..... "hi ho ...come to the fair"

A parade in downtown Lockney at 2:30 this afternoon will kick off the 13th annual Floyd County Fair which will run through Saturday, August 24. The parade will begin at the south end of First Street, travel north to Washington, turn east to Main and proceed south. All entries must stay in line until after passing the Main Street Church of Christ. The last judge will be located there.

Cash prizes will be awarded on community and commercial floats. Competition for Riding Clubs will be arranged in Junior and Senior divisions with three trophies to be given in each section. Junior and Senior bands will be competing for first, second and third place trophies. Other divisions which will receive ribbons for three places are: antique cars, best cow-

boy to be judged on the way they handle their horses, best cowgirl to be judged on the way they handle their horses, best oldtime cowgirl and best oldtime cowboy. **FEATURES** Judging of community exhibits is being held this morning and the women's division will be judged at 2 p.m., followed by the judging of agricultural exhibits at 3 p.m.

The tractor driving contest, scheduled at 4 this afternoon will be held in the rodeo arena. Competition will be arranged in three divisions; grade school age, high school age, and above high school age. First place trophies will be awarded in each division and ribbons will be given for 2nd and 3rd places. Earl Kellison is chairman. **TALENT SHOW** Tonight at 7:30 is the Talent

contest. Ned Bradley is master of ceremonies for the event. Mrs. Joe Taylor is chairman. Trophies are to be awarded for first, second and third places in each division of grade school, high school and adult (20 years and above). Friday morning, swine, sheep, junior heifer and beef cattle will be judged. The afternoon, starting at 2:30, has been set aside for Ladies Day Pro-

gram and prizes. Details of this event may be found elsewhere in the Hesperian. **HOMEMAKERS DAY** Homemaker's Day at the Fair is set for Friday, Sept. 23, second day of the three day schedule of the annual Floyd County Fair in Lockney. Mrs. Nancy Morckel is chairman and will be assisted by the Floydada and Lockney

It's Post Gridders Here Friday Night

The Post Antelopes will lope out to Wester field here tomorrow night to take on the Floydada Whirlwinds at 8 p.m. Post defeated Lockney last week 20-6 and they'll be out to make it three victories in a row for this season. Floydada is in good physical shape, surprisingly after coming out of two hard fought losses to two AAA teams, Hereford and Tullia. The 'Winds are trying to wrap up a good offensive with a very outstanding defensive strength. No doubt the offensive efforts looked much better last week, but four costly fumbles kept them off the scoreboard... although they made more first downs than did the Tullia Hornets.

POST Antelope Coach Glynn Gregg's charges have a lot of speed and you will see from the starting offensive lineup that they are big. Backs Paul Walker and Duke Altman were the big stars of the Lockney game last week. Altman is an outstanding passer. His passes enabled the Antelopes to beat Hale Center 14 to 8 week before last, although Hale Center was ahead on first downs 9 to 7. Davis Heaton and Jimmy Bartlett are expected to alter-

Rains Continue To Deal Misery

Continued foggy, damp, cool weather for the first half of September is quite a contrast to last year's hot and dry September. . . and of course the area farmers are worrying about too much wet weather on cotton that is mildewing in the boll. . . and grain sorghum that is sprouting in the head. Of course the caprock area ranchers are pretty happy about the ankle high grass. . . cattle prices are high and they're going into winter in good shape. The big wheat farmer sowed quite a bit of wheat before this last wet spell. . . and other wheat farmers are anxious to get in the field. One bale of cotton reached Floydada before last Thursday, Friday and Saturday's rain. Robert Stovall got a bale ginned, the first for the county. . . and it finally got soaked as it stood on the courthouse square. A few farmers had combined some acreages of grain sorghum before last week's rains.

Bulletin Mrs. Jack Strong of Lubbock will lead a PTA workshop starting at 9:30 this morning in the community room of the First National Bank. All PTA workers and others interested are urged to attend. The workshop will conclude at 12:30 p.m.

AXING THE "HYBRID CARELESS WEED" - here Mayor Leonard Matsler demonstrated proper method to take care of the tall weeds that are fast taking over Floydada. It has been reported that some of the weeds are so big and tough that they have broken sickle blades. (Staff Photo)

Floyd County ASCS Elects Committeemen

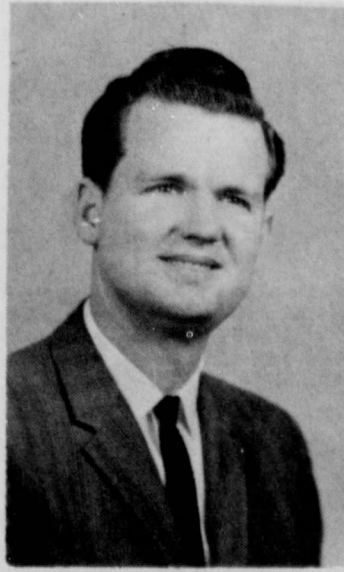

The Annual Floyd County Agricultural Stabilization and Conservation Service convention was held Tuesday morning in Floydada for the purpose of electing one member to the county committee. Delegates to the county convention are newly elected community committeemen elected to serve for the 1966-67 term which begins October 1 this year. Ned J. Bradley was re-

\$8 MILLION TO GO About six million dollars has been paid to Floyd County farmers by the government for diverted acres, according to a report from Tom Moore, local ASCS manager, Tuesday. Moore said that about three million dollars were paid in the spring and since the first of September another three million has been paid. He said that he estimated around fourteen million dollars would be paid to Floyd farmers this year, so around eight million dollars are yet to be paid out this year. He asked that farmers please be patient and they would process checks as fast as possible. There are around 1,000 farms in the county. . . an average of diverted payments would be around \$14,000 per farm.

Final Tribute Paid Monday To Mrs. Gene Arwine

Final tribute, in memory of Mrs. Gene T. Arwine, was paid Monday when her funeral was conducted in the First Methodist Church. Rev. Charles Lutz, District Superintendent, Amarillo District of Methodist Churches, and Rev. Herschel Thurston, local pastor, officiated. housewife and civic worker died about 7:30 Saturday night after an apparent cerebral hemorrhage which occurred while she was backing the family car from the garage. She had suffered severe headaches the past several years, which had required medical attention, members of the family said, and had complained of blurred vision on a number of occasions both Friday and Saturday. As Mrs. Arwine was backing her car from the drive, she paused at a point to tell her daughter, Stephanie, that she

MRS. DON RAY RAMSEY
(Miss Phyllis Jo Walker)

Dr. Rhew Officiates For Ramsey-Walker Marriage

The marriage of Miss Phyllis Jo (Jody) Walker to Don Ray Ramsey was solemnized in First Methodist Church in Plainview Thursday evening at seven o'clock. Dr. Marshall Rhew officiated.

Parents of the couple are Mr. and Mrs. David D. Walker, 3007 W. 20th, Plainview, and Mr. and Mrs. Sherwood Ramsey of Floydada.

The bride was decorated with palms, bouquets of white daisies and gladioli and candelabra entwined with greenery. Music was provided by Mrs. J. W. King Jr., organist, and Jo Ed Noel, soloist.

Attendants

Miss Sue Long was maid of honor. Bridesmaids were Miss Brenda Graham and Miss Judy Walker, sister of the bride.

Flower girl was Jonna Jacobs of Lubbock, niece of the bridegroom. Candelighters were Melanie Lockridge of White Deer and Jim Foote of Petersburg. Best man was Jerry Foote of Petersburg. Groomsmen were Rex Duerksen and Dwight Perry. Jim Fox and Larry Moore of Petersburg ushered.

Bride's Gown

The bride wore a formal gown

of white peau de soie fashioned with scooped neckline, long petal point sleeves and fitted bodice accented with re-embroidered Alencon lace frosted with pearls and crystals. A panel of lace extended to the hemline of the sheath skirt and lace motifs enhanced the detachable chapel length, wrap-around train secured with a center front bow.

A petal caplet of peau de soie and lace outlined in seed pearls held her tiered, elbow-length veil of imported silk illusion. Her bouquet of three white orchids was arranged on a white Bible. The bride was given in marriage by her father.

Attendants' Gowns

Attendants wore wheat colored floor length gowns fashioned with scooped necklines, ruffled cap sleeves and A-line skirts with tunic tiers at hemlines. Matching colored veils were attached to fabric roses and they carried white and gold pom chrysanthemum bouquets.

At the reception the bride's table featured a centerpiece of white roses and chrysanthemums flanked by gold candles. Bridesmaids bouquets decorated

Cotton Cavalcade Set For October 6

The second annual Cavalcade of Cotton will be held in the Floydada High School Auditorium Thursday night, October 6, sponsored by the 1962 Jr. Study Club of Floydada.

Unique displays of the countless uses of cotton and its by-products will be shown in the high school cafeteria at 7:00 p.m.

At 8:00 p.m. a first showing will be made of new fall and winter fashions for every member of the family, all made of cotton products.

Mrs. Charles Craig of Floydada will be the fashion commentator, and Pete Brown of

Lubbock, field representative of the National Cotton Council, will show slides during the style show.

Following the fashion show the displays will again be open for viewing, and coffee will be served.

Adult admission will be \$1.00; children, \$.50; and preschoolers will be admitted free with their parents. Drawings for door prizes will be held during the evening.

An invitation is extended to all the public. Tickets may be purchased from club members beforehand.

Harmony HD Club Meets

Harmony Home Demonstration Club met on September 8 at the Community Center with Mrs. R. G. Alexander presiding over the meeting.

Mrs. Carrick Snodgrass announced there would be a community meeting this month.

A demonstration on "If The Shoe Fits, Wear It" was given by Mrs. Sherwood Ramsey.

Mrs. Everett Miller gave the program on "Lessons on Loveliness" consisting of a film and a talk.

Miss Phillips EU Librarian

Miss Juanita Phillips, daughter of Mrs. Edna Phillips, teacher on the local faculty, assumed her duties the first of September as head librarian in Eastern University.

Previously Miss Phillips had served as librarian in Wesleyan College for the past two years and a half.

She received her Bachelor of Science degree from West Tex-

as University and a Library of Science degree and a Masters in Library Science from George Peabody College, Nashville, Tenn.

Her going to Eastern was quite a promotion professionally.

Mrs. Snodgrass served refreshments of coffee and rainbow salad to Mmes. Sherwood Ramsey, Walter Hanna, Glenn Pool, Monroe Schulz, Glenn Curtis, R. C. Davis, Mather Carr, R. G. Alexander, Bill Tucker, Zani Scott, Everett Miller and a guest, Donna Reed.

The next meeting will be today at which time a style show from Charlene's of Monterey Center in Lubbock will be held.

Mrs. Myrick Club Hostess

Mrs. Jackie Myrick was hostess for the first meeting Tuesday night.

Mrs. Harvey Allen voiced prayer and Mrs. Melvin Lloyd read the quote.

Club members answered roll call with "An emergency in my home."

The program was then turned over to Alton Higginbotham, Power-Use Advisor, Light-house Electric Co-op. Alton showed a film and then club members were directed in trying artificial respiration and

heart resuscitation on the dummy, Annie.

Refreshments were served by Mrs. Dean Morris to Mmes. Harvey Allen, Mike Carver, Elmer Dean Williams, Delmas McCormick, Melvin Lloyd, Kay Crabtree, Mrs. Myrick and to four guests, Mrs. Jo Moore of Alabama, Mrs. Jimmy Sales,

CCC Directors Are Elected

King Vows Read In
Delight Ceremony

The bride's mother wore a beige suit with matching accessories and the bridegroom's mother wore a blue lace suit with white accessories. Each wore pompon corsages.

Members of the houseparty were Mrs. Melvin Donoho at the guest register, Mrs. Glen Toter, aunt of the bride, Mrs. R. K. Allen, Mrs. Odell Rodgers and Mrs. Emmet Dutton. All wore white carnation corsages.

