

# THE FLOYD COUNTY HESPERIAN

FLOYDADA (FLOYD COUNTY) TEXAS, THURSDAY, FEB. 11, 1965

NUMBER SIX

## Snow And Rain Bring Crop Saving Moisture To County

### County Ginners To Sponsor Cotton Meeting Here Tonight

### Almost One-Half Inch Can Keep Crop Alive

The Floyd County cotton ginners are sponsoring a meeting of business men and cotton growers in the Floydada High School auditorium tonight at 7:30 p.m. The purpose of the meeting will be to discuss the planned 25c support price of cotton.

A similar meeting was held recently in Ralls and drew about 500 area farmers to protest the planned price.

Speakers at the meeting will be Roy Faulkner, president of Plains Cotton Growers; Wilmer Smith of Secretary of Agriculture, Orville Freeman's cotton advisory committee.

A portion of the letter sent to area farmers inviting them to the meeting states:

"Will you be satisfied with 25c cotton? Indications are that cotton will continue to go down in price under the present cotton program. Recent action by the Secretary of Agriculture, Orville Freeman, has lowered the loan price to 1c per pound for the 1965 cotton crop.

"The economy of this entire area is based primarily on cotton. We have experienced a \$12-50 per bale cut in cotton in 1954,

and a contemplated \$5.00 per bale cut for 1965, with no reduction in the cost of production.

"We feel that there are two vital questions that you, the cotton producer, and businessman should have answers to from people who have first hand knowledge of the cotton industry. These questions are 'Where is the cotton industry today, and where will it be tomorrow?' Regardless of your beliefs concerning the present cotton program, we feel that you, as a responsible party, are entitled and obligated to have these questions answered.

"May we urge and impress upon you the importance of this meeting to you, the cotton producer, the ginner and the businessman of this area."

Jack Johnson will emcee the meeting.

SAM PUCKETT

### Country Club Elects New Officer Slate

At a recent meeting held in the Lighthouse Electric building, the Country Club members elected a new slate of officers and named the chairman of several of the working committees.

At the helm of the organization is the new president Sam Puckett who appointed the following members to several of the committees:

O. M. Watson, finance; Bill Hale, Swimming Pool; Gerald Vinson and Red Watts, Golf Course activities (including tournaments); Red Watts, Building and Grounds; and Dr. W. J. Mangold, Planning and Development.

The hold-over directors include J. B. Bishop and Olin M. Watson, Jr. They are joined by new directors Red Watts, Puckett, Mangold, and Hale.

David Campbell is staying on the board, ex-officio, as bookkeeper, or secretary-treasurer.

The ground hog took his job literally last Tuesday when he looked out, saw his shadow, and went back into his hole to bring the area six more weeks of cold weather.

A cold front moving through the area dumped rain and snow, with moisture amounting to .42 of an inch, according to the ASC office in Floydada.

At this writing more was expected Wednesday afternoon and Wednesday night, that will greatly aid the crops when coupled with the amount already received.

The .42 of an inch received in Floydada, will keep the dryland wheat alive and thriving another two or three weeks, but if more moisture does not come soon, some of the dryland wheat will be marked off as a loss, and the only benefit will come from the grain grazing that has been done.

### City Accepts Lockney Heart Fund Challenge

Mrs. Forrest Mickey of Lockney put forth a challenge to the Heart Fund workers in Floydada this week, and it was graciously accepted by the local group. Mrs. Mickey is in charge of the drive in the Lockney area.

During the challenge, Mrs. Mickey wasn't reluctant to boast of the \$1,107 raised by her group last year during the Heart Fund Campaign.

Sue Lovell, adult leader of the Floydada 4-H club, the organization responsible for funds in the Floydada area, said Tuesday Floydada would accept the challenge. Although some of the adults working with the fund are handicapped in that they are working. The children who are club members will secure the funds.

Randie Jordan and Vicky Hadamek are co-chairmen of the fund drive.

Saturday, February 13, the 4-H club members will be on the streets of Floydada with containers and hearts. When a donation is given, a heart will be pinned on the donor.

Heart Sunday in Floydada has been set for February 21, and is dedicated to the late Madison Polk Goen of Floydada.

According to reports from ASC office, 160 farmers were in that office Monday and Tuesday to sign up for the new Fed. Grain and Cotton programs for 1965. The farmers have from last Monday until March 26 to sign their intentions to participate in the programs.

One of the most tempting features of the new cotton program is the Domestic Allotment clause which actually guarantees a farmer a certain income if he plants only his domestic acres in cotton (65% of the effective allotment) and puts the other 35% in some other crop as long as it is in compliance with the feed grain program.

A person is then paid 42 1/2¢ a pound multiplied by the normal yield per acre, multiplied by the number of acres planted in cotton. The crop may be planted solid or in any skip-row fashion the operator desires.

### JOHN SMITHERMAN FOR CITY COUNCIL

At press time Wednesday John Smitherman had filed at the city Smitherman had filed at the city Council in Floydada. Mayor S. W. Ross has also filed for re-election.

### Long-Range Plans Surveyed By Gas Users Association

At a meeting of the Floyd County Gas Users Association held in the District Courtroom Monday night, the group looked over some of the long-range plans of the organization to get the natural gas used on their farms at a fraction of the present cost.

The cost presently paid by the farmers is around 40¢ per mcf, and the proposed action of the organization would make the gas available at 25¢ per mcf.

The group has sent an application to the Federal Power Commission to get approval of changing from Pioneer to either Transwestern, or El Paso Gas companies.

If the application is approved those farmers near the Transwestern line, in the northcentral part of the Plains would have gas available from that line, and those having access to the El Paso lines would be able to tap that line.

The Transwestern line runs almost parallel to U. S. Highway 50, from Clovis through Canyon and in a northeasterly-southwesterly direction. The El Paso line See PLANS, Page 6

### Dog Day Set In Floydada February 20

Bill Feuevagher acting City Manager, says the Annual Dog Day Vaccinations will be held in the city hall from 10 a.m. until 4 p.m. Saturday, February 20. Dr. Tom Theford, local veterinarian, will be administering the shots.

The cost will be \$3.50 for each animal. The \$2.50 will be for the shots, and \$1.00 will be paid for the license, or dog tag.

All Floydada residents who have dogs for pets are urged to take advantage of this opportunity to get the license and rabies shots for the coming year.

### Black Assumes Management Of PCA At Tulia

Billy Black, who has been assistant manager of the Floydada branch of the Plainview Production Credit Association has assumed the management of the Tulia branch, effective February 4.

This is the second person within a week to take a job at Tulia. City Manager Olen Petty resigned a couple of weeks ago to assume the position of City Manager at Tulia.

Black and his family moved to Floydada just over a year ago, and he has served as fieldman for the local office during that time.

The Tulia position became vacant when the former manager became the president of the new State Bank at Tulia.

## Reed Ford And Mercury Sales Schedules Grand Opening This Friday And Saturday

The Grand Opening of the new Reed Ford and Mercury Sales on the Ralls Highway has been set for this Friday and Saturday, February 12 and 13 from 9 a.m. until 8 p.m. each day.

The firm, described as complete in every respect, has almost every feature a car dealer can hope for.

Ray Reed, owner of the firm, said, "It should be complete, we

planned it that way, and waited long enough to get it."

The large insulated glass and metal building has become almost a landmark, since its construction was completed shortly before the end of 1964.

Almost every feature of the building and service department is termed outstanding.

In other service departments, one of the biggest drawbacks for

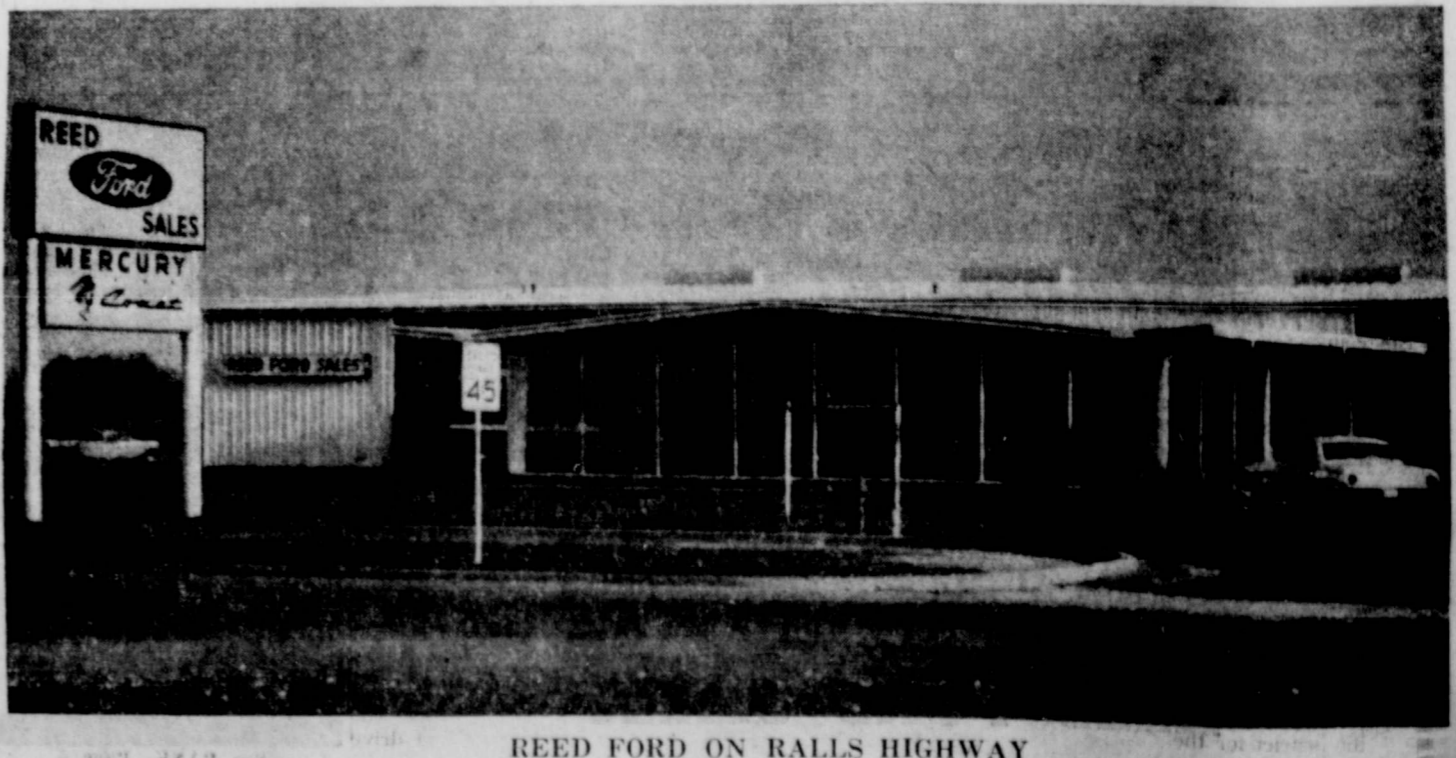

the mechanic, normally, is that in cold weather, the shop is always cold. However, this is not the case at Reed's. The back shop is heated by six large gas heaters, suspended from the ceiling, surrounded by large reflectors, that keep the shop at a very comfortable temperature even during the coldest weather.

The showroom of the building, capable of holding five new cars,

is enclosed on three sides by glass, and is enclosed on the fourth side by the toasted elm paneled waiting rooms, lounges, and offices. The interior of the offices is paneled with walnut veneer.

As one enters the building, he enters the showroom, and to reach the service area, goes down a hallway that, too, is

NEW PRESIDENT TAKES OVER — Wendell Tooley, right, incoming president of the Floydada Chamber of Commerce, is shown presenting a past-president's plaque for out-

standing community service to Wayne Brown, outgoing president. The presentation was made at the Chamber of Commerce Banquet held last Friday night. (Staff Photo)

### Jarvis Leaves Chamber Crowd In Uproar Of Laughter Here

Over 400 people were left with tears in their eyes from the laughter created by Dr. Charles Jarvis, dentist from San Marcos, who was the speaker at the annual Chamber of Commerce Banquet held at the high school last Friday night.

