**Mrs. Anderson And Baby Are Gift Honorees**

A pink coffee was held Tuesday morning, Jan. 26 for Mrs. Ted Anderson and little daughter, Angie in the home of Mrs. G. L. Fawver in the Baker Community.

Coffee, spiced tea, and cookies were served from a table centered with a picnic doll.

The registration table held a baby book, stork pins and greenery.

Individual gifts were presented the honoree and her new baby.

**FLOYD DATA**  
Mr. and Mrs. Doyle Harrison of Lockney visited Sunday with Mr. and Mrs. A. C. Carthel.

**Harmony Club Has Meeting**

GORDON DOWNING

**Gordon Downing To Speak At LCC Chapter Meeting**

Gordon L. Downing, Director of the Church of Christ Bible Chair at West Texas State University, Canyon, will be guest speaker for the Floydada LCC Associates at Lighthouse Electric on Tuesday night, February 9, at 7:30.

Downing, a former minister of the local City Park Church of Christ, received a scholarship from New York University to study six weeks in Jerusalem, Israel. The scholarship was given by the Division of Hebrew Culture and the State Department to 16 men in the United States.

Downing and his wife, Beatrice, made the trip leaving from New York on July 1, 1964 and returning the first of September.

The school consisted of three weeks of lectures by social, religious, political and economic leaders in Israel and the remainder of the time was spent in making field trips out of Jerusalem to places of historical and archeological interests.

Mrs. Downing, who teaches Spanish at WTSU, studied at the University of Madrid for four weeks, then joined her husband in Jerusalem.

The professional workshop in conjunction with the Hebrew University in Jerusalem, granted Mr. Downing eight hours credit toward his doctoral degree through New York University.

The director and his wife have enjoyed sharing their Holy Land films with many congregations and civic groups.

Mrs. J. A. Arwine, local chapter president, extends an invitation to all and ask that they be among those present to enjoy the evening.

**ALLEN REDDING ON HONOR ROLL**  
Allen Redding's name was accidentally omitted from the Junior High Schools semester Three-A honor roll last week by the school.

Allen is in room 8-A.

**1922 Club Meets With Mrs. Daniel**

The 1922 Study Club met Jan. 28 with Mrs. J. V. Daniel, Mrs. E. F. Stovall assisted with hostess duties.

Subject for the meeting was "Women As Musicians." Mrs. W. H. Henderson, program director, gave an interesting devotional on New Years resolutions.

Roll call was answered by naming women composers in music.

Mrs. Pearl Fagan had charge of a very entertaining musical program given by three of her unusually talented pupils, Jodi Campbell, Becky Dunlap and Kitty Frances Lloyd.

A letter was read from the Wichita Falls hospital thanking the club for gifts sent there Christmas.

The club voted to cooperate with all the other clubs in selecting the outstanding mother, club worker or teacher for next year.

Lovely refreshments were served by Mrs. Daniel and Mrs. Stovall to Mmes. Kenneth Bain, D. S. Battey, P. W. Bell, Pearl Fagan, P. D. Helms, W. H. Henderson, Wilson Kimble, R. L. Nichols, Lon V. Smith, Glad Snodgrass, W. O. Tye, Ben Whitaker, and J. M. Willson.

The next meeting is today, Feb. 4 in the home of Mrs. J. F. Barnard.

**Margaret Oliver Circle Holds Meet**

The Margaret Oliver Circle of the First Baptist WMS met Wednesday, January 27, for their monthly Circle program. The Calendar of Prayer was given by Mrs. Vesta Savage.

Mrs. R. L. Nichols presided in the absence of Mrs. Lon V. Smith circle chairman.

The program theme was "Identifying the Issues." Mrs. O. F. Cummings gave the introduction of the program.

These giving parts were Mrs. Robert Garrett, who spoke on "Crime, Adult and Juvenile," Mrs. L. A. Marshall, who gave a discussion on "Salacious Literature," Mrs. Vesta Savage spoke on "Family and Family Problems," and Mrs. P. D. Helms spoke on "Class and Culture Conflicts."

Closing meditation and prayer was led by Mrs. O. F. Cummings. Attending were Mmes. W. S. Simmons, R. L. Nichols, L. A. Marshall, E. F. Stovall, W. C. Sims, P. D. Helms, Robert Garrett, O. F. Cummings and Mrs. Vesta Savage.

**PTA MEETS WEDNESDAY**  
The Parent-Teachers Association of Andrews Ward will have their regular monthly meeting next Wednesday at 2:30 in the Music Room. All parents are urged to attend.

Mrs. Wayne Bramlet will be program chairman for the meeting.

**Fulfilling Dies In California**  
Mr. and Mrs. J. T. McLean received word of the death of his nephew, Earl Fullingim, 70 years old of California.

Fullingim was born in Sandhill Community in 1894 and lived with his parents at Sandhill and Harmony until he was some 10 or 12 years old at which time they moved away.

Fullingim had been in bad health for several years but in the hospital only two days when death came.

His death is the first of the nine children of Mrs. Della McLain Fullingim, who died in 1958.

**Floyd Data**

L. G. Withers, who recently retired from the cafe business, is now employed at the Trading Post, owned by M. A. Barton.

Withers started his duties there Tuesday.

**Dougherty HD Club Meets**

Dougherty Home Demonstration Club met in the home of Mrs. Claude Ring on January 28th with Mrs. Ring reading the devotional. Members sang "Holy, Holy Holy."

During business reports from various committees were heard and council recommendations carried.

Miss Sherry Mullins, county HD Agent, carried the program on "Operation Windbreak."

Present for the meeting were Mmes. Russell Crawford, W. J. Ross, Earl Edwards Sr., Bob

**Mrs. Anderson Is Shower Honoree**

A layette shower honoring Mrs. Ted Anderson and new baby daughter, Angie, was given in the Community Room of the First National Bank Monday afternoon.

Guests were registered by Mrs. Max Harrison and hostesses alternated at the serving table.

A pink cloth on the table was highlighted by a centerpiece.

Vickers, Robert Ward, Carmel Eastham, Claude Ring, G. W. Smith and Miss Mullin.

**Leadership Developed In FFA**

(By Larry Patten)

Leadership is one of the many qualities Kenny Custer, FFA assistant chaplain, has developed in his four years of FFA.

Kenny has been on the District Chapter Conducting team for four years. His freshman year the conducting team won first place.

Kenny's projects for his first two years of FFA consisted of four hogs and eight acres of dry-land wheat. His third and fourth year in FFA his projects were changed to irrigation crops.

These crops consisted of cotton, wheat and grain sorghum. The high school senior has received the degrees of Greenhand and Chapter farmer and this year he hopes to become a State Farmer.

Kenny has kept up with the Plainview District of FFA scrapbook which will be entered in a contest on a State level. He is a member of the Future Teachers of America and has been Student Council alternate.

He plans to attend West Texas State University next fall and also plans to take four years of ROTC and will enter the army as lieutenant after graduating from WT.

**MONTHLY FFA MEETING HELD**

On January 28th the monthly FFA meeting was held for the purpose of discussing the Father and Son banquet coming up this month.

Ken Campbell was appointed to head a special committee planning the banquets. Larry Adams and Roland Adams are assisting Ken.

A band, composed of Garland Martin, Rodney Bunch, Tommy Weathersbee and Spike Wideman provided entertainment at the meeting.

Mariene Kessels, foreign exchange student made a brief talk on agriculture in Holland.

**Mother Of Mrs. J. P. Moss Dies**

Funeral rites for Mrs. Maggie Cooper, 81 of Roaring Springs, were conducted yesterday in the Roaring Springs First Methodist Church. Mrs. Cooper was the mother of Mrs. J. P. Moss of Floydada and was widely known in this area.

Mrs. Cooper died at her home early Tuesday morning of an apparent heart attack. She had lived in Motley County some 70 years.

Survivors include the daughter, Mrs. Moss; four sons, Lawrence, Eagle Pass, Robert and Billy of Roaring Springs and Jerry of Grand Junction, Kan.; three sisters, Mrs. F. C. Bourland and Mrs. W. L. McWilliams, both of Matador and Mrs. Ella Freeman, Grand Prairie; one brother, J. Tom Hamilton, Matador; nine grandchildren and several great grandchildren.

**1922 Club Meets With Mrs. Daniel**

The 1922 Study Club met Jan. 28 with Mrs. J. V. Daniel, Mrs. E. F. Stovall assisted with hostess duties.

Subject for the meeting was "Women As Musicians." Mrs. W. H. Henderson, program director, gave an interesting devotional on New Years resolutions.

Roll call was answered by naming women composers in music.

Mrs. Pearl Fagan had charge of a very entertaining musical program given by three of her unusually talented pupils, Jodi Campbell, Becky Dunlap and Kitty Frances Lloyd.

A letter was read from the Wichita Falls hospital thanking the club for gifts sent there Christmas.

The club voted to cooperate with all the other clubs in selecting the outstanding mother, club worker or teacher for next year.

Lovely refreshments were served by Mrs. Daniel and Mrs. Stovall to Mmes. Kenneth Bain, D. S. Battey, P. W. Bell, Pearl Fagan, P. D. Helms, W. H. Henderson, Wilson Kimble, R. L. Nichols, Lon V. Smith, Glad Snodgrass, W. O. Tye, Ben Whitaker, and J. M. Willson.

The next meeting is today, Feb. 4 in the home of Mrs. J. F. Barnard.

**Margaret Oliver Circle Holds Meet**

The Margaret Oliver Circle of the First Baptist WMS met Wednesday, January 27, for their monthly Circle program. The Calendar of Prayer was given by Mrs. Vesta Savage.

