BEAUTY, TALENT, DISCUSSION Lockney Contestants Sweep County Farm Bureau Contest

Lockney contestants in the annual Floyd County Farm Bureau contest walked off with honors in the beauty, talent and discussion divisions. The event was held in the Lockney Grade School Cafeteria last Friday evening. Mamba Frizzell of Lockney was named the new queen. She was crowned by Jan Stansell, the past year's reigning queen. Mamba is the daughter of M. and Mrs. Jack Frizzell of Lockney and was sponsored by the Lockney Young Homemakers. The runner-up, Dinah Hodel, also of Lockney, is the daughter of Mr. and Mrs. Verner Hodel. She was sponsored by El Penesero Study Club. With the dramatic reading "I Am An American," Mrs. Joe Taylor was named the winner of the talent division. Kitty Lloyd of Floydada and Mamba Frizzell of Lockney were also entrants in the talent find. Gene Handley of Lockney was named the winner of the discussion portion of the contest; held in the afternoon just prior to the queen contest and talent find. The welcome address and introduction of special guests was given by Kenneth Broseh, president of the Floyd County Farm Bureau. The master of ceremonies was Jerry Fletcher, assistant manager of the South Plains Panhandle Fair, Lubbock. He is

a graduate of Texas Tech and also is Agriculture Manager of the Lubbock Chamber of Commerce. Fletcher kept the event moving and took up slack time by spilling the popular "Aggie" jokes to the audience. Brenda Wisdom and Carol Ann Bramlett of Lockney, and Ann Battey and Jill Bertrand of Floydada served as usherettes for the event. The queen contestants included Mamba Frizzell, Dinah Hodel, Debra Brandes, Karla Smith and Jane Thacker of Lockney, and Valdonna Bennett, Vicki Gregory, Vicki Jarboe and Marilyn McLain of Floydada.

printing industry. Tooley, publisher of the Hesperian, will remain at Floydada, Blessing will move to Crosbyton and become publisher there on September 1. The Crosbyton Review is a weekly newspaper and is printed here in Floydada at Blanco Offset. It has been published for the past 21 years by Hubert Curry. W.M. Curry published the paper for the 21 years prior to Hubert's ownership. Curry said his future plans are indefinite at this time and he will continue to live in Crosbyton. Blessing is a native of Amherst, where he graduated from high school in 1953. He attended Texas Tech College for 1 1/2 years, interrupted his education for a two-year hitch with the U.S. Army then returned to Tech and graduated in 1959 with a B.S. in Agriculture. He joined the Littlefield newspaper staff in February of 1962. In 1963 he moved to Floydada as news editor of the Floyd County Hesperian. Blessing is married to the former Gene Swart of Littlefield. They have two children; a boy, Billy Gene, age 6; and a girl, Jedia, age 4. They are active workers in the Methodist Church. At Floydada they teach the eighth grade class, were, until this purchase was made, co-chairman of the Commission on Christian Social Concerns, members of the official board, and the Pas-

Farm Safety Week In County Proclaimed

County Judge J.K. Holmes has officially proclaimed July 24-30, 1966 as FARM SAFETY WEEK in Floyd County, according to Kenneth Broseh, president of the county Farm Bureau. The local farm organization is coordinating activities for the special farm safety campaign. President Johnson and Governor Connally have previously designated that week on national and state levels as a period to call attention to worthwhile safety practices that can reduce disabling injuries and death. The county farm leader said that the accidental death rate for farm residents has increased since 1961. "Your efforts are vital if this trend is to be reversed, and needless suffering and losses substantially reduced," Farm Bureau officials continued. They emphasized that farming remains one of the most hazardous occupations in America today. In his official proclamation, County Judge Holmes said: "All the citizens of Floyd County are deeply concerned about the safety and well-being of farm families from whom we receive our abundance of food and other essential agricultural commodities. "Farm and ranch accidents reap a grim harvest of approximately 150 fatalities and thousands more suffer painful disabling injuries each year in Texas, plus the great economic loss, causes profound physical and psychological damage suf-

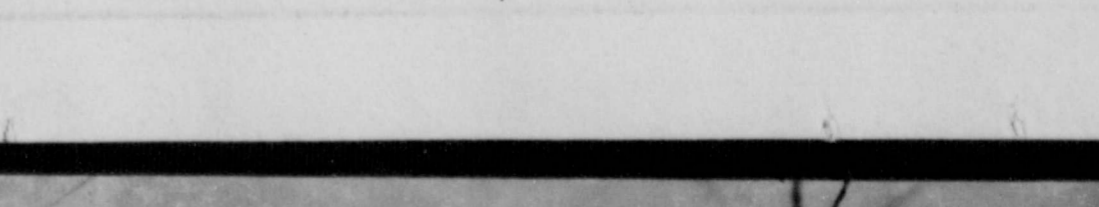

fered by members of farm families that are involved". "During this special week, a statewide farm accident prevention education program will be undertaken by the Texas Farm Bureau, the Texas Farm and Ranch Safety Council, the Texas Agricultural Extension Service, 4-H Clubs, the Texas Safety Association, Future Farmers and Future Homemakers of America, Young Farmers and Young Homemakers of Texas and the Floyd County Farm Bureau, with the theme "Safety is Victory Over Accidents." County Farm Bureau officials said that a different phase of safety would be emphasized each day during the week; Sunday-reverence for life; Monday-safety begins at home; Tuesday-agricultural chemicals; Wednesday - prevent falls; Thursday-rural highway safety; Friday-farm machinery; Saturday-recreation safety.

Trial Set For Accused Robber Of Matador Bank

Sammy Jim Horton, 24 year old Texas Tech senior, who has been accused of robbing the First State Bank in Matador in June, was indicted Monday for robbery by firearms by a Motley County grand jury. Following the action Judge L.D. Ratliff of Spur set the trial date for August 15 with a pre-trial conference scheduled August 9. According to other news sources, District Attorney John B. Stapleton indicated Monday

Fans Have Till August 1 To Get Reserved Seats

Football fans who purchase reserve tickets each year or every three years are reminded they have until August 1 to send their checks in to Floydada High School. Principal Charles Tyer said this week that only a small number of fans have requested seats thus far. Letters were mailed out in June as a reminder to secure reserved seats. If confirmation of your seats have not been received by the school by August 1st, then those seats will be sold to persons whose names are on the waiting list. Reserve tickets are \$4 each per year or on a three year basis for \$3.75 which will cost you \$11.25 for the three years. Car stalls are \$5 per year.

Hearing Slated Here Wednesday

Monday afternoon the Floydada School Board and other school officials were named again on a suit seeking a temporary injunction, more specifically a tax suit, with almost as much repetition in its wording, when compared with suits filed by the group in the past, as the fact that the sun arises each morning. The hearing, concerning the 1966 tax roll, will be heard in the District Courtroom here before Judge Howard C. Davison of 99th District Court at Lubbock, next Wednesday, July 27 at 10 a.m. Entitled Edd Muncy, et al vs. Ralph C. Johnston, et al the suit claims that the school Tax Assessor-Collector, named as Bessie S. Leibfried in the suit, which is in error, has accepted the rendition of personal property evaluations without question. The plaintiffs claim that this

