Figure Finders Have Meeting

The Floydada Figure Finders met Jan. 27 in the home of Virginia Pyle. Helen Bertrand assisted Mrs. Pyle with hostess duties for the party night. Jean Richards was awarded a gift for losing the most weight in a three month period. Club members worked on their year book and some of their future programs are hat demonstrations, gift wrapping and knitting instructions. A will power contest was started by the club and will last five weeks. The group welcomes any visitor or anyone interested in joining the club may contact any TOPS member or call YU3-2087 or YU3-2900.

34 Club Meets In Hale Home

The 1934 Study Club met in the lovely home of Mrs. J. S. Hale Jr., Tuesday night. Mrs. J. P. Moss, president, presided. Mrs. W. O. Newberry led prayer. A guest, Mrs. Hart Shoemaker of Abilene, and a former member of the club, was welcomed. Mrs. R. G. Dunlap was in charge of the program for the evening and introduced Jack McIntosh, who gave a talk on communism, followed by a question and answer period. Those present were Meses. H. G. Barber, Allen Bingham, Wilson Bond, Thomas Burrow, Ralph Cogdell, A. W. Coltharp, Dennis Dempsey, R. G. Dunlap, David Eaton, Garland Foster, J. S. Hale Jr., John Hotchkiss, M. J. McNeill, J. P. Moss, Doyle Mount, W. O. Newberry, Vernon Parker, George Springer, John Stapleton, A. L. Wylie Jr., James Lackey and guests, Mrs. Shoemaker and Jack McIntosh. The next meeting is Feb. 15 in the home of Mrs. Cogdell.

Pat Gilbert Complemented With Shower

Miss Pat Gilbert, bride elect of Don House of Turkey, was complimented Tuesday night with a bridal shower in the Ted Bell home. Mrs. Bell received guests and presented them to the honoree and mothers of the betrothed pair. Cindy Simpson presided at the bride's book. Crystal and silver appointments were used in serving from a table laid with a lace cloth over moss green centered with a bouquet of white roses, carrying out the bride elect's chosen colors. Hostesses alternated in serving and showing guests to the gift room. They were T. W. Battey, Ted Bell, E. D. Morgan, W. H. Simpson Jr., Claud Weathersbee, Helen Patterson, Neil Bertrand, Kyle Glover, Sam Spence, Alton Noland, Aldine Williams, Dean Morris, Morris Noblin and Irene Boutwell. Their gift to the honoree was an electric mixer. Miss Gilbert and House are to be married on Feb. 5.

of a baby daughter at their home. Shannon Gay was born on January 6th and weighed six pounds and 13 ounces. The couple returned home with the baby on January 29th. Baumgardner is English and Science teacher in Floydada High School. Mrs. Neva Parker of Coleman is the only grandparent of the new arrival.

LODGE MEETING

Floydada Rebekah Lodge held their regular meeting Tuesday night with Beverly Kinser, Noble Grand and Kathryn Turner, vice Grand in charge. During business those reported ill were Floyd Webb, Inez Nichols and Leona Oden.

Mr. and Mrs. J. M. Harkins Are Red on Silver Anniversary

Mr. and Mrs. J. M. Harkins celebrated a silver wedding anniversary party Jan. 27 in the home of Mr. and Mrs. Simpson, marking the 25th anniversary of their marriage. Macel Jones of John M. Harkins were married Jan. 27, 1902. Mrs. J. M. Harkins since 1945. They have two children, Mrs. Ronnie Traylor of Crosbyton and Billy Wayne Harkins, a student at Hardin-Simmons University, Abilene, and one granddaughter, Micki Traylor. Silver bells topped the white anniversary cake. Guests were served dips, cake, colas and coffee. Games of bridge and "42" were played. Attending were Mr. and Mrs. Arnal Fowler, Mr. and Mrs. Guy Thompson, Mr. and Mrs. Rhea Campbell, Mr. and Mrs. Bob Hardin, Mr. and Mrs. Jesse Lancel, Mr. and Mrs. Bill McNeill of Floydada, Mr. and Mrs. Roe Jones of Floydada, Mr. and Mrs. Ronnie Traylor, Miss Nancille Thompson and the honorees, Mr. and Mrs. J. M. Harkins.

Young HM To Host Workshop

The Floydada Young Homemakers will serve as hostesses for the Southwestern Division Awards Workshop of area 1 of Young Homemakers Saturday, Feb. 26th in the kitchen of Light-house Electric in Floydada. Registration will start at 1:30 p.m. Mrs. Eddie Joe Fortenberry of Lockney, first vice-president of State Association of Texas, will conduct the workshop which is for the purpose of learning as much as possible about filling out the award applications. We are very fortunate to have one as qualified and interested as is Gayle to help us. She has been an area officer one year and is presently serving her second term as state officer, therefore, she has assisted with the development of the awards programs. These workshops, conducted throughout the area, are for your chapter's benefit in completing the applications and if your chapter is not represented you will miss the extra help with the program. Mrs. Delton Stone of Idalou and Mrs. Max Marble of Lockney will direct the workshop.

John Colston Rites Pending

Word was received here yesterday of the death of John Colston, 72, of Lake Diversion, former resident of Floyd County. Colston died of a heart attack in his trailer home early yesterday morning. Funeral rites were pending at a Wichita Falls funeral home at this writing. Colston and his wife were making preparation to move back to Floydada when his unexpected death occurred. Survivors include his wife; one daughter, Mrs. Olita Kerns of Slaton; two brothers, Jim of Floydada and Arthur of Lake Diversion. He was preceded in death by one sister; three brothers and his parents, Mr. and Mrs. W. A. Colston. HELLO WORLD Mr. and Mrs. Charles Baumgardner announce the arrival

SOUTH PLAINS NEWS

Local Youth Breaks Ankle

SOUTH PLAINS, Jan. 31 - Warren Powell, son of Mr. and Mrs. Tillman Powell, had the misfortune of breaking his ankle while in P. E. class last Wednesday. He was taken to Peoples Hospital where his ankle was placed in a cast. Warren was able to return to his home Thursday.

Church attendance was up this past Sunday with sixty-three present. Visitors noted were Mr. and Mrs. Bruce Julian of Canyon, and Miss Donna Menniseymer of Lubbock. Mr. and Mrs. Julian came down Saturday night and were the guests of Bruce's brother and family, the Kendis Julians. Miss Menniseymer was a house guest in the Shelby Calahan home over the weekend. She is the roommate of Beth Calahan and Beth's parents returned the girls to their studies at Texas Tech on Sunday afternoon.

Some snow remains on the ground as temperatures took another plunge over the weekend. Strong winds from the north hit the area Friday. The snow storm predicted to hit the area Friday brought only flurries but temperatures of zero and possibly lower were prevalent Friday night and again Saturday. Some warming is felt this Monday.

The ladies of the W.M.U. met at the regular time last Tuesday with the pastor, Sealy Smith, bringing Bible Study to the group. Those present were Mmes. Sealy Smith, Doodle Milton, L. T. Wood, Harold Hamn and Frank McClure. The W.M.U. will meet this Tuesday with a business session on the agenda.

The young ladies of the church are to meet this Tuesday, Feb. 1, for Bible Study. The ladies hope to organize a regular Bible Study group and plan to meet the first Tuesday morning of every month at 9:30 a.m. Meetings will be at the church and everyone interested is cordially invited to enjoy the fellowship. Mrs. Nathan Mulder is in charge of the first meeting.

Everett Collier of Floydada

is home now and recovering nicely after being seriously ill in the Lubbock hospital. Mrs. Collier is a niece of Mrs. Ernest Smitherman, formerly of this community.

Mrs. Sylvia Kinnibrugh and daughter Beth were in Paducah on Tuesday of last week.

Mr. and Mrs. Raymond Reeves and Mrs. Noel Deavenport were in Lubbock on business last Friday. Little Carl David Reeves has been sick again.

Mrs. L. T. Wood, Mrs. Sealy Smith and Mrs. Nelda Maurer attended the Associational W.M.U. meeting held last Thursday in Floydada at the First Baptist Church. The meeting was held from 9:00 a.m. until 2:00 p.m. Mrs. Hope Owens brought the main address for the meeting.

The South Plains P.T.A. will meet Friday, February 4th at 2:45. Mrs. Rice's third and fourth grades will present a program on patriotism. Everyone is urged to be present for this program.

Mr. and Mrs. Don Marble had her folks, the R. L. Hollands of Lockney, Robert Holland and Mary Miller of Lubbock as dinner guests Sunday in their home. Robert Holland and Miss Miller are students at Texas Tech this year.

Mrs. R. L. Powell of Plainview fell last Tuesday on the ice and broke her hip. Mrs. Powell is the aunt of Mrs. Don Marble here. Mrs. Marble and her mother, Mrs. R. L. Holland were present Tuesday for the surgery required on Mrs. Powell's hip. She is resting comfortably now.

