Have been reading a book "22 Devotional Talks," written by our own Barbra Williams (Mrs. Lon V.).

They recommend it to everyone. It is a book for the person who is a daily devotional - a person who wants to be devotional to a group.

Devotionals are liberally quoted from the book and some of our favorite work is featured through devotionals.

Congratulations to Mrs. Tooley for the writing of this devotional book.

editor Frank Hill expresses my sentiment about one of the farm problems. Frank in this column last week: "It's the Printer that's the problem. But, we wonder each agriculture in our how to raise more and crops; have a county promote every means of production; have a soil save their soil and produce a maximum per acre; have an ASCS that pays farmers to take land and plant soil crops so this land will be more productive; have a Home Administration turn farmers money to raise better crops. Then, our farm "experts" in turn right around we should not plant because it causes us to pay too much per acre. The system, we pay for land and then pay for it. These are some reasons why our city council is bitter in their opposition to government in farm.

And, we must admit, to be some inconsistent to us from the great in the marbled halls of the offices of Wash-

On their agenda are a breakfast with Texas Congressmen and tours of the Capitol, the Library of Congress, the Supreme Court, Department of Agriculture, Federal Bureau of Investigation, Mount Vernon, headquarters of the National Rural Electric Cooperative Association, Smithsonian Institute and many other points of interest.

Accompanying the 60 youths in addition to chaperones will be Tonda Curry of Ropesville, Texas, Miss National Rural Electrification of 1963: Charlotte Garrett, reigning Miss Texas Rural Electrification of Cisco, Texas; and Ann Howard of Moody, president of the Texas association of Future Homemakers of America.

Entertainment events while in Washington will include a tour of historical shrines, a dinner dance and a night cruise on the Potomac River. A surprise highlight of the trip is being kept secret.

Participants in the "Government in Action Youth Tour" will be furnished a set of colored slides for sharing with their communities upon their return.

The youth tour begins officially with a Get Acquainted Dinner in Dallas on June 4th, and includes overnight stops in Memphis, Tennessee, and Covington, Kentucky, with arrival in Washington scheduled for 6:00 P. M. on June 7th.

The return trip will bring the group through Knoxville, Tennessee; Chattanooga, Tennessee, where they will tour Norris Dam; Birmingham, Alabama; Shreveport, Louisiana; and Dallas.

Thirteen Newcomers During May

Thirteen new families moved into Floydada during the month of May, according to records at City Hall. This is the largest amount to move to the city any month this year.

The new families are: Leroy Kinkead, 1002 Garrison; J. C. Griggs, 329 W. Ky.; Steve Mize, 619 W. Price; Mrs. E. L. Angus, 622 W. Grover; Manuel Reyes, 323 W. Grover; Gary A. Batte, 1203 S. Main; Bill Hines, 122 J. B. Ave.; Mrs. L. B. Cozby, Sr., 312 W. Marivena; Jan Cooper, 610 W. Ross; Juan G. Lopez, 205 N. 12th; Bill Owens, 110 E. Hallie; Thomas Carty, 618 W. Mo.; Cruz Zavala, 701 E. Grover.

Tooley On Area Hospital Board

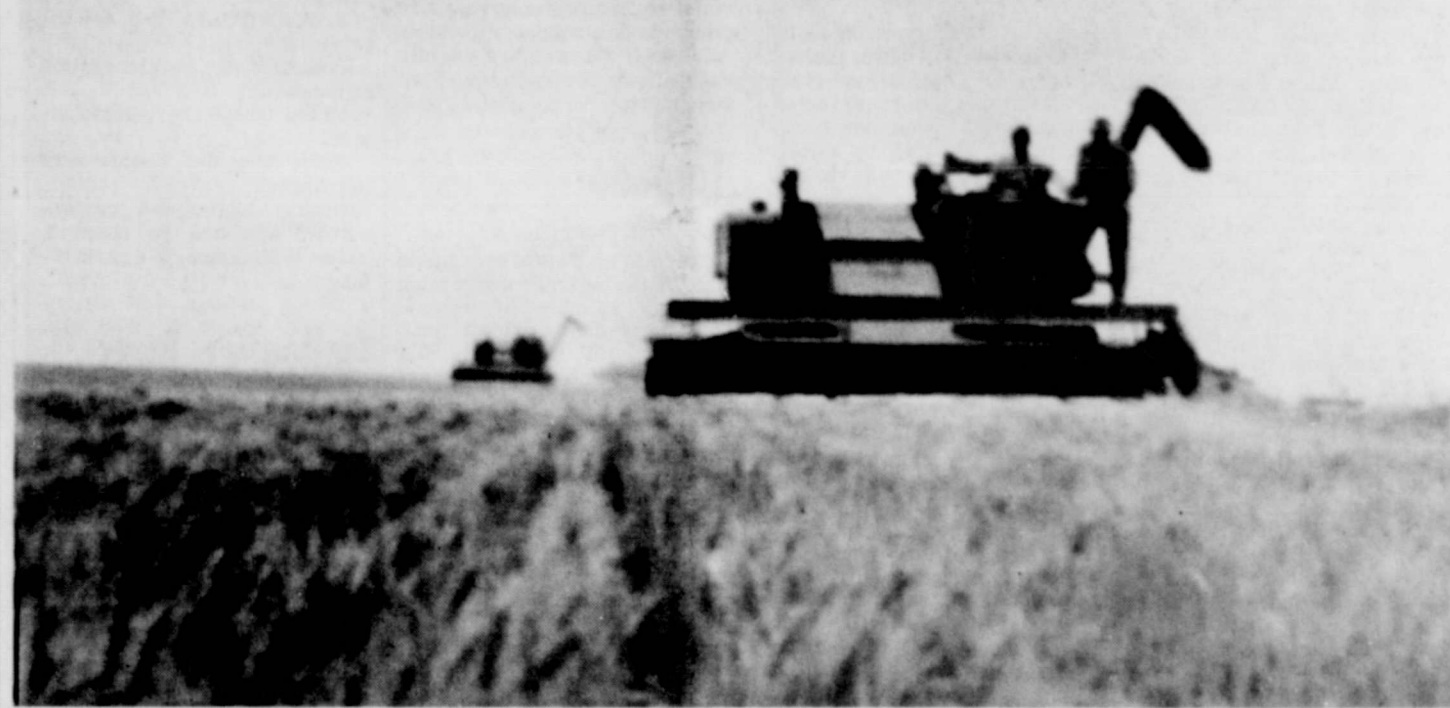

Wendell Tooley has been appointed to serve on the Board of Trustees of Methodist Hospital in Lubbock.

The appointment is for a three year term beginning this month. Approval of the appointment was made at the annual meeting of the Northwest Texas Conference of the Methodist Church which met in Lubbock last month.

First annual meeting of the Board of Trustees is set for June 23 in the School of Nursing at 2 p.m.

SHOW TO OPEN IN PALO DURO CANYON

THE THUNDERING SOUNDS OF THE WEST, a show of light and sound, interwoven with live acts, will open in the new Pioneer amphitheatre in the Palo Duro Canyon State Park. Opening night will be Thursday, June 17 at 8:15 in the canyon. Admission will be \$1.00 for adults and 50¢ for children. Except for Tuesday evenings, there will be a performance every summer night at 8:15, running through Labor Day, September 6.

HARVEST IN FULL SWING - Even though the weather has caused several interruptions in the harvest of the wheat in the county the cutting is gaining momentum and is in full swing in parts of the county. REGISTRATION BEGINS MONDAY

Floydada Merchants Offer Weekend Trips To Rockies

Registration will begin Monday, June 14, for the first of ten weekend trips to the Rocky Mountains that will be given away to ten lucky families during the next ten weeks by the Hesperian and other Floydada merchants.

There is nothing to buy, no jingles to write, and the preliminary winners need not be present to win.

Throughout next week, June 14 through 19, persons may visit the local stores mentioned below, register and be eligible to win a trip. On Monday, June 21, each participating merchant will draw a preliminary winner of the first trip. These will go into a box from which the winner of the first trip will be drawn Saturday, June 26.

After the drawing of the preliminary winners by the merchants registration will begin once again for the second in the series of ten trips. The same routine will be followed each week - registration for one week, drawing of preliminary winners the following Monday

and drawing for the trip winner the following Saturday.

All that is necessary is that the contestants be over 21 years of age and fill out one of the official entry blanks in one or more of the participating stores and deposit it in a ballot box which will be at the store.

Nothing prevents any over-21 person from registering in each store each day if he so desires.

The first preliminary winner's name will be printed somewhere in each of the participating merchant's ad in the June 24 issue of The Hesperian, the second week's winner will appear in the July 1 issue, etc.

From among the preliminary winners will be drawn each week's winner.

The winner and the members of his immediate family (a maximum of five, including wife and sons or daughters) will be presented a certificate for all meals for two days and two nights lodging at a Rocky Mountain resort.

Each winner will receive about \$100 worth of lodging and meals for up to five persons. Transportation, beverages, entertainment, tips and souvenirs as desired are not included.

The winners may select the weekend of their choice as well as the general area they desire to visit.

Participating merchants and their employees are not eligible to win their own contest, but may register with other participating merchants.

The participating merchants include: The Hesperian, Carmack Feed and Seed, First National Bank, King Tire Co., Hale's Dept. Store, Arvine Drug, Powell's Super Market, Thrifty Super Market, Taste Freez, Ladies Three Inc., Johnson Rexall Pharmacy, Quality Body Shop and City Auto Co.

Local Girl Attends National Meeting

Sandra Bonner daughter of Mr. and Mrs. J. P. Bonner of 411 East Lee Street departed from Floydada Sunday to attend the National New Homemakers of America meeting at Langston University in Langston, Oklahoma from June 7-10, 1965.

During the week, delegates will assume various responsibilities. Some will serve as discussion group leaders, recorders, panel members, members of the all-state chorus, voting delegates, ushers, hostesses, furnish special music, and present "A Thought for Today".

