent homes in Lubbock and Dallas, said he would move to Floydada to operate the home.

Yarborough Here This Morning

U. S. Senator Ralph Yarborough will visit Floydada at 9:15 this morning, campaigning for re-election. He will visit for an hour in the hospitality room of the First National Bank and everyone is invited to come in and see the Senator.

He is coming here from Dallas and is scheduled to be in Lockney at 10:15.

Two honors of National significance were accorded Senator Ralph Yarborough in Washington Friday, October 16 for his work in the Senate.

One was for his work in behalf of education advances. The other was for his championing of liberty and freedom for the hundred million people of East Europe, in the Captive Nations behind the Iron Curtain, in their fight against Communism.

Senator Yarborough attended the White House ceremony at which President Lyndon B. Johnson signed into law the bill improving and extending the National Defense Education Act.

Earlier Friday, Senator Yarborough was presented the 10th anniversary Commemorative Medal of the Assembly of Captive European Nations, in a ceremony in his Senate Office. He is the only Texan ever to receive this award.

PTA Halloween Carnival Tonight

Don't forget the Halloween Carnival tonight at Andrews Ward School, sponsored by the Parent-Teachers Association. There will be fun for all and plenty to eat so come early.

The cafeteria opens at 5:30 p.m. so the public is cordially invited to come and have supper. Hot dogs, homemade chili, cake and pie, cakes, orange drinks and coffee. Serving time will be over at 8:30 p.m. Proceeds from the food and other carnival activities will go toward PTA projects.

Room and Carnival activities will open at 6 p.m. and the Costume contest is at 7:30 in the Music Room. Prizes will be given in three categories.

There will be some 28 booths including the cake walk at 6:30 in the gym, bingo, apple dart, the Country Store, Mad Mad Make-up, Fortune Telling and Balloon In Space just to mention a few. Tickets are a dime for each event.

Farmers To Meet Here

Every farmer in the county is urged and invited to attend a special called meeting sponsored jointly by the Farm Bureau and Farmers Union Monday night at 7:30 in the district court room here.

Purpose of the meeting is to discuss the pending suit against the commissioners court by Coy Murray, concerning the use of county equipment on county farms.

Ballots Include Local And National Positions

Several million people in the United States, including about 3,400 from Floyd County will advance on the polls next Tuesday to mark the candidates of their choice on a ballot that includes the President and Vice President of the United States, Commissioners of Precinct 1 and 3 in this county and all levels of government in between.

Also included on the ballot in Texas and in this county are three proposed amendments to the Texas Constitution. The amendments concern the permanent school fund, conservation and reclamation districts and increased medical care for the aged under the Kerr-Mills legislation.

Need A Ride To The Polls?

The Student Council of Floydada High School would like to encourage everyone to vote. Student council members will provide free transportation to and from the polls and will baby-sit for you while you go to vote. Call YU 3-2255 between 4:00 and 7:00 p.m. on November 3.

Lockney Tickets Now On Sale

General admission tickets to the Lockney - Floydada football game next week in Lockney are on sale at the school business offices in downtown Floydada.

Although the tickets are not on reserve, they do save football fans the inconvenience of waiting in line at Lockney night of game, November 6.

On the official ballot, there are 27 offices that will be filled by the vote of the people in Tuesday's election. The Democratic party has a candidate for each of these offices. The Republicans have 14 candidates, the Constitution Party has 8 candidates, and there is a write-in column for each of these offices listed on the ballot.

Everyone is well aware of the fact that Lyndon B. Johnson and Hubert H. Humphrey are the Democratic candidates for the presidential and vice president of the U. S. and that Barry M. Goldwater and William E. Miller are the Republican candidates for that office, but not too many people are aware that Joseph B. Lightburn and Theodore C. Billings are Constitution Party candidates for these positions.

"SCRATCH ALL OTHER CANDIDATES" All voters are reminded that when voting for a candidate on the ballot, under any listed party, or in the write-in column, he must mark out all other names vying for that particular office on the ballot. (See VOTERS, Page 6)

- AN EDITORIAL -

For Lyndon B. Johnson

The Presidency of the United States is a unique office. It combines the functions of chief of state, head of government, and party leader.

It therefore imposes upon the man who occupies the office unique burdens, chief among them that he must be President of ALL the people of the United States, not simply those who happen to belong to the party he heads.

He first has to provide leadership for the Congress by proposing a legislative program designed to meet these needs.

If the President is essentially a positive, progressive man, the history of his administration will be one of continuing effort to solve the problems of our society. If he is obsessed with fear and anxiety and distrust, he will put those stamps on our society.

The choice between the two Presidential candidates that the nation will make November 3 is nothing less than a choice about the whole basic quality of our national life for the next four years.

The choice is a clear one. The Hesperian believes that President Lyndon Johnson is the best qualified to lead this country.

The Democratic administration's record during the past three-plus years, in our opinion, justifies the electorate in keeping this administration in office.

We look at Floyd county and this trade area. We see an economy that is based almost 100% on agriculture. Then, we look at the voting record of Senator Goldwater who has consistently voted against the farmer and rural people and we feel that he is not the best leader for our county, state and nation.

President Johnson's record of accomplishment is outstanding by any standard. Were no other considerations involved in this campaign, the record would be the strongest reason for endorsing President Johnson. Very simply . . . he is the most capable in our opinion.

Florida Golf Matches Here

A golf tournament with a different twist is set this weekend, Friday, Saturday, and Sunday at the Floydada Country Club in Floydada.

The tournament is termed a Florida Scotch Twosome Handicap Tournament and is played quite different when compared with the game most people know about.

Two players will make a team as in any other partnership tournament. Both players will hit the tee shots, but then both players will hit a ball from the point reached by the ball traveling the farthest. This is true throughout the game. Both players play best ball of the preceding shot. Putting is included.

The entry fee is \$10.00 per team. A person can enter as many times as he likes, but he must be paired with a different partner each time he enters. One team can win only one of the three prizes being offered.

The prizes will be divided as follows: first - 50% of the pot, second - 30% of the pot and third - 20% of the pot. The pot is made up of the entry fees.

Everyone is invited to enter, but each contestant must have an established handicap.

Annual Teachers Meeting Here

The first annual meeting of the Floyd County Texas State Teachers Association meeting was held Monday night in the Floydada High School cafeteria. (See TEACHERS, Page 6)

Rain, Hail Received In County, Area

Rains, measuring up to one inch, coupled with small but damaging hail covered the county and the surrounding area Saturday night.

Most reports around the county show that only in the northern portions of the county, around Lakeview, received any damage from the hail. Most of the hail fell with little or no wind so it did not affect the crops.

The benefits from the moisture far outweigh the damages, was still in dire need of some however, for some dryland wheat up.

The moisture hardly interrupted the cotton harvest that is just now getting into full swing around the county.

According to a report from the Texas Employment Office in Plainview, as of last Friday, Floyd County had ginned 6,823 bales, as compared with 8,713 at this time last year. Floyd is still leading the four-county area in total bales ginned. (See RAIN, Page 8)

Three Repeat As Winners In Grid Contest

Three people, who have been named before, at least in the Hesperian's mention spot, were named the winners in last week's grid contest.

After wading through almost one hundred entries, the Hesperian staff learned that W. O. Newberry missed only four predictions, one of which was a tie. (See CONTEST, Page 8)

Hill Burton Grant Approved For Caprock District Hospital Here

Residents of Floydada and the Caprock Hospital District were all smiles Tuesday morning when word was received that the government had approved a Hill-

Burton grant of \$425,000 to be applied on a new \$735,000 hospital to be built in Floydada.

The new hospital, a long sought after health facility in this community, will soon become a reality of service to this area with the approval of the Hill - Burton Grant. Since the people of the district have already approved bonds for the balance of the cost and tax collections have begun, it is quite possible that selling of the bonds and receiving of bids for construction will happen around February 1, 1965.

Architects must now devote a couple of months preparing final blueprints for contractor's bids. Still pending in the Amarillo

Court of Appeals is an allegation concerning the bond vote. This appeal has been heard by the court and report of its decision should come next week.

The hospital board had previously visited the state Hill-Burton Board when application was submitted and it is noteworthy that the Caprock Hospital District was one of the few receiving the grants this year.

The announcement came from the Texas State Department of Health which disbursed \$13 million over the state for construction of hospitals, educational facilities and related medical units. Hill-Burton funds for the fiscal year 1965 were appropriated earlier this month by Congress.

Board chairman Dr. Hampton C. Robinson of Houston said 30 separate projects were included in the fund allocation and a number of worthy projects could not be approved because of fund limitations.

Floydada, Texas.

Dear Ex-Students,

It is certainly gratifying to know one is not forgotten, after a half century.

I was a very young girl those days, but your letter coming recently has evoked so many fond memories, literally dozens of them.

I can recall many of my school mates of then; the Duncan girls, Maud Sparks, Jeffie Bartley, Worth Shipley, Claude Burris. I do not know, but I'm almost certain, that some of them have responded to the call of the great beyond.

I've always loved Floyd County and Floydada. It has always seemed like home to me. I would be so happy to be there, and meet with everyone, but I do not find it advisable to leave here now. I will be with you in spirit, and my love and best wishes will be there. I know it will be a big success, and everyone will be happy.

Lovingly,

VOTE FOR THE TEXAN WHO LEADS THE FREE WORLD!

For the past eleven months, for the first time in our history, a native son has led the free world. And every Texan can take pride that President Johnson has shouldered the awesome burdens of the office with courage, wisdom and restraint.

THE ISSUE TUESDAY IS SIMPLE: WHO CAN BEST LEAD OUR NATION IN A TIME OF CHALLENGE AND PERIL?

Which man do you feel most comfortable entrusting the security and well being of our country and your children for the next four years—

A man who wants to turn back the clock of achievement... a man who has worked consistently against progressive measures in the Senate... a man virtually untested in a time of crisis?

Or a man who has dedicated his entire life to public service... who has demonstrated, under five administrations, progressive leadership in working for a better way of life for all Americans. A man who has proved his courage under fire... has demonstrated his unwavering strength to meet any aggressor with firmness, yet restraint?

PRESIDENT JOHNSON HAS PROVIDED RESPONSIBLE LEADERSHIP FOR MORE THAN A QUARTER OF A CENTURY

For almost three decades, President Johnson has been a pillar of strength for Texas and the nation. As Congressman, as Senator, as Majority Leader, as Vice President, and as Chief Executive, he has written a proud record of progress.

TEXAN PRESIDENT LYNDON JOHNSON OFFERS THE EXPERIENCE, THE PATIENCE, THE WISDOM, AND THE STABILITY NEEDED BY THE NATION AND THE FREE WORLD IN THESE CRITICAL TIMES!

34 Club Holds Regular Meet

The 1964 Study Club held its regular meeting October 20, in the PCA room, with Mrs. G. W. Switzer as hostess. The president, Mrs. J. P. Moss, called the meeting to order, club collect was read and roll call was given. Roll call was a verse from the Book of Proverbs. The minutes were read, followed by a brief business session.

Mrs. Allen Bingham introduced the program on the topic "Can a Scientist Believe in God?" given by Mrs. W. H. Bunch, and "What Is a Christian Scientist?" by Mrs. W. M. Fowler.