Mrs. R. L. Nichols presided in the absence of Mrs. Lon V. Smith circle chairman.

The program theme was "Identifying the Issues." Mrs. O. F. Cummings gave the introduction of the program.

The Parent-Teachers Association of Andrews Ward will have their regular monthly meeting next Wednesday at 2:30 in the Music Room. All parents are urged to attend.

Mrs. Wayne Bramlet will be program chairman for the meeting.

**Fulfilling Dies In California**

Mr. and Mrs. J. T. McLean received word of the death of his nephew, Earl Fullingim, 70 years old of California.

Fullingim was born in Sandhill Community in 1894 and lived with his parents at Sandhill and Harmony until he was some 10 or 12 years old at which time they moved away.

Fullingim had been in bad health for several years but in the hospital only two days when death came.

His death is the first of the nine children of Mrs. Della McLain Fullingim, who died in 1958.

**The Bible Does Make Sense**

Every year many of us try to read the Bible but usually give up. The Bible just doesn't make sense. It is not in proper order.

God would not give us a guide, yet so confusing we cannot read it. The Bible was arranged in order of occurrence but was arranged in order of STUDY.

LAW, HISTORY, POETRY, and PROPHECY. If the Bible was arranged in ALPHABETICAL order, "Acts" would appear first, though it was written years after the creation.

Moses wrote the first five books of LAW, called the Pentateuch. Joshua, Samuel, David, Ezra, Nehemiah, and Esther are the twelve books of HISTORY and "placed them beside the Law." Job, David, and Solomon authored 5 POETIC books, although Job was included in this section as the Old Testament, yet it took place between Exodus 3-11. Finally came 17 books of PROPHECY, written by different men, covering the same period of time as did the Issaian, Jeremiah, Ezekiel, and Daniel, were MAJOR PROPHETS, while the others were lesser known.

All these prophecies, law books or poetry should be read within the HISTORICAL SECTION of the Old Testament.

If you have a Bible that supplies the dates at the end of each page, you can rearrange your Bible as a complete book. Or you may write for a free folder of the entire Bible arranged in the order it happened and read the complete Bible through in less than one day. Simply address your request to:

**THIS PIPELINE WAS BUILT BY THE ROMANS AND SERVED FOR 2,000 YEARS**

This photo, from the Smithsonian Institute in Washington D. C., shows a section of the original aqueduct that served the water needs of the conquered city of Cologne, Germany. It was constructed in 80 A.D. by the engineers of Fabius Sabinus Titus, Emperor of Rome. The aqueduct extended 56 miles underground between Cologne, and Eiffel and served as the main artery for the Cologne water supply until the late 1920's.

**THIS PIPELINE IS EVEN MORE DEPENDABLE !!**

**LOCK-SEAL**

Because of modern materials and manufacturing techniques, Gifford-Hill-Western's LOCK-SEAL provides an even more dependable underground pipeline. The close tolerance design makes the pipe more suitable, and joint flexibility eliminates the effects of expansion and contraction due to soil conditions and temperatures. By combining a superior product with modern day design and installation know-how, you have an underground irrigation system that serves dependably year after year... generation after generation. LOCK-SEAL is the product. Gifford-Hill-Western is the Company. Depend on them!

## Homebuilders Meet In Home Of Mrs. Norrell

Homebuilders Home Demonstration Club met January 26th in the home of Mrs. Elmer Norrell. Mrs. Lesle Fawver, president, presided. Mrs. Norrell gave the devotion and Mrs. Floyd Fuqua led singing. Members answered roll call with a hint on the care of gloves, shoes and hats. The council report was given by Mrs. O. G. Mayfield and the minutes were read by Mrs. Shirley Race.

The recommendations of the Floyd County Home Demonstration Council were read and accepted by the club.

Mrs. Ernest Kendrick gave an interesting demonstration on skin grooming with salt. Few realize, Mrs. Kendrick said, that the substance, a familiar and a common thing in the home for cooking is also an outstanding and inexpensive beauty aid.

Mrs. Kendrick said to start your day, draw a warm bath, relax in it for five minutes until skin pores are open, then massage skin generously with application of dry salt until body tingles. Rinse off in cool water and you are ready to meet the day with new vigor, alertness and beauty.

For the face, mix salt and olive oil with equal portions and massage into face and throat gently with long upward strokes. The olive oil soothes and salt bleaches out impurities in the skin. It is best to leave on mixture for five minutes before removing with facial tissue. Follow by a gentle washing with soap and water or a favorite skin tonic.

Eyes and puffs under eyes due to tension or lack of sleep may be reduced by applying cotton pads that have been dipped in a solution of a pint of hot water to one tablespoon of salt, simply squeeze out excess moisture and apply gently over the eyes and puffed area.

Mrs. Kendrick said a good treatment for tired feet is a warm foot bath with a generous handful of salt added. For tired and sore feet alternate in strong hot salt brine and then a cool foot bath. When relieved, massage the feet gently with moistened salt to remove dried skin, rinse again and dry thoroughly.

For red dish pan hands, soak five minutes in a basin of warm water to which has been added three tablespoon salt. The solution will whiten the hands and smooth the wrinkles.

Mrs. Raymond Williams had

### Hello World

Mr. and Mrs. Carrol Patton announce the birth of a baby daughter who was born on January 15. The baby weighed eight pounds 11 and one half ounces at birth and has been named Lisa Carol. The father is assistant manager of Higginbotham-Bartlett Lumber at Post.

Grandparents are Mr. and Mrs. Tom Strout and Mrs. Edna Patton all of Floydada.

Mr. and Mrs. Donald Dean Morris, Floydada announce the arrival of a baby daughter who was born Tuesday in West Texas Hospital, Lubbock. The baby weighed eight pounds and four ounces and has been named Shelly Yvette.

Morris is manager of Floydada Seed and Delinting. He and his wife, Linda, have two other children, Lindan, age six and Adena, four.

Grandparents are Mr. and Mrs. C. B. Kozt of Chillicothe and Mr. and Mrs. H. E. Morris of Plainview.

### Child Missed In Census ? Call YU 3-3479

Parents are asked to call Mrs. Bob Copeland, YU 3-3479, if they have a child who starts to school next year and who was not enumerated during the school census in January.

Some child might have been missed during the census, Mrs. Copeland said. Therefore you are asked to contact her in such a case.

The program on parliamentary procedure, and a true and false procedure which was interesting.

Present for the meeting were Mrs. Lesle Fawver, P. F. Bertrand, Raymond Evans, Raymond Williams, Floyd Fuqua, H. W. Roberts, John Walker, Leo Sawyer, O. G. Mayfield, Elmer Norrell, Shirley Race and Mrs. Ernest Kendrick.

## Mrs. McCutchen Honored With Layette Shower

Mrs. Weldon McCutchen was honored on Thursday night, January 21, with a layette shower in the home of Mrs. Nealey Richardson.

Hostesses for the event were Mrs. Wayne Bennett, Fred Lambert, Troy Leonard, Leonard Smith, Harold Bennett, Parnell Powell, Glen Potty, Will Taylor, James Isbell and Mrs. Richardson.

Their gift to Mrs. McCutchen was baby clothes and an infant.

White coconut cookies trimmed in various colors and pink punch were served at these attending. Crystal appointments were used.

The table was covered with a lace tablecloth over pink and was centered with a baby tree formed with miniature baby dolls and rattlers.

## 50th Anniversary Observance Set

Mr. and Mrs. R. C. Ross of the Center Community will observe their Golden Wedding anniversary on Sunday, February 14 with an open house to be held in the Community Room of the First National Bank.

Calling hours are from 2 until 5 p.m. and the couple have requested "no gifts."

The couple's three children will host the event. They are Mrs. Buck (Maxine) Ragsdale of Stegal, Melvin Ray Ross of Sunray, and Mrs. Larry (Norma) Robinson of Reswell, N. Mex. The couple also have seven grandchildren.

Mr. Ross and the former Josie Guffee were married Feb. 14, 1915 in the home of her parents, Mr. and Mrs. S. A. Guffee at Bridgeport. Mr. and Mrs. Guffee later moved to Floyd County. Parents of Mr. Ross are the late Mr. and Mrs. W. P. Ross of Bridgeport.

Mr. and Mrs. Ross came to Floyd County in 1927 settling in the Fairview community. They now reside in the Center community. Mr. Ross is a retired farmer.

The couple are members of the Calvary Baptist Church.

# Wayne Bill Would Increase Farm Trailer Weight Limits

Austin, Texas — Proposed legislation relating to the gross weight limits of cotton trailers was introduced in the House of Representatives of the Legislature today by Representative Raloh Wayne of Plainview.

The bill proposes that the gross weight limits of cotton trailers be raised from 10,000 pounds to 15,000 pounds, without any increase in the regular registration fee of \$5.00. Wayne stated that he feels this is a reasonable approach to our cotton trailer weight problem.

Our present trailers are capable of holding four bales of unginned cotton and when thus loaded, the trailers will exceed the present weight limit.

Under the present statute if a trailer with a gross weight in excess of 10,000 pounds is pulled across a state highway it is subject to citation for breaking the present law.

Since most of our farmers use the trailers basically for temporary storage at the cotton gin, it is imperative that they load as much unginned cotton on the trailer as possible.

Response from agricultural areas has already been extremely encouraging.

The bill will give a temporary number of 11, which should work toward early committee action.

the general staff overhaul... agencies into a competent operation.

