County Incumbents File For Re-Election

Program Slated Next Thursday

Filings Completed Here Last Monday

All county and district officials now holding public office and whose terms expire this year have filed for re-election in the May 2 Primaries. The second primary is set for June 4, in case a run-off election is needed.

According to the Floyd County Democratic Executive Committee, there are no contests listed from the district offices down through the county and precincts. Only the incumbents are running for office. The only contest foreseen is that for State Senator where three candidates have filed, including the incumbents.

Persons wishing to run for City Council still have almost another month, until March 4 to file for one of the positions. The election will be held Tuesday, April 5, at the City Hall. A person may file his candidacy at the City Hall any week day until March 4.

Likewise, anyone wishing to seek a position on either the school board or Caprock Hospital Board has until March 2, to file for a position on the ballot. Those wishing to file for school trustee may do so at Ben Ayres' Law Office. The school election will be held April 2.

Anyone wishing to have his name placed on a ballot in the April 2 hospital board election must present a petition to the present board bearing the names of 28 qualified voters in the hospital district who support his candidacy.

Those who have filed their candidacy with the Democratic Chairman are as follows: U. S. Congressman - George Mahon, State Senator - James Ray, Jack Hightower, and the incumbent Andy Rogers, State Representative - Ralph Wayne, District Judge - L. D. Ratliff, District Clerk - Mary McPher-

The eighteenth Annual Soil Fertility Day will be held next Thursday, February 17, at the Lockney American Legion Hall. Albert Scheele of the Providence Community will serve as morning chairman of the program and Carl Brock of Floydada will act as afternoon chairman.

The event is sponsored jointly by the Lockney Chamber of Commerce, Ft. Worth and Denver Railroad and the Texas Agricultural Extension Service.

Most of those on the program are speakers who have proved to be favorites either in subject matter or in delivery of programs.

John Box, John McHaney, Bill Lyles, Howard Malstrom, Dr. Lavon Ray and Elmer Hudspeth are those who are expected for the program next Thursday.

Box is an Extension Agronomist from Texas A&M University. He will talk on Balanced Fertility and use of trace elements particularly sulfur. Of particular interest to farmers in this area is the effect the SEE FERTILITY ON PAGE 2

JUDGE L. D. RATLIFF

Judge Ratliff Seeks Re Election To District Office

Judge L. D. Ratliff, present District Judge of the 110th Judicial District of Texas, composed of Floyd, Dickens, Motley and Briscoe Counties, has authorized this newspaper to announce that he is seeking the nomination of the Democratic Party in the primary elections this year for election to another term in such office. He says "Just tell the folks I enjoy the work of the office and would like to continue working for them."

Lions Ladies Night Tonight

The members of the Floydada Lions Club and their wives will observe a Valentine's Party tonight at the Colonial House at 7 P.M.

The event will take the place of the regular Thursday luncheon held by the Lions Club each week. Therefore, there will be no noon meeting today.

Entertainment for the evening will be furnished by Rev. Leon Hill of Amarillo. Rev. Hill recently helped finish the building for the Hollywood Baptist Church in Amarillo and is interim pastor at Vega Baptist Church.

Water, Water Everywhere . . .

Marshall Haney and other members of the Floydada Public Works Department, particularly the water department, had more than they could handle last week, and early this week.

At mid-morning Monday, Haney said he had received at least six calls from residents who stated that the water mains serving their houses had broken.

Friday night and Saturday night mains broke that flooded some of the Floydada streets with water, and the Highway Department had at least one sign up warning motorists of high water ahead.

The cause . . . Haney said that the galvanized pipes that were installed as water mains several years ago are beginning to deteriorate, and they seem to all be coming apart at once.

The recent cold spell, that kept temperatures below freezing for several days helped speed the deterioration.

An Editorial

Are We Prepared For Disaster?

At the top of this editorial is a picture of the awful tornado that struck neighboring Hale Center last year. At the bottom of this editorial is a picture of Floydada's new emergency vehicle and a group of local citizens who are sponsoring a drive to equip this vehicle for disaster relief.

About \$2,000 worth of first aid supplies, medications and drugs are to be stocked in the vehicle and it will be ready at all times to go to any sort of disaster.

To date, over \$1,000 has been donated by organizations, individuals and firms to complete this effort. There will be no business-to-business solicitation because the committee working on this project feel that the money can be raised through a voluntary gift plan. Many organizations have not yet contributed to this project, who possibly will give. They will be contacted.

The tornado season isn't far away, and now is the time to get ready. The emergency vehicle has been given to this cause by the City of Floydada. Local auto and auto repair firms have agreed to donate labor and parts to put the vehicle in first class condition.

The emergency vehicle will be on display on the streets of Floydada today. Go by, look it over, and make your contribution to the person who will be answering questions about this project.

If you don't have time to go by, simply send your money to the First National Bank made out to "Disaster Medical Fund" or call YU3-3707 or YU3-3737.

HOSPITAL AIDS

Another important part of this Civil Defense plan is the compilation of a record of all persons in Floydada and the area around Floydada who are qualified nurses aids, LNVs, or RNs who could be called in case of any type emergency. If you are such a person, please call People's Hospital and give them your qualifications, name, address and phone number.

List of contributors to Disaster Medical Supply Fund: Junior Simpson, Bill Price, Charles Lutrick, Mrs. Pernie Ray, 1950 Study Club, Duncan Hollums, Lions Club, Lighthouse Electric, Melvin Henry, Nancy Morekel, Harmony Community 4-H Club, Order of Eastern Star, 1934 Study Club, 1962 Study Club, Hollis Bond, J. M. Massie, Floyd County, West Texas Broadcasting (KFLD), Clay Henry, First National Bank, Jimmy Seay, Floyd County Hesperian, and Rotary Club.

Mackenzie Directors Confer With White River Authorities

Directors of the MacKenzie Water Authority, in a meeting Monday evening at the City Hall in Lockney, conferred with Al O'Brien, general manager of the White River Water Authority, on matters pertaining to preparation and planning the water project to serve the four cities of Lockney, Floydada, Tullia and Silverton. O'Brien pointed to mistakes made by the planners of his Authority and made several suggestions of ways to avoid some of the errors made by the White River group.

O'Brien suggested that the local Authority investigate the possibility of securing grants for recreation purposes from the State Parks Board. This grant is available to those who can qualify and will furnish matching funds, for such facilities as the public will use for recreational purposes. He also suggested that the State Highway Department will build certain roads and boat docks if admission to the lake area is free.

The White River Authority is now selling water to some of the cities involved, O'Brien said, at the rate of 30 cents per thousand gallons. He pointed to the fact that lake water is soft and does away with the need for water softeners.

The White River manager said that his Authority has retained complete control of the shoreline and limits the building of business establishments within the recreational area. They lease the recreation area at the rate of \$3.00 per front foot the first year and \$1.00 per foot for subsequent years.

O'Brien pointed to surveys which show that the West Texas area has only two percent of needed recreational facilities and said that this fact will help the area in securing federal and state grants for assistance in

establishing facilities.

The directors heard President Lon Davis give a report on the status of the Board's application for a loan of \$76,500 from the Housing and Home Finance Agency. Davis said that the application has been re-

turned for minor corrections.

The corrections were made and the application has been returned to the agency. Indications are that the federal agency will act on the application very soon.

The Board voted to discontinue SEE MACKENZIE ON PAGE 2

County Grain Sorghum Producers To Meet

All persons who are grain sorghum producers in Floyd County, whether or not they are members of the Grain Sorghum Producers Association, are urged to be on hand at a meeting of the organization next Monday night at 7:30 p.m., Valentine's Day. The meeting will

be held in the Council Room of the Extension Building on the southeast corner of the square in Floydada.

Elbert Harp of Abernathy, president of the GSPA, and Tom Hutchins will be on hand to answer any questions members of the group might have.

In a letter to the members of the Association, the county officers made the following statements:

"Can you remember when grain sorghum began to play a bigger role in our Floyd County farming operations? In our farm income? It was when the GSPA started working for better markets and increased use through emphasis on research, public relations and close communication with policy making agencies in Washington.

"The Grain Sorghum Producers Association's approach to working with others - individuals, groups and organizations for the purpose of emphasizing the value and need of this wonderful, all-purpose grain in the national and world markets.

"Let us focus attention to only a few of the accomplishments of our organization.

Over 300 C of C Banquet Tickets Sold

According to John Reue, manager of the Floydada Chamber of Commerce, over 300 tickets have been sold to the annual chamber banquet, February 25th.

Dr. W. P. Deatheredge, well known humorist and pastor of the Second Christian Church of Houston will be the featured speaker.

The stage band of the Floydada High School band will also perform for the banquet, under the direction of Jim Boyd.

Tickets for the occasion may be purchased at the Chamber office or from several members of the chamber.

SCENE OF FRIDAY WRECK AT AIKEN

Grinding Crash Slightly Injures Woman At Aiken

A grinding semi-truck and auto accident on U.S. 70 at Aiken only slightly injured the driver of the car, who turned in front of the truck and was hit broadside. The accident occurred February 4 at 8:50 a.m. The accident involved a 1960 Chevrolet Sedan driven by Laiza V. Hernandez of Plainview, a 48-year-old woman, and a 1966 Ford tractor semi-trailer, driven by Joy Wayne Robinson of Floydada.

According to Fred Leanz of the Texas DPS, investigating patrolman, the car was being driven at a slow rate of speed in the right hand lane of U.S. 70 in Aiken. The truck driven by Robinson was in the left lane when the driver of the Hernandez vehicle attempted to turn left onto FM 2301. Both

vehicles were traveling west. The truck hit the driver's door of the car, knocked the vehicle sideways, over a culvert and caused the car to turnover in the east-bound traffic lane. U. S. 70 is a divided highway at that intersection.

Miraculously, the Hernandez

woman was only slightly injured and her condition was listed very good at Lockney General Hospital. The woman was transferred to Plainview Medical Center.

The Hernandez woman received a citation for turning from the wrong lane.

FFA Boys Win In Stock Shows

Two local FFA boys took some top animals to the El Paso and the Ft. Worth Fat Stock Shows recently and placed very high in the sale bracket. They are Thumper Morgan and Franklin Harris.

Morgan took two Duroc Barrows to the El Paso show. One placed third in the Heavy Weight

class and one placed fifth in the Medium Weight class. About three hundred hogs were in the show ring.

Harris placed 15th in the show at Ft. Worth with a Hampshire Barrow.

Both will have animals entered in the County Stock Show in March.

McHaney is an Extension Agriculture Economist from Texas A&M University. He will present an outlook on the future of cotton, grain sorghum and wheat. He will also give an outlook on cattle and hogs.

Bill Lyles, Extension Area Irrigation Specialist from Lubbock will give those attending the program a look at the most economical use of irrigation water and what the future of underground irrigation may be for the High Plains.

