Oppose 5 Amendments Vote Turn Out Light

A light voter turn out in Floyd County revealed a majority of the voters favored returning Senator John Tower to Washington over Texas Attorney General Waggoner Carr 1169 to 802.

About 1800 of the 3800 qualified voters in the county turned out for the election.

Floyd County voters did not go along with the state in approving or disapproving the 16 amendments to the state constitution,

Almost complete state returns showed the state's voters approved all of the amendments except number four (increase conservation district officers' terms). Floyd voters approved all but five of the amendments.

Floyd County voters voted as follows on the amendments: 1. Tax on farm land; approv-

ed 997, against 486. 2. Airport authorities: approved 707, against 738.

3. Arlington State College: approved 680, against 704. 4. Conservation directors:

approved 589, against 769. 5. County employe retirement: approved 601, against

831 6. State aid for employe survivors: approved 1053, against

446. 7. Poll tax repeal: approved, 772, against 753.

8. Qualifications for voting:

approved 856, against 595. 9. Larger appeals court: approved 800, against 588.

10. School bonds: approved 801, against 594.

11. Water bonds: approved 1110, against 400. 12. Hospital districts: ap-

proved 813, against 602. 13. County governments: approved 649, against 724.

14. Armed forces voting: approved 1291, against 238.

15. Aid to handicapped: approved 1106, against 366.

16. New legislators' induction: approved 1026, against 321.

While Floyd voters were favoring a Republican U.S. Senator the rest of the nation was favoring other Republicans and there may be a gain of as many as 50 seats in Congress by Republicans.

Floyd voters joined the rest of the state in favoring all Democrats for Governor, Lt. Governor, Attorney General, Agricultural Commissioner, Land Commissioner, Comptroller, Treasurer and Railroad Commissioner.

Democrats were uncontested in the county election and Congressman George Majon also had no opponent.

A box by box chart illustrating the vote of the county is printed on page two of this section for the reader's information.

Congressman Mahon To Visit In Floydada

Congressman George Mahon has scheduled a meeting in Floydada at 2:00 p.m., November 16. All interested persons are invited to attend.

Mahon said that he was coming to the county for the purpose of getting a first-hand report on local problems and conditions. He wants to learn all he can about the needs of the people, getting their views as to what government actions they favor in regard to problems generally. Heisespecial-ly interested in the views of farmers and businessmen as to the agricultural situation and actions which may be required.

Mahon said he plans to make a brief report and then open the meeting up for general discussion of problems and issues. After the meeting, Mahon said he will be free to talk to individual citizens in regard to individual problems. The meeting will be held at The District Courtroom of the Courthouse. Congressman Mahon will speak to the Rotary Club at noon Wednesday. Mr. Mahon has been Congressman for this district for the past 32 years and has served as chairman of the house appropriations committee.

Whirlwinds	Play	Last	Game	Of
Season At	Home	With	Dimm	itt

The Floydada Whirlwinds wind up the ten game season here at Wester Field tomorrow night as they face the tough Dimmitt Bobcats. The game begins at 7:30.

CLAUDE ESTES **Estes New School** Tax Assessor Collector

It was announced at press time Wednesday that the Floydada school board has employed Claude Estes as tax assessorcollector and business mana-

ger. He succeeds David Eaton, who resigned to take a similar position with the Dumas school

system. Estes is owner-manager of drive in theatres at Floydada and Lockney, a former man-ager of Panhandle Compress

here. He has been active in civic affairs of this community and is certified lay speaker for the Methodist Church. He SEE ESTES, PAGE 2

Both teams go into the game with a 4-2 district record. . . each team has a chance to stay in second place. . . . and if Friona should beat Memphis a chance for tie of first place. Dimmitt squeaked by Olton last week 7 to 0, while Floydada

took Lockney 21-0. Dimmitt is rated by many as the best team in the district. "They're big, strong and fast," said coach Bill Curry.

The Bobcats have allowed opponents only 27 points in the first six district games, and Curry said injuries to Dimmitt's starting quarterback and fullback had contributed to the Bobcat's early season losses. The Bobcats dropped their

first two district games by a total of eight points, losing to Hale Center, 7-6 and dropping an encounter with Memphis 7-0. But since then the Bobcat

team has trounced Lockney 26-7, walloped Friona 35-6 coasted by Abernathy 19-0 and last week's Olton victory 7-0.

Two senior lettermen seem to be the big worries for the Floydada offensive unit. Mike Bruegel, a 200-pound-plus standout, and John Howell, a 190-pound Bobcat, both have given opponents nightmares this year.

Also a 170-pound sophomore halfback, David Land, appears to be the Bobcats big threat on the offensive unit.

Defensive standouts in the Olton battle included Bruegel, Stanley Byrnes and Rodney Hotto. Quarterback Beell Goodwin made the touchdown and Ronnie Kenmore booted the extra point. FLOYDADA

While Dimmitt has the best record in the district on holding its opponents to only 27 points Floydada leads the district with most points scored, 99 points. Floydada came through the Lockney battle last week with very few injuries and should be in good shape for the Dimmitt game.

SEE FOOTBALL PAGE 2

Pancake Supper To Benefit Baseball Assn.

The Floydada Baseball Association will sponsor an Aunt Jemima Pancake supper at the Junior High Cafeteria tomorrow night before the Floydada-Dimmitt game

Proceeds of the supper go to the Baseball Association fund and the Floydada Lions Club will be assisting in the project. Boy Scouts are selling tickets for \$1.00 each for adults and 50¢ for students. Tickets may also be purchased at the door.

Aunt Jemima pancakes, sausage or bacon, milk or coffee and all the trimmings will be included in the supper. Everyone is urged to bring the entire family to eat supper with the **Baseball Association and Lions** Club.

Doors open at 4 p.m. . . if you don't want to wait in line, . . . make your plans to be there early. The pancake supper will be served up to kickoff time, 7:30.

City Attorney Resigns; Moving To Seminole

City attorney Joe McGill submitted his resignation to the city council at its regular monthly meeting Tuesday night, He will open offices in Seminole, Texas and will move within a month.

No plans have been made for securing a successor to Mc-Gill,

In other business the council okayed the letting of paving for the block on the south side of Della Plains school ... after completion of all necessary legal work.

James Lackey met with the council in regard to a TV cable franchise and his request was tabled for further study.

The council approved installation of culvert at Childers and Third Street in order to give better drainage to the east side of third street.

The council agreed to the purchase of electric line by Southwestern Public Service of a line on the NE city limits at the Fawver farm.

The council okayed the gift of a ton and a half surplus

> GETTING IN PRACTICE! - Fred Cardinal and Bill Cagle, members of the Floydada Baseball Association get in a little practice in preparation of the Aunt Jemima Pancake supper at the Jr. High Cafeteria tomorrow night. (Staff Photo)

the government.

The council gave city manager Bill Feuerbacher the go ahead sign on hot topping eighth street by the new grade school at an extra cost of \$732.50. This means that the city won't have to wait until next spring on the paving. It is thought that this topping job can be done early next month when the airport topping job is done.

The council met with Doodle Milton and members of the airport commission and discussed possibilities of Milton's management of the airport and building of hangars to be offered for rent.

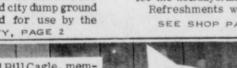

The council is setting the teeth of the dog ordinance for enforcement, so the public is hereby warned to get the dogs in off the street...or else they'll be picked up by the city dog catcher.

Mackenzie Group Tours Filtering Plant Lake

Mackenzie Municipal Water Authority President Lon Davis of Floydada called the regular meeting of the Authority at 2:00 p.m. Monday at the White River Authority Plant southeast of Crosbyton. The group met with Al O'Brien, engineer for the White River Authority, and the chief operator, Willard Davis, who showed the Mackenzie group through the filerting plant and later took them on a tour of the lake and damsite.

The White River officials made recommendations to the Mackenzie group based on their experience in constructing and drop before making their aerial putting into operation their

plant. It is hoped that by making certain changes in the plans which were used by the White River Authority, the Mackenzie Authority can construct a more efficient water filtration plant. The White River representatives said they are proud of their plant, but that it could be improved on. After the tour, Davis called a

business meeting and the engineering reports were reviewed. The Authority is still awaiting further information from the engineering team, which has been waiting for the foliage to photos

The Authority decided to meet in Clarendon for a tour of the Greenbelt Water Authority, now under construction, and President Davis is to advise the members the date of the meeting.

Attending the meeting Monday were Davis, S. W. Ross, Floydada; O. C. Bailey, Tom Moore, Lockney; Jim Tom Nichols, John Ziegler, Authority Attorney Don Bookout, and Chamber of Commerce Mana-ger Donald Crocker; Milton Dudley, Charles Whitfill and Charles Sarchet, Silverton.