A reception followed the wedding held in the church Fellowship Hall. The bride's table was covered with a white linen cloth and fronted with shrimp colored tulle and wedding bells. Silver candelabra, bearing wedding candles and bouquets of carnations flanked a five tier wedding cake. The cake was served with a knife server presented by the bride and groom by Miss Karen Allen and Miss Rhea Rodgers. Coffee and punch were also served.

For a wedding trip to St. Louis and Cape Girardeau, Missouri, Mrs. King changed to a beige linen suit with beige accessories. Her corsage was of English tea roses and stephanotis.

The bride is a graduate of Carlsbad High School and a junior at Texas Tech. She is a home economics education major. Her husband is a graduate of Floydada High School and is a senior management major at Tech. The couple will be at home following their trip at 2417 13th St. in Lubbock.

Out of town wedding guests included Mr. and Mrs. Emmitt Dutton of Floydada; Mr. and Mrs. Kelley Kirpatrick and daughters, Albuquerque, N. M.; Fred Juden of Shawneetown, Missouri; Mr. and Mrs. Glen Kinder of Cape Girardeau, Mo.; Mr. and Mrs. Glen Totten, Sexter, Mo.; Mr. and Mrs. Ralph Exler, Egypt Mills, Mo.; Miss Lee Ann Faganini, Austin; Mrs. Barbara Fowler, Midland; Mrs. Fred March and Mrs. Bob Grundy of Lubbock and Mrs. Montie Baxley of Artesia, N. M.

Miss Brenda Juden, sister of the bride, was maid of honor. Misses Cindy Kelley, Linda Castleberry, Izovel Burris, Pat Barber and Karen Allen, all of Carlsbad, served as bridesmaids.

Feminine attendants were gownned in dresses designed by the bride and were of shrimp colored crepe jackets styled with butterfly sleeves over matching color floor length skirts. The maid of honor's jacket was covered with identically colored Chantilly lace. Their headpieces consisted of rhinestone tiara. Each carried a single white gladiola with shrimp colored ribbon.

Christina Lee and Cheryl Lee Juden, twin sisters of the bride, served as flower girls. They wore floor length beige dotted swiss dresses with shrimp colored sashes. Tiny matching bows were worn in their hair. They carried white baskets and scattered shrimp colored petals.

Pamela Anne Juden, also a sister of the bride, and Julie Kirpatrick, a cousin, were candlelighters. They were also gownned in beige dotted swiss empire formals. A shrimp colored ribbon accented the waist.

Jimmy Pickett of Lubbock served as best man. Groomsmen were David Griggs, Fred March, Bob Grundy, all of Lubbock and Mike Donoho and Mike Ackman of Carlsbad. Brad Smith of Carlsbad was usher.

Miss Rhea Rodgers was organist and accompanied Miss Sally Bynum, as she sang "The Lord's Prayer" and the closing benediction.

Between 800 and 1,000 members of the Texas Home Demonstration Association are expected to participate in the organization's annual meeting in Corpus Christi, Sept. 21-22.

This word comes from Mrs. C. R. Berkley of Odessa, president of the state home-makers' organization, which has a membership of more than 36,000 women.

A special recognition ceremony is planned for 40-year club members during this 40th annual meeting, Mrs. Berkley has announced.

Ben Barnes, Texas' Speaker of the House of Representatives, will address the opening convention session.

Major speakers also will include Mrs. Eugene Survant of Trinchera, Colorado, president of the National Extension Homemakers' Council, the national counterpart of the state association; Dr. Virginia Aggar, the National Foundation, New York City; and Miss Bonnie Cox, former Extension Service organization specialist now retired and living in College Station.

Officers will be elected today, September 22 and installed at dinner this evening. Mrs. George Hackney of Greenville, parliamentarian and past president of the homemaker organization, will serve as installing officer.

LCC Associates Hold Meeting

The first regular meeting of the Lubbock Christian College Associates met September 12 in the home of Mrs. James Jordan.

A business meeting led by Mrs. Grady Walker, president, was conducted and 1966-67 plans were reviewed and discussed.

The selling of pecans, vanilla extract and pepper were elected to be the main money-making project for the year. Proceeds will go toward erecting a new \$75,000 Home Economics Building for Lubbock Christian College.

New members, Mmes. Donnie McCool, L. M. Honea, Ronnie Mitchell, John Fields, E. Lee Mathis and Mrs. Elton Goen were welcomed and introduced.

Following the presentation of yearbooks by Mrs. Tom Porter, the associates were entertained by the Grinderswitch quartet, consisting of Mrs. Ned Bradley, Mrs. George Elkins, Mrs. Tom Porter and Mrs. James Jordan.

Refreshments were served by the executive committee to members and the following guests: Mrs. Margie Jenkins of Afton and Mrs. S. H. Tackett.

The next regular meeting will be a covered dish luncheon on Oct. 10 in the home of Mrs. Geo. Elkins.

29 Club Has Coffee Meeting

Mrs. George Smith was hostess for a coffee for the first meeting of the 1929 Study Club last Thursday morning.

Yearbooks were presented and two new members introduced. They are Vera Meredith and Mrs. Ernest Kendrick.

Their next meeting is with Mrs. J. A. Colston on Oct. 6, at 3 p.m., in her home.

1950 Club Has Supper To Open First Meeting

The community room of the First National Bank was the meeting place of the 1950 Study Club on September 6. This was the club's first meeting for this term and members enjoyed a covered dish supper along with their husbands, who were special guests.

Following the meal of baked beans, potato salad and fried chicken, a brief business session was conducted. The new yearbooks were distributed and new members, Nell Swinson, Mrs. Wilbur Floyd, Mrs. Howard Bishop, Mrs. Claude Weathersbee and Mrs. Kenneth Hill were introduced.

After the meeting members and their husbands played forty-two, dominoes and scrabble. Mrs. Bishop and Mrs. Doyle Moore served as hostesses and Mrs. Cleo Whittle and Mrs. Bob Copeland headed the entertainment committee.

Present officers, besides Mrs. Berkley and Mrs. Hackney, are Mrs. Maynard Gaines Coleman, vice president and public relations chairman; Mrs. L. P. Chapman, Paris, secretary; and Mrs. Sam Speil, Manchaca, treasurer.

Mrs. Wilmer Smith, Lynn County homemaker from Willson, who will assume the presidency of the National Extension Homemakers Council next January 1, also is expected to bring greetings.

Delegates to attend the State meeting from Floyd County are Mrs. Johnnie Cates, THDA Chairman of Rt. 4, Floydada, Mrs. R. G. Alexander of Rt. 1, Floydada and Mrs. Albert King of Lockney. Mrs. King will be honored as a 40 year club member.

22 Club Has Luncheon Meet

Members of the 1922 Study Club met last Thursday in Lighthouse Electric for a luncheon and the first meeting of the Club year. Mrs. W. O. Tye, president, presided.

The invocation was brought by Mrs. P. D. Helms. During business the new yearbooks were distributed by Mrs. E. F. Stovall, chairman of the yearbook committee. She gave a summary of contents.

Roll call was answered by each member recalling some outstanding event they recalled during the past years of the club's history.

Answering roll call were Mmes. Kenneth Bain, D. S. Battey, P. W. Bell, D. W. Burke, J. V. Daniel, Pearl Fagan, P. D. Helms, W. H. Henderson, Willson Kimble, E. F. Stovall, Ben Whitaker, J. M. Willson Sr., W. O. Tye and Mrs. E. L. Angus.

All members are urged to be present.

FLOYD DATA

Mr. and Mrs. Lee O'Hare of Kimball, Neb., are here visiting this week with her parents, Mr. and Mrs. J. K. Holmes.

Luzier has created the new line of Luzier Hypo-Allergenic, Unscented Cosmetics.

They contain no known irritants or materials which are recognized as sensitizers (substances to which people are known to be sensitive). They have been clinically tested and found to be non-irritating to the skin.

Luzier will furnish a complete qualitative formula for each hypo-allergenic product to physicians upon their request.

Often teen-age girls, and women, think they are sensitive because cosmetics cause blemishes and irritation to the skin. This can happen to people who have too much natural oil. These people cannot use the same formula cosmetics as normal or dry skin, for they will be adding more oil to what they already have.

Texas And Tech Tangle At Lubbock Saturday

LUBBOCK - University of Texas and Texas Tech, the largest schools in the Southwest Conference, collide in the Red Raiders' opening home game at 7:30 p.m. Saturday.

More than 42,000 fans are expected to overflow Jones Stadium. As the week began, tickets on the 5-yard line were being sold. Already a number of fans had bought admission to the slope overlooking the north end zone. Texas Tech students, numbering about 19,000 this semester, are expected to take over the entire south end zone.

Texas Tech began its season with a 23-7 victory over University of Kansas at Lawrence, Texas dropped a close 10-6 decision to the University of Southern California, the favorite to capture the West Coast

championship. Texas, ahead 14-1 in the series, returns 22 lettermen from the team that trounced Texas Tech 33-7 in Austin last year.

Tulia Hornets Put The Sting To The Whirlwinds 14-0

Although the Floydada Whirlwinds made more first downs, they still came out loser to the Tulia Hornets Friday night 14-0 on the Hornets' home ground. Costly fumbles robbed the 'Winds of scoring possibilities. The rain soaked turf, surrounded with puddles of water didn't dampen the attendance of the 'Winds fans. The Floydada side of the stadium was standing full . . . plenty of room for more on the Tulia side.

The statistics pointed to a closer contest than the score indicates. Floydada led in passing 121 to 4, led in first downs 13 to 10, Tulia led in yards gained rushing 261 to 127, Floydada had 7 fumbles to Tulia's one, Floydada had 45 yards of penalties, Tulia 80 yards.

Joe Christian, Floydada Junior back made 114 yards of the 127 rushing. Most of Christian's gains were right through the line, very few end runs. Good blocking, of course, helped him make the yardage.

Floydada unleashed a passing attack that was successful in gaining yards. Most of the passes were Darrell Monday to Tommy Weathersbee, Monday to Bob Murry, Monday to Kerry Bearden, Monday to Steve Marler. The last play of the game was a nice pass from Larry Barbee to Kerry Bearden.

Bob Murry made one of his almost impossible pass catches - one that was intended for Steve Marler. Murry made a lunge and caught it for a 20 yard gain. Murry also looked good when he pulled down the fast Tulia back No. 11, just short of a touchdown. No. 11 is Tommy Shephard, and possibly the fastest man on the Tulia squad. He made 76 yards before Murry tackled him on the three yard line.

The Bearden brothers, Connie and Kerry teamed up on Shephard for one of the hardest tackles of the game late in the third quarter. They hit him simultaneously from both sides.

PLAY BY PLAY
Joe Christian took the kickoff on the 20 and advanced to the 36 yard line. He took it over right of center the next play for 14 yards to the 50 yard line. A fumble on the next play lost the ball for the 'Winds.

Tulia's Don Crocker made four rushing, then Danny Cook made 24 yards running for the first and ten. Cook was then set back for five yards as the 'Winds defense stiffened.

From the seven yard line Cook made an end run for the first score of the game. Tulia led 6-0. Cook then kicked the extra point for the 7-0 lead.

Ricky Howard kicked off for Tulia and Bob Murry returned the kick off to the 41 yard line. Christian made five in two tries, Monday lost six, then the 'Winds received a five yard penalty for offsides. Downs ran out and Kerry Bearden punted. Tommy Shephard took it on the 11. The Hornets tried a series of running plays and finally punted to the 'Winds. Bearden returned the punt to the 47.

Christian carried for six yards in two downs, Bearden made one, Christian made another four for the first and ten.

Then the 'Winds took to the air - Monday to Weathersbee for 8, Roland Adams made two, Monday ran six more for the first and ten. Then Christian romped for six more, bringing the ball down to the 14 yard line.

What should have been a touchdown turned into a fumble at this point and the Hornets took over the ball (going into the second quarter). The Hornets took the ball down the field through the running plays of Cook, Shephard and Dawson to the 'Winds 38 yard line. They punted to the 20. Christian made three in two plays. Monday lost a yard, then Monday tossed to Bearden for four yard gain. Monday punted and Shephard returned the ball to the 'Winds 8 yard line. Shephard made only the line of scrimmage next play, then Cook managed three over center. At this point the 'Winds line went to work and Cook lost 14 yards. Dawson ran for a three yard gain, then Crocker lost a yard. The Hornets lost the ball on downs.