Malstrom is a Soybean Research specialist from the High Plains Research Foundation, Halfway. He will give a report on various experiments with the different strands of soybeans, a crop obviously well suited for the High Plains.

Dr. Ray is from the Texas Agricultural Experiment Station, South Plains Research and Extension Center, Lubbock. His specialty is the quality of cotton.

Hudspeth is also from the Agriculture Research Service, South Plains Research and Extension Center, Lubbock. He deals mainly in the use of Chemical Weed Controls, which have become particularly popular in the last few years for controlling weeds in cotton.

For the past 17 years the program has drawn one of the largest crowds of farmers as any program. It is considered one of the most educational programs presented any time during the year.

Thoracic Cardiovascular Surgeon To Speak At Dougherty

Dr. Malcolm J. Thomas Jr., M. D., will be guest speaker for a program to be presented the night of Feb. 17, in the Dougherty Community Center, concerning the heart, according to information received here from Bill Renfro, regional director of the Texas Heart Association, by Mrs. S. J. McIntosh.

Mrs. McIntosh said the program would begin at 7 p.m. and people over the entire area are invited to attend this worthwhile meeting. Refreshments will be served following the program, question and answer period.

A film will be shown as well as the talk by Dr. Thomas, who is a Thoracic and cardiovascular surgeon in Lubbock.

Dr. Thomas attended Tulane University where he received his BS degree in 1953 and graduated from the Medical School with an MD in 1956. He took his rotating internship in 1956-57 in Jefferson Davis Hospital in Houston. He took his resident in Thoracic and Cardiovascular surgery in Charlotte Memorial Hospital in Charlotte, North Carolina from 1962 until 1964.

Dr. Thomas was at the University of Texas and M. D. at Anderson Hospital and Tumor Institute in Houston until 1965. He is a member of the American Medical Assn., Texas State Medical Society, American College of Surgeons, National Association of Residents and Interns, American Thoracic Society, and Texas Thoracic Society.

BENJAMIN FRANKLIN McIntosh is a fellow who is well known around this area. He now lives in Lubbock and I can certainly appreciate him after his trip up here to unlock our file cabinet. Although he has been a printer most all his life, he's enjoyed a hobby of lock smithing and he's pretty much in demand for this type work.

Somehow we managed to lock our file cabinet key inside and when we called Mr. McIntosh, he came right on over and within five minutes he had the file open and in a day or two sent us some new keys for it. Mr. McIntosh worked here at the Hesperian for many years... probably grew up with this old fireproof file cabinet, so he was pretty familiar with it anyway.

FORT POLK, LA. (AHTNC)—
James A. Duvak, 21, son of
Mr. and Mrs. Walter W. Duvak,
410 S. Fourth St., Floydada,
Tex., received an early promo-
tion to Army pay grade private
E-2 following successful
completion of basic combat
training at Fort Polk, La.,
Jan. 22.

Duvak was awarded the pro-
motion two months earlier than
is customary because of his
proficiency in firing the M-14
rifle, his high score on the
physical combat proficiency
test and his military bearing
and leadership capabilities.

The early promotion pro-
gram is the result of a new
Department of the Army policy
to recognize and provide incen-
tive to outstanding trainees.

Duvak attended Floydada
High School and was employed
by Baxter Lane Company, Avari-
llo, before entering the Army.

**Tooth Decay Prevention
Is Better Than Repair**

This week, February 6-12,
is National Children's Dental
Health Week. The week is set
aside each year to call to the
attention of children and their

parents the value of good dental
health habits.

The children in our com-
munity are fortunate to live
where the fluoride content of
the water is a natural aid to
the prevention of tooth decay.
We also have in our com-
munity, teachers who are interested
in promoting dental health.
Students in the third grade of
Andrews Ward School have re-
cently completed a unit of study
on dental health. The dental
education material which third
grade teachers presented to
their classes was secured by
the school nurses, Mrs. Wesley
Carr and Mrs. Travis Jones
with the approval of the school
administration and the local
dentists. A tooth-brushing kit
was supplied each student.
Plans are to continue this pro-
gram annually with third
graders.

For children not in the third
grade, the 1950 Study Club has
supplied the office of the school
nurse with a gross of tooth
brushes to be disbursed when
it is evident that a child does
not have a tooth brush to use.

No doubt parents of third
graders have "learned" along
with their child that prevention
of tooth decay is far better than
repair. Proper mouth hygiene,
essential diet and regular
dental care will do much to
eliminate trouble. Gum, soda
pop, candy and ice cream are
the biggest reasons for decay
in children's teeth. Since few
young people are going to do
without sweets, it would be best
to have one large "attack" of
sweets, followed by tooth
brushing, rather than several
small attacks—and no brush-
ing.

If you do not have a third
grade student in your home,
perhaps you would like to get
acquainted with one, and re-
ceive an "education" in dental
health.

The United States lost 351 warplanes and helicopters in the Vietnam war in 1955, according to Secretary of Defense Robert S. McNamara.

Beauty Tips

MRS. AUSTIN HOLMES

QUICK BEAUTY TRICKS WITH WHITE-WHITE

White-White is a quick trick creme make-up to highlight or hush facial features.

One quick streak of White-White blended into the skin will hush dark circles, and cover blemishes and freckles. It will highlight eyes to bolder, brighter interests and complements lipstick colors while protecting lips from chapping and peeling.

White-White is a light, waterproof non-oily substance, that dries to a soft matte finish that blends smoothly with makeup, covers dark spots and stubborn blemishes, shortens or thins down your nose and chin and lightens deep lines.

Remember, this is to be used under regular foundation and put on a completely cleansed and conditioned skin.

It works wonders. . . Try it.

22 Club Elects New Officers

The election of new officers for the 1922 Study Club was held Thursday during their regular meeting in the home of Mrs. D. W. Burke.

Mrs. W. O. Tye was elected president; Mrs. P. D. Helms, vice president and Mrs. J. V. Daniel, second vice president. Mrs. Kenneth Bain was elected recording secretary; Mrs. Lon V. Smith, corresponding secretary; Mrs. D. S. Battey, treasurer; Mrs. E. L. Angus, reporter and Mrs. P. W. Bell, parliamentarian.

Mrs. Lon Smith brought the devotional by reading the 103 Psalm. Mrs. W. H. Henderson brought the program on French Colonial Art.

Refreshments were served by Mrs. Burke from a lovely table decorated with a Valentine theme to Mmes. P. W. Bell, J. V. Daniel, Pearl Fagan, P. D. Helms, W. H. Henderson, R. L. Nichols, Lon V. Smith, Glad Snodgrass, E. F. Stovall, Ber Whitaker and Mrs. J. M. Willson Sr.

The next meeting on Feb. 17 will be on Spanish Colonial Africa, held in the home of Mrs. Willson.

Dickey-Bird Hairdo New For This Spring

A crest of soft wavelets flares up over the right eye in this playful Cockatoo Coiffure, one of the new Dickey-Bird hair styles for Spring, designed by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association.

It is one of the perky new styles that will be shown throughout the country during National Beauty Salon Week, February 13-19, dedicated to more beautiful women.

For daytime wear, the crest is gently subdued; for evening drama it can be flared up high with the addition of a small hair piece. But, it must retain small head elegance.

Closely shaped hair at the sides and nape area help retain the small head look, and a feathery soft professional permanent wave gives the style its easy wear and care.

FIGURE FINDERS HAVE MEETING

Floydada Figure Finders met Thursday night in the home of Helen Bertrand. Peggy Martin received the prize for the most weight loss during the week.

A discussion was held on counting calories and "ways not to eat." An attendance contest will begin next week.

Those interested in joining the club are asked to call Sandra Noland, YU3-2087 or Helen Bertrand, YU3-2086.

Lighthouse Electric Coop, Inc. Nancy Morckel, Home Economist Mary Phillips Asst. Home Economist KITCHEN CONVENIENCE - ALL - ELECTRIC REMODELING THE EASY WAY When people decide that their home needs remodeling, the first room to get the "treatment" is usually the kitchen. And rightfully so. The kitchen should be designed around people, not fixtures or appliances. The homemaker, her husband, and the rest of the family spend a good deal of time there. A poorly laid out kitchen quickly becomes a nagging irritation. The key element in planning for people, is to put the appliances and counters in the right places. The rural electric Kitchen Convenience '66 Kitchen Planning Guide will show you how.

Gamma Iota Chapter Meets

The Gamma Iota Chapter of Delta Kappa Gamma met in its regular monthly session in Silvertown Saturday, Feb. 5th. The High School Home Economics Department was very artistically decorated in a pink and white Valentine theme and a delightful brunch was served by Silvertown hostesses. In the absence of the president, Mayme Lou Rayburn, of Plainview, Laverl Porter of Plainview, first vice - president, presided over a short business session. The invocation was given by Willie Merle Halthcock, Hale County School Superintendent.

Following the meal a sing- song was conducted by Mattie Ruth Nowlin, accompanied by Thalia Fulkerson of Tulla. The yearly scholarship program, entitled "Opportunity for Growth" was led by Clara Cowan from Plainview. In connection with the subject Leola Lander read a most enjoyable poem on the "Special Group Child." For the Scholarship fund a White Elephant sale was held, with approximately \$60.00 realized from the sale of attractive articles brought by the members. The next meeting will be in Hale Center on March 5. Members attending from Floydada were Mary Pearl Cowand and Edna Phillips.

COUNCIL

next Tuesday night at City Hall. Present City Attorney Malcolm Tisdell, will be retained to continue working on the airport since that work has progressed as far as it has. Tisdell will also continue working with the city in other business for a short time. Two petitions were received by the council for annexation of the city. Dale Goen and Keith Buhman have submitted petitions, and a hearing to determine if there is any objection will be held at the special meeting next Tuesday.

AIRPORT

A few of the steps that still need to be taken before the airport can be finished were discussed last night. In addition to those listed above the following will be required: After the Zoning Commission is formed it must submit a map and outline of the approach zone to the Federal Aviation Agency. The FAA will in turn report back to the Commission on the limitation of structures in that approach zone. The Commission will hold a public hearing and adopt the Airport Zoning Ordinance. It will then adopt rules for running the airport. At any time after the Commission submits the airport map to the FAA showing the approach zone, the Federal grant may be received.

Kaz Wierzbicki Guest Speaker For 29 Club

The "Links of Friendship" was the topic of the 1929 Study Club meeting last Thursday and for the program Kaz Wierzbicki, foreign exchange student in Floydada, was guest speaker. Pertaining to the theme, the following poem by Markham is printed in the club's yearbook: "There is a destiny that makes us brothers, None goes his way alone. All that we send into the lives of others, Comes back into our own." Kaz showed slides and gave an interesting report of his homeland, New Zealand. He was introduced by Mrs. Clay Henry, leader for the meeting. Mrs. Hollis Bond was hostess for the gathering in the community room of the First National Bank. Mrs. S. W. Ross gave a brief talk on why Valentine Day is observed in the USA. Refreshments were served to Mmes. J. A. Arwine, Hollis R. Bond, C. W. Denison, R. E. Fry, Verne Gauntt, Clarence Goins, Clay Henry, Clement McDonald, S. W. Ross, George V. Smith, J. B. Smitherman, Carl W. Wilkins, and Mrs. C. R. Yeokum. The meeting on Feb. 17 will be with Mrs. Fry.

