## City Councilmen Consider Buying Land To Get Water

### Needed For City's Use Next Summer

At the regular session of the City Council held this week the City Fathers decided to investigate, and possibly buy, land in the very near future to secure water for the city before next summer arrives.

The demands on the water supply have stretched the system to the limits and it is felt that the city cannot serve the needs of the 1966 summer without an additional two wells.

This was confirmed at the meeting by Bill McMorries of McMorries and associates, an engineering firm that prepared and had presented a long-range water program to the council members at the meeting.

### Weevil Spraying Program In Second Of Seven Applications

The High Plains Boll Weevil Spraying Program is in the process of putting on the second of seven applications called for in this year's diapause program.

The first application was being put on eight High Plains counties last week. The airplanes carrying a low-volume Malathion spray started the program near Floydada last Tuesday.

On Wednesday, more than 24 hours after the first application had had a chance to take effect, several calls were received in the County Agent's office stating that the spray wasn't killing the weevils.

Upon checking, Joe Wilson, Floyd County Agent, found as many as five weevils, in one bloom, about 30 hours after the insecticide had been applied. However, it was learned that the chemical is most effective on the fourth day after application.

### Commissioners Court Canvasses Election Ballots

In the regular session of the Floyd County Commissioners Court, held last Monday, the group handled routine business and canvassed the ballots in the recent election.

The first count of ballots listed 442 favoring the constitutional amendment and 105 as being against it. The official count shows only 437 for the amendment and 105 against it. The amendment was defeated statewide.

It would have created another eight senate positions, thus giving rural areas more representation in the senate of the State Legislature.

Other calls, some coming as early as Tuesday morning of last week stated that the line of the spraying program was not far enough west, for several weevils had been sighted west of the program line. These complaints resulted in the west side of the spray space being moved farther west around South Plains.

Overall, however, according to a report from Plains Cotton (SEE WEEVIL PAGE 2)

### Fair Caravan Leaves Today

A big group of Floydada boosters for the Floyd County Fair will leave this morning to tour Ralls, Crosbyton, Dickens, Roaring Springs, Matador, Quitaque, Flomot, South Plains and Silverton.

The boosters will be giving away balloons and will wear specially printed hat bands advertising the fair.

A group from Lockney will cover other area towns tomorrow.

### Rites Today For J. Edward Childs

John Edward Childs, 53 year old resident of Floydada, died yesterday morning in the Veterans Hospital in Amarillo after an illness of some 18 months.

His body was returned to Floydada for funeral and burial this afternoon at 2:30 by Moore Funeral Home in the Calvary Baptist Church. Rev. M. H. Childress, pastor of Southern Baptist Church in Amarillo will officiate.

Childs was a native of Texas and moved to Floydada about 26 years ago. He was a carpenter by trade and worked with Pike Hanna prior to his illness. He was a veteran of World War II and served in Germany until his death.

All board members were present except Shirley Irwin. (SEE CHILDS PAGE 2)

## Floydada School Enrollment Down

According to reports from the Floydada school principals to the school board Monday night, enrollment in the system is down from last year.

A total of 1891 registrations were reported. High school principal Charles Tyer reported that he had enrolled 371, down about 18 from last year. He also reported that five negro students were enrolled.

Della Plains principal Farris Wilson said that 207 had registered at his school. His record showed an enrollment of 256 this time last year. He said that some Mexican students had enrolled at Della Plains this year. He said that due to a loss of students to other schools in Floydada, as well as the loss of Matador students, his enrollment was down.

A. W. Coltharp, principal at the Junior High School reported an increase of 15 students over last year. He reported that 408 were enrolled, including seven negro students. He said that two more classrooms had been built in the balcony of the auditorium to make room for the increase.

W. P. Nicholson, Jr., principal at Andrews Ward grade school said his enrollment was about the same as last year at this time - 905 students. This included 11 negro students. He said rooms were crowded in the third and fifth grades, but other grades were average size.

Bob Copeland accompanied Nicholson and reported that he was enforcing the state law that every school age child must be in school.

In other business the board reported that it had approved the building of another frame building at Andrews Ward. The

### Airport Committee Meet Set

A meeting of the Chamber of Commerce Airport Committee will be held in the Community Room of the Lighthouse Electric building at 7:30 p.m. tonight.

According to chairman Jack McIntosh, the meeting is open to the public. The group intends to take further steps to secure an FAA approved airport for Floydada.

## ASC Committeemen Named In "Ballot By Mail" Election

Three County Committeemen will be chosen by the delegates and will take office October 1, 1965.

This meeting is open to the public.

## Lon Davis Heads Water Authority

Lon M. Davis, Jr. of Floydada was named the president of the Mackenzie Municipal Water Authority created by the last Texas Legislature earlier this year.

At a meeting held in Floydada last week, officers in addition to Davis named were Jim Tom Nichols of Tullia, vice president and John Ziegler of Tullia, secretary-treasurer.

Since the legislature made the Authority official, the group has been a government agency, able to go into contract with engineers, builders, and others who will be involved in the building of a dam on the Tule Creek northwest of Silverton.

The Authority was formed, so that a water reservoir could be made on Tule Creek that someday will serve Tullia, Silverton, Lockney and Floydada. The cities will derive water from the reservoir for municipal, industrial and personal use. It was reported at a meeting earlier this month by a group of engineers, that if the dam had been constructed early this year, the watershed would have poured 26,000 acre feet into the reservoir by this time. This would serve the complete water needs of the four cities for several years.

The reservoir will have a capacity of 35,000 acre feet.

## Mar Dell Home To Open Soon

Jerry Miller, owner of the new Mar-Dell Convalescent Center in west Floydada reports that the new convalescent home will be open around October 1.

Miller said he would start interviewing applicants for employment at the center Monday. The 56-bed convalescent home faces northeast and is located off the southwest corner of the high school campus.

## Larry Orman Is Double Winner

A most unusual situation resulted in last week's Hesperian Football Contest. One person was named the first and second place winner. He is Larry Orman of Floydada.

On one contest sheet Orman missed only three of the 26 games listed on the page, on another sheet he missed only four, as did W. M. Hambright, also of Floydada.

On the winning entry Orman guessed the total number of points to be scored as 36, and on the second place entry, on which he missed four games, he guessed the number to be scored at 38. Forty-one were actually scored in the 33-8 Canyon victory.

Hambright guessed a total of 29 points would be scored in the game.

Six entries missed only five of the games, missing prize money by only one game. The people's entries and the number of points each guessed would be scored were as follows: Mark Estes, 36; W. M. Hambright, 32; Mary Martinez, 31; David Parr, 27; Sam Hotchkiss, 27; and Nolan Arney, 27.

The games most frequently missed were the Lockney-Kress game, Perryton-Pampa and Tascosa-Permian.

The third contest for this football season is found in section B of today's Hesperian. Why not try your luck?

## Nancy Morckel Named Honorary Member Of Young Homemakers

Nancy Morckel had another honor bestowed her by the Area I Young Homemakers at their convention held in Hereford this past weekend. She was named an Honorary Member of the organization.

In past years Mrs. Morckel has been named an honorary member by virtually every Young Homemaker chapter in this immediate area. She is constantly giving advice, finding programs, and helping the chapters in every way humanly possible. She is most interested in the organizations, and in people themselves.

She is the author of a number of cookbooks, the last of which contains one of the best selections of some of the most delicious cookie recipes to be found anywhere.

Nancy is employed by Lighthouse Electric Cooperative in Floydada, where she is the Home Economist.

Miss Gena Brazeale, the Hale County Demonstration received similar honor at the convention.

The two were awarded the memberships for "outstanding service rendered to local and Area I chapters."

Other Young Homemaker awards presented Saturday night at the joint banquet for (SEE MORCKEL PAGE 2)

## Pioneer Returns Home

Mrs. Elbert (Stella) Strong of Dallas returned home Tuesday after spending several days in Floydada as houseguest of Mr. and Mrs. J. M. Willson Sr. She and Willson are cousins. Mrs. Strong also visited other distant relatives in Floydada including her brother-in-

law, Marvin Massie at Peoples Hospital.

She renewed many acquaintances while here and was taken by Mrs. Willson to the many old home sites of the early years. Mrs. Strong and her late husband were pioneers of Floyd County and resided at one time

two miles south and west of Floydada.

Mrs. Strong was very impressed by the growth of Floydada and was shown the sites where the new school and hospital will be built and the newly completed convalescent home.

tion began with a film on NAWA-PA (North American Water and Power Alliance). This is a plan for bringing water from Alaska and the upper part of Canada to the western part of the United States and to the Great Lakes.

A second film shown was about the tour of the Bobby Traweck farm near Dublin, Texas on June 5 of this year. (Floydada Young Farmers will have the film on September 30, 1965).

After a short break, J. A. Marshall, assistant director of the FFA gave a short talk. James Stair, past state vice president also gave a short talk on the growth of the Area 1 Young Farmers. It was noted the organization had 472 members in 1960-61 and has grown to a membership of 768 this year.

Following the remarks came the business session which included the election of the Area 1 new officers, and the Area 1 state officer.

ELECTION

That night, September 11, the awards banquet and election were held in the Hereford High School cafeteria.

The new officers were: president, Delton Stone of Abernathy; vice president, Ben Holcomb of Dimmitt; secretary, James Hale of Floydada; treasurer, Kenneth Means; reporter, G. W. Chapel; and the state vice president, Truman Duvavant of Floydada. Duvavant will serve from 1965-67.

Those from Floydada who attended the awards banquet and convention included: Mr. and Mrs. Truman Duvavant, Mr. and Mrs. Carl Brock, Mr. and Mrs. Alton Higginbotham, Mr. and Mrs. James Hale, Mr. and Mrs. Harry Morckel, John Burns, Mrs. James Buckus, Young Homemakers Advisor and Mr. and Mrs. Gerald Thompson. Thompson is Young Farmer advisor.

Award winning chapters are: outstanding new chapter, Friendship, first; Friona, second, and Slaton, third. Outstanding chapter, Clarendon, first; Hale Center, second, and Hereford, third. Publicity award, Hale Center, first, and Lockney, second.

Mrs. Delbert Reed, outgoing president, presided.