Adams made a yard through the middle, Christian rushed three, then Monday made a good 17 yard jack rabbit run around end for the first and ten.

Then Monday lost three. Next Monday tossed a long one to Weathersbee which most everyone thought was complete, but the referees ruled he did not hold the ball long enough.

Another Monday to Weathersbee aerial was ruled incomplete, then Monday hit Marler for a nine yard gain and a first and ten.

Then Barbee tossed an incomplete pass to Bearden - and it was half time.

SECOND HALF
Miller kicked off to the 23 yard line - Shephard took off like a scared rabbit, ran 76 yards and was finally pulled down on the five or six yard line, by Murry.

Shephard dived over for the touchdown and Cook kicked the extra point, making the score 14-0.

The Hornets kicked off to Floydada and Monday returned the ball to the 32. Adams tried off tackle and lost two. Then Christian made eight. Christian took the ball again for a long sprint of 17 yards and a first and ten. Christian carried again for six, Adams made the line of scrimmage, then Christian made another five for another first and ten.

The ball was on the Hornet's 27 yard line. The fans were looking for a touchdown.

Christian made two more carries for 13 yards and another first and ten. Then the 'Winds got a five yard penalty for delay of the game. They were now down on the 19 yard line and fumbled the ball again.

Crocker and Dawson ran 14 for a first and ten, Cook and Crocker made 7 and punted on the 45. Bearden returned the ball to the 50. Christian made four, Monday faded 'way back

Rites Held For Mrs. Mankins

Funeral rites for Mrs. Ada Mankins, 75 year old mother of Albert Mankins of Floydada and Sebern Mankins of Bogota, Tex., were conducted September 14 in the First Methodist Church in Bogota. Rev. Sturn, pastor and Rev. Bond, officiated.

Mrs. Mankins died at 4:30 p.m. Monday, Sept. 12, after undergoing jaw surgery in M. D. Anderson Hospital in Houston. She was a former resident of the Petersburg area and had visited in Floydada with her son on a number of occasions.

Survivors other than the two sons include six grandchildren, Larry, Bruce, Kenneth, Wayne (James and Nedine) of Lubbock and one great grandson, Kenneth Wayne.

Attending the funeral from Floydada other than the immediate families were Mr. and Mrs. Ernest Lee Thomas, Mr. and Mrs. Roe Jones, Mr. and Mrs. Leslie Fawver, and Mr. and Mrs. Otis Anderson.

to pass - went almost back to the ten yard line, some blockers saw his predicament, came back and blocked for him. What looked like a 20 or 30 yard loss was salvaged for a nine yard recovery. A Monday to Bearden pass was incomplete and Monday kicked.

Shephard carried to the 25, then he got loose for a 45 yard run bringing the ball down to the 'Winds 30 yard line. Two incomplete passes later and five yards rushing the Hornets punted to the 'Winds.

The 'Winds had the ball on the 29 yard line. Christian made four, Monday made four, then Christian made six for the first and ten. The 'Winds fumbled again but recovered the ball. Next came an 8 yard pass from Monday to Weathersbee, Monday ran for two, then Monday tossed an incomplete pass to Weathersbee.

Another fumble and Tulia had the ball again. Shephard made 15 for a first and ten, then the 'Winds clobbered him for a 15 yard loss. The Hornets tossed two incomplete passes, and then punted to the 23 yard line.

Monday tossed to Bearden for six, then Monday tossed another long one to Murry for 20, for a first and ten, then he tossed to Weathersbee for 6. Larry Barbee then passed to Weathersbee for a total of 26 yards to another first and ten.

The ball was on the 19 yard line and Floydada fans were looking for a touchdown. Christian made five, then lost three on the next play. Monday lost four, then Christian made six - the ball went over to the Hornets on the 16 yard line.

With several running plays, the Hornets brought the ball out to the 30 and a first and ten. Crocker made six, then a personal foul against the Hornets penalized them 15 yards and brought the ball back to the 20.

Shephard and Landers made five each and then fumbled. Floydada recovered the ball and headed for pay dirt again. Monday made 12 yards running, then the final play of the game was a 38 yard pass from Barbee to Bearden.

Tackles Larry Adams and Hulon Carthele were blocking out the holes that helped the 'Winds running attack - also Mark Goen and Nathan Johnson. Larry Hunter was effective on the line.

Blocking back Bob Murry played an outstanding game.

THERE GOES NO. 25 AGAIN - and that's Joe Christian making an end run that netted several yards. Christian . . . with the help of a good blocking line and line was the big ground gainer for the Friday night at Tulia. (Staff Photo)

Others who missed eight games are: Terry Jester, Garland Martin, Mrs. Jerry Finley, and Jack Bell, all of Floydada. Jones was placed third over the "eight miss" contestants by picking Tullia to win and a total score of 27. The total score was 14 and he was the nearest correct.

Another big contest is published in the second section of this issue of the Hesperian, sharpen your pencil (or ball point) and make you some spending money next week. Remember, deadline is 5 p.m. Friday. . . in the Hesperian office, or post mark.

Be sure to indicate winner as well as total score in the tie breaker Floydada - Post contest.

Taylor, Starks, And Mitchell Leave City Police Force

City Manager Bill Feuerbacher has accepted the resignations of three Floydada policemen: Chief of Police Bill Taylor, night watchman R. C. Starks and radio operator Ronald Mitchell. The resignations became effective last Thursday.

Feuerbacher said that Freddy Edwards would serve as acting police chief and that W. O. Word and Weldon McCutchen remain on the police force. Tom Hopper has been hired as radio man.

Feuerbacher said that every effort would be made to reorganize the force with more men and to maintain law and order in the city.

Our sympathy goes out to the family of this one who has gone from our midst. . . she will certainly be missed by everyone who knew and loved here.

FLOYDADA'S school enrollment continues to climb as more and more children are enrolling and about the first week in October we'll make another count. I was visiting with high school principal Charles Tyer this week and he said the high school has possibly hit an all time high, nearing 450 students.

We gave enrollment figures for each school in the county the first day of school, and this should be up considerably by the first week of October.

IT WILL be of interest to our readers that a group of men in our city have interviewed a surgeon from Dallas, who talks very favorably about moving to Floydada.

At this point we can't give you his name or any information about him except to say that if he comes here, he will certainly be an asset to this community and certainly a must with the completion of the new hospital. Doubtless this group, which includes both old and new hospital boards will be visiting with other prospective doctors and when we get something definite to report, we'll be most happy to tell it.

IT'S FAIR TIME in Floyd County and we join with the folks at Lockney in your invitation to attend the fair Thursday, Friday and Saturday. The fair will include this four county area for the first time and we hope this will add to the success of the big event.

CONE NEWS

CONE, Sept. 19 - The Peace Corps came to our community during the weekend, as it probably did in other communities and towns in the area, as two young men, Peace Corp volunteers, in training at Texas Tech, spent the weekend here. Tim Curbo, of Waco, and Bob Crooks, Columbus, Ohio, received the assignment, "Cone," and with no previous knowledge of where or what Cone was, arrived at mid-afternoon on Saturday. They were supper guests of the Joe Jacksons and H. R. Nance family and spent Saturday night in the Jackson home. They, along with Mr. and Mrs. A. J. Cowley and Mr. and Mrs. Wayne Nixon, were early morning coffee guests of Mr. and Mrs. Earl Martin on Sunday and were dinner guests of Mr. and Mrs. Haney Wideman and family. On Saturday evening, the young men attended the Farmers Union meeting and fish fry at Crosbyton, as guests of the Earl Martins; on Sunday, they attended Sunday School and church services at the Baptist Church; and were returned to Lubbock on Sunday afternoon by Mr. and Mrs. Carl Jackson. Those of the community, who met the young men, were very favorably impressed with them and their enthusiasm of the Peace Corp.

Weekend guests in the home of Mr. and Mrs. Bud Cox, Dorothy, Kenny and Linda, were Mr. and Mrs. Delman Hilton and Kristie, Lubbock. Additional guests who spent the day on Sunday were Mrs. W. L. Courtney, a sister of Mrs. Cox, her two daughters, Sandra and Nancy, of Morton, and Mr. and Mrs. Melvin Courtney and Tammie, of New Mexico, and Mardith Wideman. Mr. and Mrs. David Boren, Levelland, spent the weekend here with her parents, Mr. and Mrs. Roy Mara. Both Mr. and Mrs. Boren will enroll at South Plains College this week.

Mr. and Mrs. D. A. Barnhart were Sunday dinner guests of his niece and family, Mr. and Mrs. W. B. Criswell, Rodney, Teresa, and Gary, near Idalou. Phillip, Stephanie, and Kelley Mullins, Ralls, spent Friday night and Saturday with their grandmother, Mrs. Oma Patterson. Their parents, Mr. and Mrs. Charles Mullins, came for them Saturday and visited Mrs. Patterson.

Mr. and Mrs. C. L. Davis, Glenn, Kayla, Melony and Teresa, spent the weekend in Wellington visiting with Mr. and Mrs. Gay Neil Davis, Mike and Keith.

Mr. and Mrs. Paul Wheeler visited in the homes of Mr. and Mrs. W. O. Wheeler and Mr. and Mrs. Earl Martin on Sunday afternoon.

Lory Periot, Ralls, spent the night on Friday with her grandparents, Mr. and Mrs. C. O. Gilbreath.

Spike Wideman, a student at Hardin-Simmons University, spent the weekend in the home of his parents, Mr. and Mrs. Haney Wideman, Mark, Mel and Mardith.

Mr. and Mrs. David Blanton went to Spur on Sunday afternoon for a visit with her brother, Ted Goodson, and Mrs. Goodson.

Mr. and Mrs. L. E. Littlefield and Peggy left on Friday for a weekend visit with Mr. and Mrs. T. S. Parks, Sr. in Keene. Mrs. Parks, who recently sustained a broken leg, is convalescing satisfactorily at her home at this time.

Mr. and Mrs. Bob Wideman and family spent Saturday afternoon in Lubbock, and were supper guests of Mr. and Mrs. Laney Wideman, Layna, Brenda, Brad and Beth.

Mrs. Oma Patterson spent Saturday night and Sunday with her sister, Mrs. Pearl Reddy in McCoy.

On Saturday evening, Mr. and Mrs. Paul Wheeler visited in Ralls in the homes of Mrs. J. J. Spikes and Mr. and Mrs. Bill Wheeler.

Mrs. C. O. Gilbreath attended the LCC Associates Tasty Party on Tuesday evening in Crosbyton, held at the home of Mrs. Ruby Nixon.

Mrs. Clinton Denning and Mrs. Peachie Parrish were in Lubbock Wednesday where they visited with Mrs. Annie Webb.

Mr. and Mrs. Howard Harris and Diane were Sunday dinner guests of her mother, Mrs. C. R. Smith, in Lubbock.

Mr. and Mrs. Haney Wideman, Spike, Mel and Mardith visited Dr. and Mrs. Harold Reese and Sheryl, in Plainview, on Friday afternoon, before going on to Kress for the Kress-Ralls football game.

Sunday dinner guests of Mrs. Maggie Goodson were her son and family, Mr. and Mrs. Leslie Goodson, Lubbock.

Mr. and Mrs. Wayne Adams left on Thursday for several days of fishing in the Del Rio area.

Miss Jean Harris spent Friday night with Miss Barbara McHam in Ralls and the girls went to the football game in Kress. Saturday night, Barbara was a guest of Jean in the Howard Harris home.

Mr. and Mrs. Morris Wideman visited in Lubbock Sunday afternoon with Mr. and Mrs. Laney Wideman and family and also with Mrs. A. H. Pruitt.

NOTES**

LIGHTHOUSE ELECTRIC COOPERATIVE, INC.
MARY PHILLIPS, HOME ECONOMIST

THE TERM WORKING MOTHER IS A LAUGH!

