LXXXII FLOYDADA (FLOYD COUNTY) TEXAS, THURSDAY, APRIL 28, 1966 NUMBER SEVENTEEN

Farmers Crank Up, After General Rain

SURE IS WET - Bush Jordan, displaying the broad smile seen on most farmers after the rains early this week and last week, shows that part of his land is wet enough one can squeeze the

water from it. The rains that covered the county left about 2 1/4 inches in most places. (Staff Photo)

More Moisture Likely In Area Thursday

Floyd County farmers, particularly those who are farming dryland, or who had not planted yet, prepare to get their rigs into the fields after the general rains that covered the South Plains area and most of Texas beginning Thursday of last week and continuing through Monday.

Never did the moisture come in the form of a hard, washing rain, but fell in such a way and stayed overcast for such a time that Ned Bradley, who farms in the Antelope Community, said, "I received about 2 1/4 inches of moisture, and it did all the good that 2 1/4 inches could possibly do."

Although several farmers in this area had planted their grain sorghum there were very few fields that had the cotton seed in them. Now in just a few days the local farmers will put their seed in the ground in earnest, as soon as the soil is dry enough to get a planter through. The planting time is almost ideal, for the soil temperature at the 8" depth has been around 60 degrees for the past 11-12 days. This temperature is considered imperative for the germination of cotton seed.

Due to the extended dry spell that was broken only last week by the rains, between 30,000 and 40,000 acres of dryland wheat in the county had been plowed up, giving the farmers an opportunity to make a little on their wheat by counting it as diverted acres in the grain sorghum and cotton programs.

However, Thomas Warren, who has some dryland wheat, said his wheat had not really suffered enough to plow up and now he expects the wheat to make better than 15 bushels to the acre.

At the local ASCS office the official rainfall received totaled 1.58 inches but personal stations all over the county reported that between two to three inches had been received. The average seemed to be in the neighborhood of 2 1/4 inches.

Using the ASCS figures the total rainfall received to date totals about 2.18 inches. Early last week, a light shower accounted for only a trace being recorded. Prior to that time only about .58 of an inch had been recorded.

Tornado Siren Blast Today

At 3:30 today, Thursday, a practice blast on the Tornado warning sirens will be heard throughout the city. At least it is hoped they will be heard by all residents.

The blast is a continuous 45 second blast, a one-minute pause, repeated three times. Residents are urged to be alert to the siren, for it may save the life of local residents should a disaster strike Floydada similar to the one that hit Hale Center last year.

Final Baseball Sign-up Tonight

The last chance for those who wish to play baseball under the summer program here are urged to be on hand and sign up at the First National Bank Building tonight at 8 p.m. about 60 signed up Monday.

The first sign-up period was held Monday night. It was announced that if enough sign up in the Junior League, ages 13-16, another team will be formed, giving more an opportunity to play. The League presently has only five teams.

Senior League team members are to sign up Thursday also. Registration fee for this year is \$2.50.

Hospital Bids Opened

The board of directors of the Caprock Hospital district opened bids from six building contractors here Tuesday for construction of the new hospital.

All of the bids were higher than the architect's estimated cost and the architect will now rework the plans and specifications.

All members of the hospital board were present, a representative of the Wyatt C. Hedrick architectural firm, a representative of the State Health Department, and Charles C. Dunn, hospital consultant who is working with the board on the project.

In summarizing the bids, the representative of the architectural firm said that building costs were up 10 to 15 percent since the original plans were drawn, over two years ago.

It is anticipated that the board will soon announce a final contract with the contractor submitting the lowest bid after alterations have been made and cost determined.

Second Band Talent Show Set Tomorrow

The second and final of this season's Band Talent Shows will be held tomorrow night at the Floydada High School auditorium, according to Mrs. Billy Stanforth in charge of the program.

The first of the shows was held here two weeks ago and it was won by a group from South Plains College in Levelland named the Tuxette Sextet. Jan Dyson of Floydada won second place.

Those individuals or groups who are interested in entering the event should contact Mrs. Stanforth immediately.

GO TO STATE

4-H Teams Win Contests Held At Lubbock

Two senior Floyd County 4-H Club Demonstration Teams came out in first place in the district competition held at Lubbock last Saturday and will advance to the state contests to be held on the campus of Texas A&M University in June. In the Junior Division the Floyd County teams won three first places and two seconds.

The winning teams in the Senior Division were the Civil Defense Demonstration Team and the Soil Evaluation Team. Lindsey Lovell and Billy Finley make up the Civil Defense Team and the Soil Team consists of Kenneth Bloys, Willie Patterson, Randy Patterson and David Hale.

In the Junior Division winners were:

Lu Ann Lovell and George Finley, who won first place in a Civil Defense Demonstration. Tom Lovell and Jay Jones, who placed first in Vegetable Production and Marketing.

Stanley Pierce, Kent Hale and Steve Kinslow who were on the winning Soil Evaluation Team. Kay Russell and Reba Ellison who won second place with their Safety Demonstration.

Herschel Pool and Steve Dunavant who won second with their Field Crops Demonstration.

Also competing at the district contests were Stephen and Drew Lloyd with an Electric Demonstration and the Livestock Judging Team consisting of Will Snor, Lee Snor, Victor Baxter and Larry Abbott.

Although several of the Junior Teams won, only the winners in the Senior Division qualify to enter the state contests.

Miller Named Eagle Scout

Kim Miller, of Route 3, Floydada, was one of thirty-one Boy Scouts from the South Plains that were honored in the Eagle Court of Honor Ceremonies at the St. Johns Methodist Church, Sunday, April 24.

The South Plains Council of the Boy Scouts of America, which covers a twenty county area of West Texas, convened an Eagle Court of Honor to present scouting's highest award to thirty-one boys from the South Plains Area.

Polk Robinson, Athletic Director of Texas Technological College, presented the Eagle Scout Badges on behalf of the council. The scouts in the presence of their parents were charged to accept the obligations and responsibilities of the rank of Eagle Scout.

K. CUMMINGS TO STATE

Local Students Place In Regional Literary Events

Although several honors were won by Floydada students in the Regional Literary held in Lubbock last weekend, only K. Cummings won the right to compete in state competition in Austin this weekend. She placed second in science to win the trip.

James Onwby of Spearman placed first in the event. Although the one-act play, "Impromptu" won second, only the first place winner in that event advance to state. However, three of the members named to the Regional All-star cast were from Floydada.

Rande Brown, Clara Hammonds and Dana Galloway were named to the coveted cast. The only other member was Lowell Catlett of Dalhart.

The winning one-act play was put on by Mason, entitled "The

Devil and Daniel Webster." Dana Galloway also placed fourth in Prose Reading. This event was won by Renny Berry of Spearman, followed by Bob Jones of Winters. In third place was Bob Rich of Denver City.

Elaine Warren placed fifth in typewriter. This event was won by Truitt Mitchell of Denver City. In second place was Margaret Hahn of Mason and third was Stephen Mutschink of Mason.

Della Plains Girl Wins First In State Competition

Clarice Owens won first place in the discus throw at the State Competition held last weekend at Prairie View A&M. She was the only entrant from the school in any event to win first place.

Tommy Collins, however, was not far behind, for he placed third in both the low hurdles and the high hurdles at the state meet.

County Bank Deposits Up \$3 Million

At the bank call of March 31, 1966, the two county banks showed over a \$2 million increase when compared with the call of last year. However, the call in 1965 came on April 26.

The total deposits of the two banks this year was \$17,071,917.66. This is an increase of \$2,124,086.17 over last year's deposits of \$14,947,831.49. Of this amount Floydada's deposits were \$10,177,660.82 and Lockney's were \$6,954,256.84. Last year's call showed deposits to be \$9,115,883.96 and \$5,831,947.53, respectively.

In the loans and discount department the banks showed a decrease of \$1,420,448.16 when compared with last year's call.

The total of the two banks last year was \$7,862,695.93 and this year the loans and discounts totaled \$6,442,247.77. Of this amount Floydada had \$3,713,369.25 out on loans and Lockney had \$2,728,878.52.

By this time, late in April, the loans and discounts of the banks should near that figure reported last year, as more farming and business activity gets underway.

Danny Watts First In Science Fair Held At Lubbock

Danny Watts won a trip to the International Science Fair as he won top honors in the South Plains Science Fair held at Texas Tech last Saturday. Other local students were first place winners in a number of divisions in the Science Fair.

Watts won a first place medal in chemistry, as well as the trip to the International Science Fair in Dallas next week.

Other winners included:

Dwight Cummings, first place medal in Chemistry and won a set of World Book Encyclopedias and \$50 scholarship to Lubbock Christian College.

Becky Hammond, first place medal in Chemistry, and won a metal Lab Set from the American Society of Metallurgy and two books on science.

Kaz Wierzbicki, first place medal in Chemistry and won a certificate of award from U. S. Army and two books on science.

Zeke Robertson, first place medal in Chemistry and won a Certificate of Award from U. S. Navy and a certificate of award from N. A. S. A.

Joe Cox, first place in Biology and two books.

Travis Weems, second place medal in Physics and Certificate of Award from Army Aviation Association and N. A. S. A.

Phil Green, third place medal in Physics and Certificate of Award from the U. S. Army.

Bob Murry, third place in Math and won a Texas Speed Slide Rule.

Riding Club Organizational Meet Started

Anyone who is interested in organizing a Floyd County Riding Club is urged to be at the Floydada Rodeo Grounds at 1:30 Sunday afternoon, May 1.

It has been noted that almost every town and community surrounding this town has clubs that enter and ride in several parades and several prizes are won by these organizations.

As a result of this the interest in a riding club has grown in Floyd County.

Two-Car Mishap Here Injures Six People

A two-car crash involving a 1956 Plymouth and a late model Chevrolet near the east city limits on U. S. 70 resulted in six occupants from the two vehicles being hospitalized.

Treated and kept overnight at Peoples Hospital was Andrew Camacho, the driver of the Plymouth. Still under treatment in Floydada is Pedro Chavez, who was a passenger in the back seat of the Plymouth. Chavez has a possible concussion, bruises and cuts. Camacho suffered lacerations and bruises

and was released from the hospital Sunday, according to hospital attendants.

Those in the Turner car were taken by Moore Ambulance to Lockney Hospital for treatment. Mark and Vance Turner were treated and released while their brother, Brad, their parents, Mr. and Mrs. Bud Turner, and another passenger were hospitalized.

Brad was kept at the Lockney Hospital while others were

SIX INJURED-A two-car smashup near the city limits on the east edge of town about 9 p.m. Saturday night resulted in the injury of six people, four in one car and two in the other. Both cars were considered total losses. (Staff Photo)

Burglars Enter Parks Oil Co. Thursday Night

Parks Oil Company of South Plains was burglarized and robbed of about \$120 Thursday night of last week, it was reported here by I. H. Parks, owner and manager of the firm.

Parks said the burglars entered the firm through a window in the storeroom, that is only about 18" by 18" and has tractor tires stacked against it, thus cutting down on the space through which a person could have entered.

From the storeroom the burglar(s) went into the front office, where they got approximately \$120 from a box that contained money the firm's employees had taken out of cigarette and candy machines and put up.

The person then, it is assumed, left through one of the doors in the wash and lubrication room, that can be locked as the door is shut.

All tracks had been washed away by the Thursday night rains, when the incident was discovered and investigated. It was assumed the break-in occurred before the rain started, around 11 p.m.

No suspect has been found in connection with the burglary.

CAPROCK

LITTLE LEAGUE baseball is in the air...some of the boys signed up Monday night...and the final sign-up is tonight at the bank. You boys better get signed up and ready to "play ball."

ROY ROGERS AND Dale Evans, Harry James, Smiley Burnette we've seen in person this year and they are all beginning to show their age. Gloria Johnson said she saw Betty Grable in "Hello Dolly" in Las Vegas recently and she too is beginning to show the miles of wear.

Gloria said she could still sing and still had those "million dollar legs." Well, Harry James can still blow that trumpet, Roy Rogers and Dale Evans can still sing and perform at the rodeos, and Smiley Burnette still sings and performs with that low voice.

I have a Smiley Burnette photograph somewhere at home that I got from him some 30 years ago when he came to the fair Theatre in Plainview.

OUR FLOYDADA merchants

MORE AWARDS GO ON DISPLAY - Hesperian society editor Peggy Medley holds a couple of awards and news editor Jedd Blessing is putting up another that were received by publisher Wendell Tooley at the Panhandle Press Convention in Amarillo last Saturday morning.

The Hesperian received a third place award in editorial writing, second in best news pictures, and second in best special edition. Fourteen area newspapers entered the contests. (Staff Photo)

offer all kinds of promotions and bring all kinds of shows to town in order to bring more people to town... and usually works. Smiley and Rufe Davis pulled a good crowd Tuesday afternoon. Old Mother Nature brings the biggest crowds to town... without any ballyhoo or promotion every time it rains. This is the kind of exciting splash that we prefer to bring our people to town.

WELL YOU JUST never know who you'll see when you get away from home. The John Reue family was in Chicago for their daughter's wedding, and while at the train terminal there, looked across and saw David Willson and wife of Plainview. They enjoyed eating together and visiting. David is a Floydada graduate and son of the Jim Willsons.

THINGS COULD be worse. Suppose your errors were

counted and published every day like those of a baseball or football player?

AROUND 100 Floydada merchants and their sales personnel attended a sales clinic here Monday night. This is the beginning of the "Salute to Values" promotion designed to make this community and its trade area more conscious of the sincere desire that our merchants have in being of service to the customer.

Wm. A. Leigh listed a number of sales points to remember in dealing with a customer. After listing man's basic needs, such as food, clothing, shelter, security, love, attention, and the like, he reminded the group that the employer is in business to supply these needs... and it is the purpose of the sales person to help in this endeavor.

The customer is important and must be shown respect.

In approaching the customer the sales clerk must be in the proper mood and conduct himself in the proper manner. He will make some impression on every customer he encounters. This reflection will be not only of the clerk but of the store and of the entire community. He must make a special effort to create a favorable impression so that the customer will remember the store as a good place to do business.

The clerk must know the merchandise he is selling or the service he is rendering. He should supply the customer with sufficient details to enable him to derive fullest benefit from the product or service.