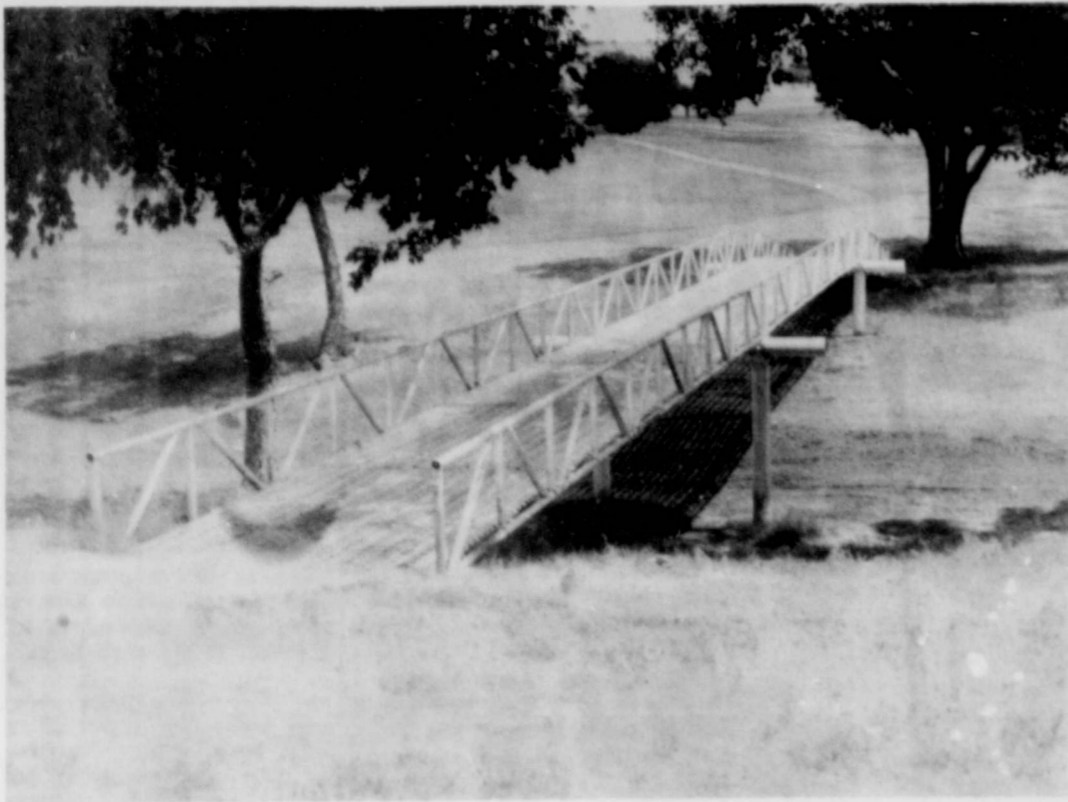

Quake Tremor Felt Here

More than one person in Floydada said they felt the tremor here from what was believed to be earth quake tremors in the upper Panhandle early yesterday morning. One resident said the noise woke him about 3:30 or 4 a.m. and at first he thought it was thunder, but after looking outside and seeing it was clear, he decided it was something else. He said the tremor rattled windows in the house. After hearing of the earthquake tremors over the news, he pinpointed the time and said evidently that was what occurred here. Details of the quake felt in the Panhandle were not learned here late yesterday.

PROCLAMATION

OFFICIAL PROCLAMATION
BY
J. K. HOLMES, COUNTY JUDGE
FLOYD COUNTY

WHEREAS all the citizens of Floyd County are deeply concerned about the safety and well-being of farm families from whom we receive our abundance of food and other essential agricultural commodities; and

WHEREAS farm and ranch accidents reap a grim harvest of approximately 150 fatalities and thousands more suffer painful disabling injuries each year in Texas, plus the great economic loss, causes profound physical and psychological damage suffered by members of farm families that are involved; and

WHEREAS the President of the United States and the Governor of Texas have proclaimed the week of July 24-30, 1966 as FARM SAFETY WEEK.

WHEREAS during this special week, a statewide farm accident prevention education program will be undertaken by the Texas Farm Bureau, the Texas Farm and Ranch Safety Council, the Texas Agricultural Extension Service, the Texas Safety Association, 4-H Clubs, Future Farmers and Future Homemakers of America, Young Farmers and Young Homemakers of Texas and the Floyd County Farm Bureau with the theme "Safety Is Victory Over Accidents;" and

WHEREAS such a campaign can do much to call to the attention of our rural citizens the need for observing safety practices which would reduce the tragic toll inflicted by accidents:

NOW, THEREFORE, I, J. K. Holmes, County Judge of Floyd County, do hereby designate the week of July 24-30, 1966 as FARM SAFETY WEEK in Floyd County and urge all farm and ranch families to become more safety conscious and help reduce deaths and injuries caused by accidents.

IN OFFICIAL RECOGNITION THEREOF, I hereby affix my signature this 15th day of July, 1966.

(Signed) J. K. Holmes
(Floyd County Judge)

his family moved to Deming, N.M., his first assignment as a minister, where they remained for three years. In 1964 the family moved to Lubbock where they have been for two years.

He has worked with the National Council of Churches covering six states concerning himself primarily with the Migrant Ministry Division of the organization.

The family arrived in Floydada June 17, but they left for El Paso that day also. Immediately after returning home they left for Dallas, and finally settled here last week. Rev. Salinas plans to have Sunday morning services in the Floydada mission, and Sunday afternoon services at Lockney. He also plans a mid week service but this is to be worked out in the future.

The First Methodist Church purchased the Sterley parsonage and the Education Building at Cone last May to be used in the mission work. The parsonage has been moved to the new location on Mississippi Street, next to the County Cannery and is being repaired at this time. In the near future the Education Building will be moved in and set next to the parsonage for use as the worship and education part of the mission.

Rev. and Mrs. Salinas have three children, all boys. They are Johnny, age 4, Lonnie, age 2, and Mark, age 7 months.

Three Floydada Lads Awarded State Degrees

Three Floydada lads, Michael Hinsley, Larry Hunter and Roland Adams, were the recipients of the coveted Lone Star Farmer Degrees at the annual state convention held this past week.

The boys farming program, community and school activities, as well as the simplicity and completeness of their records were taken into consideration in the awarding of the degrees.

Allen Daniel, Nathan Johnson, and Larry Adams were other students from here that attended the convention, as did Gerald Thompson and H.G. Barber, vocational agriculture instructors here.

Baptist Church Has Fire Scare

Sunday night during the training union session the people at the First Baptist Church had a fire scare.

People there became aware that something was wrong with the electrical system when the lights began to blink. Rev. Floyd Bradley went into a room to turn off the power to a part of the building not being used to see if that would relieve the load on the lights, since the air conditioning had been going full blast since the afternoon before.

When he entered the room he threw a switch, and it is reported that sparks flew, and smoke filled the room as smell of burned wiring became apparent. A watch was kept on the fuses and on the control room throughout the night until an electrician could check out the wiring in the old part of the building.

It was learned that the church lost three motors and the cause was a faulty fuse, according to Rev. Bradley. However, the building itself received no damage.

Blessing has served as vice-president of a baseball league, is presently publicity chairman of the Comanche Trail Boy Scout District. He is also a member of the Lions Club where he is chairman of the publicity committee and serves on the Boy Scout committee.

The family plans to move to Crosbyton in the latter part of August.

Blessing said that the Crosbyton Publishing Company Corporation would be formed with three stockholders: Tooley, Blessing and Mrs. Luther Kirk of Pampa.

LOCKNEY PAPER
Another area paper changed ownership recently. Jim Bob Reynolds purchased the half interest of Edgar Hays in the Lockney Beacon. Willis Reynolds, father of Jim Bob owns the other half and will remain with the paper.

Jim Bob also purchased 11% of Blanco Offset in the transaction.

Both the former Lockney and Crosbyton publishers suffered heart attacks at the age of 54. Hays' attack came about six weeks ago, Curry's about 3 1/2 years ago.

Rites Pend For Clarence Davis

Funeral rites were still pending here late yesterday for a 64 year old Floydada Negro, Clarence Davis, who was killed Monday near Lorenzo in a truck-car collision. Another Floydada Negro, Sam Mock, 59, was injured and is in good condition in Crosbyton Clinic.

Davis was the driver of a 1954 Ford sedan. He died shortly after arriving at Crosbyton Clinic. The truck driver, Charlie B. Leyendecker of Lorenzo escaped injury, according to highway patrolman James Johns of Crosbyton.

Johns said the accident happened some three miles west and one south of Lorenzo in Lubbock County at the intersection of two dirt roads. The patrolman reported that the truck, going north, was in collision with the right front fender of the automobile which was being driven east. The truck returned.

