Mrs. McDonald Dies, Funeral Held Tuesday

Mrs. Kathryn Lucinda McDonald, 80 year old longtime resident of Floydada and a resident patient in Peoples Hospital the past four years, died Monday shortly after noon.

Funeral rites were conducted Tuesday at 2 p.m. in the First Methodist Church, with the Rev. Charles Lutrick, pastor, officiating. Rev. Floyd C. Bradley, pastor of the First Baptist Church and Rev. Perry Threadgill, pastor of the Calvary Baptist Church, assisted.

Mrs. McDonald was born in West Virginia, January 24, 1884. She and the late L. C. McDonald were married in 1901 and the family moved to Floydada in 1915 where Mr. McDonald farmed until going into the implement business. He died in 1960.

Hospital Board In Austin Today

Representatives of the Caprock District Hospital board will be in Austin today in a meeting with the Hill-Burton officials to complete arrangements for the \$425,000 grant for the new hospital to be built here.

Architects from the Wyatt C. Hedrick architect firm were in Floydada last week working on the project. Both architects and engineers will be in the meeting today with the board in Austin.

The board plans to sell the bonds and let building contract for the new hospital around February 1, 1965.

School Board Backs Coach

In a special called meeting Monday night, the Floydada School Board gave head football coach Bill Curry its 100% backing and they extended their thanks and appreciation to coach Curry and his wife for a job well done.

The board expressed its best wishes to the coaching staff and the team to beat Denver City Friday.

Bartlett Rites Set For Today

Funeral services for Hubert Everett Bartlett, 75 year old retired Floydada man, will be held this afternoon at 2:30 p.m. in the First Methodist Church. Rev. Charles Lutrick will officiate.

Bartlett died at 6 p.m. Tuesday at his home, 218 West Crockett.

Chamber Works For Major Highway Through Floydada

Representatives from several area towns will meet in Post at noon, Friday, December 4, to discuss the possibilities of acquiring a common state highway number for all the highways directly connecting Borger and Big Spring.

The purpose of such a move would be to try to divert some of the traffic from the Panhandle to the Big Bend Country off the highly traveled U.S. Highway 87, connecting Amarillo and Lubbock.

Presently the two hundred forty seven miles consists of seventy five miles of state roads

and twenty two miles designated as U. S. routes and the remaining one hundred fifty miles are Farm-Market highways.

One of the goals will be to seek a common number highway coming from Borger, to Panhandle, Conway, Claude, across the Tule Creek (and the

future dam that will be a part of the Mackenzie Reservoir) Silverton, Floydada, to Ralls, Post, Gail and on into Big Spring. From that town routes are available to El Paso, San Angelo, Abilene, the Big Bend Country, or to South Texas.

It has been mentioned that those counties whose highways on the route that are not already State Numbers, would bear the cost of bringing those Farm-Market roads up to State Highway standards. Widening of the roads would be one of the needed steps.

Floyd County would not be affected by this measure, however, for the highway coming from Silverton into Floydada is Texas Highway 207, and the one leading south to Ralls, is U.S. 62.

Armstrong, Briscoe, Crosby, Garza, Borden and Howard counties would have to bear some expense, for the majority of the route passing through these counties are designated as Farm-Market roads.

Two of the many advantages of a traveler choosing to take such a route are the scenic spots, such as the area around the Palo Duro and the future Mckenzie Reservoir will provide, and the time saved by not passing through Amarillo and Lubbock.

Advantages to the towns along the route are numerous also. The main one is the fact that the more people a town has traveling through it, the more people are likely to stop and purchase some sort of goods, fuel, or food.

Those who will definitely attend the meeting December 4, are A. L. Wylie, Jr., representing the Floydada Chamber of Commerce, Carl Plumlee, Bob Jarrett, Judge J. K. Holmes and possibly others from the Commissioners Court, and Mayor S. W. Rose, representing the City of Floydada.

Floydada And Lockney 4-H Clubs Share Gold Star Achievements

The Floydada and Lockney 4-H clubs each produced a per-

son that was a coveted Gold Star Winner, it was announced at the annual Achievement Banquet in Lockney Saturday night. The winners were Doris Favver, daughter of Mr. and Mrs. G. L. Favver of Floydada, and David Mitchell, son of Mr. and Mrs. R. S. Mitchell of Lockney.

The Gold Star award is given to the 4-H Club members who have been the most outstanding in the county in projects, leadership, and other achievements. The awards are not given to those who have been winners in the past.

At the Banquet first year awards were presented to Kay Russell and Karen Willis who tied for honors from the Floy-

dada club and to Joe Jones, also of the Floydada club.

Plaques for special awards were presented to Elaine Starkey, of the Sandhill 4-H Pete Gipson of the Lockney 4-H, Retha Jordan of the Floydada club, Beverly Pierce and Trudi Miller of the Sandhill club. The awards were for Favorite Food Show winners and Dress Revue winners.

For the Gold Star awards, that were presented by Bill Gunter the District Extension Agent of District II (Lubbock), it was noted that Doris has been active for six years. Her main contribution has been her outstanding work in leadership. She has attended camps in her leadership work. She has also

Merchants Give Gift Certificates

Floydada merchants will give over \$500 worth of gift certificates redeemable for merchandise of the winner's choice during Floydada's big Gift Bonanza which will begin here December 4.

The shopper may register his name and address at all participating stores and be eligible to win one or more gift certificates. Gift certificates will be worth \$10-\$15 each.

The Christmas giveaway program is sponsored by the Retail Merchant's committee of the chamber of commerce. Bill Hale is chairman of the Gift Bonanza.

Football Tickets Available

School businessmanager Dove Eaton reports that some reserved seat tickets and many general admission tickets are still available at the school's business offices downtown.

Whirlwinds Face Toughest Foe At Denver City Friday

The Floydada Whirlwinds, fresh from their best game of the season in downing a powerful Friona team face their season's toughest foe tomorrow afternoon at Denver City.

The highly ranked Mustangs, presently rated third in the state in AA, had a week's rest last week, so should be in top form when the determined Winds invade the city to the southwest.

Should the locals defeat the Mustangs, the 1964 Whirlwinds will have gone as far in the state playoffs as any Floydada football team has ever gone. Several times the Green and White has won district, then lost in bi-district, or go one step farther and lose in the regional playoffs.

The most recent district championship team, prior to this year, was in 1961, when the locals played Dalhart in the Buffalo Bowl in Canyon during a snowstorm and lost by a single touchdown.

In 1959, Floydada won the district championship and met Denver City in the bi-district clash. In that game, the Whirlwinds far outplayed the Mustangs in statistics, but lost the game on the scoreboard, which, of course, is what is counted first.

This was the last meeting of the two teams, and is why Floydada is playing at Denver City rather than on neutral field. Under the six-year rule

Veterans Land Board Wait List Has Been Completed

The Veterans Land Board, at its regular meeting held on November 3, 1964, adopted a Resolution providing that no more Veterans' names can be accepted on the waiting list to purchase land through the Veterans' Land Program. The Board determined that funds will not be available to purchase land for Veterans not presently on the waiting list.

Land Commissioner Jerry Sadler stated that those already on the list could expect to be reached before the program ends in December 1965. The Veterans' Land Board cannot use funds received after December 1, 1965, for the purchase of additional lands to be resold to Veteran-Purchasers of Texas.

Sadler further stated that by December 1, 1965, he anticipates that 35,000 Veteran Purchasers

will be bought land through the Veterans Land Program. Some 5,000 have paid their contracts off in full, and 7,500 have transferred their contract to a Veteran or non-veteran to date.

The Veterans Land Board will remain in existence to service the 30,000 contracts that have not been paid in full. Sadler stated that the Veterans Land Program was beneficial to the Veterans and the economy of the State of Texas, and that it will not cost the taxpayers any revenue for its operation.

Four Lockney Youths To Compete At Chicago

A try for another title honor is on tap for four Lockney High School boys as they compete in the International Livestock Exposition in Chicago, Ill., Nov. 27.

The competitors, Larry Golden, Bob Kropp, Neil Mitchell and Ricky Kellison, became the Texas State Champion 4-H livestock judging team during the state 4-H convention at Texas A&M in June.

Recently the quartet won fourth place in the national 4-H judging contest held in Kansas City. Golden was fifth high in individual scoring.

Enroute to Chicago, the group plans to practice judging at Oklahoma State University, Kansas State University, and Illinois State University.

After leaving Lockney Nov. 21, they will arrive in Chicago, Nov. 25. Competition is slated

Farm Income Seen At Record High In 1965

WASHINGTON — Income per farm and per farm dweller should reach record highs in 1965, the Agriculture Department said Sunday.

But the main reason is that both the number of farms and the total farm population will continue to shrink.

Department economists said the outlook for overall farm income in 1965 is for continued stability with realized net income about the same as the \$12.4 billion annual rate so far this year.

The department reported on the agricultural situation and the prospects for 1965 at the conference opened. The conference is essentially a fact-finding and fact-interpreting workshop at which the department takes an annual long, hard look at the economic health of the country from the standpoint of agriculture.

Farmers can look forward to another year of expanding demand for farm products, both domestically and foreign, the department said. Exports may total near the record of 1963-64 because of the large supplies available to meet overseas requirements.

Mr. and Mrs. Tommy Fullingim of Tucumcari, N.Mex., visited from Tuesday through Thursday in the home of Mr. and Mrs. J. T. McLain. Fullingim is a nephew of the McLains. They also visited in Dimmitt with Mr. McLain's sister, Mrs. Myrtle Williams.

Refreshments were served by Danny and Wayne Fancher. Recreation was led by Billy Finley and Lindsey Lovell.

The Club Christmas Party will be held Dec. 11.

Screwworm Outbreak Pose Threat To Texas High Plains

Screwworms detected in the High Plains Saturday, November 7, could pose a threat not only to other Texas Panhandle counties, but also to Oklahoma. This is the warning from screwworm eradication program authorities.

The screwworm infestation was reported 5 miles southwest of Clarendon in Donley County. This was the furthest north screwworms have been found this year, and the closest to Oklahoma, where the Livestock pest has been absent during 1964. An infestation discovered in neighboring Briscoe County in late September broke a 53 day screwworm-free period for Texas.

While eradication workers are confident cold weather will diminish any serious threat from further screwworm activity in the Panhandle, they are treating the infestation area through release of sterile flies. The first air drop of flies was to take place Tuesday.

However the danger may not be past. A continuation of the unseasonable warm weather experienced in the Southwest could present some spill over of screwworms into nearby areas. Therefore livestock producers in the Texas Panhandle and in Oklahoma counties adjoining the border are asked to stay alert for screwworms.