I WANT TO welcome Congressman George Mahon to Floydada on Wednesday of next week. A story about his planned visit appears on this page, and if you want to visit with Mr. Mahon while he is here, he of course will be glad to see you.

I had the privilege of introducing him to the Lions Club luncheon last year when he visited Floydada and I always enjoy chatting with this very outstanding West Texan and U.S. Congressman.

The Floydada Rotary Club will be honored with his presence at noon Wednesday. Our best wishes and welcome, Mr. Mahon!

Funeral rites for a Floyd | Tommy Trotter, Zoal Cody, County teenager, Marshall Vin-Billy Harrell and Delton Dan-

son Vick, 18 year old son of iels. Mr. and Mrs. Walter J. Vick of the Sandhill Community, were conducted Sunday afternoon in the Bethel Baptist Church in Ralls.

The youth was killed in an automobile accident Friday night northeast of Ralls, which also injured three companions, one of whom is his sister who was seriously injured. She was admitted to Crosbyton Hospital for treament of severe cuts and bruises and a possible broken pelvis. Charles Ray David, 16 of Childress, identified by officers as the driof the car, and Terry ver Gail Cork, 14, also of Floydada, were treated at the Crosbyton Hospital and released. Investigating officers said the car was headed west on a dirt road and failed to negotiate a curve.

Vick was a former resident of Ralls before moving to the Floydada area with his parents. Survivors include his parents; maternal grandparents, Mr. and Mrs. Frank James of Ralls; paternal grandmother, Mrs. Annie Vick of Houston; brothers, Jimmy of Ralls, three James of Lovington, N. Mex., and Ernest of Floydada; five sisters, Margaret of Hereford, Mrs. Mildred Owens of Abilene, Mrs. Wanda Sue Barber of Lockney, Janet and Rose Mary of the home.

FLOYD DATA

After living in Floyd County for 20 years the Marion Tucker family has moved to Amarillo. Tucker, who was a farmer is entering the real estate brokerage business and will also do some real estate appraisal work.

for Mrs. Savage, who is expected to be dismissed from the hospital by that time.

"TEXAS Across The River" is the kind of film you've been begging for. . . . the general audience picture which entertains in light-hearted fashion. While it has a western setting and Indians on the war-path, the plot is so ingeniously constructed that they are tuned into fun-loving humans, sparked by Joey Bishop as the Indian side-kick of Texas Dean Martin whose romantic overtures to southern belle, Rosemary Forsyth, brings hearty laughs to all.

Good farce is hard to come by, and spoofing one thing and another has become commonplace, but this is spoofing done on the grand scale, yet with a light touch,

"Texas Across The River" shows Sunday-Monday-and Tuesday at the Palace Theatre.

To Rotary State Senator Jack Hightower was the featured speaker at the Floydada Rotary Club luncheon yesterday.

He spoke on the state's constitution and expressed the opinion that it may be a better plan to rewrite the constitution instead of continuing to bring so many constitutional amendments to the people for change.

He expressed his pleasure in being invited to Floydada and asked that everyone lot him know the needs of this area and he would do his best to be of service.

He was introduced by Rotarian Jimmy Willson.

Special Service Sunday Morning

At Nazarene

Rev. Norman G. Culbertson of El Segundo, California will present special music and speak in the morning service Sunday, November 13th at the Church of the Nazarene. Rev. Culbertson is the pastor of the El Segundo, California, Church of the Nazarene where he has been doing outstanding work leading the church forward in new growth. His ability in piaying the piano is very special and all who enjoy piano music will receive a blessing in attending this service.

Rev. Culbertson is also a professional architect and was working in this profession before his conversion a few years ago. He will be here visiting his daughters, Mrs. Jim McGaugh and Miss Marlyse Culbertson.

FYR Hold

Bonfire Rally Floydada Young Republicans

met in front of the fire station Monday for a bonfire to celebrate a "Re-elect Tower" rally. The bonfire began at 7:30 p.m. and continued for twenty minutes. Brief speeches were given by members, Alice Myrick, James Williams and by the presiding officer, Jeanne Brewer.

Following the talks a large number present boarded a truck donated by Elaine and Edwin Warren earlier in the day which was also used for a tour about town to encourage voters.

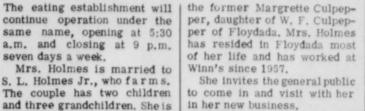

Announcement is made this week that Margrette Holmes has taken over operation of Winn's Restaurant in Floydada.

Saturday Is Poppy Day

Saturday is "Poppy Day" in Floydada and members of the VFW, representing the local post 5616 will be walking the streets selling the Poppies. Everyone is urged to help this cause.

TB MOBILE UNIT-in Floydada 9 a.m. until noon. Go out and be November 14th and 15th from x-rayed.

TB Mobil Unit Here Next Week

The tuberculosis testing in | for close associates of positive Floydada schools is completed. The Was. Te is Tuberculosis mobile v-rev unit will be in Floydada all day Monday, November 14th and Tuesday, November 15th from 9 a.m. until 12 noon. The unit will be parked near the court house square in down town Floydada.

The procedure is painless and a token of \$1 is being requested to help pay operation costs. However, those unable to contribute are urged to have their chest x-rays regardless. Children under the age of 12 are not to be x-rayed. Even tho

persons have had a chest xray as recently as three months ago, or last year; it is important to have another made at this time. It is especially important skin test reactors to be x-rayed.

The West Texas Tuberculosis Association will furnish a technician with the mobile unit and x-rays are to be read by a radiologist or chest specialist.

Persons with negative film will receive a card and those with some form of abnormality will receive a letter indicating such. A letter will also be sent their personal physician advising him of the readings.

Local volunteer workers will assist with numbering and dating cards.

All persons are urged to have an x-ray and make Floydada a community that is very concerned about TB in our area.

That by virtue of a certain order of sale issued out of the Honorable District Court of Floyd County, Texas on the 9th day of November, 1966, under a judgment rendered against People's Hospital in favor of National Farmers Union Property and Casualty Company for the sum of \$18,824.38; in favor of J. M. Harrison for \$4,-070.03; in favor of Claud Fawver for \$1,413.14; in favor of Joe Robertson for \$2,775.02; in favor of W. Edd Brown for \$1,413.14; in favor of John Key West, independent executor of the will and estate of John L. West, deceased, for \$978.64; in favor of J. M. Willson for \$5,550,05 and in favor of Anton Pinter for \$924.96, together with interest on all of said amounts in favor of the party recovering judgment in the sum of 6% per annum from June 1, 1961, and together with all costs of suit, as provided in the judgment, in a certain Cause No. 4490 in said court styled National Farmers Union Property and Casualty Company vs. People's Hospital et al, which order of sale has been placed

NOTICE IS HEREBY GIVEN in my hands for service, I, Walter Hollums, as sheriff of Floyd County, Texas, did on the 9th day of November, 1966 levy on certain real estate situated in Floyd County, Texas described as follows, to-wit: All of Block 6, in Baker Heights Addition to the Town of Floydada (Floyd City), in Floyd County, Texas, as shown by Plat of such Addition of record in Vol. 30, page 242, Deed Records of Floyd County, Texas; and levied upon as the property of People's Hospital and that on the first Tuesday in December, 1966, the same being the 6th day of said month, at the Courthouse door of Floyd County, Texas, in the City of Floydada, Texas, between the hours of 10 A.M. and 4 P.M., by virtue of said levy and said judgment and order of sale, I will sell said above described real estate at public vendue, for cash, to the highest bidder, as the property of said People's Hospital.

And in compliance with law, give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding

The 1966 Lighthouse Electric Minutemen met in the Lighthouse Kitchen on November 1 for the regular bi-monthly meeting.

Anne Conner of Plainview and Jerry Bigham of Lockney presented a program of slides taken while they were on the Government-in-Action Youth Tour to Washington, D. C. last June.

The boys and girls making the trip stopped at various places of interest enroute to Washington as well as visiting our Capitol and seeing our Government at work

Anne and Jerry have a very colorful and interesting slide program and are available for all clubs, civic organizations, etc. Anyone interested in this program can contact Anne or Jerry, Alton Higginbotham or me at the Lighthouse.

.... Have you heard "So many shopping days until Christmas" on radio and television lately? It does remind you that the Holiday season is fast approaching and there are several other housewares are exciting to receive as to give as gifts. And the whole family will enjoy the benefits - GOOD FOOD.

Wylie Rogers is back at work this week after spending several days in the Lockney Hospital with the flu.