That's right, a laugh. Almost all of us tend to think of the working mother as someone who is away from home all day, working as a secretary, store clerk, nurse, or today, even in an executive job. But the mother who stays home is a working-mother too, and she works plenty hard. That's why the term working-mother is a laugh. Which mother isn't working every day, 52 weeks a year!

One way the mother, working at home or in the office, can cut down on her labor is to take advantage of the invention of a man who remembered his mother - and her laundry problems. Ross Moore, a North Dakota farm boy, who many times in his youth stumbled out of his farm home in the teeth of a gale to hang up washing for his mother, invented the automatic dryer.

Now there are over 13 million dryers in American homes. They are convenient step-savers, drying clothes so quickly, so easily, that mom doesn't get tired. Modern electric clothes dryers are a necessity too. Today's synthetic fabrics can have the wrinkles, resulting from wearing the garments, removed only by higher temperatures than are possible with hanging-on-the-line drying. The heat of the dryer is needed to bring out the best in these low-cost, longer-wearing, easy-care fabrics, and the electric dryer is versatile. Drapes and slipcovers can be dusted by simply tumbling them in the dryer.

Best of all, automatic dryers and washers give mothers many extra hours to do other things. Rare is the homemaker who sits back and relaxes while her automatic equipment does the work for her. There are drawers and closets to be cleaned, floors to be scrubbed, children to be taken care of, and a hundred other home chores to do. When blessed with automatic electric equipment, you can do them.

Does this sound familiar? We've heard the typical American described as a man who has just driven home from an Italian movie in his German car, sitting on a Danish chair, drinking Brazilian coffee out of an English bone china cup, writing a letter on Canadian

made paper with a Japanese ball-point pen to his congressman to complain about too much American gold leaving the country.

This week and next are Fair weeks on the South Plains. The Floyd County is in progress this week and the South Plains Fair will be held in Lubbock next week. Why don't we all get and participate in these and have a good time?

May we welcome two new employees to the Lighthouse? They are Mrs. Israel Rodriguez and Judy Turner. Judy is a senior in Floydada High School and works half days through the Distributive Education program.

Mr. and Mrs. Corky Guffee, Larry and Phyllis spent the weekend in Sunday visiting the C. N. Hill family.

Mr. and Mrs. Bearl Gilbert attended a birthday dinner Sunday honoring his mother, Mrs. L. D. Gilbert. Hosts for the occasion were Mr. and Mrs. W. E. Hawkins of Quitaque.

Mr. and Mrs. Lawrence Stovall and children visited his mother, Mrs. R. M. Stovall in Plainview during the weekend.

Mr. and Mrs. Kent Hardage of Lubbock visited her parents and brother, Mr. and Mrs. Bud Goen and Mark on Sunday afternoon.

Delegates Attend Rep. Convention

Delegates Robert Lee Smith of Lockney and John Ferris of Floydada attended the Republican Convention held in San Antonio Tuesday. Smith's former committee for this district, but did not seek re-election.

Dr. William Rector of Wichita Falls was elected committee man and Mrs. Tom Suits of Petersburg was elected committee woman for the 30th State Senatorial District. She is former vice chairman of Hale County.

beautiful white corduroy flag with the words "FIGHTING WHIRLWINDS" Floydada, Texas, inscribed in green. Both flags were mailed this week by Donald's mother, to fly atop Cuhl Cuan.

Donald attended school in Floydada and enlisted in the Army last year. He left Fort Hood May 15 on a troop train to Oakland and sailed for Viet Nam in June. Donald is a line-man for the signal corps.

The youth said he had met a Vietnamese soldier and his wife, who had become friends of his. He said the soldier was four foot 11 and he found them to be very nice people.

Mrs. Koop received a letter this week from the Vietnamese and his wife, which may be found below written in his own language and translated.

program is planned for tomorrow night at 7:30. Joe Reeves is chairman. Congregational singing will be featured along with many soloists, trios, quartets and other special singing groups. Among singers expected are the Gloryland Quartet from Roswell, N. M., Bailey Quartet, Levelland; Tempo-Aires of Slaton; Campbell Quartet, also of Levelland.

Gospel Singing Night is a popular feature of the Fair and annually attracts a large crowd. The only admission fee is the gate charge.

QUARTER HORSE SHOW
Saturday morning at 9 o'clock is the Quarter Horse Show. Gene Handley is superintendent. The show is the fifth annual event and this year the show has been enlarged to include a cutting horse contest and Western Pleasure. At the suggestion of many of those interested in halter class participation, the scope of this particular part of the show has been approved by the American Quarter Horse Association and all entry requirements are in accordance with the rules and regulations of the AQHA. Horses must be registered in the AQHA registry, Handley said. Competition will be arranged in these divisions: halter, per-

was going to the grocery store. Stephanie later told others that her mother's head seem to snap and the car went racing across the street, into a pile of lumber where a new home is being built. The car struck the corner of the house, careened into the lumber and then landed in a near-by ditch. A Floydada physician pronounced her dead a few moments later at the home.

Mrs. Arwine was born Julianne Heinen at New Braunfels, Tex., December 1, 1929. She was a graduate of the University of Texas. The deceased and Gene T. Arwine were married in New Braunfels and had made their home in Floydada since. Mrs. Arwine was an ac-

formance and youth activities. No entries will be accepted after the judging which begins at 9:30 a.m. Trophies will be awarded to the winner of each class and ribbons will be presented through the first four places in each class.

The Performance Division will consist of an open reining contest, a calf roping contest, Western Pleasure, and a barrel race. Entry fee is \$15 in each of these events of which \$10 will be put in a purse and split on a 50-30-20 basis to the winners and runners-up. Deadline for entering performance class will be at 1 p.m. the day of the show. Appropriate trophies will be awarded winners of each of the events.

This year's show will have "All Round" trophy for outstanding youth. Their division will be in halter, western pleasure, pole bending, barrel racing and break away roping.

QUEEN CONTEST

At 7:30 Saturday night the annual Miss Floyd County Fair Queen Contest will be held. Mrs. Max Marble is general chairman. This is the third Fair Queen contest. Last year's Queen was Miss Kitty Lloyd, who will crown the 1967 Queen during the ceremony held in the entertaining building.

Besides all the features of the Fair there is to be community displays and exhibits, agricultural exhibits, Antique Show, 4-H Club Lamp Building contest, Women's Club exhibits, commercial and education exhibits, youth department, art and craft department and flower department.

SCHOOL DAY

This afternoon, Thursday, has been set aside for School Day at the Floyd County Fair and all youngsters enrolled in school will be admitted free until 5 p.m. Directors adopted the plan at a recent meeting of the Fair Board.

ADMISSION CHARGES

Admission charges will begin at 1 p.m. this afternoon on all other persons attending the Fair.

TB UNIT

The Hale-Lubbock County TB mobile unit will be in Lockney during the Floyd County Fair. It will be set up on the First National Bank parking lot from 9 this morning until 2 o'clock this afternoon and then will be in operation at the Fair Grounds Friday and Saturday afternoons.

The Athena Junior Study Club of Lockney and Lockney Advisory Council, West Texas Tuberculosis Assn., is sponsoring the mobile unit.

tive worker with the Girl Scouts, and local civic organizations and was a member of the First Methodist Church. Survivors other than the husband and daughter include a son, Michael Scott of the home; her parents, Mr. and Mrs. R. P. Heinen and a brother, Randy, all of New Braunfels.

Interment was in Floyd County Memorial Park under the direction of Moore Funeral Home.

Pallbearers were Bill Hale, Dale Goen, Lane Decker, Tom Snead, Sam Puckett, George Mize, Wayne Collins and Dan Hagood.

LATINS

FROM PAGE 1

Several persons spoke to the gathering, expressing the hope that the Latins would see fit to keep their children enrolled at Della Plains and have patience with the zoning plan until it would be studied further.

The meeting was very amiable with a good spirit of cooperation and understanding expressed by all the speakers. Some of the speakers expressed the thought that the Latins had accomplished a wake in among the people of this community as to their unhappy situation.

Under the zoning plan the Negroes have the opportunity to transfer out of the zone, but don't seem to want to. The Latins want to transfer out and cannot under the zoning law. The law states that the race that is in the majority in the zone may transfer out. There are about 55% Negroes to 45% Latins.

About ten of the city's ministers attended the meeting, three school board members and many interested people of the community of all races and creeds were in attendance.

Latin spokesmen which included Martinez, Mr. and Mrs. Alberto Juarez, the Rev. Raymond Asebedo and Luis Quin-

tero, agreed that the most important thing to consider was the education of the children and that the children must be kept in school.

The following statement was mailed to Martinez by Ralph Johnston, president of the Floydada school board in response to an invitation to attend the meeting:

"Reference is made to your invitation, on behalf of the Floydada Citizen's Committee, to the Board of Trustees of Floydada Independent School District to attend a meeting Sunday, September 18, 1966, to discuss the Della Plains School zone plan of integration.

"Before adopting the present zoning plan of integration, the Board and the school faculty devoted many hours to the problems involved in integration of the school system, and adopted the zoning plan only after thorough and conscientious consideration of all of the alternatives in the light of the interests of the affected groups and the fac-

ilities, funds and personnel available for operation of the school system for 1800 students. Further, the Board has held two open hearings with the objecting Latin American citizens at which the fullest discussion was had of their objections, of the possible alternatives, and of the reasons impelling the Board to adopt the plan.

"It is the sincere conviction of the Board that the plan now in operation, while by no means perfect, is the best that can be devised under present circumstances, and one that is accep-

table to the Health, Education and the final answer unless and until it is disapproved by the operation. "Accordingly, the Board does not believe that a national hearing would be of any useful purpose, and fully declines to propose a meeting."

PROTECT-O-COAT Formula X-78 is the revolutionary new chemical additive that protects the inherent qualities of cotton fiber during the ginning process. In many tests the following results have been shown on cotton treated with PROTECT-O-COAT:

- Fiber raised from 1/2 to 2 full staples
- Color improved 1/4 to 1 full grade
- "Live feel" and greater fiber uniformity
- Over 2¢ per pound increase in value
- Less 1/4" and 1/2" fibers

Drastic cleaning and drying makes cotton brittle and fiber length is shortened by gin and lint cleaner saws. PROTECT-O-COAT Formula X-78, applied as a fog mist in the conveyor distributor, recoats the fiber and minimizes damage. Progressive ginners are now offering PROTECT-O-COAT service to give you a sample that will bring you more money per bale. For improved grade and staple, go to the gin that displays the sign above. Write for a list of PROTECT-O-COAT ginners in your area.

Plains Cotton Growers Explain New Wage Law

LUBBOCK, Friday, September 16, 1966 -- The Senate on September 13 passed a new minimum wage bill bringing agricultural workers under a federal minimum wage for the first time in history.

The bill passed the Senate by a vote of 57 to 17 under what proved to be the able floor management of Texas Senator Ralph Yarborough. It now goes to President Lyndon B. Johnson, who will doubtless sign it into law. Texas Senator John Tower voted against the measure.

The minimum wage for those farm workers covered begins at \$1.00 an hour on February 1, 1967, goes to \$1.15 February 1, 1968 and to \$1.30 on the same date in 1969. It will remain at \$1.30 an hour until the law is again amended, but both House and Senate advocates of the measure have made it clear that the ultimate goal is to bring the agricultural minimum up to the industrial minimum.

Wages of industrial workers now covered by the minimum wage under the new law will be not less than \$1.40 as of February 1, 1967 and \$1.60 beginning February 1, 1968.

Newly covered non-agricultural employees are to begin at \$1.00 per hour on Febru-

ary 1, 1967 and go up 15 cents per hour per year to \$1.60 an hour in 1971.

Not all agricultural workers are covered in the legislation--only those working for an employer who used more than 500 man-days of agricultural labor during any calendar quarter of the preceding calendar year. "Man-Day" means any day during which an employee performs any agricultural labor for not less than an hour.

The effect, of course, will be felt on virtually every farm which uses hired labor.

