# Hospital, Schools, Water Top Citizens "Need" List

## 'Town Hall' Meetings Well Attended

Over 100 citizens of the Floydada community came together in a series of four "town hall" meetings last week and expressed their desires to the Chamber of Commerce for this community in the future.

The suggestions which were compiled in the four "brainstorming" sessions will be incorporated into the Chamber's program of work.

Topping the list of work that should be accomplished for the community were the need for a modern hospital, adequate schools and facilities and water for the future needs of the city.

The following list of suggestions were made by the groups; not listed in order of interest.

1. Water for irrigation, one suggestion was to (and this suggestion came from a farmer) make it mandatory to cut off each and every irrigation well once a week, preferably Sunday. This would help the underground water to build up . . . "get its breath".
2. Beautification along the highway to attract the attention of the tourist. Perhaps one type of blooming shrub or flower in each and every yard.
3. Museum . . . this might be worked with a library or civic meeting places, such as one at Crosbyton.
4. Promote the buying and wearing of cotton.
5. Civic Center . . . it was suggested that some committee contact the school board, that when the new cafeteria is built that a stage and other things might be included, so that the building might be used for a civic center to take care of large gatherings.
6. It was suggested to promote shops and eating places and places of entertainment for the Latins of the immediate area.
7. Pre-school teaching of English to Latins was suggested.
8. Urging the closing of stores on Sundays.
9. Exert every effort to get the "Luzanne Wade" Dam.
10. Hospital; it was suggested that the chamber motivate any possible method to accelerate the ruling of the suit in court at this time. Help the hospital board if and when possible.
11. Need Airport that will have a larger landing area than present one.
12. Clean up alleys and the entire city in general . . . especially work to clean up Della Plains school area . . . more paving in that area is needed also.
13. Promote "paint up" especially during the annual "paint-up, fix-up, clean-up" campaign.
14. Promote more rental property . . . especially apartments.
15. Urge city council to put zoning into affect.
16. Highways, promote four-lane highways to Matador (county line) and Silvertown, (county line).
17. Day Nursery.
18. Check on the advancing of newspaper publication day from Thursday to Tuesday so merchants could tie-in with double stamp day.
19. Youth Center.
20. Civic recreation organization; survey the interest for Little Theatre Group, Choral group, more entertainment occasions of songs, music and dance.
21. Need two more tennis courts in vicinity of high school and present courts need repairs.
22. Traffic lights at Leonards Cafe and Westers Grocery.
23. Recommendations to City Council to ask law enforcement officers to consider giving warning tickets on the first offense, especially on minor violations, not including speeding.
24. Look to the city council for the possibility of removing double stripes in the center of the street through town where there is an entrance to a place of business.
25. Seek methods of draining south side of square.
26. Agriculture committee to encourage the preservation of tall water and the testing of soil for fertilizer use.
27. Proper traffic marking at intersections (U-turns etc.)
28. May be too much chlorination in drinking water.
29. Seek a method of "trade at home" campaign.
30. Re-work the organization of the Floyd County Fat Stock show.
31. Agriculture committee to encourage more "new money" crops.
32. Construct a highway just north of the city limits linking

## FHS Honor Students Selected

The Floydada High School Honor Students were named this week, after much searching into past years' grades and much deliberation.

After careful consideration, Ann McIntosh was named Valedictorian with a four-year average of 95.23. She is the daughter of Mr. and Mrs. Harold Huggins of Floydada.

The third highest grades of the graduating class belong to Jo Ann Jameson, daughter of Mr. and Mrs. Jodie Jameson of Floydada. Her average for the four years is 93.23.

The Honor Boy of the class is David Lutrick of Floydada. He compiled a four-year average of 92.53.

All four of the top students plan, or would like, to attend college. Ann and David name the University of Texas as their preference, Jo Ann is planning to attend Abilene Christian College and Sharon would prefer to attend Wayland Baptist College.

ANN MCINTOSH

## RANDE BROWN "BEST ACTRESS"

### One-Act Play, David Lutrick Win First Place At Region

At the Texas Interscholastic League Regional Events held

#### Funeral Today For Mrs. Snell

Funeral rites will be conducted this afternoon (Thursday) at 2:30 in the First Methodist Church for Mrs. Will Snell, 85, who died yesterday morning at 4:50 in the University Convalescent Center in Lubbock. (See Snell, page 7)

in Lubbock last weekend, the One-Act play, entitled "The Miracle Worker" placed first and David Lutrick took first in the science division. Rande Brown was named best actress in the Region for her performance as Helen Keller.

The play will be presented at the high school auditorium at 7:30 p.m. Monday, to try to raise enough money to pay for the expenses of going to state next month and to give the residents of Floydada an idea of what the students are doing with the play.

Dana Galloway placed second

in Conference AA boys prose and Sherri Simpson took second in editorial writing in the journalism division.

The Floydada Journalism team finished third in that division. Vicki Jarboe placed third in poetry interpretation.

Those who finished first or second in the events are now eligible to take part in the State Literary Events in mid-May.

Kerwin Baxter, science teacher at Floydada High School, was named the president of the South Plains Science Fair for 1966. Lloyd Patterson of Lockney will be the director of next year's fair.

## Autograph Party To Be Held For Mrs. Lon V. Smith

An autograph party is to be held from 7 to 9 p.m. May 5 at First Baptist Church here for Mrs. Lon V. Smith, resident here since 1916.

Mrs. Smith is author of the book, "22 Devotional Talks" recently published by Fleming H. Revell. The Baptist Book Store in Lubbock is scheduled to have an autograph party for Mrs. Smith from 11 a.m. to 1:30 p.m. May 12 in the store. The book store is also assisting with the party here.

Mrs. Smith is a former president of Floyd County Federation of Woman's Clubs. In 1962 she was named Floydada Woman of the Year. She has served as president of District Nine Baptist Woman's Missionary Union and for six years served as state WMU community missions chairman.

From Mary Hardin-Baylor College, Belton, Mrs. Smith has a bachelor of arts degree. She was the first woman trustee of Wayland Baptist College, Plainview, and taught several years in Texas public schools. Her husband, now deceased, was a medical doctor here.

In addition to the prizes mentioned above each consolation runner-up partner will receive one dozen Royal Golf Balls. A free golf ball will be given to each contestant.

The play will be based on two points per hole, low ball and low total. On April 29 the qualifying for Medalists will be held. Any team not able to qualify may send in Entry Fee and Card signed by Home Pro. Teams will qualify by Total Medal Score for 18 holes. Deadline for entry is 7 p.m. this afternoon, April 29.

The first round of all flights will be held April 30. The second round of all flights and the first round of consolation will be held May 1.

The final round in all flights will be held May 2. The presentation of prizes will be held after last flight is concluded. The prizes in all flights will be as follows: Winners - each partner will receive a set of 8 1965 Irons; Runners-up - each partner will receive a set of 4 1965 Woods; Consolation - each partner will receive a \$45 Golf Bag; Consolation runners-up - each partner will receive one dozen Royal Golf Balls.

The Defending Partnership Champions, Max Dyess of Floydada and Jack Williams of Plainview, will be paired once again this year.

BASEBALL BULLETIN: All boys who want to play in the 10 to 12 year old Freshman league are to be out for practice at Little League Park this Saturday at 1:30. This will be a try-out practice and all managers are urged to be present to observe the boys in practice. This announcement made by Bill Cagle, vice president of the league.

## THIRD IN LITERARY

### Della Plains Track Team Wins At State

The Della Plains Track and Field Teams and the Literary Teams attended the state meet held in Prairie View this past weekend and brought home the first place and third place honors respectively.

In doing so the teams compiled four first place ratings and had several second and third place honors.

Robert Conte was a double winner at the state meet as he placed first in both the 200-yard dash and the shot put. Linda Lewis was the only other individual first place winner and she attained this honor in extemporaneous speaking. The girls 440-yard relay team, composed of Ewon Carr, Clarice Owen, Shirley Minner and Ruby Storey, won first in that event.

The second place awards included: the 220-yard relay team (girls), composed of Ewon Carr, Kathie Heron, Shirley Minner and Ruby Storey; and Willie Simon in number sense.

Those placing third; Irvin Thirkill in typing; Randolph Stripling, actually won a division three rating; Hozie Jackson in the 440-yard dash; the 440-yard relay team, composed of Wilburn Richardson, Jewel Storey, Robert Conte and Marcellus Richardson; and the mile relay team composed of Hozie Jackson, Willie Simon, Wilmer Bonner and Jewell Storey.

Marcellus Richardson placed fourth in the 220-yard dash. The Memphis track team actually outscored the local team by two points, however, one of the members of that team took part in four track events, and the rules allow him to participate in only three track events and two field events.

The Della Plains school officials are expecting notification this weekend that the Memphis athlete has been disqualified in one of the events and this making Della Plains the official winner.

## Merchants Sponsor Straw Hat Contest

Four Floydada firms that sell men's straw hats are sponsoring an "identify the mystery straw hat men" contest and will give a \$10 straw hat of the winner's choice. Winner is determined by his ability to recognize the back of four Floydada men. The contest is explained fully in an advertisement that carries a picture of the men, in this issue of The Hesperian.

Anyone interested in entering the contest need only write the names across the backs of the men in the picture and bring or mail it to the sponsoring firms.

In case of tie, winner will be awarded according to time his entry is received.

Sponsoring the straw hat contest in Floydada are: Beall Bros., Dyson's Western Wear, Hagood's and Hale's.

**Chadwick Chevy Breaks Records At Amarillo**

The Chevy Chevelle, driven and owned by Kelly Chadwick of Floydada, broke the old track record for the Super Stock Class at the Amarillo Dragway last Sunday afternoon.  
 Chadwick was matched against the Fenner Tubbs Plymouths and beat both the '64 model and the '65 model.  
 The '64 model Plymouth was ranked as the second fastest car in the eastern half of the U. S. and the fifth fastest in the U. S. until last weekend.  
 In breaking the record Chadwick covered the quarter in 11.49 ET and attained a speed of 125.13 MPH. This would compare with 131 MPH in a lower elevation.