The image of foods in the public mind is one of confusion, heavily tinged with fear, says one highly experienced health educator. "The confusion arises from public ignorance and misunderstanding of the multiplicity of scientific discoveries," says Dr. W. W. Bauer, medical columnist and author and executive director of Health Education of the American Medical Association. What is needed in today's market "is a simpler, plainer and much happier image of food in the minds of the public," he says.

## Parks & Wildlife Department Gains VIA Merger As Listed

AUSTIN — Wildlife merged in every pot; a fish in every skillet; a shaded, waterfront camping site for every outdoor conscious person!

The year just ending might not have provided that cherished budget, but J. Weldon Watson, executive director of the Parks and Wildlife Department, said that sportsmen's Utopia definitely is the target for the Department.

Watson made his year-end statement as departmental authorities summarized the 1954 progress all along the outdoor recreational front which showed: New gains in experimental wildlife and fish life restoration efforts;

Embracing new areas under regulatory authority methods; Successful controlled public hunts on wildlife management areas;

Liberalized waterfowl regulations making the best duck hunting season in recent years; Extending deer season two days;

Reopening of the white-winged dove season;

Advancement in transplanting salt water fish to West Texas "fresh" waters;

Confirmed catch of the first walleyed pike in the state;

Harvest of a record oyster catch;

Opening of the world's largest fishing pier at Port Lavaca;

Application of new techniques to fill industry's needs for oyster shell without harming natural facilities;

Reopening three major state parks, including two new ones, for the next summer season;

Accommodating a record number of park visitors despite climatic extremes;

Release of hatchery raised red-legged partridge and release of hybrid pheasants;

Holding second annual open season onoudad sheep in Panchard;

Preparing state fish hatcheries to restock water areas devastated by drought;

Coordinating headquarters and field staffs in conformity with new merger plan.

Watson said "the most severe of the anticipated growing pains have been endured," referring to the year just ending might not have provided that cherished budget, but J. Weldon Watson, executive director of the Parks and Wildlife Department, said that sportsmen's Utopia definitely is the target for the Department.

Electricity is synonymous with progress. It is indeed significant that the United States generates and uses a large percent of the world's supply of electricity.

This supply has helped to make us among the best fed, most highly educated, and healthiest people in the world.

Electrical equipment also played a big part in putting mass production on a practical basis. As a result, mass production has given you high levels of comfort and conveniences through appliances and equipment unheard of by your forefathers.

Today, you use this electrical equipment in many ways. It keeps you cool in summer, warm in winter. It turns your nights into day. It brings you news and entertainment, cooks your food, does your laundry, and works for you in a thousand different ways to make your life easier and more enjoyable — to help you farm better and live better — ELECTRICALLY.

Mr. and Mrs. Corkey Guffee, Larry and Phyllis, spent the week-end in Amarillo visiting Mr. and Mrs. Marvin Kinney and family, and attended the Kinney-Clark wedding.

Mr. and Mrs. Bill Phillips, Sharla, Mark and Rhonda, of Roscoe, were guests in our home for a short visit Sunday afternoon. Mrs. Phillips will be remembered as Alice Mary James, formerly cashier at the Light-house Electric Cooperative, Inc., Miss Vernon Brown, a cousin, from Trenton, Missouri, was a week-end guest in our home.

Dan Hagood, and daughter Janie and Beth Guest were dinner guests on Saturday.

Mr. and Mrs. Tom Hutchins visited Sunday in Ralls with Tom's mother, Mrs. J. H. Hutchins.

Mr. and Mrs. W. H. Lovell spent Sunday with Mr. and Mrs. Grady Freeman.

SOMETHING TO THINK ABOUT

We are told — "The man who is too busy to worry in the daytime, and too tired to awake at night need not worry about being able to grow old gracefully."

**DODGE**

**BUILDS**

**TOUGH**

**IT'S TOUGH TRUCK TRADIN' TIME**

**ROE MOTORS**

200 W. MISSOURI  
FLOYDADA, TEXAS

Using large mixing bowl, mix all ingredients in order given. Bake on electric griddle; set temperature slightly lower than for pancakes so they will cook a little slower.

**Waffles**  
(Another good favorite with a history)

According to tradition — "The first waffle is said to have been made in 13th century in England. A crusader wearing his armor accidentally sat in some freshly baked hot cakes. The cakes were flattened and bore deep imprints of the steel links. However, he spread butter on the cakes and ate them. His wife delighted with the way butter stayed in the imprints of the armor, made him pat it on once a week and sit on fresh hot cakes."

They were called "waffles", meaning flat honeycomb-like cakes. Dutch colonists brought their cherished "waffle" irons to America. They were long handled and very heavy to hold over an open fire."

Heat waffle iron while mixing batter.

Beat well:  
2 eggs  
2 cups buttermilk  
1 teaspoon soda  
2 cups sifted all-purpose flour  
2 teaspoons baking powder  
1/2 teaspoon salt  
6 teaspoons soft shortening  
Beat until smooth. This is a thin batter.

Bake in hot waffle iron.

Thomas A. Edison was born February 11, 1847. He typifies the many pioneers of electrical progress — an industry that has assisted in making possible our present high standard of living.

Electricity is synonymous with progress. It is indeed significant that the United States generates and uses a large percent of the world's supply of electricity.

This supply has helped to make us among the best fed, most highly educated, and healthiest people in the world.

Electrical equipment also played a big part in putting mass production on a practical basis. As a result, mass production has given you high levels of comfort and conveniences through appliances and equipment unheard of by your forefathers.

2-2, Bill Holladay, foot injury.

## Field And Kitchen News

**IS YOUR WIRING ADEQUATE?**

If you are one of the fortunate families that received electric appliances and equipment for Christmas, we want to ask you a question. How is it operating? If you don't think it is working just right, before you condemn the equipment, check to be sure that old bugaboo "skippy wiring" is not the culprit. Just like your auto will not run without fuel, neither will an electric appliance operate without adequate current. They will operate to some extent on low voltage, but they will not operate properly and may suffer damage too.

So, if you are not sure, have your wiring system evaluated and give your equipment a chance to operate as it should.

**"FROSTY-MORNING" BREAKFASTS**

Among our happiest memories of good substantial breakfasts we find griddlecakes of some sort near the top of the list. This is the time of the year that some of those "old fashioned" recipes really "hit-the-spot". Such as:

**"HEARTY" HOTCAKES**

Measure into a bowl or cup, 1/2 cup warm water; sprinkle in two packages of dry yeast. Measure two cups of your favorite pancake mix into a bowl, add 1 cup milk and 1 egg, add the yeast mixture. Beat until smooth. Bake on hot griddle and serve with plenty of good butter and syrup. Country sausage goes along nicely with these too.

Actually, griddlecakes and their companions do not have to be served only at breakfast. They are a good year-round treat for dinner or supper with creamed chicken, ham or cheese. The waffles are delicious to serve as dessert with fresh fruits, ice creams or maybe whipped cream.

**CORN MEAL BATTER CAKES:**

2 eggs, beaten  
2 cups sour milk  
1 cup flour  
1 cup corn meal  
1 tablespoon sugar  
1 teaspoon salt  
1 teaspoon soda  
2 teaspoons baking powder  
2 tablespoons melted shortening

It isn't automatic — this growing old gracefully. Worries seem to accumulate with the years. And there is often the gnawing sense that opportunities once brimming with promise lie empty where we tossed them . . . along a road without return.

But these later years are not meant to be a burden. There is much to suggest that God intended them to bring reward.

He gave us the blessing of memories, so precious moments of joy may be lived again and again

He gave us the gift of love, so we can experience anew the adventures of youth, the achievements of maturity, in the lives of our children and grandchildren.

And He gave us a Way of Life, revealed in the teachings of Christ. So that every today . . . when it has become yesterday . . . will be another graceful stone in the arch of Tomorrow.

### THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# Wilson Host Oklahoma Folk

FAIRVIEW, Feb. 1 — Friday visitors in the home of Mr. and Mrs. Walton Wilson were Mr. and Mrs. Ed Parsons of Bartlesville, Oklahoma. They spent the night Friday and left for home Saturday morning. The Parsons are land owners in the community and were here in interest of their farm land.

Mr. and Mrs. E. W. Walls visited Wednesday in Lockney with Mr. and Mrs. D. D. Tate.

Mr. and Mrs. Galen Holland went to Matador Saturday to visit friends who are sick. They visited Mrs. A. L. Curry in the hospital there and Mr. A. L. Curry who is sick at his home. They also visited Mrs. Mono Terry

who has recently undergone surgery.

Mrs. Edell DuBois has been helping take care of her grandsons, Craig and Quinn DuBois while they each had the mumps. Craig stayed with his grandparents one week and Quinn the following week.

Mr. and Mrs. Harvey Allen and sons were dinner guests Sunday of her parents, Mr. and Mrs. Walto Wilson.

Mrs. Clyde Bagwell went to Plainview Friday and while there she visited for a short time with

Mrs. George Beedy and Mrs. Bill Burgett, the later of Clovis, New Mexico. Mrs. Burgett and Mrs. Beedy are sisters.

Mrs. Oran Hatley visited with Mrs. Cecil Payne Wednesday.

Mr. and Mrs. T. L. Perry were Sunday visitors in the home of Mr. and Mrs. Kay Crabtree.

Mr. and Mrs. Earl Thompson of Matador visited Sunday in the home of Mr. and Mrs. Galen Holland.

Tuesday night visitors in the E. W. Walls home were Mr. and Mrs. Walton Wilson, Mr. and Mrs. C. W. Denison and Mr. and Mrs. Clyde Bagwell.

Shirley Johnson spent Friday night with Jan Perry.

Mr. and Mrs. Grady Reeves of

Plainview visited Wednesday in the T. L. Perry home.