Letter To The Editor

In Appreciation of Fire Department

Dear Sirs:

Your response to our call for help is deeply appreciated by each member of our church. Your presence to aid the local fire department in the hour of need for our church is deeply appreciated. Our church in special conference asked that you know of our deep appreciation.

Such response cements the friendship of our communities in a close tie of fellowship and brotherly love.

Sincerely,

MRS. GEORGE PATTON
(nee Donna Martin)

Double Vows Unite Donna Martin And George Patton

Double ring vows read at 7 o'clock p.m. Friday, July 15 united in marriage Donna Martin, daughter of Mrs. Vernie Martin and the late Odell Martin, and George Patton, son of Mrs. Edna Patton. The families reside in Floydada.

George Calvert, Church of Christ minister in Lubbock, performed the ceremony in that city.

The bride, given in marriage by her brother, Dale Martin, wore a street length sheath dress of white crepe made by her mother. It was designed with a short fitted lace jacket, long sleeves which came to petal points at the hands and a round neckline. The brief jacket was closed with tiny self covered buttons. Her veil of illusion was caught to a satin white rose and fell shoulder length. She carried a bouquet of white flowers and streamers tied in love knots.

Janell Gohenn of Lubbock, aunt of the bride, was maid of honor and Carroll Patton served his brother as best man. Following the wedding a reception was held in the home of Mrs. Gohenn.

KIT ZIMMERMAN

Shortly afterward the couple left on their honeymoon trip to Santa Fe, N.Mex. Upon their return they will reside in Floydada where the bridegroom is employed by Oden Chevrolet.

Kit Zimmerman To Graduate In August

Kit Zimmerman, daughter of Mr. and Mrs. Fred Zimmerman Jr., of Floydada will be a candidate for graduation August 26 from Southern Methodist University. Kit will receive her BS degree in elementary education and will teach in Dallas starting in September.

At present Kit is vacationing on the West Coast with her parents.

High Above 90 Degrees Each Day This Month

People in Floyd County, and across the nation as far as that goes, have become almost accustomed to walking out of their air conditioned house or office and being with the stinging effect of the intense heat. Have you wondered how long it has been since there was a noticeable drop in the temperature?

According to Pioneer Natural Gas Company, the last time the high temperature of a day in Floydada was below 90 degrees, was the last day of last month, June 30. The thermometer registered a high of 89 for that day.

This week, beginning with last Wednesday, the high temperature has remained above 94 degrees. Last Wednesday the high was 94, Thursday, 94, Friday 100, Saturday, 96, Sunday, 96, Monday, 96, and Tuesday, 98. Wednesday's high was not available before press time, but the temperature had risen into the mid 90's by that time.

Most irrigated crops are able to flourish and grow under the intense heat, but the dryland crops are needing relief and will have to have it soon or suffer severe damage. Although scattered showers dot parts of the county, farmers are looking for a general rain to revive crops.

Public Service registered a demand of 1,190,000 KW last Thursday for a new record when Friday broke that record when the demand hit 1,210,000 KW. The City last Friday hit a peak of 2,750 KW and held this peak for one hour. Under normal use the city residents will require around 1,900 KW demand per hour.

Officials at Lighthouse Electric said the meters at their substations had not been checked since the last of June, but they felt they had reached a new demand record, since almost every irrigation well on the lines is in operation as well as every air conditioner. The Water Department here has not shown the increased usage of water that was expected with the hot weather. The peak day was in June when 1,885,000 gallons were used. July 16 has been the top day this month and 1,798,000 gallons of water were required to meet city demands.

HD Club Visits In Westbrynn

Mrs. Earl Edwards was hostess for the July 14 meeting of the Dougherty H.D. Club. As a special activity the club visited the guests in the Westbrynn Haven Convalescent Home and presented each one an attractive arrangement of fresh fruit and stick candy.

Those visiting at Westbrynn were Mrs. Johnny Cates, Mrs. W.J. Ross and Mrs. Earl Edwards Sr. Mrs. R. H. Crawford assisted with the fruit arrangement and gave the peaches from her orchard.

The next meeting of the club will be in the home of Mrs. Howe Hines July 28.

HELLO WORLD
Mr. and Mrs. Ronnie Ogle of Levelland are parents of a son, who was born July 19 in West Texas Hospital, Lubbock. The baby weighed eight pounds and a half an ounce and has been named Kevin Paul. The mother is the former Gloria Sparks.

Nancy Holmes Bride Of Willson

Miss Nancy Holmes, daughter of Mrs. Ed Holmes became the bride of Mac Willson, son of Mr. and Mrs. J. M. Willson, Jr., in a double ring ceremony read Friday, July 15 in the chapel of the First Methodist Church in Floydada.

Rev. Hershel Thurston, minister, read the vows.

Miss Sandra Marler of Amarillo served as maid of honor and Larry Patton of Canyon was best man.

The bride and groom are both graduates of Floydada High School. She attended Abilene Christian College. Her husband attended college at McMurry and West Texas State University.

The couple will be home at 1115 West Plainview where the groom is employed and Son Lumber.

It may be as simple a habit as staying up too late. Say you are in the habit of reading or watching TV until after 12:00 p.m. You still have to get up at 6:00 or 7:00 a.m. to be on time at the office. You need more rest than this, day in day out.

Local Softball Team Defeated, Still Second

The Lockney Coop team defeated the Floydada Seed and Delinting and Palace Barber Shop Tuesday 7-0, to hand the local team its fourth defeat of the season.

The team still remains in second place, however, and will be in the playoffs that will determine the league champion.

Robert Mathews was the winning pitcher and Keneth Robertson was the loser. Mathews gave up three hits, walked five and struck out three.

Lockney got 12 hits off Robertson, who also walked two and struck out six.

Lighthouse Electric Wins Junior League Pennant

The Lighthouse Electric Baseball Team won the Junior League Pennant last week when they downed the VFW 6-4. The team also defeated First National Bank 3-2 and the VFW downed Floyd County Coop Gin 11-5 in other action.

In the first game LHE got their eight runs on seven hits, had two errors and left six men on base. VFW had four runs on five hits had one error and left one man on base.

Wester was the winning pitcher and Covington was the loser. Extra base hits came off the bats of Thirkill of LHE and Jordan of the VFW. Each hit a double.

In the second game of the week LHE got three runs on eight hits, had no errors and left 11 men on base. First National Bank got their two runs on four hits, had three errors and left eight men on base.

The winning pitcher was Pernel. He was relieved by Bearden in the sixth. The loser was Rose, who was relieved by Billegas in the third. Wester had a double for LHE, and the only extra base hit of the game.

VFW got 11 runs on six hits, had three errors and left 14 on base as they downed the Gin 11-5. The Gin got their runs on eight hits, had three errors and left 9 on base.

What's Your Eye-Q?

Your eyes provide you with more than 80% of your knowledge, guide about 90% of your actions. How much do you know about them? Test yourself on this quiz to determine your Eye-Q!

1. More women are color-blind than men. True False .
2. When you are driving a car at night you should: a. Never wear dark glasses; b. wear prescription dark glasses; c. always wear dark glasses.
3. The quickest way to relieve red, tired eyes is to: a. Rest them by shutting them for one hour; b. use a decongestant eye drop; c. cover them with a cool, damp cloth.
4. Children's eyes should be tested when they enter first grade. True False .

Eye-Q Answers

1. False. Actually, about 8 men out of every 100 are color-deficient, while less than 1 woman out of 100 is color-blind.

2. a. Dark glasses of any kind should never be worn for night driving. They reduce ability to see.

3. b. Red, tired eyes can be relieved in less than 60 seconds with decongestant eye drops. Visine eye drops, widely recommended by doctors, also restore whiteness and clarity.

4. False. Don't wait that long! Eye specialists say that children's eyes should be examined no later than the age of three.

Score 25 for each correct answer. If your total is 75-100, your Eye-Q is tops. For 50 or less, you need to brush up.

NEW BUILDINGS

Some of the most important buildings completed in the last two years show a movement away from the glass-and-steel boxes of the recent past. Many designers stand out in their use of new materials - like durable, economical terrazzo.