**Revival Slated At Victory Baptist Church**

Rev. A. J. Holster, pastor of the Victory Baptist Church, announces that the church will be in a revival meeting beginning Monday, May 3, and continuing through Sunday, May 9.

 Contestants in the show Saturday night may also perform in the one May 8.

**Carnival And Rodeo To Be Featured At Old Settlers Event**

A part of the entertainment during the Old Settlers Reunion, set May 28 this year, will be a carnival and a rodeo.  
 The carnival will be located in downtown Floydada and will feature seven rides for grown-ups and children. The Lions sponsored rides are furnished by Rhodes of Amarillo and is the same firm that furnished the rides for the carnival last summer.  
 The Lions will be filling tickets for the carnival and will be filling other concession stands as well. The carnival will run May 24-28.  
 A portion of the proceeds will go to help build the rest rooms at the baseball park.  
 Jack Johnson and Walter Brannon, parade chairmen, said riding clubs would participate from Plainview, Silverton, Tulla, Petersburg, Abernathy, Childress, Hale Center, Plainview, Morton, Idalou, Ralls, Crosbyton, Canyon and Lockney.  
 Trophies for the best riding club in the parade will be presented to first, second and third place winners.  
 There will also be prizes for commercial, individual, club and community floats.  
 Last year the parade was 17 blocks long and the chairmen are anticipating an even longer one this year.  
 The parade will start at 3 p.m. on Old Settler's Day, May 28th.

**Floydada Lions Win Convention Bowling Tourney**

Members of the Floydada Lions Club gathered five people together at the Annual Convention held in Plainview this past weekend, entered the bowling tournament and rolled their way to the first place trophies.  
 Don Cheek, Farnell Powell, Weldon Harris, Kenneth Bain, Jr. and Tommy Assiter all agreed they couldn't have been more surprised when it was announced they had won the meet.  
 The local club was well represented at all phases of the convention with ten members, and some of their families, on hand for the meetings and entertainment.  
 Those who attended include: the Jack Covingtons, Olinson, Jr., Don Cheek, Powell, Farnell Powell, Hale, Harris, Bain, Assiter, Claude Estes.  
 Alton Griffin, the District Attorney, was named new Lions Governor for the 2-T-2. He replaces the former Governor of Plainview.

**Where's The Piano?**

Many times when people visit churches of Christ for the first time they are made to ask, "Where's the piano or organ?" All of us know that David played on a harp in worship to God, therefore why should not we continue this practice today? It is not because we do not have sufficient money to purchase musical instruments? It is not that we have no one skilled sufficiently to play one. Rather it is a matter of religious conviction. We do not use mechanical instruments in our worship since God has not approved of such, and it is Him we seek to please.  
 David did a number of things that we do not follow today. He had many wives, offered animal sacrifices, burned incense, kept the Sabbath day holy, and used an army to further God's cause. But he still lived under the law of Moses to the Jews and we live under the teaching of Jesus Christ.  
 In 1 Chron. 23:5 we learn that David made 4000 instruments to be played by the priests at the time of the burnt offering. (2 Chron. 29:27). Even then, these instruments were not in the HOUSE OF WORSHIP - the "Holy Place", but were in the "outer court", a type of the "Church" and the "World" respectively (Heb. 9:8-24).  
 David was also condemned for putting instruments of music WITH the sacrifices as Amos 6:5 states: "Woe unto them that chant to the sound of the viol, and invent to themselves instruments of music LIKE DAVID!" But why go to the Old Testament to decide what the New Testament Church should practice? Jesus Christ is our authority today, (Heb. 1:1), and in His Church the worship must be as He directs.  
 Only once in all the New Testament is "playing on instruments" mentioned and that was at the party for the prodigal son (Lk. 15:25).  
 Paul twice tells us to "SING and make melody IN OUR HEARTS" - not on our harps, (Col. 3:16; Eph. 5:19). We do not attend the worship services to be entertained, but to join our voices in mutual fellowship and praise to God. You are always welcome to worship with us.

Games of baseball and volleyball were also enjoyed.  
 Club motto and pledge were given by Nita Scott and the devotion by David Battey.  
 Following the meeting, the Renegades, composed of Danny Daniel, Earl Rowan and Donald Boone, played several musical selections.  
 Visitors attending were members of the band and James Ellard, Judy Smith and David Hale.

The moisture requirements of different hybrids are different. This chart shows the moisture use curve for the three popular hybrids. Note that they all use the peak amount of water per day while they are in the boot to bloom stage - however, each of them reach the boot to bloom stage at different lengths of time from planting.  
 The full season hybrid has a curve that goes up more gradually but still reaches a higher peak than the other two. The medium maturing hybrid reaches the boot stage about 10 days earlier than the full season variety, and its moisture use curve goes up more sharply. The moisture use curve for the early maturing variety, rises more sharply still and peaks out a little lower than either of the other two. The importance of knowing the moisture requirements of the hybrid you plant is so that you can plan when you want the plant to reach the boot to bloom stage and have adequate water available for the plant at this most critical time.  
 A little planning will enable you to be through with the watering of other crops and ready to start watering your grain at the time it needs it most. It also has a good application for dryland farmers. If your area normally gets some rain, say the first two weeks in June - you can schedule your planting date so that the crop will reach the boot to bloom stage during the first two weeks of June. Then if the rains come - they will be coming at a time that will be doing your grain crop the most good. If they don't come you still haven't lost anything. It's a good gamble. As for maturity, the full season variety will be ready to harvest in 120 to 135 days after planting, the medium maturing variety will be ready to combine in 110 to 120 days, and the early maturing variety will be ready in 95 to 105 days. After harvest, the plant will continue to use moisture until killed by nature or by the farmer.

**ICO Works On Negro Cemetery Improvements**

The Interested Citizen Organization has begun work on improving the physical appearance of the negro community cemetery. This is one of the many projects of general community interest planned by the organization to further the growing city's progress, according to spokesman Rev. H. G. Cleveland and L. V. Jones, president.

Trees have been planted to help beautify the resting place and roads have been cut through the cemetery to provide convenient entrance and exit.

Members of the ICO especially thank Bill McNeill and Carl Plumlee for their help in making the improvements of the roads and lawn possible.

The organization is appealing to the citizens of the community to take a personal interest in dressing your loved ones resting place. They are also wanting to give their cemetery a name, your suggestions may be made to the organization, Rev. Cleveland related.

**Local Students Win In Region Literary Events**

A number of Floydada High School students won in the Literary events of Region I Interscholastic League contest held in Lubbock Saturday.

David Lutrick won first in science and is eligible for the state meet on May 6, 7 and 8 at the University of Texas.

Other winners were Janet Holmes, 3rd in copy reading and 4th in head line writing; Sherril Simpson, 2nd in editorial writing; Floydada High School won third in this event; Jo Ann Jameson, 5th in typing; Clinton Fawver, 4th in number sense; Vickie Jarboe, 2nd in poetry reading and Dana Galloway, 2nd in prose reading.

**Flags Available From Boy Scouts**

If anyone desires to purchase a U. S. flag for Loyalty day, or any of the other "flag" days later in the year they may do so by calling Jim Word or Jewell Elza.

Among the days remaining that people are urged to fly the U. S. flag are Loyalty Day, Memorial Day, Flag Day, Independence Day, and Veterans Day.

Boy Scouts will deliver the flags when either Word or Elza is called. The proceeds from the flags will go to the Boy Scouts.

- the Lockney and Silverton highways.
- 33. Small industry for common labor.
- 34. Municipal auditorium.
- 35. Employee Appreciation Days.
- 36. Parking space behind business places for employees to park autos thereby allowing parking space in front of places of business for the customers.
- 37. Encourage court house employees to use north side for parking, and leave west and south side for customer parking.
- 38. United Fund Drive to replace several small drives.
- 39. Obtain containers for drive-in-type disbursement centers.
- 40. Signs on highways to point to city park.
- 41. Suggest to highway department the continuation of beautifying of the rest parks at the edge of the city.
- 42. Census extend the city limits each year to include as many new families as possible to make a good showing in 1970 - ONLY FIVE YEARS AWAY.
- 43. Keep adding new additions to Floydada to have adequate building space for new homes.
- 44. Make plans for more adequate sewer system for a growing town. Do something about present sewer disposal area to eliminate odor which keeps east side area from growing.
- 45. Purchase area, divide and resell to industry (suggest the Goen farm on east city limits next to QA&P.).
- 46. We still need a few apartments for retired people who could afford to pay the rent.
- 47. Curb and pave and light east Missouri Street (State Highway) from Santa Fe Railway to north city limits past Della Plains School.
- 48. Curb and pave and light 12th St. from Highway 207 south to U. S. 70.
- 49. HOW ABOUT THIS ONE? Down-town businessmen. City should purchase entire block east of courthouse, pave it, have it ready by 1975 for a downtown helicopter landing space.

It is up to the fault-finder to propose a remedy for the ills he discovers.

### County Gets Small Shower This Week

Floydada and most of the Floyd County area, received

another slight shower early in the week to add to the amounts that fell on the area last week. The ASC office in Floydada measured only .13 of an inch but amounts up to 1/2 inch were reported by some of the rural communities. The official rainfall for the Floydada vicinity stands at 1.1 inches to date.

MRS. WILLIAM R. ROBINSON (nee Nancy John)

## John Is Bride Of Mr. William R. Robinson

Miss Nancy Lee John, daughter of Mr. and Mrs. W. C. John and Floydada, Tex., was the bride in the wedding ceremony which was held at the home of Mr. Robinson of Joplin, Mo., on April 17 for the groom, Mr. William R. Robinson, son of Mr. and Mrs. W. C. John and Floydada, Tex., who was accompanied by Mr. Robinson of Joplin.