Mr. and Mrs. M. O. Stapleton of Plainview visited Saturday with Mr. and Mrs. Bill Tye.

Mrs. Pearl Fagan was a Sunday afternoon visitor in the home of Mrs. W. B. Wilson.

Mrs. L. E. Crabtree visited Saturday afternoon in the home of Mr. and Mrs. Kay Crabtree and Becky.

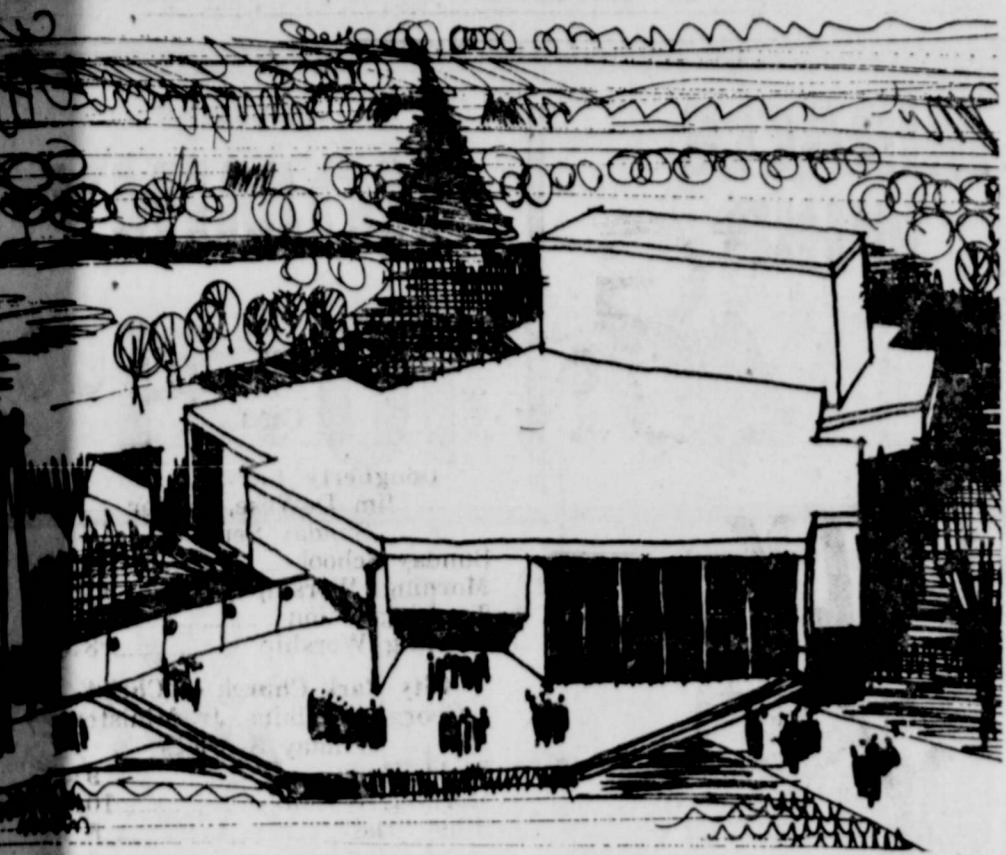

Wednesday the Golden Circle Sunday School Class met in the home of Mrs. W. B. Wilson for a luncheon and business meeting in the afternoon. Members answered roll call with a Bible verse. Present for this enjoyable meeting were, the teacher of the class Mrs. E. F. Stovall and members

Mrs. W. C. Sims, Mrs. R. L. Nichols, Mrs. Lelia Horton, Mrs. Pearl Fagan, Mrs. L. A. Marshall, Mrs. Vesta Savage, Mrs. Eva Newsome, Mrs. Smith, the hostess, Mrs. W. B. Wilson and a visitor, Miss Sue Thompson.

Becky Crabtree spent Thursday with her grandmother, Mrs. L. E. Crabtree, while her parents Mr. and Mrs. Kay Crabtree went to Plainview.

Mrs. Jewell Teague visited Sunday with Mr. and Mrs. Lindsey Graham and had dinner with them.

**ROYAL GETS DISTINGUISHED SERVICE AWARD**—Texas Press Association presented its first Distinguished Service Award on Jan. 22nd at the newspaper publishers' Mid-Winter Convention in Austin. Award was given to Darrell Royal, Athletic Director and Head Football Coach at the University of Texas. It was presented in appreciation of the national recognition which Royal has brought to the state through the gridiron prowess of his Texas Longhorns, plus his own ability and personality. TPA Pres. Aubrey McAlister, (left) publisher of the Bonham Daily Favorite, is shown with Royal as the two examined the copper engraved plaque which pictures the famed Longhorn coach. Presentation was made at an honor banquet attended by 300 daily and weekly newspaper publishers of Texas. Dave Campbell, sports editor of the Waco News-Tribune, spoke on "That Man Darrell". Jimmy Banks of the Austin Bureau of the Dallas Morning News added to the tributes paid the honoree.

### Veterans Ask

Q—A veteran dies and principal and contingent beneficiaries named in his NSLI policy are deceased. The proceeds of his NSLI policy are paid to the veteran's estate. Is the widow liable for income tax payment on this same money after she inherits it?

A—Yes, the money which the widow receives from the estate has lost its identity and would therefore be taxable.

### Cooper Funeral Held In Lockney

Services for Mrs. Carrie Francis Cooper, 85, pioneer resident of Floydada, were held Monday in the First Methodist Church in Lockney.

Mrs. Cooper died early Sunday morning in Lockney General Hospital.

She and her husband, the late John Cooper, moved to the County 58 years ago. She was a member of the Methodist Church.

Survivors include a son, Paul Cooper of Lockney; a daughter, Mrs. Ina Merle Borum, Borger; a brother, five grandchildren and seven great grandchildren.

**FLOYD DATA**  
 Mr. and Mrs. Cecil Baxter, Floydada, Texas, enjoyed a visit to Sarasota Jungle Gardens while vacationing on Florida's Lower West Coast. Here the visitors mingle with flamingos and other rare and unusual wild fowl from every Continent, which roam freely in these world-famous Gardens. Also of interest in Sarasota Jungle Gardens are thousands of tropical plants, many of which are beautifully colored, huge Royal Palms bordering dense jungle trails, and brilliantly colored macaws and cockatoos which pose with visitors for pictures.

## Floyd County Gas Users Meeting Set

The meeting of the Floyd County Natural Gas Users will be held next Monday, February 8, at 7:30 p.m. in the District Courtroom in Floydada, where a full report of all current activities will be made by officers and representatives from the Plains Board of Directors and their representatives.

The Plains Gas Farmers Cooperative Society has filed an application with the Federal Power Commission to purchase gas from Transwestern Pipeline Company at a flat rate of 26 1/2¢ per mcf, and it appears as if the application might be granted in the very near future, according to the association.

If the application is approved, those farmers near the Transwestern line will be able to get gas at 26 1/2¢ instead of paying 40¢ per mcf or more.

The annual dues to \$2.00 per well are again due and if it is impossible for anyone to attend the Monday night meeting, they may mail their check to the Treasurer of Floyd County Irrigation Gas Users, C.O. F. G. Jones, Jr., Rt. 1, Lockney, Texas.

## Heart

(Continued from Page 1)

Research Fellows, (D) Grants-in-Aid.

2. Professional and Public Education: Through a program of professional education, your Heart Association acquaints physicians with new knowledge so that it may be applied for the benefit of patients everywhere. This is done through scientific meetings, technical publications, teaching institutes, technical motion pictures and other audio-visual aids.

3. Community Service: The primary function of this activity is to assist physicians in providing the residents of a community those facilities and services needed to protect their hearts and to benefit from the new scientific knowledge which increases the likelihood of surviving heart attack.

Since 1960, the year after the first Heart Fund Campaign, these gains have been achieved:

The cardiovascular death rate for those aged 5-24 has declined 35 percent and for those aged 25-44 has decreased 10 percent.

Between the ages of 45-64, the death rate from high blood pressure and the heart disease it causes has dropped 36 percent among women and 50 percent among men. The death rate from strokes in the same age-group has declined 35 percent among women and 26 percent in men. Despite a 4 percent increase in the death rate due to heart attack, there has been an overall decline of 7.5 percent in the cardiovascular death rate among men aged 45-64 since 1950.

## Caprock

(Continued from Page 1)

Over in the area southwest of the High School Jimmy Willson and B. A. Robertson are formulating plans for a building addition near the location of the new convalescent home and hospital.

Due west, Bob and Ed Muncy have completed new homes.

LARRY MILLNER of the Texas Industrial Commission was in town Tuesday and looking over some possible sites for new industry in Floydada. He liked what he saw and here's hoping our new industrial committee can develop some new industry for Floydada.

OUR ANNUAL Chamber of Commerce banquet is set for 7 p.m. tomorrow night, and one of the state's most humorous speakers will be here for the occasion. Make your plans now to attend. And, by the way, if you need a ticket to the banquet, I just happen to have eight more, to sell!

SMOOTH BUMPING: Husband: "Well, my dear, I've carried you safely over all the rough places of life, haven't I?"

Wife: "Yes, I don't think you've missed one of them."

SAID THE kind old lady to the Internal Revenue clerk: "I do hope you'll give my money to some nice country."

FELLOW I know passes along this solution to all our problems

Each new born child would receive from the government a 4% bond for \$20,000, payable in 2 years. The interest, \$96 per month, would be paid to the child's parents. Each year the government would pay \$1,000 into a sinking fund to retire the bond in 20 years. The child, upon reaching the age of 20, would be paid \$20,000.