Mrs. J. P. Taylor's father, W. W. Merrill of Quitaque is a patient in the Plainview hospital. He is suffering from pneumonia. Mrs. Taylor has been with her father much of the time.

Mrs. Ruby Lee Higginbotham spent Saturday night with her aunt, Mrs. Sarah Beard of the Cedar Hill Community.

Mr. and Mrs. Don Bean, Mike and Judi were visitors Sunday in the home of Mrs. Bean's parents, Mr. and Mrs. C. G.

Cobb of Tulia. They came back by Silvertown and visited Don's mother, Mrs. J. K. Bean.

Little Kenneth and Lori Young, children of Mr. and Mrs. Travis Young, were unable to have their tonsils removed last Friday as was planned. Lori had contracted a new infection. They are scheduled for the tonsillectomies this Friday, provided both children are free from infection.

Mr. and Mrs. Sylvain Kinnibrugh had their daughter and family, Mr. and Mrs. Teddy Horne of Lubbock as weekend guests. Friday, Jan. 28th was Marilyn's (Mrs. Horne) birthday and the family celebrated the occasion with dinner in Plainview Saturday night. Sunday lunch guests in the Kinnibrugh home were Mrs. Kinnibrugh's sister and husband, Mr. and Mrs. Ray Dillard of Lockney.

Mr. and Mrs. Roy Helms and children were weekend guests in the home of Mr. and Mrs. R. H. Adams. Roy is Mrs. Adams' nephew.

Mr. and Mrs. George Weast were guests in the home of Mr. and Mrs. Frank McClure

ONE-CAR MISHAP - Bill Fewell of Lockney was injured Wednesday morning when this car overturned just south of Muncy on U. S. 70. According to reports Fewell obviously lost control of the car and it overturned. He was treated at Lockney and transferred to a Lubbock hospital. (Staff Photo)

SOIL CONSERVATION NEWS

Mesquite Remains Problem In Co

In the picture above, SCS Technician Truman Gregory holds a mesquite root 22 feet in length and 1/2 inch in diameter where broken off at the end. This root, attached to a six foot mesquite tree which has been dozed, shows how far the tree was reaching out for moisture.

Mesquite remains a problem on many acres of pasture and rangeland in the Floyd County Soil and Water Conservation District. Part of the problem stems from a need to follow up on control measures that have been carried out in the past.

Although a lot of mesquite has been sprayed and tree-dozed in the District, it should not be viewed as strictly a one-time-over operation. According to the Soil Conservation Service,

the management of mesquite is a long-term job. Only in the most infested areas should the mesquite be sprayed or dozed. In other areas, the mesquite should be controlled by other means.

Only in the most infested areas should the mesquite be sprayed or dozed. In other areas, the mesquite should be controlled by other means.

Only in the most infested areas should the mesquite be sprayed or dozed. In other areas, the mesquite should be controlled by other means.

Dinner Meet Held By 4-H Adult Leaders

The 4-H Adult Leaders Association held a dinner meeting at Roger's Restaurant Tuesday night, Jan. 25, with 42 in attendance. The event was sponsored by Lighthouse Electric.

Joe Wilson, county agent and Sherry Mullin, HD agent, discussed county eliminations. In the 4-H year book dates for the county and district eliminations are incorrect. The correct dates are March 26th for county and April 23rd for district.

Miss Mullin discussed organization of Floyd County 4-H Adult Leaders Association and electing officers. Peggy Probasco made the vote to elect officers and organize.

Officers elected were Gene Probasco, president; Kenneth Willis, vice president; Wilma Colston, secretary.

It was voted to meet quarterly and keep the same program as printed in the year book.

The announcement was made of the District 4-H Adult Training session at Plainview on March 11th, at 9:30 a.m.

Hospital Auxiliary To Re-Organize

The Floydada Hospital Auxiliary will hold a re-organizational meeting Tuesday morning, Feb. 8th in the community room of the First National Bank at 10 o'clock. All members are urged to be present and others interested in joining are welcomed.

The installation of new officers will be held and plans will be made for the heart fund drive. Those to be installed include Mrs. Jimmy Willson Jr., president; Mrs. Jack Henry, first vice president; Mrs. Kinder Farris, third vice president; Mrs. A. L. Wylie Jr., secretary and Mrs. Roy Bledsoe, treasurer.

The bride, given in marriage by her father, wore a formal gown of white velvet fashioned with an oval neckline and petal point bodice. The front bodice waistline and bell shaped skirt were accented by motifs of re-embroidered peau d'ange lace. The chapel train fell from a natural waistline. She wore a tiara of seed pearls attached to a shoulder length veil and carried a white Cattalaya orchid surrounded by white butterfly rosebuds and showers of royal blue maline and white satin leaves.

For something old, the bride wore a pearl and diamond necklace belonging to her mother, something new was her wedding gown, something borrowed was her tiara and something blue was the traditional blue garter.

Miss Phyllis Mitcham of Dallas was maid of honor and Mrs. Murrell Stephens of Floydada was matron of honor. Each were attired in floor length dresses styled with empire bodices of onyx blue velvet featuring portrait neckline and elbow length sleeves. Sheath skirts of shadow blue crepe were enhanced by flowing back panels and corded waist lines. They wore onyx blue velvet headpieces with double veils, and carried candles in white milk glass holders surrounded by cascades of white butterfly rosebuds and royal blue maline trim.

Robert Hardage of Dallas, brother of the groom, was best man. Groomsman was also a brother, DeWayne Hardage of New Boston and ushers were Max Rucker and Mark Goen, brother of the bride, who also served as candle lighters.

Miss Margaret Moss of Floydada, organist, accompanied Miss Melody Koepsel of Mathis, as she sang "Whither Thou Goest" and "The Wedding Prayer."

A reception followed in Fellowship Hall. The bride's table held a five branch candelabra bearing white tapers and a centerpiece formed with the attendants' votive candle bouquets.

For traveling to Colorado Springs, Colo., where the couple will reside, the bride selected a navy linen suit with matching accessories and the orchid from her bridal bouquet.

Mrs. Hardage is a graduate of Floydada High School and attended Texas Tech three years. She has been employed by Lubbock Auto Co., Inc. Her husband is a graduate of Maud High School and received his B. S. degree in electrical engineer-

(former Melinda Goen)

Melinda Goen, Phillip Hardage Wed In Candlelight Ceremony

Miss Melinda Anne Goen became the bride of Phillip Kent Hardage of Maud, Tex., in a candlelight ceremony read Saturday evening at 7 o'clock in the First Christian Church in Floydada.

Rev. Houston Dixon of the Presbyterian Church in Floydada, performed the ceremony in the absence of Paul Fullerton of Abilene, former pastor of the Christian Church, who was unable to be here due to weather conditions.

Parents of the couple are Mr. and Mrs. W. W. Goen of Floydada and Mr. and Mrs. Phillip Morgan Hardage of Maud.

A black wrought iron screen covered with foliage, flanked by a pair of candelabra covered in a cascade arrangement of white pom pom mums and foliage formed the wedding background. Matching candelabra with cascading arrangements and aisle posts with white satin ropes leading to a white kneeling bench completed the setting.

The bride, given in marriage by her father, wore a formal gown of white velvet fashioned with an oval neckline and petal point bodice. The front bodice waistline and bell shaped skirt were accented by motifs of re-embroidered peau d'ange lace. The chapel train fell from a natural waistline. She wore a tiara of seed pearls attached to a shoulder length veil and carried a white Cattalaya orchid surrounded by white butterfly rosebuds and showers of royal blue maline and white satin leaves.

For something old, the bride wore a pearl and diamond necklace belonging to her mother, something new was her wedding gown, something borrowed was her tiara and something blue was the traditional blue garter.

Miss Phyllis Mitcham of Dallas was maid of honor and Mrs. Murrell Stephens of Floydada was matron of honor. Each were attired in floor length dresses styled with empire bodices of onyx blue velvet featuring portrait neckline and elbow length sleeves. Sheath skirts of shadow blue crepe were enhanced by flowing back panels and corded waist lines. They wore onyx blue velvet headpieces with double veils, and carried candles in white milk glass holders surrounded by cascades of white butterfly rosebuds and royal blue maline trim.

Robert Hardage of Dallas, brother of the groom, was best man. Groomsman was also a brother, DeWayne Hardage of New Boston and ushers were Max Rucker and Mark Goen, brother of the bride, who also served as candle lighters.

Miss Margaret Moss of Floydada, organist, accompanied Miss Melody Koepsel of Mathis, as she sang "Whither Thou Goest" and "The Wedding Prayer."

A reception followed in Fellowship Hall. The bride's table held a five branch candelabra bearing white tapers and a centerpiece formed with the attendants' votive candle bouquets.

For traveling to Colorado Springs, Colo., where the couple will reside, the bride selected a navy linen suit with matching accessories and the orchid from her bridal bouquet.