The bride's mother wore a white dress with a white collar and a white belt. She carried a white bouquet of flowers. The bride's father wore a white suit and a white tie. He carried a white cane.

The wedding ceremony was officiated by the Rev. J. P. Moss. The bride and groom were surrounded by their families and friends. The reception was held at the home of Mr. Robinson. There were many guests and a large amount of food was served.

She carried a white Bible with peach colored gladiolus and cascading lilies of the valley. Her shoulder length veil of silk illusion was attached to a leaf shaped cap.

Bridal attendant, Miss Patsy John, cousin of the bride, St. Louis, Mo., wore an apricot colored dress styled with a bell shaped skirt. She carried an arm bouquet of Easter lilies and peach colored gladiolus.

Wendell Robinson, brother of the groom, McAllen, was best man. Ushers were Joe Hyden, Dallas; Doyle Smith, Sapulpa, Okla.; Randall McKinnon, New London, Iowa, nephew of the groom.

A reception in the church followed the wedding. The bride's table was centered with a two tiered wedding cake with greenery and mums, topped by mums. The cake was flanked on either side by lighted tapers in milk glass holders. The

reception table was centered with a bouquet of white mums and peach colored gladiolus.

Miss Jean Hartz, cousin of the bride, Dallas, and Miss Janet Moore, Chicago, Ill., served. Miss Hartz also was at the guest register.

For travel Mrs. Robinson changed to an olive green suit dress with tapestry shoes and bag, apricot straw hat and a corsage of peach gladiolus from her bridal bouquet.

The couple will make their home at 4432 McCart in Fort Worth. Mrs. Robinson is a graduate of KSC at Pittsburg, Kan., and is a graduate student at Southwestern Baptist Seminary in Fort Worth. Her husband is a graduate of Baylor University at Waco and is working toward his BD at Southwestern Baptist Seminary. The couple will graduate in 1966.

The rehearsal dinner was arranged by Mrs. Robinson, mother of the groom, held on April 16 in the home of Mr. and Mrs. Joe Blanchard. The table was centered with a mixed bouquet of white mums and peach gladiolus.

## Rodeo Queen To Be Named, 13 Contestants

Thirteen young ladies from Floyd County are vying for the title of "Rodeo Queen" to be named Saturday night, May 29, at the Floydada Rodeo Grounds. The event is being held in conjunction with the Old Settlers Celebration, May 28.

Contestants and their sponsors are Sherry Roberts, City Auto; Janie Hinkle, Floydada Livestock; Debbie Holmes, Producers Co-op Elevator; Penny McClintock, Lakeview Gin; Judy Probasco, Wylie Grain; Linda Williams, Caprock Motors; Vickie Martin, Davis Grain; Kay Russell, Palace Barber Shop; Jennifer Yeary, Beall Bros.; Cheryl McClintock, Floydada Seed and Delinting; Janie Rainbolt, Consumers Fuel; Lana Fair, Rogers Restaurant, and Janice McNeill, First National Bank.

The girls will ride in the Old Settlers parade May 28. A saddle will also be given away during the rodeo.

## Mrs. Carr Is Club Hostess

Harmony Home Demonstration Club met in the Community Center with Mrs. Horace Carr as hostess last week. Mrs. Roy Hale was in charge of the meeting due to the absences of both the president and vice-president.

The devotional was read by the hostess and roll call was answered by a time saving hint.

After a brief business session an article on "Shingles" was read by Mrs. Carr.

Guest for the meeting was Mrs. Kenneth Robertson, who gave a demonstration on antique furniture. She gave the different steps in antiqueing and showed some finished items. She also gave a recipe for antiqueing glaze which was most interesting.

Recreation was led by Mrs. Monroe Schulz, a game of questions and answers about states.

Attending were Mmes. J. R. Turner, Glenn Pool, Mather Carr, Zant Scott, Monroe Schulz, Carrick Snodgrass, Roy Hale, Walter Hanna, Bob Hopper, Horace Carr, Sherwood Ramsey, Bob Ratjen, R. B. Gary, R. G. Alexander, R. C. Davis and Mrs. Roberson, the guest, of Petersburg, also three children, Hershel and Ricky Pool and Donna Reid.

Among out of town guests at the wedding were Mr. and Mrs. Vern Gauntt, Mrs. Carl Wilkins and Mrs. Carl Yeokum of Floydada.

## 1934 Study Club Meets In Home Of Mrs. Bunch

The 1934 Study Club met April 20 in the home of Mrs. W. H. Bunch for its regular meeting. Mrs. J. P. Moss, club president, opened the meeting and a prayer was given, followed by roll call - a verse from the Book of Psalms.

The minutes of the previous meeting were read and a short business session followed. The resignation of Mrs. Joe March was accepted with regrets.

Mrs. Allen Bingham was in charge of the program for the evening. She introduced Mrs. W. D. Mount, who spoke on "What is a Quaker?", and Mrs. A. L. Wylie Jr., who gave a talk on the topic, "What is a Methodist?"

## Engagement Announced

Mr. and Mrs. Alonzo Gonzalez of Floydada announce the engagement of their daughter, Mary Lou, to Israel Rodriguez, son of Mr. and Mrs. Guillermo Rodriguez of Alice, Texas.

The couple plan a summer wedding, but the date is yet indefinite.

## 4-H Club Has Family Night

The Floydada 4-H Club Family Night was held April 15, 1965 in the Community Room of the First National Bank. A short business meeting was held. Teresa Colston reported on the last council meeting.

Jay Jones led the Motto and Pledge. Retha Jordan brought our inspiration. Kay Russell gave the bank balance.

Demonstrations were the program. The following groups participated: Brenda Willis and Teresa Colston, Beef Cattle Business. Joe Jones and Randy Jordan, Safety; Danny Bradford and Tom Lovell, Vegetable Production; Kay Russell and Retha Jordan, Foods;

Lu Ann Lovell and George Finley, Civil Defense; Lindsay Lovell and Billy Finley, Electricity; Sherry Roberts and Willa Finley, Dairy Cattle; Doris Fawver, Foods Education; Woody Morris, Danny Fancher, Wayne Fancher, Dan Roberts and Lee Sinor, Share the Fun.

Refreshments were served by Kay Russell, Will Sinor, and Kathy Graham and Diane Phillip to club members and parents and guests.

GLORIA SPARKS (bride elect of Ronnie Ogle)

## Wedding Plans Set For Eulaine Tubbs, Hood

Wedding plans for Miss Frances Eulaine Tubbs and Phillip Ray Hood have been announced by her parents, Mr. and Mrs. L. G. Pierce Jr., of 2825 24th, Lubbock, Tex.

Parents of the prospective bridegroom are Mr. and Mrs. James R. Warner of Odessa. July 31 is the date chosen by the couple for their wedding. The ceremony will be performed in the First Methodist Church, Lubbock.

Miss Tubbs is a sophomore business education major at Texas Tech and was graduated from Lubbock High in 1963. She is the granddaughter of the late Judge and Mrs. G. C. Tubbs of Floydada.

Her fiancé is a 1959 graduate of Odessa High School and received a B. S. degree from Hardin-Simmons University in 1964. Hood is a coach and history teacher at McKenzie Junior High School.

## Wesleyans Meet In Stiles Home

The Wesleyan Service Guild met Monday evening, April 26, in the home of Mrs. Geo. Stiles. Mrs. T. J. Hutchins was leader of the program, and gave a talk on "Mothers of Other cultures."

Mrs. Stiles read Scriptures concerning women of the Bible. Guest speaker for the evening was Miss Marleen Kessels, Foreign Exchange Student from Holland, who told of customs of her country.

Those present were Mmes. G. L. Bryant, John Shipley, M. L. Solomon, W. O. Baker, W. E. Kendrick, T. J. Hutchins, John McKinney, M. R. Mathis, G. M. Armstrong, Virginia Dyson, Charles Lutrick, Virgie

Members present were Mmes. H. G. Barber, Bingham, Bunch, Ralph Cogdell, A. W. Coltharp, Dennis Dempsey, R. G. Dunlap, W. M. Fowler, Moss, Mount, Vernon Parker, Virgie Shaw, John Stapleton, W. W. Switzer, Wylie, M. A. Yancey and Mrs. David Eaton.

The next meeting will be held May 4 in the home of Mrs. Dunlap.

## Dinner Honors Mrs. Pope

Mrs. W. H. Pope, longtime Floyd County pioneer woman who now makes her home in Friona, was honored Sunday, April 25 with a dinner at the home of a daughter and her husband, Mr. and Mrs. H. N. Ellis at Earth.

The event was the 92nd birthday of Mrs. Pope, who despite that number, is still very active and returns each year to Floydada for the pioneer celebration.

Attending the dinner were Mr. and Mrs. Leonard Pope, Friona; Mr. and Mrs. Gene Pope, Borger; Mr. and Mrs. Smith Pope, Littlefield; Mr. and Mrs. T. E. Brock, Plainview; Mr. and Mrs. Donnie Brock, Amarillo; Mr. and Mrs. Joe Ellis and baby and Mr. and Mrs. H. N. Ellis, Earth; Mr. and Mrs. Bud Pope and family, Floydada, and Ada Ellis.

## Club Meets In Bateman Home

The 1962 Jr. Study Club met April 20 in the home of Linda Bateman. The American Creed was voiced by club members and Mrs. Elmer Dean Williams gave the quote for the day.

Mrs. Harvey Allen, president, presided over the business session during which time two new members were voted into the club. They are Mrs. Arlis Powell and Mrs. Betty Hines. Members answered roll call by naming their favorite TV program.

Mrs. Dean Morris presented the program "PTA and You". The organization was discussed along with its purposes and projects. Mrs. Morris also explained to club members, as parents, why the PTA is worthwhile and necessary.