His speech was stopped several times by the laughter of the crowd as he spoke on the "Happy Life." The first few minutes of his hour-long speech set the mood of the group as he fired one humorous remark after another until he started into his speech proper. In the body of the speech the points he was emphasizing were made more understandable with bits of humor added at the proper time.

However, in his speech he mentioned, that among other traits for the happy life, a person must possess a sense of humor, congeniality, tolerance, friendliness, and many others.

"As far as the Floydada Chamber of Commerce is concerned, the members should stress human relations and public relations," Jarvis stated.

He went on to say that public relations was something like oil, in that before a person can pass it on, he must get some on himself in the first process.

A number of people attending had heard Dr. Jarvis speak before, at various meetings across the state.

George Elkins, minister of the City Park Church of Christ, gave the invocation, and Wendell Tooley, chamber president elect 1964-65 introduced the many guests.

This was followed by the introduction of the current officers and directors by Wayne Brown, emcee and outgoing president, and the introduction of the speaker by Andrew McCulley, DDS.

After the address by Dr. Jarvis, incoming president Tooley presented an engraved plaque to outgoing president Brown for outstanding leadership during the past year.

As guests were being seated and during the meal, the group was entertained with organ music by Miss Debra Brandes, of the Providence Community. The organ was furnished by Metaney's Music Co. of Lubbock.

The meal was prepared and served by Mrs. John McKinney and the women of the Floydada School Cafeteria.

The Floydada Home Ec. girls aided with the serving of the meal.

JIMMY SEAY

JEFF GLAZNER

### Seay Promoted In Local Bank; New Cashier Named

At an organizational meeting of the First National Bank of Floydada in January, Jimmy Seay was appointed executive vice president and advisory director according to Clay Henry, president of the bank.

A new cashier was also appointed. He is Jeff Glazner, formerly with the National Bank of Sweetwater. Glazner and his family will move to Floydada Saturday, Feb. 13 and will reside at 811 W. Jackson. He will be on duty at the bank Monday, the 15th.

Seay has been associated with the local bank as vice president since November 1, 1963. He came here from the National Bank Examining Force at Dallas.

Prior to that Seay was employed by the Lubbock National Bank at Lubbock for six and one-half years. He is a graduate of Texas Tech with a major in finance.

Seay is active in church and civic affairs and at present is superintendent of Young Married People's class and assistant associate of the Royal Ambassadors of the First Baptist Church. He is a member of the Rotary Club and this past year was chairman of the city fund drive for the March of Dimes.

Approck Chat

by WENDELL TOOLEY

ENFORCEMENT is one of the big items of operation in this business man's world. From the size of Floydada to the big metropolitan city is disliked, appreciated, understood by the motorist. If you break a law, it's to dislike the law official. You need help... he is appreciated.

3. A considerable amount of dissatisfaction has been generated lately in the Floydada city police force. There have been complaints about being too stiff, a lack of understanding and more than and understanding by the officials.

2. Last week a Floydada business man wrote us a letter stating that the city police spent too much time chasing teenagers instead of hunting out burglars. No, it's like the philosopher says there are three sides to every coin... my side, yours, and the right side.

18. Other side of this problem was well presented by a young man in my Sunday school class Sunday. The discussion was around how to treat teenagers and last week's letter was discussed. This was in his opinion... the teenagers turned on the plugs and drained the water supply in the city police car. There was a time of 24 hours when the entire district could have burned when not a drop of water was available.

Let's look at that third side of the coin. We tax payers can't afford a police force that can be on duty at once. It's possible that some teenagers have been "ever fined" and this should be considered carefully by the city and the police force.

APPROCK, Page 6

### Local Teachers Do Not Support Governor's Plan

According to Superintendent of Public Schools, A. E. Baker, local teachers do not favor Governor's teacher pay raise. Instead they are in favor of the bill submitted by the Texas Teachers Association, comparing the two bills it is felt that there is a variance in cost and the distribution of cost in regard to how it is

### School Board Hires Coach and Principals

Businessmen selected as assessor for the school's insurance another year. James will handle the school's insurance.

### Tax Collector Assessor

tax collector-assessor manager David Eaton that over 93% tax extremely good and the interest of the people for the schools. members were present.

### Field And Kitchen News

**CELEBRATE LINCOLN'S BIRTHDAY WITH A SPECIAL DINNER**

To do so we might serve the family something special on that occasion—such as: Ham with a snappy cherry sauce, parsleyed potatoes and green peas; with either a chocolate log or a delicious cherry pie or maybe some cherry tarts, for dessert. Easy-to-use and efficient portable electric appliances can make this menu a treat for mother, too. An electric skillet works out nicely for the ham. Electric stewpans may be used for cooking the vegetables or if you do not have the electric stewpan a warming tray will keep them at just the perfect temperature for serving. No worry, if dinner is delayed the food will stay tasty and piping hot.

**CHOCOLATE LOG**

Prepare your favorite recipe for a jelly roll cake and chocolate frosting for a two-layer cake.

Unroll cooled cake and spread with frosting. Roll and refrigerate until ready to serve.

**CHERRY TARTS**

**PASTRY FOR TART SHELLS:**

- 3 cups flour
- 1 teaspoon salt
- 1 cup shortening
- 1 egg
- 1 tablespoon vinegar
- 9 tablespoons water

1. Sift flour before measuring.  
2. Be extra careful in the accurate measuring of the shortening.  
3. Be sure to use the correct amount of water.  
Thoroughly blend flour and shortening. Beat eggs lightly, add water and vinegar.  
Add to flour and shortening mixture.

**CHERRY FILLING FOR TART SHELLS:**

- One No. 3 can red cherries drained
- 1/2 cups cherry juice
- 1 cup sugar
- 1/4 cup cornstarch
- 2 tablespoons butter

Few drops red food coloring  
Combine sugar, cornstarch, salt and juice. (Add water to make 1 1/2 cups juice if necessary.)

Cook until thick stir constantly. Add the drained cherries, butter and food coloring. When cool pour into tart shells. Serve with whipped cream if desired.

Mr. and Mrs. John Cline of Snyder, spent the weekend with her parents, Mr. and Mrs. Melvin Henry.

Mr. and Mrs. Alton Higginbotham, Kelly and Bryant, spent Sunday with his mother at her home near South Plains.

Mr. and Mrs. Pete Hickerson spent Friday night in Lubbock with their daughter and her husband, Mr. and Mrs. Jerry Bourland.

**LIGHTING IN THE HOME**

We are told that about 90 percent of what we learn comes through our eyes. We all learn by seeing, and of course seeing is the only reason for lighting.

Electric lamps give us a powerful source of light, yet we often misuse it, and overlook our eyes. Have you ever noticed that when your eyes are tired you are tired, too? That is why we need to understand more about light and how to use it. Good lighting is important in your home to help you and your family see to work well, and to read and to play. It is also important in making your home look as cheerful and pretty at night as it does during the daytime when the rooms are filled with sunlight. One way to learn more about using lighting equipment correctly is to know more about the light bulbs that furnish the light. It is important that the right bulb is used in the right place.

We might start by looking at a clear light bulb. We don't use these clear ones very often any more, but if we look at a clear bulb we can see the parts of the light bulb. It is made of three main parts: a glass bulb, a metal base, and a finely coiled wire. As the electricity passes through the wire, it becomes so hot that it glows brightly and gives light. That is the way every incandescent bulb "lights" regardless of its finish, size, or shape. Light a clear bulb, and see how uncomfortable it is to look directly at this bright bulb. That is why we don't use them in our homes very often today.

The inside-frosted bulb was developed to reduce the glare of the clear bulb. If you light an inside-frosted bulb you will notice that the glare is less than that of the clear bulbs, but there is still a bright spot on the bulb near the center.

One of the newer finishes is the white coating on the inside of the bulb. By lighting the white bulb, you will see that light is spread over the entire bulb surface. The bright spot near the center has disappeared. But in any case the same amount of light is given off by each type bulb of the same wattage — clear, inside frosted or white.

A bare lamp bulb hanging in a living room, kitchen, or other part of the house will give glaring light. This light causes eye strain, headaches, and tired eyes. The answer to this problem is to get rid of the glare. In its place, choose a lamp or fixture that will furnish more comfortable lighting. Attractive bulbs and shades can be bought at a low price. Here are four inexpensive ways to "get rid of glare":

1. Use shades on fixtures.
2. Change the bulb.
3. Try indirect light.
4. Choose a good lamp shade.

**SOMETHING TO THINK ABOUT:**

Salesman: "Madam, you can buy this food freezer for what you save on your food bills."  
Housewife: "Yes, I know, but we are buying our car on the bus fares we save, our washing machine on the laundry bills we save, and our house on the rent we save. We just can't afford to save any more right now."

### Court Records

(Marriage Licenses)  
Robert Leon Grubbs and Taffy Ann Lowrance, Feb. 9.

(Criminal Docket)  
State of Texas vs. Roy G. Hodges, Slater, bad check, defendant pleaded guilty. Fined \$1, plus court cost and one day in jail.

The regular Second Sunday

### Local Methodist Church Begins

**Radio Program**

THE WORD AND MUSIC OF THE CHRISTIAN FAITH is a new program beginning on Sunday morning from 8:45 until 9:15 on station KFLO Floydada. The host and narrator for the program is Charles Lutrick, pastor of the Floydada Methodist Church.

The program is focused in the messages and concerns of the Christian faith and the great Christian hymns and music.

The program is being presented in this area through the joint cooperation of the Radio and Television Ministry of The Methodist Church and station KFLO.

Mr. Lutrick suggests that THE WORD AND MUSIC will make excellent preparation for home listening as families are preparing for Sunday School and worship in their own church.

Some of the programs are entitled "Hymn Writers", "Loneliness", "Belonging", "Favorite Hymns", "Prayer", "The Bible".

Singing will be held February 14 in the Fellowship Hall of the First Methodist Church in Floydada.

Singers are expected to attend from Lubbock, Plainview, Silverton, Spur, Jayton and several other towns.

A large group is expected, and the public is invited to attend and enjoy good old fashioned hymn singing.

### Rites For Mrs. Nettie Hough

**Held Tuesday**

Funeral rites for Mrs. E. L. (Nettie) Hough, 88 year old Floydada woman, were conducted Tuesday afternoon in the First Baptist Church. Rev. Floyd C. Bradley, pastor officiated.

Mrs. Hough died Sunday night in Peoples Hospital.

She was born in Hopkins County in 1876 and was married August 5, 1895. The family moved to Floydada in 1931. Mr. Hough died here in 1959. Mrs. Hough was also recorded in death by a son, Ernest of Dallas.

Survivors include a daughter and a son, Mrs. Ed Muncy and Jack Hough both of Floydada; six grandchildren and nine great grandchildren.

Interment was in Floydada Cemetery under the direction of Moore Funeral Home.

Palbearers were John Cockrell, Hack Redd, Elmer Biggs, Newell Parker, Virgil Redd and Parnell Powell.

Honorary pallbearers were J. B. Bishop, John Smithman, Gaines Teele, Irvin Bennett and Aaron Carthel.

Mrs. Dena Myrick has returned home after spending the past two weeks with her son, Rasse Myrick and family at Santa Clara, Calif., whose little daughter has been seriously ill. Mrs. Myrick said the baby was doing fine now.

### Clothing Center Directors Meet

A meeting of the directors of the Community Clothing Center was held last Saturday with six members present.

All were reportedly well pleased with the work and feel that they are providing someone who needs help. They extend thanks to the many volunteer workers.

The Center is still in need of shoes and clothing for children of all ages. They also need quilt scraps and lengths of material for sewing purposes.

It was recommended that since so many adequate workers were available that no one needs to work more than two days each month. They also ask that all shoes and clothes be put out for

distribution as respondents to an emergency. The Center will open on Tuesdays and Thursdays at 10:00 a.m. through March 31. A meeting of the board will be held the first Monday of each month.

### The Bible Doesn't Make Sense

Those who compiled the Bible all the books of one subject together, thus arranging the Bible in order of categories. "Does not make sense" would read it like a story. The element is made up of five sections — LAW, HISTORY, POETRY, PROPHETS and MINOR PROPHETS.