Refreshments were served by Mrs. Switzer, to Misses Allen Bingham, Wilson Bond, W. H. Bunch, Ralph Cogdell, R. G. Dunlap, W. M. Fowler, Ralph Johnson, Joe March, M. J. McNeill, J. P. Moss, W. D. Mount, W. O. Newberry, Vernon Parker, Virgie Shaw, John Stapleton, M. A. Yancey and Mrs. John Hotchkiss.

The next meeting will be November 3, with Mrs. A. L. Wylie Jr. as hostess.

Shower Honors Bennie Edwards'

Mr. and Mrs. Bennie Edwards, who were married on Oct. 13, do.

were honored Friday night in the home of Mrs. Edna Patton with a miscellaneous shower.

The bride is the former Patricia Van Story, daughter of Mr. and Mrs. Clarence Van Story of Brownfield. The bridegroom is the son of Mr. and Mrs. H. E. Edwards of Floydada.

Assisting Mrs. Patton with hostess duties were Mrs. John Crowley, Mrs. T. V. Litch, Mrs. Harvey Reynolds, Mrs. Boots Dobbins and Mrs. Vernon McPeak.

Community Club At Dougherty To Hold Carnival

Dougherty Community Club will hold their annual Halloween Carnival at the school Saturday night, October 31, starting at 6:30 according to Mrs. Weems Norman, president.

Everyone is cordially invited to attend and enjoy the good sales, concessions, cake walks, bingo and other games.

On the following Monday afternoon, Nov. 2 at 3 o'clock Mrs. Fred Mercer of Silverton will be at the Dougherty school to show a film on South East Asia and Africa. Everyone is invited.

Leaders get credit for the work that they can persuade others to do.

MRS. JULIAN LIPHAM

Endorsement By ACM Accorded Mrs. J. Lipham

Endorsement by the American College of Musicians, New York, has been accorded to 22 members of the National Guild of Piano Teachers of whom Mrs. Julian Lipham, local Floydada teacher was one.

To be certified by the American College of Musicians, one must submit 25 report cards of students who have achieved national or international membership in the National Fraternity of Student Musicians with a minimum grade of 95 percent during the past five years.

Mrs. Lipham had a total of 28 students who made 95 and above during the period.

Club Members See Film On Wild Flowers

Floydada Garden Club met in the PCA room Friday with Mrs. E. J. Morehead as hostess. Glenn Black gave the devotional on the good and the bad flowers mentioned in the Bible from the Book of Isaiah.

Bill Koss of Lubbock gave an outstanding film and talk on conservation and wild flowers. The film started with the state of Oklahoma and continued state by state to Maine. The color was very natural and showed vividly the Nation's development and beauty, including scenes of roses in deep forest which were started by the Pilgrims.

Koss is soil scientist at Lubbock.

The program was conducted by the president and plans for the Texas Garden Club Inc., District One, Central Zone meeting was discussed. The event is to be held in Floydada on November 5 at the First Methodist Church.

Home Builders Meet With Mrs. Charles Horton

Home Builders HD club met in the home of Mrs. Charles Horton on October 13 with 13 members and the Home Demonstration agent present. Mrs. Horton gave the devotional and the singing was led by Margaret Daniels. Members answered roll call with a way to solve a storage problem.

A letter of appreciation and thanks from Mrs. Shirley Race, club member, and her children, Don, Jerry, Sheri and Carolyn, was read. The club members extend their sympathy to Mrs. Race and her children in the passing of Mr. Race, who was always behind everyone in the club in their work.

Committee reports were given by Mrs. Ernie Widener, chairman of nominating committee; council report by Mrs. O. G. Mayfield, Sunshine committee report by Mrs. Harmon Roberts.

Mrs. Widener gave the following names for nomination of officers: Mrs. Leslie Fawver, president; Mrs. L. L. Sawyer, vice president; Mrs. Shirley Race, secretary; Mrs. Elmer Norrell, treasurer; Mrs. O. G. Mayfield, council delegate.

Sherry Mullin, HD agent, gave the program on storage in the bathroom and kitchen.

Members present were Mrs.

62 Club Meets, Cookbooks Are Distributed

The 1962 Jr. Study Club met Tuesday, October 20, with Mrs. Roy Hodges giving the club collect and Mrs. Dean Morris giving the quote for the day. Roll call was answered with "The Friend In Our Medicine Cabinet."

Judy Allen, club president, presided over the business meeting at which time cookbooks were distributed to members to sell. The books contain 900 recipes from Women's club members throughout Texas. They sell for \$1.50 and proceeds will be used for club projects and expenses.

It was decided that club members would sit with school students at Andrews Ward on November 3rd in order that teachers may go vote. Due to the election and election returns on that date, club will meet on Monday night, Nov. 2, in the PCA room instead of Nov. 3rd.

Members of the club would like to urge each citizen of Floyd County to be thinking of the Christmas Card Fund the club sponsors. Instead of sending Christmas cards to local residents, we suggest you donate that portion of money to this cause. Some of the projects helped with this money is Andrews Ward and Della Plains Special Education classes, Brownie Troop 6, Community improvement program, South Plains Boys Ranch, Penny Art Fund, local hospital and others.

Highlight of the District Board meeting held at Silverton were discussed by five members who represented the club at the event.

Mrs. Bill Hicks was voted in as a new member of the 62 Club.

Following the business session Hope Crabtree and Judy Allen gave a program on dreaded diseases, which included muscular dystrophy, cerebral palsy, multiple sclerosis and cancer.

After meeting adjourned Mrs. Morris served refreshments to fourteen members.

Club is urging all citizens to go to the polls on November 3rd and vote for their favorite party.

Leslie Fawver, Charles Horton, Ernie Widener, Floyd Fugus, Harmon Roberts, Raymond Evans, Raymond Williams, Elmer Norrell, W. R. Daniel, P. F. Bertrand, J. T. Hackabay, O. G. Mayfield, and Sherry Mullin.

Woods - Taylor Vows To Be Read On November 28

Mr. and Mrs. W. W. Woods of Quitaque announce the engagement and approaching marriage of their daughter, Willie Mae to J. Ronald Taylor, son of Mr. and Mrs. J. P. Taylor of South Plains.

The wedding will be November 28 in the First Baptist Church at Quitaque.

U. S. Oil companies give away about 150,000,000 road maps each year at a cost of about \$155,000,000.

Rev. Wilson, Retired Minister Dies Sun. At Buckner Home

A heart attack proved fatal Sunday to a beloved retired Baptist minister. He was Rev. Joe Wilson, 83 year old former Floyd County and Floydada resident, who died at Buckner Baptist Trew Home in Dallas where he and Mrs. Wilson had made their home the past 8 weeks.

His body was returned to Floydada where funeral rites were conducted Tuesday afternoon in the First Baptist Church. The Rev. Floyd C. Bradley, officiated.

A native of Monroe County, Tennessee, Rev. Wilson was born in 1881. His parents were early play pioneers of Floyd County, moving here in 1882. They settled on land half in Floyd County and half in Briscoe County living in a dugout on the Floyd County side in the early years.

Rev. Wilson loved to recall his early day experiences in Floyd County. His mother was left a widow with nine children to raise and B. O. Joe, (as he was affectionately known) went into the windmill business. He had a drilling rig he worked with mules and traveled over the South Plains area digging wells for settlers.

In August of 1915 Bro. Joe made his decision to preach. He started to school in Abilene at the age of 34 and received his call to preach near Sweetwater in 1919 and at his first sermon converted 13 to be baptised.

Rev. Wilson's first resident pastorate was at Miami, Texas, in 1925. He has also pastored at Idalou, Hale Center, O'Donnell, Enoch, Fairview community and Friona and was supply preacher for the Calvary Baptist Church in Floydada prior to his retirement.

He was married to the former Eva Ellen Dodson in Lockney on June 22, 1902.

The couple moved to Lubbock a little over a year ago before going to Buckner Trew Home.

50 Study Club Meets In Home Of Mrs. Craig

Members of the 1950 Study Club met on Tuesday of last week with Mrs. Charles Craig. Assisting with hostess duties was Mrs. Weldon Harris.

Mrs. Bob Copeland gave the program on department of health, education and welfare. Prayer was given by Mrs. Herman Graham.

Reports of the TFWC Board meeting at Austin and the Caprock District meeting at Silverton were given by Mrs. Lane Decker. Mrs. Decker, Mrs. Sammy Hale and Mrs. Craig attended the District meeting.

During business club voted to give \$1 to the Caprock District president, Mrs. R. Tipps of Denver City, along with other clubs in the district, for maintenance of the State Headquarters building, in Mrs. Tipp's honor.

Gifts which members of the club will send to the Wichita Falls Hospital are to be brought to Hale and Hale Insurance, according to club president, Mrs. Decker.

Attending the meeting were Mmes. Louis Anderson, Howard Bishop, W. R. Bradshaw, Bob Copeland, Charles Craig, Lane Decker, Earl Edwards Jr., Harold Ellison, Herman Graham, Sammy Hale, Weldon Harris, John Martin, Doyle Moore, Dallas Ramsey, Jimmy Seay, Tom Theford, Mrs. Bill Cagle and a guest, Mrs. Travis Jones.

Dougherty Club Met Thursday With Mrs. Kreis

Dougherty Home Demonstration Club met in the home of Mrs. A. H. Kreis in Floydada last Thursday with Mrs. R. H. Crawford, vice-president, in charge of the meeting. The hostess gave the devotional and Mrs. Johnny Cates led in singing.

Members answered roll call with how I solved a storage problem.

Mrs. Robert Ward acted as secretary-treasurer in absence of Mrs. Carmel Eastham. The council report was given by Mrs. Kreis, council delegate.

The program was on storage in the kitchen and bath room and was given by Sherry Mullin, HD agent.

She said that most new homes have ample storage space but older homes do not, however there are many storage devices that can be made. Some are narrow shelves added between counter tops and cupboard hanging shelves, removable spice racks and racks for cutlery, also drawer dividers and

sliding trays. Items used everyday should be stored at your fingertips and where you do not have to stoop or stretch to get at them. The perculator for instance, used the most, should be stored handy with cord and coffee close by.

The kitchen has three work centers, mixing, cooking and clean up. Each should have their own place.

Leaflets on spring flowering bulbs and also planning the bathroom were distributed to each member present.

Miss Mullin also showed a film, "American Women" with housewives doing research to test the style, utility and the handle of the newest in percolators.

Mrs. Johnny Cates had charge of recreation with Mmes. Robert Ward and Claude Ring winning. The attendance prize went to Mrs. Cates.

Refreshments of cake, cookies, punch and coffee were served to Mmes. R. H. Crawford, Robert Ward, Johnny Cates, Claude Ring and Miss Mullin Denise Cates and Rhonda Ward.

Members were reminded of the Christmas party for the club and this year each member is to bring a gift to exchange.

The next meeting is on Nov. 12 at 2 p.m. with Mrs. Earl Edwards Sr.