He must have a sincere desire to be of service to the customers and to furnish them with ideas that will help them and give them what they want. He should make the best de-

monstration or explanation of the product or service possible. He should endeavor to make each demonstration better than the last. He must back up the sales talk with quality merchandise or service. In a tactful manner he must point out the superiority of the product over the product the customer now is using.

He must realize that his primary job is to make the customer want the product. Failure to do this in most instances is the reason why the customer rejects the product rather than some other reason such as a desire "to look around" or "too high priced."

Price objection must be met by creating sufficient desire for the product or service.

An attempt should be made to sell a customer something else in addition to what he came to buy. Usually the customer appreciates the sugges-

Lockney Man Sentenced To 40 Years For Murder

—Joe Melvin Allard, 22, of Lockney, charged with the August 1965 murder of a Lockney beauty operator, was sentenced to 40 years in the state penitentiary Friday.

Allard, who had entered a plea of guilty in the non-jury trial, stood stiffly with his arms crossed as Judge J. D. Rathiff of the 110th District Court read the sentence.

District Attorney John Stapleton said that earlier Allard had agreed to plead guilty if the state would not ask the death penalty.

Before the trial, Stapleton had met with Allard and his lawyer, and agreed to the arrangement, waiving a jury trial.

Allard made a written statement confessing the crime before he was indicted by the grand jury Oct. 10.

His defense attorney, Travis Shelton of Lubbock, asked him on the stand if he would like to reconfirm the statement.

He replied, "yes, I'll reconfirm it. The statement is true."

Allard added that he gave the statement "because he wanted to clear the thing up," and that he was informed of his rights by law officers before he signed it.

Stapleton rested the state's case after 15-minute presentation, at 10:45 a.m. He said that he no longer sought the death penalty.

TEAMS GO TO AREA

Overstreet Wins First In District Public Speaking

At the district competition for the Plainview District, held here last week, Charles Overstreet, president of the local FFA chapter was named the winner of the Public Speaking Contest and will advance to the Area Judging Contest set in Lubbock this coming weekend. The Livestock, Dairy, Meat and Grass Judging Teams will also compete at Lubbock Saturday.

At the Plainview District meeting Overstreet also won the nominee for state office. It was released that four local boys had passed the district requirements for Lone Star Farmer. Their records will now be sent to the Area Level and if they pass there, it is likely they will pass the State requirements. The boys are Roland Adams, Michael Hinsley, Larry Hunter, and Nathan Johnson.

The teams and their members are as follows: Dairy - Doug Rainbolt, Randy Bertrand, Randy Jordan and Edwin Warren; Grass - Larry Hunter, Michael Hinsley and Larry Adams; Meat - Charles Overstreet, Danny Swope and Bennie Edmonds; Livestock - Rex Battey, Rex Harrison, Larry Ogden and Nathan Johnson.

Father-Son Feat Set By Lodge

Floydada Lodge #712 AF and AM will have its Father-Son night on April 30, Saturday night. The meal will be served at 6:30 p.m.

The Grand Orator of the Grand Lodge of Texas will be the guest speaker for the event.

All Masons are invited to come and bring their son or a guest.

TAX MAN SAM SEZ:

Refunds

Every year the Internal Revenue Service has thousands of refund checks returned because the taxpayer moves after filing his tax return. If you have moved since filing your tax return, send your new address to Internal Revenue so they can forward your refund check.

Beneficial Rains Fall Here

April 25 - The most beneficial rains have been seen in the area since the new day of the week. Wonderful rains of around 1.5 inches fell over the area. Clouds broke, and sun came back to the area.

Mr. and Mrs. Roy Burks left Friday for Dallas, and Royce City, to visit their children and Burks' father, who has been ill. They have him settled in a convalescent home in Rock Wall.

Mr. and Mrs. Alton Higginbotham, Kelly and Bryant from Floydada were dinner guests and afternoon visitors in the home of Alton's mother, Mrs. Bryant Higginbotham Sunday.

Mr. and Mrs. W. L. Hurt, parents of Mrs. Sealy Smith, came out from Plainview Friday afternoon and spent the night with Mrs. Smith and children here at the parsonage.

Mr. and Mrs. J. A. Taylor and Katie went to Quitaque Sunday noon to have dinner with her parents, Mr. and Mrs. W. W. Merrell. Merrell is going to Amarillo this coming week to have new contact lens fitted. He recently underwent eye surgery, and is doing fine.

Mr. and Mrs. J. A. Kinnibrugh of Vera spent last Sunday Monday and Tuesday here with the Sylvan and John Kinnibrugh families, and Sunday they all made a trip to Lubbock.

MRS. NATHAN MULDER HONORED

Mrs. Nathan Mulder was honored with a Layette Shower Thursday, April 21 at ten o'clock a.m. in the home of Mrs. Sterling Cummings, northwest of South Plains.

Hostesses were Meses. Keith Marble, Philip Smitherman, Eugene Beedy, Glen Wood, John Kinnibrugh, Tom Maurer, J. Ronald Taylor, Kendis Julian, Bobby Britton, L. N. Johnson, Rex Smitherman, Don Marble, and Mrs. Sterling Cummings.

Yellow and white were featured in the decor, with the serving table covered with a white linen cloth, and centered with yellow and white gladstole and a white and yellow stork. Stork games were played, and guests were served sweet rolls, doughnuts, spiced tea and coffee. The hostess gift was a port--oo-crib.

Twenty-two guests were present for the shower.

J. Frank Parks from McMurry College at Abilene was home with his parents, Mr. and Mrs. I. H. Parks for the weekend. Jimmy Pritchett from WT at Canyon was home with his folks, Mr. and Mrs. Early Pritchett over the weekend.

Mr. and Mrs. George West and Mr. and Mrs. Frank McClure went to Plainview Tuesday night of last week for games of canasta at the home of Mr. and Mrs. George Beedy.

Wednesday Mr. and Mrs. Sylvan Kinnibrugh and Michael went to Truscott to see her mother, Mrs. J. R. Spivey who is in bed after a fall she had at her home about a week ago. She was lucky in not breaking any bones, but she was bruised badly.

HOBBY CLUB MEETS

Members of the South Plains Hobby Club met in Plainview Wednesday at 2 p.m. at the home of Mrs. Leighton Teeple with Mrs. L. T. Wood giving devotional and Mrs. Arby Mulder led the group in prayer. Mrs. Wood told club members "What To Do About Plants Now," and Mrs. Homer T. Goodwin, Assembly of God Missionary of 23 years in northern Africa in Ghana gave an informative talk on attire, ways, and habits of the women of Africa.

Mrs. Teeple served sandwiches, a relish plate, fruit, and tea, coffee and banana cake.

Members attending were Meses. Arby Mulder, Roy Burks, John Key West, L. T. Wood, Frank McClure, Grigsby Milton, J. P. Taylor, Bryant Higginbotham, Alvin Nichols, Harold Hamm, and guest Mrs. George Beedy of Plainview.

Mr. and Mrs. Sylvan Kinnibrugh attended the funeral of

Mrs. Mary Jane Dillard, 79, who died in Plainview Monday of last week, and whose services were held at 2 p.m. Tuesday in Lockney at the First Methodist Church. She was the mother-in-law of Mrs. Ray Dillard, who is Mrs. Kinnibrugh's sister.

The Murray Julians and the Kendis Julians and girls arrived home Thursday evening from Roscoe where they had spent three days with Mr. and Mrs. Terry Julian and family. They received a wonderful rain there also, in the same rain which gave us such goodly amounts.

Those who went to Lockney to the Nichols Manor Sunday afternoon for services from the South Plains Baptist Church were Rev. Neil Porter, Mrs. Sealy Smith, and Sharon Smith, Mr. and Mrs. Early Pritchett and Stevie, Mr. and Mrs. J. Ronald Taylor, Mr. and Mrs. Shelby Calahan, Mrs. Bryan Karr, and song leader, Tommy Powell.

Sparky Parks of Parks Oil Co. here entered the Methodist Hospital in Lubbock for surgery Monday, and this Tuesday he is reported to be doing just fine. He is in Room 240, and if you are there, you will want to check on him. We hope that he can be home soon.

Denice Johnson, six-year old twin of the L. N. Johnsons, is in the Lockney Hospital with bronchitis, and has been there most of last week. We surely hope that she can soon be well and able to get back to school.

Men and women of South Plains Volley Ball Teams will go to Dougherty to the schoolhouse for volleyball tournament this Tuesday night. The South Plains Teams will play Matador.

ten classes will be out Friday for the summer, and they will have a picnic at the Floydada Park in the afternoon, following end of classes. Monty Smitherman, son of the Philip Smithermans, and Lisa West, daughter of the Johnnie Wests, attend the Kindergarten in Floydada.

Tuesday morning at 10 o'clock the Young Married Women of the South Plains Baptist Church will meet for their regular Bible Study Class with Mrs. Nathan Mulder leading the study.

Mr. and Mrs. Ernest Smitherman plan to leave Wednesday for Austin to visit their son, the Larry Smithermans and daughter. They hope to be back next Monday night, and Mr. and Mrs. Philip Smitherman, Mark and Monty will keep the Fieldan Motel in Floydada while they are gone.

Local Lions Attend 2-T2 Convention

Eight Floydada Lions Club members were in attendance at the 2-T2 Lions Convention held this past weekend in Lubbock. Six of the wives attended with their husbands.

At the convention the group saw a double-crowning of queens for the district. Shirley and Sharrell Harris of Plainview were named to represent the district in the state contest at Houston June 17. Vicki Young of Petersburg was second runner-up.

The district elected Theo (Pete) Chaney of Lubbock to the district governorship. He is a member of the Hub Lions of Lubbock.

Those attending from Floydada were Susan Hotchkiss, the local club's entrant in the queen's contest, her parents, Mr. and Mrs. John Hotchkiss, Mr. and Mrs. Tommy Assiter, Mr. and Mrs. Louis Anderson, Mr. and Mrs. Arlis Powell, Mr. and Mrs. Billy Hendrix, Mr. and Mrs. Jack Covington, Mr. and Mrs. Sammy Hale, Don Cheek and Willie Bradshaw.

May 1 Designated As Loyalty Day

May 1, each year, has been designated officially by the Congress and by the President of the United States as Loyalty Day, to be commemorated nationwide by all citizens. The purpose of the day is for U. S. citizens to re-affirm loyalty to the United States and give special recognition to the U. S. heritage of American freedoms.

Leonard Matsler, Mayor of Floydada, signed a proclamation stating that Loyalty Day would be observed in Floydada May 1. Every man, woman and child, every school and church, every business establishment, organization and home within the city and surrounding area is urged to display the flag of our country and participate in public demonstrations and ceremonies sponsored by the Veterans of Foreign Wars.

LOWELL BELL

REV. LAWRENCE WILLIAMS

Blind Evangelist Conducting Revival At Nazarene Church

Revival services are in progress this week at the Floydada Church of the Nazarene with Rev. Lawrence Williams, blind preacher from Bethany, Oklahoma as the evangelist.

Rev. Williams is a walking miracle, says the local pastor, Lowell Bell, He not only went through high school blind and then four years of college, but is now finishing his master's degree in theology.

He not only is a remarkable speaker but as a blind man, does many remarkable things such as driving a car, riding a bicycle, and flying an airplane. His attainments in spite of blindness have required stupendous effort and sacrifice. Services each evening are at 7:30 with children's service at 7:15. Morning services are being conducted at 10:00 each morning and a youth service at 4:15 p.m.

Sunday evening at 8:00 p.m. Rev. Williams will speak of the miracles in his life. This service will be "Miracle Hour." The Sunday evening service begins at 7:00 p.m. The public is invited to attend this meeting.

County Fair To Have Charlois Class This Year

It was announced this week that the Floyd County Fair, set in September, will have a class of Charlois and Charlois Cross cattle.

In the past these animals have competed with the Hereford and Angus. Although the Charlois is an animal that has a high dress percentage, the framework of the animal is not as attractive when looked at in the light of judging cattle. The topline is not as straight, and the animal is large boned.

Those who are interested in showing one of these animals are urged to contact Garvin Beedy of South Plains.

Crosby County Cotton Club To Hold Meeting

The Crosby County Cotton Club will hold its last meeting of the spring May 2nd at 2 p.m. in the Community Bldg. Lorenzo committees will be named for the coming year.

Harrison Post To Observe Loyalty Day With Breakfast

Governor John Connally has proclaimed Sunday, May 1, as Loyalty Day in Texas, in conjunction with other states in the U.S.

In commemoration of this day, J. W. Harrison Post #5616 will have a breakfast meeting at Rogers Restaurant at 7:30 a.m.

Commander Pete Looney urges all people to display their U.S. flags before their homes and businesses Sunday, May 1.

Speaker for the meeting will be Mrs. Wilmer Smith of New Home, her topic being "The Homemaker and Cotton." Mrs. Smith is a native of Crosby County, a graduate of Texas Tech and a former high school math teacher. She has served seven years on the State board of directors of the Texas Home Demonstration Association and two of those years as State president.

Mrs. Smith has also served five years as treasurer of the National Extension Homemakers Council and is the nominee for National president. This is an organization of over 800,000 Homemakers of the US who are working for the improvement of family and community life. As a delegate of the NEHC Mrs. Smith attended the International meeting in Australia in 1962 and in Ireland last fall.

Also included on the program will be a group of Girl Scouts representing the Caprock Council. They will present a skit called "Panorama of Cotton," done in costume and with appropriate props. In this unusual way they will tell the story of Plains cotton. The girls presented the same skit at the International Girl Scout Round-up at Bayview, Idaho. They are also featured in the current issue of Parade of Progress.

The group consists of Gloria Gray, Jane Lockwood, Pat McClaran, Sheila Pollson and Sharon Liston of Lorenzo; Sharon Anderson, and Anita Bell of Lubbock and Bonnie Jones of Dalou. Their counselor is Mrs. W. O. Liston of Lorenzo.

A number of Floyd County Home Demonstration women are planning to attend the meeting.

Volleyball Tournament Team Members Named

The members of the teams for the Mix-up Volleyball Tournament set here next week May 5, 6 and 7 have been selected.

Normally anyone entering the tournament had no idea on whom he would be placed and had no idea who his team mates would be. However, it was stated in the rules that if a person was the paid employee of a certain firm he could play on that firm's team. There are only two or three such cases in the 16 men's teams and the 8 women's teams.

A series of the best two of three games will determine the winner of each bracket match. The games will be to 15 points or an 8 minute time limit. There will be two courts in use at all times at Graves Gym during the tournament. The events will begin at 7 p.m. each day.