Mrs. Hardage is a graduate of Floydada High School and attended Texas Tech three years. She has been employed by Lubbock Auto Co., Inc. Her husband is a graduate of Maud High School and received his B. S. degree in electrical engineer-

Miscellaneous PTA To Meet Shower Honors February 9

Melinda Goen

Melinda Goen, who was married Saturday evening to Phillip Hardage, was feted on January 20 with a miscellaneous shower in the home of Mrs. Pete Hickerson.

Guests were received by Mrs. Hickerson and presented to the honoree and her mother, Mrs. W. W. Goen.

Mrs. Murrell Stephens was at the guests register.

Mrs. Ralph Rucker served hot spiced tea and coffee from a silver service, along with cookies, mints and nuts.

The table was covered with a crocheted cloth and centered with an arrangement of blue and white flowers flanked by a five branch candelabra.

Hostesses assisting Mrs. Hickerson were Misses Carolyn Cunningham and Kay Taylor and Misses Harry Morckel, Tom Hutchins, Bill Womack, J. B. Colston, Ralph Rucker, L. D. Britton, C. N. Walding, Murrell Stephens, Bud Sparks, Woodrow Badgett and Bill Phillips.

Their gift to the honoree was a complete set of Teflon cookware.

Sweetheart

Banquet Held

The 1962 Jr. Study Club met Tuesday night in the community room of the First National Bank for their Sweetheart Banquet. Rev. Floyd C. Bradley, minis-

The Parent-Teachers Association of Andrews Ward will hold their meeting Wednesday, February 9 in the music room of the school.

Mrs. Thomas Warren is to be program chairman. Music entertainment will be furnished by the 5th grade. First prize winning girl and boy from each 5th grade class will read 100 word essay on "What America Means To Me."

Each member introduced their husbands, then told how they first met.

Mrs. Elmer Dean Williams read the quote which was "Speak Low If You Speak Love," by Shakespeare.

The meeting was turned over to Mrs. Melvin Lloyd who introduced Rev. Bradley. He spoke on "The Christian Home."

A buffet style supper was served to Mr. and Mrs. Harvey Allen, Mr. and Mrs. Gary Batte, Mr. and Mrs. Mike Carver, Mr. and Mrs. Melvin Lloyd, Mr. and Mrs. Delmas McCormick, Mr. and Mrs. Bill Hicks, Mr. and Mrs. Henry Watson, Mr. and Mrs. Elmer Dean Williams, Mr. and Mrs. Dean Morris, and guests, Rev. and Mrs. Floyd Bradley.

The next meeting will be Feb. 15 with Mrs. Jack McIntosh as guest speaker.

It was announced that the club will have a bake sale at Piggly Wiggly from 9 until 11:30 a.m. and then from 2:30 until 5:30 p.m. on Feb. 9.

Beauty Tips

MRS. AUSTIN HOLMES

FOUR NECESSARY STEPS IN SKIN CARE

STEP 1 CLEANSING - CREAM OR LOTION
Why Cleansing is Necessary: Sebum, sweat, make-up and dirt clog the pores and have to be removed carefully and thoroughly with a cleansing preparation, reaching deep down into the pores. A cleansing product should be used each NIGHT and each MORNING.

STEP 2 TONING-SKIN LOTION OR ASTRINGENT
Why Toning is Necessary: A toning lotion should ALWAYS follow cleansing in order to remove every remainder of cleanser and make-up and prepare skin for conditioning at night and make-up in the morning. In addition, each toning lotion has a specified purpose such as - refreshing and stimulating for normal and dry skin; astringent for oily and problem skin.

STEP 3 CONDITIONING
Why Conditioning is Necessary: Natural skin oils and moisture diminish with the years and have to be replenished to keep the face young looking and postpone the formation of expression lines. DRY SKIN has a deficiency of oils and moisture and needs proper conditioning at an early age to prevent formation of expression lines. OILY SKIN needs moisture to balance excessive oiliness. EVERY SKIN type needs lubrication around eyes - the driest area in the face.

STEP 4 MOISTURIZING
Why Moisturizing is Necessary: Over heated homes, offices, cold winds and summer heat strip away moisture. As we grow older, our sweat glands produce less moisture, but moisture is essential for a young looking skin and has to be replaced. A moisture product should be used under make-up by every skin type (except problem skin).

This is our last step in skin care and the first step preparing for the application of make-up.

STAR ☆ BRIGHT

When Millie goes to bed she stops by the stairway window to say good night to her favorite star. It twinkles in the frosty evening sky, and to me it seems remote and cold. But to Millie, the star is a warm and glowing friend. It's just a matter of viewpoint. A grown-up sees through the eyes of experience. The child gazes through the eyes of innocence. And as we all know, it isn't easy to exchange our experience for innocence again.

Yet, this is exactly what many of us need to do. Many of us need a new approach, a new look at the old things, the old truths. We need to open our eyes, and let ourselves see; to open our ears, and let ourselves hear.

There is no better place to discover this new approach than in your church. In church next Sunday you will find a new point of view. Let yourself see, let yourself hear. You will be surprised at the results.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

LUBBOCK CHRISTIAN COLLEGE A CAPELLA CHORUS

LCC A Capella Chorus Coming Tomorrow Night

Lubbock Christian College A Cappella Chorus under the direction of Joe Godfrey, will present a program of religious music Friday night at the City Park Church of Christ.

The fifty-one member singing group will stay in homes of the local church members wherever they travel.

This group, which is now on tour will stop over night enroute to Tipton, Okla. and other points of their mid-term engagements.

No admission will be charged and no collections will be taken at the church. "This will be a professional rendering of the best of religious music in an A Cappella style and will be a great inspiration to those present," according to Geo. Elkins, local minister of the Church.

The public is cordially invited. The concert will begin promptly at 7:30 this Friday night.

Cold Snap Hurts Vegetable Crops

The cold snap that has paralyzed much of the nation extended to the coast, but so far, the citrus crop is safe. Safe, also, is the cabbage, carrots, lettuce and onions, but the melon crop was wiped out.

Some of the tomato crop is safe, but tomatoes continue to come in from Old Mexico at a big price.

If we had gathered mature tomatoes here just before the first freeze last fall, and placed them in storage, they would have brought more money than all the rest of the tomato crop. It would have paid for a storage house in one or two seasons.

Old Mexico ice box size melons are bringing 15¢ a pound wholesale in this area.

Considering the population explosion, if there ever was a time when the South Plains should start thinking about raising vegetables, it is NOW.

First, however, it is a very hazardous business, but everyone knows we can raise unlimited quantities of vegetables, of the best quality.

The next thought is marketing. It is all important that we arrange for market before we plant vegetables. We must select our markets and arrange for a broker at each market.

And if we grow sufficient quantity here, we must have a broker here.

The opportunity is wide open. Let's think this out carefully. I can be helpful from a marketing standpoint.

POLL TAX

constantly urged people to pay their poll taxes, but this seemed to have little effect.

LICENSE PLATES

The new license plates for Floyd County vehicles went on sale here Tuesday morning. Several personalized plates were ordered by local residents. The personalized plates are luminous, that is, they shine in the dark.

This year the plates are black with white numerals. The numbers include the following: BYP 750-999, BYR 10-999, BYS 10-999, SYT 10-999, BYV 10-999 and BYW 10-999.

FINAL

at Ben Ayres' law office.

Anyone who desires to have his name placed on a ballot in the April 2 hospital and school election, must present a petition to the present board bearing the names of 28 qualified voters in the hospital district who support such a candidacy.

The only one who has filed for a candidacy on the district level is Mary McPherson who is seeking re-election as District Clerk.

On the county level, Judge J. K. Holmes is seeking re-election, Troye Stansell is seeking re-election as County Treasurer, Bill McNeill is seeking re-election to the position of Commissioner of Precinct 4, and S. J. Handley is seeking a full-term election as Justice of the Peace, precincts, 1 and 4. He is presently filling out his term of Ed Griffin, who retired from the office recently.

Other offices whose terms expire are: two positions on the school board, two on the hospital board, three city council positions, and commissioner of Precinct 2. Also, a complete slate of state officers, one U.S. Senator and one U.S. Representative will be elected this year.

Lockney Youth Critical After Car Accident

Bill Fewell, 17 year old son of Mr. and Mrs. W. H. Fewell of Lockney, remained in critical condition in intensive care ward in Lubbock Methodist Hospital yesterday where he was taken after being injured in a one car turn-over at Muncy, about 8:50 a.m.

The youth, traveling alone, and driving a 1957 four-door Chevrolet, sustained a severe head injury, broken arm and numerous cuts and bruises. He was taken to Lockney General Hospital by Moore ambulance, and following emergency treatment was transferred to Lubbock by Carter ambulance, accompanied by a doctor.

Highway patrolmen Fred Lenz and Gerald Howard who investigated the accident, said the youth's car was a total wreck. It was not learned what caused the mishap.