COTTON ROOT ROT CAN BE REDUCED — Although complete control of root rot on a field scale is impossible, deep plowing and crop rotation can reduce this destructive plant disease in next year's crop. Vote For Democrat Senator RALPH YARBOROUGH
For Re-election to a Second Full Term

- ★ Senator Yarborough has earned re-election by his record. Don't believe the smear propoganda of the Republican opposition.
- ★ In seven years in the Senate, Senator Yarborough has authored and co-authored 35 major bills enacted into law. (In 12 years in the Senate, Goldwater has not authored one single major bill.)
- ★ Senator Yarborough is chairman of three important sub-committees including Education and Veterans' Affairs. (In 12 years in the Senate Strom Thurmond of South Carolina, who recently defected to the Republicans and of whom they are so proud, was chairman of only one sub-committee.)
- ★ Senator Yarborough is a clean, Christian gentleman.
- ★ Don't be misled: What good will the Connecticut Yankee, who doesn't know a cotton plant from a watermelon vine, do West Texas cotton farmers? Why send another Republican to the Senate who will do nothing but heckle President Johnson?
- ★ President Johnson has said, "Texas has not had a better champion of the people than Ralph Yarborough."
- ★ Texas and President Johnson need Ralph Yarborough in the Senate. We need another Republican there like we need a hole in the head.
- ★ If you are going to vote for President Johnson, then, in the name of common sense don't commit the incredible folly of hanging a second Republican Senator like an albatross around President Johnson's neck; we have a small (insignificant is a better word) sample of a Republican Senator in Washington now — Tiny John Tower; after 4 years, he is a member of only one Senate Committee, his name has appeared on nothing but the Senate payroll, he has one of the worst attendance records in Congress, and he is known only to the Senate Paymaster.

Methodist Youth To Collect For CROP Saturday

Youth of the First Methodist Church will start their collection for CROP Saturday at 5:30 p.m., October 31, the commodity being again this year, cotton. David Lutrick is president of the Youth Organization and will be in charge of the canvassing. Through CROP your gift gives life. It is a program of Church World Service in your community.

A few of results include wheat from CROP, survival for civil war refugees in Algeria; seed from CROP, a better nourished family in Grenada; incubator from CROP, a chicken hatchery in Jordan; rice from CROP, healthy school children in Hong Kong; tools from CROP, a productive family garden in Greece; beans from CROP, wages paid to road laborers in Haiti; corn syrup from CROP, a nourishing formula for orphaned babies in West Pakistan.

Law Officials Arrest Burglars

Saturday night about 11 o'clock city police called in the assistance of county officials when they apprehended three Latin American boys with handfuls of watches they had just taken at Arwine Drug, plus one transistor radio.

The boys, two who are 14 and one 16, were nabbed in the alley back of Duncan Abstract. The city chief of police, Bill Taylor and his assistant were driving by the alley when they noticed the trio.

Watches were practically running out their ears, according to reports. Twenty-eight in all. The boys entered Arwine's after breaking a window pane out of a back glass.

Your gift helped bring results like these in more than thirty countries. Qualified church representatives supervise the distribution and use of all seeds, tools and food from CROP. Assistance is given without question of race, creed or politics.

S. J. McIntosh is chairman of the Floyd County CROP committee and Bill Colston, vice chairman. L. B. Brandes of Lockney is commodity manager and Rev. James Carter, Lockney is secretary-treasurer.

The "Trick or Treat" collection for CROP will also be converted through the cotton yard goods program.

After the juveniles were taken into custody it was found the 16 year old and one of the 14 year olds were on probation for burglary.

The two were taken to Gatesville Reform School by Sheriff Walter Hollums Monday and the other youth was probated to his mother.

HELLO WORLD

Mr. and Mrs. Robert Ragsdale of Stratford are parents of a son, the couple's first born, who arrived Tuesday, October 27 in a Dumas Hospital. The mother is the former Sonja Guffee. The baby has been named Ritt Russell. The father is due to leave January 2 for a tour of duty in the service.

Grandparents include Mr. and Mrs. Clarence Guffee of Floydada, and Mr. and Mrs. I. D. Wall of Stratford. Mr. and Mrs. Grover Kowen of Stratford are great grandparents.

Large Crowd Demos Attend Rally Here Monday Night

A large crowd of county Democrats filled the district courtroom Monday night for a rally that included a talk by Tulsa Herald editor-publisher H. M. Baggary.

Baggary traced the history of the Democratic party in the United States, outlining the philosophy of the party through Thomas Jefferson.

He said that the Democratic party was the oldest party in the world, organized May 23, 1792 and today is the largest party.

He explained that Thomas Jefferson instilled a government of individual rights and freedom. Up to this time the Federalist party only believed in protection of life and property.

He outlined the Jeffersonian program for CROP will also be converted through the cotton yard goods program.

Bill of Rights. He added that the Republicans today say we have lost our individual rights to the government. "We have n't lost rights to the government but we have lost rights where our fellow man is involved," Baggary added.

"Jefferson, like the Democratic party of today was interested in helping the common people," Baggary said.

"The common people elected Jefferson President in 1800. Hamilton, who opposed Jefferson and claimed to be a conservative, maintained that our real disease is democracy, you can't trust the masses, it is the wealthy who should make money," Baggary continued.

Baggary said the Republicans say we have lost our freedom, but I tell you I lost a lot of freedom back in the 30's when I didn't have any money. "The Republicans holler about

the \$300 billion national debt, but they don't tell all the story. It is true that we owe \$300 billion dollars but it is also true that our national gross product is up to \$610 billion. This compares with a national debt of \$269 billion in 1946 and a national gross product of only \$200 billion. This means that we have enough income earning ability in the United States to pay off our debt in one year. How many individuals can settle their debts in one year?" he continued.

Baggary commented on the large crowd and said he was especially glad to see the enthusiasm of the Young Democrat Club. He also observed the good attendance of the Negro people present.

Baggary was introduced by district attorney John Stapleton, Master of ceremonies for the event was Hubert Frizzell.

Frizzell said everyone must work for a Democratic victory in the county, urging everyone to vote the straight Democratic ticket, "which certainly included Ralph Yarborough for

Notice To Floydada School District Patrons

There are some taxpayers in the Floydada Independent School District who believe that a plan of taxation and administration of school business should:

Require the school officials to confine their activities as public officials to the limits of the law.

Result in the taxation of all taxable property equally and uniformly (as required by law) including that which is owned by the school officials.

Result in a property appraisal being made by people who have the respect and confidence of all the taxpayers.

Result in an appraisal based on fact rather than an appraisal based on the arbitrary, illegitimate scale that is in some cases contrary to mathematical and scientific fact.

Result in the adoption of an assessed valuation that is not in excess of necessity. (The proposed excessive valuation is unnecessary)

Be conducted by officials who recognize the fact that they have no legislative powers; therefore no legal power to change our tax laws.

Result in the expenditure of the tax-payers money in accordance with a policy governed by necessity and economy.

Result in bonds issued that are not in excess of the actual needs of the school. (Many of the tax-payers believe that \$500,000.00 is more than sufficient)

Results in a legal bond election. (The Texas Election Code requires that the taxable property of the tax-payers be duly rendered by the tax-payers or placed on the tax roll by the tax assessor prior to the date that the election is called. (The bond election was called in 1963 and as of now some of the property is still not on the 1963 rolls.)

Result in information concerning the financial affairs being presented COMPLETELY and accurately as possible. (The school district now owes approximately \$900,000.00. If the proposed \$800,000.00 sale were completed it would result in an INCREASE in our debt of an estimated \$1,500,000.00 and a total indebtedness of approximately \$2,500,000.00.)

Should the new bond issue be limited to \$500,000.00 and the term of the bond limited to 20 or 25 years, the total increase in debt would probably be approximately \$900,000.00 and the total debt of the school district would be approximately \$1,800,000.00. This saving of approximately \$700,000.00 is WORTHY OF YOUR CONSIDERATION.

Demand that the tax assessor render the unrendered property and place it on an unrendered roll as REQUIRED BY LAW.

Results in a plan and a procedure that does not tolerate tax evasion, conspiracy, fraud, deceit, trickery, misrepresentation or any other illegitimate practice.

Demands that the board of trustees honor their sworn oath that binds them to support and defend the Constitution of The United States and The Constitution of the State of Texas.

Consider the possibility or probability that the people who drafted and adopted our State Constitution many years ago possessed more foresight and wisdom than some of the present day intellectuals who think it should be amended. Perhaps the people who wrote into the Constitution the requirement that all property be taxed equally and uniformly and that the property of voters in bond elections be duly rendered, could foresee the possibility that some group of public officials might conceive the idea that they could get their votes for bond issues from one group of people and the money to pay for them from others.

Floydada Boy Scout Fund Drive Set

The annual Boy Scout fund drive will get underway Thursday, November 5, and continue through November 10. The local Lions Club takes care of the solicitations in this particular drive.

A preliminary meeting was held about three weeks ago in the bank and plans made for the coming drive. After the drive is complete a report meeting will be held. This will come after November 10.

The General Solicitation chairman for the drive is Ed Westler, Advance Gifts Chairman is J. M. Wilson, Jr., Prospect and Rating, O. R. McIntosh, and Publicity, Jedd Blessing.

Latin American Mother And Son Sustain Burns

A Latin American mother and her two year old son remain in Plainview Hospital and Clinic with severe burns sustained in a freakish accident recently near the South Plains Gin at South Plains.

The little boy is suffering from third degree burns from the knees down and his mother suffered third degree burns on the ankles and upper portions of her feet.

Roy Baris, manager of the gin, said he understood the little boy was playing outside barefooted when he ran through a pile of hot ashes from the cotton burr burner. His mother rescued the tot by running into the embers after him.

Both are reported in satisfactory condition.

and Olton are in a tie for first place as things now stand.

Teachers

(Continued from Page 1)
Following the invocation by Forrest Smith of Lockney, a delicious meal of turkey and all the trimmings were served to some 135 teachers of the county.

R. L. Rhoten of Lockney, program chairman, presented a musical group called "The Strum-Alongers" of Lockney who rendered several selections on their ukuleles.

After the music Superintendent Floyd Many of Plainview gave an interesting talk on Education Legislation.

At the close of the program a short business meeting was held with Hollis Payne, president, presiding, after which the meeting adjourned.

Hollums Observe 50th Anniversary

Mr. and Mrs. W. B. Hollums will be honored by their children on their fiftieth wedding anniversary, Sunday afternoon, November 1, in the home of Mr. and Mrs. L. L. Strickland, 1117 East Maple, Midland, Texas. Friends of the couple are invited to attend between the hours of 3 and 5.

The houseparty will consist of daughters and daughters-in-law of the couple. The table will be covered with a lace cloth over gold with an arrangement of white mums and yellow gladiolus flanked by golden candles. The three-tiered wedding cake will be decorated with bells, yellow roses, and 50th lettering.

A dinner will be served at noon for children, and brothers and sisters of the couple.

Miss Minnie Spraberry and William B. Hollums were married in the home of her parents in Anson, Texas on Sunday, November 1, 1914, with the late Reverend W. D. Fielder performing the ceremony. The couple were attended by Ambrose Brown and Cressie Garrett.

Mr. and Mrs. Hollums have made their home in Floyd, Jones and Midland counties during the past fifty years. They have lived in Midland, Texas since 1952.