FACTS ABOUT TERRAZZO

Terrazzo is a type of durable flooring made by setting chips of marble into concrete, then planing the surface to a high gloss. Terrazzo is not a copyrighted name; it is sold under many trade names. Here are some facts about this widely-used flooring that may interest you.

NON-SLIP FLOORS

Wherever pedestrian traffic is heavy - office buildings, hospitals, schools - non-slip terrazzo floors are being used. The warmth and beauty of terrazzo, in addition to its safety and durability factors, are further reasons for its wide acceptance wherever people gather.

COMFORT FIRST

Apartments with spacious rooms and plenty of play space outside, non-slip terrazzo floors that are easy to walk on, and tinted all-weather windows are just a few of the comforts, resulting from the belief of the "new" architecture that your comfort comes first.

DURABLE FLOORS

Economy-minded builders are using more and more terrazzo flooring in their constructions. The life of terrazzo is often measured better in decades than in years. Once it is properly installed, terrazzo flooring requires a minimum of upkeep effort and expense.

PHILOSOPHER SAYS

His Farm No Place To Put One Of Proposed New Cities

Editor's note: The Floyd Philosopher on his Johnson grass farm probably is unnecessarily worried in his letter this week.

Dear editor:

I had to make a trip to Lubbock the other day and while I was waiting to see a man I looked around and discovered the place is perfect for picking up newspapers, they're blowing all over the place, and I brought an armload back home with me and after my nerves calmed down in a day or so from dodging traffic I got in some reading, even if some of them were three or four weeks old. Don't understand why city people would leave good newspapers like that lying around un-touched for so long.

According to an article in one, a new plan is now being discussed to relieve the tremendous overcrowding in big cities. A national committee thinks it has the right idea: build 25 brand new cities around the country. Pick out a bare spot some place, put up a new city, and let the overflow from present cities move in.

What worries me about this is the phrase "bare spot." That describes this Johnson grass farm exactly and the last thing I want is somebody building a city right on top of me.

I can see the planners going over my farm now and saying: Now here would be a good place for the City Hall, over there we could locate the taller buildings, the better homes could be built further out where those trees are, back beyond the barn would be a good place for the slums, that north pasture would be an ideal place for riots. Look at that gently sloping hill, ever see a better place for traffic jams? That creek on the adjoining farm is hardly big enough to be worth polluting but we could give it a try, you got to make do with what you've got. The airport could be located four farms over, it'd be perfect, not far enough way to keep the jets at least an hour to get into town. Along about where the

will be located would be a good place for a school, it'd be hemmed in enough so we could abandon it in a few years very satisfactorily and build a new one some place. Make a note to apply for urban renewal funds for that well in advance.

I tell you I tremble at the

thought. I hope you'll tell the committee if it shows up in this area the soil out here on this farm is terrible, won't grow anything, no rock for a foundation, earth tremors occur frequently, insects swarm all over everything, the climate is unbearable, and the place is not for sale.

Yours faithfully,
J.A.

Yarborough Newsletter

Dear Fellow Texas: This week I want to tell you about poverty and the anti-poverty programs of the Federal Government. Poverty is a sorrowful fact of life for millions of Texans.

Our great state is known for its richness, and the deeds wrought by its people. But, one of the false pictures, often believed by those outside Texas borders, is that all who live here wear diamond stitckpins, count their oil stocks and brag about the thousands of cattle that they own that roam our limitless acres.

There are riches in Texas. And we are proud of them. But there is more to be considered than this.

Among the "firsts" held by Texas is one that we are not proud of. Our state ranks first in this Nation in the actual number of poverty-stricken families.

There are 688,000 families in our proud Lone Star State who are Poverty-stricken. These families are made up of several million people.

The latest figures show that the Federal Anti-Poverty Program has poured more than \$85 million into Texas. This money has not solved the poverty problem, but it has had a heavy impact in some vital areas.

There are two particular anti-poverty programs that have a striking record in Texas. These are the Job Corps and the Headstart schooling project.

Much of the credit for the success so far in these two programs belongs to Dr. William (Bill) Crook, director of the Office of Economic Opportunity for the 5 Southwestern States. This credit must also be shared with Dr. John Silber, a University of Texas professor who first brought into working form the Headstart idea, and with Dr. Otis A. Singletary, a former University of Texas history professor, who organized the Camp Gary Job Corps Center.

It should be noted, perhaps, that Federal money accounts for 100 per cent of the financing of the Job Corps. For example, the Camp Gary Center near San Marcos is financed 100 per cent by the Federal Government. And 90 per cent of the Headstart program is paid for by the Federal Government with Federal money:

your money, your federal tax money.

State and local matching funds added only \$6 million from Texas last year to the Federal share of \$65 million paid out of the Federal Budget with your tax dollars.

The Gary Job Corps Center near San Marcos used \$1,160,000 during the past year for 2,973 students. Out of the 3,081 Job Corps students enrolled in Camp Gary and its companion, New Waverly Conservation Job Corps Center near Huntsville, there were 1,515 students from Texas. This was paid for 100% by the Federal Government.

Texas also has more children enrolled in the 1966 Sum-

mer Headstart program than there were from any other state. Figures show 40,677 children in this program which prepares youngsters for school; 90% of this was paid by the Federal Government.

President Lyndon Johnson is very much interested in his home state's problem of the poor. For this reason, and because of Dr. Bill Crook and his hardworking staff, Texas has one of the best regional offices in the Nation fighting this unending War on Poverty.

A new cancer treatment is called encouraging.

Petition Seeks Vote On Alcohol

MATADOR (Special) - A petition calling for an election to legalize the sale of alcoholic beverages inside Matador has been filed here.

County Judge Elbert Reeves said the Commissioners Court probably will call the election at its next meeting, Aug. 8, if county clerk Pat Sheridan certifies the petition has the required number of signatures of qualified voters.

Sheridan said there are 51 names on the petition, more than the 35 he estimated would be required to make the calling of the election mandatory. Sheridan has not finished the scrutiny of signatures, however, to determine if all signers are qualified voters.

Matador has at least one open saloon in early pioneer days. And for a brief time in 1934, the sale of beer was legal here.

The petition calling for the election did not specify limiting the sale of alcoholic beverages to package stores. Apparently, a favorable vote would permit on-premises consumption.

The theme of this year's revue was "Carousel of Fashions." The girls modeled their dresses in front of parents and friends while a narration of their garments was given by Sherry Mullin, Home Demonstration Agent.

There were thirty-five 4-H girls enrolled in the clothing program this year. Their work was guided by 4-H adult leaders as follows:

South Plains - Mrs. E. J. Kinslow and Mrs. Harold Hamm
Lone Star - Mrs. Herman King

Harmony - Mrs. R. C. Davis and Mrs. Zant Scott
Sand Hill - Mrs. Arlon Miller

The 4-H clothing program as led by adult leaders and directed by the Home Demonstration agent is designed to help 4-Hers:

- (1) Develop skills necessary to plan, select, and construct clothing for different occasions.
- (2) Develop ability to select suitable and becoming accessories.
- (3) And develop grace, good posture and habits of good grooming.

Claiming Dependents
Dependency problems are the greatest source of income tax audits at the Internal Revenue Service. Only one person can claim a dependent. The tax folks find, however, that two taxpayers often claim the same dependent. This is especially true in divorce cases. There

Jehovah's Witnesses To Hold District Assembly

Local Jehovah's Witnesses plan to be included in the more than 30,000 delegates at the August 3-7 "God's Sons of Liberty" district assembly at Dallas' modern Market Hall.

According to Clarence W. Hall, the local congregation received advance program information this week. "Normally much of the program material is kept as a surprise to the delegates until they arrive, but this year we have been briefed on some of the subject matter so that we have our spiritual appetites whetted in advance."