Graves Gym will be open for those teams who wish to practice Monday, May 2, through Wednesday, May 4 from 7 until 9 p.m.

Anyone who finds he will be unable to play is asked to please contact Gladys Jones, so a substitution can be made.

The concession stand will be open during all games.

The team sponsors and the team members are as follows:

WOMEN'S TEAMS

Darty Gin - Donna Pernel, Rue Nita Robertson, Donice Kinard, Vel Simpson, Belle Vinson, Nina Copeland, Sylvia Curry, Barbara Jackson, and Farah Burke.

First National Bank - Donna Booth, Carolyn Holmes, Glenda Barnes, Gena Howard, Neida Thayer, Donna Jordan, Rita Pierce, Alice Ogden, Shirley Seay, Ginger Jacobs, Nancy Myrick, and Carolyn Stovall.

Superior Cleaners - Vernie Martin, Bo Dean Poage, Fern Hartsell, Molly Stringer, Bob-oye Simmons, Nancy Hagood, Joy Guest, Sherry West, and Gladys Higgins.

Builders Mart - Jackie Chadwick, Pat Galloway, Carolyn Sue, Margaret Biggs, Mamie Bunch, Joanne Cagle, Jean

Hale, Sue Moore and Sandra Wiley.

Farmers Co-op Gin - Valerie Tye, Lois Gilly, Frances Ellison, Gladys Jones, Carol Bell, Loene Nelson, Linda Waller, Gay Nell Mitchell, and Ann Hodges.

Kirk and Sons - Betty Weems, Joyce Stewart, Alta Dycus, Frances Rose, Cecilia Jones, Janet Lloyd, Cynthia Patterson, Jo Goen, and Lucille Carroll.

Lighthouse Electric - Frances Weathersbee, Margie Womack, Kay Gilbert, Sue Higginbotham, Corina Garrison, Mary Phillips, Wilma Colston, and Carolyn Cunningham.

City Auto - Janice Lackey, Sandy Marshall, Margie Jester, Nettie Ruth Whittle, Lynn Marler, Layne Pemberton, Edith Muncy, Jean Miller and Laverne Black.

MEN'S TEAMS

Darty Gin - R. D. Holly, Jessie Pernel, Kenneth Robertson, Russell Berry, Fred Cardinal, Rob Heflin, and Milton Harrison.

Dougherty Grain - Wayne

Rainwater, Carmel Eastham, Button Beedy, Dave Eaton, Jack McIntosh, Doyle Moore and Bush Jordan.

Producers Co-op Elevator - Bill Cagle, Bob Vickers, Jim Vickers, Russell Bales, Don Cheek, Charles Chandler, Ron Looose and Pee Wee Ferguson.

Continental Oil - Bud Sparks, Louis Pyle, Melvin Terrell, Sammy Hale, Hollis McLain, Bob Ross and Herman Graham.

Floydada Seed & Delinting - Dean Morris, Bill Hicks, Elmer Dean Williams, Leonard Matstler, Cleo Whittle, Bill Price and Wendell Tooley.

Goen Drug - Bud Goen, Newell Burke, Cobb Gilly, Bob Aldredge, Norman Muncy, Kyle Glover and Gene Bloys.

City Auto - Rex Lackey, Johnny Southerland, Shorty Turner, Jim Blagg, Bud Marshall, A. J. Jester, Bill Morren and Sam Puckett.

A. L. Wylie Co. - T. M. Whitley, Buddy Hatley, Spencer Hatley, Bonner Nelson, Wilbur Floyd, Kenneth Hill, Tommy Ogden and Jerry Galloway.

Powell Super Market - Arllis Powell, Donnie Galloway, Johnny Harris, Travis Jones, Melvin Lloyd, Jake Colston, Ralph Johnston and Bill Curry.

Lon Davis Co. - Louis Bear-den, Roger Gooch, Roger Poage, Glen Black, Delbert Wiley, Dwayne Myrick, and Jewel Elza.

Oden Chevrolet - Gary Pate, Alvis Hasley, Jimmie Marquis, Clifton McPeak, George Patton, Louis Anderson, Buck Galloway, and Roy Hodges.

Barwise Gin - Bob Copeland, Carroll Sims, Elmer Biggs, Thomas Warren, Howard Gregory, Willie Bunch, and Ben McPherson.

Reed Ford - Roy Kinard, Doyle Jackson, Bob Fullingim, Jack Stansell, Gary Batte, Zack Cummings, and Jeff Glazner.

Parks Oil - Shelby Calahan, Freddie Morren, Ned Bradley, Johnny West, Tony Jones, Bill Womack, and John Key West.

Caprock Motor Parts - Don Green, Aldine Williams, Willie Bradshaw, Bobby Welborn, M. J. McNeill, Jimmy Seay, H. Nelson, and Jack Covington.

IN PARTNERSHIP TOURNAMENT - David Campbell, Jack Stansell, Ike Johnson and Aaron Carthel took time the first dry day of this week to sharpen up their shots in preparation for the Floydada Partnership Tournament which gets underway today at the country club. The winners will receive a \$125 gift certificate redeemable at the Golf Shop at the club. (Staff Photo)

SHIRLEY RAINER

Rainer To Play In All-Star Game

Shirley Rainer, who was the scoring stalwart for the Floydada Whirlettes this past season and who was a unanimous choice for all-district, has been selected as one of the 12 girls from across the state to play in the North-South All-Star game set at Duncanville, Texas, July 23, 1966. Coach Kelly Chadwick announced this week.

She was notified recently by the coach at Abbott, Texas, secretary of the State Girls Basketball Association. He said the first practice session will be

held at 1 p.m. Wednesday, July 20.

The game will be played between the north and the south all-stars. Rainer will play on the north team.

This is only the second time in the history of girls basketball that the game has been held in Texas. Rainer was nominated by Mitch L. R. District 3-AA.

LOCKNEY'S SISSNEY WINS Whirlwind Misses Trip To State "Hair of His Chin," In Pole

A Whirlwind track team member literally missed going to the state meet by the hair of his chin in the regional events held last Friday and Saturday at the Tech track in Lubbock.

Bobby Murray was one of six finalists who cleared 11-2 1/2 in the event, but only the two with the less misses advanced to state. Murray had the most misses of the six when the stick was moved up to 11-8 1/2.

On one jump Murray cleared

the stick, but on the bottom of his chin the stick and knocked. Had he cleared the stick would have won the relay team to the state and Melvin Sissney, the fastest time in the quarter in Texas, who event and will anchor team.

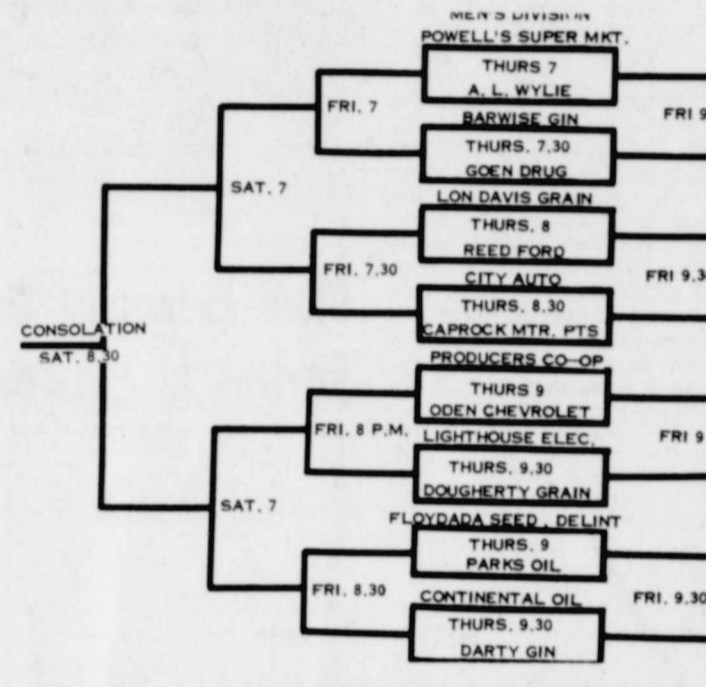

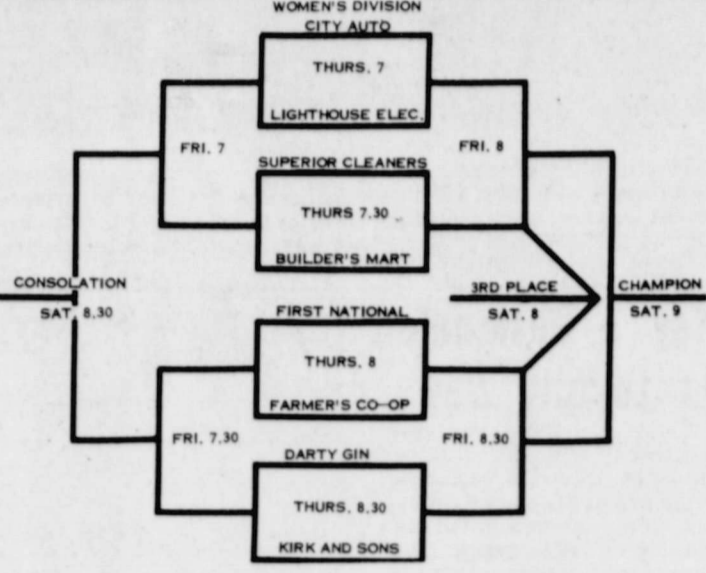

Sissney did not overcome weather slumps Saturday as he in the event, he had to set a new state couple of weeks ago.

The mile relay team that distance in 3:27.1 first. The team members Sissney, Neil Mitchell, Mathis, and Elton Blum. The AA Regional team.

ANGUS ASSOCIATION SALE SET FRIDAY IN AMARILLO

The West Texas Angus Association annual Spring Sale will be held at Gouldy's Sales Pavilion on the Tri-State Fairgrounds in Amarillo, tomorrow, Friday, April 29, according to Bill Norman of Dougherty.

The association will sell 23 bulls and 78 females.

Ray Makes Statement

James K. Ray, who is 31 years of age, married and father of two children, is a West Texas farmer-stockman and businessman. He was raised on a farm in Hale County, graduated from Abernathy public schools, and received a B.A. degree in government from Texas Technological College. Ray attended Georgetown University Law School while serving on Congressman Mahon's staff in Washington, D.C.

Ray is a former member of the Texas National Guard and presently holds the rank of 1st Lieutenant in the Army Reserve.

The new 30th Senatorial District of Texas is composed of portions of former District 30 and District 23. It ranges from Wichita Falls and the Red River Valley on the east to the high plains country bordered on the west by New Mexico. There are 21 counties with a total population of over 313,000 in the new 30th Senatorial District.

Ray, who is often times accompanied by his wife, is making an effort to visit every town and community in the District. (Pd. Pol. Adv.)

Ray, who was on the staff of Congressman George Mahon for over six years and served as his administrative assistant, expressed his concern over the financial picture in Texas. He pointed out that while the federal debt has risen only 25 percent since 1947, the Texas debt has increased over 977 percent in the last 14 years alone.

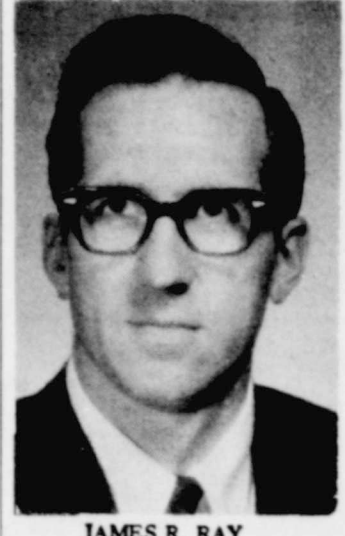

In commenting upon the situation, Ray said, "I am not only concerned, I am alarmed. The trend is not good and we cannot allow it to continue until we are confronted with an overwhelming debt." He pointed out that in the past two years the annual increase in State debt has almost equaled our total State debt for 1950.

Among other problems discussed by Ray while in Olton were water and education. He noted that the seriousness of the water situation demands that every avenue be fully explored in an effort to find a solution or solutions. Ray said, "Too long have we entertained false hopes that the water problem would go away, when in fact all that is going is our water."

Commenting upon education Ray said, "I can see no justification for Texas to rank 6th in gross income, yet 29th in teacher salaries."

"Our most important product is our children," he added, calling them "the key to the future." "Education is one area in which we cannot afford to cut corners," Ray said. Ray has proposed that teachers' minimum pay be increased at least to meet the national average.

Ray has also stated that serious study needs to be given in the area of equal rights for women.

Mighty Slick
Teflon coating is the newest and possibly most talked about thing on the market today. Its use is varied from coating the soleplate of an iron to coating the nosecone of our latest rockets.

The discovery by chance of fluorocarbon resin, which nothing wants to cling led the way to the trademarked name, Teflon. This coating is applied by the manufacturer to the interior of utensils. Food particles do not stick to it and washing the utensil is merely a swishing of suds.

Shortening can be used or not as desired, however, new glass should be washed, dried, and lightly rubbed with oil before using.

Teflon pans will rinse apparently clean under hot running water, but don't skip the washing in soapy water. When this is done, there may be a build up of food stains. These stains are also due to overheating and can be removed by the use of a stain remover which will remove them or boil 1 cup of water, 1/2 cup liquid bleach, 2 tablespoons of baking soda, 1/4 teaspoon salt for 5 or 10 minutes, until the stain is gone. Then wash and reoil the utensil as if it were new.

Wooden, rubber, or plastic tools are recommended to avoid scratching the surface. Some manufacturers are using a new undercoating now which appears to make Teflon more resistant and will allow the use of metal tools.

We have two new cookie recipes that are new to us and we sure do like them. Perhaps you will too.

COOKIES FROM GREECE
(Similar to Sandarts)

1 cup butter or margarine
1/3 cup granulated sugar
2 egg yolks
1 teaspoon vanilla
2 cups flour
1 teaspoon baking powder
1 teaspoon cloves
Confectioner's sugar
Heat oven to 350 degrees. Mix first five ingredients together thoroughly. Sift flour, baking powder and cloves; stir into butter mixture; mix well. Shape dough into small balls, about 3/4" in diameter, or in cylindrical shapes formed in 2" long half-moons. Place cookies on lightly greased baking sheet. Bake 10-12 minutes or until cookies are set but not browned. Let stand a few minutes before removing them from baking sheet. When cool, dust with a confectioner's sugar.