The couple have four sons living and one son who died shortly after birth in 1919. They have seven daughters. The sons are W. L. Hollums, Midland, Texas; James Hollums, Corpus Christi, Texas; Jack Hollums, Midland, Texas; and Charles Hollums, Abilene, Texas. The daughters are Mrs. C. E. Womack, Hawley, Texas; Mrs. L. L. Strickland, Midland, Texas; Mrs. Cecil Hughes, Odessa, Texas; Mrs. H. M. La Mere, Chula Vista, Calif.; Mrs. Mark T. Bradshaw, Midland, Texas; Mrs. James Yardley, Odessa, Texas; and Mrs. Ralph Cannon, Midland, Texas. The couple

Their two youngest daughters have forty grandchildren and eight great-grandchildren. Mrs. James (Jean) Yardley and Mrs. Ralph (Katie) Cannon attended Floydada High School. Brothers and sisters of Mr. Hollums living in Floyd county are: Walter Hollums, T. C. Hollums and Mrs. Ernest Newton.

Toastmaster Governor Here

Joe Don Hancock, Area 5 Governor of District 44 visited the Floydada Toastmaster Club last Thursday evening. Lewis McDaniel, president of the Plainview Toastmasters accompanied Mr. Hancock. They extended an invitation to all toastmasters to attend and participate in the Area 5 Humorous Speech Contest to be held in Plainview November 2nd. At Wayne's Restaurant. The Floydada Toastmasters

will not meet this Thursday evening, because of the Halloween Carnival at the schools. Mr. Jimmy Powell will be the Toastmaster of the next meeting Thursday November 5th. Speakers will be Ralph Mardis, Shirley Irwin, and J. B. Bishop. Weldon Harris will be the general critic, and the table topic will be brought by Robert Fitzgerald. The news will be read by Guy Ginn.

A very important business session will be called at this meeting for the purpose of electing officers for the coming year. Two new members have been accepted into the club and others have been invited to become members. Visitors are welcome. Advertising makes any good business larger.

ference tilts after losing the game to Canyon. Tulla and Hale Center have also defeated the Olton team.
There are several outstanding players listed on the Olton squad, but perhaps three that will deal the Whirlwinds most misery include Joe Priest, a triple threat quarterback who is an all-district contender, Joe Castello, a tough fullback that ran roughshod over the Lockney Longhorns a couple of weeks ago, and Dennis Givens, a 195 pound linebacker.
The Whirlwinds will be out-weighted about 10 pounds per man, but, they have yet to meet a team so far this year that was only their equal in the weight factor. The team coming nearest was Tulla.

According to the Agriculture Marketing Service, cotton class division, the quality of the cotton classed at three South Plains Classing Offices of the U. S. Department of Agriculture continued to be very good.

During the week ending Friday, October 23, slightly over two thirds of all cotton classed at the Lubbock Classing Office were in the White grades with 52 per cent of all cotton classed being Middling or better. Slightly less than one-third of the cotton classed was in the Light Spotted category with Middling Light spotted making up 25 per cent of the total.

Prices to farmers for cottonseed ranged from \$45 to \$54 per ton.

Contest

(Continued from Page 1)
Those he missed included Post-Mortan, SMU-Tech, Tennessee-LSU (tie) and ENMU - Texas Lutheran. Black and Hambright both missed only five predictions, but Black's guess of 32 points to be scored in the Floydada - Dinmitt game was nearer the 34 actually scored than was Hambright's guess of 28 points.

Everyone entering the contest missed the LSU - Tennessee bout. Most people circled LSU as the favorite in that contest. Another frequently missed was the Post - Mortan game. Others included the ENMU - Texas Lutheran game, Tullia - Perryton, Pampa - Plainview battle that saw Plainview come out on the long end of that 14 - 0 score, Rails - Idalou and Hale Center-Farwell.

Those contestants missing only six were: Neil McClung, Eugene Edwards, Bob Dyson, James Britton, Jack Stansell, Ralph Cogdell, Gary Galloway, Nancy Robertson, Tommy R. Ogden, Lana Fair and Randy Reynolds.

Fourth Quarter Effort Gives Whirlwinds Victory Over Dimmitt, 22-13

The touchdown play was from Young to Hilton, Ken Moore kicked PAT. Darrell Munday returned the kickoff to the twenty nine yard line. A fumble occurred after the Whirlwinds brought the ball to the forty nine yard line. Minchew recovered for the Bobcats. In three plays the Dimmitt team picked up only five yards, so on fourth down they punted to Floydada's three yard line. With no running room to be found, the locals deep in their own end zone punted. On the Whirlwinds own twenty eight, Dimmitt took possession. The Bobcats carried back to the Winds nine yard line. A fifteen yard penalty was drawn by the Bobcats on next play for clipping. The ball was placed on the twenty-four yard line. A field goal attempt failed after the Bobcats brought the ball up to the Winds twelve yard line. On two carries, Watts picked up nineteen yards. Floydada received a five yard penalty for offsides. Teague faded back to pass, but was dropped for a five yard loss. On fourth down, Teague kicked to the Bobcat's thirty four yard line where Floydada was penalized fifteen yards. After two plays, Dimmitt's Young threw a long pass only to have Teague intercept it on the seventeen. Floydada carried it up to the thirty four when the first half ended and the scoreboard read Dimmitt 7 - Floydada 0. Floydada received the kickoff and brought the ball back to the

Gordon Hambricht Steve Marler as he picked up the ball on the forty nine and ran it in for a TD, was a game highlight. Dimmitt won the toss and elected to receive, defending the North goal while Floydada chose to defend the South goal. James McNeill did the kicking honors for the Whirlwinds. The ball was brought out of the end zone to the twenty yard line. After the Bobcats picked up their

first down, they were held by the Winds for one yard in three plays. On fourth down, Ken Moore punted. The Whirlwinds took possession on their own thirty five yard line. Teague broke off tackle to pick up seven yards. Watts picked up ten yards on an end run. Perez broke through center for three yards, putting the ball on the Bobcat's forty five yard line. Teague was held for no gain, then Osborn picked up two yards around end. On fourth down, Teague dropped back on the forty three yard line to punt the ball down into the end zone. Again the ball was brought out to the twenty. After the Bobcats brought it to the forty three yard line, they had to punt on fourth down. Teague caught the ball on the twenty four and returned it back to the twenty eight where he was taken out of the ball game due to injuries. DeLeon took over quarterback duties. On the second handoff, a fumble occurred in the backfield. Bobcats recovered on the thirty one yard line in Whirlwind territory. The first quarter ended with the Bobcats on the sixteen yard line.

Three Teams Remain Tied for District 3-AA Lead

Three teams in the race for District 3-AA remain tied for first place after the first round of the conference. Floydada, Friona and Olton have each defeated the other conference members. They have lost no games in the race for the crown. Friday night as the teams were fighting to remain behind and over-whelm Dimmitt 22-13, Olton was leading 39-12 and was handing Lockney a 2 to 2 tie to the tune of

loser could still complete the district season in a three-way tie for the conference crown. Friona should still be in the running next week, for Abernathy should deal the team little trouble. A week later Floydada hosts Friona, in what could be at that time the game to determine the championship. Of course, the outcome of the games the next two weeks will determine that.

Friona Hands Lockney Second District Loss

LOCKNEY — The Friona Chiefs continued their winning ways here Friday night on the talented feet of Fullback Doug Dodd, besting the Lockney Longhorns, 28 to 14.

Dodd, second highest scorer in Class AA, bounced over a first-quarter TD from 5 yards out at the end of a 51-yard drive. He kicked extra point. Then, he roared 19 yards for another first stanza tally and booted the extra. The drive was for 71 yards.

Lockney got in a first quarter TD with Dale Galloway passing 42 yards to Neil Mitchell for six points. Galloway converted. Friona's Danny Murphree went 45 yards for a second quarter Chief TD. Dodd kicked extra point. Dodd tried a 25-yard field goal in this frame but it was barely wide.

The two powers swapped

fourth quarter scores. Friona sent Dodd on a 24-yard TD chase after Joe Mabry had recovered a fumble on the 24-YL. Dodd booted extra point. Lockney swept 54 yards in 10 plays for a TD with Mitchell going over from the 1-YL. Galloway converted.

Friona, owner of a 6-1 season mark and 2-0 in District 3-AA, got 291 yards rushing for the night and 41 yards passing. Lockney, 3-4 for the year and 0-2 in district play, got 110 yards rushing and 78 passing.

In the personal battle of Dodd and Mitchell—Dodd gained 126 yards in 23 carries. Mitchell caught four passes for 67 yards and ran 13 times for 72 yards. Defensive aces were: —FRIONA—Larry Buckley, Ray Braxton and Dale Milner. LOCKNEY—Pete Gipson, Mark Merrell and Dennis Griffith.

Quarterback Dale Galloway was in bed early last week with the flu and the big fullback Rusty Smith was held out of the action against Friona because of a shoulder separation. Bill Hayes, a defensive standout for the Longhorns, is still recovering from an appendectomy and saw only limited action against the Olton and Friona teams.

Friona, now 2-0 in conference play, hosts Abernathy next Friday while Lockney travels to Dimmitt in a battle of the winless in district competition.

twenty six yard line. Watts picked up two yards only minutes before he scampered down field for sixty one yards, placing the ball on the eleven yard line. Osborn took it in for seven more yards. McNeill then picked up three yards, placing the ball on the one yard line. Teague carried in from a quarterback sneak for the Whirlwinds first TD. PAT failed.

Dimmitt returned the ball to the forty nine where the Floydada squad received a fifteen yard penalty. The ball was placed on the thirty four yard line.

On next play, Floydada recovered Dimmitt's fumble. Watts was thrown for a three yard loss and then no yardage was gained on next play. Floydada received another fifteen yard penalty. Teague was dropped for a four yard loss as he attempted to pass. He then kicked on fourth down to the forty five yard line.

Fullback Lund broke through Floydada's line for a thirty yard TD. PAT failed.

Derrell Munday returned the kickoff to the thirty one yard line. After three attempts, Floydada picked up only eight yards and had to punt on fourth down.

The Bobcats took possession on their twenty two yard line. After Dimmitt picked up five yards, Floydada again received a fifteen yard penalty. The next play, Bill Fortis recovered a Dimmitt fumble on the Bobcat's forty eight yard line, ending the third quarter.

Teague picked up four yards and passed twice, but each time failed to find a receiver. Floydada punted on fourth down and the ball went down to the Bobcat's fourteen yard line.

Dimmitt went to the twenty seven yard line, where a fifteen yard penalty was called against the Whirlwinds.

On three attempts, the Bobcats picked up two yards and punted on fourth down. A host

of Whirlwinds came in and blocked the punt. Marler spotted a live ball, picked it up on the forty nine and with two key blocks went in for the TD. Teague carried it in for the PAT.

Dimmitt picked up the ball on the eleven and brought it out to the twenty two. After a few plays, Floydada was penalized another fifteen yards. Mac Baker and Kerry Bearden came in for the Whirlwinds and dropped Young for a nine yard loss. The next play, Teague recovered a fumble in the Bobcat's backfield on the twenty eight yard line. Osborn was thrown for a one yard loss. Watts, in two carries, ran in for a TD from twenty two yards out. Teague passed to Bearden for the PAT. The Bobcats brought the ball back to the forty nine yard line. With four tries, Dimmitt found themselves with a three yard loss, ball going over to Floydada on downs.