Theme for the afternoon session of the conference was "Today's World, Our Challenge." Speaker was Dr. Edwin S. Kahiro, professor of biology at Wayland Baptist College, Plainview, who spoke on the topic, "A Better World, Your Choice."

THE WAR in Viet Nam comes a little closer as you personally know men who are fighting in it. I read a very interesting letter from Richard Bertrand, son of Mr. and Mrs. Neil Bertrand this week. Richard is on a ship about 200 yards from Saigon. He's a young fellow who has learned the horrors of war in a hurry. Six men have been killed on his ship. Here's a fellow that the Navy has helped mature. . . he thinks and talks like a man. . . the transition has been fast. The war in Viet Nam is closer than you think. . . if you just stop to think.

A WOMAN called in and reported that the trains are blowing their whistles louder and longer than they're supposed to here in the middle of the night. The dogs howl. . . and between the train whistle and the howling, sleeping isn't much. I don't know beans about running a train. . . or how often the engineer is blowing the whistle since I don't live in Floydada. I would suppose they are supposed to toot the horn at road crossings. . . only local depot men can tell us if the engineers are blowing their whistles excessively.

MARY TOM and I visited the folks over in Littlefield last week. Their modern new main street is certainly outstanding and they are to be congratulated on their organized effort to improve their city. . . especially in the eyes of the shopper. We smaller towns that surround Lubbock. . . just can't do enough to entice the shopper to shop at home.

Brother Of Three Here Killed In Amarillo

A 46-year-old employe of the Texas Highway Department in Amarillo was killed and another critically injured about 1:30 p.m. Tuesday when the pickup truck in which they were riding struck a cable stretched between two road graders on Interstate 40 near Polk.

Charles Peyton Cox Sr., 46, of 1522 N. Mirror, driver of the pickup, was pronounced dead on arrival at Northwest Texas Hospital.

He was the brother of three Floydada residents.

Robert L. Campbell, 20, of 2002 Poplar, was listed in extremely critical condition at Northwest Texas Hospital late Tuesday. Hospital attendants said he remained in surgery nearly five hours after the collision.

Police said the men were riding in the pickup, going west on the Interstate project and apparently did not see the cable strung between the two graders.

Officials said one grader was driving west on Interstate 40 with a cable attached to another grader leveling on a slope. The cable was used to keep the latter machine from toppling. "Cox apparently did not see the cable and just drove right into it," a policeman said.

The cable struck the pickup at hood level, officers said, and sheared off the cab. Both men remained in the vehicle. Officers said Cox was pinned in the pickup by a portion of the roof. Campbell was hanging over the back of the cab into the bed of the pickup.

"When I first arrived at the scene," one officer said, "I was sure Campbell was hurt worse than Cox, but when we freed him from the wreckage, there was little doubt that Cox was dead."

Officers said Cox's neck appeared to be broken and his chest was crushed. Campbell is being treated for a fractured neck and arm and possible chest injuries.

The cable apparently struck both men about the middle of their chests, officers said. There were no skid marks.

A resident of Amarillo, 20 years, Mr. Cox was an inspector for the Texas Highway Department. He was born in Silvertown.

Surviving are a son, Charles Cox Jr. of Amarillo; daughters, Josie Catherine and Doris Lynne of the home; his mother, Mrs. Lucille Bryan of Windsor, Mo.; brothers, E. H. of Floydada and James W. of Duncan, Okla.; and sisters, Mrs. Lucille Duncan and Mrs. Neida Thayer of Floydada. Mrs. Elizabeth McKinney of Houston, Mrs. Frances Dilley and Mrs. Ruth Neslage of Missouri and Mrs. Rebecca Turley of Tennessee.

Services were pending with N. S. Griggs & Sons, in Amarillo yesterday.

Funeral services will be held at 10 a.m. Tuesday at the First Baptist Church of Amarillo.

Funeral services were conducted yesterday afternoon in the First Baptist Church of which the deceased was a member. Rev. Floyd C. Bradley officiated.

Mrs. Carver was born in Alvarado, Tex., on December 30, 1915. At the age of two she moved to Floydada with her late parents, Mr. and Mrs. W. C. Colston. The deceased was also preceded in death by a brother.

She and Bemois V. Carver were married in Floydada on March 26, 1938. She was a member of the Martha Sunday School class and taught the Junior Department in Bible School.

Survivors include her husband; two sons, Murky of the home and Mike Carver of Floydada; two daughters, Mrs. Don Daniel and Mrs. James Coy Murry of Floydada and eight grandchildren.

Interment was in Floydada Cemetery under the direction of Moore Funeral Home. Pallbearers were Bob Jarrett, Truitt Bilibrey, Bill Barber and James Hill of Lockney and C. T. Hammonds and Maggie Daniel of Floydada.

WIN A COLOR TV - Tickets are being sold by the Band Boosters Club of Floydada and the television set will be given away the night of the last football game in Floydada. Looking over the set are Mrs. Ed Wester, band director Jim Boyd, Gilbert Fawver and Mrs. Al Galloway, members of the Band Boosters. (Staff Photo)

Band Boosters To Give Away Television Set

A meeting held in the High School Band Hall, climaxed plans toward purchasing ninety new band uniforms this year.

The first major project will be to give away a 21 inch Console RCA Colored Television set. For a \$1 donation to the Band Boosters a person will receive a ticket entitling him to an opportunity to receive the TV set.

Floyd Boren, the merchant who has the set, said recently that if the person winning the set already has a color TV set, they may use the price of the set and put that money toward the purchase of any other piece of furniture in the store. The set will be given away at the last home football game of the season. A person does not have to be present to win.

Much optimism and enthusiasm were expressed by the Band Boosters in this, their first major money-raising project, in several years. The group is determined to raise the money for the uniforms without canvassing the town for donations.

Every citizen of Floydada is urged to be a "band booster" even though they are not active members of the organization.

A Band Boosters meeting has been set for next Tuesday night at 8 p.m. in the High School Band Hall, according to G. L. Fawver, president of the Band Boosters.

Brief Illness Claims Mrs. Bemous Carver

Mrs. Anna Gertrude Carver, 50 year old Floydada resident, died in her home about 2:45 Tuesday morning following a brief illness. Mrs. Carver had been hospitalized in Lockney then in Temple several days before she was returned to her home, 712 South Wall.

Funeral rites were conducted yesterday afternoon in the First Baptist Church of which the deceased was a member. Rev. Floyd C. Bradley officiated.

Funeral Held In Menard For R. T. Stribbling

Funeral rites for R. T. Stribbling, 77, former resident of Floydada and father of Mrs. Gaines (Jewel) Teeple of this city, were held Sunday, September 12 in Menard, Tex., with burial in Resthaven Cemetery.

The deceased and his wife have resided in Menard for the past 11 years. While living here Stribbling owned and operated a meat market and later was associated as manager of the Smith Hospital for Dr. Lon and Dr. George Smith. He was a retired stock farmer.

Stribbling had been in ill health for a brief time and died at Big Spring State Hospital Friday morning.

Born in Lampasas County Feb. 27, 1888, Stribbling was married to Florence Williams on July 1, 1908 in Coryell County.

Survivors include his wife; three children, R. T. Jr., of Hayward, Calif., Winnie Mae Edmonson of Imperial, Tex., and Mrs. Gaines Teeple of Floydada; six grandchildren, several great grandchildren and one great great grandchild. Three brothers also survive, O. H. Sweetwater, C. C. of Trent, and W. H. of Menard.

Among those attending rites from this area other than the daughter and her family were Mr. and Mrs. Raymond Teeple of Lone Star and Mr. and Mrs. Leighton Teeple of South Plains.

FFA NEWS

(by Thumper Morgan) The Floydada FFA started their 1965-66 school year with the election of nine capable chapter officers last week. Those elected were Charlie Overstreet, president; Roland Adams, vice president; Larry Hunter, secretary; Rex Lawson, treasurer; Thumper Morgan, reporter; Kerry Bearden, sentinel; Larry Adams, student advisor; Nathan Johnson, chairman; and Sammy DeLeon, parliamentarian.

FFA sponsors are Henry Barber and Gerald Thompson.

During the first weeks the major emphasis has been on student projects and project records. Freshmen agboys, commonly called Greenhands, will be initiated into the chapter at the first chapter meeting Thursday afternoon, September 30, in the High School cafeteria. There will be 42 new boys initiated into the chapter.

Second and third place winners in the outstanding chapter awards were Hale Center and Hereford, respectively; publicity, second, Lockney and third, Hereford. Second and third places for new chapter awards were Friona and Slaton.

Other activities included the elections of new officers and the presentation of the Little Sister award.

WEEVIL (FROM PAGE 1) Growers in Lubbock, smooth operations, ideal weather and fast coverage so far have characterized aerial spraying in the Control Program.

The first three weeks of the program are the most intense, with one application already completed, another in the process this week and a third scheduled for next week. By the end of the first week the 225,000 acre control zone had been hit by the weevil-killing malathion.

After these intense applications the remaining four sprays will be spaced at from 10 to 14 day intervals. They will continue at least until frost.

Sewing And Knitting Club Meets

HARMONY, Sept. 13 - The Sewing and Knitting Club met Tuesday with Mrs. Zant Scott hosting Mmes. Monroe Schulz, Mather Carr, Bob Hopper and Chloma Williams.

Mrs. Gail Alexander, who has been a patient recently in Reese Air Base Hospital, received word that a sister has died in Gallup, N. Mex. After attending the funeral, she returned to the hospital with a leg malignancy.

Mrs. Doyne Merriman conducted services Sunday morning at Carr's Chapel. Her sister's three children and foster son were in a car wreck in Oregon, killing the foster son, critically injuring two other children, with another gaining a quick release from the hospital. Rev. Merriman accompanied another sister of his wife's, living in Plainview, to the funeral. The Merrimans' son, Gene, accompanied his mother to church, as well as Gary and some grandchildren. Allen Gross has been sick with the flu.

Five Injured In Two-Car Crash

PLAINVIEW (Special) - Five people were injured, four of them requiring hospitalization, following a two-car accident four miles south of Plainview on Farm Road 400 about 7:20 p.m. Tuesday.