This is also true of the New Testament — BIOGRAPHY, LETTERS and the book of REVELATION. The first letter written was 1st Thess. but the material several years after that recorded in the Gospels or Acts. Thus the compilers placed all the BIOGRAPHY of Jesus in the first section. Next came the only HISTORY of the New Testament — Acts of Apostles. One should read the letters of Paul scattering them in their appropriate order along thru the Acts. The LETTERS are in the order of individuals to which Paul wrote; then the writings of Jude and John. The last book of the Bible, written in the REVELATION of Christ thru John. It discloses the language, the fight between the Church and the world. It was written in a special secret code for Christians hard to understand by their enemies. Send for a free entire Bible, rearranged in the order it happened. It for yourself. Learn why the Psalms of David is a Testament. Simply address your questions or comments to:

### Floydada Schools Enter Evaluation Program

A committee for the program of the Floyd and senior high schools, membership in which would give prestige to the school and facilitate the admission of local graduates to various colleges.

Monday afternoon the steering committee planned the schedule of meetings for the general committees for the remainder of this semester to be held at the high school cafeteria Feb. 17, March 24, and April 28.

Since the entire faculty of the junior and senior high schools will be meeting on these dates, school will be dismissed for the meetings at 2:30 p.m. on these respective days.

After the self-evaluation is completed, a visiting committee of 15 members associated with public schools and colleges of the West Texas area will work a 2-day evaluation of the Floydada schools similar to that of the local staff. The tentative date for the visiting committee was set for February 1966.

**METHODIST LAYMEN ATTEND DISTRICT MEET**  
Ten Floydada Methodist men attended the annual "Laymen's Banquet" at the First Methodist Church in Plainview Monday night.

Bishop O. Eugene Slater gave the address for the occasion. Jimmy Wilson, who is an associate lay leader of the district gave the welcome and introductions.

Attending from the Floydada Methodist church were: Willson, Guy Ginn, The Rev. Charles Lutrick, Jack McIntosh, Bill Jones, N. W. Williams, John Reue, A. L. Wylie, Jr., Woodrow Wilson and Bob Vickers.

### 4-H Club News

(By Teresa Colston)  
The 4-H Council met February 1 in the Agriculture Building with the meeting being called to order by Bob Kropp. Phil Kinslow led the pledge and motto and Barbara Schulz read the minutes of the last meeting and called the roll.

Barbara Schulz was elected council secretary and Teresa Colston, council reporter.  
The general committees were appointed for the Stock Show concession stand. They are Phil Kinslow, chairman, Lindsay Level, Barbara Schulz, Donnie Fortenterry and Elaine Starley.

There will be a meeting to "clean-up" the Stock Show concession stand at 1:30 p.m. on February 27.  
Clubs are assigned certain times to work in the concession stand on March 1, 2 and 3. The time and clubs are as follows: Floydada 4-H, Monday, 6 a.m. until 1 p.m.; South Plains 4-H, Monday from 1 p.m. until 6 p.m.; Tuesday, Cedar Hill 4-H, from 8 a.m. until 1 p.m. and Sandhill 4-H from 1 p.m. until 6 p.m.; Wednesday, 8 a.m. until 1 p.m.; Harmony 4-H and from 1 p.m. until 6 p.m.; Lockney 4-H.

The County eliminations are on April 24 at 1 p.m.  
We would like to thank Producers Co-op Elevator and Lon Davis Grain for sponsoring our Yearbooks for the 4-H clubs of Floyd County.

### 4-H Club News

(By Brenda Willis)  
Livestock leaders J. B. Colston and Bill Price, met with members of the Floydada 4-H Club Livestock group Saturday afternoon at the Show barn, to give them pointers on the grooming and showing of animals in preparation of the Junior Livestock Show which will be held March 1, 2 and 3. Members attending were: Danny Bradford, Kay Russell, Jay Jones, Teresa Colston, Dan Roberts, Jodie James, Doris Fawver, Billy and George Finley, Pete, Pam, and Patti Price, Tom, Lindsay, and LuAnn Level, and Brenda and Karen Willis.

The group is very proud of one of their members, Teresa Colston, who won first place in the mid-weight hereford class of the Amarillo Fat Stock Show. Two other members, Will and Lee

**TOPS AT FORT WORTH** — Steve Belt, member of the Lockney 4-H Club, stands proudly beside "Georgia," 1,050-pound Angus judged champion of the breed in the Junior Beef Heifer Show of the Southwestern Exposition and Fat Stock Show at Fort Worth. He also accepted

plaque from Fort Worth Jaycees Chuck Alford (left) and Randy Hardy. Only last October, Steve exhibited the grand champion — another Angus — of the Junior Beef Heifer Show at Dallas State Fair. He is the son of Mr. and Mrs. J. R. Belt Jr. of Route 2 Lockney. He is member of the Lockney 4-H Club.

Sinor are showing stock at El Paso this week.

was Ensign Waiter S. Simmons, son of Mrs. W. S. Simmons of Floydada.

The Pathfinder, 2,000 tons, 229 feet long, carries a crew of 89 and is commanded by Cmdr. Lorin F. Woodcock.

Her primary mission will be to take part in a long-range program to bring up to date the marine charts of the Hawaiian Islands.

Mrs. Simmons and the children, Scott and Susan are at home in Seattle while Ensign Simmons is aboard ship in the Hawaiian harbors.

### REXALL DRUGGIST SAYS "WRITE YOUR OWN CHECK"

"Customers will now be able to write their own check for savings up to \$3.00 on America's favorite vitamin products," Ray Johnson of Johnson Pharmacy reported today.

Ray Johnson stated that check forms are available right now at his Rexall Drug Store. Announcement of the savings plan, restricted to Rexall Drug Stores only, will be made nationwide in leading magazines.

According to Johnson, the "Write Your Own Check" offer applies to purchases of either Rexall Super Planamins or Meltamins Jr.

"Depending upon the size bottle purchased," Johnson said, "it is possible for the customer to save up to \$3.00." Johnson added that in his opinion this is one of the most generous savings on vitamins ever offered.

During his explanation of the plan, Johnson told us that Rexall Super Planamins is America's largest selling vitamin-mineral product and that it is the vitamin-mineral product selected for use by the U. S. Olympic Team.

Rexall Meltamins Jr. he said, is the only children's chevable multi-vitamin product with liver and iron.

"This is a once-in-a-lifetime offer on these two quality products," Johnson said. "Everyone is invited to come in, pick up a check form, and then have a salesperson show him how easy

### ANNUAL LIONS LADIES NIGHT SET TONIGHT

The Lions annual Ladies Night is to be held tonight at 7 p.m. in the Colonial House.

The event is held each year during, or near the same week that Valentine Day falls.

In charge of the program are John Reue, Walden Harris and Fred Thaxton, and entertainment is expected by Wendell Tooley and his musical group.

About fifty are expected to attend, including those on the program.

It is to fill it out to collect the big savings." Johnson said, "it was learned, is one of the 10,000 independently owned Rexall franchise stores throughout the country who will be participating in this special vitamin savings plan.

### SOIL FERTILITY DAY IN LOCKNEY FEBRUARY 25

The annual Soil Fertility Day, held each year in the latter part of February, has been set for February 25 at the Lockney American Legion Hut.

A program has not been set, but it usually lasts from around 10 a.m. until 3 p.m.

Details of the activities will be released next week.

### PARENTS HELP PRAISE

The school is extremely grateful for the cooperation and help given by the parents of the Junior High students during the tournament held here, according to A. W. Coltharp, Junior High School principal.

"They were particularly helpful in the concession stand, and we wish to express our appreciation for the job they did," he said.

PAGE 4 THURSDAY, FEB. 11, 1965 FLOYD COUNTY HESPERIAN

## Mrs. J. O. Oswald Observes 85th Birthday With Friends

By MARIE HARRIS

(Hesperian editor notes) Mrs. Oswald is a distant relative of the Fletchers in the Cedar Hill Community and is widely known in the Floyd County area. Mrs. Oswald helped to print the first papers in Floydada and Lockney. Mrs. J. O. Oswald recently observed her 85th birthday. Achieving that age is fairly remarkable, but what is really outstanding is Georgia Oswald herself. Only five feet tall, hardly big enough to reach her work, "Aunt Dot," as her many friends call her, is a retired veteran newspaper type setter.

She moved to Tulia from Plainview in September, 1934 to live with Mrs. Frank Gerdes who is caring for her while she recuperates from an illness. Up to 119 pounds from 112 when she first arrived, Aunt Dot has vitality and alertness beyond her advanced years. Her brown eyes shined and roared as she told of her past adventures and of the birthday party that a long-time friend, Mrs. Harry Chenoweth, and Mrs. Gerdes gave her at the latter's home at 315 W. Broadway Thursday afternoon. Cake and coffee were served to a number of guests who came bearing gifts.

A resident of Plainview for 74 years, Aunt Dot is a chip off the old block, for her father, J. M. Shafer, was a newspaper man who bought the Hale County Herald, now the Plainview Daily Herald, from Johnny Davidson in 1892, after the family moved to Plainview from Stephenville in 1880. Aunt Dot was born in Stephenville, at the age of eight, she started setting type in her father's print shop.

There wasn't much time to attend school in Plainview as Georgia Shafer spent many hours in the printing shop. She has worked off and on as a printer and occasionally as a reporter setting "icals" for the Plainview paper up until the past few years.

Using the old stick type, Mrs. Oswald helped print the first papers at Floydada and at Lockney. While visiting in Tulia when she was about 12 years old, she helped Jake Butts, who published the Swisher County Enterprise, in getting out some of his issues. Her brother, Tom Shafer, now a newspaper owner and publisher in Wasco, Calif., worked on Tulia newspapers in the early days.

Georgia Shafer married J. O. Oswald, a stock farmer, in 1906, and they continued to live in Plainview. Her husband died in 1938. Her father died in 1937 at the age of 94. His twin sister, Mrs. Lydia Pruden Whitebeck, lived to be 104 years old. Just before Shafer's death, it was contended without contradiction that they were the oldest twins in the United States.

Shafer and his twin were born in Trumble County, Ohio, December 12, 1842, of a Pennsylvania Dutch father and Scotch-Irish mother. At the age of 10

## Veigel-Northcutt Vows Exchanged

The home of Mr. and Mrs. J. B. Webber, 2316 Astell, Clovis, N. M., was the scene of the double ring ceremony at 5 p. m., Saturday, January 30, uniting Mrs. Rhe Veigel, Plainview, and Johnny Northcutt, Fort Worth, in marriage.

Mr. and Mrs. Clark Cates, Lockney, are parents of the bride. The bridegroom is the son of Mr. and Mrs. W. H. Northcutt, Justin, Texas.

Mr. and Mrs. Benny Cates, Lockney, brother and sister-in-law of the bride, assisted as the couples attendants. Miss Jo Ann Veigel, daughter of the bride, was ringbearer.

Mrs. Northcutt attended Abilene Christian College, received her B.S. degree in Home Economics from West Texas State University, and obtained her elementary certificate from Weyland College. She was Home Service Adviser for Southwestern Public Service Company, Plainview.

Mr. Northcutt received his B.S. degree from North Texas University. He served a two-year term in the Army stationed in Europe. He has been employed by the Corps of Engineers the past eight years. Northcutt also plays, writes, and publishes music, and is currently under contract with Blue Bonnet Record Company of Fort Worth making folk music albums.

Mr. and Mrs. Northcutt and Jo Ann will make their home at 810 Truman Street, Arlington, Texas.

## Van Cleve-Price Vows Planned

The engagement and forthcoming marriage of Rozella Van Cleve to Fuller Price Jr., is being announced.

The wedding will take place on February 28th.

They moved with their parents to Rapid City, Ill., when steamboats on the Mississippi River were used as the principal means of transportation. He started working on the Genesee, Ill. Republic when he was so small he had to stand on a soap box to reach the type cases. From Illinois he went to Denver and at the age of 20 helped print the first copy of the Rocky Mountain News.

During a brief sojourn with the Colorado Transcript at Golden, Colorado's oldest newspaper, Shafer changed its politics from Republican to a Democratic paper in about 1869 or '70 while his boss, "Cap West" was away for a short spell.