Animal wounds should be treated with preventive smeared and livestock should be examined regularly for infestations, says Dixon Hubbard, Area Extension Livestock Specialist. When infestations are found,

larvae should be collected deep within the wound and in water or alcohol specimens should be taken to Box 909, Mason, Texas. There, at screwworm eradication headquarters, the positively diagnosed arrangements for sterile flies are made if screwworms found to be present.

Farm Bureau Facts & Faces

RETURNING from Houston and the Texas Farm Bureau Annual Convention last Thursday and Friday were Mr. and Mrs. Neil Bertrand, Mr. and Mrs. Doodle Milton, Mr. and Mrs. A. C. Pratt, Weldon Smith, and Durrel Fortenberry. The Bertrands and the Pratts drove down, and the rest of the group flew down in Doodle Milton's plane. Also attending a part of the activities were Service Agent, Sam Puckett, and Adj. Glad Lynn Norman.

THE DISCUSSION MEET came into its own as a large group listened to six young finalists on Sunday night talk about "The role of the Federal Government in our farming future". These six young people were chosen from two panels of seven and eight held earlier in the afternoon. District II was proud that both of its contestants made the finals.

John Taylor, Crosby County, and Wendell Morrow, Lynn County, were most outstanding representatives of our area. Sherre Moller, District 13, Los Fresnos, was named winner of the Discussion Meet and John Taylor was named alternate. Sherre was also the Queen from District 13.

This discussion program should prove one of the most successful leadership development ideas in Texas Farm Bureau, thereby accomplishing the primary purpose of the Texas Farm Bureau Young People's Committee.

Juan J. Mendoza Gets Promotion

U. S. FORCES, OKINAWA (AHTNC) — Juan J. Mendoza, 22, son of Mr. and Mrs. Patricia Mendoza, Floydada, Tex., was promoted to private first class Oct. 19 on Okinawa where he is serving with the 1st Artillery.

Mendoza, a fire control operator in Battery D of the 1st Artillery's 8th Missile Battalion, entered the Army in February 1964 and completed basic training at Fort Polk, La. He arrived overseas last June.

Mendoza attended Oden High School.

ANOTHER OUTSTANDING innovation of this convention was holding the talent final finals as the entertainment portion of the Annual Banquet. A summary of Texas young people would find exceptional talent, intelligent and informed with ability to express themselves well, and beautiful girls with personality plus!

IF YOU WOULD like to see an outstanding example of democracy in action, attend a business session of the Texas Farm Bureau.

Floyd County had seven delegates this year. Number of delegates is determined by the size of the county Farm Bureau.

Time Of Year For Lice On Livestock

Farmers and ranchers in Floyd County should be on the lookout for the annual invasion of lice on livestock. These pests will again reduce the profits of many producers unless effective control measures are taken, says Richard Miller, county agricultural agent.

Miller suggests that all livestock producers obtain a copy of the Extension bulletin MP 691, "Texas Guide for Controlling External Parasites of Livestock and Poultry."

The publication is "chuck-full" of information on insecticides formulations and how to use them in controlling flies, lice, mites, ticks, fleas and cattle grubs. It contains a dilution chart for mixing sprays and dips and outlines control programs for beef animals and nonlactating dairy cattle, dairy animals, sheep and goats, swine, horses and poultry. The bulletin also offers suggestions for controlling house and stable flies.

To get a head start on lice this fall and winter, Miller suggests initiating a sound control program now. The above bulletin is a good guide for such a program and can be obtained at my office at no cost, he concludes.

Webster Rites At Lockney

Services for George H. Webster, 49, a longtime Lockney area resident who died at 2 a.m. Monday in Castro County Hospital, Dimmitt, were held Tuesday in Lockney First Baptist Church.

The Rev. Russel McAnally, pastor of the Friona Methodist Church, officiated, assisted by the Rev. Gene Hawkins, pastor of Lockney First Baptist Church. Masonic graveside services were held in Lockney Cemetery.

Webster was born at Myra, Tex., and came to the Lockney area in 1919. He was married to the former Miss Vada Teaver Jan. 14, 1940, at Lubbock. A lieutenant colonel in the Air Force during World War II, he was a member of the Scottish Rite of El Paso, the Shrine of Amarillo and the Lockney Masonic Lodge.

Webster also was a member of the Baptist Church, American Legion and Veterans of Foreign Wars. He was a partner in the Webster Gin, Lockney.

Survivors include his widow; two daughters, Mrs. Robert Carthel of Lockney and Mrs. Bill Dodson of Lubbock; one brother, V. L. (Kelly) Webster of Lockney, one sister, Mrs. Ernest Fowler of Lockney and two grandchildren.

Sterley Methodist Church News

The last three Sundays have seen two fair days and one that could well be called "banner" in attendance. Next Sunday is to be Retired Minister's Day. Offerings of the Conference as a whole for the work of these faithful men have been markedly higher in recent years.

The World Service leaflet to be distributed next Sunday is called, "People Who Walk In The Shadows", concerning those whose lives have been blighted in any one of a number of ways. It features work of the Board of Christian Social Concerns.

The only training on a district basis for church school workers this fall is to be held at First Methodist Church in Plainview at seven the evening of Tuesday, Nov. 24.

The district conference in early December has been changed from Hart to Dimmitt. Bishop Eugene Slater is to be the featured speaker. Those already ex-officio delegates by virtue of their office are: Mrs. Hansel Sanders, annual conference lay delegate; C. L. Mooney, district steward; Hansel Sanders, church school superintendent; and Gordon McCada, lay leader. The church will need to elect only two more Sundays remain in the Church Year. Kingdom-tide will then give way to Advent. Will Christians start pointing to the advent of the King of Kings? Or will Whirl be King, having deposed Zeus?

All board members were present.

ADDITIONAL PLANS FOR THE CHRISTMAS PAGEANT . . . were made last week when the general chairman, Mrs. J. T. Hodges Jr., far right, met with three of her committee women, Mrs. David Kirk, extreme left, Mrs. W. H. Simpson Jr., second from left and Mrs. Bill Curry, third. The Pageant, sponsored by the Andrews Ward PTA, will be presented December 11. (Staff Photo)

Homebuilders Meet With Mrs. Raymond Evans

Homebuilders Home Demonstration club met in the home of Mrs. Raymond Evans on November 10. Mrs. Leslie Fawver was in charge. The devotional was brought by Mrs. Evans and singing was led by Mrs. Floyd Fuqua. Members answered roll call with something good about the person sitting on the right. Club members prepared one of the turkeys served at the

4-H banquet Saturday night. It was announced that Irene Daniel received a blue ribbon from the district on her 4-H record book. The club members plan to send a carton of 24 jars of instant coffee to the Wichita Falls State Hospital for Christmas. Club's Thanksgiving dinner has been set for Nov. 20th at 7 p.m. in the council room for club members and their families. Their Christmas party is December 15. Gifts valued at \$1.50 to \$2 are to be brought at this time. The Sunshine committee will buy special gifts for the club. The program, "What Science

Has Learned About Varicose Veins", was given by Mrs. Evans, and "Retarded Children" by Mrs. Ernie Widener. Attending were Meses Raymond Evans, O. G. Mayfield, Ernest Kendrick, Shirley Race, Harry Reeves, Albert Mankins, John Walker, W. R. Daniel, Raymond Williams, Floyd Fuqua, Harmon Roberts, Elmer Norvell, Ernie Widener and Mrs. Leslie Fawver. The real hope of the world lies in men of good will, scattered throughout the world and not confined to any one area.

Annual PTA Christmas Pageant Set

Andrews Ward Parent Teachers Association will present their annual Christmas Pageant on December 11 at 7:30 p.m. in the high school auditorium, according to Mrs. J. T. Hodges Jr., general chairman. Students from the first, second, third, fourth and fifth grades numbering some 250 will present the program. Mrs. Cleo Whittle is stage manager and Mrs. David Kirk, scenery chairman. Others on the committee include Mrs. Billy Carmack, costumes for first grade; Mrs. Bobby Smith, second; Mrs. Bill Curry, third; Mrs. W. H. Simpson Jr., fourth and Mrs. J. W. Day Jr., fifth. Song leader for the program is Miss Carleen Roberts. Pianist will be Mrs. Len Davis Jr., and Mrs. Kinder Farris, narrator. Bob Copeland will give the welcome and Hollis Payne the benediction.

Auxiliary Busy With Hospital Sewing Project

Members of the Hospital Auxiliary are in a current sewing project of making needed items for patients in Peoples Hospital. They have just completed leggings for surgical and maternity patients, of which Mrs. Harold Ellison is temporary chairman. The Auxiliary has been performing many services for patients at the hospital and has been highly commended by the hospital staff. Some of their lighter tasks are letter writing, baby sitting, food package supplies to be sterilized, filling water pitchers and performing other minor errands for the comfort of the patients. One day a month the group helps the bookkeeper in keeping statements, assists in the immunization program once a month and have established a walking blood bank. Each member of the auxiliary works one day per month. At present there are 52 members, 42 of that number working members and three life members. Dues are \$2 per year for working members; \$3 for contributing members and \$50 life membership. The next meeting is set for December 1 at 10 p.m. in the Home Demonstration Council Room at which time new officers will be elected. All women of the community are invited to attend.

Grandparents include Mr. and Mrs. E. L. Ginn of Floydada and Mr. and Mrs. Loy Dalton of Littlefield. Great grandparents are Mr. and Mrs. A. L. Parrish of Antioch, Calif., and Mr. and Mrs. A. H. Nash of Lubbock.

Mr. and Mrs. Ralph Langley of Lubbock announce the arrival of a new son born Nov. 12. The baby weighed seven pounds and has been named John Patrick.

New Federation Project Told At Jr. Club Meeting

An interesting and unusual program was presented to members of the 1962 Jr. Study Club on November 10 by Mrs. Joe Taylor of Lockney, who is Junior Director of the Caprock District. Mrs. Taylor said the General Federation of Women's Clubs now have a new project, "Bell For Mexico". Through this project new pre-fab schools will be built in Mexico. These schools will be located in distant parts of Mexico which will make it necessary for teachers to have living quarters in the school. Gold bracelets with ringing bells will be sold to support the project. Mrs. Taylor informed the club.

She also spoke on the Federation, its purpose, goals and accomplishments. Mrs. Taylor gave ten reasons why a woman should belong to a club and why it is so important to Federate. The speaker was introduced by Mrs. Alton Higginbotham. Mrs. Elmer Williams gave the quote for the day and the Federation song was voiced by the group. A useful household hint was given as roll call.