In fair condition at Plainview Hospital Clinic are Seaton Howard, 56 and H. A. Hegi, 70, both of Petersburg. Gary Linden Culp, 23, and his wife, Diana Lynn, 20, are both in satisfactory condition in Medical Center Hospital here.

Treated for minor cuts and bruises and released was W. A. Mabry, 51, also of Petersburg.

Highway Patrolman Curtis Pray said the accident occurred when a late model car driver by Hegi blew out the left front tire while headed north and apparently skidded into the path of the Culp auto, which was going south.

Howard is a former resident of Floydada and brother of Orland Howard of Dougherty.

Letter To The Editor

To The Floydada People: We are taking this means to reach the Floydada people in thanking them for all the kindness shown our dear father over the period of years.

He has lived alone since the death of our mother, but never really alone, for his many friends were always checking on him, to see if he needed anything. They were always there when needed and we feel that Dad would have wanted us to say "Thank you" in this special manner.

We realized he was loved by many for we could not let him live here alone unless we had the knowledge that he was being closely contacted by Floydada friends.

Many times he has told us how you all have looked out for him, and that he wanted to remain here to live until his death.

Now that he is gone may we pay our respects to each of you with returned love and gratitude.

Father Of Lavon Jeter Succumbs

Funeral rites for W. W. Jeter, 57 year old Brownfield resident and father of Lavon Jeter of Floydada, were conducted yesterday in the Crescent Hill Church of Christ in Brownfield.

Jeter died Monday evening in Brownfield General Hospital following a brief illness. He farmed and operated a lumber yard during the 46 years he lived in Brownfield.

Survivors include his wife; three sons; a daughter; his mother; four brothers; five sisters and 10 grandchildren.

Winds Try Ralls, Seeking Season's First Victory

The Floydada Whirlwinds, hungry for a victory this football season, will try to get that win tomorrow night in Jack-rabbit territory at Ralls. The Winds have fallen to Post and to Canyon in the first two games of the season.

Ralls, one of the district contenders, will outweigh the Floydada team about 20 to 25 pounds per man. The Rabbits are a scrappy team, and always give one of their best performances against the Winds.

Ralls has not been defeated this year. In the season opener the team downed Kress to the tune of 12-6, scoring the winning

PLANNING AND ZONING COMMISSION

The city council passed an ordinance last night creating a Planning and Zoning Commission to prepare a comprehensive plan of city development and recommend improvements for the city.

A number of "future city" plans have been proposed for the city, both in residential areas and for the downtown area.

The commission will be in charge of zoning the city for buildings, issuing building permits, so that no industrial facility is constructed in an area that has a future designation of first-class residential, for example, and designating a building official who would also act as building inspector.

In other business the councilmen approved an ordinance making the streets in front of each of the schools, on the west side of town, one-way streets, with traffic flowing south, from 8 a.m. until 4 p.m. each day. This would be in effect from September 1 through June 1 of each year. After school is dismissed each year for the summer, the signs designating the streets as one-way are to be removed.

The council instructed City Manager Bill Feuerbacher to get bids on up-to-date school traffic blinking signs to replace the ones on Houston Street and on Second Street.

All councilmen were present, except Clem McDonald who was ill.

Two Directors Re-elected To Gin Board

J. T. Huckabay and Doyle Moore were re-elected directors of the Floyd County Co-op Gin at the fourth annual stockholders meeting held Tuesday night in Lighthouse Electric, according to Ray Gene Ferguson, gin manager.

B. A. Robertson, president of the board, presided over the business meeting, after which Bob McGuire, former Floydada resident, showed films of his recent world tour.

Special guests at the meeting were Dick McClung and Wayne Mastin of Plains Oil Mill, C. E. Bowles of Plains Cotton Co-op, Tom Brown of Farmer's Co-op Compress and George Babcock of Growers Seed Association, all of Lubbock.

touchdown two plays after the game had ended. Last week the Rabbits had a relatively easy time downing O'Donnell.

Ralls lacks backfield experience, after the loss of Jim Parks at quarterback, Sonny Hicks at a running back and moving Randy Westberry to end.

The Winds will be likely to encounter Rodney Moore and Randy Martin at the quarterback slot, Edmond Esparanza, the only returning back that is a letterman, Calvin Anderson at halfback and Dwayne Phillips, a linebacker last year, will be at fullback.

Randy Westbury and Mel Ryan will be at the end positions, Wesley Phillips and Lonnie Arthur will start at tackles. Phillips weighs 210 and Arthur tips the scales at 240. Billy Binder and John Bullock will be the guards and Dennis Norris will start at center.

The Whirlwinds will be in relatively good shape physically, however, John DeLeon has a shoulder separation that will keep him out of the lineup for about three or four weeks.

Phil Green and Zeke Robertson, both casualties of Canyon worked out Monday and should be ready to go Friday night.

The public is urged to go early to Ralls, since the stadium is smaller than the one at Wester Field, but nevertheless, go to Ralls and back the Whirlwinds.

FAWVER YOUTH IS INJURED

Larry Fawver, 13, son of Mr. and Mrs. Fawver, showed improvement yesterday. He was unconscious since he had since Sunday.

Members of the Fawver family received a new injury when he was thrown from a horse possibly kicked in the head. The injury had been there since Sunday.

Larry received a new injury when he was thrown from a horse possibly kicked in the head. The injury had been there since Sunday.

Larry had gone into the family pickup truck when his father went to work and noticed his son in the car. He was concerned about Larry to the pasture where him in a dazed condition the pickup where Larry had managed to get a saddle was lying nearby. The family did not know if the boy was hurt or not. The boy was not tight enough and returned with the boy mare had bucked. Larry then worked her way to the pasture.

Fawver rushed his Peoples Hospital when given treatment, then red on to Lubbock.

The injured youth was taken to Lubbock for the first time since and was able to speak words to the family. It is known just how long he will have to remain in the hospital

## C. W. F. Secretary Speaks Here

"As a member of the Church, you have a responsibility to that Church, take that responsibility seriously," District C. W. F. Secretary Mrs. Earl Reasoner of Slaton, told women of the First Christian church Monday evening.

Mrs. Reasoner spoke to a group of twenty women at the church, following a salad supper sponsored by the local Christian Women's Fellowship of which Mrs. Hazel Bradley is president. Mrs. Reasoner was accompanied by Mrs. Tommie Moore, wife of the Slaton Pastor of the First Christian Church. Mrs. Reasoner was introduced by Mrs. Darrell Fairies, following organ selections played by Mrs. Lon Davis.

Responsibility was the keynote of the address that included an appeal to the women to study, be informed, know your budget, sympathize with members, serve and witness for Christ and, she said, "Gossip about the Gospel."

Mrs. Reasoner gave an exchange of ideas and helpful suggestions and closed her remarks with the advice, "don't make the church look too feminine."

Prior to the address, Mrs. Bradley welcomed the guests and Mrs. W. D. Newell gave thanks for the meal. Hostesses were Mrs. Burmah Probasco, Mrs. Victoria Asher and Mrs. Willie D. Hill.

The group moved to the sanctuary for the program that also included a worship period with Mrs. Kinder Farris in charge.

Mrs. Farris used as her meditation the word, "Life". She developed a comparison of things alive as, "things that feed, things that hunger, things that reproduce," as compared to things that are dead as, rocks, water in a running stream and others.

The Holy Spirit, she said, is alive and feeds upon and digests, things of the world, leaving generations of Good Things. She closed with a question, "How Alive Are We?"

The meeting closed with the Christian Women's Fellowship benediction, led by Mrs. Bradley.

MR. AND MRS. J. W. CHAPMAN

## J. W. Chapmans To Observe 50th Wedding Anniversary

Mr. and Mrs. J. W. Chapman, 3314 - 24th Street, Lubbock, former residents of Floyd County and Floydada, will celebrate their Golden Wedding Anniversary this Sunday, September 19th. Their four children and their families are honoring them with a reception at their home.

Miss Bertha Hill Minter and James William Chapman were married at Pine Forest, Hopkins County, Texas on Sunday, September 19th, 1915, with Rev. A. L. Eaves performing the ceremony while the bride and groom were seated in a buggy. Both were born and reared in Hopkins County and taught school in various rural schools there until 1929, when they moved to Baker Community in Floyd County. They taught school there and at Sandhill. In 1932 they moved in to Floydada and Chapman entered the real estate business. In 1941, they moved to Lubbock, where he and his sons are engaged in real estate and investments.

Both Mr. and Mrs. Chapman have been active in the First Baptist Church, Lubbock. She taught a Sunday School class for many years, and Chapman is on the Board of Deacons. Mrs. Chapman has also been active in numerous clubs and is president of the Lubbock Chapter of the United Daughters of the Confederacy at this time. Chapman

has also been active in civic and professional circles. He served as president of the Lubbock Board of Realtors, a director of the Optimist Club and is now serving as a director of the Texas Real Estate Association. He is also a member of the Board of Directors of Methodist Hospital, Lubbock.

Mr. and Mrs. Ray Chapman, Mr. and Mrs. Harold Chapman, Mr. and Mrs. Thomas H. (Bud) White of Lubbock, and Rev. and Mrs. Richard T. Moody of Marlow, Oklahoma will serve as hosts at the reception. Grandchildren will assist, also Chapman's sisters, Mrs. Horace Y. (Allie) Choate of Mineola, Mrs. J. F. (Ima) Anderson of Brownfield, and Mrs. L. V. (Bertha) Rea of Lubbock. Mrs. Chapman's sister, Mrs. W. S. Grimes of Austin, who attended the couple's wedding, will be present.

Table decorations will be in gold and white and feature a miniature horse and buggy. Mr. and Mrs. Chapman have 13 grandchildren and 2 great grandchildren.

## Gamma Iota Chapter Meets

Gamma Iota Chapter of Delta Kappa Gamma met in its initial session for 1965-1966 in the Home Economics Rooms of Tulla High School on September 11. The Executive meeting was called at 9 a.m., followed by a Continental Breakfast served by the Tulla hostesses. President Mayme Lou Rayburn of Plainview called the regular meeting to order and a short workshop was held in which the various committees formulated their plans for the ensuing year. Reports from the Alpha State convention in Houston which was held on June 11-13, were given by Mayme Lou Rayburn, Laveral Porter, Leola Landers, Mattie Ruth Nowlin, all of Plainview, and Faye Gene Rampley of Silverton. The Southwest Regional Meeting in Denver, Colorado, was attended and reported on by Mayme Lou Rayburn and Gladys Holley of Plainview.