Trusting his fortune to the state of Texas in 1878, Shafer rode with a wagon train to Erath County where he met and married Lydia Dell Dupuy. John Dupuy, Aunt Dot's maternal grandfather, a native of Georgia, was the first county judge of Erath County. The county seat of Stephenville is on a land grant of 2000 acres awarded to Dupuy by the state for military services rendered by him in the War for Texas Independence.

After publishing the first paper in Stephenville, Mrs. Oswald's father moved on to Brownwood where he and a partner, Tom Netherly, established the Brownwood Bulletin. When the partnership was dissolved, the family moved to Cisco where Shafer took over the weekly Round-Up. They moved back to Stephenville and joined the families of two of his wife's sisters in a covered wagon trek to the South Plains, filing on parcels of land in a community later called Prairie View, five miles northeast of Plainview, which at that time was only three or four years old. Aunt Dot's father and uncle made regular trips to the brakes below the Caprock to fell cedar trees and cut them into fence posts, finding a ready market for them in Plainview. Many big ranches were being divided and fenced into smaller tracts.

Mrs. Oswald recalls the rather primitive living on the Plains at that time. Her father built a two-room box house with a cellar underneath. The family moved to town when Shafer purchased the Herald. The print shop, as Mrs. Oswald remembers it, was housed in a box building of approximately 25 by 40 feet in two rooms, the family living quarters being in the back. When Shafer retired, his son, Tom, operated the Herald from January 1906 until August 1912.

Mrs. Oswald was a long-time member of the Business Women's Club in Plainview and an active worker and promoter of the annual Pioneer Round-up.

MR. AND MRS. R. C. ROSS

## Mr. and Mrs. R. C. Ross To Observe 50th Anniversary

Mr. and Mrs. R. C. Ross of Floydada will celebrate their Golden Wedding anniversary with a reception from 2 until 5 p. m., Sunday, Feb. 14. The event will be held in the Community Room of the First National Bank.

Their daughters, Mrs. Buck Ragsdale of Goodland and Mrs. Larry Robinson of Roswell and a

## Lyndia C. Lewis Scores Highest In HM Contest

Lyndia C. Lewis is this year's Betty Crocker Homemaking of Tomorrow for Della Plains high school. She scored highest in a written homemaking examination taken Dec. 1 by 552,704 senior girls in 14,236 of the nation's high schools. She is now eligible for state and national scholarship awards ranging from \$50 to \$5,000.

Test papers for all school winners in the state are being judged competitively. From this, the State Homemaking of Tomorrow will be named, and will receive a \$3,500 scholarship from General Mills, Inc., sponsor of the annual Betty Crocker Search. In addition, her school will be awarded a set of the Encyclopedia Britannica, Inc. The second-ranking girl will receive a \$300 educational grant.

Following her selection, the State Homemaking of Tomorrow, together with a school advisor, will join winners and advisers from each of the 49 other states and the District of Columbia in an expense-paid educational tour of Colonial Williamsburg, Va., Washington, D. C. and New York City. Climax of the trip will be the naming of the 1965 Betty Crocker All-American Homemaking of Tomorrow.

## 1950 Club Meets With Mrs. Martin

Mrs. John Martin was hostess for the Feb. 2 meeting of the 1950 Study Club, assisted by Mrs. Lane Decker. The program was on the fine arts department.

Mrs. Herman Graham spoke on pottery, porcelain and sculpture from the Oriental Collection and Mrs. Don Cheek spoke on drawings, etchings, oils and water colors from Whistler's Collection. Prayer was voiced by Mrs. R. W. Bradshaw and members answered roll call with a collection they have.

Attending the meeting were Mrs. Louis Anderson, Howard Bishop, Donald Cheek, Bob Copeland, Lane Decker, Herman Graham, Weldon Harris, Adrain Kirk, John Martin, Doyle Moore, Dallas Ramsey, Jimmy Seay and Mrs. Bill Cagle.

The next meeting is Feb. 16 with Mrs. Clifford Helms as hostess.

The manuscript of Franklin's Autobiography is preserved at the Huntington Library in California.

## Mr. and Mrs. James Hartline Announce Arrival of a Son

Mr. and Mrs. James Hartline announce the arrival of a son, Kevin Blake, who was born in Plainview Hospital on Thursday. The baby arrived at 11:03 a. m. and weighed eight pounds, 14 and one half ounces. The father is employed at Boren Furniture.

Grandparents are Mrs. J. F. Dobbs and Mr. and Mrs. W. L. Hartline all of Floydada. The mother is the former Addie Adkins.

Mr. and Mrs. Troy Johnston are parents of a daughter born in Brunswick, Maine on Feb. 5. Joanna Lynn weighed seven pounds and 15 ounces at birth. She has an older brother, Allen Lee, who is 18 months old. The father is in the Navy, stationed at NAS Wick near Brunswick.

Grandparents are Mr. and Mrs. Carl Nelson of Floydada and Mr. and Mrs. Bud Bryant of Memphis, Tenn. Great grandmothers are Mrs. Jennie Irwin of Floydada and Mrs. Nora Johnston of Fort Worth.

## Porter-Smith Wedding Sunday

Carolyn Porter and Dwayne Smith will be united in marriage Sunday, Feb. 14 at 3:00 p. m. in the Calvary Baptist Church.

Friends and relatives of the couple are invited to attend.

Subject of the meeting was "Women in the Field of Journalism".

Program chairman, Mrs. Wilson Kimble, in her devotional message, gave the qualities of a good woman from Proverbs.

Roll call was answered by naming woman reporters.

Mrs. P. D. Helms, Mrs. D. S. Battey and Mrs. Ben Whitaker were hostesses for the meeting and served refreshments to Mrs. Kenneth Bain, J. H. Barnard, P. W. Bell, J. V. Daniel, W. H. Henderson, Wilson Kimble, R. L. Nicols, Lon V. Smith, Ralph Johnston, E. F. Stovall, and Mrs. John Hotchkiss.

The next meeting will be Feb. 18 with Mrs. Kenneth Bain as hostess, in the Lampighter Inn.

LOCKNEY — OL 4-2541

## Mrs. Billy Black Hostess For 62

### Jr. Club Meeting

Mrs. Billy Black was hostess on Tuesday, Feb. 2, for the meeting of the 1952 Jr. Study Club. Mrs. Harvey Allen led the group in prayer and Mrs. Elmer Dean Williams read the quote. Roll call was answered with "A Cooking Hint".

The meeting was called to order by Mrs. Allen, club president. Minutes were read by Mrs. Melvin Lloyd, in absence of the secretary.

The Mrs. Floydada Contest was discussed and members voted to cancel the annual affair in favor of other projects. The resignations of Mrs. Allan Higginbotham, Billy Black and Mrs. Merle Stephens were accepted with regrets.

Motion was made that club continue the two offices of Mrs. Stephens and Mrs. Higginbotham and Mrs. Lloyd was elected to fill the chairs of recording and corresponding secretary for the remainder of the terms.

Mrs. Mike Carver was in charge of the program and gave an interesting Department report on Home Life. Mrs. Henry Watson gave a part on Our Family Circle which included Religion, Family Traditions, Special Occasions and Daily Routine. Meeting was then adjourned and refreshments served to Mrs. Bobby Welborn, Jerry Bullock, Bill Hicks, Henry Bullock, Elmer Dean Williams, Melvin Lloyd, Harvey Allen, Billy Black, Kay Crabtree, Mike Crabtree, Mrs. James Hartline and Linda Bateman.

Club will meet Feb. 16 with Mrs. Kay Crabtree as hostess.

## Mrs. R. Audrey Is Shower Honoree

Mrs. Ronnie Audrey (the former Judy Newberry), was honored with a bridal shower Monday afternoon in the cafeteria at Lakeview.

The bride's chosen colors were used in table decorations. The table was covered with a white cutwork cloth and held a center arrangement of white mums flanked by crystal candle holders and crystal service. Yellow punch, yellow mints and cookies were served.

In the receiving line with the bride were her mother, Mrs. Homer Newberry and her grandmother, Mrs. J. M. Mosely.

Hostesses were Mrs. Holt Bishop, Earl Edwards Sr., Roy Fawver, W. H. Bunch, O. K. Carter, Fred Jones, Milton Harrison.

## 1922 Study Club Hears Review Of Book At Meeting

The 1922 Study Club met in Lamplighter Inn on Feb. 4 and heard a book review on "The Kings Orchard" by Agness Turnbull given by Mrs. Ralph Johnston.

The book is a fascinating story of James O'Harra in the early days of our country when Pittsburgh was the far west. The novel was based on facts and had many humorous incidents as well as tender scenes with a loving family.

Subject of the meeting was "Women in the Field of Journalism". Program chairman, Mrs. Wilson Kimble, in her devotional message, gave the qualities of a good woman from Proverbs.

Roll call was answered by naming woman reporters.

Mrs. P. D. Helms, Mrs. D. S. Battey and Mrs. Ben Whitaker were hostesses for the meeting and served refreshments to Mrs. Kenneth Bain, J. H. Barnard, P. W. Bell, J. V. Daniel, W. H. Henderson, Wilson Kimble, R. L. Nicols, Lon V. Smith, Ralph Johnston, E. F. Stovall, and Mrs. John Hotchkiss.

The next meeting will be Feb. 18 with Mrs. Kenneth Bain as hostess, in the Lampighter Inn.

Mr. and Mrs. Cephus Fortenberry, Phyllis and Rickie Breckenridge visited over the week end in El Paso with their daughter, Rev. and Mrs. Wayne Jarnagan and Jan. They returned home Sunday night.

# Eudy Article Published In Magazine

An article, "Beginning Typing Made Lively," written by B. J. Eudy was published recently and appeared in the February issue of The Balance Sheet, a national Business Teachers publication.

Eudy is the business teacher in Floydada High School. In the article Eudy stresses that first-year typing students should be taught as if it is the only typing course the students will ever have. So often it is assumed that the students will take at least one other typing course in high school or in college.

He mentions in the article how to teach use of multiple carbons, ribbon changes, how to properly word application letters, how to work with stencils and dittos, proper addressing of envelopes, manuscript typing, composition typing, invoices and telegrams, business letters and of course, following directions.

Eudy said he had given up on the article being printed for it has been almost two years since he sent it to the publication.

He said this was a real inspiration for him to write more and send in more to be published.

A graduate of Floydada High School, Eudy received his Masters Degree from West Texas State University in Canyon. He has been teaching in the Floydada system for 13 years.

JUST CAN'T WAIT! . . . these livestock showmen just couldn't wait. They're pictured weighing in a nice fat steer during "practice show" at the Fat Stock Show barns last Saturday. The show catalogs are ready and entry books close February 18. (Staff Photo)

# Rites For Mrs. C. L. Bradford Set For Today

Mrs. C. L. Bradford, 75 year old longtime Floyd County resident, died about 2:45 Tuesday afternoon in Peoples Hospital. She had been a patient there since Saturday.

Funeral rites have been set for 2:30 this afternoon (Thursday) in the Calvary Baptist

# Oil Firm At South Plains Burglarized

The service station and wholesale house belonging to Parks Oil at South Plains was burglarized Thursday night, February 4, and the burglar was caught the following day in Lubbock.

Jailed here and charged with burglary is Jessie B. Sprawls, 19 of Lubbock's former employee of Parks. His bond has been set at \$150, according to Floyd County officers.

The apprehension of Sprawls resulted when the tracks were checked out near the burglary scene as they matched those near a trailer house at South Plains where Sprawls and his wife and small baby had lived.

Parks said he had terminated Sprawls job recently when he caught him putting money in his pocket from a tire tube sale. He had been working for Parks some three weeks at the time.

economy of Texas and in keeping late information flowing to cotton farmers.

FEWER LAMBS, HIGHER PRICES IN '65 — The 1965 lamb crop is expected to drop four to six percent below the 1964 crop and prices are expected to continue above last year's averages, reports Extension Economist John McHenry.

Atlantic City resorts entertain 16,000,000 guests a year.

# Chemicals And Machines Help Cut Cotton Expense

COLLEGE STATION—The use of chemicals and machines for cutting production cost continued to gain favor with Texas cotton growers in 1964.