Mr. and Mrs. Grady Freeman helped their daughter and son-in-law, Mr. and Mrs. Gene Webb of Sweetwater, celebrate their 16th Wedding Anniversary this past week-end.

J. B. Terrell and K. L. Gregory spent a few days vacation fishing at Lake Stamford last week. They reported that the fishing was good the they caught several channel cat and bass.

Mr. and Mrs. Ed Pollan and Jerry visited in Brownfield Saturday with Mr. and Mrs. Gary Jones

Mr. and Mrs. Melvin Henry, Mr. and Mrs. Odell Breed, and Mr. and Mrs. Henry Scarborough attended a meeting of the Region 10 of National Rural Electric Cooperatives Asso-

CENTER NEWS

CENTER, Nov. 7 - We had two good sermons Sunday at Calvary Baptist by Pastor Row. But many of our flock were sick, or out of town.

Mr. and Mrs. Wiley Rogers are home again after several days in Lockney Hospital. Mrs. Davis is in East Texas

with a son, Don, whose wife is in the hospital. Mrs. Wexler is in Houston with a daughter and family. Mrs. Plumlee left Friday for

California to visit a son and family. Miss Nelson has been i11.

Frank Dunn visited Mrs. Mrs. Roy Meek Thursday and Mrs. J. D. Welborn Saturday evening. Mr. and Mrs. Charley Ball

and baby spent Sunday with her grandparents, Mr. and Mrs. Roe Jones, City, Mr. and Mrs. R. C. Rossare recovering from colds they had

last week. Ab Vinson of Plainview visited Mr. and Mrs. O. C. Vinson Friday p.m. The Vinsons visit-

ed the Jess Richardsons Saturday afternoon. Joyce Warren has been ill and out of school for several days

with evidently a virus. Mr. and Mrs. Elmer Sellers visited the Doyle Sandifurs Sunday evening.

Doyle had the misfortune one day last week to get his hand painfully injured by a combine fan.

Mr. and Mrs. C. W. Denison returned home this Monday from a weekend Denison family reunion at Midland. It was held in the home of Dr. Dallas Denison, and all the Denison brothers and sisters

the four from Anton, Oklahoma | HUSBAND OF EFFIE City, Wichita Falls and New Or-WILSON KILLER DIES leans. It was a happy occasion.

Later Sunday afternoon the Greens returned home to find Mr. and Mrs. Zolan Melton of Coleman who had just arrived and had another good hour visiting these cousins. Guests in the home of Mr. City. and Mrs. Elbert Parks Tuesday were Mrs. Billy Woody and were preparing to leave Oklatwo friends from Houston, and homa at the time of his death. Mr. and Mrs. Charley Smart of Mrs. Killer was driving and Plainview. Sunday guests were was being accompanied by her Mr. and Mrs. Herman Chastain

and Mr. and Mrs. Gary Hancock and son Tristain of Lorenzo. Also Mr. and Mrs. H. B. Chashad left the city limits. tain Jr. of near Ralls were guests. Mr. and Mrs. Leo Frizzell dined Sunday with their daughfamily plot.

people on our lists that we need to buy or want to buy for. As you think about these things, think electrically! Perhaps you ask "Why buy an electric gift - just because it's electric?

"No! Because it is better!" Upon hearing about many new electric items, such as the toothbrush, carving knife, and frying pan, many people ex-claimed, "Really!" and dismissed them as gimmicks. But anyone who uses these electric convenience products quickly realizes that they are not gimmicks, but useful, modern pieces of electric equipment specifically designed to help you in the most modern way.

Take the electric toothbrush. Its action duplicates that recommended by leading dental authorities for the proper brushing of your teeth. Most people find the recommended brushing movement difficult to perform by hand, consequently most of us do not brush our teeth properly. But the electric toothbrush helps us do it right every day. Models with different brush heads are available for the whole family at low prices.

Is there anything so simple as slicing meat? Well, think about the difficult and greasy mess many people have carving a roast or turkey. The knife slips, the meat slips, slices are uneven, and at a dinner table, accidents can be embarrassing. The electric carving knife does away with such problems, slicing easily, neatly, and uniformly. It does the job quickly, too.

But, why on earth an electric frying pan? Don't we have electric ranges and ovens to cook with? The electric frying pan is an auxilliary piece of equipment or for small, quick meals, it can be the main piece of cooking equipment. Women who use it say that the highly accurate thermostatic control units offer perfect heat distribution that assures all cooks that they will get perfect results from highly prized recipes, whether it be for savory hamburgers or a special cheesecake (that's right, bake cheesecake in an electric frying pan). The amateur chef as well as the expert can produce mealtime masterpieces.

Many electric frying pans feature temperature controls built right into the handles allowing you to immerse the entire unit into water for easier cleaning.

Certainly, these and many

were present. Most of them, ciation in Tucson, Arizona from Tuesday through Saturday of last week. Mrs. Edd James and Debra

of Roaring Springs and Mr. and Mrs. J. D. Spray of Matador visited Mr. and Mrs. Bill Phillips and children during the week-end.

FAIRVIEW NEWS

FAIRVIEW, Nov. 7 - Mr. and Mrs. Preston Bullard of Portales, New Mexico were here over the weekend. They spent Saturday night and Sunday with Mrs. Kate Crabtree and went to church with her Sunday morning, J. C. Bullard was also a Sunday dinner guest of Mrs. Crabtree. All went to Ralls in the afternoon to visit their mother, Mrs. G. M. Bullard.

Mr. and Mrs. Cecil Payne visited Saturday night with Carl Yeokum who came home Friday from Methodist Hospital after being a patient there for several days. Mrs. Yeokum is in University Hospital in Lubbock at this time for tests. Mrs. Walton Wilson went to Plainview Tuesday where she

visited Mrs. M. O. Stapleton and Mrs. L. A. Horton. Mr. and Mrs. E. R. Walls of

Plainview visited Sunday afternoon with Mr. and Mrs. E.W. Walls.

Mona Dell Wise went to Ralls Sunday afternoon where she attended funeral services for the Vick youth who was killed in a car accident last week.

Mr. and Mrs. Cecil Payne returned home Thursday from Stamford Lake where they had been for some 10 days. They went back to the lake Monday (today) for another week's stay. Mrs. Kate Crabtree spent Monday with the Kay Crabtree

family, helping out while Becky is sick with a virus. S. K. Porter of Lubbock, brother-in-law of C. H. Wise, visited in the Wise home Sun-

day afternoon. Mrs. J. L. Day was a Sunday afternoon visitor of Mrs. C. H. Wise and Mrs. Ella Lawhon.

Mr. and Mrs. R. C. Clem and Cathy of Roaring Springs were Sunday night supper guests of Mr. and Mrs. Galen Holland. Mr. and Mrs. A. S. Mize

visited in Lockney Saturday night with Mr. and Mrs. Jinks Taylor. Charles Denton Wise spent

Sunday afternoon visiting with his grandmother, Mrs. C. O. Wise at Westbrynn Manor. Mrs. Ruey Irwin and Mrs.

Mrs. W. B. Wilson.

also nephews and nieces and in-laws, were from Texas, but some from Arkansas, California and New Mexico. Around 40 people were present. The J. E. Greens and also Mrs. Victor Green of Plain-

view, made a tripto Borger and Phillips last Tuesday to see Mrs. Green's stepmother, Mrs. K. J. Matthews, and sisters, Mrs. Bill Coggin, Mrs. J. B. Massingill and Mrs. Ruby Stone. All were fine and we had a pleasant visit.

Friday evening the Greens, the Fred Batteys and Mrs. Ola Warren visited Mrs. Kate Crabtree in south Floydada. Mrs. Green called on Mrs. Joe Evers and Mrs. Orville Custer this Monday morning, and Mrs. Charley Battey in the afternoon, and Thursday.