## Chamber

(Continued from Page 1)

fice, even his patients leave the office laughing.

Dr. Jarvis was educated at Brady and attended Texas A&M and the University of Houston. He is a graduate of the US Naval Academy, Annapolis, Maryland, and the University of Texas School of Dentistry, Houston. He holds a B. S. Degree in Engineering and the D. D. S.

He belongs to the Austin District Dental Society, Texas Dental Association, American Dental Association and Omicron Kappa Upsilon (National Dental Honor Society).

An elder in the First Christian Church, he is past president of the Texas Kiwanis Club.

During World War II he served as a carrier pilot, in the Navy for three years. He was also deck officer on the U. S. S. Langley.

He is also a speaker for Knife and Fork Clubs of America, Inc. and a member of the American Medical Association's Speakers Bureau.

The meal at the banquet will be prepared by Mrs. John McKinney and the ladies of the Floydada School Cafeteria.

## Loans

(Continued from Page 1)

and home operating expenses; and for the replacement or repair of buildings, fences, drainage and irrigation systems on individual farms that were damaged or destroyed by the disaster.

The interest rate for the loans is 3 percent.

Although a few farmers were affected by the drought last summer, the county enjoyed near record farm income.

According to an official at the local bank, farmers are beginning to feel the profit margin squeeze more and more, just as other businesses have felt for several years.

It used to be that a mediocre farmer could make a good living without a lot of effort, but now it takes a man with a lot of ability, and a good business head to make a decent profit margin on the farm today.

A spokesman for the local Production Credit Association office said Tuesday, that the firm had not refused people credit but the same equipment and land will not stand for as much money as it has in the past.

Even though other credit sources are continuing to loan money to the farmers, the FHA has had a booming business the past few days, much more than it normally has at this time of year, according to officials at the local office.

## Six More Weeks Cold Weather

According to tradition, the ground hog can emerge from his hole on February 2 and see his shadow, he will go back into the ground and bring six more weeks cold weather before spring arrives.

If the ground hog came out at almost any time last Tuesday he would have seen his shadow. However, if he slept late and stuck his head out at certain times during the afternoon, cold weather will be over, for the overcast wouldn't allow him to cast a shadow.

According to other weather prognosticators, snow can be expected this month, but no rain can be expected until sometime in March or April.

## Floyd Youths Win At Show

Floyd County youths enjoyed a share of the honors in the junior division of the Southwestern Fat Stock Show at Fort Worth Sunday.

Steve Belt, 17, Lockney, exhibited the champion heifer of the Junior Angus Show.

Belt, a senior at Lockney High School, owns ten head of registered Angus cattle. He got his start from his father, J. R. Belt, Jr., owner of the Belt Angus Farm.

Belt had exhibited at the Fort Worth Show three times previously, but this was the first time he had come up with a champion. Jerry Senter of the Green Acres Stock Farm near Lockney, exhibited the grand champion Hampshire ewe, a two-year-old ewe.

A couple, marrying at age 20 would thus have a capital of \$40,000. Work would be forever unnecessary for if they elected to have four children they would receive \$96 per month for each \$264 for the next 20 years. Then, too, the parents could invest their \$40,000 in government bonds at 4%, giving them a total of \$397 per month.

Where would the money come from? The government would furnish it! And where would the government get it? Better watch those kind of questions or people will think you're not with it! You know what happened to Goldwater.

# Whirlettes Break Friona Winning Streak; Winds Lose To Chiefs

## Boys Hang Onto Game Until Final Quarter, Lose Grip

The local teams split two games here last Friday night with the league leading Friona teams, and the girls created the possibility of being in a three-way tie for the championship if the games go according to local hopes.

The boys held onto the possibility of winning after leading at the end of the first quarter, being tied at the half, and trailing

by only two points going into the fourth quarter. However, the constant press, and the more accurate shooting of the Chieftains finally overcame the Winds, and left the Friona team undefeated in conference play.

In the girls' game, the Whirlettes were trailing 11-13 at the end of the first quarter, had erased that deficit and led 22-18 at halftime. However, during the third quarter, a powerful 11-point surge by the Squaws put them ahead by one point going into the final period as the score stood at 31-32.

Early in the fourth period, the Whirlettes put on their greatest effort of the ball game, and moved into a five point lead with five minutes remaining.

At this point, the forwards gave the ball to Shirley Rainer, and let her dribble the ball in a stall effort.

The Squaws let her get away with it for about a minute, then moved in and fouled her. The result was two points. Again the same situation occurred, and again, two points was the result. The third time this happened, Shirley made only one of the shots, but Dee Wilson got the rebound, so the locals were back in business.

The Whirlettes moved nine points into the lead with around three minutes remaining in the game, but Friona was able to cut that to only four points with a minute remaining. However, the stall again worked, and the locals ended the game leading 45-39.

Teto Jennings of Friona was the leading scorer in the game with 23. For Floydada, Dee Wilson led in the scoring department with 17, and Shirley Rainer who played only the last half as forward, had 13. Pat Pierce had 9 and Sharlotte, who played the first half as forward had 6.

In the boys game, Floydada took a commanding 20-11 first quarter lead, but let Friona knot the game up at halftime at 37-37. During the third quarter Friona nudged ahead to hold a 2-point edge going into the final quarter, with the score standing at 51-53. However, during the final eight minutes, the Chieftains went on the warpath and led as the final buzzer sounded 79-60.

Keith Teague hit 23 for the locals and Beardon sank 14. Marler added 13 to the Wind's cause. Buckley led the scorers from Friona with 23 and Danny

Murphree had 14. Lockney Against the Lockney teams both the Whirlettes and Whirlwinds were able to grab victories last week, and set a new record. During the girls game, Dee Wilson scored 51 points as she hit 70% of her field goals and 82% of her free throws. Pat Pierce had a field goal average of 78% for the game and 58% at the free throw line.

The locals jumped to an early impressive 27-14 lead as the first quarter ended, and held a 43-20 advantage at halftime. After intermission, the Whirlettes extended that lead to read 67-45 going into the final eight minutes. The local girls won the game by an 85-53 score.

Pat Pierce hit 27 points for Floydada, to follow Dee's 31, and Janette Dodson and Myra Quebe of Lockney had 10.

In the boys game, the locals took a 9-6 lead after a low-scoring first quarter, and extended that lead to 16 points as the score stood at 30-20 at halftime. Going into the final period the score stood at 46-37 and in the final period the locals led the game by gaining 25 points and allowing Lockney 13. The final count stood at 71-50, Floydada.

Keith Teague led the scoring with 39 points followed by David Lutrick with 11. Bob Kropp hit 20 for Lockney and Mathis added 14.

Tomorrow night the locals play Dimmitt at Dimmitt then host Abernathy Tuesday in the final game of the season.

## Dee Wilson Erases Old Scoring Mark

When the local basketball teams started the second round of conference play at Lockney last week, they started with a bang!

During the first game, Dee Wilson set a new school scoring mark by blasting in 51 points for the locals as they defeated the team from Lockney 85-53.

The old girls' scoring record was set by Jan Alexander in

TWO FOR TEAGUE—Keith Teague goes up for two points in the Whirlwinds game with the Friona Chieftains here last Friday night. The Winds let undefeated Friona come from behind to take the game 70-60. (Staff Photo)

## Della Plains Hornets Win District; Girls Finish 2nd

The Della Plains teams finished their district playoffs here last Friday night, when they played Snyder, and split the two

1963. Dee was taken out of the game after she broke the record and spent the last four minutes of the game on the bench, or the record would be a higher mark than the 51 points.

When the locals started the first round of play a few weeks ago, Keith Teague sank 50 points to set a new boys' scoring record.

games. The winner of each of the games was determined as the district champions, by virtue of 60 conference records.

The Della Plains Hornets won their game by a 50-63 count and the Hornets lost to their counterparts, and thus the championship by a 63-42 score.

The boys will now enter the state playoff tournament slated February 18, 19 and 20 at Prairie View, and compete with teams from the other five districts in the state for that crown.

In the girls game, the locals held their own against the Snyder six during the entire final half, but the margin accumulated by the visitors during the

opening half let them coast in for a relatively easy victory.

At the end of the first quarter, the Hornets had made only 6 points against the Snyder team while allowing the visitor's 12. During the second quarter Snyder again took the advantage and added 11 points while allowing Della Plains only 7. At halftime the score stood Snyder 23, Della Plains 15.

During the third quarter, the Hornets came to life and added 11 points and the Snyder team netted 10 to bring the score to 24-33, Snyder. During the closing period the visitors got 20 and Della Plains was able to sink only 18 to leave the final count 63-42, Snyder, and

Jewell Wilfa was the leader in the scoring department with 26, pushed hard by Robert Con-

give that team the championship. Shirley Minner made more than half the points for the locals as she sank 25, followed by Ruby Storey with 9 and Kathy Hearon with 8. For Snyder, Pearly Scott had 28 and Elma Garrett had 17.

In the boys game, the Hornets doubled the score of the visitors in the first quarter to lead 24-12, increased that lead by three points as they added 15 and allowed Snyder only 12 to make the score 39-24 at halftime. After the intermission the Hornets again added 24 points and let the visitors have only 12 but in the final eight minutes the two teams fought an even struggle and came up with 27 points on both sides of the score board to give Della Plains the game and the championship with a 90-63 victory.

Jewell Wilfa was the leader in the scoring department with 26, pushed hard by Robert Con-

**JEDD BLESSING**

The Whirlettes did themselves proud last Friday night by dropping the previously undefeated "Prima Squaws" in a conference battle.

The girls came from behind, after trailing by two points at the end of the third quarter, to jump ahead by five points in the fourth quarter with five minutes remaining.