In a year-end report, Fred C. Elliott, Extension cotton specialist at Texas A&M, said that despite a drop in the state's harvested acreage of cotton in 1964, more acres were treated with chemicals for weed control and harvest preparation than ever before.

The greatest jump in chemical usage was registered by growers who used pre-emergence and post-emergence chemicals. They used pre-emergence chemicals on 467,684 acres in 1964 compared with 174,265 acres in 1963. The number of acres treated with DSMA (Disodium Methylarsenate) rose from 92,796 to 273,469 acres in 1964 over 1963.

Number of cotton acres on which growers used spot eiling and dalapon for Jensonser control remained stable. Elliott said that since cotton acreage was smaller in 1964 the percentage treated was higher than in 1963. Number of farms using defoliant or desiccants in 1964 increased by about 4,000. These chemicals, Elliott explained

are used to prepare cotton fields for harvesting operations. Rotary-hoe equipped tractors continued to be popular as a mechanical means for weed and grass control. More than 51,000 were used in 173 different Texas counties during the past year.

Number of spindle-type picking machines increased by about 500 and were used in 86 counties. Some 2,000 more stripper-type harvesters were in use in 1964 than in 1963. They were used in 191 counties compared with 168 counties in 1963.

Elliott's programs in cotton work are conducted as a part of the 7-step Ccotton Program, initiated by the Agricultural Extension Service in 1946. He said the program continues to play an important role in the agricultural

# Residents To Attend State Coop Meeting

About 35 Floydada area residents will leave Floydada by chartered bus at 7 a.m. Sunday morning to attend a state-wide meeting of the Texas Federation of Cooperatives in association with the Texas Gimmers Association meeting and the Houston Bank for Cooperatives meeting.

The meetings will be held in the Rice Hotel in Houston Monday and Tuesday. Registration will begin at 1 p.m. Sunday.

The group is expected to leave Houston enroute to Floydada sometime Wednesday morning.

Winter water those trees, especially fruit trees.

A winter soaking in February helps to give the tree extra strength to hold its blooms and the coming fruit crop.

Soak overnight with a slow stream of water. This could mean the difference in a fruit crop and none at all.

**PLANS**

(Continued From Page 1)

is located west of Plainsview and runs in a north-south line. Another reason for wanting to change is the fact that Pioneer does not come under the control of the Texas Railroad Commission, the agency setting petroleum products rate, and both the other companies do.

Actually, most Floyd County farmers would not be able to connect with the lines for several years, because of the distance to the lines. However, the local group is willing to work toward getting farmers in other regions tied onto the lines that will give the lower rate.

Presently, Pioneer owns the meters used by the farmers, services them, reads them, and acts as the collection agency. In case a farmer tied onto one of the other lines, he would be required to buy his meter, service it, read it, and act as his own collection agency.

However, according to the Gas Users Association, a co-op would be formed to take care of the collection, service, reading, etc.

According to one member, this is not part of a plan that we'll think about this year and do the next year, it is a long-range plan and it may be several years before the group can be effective in its efforts to get the lower rate.

Officers of the association for this year are: President — Mike Mooney of Lockney; Vice-president — Henry Hinton of Dougherty; Secretary-Treasurer — F. G. Jones, Jr. of Lockney.

**CAPROCK**

(Continued From Page 1)

other people is a necessity in the thinking of every teenager. . . and this thinking begins with the proper "rearing" at home. The father or mother who is setting the example creates a right or wrong attitude about law enforcement in that teenager's mind.

The father who is speeding and directs his son to keep an eye out the back window for the highway patrol is setting an example for that boy. The father and mother who speak disrespectfully about the city police before their teenager take the first step for that teenager in his future problems with law enforcement.

Not all law officials are right 100% of the time. True, they make mistakes, but their percentage of correct arrests and fines is more often right and justifiable.

Laws are not made to be broken. Laws are made for your protection and my protection. You and I motor to another city . . . possibly larger than Floydada. We don't break traffic laws in that city and there is no reason why we should break the same laws here.

In many cases fines aren't the answer to properly punishing a teenager for breaking of traffic laws. The parent can be notified and a good discussion among teenager, law official and parent can solve the problem for the present and the future.

It is understandable that teen-

**REED**

(Continued From Page 1)

covered with the toasted elm paneling.

At the end of the hallway, a glass door leads into the service department, that has stalls for 11 cars, and can store many more that are being worked on at one time.

A complete wheel alignment and balancing area is located at the south end of the service area. Each of the service stalls has a complete set of tools located on a board in easy reach of the mechanic, and is an orderly arrangement.

Several of the latest modern testing equipment machines can be seen throughout the shop as well as welding machines, both the arc and acetylene type.

Also included in the planning of the shop was installed a twin-post hoist, and several tool boards, around the shop of "specialty tools" that are very seldom used, but are there if ever needed.

"Actually," Reed said, "we are equipped to handle virtually any repair job that may be brought to us. We can give a turnkey repair job on almost any vehicle."

Other added features in the service area are skylights in the roof for better visibility in the already well-lighted department. A "Courtesy Car" is furnished by the firm to be used by individuals while their own car is being overhauled.

The parts department is one of the most complete on the South Plains. The large complete department has more than an ample supply of parts that are needed to complete almost any repair job.

During the grand opening, Reed invites everyone to enjoy cold drinks, coffee, and is giving orchids for the ladies, balloons for the kids, and pencils. At a grand prize drawing the winner of a new portable TV set and tie winners of five transistor radios will be named.

Reed and the twelve employees of the firm urge everyone to come out Friday and Saturday to the Grand Opening and share in the prizes to be given away.

Reed and the twelve employees of the firm urge everyone to come out Friday and Saturday to the Grand Opening and share in the prizes to be given away.

There was a judge in a nearby town who got "fed up" with parents who continually came in and paid fines for their teenagers. He came to the conclusion that the teenagers would continue to violate laws as long as their parents readily "shelled out the cash." He began to pass "work sentences" on the violators instead of fines. His sentence might be a week's work on the city trash truck. This violators remembered . . . and there was no more trouble from them.

The city police need everyone's cooperation in making Floydada a safe place to live . . . likewise the people need and expect fairness and courtesy from the police.

### More Texans Now Observe 70 MPH Auto Speed Limit

AUSTIN, TEXAS—Texas drivers "flirted" with excessive speeds after the speed limit was raised to 70 m.p.h. late in 1963. But the affair went phfft, according to a speed survey made by the Texas Highway Department a year later, and Texans for the most part are now observing the speed limit.

Take passenger cars, for instance. The Highway Department radar-checked speeds of at least 25,000 of them in 30 locations scattered over the state. In 1963, a fraction more than 11 per cent of the motorists were clocked at more than 70 m.p.h. A year later—under the same highway conditions, and in the same places—the figure had dropped to just 5.1 per cent.

And it was the same pattern across the board, with pickups, trucks, and buses showing dramatically reduced speeds.

Why were speeds up so high after the legislature hiked speed limits by 10 m.p.h.?

"We're engineers, not psychiatrists," said one Highway Department official, "but it seems that it was just a flirtation. Motorists had a sudden new freedom to go ten miles an hour faster. In exercising that freedom, some of them said 'what the heck' and went for broke."

ment recently at South Plains College in Levelland. To be eligible for the Dean's Honor Roll List a student must be enrolled in at least fifteen semester hours and make a grade point score of at least 3.0. The point score is computed by dividing the total number of semester hour points by the number of semester hours for which grades were received by a student.

Miss Marie Havnie of Levelland and Miss Judith Putman of Muleshoe led all the students with 4.0 grade point averages.

da Girls Honor Roll

Floydada girls, Rita Carney and Carolyn Ann Frank were named on the Dean's Roll for scholastic achievement.

Bill McCown In Misavi, Japan

Bill McCown, son of Mr. and Mrs. Dick McCown, has completed his Radio Intercept course in weather and is sent to Misavi, Japan for a year tour of duty. McCown is a graduate of Floydada High School with the class of '63.

Funeral Rites Held For Mrs. Lillie Wright

Mrs. W. C. (Lillie) Wright, 71-year-old longtime resident of Floyd County, died Sunday morning in Lockney General Hospital. She had been in failing health since a stroke last year and was admitted to the hospital Thursday after becoming ill again.

Funeral rites were conducted Monday afternoon in the New Salem Primitive Baptist Church. Officiating were Rev. Bethel Jeffrey of Eldorado, assisted by Tom Porter of Floydada.

Mrs. Wright was born in Tennessee on April 19, 1891. She came to Floyd County in 1933 and was married in the Antelope Community to W. C. Wright on November 28, 1909. She was a member of the Primitive Baptist Church.

Survivors include her husband; two sons, Vernon and Charlie Wright and one daughter, Mrs. B. P. Neff all of Floydada; three brothers, Harmon and Poyner Roberts both of Floydada and Adrian Roberts, Riverside, Calif.; a foster brother, A. J. Roberts, Glendale, Calif.; one sister, Mrs. E. L. Head, Tyler; 11 grandchildren and four great grandchildren.

Interment was in Lakeview Cemetery under the arrangements of Moore Funeral Home. Grandsons were pallbearers.

Rites Conducted For Mrs. Koenen

Mrs. Harry J. Koenen, 74-year-old Floydada resident for the past 12 years, died Sunday morning about 6:25 in St. John's Hospital in Dallas. Mrs. Koenen had suffered a coronary condition for some time and had undergone heart surgery a week and a half ago.

Funeral rites were conducted Monday morning at 11 o'clock in the First Methodist Church in Floydada of which the deceased was a member. Rev. Charles Luttrick, pastor, officiated.

Mrs. Koenen was born in Michigan and moved with her parents at an early age to Chicago, Ill. She made her home there until August, 1953 at which time she moved to Floydada to be near her daughter, Mrs. John Kimble. Mr. Koenen died in January of 1953.

Mrs. Koenen was a civic minded person and was always interested in assisting in anyway possible to the betterment of Floydada. She was a former member of the Floydada Garden Club and at the time of her death was treasurer of the 1922 Study Club. She served as their president from 1956-57.

She was preceded in death by and only sister who died on Thanksgiving Day, 1961.

Survivors include the daughter Mrs. Kimble; four grandsons Kim, Jeff, Jim and Joe, and the son-in-law, Dr. Kimble, all of Floydada.

Mr. and Mrs. Kimble accompanied the body to Chicago Monday where the remains will be interred in Oak Ridge Park Abney Mausoleum.

Pallbearers for Floydada rite were Len Davis Jr., John Kizer, Fred Martin, Louis Anderson, Billy Staniforth and Jim Word. Local arrangements were under the direction of Harmon Funeral Home.

Alaska, as well as Continent United States, is divided into four standard time zones.

# Eighth Grade Boys Win First, Girls Take Second In Tournament

**GUARDED CLOSELY** — Mac Wilson is shown going up for two-points although being closely guarded by an Olton defender, when the Whirlwinds played Olton here last week. The Winds won the game. (Staff Photo)

## Both Seventh Grade Teams Lose In Second Round

The eighth grade boys waded through three relatively close games here this past weekend to be named the champions in the invitational tournament. The eighth grade girls came through two games with unblemished records, but hit more than they could handle in the form of a Roosevelt team and lost in the finals.

The seventh grade teams both went toward the consolation end of the bracket, and lost both games to be out of the running. The seventh grade girls lost a heartbreaker to McAdoo in the first game for the teams, by only 28-27.

The local girls led at the end of the first quarter 7-5, were knotted at the half 15-15, behind one point going into the final period and lost by one point.

Linda Rainer led the locals in scoring with 11 points, followed by Marilyn Harris with 10. McWilliams of McAdoo hit 18 for her team.

In the second game, the girls lost to Spur by a mere two points as the game ended 17-19.

At the end of one, it was 2-3, Spur, and at halftime, the girls had passed the visitors and led them 10-8.

The locals, and Shirley Rainer and Pat Pierce each had 29 for Dimmitt.

At the end of the first quarter, the locals had control of the game with a 12-8 score and were almost out of reach with a 27-16 margin at halftime. During the third period the locals increased their score to 33 points while Dimmitt stood at 24. A fourth quarter bid by Dimmitt almost overtook the Whirlwinds, but fell four points short.