The program was followed by a sing-song, led by Mattie Ruth Nowlin, accompanied by Thalia Fulkerson from Tulla. Miss Gladys Peck from Floydada, a member of Gamma Eta in Roaring Springs, was a visitor. Those attending from Floyd-

## Crosby County Cotton Club To Meet Monday

The Crosby County Cotton Club will meet Monday, September 20 at 7:30 p.m. in the Pioneer Memorial Building, according to Mrs. Arnold Hodges, secretary.

The program is one which will be of interest to everyone. James Parker of Plains Cotton Growers, Inc., will be telling "What To Look For - To Buy West Texas Cotton". There will be displays of cotton merchandise at the meeting.

Those on the program committee are Mmes. Don Anderson, Harold Hodges, Compton Cornelius and Mrs. C. F. Flemings.

Year books and membership bumper stickers will be given to all members present, and the membership committee will still be working.

## Sparks Vows Read Publicly In Pampa Church

Mrs. Roy Lynn Sparks (nee Phyllis Jean Powell) was the bride in a wedding ceremony held at the Pampa Baptist Church, Pampa, Texas, on Monday, September 13, 1965.

Mrs. Patsy Havenhill of Pampa was matron of honor. Mrs. Berinda Walters of Pampa was bridesmaid. Miss Judy Guiley of Claude was bridesmaid and Becky Scribner and Barbara Murray, bride's cousins of Pampa, were junior bridesmaids.

They were dressed identically in waltz-length gowns of lilac satin designed with bell skirts and carried lilac mum nosegays.

Donald Plumlee of Weatherford was best man. Groomsmen were Ronald Plumlee of Weatherford and Gary Gilbert of Hobbs, N.M. Myron and Bill Scribner, cousins of bride, of Pampa, ushered.

Miss Debra Murray and Jimmy Moyer lighted cathedral tapers. Miss Renee Jennings and Miss Brenda Moyer were flower girls. Ringbearer was Michael Dancy, All were of Pampa and cousins of the bride.

At the reception in fellowship hall which followed the wedding ceremony the bride's table was covered with a white and lilac cloth, centered with an arrangement of orchid and white lilies.

For the wedding trip Mrs. Sparks changed to a three-piece

## Shower Honors Mrs. Battey

A layette shower honoring Mrs. Jerry Battey was held in the home of Mrs. Ted Anderson on Thursday, September 2.

The serving table was laid with a white cloth and centered by an arrangement of yellow flowers. Yellow colored punch held ice cubes in which tiny plastic dolls had been frozen. This was served along with thumb print cookies with yellow icing. Yellow napkins and plate favors of yellow colored pacifiers made from pipe cleaners completed the setting.

The honoree was presented many lovely and useful gifts.

Those attending and sending gifts were Mmes. Lloyd Allen, C. M. Leatherman, Floyd Anderson, Willie Bunch, Melvin Lloyd, Floyd Boren, Howard Bishop, Holt Bishop, Wayne Battey, T. W. Battey, William Bertrand, Doug Galloway, A. M. Battey, W. L. Orman, Clifford Helms, Margaret Atkinson, Bob Warren, the honoree, the hostess and Jerry Don Battey, Debra Allen and Angie Anderson.

**4-H Club News**

All youth between the ages of 9-19 interested in 4-H Work are encouraged to attend and join a club during Floyd County's 4-H Membership Campaign. The campaign, sponsored by the Floyd County 4-H Club Council, will be held during the months of September 26 - October 2.

At the present there are six 4-H clubs in the county with membership of about 125. The clubs meet regularly once a month. Adult leaders sponsor the clubs locally. There are two types of leaders, the organization leaders and the subject matter leaders. The organizational leaders responsibility is the organization and meeting of the club each month. The subject matter leaders meet with the club members interested in a specific subject to teach them things pertaining only to that subject.

The 4-H Council is sponsoring a plaque to be presented to the club that increases the most on a percentage basis during the two months. Individual awards will also be presented to club members getting five or more new members to join 4-H.

Youth interested in joining should contact the organization leader of the club in their community; or the county Extension Agents Office for further information. The organization leaders are: Mr. and Mrs. James Lovell, Floydada; Mrs. J. B. Colston, Floydada; Mr. Glenn Gipson, Mrs. Paul Kropp, Lockney; Mr. & Mrs. K. E. Probasco, Sandhill; Mr. & Mrs. Durrell Fortenberry, Cedar Hill; Mrs. L. N. Johnson or Mrs. E. J. Kinslow, South Plains; Mrs. Zant Scott and Mr. Glenn Pool, Harmony.

**WHAT IS FHA?**

(by Teresa Hinsley)

What is FHA? FHA stands for Future Homemakers of America which consists of teenage girls preparing for their future families and homes.

In our school there is a Rosebud chapter which consists of Freshmen girls and a regular chapter which consists of the upperclassmen girls.

The regular chapter has already elected and installed their officers. They are: President, Beverly Smithy; Vice-President, Cynthia Williams; Secretary, Vicki Johnson; Treasurer, Carol Graham; Reporter, Teresa Hinsley; Song-leader, Tommi Dycus; Pianist, Marljon Wylie.

The rosebud chapter has yet to elect officers.

We have had a very successful and interesting program in the past and we trust F.H.A. will be as successful and interesting this year.

Everyone is cordially invited to attend all future F.H.A. meetings.

# Farm Bill Okayed By Senate

## Limits On Subsidies Defeated Joint Committee Now Gets Plan

WASHINGTON—The Senate passed its version of the omnibus farm bill Tuesday, three times beating back attempts to put a dollar limit on the amount of price support payments a farmer may receive.

The vote, extending major government support programs through 1969, was 72 to 22.

Covered under the four-year agriculture program are cotton, wheat, feed grains, wool and rice.

**Close To LBJ Views**  
 The final vote gave President Johnson a bill more closely in line with his administration's views.

But because there are major differences in bills passed by the House and Senate, a conference will have to work out a final draft. Indications are this conference could be difficult.

In the final hours of debate, the Senate rejected payment ceilings of \$25,000, \$50,000 and \$100,000 that could be paid one farmer.

**Ellender In Battle**  
 Opposing these attempts, Sen. Allen J. Ellender (D-La) chairman of the Senate Agriculture Committee, argued large loans to big producers made it possible for them to market crops in an orderly fashion without disturbing prices. This, he said, benefits small farmers greatly.

But in trying for a \$25,000 ceiling, Sen. Daniel B. Brewster (D-Md) said the present farm program is "wasteful, extravagant and it doesn't work."

He said the cost of the program in 1965 was \$260 million, but by last year had soared to \$2.6 billion.

**First Wanted \$10,000**  
 Brewster first wanted a \$10,000 payment ceiling, but accepted a modification by Sen. A. Willis Robertson (D-Va) to make it \$25,000.

The Maryland senator lost, 56-33, and Sen. John J. Williams (R-Del) was defeated, 49 to 42, on a proposal for a \$50,000 limit. The vote on making it \$100,000 was 50-42 against.

Brewster contended the price support program doesn't help the small family farm, and he cited one price support loan of more than \$16 million.

**Small Farmer Cited**  
 "The plain fact of the matter is that the program is benefiting large farms at the taxpayers' expense while the small family farmer is getting the crumbs," he said.

"Why do you complain about subsidies to the farmer who makes half as much as other people in the country?" Sen. Herman E. Talmadge (D-Ga) retorted.

He asked why wasn't Brewster proposing a \$25,000

limit on subsidies to others, including those he said are paid shipbuilders and magazine publishers.

**Cotton Amendment**  
 While most last-minute amendments were beaten, one by Ellender on cotton was accepted. This provides price supports must be no lower than 85 per cent of parity.

The cotton section is considered a major feature of the bill and the section approved was put in by the Senate when it struck out provisions voted by the Agriculture Committee.

As passed by the Senate, the

## P P & K Contest Registration Now

Registration for Ford's annual Punt, Pass and Kick Contest, held annually, is now underway at Reed Ford Sales, on the Ralls Highway. Sign-up will continue through October 8.

The contest will be held Saturday, October 9 at Wester Field. Contestants will compete against other "future" athletes of their own age. There are six age brackets, from eight through thirteen.

The winners in the age brackets will receive awards as follows:

### FLOYD DATA

Pvt. Ricky Burns, son of Mr. and Mrs. LeRoy Burns, arrived in Honolulu, Hawaii on Wednesday of last week where he will be stationed until the termination of his enlistment.

Burns visited here with his parents and other relatives and friends enroute to California and his embarkation point for Hawaii.

He called his parents Sunday night saying he had arrived and was seeing the sights in Honolulu.

## Bindweed Spraying To Begin Next Week In County

In the regular meeting of the Board of Directors of the Floyd County Noxious Weed Control District it was decided to employ the Secretary, Mrs. Bill Hart, on a full time basis. She is to be in the office at all times and will be able to take care of any arrangements for anyone who wishes to have the district spray for them.

Farmers are urged to make arrangements now for fall and winter treatment on bindweed. There are two herbicides, on the ASC approved list, which can now be purchased at a reduced cost.

The district plans to begin spot treatment of bindweed on the county bar-ditches within the next week. The herbicide being used for this treatment is a soil sterilant and will be applied only adjacent to farms where control practices are being carried out, according to Douglas Degge, Supervisor.

Mr. and Mrs. Morris Wideman visited with Mr. and Mrs. Boe Diggs in Ralls on Sunday afternoon.

## RAY WALKER ENTERS TU LAW SCHOOL

Ray Walker, son of Mr. and Mrs. Grady Walker, received his BBA degree at Texas Tech in August. He visited here with his parents last week then left for Texas University where he enrolled as a law student.

The wheat section also was written into the bill on the Senate floor. It would guarantee wheat producers \$1.90 per bushel compared to the present \$1.69 and the \$1.80 in the House bill. The section also includes a penalty "club" by which the government could increase the price of wheat to the wheat to the processor if the price of bread to the consumer went up.