The stall started by the forwards didn't work as well against Friona as it has against some teams, but it did throw them into a panic. Probably the first time in district play this year the Friona team was behind and began to feel the pressure of trying to play "catch up".

As the clock ticked off the seconds, the anxiety of trying to

overcome a five to nine point lead developed by a team of equal ability was more than they could stand. As the game ended the lead stood at six points, and the Whirlettes were in full command of the game.

The girls have been coached, on the stall, to not shoot unless it is an exceptionally good shot. That is why a normal shot is passed up occasionally by the locals, and the ball is passed back out to the center forward.

I don't know who the real tall girl from Friona is, Janet Rushing, I think, but things began to look bad in the third quarter when she, Teto Jennings, and a little blond headed girl, number 11, were playing the forward positions. When the Friona guards needed to get the ball across the

center line, they would just loft the ball, and let the Rushing girl reach up, far above the reach of any of the Floydada girls and catch the ball.

The same was true under the goal. If the guards tried to defend the plays, the ball would be lofted to the girl under the goal and she would put it in.

On one particular occasion it was interesting to see that she missed the first two shots she tried under the basket, but she was able to reach up and get the rebound each time, and on the third try she was successful.

Teto Jennings, the district's leading scorer did not make many points under the basket. Most of her 23 points were made from 10-15 feet out.

Good luck girls against the re-

maining teams, Dimmitt and Abernathy, and I hope Dimmitt can beat Friona.

The Whirlwind team missed a good chance to put a fine feather in its cap last Friday night, but it's hard to beat a team that has played as many good teams as Friona has and remain undefeated.

The locals led at the end of the first quarter, were tied at half-time, were two points behind going into the final period, and they couldn't get into the lead again. The boys, fighting all the way, missed a number of shots it looked as though they should have made. At one time the Winds had three opportunities to put the ball in the basket and they missed each try.

During the second quarter, the locals were eight points ahead of the Chieftains.

The Winds were able to defend the visitors fairly well and this was noted in the fact that their center was able to put in only three points during the game.

This fact of inexperience has been mentioned before, and the team will grow out of it in another year, but it's a costly lesson to learn.

I have no complaint about the officiating. Some calls they missed, but it worked out about equal for the two teams. It was noted early in the first quarter, that the person with the ball had the right-of-way, even if a defender was well set in a position and was run into by the person with the ball.

The Winds started going into the basket for awkward shots with the intention of having a foul called on the defender. However, the officials didn't think the defender was fouling, so the result would be a lost ball. This happened throughout the game, and it seems that the Winds would have waited for better shots, rather than throwing the ball away.

However, on a number of occasions the locals were able to gain the rebound, if they were on hand when the shot was made.

The Whirlwinds did give the Chieftains a good scare however, and were pressing them until well into the fourth quarter before the visitors got the score out of reach.

The Winds will complete district play with a game against Abernathy there next Tuesday night.

There is no book on which we can rest in a dying moment but the Bible—Selden

**Dougherty Beats Lakeview**

DOUGHERTY, Jan. 25 — The Lakeview and Dougherty school ball teams played at the Dougherty Gymnasium Friday afternoon with Lakeview winning the valley ball game and Dougherty winning the basket ball game. At this time there is no definite commitment but it is anticipated the Crane School team will play Dougherty this week.

Mr. and Mrs. David Crawford and son, Danny of Plainview, visited in the home of his parents, Mr. and Mrs. R. H. Crawford Saturday night and Sunday, Sunday afternoon Mr. and Mrs. A. C. Pratt and sons visited in the Crawford home.

Mr. and Mrs. V. V. Scott and children were weekend guests in the home of Mr. and Mrs. George

Scott of Canyon. Saturday they attended the ball game in which George played.

Steve and Gregg Jones were weekend guests in the home of their grandparents, Mr. and Mrs. F. D. Jones of Lakeview.

Rev. and Mrs. Dewese, Roxie, Bonnie and Jeanne were Sunday dinner guests in the home of Mr. and Mrs. Wayland Jones.

Mrs. Hubert Olson of Berkeley Heights, New Jersey, visited in the home of her sister, Mrs. Maurice Campbell, during the weekend. Currently she is visiting another sister in New Mexico.

Mr. and Mrs. Walter Miller of Sentinel, Oklahoma are house guests in the home of her brother, Orland Howard. Mr. and Mrs. Seton Howard visited with this group Sunday.

Tim and Cindy Ward of Floydada visited Mr. and Mrs. Orland Howard Friday evening.

Mr. and Mrs. Jim Morrison visited in the home of their son, Billy and family in Midland over the weekend.

Among the college students vis-

iting at home between students were Billy Don Colton, Daniel, Max Campbell, Robert Overstreet and Wayne Cagle. Mr. and Mrs. Hsi Dear Hsi, Tech students were guests of his parents Sunday.

Miss Carolyn Cates visited friends at Abilene over the weekend.

Terri, Kristi and Mark Cross are visiting with their aunt, Mrs. Henry Hinton, and family while their mother, Mrs. A. Groom is hospitalized at Methodist Hospital in Lubbock, following surgery.

Mrs. Terry Channing returned home after Sunday after being hospitalized several days.

Mrs. R. W. Overstreet had surgery recently at M. D. Anderson Hospital, Houston. She is reported to be convalescing nicely and is expected home this weekend.

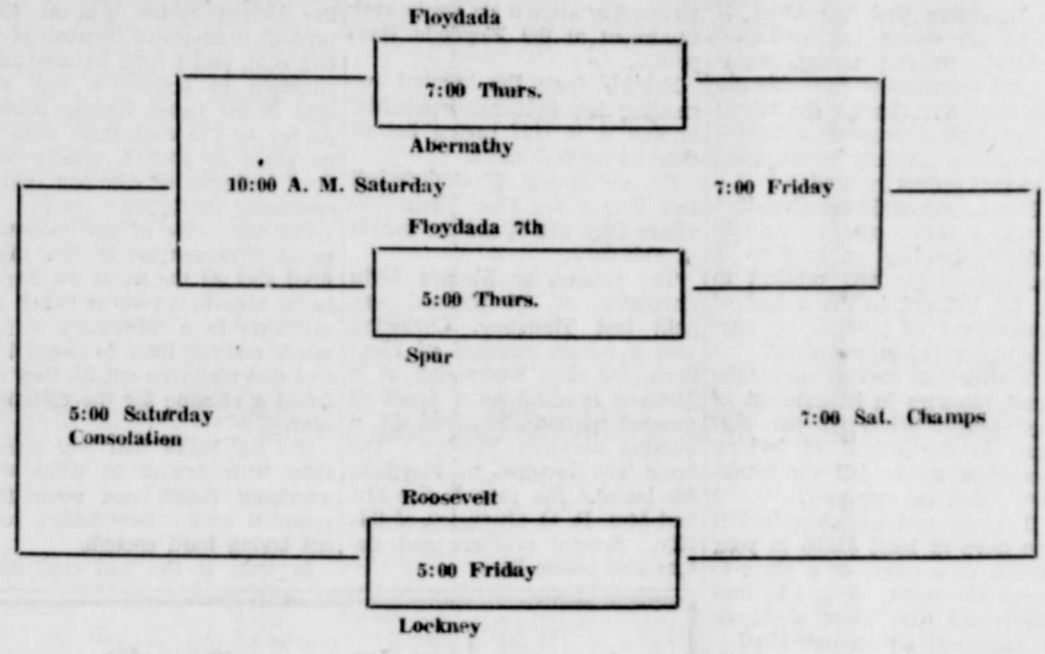

Mrs. Ron Davenport and son, Mr. and Mrs. Jim Morrison are staying in the Overstreet home while Mr. and Mrs. Overstreet are in Houston.

The Wendell Graham family spent the weekend in Lubbock.

The next home game will be tomorrow night against Plainview at 7:30 p.m. Last night the teams played Memphis, but the results could not be reported here. Next week the teams go to Quanah on Tuesday, play Childress Thursday night, then host Quanah Friday.

**Lt. Joe Rigby Hurt In Viet Nam Thursday**

Mrs. Ima Lee Rigby of Lockney, has received word that her son, Lt. Joe Rigby, 25, was seriously injured last Thursday while serving in South Viet Nam.

The telegram to Mrs. Rigby stated that her son was in a critical condition after being hit in the right thigh by small armed ground fire. A second telegram Friday to Mrs. Rigby said that Joe had been removed from the critical list and his condition was now good.

Lt. Rigby is a graduate of West Point and a 1958 graduate of Lockney High School. He was sent to Viet Nam on September 16, 1964 and has been on the battlefield most of that time, according to other news sources.

**Mrs. L. S. Simmons Dies In Lockney**

Rites for Mrs. L. S. Simmons, 78 year old Lockney woman, were held Sunday in the Shelton Funeral Home Chapel in Groesbeck. Mrs. Simmons died unexpectedly Friday at the home of a daughter in Lockney.

The deceased was a native of Limestone County and resided there until moving to Lockney in 1958.

Survivors include two daughters, Mrs. Leslie Cox, Lockney and Mrs. Lucille Rogers of Victorville, Calif.; three sons, Alvis of Dallas, Normie of Teague and Leldon of Port Neches; one sister; 12 grandchildren and 17 great grandchildren.

Burial was in Groesbeck Cemetery.

## THE ELECTORAL COLLEGE

That anachronism known as the Electoral College is once more under fire on Capitol Hill.

Scarcely had the new Congress opened for business when bills were introduced in both Senate and House proposing that something be done to update and streamline the process of picking the country's President and Vice President.