During business the Christmas Card Fund Drive and the Mrs. Floydada Pageant were briefly discussed. It was also decided to have a Christmas gift exchange for secret pals on December 1 and a Christmas dinner and program on December 16. Member's husbands will be special guests. Mrs. Keith Thomas and Mrs. Jerry Bullock were voted in as new members after which the meeting was adjourned. Attending were Meses Bill Hicks, Melvin Lloyd, Elmer D. Williams, Henry Watson, Merle Stephens, Dean Morris, Roy Hodges, Alton Higginbotham, James Hartline, Max Harrison, James Hale, Ronnie Dalton, Kay Crabtree, Mike Carver, Harvey Allen and Miss Linda Bateman.

Ministers Affected By SS Changes

Congress recently made changes in the Social Security Act which vitally affect ministers of the gospel according to John G. Hutton, District Manager of the Social Security Office at Lubbock, Texas. The changes make it possible for many clergymen, whose time for electing social security coverage had expired, another opportunity to obtain coverage. The time during which coverage may be elected is relatively brief, Mr. Hutton emphasized. For most clergymen involved, the deadline date is April 15, 1965. Any minister, who failed to apply for social security coverage before the time for election expired, should contact the Social Security District Office at Lubbock, Texas, if he is now interested in being covered by the program. Contact should be made in person, by mail, or by telephone. Those living outside Lubbock should consult their postmaster to get the date the Social Security representative will be in their town.

Local Youth Attend Dallas Stock Show

Randy and Retha Jordan, children of Mr. and Mrs. James Jordan and Will and Lee Snor, children of Mr. and Mrs. C. L. Snor were among Floyd County youngsters attending the State Fair Stock Show in Dallas recently. Randy showed a spotted Poland China in the medium weight which placed 8th and a Poland China which placed 11th. Retha showed a Suffolk sheep which received a 24th place ribbon and a Hampshire barrow. Will showed two Suffolk sheep for an 8th and 10th place, a Hampshire which placed 12th and a Dorset which placed 14th. Lee showed two Poland Chinas which took 8th and 15th respectively and two Suffolk sheep which took ribbons for 12th and 18th places. Richard Miller, county agent, encouraged and assisted the children with their animals.

FFA NEWS

FFA CONTEST NEARING (By Larry Patton) The District FFA contests held in Plainview each year are set for Sunday, November 21 at 8 a.m. Divisions in the contest will include Junior-Senior chapter conducting; Junior quiz; Senior Farm Skill and Senior Radio Broadcasting. We will be rooting for Floydada to bring back more than one banner this year.

One interesting figure in the FFA Chapter this year is Franklin Harris, 17 year old senior, and in his fourth year of FFA. The chapter, football, and F Club are the only extra-curricular activities he participates in but he has a very active part in these. He is a tackle for the Whirlwind football squad and also enjoys baseball.

Being the advisor of FFA chapter he is well known by all FFA students, as "Fuzz". Franklin and his brother, George, have taken over their father's enterprise of hogs. The two are feeding out approximately 125 head which is Franklin's project for FFA. A record of each is kept by Franklin. Stones used to beat other stones into shape are assumed

Mrs. Robertson Gives Program For Garden Club

Mrs. B. A. Robertson presented an outstanding program on decorating with light to members of the Floydada Garden club of which she is a member also. The group met in the Robertson home for the demonstration Friday. Mrs. Robertson showed and illustrated many lovely candles artistically made in beautiful colors and decorations for any season. Among them was a wedding candle of white decorated with bells and flowers edged in gold, a beautiful Christmas candle with a white Madonna with dark green foliage and flowers. Mrs. F. A. McKinnis was leader for the program and introduced Mrs. Robertson. The business meeting was in charge of Mrs. Tom Porter, during which times notes from the Zone members were read and names drawn for the Christmas party. It was announced that new improvements were being made at the park. Visitors, Meses, Clay Henry, J. C. Wester, Carl Wilkins, Reba Yoakum and Jennie Gauntt were welcomed. Present for the meeting included members, Meses, D. W. Burke, R. E. Fry, S. D. Hunter, John Hoffman, Wilson Kimble, E. J. Morehead, Tom Porter, A. V. Stewart, E. F. Stovall, W. G.

Eastern Star Instruction School Held In Floydada

One of the largest assemblages of grand officers in recent years were present in Floydada on November 9 for the Annual School of Instruction in the Order of Eastern Star. Sixteen chapters of District 2, 3, 4, 5, and 6 were hosts for the event held in Masonic Hall in Floydada.

Theme for the gathering was "Autumn Harvest Session." The Hall was decorated with cornucopia of seasonal fruits and vegetables above each station. In the front a large bronze balance and the Bible were displayed.

The noon luncheon was held in the Colonial Home with Mrs. J. V. Pineham, Worthy Matron of the Floydada Chapter and Mrs. Ruth Damon of Hale Center, acting as master of ceremonies.

Petersburg Chapter, under the direction of Mrs. Janie Sims, gave the program.

The evening session opened with a drill by the officers of Silverton Chapter. The welcome program was presented by Worthy Matrons and Patrons of District, Section 3.

The fraternal visit by the Worthy Grand Matron, Mrs. Amy Goebel, was highlighted by her address to some 200 guests and members.

Among officers present were Mrs. Goebel of Waco; Mrs. Hattie Dowel Gilbert, member of the Necrology committee of the General Grand Chapter, Austin; Mrs. Ames Pollock, Grand Marshal, Marshall, Texas; Mrs. Sude Beth Hancock, Grand of Grand Chapter Benevolence; Billy Bible, Grand of Grand Trustees, Canyon; Mrs. Katharine Harbour, Grand Examiner of District 2, Shamrock; Mrs. Frances Herrin, Grand Examiner of District 5, Austin; Mrs. Margaret Jackson, District Deputy Grand Matron of Dis-

trict 2, Lubbock; Mrs. O'eta Dames, District Deputy Matron of District 3, Waco; Mrs. Betty O. R. District Deputy Grand Matron of District 5, Austin;

Mrs. Laverne Long, Deputy Grand Matron of District 2, Section 3, Silverton; Mrs. Billie Brown, Deputy Grand Matron of District 2, Section 4, Shamrock; Mrs. Eda Lee, member of Secretarial committee of District 2, Lubbock; Mrs. Ruth Damon, member of Credentials committee, Hale Center; Mrs. Allene Young, member of the Necrology committee, District 2, Turkey; Mrs. Flora McNeill, member of the Registration committee, Floydada;

Mrs. Janie Sims, member of International Chapter Good Will committee, Petersburg; Mrs. Mildred Armstrong, member of International Chapter Good Will committee, Earth; Mrs. Ruth Dunn, member of the International Chapter Good Will committee, Lubbock; Mrs. Lea Mae Whitechurch, member of the International Chapter Good Will committee, Crosbyton; Mrs. Robbie Yates, member of International Good Will committee, Stratford; M. Christmas Card Fund Drive Is Now Underway

The second annual Christmas Card Fund Drive sponsored by the 1962 Jr. Study Club, is getting underway this week.

Last year the drive was reasonably successful even though the club had a late start on the project. The drive aided the Special Education classes in Floydada during 1963-64 and has aided the hospital in its community project for 1964-65.

Each citizen is urged to contribute their Christmas card money usually spent for area friends and relatives, to the drive. Last year many business firms took this method to wish their customers a "Merry Christmas."

Names of each contributor will be published in the Christmas edition of the Hesperian.

Last year's fund was used to buy needed items for the Special Education children such as a bow making machine, a large loom, set of graded level books, records, charts and materials for handicrafts.

Parties and picnics have been in store for each class during the year such as a bowling party, out of school picnic, Easter egg hunt, games and Christmas party with stuffed stockings.

The sponsoring club consists of members with young children and the project is very time consuming, however each member has been rewarded with much pleasure and enjoyment in benefiting these classes. Anyone wishing to contribute to the drive may call for your money to be picked up or mail your check to Mrs. Dean Morris, publicity chairman, 2008 East Joffe, YU 3-3711; Mrs. James Hale, chairman of Special Education, YU 3-3840 or Mrs. Henry Watson, YU 3-3221. Other members of the club will also be happy to pick up your contributions if they are contacted.

1962 JR. STUDY CLUB MEMBERS . . . make preparations for the second annual Christmas Card fund starting this month. Above from left to right are Mrs. Henry Watson, committee

member, Mrs. James Hale, chairman of the Special Education class in Floydada, and Mrs. Dean Morris, publicity chairman. (Staff Photo)

Producers Stockholders Meet Tuesday

The annual Stockholders meeting of the Producers Coop Elevators of Floydada and Dougherty, will be held next Tuesday night, November 24 at 7:30 p. m. in the High School Cafeteria, according to H. P. Bertrand, secretary of the organization.

The featured speaker will be Nelson Burton, a farmer of Sunray, Texas.

Two drawings for the "ladies only" will be held, one for a \$50.00 savings bond and one for a \$25.00 savings bond.

An audit report, election of two directors, and refreshments at the close of the meeting will be other featured activities, according to Bertrand.

Bennett Rites Held In Kress

Funeral services for W. A. (Bill) Bennett, 63, Lockney area farmer, were held yesterday in Kress Baptist Church.

Bennett died Monday night of injuries received Sunday in a two-car collision near Cleburn. He had farmed north of Lockney the past 40 years.

Survivors include the wife, three daughters, Mrs. Joann Young, Kress, Mrs. Chloe Carley, Orange, Calif., and Mrs. Reba Freeman, Miami, Okla.; a son, Dale of Lockney; five brothers, four sisters, and his mother, Mrs. O. L. Bennett, Plainview.

SISTER OF RAY HOLCOMB DIES

Word was received yesterday of the death of Ray Holcomb's sister, who died unexpectedly in Lubbock late Tuesday night. Holcomb is employed at Reed Ford Sales in Floydada.