Hall cited the program feature, "Building on a Right Foundation with Fire-Resistant Materials," as an example. "Any Christian knows it is difficult maintaining Bible integrity in these critical times. And one glance at this particular subject reveals it is not a run-of-the-mill treatment of generalities, but a hard and factual analysis of Christian responsibility for today." Commenting on the program Hall noted that part of the program will deal with dramatizations offering vivid portrayals of Bible accounts that are filled with meaning for all Christians now. "Imagine, seeing the integrity-filled lives of Daniel, Jeremiah and Joshua

unfold before the eyes, and with application. This is something to look forward to."

"It is material such as this," he said, "that is real enough for modern use. This way we can effectively combat the current religious fad that 'God is Dead' as well as keeping strong

in a materialistic, atheistic, sadistic and morally corrupt system."

The highlight of the program will be reached at 3 P.M. Sunday, August 7, when the public lecture, "What Has God's Kingdom Been Doing Since 1914?" will be given.

Floyd County Residents Carry More Life Insurance

NEW YORK, July 11—From the standpoint of insurance, residents of Floyd County are comparatively well-protected these days.

Despite the financial safeguards provided for them through social security and private pension plans, they have been adding to their life insurance holdings in recent years. Better incomes have made it possible for them to do so.

As a result, ownership of life insurance has reached an all-time high in Floyd County. The total amount in force, as of the beginning of this year, was approximately \$58,504,000.

The basic statistics, for the country at large and for each of the states, are from the Department of Commerce and from the Life Insurance Fact Book, soon to be released. Putting more money into this type of family security is but

one of the steps that people have been taking to protect their future. They have also been increasing their cash sav-

County Records 7 Accidents, 1 Death In June

The Texas Highway Patrol investigated seven accidents on rural highways in Floyd County during the month of June, according to Sergeant Thurman Keffer, Highway Patrol Supervisor of this area.

These crashes resulted in one person killed, eight persons injured and an estimated property damage \$5,373.00.

The rural traffic accident summary for this county during the first six months of 1966 shows a total of 29 accidents resulting in four persons killed, 30 persons injured, and an estimated property damage of \$18,190.00.

The number of traffic deaths in Texas continues to rise. For the first six months of 1966 there have been 1470 traffic deaths compared to 1325 traffic deaths for the first months of 1965. This 11% increase is very alarming, and chances are it will become very critical because of vacation months and holiday periods still ahead to intensify the magnitude of the accident picture.

The Sergeant stated, "It is estimated that at the end of 1966 traffic deaths in Texas will increase about 10% over 1965 which means approximately 3300 persons will be killed in traffic accidents." The Sergeant added one other comment, "To control accidents, we must first learn to control ourselves."

ings and their investments.

The reports show that the American people have saved away a huge amount of money in the form of life insurance. They now have policies in the capital sum of \$900 billion. By next year, it is expected, it will be at the trillion-dollar mark.

Of this total, some \$44,440,000,000 is in force in the State of Texas.

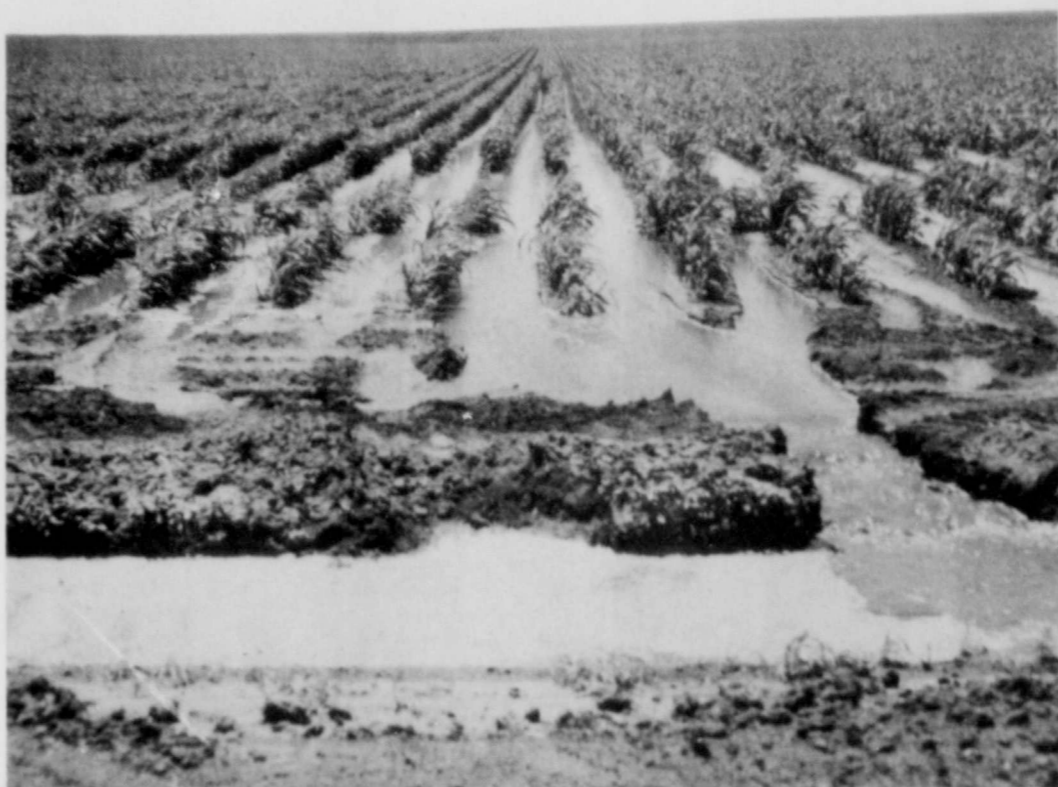

What does it mean in terms of the individual family? For the average family in the state, the amount of insurance carried is equivalent to its net earnings, after taxes, over a period of 25 months.

In Floyd County, based on this yardstick and on the present level of earnings per household, local residents own life insurance in the average amount of \$14,800 per family.

This compares well with the average in many parts of the country. In the United States, it is \$14,700 and, in the State of Texas, \$13,800.

These figures are exclusive of the considerable amount of insurance provided for local veterans by the Federal government.

Ownership of life insurance is found to be highest among adult men. More than 8 out of every 10 over age 18 have such coverage, but only 6 out of 10 women.

IMPROPER USE OF IRRIGATION WATER. Note ponding of water on end of rows and also large amounts of tall water running down roadside ditch. "When" and "How Much" are two important factors to consider in irrigation water management. Water should be managed so that the quantity applied is determined by the moisture holding capacity of the soil

and the need of the crop. Application should be such that crops can use the water efficiently without the occurrence of erosion. (Includes the timing of irrigations to meet crop needs, the control and adjustment of stream sizes to prevent erosion, and the control of lengths of "set" to minimize water losses.) (SCS Photo)

Boll worm activity in Floyd County seems to be at a standstill rather than increasing in intensity. The first worms were reported about 18 days ago. The worms are scattered over the entire county in small numbers. However, no fields known of at this time have sustained a heavy enough dam-

age to warrant spraying. Farmers that sprayed for over-wintered boll weevils, feared a boll worm build up due to the insecticide killing all the beneficials and not killing the worms. However, just as many worms have been found in fields that were not sprayed as in fields that were sprayed. Spraying should begin for bollworms when the infestation reaches 5 to 6 per cent and eggs can still be found in the field.

A fair display workshop will be conducted on July 26, 8 p.m. in the Lighthouse Electric meeting room. The workshop, open to the public, will be for those individuals or clubs that plan to display crops and vegetables in the Floyd County Fair Sept. 22-24. Training will be conducted in

selecting, preparing and displaying products for the fair.

The Senior 4-H planning committee has set July 30 as the date for the Senior 4-H club trip to Palo Duro Canyon. The group plans to leave at 8 a.m. from the agriculture building in Floydada. They will spend the day touring the canyon and plans are being made to attend the amphitheater that night.

The planning committee members included: Paula Gipson, Kenneth Bloys, and Billy Finley.

Mr. and Mrs. William Hensley and children of Lake Dallas visited her grandmother, Mrs. Joe Fortenberry Saturday afternoon.