This is nothing new. Propositions of the same nature have been regularly advanced in each of the past several years. And just as regularly they have been quietly pigeon-holed and forgotten.

The time has come for some down-to-earth realism and action instead of talk on the subject.

A valid case has long since been made against the ponderous procedure under which electors meet six weeks or so after the balloting to affirm what everybody already knew had happened, and then wait another three weeks or so to inform Congress of the outcome.

The inequities inherent in allocation of all of a state's electoral votes to the winning candidate regardless of how minuscule his margin may be have likewise been well established.

### GUEST EDITORIAL

## THEY WANT TO HELP

A lot of attention has been turned on our state capitol in the last few days. A new set of state officials, executive and legislative have just taken office. Among this group of leaders stand very prominently some Methodist laymen. In fact the top three offices of the state are held by Methodist laymen. I know Preston Smith and Waggoner Carr very personally and I believe them to be sincere, well-meaning officials. I do not know Governor Connally personally.

Being Methodist laymen does not mean that they are beyond mistakes, will administer the affairs of the state in a "Methodist" way or that they will not "bow" to the many pressures which are heavy on officials for the "selfish and partisan."

One of the major problems facing our state officials and the legislature is the matter of tax dollars to pay the bills of state government. All our leaders are struggling with the matter of finances for the educational program. The needs are great and Texas is way down the list in facilities, facilities, and support of educational institutions. Every dollar increase means another another tax somewhere.

It now appears that there are two great "sources" of "counsel" and assistance in solving the problem: being offered in a most subtle and effective approach to the legislature and the governor. These two sources are the "something for nothing" crowd organized to turn Texas to the "open

As I see the situation today, there are TWO THINGS EVERY METHODIST CHRISTIAN NEEDS TO DO:

1. He needs to let his representatives know that he is opposed to any legislation that will give "open saloon" or "legalized gambling."

(Don't sit there and "fume" about "preacher talk" just write one more letter or postcard . . . or maybe the first one, but do it!)

2. Write also asking the legislative committee involved and the speaker of the House to have a "record vote" on these issues. (The means that every legislator must actually be recorded in committee and on the floor as to how he votes.)

Honorable John Connally, Capitol Building, Austin.  
Honorable Preston Smith, Capitol Building, Austin.  
Honorable Ben Barnes, Speaker, Capitol Building, Austin.  
Honorable Andy Rogers, Senator, Capitol Building, Austin.  
Honorable Ralph Wayne, Representative, Capitol Building, Austin.

A concerned citizen and pastor, C. Lutrick, (from Methodist Messenger)

## Letters To The Editor

Floydada, Texas Jan. 21, 1965

Dear Editor:

I have been reading the Hesperian for a long time and I have lived in Floydada for a long time, also.

I have noticed the past several months of the break-ins into various stores, even to one extent a local merchant is forced to sell out his stock in order to continue to operate a business in Floydada.

It seems as local law enforcement officers have been unable to cope with these break-ins to any reasonable extent.

It may be, instead of trying to look after the property of businesses, that they had much rather be out driving around harassing the young people of the town . . . giving them tickets for anything that the Chief of Police can dream up, from loud exhaust, parking wrong, wearing the wrong color shirt, bleaching their hair, having the wrong color eyes, interfering with police officer on duty or anything else that comes to mind.

It was my understanding that it was a police officer's duty to enforce the law as long as it is reasonable and prudent to do so, but to the extent of harassment of citizens or anyone else who happens along.

It seems as though they take great pleasure in harassment of the younger drivers in our city, even to the extent of locking teenagers up in jail for excessive noise, or vagrancy.

It is my understanding that if you have at least \$10.00 in your pocket, or a room, or a place to spend the night, or a job, that they could NOT place a charge of vagrancy on an individual.

I am in business in Floydada, and I hate to see the law officers take the law into their own hands to the extent of making up their own law.

Also, I have noted that if a teenage driver has an accident with an older person, the teenager automatically gets the ticket, regardless of who is wrong.

I think this is a matter the people of Floydada and the City Council should look into.

I am writing this to express my deep concern for the people and property and businesses of Floydada.

Yours Interested Businessman (name withheld by request)

who desire to share. Help is given to all individuals in need of assistance regardless of race, creed or church affiliation.

It is a Christian endeavor with great possibilities. As one of our elderly ladies, who had made a dozen baby gowns to donate, and came to the Center to mend and sew on buttons said, Jesus said, "If you have done it unto one of the least of these, you have done it unto me."

She said she was also reminded of James 2:15, 16; "If a brother or sister be naked and destitute of daily food and we say unto them depart in peace, be ye warmed and filled. Notwithstanding ye give them not those things which are needful for the body, what does it profit?"

Many families have been helped during this one month, that the Center has been operating. The Negro, Latin American and Anglo families of our community.

But we who serve have received the greater help in the service. For we cannot measure the joy that is ours, at the sight of little children's shining eyes and smiling faces for the gift of clothing and shoes. Or for parents with smiles and sometimes tears saying "thank you so much."

I shall not endeavor to call names lest I miss someone. Thanks to the radio station and local paper for the advertising of the Center and its needs.

Thanks to the scores of people who responded with clothing.

Thanks to each organization, business establishment and church that gave clothing and equipment. And to those who set up the equipment in the Center.

Thanks for money donations to put shoes on school children's feet. Thanks to elderly ladies who have made baby clothing.

Thanks to those who carry clothing home to launder and to mend.

Thanks to the women who sent me quilt scraps. From them I made seven little girls dresses, lined one coat and made three quilts. I am in a receptive mood, and hope that others do likewise, for I can use them.

And a great big Thank You to the many, many ladies, whose volunteer help is keeping the rooms in perfect order. And helping dispense the clothing to our customers. To the general chairman and her faithful helpers at the records desk.

Words fail me to express what I feel.

As one person expressed it the other day, "It is just the togetherness of it all that makes it so wonderful. We are learning to love so many people."

Just one of the helpers Mrs. W. S. Simmons

P.S. - A gentleman who came in to observe the Center remarked "I'd never have thought it would happen in Floydada. But it is and in a big way."

## Floyd County 25 Years Ago

(Feb. 1, 1940) in Floyd County

Mrs. Frances Allmon, 87 of Carr's Chapel, pioneer Floyd County resident, died at the home of a son on Jan. 31. Mrs. Allmon had been an invalid since suffering a broken hip 17 years ago and had been gravely ill the past week after suffering a stroke.

Funeral rites for M. P. Sparks, 84, were held Friday. Sparks died Thursday night after suffering a stroke of apoplexy and a brain hemorrhage.

An inspired band of Whirlwind Cagers broke the Lockney jinx Monday night, coming from behind the Longhorns to win with one point difference.

Thomas Montgomery returned to his home at TM Bar Ranch Wednesday after a six weeks rest treatment at the Floydada Hospital.

Reports from the hospital regarding the influenza epidemic, is that it is still raging but to date no serious cases.

Dr. and Mrs. A. E. Guthrie left last Friday for New York City where they will spend the month of February.

The funeral for Wallace Alvin Covington, 40, of Midland was held last Thursday. Covington was a former resident of Floydada. He died Wednesday at a Midland Hospital as a result of gunshot wounds received in a hunting accident Monday.

The body was brought to Floydada for burial. His parents are Mr. and Mrs. R. C. Covington of this city. Several brothers and sisters also reside here.

## Floyd Philosopher Comes Out, Almost, With A Drive To Whip The Common Cold

Editor's note: The Floyd Philosopher on his Johnson grass farm must have had a bad cold recently, his letter this week indicates.

Dear editor:

I was at a complete standstill out here on this Johnson grass farm yesterday hoping that the Great Society they include a battery for a car or tractor that won't ever go dead, draw its energy from the sun or a television tower or anything just so when you push the button something happens, not that dead silence that makes a man despair before his day starts.

Then I got to thinking. While I was at a standstill because of a dead battery, the President of the United States was at the time at a standstill because of a bad cold, and I hope he used the situation to include a war on cold in his Great Society plans.

As far as I'm concerned, there's no place in such a society for dead batteries or common colds, especially the latter.

For the price of one nuclear-powered submarine or one misfired shot at the moon we ought to be able to set up a bunch of scientists in a laboratory somewhere and tell them to forget the cost and not come out till they've found a vaccine for the common cold.

It's my belief that any scientists with brains to whip the whooping cough can whip the common cold. Somebody's just not trying hard enough.

In fact, if the bad cold had

been fatal, we'd already have whipped it, but so long as it just makes people feel miserable, everybody seems to think it's something we have to endure from now on, like droughts and floods and nagging wives, but I don't agree. In fact, I'm toying with the idea of national March of Dimes to stamp the thing out. I won't have time to be chairman, I've got to go. (See FLOYD, PH)

# Notice Gas Users!

Dear Fellow Member:

It is time to go to Austin again! Your Board of Directors of the Plains Irrigation Gas Users Association at its regular meeting in Hale County night (January 14, 1965) appointed a Legislative Committee to determine the advisability of introducing your gas bill into the Legislature which will give all irrigation gas users a right to buy gas at a fair and reasonable price by making irrigation gas rates subject to review by the Railroad Commission. Your help in Austin will be needed if we are to pass our legislation.

The Plains Gas Farmers Cooperative Society has filed an application with the Federal Power Commission to purchase gas from Transwestern Pipeline Company at a flat rate of 26 1/2¢ per mcf, and it looks as if the application might be granted in the very near future and that these farmers near Transwestern line will be able to get gas at 26 1/2¢ instead of paying 40¢ mcf or better. Many more farmers in the area of El Paso Natural Gas Company line anticipate similar applications in order to buy gas direct from Paso at a still greater savings than those farmers who will be able to purchase from Transwestern.