Hammonds And Bradford Vows To Be Repeated

Mr. and Mrs. Weldon Hammonds announce the engagement and approaching marriage of their daughter, Jamey Kaye to Conley Voigt Bradford, son of Mr. and Mrs. Floyd Bradford. Both families reside near Floydada. The wedding is planned for April 8, 1966 in the First Methodist Church in Floydada, at 6 p.m. Miss Hammonds is a 1965 graduate of Floydada High School and is attending Draughton's Business College in Lubbock. Her fiancé is a 1964 graduate of Floydada High and is attending Texas Tech. An increase in income from \$592,285 in 1965-66 to \$659,820 in 1966-67. Proposed spending is projected as \$465,910 in the new budget as compared with \$407,716 in the 1965-66 budget. The bulk of the income, \$265,689 will come from the Electric Light and Power Fund and the bulk of the spending, \$163,288 will go back into that fund. The total after expenses, income less expenses, \$193,910, will be broken down to transfers to Mercantile National Bank (bond payments) in the amount of \$88,525 and transfers to the General Fund in the amount of \$84,988. This gives a total proposed carryover of \$20,397. For more details residents are urged to be on hand at the March 8 City Council meeting. All members were present except John Smitherman.

Della Plains Closes Out Season With Games Last Week

Whirlwinds, Whirlettes Win Double Victory

Hornettes Retain Perfect Record In Conference Play

The Della Plains teams concluded their basketball season last week, unless a special game is scheduled, with games matching the local teams with Dunbar and a make-up game with Quanah.

The Hornettes, who already had the district championship clinched, concluded the season with a perfect record as they downed Quanah 53-35. The Hornets lost to Quanah 75-73 and to Dunbar 73-60. The boys B team fell to Dunbar's B team 77-42.

DUNBAR VARSITY

The Dunbar Panthers, sporting only one defeat in their AAA Conference, lost no time in jumping to an 18-11 lead at the end of the first period. At half-time, the visitors were in command of the game with a 38-23 lead and going into the final period the visitors led by 19 points as the scoreboard read 55-39. However, in the final period the Della Plains boys picked up their step, closed the gap and lost the game by the 13 point margin. The final score was 73-60.

It appeared that the Hornets were playing against three different teams, for the Dunbar team had enough depth to play three complete teams. "Nevertheless, if we had played as well during the first three quarters as we played in the fourth we would have won the game," Coach Joe Ellison stated.

Willie Simon led in the scoring with 21 points, followed by Leon Collins with 18. Tommy Collins hit 11 points, Raythel Chapman and Lovis Black added 4 each and Tommy Jackson hit 2. Blalock scored 18 for Dunbar.

DUNBAR B

The Hornets B team tangled with the Dunbar B team and had more than they could handle. The Dunbar B team invaded the Della Plains Gymnasium with an 18-0 record and returned home with a 19-0 season record. They downed the locals 77-42.

The Dunbar team took a 17-9 first quarter lead and were ahead 36-19. Going into the final period the visitors held an impressive 51-35 lead and went on to win the game 77-42.

Lewis Williams played his best game of the year for Della Plains as he hit 10 points to lead the local scoring. Jerry Phillips had 22 points to lead Dunbar.

Olton Is Victim

The Floydada Whirlwinds and Whirlettes took a double victory from Olton here last Tuesday night, after rebounding from defeats at the hands of Friona there last week.

The girls stayed in first place in the district by downing the Olton girls here and the boys put on their best showing of the year in their victory.

In the girls' game the Friona team took control of the game from the opening buzzer, kept control until the end of the game and were never threatened by the Whirlettes.

After one quarter of play the score was Friona 13, Floydada 7. At halftime, after the locals were able to manage only four points the score stood 23-11, Friona. Going into the final period the host team had a 13 point advantage with a 31-18 lead. The game ended with Friona in the lead 38-27.

Shirley Rainer was the leading scorer for the Floydada girls as she hit 20 of the locals' 27 points. Janet Hedding had 20 points for Friona.

The Floydada defensive leader was Nona Pernel as she grabbed 13 rebounds to aid the Whirlettes cause.

The Floydada boys played without two of their team leaders as they lost to Friona 71-39. Steve Marler and Butch Emert were unable to play in the game.

The Chiefs took a 19-6 first quarter lead and were holding only a 12 point edge at halftime. The score at intermission stood at 31-19. Going into the final period the Chiefs had jumped to a 25-point lead and were on top of a 57-32 score. The game ended with Friona in the lead 71-39.

Jeff Kimble led the local scoring with 11 points followed by Kerry Bearden who made 9 and Tommy Weathersbee who sank 8. Travis Graves led the Friona effort with 21 points. Kimble grabbed 8 rebounds to lead the defensive effort and Weathersbee got 7.

The Whirlwinds hit 15 of 46 field goals attempted and sank only 9 of 18 free throws attempted.

In the girls contest with Olton the Whirlettes took early control of the game and continued to broaden the difference in the score throughout the game. Floydada won the game 53-35.

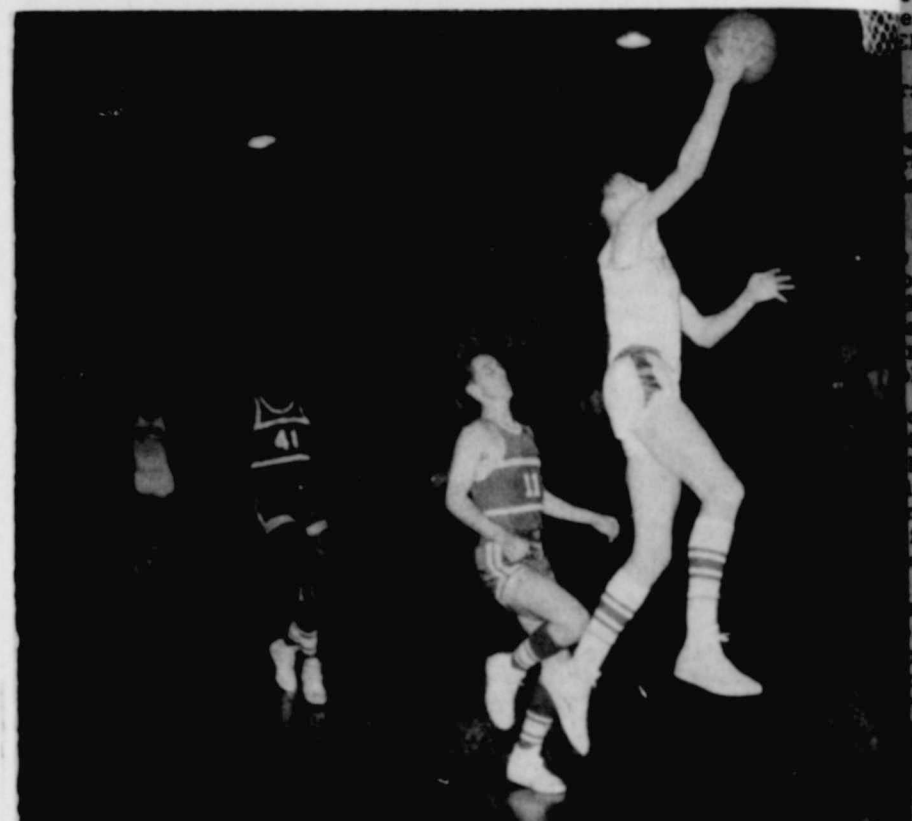

Shirley Rainer played her best game of the season as she dropped in 34 points. She was also credited with 5 assists, giving her credit and partial credit for 44 of the 63 points scored.

Jan Killian scored 8 points and Linda Williams hit 7 points for the locals.

The guards were credited with a fine ball game as they were able to contain the Olton forwards. Peggy Switzer, Linda Rucker and Nona Pernel were outstanding. Rucker

BUT WHO HAS THE BALL - Several scrambles were made for the basketball when the Floydada teams hosted Lockney here last week. In this particular instance Floydada got possession of the ball following a Lockney field goal attempt. Linda Pernel are shown in the photo trying to get control of the ball during the game. grabbed 15 rebounds to pace the defensive effort.

The game was the best team effort of the season for the locals.

Kerry Bearden paced the Floydada effort with 26 points as the Winds blasted the Mustangs from Olton 79-58.

The game started with Floydada well in control and after the first quarter the score stood Floydada 21 and Olton only 4. At halftime the score-board weighed heavily in Floydada's favor as it read 40-14. During the second half the Floydada bench was cleared and Ol-

ton closed the gap somewhat, but were never able to overtake the locals. The game ended with Floydada ahead 79-58.

Bearden led the scoring followed by Tommy Weathersbee with 15. Three other players, Butch Emert, Jeff Kimble and Rodney Bunch scored in the double figures with 11, 10 and 10 points respectively.

It was one of the best team efforts, and particularly one of the best defensive efforts of the season for Floydada. The locals kept control of the ball and

Read this chart, and it's easy to see why Chrysler is setting all-time sales records again:

Make	Wheelbase	Overall Length	V-8 Engine Cubic Inch Displacement	Base Monthly Payments	Difference Per Month
CHRYSLER NEWPORT	124"	219.0"	383	\$65.80	—
FORD GALAXIE 500	119"	210.0"	289	\$58.32	\$7.48
CHEVROLET IMPALA	119"	213.2"	283	\$58.45	\$7.35

BASIS OF COMPARISON - All models are two-door hardtops equipped with V-8 engine, automatic transmission, power steering, power brakes, radio and heater. Monthly payments have been computed on manufacturer's suggested retail price, 1/2 down and 36 monthly payments. Not included are the extras you pay for on practically any new car: whitewall tires, deluxe wheel covers, destination charges, state and local taxes, interest, insurance, and licensing fees.

One thing the chart can't show: the kick people get out of moving up to a car of Chrysler's size and class for just a few dollars a month more than the car they were thinking of! Come in and see how easy we'll make your move up.

CHRYSLER'S 5-YEAR/50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY WITH THIS COVERAGE: Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, without charge for required parts and labor, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1966 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

After the first quarter the Hornettes led by a narrow one point margin of 8-7. At half-time the Quanah girls had tied the score at 20-20 and threatened to take the lead. However, a rally in the third period put the Della Plains girls in front by 12 points as they led 41-29. The game ended with the locals in command of the scoreboard 53-35.