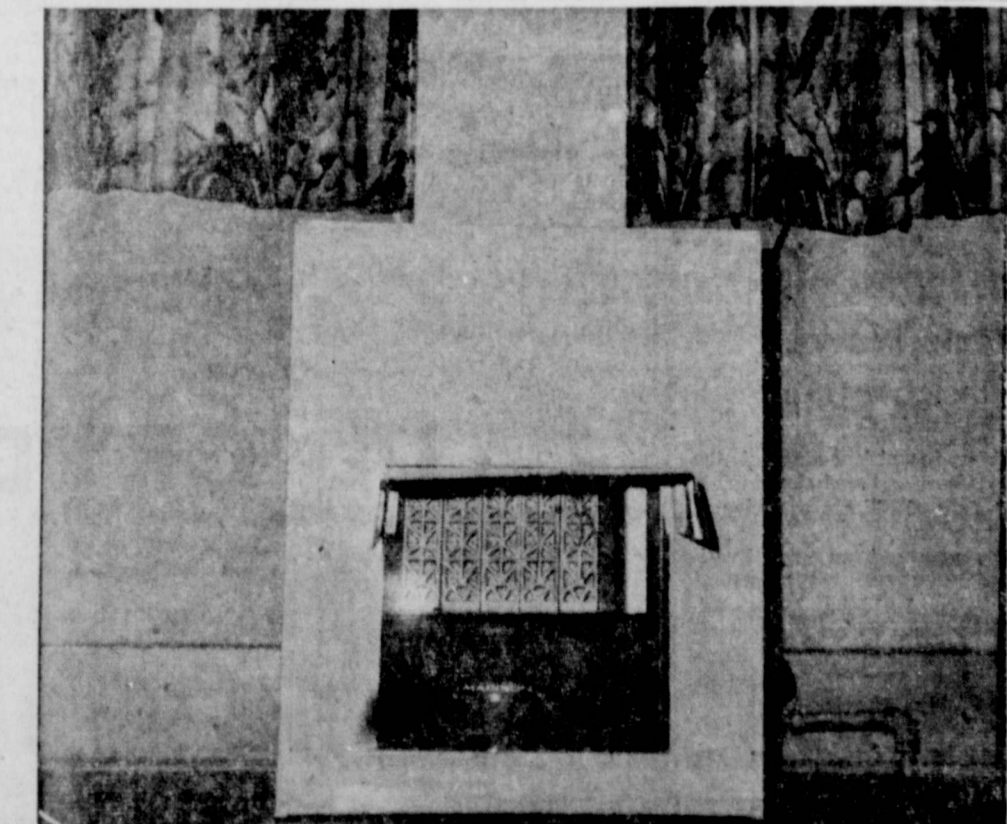

His sister had undergone heart surgery some two months ago and had recovered from the operation, friends said. Death however was attributed to her heart condition, they related.

Those missing seven games were Claude Weathersbee, W. O. Newberry (on two separate entries), Bobby Britton, A. W. James, Odell Breed, Harvey Allen, Grady Freeman, C. K. Hatley, Wayne Collins, Dewey Moore, Mark Estes, Ronnie Hill, Joe Noland and S. E. Sparks.

THIS HEATER IS HOT! . . . L. A. Marshall's new heater is pictured above . . . the most efficient plan yet devised for heating the home. This heating plan encloses your heating stove in a metal housing . . . with a chimney up to the ceiling and a 12" fan in back, that pulls the under ceiling heat and blows it through the stove. This ceiling heat is around 100 degrees, while the floor is around 60 degrees. This makes the heat that is blown out on the floor 40% hot-

ter, or in other words, makes your heater twice as hot. A medium size clay back stove with the under ceiling heat will heat a large room. It saves you about half your heating bill and the cost of operation is a penny for 10 hours. I make these heating housings to fit your present stove. When it is convenient, stop by 602 S. beneficial in so many ways. I wore a love button during the Methodist revival last spring. In fact many of us tried a "hundred days of love." The love button that is going around Floydada now is red with the words "I Love" and the card to which it is attached reads: "This is the button for PEOPLE WHO LIKE PEOPLE. . . we believe that most people do. Unfortunately, there are scattered groups who don't. These HATERS are vocal, demonstrative, and usually organized for political purposes. "We aren't a bit political." "We aren't even organized." "We are just individuals who hope that you will wear this button in a proud and positive way, to prove that you are progressively FOR something, and that you have love and understand-

ing for the problems of our country, as well as the rest of the world." "Please wear yours . . . maybe someday everybody will!" A YEAR ago this Sunday, one of the most dreadful incidents in this nation's history occurred in Dallas, Texas. The Kennedy family and this nation lost its great president John F. Kennedy. It hardly seems a year ago and many things have happened since his death, yet it behooves all of us to pause this Sunday and remember this great man who gave his life in service of our country. Our heartfelt sympathy goes to the thousands who knew President Kennedy personally . . . and especially to his wife and children who I am sure miss their daddy and husband so much. The successful man has the ability to make himself, as well as others work.

Whirlwinds

(Continued from Page 1)
the teams alternate home fields. Had it been more than six years the two teams would play in a neutral territory. Five years earlier the Winds won district and met Phillips for the bi-district title. The Blackhawk defeated the Winds. In 1952, one of the few times Floydada has advanced as far as regional, the locals defeated Phillips for the bi-district crown and lost in the regional playoff to Childress. The defeat was one of the worse a Whirlwind team has ever suffered. When the locals take the field Friday afternoon they will again be outweighed, as they have been all year, however, only a few pounds per man will separate the two teams. Some of the Winds were facing Friona boys outweighing them as much

as sixty and seventy pounds last Friday night. **School Dismissal** According to Superintendent of Floydada Schools, A. E. Baker, schools will be dismissed Thursday afternoon and will not resume again until Monday morning. The Denver City schools are taking a half holiday, by dismissing classes at 11:30 a.m. for the bi-district battle. There was talk around Floydada earlier in the week about declaring tomorrow an official holiday and closing the businesses, however, it would be impossible for several firms to close their doors entirely. Few people are expected to be in Floydada Friday, whether businesses are open or not. **Chartered Busses** By Monday afternoon enough commitments had been received to completely fill one 39-passenger bus, and several had indicated another would be wanted. The price for the round-trip on one of the busses is \$4.61, if the bus is filled. If only 29 go, the price per person would be \$5.12. As many as 43 can be loaded onto one of the busses. Anyone who may be interested in going on one of the busses should contact the Floydada School Business Office prior to 5 p.m. this afternoon (Thursday).

BALE COUNT

Although the total amount of bales ginned in Floyd County jumped almost 50% over the previous week, the total is still behind the amount ginned at this time last year. According to the Texas Employment Commission's figures, the county has ginned 21,316 bales as of last Friday, and one year ago 27,723 had been processed. Floyd County is still leading the four-county area in the total amount ginned, however, the county is only 2,000 ahead of Hale who has 19,102, compared with 13,914 last year. The four-county total stands at 45,822 compared with 50,522 at this time last year. It is expected that next week's report will show very little increase over the report this week because of the inclement weather. The cotton harvest had come to a standstill by Monday morning.

Hesperian Out Early Next Week

The Floyd County Hesperian will be published one day early next week so those subscribers on the routes may get their papers before the Thanksgiving holidays. All rural correspondents should note that the deadline for their news will be Monday at 12 noon that week. The deadline for classified advertising and general news items will be moved from Tuesday at 5 p.m. to Monday at 5 p.m. Please note these deadlines so the staff of the Hesperian can give you the best service on your ads and your news items.

Floyd County Looks For 1st Killing Freeze

The Floyd County area to this date has not received a killing freeze. Although the thermometer has dipped down to the 31 and 32 degree mark, it has not been hard enough, and has not stayed at that point long enough to give tomato vines a good burn. The latest first freeze date on record occurred in 1934 when the area received its first freeze on November 22. The earliest first freeze came on October 7, 1952. Last Friday morning people in some parts of the county reported that thin layers of ice had formed on open water troughs, but the temperatures did not linger at the low mark for any extended time. Today November 19 misses the all-time latest freezing date by a mere three days. If a killing freeze does not come before Sunday at midnight, a new record will be set. According to weather prognosticators, the same type weather the area has been experiencing the past few days is expected to continue through the remainder of the week. As long as the low overhanging clouds linger

Pancake Event Termed Most Successful

The Aunt Jemima Pancake Supper held last Friday and sponsored by the Floydada Baseball Association was termed "very successful". According to reports, the Association grossed \$819.50, \$762.27 of which was net profit and was applied onto the Association's note. The balance on the note now stands at \$240. The members of the association express its thanks to each one who contributed in any way to make the event so successful. The Pancake Event Selling Champions were Mark White, Steve Hendrix and Randy Jordan.

According to one spokesman, the group didn't serve many people after the game was over. It was mentioned that had Friona won the game, several of those people would have gone by and eaten before starting on the long journey home. However, the Friona fans weren't too hungry after the game was over. It was not known exactly how many tickets were sold, but some estimates ran as much as 900 and more.

COGDELL

(Continued from Page 1)
at his home south of Snyder. Cogdell, 80, was known mainly through the Cogdell Memorial Hospital here, which he helped build, and through numerous other gifts of land and money to aid in medical and church projects. **Mississippi Native** Services were conducted Monday at Trinity Methodist Church with the Rev. Elton Wyatt, Petersburg, a former pastor of Trinity, and the Rev. Ross Dunn, current pastor, officiating. Burial was in Snyder Cemetery under direction of Bolger Funeral Home. A native of Holly Springs, Miss., Cogdell moved to Palo Pinto County in 1890, and lived in Taylor County prior to moving to Scurry County in 1919. He was the son of a Methodist minister. In 1919, Cogdell married Jernye Tate Oldham in Abilene, and the couple had resided in this area since that time. **Gave Land** In addition to his major contribution to the construction of Cogdell Memorial Hospital here, the rancher built the Trinity Methodist Church, of which he was a member, constructed the Martha Ann Woman's Club here, built a doctor's clinic and a nurse's home. He also gave the land where the Trinity Lutheran Church here is located, and established an endowment for the Scott-White Medical Center in Temple.

At the time of his death, Cogdell had ranching interests in Taylor, Scurry, Kent, El Paso, Fisher, Briscoe, Armstrong, Cottle, Childress, Castro and Floyd counties. He also was active in a drilling firm. Recently, Cogdell also donated land for a convalescent home to be built in Snyder. Survivors include his wife two daughters, Mrs. Jonisue Bowden and Mrs. Charlotte Etgen, both of Snyder; three sons, D. M. Cogdell, Jr., Floydada, William M. Cogdell, Silverton, and Marion Cogdell, Los Angeles; a sister, Mrs. E. T. Pitzer, Abilene; four brothers, R. G. Cogdell, Holland Cogdell and Earl Cogdell, all of Abilene, and W. A. Cogdell, Snyder; and 11 grandchildren.

Pallbearers were Jake W. Phillips, Sterling Williams, Dr. Thomas F. Hartley, Dr. Carl A. Dillaha, Dr. John W. O'Bannion, Gene Dulaney, John Boren, Horace Holly, Ernest Pitzer and Frank Floyd.

Toastmasters Elects New Officer Slate

At a recent meeting of the Floydada Toastmasters Club, a new slate of officers was elected by the group. The new officers are: President-Guy Ginn, Educational Vice President-John Moss, Administrative Vice President-John Reue, Secretary and Treasurer-Don Cheek, Sergeant-at-arms-Weldon Harris. At the 1964 Toastmasters International Convention in Denver, the delegates voted to lower the minimum age for members from 21 to 18. This means that young men 18 years of age may take advantage of Toastmaster training. Tonight's meeting will be held in the First National Bank at 7:30 p.m.