PINEAPPLE FILLED COOKIES

2/3 cup shortening
2/3 cup sugar
2 eggs
1 teaspoon vanilla
1 teaspoon grated lemon peel
2 cups sifted all-purpose flour
1/2 teaspoon baking powder
1/2 teaspoon salt

*Pineapple filling
Cream shortening and sugar together until light and fluffy. Add eggs and beat well. Stir in vanilla and lemon peel. Sift flour, baking powder, and salt together. Stir into creamed mixture. Chill 2 to 4 hours. Roll out on lightly floured board to 1/8 inch thickness. Cut dough with a 2 1/2 inch cutter. Place half the circles on an ungreased baking sheet. In the center of each, place a teaspoonful of pineapple filling; spread

ON ALL-STAR CAST - Three of the four members of the "Impromptu" cast were named to the All-Star cast for their performances displayed in competition at the regional events held in Lubbock last weekend.

"Impromptu" was Floydada's entry in the one act play. Dana Galloway, Rande Brown and Clara Hammonds were three of the four named to the cast. Randall Moore, also pictured here, was named best actor in district competition. (Staff Photo)

SAYS FLOYD PHILOSOPHER

N. Y. Stock Exchange Won't Find Low-Tax Area To Move To

Editor's note: The Floyd Philosopher on his Johnson grass farm explains some facts of life to a big outfit this week. Dear editor:

According to a copy of the Wall Street Journal which a well-to-do friend of mine in town handed to me the other day to indicate the conversation was over, which I figured was a fair swap, the New York Stock Exchange has threatened to move out of New York City because the new mayor wants to raise its taxes.

As a result, lots of other areas are bidding for the Exchange, but I wish to announce I have no place for it out here on this Johnson grass farm, and I'll tell you why.

It's not that I have any objections to the Exchange, as far as I know it's a fine outfit, but its members seem to

know more about stocks than I do.

I don't understand a bunch of men capable of handling millions of dollars worth of stocks every day not knowing that trying to flee from higher taxes in the 20th century is as hopeless as trying to make water stand uphill at an angle.

It's all right with me if the Exchange wants to move out of New York, but if it thinks it can leave any of its present or future taxes behind, it's headed for a crash. Don't the members know that taxes can go where even paved roads don't?

You let the Exchange move

out here and it wouldn't be two weeks before I'd get a letter saying my taxes ought to go up on account of me being benefited by the proximity of the thing. As for the Exchange itself, what makes it think one part of the country is any less tax-hungry than the rest? It could escape maybe for a short while, but they'd overtake it before long. Business is like an iceberg, only a small part of it is ever allowed to stay above the tax line.

Taken as a whole, I guess the world is the tax-hungriest it has ever been in history and I would have figured the Stock

Letter To The Editor

Floydada, Texas
April 23, 1966
Mr. Wendell Tooley, Editor
Floyd County Hesperian
Floydada, Texas
Dear Wendell:

Please accept my sincere thanks and appreciation for your cooperation and help given me in my work while home economist at Lighthouse Electric.

Seventeen years, such nice pleasant years, working with wonderful people - there just isn't a nicer hobby, or one more rewarding, than making friends - it's the giving and doing for somebody else that all life's splendor depends, and the joys of this life when you sum them all up are found in the making of friends. It's the hand we clasp with an honest grasp that gives us a hearty thrill. It's the good we pour into the lives of others that comes back into our own to fill. It's the dregs we drain from another's cup that makes our own seem sweet and the hours we give to another's need that makes our life complete. It's the burdens we help another bear that makes our own seem light. It's the danger seen for another's feet that shows us the path to right. It's the good we do each passing day with a heart sincere and true - in giving the world your very best its best will return to you.

I am rich indeed, to have such an abundance of friends. I wish it were possible to thank each of them for their cards, letters, visits, beautiful gifts, and most of all their friendship. The love and concern of our friends always means so much, they enrich our lives and are always dear to us.

Again, Wendell, may I say thanks to you for the many, many nice things you have done for me and my family, may God's richest blessings be yours.

Best wishes to you and your lovely family,
Sincerely,
/s/ Nancy Morckel

Mrs. S. H. Wright Local Longtime Resident Dies

Mrs. S. H. Wright, 85, a resident of Floydada since 1917, died in Westbryn Haven Rest Home at 1:30 p.m. Sunday. She was preceded in death by a son, Henry K. Wright in 1952 and her husband in 1953.

Mrs. Wright had been a patient in the home some four weeks.

Prior to being moved here she was a patient in the Lockney Rest Home two years.

Funeral rites were conducted Tuesday morning in the First Baptist Church of which the deceased was a member. Rev. Floyd C. Bradley, pastor, officiated.

Survivors include three sons, John Paul Wright, Amarillo, Charles V. Wright, Van Horn and Thomas R. Wright, St. Louis, Mo.; three daughters, Mrs. Norman Hamilton, Tulsa, Mrs. E. E. Crawford, Fort Worth and Mrs. R. Y. Bradford of Santa Fe, New Mex.; 18 grandchildren and 16 great grandchildren.

Interment was in Floydada Cemetery under the direction of Moore Funeral Home.

Palbearers were Tommy Jim Wright, Uwell Crawford, Jr., James Sterling Wright, Richard Hobson, Clayton Hicks and John Gillenwater, all grandsons.

Johnson, Reeves Named To Weed District Board

Re Johnson of Lockney and Raymond Reeves of South Plains have been elected to serve for the next two years on the Board of Directors of the Floyd County Noxious Weed Control District.

Johnson replaces Ewald Quebe in Precinct 2 and Reeves replaces Eugene Gilly in Precinct 3.

The District is making good progress in treating bindweed on the County bar ditches, and farm land. This work will continue to progress just as rapidly as possible even though the crew is hampered at times by the weather.

Members of the board are: Sherri Collins, John Cagle, Dirk Nelson; Venita Cranford, Debbie Medley, Joe Bob Dyson, Billy Wayne Hines, Danny Daniel, Ruben DeLeon, Severo Perez, Mary Sue Overturf and Jose Hinojosa.

Former Resident Is Buried Here

Graveside services for Mrs. Hulda Christine Birch, 84 year old former resident of Floydada, were conducted yesterday afternoon in the Floydada Cemetery. Mrs. Birch died about 1 p.m. Monday in Fort Worth.

Services there were conducted in Oakhurst Methodist Church Tuesday and the body brought overland by Moore Funeral Home for burial here.

Mrs. Birch was the wife of the late Walter Franklin Birch. Survivors include a daughter, Mrs. W. L. Curtis and a granddaughter, Christine Curtis both of Fort Worth.

MT. BLANCO NEWS

"And The Rains Finally Came"

MT. BLANCO, April 25 - Around two inches has fallen in this area since Friday morning, and this Monday morning the sky is overcast with heavy clouds and a light mist is falling.

Harold Verett had surgery in a Lubbock hospital last week, but is at home now and recuperating nicely. Melba spent much of the time with him there.

Sunday guests of Mr. and Mrs. Frank Moore were Mr. and Mrs. Mike Moore of Lubbock and Mr. and Mrs. Frank Knox Moore and children, Meredith and Paige.

Mr. and Mrs. B. H. Wheelness and Gaylon attended the F.F.A. Parent-Son Banquet at the school lunch room in Crosbyton Thursday night.

Mr. and Mrs. Weldon McClure visited with their son-in-law, Wayland Jones in Lockney Hospital Tuesday. Mrs. Weldon McClure spent Wednesday with Mrs. Wayland Jones and children of Dougherty.

Mr. and Mrs. Frank Norman of Abilene were Thursday luncheon guests of Mr. and Mrs. Weldon McClure.

Mr. and Mrs. Frank Moore kept their grandchildren, Meredith and Paige Moore Friday, while Frank Knox and Judy visited in Lubbock.

Mr. and Mrs. Weldon McClure attended the annual Co-Op Gin meeting at the Memorial Building in Crosbyton Saturday.

Mr. and Mrs. Anthony Latta, Mr. and Mrs. C. F. Flemings and Mr. and Mrs. Bobby Kendrick attended the Home Show in Lubbock Thursday night, where Mrs. C. F. Flemings was the lucky winner of one hundred dollars.

Mr. and Mrs. B. H. Wheelness visited Mr. and Mrs. Hubert

Motley Residents Approve Hospital

MATADOR (Special) - A hospital district for Motley County was approved 438 to 123 Saturday in a second effort at such a creation within little more than six months.

Aug. 7, 1965, county voters turned the proposal down by a 36-vote margin.

The election Saturday authorized only the creation of the district and the appointment by county commissioners of a five-man hospital board to make recommendations for future action. Any action such as purchase or construction of a hospital in the county will require a new vote.

By boxes the vote was: Matador, 303 for, 49 against; Roaring Springs, 82 for, 35 against; Floreat, 21 for, 31 against; Northfield, 8 for, 9 against; and Whiteflat, 17 for, 5 against.

Seven absentee ballots were cast - all in favor of the proposal.

Can't Get Any Bites
Without A Fishing Pole

Visiting with the manager of the telephone company at the press convention in Amarillo last week... "we get a bite or two every week or so on a Sunday night... that is looking for a home..."

to EDITOR

Matador, Texas
April 25, 1966
I looked across the wheat-field toward the place our old home stood...

Joy and sorrow intermingled when the silvery moonlight shed her quiet, sombre plainness over our Della Plain homestead.

All has gone from that dear prairie except a windmill and a tree where cattle come for water, and wild birds sing so tenderly.

A few lone graves where loved ones sleep underneath a grassy mound. It matters not where dust decays if the soul is heavenward bound.

Out in Sand Hill community I met an old friend of the West she threw her loving arms around me and held me close against her breast.

Her hair is white like ocean foam with beauteous waves by nature set her pretty eyes still hold their lustre— Kind thoughtful eyes one can't forget.

Another dear old friend I met there and held his hand between my own, and looked upon his dear old face and heard his voice of softest tone.

Time's fleeting years of joy and sorrow have left their trace on heart and brain Slowed the footsteps, bent the figure Of our brave hero—Jim McLain.

Off I wander in the gloaming And recall the dear dead past: Clustered round life's early morning Were pleased scenes too dear to last.

Happy days of happy childhood Almost free from care and pain Hold within their keeping Fond memories of Della Plain.

Peace Corps To Test May 14

Floydada area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 9 a.m. on Saturday, May 14 at Post Office Building, Lubbock, Texas.

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement.

(If test scores indicated a limited language-learning ability, for example, the Peace Corps tries to place the applicant in an English-speaking country.)

The Placement Test requires no preparation and is non-competitive—an applicant can neither pass nor fail.

The application form, not the Placement Test, is the most important factor in the selection of Volunteers. Persons interested in serving in the Peace Corps must fill out an application, if they have not already done so, and present it to the tester before taking the test. Applications may be obtained from local post offices or from the Peace Corps, Washington, D. C.

The Placement Test takes about an hour and a half. An optional achievement test for applicants who have studied French or Spanish requires another hour.

A New Day Is in Sight as Farming At Last Comes Over Top of Hill

Since World War II we have lived through a period of semi-emergency in agriculture. Surpluses. A heavy exodus of families from farming. Subsidies and supports. A need to farm at less than full steam.

We're not out of the woods yet. In fact we're deeper in, so far as subsidies go, with farmers depending less on markets and more on direct handouts from government than ever.

Acts of God or man — particularly man — could set farming and everything else back — big war, big drought, big inflation, big government, to name a few.

Longer range, consider these prospects: Farming is to a security business — it has to be with more people to feed both here and abroad every day.

Weather is now less of a hazard than it was, due to more irrigation, machinery to speed the work, chemical weed killers, and better harvesting and storage equipment.

Our "Food for Freedom" program is bound to grow, calling for more proteins, not just our surplus cereals.

There's no doubt about it: Farming in the United States is entering a new and better day. — The Farm Journal.

CEDAR HILL NEWS by Mrs. Evelyn Breckenridge

CEDAR HILL, April 25 — Pickups are the mode of travel this type weather. We are so thankful for the nice rain which has fallen since Thursday night.

Stevie Fortenberry spent Friday night in Plainview with his grandparents, Mr. and Mrs. C. W. Vitatow.

Mr. and Mrs. Albert Mize went to Hawkins Lake northwest of Quitaque Thursday. They report a good catch in just a short time.

Mr. and Mrs. Wayne McClure and family from Clarendon visited her parents, Mr. and Mrs. J. B. Whitehead Sunday afternoon.

Mr. and Mrs. Charles Purnell had as visitors in their home from Tuesday to Friday her daughter and baby, Mrs. George Carter from Lorenzo.

Mrs. Kay Morris and daughter, Desiree, and Mrs. Linda Wade, daughters of Frank Breed arrived here from San Bernardino, Calif. Thursday for a visit in the Breed home.

Other visitors in the Frank Breed home Sunday, in addition to the above, were her sister and husband from Petersburg, Mr. and Mrs. W. C. Castleberry; Mr. and Mrs. Don Malmes from Muleshoe, a niece of Mrs. Breed, and her brother from Muleshoe, Mr. and Mrs. Buster Howard. A most enjoyable day was reported.

Mrs. Bill DuBois, Craig and Quinn visited in the home of her parents, Mr. and Mrs. W. E. Lackey Sunday afternoon.

Mr. and Mrs. Johnny Harrison visited her parents, the Gene Gilly family from Friday night till Sunday morning.

Mr. and Mrs. Durrel Fortenberry and boys ate Sunday dinner with his parents, Mr. and Mrs. Robin Fortenberry.

Rev. and Mrs. Robert Slaton and girls ate Sunday dinner with Mr. and Mrs. Eldon Fortenberry.

Mrs. Gene Gilly visited her Grandmother Patterson, who is spending some time in the home of Mrs. Ester Smalley in Floydada.

Mr. and Mrs. Frank Breed and family attended a rodeo in Paducah Friday night.

Mr. and Mrs. Wayne Jernigan and Jana visited her parents, Mr. and Mrs. Cephus Fortenberry, Phyllis and Mrs. Roy

Durham from Monday night till Wednesday morning. Tuesday, Wayne, Nelda and Jana and Mr. and Mrs. Fortenberry ate dinner with Mr. and Mrs. Garland Tucker.