The Whirlwinds started out ahead of the Bobcats but a second quarter surge by the host team put Dimmitt well in command at halftime, and led to a final 69-55 victory for the Bobcats.

At the end of the first quarter, Floydada led 15-13 but fell behind 38-28 by halftime. At the end of three the score stood Dimmitt 51, Floydada 36.

Teague hit 21 to lead in the scoring department and he was followed by Steve Marler of Floydada with 14. Nichols had 17 for the Dimmitt team.

The games at Abernathy completed the district competition for the locals. Statistics of the conference will appear in next week's Hesperian.

However by the end of the third quarter, Spur closed the gap and the teams were even at 11 going into the final period. Marilyn Harris led in the scoring department with 7 points.

The seventh grade boys had a little rougher competition and lost by considerable margins as Roosevelt and Lockney both defeated the locals to put them out of the tournament.

In the game against Roosevelt, the visitors jumped to an early 18-4 lead, and were ahead 35-8 at halftime. The score read 44-12 going into the final period and 46-13 at the end of the game.

Wylie led the locals scoring with 6, followed by Edwards who made 4.

In the second round, Lockney had the boys down 5-1 at the end of eight minutes, and 17-6 at halftime. Going into the final period the locals had closed the gap somewhat and were behind 11-20. The game ended with the score reading Floydada 15, and Lockney 26.

Edwards led the locals scoring with 10 points.

**EIGHTH GRADE**

The eighth grade took on McAdoo in their opening game, held them scoreless during the first and fourth quarters, while scoring little themselves, and finally won the game 15-7.

At the end of the first quarter, the locals had 9, McAdoo had 0. At halftime the score stood 9-1, Floydada, and 11-7 going into the final period.

In the second round, the girls had a little more competition in the form of Spur, were forestalled in the third and fourth quarters but salvaged a 27-25 win. The locals led 8-3 at the end

of the first period, 15-11 at half-time, and were tied 21-21 going into the last eight minutes.

Lana Fair took the scoring honors with 15 of the locals' 27 points.

In the finals, the local girls were far outclassed, or outgrown, or a much better Roosevelt team the game and the championship by a 33-17 score.

The Roosevelt girls allowed Floydada 0 points during the first quarter, and accumulated 11 for themselves. At halftime the score had been extended to read 25-4. Going into the final eight minutes the score was 36-6, and at the end of the game the scoreboard read 38-17.

Linda Rainer hit 10 to lead the locals scoring.

The eighth grade boys had a score from the Lockney team in the first game of the tournament, but managed to down the neighbors from the north and went on to win the tournament.

In the Lockney game, the locals jumped to a 9-4 first quarter lead, were ahead 17-11 at the half, led 25-16 after three, and won the game by a 29-24 score.

Rose hit 12 for Floydada and Sterling led Lockney in scoring with 8.

In the second round, the locals had little trouble as they downed Roosevelt 26-16 to move into the finals.

A close 5-3 score at the end of the first quarter, was broadened and the locals added 10 in the second period while Roosevelt added only two to make the score 15-5. Going into the last period, the Floydada boys were ahead 25-10 and went on to win the game by the 46-point margin.

Boarden hit 11 points for the locals to lead the scoring.

In the finals, once again the locals jumped to an early first quarter lead and were ahead 12-5 at intermission. In the third quarter, the two teams

frayed evenly and the score stood 19-11 with eight minutes left to play. Floydada won the game by the score of 26-16. Wester hit 7 for the locals. See TOURNEY, Page 3

## Floydada Teams Split Games With Olton And Dimmitt Crews

The Whirlwinds jumped into what should have been a breather as far as conference play is concerned here last week, but when the dust cleared, a determined Olton crew had set the local team back one notch and out of the running for the district crown.

Until that game, the locals had a chance to be thrown into a tie with Friona for the championship, but Olton removed all hopes of such a thing happening.

Dee Wilson hit 20 points of the 40 scored by the locals as they lost to the Pillies 43-40. Sherry Caddell of Olton led in the scoring with 24 points.

The locals seemed to have the game well in hand, but during the third quarter, after appearing quite relaxed, they found themselves seven points behind and started playing "catch up".

More than once the locals pulled within two points of the visitors but couldn't nudge ahead.

In the boys' game, the locals took an early lead, but let it falter and were knotted at halftime by the visiting Mustangs 25-25. At the end of the third quarter, the score stood 29-35, Floydada and as the game ended the Winds had pulled out of reach of the Olton team and won by a score of 60-51.

Keith Teague, the league's leading scorer hit 18 for the Winds, but Joe Priest of Olton had 19 to top scoring honors. Church of Olton had 14, and Lattick hit 12 for the locals.

The Whirlwinds knocked Dimmitt out of the district race at Dimmitt last Friday night by downing the Bobettes in a close game 43-41.

Dee Wilson hit 25 points for

# Wilson's Host Memphis Family

FAIRVIEW, Feb. 8 — Monday visitors in the home of Mrs. Walton Wilson were her sister, Mrs. Sim Reeves of Memphis and her niece, Mrs. Ted Bell and daughter, Shanon of Floydada.

Mrs. Clara Mize, Mrs. Dora Brown and Mrs. Ethel Frizzell visited Mrs. Kate Crabtree Thursday afternoon.

Mrs. Ola Warren was a Friday morning visitor in the home of Mrs. Kate Crabtree.

Mrs. Clyde Bagwell left Sunday morning for Lubbock, by train, for Santa Ana, California, where she will visit her mother, Mrs. C. L. Joiner.

Mr. and Mrs. Bob Wideman, Kenny, Belva and Ray Don were in Lubbock on Sunday where they were dinner guests of his brother and family, Mr. and Mrs. Laney Wideman, Layna, Brenda, Brad and Beth.

Mr. and Mrs. C. O. Littlefield spent from Friday til Monday visiting their son and family, Mr. and Mrs. Odell Littlefield, Vicki and Janice in Abilene.

The Fifth Sunday Association Meeting of Primitive Baptists was held in Lubbock during the weekend. Elder and Mrs. Joe Jackson and Carl Lynn attended the sessions on Friday and Saturday nights.

Rev. and Mrs. S. M. Bean attended a Mission Home meeting on Friday at the Trinity Methodist Church in Plainview.

Zeke Robertson was a Sunday dinner guest in the home of Mr. and Mrs. Hancey Wideman, Spike, Mark and Mel.

The boys basketball teams journeyed to Dougherty on Thursday of last week where they played two games, and won both of them. Those playing were Kenny Wideman, Romero Castillo, Dicki Page, Mag Gueritero, Mark Wideman, Rueben Gueritero and Mel Wideman.

Guests of Bud Cox and Dorothy for dinner on Sunday were Roy Cox, Lubbock, Miss Linda Cox, Ralls, and Maridith Wideman.

Rev. and Mrs. R. C. Guest visited in Lubbock on Friday with her sister, Mrs. J. R. Chalcker. Mrs. Chalcker has been ill and in the hospital but is convalescing at her home now.

Mr. and Mrs. Morris Wideman visited Mr. and Mrs. Aubrey Little on Sunday afternoon. Mrs. Little is recuperating from recent surgery.

Leci Pericot, Ralls, spent the day on Monday with her grandparents, Mr. and Mrs. C. O. Gilbreath.

Rev. and Mrs. S. M. Bean met their daughter, Mrs. Wayne Tucker in Lubbock on Saturday and visited with her during the day.

Mr. and Mrs. Clay Kimbrough were guests of Mr. and Mrs. Granville Igo in Shallowater on Sunday afternoon.

Mr. and Mrs. Marvin Tidmore had as their guests on Sunday their daughter, Mrs. Arthur Evans, Lubbock.

Mr. and Mrs. Earl Daniels, Levelland, visited Mr. and Mrs. H. R. Vance and Rachel and Elder and Mrs. Joe Jackson and Carl Lynn on Saturday afternoon. They were in the area to attend funeral services for Lisa D Ann Sanders held in the Assembly of God Church, Ralls, on Saturday morning.

Thurman Kirby, Paris, was in the community tending to business from Monday til Friday of last week and was a guest in the home of Mr. and Mrs. Hancey Wideman and family.

Mrs. Emma Ware and Melba visited in the home of Mr. and Mrs. Tom Reed in Ralls on Sunday afternoon.

Mr. and Mrs. Bill Brackett, Lubbock, were weekend guests in the home of her parents, Mr. and Mrs. David Blanton.

Mr. and Mrs. Hancey Wideman will host the monthly forty-two party at the school auditorium on Friday night. Everyone is invited and urged to attend.

Mrs. Bob Poe of Amarillo spent several days last week with her father, Lee Fausch.

Mrs. W. W. Payne was taken to Peoples Hospital Friday afternoon for treatment.

Mr. and Mrs. C. W. Payne spent most of Friday night at the Hospital with his mother.

Mrs. A. S. Mize of Cedar Hill visited Sunday with Mrs. W. E. Wilson.

Mrs. W. B. Wilson visited in the home of Rev. and Mrs. F. C. Bradley and Mr. and Mrs. Fred Reeves Friday afternoon.

Mrs. Clyde Bagwell spent Saturday night in Shallowater with a longtime friend, Mrs. Ernest Rhodes.

Mr. and Mrs. Shirley Irwin are expecting company from Elberta, Alabama Tuesday. Her niece and husband, Mr. and Mrs. Norman Bolland will be here several days then go on to San Diego, California, where he is being transferred.

Several in our community are suffering from severe colds and sore throat. Some of the children have had to miss school for a day or so.

Sharon Burton of Wayland College spent the weekend with her parents, Mr. and Mrs. Lee Burton.

Mrs. Woodrow Wilson visited Mrs. W. B. Wilson Tuesday.

Mrs. Ruey Irwin spent Thursday in Floydada with her daughter, Mrs. Carl Nelson and they attended Millades Club together in the afternoon.

Mrs. Ruey Irwin has a new great granddaughter. She is the daughter of Mr. and Mrs. Troy Lee Johnston of Brunswick, Maine. They received the word here Friday of the arrival of this little lady.

We also want to congratulate Mr. and Mrs. James Hartline on the birth of a son born in a Plainview Hospital last week. James lived in our community when he was growing up.

Mrs. Maricyn Burns and daughter visited Mrs. Ruey Irwin Friday afternoon.

OUTNUMBERED—Pat Pierce, partially visible behind an Olton player, is shown fighting with the three Olton guards for possession of the ball in last week's action. Olton downed the Whirlettes. (Staff Photo)

went on to take the game.

**PLAINVIEW**

In the Hornets game against Plainview Saturday night the locals took a 10-7 first quarter lead and were behind 16-17 at halftime. However, a third quarter rally put the Hornets in the lead by the score of 28-22 and the locals went on to take the game 32-27.

Kathy Heaton led the scoring with 15 points and was followed by Nona Owens with 9. Alice Pruitt of Plainview had 15 points also.

Saturday night the Della Plains boys defeated Plainview for the first time this season by the score of 88-81.

After the first quarter the locals led 15-10 and went on to extend that lead to read 42-35 at halftime. During the final 16 minutes each team added 46 points so the seven-point halftime lead accumulated by the Hornets meant the difference in the game.

Hozie Jackson hit 32 for the locals followed by Jewell Storey with 22 and Wilmer Benner with 16. J. Wade hit 38 for Plainview followed by C. D. Robinson with 16 and Gary Cooks with 13.

Presently the Della Plains teams are planning to go to Lubbock Tuesday night for a practice game.

The locals will be in the state tournament February 18, 19, and 20.

FROM THE  
**SPORTS**  
DESK  
by JEDD BLESSING

Our congratulations to the 8th grade boys and girls basketball teams for winning the Junior High Tournament held here this past weekend.

The boys team won first place, and the girls came through with second.

One small factor overlooked in this column last week — Olton. I mentioned here last week that if the locals could beat Dimmitt Friday night, which they did, and if Dimmitt could beat Friona, the girls' bracket of District 3-AA would be in a three-way tie and a playoff would be necessary to determine the winner. However, I did overlook Olton.

The Olton girls came over here last week looking for revenge, and they got it. That game gave the locals defeat number 3. At the same time, Abernathy was giving Dimmitt its third loss of the conference season. But Friona defeated Olton last Friday night to get a clear decision as the district champions for the second year in a row.