Murder Charge Filed Against Floydada Negro

Charges of murder have been filed against a 28 year old Floydada negro, Joe L. Coleman, who is now in custody here with bond set at \$10,000. The victim was Walter Payne Hall, 34, who was dead on arrival at Peoples Hospital Sunday morning about 3:15. Hall was employed by Fred Jackson, Sandhill farmer, according to reports from the sheriff's office. Investigating officers said the men were at the Ben Pate's place in the flats when the shooting took place. They said the argument which led to the shooting, was over a money matter. Funeral rites for Hall were conducted yesterday near Henderson, Tex., where the deceased formerly lived. Survivors include his wife; two children; one stepchild; one brother and three half brothers.

The Royal Service meeting of Baptist WMU was held at the South Plains Baptist Church Tuesday afternoon with a program titled, "Korea, Ready for Religious Changes." Mrs. Murray Julian, program chairman, gave the introduction, followed by Mrs. Kendis Julian who spoke on "Korea, Land of Morning Calm." She showed color slides which Kendis Julian had taken while in army service in Korea, and gave personal notes about the people, mode of life, what Kendis had seen. A beautiful slide with the Mountains in background of Seoul, capitol of Korea, was shown while Mrs. Fred Fortenberry told of cities in Korea and mission work there, and she also gave the calendar of prayer. Mrs. Sealy Smith read a benediction. Mrs. J. P. Taylor led the singing and Mrs. Bryan Karr closed the meeting with prayer.

Mr. and Mrs. Frank McClure and Mr. and Mrs. Willie West of Silvertown arrived home Tuesday night from Graham where they had been for Mr. West to take a round of baths there at Graham. Mr. and Mrs. McClure visited at Irving with her sister, Mrs. Eddie Brarich, who has been ill, and with her family.

The 4-H Achievement Banquet was held at Lockney in the new grade school Saturday night at 7 o'clock, Nov. 14, with 4-H members and their families attending. The children received their year pins, and recognition pins. Turkey, dressing and all the trimmings was enjoyed by everyone and those attending from here were Mrs. Sealy Smith and Sharon, Mr. and Mrs. Leighton Teeple and Rhonda, Mr. and Mrs. J. P. Taylor and Katie, Mr. and Mrs. E. J. Kin-slow, Steve and Phil, and Mrs. Bryant Higginbotham.

Wind and dust covered our area Wednesday, Thursday and part of Friday, and some cotton began to string out in the stormy weather, then the rain which is coming down heavily this Monday will certainly hurt the open cotton.

The Pink and Blue shower which honors Mrs. Gary Wilson and small daughter will be held in the home of Mrs. L. T. Wood on Friday afternoon at 2 p.m.

Mr. and Mrs. J. P. Taylor, Katie and J. Ronald were in Quitaque at the home of Mrs. Taylor's parents, Mr. and Mrs. Truman Merrell for dinner with their family Sunday at noon.

Mr. and Mrs. Alvin Nichols went to Lockney Sunday to share in a birthday dinner for Mrs. Freddie Joe Ivy, with the dinner being given in the home of her parents, Mr. and Mrs. Johns Cox. Other guests for the birthday dinner and the pre-

Thanksgiving get together were Mrs. Ivy and family, Mrs. Pepper Martin and Charlotte of P-w, Mr. and Mrs. Max Marble, Larry and Marlin and the Nichols family.

Mr. and Mrs. Robert Reeves and children went to Littlefield Saturday afternoon to visit in the home of her sister, Mr. and Mrs. Roy Klobner and family.

Rev. Isaias Longoria has taken a class at the South Plains School, and is teaching first, second and third grade pupils, mostly from Mrs. Joe McClendon's room, and the new classroom is being held on the stage of the auditorium, due to lack of space. This is a fine thing for pupils and teachers alike as rooms were crowded.

Kenneth Bean, his sister, Mrs. Philip Smithman and their mother, Mrs. J. K. Bean all went to Brownwood last Monday and spent the night visiting Kenneth's and Mildred's grandmother, Mrs. Susie Bean, who was 89, Oct. 22. She had not been very well, but is able to be up some, and they were also happy to get to visit with their uncle, George Bean, who was visiting Mrs. Bean from Detroit, Mich. It had been 13 years since Mrs. Smithman had seen him. Mrs. Susie Bean lives with two widowed daughters in Brownwood and it was such an enjoyable trip for all the relatives.

Mrs. Early Pritchett, on the Silvertown Highway, entertained with a bridal shower for Miss Willie Mae Woods, of Quitaque, bride-elect of J. Ronald Taylor on Thursday afternoon, Nov. 12, from 3-5 p.m.

Assisting with hospitalities were Meses Bryant Higginbotham, L. N. Johnson, L. T. Wood, E. J. Kinslow, Grigsby Milton, Murray Julian, Frank McClure, Arby Mulder, Bryan Karr, R. H. Adams, Dock Jones and Mrs. Roy Burks. The table was laid with a white linen cloth, and centered with an arrangement of white carnations. Ironstone tea and coffee service with china appointments were used, and Mrs. Adams and Mrs. McClure served cake squares decorated in white with coffee and spiced tea. Hurricane candles graced the refreshment area. Blue and white colors were used in decoration. Mrs. Julian presided at the brides register.

Hostess gift was stainless steel cookware.

Guests include the bride-elects mother, Mrs. W. W. Woods, her sisters, Mrs. JoEdd Smith, and Chloee Woods, all of Quitaque. The groom-to-be mother, Mrs. J. P. Taylor, his sister, Mrs. Joe Taylor of Lockney, and aunts, Mrs. Truman Merrell, Mrs. Walter Taylor, Mrs. Wayne Piggs, and other relatives, Mrs. Josie Taylor, Mrs. Bryon Brock of Lockney and Mrs. Arthur Edleman of Estelline.

The young couple will marry Saturday, Nov. 28, in the First Baptist Church of Quitaque.

Shannon Bishop of Stamford spent the past week end here as guest of the Philip Smithmans, Mark and Monty.

Raymond Reeves is expected home this Monday night, and his wife is hoping he brings a deer! He left Friday morning for Ozona, Tex. to go deer hunting. Her mother, Mrs. Bruce Gibson of Turkey is staying with Mrs. Reeves and children while Raymond is away.

Mr. and Mrs. Ronnie Upton spent the past week end here visiting with Ronnie's parents, Mr. and Mrs. Raymond Upton and Jimmy, and they also were in Floydada with her folks, the Louis Blains.

Mr. and Mrs. Mike Wood went to Lubbock for a dinner invitation Thursday afternoon, and were pleasantly surprised by a group of friends, who presented them with many beautiful wedding gifts.

Mr. and Mrs. L. N. Johnson and children went up to Amarillo Sunday to visit her father, Carl Daniels, at St. Anthony's Hospital, who is recuperating from a major operation, and on Friday he was not feeling so well. This Monday L. N. spent

ASCS News

ACP PROGRAM: Funds are available for carrying out practice E-4 "Application of Cotton Burs" provided you have not earned \$20.00 (the maximum that can be earned in Floyd County under the 1964 ACP Program). The practice must be reported as completed by December 31, 1964 in order to earn cost-share on this practice will not be included in the 1965 ACP Handbook. The burs may not be turned under until March 1, 1965.

GRAZING OF 1964 DESIGNATED DIVERTED ACRES under the Feed Grain and Wheat Programs is permitted without reduction in 1964 payments effective October 9, 1964. Please keep in mind that grazing of Soil Bank land in Floyd County is not permitted under any circumstances.

BURNING COVER CROPS: The ASCS State Committee has determined that deliberate burning of any crop residue, other than flax, violates reasonable conservation principles and will be considered a practice tending to defeat the purpose of the program.

Under this determination, all or any part of cost-shares which otherwise would be due the person who caused the burning, under the program in which the violation occurred, may be withheld or required to be refunded.

NOW HEAR THIS: If you have an interest in more than one farm, either as owner or operator, in 1965, and plan to participate in the wheat or feed grain programs, all farms must plant within the wheat allotment or feed grain base if you expect to earn program payments on any of the farms. Simply stated, the government will not pay you to reduce acreage on one farm if you overplant your allotment on another. This applies to all farms, whether out of county or out of Texas, either farmed by you or rented out. If you have any questions about your eligibility, please call this office. Your check may depend on it.

NOTICE OF CLOSING: The ASCS Office will be closed on the following dates:
November 11, 1964—Veterans Day
November 26, 1964 — Thanksgiving Day.

Very truly yours,
Thomas J. Hutehins,
Office Manager

New Dispatch Time Released

Dispatch time for all OUT OF TOWN mail went into effect Saturday, November 14, 1964. Postmaster Ed Wester said, he wanted to remind the merchants again, that the last dispatch is 5:00 p.m. Monday thru Saturday instead of 6:00 p.m.

A selective check was made after 5:00 p.m. on Monday and it was found that about 100 business letters and reports failed to be deposited by 5:00 p.m. The postmaster said, he must call on his business firms to mail early in the day, perhaps at noon as some employee goes to lunch and again at afternoon coffee time. He said, something must be done to prevent all of the days mail from coming to the Post Office at the 5:00 p.m. deadline.

All mail that reaches the office at 5:00 p.m., too late for processing, will be placed in a sack and sent to the Childress sectional center, this mail will have a Childress, Texas, postmark.

Deer Dressing Pamphlet Now Available

With deer hunting season just around the corner, hunters may be interested in a new leaflet, "Field Dressing a Deer", now available at the county agent's office.

Since quality venison depends primarily on how the deer is handled from the time of the kill until it is placed in the freezer, field dressing is important, says Richard Miller, County Agricultural Agent.

Leaflet L-634 gives one method of field dressing and skinning a deer. However, points out Miller, any method resulting in a clean, well-bled carcass is satisfactory. Unpleasant experiences with venison usually result from lack of care before the meat reaches the kitchen, he says.

Information in the leaflet has been provided by Wallace Klusmann, Extension wildlife conservation specialist, and by the Texas Game and Fish Commission.

Another publication that should be of interest to hunters and housewives during this hunting season is "Extension Bulletin, B-987, "Wild Game Care and Cooking." It offers many suggestions for preparing delicious dishes of venison as well as other wild game meats. This bulletin is also available at the Extension office in the Agricultural Building in Floydada.