The Greens visited at the Henry Brewer home northeast of Lakeview Sunday afternoon. They were having a Brewer-Foreman reunion of the Brewer's children and families, mostly of Mt. Blanco and Lubbock, and one son from Celeste. Also of Mrs. Brewer's brothers, the Foremans, and wive,

Carl Nelson talked by phone Sunday night with George Burgett in Washington, D.C. and Troy Lee Johnston at Brunswick, Maine. George is the son of Mrs. Irwin and Troy Lee is the son of Mrs. Nelson. Both families were doing fine. Mr. and Mrs. Lee Pearson

visited Tuesday night with Mr. and Mrs. A. S. Mize. Mrs. Carl Nelson and daugh-

ters, Mrs. Shirley Carthel and Carla Nelson and Mrs. Ruey Irwin were in Plainview and Lockney Saturday. Mrs. Jewell Teague went to

Plainview Tuesday afternoon. Mrs. Harvey Allen and sons Mike and Norman and Mrs. Walton Wilson spent Saturday in Lubbock in the home of Mr. and Mrs. Jim Mallard and fam-

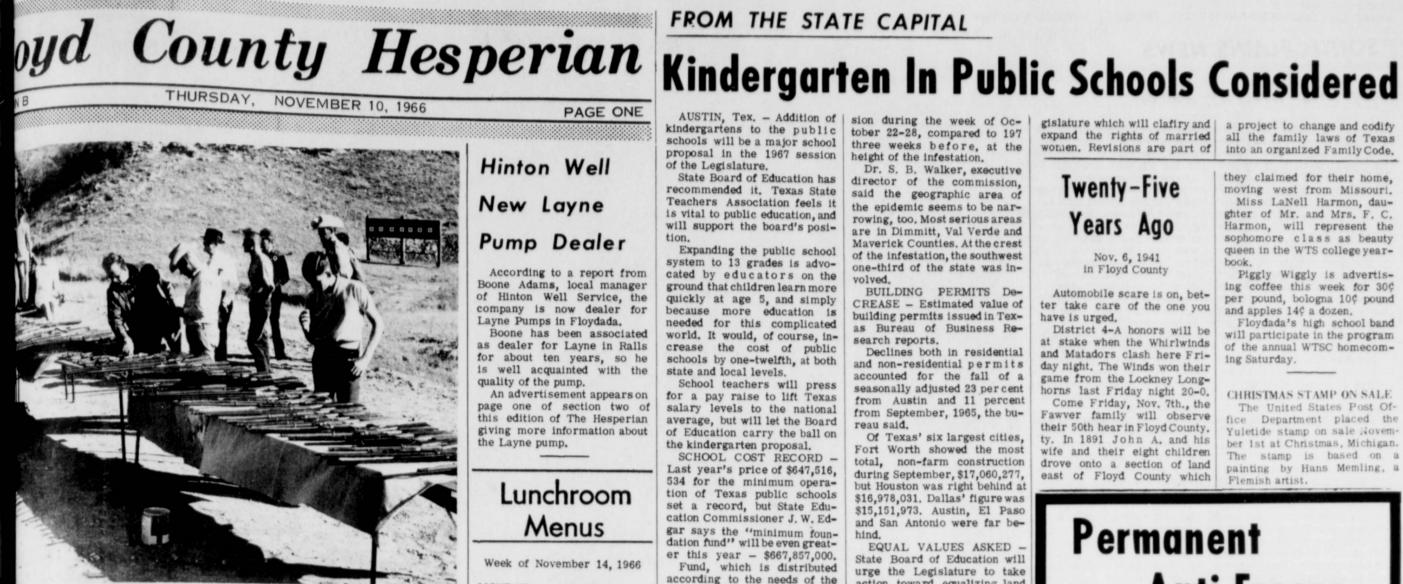

ily. Mr. and Mrs. Fred Battey, Mr. and Mrs. Jim Green and Mrs. Ola Warren were guests Friday night of Mrs. Kate Crabtree. The group enjoyed 42 together.

Mr. and Mrs. A. S. Mize and Mr. and Mrs. Sid Brown were host and hostess at a dinner Sunday at the Brown home for Rev. and Mrs. Floyd Bradley and Ellen, Mrs. W. B. Wilson, and Mrs. Edna Phillips.

Mr. and Mrs. Bill Beedy of Claude were down Friday and visited in the afternoon with Mr. and Mrs. Bill Tye and

AUSTIN, Tex. - Addition of | sion during the week of Oc-ndergartens to the public | tober 22-28, compared to 197 kindergartens to the public schools will be a major school proposal in the 1967 session of the Legislature.

State Board of Education has recommended it. Texas State Teachers Association feels it is vital to public education, and will support the board's position.

Expanding the public school system to 13 grades is advocated by educators on the ground that children learn more quickly at age 5, and simply because more education is needed for this complicated world. It would, of course, increase the cost of public schools by one-twelfth, at both state and local levels.

School teachers will press for a pay raise to lift Texas salary levels to the national average, but will let the Board of Education carry the ball on the kindergarten proposal.

SCHOOL COST RECORD -Last year's price of \$647,516, 534 for the minimum operation of Texas public schools set a record, but State Education Commissioner J. W. Edgar says the "minimum foundation fund" will be even greater this year - \$667,857,000. Fund, which is distributed according to the needs of the school district and its average daily attendance, draws its resources from two state sources: the available school fund, including a fourth of all occupation taxes by the state,

and other state revenues. Of last year's total, \$123,-439,886 was furnished by the school districts themselves, and the rest by the state. Figures do not include federal aid. EAST TEXAS OIL - Railroad Commission has been given proposals by five oil companies for changing the method of allocating oil allowables in the East Texas Field to eliminate what the companies said was discrimination.

Atlantic Richfield, Mobil, Sun, Cities Service and Superior oil companies all put forth widely different plans to eliminate both inequities within the field between marginal and proratable wells and inequities between the East Texas Field and other fields in the state.

City of Kilgore, Kilgore Chamber of Commerce and other local governmental bodies oppose all changes.

HIGHWAY BEAUTIFICA-TION - "Texas faces the prospect of losing about \$20,000,000 a year in federal highway funds," Lt. Gov. Preston Smith said, if it does not conform

three weeks before, at the

height of the infestation. Dr. S. B. Walker, executive director of the commission, said the geographic area of the epidemic seems to be narrowing, too. Most serious areas are in Dimmitt, Val Verde and Maverick Counties. At the crest of the infestation, the southwest one-third of the state was involved.

BUILDING PERMITS De-CREASE - Estimated value of building permits issued in Texas Bureau of Business Research reports.

Declines both in residential and non-residential permits accounted for the fall of a seasonally adjusted 23 percent from Austin and 11 percent from September, 1965, the bureau said.

Of Texas' six largest cities, Fort Worth showed the most total, non-farm construction during September, \$17,060,277, but Houston was right behind at \$16,978,031. Dallas' figure was \$15,151,973. Austin, El Paso and San Antonio were far behind.

EQUAL VALUES ASKED State Board of Education will urge the Legislature to take action toward equalizing land values among all 254 Texas counties for property tax purposes.

Values now vary from five to 100 per cent of what the property actually sells for, according to Board member Paul Greenwood of Harlingen. Greenwood had unsuccessfully sought to substitute assessed valuations for the complex "economic index" used to figure local fund assignments of minimum foundation school program costs.

In separate action with implications for many districts, the board held that the Rio Hondo schools cannot withhold report cards and transcripts from students who do not pay special fees.

Board ordered Texas Education Agency to make a study to find out just what fees districts are charging students for such things as locker services, towels and soap in physical training classes.

SHORT SNORTS - Texas will receive \$724,557 in federal funds to assist in improvement of Stephen F. Austin State Park in Austin County, Bastrop State Park in Bastrop County and Palo Duro State Park near Amarillo in Randall County. State Bar of Texas has progislature which will clafiry and | a project to change and codify expand the rights of married women. Revisions are part of

PAGE 2, FLOYD COUNTY HESPERIAN, THURSDAY, NOVEMBER 10, 1966

SOUTH PLAINS NEWS

by Mrs. Murray Julian

SOUTH PLAINS, Nov. 7 - The Mobile Chest X-Ray Unit will be in South Plains, Tuesday, November 15, from 2-5 p.m. The Unit will be located at the Upton Grocery, and will be sponsored by the South Plains PTA. It costs ninetyseven cents per person to operate the machine, so all donations will be appreciated.

The South Plains cotton gathering season has started and at this date 200 bales have been ginned. None of the grades have come back so we do not know how the grade is going to turn out. Several farmers are stripping at this time.

Charles Conger, a student at Wayland College in Plainview, spoke at both Sunday services at the Baptist Church here, and brought his family, Mrs. Conger and boys, Bentley and Brent. Other visitors at church were Mrs. Joe Taylor, Gregg and Rise of Lockney, and Mrs. J. R. Spivey of Truscott, mother of Mrs. Kinnibrugh, Everyone remember the monthly church business conference is Wednesday night at 7:00. The Young Womens Bible Study Group will meet Tuesday at 2:30 p.m. with Dr. Howard leading in the study of Deuteronomy. Royal Service will be studied on Monday afternoon at 2:30 as WMU members meet to study about "Baptists in Japan.