Final passage of the bill sealed a double victory for organized labor. During the four days of Senate debate, an attempt to take from the Sec. of Labor the determination of need for foreign workers on U.S. farms failed. Proponents wanted to give this authority to the Secretary of Agriculture.

Another rider defeated would have put Congress on record as favoring removal of a requirement that 50 per cent of all commercial wheat sold abroad

had to be transported in American vessels. Major differences to be settled in the House-Senate conference include those on wheat and rice. The House did not have a section on rice.

## More Livestock Entries Needed; Talent Show Deadline Extended

President of the Floyd County Fair Board Hubert Frizzell presided at a meeting of the fair officials Tuesday night in the Lockney bank where final plans were made for the fair next Thursday, Friday and Saturday.

Most committee heads were present and reported on the progress of their particular job.

The talent show entry deadline was extended to September 22.

It was also reported that there is a definite need for more livestock entries in the fair.

Mack Shurbet reported that about 125 horses are expected for the quarter horse show. The group voted to make clean-up days for the fair grounds this Saturday and next Tuesday. Everyone is urged to help out on this work.

Twenty-one officials were present at the meeting.

The 12th Annual Floyd County Fair has been set for three big days, September 23, 24, and 25, in Lockney, according to Hubert Frizzell, president of the Fair Board.

Frizzell said they have a program that will be of interest to everyone. The D. S. Dudley show will be back, the Quarter Horse Show is expected to be one of the best in the West and the livestock division, Gospel singing, talent show, Queen contest, Ladies Day program, booths and displays should be outstanding.

The schedule of events opening day are judging of community exhibits, judging of women's division, parade in Lockney business district, 2:30 p.m., judging of agriculture department, tractor driving contest, 4 p.m., and the Miss Floyd County Queen Contest, 7:30 p.m.

On Friday there will be swine judging, sheep judging, junior heifer judging, beef cattle judging, Ladies Day Program and prizes, 2:30 p.m. and Gospel singing at 7:30 p.m.

On Saturday starting at 9 a.m. is the Quarter Horse Show, baby beef judging and a Talent Contest at 7:30 p.m.

Directors of this year's Fair Board are Carl Brock, Conrad Henderson, C. L. Mooney, Mrs. Max Marble, Weldon Smith, Gene Handley, M. J. McNeill, Mrs. Ruby Higgenbotham, Alton Higgenbotham, Harold Ellison, Mrs. James Jeffress, Kenneth Brose, Joe Canyus and Joe Taylor.

The parade in downtown Lockney at 2:30 will be the kick-off for the Fair. It will start at the south end of First Street, travel north to Washington, turn east to Main and proceed south. All entries are asked to stay in line until after passing Main Street Church of Christ where the last judge will be situated.

Cash prizes will be awarded on community and commercial floats. Competition for riding clubs will be arranged in junior and senior divisions with three trophies to be given in each section. Junior and senior bands will be competing for first, second, and third place trophies. Other divisions will receive ribbons for three places, antique cars, best cowboy and cowgirl judged in the way they handle horses, best oldtime cowboy and cowgirl.

The tractor driving contest set at 4 o'clock the same day will be in charge of Earl Kellison and Harold Ellison. Competition will be arranged in three divisions; grade school age, high school age, and above high school age. First place trophies will be awarded in each division and ribbons will be given for second and third places.

Mrs. Max Marble is in charge of the Miss Floyd County Queen Contest, the second to be held. Thus far nine entries have registered, four from Floydada and five from Lockney. The event is set for 7:30 opening night in the entertainment building. Contestants are Dinah Hodel, Sandra Huggins, Jennie Adams, Trudy Jarrett, and Carol Baughman, all of Lockney, Vickie Gregory, Susan Hotchkiss, Jenis Moore, and Kitty Lloyd, all of Floydada.

Ladies Day at the Fair will be Friday, Sept. 25, sponsored by the Lockney and Floydada Young Homemakers. Miss Elizabeth Ramos, refugee from Cuba who now attends Texas Tech, will be speaker. Whee Pat Corp., of Crosbyton will present a program showing fashions and articles. Door prizes will also be presented.

During the program prizes will be presented to the early bird; oldest lady and youngest mother present, lady traveling the greatest distance, newest resident in Floyd County, lady living in Floyd County the longest, lady with the largest number of children and grandchildren, club president with the largest number of club members present, lady with the largest number of relatives present for Ladies Day, lady hav-

ing attended the most Ladies Day, lady entering the most exhibits at the Fair and who is present for Ladies Day, and then a gift to the lady bringing the most guests in her car.

Joe Reeves is again chairman for the Gospel singing Friday night. Singers are expected from a wide area and some of the groups expected are the Gloryland Quartet of Roswell, Good Family Singers, Lawton, Okla., Bailey Quartet of Levelland, Tempo-Aires of Slaton and the Spears Trio of El Paso.

A traveling trophy and \$12.50 will be awarded for first place in the community exhibits, according to Bill Washington, superintendent. If a community wins the trophy three years in a row, it is kept permanently. Second place will receive a plaque and \$10, third \$7.50 and a plaque. Each additional entry will receive a ribbon and \$5.

Exhibits are expected from the communities of Cedar Hill, Flomot, Providence, Dougherty, Prairie Chapel, Sandhill, Harmony, Briscoe County and others. Entry may be made by mailing a post card to Bill Washington, Rt. 1, Lockney.

### Agricultural

Joe Wilson heads the agricultural exhibits and states entries in this department will be limited to one sample in each lot from the same farm or individual and must be from the crop

of 1965. All exhibits must have been grown or produced in Floyd County or surrounding counties.

Classes in this division include cotton, heads and ears, grains and seeds, bunds for grain, cured bundles for forage, bales, vegetables, fruits and stalks.

Prizes for exhibits will be \$20 for first place, \$15 second and \$10 third. Each additional exhibit will be given \$5. Clubs having already entered this division are Lone Star Home Demonstration Club and Lockney Young Homemakers.

Second section of these exhibits is for club recognition gained by individual club members. The clubs whose members win the greatest number of points on individual exhibits, the following prizes will be given: \$10 for first, \$7.50 for second and \$5.00 for third. Points will be counted in agricultural and ladies division.

The Fourth Annual Quarter Horse Show is supervised by Mack Shurbet this year. The working and show area for horses has been enlarged and enclosed with a new steel cable and post arrangement. Added to the show this year is calf roping, reining and barrel racing events. In the Quarter Horse show competition will be three divisions, halter, performance and youth activities. Additional information and application forms may be secured by contacting Mrs. Bill Norris in Floydada.

Mrs. Joe Taylor is in charge of the Talent Show set for Saturday evening at 7:30. Trophies are to be awarded for first, second, and third places in each division of grade school, high school, and adults. Deadline for entry is September 22.

The Fair Association is sponsoring an antique display this year under the direction of John Dorman. Persons are invited to bring their guns, glassware, ironware, furniture, and other precious items for display. Prizes will not be offered this year but if enough interest is shown a contest will be conducted in 1966. Dorman said items should be ready for display on Thursday morning, Sept. 23.

Lighthouse Electric is sponsoring an 4-H Club Lamp Building Contest which is open to all bonafide 4-H members. The contest will be divided into Junior and Senior divisions, seniors being 13 years of age by Jan. 1, 1965. Lamps will be displayed in a special booth in the Fair building by divisions. They will be graded and will receive ribbons.

One of the most interesting exhibits for the young and old is Ole McDonald's Farm. Kenneth Brose is chairman. Ribbons will be awarded in the first four places in each class and a plaque will be given the person having the greatest number of entries in the show.

Clubs are invited to participate in the education division of Commercial and Educational Exhibits, as there will be no charge for this booth space. Also on the Fair Grounds will be the livestock department, Community displays and exhibits, the Women's Department, the Youth Department, Art Department, Craft Department, and

# MAKE THE MOST OUT OF YOUR COTTON

Again the farmers of this area are invited to share in the benefits that come from ginning at the . . .

## FARMERS CO-OP GIN IN FLOYDADA

### WE OFFER MANY SERVICES

#### YOUR COTTON AND TRAILER ARE INSURED

from field  
through gin

When You Gin at the  
FARMERS CO-OP

The farmers Co-op Gin has always maintained insurance to insure against loss by fire the cotton of its customers while the cotton was in the process of being ginned.

This year we offer protection from the time the first boll goes into the trailer.

The gin also carries a "floater" which insures the seed of its customers while in transit from the field to the gin and on gin premises.

#### MODERN MACHINERY

As most of you know, we have one of the most modern gin plants in the entire southwest, especially designed and constructed to serve the needs of producers of this area. Every part of our equipment has been completely overhauled during the summer months to provide our customers with the very best service possible.

#### 2-PLANT CAPACITY

Two of the most modern gin plants - housed in the same building - give us the capacity to turn out the cotton without keeping our customers waiting. The gin was designed to get the top dollar out of your cotton by doing a better job on every bale.

#### 3/4 MILLION IN REBATES

We consider these our most beneficial services; but it should be remembered that Farmers Co-op Gin has paid over a million dollars to customers in rebates since it was founded. It is easy to become a member - just gin one bale and you are entitled to all benefits in proportion to amount of cotton you gin.

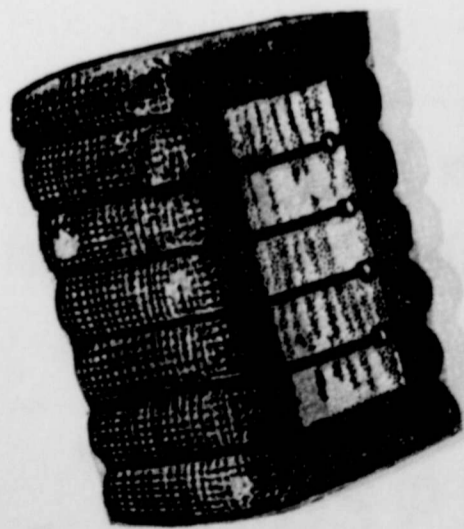

#### SERVICE FIRST

The rebates you receive at the end of the season are not the only benefits you receive when you bring your cotton to the Farmers Co-op Gin. There are others that are more immediate.