Meeting was adjourned and Mrs. Melvin Lloyd and Mrs. Morris served refreshments to Mmes. Harvey Allen, Mike Carver, Kay Crabtree, Ronnie Dalton, James Hartline, Elmer Dean Williams, Mrs. Bill Hicks and Linda Bateman.

The April 6 club meeting was held with Mrs. Bobby Weiborn at which time Mrs. Lon V. Smith was special guest for the evening. She brought an interesting program on Teaching Literates, procedure and purposes.

Club will meet again on May 4 with Mrs. Bill Hicks as hostess.

HELLO WORLD Lt. and Mrs. Michael Fayne McKinnis of Little Rock, Ark., announce the arrival of a son, Michael Fayne Jr., on April 2. The baby weighed seven pounds and one ounce at birth in Vanderbilt Hospital in Nashville. Grandparents are Mr. and Mrs. Bill Summers of Nashville and Mr. and Mrs. F. A. McKinnis of Floydada. Lt. McKinnis is recruiting officer for officer candidates in Arkansas and Louisiana colleges and universities.

**SOUTH PLAINS NEWS by Mrs. Murray Julian**

**SOUTH PLAINS, April 26** - Two days of hot, sultry 98 degree weather was quite a contrast last week to the weekend low of 37 degrees and damp, chilly days. This Monday we have received about .30 rain in our community, and everyone is in hopes we get a wonderful, real old rain before this lets up.

Several farmers have already planted their cotton, and a good many have put their castor beans into the ground and will water them up. Sylvan Kinnibrugh has dug a new irrigation well on his home place, and Frank McClure is in the process of putting the finishing touches to a new well at his home place.

Mrs. Roy Bledsoe was in Peoples Hospital in Floydada from Monday until Saturday morning of last week. She was undergoing tests, and has had bronchial trouble and flu like so many in our neighborhood.

Mr. and Mrs. Herman Thornton, Kay and Russell and guest, Mrs. Jewell Gaddy of Phoenix, Arizona, returned Saturday from a fishing trip down to Lake Tawakoni, near Dallas, which they enjoyed for four days, but did not have much luck with the fish biting.

Mr. and Mrs. Eugene Beedy went to Lubbock Saturday where they enjoyed supper with her sister, Mr. and Mrs. Joe Lee Dunn, and later attended the Lubbock Avalanche Home Show which was held at the Coliseum.

Mrs. Alvin Nichols will be hostess for the Hobby Club in her home for the May meeting, May 19th at 2 p.m. with Mrs. Arby Mulder assisting her in hostess duties.

The Junior Calahan family from Abilene was here in our

vicinity Saturday visiting especially at the Lockney Hospital with his mother, Mrs. H. S. Calahan Sr. They are getting along fine with studies at Hardin-Simmons University and his new church at Potosi.

Congratulations and best wishes to new grandparents, Mr. and Mrs. E. P. Pritchett on the arrival of a new grandson, Grant Pritchett Turner, born Thursday, April 22, at 11:15 at the Lockney Hospital to parents, Mr. and Mrs. Robt. Olin Turner. He weighed nearly seven pounds, and was 20 inches long. Mr. and Mrs. Pritchett kept the other three grandchildren while Mrs. Turner and baby were in the hospital, and this Monday the children and Mrs. Turner and baby son are home and all doing fine.

Stevie Pritchett was out of school Thursday and Friday with a bad case of flu, but this Monday he was able to be back in school.

Mr. and Mrs. Bill Thomas and Mrs. Maud Brister went down to Irving over the past week end to visit with Bill's and Mrs. Brister's sister, Mrs. E. G. Arensman and family over the weekend.

Mr. and Mrs. John McCain and Gary of Amarillo were overnight house guests of his sister, Mrs. Fred Fortenberry and family. Saturday they all went to Lockney to the mother's home, Mrs. N. C. McCain and they finished up all the painting on the inside and outside work of her home. Other brothers and members of Mrs. McCain's family helped also in the work.

Mrs. Bryant Higginbotham went Friday evening to Amarillo and spent the weekend with her

sister, Mrs. Jim Magnusson and family. She visited her son Bud, who attends WT at Canyon, and Saturday they visited Mrs. Vivian Pierce who was in the North West Texas Hospital, but was able to go home Saturday. She is Bryant's sister, and now lives in Amarillo with her daughter. Sunday evening Mrs. Higginbotham stopped off at Rock Creek to visit old friends, Mr. and Mrs. Lenton Lanham.

Mr. and Mrs. Eugene Beedy, sons Todd and Mark spent the weekend up at Claude with his folks, the Bill Beedys. Also present were the Bradford and the Charles Beedy families. They branded cattle Saturday on the ranch.

Eighty three were present for morning services at the South Plains Baptist Church, with visitors Mr. and Mrs. Johnny Calahan of Lubbock, Mrs. Kelly Bowers of Plainview and Mrs. Teddy Horne of Lubbock. The Reverend Sealy Smith finished out a week of revival services in Denver City at the Bethel Baptist Church, and was home late Sunday night after the last service. Louis Wakelind of Wayland College spoke here at both Sunday services.

Mr. and Mrs. Louis Wakefield and three children of Plainview were dinner and supper guests at the parsonage Sunday with Mrs. Sealy Smith and the children.

Hobby Club members met in the home of Mrs. George Weast Wednesday afternoon at 2 p.m. for a meeting, with Mrs. Harry Morckel of Floydada as guest speaker. Her message was, "How to Grow Old Gracefully", and she also spoke on poisonous things found in our gardens

and orchards, such as leaves of oleanders, rhubarb leaves, etc. Mrs. Frank McClure assisted Mrs. Weast as hostess and they served cheese sandwiches, cookies and punch to members. Mimes, E. J. Kinslow, Grigsby Milton, J. P. Taylor, Tillman Powell, Arby Mulder, L. T. Wood, H. L. Marble, Fred Fortenberry, Alvin Nichols, Mrs. W. M. Stanforth Jr., and guest Mrs. Morckel.

Mr. and Mrs. Johns Cox of Lockney had Sunday dinner and the afternoon here with his sister, Mrs. Alvin Nichols and husband.

Luncheon guests Wednesday at noon with Mrs. Herman Thornton were Mrs. Ora Smith, and Mrs. Verner Hodel of Lockney and Mrs. Jewel Gaddy of Phoenix, Ariz.

Mr. and Mrs. Poyner Roberts of Floydada were Sunday afternoon guests in the home of their daughter, Mr. and Mrs. Kendis Julian and Kristi.

Mrs. L. T. Wood and Mrs. Roy Burks spent Friday night and Saturday down at the Plains Baptist Camp where they took their Junior G.A.'s down to the Camp to attend the Association-Caprock House Party which was held there for all G.A.'s Friday night and Saturday. Going with Mrs. Burks and Mrs. Wood were thirteen little Junior girls.

Mrs. Sylvan Kinnibrugh and Mrs. John Kinnibrugh spent Wednesday in Lubbock on a business trip, and they also visited the Teddy Hornes.

Mr. and Mrs. George Weast spent Thursday in Amarillo on a business trip, and also visited the E. T. Evans family.

Garden Club met Friday at 9:30 with Mrs. L. T. Wood, and Mrs. John Smitherman of Floydada was an all day guest

of Mrs. Wood, and attended the Garden Club. Mrs. Jimmy Willson gave a book review of "Gardening to Order" by Burpee Seed Company, and the group planned the Flower Show, which will be held at the Lighthouse Electric on May 14. It will be open to the public. Fourteen guests were present for the meeting.

Mr. and Mrs. Johnny Calahan of Lubbock were weekend guests here with his parents, Mr. and Mrs. Shelby Calahan, Beth, Jerry and Randy.

Mrs. Herman Thornton is heading the American Cancer campaign here in our community, going from home to home working to solicit funds for this worthy cause, so help her all you are able to fight this dread disease.

**Jewel Jackson On First Jet Flight**

Mrs. Jewel Jackson of Floydada had the distinction of being a passenger aboard the first flight of the new El Dorado Super jet Sunday. Mrs. Jackson flew from Dallas to Lubbock in 43 minutes. She had been to Dallas and Irving visiting her children.

The Floydada woman was presented a first flighter pen, miniature silver wings, by Braniff. Her picture was also made aboard the plane at 16,000 feet flying at 550 miles per hour.

Aboard along with other passengers were also Capt. and Mrs. Charles Braniff.

The plane, America's newest jet, was named the fastback jet because of its clean wing and rear-engine design. It is the world's first designed for full

jet service on flights of less than 300 miles, according to Braniff.

The Braniff One-11 is powered by two Rolls-Royce Spey-2 fan-jet engines and features short take-offs, fast climbs and a 550 mph cruise speed.

It was built by British Aircraft Corporation. The plane has a length of fuselage of 92 feet, 6 inches, a wingspan of 82 feet and 6 inches and the height of tail is 23 feet and 9 inches. Cruising altitude is 35,000 maximum and 22,000 average. Cruising range is from 750 to 1,000 miles and it seats 63 passengers.

COINCIDENCES are usually interesting. . . sometimes embarrassing. . . sometimes hilarious. A popular folk singer group "The Windjammers" put on the program sponsored by the Methodist men for the graduating classes Tuesday night.

They began to sing a song by the name of "Railroad Bill."

The singers were amazed at the response of the seniors to the song. They roared with laughter and pointed at fellow classmate Bill Potts. I figured it was sorta funny. . . since Bill Potts name was Bill and the song referred to a fellow by the name of Bill.

I learned the full impact of the situation after it was over. It seems that Bill decided to hop on a freight pulling through Floydada the other day. . . thought he'd get a little hobnobbing experience from here to Lockney. However, the train didn't stop at Lockney. . . it

carried Bill on to Plainview and he had a few problems in getting back home!

Congressman Mahon understands the future needs of water for this area, and according to the letters received he always welcomes ideas, such as Mr. Lyles'.

Congressman Mahon's interest in water is again evident as he this week met with various national water board committeemen at Lubbock in discussion of diverting water from Alaska and Canada into the Great Lakes and the Southwest.

### SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, April 26 - Two days of hot, sultry 98 degree weather was quite a contrast last week to the weekend low of 37 degrees and damp, chilly days. This Monday we have received about .30 rain in our community, and everyone is in hopes we get a wonderful, real old rain before this lets up.

Several farmers have already planted their cotton, and a good many have put their castor beans into the ground and will water them up. Sylvin Kinnibrugh has dug a new irrigation well on his home place, and Frank McClure is in the process of putting the finishing touches to a new well at his home place.

Mrs. Roy Bledsoe was in Peoples Hospital in Floydada from Monday until Saturday morning of last week. She was undergoing tests, and has had bronchial trouble and flu like so many in our neighborhood.

Mr. and Mrs. Herman Thornton, Kay and Russell and guest, Mrs. Jewell Gaddy of Phoenix, Arizona, returned Saturday from a fishing trip down to Lake Tawakoni, near Dallas, which they enjoyed for four days, but did not have much luck with the fish biting.

Mr. and Mrs. Eugene Beedy went to Lubbock Saturday where they enjoyed supper with her sister, Mr. and Mrs. Joe Lee Dunn, and later all attended the Lubbock Avalanche Home Show which was held at the Coliseum.

Mrs. Alvin Nichols will be hostess for the Hobby Club in her home for the May meeting, May 19th at 2 p.m. with Mrs. Arby Mulder assisting her in hostess duties.

The Junior Calahan family from Abilene was here in our

vicinity Saturday visiting especially at the Lockney Hospital with his mother, Mrs. H.S. Calahan Sr. They are getting along fine with studies at Hardin-Simmons University and his new church at Potosi.

Congratulations and best wishes to new grandparents, Mr. and Mrs. E. P. Pritchett on the arrival of a new grandson, Grant Pritchett Turner, born Thursday, April 22, at 11:15 at the Lockney Hospital to parents, Mr. and Mrs. Robt. Olin Turner. He weighed nearly seven pounds, and was 20 inches long. Mr. and Mrs. Pritchett held the other three grandchildren while Mrs. Turner and baby were in the hospital, and this Monday the children and Mrs. Turner and baby son are home and all doing fine.

Stevie Pritchett was out of school Thursday and Friday with a bad case of flu, but this Monday he was able to be back in school.

Mr. and Mrs. Bill Thomas and Mrs. Maud Brister went down to Irving over the past week end to visit with Bill's and Mrs. Brister's sister, Mrs. E. G. Arensman and family over the weekend.

Mr. and Mrs. John McCain and Gary of Amarillo were overnight house guests of his sister, Mrs. Fred Fortenberry and family. Saturday they all went to Lockney to the mother's home, Mrs. N. C. McCain and they finished up all the painting on the inside and outside work of her home. Other brothers and members of Mrs. McCain's family helped also in the work.

Mrs. Bryant Higginbotham went Friday evening to Amarillo and spent the weekend with her

sister, Mrs. Jim Magnusson and family. She visited her son Bud, who attends WT at Canyon, and Saturday they visited Mrs. Vivian Pierce who was in the North West Texas Hospital, but was able to go home Saturday. She is Bryant's sister, and now lives in Amarillo with her daughter. Sunday evening Mrs. Higginbotham stopped off at Rock Creek to visit old friends, Mr. and Mrs. Lenton Lanham.

Mr. and Mrs. Eugene Beedy, sons Todd and Mark spent the weekend up at Claude with his folks, the Bill Beedys. Also present were the Bradford and the Charles Beedy families. They branded cattle Saturday on the ranch.

Eighty three were present for morning services at the South Plains Baptist Church, with visitors Mr. and Mrs. Johnny Calahan of Lubbock, Mrs. Kelly Bowers of Plainview and Mrs. Teddy Horne of Lubbock. The Reverend Sealy Smith finished out a week of revival services in Denver City at the Bethel Baptist Church, and was home late Sunday night after the last service. Louis Wakefield of Wayland College spoke here at both Sunday services.

Mr. and Mrs. Louis Wakefield and three children of Plainview were dinner and supper guests at the parsonage Sunday with Mrs. Sealy Smith and the children.

Hobby Club members met in the home of Mrs. George Weast Wednesday afternoon at 2 p.m. for a meeting, with Mrs. Harry Morckel of Floydada as guest speaker. Her message was, "How to Grow Old Gracefully", and she also spoke on poisonous things found in our gardens

and orchards, such as leaves of oleanders, rhubarb leaves, etc. Mrs. Frank McClure assisted Mrs. Weast as hostess and they served cheese sandwiches, cookies and punch to members. Mmes. E. J. Kinslow, Grigsby Milton, J. P. Taylor, Tillman Powell, Arby Mulder, L. T. Wood, H. L. Marble, Fred Fortenberry, Alvin Nichols, Mrs. W. M. Staniforth Jr., and guest Mrs. Morckel.

Mr. and Mrs. Johns Cox of Lockney had Sunday dinner and the afternoon here with his sister, Mrs. Alvin Nichols and husband.

Luncheon guests Wednesday at noon with Mrs. Herman Thornton were Mrs. Ora Smith, and Mrs. Verner Hodel of Lockney and Mrs. Jewel Gaddy of Phoenix, Ariz.

Mr. and Mrs. Poyner Roberts of Floydada were Sunday afternoon guests in the home of their daughter, Mr. and Mrs. Kendis Julian and Kristi.

Mrs. L. T. Wood and Mrs. Roy Burks spent Friday night and Saturday down at the Plains Baptist Camp where they took their Junior G.A.'s down to the Camp to attend the Association-Caprock House Party which was held there for all G.A.'s Friday night and Saturday. Going with Mrs. Burks and Mrs. Wood were thirteen little Junior girls.

Mrs. Sylvin Kinnibrugh and Mrs. John Kinnibrugh spent Wednesday in Lubbock on a business trip, and they also visited the Teddy Hornes.

Mr. and Mrs. George Weast spent Thursday in Amarillo on a business trip, and also visited the E. T. Evans family.

Garden Club met Friday at 9:30 with Mrs. L. T. Wood, and Mrs. John Smitherman of Floydada was an all day guest

of Mrs. Wood, and attended the Garden Club. Mrs. Jimmy Willson gave a book review of "Gardening to Order" by Burpee Seed Company, and the group planned the Flower Show, which will be held at the Lighthouse Electric on May 14. It will be open to the public. Fourteen guests were present for the meeting.

Mr. and Mrs. Johnny Calahan of Lubbock were weekend guests here with his parents, Mr. and Mrs. Shelby Calahan, Beth, Jerry and Randy.

Mrs. Herman Thornton is heading the American Cancer campaign here in our community, going from home to home working to solicit funds for this worthy cause, so help her all you are able to fight this dread disease.

**Williamson Funeral Is Conducted**

E. T. Williamson, who would have been 83 years old yesterday, April 28, died Wednesday, April 21, about noon in his home, 407 W. Missouri. He had been in failing health for several years but resided at his home until he sustained a broken hip on November 11, 1964. After his dismissal from Methodist Hospital he was moved to Ralls Memorial Convalescent Home until he was able to be brought home, March 1, of this year.

Funeral rites were conducted Thursday afternoon of last week in the Wall Street Church of Christ of which the deceased was a member. Ohmer W. Kirk of Floydada officiated. Interment was in Floyd County Memorial Park under the direction of Moore Funeral Home.

Williamson was born to B. H. and Nora Hickerson Williamson in Cleburne. He married Della Anderson on March 1, 1908. The couple came to Floyd County in 1916 and farmed southeast of Floydada until 1932 when they moved into Floydada. Williamson attended the Christian College at Lockney and was a retired farmer.

He was preceded in death by two sons, Eulan and Clarence and by one daughter, Irene.

Survivors include his wife; one son, Marvin Williamson of Dumas; one daughter, Mrs. Grady Dunavant, Floydada; one brother, Lloyd of Keyes, Okla.; two sisters, Mrs. Isham Kennon and Mrs. Ella Mae McCorkle, both of Cleburne; three half brothers, Avon, Wallace and Colleen Williamson, all of Cleburne; two half sisters, Mrs. W. A. Billingsley, Alvarado, and Mrs. Maurine Turner of Fort Worth; ten grandchildren and 18 great grandchildren.

Pallbearers were Leslie Fawver, Carleton Fawver, Louis Anderson, Floyd Anderson, Otis Anderson, Floydada, James Anderson, and Edwin Anderson of Lubbock and Walter Anderson of El Paso. All are nephews.

Among out of town friends and relatives attending the funeral were Mr. and Mrs. Milton Dunavant and son, Fort Worth; Lloyd Williamson and son, J. B., Keyes, Okla.; Mr. and Mrs. Avon Williamson, Mr. and Mrs. Wallace Williamson, Mr. and Mrs. Colleen Williamson, Mrs. Isham Kennon and Mrs. Ella Mae McCorkle all of Cleburne; Mrs. W. A. Billingsley, Alvarado; Mrs. Maurine Turner, Fort Worth; Mr. and Mrs. Marvin Williamson and family of Pampa; Mr. and Mrs. Carrol Hayes and children; Mrs. Robert Hayes and Mr. and Mrs. Dale Rogers, all of Plainview.

Mr. and Mrs. W. N. Anderson, Narcoma; Mrs. Ausie Watson and son, Abilene; William and James Anderson, Lubbock; Mr. and Mrs. L. L. Jones, Canyon; Mr. and Mrs. A. H. Grimes, Chidress; Mrs. Hugh Gearhart, Mrs. Vadah Rigdon, and Mr. and Mrs. Roy Hayes all of Dumas;

# Chadwick Chevelle One Of Fastest Cars In U.S.

Note - Kelly Chadwick has been in the national racing scene for some time now with racing and last summer he beat some of the best cars in the U. S. cars in the attention of the experts. This year, he drove a 427 engine, he is the National Champion. Whether he wins it or not, he is going to put the Chevelle, Texas on the map. He is going to the city since he is the fastest.