Three plays later, the game ended, with Floydada leading 22-13 and Floydada's second

Floydada Schools Still Grow

Floydada ex-students will no doubt note that the district's schools are literally bursting at the seams when they return here for the homecoming festivities tomorrow.

It is interesting to note that the system's school enrollment has always shown a steady increase and the future points to more of the same.

Back in 1922 there was a total of 644 students. In 1926 the schools had grown to 725. By 1929 there was a total registration of 1,050. Since that time the amount has doubled.

Today, approximately 100 teachers are employed by the system and it is the largest payroll in Floydada.

In sports the system is almost ready for a new classification of AAA. Floydada is not far behind neighboring cities like Canyon and Tulia who made the AAA jump this year.

LET'S BEAT THOSE OLTON MUSTANGS

FROM THE
SPORTS
DESK
by JEDD BLESSING

I guess everyone knows by now, Jack Osborne played in the Abernathy game, made several fine runs, one of which went for a touchdown. Would you believe that he wore two right shoes during the entire game?

I received a phone call last week from my friend Ralph Carpenter in Ralls and we discussed a statement made earlier in this column after the Lockney game in which I wondered if the school board at Ralls was considering not renewing the football contract with Lockney, also.

M. L. Sanders, a member of the school board at Ralls, also talked that day and said the answer was "yes". However, he said "please understand that rough play or bad sportsmanship did not enter into the decision."

He added "As far as we're concerned we are a class A school and Floydada is bordering on AAA. We may go up there and beat you once in a while, but it is nearly impossible. We would like to match our pre-conference games with someone more our calibre. If the schools don't separate any more in enrollment, we will be willing to continue with the games."

Speaking of Ralls, I noticed this week that the Spur fans at the Ralls-Spur game got a little out of hand. Ralph mentioned this in his column and Joe Harrison of Spur mentioned this also.

One particular incident stood out, and that was when a Spur fan started onto the field peeling off his jacket. If a fight had developed the Spur team would have been the one that suffered and not the fan.

I can speak from experience on this incident, for when I was a freshman in high school a "drunk" fan did reach the field and hit one of the officials. There was no repercussion to the fan but the next year the football team played "outlaw" football — and New Mexico Teams play by different rules than do Texas teams, or they did 13 years ago.

Did you know that to give free meals, free passes to shows or athletic events, free meals or lodging for athletic ability such as scoring a touchdown, winning a game or other athletic achievement violates the Amateur Rule of the Texas Interscholastic League? In fact, it is a violation of this rule for outside individuals or groups to carry football players home after daily practice because this service is extended only to the athletes and not to the entire student body.

Della Plains started the basketball season off with a bang last week by defeating three teams from Slaton. The "B" team started the victory march, the varsity girls set the pace with an 82-6 win and the boys, fighting a sea-saw ball game their counterparts 66-46.

A little different style had been added to the boys team this year. When an offensive team approaches the Della Plains defensive set up there is nothing to see ahead, but 10 arms in the air. It makes the function of offensive plays a little more difficult when that team can't see what the players are doing. Also a fast-break type offense has been added by Coach Johnson, and this is right down the Della Plains line. They worked it well last week and I'm sure it will improve as the season progresses.

In the girls' game, the hapless crew had more trouble getting the ball to their forwards than anything else. The Della Plains forwards stole the ball from the Slaton guards more than 50% percent of the time when the ball was thrown in after a Della Plains score. The girls worked the ball well had a lot of teamwork and all have quite an "eye" for the basket this year.

Last year the girls team won district and the boys advanced to the state finals where they were defeated. From all indications, last week, the teams should go just as far this year.

The Whirlwinds had to pull one out of the bag last Friday night to down the winless Bobcats of Dimmitt. That was the second time this year that a "Whirlwind" finish has resulted in a victory for the local team. The other time was against Canyon when McNeill kicked a field goal in the last 10 seconds of that game to clinch a win.

During the entire game, the locals never did function as a good team. There were several outstanding plays made, and

several of the players were a part of those plays, but seldom did all eleven of the boys function properly on any given play.

It looked as though it took the boys two quarters to realize they were in for a rough time, another quarter to get rolling and then one quarter to rack up the score they needed to keep more than one touchdown out of reach of the Bobcats. They had a hard time at first, got a lot of tough breaks, but came through when it was needed.

When the Whirlwinds take the field this Friday, and the next two for that matter, they can't wait until the last quarter to start scoring. They will have to play "heads up" ball for the remainder of the season.

This team has played a lot better against some teams than it has against others. This is natural for every team has its "ups and downs" during the year.

The important thing is — this Whirlwind team, small as it is and crippled as it is, has given at least 100% effort every game. This team has had only one defeat, and it has pulled some victories out of the bag. They are playing, they are doing their best and they are, in my opinion, the most dangerous team in this district.

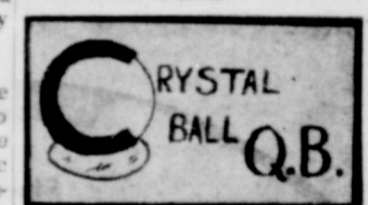

Some people are a little unhappy about the performance against Dimmitt, a team that hasn't won a game this year, but came very close to upsetting the Winds. However J. D. Covington, coach of the Bobcats, said that "this game was by far the best performance the Dimmitt team has given. It was the first time they were able to move the ball consistently."

The boys are aware of the fact that tomorrow's game against Olton will be one of the toughest this year. Let's see if the fans and the supporters of the team can boost their morale a little bit, and help this year's Whirlwind team show the Exes how a real football team operates.

A new idea struck me (in the midst of hailstones) Saturday night in Jones Stadium at Texas Tech. Why doesn't Tech play all of its home football games during the summer, in the early part of August particularly when the area needs the rain so badly.

Of 35,000 who paid to see the SMU-Tech game, about 1,000 were let in the stands to see the entire first quarter.

According to reports, Saturday night was the first time a Southwest Conference ball game has been interrupted because of weather conditions.

Crystal Ball QB
Last week's contest page had some games on it that were a little hard to pick, and ended in close tilts. One tie game, LSU-Tennessee, threw everyone that entered the contest. More people missed the Post-Morton game and the ENMU-Texas Lutheran game than any others.

W. O. Newberry won the contest and missed only four of the games. They were Post-Morton, SMU-Tech, Tennessee-LSU and ENMU-Texas Lutheran. The Crystal Ball missed six predictions.

This week the predictions go this way: Floydada will breeze by the Olton Mustangs before a homecoming crowd. ONLY if they play all four quarters; Lockney Longhorns will gore the Dimmitt Bobcats; Dimmitt put forth its best effort of the year in scaring the Whirlwinds; last Friday night, Friona will have little trouble with Abernathy; Tulsa should sting the Mules from Muleshoe; Happy will drop Texline; Spur will romp past Crosbyton; Petersburg will bounce back and beat Ralls, this should be a game to watch, for Idalou beat both teams 7-6; Idalou Wildcats will claw Lorenzo; Farwell will slide past Silverton; Hale Center will down Spring Lake in a battle of the district contenders;

Dumas Demons will roll past Canyon; Denver City will stomp Post; Monterey will blast Borger; Tascosa should stop Palo Duro; Plainview, fresh from defeating Borger will blast Caprock; and Slaton will beat Frenship in a battle of the winless in district competition.

On the College scene: Arkansas will root the Aggies; Baylor will pass TCU; Rice will drop Tech in a game you can watch on TV next Saturday afternoon; Kansas will overcome Kansas State; LSU will come out on top of Ole Miss, but this is one of the lopsided turvy games of the Southwest Conference; Texas will have little trouble with SMU; West Texas should make it low-in-a-row by downing Sam Jose; Oklahoma will get by Colorado and Oklahoma State will have little trouble with Tulsa.

Be sure and be on hand for Homecoming tomorrow in Floydada. Quite a celebration is planned and the Homecoming Committee has done a great job in attempting to make this the biggest and best Homecoming ever held.

STATE ATHLETIC DIRECTOR:

Booster Clubs Dangerous If Not Properly Guided

Publicity Attitude
Unfortunately some clubs assume a press agent attitude toward high school athletics. They often think of athletics as an advertisement for the home town in terms of financial returns and winning rather than the educational experiences accruing to the students. This attitude will lead inevitably to interference in the high-school athletic program.

Such practices as recruiting, pressure to pass athletes in school work, hiring and dismissing coaches, winning at all costs, and divided allegiance of the coaching staff between school authorities and key men in the club are end results of such a policy. In practically all cases of proselyting the state office has investigated, there has been an active quarterback club in the community, and emphasis for the recruiting usually can be treated to members of this organization.

Educational Values
It is difficult to convince other teachers in a school system that a coaching staff using school property, utilizing the most precious natural resources in the community—the youth—and being paid a commensurate salary, is due any extra compensation for doing their duty. This has been a sore spot in many communities for years. The coach can make a valuable contribution to the school morale by assuming a strict educational viewpoint.

Superintendent's Responsibility
The Texas Interscholastic League holds the superintendent of schools responsible for the enforcement of eligibility rules and the management and control. Athletic councils and various organizations are not recognized by the League, but instead, complete responsibility is placed on the administrative head of the school system, the superintendent, for the proper conduct of the sports program.

In cases of protest against a school and with a resultant investigation revealing that the superintendent did not have veto power over decisions of the athletic council, then, in my

opinion, the school would be in violation of League rules. The superintendent of schools must have veto power over the action of the athletic council. Otherwise it would seem to indicate that control was outside school administration. The League strongly advises against athletic councils organized outside the school system. If such committees are formed outside the school, they should be purely advisory.

All people interested in the welfare of high school athletics should strive to see that Quarterback Clubs, Booster Clubs, and Athletic Councils are guided in the correct direction. School administrators and coaches should belong to all such groups and should be present at all meetings to guide and direct activities into desirable educational channels. Performing their proper functions they are valuable. If allowed to go astray, they are veritable kegs of dynamite in a school's high school athletic program.

Steve Belt Wins Grand Champion With Angus

Steve Belt, 17 year old son of Mr. and Mrs. J. R. Belt Jr., of Lockney, won the grand champion space in breed with his 11 month old Angus called "Blueblood Land of J. R. B." in Dallas at the Junior Fat Stock Show at the State Fair of Texas.

JERRY TOOKE
Tooke Completes Basic Training

Belt is a senior student at Lockney High School and has been active in 4-H club work for the past eight years. For the past two years Belt and another Lockney youth, David Mitchell, have won county and district competition in soil and water conservation demonstrations. Three years ago the pair won both county and district in the field crop contest.

Belt is a past president of the Lockney 4-H Club chapter and currently is serving as its secretary. Belt's father, who has been in the Angus breeding business for about three years, previously served as secretary of the High Plains Underground Water District.

The Belt youth resides with his family about three miles west of Lockney and he is a member of West Side Church of Christ.

The young stockman showed the reserve champion heifer at the Abilene show about a month ago, and friends of the family recalled that the youth's entries won first places in both the Amarillo Fat Stock Show and the South Plains Fair at Lubbock this year.