He is a brother to the former Vivian Fewell, who is married to Harold Snell, son of Mrs. G. M. Armstrong of Floydada. The Snells, former Floydada residents, now reside in Plainview.

FLOYD WEBB HAS EYE SURGERY

Floyd Webb is back in Methodist Hospital in Houston where he underwent another operation for a detached retina on the right eye Monday. Webb went back for his regular check-up for the past operation, at the hospital over the weekend and the trouble was found.

Mrs. Webb, who is with her husband, said he would have to remain in the hospital some ten days. He is in room 587.

FLOYD DATA

Walter Baxter, who has been confined to Lockney General Hospital the past week, was transferred to Lubbock Methodist Saturday after suffering what was believed to be a second stroke.

His condition was reported serious yesterday by members of the family.

Student Council Will Sponsor Chili Supper

Floydada High School Student Council is sponsoring a chili supper on February 11 at the high school cafeteria. Serving will begin promptly at 5 p.m. and will continue until 7 p.m.

Following the supper everyone is invited to attend the basketball game between Dimmitt and Floydada at Junior High.

Tickets for the chili supper will be 50 cents for everyone, all you can eat.

Everyone is invited to come out and enjoy a good meal and a good ball game.

FLOYD DATA
Sherry Burns, Tech student and daughter of Mr. and Mrs. Leroy Burns of Floydada, received treatment for a head gash and bruises Tuesday afternoon in Lubbock following a car accident.

COZBY

CONIT FROM PAGE 1
the attending physician said. Funeral rites were conducted Tuesday afternoon in the First Baptist Church in Floydada, of which the deceased was a member. Rev. Floyd C. Bradley officiated and was assisted by the Rev. I. D. Walker, pastor of the Highland Baptist Church in Lubbock where Mrs. Cozby was a former member.

Mrs. Cozby was born in Parker County, Tex., on Nov. 5, 1893. She came to Floyd County with her parents, Mr. and Mrs. G. M. Bullard at an early age and attended schools in the Fairview Community where she and her late husband lived until his death in 1958.

Afterward Mrs. Cozby moved to Lubbock where she resided until moving to Floydada some nine months ago. Della Bullard and L. B. Cozby Sr., were married in 1913.

Survivors include a son, L. B. Jr., of Floydada; four daughters, Mrs. Perry of Floydada, Mrs. Grady Reeves, Plainview, Mrs. T. C. Goodman, Lubbock and Mrs. Don Bransom of Richardson; 13 grandchildren and two great grandchildren; her mother, Mrs. G. M. Bullard

of the Ralls Convalescent Home; three sisters, Mrs. J. L. Landrum, Tucumcari, N. Mex., Mrs. J. C. Crabtree, Lubbock, and Mrs. L. E. Crabtree, Floydada; four brothers, Mitt and Gordon Bullard both of Lubbock, J. C. of Floydada and Preston of Portales, N. Mex.

Interment was in Floydada Cemetery under the direction of Moore Funeral Home.

Palbearers were Walton Wilson, Chli McClure, Doyle Walls, Charlie Perry, Bob Reeves and Harry Reeves.

Retail Trade Committee Meet Today

Parnell Powell has called a special meeting of the Retail Trades Committee for 10 a.m. Friday morning in the Community room of the First National Bank.

Purpose of the meeting is to discuss a city-wide George Washington Birth Day promotion. All retail merchants in Floydada are urged to attend this meeting.

WINDS LOSE TO LOCKNEY, ABERNATHY

Whirlettes Retain District Lead

The Whirlettes downed Abernathy and Lockney during the last week's action to remain undefeated in district play and stand with an impressive 6-0 league record. The Whirlwinds lost games to both Abernathy and to Lockney to stand 2-4 in district competition.

The Whirlettes completed the first round of district competition without suffering a defeat, but the Whirlwinds lost their third game of district play when the teams traveled to Abernathy Friday of last week. The girls won their game 47-33 and the boys lost by a

74-44 margin. The defensive effort on the part of Linda Rucker, Peggy Switzer, and Nona Pernell spelled the difference in the two girls' clubs, for going into the final two minutes the Abernathy team had managed a mere 29 points.

After the first quarter of nip-and-tuck playing the score stood 11-9, Floydada, but in the second period the Whirlettes pulled well ahead while the Abernathy forwards were contained to only four points. Floydada added another 11 to lead 22-13 at halftime. After the intermission the story was very much the same as the Whirlettes added another 11 points to their cause and allowed Abernathy 8. The Whirlettes went on to win the game by a 47-33 mark.

Shirley Rainer led in the scoring with 26 points. Patsy Pierce and Sally McIntosh each added 10 points to the cause. Mary Davis led Abernathy in scoring with 23 points.

Triangular Cinder Meet To Highlight Tech's 1966 Track, Field Schedule

LUBBOCK - A triangular meet with Texas A&M and Baylor here April 23 highlights Texas Tech's 1966 track and field schedule announced today by Coach Vernon Hilliard.

The schedule:
Feb. 11 - Will Rogers Indoor Games, Fort Worth;
Feb. 12 - Dallas Indoor Invitational, Dallas;
March 5 - Southwestern Recreation (Varsity and Freshmen), Fort Worth;
March 12 - Border Olympics, Laredo;
March 19 - West Texas Re-

lays, Odessa;
March 26 - Triangular (Arlington State, McMurry, and Texas Tech), Lubbock;
April 1-2 - Texas Relays (Varsity and Freshmen), Austin;

April 7 - Triangular (Arlington State, Texas Christian, and Texas Tech), Arlington;

April 23 - Triangular (Baylor, Texas A&M, and Texas Tech), Lubbock;
April 30 - Wayland Invitational (Varsity and Freshmen), Plainview;
May 6-7 - Southwest Conference (Varsity and Freshmen), Austin.

Chili Supper Planned At Friona School

Most West Texans like to eat chili, particularly when the temperature has been as low as it has the last couple of weeks, and for those people the Black Community at Friona is sponsoring a Chili Supper there tomorrow night. The event is planned for from 5 until 10 p.m. at the Friona School Cafeteria. The cost is \$1.25 for adults and 75¢ for children. Pies included on the menu. One of the sponsors of the meal, when reporting to a Hesperian reporter said, "We want to give all the people from Floydada a good welcome when they come to see the basketball games here Friday night." The Floydada basketball teams travel to Friona tomorrow night in the second game of the second round of conference play.

7th Grade Boys Take Second In Matador Tourney

The 7th Grade Boys basketball team, entered in an eighth grade tournament at Matador this past weekend, came out of three contests with a second place trophy. The boys defeated Turkey in a squeaker 39-38 in the first round then blasted Roaring Springs 54-12 to gain the finals. In the final game the locals fell to Matador 55-30. The girls had a little misfortune and lost the first two games to be out of the tournament. The team was defeated by Turkey 26-16 and by Matador 21-14 to be out of the tournament. The girls relied on the talents of Andy Hale, Mike Simpson and Steve Puckett, mainly, to gain the second place trophy.

pushed the local girls into a 22 point lead, but this was closed to a 39-22 margin going into the final period. The Lockney girls continued to close the gap during the closing minutes but never got closer than within 12 points of the Whirlettes. The game ended with Floydada in the lead 51-39. Outstanding defensive work was done by the Whirlettes in holding the Lockney score down. Linda Rucker grabbed 15 rebounds to pace the defensive action. Shirley Rainer got 10 rebounds.

Rainer led in scoring with 26 points, followed by Sally McIntosh who hit 13. Jackie Durham hit 27 points for Lockney.

In the boys game the two teams fought on even grounds for three and a half quarters, but Lockney pulled far out of reach after that time and went on to

FHS Cagers Take To Road, Della Plains Plays Here

The Floydada High School basketball teams will take to the road for their next two games, while two Della Plains teams will host Dunbar here tonight in the regular season finale. The Winds and Whirlettes will travel to Friona tomorrow night for a district contest and the following Tuesday will play at Olton. Both these girls teams pose a threat to the undefeated Whirlettes, for both have been district contenders until recently. Olton is in second place. The Winds fell to the Friona boys in the first round of play by only six points. The Della Plains boys varsity and B teams will host Dunbar here tonight, with the B game beginning at 7 p.m. and the varsity game following immediately. The Dunbar Panthers are undefeated in AAA competition and have won their district this year. Della Plains finished second in their district in Class B. Earlier in the year the Hornets fell to Dunbar by only eight points. A make-up game with Quanah will be played before the cage season closes at Della Plains.

The Longhorns took a 4-0 lead before Floydada scored then went on to take a 10-2 lead with 2 1/2 minutes left in the quarter. After the first eight minutes, and after a Whirlwind rally, the quarter ended with the scoreboard reading 11-8, Lockney.

In the second quarter, with 2 1/2 minutes left the Winds were trailing by only two points, 16-14. The half ended in an 18-18 tie.