Meeting Highlights are: Building for the Future, Individuality Counts, Morals and Manners Matter, Jobs, Careers and YOU, Good Health, Good Family Relations Through Communications, Leisure Time, Citizenship Challenges You and Your Neighbors Near and Far. The above topics will be stressed by renowned persons.

(See BONNER page 2)

Wheat Harvest Continues At Accelerated Pace

The Floyd County Harvest that began the first of last week has been continuing at an accelerated pace throughout most of the county. Almost every elevator in the county has received some of the crop by now and some of the elevators are getting loads in several times a day.

The harvest started a week ago last Monday, but the first loads were reported to be too green to bring a good price. (See WHEAT page 2)

Swimming Pool Open For Summer

The Floydada Swimming pool, located on the Lockney Highway, opened recently and will be operated daily through the summer months, according to E. L. Ginn, manager.

According to Ginn, swimming classes will begin Monday, June 14, at 9 a. m. Those interested in enrolling a child in the "Learn To Swim" program should have children at the pool by 8:30 Monday.

The pool will be open daily from 1 until 6:30 p.m., except Sunday at which time the pool will close at 6 p.m.

4 H Members Place High At State Roundup

Four Floyd County 4-H members were among those who attended the State 4-H Club Roundup held each year on the Campus of Texas A&M University. This year the event was held June 1, 2, and 3.

Steve Belt and David Mitchell of the Lockney Club placed 7th at state in Soil, Water and Range Conservation. There were 24 teams participating in the contest.

Doris Fawver won a blue ribbon in Food and Nutrition Education Activity Demonstration. A final score will be determined in September when her record book is turned in and graded. The book counts half the score and the ribbon counts half.

Beverly Pierce won a red ribbon in the Food Show at the state meet.

Seek Removal To Lockney District

A hearing before the County School Trustees will be held in the District Courtroom Tuesday morning, July 13 at 9 a.m. to determine whether a portion of the Cedar Hill Community will be removed from the Floydada Independent School District and annexed to the Lockney School District, or if the portion will remain a part of the Floydada District.

In such a case where the owners of not more than one tenth of the district property ask that property be removed from one district and annexed to another district, the decision rests on the County Trustees and not on a vote by the three districts involved.

Council In Short Session

In a short business meeting at City Hall Tuesday night the council members passed one ordinance, discussed future water plans, alley clean-ups, Friday night teenage dances, and voted to make the final payment to the Nordberg Manufacturing Co.

The council voted to accept the engines in a May 25 meeting. The year's warranty began on that date. The city has been withholding about a \$30,000 payment pending final acceptance of the engines.

The Ordinance passed authorized city police to arrest, without a warrant, suspicious persons or persons acting suspiciously, or found in suspicious places.

Council members voted to license boy scout buses under the (See COUNCIL page 2)

DANGER SIGNAL

Heed 45 Second City Siren Blasts

Since the devastating "Monster" tornado hit Hale Center last week a number of people have asked once again, "What are the signals that warn of a tornado approaching Floydada?"

In case a tornado is sighted approaching the city the fire siren will blast for a full 45 seconds, wait one minute and repeat three times, then wait five minutes and repeat the entire cycle until the danger is over. The all clear signal will be one 60 second blast.

In case of a storm and in areas where sirens are not normally heard the city police will drive through that area of town with automobile sirens in operation.

Should a threatening storm approach, such as last Wednesday night, and last Friday afternoon, when a funnel cloud was reported in the Floydada vicinity, observation personnel will be dispatched to their points from 2 to 10 miles from the city limits, and will narrow distance from the city if a threatening cloud develops within the ten mile circle around town and is confirmed by observation points. Then the tornado warning siren will be sounded.

The City Police, the Sheriff's Department, the Highway Patrol, six city units will post observers at various points around the city.

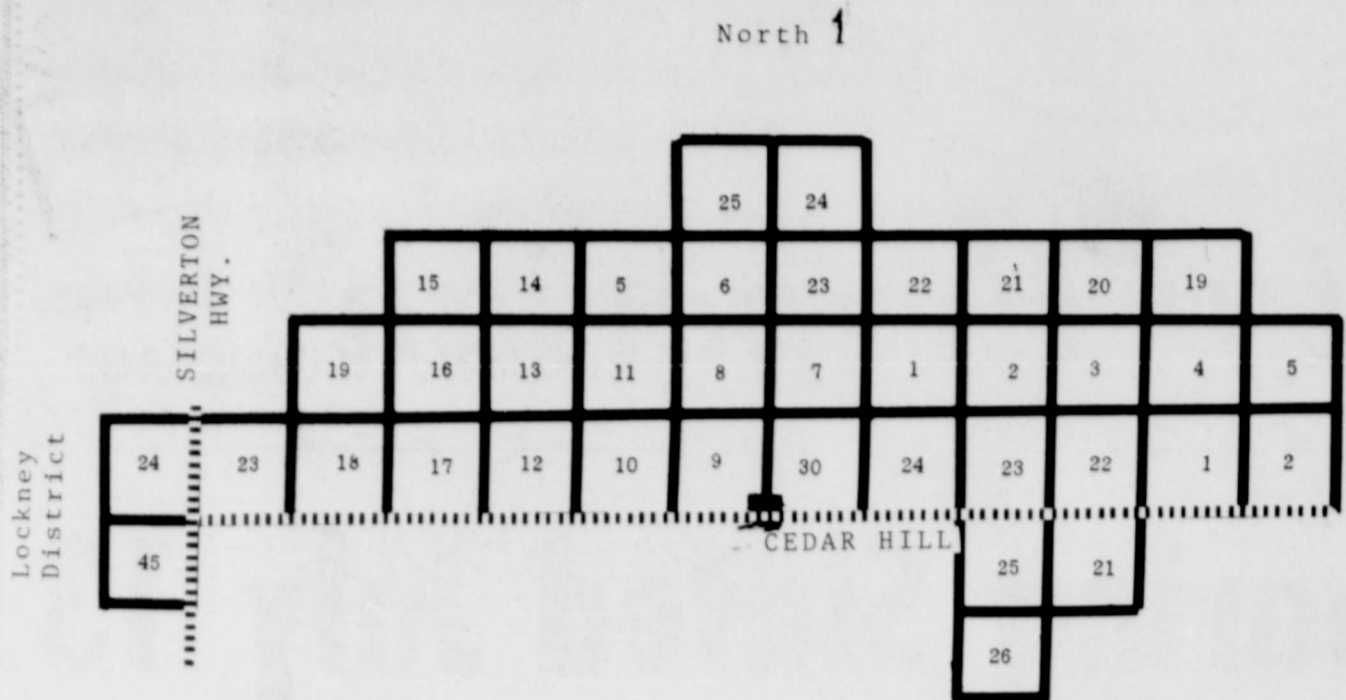

IN CASE OF TORNADO If time permits and one is available, go to a tornado cellar, cave or underground excavation which should have an air outlet to help equalize the air pressure.

In open country, move at right angles to the tornado's path. Tornadoes usually move ahead at about 25-40 miles per hour. (See TORNADO page 2)

and O. G. Mayfield farms. . . . terrific hail and wind damaged several buildings in Lockney and Floydada. This particular tornado destroyed the T. G. Hall house, the remains of which are shown in the foreground. Another tornado hit Floydada around 1909 or 1910 that did some damage to a residence or two in the southwest part of town. At that time the town was only sparsely settled.

FLOYDADA SCHOOL DISTRICT - pictured above is roughly the area that a group of Floydada school patrons wish to withdraw from the Floydada School District. The dotted line up and down is the Silverton-South Plains Highway, the horizontal dotted line is the Cedar Hill highway. Not all residents in this area desire to leave the Floydada school district and go to the Lockney school district. Numbers are section numbers. Listed on a front page story are the names of those desiring to change.

HOMEMAKING STUDENTS ACTIVE THIS SUMMER

Students in homemaking classes are learning first hand about children. Students are assisting at the Mt. Zion Baptist Church. The girls along with Mrs. A. M. Taylor, Mrs. F. A. Wilson and Mrs. Velma Weeks are conducting games, serving refreshments, and aiding in the painting of moulding plaster pictures. The Vacation Bible School will end Wednesday with the Commencement Wednesday night.

Each evening the girls are improving their clothing skills in the study of homemaking.

city's name, thus getting the buses exempt plates.

The members also voted to add a maintenance man to the electric plant, mainly to keep the establishment clean. A temporary measure was passed allowing plant employees to work during their vacation time. This is an emergency measure only, and will not be done in future years.

In final action the council voted to insure the newest fire truck and emergency vehicle (the panel wagon being the city recently by the Volunteer Fire Department.)

Tornado

(continued from page 1)
If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine.

If in a city or town seek inside shelter, preferably in a strongly reinforced building. STAY AWAY FROM WINDOWS! In homes: the corner of the basement toward the tornado usually offers greatest safety. People in houses without basements can sometimes be protected by taking cover under heavy furniture against inside walls. Doors and windows on the sides of the house away from the tornado may be opened to help reduce damage to the building.

If in schools in a city area, if school building is strongly reinforced construction, stay inside, away from windows, remain near an inside wall on the lower floors when possible. AVOID AUDITORIUMS AND GYMNASIUMS with large poorly supported roofs!

KEEP CALM. People have been killed by running out into streets and by turning back into the path of a tornado. Even though a warning is issued, chances of a tornado striking one's home or location are very slight.

Kept tuned to your radio or television station for latest tornado advisory information. Do not call the Weather Bureau, City Hall, or Fire Dept., except to report a tornado, as your individual request may tie up telephone lines urgently needed to receive special reports or to relay advisories to radio and television stations for dissemination to thousands in the critical area.

Cedar Hill 4-H News

Monday night May 31, the Cedar Hill 4-H Club enjoyed a hay ride and weiner roast.

They traveled by tractor and trailer to the Grey Mule Cemetery between Flomot and Quitaque. The group enjoyed playing baseball and wading in the water. Afterwards they roasted weiners and marshmallows.