First Turkey Shoot At Happy Union Nov. 21

Continued activity in the Happy Union Community, 10 miles south of Plainview on highway 400 was noted this week as preparation was underway for the community's first annual turkey shoot, Saturday, November 21st. Shooters are expected to participate from all surrounding areas. Participants will have a chance to test their skill at clay pigeons, rifle bulls eyes, as well as still targets with shotguns, according to Pepper Martin, who is in charge of arrangements.

The turkey shoot is sponsored by the Happy Union Community Association. Proceeds from the shoot will be used to refurbish the community center building which has been completely sacked by burglars on two different occasions. In addition to the purchase of furniture, proceeds will be used to offset the expense of maintaining and improving the community center, paying for electricity, butane fire insurance, etc. Recent improvements in the building include new interior paint, steel bars on the windows, and steel doors. Plans call for the construction of picnic equipment and picnic facilities.

here, there have been several calls at the churches in the city for clothing. The type clothing includes almost everything from shirts to shoes.

If anyone has clothing that is not needed it should be taken to one of the places named above. The people at the distribution center . . . all volunteer workers . . . request that the clothing be cleaned, or at least laundered and wearable. Clothing not necessarily needed, such as women's hats, high-heeled shoes, and men's ties usually just cause difficulty in handling of the needed clothing.

At a recent meeting held in the Methodist Church, a nominating committee, consisting of Jedd Blessing, Raymond Asebedo and Mary Shaw, was appointed to select six members to serve as the board of directors.

Last Friday the nominating committee reported to the group and the following names were

submitted to be the board of directors: Mrs. Wesley Carr, Mrs. C. B. Lyles, Rev. Paul Link, Rev. Raymond Asebedo, Wayne Brown, Farris Wilson, and Gladys Ruth Badgett. The nominees were accepted by the Committee.

The board will be the governing body of the group henceforth and will lay the foundation for the permanent organization. The by-laws, rules and policies will be made by the group.

A method of record keeping for the Charities was discussed at the meeting last week, and Rev. Charles Lutrick, who is in charge of the project, explained his ideas on the subject and showed the forms to be used by the group.

It was noted once again that the time of distribution at the center would be from 2:30 until 4:30 p.m. each Tuesday and Thursday afternoon.

The room in the courthouse is nothing fancy, it was mention-

Youth Of FMC To Collect Toys

Youth of the First Methodist Church are sponsoring a toys for Christmas drive. Collection day has been set for Saturday, Nov. 21 and Saturday, Nov. 28th from 1 until 3 p.m.

Old toys which can be repaired will be collected and distributed to needy children.

If you have toys to donate call Mrs. Harold Ellison, YU 3-3396 on week days or the First Methodist Church, YU 3-3707 on either Saturday afternoon.

The youth will welcome any toy, dolls, trucks, wagons, tricycles, etc. Toys will be repaired and repainted by the youth of the church. They will then be distributed through various agencies in the community.

You are asked to go through toy boxes and other storage places for discarded toys in order to help make a Merry Christmas for some other child.

Four Rural Accidents In Floyd County

There were four rural traffic accidents in Floyd County during the month of October according to Sergeant D. S. Lawson, Highway Patrol Supervisor of this area.

From these crashes four persons were injured and an economic loss due to property damage amounted to \$4,700.00.

Summarizing rural traffic accidents from January through October of 1964 the picture shows 55 wrecks, one dead, 39 persons injured and \$50,217.00 in property damage.

Whirlwinds Overpower Friona In 7-6 Tussle

Floydada Scores On First Play Of Game

The Floydada Whirlwinds put forth their best effort of the year Friday night at Wester Field as they downed a tough Friona team 7-6 in a battle for the district crown. (The locals play at Denver City tomorrow afternoon at 2 P.M.)

A great defensive battle between the two determined teams saw scoring only on the first play from the line of scrimmage and two field goals, one in the second and one in the third quarter.

Although the scoring was held to a minimum, the game held several thrills in spectacular runs, passes, blocks and punts.

The Floydada team managed only 86 yards in the game while Friona amassed 252. However, the Floydada punting game kept the Chiefs in a field position away from the Whirlwind goal line for most of the game.

Friona won the toss of the coin and elected to receive. McNeill's kick was touched by Jim Sneed on the 20, but the ball slipped loose and rolled toward the goal. Milton Hargan tried to field the ball on the five, but the elusive pigskin slipped from his hands and Derril Munday covered the ball for the Winds on the Friona 2 to set up a first-and-goal from that point.

On the first play from the line of scrimmage, Sammy Watts hit right tackle for the six-pointer. McNeill converted the extra point and with only 30 seconds gone in the game, Floydada had control of the game with a 7-0 lead.

McNeill's kick was fumbled by Danny Murphree on the three but he was able to hang onto the ball and move out to the 26 before he was brought down by a host of White-Jerseyed tacklers. A clipping penalty against Friona moved the ball back to

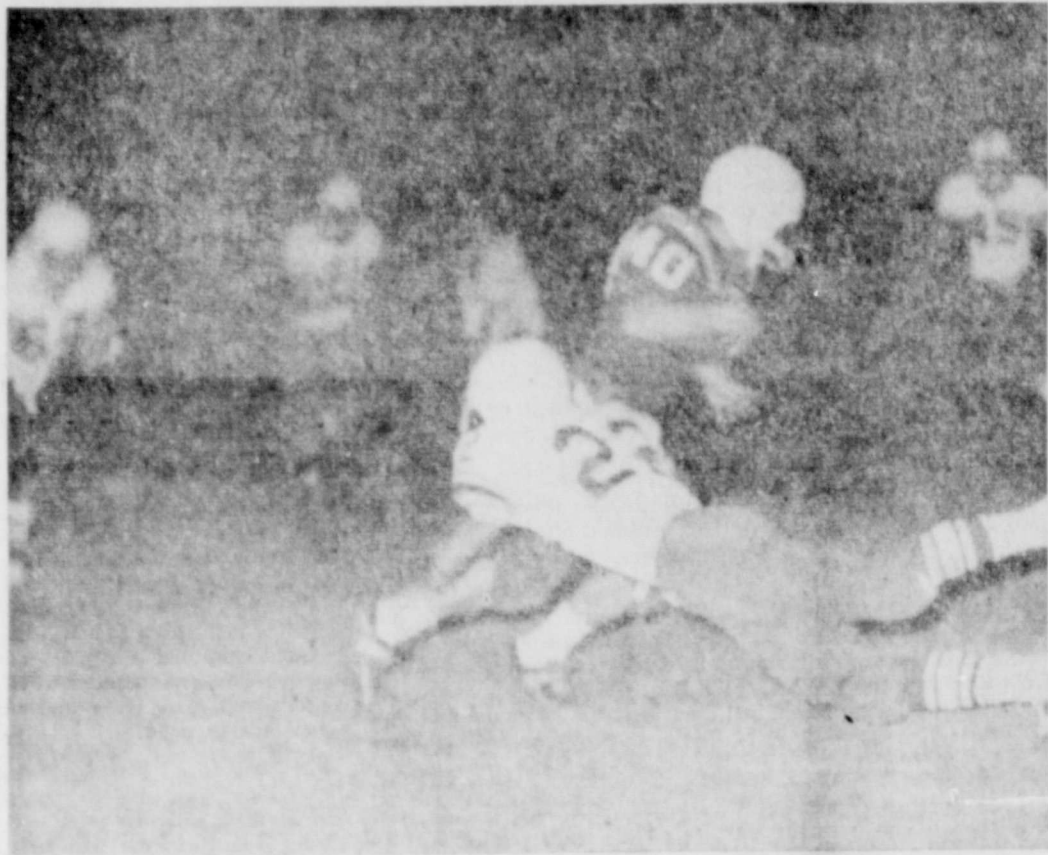

the 13. Two series of downs passed with neither team able to move against the other except by punting. A 28 yard punt by Ray Braxton gave the Winds a first and ten on the Friona 43. However, the locals were thrown for two losses in a row, and facing a fourth-and-sixteen called on Teague to do the punting. The ball was killed by David Lutrick on the Friona 16.

On first down, Sneed took the ball around his left end, cut back against the flow of the defense, and was finally hauled down, after a brilliant run, on the Floydada 18, where the Chiefs had a first-and-ten from that point.

On the first play from scrimmage, Sneed hit left end again, and was shaken loose from the ball. When the dust settled McNeill had recovered for the Winds on the 12-yard line.

The Winds were able to pick up a first down on the 23 after runs by Osborn, McNeill, and Teague. However, the Friona defense stiffened and four plays later Teague was forced to punt. He got off a booming kick that was fielded on about the ten yard line by Sneed, who was hit immediately by Derril Munday causing him to fumble, but the ball was recovered by a Friona player on his own four-yard line.

On the next series of downs, Friona was able to pick up another first down as they moved the ball from the 4 up to the Friona 18 in two plays. However, the Chiefs couldn't move the Winds any further and Braxton kicked out to the Friona 47. Floydada was able to run only one play before the first quarter ended with the scoreboard showing Floydada-7 (See WHIRLWINDS, Page 6)

AND THE MIGHTY DODD WENT DOWN — A runner with all-state potential, Doug Dodd (40) is shown being brought down by James McNeill in last Friday night's game between Floydada and Friona. Bill Potts (62) Steve Marler (21) and

Stoney led the locals with 14 points, and Hozie Jackson and Wilbur Bonner sank 12 each. Willie Simon sank 9 for the locals, while Robert Coyle got 6 and Tommy Collins 2.

Paducah's all-star, T. C. Rockyman led his team with 25 points followed by Billy Brown with 13, Eddie Moore had 9, Johnny Austin 7 and Bobby Moore 3. Bobby Moore's only points came in the closing seconds, and he accounted for all of them from the free-throw line to win the game for his team.

Memphis
Ruby Stoney accounted for 38 points for the Hornets in the 52-3 victory against Memphis last week. Kathy Heaton had 8 points and Shirley Minner 6 to reach the 52 points. I. Garrett sank 1, and A. L. Henderson 2 for the 3 points scored by Memphis. Wilbur Bonner and Hozie

Lockney Longhorns Fall To Abernathy Crew, 19-14

Halfback Pat Hale blasted for 70 yards on Abernathy's first play from scrimmage and scored twice more here Friday night in leading the Abernathy Antelopes to a 19-14 victory over the Lockney Longhorns.

The win, Abernathy's first in District 2-AA play, kept the Antelopes out of the district cellar.

Mike Tannehill's conversion put Abernathy ahead but Lockney came back for an 8 to 7 halftime lead when Halfback Charles Smith went two yards in the second quarter. Halfback Roger Dorman ran the two

points. Abernathy regained the lead in the third quarter on a 42-yard pass from quarterback Lane Wade to Hale. Tannehill kicked again. The Antelopes got their final TD in the last period on a 20-yard run by Hale. A run for the points failed.