Named Crew Leader For Census Of Agriculture

Leroy Saul of Plains, has been named leader for the 1964 Census of Agriculture. Percy R. ...

The crew leader is a key person in conducting a Census of Agriculture. He recruits and trains the enumerators, schedules their work, reviews the accuracy of completed forms, and conducts difficult interviews.

The Census of Agriculture is taken every five years in years ending in "4" and "9" to gather information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U. S. economy. Data gathered include the number and size of farms, acreage and harvest of crops, livestock inventories, and information on farm equipment and improvements and income and some production expenditures.

The information will be published starting in 1965 for counties, States, and the nation.

Lockney Dog Field Trial Winner

The first Vizsla to win a field trial in the Golden Spread area is Mac's Sam, Vizsla male owned and handled by Wyatt McLaughlin of Lockney.

The big dog, the breed is of easter European origin, found two coveys to take first place in the shooting dog event of the novice field trial held Saturday at Buffalo Lake under sponsorship of the Pashandle Bird Dog Club.

He handled his birds satisfactorily although his manners lack the polish that would be expected in an all-age stake. He moved up 2 or 3 feet when the birds flushed but stopped without command and did not attempt to chase. The trial judges, Oliver Austin and Bud McMurtry, also credited the winner with a stop to flush on a single bird.

FAIRVIEW NEWS by Mrs. Clyde Bagwell

Former Pastor Passes Away

FAIRVIEW, Oct. 26. — Our hearts were saddened at the word that was received here last night of the sudden passing of our beloved former pastor, Rev. Joe Wilson, Uncle "Joe" as we all fondly called him, who was pastor at Fairview Baptist Church for several years and he and Aunt Eva lived in the parsonage and worked among us so faithfully. Rev. Wilson was an uncle of Walton Wilson and brother-in-law of Mrs. W. B. Wilson. Rev. and Mrs. Wilson left Lubbock only five weeks ago to make their home in Dallas at Prew Baptist Home. The entire community wishes to express heartfelt sympathy to all of the loved ones.

The rain of Saturday night was nice — some received 1/2 inch, some only a shower. It will be very beneficial to the fall wheat crop.

Mr. and Mrs. Bill DuBois and sons visited in the Shirley Irwin home Saturday night.

Mr. and Mrs. Harvey Allen and sons were dinner guests of her parents, Mr. and Mrs. Walton Wilson Sunday. Walton Wilson has been on the sick list for the past few days, suffering from a virus.

Mr. and Mrs. Emmett Wagner and family visited last Monday morning with Mr. and Mrs. Edell DuBois, the Wagners are former neighbors of the DuBois.

Mr. and Mrs. Edell DuBois visited Sunday afternoon with their son and family, Mr. and Mrs. Bill DuBois of Cedar Hill.

Malcolm Bridges of Houston came up Friday and visited until Sunday here with Mr. and Mrs. Lee Rushing. Saturday night Malcolm and Lee went to Lubbock to attend the ball game between Tech and SMU. M. R. Rushing reports heavy rain and hail at Lubbock that stopped the ball game for a time, while everyone ran for shelter.

Mrs. Bob Poe of Amarillo was here last week staying with her mother, Mrs. Lee Rushing. Mr. and Mrs. E. W. Walls returned home Wednesday from a 9 day trip to Oklahoma. They visited at Norman with her sister and husband, Mr. and Mrs. Marvin Marsee and at Nicoma Park with his sister and husband, Mr. and Mrs. E. C. Johnson.

Mr. and Mrs. Walton Wilson and Mrs. A. S. Mize, Mrs. W. B. Wilson, Mrs. Bill Tye went to Claude Tuesday afternoon to the home of Mr. and Mrs. Bill Beedy and returned home Wednesday night, the occasion was the birthday of Mrs. Bill Beedy. Others there on Wednesday to enjoy the day and birthday dinner were Mr. and Mrs. Weldon Pruitt and children of Floydada and Mrs. Bob Carter of Amarillo.

Mrs. C. W. Payne will go to Shamrock tomorrow (Tuesday) where she will meet her daughter, Mrs. Harvey Nicholas and children, Kelli and Lance, who live in Oklahoma City. They will come by bus to Shamrock. June and children will be here some two weeks with her parents, Mr. and Mrs. C. W. Payne. She will attend the Homecoming at Floydada High School on Friday of this week.

Mr. and Mrs. Ruey Irwin visited in the Galen Holland home.

LOCAL LIBRARIANS TO DISTRICT MEET

Mrs. Henry Barber, Mrs. A. T. Hull, and Mrs. Helen Patterson will attend the District Library Association, which will be held at Levelland on October 31, at South Plains College.

All members of the Texas Library Association, District 1, which includes a wide area of West Texas, are expected to attend. The one-day event will be from 9 a.m. to 3 p.m.

Highlights of the program will be an address by Mrs. Lillian Moore Bradshaw, director of the Dallas Public Library and a panel discussion "A Conversation About A Plan" led by Mr. Ray Janeway, librarian of Texas Tech.

The panel will discuss a library development program now in the planning stage.

Mrs. Ruey Irwin visited Monday with her daughter, Mrs. Carl Nelson in Floydada.

Mr. and Mrs. Marion Burns and family spent from Thursday until Monday at Lufkin with his brother and family, Mr. and Mrs. E. O. Burns.

Mrs. L. E. Crabtree was a Sunday dinner guest of her son and family, Mr. and Mrs. Kay Crabtree and Becky.

Mrs. Tom Jernigan visited Sunday afternoon. Other Sunday visitors in the Holland home were Mr. and Mrs. Carl Jernigan of South Plains.

Mr. and Mrs. Walton Wilson spent Friday at South Plains at the ranch home of Mr. and Mrs. Bob Reeves where a large number of relatives gathered for the day. Others present were Mr. and Mrs. Jack Reeves and children of Denver, Colorado, Mr. and Mrs. Sim Reeves of Memphis, Mr. and Mrs. Raymond Reeves and children, Mr. and Mrs. Hub Austin of Borger, Mr. and Mrs. John Austin of Lubbock.

Mrs. Galen Holland and Mrs. Roy Meek spent Saturday morning at Quitaque.

Mr. and Mrs. Kay Crabtree and Becky went to Lubbock Saturday and on the return home they stopped at Idaloo and had supper with her parents, Mr. and Mrs. Elmer Griffith and family.

Mrs. L. E. Crabtree visited Wednesday at Ralls with her mother, Mrs. G. M. Bullard who is at Ralls Convalescent Home. J. C. Bullard also visited last week there with his mother.

Whirl Features Ex-Student, School History

A special eight-page edition of the WHIRL, Floydada High School newspaper, will be on sale during Homecoming activities tomorrow at the school and at the ball game tomorrow night.

The paper, which will cost 15 cents, will be sold at the registration tables at the high school and at the game. It will give a complete schedule of the activities for the day plus many features on students and teachers and detailed information on the years gone by.

This edition of the paper gives a complete history of the Floydada public school system with many interesting facts about its growth.

FFA Chapter To Elect Sweetheart

(by Larry Patton) Members of the local FFA Chapter have been busy the past week securing nominees for a Chapter Sweetheart.

To start the election each class nominates several girls, then votes on this group naming one with the most votes from their particular class as their nominee. One girl is selected from each of the six ag classes.

Girls nominated were Linda Harrison, Linda Hammonds, Kaye Hammonds, Janet Holmes, Jan Stansell and Jody Campbell.

The six were voted on and narrowed down to two girls, Jody Campbell and Jan Stansell. So the campaigning has started. Posters for each of the all former students to buy a souvenir copy.

VISIT HOME BECK NATIONAL GUARD

George Patton, son of Edna Patton and Donald Ins, son of Mr. and Mrs. Hutchins, were home visiting with their parents two Floydada boys are at Fort Sill, Okla., on a months tour of duty National Guard.

They entered in April until August 9 had been at Fort Polk, La.

Democracy survives of the process of the nominating convention.

girls have been distributed in a penny a day various businesses and in high school. If you are interested in the one you are win, vote for her by your coins in the jar. Results of the election learned next week.

Win With RALPH WAYNE (A Democrat) CANDIDATE FOR State Representative 89th District (Briscoe, Floyd, Hale, Swisher) (Pd. Pol. Adv. — Jimmy Willson, Chairman Wayne Committee)

DO YOU KNOW ... WHAT HUBERT HUMPHREY AND THE ADA WANT TO DO?

It's enough to scare the daylight out of all Americans HUMPHREY AND HIS ADA ARE FOR ...

- SOCIALIZING THE UNITED STATES
WAGE AND PRICE CONTROL
RENT CONTROL
RECOGNIZING RED CHINA
AID TO COMMUNIST COUNTRIES
WELCOMING CASTRO INTO THE ALLIANCE FOR PROGRESS
TURNING PANAMA CANAL OVER TO UNITED NATIONS
ABOLISHING HOUSE COMMITTEE ON UN-AMERICAN ACTIVITIES

WHAT IS ADA? A writer from the Louisville COURIER-JOURNAL defined ADA this way: "The political organization, Americans for Democratic Action, (ADA) has become a synonym for advocate-traveler, for communist sympathizer, for advocate of 'soft' policies toward Russia." Robert L. Riggs, Washington Bureau, Louisville COURIER-JOURNAL.

ADA STANDS FOR: -Domestic socialism. -Blindness to the Communist threat. ADA is a national left wing political organization. It is the most influential of all home-grown organizations attempting to change our traditional American government into a socialist dictatorship. Though not announced as a "secret organization", no membership list can be obtained from their national headquarters in Washington. U. S. Senator Strom Thurmond said about the ADA: "All the actions and policies advocated by the ADA point to federal socialism."

HERE'S WHAT ADA ADVOCATES This is the kind of program Hubert Humphrey may be expected to work for if he is elected. Read carefully the following policy statements quoted directly from ADA World, official publication of the Americans for Democratic Action. No man supporting these views should hold the office of President or Vice President of the United States. ADA ADVOCATES DOMESTIC SOCIALISM ADA Advocates More Federal Controls. "We believe serious consideration should be given to the adoption of federal price, rent and wage controls." ADA Urges Higher Spending. "The current level of federal spending is grossly inadequate to meet the needs of a growing population."

ADA IS BLIND TO THE COMMUNIST THREAT ADA Would Discontinue Communist Investigations. "We urge that the Un-American Activities Committee of House of Representatives be discontinued." "We propose repealing the Smith Act, the Internal Security Act of 1950, and the Communist Control Act of 1954. "We urge the abolition of the Attorney General's list of Subversive Organizations." ADA Says Teachers Could Be Communists. "Former membership in a Communist organization, or refusal to testify under the 5th Amendment, should not be automatic grounds to disqualify a teacher. ADA Wants to Recognize Red China and Admit it into the U. N. "We urge immediate initiation of negotiations toward diplomatic recognition of the Peiping (Communist) regime and its accreditation of the United Nations as the government of China. . . . We also urge free trade with Red China, the removal of all trade and passport barriers and surplus food shipments to this nation."