Shirley Minner, with 31 points, was leading scorer and almost matched the scoring of the entire Quanah team. Barbara Chapman had 11, Marbra Bennett had 6, Nona Owens 3 and Kathy Heaton 2.

QUANAH BOYS

After leading for one half, losing their top scorer, then fighting back desperately, the Della Plains boys fell to Quanah in their game last week by a 75-73 score.

In the first half the Hornets controlled the game and led 39-35 at half time. But in the first two minutes of the second half Willie Simon fouled out and Quanah moved ahead to stay. In the final period the Della Plains team closed the gap but were never able to overtake the Quanah team.

The loss of Simon did not hurt in the scoring so much, but he was leading the rebounds at the time, giving the Della Plains boys control of the ball during the first half of the game.

Raythel Chapman led the locals' effort with 25 points, followed by Tommy Collins with 14. Tommy Jackson hit 11, Lovis Black added 8, Leon Collins got 6, Simon hit 5 and Lewis Williams added 2. F. Carter led Quanah in scoring with 21 points.

The Quanah game was a make-up game and concluded the season for the teams. The Della Plains girls won their district, but do not advance to any playoffs, and the boys finished in second place behind Colorado City.

Junior High Takes 3 Games From Kress

The 7th grade girls, 8th grade boys, and the 8th grade girls were all victorious last week as the local teams battled with Kress Junior High School.

Betty Allen, making a team effort of her own, scored 17 of the 18 scored by Floydada in the 18-5 victory.

Jackie Gregory hit 8, Tommy Wylie made 7 and Ricky Pernel added six to the 8th grade boys

7th Boys Win, 8th Teams Split Lockney Games

The 7th grade boys and the 8th grade girls were victorious in games played at Lockney last Monday night. The 8th grade boys lost to their opponents in the series.

The 7th boys, led by Puckett, Hale and Burk, downed their opponents 36-12. The 8th grade girls were led by the scoring of Marilyn Harris, who made 18 points, in their 21-16 effort. Jackie Gregory made 9 of Floydada's points as the 8th grade boys lost to Lockney 31-20.

Student Council Will Sponsor Chili Supper

Floydada High School Student Council is sponsoring a chili supper on February 11 at the high school cafeteria. Serving will begin promptly at 5 p.m. and will continue until 7 p.m.

Following the supper everyone is invited to attend the basketball game between Dimmitt and Floydada at Junior High. Tickets for the chili supper will be 50 cents for everyone, all you can eat.

Everyone is invited to come out and enjoy a good meal and a good ball game.

cause as the locals won 24-14. The 8th grade girls, led by Marilyn Harris with 15 points, downed the Kress 8th grade girls 26-13.

Dimmitt, Friona Take Victories

Dimmitt fought off Abernathy for a 59-49 win to tie the two teams are now 6-1 with two contests remaining.

Dimmitt held 14-10, 34-19 and 46-25 quarter leads as Bob Bradford led the way with 16 while Ronnie Hester had 18 for Abernathy.

Dimmitt girls won, 50-41, as A'Lian Webb had 20 points and Mary Davis had 20 for Abernathy.

Friona won two games from Lockney, the boys taking a 67-59 verdict, while the girls won, 52-16. Gene Weatherly had 12 for the Friona boys and Cindy Ingram had 24 for the girls. Bob Webster tossed in 16 for the Lockney boys and Jackie Durham had six for the Lockney girls.

Floydada Second In Recent Speech Tournament Here

The Floydada team placed second in the Floydada Speech Tournament held here recently as they amassed 95 points. Muleshoe won the team trophy with 117 points and Happy was third with 17.

Danna Galloway won first place in Boys Prose. Jeff Kimble and Terry Breeding won second in Boys Debate and Connie Reed and Kathy Mulder won second in the Girls Debate.

Although Floydada won a number of 2nd and 3rd places that added to the team total, those listed above are the only trophy winners.

Lockney Council Votes Land-Lease To Country Club

Lockney City County members have voted to lease city-owned land to the newly incorporated Lockney Country Club during a Council meeting Thursday.

Terms call for a 99-year lease at the rate of \$1 a year.

The land, located one-half mile south of the city, will be used to establish golf and recreational facilities for members of the organization officially incorporated as the Lockney Country Club.

The contract being prepared has been approved by the Council and directors of the club, according to Mayor Claude Brown. Country Club directors conducted an organizational meeting Friday and the newly-received charter was presented.

Announcement was made that present officers are temporary and a permanent slate will be elected at a later date. Club membership chairman Marvin Gilbert stated Saturday 10 memberships have been sold.

I fully support our President in his determination that it was necessary to resume bombing of North Vietnam. I hope all Texans will support him as our military commander in chief. The decision to resume the bombing was eminently correct, in my judgment as a member of the Senate Armed Services Committee. Many voices were raised, some of them from the President's own party in the Senate, urging him to continue the bombing pause.

Mr. and Mrs. W. O. Wheeler, Mr. and Mrs. Dan James and Mr. and Mrs. Porter Wheeler of Ralls, spent the day Thursday of last week visiting with Mr. and Mrs. Edgel Wheeler in Lubbock. Mr. and Mrs. Howard Harris and Diane visited Friday evening in the home of Mr. and Mrs. Haney Wideman and family.

Winter Slick Streets, Highways Problems

Safe driving on icy and snowy streets and highways demands greater care and effort than driving under normal road conditions. The following are some tips on how to drive safely and help to avoid accidents on ice and snow laden streets and highways.

1. If your car has a conventional, or "old-fashioned" shift, start in second gear and engage the clutch very gently with little gas. With an automatic transmission, feed gas very gently to start, holding the accelerator steady as soon as the car moves. Increase gas only if it can be done without spinning the wheels.

Official Holidays Set For 1966

At a special called meeting of the Floydada Retail Merchants group last Friday morning, five official holidays were designated for the city: Memorial Day, Fourth of July, Thanksgiving, Christmas and New Year's.

2. Drive well under dry road speed. Speed limits set for normal driving conditions are not realistic on slick streets and highways. 3. Keep the car pulling steadily. You need moderate power not speed. To falter or hesitate is, often, to stall or go into a skid.

How to make more money by taking a small "cut" in your pay

Saving part of your income isn't really like taking a cut in pay, though it might seem like it at first. It seems a lot less like it when you save U. S. Savings Bonds on the Payroll Savings Plan.

4. Make no sudden changes in speed, gear ratio, or direction. Any of these can cause a serious skid. Make these changes, if necessary, most cautiously. 5. To stop or slow down on icy streets, lightly pump the brake pedal in rapid succession.

Colston Rites Held In Slaton

Funeral rites for John N. Colston, 72, former resident of Floyd County, were conducted Friday in the First Baptist Church in Slaton. Colston was also a former resident of Slaton.

6. Keep windshield, back windows, outside rear-view mirrors, and all lights clear of dirt, snow, frost, sleet, and mud. 7. Keep yourself under control. How can you control a car helpless against the forces of nature, if you cannot control yourself. You need all your capacities to think fast and act accordingly.

It will be much more economical for several small communities to band together in a district and one provide a vocational school, another a hospital and another a library rather than have each town try to build all these facilities.

February 7-12 Farm Bureau Membership Week

The week of Feb. 7-12 has been officially designated "Farm Bureau Membership Week" in Floyd County. The local county farm organization will have a special enrollment drive underway as part of a statewide effort to push Farm Bureau membership in Texas to 100,000 by Oct. 31.

Mr. and Mrs. R. L. Martin, Jr. received word early Monday morning of the death of his cousin, Bill Glenn, in an Amarillo hospital, and Martin left immediately for Amarillo. Funeral services are pending at this time. Mrs. B. L. West (formerly Lora Mae Hickman) of Lubbock, spent Sunday afternoon and evening visiting with Miss Ruth Bartley.

Mr. and Mrs. R. L. Neil, Floydada, visited Saturday evening with Elder and Mrs. Joe Jackson. Franklin Harris, accompanied by Gene Martin of Floydada, spent from Wednesday til Saturday night at the Ft. Worth Fat Stock Show.