Visitors enjoying the outing were Timothy Sparks, Catrinia Hart and Jerry Lackey.

Others going were Jennifer, Max, and Rex Yearly, Linda, Joe Mack, Pam and Tex Breed, Beverly Hollowell, Larry Noland, Edwin Warren, Richard, Ronald and Joe Brackenridge, Sue Whitehead, Craig and Quin DuBois, Kathy, Mark, and Craig Gilly, Donnie, Michael, Bryan, and John Fortenberry, Mr. and Mrs. Frank Breed, Mr. and Mrs. Jack Yearly, Mr. C. Gallagher Buys Patterson Station

Mac Gallagher, owner of Mac's Gulf Service Station on Highway 70 in Floydada has purchased Patterson's 66 Service Station at 300 W. California.

The business will operate as Mac's 66 Service.

Gallagher said that he would probably sell his Gulf station and operate the newly purchased station.

Patterson has been in the service station business almost 20 years and he urged his customers to stay with "Mac", new owner of the business. Patterson also expressed his appreciation to his customers for their patronage. He said his future plans are indefinite at this time.

MILADIES CLUB MEETING

Miladies Club met last night in the home of Ethel Cross. Roll call was taken and with what members present on their vacation. Each member present brought a gift.

Attending were Vida Wood, Ethel Cross, Hettie Baker, Beulah Baker, Stella G. Ronnie Birchfield, Jennie Wood, Agatha Pratt, Agnes Nelson and the hostess.

The next meeting will be with Jennie Irwin on June 17. Roll call is to be announced with a household question.

In tribute to the early families settling here he paid respect to the A. B. Duncan family, the Tom McLain family, and to those who organized the town, making the wide streets such as they remain today. He said not many pioneer towns can boast of wide streets.

Stapleton spoke of Col. Mackenzie, who blazed the trail for settlers in the Mt. Blanco area, fighting Indians until they retreated to reservations, thus stopping their many raids.

The speaker ended on a note that Floyd County people should have a dept of deep gratitude toward the pioneers for their fortitude and foresight.

Have You Been Afraid

Geo. Elkins

From the primitive peoples of the dawn of civilization, whose worship was confined to that which they feared or loved, man has faced disturbing crises that strengthen or destroy him. It has been estimated that one of every twenty children on a Junior High playground will be confined to a treatment center at some time during his life.

In many cases, rather than help, the Church has only contributed more to this great wave of anxiety, frustration, and phobia of our civilized age.

Franklin D. Roosevelt once stated, "the only thing we have to fear is fear itself." Although we live in a "modern" age yet we are not far removed from our pagan ancestors who venerated their loves and fears to become the objects of sacred devotion.

(1) We fear DEATH, the departure from normal pursuits and the uncertainty of a vast unknown.

(2) We fear LIFE, and the complex process of human interaction. Suicide is an effort to end the turmoil of an unguided life.

(3) We fear FAILURE and the constant threat that only the "best will survive" and we may be "second best". The average man changes occupations five times before becoming stable in a vocation. Social pressures are cruel when we compete for status against such demanding odds.

(4) Fear of PAIN and suffering present a dark cloud in many an otherwise radiant life. An ancient Arabic proverb says, "All sunshine makes a desert - the rain must fall". A prince once remarked to a handicapped person, "You must be one of God's favorite pupils - he gave you the hardest problem to solve."

The famous hymn, "Oh, Little Town of Bethlehem" suggests that "the hopes and fears of all the years are met" in the one person of Jesus Christ. Only there can one find hope after death, a purpose in life, sound principles of success, and have the agony of Jesus' crucifixion with which to compare our "light afflictions".

The wise King Solomon said, "Trust in the Lord with all thy heart; lean not unto thine own understanding; in ALL thy ways acknowledge Him, and He SHALL DIRECT THY PATHS", (Prov. 3:5-6).

Wheat

(continued from page 1)

However, by midweek the moisture content was down, the test weight was up and a good grade of wheat was being harvested.

Early this week one particular field visited by a Hesperian reporter was yielding a test weight of around 64 pounds.

The wheat is bringing around \$1.25 per bushel. At this rate the crop will be worth over \$2,875,000 to Floyd County.

Turbulent weather, particularly showers dumping from 1/10 of an inch moisture in places and less, to near an inch in others, has kept the fields muddy enough and the wheat wet enough to hinder the continued harvest of the crop for any extended duration.

Most of the crop being harvested is dryland and that wheat that does not have access to a good water well. The irrigated wheat won't be ready for harvest for another two to three weeks.

ADEANA MORRIS IS HONORED ON BIRTHDAY

Adeana Morris was honored Thursday, June 3, with a birthday party held in the dining room of Rogers Restaurant.

Little Miss Ballerina was the theme carried out for the party to mark Adeana's fifth birthday. A ballerina decorated cake was served to guests following a feast of hamburgers.

Playmates attending were Dawn Kincer, Nancy Moss, Leslie Snor, Lindan and Shell Morris.

Adeana is the daughter of Mr. and Mrs. Dean Morris.

Second Sunday Singing June 13

The regular Second Sunday Singing will be held in the Nazarene Church from 2 until 4 p.m. Sunday, June 13. The meeting was moved from the First Methodist where the event is normally held.

Another good day is expected with singers coming from Lubbock, Plainview, Silverton, Jayton, Crosbyton, Ralls, Matador and other places.

The public is invited to attend.

PLAINS, June 7 - Residents of our community are spread over many parts of the state. Mrs. George and grandchildren are in Europe, the L. H. Parks and British West Jamaica, Higginbotham, Alton Higginbotham and Billy Stanforth III and Julian are in Washington, and Mrs. Floyd Lynch will be in Heidelberg, June 22 for Heidelberg, Tenn.

Carolyn Sessums and Thompson of Floydada are in marriage at a home wedding at the home of her parents, Mr. and Mrs. Sessums Saturday night, at 6:30 p.m. The Rev. Smith performed the ceremony with attendants, Mr. and Mrs. Craig Edwards of McCoy.

The relatives present at the wedding were Mr. and Mrs. L. A. Thompson; his Mr. and Mrs. Arlene and children of Kress; Mrs. G. W. Sisson of Pettus, her aunt, Mr. and Mrs. Beecher Moss of Lubbock, members of the immediate family of the bride. A reception was held following the ceremony and refreshments were served from a table laid with a cloth over blue, with wedding cake, punch and coffee served. The couple left on a short wedding trip and returned to the home of friends at 724 W. Tenth Street in Floydada. Congratulations and best wishes are extended to the couple from our friends.

Mrs. Bruce Gibson of Lubbock were Sunday dinner at her daughter, Mrs. Reeves and family this morning. The Reeves spent Friday in Lubbock on business, and report Vacation Bible School for the Church of Christ began June 21 in Silvertown. Great many from here attended the wedding of Miss Brown and Dorsey Baker which was held in Lockney First Baptist Church Saturday night, June 5, at 8 p.m. Among those who attended the wedding were Mrs. Biggs and Cherry Mulder, Irving, an usher in the wedding party. Congratulations and best wishes are extended to the young couple.

Leola McManamon of Lubbock, who has been here since 1947, for the operation of the operation, Gilbert Bean, went Sunday with Cherry Mulder and Mrs. Fred Irving, Gilbert was at home from the Plains Hospital Thursday and is

getting along fine, but is very weak.

The negro congregation of the Mission Baptist Church here at South Plains called a pastor last Sunday morning. He is the Rev. Leon Anderson of Memphis, Texas. He has attended the Washington, D. C. Seminary while in the United States Navy. The Mission Church averages about 35 in Sunday School.

Miss Beth Calahan was a delegate to the Floydada Young Republicans group which met on Thursday, Friday and Saturday of last week for the YR Seminar in Lubbock. The Young Republicans will meet once a month at the First National Bank Room in Floydada during the summer months, with the next meeting, June 21.

Ninety-nine were present at the morning services of the Baptist Church Sunday, with Mr. and Mrs. Johnny Calahan of Lubbock coming for church. Mr. and Mrs. Joe Taylor of Lockney and children, Rise and Gregg were there for the morning services. Mrs. Steele Deavenport of Boulder, Colo. with baby Sherre, were visiting during worship hours.

Mr. and Mrs. Barry Kinslow from WT at Canyon were weekend guests with his folks, Mr. and Mrs. E. J. Kinslow and boys. Barry will attend summer school at WT.

The Kinslows had some small cotton to replant in the hail and rain storm Wednesday night, and part of their wheat was hurt in the hail.

Mr. and Mrs. Johnny Calahan of Lubbock came Sunday to have dinner and the afternoon with his parents, Mr. and Mrs. Shelby Calahan and children. Mrs. Shelby Calahan spent Saturday night down at the Crosbyton Hospital with Mrs. H. S. Calahan Sr. who has been ill since Thursday. Others here have been staying with her, but they hope she may be taken to the Crosbyton Rest Home where she now lives, very soon.

Dian, Vickie, Cathy and Bary, children of the Junior Calahan family from Abilene, were here all last week at the Northfield Baptist Church for Vacation Bible School. Cathy came down with the measles while there.

Mr. and Mrs. Joe Taylor, Rise and Gregg had Sunday dinner with her parents, Mr. and Mrs. J. P. Taylor and Katie.

Mr. and Mrs. Bryan Karr and Mrs. Steele Deavenport and Sherre, their daughter, came home with them from Boulder, Colorado, on Tuesday to stay until after the wedding of Miss Barbara Milton, which takes place Saturday. All went home Sunday after church with Mr. and Mrs. Loyd Deavenport, Steele and Dennis, to have dinner and the afternoon there. Yvonne and baby will visit the Deavenports a few days during the coming week.

Congratulations to Mrs. Skeet Thornton on the graduation of her granddaughter, Miss Susan Harper, of Friona, who received her degree from the Colorado State College of Greeley, Colo. on May 30.