Chadwick, owned by Chadwick of Floydada, a great mark in the racing season, is as one of the fastest Stock Cars in the world.

Part of the 1965 season has elapsed and he is going to move a new car into the dust. He is going to leave some of the best cars in the dust. He is going to leave some of the best cars in the dust. He is going to leave some of the best cars in the dust.

last week and, when installed in the Chevelle, this will make the car legal to run in the National Championships and to be ranked nationally.

The Plymouth that was out-run by Chadwick recently in Wichita, Kansas, was National Champion of 1964. This added greatly to the prestige of the Chevelle.

The Chevelle has been seen on nation-wide television, however, Chadwick said, "I don't think it has been shown in this area."

During the summer the car will be displayed in Detroit, Mich., Oswego, Ill., Thompson, Ohio, and at Albuquerque, N.M.

Chadwick said, in a recent interview "to win the National Championship was like trying to win the state championship in basketball - everything has to be perfect. There may be 60 cars on hand that day, where the races are being held, trying to reach that mark and a person may run 10-12 times. If he ever misses on his timing he is going to lose. It's better to challenge someone for his national ranking and then just have the best 3/5 event."

He added, "I would like to thank all the people of Floydada who have helped to make the success of the car possible - Oden Chevrolet, who sponsored the car last year and without whose help it would have been impossible; L. B. Stewart, and the mechanics at Oden's for the use of their tools and time; Stanley Killian; Daniel Automotive; Johnson Machine Shop; United Machine Shop; The Hesperian, for being interested enough to write the story. ### Lockney Board Elevates Dobson To Principal

Weldon Dodson, a teacher in the Lockney Junior High School, was named principal of Lockney Elementary School effective at the close of this school year in a meeting of the school trustees Tuesday evening. He will succeed Mrs. Alma Dutton, who requested a transfer in the system to a classroom teacher position some time ago. She was assigned to teach in Junior High School.

Dodson has been in the Lock-

ney school system for 16 years. He has an administrator's certificate. He is a veteran of World War II and served for a time in Puerto Rico.

### Johnston To Represent County At Youth Conference On Crime

Attorney General Waggoner Carr has announced the appointment of Ralph C. Johnston of Floydada to serve as official representative for Floyd County, for the 1965 Attorney General's Youth Conference on Crime.

This Third Annual Conference will attract over 1600 outstanding youth leaders from throughout Texas to study projects for implementing in Texas communities for the prevention of delinquency. Many outstanding programs have already begun in Texas as a result of the first two conferences, including youth juries, programs for tutoring students to prevent drop-outs, and various other community service projects. Civic clubs, churches and other organizations or interested individuals interested in participating should contact 914 S. Wall Street.

The conference will be held in Austin August 20 through 22nd, 1965.

Governor John Connally welcomes Sharon Tucker, one of 40 children from Masonic Home and School in Fort Worth. The children were on a history tour to San Antonio and Austin, sponsored by the Masters, Wardens and Secretaries Association of San Antonio. Joining in the welcome are two State Senators, Galloway Calhoun, Jr. of Tyler, on the left, and Don Kennard of Fort Worth, on the right. Senator Calhoun is also Grand Orator of the Grand Lodge of Texas. Some 250,000 Texas Masons maintain the Masonic Home and School for children and grandchildren of Texas Masons. The three-day tour was provided to enable children with high scholastic standing to visit various historical spots and observe the state government in operation.

**FLOYD PHILOSOPHER**

**Thinking Of Underground Farm When Land Is Paved**

Editor's note: The Floyd Philosopher on his Johnson grass farm probably is looking too far into the future this week, but you never know. Dear editor:

I don't know how many cars there are right now in the United States. I may have read the figure in a newspaper somewhere and probably put it in my files for future use but it's too far down to get to, which may need explaining. I file newspapers by stacking them in a corner and if something I want is on top it's readily accessible but if it's a few feet down I hesitate to pull it out. I've got forethought, I don't want the whole stack

toppling over on me. You run your business and I'll run mine. At any rate, there must be at least 30 million automobiles in the U. S. right now, maybe a lot more, but 30 million is a good enough figure for my purposes.

What I'm getting at is that I read in a newspaper last night that the automobile industry expects to produce nine million cars this year. This is first-rate business news, but it has its drawbacks. I mean, we're producing cars a lot faster than we're getting rid of them. Makes no difference how hard and conscientiously people try, they can't get the wreck rate up to the

production rate. Therefore, say we're gaining four or five million cars a year. In ten years, instead of having 30 million, we'll have 75 or 80 million. In twenty years, 125 million. In thirty years, 150 million.

Have you stopped to think that in a hundred years from now we'll have over 500,000,000 automobiles in the United States?

Do you realize that if they all started in one direction at the same time, those stacked up behind would never get there? Is Congress working on legislation now to establish Driving Days as it should be? What I mean is, with that many cars, driving will have to be prorated, with one group allowed out on Monday, one on Tuesday, etc. I can see some smart people right now buying seven cars so they can drive one every day in the week, but Congress will catch on and plug that loop hole before it spreads.

Then there'll be the problem of developing underground farming, as most of the land will be paved.

I tell you, there are vast problems coming up in the future that are going to take a lot of forethought.

Yours faithfully,  
J. A.

**Everybody Benefits From Cotton**

WHY SUPPORT cotton? Because cotton helps to support you.

This community, and this whole area, have big stakes in a healthy and expanding cotton industry. Cotton planting time is near at hand. The product is being promoted in stores. And the annual South Plains Maid of Cotton contest is just over a week away.

No cotton right now is much in the public spotlight, again furnishing a reminder that cotton is a major source of sustenance for the economic community in Lubbock and all across the South Plains.

New wealth generated by cotton on the South Plains every year is multiplied several times over as it flows from the pockets of the people concerned to businesses in their communities. Cotton and people can't be dissociated. And "people" means all of us.

The South Plains produces a larger total volume of cotton annually than any comparable region in the nation—or in the world,

for that matter. Last year's area crop of almost 1.9 million bales was worth about \$304 million in terms of its gross value at the farm level alone.

This growing and processing of cotton creates a demand for a multitude of goods and services. For instance, farmers alone spend untold sums for seed, fertilizer, labor, agricultural chemicals, machinery, fuel and other items.

But the cotton industry has fallen upon hard times. Prices to growers are down and their costs are up. The income of other cotton businesses has dropped. It will take a sound Federal farm program to prevent the slow destruction of cotton as the storied "king" of all crops.

Something else is of vital importance in making and keeping cotton's future bright. It's you, the consumer. Simply choose cotton products when you buy. You'll be investing in cotton's future. . . . And your own.

A representative of the Texas Industrial Committee met with our Chamber of Commerce committee that is working for new industry and business a couple of weeks ago. One of the first things he said Floydada must do . . . to get new business and new industry is "get its house in order."

As he pointed out the various things that new industry seeks in any size town, it was easy to see that we have many assets that industry will like, but on the other hand, we are sadly lacking in two big items.

If we are to look good for new industry, we must get our house in order with adequate school and health facilities. New industry wants to move its families to a city where they will be happy and enjoy a community life that includes a modern hospital if they are injured or become ill. . . . and it wants the children of its families to have adequate school facilities.

These two items . . . a modern hospital and schools would put Floydada in a good position to receive new business and industry.

With a very good water supply . . . now . . . and, the possi-

**TORNADO Safety Rules**

TO KNOW WHAT TO DO WHEN A TORNADO IS APPROACHING MAY MEAN THE DIFFERENCE BETWEEN LIFE AND DEATH!

- I If you are near a tornado cellar:**  
When time permits, go to a tornado cellar, cave or underground excavation which should have an air outlet to help equalize the air pressure. It should be kept fit for use, free from water, gas or debris; and preferably equipped with pick and shovel. THERE IS NO UNIVERSAL PROTECTION AGAINST TORNADOES EXCEPT UNDERGROUND EXCAVATIONS.
- II If you are in open country:**  
1. Move at right angles to the tornado's path. Tornadoes usually move ahead at about 25 to 40 miles per hour.  
2. If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine.
- III If in a city or town.**  
1. Seek inside shelter, preferably in a strongly reinforced building. STAY AWAY FROM WINDOWS!  
2. In homes: the corner of the basement toward the tornado usually offers greatest safety, particularly in frame houses. People in houses without basements can sometimes be protected by taking cover under heavy furniture against inside walls. Doors and windows on the sides of the house away from the tornado may be opened to help reduce damage to the building.  
3. Standing against the inside wall on a lower floor of an office building offers some protection.
- IV If in schools:**  
1. In city areas: If school building is of strongly reinforced construction, stay inside, away from windows, remain near an inside wall on the lower floors when possible. AVOID AUDITORIUMS AND GYMNASIUMS with large, poorly-supported roofs!  
2. In rural schools that do not have strongly reinforced construction, remove children and teachers to a ravine or ditch if storm shelter is not available.
- V If in factories and industrial plants:**  
On receiving a tornado warning, a lookout should be posted to keep safety officials advised of the tornado's approach. Advance preparation should be made for moving workers to sections of the plant offering the greatest protection.
- VI Keep calm.** It will not help to get excited. People have been killed by running out into streets and by hurrying back into the path of a tornado. Even though a warning is issued, chances of a tornado striking your home or location are very slight. Tornadoes cover such a small zone, as a rule, that relatively only a few places in a warned area are directly affected. You should know about tornadoes though, "just in case."
- VII Keep tuned to your radio or television station for latest tornado advisory information.** Do not call the Weather Bureau, except to report a tornado, as your individual request may tie up telephone lines urgently needed to receive special reports or to relay advisories to radio and television stations for dissemination to thousands in the critical area.

**Local Carter In Roswell Run This Weekend**

Floydada's own Go-Cart owner-driver, Ted Viramontes, has entered a race at Roswell this weekend, May 1-2.