HAPPY VALENTINE'S DAY

FEBRUARY 14th

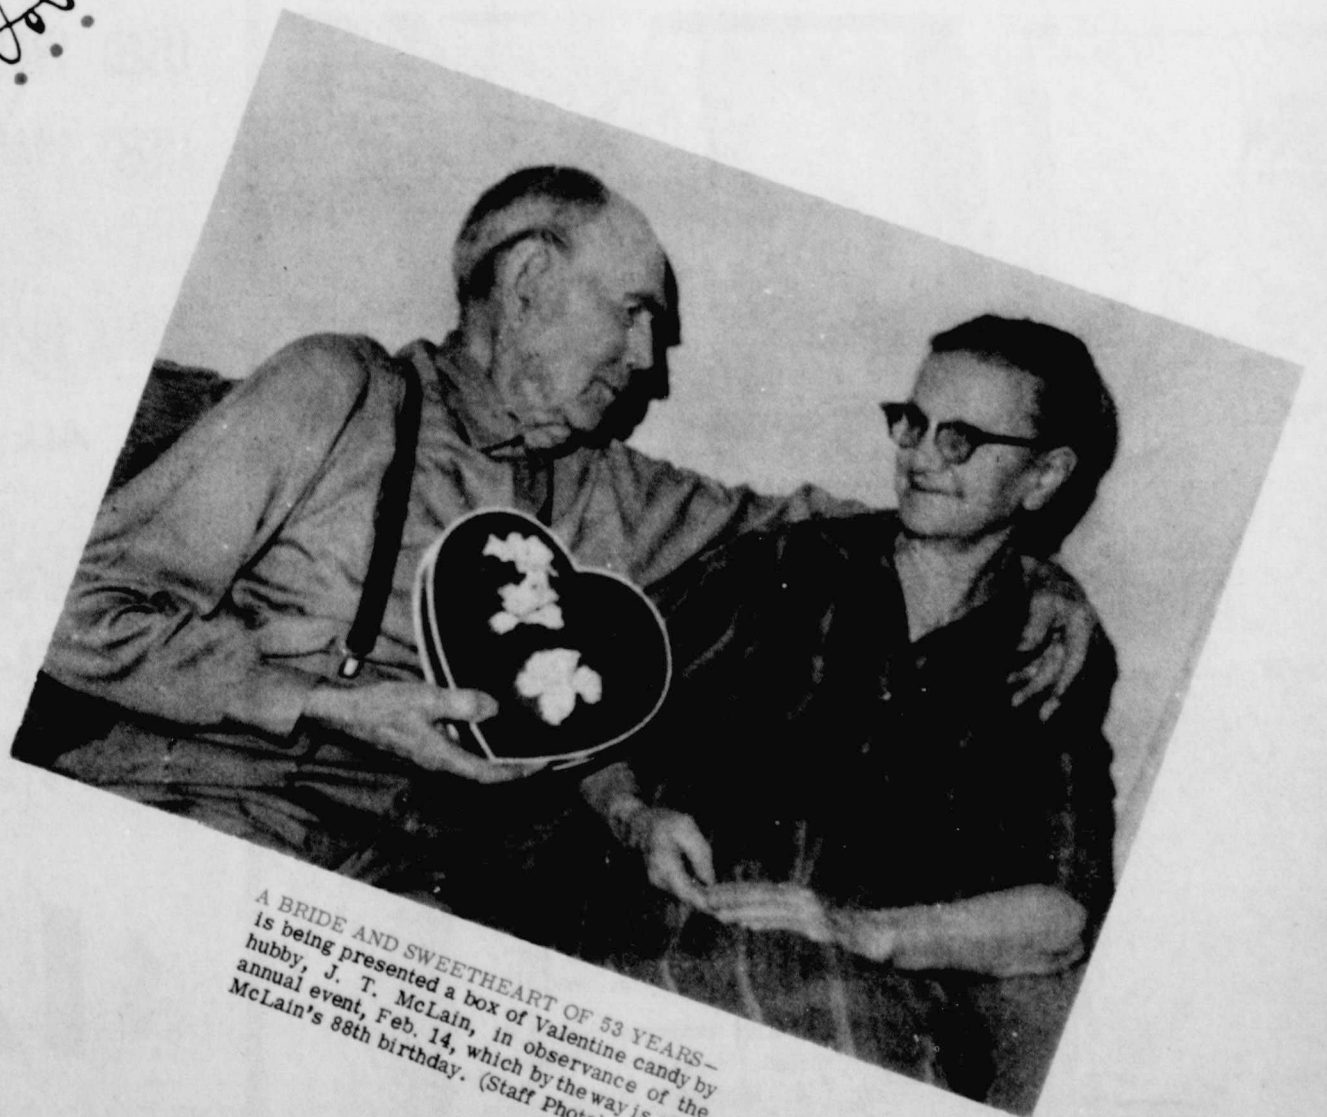

A GIRL USUALLY GETS WHAT SHE WANTS— if she plays the game right, so they say, and Tammy Payne seems to be doing just that as she flashes bright eyes and a loving smile at Bart Patzer. Could be he will give her the box

of Valentine candy - who could resist. The cute couple, both three, are children of Mr. and Mrs. Ronnie Payne and Dr. and Mrs. Keith Patzer. (Staff Photo)

HAPPY IS THE GIRL— who receives a gift from her beau at Valentine. Ronnie Gotcher gives an example as to an appropriate gift as he presents his sweetheart, Carolyn Emert, with a box of candy. (Staff Photo)

A BRIDE AND SWEETHEART OF 53 YEARS— is being presented a box of Valentine candy by hubby, J. T. McLain, in observance of the annual event, Feb. 14, which by the way is also McLain's 88th birthday. (Staff Photo)

The Poverty Program

One of the speakers at the recent state press convention at San Antonio said that the American press has been too critical and harsh in its treatment of the poverty program. Possibly, this is true. . . perhaps we should rationalize and say, "well, like all government programs there is bound to be some waste."

However, we still need more proof that the program is meeting the need of our poverty stricken and that it is justifying somewhere near the amount of its cost to the taxpayer. We heard a fellow the other day say, "the best answer to the poverty stricken of our nation is go to work."

At a time when taxes are being raised and the Vietnam war weighs heavily on hearts and pocketbooks, and when prosperity is widespread throughout the country, waste and nonsense in the poverty program does not sit well with the taxpayer.

The recent revelation that a Bryn Mawr graduate was drawing over \$9,000 a year from funds allocated to the poverty program, or about to draw that amount, for photography work, and the furor this revelation caused, is but a symptom. There have been others.

There is much suspicion, and conviction among many, that the anti-poverty program is heavily immersed in local politics in some metropolitan areas especially.

Rather than medicare, against which the medical profession fought so long and hard, but which is now solidly on the books and likely to remain there, the programs in the Great Society which are more likely to disgust voters are those which have been hastily conceived and which are not being administered to the satisfaction of the voter.

That is why unemployment compensation has remained unpopular with many Americans. They see in its administration and the rules under which citizens become eligible for hand-outs things which provoke disgust. Practically everyone would favor some assistance to the genuinely distressed, to the man earnestly seeking work, laid off through no fault of his own, and fighting to take care of a family. But the present program in some cases allows the lazy and irresponsible to feed on the public trough, and encourages their indolence.

The anti-poverty program is not off to a very healthy start in many areas and as politics and racketeering become more evident in the bureaucratic maze, the Administration is likely to be harder and harder pressed to defend it.

Happy At Home

"HE IS HAPPIEST, be he king or peasant, who finds peace in his home."

We noted the above quotation in a club report last week. Regardless of where one is privileged to travel, regardless of the attractions offered, sooner or later . . . and usually sooner . . . one wants to return home. And nothing is more comfortable than the feel of one's own bed after having been away for a time.

IN ENGLAND, the royal family very seldom can be found at its official residence. It is noted that the Presidents of the United States seem to take every opportunity to leave the White House. This is quite understandable. We are quite sure that the White House never seems like home to its occupants. We are quite sure that England's royal family grows tired of the museum-like atmosphere of Buckingham Palace which looks more like a college administration building than a home.

Home is truly a man's castle, a place where he can relax, where he can get away from the public. Where he can shut out many of the responsibilities which tag along after him all day long.

UNFORTUNATE ARE parents who have children who can't be content at home, who would never stay at home unless forced to do so.

All of us like to go, all like to tread on the greener grass across the road . . . this is normal. But it is also normal to want to come home at the end of the day.

The atmosphere of a home should be such that members of the family can be happy and contented. What is worse than a home beset with parents who scream at each other and at their children, where things are continually in disorder, where beds go unmade and dishes unwashed, where members of the family have to shout at each other because Johnny is watching television and he likes it nice and loud!

Wonder why we never hear the immortal "Home, Sweet Home" any more.

Who Is A Savage?

When we look at the savage of the African jungle, the primitive peasant of India and Asia, the jungle Indians of the Amazon Valley of South America living only a step above the animal, it is difficult not to feel we belong to a superior race. How hard it is to look upon these dirty, ignorant people as our brothers.

Yet, when we look back at history we find that when the Apostle Paul sailed on his first missionary journey out of Jerusalem, there lived on a group of islands off the western coast of Europe white savages eating the flesh of each other, worshipping the sun and moon.

But, as the years passed, missionaries came to these islands and today we call these islands the British Isles and these once white savages are your forefathers and mine.

Death Claims

Mrs. W. C.
Wright

Mrs. W. C. Wright, the former Ola Slaughter, died in Torrance, Calif., Jan. 23, according to word received here by Mr. and Mrs. Jack Henry. The deceased, a former resident of Floydada, was the sister of the late Mrs. Luther Fry of this city, and daughter of the late Mrs. Lula Slaughter.

She was born in Floydada December 14, 1901 and moved to California with her husband some 34 or 40 years ago. The family home address is 1300 W. 32nd St., Long Beach, Calif. Survivors include her husband; one son and two grandchildren; three brothers, Ray, G. V. and Melvin Slaughter and one sister, Mrs. Joe Day, all of Long Beach.

Funeral rites were conducted Jan. 25 in Silverado Methodist Church at Long Beach with interment in Forest Lawn Memorial Park in Cypress, Calif.

Babson Sees Better Days For Farmers

By ROGER BABSON
BABSON PARK, Mass. — Our nation's farmers earned better incomes in 1965 than for any other year in well over a decade. Realized net farm income was approximately \$14 billion. The outlook is for a further boost in 1966. Let's see why prospects are so favorable.

Farmers have not always participated as fully as other segments of the population during times of economic expansion. But in recent months, agricultural income has been bolstered by an especially strong demand for livestock. The country's large cattle supplies have been moving easily and quickly into consumer channels to satisfy the American appetite for beef. At the same time, a big jump has occurred in prices for pork and bacon because of a sharp cut-back in the number of hogs farrowed.

The boom in livestock reflects increases in the U.S. population, record employment, and still rising personal incomes which permit more leeway and discretion in food and other buying. These bullish factors should continue to operate throughout much, if not all, of 1966.

Although we are still plagued by surpluses of some agricultural products — which cost many, many millions of dollars to store under government price-support programs — these gluts are not as burdensome as they once were. Curiously enough, Uncle Sam's often half-baked farm price-support programs now look like they might pay off in an unexpected manner.

For a quarter of a century, the government tried to limit farm output of selected crops by paying a sort of bonus to farmers who would take land out of production. They assured these farmers that prices for the grains or other crops that they did harvest and put under loan with the government would not dip below certain realistic floors. The result was that farmers cut back their acreage, but then used every means possible to boost productivity. In many cases yields per acre have nearly doubled since 1945.

This ability of our farmers to increase their productivity and to vary it as conditions warrant will stand us in good stead now. For we are on the threshold of a great expansion in demand for our farm products. There is a very good chance that total trade shipments of U.S. farm produce to foreign countries will set a new record this year. Increasing economic activity and rising incomes in Western Europe, Japan, and Canada will almost certainly be providing wider markets for our crops.

Over the longer pull the outlook is equally bright. Other nations besides us are in the grip of population explosion, and they will have to look to the large crop-producing countries for needed supplies. Soviet Russia, for example, may well be approaching the point where she cannot — on a regular, sustained basis — produce enough grains and feeds to take care of her own expanding population.

Beyond the expected increase in our commercial farm shipments abroad, there is still another outlet for our produce. Agricultural surpluses now being stored in government bins at enormous cost to taxpayers could be shipped to underdeveloped areas of the world in much larger quantities than is now be-

ing done. Food needs in the world's developing countries are rising sharply. Unless they are met soon, hunger will become an even more serious problem in widening areas of the globe. We predict that Congress, this year, will approve a more realistic food-for-peace program through which we will move sizable surpluses and, at the same time, help the developing nations to increase and improve their own farm productivity. This would greatly benefit our own U.S. farm community.

30-DAY FORECAST

February Weather Outlook Is Issued

The 30-day weather outlook for the High Plains area including Hale County has been issued by the Weather Bureau Agricultural Service Center at Lubbock. The forecast area includes Lamb, Floyd, Castro, Swisher and other nearby counties.

The outlook calls for temperatures to average well below normal while precipitation will be near normal. The area will not be in the path of either high or low pressure systems as the move eastward across the country but cold air will drift southward from the high pressure systems that are scheduled to move across the northern Plains. Some moisture will reach this area from the Gulf of Mexico but only moderate amounts of precipitation are likely to fall due to the absence of low pressure systems.

February is one of the normally dry winter months. The average for the month ranges from about a half inch over the western counties to a little over three-quarters of an inch over the eastern counties. The chance that precipitation will exceed an inch is about one out of every five years and the chance that precipitation amounts will exceed two inches is about one out of every 25 years. Most of the precipitation that does fall in February occurs as snow and this is especially true when temperatures average below the seasonal normal.