Again in 1965, as in each year of the past 29 years, every cotton grower is invited to take advantage of the services and benefits that have been offered cotton producers since this gin was founded.

IN ORDER TO BETTER FACILITATE ORDERLY GINNING AND TO BETTER SERVE THE COTTON FARMER.....

## WE WILL FURNISH THE COTTON PRODUCER DEFOLIANT CHEMICALS AT NO COST.

# Winds Fall To Spirited Eagles Here, 33-8

## Canyon Displays Superior Passing

The passing attack of the Eagles proved to be the key to the victory over the Floydada Whirlwinds last Friday night as the visitor's offense accounted for four touchdowns.

Moore, a halfback that proved good pass receiving and excellent maneuverability, led the attack, accounting for the fifth of the touchdowns on a 7 yard late in the opening.

The Whirlwind counter attack in the second quarter was stopped by a 20-yard pass play by Johnny Cantrell to Waldo West.

The pass from John DeLeon to Waldo West was good for two points to account for the first of the locals scoring. The contest was filled with penalties, however, there was no foul play.

Moore moved the ball to the 11 and to the ten on two plays, and on the third play, the Floydada defense, led by Clinton Fawver, Ronnie Eubanks, Mac Baker and Phil Green threw Moore back to the 13. A fourth down pass attempt from Lair to Larry Robinson went incomplete, so Floydada took over on their own 13.

Once again on the first play from scrimmage, Bearden tried left end, was hit, fumbled the ball, and Canyon recovered on the 15.

Moore moved the ball to the 7, but a penalty moved Canyon back to the 20, where they had first and 15. The penalty didn't dampen the Canyon attack for on the next play Lair connected

Canyon chose to take the penalty and have a first and five on the 43. On the next play a similar penalty was called against Floydada, giving the Eagles a first on the Canyon 48.

At this point the defense of the Winds proved firm and three running plays, with Dennis Haley and Wayne Brewer carrying netted minus one yard so Haley punted. A penalty against Canyon erased the play and Haley punted again.

On the second try, Bearden received the punt on the 28 and moved the ball to the 36 where the Winds set up their offense.

The first play from scrimmage proved to be a costly one, for Kerry Bearden hit the Canyon line, fumbled and Canyon recovered on the 38.

It took Canyon only two plays to gain a first down to the Floydada 27. Brewer moved the ball to the 20, but Floydada was again offside, and Canyon chose to take the penalty giving the team a first and five on the 22, instead of the second and three on the 20.

A penalty against Canyon on the next play set up a first and ten for Canyon back on the 27. But on the next play, Moore moved the ball down to the 15, setting up first and ten.

Haley moved the ball to the 11 and to the ten on two plays, and on the third play, the Floydada defense, led by Clinton Fawver, Ronnie Eubanks, Mac Baker and Phil Green threw Moore back to the 13. A fourth down pass attempt from Lair to Larry Robinson went incomplete, so Floydada took over on their own 13.

Once again on the first play from scrimmage, Bearden tried left end, was hit, fumbled the ball, and Canyon recovered on the 15.

Moore moved the ball to the 7, but a penalty moved Canyon back to the 20, where they had first and 15. The penalty didn't dampen the Canyon attack for on the next play Lair connected

TWO POINTS - Waldo West is shown above here last Friday. On the previous play West caught a pass thrown by John DeLeon for two points in the game against Canyon.

with Robinson for the first score of the game.

A kick by Jerry Davis for the extra point was good and Canyon led 7-0 with 5:19 left in the first quarter.

Marler received the Canyon kickoff on the 20 and took the ball back to the 36. Three plays netted only four yards so Waldo West punted to the Canyon 21, where the ball rolled dead.

On the first play Floydada was offside so Canyon had a first and five on the 26. Two plays later, after Haley and Moore carried, the Eagles had another first. Lair was caught for no gain and then Brewer took off for a long gain that ended on the Floydada 15. Three plays later Moore went in for the score.

A fake kick and a pass from Lair to Moore made the two points and Canyon led 15-0. Floydada was not a team to give up, however, for although the Winds gave up the ball four plays after the kickoff, and allowed Canyon to march from their own 36 to the Floydada 33, the team held tight, and took over the ball at that point.

The two teams exchanged series of downs. Floydada got the ball back both times on Canyon fumbles and took over the ball finally on the Canyon 22. Steve Marler and John Cantrell fell on the ball for the locals.

Fawver recovered the earlier fumble for the Winds.

Roland Adams moved the ball to the 20-yard line on the first play and on second down Cantrell spotted West running near the goal line, hit him with a pass and West went in for the score. The pass from DeLeon to West was good for the 20 yarder and the score stood 15-8, Canyon.

Floydada kicked off to Canyon's Lair and he fumbled on the 30, but Art McAnarney of Canyon recovered on the 34.

The Eagles moved the ball from that point to the 46 in 7 plays so punted to the Winds. Joe Christian fell on the ball on the Floydada 25 and at that time the half ended, with Canyon leading 15-8.

After the intermission the Winds took the Canyon kickoff back to the Floydada 42, and moved to the Canyon 40 before the offensive punch was stalled. West's punt rolled dead on the 20, where Canyon started on

SEE WINDS ON PAGE 7

Although the Whirlwinds lost 33-8 to Canyon last Friday night a person would have to be blind to see that the team performed 100% better than it did against Post the week before.

The two touchdowns coming in the final period were made when it appeared to all concerned that Canyon had the game in the bag.

Floydada, as usual, started the game with the team's back to the goal line. This coupled with a few penalties, and a couple of fumbles certainly inspired the Canyon team to score early and take the initiative.

However, in the second period when the Winds stormed back at Canyon, virtually stopped the offensive attack, got on the scoreboard and held the Eagles once again, it looked more like the team the Floydada fans can expect to see operate by the time district play begins.

In the second and third periods the teams fought on relatively even terms. Each team would run a few plays then hit a strong defensive team from their counterparts.

This person, for one, certainly underestimated the strength of the Canyon team. A good backfield was expected to invade Wester Field, but not the team that performed here last Friday night. There was some of the best and most precisely timed blocking seen in a long time. On several plays the green

jerseys were falling like bowling pins. This was particularly demonstrated on the opening kickoff when Canyon returned the ball to the Floydada 7. This play incidentally was called back and Canyon was penalized for being offside.

Although the Canyon line is quite inexperienced, it is a smooth working unit, capable of dealing some AAA teams a lot of misery.

As one watches the improvements in the Winds, and sees the performance of other 3-AA teams in other games, this person believes that by the time conference play begins, the Winds will again be one of the teams to beat for the crown.

After last Friday night, Abernathy is the only district team that has not been defeated this year. That team has downed Frenship and Petersburg. Petersburg lost to Slaton in its first outing 15-0. Olton downed Morton, but lost to Tullia last week. Friona was defeated by Farwell in the first week, but came back to down another class A team, Plains, last week. Dimmitt has two defeats, one at the hands of Hale Center; Lockney has two defeats, having lost to Hale Center and Kress, both class A teams and Floydada has lost two games, one to an AA team and another to an AAA squad.

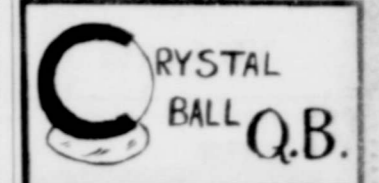

Last week in this column this

writer jumped on those people who make derogatory remarks to the officials, players and others during the course of football games, displaying very poor sportsmanship.

This week the reverse is to be mentioned. This person did not hear a remark one made to the officials or the Canyon team about the local team being cheated or getting a dirty deal.

All comments heard seemed to praise the visitors which indicates a very healthy and friendly competitive spirit. This is the purpose of interscholastic competition, as was announced prior to the game Friday night.

So, congratulations, Floydada fans. Let's continue this fine display of sportsmanship.

**CENTER NEWS**

CENTER, Sept. 13 - September is warm and dry. Days hot and still, nights cooler.

Sunday church services were good at Calvary Baptist.

Our pastor's wife, Mrs. Perry Threadgill, is ill in a Lockney hospital, but seems improving.

Visitors in the C. W. Denison home on Labor Day were a son, Gilmer Denison and family of Lubbock, accompanied by some of the children's friends.

Mr. and Mrs. R. C. Ross dined Sunday with Mr. and Mrs. Clarence Guffee.

Mrs. Marian Burns and girls visited Mrs. Ross awhile Saturday.

Mr. and Mrs. O. C. Vinson visited Friday evening at Mr. and Mrs. Luther Dorrell's. So did Mr. and Mrs. Oliver Allen.

Mr. and Mrs. Ernest Huckabee and children of Stephenville came Friday night to spend the weekend with her parents, the Vinsons. Also present for

Sunday dinner was the Vinson's son, Jerrold and family of the Harmony community.

Mr. and Mrs. J. D. Welborn and all their children and families attended the family reunion Sunday held in Mackenzie Park, Lubbock. These were the Roger Gooches, the Clarmon Booths, the Nolan Arneys, and Bobby Welborn and family, all of Floydada, and James David Welborn and family of Plainview, and the parents, Mr. and Mrs. J. D. Welborn.

Mr. and Mrs. Joe Lee Dunn, Lubbock, visited awhile Sunday with his mother, Mrs. Frank Dunn.

Mr. and Mrs. Fred Robertson visited Mr. and Mrs. Doyle Sandifur Sunday evening.

Mrs. Gaynell Fuston of Plainview visited Saturday with her brother and wife, the Doyle Sandifurs.

We regret to record the passing of a loved one - D. I. Bolding of Coleman, a long time ago Centerite, and later with his family resided in Floydada. We shall miss "Uncle Isham", but we've sweet memories of the association of him and his dear family. Last rites held in First Baptist Church, Floydada, Sunday p.m., were conducted by Bro. Perry Threadgill, Calvary pastor, and a nephew, Rev. J. T. Bolding of Lubbock. Among out of town relatives attending besides the family were Mr. and Mrs. Floyd Montgomery, and Victor Green and family of Plainview, Don Clark Green of Big Spring, and Anthony Latta and family of Mt. Elanco.