Mr. and Mrs. I. H. Parks are in Jamaica, British West Indies, since Saturday. They flew there from Denver, Colorado, and will be gone four days on a wonderful trip which Sparky won in a Pure Filter Contest.

Mr. and Mrs. Garland Tucker and Mrs. Jno. Fortenberry were dinner guests of the Fred Fortenberrys on Thursday and watched the Gemini Four take off into space.

Mr. and Mrs. Kendis Julian and Kristi had Sunday dinner in Floydada with her parents, Mr. and Mrs. Poyner Roberts and Ken.

Guests with the Sylvie Kinnibrughs Tuesday and Wednesday of last week were her uncle, Bud Sessums from San Jose, Calif., and Sylvie's parents, Mr. and Mrs. J. A. Kinnibrugh of Vera.

Mrs. George Weast and grandchildren left Friday morning at 10:45 a.m. from Amarillo by plane and would arrive in Dallas at noon, and get to New York at 4:35 that afternoon. That night they were to go by boat to Scotland in the British Isles. George Weast and Mr. and Mrs. Robt. Lee Smith left Friday for the Weast home in Ruidoso, N. Mex. to spend several days.

Most of our community had around 1 inch and more rain and some hail Wednesday night in the threatening storm which swept straight across South Plains. Arby and Nathan Mulder suffered around 30 percent wheat damage. The crop was just ready to be cut. Frank McClure had 1:50 rain, with just a little hail, and Fred Fortenberry had only .60, but north of South Plains over an inch was reported.

Benny Luna, son of the Lupe Luna family at the Billy Stanforth farm, arrived home Sunday to spend the summer with his parents. He is a senior at Dilley High School in Dilley, Texas, near San Antonio.

Mr. and Mrs. Grigsby Milton and Mr. and Mrs. Nathan Mulder left Sunday morning in the Milton plane, intending to fly to Knoxville, Tennessee, but inclement weather turned them back at Dallas. The Miltons put the Mulders on the plane there, and they went on to Rogersville, Tenn. They plan to be home Wednesday.

The Hobby Club will meet in the home of Mrs. J. P. Taylor on Wednesday, June 16, at 2:30 for the June meeting of the club.

Miss Barbara Milton and her fiancé, Roy Eugene Edwards of Floydada were honored with a miscellaneous bridal shower Friday night, June 4, from 7-9 o'clock, in the First National Bank Community Room in Floydada with eleven hostesses assisting in the courtesies.

Miss Milton and Edwards received a steam iron and ironing board as a hostess gift.

Miss Milton and her fiancé will marry June 12, in South Plains Baptist Church at 3 p.m. Parents of the couple are Mr. and Mrs. Grigsby Milton and Mr. and Mrs. Roy Edwards of Floydada.

John Kinnibrugh brought in the first load of wheat of this season to the South Plains Co-op Elevator Saturday from the Frank McClure place. Only 20 acres were ripe enough to cut, but if the good weather holds out many others will be in the fields with combines this week.

Mrs. Bryant Higginbotham was a dinner guest with the Rev. and Mrs. Sealy Smith and children at the parsonage Sunday.

Mr. and Mrs. O. A. Johnson of Pampa were Sunday afternoon visitors in the home of their son, L. N. Johnson and family. Deneese, one of the twin daughters of the Johnsons, hurt her ankle Sunday afternoon as she was horseback riding.

At Floyd County's first 4-H Horse Show Saturday afternoon in Floydada Shari Lea Johnson won two 1st prizes in the Halter Classes, a 1st place prize in pole bending and 2nd place in the barrel races. She will get to go to the 4-H District Horse Show held in Levelland on June 26.

Vacation Bible School at the South Plains Baptist Church ended Sunday night with Commencement exercises. Nineteen was the average for the night Teen Time and around

ninety-two was the morning attendance. Mrs. Sealy Smith was principal, Mrs. Philip Smitherman was secretary, Mrs. Kendis Julian was pianist. Workers included Rev. Sealy Smith, Mmes. Garvin Beedy, Richard Sanders, Arby Mulder, Don Probasco, Glen Wood, Zach Cummings, L. N. Johnson, Eugene Beedy, John Kinnibrugh, Sterling Cummings, Sylvie Kinnibrugh, Don Marble, Mike Wood, Kendall Cummings, L. T. Wood, Roy Burks, with Mrs. J. P. Taylor in charge of hand work, and Shelby Calahan who helped with table tennis, etc. Girls who helped were Beth Kinnibrugh, Jody and Vickie Johnson, Kay and Zacha Cummings and Katie Taylor. Mrs. H. L. Marble was in charge of refreshments and four ladies served cookies and punch each day.

Linda Whitfill of Plainview spent the weekend here with her cousin, Cindy Whitfill of Sweetwater, who is spending the month of June here with her grandparents, the Alvin Nichols. They all went to Hale Center Friday to check on his cousin, Mrs. Fred Springer, but they found her and her home unharmed in the tornado of Wednesday night. The Nichols are cutting their wheat and finding it yielding between 25 and 30 bushels per acre.

Spray Propazine to control weeds and grasses in sorghum.

One spray of Propazine* 80W herbicide controls most annual broadleaf weeds and grasses in sorghum for the entire season. This can reduce or even eliminate the need for cultivating because Propazine takes care of problem weeds for you. Propazine is particularly effective on carelessweed (pigweed) and annual morning glory.

Sprayed before weeds and sorghum are up and activated by moisture, Propazine gives your crop an entire season without weed competition for moisture and soil nutrients. The result? Higher yields and more profit for you.

Contact your local supplier now for Propazine.

MRS. TOMMY BROCK

Montgomery And Brock Vows Are Solemnized

Wedding vows were solemnized for Miss Dianne Montgomery and Thomas Alfred Brock at 7 p.m., Friday, June 4th, in the Memorial Chapel of the First Methodist Church in Littlefield. The Rev. Jack Elizey, pastor, officiated at the double ring ceremony.

Parents of the bride are Mr. and Mrs. Joe Montgomery of Littlefield. The bridegroom is the son of Mrs. Emma Brock of Floydada and W. H. Brock of Meridian.

The bride was escorted by her father as she wore a full-length gown of silk-lustre satin. The fitted empire bodice, with a scoop neckline and long, pointed sleeves, fell into a slightly flared skirt. A floor-length train was caught at the empire banded waistline. Acelon lace accented the bodice and sleeves

of the gown. The bride's elbow-length veil of silk illusion fell from a tiara edged with seed pearls and crystal teardrops. She carried two long-stemmed red roses.

Miss Sue Stokes of Vernon was maid of honor. Bridesmaid was Miss Cynthia Montgomery, sister of the bride. They wore identical street-length dresses of mint green cotton sateen designed to complement the bride's gown. Each carried a single long-stem white rose.

Best man was Rhonnie George, nephew of the groom. Groomsman was Carl Brock, Floydada, brother of the groom. Guests were seated by Robert Montgomery, brother of the bride, and Jonathan Hansen, nephew of the groom.

Mrs. Al Chambers, organist, accompanied Miss Norma Sue

Helen Foster Gift Honoree

Miss Helen Foster, bride elect of Burl Masters, was extended a courtesy Saturday morning with a gift coffee in the home of Mrs. Orval Newberry.

In the receiving line with the honoree was her mother, Mrs. Garland Foster and mother of the prospective bridegroom, Mrs. Leldon Masters of Andrews.

Mrs. Jamie Sims of Crosbyton presided at the silver service and Miss Linda Foster was at the guest register.

The table held a beautifully arranged floral centerpiece of white and pink, the bride elect's chosen colors.

Hostesses for the occasion were Mmes. E. D. Morgan, Doyle Mount, Henry Willis, Duncan Hollums, Al Galloway, Ted Bell, Ralph Thayer, Orval Newberry, T. L. Holland, Claude Weathersbee, Allen Bingham, Guy Ginn, Ralph Johnston, Sammy Hale, John Stapleton, L. D. Simpson, Jess Patterson, Dennis Dempsey, Aaron Carthel, Floyd Boren, Floyd Lawson, E. A. Noland, Willie Bunch, Jr. Day, Lane Decker, Zant Scott and Mrs. Emory Robertson.

Their gift was a Sunbeam electric mixer.

Hollums of Floydada, soloist. A reception was given in the church parlor.

The bride's travel ensemble was a mint green and white knit suit with matching accessories.

Mr. and Mrs. Brock will reside in Dawn. Mrs. Brock graduated from Littlefield High School and attended West Texas State University. Brock is a graduate of Meridian High School and attended Tarleton State College. He is employed by Taylor-Evans Farm Chemical Company in Dawn.

MRS. NELSON D. HOGG (Former Cheryl Hallmark)

Hallmark-Hogg Exchange Vows

Miss Cheryl Hallmark and Nelson David Hogg exchanged wedding vows at 8 p.m. Saturday May 5, in the First Methodist Church in Lamesa. The bride is the daughter of Mr. and Mrs. W. L. Hallmark, former Floydada residents, and the bridegroom is the son of Mr. and Mrs. F. C. Hogg all of Lamesa. Mrs. Hallmark is the former Helen Lawson.

Rev. E. D. Landreth performed the ceremony.

The bride, given in marriage by her father, wore a formal sheath gown of sheer silk and Chantilly lace over taffeta. The gown was fashioned with a bateau neckline and petal point sleeves. An insert of lace marked the waistline and extended to the hem on each side beneath an overskirt. It was complemented by a flat bow in the center front and swept into a chapel train.

Her shoulder length veil of silk illusion was appliqued with Chantilly lace and fell from a headpiece of illusion petals and lace applique motifs.

Miss Pam Hallmark attended her sister as maid of honor and Miss Linda Hunt was bridesmaid.

Kenneth Hogg of Seminole served his brother as best man.

The bride is a graduate of Lamesa High School and is employed at the Dawson County Public Library. The bridegroom, also a Lamesa graduate is attending Texas Tech. He is employed by the First National Bank in Lubbock.

The couple will reside at 2204 18th St. in Lubbock.