ADA Advocates Aid to Communist Countries. "We urge efforts to expand trade with Communist nations and the amendment of the Battle Act to give the President standing authority to extend loans and grants to the Communist countries of eastern Europe." ADA Welcomes Castro. "Actions by the United States to intervene militarily or to support military invasion by Cuban exiles or by others would not only be wrong but self-defeating. . . . We should welcome the Castro regime into the South American Alliance for Progress." ADA Opposes Loyalty Oaths. "We oppose loyalty oaths other than the traditional oath taken by government employees to support the constitution and laws of the United States."

ADA CALLS FOR ONE-WORLD GOVERNMENT ADA Would Replace American Armed Forces United Nations Army. "We recommend development of an armed force as a permanent agency United Nations to replace national armed forces." ADA Would Open U. S. to All Foreigners. "The United States and headquarters of the United States should be open to all foreigners having with it. We urge the abandonment of the restrictions upon the admission and stay of foreigners." ADA Urges U. S. Disarmament enforced by Nations Police Force. "Our aim must be to general and complete disarmament. . . . It is recognized that no safeguards can provide protection against error or treachery. For this it is necessary to build the capacity of the Nations to enforce disarmament arrangements." ADA wants America to abandon the Panama Canal and give it to the United Nations. No man supporting these views should hold office of President or Vice President of the States. ADA ENDORSES JOHNSON The ADA "enthusiastically and unanimously endorses the Johnson-Humphrey ticket." (ADA Sept. 1964). President Lyndon Johnson, in a welcoming program which was read to the 17th annual ADA convention: "You (ADA) have now endorsed, frequent premature burials by your critics, many of your ideas become policies, your become programs, and your programs laws."

A vote for Lyndon Johnson is a vote to Hubert Humphrey President. Lyndon Johnson had a serious heart attack July, 1965. Doctors say that the average expectancy of a man Johnson's age following a heart attack is less than 10 years. (Ask your doctor about this.) Therefore, medical arg, that if Johnson is elected in 1964, Humphrey will be President before the term expires. NEVER BEFORE HAS THE EXTREME LEFT HAD ITS MAN SO CLOSE TO THE PRESIDENCY.

Hail Does Little Damage Here

SOUTH PLAINS, Oct. 28—South Plains Community apparently did not suffer from the hail storm and rain shower which hit the area about nine o'clock Saturday night. Bob Reeves, Arby Mulder and farmers out that way report the ground was fairly white with hail, but it seemingly did not damage. One quarter to one half inch rain fell out in this vicinity. By Sunday morning the roads were sufficiently dry for traveling.

88 were registered for Baptist Sunday morning church services with the Mary Hill Davis offering closed out at this service. Youth fellowship of the Aiken Baptist Church followed services at the church at night. Visitors included Sp. 5 Floyd K. Lynch and wife, Mr. and Mrs. Eugene Byrd and sons of Stanton, Mrs. Hightower with the Hightower family, Mr. and Mrs. W. L. Hurt, the pastor's wife's parents of Plainview. Mrs. Tullman Powell was out to both services for the first time in months, since she has been ill all summer and spring.

The intermediate girls with sponsors, Mrs. Garvin Beedy and Mrs. Sterling Cummings

are preparing to sing in the Baptist choir next Sunday, Nov. 1. Mrs. Kendis Julian, organist, and Miss Beth Calahan will accompany them.

Mr. and Mrs. Fred Fortenberry arrived home late Saturday night from a weeks trip spent in Nebraska, Cheyenne, Wyoming, Steamboat Springs, Meeker, Buena Vista and other points in Colorado and New Mexico were in their itinerary.

Terry Smith, son of Rev. and Mrs. Sealy Smith is confined to his home at this time with influenza. Miss Kathy Mulder is also out of her classes with a severe case of influenza and sore throat. She is a junior in high school.

A letter to our Congressman from JOE B. PHILLIPS

The Hon. George Mahon
Congressman, 19th District
1211 New House Office Building
Washington 25, D.C.

Dear Mr. Congressman:

This letter is written to request you to let the people of the area know how you stand on the issues which confront us in this coming election. I have been specific in outlining my position and would like you to speak out in a letter or in a face-to-face meeting.

Your unqualified endorsement of Hubert Humphrey as a Vice-Presidential Candidate carries with it a disregard for the feeling of West Texans. Because Mr. Humphrey was one of the founders of the Americans for Democratic Action, commonly known as the A.D.A., we are suspicious of his stand on vital issues.

The A.D.A. calls for the admission of Red China into the United Nations and for the Recognition of Red China. This proposal I oppose with every ounce of energy I possess. I am also against the A.D.A. endorsement of foreign trade with communistic countries and its willingness to disarm our own country and let Russia remain armed.

I am opposed to the A.D.A. — its organization, its founders, and its soft attitude toward communism. The voters of West Texas are anxious to know your attitude toward the A.D.A.

They know mine.

Very truly yours,

JOE PHILLIPS

Sterley Pastor To Preach At Silverton

Although the number was fairly small, though in as high proportion to membership as most churches attain, the interest was high this past Sunday. CROP, the co-operative program of Protestant churches through Church World Service, was presented as a suitable channel of service. The sermon concerned the everlasting kingdom of the Lord, with the Protestant emphasis on the Open Bible and an experiential knowledge of God.

The pastor has accepted an invitation of Rev. H. Carl Nunn to preach, both sermons in the services at Silverton next Sunday, so he is asking that the people at Sterley come together at 9:30 for worship and Sunday School to follow at 10:30.

Special emphasis coming soon are Retired Ministers' Sunday and the Methodist Mission Home of Texas.

Comet completes 16,200-mile durability run Cape Horn to Fairbanks, Alaska, in 40 days

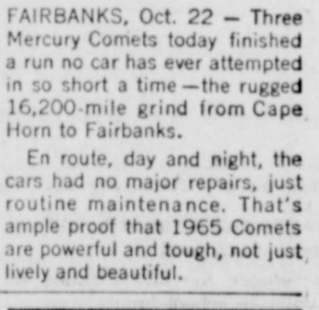

Livelier Comet proves once again why it's the World's Durability Champion. Uses show-room models in day-and-night grind from the bottom to the top of the world.

FAIRBANKS, Oct. 22 — Three Mercury Comets today finished a run no car has ever attempted in so short a time—the rugged 16,200-mile grind from Cape Horn to Fairbanks.

En route, day and night, the cars had no major repairs, just routine maintenance. That's ample proof that 1965 Comets are powerful and tough, not just lively and beautiful.

Happy New York

Arthur Spencer, 17, had his first brush with the law in New York City when 11 years old. He allegedly tried to rape a five-year-old girl, but the charge was not pressed.

Later that same year, however, he was arrested for raping a woman at the point of a knife, and was adjudged a juvenile delinquent.

When he was 13 he was sent to an institution upon being found guilty of arson. Again, he was adjudged a juvenile delinquent.

Apparently he spent about two to three years in the institution. In May of his year, when he was 17, he raped and murdered a school teacher in the Bronx. On June 21 of this year, again armed with a knife, he raped another woman in the Bronx, and was indicted for first degree rape.

A New York judge, who apparently was denied access under New York law to Spencer's juvenile record, released him on \$500 bond. The judge said that would be about normal for a first rape offense.

Spencer, released on his penny-ante bond, raped and murdered another woman. He was caught after still another rape. The total, police say, is about 10.

Is this what is being palmed off as justice in New York?

Another Reason Why We Are Glad We Live In The Country

Now that Election Day is right on top of us—next Tuesday, don't forget—we find great satisfaction in some figures reported by R. L. (Bob) Johnson of the Texas Election Bureau.

Mr. Johnson reports that the "country cousins" in 231 rural counties out-voted their city brothers, percentage-wise, nearly two-to-one!

Yes, sir, it's a fact. And we are mighty proud. It just shows that the country folks take politics seriously enough to go to the polls and do something about it.

We do more than talk—we vote!
Now for the facts:
In the four big-city counties surrounding Houston, Dallas, San Antonio and Fort Worth, there were 1,182,976 qualified voters. This spring, only 38 percent—or 452,135—voted.

In the 231 so-called rural counties, there were 1,132,067 Texans eligible to vote and 769,697 voted. That's nearly 69 percent.

In the middle counties, described as urban be-

cause of their population, the percentage was 51.5 percent. Out of 794,224 voters, 409,321 went to vote.

That's a mighty fine record. But since politics has been pretty steamed up in the big cities, we folks in the country are going to have to double-up this fall in our voting turnout.

So, tie a string around your finger—don't forget to vote next Tuesday!

JOBS AND A HOSPITAL

I'M PROUD OF MY TOWN

By B. W. Morgan, Olney, Texas

Two new industries and a hospital that will be opened in November make me proud of my home town of Olney, Tex.

Citizens of the town formed the Industrial Foundation for the purpose of creating jobs to keep the 5,000 population busy and happy. Through the efforts of this group a company that manufactures crop-dusting planes and another that makes men's dress slacks now have plants in the town and provide steady employment for a number of persons.

Our new 42-bed hospital is nearing completion. We have a fine group of physicians and nurses in the community, and Olney is becoming the medical center of North-Central Texas.

What makes you proud of your town? Write about it in not more than 200 words and mail to Town Editor, Grit Publishing Company, Williamsport, Pa., 17704. Grit will pay \$10 for each letter that is published.

Putting On The Pressure

In sports, one of the well known facts of any game is that athletes respond differently to "pressure." When time is running out and the game is close, some athletes choke up under pressure while others thrive on it, rising to heights under pressure that they could not reach ordinarily.

American life is getting to be a life of pressures of various kinds, and the more complicated life becomes, the more pressures there are.

Newspaper people have to learn to live with pressure. Every newspaper has a deadline to meet, and there are days when the news stories don't develop and the advertisers are late, and the staff finds themselves battling against time, with the deadline relentlessly pressing down upon them. This is pressure, and it is real.

Children are put under pressure that their parents and grandparents never knew. They are given tests at various ages and stages of development, and these tests will determine what kind of school a child will attend, at what speed he will advance, with which group he will be placed.

A child is constantly challenged by parents and teachers to do better, to live up to his potential. And the faster he learns, the more material is thrust at him to be learned. This is the way our life moves nowadays. But it results in pressure being put upon a child and the worst offenders are usually parents, who want their child to make better grades than they did and pressure him to do so.

Public officials are subjected to a lot of pressure which comes in various ways. Some succumb to pressure, and those who resist pressure often find themselves voted out of a job.

Ministers are put under pressure by their congregation, with some groups wanting one kind of sermon and one kind of pastor while other groups want an entirely different kind of pastor. As a result, the pastor is pressured by both groups and finds it impossible to do the kind of job he knows he should do.

Probably the best example of being put under pressure comes from the football coaching profession. For some strange reason, the football coach is singled out for pressure much more than the basketball coach or the track coach or the band director or the speech teacher, all of whom have students that they coach to represent their school.

But a football coach is fair game for pressure groups. He has to post a winning record or he goes out looking for a job. Fans will tolerate a good coach for a while, but eventually he had better produce a winner or a coaching change is made, regardless of the fact that the material may be poor, injuries great, the opposition strong.

Pressure is put upon a football coach, and during a losing season it mounts daily.

It is no wonder that the incidence of ulcers is high among football coaches of this land. There is a hard, pressure-packed profession.