Mr. and Mrs. Albert Mize went to Hawkins Lake northwest of Quitaque Thursday. They report a good catch in just a short time.

Mr. and Mrs. Wayne McClure and family from Clarendon visited her parents, Mr. and Mrs. J. B. Whitehead Sunday afternoon.

Mr. and Mrs. Durrel Fortenberry and boys ate Sunday dinner with his parents, Mr. and Mrs. Robin Fortenberry.

Rev. and Mrs. Robert Slaton and girls ate Sunday dinner with Mr. and Mrs. Eldon Fortenberry.

Mrs. Gene Gilly visited her Grandmother Patterson, who is spending some time in the home of Mrs. Ester Smalley in Floydada.

Mr. and Mrs. Frank Breed and family attended a rodeo in Paducah Friday night.

Mr. and Mrs. Wayne Jernigan and Jana visited her parents, Mr. and Mrs. Cephus Fortenberry, Phyllis and Mrs. Roy

BASEBALL SIGN-UP - Only about 60 boys signed up to take part in the summer baseball program at the sign-up time last Monday night. Another period will be held beginning at 8 p.m. tonight in the Community Room of the First National Bank. Those from ages 8-18, inclusive, who want to play baseball should be at the meeting. (Staff Photo)

COUNTY AGENT'S CORNER

Cold and rainy weather has slowed down planting considerably here in Floyd County. Very little sorghum and almost a negligible amount of cotton has been planted so far.

The soil temperature had just reached the 60 F mark for 10 days at a depth of 8 inches. This temperature is considered necessary for germination of cotton and grain sorghum. The cold spell and rainy weather will probably lower the soil temperature below this mark again.

Grain sorghum will need to be planted where it will bloom before the first week of August to escape danger of damage from the sorghum midge. Any variety could be planted between now and May 15 and be safe as the full season grain sorghums will bloom in about 70 days. Dryland varieties or short season varieties will bloom in about 48 to 55 days. Medium maturing varieties generally fall around 60 to 65 days from planting to bloom stage.

According to research conducted by the experiment station at Lubbock generally cotton planted between the 10th and 20th of May will make more net-profit. This information comes from tests conducted over the past 15 years. Late planted cotton will also help in the control of boll weevils where they are a prob-

lem. The weevils start coming out of hibernation in April, and they must have food to survive. If cotton is planted in May the weevil population will be greatly reduced at the beginning of the cotton season and may not be able to build up a damaging population by the end of the season. Late planted cotton will also

May Is School Transfer Month

Supt. of Schools Clarence Guffee announced this week that May is transfer month for students whose grades are not taught in their home district. Guffee said he wanted to stress the point that a student is not automatically transferred from a rural school to a city school that teaches higher grades. A student must fill out an application blank in his office at the court house not later than June 1.

Floyd County Residents Pay \$162,000 Annual Highway Bill

(Special to the Hesperian)

NEW YORK, Apr. 18 - As far as Floyd County car owners are concerned, how costly an undertaking has the nation's 41,000-mile highway project become?

How much are they contributing toward the construction costs at the present time via gasoline and other auto taxes?

In the past year, on the basis of data from the Bureau of Public Roads, they turned in no less than \$162,000.

Not included in this amount are the auto-use taxes collected from them by the state.

The money went into the government's Highway Trust Fund, which pays 90 percent of the cost of construction. The other 10 percent comes from the states.

A new look is being taken at the progress of the interstate road system because of a proposal by the Administration to increase the taxes by \$1.6 billion over an eight-year period. Most of this rise would fall on trucks and buses.

Since October 1, 1959, when the government boosted its tax on gasoline by one cent a gallon, Floyd County car owners have been paying an average of \$30 a year into the fund. That is the amount of tax

incurred for a car that travels 10,000 miles a year and gets 14 miles to the gallon. For the number of cars in use locally, it adds up to the \$162,000 total per year.

The national highway system was begun in 1956 and was supposed to have completed by 1972.

MORE MT. BLANCO

Those attending the Annual Lighthouse Electric meeting in Floydada Saturday were Mr. and Mrs. B. H. Wheelless, Mr. and Mrs. Weldon McClure, Mr. and Mrs. Frank Moore, Mr. and Mrs. Harold Verett and Shawn, Mr. and Mrs. Frank Knox Moore, Meredith and Paige, Mr. and Mrs. Edmund Brown, Rex and Scott, Rudolph McCurdy.

Mr. and Mrs. Robert Kendrick and Todd of Lubbock returned to their home Wednesday after a few days visit with their parents, Mr. and Mrs. Arlen Winegar and Mr. and Mrs. Bobby Kendrick.

A Sunday guest of Mr. and Mrs. Harold Verett and Shawn was her brother, Guy Kimbell of Midland. The group visited their parents in Matador in the afternoon.

Mr. and Mrs. B. H. Wheelless and Gaylon attended the all-sports banquet in Crosbyton Friday night.

Meredith Moore spent Tuesday and Wednesday nights with his grandparents, Mr. and Mrs. Frank Moore.

Am. Jones of Dougherty spent Wednesday night with her grandparents, Mr. and Mrs. Weldon McClure.

The Home Demonstration Club met in the home of Mrs. S. G. Appling April 14 with the president, Mrs. Harold Verett, in charge during the business meeting. A nominating committee was named consisting of Mrs. Anthony Latta, Mrs. C. F. Fleming, and Mrs. Frank Moore. "The Easter Story" was given by Mrs. Millard Watson, and refreshments were served to Mrs. Frank Moore, Mrs. B. H. Wheelless, Mrs. Bobby Kendrick, Mrs. Anthony Latta, Mrs. C. F. Fleming, Mrs. Millard Watson, Mrs. Arlen Winegar, Mrs. Harold Verett, Mrs. E. H. Brown, and the hostess, Mrs. Appling. The next meeting will be April 28th in the home of Mrs. Bobby Kendrick. Mrs. Mary Phillips will meet with us at that time.

Mrs. Weldon McClure served on the judging committee for the poster contest of the Crosbyton schools on Friday morning. Other members of the committee were Mrs. E. E. Medlock and Mrs. Harold Trull.

Delays have occurred along the way, however, moving the target date to March, 1973. Officials connected with the work now believe it will stretch out well beyond that.

The costs, too, have gone far beyond expectations. The original estimate was \$27.6 billion. That figure has been revised upward, year after year, and now stands at \$46.8 billion. It will probably go \$3 billion higher than that eventually, according to the experts.

If the highway project is completed by 1973, car owners in Floyd County will have eight more years to pay.

Their total contribution in that period, based on the number of cars now in operation locally, will be \$1,294,000. This assumes no further increase in gasoline taxes.

The road system is expected to pay off in reduced travel time, lower operating costs and greater safety.

FLOYD DATA

C. A. Strickland was taken to Lockney Hospital Tuesday night by Moore ambulance after sustaining a fall at his home which broke his hip. He was transferred to Lubbock Methodist yesterday where surgery was to be performed.

Pvt. Whitehead Completes Army Artillery School

FORT SILL, OKLA. (AHTNC) - Pvt. Melvin W. Whitehead, son of Mr. and Mrs. James B. Whitehead, Route 2, Lockney, Tex., completed advanced artillery training at the Army Artillery and Missile School here April 22.

Whitehead was trained as a cannoneer in field artillery. His training included maintenance and firing of artillery guns, howitzers and heavy machineguns. Instruction was also given in ammunition handling and communications.

Whitehead entered the Army in December 1965 and received basic training at Fort Polk, La. The 20-year-old soldier attended Floydada High School.

Sue Ring On European Tour

Mr. and Mrs. Claude Ring returned home Thursday from Big Lake, Tex., where their daughter, Sue and Miss Sallye Spears left for points in San Antonio, Mexico City and from there to airplane for Acapulco. The girls will sail from there on the S. S. Canberra for a tour of Europe.

Other countries the couple plan to visit include Greece, Switzerland, Italy, France, England, the Holy Land and others. They will be gone some five months on the tour.

Miss Mary Mike Oles of Amarillo will join the other two girls when their ship docks in Florida and Miss Rebecca Herring, also of Amarillo will join them in England.

ings here or at another post office, see your Postmaster. Postmaster Ed Wester today urged depositors with postal savings certificates to withdraw their accounts as soon as possible or as soon as the anniversary dates on their certificates are reached.

Interest will be paid for each full month they have been outstanding beyond three months from the interest date.

Five largest outlets for cotton are trousers, shirts, sheets, towels, underwear.

Postal Savings System To Close

Public Law 89-377 directs the Postmaster General to close the Postal Savings System. The closing date is April 27, 1966.

On and after that date no deposits shall be accepted in an existing account and no new postal savings accounts shall be opened.

A poster announcing the discontinuance of the Postal Savings has been posted on the Post Office window. For any information about your Postal Sav-

Father Of Ralph Mardis Dies

Funeral services for Matthew Luther Mardis, 80 year old father of Ralph Mardis of Floydada, were conducted Tuesday in the Calvary Baptist Church in Childress. Mardis died Sunday morning in Childress General Hospital after an illness of several months.

He had been a resident of the Childress area for some 40 years and farmed until his retirement in 1958 at which time he and his wife moved into Childress.

Survivors include his wife; six sons; Robert of Mangum, Okla., Roy of Lawton, Ralph of

Floydada, Fred of Muleshoe, Ray of Odessa and Randall of Plainview; five daughters, Mrs. E. F. Kinkle and Mrs. Anderson Mitchell of Childress, Mrs. Rudell Bradshaw, Speckels, Calif., Mrs. C. S. Boyd of Gilroy, Okla., and Mrs. Leroy Stephens of Germany; 25 grandchildren and 23 great grandchildren.

County GOP Sets Only Two Polling Places

The Floyd County Republican Party will have only two polling places in the county in the primaries set May 7.

They will be in the Agricultural Building, on the courthouse square here, and the building next door to the Lock-

Barbecue Meal Enjoyed By School Group

A Barbecue Supper, given by Mr. and Mrs. Q. D. Williams, was enjoyed by a school group and teachers last week at T-Bar Ranch headquarters.

Chicken, beans, baked potatoes, salad, hot bread, iced tea and cakes and pies were served those attending.

Those attending were Jean Campbell, Jill Bertrand, Ann Hammonds, Nancy Williams, Roland Adams, David Parr, Joe Tanguma, Darrell Monday, Mac Baker, Rodney Bunch, Bryn Waiding, Eloy Martinez, James Williams, Bobby Murry, Kenneth Coleman, Hulian Carthel, and Bill Curry, Delbert Wylie, R. J. Milliken, Russell Berry and their wives.

ney Beacon in Lockney.

It was felt these two places would accommodate the expected turnout.

McMurry Students Entertained at Floydada High Seniors

Two McMurry musicians entertained the Floydada High School seniors at the annual Methodist Men banquet in the First Methodist fellowship hall Tuesday night here.

Guy Ginn made a short talk to the seniors, followed by the

MORE FAIRVIEW

Word was received here Monday night of the arrival of a son born April 25 at 8 o'clock to Mr. and Mrs. Lige Moore of Northport, Alabama. The little boy weighed 5 lbs. and 13 oz. and will be named Robert Leslie. Mrs. Moore is the former Leslie Jo Crabtree. She was born and reared in Fairview Community. Mrs. L. E. Crabtree, grandmother of the new arrival left by train Monday evening for Northport to be with her daughter and family.

Lindsey, Watts On Engineering Honor Roll

James D. Lindsey and Thomas Edwin Watts were named on the honor roll for the University of Texas College of Engineering. It was announced recently by Dean John J. McKetta.

They are among the 222 students named on the honor roll for the First Semester of 1965-66.

Both are graduates of Floydada High School.

Marquez Infant DOA At Peoples

Carolina Marquez, infant daughter of Mr. and Mrs. Santos Marquez of Floydada, was pronounced dead on arrival at Peoples Hospital Monday morning. The baby is believed to have strangled on her formula, however the physician's diagnosis had not been learned at this time.

The baby, born March 14, was buried in Babyland Cemetery Tuesday morning following rites at the Catholic Church in Floydada.

The father is employed by Tommy Battey.

A Tool For Effective Conservation

Often-times the difference in conservation and no conservation lies in the financial abilities of landowners and operators to establish needed soil and water conservation measures on their land.

Since 1957, the Great Plains Conservation Program has provided technical and cost-sharing assistance to 109 producers in the Floyd County Soil and Water Conservation District. A total of 53,222 acres in the District has been under GPCP Contract at one time or another since the program first started.

Here are some basic features of the Great Plains Conservation Program:

Each contract is based in a complete long-range plan of operations for making the needed changes in land use or cropping systems needed to conserve soil and water resources.

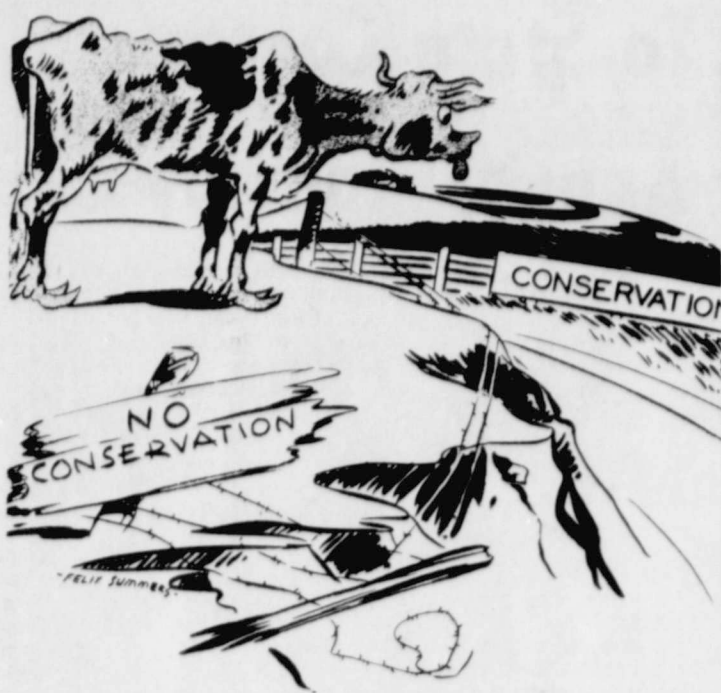

The producer enters into an agreement with the Secretary of Agriculture to carry out the plan according to a schedule which may range from 3

to 10 years. All cost-sharing for the entire job - ranging from 50 to 80 percent of the cost - is earmarked when the agreement is signed. The producer receives cost-share payments as he completes each step of the plan.