Attending the wedding from Floydada were Mrs. Floyd Ballard, Mr. and Mrs. Gene Lawson, Mr. and Mrs. Bill Baker and from Lubbock, Billy Keith Baker, Mr. and Mrs. Don Webster and Mr. and Mrs. John Stoker.

Lynn Jackson, son of Elder and Mrs. Joe Jackson of Cone.

Carolyn is employed by the Chamber of Commerce of Lubbock, and the prospective bridegroom is a student at Texas Tech.

Wedding vows will be exchanged August 27 in the chapel of the First Baptist Church in Floydada.

Vows will be read by Elder Joe Jackson, father of the groom.

Shubert Foundation's grant total \$175,000.

Three Local Youths Attending Boys State

Austin, June 5, The American Legion Boys State commenced today as 750 high school boys from throughout the state began registration, Lewis W. Emerich, State Commander of The American Legion, has announced.

Among those registering from Floydada were Lon Johnston, Clinton Fawver, and David Holland who were sponsored by local American Legion Posts.

Upon arrival at the University of Texas Campus, each

citizen was assigned to one of two political parties - the Longhorn or Pioneer. Each citizen then functions as a member of his party; he attends its conventions, caucuses and votes in its primary.

In Boys State, The American Legion provides the type of program where the young citizen has the opportunity to learn for himself that his government is just what he makes it. The boy "learns to do by doing."

Highlight of Boys State will be a trip to the Capitol on Friday morning where each elected Boys State Official will be given an opportunity to serve in his respective office for a day, followed by the Governor's Ball Friday evening.

Outstanding speakers scheduled to appear are Department Commander Lewis W. Emerich, Houston; Bill Ellington, Assistant Football Coach, The University of Texas; G. Ward Moody, Past Department Adjutant, Austin; American Legion Auxiliary President, Mrs. Joe L. Matthews, Fort Worth; Zollie Steakley, Associate Justice, Supreme Court of Texas; H. Roe Bartle, Kansas City, Missouri; Homer Garrison, Jr., Director, Department of Public Safety; Robert W. Calvert, Chief Justice, Supreme Court of Texas; Tom Creighton, President Pro Tempore, Texas Senate; and Waggoner Carr, Attorney General of Texas.

Boys State enrollment this brings the total to 11,156 junior high school boys who have attended since 1940, when Boys State was first inaugurated in Texas.

FLOYD DATA

Mr. and Mrs. V. D. Turner and Mr. and Mrs. Doyle Turner and children left early this morning enroute on a California vacation. They plan to have lunch in Ruidoso, N. Mex. with Mrs. Doyle Turner's sister, Mrs. Howard Cooper and family, then will travel through Wilcox, Ariz., where they will visit the old ranch home where V. D. use to live, the grave of his mother and will visit a friend there.

From Wilcox they will visit in Phoenix, Boulder Dam, Colo., Las Vegas, Nev., along the California coast to Eureka and Arcata where they will visit a sister of V. D.'s, Mrs. H. M. Poff and other relatives. At Los Angeles they will visit Mrs. Doyle Turner's brother, Bert Marr and family.

Enroute home they plan to visit in Dove Creek, Colo., with a brother of Mrs. V. D. Turner, Jack Medley and family, reaching Floydada about the 25th of June.

Cemetery Needs Lawn Mower

The Lakeview Cemetery Committee is needing a new lawn mower, according to reports this week from the new secretary, Mrs. B. P. Neff. Donations toward the purchase of a new one will be greatly appreciated by the association, she said.

The committee met recently and agreed that Holt Bishop would now serve as president due to the falling health of W. C. Wright. Mrs. Neff was elected secretary following the death of Mrs. Wright, who was that officer.

Heading the work committee are B. P. Neff and Willie Bunch. Men of the community met at the cemetery in May for a cleanup campaign prior to Memorial Day.

Hesperian Introduces Community Writers

MRS. MURRAY JULIAN

Mrs. Murray Julian has been writing news of South Plains for the past ten years for the Floyd County Hesperian and Lockney Beacon. She has lived on the farm near South Plains since March 15, 1943, when she and husband Murray and two small sons, Terry and Kendis came here from Denver, Colo. to work for his uncle, the Rev. Chas. A. Joiner, who was a retired Baptist Minister.

The Julians began farming for themselves on Oct. 9, 1944, the day their youngest son, Bruce was born in Floydada. Murray bought the livestock and equipment from Rev. Joiner, and they moved to his mother's, Mrs. Sula Julian's, farm, which adjoined the Joiner farm.

The correspondent was born in Mountain Grove, Missouri, and grew up in Kansas and Colorado, and met Murray when they both graduated from Trinidad High School in Trinidad, Colorado. She graduated from Colorado State College at Greeley, Colorado, and taught school in the summers at a mountain school near Trinidad, and winters at Las Animas and Crook, Colorado.

When she and Murray married they moved to Miami, Florida, where his brother, Clifford and family lives, and were there ten years, until the second World War began. They then

moved back to Denver, Colorado, bought a home and planned to live there, but Rev. Joiner needed help and Murray always wanted to come back to his first love, Texas. They have lived here ever since.

Mr. and Mrs. Julian now live on a 480 acre farm and their three boys are married. Terry, their eldest, lives at Roscoe with his wife, Leona and children, Dee 6, Dickie, 18 months. He is executive vice-president of the Rolling Plains Cotton Growers, Inc. and also farms. Kendis, with his wife Janis and 2 1/2 year old Kristi, recently returned from the Armed Forces in Okinawa, Viet Nam, Thailand, etc. and he is farming with his father. Bruce is married and with his wife, Janet, is attending college at West Texas State College in Canyon, where all the boys graduated. He is a junior and plans to be a lawyer.

The Julians are active members of the South Plains Baptist Church, and they are in the process of building a new home beside the Baptist Church in South Plains. The Julians love to travel, and have had some wonderful trips over the United States and especially to Miami, Florida where they visit with relatives. Their greatest joy is their children and three grandchildren.

Host Pro Wins Floydada Meet

Host pro Bobby Westfall fired a 71 here Monday to capture low pro honors in the one-day West Texas Pro-Am.

Westfall was also a member of the foursome that won top honors in the pro-am team play with a low ball 59. Others in the group included Jay Ward and Red Watts, both of Floydada and J. B. Marshall of Rails.

In second place with a low-ball 61 were two teams composed of Gerald Vincent, Bob Shields, both of Floydada, and Glen Potts and Hazel Sherrod, both of Idalou; and Skinny Carter, Herb Griffiths, both of Muleshoe; and Ricky Martin and Neva Abell, both of Rails.

Westfall and Paul Reynolds of Plainview won the pro-pro with a 68, ahead of Fred Pendergrass of Olton and Ken McGuire of Reese.

Max Dyess of Floydada was the low amateur with a 70, two strokes off Amarillo Johnny Etheridge.

Floyd Cancer Drive Totals Are Reported

It has been reported here that the recent Cancer Crusade fund drive in Floyd County netted a record \$4,890.81.

The previous high return was \$4,552 in 1963.

Mrs. T. Owen Thornton, Lockney, was general county drive chairman. Louis Anderson, Floydada, and Jim Reynolds, Lockney, were south and north county directors, respectively.

Mrs. Thornton said \$2,164.67 was solicited in Lockney and \$2,726.14 in Floydada. Special gifts brought the total to the \$4,890.81 figure, she said.

Highway Patrol Has 70 Vacancies

AUSTIN (UPI) —Col. Homer Garrison Jr. announced 70 vacancies in the uniformed patrol services of the Texas Department of Public Safety.

The DPS director said Friday a salary increase would go into effect Sept. 1 and another one year later. Under the biennial appropriation bill salaries will range from \$453 to \$484 per month.

LHE Makes It Three-In-A-Row

The Lighthouse Electric team, last year's conference champs, made it three-in-a-row Monday night after they traveled to Matador and blasted the host team 24-3.

The scoring was started by Connie Bearden when on his first trip to the plate he blasted a homer over the center fence. Joe Christian was the winning

pitcher for the locals. Bearden has been the winner of the other two games.

According to coach Junior Bearden, the victory came as a result of a good team effort. He said the young club made several errors that need to be ironed out.

The three opponents of LHE have a total of one earned run.

EVERYTHING COMES BIG IN TEXAS - even hen eggs. Mrs. Maxine Cantrell is holding a six ounce hen egg while her son holds an ordinary large Grade A egg. The large egg was secured from the poultry farm of Mrs. Cantrell's parents, Mr. and Mrs. D. M. Manshuck in East Texas. The hen that laid the egg was found dead, Mrs. Cantrell said. The egg measured seven and three-fourths inches around and eight and three-fourths around from end to end. After the egg was broken, found inside was an egg yolk and white and another perfect egg, shell and all, just slightly larger than a Grade A large egg. Mrs. Cantrell said most of the hens on the poultry farm laid eggs with two yolks, but the giant egg was something else. (Staff Photo)

Mrs. Esquvel said they did not have their radio or TV on therefore they had no warning of the approaching storm. She said evidently the Shacklefords didn't either or they would have surely warned the Esquvel family.

She said they noticed the wind was getting extremely high in force and it had been raining slightly before the tornado struck. Mrs. Esquvel said she was holding the two month old son and her husband had the two year old girl by the hand when the windows started blowing in, then came the walls. She said the four were lifted from the debris and scattered into the yard and adjoining field.

Mrs. Esquvel said when the wind stopped blowing she found she had rolled or was blown away from the rest of her family. In the dark she was unable to find her baby which was jerked from her arms and said she thought he was dead, buried in the piles of debris.

Mrs. Esquvel said she found her way back to where the house had been standing, a few feet at a time able to see only when the sky lit up from light-

ning. She said electrical wiring was all over the ground. In her frantic search for her family, Mrs. Esquvel stepped on a nail in the dark but said

she wasn't aware of her painful injuries. She finally located the form of her unconscious husband and thought at first he was dead. Her little girl

was standing nearby crying. The woman said after she found that her husband was breathing she tried to arouse him in order to move him

away from the spitting electric wires. After he regained consciousness, by that time, a brother of Floyd Shackleford, who lived another mile away,

His little sister required several stitches in her hand between the thumb and the forefinger, a cut on the head and a bad bruise above the bridge of her nose. Very few places on her body were without scratches and bruises.