The Friona Squaws went on to win state last year, and they have the team to do it again in 1965. Lots of luck to them.

It's hard to explain how the Whirlettes lost to Olton, other than when the game was over the Visitors side of the scoreboard had a higher number of points to tally than did the Home side.

The girls didn't play hard until in the third quarter when they looked up and realized they were nine points behind. The harder they tried to catch up, the more mistakes they made, and they were never able to get closer than two points to the determined Olton crew.

The Whirlwinds, on the other hand, pushed off a surge by Olton that knotted the score at half-time, and went on to win with seemingly little effort. However, the Mustangs were threatening constantly until about midway during the fourth quarter, and by that time the Winds were out of reach.

Although the Winds were not a contending team during the district play, they were always dangerous. In fact, during three quarters of the last meeting between the locals and Friona, the Whirlwinds were pushing and leading occasionally. In fact the Winds were seven points ahead at the end of the first quarter, tied with Friona at the half, and only two points behind at the end of three.

This example was cited to illustrate what the team could do when it was necessary.

When this column is published, basketball season will be over, the green suits will be put in storage once again, and the spiked shoes will be digging into the turf once again.

From indications, the locals could have a very respectable track team.

If speed demonstrated during football and basketball seasons is any indication of what the locals are capable of, someone will be eating the dust of the local boys during the track season.

Speed is usually thought of first when one mentions track, but we are not to overlook the field portion of the track and field team.

Last year, a junior from Floydada did a remarkable job with the shot put. He has been working out the last few weeks and it looks as though his arm is as strong as ever.

Bill Potts, the boy who throws the shot, won almost every track and field contest in his event last year, and eased through district with his tosses. However, during the regional meet last year he was a little outclassed.

It is interesting to see what happens to the teams that win the regional contests at Lubbock each spring. Last year, for example of the five divisions, AAAA, AAA, AA, A and B, four of the state winners were from this High Plains region that competed at Lubbock.

My brother, the track coach at Olton, was in Floydada yesterday, and to hear him talk, Olton has 9.8 sprints, a 42.0 quarter-mile relay team, and a 3:24.0 mile relay team coming up.

This sounds good, but I also remember a few things he told me last summer about the kind of football team Olton would have last fall.

Tungsten has the highest melting point of all metals.

## Della Plains Teams Beat Memphis And Plainview

Although the Della Plains teams finished their regularly scheduled basketball season, they were to meet in practice for the tournament coming up next weekend at Prairie View.

The girls will not take part in the tournament, but the boys will play against some of the winners from the other districts in the championship.

**MEMPHIS**

Last Wednesday night the locals went to Memphis and fought home two victories. Saturday night the teams showed their prowess for two victories.

The girls won handily in a 23-18.

The boys won 44-34.

The Della Plains teams closed the gap by two points during the third quarter, but the Hornets stopped the surge and

**Just like daughter-in-law always bakes!**

Pshaw... old-fashioned cooking is just a lot of bother now that a modern, all-electric kitchen enables you to do more... do it better... without all the drudgery which grandmother suffered!

Modern electricity lets you cook or bake with exactly the right temperature. Once you've established a superior dish, you can repeat it time after time.

Small wonder so many "old-fashioned" tasty meals are prepared the modern way... with low-cost rural electricity!

## ALL-ELECTRIC KITCHEN

CEDAR HILL NEWS by Joe Fortenberry

## Church Attendance Back To Normal

CEDAR HILL, Feb. 1—Church attendance was about normal at the Assembly of God, Sunday A.M., after such a severe sickness. Fifty-two attended Sunday school.

Rev. and Mrs. Robert Slaton and girls, Mrs. Garland Tucker attended the Fellowship meeting at the Assembly of God Church in Roaring Springs Tuesday night.

Rev. and Mrs. Robert Slaton and girls, Mrs. Robin Fortenberry, Mr. and Mrs. J. G. Tucker attended the revival at Lockney Assembly of God Church, Friday night.

Mr. and Mrs. Robin Fortenberry, Mr. and Mrs. Fred Fortenberry, Mr. and Mrs. J. G. Tucker, were Sunday dinner guests of their mother, Mrs. John Fortenberry.

Mrs. E. E. Wells attended the all-day meeting of the WSCS at the Lockney Methodist church last Thursday.

Rev. and Mrs. V. C. Sparkes, Timmy and daughter of Memphis, were Saturday dinner guests of their daughter, Mr. and Mrs. Durrell Fortenberry and boys.

Mrs. Gene Pasler and son Lowell, of Oklahoma City, spent Tuesday night in the home of Mr. and Mrs. Eldon Fortenberry and family.

Mr. and Mrs. Eldon Fortenberry and family went to Plainview Friday where Eldon went for Therapy treatment at the medical center hospital.

Those visiting in the home of Mrs. M. H. Taylor Sunday were her daughters, Mrs. Guy Davis of Amarillo, Mrs. Olan Keeter and family of Plainview.

Mrs. Gus Wesley and grandsons, Harold and Bruce, Mrs. Walter Wesley and son and Rhonda Teeple visited Sunday with Sheila Taylor.

Mr. and Mrs. Lindsey Lackey, and girls are attending the fat stock show in Ft. Worth this week. His parents, Mr. and Mrs. W. E. Lackey accompanied them as far as Jacksboro, where they will visit the Armstrongs in Jacksboro.

Mr. and Mrs. Roy Durham were Sunday dinner guests of Mr. and Mrs. Cephus Fortenberry and family.

Mr. and Mrs. C. F. Lemons had lunch with his mother Mrs. Belle Lemons Friday.

Mrs. Bell Lemons visited Wednesday night in the home of Mr. and Mrs. John Kelley.

Mr. and Mrs. W. O. Swaim of Silvertown visited Sunday afternoon in the home of Mr. and Mrs. Joe Fortenberry.

Rev. and Mrs. Robert Slaton and girls were Sunday dinner guests of Mrs. Evelyn Breckenridge and children.

Mr. and Mrs. Greer Lackey Rulyn and W. E. visited Sunday.

Mr. and Mrs. Tom Fortenberry with his sister Mr. and Mrs. Clifford Geightly and family.

Mrs. Mamie Yeary and Andrew Jetton spent Sunday in the home of their sister, Mr. and Mrs. T. E. Duke and family in Tulia, returning home they visited briefly with their cousins the Jim Teavers in Plainview.

Mrs. Joe Fortenberry is recuperating in her home from her recent illness. She is gaining strength and is much improved; she is still a bed patient and will have to have much rest. Those visiting in her home this week were Rev. Robert Slaton, Mrs. Weiden McCormick, Mrs. Raymond Love, Eddie Fortenberry, Mrs. E. A. Noland and Lisa Mrs. J. R. Noland, Ladell and Kevin, Mr. Tom Noland, Mr. and Mrs. T. S. Brown, Mr. and Mrs. A. S. Mire, Mrs. M. H. Taylor, Mrs. Robin Fortenberry, Mrs. Tom Fortenberry, Mrs. William Hensley, Othella, and Glen of Floydada, Mr. and Mrs. Alfred VanHoose and Richard, Mr. and Mrs. Durrell Fortenberry, Donnie Bryan and John, Mrs. Eldon Fortenberry, Mrs. Cephus Fortenberry, Mrs. T. F. Love, Mr. Garland Tucker, Mr. and Mrs. Neff, John D. VanHoose, and Eula Mae Lyles.

Mrs. Lynda Stallings and daughters spent the weekend visiting in the home of her parents, Mr. and Mrs. Lee in Sundown.

Rev. and Mrs. Leo Buschur and girls moved to Plainview Friday, where he will continue his school work at the Wayland College. Rev. Buschur resigned his pastorate at the Cedar Hill Baptist Church last Sunday to be effective in two weeks.

Mr. and Mrs. Tom Fortenberry spent Wednesday in the home

A new type farming, known as vertical farming, started in the mid-west that has gradually crept into the southwest during the past few years, has taken shape on the L. N. Johnson farm northeast of South Plains.

As one travels north and east from South Plains, the Johnson operation is not hard to see, for two large A. O. Smith Harvestores (vertical silos) loom above the horizon making the location visible for several miles.

From the air, the operation would resemble about 1/4 of a wagon wheel, with the fences separating the four lots appearing as spokes, and the Harvestores and central control representing the hub.

The new innovation in cattle feeding, for this area, was recently completed on the Johnson farm, and was put into partial operation around the first of this year.

Controlled from one central point, the completely automatic operation blends the silage and the supplement to the exact measure of their daughter, Mr. and Mrs. Lafave Boone and girls in Childress.

At the Assembly of God Church Thursday the WMC met, each lady brought a covered dish lunch, and spent the day quilting.

Wednesday Misses Clara Mize, Leona Pearson and Sylvia Yeary visited Mrs. Paul McGowan who was a patient in the Medical Center Hospital in Plainview.

Mrs. Eugene Gilly, Mrs. C. L. Gilly, and Mrs. Jack Yeary were Plainview visitors Wednesday.

Rev. Robert Slaton visited Mr. and Mrs. John Kelley Thursday afternoon. Mr. Kelley is recuperating nicely from his heart attack. He is able to be up and around, but still has to have a lot of rest and take it easy.

Mr. and Mrs. Wayne Martin and family, Mrs. Rufus Martin of Petersburg spent Sunday in the home of their sister and daughter, Mr. and Mrs. Frank Breed and family.

Mr. and Mrs. Jack Yeary and family visited Sunday night with Mr. and Mrs. Frank Breed and family.

Mr. and Mrs. A. S. Mize were Friday dinner guests of her sister Mrs. W. B. Wilson in Floydada.

Mr. and Mrs. T. S. Brown of Floydada spent Thursday in the home of Mr. and Mrs. Albert Mize.

Mr. and Mrs. Frank Floyd went to Muleshoe Thursday where they spent the day with her father, Mr. J. F. Pratt.

Mr. and Mrs. J. B. Harrison and girls of Lubbock spent Sunday in the home of her parents Mr. and Mrs. Frank Floyd.

Mr. and Mrs. Jim Conner returned home Thursday evening from a month vacation. They visited their daughter, Mr. and Mrs. Millard Fourt and family in Phoenix, Arizona, and his brother Mr. and Mrs. Preston Conner in Los Angeles, California. They report a good trip.

Mrs. Stanley Burleson, Carlo and Beverly visited Mrs. Joe Fortenberry Sunday morning.

sure desired. The entire operation is performed by one man from inside a small building at the base of the Harvestores, through an electronic control panel.

The automated operation will probably eliminate at least two hired hands that would normally be required in a hand feeding operation.

The capacity of the lot is around 600 head, and by feeding the cattle about 150 days, Johnson's operation can handle around 1,500 head of cattle per year.

The A. O. Smith Harvestores with 250 ton capacity each, are used for storing green chop from the field, and being air tight, they prevent any decomposition of the feed. This the feed is as fresh and nutritional when it is fed as the day it is harvested.

In addition to the two Harvestores, Johnson erected a smaller metal Columbian bin for storing his supplemental feed.

An auger carries the feed from the bottom of either of the Harvestores into the control center, where the supplemental feed is blended with the silage. From there the feed is conveyed outside and elevated about ten feet to a conveyor that has a reversible auger inside. From there the feed is carried to a point where it falls down a conduit into a feeder bunk. The latter carries the feed about 100 feet just above the feed troughs and distributes the feed evenly along the entire trough.

Actually one bunk serves the two troughs that are presently being used. The second bunk will be used when Johnson starts using his other two lots, sometime within the month.

The conveyor can be filled from end to end before any of it is allowed to drop into the feeding troughs. An automatic cutoff prevents overflowing the conveyors, thus preventing waste.

The calves were suspicious and very jittery at first, but now each finds his particular "feeding place" when the conveyor starts and with each feeding the animals return to the same place to eat.

Johnson mentioned the fact that the silos were erected and filled before the feeding unit.

Johnson mentioned the fact that the silos were erected and filled before the feeding unit.

presently in operation, was put into the bottom of the silo.

There was a small opening at the bottom of the silo that the unit was started into. The machine was started and literally ate its way into the center of the silo.