The event is the Bottomless Lakes, Fifth Annual Association Race. According to Viramontes, some of the country's top racers will be on hand for the event.

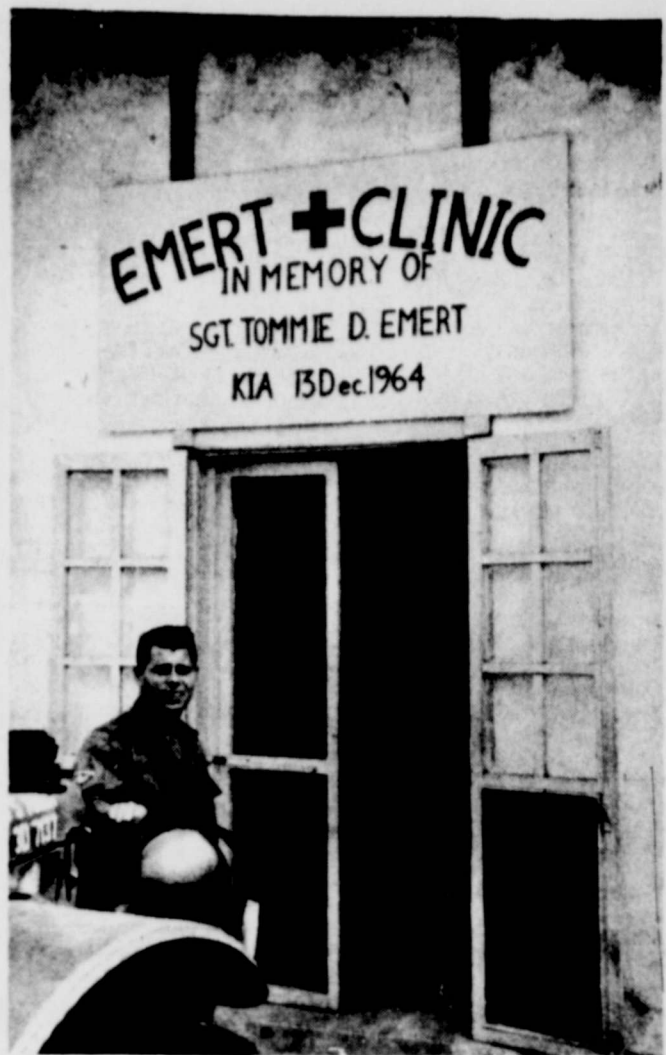

The course is an eight-mile track, and should be a very fast one.

Recently at the Buffalo Lakes run, Viramontes placed twelfth. However, about a week later, six of those who finished ahead of him were disqualified because of illegal engines.

The class in which Viramontes races can have engines costing no more than \$100. His particular engine cost around \$99 as do most of those in his class. The engines that were disqualified cost only \$99.95, but they require a special manifold before they will run and this costs \$50. It was therefore ruled these particular engines were not legal for the class.

Later in the summer, Viramontes plans to go to Louisiana and take part in the Nationals. The event was moved from Colorado to Louisiana.

Carting is unique in that almost anyone of any age can participate in the event. In the Carting association there are teenagers and grandparents competing. "It's a family sport", Viramontes said.

**Ric Burrow Still In Spain**

(Editor's Note - The following is another in a series of letters Ric Burrow is sending home for publication. He is presently in Spain studying art.)  
Monday, April 12

Dear Mom and Dad,

I am now on the beach at Marbella--which is south of Malaga. We've seen a lot in the past two days. I'll make an effort to tell you about it.

We met the other member of our party at the train in Cordoba at 5:30 in the morning on Saturday. After eating and getting gas we headed for Sevilla. The road was hilly but no mountains and there were plenty of olive trees and general good vegetation. Unfortunately we had a bad fog that didn't lift until about 9:30.

When we went through a small town on the way, we stopped at an ancient Roman cemetery grounds. It was an extremely interesting place. There were tombs of families scattered everywhere underground. The tombs of the richer families once had stucco on the walls with painted designs. The crypts were only foot square rock boxes for ashes. There were also three foot deep holes for cremating purposes.

There was a large room dug

out but open-topped for the feasts when anyone died. It had three eating places--one in the open for spring and fall--one with a shade for summer and one underground for winter.

There was also a bath where the people bathed before going to visit the tombs. The Romans were very clean. All of this dates from the first century before Christ. But there was also a temple for the 4th century A. D. Christian Romans. The guide was a very nice man and I now own a small tile from said temple. To think--I own a man-made tile from the fourth century. One tomb had about twelve ash crypts and one long hole for a coffin for a son who was a Christian.

We didn't stay in Sevilla very long. It's a beautiful city, though. From there we went to Cadiz on the Atlantic coast. We were there about thirty minutes. It was a dirty, poor seaport and I couldn't wait to get out. From there we headed for Gibraltar. This was a beautiful drive. There were beautiful pines and ultra-green valleys and blue mountains. We saw cork trees with their bark trimmed to the limbs, bull ranches and cattle ranches. As we came over the mountain pass into Algeciras we could see the majestic Rock of Gibraltar towering from the water. We spent the evening in Gibraltar with the British and we camped outside of San Roque near the Rock. Right now as I look back at the Rock, fifty miles away, I can also see the tops of the moun-

To give you an example of why he's the best--on the first pass with the first bull, he turned a complete circle as the bull was charging full force -- coming around just as the bull met his cape. A fantastic showman who was cheered as such as a president.

Well, today we're off up the coast toward Malaga. I'm enjoying myself extremely but only wish you were here to enjoy it with me.

## Crosby County Board Votes To Annex Cone School To Ralls School District

The Crosby County School Board of Trustees voted Tuesday to consolidate the county's last remaining Common School District, Cone, with the Ralls Independent School District.

The action followed a lengthy discussion in which it was pointed out that the Cone School had been notified last November that accreditation will be withdrawn at the end of this school year. Shortly after that notification voters in the Cone school district passed a \$30,000 bond issue to correct factors causing the withdrawal of accreditation. The bond issue had earlier failed to pass.

Approximately 80 students now attend school at Cone and five teachers are employed at the school. The district comprises 33 square miles and is bounded on the north by the Floyd County line.

Motion to annex Cone school to Ralls Independent School District was made by Jim Cox of Ralls, who said, "Due to the fact that Cone school patrons are so divided, it would be to the best interest of the Cone school to be annexed."

Motion was seconded by George Cunningham of Lorenzo. Voting for the annexation were Cox, Cunningham and W. Ray Woodard of Canyon Valley. Vote of Willard Richardson, board president, was not re-

quired and Robert Swetnam of Lorenzo abstained.

Members of the board were scheduled to appoint a trustee to fill the unexpired term of Thurston Kirby, Cone. Also affecting the decision, which will be effective at the beginning of the school year next fall, was the fact that Floydada school, due to crowded conditions, had indicated transfers will not be accepted another year.

County Superintendent, Mrs. Heene Stobaugh stated, "I think my office will be affected eventually, but not by this. I hate to see any school done away with since it sometimes means the death of a community. However, due to the accreditation problem, I think the board acted in the best interest of the children involved."

# TAILWATER RETURNED

Water is money to the Farmer! It means increased production and increased profit! Gifford Hill-Western can design and install a Tailwater Return System that can make your water produce more profit from your farm. Check these advantages:

1. 20 to 25 percent increase in additional water for irrigation purposes.
2. Use of a large head of water to get water to end of rows quicker, providing more uniform moisture penetration.
3. Improved plant growth because of warmer water temperature. Cold ground water causes a temporary cooling of the soil and reduces rate of growth for a few days.
4. Prevents ponding at lower end of field which interferes with plant development.

4 good reasons to learn more about a tailwater return system for your farm. Your Gifford-Hill-Western Sales Engineer or Sales Office can help you put your tailwater to work. It's the cheapest water you can pump!

Spray new Caparol when planting your cotton to control weeds.

Spray new Caparol\* in a band or broadcast when planting your cotton for effective, early-season control of most annual broadleaf weeds... like carelessweed (pigweed), annual morning glory, cocklebur, lambsquarter and many other problem weeds.

You'll also get control of many grass-type weeds, such as crabgrass and goosegrass.

Early-season weed control with Caparol means you'll be able to eliminate that first, slow cultivation. So you won't be plowing out or covering up young cotton. All it takes is moisture to move Caparol into the soil.

You can also apply new Caparol after your cotton is up six inches or higher, or at layby. Just direct the

spray to the base of the plants and apply to weeds no larger than two inches in height.

Whatever program you decide on, you'll have no soil residue carryover to harm next year's spring-seeded crops when you use Caparol.

Ask your local supplier or custom spray applicator for new Caparol.

Lighthouse Electric Cooperative, Inc., Nancy Morckel, Home Home Economist

May 1st will start a new safety year at the Lighthouse Electric Cooperative, Inc. From May 1, 1964 to April 30, 1965, 48 employees worked a total of 93,815 hours, with seven lost-time accidents - or a total of 1,056 hours.

Sixteen vehicles drove a total of 384,514 miles.

31,411 hours have accumulated since the last lost-time accident on Nov. 13, 1964.

**TO KNOCK OUT ROACHES**  
Scientists at the U. S. Department of Agriculture say many of the more common insecticides - DDT, chlordane, dieldrin and lindane - are no longer effective against all kinds of roaches. Someroaches, especially the German cockroach, have developed a resistance to these chemicals.

If you have cockroaches (many people do) and want to get rid of them (everyone does), use malathion, ronnel, diazinon, or synergized pyrethrum insecticides.

To control roaches in your house, apply malathion or ronnel in a 2-percent emulsion

spray or paint-on liquid over the infested areas. Or use a 0.5 percent diazinon spray.

Spot treatments may also be made with malathion in a 3 to 5 percent concentration. Apply this with a brush or spray in places where the roaches run and hide.