February is normally a month of frequent changes from mild to cold weather and records show that this month marks a slow upward trend in temperatures over the Plains of Texas. Although the forecast for this February calls for lower than normal temperatures — this same trend can be expected and the last half of the month will produce longer periods of mild temperatures.

Frequent Changes

Many sections of the Plains have an adequate supply of soil moisture that has been carried over from the rains last fall and additional moisture has been added by recent snows but the top few inches of the soil will dry out rapidly.

This dry top layer of the soil will be subject to wind erosion and fields that are not properly prepared will be seriously affected by strong winds. This means that during the first half of the month with one or two strong dust storms during the first half of the month with one or two more to follow depending on the progress of land preparation.

SOUTH PLAINS NEWS

Spring-Like Weather Prevails

SOUTH PLAINS, Feb. 7 — This past weekend found many people out of doors as they enjoyed temperatures above the 70 degree mark Saturday and Sunday. The spring-like weather probably will not last, as this Monday morning we are cloudy and a bit cooler with the promise of some light rain.

Charles Beedy, formerly of this community and brother of Eugene Beedy here, remains in critical condition in Northwest Texas Hospital in Amarillo. Beedy is suffering from a very rare liver and blood condition and is growing steadily weaker. His family, all former residents of here, have kept a constant vigil at the hospital. Several from here have been going up to Amarillo to be with the family in their hour of need. Our hearts go out to each and everyone of them.

The "Art for Heart" campaign held a kickoff meeting last Saturday morning at Lockney. Mrs. Phillip Smitherman has been named as chairman of the South Plains district.

Mrs. Don Bean and Mrs. Herman Thornton are other volunteers helping Mrs. Smitherman with the fund raising drive. Please welcome them as they call on you.

Mr. and Mrs. Roy Burks returned Sunday night from Edinburg, where Burks attended a managers and ginners school. Burks is manager of the Co-op Gin here. They returned by way of Dallas where they enjoyed visiting all of their children in the Dallas area.

Bud Sessions, uncle of Sylvia Kinnibrugh, visited in the Kinnibrugh home Friday night and Saturday of this week. Sessions is from Hobbs, N. Mex. Saturday Mrs. Kinnibrugh's sister, Mrs. W. H. Simmons of Truscott, visited in the Kinnibrugh home.

Mr. and Mrs. Frank McClure had as their guests this past weekend her sister and husband, Mr. and Mrs. Eddie Branch of Lake Whitney, Texas. Mrs. Willie Weast of Silverton was a guest in their home all of last week. Saturday all of the McClures and guests went to Plainview where they were luncheon guests of the McClure's daughter, Mrs. Jean McClure and family. Their grandson, Boyd McClure, came home with them and they returned him to school early Monday morning. Mr. and Mrs. George Weast were Saturday night visitors in the McClure home where they all enjoyed games of canasta.

Funeral services were held last Friday in Weatherford, Texas for Charley Byars, brother-in-law of Mrs. H. L. Marble. Mr. and Mrs. Marble left early Thursday morning for Weatherford. Others leaving Friday morning to attend the services were Mr. and Mrs. Don Marble, Mr. and Mrs. Keith Marble, Fred Marble and Mr. and Mrs. Marvin Wells. Mr. and Mrs. Don Marble returned home late Friday night with the others returning Sunday. Mr. and Mrs. H. L. Marble remained in Weatherford for a few days. We extend our sympathy to the Marble family.

Mr. and Mrs. Early Petichett have had their grandchildren, Susan and Grant Turner with them from Friday to Sunday night. The children's parents, Mr. and Mrs. Shorty Turner

CHURCH NEWS

Sixty-one were present for Sunday School at the South Plains Baptist Church this past Sunday. Several came for church later. Boyd McClure of Plainview was a visitor with his grandmother, Mrs. Frank McClure. The ladies of the W.M.U. met Tuesday afternoon with seven present. They were Mmes. L. T. Wood, Doodle Milton, J. P. Taylor, Bob Maurer, John Kinnibrugh, Bryan Karr and Sealy Smith.

Mrs. L. T. Wood took two of the G. A. girls to Crosbyton Saturday for an Associational G. A. meeting. The girls going with Mrs. Wood were Sharon Smith and Darla Milton. Sharon has been elected Associational stewardship chairman.

The young ladies of the church met Tuesday morning at 9:30 with Mrs. Nathan Mulder leading the group in Bible study. Those present were Mmes. Nathan Mulder, J. Ronald Taylor, Keith Marble, John Kinnibrugh, L. N. Johnson and Sterling Cummings. Mrs. L. T. Wood and Mrs. J. P. Taylor kept the nursery.

We were happy to note that Arby Mulder was able to be out to church services Sunday morning after being confined to his home for some time due to illness.

Mr. and Mrs. Tommy Edwards of Whiteflat were Sunday dinner guests in the home of Mr. and Mrs. Arby Mulder and Katherine. The Edwards went to Floydada late Sunday afternoon and were guests of Mr. and Mrs. Ernest Smitherman Sunday night.

Mrs. L. T. Wood went to Lubbock after church Sunday to visit her daughter and family, Mr. and Mrs. James Teague. She returned Monday afternoon having spent the night with the Teagues.

Funeral services were held Saturday afternoon in Silverton for Mrs. Natalie Watters, aunt of Mrs. J. P. Taylor. Mrs. Watters succumbed Thursday in Northwest Texas Hospital following a lengthy illness.

Mr. and Mrs. J. P. Taylor and Katie and Mr. and Mrs. Doodle Milton and Darla went to Silverton Sunday where they enjoyed the Briscoe County Museum. This museum is new in Silverton and though is quite small they reported it very interesting and worth while.

Mr. and Mrs. John Kinnibrugh, Beverly and John Mark went to Gilliland this past weekend where they visited Mrs. Kinnibrugh's mother and father, Mr. and Mrs. Earl Burgess and Mr. and Mrs. J. A. Kinnibrugh of Vera. The latter Kinnibrughs are the parents of John Kinnibrugh.

Jean and Mark Reeves, children of Mr. and Mrs. Bob

Reeves, have been confined to their home with the chickenpox this past week. They are doing nicely now.

Carlen Young, daughter of Mr. and Mrs. Deral Young, was absent most of last week from school, suffering from a respiratory ailment. Carlen is able to be back in school now.

Bobby Britton was a patient in Medical Center Hospital at Plainview Thursday and Friday of last week. He has been suffering from an arthritic condition and had a reaction to medication. He was able to be up some this Monday but still has some pain.

Mr. and Mrs. Kenneth Bean, Diane and Carla had as their house guest Monday night Kenneth's mother, Mrs. J. K. Bean of Silverton. Mr. and Mrs. Bean plan to depart some time this week for a deep sea fishing excursion down Mexico way.

SECOND SUNDAY SINGING

Next Sunday is again time for the regular Second Sunday singing to be held in the new Nazarene Church starting at 2 p.m. according to C. M. Lyles, president.

The singing in January was well attended with singers present from Briscoe, Hale, Lubbock, Crosby, Dickens and Kent Counties.

A good group is also expected this Sunday.

HOUSE BILL 12322

Plains Research And Promotion Gets Boost

The National Cotton Council's move to make available for cotton research and promotion a national marketing plan, a bill which would establish a Cotton Board selected by the Secretary of Agriculture to determine if cotton should be grown in a state, was introduced in the House of Representatives by Congressman ...

There has been more than a little comment on this provision, and many are of the opinion that denying the right to vote to those who oppose the marketing order is not exactly in line with democratic principles. Orders issued by the Secretary under the bill could provide for (a) the establishment and administration of appropriate plans or projects for the advertising and sales promotion of cotton and its products; (b) establishing and carrying on research and development projects and studies on production, ginning, processing, distribution or utilization of cotton and its products, and (c) providing that handlers of cotton maintain and make available for inspection whatever books and records might be required by the order and deemed necessary and appropriate by the Secretary. Simply put, the program would work like this. The Secretary would establish and select a Cotton Board from nominees submitted by approved area and state producer organizations. The Cotton Board would develop and submit to the Secretary for his approval advertising, sales promotion or research and development plans, with no such plan or project becoming effective without the Secretary's approval. An annual budget for carrying out the approved projects would also be submitted to the Secretary for approval. The point of collection is not specified in the bill except to state that "each handler of cotton, as prescribed by the order, shall collect from the producer . . . and shall pay to the Cotton Board an assessment prescribed by the order." With the money thus made available the Cotton Board, with the approval of the Secretary, would enter into contracts or agreements for carrying out the research and promotion plans with an organization governed by cotton producers selected by area and state producer organizations certified by the Secretary. The act specifies that the producers of each cotton producing state will, to the extent practicable, have representation on the governing body of the contracting organization in proportion to the monetary contribution of producers in that state. The only beltwide organization now in existence which fits this description is the Cotton Producers Institute which up to now has operated on voluntary \$1 per bale contributions. It is not spelled out in the bill itself, but the National Cotton Council has previously said its staff would be available to service the program, without overhead, as it has serviced CPI in the past. Any change in the amount of the initial \$1 assessment could only come about by amendment of the order, recommended by the Cotton Board, approved by the Secretary and adopted by two-thirds of the cotton producing two-thirds of the cotton. Some observers in the cotton industry and farm organization leaders do not believe the enabling act can pass Congress as written. And certainly there is ample opportunity for changes to be made as the bill winds through the House Agriculture Committee, the Senate Agriculture Committee, the bodies of the House and Senate and finally a conference committee. But others point out that Senators and Congressmen will only be voting on whether or not to allow producers to decide for themselves whether or not they want such an approach to research and promotion. And this being the case, it is easy to see that any legislator voting "yes"

could more easily defend that position than otherwise. Plains Cotton Growers, Inc., traditional spokesman for producers on the Plains, has not taken an official position either on the enabling legislation as now written or on the "check-off" principle. Such a position may be taken later this month when its Board of Directors meets. But regardless of the position taken by PCG's Board, or the Board of any other organization, the final decision will be up to producers if and when a referendum is called. And Donald A. Johnson, Executive Vice President of Plains Cotton Growers, stresses this fact in advising that cotton farmers on the High Plains study the proposal carefully and keep fully abreast of developments against the day when they will be called upon to vote.

There has been more than a little comment on this provision, and many are of the opinion that denying the right to vote to those who oppose the marketing order is not exactly in line with democratic principles. Bravo Smokes

Begin Expansion

Bravo Smokes Incorporated, of Hereford, Texas, recently began a major expansion into the Lubbock market, according to a report from company officials. The smokes do not have nicotine so are considered not injurious to the users' health. Instead of tobacco the industry makes the smokes of lettuce. (The word, cigarette, is not used by the industry because of the lack of nicotine.) Puzant C. Torjigan, president of the Corporation, said recently concerning the expansion, "We are now in production for three months and our product has naturally improved from the beginning because of improved processing and machinery and personnel training. We are beginning to develop the art of which the tobacco industry has had a 305-year headstart."