After the intermission the visiting Longhorns took an early 20-18 lead but with 5 1/2 minutes left in the quarter the Winds were back in the game and the score was 20-20. The Longhorns began to move ahead and with 2 1/2 minutes left the visitors owned a 27-23 advantage and were leading 31-27 going into the final eight minutes.

In the fourth quarter the Winds closed the gap once again and were trailing by only two points with 5 1/2 minutes left. Immediately after that the Longhorns began to pull ahead and ended the game leading 50-38.

Tommy Weatherbee hit 10 points to pace the losers and Marler had 8. Eugene Mathis led Lockney with 22 points.

Two directors were named by the Lockney Teen-Age Baseball Assn. during a general meeting here. Garvin Beedy was re-elected and L. N. Johnson was elected to

Bible Baptist Resumes Revival This Thursday And Friday Nights

Because of very bad weather week before last, the Bible Baptist Church called off the last night of their Revival Meeting. The Evangelist, the Rev. M. O. Garner will come back two nights this week, Thursday and Friday nights.

Rev. Garner is a world traveler, speaker on Communism, preacher and also a pastor of one of the larger churches in Amarillo. He has traveled the world over in speaking and preaching engagements. He visited in Rome and had an audience with Pope John before he died, and he took many pictures which he will show. He also visited the Holy Land and he took pictures of the important places. He will show these color films as he brings the message on Friday night.

Hundreds of people have been converted in the last three years with this message and films. Thursday night he will bring a prophetic message entitled, "The End Time" and "The Marriage Supper of the Lamb." Both of these messages are very important and timely in these times in which we live.

Bro. Rhine, pastor of the Bible Baptist Church stated that they had 61 visitors during the four nights week before last, despite the bad weather, and two of these visitors were converted. Everyone, regardless of church affiliation, has been invited to attend these two nights of Bible messages. Starting time both nights will be 7:30 p.m.

replace M. A. Ulmer, who served the association as vice president last year. Both men will serve a one-year term.

Other directors are Bill Fewell, president; Thurman Davis, secretary-treasurer; John Bickley, G. B. Johnson Jr. and Ray Sissney.

A directors meeting will be conducted soon to elect new officers.

Plans were laid for a fund drive to be headed by Conrad Henderson. Directors hope to raise \$4,500, which would enable them to make further improvements on the baseball park and to clear all indebtedness. The park is equipped with mercury vapor lighting and other modern features.

The association was organized in early 1965 with four junior league and two senior leagues. The senior teams participated with teams from Floydada and Matador.

M. O. GARNER

Upholstery Shop To Open Here

A new upholstery business, "Bill's Custom Upholstering" is open for business in Floydada. Until the business can secure a building, business contacts can be made through the local manager of the business, Mrs. Louis Jones.

Mrs. Jones lives at 503 S. Wall and her phone number is YU3-3525. Mrs. Jones said that she has her sample books and is ready to estimate jobs on auto, furniture upholstery, tarp work and other custom upholstering jobs.

Mrs. Jones is experienced in this type business and the craftsmen who will be doing the work have over 20 years of experience.

The Hesperian will announce business location of the firm when a location has been secured and equipment installed.

POTETS HAVE SURGERY

Mr. and Mrs. Calvin Potet both remain in Plainview Medical Center where they are recovering from surgery. Mrs. Potet had surgery Monday on her leg for varicose veins and her husband had surgery for a double hernia some two weeks ago. Both are reported convalescing nicely.

Their daughter, Mrs. Laverne McCarty of Lockney, also underwent major surgery in the same hospital some two weeks ago and was able to return to her home Monday.

BY PLAINS COTTON GROWERS

Wrap-Up Of 1965 Cotton Crop Given

LUBBOCK, Friday, January 28, 1966 - Plains Cotton Growers, Inc., this week compiled and released its seventh and final quality report on the 1965 season cotton crop from the High Plains. The report covers the 2,079,000 bales classed through Friday, January 21, well over 90 percent of the estimated 2,273,000 bale crop.

The report shows a small improvement in both grades and staple lengths for 1965 but reveals a disappointing decline both in pressley strength and micronaire readings.

The 1965 crop graded 60.8 percent white cotton, with 18.0 percent middling white and above in 1964. Light spots this year totaled 36.4 percent of the crop as opposed to 34.0 percent last year. Only 1.9 percent of the 1965 crop was graded full spot while 2.4 percent fell in this category in 1964.

There was a big difference in the percentage of cotton in the

"all others" class (including tinged, yellow stained, light grays and grays). Last year 6.3 percent of the crop fell in these classes, but this year the figure dropped to 1.0 percent.

Staple average for the 1965 season came out to 30.2 thirty-seconds of an inch as compared to last year's 30.1 thirty-seconds average. Added significance accrues to this gain of only one-tenth of one thirty-second of an inch when it is noted that it came on top of a gain last year of three-tenths of a thirty-second over the 1963 crop. Also notable is the fact that 8.2 percent of the 1965 crop, or about 180,000 bales, pulled one inch or longer. Last year only 5.8 percent, about 110,000 bales, measured one inch or more.

In addition, there has been an estimated 40,000 to 50,000 bales from the Plains which went directly to consuming mills, bypassing the classing

office, and it is believed that most of this cotton was in the one inch plus staple range. More bales of this longer stapled cotton is one of the things cotton marketing experts have indicated the area needs in order to broaden the base of its markets.

Pressley, or fiber strength average of the 1965 crop dropped to 78,300 pounds per square inch from the 1964 average of 78,800 pounds per square inch. Only 69 percent of the crop was 75,000 psi or stronger as compared to 73.4 percent in that range last year.

The quality factor which perhaps has attracted more attention than any other this year in the area is micronaire, or fiber fineness. The reason for this is tied directly to the cotton producer's pocketbook.

In the past only those bales which sold into commercial trade channels were discounted in price because of poor micronaire. But this year for the first time premiums and discounts for micronaire were written into the government loan schedule to reflect on the price of every bale.

This fact, coupled with the fact that micronaire readings on the High Plains crop of 1965 hit the lowest average since 1961, has almost made micronaire a dirty word on the Plains.

Average micronaire on this year's crop came to only 3.4, compared to 3.7 in 1962.

Total dollar loss to High Plains farmers due to micronaire readings, including loss on cotton sold and cotton going into the loan, is estimated at over \$4 1/2 million. This figure was arrived at by using the percentage distribution figures from PCG's quality report and applying those percentages to a rounded total production 2.5 million bales.

Micronaire readings of 3.5 and above are considered in the "tenderable" range, and only 45 percent of the High Plains crop in 1965 came up to that standard. In 1964 the percentage in the 3.5 and above range was 65.4 percent.

Micronaire, essentially, is a measurement of cotton fiber maturity, and a lack of maturity can be caused by a variety of factors. On the Plains, it has normally been the case that low micronaire was caused by an early freeze, late irrigation, early defoliation or a combination of these factors.

But in 1965, researchers lay most of the blame on September rains and a late freeze which permitted plants to put on and develop an abnormally large "top crop." And while the exceptionally long growing season allowed these bolls at the top

of the plants to open, they were composed of highly immature fibers, bringing down the average of the entire crop.

On the other hand, increased production under these conditions undoubtedly made up for the loss caused by low micronaire on at least some farms.

The incorporation of micronaire premiums and discounts into the government loan schedule has been in the offing for several years, but producers on the Plains, working through Plains Cotton Growers, Inc., vigorously protested this being done on October 31 this year in the middle of the beltwide harvest season. Unfortunately, such protests were to no avail.

Also, Plains Cotton Growers is disputing with the Department of Agriculture the establishment of such severe discounts for low micronaire cottons. Spinning tests by PCG have consistently shown that the decline in quality of yarns spun from low micronaire cotton, say in the 2.7 to 2.9 range, is not sufficient to justify a discount of 165 points - \$8.25 per bale - as is now imposed.

James Parker, PCG Textile Consultant, states: "Micronaire affects both spinning performance and yarn quality. And certainly low micronaire cotton, when that low micronaire is caused by immaturity as is usually the case here, reduces these factors. But for mills spinning the coarser yarns the performance and quality difference is not nearly so great as the loan schedule discounts would indicate. In fact, a 300 point discount for cotton making 2.6 and below and a 165 point discount for cotton in the 2.7 to 2.9 range is simply giving some mills a bonanza at the ex-

pense of the farmer." Additional studies on the spinning of low micronaire cotton are planned by PCG this year. And these should provide additional

facts valuable in the continuing effort to persuade the USDA to adopt a more equitable treatment of micronaire in the loan schedule.

Administrator Of Public Works Given Citation For Accomplishments

The highest State department citation for professional operations performance has been awarded to L. Haney, director of public works for the city of Shirley, Mo.

Haney obtained this top certification on his own time and at his own expense in order to increase his efficiency as a key public servant.