A very special Book Study will be held at the South Plains Baptist Church next Monday, November 14, as Mrs. Burns of the Lubbock Baptist Book Store will come to give "Beneath the Himalayas," by Dr. Jaspar L. McPhail. Around a hundred guests are expected from the churches of Silverton, Quita-que, Lockney, Floydada, Spur and Lone Star. Mrs. Burns will begin her study at 10:30 a.m. and then at 12:00 o'clock lunch will be served to all guests at the Fellowship Hall. At 1:00 the book study will be resumed, and will go on until about 3:00. It is hoped everyone in the community will make a special effort to come and hear this wonderful book.

Donette Marble, daughter of the Don Marbles, came home from school Thursday ill with a sore throat, then Saturday it was discovered that she has scarletina, formerly called scarlet fever. Donette is much better this Monday morning, but it will be several days before she can be back in school.

Mr. and Mrs. Charles Conger, Brent and Bentley, of Plainview, Mrs. Bryant Higginalso of Wayland College at Plainview were Sunday dinner and supper guests in the home of Mr. and Mrs. Fred Fortenberry Presiding judge, Bryan Karr, will hold the polls open for voting from 8 a.m. to 7 p.m. Tuesday, Nov. 8, at the South Plains schoolhouse in precinct 9 in South Plains. Mr. and Mrs. Murray Julian went to Canyon to spend Wednesday night and part of Thursday with Mr. and Mrs. Bruce Julian Sandhill Baptist Church held their annual homecoming Sunday, Nov. 6, with Rev. E. O. Adams of Las Cruces, N. M. bringing the sermon. After lunch at noon, singing for two hours was enjoyed by those attending. Going from our area were Mr. and Mrs. Nathan Mulder and Cindy Little spooks dressed in all manner of Halloween costumes and carrying Trick or Treat bags, invaded our homes Monday night. There were a few grownups, too, who were out in funny clothing, and all brought cheer into our homes. Halloween was mostly celebrated here Friday night as the school children held their annual carnival. \$109.00 was cleared for the PTA in the Halloween Carnival.

man spent this Monday in Lub bock where she had a medica. check. Saturday they took care of the Fieldan Motel for the Ernest Smithermans.

Sylvin Kinnibrugh and Dwight Burgess left Thursday for Lake Kemp to spend the weekend fishing. Mrs. J. R. Spivey is staying here last week and this with Mrs. Kinnibrugh and Beth. The John Kinnibrughs and children went to Truscott and Vera over the weekend to visit her parents, the E. A. Burgess family, and his folks, the J. A.

Kinnibrughs. Mr. and Mrs. J. P. Taylor and Katie had as Sunday dinner guests and afternoon visitors their children, Mrs. Joe Taylor, Rise and Gregg from Lockney, and Mr. and Mrs. J. Ronald Taylor.

Mr. and Mrs. Grigsby Milton and Darla went to Sunnyside, near Dimmitt, on Saturday to have dinner and visit the E. L. Morrisons who formerly lived in South Plains.

Hobby Club members will not have their November meeting, but will have a combined November and December meeting on Dec. 2. at the Sterley Community Club room, Hostesses for the party will be Mmes. Sylvin Kinnibrugh, M.M. Julian and J. P. Taylor.

Mr. and Mrs. H. L. Marble spent Sunday in Halfway, having dinner and enjoying the day with old friends, Mr. and Mrs. Joe Prater.

Mr. and Mrs. Bob Hartman and children of Lubbock spent Sunday here with his parents, Mr. and Mrs. Harry Hartman and boys.

Mrs. Arby Mulder went to Amarillo Friday to get Kathy, who attends Amarillo Business College. Kathy spent the weekend at home, attending the Friday night football game between Floydada and Lockney at Lockney. Sunday Mrs. Mulder took Kathy back to her school duties. Mr. and Mrs. Tillman Powell and children and Mr. and Mrs. Fletcher Powell and family of Lockney will celebrate birthdays of Warren Powell, who will be 18, and Diane Powell, who will be 8. The family dinner will be a chili supper at the Fletcher Powells and birthday cakes

will be served later. J. B. Lott, 65, of Fort Worth passed away there last Tuesday, and funeral services were held in Rule on Thursday afternoon. He had been ill for several years. J. B. was the brother-in-law of Frank Mc-Clure. Mr. and Mrs. Frank McClure left this Saturday to go to Fort Worth to visit Mrs. J. B. Lott, and will be with other relatives there during the coming week. Mr. and Mrs. Frank McClure accompanied Mr. and Mrs. George Weast to their mountain cabin in Ruidoso, N. M. last Tuesday. Mrs. Weast is in her wheel chair with a broken foot, but is getting along nicely, and able to do many things. The McClures were called home Thursday by the death of his

stay until Tuesday deer hunting. Accompanying Raymond will be Jerry Patton of Silverton, and Bruce Gibson of Turkey. Mrs. Gibson will stay here with Mrs. Reeves and children. Mr. and Mrs. Don Probasco

were hosts at a Kitchen Craft Cookware dinner in their home last Thursday night with E. T. Abernathy demonstrating the kitchen ware. Guests with them were Messrs, and Mmes. Keith Marble, Travis Young, Fred Marble, and Roger Poage of Floydada.

We left out the name of Blake Kitchens as we gave the names of the little folks who attend kindergarten classes at the First Methodist Church in Floydada. Others going are Judi Bean, Mark Beedy, Dwayne Marble and Russ Wood.

Mr. and Mrs. Don Marble went to Lubbock Monday at nine o'clock for the Water Symposium, which is a study of arid and semi-arid lands, which was held at the Lubbock Coliseum. They lunched at the Coliseum. and heard many famous speakers during the day, including Dr. Garner, Secretary of Health and Welfare; Secretary of In-terior Stewart Udall; and Texas Governor, John Connally. In the afternoon they attended a reception for Dr. Murray at the new Texas Tech Library. Mrs. Fred Marble and Mrs.

Dean Stewart have worked hard Cedar Hill and South Plains in our community the past two weeks on the Salvation Army Drive, and they wish to give a very special thanks to everyone who gave so generously to the cause. \$165.50 was given to the Salvation Army Drive in South Plains.

Remember the areawide Associational meeting in Floydada at the First Baptist Church on November 15, at 7:30 p.m. when Dr. and Mrs. Woodson Armes will speak. Each one should make plans to attend this inspirational meeting.

Trevor Fitzgerald Durham, month old son of Mr. and Mrs. Bill Durham of Silverton, died Wednesday at 5:30 in the Plainview Hospital where he had been a week. Services were held at Church of Christ at 3 p.m., Thursday afternoon in Silverton with Earl Cantwell officiating at the services. Little Trevor's mother, and Mrs. Donald Bean are cousins. Attending the last rites from here were Mr. and Mrs. Donald Bean and family, and Mr. and Mrs.

4-H Clubs were all represented at this Senior 4-H Club gathering with Sherry Mullin, and many other adults with the group. Those from here who attended were Katie Taylor, Jeaneve Hamm, and Margie and Julia Arrendondo. Mr. and Mrs. Barry Kinslow

from WT at Canyon were home over the weekend with parents, Mr. and Mrs. E. J. Kinslow and boys.

Mr. and Mrs. Grigsby Milton and Darla and Kenneth Bean and Diane flew their planes to Lubbock Sunday afternoon at 3 p.m. to take part in the Rededication of Lubbock Municipal Airport.

An uncle of Mrs. L. N. Johnson's, Luther Fowler of Pueblo, Colo, remains in critical condition in a hospital there. He has been in the hospital almost a year, and doctors say there is little hope of his recovery

Texas''Will Reopen In June Next Year

"TEXAS" the spectacular |duction. Almost all of the paproduction of music and dra- trons entered the park after ma and romance which plays reopen next year on June the thirtieth, Friday and run through September 4, Labor Day. As before "TEXAS" will run every night except Tuesday.

At the October meeting of the executive board of the Texas Panhandle Heritage Foundation which produces "TEX-AS" the executive vice-president, Raymond Raillard, made the following reports. The first was an analysis of 100 questionnaires which had been presented to the heads of families at the last few performances of the production asking how far they had come and where they had heard about "TEXAS." These were distributed at random. The replies reported hearing of "TEXAS" from all media and from as far away as Boston and New York. 77 put word-of-mouth recommendation first. Newspapers, radio, TV, magazines, brochures and other media fol-

lowed in that order. 87% said that they made the trip ES-PECIALLY to see the production. On the average, they had driven 195 miles - a round trip of 390 miles - to see the show. The next report was on cars

driven to "TEXAS." 19,000 cars were parked, driving no farther than from Amarillo or Canyon each of these made a round trip of 50 miles since a check with the Park records reveals that only a few hundred cars each month entered the

Palo Duro State Park early

and remained to see the pro-

\$2466<u>00</u>

Manufacturer's suggested retail price for Camaro Sport Coupe (Model 12337) shown above. Price includes Federal Excise Tax and suggested

dealer delivery and handling charge (transporta-tion charges, accessories, other optional equip-ment, state and local taxes additional).