Technical assistance by the Soil Conservation Service is planning and installing the conservation measures.

A number of landowners and operators will be putting land into the Cropland Adjustment Program (CAP) this year. This same land may also be eligible for inclusion in the Great Plains Conservation Program, where cost-shares ranging up to 80% may be made for the establishment of vegetation cover such as perennial grasses.

The Great Plains Conservation Program is still available as a conservation tool for farmers and ranchers in the District. Interested persons are invited to contact the local Soil Conservation Service office in Floydada for further information.

THE GRASS IS GREENER ON THE OTHER SIDE OF THE FENCE!

Powell Enters AF Under Delayed Enlistment Program

Thomas Michael Powell, age 19, son of Mr. and Mrs. Tillman S. Powell of Box 32, South Plains, Texas enlisted in the United States Air Force under the Delayed Enlistment Program on 21 April announced Staff Sergeant Wayne Harr, local Air Force Recruiter whose office is located at 1006 13th Street in Lubbock.

Based on the results of aptitude tests administered prior to his enlistment, Tommy selected and was enlisted in the Administrative field. Upon enlistment into the Delayed Enlistment Program, Tommy was assigned to the inactive Air Force Reserves. Under this program he will not be required to attend any formations or meetings and will be placed on active duty within 120 days.

Tommy attended and graduated from Floydada High School and is currently attending Wayland Baptist College in Plainview. He will complete this year of college and will go on active duty this summer.

Will Give 20/20 Vision Corneal Transplant Returns Normal Vision To Barwise Man

Blessing
After months ago, Barwise had had today after transplant and a pair of 20/20 vision.

Barwise had this trouble when a disease of some sight. This evidently eye for further years later.

Barwise had a corneal ulcer in the eye. The work at Texas Hospital by Dr. M. D.

Dr. Watkins advised Barwise to have a corneal transplant. Dr. Girard is one of the top eye specialists in the United States.

To do the transplant, Dr. Girard merely lifted the bridge put in by Dr. Watkins, completed the transplant and replaced the bridge. As a result of the bridge the eye healed much faster and Grigg returned

made corneas in eye patients.

The couple saw Fulkerson within minutes after he saw his wife for the first time.

Grigg walked with Fulkerson from the hospital to the medical center, a distance of about three blocks. "And this trip took about one hour," Grigg said. "Every tree, every lamp post, every bush, everything Fulkerson saw was interesting to him, of course."

Fulkerson was amazed at the difference in cars now and those of 20 years ago.

"When we first saw him after he was able to see, he was walking down the hall of the hospital with his wife and they met a woman with a white skirt and a bright orange blouse," Mrs. Grigg said. "Needless to

say he was fascinated by the colors and stared for several moments."

There is no end to the miracles involved in this situation. One is the fact that this series of observations and the operation costs Grigg nothing except for his travel expenses on six trips to Houston and back.

The entire bill was handled by the Knight Templar.

Oscar Allen of Cotton Center knew of Grigg's situation, for the family lived there prior to moving here about a year and a half ago to manage Barwise Grocery. Grigg was farming at Cotton Center and quit because of the eye.

Oscar Allen got in touch with O. L. Hackney of Lubbock both

of whom are members of Knight Templar, and Hackney in turn handled all the paper work from New York, the home office, for Grigg.

"If there is anyone who would like to will their eyes to the Foundation, they may do so by contacting one of the members of the organization, or call Oscar Allen, O. L. Hackney, or me (Jess Grigg)," he said.

Now, thanks to a very interested individual, a great or-

ganization, modern science, surgery, which was never painful or caused any discomfort, and a few miracles, a person who would have continued his life with the use of only one eye, will be able to see the beauties of nature with the use of both eyes originally given him.

GOLDEN ACRES

brand

TE 77

full-season hybrid grain sorghum
boosts your "per acre" income

For bigger grain yields that deliver more profit per acre, plant Golden Acres brand TE 77. It's the full-season grain hybrid that all the others try to measure up to on irrigated land. Where moisture and fertility are available to promote extra big yields, you'll find TE 77 producing seven to nine thousand pounds top quality grain per acre. Along with big yields you'll get good standability and the easiest combining.

We can supply your TE 77 seeds today. Call or come in now.

We have famous Golden Acres hybrids in stock now. Let us provide all your hybrid seed.

Advance To State Contests

SOIL EVALUATION WINNERS — Kenneth Bloys, Willie Patterson, Randy Patterson, and David Hale are the proud winners of the 4-H District Soil Evaluation Contest which was held in Lubbock last Saturday. The team will compete in the state contests set at Texas A&M University in June. (Extension Service Photo)

Fairview News

Intermittent Showers Continue

CENTER, April 25 — My! what a wonderful rain! Prolong-

ed, intermittent showers and cloudy, cool weather. How we appreciate it! It began early Friday and is still going. Center has received about two inches of rain to date.

Church was well attended considering the weather, especially for those on dirt roads. After the evening service the congregation at Calvary Baptist gathered in the fellowship hall to honor Bro. Threadgill and Mr. Whitley who both had birthdays on the weekend — Saturday and Sunday, respectively.

Mrs. W. M. Jackson is visiting Mr. and Mrs. Leo Frizzell today, having come home with them from church last evening.

While Debbie Dunn, Lubbock is in the hospital having her tonsils out last Friday, and grandmother, Mrs. Frank Dunn, was holding down the Jimmy Dunn home, Mrs. Dunn fell and broke a knee and had to be hospitalized herself. She is in Room 400, Methodist Hospital. We hope both patients will soon be well again.

Mrs. J. E. Green visited briefly Wednesday afternoon with Mrs. Bud Warren who was

home after surgery in Methodist Hospital a few days before. Also the Greens called at Mrs. Charley Battey's that p.m.

Elaine Warren spent Friday night with her grandmother, Mrs. Charley Battey. The Thomas Warren family visited her mother Sunday afternoon.

Martin Green of Seagraves visited Friday with the Hal Thomases. He spent Friday night with his brother and wife, Mrs. and Mrs. Sam Green. Saturday he went on to points in Oklahoma to visit his daughters.

Mr. and Mrs. Hal Thomas accompanied by Mrs. Maud Brister of Lockney were in Lorraine last Tuesday attending funeral services for a cousin's wife, Mrs. Willie Taylor.

Mr. and Mrs. Travis Lightfoot and Mr. and Mrs. Lindsey Graham were in Lubbock at Methodist Hospital to see Mrs. Frank Dunn Sunday afternoon.

Mrs. Frank Dunn ate lunch Wednesday with Mr. and Mrs. O. C. Vinson while on her way to Lubbock.

The Vinsons visited Mr. and Mrs. Hartsell Monday, Mr. and Mrs. A. P. Sanders of Lockney visited the Vinsons Monday af-

CIVIL DEFENSE DEMONSTRATION — Lindsay Lovell and Billy Finley admire the ribbons they received for winning the district competition in a Civil Defense Demonstration. The contest was held in Lubbock last Saturday. The team will travel to Texas A&M University and take part in the state competition in June. (Extension Service Photo)

ternoon.

The Vinson's daughter, Mrs. Ernest Huckabee of Stephenville called her parents Sunday to say Vinson's brother-in-law had passed on after several months of failing health. The Vinsons were unable to attend last rites.

Mrs. Jerrold Vinson and small daughter, Lori, of Harmony visited the elder Vinsons Saturday.

Mr. and Mrs. Homer Guffee visited Mr. and Mrs. R. C. Ross Sunday afternoon.

Vic Green of Plainview

LET'S KEEP

TUNNELL

RAILROAD COMMISSIONER

New GI Bill May Be Used For Various Schools

The Veterans' Readjustment Benefits Act of 1966 can help eligible veterans obtain education and training to fit themselves for a chosen career or better employment opportunities in civilian life.

If a Veteran qualifies, he can receive a monthly payment of education and training allowance for periods on and after June 1, 1966, while he is going to school.

Training under this new law can be pursued through a high school, a college or university, a vocational, trade or business school, or by correspondence course. All training must be done in a school which has been approved to train Veterans Administration Beneficiaries.

Unlike the old World War II and Korean GI Bills, this law does not permit any flight training other than that given by a college or university for credit toward a standard college degree. An example of this might be in aeronautical engineering, for which a pilot's license might be a degree or a necessity. Neither

does this law permit any apprenticeship or other on the job training or farm training.

FIELD TESTED FOR PROFIT

The High Plains Research Foundation at Texas, shows the 1960-64 5-year average yield for all varieties tested to be 6,224 pounds per acre. P-A-G 515 average yield for the same 5-year period is 7,089 pounds per acre! THAT'S 865 POUNDS ACRE EXTRA YIELD. For the highest yields you had, plant P-A-G 515. Man, that's sorghum!

MUNCY ELEVATOR

BETWEEN LOCKNEY AND FLOYDADA

Pliny, the Roman naturalist, described a cotton boll as a "nut with a beard."

Ben Franklin Warehouse Area Increased

The Ben Franklin Division of City Products Corporation plans to add 50,000 square feet to its Dallas Distribution Center according to K. B. Brewer, Dallas Regional Manager.

The present facility of 150,000 square feet serves 260 Ben Franklin franchised stores in the Southwest in addition to a number of franchised variety departments in Food and Drug Stores.

The Ben Franklin warehouse is located at 3030 Glenfield in the Santa Fe Industrial District of Oak Cliff.

The addition will be built by T. C. Crist, Inc. of 5639 Dyer in Dallas. Construction anticipated to be completed by July 15.

IT'S ALMOST TIME TO PLANT YOUR 1966 CASTOR BEAN CROP

Look Around... You Won't Find A New Crop To Fit In Better With Your Farming Program... And Make Any More Profit

Not Much Time To Study About It, Anymore. The Seed Needs To Be Planted Pretty Soon.

You Can't Turn Down Profit. And When You Share In The Processing Profits, Like All Co-Op Members Do, You Make More Net Profit On Each Crop.

Contact us, or your local co-op gin manager. Find out the particulars about growing castor beans in your area. This is a fine opportunity to keep your diverted acres in production, and still get government payment besides. Call today.

ELMS EQUIPMENT LUBBOCK

News by Melba Wideman

Watts On Way To Germany

— A 1/2 mother, Mrs. M. R. Funston and sister, Mrs. Jewel Hobbs. Mrs. Bobb Wilson entertained her husband and her mother, Mrs. Silas Wheeler with a birthday supper on April 5. Other guests attending were Mr. and Mrs. Arthur Younts of Sweeney and Silas Wheeler, Mr. and Mrs. Ralph Shrum and Guy Lyn had as their guests during the Easter weekend, Mr. and Mrs. George Price, Sr., Butch and Michiel, formerly of Artesia, N.M., but were enroute to their new home in east Texas at Leonard; Mrs. Dorothea Roberts and children of Lubbock; and Miss Marjorie Price, who is attending school at North Texas State at Denton.

Mrs. Emma Ware and Melba, Miss Ruth Bartley, Mrs. Roznovsky of Ralls, and Mrs. Jodie Noble and Inez of Lubbock, were among those who visited with Mrs. Noble and Mrs. Ruby Artley in the Noble home during the week.

Mrs. Morris Wideman visited on Thursday afternoon with Mrs. "Bud" Woods in Floydada.

Mrs. Roy Mara and Mollie, and Mrs. C. O. Littlefield visited with Mrs. D. A. Barnhart in Methodist Hospital in Lubbock on Thursday afternoon.

Mr. and Mrs. Ted Houghton, Danny and Teddy spent from Friday til Tuesday of the Easter holidays visiting in Denton with their daughter and sister, Mrs. Jerry Mitchell, Mr. Mitchell, Elizabeth Ann and Jerry Wayne, Jr. It was the first time the Houghtons had seen their grandson.

Mr. and Mrs. Thurman Richards and family visited her father, Bill Robertson in Crosbyton Hospital on Sunday afternoon and then visited later with Mr. and Mrs. Ray Tinney and Danny in the Dougherty community.

Mr. and Mrs. Ed Martin visited with relatives in Whitesboro during the Easter weekend. They also visited with Mr. and Mrs. W. T. Center, Carla and Larry.

Little Miss Kristie Hilton, Lubbock, spent the weekend with her grandparents, Mr. and Mrs. Bud Cox, Dorothy and Kenny, while her parents, Mr. and Mrs. Delman Hilton were in the process of moving to another location in Lubbock.

Mr. and Mrs. Bob Wideman and family visited in Plainview on Friday evening with Mr. and Mrs. Kenneth Bevel, Monte and John Mark.

Teresa Heinrich spent Friday night and Saturday with Diane Harris, Mr. and Mrs. Marvin Heinrich and family visited with the Harris family on Sunday afternoon.

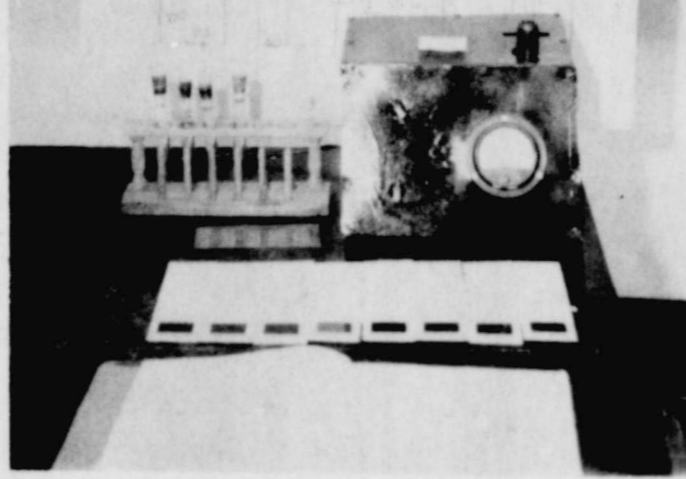

Mr. and Mrs. J.P. Goins and Mrs. Emma Ware and Melba were among those who attended the annual stockholders meeting of the Lighthouse Electric Cooperative, Inc. on Saturday at the Floydada High School Auditorium.

Mr. and Mrs. Raymond Allen, Amarillo, were in the community over the weekend and spent Saturday night with their son and family, Mr. and Mrs. Jimmy Allen and sons, Lubbock.