Haney has more than a decade of water systems experience with his credit.

For a "C" classification, a person must have one year's experience with water works plus 40 years of related study courses, or 2 years' experience plus 20 hours of related study courses or three years' experience with water works.

An "A" Classification requires eight years' experience with water works, 120 hours of school, or a degree in science or civil sanitation.

A rigid examination must be passed by persons reaching any of these classifications. Every employee of the Floydada Water Department has at least a "C" Classification.

To retain the classifications, a person with "C" Classification must take 20 hours of study courses every three years, "B" Classification must take 50 hours of study courses every five years, and the "A" Classification is perpetual.

Mother Of Mrs. Edwards Dies

Funeral services for Mrs. H. N. Porterfield, 84 year old mother of Mrs. Earl Edwards, were conducted Tuesday, Jan. 25th in the Center Street Methodist Church in Tucumcari, N. Mex. Rev. Burton Dennis, pastor officiated.

Mrs. Porterfield died Sunday, Jan. 23 in a Springer, N. Mex. hospital. She had been in failing health for some time but her final illness was brief. Mrs. Porterfield was preceded in death by her husband, Sept. 6, 1932. Both were former residents of Floydada.

The daughter of a pioneer minister, Mrs. Porterfield had been active in Methodist Church work for more than 70 years.

Interment was in Tucumcari Cemetery by the side of her husband.

Survivors include three sons, J. V. of Petersburg, Harold of Roy, N. Mex., and Fred of Santa Fe; four daughters, Mrs. Herman Hardin, Sweetwater, Mrs. L. C. Marr, Atlanta, Ga., Mrs. John Spiegelmirre Jr., Tucumcari and Mrs. Edwards of Floydada. Also surviving are 18 grandchildren, 38 great grandchildren, three sisters and two brothers.

YF Program On Dry Lot Feeding Slated Tonight

The regular meeting of the Floydada Young Farmers Organization will be held tonight in the Agriculture Room of the High School building at 7:30 p.m. The program will be on Dry-Lot Feeding.

A representative of the Spur Experiment Station will present the program and will talk on concentrate feeding versus roughage and the two of them versus pasture fed animals.

All interested persons are invited to attend the meeting.

Appreciation Dinner Reset

Appreciation Dinner honoring Andy Rogers that was scheduled for tomorrow night, Feb. 2, had to be rescheduled because of the winter's most severe weather.

The barbecue dinner will begin at 7 p.m. at the Hale County Agriculture Center. All tickets previously purchased will be honored.

Brother Of Mrs. Mayfield Dies

(By Mrs. O. G. Mayfield) William Odell Adams, born Jan. 15, 1919 in Hill County, Texas, brother of Mrs. O. G. Mayfield of Floydada, died at 3 p.m. January 27 in the hospital room in Littlefield where his late father, W. F. Adams, died just three years ago, both of cancer.

Odell moved with his parents to Lamb County in 1929. The family bought and still lived on the south part of the old Spade Ranch. Odell bought a farm 12 miles from his father when he returned from the Navy, known as North Spade.

The deceased served as a pharmacist aboard a Navy ship during World War II. His eldest son was named for a doctor, close friend of Odell's, who lives in Vermont. He called the family many times during Odell's illness but was unable to come to the funeral due to weather conditions. The night Odell died, Dr. Yale called by phone and talked to Mrs. Adams and the family one hour.

Odell, who was 47 on the 15th of this month, was a Mason. Mason's rites were by the men of Anton Masons. They alternated with men of the Spade area in relieving the family sitting up with Odell during his illness.

Odell is survived by his wife, La Jean; two sons, William Yale, 17, and Bob, 15; one daughter, Christie, 13; his mother, Mrs. W. F. Adams, all of Spade, and four sisters, Mrs. M. A. (Lorena) Green and Mrs. J. A. (Lona Bell) Sutton, all of Antioch, Calif., and Mrs. O. G. (Muri) Mayfield of Floydada.

Delbert Sarrett, who was the pastor at Spade when Odell made his profession of faith, left Fort Worth on his way to assist with the funeral, but due to bad roads, had to turn back. The sisters and their families in California could not attend because of planes being grounded.

Kenneth Eugene Mayfield and family of North Little Rock, Ark., started and their plane was also grounded.

Other relatives and friends who spent sometime with Odell before he died were Clinton Hendricks of Dallas, Mrs. E. A. Baker, an aunt of Winters, Tex., and Mrs. Shirley Race, Mrs. W. H. Roberts, Mr. and Mrs. Bob Bradford and Mary, Mr. and Mrs. Weldon Cumble, Mr. and Mrs. Raymond Teeple, all of Floydada, and Mr. and Mrs. Grover Sutton, Lubbock.

Mr. and Mrs. F. R. Blakney of Anton came every morning at 7 o'clock to relieve the men and the family where they could leave the room for breakfast.

Services for Odell were conducted at the First Baptist Church in Spade on Saturday, Jan. 29th. Rev. John Williams, Rev. C. K. Tate and Rev. Wendell Leach officiated. Military services were by two of Odell's boyhood friends, J. R. Nicholson of Cotton Center, folded and presented the flag to the deceased's wife.

James Stacey pretends he is sleep-walking when he is discovered on the girls' side of the skit hostel in "Winter A-Go-Go," exuberant new Columbia Pictures release in color. Starred with Stacey in the film are William Wellman, Jr., Beverly Adams, Anthony Hayes, Jill Donohue, Duke Hobbie and Tom Nardin. This movie shows at the Capada Sunday and Monday.

Casket bearers were C. A. Hill, E. D. Tate, Joe Connell, F. R. Blakney, Jack McGuire and J. L. Blankenship. Interment was in Littlefield Memorial Park.

Kitchen & Field News

Lighthouse Electric Coop, Inc. Nancy Morckel, Home Economist Mary Phillips, Assistant Home Economist January 1966 has come and gone!

One of the joys of January is that it's usually a quiet, unhurried month with time to contemplate. When the weather is cold and wintry outside I can think of nothing nicer, or time better spent, than for the homemaker to relax in her favorite chair and think for awhile on the wonderful experience of the year that has just passed and contemplate on the year ahead.

There are always so many things to think about; plans to be made, decisions to be made. To our surprise some of our most cherished memories come from things which seemed insignificant at the time.

It's always nice at the beginning of the year to check our calendar with birthday, anniversary, and special dates we want to remember - our friends mean so much. We need them all through the busy year, and it is always nice to tell them soon their special days.

If some of our activities are neither accomplishing much or giving us much satisfaction, perhaps it would be better if we did something else.

Or, as someone once prayed: Lord, give me the strength to change the things I can change, the ability to realize that some things cannot be changed and the wisdom to know the difference!

Mr. and Mrs. A. G. Tyler and Ronnie, of Amarillo, visited with her parents, Mr. and Mrs. Wiley Rogers over the weekend.

Mr. and Mrs. Grady Freeman visited with their son and his family, the James Freemans of Muleshoe over the weekend.

Mr. and Mrs. Bill Womack and boys spent the weekend in Fort Worth visiting a cousin, Mr. and Mrs. Albert Jester.

Dinner guests in the Harry Morckel home on Sunday were Mr. and Mrs. John Buchanan, Mr. and Mrs. Dan Hagood, Brad, Janie and Kelly Ann. Mrs. Mammie Gray visited in the afternoon.

Mr. and Mrs. Bill Phillips were Lubbock visitors over the weekend.

Our congratulations and best wishes to Mr. and Mrs. Kent Hardage, who were married Saturday evening in the First Christian Church, in Floydada. Mrs. Hardage is the former Melinda Goen, daughter of Mr. and Mrs. Bud Goen. Kent and Melinda will make their home in Colorado Springs, Colorado where he is employed as Electrical Engineer for Hewlett-Packard Company.

For those who resolved to put some spice in their life in the New Year, the U. S. Dept. of Agriculture suggests an easier resolution - put some seasoning in your life by using onions in your menus. A record-breaking crop will keep consumers well-supplied with good quality onions throughout the coming year.

When selecting onions, consider size and shape. Onions should be clean, well-shaped and have dry skins.

Like a strong flavor? Buy globe onions, which are medium in size and globular in shape. The flavor of this type of onion keeps very well when stored in a cool, dry place, and globe onions are available throughout the year.

For a milder onion, choose the Bermuda or Spanish. The Bermuda is large and flat with a yellow, buff or red skin. Look for Bermudas in the stores from March to June. The Spanish onion is large and elongated, with a light yellow or tan color. Spanish onions are available August to April.

FLOYD DATA
Mrs. W. J. Wilks arrived home last weekend after spending a lengthy time in Carlsbad, N. Mex., with her daughter and family, Mr. and Mrs. C. M. Norris, Jr. Mrs. Wilks became ill while in Carlsbad and after her recovery she remained for the new arrival of a grandchild, baby of the C. M. Norris.