Esquvel sustained a head laceration, a deep laceration on his arm, scratches and bruises. Mrs. Esquvel sustained deep bruises over her body and numerous scratches.

The family was taken to the hospital in Hale Center and due

to the many being treated there, were brought to Floydada.

Mrs. Esquvel's parents who reside in Petersburg, learned of the disaster and were taken by friends to Hale Center. There they learned the family had been transferred to Floydada. The mother said the main street of Hale Center looked as if someone had used an ax on every building.

The Esquvels are housed in one large room at Peoples Hospital. When this reporter was there the little girl was sitting on the bed near her mother, smiling and playing not realizing perhaps the close shave she had with death. The baby boy was sleeping peacefully. Esquvel was telling his father-in-law what he knew of the storm and the mother was giving thanks that her entire family was safe.

Former Floyd Man Succumbs

Funeral rites for Harry M. Miller, former Floyd County resident and father of Everett Miller of the Harmony Community, were conducted Tuesday in Sanders Memorial Chapel in Lubbock.

Miller succumbed Sunday morning in West Texas Hospital after an illness of several months.

He resided in Floyd County where he farmed until moving to Lubbock. Miller operated a furniture store there until he retired in 1958. He was a member of the Asbury Methodist Church.

Survivors include one daughter, Mrs. Bobby McCormick of Snyder; two sons, Everett of Floyd County and Lawrence of Lubbock; three brothers; four sisters and three grandchildren.

Interment was in Resthaven Memorial Park.

Pallbearers were Walter Hanna, Chloma Williams and Marlon Tucker all of Floyd County and S. W. Elliott, Freddie Drachenberg and Paul Tip-ton.

GUTHRIE FAMILY IN EUROPE

Dr. and Mrs. A. E. Guthrie and Suzanne left here Saturday by car for Dallas where they visited with their sons, Aubrey and Carrol and their families, then left by plane Monday for Lisbon, Portugal where they are due to arrive today.

PLAN WHEAT CUTTING

Neighbors Tending Crop For Deceased

An act of kindness, not uncommon in the Floyd County area, was conducted last week, and more are planned in the future, on the farm of the late Orville K. Custer. Custer died last week after being stricken by an apparent heart attack in his home.

Last fall a similar group helped harvest the Shirley Race crop and helped with the Leroy Durham crop in the Lockney area.

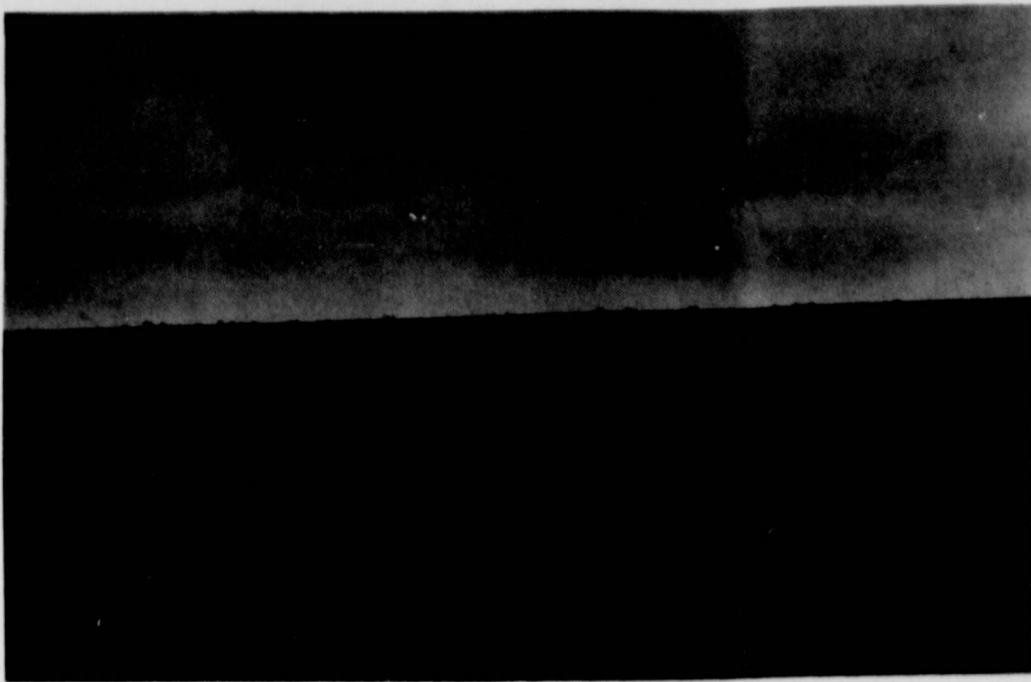

Friday morning there were about 14 tractors and one spray rig in the various fields of the Custer farm. Some were plowing mlo, some were in cotton, more were in the lay-

out land with hoemes and the spray rig was covering the cotton that had been plowed.

It only took part of the morning for the tractors to cover the entire farm.

Those who took or sent equipment to the farm included: Charles Chandler, Louis Pyle, Gary Huckaby, Nell Bertrand, O'dell Breed, W. B. Cates, Wayne Battey, Doyle Moore, Harold Bertrand, William Bertrand, Earl Pierce, James Lee Nichols, Otis Anderson, Lane Decker, Monte Westfall, Vernie Moore, Glen Bertrand, and possibly others.

The same group plans to cut the wheat on the Custer farm at a later date.

Shown above are about 14 of the tractors that were in the Custer field last week helping with the crop.

SANDHILL NEWS by Mrs. James Jeffress

Pretty Crops In Community

SANDHILL, June 7 - All the crops in the Community are so pretty for this time of year. Many say its been so easy getting the crops up this year that something is bound to happen. Wheat harvest should start about the 20th of June if nothing happens. Rain measurements Sunday night were reported as about 1/4 to 1/2 inch. Just a nice cotton shower some re-

ported.

The Sand Hill Baptist Church now has a church baseball team made up of the R. A. boys. The boys spent Friday night at the Baptist Encampment then played Seath Ward Baptist Church of Plainview Saturday, by Tom Pierce and Brother James Medlock.

Supper guests in the home of Mr. and Mrs. Gene Bloys Sat-

urday night were Mr. and Mrs. Wayne Workman of Oklahoma City and Mr. and Mrs. James Jeffress and sons.

Mr. and Mrs. Dale Stringer and Stinson left last Thursday for Arkansas where they will spend several days visiting in the home of relatives.

Mr. and Mrs. Nelson Wofford and son are about to get settled in their new home north of Sand Hill. The Woffords lived on the Thomas place and have now moved to the Leroy Durham farm after completely remodeling the house.

We are happy to have Mr. and Mrs. Ronnie Harris in the community. They are living where Mr. and Mrs. D. D. Tate lived. The Tates have bought a home in Lockney. They are greatly missed in the community.

Mrs. Ludie Sanderson and her sister Mrs. Annie Jones spent several days last week visiting their brother. They then traveled on to Possum Kingdom where they got in several days of fishing.

The Sand Hill 4-H Club enjoyed an outing to the new Floydada park Sunday. This was 4-H Sunday and they attended church then the picnic. Those attending were Randy and Willie Patterson, Kenneth Bloys, Steve, Stan and Beverly Pierce, Judy, Mitch and Mark Probasco, their leaders Mr. and Mrs. K.E. Probasco and Mr. and Mrs. Tom Pierce. The Sand Hill 4-H meets the second Monday of each month and all the children in the community are invited to join and attend.

Congratulations to Robbie Becker on his graduation from Floydada High School.

Mr. and Mrs. Wayne Workman from Oklahoma City spent the week end visiting in the home of their parents, Mr. and Mrs. James Jeffress and sons and Mr. and Mrs. Harley Workman of Lockney. Other visitors in the Jeffress home Sunday were Mr. and Mrs. Gene Bloys, Kenny and David and Mr. and Mrs. K. E. Probasco and family. The Workmans left Monday to return to Oklahoma City. He has recently graduated from the Messers' School of Refrigeration and Air Conditioning and will be an instructor there this summer. He is employed with the National Refrigeration Company Inc. in Oklahoma City.

The Sand Hill Baptist Church just about has their cabin completed at the Baptist Encampment. It is something to be proud of.

Note Of Appreciation Given For Past Work On Cemetery

Editor's Note - The following letter from F. C. Harmon addressed to the J. W. Harrison Post of the V. F. W. was in reply to a simple but sincere note of appreciation for work he has done for the local cemetery.

To the Members of the J. W. Harrison Post V. F. W. Floydada, Texas.

Kind friends:

Your card of thanks for my services and your compliment on the condition of the Floydada cemetery thrilled me beyond measure. Just to know that you people noticed what had been done and took time to say thank you was quite a lift to us who have worked so hard to keep the cemetery in good condition.

Too many take things for granted and never say thank you.

Dear Sir:

On behalf of the entire staff of Hill-Plains Hospital, Hale Center, Texas, I want to express our heartfelt thanks for the manner in which your community responded to our needs.

Their help to our hospital was prompt and extremely prompt. Our needs were accurately anticipated and each person came prepared to render real assistance to us.

We would greatly appreciate your conveying our thanks to your citizens for this excellent help. You can point with pride to individuals such as these.

Sincerely,

Teamed as husband and wife in Universal's zany comedy nicolor, "Send Me No Flowers," are Doris Day and Rock Hudson. Their co-stars in the merry proceedings directed by Norman Taurog are Tony Randall and Clint Walker. Begins at 8:30 Sunday.