**The Republican**

By Mr. and Mrs. David Battey, Jr.

LOCAL: The Floydada Young Republicans had a dinner meeting Monday night, September 6, at Roger's Restaurant. Their program consisted of reports on the Teen-Age Republicans Seminar in Dallas. President Cheryll Campbell announces the next meeting will be October 4 at the First National Bank Community Room.

STATE: George Bush of Houston announces a state-wide birthday dinner honoring Senator John Tower on September 29 in Houston at the Hotel America. It will be in observance of Tower's 40th birthday. Senator George Murphy of California will be the guest speaker. Other colleagues in the Senate who will be paying tribute to Tower will be Strom Thurmond of South Carolina, Milward Simpson of Wyoming, Paul Fannin of Arizona, Roman Hruska of Nebraska and Len Jordan of Idaho. Several other senators are expected. All the proceeds from this state-wide fund raising effort will go to the Tower campaign. Anyone wishing to purchase tickets or to send a contribution may call Mrs. David Battey, Jr. for the mailing address.

RECENT ELECTION: Completed ballot counting shows again that the majority of the voting public is either so complacent he sees no need to vote, or wishes to disregard the Constitution of the United States. Article III Section 25 plainly states "and no single county shall be entitled to more than one senator." Last Tuesday's election was a real tragedy for rural areas and small towns. Only 10% of the eligible voters turned out at the polls. The 30th Congressional District voted 4-1 for the amendment - every county voting for but Motley. It was the only county on the Plains that voted against the amendment. Nearly all of the state senators interviewed expressed disappointment in the lack of interest of the people of the state.

14-B: Another freedom may be taken away from the working man, both employer and em-

ployee - the freedom to work anywhere or hire anyone without compulsory union membership. It should be of interest to keep our eyes and ears on Washington the next week or so.

THE GENERAL ELECTION IS NOVEMBER 2 - - - PLAN NOW TO VOTE

**Rites Conducted**

**For D. I. Bolding**

Funeral rites were conducted Sunday in Floydada for David I. Bolding, 83, longtime former resident of this city. He died Friday night in a Coleman, Tex. hospital from a stroke. He had been making his home in Coleman for the past several years.

Rev. Perry Threadgill, pastor of the Calvary Baptist Church, conducted services in the First Baptist Church. Bolding was a member of the Missionary Baptist Church.

He was born in Alabama on September 17, 1882. He and his family moved to Floyd County in 1916 where he farmed, then he became custodian at the First Baptist Church where he served for some 30 years.

His wife preceded him in death three years ago.

Survivors include two daughters, Mrs. Zalon C. Milton, Coleman and Mrs. Grady Edelman, Muleshoe; one son, D. I. Bolding Jr., of Houston; four brothers, a sister; three step-sisters; three grandchildren and two great grandchildren.

Pallbearers were L. B. Stewart Jr., Charles Collom, Hershel Hammonds, Victor Green, Anthony Latta and Rusty Birchfield.

Burial was in Floydada Cemetery under the direction of Moore Funeral Home.

**YARBOROUGH NEWS LETTER**

Dear Fellow Texan: Last week was an important week in Congress in the education field, as the Senate passed the Higher Education Bill and the House Veterans' Affairs

**Ground Improvements Will Be Noticed By Visitor To South Plains Fair**

LUBBOCK--Visitors to the 48th annual Panhandle South Plains Fair will find many new improvements to grounds and facilities this year, according to A. B. Davis, fair manager. Some of the improvements were made to enhance health standards, while others have

been completed mainly for the comfort and convenience of the 250,000 persons expected through the turnstiles.

The 1965 edition, studded with several new attractions and the return of "Holiday On Ice," launches a six-day stand here on Sept. 27.

Four times as much light will beam down on exhibits in the cattle, agriculture, merchants and women's buildings with the addition of fluorescent lighting to these areas. Greatly increased electrical power also was placed in the cattle barn.

One of the major improvements is the addition of a set of restrooms, each with hot and cold running water. Davis said the new facility boosts the total number of units to seven.

And, to help patrons find their cars easily, large numbered signs will be erected along each of the parking lot rows, Davis noted.

Sized concrete slabs have been laid for several concessions and a larger slab was poured for the carnival cookhouse. Three big trash receptacles also have been situated on the grounds.

Veterans of Foreign Wars and Rebekah Lodge are completing new buildings. "I feel that within the next two to three years, all of the large concessionaires will have permanent buildings of their own," the fair manager observed.

Routine maintenance work and other minor improvements also have been made.

The "Parade of Bands," featuring more than three dozen area high school units, officially kicks off the fair at 10 A.M. on opening day, proclaimed "area school day."

Committee began hearings on the Cold War GI Bill.

The Senate version of the Higher Education Bill will channel more than \$667 million of federal funds into education during fiscal year 1966 alone. This means that the bill will be in effect for the school year beginning this month, and it will provide additional opportunities for many high school graduates to attend college this fall.

The bill provides \$70 million for scholarships for needy students during this first year. Of this amount Texas students will receive almost \$4 1/4 million in scholarship funds, enough for 9,000 Texas college scholarships.

In addition, the government will now insure student loans from private lending institutions against default and will pay 3% of a 6% interest rate. These insured loans will come from such non-government sources as banks and savings and loan institutions.

The bill also includes \$129 million for work-study programs, so a student can go to school part-time and work part-time. More than \$7 1/2 million will be available to Texas students under this program, and many thousands more Texas students will now be able to work their way through college.

With these programs supplementing the National Defense Education Act loan program and other sources of financial assistance many more qualified students will be able to finance a college education, which is so important for advancement in this age.

Other programs in the bill include \$62 1/2 million for college library resources, training and research; \$25 million for university extension and continuing education programs after adults graduate from college; \$160 million additional funds to help build classrooms, dormitories, and laboratories; \$36 million for a National Teachers Corps to provide qualified teachers in low income areas; and \$34 million for graduate fellowships for teachers.

When this increased federal spending is combined with the matching funds from states and the increased private spending, education will benefit immensely from this bill.

The second important development in education last week was the beginning of hearings on the Cold War GI Bill by the House Veterans' Affairs Committee, chaired by Congressman Olin Teague of Bryan.

As lead-off witness for this hearing, I am deeply grateful for the strength of support for this bill which was indicated to me by the members of this Committee. I am hopeful that it will result in prompt action by this Committee in reporting out this essential bill.

## County Agent's Corner

"Today's Six Keys to Lowering Crop Production Cost" will be the theme of the field day to be held at the South Plains Research and Extension Center north of Lubbock.

The event will start at 1 p.m. Tuesday, September 21, and feature weed control, soil fertility, cotton diseases, water conservation, and mechanization.

Water conservation and efficient water use are two important fields of research conducted at the center and they will receive special emphasis at the field day.

Several questions have arisen concerning the use of vegetables that have been sprayed with malathion during the Bollweevil spray program.

If you have a garden in a cotton field that was sprayed directly with the insecticide the following days should be allowed before harvest — BEANS, CANTALOUPE, CUCUMBERS, SQUASH, TOMATOES AND WATERMELONS — 1 DAY; BROCCOLI, EGGPLANT, ONIONS, PEAS, AND PEPPERS — 3 DAYS; BEETS, CABBAGE, CARROTS, CAULIFLOWER, MUSTARD, RADISHES, TURNIPS, AND HEAD LETTUCE — 7 DAYS; OKRA — DO NOT USE OKRA PODS THAT HAVE EVER BEEN SPRAYED WITH MALATHION.

Farmers are reminded they can get a four cent per gallon refund on each gallon of gasoline used for farming purposes during the 12 month period ending June 30 by filing a claim with the Internal Revenue Service.

The tax refund claims are to be submitted on Form 2240 available at the County Agents office or through the Internal Revenue Service. The claims must be postmarked no later than September 30. They should be mailed to District Director Internal Revenue Service, Dallas, Texas 75201. Sufficient records should be kept by each claimant to enable the IRS to verify the accuracy of the claim.

J. S. Hale of the Starkey community reported that flea beetles were attacking his wheat. Farmers with small grain up at this time of the year should check for this insect. If it is necessary to apply insecticide the following at the recommended rates will do a good job of controlling the insect — Dieldrin, 1 1/2 pt. per acre; Toxaphene — DDT (4-2 lb.) 1 1/2 qt. per acre; Toxaphene (6 lb.) 1 1/2 qt. per acre.

If Dieldrin is used do not let beef animals graze the small grain for 7 days. If Toxaphene or DDT is used, do not allow dairy animals or animals being finished for slaughter to graze.

The High Plains Research Foundation has released a new type Soybean for this area. The variety, "Patterson" is a short maturing variety. It will mature in approximately 105 days and yield from 25 to 35 bu. according to the foundation.

Foundation seed may be spoken for now at the research center in Halfway.

## FLOYD PHILOSOPHER

# Claims Plumbing Will Cause Small Cities To Live Longer

Editor's note: The Floyd Philosopher on his Johnson grass farm is optimistic about small towns, his letter this week indicates.

Dear editor:

Every once in a while there's a move on in this country to do something to "save the small towns," and while I doubt there's anything that can be done to keep a town from going under if it's being abandoned anyway, I have looked around in a very limited way and can't find any that are disappearing.

I'll admit some towns aren't what they used to be, but a lot of them never were in the first place. On the other hand, most of them are better off today than they were 25 years ago, but if they're smart they'll keep this to themselves and let the cities keep on growing and multiplying their problems.

As a matter of fact, the more I read of the problems of big cities the more I doubt they'll outlast the towns. Just because a man is growing fat doesn't mean he's going to live longer.

Take just one aspect of big city life you don't hear men-

tioned much: plumbing. I never have seen a water pipe that'd last forever, at least one won't around this Johnson grass farm, and have you ever stopped to think what the cities are going to be faced with 50 or 100 years from now when the time comes to rip out all the water pipes and put in new ones? You ever tried to put new pipes in a 40-story building? How many miles of city streets will have to be dug up to put in new water mains? I understand New York has a crew of 50 men doing nothing but going around town checking for water main leaks.