Synergized pyrethrum sprays will provide good immediate control. They must be applied at frequent intervals because residual persistence is short. These sprays also provide flushing action, driving the roaches out of hiding, or forcing them to expose themselves to other insecticides.

USDA scientists also say that malathion, ronnel, diazinon and pyrethrum are less persistent than the insecticides to which the roaches have developed resistance. This means they will have to be applied more often.

Even so, USDA advises, do not repeat the application unless you're troubled with roaches again. And always read the label on any insecticide product immediately before use and follow all precautions on the label for safe use of the improved cockroach killers.

**FRESH PORK FOR SUMMER'S USE**  
If barbecued spare ribs or pork chops are favorites with your family for outdoor cookery, now is a good time to buy and freeze some of these

for summer's use.

To buy a whole pig, half, or favorite cuts, which is the better plan? The answer of course depends on how well the family eats the different cuts. There is more to a pig than chops, and if your family has strong preferences, you may be well ahead if you concentrate on specials and buy only the cuts your family like best. For instance, center-cut chops are popular and are for that reason one of the more expensive retail cuts. Investigate the price of the whole loin, the ends of which are less popular and less expensive; but by purchasing the whole loin the center chops may come much less expensively.

Spare ribs, barbecued or most any other style of preparation, are popular. They're always an expensive cut so far as edible meat is concerned. If a favorite watch prices and buy as they will probably be much higher this summer.

The shoulder is a versatile cut. From it comes roasts and steaks. They are both nice to consider for summer cooking.

A beautiful cut is the fresh ham. More expensive, per pound, perhaps, but less expensive per serving than many of the other cuts.

**"OPERATION SURVIVAL"** The following is an urgent letter to County Farm Bureau Presidents from Mr. C. H. DeVane, President, Texas Farm Bureau: "Each year the voting delegates' action program on a state and national level included hundreds of projects. Your leadership in Farm Bureau at the state and national level, do their best to fulfill the desires of the voting delegates each year. This year your leaders in Farm Bureau feel that there are three projects that must be successfully completed if we as a nation are to survive.

The three projects referred to are as follows: (1) Amend the U. S. Constitution in a way that will guarantee the principle of establishing bicameral legislatures with one branch selected from districts established on some basis other

than population. (2) The retention of Section 14b of the Taft-Hartley Act which guarantees the states' right to have a right-to-work law. (3) The national Farm Program.

These three survival issues outlined above affect all citizens of the United States, and if we are successful, it will be necessary to have the active support of the leadership in business and labor. The term leader, as applied here, is one who has the position and ability to influence a large number of citizens. . . I cannot emphasize too much the urgency of this matter. My plans are to contact you when we need support, and I am counting on you to have all the leadership of your county ready to move at once on call. We can all plead that time, money, and other necessary items are not available, but I am reminded that if I had cancer, time and money would be available for its treatment. These three issues outlined here will have the same effect upon our government and activities in the future as cancer would have upon our body.

We are in a position to supply all of the material needed, and additional material not contained on these summary sheets is available upon request."

**DISCUSSION** at the State Young People's Committee meeting in Waco, April 22, centered around the problems of young people involved or wishing to be involved in agriculture. Committee assignments were made concerning the Queen's Contest, Talent Find, and Discussion Meet at the state convention in November.

"Squire," replied the farmer, "see that field of grain? Only those heads that are empty stand upright. Those that are well filled are the ones that bow low."

## Working For A Greater Floydada

RAY REED

INDUSTRY AND NEW BUSINESSES  
What is needed to bring new businesses or new industry to a town such as Floydada?

The requirements most industries put on a community before moving in are usually pretty strict and all the facilities that the families the industry or business will bring into town need to be of the best quality.

Does Floydada meet the requirements to attract industry and other businesses? It is in a good geographical location, but what about other requirements?

These are just a few of the questions confronting the Industry and New Business Committee of the Floydada Chamber of Commerce. The Committee is headed by Ray Reed.

He and his committee have these questions in their mind and have the first obstacle crossed in attracting new industry - a location.

Since the Chamber year is very new the committee has had little time to draw up any plan for seeking any particular businesses.

Larry S. Milner of Abilene told the committee recently that it is doing everything it possibly can at the present to attract new industry.

Reed and his wife, Joan, have three daughters; Susan, 15, Mychele, 12 and Lana, 5.

He is a member of the Lighthouse Club, the Chamber of Commerce and the family belongs to the First Baptist Church.

MR. AND MRS. SAM PUCKETT are getting settled in their new colonial style home west of Floydada on the Sandhill highway. Sam can move his shaving equipment home again now!  
BOARD MEETING will be Monday, May 10, 7:30 p.m. at the county office. Members are encouraged to attend board meetings if they would like.  
"OPERATION SURVIVAL" The following is an urgent letter to County Farm Bureau Presidents from Mr. C. H. DeVane, President, Texas Farm Bureau: "Each year the voting delegates' action program on a state and national level included hundreds of projects. Your leadership in Farm Bureau at the state and national level, do their best to fulfill the desires of the voting delegates each year. This year your leaders in Farm Bureau feel that there are three projects that must be successfully completed if we as a nation are to survive.  
The three projects referred to are as follows: (1) Amend the U. S. Constitution in a way that will guarantee the principle of establishing bicameral legislatures with one branch selected from districts established on some basis other than population. (2) The retention of Section 14b of the Taft-Hartley Act which guarantees the states' right to have a right-to-work law. (3) The national Farm Program.  
These three survival issues outlined above affect all citizens of the United States, and if we are successful, it will be necessary to have the active support of the leadership in business and labor. The term leader, as applied here, is one who has the position and ability to influence a large number of citizens. . . I cannot emphasize too much the urgency of this matter. My plans are to contact you when we need support, and I am counting on you to have all the leadership of your county ready to move at once on call. **Driver Receives Slight Injuries In One Car Mishap**  
A one-car accident 9.4 miles northwest of Lockney Sunday night resulted in slight injuries to the driver, the only occupant of the car.  
Delores Hernandez, age 24, of Plainview, was traveling alone when she failed to manipulate a slight jog in the road. The car went off the left side of the road and rolled one and one-half times, coming to rest on its top.  
She was taken to Lockney General Hospital by ambulance where she was treated for lacerations on her arm and face, and also treated for a shoulder injury. She was to be released Monday.  
According to Fred Lenz, investigating officer, the girl had been drinking.

**SANTE FE NEWS**

A special award for sanitation  
and cleanliness in dining  
cars has been awarded to Santa  
Fe Railway by the United States  
Public Health Service. This  
is the fourth consecutive year  
Santa Fe has been so honored.  
Wesley Gilbertson, chief,  
division of environmental en-  
gineering and food protection of  
Washington, D. C., cited the  
railroad for earning a Grade  
A Certificate of Cleanliness  
in each of its 111 dining and  
lounge cars during 1964.  
In accepting the award, R.  
D. Shelton, operating vice-  
president of the railroad, attrib-  
uted the fine record to the ef-  
forts of the road's dining car  
department which is supervised  
by Fred Harvey and the mecha-  
nical department.

**Johnson Rexall  
To Sponsor  
Essay Contest**

Announcement of a national  
"Teen Forum" open to local  
teen-agers has been made by  
Ray Johnson of Johnson Rexall  
Pharmacy. Johnson believes  
that the nations drugists are  
responsible, civic-minded indi-  
viduals, who share a national  
concern for the growing inci-  
dence of juvenile crime.  
Teen-agers will be invited to  
speak out on their problems and  
responsibilities by means of es-  
says on the theme: "My Respon-  
sibility to America." Two final-  
ists, (a boy and a girl), will be  
selected from each state on the  
basis of their essays and will be  
flown to Washington, D. C. to  
participate in a Teen Forum.  
Two national champions,  
(again, a boy and a girl), will be  
selected from the 100 state  
finalists on the basis of their  
essays, and will be given a trip  
to Europe, including visits to  
Russia, Poland and Czechoslo-  
vakia, to observe the opportuni-  
ties of youth in other countries.  
Johnson emphasized that this  
is not a "commercial contest"-  
that is, no purchases are re-  
quired for entering.  
The program opens on May 1,  
and free enrollment forms are  
available at Rexall stores  
throughout the nation. Partici-  
pation is limited to teen-agers  
who have not yet finished high  
school.

**MARCH FARM PRICES -**

Prices received by Texas farm-  
ers and ranchers on March  
15 for all farm products were  
1 point above a month earlier  
but 17 points below a year ago,  
says the Texas Crop & Live-  
stock Reporting Service.

**PLANT THE BEST  
COTTONSEED MONEY  
CAN BUY!!**

Cottonseed costs 3 to 6¢  
of all cotton production  
costs, depending on whether  
you buy the best field  
selected seed or higher  
priced seed from a breed-  
er.  
The production of seed that  
we have for sale has been  
supervised by exper-  
ienced seedsmen and is the  
first year progeny from  
certified breeders seed.  
Varietal purity of this seed  
has been maintained  
through proper isolation,  
cleaning of harvesting  
equipment, ginning the seed  
in large lots and large batch  
acid delinting.  
Our seed is climatised by  
Mother Nature to plains  
conditions as it is produced  
locally. This seed is se-  
lected from fields free of  
verticillium wilt that are  
mature at harvest. Mature  
fields produce high ger-  
minating seed that have  
good seedling vigor and re-  
sistance against seedling  
diseases. Our seed is cull-  
ed closely during the acid  
delinting process and treat-  
ed with a mercurial type  
chemical which gives pro-  
tection against seed borne  
diseases and fungus. The  
Texas Department of Agricul-  
ture runs germination  
tests on all our seed to in-  
sure that we know our ger-  
mination percentage.  
Your best cottonseed buy  
is Big 4 Seed at only 3¢  
of your cotton production  
costs.  
Ask about Big 4 seed at  
Delta, Inc., Crosbyton,  
Texas, Phone 2621.