Rev. Owen Graves, Morton, was guest speaker at the Baptist church for both services on Sunday, in the absence of

THE PURPOSE OF THE PHOTOELECTRIC COLORIMETER IS TO FIND THE CONCENTRATIONS OF VARIOUS SOLUTIONS THROUGH THE MEASURE OF THE AMOUNT OF LIGHT TRANSMITTED THROUGH DIFFERENT CONCENTRATIONS OF THE SOLUTIONS.

THIS APPARATUS IS VERY USEFUL IN LABORATORY WORK

SCIENCE WINNER - This "Colorimeter" project brought Danny Watts of Floydada top honors in the high school physical science division of the South Plains Regional Science Fair at Texas Tech Saturday. Watts earned the right to compete in the 17th International Science Fair next month in Dallas. (Tech Photo)

the pastor, R. C. Guest, who is on vacation. Rev. Graves and Mr. and Mrs. Haney Wideman and family were dinner guests in the home of Mr. and Mrs. Bob Wideman, Kenny, Belva and Ray Don.

Mr. and Mrs. Alvie McCraw and children, Lovington, N.M. were weekend guests of her mother, Mrs. Oma Patterson during Easter. Others present were Mr. and Mrs. Charles Mullins and family, Ralls, and Mr. and Mrs. Vernon Jones, Jr. and children of Crosbyton.

Mr. and Mrs. Morris Wideman spent Saturday night and Sunday with her sister, Mrs. John Kilpatrick in Big Spring. Others present on Sunday were Mr. and Mrs. Harlis Dent of Ft. Worth. Mrs. Dent is the former Nell Kilpatrick.

Mrs. C. O. Gilbreath was a dinner guest in the home of her daughter and family, Mr. and Mrs. George Periot, Lory and Sta in Ralls, on Easter

Sunday. Mr. and Mrs. David Blanton, Mr. and Mrs. Bill Brackett and Billy, and Mrs. Maggie Goodson visited in Spur on Sunday afternoon with Mr. and Mrs. Ted Goodson and family.

Mr. and Mrs. David Stewart and Mrs. Joe Jackson went to Amarillo on Friday on business. The Stewarts were overnight guests of Mrs. Calvin Martin and Mrs. Jackson spent the night with Mrs. Raymond Allen.

Mrs. Wayne Adams returned from West Texas Hospital on Thursday to the home of her parents, Mr. and Mrs. Aaron

Galloway Will Head VFW Post

At a meeting of the J. W. Harrison Post #5616 held Tuesday night, the organization nominated and elected officers for the coming year. Donnie Galloway was named commander of the local post for the coming year. He will replace Pete Looney, present commander.

The officers will be installed at the next meeting May 3.

Carthel in Floydada for a period of convalescence. She hopes to be able to return to her home in a short while.

Teddy Houghton accompanied other members of the Ralls Junior High band to Muleshoe on Saturday where they participated in the district contest. Teddy won first division in his trombone solo and won second division in the trombone quartet.

Mrs. J. P. Goins returned last Wednesday from spending a week in Lawrence, Kansas, visiting her mother, Mrs. Louise Weeks, who celebrated her eighty-sixth birthday while Mrs. Goins was there. She also visited her sister and family, Mr. and Mrs. Harry Van Neste, and a daughter, Mrs. Richard Schrader, Mr. Schrader and daughter.

Weekend guests in the home of Mr. and Mrs. Marvin Tidmore were Mrs. Arthur Evans, Lubbock, and Mr. and Mrs. Randall Tidmore and David, Odessa. Sunday guests included Mr. and Mrs. Bill Noble and daughter of Brownfield, and Mr. and Mrs. Gene Dobbs and girls of Lubbock.

Mr. and Mrs. B. R. Adams, Graham, visited from Tuesday til Friday in the home of Mr. and Mrs. C. O. Gilbreath. Mrs. Adams also visited with Mrs. Gladys Gray, Ralls.

Miss Edna Houghton, Lubbock visited on Saturday evening and had supper with Mr. and Mrs. Ted Houghton and sons.

Weekend guests of Mrs. Oma Patterson were Mr. and Mrs. Bill Shelton and Vyna, Amarillo, Mrs. Pearl Reddy, McCoy, Mr. and Mrs. Charles Mullins and family of Ralls, and the Vernon Jones, Jr. of Crosbyton.

Scott Gilbreath, Ralls, spent the weekend with his grandparents, Mr. and Mrs. C. O. Gilbreath.

The officers, in addition to Galloway, are: Sam Spence, Sr. Vice Commander; John Cockrell, Jr. Vice Commander; William Scales, Chaplain; Oatis R. McIntosh, Quartermaster; Henry Gaitner, Judge Advocate; Bill Rice, Surgeon; Pete Looney, 3 Year Trustee; Travis Parr, 2 Year Trustee; Glen Jarrigan, 1 Year Trustee.

Local Mason To Lead Workshop

A Masonic Workshop meeting has been scheduled for officers and members of four Lodges at 7:30 p.m., April 30, in Lockney Lodge 867, in Lockney.

Jimmy M. Willson, Jr., who is a Floydada building materials distributor and chairman of the ten-county Masonic Workshop Area E-3, will conduct the meeting. He said that Lockney, Hale Center and both of the Plainview Lodges are invited.

Nearly 200 Workshop meetings are held semi-annually for officers of over 970 Texas Masonic Lodges.

The meetings are authorized by H. W. Fullington of Odessa, who holds the highest Masonic position in the state as Grand Master of Masons in Texas. The Masonic Order is the state's largest fraternal organization with nearly 250,000 members. It is noted for its activities in the field of charity and in the self-improvement of its members.

Philosopher Has Answer For People Who Say He's Lazy

Editor's note: The Floyd Philosopher on his Johnson grass farm seems to be trying to defend himself, his letter this week indicates. It's a job we'd never undertake.

Dear editor:
From time to time some people around Floydada have implied, implied thunder, have come right out and said that I'm lazy.

"Ole J. A., whoever he is, must be the laziest man in this part of Texas," I heard one man tell another in town one day while he was looking over a copy of The Hesperian. "You ever heard of anybody as far behind in his work as he seems to be?"

I now wish to state that some people just don't know the difference between an economist and a bum.

According to a front-page

IF YOU KNEW ALL THREE, YOUR CHOICE WOULD BE

CRAWFORD MARTIN

FOR ATTORNEY GENERAL

article I read in a copy of a newspaper last night, the leading economists of this country have advised President Johnson to ask big business to slow down and even postpone some plant expansion, in order to head off inflation. They have studied the economic index and the cost of living and spiraling prices and decided that too fast expansion at this time would be inflationary, and many industrialists have agreed.

I am pleased to announce that I was years ahead of the economists.

Some people thought the reason I didn't build a new fence around this Johnson grass farm was that I was too lazy, whereas actually all the time I was fighting inflation.

I didn't have to wait for the economists to tell me that plunging into the job of putting a new roof on my house would be inflationary. In this modern, complex world, a man has got to know when to put the brakes on. You'd think the

big industrialists would know this without having to be told.

Declining to jump on my tractor and plow up some unused ground isn't laziness, it's anti-inflationary. You're not going to catch me sending the inflationary spiral off the top of the chart and bringing economic collapse to the entire nation.

big industrialists would know this without having to be told.

Declining to jump on my tractor and plow up some unused ground isn't laziness, it's anti-inflationary. You're not going to catch me sending the inflationary spiral off the top of the chart and bringing economic collapse to the entire nation.

National President To Speak At FU Meet In Crosbyton

The National President of the Farmers Union will be on hand tomorrow, Friday, April 29 to address the Crosby County members as they celebrate their 10th anniversary. He is Tony T. Dechant of Denver, Colorado.

The meeting will be held in the Pioneer Memorial Building in Crosbyton.

Also expected is Jay Naman, State President of the organization.

Included in the evening meeting will be a brief historical moment in which the founders of Crosby County Farmers Union will be recognized.

Earlier in the day there will be a ladies luncheon at 12 noon at which Mrs. Jay Naman will speak. Included in this program will be an "All Cotton Style Show" through the courtesy of the Crosby County Cotton Club.

Also included will be a demonstration by Mrs. Mary Phillips, Home Economist of the Lighthouse Electric Cooperative in Floydada.

Door prize for the evening meeting will be a color TV set, which is being furnished through the cooperation of Jacky's Radio and TV in Crosbyton.

Theme of the meeting will be "Forward From 1966."

Kitchen & Field News

Lighthouse Electric Coop., Inc. Mary Phillips, Home Economist

The 27th Annual Membership Meeting of the Lighthouse was well attended Saturday at the Floydada High School Auditorium. Perhaps Mr. Jetton's famous bar-be-que accounts for part of this! Fourteen hundred and twenty-eight were treated to a delicious meal of barbequed beef, beans, potato salad, slaw salad and those delicious apples.

Entertainment was provided by local "home" folks. This area seems to "overflow" with talent! Many thanks to everyone who had a part on the program. You contributed a great deal to making this day

Elvis Presley is "Frankie's" "Johnny" of Edward Small's Technicolor production "Frankie and Johnny," based on the famous folk ballad which opens Sunday at the Palace Theatre. The United Artists release contains eleven new Presley hit tunes.

Fair Board Meets, Names Committees For Planning

At a recent meeting of the Floyd County Fair Board the president, C. L. Henderson, named a number of committees and the group started plans for the annual Fair, scheduled for Sept. 21, 22, 23. Workman were on the scene of the fair grounds last Thursday to make improvements and repairs on the building.

Committee chairmen named by Henderson include: Carl Brock, community exhibits; Joe Wilson, agriculture division; Mrs. L. K. Sherman, art department; Floydada Garden Club, flower show; Earl Kellison, tractor driving contest; Mrs. J. P. Taylor, women's department; Mrs. Ruby Lee Higginbotham, women's club exhibits; Hubert Frizzell, commercial exhibit space; Gerald Thompson, educational space; Mrs. Max Marble queen's contest; Mrs. Harry Morckel, ladies day;

Joe Reeves, gospel singing; Mrs. Joe Taylor, talent show; Alton Higginbotham, lamp building contest; Gene Handley, quarter horse show; John Dorman, antique show; Jim Roberts, chairs; Pat Fizzell the success that it was.

Our special "Thank You" to the Planning Committee, the Directors and their wives, and to Ned and Lorilla Bradley for all of their work on this Annual Meeting.

Out on the line, a lot of folks are enjoying a new appliance or some piece of electrical equipment as a result of their being at this Annual Meeting. Among the many prizes given were:

- A coffee maker - Mrs. L. G. Norrell; Sportsman lantern - Grady Walker; Teflon automatic griddle - Bailey Henderson; Coffee maker - Darrel Mayo; Portable mixer - H. B. Johnson; Portable mixer - C. A. Gloyna;
- Electric Scissors - E. B. Noel; Yard light - Nathan Mulder; Gift Certificate - J. D. Glover; Electric Heater - J. E. Summers; Yard light - G. E. Trimble; Ice Crusher - Clyde Hayley;
- Broiler Fry pan - H. J. Cage; Toaster - Mrs. Darnon; Electric Shoe polisher - James Bobbitt; Hair Dryer - Mrs. Milt Covington; Ice cream freezer - Jerry Battey; Battery charger - R. C. Ross;
- Electric can opener - Bob Ratjen; Electric toothbrush - Charlie Wright; Coffee pot - O. N. Bertrand; Electric shaver - J. J. Smalley; Electric shaver - Glen Curtis; 1/2" drill - Henry Harris;
- Electric Skil saw - Bill Hendrix; BVI paint sprayer - E. W. Walls; Electric heater - Lee Trice; Electric food sealer - F. P. Heneks; Massager - A. B. Muncy; Electric heater - Kenneth Havens.

The big and final prize, a color television, went to the R. W. Overstreets of Floydada.

Michael Matsler In U. S. Navy

Basic Training

SAN DIEGO, CALIF. (FHT-NC) April 14--Seaman Recruit Michael Taylor Matsler, USN, son of Mr. and Mrs. Leonard T. Matsler of 500 S. White St., Floydada, Tex., is undergoing seven weeks of basic training at the Naval Training Center here.

Under the supervision of veteran Navy petty officers, he is receiving instructions in naval history and organization, customs and courtesies, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drills and sentry duty. Military drills are emphasized during recruit training, and with various inspections and a planned physical fitness program, keep the recruits mentally and physically alert.

Upon completion of recruit training, he will be assigned to a school, shore station or ship, according to the results of his Navy Classification tests, his own desires and the needs of the Navy.

and Max Jordan, carnival; Paul Teuton, flag display; Joe Foster and Boyce Mosley, decorations; O. T. Billington, parade; C. L. Mooney, catalogue.

Clyde Stowe, publicity; Delton Jack, building and grounds; Mrs. Melvin Henry, office; Bill Cardinal, grounds police; Lockney and Floydada Riding Clubs, parking; Bob Jarrett and Kenneth Wofford, gate; Raymond Bueker, wiring; Dowell Brewer, telephone; Alton Higginbotham, sound system; Kenneth Brose, livestock division.

The next meeting will be May 10 at Lighthouse Electric in Floydada.

'Frankie, Johnny' Once 'Outspoken,' Called Tame Stuff

Are stories getting cleaner or are public tastes getting more sophisticated?

Veteran stage and screen star Jerome Cowen isn't sure.

"Thirty years ago," he explains, "when I appeared in a stage version of the famous folk legend 'Frankie and Johnny,' at the Princess Theatre in New York, the performance was busted up one night by the cops who hauled in the whole bunch of us. The press screamed, 'People fumed. The words 'obscene,' 'outspoken,' 'indecent' were bandied about until they got bandy-legged."

"In looking over the old script not so long ago," he went on, "to refresh my memory for Edward Small's 'unlimited budget' production of the same legend starring Elvis Presley and in which I have a part, I was amazed! Why, it reads like a bedtime story in comparison with some of the stuff I've seen!"

Small's lavish version of the famed legend, in Technicolor and under United Artists release, opens Sunday at the Palace Theatre. It co-stars Donna Douglas, Harry Morgan, Sue Ane Douglas, Nancy Kovack, Audrey Christine, Robert Strauss and Anthony Eisley. The screenplay, by the film's associate producer, Alex Gottlieb, is from a story by Nat Perrin based on the legend. Frederick de Cordova directed and the music is by Fred Karger.