The winning run, Ronnie Hill, crossed the plate on a fielder's choice to end the game. Hill got on with a single. Cliff Southerland was walked intentionally so the pitcher could face Kerry Bearden. In the meantime, Coach Ted Viramonte called for a double steal that proved successful. Then Bearden hit a ground ball to the first baseman, and he went for the easy out at first, allowing Hill to score, instead of cutting off the runner at the plate.

Actually Floydada was outdone in the statistic department as the Drillers were bested 7-2 as far as hits were concerned. DeLeon was the winning pitcher giving up 7 hits, 5 runs and walking 2. The bell-green combination of Matador yielded 10 walks and 2 hits.

A good crowd turned out for the game Monday night. The game Monday night is expected when the Tigers (No. 1) come to town Thursday night at 8 p.m. day, (tonight) the Lockney Pirates (No. 2) Monday night travel to the league standings:

FLOYD PHILOSOPHER WARNS Too Much Can't Be Expected Of New Secretary Of Cities

Editor's note: The Floyd Philosopher on his Johnson grass farm has some advice for big cities this week.

Dear editor:

As I understand it, the mayors of over 300 big cities in the United States are trying to get a new department set up in Washington with full cabinet standing to represent the metropolitan areas and their troubles.

It would be, I understand, a sort of Department of Cities, with a Secretary of Cities, simi-

lar to the Secretary of Agriculture.

The mayors argue that agriculture has had cabinet recognition for years, why not cities? Well now there's nothing wrong with the argument, so long as the big city mayors understand the new department won't necessarily eliminate their problems.

What I mean is, take agriculture. Sure, we need a Department of Agriculture, don't know how we'd get along without one, but the city mayors ought to be reminded that in the 100 years we've had one the percentage of farmers has dropped from 70 percent of the population to 10 percent. Right now, the farmer and rancher's share of the national income is the lowest of any other group, outside maybe blacksmiths and lightning rod salesmen. And without a Department of Agriculture, no telling where we'd be today. Probably completely out of sight.

Therefore, I'd suggest to these big city mayors that they not go into this new program feeling that if they can just get a Secretary of Cities in the cabinet, their problems will end.

What I mean is, I've tried for years to get the Secretary of Agriculture to do something about the weeds on this Johnson grass farm, the run-down fences, the leaky roof, etc., but from the looks of things, we might as well not even have a Department of Agriculture. If the cities can get the Secretary of Cities to come in and patch their bumpy streets and leaky roofs and overcrowded schools, I hope they

let me in on the secret.
Yours faithfully,
J. A.

I am happy to say that Charlie Bedford has worked at this job with me since July 1941. He is doing a nice job on the collection end as well as watching and advising.

We have done the best we could with the money we had and the help that we are able to get.

Some times the weather keeps us out a week or two and we get behind. We cannot work the cemetery over in a few days. We do use extra help when needed and we can get it.

One man is kept full time year round.

Thanks again and best wishes for your very worthy organization.

Lighthouse Downs VFW

In each of the teams' first outings of the season, the Lighthouse Electric proved to be a little tougher than their VFW counterparts as they downed the Veterans 10-9 last week.

Lighthouse grabbed a 4-0 lead in the first inning and added one in the second to lead 5-0. However in the third the VFW got four runs to make it 5-4 and each team managed three in the fourth leaving the score 8-7. In the fifth the LHE players iced the game as they added two runs and allowed the VFW only two in the seventh to make the final score 10-9.

Covington pitched six innings for the VFW and Emert pitched one. Christian pitched 3 1/3 innings for Lighthouse and Bearden had 3 2/3 innings for the winners.

Tigers Take Braves 9-0

After two scoreless innings Teague, and the two Williams boys crossed the plate to put the Tigers on the scoring trail as their team downed the Braves 9-0.

The Tigers went on to get one run in the fourth, two in the fifth and three in the sixth to close the game. The Braves did not advance a runner past second base during the game.

L. Williams was the winning pitcher and Campbell was the loser. Biggs had 2 1/3 innings for the losers. Williams gave up only one hit while the Campbell-Biggs combination gave up 7.

Behind the strong pitching of Danny Medley, who pitched a two-hitter and struck out 13, and backed by a strong 20-hit attack, led by Ronnie Eubanks and Kerry Bearden, and fine defensive play the Floydada Senior League Team blasted their Lockney counterparts out of their brand-new park as the locals downed Lockney 13-0 Thursday night.

Eubanks hit three doubles, triple, and a single, going five for five and Bearden went four for five, to lead the hitting. Ronnie Gaston came out of his batting slump and initiated the new park with its first home run as he blasted one 325 feet over the left field wall.

Three base runners that Lockney managed to get on base were cut down by the fine catching and throwing arm of Wilmer Bonner. Two of these were thrown out at second base when they tried to steal. The third one advanced on to third base after a throwing error on the part of Bonner. However, the fine catcher made amends as he caught the runner taking too much lead, fired the ball to Bearden at third base and the combination resulted in the base runner being put out.

Randy Dyson and Howard Barbee turned in fine jobs for the locals by each driving in a run in their trips to the plate.

After being sluggish a couple of weeks the team snapped out of it, sharpened their playing and turned in a fine performance for the Floydada team.

Two pro scouts in the stands that night said it looked like one of the best balanced teams they had seen for a team so young.

Coach Ted Viramontes and his assistants agreed on the statement, "We will see just how well balanced the club is after taking on Matador, last year's league champion, here Monday night".

Red Sox Shut Out Cardinals

The Red Sox continued to roll for their fifth straight victory, against no defeats, when they shut out the Cardinals last week 8-0.

Andy Hale and Steve Puckett started the scoring for the Sox in the first inning when the three and four men in the batting order hit home runs back-to-back. Each team was scoreless in the second but in the third Hale and Puckett crossed the plate once again to make it 4-0. Jones and Hale scored in the fifth to make it 6-0 and four of the Sox crossed the plate in the fifth to end the scoring and leave the tally at 8-0.

Steve Puckett was the winning pitcher and Jody Southerland was on the mound for the losers.

Lighthouse Overcomes First National

After fighting two scoreless innings last week, the Lighthouse Electric team managed to jump out ahead of the First National Bank in the third 3-2, fell behind in the fifth 5-3, but came back in the sixth and seventh innings to add two and four runs respectively to blast the First National 9-5.

Christian was the winning pitcher for the LHE team and the First National Bank's losing pitcher was Rose.

In a game against Matador Monday night the First National Bank team downed Matador 10-5 to stay 1-1 in the league at the end of the first week of play. LHE is 2-0 after one week.

Orioles And Yankees Tie

After the Orioles jumped to an early 11-3 lead against the Yankees, they were unable to hold it and gave up an additional 9 runs while getting only one more to tie the Yankees at 12-12.

After the first inning the score stood at 11-3 and in the second inning the Orioles added one run while allowing the Yanks three. In the third and fourth innings the determined Yanks kept gaining by adding three runs in each of the periods while allowing the Orioles nothing.

Mark Smitherman was the pitcher for the Orioles and Jackie Covington was on the mound for the Yankees.

Softball League

The Lockney Men's Softball League began play Monday at Lockney. Teams participating in the league included two teams from Plainview sponsored by Cen-Vi-Ro and Perkins Mobile Park, Floydada, South Plains, Providence and two

Cubs Blast Yankees 20-6

The scrappy Cubs took the field last week determined not to be defeated and accomplished just that as they blasted the Yankees 20-6 in the first game of the week.

The Cubs jumped to an early 3-0 first inning lead, extended that lead to 10-0 before the Yankees could get anyone across the plate. In the third inning the Yanks got four across the plate and in the fifth rallied to get six more home. In the fifth the Yanks got two more to end their scoring.

Covington was the losing pitcher for the Yanks and Ruben DeLeon was the winning pitcher for the Cubs. Kirk McIntosh and Ricky Jones helped in the pitching department.

Giants Squeeze By Indians, 4-3

After allowing the Indians to jump into the lead at the first of the game, the Giants settled down, allowed their counterparts only one more run gathered four for themselves to down the Indians 4-3.

After the first inning the Indians were leading 2-0. The Giants got one run in the second but after a scoreless inning the Giants got two runs to pull ahead 3-2. Each team got another run across the plate in the sixth to end the game.

Burk pitched 3 innings for the losers, Billy Jo Villareal had one and Olivares had 2. Vega was the winning pitcher for the Giants. Pierce had 2/3 of an inning in the game.

Red Sox Ease By Colts, 12-4

The undefeated Red Sox added the Colts to the list of their stampeped teams last week as they downed their counterparts 12-4. A fifth inning rally by the Colts fell far short of the needed nine points to overtake the Sox at that point.

At the end of one the score stood at 4-1 and after a scoreless second, the Sox added one to make it 5-1 after three. The fourth inning again found the Colts scoreless as the Sox added four. Three points were added by each team in the fifth inning.

Hale was the winning pitcher and Nichols was the loser. Puckett went the final two innings for the winners.

Teams from Lockney sponsored by the fire department and the Co-op Gin.

Two games are played at Lockney on Monday, Tuesday, Thursday and Friday nights.

Dodgers, Mets In Runaway Game

The first time the Dodgers went to bat against the Mets they gathered in four runs to jump to a 4-1 lead and managed to stay well out of the reach of their victims the rest of the game as the Dodgers ran away from the Mets 22-8.

After one inning the score was 4-1. After two it was 8-4. A seven-run inning for the Dodgers made it 11-4 and four, one, and two run innings iced the game as the Mets managed only four more runs, those in the fourth inning.

Ben Belligas pitched 2 innings and Joe Belligas came in for the remaining four to win the game. Payne was the losing pitcher after going three innings. Selman had 2 for the losers and Patzer had one.

Colts Gallop Past Mets

The Colts came from two points behind in the second inning with a nine-run inning to go ahead of the Mets and stay ahead in a 15-11 game.

The Mets started the scoring in the first inning when Jester scored on a single by Selman. The Colts didn't get a man across the plate until the second inning when they got nine runs to lead 9-2. In the third the Colts added three and the Mets added five to make it 12-5. In the fifth the Colts got another 3 and the Mets got three to end the scoring.