Four classes of agricultural employee exemptions are spelled out:

1. Employees who are the parent, spouse, child or other member of the employer's immediate family;

2. Employees (a) employed as a hand harvest worker and paid on a piece rate basis in an operation which has customarily been paid on a piece rate basis in the area of employment, (b) commutes daily from his permanent residence to the farm and (c) has been employed in agriculture less than 13 weeks during the preceding calendar year;

3. Employees (other than employees in 2-a above) who (a) are sixteen years of age or younger and employed as a harvest worker on a piece rate basis, (b) are employed on the same farm as his parent or guardian, and (c) are paid at the same rate as employees over 16 years of age on the same farm; and

4. Employees who are principally engaged in the range production of livestock.

It should be noted that in exemptions two and three, all of the provisions spelled out in a, b, and c must be met if the employee is to be exempt.

Newly covered agri-business employee under the Bill will follow the same wage schedule as newly covered non-agricultural workers, beginning at \$1.00 per hour February 1, 1967 and increasing annually in 15 cent increments up to \$1.60 an hour in 1971.

Cottonseed oil mills and cotton compresses and warehouses will be subject to the minimum wage and overtime provisions, but will be allowed one period of 14 weeks each season in which they will be exempt from overtime. The 14 week exemption, however, will hinge

on the business falling in the "seasonal" category as defined in the law and determined by the Secretary of Labor.

Gun employees will also be under the minimum wage but will not be subject to overtime. "Country" elevators, located in the area of production, will be subject to the minimum hourly wage and overtime if they have more than five employees. Those having five employees or less will be exempt from overtime.

Also specified in the new federal wage law is that no employee below the age of 16 years may be employed in agriculture in any occupation the Secretary of Labor declares to be particularly hazardous for a person of that age, except where the employee is employed by his parent or by a person standing in the parent on a farm owned or operated by such parent.

Roy Bledsoe Enters School Of Dentistry

Roy Wm. Bledsoe, son of Mr. and Mrs. Roy C. Bledsoe, Box 104, South Plains, Texas, enrolled as a freshman student in

Baylor University College of Dentistry, Dallas, Texas, September 13, 1966.

The class of 100 students is the largest accepted by the college in its history.

The requirements for entering the Dental College are three years of academic work in a college or university. Seventy-five percent of the entering students have earned a bachelor's degree.

The course in dentistry, leading to the Doctor of Dental Surgery degree, is completed in four years.

The College of Dentistry, which has been a part of Baylor University since 1918, is operated under the auspices of the Baptist General Convention of Texas.

County Agent's Corner

Two Grain Sorghum Variety Demonstrations were harvested this past week. They were on the Carl Brock farm at Floydada and the F. G. Jones farm at Lone Star.

All varieties in each demonstration were in the medium maturing range. Pioneer 846 topped both tests.

Jones had eight varieties in his test. The varieties and their yields per acre computed on a 13% moisture follows: Pioneer 846 - 6,650 lbs.; Dekalb E-57 - 6,452 lbs.; Weathermaster GS 65 - 6,225 lbs.; Paymaster Kiowa - 6,118 lbs.; PAG 515 - 5,840 lbs.; NK 222 - 5,784 lbs.; R.C. Mitchell Standmaster 5,617 lbs.; Dekalb F-61 - 5,435 lbs.

Jones watered his sorghum three times and had numerous rains on it. No varieties showed smut and very little lodging was noticed in the test.

Brock had nine varieties in his test. Their yields per acre computed on a 13% moisture were: Pioneer 846 - 5,928 lbs.; TE 66 - 5,157 lbs.; Dekalb E-57 - 4,935 lbs.; Weathermaster GS 65 - 4,859 lbs.; TE 77 - 4,835 lbs.; R. C. Mitchell Standmaster - 4,855 lbs.; PAG 515 - 4,526 lbs.; Paymaster Kiowa - 4,371 lbs.; and NK 222 - 3,994 lbs.

Brock watered only twice and did not receive much help from rainfall. No smut was noticed in any variety. PAG 515 had 1% lodging in this test.

Variety tests generally vary some from year to year and location to location. For example NK 222 was a high yielder consistently last year in tests within Floyd County. To get a true perspective picture of a variety a farmer should seek data over a period of two or more years.

SOUTH PLAINS CENTER NEWS

FROM LAST WEEK

Congratulations to Mr. and Mrs. Ernest York who are parents of a boy, born August 28, at 12:56 p.m. in the Lockney Hospital. He weighed 8 pounds and 13 1/2 ounces and was named Jimmy Matthew. The Yorks have four other children and they live on the Don Probasco farm.

Miss Kathy Mulder will leave this Tuesday for Amarillo where she will enter Amarillo Business College as a freshman. Kathy and her mother, Mrs. Arby Mulder, went to Amarillo last Wednesday to see about her school, and they also visited Arby's aunt, Mrs. Nell McGuffey, who lies critically ill at the Northwest Texas Hospital.

Mrs. Donald Bean began teaching this Monday at the South Plains School in the second grade. Mrs. Ada Landrum had so many first graders that they had to divide the classes. We are glad to find that J. M. Williams was brought home from the Methodist Hospital Saturday and is getting along fine.

Mr. and Mrs. Frank McClure arrived home Saturday night after staying the past week in Snyder with her sister, Mrs. J. E. Woodson, whose husband passed away last Wednesday night and was buried Friday afternoon at Snyder. He had been ill for around fifteen months, and was in the Hendrix Memorial Hospital in Abilene. The McClures spent Sunday night and this Monday in Plainview with Mrs. Jean McClure and children. Jean is beginning her studies at Wayland College, and will be going full time, and working Friday and Saturday at her nursing duties.

Tom Respondek was in the Lockney Hospital from Tuesday to Friday of last week, after he had slipped and fallen at his home, and hurt his back. We hope he fully recovers.

Mr. and Mrs. Murray Julian returned home Wednesday night after being gone a week at Cowles, Santa Fe and Albuquerque, N. M. In Albuquerque they visited in the homes of her sisters, Mrs. B. C. Auman and Mrs. C. W. Hulick for two days.

Newlyweds Mr. and Mrs. Jay Frank Parks returned here from their honeymoon at Ruidoso, N. M. last Tuesday, and were visiting his folks, Mr. and Mrs. L. H. Parks. Saturday they left for Abilene where Jay Frank is a junior at McMurray College, and Brenda will be working.

Some of the cottons are really lovely. Colors are clear and the garments are washable.

CENTER, Sept. 12 - This has been a pleasant weekend for us. Weather lovely, good attendance at church, and dear relatives visiting and attending church with us. Guests: Mr. and Mrs. J. B. Massingill of Phillips.

Saturday evening guests of the Thomas Warrens were Mr. and Mrs. Olin Watson Jr. and Lou Ann, and Mr. and Mrs. Orville Newberry, for a hamburger and ice cream supper. Mr. and Mrs. R. C. Ross accompanied by his sister and husband, Mr. and Mrs. S. A. Pitts of Oklahoma City, made a trip to see the Ross' daughters and families last week. They spent Tuesday night with Maxine - Mr. and Mrs. Buck Ragsdale of Baileyboro. Wednesday they went on to Roswell to visit Norma and family, the Rob Robersons, returning home Friday. Also the Robersons were starting Friday on their move to Denver, Colo., where they will make their home. The Pitts' went on elsewhere to visit the husband's relatives.

Mr. and Mrs. E. R. Melton of Providence are visiting their daughter, Ann and family, Mr. and Mrs. Charley Ball and baby. Mr. and Mrs. Charles Fullerson visited Mr. and Mrs. Ross Sunday afternoon. Mrs. Clarence Guffey, City, and a visiting Oklahoma sister, Mrs. Maude Easley are visiting the Rosses today, Monday.

Moon Spacecraft To Be At Fair

LUBBOCK--The spacecraft that will land American astronauts on the moon before 1970 will be one of the featured exhibits at the 49th annual Panhandle South Plains Fair here Sept. 26-Oct. 1.

Highlighting the exhibit will be highly detailed one-fourth scale models of the three "modules" of the Apollo spacecraft provided by the National Aeronautics and Space Administration's Manned Spacecraft Center during the six-day fair run.

Project Apollo is thenation's third step into space, following the now-completed one-man Project Mercury flights and the current two-man Project Gemini earth-orbit missions. Apollo will be the first penetration into deep space, while Mercury and Gemini are low earth orbit programs.

Three astronauts will be housed in the conical command module or crew quarters of the Apollo during most of the lunar landing mission. The Lunar Excursion Module (LEM) or "bug" is the spider-legged part of the Apollo in which two of three astronauts will descend to the surface of the moon while the third crewman remains in lunar orbit aboard the command module. After lunar surface observations have been made and geologic samples gathered, the moon explorers will lift off in the LEM and rendezvous with the command module. When all three astronauts are aboard the command module, the rocket engine will boost the craft into a trans-earth trajectory.

Launch vehicle for Apollo is the mammoth Saturn V which has five F-1 rocket engines in its first stage with a total of 7 1/2 million pounds of thrust. Round trip to the moon is expected to last six days.

The Manned Spacecraft Center at Houston is one of 11 major field centers of NASA.

in the Lockney Hospital. Mr. and Mrs. Doyle Sandifur were in Amarillo Tuesday attending last rites for a little 5 year old grandnephew of Mrs. Sandifur. Derrol Jon Crump Jr. who was killed in a tractor accident Sunday while riding the machine with his maternal grandfather. We extend our deepest sympathy to the bereaved parents and other relatives. Junior was the grandson of Willis Merle's brother and wife, Mr. and Mrs. Millard Crump of Plainview. Other relatives in Tullia and Plainview also attended.

Mr. and Mrs. Elmer Sellars came out to see the Sandifurs Tuesday evening, but missed them.

MSC, under the direction of Dr. Robert R. Gilruth, is the nation's experienced management agency in the field of manned spaceflight research and development. This newest NASA facility has the responsibility for developing manned spacecraft, for training space flight crews and for conducting space flight missions.

One-third scale models of the Mercury and Gemini spacecraft also will be displayed during the fair, which features Tennessee Ernie Ford, performing twice daily--at 3 and 7:30 p.m.--in Fair Park Coliseum "in-the-round."

Tickets for the Ford show are priced at \$2, \$2.50, \$3 and \$3.50. Children 12 years and under are admitted for one-half price at all matinees. Tickets may be obtained at the fair association office, PO Box 208, at Dunlap's in Caprock Center, the Pioneer Hotel, or at Hester's, 14th St. and Texas Ave.

Record attendance of 250,000 is expected.

Fao Massey-Ferguson To Sponsor Seminar

DES MOINES, -- Can the world's youth play a key role in ending a global hunger crisis that already plagues half of mankind? The United Nations Food and Agriculture Organization (FAO) and Massey-Ferguson, worldwide farm machinery manufacturer, believe the answer is yes.

John G. Staiger, president of Massey-Ferguson Inc., announced today that leaders of youth organizations, foundations, business and government in North America will meet next May in Des Moines, Iowa, to determine how youth can meet this challenge.

The four-day meeting begins May 15. It is one of seven seminars sponsored by FAO that comprise the Young World Food and Development Project. The project is being financed by a \$500,000 contribution from Massey-Ferguson.

Four regional seminars in developing areas are designed to survey the rural youth situation and determine what help rural youth organizations in these areas need to increase food production.

Two seminars in developed areas are aimed at reviewing these needs and proposing plans to establish and strengthen developing countries' rural youth programs.

The first seminar in developing areas was completed earlier this month at Bangkok, Thailand, for Asia and the Far East. Other seminars in developing areas are set for Africa in October at Addis Ababa, Ethiopia, for Latin America in November at Lima, Peru, and for the Near East in December at Beirut, Lebanon.

Rome, Italy will be host for the European regional seminar in April, and this will be followed by the Des Moines seminar.

A worldwide conference will be held at Toronto, Canada, in September, 1967. It is expected to attract representatives of 115 nations and will bring together recommendations from the seminars and plan implementation of a worldwide program. This program will be aimed at applying modern agricultural technology to increase food production.