6:00 p.m. when the free adin the Palo Duro Canyon of mission to the park for theatre the Texas Panhandle, is to patrons went into effect. At an average of 14 miles per gallon, counting a drive of only 50 miles, these cars drove 950,000 miles they would not otherwise have driven, using 65,000 gallons of gas, paying \$19,000 to the filling stations for it and a state tax of \$5,200. According to the

survey, however, the average trip totaled 390 miles. To allow for the few hundred already in the park and using 350 miles as a basis, the above figures can be therefore multiplied by seven using this figure. Gas purchases would amount to \$135,000 and the tax for gas paid into the state treasury \$36,000. In addition, the production paid \$6,900 into the State treasury in commissions.

The third report was on out of state people who were asked to register and had opportunities to visit with the hostesses as they came in. About 2500 people registered from the fifty states sent the most patrons to "TEXAS" in order of their numbers: Oklahoma, California, New Mexico, Kansas, Missouri, New York, Louisiana, IIlinois, Colorado, Florida. People reported hearing of the production as far away as Boston and New York. Patrons from 58 different countries signed the guest book. 83 put pins in the world map denoting their homes in these places and in 25 others.

The attendance of more than 60,000 at "TEXAS" compared very favorably with that at other spectacular outdoor dra-

FLOYD COUNTY HESPERIAN, THURSDAY, NOVEMBER 10, 1966, PAGE 3

Farmers Invited To Open Meeting With Noted Agronomist

All area farmers are invited | tional Development. He taught to an open discussion meeting on fertilization of cotton, milo, wheat and soybeans at the Lighthouse Electric Community room Tuesday night at 7:30 p.m.

The program is sponsored by the Producers Cooperative Elevators and features Dr. Charles Wilson, noted agronomist.

The meeting will be informal with open discussion of questions and answers. According to Bill Cagle, local Producers manager, it should prove very beneficial to the farmer who wants to learn more about proper fertilization of his different crops.

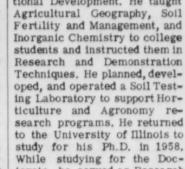

BACKGROUND

Charles Wilson was born in 1933 and reared on a diversified farm near Wagoner, Oklahoma. Graduated with honors from Okay High School in 1951 after serving his class as president for three years. He was elected twice as the school's most outstanding "all-round" student. A leader in 4-H work, Charles won National Honors in Tractor Maintenance during 1950.

He married Shirley Posey of Okay, Oklahoma, and they have three children: Charles Jr. 6, Susan 4 and David 16 months. EXPERIENCE

He served overseas at Jimma, Ethiopia as instructor of Soils and Related Sciences for the Jimma Agricultural Technical School in cooperation with the U. S. Agency for Interna-

and Potassium,

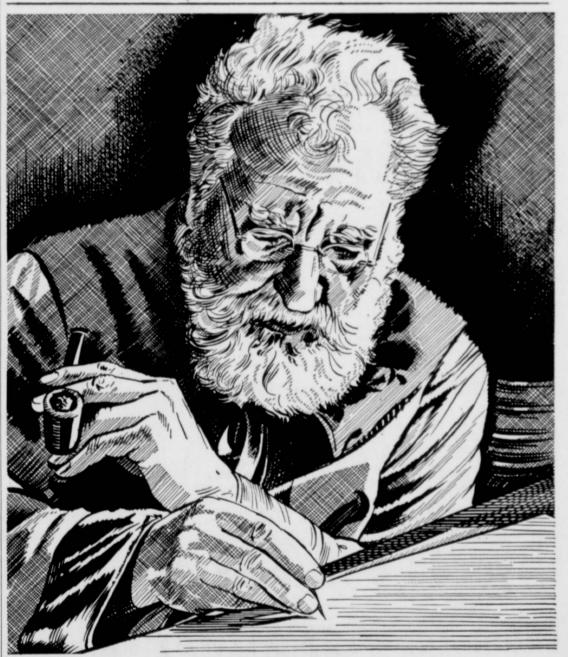

students and instructed them in Research and Demonstration Techniques. He planned, developed, and operated a Soil Testing Laboratory to support Horsearch programs. He returned to the University of Illinois to study for his Ph.D. in 1958. While studying for the Doctorate, he served as Research Assistant in Agronomy, correlating soil tests for Phosphorus

Charles joined the Fertilizer

Distribution Branch of the Tennessee Valley Authority where he worked with Land-Grant Universities and Fertilizer Industries of the Southwest to foster improvements in fertilizers and fertilization practices. He is recognized for his leadership SEE WILSON PAGE 4 ANNOUNCING THE

Mr. Bell liked to make things better...

After Alexander Graham Bell invented the telephone in 1876, he did not rest on his laurels. He helped form the National Geographic Society, developed the basic method of making phonograph records on wax discs and pioneered a method of locating icebergs by detecting echoes from them. He made suggestions and contributions that helped give us air conditioning and the iron lung. For 46 years after inventing the telephone, he lived a vigorous and creative life.

Southwestern Bell likes to make things better, too 11-10-66

Six short years ago, we did not offer the Princess® telephone, Home Interphone, Wide Area Telephone Service, Centrex service, Data-Phone data communications service or Panel Phone. There was no electronic artificial larynx, no automatic dialer and no Speakerphone. Today, these new items help us provide the best telephone service in the world. But we want to make it better. That's our legacy from Mr. Bell.

Southwestern Bell

ACE 4, FLOYD COUNTY HESPERIAN, THURSDAY, NOVEMBER 10, 1966

Floydada BringsCounty FootballChampionship Hom ed and Lockney's Ric son intercepted the

It's basketball time and a good time to look over the giri's basketball prospects for the new season.

Around 85 girls are coming out for basketball in grades 7 through 12.

The Floydada Whirlettes will officially open their 1966-67 basketball season Saturday in the Plainview gymnasium. The Whirlettes will play Quitaque at 5:30 as part of four

exhibition games to be played ending the annual Flying Queen coaching clinic. Other games will include Tulia-Spearman, both state champs

in 1965-66 at 4 p.m., followed by Friona-Springlake. Dimmitt will play Roosevelt in the nightcap beginning at 8:30.

COACHING CLINIC

Floydada coach Kelly Chadwick will lecture at the clinic on the "teaching of ball handling," and "jump shooting to for-Floydada team members will be used during the lecwards." ture to demonstrate the methods used at Floydada.

NEW SEASON

A Hesperian sports reporter interviewed coach Chadwick about the new season. The Whirlettes had their most successful season in 1965-66, winning district, bi-district and losing to eventual state champion Spearman, in regional at Lubbock. Coach Chadwick said the loss of key players from last

year's team including all-state forward Shirley Rainer, will have its effect on the team, but six returning seniors, led by alldistrict guard Nona Pernell should make the team a top contender for district honors again this year.

Kenneth Cockrell Wins Football Contest

The guessing was mighty close on last week's Hesperian Football contest and the winner missed only two games. Several contestants missed only three games and many missed only four.

Kenneth Cockrell, 305 West Virginia is the winner of the first place \$7.50 cash prize. He missed the Canyon-Perryton, Borger-Monterey games. In second place and winner of

the \$5.00 cash prize is Randy Reynolds of Lockney. He missed the Olney-Wellington, Borger-Monterey and Plainview-Palo Duro games.

Third place winner of the

\$2.50 is Carl Lewis of 906 S. 4th. He missed the Borger-Monterey, Plainview - Palo Duro, and West Texas-Arizona games. Others who missed only three

games include: Ron Hill, Tom Moore and Jim Reynolds.

The tie-breaker Floydada-Lockney game was used to determine the second and third place winners.

Only one more big week remains in the football contest. . . . it's over in the second section of this edition. Mark your winners and get it in or post marked by five tomorrow afternoon.

hoot. Bill Cagle expressed the who helped make the project a success.

Beat Lockney 21-0

brought the Floyd County football championship home Friday night when they defeated the Lockney Longhorns 21-0.

Floydada hit the field hotter than a firecracker and racked up the 21 points the first half. The second half was dominated by mediocre football by both teams....neither looking very strong offensively. The Floydada defensive unit did play a good second half.

The scoring went like this: Joe Christian plowed right through the middle for the first TD with 4:34 time left in the first quarter. Derrell Monday half. kicked the extra point, Floydada led 7-0.