Lockney's second touchdown was on a 15-yard run by Dorman, a 144-pound senior. Dale Galloway's kick for the extra-point was blocked. He and end Paul Barker were the Longhorns' defensive standouts. Wade and guard Barry Selke were Abernathy standouts.

HERE ARE THE OPPONENTS — The highly ranked Denver City Mustangs are shown above in game uniform waiting to take on the Mighty Whirlwinds at Denver City tomorrow afternoon. The team members are, left to right, first row: Roy Jay Henson, Capt. Mike Noble, Harold Shannon, Jimmy McConnell, Jimmy Young, Jack Sprawls, Keith Hill, David Mitchell; second row,

Mike Bickley, Mike Shart, Capt. David La Capt. Jerry Martin, Capt. Dennis Morgan, Brown, John Groves, Johnny Holland, David O'Keefe; third row, trainer Morris Floyd Taylor, C. L. Faubus, Chip Bennie Morgan, Billy Childers, and Danny. (Photo courtesy Denver City Press)

are were sophomores. However, the final drive of the Chiefs was halted when an aerial was picked off by a junior, and the seniors, those in the line and backing the line met the powerful Friona runners head-on enough times to make two of the three running backs want no more. There was nothing really outstanding, but the boys worked as a team to get that one.

All the boys are to be commended for playing an outstanding game and bring the championship trophy to Floydada.

Did you notice in the closing minutes of the game it looked as though Floydada had a bare-foot kicker on the field. This wouldn't be unusual, except he was playing on defense.

When Steve Marler was carried off the field in the fourth quarter, he had leg cramps in both legs. As the trainers were working with him, they got the cramps out of his left leg and

were working with his right leg when the cramp worked down into his foot. The trainers removed his shoe and were working with that foot and suddenly, the Whirlwinds were on defense. So Steve being a defensive player, got up run onto the field and played his position the remainder of the game without his shoe. In fact he broke up a dangerous pass play that could have gone for a score while he was out there half shod.

The offensive push of the Winds was certainly hurt with the loss of Sammy Watts on the second series of downs. But it is refreshing to see that the Whirlwind team is not composed of one man.

Hats off to Don Light and his Friona team. The Chiefs were hurt by the Whirlwind victory Friday night, but they wished all our boys and coaches best of luck against Denver City. One

could see on the field after the final gun sounded that each team had a great deal of respect for the other one.

Although the Chiefs played a fine game, and had the edge statistically wise, the tough Floydada defense wouldn't yield at the most critical times for the Chiefs.

Keith Teague and Sammy Watts were both hurt in the Friona clash. Teague will be starting at Quarterback, but it is not known at this writing how the bruised leg of Watts will fare.

Mac Wilson went to Lubbock Saturday and had the Tech trainer tape his knee. According to reports he has a lot more freedom of movement and just as much support as he did in the game last Friday night.

The Crystal Ball quarterback has gone into retirement for another year since there is no contest page.

It will make this however, those who Denver City will be favorite, but Floydada favored teams in the put them down in the settles around a pin afternoon the soon show that a light fought. Whether to this or not depends how badly they wish Denver City wish that team will win winds want it had be theirs.

The locals have they and the fans have the desire and hence, this time no dada could be champs.

Make every effort attend the ball game that fine, give team a reason for win. See you at Den

Della Plains Downs Memphis; Loses Two Games To Paducah

The Della Plains Basketball team defeated Memphis and lost both games to Paducah during last week's activities.

The girls had previously beaten the Paducah crew by a narrow margin, but Paducah came back for revenge and got it. The boys lost to Paducah 58-57 in a three-minute overtime, and the girls lost 37-21. When the teams defeated Memphis, the scores read, Della Plains boys 67-Memphis-53, and Della Plains girls-52 Memphis-3.

In the girls' game against Paducah, Ruby Stoney led the scoring for the locals with 10 points, followed by Kathy Heaton with 8. Shirley Minner accounted for the remainder. Louise Davis, Clarice Owens, and Evon Carr were defensive stalwarts for the Della Plains team.
For Paducah Doll Smart and C. V. Childress led their teams to victory with 15 and 13 points respectively. Betty Flemmons added 6, and Mattie Conright 3. In the boys' game, Jewell

Our congratulations go out to the coaches who put so much work into building this year's District Championship team and to the boys making up the team who responded so well and also worked equally as hard to make the pre-season dream a reality last Friday night. Best of luck to all of you in the playoffs.

A coach has been defined as a bald-headed man with a large shoe repair bill.

The Floydada coaches still have their full heads of hair, and most of their shoes don't have all the soles walked off them, but have you noticed the fingernails they don't have?

A lot of walking and fingernail chewing took place last week in thinking about Friday night's game with Friona, and it wasn't in vain.

A few weeks ago in this column, just before conference play began, it was asked when and where do we play Denver City? That answer is tomorrow afternoon at 2 p.m. in Denver

Jackson led the scoring for the Hornets as they downed Memphis 67-53. They scored 29 and 19 points respectively. Jewell Stoney added 14, Robert Coyle 8 and Willie Simon 6 to account for the locals scoring.

Ralph Ganaway had 21, C. Wilson 4, J. Land, 14, A. L. Lewis 10, and D. Jones 4 for the Memphis crew.

Both the Della Plains teams stand with 3-3 records for the season. The conference play is scheduled to begin around the first of the year.

Tuesday night the locals were scheduled to play Oton there and tonight are to take on Arapahoe here.

City. It was mentioned Saturday morning whether or not there was enough tape in Floydada to put the team back together after Friday night's encounter. Some of the boys took a real beating, but they just kept on going in spite of the aches and pains.

An answer to the above statement was also overheard when one person said "you can see from that what a little tape and a lot of guts will do."

I believe there will be enough tape and we all know that the Whirlwinds have enough of the other to face any foe.

Denver City has a fine ball club. Any team that plays the schedule they have just completed and comes out with a 10-0 record has to be good. I doubt if the locals will face a back as good as Doug Dodd in tomorrow's tilt.

However, tomorrow afternoon, when Floydada literally invades the "Big Red" 140 miles to the southwest, the hosts will see a team and particularly feel a team the likes of which they haven't faced all year.

According to most predictions, Floydada will be the underdog, but last week several people thought it was foolish to think that Floydada could possibly beat Friona. However, when it was needed the Winds put forth that little extra effort, or big effort, whatever was needed to hold the explosive Friona crew.

Denver City will field only eleven men, the same as Floydada will, but there will be a difference, the visitors are WHIRLWINDS. If a team is to drop Denver City out of the playoffs, why shouldn't it be Floydada. There will be eleven reasons on the field at all times why the Winds are capable of overcoming the favored Mustangs. And what would be a better, than reversing the tide of the 1959 bi-district tilt when Floydada played Denver City off the field, but lost 13-6.

One could say that sophomores were outstanding in the game last Friday night. One recovered the opening kickoff on the two-yard line, and the three deep men of the second-

SURVIVE THE HUNT

The hunting season is approaching its height, and each year millions of Americans look forward to it. Whether it be deer, dove, duck, quail, or other game, it is always good to enjoy the cooler weather and outdoors, when the hunting season rolls around. Hunting accidents usually occur through carelessness, and when they involve shotguns, it is often a case of carrying loaded guns in cars, crossing fences with loaded guns, etc.

In deer hunting, when rifles are used, this can be quite dangerous, especially on days when a large number of people are hunting. In dove fields, where doves are hunted in the style used in Dixie or sometimes in the midwest, where fields are surrounded by others, quite often hunters pick up shot when birds are fired on flying too low over the field.

And, in quail hunting it is a good rule to hunt in parties of two. When more than two hunters are following the dogs and fire on the covey rise, there is considerably more danger involved than when only two persons are firing.

As a final rule, one should never point a gun at anyone. In short, we hope all hunters will keep in mind this advice for the 1964-65 hunting season.

GUEST EDITORIAL JUST BAD MANNERS

Let's have a party! Any kind of party will do. You name it... a jewelry party, a hat party, a pots and pans party, a clothing party and etc.

The commercial party boom is really on and with good reason.

The companies selling these "party" products realize they have a gold mine. This is the way the game works:

You are invited to a friend's home under the pretense of having a party. There you are entertained and fed - to keep up the party illusion - then you are gently but persuasively requested to BUY SOMETHING.

Of course there is no obligation to buy. This is always pointed out when you are invited. The usual invitation goes something like this:

"Oh, you don't have to buy anything, you know. Just come."

Anyone who has ever been to one of these parties knows this is a bunch of nonsense.

You may not be required to make a purchase but who wants to feel like a tightwad or a cheapskate?

After all, as is usually pointed out, you are "helping" the hostess with your purchase. She gets a cut of the "let in the form of a "Free gift."

In your opinion, this is little more than social blackmail.

You are not invited to these parties by a stranger, but by a friend. To refuse to accept the invitation puts you in a defensive position. To refuse to buy, once you are there, puts you in an impossible position.

Yes, if he left other than a temporary job to enter service and if this service did not exceed four years. Usually he must apply to his former employer within 90 days after separation from active service. However, reservists and National Guardsmen who perform service of from three to six months must apply within 31 days of their release from active duty.

A principal beneficiary under a National Service Life Insurance policy elected to take the proceeds on a monthly installment plan, even though a lump sum settlement was available. He died before receiving all of the installments. Who receives the unpaid portion of the policy, the contingent beneficiary?

The remaining installments would not be paid to the contingent beneficiary. Where the principal beneficiary has the option of a lump sum payment and survives the insured, the rights of the contingent beneficiary are wiped out. The commuted value of the unpaid installments would be principal beneficiary.

Improving your town and in your children's school. They deserve your patronage.

Of course, it is up to the merchant to keep his prices competitive and, in most cases, we think he does.

So, if you're thinking of having a party, by all means, do so. But let's keep it honest. Let's entertain our friends because we like them and enjoy having them in our home, not because we hope to part them from their pocketbook.

We're just old fashioned enough to think it's plain bad manners to invite someone into your home to try to sell him something.

Veterans Ask

Q—Can a peacetime veteran, one who has joined the Armed Forces since January 31, 1955, be buried in a national cemetery, such as Arlington, and are burial flags presented?

A—Yes to both questions. If he has served at least one enlistment during peacetime and was discharged other than dishonorably, he is eligible. This peacetime service includes the six months of training.

Q—I understand that a disabled veteran has preference in employment by the Federal Government and many states and cities. How do I go about establishing this preference?

A—If you were retired for disability by the Armed Forces, your Service can furnish you proof. If you have established your disability as service connected with the VA, the Regional Office which has your records can furnish you the appropriate certification.