There are two parts of the unit inside the silo, one that conveys the feed into the distributing augers and one extending the circumference of the bin that goes round and round slowly to keep the contents from "caking" and not falling where the bins are nearly empty. When the silos are full, the weight of the feed keeps it moved down.

The actual bottom of the interior of the Harvestores is about three feet above the ground level, or concrete foundation.

Johnson told about the supplement meter he has inside the control, or mixing center. He said he could have purchased one that fit on the storage bin itself for about \$1,400 but the one he set inside works just as well, holds an entire day's supply and cost only about \$200.

The silage, stored in the large silos, is cut, chopped and mashed

in the harvesting process in the field, put into wagons, transported to the tops of the bins by the use of a large fan and air duct.

The feed presently being used is milo heads, containing about 25% moisture. Johnson feels his cattle get better feed conversion

at this percentage moisture than at any other.

Small watering devices can be seen near the center of each of the feed lots. They are small, with only a two-head capacity, and contain small electrical heating elements that prevent the water from freezing during extremely cold weather.

Several other developments needed to handle automatic operation.

By feeding using excess Johnson feels a choice of water and diverting to

### Ad Valorem Tax Repeal Advocated

State Senator Franklin Spears of San Antonio today introduced three proposed Constitutional amendments aimed at removing the state from the field of ad valorem taxation by the end of 1958.

Spears said his amendments would leave the area of property taxes clear for counties, cities, school districts and other local governing units.

The provisions of the amendments are similar to the recommendations laid out in Governor John Connally's legislative program.

Spears called the tax "discriminatory," citing figures from the Texas Commission on State and Local Tax Policy, to show that state taxes paid on a \$35,000 home varied from 10 cents in one county to \$35 in another.

The state ad valorem tax is based on the assessments on county tax rolls. Spears said the counties are free to assess property at less than full market value, and that each of the state's 254 counties uses a different method of assessment. Assessments vary from five percent of market value to 60 percent, he said.

"Whatever the assessment," the Senator said, "the landowner still pays the full state rate of 42 cents on the \$100 valuation. This results in such differences as between Yoakum County, where the owner of a piece of \$10,000 non-exempt property pays \$1.97 in state taxes, and Webb County, where he pays \$12.97 on property of the same value."

He said he is confident the Legislature can replace the loss of approximately \$4 million a year in state revenue, most of which goes to the Available School Fund.

In 1954, the tax represented about 25 percent of total state revenue and about 44 percent of all state taxes, according to the State Comptroller's report.

"This tax is too unfair to keep," Spears said. "We can find a more equitable means of raising the money. That's our job."

If the proposed amendments were approved by the voters in 1958, the Legislature would have another session in which to find new revenue sources before the tax expired at the end of 1958.

### Floyd County 25 Years Ago

(Feb. 8, 1940)

Joyce Ann King, baby daughter of Mr. and Mrs. Eddie King, died in a Lubbock Hospital Feb. 2 of encephalitis. The baby was one year, three months and 20 days old at the time of death.

The headquarters of the death was recorded here in a 36-hour period last week. Temperature dropped well below the freezing mark Friday night to form thick ice and damage trees and other shrubbery.

Twin brother and sister, Eddie Joe J. Day and Mrs. Sarah K. Duncan each celebrated their 80th birthday last Sunday. Mrs. Duncan, who has been under the weather of late, was not entertained to an extent, but her children and other relatives were with her.

Two trustees were appointed by the County School board to fill vacancies. Roy Jones was appointed trustee of Center School and O. F. Cummings was appointed for McCoy.

Continuing a 12 game winning streak the Floydada Whirlwinds swept through the defenses of the Crosbyton Chiefs in a basketball game at Crosbyton Monday night. This made Floydada and Lockney neck and neck for the District 4 cage title.

DOUGHERTY NEWS by Mrs. W. J. Ross

## Layman Will Conduct Services

DOUGHERTY, Feb. 1, 1965—A layman from Plainview will conduct services at the local church Sunday, Feb. 7 during the absence of the pastor, Rev. De Wese.

Mr. and Mrs. R. H. Crawford spent the weekend at Ballmer and attended the funeral Sunday afternoon of Otto Wood, age 83, who passed away Friday after an extended illness. The deceased was the maternal uncle of Mrs. Crawford.

Mrs. Roy Crawford accompanied by Mrs. Brownie Smith of Crosbyton and Mrs. Jim Jones and Mrs. D. J. Parkey of Floydada attended the funeral of a relative, W. H. Montgomery, at Andrews Wednesday.

Misses Sue Ring and Darlene Johnson of Lubbock were guests in the Claude Ring home Saturday night and Sunday.

Mr. and Mrs. Hugh Foster, of Ralls, visited in the W. J. Ross

### Rites Held For

#### Eugene H. Brown

Funeral rites for Eugene H. Brown, 40-year old longtime Crosbyton resident and father of Mrs. Billy Joe Hamrick of Floydada, were conducted Sunday in the First Baptist Church in Crosbyton.

Rev. Clayton Watkins, Plainview, was assisted at rites by Rev. O. N. Reed, pastor of the Mt. Blanco Baptist Church and Rev. Ernest Stewart of the First Baptist Church in Crosbyton.

Brown died at 7:30 p.m. Friday in Crosbyton Hospital after being ill several months. He was a native of Tennessee and had lived in the Mt. Blanco Community for the past 35 years. Brown was a veteran of World War I and a member of the Mt. Blanco Church.

Survivors include his wife, Viola; a son, Edmond of Crosbyton; one daughter, Mrs. Hambrick of Floydada; two brothers, Earl of Abilene and Wesley of Haskell; one sister, Mrs. J. W. Robinson of Lubbock and four grandchildren.

Burial was in Lakewood Cemetery. Pallbearers were Rudolph McCarley, Weidon McCarley, Mildred Watson, Truman Barnett, Howard Gene Bishop and Owen Keith Crump.

### J. H. Fowler Dies Sunday In Colorado

Jefferson H. Fowler, 60 year old former Lockney resident, died Sunday at his residence in Colorado Springs, Colo., of an apparent heart attack.

Funeral rites were held in Carter Funeral Home Chapel in Lockney yesterday with burial following in Silverton Cemetery.

Fowler was a visual aid technician at the U. S. Air Force Academy at Colorado Springs. He was a graduate of Lockney High School and West Texas State.

Survivors include his wife, Fern; one son, Jimmy of Lubbock; two daughters; a brother, Luther Fowler of Lockney and two sisters.

some Sunday.

Mr. and Mrs. Roy Crawford, Jacque and Jim visited in Lockney Saturday evening with Rev. Ewell Crawford and Mrs. Crawford of Ft. Worth. They spent the weekend in Lockney and visited with Mrs. Crawford's mother who is in the Convalescent home there.

The Rev. De Wese and family were entertained Sunday in the Jim Morrison home.

Mr. and Mrs. Clay Dunn of Byers and Mrs. Mabel Rains of Carley were Sunday guests in the C. A. Caffee home. The women are sisters to Mr. Caffee.

Mrs. Ruth Gowan and son, Ward of Temple and Mrs. Allen Leach of Lubbock were weekend guests in the J. E. Newton home. Mrs. Gowan and Mrs. Newton are sisters.

A long time resident of our community, N. E. Allmon, passed away at Amarillo Jan. 31. Interment will be in the Floydada Cemetery Wednesday, Feb. 3.

Mr. and Mrs. Mac Ward moved to their new home near Prague, Oklahoma, Friday.

Mr. and Mrs. Tate Jones visited in El Paso last week-end.

Mr. and Mrs. Orland Howard visited relatives in Amarillo Sunday.

Mr. and Mrs. John Lyles and children of Hale Center visited by mother, Mrs. Ada Hinton Sunday.

Mr. and Mrs. R. D. Holly visited his parents at Dickens Sunday.

Mr. and Mrs. Bill McNeill visited in the home of Mr. and Mrs. Harkins of Crosbyton Sunday.

Mrs. Ruth Daniel and daughter, Mrs. Jerry Finley and sons visited Bill Daniel at Tech last week.

Mr. and Mrs. B. F. McIntosh Sr. of Lubbock spent the weekend with their grandchildren Linda and Bill Norman, while Mr. and Mrs. Weims Norman were

gone to the Valley.

Mr. and Mrs. Sam Lide visited their daughter and family in Amarillo over the weekend.

Mrs. W. N. Palmer, a former long time resident of the Antelope community, died at Dimmitt Monday afternoon. Services were held at Dimmitt Tuesday with interment in the Lubbock Cemetery. She lived in the community about 40 years.

### Philosopher

(Continued From Page 5) a machine can read a long string of numbers written in pencil in long-hand, there's no limit to what it can do.

Couldn't it look through the envelope and see what was inside? If so, why haul the letter across the country in the first place? Why not let the machine read it, transmit it to another machine in the town it's addressed to, and drop it in the addressee's mail box?

Understand, I'm in favor of this machine, but mankind it seems to me is always hunting for a way to whip the results instead of the cause of a problem, which explains why there are a lot more television commercials on how to cure a cold than prevent one. If we're going to flood the mails with more and more letters, certainly we need faster ways to handle the stuff, but a simpler way would be to work on the problem of cutting down on the number of letters in the first place. Mark Twain said he made it a practice never to answer a letter till after six months and it'd surprise you to know how few of them needed answering.

But we might as well get the postal machine going. It's for the people who believe the answer to the parking problem is more parking space, not fewer cars.

Yours faithfully,  
J. A.

## D is for DEPENDABILITY

Depend on your druggist to fill prescriptions accurately and promptly... depend on him to have health needs and other items on hand for your convenience. Dependability is one of the ABC's of pharmacy!

Floydada, Texas

**If you're going to enter something like the Pure Oil Performance Trials, you might as well do it to win.**

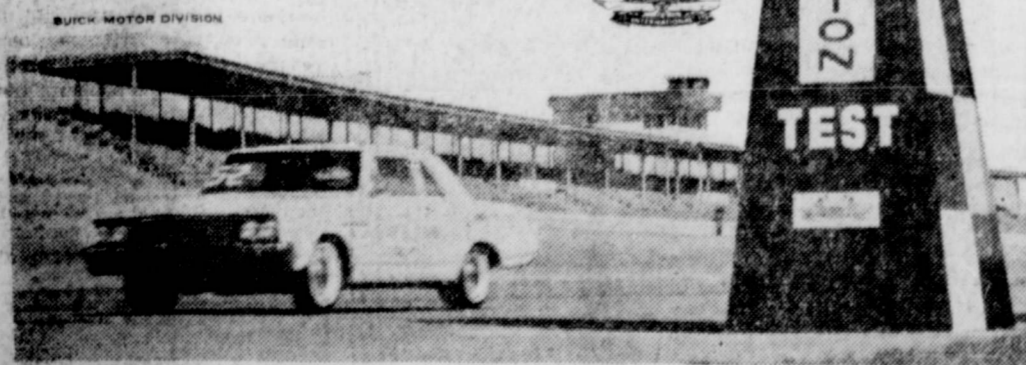

### So we did. Class IV—won by Buick Special.

Down at Daytona Beach, we gave everyone another look at Buick's "Win Policy". A V-8 Buick Special won over stiff competition (sorry, boys!) in Class IV—in the 1965 Pure Oil Performance Trials. The winning Special was equipped with our 300 cubic inch Wildcat 310 V-8 and Super Turbine Transmission.

Remember that the drivers in the Performance Trials are skilled professionals, and the cars finely tuned standard production models. (If it can be said that the Special is "Standard" anything.) Also remember that the trials are an exhausting, carefully graded test of a car's all-around ability. In economy, acceleration and braking. Small wonder the Special came out on top. Handsomely.

(The specific detail? Our hero averaged 20.689 mpg in economy, to score second among 10 cars. It accomplished the acceleration test—from 25 to 70 mph—in 9.315 seconds, for a fifth. And took another second in braking: from 65 to 0 mph in 172.0 feet. The cumulative result: we won all the marbles in Class IV.)

Now then. If you're going to enter something—like a car—you might as well do it to win, too. Your Buick dealer can introduce you to the driver's seat of a Buick Special.