Another daughter, Mary of Floydada and her little son, Kevin, went for Mrs. Wilks last Thursday.

FLOYD DATA
Mrs. L. P. McCray returned home Saturday from San Rafael, Calif., where she has been at the bedside of her son, Joel, who is critically ill.

Unusual snow snarls all of Paris.

Someone who knows and cares about food at its best, say food specialists of the United States Department of Agriculture.

SOMETHING TO THINK ABOUT: Someone has said: "If you think good thoughts your face reflects them."

Ernest Huckabee Appointed Sheriff Of Erath County

Ernest J. Huckabee, of Stephenville 41 year old former Floydada deputy sheriff, was named by the Erath County Commissioners Court last week as sheriff to fill the unexpired term of Sheriff David C. Hale, who resigned that position the day before.

News of Huckabee's appointment came from the Stephenville Empire Tribune to his wife's parents, Mr. and Mrs. O. C. Vinson of Floydada.

Huckabee, a native of Floyd County is the son of Mr. and Mrs. A. J. Huckabee also of Stephenville. He served as deputy sheriff in Floydada from 1955 to 1960.

He and his family moved to Erath County as a rancher in 1960 and entered the real estate business in 1962. Huckabee previously served a four year enlistment in the Merchant Marine. He and his wife, Doris, and their four children, Judy, Jerry, Jimmy and Janie reside at 710 South Street in Stephenville.

Huckabee informed the Daily Empire that he would be a candidate for county sheriff in the May 7 primary.

Peace Corps To Test February 12 At Lubbock

Floydada area residents interested in putting their skills to use in developing nations around the world are invited to

take the Peace Corps placement test at 9 a.m. on Saturday, February 12 at the Post Office Building, Lubbock, Texas. The Peace Corps uses the placement test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. (If test scores indicated a limited language-learning ability, for example, the Peace Corps tries to place the applicant in an English-speaking country.) The placement test requires no preparation and is non-competitive - an applicant can neither pass nor fail.

The placement test takes about an hour and a half. An optional achievement test for applicants who have studied French or Spanish requires another hour.

Javits optimistic new G.I. bill will be passed.

What's the best 5-letter word for fertilizer?

NIPAK

For wheat - NIPAK 45.

Wheat crops and earn bigger yields. Address your wheat with Nipak 45 - for greater yield and higher protein. Nipak 45 - 45% nitrogen fertilizer from Urea - gives one-third more nitrogen per pound than any other form of solid nitrogen fertilizer - which enables you to handle less fertilizer and cover more ground in less time. Nipak 45 is uniformly prilled, too. It flows easily, won't clog, or corrode your equipment. Nipak also dissolves in the soil moisture and moves quickly to the root zone where it stays put until your crops need it. So for more grow power, ask your local Nipak dealer about Nipak 45. He can help you plan a complete fertilizer program because he can provide a complete fertilizer service.

NIPAK FERTILIZER

Six horse-sense reasons for buying a 6-cylinder Mustang

1. Low initial cost ... if you can afford any new car, you can afford this racy Mustang!

2. Gas economy ... you'll think the gas gauge is broken until you learn its miserly habits!

3. High resale value ... you'll value it for years, get more value at trade-in time!

4. Hot performance ... just sample the sock, the sass of a Six that think it's an Eight!

5. Mustang style ... includes smart, sporty buckets, stick shift—all standard!

6. Fast delivery ... in many cases, just drive the one you want right off our floor!

...Talk about it with your Ford Dealer

POOR PAY, BAD HOUSING

Federal Official Describes Plight Of U.S. Farm Worker

By PAUL RECER
 SAN ANTONIO — Farm workers suffer a blight of poverty-level pay and bad housing in a land of agricultural wealth, Labor Undersecretary John F. Henning said in a speech to the National Farm Labor Conference Wednesday.

Henning told more than 400 farm labor experts that the farm worker "knows not the goodness nor the promise of the American economy."

"The seasonal farm workers' annual farm income for 1964 averaged only \$944," he said. "Here rests the front line of poverty."

Henning said the farm worker does not have even the elementary social benefits of "his industrial brother." His right to join a union or bargain on the conditions of his employment are not recognized by law, Henning said, and the farm worker is not protected by the federal minimum wage law.

Rotting Rural Slum

"Too often he lives in a rotting rural slum," Henning said. "Indeed, there are occasions when he and his family sleep in box-cars or on river banks within walking distance of agricultural wealth."

These conditions, he said, forbid "the recruitment of a representative American labor force" and "denies many communities the talent and hands of workers in the migrant stream."

Henning said 1965 marked the transition from the use of Mexican farm hands to the majority use of United States farm laborers.

He said 178,000 Mexican laborers were used in 1964, but last years after the bracero (Mexican farm worker) treaty died, only 22,000 laborers were imported from Mexico by U. S. growers.

Significant Improvement

Between August 1964 and August 1965, he said, U. S. farm worker employment increased by 86,200 persons with significant improvement in wages and working conditions.

Yet, he said, market prices for the crops previously harvested by the braceros were generally lower last year than in 1964.

Death of the bracero treaty helped the U. S. balance of payments by about \$45 million, the amount previously received by Mexicans for farm labor in the United States, Henning said.

U. S. farm worker unemployment fell almost 2 per cent, he said.

The transition caused some difficulties, but they were "essentially minor," the undersecretary said.

"The publicity given dislocation should not obscure the success of 1965," he said.

"Dispute and conflict, rhetoric and passion will always win

headlines not given to ways of peace and progress," he declared.

Artificial Shortage

Farm labor shortages are, "in truth," Henning said, of "artificial character."

This is exemplified, he said, by "The bleak and frequently wretched level of farm labor housing."

"American workers will neither accept nor tolerate the primitive housing of a 'Tobacco Road' civilization," he said.

He said a federal program to allow growers to borrow long terms loans at 5 per cent interest for construction of farm labor dwellings will help to end the housing problems.

Henning's speech came on last day of the three-day farm labor conference here.

County Agent's Corner

by JOE WILSON JOHN FIELDS

The pace is picking up for some of the Floyd County 4-H'ers with the approaching Livestock Show in El Paso. Early preparation such as washing and trimming of animals is in progress. Some 47 head of livestock have been entered in the El Paso Show by Floyd County 4-H Members.

Exhibitors and their entries are as follows:

Jim Kropp - 1 Duroc Barrow, 1 Hampshire, 1 Poland China and 1 Crossbred;

Bob Kropp - 1 Finewool lamb, 1 Crossbred, 1 Southdown, 1 Hampshire, 1 Duroc Barrow, 1 Hampshire, 1 Poland China and 1 Crossbred;

Ricky Kellison - 1 finewool lamb, 1 crossbred, 2 Southdown, 2 Hampshire, 1 Duroc Barrow, 1 Poland China, 1 Hampshire, 1 Crossbred;

Neil Mitchell - 1 Duroc Barrow and 2 Angus Steers;

Kay Russell - 1 Hereford Steer;

Steve Belt - 1 Angus Steer, 2 Jr. Yearling Heifers, 1 Summer Yearling Heifer, 2 Senior Heifers;

Lena Merrell - 1 Shropshire lamb, 1 Hampshire, 1 Dorset and 1 Southdown;

Will Siner - 1 Crossbred lamb, 1 Finewool, 1 Hampshire Barrow, 1 Duroc, 1 Chester White.

The animals must be in place

Rites For Mrs. Traylor Held

Mrs. Martha Elizabeth Traylor, 82 year old Lockney resident, died Sunday in Lockney General Hospital. Services were conducted yesterday afternoon in the First Baptist Church in Lockney.

Mrs. Traylor had been a resident of Lockney since 1945. Survivors include three sons, Fate of Lockney, Earl of Tulla

and Floyd of Fairfield, Calif.; six daughters, Mrs. Stella Wilson, Jamesville, Calif., Mrs. Nora Reeder, Plainview, Mrs. Doele Travis and Mrs. Velma Scott, both of Amarillo, Mrs. Vera Britton and Mrs. Ethel Carroll, both of Lockney; one brother; four sisters; 26 grandchildren and 69 great grandchildren.

by 12:00 noon on February 5, 1966. Steers will be judged on Monday the 7th, swine Tuesday the 8th, and Sheep Wednesday the 9th. The auction sale will be held at 1:00 p.m. Friday the 11th. Animals can be removed from the show at any time after 8:00 p.m. Friday.

Several Floyd County residents have inquired about ordering seedling trees from the Texas Forestry Service to be used as windbreaks.

Several varieties are available however the order must be received by the Forestry Service on or before February 10. The trees must be used as a windbreak, and planted in Texas. They must also be protected from fire, cattle and destructive insects by the recipient.

The cost of the trees are only \$1.50 per 100. An order less than 100 is not accepted. However they may be ordered in multiples of 50 after the first 100.