Q—My husband and I are receiving pension for two children of a deceased veteran who are living with us. Will the pension continue if we adopt the children?

A—Yes.

Q—Is a peacetime veteran protected by re-employment rights?

A—Yes, if he left other than a temporary job to enter service and if this service did not exceed four years. Usually he must apply to his former employer within 90 days after separation from active service. However, reservists and National Guardsmen who perform service of from three to six months must apply within 31 days of their release from active duty.

Q—A principal beneficiary under a National Service Life Insurance policy elected to take the proceeds on a monthly installment plan, even though a lump sum settlement was available. He died before receiving all of the installments. Who receives the unpaid portion of the policy, the contingent beneficiary?

A—The remaining installments would not be paid to the contingent beneficiary. Where the principal beneficiary has the option of a lump sum payment and survives the insured, the rights of the contingent beneficiary are wiped out. The commuted value of the unpaid installments would be principal beneficiary.

Friona 0.

On the first series of plays in the second quarter, Floydada couldn't move the ball and Teague dropped back to punt. However, a low snap from center resulted in the ball not getting back to the kicker in time for him to punt, so Teague attempted to circle to his left and pick up the needed yardage. He moved the ball to the Floydada 49, which was six yards shy of the line of scrimmage at which point he was brought down by the front wall of the Friona team.

After an exchange of series of downs, and punts by the two teams, Friona took the ball on their own 26, with a first and ten. An illegal procedure penalty moved the ball back to the 21. On the first down Murphree was held for no gain. On second down Snead carried for nine to set up a third and six situation. The ball was then given over to Doug Dodd who moved the ball to the Friona 43 with a gain of 13 yards, more than enough for the needed first down.

Two plays later, Friona had another first-and-ten on the Floydada 45-yard line. A personal foul penalty against Floydada moved the ball down to the Floydada 31, where the Chiefs held for a first-and-ten. An attempted run by Snead gained nothing. An attempted pass from Snead to Larry Buckley was broken up on the 15-yard line by Kerry Bearden and a run by Dodd netted four yards for the Chiefs moving the ball to the Floydada 27. Facing fourth-and-six the Chiefs called on the accurate toe of Dodd to boot the ball through the uprights for a 27-yard field goal. Midway in the second quarter the score stood 7-3, Floydada.

Bearden fielded the Friona kickoff on the ten yard line and moved the ball back to the forty-one before he was stopped. After three plays netted only eight yards, Teague dropped back to punt once again. A low snap from center merely rolled on the ground back toward the punter, and an alert Ronnie Eubanks, saw the situation picked up the ball, attempted to run with it and made only one of the needed two yards for a first down.

Friona took control of the ball on the Floydada 43, and after three plays were facing a fourth-and-five situation. In the series a pass from Snead to Buckley was broken up by Steve Marler. Dodd gained four yards off tackle, and Murphree picked up one more. However, on fourth down, Friona chose to try for the long five yards and called on Dodd to do the job, but the tough Wind defense threw the powerful runner for a one-yard loss.

Floydada took over the ball on the Floydada 38, but on first down, a crossup was the cause of a fumble and Braxton recovered the ball for the Chiefs on the Floydada 35.

With time running out, Snead took to the air, and his pass intended for Buckley was intercepted by Munday on the 23-yard line. One play later the half ended with the score Floydada 7, Friona 3.

After the intermission, the two teams came storming back at each other, but each team found the other just as determined.

The kickoff by Murphree was short and was fielded by Marler on the Floydada 20 and he moved the ball to the 40 before he was dropped.

The locals were unable to move against the fired-up Friona team and Teague's punt went out of bounds on the Friona 33.

Murphree gained one, but offsetting penalties gave Friona another try at the down. From that point, Friona put on one of the three sustained marches of the night cranking up their of-

Floyd Philosopher Finds One Of The Campaign Slogans Wasn't As Bad As It Sounded

Editor's note: The Floyd Philosopher on his Johnson grass farm asks a puzzling question this week.

Back during the campaign I was listening to two men arguing politics and one of them was making a big point out of President Johnson's money.

"I don't object to anybody making money," he was saying, "wish I had more, but I don't think a man in government ought to make his fortune in government-regulated business,

three plus yards, and a measurement showed that Friona was only a few inches short of a first. A sneak by Snead picked up the first and three yards to spare out to the Friona 33.

On the next play Murphree broke loose for a twenty yard gain to the Floydada 47, for another first down for the Chiefs. Dodd picked up 3, Murphree added 1, Dodd got five more and the Chiefs faced a fourth-and-one situation once again. However, Dodd hit off tackle and got the yard needed and one more to give the Friona team a first and ten on the Floydada 57.

Dodd picked up two, and a pitchback to Dodd on second down was fumbled and recovered by Friona back on the Floydada 46. However, a personal foul penalty against Floydada moved the ball down to the Floydada 31.

A run by Murphree moved the ball to the 27, but a clipping penalty against Friona moved the ball back to the 43, setting up second and fifteen from that point.

A pass from Snead to Buckley was incomplete and an illegal procedure penalty against Friona moved the ball back to the Floydada 48, setting up second-and-twenty. A pass from Snead to Jackie Stowers was incomplete, so Dodd tried a run around end that was good for eight yards. Facing a four-and-twelve a pass from Snead to Buckley gained eight yards, but this was four yards short of the needed down. An illegal procedure against Friona was declined by the Winds.

On first down, Osborn carried into the right side of the line, fumbled and Friona recovered on the Floydada 35.

After three downs, and a total gain of five yards, Friona once again called on Dodd to try a field goal. However, this time the ball fell short, and went off to the left.

With two and one-half minutes remaining, Floydada moved the ball out to the 24, and then punted to the Friona 49, where the ball was killed by Latrick at that point.

An attempted pass from Snead to Shirley went incomplete. On second down, an attempted pass from Snead to Buckley was intercepted by West on the Floydada 45, and he moved across midfield to the Friona 46 before he was stopped.

The clock showed 34 seconds

like television and radio." "Yeah?" the other one put in, slapping his fist on the counter. "And just what business would you have him make money in?"

"Why, plenty of things. He could make it in banking... nope, that's government-regulated. Or farming... nope, that's regulated. Or... say just what business could a man get into that ain't government-regulated?"

He left the question unanswered and I came on home,

stopping by the mail box to see if my government check had come, and have been thinking ever since and by George I'd like to ask you, what business could a man get into that's not government regulated?

Radio, television, banking, farming, aviation, oil, barbering, doctoring, teaching, hair-dressing, construction... you go down the list and see if you can come up with anything outside maybe editing, blacksmithing and poetry-writing, and not many big fortunes are being made in any of those.

Understand, I'm not saying there's anything wrong with this, as far as I'm concerned government is still the people and anytime a majority wants to get rid of a regulation or add a new one I guess it can, and besides all regulations aren't what they're cracked up to be. Take this Johnson grass farm out here. I suppose you could say it's government-regulated in some ways, but me and the government both haven't made much dent in it, one way or the other.

Even the government itself is government-regulated. We might as well get used to it. Even Khrushchev thought he wasn't government-regulated, but it turned out he was.

Yours faithfully,
J. A.

left to play. Teague sneaked up the center for a three yard gain, and then Floydada didn't come out of the huddle before the game ended with the score remaining, Floydada 7, Friona 6.

The entire game saw the front four men and the linebackers hold the dangerous Friona runners time and time again. The pass defense for the Whirlwinds was the best it has been all year. There were two passes completed against it, and the pass defense intercepted two passes.

Tomorrow the tough Whirlwind team travels to Denver City to play at 2 p.m. for the bidistrict honors. The Denver City team stands 10-0 for the season and the Winds now stand 8-2.

Snead lost one yard, Harcus was held for no gain, so on third down, Friona's Braxton kicked a booming punt that sailed high, hit on the Floydada 35, but failed to roll. The ball bounded straight up into the air and came down in the hands of Munday on the 35. Munday moved the ball back to the 45 where he was hit by Dodd, and had to come off the field temporarily.

From that point, Floydada cranked up its offense for the first time of the night. A quarterback sneak picked up 2, and a pass from Teague to Waldo West was good for eight yards and a first down.

Marler picked up nine yards, and Teague added two for another first.

Marler was called on again and a run was good for four, followed by two by Teague, that ended the third quarter. On third-and-three, Marler took the ball around his right end for sixteen yards and moved the ball down to the Friona nine before he was stopped.

Marler carried again, that time for three yards, and Teague added one to set up third and goal from the five. Perez hit right tackle for two, and facing a four-and-three McNeill attempted a field goal. However, it was said to go off to the side and the Chiefs took possession of the ball on the Friona 20, from which point they put on the final sustained drive of the night. There were only about eight and a half minutes left in the game when the drive started.

On the first series of downs, Murphree was called on two times in a row and he got three yards each time. Dodd added

Of course, it is up to the merchant to keep his prices competitive and, in most cases, we think he does.

So, if you're thinking of having a party, by all means, do so. But let's keep it honest. Let's entertain our friends because we like them and enjoy having them in our home, not because we hope to part them from their pocketbook.

We're just old fashioned enough to think it's plain bad manners to invite someone into your home to try to sell him something.

Floyd County 25 Years Ago

(Nov. 16, 1939)

Mrs. Edgar Jones, 52 year old resident of Floydada, was killed and her husband and son, Ralph, were seriously injured in an auto accident Sunday near Muleshoe. Jones, who is said to be improving, is suffering from a crushed chest and his son is in critical condition with a head injury.

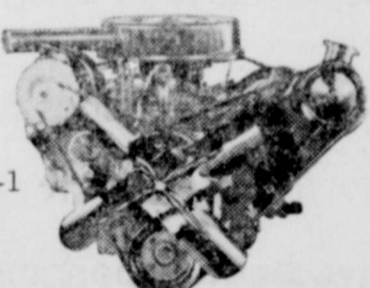

A crippled and battered Whirlwind team will get the grateful benefit of an open date Friday night after winning from the Matador tough Bullfighters 13-6 last week. "High Pockets" Paterson is believed out for the remainder of the season with mumps while other members of the team are suffering from ailing bruises and other injuries.

Lockney Longhorns go to Spur Friday night for a conference game.

Notice that the application for the formation of a soil conservation district in Floyd County has been granted was received this week by W. H. Nelson, chairman of the county soil conservation board.

ASK MARSHALL about heating your home. Eventually all under ceiling heat will be recirculated to the floor, because the loss is too great. Marshall warms the floor, filters the air, saves about half on your fuel bill, and does it for a penny a day. See Fisherman Marshall, 602 S. Wall Street, Yukon 3-3169. tfe