PROCLAMATION

WHEREAS, The first day in the month of May, each year, has been designated officially by the Congress and by the President of the United States as Loyalty Day, to be commemorated nation-wide by all citizens for the specific purpose of "re-affirming loyalty to the United States and giving special recognition to our heritage of American freedoms," and

WHEREAS, Such public expressions of loyalty are of vital importance because they enhance the traditional American way of life which was founded upon sincere love of God, Flag and Country; and because they do strengthen our defenses against every subversive and divisive element threatening our freedoms and national unity, and

WHEREAS, Public programs initiated by the Veterans of Foreign Wars of the United States and its many co-sponsors are designed to implement fully the patriotic intent of Loyalty Day and are highly commendable, now

THEREFORE, I, Leonard Matsler, Mayor, City of Floydada do hereby urge every man, woman and child, every school and church, every business establishment, organization and home within my official jurisdiction to display proudly the flag of our country and to participate in public demonstrations and ceremonies sponsored by the Veterans of Foreign Wars of the United States, and others, in recognition of LOYALTY DAY, on May the first, nineteen hundred and sixty-six.

Leonard Matsler, Mayor
Jimmie Lou Stewart, City Secretary (4-28-66)

DOUGHERTY NEWS

2"-3" Rainfall Received Here

DOUGHERTY, April 25 - This area has received rainfall in beneficial amounts over the weekend. Reports vary from approximately two inches up to three inches.

A number of local people participated in the volley ball tournament at McAdoo last week. The Dougherty ladies team placed third. Ralls ladies were first.

Mr. and Mrs. Bob Vickers and Beverly were at Scottish Rite Hospital in Dallas Tuesday for a check up on Beverly. The results were most encouraging. The cast was replaced by a brace and the next checkup is scheduled after a period of two months.

The local Baptist Church has scheduled its annual Vacation Bible School for the week of May 23. Mrs. Wayland Jones is Acting Superintendent this year.

Mr. and Mrs. Ernest Emert have returned to their home in Palm Springs, Calif., after visiting their son, Fred at Dalhart and relatives in this area.

Mr. and Mrs. Ned Bradley were guests at the wedding of Miss Wanda Howard and Tom Brooks Bradley in Amarillo Friday evening.

The Henry Hinton family visited the Home Show in Lubbock Saturday and later visited in the Gene Alexander home.

Mr. and Mrs. Sam Graham and children of Floydada were guests in the Lon Emert home Friday.

Mr. and Mrs. Claude Ring visited in Quanah over the weekend.

Saturday Rob Heflin, Joe Martin and Bob Everett enjoyed a fishing trip at White River.

Mrs. Bob Everett and sons were Saturday guests in the home of Mrs. Wayne Adams at Cone.

Saturday Mr. and Mrs. G. W. Smith visited the Dale Smiths in Plainview and the Floy Smiths in Levelland.

Rogers Statement Here This Week

Federal Courts and certainly not just the one who can spend the most money in a campaign.

I wish very much to see and visit personally with everyone, and will do so, as much as is humanly possible.

However, the huge size of our district, very limited money resources and the work and responsibility my Seniority places on me limits this personal contact, by me, quite severely. Therefore, I sincerely request you to examine my rec-

FEW TURNOUT - Only a handful of interested people took time out to help clean up around the rest rooms at the baseball parks last week. A work day was scheduled to begin at 5:30 and it was hoped the roof could be put on the building at that time. A men's rest room, a women's rest room and a store room are included in the building. (Staff Photo)

erful lobbyists and others. But, I have not run from them in the past -- I will not do so now or in the future.

ISSUES

1. So the first real issue in this race for the 30th Senate District post is, can those who deceive the people and try to manipulate the Legislature and other state officials to their advantage, finally succeed with their tactics and limitless money.

2. In Wichita Falls, the main population center of our district, a group there, several of their number extremely wealthy, pretty well control their city and county. Now they intend to control your Senate representation in Austin. Recently, a banker, and very rich oilman, among their number called a "SECRET" meeting in Wichita Falls to rant and rave how horrible Andy Rogers was and to raise money for one of his opponents. He didn't bother with the facts. MORE IMPORTANT, he didn't tell why he was really against me.

The truth is that in 1959 your then Senator George Moffett and other leaders in Wichita Falls asked me to sponsor a law creating a pollution authority to control oil field pollution as Wichita Falls HAD to seek a new water supply and the proposed new lake would be worthless until a firm pollution control was initiated.

I passed this bill for Wichita Falls and neighboring towns and it has brought wonderful people. But the banker and oil man who called the "SECRET" meeting did not explain how he had been and still is considered one of the worst violators of pollution control.

Most of our oilmen, including the major companies have cooperated wonderfully with the pollution authority -- but not this gentleman.

He regularly contacts our legislators and other state officials to try to destroy the pollution authority. He is regularly known to be one of the major political contributors to candidates on every political level.

Shall we let him destroy Andy Rogers who passed the bill to protect our water for all our citizens??

3. The "Iron-Curtain press" in my 18 consecutive years in politics I have never encountered any news media as slanted and biased as the Wichita Falls newspaper.

They have persisted in making "news" for their favorite son and denied every opportunity possible to let their readers know there are even other candidates running.

They have so arrogantly and flagrantly denied the public of its "RIGHT TO KNOW" Shall the voters reward this

un-American like Institution??

4. Seniority. If a candidate has a voting record to please most of the voters, the next most important thing in his ability to represent them, is his Seniority.

Andy Rogers now ranks 6th in

ANDY ROGERS

Seniority in our Texas Senate by virtue of four years in our House of Representatives and nearly 14 years in our State Senate.

Seniority in our Senate is the most important factor in determining which committees a Senator will serve on and the ones of which he will be chairman -- and there fore his ability to serve.

Nothing else can take the place of experience and Seniority -- it can't be purchased at the supermarket or acquired by taking a pill.

This job belongs to the people, not me or any other candidate.

The people of our area have an 18 year investment in the experience and seniority of Andy Roger. To elect either of his opponents would mean at least a 12 year wait to again have another Senator with this important asset.

Should the voters throw away this most valuable asset they already own???

There are many other subjects I would like to discuss, but I will close by saying it has been a privilege to co-author and work for the bill that made Midwestern a four year state-supported school, to co-author and work for the bill that changed the name of West Texas State to a University and to have had a vital role in the efforts to place Texas Tech where it stands today.

Yes, check my record -- ASK THOSE WHO KNOW.

Andy Rogers long record of service for the people of our area is clear. You can know where he stands -- while many have been known to falter and wilt in the terrible heat and pressure of the jungle of Austin

FLOYD DATA

politics.

WHY TRADE A RECORD FOR A PROMISE???

I need your vote and support. It will be deeply appreciated.

Sincerely,
Andy Rogers

FLYDADA, TEXAS

ord, satisfy yourself and help me spread the word to others.

I am a farmer, stockman, and small businessman, 41 years of age, have been active in church, lodge, civic work and farm and Veterans' organizations. My wife, myself, two daughters and one son are native West Texans, of the area including our Senate district. I served three years in the United States Army during World War II and have seven years of college - Texas A&M and the University of Texas.

It is dangerous in our State Legislature not to be a "go along to get along" person. It is dangerous to speak loudly and firmly against some big

officeholders when you do not agree with them 100 per cent of the time or oppose some of their programs you believe harmful to your District or State. It is dangerous to seek to really stop pollution of our surface and ground waters. It is, perhaps, even more dangerous to raise your voice against corruption in high places when it arises or to oppose the great out-of-state owned corporations who have so much power in Austin -- those who seek to evade their fair share of taxes and seek to shift an ever greater burden to the worker, farmer and Texas-owned businesses.

Andy Rogers has done all of these and therefore is on their list for extermination.

When I first ran for the State Senate in 1952 -- there was then a great hue and cry to clean up the "mess in Washington." I was an oddity among candidates THEN, as I charged that "Austin is as rotten as Washington" and that "moral integrity is needed most."

I further demanded a law to require state officials and legislators to file for public record, a statement showing their income and its source.

This wasn't, and still isn't, the way to be very popular in Austin and certain other circles.

In 1954, I, and a few others, urged investigations into several matters, including the Insurance Commission, certain land transactions and certain state contracts. For our efforts we were slandered.

A few months later the lid blew off. I have authored and passed legislation against obscene,

dirty literature, pep pills and narcotics.

Yes, I have made many good friends among those who work for the interest of our District. I have also made many good enemies of those selfish minority blocs who interests conflict with those of our District.

In two of my more recent races they have used every trick; deceit, slanderous anonymous mail and threats to me and my closest friends.

During this race they have, so far, at least, been more subtle. But their money and power behind my opponents become more obvious each day.

This is not to say that my two opponents would employ or use these tactics -- they both seem like nice guys -- but they don't have to use them -- some others will gladly and freely do this for them if they think it will work.

These methods of deceit, etc. have been perfected to an art. And, as has been said, "the perfection of art is to conceal art."

But look closely -- it is obvious they are at work -- not necessarily because all of them love my opponents, but because they seek to destroy an old and proven enemy, Andy Rogers.

Meanwhile, my opponents readily seek and accept campaign money from various ones of these enemies of the people.

I and my family and some friends have suffered economically, socially and politically at the hands of some pow-

Staniforth Farm On American Breed Tour

The Billy Staniforth farm near South Plains will be one of the stops on an American Breeders Service tour through the Golden Spread May 4 and 5. The tour will begin at Nazareth, Texas and will end at Freedom, Oklahoma.

Results of more than a dozen progressive beef producers that have used ABS Progeny Proved Beef Sires will be visited.

J. P. Smith, Fieldman from Amarillo said, "The only way to know if you can use the ABS A. I. System (an artificial insemination system) in your beef herd is to visit some of the beef producers that have used ABS from one to seven years."

The tour will make its first stop at Bob Huseman's place just west of Nazareth. Huseman has been successfully breeding Hereford and Angus cows to ABS Charolais bulls artificially during feeding "dry lot."

Tour members will get to see Technician Reed Nicholson's breed cows at the Staniforth farm four miles east of South Plains around 11 a.m. May 4.

During the afternoon of the first day stops will be made at John Ballard's south and east of Claude and John Upshaw's south east of Amarillo and at the Paul Dauer Ranch at White Deer, Texas.

Percy Powers, one of the original members of the Pan-Tech beef cattle improvement group will be visited at Perryton and Balko, Okla. Power's Angus cattle are noted for carcass quality.

ABS breeding program will be observed in The Ditch Valley community north of Ross-ton, Okla., at the Mundell Ranch at 11 a.m.

The final stop during the second day will be at Elmer Mad-dux, ABS Rancher Representative, Freedom, Okla., where second generation results from the use of progeny proved bulls can be observed.

The true purpose of ABS Beef Builder Program is "to produce the most delicious beef carcass with the best retail red meat percentage efficiently."

FAIRVIEW NEWS

Over Two Inches Received Here

FAIRVIEW, April 25—What a wonderful rain we all are receiving. It began raining Thursday night and has rained some each day since. Up to now (Monday afternoon) over 2 inches has been received over most of the area and still raining.

The rain sure is fine for wheat and will put the land in readiness for spring planting. The dry land farmers have been waiting for a good rain to start farm operations.

Mrs. Clyde Bagwell returned home Wednesday afternoon from Santa Ana, Calif., where she had spent a month with her mother, Mrs. C. L. Joiner. She also visited her uncle, C. R. Wallace while there.

Sunday, April 17, a first cousin of Mrs. Bagwell, Dean Wallace and his wife, Evelyn, of Napa, Calif. came down for a visit. Also Mr. and Mrs. Wayland Bagwell of Los Angeles were there in the afternoon.

Recent visitors in the home of Mr. and Mrs. R. M. Cannon were Mr. and Mrs. Edgar Moseley of Slaton and Mr. and Mrs. J. W. Cannon and sons of Floydada.

Mr. and Mrs. R. M. Cannon received word a few days ago that their grandson, Tommy Cannon, son of Mr. and Mrs. R. A. Cannon of Covina, Calif. had enlisted in the Navy and would take his first training at San Diego.

Those gathering at the home of Mrs. W. B. Wilson today (Monday) for dinner and calling in the afternoon were Mr. and Mrs. Bill Tye, Mr. and Mrs. A. S. Mize, Mr. and Mrs. Cotton Wilson, who were there for dinner. In the afternoon, Mr. and Mrs. Sid Brown, Mr. and Mrs. Woodrow Wilson; and Mrs. Bob Carter of Amarillo and her sister, Mrs. Ouida Goddard of Alma, Colo., arrived in the afternoon and will spend the night with their aunt, Mrs. W. B. Wilson.

Mona Dell Wise entered Methodist Hospital April 8 for surgery. She returned home April 13 and has been steadily improving since. Visitors in the C. H. Wise home, since Mona Dell's stay in the hospital and return home were Mrs. Bill Houck, Mrs. Clyde Hinkle, Mrs. Olen Sneed, Mrs. W. U. Higgins, Mrs. J. L. Day, Mrs. Albert Duncan, Mrs. Pauline Faulkenberry, Mrs. Tom Jernigan, Mrs. L. L. Crabtree, Mrs. Wayne Fuller, Sharon and Ray, Carolyn Sue and Arleida Van Cleave.

Mrs. Ella Lawton spent several days recently at Paducah with her daughter, Mrs. Bill Mulkey.

Mr. and Mrs. R. M. Cannon spent April 15 in Amarillo with Mr. and Mrs. L. V. Cheves. R. M. also saw his doctor while there.

Easter Sunday Mr. and Mrs. Kay Crabtree, Becky and Sammy spent the day at Idalou with her parents, Mr. and Mrs. Elmer Griffith. Other members of the family present were Mr. and Mrs. Zane Stovall of Mesquite, Mr. and Mrs. Dean Woodard of Idalou. The Griffith's youngest daughter, Beverly, was a patient in Methodist Hospital during the holidays and could not be present. Beverly attends college in New Mexico.

Mrs. L. E. Crabtree visited Saturday afternoon with Mrs. O. F. Cummings.

Mr. and Mrs. C. H. Wise received a telephone call from their daughter, Mrs. Louise Caffee Sunday night. The Caffees now live at Palisade, Colo. Their son Mark had recently had surgery on a finger he had hurt at school but he is recovering now but still has to be out of school for a few days.

Mr. and Mrs. Lindsey Graham went to Lubbock Sunday