"It is estimated that hunger takes the lives of 10,000 people a day," Staiger noted. "A four-fold increase in food production for the world's developing countries will be necessary in the next 35 years if we are to halt this alarming toll."

"Unlike many of their elders, young people are willing to try new farming methods that can make the difference," he said. FAO and MF believe that youth involvement in programs which foster responsibility will have two important results. It will benefit communities through the training of their youth for leadership roles and also result in immediate nutritional and economic benefits because rural youth programs are, as a rule, practical.

In a number of countries, youth is already responding vigorously to the challenge with

Dams Mean More Fishing

TEMPLE -- "Texas is not yet a land of 10,000 lakes and a fisherman's paradise" but hundreds of Texans are working on it," said State Conservationist H.N. Smith of the Soil Conservation Service in commenting on a recent statewide survey of flood prevention structures and outdoor recreation.

Smith went on to point out that about 1100 such structures have been completed and almost 800 of these have been stocked with game fish in accordance with Texas Parks and Wildlife Department specifications. About 400 of these structures are open to the public on a free or daily fee basis. Thirty-six are being used by groups of families or other organizations on a club-lease basis.

Recreational facilities such as beaches, rest-rooms, picnic tables and boat docks have been installed on 144 of the lakes. An estimated 637,000 recreation man days have been spent on these structures since completion.

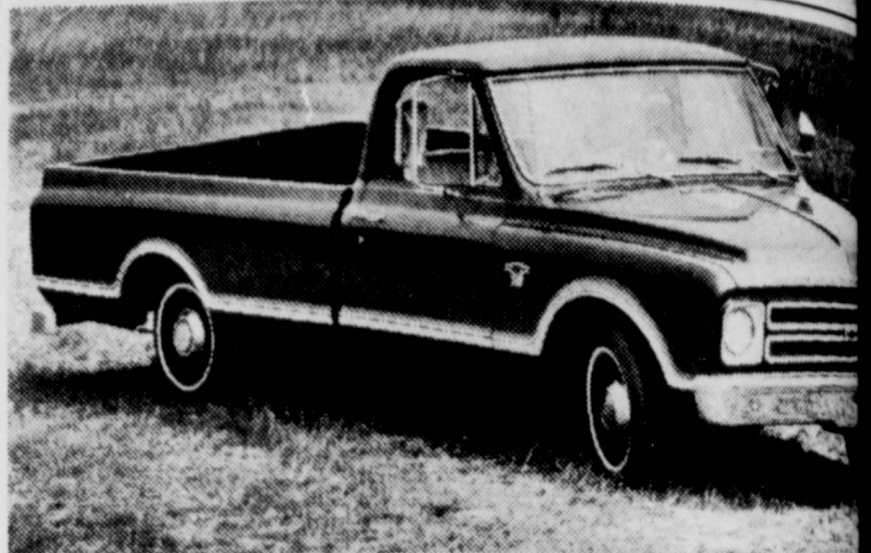

"These dams, designed and built primarily for flood control and soil conservation, are helping absorb the outdoor recreational pressure generated by a shortened work week and a steadily rising standard of living," Smith concluded.

Many Improvements In Restyled 1967 Chevrolet Truck

Clean, trim practical styling that gives a low, fleet look to this Fleetside pickup. Many advances in the 1967 Chevrolet truck line. Vision, cab comfort, and corrosion improved. Other new features in the line include longer bodies and more power windows, redesigned, lower four-wheel-drive series, and diesels in forward-control delivery larger models, a new shorter cab and front sheet metal design give a shorter wheelbase maneuverability with no loss in load space.

1967 Chevrolet Trucks On Display At Odens

The most significant cab and sheet metal styling change in Chevrolet history, featuring clean, angular lines with a functional character, leads a long list of improvements in the 1967 Chevrolet truck line.

Other highlight features include: Addition of longer, larger capacity models with 1/2 and 3/4-ton rating to the Chevy-Van and Sportvan series;

Diesel models in the 3/4- and 1-ton city-delivery Step-Van and forward-control chassis line;

Completely redesigned low-silhouette 4-wheel drive series; V8 power for Chevy-Vans; Expansion of the model lineup to 406 models on 37 wheelbases; A custom Sport Truck option for light-duty conventional cab models, including such luxury items as full carpeting and bucket seats.

The new styling is enhanced by overall height which gives a longer, lower, more trim look. The graceful inner slant above the belt line adds a sleek note, but also is functional by helping to protect windows from mud splash and gravel blasting. Visibility is improved by the larger windshield and door glass and narrow corner pillars.

A Custom Sport Truck option is offered for light-duty cab models. In addition to full carpeting, cowl-trimmed bucket seats, and a padded center armrest which swings up to form a backrest for the padded middle passenger seat, many bright metal exterior trim and luxury interior items are included.

Another important benefit of the new design is improved

forward visibility and heavy-duty engineering from the hood. The angle improved so the feet closer than conventional cabs.

Medium-size diesels carry over to give a bumper cab dimension which maintains the same accommodations as on 1966 models.

Front end of the 1967 truck greatly improved against corrosion surfaced, undercoated, and other sheet metal, and use of coach grade use of spot weld offer additional assistance.

Although the lower, interior tually unchanged height, together lower width at affords easier to the lower seat to board design more comfortable pedal position.

See "Texas" Production at Duro Canyon

In the "Longhorn Trall" column of the Houston Post William Gardner speaks of the production this way: "The Panhandle is swinging a wide loop for . . . visitors, and one of the attractions that draws them as surely as a waterhole at sundown is the impressive production of Paul Green's musical drama "TEXAS". . . which portrays the saga of the high plains pioneers against the awesome backdrop of the towering canyon walls. Of course the setting contributes greatly to the impressiveness of the production, the lofty cliffs of storied Palo Duro, the bright West Texas stars in a wide sky, the night sounds of a land that was home to the Comanches, the Kiowas and the buffalo.

Examinations For NROTC Set In December

The test date for the 21st annual national competitive NROTC examination has been set as 10 December 1966. Parents and high school officials should remind eligible young high school seniors and graduates to submit their applications before 19 November 1966.

The Regular NROTC program offers wonderful opportunity for a young man to gain a regular commission while studying at one of the 52 NROTC colleges and universities. The Navy furnishes tuition, fees, books, and uniforms, plus a subsistence allowance of \$50 per month to NROTC Midshipmen. Each summer NROTC Midshipmen go on interesting and rewarding training cruises. After completing his college course and all military requirements, an NROTC Midshipman is commissioned as a regular officer in the U.S. Navy or Marine Corps and goes on active duty with the operating forces.

The program is available to male high school seniors and graduates who will have reached their 17th but not 21st birthday by 1 July 1967. Those who make a qualifying score on the Navy College Aptitude Test will be interviewed and given thorough medical examination early in 1967. Approximately 1,700 young men from those remaining in competition will thus be selected to attend college next September to prepare for their naval service.

1967 NROTC Bulletins of Information and application forms are available from local high school counselors and Navy Recruiting Stations, or from the Chief of Naval Personnel (Pers-B8261), Department of the Navy, Washington, D. C., 20370.

GUERRERO IN FIELD TRAINING

Eugene Mercury Morris Looks Good At West Texas

Shades of Pete Pedro were recalled here in Buffalo Bowl Saturday afternoon as Sophomore halfback Eugene (Mercury) Morris jumbled his way through defenders for 158 yards in a performance that brought the fans to their feet and a smile to the face of West Texas State Coach Joe Kerbel.

The occasion was the Buffaloes first scrimmage of the Fall, and if there were any pre-season doubts about the sophomore speedster's ability to fly they were readily erased. Morris, a darting runner who starts like a jackrabbit and stops on a dime, left defenders clutching air on numerous occasions. He raced 60 yards to score on a screen pass the first time he touched the ball, then later streaked 72 yards to score on a sweep. The 180-pounder from Pittsburg, Pa. also proved capable of getting the tough yardage as he cracked across the goal line from one and four yards away.

As impressive as Morris' statistics were, they were overshadowed by those of senior quarterback Hank Washington, a leading candidate for All-American honors this season.

Washington, the nation's 12th leading passer last year, hit on 33 of 48 pass attempts for 458 yards. What's more he also led the ground attack by stepping off 162 yards on 13 carries.

Line-blasting sophomore fullback Albie (00) Owens also impressed as he rambled for 112 yards on seven carries and scored on a 65 yard burst through the middle. Freshman halfback Daane Thomas, working behind the number two and three offensive lines, rushed for 113 yards on 10 carries and scored on a 75 yard gallop. Other leading carriers were Ronnie Mankin, who gained 46 yards on 11 carries and Curley Watters, who picked up 40 yards on 10 rushing attempts.

Particularly impressive to Coach Kerbel was the work of the first offensive line that

opened wide holes for ball carriers and gave quarterbacks Washington and Roy Winters ample time for their passes. Washington directed the offense to 11 touchdowns and Winters piloted five scoring marches. Kicking specialist Tommy Fambrough also hit on four, 35-yard field goals and all but one extra point attempt to run the score to 123.

"Our line gave me marvelous protection," said Washington. "I had plenty of time to find an open receiver."

The first team interior line consists of tackles Doub Kriewald and Bobby Duncum, guards Eddie Golecki and Percy Green and center Phil Hampton. Green is the only returning starter from last season's offensive line and he also received a high grade of 94 for his performance.

Providing excellent targets for the passes of Washington and Winters were Dave Szymakowski, Mike Bailey, Dick Flynn, Ronnie Mankin, James Crowell, Morris and Dan Andrews. Szymakowski caught 14 passes for 160 yards to lead all receivers. Bailey, a sophomore flanker, snared nine passes for 99 yards and Flynn pulled in three tosses for 98 yards.

The scrimmage, which pitted the Buffalo offensive teams against the defensive units, was conducted in 10, eight minute quarters.

Commenting on the scrimmage Kerbel said "I think the score was indicative of one of our major weaknesses--lack of depth at a number of positions.

We should not be able to score that easily against our reserves. We are worried to death because we won't know anything about our team until the night of Sept. 17 when we play Arlington State.

Another scrimmage, which will be closed to the public, is scheduled here in Buffalo Bowl Saturday afternoon. The scrimmage will begin at 2:30 p.m.

Engineers Report Favorable On Mackenzie Dam Project

Foundation studies of the site of the proposed Mackenzie dam and reservoir made by Mason-Johnston & Associated of Dallas indicate the site is excellent, members of the water authority were told last week at the regular meeting held in Tulla.

The board immediately authorized the engineering firm, Freese, Nichols and Endress of Fort Worth, to proceed with the preliminary phase of the engineering project.

The proposed dam and reservoir will be located in the western part of Briscoe county approximately six miles upstream from the confluence of Tule Creek with Prairie Dog Town Fork of the Red River, or three eighths of a mile west of FM Road 284. It will provide municipal water for Floydada, Lockney, Silvertown and Tulla.

According to the report presented by Mason-Johnston & Associates, there is no abutment seepage, no leakage through foundation, both right and left abutments are capped by 45 feet of sandstone, redbed underlies the sandstone and is exposed in both abutments and creek channel. Adequate materials for construction of either homogenous or zoned type of embankment are available.

The reservoir would have a capacity of 54,000 acre feet with an actual surface area of 900 acres when full. Maximum depth of the lake would be 148 feet with an average depth of 60 feet. It was pointed out that the average depth of similar reservoirs constructed in the area runs from 17 to 23 feet. The White River reservoir has an average depth of 22 feet.

The lake would have from 20 to 25 miles of shoreline. The dam would be 1275 feet in length with a total length embankment of 2300 feet. Maximum height of the embankment would be 1058

feet and it will require four million cubic yards of earth. The board adopted a resolution to accept the offer of a maximum of \$76,500 federal loan through the Department of Housing and Urban Development with which to complete the planning and engineering phase of the project. The availability of these funds had been allocated. Funds had been authorized early this year; however, the authority had been notified by the Fort Worth office of HUD that reduced appropriations had created a long waiting list and the money would not be available in the foreseeable future.