Toastmasters Continue Drive For New Members

The Floydada Toastmasters are continuing their membership drive to build a larger attendance since their reorganization early this year. The group started with a core of 10 returning members and recorded a total of 15 present at the meeting a week ago. Last night's attendance was not available by press time. Last night Bill Brown, John Reus, Carl Brock and Vaughn Ginn were to give Ice Breaker speeches. The invocation was given by Ron Loose, with Don Cheek acting as Toastmaster. The General Critic was Sam Spence, Don Pemberton reported the news, Charles Carr was in charge of the Table Topic and John Hay was Time Keeper. The group meets each Wednesday night at 7 p.m. at Rogers Restaurant. The organization is seeking a goal of twenty members for this year.

GERRALD POWELL HAS CLOSE CALL

Gerald Powell, Fire Chief at Ralls, who is married to the former Ima Jean Noland of Floydada, had a close call Sunday about 12:45 p.m. when he fell off a ladder while fighting a fire at the Mexican Baptist Mission in Ralls. Another fireman broke his fall. Firemen battled for an hour and 35 minutes to bring the blaze under control, but the large frame building was described as a total loss by other news sources. Some church literature was salvaged but most of the mission's equipment and furnishings were destroyed. No injuries were reported.

FLOYD DATA

County Agent's Corner

The Floyd County Junior Livestock Show is slated for March 7-8-9. Approximately 450 animals will be shown in the County Show.

Between 40 to 50 steers will be shown. The superintendent of this division is Jerry Williams. The Assistant Superintendent in Eddie Foster. This year steers will be judged by C. S. (Chili) Smith, Swisher County Agent.

The lamb division is expected to have between 200 and 225 lambs in it. The Superintendent and Assistant Superintendent of this division are Joe Cunyus and F. G. Jones. The judge for this division is Calvin Helms, Vocational Agricultural Teacher from Roscoe.

The swine division is expected to be large again this year with about 200 entries expected in this division. The Superintendent and Assistant Superintendent for this division are Carl Brock and James Hale. Paul Gross, Ass't. County Agent from Gaines County will judge the barrows.

The General Superintendent for the Show this year is Joe Taylor.

The same auctioneers that have served the show in the last few years will be used. They are Raymond Alken and Gene Harris, both of Plainview.

The Stock Show board limited the boys and girls showing in this year's show to those under the supervision of the Floyd County Agent, Lockney Vo Ag and Floydada Vo Ag teachers. In the past years a person being in Floyd County and under the supervision of another ag. teacher or County Agent could exhibit.

CROP INSURANCE GOOD BUY IN 1966 IB M IBM CAPS

Many Texas farmers are eligible for top-notch crop insurance in 1966. Federal Crop Insurance is available for cotton, grain sorghum and wheat.

"The built-in insurance in the new ASCS program can be combined with the Federal Crop Insurance to give growers insurance for their production costs - and some profit if a loss should occur. It amounts to a guaranteed minimum income. With cotton as an example, a farmer with a projected ASCS yield of 300 pounds an acre and a price support of 9.42 cents a pound, will receive a payment of \$55.28 an acre under the combined programs if a loss occurs. If the loss happens between the time the first blossoms are shed and harvest time, payment to the farmer would be \$71.46 an acre. After deducting the premium for the FCIC protection (in this example) \$4.30 an acre, the farmer is guaranteed a mini-

more under the two programs of \$50.96 an acre, or \$67.16 an acre, depending on when the loss happens.

The FCIC program is a non-profit agency of the U. S. Department of Agriculture. New features of the FCIC program this year include increased production guarantees, particularly in the Blacklands cotton areas. Also cotton farmers can now select a price per pound in placing a value on their cotton for loss settlement purposes. More than 10,000 Texas farmers participate annually in the Crop Insurance. They are insured for some \$25 million. Complete details of the program are available from FCIC agents working in insurable counties, at the nearest FCIC district office or by writing Federal Crop Insurance Corp., USDA Building, College Station, Texas.

BARTON ABBOTT WINS IBM CAPS IBM CAPS

BY JOHN FIELDS
Barton Abbott of the Lockney 4-H Club has won the South Plains 4-H Club Cotton Yield Per Acre Contest in Floyd County. Barton is now eligible to submit his records for competition in the district contest. Texas A & M Extension Service and the donor is Plains Coop Mill. An Awards and Recognition Cotton Yield Day will be held in Lubbock at the Plains Coop Mill after district winners have been selected.

The purpose of this contest is to promote greater yields per acre of lint cotton on farms of the South Plains by improving the fertility and texture of soil and by better cultural practices.

By winning this contest on the County level, Barton has demonstrated his ability to accomplish the purpose of the contest.

Congratulations to Barton Abbott. We hope he will continue to be an outstanding farmer and 4-H member.

FOUND FISH FOOLED SAME TYLER - Rancher Tommy Waters baited a trotline with minnows for channel catfish and promptly caught fourteen crappie that weighed 13 1/4 pounds. This occurred in Waters' waters - his own farm lake where crappie had never been stocked intentionally.

There were probably other incidents where the fish fooled everyone and didn't bite at all, but in East Texas you never hear of such things.

Redistricted Circuit Of Jehovah's Witnesses Plan Meet March 4 6

A newly redistricted circuit of Jehovah's Witnesses, extending from Wichita Falls to Levelland from Altus to Haskell, will meet in Plainview March 4-6, for a semi-annual assembly.

The 15 congregations will meet to discuss the subject, "Make Disciples of People of All the Nations."

Clarence W. Hall, representative minister of Jehovah's Witnesses in Plainview said "According to their 1966 Yearbook, Jehovah's Witnesses are preaching and teaching in 197 nations and isles of the sea. Eleven nations, chiefly Russia and her satellite countries, have forced Jehovah's Witnesses' ministry underground."

The training program at this assembly is designed to accomplish the discipling work by promoting home Bible studies with interested persons. Hall said, "Disciple means 'one who receives instruction from another, a learner.'"

The Watchtower Bible and Tract Society, directive agency, regrouped almost all congregations in Texas to approximately 15 congregations to each circuit. The re-formed circuit arrangement became operative February 1.

Department heads and their assistants throughout Circuit No. 9 met Saturday, February 5, in Plainview to reorganize about 20 departments for the assembly.

CENTER NEWS by Mrs. J. E. Green

Temperature Above Freezing

CENTER, Feb. 7 - Today it seems like spring is just around the corner. Sunday was also a beautiful day as indicated by the increase in Sunday School attendance.

There is still sickness in and around our berg. The Greens are improving. O. C. Vinson, who has been in Lockney Hospital for three or four days, is reported coming home after a checkup at Lubbock today.

Mr. and Mrs. James Hartline and son, Blake, who was a year old Friday, spent the weekend in town visiting James' parents, Mr. and Mrs. Luther Hartline, and other relatives.

Sunday afternoon visitors of the Hartlines were Mrs. Ethel Brown of Roaring Springs and Mrs. Brown's daughter, Dorothy, and husband, Mr. and Mrs. Charles Hill of Fort Worth.

The J. E. Greens called Tuesday morning at Mrs. Charley Battey's. Other callers there were Mr. and Mrs. Julian Edmondson of Phillips and Mr. and Mrs. Fred Battey.

Mr. and Mrs. Thomas Warren and Mrs. Charley Battey made a trip to Lubbock Thursday.

Mr. and Mrs. Clarmon Booth entertained Saturday evening with supper honoring her parents on their 34th wedding anniversary, and the 16th anniversary of her sister and husband, Mr. and Mrs. Nolan Arney. Present were all the Welborn's children and families.

Mrs. Welborn and Mrs. Frank Dunn were in Plainview Saturday morning. They stopped by to see Mr. and Mrs.

Vinson at the Lockney Hospital.

Mr. and Mrs. Tony Balios and children of Lubbock spent Sunday with her mother, Mrs. Frank Dunn.

Mrs. Dunn and Mr. and Mrs. Leo Frizzell visited the Vinsons in Lockney Hospital Friday afternoon.

Mr. and Mrs. Hal Thomas were in Lubbock Saturday to be with her sister, Mrs. Martin Green of Seagraves, who was in Methodist Hospital for surgery.

Mrs. C. E. Finley, formerly of Center, now on W. Miss Street, Floydada had company Saturday - Mrs. Adcock and Mrs. Ralph Lemons; and Sunday afternoon Mrs. Harvey Thomas and Mrs. Collins.

Vic Green of Plainview had a short visit Monday, today, with his parents, the J. E. Greens.

Sunday dinner guests at the Thomas Warrens were Mr. and Mrs. Bob Alldredge and children, Mrs. Ola Warren, Mrs. Charley Battey, and Mr. and Mrs. Fred Battey.

CENTER, Jan. 31 - The sunshine is beautiful today. The temperature is above freezing this afternoon and snow is melting.

Church was well attended Sunday considering the weather.

Mr. and Mrs. Leo Frizzell visited last Tuesday with their daughter and family, the Garvin Beedys of South Plains.

Mr. and Mrs. Joe Lee Dunn of Lubbock visited Sunday afternoon with his mother, Mrs. Frank Dunn.

La Tonia Beedy spent Saturday with her grandparents, Mr. and Mrs. Leo Frizzell.

Mrs. Ada Eaves of North Platte, Nebraska, is visiting her daughter and husband, Mr. and Mrs. C. W. Denison. Saturday all attended funeral services for Mrs. Denison's aunt, Mrs. Mary Eaves of Midland. Services were held in the Baptist Church at Slaton, her former home. Interment was in a family plot at Lorenzo.

Mr. and Mrs. R. C. Ross dined Sunday with her brother and wife, Mr. and Mrs. Clarence Guffee. Other guests were Mr. and Mrs. Homer Guffee.

Mr. and Mrs. Elmer Sellers of Floydada visited the Doyle Sandifers Sunday afternoon. Mr. and Mrs. Roy Finley and Fred Robertson came Monday afternoon.

Some of the community wells froze up during this near zero weather. Walter Sims was one who was out today resting some drinking water from a neighbor whose well escaped freezing.

Mrs. Jerrold Vinson and small daughter, Lori of Harmony visited Mr. and Mrs. O. C. Vinson Wednesday afternoon. Jerrold looked in on his parents awhile Saturday.

Walborn Miller of Lubbock came by and had supper Saturday evening with his aunt and family, the Hal Thomases. Then he went on to Plainview to spend the night with his parents, Mr. and Mrs. Olin Miller. Olin has been ill but seems improving.