Much work is to be done and a great deal of activity is planned for next ninety to one hundred twenty days which will be very critical not only insofar as the legislation is concerned, but also with respect to the purchase of gas from other natural gas resources.

Your Floyd County meeting will be held on the 8th day of February 7:30 p.m., 1965, at the District Courtroom in Floydada, Texas where a report of all current activities will be made by officers and representatives from the Plains Board of Directors and their representatives. It is hoped that every irrigation farmer in Floyd County can and will be present for the meeting.

Your annual dues of \$2.00 per well are again due and if it is impossible for you to attend the meeting, please mail your check to the Treasurer, Floyd County Irrigation Gas Users to F. G. Jones Jr., Rt. 1, Lockney, Texas.

Board of Directors, PLAINS IRRIGATION GAS USERS ASSOCIATION.

# BOY SCOUT WEEK

55th ANNIVERSARY

- FEBRUARY 7-13

SCOUTING IS ALWAYS THOUGHT OF AS HIKING, CAMPING AND FUN. BUT SCOUTING IS MORE THAN THIS. IT IS A GREAT FORCE IN BUILDING GOOD AMERICANS, AND DEVELOPING FINEST CHARACTER

A SCOUT IS...  
**TRUSTWORTHY**

Whether at work or at play our dealings with other people are based on trust. If we can't trust people, the great work of strengthening the American way of life would soon come to an end. We want to be worthy of great trust.

**Higginbotham  
Bartlett  
Lumber Co.**  
T. L. HOLLAND, Mgr.

A SCOUT IS...  
**LOYAL**

Many Americans have shown their loyalty to their country by giving up their lives. But there are many everyday ways of being loyal. The success of any plan depends on the dedicated loyalty of its planners.

**Quality  
Body Shop**  
JOHNNY SUE

A SCOUT IS...  
**HELPFUL**

A Scout is always prepared and does a Good Turn daily. The important thing about Good Turns is that they are done for the sake of helping others. A Scout not only knows what to do but does it!

**PARKER  
STUDIO**  
"Your Personal  
Photographer"

A SCOUT IS...  
**FRIENDLY**

The moment a Scout joins a patrol and a troop he enters into a brotherhood. Boys from many nations and religions are brothers together under the Scout Oath. A Scout's friendship is a fine expression of this brotherhood.

**McDONALD  
IMPLEMENTS**  
ALLIS  
CHALMERS HOLLAND

A SCOUT IS...  
**COURTEOUS**

A Scout is always a gentleman. Good manners always please and attract people. But good manners, in reality consideration of others, will make a Scout a much finer man. Every day a Scout has many opportunities to show courtesy.

**LIGHTHOUSE  
ELECTRIC  
COOPERATIVE**

A SCOUT IS...  
**KIND**

The virtue of kindness may be shown to the entire animal world. We all know how pets respond to kindness. The more a Scout knows and grows, the more he will express kindness.

**DANIEL  
AUTOMOTIVE**  
KELVINATOR  
REFRIGERATORS

A SCOUT IS...  
**OBEDIENT**

All great leaders learned to lead by first learning to obey. A good Scout obeys his parents and his patrol leader. From this obedience the Scout learns how to accept responsibility and how to become a leader, himself.

**CITY AUTO**  
Incorporated  
BUICK - PONTIAC

A SCOUT IS...  
**CHEERFUL**

There are many people who always see the bright side of all things. Then, there are others who always seem to be happy. By learning to overcome difficulties with a smile, a Scout grows up to become a real man.

**HASLEY

A SCOUT IS...  
**THRIFTY**

Being thrifty doesn't necessarily mean saving money. Taking good care of things is also a way of being thrifty. Protecting and conserving our country's natural resources is a very important way for a Scout to be thrifty.

**Floydada

A SCOUT IS...  
**BRAVE**

The Honor Medal, the highest award a Scout can receive, is given when a deed required real heroism. But there are many other ways to show bravery. To do what is right, to speak the truth and to admit mistakes take bravery, too.

**MARTIN  
&  
COMPANY**

A SCOUT IS...  
**CLEAN**

When a Scout plays hard and works hard he can not help getting dirty. But afterwards this dirt washes off. There is another kind of dirt, in a mind, that is not easy to get rid of. Only with persistence is a Scout's clean outlook maintained.

A SCOUT IS...  
**REVERENT**

Reverence is shown when a Scout serves God, his everyday actions and is faithful to his religious obligations. A Scout also respects other people whose religions may differ. All Scouts are committed to reverence.

**Bond Goal**

(Continued from Page 1)

Savings Bonds Committee I extend heartfelt congratulations to the many thousands of Texans who assisted us in making the program a success. Bond sales in Floyd County during 1964 totaled \$318,027. This represents 151.4% of the 1964 goal. Mr. Don Pemberton serves as Floyd county chairman.

own to see about this battery. I guess you could send your money to The Hesperian and let publisher Wendell Tooley send it on to President Johnson, earmarked for the war on the Common Cold. There's nothing more ridiculous than a group of fire-honed scientists hovering at the base of a ten-story, multi-billion dollar rocket aimed at the moon having to postpone the flight on account of one of the astronauts has come down with a cold. Yours faithfully, J. A.

**ASCS**

(Continued from Page 1)

the 1965 Wheat or Feed Grain Program on one or more farms, you must not exceed the wheat allotment or the feed grain base on all farms. If the feed grain base is overplanted on any farm in which you are involved, you will be out of compliance on all farms in which you have an interest. Renting or cash-leasing a farm to another producer to avoid close compliance between farms is also prohibited. Even though you may not have a controlling interest or do not supervise the operation of a farm, if that farm is out of compliance, all farms in which you have an interest will be out of compliance. If you have any questions in regard to this, please check with ASCS office NOW!

**DESIGNATED - DIVERTED ACRES:** Cropland designated as diverted acreage under the Wheat and Feed Grain Programs must be at least 3.0 acres in size to qualify. Diverted acreage must not be grazed between May 1 and November 1. No crop, unless approved as a substitute "non-serpulus" crop may be harvested from the diverted acreage. At this time we do not know what substitute crops may be grown on diverted acres or what the fates will be. Designated diverted acreage must be devoted to approved conservation uses. Land which is turn-rows, ditches, wet low-lying areas, droughty knobs or banks, other areas which normally will not produce a crop, and strips of less than four normal rows in strip planting patterns is not eligible for designation as diverted acres.

**CHANGE IN OPERATION:** If you operate or own a farm other than one operated or owned by you in 1964, please let us know in order that all records for the farm involved may be corrected. Also if your mailing address has changed, please send the corrected address.

Very truly yours,  
Thomas J. Hutens  
Office Manager  
Floyd County ASCS

**Feed Grain Program Changes Are Outlined**

Feed grain supplies for the present marketing year are down six percent from last year. Demand is expected to remain high and prices probably will average a little higher during the 1964-65 marketing year than for the year just passed, says John G. McHoney, Extension economist of Texas A&M University.

Supplies have dropped during three of the last four years and the carryover at the beginning of the 1965-66 marketing year is expected to be around the 58 million ton level. This compares

with a carryover of 63 million tons at the start of the present marketing year and the record of 85 million tons in 1951-52. The reduced carryover is the result of a 1964 feed grain crop estimated at 10 to 12 million tons below total disappearance.

Feed grain acreage, according to the economist, was down 5 percent from 1963 and 21 percent below the 1959-60 average, the base period for the Feed Grain Program. Fewer acres and lower yields in 1964 accounted for the 12 percent drop in total production.

Livestock feeding rates have been influenced by rising feed costs and declining prices for livestock and livestock products. Domestic use of feed grains is expected to drop slightly during the present marketing year. Exports, on the other hand are expected to equal or perhaps exceed last year's record of 18.7 million tons, says McHoney.

The economist believes prices will continue the general upward movement of the past three years. Prices received by farmers rose slightly in 1963-64 from the year before and were up about 10 percent above the post-war low of 1960-61.

and Rachel and the Joe Jacksons one day last week.

Mrs. Bud Cox boarded a bus in Lubbock Saturday night for Denver, Colorado, where she will spend an indefinite time with her daughter and family, Mr. and Mrs. DeWain Hilton and Kristie. Mrs. Hilton underwent delicate eye surgery two weeks ago in a Denver hospital and is scheduled to go to her home soon.

Sunday afternoon visitors of Bill and Zeke Robertson were Mr. and Mrs. Thurman Richards and family, Dwayne and Wesley Phillips and Don Boydston, Ralls and Spike Wideman.

Diane Harris spent Friday night with Tressa Heinrich and on Saturday Mr. and Mrs. Marvin Heinrich returned to her home and were supper guests of Mr. and Mrs. Howard Harris and family. Mr. and Mrs. Helman Carstenn, Jr. and Dany of Ralls called later in the evening. Mr. and Mrs. Jimmy Dale Daniels of Leveland were supper guests of the H. R. Nances and Joe Jacksons on Saturday night. They were here to attend the wedding of Miss Carolyn Williamson and Harvey Wampler which was Saturday afternoon at the Assembly of God Church in Ralls.

Saturday evening Mr. O. W. Denning and his brother, Douglas Denning, Perryton, visited with Mr. and Mrs. Clinton Denning. Friday night and Saturday guests of Mr. and Mrs. Clay Kimbrough were their daughter and family, Mr. and Mrs. James Williamson, Mark and Rene, San Angelo. Additional guests for lunch on Saturday were Mr. and Mrs. Bob Kimbrough, Elisha and Keim, Ralls.