Senator Yarborough as well as Congressmen Walter Rogers and George Mahon were approached to do what they could to facilitate the funds since the authority is fighting time to beat several deadlines including water permits and the time when some of the cities involved will have to have this water to meet current needs.

The engineering firm has 180 days to complete its work which includes determining the cost of the project, now estimated at \$5 million. The firm has been asked to expedite its work. A representative of the firm said aerial mapping of the entire watershed will be completed as soon as the foliage dies. As soon as the engineering is completed, the four cities will set machinery in motion to accept bids and to call bond elections. Should any of the cities fail to approve the bonds, they would immediately be dropped from the project and the water rights assigned to those approving.

The HUD loan will be repaid, without interest, at the time contract is signed for construction of the project.

Best estimate is that construction could begin in a year if no unforeseen delays occur.

Members of the authority present Tuesday night were

Chairman Lon Davis, Jr., S. W. Ross, O.C. Bailey, John Zeigler, Tom Moore, Charles Whitfill, and Milton Dudley. Jim Tom Nichols was absent. Members of the Tulla city council were also present to hear the engineering reports.

Ayres Attends Conference

D. G. Ayres, Veterans County Service Officer for Floyd County attended the 19th Annual Statewide Rehabilitation Conference for Veterans Service Officers, which was held at the Rice Hotel in Houston, September 12-15.

This Conference was conducted by the Veterans Affairs Commission of Texas, in cooperation with the American Legion, Disabled American Veterans, Veterans of Foreign Wars, Veterans of World War I, and the Veterans County Service Officers Association of Texas. The purpose of the meeting was to offer Service Officers from the entire State of Texas an opportunity to gain first-hand knowledge of recently enacted legislation dealing with benefits to veterans and their dependents and survivors. Topics discussed during the four-day Conference included disability compensation and pension, Government Insurance, GI loans, Education and training for veterans and children, hospitalization and medical treatment, and veterans employment and reemployment rights.

Conducted annually, this Conference serves as an in-service course of training for all National, State, County, Post and Chapter Veterans Service Officers.

Cannon visited in Plainview Sunday with her cousins, Mr. and Mrs. N. A. Armes. Mrs. Bill Tye visited Sunday afternoon with her mother, Mrs. W. B. Wilson. Mrs. J. E. Horton and Mrs. J. L. Day visited Mrs. C. H. Wise and Mrs. Ella Lawhon Sunday afternoon. Mr. and Mrs. Bill Schenk of Dallas came Friday for a visit here with relatives for several days. They spent some time in the Bill Tye home and also with her parents, Mr. and Mrs. W. O. Tye where a number of relatives gathered for a dinner Sunday. Others at the W. O. Tye home Sunday were Mr. and Mrs. Bill Tye and Jim, Mr. and Mrs. Jim Tye and family, and Mr. and Mrs. Fred Marble and children. Claude Lee Daniel who is a student at Tech College, Lubbock, spent Thursday night here with his aunt and uncle, Mr. and Mrs. C. W. Payne. Chambers is named for the French village of Cambrai.

Philosopher Gets Mad At Neighbor For Expecting His Tractor To Start On Time

Editor's note: The Floyd philosopher on his Johnson grass farm seems to be a little hot under the collar about something this week.

Dear editor: The other morning I had some important work to do and got up real early to get it at, but when I pushed the starter button the tractor wouldn't start.

My neighbor, who had agreed to come over and help me, was put out.

"Why didn't you check that tractor out yesterday?" he wanted to know. "I can't stand around here all morning."

"Now just a minute," I said. "Look at this." I pulled a copy of a newspaper out of my pocket and showed him an article about how much trouble the astronauts had getting off on their latest flight into space.

"Look," I bore down, "if those fellows, with 50 million dollars in expense money, all the brains you can hire, the best mechanics on earth, and all the scientific equipment there is, can turn up with a leak in the fuel line and have to postpone a flight, what's so outrageous about this tractor's not starting?"

The more I thought about it the madder I got and I told him to go on home and I'd do the work some other time. As he left he tripped over a loose board on the back steps and flung back over his shoulder, "You ought to fix those steps, too."

"Fix em yourself," I muttered to myself.

The trouble with some people is they don't read enough. Hasn't he been keeping up with the condition of the United States Capitol building in Washington? One whole side is about to fall down and they've got it propped up and board put overhead to keep bricks from falling on people going in from

that side. What sort of a neighbor have I got that expects me to have a better tractor than the Gemini Rocket and a better house than

the United States Capitol, the seat of government of the richest nation on earth? A man can do just so much, and people who are always ex-

pecting perfection would do well to look around and find out how little there is. Yours faithfully, J. A.

DOUGHERTY NEWS by Mrs. W. J. Ross

Community Club Supper Tonight

DOUGHERTY, Sept. 19 - The Community Club announces its first social meeting of the year for Thursday, Sept. 22, at 7:30 p.m. A salad supper will be served at the school cafeteria with a social hour to follow.

Mrs. Wayne Rainwater visited her parents at Ralls several times last week because of the illness of her father. At this time his condition is much improved.

Mrs. R. D. Holly continues in the hospital at Plainview but the latest report indicates she has passed the crisis and is slowly improving. The immediate family is at her bedside.

Mrs. Jimmy Powell and children of Plainview were weekend guests in the home of Mr. and Mrs. H. N. Powell.

Mr. and Mrs. G. W. Smith visited with the Holly family at the Plainview Hospital Sunday afternoon.

The many friends of Ronnie Smith will be interested to learn he has been inducted into the military service and is stationed at El Paso.

Mr. and Mrs. R. H. Crawford were Sunday afternoon guests in the W. J. Ross home.

Mr. and Mrs. J. G. Cage visited relatives in Lubbock over the weekend, and Sunday visited his sister, Mrs. Una Birmingham in the convalescent home in Hobbs, N. M.

Mr. and Mrs. Charley Ball and baby and Mr. and Mrs. Doyle Sandifur were Sunday dinner guests of Mr. and Mrs. Roy Finley.

Weekend guests of the Roy Finleys on Sept. 11 were the Finley's children, Mr. and Mrs. John Zalman and children of Snyder.

Mrs. J. E. Green and Mrs. J. B. Massingill of Phillips visited Sunday, Sept. 11th with Mrs. Charley Battey at the West Brynn Haven and later with Mrs. Joe Evers and Mrs. Orville Custer at their homes.

Mr. and Mrs. C. W. Denison were hosts to an 84 party Friday evening. Those present were Mr. and Mrs. Sam Lide, Mr. and Mrs. D. W. Burke, and Mr. and Mrs. W. A. Lovell, and the Denisons.

Mr. and Mrs. R. C. Ross were indisposed over the weekend. Mr. and Mrs. Hal Thomas visited Sunday afternoon in Lockney Hospital with Hal's sister, Mrs. Maud Brister. Sue Thomas visited up there today.

Mr. and Mrs. Al Huckabee of Stephenville came by the O. C. Vinsons Tuesday morning.

Mr. and Mrs. Melvin Lloyd and daughters were Sunday guests in the home of Mr. and Mrs. Bob Everett.

Mrs. Ruth Daniel attended homecoming at Memphis Sunday.

Mrs. Mattie A. Davis, sister of Mrs. C. A. Caffee passed away Sunday, Sept. 11 after being hospitalized approximately a year. She was 85 years of age, was a native of Johnson County and had resided in that county all her life. She was an agent and carrier for the Ft. Worth Star-Telegram for over twenty years. She was a member of the Baptist Church, the Rebekah Lodge and the Macca-bee Lodge.

She is survived by her sister, Mrs. C. A. Caffee, a son, Billy Davis, Ft. Worth, a step-daughter, Mrs. Iva Moore, Burleson,

two step-sons, Joe Breed, Levelland and Brentz Breed, Floydada and a number of nieces and nephews. Nephews served as pallbearers. Interment was in the Burleson Cemetery.

Among those from this area who attended the final rites for Mrs. Davis were Mrs. C. A. Caffee, Mrs. Ruth Daniel, W. S. Poole, Kenneth Poole and Mr. and Mrs. J. T. Poole.

C. A. Caffee visited in the home of his sister, Mrs. Mabel Raines, of Petrolia, while Mrs. Caffee was at Burleson. They returned home Sunday.

Among a group from our community enrolling in college for the fall semester are Ann McIntosh, Texas University, Jodie Campbell, Max Campbell, Wayne Cage, Bill Daniel, Tech, Berniece Emert, TCU, and Bill Ross of West Texas University.

Grade Schools To Hold TB Testing In November

The local organization of the West Texas Tuberculosis Association met in the PCA room Thursday afternoon for a planning program for the testing of school pupils in the first and seventh grades of public, parochial and private schools. The program will be conducted in every local school district in an effort to find all cases of active tuberculosis and to protect school children from infection. The local school board said the testing at Andrews Ward is now mandatory and is a part of the immunization.

Mrs. Ella Herrage, West Texas Tuberculosis director for the 23 county area, was present for the meeting and explained the procedures of testing to the group.

Others attending were Parnell Powell, chairman of the local organization, Mayor Leonard Matsler, school nurses Mrs. Wesley Carr and Mrs. L. B. Cozby Jr., Mrs. Hope Norman, Mrs. Glen Wood, Mrs. Fred Martin, publicity chairman; Mrs. Jack Jordan, secretary; Mrs. Max Dyess, Mrs. Dallas Ramsey, chairman of volunteer workers; Mrs. Charles Craig, Mrs. Jimmy Willson, Mrs. Peggy Medley, Mrs. Chloma Williams, Mrs. Bernie Parkey, Bob Copeland and Clarence Guffee, school representatives. Guffee is also Christmas Seal chairman for Floydada.

November 8th has been set for the skin tests in Andrews Ward School. Mrs. Carr and Mrs. Cozby will be in the South Plains School for skin tests the previous day, Nov. 7th. Lakeview School will handle their own tuberculin testing given there by a registered nurse.

The TB Mobile Unit will be set up in Floydada November 14 and 15 for X-ray testing of the general public. There is

no charge but donation for the x-rays are acceptable. The tests at schools will be the Heat test. Slips for permission of the tests will be sent home to each parent prior to the program date.

All school personnel were examined for tuberculosis prior to the start of school. School personnel employed after Sept. 1 for the remaining school year should have a pre-employment examination and certification of freedom from tuberculosis, Mrs. Herrage said. This examination is to be conducted within 120 days prior to Sept. 1, 1966 and within 120 days prior to September 1 of each year thereafter.

After tests are read for each individual, positive tuberculin reactors will need the report of an x-ray and those having suspicious x-ray findings will need additional examination by their physician, who will decide whether or not a certificate of freedom from active tuberculosis can be issued. The same procedures are normally used for the school child who is with suspicious findings, according to the TB director.

Santa Fe Lowers Passenger Rate

Reductions averaging about 20 percent will be made in round trip passenger fares by Santa Fe Railway during the off-season from September 15, 1966, through May 15, 1967. Tickets sold under the bargain fares will be good on all trains every day of the week, and will be available between most points on the railroad. Such tickets will have a 30-day return limit. This marks the

Highway Patrol Investigated Six Floyd County Accidents

The Texas Highway Patrol investigated 6 accidents on rural highways in Floyd County during the month of August, according to Sergeant Thurman Keffer, Highway Patrol Supervisor of this area.

These crashed resulted in 2 persons injured, and an estimated property damage of \$2,165.00.

The rural traffic accident summary for this county during the first eight months of 1966 shows a total of 43 accidents resulting in 4 persons killed, 41 persons injured, and

an estimated property damage of \$25,660.00.

September first marked the beginning of the 1967 motor vehicle inspection period. As in previous years, the period will end on April 15, 1967. Motorists are urged to have their vehicles inspected in the routine visits to garages and thereby eliminate the necessity of having to wait in line at a later date for an inspection sticker.

The Sergeant stated, "With the hard summer driving coming to an end, fall is an excellent time to have vehicles safety checked for the winter months ahead."