Mrs. Peggy Hull and daughter, Shirley, visited her mother, Mrs. Esley Year during the week. They are from Muleshoe. It was a pleasure to have Rev. and Mrs. Cecil VanHoose in charge of preaching services at Cedar Hill Assembly of God Church Sunday in the absence of the Slaton family. Rev. and Mrs. Slaton and girls went to Fort Smith, Ark. during the past week to visit her parents, and will return some time this week.

Mrs. Eldon Fortenberry and children and her parents, Mr. and Mrs. C. W. Vitatow of Plainview, returned from points in Arkansas Wednesday afternoon. They report a nice

trip, and that it is hot there same as here.

Dr. and Mrs. Stanley Conner and boys left Saturday for Houston, where he will report back to work this Monday morning. Stanley and family had spent the past ten days visiting his parents, Mr. and Mrs. Jim Conner and other members of the family, and friends.

Rev. and Mrs. Cecil VanHoose and children had Sunday dinner with his great aunt, Mrs. M. H. Taylor. Sunday afternoon Mr. and Mrs. Gus Wesley of Plainview visited the aforementioned, also Mr. and Mrs. Junior Taylor, Sheila and Bud. The Junior Taylors hosted the Sunday evening meal.

Mrs. John Kelly and Mrs. J. A. Welch visited Mrs. M. H. Taylor Wednesday afternoon.

Mrs. B. D. Sullivan and children came Monday from Los Angeles to visit her sister, Mr. and Mrs. Junior Taylor and children. They left Tuesday evening enroute to New Orleans to visit another sister.

Mr. and Mrs. Walter Merrell

attended the annual Merrell re-union Sunday, which was held at the Warren Merrell's. Approximately 75 attended, enjoying pit barbecue, and each family carried covered dishes. It was quite hot, but reunions are almost always a pleasure, regardless of the weather!

Friday evening Mr. and Mrs. Jim Conner had the pleasure of having some of their children, Mr. and Mrs. Fred Conner and girls from Plainview, and M. and Mrs. W. T. Conner and children, also Dr. and Mrs. Stanley Conner and children. This was more or less a last get-together prior to Stanley's leaving Saturday.

Mrs. Leighton Teeple visited Mrs. Gene Gilly Saturday afternoon.

Larry Noland and Johnny Dunlap spent Sunday afternoon with Craig Gilly.

Rev. and Mrs. Olan Beauchamp spent Friday night with Mr. and Mrs. Tom Fortenberry. The Beauchamps pastored here at Cedar Hill for several years, at Lockney for several

years, and have been pastoring at McCamoy now for several years.

Mrs. LaFayette Boone and girls are spending a few days with her parents, Mr. and Mrs. Tom Fortenberry while "Pat" recuperates from an extracted lower jaw tooth.

Mrs. Fred Fortenberry had dinner with Mr. and Mrs. Robbin Fortenberry Monday.

Mr. and Mrs. Elmo Fortenberry and Mrs. Fred Fortenberry also visited Mrs. John Fortenberry one day last week. These grandparents are always so happy to be remembered and acknowledged as they climb the ladder of time.

Mr. and Mrs. Johnny Harrison spent Friday night with her parents, Mr. and Mrs. Gene Gilly and boys.

We are glad to report that Ess Yearly continues to improve, and that he can now get out for short drives.

Cedar Hill Assembly of God Church will begin a revival Sunday, July 24. Each and everyone is invited, regardless of his church membership or belief.

Some very scattered showers were received again Saturday and Sunday. Even though the measurements were

Medicare Sets No Ambulance Rules

Social Security Officer-in-Charge Mance King said today that the medicare law sets no arbitrary standards for ambulance services.

King said recent inquiries have come to his office concerning the requirements of standards under medicare. He said that the State and local requirements ambulance operators must meet generally match the medicare guidelines.

According to King, the guidelines defining standards for ambulance services under medicare are as follows:

- (1) That there be a specially designed and equipped automobile or other vehicle operated by trained personnel for transporting the sick or injured.
- (2) That it must have customary patient care equipment such as a stretcher, clean linens, first aid supplies, oxygen equipment, etc.
- (3) That it have adequate

scarce, the showers were refreshing.

safety equipment required by State or local authorities.

(4) The ambulance must be operated by personnel specifically trained for ambulance service who have completed the standard and advanced Red Cross First Aid course or have equivalent training.

Certain ambulance services when medically necessary are paid for under the voluntary medical insurance part of the medicare plan. The service will be paid for in situations where the ambulance is required by the patient's condition and where the patient is transported to the nearest hospital with appropriate facilities; from one hospital to another; or possibly to an extended care facility when the hospital extended care facility may be available under Medicare in 1967 or later.

The social security office for Hale and Floyd Counties is located at 1401-B West 5th Street, Plainview.

MOTHER OF MRS. WHITE BREAKS LEG

Mrs. B. J. Shook, 85, of Falls, mother of Mrs. Glen White of Floydada, sustained a badly broken leg Monday afternoon in front of the White home. Mrs. Shook had accompanied two of her sisters to Floydada and they were preparing to leave for home when the accident occurred.

Friends said Mrs. Shook fell when she was attempting to descend a small step. Her moving ability is hampered somewhat from a broken back sustained a number of years ago, neighbors related.

Mrs. Shook was taken by Moore ambulance to Lubbock, first to St. Mary's Hospital then to West Texas Hospital where she was admitted. Her condition is reported satisfactory.

Junior Rifle Club Organized, First Shoot Scheduled Sunday

The V.F.W. Junior Rifle Team was organized at a meeting held at the Post home Monday, July 18. A good turnout of boys, girls and parents were there.

The Juniors elected Roland Adams to head the organization as president.

Other officers include: vice president, Mike Breed; Secretary, Kathryn Weems; Treasurer, Pam Lewis; executive officer, Mirky Carver; and Mike Bishop was chosen as club historian.

The club will hold its first shooting meet Sunday evening, July 24 at the V.F.W. Post home.

Any boys or girls that wish to join before this time may contact Donnie Galloway at Powell's Grocery or Pete Looney at the City Barber Shop.

Members will be taken Sunday afternoon at the shoot.

To be eligible to join the club

a boy or girl must be at least 12 years old and not reached the 19th birthday.

Shooting will be with .22 cal. bolt action rifles at a range of 50 feet. Steel backstops will be set up in the V.F.W. building. That is, safe target traps with steel backstops.

There will be only one shell, or round, at a time in the rifle, as according to National Rifle Association Rules. There will be a coach with each shooter.

N. T. Conner and Dab Wolcott, both of Lubbock and both certified instructors with other instructors from Lubbock will be on hand to help with this first meet.

The membership fee to N.R.A. for the Juniors is 50¢. If the Junior wants to subscribe to the American Rifleman, the monthly publication of the N.R.A., as well as to the Junior Rifle Club, then the fee is \$3.00 for both.

The Post considers it a pleasure to have at the meeting the youth activities director of the Texas V.F.W., N. T. Conner of Lubbock. It has been through his efforts and members of the local V.F.W. Post that this Junior Rifle Club has been made possible.

On hand to sign up were Roland Adams, Mike Breed, Kathy Weems, Pam Lewis, Murky Carver, Mike Bishop, Kenneth Cockrell, Steve Hendrix, Robert Porter, James Larkin, Jody Southerland, George Finley and Billy Finley.

CONNER ODEN IMPROVING

Conner Oden, who suffered a heart attack nearly two weeks ago, is reported to be doing nicely in Methodist Hospital in Lubbock. He is reported looking good, getting plenty of rest and is in good spirits.

CENTER NEWS by Mrs. J. E. Green

Temperature Remains Near 100

CENTER, July 18 - My! We've been having some hot weather. Any temperature around 100 degrees is just too hot. Some showers north and south of us no doubt made it more endurable, and good on crops there.

We had more of our people at church Sunday. Vacations are hard on church attendance. We are glad to have folks home again. Bro. Threadgill was also back - with two good sermons.

The supper at the Calvary Church Friday evening was enjoyed by all present. It was honoring the birthday of our pastor's wife, Mrs. Perry (Bonnie) Threadgill.