Mr. and Mrs. Anthony Latta of Mt. Blanco visited Friday afternoon with the J. E. Greens. Mr. and Mrs. Victor Green and boys, Jimmy and Steve, of Plainview visited Sunday afternoon with his parents, the J. E. Greens.

The Thomas Warrens visited Sunday afternoon with her mother, Mrs. Charley Battey. Then Mr. and Mrs. Warren went over to the Mar Dell Convalescent Home to visit her uncle, Bert Battey, who was moved in Saturday from the Lockney Hospital. He had been there since a stroke two weeks ago. This afternoon Mrs. Warren is again visiting her mother, who is feeling better today.

Thursday Mr. and Mrs. Green received word that her uncle Prof. Ed. T. Bolding of Russellville, Alabama, passed away last Monday, January 24, at a convalescent home there. Bolding, or Uncle Ed, was a retired teacher. He taught math for forty years in the Russellville High School. He was 87.

This is the third brother in the Bolding family to pass on in the last five months. He has visited here many times. He was a wonderful person and will be sadly missed in home, in church and in every circle in which he moved. The other brothers were D. I. Bolding, formerly of Floydada, and J.A.O. (Oscar) Bolding of Leonard who died in December.

We have just heard of the sudden passing of an old timer and dear friend, Mrs. Della Cozby, city, who was found dead in her home this afternoon. How we sympathize with her dear family! But again we say, "Blessed are the dead who die in the Lord." And, we know she did.

Sheriff's Sale

The State of Texas, County of Floyd, Notice is hereby given that by virtue of a certain Execution issued out of the Honorable District Court of Hale County, on the 6th day of January, 1966, by E. A. Madera, Clerk of said Court for the sum of twenty-four thousand five hundred forty-nine & 46/100 dollars and costs of suit, under a Judgment dated November 29, 1965, in favor of Tommy Gleaton and wife Bonnie Gleaton, in a certain cause in said Court, No. 12,366 and styled Tommy Gleaton et ux, Plaintiffs vs. Andrew W. Jetton, Defendant, placed in my hands for service, I, Walter Hollums, as Sheriff of Floyd County, Texas, did, on the 21st day of January 1966, levy on certain Real Estate, situated in Floyd County, Texas, described as follows, to-wit: An undivided one-third (1/3) interest in 320 acres of land, in Floyd County, Texas, being the East one-half (e.1/2) of Survey Number Fifty-eight (58), in Block D-3, G. R. Ry. Co. Certificate No. 116, Abstract No. 1697; and levied upon as the property of Andrew W. Jetton, and that on the first Tuesday in March, 1966, the same being the 1st day of said month, at the Court House door, of Floyd County, in the City of Floydada, Texas, between the hours of 10 A.M. and 4 P.M., by virtue of said levy and said Execution, I will offer for sale and sell at public venue, for cash, to the highest bidder, all the right, title and interest of the said Andrew W. Jetton in and to said property.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale in the Floyd County Hesperian, a newspaper published in Floyd County.

Witness my hand, this 21st day of January 1966.

Walter Hollums Sheriff Floyd County, Texas 2-10-66

Young Farmers Hear Drylot Feed Program

E. D. Robertson of the Spur Experimental Station, brought a program on drylot feeding to the Floydada Young Farmers here last week. Five members of the newly organized Afton chapter also attended the meeting.

Robertson's speciality is putting run-down pastures back into productivity, but he has worked with the drylot feeding program at Spur.

He showed reports to the group showing the comparison of high, medium and low concentrate feeds, and showed pictures of the calf crops grown on the results of the concentrate and pasture on cows and calves.

Regarding concentrate feeds, he stressed that a person should grow enough to handle the num-

ber of animals one plans to feed. If feed is put into silo it should be packed as tightly as possible to shut out air. Good Management was the point particularly stressed in this type feeding. The concentrate and supplement should not vary in the least, and if an animal happens to go 24 hours without water it will bloat.

The Young Farmers made plans to build a wash rack at the stock show grounds and plan to have it ready in time for the County Fat Stock Show this March.

The wash rack will have a concrete floor and metal partitions. It will have a capacity of four cows and two pigs. It will be about 12 by 30 feet.

The next meeting is set for March 3 and the program will be on Water Concentration.

"FB WEEK" PROCLAIMED - Governor John Connally is shown signing a proclamation designating Feb. 7-12 as "Farm Bureau Membership Week" in Texas as Texas Farm Bureau Queen Cherri Lee Norman of Tahoka and TFB President C. H. DeVaney of Waco look on. During the special week, thousands of voluntary membership workers will call on their neighbors and ask them to join Farm Bureau. The state farm organization has a goal of 100,500 members in 1966.

TUCKER TEUTSCH GRADUATE OF NTS

Tucker Teutsch Jr., who was born in Floydada, son of Mr. and Mrs. Teutsch Sr., of Dumas and grandson of Mrs. E. F. Stovall of Floydada, was among 497 seniors who applied for bachelor's degrees at North Texas State University this semester.

Winter commencement exercises were held January 30. A business administration major, Tucker is a 1961 graduate of Dumas High School,

member of Kappa Sigma, national honor society and the Finance Club.

MT. BLANCO NEWS by Mrs. B. H. Kendrick

MT. BLANCO, Feb. 7 - A reminder to all our club members should be the first item of news this week. Our Valentine dinner will be held at the community center Thursday night, Feb. 10. We are to eat at 7:00. Try to be there with your 'dish' and valentine at 6:30.

Mr. and Mrs. Frank Knox Moore and Meredith had supper with the Frank Moores Saturday night.

Mr. and Mrs. B. Wheelless lunched with Mr. and Mrs. Hubert Holcomb in Crosbyton Saturday.

Monday of last week, the W. B. Allens had lunch at the Dennis Taylors.

Saturday night, the Anthony Lattas had dinner with their 'dinner group' in the home of Miss Glenda Stoneham in Plainview. Sam and Carol visited their grandmother Wright while their parents dined.

Mr. and Mrs. Robert Winegar and Todd of Lubbock were Saturday afternoon guests of Mr. and Mrs. B. H. Kendrick.

J. M. Harrison and Mr. and Mrs. J. A. Hartsell had lunch with Mr. and Mrs. C. B. Hartsell Sunday.

Mr. and Mrs. Rudolph McCurdy visited the Roy McCraeys in Memphis Sunday.

Sunday, Mrs. Viola Brown had lunch with her daughter and family, the Bill Hambricht family, of Lakeview.

Visiting in the Al Galloway home at Floydada Friday night were Mr. and Mrs. Frank Moore.

Mr. and Mrs. B. Wheelless spent part of last week assisting their son and his wife as they prepared for a long move. Mr. and Mrs. Richard Wheelless left Saturday for their new home and work in Houston. Our good wishes go with them.

Miss Judy Allen of Texas Tech, visited with the home folks last Saturday.

Becky Kendrick was a slumber party guest in the home of Mrs. Owen Keith Crump Saturday night.

Last Monday, the C. B. Hartsells made a trip to Dallas to visit their daughter's family, the H. D. Lamberths. A grandson and granddaughter were of special interest to them. They returned home Wednesday.

Mr. and Mrs. George Stanford of Crosbyton visited Mr. and Mrs. Joe Appling and children Saturday evening.

Mr. and Mrs. Millard Watson and Dean were Sunday dinner guests in the Lubbock home of Mr. and Mrs. H. G. Ayers. The Watsons visited that afternoon with the J. H. Watsons and also with Mr. and Mrs. Harlan Crume, all of Lubbock.

Saturday night visitors in the home of Mr. and Mrs. C. B. Hartsell were Mr. and Mrs. Earl Crawford and Mr. and Mrs. B. H. Kendrick.

Kathy Kendrick was an overnight guest of Debbie Farris Saturday. Wayne Appling and Anne visited Sunday afternoon with Mr. and Mrs. S. G. Appling. Anne enjoyed an afternoon

of horseback riding.

The Millard Watsons attended a salad supper in the Wake home of Mr. and Mrs. Jack Mayes. Honored at the supper were the J. W. Seiglers and the Fred McDougle family. Both families have moved to Crosbyton.

Mr. and Mrs. Rudolph McCurdy spent Friday night with her parents at Lubbock.

Attending the regular meeting of the Crosbyton Garden Club were Mrs. S. G. Appling, who was a hostess for the meeting, Mrs. B. H. Kendrick and Mrs. Anthony Latta.

Guy Kimbell Jr., from Midland visited in the Harold Verett home over the weekend. He is Mrs. Verett's brother.

Mr. and Mrs. Edmond Brown were in Lubbock last Monday. Brownie Smith of Big Four made a brief visit in the home of Mr. and Mrs. Joe Appling Friday.

Mrs. Dennis Taylor, Mrs. W. B. Allen and J. W. McClure have spent quite some time at the bedside of their mother in the hospital. Mrs. C. A. McClure had the misfortune to fall at church Sunday night with a broken collar bone as the result.

Monday, Mrs. Joe Appling and children and Mrs. S. G. Appling visited in Lubbock in the home of Mrs. S. J. Latta. A sister to Mrs. S. G. Appling and Mrs. Latta was also visiting from Los Angeles, Calif. She is Mrs. J. R. Neece. Mrs. Gains Temple and son of Lubbock were also visitors during the day.

Harold Verett left Monday from Lubbock to fly to Laredo where he will join a group of friends from Cone who are fishing at Lake Falcon.

Rites Held For Lockney Youth

Funeral rites for William Harold (Billy) Fewell Jr., 17 year old junior of Lockney High School, were conducted Friday in the Lockney First Methodist Church. The youth died about 7 p.m. Wednesday of last week from head injuries sustained in a one-car turnover at Muncy that morning about 7:50.

Survivors include his parents of Lockney; three sisters, Mrs. Dan Smith and Mrs. Harold Snell of Plainview and Mrs. Clarence Ansley of Lockney and grandparents, Mr. and Mrs. H. L. Fewell of Lockney.

Burial was in Lockney Cemetery under the direction of Carter Funeral Home. Pallbearers were Raymond King, Thurman Davis, Roland Watson, Kenneth Wofford, Ray Sissney and Dub Dipprey.

let driven by the youth apparently went off the roadway on the left side, swerved back onto the highway and into the right barrow ditch, where it skidded and overturned several times. The boy was thrown out from the impact.

Young Fewell had lived with his parents at Lockney for the past six years. He was born Aug. 22, 1948 at Crosbyton. He was active in the Teenage Baseball League and in school journalism at Lockney.

Survivors include his parents of Lockney; three sisters, Mrs. Dan Smith and Mrs. Harold Snell of Plainview and Mrs. Clarence Ansley of Lockney and grandparents, Mr. and Mrs. H. L. Fewell of Lockney.

Burial was in Lockney Cemetery under the direction of Carter Funeral Home. Pallbearers were Raymond King, Thurman Davis, Roland Watson, Kenneth Wofford, Ray Sissney and Dub Dipprey.