Selman was the losing pitcher for the Mets, although he hit a grand-slam home run in the fourth inning. Foster was the winning pitcher with 3 2/3 innings. Nichols pitched for 2 1/3 innings for the winners.

VFW Defeats Matador Here

After losing to Lighthouse Electric on Tuesday night the VFW team bounced back and took their revenge from the Matador team. The final score was 5-4 VFW.

Matador jumped to a 1-0 first inning lead but the determined VFW crew tied the score at 1 all by the end of the second. After a scoreless third inning VFW got two runs in the fourth, but Matador came back in the fifth with three to pull ahead.

The VFW team managed one run in the sixth and one in the seventh to save the game however.

Pierce was the winning pitcher and Bostick was the loser.

ns Take

ers, 7-3

ans followed the Dodgers most of the game last week as they came alive to scalp the 7-3.

In the first inning the Indians managed one run in the second and three in the third to lead 4-0. The Indians managed one run in the fourth and two in the fifth to close the game. The Braves did not advance a runner past second base during the game.

L. Williams was the winning pitcher and Campbell was the loser. Biggs had 2 1/3 innings for the losers. Williams gave up only one hit while the Campbell-Biggs combination gave up 7.

Orioles Run

Away From Sox

The Orioles and White Sox fought on even ground for the first couple of innings then a rally by the Orioles in the third iced the game as they downed the Sox 21-5.

At the end of the first inning the score stood at 2-2 and after two innings the Orioles were ahead by only one point 3-2. However, a ten-run rally in the third and an 8-run rally in the fourth put the Orioles ahead 21-3. The Sox managed another two runs in the third but that ended the scoring.

Mark Murray was the losing pitcher for the Sox and Rance Young was the winning pitcher.

Cotton Prices Down; Hog And Cattle Prices Up

County agents and many agriculture market analysts have always emphasized the importance of diversified farming. They have pointed out that the farmer needs different crops as well as a combination of livestock to have an all round balanced opportunity to make money.

Cotton prices went down last year. . . . they'll go down some more this year. This means that the farmer who has been depending upon cotton for a living will be substantially hurt.

On the other hand the farmer who farms cotton, wheat, grain sorghum, owns some livestock has several ways to make a living. . . his odds for making money are good.

We look at neighboring Hockley and Lamb counties who depend almost entirely on a big cotton money crop and we see the lower cotton price making a dent in the economy.

With hog and cattle prices up, the farmer who has been raising this type livestock along with some cotton has a bright outlook for 1965.

Diversified farming is one of the things we like about Floyd county. Our farmers raise cattle, hogs, wheat, grain sorghum, castor beans, soy beans, peppers, onions, and although cotton is the big money crop. . . . all of these products help to make for a balanced agriculture economy here.

A Study in English had to look in the dictionary myself before I found out that "procrastinate" means put off.

"You want to be what?" demanded the conductor.

Kennedys Versus Johnson

The political pattern, as shown by the actions of the two Kennedy brothers in the U. S. Senate in the past five months, is to build another Kennedy machine, independent of, and sometimes opposed to, President Lyndon B. Johnson.

The late President John F. Kennedy made the decision to ask then Senate Majority Leader Lyndon Johnson to be his running mate in August, 1960. That decision made both men President. Without Johnson's ability to carry the South in 1960, Kennedy would not have been elected and without having been chosen to run as Vice President, Johnson would not have been elevated to the Presidency.

Bobby Kennedy, in 1960, reportedly opposed the naming of Johnson as the Vice Presidential candidate. Four years later Johnson, as President, opposed the naming of Bobby

as Vice President, and was able to do something about it.

The future, as far as a new Kennedy machine is concerned, centers on Senator Bobby Kennedy as the national candidate. Only when and if he fails, or withdraws, will Senator Ted Kennedy become political Kennedy number one.

Clearly, the Kennedys are waiting for the opportune moment, 1968 if the unlikely comes about (death or assassination) but more probably 1972. Seven years is not long to wait for two young Senators - and Bobby will still be in his forties come 1972, and just reelected in New York two years earlier - if he runs and is reelected.

Hubert Humphrey will be 61 in 1972. He ran against one Kennedy in 1960, in presidential primaries. He may run against another seven years hence.

Husbands And Wives

Husbands and wives - and there are several million of them currently engaged in semi-hostilities in the United States, are a constant source of wonderment. One can never suspect the reasons for some of the matches which are consummated, and yet one can never tell which of the great experiments will run smoothly and which will run roughly.

A wise man once said that husbands and wives would get along together splendidly if they followed one simple rule. That simple rule was for each to treat the other as kindly as he would treat an absolute stranger.

At first mention, this sounds almost ridiculous, since the natural conclusion is that one would treat his wife (or husband) with far greater courtesy and consideration than he would an absolute stranger. On second thought it is true that many of us tend to be short, crabby, or irritable with our loved ones.

Therefore, the rule which sounds so simple, and so easy to follow, is not so easily followed after all. Try to treat your mate as courteously, as kindly, and as properly, as you would treat a complete stranger. The result may be a delight to everyone concerned, including yourself.

Letter To The Editor

May 29, 1965

Dear Friends:

This is my final newsletter from the 59th session of the Texas Legislature in Austin. I am addressing these letters to those of you who have contacted me in some fashion during the session on various subjects.

First, I would like to state to you that I have wholeheartedly enjoyed being your Representative and that I have appreciated the honor of representing you. I feel the 59th session has been a very productive one.

Among the measures that have been passed by the House are:

1. The Teacher Pay Raise Bill
2. A tax bill on cigarettes to finance the Teacher Pay Raise.
3. Legislative, Senatorial and Congressional Re-districting.
4. Central Coordinating Board for Education in Texas.
5. Re-vamping our Water Commission and Water Development Board and creating a statewide Water Planning Program.
6. Measures that I either carried or supported include:
 1. H. B. 11 (Wayne), increasing gross limits on cotton trailers.
 2. H. B. 113 (Wayne), creating the Swisher Memorial Hospital District.
 3. H. B. 622 (Wayne), creating the Mackenzie Municipal Water Authority.
 4. H. B. 153, increasing pick-up speed limits to 70 mph.
 5. H. B. 65, protecting agricultural areas on assessment of land for agricultural purposes only.
 6. S. B. 31 (Wayne) Labeling Imported Meats
 7. HJR 3, creating the new Texas Department of Mental Health.
 8. HJR 41, providing \$85,000,000 for student loans.
 9. H. B. 14, creating the Texas Tech Medical School (Vetoed).
 10. H. B. 12, Appropriations Bill which includes \$186,000 for a Law School at Texas Tech.
 11. S. B. 50 (Wayne), 5-day Sick Leave for Public School Teachers.
 12. S. B. 75, Grain products - oleo from grain sorghum oil.
13. S. B. 130, Program for eradication of Tuberculosis.
14. S. B. 404 (Wayne), Setting up procedures for county-wide redistricting.
15. H. B. 278 (Wayne), District Attorney secretary pay raise - 64th Judicial District.

I was fortunate in being appointed by Speaker Ben Barnes to represent Texas at the Southern Governors' Conference on Economic Development in Miami, Florida, and later to participate in an inspection tour at Cape Kennedy, Florida.

I have answered over 11,000 letters in the 140 days we have been in session, and during that time I have traveled over 30,000 miles - most of that mileage being an endeavor to get home and visit with my constituents as often as possible.

CENTER NEWS by Mrs. J. E. Green

Storms Bring Some Moisture

CENTER, June 7.-What stormy weather we've had in West Texas since we wrote last week, the worst of which was that destructive tornado at Hale Center and Cotton Center! This afternoon the heavens frowned and thunder rolls. We need the rain, but hope there will not be a bad storm, of course.

We enjoyed having Brother Threadgill and family back Sunday - tan and all from their outing the week before.

Mr. and Mrs. Plumlee have received a call from their daughter, Alma Ruth - the W.B. Goffs - that they had landed in the States after over two years in the Philippines.

Sunday over night company of the J. E. Greens consisted of their son, Clyde and family, of Peralta, N. Mex., who taught school the past year in Hoonah, Alaska. Also, Mrs. W. R. Coggin and daughter, Mary of Berger accompanied by a daughter-in-law, Mrs. Willie Coggin and two children. Vic Green and son Jimmy, arrived at the home early today to greet the globe trotters, the Clyde Greens, who were soon on their way to the Dallas area to visit the wife's relatives, one of whom was ill.

The Coggins went on to visit another son's family in Lubbock today.

Phil Horton left a few days ago for San Diego, California where he is joining the Marines.

Because of the able assistance my colleagues in the House gave me on many matters, I was fortunate in being selected as one of the three outstanding freshmen members of the year.

Thank you for your interest in your State's legislative matters and I hope to merit your continued support.

With kindest personal regards.

Sincerely,
/s/ Ralph

SHIFT AHOY—Versatile is the word for this beach-or-bed shift with matching boxer shorts. In blue and white striped cotton broadcloth, it's sparked with an anchor-embroidered dickey and red kerchief. By Sally Schrank.

FILM REVUE

SWINGER' PARADISE
It all begins when Johnny, played by Cliff Richard, and his friends, the Shadows, are thrown overboard in a small lifeboat for causing chaos aboard ship.

Paddling with guitars, they finally make a "foreign" port and go ashore. At first glance all appears dull, but it starts swingin' when the sun goes down.

The boys look for a job and land one as the musicians and stunt man for a movie producer. There Johnny meets Ginny, Susan Hampshire, and it's love at first sight, at least on one side.

While trying to reproduce a movie, problems arise especially when it's necessary to hide the camera and film secretly. In the reproduction, the boys attempt to prove Ginny's worth as an actress.

It's really a "swinging movie" with a plot. And, Walter Slezak adds his talents to the fun-loving score.

DRAMATIC—Spanish tile designs reproduced on cotton inspire exotic hostess culottes. A long flowing sash adds contrast to vivid colors of the print. By Alex Colman of California.