Mr. and Mrs. Walter Sims enjoyed a long distance chat Sunday evening with their daughter and son, Phil, the Charles Hortons, of Alvin.

Mrs. Boyd Carpenter of Wolf City is visiting in the homes of her sisters-in-law, the Leo Frizzells, the A. E. Frizzells, and Mrs. W. M. Jackson.

Mrs. J. D. Welborn visited Saturday p.m. in town with Mrs. Bob Welborn. Saturday evening Mr. and Mrs. Welborn were in Plainview seeing their son, James and family.

Mrs. Roger Gooch and baby are visiting her mother, Mrs. Welborn, today, Monday.

The Thomas Warrens were Sunday dinner guests of Mr. and

Mrs. Fred Battey. Others enjoying the birthday dinner of three older members of the group were Mr. and Mrs. Bob Alldredge and family, Mrs. Ola Warren, and Mrs. Charley Battey. There were 16 present.

Mrs. Bob Fullingim has been under the weather the last few days. We are sorry to lose the Fullingims from Center. They plan on moving to South Texas soon.

Mrs. W. L. Hartline is back from a visit to see her son, Dub, who is hard at work - as an engineer of some kind - in the mountains of north Arizona.

Mrs. Hartline accompanied Dub's wife and children, who are still in Lubbock for awhile longer.

Dr. and Mrs. J. M. Ryman and children, who visited her parents, the J. E. Greens the first of last week, left Thursday for their home in Hubbard. Tuesday evening the Ryman's were lawn supper guests of Dr. and Mrs. Widenbach of Plainview.

Wednesday the Ryman's and Greens dined with Mr. and Mrs. Anthony Latta of Mt. Blanco. The Vic Greens of Plainview and Mrs. Anthony Latta were in the parental home Tuesday p.m. last week, except Vic, who was here Monday.

Mr. and Mrs. Oliver Allen and Mr. and Mrs. Jess Richardson visited the O. C. Vinsons

Tuesday afternoon.

Mr. and Mrs. J. A. Hartsell came Friday afternoon.

Mrs. Thomas Warren visited in town one day recently in the home of Mrs. C. W. Carmack, with Mrs. Don Dally, a former senior classmate in Floydada High. SUMMER SUGGESTIONS

ONE GOOD WAY TO BEAT THE HEAT is with frequent showers. According to scientists, lukewarm water cools you off more quickly than cold water.

THE BEST SUMMER PESTS like flies and mosquitoes, limit your use of hair tonics and cosmetics, and use a residual insect spray on screens, ground porches and doorways.

FOR MORE FUN IN THE SUN on the beach or in the backyard, use a suntan lotion that blocks out the sun's burning rays and lets in the healthy tanning ones.

TAKE A BREAK FROM HAY FEVER SYMPTOMS—if you're one of 22 million hay fever sufferers in the U.S.—vacation in a spot with a low pollen count. But if that is impossible, you always can seek relief with Contac capsules, the decongestant that helps reduce sneezing, running nose, itching and watering eyes up to 12 hours.

TRAVEL TIPS by Thompson

Whether you're going on a long vacation this summer or just planning a week-end jaunt close to home, these travel tips compiled by Madison Labs, may help you avoid some common pitfalls and increase your traveling enjoyment:

- To protect your valuables against loss or theft, it's a good idea to make a list of the serial numbers of watches, cameras and other numbered items.
- You'll be more likely to hang onto your travel funds when you carry travelers checks which can be promptly redeemed if lost, stolen or destroyed.
- To avoid vacation fatigue, try to vary the pace of your trip, alternating days of sightseeing and leisure. When driving, take frequent rest breaks.
- For stomach upsets caused by changes in water, food and schedule, it's a good idea to carry a remedy recommended by your doctor.
- First-aid supplies for travel should include medications for minor burns and cuts, Antiviv, a new spray-on treatment for itching due to poison ivy, poison sumac, poison oak and insect bites, can bring welcome relief to travelers.
- When traveling with children, you may prevent "squalls" by keeping driving periods short. Give older children some responsibility in connection with the trip such as jotting down travel expenses. Reassure little ones with a favorite toy.

Weeds Should Not Be Grown On Diverted Farm Acreage

WEEDS: Acreage diverted under the wheat, feed grain, cotton or CAP program must not be permitted to grow up in weeds—also CR (Soil Bank) acreage should be checked to see if the weeds have destroyed the permanent grass cover. This is the producer's responsibility, but spotchecks will be made and payments withheld on farms when these violations occur.

SAFETY: President Johnson has proclaimed the week beginning July 24th as "National Farm Safety Week."

PRODUCER CERTIFICATION: Operators may certify to Cotton, Feed Grain, and Diverted Acreage anytime until August 15, 1966 (Farm must be in compliance.) It is the responsibility of the farm operator to report the number of acres of each crop even though the farm may have been premeasured or had measuring service. Please come by and

make your certification as soon as crops are in compliance so we can start our final payment computations.

COMMITTEE ELECTIONS: The Community Committee Election will be held by mail between August 29 and September 7th. Community boundaries for voting purposes will be the same for 1966 as in previous years. A slate of nominees will be prepared by the incumbent committee. A name

Women are more Sensitive than Men Here's Proof!

NEW YORK — Are women more sensitive than men? The answer is yes, two to one—at least so far as their teeth are concerned.

That is a finding revealed in a new booklet about sensitive teeth, a problem that bothers more than 15 million Americans. Twice as many women are affected as men. A major reason may be that women brush more vigorously and oftener than the lazier male, but tend to brush the wrong way.

FAIRVIEW NEWS by Mrs. Clyde Bagwell

Farmers Busy After Rains

FAIRVIEW, July 18 — Farmers are real busy since the nice rain of last Sunday. The women are all busy canning. Beans and potatoes are the main thing being canned at this time.

By the time this news goes to press this writer will be in California for a two weeks stay. Mr. and Mrs. E. W. Walls

made the second trip this week to Plainview Wednesday where they helped their daughter-in-law, Mrs. Dean Walls, finish packing and get off to Ft. Worth. Mrs. Walls and her children left Plainview in the early afternoon for their new home in Ft. Worth.

We were all sorry to learn of the passing of Lester Burgett. The Burgett family at one time lived in the Fairview Community. Our sympathy is with the family in this, their time of sorrow.

Mrs. Walton Wilson visited Mrs. Clyde Bagwell Wednesday morning. George Burgett called his mother, Mrs. Ruey Irwin, Wednesday night from Washington, D. C. to let her know they were all getting along fine.

Mr. and Mrs. Lindsey Graham went to Gale Lake, near Post, Saturday, on an outing and to fish.

Mr. and Mrs. Walton Wilson went to Post Monday where they spent the day in the home of their daughter and family, Mr. and Mrs. Jim Mallard and children.

Jonny Mallard who had been here in the home of his grandparents for some time went home Saturday night with his parents, Mr. and Mrs. Jim Mallard who came up for him.

Mrs. Sim Reeves of Memphis came down Tuesday and spent the day with her sister, Mrs. Walton Wilson. Other visitors with them were Mrs. Ted Bell and children of Floydada. Mrs. Bell is Mrs. Reeves daughter.

Mrs. Red Jordan and children of Ft. Worth and Mr. and Mrs. Owen Long and children of Pampa arrived here Saturday night to visit in the home of Mr. and Mrs. Carl Nelson and Mr. and Mrs. Ruey Irwin.

Mr. and Mrs. Travis Burgett of Ft. Worth will be here Wednesday to spend some time with his mother, Mrs. Ruey Irwin and sister, Mrs. Carl Nelson. Jim Tye, summer student at Texas Tech, Lubbock is spending the weekend with home folks. He also visited his grandmother, Mrs. W. B. Wilson Saturday afternoon.

We learned later in the week that some of the folks in the extreme eastern portion of Fairview received some hail

damage along with the rain that came Sunday, July 10.