Another first quarter TD was made by Derrell Monday on a beautiful 35 yard run. Kick for extra point failed. Floydada led 13-0.

The final TD came in the second quarter when Kerry Bearden returned a punt on a zig zag 45 yard runback. Larry Barbee passed to Tommy Weathersbee for the extra points. Floydada led 21-0. PLAY BY PLAY

Floydada kicked off. . Lockney returned and couldn't make a first and ten, Jim Kropp pumped, Joe Christian took the ball for Floydada, but fumbled about mid field and it was Lockney's ball again.

Kerry Bearden, Christian and Derrell Monday made two first and tens, Larry Barbee passed to Steve Marler and it was completed through a pass interference ruled by the referee. This was another first and ten and set up Christian's first TD.

After the kickoff following the first TD, Lockney again couldn't make a first and ten and Jim Kropp punted. The ball was returned to the 47 yard line. Christian and Bearden made a first and ten, then Monday took off for the 35 yard run and

another TD. Again Bobby Gilliland kicked off and again Lockney couldn't make a first and ten. Kropp punted and Bearden took it all the way for the third Floydada TD.

Gilliland again kicked off and the Longhorns came to life and made three first downs just before the half. One time they penetrated to the 'Winds 20 yard line. The Longhorns made 12 yards with a pass from Tandy Johnston to Melvin Sissney,

Aunt Jemima's

Floydada Girls Basketball **Team To Play At Wayland**

More than 1,100 high school girls basketball players and coaches are expected in Plainview Nov. 12 for the Flying Queens cage clinic.

It will be the 9th annual clinic hosted by the Wayland College woman's basketball squad. Harley Redin, Wayland athletic director and coach of the Flying Queens, said attendance this year promises to exceed the approximately 1,000 who attended last year, More than 100 coaches are expected Saturday, Redin said.

The clinic will be at the Plainview High School gymnasium starting at 9 a.m. The gym will be open at 8 for visitors arriving ahead of the program start.

In addition to the clinic panel featuring coaches, there will be four games between outstanding high school girls' teams from 4 p.m. until 8:30 p.m.

Opening play will pit the Spearman 1966 AA state champions and the Tulia AAA state champs this year.

Floydada - Quitaque, Friona-Springlake and Dimmitt-Roosevelt teams will be matched in games to follow.

First on the coaches' panel will be a discussion by F. G. Crofford, Claude, on team defense. Ball handling and goal shooting will be the topic of discussion by Kelly Chadwick, Flovdada.

The Flying Queens will demonstrate fundamentals of cage play at 10:30 and at 11:30 will scrimmage with the Wayland

Basketball

League To Be

Organized

Any men interested in playing in the independen. . setball league here in Floydada should come to the community room of the First National Bank here next Tuesday night.

The meeting is set for 8 p.m. and it is hoped that a league, can be formed. Some of the area communities already havo basketball teams organized.

Queen Bees. Following lunch to be served the visitors, Dean Foshee, Springlake, will discuss pressing defense.

Single post offense will be the topic of Mel Williams of Friona. Bud Roberts of Tulia, final panel member scheduled to appear, will discuss advancing the ball against pressing defense.

Matched play will be open to the public at charges of 75 cents for students and \$1 for others.

FLOYDADA 21

1967 Voluntary Feed Program Announced

demand in near-perfect balance today, but with increased production needed in 1967, Secretary of Agriculture Orville L. Freeman today announced 1967

feed grain program provisions designed to divert about half as many acres as in 1966.

The 1967 program will be basically the same as inprevious years, the changes being a higher loan rate, higher total price support, and elimination of voluntary diversion for payment except on small farms which may earn diversion payments higher than in 1966.

"This is one of the earliest dates we have ever announced a feed grain program," Secretary Freeman said. "We have made the 1967 program decisions with utmost care and after thorough study. Feed grain crops are now safe from serious freeze damage. The October crop report has given us the necessary information about U.S. production. We have estimates of foreign production that are probably as accurate as we will be able to get. The Canadian grain crop has been confirmed as a record. The Russian crop is a record, European crops are good. As to utilization, we now have good estimates for the past year and for the year ahead. Therefore, we have proceeded to make the decisions and announce them now to enable farmers to make their plans.

"More than a million feed for 1966; however, payments grain producers have been cooperating in these programs grain bases of 25 acres or less annually since 1961, and their efforts have resulted in the diversion payments equal to 20 present balance between supply percent of support (loans plus and demand along with im- price support payments) for proved farm returns and sta- the qualifying diversion (20 bility for the livestock eco- percent of base acreage) and nomy. We hope and believe that 50 percent of support on any most cooperators will continue additional acres diverted, up

9. Barley. As announced earlier, barley is not included in the 1967 program.

The program signup period will begin in early 1967. Wheat and cotton program signups will be held concurrently with those for the feed grain program. "The success of the voluntary feed grain program has brought feed grain supplies into line with demand," Secre-

tary Freeman said. "As of October 1 this year, the carryover was approximately 47 million tons which is generally considered to be a desirable level. However, increased domestic use and soaring exports in the vital dollar markets of the world indicate a higher total utilization. A possible 30-million-ton carryover is in prospect for next October 1. Since a further drawdown in stocks is not desirable, production should aim. to provide supplies for the 1967-1968 marketing year adequate for domestic use and a continued high level of export sales, even with unfavorable weather during the 1967 growing season.

"The program for 1967 minimizes the risks of too much or too little,"

CROPLAND ADJUSTMENT The U.S. Department of Agriculture announced a continuation of the Cropland Adjustment Program for 1967 with the dual objective of farm and nonfarm benefits through shifting cropland presently not needed for agricultural production into ong-term conservation, recreational and open spaceuses. The program for 1967 provides generally high rates except for cotton for putting land under the CAP. These rates reflect the improvement in commodity prices and apply to those crops for which surplus potential continues to exist. The Greenspan provisions of the program will continue to help State and local governments acquire cropland for nonfarm uses such as preservation of open spaces and natural beauty, wildlife habitat and recreation, and the prevention of air and water pollution. Department officials pointed out that the 1967 program is geared to the changed need for agricultural production. As result, the program is aim-

ed at those crops with surplus implications such as feed grains, cotton, peanuts and tobacco. The program will continue to emphasize the shift of land to public benefit uses which also conserve soil and water to meet future needs.

Even though about 30-35 million base acres can go back into production under the 1967 wheat and feed grain programs along with more than 2 million acres from expiring Conservation Reserve contracts, there is need to prevent over-expansion of acreage in many crops, including feed grains, to avoid returning to costly surplus buildups.

The program is expected to be of particular benefit to farmers who want to retire or take jobs in industry, or for other reasons want to change their production pattern. The program provides means by which they can shift their land into new uses and at the same time apply needed conservation measures for longtime benefit to the land.

The program for 1967, which reflects the flexibility of the Food and Agriculture Act of 1965, offers contracts of 5 to 10 years. Participants will receive adjustment payments related to the value of crops normally produced on the land. They also will be eligible for conservation cost-sharing on land put under the program. More than 36,000 agreements covering 2 million acres of cropland were signed under the 1966 CAP.

In addition, where appropriate, those who agree to permit free public access for fishing, hunting, hiking, or trapping in accordance with State and Federal regulations, may get additional per-acre payments. Of the 2 million acres of land put under the program in 1966, about 500,000 acres are open without charge to the public for these uses under this public access feature of the program.

Farmers who participate will receive payments based on the past use and the productivity of the land. For land that would otherwise produce corn and grain sorghum, the national average rates will be 50 cents per bushel for corn and 42 cents por bushel for grain sorghum with varying rates by counties. The payment will be determined by the number of acres and the farm yield per acre. These rates compare to 1966 National average rates of 40 cents per bushel for corn and 34 cents per bushel for grain sorghum.

Other crops will be on a flat rate basis and include 6 cents per pound for cotton, 4 cents per pound for peanuts, and 8 to 15 cents per pound for tobacco, the "ate depending on the kind of tobacco. For 1966 these rates were 6 cents a pound for cotton, 3.5 cents a pound for peanuts, and 6 to 12 cents a pound for tobacco. After placing all of the acreage of one or more of the above crops in the program (except acreage for home use of feed crops) farmers may include other cropland. Rates for this cropland will average nationally \$8 per acre, compared to about \$5 per acre for the 1966 program. Wheat, rice and barley acreage are included in this group instead of having individual rates as for 1966. All of the land taken out of production under the program will be put to conservation uses with cost-sharing provided for conservation practices. Wildlife plantings and conservation measures which preserve open space and enhance natural beauty will be emphasized. Other practices authorized for cost-share assistance fall

Turkeys have long provided Thanksgiving and Christmas dinners for many American families. But it is only in recent years that turkeys have been so economically priced that they can be enjoyed anytime.