Instead of worrying about their own survival, small towns ought to be worrying about cities. You can lose a small

town here and there without noticing, but you let a big city give up and have all the people move out and it'll overwhelm every small town within a 100-mile radius. If Floydada is smart it'll start doing something to save Lubbock.

Big cities remind me of some big farmers. In some areas of the country they've grown so big they've gone broke.

Yours faithfully,  
J. A.

## Naval Recruits To Get More At Enlistment Time

Marion Reneau, the local Navy Recruiter has announced that the recent military pay bill, signed by the President on August 21st will provide a sizeable pay boost to young men joining the service from now on. The new pay bill now entitles a young man, single, joining the Navy or other service a starting pay of \$87.90 until completion of his recruit training. On completion of recruit training the first pay raise for an individual is to \$97.50 a month. This is a pay increase of \$11.70 more than was previously paid an individual.

After two years service, and providing the individual does not advance in pay grade during those two years, which is unusual, the new pay per month for the individual jumps to \$136.50 a month. If the man does advance one pay grade his pay is raised to \$164.70.

While the pay does not seem startling in the amount, it has to be remembered that this is money for other than room, board, clothes, etc. and therefore is "Spending Money".

For more information on the pay and advantages for young men joining the service today, SEE YOUR NAVY RECRUITER at Post office or courthouse on Mondays in Floydada.

week for a lot of the teams, the second for the class AAA teams, class AAAA teams and the first for most college teams.

Last week the Crystal Ball Quarterback missed only five of the 26 games. Here's his predictions for the coming week. Floydada over Ralls, although the Rabbits will be tough for they downed Kress, the team that blasted Lockney last week; Hale Center will take Abernathy; Hereford will blast Dimmitt; Dalhart will ease by Friona; Lockney will have little trouble with Petersburg, and Olton will beat Muleshoe, on the basis that the Mustangs beat Morton more than Muleshoe did.

Silverton will pluck Turkey, Springlake will take Bovina, Childress will fall to Vernon, Idalou will take Kress, Tulla will make it two in a row at Phillips, Morton will hand Crosbyton its second defeat this year, Canyon will beat Levelland in a tight tussel, Dumas will beat Monahans, Crowell will take Matador, and Plainview will blast Littlefield.

On the college scene, Arkansas should have little trouble with Oklahoma State, Auburn will down the Baylor Bears, the field the punt he fumbled the ball and it was recovered by Eubanks on the Canyon 32.

Disaster struck on the next play, for a pass from DeLeon to Marler was intercepted by Canyon and returned to the Canyon 25. From that point, Canyon took to the airways and did not run the ball again.

A pass from Lair to Bruce Winn and another to Moore were incomplete, but on third down Lair found Moore open and passed to him. He was brought down by Marler on the 38. Again Moore was the receiver for a Lair aerial and again Marler tripped up the halfback.

A pass to Brewer was incomplete but on second down Lair hit Robinson and he moved the ball to the Floydada 25. Canyon was penalized for illegal procedure, but on the next play a pass from Lair to Moore was complete and Moore carried on into the end zone for the counter.

An attempted pass from Lair to Robinson was incomplete and Canyon led 35-8. West received the kickoff on the 35 and moved the ball back to the 43. Three passes went incomplete and West's punt rolled dead on the Canyon 28.

Sherman Smith was smothered back on the 15 while trying to pass and the next play Jack Swartzell moved the ball up to the 18 for a three yard gain. Smith then rolled to his left for an 11-yard gain giving Canyon a fourth and seven.

Before the Eagles got another play underway, the game ended with the score reading, Canyon 33, Floydada 8.

This broke a three-year spell for Canyon. Two years ago the Winds downed the visiting Eagles 12-7 in Wester Field and downed the team 9-7 in Buffalo Stadium last year, in a blazing whirlwind finish.

Next week Floydada travels to Ralls and Canyon hosts Levelland. Both are non-district tilts.

## FIELD & KITCHEN NEWS

TODAY'S WORLD - OUR CHALLENGE, was the theme for the Fourth Annual Convention Area I Young Homemakers of Texas when they met Saturday, September 11, 1965 in the Hereford Junior High School Auditorium.

The election of officers was the highlight of the morning business session. Mrs. Edward Weil of Hale Center was chosen president of the Area I Young Homemakers. Other officers are Mrs. Larry Moyer of Friona, 1st vice president; Mrs. Marion Garland of Clarendon, 2nd vice president; Mrs. Ben Holcomb of Dimmitt, 3rd vice president; Mrs. Truman Dunavant of Floydada, corresponding secretary; Mrs. Delton Stone of Abernathy, recording secretary; Mrs. Jackie Parker of Plainview, treasurer; Mrs. Max Marble of Lockney, reporter; Mrs. Delbert Reed of Clarendon, parliamentarian, and Mrs. Eddie Joe Fortenberry of Lockney, state parliamentarian.

Mrs. Ima Dora Halle of Plainview was chosen Area I advisor. Mrs. Robert Boyd, of Hale Center area 1 vice president, introduced the speaker, Dr. Ed Kajihro, Professor of Biology, Wayland Baptist College, Plainview, who spoke "A BETTER WORLD - YOUR CONCERN".

A beautiful and inspiring "Red Carnation Ceremony" was presented by Mrs. Edward Weil, State Parliamentarian. Mrs. Eddie Joe Fortenberry, of Lockney, presented the Installation service for new officers.

A banquet was held jointly Saturday night by the Young Farmers and Young Homemakers of Area I at the Hereford High School cafeteria, at which time Chapter awards were presented to the two organizations. Among the Young Homemaker awards presented at this meeting were:

Clarendon Chapter, first, for outstanding chapter.

Hale Center, first, place publicity.

Frenship, first place, for outstanding new chapter.

Hale Center, second place, in outstanding chapter.

Hereford, third place, in outstanding chapter.

Lockney, second place, publicity.

Hereford, Ropesville and Abernathy, tie, third place, publicity.

Friona, second place for outstanding new chapter.

Slaton, third place for outstanding new chapter.

Mrs. Ima Dora Halle of Plainview, Area advisor, Texas Education Agency; Miss Gena Brazeale of Plainview, Hale County Home Demonstration Agent; and Mrs. Nancy Morckel, Home Economist, Lighthouse Electric

unless some improvements have been made around Waco, Mississippi State will beat Houston, Rice will ease by Louisiana Tech, Miami will take SMU, Texas will overpower Tullane, A&M will fall to LSU, Nebraska will down TCU, Tech will fall to Kansas, another Big Eight power, and North Texas will stop Texas Western.

Get a Jackrabbit, Whirlwinds. We'll see you in Ralls tomorrow night.

## MEMBERSHIP?

Women not enrolled in high school and who are under thirty six years of age are eligible to become active members of Young Homemakers.

WHAT IS THE PURPOSE OF THE ORGANIZATION?

The over-all purpose of Young Homemakers is to provide creative opportunities for young women in maintaining effective personal, family and community life.

Mrs. Melinda Goen and Kent Hardage of Lubbock, were dinner guests of her parents, Mr. and Mrs. Bud Goen and her brother, Mark on Sunday.

Mr. and Mrs. George Massie of Pampa, visited Monday afternoon with Mr. and Mrs. H. H. Roberts and girls.

SOMETHING TO THINK ABOUT:

Some one recently said: "The trouble with most fellows who boast of being self-made men is that they went on strike before they completed the job".

ON SECURITY TAX

Social security taxes are going up about \$5,000,000,000 next year to finance increased pension payments and hospital insurance for the elderly. A person making \$6,600 or more in 1966, will pay \$103 more than he paid this year.

JOHN B. STAPLETON, JR. AIRMAN STAPLETON

## Great ideas for your write student?

School days are back, it's a good time to take another look at your children's needs. Much of any student's success (and life) may depend upon a complete, well-lighted study area at home. Proper lighting is of major importance, and very inexpensive. A simple lamp can change a dingy area into an ideal study area.

Proper studying is hard work; 8 hours a day uses as much energy as a 33 mile run. Reduce your children's burden and improve their chances of success by providing a good study area.

## BETTER LIGHTING ELECTRICALLY

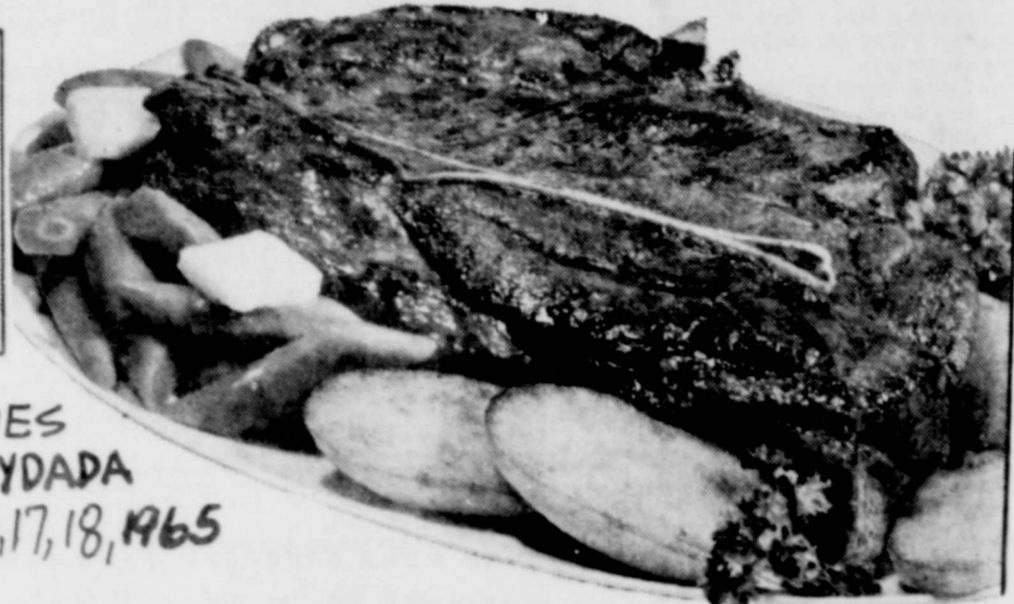

Proper lighting plays a major role in a happier, better family. We'll gladly discuss your lighting needs and offer inexpensive ideas to help you get the benefits of better lighting.