Burgett Rites Held Friday

Funeral rites were conducted last Friday morning in the funeral home chapel in Wills Point for Lester Burgett, brother of Zollie Burgett of Floydada. He died Tuesday night of last week following a series of strokes. Interment was in Garland Cemetery.

Survivors include his wife; four children; two stepchildren and the one brother.

Until Burgett's illness he was manager of a furniture store in Wills Point. He lived in Floydada until some 15 years ago and was in the mattress and upholstery work here.

FLOYD DATA Carl Russell, who recently had his leg amputated by surgery in Plainview Medical Center, was able to be moved to the Lockney Convalescent Home Monday where his wife is a patient. He will be there for an indefinite time, as will his wife, members of the family said.

Russell is reported to be doing real well and is in good spirits. He will later be fitted to an artificial limb.

Mrs. Patterson Visits Sam Rayburn Library

Mrs. J. A. Patterson of Floydada visited the Sam Rayburn Library in Bonham recently. She saw the books, papers and the historical mementoes collected by the late Speaker Sam Rayburn, during his more than fifty years of service to his country.

The Library also contains a replica of the office Mr. Rayburn occupied in the Capitol during the time he served more than twice as long as any other man as Speaker of the United States House of Representatives.

There is no admission charge to the Library. It is open to the public Monday through Friday from 10:00 a.m. until 4:00 p.m., on Saturday from 1:00 p.m. to 5:00 p.m., and on Sunday from 2:00 p.m. until 5:00 p.m.

LIGHTHOUSE ELECTRIC COOPERATIVE, INC.
MARY PHILLIPS, HOME ECONOMIST

Congratulations to Doris Fawver and LuAnn Lovell on being named winners of the 4-H Dress Revue held last Friday in the Lighthouse Kitchen.

Doris, Senior Division, is the daughter of Mr. and Mrs. G. L. Fawver of Floydada. Alternate winner is Paula Gipson, daughter of Mr. and Mrs. Glenn Gipson of Lockney.

LuAnn, daughter of Mr. and Mrs. James Lovell, Floydada, won in the Junior Division. Debbie Davis, daughter of Mr. and Mrs. Bruce Davis of the Harmony Community was named as Alternate.

Winners will compete in the District Contest to be held in Lubbock at a later date in the year.

May we say "Congratulations" to all of the girls who made garments to enter in this contest, for a job well done.

We had a very nice visit with Mr. and Mrs. J. L. Self and girls on their farm just south of Silverton last Friday.

The Self's are very active workers in their community. A senior and Kathy, a sophomore in Silverton High School are busy working during their summer vacation. Jonie has a full time baby-sitting job and Kathy is helping out with the chores at home. Both are active 4-Hers. Mrs. Self is a member of one of the Brisco County Home Demonstration Clubs and also works with the 4-H Clubs. When asked for their favorite recipe, Jonie quickly remarked, "Potato Cake". We tried this over the week-end and it will be a favorite at our house, too! Perhaps you will enjoy it also.

POTATO CAKE

2 cups sugar
1 cup shortening
1 cup warm mashed potatoes
4 eggs
1 cup buttermilk
1 teaspoon soda
1/2 teaspoon salt
2 cups flour
4 tablespoons cocoa
1 teaspoon vanilla
1 cup chopped pecans
Cream sugar and shortening. Add eggs, one at a time, beating well after each addition. Add potatoes. Add sifted dry ingredients alternately with buttermilk. Last add nuts and vanilla. Bake about 40 minutes in 2 greased cake pans at 350 degrees.

FILLING

2 cups sugar
3 tablespoons cocoa
2 tablespoons white corn syrup.
3/4 cup canned milk
1 teaspoon vanilla
2 tablespoons butter
1 cup nuts
Blend first 4 ingredients and cook to soft ball stage, stirring frequently. Add butter and set aside to cool. Add vanilla and nuts and beat until creamy. Spread on layers.

A young mother was heard to remark as she listened to her children crying and looked over her dirty house - "I sometimes wish I'd loved and

Five County Lads Inducted Into Armed Forces

Five Floyd County lads are among the 15 from the four-county area that reported to the draft board at Plainview for induction into the armed forces Tuesday. They are Warren Wilson Mitchell, Hubert Palmer Giles, John Carl Martin, Jimmy Beal James, and Harvey Jerry Crawford.

The call listed nine from Hale, one from Motley and the five from Floyd.

Seven local youths reported for pre-induction physicals at Plainview Tuesday. They are L. B. Barnes, Larry David Coltharp, John Randolph Hollums, Gary Warren Grizzle, Bennie Max Campbell, Paul E. Skilern, and Tony D. Arterburn.

The call for those to report for physicals included 23 from Hale County, three from Swisher, two from Motley and the seven from Floyd.

FLOYD DATA

C. Alexander, who has been in a Lubbock hospital for treatment of a broken hip, was returned to Westbryn Haven Convalescent Home in Floydada last Friday by Moore ambulance. He is reported doing nicely.

Mr. and Mrs. A. G. Tyler and Ronnie of Amarillo, Miss Myra Myers of West Texas University, Canyon and Sheila Fair of Amarillo were visitors of Mr. and Mrs. Wylie Rogers during the week-end.

Freddie Allen, who has been stationed in Viet Nam, visited during the week-end with his parents, Mr. and Mrs. Ed Polan.

Mr. and Mrs. Grady Freeman visited in Sweetwater during the weekend with their daughter and family, Mr. and Mrs. Gene Webb.

Mr. and Mrs. L. C. Ferguson and girls honored his father, Mr. Kay Ferguson with a birthday dinner Sunday. All of Mr. Ferguson's children were there to help him celebrate.

Mr. and Mrs. James Marriple visited his sister and family, Mr. and Mrs. Carl Shipman in Lubbock, Sunday.

Miss Hope Nino visited with her family Mr. and Mrs. Jimmy Nino and children in Dumas during the week-end.

Mr. and Mrs. Pete Hickerson attended the Silver Wedding Anniversary celebration of Mr. and Mrs. Henry Scarborough of Petersburg on Sunday.

NOTICE OF PUBLIC HEARING TO BE HELD BY THE CITY COUNCIL OF THE CITY OF FLOYDADA, TEXAS, PERTAINING TO THE PASSAGE OF A NEW ZONING ORDINANCE DIVIDING THE CITY INTO DISTRICTS AND PROMULGATING REGULATIONS AND RESTRICTIONS IN REGARD THERE TO

Notice is hereby given that the City Council of the City of Floydada, Texas, will hold a public hearing at a meeting commencing at 7:30 p.m. on the 9th day of August, 1966 at its regular meeting room in the City Hall of the City of Floydada, in regard to the passage of a new zoning ordinance for the City of Floydada, Texas, providing for zoning districts and regulations and restrictions pertaining to said districts and the boundaries of said districts, at which parties in interest and citizens shall have an opportunity to be heard.

At this time and at this public hearing, the City Council of the City of Floydada will consider matters pertaining to the passage of a new zoning ordinance for the City of Floydada dividing the said City of Floydada into districts of such number, shape and area as may be deemed best suited to promote the health, safety, morals and general welfare of the community, said districts to be known as zoning districts, which districts will be designed to regulate and restrict the erection, construction, reconstruction, alteration, repair or use of buildings, structures or land, and to make regulations in regard thereto in accordance with a comprehensive plan designed to lessen congestion in the streets, to secure safety from fire, panic and other dangers, to promote health and the general welfare, to provide adequate light and air, to prevent the overcrowding of land, to avoid undue concentration of population, to facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements.

The City Council will also consider the character of the district to be zoned and its particular suitability for particular uses, with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout the City.

At this public hearing the City Council will consider all matters presented by parties in interest, property owners, land owners, and citizens. At this public hearing all parties in interest, citizens, property owners and land owners shall have an opportunity to be heard to express their views and to present evidence, facts and circumstances pertaining to matters herein mentioned, and such other matters in regard thereto as may be material.

This hearing commencing at the time and date hereinabove stated will continue so long as the said City Council deems it advisable, and the hearing may be recessed and continued at a subsequent date, as required until said public hearing is completed.