SS Beginners Class Plans Parents Night

Parent's Night for the Beginner's Sunday School class of the First Baptist Church will be held in the chapel of the church Monday night, September 26, at 8 o'clock.

All parents with children in the class are cordially invited to attend. Dr. Mary Bubliss, child psychiatrist of Plainview, will be guest speaker.

Purpose of the meeting is to acquaint parents what to expect from a four and five year old child and what Sunday School can offer the child.

Refreshments will be served at the close of the program by workers from Beginners Class I and II.

fourth consecutive season that Santa Fe has made bargain fares available.

For example, the old round trip rates compared with the new bargain round trip coach rates in representative cities on the road's Western Lines are:

Amarillo - Chicago, \$55.50, \$43.20; Lubbock - Los Angeles, \$73.15, \$51.45; Lubbock - Houston, \$30.10, \$23.40; Lubbock - Dallas, \$21.45, \$16.65; Clovis - Los Angeles, \$67.58, \$47.35; Albuquerque - Los Angeles, \$48.70, \$37.85; Albuquerque - Chicago, \$73.80, \$57.40.

CENTER NEWS

CENTER, Sept. 19 - More rain Friday, a clear beautiful Sunday, and today is "cloudy and dreary." A nice day for driving - makes us want to take off somewhere.

Mr. and Mrs. Leo Frizzell, Mrs. W. M. Jackson, Mr. and Mrs. A. E. Frizzell and also the Garvin Beedys of South Plains spent the weekend in Oklahoma attending their annual Carpenter Reunion at Lake Altus. In spite of rain, except on Sunday, which was sunny, there were about 50 present, and all had a good time. Lots of good food, fun and fellowship. They returned home Sunday p.m.

The Thomas Warrens, Mrs. Charley Battey, Mr. and Mrs. Fred Battey and Mrs. Ola Warren were Sunday dinner guests of the Bob Alldredges, southeast of town. Others coming in the afternoon were Mr. and Mrs. Julian Edmondson of Phillips.

Mr. and Mrs. R. C. Ross were indisposed over the weekend. Mr. and Mrs. Hal Thomas visited Sunday afternoon in Lockney Hospital with Hal's sister, Mrs. Maud Brister. Sue Thomas visited up there today.

Mr. and Mrs. Al Huckabee of Stephenville came by the O. C. Vinsons Tuesday morning.

Big travel bargains are back on the Santa Fe!

What's the gimmick?

Simple. It's the off-season. From September 15th through May 15th, you can save up to 20% (sometimes even more) on round-trip rail fare.

First class or coach, either way it's a travel bargain. And not just on special days, but any day of the week. Your return ticket is good for 30 days—on any Santa Fe train. There's no tax on Santa Fe tickets.

So you see, there's really no gimmick. Just savings. This time, why not take a vacation on the way? Travel Santa Fe. And save.

Ask your local Santa Fe agent for full details on Bargain Fares—and other Santa Fe travel bargains.

SOUTH PLAINS NEWS by Mrs. Murray Julian

Flood At South Plains

SOUTH PLAINS, Sept. 19 — The main news in our area is the heavy rain which began falling Wednesday night, and Saturday we had a regular flood. All the rural roads have been muddy bogs, and people have been hard put to get out to school, and all farm work is at a standstill. Sunday's sunshined was beautiful, but this Monday fog enshrouded the community, and the ground is heavy with dew. Around four inches of rain has fallen in the last series of rain storms.

Rev. Gene Hawkins and Sydney Williams closed out a week of revival services at the Baptist Church Sunday, and Williams went on to Enoch to start another meeting Sunday night. The preaching by Rev. Hawkins was inspirational, and Dr. Fred Howard was with the church for many of the meetings. Visitors during the week included Mr. and Mrs. Les Ferguson of Lockney, Mr. and Mrs. W. B. Cates of Floydada, Rev. and Mrs. Hollis Shewmake of Plainview, and the family of Dr. Howard. The inclement weather cut down on attendance as people just could not get out on the rural roads.

Mr. and Mrs. Arby Mulder took their daughter, Kathy to Amarillo Sunday where she will begin classes this Monday at Amarillo Junior College. Kathy has been going back and forth the past week, getting settled in her new surroundings. The Mulders visited for several hours with his aunt, Mrs. Nell McGuffey at Northwest Texas Hospital, to relieve Mrs. Alton Noland and sister, Mrs. Winona Billington of Amarillo who sit at their mother's bedside continually. Mrs. McGuffey's condition is very critical. The Mulders also visited their cousin, Mrs. Bell Head, who is from Dallas, and whom Arby had not seen for thirty years.

Nathan Mulder began his studies at Wayland Baptist College this Monday. He will go every day until noon, and he hopes to finish this year, as he is a senior at Wayland. Nathan will drive back and forth. Tuesday afternoon, Sept. 14, the Baptist W.M.U. ladies and husbands, the evangelistic team, and guests enjoyed lunch at the Fellowship Hall in the Baptist Church. At 1:00 p.m. with Mrs. L. T. Wood presiding at the meeting and Mrs. Bob Reeves, prayer chairman leading, the group met for the Mary Hill Davis Week of Prayer program, with theme, "By Faith Committed." This means, send with teaching, preaching, serving. Mrs. Hawkins of Lockney gave the calendar of prayer, and Mmes. L. T. Wood, M. M. Julian, Bryan Karr, Fred Fortenberry, John Kinnibrugh, and Roy Burks were the program. Guests from the Lockney Baptist Church were Mrs. Gene Hawkins, Mrs. Thomas Marr and Mrs. Weldon Smith. Attending from here were Mmes. Bob Reeves, Murray Julian, Tom Maurer, L. T. Wood, Tillman Powell, Roy Burks, Fred Fortenberry, Bryan Karr, L. N. Johnson, John Kinnibrugh, and Mrs. Nathan Mulder was pianist. All the group enjoyed a delicious dinner at noon. The Mary Hill Davis offering will be taken at the Baptist Church this month.

Jimmy Upton left Sunday for Denton to begin his college studies, and he will be a sophomore at North Texas State at Denton.

While Jimmy Upton was home with his folks, the Raymond Uptons, Jimmy and Miss Vicki Johnson of Floydada, the Raymond Uptons, Mr. and Mrs. Lewis Blum of Floydada, and Mr. and Mrs. Ronnie Upton and children of Amarillo went to Boys Ranch Sunday, where they took a picnic lunch. They enjoyed the rodeo there at the Ranch, and all came back through Palo Duro, and went to see the play, "Texas," during the last performances there, and enjoyed it very much.

Jimmy Pritchett, who has spent most of the summer in Colorado Springs, Colo., was home several days of last week with his parents, Mr. and Mrs. E. P. Pritchett. He then left Friday to enroll at West Texas at Canyon, where he will be a senior this year.

Mr. and Mrs. Don Marble entertained a group of girls last Friday night in honor of their daughter, Donette's ninth birthday. The youngsters came home with Donette to have a slumber party, where they all enjoyed chocolate birthday cake. Girls who spent the night were Janet and Natalie Cummings, Bekki McCormick, all of Lockney, and Pam and Cam Hammonds.

Mrs. Maud Bristell fell and broke her hip two Sundays ago, and is getting along as well as possible at the Lockney Hospital. Many from our area have been to visit her, and found her in good spirits. It will be eleven months before she will be able to walk, she reported.

Mrs. L. T. Wood, Mrs. J. P. Taylor and Mrs. Bryant Higginbotham have been working hard the past days on material for the Floyd County Fair which

will be held this week at Lockney on September 22, 23, and 24. It is hoped the 13th Annual County Fair will be the biggest and best of all. Ladies, get all your cherished canned goods out, and all the lovely things you have made and take them to the exhibits, so that everyone can enjoy them.

Those who offered hospitality to the visiting evangelist, Gene Hawkins, singer, Sydney Williams and Dr. Fred Howard last week were Mmes. Grigsby

Milton, Nathan and Arby Mulder, L. T. Wood, Sylvain Kinnibrugh, Bryan Karr, M. M. Julian, Kendis Julian, J. Ronald Taylor, Sterling Cummings, L. N. Johnson and Shelby Calahan. With the hard rains during the week it was hard for the teams to get to the different homes, and Saturday night Mrs. Cummings served the group at the Baptist Church, as did Mrs. L. N. Johnson Sunday noon. Mr. and Mrs. Wilbur Wright of the Peace Corps, from Lub-

bock, came Saturday night to spend the night and Sunday here in South Plains, studying conditions and entering into the revival services, etc. at the Baptist Church. The young couple are from Maryland, but will be enroute to Costa Rica, South America, when their studies at Texas Tech are finished. They spent Saturday night with Mr. and Mrs. L. N. Johnson here.

Mr. and Mrs. Raymond Upton left this Sunday for El Paso where they will spend the coming week visiting with their daughter, Mr. and Mrs. Karl Craig and girls. Mrs. Harry Hartman is in the US Post Office here at Uptons Grocery and Mrs. Ursel Taylor is in the store while the Uptons are away. Mr. and Mrs. Alvin Nichols

went to Sweetwater the past weekend, to visit their daughter, Mr. and Mrs. Glen Whitfill and the Cindy. The occasion was the birthday Sunday of Mrs. Whitfill. The group also visited Alvin's brother, Mr. and Mrs. Mark Nichols and family in Sweetwater. They report a big rain in Roscoe and Sweetwater Saturday night.

We offer our sympathy to Mr. and Mrs. Reece Hightower and family in the passing of his mother, Mrs. Ollie Hightower, 61 of Memphis. Funeral services were held at Memphis in the Baptist Church Sunday afternoon at 4:00 with several from here attending the services, including Mr. and Mrs. L. N. Johnson, Mrs. Bryant Higginbotham, Bob Reeves and Sim Reeves.

Miss Beth Calahan leaves this Tuesday to continue her studies at Texas Tech in Lubbock. She has been home with her parents, the Shelby Calahans this summer.

Mrs. J. P. Taylor spent Tuesday in Lubbock at the Methodist Hospital with her brother, Bob Merrell of Lone Star, but he is doing much better at this time.

Mr. and Mrs. Bruce Julian will begin classes at West Texas in Canyon this Monday, where Bruce will be a senior and Janet will be a sophomore.

The children of Mrs. R. L. Holland were present Sunday at the home of the Don Marbles as Mrs. Don Marble served birthday dinner in honor of her mother, Mrs. Holland. Present were Mr. and Mrs.

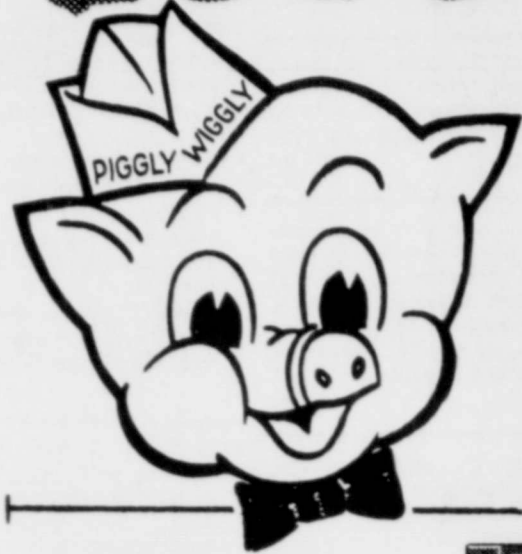

Robert Holland of Lubbock, and Mr. and Mrs. R. L. Holland of Lockney. The group recently went through Baldrige Bakery in Lubbock where Robert works, and they enjoyed seeing bread, etc. made untouched by human hands. Robert attends Texas Tech in Lubbock.

Mrs. Mangum Funeral Held

Funeral rites were conducted in Lockney Friday for Mrs. Ocie Estelle Mangum, 85, who died early Wednesday morning of last week in Lockney General Hospital. Mrs. Mangum was a resident of Lubbock at the time of her death but had

formerly made Lockney, she is the daughter of the late 8th. Mrs. Mangum was born in Lockney six years ago. Survivors include her husband, Mr. Paul E. Mangum and E. Wade Mangum, one brother and eight grandchildren, one great grandchild.