Pressures are put on by wives, too. Those wives who put the spurs to their husbands in order to produce the income required for the things of life expected to keep up with friends and neighbors are applying pressure in its purest sense.

Pressure is put on by businessmen by customers and competitors, by employees and the government, handing him a set of decisions that must be accurately and quickly made every day or business is lost.

Employees are pressured by employers; parents are pressured by children; everybody

Floyd County 25 Years Ago

(Oct. 28, 1939)

Carl J. Noble, in his third term as commissioner of Cross-County, died of a heart attack Sunday night in Cone. Funeral rites were conducted there Tuesday. Noble is survived by his widow, four sons and three brothers.

W. Cyrus Wright, who 16 years ago left Floydada for California to make his home, has been named Long Beach Chief of Police.

White Swan Cafe this week is offering their plate lunches at 15 cents; two eggs, ham, bacon or sausage 25 cents; hot cakes 10 and 15 cents; pie 5 cents; sandwiches 10 cents; T bone steaks 25 cents; plain steaks 25 cents; hamburgers 5 cents; chicken fry steaks 25 cents.

Due to recurrence of chronic nephrosis, Dolores Howard, small daughter of Mr. and Mrs. Orland Howard, reentered Bradford Memorial Hospital in Dallas for treatment Tuesday.

Gaylord Nelson, Senator (D., Wis.)

"The position of a Senator on appointment is immaterial. Suspension of a constitutional right is the issue."

pressures everybody else until it is no wonder that we sometimes feel we all live in one great big red hot pressure cooker.

And a study of the heart attacks, nervous breakdowns, ulcers, mental illness in this country might lend some proof to this feeling.

Income Tax Office Hours Are Changed

The local office of Internal Revenue Service is changing its office hours effective November 2, 1964. Elton W. Davidson, Administrative Officer of the Plainview office announced today.

Mr. Elton W. Davidson also announced that the Dallas headquarters offices are moving to a new location November 2. The new address of the Dallas District Director will be 1600 Patterson Street at North Ervay, Dallas, Texas 75201.

The new office hours will be 8:00 a.m. to 4:30 p.m., Monday through Friday. The hours will be the same at the Dallas headquarters office and all of the 18 local offices in the Dallas District.

Philosopher Wants To Know What Happens To The Fired Editors Over In Russia

Editor's note: The Floyd Philosopher on his Johnson grass farm this week discusses a sidelight of the situation in Russia. Dear editor:

When it comes to knowing what has taken place in Russia, I won't know any more about it than Washington, London, Paris or Mr. Khrushchev did but there is an aspect to it that has got me to thinking.

As I understand it Mr. Khrush-

chev got fired and I have no feelings about that. He got the job in the first place by getting somebody else fired.

But there was a side effect that interests me. Right after Mr. Khrushchev was fired according to the account I read in a copy of a newspaper the next day the editors of the two main Russian newspapers, Pravda and Ivestia were fired too.

Can you imagine a situation where if the Floyd County government got turned out of office, you would be too?

Information is available from any regional office of the Veterans Administration. Or you may write the office to which you make your premium payments.

What would happen to this country if, every time we elected a new President, all the editors got fired?

I can see the people around here the day after an election

scratching their heads, saying, "Well, I see no wonder who's gonna be editor of The Hesperian."

And also, while I have a notion along this line, I am not a member of the National Football League.

Personally I have a notion along this line, I am not a member of the National Football League.

Protect Your Freedom Be An Informed Voter

RALPH NAFZGER

Republican candidate for State Representative of the 89th district, Hale, Floyd, Briscoe & Swisher

Ralph Nafzger

Ralph Nafzger believes in the following:

1. Constitutional government and the free enterprise system. Federal government should refrain from competing with private enterprise. Government should be the servant of the people and not its master. It should protect its citizens from all enemies within as well as without.
2. He is against federal aid of any kind except where absolutely necessary as in a disaster. The federal government has no money but yours, the tax-payers' money. To give so called "Federal" money is like giving yourself a transfusion by taking blood from one arm and injecting it into your other arm spilling half on the way. Then, with controls, you lose your freedom.
3. The right to work law. It is immoral to have to pa to work. The needy should be helped, on the local and state levels, but only after strict investigation, then help only those who really need help and those who, if they are able to work, do not refuse to work.
4. States Rights—the people in the great state of Texas can run their business better than those who rule from Washington. There should be no federal aid to education. Local people can best see and take care of their own needs—besides, federal aid brings federal control.
5. In a balanced budget. Ralph Nafzger believes in progress on a sound basis and in economizing where possible of expenditures. Ralph Nafzger believes in spending state money as he would his own.
6. Stricter law enforcement—Law enforcement officers should have more authority, and they should be paid an adequate salary so that we could continue to demand officers of high moral character.
7. Is opposed to parimutuel betting, and the sale of liquor by the drink. If the citizens of this district show that they want these issues to become law then he will vote for a referendum to let the people of Texas speak.
8. Ralph Nafzger believes in good education and knows much money needs to be spent. Ralph Nafzger believes this is a local and state responsibility and not in federal aid to education. Remember with federal aid comes federal control.
9. In the statements above I have told you the principles I believe in and what I stand for. Now for you to be well informed I ask you, what principles does my opponent believe in and which candidates does he support? You know all about "Box 13", the Billy Sol Estes, Bobby Baker and Walter Jenkins cases, the wheat program, beef and oil imports, and the far left extremist ADA group.
10. Ralph Nafzger is a Goldwater Republican, a conservative, who believes our constitution is not outmoded and believes in the constitutional principles which, under the blessings of God, made this nation of ours the most prosperous and strongest in the world.
11. Ralph Nafzger says, "Mother and Dad, vote on November 3 so that on November 4 you can look at yourself in the mirror and at your bright-eyed youngsters across your table and say, 'I voted for you and for a free America.'"

VOTE FOR RALPH NAFZGER

CENTER NEWS by Mrs. J. E. Green

Saturday Rain Aids Wheat

CENTER, Oct. 26 — The approximately half an inch of rain Saturday night was good on wheat.

Mrs. Leo Frizzell visited Friday with Mrs. W. M. Jackson who was indisposed with a virus. But Monday Mrs. Jackson was able to go to Retan to visit a daughter and family.

Mr. and Mrs. Frizzell visited last Tuesday with their daughter and family, the Garvin Beedy's of South Plains.

Elaine Warren was with the H. S. Band Friday evening when they accompanied the Football boys to Dismitt for the game.

Elaine, with a group of other youngsters, attended a party at the Shelby Callahan home of South Plains.

The J. E. Greens visited briefly Thursday morning with Mr. and Mrs. J. A. Hartzell.

Mr. and Mrs. Charles Horton and Mr. and Mrs. Bobby Welborn arrived home Thursday from a trip to Tulsa, Oklahoma where the men attended the water convention the first half of the week.

Gene Smith and Jack Fuqua spent the weekend with Phil and Bruce Horton.

Mr. and Mrs. Gordon Mayfield, south of town, visited in the Horton home Sunday afternoon.

Mr. and Mrs. Jimmy Dunn and girls of Lubbock dined Sunday with his mother, Mrs. Frank Dunn. Jimmy and Mrs. Dunn called at the Doyle Sandifur home Sunday afternoon.

Other recent visitors in the Doyle Sandifur home were S. D. Crump and Bill Lane of Turkey, Mr. and Mrs. A. E. Spurgeon of Dallas, and Mr. and Mrs. Fred Robertson, Floydada. Mr. Walter Sims visited Sunday morning.

Mr. and Mrs. Charley Spence visited Mrs. Frank Dunn Thursday afternoon.

The Sandifurs visited Mrs. Dunn Friday evening.

Mrs. C. A. Cumbie, a former Centerite, is also reported ill in the Lockney Hospital.

Mr. and Mrs. O. C. Vinson were in the Harmony community Saturday afternoon seeing their son and family, the Jerrold Vinsons.

The Vinsons also stopped in town while to visit the Oliver Allens. Mr. Allen has been ill.

Mr. and Mrs. Green call on their church shut-ins Sunday afternoon. They visited the C. A. Breedings and the Paul Looneys.

The Greens also visited Saturday evening with Mrs. Joe Evers. Others present were Mrs. Charley Batten, Mrs. Oia Warren and Mr. and Mrs. Fred Batten. While there "the rain came tumbling down."

Sunday afternoon the Thomas Warrens visited their mother, Mrs. Oia Warren and Mrs. Charley Batten.

Center and many more communities over the West Plains are made sad today over the passing of a beloved former pastor, Bro. Joe Wilson. Bro. Wilson was pastor of Center church in the middle '30's and then and ever after Bro. and Mrs. Wilson have had a big place in our hearts. Who have ever been more faithful than these dear people! We grieve with loved ones, but great will be the reward.

Farm Bureau

Facts & Faces

CONGRATULATIONS to Miss Karla Smith, daughter of Robert Lee Smith, for representing Floyd County at the District II Talent Find in Lubbock October 15. Karla's most outstanding oration won first runner-up. The winning number was a duet from Hockley County. Robert Lee Smith, Mr. and Mrs. David Batten, Jr., and Mr. and Mrs. A. C. Pratt were present to proudly cheer Karla. Winners of the Discussion Meet were John Taylor, Crosby County, and Wendell B. Morrow, Lynn County.

DIRECTOR HUB KING announced that Weldon Mason, Terry County, and Luke McGuire, Castro County, will represent District II on the State Resolutions Committee in Houston, November 4-10. Registration for the Texas Farm Bureau Convention will get underway at 2:00 p.m. Sunday, November 8, in the Rice Hotel. The talent find and discussion meet preliminaries will begin at 3:00 p.m., a Vesper Service at 7:00 p.m., and the discussion meet finals at 8:00 p.m. Several from Floyd County are making plans to go, as always, depending on harvest conditions! Floyd County will have seven voting delegates.

THIRTY-SEVEN FARM Bureau people enjoyed a meal at Buchanan's Colonial House, Floydada, Thursday, October 19. Louis Pyle was elected president of Floyd County Farm Bureau. Weldon Smith is vice-president and Ray Lloyd is new secretary-treasurer of the organization. Joe Edd Sullivan, Service Manager in Hale County, was guest speaker. Other guests were board members' wives, Mr. and Mrs. Jack McIntosh, Mr. and Mrs. A. C. Pratt, and Mr. and Mrs. Wendell Tooley.

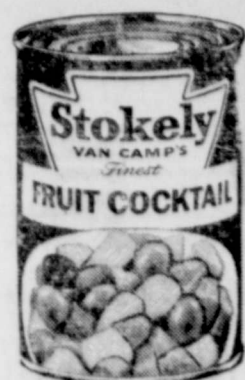

FLOYD DATA

Mrs. A. E. Shelton will leave Saturday morning for her home in Carlsbad, N.Mex., after a weeks visit here with friends. She was guest in the home of Mr. and Mrs. W. D. Newell, Mrs. Vest Savage, Mrs. George Eady, Mrs. L. Y. Woolsey, Mrs. Charlie Batten and Mrs. Joe Evers.

MEETING POSTPONED AT DELLA PLAINS

The Democratic party rally to be held Friday night at Della Plains School has been postponed due to the shortage of time left before the Nov. 3 election.