Ponderosa pine, Catalpa, Enonymus and Red Cedar are several varieties that are popular in this area. Ponderosa Pine should not be planted below the caprock, however. Order blanks for the trees may be picked up at the County Agent's office.

Albert Scheels of the Providence Community will serve as the morning chairman of the Floyd County Soil Fertility Day to be held Thursday, February 17 in the American Legion Hall in Lockney. Carl Brock of Floydada will be host for the afternoon session.

The annual event will be the eighteenth one in succession. It will be sponsored by the Lockney Chamber of Commerce, Ft. Worth & Denver Railroad and the Texas Agricultural Extension Service.

Featured on the program will be John Box, Extension Agronomist, Texas A. & M. University. He will talk on Balanced Fertility and use of trace elements particularly sulfur. Also featured will be John McHaney, Extension Agriculture Economist, Texas A. & M. University. He will present an outlook on Cotton, Grain Sorghum and wheat. He will also cover a long range outlook on Cattle and Hogs.

Others to appear on the program are: Bill Lyles, Extension Area Irrigation Specialist from Lubbock; Howard Malstrom, Soybean Research Specialist from the High Plains Research Foundation, Halfway; Dr. Lavon Ray, Texas Agricultural Experiment Station, South Plains Research and Extension Center, Lubbock and Elmer Hudspeth, Agriculture Research Service, South Plains Research and Extension Center, Lubbock.

Seven Floyd Residents In February Call

Seven Floyd County residents are among those listed by the draft board in Plainview, who have been ordered to report for induction February 7. Twenty-one are listed from the four-county area.

The Floyd County residents are: Ceaman W. Scott, Larry G. Miller, Reynaldo Guerrero, Johnny W. Barbee, Jesus Renteria, Francisco Z. Morales, Jr., and Israel L. Ramos.

Also ordered to report for armed forces physicals are the following: Jay R. Holmes, Walter P. Nicholson, Aurilio C. Salas, David L. Cook, Jessie R. Ware, Benny C. Cates, Clement Zavala, Jr., and Teddy L. Porter.

Of the twenty-one called for induction, there are the seven from Floyd County, ten from Hale, three from Swisher, and one from Motley.

South Plains Projects Included Proposed Budget

The President's budget was submitted to Congress this week and referred to the House Appropriations Committee headed by Representative George Mahon. In commenting on the huge request for funds Mahon said that the President used a great deal of restraint in submitting spending requests to Congress.

Of special interest to the 19th District is a budget estimate of \$14,215,000 for the continuation of the Canadian River Municipal Water project and \$1 million for the continued maintenance of the boll weevil barrier.

Of interest to ranch men throughout the state was the request for \$2.8 million to continue the highly successful screw worm program.

The President recommended sharp reductions in many areas of government spending. Mahon said that Congress would move as rapidly as possible toward evaluating the programs and fulfilling its responsibility to determine the amount of funds to be made available for defense and non-defense purposes. The total request of the President for appropriations, including interest on the federal debt, is approximately \$181 billion.

More Than 900,000 Texans Are Eligible For Medicare

More than 900,000 Texans over 65 are eligible for coverage under the Medicare program according to Mrs. Patsy Yates, Texas A. & M. University Extension family life education specialist. Mrs. Yates states that of this number, more than 55,000 Texans over 65 who are not now receiving social security or on welfare rolls are eligible. All persons concerned with the Medicare program should contact their local Federal Social Security Office now to obtain detailed information.

All senior citizens should know the provisions of the program. If you are 65 years of age or over—and not receiving Federal social security or State old-age assistance—it is important that you visit your Social Security office soon, the specialist says. "This means you, even if you are working full-time or if you are not receiving any social security benefits," Mrs. Yates explains.

The Social Security Administration has advised that such persons are eligible for Medicare. Qualified persons will need to make a decision concerning the program before March 31.

"We are interested in the senior citizens of Texas understanding any program that affects them—and the Federal

Medicare program is one that is extremely important to them. Because of this, we urge that senior citizens who are not drawing State welfare or Federal social security contact their social security offices to learn the significance of the program to them," Mrs. Yates says.

The local county Extension Service office advises eligible persons who desire detailed information about Medicare to contact their social security office.

The Social Security officer that serves Floyd County will be in the county courtroom February 1, 8, 15, and 23. He will also be in Floydada every Tuesday during March.

**County To Benefit \$46,000
From Excise Tax Reductions**

the Hesperian) ORK - Residents of county will still stand to year to the extent of om reductions in ex-

lections are directly proportional to the volume of business in its area. From the State of Texas as a whole, a total of \$710,940,000 in excise taxes was obtained in fiscal 1965, the U. S. Treasury Department reports. Floyd County's contribution to this total came to approximately \$925,000.

ever, it will be \$700,000,000. Under the bill passed by Congress last May, further adjustments will take place in each of the next three years. By that time, the overall cut will total \$4.6 billion. What the saving will amount to for any individual family will depend upon the amount it spends per year for goods and services.

the amount they will n if Congress goes the administration's rescind, temporary on telephone ser-automobile purchases into effect a few weeks

Thanks to the reductions that have just gone into effect, on theatre admissions, on electrical equipment and on a wide variety of other items, the tax load will be considerably lighter this year. Nationally, the new reductions will total \$1.7 billion, the Government estimates. If the cutbacks are approved, how-

On the basis of the latest sales figures for the local area, it will amount to about \$76 per family, on an average, when the cuts are fully in effect.

Texas Water Development Board Will Find Information For Tax Deduction

The Texas Water Development Board will provide information for landowners to claim income tax deductions for depletion of ground water in the southern High Plains if landowners want the service, Joe G. Moore, Jr., executive director of the Texas Water Development Board, said Tuesday.

be covered by the proposed study. Eligible taxpayers are due an estimated \$1,000,000 in refunds. The Water Development Board will need to know how many landowners want the survey before it can begin, Moore said. "This way we can determine the cost to be charged and the personnel needed to make the study."

The Internal Revenue Service has requested the State agency to explore underground water depletion in the Ogallala aquifer south of the Canadian River so that cost-depletion income tax refund claims may be supported. Moore said the Texas Water Development Board will make the study if enough landowners want the service. He estimated the total cost of providing the basic data for this area would be \$165,000 between now and February, 1967. The cost to an individual landowner will depend upon the number desiring the water depletion information. It is estimated that 10,000 landowners live in the area to

Efforts to establish depletion guides are an outgrowth of a successful suit filed against the federal government by a Floyd County farm couple, Mr. and Mrs. Marvin Shurbet, seeking a cost-depletion income tax allowance of \$300 for underground water used in irrigation farming. The suit was filed in U. S. District Court in Lubbock on February 21, 1961.

TOP SPECIALTY ACTS SET FOR FORT WORTH RODEO

A line-up of five outstanding specialty acts will provide a break in the fever pitch tension of bucking action at the 1966 Fort Worth Stock Show Rodeo, January 28 thru February 6. Entertainment features signed for the Fort Worth Rodeo, "the World's Original Indoor Rodeo" are: The Butler Sisters, featuring Mary Lou Butler, Miss Texas—1965; The Fireballs, colorful, daring trick riders from Colorado Springs, Colorado; J. W. Stoker's Spectacular Blacklite Rope Spinning; Wharton's Performing Shepherds and "the African Gaucho"; and Mr. Nifty, educated horse performing at liberty. W. R. Watt, Stock Show president and manager has tagged the 1966 Exposition and Rodeo as "the Southwest's Greatest Indoor Spectacle". Tickets for the 1966 Rodeo are now available from P. O. Box 150, Fort Worth, Texas 76101.

THE FIREBALLS

Federal Judge Joseph B. Dooley ruled in favor of the Shurbets, and the depletion claim was upheld by the U. S. Fifth Circuit Court of Appeals last June. The Internal Revenue Service last November said it would follow the decision of the U. S. Circuit Court in the disposition of cases involving taxpayers in the southern High Plains of Texas who extract ground water from the Ogallala formation beneath their lands for irrigation purposes.

Local Group Attends Industrial Development Meet

Ralph Mardis, president-elect of the Floydada Chamber of Commerce, Ray Reed, Chairman of Industry and New Business Committee of the Chamber of Commerce, Don Pemberton and John Reue attended the 12th annual Chamber of Commerce Industrial Development Conference in Clark Student Center Tuesday. The center is on the campus of Midwestern University in Wichita Falls. Winston Willard, Mayor of Wichita Falls gave the welcoming address to the group. Some of the speakers, on the subject of "Products Made in Texas and Sold Nationally" included G. A. Jagers, president of Graham Magnetics of Graham; J. D. White, plant manager of Electra Manufacturing Co.; Sidney Gaines, co-owner of United Electric Co. of Wichita Falls; Joseph Echols of Rock River Woolen Mills; Harry Clark, Executive Director of Texas Industrial Commission, James J. Kelly and Larry M. I-