Breeding has improved the meat on the turkey. The modern turkey is even more delicious and tender than the bird relished by the early Pilgrims that first Thanksgiving.

To meet the family demand, turkey farmers have developed smaller birds that can be more easily cooked and conveniently stored. You may choose a small turkey for frying or broiling or a larger bird for roasting. The extra meat in the larger birds can be used later to make delicious sandwiches or turkey casseroles.

Here are a few turkey tips recommended by the U.S. Department of Agriculture. Frozen unstuffed turkeys must be thawed before cooking, whereas commercially frozen and stuffed turkeys should not be thawed before cooking.

Thaw turkey until pliable in its original container in the refrigerator. Allow 2 to 3 days for large birds, 1 to 2 days for smaller ones. Turkeys sealed in watertight wrappers may be thawed in cold water. This takes 2 to 6 hours depending on the size of the bird. Turkey should be cooked soon after thawing.

If you are in doubt about the size of the turkey that you should buy, here is a table that may be useful as a buying guide.

For approximately 4-10 servings, 4-8 pounds of ready to cook turkey will be needed; 10-20 servings, 8-12 lb. turkey; 20-30 servings, 12-16 lb. turkey; 30-40 servings, 16-20 lb. turkey; 40-50 servings, 20-24 lb. turkey.

Here is another tip which might be helpful to the homemaker who operates on some kind of schedule to avoid the mad scramble that often occurs when the turkey is done and needs to be readied for serving: If you plan the roasting time to be completed 20 to 30 minutes before serving time, you will find that you aren't rushed to mash the pip-

within the general category of. preventing erosion or air and water pollution, and measures to provide better outdoor recreation.

ing hot potatoes, make the gravy, take the rolls out of the oven and serve the cranberry sauce. This "rest period" also allows the meat to reabsorb juices, thus becoming jucier and easier to carve.

BY

Here is a recipe that you will want to try for FLUFFY BREAD STUFFING. You will need 1 1/2 lb. of bread (2 to 4 day old) 3/4 to 1 lb. butter or margarine, 1/4 cup onion, 1/4 to 1/2 teaspoon pepper, teaspoon or more salt, 1 teaspoon pountry seasoning, if desired, and lemon juice. Cut bread into 1/2 inch cubes

and drop into large mixing bowl. Cook onion in 2 tablespoons of butter until softened but not browned. Cut remaining butter into 1/2 inch dice. Combine onion, diced butter and seasonings with the bread -tossing together. Taste and if desired, add additional salt,

pepper and poultry seasoning. Stuff turkey. For CREAMED TURKEY you will need 3 tablespoons butter or margarine, 4 tablespoons flour, 1 cup each turkey broth and milk, 1/2 teaspoon both salt and paprika, 1/8 teaspoon pepper, 1 teaspoon grated on-

ion, a 1 1/2 cups diced cooked turkey. To prepare it, melt butter, add flour and stir over low heat until blended. Add the cold broth and milk all at once. Cook stirring constantly until uniformly thickened. Then set over hot water. Add the seasonings and the turkey and heat thoroughly. Serve over biscuits, toast, plain or fried

The program is again designed to protect local communities by limiting the amount of land that can but put under the program.

Agricultural Stabilization and Conservation County Committees will administer the program. Details on how the program applies to an individual farm will be available in ASCS county offices in late November.

The prices on many things have gone up. But not on Gas appliances, as yet. In fact, Gas ranges and dryers are bigger bargains than ever right now because your Gas Appliance Dealer is not only offering special low prices but is making higher trade-ins, to boot.

So Now is the time to buy while you can still save as perhaps never again on clean, cool-cooking Gas ranges and fast, economical Gas dryers. Visit your Gas Appliance Dealer today. Look for the special price tags that mean savings like you may never se

again.

County Agent's Corner

An organized effort to get all of the Gregg 25V cotton ginned separately is being conducted on the high plains. Gregg 25V cotton does not have the gossypol glands like other cottons. Hopefully all the seed can be ginned separately and crushed separately through "Operation Glandless Cotton." The meal and oil from it will be used for research.

The gossypol glands contain a substance that is toxic to non-ruminant animals. The gossypol also produces a dark color in the oil and meal. Seed without the glands will make a clear oil and a white meal.

Research personnel are very optimistic over the discovery of the glandless cotton. Some state that this will open the door to making food and oil for human consumption as well as poultry and non-ruminant animals.

They state if this is possible the price of seed could go up so that in a few years the seed could be almost comparable price to the lint, which would give the cotton industry a big boost,

Gregg 25V was released as a variety that had high tolerance to verticullium wilt. It was discovered however to be glandless through other research. Cotton breeders and research personnel have been trying to produce a good yielding variety that is glandless for the past 10 years. A few varieties have been produced but none had been planted in a large scale. Other glandless varieties are expected to be released in a few years.

Cotton gins selling Gregg 25V this year were the Farmers Coop Gin, the Floyd County Coop Gin in Floydada, and the Staniforth Gin at Lone Star. All farmers buying the 25V seed from them are urged to contact the ginners when the cotton is ginned.

ASC NEWS

Floyd Philosopher Ponders Plan To Finance Campaigns With Taxes, But Reaches No Conclusion

Philosopher on his Johnson grass farm takes a look at a new iece of legislation.

Dear editar: Now that the elections are over I can get around to a piece of news I read in a newspaper a few weeks ago.

According to it, Congress has passed a bill allowing tax payers to indicate on their income tax form that they want one dollar of their money to go to finan-

Editor's note: The Floyd | cing the next presidential campaign.

It's figured that if 60 million people do this, the number who file income tax reports, that'll give 30 million apiece to the Democrats and the Republicans, so they can finance their campaigns without becoming beholden to private contribu-

I have thought about this and, in the same way I handle most big problems, have come to no

conclusions. At the same time, however, I

can detect a possible trend. If the people are going to be taxed, and that's what it amounts to, to finance the Presidential campaigns, what's going to keep Senators, then Congressmen, then Governors, then State Representatives, then Sheriffs, then Constables and Justice of the Peace, from thinking up the idea of getting in on the same deal?

to finance all campaigns, wouldn't this mean politicians could start raising your taxes even before they got in office? Some people would say this would be giving them an unfair headstart.

On the other hand, everybody knows the oddities of the present system, where a man will spend 50 times as much to get elected as the office pays. Outside of farming, I guess politics

And if the people are taxed | is the only profession where you can spend more than the job pays and still stay in business. I can tell you how this can be done in farming, but am unequipped to tell you how it can be swung in politics.

I don't have any answers to these problems, but the fact remains it costs more and more to get a man elected and sometimes a lot more than that to allow him to stay there.

Yours faithfully, J.A

COTTON: 1967 Cotton Allotments and Yield Notices were mailed from our office October 21, 1966. Any appeal of your allotment or yield must be made in writing in this office no later than November 7, 1966. Appeals of yields based on actual production must be for the years 1963,1964, and 1965 and each producer who files an appeal MUST furnish production records for ALL FARMS in which he shared in the production of cotton for each of the three years.

DIVERTED ACREAGE: Acreages diverted under the annual programs may be grazed beginning November 1st, but no harvesting of any kind is permitted.

Soil Bank acreages on which the contract expires this year CANNOT be grazed until after December 31, 1966 regardless of the crop growing there-

LEASED COTTON: If you leased cotton for more than one year, this acreage was not in the original notice, but in the near future revised notices will be mailed to include this LEASED acreage.

ACP: Funds in the amount of \$22,000 are still available for ACP cost-shares under the 1966 ACP.

1966 PAYMENTS: We are in the process of making the Conservation Reserve and Cropland Adjustment payments. There are also a few Wheat, Feed Grain, and Cotton payments to be made. Payments made under these programs as of November 1, 1966 total \$11, 296,139.57.

SOCIAL SECURITY NUM-BERS OR EMPLOYER IDENTI-FICATION NUMBERS (on partnerships, estates, and trusts) are still needed for producers who have not yet furnished this information.

VETERANS DAY: This office will be closed November 11 in observance of Veterans' Day.

THE 1967 FEED GRAIN PROGRAM, as announced through news media, provides for only 20% diversion with no diversion payment, (except for farms with a base of 25 acres or less). The loan rate is increased 9¢ per cwt and price support payments will be made on 50% of the base acreage. The program is voluntary. Other information will be relayed when received.
